

Skinwalkers at SpaceWolfResearch

A. True Ott PhD

1
00:00:01,140 --> 00:00:07,400
foreign

2
00:00:38,229 --> 00:00:17,080
[Music]

3
00:00:45,229 --> 00:00:42,350
Blast Off on another epic episode of

4
00:00:48,229 --> 00:00:45,239
hero paranormal podcast the hyper

5
00:00:51,650 --> 00:00:48,239
anomalous esoteric research organization

6
00:00:55,189 --> 00:00:51,660
podcast Broadcasting

7
00:00:57,350 --> 00:00:55,199
from just south of the old Sherman Ranch

8
00:01:00,290 --> 00:00:57,360
my name is Ryan

9
00:01:03,529 --> 00:01:00,300
the anomalous ambassador of the airwaves

10
00:01:05,509 --> 00:01:03,539
bringing you an epic episode today on

11
00:01:09,289 --> 00:01:05,519
today's episode we have none other than

12
00:01:11,990 --> 00:01:09,299
the amazing Dr true Ott you may know him

13
00:01:14,870 --> 00:01:12,000

from a variety of past podcasts both

14

00:01:16,789 --> 00:01:14,880

mine and others he is also behind the

15

00:01:18,770 --> 00:01:16,799

podcast that is known as the story

16

00:01:23,030 --> 00:01:18,780

behind the story

17

00:01:25,810 --> 00:01:23,040

Dr truwat is an amazing Utah researcher

18

00:01:29,030 --> 00:01:25,820

who is so knowledgeable about everything

19

00:01:32,510 --> 00:01:29,040

including the occult treasure hunting

20

00:01:35,270 --> 00:01:32,520

the Paranormal in search of just about

21

00:01:38,149 --> 00:01:35,280

anything that might be mysterious in

22

00:01:40,810 --> 00:01:38,159

Utah Dr truatt is just about an expert

23

00:01:43,310 --> 00:01:40,820

on all of it he's also involved with

24

00:01:45,950 --> 00:01:43,320

Mesoamerican digs taking place at the

25

00:01:49,550 --> 00:01:45,960

moment he has been researching and

26
00:01:50,270 --> 00:01:49,560
podcasting for a very very long time in

27
00:01:53,510 --> 00:01:50,280
fact

28
00:01:56,230 --> 00:01:53,520
before long before Coast to Coast AM

29
00:01:59,810 --> 00:01:56,240
began in fact Coast to Coast AM was

30
00:02:03,170 --> 00:01:59,820
somewhat uh modeled after his original

31
00:02:06,850 --> 00:02:03,180
podcast if you haven't heard of Dr Tru

32
00:02:09,589 --> 00:02:06,860
Ott definitely check out his website me

33
00:02:12,190 --> 00:02:09,599
minerals.com that stands for Mother

34
00:02:15,530 --> 00:02:12,200
Earth minerals and that's me

35
00:02:19,910 --> 00:02:15,540
minerals.com and you can order a variety

36
00:02:22,190 --> 00:02:19,920
of holistic and very helpful items from

37
00:02:23,390 --> 00:02:22,200
there if you're in the search of health

38
00:02:26,330 --> 00:02:23,400

and happiness

39

00:02:28,369 --> 00:02:26,340

Mother Earth minerals offers truly

40

00:02:30,949 --> 00:02:28,379

unique and cutting-edge nutritional

41

00:02:33,350 --> 00:02:30,959

supplements they invite you to learn

42

00:02:35,690 --> 00:02:33,360

about the incredible true story of

43

00:02:38,809 --> 00:02:35,700

water-soluble magnetically enhanced

44

00:02:42,170 --> 00:02:38,819

individual minerals from Boron to zinc

45

00:02:44,509 --> 00:02:42,180

unlock the secrets for the wellness of

46

00:02:47,630 --> 00:02:44,519

life with their down to earth and simple

47

00:02:50,210 --> 00:02:47,640

approach to supplements check out me

48

00:02:53,449 --> 00:02:50,220

minerals.com

49

00:02:57,410 --> 00:02:53,459

I personally use his gold supplement

50

00:02:59,570 --> 00:02:57,420

which is absolutely amazing and uh can't

51
00:03:01,490 --> 00:02:59,580
say enough good things about the

52
00:03:03,770 --> 00:03:01,500
products or the man

53
00:03:05,750 --> 00:03:03,780
so without further Ado let's get him on

54
00:03:07,490 --> 00:03:05,760
here and we're going to delve into some

55
00:03:10,009 --> 00:03:07,500
very strange

56
00:03:13,850 --> 00:03:10,019
strange but true Tales

57
00:03:16,990 --> 00:03:13,860
of Uinta Basin High strangeness

58
00:03:20,449 --> 00:03:17,000
this took place at

59
00:03:23,149 --> 00:03:20,459
spacewolfresearch.com which is a base

60
00:03:25,610 --> 00:03:23,159
camp for research located just south of

61
00:03:29,390 --> 00:03:25,620
the old Sherman ranch we're going to get

62
00:03:32,750 --> 00:03:29,400
into all the weird things

63
00:03:35,750 --> 00:03:32,760

Dr true Ott welcome to the hero

64
00:03:38,050 --> 00:03:35,760
paranormal podcast well my pleasure Ryan

65
00:03:40,910 --> 00:03:38,060
that's always good to hear your voice

66
00:03:43,729 --> 00:03:40,920
these crazy anomalies happening this

67
00:03:45,530 --> 00:03:43,739
seems like more and more huh it really

68
00:03:47,390 --> 00:03:45,540
does there's been there's been so much

69
00:03:49,970 --> 00:03:47,400
strange just connecting with you today

70
00:03:51,410 --> 00:03:49,980
has been quite the Endeavor uh quite

71
00:03:54,470 --> 00:03:51,420
difficult

72
00:03:57,949 --> 00:03:54,480
so um yeah it's been interesting I know

73
00:04:00,410 --> 00:03:57,959
that you've been up to a lot as well in

74
00:04:03,710 --> 00:04:00,420
the introduction I I told the listeners

75
00:04:06,589 --> 00:04:03,720
about me minerals.com and Mother Earth

76

00:04:10,789 --> 00:04:06,599

minerals and and how I uh

77

00:04:12,710 --> 00:04:10,799

I I was uh also a I guess subscriber or

78

00:04:14,210 --> 00:04:12,720

uh have purchased some of that stuff in

79

00:04:16,250 --> 00:04:14,220

search of health and happiness and how

80

00:04:19,069 --> 00:04:16,260

great it is I don't know where we should

81

00:04:20,810 --> 00:04:19,079

uh kick off we have a lot to talk about

82

00:04:21,530 --> 00:04:20,820

but

83

00:04:23,629 --> 00:04:21,540

um

84

00:04:25,490 --> 00:04:23,639

should we start with what's what

85

00:04:26,990 --> 00:04:25,500

happened in the Basin I thought this was

86

00:04:29,689 --> 00:04:27,000

quite interesting and this was a while

87

00:04:32,870 --> 00:04:31,490

surely yeah

88

00:04:35,090 --> 00:04:32,880

I'd work that direction you would like

89

00:04:36,830 --> 00:04:35,100

to go Ryan we'll we'll make it happen

90

00:04:40,850 --> 00:04:36,840

okay

91

00:04:43,189 --> 00:04:40,860

so I as usual I had an event take place

92

00:04:45,290 --> 00:04:43,199

at space Wolf research which is a base

93

00:04:49,670 --> 00:04:45,300

camp up in the uina Basin just south of

94

00:04:52,129 --> 00:04:49,680

the old Sherman Ranch and I uh I gave

95

00:04:54,590 --> 00:04:52,139

you a call and I believe Mr Ryan Layton

96

00:04:57,830 --> 00:04:54,600

as well I wanted to bounce some stuff

97

00:05:02,530 --> 00:04:57,840

off off of you guys as I usually do and

98

00:05:06,770 --> 00:05:02,540

you very uh quickly and

99

00:05:09,590 --> 00:05:06,780

very versatility came up to the Basin to

100

00:05:12,490 --> 00:05:09,600

investigate the situation as well as Mr

101
00:05:15,469 --> 00:05:12,500
Layton and a third individual

102
00:05:17,689 --> 00:05:15,479
and I guess what we found was very

103
00:05:19,129 --> 00:05:17,699
interesting I had a caretaker at the

104
00:05:21,110 --> 00:05:19,139
property who

105
00:05:23,930 --> 00:05:21,120
who had an event where he saw something

106
00:05:25,010 --> 00:05:23,940
akin to three werewolves jump over the

107
00:05:28,189 --> 00:05:25,020
fence

108
00:05:30,650 --> 00:05:28,199
he was with a friend of his uh smoking

109
00:05:33,050 --> 00:05:30,660
on the porch there at the uh

110
00:05:35,570 --> 00:05:33,060
caretakers quarters and they yelled out

111
00:05:38,629 --> 00:05:35,580
some things to these trespassers they

112
00:05:39,350 --> 00:05:38,639
the trespassers did not react as if they

113
00:05:43,189 --> 00:05:39,360

were

114

00:05:45,310 --> 00:05:43,199

very human and in fact playfully started

115

00:05:49,490 --> 00:05:45,320

messing with a bunch of camera equipment

116

00:05:52,010 --> 00:05:49,500

and Technologies of various sorts and so

117

00:05:53,870 --> 00:05:52,020

he went inside grabbed his weapon as his

118

00:05:55,370 --> 00:05:53,880

buddy had a weapon in his vehicle and

119

00:05:58,490 --> 00:05:55,380

they started walking down the road

120

00:06:00,230 --> 00:05:58,500

towards these these three entities I

121

00:06:02,870 --> 00:06:00,240

guess I should call them because

122

00:06:04,670 --> 00:06:02,880

that that's where we're starting and um

123

00:06:07,730 --> 00:06:04,680

and well and

124

00:06:10,430 --> 00:06:07,740

and you had a chance to uh

125

00:06:13,010 --> 00:06:10,440

to investigate the situation and also

126

00:06:17,450 --> 00:06:13,020

talk to the caretaker what was your

127

00:06:23,150 --> 00:06:20,570

it was uh uh Mr Layton

128

00:06:26,029 --> 00:06:23,160

called me and as he's apt to do you know

129

00:06:29,390 --> 00:06:26,039

he uses uh military type of metaphors

130

00:06:32,270 --> 00:06:29,400

code red code red out of Skinwalker we

131

00:06:34,909 --> 00:06:32,280

need your help okay

132

00:06:36,950 --> 00:06:34,919

what's uh what's up I believe we got

133

00:06:39,590 --> 00:06:36,960

there actually before you did you

134

00:06:41,150 --> 00:06:39,600

arrived on site that we were you know we

135

00:06:42,950 --> 00:06:41,160

were I guess we're closer from where you

136

00:06:44,330 --> 00:06:42,960

got to drive up from from Southern

137

00:06:46,909 --> 00:06:44,340

Nevada

138

00:06:49,070 --> 00:06:46,919

but anyway we got there and uh

139

00:06:51,590 --> 00:06:49,080

interviewed your caretaker the young man

140

00:06:53,689 --> 00:06:51,600

was definitely

141

00:06:58,249 --> 00:06:53,699

shall we say didn't sleep much the night

142

00:07:01,490 --> 00:06:58,259

before he was he was spooked and so I

143

00:07:03,710 --> 00:07:01,500

went into detective mode with him I I

144

00:07:05,870 --> 00:07:03,720

had him it's always good to have people

145

00:07:08,270 --> 00:07:05,880

repeat their story at least twice

146

00:07:11,390 --> 00:07:08,280

preferably three times

147

00:07:16,490 --> 00:07:11,400

and see if it varies any you know

148

00:07:22,150 --> 00:07:16,500

uh he was excited yes he was agitated

149

00:07:25,249 --> 00:07:22,160

yes but the story was the same and he

150

00:07:28,430 --> 00:07:25,259

proceeded we I asked him to reenact

151
00:07:31,309 --> 00:07:28,440
exactly what happened and and he did

152
00:07:34,550 --> 00:07:31,319
exactly what you just described he he

153
00:07:37,909 --> 00:07:34,560
explained what happened he saw this

154
00:07:38,930 --> 00:07:37,919
this uh in the lights there these these

155
00:07:41,629 --> 00:07:38,940
three

156
00:07:43,430 --> 00:07:41,639
I they didn't say they were people he

157
00:07:47,450 --> 00:07:43,440
wouldn't have shot at people they were

158
00:07:49,909 --> 00:07:47,460
they were some kind of weird

159
00:07:51,950 --> 00:07:49,919
I didn't say the word werewolf he

160
00:07:55,430 --> 00:07:51,960
basically said they were like some kind

161
00:07:57,770 --> 00:07:55,440
of cross between wolves and humans they

162
00:07:59,570 --> 00:07:57,780
they stood up and then crossed in all

163
00:08:00,890 --> 00:07:59,580

fours type of thing

164

00:08:03,529 --> 00:08:00,900

and

165

00:08:06,589 --> 00:08:03,539

he I I asked him if he'd been drinking

166

00:08:10,129 --> 00:08:06,599

or smoking any of the you know funny

167

00:08:12,350 --> 00:08:10,139

weed and no no no no no I oh I had a I

168

00:08:13,850 --> 00:08:12,360

had a beer or two he said but no I was

169

00:08:15,770 --> 00:08:13,860

totally sober

170

00:08:18,529 --> 00:08:15,780

I've never seen anything like this or so

171

00:08:21,409 --> 00:08:18,539

anyway we I went in and had him reenact

172

00:08:24,350 --> 00:08:21,419

where he he did take shots

173

00:08:26,029 --> 00:08:24,360

at at these these creatures uh because

174

00:08:27,589 --> 00:08:26,039

he was unnerved and they were of course

175

00:08:32,029 --> 00:08:27,599

trespassing

176

00:08:33,709 --> 00:08:32,039

I asked him specifically if he was if he

177

00:08:36,709 --> 00:08:33,719

fired warning shots

178

00:08:39,110 --> 00:08:36,719

he said no I felt like this was

179

00:08:41,690 --> 00:08:39,120

something

180

00:08:44,930 --> 00:08:41,700

that I basically had to defend myself I

181

00:08:46,850 --> 00:08:44,940

I shot to kill and I I'm a fairly good

182

00:08:48,550 --> 00:08:46,860

shot he's been he had a really a rather

183

00:08:52,210 --> 00:08:48,560

large caliber

184

00:08:53,810 --> 00:08:52,220

uh lever action

185

00:08:55,850 --> 00:08:53,820

rifle

186

00:08:58,930 --> 00:08:55,860

I forget the exact amount Neighbors at

187

00:09:03,350 --> 00:08:58,940

338 or something was a big bore okay

188

00:09:06,290 --> 00:09:03,360

and and he said I I know that at that

189

00:09:08,570 --> 00:09:06,300

range I could not have missed

190

00:09:10,430 --> 00:09:08,580

I shot

191

00:09:13,130 --> 00:09:10,440

I believe it was three times that I

192

00:09:16,130 --> 00:09:13,140

recall at the three different ones and

193

00:09:19,370 --> 00:09:16,140

it had no reason no there was no

194

00:09:21,470 --> 00:09:19,380

reaction whatsoever so I asked him are

195

00:09:24,710 --> 00:09:21,480

you sure you didn't miss

196

00:09:26,329 --> 00:09:24,720

he said no I'm I'm quite a good shot

197

00:09:28,490 --> 00:09:26,339

even though you know it's open side

198

00:09:30,590 --> 00:09:28,500

there was no scope on the rifle

199

00:09:31,970 --> 00:09:30,600

he says at that range there was no way I

200

00:09:35,210 --> 00:09:31,980

could have missed

201
00:09:36,110 --> 00:09:35,220
so I proceeded to go uh looking in the

202
00:09:37,970 --> 00:09:36,120
brush

203
00:09:41,630 --> 00:09:37,980
or he said he stood in the fire and I

204
00:09:45,530 --> 00:09:41,640
did find the you know the the ejected

205
00:09:48,350 --> 00:09:45,540
rounds I I picked up his his empties

206
00:09:50,090 --> 00:09:48,360
and they were fresh they seem to smell

207
00:09:53,449 --> 00:09:50,100
the powder still on them

208
00:09:55,490 --> 00:09:53,459
and then I went to uh where he said they

209
00:09:56,810 --> 00:09:55,500
stood where he shot Adam there were

210
00:09:59,090 --> 00:09:56,820
three different locations we took three

211
00:10:02,930 --> 00:09:59,100
different shots is that recall

212
00:10:04,430 --> 00:10:02,940
and then he went in and I went uh I

213
00:10:09,110 --> 00:10:04,440

looked where they were looking for any

214

00:10:10,790 --> 00:10:09,120

type of fur or hair or blood primarily

215

00:10:13,610 --> 00:10:10,800

and there was nothing

216

00:10:16,250 --> 00:10:13,620

it was a clean myth as far as I consider

217

00:10:19,070 --> 00:10:16,260

like you said there was just nothing to

218

00:10:21,590 --> 00:10:19,080

show that there was any type of of

219

00:10:23,690 --> 00:10:21,600

evidence of a hit now keep in mind I'm a

220

00:10:26,690 --> 00:10:23,700

I'm a hundred of 40 years experience and

221

00:10:29,269 --> 00:10:26,700

I I know how to Trail a blooded wounded

222

00:10:31,790 --> 00:10:29,279

animal or or a mortally wounded one I

223

00:10:35,829 --> 00:10:31,800

there's just no sign that this was any

224

00:10:39,710 --> 00:10:35,839

type of of a hit at all okay

225

00:10:43,070 --> 00:10:39,720

and the third shot he actually fired the

226

00:10:46,190 --> 00:10:43,080

the creature was across the fence

227

00:10:47,870 --> 00:10:46,200

on the you know uh it was looking at

228

00:10:49,610 --> 00:10:47,880

coming back and threatening him so he

229

00:10:51,350 --> 00:10:49,620

shot just over the boundary of your

230

00:10:53,150 --> 00:10:51,360

property property

231

00:10:55,310 --> 00:10:53,160

and yet I went so I went over the fence

232

00:10:58,850 --> 00:10:55,320

and looked and same thing there was no

233

00:11:02,150 --> 00:10:58,860

sign of anything there I I must say Ryan

234

00:11:04,610 --> 00:11:02,160

I also looked for tracks and couldn't

235

00:11:07,430 --> 00:11:04,620

see any tracks of any kind of no

236

00:11:09,530 --> 00:11:07,440

disturbance of the soil or brush I mean

237

00:11:12,350 --> 00:11:09,540

it just looked like it was

238

00:11:17,030 --> 00:11:12,360

a make-believe story other than the

239

00:11:24,050 --> 00:11:20,090

so about that time is when you arrived

240

00:11:26,389 --> 00:11:24,060

on the scene as I recall yeah

241

00:11:30,050 --> 00:11:26,399

and you took matters and you hit you

242

00:11:31,730 --> 00:11:30,060

interviewed your your caretaker and uh I

243

00:11:33,350 --> 00:11:31,740

think our store the stories matched

244

00:11:36,650 --> 00:11:33,360

completely

245

00:11:38,569 --> 00:11:36,660

and so I just you know Mr Leighton

246

00:11:40,790 --> 00:11:38,579

looked at me like

