

HOMUNCULUS

JUAN

AYALA

1
00:00:07,820 --> 00:00:17,410
all right

2
00:00:25,189 --> 00:00:21,349
come Blast Off In My Time Machine sir I

3
00:00:29,689 --> 00:00:25,199
feel like an evizing blast off

4
00:00:32,490 --> 00:00:29,699
blast off blast off come blast off in my

5
00:00:33,850 --> 00:00:32,500
time machine that I feel like

6
00:00:38,530 --> 00:00:33,860
[Music]

7
00:00:42,049 --> 00:00:38,540
Blast Off blast off Blast Off

8
00:00:44,750 --> 00:00:42,059
Blast Off on another epic episode of the

9
00:00:46,690 --> 00:00:44,760
hyper anomalous esoteric research

10
00:00:50,810 --> 00:00:46,700
organization podcast

11
00:00:53,869 --> 00:00:50,820
AKA hero paranormal broadcasting from

12
00:00:57,110 --> 00:00:53,879
the base la Madre Mountain just south of

13
00:01:00,830 --> 00:00:57,120

area 51. my name is Ryan

14
00:01:04,750 --> 00:01:00,840
the anomalous ambassador of the airwaves

15
00:01:08,289 --> 00:01:04,760
bringing you an unbelievable alchemical

16
00:01:12,289 --> 00:01:08,299
ridiculously hysterical yet 100 percent

17
00:01:15,649 --> 00:01:12,299
truly epic episode tonight

18
00:01:19,010 --> 00:01:15,659
on tonight's episode we have the one the

19
00:01:21,950 --> 00:01:19,020
only Juan Ayala you probably know him

20
00:01:23,090 --> 00:01:21,960
from the absolutely amazing Juan on Juan

21
00:01:26,170 --> 00:01:23,100
podcast

22
00:01:29,390 --> 00:01:26,180
but he stars on others such as

23
00:01:33,289 --> 00:01:29,400
Illuminati confirmed the occult book

24
00:01:35,990 --> 00:01:33,299
club Mensa as well as my family thinks

25
00:01:38,630 --> 00:01:36,000
I'm crazy with Mystic Mark and a bunch

26

00:01:41,390 --> 00:01:38,640

of others he was most recently on

27

00:01:43,990 --> 00:01:41,400

tinfoil hat with my man Sam Tripoli and

28

00:01:45,950 --> 00:01:44,000

dropped some serious knowledge

29

00:01:48,950 --> 00:01:45,960

homunculus Style

30

00:01:50,870 --> 00:01:48,960

Juan Ayala also has been working on an

31

00:01:54,050 --> 00:01:50,880

epic magazine

32

00:01:57,050 --> 00:01:54,060

which is uh coming at you hard with some

33

00:01:59,450 --> 00:01:57,060

serious homunculus action if you're

34

00:02:01,490 --> 00:01:59,460

wondering what a homunculus is

35

00:02:02,450 --> 00:02:01,500

this is what we are going to discuss

36

00:02:05,389 --> 00:02:02,460

today

37

00:02:07,910 --> 00:02:05,399

the topic matter is dense it's freaky

38

00:02:10,430 --> 00:02:07,920

and nobody knows it quite as much as

39

00:02:13,250 --> 00:02:10,440

Juan Ayala he's done the Deep research

40

00:02:17,210 --> 00:02:13,260

he's looked at the old esoteric texts

41

00:02:19,729 --> 00:02:17,220

he's gone deep deep in the occult and

42

00:02:23,089 --> 00:02:19,739

he's done so in a way that is not only

43

00:02:26,210 --> 00:02:23,099

fun but gets the message across this is

44

00:02:27,290 --> 00:02:26,220

going to be a real blast a banger of an

45

00:02:30,350 --> 00:02:27,300

episode

46

00:02:32,089 --> 00:02:30,360

and we're gonna get weird real weird

47

00:02:35,210 --> 00:02:32,099

and for those that want to get weird

48

00:02:38,030 --> 00:02:35,220

more often Please Subscribe like and

49

00:02:39,830 --> 00:02:38,040

share hero paranormal on YouTube

50

00:02:42,170 --> 00:02:39,840

and if you want to see all the good

51

00:02:45,710 --> 00:02:42,180

stuff behind the paywall please

52

00:02:48,830 --> 00:02:45,720

subscribe to Hero paranormal on podbean

53

00:02:52,009 --> 00:02:48,840

go to heroparanormal.com

54

00:02:53,150 --> 00:02:52,019

or go to patreon and look up hero

55

00:02:56,330 --> 00:02:53,160

paranormal

56

00:02:59,869 --> 00:02:56,340

your support keeps the podcast coming

57

00:03:02,229 --> 00:02:59,879

keeps us delving into the strange The

58

00:03:05,030 --> 00:03:02,239

Fringe the occult

59

00:03:08,390 --> 00:03:05,040

unidentified aerial phenomena and of

60

00:03:10,910 --> 00:03:08,400

course all the things that interest us

61

00:03:13,250 --> 00:03:10,920

for those that do subscribe you know

62

00:03:15,710 --> 00:03:13,260

what you're getting and for those that

63

00:03:16,729 --> 00:03:15,720

don't subscribe you have no idea what

64

00:03:19,430 --> 00:03:16,739

you're missing

65

00:03:22,490 --> 00:03:19,440

also do me the favor of following hero

66

00:03:25,850 --> 00:03:22,500

paranormal on Facebook and or Instagram

67

00:03:28,729 --> 00:03:25,860

it helps us break through the algorithm

68

00:03:32,210 --> 00:03:28,739

the shadow ban is real

69

00:03:34,309 --> 00:03:32,220

the extraordinary conspiracy researcher

70

00:03:38,290 --> 00:03:34,319

Juan Ayala

71

00:03:41,050 --> 00:03:38,300

joins hero paranormal for a super freaky

72

00:03:44,350 --> 00:03:41,060

wild talk about

73

00:03:46,789 --> 00:03:44,360

esoteric miniature men

74

00:03:49,550 --> 00:03:46,799

alchemically produced under the

75

00:03:52,610 --> 00:03:49,560

strangest of circumstances

76

00:03:53,509 --> 00:03:52,620

it's not just hearsay the literature is

77

00:03:56,210 --> 00:03:53,519

there

78

00:03:57,410 --> 00:03:56,220

he's found it researched it and brought

79

00:03:59,509 --> 00:03:57,420

it to us

80

00:04:02,390 --> 00:03:59,519

and these aren't just quacks from the

81

00:04:05,690 --> 00:04:02,400

past these are the brightest Minds

82

00:04:07,330 --> 00:04:05,700

that the human race has ever seen for

83

00:04:10,789 --> 00:04:07,340

their times

84

00:04:14,030 --> 00:04:10,799

homunculus Rising here it comes

85

00:04:18,170 --> 00:04:14,040

so fasten your safety belts and prepare

86

00:04:21,289 --> 00:04:18,180

to blast off with the one the only Juan

87

00:04:25,310 --> 00:04:21,299

Ayala coming from Florida the hurricane

88

00:04:28,210 --> 00:04:25,320

Survivor and esoteric MacGyver Juan

89

00:04:30,830 --> 00:04:28,220

welcome to the hero paranormal podcast

90

00:04:32,810 --> 00:04:30,840

yeah what's up man we always have issues

91

00:04:34,370 --> 00:04:32,820

but I enjoyed coming on your show is it

92

00:04:36,290 --> 00:04:34,380

the Skin Walkers or what is it it's

93

00:04:39,110 --> 00:04:36,300

something there's some I think it's the

94

00:04:41,350 --> 00:04:39,120

little uh homunculuses in the uh in the

95

00:04:47,090 --> 00:04:43,850

it always goes back to homunculus

96

00:04:49,129 --> 00:04:47,100

homunculus or homunculi are

97

00:04:50,810 --> 00:04:49,139

Three Degrees of Separation from any

98

00:04:52,490 --> 00:04:50,820

major topic so

99

00:04:53,450 --> 00:04:52,500

a lot closer related than you might

100

00:04:57,110 --> 00:04:53,460

think

101
00:05:00,469 --> 00:04:57,120
it seems like it it this is crazy so

102
00:05:04,070 --> 00:05:00,479
this is such an interesting alchemical

103
00:05:06,050 --> 00:05:04,080
Enigma how did you first come across the

104
00:05:08,450 --> 00:05:06,060
let's explain the listeners a little bit

105
00:05:11,510 --> 00:05:08,460
what a homunculus is and how you first

106
00:05:13,430 --> 00:05:11,520
came across this Enigma and just all the

107
00:05:15,969 --> 00:05:13,440
hardcore serious research you've put

108
00:05:20,330 --> 00:05:15,979
into it is mind-blowing

109
00:05:23,090 --> 00:05:20,340
well the the way I came across it was

110
00:05:25,850 --> 00:05:23,100
actually reading

111
00:05:28,430 --> 00:05:25,860
some manly P hall I was doing I have

112
00:05:30,469 --> 00:05:28,440
this other show called The Occult book

113
00:05:34,210 --> 00:05:30,479

club where we

114

00:05:37,850 --> 00:05:34,220

dissect break down read ancient

115

00:05:39,950 --> 00:05:37,860

scriptures literature older literature

116

00:05:41,990 --> 00:05:39,960

1700 1800s

117

00:05:44,930 --> 00:05:42,000

and I came across the All-Seeing Eye

118

00:05:46,370 --> 00:05:44,940

with manly P hall where it's a it's a

119

00:05:48,650 --> 00:05:46,380

journal it's an esoteric Journal it's

120

00:05:52,550 --> 00:05:48,660

just got a whole bunch of occult topics

121

00:05:54,790 --> 00:05:52,560

in it and I came across one of his

122

00:05:56,810 --> 00:05:54,800

topics in it which was homuncular

123

00:06:00,290 --> 00:05:56,820

homunculus I think he called it

124

00:06:04,310 --> 00:06:00,300

homunculi and it is a story I'm gonna

125

00:06:06,650 --> 00:06:04,320

actually look it up here now I'll sing I

126

00:06:09,830 --> 00:06:06,660

feel I actually haven't told the exact

127

00:06:12,830 --> 00:06:09,840

story that got me into the All-Seeing

128

00:06:13,730 --> 00:06:12,840

Eye the the homunculus topic but it was

129

00:06:15,710 --> 00:06:13,740

from

130

00:06:17,570 --> 00:06:15,720

y'all seeing uh let me see here I can

131

00:06:20,210 --> 00:06:17,580

find it quickly but it's this story

132

00:06:22,969 --> 00:06:20,220

about a Freemason and

133

00:06:25,370 --> 00:06:22,979

of course right a Freemason that

134

00:06:29,270 --> 00:06:25,380

allegedly creates

135

00:06:31,010 --> 00:06:29,280

uh of 10 homunculi and some of them have

136

00:06:33,529 --> 00:06:31,020

the power to

137

00:06:36,050 --> 00:06:33,539

tell the future

138

00:06:40,490 --> 00:06:36,060

and here we go I found it here

139

00:06:42,529 --> 00:06:40,500

so winter so this is from 1949 manly P

140

00:06:46,129 --> 00:06:42,539

hall was writing about it

141

00:06:47,990 --> 00:06:46,139

and he wrote this story here

142

00:06:49,249 --> 00:06:48,000

and every time I go on a podcast to talk

143

00:06:50,689 --> 00:06:49,259

about I go yeah let me read the story

144

00:06:52,309 --> 00:06:50,699

that got me into it and I never get

145

00:06:57,189 --> 00:06:52,319

around to it so it's good that I'm doing

146

00:06:59,510 --> 00:06:57,199

it now nice and so it's called

147

00:07:01,490 --> 00:06:59,520

curiouser and

148

00:07:03,890 --> 00:07:01,500

curious sir I guess that's how you say

149

00:07:05,870 --> 00:07:03,900

it and then it's called Department a

150

00:07:09,070 --> 00:07:05,880

department dedicated to Alice in

151

00:07:12,170 --> 00:07:09,080

Wonderland and the the name of the

152

00:07:14,090 --> 00:07:12,180

article or the story is called homunculi

153

00:07:16,010 --> 00:07:14,100

and this is mainly P hall by the way one

154

00:07:18,529 --> 00:07:16,020

of the greatest I think he wasn't

155

00:07:20,330 --> 00:07:18,539

occultist some people say armchair

156

00:07:21,710 --> 00:07:20,340

cultists but I don't know and usually

157

00:07:23,270 --> 00:07:21,720

when these guys are studying the occult

158

00:07:24,890 --> 00:07:23,280

for some reason they live for a very

159

00:07:29,990 --> 00:07:24,900

long time these guys are living up until

160

00:07:32,450 --> 00:07:30,000

they're 90 something years old and

161

00:07:34,129 --> 00:07:32,460

American P hoffing lived to almost 90

162

00:07:37,550 --> 00:07:34,139

years old he was martyred by the way but

163

00:07:39,469 --> 00:07:37,560

that's very sure for sure suicided

164

00:07:42,469 --> 00:07:39,479

yeah yeah exactly he was definitely

165

00:07:47,150 --> 00:07:42,479

taken out so it's this story about Lord

166

00:07:50,870 --> 00:07:47,160

Coupes kufastein and he was this guy

167

00:07:53,089 --> 00:07:50,880

right uh typical Faustian pact Saint uh

168

00:07:55,730 --> 00:07:53,099

count of Saint Germain type of guy where

169

00:07:57,950 --> 00:07:55,740

you know what the you know John D he was

170

00:08:00,409 --> 00:07:57,960

conjuring with the evil spirits and he

171

00:08:01,969 --> 00:08:00,419

made a pact with the Devil the Faustian

172

00:08:05,089 --> 00:08:01,979

pact for all the knowledge that there

