10
00:01:05,630 --> 00:01:02,699
episode today on today's episode we have

11
00:01:08,570 --> 00:01:05,640
Eric the adventurer who is very much an

12
00:01:10,609 --> 00:01:08,580
adventurer I first met Eric years ago

13
00:01:12,950 --> 00:01:10,619

through a mutual friend and have been

14

00:01:15,950 --> 00:01:12,960

astounded by his commitment to research

15

00:01:18,469 --> 00:01:15,960

and his level of devotion when it comes

16

00:01:21,289 --> 00:01:18,479

to digging in into conspiracy the

17

00:01:23,690 --> 00:01:21,299

Paranormal and mysterious dimensional

18

00:01:26,330 --> 00:01:23,700

parallels since meeting him he's

19

00:01:29,469 --> 00:01:26,340

introduced me to an array of outstanding

20

00:01:32,810 --> 00:01:29,479

individuals included but not limiting to

21

00:01:36,050 --> 00:01:32,820

Gigi bresler Jeff frenell Jimmy church

22

00:01:38,810 --> 00:01:36,060

and Rick Doty Eric is not only extremely

23

00:01:40,910 --> 00:01:38,820

connected but he is a devout researcher

24

00:01:43,550 --> 00:01:40,920

who isn't scared to go into the field

25

00:01:46,149 --> 00:01:43,560

and make contact with the entities

26

00:01:48,649 --> 00:01:46,159

beyond the control limits of our reality

27

00:01:50,929 --> 00:01:48,659

Eric's story is not of a single

28

00:01:53,749 --> 00:01:50,939

individual but a realistic and

29

00:01:56,630 --> 00:01:53,759

inspirational Saga of his constant

30

00:02:00,170 --> 00:01:56,640

Adventures I mean he's always going

31

00:02:02,450 --> 00:02:00,180

somewhere doing something he often drops

32

00:02:04,069 --> 00:02:02,460

everything to pursue answers and

33

00:02:07,490 --> 00:02:04,079

Enlightenment which has propelled him

34

00:02:09,770 --> 00:02:07,500

into mysterious areas of our Earth which

35

00:02:12,770 --> 00:02:09,780

are endowed with mystical energies

36

00:02:15,530 --> 00:02:12,780

entities and often findings which just

37

00:02:17,809 --> 00:02:15,540

can't really easily be explained this

38

00:02:21,110 --> 00:02:17,819

conversation should give us some insight

39

00:02:23,270 --> 00:02:21,120

into these often unseen Realms as Eric

40

00:02:25,089 --> 00:02:23,280

discusses his sense of what has taken

41

00:02:28,550 --> 00:02:25,099

place on his recent Adventures

42

00:02:31,130 --> 00:02:28,560

operations and Journeys Eric welcome to

43

00:02:33,650 --> 00:02:31,140

the hero paranormal podcast

44

00:02:36,530 --> 00:02:33,660

hey Ryan good morning how are you oh I'm

45

00:02:38,809 --> 00:02:36,540

doing good I can't complain I'm I'm

46

00:02:41,030 --> 00:02:38,819

excited super excited to talk to you I

47

00:02:42,830 --> 00:02:41,040

know you've been out adventuring go

48

00:02:45,770 --> 00:02:42,840

figure and you've gone to some pretty

49

00:02:47,930 --> 00:02:45,780

remarkable remote and mysterious areas

50

00:02:52,009 --> 00:02:47,940

recently

51
00:02:55,330 --> 00:02:52,019
yes uh just went to the 2022 Pocatello

52
00:02:58,490 --> 00:02:55,340
Idaho uh Bigfoot rendezvous

53
00:02:59,990 --> 00:02:58,500
nice and Pocatello is actually kind of

54
00:03:02,150 --> 00:03:00,000
near and dear to my heart that's where

55
00:03:04,309 --> 00:03:02,160
my grandfather was born and I remember

56
00:03:06,110 --> 00:03:04,319
him telling me stories about things that

57
00:03:08,750 --> 00:03:06,120
kind of went bump in the night up around

58
00:03:11,149 --> 00:03:08,760
mink Creek and some of the other areas

59
00:03:13,190 --> 00:03:11,159
that I'm sure you came across a few

60
00:03:16,850 --> 00:03:13,200
stories yourself

61
00:03:20,149 --> 00:03:16,860
oh my God uh an amazing amount of sport

62
00:03:23,149 --> 00:03:20,159
stories we had Dr Jeff Meldrum who I

63
00:03:24,350 --> 00:03:23,159

wasn't I I think I was I knew the

64

00:03:25,910 --> 00:03:24,360

information at one time but had

65

00:03:27,770 --> 00:03:25,920

forgotten that he lives in Idaho he

66

00:03:29,149 --> 00:03:27,780

actually is a professor in Idaho so it's

67

00:03:31,970 --> 00:03:29,159

his hometown

68

00:03:34,550 --> 00:03:31,980

and then there was a cliff barackman who

69

00:03:36,009 --> 00:03:34,560

uh worked on the uh was it Finding

70

00:03:40,070 --> 00:03:36,019

Bigfoot is that the show that he did

71

00:03:42,170 --> 00:03:40,080

with the Bobo and and the other lady and

72

00:03:44,030 --> 00:03:42,180

uh so he was there he he's actually a

73

00:03:46,490 --> 00:03:44,040

really nice guy uh

74

00:03:48,589 --> 00:03:46,500

you know plethora of knowledge uh very

75

00:03:52,369 --> 00:03:48,599

he's kind of a more

76

00:03:54,710 --> 00:03:52,379

an exact kind of uh researcher uh

77

00:03:56,089 --> 00:03:54,720

looking for you know provable facts kind

78

00:03:58,250 --> 00:03:56,099

of like Jeff Meldrum which is cool

79

00:03:59,630 --> 00:03:58,260

that's fine and then I talked to him at

80

00:04:02,570 --> 00:03:59,640

the booth there he had his books on

81

00:04:04,490 --> 00:04:02,580

whatnot and I didn't realize it but he's

82

00:04:07,190 --> 00:04:04,500

got a podcast with Bobo did you know

83

00:04:08,869 --> 00:04:07,200

that they've got a Bigfoot pop podcast I

84

00:04:11,570 --> 00:04:08,879

knew Bobo did but I didn't know that he

85

00:04:13,910 --> 00:04:11,580

had it with him and yeah it's really

86

00:04:16,009 --> 00:04:13,920

good actually I was I on my drive back

87

00:04:17,509 --> 00:04:16,019

from Idaho I listened to two of the

88

00:04:20,390 --> 00:04:17,519

shows and uh

89

00:04:22,550 --> 00:04:20,400

very high quality uh skills with great

90

00:04:24,050 --> 00:04:22,560

information and and I mean if you're a

91

00:04:26,689 --> 00:04:24,060

researcher and you're you're into

92

00:04:28,550 --> 00:04:26,699

Bigfoot and you want to get some tips on

93

00:04:31,189 --> 00:04:28,560

where to go and where the hot spots are

94

00:04:33,230 --> 00:04:31,199

and and what stories are you know

95

00:04:35,150 --> 00:04:33,240

turning out to be fake and what stories

96

00:04:37,310 --> 00:04:35,160

might have some uh some you know some

97

00:04:38,689 --> 00:04:37,320

legitimacy to them that that was a good

98

00:04:40,430 --> 00:04:38,699

that was a that was a learning

99

00:04:41,570 --> 00:04:40,440

experience but yeah so that guy was

100

00:04:45,530 --> 00:04:41,580

there

101
00:04:48,650 --> 00:04:45,540
wrote five books about Bigfoot lives in

102
00:04:50,689 --> 00:04:48,660
Idaho Bigfoot still lives in Idaho uh I

103
00:04:53,150 --> 00:04:50,699
mean all these books about Bigfoot in

104
00:04:54,890 --> 00:04:53,160
Idaho and she uh she was actually the

105
00:04:57,830 --> 00:04:54,900
reason why I went down there because I

106
00:04:59,749 --> 00:04:57,840
met her about a year ago and uh she took

107
00:05:01,790 --> 00:04:59,759
me to I asked her I said well you've got

108
00:05:03,350 --> 00:05:01,800
all these stories in your books she's

109
00:05:05,870 --> 00:05:03,360
been collecting these stories for years

110
00:05:07,850 --> 00:05:05,880
which is cool I mean she's uh she

111
00:05:10,189 --> 00:05:07,860
documents these stories of people that

112
00:05:11,689 --> 00:05:10,199
in Idaho that have had experiences with

113
00:05:13,670 --> 00:05:11,699

Bigfoot and then she writes books about

114

00:05:15,710 --> 00:05:13,680

him and I asked her I said well what

115

00:05:18,290 --> 00:05:15,720

what caused you to become interested in

116

00:05:21,050 --> 00:05:18,300

Bigfoot and it turned out that she grew

117

00:05:23,210 --> 00:05:21,060

up on a on a reservation I'm not I don't

118

00:05:25,129 --> 00:05:23,220

recall the name of the reservation

119

00:05:27,110 --> 00:05:25,139

but I asked her I said well you're a

120

00:05:29,510 --> 00:05:27,120

Caucasian person how is it that you're

121

00:05:31,689 --> 00:05:29,520

able to live on the Indian reservation

122

00:05:34,430 --> 00:05:31,699

and she explained about how her father

123

00:05:36,110 --> 00:05:34,440

uh years ago I mean we're I don't know

124

00:05:38,950 --> 00:05:36,120

how many years ago but a long time ago I

125

00:05:42,290 --> 00:05:38,960

think Becky's probably close to 60 now

126

00:05:45,170 --> 00:05:42,300

was uh there was a some sort of uh

127

00:05:47,330 --> 00:05:45,180

agreement amongst this specific tribe

128

00:05:50,210 --> 00:05:47,340

that they were going to allow her father

129

00:05:53,270 --> 00:05:50,220

to you know lease or buy a portion of

130

00:05:55,070 --> 00:05:53,280

land on the reservation

131

00:05:56,629 --> 00:05:55,080

um I don't know exactly the whole story

132

00:05:58,189 --> 00:05:56,639

behind that one day I hope to get it

133

00:06:00,529 --> 00:05:58,199

actually but anyway

134

00:06:04,070 --> 00:06:00,539

um so she said that on the reservation

135

00:06:07,070 --> 00:06:04,080

there that the Bigfoot uh came and go as

136

00:06:10,670 --> 00:06:07,080

they please and she she saw them as a

137

00:06:12,409 --> 00:06:10,680

child and she even uh felt like she was

138

00:06:15,110 --> 00:06:12,419

having some sort of communication with

139

00:06:16,909 --> 00:06:15,120

them interacting with them uh you know

140

00:06:20,210 --> 00:06:16,919

non-verbal communication mind speak

141

00:06:21,650 --> 00:06:20,220

whatever and that intrigued me uh and

142

00:06:23,510 --> 00:06:21,660

she's when she tells these stories

143

00:06:25,850 --> 00:06:23,520

what's amazing is uh

144

00:06:28,309 --> 00:06:25,860

if there's really no fear in anything

145

00:06:31,070 --> 00:06:28,319

she says she's really kind of uh she

146

00:06:32,990 --> 00:06:31,080

smiles about it she's she kind of almost

147

00:06:35,390 --> 00:06:33,000

Chuckles a little bit sometimes it's

148

00:06:37,189 --> 00:06:35,400

almost like I get it though because uh

149

00:06:39,110 --> 00:06:37,199

sometimes even when I'm telling stories

150

00:06:40,850 --> 00:06:39,120

I kind of laugh a little bit not because

151

00:06:43,249 --> 00:06:40,860

I'm trying to fool anybody it's just

152

00:06:45,469 --> 00:06:43,259

because it sounds so crazy it sounds so

153

00:06:47,270 --> 00:06:45,479

wild that you just think No One's Gonna

154

00:06:50,570 --> 00:06:47,280

believe this but here it goes you know

155

00:06:53,270 --> 00:06:50,580

those kind of deals but uh yeah so Becky

156

00:06:55,070 --> 00:06:53,280

was there uh she uh and then who else

157

00:06:56,749 --> 00:06:55,080

was there there was um let me think

158

00:06:58,610 --> 00:06:56,759

about this oh there's a lady we'll talk

159

00:07:01,730 --> 00:06:58,620

about this actually today in this

160

00:07:03,950 --> 00:07:01,740

interview I mean Roxanne who was part of

161

00:07:05,749 --> 00:07:03,960

a Blackfoot tribe up there I believe and

162

00:07:08,390 --> 00:07:05,759

uh her daughter was there

163

00:07:11,450 --> 00:07:08,400

and uh let's see who else there's

164

00:07:14,210 --> 00:07:11,460

another group called Sasquatch

165

00:07:16,850 --> 00:07:14,220

America or Sasquatch America is about

166

00:07:19,070 --> 00:07:16,860

this couple they're in their 60s both

167

00:07:22,010 --> 00:07:19,080

professional people owned a home with

168

00:07:23,510 --> 00:07:22,020

family one was a teacher and I think

169

00:07:25,129 --> 00:07:23,520

they went camping in Oregon up there

170

00:07:26,270 --> 00:07:25,139

near the Blue Mountains and had an

171

00:07:29,450 --> 00:07:26,280

experience

172

00:07:32,210 --> 00:07:29,460

and it so shook him and altered his

173

00:07:34,010 --> 00:07:32,220

viewpoint on reality that him and his

174

00:07:35,510 --> 00:07:34,020

wife got to talk and during the covet

175

00:07:37,309 --> 00:07:35,520

and just said you know let's just quit

176

00:07:39,529 --> 00:07:37,319

our jobs and let's just go research

177

00:07:41,749 --> 00:07:39,539

Bigfoot so now they go around the

178

00:07:44,210 --> 00:07:41,759

country doing kind of what I'm doing uh

179

00:07:46,010 --> 00:07:44,220

researching Bigfoot stories so and

180

00:07:47,749 --> 00:07:46,020

they're all fired up about that would be

181

00:07:49,969 --> 00:07:47,759

a great interview by the way I'll hook

182

00:07:51,650 --> 00:07:49,979

you up with those people but I could go

183

00:07:52,730 --> 00:07:51,660

on and on and on so I'll just set up for

184

00:07:55,010 --> 00:07:52,740

a second and let you ask me some

185

00:07:56,510 --> 00:07:55,020

questions or talk to me if you wanted oh

186

00:07:59,450 --> 00:07:56,520

man that's cool

187

00:08:00,830 --> 00:07:59,460

um yeah no that's great news it is the

188

00:08:02,749 --> 00:08:00,840

Blackfoot tribe up there I remember

189

00:08:05,870 --> 00:08:02,759

hearing stories about the Blackfoot

190

00:08:09,230 --> 00:08:05,880

reservation for my grandfather and you

191

00:08:11,689 --> 00:08:09,240

know Bobo and crew in my opinion are the

192

00:08:14,089 --> 00:08:11,699

best of the best Matt money maker

193

00:08:16,909 --> 00:08:14,099

seldom gets involved in things or

194

00:08:19,430 --> 00:08:16,919

projects which don't pan out and I've

195

00:08:22,309 --> 00:08:19,440

been blessed enough to go on a Bigfoot

196

00:08:24,230 --> 00:08:22,319

Expedition with Matt and his clan and

197

00:08:26,650 --> 00:08:24,240

they're very professional in all their

198

00:08:29,869 --> 00:08:26,660

Endeavors not to mention he's a good guy

199

00:08:32,149 --> 00:08:29,879

the BFRO or the real deal in my opinion

200

00:08:34,909 --> 00:08:32,159

but nevertheless yes the Blackfoot tribe

201
00:08:36,709 --> 00:08:34,919
has a long history with the man of the

202
00:08:40,010 --> 00:08:36,719
mountain or Sasquatch

203
00:08:43,909 --> 00:08:40,020
um and I I don't doubt for a minute that

204
00:08:46,250 --> 00:08:43,919
there is a ton of activity up there

205
00:08:48,530 --> 00:08:46,260
yeah and there was a there's another guy

206
00:08:50,389 --> 00:08:48,540
that I met last year when I was up there

207
00:08:52,310 --> 00:08:50,399
uh I was in Montana

208
00:08:54,710 --> 00:08:52,320
uh I think we talked about that before

209
00:08:56,389 --> 00:08:54,720
uh on on the previous interview I might

210
00:08:58,490 --> 00:08:56,399
have did about my expedition in Montana

211
00:09:01,190 --> 00:08:58,500
last year but on my way back I stopped

212
00:09:02,570 --> 00:09:01,200
in Idaho and when I met Becky this was

213
00:09:04,850 --> 00:09:02,580

actually the very first time I met her

214

00:09:06,710 --> 00:09:04,860

in person I asked her I go is there

215

00:09:08,990 --> 00:09:06,720

anybody that you can contact that you've

216

00:09:10,550 --> 00:09:09,000

done an interview with that we can go

217

00:09:12,170 --> 00:09:10,560

out and then I can I'll buy him dinner I

218

00:09:14,090 --> 00:09:12,180

just I just want to I just want to hear

219

00:09:16,670 --> 00:09:14,100

their story or maybe go to their to

220

00:09:18,650 --> 00:09:16,680

their home or to their area and just get

221

00:09:20,389 --> 00:09:18,660

a feel for it and so she called this guy

222

00:09:22,790 --> 00:09:20,399

up Named Dave

223

00:09:26,210 --> 00:09:22,800

and uh he lives out there in Swan Valley

224

00:09:28,730 --> 00:09:26,220

he's got a ranch huge acreage Ranch out

225

00:09:30,889 --> 00:09:28,740

there I mean the road goes into the into

226

00:09:32,449 --> 00:09:30,899

the BLM land like a forest service road

227

00:09:36,470 --> 00:09:32,459

but he's just you know outside of that

228

00:09:38,090 --> 00:09:36,480

anyway so we got to his house and um

229

00:09:39,769 --> 00:09:38,100

and so we're sitting on the porch out

230

00:09:41,570 --> 00:09:39,779

there and he's you know we're just kind

231

00:09:44,449 --> 00:09:41,580

of talking about Bigfoot stories and so

232

00:09:46,850 --> 00:09:44,459

on and then and then uh Becky had to go

233

00:09:47,990 --> 00:09:46,860

home with her husband so we went inside

234

00:09:50,389 --> 00:09:48,000

his house

235

00:09:52,250 --> 00:09:50,399

and he's got a huge cast uh I've got a

236

00:09:54,110 --> 00:09:52,260

picture of it I'll send it to you but a

237

00:09:56,329 --> 00:09:54,120

huge cast of a big footprint that he got

238

00:09:58,730 --> 00:09:56,339

not too far from his house up in the

239

00:10:01,070 --> 00:09:58,740

mountains and he was telling me about

240

00:10:04,009 --> 00:10:01,080

these nests he calls them nests these

241

00:10:05,329 --> 00:10:04,019

tree structures that were uh built with

242

00:10:07,070 --> 00:10:05,339

with uh

243

00:10:08,630 --> 00:10:07,080

you know pine needles and things and

244

00:10:10,009 --> 00:10:08,640

bushes and stuff kind of wrapped around

245

00:10:12,470 --> 00:10:10,019

them kind of like a like a little

246

00:10:15,290 --> 00:10:12,480

Hideout type thing and he showed me

247

00:10:17,210 --> 00:10:15,300

pictures of them and I says wow and I he

248

00:10:19,009 --> 00:10:17,220

says and then he tells me that yeah he

249

00:10:21,410 --> 00:10:19,019

goes when he first found these nests

250

00:10:22,730 --> 00:10:21,420

when he was hunting he started taking

251

00:10:24,829 --> 00:10:22,740

him apart

252

00:10:26,329 --> 00:10:24,839

and I thought to myself dude what are

253

00:10:27,650 --> 00:10:26,339

you doing that man I don't know if these

254

00:10:29,990 --> 00:10:27,660

if these Bigfoot are going to be happy

255

00:10:32,509 --> 00:10:30,000

about you taking apart their mess

256

00:10:33,889 --> 00:10:32,519

and this guy's a rebel he says well you

257

00:10:35,930 --> 00:10:33,899

know I thought if I took it apart a

258

00:10:37,490 --> 00:10:35,940

little bit and then they would have to

259

00:10:39,949 --> 00:10:37,500

rebuild it and so if they actually

260

00:10:41,990 --> 00:10:39,959

rebuilt it then I can have evidence

261

00:10:43,310 --> 00:10:42,000

that you know that they were you know

262

00:10:46,250 --> 00:10:43,320

what I'm saying it was his way of trying

263

00:10:49,250 --> 00:10:46,260

to catch him in a rebuild mode

264

00:10:52,069 --> 00:10:49,260

so anyway so fast forwarding uh excuse

265

00:10:55,009 --> 00:10:52,079

me another story told me that day was uh

266

00:10:56,990 --> 00:10:55,019