247

00:11:43,329 --> 00:11:40,800

this is another strange thing isn't it

248

00:11:46,190 --> 00:11:43,339

this is weird I said Mike what can I say

249

00:11:50,210 --> 00:11:46,200

I don't see how he could have missed it

250

00:11:54,290 --> 00:11:50,220

it was probably around 40 to 50 yards

251

00:11:57,170 --> 00:11:54,300

uh in inside so I I would say this is

252

00:11:59,150 --> 00:11:57,180

not a jackrabbit I don't think uh he

253

00:12:02,509 --> 00:11:59,160

could have missed either but he did uh

254

00:12:05,630 --> 00:12:02,519

there was no evidence of it okay

255

00:12:07,730 --> 00:12:05,640

so yeah the story gets stranger I don't

256

00:12:10,850 --> 00:12:07,740

know how much you want to go into it but

257

00:12:13,190 --> 00:12:10,860

it's quite to tell isn't it it really is

258

00:12:14,750 --> 00:12:13,200

and I'm I'm glad that you mentioned that

259

00:12:18,069 --> 00:12:14,760

there were no tracks because that

260

00:12:21,829 --> 00:12:18,079

becomes important later on in the story

261

00:12:24,769 --> 00:12:21,839

and uh possibly some of the dimensional

262

00:12:26,269 --> 00:12:24,779

characteristics of uh these entities or

263

00:12:28,430 --> 00:12:26,279

possible individuals who were

264

00:12:30,290 --> 00:12:28,440

dimensionally walking

265

00:12:31,730 --> 00:12:30,300

um if we want to call it that for lack

266

00:12:34,670 --> 00:12:31,740

of a better word I guess you could say

267

00:12:37,069 --> 00:12:34,680

skin walking if that's more but let's

268

00:12:38,630 --> 00:12:37,079

let's yeah let's go back to where I

269

00:12:42,110 --> 00:12:38,640

don't want to jump too far ahead I'm

270

00:12:47,750 --> 00:12:45,590

and I must say the ground uh there was

271

00:12:50,449 --> 00:12:47,760

different you know the ground is in

272

00:12:52,790 --> 00:12:50,459

places is Stony and there's there's a

273

00:12:55,970 --> 00:12:52,800

brush but the other place where he said

274

00:12:57,110 --> 00:12:55,980

they were standing in order shot was

275

00:12:59,030 --> 00:12:57,120

was

276

00:13:01,490 --> 00:12:59,040

um basically just dirt and would have

277

00:13:04,310 --> 00:13:01,500

been left tracks I'm I mean there was no

278

00:13:07,430 --> 00:13:04,320

rain there's no really no wind

279

00:13:10,190 --> 00:13:07,440

uh it should have had some tracks of

280

00:13:11,930 --> 00:13:10,200

some sort because they my tracks were

281

00:13:14,389 --> 00:13:11,940

clearly visible

282

00:13:16,670 --> 00:13:14,399

and there was just nothing there it

283

00:13:20,090 --> 00:13:16,680

looked like it was you know undisturbed

284

00:13:22,610 --> 00:13:20,100

ground so I had to question his story

285

00:13:25,190 --> 00:13:22,620

based on there was just no tracks yeah

286

00:13:26,509 --> 00:13:25,200

there was an empty empty exacted uh

287

00:13:29,150 --> 00:13:26,519

bullet casing

288

00:13:31,069 --> 00:13:29,160

and the third individual was also an

289

00:13:32,990 --> 00:13:31,079

expert tracker he's done his share of

290

00:13:34,069 --> 00:13:33,000

tracking so I felt pretty confident that

291

00:13:36,470 --> 00:13:34,079

you guys knew what you were talking

292

00:13:40,430 --> 00:13:37,730

yeah

293

00:13:42,470 --> 00:13:40,440

um Mr Laden couldn't get around still

294

00:13:44,930 --> 00:13:42,480

can't get around too well so again he

295

00:13:47,870 --> 00:13:44,940

kind of laid back and but yes I'm

296

00:13:51,170 --> 00:13:47,880

telling you that it didn't add up

297

00:13:53,210 --> 00:13:51,180

I thought well it took three three wild

298

00:13:56,150 --> 00:13:53,220

shots and then you arrived on the scene

299

00:13:58,550 --> 00:13:56,160

and and we began to investigate also

300

00:14:01,129 --> 00:13:58,560

yourself so

301
00:14:02,329 --> 00:14:01,139
and while I was investigating there on

302
00:14:05,870 --> 00:14:02,339
the property

303
00:14:07,490 --> 00:14:05,880
um the three of you uh jumped in I

304
00:14:11,090 --> 00:14:07,500
believe it was your vehicle

305
00:14:12,129 --> 00:14:11,100
and went down to kind of check out uh

306
00:14:16,009 --> 00:14:12,139
the area

307
00:14:19,430 --> 00:14:16,019
and I unfortunately didn't see this part

308
00:14:24,350 --> 00:14:19,440
but uh the report that I got back was

309
00:14:29,569 --> 00:14:27,410
right we we're actually uh talked to the

310
00:14:31,490 --> 00:14:29,579
gentleman I won't give you his name he's

311
00:14:33,050 --> 00:14:31,500
a local fellow there but you know who he

312
00:14:34,370 --> 00:14:33,060
is yep

313
00:14:37,069 --> 00:14:34,380

um to kind of see what's going on

314

00:14:40,189 --> 00:14:37,079

because he kind of uh retired school

315

00:14:41,810 --> 00:14:40,199

teacher and very much uh knows what's

316

00:14:43,550 --> 00:14:41,820

going on as far as dispatching with

317

00:14:46,850 --> 00:14:43,560

emergency vehicles because

318

00:14:48,350 --> 00:14:46,860

we noticed that right down I'm not sure

319

00:14:50,329 --> 00:14:48,360

what the direction is there whether it's

320

00:14:53,269 --> 00:14:50,339

uh on the east side

321

00:14:55,910 --> 00:14:53,279

of the skin walker property there was a

322

00:14:58,250 --> 00:14:55,920

uh it was like a double white kind of

323

00:15:00,769 --> 00:14:58,260

prefab trailer type of unit

324

00:15:02,689 --> 00:15:00,779

and I'd honestly looked like some kind

325

00:15:05,810 --> 00:15:02,699

of a cop convention was going on there

326

00:15:07,790 --> 00:15:05,820

was all kinds of lights flashing

327

00:15:10,910 --> 00:15:07,800

very bizarre

328

00:15:13,490 --> 00:15:10,920

um what's going on over there you know

329

00:15:15,530 --> 00:15:13,500

so that's where we went to to kind of

330

00:15:17,030 --> 00:15:15,540

look and see what was going on our the

331

00:15:19,129 --> 00:15:17,040

fellow we talked with had just said

332

00:15:21,410 --> 00:15:19,139

there's been there's been a couple of

333

00:15:23,629 --> 00:15:21,420

there's been three shootings in on the

334

00:15:27,530 --> 00:15:23,639

reservation area

335

00:15:29,689 --> 00:15:27,540

and that's what the hubbub is well we

336

00:15:32,810 --> 00:15:29,699

sat down I sat on my vehicle in an

337

00:15:35,269 --> 00:15:32,820

advantage point and uh one of the

338

00:15:37,970 --> 00:15:35,279

sheriff's deputies came up and asked you

339

00:15:39,530 --> 00:15:37,980

know who why he was and saw my license

340

00:15:40,490 --> 00:15:39,540

plate I think he took my license plate

341

00:15:43,490 --> 00:15:40,500

down

342

00:15:45,590 --> 00:15:43,500

I gave him my you know sort of my idea

343

00:15:48,290 --> 00:15:45,600

from Ogden Utah

344

00:15:49,790 --> 00:15:48,300

and I said we're just here with uh you

345

00:15:51,110 --> 00:15:49,800

know have behalf of a friend and we just

346

00:15:53,389 --> 00:15:51,120

wondering if we can be of assistance

347

00:15:55,370 --> 00:15:53,399

seeing us all there's a lot of emergency

348

00:15:58,189 --> 00:15:55,380

vehicles can we help in any way he says

349

00:15:59,750 --> 00:15:58,199

no I think you you know you need to kind

350

00:16:01,990 --> 00:15:59,760

of move along I said well the other part

351

00:16:05,870 --> 00:16:02,000

of this is I am I have pressed

352

00:16:08,389 --> 00:16:05,880

credentials I I do a radio talk show so

353

00:16:11,150 --> 00:16:08,399

if it's all all the same to you I'd like

354

00:16:13,370 --> 00:16:11,160

to see what unfolds and I showed him my

355

00:16:15,530 --> 00:16:13,380

press credentials and he said well just

356

00:16:17,210 --> 00:16:15,540

stay just stay back here don't go into

357

00:16:19,189 --> 00:16:17,220

the perimeter and we'll be fine okay

358

00:16:21,590 --> 00:16:19,199

that's what I did

359

00:16:24,410 --> 00:16:21,600

so we sat there and watched as even more

360

00:16:26,769 --> 00:16:24,420

emergency vehicles came in

361

00:16:31,250 --> 00:16:26,779

uh there was a a

362

00:16:33,769 --> 00:16:31,260

forensics crime lab a vehicle pulled in

363

00:16:36,110 --> 00:16:33,779

uh there was I must have been over a

364

00:16:37,490 --> 00:16:36,120

dozen emergency vehicles most of them

365

00:16:38,569 --> 00:16:37,500

still having their lights flashing

366

00:16:41,870 --> 00:16:38,579

privacy

367

00:16:44,230 --> 00:16:41,880

and then we watched as a an ambulance

368

00:16:46,850 --> 00:16:44,240

and a coroner the coroner's office

369

00:16:49,550 --> 00:16:46,860

ambulance comes in and we watched I I

370

00:16:52,850 --> 00:16:49,560

had binoculars and watched as they they

371

00:16:55,269 --> 00:16:52,860

brought in The Goonies and and had two

372

00:16:58,069 --> 00:16:55,279

body bags come out

373

00:17:00,410 --> 00:16:58,079

and that to us as well there's

374

00:17:02,329 --> 00:17:00,420

fatalities what's going on with us this

375

00:17:06,770 --> 00:17:02,339

is an interesting story

376

00:17:08,750 --> 00:17:06,780

well our friend that is knows about

377

00:17:10,429 --> 00:17:08,760

dispatch that we talked called him he

378

00:17:13,669 --> 00:17:10,439

says yeah well there's

379

00:17:14,990 --> 00:17:13,679

there's three fatalities and what's

380

00:17:17,329 --> 00:17:15,000

strange

381

00:17:22,990 --> 00:17:17,339

is this got the police baffled because

382

00:17:27,490 --> 00:17:26,390

dwelling there's been a sign of forced

383

00:17:31,610 --> 00:17:27,500

entry

384

00:17:34,250 --> 00:17:31,620

and they're both dead from large bore

385

00:17:36,950 --> 00:17:34,260

gunshot wounds all three of them the

386

00:17:38,930 --> 00:17:36,960

same same situation and then the

387

00:17:42,470 --> 00:17:38,940

gentleman said well what's strange is

388

00:17:45,049 --> 00:17:42,480

the the uh Tribal Police the third

389

00:17:49,549 --> 00:17:45,059

person is actually known he's not he's

390

00:17:52,610 --> 00:17:49,559

not a a youth or a northern Shoshone

391

00:17:55,970 --> 00:17:52,620

he is Navajo and

392

00:17:57,950 --> 00:17:55,980

has been known to be here doing Black

393

00:18:00,350 --> 00:17:57,960

Magic and was asked to leave the

394

00:18:02,950 --> 00:18:00,360

reservation on numerous occasions before

395

00:18:07,190 --> 00:18:02,960

but had not done so

396

00:18:09,049 --> 00:18:07,200

so there's a Navajo fatality who was

397

00:18:12,130 --> 00:18:09,059

known to be practicing

398

00:18:15,950 --> 00:18:12,140

quote Black Magic

399

00:18:17,690 --> 00:18:15,960

and was you know not uh there's been

400

00:18:20,510 --> 00:18:17,700

complaints about it by some of the the

401
00:18:22,669 --> 00:18:20,520
youth uh individuals when they asked him

402
00:18:26,270 --> 00:18:22,679
to to leave but he

403
00:18:27,409 --> 00:18:26,280
did not vacate the reservation so that's

404
00:18:30,169 --> 00:18:27,419
what we know

405
00:18:35,090 --> 00:18:30,179
um that there were three fatalities now

406
00:18:37,430 --> 00:18:35,100
then as as the emergency vehicles began

407
00:18:38,570 --> 00:18:37,440
to leave the scene when the ambulance

408
00:18:43,510 --> 00:18:38,580
left

409
00:18:48,169 --> 00:18:43,520
the we were surprised to see a Utah

410
00:18:50,630 --> 00:18:48,179
Division of Wildlife Resources dwr uh

411
00:18:52,130 --> 00:18:50,640
vehicle uh one thing I believe there was

412
00:18:54,770 --> 00:18:52,140
two officers

413
00:18:57,950 --> 00:18:54,780

that came in

414

00:19:00,470 --> 00:18:57,960

and they were there for about well 20

415

00:19:03,350 --> 00:19:00,480

minutes to maybe a half an hour

416

00:19:06,710 --> 00:19:03,360

and they were put the last uh to leave

417

00:19:08,750 --> 00:19:06,720

along with the the final sheriff's

418

00:19:11,390 --> 00:19:08,760

deputies I recall

419

00:19:14,150 --> 00:19:11,400

and so as they were coming out I I just

420

00:19:17,090 --> 00:19:14,160

I kind of waved them down and talked

421

00:19:19,370 --> 00:19:17,100

with the dwr officials and I gave him

422

00:19:21,890 --> 00:19:19,380

some of my press credentials and they

423

00:19:23,930 --> 00:19:21,900

said we refused to go on the record at

424

00:19:25,909 --> 00:19:23,940

this point because it's just okay off

425

00:19:29,090 --> 00:19:25,919

the Record what are you

426

00:19:32,210 --> 00:19:29,100

here for I mean this is a crime scene

427

00:19:33,710 --> 00:19:32,220

he said well we have a lot there's a lot

428

00:19:36,470 --> 00:19:33,720

of of

429

00:19:39,110 --> 00:19:36,480

very strange uh animal pelts here

430

00:19:42,350 --> 00:19:39,120

there's bear pelts there's

431

00:19:45,289 --> 00:19:42,360

uh mule deer there's they looked be

432

00:19:50,289 --> 00:19:45,299

illegally taken there's even a lot of

433

00:19:52,850 --> 00:19:50,299

coyote uh and what looks like wolf tail

434

00:19:53,870 --> 00:19:52,860

and they thought that it was very

435

00:19:57,830 --> 00:19:53,880

strange

436

00:19:59,150 --> 00:19:57,840

because uh one of the animal pills he

437

00:20:01,310 --> 00:19:59,160

didn't say which one

438

00:20:02,450 --> 00:20:01,320

had would look to be a fresh bullet

439

00:20:05,029 --> 00:20:02,460

wound in it

440

00:20:06,890 --> 00:20:05,039

two of them

441

00:20:09,470 --> 00:20:06,900

like they were just killed recently but

442

00:20:11,810 --> 00:20:09,480

they were not bloody per se

443

00:20:17,029 --> 00:20:11,820

very strange anomaly and

444

00:20:19,730 --> 00:20:17,039

he he took the pelts into evidence

445

00:20:23,090 --> 00:20:19,740

and wrote up a report but had no idea

446

00:20:25,250 --> 00:20:23,100

where their Source once they came that

447

00:20:27,590 --> 00:20:25,260

type of thing and he didn't want to

448

00:20:29,750 --> 00:20:27,600

elaborate any more than than just saying

449

00:20:32,090 --> 00:20:29,760

there was a legally taken but appears to

450

00:20:36,789 --> 00:20:32,100

be illegally taken pelts at first

451
00:20:39,950 --> 00:20:36,799
he was investigating at least Wild

452
00:20:43,430 --> 00:20:39,960
yeah totally Wild

453
00:20:45,529 --> 00:20:43,440
there's there's a anybody that is

454
00:20:47,690 --> 00:20:45,539
listening to this and thinks this may be

455
00:20:49,669 --> 00:20:47,700
a little crazy well of course it's a lot

456
00:20:53,029 --> 00:20:49,679
crazy but

457
00:20:55,789 --> 00:20:53,039
there was a a book published Ryan I

458
00:20:57,110 --> 00:20:55,799
think it was 1864 just as the Civil War

459
00:21:00,070 --> 00:20:57,120
was winding down

460
00:21:03,710 --> 00:21:00,080
uh the author was a fellow named uh

461
00:21:05,630 --> 00:21:03,720
saving Gould Sabine gold Barry bearing

462
00:21:06,529 --> 00:21:05,640
save and gold I believe is the author's

463
00:21:09,049 --> 00:21:06,539

name

464

00:21:11,090 --> 00:21:09,059

the book is entitled The Book of

465

00:21:14,090 --> 00:21:11,100

werewolves it was not

466

00:21:16,549 --> 00:21:14,100

it was not uh you know fictional account

467

00:21:20,270 --> 00:21:16,559

of you know a Halloween type of story

468

00:21:22,190 --> 00:21:20,280

this was a scientific creatus of the

469

00:21:25,690 --> 00:21:22,200

reality of werewolves

470

00:21:30,289 --> 00:21:25,700

and interdimensional uh phenomena

471

00:21:32,330 --> 00:21:30,299

burying save on gold had uh had an

472

00:21:34,930 --> 00:21:32,340

experience what he described in the book

473

00:21:38,570 --> 00:21:34,940

when he was in the south of France

474

00:21:42,250 --> 00:21:38,580

the these villagers they were staying

475

00:21:45,770 --> 00:21:42,260

started around midnight was screaming

476
00:21:48,230 --> 00:21:45,780
which is you know the The Walking wall

477
00:21:50,649 --> 00:21:48,240
for the werewolf and

478
00:21:53,210 --> 00:21:50,659
he proceeded to

479
00:21:57,049 --> 00:21:53,220
explain that he watched

480
00:21:59,630 --> 00:21:57,059
as would only be described as

481
00:22:01,549 --> 00:21:59,640
if I say this because

482
00:22:03,250 --> 00:22:01,559
it's almost exact same description as

483
00:22:08,149 --> 00:22:03,260
your caretaker saw

484
00:22:10,669 --> 00:22:08,159
a large uh wolf-like creature but kind

485
00:22:13,669 --> 00:22:10,679
of walking more on his hind legs and

486
00:22:15,430 --> 00:22:13,679
then going down to all fours but it's

487
00:22:18,649 --> 00:22:15,440
but exhibiting

488
00:22:20,870 --> 00:22:18,659

uh applied athletic abilities to jump

489

00:22:22,310 --> 00:22:20,880

over hedgerows and fences of the Iran

490

00:22:23,060 --> 00:22:22,320

and the moonlight

491

00:22:24,350 --> 00:22:23,070

okay

492

00:22:27,890 --> 00:22:24,360

[Music]