173

00:08:08,990 --> 00:08:05,099

was and he was intrigued with obviously

174

00:08:11,930 --> 00:08:09,000

the Alchemy and what really makes this

175

00:08:13,850 --> 00:08:11,940

this story or this topic so interesting

176

00:08:17,990 --> 00:08:13,860

is because you have various things going

177

00:08:22,369 --> 00:08:18,000

on at once you have the story of the

178

00:08:24,890 --> 00:08:22,379

Sci-Fi fiction uh idea of creating life

179

00:08:26,809 --> 00:08:24,900

from nothing and then you have the other

180

00:08:30,529 --> 00:08:26,819

aspect of it of the grimoire the

181

00:08:31,850 --> 00:08:30,539

medieval grimoire magic that really if

182

00:08:34,190 --> 00:08:31,860

you start looking into some of these

183

00:08:36,110 --> 00:08:34,200

grimoires dude they're so wild and so

184

00:08:38,810 --> 00:08:36,120

out there that really makes you think

185

00:08:42,529 --> 00:08:38,820

how I said on an uh I think it was tin

186

00:08:45,410 --> 00:08:42,539

foil hat where there was a guy who

187

00:08:47,210 --> 00:08:45,420

was actually testing this out right it

188

00:08:49,310 --> 00:08:47,220

was like hey if you get you know if you

189

00:08:51,949 --> 00:08:49,320

spin around three times do a backflip

190

00:08:53,690 --> 00:08:51,959

turn your shoe upside down and and sit

191

00:08:55,970 --> 00:08:53,700

down crisscross applesauce you might

192

00:08:58,190 --> 00:08:55,980

summon Mephistopheles there was a guy

193

00:09:00,470 --> 00:08:58,200

who probably tried to you know what I

194

00:09:03,829 --> 00:09:00,480

mean there's I feel that

195

00:09:06,710 --> 00:09:03,839

with it goes back to Pythagoras where if

196

00:09:09,710 --> 00:09:06,720

all is number it's hinting at a binary

197

00:09:12,530 --> 00:09:09,720

code hinting at a programmer hinting at

198

00:09:14,570 --> 00:09:12,540

some sort of program that's gonna

199

00:09:16,550 --> 00:09:14,580

eventually

200

00:09:18,410 --> 00:09:16,560

and it's going to have some sort of

201
00:09:21,410 --> 00:09:18,420
glitch within the Matrix and I think

202
00:09:23,509 --> 00:09:21,420
that that's what this type of magic is I

203
00:09:26,509 --> 00:09:23,519
think it's glitches in The Matrix if you

204
00:09:28,670 --> 00:09:26,519
will and I know we did the MPC episode

205
00:09:30,170 --> 00:09:28,680
and I think we talked about it about

206
00:09:32,870 --> 00:09:30,180
being in the simulation but I do think

207
00:09:34,850 --> 00:09:32,880
that there's a way to override that and

208
00:09:36,350 --> 00:09:34,860
I believe it's a lost technology I know

209
00:09:39,110 --> 00:09:36,360
you're referred to as an elemental

210
00:09:42,290 --> 00:09:39,120
technology I I do I'm on that same on

211
00:09:46,009 --> 00:09:42,300
that same boat so we have this count of

212
00:09:48,290 --> 00:09:46,019
kufestein which he was he wanted to know

213
00:09:49,550 --> 00:09:48,300

everything that there ever was right and

214

00:09:54,650 --> 00:09:49,560

he

215

00:09:58,430 --> 00:09:54,660

and so

216

00:10:00,470 --> 00:09:58,440

he had met a a high French Mason he was

217

00:10:02,449 --> 00:10:00,480

a rosicrucian he was all this all this

218

00:10:05,210 --> 00:10:02,459

stuff and

219

00:10:07,790 --> 00:10:05,220

allegedly he had in the Masonic Lodge

220

00:10:09,949 --> 00:10:07,800

I'm gonna read it here the alchemical

221

00:10:12,590 --> 00:10:09,959

magical formula seemed to have been

222

00:10:14,870 --> 00:10:12,600

successful and the count and Abe

223

00:10:17,269 --> 00:10:14,880

generated 10 mysterious little beings

224

00:10:20,269 --> 00:10:17,279

each of the creatures as soon as it came

225

00:10:22,850 --> 00:10:20,279

into life was placed in a bottle filled

226

00:10:26,210 --> 00:10:22,860

with Sanctified water and tightly sealed

227

00:10:28,070 --> 00:10:26,220

the ten homunculi consist of a king and

228

00:10:30,710 --> 00:10:28,080

this is where it gets weird the ten Hill

229

00:10:34,190 --> 00:10:30,720

monkey I consists of a king a queen an

230

00:10:37,310 --> 00:10:34,200

architect a monk a miner a nun a

231

00:10:39,650 --> 00:10:37,320

seraphim a a knight a blue spirit and a

232

00:10:41,990 --> 00:10:39,660

red Spirit mind you this is alchemical

233

00:10:43,550 --> 00:10:42,000

so you have the monk you have the priest

234

00:10:44,569 --> 00:10:43,560

you have all that stuff in there which

235

00:10:47,569 --> 00:10:44,579

could be

236

00:10:50,090 --> 00:10:47,579

code name that says what you look at all

237

00:10:53,810 --> 00:10:50,100

these alchemical plates where it has

238

00:10:55,670 --> 00:10:53,820

like weird weird things in the paintings

239

00:10:58,370 --> 00:10:55,680

in the in the Engravings or whatever it

240

00:11:01,069 --> 00:10:58,380

is and it was all code because

241

00:11:03,050 --> 00:11:01,079

I believe that there is a metaphorical

242

00:11:04,550 --> 00:11:03,060

sense to everything and there's a

243

00:11:07,490 --> 00:11:04,560

literal sense

244

00:11:09,230 --> 00:11:07,500

and and this particular

245

00:11:10,970 --> 00:11:09,240

topic of the homuncus I think there's

246

00:11:13,310 --> 00:11:10,980

two things going on I think there was an

247

00:11:15,050 --> 00:11:13,320

actual practice of it as well as a

248

00:11:16,430 --> 00:11:15,060

metaphysical and we can get into the

249

00:11:19,670 --> 00:11:16,440

into the two

250

00:11:22,069 --> 00:11:19,680

but this guy made 10 homunculi and it

251
00:11:24,710 --> 00:11:22,079
continues here uh

252
00:11:26,090 --> 00:11:24,720
camera is not entirely precise in his

253
00:11:28,009 --> 00:11:26,100
description but it seems that the

254
00:11:30,410 --> 00:11:28,019
homunculi resembled perfect little human

255
00:11:31,610 --> 00:11:30,420
beings about 10 inches high one of the

256
00:11:33,949 --> 00:11:31,620
descriptions suggests that they were

257
00:11:37,069 --> 00:11:33,959
visible at all times floating like

258
00:11:38,509 --> 00:11:37,079
undynes in the larger bottle and another

259
00:11:40,310 --> 00:11:38,519
place however appears that these

260
00:11:42,410 --> 00:11:40,320
creatures would fade from sight in the

261
00:11:45,650 --> 00:11:42,420
liquid and only took form

262
00:11:48,050 --> 00:11:45,660
when commanded to do so count John was

263
00:11:49,730 --> 00:11:48,060

not satisfied with these tiny forms and

264

00:11:51,290 --> 00:11:49,740

a further ritual was undertaken which

265

00:11:54,290 --> 00:11:51,300

caused them to grow to a state of

266

00:11:56,329 --> 00:11:54,300

maturity in about four weeks when full

267

00:11:59,990 --> 00:11:56,339

grown the homunculi attained the height

268

00:12:02,930 --> 00:12:00,000

of 18 inches so again there's a weird

269

00:12:05,090 --> 00:12:02,940

story of the sky with a partner there

270

00:12:06,590 --> 00:12:05,100

went a lab you know mad scientist and

271

00:12:09,470 --> 00:12:06,600

reminds me this is what inspired

272

00:12:11,449 --> 00:12:09,480

Frankenstein Mary Shelley's husband I

273

00:12:13,910 --> 00:12:11,459

can't recall his name at the moment but

274

00:12:15,650 --> 00:12:13,920

he was allegedly reading these

275

00:12:17,449 --> 00:12:15,660

alchemical scriptures in these

276

00:12:19,910 --> 00:12:17,459

alchemical texts and he was fascinated

277

00:12:23,930 --> 00:12:19,920

with them she was allegedly an occultist

278

00:12:26,090 --> 00:12:23,940

too so this idea of

279

00:12:29,150 --> 00:12:26,100

I don't want to say interbreeding but

280

00:12:31,250 --> 00:12:29,160

but transmuting fiction into reality we

281

00:12:33,410 --> 00:12:31,260

see that all throughout occultism you

282

00:12:34,850 --> 00:12:33,420

have Crowley writing about the moon

283

00:12:36,949 --> 00:12:34,860

child which is another form of a

284

00:12:39,650 --> 00:12:36,959

homunculus too we can talk about that a

285

00:12:42,050 --> 00:12:39,660

little bit but these people were again

286

00:12:44,210 --> 00:12:42,060

the you know back to Mary shelling the

287

00:12:46,069 --> 00:12:44,220

the Frankenstein they were transmuting

288

00:12:48,889 --> 00:12:46,079

fiction into reality they were telling a

289

00:12:52,250 --> 00:12:48,899

quote-unquote fake story but it makes

290

00:12:56,629 --> 00:12:52,260

you think during the medieval times

291

00:12:58,490 --> 00:12:56,639

people were stealing bodies from graves

292

00:13:01,090 --> 00:12:58,500

and they were doing certain things with

293

00:13:04,069 --> 00:13:01,100

you you have the neck the the typical

294

00:13:05,870 --> 00:13:04,079

Necromancer which is the sorcerer with

295

00:13:08,389 --> 00:13:05,880

the skulls and all this stuff right we

296

00:13:10,310 --> 00:13:08,399

have the typical Necromancer Diablo the

297

00:13:12,050 --> 00:13:10,320

game painted like they control the dead

298

00:13:13,850 --> 00:13:12,060

they animate the Dead all this stuff all

299

00:13:14,750 --> 00:13:13,860

these video games they all depict them

300

00:13:16,610 --> 00:13:14,760

like that

301
00:13:19,790 --> 00:13:16,620
back then

302
00:13:22,310 --> 00:13:19,800
there was medicinal cannibalism where if

303
00:13:24,650 --> 00:13:22,320
you ate the you know the liver of

304
00:13:27,050 --> 00:13:24,660
somebody you would get certain powers or

305
00:13:29,569 --> 00:13:27,060
the spirit and the Soul were contained

306
00:13:31,009 --> 00:13:29,579
in the liver or if you ate the eyes of

307
00:13:33,110 --> 00:13:31,019
something you know you could see better

308
00:13:34,990 --> 00:13:33,120
there was all these beliefs that's

309
00:13:39,290 --> 00:13:35,000
galenic uh

310
00:13:41,150 --> 00:13:39,300
galenic physiology where each piece of

311
00:13:44,990 --> 00:13:41,160
of body part is attributed to a certain

312
00:13:47,030 --> 00:13:45,000
different power and you can see this in

313
00:13:49,250 --> 00:13:47,040

ancient Rites of people who would

314

00:13:51,350 --> 00:13:49,260

practice cannibalism right if you ate

315

00:13:53,389 --> 00:13:51,360

the brain there's the story that I keep

316

00:13:55,610 --> 00:13:53,399

hearing about uh if you think about

317

00:13:57,230 --> 00:13:55,620

Dahmer right what Dahmer was doing with

318

00:13:59,870 --> 00:13:57,240

the whole skulls I think Dahmer was

319

00:14:01,490 --> 00:13:59,880

doing some occult stuff but they were

320

00:14:02,930 --> 00:14:01,500

never able to prove it I that's my

321

00:14:05,509 --> 00:14:02,940

personal belief but this idea of

322

00:14:08,210 --> 00:14:05,519

collecting body parts right collecting

323

00:14:10,430 --> 00:14:08,220

and and who knows if Dahmer was trying

324

00:14:12,710 --> 00:14:10,440

to make his own Frankenstein again this

325

00:14:14,150 --> 00:14:12,720

is rooted in the belief of the Golem

326

00:14:16,250 --> 00:14:14,160

which inspired the humongous which

327

00:14:17,870 --> 00:14:16,260

inspired Frankenstein so this is there's

328

00:14:20,150 --> 00:14:17,880

a there's a lineage that you can trace

329

00:14:21,710 --> 00:14:20,160

when it comes to this but this story of

330

00:14:23,990 --> 00:14:21,720

this kuffstein guy

331

00:14:26,269 --> 00:14:24,000

making this a monkey lion being able to

332

00:14:28,910 --> 00:14:26,279

uh one one of them was able to tell the

333

00:14:30,410 --> 00:14:28,920

future but he only had them at his at

334

00:14:33,949 --> 00:14:30,420

his lodge of course right his

335

00:14:36,889 --> 00:14:33,959

freemasonic lodge and uh they saw they

336

00:14:39,189 --> 00:14:36,899

grew to 18 inches the Abe of jelone not