there's some apple trees out on his uh

267

00:10:58,610 --> 00:10:57,000

out on his property way out there

268

00:10:59,990 --> 00:10:58,620

probably about 100 yards you could see

269

00:11:02,569 --> 00:11:00,000

him from his house they're huge apple

270

00:11:04,190 --> 00:11:02,579

trees I mean these apple trees are

271

00:11:06,290 --> 00:11:04,200

literally like they're on stairways

272

00:11:08,630 --> 00:11:06,300

they're three four times taller than a

273

00:11:10,069 --> 00:11:08,640

regular apple tree and uh they're right

274

00:11:12,050 --> 00:11:10,079

on this little creek I'm guessing that's

275

00:11:15,290 --> 00:11:12,060

why because it's got constant water and

276

00:11:17,090 --> 00:11:15,300

anyway he says that every year uh they

277

00:11:19,490 --> 00:11:17,100

he loves these apples he makes apple

278

00:11:21,470 --> 00:11:19,500

pies and stuff like that he really digs

279

00:11:22,550 --> 00:11:21,480

his apples but he says every year they

280

00:11:25,310 --> 00:11:22,560

come by

281

00:11:27,069 --> 00:11:25,320

uh and they he thinks it's the Bigfoot

282

00:11:29,930 --> 00:11:27,079

better stealing the apples off this tree

283

00:11:32,690 --> 00:11:29,940

and so this time when I went out I did I

284

00:11:34,610 --> 00:11:32,700

wasn't able to see these trees the first

285

00:11:36,290 --> 00:11:34,620

time I was there because it was dark so

286

00:11:37,490 --> 00:11:36,300

this year when I went out there I says I

287

00:11:38,990 --> 00:11:37,500

got to go out there I got to look at

288

00:11:41,210 --> 00:11:39,000

these trees I got to analyze this I'm

289

00:11:44,090 --> 00:11:41,220

trying to figure out my head okay so is

290

00:11:46,490 --> 00:11:44,100

this even a possible real story and and

291

00:11:50,210 --> 00:11:46,500

the thing these trees are so tall

292

00:11:51,350 --> 00:11:50,220

there's no way that a a deer or an elk

293

00:11:55,730 --> 00:11:51,360

or

294

00:11:58,430 --> 00:11:55,740

out in the middle of the ranch there's

295

00:12:00,290 --> 00:11:58,440

no way that that they could just survive

296

00:12:02,690 --> 00:12:00,300

I mean in other words the the bottom

297

00:12:04,550 --> 00:12:02,700

line is this is that it's plausible very

298

00:12:06,290 --> 00:12:04,560

plausible that the Bigfoot are coming

299

00:12:08,690 --> 00:12:06,300

and stealing these apples off this tree

300

00:12:10,009 --> 00:12:08,700

based on just all that I analyzed in

301

00:12:12,350 --> 00:12:10,019

that moment

302

00:12:15,170 --> 00:12:12,360

and then he had this huge Barn

303

00:12:16,970 --> 00:12:15,180

a huge Barn that the doors were open on

304

00:12:18,350 --> 00:12:16,980

both ends of the barn and was out there

305

00:12:20,750 --> 00:12:18,360

in the field and there was nothing in

306

00:12:23,090 --> 00:12:20,760

the barn and so I just took a walk out

307

00:12:25,970 --> 00:12:23,100

there just to kind of check it out and

308

00:12:27,710 --> 00:12:25,980

uh I found Footprints in this barn but I

309

00:12:29,269 --> 00:12:27,720

didn't tell him I I just saw him I said

310

00:12:31,550 --> 00:12:29,279

this is they weren't huge they were but

311

00:12:33,170 --> 00:12:31,560

they were definitely Footprints and so I

312

00:12:35,690 --> 00:12:33,180

came back to the house after I did my

313

00:12:37,130 --> 00:12:35,700

little research walk out there and I

314

00:12:39,050 --> 00:12:37,140

said so what are you keeping that barn

315

00:12:43,370 --> 00:12:39,060

out there

316

00:12:46,910 --> 00:12:43,380

he says that he goes I think the Bigfoot

317

00:12:49,310 --> 00:12:46,920

we're staying out there and I said I

318

00:12:50,870 --> 00:12:49,320

said really he goes yeah and I says well

319

00:12:52,310 --> 00:12:50,880

I saw some Footprints out there he says

320

00:12:53,870 --> 00:12:52,320

yeah I think they used to go through

321

00:12:55,670 --> 00:12:53,880

there and they we used to stay out there

322

00:12:57,829 --> 00:12:55,680

but uh he goes I don't bother with him

323

00:12:59,810 --> 00:12:57,839

he says uh they don't bother me and I

324

00:13:01,490 --> 00:12:59,820

don't bother them so anyway it was kind

325

00:13:05,269 --> 00:13:01,500

of a love story

326

00:13:06,530 --> 00:13:05,279

um so yeah so that's kind of uh I think

327

00:13:08,090 --> 00:13:06,540

I think I'll pause there and let you

328

00:13:09,590 --> 00:13:08,100

interject anything because I could go on

329

00:13:12,829 --> 00:13:09,600

and on and on forever on these stories

330

00:13:15,050 --> 00:13:12,839

yeah and you know the prints are a big

331

00:13:18,410 --> 00:13:15,060

Telltale sign when it comes to Bigfoot

332

00:13:20,810 --> 00:13:18,420

hunting and this is something that

333

00:13:22,850 --> 00:13:20,820

people often dispel as not being

334

00:13:24,410 --> 00:13:22,860

physical proof but it very much is

335

00:13:26,509 --> 00:13:24,420

especially when you're dealing with

336

00:13:28,850 --> 00:13:26,519

something that half of the segment that

337

00:13:30,769 --> 00:13:28,860

researches it figures may have

338

00:13:33,530 --> 00:13:30,779

dimensional aspects and may have the

339

00:13:35,750 --> 00:13:33,540

ability to uh play hide and seek a lot

340

00:13:38,329 --> 00:13:35,760

better than us

341

00:13:41,810 --> 00:13:38,339

um now in the conference uh did you have

342

00:13:43,370 --> 00:13:41,820

the full gamut of those obviously uh the

343

00:13:46,370 --> 00:13:43,380

BFRO

344

00:13:48,610 --> 00:13:46,380

um Jeff Meldrum and that camp are very

345

00:13:53,030 --> 00:13:48,620

nuts and bolts physical evidence

346

00:13:55,850 --> 00:13:53,040

Gathering type researchers however there

347

00:13:58,490 --> 00:13:55,860

are also Cutting Edge researchers in the

348

00:14:01,490 --> 00:13:58,500

dimensional aspects of uh

349

00:14:05,030 --> 00:14:01,500

big Bigfoot research who claimed that

350

00:14:06,710 --> 00:14:05,040

Bigfoot may have the ability to much

351

00:14:10,550 --> 00:14:06,720

like a

352

00:14:13,670 --> 00:14:10,560

extra dimensional Predator be able to

353

00:14:16,490 --> 00:14:13,680

somehow connect to things we can't and

354

00:14:18,590 --> 00:14:16,500

disperse and disappear in the forest in

355

00:14:20,750 --> 00:14:18,600

ways we don't understand did you come

356

00:14:22,430 --> 00:14:20,760

across anybody along those lines while

357

00:14:25,910 --> 00:14:22,440

you were up there

358

00:14:27,470 --> 00:14:25,920

yeah the one Indian lady that spoke and

359

00:14:29,629 --> 00:14:27,480

I've heard this from other Indian tribes

360

00:14:31,610 --> 00:14:29,639

that they their belief is that they walk

361

00:14:35,509 --> 00:14:31,620

in both worlds is how they describe it

362

00:14:38,150 --> 00:14:35,519

that these teachers can move you know in

363

00:14:40,610 --> 00:14:38,160

and out of the dimensions possibly or

364

00:14:41,930 --> 00:14:40,620

possibly cloak and actually interesting

365

00:14:44,449 --> 00:14:41,940

you mentioned I think you mentioned

366

00:14:46,850 --> 00:14:44,459

cloaking uh there was a guy who I mean

367

00:14:49,129 --> 00:14:46,860

what's cool about doing research on for

368

00:14:50,509 --> 00:14:49,139

example I'm on Twitter so people know

369

00:14:52,910 --> 00:14:50,519

that I'm doing research I just post

370

00:14:55,250 --> 00:14:52,920

everything I get and then people comment

371

00:14:57,650 --> 00:14:55,260

or they send me their own research and

372

00:14:59,569 --> 00:14:57,660

this guy had this video of a guy that

373

00:15:02,030 --> 00:14:59,579

had taken it on Tick Tock I'll find the

374

00:15:04,370 --> 00:15:02,040

video and send it to you and uh you know

375

00:15:06,470 --> 00:15:04,380

of course any video potentially can be

376

00:15:09,170 --> 00:15:06,480

faked I get that but if you look at

377

00:15:11,210 --> 00:15:09,180

enough videos you could tell that if a

378

00:15:13,970 --> 00:15:11,220

video has plausibility or whatnot and

379

00:15:17,350 --> 00:15:13,980

this guy sent me a video of what looked

380

00:15:20,629 --> 00:15:17,360

to me like it's clearly a cloaking

381

00:15:22,850 --> 00:15:20,639

Bigfoot on this road in this Forest

382

00:15:24,710 --> 00:15:22,860

where you could see the outline of what

383

00:15:26,990 --> 00:15:24,720

looks like a Bigfoot you could see it

384

00:15:28,670 --> 00:15:27,000

moving but there was no there was

385

00:15:30,290 --> 00:15:28,680

nothing there physically but you could

386

00:15:33,590 --> 00:15:30,300

just see like the Predator kind of like

387

00:15:36,050 --> 00:15:33,600

the the image of it and the way it was

388

00:15:39,110 --> 00:15:36,060

shot it looked real so I mean if

389

00:15:40,850 --> 00:15:39,120

somebody faked this uh they must have

390

00:15:42,710 --> 00:15:40,860

some sort of a program on their computer

391

00:15:44,810 --> 00:15:42,720

that I'm not aware of because I couldn't

392

00:15:46,129 --> 00:15:44,820

uh it was a hell it would have been a

393

00:15:48,590 --> 00:15:46,139

hell of a fake

394

00:15:50,750 --> 00:15:48,600

but yeah so the Bigfoot cloaking is uh

395

00:15:53,810 --> 00:15:50,760

is interesting uh let me do this before

396

00:15:58,009 --> 00:15:53,820

we go in back into this uh this Idaho

397

00:16:01,129 --> 00:15:58,019

conference go back to uh to um Dave so

398

00:16:02,210 --> 00:16:01,139

this time around uh after I'm gonna skip

399

00:16:03,650 --> 00:16:02,220

forward a little bit after the

400

00:16:05,750 --> 00:16:03,660

conference so I don't forget the story

401
00:16:07,730 --> 00:16:05,760
after the conference was over

402
00:16:10,250 --> 00:16:07,740
I asked Dave if I could come out to his

403
00:16:12,110 --> 00:16:10,260
property uh in the daytime and he can go

404
00:16:14,210 --> 00:16:12,120
take me out to this area that he had

405
00:16:15,769 --> 00:16:14,220
told me about that he had taken pictures

406
00:16:17,810 --> 00:16:15,779
of him where he saw the nests and he

407
00:16:19,550 --> 00:16:17,820
said sure So I went out there and we

408
00:16:21,769 --> 00:16:19,560
took the drive up this up the road and

409
00:16:23,870 --> 00:16:21,779
we're we're in this Forest Area and I I

410
00:16:26,030 --> 00:16:23,880
recorded everything got it all on video

411
00:16:28,370 --> 00:16:26,040
and we pulled over on this area where

412
00:16:29,689 --> 00:16:28,380
there's this uh it's not a forest well

413
00:16:31,009 --> 00:16:29,699

we're on a Forest Road but then there's

414

00:16:32,689 --> 00:16:31,019

like a game Trail

415

00:16:34,310 --> 00:16:32,699

not a human Trail you know a game Trail

416

00:16:36,470 --> 00:16:34,320

they're kind of skinny you could tell

417

00:16:37,970 --> 00:16:36,480

that it's where animals come and go and

418

00:16:40,249 --> 00:16:37,980

so we started walking down this game

419

00:16:41,870 --> 00:16:40,259

Trail and then uh he says I know these

420

00:16:44,210 --> 00:16:41,880

these tree structures it's been a few

421

00:16:45,410 --> 00:16:44,220

years he said since I've been here but I

422

00:16:46,970 --> 00:16:45,420

know they're they're right around here

423

00:16:49,129 --> 00:16:46,980

somewhere so we're walking through and

424

00:16:51,290 --> 00:16:49,139

I'm and I'm recording I says I said do

425

00:16:52,970 --> 00:16:51,300

you see this right here have you and he

426
00:16:54,829 --> 00:16:52,980
goes what's that I go look see how this

427
00:16:56,810 --> 00:16:54,839
tree is bent over

428
00:16:58,730 --> 00:16:56,820
and then it's pinned down underneath

429
00:17:01,129 --> 00:16:58,740
this other tree I says this is a

430
00:17:02,990 --> 00:17:01,139
Telltale sign because trees can't be

431
00:17:04,970 --> 00:17:03,000
bent over I mean you could see trees

432
00:17:06,230 --> 00:17:04,980
that are bent but when they're bent and

433
00:17:07,669 --> 00:17:06,240
then you've got and then they're pushed

434
00:17:09,650 --> 00:17:07,679
down underneath another tree like

435
00:17:12,110 --> 00:17:09,660
they're kind of pinned down to me that's

436
00:17:13,549 --> 00:17:12,120
uh I've only seen that a few times but a

437
00:17:15,230 --> 00:17:13,559
lot of Bigfoot researchers believe

438
00:17:16,789 --> 00:17:15,240

that's a sign

439

00:17:19,010 --> 00:17:16,799

so anyway we're walking along and then

440

00:17:21,110 --> 00:17:19,020

all of a sudden I look to my left and I

441

00:17:22,970 --> 00:17:21,120

see all these trees and branches and

442

00:17:24,590 --> 00:17:22,980

kind of piled up and leaned up against

443

00:17:26,630 --> 00:17:24,600

this other tree and I thought right away

444

00:17:29,090 --> 00:17:26,640

I go this must be the spot because this

445

00:17:31,669 --> 00:17:29,100

is this looks to me like like a

446

00:17:33,530 --> 00:17:31,679

structure or a nest and he so he starts

447

00:17:36,289 --> 00:17:33,540

walking over there and and he's

448

00:17:37,970 --> 00:17:36,299

describing how this Nest uh how it is

449

00:17:40,430 --> 00:17:37,980

now compared to how it was before he

450

00:17:42,289 --> 00:17:40,440

says yeah this Nest has been broken up a

451
00:17:44,029 --> 00:17:42,299
little bit and it's not what it was once

452
00:17:47,150 --> 00:17:44,039
before and he's saying that at one time

453
00:17:49,430 --> 00:17:47,160
there was all these these uh branches

454
00:17:51,710 --> 00:17:49,440
and bushes and pine needles all around

455
00:17:53,450 --> 00:17:51,720
it and he's describing it and then

456
00:17:56,810 --> 00:17:53,460
here's what it was to me this was good

457
00:17:58,850 --> 00:17:56,820
evidence so right underneath this tree

458
00:18:00,950 --> 00:17:58,860
he goes look up in this tree right here

459
00:18:03,950 --> 00:18:00,960
so I'm looking up and I'm recording and

460
00:18:06,110 --> 00:18:03,960
there's about eight or nine branches

461
00:18:08,029 --> 00:18:06,120
that were just snapped off on this tree

462
00:18:10,730 --> 00:18:08,039
and then above that you've got regular

463
00:18:12,289 --> 00:18:10,740

healthy tree growth coming out and it

464

00:18:14,150 --> 00:18:12,299

was so and you and when you're looking

465

00:18:16,310 --> 00:18:14,160

at these branches that have been snapped

466

00:18:17,930 --> 00:18:16,320

off you could tell that this didn't

467

00:18:20,390 --> 00:18:17,940

happen naturally I mean it's pretty

468

00:18:21,950 --> 00:18:20,400

obvious so he says you see here this is

469

00:18:24,110 --> 00:18:21,960

where they went up there they climbed up

470

00:18:25,850 --> 00:18:24,120

there they snapped off these these tree

471

00:18:27,110 --> 00:18:25,860

branches and these are the branches

472

00:18:29,570 --> 00:18:27,120

you're looking at right here that they

473

00:18:30,830 --> 00:18:29,580

use to make this structure and it's like

474

00:18:32,270 --> 00:18:30,840

he's painting the picture and I'm

475

00:18:33,590 --> 00:18:32,280

thinking in my mind that you know I

476

00:18:35,510 --> 00:18:33,600

can't argue with this there's nothing

477

00:18:37,190 --> 00:18:35,520

he's telling me that that I'm going to

478

00:18:39,770 --> 00:18:37,200

try to debunk because it makes sense

479

00:18:42,169 --> 00:18:39,780

what he's showing me and so we saw a few

480

00:18:43,730 --> 00:18:42,179

other little structures uh he goes I

481

00:18:45,710 --> 00:18:43,740

start walking in deeper into the forest

482

00:18:47,570 --> 00:18:45,720

and I said can I I'm just going to walk

483

00:18:48,890 --> 00:18:47,580

over here he goes oh uh there's nothing

484

00:18:50,930 --> 00:18:48,900

over there I go well you haven't been

485

00:18:52,909 --> 00:18:50,940

here for a few years you never know so

486

00:18:54,650 --> 00:18:52,919

like and then I found another structure

487

00:18:57,590 --> 00:18:54,660

that he didn't even know was there maybe

488

00:18:59,930 --> 00:18:57,600

it wasn't there two years ago

489

00:19:02,150 --> 00:18:59,940

and so anyway we're now walking down

490

00:19:04,250 --> 00:19:02,160

this pathway and uh we're seeing all

491

00:19:05,990 --> 00:19:04,260

these prints on the ground none of them

492

00:19:07,549 --> 00:19:06,000

were big Footprints as we're walking but

493

00:19:09,830 --> 00:19:07,559

all different types of other prints you

494

00:19:12,409 --> 00:19:09,840

know whether it was deer or or Bobcats

495

00:19:13,909 --> 00:19:12,419

or there's all sorts of uh Bears I mean

496

00:19:15,710 --> 00:19:13,919

there's this area he says it's just

497

00:19:17,330 --> 00:19:15,720

filled with wildlife and then he goes

498

00:19:19,789 --> 00:19:17,340

we're going to go to the magnet and I

499

00:19:21,950 --> 00:19:19,799

says what do you mean the magnet he goes

500

00:19:23,570 --> 00:19:21,960

this is the pond down here it's uh it's

501
00:19:25,370 --> 00:19:23,580
it's this is where these animals this is

502
00:19:27,470 --> 00:19:25,380
why there's this Trail here because this

503
00:19:29,029 --> 00:19:27,480
is where they go to drink the water so

504
00:19:30,830 --> 00:19:29,039
we go down there and there's we're down

505
00:19:32,570 --> 00:19:30,840
at this Pond and there's it's got this

506
00:19:34,669 --> 00:19:32,580
muddy embankment all the way around it

507
00:19:36,890 --> 00:19:34,679
and there's all sorts of different types

508
00:19:38,570 --> 00:19:36,900
of footprints in this mud I've got

509
00:19:40,909 --> 00:19:38,580
pictures of this too and so we're

510
00:19:42,890 --> 00:19:40,919
walking around this this mud Pond uh

511
00:19:44,570 --> 00:19:42,900
area where the dirt is and I'm looking

512
00:19:46,789 --> 00:19:44,580
I'm trying to see if I can see something

513
00:19:49,430 --> 00:19:46,799

that might be a big footprint

514

00:19:51,529 --> 00:19:49,440

and we come across this one print

515

00:19:54,230 --> 00:19:51,539

two prints actually that were massive

516

00:19:56,150 --> 00:19:54,240

where this if let's just say it was a

517

00:19:57,890 --> 00:19:56,160

big foot I mean I can't prove it I don't

518

00:20:00,650 --> 00:19:57,900

know for sure it was but it certainly is

519

00:20:03,470 --> 00:20:00,660

a huge footprint that was kind of turned

520

00:20:06,110 --> 00:20:03,480