493

00:22:30,409 --> 00:22:27,900

so there was a whole I mean this this

494

00:22:32,870 --> 00:22:30,419

book is quite well researched I have a

495

00:22:34,430 --> 00:22:32,880

hard copy of it it's quite a quite a

496

00:22:37,549 --> 00:22:34,440

rare addition

497

00:22:39,470 --> 00:22:37,559

but doggone it talks about uh he goes an

498

00:22:41,090 --> 00:22:39,480

experiment he experienced what he saw

499

00:22:44,390 --> 00:22:41,100

and then he then he began to

500

00:22:47,029 --> 00:22:44,400

scientifically delve into the history of

501
00:22:50,330 --> 00:22:47,039
this and it's very credible

502
00:22:51,110 --> 00:22:50,340
it's it made me uh stop and scratch my

503
00:22:55,310 --> 00:22:51,120
head

504
00:22:58,430 --> 00:22:55,320
he went into the archives of of the the

505
00:23:00,789 --> 00:22:58,440
local Monastery the church this goes

506
00:23:04,010 --> 00:23:00,799
clear back into the Dark Ages

507
00:23:06,169 --> 00:23:04,020
that they had well the church had

508
00:23:08,630 --> 00:23:06,179
documented specific bloodline

509
00:23:09,890 --> 00:23:08,640
individuals that were simply under a

510
00:23:11,990 --> 00:23:09,900
curse of this

511
00:23:13,970 --> 00:23:12,000
and it seemed like this would follow

512
00:23:15,950 --> 00:23:13,980
moon cycles

513
00:23:18,950 --> 00:23:15,960

now I'm not sure maybe you can remember

514

00:23:19,970 --> 00:23:18,960

was there a full moon that I think there

515

00:23:25,250 --> 00:23:19,980

was

516

00:23:27,409 --> 00:23:25,260

caretaker said If You Could See quite

517

00:23:31,549 --> 00:23:27,419

well even though it was like about

518

00:23:36,770 --> 00:23:33,710

that's right no that all parallels that

519

00:23:39,649 --> 00:23:36,780

book the book of werewolves

520

00:23:42,110 --> 00:23:39,659

and there was another episode or I guess

521

00:23:45,710 --> 00:23:42,120

at the same time not to get too

522

00:23:49,190 --> 00:23:45,720

tangential but in another County around

523

00:23:51,529 --> 00:23:49,200

the same time there was another body is

524

00:23:53,330 --> 00:23:51,539

that correct

525

00:23:56,330 --> 00:23:53,340

yeah there was there were the two there

526

00:23:57,529 --> 00:23:56,340

just off the off the the skinwalker

527

00:24:00,350 --> 00:23:57,539

property

528

00:24:03,230 --> 00:24:00,360

and the third party was this Navajo

529

00:24:05,330 --> 00:24:03,240

yeah it was it was it was more I think

530

00:24:07,190 --> 00:24:05,340

it was more towards Duchesne it was

531

00:24:09,470 --> 00:24:07,200

still part of the res property I

532

00:24:10,730 --> 00:24:09,480

understand I don't know I didn't delve

533

00:24:13,570 --> 00:24:10,740

into it

534

00:24:16,850 --> 00:24:13,580

uh I didn't know what to think frankly

535

00:24:18,169 --> 00:24:16,860

uh what in the world they all kind of

536

00:24:20,450 --> 00:24:18,179

had the same

537

00:24:22,450 --> 00:24:20,460

same type of

538

00:24:24,590 --> 00:24:22,460

you know

539

00:24:28,669 --> 00:24:24,600

unexplained death

540

00:24:29,810 --> 00:24:28,679

uh a bullet you know uh large caliber

541

00:24:33,049 --> 00:24:29,820

bullet wound

542

00:24:35,690 --> 00:24:33,059

and yet they were behind locked doors

543

00:24:37,549 --> 00:24:35,700

this is so intriguing to me and I have

544

00:24:39,169 --> 00:24:37,559

to read this older book that you

545

00:24:42,350 --> 00:24:39,179

mentioned because

546

00:24:45,169 --> 00:24:42,360

the Intriguing thing is I I have spoken

547

00:24:47,630 --> 00:24:45,179

with Native tribal members there in the

548

00:24:50,450 --> 00:24:47,640

area who have a lot more knowledge about

549

00:24:52,970 --> 00:24:50,460

this than I do and they've told me that

550

00:24:56,090 --> 00:24:52,980

when these quote-unquote shifts happen

551
00:24:58,490 --> 00:24:56,100
that it's not uh like you see on Teen

552
00:25:01,130 --> 00:24:58,500
Wolf or popularized by Hollywood movies

553
00:25:03,909 --> 00:25:01,140
you know with the bones crunching and

554
00:25:06,890 --> 00:25:03,919
the howling at the moon and a physical

555
00:25:09,710 --> 00:25:06,900
manifestation but it is more of a

556
00:25:13,250 --> 00:25:09,720
dimensional manifestation that takes

557
00:25:17,690 --> 00:25:13,260
place uh where the

558
00:25:20,090 --> 00:25:17,700
uh person involved with the occult

559
00:25:22,730 --> 00:25:20,100
practice or the dark adept

560
00:25:25,850 --> 00:25:22,740
actually starts to see themselves

561
00:25:27,289 --> 00:25:25,860
running through the woods in sort of a

562
00:25:30,409 --> 00:25:27,299
uh

563
00:25:34,130 --> 00:25:30,419

tunnel vision type scenario and

564

00:25:36,890 --> 00:25:34,140

manifests in more of a dimensional way

565

00:25:37,970 --> 00:25:36,900

than a physical way however there is

566

00:25:41,870 --> 00:25:37,980

that

567

00:25:45,350 --> 00:25:41,880

physical other out there wherever they

568

00:25:46,909 --> 00:25:45,360

are manifesting and this this tail and

569

00:25:49,370 --> 00:25:46,919

it sounds like this book that you're

570

00:25:52,130 --> 00:25:49,380

recommending kind of drives that home

571

00:25:55,070 --> 00:25:52,140

even more for me

572

00:25:58,610 --> 00:25:55,080

you're right they they uh he goes into

573

00:26:01,610 --> 00:25:58,620

into talking to clergy

574

00:26:03,289 --> 00:26:01,620

uh that uh have historically been

575

00:26:05,390 --> 00:26:03,299

trained in this area

576

00:26:08,570 --> 00:26:05,400

they say there is what's they they use

577

00:26:11,390 --> 00:26:08,580

what's called a magic apron of made of

578

00:26:14,029 --> 00:26:11,400

the skin of the animal that they're

579

00:26:17,810 --> 00:26:14,039

becoming one with interdimensionally and

580

00:26:22,549 --> 00:26:17,820

they call it a hora h-u-r-e-hora

581

00:26:24,409 --> 00:26:22,559

is what they say and the physical

582

00:26:26,210 --> 00:26:24,419

uh it's caucus it's like an

583

00:26:28,630 --> 00:26:26,220

interdimensional spell according to this

584

00:26:31,610 --> 00:26:28,640

book The the practitioner

585

00:26:33,769 --> 00:26:31,620

uh takes on the characteristics of the

586

00:26:34,970 --> 00:26:33,779

animal what some sometimes it's a can be

587

00:26:38,390 --> 00:26:34,980

a bear

588

00:26:41,149 --> 00:26:38,400

uh a horse they've been able to take the

589

00:26:43,250 --> 00:26:41,159

shape of horses but most commonly it's

590

00:26:45,350 --> 00:26:43,260

Wolves there's something to do with the

591

00:26:48,649 --> 00:26:45,360

wolf interdimensionally that that makes it

592

00:26:51,289 --> 00:26:48,659

the practice uh sometimes I think

593

00:26:53,149 --> 00:26:51,299

coyotes can do that I've heard heard

594

00:26:56,149 --> 00:26:53,159

people on the naval reservation say that

595

00:26:58,130 --> 00:26:56,159

coyotes are quite common uh human form

596

00:27:00,430 --> 00:26:58,140

going that way but you're right it's

597

00:27:03,169 --> 00:27:00,440

interdimensional They Don't Really Leave

598

00:27:05,870 --> 00:27:03,179

the physical area where they're doing

599

00:27:09,350 --> 00:27:05,880

the spell they can be like if three

600

00:27:11,210 --> 00:27:09,360

people can be United uh in saying the

601
00:27:12,110 --> 00:27:11,220
same words maybe through a cellular

602
00:27:15,049 --> 00:27:12,120
phone

603
00:27:17,870 --> 00:27:15,059
having it all connected now there's a

604
00:27:22,310 --> 00:27:17,880
new uh predictive programming TV series

605
00:27:25,070 --> 00:27:22,320
called Quantum Leap okay where this is

606
00:27:27,470 --> 00:27:25,080
this is not

607
00:27:30,169 --> 00:27:27,480
too far-fetched because there's there's

608
00:27:32,330 --> 00:27:30,179
people in remote viewing with CIA that

609
00:27:34,430 --> 00:27:32,340
that the next phase of remote viewing is

610
00:27:36,049 --> 00:27:34,440
actually becoming their dimensional and

611
00:27:39,529 --> 00:27:36,059
they can actually go into the body of

612
00:27:43,850 --> 00:27:39,539
somebody at some place in time but the

613
00:27:47,510 --> 00:27:43,860

key Point both in the book of werewolves

614

00:27:49,870 --> 00:27:47,520

uh the Hora the Trent the the black

615

00:27:56,930 --> 00:27:49,880

magical transformation

616

00:28:00,289 --> 00:27:56,940

if you die as a uh shapeshifter you die

617

00:28:07,430 --> 00:28:04,130

interesting yeah as it hits you uh it

618

00:28:09,350 --> 00:28:07,440

can manifest as a deadly wound

619

00:28:10,730 --> 00:28:09,360

that's one of the things that that was

620

00:28:14,210 --> 00:28:10,740

that was

621

00:28:15,710 --> 00:28:14,220

touched upon in the book of werewolves

622

00:28:19,130 --> 00:28:15,720

that they're not they're not

623

00:28:22,970 --> 00:28:19,140

indestructible in their magical State

624

00:28:25,610 --> 00:28:22,980

they can they will appear to be totally

625

00:28:27,769 --> 00:28:25,620

you know just like

626

00:28:30,409 --> 00:28:27,779

um uh the hunt for the skin walker with

627

00:28:34,549 --> 00:28:30,419

the Shermans they they met it hadn't had

628

00:28:36,830 --> 00:28:34,559

large uh direwolf manifest and and uh Mr

629

00:28:38,510 --> 00:28:36,840

Sherman is a you know cracked shot with

630

00:28:41,269 --> 00:28:38,520

his 30-06

631

00:28:44,090 --> 00:28:41,279

he swears he's he's shot it and shot it

632

00:28:45,470 --> 00:28:44,100

and saw he had to have direct hits but

633

00:28:47,450 --> 00:28:45,480

then it just

634

00:28:48,710 --> 00:28:47,460

you know nothing died but it just

635

00:28:50,210 --> 00:28:48,720

disappeared in the middle of that field

636

00:28:52,549 --> 00:28:50,220

mm-hmm

637

00:28:55,549 --> 00:28:52,559

that is what I'm talking about whoever

638

00:28:57,649 --> 00:28:55,559

was touching that if it was you know it

639

00:28:59,750 --> 00:28:57,659

could have been interdimensional like a

640

00:29:02,630 --> 00:28:59,760

Bigfoot and not had

641

00:29:04,730 --> 00:29:02,640

any type of of Death happen but if it

642

00:29:06,649 --> 00:29:04,740

was somebody messing around through

643

00:29:08,990 --> 00:29:06,659

black magic that person was probably

644

00:29:12,070 --> 00:29:09,000

dead somewhere with the with the large

645

00:29:16,190 --> 00:29:12,080

caliber series of gunshot wounds on him

646

00:29:19,370 --> 00:29:16,200

wow and this this does line up with

647

00:29:21,669 --> 00:29:19,380

information I've gathered from others

648

00:29:24,470 --> 00:29:21,679

who have looked into these practices

649

00:29:26,750 --> 00:29:24,480

there is a YouTube channel called

650

00:29:29,690 --> 00:29:26,760

dimensional walking with a couple of

651
00:29:33,529 --> 00:29:29,700
individuals I've spoken with and uh it's

652
00:29:38,330 --> 00:29:33,539
uh Mike Wazowski and rainbow radalli and

653
00:29:40,370 --> 00:29:38,340
much of this does seem to take place in

654
00:29:43,669 --> 00:29:40,380
kind of a dimensional

655
00:29:46,730 --> 00:29:43,679
reality which you know when you when you

656
00:29:47,930 --> 00:29:46,740
navigate the activity of these dark

657
00:29:50,930 --> 00:29:47,940
adepts

658
00:29:56,630 --> 00:29:50,940
it's wild that there is sort of a by

659
00:30:04,669 --> 00:30:00,350
yeah exactly that's that matches

660
00:30:06,110 --> 00:30:04,679
uh very much so there is a you know my

661
00:30:08,810 --> 00:30:06,120
theory about it is though it's not in

662
00:30:13,430 --> 00:30:08,820
the book by save on gold but as I've

663
00:30:16,730 --> 00:30:13,440

read it I thought well the the skin or

664

00:30:20,570 --> 00:30:16,740

or Pelt the horror

665

00:30:22,970 --> 00:30:20,580

well it really is the DNA of that into

666

00:30:26,269 --> 00:30:22,980

of that that creature

667

00:30:27,950 --> 00:30:26,279

now if you utilize some kind of other

668

00:30:31,010 --> 00:30:27,960

you know spell casting

669

00:30:33,950 --> 00:30:31,020

interdimensionally you can take on that

670

00:30:36,529 --> 00:30:33,960

around your midsection you become that

671

00:30:38,029 --> 00:30:36,539

individual in in a dimensional form

672

00:30:40,070 --> 00:30:38,039

so

673

00:30:42,049 --> 00:30:40,080

seeing as what happened there with your

674

00:30:44,690 --> 00:30:42,059

with your caretaker it's the only thing

675

00:30:45,250 --> 00:30:44,700

I can I can imagine I

676

00:30:48,169 --> 00:30:45,260

I

677

00:30:49,970 --> 00:30:48,179

don't believe he would be shooting at a

678

00:30:53,630 --> 00:30:49,980

human being that way

679

00:30:57,169 --> 00:30:53,640

but something very strange jumping what

680

00:31:00,590 --> 00:30:57,179

how tall was your fans foot by foot yeah

681

00:31:02,810 --> 00:31:00,600

I'm not saying like it wasn't even there

682

00:31:05,810 --> 00:31:02,820

yeah he said they sprightly jumped right

683

00:31:08,450 --> 00:31:05,820

over it without any effort

684

00:31:11,570 --> 00:31:08,460

and your camera was how high about 12

685

00:31:12,769 --> 00:31:11,580

feet easily up on the pole easily 12

686

00:31:16,130 --> 00:31:12,779

feet

687

00:31:18,889 --> 00:31:16,140

and he was able to you know go right up

688

00:31:20,070 --> 00:31:18,899

on that poll it's like like that that's

689

00:31:22,490 --> 00:31:20,080

what unnerved him

690

00:31:24,590 --> 00:31:22,500

[Music]