337

00:14:42,050 --> 00:14:39,199

only blessed each of the little

338

00:14:43,790 --> 00:14:42,060

elementaries but seems to have made

339

00:14:45,530 --> 00:14:43,800

clothes for them so that each was a

340

00:14:47,810 --> 00:14:45,540

tired according to his station the king

341

00:14:50,629 --> 00:14:47,820

had a small scepter and a crown the

342

00:14:52,129 --> 00:14:50,639

queen a diadem the Knight of Sword the

343

00:14:53,810 --> 00:14:52,139

architect the compass the tiny people

344

00:14:56,030 --> 00:14:53,820

were most handsome but their

345

00:14:59,090 --> 00:14:56,040

dispositions were not of the best one

346

00:15:00,710 --> 00:14:59,100

day while the kindly a was barbering the

347

00:15:05,449 --> 00:15:00,720

hair and the Beards of the gentleman

348

00:15:07,430 --> 00:15:05,459

hamakilai the monk bit his hand when no

349

00:15:09,230 --> 00:15:07,440

one was around the homunculi argued

350

00:15:12,170 --> 00:15:09,240

screamed and bickered among themselves

351
00:15:14,509 --> 00:15:12,180
their one desire was to escape from the

352
00:15:16,490 --> 00:15:14,519
bottles one day the king did so and it

353
00:15:19,430 --> 00:15:16,500
required much time and patience to

354
00:15:21,470 --> 00:15:19,440
capture him so typical it makes you

355
00:15:23,870 --> 00:15:21,480
think of Toy Story right where these

356
00:15:25,129 --> 00:15:23,880
little toys are animating it makes you

357
00:15:29,329 --> 00:15:25,139
think of where all these ideas

358
00:15:31,910 --> 00:15:29,339
originated from and it goes on these

359
00:15:35,389 --> 00:15:31,920
eventually the homunculi die one of them

360
00:15:38,210 --> 00:15:35,399
breaks out they can't live outside of

361
00:15:40,069 --> 00:15:38,220
the of the flask that's that's a some of

362
00:15:43,189 --> 00:15:40,079
them aren't able to live out side of the

363
00:15:45,410 --> 00:15:43,199

alchemical flask and I think one of them

364

00:15:49,790 --> 00:15:45,420

gets killed but this is the story that

365

00:15:53,449 --> 00:15:49,800

got me interested in homunculi now when

366

00:15:54,530 --> 00:15:53,459

I came across this particular person at

367

00:15:57,530 --> 00:15:54,540

the time

368

00:15:58,970 --> 00:15:57,540

I Googled his name and I came across

369

00:16:01,250 --> 00:15:58,980

this other

370

00:16:05,329 --> 00:16:01,260

thing which is a grimoire the Lieber

371

00:16:10,310 --> 00:16:05,339

vacay which that's the one with the

372

00:16:11,930 --> 00:16:10,320

with the weird weird experiments

373

00:16:14,030 --> 00:16:11,940

and some people don't like to call it

374

00:16:15,650 --> 00:16:14,040

experiments because it's it's a weird

375

00:16:17,629 --> 00:16:15,660

there's like a weird debate in the

376

00:16:19,189 --> 00:16:17,639

community when it comes to you know so

377

00:16:20,870 --> 00:16:19,199

terrorists are really weird but

378

00:16:22,970 --> 00:16:20,880

depending on who you read there's

379

00:16:24,829 --> 00:16:22,980

different ideas of what you're supposed

380

00:16:26,930 --> 00:16:24,839

to refer it to like you're not supposed

381

00:16:28,910 --> 00:16:26,940

to say operation you're not supposed to

382

00:16:31,189 --> 00:16:28,920

say experiment I forgot what the guy

383

00:16:32,949 --> 00:16:31,199

calls it but anyways for the sake of the

384

00:16:35,329 --> 00:16:32,959

conversation we're going to say

385

00:16:37,249 --> 00:16:35,339

experiments when I came across this

386

00:16:39,230 --> 00:16:37,259

Lieber vacay

387

00:16:43,430 --> 00:16:39,240

the number one thing that stood out to

388

00:16:46,670 --> 00:16:43,440

me was it it's it's a grimoire that John

389

00:16:49,430 --> 00:16:46,680

D had a copy of out of all people John D

390

00:16:51,230 --> 00:16:49,440

had a copy of this grimoire and there

391

00:16:53,870 --> 00:16:51,240

are about

392

00:16:55,610 --> 00:16:53,880

that known I think there's about 16

393

00:16:58,550 --> 00:16:55,620

different types because the way that

394

00:17:01,370 --> 00:16:58,560

this grimoire or this book was a

395

00:17:03,170 --> 00:17:01,380

manuscript was laid out was

396

00:17:05,689 --> 00:17:03,180

there were they were it was never

397

00:17:08,630 --> 00:17:05,699

published because back again to this

398

00:17:10,130 --> 00:17:08,640

this covering right the Alchemy is

399

00:17:13,010 --> 00:17:10,140

always in symbols and all this stuff

400

00:17:16,549 --> 00:17:13,020

they would

401

00:17:18,530 --> 00:17:16,559

this type of magic was underground

402

00:17:20,689 --> 00:17:18,540

nobody wanted to put their stamp of

403

00:17:22,370 --> 00:17:20,699

approval on it or their seat on it

404

00:17:23,929 --> 00:17:22,380

because you would die if you were found

405

00:17:25,610 --> 00:17:23,939

with this in the 9th century whenever

406

00:17:27,470 --> 00:17:25,620

you were gonna you're gonna be ruled

407

00:17:28,789 --> 00:17:27,480

either a heretic you're going to be

408

00:17:30,470 --> 00:17:28,799

burned at the stake you're going to be

409

00:17:32,390 --> 00:17:30,480

killed if people found out that you had

410

00:17:34,789 --> 00:17:32,400

this sort of thing so all the copies

411

00:17:37,909 --> 00:17:34,799

that exist a lot of them are hand

412

00:17:39,470 --> 00:17:37,919

written and they are they're insinuating

413

00:17:41,090 --> 00:17:39,480

that people would take you know their

414

00:17:43,010 --> 00:17:41,100

little pieces of paper little books

415

00:17:45,650 --> 00:17:43,020

little manuscripts that it will

416

00:17:47,150 --> 00:17:45,660

insinuate that people were copying this

417

00:17:50,390 --> 00:17:47,160

secretly

418

00:17:53,690 --> 00:17:50,400

for their own personal

419

00:17:55,070 --> 00:17:53,700

collection or to study on their own and

420

00:17:58,669 --> 00:17:55,080

a lot of the times they were they're

421

00:18:00,350 --> 00:17:58,679

described as being copied in in a fast

422

00:18:02,150 --> 00:18:00,360

manner in a sloppy way almost like

423

00:18:03,289 --> 00:18:02,160

you're taking notes you you know John D

424

00:18:05,750 --> 00:18:03,299

would do that a lot he would go to

425

00:18:08,330 --> 00:18:05,760

different libraries and hand copy

426
00:18:10,669 --> 00:18:08,340
codexes or or books or whatever it was

427
00:18:12,950 --> 00:18:10,679
and then he would have a copy in his

428
00:18:15,710 --> 00:18:12,960
collection he had the biggest

429
00:18:17,870 --> 00:18:15,720
collection this uh book collection in

430
00:18:19,370 --> 00:18:17,880
Europe at his time he had the so it

431
00:18:21,470 --> 00:18:19,380
doesn't surprise me that he had

432
00:18:24,169 --> 00:18:21,480
something like this in his collection

433
00:18:25,610 --> 00:18:24,179
the Libre vacay one of the copies and a

434
00:18:28,549 --> 00:18:25,620
lot of it and a lot of the other times

435
00:18:30,590 --> 00:18:28,559
they would put it in with legitimate

436
00:18:32,990 --> 00:18:30,600
works so if you had a collection of

437
00:18:36,289 --> 00:18:33,000
let's say medical journals they would

438
00:18:37,850 --> 00:18:36,299

slip in a piece of Libra vacay towards

439

00:18:38,630 --> 00:18:37,860

the end or towards the front or towards

440

00:18:40,430 --> 00:18:38,640

the middle

441

00:18:44,630 --> 00:18:40,440

to

442

00:18:46,610 --> 00:18:44,640

pseudoscience at the time right

443

00:18:49,610 --> 00:18:46,620

and also to hide it I guess right

444

00:18:53,150 --> 00:18:49,620

because who's gonna think to look for a

445

00:18:55,250 --> 00:18:53,160

a grimoire on you know chopping up a cow

446

00:18:57,950 --> 00:18:55,260

into different pieces and putting your

447

00:19:01,789 --> 00:18:57,960

semen into it in order to birth this

448

00:19:03,169 --> 00:19:01,799

magical man in a legitimate

449

00:19:05,930 --> 00:19:03,179

medical journal you know what I'm saying

450

00:19:07,730 --> 00:19:05,940

like they were they were shrouding it

451
00:19:09,350 --> 00:19:07,740
with legitimate works and putting it in

452
00:19:11,150 --> 00:19:09,360
there and then there was other copies

453
00:19:15,409 --> 00:19:11,160
that were just by themselves

454
00:19:17,810 --> 00:19:15,419
and this book is it's good it's wild

455
00:19:19,970 --> 00:19:17,820
yeah

456
00:19:21,710 --> 00:19:19,980
dude it's so crazy because when again

457
00:19:25,190 --> 00:19:21,720
that's what so it went from this

458
00:19:26,690 --> 00:19:25,200
coopstein story to the librev king and

459
00:19:28,190 --> 00:19:26,700
then the labor of AKA because that

460
00:19:31,490 --> 00:19:28,200
that's the that's the mac daddy that's

461
00:19:35,330 --> 00:19:31,500
what everybody's interested in it's a

462
00:19:40,310 --> 00:19:35,340
book of 80 experiments and it's posing

463
00:19:42,890 --> 00:19:40,320

as Galen writing about a work of Plato's

464

00:19:45,110 --> 00:19:42,900

so again there was the pseudo-platonic

465

00:19:48,169 --> 00:19:45,120

text of back then where people were

466

00:19:49,970 --> 00:19:48,179

using these high minds of pseudo

467

00:19:53,090 --> 00:19:49,980

Aristotelian they were using these high

468

00:19:55,010 --> 00:19:53,100

minds of ancient of antiquity

469

00:19:57,590 --> 00:19:55,020

as pen names

470

00:20:00,110 --> 00:19:57,600

in another way again of shrouding

471

00:20:01,549 --> 00:20:00,120

themselves in order to not be killed

472

00:20:04,490 --> 00:20:01,559

right because you're writing about

473

00:20:08,450 --> 00:20:04,500

heretical things uh Blasphemous things

474

00:20:10,370 --> 00:20:08,460

at some points uh cruel things uh it was

475

00:20:11,990 --> 00:20:10,380

it was again I'll describe that one of

476

00:20:13,789 --> 00:20:12,000

the the main

477

00:20:16,730 --> 00:20:13,799

thing that really got me into it uh

478

00:20:19,610 --> 00:20:16,740

Virgil he wrote in uh his his work

479

00:20:22,730 --> 00:20:19,620

geologics about a ritual called begonia

480

00:20:25,250 --> 00:20:22,740

and in that ritual it is you need to

481

00:20:27,470 --> 00:20:25,260

it's for the generation of bees and it

482

00:20:29,750 --> 00:20:27,480

makes you think of the whole save the

483

00:20:32,270 --> 00:20:29,760

bees movement right well back then they

484

00:20:34,430 --> 00:20:32,280

understood that future faction when

485

00:20:36,470 --> 00:20:34,440

something putrefies it actually bursts

486

00:20:39,230 --> 00:20:36,480

new life and that was based on

487

00:20:41,990 --> 00:20:39,240

observation right it was based on seeing

488

00:20:45,070 --> 00:20:42,000

it if he left a piece of meat out to rot

489

00:20:47,870 --> 00:20:45,080

it would give birth it would

490

00:20:50,950 --> 00:20:47,880

spontaneously generate maggots which

491

00:20:54,409 --> 00:20:50,960

would then turn into flies so

492

00:20:57,549 --> 00:20:54,419

buy a chicken egg the chicken incubates

493

00:21:00,110 --> 00:20:57,559

it she's warming it up so the inside

494

00:21:02,150 --> 00:21:00,120

putrifies and it gives birth to a chick

495

00:21:03,710 --> 00:21:02,160

that's what they were thinking back then

496

00:21:07,250 --> 00:21:03,720

that's what they were that's what that's

497

00:21:09,130 --> 00:21:07,260

their idea of spontaneous generation a

498

00:21:11,750 --> 00:21:09,140

plus b equals c

499

00:21:13,210 --> 00:21:11,760

spontaneously then you have sexual

500

00:21:16,310 --> 00:21:13,220

generation where

501
00:21:20,270 --> 00:21:16,320
Aristotle thought that the sperm was the

502
00:21:22,610 --> 00:21:20,280
highest of everything in you know of man