sideways and then another print that was

521

00:20:08,390 --> 00:20:06,120

about 52 inches we measured out to the

522

00:20:10,789 --> 00:20:08,400

right closer to the water also sideways

523

00:20:13,310 --> 00:20:10,799

and so he says to me well this is where

524

00:20:16,130 --> 00:20:13,320

this Bigfoot stepped right here

525

00:20:18,409 --> 00:20:16,140

and then it put its other foot over here

526
00:20:20,690 --> 00:20:18,419
and then it probably leaned over and was

527
00:20:22,909 --> 00:20:20,700
drinking water and you so so it's his

528
00:20:24,350 --> 00:20:22,919
imagination he's sharing to me what he

529
00:20:25,909 --> 00:20:24,360
believes happen and I'm looking and I'm

530
00:20:27,770 --> 00:20:25,919
thinking you know that that could be

531
00:20:29,450 --> 00:20:27,780
true I mean I could see where based on

532
00:20:31,250 --> 00:20:29,460
what he's telling me

533
00:20:32,810 --> 00:20:31,260
um it could be true

534
00:20:35,930 --> 00:20:32,820
um so anyway so we walked back there

535
00:20:39,529 --> 00:20:35,940
there was no uh nothing no sightings no

536
00:20:41,510 --> 00:20:39,539
sounds No tree knocks no wood clocks

537
00:20:43,789 --> 00:20:41,520
um but it was interesting but what was

538
00:20:45,529 --> 00:20:43,799

cool is the year before he told me these

539

00:20:47,090 --> 00:20:45,539

stories and now here I am seeing the

540

00:20:49,430 --> 00:20:47,100

evidence of the stories that he told me

541

00:20:51,650 --> 00:20:49,440

and I'm independently thinking without

542

00:20:53,270 --> 00:20:51,660

any kind of I don't want to just jump on

543

00:20:56,510 --> 00:20:53,280

this guy's bandwagon just because I like

544

00:20:58,070 --> 00:20:56,520

the guy but but I felt when I saw if he

545

00:20:59,630 --> 00:20:58,080

hadn't showed it to me and I'd found it

546

00:21:01,850 --> 00:20:59,640

on my own I would have agreed with

547

00:21:03,470 --> 00:21:01,860

everything he said because everything he

548

00:21:05,330 --> 00:21:03,480

said is what I saw

549

00:21:06,470 --> 00:21:05,340

so I'll just pause there if you want to

550

00:21:07,610 --> 00:21:06,480

jump in

551
00:21:09,890 --> 00:21:07,620
so

552
00:21:11,510 --> 00:21:09,900
in his opinion

553
00:21:14,210 --> 00:21:11,520
I mean it sounds like there's a lot

554
00:21:17,210 --> 00:21:14,220
going on in the mix in his View

555
00:21:18,590 --> 00:21:17,220
through his window of research what did

556
00:21:42,770 --> 00:21:18,600
he

557
00:21:45,289 --> 00:21:42,780
for whatever reason in this particular

558
00:21:47,690 --> 00:21:45,299
area of Swan Valley for example Idaho's

559
00:21:49,610 --> 00:21:47,700
huge it's massive

560
00:21:51,590 --> 00:21:49,620
um so this particular area where I was

561
00:21:55,789 --> 00:21:51,600
at he says they come through typically

562
00:21:58,669 --> 00:21:55,799
around uh October November December

563
00:22:01,190 --> 00:21:58,679

and then they go somewhere else

564

00:22:03,710 --> 00:22:01,200

I don't know he's not he's not actually

565

00:22:05,270 --> 00:22:03,720

a researcher he's he just lives out

566

00:22:07,730 --> 00:22:05,280

there and he's just had these

567

00:22:10,730 --> 00:22:07,740

experiences another story he told me uh

568

00:22:13,370 --> 00:22:10,740

last year when I was there that uh he's

569

00:22:15,590 --> 00:22:13,380

got property uh hunting and whatnot

570

00:22:17,090 --> 00:22:15,600

you're allowed to hunt in this part of

571

00:22:18,710 --> 00:22:17,100

Idaho you know if you've got proper you

572

00:22:20,390 --> 00:22:18,720

could hunt on your property you got a

573

00:22:22,549 --> 00:22:20,400

friend of his came up and wanted to do

574

00:22:24,169 --> 00:22:22,559

some hunting on his property and he let

575

00:22:26,990 --> 00:22:24,179

him go on his own and he's up there in

576

00:22:30,350 --> 00:22:27,000

the woods and he found a pile of bones

577

00:22:32,810 --> 00:22:30,360

and of a variety of Bones and skill and

578

00:22:34,310 --> 00:22:32,820

skeletal skeletons of a variety of

579

00:22:37,490 --> 00:22:34,320

different animals

580

00:22:39,169 --> 00:22:37,500

and uh he he said uh he didn't know what

581

00:22:41,029 --> 00:22:39,179

it was or why they were kind of piled up

582

00:22:43,010 --> 00:22:41,039

in this part of the mountain up here so

583

00:22:44,750 --> 00:22:43,020

he came back to the guy's house Dave and

584

00:22:46,510 --> 00:22:44,760

he told Dave he says you know I was

585

00:22:49,010 --> 00:22:46,520

hunting up there I found all these bones

586

00:22:50,750 --> 00:22:49,020

and uh and Dave thought he was pulling

587

00:22:52,430 --> 00:22:50,760

his leg Dave says oh yeah okay sure

588

00:22:53,870 --> 00:22:52,440

right whatever he thought he was just

589

00:22:55,730 --> 00:22:53,880

teasing him right so then after his

590

00:22:58,190 --> 00:22:55,740

buddy leaves Dave said that he went back

591

00:22:59,990 --> 00:22:58,200

up there uh the next day and he found

592

00:23:02,210 --> 00:23:00,000

the bones and he confirmed it and he

593

00:23:04,549 --> 00:23:02,220

says you know I don't know I don't know

594

00:23:06,710 --> 00:23:04,559

what that was uh but those that was

595

00:23:09,230 --> 00:23:06,720

really weird so yeah he doesn't really

596

00:23:11,149 --> 00:23:09,240

this guy Dave um he tells he doesn't

597

00:23:13,549 --> 00:23:11,159

jump to any conclusions I mean he

598

00:23:15,529 --> 00:23:13,559

believes that there's Bigfoot

599

00:23:17,870 --> 00:23:15,539

um that he doesn't really uh jump to

600

00:23:19,430 --> 00:23:17,880

conclusions as to what like some people

601
00:23:21,950 --> 00:23:19,440
will theorize and then they'll try to

602
00:23:23,750 --> 00:23:21,960
make their theories facts uh I'm just

603
00:23:25,549 --> 00:23:23,760
telling stories is when I I mean you

604
00:23:27,289 --> 00:23:25,559
know it is what it is now one other

605
00:23:28,490 --> 00:23:27,299
story that happened that last time I was

606
00:23:30,649 --> 00:23:28,500
there that was really trippy actually

607
00:23:31,850 --> 00:23:30,659
this really freaked me out is so we're

608
00:23:33,770 --> 00:23:31,860
in his kitchen we're telling he's

609
00:23:35,750 --> 00:23:33,780
talking to me and we'd show me some of

610
00:23:37,730 --> 00:23:35,760
his pictures in his books

611
00:23:40,310 --> 00:23:37,740
it was dark it was about 9 30 at night

612
00:23:42,770 --> 00:23:40,320
and where his property literally the

613
00:23:45,590 --> 00:23:42,780

next neighbor uh is about a half a mile

614

00:23:47,990 --> 00:23:45,600

away and uh this is a ranch home you

615

00:23:49,430 --> 00:23:48,000

know older retired people out there you

616

00:23:50,990 --> 00:23:49,440

know and there's all these fences in

617

00:23:53,210 --> 00:23:51,000

between the home and there's just no

618

00:23:54,710 --> 00:23:53,220

reason the neighbors just don't wander

619

00:23:56,630 --> 00:23:54,720

around up there when you live in the in

620

00:23:57,649 --> 00:23:56,640

the will in the forest area you're out

621

00:23:59,510 --> 00:23:57,659

there on a ranch you don't have

622

00:24:00,830 --> 00:23:59,520

neighbors just kind of walking up and

623

00:24:02,210 --> 00:24:00,840

knocking on your door in the middle of

624

00:24:03,710 --> 00:24:02,220

the night for no reason you know what

625

00:24:04,730 --> 00:24:03,720

I'm saying it just doesn't happen so

626
00:24:07,070 --> 00:24:04,740
we're sitting there and all of a sudden

627
00:24:08,810 --> 00:24:07,080
we hear this on the window

628
00:24:12,230 --> 00:24:08,820
the kitchen window

629
00:24:14,210 --> 00:24:12,240
very clear so I turned and I look and I

630
00:24:16,789 --> 00:24:14,220
don't see anything and I said I said are

631
00:24:18,890 --> 00:24:16,799
you expecting company and he said his

632
00:24:20,810 --> 00:24:18,900
eyes got big I mean this guy's a cool

633
00:24:22,909 --> 00:24:20,820
he's a smooth he's cool he's got a cool

634
00:24:25,070 --> 00:24:22,919
cat he's not going to get rattled his

635
00:24:27,230 --> 00:24:25,080
eyes got big he says no

636
00:24:29,149 --> 00:24:27,240
I go whoa has that ever happened before

637
00:24:31,909 --> 00:24:29,159
where you've heard of something knock on

638
00:24:33,289 --> 00:24:31,919

your window and he said no

639

00:24:34,909 --> 00:24:33,299

and you can just tell he's trying to

640

00:24:38,870 --> 00:24:34,919

think about what the hell just happened

641

00:24:40,610 --> 00:24:38,880

and and then he says I said okay well we

642

00:24:42,470 --> 00:24:40,620

just kept talking we just said all right

643

00:24:44,690 --> 00:24:42,480

blew it off you know no big deal then a

644

00:24:46,789 --> 00:24:44,700

few minutes later Rap Attack again on

645

00:24:49,010 --> 00:24:46,799

the window and this time he jumps up out

646

00:24:51,649 --> 00:24:49,020

of his chair he's got his rifle he's got

647

00:24:53,690 --> 00:24:51,659

his massive flashlight and he's and he's

648

00:24:55,669 --> 00:24:53,700

heading for the front door and so I'm

649

00:24:57,110 --> 00:24:55,679

like oh [h__\h] okay I'm following this guy

650

00:24:59,510 --> 00:24:57,120

out there I want to see I mean what the

651
00:25:02,330 --> 00:24:59,520
hell's going on so so we walk out there

652
00:25:03,770 --> 00:25:02,340
and you know we don't see anything uh

653
00:25:05,810 --> 00:25:03,780
off in the forest over there to the

654
00:25:08,690 --> 00:25:05,820
right we see some high shine and my

655
00:25:10,250 --> 00:25:08,700
first thought in my mind was oh Jesus

656
00:25:12,230 --> 00:25:10,260
wouldn't that be amazing if that's a

657
00:25:14,630 --> 00:25:12,240
freaking Bigfoot right there and then

658
00:25:17,270 --> 00:25:14,640
and then and he puts the flashlight on

659
00:25:19,430 --> 00:25:17,280
it and it's a deer deer pops up and it's

660
00:25:21,890 --> 00:25:19,440
a deer so but it wasn't a deer knocking

661
00:25:22,970 --> 00:25:21,900
on his window I can assure you that so I

662
00:25:24,470 --> 00:25:22,980
don't know what happened dude but

663
00:25:25,730 --> 00:25:24,480

there's some high strangeness I can tell

664

00:25:29,149 --> 00:25:25,740

you that much

665

00:25:31,430 --> 00:25:29,159

yeah I've had experiences

666

00:25:35,149 --> 00:25:31,440

um that it in my mind it is something

667

00:25:37,310 --> 00:25:35,159

there is something that does exist in

668

00:25:39,289 --> 00:25:37,320

the forest at least of the United States

669

00:25:42,950 --> 00:25:39,299

that's the only place that I've had

670

00:25:45,350 --> 00:25:42,960

these experiences but um I I have had

671

00:25:48,110 --> 00:25:45,360

experiences I've taken others to areas

672

00:25:50,269 --> 00:25:48,120

that uh I've been looking for something

673

00:25:52,070 --> 00:25:50,279

and was told something had recently been

674

00:25:54,590 --> 00:25:52,080

cited and with other researchers come

675

00:25:55,450 --> 00:25:54,600

across things that are difficult to

676
00:25:58,789 --> 00:25:55,460
explain

677
00:26:01,990 --> 00:25:58,799
and one of them was up in an area known

678
00:26:04,010 --> 00:26:02,000
as Skull Creek near the uina mountains

679
00:26:06,230 --> 00:26:04,020
Northeastern Utah

680
00:26:08,750 --> 00:26:06,240
there some reports had come in one was

681
00:26:10,970 --> 00:26:08,760
actually of a judge that worked in a

682
00:26:13,730 --> 00:26:10,980
nearby town and was driving home

683
00:26:17,510 --> 00:26:13,740
and very credible individual and they

684
00:26:19,850 --> 00:26:17,520
came across a Sasquatch like creature in

685
00:26:22,430 --> 00:26:19,860
the road actually stopped their vehicle

686
00:26:24,230 --> 00:26:22,440
and had a good look at it before it went

687
00:26:26,029 --> 00:26:24,240
back into the forest

688
00:26:28,970 --> 00:26:26,039

and

689

00:26:31,549 --> 00:26:28,980

a another researcher came in from out of

690

00:26:33,769 --> 00:26:31,559

town he was from another state and we

691

00:26:37,010 --> 00:26:33,779

went up to this area which is near where

692

00:26:38,630 --> 00:26:37,020

I used to be a fishing guide and so I

693

00:26:40,610 --> 00:26:38,640

knew the area very well and I knew

694

00:26:43,310 --> 00:26:40,620

exactly where this report that came

695

00:26:47,210 --> 00:26:43,320

through uh where where it was located

696

00:26:49,970 --> 00:26:47,220

and we basically tried to distinguish

697

00:26:52,610 --> 00:26:49,980

exactly where it took place and walked

698

00:26:56,210 --> 00:26:52,620

exactly where this uh creature

699

00:26:59,269 --> 00:26:56,220

supposedly retreated into the forest

700

00:27:02,930 --> 00:26:59,279

did the whole wood knock thing did the

701
00:27:05,269 --> 00:27:02,940
calls and I'll tell you what we we

702
00:27:07,490 --> 00:27:05,279
encountered something that is almost

703
00:27:09,350 --> 00:27:07,500
impossible to um

704
00:27:10,130 --> 00:27:09,360
to explain you know

705
00:27:13,669 --> 00:27:10,140
um

706
00:27:15,830 --> 00:27:13,679
and I I don't know exactly how to accept

707
00:27:19,850 --> 00:27:15,840
that you know in a rational state of

708
00:27:21,890 --> 00:27:19,860
mind but it definitely happened it um

709
00:27:24,289 --> 00:27:21,900
it definitely happened I don't I just

710
00:27:27,710 --> 00:27:24,299
don't know what happened but something

711
00:27:29,570 --> 00:27:27,720
definitely happened and he agrees

712
00:27:31,610 --> 00:27:29,580
something happened he recently came out

713
00:27:33,769 --> 00:27:31,620

with a YouTube video about the event

714

00:27:36,529 --> 00:27:33,779

which was pretty good I'll have to share

715

00:27:37,430 --> 00:27:36,539

it uh with you but something um without

716

00:27:38,090 --> 00:27:37,440

going

717

00:27:40,250 --> 00:27:38,100

um

718

00:27:43,070 --> 00:27:40,260

too much into that something I wanted to

719

00:27:45,529 --> 00:27:43,080

ask you about Eric which is slightly

720

00:27:48,769 --> 00:27:45,539

crypto related but another tangent

721

00:27:51,590 --> 00:27:48,779

altogether really is the subject of

722

00:27:52,789 --> 00:27:51,600

reptilian humanoids this is something

723

00:27:55,490 --> 00:27:52,799

I've been

724

00:27:57,289 --> 00:27:55,500

delving a bit deeper into recently since

725

00:27:59,750 --> 00:27:57,299

the passing of the queen and the wild

726

00:28:02,870 --> 00:27:59,760

Tales of reptilian Bloodlines permeating

727

00:28:06,529 --> 00:28:02,880

the conspiracy circles in your opinion

728

00:28:08,990 --> 00:28:06,539

is The Reptilian lizard ideology what

729

00:28:11,090 --> 00:28:09,000

I've always believed that lizards are

730

00:28:13,549 --> 00:28:11,100

just a good term for our world's Elite

731

00:28:15,890 --> 00:28:13,559

captains of industry or extremely

732

00:28:18,230 --> 00:28:15,900

powerful people who seem to be more

733

00:28:21,049 --> 00:28:18,240

connected to the scientifically proven

734

00:28:23,630 --> 00:28:21,059

lizard brain or Reptilian Brain

735

00:28:25,789 --> 00:28:23,640

or the area that functions primarily for

736

00:28:27,409 --> 00:28:25,799

survival and seems a bit more cold and

737

00:28:29,210 --> 00:28:27,419

calculating than the majority of the

738

00:28:31,970 --> 00:28:29,220

population that's what I've always

739

00:28:35,390 --> 00:28:31,980

concluded the extent of talking lizards

740

00:28:37,850 --> 00:28:35,400

or reptilians was comprised of are

741

00:28:40,070 --> 00:28:37,860

lizard people just that or is there more

742

00:28:41,990 --> 00:28:40,080

to the conspiracy of lizards or

743

00:28:44,930 --> 00:28:42,000

reptilians Among Us any information

744

00:28:48,350 --> 00:28:44,940

you've come across in your travels

745

00:28:50,390 --> 00:28:48,360

but yeah Jesus could talk a lot about

746

00:28:52,549 --> 00:28:50,400

this too uh what I did do when you

747

00:28:54,169 --> 00:28:52,559

mentioned before we talked today uh that

748

00:28:56,529 --> 00:28:54,179

you wanted to talk about this

749

00:28:59,330 --> 00:28:56,539

just for the heck of it I did a Google

750

00:29:02,029 --> 00:28:59,340

reptilians in Utah

751

00:29:04,130 --> 00:29:02,039

and uh I just this little short little

752

00:29:09,789 --> 00:29:04,140

super short clip I just want to play

753

00:29:09,799 --> 00:29:15,950

attacks on Earth

754

00:29:21,350 --> 00:29:18,769

the war of varieties grow even more

755

00:29:24,049 --> 00:29:21,360

bizarre at one point he writes to a

756

00:29:28,970 --> 00:29:24,059

friend about reptilia and lizard people

757

00:29:35,930 --> 00:29:33,230

ly into the human brain so they can walk

758

00:29:38,090 --> 00:29:35,940

among us and appear

759

00:29:39,230 --> 00:29:38,100

so what if that was kind of cool so that

760

00:29:41,810 --> 00:29:39,240

was one of the little Clips I thought

761

00:29:44,510 --> 00:29:41,820

I'd make to uh to get this subject

762

00:29:46,610 --> 00:29:44,520

rolling uh let's see let's start I'll

763

00:29:48,529 --> 00:29:46,620

start back I was about five years ago I

764

00:29:49,850 --> 00:29:48,539

was at this conference in Arizona and

765

00:29:51,649 --> 00:29:49,860

there was some people's I didn't know

766

00:29:53,330 --> 00:29:51,659

many of the speakers except a few of the

767

00:29:56,570 --> 00:29:53,340

people that were Tom Dongo was there

768

00:29:58,610 --> 00:29:56,580

Suzanne Ross John Polk

769

00:30:00,409 --> 00:29:58,620

um and this lately I've never heard of

770

00:30:01,130 --> 00:30:00,419

she gets up there and she's doing her

771

00:30:04,190 --> 00:30:01,140

talk

772

00:30:06,350 --> 00:30:04,200

and she starts and you know again I I

773

00:30:08,690 --> 00:30:06,360

some of these things you can't bear fire

774

00:30:10,370 --> 00:30:08,700

bet or even research really just it's a

775

00:30:12,830 --> 00:30:10,380

story but you know you try to figure out

776

00:30:14,210 --> 00:30:12,840

if this person's lack of do or if

777

00:30:15,769 --> 00:30:14,220

they're or if they're really have these

778

00:30:17,870 --> 00:30:15,779

experiences that's the hard part of the

779

00:30:19,730 --> 00:30:17,880

research is trying to determine you know

780

00:30:21,470 --> 00:30:19,740