691

00:31:27,049 --> 00:31:24,600

yeah that's that's not your average

692

00:31:28,870 --> 00:31:27,059

human can't jump up that high at least I

693

00:31:32,510 --> 00:31:28,880

can't

694

00:31:34,909 --> 00:31:32,520

no so that's what you know it's like

695

00:31:37,909 --> 00:31:34,919

again that's what takes the takes it on

696

00:31:40,250 --> 00:31:37,919

these uh these moonlit Knights of the

697

00:31:43,370 --> 00:31:40,260

full moon there's and there's definitely

698

00:31:46,970 --> 00:31:43,380

something with the loop garoo

699

00:31:48,409 --> 00:31:46,980

a Legends of the the you know what

700

00:31:51,130 --> 00:31:48,419

happens during the night of the full

701
00:31:54,409 --> 00:31:51,140
moon whether it's the

702
00:31:56,690 --> 00:31:54,419
electromagnetic uh structures because

703
00:32:00,289 --> 00:31:56,700
that's you know there's always more of a

704
00:32:02,450 --> 00:32:00,299
pull-on tidal large bodies of water

705
00:32:05,090 --> 00:32:02,460
something in dimensional can happen on

706
00:32:06,230 --> 00:32:05,100
that night of the full moon

707
00:32:07,909 --> 00:32:06,240
um in fact

708
00:32:11,810 --> 00:32:07,919
you know that we have the English word

709
00:32:15,350 --> 00:32:11,820
lunacy and lunatic tying into Luna

710
00:32:17,570 --> 00:32:15,360
cycles of the full moon it's a fact uh

711
00:32:20,149 --> 00:32:17,580
most emergency rooms in any any major

712
00:32:22,430 --> 00:32:20,159
metropolitan area see a real uptick in

713
00:32:24,769 --> 00:32:22,440

in cases after midnight of full moons

714

00:32:29,510 --> 00:32:24,779

for whatever reason

715

00:32:32,029 --> 00:32:29,520

this is true this is true and um

716

00:32:34,549 --> 00:32:32,039

yeah there's there's a

717

00:32:37,190 --> 00:32:34,559

there's a lot of a lot of interesting

718

00:32:39,649 --> 00:32:37,200

things surrounding this as well other

719

00:32:44,450 --> 00:32:39,659

situations which have taken place on the

720

00:32:47,510 --> 00:32:44,460

property and later on uh myself I found

721

00:32:49,970 --> 00:32:47,520

what I can only describe as

722

00:32:52,430 --> 00:32:49,980

bullet holes through the actual

723

00:32:54,769 --> 00:32:52,440

caretakers quarters from the inside out

724

00:32:56,930 --> 00:32:54,779

so I believe

725

00:32:59,810 --> 00:32:56,940

um that uh towards the end of this

726

00:33:03,250 --> 00:32:59,820

caretaker's run things got a little bit

727

00:33:06,769 --> 00:33:03,260

hairy no pun intended or I guess it is

728

00:33:08,870 --> 00:33:06,779

intended because yeah for somebody to

729

00:33:10,730 --> 00:33:08,880

shoot through a wall at something and

730

00:33:13,009 --> 00:33:10,740

and be

731

00:33:15,350 --> 00:33:13,019

either it was a mistake and they were

732

00:33:17,690 --> 00:33:15,360

cleaning their weapon but given the

733

00:33:20,210 --> 00:33:17,700

history I'm not exactly sure there's

734

00:33:23,509 --> 00:33:20,220

been other neighbors in neighboring

735

00:33:27,649 --> 00:33:23,519

properties who have encountered similar

736

00:33:29,509 --> 00:33:27,659

scenarios uh I'll leave last names out

737

00:33:31,610 --> 00:33:29,519

of it but one of them is named Mark and

738

00:33:35,750 --> 00:33:31,620

he he lives up by an area known as

739

00:33:37,190 --> 00:33:35,760

werewolf Point as you go towards well

740

00:33:40,370 --> 00:33:37,200

for people that are locals are going to

741

00:33:41,029 --> 00:33:40,380

know exactly where I'm talking about but

742

00:33:42,830 --> 00:33:41,039

um

743

00:33:46,310 --> 00:33:42,840

as you go up towards bottle Hollow

744

00:33:48,769 --> 00:33:46,320

reservoir on the west side and this

745

00:33:52,250 --> 00:33:48,779

individual encountered something very

746

00:33:54,049 --> 00:33:52,260

similar uh this this wolf-like

747

00:33:58,669 --> 00:33:54,059

human-like

748

00:34:01,970 --> 00:33:58,679

amorphous just kind of mixed up shifted

749

00:34:05,990 --> 00:34:01,980

entity on his property and he did fire

750

00:34:09,530 --> 00:34:06,000

upon it and he believed that he hid it

751
00:34:11,389 --> 00:34:09,540
as well oddly he encountered what can

752
00:34:13,669 --> 00:34:11,399
only be described in his own words as

753
00:34:15,409 --> 00:34:13,679
Men In Black in the preceding days

754
00:34:20,750 --> 00:34:15,419
afterwards he

755
00:34:22,730 --> 00:34:20,760
he had some uh he had some visitors and

756
00:34:26,270 --> 00:34:22,740
um apparently the way The Story Goes is

757
00:34:28,190 --> 00:34:26,280
it was relayed to me was that they were

758
00:34:32,750 --> 00:34:28,200
in possession of

759
00:34:34,250 --> 00:34:32,760
these GPS satellite images of him taking

760
00:34:37,609 --> 00:34:34,260
part in this

761
00:34:39,950 --> 00:34:37,619
action of shooting at this entity

762
00:34:41,690 --> 00:34:39,960
and they were kind of trying to put the

763
00:34:43,970 --> 00:34:41,700

fear of God in him saying you can't do

764

00:34:47,089 --> 00:34:43,980

that you can't shoot at people you know

765

00:34:50,750 --> 00:34:47,099

this is manslaughter yada yada however

766

00:34:53,149 --> 00:34:50,760

he was very sure of what he saw and also

767

00:34:55,369 --> 00:34:53,159

very sure that nobody else could see

768

00:34:58,550 --> 00:34:55,379

this type of thing from well literally

769

00:35:01,910 --> 00:34:58,560

space but apparently this technology

770

00:35:03,890 --> 00:35:01,920

does exist I haven't you know I I can't

771

00:35:08,150 --> 00:35:03,900

validate this story because I have not

772

00:35:10,069 --> 00:35:08,160

seen the images and but I do know I do

773

00:35:11,630 --> 00:35:10,079

know the individual and I do know the

774

00:35:13,609 --> 00:35:11,640

story very well and I do know everybody

775

00:35:14,690 --> 00:35:13,619

involved and I don't think they have any

776

00:35:17,270 --> 00:35:14,700

reason

777

00:35:20,030 --> 00:35:17,280

uh to lie about this there would be no

778

00:35:22,430 --> 00:35:20,040

function in in lying there's nothing to

779

00:35:23,710 --> 00:35:22,440

gain and he hasn't gone mainstream with

780

00:35:26,390 --> 00:35:23,720

it so

781

00:35:29,030 --> 00:35:26,400

you know these things have happened in

782

00:35:31,910 --> 00:35:29,040

the area and there's other reports as

783

00:35:33,170 --> 00:35:31,920

I'm sure you know of these entities that

784

00:35:39,170 --> 00:35:33,180

are somewhat

785

00:35:46,430 --> 00:35:42,950

yeah that the latest uh updated book on

786

00:35:49,609 --> 00:35:46,440

the skinwalker by Kelleher and and uh no

787

00:35:53,210 --> 00:35:49,619

uh what's his name um

788

00:35:55,310 --> 00:35:53,220

um the reporter Nori oh George Knapp

789

00:35:59,150 --> 00:35:55,320

Joe snap yeah I'm sorry

790

00:36:01,790 --> 00:35:59,160

uh yeah they talk about these these same

791

00:36:05,510 --> 00:36:01,800

type of of

792

00:36:06,710 --> 00:36:05,520

Wolf Man appearing in other part you

793

00:36:09,890 --> 00:36:06,720

know after coming on this like

794

00:36:12,470 --> 00:36:09,900

hitchhiker effect coming out to places

795

00:36:14,930 --> 00:36:12,480

like in Virginia uh other places where

796

00:36:17,329 --> 00:36:14,940

they just almost like haunting the

797

00:36:20,390 --> 00:36:17,339

individuals and and the property their

798

00:36:22,310 --> 00:36:20,400

house in the woods and all this what if

799

00:36:24,710 --> 00:36:22,320

this is speculation now there's nothing

800

00:36:27,950 --> 00:36:24,720

to do with this on in the book we

801

00:36:29,990 --> 00:36:27,960

reference but what if you delivered a

802

00:36:33,410 --> 00:36:30,000

morsel wound to the people as they're

803

00:36:36,010 --> 00:36:33,420

interdimensional uh and if and destroys

804

00:36:39,530 --> 00:36:36,020

their physical body but their soul

805

00:36:42,650 --> 00:36:39,540

becomes trapped inside of that entity

806

00:36:44,990 --> 00:36:42,660

too would that not be a reason to to

807

00:36:45,950 --> 00:36:45,000

come in the night to haunt somebody in

808

00:36:48,650 --> 00:36:45,960

their sleep

809

00:36:50,930 --> 00:36:48,660

uh which would awaken and shoot shoot

810

00:36:51,950 --> 00:36:50,940

the gun and you know put bullet holes

811

00:36:53,390 --> 00:36:51,960

into the wall

812

00:36:55,010 --> 00:36:53,400

mm-hmm

813

00:36:57,650 --> 00:36:55,020

I mean that's what that's what I think

814

00:37:02,210 --> 00:36:57,660

hauntings are all about frankly

815

00:37:06,230 --> 00:37:04,490

so that's my speculation on what could

816

00:37:08,210 --> 00:37:06,240

be happening I you don't know what

817

00:37:10,370 --> 00:37:08,220

happened to your caretaker but he he

818

00:37:14,089 --> 00:37:10,380

didn't uh fare too well afterwards did

819

00:37:15,890 --> 00:37:14,099

he no and I don't know that I would have

820

00:37:18,410 --> 00:37:15,900

fared too well after having that

821

00:37:21,589 --> 00:37:18,420

experience because there's just so so

822

00:37:25,370 --> 00:37:23,390

yeah and what are you going to do go to

823

00:37:27,470 --> 00:37:25,380

the police and tell this wild story you

824

00:37:30,109 --> 00:37:27,480

know uh are they going to even believe

825

00:37:32,089 --> 00:37:30,119

it I mean there's no physical evidence

826

00:37:33,829 --> 00:37:32,099

of evident crime being done it's not

827

00:37:36,290 --> 00:37:33,839

illegal to discharge your gun on your

828

00:37:38,450 --> 00:37:36,300

property you know

829

00:37:40,730 --> 00:37:38,460

um it's as bizarre as bizarre stories

830

00:37:43,190 --> 00:37:40,740

I've ever seen witnessed

831

00:37:44,750 --> 00:37:43,200

and I you know I just I just chalk

832

00:37:46,370 --> 00:37:44,760

another one up to the strangers in the

833

00:37:48,950 --> 00:37:46,380

you in the basement

834

00:37:51,530 --> 00:37:48,960

very true and

835

00:37:53,530 --> 00:37:51,540

it's not just in the Uintah Basin I've

836

00:37:57,410 --> 00:37:53,540

you know down in the Shiprock area

837

00:38:00,170 --> 00:37:57,420

that's definitely reservation Navajo

838

00:38:02,030 --> 00:38:00,180

country there's a there is uh you tribal

839

00:38:04,849 --> 00:38:02,040

members there nearby as well

840

00:38:08,390 --> 00:38:04,859

and down in the Shiprock area I've heard

841

00:38:10,970 --> 00:38:08,400

Tales from the Navajo Rangers when I got

842

00:38:13,790 --> 00:38:10,980

a chance to meet with them and many of

843

00:38:16,790 --> 00:38:13,800

their Tales are similar where uh one

844

00:38:20,030 --> 00:38:16,800

particular tale was of a gentleman who

845

00:38:22,190 --> 00:38:20,040

had a similar experience he did in fact

846

00:38:24,710 --> 00:38:22,200

unload on this

847

00:38:26,690 --> 00:38:24,720

creature in his View

848

00:38:29,990 --> 00:38:26,700

and when he

849

00:38:32,750 --> 00:38:30,000

approached it after a direct hit what he

850

00:38:33,950 --> 00:38:32,760

found was quite interesting something

851
00:38:41,089 --> 00:38:33,960
like

852
00:38:42,950 --> 00:38:41,099
it was uh in his words it just it just

853
00:38:44,390 --> 00:38:42,960
didn't look right there are images of it

854
00:38:46,609 --> 00:38:44,400
online

855
00:38:51,470 --> 00:38:46,619
um the Navajo Ranger I spoke with was

856
00:38:53,210 --> 00:38:51,480
John and uh he he had images of these

857
00:38:56,510 --> 00:38:53,220
that he was showing me there was another

858
00:38:57,770 --> 00:38:56,520
case of an individual who shot at

859
00:38:59,690 --> 00:38:57,780
something similar

860
00:39:02,569 --> 00:38:59,700
and

861
00:39:04,430 --> 00:39:02,579
it was when he did approach in this

862
00:39:07,490 --> 00:39:04,440
other scenario this other completely

863
00:39:09,890 --> 00:39:07,500

separate event when he approached it was

864

00:39:11,930 --> 00:39:09,900

a person he had in fact shot a person

865

00:39:15,170 --> 00:39:11,940

but he was sure of what he saw

866

00:39:18,230 --> 00:39:15,180

beforehand so it really makes you wonder

867

00:39:21,410 --> 00:39:18,240

if we're dealing with the same thing

868

00:39:23,569 --> 00:39:21,420

different things uh depending on the

869

00:39:26,150 --> 00:39:23,579

state of the dark Adept at the moment

870

00:39:29,329 --> 00:39:26,160

when this interaction takes place like

871

00:39:31,250 --> 00:39:29,339

what comes into play because it is a lot

872

00:39:34,190 --> 00:39:31,260

like a science almost like remote

873

00:39:36,349 --> 00:39:34,200

viewing where you know sometimes there's

874

00:39:39,470 --> 00:39:36,359

a hit on Target and other times there's

875

00:39:41,450 --> 00:39:39,480

not when you're remote viewing and it

876

00:39:43,550 --> 00:39:41,460

makes me wonder if it's it's similar

877

00:39:46,190 --> 00:39:43,560

with this interdimensional shape

878

00:39:51,530 --> 00:39:48,470

yeah it's uh it's a definitely something

879

00:39:53,990 --> 00:39:51,540

to explore and if Mr Knapp wants to

880

00:39:55,670 --> 00:39:54,000

really get his investigative hat on he

881

00:39:57,650 --> 00:39:55,680

can he can help with that but listen I

882

00:40:00,349 --> 00:39:57,660

gotta I had another experience when I

883

00:40:03,970 --> 00:40:00,359

was a young LDS uh Mormon missionary

884

00:40:08,810 --> 00:40:03,980

back in the 70s late uh

885

00:40:14,030 --> 00:40:08,820

1978 I was a assigned to be uh with a a

886

00:40:17,990 --> 00:40:14,040

Navajo uh Indian companion named Mike

887

00:40:20,390 --> 00:40:18,000

Chiquito we were we were on the Eastern

888

00:40:23,329 --> 00:40:20,400

Shores there of Lake Erie there's a

889

00:40:25,730 --> 00:40:23,339

large Indian Reservation called the

890

00:40:28,190 --> 00:40:25,740

cataragus reservation

891

00:40:30,950 --> 00:40:28,200

and we were assigned there to basically

892

00:40:33,410 --> 00:40:30,960

proselyte the Mormon faith you know to

893

00:40:37,370 --> 00:40:33,420

the Native American cataracts tribe as

894

00:40:39,890 --> 00:40:37,380

part of the Algonquin culture okay so uh

895

00:40:43,910 --> 00:40:39,900

we started doing that we talked to the

896

00:40:45,890 --> 00:40:43,920

tribal Elders to get a kind of a uh an

897

00:40:47,870 --> 00:40:45,900

idea of what their religious practices

898

00:40:50,690 --> 00:40:47,880

are and they invited us to come to along

899

00:40:52,849 --> 00:40:50,700

what's called a long Lodge dance okay

900

00:40:54,010 --> 00:40:52,859

they had these long what's called long

901
00:40:56,870 --> 00:40:54,020

lodges

902
00:40:59,710 --> 00:40:56,880

and uh they didn't want us to come in

903
00:41:02,270 --> 00:40:59,720

certain tie the chemists come in casual

904
00:41:04,490 --> 00:41:02,280

casual attired this is something that

905
00:41:06,310 --> 00:41:04,500

informal will have a dinner and we'll

906
00:41:09,250 --> 00:41:06,320

feed you then we'll have the ceremony

907
00:41:12,410 --> 00:41:09,260

replayed with drums and you know fire

908
00:41:14,569 --> 00:41:12,420

fire pit that type of thing well

909
00:41:17,089 --> 00:41:14,579

the food was excellent they fed us

910
00:41:20,630 --> 00:41:17,099

they're very hospitable absolutely fed

911
00:41:23,690 --> 00:41:20,640

and and we were very graciously treated

912
00:41:25,810 --> 00:41:23,700

so we were sitting there with the L with

913
00:41:29,569 --> 00:41:25,820

the the tribal elders

914

00:41:32,510 --> 00:41:29,579

and the dance began and the drums

915

00:41:34,310 --> 00:41:32,520

bistarted the dancing began and keep in

916

00:41:36,109 --> 00:41:34,320

mind it's like almost like a bonfire in

917

00:41:38,569 --> 00:41:36,119