503
00:21:25,669 --> 00:21:22,620
it was all-powerful

504
00:21:28,390 --> 00:21:25,679
and the woman on again this is this is

505
00:21:31,370 --> 00:21:28,400
Aristotelian biology the woman only

506
00:21:34,490 --> 00:21:31,380
contributed she was an incubator she

507
00:21:36,529 --> 00:21:34,500
only contributed the the matter in order

508
00:21:39,950 --> 00:21:36,539
for the sperm to thrive

509
00:21:41,930 --> 00:21:39,960
and that was sexual generation but then

510
00:21:44,810 --> 00:21:41,940
they took his ideas which came from

511
00:21:46,250 --> 00:21:44,820
Pythagoras by the way spermism and

512
00:21:49,490 --> 00:21:46,260
pre-formationism where they thought

513
00:21:52,610 --> 00:21:49,500

think the that a man was the tiny

514

00:21:54,049 --> 00:21:52,620

version of in a sperm and then when that

515

00:21:56,149 --> 00:21:54,059

would grow up it would turn into a big

516

00:21:58,610 --> 00:21:56,159

man so there was a sexually homunculine

517

00:22:00,409 --> 00:21:58,620

inside the sperm a little version of a

518

00:22:02,450 --> 00:22:00,419

big man in the sperm they didn't have

519

00:22:03,289 --> 00:22:02,460

microscopes we now know that is not the

520

00:22:05,270 --> 00:22:03,299

case

521

00:22:07,190 --> 00:22:05,280

but the scary part about it is that

522

00:22:09,110 --> 00:22:07,200

Aristotelian biology lasted well into

523

00:22:12,649 --> 00:22:09,120

the 18th century

524

00:22:14,330 --> 00:22:12,659

so you have these guys of antiquity

525

00:22:17,390 --> 00:22:14,340

that

526

00:22:20,810 --> 00:22:17,400

they influenced biology

527

00:22:23,810 --> 00:22:20,820

and and everything that we know of it to

528

00:22:24,890 --> 00:22:23,820

be up until the 18th well into the 18th

529

00:22:26,930 --> 00:22:24,900

century

530

00:22:29,810 --> 00:22:26,940

so

531

00:22:31,490 --> 00:22:29,820

you have the idea of a spontaneous

532

00:22:35,029 --> 00:22:31,500

generation where they were like okay so

533

00:22:37,610 --> 00:22:35,039

if we take the sperm of man

534

00:22:39,830 --> 00:22:37,620

what happens if we put it into different

535

00:22:43,669 --> 00:22:39,840

matrixes and Matrix means Womb by the

536

00:22:47,510 --> 00:22:43,679

way and if you think about it

537

00:22:49,130 --> 00:22:47,520

uh Neo was kind of sort of uh he was a

538

00:22:50,750 --> 00:22:49,140

synthetic human being but again he could

539

00:22:53,870 --> 00:22:50,760

count as a homunculus in a way because

540

00:22:55,970 --> 00:22:53,880

he was he was artificially grown

541

00:22:57,529 --> 00:22:55,980

but the idea of taking the sperm and

542

00:23:00,830 --> 00:22:57,539

putting it into anything else that's

543

00:23:03,890 --> 00:23:00,840

what really paved the way so we have

544

00:23:06,950 --> 00:23:03,900

this idea of putrefaction making

545

00:23:09,529 --> 00:23:06,960

New Life generating New Life the the

546

00:23:11,750 --> 00:23:09,539

begonia back to the begonia ritual it

547

00:23:13,970 --> 00:23:11,760

was a ritual to generate bees

548

00:23:16,310 --> 00:23:13,980

and what you would do is you would beat

549

00:23:19,789 --> 00:23:16,320

you would and this is kind of graphic

550

00:23:22,730 --> 00:23:19,799

but you would kill a young cow two years

551

00:23:24,590 --> 00:23:22,740

old they said and you would beat it

552

00:23:27,049 --> 00:23:24,600

with whatever you had right you would

553

00:23:29,390 --> 00:23:27,059

beat it to a pulp without breaking the

554

00:23:32,149 --> 00:23:29,400

skin okay that's the most you need to

555

00:23:35,690 --> 00:23:32,159

beat it without breaking its skin

556

00:23:38,750 --> 00:23:35,700

now when you do that you let it sit

557

00:23:40,610 --> 00:23:38,760

and you come back after it was 40 days

558

00:23:43,970 --> 00:23:40,620

in that particular one and you would

559

00:23:45,350 --> 00:23:43,980

have bees inside of the carcass would be

560

00:23:47,330 --> 00:23:45,360

burf bees

561

00:23:48,470 --> 00:23:47,340

uh you can find accounts of this in the

562

00:23:50,510 --> 00:23:48,480

Bible

563

00:23:52,250 --> 00:23:50,520

I forgot his name because Jansen or

564

00:23:55,010 --> 00:23:52,260

something like that where uh they they

565

00:23:56,330 --> 00:23:55,020

kill a lion they come back after 40 days

566

00:23:58,970 --> 00:23:56,340

and the lion

567

00:24:01,370 --> 00:23:58,980

in the line there are bees after the

568

00:24:03,350 --> 00:24:01,380

fact this is the Bible but again from

569

00:24:05,690 --> 00:24:03,360

Greek thought you know they're being

570

00:24:08,029 --> 00:24:05,700

inspired by those before them so this

571

00:24:10,010 --> 00:24:08,039

begonia ritual a lot of Scholars said

572

00:24:12,770 --> 00:24:10,020

hey that's not literal you know beating

573

00:24:16,190 --> 00:24:12,780

uh a cow to a pulp without breaking the

574

00:24:18,710 --> 00:24:16,200

skin that's maybe it's metaphorical but

575

00:24:20,870 --> 00:24:18,720

there's probably that one guy

576

00:24:22,130 --> 00:24:20,880

who tried it there's that one guy who's

577

00:24:24,529 --> 00:24:22,140

gonna come back and be like you know

578

00:24:26,570 --> 00:24:24,539

what I'm gonna see what happens I live

579

00:24:27,649 --> 00:24:26,580

in I live in the boonies I'm gonna not

580

00:24:29,090 --> 00:24:27,659

probably not gonna get in trouble for

581

00:24:31,810 --> 00:24:29,100

this and I'm not saying I condone animal

582

00:24:33,649 --> 00:24:31,820

violence or anything but

583

00:24:34,669 --> 00:24:33,659

there's like there's gonna always be

584

00:24:36,890 --> 00:24:34,679

that guy there's always going to be the

585

00:24:40,370 --> 00:24:36,900

Florida man to try it out now fast

586

00:24:43,130 --> 00:24:40,380

forward to the Libra vacuum which is 9th

587

00:24:45,350 --> 00:24:43,140

century 9 12th century depend there's

588

00:24:47,450 --> 00:24:45,360

there's various versions of it

589

00:24:49,610 --> 00:24:47,460

and it's written about in the pickatrix

590

00:24:52,370 --> 00:24:49,620

which is one of the greatest grimoires

591

00:24:54,770 --> 00:24:52,380

and grotesque Grim Wars of all time uh

592

00:24:59,090 --> 00:24:54,780

the pikatrix uh it's referenced in there

593

00:25:01,370 --> 00:24:59,100

so in the book They're posing as Galen

594

00:25:04,370 --> 00:25:01,380

writing about a pseudoplatonic text

595

00:25:07,610 --> 00:25:04,380

right they're they're posing as if it

596

00:25:10,010 --> 00:25:07,620

was Plato's work the Plato's work

597

00:25:13,970 --> 00:25:10,020

obviously we don't we know it's not his

598

00:25:18,649 --> 00:25:13,980

work and in that there's 80 experiments

599

00:25:22,789 --> 00:25:18,659

there's 40 minor and 40 major and the 40

600

00:25:24,470 --> 00:25:22,799

minor are what the person says it is the

601
00:25:27,710 --> 00:25:24,480
exoteric you know it's how to do

602
00:25:29,210 --> 00:25:27,720
illusions how to make uh how to make a

603
00:25:30,890 --> 00:25:29,220
house where somebody will lose their

604
00:25:32,990 --> 00:25:30,900
mind how to make a house where somebody

605
00:25:35,269 --> 00:25:33,000
will die how to make a house where

606
00:25:39,049 --> 00:25:35,279
somebody will have a seizure how to

607
00:25:41,570 --> 00:25:39,059
project armies in the sky armies of

608
00:25:43,789 --> 00:25:41,580
giants in the sky when I'm reading this

609
00:25:48,289 --> 00:25:43,799
I'm going that sounds a lot like project

610
00:25:53,870 --> 00:25:48,299
bluebeam that sounds is again are these

611
00:25:56,630 --> 00:25:53,880
Elites using this hidden loss technology

612
00:25:58,669 --> 00:25:56,640
or are they using satellites if you want

613
00:26:00,350 --> 00:25:58,679

to go with that Earth model if you know

614

00:26:02,870 --> 00:26:00,360

what I mean you know so it makes you

615

00:26:06,970 --> 00:26:02,880

think okay that sounds I'll be specific

616

00:26:09,830 --> 00:26:06,980

of you know projecting armies in the sky

617

00:26:12,049 --> 00:26:09,840

projecting Giants in the sky that's kind

618

00:26:14,330 --> 00:26:12,059

of weird others how to make lamps that

619

00:26:16,370 --> 00:26:14,340

don't turn off and then when you get to

620

00:26:18,649 --> 00:26:16,380

the major section which is the more

621

00:26:21,830 --> 00:26:18,659

esoteric and occulted

622

00:26:26,090 --> 00:26:21,840

and this is where the homunculus recipes

623

00:26:28,070 --> 00:26:26,100

are and where the there is the fourth

624

00:26:31,669 --> 00:26:28,080

experiment of the first I believe first

625

00:26:33,470 --> 00:26:31,679

or last four the fourth experiment and

626

00:26:35,330 --> 00:26:33,480

and the reason that the book gets his

627

00:26:36,230 --> 00:26:35,340

name the leader vacay the book of the

628

00:26:40,669 --> 00:26:36,240

cow

629

00:26:43,669 --> 00:26:40,679

is a a recipe an experiment similar to

630

00:26:47,330 --> 00:26:43,679

begonia except

631

00:26:49,610 --> 00:26:47,340

and this one you are supposed to

632

00:26:51,769 --> 00:26:49,620

I believe architecture plays a big role

633

00:26:54,649 --> 00:26:51,779

when it comes to magical workings if you

634

00:26:56,870 --> 00:26:54,659

look at religion uh for example I'm

635

00:26:58,430 --> 00:26:56,880

Christian I don't practice anymore but

636

00:27:01,190 --> 00:26:58,440

of coming from a Christian perspective

637

00:27:03,950 --> 00:27:01,200

when you go to church it's looked at as

638

00:27:05,810 --> 00:27:03,960

a holy and sacred Place well I believe

639

00:27:09,169 --> 00:27:05,820

that when you set up a magical practice

640

00:27:11,269 --> 00:27:09,179

or experiment the architecture or your

641

00:27:13,850 --> 00:27:11,279

setting or your set in setting plays a

642

00:27:16,430 --> 00:27:13,860

critical role it makes me think this

643

00:27:19,430 --> 00:27:16,440

this this experiment makes me think of

644

00:27:23,149 --> 00:27:19,440

Crowley and his Abra melon workings

645

00:27:24,470 --> 00:27:23,159

where he was had to have a house facing

646

00:27:28,190 --> 00:27:24,480

a certain direction with a certain

647

00:27:30,350 --> 00:27:28,200

number of Windows on a certain side

648

00:27:32,450 --> 00:27:30,360

and you do your magical ritual based on

649

00:27:34,669 --> 00:27:32,460

that right it's a very specific

650

00:27:37,370 --> 00:27:34,679

in the Libre vacay it tells you you need

651
00:27:40,610 --> 00:27:37,380
to have 40 windows on one side of the

652
00:27:43,669 --> 00:27:40,620
building you need to take a cow again

653
00:27:45,830 --> 00:27:43,679
it's very graphic you cut the head off

654
00:27:47,090 --> 00:27:45,840
you drain the blood you sew the head

655
00:27:50,390 --> 00:27:47,100
back on

656
00:27:53,750 --> 00:27:50,400
you plug its orifices

657
00:27:56,390 --> 00:27:53,760
and you anoint it with after it after

658
00:27:58,970 --> 00:27:56,400
putting in your seed if you know what I

659
00:28:00,950 --> 00:27:58,980
mean your sperm into this animal in some

660
00:28:03,590 --> 00:28:00,960
other cases you do need to penetrate the

661
00:28:07,970 --> 00:28:03,600
animal it is bestiality again very dark

662
00:28:09,950 --> 00:28:07,980
very ominous very nasty

663
00:28:12,830 --> 00:28:09,960

and I think that's why everybody likes

664

00:28:14,990 --> 00:28:12,840

this because it's it's that true crime

665

00:28:17,269 --> 00:28:15,000

right the Gory details that nobody

666

00:28:19,250 --> 00:28:17,279

really talks about you know I'm bringing

667

00:28:21,350 --> 00:28:19,260