it's just Story coming out because these

781

00:30:23,450 --> 00:30:21,480

people want attention they got a book or

782

00:30:25,070 --> 00:30:23,460

they want to they want to gain some fame

783

00:30:28,669 --> 00:30:25,080

or do they really have this experience

784

00:30:31,310 --> 00:30:28,679

so anyway this lady said that uh there

785

00:30:33,830 --> 00:30:31,320

was a time where for whatever reason she

786

00:30:36,049 --> 00:30:33,840

was a psychic or she she had some sort

787

00:30:39,230 --> 00:30:36,059

of a abilities that were Beyond normal

788

00:30:44,029 --> 00:30:39,240

let's just say and that uh

789

00:30:47,990 --> 00:30:44,039

she had been invited to meet the queen

790

00:30:51,049 --> 00:30:48,000

Elizabeth who just recently died and she

791

00:30:52,789 --> 00:30:51,059

said uh and very with a very serious

792

00:30:55,250 --> 00:30:52,799

tone

793

00:30:57,370 --> 00:30:55,260

and again if she was acting she was good

794

00:30:59,510 --> 00:30:57,380

she was beyond good she was an academy

795

00:31:02,450 --> 00:30:59,520

award-winning actor if she was acting

796

00:31:04,310 --> 00:31:02,460

she said that she was having a

797

00:31:06,049 --> 00:31:04,320

conversation with the queen

798

00:31:07,430 --> 00:31:06,059

I forget the details of the

799

00:31:10,250 --> 00:31:07,440

conversations

800

00:31:12,289 --> 00:31:10,260

she said that at a point during the

801
00:31:14,450 --> 00:31:12,299
conversation that the queen Shake

802
00:31:16,190 --> 00:31:14,460
shifted into a reptilia and we've all

803
00:31:17,630 --> 00:31:16,200
we've heard these stories before but

804
00:31:19,730 --> 00:31:17,640
this is the first time I'd ever met

805
00:31:21,409 --> 00:31:19,740
anybody that claimed to actually have

806
00:31:24,049 --> 00:31:21,419
seen it happen

807
00:31:26,990 --> 00:31:24,059
right in front of her eyes so uh that

808
00:31:29,750 --> 00:31:27,000
later that lady uh she's not really a

809
00:31:31,310 --> 00:31:29,760
public real public I mean uh I'm

810
00:31:33,169 --> 00:31:31,320
thinking with the stories that she told

811
00:31:35,810 --> 00:31:33,179
in her presentation she could have

812
00:31:38,330 --> 00:31:35,820
probably become kind of a famous speaker

813
00:31:40,730 --> 00:31:38,340

or somebody that would have been sought

814

00:31:42,529 --> 00:31:40,740

after on the circuit for you know talks

815

00:31:43,850 --> 00:31:42,539

and things but she just wasn't one of

816

00:31:46,190 --> 00:31:43,860

those kind of people that wanted a lot

817

00:31:48,470 --> 00:31:46,200

of attention and to me when when you got

818

00:31:49,730 --> 00:31:48,480

somebody like that that tends to lean

819

00:31:51,230 --> 00:31:49,740

towards a little more of a credible

820

00:31:53,210 --> 00:31:51,240

story

821

00:31:56,210 --> 00:31:53,220

um but she later somebody I guess had

822

00:31:59,029 --> 00:31:56,220

heard the presentation contacted her

823

00:32:00,710 --> 00:31:59,039

and one of the Hollywood agents uh who's

824

00:32:03,889 --> 00:32:00,720

making who made a movie it's I forget

825

00:32:07,430 --> 00:32:03,899

the name of the film but uh let's see uh

826
00:32:09,289 --> 00:32:07,440
geraldino Roscoe I think Melinda Leslie

827
00:32:12,010 --> 00:32:09,299
several other people that I think you're

828
00:32:14,750 --> 00:32:12,020
familiar with and her were in this film

829
00:32:17,450 --> 00:32:14,760
and she talked more in depth about the

830
00:32:19,070 --> 00:32:17,460
reptilians and things of that nature

831
00:32:20,570 --> 00:32:19,080
um and then prior to that so that story

832
00:32:22,549 --> 00:32:20,580
I think about that story that story

833
00:32:24,889 --> 00:32:22,559
triggered my interest into looking more

834
00:32:27,049 --> 00:32:24,899
into The Reptilian story and then of

835
00:32:28,970 --> 00:32:27,059
course you know David Ike uh kind of

836
00:32:31,250 --> 00:32:28,980
probably made this the whole idea of

837
00:32:34,789 --> 00:32:31,260
reptilian humanoids uh controlling the

838
00:32:36,710 --> 00:32:34,799

world uh famous and a lot of people may

839

00:32:39,889 --> 00:32:36,720

or may not know this but the reason he

840

00:32:41,570 --> 00:32:39,899

even decided to dive into that topic

841

00:32:44,690 --> 00:32:41,580

because we're talking like over 30 years

842

00:32:47,149 --> 00:32:44,700

ago uh was because he had learned about

843

00:32:48,289 --> 00:32:47,159

uh the South I believe it was South

844

00:32:53,590 --> 00:32:48,299

African

845

00:33:00,610 --> 00:32:53,600

Credo

846

00:33:03,710 --> 00:33:00,620

uh I found a video First on YouTube

847

00:33:07,370 --> 00:33:03,720

where date where David Ike had gone to

848

00:33:09,529 --> 00:33:07,380

Africa and interviewed Credo mootwa and

849

00:33:12,110 --> 00:33:09,539

it was broken down into two parts but

850

00:33:13,789 --> 00:33:12,120

the total was about seven hours that he

851

00:33:15,230 --> 00:33:13,799

interviewed you could still find these

852

00:33:18,769 --> 00:33:15,240

interviews I believe on the on the

853

00:33:20,330 --> 00:33:18,779

YouTube but Credo talked about uh in

854

00:33:22,370 --> 00:33:20,340

their in their like the Indians have

855

00:33:24,590 --> 00:33:22,380

their folklore about you know Bigfoot

856

00:33:26,029 --> 00:33:24,600

for example and their history and some

857

00:33:28,190 --> 00:33:26,039

of the Indians believe that there was a

858

00:33:30,470 --> 00:33:28,200

race of beings that came before the last

859

00:33:32,930 --> 00:33:30,480

uh Armageddon and took them underground

860

00:33:34,789 --> 00:33:32,940

into the tunnels and kind of Saved their

861

00:33:36,950 --> 00:33:34,799

race to a degree and then they

862

00:33:38,930 --> 00:33:36,960

re-emerged after the Armageddon I'm just

863

00:33:41,269 --> 00:33:38,940

kind of paraphrasing that story but but

864

00:33:43,970 --> 00:33:41,279

in the African culture it's believed

865

00:33:46,130 --> 00:33:43,980

that these racist beings came from space

866

00:33:47,690 --> 00:33:46,140

uh and I think in the in the talk

867

00:33:49,730 --> 00:33:47,700

there's a lot more detail I'm just going

868

00:33:53,029 --> 00:33:49,740

to paraphrase this but that they came

869

00:33:54,830 --> 00:33:53,039

down to earth and um there are a variety

870

00:33:56,630 --> 00:33:54,840

of creatures he says there's a variety

871

00:33:58,909 --> 00:33:56,640

of reptilian creatures they're not just

872

00:34:00,529 --> 00:33:58,919

one type like the lizard people that you

873

00:34:02,870 --> 00:34:00,539

know we we hear about that looks human

874

00:34:05,509 --> 00:34:02,880

or so on and he said that they came down

875

00:34:07,490 --> 00:34:05,519

uh they they lived in the oceans they

876

00:34:10,190 --> 00:34:07,500

lived near the waters

877

00:34:12,470 --> 00:34:10,200

and he describes you know and he's even

878

00:34:14,389 --> 00:34:12,480

got this massive necklace around his

879

00:34:18,169 --> 00:34:14,399

that was later stolen from him that has

880

00:34:20,030 --> 00:34:18,179

the uh the images of these preachers

881

00:34:22,190 --> 00:34:20,040

um kind of like a voodoo necklace of

882

00:34:24,589 --> 00:34:22,200

some sort well as he's telling you

883

00:34:27,169 --> 00:34:24,599

stories he's got these different uh

884

00:34:29,210 --> 00:34:27,179

reptilian type creatures the variety all

885

00:34:31,490 --> 00:34:29,220

around on this necklace huge necklace

886

00:34:32,990 --> 00:34:31,500

but I mean these little creatures were

887

00:34:35,089 --> 00:34:33,000

probably like the size of a baseball

888

00:34:37,250 --> 00:34:35,099

that were just kind of hanging on a rope

889

00:34:39,290 --> 00:34:37,260

around his neck and and if he would talk

890

00:34:41,210 --> 00:34:39,300

about each different type of Ripta and

891

00:34:43,310 --> 00:34:41,220

he would kind of hold that uh that

892

00:34:45,530 --> 00:34:43,320

creature in his hand while the necklace

893

00:34:48,109 --> 00:34:45,540

is hanging from his neck and tell these

894

00:34:50,030 --> 00:34:48,119

stories so so I thought wow I mean you

895

00:34:54,169 --> 00:34:50,040

know I tend to trust these ancient

896

00:34:55,909 --> 00:34:54,179

Shaman uh Indian or African people that

897

00:34:58,430 --> 00:34:55,919

that have their history that's been

898

00:35:00,950 --> 00:34:58,440

passed down orally I tend to test their

899

00:35:02,990 --> 00:35:00,960

stories more than uh some guy that might

900

00:35:04,490 --> 00:35:03,000

get on a TV show that's done a lot of

901
00:35:06,470 --> 00:35:04,500
research and then suddenly he's an

902
00:35:08,450 --> 00:35:06,480
expert on reptilians or or same thing

903
00:35:10,130 --> 00:35:08,460
applies to Bigfoot it's like if you can

904
00:35:13,370 --> 00:35:10,140
get the story straight from the in the

905
00:35:15,410 --> 00:35:13,380
millions or from the natives and you you

906
00:35:17,690 --> 00:35:15,420
can I personally tend to believe those

907
00:35:19,370 --> 00:35:17,700
stories a lot more than some guy that's

908
00:35:21,230 --> 00:35:19,380
just out there researching and just put

909
00:35:23,210 --> 00:35:21,240
all the puzzle pieces together and

910
00:35:26,990 --> 00:35:23,220
thinks he's got it all figured out

911
00:35:30,589 --> 00:35:27,000
yeah I agree there does seem to be a lot

912
00:35:33,829 --> 00:35:30,599
of different theories and as you said a

913
00:35:36,310 --> 00:35:33,839

lot of throughout human history there

914

00:35:39,050 --> 00:35:36,320

seemed to be a lot of pervasive

915

00:35:41,870 --> 00:35:39,060

reptilians at least in the presence of

916

00:35:44,510 --> 00:35:41,880

petroglyphs other other things written

917

00:35:46,190 --> 00:35:44,520

down and of course oral history at the

918

00:35:48,349 --> 00:35:46,200

very least they've been represented

919

00:35:51,589 --> 00:35:48,359

throughout human history in some

920

00:35:55,069 --> 00:35:51,599

reptilian form and whether it's I mean

921

00:35:59,390 --> 00:35:55,079

gosh you have the Egyptian snake man you

922

00:36:01,849 --> 00:35:59,400

have Quetzalcoatl the Mayans Anki uh

923

00:36:04,430 --> 00:36:01,859

with ancient Sumerian literature they

924

00:36:08,150 --> 00:36:04,440

seem omnipresent you know in in our

925

00:36:11,870 --> 00:36:08,160

history and it's it's interesting that

926

00:36:14,329 --> 00:36:11,880

in our time we we tend to avoid this or

927

00:36:16,609 --> 00:36:14,339

we don't look at The Reptilian alien

928

00:36:19,490 --> 00:36:16,619

possible origin of the human species

929

00:36:22,310 --> 00:36:19,500

something that's been brought up in

930

00:36:25,310 --> 00:36:22,320

various texts a recent book that I read

931

00:36:28,550 --> 00:36:25,320

it was by Scott Allen Roberts I believe

932

00:36:29,750 --> 00:36:28,560

it's just called the reptilians it goes

933

00:36:31,430 --> 00:36:29,760

into the secret history of the

934

00:36:33,470 --> 00:36:31,440

reptilians and

935

00:36:37,010 --> 00:36:33,480

it really makes you wonder if if there

936

00:36:39,290 --> 00:36:37,020

is something to these Bloodlines did the

937

00:36:42,829 --> 00:36:39,300

Nephilim leave this off at some point

938

00:36:45,589 --> 00:36:42,839

and and is it all conspiracy or is there

939

00:36:47,810 --> 00:36:45,599

like a real aspect to it I remember

940

00:36:51,530 --> 00:36:47,820

hearing a story from someone I trust

941

00:36:54,710 --> 00:36:51,540

very much about a political figure in

942

00:36:57,710 --> 00:36:54,720

Utah of all places and this is somebody

943

00:37:00,890 --> 00:36:57,720

who is not very professional actually

944

00:37:03,410 --> 00:37:00,900

also held a political post my girlfriend

945

00:37:06,349 --> 00:37:03,420

at the time I'd been to this person's

946

00:37:09,650 --> 00:37:06,359

home and he was the real deal and and he

947

00:37:12,109 --> 00:37:09,660

had a very strange story about what he

948

00:37:15,109 --> 00:37:12,119

considered this person changing a bit or

949

00:37:18,050 --> 00:37:15,119

getting flustered and uh sort of

950

00:37:20,810 --> 00:37:18,060

exposing some traits that could be could

951
00:37:24,230 --> 00:37:20,820
be called reptilian-ish you know kind of

952
00:37:25,970 --> 00:37:24,240
scaly and um had to excuse himself and

953
00:37:28,910 --> 00:37:25,980
go to the restroom so I don't know is it

954
00:37:30,770 --> 00:37:28,920
is it is it just Hallucination is it the

955
00:37:33,050 --> 00:37:30,780
real deal it's it's hard to tell like

956
00:37:36,170 --> 00:37:33,060
you said impossible to prove

957
00:37:38,329 --> 00:37:36,180
well I'm interesting so so I knew again

958
00:37:40,310 --> 00:37:38,339
I thought well I'm just going to ask

959
00:37:42,829 --> 00:37:40,320
Rick Doty I'll send him a message here

960
00:37:45,230 --> 00:37:42,839
before the show I said and this is a

961
00:37:48,109 --> 00:37:45,240
quote the term reptilians ever come up

962
00:37:51,410 --> 00:37:48,119
in classified conversations

963
00:37:54,290 --> 00:37:51,420

and his answer was yes

964

00:37:56,089 --> 00:37:54,300

so I mean he Rick Doty never talks about

965

00:37:58,130 --> 00:37:56,099

reptilians that's just not part of he

966

00:38:00,650 --> 00:37:58,140

talks about his experiences and his and

967

00:38:02,690 --> 00:38:00,660

what he he says that he experienced so

968

00:38:04,730 --> 00:38:02,700

he talks about what he has knowledge of

969

00:38:06,890 --> 00:38:04,740

he usually doesn't he doesn't go outside

970

00:38:08,870 --> 00:38:06,900

the box and speculate about things but I

971

00:38:10,790 --> 00:38:08,880

thought that was interesting I'll tell

972

00:38:13,550 --> 00:38:10,800

you another reptilian story that was

973

00:38:15,349 --> 00:38:13,560

actually uh we've got a friend you might

974

00:38:17,150 --> 00:38:15,359

have met him before John Polk the

975

00:38:19,550 --> 00:38:17,160

Reverend John Polk lives in Sedona I

976

00:38:21,770 --> 00:38:19,560

used to live in uh in uh

977

00:38:23,870 --> 00:38:21,780

Orlando Florida but moved to Sedona a

978

00:38:26,810 --> 00:38:23,880

few years ago and he and when I first

979

00:38:28,010 --> 00:38:26,820

met him he told me this he was the guy

980

00:38:31,370 --> 00:38:28,020

that told me that I was going to start

981

00:38:32,690 --> 00:38:31,380

seeing UFOs and I laughed I told this

982

00:38:34,370 --> 00:38:32,700

story before I don't know if I told it

983

00:38:35,690 --> 00:38:34,380

to you and I kind of laughed because I

984

00:38:37,550 --> 00:38:35,700

just met the guy and I'm thinking man

985

00:38:39,470 --> 00:38:37,560

this guy's into this stuff he wrote this

986

00:38:41,270 --> 00:38:39,480

book called Yahweh the biblical God is

987

00:38:43,130 --> 00:38:41,280

an alien and I and I had to know what he

988

00:38:44,990 --> 00:38:43,140

meant by that that's really what started

989

00:38:46,370 --> 00:38:45,000

the conversation but anyway as I'm

990

00:38:49,069 --> 00:38:46,380

getting to know the guy and talk to him

991

00:38:51,050 --> 00:38:49,079

he's telling me that the that he gets

992

00:38:53,690 --> 00:38:51,060

abducted by the reptilians is what he

993

00:38:55,670 --> 00:38:53,700

said and I think if you know I didn't

994

00:38:58,130 --> 00:38:55,680

know the guy well enough to even really

995

00:39:00,470 --> 00:38:58,140

pass any kind of a decision or judgment

996

00:39:02,870 --> 00:39:00,480

on what he was saying so I just kind of

997

00:39:05,270 --> 00:39:02,880

put it in my mind and left it there and

998

00:39:07,730 --> 00:39:05,280

uh every now and then he didn't talk

999

00:39:10,609 --> 00:39:07,740

about it hardly ever but every now and

1000

00:39:12,109 --> 00:39:10,619

then he would call me uh maybe this has

1001
00:39:14,870 --> 00:39:12,119
been I would say at least two or three

1002
00:39:15,950 --> 00:39:14,880
times since that initial conversation I

1003
00:39:19,250 --> 00:39:15,960
mean we've talked a lot but he would

1004
00:39:21,650 --> 00:39:19,260
call me and he said he said dude uh I

1005
00:39:23,150 --> 00:39:21,660
was I was abducted last night and I said

1006
00:39:24,950 --> 00:39:23,160
oh really

1007
00:39:26,450 --> 00:39:24,960
and he goes yeah I go well how do you

1008
00:39:29,390 --> 00:39:26,460
know he goes because there was there's

1009
00:39:31,910 --> 00:39:29,400
blood in my bed he goes they they do

1010
00:39:33,710 --> 00:39:31,920
something to him he claims similar to

1011
00:39:35,810 --> 00:39:33,720
what they did to I guess the Whitby

1012
00:39:37,790 --> 00:39:35,820
Streeter or Schreiber where they you

1013
00:39:39,890 --> 00:39:37,800

know they penetrate the anal area for

1014

00:39:41,990 --> 00:39:39,900

and so he has a theory about why they do

1015

00:39:43,730 --> 00:39:42,000

that there's they're not just doing it

1016

00:39:46,490 --> 00:39:43,740

because they're you know sexual perverse

1017

00:39:48,710 --> 00:39:46,500

is something uh deep inside that area

1018

00:39:50,810 --> 00:39:48,720

that they're able to connect to uh John

1019

00:39:52,550 --> 00:39:50,820

Paul he'd be a good interview by the way

1020

00:39:55,849 --> 00:39:52,560

I'd recommend you have him on your show

1021

00:39:58,550 --> 00:39:55,859

but anyway to cut to the point um

1022

00:40:00,109 --> 00:39:58,560

so he told me about this and so again I

1023

00:40:01,550 --> 00:40:00,119

just kind of just followed it away in my

1024

00:40:03,170 --> 00:40:01,560

memory and just left it there because

1025

00:40:04,609 --> 00:40:03,180

it's like this is kind of heavy I've got

1026

00:40:07,069 --> 00:40:04,619

a friend that says he's getting uh

1027

00:40:08,750 --> 00:40:07,079

abducted by reptilians

1028

00:40:10,609 --> 00:40:08,760

um you know I was kind of wondering how

1029

00:40:13,010 --> 00:40:10,619

how much of a friend do I want to be

1030

00:40:15,230 --> 00:40:13,020

with this guy because it's like if this

1031

00:40:16,849 --> 00:40:15,240

is true I mean maybe these I don't want

1032

00:40:19,010 --> 00:40:16,859

these creatures or whatever they are you

1033

00:40:20,630 --> 00:40:19,020

know messing with me you know I don't I