the center of the long Lodge

918

00:41:40,790 --> 00:41:38,579

uh coming up to the Smoke going up

919

00:41:42,589 --> 00:41:40,800

through the the roof

920

00:41:43,550 --> 00:41:42,599

and as they started dancing there were

921

00:41:47,210 --> 00:41:43,560

you know

922

00:41:50,030 --> 00:41:47,220

um uh dancers with with horned antlers

923

00:41:52,790 --> 00:41:50,040

pelts on them you know Similac you know

924

00:41:55,970 --> 00:41:52,800

symbolizing the whitetail deer and other

925

00:41:58,970 --> 00:41:55,980

things and then suddenly there was howls

926
00:42:00,290 --> 00:41:58,980
and about 10 dancers come in with wolf

927
00:42:02,510 --> 00:42:00,300
pelts

928
00:42:04,910 --> 00:42:02,520
on him you know and I thought was this

929
00:42:07,370 --> 00:42:04,920
is like signifying the Wolves chasing

930
00:42:10,550 --> 00:42:07,380
the deer or something

931
00:42:14,349 --> 00:42:10,560
uh then I I looked around for my

932
00:42:17,089 --> 00:42:14,359
companion and he had vanished he

933
00:42:22,730 --> 00:42:17,099
was not sticking around we were driving

934
00:42:24,050 --> 00:42:22,740
a little fortune uh at the time he we I

935
00:42:27,010 --> 00:42:24,060
mean I didn't even see him leave it was

936
00:42:30,050 --> 00:42:27,020
dark and you know except for the fire

937
00:42:32,450 --> 00:42:30,060
he's running he grabbed and he did the

938
00:42:34,609 --> 00:42:32,460

unpardonable sin leaving His companion you

939

00:42:37,430 --> 00:42:34,619

know don't you don't separate

940

00:42:40,910 --> 00:42:37,440

but he left me high and dry

941

00:42:44,089 --> 00:42:40,920

um I had to beg to ride back to our

942

00:42:45,950 --> 00:42:44,099

place and he was barricaded up in in our

943

00:42:48,290 --> 00:42:45,960

little uh one room apartment he was

944

00:42:49,609 --> 00:42:48,300

barricaded I mean locked doors latched

945

00:42:52,550 --> 00:42:49,619

and everything

946

00:42:54,890 --> 00:42:52,560

let me in no you can't come in I said

947

00:42:56,150 --> 00:42:54,900

are you okay you know what's the matter

948

00:42:57,710 --> 00:42:56,160

with you

949

00:42:59,210 --> 00:42:57,720

well they talked to him and opening the

950

00:43:02,690 --> 00:42:59,220

door all they could say was he was he

951
00:43:06,349 --> 00:43:02,700
was terrified he was saying one word

952
00:43:07,670 --> 00:43:06,359
anuplets a new pics anupins

953
00:43:10,430 --> 00:43:07,680
I said

954
00:43:12,650 --> 00:43:10,440
what is an Olympics what are you saying

955
00:43:15,530 --> 00:43:12,660
talk talk English

956
00:43:17,030 --> 00:43:15,540
um he says well that's Navajo uh Native

957
00:43:20,530 --> 00:43:17,040
American for

958
00:43:23,450 --> 00:43:20,540
basically Skinwalker um shapeshifter

959
00:43:25,790 --> 00:43:23,460
wow that's super similar sounding to

960
00:43:28,190 --> 00:43:25,800
Anubis you know which is that's what I'm

961
00:43:30,890 --> 00:43:28,200
saying that's so interesting yeah yeah

962
00:43:33,290 --> 00:43:30,900
which which is the jackal-headed god of

963
00:43:35,329 --> 00:43:33,300

the underworld of the Dead amazing

964

00:43:37,010 --> 00:43:35,339

coincidence

965

00:43:39,950 --> 00:43:37,020

exactly

966

00:43:41,750 --> 00:43:39,960

so I I said what in the world did you do

967

00:43:43,970 --> 00:43:41,760

are you okay he says I don't want to I

968

00:43:46,730 --> 00:43:43,980

want to leave I want to leave the area

969

00:43:48,410 --> 00:43:46,740

uh I had to call the next day my mission

970

00:43:51,410 --> 00:43:48,420

president and transferred out because he

971

00:43:53,329 --> 00:43:51,420

was petrified he said no this is very

972

00:43:56,750 --> 00:43:53,339

real I've I've seen I've seen a new

973

00:43:58,010 --> 00:43:56,760

place I've seen anupus the the the you

974

00:44:00,410 --> 00:43:58,020

know the shape-shifting in the

975

00:44:02,329 --> 00:44:00,420

reservation he knew it he says they were

976

00:44:04,130 --> 00:44:02,339

invoking some very dark Spirits he had

977

00:44:06,710 --> 00:44:04,140

to get out of there

978

00:44:09,710 --> 00:44:06,720

so this is I guess this is not just the

979

00:44:12,770 --> 00:44:09,720

southwest Indian culture it's also seems

980

00:44:15,650 --> 00:44:12,780

to be the same you know in the Algonquin

981

00:44:17,390 --> 00:44:15,660

you know the the Eastern tribes as well

982

00:44:19,250 --> 00:44:17,400

so it's

983

00:44:21,290 --> 00:44:19,260

I'll never forget that I wrote it in my

984

00:44:23,089 --> 00:44:21,300

missionary Journal like

985

00:44:25,730 --> 00:44:23,099

um my companion I wrote something like

986

00:44:28,910 --> 00:44:25,740

this my companion is way overly

987

00:44:30,770 --> 00:44:28,920

superstitious I thought he was very rude

988

00:44:32,690 --> 00:44:30,780

and he he did the unpardonable sin

989

00:44:35,030 --> 00:44:32,700

living His companion you know things can

990

00:44:36,670 --> 00:44:35,040

happen under the Mormon rules of conduct

991

00:44:39,010 --> 00:44:36,680

you don't do that

992

00:44:41,750 --> 00:44:39,020

and you know

993

00:44:42,770 --> 00:44:41,760

it's against the code

994

00:44:45,530 --> 00:44:42,780

yeah

995

00:44:48,950 --> 00:44:45,540

you know anyway in all fairness though

996

00:44:52,730 --> 00:44:48,960

the supernatural that you know the the

997

00:44:55,490 --> 00:44:52,740

just the being superstitious you start

998

00:44:57,530 --> 00:44:55,500

to understand it after a while because

999

00:44:59,270 --> 00:44:57,540

of situations like the ones we're

1000

00:45:01,130 --> 00:44:59,280

discussing so I mean I can't blame the

1001
00:45:03,410 --> 00:45:01,140
guy

1002
00:45:05,450 --> 00:45:03,420
yeah it was it was Eerie because in the

1003
00:45:09,530 --> 00:45:05,460
in the light of that was coming off of

1004
00:45:12,470 --> 00:45:09,540
the fire uh these these Shadows did

1005
00:45:15,230 --> 00:45:12,480
appear to be wolf you know manifesting

1006
00:45:17,930 --> 00:45:15,240
and he was I I know he was there when

1007
00:45:19,250 --> 00:45:17,940
the when the deer dancers came in and

1008
00:45:20,510 --> 00:45:19,260
did all of that but when the Wolves

1009
00:45:23,089 --> 00:45:20,520
appeared and they started dancing around

1010
00:45:25,809 --> 00:45:23,099
the block he was vamoosed he was out of

1011
00:45:28,990 --> 00:45:25,819
there nothing's gonna stop him

1012
00:45:32,690 --> 00:45:29,000
he was gone so

1013
00:45:36,829 --> 00:45:32,700

Anubis and nupit yeah very very similar

1014

00:45:38,930 --> 00:45:36,839

uh semantics super similar in Egyptian

1015

00:45:41,150 --> 00:45:38,940

Jackal had a god of the Dead yeah and

1016

00:45:44,450 --> 00:45:41,160

those coincidences they don't stop there

1017

00:45:48,470 --> 00:45:44,460

you know when I began researching some

1018

00:45:50,510 --> 00:45:48,480

of the some of this occult dark magic

1019

00:45:52,910 --> 00:45:50,520

you know there are some fairly hard to

1020

00:45:55,430 --> 00:45:52,920

get books out there

1021

00:45:58,190 --> 00:45:55,440

um that you can find from time to time

1022

00:46:01,670 --> 00:45:58,200

and uh when I find them I definitely

1023

00:46:04,970 --> 00:46:01,680

hang on to them I latch on and I got the

1024

00:46:07,490 --> 00:46:04,980

heads up from uh Jacques valet that

1025

00:46:10,190 --> 00:46:07,500

there were very interesting similarities

1026
00:46:13,609 --> 00:46:10,200
in the Middle East to some of the things

1027
00:46:17,270 --> 00:46:13,619
that are seen in the U in a basin and

1028
00:46:20,089 --> 00:46:17,280
um I started kind of looking into the

1029
00:46:22,609 --> 00:46:20,099
Dark Arts of the Middle East as well and

1030
00:46:26,210 --> 00:46:22,619
you know what I was fascinated by is

1031
00:46:27,109 --> 00:46:26,220
that Jacques was right there a lot of

1032
00:46:44,710 --> 00:46:27,119
the

1033
00:46:48,230 --> 00:46:44,720
with shape-shifting capability as well

1034
00:46:51,670 --> 00:46:48,240
and interestingly a lot

1035
00:46:55,490 --> 00:46:51,680
of similarities as far as candle work

1036
00:46:57,530 --> 00:46:55,500
some of the rituals that take place the

1037
00:47:00,349 --> 00:46:57,540
uh

1038
00:47:03,410 --> 00:47:00,359

the adepts doing these dark occult

1039

00:47:05,930 --> 00:47:03,420

rituals are performing in very similar

1040

00:47:07,970 --> 00:47:05,940

ways and many times with the exact same

1041

00:47:10,670 --> 00:47:07,980

colored candles and the same formations

1042

00:47:12,650 --> 00:47:10,680

and it just brings you back to I mean

1043

00:47:17,210 --> 00:47:12,660

there is no internet back then there was

1044

00:47:19,190 --> 00:47:17,220

no World Wide Web how is it that the

1045

00:47:22,250 --> 00:47:19,200

same similar

1046

00:47:25,250 --> 00:47:22,260

dark occult rituals are happening on one

1047

00:47:28,790 --> 00:47:25,260

side of the globe as another when it's

1048

00:47:30,589 --> 00:47:28,800

unfathomable almost that there would be

1049

00:47:32,390 --> 00:47:30,599

inner communication between these two

1050

00:47:34,730 --> 00:47:32,400

areas so it's it's just it's

1051

00:47:36,589 --> 00:47:34,740

mind-blowing to me

1052

00:47:39,109 --> 00:47:36,599

yeah and I've had the privilege of

1053

00:47:40,609 --> 00:47:39,119

talking with the job ballet as well he

1054

00:47:41,890 --> 00:47:40,619

spent quite a bit of time here in the

1055

00:47:44,990 --> 00:47:41,900

Basin

1056

00:47:47,450 --> 00:47:45,000

and yeah as we met we were he was

1057

00:47:49,910 --> 00:47:47,460

researching the the Bigfoot sightings

1058

00:47:52,430 --> 00:47:49,920

and Bigfoot scenarios interdimentially

1059

00:47:55,490 --> 00:47:52,440

as well and he come to the conclusion

1060

00:47:57,829 --> 00:47:55,500

he says I'm not I'm not going to to be

1061

00:48:00,290 --> 00:47:57,839

well accepted it's going to be a lot of

1062

00:48:03,170 --> 00:48:00,300

of angry people but the bottom line is

1063

00:48:07,130 --> 00:48:03,180

this he said uh Bigfoot is

1064

00:48:09,950 --> 00:48:07,140

interdimensional as Are UFOs they are

1065

00:48:12,530 --> 00:48:09,960

not of this dimensional plane he says

1066

00:48:14,630 --> 00:48:12,540

the evidence is overwhelming to me that

1067

00:48:17,030 --> 00:48:14,640

the UFO phenomenon or are

1068

00:48:19,130 --> 00:48:17,040

interdimensional not from a galaxy far

1069

00:48:20,930 --> 00:48:19,140

far away

1070

00:48:23,150 --> 00:48:20,940

and that's what I appreciate about

1071

00:48:25,730 --> 00:48:23,160

people like yourself and Jacques it's

1072

00:48:27,710 --> 00:48:25,740

it's not a popularity contest if you

1073

00:48:30,410 --> 00:48:27,720

know when you do research this long when

1074

00:48:32,390 --> 00:48:30,420

you have an opinion I mean it's best to

1075

00:48:34,250 --> 00:48:32,400

State it because you've spent so much

1076

00:48:37,430 --> 00:48:34,260

time doing it and you do that as well

1077

00:48:39,530 --> 00:48:37,440

many times at the you know expense of

1078

00:48:42,470 --> 00:48:39,540

people quote unquote agreeing with you

1079

00:48:45,410 --> 00:48:42,480

and I appreciate that about you

1080

00:48:48,829 --> 00:48:45,420

well I just I just call as I see it I

1081

00:48:51,050 --> 00:48:48,839

you know I came I came like uh Mr Layton

1082

00:48:52,490 --> 00:48:51,060

said a code red code red we got to go

1083

00:48:54,650 --> 00:48:52,500

and meet if you free

1084

00:48:56,329 --> 00:48:54,660

and well I just happened to be free and

1085

00:48:59,510 --> 00:48:56,339

so we went over there and

1086

00:49:03,710 --> 00:48:59,520

uh I I'm just relating what I witnessed

1087

00:49:05,809 --> 00:49:03,720

and what I saw uh a young young lad uh

1088

00:49:09,230 --> 00:49:05,819

your caretaker who was definitely

1089

00:49:10,790 --> 00:49:09,240

agitated uh very much so and didn't know

1090

00:49:12,530 --> 00:49:10,800

where to turn was afraid he did

1091

00:49:13,910 --> 00:49:12,540

something very wrong and was very

1092

00:49:16,550 --> 00:49:13,920

fearful

1093

00:49:19,130 --> 00:49:16,560

so yeah we were I don't know if we made

1094

00:49:21,589 --> 00:49:19,140

the situation Better or Worse Ryan but

1095

00:49:24,710 --> 00:49:21,599

it would it is what it is we witnessed

1096

00:49:26,809 --> 00:49:24,720

what we witnessed with that and I don't

1097

00:49:28,970 --> 00:49:26,819

care if people believe it or not I I

1098

00:49:33,950 --> 00:49:28,980

must say it happened

1099

00:49:35,510 --> 00:49:33,960

that's right it did and I I you know I

1100

00:49:38,210 --> 00:49:35,520

don't want to beat a dead horse I mean

1101
00:49:40,390 --> 00:49:38,220
we probably could stay on this track and

1102
00:49:43,130 --> 00:49:40,400
talk about this forever but I wanted to

1103
00:49:44,630 --> 00:49:43,140
also touch base on some other things

1104
00:49:47,809 --> 00:49:44,640
that you've been involved with

1105
00:49:50,750 --> 00:49:47,819
research-wise and noticed and been privy

1106
00:49:53,030 --> 00:49:50,760
to that a lot of people are not and that

1107
00:49:56,050 --> 00:49:53,040
is I mean we could go down a ton of

1108
00:49:59,569 --> 00:49:56,060
directions but I was mesmerized by your

1109
00:50:01,370 --> 00:49:59,579
presentation at uh up in the Uintah

1110
00:50:02,930 --> 00:50:01,380
Basin of Utah you recently did a

1111
00:50:04,550 --> 00:50:02,940
presentation that I was lucky enough to

1112
00:50:07,190 --> 00:50:04,560
take part of

1113
00:50:09,770 --> 00:50:07,200

um at the Moonlight Gathering and that

1114

00:50:12,730 --> 00:50:09,780

is these findings that are being found

1115

00:50:17,150 --> 00:50:12,740

throughout the world but particularly

1116

00:50:19,849 --> 00:50:17,160

mesoamerica and these are basic can we

1117

00:50:21,710 --> 00:50:19,859

go into a little bit of that

1118

00:50:24,410 --> 00:50:21,720

well yeah and that's a perfect segue

1119

00:50:26,569 --> 00:50:24,420

with what uh Jacques Valley said these

1120

00:50:29,750 --> 00:50:26,579

when you start going into the dark arts

1121

00:50:30,950 --> 00:50:29,760

and start doing ritual sacrifice of of

1122

00:50:34,670 --> 00:50:30,960

infants

1123

00:50:36,730 --> 00:50:34,680

there was uh Kaibab Pizza the the dot

1124

00:50:39,170 --> 00:50:36,740

the deep well they're in Metro America

1125

00:50:41,630 --> 00:50:39,180

that researchers have found they thought

1126
00:50:44,630 --> 00:50:41,640
was a an old water well they wonder why

1127
00:50:47,809 --> 00:50:44,640
Drive they export down into it found it

1128
00:50:51,349 --> 00:50:47,819
was a sacrificial well with literally

1129
00:50:54,109 --> 00:50:51,359
thousands of dead sacrificed children

1130
00:50:57,829 --> 00:50:54,119
skeletons in the bottom around a stone

1131
00:51:00,530 --> 00:50:57,839
Effigy they nicknamed Kaibab Iza

1132
00:51:04,549 --> 00:51:00,540
well what is what is the what does

1133
00:51:07,730 --> 00:51:04,559
Kaibab mean okay and uh what is ISA the

1134
00:51:10,010 --> 00:51:07,740
the an ad Tech okay we're talking about

1135
00:51:11,450 --> 00:51:10,020
a shape-shifting interdimensional all

1136
00:51:16,190 --> 00:51:11,460
right

1137
00:51:19,130 --> 00:51:16,200
um very much a an entity where they've I

1138
00:51:21,589 --> 00:51:19,140

mean the Aztecs were trying to gain

1139

00:51:25,670 --> 00:51:21,599

power to trying to gain

1140

00:51:29,870 --> 00:51:25,680

shall we say uh some kind of dimensional

1141

00:51:33,109 --> 00:51:29,880

wisdom I would assume okay and so they

1142

00:51:34,309 --> 00:51:33,119