them up and and deal coaching them and

668

00:28:23,330 --> 00:28:21,360

bringing them to light so there's

669

00:28:24,950 --> 00:28:23,340

various versions in order to uh I'm

670

00:28:27,049 --> 00:28:24,960

gonna talk about the generation of bees

671

00:28:30,529 --> 00:28:27,059

and the Libre vacay uh you're supposed

672

00:28:33,490 --> 00:28:30,539

to take a cow you you kill it and then

673

00:28:37,510 --> 00:28:33,500

you're supposed to beat its body

674

00:28:42,430 --> 00:28:37,520

with the biggest dog penis you can find

675

00:28:46,310 --> 00:28:42,440

and yeah dog penis okay that's that's

676

00:28:47,810 --> 00:28:46,320

that's the kicker uh but it makes you it

677

00:28:49,730 --> 00:28:47,820

made me think when I was reading I said

678

00:28:50,630 --> 00:28:49,740

how would you know if you have the

679

00:28:54,370 --> 00:28:50,640

biggest

680

00:28:58,970 --> 00:28:54,380

dog penis how would you even go about

681

00:29:00,890 --> 00:28:58,980

finding the biggest dog penis around so

682

00:29:02,870 --> 00:29:00,900

long story short you need to take a

683

00:29:04,850 --> 00:29:02,880

dog's penis and you beat the cow to a

684

00:29:06,470 --> 00:29:04,860

pulp similar to begonia

685

00:29:08,090 --> 00:29:06,480

and

686

00:29:10,130 --> 00:29:08,100

after a certain amount of days you're

687

00:29:12,289 --> 00:29:10,140

supposed to lock up the cow in this

688

00:29:15,769 --> 00:29:12,299

house and every now and again you're

689

00:29:18,289 --> 00:29:15,779

gonna throw powdered bees at it until uh

690

00:29:20,210 --> 00:29:18,299

you get live bees

691

00:29:21,549 --> 00:29:20,220

and then if you do it backwards you get

692

00:29:25,370 --> 00:29:21,559

a live cow

693

00:29:27,110 --> 00:29:25,380

so again it's very weird but then it's

694

00:29:28,970 --> 00:29:27,120

it gets you the recipes it gives you the

695

00:29:31,250 --> 00:29:28,980

recipes on how to make a homunculus what

696

00:29:35,269 --> 00:29:31,260

the what the author calls a rational

697

00:29:38,690 --> 00:29:35,279

animal an irrational animal is again

698

00:29:40,370 --> 00:29:38,700

this crimera this thing where uh you

699

00:29:42,950 --> 00:29:40,380

know growing up

700

00:29:45,470 --> 00:29:42,960

even in ancient scripture you have

701
00:29:47,450 --> 00:29:45,480
Adam and Eve they were you know Adam in

702
00:29:49,750 --> 00:29:47,460
the talmud is a Golem he was made from

703
00:29:53,210 --> 00:29:49,760
the dirt from the clay

704
00:29:56,570 --> 00:29:53,220
and you know it was a Prometheus makes

705
00:29:59,750 --> 00:29:56,580
man out of clay in the story of in the

706
00:30:02,210 --> 00:29:59,760
Genesis story again uh from from the

707
00:30:04,669 --> 00:30:02,220
dust or something like that anyways and

708
00:30:07,370 --> 00:30:04,679
the Anunnaki again using the womb of the

709
00:30:10,430 --> 00:30:07,380
Anunnaki and the sperm of a some sort of

710
00:30:13,010 --> 00:30:10,440
homo sapien uh again insinuating this

711
00:30:15,889 --> 00:30:13,020
idea of this artificially grown human

712
00:30:18,889 --> 00:30:15,899
has been around since that time

713
00:30:22,789 --> 00:30:18,899

now uh in the Libre vacuum when it talks

714

00:30:24,529 --> 00:30:22,799

about the homunculus recipe you need to

715

00:30:26,330 --> 00:30:24,539

again same thing

716

00:30:27,470 --> 00:30:26,340

a room with certain amount of Windows a

717

00:30:30,289 --> 00:30:27,480

house with certain amount of Windows

718

00:30:33,289 --> 00:30:30,299

you're supposed to be head to cow or you

719

00:30:35,269 --> 00:30:33,299

right a sheep or some other type of

720

00:30:36,470 --> 00:30:35,279

animal uh there's another one where you

721

00:30:40,130 --> 00:30:36,480

use a monkey there's another one where

722

00:30:42,889 --> 00:30:40,140

it's an unnamed animal and when you make

723

00:30:44,570 --> 00:30:42,899

this homunculus after inseminating it

724

00:30:46,430 --> 00:30:44,580

right plugging it up letting it sit

725

00:30:47,750 --> 00:30:46,440

there's going to be this gelatinous

726

00:30:51,769 --> 00:30:47,760

thing that you're supposed to take out

727

00:30:53,990 --> 00:30:51,779

of the corpse or the carcass of this cow

728

00:30:56,090 --> 00:30:54,000

and you're supposed to form it into the

729

00:30:57,950 --> 00:30:56,100

shape of a man and you're going to make

730

00:30:59,510 --> 00:30:57,960

this concoction it gives you the

731

00:31:01,490 --> 00:30:59,520

ingredients you're going to make this

732

00:31:04,070 --> 00:31:01,500

concoction and you're going to dip the

733

00:31:07,970 --> 00:31:04,080

gelatinous being that you formed into

734

00:31:10,430 --> 00:31:07,980

the shape of a man into this mixture and

735

00:31:11,930 --> 00:31:10,440

when you do that it's going to grow skin

736

00:31:13,310 --> 00:31:11,940

and when it grows skin you're going to

737

00:31:14,570 --> 00:31:13,320

take it you're going to put in a vessel

738

00:31:16,190 --> 00:31:14,580

and after three days it's gonna get

739

00:31:19,310 --> 00:31:16,200

hungry and you're gonna feed it the

740

00:31:22,070 --> 00:31:19,320

blood of the beheaded mother right the

741

00:31:23,450 --> 00:31:22,080

carcass of the cow and that's your

742

00:31:25,549 --> 00:31:23,460

homunculus that's going to be your

743

00:31:29,029 --> 00:31:25,559

homunculus now you can do various things

744

00:31:30,110 --> 00:31:29,039

with this homunculus and back to your

745

00:31:32,930 --> 00:31:30,120

question at the beginning what is a

746

00:31:35,389 --> 00:31:32,940

homunculus homunculus just means it's

747

00:31:37,070 --> 00:31:35,399

Latin for little man there are various

748

00:31:40,490 --> 00:31:37,080

types of homunculi you have a

749

00:31:42,409 --> 00:31:40,500

pathological you have a alchemical you

750

00:31:44,630 --> 00:31:42,419

have a

751
00:31:48,710 --> 00:31:44,640
a magical

752
00:31:50,930 --> 00:31:48,720
and the OG homunculus was the voodoo

753
00:31:53,710 --> 00:31:50,940
doll which which we've all seen in

754
00:31:55,970 --> 00:31:53,720
movies and whatnot it is the simulacra

755
00:31:59,750 --> 00:31:55,980
of a man

756
00:32:02,510 --> 00:31:59,760
right aversion a representation a symbol

757
00:32:03,889 --> 00:32:02,520
of a man and obviously with Voodoo what

758
00:32:06,169 --> 00:32:03,899
do they do in the movies they take a

759
00:32:07,269 --> 00:32:06,179
piece of hair or something where they

760
00:32:09,889 --> 00:32:07,279
tie that

761
00:32:12,049 --> 00:32:09,899
homunculus to the person and whatever

762
00:32:14,810 --> 00:32:12,059
they affect the voodoo doll with happens

763
00:32:16,250 --> 00:32:14,820

to the person that's the OG homunculus

764

00:32:19,070 --> 00:32:16,260

and what I'm talking to you guys about

765

00:32:20,389 --> 00:32:19,080

mostly which is the more in my opinion

766

00:32:23,870 --> 00:32:20,399

the more fascinating one is the

767

00:32:26,870 --> 00:32:23,880

alchemical homunculus the little man

768

00:32:30,470 --> 00:32:26,880

made through Alchemy which you know

769

00:32:32,870 --> 00:32:30,480

Alchemy can is a such a broad topic uh

770

00:32:35,690 --> 00:32:32,880

but there was the pursuit for the elixir

771

00:32:38,630 --> 00:32:35,700

of life right for immortality uh the the

772

00:32:39,409 --> 00:32:38,640

the the pursuit for the Philosopher's

773

00:32:41,930 --> 00:32:39,419

Stone

774

00:32:43,850 --> 00:32:41,940

right turning lead into gold and there

775

00:32:46,970 --> 00:32:43,860

was also what I believe was the main

776

00:32:48,830 --> 00:32:46,980

goal the magnum opus the creation of

777

00:32:50,029 --> 00:32:48,840

Life the artificial creation of life

778

00:32:52,430 --> 00:32:50,039

because

779

00:32:53,990 --> 00:32:52,440

once you have this homunculus once you

780

00:32:56,450 --> 00:32:54,000

go through once you go through all the

781

00:32:58,610 --> 00:32:56,460

trouble of getting the cow going through

782

00:33:00,529 --> 00:32:58,620

this whole 40-day thing taking it out

783

00:33:02,450 --> 00:33:00,539

forming it into a man putting it into a

784

00:33:04,850 --> 00:33:02,460

vessel you could do various things with

785

00:33:06,590 --> 00:33:04,860

this homunculi homunculus

786

00:33:09,350 --> 00:33:06,600

and one of the things you could do is

787

00:33:11,990 --> 00:33:09,360

you can vivisect it drain its bodily

788

00:33:13,250 --> 00:33:12,000

fluids and anoint your feet you can walk

789

00:33:15,649 --> 00:33:13,260

on water

790

00:33:17,269 --> 00:33:15,659

you could also turn somebody into a

791

00:33:18,710 --> 00:33:17,279

sheep or an ape

792

00:33:22,610 --> 00:33:18,720

you could

793

00:33:25,250 --> 00:33:22,620

use the one of them was the it's heart

794

00:33:26,690 --> 00:33:25,260

wrapped in the skin of its forehead and

795

00:33:29,389 --> 00:33:26,700

you could be invisible

796

00:33:32,450 --> 00:33:29,399

there was another again you're using

797

00:33:34,130 --> 00:33:32,460

various parts of its body

798

00:33:37,310 --> 00:33:34,140

two

799

00:33:39,289 --> 00:33:37,320

do a magic some sort of magical and

800

00:33:41,870 --> 00:33:39,299

attained god-like Powers

801
00:33:44,750 --> 00:33:41,880
again that's what it's for now according

802
00:33:46,190 --> 00:33:44,760
to paracelsus which up until the 16th

803
00:33:48,830 --> 00:33:46,200
century we didn't have the word

804
00:33:50,870 --> 00:33:48,840
homunculus the man who coined the term

805
00:33:53,990 --> 00:33:50,880
was paracelsus

806
00:33:55,490 --> 00:33:54,000
your fastest bombastus areolas

807
00:33:58,250 --> 00:33:55,500
hollandheim something like that some

808
00:34:00,850 --> 00:33:58,260
really long name his name is crazy a

809
00:34:04,190 --> 00:34:00,860
paracelsus he was a very

810
00:34:05,509 --> 00:34:04,200
peculiar person uh perhaps homunculus

811
00:34:07,250 --> 00:34:05,519
because he was only five feet tall and

812
00:34:10,369 --> 00:34:07,260
there's a lot of stories pertaining to

813
00:34:13,790 --> 00:34:10,379

this guy this guy was doing public book

814

00:34:16,369 --> 00:34:13,800

burnings at his time uh he was what

815

00:34:18,070 --> 00:34:16,379

again very he is the father of

816

00:34:21,050 --> 00:34:18,080

Toxicology

817

00:34:24,109 --> 00:34:21,060

we attribute a lot of stuff from a

818

00:34:26,690 --> 00:34:24,119

modern day operations he was a surgeon

819

00:34:30,109 --> 00:34:26,700

it was a physician we attributed to him

820

00:34:33,290 --> 00:34:30,119

so these aren't people who are just

821

00:34:36,889 --> 00:34:33,300

crazy run-of-the-mill type of people now

822

00:34:38,869 --> 00:34:36,899

they they were they are pioneers they

823

00:34:40,010 --> 00:34:38,879

are the highest academic minds of their

824

00:34:41,270 --> 00:34:40,020

time

825

00:34:43,790 --> 00:34:41,280

but then they're attributed with

826

00:34:45,589 --> 00:34:43,800

Concepts like the homunculus so I make

827

00:34:47,750 --> 00:34:45,599

you see the

828

00:34:50,629 --> 00:34:47,760

the evolution of

829

00:34:52,730 --> 00:34:50,639

of the science of the time turning into

830

00:34:54,349 --> 00:34:52,740

science fiction today

831

00:34:56,810 --> 00:34:54,359

and I don't think it's I don't think

832

00:34:58,670 --> 00:34:56,820

that's the correct way of looking at I

833

00:35:01,430 --> 00:34:58,680

do believe that these things existed and

834

00:35:04,370 --> 00:35:01,440

they've made us nowadays through the

835

00:35:06,410 --> 00:35:04,380

mainstream and all this stuff believe it