1034

00:40:22,250 --> 00:40:20,640

didn't know but you know you get

1035

00:40:24,230 --> 00:40:22,260

cautious when you hear stories like this

1036

00:40:26,450 --> 00:40:24,240

and they're coming from your friends so

1037

00:40:28,910 --> 00:40:26,460

one time uh this was about four years

1038

00:40:31,190 --> 00:40:28,920

ago there was a conference in in Sedona

1039

00:40:33,109 --> 00:40:31,200

and James Gillian the owner of you said

1040

00:40:35,510 --> 00:40:33,119

he Ranch uh was the was one of the

1041

00:40:38,210 --> 00:40:35,520

speakers and uh

1042

00:40:39,349 --> 00:40:38,220

so I picked him up I was John Polk was

1043

00:40:41,990 --> 00:40:39,359

supposed to pick him up at the airport

1044

00:40:44,210 --> 00:40:42,000

but he ended up having to be like the MC

1045

00:40:46,190 --> 00:40:44,220

slash host of the conference because the

1046

00:40:47,990 --> 00:40:46,200

other guy that was going to do it had to

1047

00:40:51,470 --> 00:40:48,000

back out at the last minute so anyway so

1048

00:40:53,390 --> 00:40:51,480

I I went up and picked up Gillian and uh

1049

00:40:55,250 --> 00:40:53,400

and brought him back to the house and so

1050

00:40:57,410 --> 00:40:55,260

John had a really big house there in

1051

00:41:00,950 --> 00:40:57,420

Sedona uh not too far from Thunder

1052

00:41:04,490 --> 00:41:00,960

Mountain and it was myself uh John Polk

1053

00:41:06,890 --> 00:41:04,500

Brad Olson and and uh and uh James

1054

00:41:08,450 --> 00:41:06,900

Gillian were all staying in this house

1055

00:41:10,250 --> 00:41:08,460

and that was kind of an interesting

1056

00:41:11,690 --> 00:41:10,260

combination of personalities just

1057

00:41:14,390 --> 00:41:11,700

hanging out in this house for the

1058

00:41:17,390 --> 00:41:14,400

weekend so one night uh

1059

00:41:19,790 --> 00:41:17,400

you know I'm in bed I'm sleeping

1060

00:41:22,910 --> 00:41:19,800

John's room was across the hallway from

1061

00:41:24,530 --> 00:41:22,920

where I was and uh it's three o'clock in

1062

00:41:25,730 --> 00:41:24,540

the morning and now I obviously I'm

1063

00:41:27,230 --> 00:41:25,740

sleeping I didn't know it was three

1064

00:41:28,790 --> 00:41:27,240

o'clock but but I'm going to tell you

1065

00:41:31,130 --> 00:41:28,800

why I knew it was three o'clock

1066

00:41:33,430 --> 00:41:31,140

so I'm I'm having I'm having a dream now

1067

00:41:36,230 --> 00:41:33,440

I know myself personally when I dream

1068

00:41:38,510 --> 00:41:36,240

very very seldom are my dreams real

1069

00:41:39,650 --> 00:41:38,520

Vivid a matter of fact typically when I

1070

00:41:41,990 --> 00:41:39,660

have a dream

1071

00:41:43,310 --> 00:41:42,000

I don't even really when I wake up I

1072

00:41:45,890 --> 00:41:43,320

don't remember the dream I might

1073

00:41:47,569 --> 00:41:45,900

remember it for like a moment or two but

1074

00:41:48,890 --> 00:41:47,579

I don't really put much thought into it

1075

00:41:50,270 --> 00:41:48,900

so I just kind of Let It Go and then I

1076

00:41:51,530 --> 00:41:50,280

forget the dream I just completely

1077

00:41:53,150 --> 00:41:51,540

forget it

1078

00:41:54,890 --> 00:41:53,160

um I think green journaling is cool some

1079

00:41:56,510 --> 00:41:54,900

people do that I should probably have

1080

00:41:59,050 --> 00:41:56,520

done that but anyway but I'll never

1081

00:42:01,670 --> 00:41:59,060

forget this stream this particular dream

1082

00:42:04,490 --> 00:42:01,680

is the most memorable dream I ever had

1083

00:42:07,490 --> 00:42:04,500

so I'm laying in my bed in this stream

1084

00:42:09,470 --> 00:42:07,500

and all of a sudden I feel in my dream

1085

00:42:12,109 --> 00:42:09,480

that there's something pulling me out of

1086

00:42:15,290 --> 00:42:12,119

the bed towards the ceiling and my I

1087

00:42:17,930 --> 00:42:15,300

feel my my hands and my arms going up I

1088

00:42:19,390 --> 00:42:17,940

feel my my legs and that are flat on the

1089

00:42:21,770 --> 00:42:19,400

bed now they're going straight up

1090

00:42:23,690 --> 00:42:21,780

towards the ceiling and my body's

1091

00:42:26,810 --> 00:42:23,700

starting to come off the bed

1092

00:42:29,030 --> 00:42:26,820

and then in my dream I start kind of

1093

00:42:31,310 --> 00:42:29,040

moving my arms around my legs like I'm

1094

00:42:33,290 --> 00:42:31,320

kicking and fighting and I'm yelling in

1095

00:42:36,349 --> 00:42:33,300

my dream no no

1096

00:42:38,990 --> 00:42:36,359

and then be I assume because I was

1097

00:42:41,329 --> 00:42:39,000

yelling in my dream which I never do and

1098

00:42:44,329 --> 00:42:41,339

I never have these kind of dreams that

1099

00:42:45,650 --> 00:42:44,339

that I woke up Suddenly I wake up I'm

1100

00:42:47,089 --> 00:42:45,660

laying in the bed

1101
00:42:50,470 --> 00:42:47,099
and I'm awake

1102
00:42:52,430 --> 00:42:50,480
and and I'm and I was literally

1103
00:42:55,370 --> 00:42:52,440
freaked out

1104
00:42:57,589 --> 00:42:55,380
I was I thought what the hell kind of

1105
00:42:59,870 --> 00:42:57,599
dream was that what just happened three

1106
00:43:02,030 --> 00:42:59,880
o'clock in the morning and I was trying

1107
00:43:05,089 --> 00:43:02,040
to figure out what that dream was about

1108
00:43:07,130 --> 00:43:05,099
and I could not go back to sleep I I

1109
00:43:09,950 --> 00:43:07,140
literally just laid there in bed I was

1110
00:43:12,589 --> 00:43:09,960
truthfully I was afraid to go back to

1111
00:43:15,290 --> 00:43:12,599
sleep I thought I had thought in my mind

1112
00:43:17,809 --> 00:43:15,300
if I go back to sleep what if this dream

1113
00:43:20,809 --> 00:43:17,819

kicks back in and whatever was happening

1114

00:43:22,370 --> 00:43:20,819

I was just I was afraid and so I waited

1115

00:43:24,109 --> 00:43:22,380

and I didn't go back to sleep it was

1116

00:43:26,690 --> 00:43:24,119

about six o'clock in the morning

1117

00:43:28,430 --> 00:43:26,700

the sun's starting to come up

1118

00:43:29,990 --> 00:43:28,440

and I didn't want to get up before then

1119

00:43:31,370 --> 00:43:30,000

and start walking around because I

1120

00:43:32,870 --> 00:43:31,380

didn't want to wake anybody up but then

1121

00:43:34,370 --> 00:43:32,880

I said okay I'm going to get up I'm

1122

00:43:35,690 --> 00:43:34,380

going to walk out my bedroom door here

1123

00:43:37,010 --> 00:43:35,700

and go into the hallway and down into

1124

00:43:39,890 --> 00:43:37,020

the kitchen and get some water or

1125

00:43:42,589 --> 00:43:39,900

whatever and so literally the moment I

1126

00:43:44,930 --> 00:43:42,599

opened the door in my bedroom to walk in

1127

00:43:47,089 --> 00:43:44,940

the hallway here's John Polk across the

1128

00:43:49,930 --> 00:43:47,099

hallway in his room opening the door and

1129

00:43:52,550 --> 00:43:49,940

walking out exactly at the same moment

1130

00:43:57,170 --> 00:43:52,560

I said I said John

1131

00:43:59,930 --> 00:43:57,180

I see I said uh man I just had I had the

1132

00:44:02,089 --> 00:43:59,940

freakiest dream last night and before I

1133

00:44:03,349 --> 00:44:02,099

even got to finish or say anything he

1134

00:44:05,809 --> 00:44:03,359

says dude

1135

00:44:10,010 --> 00:44:05,819

I was abducted last night

1136

00:44:11,690 --> 00:44:10,020

and my holy [h__h] I mean there was no it

1137

00:44:12,950 --> 00:44:11,700

was nothing planned there was no I mean

1138

00:44:14,630 --> 00:44:12,960

there was no you know what I mean it was

1139

00:44:16,670 --> 00:44:14,640

just weird it just all of a sudden and

1140

00:44:18,109 --> 00:44:16,680

then I I said and then I told him about

1141

00:44:19,910 --> 00:44:18,119

my dream

1142

00:44:22,130 --> 00:44:19,920

and he says well they might have been

1143

00:44:23,750 --> 00:44:22,140

trying to get you too and I thought well

1144

00:44:26,690 --> 00:44:23,760

I don't know

1145

00:44:28,910 --> 00:44:26,700

but but if he is in fact having a

1146

00:44:31,010 --> 00:44:28,920

reptilian abductions

1147

00:44:33,109 --> 00:44:31,020

it's possible they tried to take me I

1148

00:44:34,910 --> 00:44:33,119

know this sounds crazy in Wackadoo but

1149

00:44:38,450 --> 00:44:34,920

that's a God's honest true story right

1150

00:44:40,910 --> 00:44:38,460

there I believe you yeah I mean that

1151
00:44:42,910 --> 00:44:40,920
there's there's a lot I've I've had some

1152
00:44:45,230 --> 00:44:42,920
discussions with people who have claimed

1153
00:44:48,470 --> 00:44:45,240
that they

1154
00:44:51,410 --> 00:44:48,480
have been abducted and there is a book

1155
00:44:54,770 --> 00:44:51,420
called the keepers I met a gentleman

1156
00:44:56,390 --> 00:44:54,780
named Jim Sparks out um believe it or

1157
00:44:59,210 --> 00:44:56,400
not at Roswell

1158
00:45:04,069 --> 00:44:59,220
um we we were out there uh camping out

1159
00:45:06,950 --> 00:45:04,079
over a weekend and he very believable

1160
00:45:09,470 --> 00:45:06,960
very believable had a ton of stories I

1161
00:45:11,690 --> 00:45:09,480
did get his book and he claimed he'd

1162
00:45:15,470 --> 00:45:11,700
been working with intelligent non-human

1163
00:45:17,690 --> 00:45:15,480

beings from off-planet locations and he

1164

00:45:19,430 --> 00:45:17,700

has you know unlike a lot of abductees

1165

00:45:20,990 --> 00:45:19,440

he did have some of what you're

1166

00:45:25,670 --> 00:45:21,000

mentioning these this conscious

1167

00:45:29,109 --> 00:45:25,680

awareness of his experiences and clear

1168

00:45:31,069 --> 00:45:29,119

recall of the technology the

1169

00:45:34,130 --> 00:45:31,079

multi-dimensionality and the

1170

00:45:35,450 --> 00:45:34,140

manipulation of electromagnetic fields

1171

00:45:39,890 --> 00:45:35,460

that these

1172

00:45:41,630 --> 00:45:39,900

entities seem to have and I find it

1173

00:45:43,670 --> 00:45:41,640

interesting that just about in every

1174

00:45:47,150 --> 00:45:43,680

culture you know whether it's

1175

00:45:50,750 --> 00:45:47,160

uh India China Sumeria Mexico Japan

1176

00:45:53,510 --> 00:45:50,760

Central America there is this this

1177

00:45:58,030 --> 00:45:53,520

history

1178

00:46:02,089 --> 00:45:58,040

that has this Divine reptilian Heritage

1179

00:46:04,670 --> 00:46:02,099

and interestingly also is that we use

1180

00:46:07,069 --> 00:46:04,680

you know the symbol of the two serpents

1181

00:46:08,930 --> 00:46:07,079

coiled around the staff which was

1182

00:46:11,569 --> 00:46:08,940

originally the tree of knowledge of

1183

00:46:13,849 --> 00:46:11,579

ancient myth and now that's used by the

1184

00:46:17,630 --> 00:46:13,859

American Medical Association as its logo

1185

00:46:19,370 --> 00:46:17,640

which goes right along the same path and

1186

00:46:22,670 --> 00:46:19,380

um it's an interesting subject

1187

00:46:24,829 --> 00:46:22,680

reptilians I mean whether it's David Ike

1188

00:46:28,190 --> 00:46:24,839

talking about them or not the The

1189

00:46:32,089 --> 00:46:28,200

Reptilian Brain is a super reliable

1190

00:46:34,010 --> 00:46:32,099

uh part of our anatomy it's quite

1191

00:46:38,089 --> 00:46:34,020

compulsive but scientists have long been

1192

00:46:40,309 --> 00:46:38,099

aware that The Reptilian Brain we have

1193

00:46:44,569 --> 00:46:40,319

things in common with our hearts as well

1194

00:46:46,550 --> 00:46:44,579

which I only recently found out that um

1195

00:46:49,250 --> 00:46:46,560

it's virtually indistinguishable when

1196

00:46:51,650 --> 00:46:49,260

you have a human embryonic heart with

1197

00:46:54,230 --> 00:46:51,660

that of a reptile and that only later

1198

00:46:57,650 --> 00:46:54,240

does it change the conductive tissue

1199

00:47:01,569 --> 00:46:57,660

which works through electrical impulse

1200

00:47:03,829 --> 00:47:01,579

only changes later and you know

1201
00:47:06,470 --> 00:47:03,839
considering the number of similarities

1202
00:47:08,630 --> 00:47:06,480
that we share with reptiles such as The

1203
00:47:10,609 --> 00:47:08,640
Reptilian Heart The Reptilian Brain and

1204
00:47:13,849 --> 00:47:10,619
our eyes which is another thing that I

1205
00:47:16,670 --> 00:47:13,859
was not aware of but they have a common

1206
00:47:18,950 --> 00:47:16,680
molecular structure as well I think that

1207
00:47:21,530 --> 00:47:18,960
there's a strong indication that there

1208
00:47:24,849 --> 00:47:21,540
could be some ancient reptilian

1209
00:47:28,190 --> 00:47:24,859
uh origin to mankind

1210
00:47:30,109 --> 00:47:28,200
yeah I mean uh there's it's there's a

1211
00:47:32,990 --> 00:47:30,119
fact that people have been born with

1212
00:47:34,849 --> 00:47:33,000
tails I mean that's not some CGI

1213
00:47:36,370 --> 00:47:34,859

[h__\h] story part of the expression

1214

00:47:38,750 --> 00:47:36,380

but I mean

1215

00:47:39,950 --> 00:47:38,760

right I mean I've said people in India

1216

00:47:42,829 --> 00:47:39,960

as a matter of fact I've seen some

1217

00:47:45,589 --> 00:47:42,839

videos of people uh born with tails uh

1218

00:47:49,069 --> 00:47:45,599

people born with webbed feet people born

1219

00:47:52,670 --> 00:47:49,079

with you know webbed hands

1220

00:47:54,950 --> 00:47:52,680

um so I I tend to be able uh not a

1221

00:47:57,829 --> 00:47:54,960

knower of course but a Believer primary

1222

00:48:00,770 --> 00:47:57,839

I would say is a a reasonable believer

1223

00:48:02,750 --> 00:48:00,780

in the idea of the I'll call it the

1224

00:48:04,910 --> 00:48:02,760

hybridization program

1225

00:48:07,730 --> 00:48:04,920

I tend to think if I had if I had to

1226

00:48:10,010 --> 00:48:07,740

come up with one theory that uh that

1227

00:48:11,329 --> 00:48:10,020

makes the most sense to me uh I was

1228

00:48:13,550 --> 00:48:11,339

talking about this the other day that

1229

00:48:15,710 --> 00:48:13,560

let's just say hypothetically uh in this

1230

00:48:19,849 --> 00:48:15,720

conversation there's there's the god

1231

00:48:22,069 --> 00:48:19,859

with the Big G the all Almighty Creator

1232

00:48:24,470 --> 00:48:22,079

the whoever it was that created

1233

00:48:27,230 --> 00:48:24,480

everything for example let's just assume

1234

00:48:29,089 --> 00:48:27,240

that that's that God with the big G and

1235

00:48:32,630 --> 00:48:29,099

let's just say that this particular God

1236

00:48:35,809 --> 00:48:32,640

this only this only Creator God created

1237

00:48:38,390 --> 00:48:35,819

many other types of uh of beings we'll

1238

00:48:40,309 --> 00:48:38,400

say and amongst those and then if you go

1239

00:48:42,109 --> 00:48:40,319

to the Bible they talk about the fallen

1240

00:48:44,030 --> 00:48:42,119

angels and and then some people think

1241

00:48:46,190 --> 00:48:44,040

they're demons matter of fact I'm pretty

1242

00:48:47,690 --> 00:48:46,200

I know through good sources that people

1243

00:48:50,270 --> 00:48:47,700

believe that there's people in the

1244

00:48:51,950 --> 00:48:50,280

Pentagon in the high up in government uh

1245

00:48:53,809 --> 00:48:51,960

intelligence and so on that really

1246

00:48:55,849 --> 00:48:53,819

believe that these creatures are demons

1247

00:48:57,470 --> 00:48:55,859

which they may be I mean you can't

1248

00:49:00,829 --> 00:48:57,480

really argue against them not being

1249

00:49:02,690 --> 00:49:00,839

demons but they but they but it seems to

1250

00:49:05,809 --> 00:49:02,700

me that

1251
00:49:07,970 --> 00:49:05,819
variety of species of sentient type

1252
00:49:09,950 --> 00:49:07,980
beings from whether they were here

1253
00:49:12,109 --> 00:49:09,960
already on Earth or they're living in

1254
00:49:13,910 --> 00:49:12,119
the oceans before humans came to be or

1255
00:49:17,150 --> 00:49:13,920
they're from space or some planet or

1256
00:49:20,510 --> 00:49:17,160
some other dimension that they have uh

1257
00:49:23,750 --> 00:49:20,520
tinkered and altered the DNA or the

1258
00:49:25,910 --> 00:49:23,760
structure of of humans and kind of and

1259
00:49:28,670 --> 00:49:25,920
and change them to a degree where it's

1260
00:49:31,069 --> 00:49:28,680
if you believe that theory then yeah you

1261
00:49:33,650 --> 00:49:31,079
could see where uh there could be hybrid

1262
00:49:35,750 --> 00:49:33,660
reptilian humans amongst us right now I

1263
00:49:38,150 --> 00:49:35,760

mean it's it's it's not completely

1264

00:49:39,530 --> 00:49:38,160

ridiculous to think that it's it's not

1265

00:49:41,630 --> 00:49:39,540

possible

1266

00:49:42,890 --> 00:49:41,640

um and and then I've also been told

1267

00:49:46,490 --> 00:49:42,900

through

1268

00:49:48,290 --> 00:49:46,500

other sources that I can't prove but uh

1269

00:49:49,550 --> 00:49:48,300

that the government when I when I say

1270

00:49:51,650 --> 00:49:49,560

the government and we're not talking

1271

00:49:53,089 --> 00:49:51,660

about senators and congressmen I

1272

00:49:54,650 --> 00:49:53,099

shouldn't even use you know to use the

1273

00:49:57,050 --> 00:49:54,660

word government is probably not even the

1274

00:49:59,930 --> 00:49:57,060

right word to use it's uh it's uh you

1275

00:50:02,630 --> 00:49:59,940

know what John de Souza calls them Elite

1276

00:50:04,190 --> 00:50:02,640

Powers uh in control or whatever so

1277

00:50:05,990 --> 00:50:04,200

whatever the term whatever you want to

1278

00:50:09,109 --> 00:50:06,000

refer to these people that have the

1279

00:50:11,990 --> 00:50:09,119

ability to build underground bases in

1280

00:50:14,390 --> 00:50:12,000

the ground and do and do experiments you

1281

00:50:16,430 --> 00:50:14,400

know without a sight out of mind

1282

00:50:19,250 --> 00:50:16,440

um that that these as a matter of fact

1283

00:50:21,290 --> 00:50:19,260

there's a story from in the 30s about uh

1284

00:50:23,150 --> 00:50:21,300

these reptilian catacombs that were

1285

00:50:25,069 --> 00:50:23,160

found under the streets of LA at one

1286

00:50:27,290 --> 00:50:25,079

point uh that you've probably heard

1287

00:50:28,849 --> 00:50:27,300

about that story but that that that

1288

00:50:31,910 --> 00:50:28,859

they're uh that they're actually

1289