began to do all these these rituals and

1143

00:51:38,210 --> 00:51:34,319

and

1144

00:51:41,210 --> 00:51:38,220

they began to manifest as Jacques ballet

1145

00:51:44,630 --> 00:51:41,220

said extraterrestrial beings and craft

1146

00:51:48,650 --> 00:51:44,640

interdimensional craft there was an a

1147

00:51:52,549 --> 00:51:48,660

plethora of Unearthed artifacts of alien

1148

00:51:55,250 --> 00:51:52,559

ships I mean they were bestoned some of

1149

00:51:57,490 --> 00:51:55,260

them very well done and well preserved

1150

00:52:00,710 --> 00:51:57,500

there was no doubt that

1151
00:52:04,730 --> 00:52:00,720
they this culture of the Aztecs was

1152
00:52:08,569 --> 00:52:04,740
unified with these Fallen sons of God

1153
00:52:12,890 --> 00:52:08,579
okay I believe that's exactly what uh

1154
00:52:14,870 --> 00:52:12,900
though geography didn't go biblical uh

1155
00:52:17,150 --> 00:52:14,880
there was a you know the Book of Genesis

1156
00:52:20,510 --> 00:52:17,160
specifically says there were these

1157
00:52:23,390 --> 00:52:20,520
the sons of God these Fallen Angels if

1158
00:52:26,870 --> 00:52:23,400
you will that came to this Earth plane

1159
00:52:28,670 --> 00:52:26,880
and manifest and had sexual relations

1160
00:52:32,270 --> 00:52:28,680
with Earth women

1161
00:52:35,150 --> 00:52:32,280
and created an interbreeding uh race

1162
00:52:39,230 --> 00:52:35,160
of Mighty Men of renown as the Bible

1163
00:52:43,670 --> 00:52:39,240

explains so so Genesis chapter 6 is is

1164

00:52:46,910 --> 00:52:43,680

is very accurate I submit okay that the

1165

00:52:49,549 --> 00:52:46,920

Aztecs were were very much

1166

00:52:52,069 --> 00:52:49,559

tied into that ritual and I think there

1167

00:52:54,049 --> 00:52:52,079

was very much uh Interventional

1168

00:52:56,630 --> 00:52:54,059

connections with with precious metals

1169

00:52:59,690 --> 00:52:56,640

gold and silver to this end

1170

00:53:03,049 --> 00:52:59,700

which is uh again what what led Cortez

1171

00:53:06,290 --> 00:53:03,059

and and all of that to basically you

1172

00:53:08,870 --> 00:53:06,300

know basically destroy that that culture

1173

00:53:11,089 --> 00:53:08,880

uh the the goal was amazing they had

1174

00:53:13,670 --> 00:53:11,099

massive amounts of gold and precious

1175

00:53:16,370 --> 00:53:13,680

precious jewels

1176
00:53:18,890 --> 00:53:16,380
interdimensional completely to to access

1177
00:53:21,170 --> 00:53:18,900
these uh these entities

1178
00:53:23,569 --> 00:53:21,180
all right and I think this is what John

1179
00:53:25,730 --> 00:53:23,579
ballet was uncovering I think this is

1180
00:53:27,230 --> 00:53:25,740
what he was discovering on his own

1181
00:53:32,450 --> 00:53:27,240
research

1182
00:53:34,910 --> 00:53:32,460
it's so reminiscent of you know these

1183
00:53:39,770 --> 00:53:34,920
other researchers I think of various

1184
00:53:42,829 --> 00:53:39,780
books you have uh various cultures that

1185
00:53:47,150 --> 00:53:42,839
have pointed out these similarities in

1186
00:53:50,510 --> 00:53:47,160
Geographic locations that should not be

1187
00:53:52,329 --> 00:53:50,520
in any sort of communication given our

1188
00:53:55,730 --> 00:53:52,339

common modern

1189

00:53:59,089 --> 00:53:55,740

analysis of where these cultures were at

1190

00:54:01,549 --> 00:53:59,099

that point in time yet there are these

1191

00:54:05,569 --> 00:54:01,559

intriguing fingerprints that are almost

1192

00:54:07,270 --> 00:54:05,579

identical and it just it's just so

1193

00:54:11,510 --> 00:54:07,280

mind-blowing that these cultures

1194

00:54:14,089 --> 00:54:11,520

regardless of location have similar dark

1195

00:54:16,630 --> 00:54:14,099

adapts practicing similar occult rituals

1196

00:54:18,849 --> 00:54:16,640

with uh as you mentioned

1197

00:54:22,630 --> 00:54:18,859

extraterrestrial looking

1198

00:54:26,870 --> 00:54:22,640

in many cases demonic looking entities

1199

00:54:30,589 --> 00:54:26,880

and you know it brings me to something I

1200

00:54:34,430 --> 00:54:30,599

just came across which was Dr Travis

1201

00:54:37,130 --> 00:54:34,440

Taylor had a lunch at uh what is that

1202

00:54:38,750 --> 00:54:37,140

the phenomicon he offered for 75 bucks

1203

00:54:40,910 --> 00:54:38,760

ahead people could have lunch with him

1204

00:54:43,849 --> 00:54:40,920

and ask him any question they wanted

1205

00:54:45,710 --> 00:54:43,859

and someone released video footage of

1206

00:54:47,569 --> 00:54:45,720

what took place there

1207

00:54:49,490 --> 00:54:47,579

I'll have to make sure and send it to

1208

00:54:51,349 --> 00:54:49,500

you and what unless you've seen it

1209

00:54:54,770 --> 00:54:51,359

already one interesting thing that stood

1210

00:54:58,970 --> 00:54:54,780

out to me was he without making a long

1211

00:55:01,390 --> 00:54:58,980

story longer he went into how portions

1212

00:55:06,069 --> 00:55:01,400

of the government intelligence Community

1213

00:55:11,030 --> 00:55:06,079

are 100 percent convinced that this is

1214

00:55:12,250 --> 00:55:11,040

basically either demonic or Angelic and

1215

00:55:15,650 --> 00:55:12,260

uh

1216

00:55:17,930 --> 00:55:15,660

they said leave this stuff alone and

1217

00:55:20,870 --> 00:55:17,940

behind closed doors try to limit the

1218

00:55:22,970 --> 00:55:20,880

funding that many of these projects and

1219

00:55:24,230 --> 00:55:22,980

black budget

1220

00:55:26,089 --> 00:55:24,240

um

1221

00:55:28,910 --> 00:55:26,099

scenarios

1222

00:55:30,230 --> 00:55:28,920

with with research they're running into

1223

00:55:35,329 --> 00:55:30,240

these

1224

00:55:37,010 --> 00:55:35,339

there is a portion or a segment of the

1225

00:55:40,910 --> 00:55:37,020

intelligent Community who no one will

1226
00:55:44,890 --> 00:55:40,920
name higher ups that are 100 convinced

1227
00:55:47,210 --> 00:55:44,900
that there is demonic or slash Angelic

1228
00:55:51,049 --> 00:55:47,220
traceable roots to some of these

1229
00:55:54,349 --> 00:55:51,059
phenomena and it I don't you know it

1230
00:55:56,210 --> 00:55:54,359
sounds like crazy talk but is it well

1231
00:55:59,089 --> 00:55:56,220
actually not at all when you understand

1232
00:56:01,309 --> 00:55:59,099
even the origins of some of our

1233
00:56:03,049 --> 00:56:01,319
shall we say military industrial is

1234
00:56:05,329 --> 00:56:03,059
complex individuals

1235
00:56:07,849 --> 00:56:05,339
and I don't want to name names I don't

1236
00:56:09,710 --> 00:56:07,859
want you know but my goodness many of

1237
00:56:12,470 --> 00:56:09,720
them the names are right there in that

1238
00:56:15,049 --> 00:56:12,480

in George Knapp and Colin Keller's

1239

00:56:18,109 --> 00:56:15,059

latest book so do your own research when

1240

00:56:21,650 --> 00:56:18,119

you see there's millions of dollars put

1241

00:56:26,470 --> 00:56:21,660

out to to a certain Aerospace company to

1242

00:56:30,309 --> 00:56:26,480

do what to get this to to research

1243

00:56:32,089 --> 00:56:30,319

phenomenon tied into viruses

1244

00:56:35,290 --> 00:56:32,099

okay

1245

00:56:38,870 --> 00:56:35,300

um as in coronaviruses about about

1246

00:56:41,030 --> 00:56:38,880

controlling people and in a in a way uh

1247

00:56:42,290 --> 00:56:41,040

emotionally mentally through vaccination

1248

00:56:44,270 --> 00:56:42,300

structures

1249

00:56:46,130 --> 00:56:44,280

what does this come this is coming out

1250

00:56:48,349 --> 00:56:46,140

of research on in this area of

1251

00:56:50,270 --> 00:56:48,359

interdimensionality if this is not

1252

00:56:53,870 --> 00:56:50,280

demonic I don't know what is

1253

00:56:56,990 --> 00:56:53,880

uh and when they say Angelic well don't

1254

00:56:58,910 --> 00:56:57,000

don't forget who the fallen angels are I

1255

00:57:01,010 --> 00:56:58,920

mean these are Angelic angelics but

1256

00:57:04,250 --> 00:57:01,020

they're following they're not they're

1257

00:57:08,930 --> 00:57:04,260

not beneficial ones to support the the

1258

00:57:11,510 --> 00:57:08,940

humanity as a as an ongoing concern okay

1259

00:57:12,950 --> 00:57:11,520

you're going to be very careful on where

1260

00:57:15,230 --> 00:57:12,960

you step because there's a lot of cow

1261

00:57:17,870 --> 00:57:15,240

pies in the field and you know I'm glad

1262

00:57:21,349 --> 00:57:17,880

you brought this up because it is a

1263

00:57:23,210 --> 00:57:21,359

known fact I remember looking on uh this

1264

00:57:25,849 --> 00:57:23,220

dates me and how old I am but I remember

1265

00:57:27,650 --> 00:57:25,859

looking on the nids back when the

1266

00:57:30,230 --> 00:57:27,660

National Institute for Discovery Science

1267

00:57:32,690 --> 00:57:30,240

has had a website and I remember looking

1268

00:57:35,410 --> 00:57:32,700

at the job applications area and they

1269

00:57:38,569 --> 00:57:35,420

were hiring nanotech technicians

1270

00:57:41,950 --> 00:57:38,579

nanotechnology experts a lot of things

1271

00:57:46,609 --> 00:57:41,960

that now make more sense interestingly

1272

00:57:49,790 --> 00:57:46,619

in this lunch that Dr Taylor had with

1273

00:57:51,829 --> 00:57:49,800

these others He also mentioned someone

1274

00:57:53,990 --> 00:57:51,839

asked him about some of the processes

1275

00:57:56,750 --> 00:57:54,000

that Bigelow took part in back in the

1276

00:57:59,329 --> 00:57:56,760

day and he jokingly mentioned some

1277

00:58:00,109 --> 00:57:59,339

things that we already knew about

1278

00:58:04,910 --> 00:58:00,119

um

1279

00:58:07,250 --> 00:58:04,920

true but for the listeners it was some

1280

00:58:10,549 --> 00:58:07,260

of these experiments involved for

1281

00:58:11,750 --> 00:58:10,559

example large fish aquariums at the top

1282

00:58:14,809 --> 00:58:11,760

of

1283

00:58:17,870 --> 00:58:14,819

telephone poles which were clearly Out

1284

00:58:21,290 --> 00:58:17,880

Of Reach of anything physical and inside

1285

00:58:23,329 --> 00:58:21,300

of these aquariums Dr Taylor mentioned

1286

00:58:26,510 --> 00:58:23,339

that there were children's toys like

1287

00:58:29,750 --> 00:58:26,520

those spelling blocks as well as Ouija

1288

00:58:32,270 --> 00:58:29,760

boards and other things which begs the

1289

00:58:35,750 --> 00:58:32,280

question again with the Ouija board

1290

00:58:39,410 --> 00:58:35,760

this is a cult this is something that is

1291

00:58:41,870 --> 00:58:39,420

typically associated with the occult and

1292

00:58:44,510 --> 00:58:41,880

what is fundamentally taking place in

1293

00:58:45,589 --> 00:58:44,520

these experiments well there you go

1294

00:58:47,990 --> 00:58:45,599

um

1295

00:58:51,289 --> 00:58:48,000

just be just because

1296

00:58:53,170 --> 00:58:51,299

you can do something doesn't necessarily

1297

00:58:55,970 --> 00:58:53,180

mean that you should

1298

00:58:59,630 --> 00:58:55,980

all right all you really have to realize

1299

00:59:03,049 --> 00:58:59,640

is the the soul of man is eternal

1300

00:59:05,390 --> 00:59:03,059

you know we when we do pass on We The

1301
00:59:07,549 --> 00:59:05,400
Entity of energy that's interdimensional

1302
00:59:09,170 --> 00:59:07,559
goes through a different realm of space

1303
00:59:11,990 --> 00:59:09,180
and time

1304
00:59:14,930 --> 00:59:12,000
and we just have to trust that there was

1305
00:59:16,549 --> 00:59:14,940
a reason why we go through the

1306
00:59:19,970 --> 00:59:16,559
experiences we go through we have to

1307
00:59:23,150 --> 00:59:19,980
realize that there is you know a creator

1308
00:59:25,490 --> 00:59:23,160
that does care about each one of us and

1309
00:59:28,970 --> 00:59:25,500
wants the best for us but we start

1310
00:59:31,670 --> 00:59:28,980
trying to be found better than than him

1311
00:59:35,329 --> 00:59:31,680
and become more powerful and and

1312
00:59:37,309 --> 00:59:35,339
harnessing you know the the promises of

1313
00:59:39,349 --> 00:59:37,319

of these individuals that you you can

1314

00:59:40,730 --> 00:59:39,359

become better than the Creator it become

1315

00:59:43,609 --> 00:59:40,740

better than God

1316

00:59:47,030 --> 00:59:43,619

and when that starts happening science

1317

00:59:50,510 --> 00:59:47,040

so-called uh Andrews the the what I what

1318

00:59:53,569 --> 00:59:50,520

I term to be the the

1319

00:59:55,549 --> 00:59:53,579

Dark Shadows realm uh and and there's

1320

00:59:57,109 --> 00:59:55,559

nothing nothing good ever comes of that

1321

00:59:59,329 --> 00:59:57,119

ever

1322

01:00:01,130 --> 00:59:59,339

yes

1323

01:00:03,589 --> 01:00:01,140

and I'm glad you mentioned that because

1324

01:00:05,210 --> 01:00:03,599

a lot as you said I mean maybe these

1325

01:00:08,089 --> 01:00:05,220

higher ups in the intelligence Community

1326

01:00:10,789 --> 01:00:08,099

are absolutely right when they're saying

1327

01:00:13,430 --> 01:00:10,799

when it comes to these black budget

1328

01:00:15,650 --> 01:00:13,440

projects looking into UFOs and

1329

01:00:17,690 --> 01:00:15,660

paranormal phenomena you know maybe

1330

01:00:20,030 --> 01:00:17,700

they're right in saying don't touch that

1331

01:00:22,910 --> 01:00:20,040

stuff it's demonic because

1332

01:00:25,970 --> 01:00:22,920

you know as many have said in the past

1333

01:00:28,970 --> 01:00:25,980

and I've hinted on this before there are

1334

01:00:31,370 --> 01:00:28,980

very secret organizations Nick Redfern

1335

01:00:34,130 --> 01:00:31,380

mentioned it with the Collins Elite kind

1336

01:00:35,990 --> 01:00:34,140

of backing up the same story that these

1337

01:00:38,809 --> 01:00:36,000

higher-ups in the intelligence Community

1338

01:00:42,950 --> 01:00:38,819

are aware of something we aren't and

1339

01:00:45,829 --> 01:00:42,960

they believe that these things function

1340

01:00:47,990 --> 01:00:45,839

in a demonic fashion and you know there

1341

01:00:49,670 --> 01:00:48,000

are secret organizations

1342

01:00:51,530 --> 01:00:49,680

um many people talk about skull and

1343

01:00:53,450 --> 01:00:51,540

bones for example you know that number

1344

01:00:55,730 --> 01:00:53,460

322 that they

1345

01:00:58,549 --> 01:00:55,740

hold Almighty and you know that's

1346

01:01:00,890 --> 01:00:58,559

Genesis 3 22 you know then the Lord God

1347

01:01:03,349 --> 01:01:00,900

said behold that man has become like one

1348

01:01:05,569 --> 01:01:03,359

of us in knowing good and evil now lest

1349

01:01:08,210 --> 01:01:05,579

he reach out his hand and take also from

1350

01:01:11,089 --> 01:01:08,220

the Tree of Life and eat and live

1351
01:01:13,010 --> 01:01:11,099
forever or at least you know that's what

1352
01:01:16,809 --> 01:01:13,020
you basically said that these

1353
01:01:20,210 --> 01:01:16,819
individuals believe that they can become

1354
01:01:23,569 --> 01:01:20,220
Gods uh or with a capital G or better

1355
01:01:26,990 --> 01:01:23,579
than and you know it makes me wonder you

1356
01:01:30,049 --> 01:01:27,000
know who's right and who's wrong in in

1357
01:01:32,030 --> 01:01:30,059
these intelligence communities you have

1358
01:01:34,569 --> 01:01:32,040
the one faction that wants to figure out

1359
01:01:37,010 --> 01:01:34,579
what's going on with UFOs and paranormal

1360
01:01:39,890 --> 01:01:37,020
events and then you have the other

1361
01:01:42,829 --> 01:01:39,900
faction which is blocking the funding

1362
01:01:44,569 --> 01:01:42,839
for these black budget projects because

1363
01:01:47,210 --> 01:01:44,579

they believe it's demonic it's a

1364

01:01:49,430 --> 01:01:47,220
catch-22.