836

00:35:09,650 --> 00:35:06,420

was just uh it's just

837

00:35:11,329 --> 00:35:09,660

science it's a pseudoscience or do you

838

00:35:13,490 --> 00:35:11,339

truly know unless you're trying these

839

00:35:15,050 --> 00:35:13,500

sort of things and really going off the

840

00:35:17,450 --> 00:35:15,060

deep end because

841

00:35:21,890 --> 00:35:17,460

some of these grimoires require you to

842

00:35:23,750 --> 00:35:21,900

have the brain of a fresh corpse

843

00:35:25,670 --> 00:35:23,760

so you're either

844

00:35:27,170 --> 00:35:25,680

again back to the medicinal cannibalism

845

00:35:29,990 --> 00:35:27,180

thing I talked about either you're going

846

00:35:33,410 --> 00:35:30,000

into Graves which at one point got so

847

00:35:35,870 --> 00:35:33,420

bad that they started to have they they

848

00:35:37,910 --> 00:35:35,880

they were selling mummies back then and

849

00:35:40,849 --> 00:35:37,920

a body of a mummy would go for x amount

850

00:35:43,609 --> 00:35:40,859

of money and it got so bad that they

851
00:35:45,290 --> 00:35:43,619
would start to just have the body of a

852
00:35:47,290 --> 00:35:45,300
regular dead person or like a peasant or

853
00:35:50,390 --> 00:35:47,300
somebody that just died on the street

854
00:35:51,530 --> 00:35:50,400
they would sell that as a mummy right

855
00:35:52,790 --> 00:35:51,540
because they were making so much money

856
00:35:54,530 --> 00:35:52,800
from selling mummy dust because people

857
00:35:56,210 --> 00:35:54,540
thought again ingesting it would help

858
00:35:58,609 --> 00:35:56,220
with their digestive system or would

859
00:36:00,950 --> 00:35:58,619
give them it would heal them from XYZ

860
00:36:03,109 --> 00:36:00,960
ailment or whatever it was because there

861
00:36:05,030 --> 00:36:03,119
was Physicians back then and magicians

862
00:36:05,930 --> 00:36:05,040
physician magician they were the same

863
00:36:08,450 --> 00:36:05,940

thing

864

00:36:09,890 --> 00:36:08,460

now what I'm talking about with using

865

00:36:11,650 --> 00:36:09,900

the reason that they use nature and

866

00:36:14,870 --> 00:36:11,660

animal it's

867

00:36:17,089 --> 00:36:14,880

which is a Christian it's a Christian

868

00:36:20,390 --> 00:36:17,099

type of magic because you're not using

869

00:36:23,150 --> 00:36:20,400

astral forces to assist you in making

870

00:36:25,690 --> 00:36:23,160

this homunculus no no you're only using

871

00:36:28,490 --> 00:36:25,700

what nature

872

00:36:31,849 --> 00:36:28,500

what what Nature has given you and only

873

00:36:34,069 --> 00:36:31,859

speeding up the process or vice versa

874

00:36:36,890 --> 00:36:34,079

so you're using the components that is

875

00:36:39,589 --> 00:36:36,900

in nature so it's not it's not demonic

876

00:36:42,829 --> 00:36:39,599

it's not astromagic it's not talismanic

877

00:36:44,870 --> 00:36:42,839

magic no it's natural so Christians they

878

00:36:47,750 --> 00:36:44,880

were doing this uh paracelsus is very

879

00:36:49,250 --> 00:36:47,760

very religious there are stories of the

880

00:36:51,829 --> 00:36:49,260

arnaldian

881

00:36:54,109 --> 00:36:51,839

homunculus which was he was a physician

882

00:36:57,950 --> 00:36:54,119

and a religious reformer

883

00:37:00,170 --> 00:36:57,960

in the in the 1200s and there's a story

884

00:37:04,130 --> 00:37:00,180

there's stories because this entire

885

00:37:07,730 --> 00:37:04,140

topic gets into the ethical parts of it

886

00:37:10,730 --> 00:37:07,740

you know the the first human was calling

887

00:37:12,589 --> 00:37:10,740

in in 1997 I believe and he was half man

888

00:37:15,470 --> 00:37:12,599

half cow

889

00:37:17,829 --> 00:37:15,480

again the cow playing a very vital role

890

00:37:21,470 --> 00:37:17,839

it makes you think of why certain

891

00:37:23,210 --> 00:37:21,480

cultures don't eat meat right right so

892

00:37:25,849 --> 00:37:23,220

is it because they so you know in

893

00:37:27,349 --> 00:37:25,859

Indiana said they worship cows so do

894

00:37:29,630 --> 00:37:27,359

they worship them because they know that

895

00:37:32,089 --> 00:37:29,640

they have some sort of power or again

896

00:37:34,430 --> 00:37:32,099

because I think that these formula

897

00:37:36,170 --> 00:37:34,440

are glitches in The Matrix I think that

898

00:37:38,810 --> 00:37:36,180

they are a way to bypass to make sure so

899

00:37:40,430 --> 00:37:38,820

now I'm not saying go out and and get a

900

00:37:42,349 --> 00:37:40,440

cow and make your own homunculine I'm

901
00:37:44,630 --> 00:37:42,359
not saying that I'm just saying that I

902
00:37:46,069 --> 00:37:44,640
do believe that there are we've talked

903
00:37:48,050 --> 00:37:46,079
about it where the where the veil is

904
00:37:49,430 --> 00:37:48,060
thinner and there are I believe there's

905
00:37:51,890 --> 00:37:49,440
there are certain things certain

906
00:37:53,569 --> 00:37:51,900
patterns you can do like a cheat code in

907
00:37:56,710 --> 00:37:53,579
a video game you know up up down down

908
00:37:59,089 --> 00:37:56,720
square circle and and and and and

909
00:38:00,890 --> 00:37:59,099
triangle and you have a bunch of money

910
00:38:02,270 --> 00:38:00,900
in the game now it's

911
00:38:04,490 --> 00:38:02,280
probably a little bit different in

912
00:38:06,230 --> 00:38:04,500
whatever real life is quote-unquote real

913
00:38:08,270 --> 00:38:06,240

life but you get the point it's I

914

00:38:09,230 --> 00:38:08,280

believe that there are glitches in The

915

00:38:13,190 --> 00:38:09,240

Matrix

916

00:38:15,650 --> 00:38:13,200

now this arnaldian arnoldus de Villanova

917

00:38:17,569 --> 00:38:15,660

he uh he was again a religious reformer

918

00:38:19,250 --> 00:38:17,579

and there are stories of him because it

919

00:38:22,010 --> 00:38:19,260

gets into the ethical perspective and

920

00:38:25,430 --> 00:38:22,020

it's like wait did God die for the sins

921

00:38:28,730 --> 00:38:25,440

of this homunculus this the arnaldian

922

00:38:30,950 --> 00:38:28,740

homunculus he would again make an

923

00:38:32,329 --> 00:38:30,960

alchemical man an alchemical little man

924

00:38:35,390 --> 00:38:32,339

a homunculus

925

00:38:39,170 --> 00:38:35,400

and as soon as it was born

926
00:38:40,609 --> 00:38:39,180
he would smash the homuncus and kill it

927
00:38:42,170 --> 00:38:40,619
and the reason that he said that he

928
00:38:43,609 --> 00:38:42,180
would do is because he said listen I

929
00:38:45,710 --> 00:38:43,619
don't know if God died for that

930
00:38:47,329 --> 00:38:45,720
homunculus of sin

931
00:38:49,849 --> 00:38:47,339
and I don't know if God is going to

932
00:38:52,310 --> 00:38:49,859
possess it with a

933
00:38:54,170 --> 00:38:52,320
a good Soul or a demonic Soul or if it's

934
00:38:56,270 --> 00:38:54,180
an empty vessel I don't know what's

935
00:38:57,410 --> 00:38:56,280
going to happen so before that before it

936
00:38:58,550 --> 00:38:57,420
gets to that point I'm just going to

937
00:39:00,589 --> 00:38:58,560
destroy it

938
00:39:03,410 --> 00:39:00,599

so you have this guy allegedly he was an

939

00:39:05,990 --> 00:39:03,420

alchemist making homunculus and just

940

00:39:07,609 --> 00:39:06,000

killing them as soon as they as soon as

941

00:39:11,210 --> 00:39:07,619

they became alive

942

00:39:14,150 --> 00:39:11,220

so again there are various stories and

943

00:39:16,609 --> 00:39:14,160

it being a vessel there is there is a

944

00:39:19,430 --> 00:39:16,619

scholar David pinktree where

945

00:39:22,609 --> 00:39:19,440

he believed that the Libra Vaca was the

946

00:39:23,990 --> 00:39:22,619

most flagrantly demonic uh grimoire out

947

00:39:26,930 --> 00:39:24,000

there ever was and he called the

948

00:39:28,730 --> 00:39:26,940

homunculus an artificial demon so you

949

00:39:30,170 --> 00:39:28,740

have people on both sides of the fence

950

00:39:31,550 --> 00:39:30,180

of like hey

951
00:39:33,170 --> 00:39:31,560
you know you have the Quran that says

952
00:39:35,270 --> 00:39:33,180
hey you're not using astral magic you're

953
00:39:37,730 --> 00:39:35,280
not using outside influences or entities

954
00:39:39,050 --> 00:39:37,740
in order to make this creature

955
00:39:40,190 --> 00:39:39,060
you know what I mean but then you have

956
00:39:41,690 --> 00:39:40,200
the other guys like no that's that's an

957
00:39:44,690 --> 00:39:41,700
artificial demon

958
00:39:46,730 --> 00:39:44,700
you know that that you're creating an

959
00:39:48,470 --> 00:39:46,740
Abomination you're not supposed to have

960
00:39:50,690 --> 00:39:48,480
that you know that's not God didn't make

961
00:39:51,530 --> 00:39:50,700
that you know I mean there are uh they

962
00:39:57,230 --> 00:39:51,540
call them

963
00:40:03,589 --> 00:40:00,349

uh Concepts uh physiology I think it is

964

00:40:07,910 --> 00:40:03,599

uh anyways the gerberian Corpus which is

965

00:40:10,130 --> 00:40:07,920

uh jabir Bin hayan which is the father

966

00:40:13,490 --> 00:40:10,140

of chemistry he was writing about

967

00:40:15,530 --> 00:40:13,500

homunculus allegedly now somebody called

968

00:40:17,829 --> 00:40:15,540

me on one of the comments one time we're

969

00:40:21,170 --> 00:40:17,839

like that's not true

970

00:40:23,690 --> 00:40:21,180

you if you don't sort uh cite your

971

00:40:24,710 --> 00:40:23,700

sources I don't believe you the only

972

00:40:26,750 --> 00:40:24,720

thing I have to say to that person is

973

00:40:28,730 --> 00:40:26,760

you obviously haven't looked far down

974

00:40:31,790 --> 00:40:28,740

the rabbit hole enough to find the

975

00:40:33,470 --> 00:40:31,800

information I found this guy but there

976

00:40:35,450 --> 00:40:33,480

are over 3000 Works attributed to this

977

00:40:38,030 --> 00:40:35,460

guy's guys was super prolific writer and

978

00:40:39,710 --> 00:40:38,040

he was the father of chemistry okay he

979

00:40:41,450 --> 00:40:39,720

is the guy who came up with the acid

980

00:40:44,089 --> 00:40:41,460

that's in your batteries in your car

981

00:40:45,890 --> 00:40:44,099

battery today okay so these aren't guys

982

00:40:48,170 --> 00:40:45,900

that are just sitting around mixing

983

00:40:50,630 --> 00:40:48,180

things now these are the highest

984

00:40:52,670 --> 00:40:50,640

academic minds of their time okay and

985

00:40:54,170 --> 00:40:52,680

they're messing around with this so this

986

00:40:57,290 --> 00:40:54,180

jiberian guy

987

00:40:58,670 --> 00:40:57,300

talked about how he could make good

988

00:41:00,290 --> 00:40:58,680

homunculi

989

00:41:01,609 --> 00:41:00,300

right because you know very religious

990

00:41:06,230 --> 00:41:01,619

he's like Hey listen any other

991

00:41:07,430 --> 00:41:06,240

homunculus is demonic and yes there are

992

00:41:09,890 --> 00:41:07,440

various things that you can mix in

993

00:41:11,930 --> 00:41:09,900

nature to call what to what he termed

994

00:41:13,790 --> 00:41:11,940

trying to think of it now but uh and

995

00:41:16,609 --> 00:41:13,800

quote-unquote animals that we haven't

996

00:41:18,589 --> 00:41:16,619

seen before so I think that either they

997

00:41:20,990 --> 00:41:18,599

were trying to make these mythological

998

00:41:23,030 --> 00:41:21,000

creatures like the Griffin or the

999

00:41:25,970 --> 00:41:23,040

Minotaur which you see half man half

1000

00:41:27,230 --> 00:41:25,980

animal the Centaur whatever what I think

1001

00:41:29,990 --> 00:41:27,240

that they were trying to attribute that

1002