00:50:34,069 --> 00:50:31,920

experimenting and uh illegally you know

1290

00:50:36,170 --> 00:50:34,079

creating you know different types of

1291

00:50:38,030 --> 00:50:36,180

like almost like the island of Dr Moreau

1292

00:50:39,829 --> 00:50:38,040

where they've got all these hybrid type

1293

00:50:42,829 --> 00:50:39,839

creatures and they're experimenting and

1294

00:50:45,290 --> 00:50:42,839

and so I I could see well they would

1295

00:50:47,270 --> 00:50:45,300

that that's possible that humans could

1296

00:50:49,370 --> 00:50:47,280

be doing that but maybe humans that are

1297

00:50:51,650 --> 00:50:49,380

under the influence of possibly

1298

00:50:53,930 --> 00:50:51,660

reptilian humanoids or gray humanoids or

1299

00:50:56,870 --> 00:50:53,940

whatever type of creature that wants to

1300

00:50:59,510 --> 00:50:56,880

create uh and I would call these these

1301
00:51:01,970 --> 00:50:59,520
types of beings uh that were looked upon

1302
00:51:03,890 --> 00:51:01,980
by maybe the people back in the day as

1303
00:51:05,809 --> 00:51:03,900
they thought they were gods

1304
00:51:08,510 --> 00:51:05,819
but they weren't in my opinion they

1305
00:51:10,370 --> 00:51:08,520
weren't be God they just had gods-like

1306
00:51:12,950 --> 00:51:10,380
powers so the gods with the little G

1307
00:51:15,950 --> 00:51:12,960
that that would have the ability to to

1308
00:51:18,410 --> 00:51:15,960
trans transverse dimensions and appear

1309
00:51:20,809 --> 00:51:18,420
and reappear and had powers that that

1310
00:51:22,910 --> 00:51:20,819
standard modern humans didn't have and

1311
00:51:25,549 --> 00:51:22,920
so I think it's even happening today if

1312
00:51:27,650 --> 00:51:25,559
you look at what they're trying to do uh

1313
00:51:29,390 --> 00:51:27,660

what the theory is what what the shot

1314

00:51:31,730 --> 00:51:29,400

for example that has to do with

1315

00:51:34,190 --> 00:51:31,740

protecting people from covid that you

1316

00:51:37,450 --> 00:51:34,200

put this mRNA and people and you're

1317

00:51:39,710 --> 00:51:37,460

literally uh you know changing People

1318

00:51:41,270 --> 00:51:39,720

technically you're changing in them

1319

00:51:44,150 --> 00:51:41,280

you're changing their structure as

1320

00:51:45,950 --> 00:51:44,160

humans now they're like uh they're still

1321

00:51:47,390 --> 00:51:45,960

human but they're kind of hybrids in the

1322

00:51:49,130 --> 00:51:47,400

sense that they're operating their

1323

00:51:51,470 --> 00:51:49,140

operating system is going to be now

1324

00:51:53,630 --> 00:51:51,480

different than a person that that hasn't

1325

00:51:55,069 --> 00:51:53,640

got these uh these vaccines or these

1326

00:51:57,470 --> 00:51:55,079

shots so

1327

00:51:59,410 --> 00:51:57,480

um so you know so it's possible that

1328

00:52:02,829 --> 00:51:59,420

it's the history is repeating itself

1329

00:52:06,230 --> 00:52:02,839

male yeah

1330

00:52:08,990 --> 00:52:06,240

and the super soldiers and uh and

1331

00:52:10,849 --> 00:52:09,000

there's a guy named Dr Peter Peter that

1332

00:52:13,670 --> 00:52:10,859

talked about in the 70s they call them

1333

00:52:15,230 --> 00:52:13,680

organic robotoids that the Russians had

1334

00:52:17,990 --> 00:52:15,240

been experimenting with that organic

1335

00:52:20,270 --> 00:52:18,000

robotoids and and at one point he said

1336

00:52:22,490 --> 00:52:20,280

that Carter went to Russia for some uh

1337

00:52:25,190 --> 00:52:22,500

Jimmy Carter the president for some uh

1338

00:52:27,770 --> 00:52:25,200

meeting and that they had uh you know

1339

00:52:29,690 --> 00:52:27,780

somehow removed his Consciousness and

1340

00:52:31,670 --> 00:52:29,700

and and and he was and then when they

1341

00:52:33,170 --> 00:52:31,680

sent him back to the United States it

1342

00:52:35,329 --> 00:52:33,180

wasn't the real Jimmy Carter it was an

1343

00:52:37,250 --> 00:52:35,339

organic robotoid and then I thought that

1344

00:52:39,349 --> 00:52:37,260

sounds ridiculous but then you go and

1345

00:52:41,809 --> 00:52:39,359

you research the story and you find out

1346

00:52:43,970 --> 00:52:41,819

that uh that Carter was having problems

1347

00:52:46,069 --> 00:52:43,980

after he returned and and then he wasn't

1348

00:52:48,290 --> 00:52:46,079

able to continue on with his presidency

1349

00:52:50,270 --> 00:52:48,300

and he wasn't re-elected so I mean it

1350

00:52:51,470 --> 00:52:50,280

could be all speculation but you know

1351

00:52:52,910 --> 00:52:51,480

it's crazy there's a lot of crazy

1352

00:52:54,230 --> 00:52:52,920

stories out there some of them are

1353

00:52:57,170 --> 00:52:54,240

probably true

1354

00:52:59,089 --> 00:52:57,180

yeah I think when you are talking things

1355

00:53:00,730 --> 00:52:59,099

that have been discussed since the

1356

00:53:03,410 --> 00:53:00,740

beginning of

1357

00:53:07,370 --> 00:53:03,420

humankind I mean

1358

00:53:08,690 --> 00:53:07,380

it the word Dragon uh you know is very

1359

00:53:11,270 --> 00:53:08,700

likely

1360

00:53:14,150 --> 00:53:11,280

comes from the word Dagon which you know

1361

00:53:17,450 --> 00:53:14,160

uh is the spirit behind Christianity

1362

00:53:19,970 --> 00:53:17,460

apparently you know Dagon the dragon in

1363

00:53:22,609 --> 00:53:19,980

the sea or Dagon the fish god

1364

00:53:26,089 --> 00:53:22,619

um called Leviathan in scripture which

1365

00:53:28,609 --> 00:53:26,099

was worshiped by those in Babylon this

1366

00:53:30,650 --> 00:53:28,619

is old I mean this is not you know

1367

00:53:32,870 --> 00:53:30,660

you're not going to see this on TMZ

1368

00:53:35,990 --> 00:53:32,880

we're talking about ancient Middle East

1369

00:53:37,849 --> 00:53:36,000

we're talking about West Semitic Gods I

1370

00:53:41,650 --> 00:53:37,859

mean that people worship these for

1371

00:53:44,930 --> 00:53:41,660

fertility extensively and for uh crops

1372

00:53:48,710 --> 00:53:44,940

and this is all

1373

00:53:51,349 --> 00:53:48,720

I mean as early as 2500 BC and that's

1374

00:53:53,809 --> 00:53:51,359

not even going into you know Dagan was

1375

00:53:56,750 --> 00:53:53,819

apparently the second of importance only

1376

00:54:00,109 --> 00:53:56,760

to L which is like the supreme god as

1377

00:54:02,690 --> 00:54:00,119

you mentioned and uh what's interesting

1378

00:54:05,510 --> 00:54:02,700

about L is you know you you kind of

1379

00:54:08,690 --> 00:54:05,520

discussed this theory of are they demons

1380

00:54:10,970 --> 00:54:08,700

or are you know and in the Bible it

1381

00:54:13,490 --> 00:54:10,980

talks about the Elohim which kind of

1382

00:54:16,790 --> 00:54:13,500

says that like many little Gods work

1383

00:54:18,230 --> 00:54:16,800

under the supreme god or in unison and

1384

00:54:20,569 --> 00:54:18,240

the Elohim

1385

00:54:22,609 --> 00:54:20,579

I think one of the most telling and I

1386

00:54:24,170 --> 00:54:22,619

know that my my good friends that are

1387

00:54:25,849 --> 00:54:24,180

extremely religious hate having this

1388

00:54:29,870 --> 00:54:25,859

conversation with me when I bring up the

1389

00:54:32,089 --> 00:54:29,880

Elohim because they say oh L is you know

1390

00:54:34,430 --> 00:54:32,099

e-I that's that's

1391

00:54:36,829 --> 00:54:34,440

not the God we're talking about and I'm

1392

00:54:41,109 --> 00:54:36,839

like really because when you look at

1393

00:54:44,390 --> 00:54:41,119

words like Angel I'll eat like Elites

1394

00:54:49,370 --> 00:54:44,400

all the Angels names seem to have I in

1395

00:54:52,849 --> 00:54:49,380

them e-I uh Elevate all these words come

1396

00:54:57,170 --> 00:54:52,859

from the word L and that supreme god

1397

00:54:59,690 --> 00:54:57,180

that functions as uh possibly over or

1398

00:55:02,630 --> 00:54:59,700

working with in unison these little Gods

1399

00:55:03,770 --> 00:55:02,640

the Elohim and it always brings me back

1400

00:55:06,530 --> 00:55:03,780

to

1401

00:55:10,450 --> 00:55:06,540

uh the

1402

00:55:15,230 --> 00:55:10,460

um crazy crazy skull and bones number

1403

00:55:17,569 --> 00:55:15,240

322 in Genesis because it I think it's

1404

00:55:20,329 --> 00:55:17,579

so telling you know these are the same

1405

00:55:23,990 --> 00:55:20,339

circles or the same people that are

1406

00:55:27,349 --> 00:55:24,000

being called possibly lizard-like and

1407

00:55:30,710 --> 00:55:27,359

that Genesis 3 22 saying is and the Lord

1408

00:55:34,329 --> 00:55:30,720

God said the man has now become like one

1409

00:55:37,430 --> 00:55:34,339

of us us not me as like one of us

1410

00:55:38,930 --> 00:55:37,440

knowing good and evil he must not be

1411

00:55:40,849 --> 00:55:38,940

allowed to reach out his hand and take

1412

00:55:43,849 --> 00:55:40,859

also from the Tree of Life

1413

00:55:46,010 --> 00:55:43,859

and eat and live forever so he does say

1414

00:55:48,829 --> 00:55:46,020

one of us which kind of comes back to

1415

00:55:51,170 --> 00:55:48,839

that Elohim like is there a hierarchy of

1416

00:55:55,250 --> 00:55:51,180

these things I don't know man you know

1417

00:55:58,910 --> 00:55:55,260

the dragon in in in Asian culture the

1418

00:56:01,670 --> 00:55:58,920

Dagon going back way back to Babylon and

1419

00:56:05,630 --> 00:56:01,680

I mean we're talking 2500 years before

1420

00:56:07,510 --> 00:56:05,640

Christ and it's this is not low-key

1421

00:56:10,730 --> 00:56:07,520

information this stuff has been around

1422

00:56:13,370 --> 00:56:10,740

for a long time so when people say oh

1423

00:56:14,950 --> 00:56:13,380

you're talking crazy mentioning anything

1424

00:56:18,049 --> 00:56:14,960

reptilian

1425

00:56:20,930 --> 00:56:18,059

well nevertheless it's been talked about

1426

00:56:26,990 --> 00:56:20,940

since as far back as we have been

1427

00:56:32,809 --> 00:56:30,109

fake news was less likely back in those

1428

00:56:34,849 --> 00:56:32,819

days you know nowadays with the internet

1429

00:56:36,290 --> 00:56:34,859

and everything and everybody a lot of

1430

00:56:38,150 --> 00:56:36,300

people out there are trying to have a

1431

00:56:39,589 --> 00:56:38,160

podcast and YouTube shows are just

1432

00:56:41,390 --> 00:56:39,599

looking for a story that could get you

1433

00:56:43,370 --> 00:56:41,400

know clicks and likes so sometimes

1434

00:56:45,950 --> 00:56:43,380

stories get exaggerated but yeah you can

1435

00:56:48,410 --> 00:56:45,960

never you really can't go wrong if you

1436

00:56:49,790 --> 00:56:48,420

study history I mean that's uh I'll tell

1437

00:56:51,410 --> 00:56:49,800

you another quick story so a friend of

1438

00:56:54,049 --> 00:56:51,420

mine who's working in another country

1439

00:56:56,390 --> 00:56:54,059

right now who I talk about these things

1440

00:56:58,370 --> 00:56:56,400

with occasionally but he's he's not

1441

00:56:59,990 --> 00:56:58,380

really into it but but it's just like I

1442

00:57:02,030 --> 00:57:00,000

just like to share stories with them and

1443

00:57:03,530 --> 00:57:02,040

so then he asked me questions and he's

1444

00:57:05,630 --> 00:57:03,540

trying to like you know sometimes he'll

1445

00:57:07,370 --> 00:57:05,640

he'll say I'm gonna I'll look into this

1446

00:57:09,589 --> 00:57:07,380

and he's not really a debunker but he's

1447

00:57:12,349 --> 00:57:09,599

always looking for proof

1448

00:57:14,690 --> 00:57:12,359

um anyway so he said that he was out at

1449

00:57:16,490 --> 00:57:14,700

a restaurant one time recently and uh

1450

00:57:18,650 --> 00:57:16,500

there was a guy there on the American

1451
00:57:19,970 --> 00:57:18,660
that was that was there ending this just

1452
00:57:23,210 --> 00:57:19,980
happened to be having a conversation

1453
00:57:24,230 --> 00:57:23,220
with him and he says yeah this guy's uh

1454
00:57:27,049 --> 00:57:24,240
you know seemed like a really

1455
00:57:29,930 --> 00:57:27,059
intelligent guy former military guy

1456
00:57:31,370 --> 00:57:29,940
uh and he says that yeah he'd move to

1457
00:57:34,970 --> 00:57:31,380
this particular country where my friend

1458
00:57:37,970 --> 00:57:34,980
was and uh he's and so my friend asked

1459
00:57:41,089 --> 00:57:37,980
him well why why did you move and he

1460
00:57:42,710 --> 00:57:41,099
says well he says that's what he said he

1461
00:57:44,089 --> 00:57:42,720
said our country's being taken over by

1462
00:57:47,210 --> 00:57:44,099
reptilians

1463
00:57:48,589 --> 00:57:47,220

and my my friend said at first he

1464

00:57:50,930 --> 00:57:48,599

chuckled and you know he kind of

1465

00:57:53,210 --> 00:57:50,940

chuckled but this guy he says this guy

1466

00:57:55,549 --> 00:57:53,220

went into a tirade of

1467

00:57:57,530 --> 00:57:55,559

of the evidence and stories and and so

1468

00:58:00,589 --> 00:57:57,540

on and so forth and experiences and so

1469

00:58:02,329 --> 00:58:00,599

on and so forth for a long time when my

1470

00:58:03,890 --> 00:58:02,339

friend I guess became kind of hypnotized

1471

00:58:05,210 --> 00:58:03,900

by this by the information even though

1472

00:58:07,970 --> 00:58:05,220

he's a really smart dude he's very

1473

00:58:10,730 --> 00:58:07,980

Discerning but it shook him

1474

00:58:14,089 --> 00:58:10,740

it's he he called me right afterwards he

1475

00:58:15,589 --> 00:58:14,099

said he said dude now this guy just told

1476

00:58:17,210 --> 00:58:15,599

me there's reptilians that are running

1477

00:58:19,130 --> 00:58:17,220

the run in the United States and they're

1478

00:58:21,589 --> 00:58:19,140

taking over and da da da and I'm like

1479

00:58:22,970 --> 00:58:21,599

and I laughed I said yeah I didn't know

1480

00:58:24,290 --> 00:58:22,980

I didn't want to freak him out and say

1481

00:58:25,549 --> 00:58:24,300

yeah I've heard these stories I didn't

1482

00:58:27,710 --> 00:58:25,559

want to I didn't want to you know

1483

00:58:28,910 --> 00:58:27,720

further uh screw up his head that he

1484

00:58:31,370 --> 00:58:28,920

probably just had his head all just

1485

00:58:33,170 --> 00:58:31,380

Twisted with this information I mean you

1486

00:58:36,049 --> 00:58:33,180

kind of delay this information on people

1487

00:58:38,049 --> 00:58:36,059

that have no concept of this you're just

1488

00:58:40,730 --> 00:58:38,059

gonna spin them you know what I'm saying

1489

00:58:42,289 --> 00:58:40,740

uh there's a guy in jail right now

1490

00:58:44,630 --> 00:58:42,299

that's what to me this is one of the

1491

00:58:46,849 --> 00:58:44,640

best reptilian stories that most people

1492

00:58:49,370 --> 00:58:46,859

don't even know about because it came

1493

00:58:51,289 --> 00:58:49,380

and went pretty quick it was in 2000 I

1494

00:58:53,690 --> 00:58:51,299

think 16 if I'm not mistaken the guy

1495

00:58:54,770 --> 00:58:53,700

named Kyle Odom and you could research

1496

00:58:57,890 --> 00:58:54,780

this

1497

00:58:59,870 --> 00:58:57,900

um he he claimed that uh

1498

00:59:02,089 --> 00:58:59,880

that he was having these experiences

1499

00:59:04,970 --> 00:59:02,099

with these reptilian humanoid kind of

1500

00:59:07,069 --> 00:59:04,980

frog-like reptilian people and they were

1501
00:59:10,250 --> 00:59:07,079
driving him crazy and to the point where

1502
00:59:13,730 --> 00:59:10,260
he he just said I I give up I tried to

1503
00:59:15,530 --> 00:59:13,740
commit suicide and uh he and he locked

1504
00:59:17,870 --> 00:59:15,540
himself in his car he put me I guess he

1505
00:59:20,089 --> 00:59:17,880
had some sort of gas in there and he and

1506
00:59:22,730 --> 00:59:20,099
he tried to just shut the door and and

1507
00:59:25,010 --> 00:59:22,740
just kill himself and he claims that he

1508
00:59:26,809 --> 00:59:25,020
woke up and he was outside the car and

1509
00:59:28,730 --> 00:59:26,819
he was laying in his garage and there

1510
00:59:31,430 --> 00:59:28,740
was these reptilian humanoids that said

1511
00:59:32,809 --> 00:59:31,440
no you know we're not you can't die you

1512
00:59:34,549 --> 00:59:32,819
know you're gonna help us with our

1513
00:59:35,870 --> 00:59:34,559

message or whatever the story it's a

1514

00:59:39,170 --> 00:59:35,880

long story I'm just trying to make it

1515

00:59:41,270 --> 00:59:39,180

short here but uh anyway so then uh

1516

00:59:44,809 --> 00:59:41,280

uh then he then he had tried to commit

1517

00:59:47,510 --> 00:59:44,819

suicide a second time he failed and then

1518

00:59:49,329 --> 00:59:47,520

now he goes back to this town and uh in

1519

00:59:51,710 --> 00:59:49,339

Idaho of all places Coeur d'Alene Idaho

1520

00:59:54,530 --> 00:59:51,720

where he was I think he was kind of

1521

00:59:56,630 --> 00:59:54,540

where he grew up but he was having these

1522

00:59:58,789 --> 00:59:56,640

experiences in Texas where he had been

1523

01:00:00,890 --> 00:59:58,799

going to MIT at that time a real smart

1524

01:00:02,390 --> 01:00:00,900

dude this guy's not a wackadoo a matter

1525

01:00:04,910 --> 01:00:02,400

of fact he served six years in the

1526

01:00:06,890 --> 01:00:04,920

Marines and and then he and then he he

1527

01:00:08,450 --> 01:00:06,900

quit honorable discharge after six years

1528

01:00:10,910 --> 01:00:08,460

didn't want to do that anymore wanted to

1529

01:00:13,130 --> 01:00:10,920

start studying uh you know science and

1530

01:00:15,049 --> 01:00:13,140

and stuff like that anyway so he goes

1531

01:00:17,270 --> 01:00:15,059

back to Coeur d'Alene Idaho and there's

1532

01:00:19,130 --> 01:00:17,280

a pastor at this particular Church name

1533

01:00:21,950 --> 01:00:19,140

uh

1534

01:00:23,809 --> 01:00:21,960

Steve hold on a second

1535

01:00:25,309 --> 01:00:23,819

ah geez I can't remember it's not coming

1536

01:00:27,829 --> 01:00:25,319

to my head right now but anyway it's

1537

01:00:29,270 --> 01:00:27,839

it's in the it's in um it's called The

1538

01:00:31,490 --> 01:00:29,280

Altar the name of the church is called

1539

01:00:33,710 --> 01:00:31,500

the halter oh wow

1540

01:00:36,230 --> 01:00:33,720

and so he goes to this church

1541

01:00:38,750 --> 01:00:36,240