1365

01:01:53,030 --> 01:01:49,440
well I could you know we had a podcast

1366

01:01:56,450 --> 01:01:53,040
to both before on the property I that I

1367

01:01:59,270 --> 01:01:56,460
spearheaded back in 2008 what uh it's

1368

01:02:02,089 --> 01:01:59,280
called The Crow Creek property my Earth

1369

01:02:05,270 --> 01:02:02,099
while uh partner that I brought in this

1370

01:02:07,370 --> 01:02:05,280
from Dumas Texas has now renamed it

1371

01:02:09,530 --> 01:02:07,380
blind frog Ranch and I will name any

1372

01:02:11,630 --> 01:02:09,540
names and I'm I'm in litigations I'm

1373

01:02:13,849 --> 01:02:11,640
going to be really careful what I say or

1374

01:02:16,370 --> 01:02:13,859
don't say but I just want to tell you

1375

01:02:19,849 --> 01:02:16,380
that that I would never even got

1376

01:02:22,430 --> 01:02:19,859

involved in this project with this uh

1377

01:02:24,890 --> 01:02:22,440

with no one what was there without the

1378

01:02:27,849 --> 01:02:24,900

aid of a gentleman in Washington DC who

1379

01:02:31,370 --> 01:02:27,859

really was my mentor in so many ways

1380

01:02:33,710 --> 01:02:31,380

because we have the same historical

1381

01:02:36,829 --> 01:02:33,720

roots and early Mormonism

1382

01:02:39,470 --> 01:02:36,839

and uh his name is he's deceased now so

1383

01:02:41,390 --> 01:02:39,480

I don't mind telling Dr Melvin Laney uh

1384

01:02:44,150 --> 01:02:41,400

a very high clearance in the Pentagon

1385

01:02:46,309 --> 01:02:44,160

extremely high level clearance

1386

01:02:49,250 --> 01:02:46,319

he told me from the outset

1387

01:02:51,829 --> 01:02:49,260

he says yeah I'm very I'm very very much

1388

01:02:53,390 --> 01:02:51,839

aware of what's on this property

1389

01:02:56,270 --> 01:02:53,400

true

1390

01:02:58,609 --> 01:02:56,280

are you sure you want to enter into this

1391

01:03:01,130 --> 01:02:58,619

realm because you will be going into

1392

01:03:04,250 --> 01:03:01,140

areas that the dark side wants to

1393

01:03:07,549 --> 01:03:04,260

control in the worst way also I said

1394

01:03:10,309 --> 01:03:07,559

well what do we you know why do we live

1395

01:03:12,710 --> 01:03:10,319

doctor let me talk philosophy together

1396

01:03:14,750 --> 01:03:12,720

I said why do we even live we were not

1397

01:03:19,010 --> 01:03:14,760

trying to do the best for Humanity if

1398

01:03:20,870 --> 01:03:19,020

this is worthy of the the attention of

1399

01:03:22,730 --> 01:03:20,880

the dark side surely there's got to be a

1400

01:03:23,809 --> 01:03:22,740

really good thing for the positive

1401

01:03:25,670 --> 01:03:23,819

science as far as technology is

1402

01:03:28,190 --> 01:03:25,680

concerned he says yes let me just tell

1403

01:03:29,870 --> 01:03:28,200

you uh through satellite technology we

1404

01:03:31,910 --> 01:03:29,880

know there's seven Caverns there we know

1405

01:03:34,910 --> 01:03:31,920

there's seven seven structures in there

1406

01:03:37,970 --> 01:03:34,920

but there is also things that could be a

1407

01:03:40,130 --> 01:03:37,980

two-edged sword that could the dark side

1408

01:03:42,890 --> 01:03:40,140

can get a hold of and Empower it's like

1409

01:03:44,089 --> 01:03:42,900

it's like what Travis Taylor is I mean

1410

01:03:45,890 --> 01:03:44,099

really

1411

01:03:49,910 --> 01:03:45,900

if I were to sit down with Travis Taylor

1412

01:03:52,430 --> 01:03:49,920

all over over biscuits and lunch okay I

1413

01:03:53,750 --> 01:03:52,440

I would I just asked him I like him I

1414

01:03:54,950 --> 01:03:53,760

think he's he's brilliant he's

1415

01:03:56,809 --> 01:03:54,960

articulate

1416

01:03:58,849 --> 01:03:56,819

and he's knowledgeable

1417

01:04:01,190 --> 01:03:58,859

but sometimes I think maybe you know

1418

01:04:02,349 --> 01:04:01,200

we're opening the opening uh box called

1419

01:04:06,470 --> 01:04:02,359

Pandora

1420

01:04:09,530 --> 01:04:06,480

that could you know be harmful for the

1421

01:04:11,390 --> 01:04:09,540

the world as a whole maybe you shouldn't

1422

01:04:14,690 --> 01:04:11,400

be doing it even though you want to

1423

01:04:17,089 --> 01:04:14,700

explore and understand these anomalies

1424

01:04:18,950 --> 01:04:17,099

do you really trust the employer you're

1425

01:04:21,530 --> 01:04:18,960

working for that he has the best

1426

01:04:23,150 --> 01:04:21,540

interests of the world at heart type of

1427

01:04:24,349 --> 01:04:23,160

thing I would I would ask these

1428

01:04:26,690 --> 01:04:24,359

questions

1429

01:04:28,549 --> 01:04:26,700

because what do you do when you find out

1430

01:04:31,370 --> 01:04:28,559

what you find out

1431

01:04:33,589 --> 01:04:31,380

are you able to put all of these creepy

1432

01:04:35,870 --> 01:04:33,599

crawlers back in the box

1433

01:04:37,730 --> 01:04:35,880

or are they loosed for good

1434

01:04:40,130 --> 01:04:37,740

this is the type of thing that that Dr

1435

01:04:41,870 --> 01:04:40,140

Laney and I had discussions on in for

1436

01:04:45,289 --> 01:04:41,880

wee hours of the morning

1437

01:04:47,690 --> 01:04:45,299

he kept asking me do you trust the

1438

01:04:50,630 --> 01:04:47,700

people you're associated with with this

1439

01:04:52,910 --> 01:04:50,640

meaning meaning Dwayne Olinger and

1440

01:04:54,950 --> 01:04:52,920

others I said I think so that I think

1441

01:04:56,990 --> 01:04:54,960

they're good Christian people

1442

01:04:59,450 --> 01:04:57,000

well let me tell you a year into the

1443

01:05:01,190 --> 01:04:59,460

project we found out it wasn't

1444

01:05:02,930 --> 01:05:01,200

he said you couldn't possibly pick the

1445

01:05:04,670 --> 01:05:02,940

worst partner did things illegally and

1446

01:05:07,309 --> 01:05:04,680

they're blasting Etc

1447

01:05:10,130 --> 01:05:07,319

that basically caused Dr Laney to pull

1448

01:05:13,849 --> 01:05:10,140

in his horns and say listen uh just tell

1449

01:05:15,370 --> 01:05:13,859

me they're on their own uh and I did and

1450

01:05:19,309 --> 01:05:15,380

they said well

1451

01:05:21,470 --> 01:05:19,319

who were you you know who we we haven't

1452

01:05:23,990 --> 01:05:21,480

covered you're too superstitious

1453

01:05:26,990 --> 01:05:24,000

and then of course I had the Don

1454

01:05:28,730 --> 01:05:27,000

nicholoff episode where nikolov called

1455

01:05:31,250 --> 01:05:28,740

me and said he's been contacted by the

1456

01:05:34,010 --> 01:05:31,260

Galactic Federation of the Galaxy of

1457

01:05:36,170 --> 01:05:34,020

feeder on right and that they're very

1458

01:05:39,190 --> 01:05:36,180

interested in this property and making

1459

01:05:41,930 --> 01:05:39,200

sure it goes the right way

1460

01:05:46,670 --> 01:05:41,940

well Dr Laney what do you think about

1461

01:05:49,430 --> 01:05:46,680

the Galactic Federation he said be very

1462

01:05:53,329 --> 01:05:49,440

careful whoa

1463

01:05:55,130 --> 01:05:53,339

this is so so spooky

1464

01:05:57,829 --> 01:05:55,140

I said what do you mean be very careful

1465

01:05:59,630 --> 01:05:57,839

he said I'm not confirming no denying

1466

01:06:03,349 --> 01:05:59,640

they exist

1467

01:06:06,950 --> 01:06:03,359

but I'm telling you it's

1468

01:06:10,970 --> 01:06:06,960

not always what what it appears to be

1469

01:06:14,690 --> 01:06:10,980

be very careful allies it turned out

1470

01:06:17,690 --> 01:06:14,700

um Don nicholoff went behind the my back

1471

01:06:19,309 --> 01:06:17,700

went directly to the Wayne made all of

1472

01:06:20,990 --> 01:06:19,319

these in incursions on the property

1473

01:06:23,809 --> 01:06:21,000

unbeknownst to me

1474

01:06:25,789 --> 01:06:23,819

uh and all all because they were trying

1475

01:06:27,410 --> 01:06:25,799

to they were granted protection this guy

1476

01:06:29,870 --> 01:06:27,420

Jeremiah Davis

1477

01:06:32,150 --> 01:06:29,880

who by the way checks out from Dr Laney

1478

01:06:35,510 --> 01:06:32,160

I had him looked into doc into Jeremiah

1479

01:06:39,049 --> 01:06:35,520

Davis's uh QB and you know what

1480

01:06:43,569 --> 01:06:39,059

uh Jeremiah Davis is American hero he

1481

01:06:46,670 --> 01:06:43,579

was was extremely uh skillful uh

1482

01:06:48,410 --> 01:06:46,680

vietnam-era fighter pilot awarded many

1483

01:06:50,870 --> 01:06:48,420

you know many

1484

01:06:53,210 --> 01:06:50,880

uh distinguished crosses etc for his

1485

01:06:55,190 --> 01:06:53,220

service he checked out but that doesn't

1486

01:06:56,690 --> 01:06:55,200

mean that he wasn't deceived by this

1487

01:06:58,970 --> 01:06:56,700

Collective Federation in which he was

1488

01:07:01,789 --> 01:06:58,980

you know working with them

1489

01:07:03,950 --> 01:07:01,799

uh Jeremiah Davis had talked to me says

1490

01:07:06,109 --> 01:07:03,960

many times he says they've they promised

1491

01:07:09,650 --> 01:07:06,119

me I will live uh they have technology

1492

01:07:12,170 --> 01:07:09,660

to keep me alive until you know my my

1493

01:07:15,289 --> 01:07:12,180

DNA starts to unravel in 120 years and

1494

01:07:18,549 --> 01:07:15,299

then I will go to to box we their their

1495

01:07:21,829 --> 01:07:18,559

head planet and they're basically live

1496

01:07:24,529 --> 01:07:21,839

uh for as long as I would like to live

1497

01:07:26,150 --> 01:07:24,539

that was his promise to me that he was

1498

01:07:27,230 --> 01:07:26,160

telling me that he was given because of

1499

01:07:29,630 --> 01:07:27,240

his service

1500

01:07:31,789 --> 01:07:29,640

yet here we have Dwayne ullinger

1501
01:07:33,890 --> 01:07:31,799
testifying in phenomicon and whatever

1502
01:07:37,010 --> 01:07:33,900
else speeches he gives

1503
01:07:38,630 --> 01:07:37,020
that he was at the deathbed of Jeremiah

1504
01:07:40,569 --> 01:07:38,640
Davis making him a problem is to tell

1505
01:07:44,329 --> 01:07:40,579
the stories of glad to be Federation

1506
01:07:47,329 --> 01:07:44,339
uh Dwayne uh stopped

1507
01:07:49,390 --> 01:07:47,339
uh how can this be if Jeremiah Davis is

1508
01:07:52,970 --> 01:07:49,400
dying

1509
01:07:54,829 --> 01:07:52,980
his promises were not fulfilled and the

1510
01:07:56,329 --> 01:07:54,839
same was Don nicoloff Don Nicholas

1511
01:07:59,690 --> 01:07:56,339
called me

1512
01:08:02,329 --> 01:07:59,700
the night he died

1513
01:08:03,650 --> 01:08:02,339

and asked and begged me in tears for

1514

01:08:05,089 --> 01:08:03,660

forgiveness and I didn't know what he

1515

01:08:07,309 --> 01:08:05,099

was talking about

1516

01:08:09,410 --> 01:08:07,319

I said Don I don't have a clue what

1517

01:08:11,690 --> 01:08:09,420

you're talking about but he's calling me

1518

01:08:13,849 --> 01:08:11,700

from Ohio says I'm your friend

1519

01:08:15,289 --> 01:08:13,859

I cannot get a flight this I'll get a

1520

01:08:16,729 --> 01:08:15,299

flight in the morning if you need me to

1521

01:08:18,769 --> 01:08:16,739

come out there and help you

1522

01:08:20,809 --> 01:08:18,779

but he was telling the story about being

1523

01:08:22,370 --> 01:08:20,819

hit with directed energy weapons and

1524

01:08:23,630 --> 01:08:22,380

they were they were attacking him he

1525

01:08:25,910 --> 01:08:23,640

didn't know where the protection

1526

01:08:27,829 --> 01:08:25,920

promised by General General Jeremiah and

1527

01:08:30,289 --> 01:08:27,839

that Patrick Federation was to support

1528

01:08:32,809 --> 01:08:30,299

this evil attack against him

1529

01:08:34,789 --> 01:08:32,819

and the next morning he's dead

1530

01:08:37,070 --> 01:08:34,799

geez

1531

01:08:40,070 --> 01:08:37,080

and this brings us back to the Faustian

1532

01:08:43,610 --> 01:08:40,080

bargain I mean people being promised

1533

01:08:47,090 --> 01:08:43,620

eternal life and uh you know it just

1534

01:08:48,890 --> 01:08:47,100

again brings us to those who are willing

1535

01:08:51,950 --> 01:08:48,900

to give anything for power

1536

01:08:56,749 --> 01:08:51,960

and how it doesn't always work out so

1537

01:08:59,689 --> 01:08:56,759

hot at least not as promised

1538