00:41:32,690 --> 00:41:30,000

to homunculus now

1003

00:41:34,730 --> 00:41:32,700

uh to fast forward and to make it a

1004

00:41:36,349 --> 00:41:34,740

little bit more relevant because again

1005

00:41:38,030 --> 00:41:36,359

it's a very deep Rabbit Hole there's no

1006

00:41:40,250 --> 00:41:38,040

way I can cover this in in one hour you

1007

00:41:42,770 --> 00:41:40,260

know this is a this is a two and a half

1008

00:41:46,430 --> 00:41:42,780

hour presentation if I if I present it

1009

00:41:48,109 --> 00:41:46,440

from the very beginning but to relate it

1010

00:41:51,349 --> 00:41:48,119

to modern day because that's that's

1011

00:41:53,510 --> 00:41:51,359

where I really want to take it where

1012

00:41:55,130 --> 00:41:53,520

Aleister Crowley Crowley however you

1013

00:41:58,190 --> 00:41:55,140

want to say it whatever floats your boat

1014

00:42:01,390 --> 00:41:58,200

he was writing about this sort of thing

1015

00:42:07,250 --> 00:42:01,400

in 1960-1917 he wrote

1016

00:42:11,930 --> 00:42:09,349

he he took it remember I mentioned

1017

00:42:13,849 --> 00:42:11,940

earlier that a homunculus arnaldus de

1018

00:42:17,329 --> 00:42:13,859

Villanova he talked he talked about it

1019

00:42:19,310 --> 00:42:17,339

being a a vessel of some sorts well

1020

00:42:21,050 --> 00:42:19,320

that was an alchemical homogeneous now

1021

00:42:22,430 --> 00:42:21,060

we're going to be talking about I guess

1022

00:42:24,349 --> 00:42:22,440

you could term it the Crowley and

1023

00:42:25,550 --> 00:42:24,359

homunculus I don't know whatever

1024

00:42:31,430 --> 00:42:25,560

but

1025

00:42:33,589 --> 00:42:31,440

he believed that

1026

00:42:36,109 --> 00:42:33,599

up until the second month of gestation

1027

00:42:37,910 --> 00:42:36,119

after Owen became pregnant the fetus was

1028

00:42:40,310 --> 00:42:37,920

just a vessel and you could invoke

1029

00:42:43,010 --> 00:42:40,320

whatever Spirits you wanted into that

1030

00:42:44,930 --> 00:42:43,020

body into the into the fetus and it

1031

00:42:46,490 --> 00:42:44,940

would grow up to be a perfectly

1032

00:42:48,109 --> 00:42:46,500

healthy

1033

00:42:51,710 --> 00:42:48,119

baby

1034

00:42:53,630 --> 00:42:51,720

except it would have the spirit of this

1035

00:42:55,430 --> 00:42:53,640

corporeal being in inside of it

1036

00:42:57,950 --> 00:42:55,440

somewhere

1037

00:43:00,710 --> 00:42:57,960

now he he's he specific he was specific

1038

00:43:02,990 --> 00:43:00,720

about the instructions which I'm sure

1039

00:43:05,210 --> 00:43:03,000

the elites right the Illuminati types

1040

00:43:06,829 --> 00:43:05,220

the lizard be the lizard people whoever

1041

00:43:08,510 --> 00:43:06,839

they are I'm sure that they're reading

1042

00:43:11,150 --> 00:43:08,520

the same things that I'm reading on the

1043

00:43:13,550 --> 00:43:11,160

internet about the arnaldian homunculus

1044

00:43:15,109 --> 00:43:13,560

and and the paracelsian homunculus and

1045

00:43:16,550 --> 00:43:15,119

the juberian homunculus because there's

1046

00:43:19,130 --> 00:43:16,560

different variations I'm sure that

1047

00:43:21,770 --> 00:43:19,140

they're aware of the Lieber vacay

1048

00:43:25,430 --> 00:43:21,780

but I believe that magical systems are

1049

00:43:28,730 --> 00:43:25,440

meant to be modified to fit whatever

1050

00:43:31,670 --> 00:43:28,740

operation that you're trying to do now

1051

00:43:33,530 --> 00:43:31,680

uh Crowley did just that he didn't talk

1052

00:43:35,089 --> 00:43:33,540

about an alchemical homuncus now he said

1053

00:43:37,010 --> 00:43:35,099

you take a man and a woman their

1054

00:43:40,069 --> 00:43:37,020

astrological signs and their horoscopes

1055

00:43:44,569 --> 00:43:40,079

need to be on to XYZ they are supposed

1056

00:43:47,210 --> 00:43:44,579

to uh coitus right for x amount of time

1057

00:43:50,270 --> 00:43:47,220

when the moon and the planets are all

1058

00:43:53,150 --> 00:43:50,280

line astrologically and when she becomes

1059

00:43:54,890 --> 00:43:53,160

pregnant you're supposed to keep her in

1060

00:43:57,770 --> 00:43:54,900

a circle

1061

00:43:59,569 --> 00:43:57,780

and and various operations and you're

1062

00:44:00,890 --> 00:43:59,579

supposed to invoke certain Spirits at

1063

00:44:03,230 --> 00:44:00,900

certain times now you're supposed to do

1064

00:44:07,849 --> 00:44:03,240

this in the middle of the desert

1065

00:44:09,710 --> 00:44:07,859

where he says no rational human soul is

1066

00:44:10,970 --> 00:44:09,720

there to Incarnate again I don't know

1067

00:44:13,670 --> 00:44:10,980

what he means by that but that's what he

1068

00:44:15,410 --> 00:44:13,680

says in the middle of the desert

1069

00:44:17,329 --> 00:44:15,420

and again it's going to be born it makes

1070

00:44:19,010 --> 00:44:17,339

you think of Rosemary's Baby right all

1071

00:44:22,130 --> 00:44:19,020

these movies about giving birth to the

1072

00:44:25,430 --> 00:44:22,140

Antichrist whether it's like a a really

1073

00:44:28,490 --> 00:44:25,440

ugly looking baby or if it's uh you know

1074

00:44:30,230 --> 00:44:28,500

the energy you have Parsons which I

1075

00:44:32,109 --> 00:44:30,240

believe was inspired by Crowley

1076

00:44:36,109 --> 00:44:32,119

obviously he was a Crowley follower

1077

00:44:38,030 --> 00:44:36,119

Parsons with his Babylon working he was

1078

00:44:41,089 --> 00:44:38,040

doing the same thing trying to bring

1079

00:44:43,010 --> 00:44:41,099

forth a homunculus but for him it was a

1080

00:44:45,589 --> 00:44:43,020

femunculus which is a woman right the

1081

00:44:48,829 --> 00:44:45,599

Scarlet the [h__\h] of Babylon you know

1082

00:44:51,710 --> 00:44:48,839

again because he took a cruelian magical

1083

00:44:55,849 --> 00:44:51,720

system right a Crowley's ala Mantra

1084

00:44:57,290 --> 00:44:55,859

workings curlies uh the Cairo workings

1085

00:45:00,050 --> 00:44:57,300

whatever he was doing he took those

1086

00:45:03,829 --> 00:45:00,060

systems and he tweaked them to his own

1087

00:45:05,630 --> 00:45:03,839

whatever he wanted to do we have a

1088

00:45:07,970 --> 00:45:05,640

Nokian in there which is from John Dia

1089

00:45:09,170 --> 00:45:07,980

where Kelly we know that Crowley was a

1090

00:45:11,150 --> 00:45:09,180

big fan of theirs he thought he was The

1091

00:45:12,530 --> 00:45:11,160

Reincarnation of Edward Kelly but

1092

00:45:14,150 --> 00:45:12,540

they're taking these systems and

1093

00:45:17,210 --> 00:45:14,160

modifying them over and over over and

1094

00:45:19,849 --> 00:45:17,220

over again and then you have Parsons

1095

00:45:21,770 --> 00:45:19,859

who allegedly try to make a monkeys and

1096

00:45:23,329 --> 00:45:21,780

he allegedly did make a monkey which is

1097

00:45:24,829 --> 00:45:23,339

Margie Cameron

1098

00:45:25,790 --> 00:45:24,839

but towards the end of his life he

1099

00:45:27,349 --> 00:45:25,800

didn't believe that she was their

1100

00:45:29,870 --> 00:45:27,359

Incarnation but Marjorie Cameron then

1101
00:45:32,030 --> 00:45:29,880
took that idea and she even came up with

1102
00:45:34,849 --> 00:45:32,040
a cult called the children where they

1103
00:45:36,890 --> 00:45:34,859
tried to make an interracial Moon child

1104
00:45:40,190 --> 00:45:36,900
which is Crowley's version of a

1105
00:45:42,589 --> 00:45:40,200
homunculus and then Crowley later on had

1106
00:45:45,109 --> 00:45:42,599
his his book published the moon child

1107
00:45:46,670 --> 00:45:45,119
which is just about that about two

1108
00:45:48,349 --> 00:45:46,680
different

1109
00:45:51,950 --> 00:45:48,359
two you know white magician and a black

1110
00:45:54,770 --> 00:45:51,960
magic magician fighting over a child

1111
00:45:56,329 --> 00:45:54,780
and in that book he talks about how the

1112
00:45:58,550 --> 00:45:56,339
Greeks which because this idea comes

1113
00:46:00,410 --> 00:45:58,560

from the Greeks they would they were

1114

00:46:02,990 --> 00:46:00,420

very particular when a woman was

1115

00:46:05,030 --> 00:46:03,000

pregnant of what she would watch what

1116

00:46:07,250 --> 00:46:05,040

she would eat what she would listen to

1117

00:46:10,370 --> 00:46:07,260

where she would be

1118

00:46:12,410 --> 00:46:10,380

so this idea again is is rooted much

1119

00:46:14,390 --> 00:46:12,420

much further back than than we believe

1120

00:46:16,970 --> 00:46:14,400

and again in the Greek times you had

1121

00:46:20,210 --> 00:46:16,980

Eugenics sorry only certain people were

1122

00:46:21,950 --> 00:46:20,220

allowed to to breed together right which

1123

00:46:23,210 --> 00:46:21,960

that's also related to the Illuminati

1124

00:46:26,210 --> 00:46:23,220

and these Elites

1125

00:46:28,550 --> 00:46:26,220

but fast forward to Crowley Parks

1126
00:46:31,190 --> 00:46:28,560
because you have all these guys and if

1127
00:46:34,190 --> 00:46:31,200
you look at

1128
00:46:37,550 --> 00:46:34,200
Epstein right modern day is tied to

1129
00:46:40,430 --> 00:46:37,560
Modern Age as of recently

1130
00:46:41,809 --> 00:46:40,440
uh also they they allegedly they try to

1131
00:46:42,890 --> 00:46:41,819
make a homunculus at the Trinity site

1132
00:46:46,329 --> 00:46:42,900
the first

1133
00:46:48,470 --> 00:46:46,339
Atomic test uh there was a big jumbo

1134
00:46:52,430 --> 00:46:48,480
gumbo whatever the big container was

1135
00:46:55,329 --> 00:46:52,440
named they allegedly had in there uh

1136
00:46:58,550 --> 00:46:55,339
what they were trying to radioactively

1137
00:47:01,069 --> 00:46:58,560
allegedly right a radioactively make a

1138
00:47:03,050 --> 00:47:01,079

homunculus within that and

1139

00:47:04,849 --> 00:47:03,060

mind you the the guys before the you

1140

00:47:06,770 --> 00:47:04,859

know the fathers of that were Parsons

1141

00:47:08,750 --> 00:47:06,780

and his whole group of people you have

1142

00:47:10,490 --> 00:47:08,760

Oppenheimer in there which Oppenheimer

1143

00:47:12,109 --> 00:47:10,500

and uh

1144

00:47:13,550 --> 00:47:12,119

no wonder Von Braun was in touch with

1145

00:47:15,170 --> 00:47:13,560

with Parsons but anyways these guys were

1146

00:47:17,270 --> 00:47:15,180

all in bed together they're all from Cut

1147

00:47:18,890 --> 00:47:17,280

From the same claw and they were you

1148

00:47:20,510 --> 00:47:18,900

know I believe that Parsons at least was

1149

00:47:21,589 --> 00:47:20,520

wasn't occultist a heavy vehicle one of

1150

00:47:24,290 --> 00:47:21,599

the greatest cultists of all time

1151

00:47:26,569 --> 00:47:24,300

probably and

1152

00:47:29,030 --> 00:47:26,579

uh anyways they try to make a homunculus

1153

00:47:30,670 --> 00:47:29,040

radioactively with the first and it's at

1154

00:47:33,950 --> 00:47:30,680

the Trinity site right which is funny

1155

00:47:36,050 --> 00:47:33,960

which is along the 33rd parallel which

1156

00:47:38,329 --> 00:47:36,060

is also New Mexico the land of

1157

00:47:40,730 --> 00:47:38,339

enchantment so you have all these weird

1158

00:47:44,270 --> 00:47:40,740

things going on and

1159

00:47:49,309 --> 00:47:44,280

not too far away in New Mexico from that

1160

00:47:51,829 --> 00:47:49,319

site is the former Zorro Ranch of

1161

00:47:54,170 --> 00:47:51,839

Epstein which I think I believe is

1162

00:47:55,309 --> 00:47:54,180

still owned by one of his uh sub

1163

00:47:57,230 --> 00:47:55,319

companies

1164

00:47:58,910 --> 00:47:57,240

where they were trying allegedly you're

1165

00:48:01,849 --> 00:47:58,920