it is old Hometown and he wants to talk

1542

01:00:40,789 --> 01:00:38,760

to the pastor he wants to try to see if

1543

01:00:42,589 --> 01:00:40,799

he can get help spiritual help he's he's

1544

01:00:44,210 --> 01:00:42,599

starting to wonder man maybe maybe I've

1545

01:00:47,150 --> 01:00:44,220

got some sort of demon bomb or whatever

1546

01:00:49,069 --> 01:00:47,160

I need help so he's talking so he goes

1547

01:00:51,470 --> 01:00:49,079

to the church the pastor has given his

1548

01:00:53,809 --> 01:00:51,480

sermon and after the sermon's over all

1549

01:00:55,609 --> 01:00:53,819

the parishioners leave and he walks up

1550

01:00:57,950 --> 01:00:55,619

to the pastor true story totally true

1551

01:00:59,089 --> 01:00:57,960

story it's all documented and and a

1552

01:01:00,950 --> 01:00:59,099

matter of fact it was been in the news

1553

01:01:04,250 --> 01:01:00,960

it was in the news all over the news

1554

01:01:06,530 --> 01:01:04,260

even like TV and everything and he says

1555

01:01:08,390 --> 01:01:06,540

that he's talking to the pastor and he

1556

01:01:11,150 --> 01:01:08,400

says all of a sudden this pastor shape

1557

01:01:13,789 --> 01:01:11,160

shifts into this reptilian human lead

1558

01:01:16,250 --> 01:01:13,799

and it freaked him out he he didn't he

1559

01:01:19,849 --> 01:01:16,260

didn't like stand there and say that the

1560

01:01:21,770 --> 01:01:19,859

pastor uh you know oh my God you're a

1561

01:01:23,450 --> 01:01:21,780

reptilian he just kind of it just you

1562

01:01:25,849 --> 01:01:23,460

know he I think he kept his mouth shut

1563

01:01:28,730 --> 01:01:25,859

freaked him out he excused himself left

1564

01:01:29,930 --> 01:01:28,740

and then went home uh in his hometown

1565

01:01:32,510 --> 01:01:29,940

there in Coeur d'Alene where he was

1566

01:01:34,130 --> 01:01:32,520

staying with his family I believe and he

1567

01:01:36,710 --> 01:01:34,140

decided that he was going to get some

1568

01:01:40,069 --> 01:01:36,720

firearms and go back the next week and

1569

01:01:42,230 --> 01:01:40,079

he was going to kill this pastor

1570

01:01:44,690 --> 01:01:42,240

he believed this pastor was like a

1571

01:01:46,370 --> 01:01:44,700

shape-shifting reptilian so again he

1572

01:01:48,349 --> 01:01:46,380

waits for the the he's out in the

1573

01:01:50,690 --> 01:01:48,359

parking lot and he's waiting for the

1574

01:01:52,430 --> 01:01:50,700

pastor to leave the the church after the

1575

01:01:54,349 --> 01:01:52,440

Sunday Gatherings and whatnot so the

1576

01:01:55,789 --> 01:01:54,359

church so everybody's gone the pastor's

1577

01:01:56,870 --> 01:01:55,799

Alaska to leave he's going to the

1578

01:01:59,510 --> 01:01:56,880

parking lot he's out there in the

1579

01:02:02,210 --> 01:01:59,520

parking lot and so then Kyle gets out of

1580

01:02:04,730 --> 01:02:02,220

his car he's got a very powerful firearm

1581

01:02:07,609 --> 01:02:04,740

I forget what type it was and he walks

1582

01:02:10,490 --> 01:02:07,619

up to this pastor like Point Blank

1583

01:02:13,010 --> 01:02:10,500

we're talking like a few feet away

1584

01:02:15,230 --> 01:02:13,020

and he fires I think it was seven or

1585

01:02:17,890 --> 01:02:15,240

eight shots if I'm not mistaken right

1586

01:02:20,089 --> 01:02:17,900

into various key areas of this guy's

1587

01:02:22,250 --> 01:02:20,099

Anatomy because he says that you know I

1588

01:02:24,410 --> 01:02:22,260

know how to shoot I know how to kill I

1589

01:02:25,910 --> 01:02:24,420

was trained in the Marines I went right

1590

01:02:27,410 --> 01:02:25,920

for the areas where I knew that I could

1591

01:02:31,190 --> 01:02:27,420

kill this guy

1592

01:02:34,490 --> 01:02:31,200

and uh so then so the guy the guy drops

1593

01:02:36,410 --> 01:02:34,500

the pastor drops Kyle Odom jumps in his

1594

01:02:38,390 --> 01:02:36,420

car and he takes off

1595

01:02:41,930 --> 01:02:38,400

and um

1596

01:02:45,289 --> 01:02:41,940

long story short uh the pastor lived

1597

01:02:46,789 --> 01:02:45,299

and and then there was the report was

1598

01:02:48,470 --> 01:02:46,799

that when they got to the scene where

1599

01:02:51,170 --> 01:02:48,480

the pastor had been shot

1600

01:02:52,970 --> 01:02:51,180

and they opened up uh I guess he had

1601

01:02:54,289 --> 01:02:52,980

like a sports coat on like a suit you

1602

01:02:57,829 --> 01:02:54,299

know some of the guys wear suits when

1603

01:03:01,730 --> 01:02:57,839

they're preaching and and the bullets

1604

01:03:06,530 --> 01:03:03,170

would have gone through the guy's suit

1605

01:03:09,349 --> 01:03:06,540

into his body just fell out of his suit

1606

01:03:12,289 --> 01:03:09,359

but they never even penetrated his suit

1607

01:03:14,750 --> 01:03:12,299

um so the guy eventually recovered

1608

01:03:17,089 --> 01:03:14,760

um Kyle Odom got 10 a 10 a 25-year

1609

01:03:19,370 --> 01:03:17,099

sentence for attempted murder and he's

1610

01:03:23,089 --> 01:03:19,380

but he's got 10 years if he's good boy

1611

01:03:26,210 --> 01:03:23,099

he gets off in 10 years on probation

1612

01:03:28,490 --> 01:03:26,220

um and so so I actually went to Coeur

1613

01:03:30,530 --> 01:03:28,500

d'Alene Idaho a few years ago because I

1614

01:03:33,470 --> 01:03:30,540

wanted to see the I wanted to go see the

1615

01:03:35,089 --> 01:03:33,480

area I wanted to see the church uh the

1616

01:03:37,010 --> 01:03:35,099

pastor I knew he was there I knew he was

1617

01:03:39,710 --> 01:03:37,020

he was had recovered and he was speaking

1618

01:03:41,990 --> 01:03:39,720

so I so I drove there I got in I

1619

01:03:43,130 --> 01:03:42,000

recorded all this too and I went in

1620

01:03:45,170 --> 01:03:43,140

there and I'm sitting there in the

1621

01:03:47,270 --> 01:03:45,180

church and these two and there was it

1622

01:03:49,910 --> 01:03:47,280

was packed I mean he had these people

1623

01:03:52,730 --> 01:03:49,920

mesmerized I mean uh I had that he was

1624

01:03:54,710 --> 01:03:52,740

he was a nice guy but I had this really

1625

01:03:55,970 --> 01:03:54,720

kind of this Jim Jones feeling about it

1626
01:03:58,010 --> 01:03:55,980
where it's just these people were under

1627
01:04:01,970 --> 01:03:58,020
his guy's spell and I'm not exaggerating

1628
01:04:04,730 --> 01:04:01,980
they they they loved this man and uh

1629
01:04:06,770 --> 01:04:04,740
and anyway it just was a really kind of

1630
01:04:08,809 --> 01:04:06,780
a creepy feeling

1631
01:04:11,329 --> 01:04:08,819
and then so after that little sermon

1632
01:04:13,190 --> 01:04:11,339
that he'd given I I approached him and

1633
01:04:14,990 --> 01:04:13,200
talked to him I didn't mention Kyle Odom

1634
01:04:17,450 --> 01:04:15,000
because I didn't want to tip him off as

1635
01:04:19,849 --> 01:04:17,460
to why I was there and he was friendly

1636
01:04:22,010 --> 01:04:19,859
with me and then this other guy that was

1637
01:04:24,589 --> 01:04:22,020
kind of like the the second in line to

1638
01:04:26,930 --> 01:04:24,599

the to this uh preacher he he comes up

1639

01:04:28,970 --> 01:04:26,940

to me and he says uh so hey how you

1640

01:04:30,710 --> 01:04:28,980

doing uh you you live here and he's you

1641

01:04:33,950 --> 01:04:30,720

know he's trying to qualify my situation

1642

01:04:35,450 --> 01:04:33,960

and so I'm saying yeah no I so I I had

1643

01:04:36,589 --> 01:04:35,460

to kind of BS him a little bit because I

1644

01:04:39,950 --> 01:04:36,599

didn't wanted to know why I was there

1645

01:04:41,870 --> 01:04:39,960

but this guy I could totally tell he was

1646

01:04:44,750 --> 01:04:41,880

completely suspicious of me

1647

01:04:47,809 --> 01:04:44,760

he he was he I could I just sensed that

1648

01:04:49,490 --> 01:04:47,819

he knew somehow why I was there but we

1649

01:04:50,690 --> 01:04:49,500

didn't have that conversation verbally

1650

01:04:52,010 --> 01:04:50,700

you know what I'm saying sometimes when

1651
01:04:54,770 --> 01:04:52,020
you're having those conversations with

1652
01:04:56,690 --> 01:04:54,780
people and you could sense

1653
01:04:58,789 --> 01:04:56,700
that you both know what's going on but

1654
01:05:01,069 --> 01:04:58,799
you're just not talking about it

1655
01:05:03,049 --> 01:05:01,079
so yeah so that's another crazy story I

1656
01:05:05,990 --> 01:05:03,059
should look into that Kyle Odum he wrote

1657
01:05:08,809 --> 01:05:06,000
a Manifesto I think it was 21 pages and

1658
01:05:11,049 --> 01:05:08,819
later in the manifesto he claims

1659
01:05:14,089 --> 01:05:11,059
all these government figures as Senators

1660
01:05:16,130 --> 01:05:14,099
congressmen's uh including Nancy Pelosi

1661
01:05:17,890 --> 01:05:16,140
by the way and several other key uh

1662
01:05:20,329 --> 01:05:17,900
figures that are still in Congress

1663
01:05:24,470 --> 01:05:20,339

including and also a whole list of

1664

01:05:25,609 --> 01:05:24,480

Israeli uh uh uh politicians he says

1665

01:05:27,890 --> 01:05:25,619

these are these people are all

1666

01:05:31,430 --> 01:05:27,900

reptilians is what he said

1667

01:05:34,849 --> 01:05:31,440

true story you can look it up great that

1668

01:05:38,329 --> 01:05:34,859

is so cool I have gotta check this out

1669

01:05:40,430 --> 01:05:38,339

because there's so much there you know

1670

01:05:42,049 --> 01:05:40,440

whether it's extraterrestrial shape

1671

01:05:44,569 --> 01:05:42,059

shifters

1672

01:05:46,150 --> 01:05:44,579

um the seven serpents of Vortex portals

1673

01:05:48,770 --> 01:05:46,160

which uh you know

1674

01:05:52,309 --> 01:05:48,780

it's it's amazing you look into this

1675

01:05:55,490 --> 01:05:52,319

stuff and reptilian humanoids um

1676

01:05:57,710 --> 01:05:55,500

anthropomorphic reptiles are fictional

1677

01:06:00,470 --> 01:05:57,720

creatures that appear in folklore and

1678

01:06:01,690 --> 01:06:00,480

basically every culture on the planet if

1679

01:06:05,329 --> 01:06:01,700

you want to call it

1680

01:06:08,630 --> 01:06:05,339

whether it's a fact or not is just it's

1681

01:06:11,750 --> 01:06:08,640

fascinating to me how far back it goes

1682

01:06:13,370 --> 01:06:11,760

and and how relatable it is to current

1683

01:06:16,309 --> 01:06:13,380

times you know that we are still

1684

01:06:18,770 --> 01:06:16,319

pointing to our leaders and our Elites

1685

01:06:21,530 --> 01:06:18,780

much like they did in the legendary you

1686

01:06:24,470 --> 01:06:21,540

know past as far back as 2500 BC

1687

01:06:27,650 --> 01:06:24,480

according to Tex found it you know

1688

01:06:29,569 --> 01:06:27,660

ancient sites and um we're saying the

1689

01:06:31,910 --> 01:06:29,579

same thing we're pointing to our leaders

1690

01:06:34,309 --> 01:06:31,920

at our Elites and we're basically

1691

01:06:36,349 --> 01:06:34,319

pointing at them and saying the same the

1692

01:06:39,589 --> 01:06:36,359

same things you know that they have some

1693

01:06:42,109 --> 01:06:39,599

sort of reptilian Heritage of or it's

1694

01:06:44,569 --> 01:06:42,119

just wild man it's wild to me that it's

1695

01:06:46,970 --> 01:06:44,579

still going on here's where my mind goes

1696

01:06:49,190 --> 01:06:46,980

is that if you if you look at how you

1697

01:06:50,750 --> 01:06:49,200

know the political structures are set up

1698

01:06:52,849 --> 01:06:50,760

throughout our world throughout the

1699

01:06:56,930 --> 01:06:52,859

United States and other countries

1700

01:06:59,210 --> 01:06:56,940

um if Humanity as a whole was all on

1701

01:07:00,950 --> 01:06:59,220

board with you know let's let's all

1702

01:07:04,490 --> 01:07:00,960

support each other let's do what's best

1703

01:07:06,890 --> 01:07:04,500

for Humanity what's the let's solve

1704

01:07:09,289 --> 01:07:06,900

these issues so on and so forth but it

1705

01:07:11,390 --> 01:07:09,299

always seems like these Elite powers

1706

01:07:14,650 --> 01:07:11,400

that that are in control whether it's

1707

01:07:16,910 --> 01:07:14,660

through politics or or to uh

1708

01:07:18,770 --> 01:07:16,920

Pharmaceuticals or I mean like you know

1709

01:07:21,230 --> 01:07:18,780

you got the bilderbergs you got the uh

1710

01:07:22,549 --> 01:07:21,240

you've got all sorts of you know things

1711

01:07:24,289 --> 01:07:22,559

that are happening behind the scenes

1712

01:07:26,150 --> 01:07:24,299

you've got the Bohemian Grove and you

1713

01:07:28,849 --> 01:07:26,160

hear all these stories but but it

1714

01:07:29,930 --> 01:07:28,859

appears to me like whoever these people

1715

01:07:32,630 --> 01:07:29,940

are

1716

01:07:34,910 --> 01:07:32,640

they do not have the best interest of

1717

01:07:37,130 --> 01:07:34,920

humanity in any of the decisions that

1718

01:07:39,829 --> 01:07:37,140

they make it all seems to be geared

1719

01:07:42,589 --> 01:07:39,839

towards an agenda that keeps them at the

1720

01:07:44,150 --> 01:07:42,599

top of the pyramid and we're all just

1721

01:07:46,190 --> 01:07:44,160

kind of we're just kind of slipping

1722

01:07:48,410 --> 01:07:46,200

through the cracks of some of us to be

1723

01:07:50,630 --> 01:07:48,420

able to live our lives hopefully in the

1724

01:07:52,730 --> 01:07:50,640

best fashion we can but if they have an

1725

01:07:55,730 --> 01:07:52,740

opportunity to squash a whole group of

1726

01:07:57,529 --> 01:07:55,740

people uh through whatever you know just

1727

01:07:59,270 --> 01:07:57,539

this whole population control I mean you

1728

01:08:01,190 --> 01:07:59,280

could go down that rabbit hole it just

1729

01:08:02,870 --> 01:08:01,200

doesn't make sense none of it makes

1730

01:08:04,910 --> 01:08:02,880

sense while things why things are

1731

01:08:07,849 --> 01:08:04,920

happening the way they are

1732

01:08:09,890 --> 01:08:07,859

it's wild and you know when you look at

1733

01:08:11,990 --> 01:08:09,900

the list of

1734

01:08:13,609 --> 01:08:12,000

um secretaries of the United States

1735

01:08:14,630 --> 01:08:13,619

which obviously comes from the word

1736

01:08:17,150 --> 01:08:14,640

Secret

1737

01:08:21,950 --> 01:08:17,160

so they're the secretaries of the United

1738

01:08:24,769 --> 01:08:21,960

States you have uh you know the uh

1739

01:08:28,970 --> 01:08:24,779

Secretary of the United States Treasury

1740

01:08:31,669 --> 01:08:28,980

Secretary of the army Secretary of uh

1741

01:08:34,150 --> 01:08:31,679

United Nations and

1742

01:08:37,130 --> 01:08:34,160

um secretary it's just very interesting

1743

01:08:38,809 --> 01:08:37,140

that these are secretaries so in other

1744

01:08:41,689 --> 01:08:38,819

words they are holding secrets and

1745

01:08:44,870 --> 01:08:41,699

something that blew my mind recently and

1746

01:08:46,550 --> 01:08:44,880

I realized just how little I know was

1747

01:08:49,090 --> 01:08:46,560

I was speaking with someone and they

1748

01:08:51,709 --> 01:08:49,100

said well you know the word government

1749

01:08:53,870 --> 01:08:51,719

basically just means mind control and I

1750

01:08:56,030 --> 01:08:53,880

said come on and yeah sure enough you

1751

01:08:58,729 --> 01:08:56,040

look at the Latin root and no wonder

1752

01:09:01,309 --> 01:08:58,739

nobody is allowed to uh really study and

1753

01:09:04,309 --> 01:09:01,319

nobody hardly ever you know that you see

1754

01:09:05,870 --> 01:09:04,319

anymore knows Latin or speaks Latin this

1755

01:09:10,309 --> 01:09:05,880

is something that back you know in the

1756

01:09:13,189 --> 01:09:10,319

20s 30s 40s 50s even 60s some people had

1757

01:09:14,689 --> 01:09:13,199

some knowledge of the Latin root of all

1758

01:09:17,090 --> 01:09:14,699

words and this is something that is

1759

01:09:20,530 --> 01:09:17,100

completely a dead language now unless

1760

01:09:24,950 --> 01:09:20,540

you're talking about the Vatican and

1761

01:09:27,950 --> 01:09:24,960

man yeah government govern the mentality

1762

01:09:30,890 --> 01:09:27,960

or govern the mind of the people so it's

1763

01:09:34,010 --> 01:09:30,900

literally government is mind control

1764

01:09:37,010 --> 01:09:34,020

um I've realized just how naive I was

1765

01:09:39,349 --> 01:09:37,020

but it's it's the real deal man I I the

1766

01:09:41,870 --> 01:09:39,359

more I look at uh some of these things I

1767

01:09:44,030 --> 01:09:41,880

I know that I'm not gonna ever get a job

1768

01:09:46,189 --> 01:09:44,040

if I learn Latin but it might be

1769

01:09:49,550 --> 01:09:46,199

something that uh maybe we should look

1770

01:09:52,849 --> 01:09:49,560

into because it seems to uh kind of be

1771

01:09:55,430 --> 01:09:52,859

the chain of secrets that goes back and

1772

01:09:57,350 --> 01:09:55,440

you know is not as easily hid behind the

1773

01:10:00,410 --> 01:09:57,360

veil

1774

01:10:03,110 --> 01:10:00,420

yeah I mean uh everything's it seems to

1775

01:10:04,970 --> 01:10:03,120

me like there's some sort of uh

1776

01:10:07,550 --> 01:10:04,980

I don't know even the word for it but

1777

01:10:10,370 --> 01:10:07,560

where it's all it's like they whoever

1778

01:10:11,810 --> 01:10:10,380

they are they they part of their system

1779

01:10:13,669 --> 01:10:11,820

is that they're gonna put the

1780

01:10:16,070 --> 01:10:13,679

information out there

1781

01:10:18,229 --> 01:10:16,080

so it's almost like like you mentioned

1782

01:10:20,510 --> 01:10:18,239

the Vatican if you've seen some of the

1783

01:10:22,910 --> 01:10:20,520

pictures of the Pope in in the in this

1784

01:10:24,830 --> 01:10:22,920

huge chamber where it's it's got the it

1785

01:10:26,750 --> 01:10:24,840

looks like a giant snake with the two

1786

01:10:29,950 --> 01:10:26,760

eyes and the skin and then it's got that

1787

01:10:33,350 --> 01:10:29,960

creature that so is supposed to be Jesus

1788

01:10:35,810 --> 01:10:33,360

but when you if not Jesus

1789

01:10:37,490 --> 01:10:35,820

and so people I've I've the Reese and

1790

01:10:39,050 --> 01:10:37,500

again I can't prove this or verify it's

1791

01:10:41,990 --> 01:10:39,060

true but I'm just repeating what I've

1792

01:10:48,890 --> 01:10:42,000