01:09:02,689 --> 01:08:59,699

exactly and I would just say do you make

1539

01:09:06,349 --> 01:09:02,699

Deborah again you know the

1540

01:09:10,550 --> 01:09:06,359

this is not about publicity Mr Olinger

1541

01:09:12,530 --> 01:09:10,560

is not about uh telling a story of of

1542

01:09:14,329 --> 01:09:12,540

spaceships in the night

1543

01:09:15,530 --> 01:09:14,339

it's going far beyond that it's about

1544

01:09:18,650 --> 01:09:15,540

honor

1545

01:09:20,769 --> 01:09:18,660

and integrity and a promise made to a

1546

01:09:24,950 --> 01:09:20,779

friend

1547

01:09:27,650 --> 01:09:24,960

okay and you can't money can't buy that

1548

01:09:28,970 --> 01:09:27,660

uh you know the truth Mr Olinger I know

1549

01:09:31,309 --> 01:09:28,980

the truth

1550

01:09:33,530 --> 01:09:31,319

uh I don't care if the judge knows the

1551

01:09:35,749 --> 01:09:33,540

truth frankly because this is this has

1552

01:09:38,450 --> 01:09:35,759

gone gotten too crazy what all he's

1553

01:09:41,150 --> 01:09:38,460

doing about all these tours and all of

1554

01:09:44,269 --> 01:09:41,160

this nonsense you know Finding Priceless

1555

01:09:47,090 --> 01:09:44,279

I mean uh Indian artifacts in the form

1556

01:09:49,550 --> 01:09:47,100

of trade beats I mean being this type of

1557

01:09:51,769 --> 01:09:49,560

thing is is commercialization and it's

1558

01:09:53,570 --> 01:09:51,779

my goodness what are what are the youth

1559

01:09:56,630 --> 01:09:53,580

Elders thinking about this

1560

01:09:58,010 --> 01:09:56,640

so there's even care

1561

01:10:00,350 --> 01:09:58,020

you know

1562

01:10:03,050 --> 01:10:00,360

this is the sacred side to these Native

1563

01:10:04,850 --> 01:10:03,060

Americans for a very important reason

1564

01:10:07,070 --> 01:10:04,860

and not to be commercialized on

1565

01:10:09,350 --> 01:10:07,080

Discovery Channel for a money for a

1566

01:10:10,430 --> 01:10:09,360

money price tag a mess of pottage if you

1567

01:10:12,709 --> 01:10:10,440

will

1568

01:10:16,130 --> 01:10:12,719

that is my two that's that's my

1569

01:10:18,250 --> 01:10:16,140

testimony on it they wanted to depose me

1570

01:10:20,570 --> 01:10:18,260

a lot more but you know

1571

01:10:22,430 --> 01:10:20,580

I think they're afraid of what what I'm

1572

01:10:24,890 --> 01:10:22,440

going to tell them

1573

01:10:26,570 --> 01:10:24,900

fine to pose me for 20 hours I'll tell

1574

01:10:30,550 --> 01:10:26,580

you the whole story and I'll document

1575

01:10:35,390 --> 01:10:30,560

every every single sentence of it

1576

01:10:37,610 --> 01:10:35,400

and I'm glad you said story because

1577

01:10:40,430 --> 01:10:37,620

um I also uh

1578

01:10:42,950 --> 01:10:40,440

wanted to uh talk after we're done

1579

01:10:45,110 --> 01:10:42,960

recording about why

1580

01:10:48,050 --> 01:10:45,120

um why I received that text and what

1581

01:10:51,470 --> 01:10:48,060

what's going on currently uh a similar

1582

01:10:54,530 --> 01:10:51,480

situation possibly but um you said story

1583

01:10:57,350 --> 01:10:54,540

which made me think of the story behind

1584

01:11:00,910 --> 01:10:57,360

the story and I've mentioned to the

1585

01:11:04,130 --> 01:11:00,920

listeners uh Mother Earth minerals at me

1586

01:11:06,649 --> 01:11:04,140

minerals.com and could you also tell

1587

01:11:09,590 --> 01:11:06,659

listeners where they can catch the story

1588

01:11:11,570 --> 01:11:09,600

behind the story and anything else that

1589

01:11:13,910 --> 01:11:11,580

you wanted to uh

1590

01:11:16,070 --> 01:11:13,920

tell our listeners

1591

01:11:18,229 --> 01:11:16,080

well yes Ryan thank you uh I've been

1592

01:11:19,790 --> 01:11:18,239

doing radio broadcasting for well over

1593

01:11:23,750 --> 01:11:19,800

30 years actually

1594

01:11:25,550 --> 01:11:23,760

the story behind the story is is my the

1595

01:11:28,189 --> 01:11:25,560

name of my broadcast

1596

01:11:31,070 --> 01:11:28,199

it's currently being simulcast you can

1597

01:11:34,130 --> 01:11:31,080

even tune in uh

1598

01:11:36,350 --> 01:11:34,140

on Friday nights it's eight o'clock to

1599

01:11:38,990 --> 01:11:36,360

10 p.m two hours eight to ten PM

1600

01:11:43,310 --> 01:11:39,000

Mountain Standard Time on Revolution

1601
01:11:44,770 --> 01:11:43,320
Radio that's uh freedomslips.com triple

1602
01:11:47,270 --> 01:11:44,780
W

1603
01:11:48,169 --> 01:11:47,280
freedomslips.com Studio B from eight to

1604
01:11:51,649 --> 01:11:48,179
ten

1605
01:11:54,590 --> 01:11:51,659
p.m is where we were parked we simulcast

1606
01:11:58,729 --> 01:11:54,600
with the Goldwater Network James Watkins

1607
01:12:02,149 --> 01:11:58,739
and and and others um I mean Valley

1608
01:12:06,649 --> 01:12:04,070
uh it's quite amazing what they're doing

1609
01:12:08,750 --> 01:12:06,659
out of Manila in the Philippines uh

1610
01:12:12,229 --> 01:12:08,760
broadcasting into you know radio radio

1611
01:12:19,070 --> 01:12:15,169
South Pacific Islands Radio free uh

1612
01:12:20,750 --> 01:12:19,080
Australia and and uh Etc it's amazing

1613
01:12:24,410 --> 01:12:20,760

how how

1614

01:12:25,729 --> 01:12:24,420

the the the information curtain has been

1615

01:12:28,189 --> 01:12:25,739

drawn it's supposed to be living in a

1616

01:12:31,669 --> 01:12:28,199

free and open Society no no

1617

01:12:34,550 --> 01:12:31,679

uh the the the pot the broadcast we do

1618

01:12:36,649 --> 01:12:34,560

there are monitored and and scrambled so

1619

01:12:40,250 --> 01:12:36,659

often it's not even funny

1620

01:12:42,229 --> 01:12:40,260

mm-hmm oh well it's a great show and I

1621

01:12:44,350 --> 01:12:42,239

you know it's been a great conversation

1622

01:12:47,090 --> 01:12:44,360

I can't thank you enough for coming on

1623

01:12:49,790 --> 01:12:47,100

and uh hopefully what we will discuss

1624

01:12:51,590 --> 01:12:49,800

after this recording uh will someday be

1625

01:12:54,110 --> 01:12:51,600

able to talk about that publicly but

1626

01:12:55,010 --> 01:12:54,120

it's a kind of a similar scenario where

1627

01:13:01,910 --> 01:12:55,020

these

1628

01:13:03,590 --> 01:13:01,920

funding in ways that are well not quite

1629

01:13:06,410 --> 01:13:03,600

right and we'll have to get into that

1630

01:13:09,530 --> 01:13:06,420

another time but thank you so much Dr

1631

01:13:11,450 --> 01:13:09,540

Tru Ott thanks for having me uh be well

1632

01:13:15,350 --> 01:13:11,460

and be safe Ryan

1633

01:13:18,350 --> 01:13:15,360

wow so much information such a great

1634

01:13:24,709 --> 01:13:18,360

episode touched on so many things that

1635

01:13:27,610 --> 01:13:24,719

are not only scary but true and this is

1636

01:13:29,750 --> 01:13:27,620

very common in certain areas

1637

01:13:31,790 --> 01:13:29,760

geographically in the U in a basin of

1638

01:13:33,110 --> 01:13:31,800

Utah there's a long history of Legend

1639

01:13:36,050 --> 01:13:33,120

and lore

1640

01:13:38,450 --> 01:13:36,060

and how exactly this is mixing in with

1641

01:13:41,209 --> 01:13:38,460

more modern technology

1642

01:13:43,729 --> 01:13:41,219

is beyond many of us

1643

01:13:46,430 --> 01:13:43,739

are these projects

1644

01:13:49,790 --> 01:13:46,440

that are looking into the phenomena such

1645

01:13:51,290 --> 01:13:49,800

as UFOs and the Paranormal are they in

1646

01:13:55,430 --> 01:13:51,300

fact opening

1647

01:13:58,430 --> 01:13:55,440

Pandora's Box are these projects

1648

01:14:02,570 --> 01:13:58,440

poking the bear or poking The Hornet's

1649

01:14:05,810 --> 01:14:02,580

Nest and what comes out is uh not going

1650

01:14:07,850 --> 01:14:05,820

to be good these are all unknowns why is

1651
01:14:09,110 --> 01:14:07,860
it that a portion of the intelligence

1652
01:14:13,010 --> 01:14:09,120
community

1653
01:14:16,010 --> 01:14:13,020
is in fact believing that

1654
01:14:17,750 --> 01:14:16,020
these are adversarial possibly demonic

1655
01:14:19,850 --> 01:14:17,760
entities

1656
01:14:21,410 --> 01:14:19,860
or angelic

1657
01:14:24,229 --> 01:14:21,420
in the

1658
01:14:26,510 --> 01:14:24,239
video that is of the lunch that Dr

1659
01:14:27,830 --> 01:14:26,520
Travis Taylor had with members of the

1660
01:14:30,950 --> 01:14:27,840
phenomicon

1661
01:14:33,830 --> 01:14:30,960
that paid 75 dollars ahead to sit down

1662
01:14:37,490 --> 01:14:33,840
and listen to Dr Travis Taylor answer

1663
01:14:39,830 --> 01:14:37,500

their questions in that video

1664

01:14:43,310 --> 01:14:39,840

there is uh

1665

01:14:46,669 --> 01:14:43,320

the speculation that these groups in the

1666

01:14:49,490 --> 01:14:46,679

government exist and that they are

1667

01:14:53,810 --> 01:14:49,500

spoken of in other places such as

1668

01:14:56,630 --> 01:14:53,820

books uh Ray Boucher mentioned them and

1669

01:14:58,790 --> 01:14:56,640

called them the Collins Elite in a book

1670

01:15:02,390 --> 01:14:58,800

by Nick Redfern

1671

01:15:05,030 --> 01:15:02,400

the Collins Elite therefore believe

1672

01:15:07,610 --> 01:15:05,040

that these things are demonic

1673

01:15:16,490 --> 01:15:07,620

here is a snippet from Travis Taylor's

1674

01:15:21,950 --> 01:15:19,250

and Angels y'all need to stay away from

1675

01:15:23,450 --> 01:15:21,960

this is very interesting that this is

1676

01:15:25,850 --> 01:15:23,460

finally out in the Limelight because

1677

01:15:31,130 --> 01:15:25,860

I've heard this for years and here's a

1678

01:15:35,270 --> 01:15:33,050

[Music]

1679

01:15:37,430 --> 01:15:35,280

it was really odd I know I had the same

1680

01:15:39,830 --> 01:15:37,440

it's the same odd thing

1681

01:15:42,470 --> 01:15:39,840

so my question is of course why would

1682

01:15:45,050 --> 01:15:42,480

these groups try to keep funding from

1683

01:15:48,050 --> 01:15:45,060

these black budget and other projects

1684

01:15:50,209 --> 01:15:48,060

that are investigating UFOs and the

1685

01:15:52,130 --> 01:15:50,219

Paranormal unless there was a real

1686

01:15:55,550 --> 01:15:52,140

danger there I don't know

1687

01:15:58,550 --> 01:15:55,560

is it possible that these things may be

1688

01:15:59,630 --> 01:15:58,560

something that should not be poked and

1689

01:16:02,390 --> 01:15:59,640

prodded

1690

01:16:05,630 --> 01:16:02,400

and that Pandora's Box could be opened

1691

01:16:09,410 --> 01:16:05,640

by the very insistent nature of trying

1692

01:16:12,470 --> 01:16:09,420

to find out for curiosity's sake what is

1693

01:16:18,050 --> 01:16:15,050

I for a fact believe

1694

01:16:20,330 --> 01:16:18,060

in my conversations I've had with people

1695

01:16:23,649 --> 01:16:20,340

with top secret clearances one in

1696

01:16:27,070 --> 01:16:23,659

particular from Maryland

1697

01:16:29,169 --> 01:16:27,080

he mentioned that there are some very

1698

01:16:31,510 --> 01:16:29,179

bad bad

1699

01:16:34,010 --> 01:16:31,520

entities out there

1700

01:16:36,350 --> 01:16:34,020

and that

1701

01:16:39,950 --> 01:16:36,360

the intelligence Community has to do

1702

01:16:46,550 --> 01:16:43,850

to protect not only itself but also

1703

01:16:48,470 --> 01:16:46,560

others from these entities

1704

01:16:50,270 --> 01:16:48,480

that can be

1705

01:16:54,130 --> 01:16:50,280

pretty much put through whatever filter

1706

01:16:56,209 --> 01:16:54,140

you want and analyzed and probably

1707

01:16:58,490 --> 01:16:56,219

construed in a bunch of different ways

1708

01:17:01,010 --> 01:16:58,500

but that's what I was told

1709

01:17:02,870 --> 01:17:01,020

amazing the conversations we have when

1710

01:17:05,870 --> 01:17:02,880

we can't really know what we're talking

1711

01:17:08,390 --> 01:17:05,880

about but thanks so much for uh

1712

01:17:10,010 --> 01:17:08,400

listening in until next time keep your

1713

01:17:12,890 --> 01:17:10,020

eyes to the skies

1714

01:17:20,820 --> 01:17:12,900

feet on the ground but don't forget to

1715

01:17:23,390 --> 01:17:21,870

[Applause]

1716

01:17:24,830 --> 01:17:23,400

[Music]

1717

01:17:30,240 --> 01:17:24,840

thank you