read uh you know that the the Catholic

1793

01:10:54,410 --> 01:10:51,169

oh I lost you man

1794

01:10:56,570 --> 01:10:54,420

what the hell was that that was weird

1795

01:10:58,250 --> 01:10:56,580

that was very weird but I'm glad you

1796

01:11:00,890 --> 01:10:58,260

mentioned the pope because he does wear

1797

01:11:03,830 --> 01:11:00,900

that fish hat which is back to the uh

1798

01:11:05,450 --> 01:11:03,840

the Dagon you know he wears the Dagon

1799

01:11:06,729 --> 01:11:05,460

fish hat

1800

01:11:08,810 --> 01:11:06,739

yes

1801

01:11:10,790 --> 01:11:08,820

unbelievable yep

1802

01:11:13,430 --> 01:11:10,800

so yeah the bottom the bottling is that

1803

01:11:15,830 --> 01:11:13,440

they're uh you know there's the the you

1804

01:11:17,510 --> 01:11:15,840

know the the Bible for I just learned

1805

01:11:19,729 --> 01:11:17,520

this recently there was there was about

1806

01:11:21,950 --> 01:11:19,739

14 books The Book of Enoch the book of

1807

01:11:24,169 --> 01:11:21,960

dead the book of the several obviously

1808

01:11:26,630 --> 01:11:24,179

others but we're all included in the

1809

01:11:28,970 --> 01:11:26,640

ancient knowledge back in the 1600s but

1810

01:11:31,850 --> 01:11:28,980

then around 1647 or somewhere in that

1811

01:11:33,830 --> 01:11:31,860

era uh the the the Vatican decided to

1812

01:11:35,630 --> 01:11:33,840

remove those books and then they had the

1813

01:11:36,950 --> 01:11:35,640

Old Testament and then later in the New

1814

01:11:39,110 --> 01:11:36,960

Testament

1815

01:11:43,010 --> 01:11:39,120

um so and then so the narrative is

1816

01:11:45,410 --> 01:11:43,020

always being uh you know molded in such

1817

01:11:48,169 --> 01:11:45,420

a way to where you could keep the masses

1818

01:11:50,810 --> 01:11:48,179

kind of in in the dark about uh history

1819

01:11:52,310 --> 01:11:50,820

and and and then you know with this oh

1820

01:11:53,630 --> 01:11:52,320

they know that you missing you

1821

01:11:55,669 --> 01:11:53,640

misunderstood that that was a

1822

01:11:57,649 --> 01:11:55,679

misinterpretation and there's always

1823

01:11:59,750 --> 01:11:57,659

they've always got a great answer you

1824

01:12:01,310 --> 01:11:59,760

know what I mean it's kind of trippy how

1825

01:12:03,050 --> 01:12:01,320

they kind of slip and slide around these

1826

01:12:06,310 --> 01:12:03,060

things but and they're never going to

1827

01:12:09,770 --> 01:12:06,320

talk about it on the news hell no

1828

01:12:11,450 --> 01:12:09,780

not at all just trust the science yeah

1829

01:12:12,410 --> 01:12:11,460

you want to stay for the record anybody

1830

01:12:14,810 --> 01:12:12,420

that's listening to this conversation

1831

01:12:17,450 --> 01:12:14,820

we're just having a conversation that's

1832

01:12:19,729 --> 01:12:17,460

all it is they always go they always go

1833

01:12:21,649 --> 01:12:19,739

way deeper than we expect don't they

1834

01:12:22,970 --> 01:12:21,659

they just it's like let's just scratch

1835

01:12:24,649 --> 01:12:22,980

the surface the next thing you know

1836

01:12:28,430 --> 01:12:24,659

we're both standing there with shovels

1837

01:12:31,790 --> 01:12:28,440

and we're deeper than we ever imagined

1838

01:12:32,649 --> 01:12:31,800

man yeah like you want to wrap it up

1839

01:12:34,910 --> 01:12:32,659

yeah

1840

01:12:36,410 --> 01:12:34,920

the Indians that lady her name is

1841

01:12:38,450 --> 01:12:36,420

Roxanne that was talking about the

1842

01:12:41,149 --> 01:12:38,460

Bigfoot uh and I recorded this story

1843

01:12:42,709 --> 01:12:41,159

it's about a 22 minute story uh I'll uh

1844

01:12:44,330 --> 01:12:42,719

have to make another I'll send it to you

1845

01:12:46,130 --> 01:12:44,340

you can listen to it

1846

01:12:48,770 --> 01:12:46,140

um she talks about in their culture out

1847

01:12:52,970 --> 01:12:48,780

there in the Idaho the black feet

1848

01:12:54,050 --> 01:12:52,980

Indian tribe Blackfoot that uh that at

1849

01:12:56,270 --> 01:12:54,060

one time

1850

01:12:58,850 --> 01:12:56,280

there were the natives that lived there

1851
01:13:00,530 --> 01:12:58,860
on you know it was just natives like now

1852
01:13:03,310 --> 01:13:00,540
type people

1853
01:13:07,130 --> 01:13:03,320
and at one time there was a race of

1854
01:13:09,350 --> 01:13:07,140
beautiful uh Indian people

1855
01:13:12,729 --> 01:13:09,360
beautiful men and women that that

1856
01:13:15,050 --> 01:13:12,739
somehow came into their their their

1857
01:13:16,610 --> 01:13:15,060
reservation or their culture they were

1858
01:13:18,950 --> 01:13:16,620
they were suddenly a part of their

1859
01:13:20,750 --> 01:13:18,960
culture and she said that these

1860
01:13:23,870 --> 01:13:20,760
beautiful people

1861
01:13:25,010 --> 01:13:23,880
um were very arrogant they were they

1862
01:13:27,649 --> 01:13:25,020
thought they were better than everybody

1863
01:13:29,390 --> 01:13:27,659

else and she goes on and on and on she's

1864

01:13:32,450 --> 01:13:29,400

telling this story

1865

01:13:35,870 --> 01:13:32,460

and then she said that our god

1866

01:13:38,689 --> 01:13:35,880

um sent these people here not for the

1867

01:13:40,370 --> 01:13:38,699

purpose of behaving in this way

1868

01:13:42,649 --> 01:13:40,380

um there was there was some other

1869

01:13:43,850 --> 01:13:42,659

purpose now in the 22-minute talk she's

1870

01:13:46,010 --> 01:13:43,860

not going to be able to explain

1871

01:13:47,810 --> 01:13:46,020

everything but she's kind of telling a

1872

01:13:49,910 --> 01:13:47,820

Reader's Digest version of the story

1873

01:13:53,149 --> 01:13:49,920

while she's speaking but the bottom line

1874

01:13:55,250 --> 01:13:53,159

is this is she says that their God

1875

01:13:57,950 --> 01:13:55,260

was not happy with these beautiful

1876

01:14:00,410 --> 01:13:57,960

people that that they had brought and

1877

01:14:03,410 --> 01:14:00,420

put amongst this community uh this

1878

01:14:04,669 --> 01:14:03,420

reservation and so this God cursed these

1879

01:14:07,550 --> 01:14:04,679

beautiful people

1880

01:14:11,330 --> 01:14:07,560

and as a result of that curse

1881

01:14:14,630 --> 01:14:11,340

um he turned or he he it this God turn

1882

01:14:16,130 --> 01:14:14,640

these people into uh creatures ugly

1883

01:14:21,590 --> 01:14:16,140

creatures

1884

01:14:23,810 --> 01:14:21,600

they were banished from the tribe

1885

01:14:24,770 --> 01:14:23,820

and they were being punished and so she

1886

01:14:26,570 --> 01:14:24,780

says

1887

01:14:29,390 --> 01:14:26,580

that these

1888

01:14:31,970 --> 01:14:29,400

people were are what we that were

1889

01:14:35,209 --> 01:14:31,980

banished and turned into creatures are

1890

01:14:36,830 --> 01:14:35,219

now what we refer to as the Bigfoot

1891

01:14:37,910 --> 01:14:36,840

whoa

1892

01:14:41,149 --> 01:14:37,920

yeah

1893

01:14:43,610 --> 01:14:41,159

and that they still come around on the

1894

01:14:45,290 --> 01:14:43,620

reservation she says

1895

01:14:48,470 --> 01:14:45,300

not last year

1896

01:14:50,990 --> 01:14:48,480

not last month not last week

1897

01:14:54,050 --> 01:14:51,000

but they're still coming around and she

1898

01:14:57,470 --> 01:14:54,060

says we we understand we don't interact

1899

01:14:59,330 --> 01:14:57,480

with them uh we we feed them

1900

01:15:01,729 --> 01:14:59,340

we give them gifts

1901

01:15:03,830 --> 01:15:01,739

it's it's kind of part of their uh

1902

01:15:05,390 --> 01:15:03,840

protection I'm assuming I didn't get a

1903

01:15:07,070 --> 01:15:05,400

chance to I've got her phone number this

1904

01:15:08,689 --> 01:15:07,080

is about this is I'll tell you what I'll

1905

01:15:11,030 --> 01:15:08,699

get you her number she'd be a great

1906

01:15:13,610 --> 01:15:11,040

conversation but anyway it's interesting

1907

01:15:15,649 --> 01:15:13,620

that that that's their story so you know

1908

01:15:17,390 --> 01:15:15,659

other Indians thrives might have a

1909

01:15:20,709 --> 01:15:17,400

different story but but I thought that

1910

01:15:23,570 --> 01:15:20,719

was fascinating man what a spiritual

1911

01:15:26,570 --> 01:15:23,580

authentic declaration I mean that's

1912

01:15:28,910 --> 01:15:26,580

pretty amazing and man like I'm sorry

1913

01:15:30,950 --> 01:15:28,920

that we got we go so deep and usually

1914

01:15:32,990 --> 01:15:30,960

over time

1915

01:15:35,030 --> 01:15:33,000

um yeah we we do dig those holes for

1916

01:15:37,250 --> 01:15:35,040

ourselves don't we but man you always

1917

01:15:40,070 --> 01:15:37,260

have the best Cutting Edge recent

1918

01:15:43,490 --> 01:15:40,080

information on developments that

1919

01:15:47,750 --> 01:15:43,500

interest me and whether it's the UFO UAP

1920

01:15:49,729 --> 01:15:47,760

subject conspiracy cryptozoology uh

1921

01:15:52,189 --> 01:15:49,739

mysterious dimensional phenomena you

1922

01:15:54,169 --> 01:15:52,199

always knock my socks off I'm blown away

1923

01:15:57,050 --> 01:15:54,179

I was looking forward to this podcast

1924

01:15:59,270 --> 01:15:57,060

because although we talk often we rarely

1925

01:16:02,270 --> 01:15:59,280

contribute a full hour or more at this

1926

01:16:04,130 --> 01:16:02,280

point to discussing these things and

1927

01:16:06,169 --> 01:16:04,140

really kind of rolling up our sleeves

1928

01:16:08,030 --> 01:16:06,179

and getting into it I love it can't

1929

01:16:10,370 --> 01:16:08,040

thank you enough for taking the time out

1930

01:16:12,649 --> 01:16:10,380

of your busy day to come on and discuss

1931

01:16:15,050 --> 01:16:12,659

this tantalizing research on things that

1932

01:16:17,689 --> 01:16:15,060

are just so mysterious in nature our

1933

01:16:20,570 --> 01:16:17,699

reality is much more than it appears to

1934

01:16:23,030 --> 01:16:20,580

be thank you so much Eric where can

1935

01:16:25,850 --> 01:16:23,040

listeners keep up with your adventures

1936

01:16:29,450 --> 01:16:25,860

and support your efforts

1937

01:16:31,550 --> 01:16:29,460

yeah I I prefer to stay on the low

1938

01:16:33,709 --> 01:16:31,560

profile I mean I am on Twitter at

1939

01:16:35,630 --> 01:16:33,719

Awakening man

1940

01:16:37,729 --> 01:16:35,640

um and you know I tell these stories to

1941

01:16:40,610 --> 01:16:37,739

my friends and people that you know I I

1942

01:16:43,850 --> 01:16:40,620

really try not to be public I of course

1943

01:16:45,290 --> 01:16:43,860

just because I I don't want to well my

1944

01:16:46,550 --> 01:16:45,300

friend says you know what you got to be

1945

01:16:48,169 --> 01:16:46,560

careful with some of the things you talk

1946

01:16:50,990 --> 01:16:48,179

you're going to get yourself on a list

1947

01:16:52,610 --> 01:16:51,000

I'm like hope I said dude I don't want

1948

01:16:54,169 --> 01:16:52,620

to be on a list I'm just going out and

1949

01:16:55,910 --> 01:16:54,179

looking at these stories and I'm just

1950

01:16:57,410 --> 01:16:55,920

telling the stories I'm not accusing

1951

01:16:59,450 --> 01:16:57,420

anybody of anything I'm not saying

1952

01:17:01,250 --> 01:16:59,460

they're real or they're not real I'm not

1953

01:17:03,770 --> 01:17:01,260

trying to promote any conspiracy

1954

01:17:06,050 --> 01:17:03,780

theories I'm not trying to talk uh trash

1955

01:17:08,030 --> 01:17:06,060

about our government or anything so I

1956

01:17:10,250 --> 01:17:08,040

just want to make that disclaimer but

1957

01:17:12,830 --> 01:17:10,260

like we just it's it's fascinating

1958

01:17:15,649 --> 01:17:12,840

because there's so many stories that in

1959

01:17:18,169 --> 01:17:15,659

my mind there's got to be some uh threat

1960

01:17:21,290 --> 01:17:18,179

of Truth in some of these stories that's

1961

01:17:23,930 --> 01:17:21,300

just the way I see it Amen brother thank

1962

01:17:25,250 --> 01:17:23,940

you so much Eric

1963

01:17:28,430 --> 01:17:25,260

all right you buddy have a good day I'll

1964

01:17:31,790 --> 01:17:28,440

talk to you soon all right bye-bye

1965

01:17:35,570 --> 01:17:31,800

man oh man I always love talking to Eric

1966

01:17:38,090 --> 01:17:35,580

he is just the best we always kind of go

1967

01:17:41,750 --> 01:17:38,100

into areas that maybe we shouldn't go

1968

01:17:43,850 --> 01:17:41,760

into so much and you know um I also too

1969

01:17:46,550 --> 01:17:43,860

need to make that disclaimer that I am

1970

01:17:51,050 --> 01:17:46,560

not uh talking on government at all just

1971

01:17:52,010 --> 01:17:51,060

correlations to historical cultures and

1972

01:17:54,110 --> 01:17:52,020

how

1973

01:17:55,790 --> 01:17:54,120

um it seems that the masses are

1974

01:17:58,270 --> 01:17:55,800

typically pointing at those who govern

1975

01:18:01,550 --> 01:17:58,280

them it's interesting that government

1976

01:18:04,790 --> 01:18:01,560

does have that Latin tie it doesn't mean

1977

01:18:06,890 --> 01:18:04,800

that that is what it is uh so let me get

1978

01:18:09,470 --> 01:18:06,900

that disclaimer out there

1979

01:18:13,250 --> 01:18:09,480

um I do think it's pretty fishy how the

1980

01:18:16,610 --> 01:18:13,260

pope wears a Dagon hat of course the

1981

01:18:19,910 --> 01:18:16,620

Dagon is uh you know the reptilian or

1982

01:18:22,729 --> 01:18:19,920

fish God the dragon and

1983

01:18:24,709 --> 01:18:22,739

um it is also I think very interesting

1984

01:18:29,510 --> 01:18:24,719

that

1985

01:18:31,130 --> 01:18:29,520

you know Dagan is uh well connected to

1986

01:18:33,590 --> 01:18:31,140

and

1987

01:18:37,430 --> 01:18:33,600

um goes into uh

1988

01:18:40,310 --> 01:18:37,440

L and ball so there's Dagon and then

1989

01:18:42,530 --> 01:18:40,320

there is I e I and then that goes into

1990

01:18:43,970 --> 01:18:42,540

ball and of course we all know about the

1991

01:18:46,669 --> 01:18:43,980

cult of ball

1992

01:18:48,830 --> 01:18:46,679

the Canaanites the Pharaohs um its

1993

01:18:52,130 --> 01:18:48,840

connection to Babylon the connection to

1994

01:18:55,729 --> 01:18:52,140

Rome and Judea the Vatican connection to

1995

01:18:59,450 --> 01:18:55,739

the Templars connection to the kazars

1996

01:19:02,570 --> 01:18:59,460

um connection to uh Switzerland and uh

1997

01:19:04,729 --> 01:19:02,580

of course the Masons the Jesuits and

1998

01:19:07,729 --> 01:19:04,739

later the Illuminati and the United

1999

01:19:11,270 --> 01:19:07,739

States of America so it's interesting

2000

01:19:14,330 --> 01:19:11,280

that the Pope's miter hat which can only

2001

01:19:18,110 --> 01:19:14,340

be a pagan fish god of Ancient Babylonia

2002

01:19:21,229 --> 01:19:18,120

is um sported by the

2003

01:19:23,810 --> 01:19:21,239

hero and the principal authority of

2004

01:19:27,410 --> 01:19:23,820

Christianity to to say that there is not

2005

01:19:29,810 --> 01:19:27,420

a connection would be a blatant lie and

2006

01:19:32,149 --> 01:19:29,820

let's not go too far if you want to get

2007

01:19:36,290 --> 01:19:32,159

into the occult circles we have the

2008

01:19:39,830 --> 01:19:36,300

Baphomet who obviously has wings uh the

2009

01:19:44,450 --> 01:19:39,840

head of a goat an illuminative light

2010

01:19:47,810 --> 01:19:44,460

Beacon above him of course the Moon and

2011

01:19:49,970 --> 01:19:47,820

the Sun or it's the Opposites on either

2012

01:19:52,729 --> 01:19:49,980

side of his hands and

2013

01:19:56,630 --> 01:19:52,739

possibly the most telling would be that

2014

01:19:59,510 --> 01:19:56,640

the genitalia or what is in that area is

2015

01:20:02,270 --> 01:19:59,520

quite literally the staff with the two

2016

01:20:05,090 --> 01:20:02,280

serpents climbing above it

2017

01:20:08,090 --> 01:20:05,100

um towards the top so we have uh the

2018

01:20:11,390 --> 01:20:08,100

symbol of modern medicine there

2019

01:20:14,270 --> 01:20:11,400

oddly the uh snake and staff symbol is

2020

01:20:16,970 --> 01:20:14,280

one we all recognize today

2021

01:20:20,149 --> 01:20:16,980

and the wings above it if you uh

2022

01:20:22,790 --> 01:20:20,159

transpose those onto the Baphomet you'll

2023

01:20:25,189 --> 01:20:22,800

notice that all of those are there you

2024

01:20:28,250 --> 01:20:25,199

just don't have the uh

2025

01:20:30,590 --> 01:20:28,260

the human torso and the goat's head or

2026

01:20:34,910 --> 01:20:30,600

the legs but pretty much the entire

2027

01:20:37,250 --> 01:20:34,920

thing is there on that logo and

2028

01:20:39,410 --> 01:20:37,260

it's interesting that snakes would be

2029

01:20:42,470 --> 01:20:39,420

involved with medicine when they're so

2030

01:20:46,490 --> 01:20:42,480

deadly of animals but yet this has more

2031

01:20:50,570 --> 01:20:46,500

of a reference to the knowledge that

2032

01:20:52,910 --> 01:20:50,580

comes of health and it's very plausible

2033

01:20:54,890 --> 01:20:52,920

that there was there was something more

2034

01:20:58,910 --> 01:20:54,900

to this

2035

01:21:01,729 --> 01:20:58,920

um how how many of the knowledgeable

2036

01:21:04,310 --> 01:21:01,739

such as in Greek mythology asclepius

2037

01:21:06,350 --> 01:21:04,320

with his snake and staff that is where

2038

01:21:07,130 --> 01:21:06,360

he got his knowledge and we have in the

2039

01:21:11,030 --> 01:21:07,140

Bible

2040

01:21:16,310 --> 01:21:11,040

where Adam and Eve supposedly bit from

2041

01:21:18,550 --> 01:21:16,320

the apple and eight of this knowledge of

2042

01:21:21,590 --> 01:21:18,560

course apple is now what many devices

2043

01:21:24,649 --> 01:21:21,600

are made in the brand of the Apple

2044

01:21:28,910 --> 01:21:24,659

iPhone the iMac the uh

2045

01:21:31,669 --> 01:21:28,920

MacBook Pro Etc I know I am a

2046

01:21:33,890 --> 01:21:31,679

Eater of the Apple knowledge

2047

01:21:36,649 --> 01:21:33,900

so I guess we're still taking a bite out

2048

01:21:38,810 --> 01:21:36,659

of the apple and getting that knowledge

2049

01:21:41,630 --> 01:21:38,820

speaking of knowledge if you want more

2050

01:21:43,610 --> 01:21:41,640

of this the knowledge that comes from

01:21:46,430 --> 01:21:43,620