trying to get that money to pay off

1166

00:48:05,890 --> 00:48:01,859

victims of at this place the zoral ranch

1167

00:48:12,650 --> 00:48:05,900

that had I believe it was at one point

1168

00:48:18,849 --> 00:48:14,569

Acres I believe about one point square

1169

00:48:24,890 --> 00:48:22,970

339 square feet which is weird but at

1170

00:48:28,190 --> 00:48:24,900

this at this Ranch allegedly he sexually

1171

00:48:29,450 --> 00:48:28,200

molested a lot of people they had it was

1172

00:48:31,490 --> 00:48:29,460

like a honey pot where they were

1173

00:48:33,950 --> 00:48:31,500

recording people doing certain things

1174

00:48:35,750 --> 00:48:33,960

there was an entire room and an entire

1175

00:48:37,910 --> 00:48:35,760

basement just full of computers

1176
00:48:40,069 --> 00:48:37,920
allegedly full of computers and all this

1177
00:48:42,230 --> 00:48:40,079
stuff where they were recording

1178
00:48:45,109 --> 00:48:42,240
Elites that would go there

1179
00:48:47,450 --> 00:48:45,119
royalty that I would go there to to do

1180
00:48:50,809 --> 00:48:47,460
what you would imagine

1181
00:48:54,290 --> 00:48:50,819
and at this Ranch he also wanted to

1182
00:48:57,290 --> 00:48:54,300
impregnate over 20 women

1183
00:48:59,930 --> 00:48:57,300
with his seed and that and he he said

1184
00:49:02,510 --> 00:48:59,940
that he wanted to breed a super race of

1185
00:49:06,349 --> 00:49:02,520
some sorts but if you look at the aerial

1186
00:49:07,550 --> 00:49:06,359
view of this area the the house the

1187
00:49:09,530 --> 00:49:07,560
ranch

1188
00:49:11,930 --> 00:49:09,540

there is a labyrinth

1189

00:49:14,930 --> 00:49:11,940

and now that's that ties into the

1190

00:49:17,750 --> 00:49:14,940

instructions given by chronology of how

1191

00:49:19,370 --> 00:49:17,760

the impregnated woman needs to be mind

1192

00:49:20,990 --> 00:49:19,380

you this place is in the middle of the

1193

00:49:22,730 --> 00:49:21,000

desert in New Mexico the land of

1194

00:49:26,329 --> 00:49:22,740

enchantment yeah in the middle of

1195

00:49:28,190 --> 00:49:26,339

nowhere on Ten Thousand Acres in the

1196

00:49:30,589 --> 00:49:28,200

middle of nowhere nested away in the

1197

00:49:32,630 --> 00:49:30,599

middle of the mountains

1198

00:49:35,390 --> 00:49:32,640

and this guy was trying to impregnate 20

1199

00:49:37,430 --> 00:49:35,400

women at once I believe he was trying to

1200

00:49:40,250 --> 00:49:37,440

make some sort of moon child in order to

1201

00:49:42,890 --> 00:49:40,260

invoke this energy

1202

00:49:44,809 --> 00:49:42,900

into the world right to bring on these

1203

00:49:46,910 --> 00:49:44,819

new eras these new ages that they

1204

00:49:49,730 --> 00:49:46,920

believe the apocalypse whatever it may

1205

00:49:51,650 --> 00:49:49,740

be and if you want if you want to Str if

1206

00:49:52,910 --> 00:49:51,660

you really want to stretch it out to go

1207

00:49:55,030 --> 00:49:52,920

even further

1208

00:49:59,030 --> 00:49:55,040

look at what the Kardashians are doing

1209

00:50:00,950 --> 00:49:59,040

most of them had surrogate verse and if

1210

00:50:04,730 --> 00:50:00,960

you want to really go there a

1211

00:50:05,450 --> 00:50:04,740

hermetically sealed vessel can also be a

1212

00:50:09,050 --> 00:50:05,460

woman

1213

00:50:11,150 --> 00:50:09,060

you know what I mean if there is no

1214

00:50:13,130 --> 00:50:11,160

it gets very heretical in Boston is but

1215

00:50:15,890 --> 00:50:13,140

there are other theories

1216

00:50:17,569 --> 00:50:15,900

related to this where I believe that

1217

00:50:21,609 --> 00:50:17,579

they are trying to

1218

00:50:23,990 --> 00:50:21,619

have their children born on certain

1219

00:50:26,390 --> 00:50:24,000

astrological alignments in order to

1220

00:50:29,630 --> 00:50:26,400

invoke certain astrological

1221

00:50:31,430 --> 00:50:29,640

powers or whatever it all goes back to

1222

00:50:34,609 --> 00:50:31,440

Alchemy and the reason I say that is

1223

00:50:37,430 --> 00:50:34,619

because I was watching the Kardashian

1224

00:50:39,170 --> 00:50:37,440

show for research purposes only of

1225

00:50:40,849 --> 00:50:39,180

course and

1226

00:50:42,530 --> 00:50:40,859

when I was I was with my wife I wasn't

1227

00:50:43,970 --> 00:50:42,540

by myself when I was watching the show

1228

00:50:47,030 --> 00:50:43,980

with her

1229

00:50:49,130 --> 00:50:47,040

they were boasting about how the baby

1230

00:50:50,870 --> 00:50:49,140

boy was going to be a Leo

1231

00:50:52,609 --> 00:50:50,880

and they were bad like he's gonna be a

1232

00:50:54,770 --> 00:50:52,619

Leo well it makes me think of the

1233

00:50:57,109 --> 00:50:54,780

alchemical drag the alchemical line that

1234

00:50:59,750 --> 00:50:57,119

eats the sun right alchemically speaking

1235

00:51:01,790 --> 00:50:59,760

and Leo if you look at the aspects of

1236

00:51:03,109 --> 00:51:01,800

Leo they're you know they're outgoing

1237

00:51:04,730 --> 00:51:03,119

they're charismatic you know they're

1238

00:51:06,829 --> 00:51:04,740

they're out there they want to be at the

1239

00:51:08,569 --> 00:51:06,839

Forefront which hello Keeping Up with

1240

00:51:10,190 --> 00:51:08,579

the Kardashians everybody's they're

1241

00:51:11,990 --> 00:51:10,200

mining your energy you know you're

1242

00:51:13,910 --> 00:51:12,000

giving in to these aggregories these

1243

00:51:15,829 --> 00:51:13,920

witches that don't seem to Aid right

1244

00:51:18,049 --> 00:51:15,839

they're freaking they're Alchemists

1245

00:51:20,569 --> 00:51:18,059

whatever but I think that they are all

1246

00:51:23,990 --> 00:51:20,579

they were also trying to

1247

00:51:26,809 --> 00:51:24,000

uh they they are also are doing this

1248

00:51:29,450 --> 00:51:26,819

sort of magic in a way in a way because

1249

00:51:32,030 --> 00:51:29,460

again and how I said these magical

1250

00:51:34,010 --> 00:51:32,040

systems are meant to be they evolve over

1251
00:51:36,770 --> 00:51:34,020
time in order to fit whatever you need

1252
00:51:39,290 --> 00:51:36,780
them to fit at whatever point in time so

1253
00:51:41,150 --> 00:51:39,300
you don't have to adhere by the 9th

1254
00:51:43,549 --> 00:51:41,160
century Grim War no no you can take some

1255
00:51:46,069 --> 00:51:43,559
of those aspects and switch it around

1256
00:51:49,010 --> 00:51:46,079
and I think that's why the magic is less

1257
00:51:50,210 --> 00:51:49,020
potent nowadays because it's like a game

1258
00:51:52,370 --> 00:51:50,220
of telephone

1259
00:51:53,890 --> 00:51:52,380
where they've gone through so many

1260
00:51:57,230 --> 00:51:53,900
iterations

1261
00:51:59,390 --> 00:51:57,240
that the original source of the magic

1262
00:52:01,430 --> 00:51:59,400
isn't what it used to be so it's not as

1263
00:52:03,710 --> 00:52:01,440

potent as it used to be if you get what

1264

00:52:06,950 --> 00:52:03,720

I'm saying where it's it started super

1265

00:52:09,109 --> 00:52:06,960

you know the the uh the magician the

1266

00:52:11,750 --> 00:52:09,119

sorcerer that came up with this idea at

1267

00:52:13,549 --> 00:52:11,760

first he had it on point you know what I

1268

00:52:16,549 --> 00:52:13,559

mean they were doing what they needed to

1269

00:52:18,290 --> 00:52:16,559

do at these at this time and then their

1270

00:52:19,910 --> 00:52:18,300

contemporaries and the people after them

1271

00:52:22,549 --> 00:52:19,920

that are reading these books that are

1272

00:52:23,870 --> 00:52:22,559

that are written down in a hurry

1273

00:52:25,250 --> 00:52:23,880

you know they're missing stuff so

1274

00:52:26,870 --> 00:52:25,260

they're skipping steps or whatever and

1275

00:52:29,630 --> 00:52:26,880

you get a whole different is again a

1276

00:52:32,870 --> 00:52:29,640

game of telephone and not only that but

1277

00:52:35,569 --> 00:52:32,880

uh when religious figures of the church

1278

00:52:39,069 --> 00:52:35,579

or whatever religion would copy down

1279

00:52:41,930 --> 00:52:39,079

these grimoires they were

1280

00:52:43,670 --> 00:52:41,940

omitting and changing up details that

1281

00:52:46,490 --> 00:52:43,680

they found too heretic or too

1282

00:52:47,809 --> 00:52:46,500

Blasphemous to keep in that text

1283

00:52:49,130 --> 00:52:47,819

so

1284

00:52:50,809 --> 00:52:49,140

how much

1285

00:52:52,730 --> 00:52:50,819

it makes you think of all the religious

1286

00:52:55,010 --> 00:52:52,740

scripture how much of it has it's his

1287

00:52:55,790 --> 00:52:55,020

story for a reason this ties into a lot

1288

00:52:58,069 --> 00:52:55,800

of things

1289

00:52:59,210 --> 00:52:58,079

if the church ruled that Blasphemous or

1290

00:53:00,829 --> 00:52:59,220

heretical they weren't going to write it

1291

00:53:03,049 --> 00:53:00,839

down so imagine all the things that they

1292

00:53:05,809 --> 00:53:03,059

didn't write down from these grimoires

1293

00:53:07,609 --> 00:53:05,819

that were part of the of the processes

1294

00:53:09,650 --> 00:53:07,619

that that were just omitted because

1295

00:53:12,349 --> 00:53:09,660

somebody thought it was too

1296

00:53:14,630 --> 00:53:12,359

now wouldn't fit their narrative and you

1297

00:53:17,750 --> 00:53:14,640

can you can say that about any religion

1298

00:53:19,790 --> 00:53:17,760

or anything in history to the victim of

1299

00:53:21,950 --> 00:53:19,800

the spoils whoever is there to copy it

1300

00:53:23,690 --> 00:53:21,960

over and and keep that that lineage of

1301
00:53:24,829 --> 00:53:23,700
information going they're going to have

1302
00:53:26,089 --> 00:53:24,839
full control over it you know what I

1303
00:53:27,530 --> 00:53:26,099
mean so

1304
00:53:29,450 --> 00:53:27,540
I'm sure there's a lot of things that

1305
00:53:31,910 --> 00:53:29,460
we're missing a lot of these texts are

1306
00:53:35,630 --> 00:53:31,920
fragmentoring uh there are various

1307
00:53:38,450 --> 00:53:35,640
various translations uh and again it

1308
00:53:40,790 --> 00:53:38,460
it's a very fascinating topic and I've

1309
00:53:42,589 --> 00:53:40,800
when you look at certain things in

1310
00:53:45,530 --> 00:53:42,599
modern time you go okay well there's

1311
00:53:48,530 --> 00:53:45,540
crispr technology you have Bezos trying

1312
00:53:49,790 --> 00:53:48,540
to find the elixir of Life on some

1313
00:53:51,530 --> 00:53:49,800

article that I saw where he's trying to

1314

00:53:54,710 --> 00:53:51,540

live forever there are people freezing

1315

00:53:56,569 --> 00:53:54,720

their bodies to you know a cryo

1316

00:53:58,730 --> 00:53:56,579

genically freezing themselves in order

1317

00:54:01,130 --> 00:53:58,740

to come back later so they're in a way

1318

00:54:03,950 --> 00:54:01,140

practicing Alchemy you know Alchemy is

1319

00:54:07,430 --> 00:54:03,960

not dead it's only changed names

1320

00:54:10,490 --> 00:54:07,440

this sort of thing you have you have

1321

00:54:11,870 --> 00:54:10,500

people who you know IVF where obviously

1322

00:54:14,390 --> 00:54:11,880

there are people who do it for medical

1323

00:54:16,849 --> 00:54:14,400

reasons but there's also what I believe

1324

00:54:20,150 --> 00:54:16,859

uh the occult side of it which is the

1325

00:54:23,750 --> 00:54:20,160

idea of the homuncus you know making a

1326

00:54:25,730 --> 00:54:23,760

person outside of the womb of a woman in

1327

00:54:27,770 --> 00:54:25,740

another sort of Matrix in another sort

1328

00:54:30,349 --> 00:54:27,780

of substrate whatever it may be they're

1329

00:54:32,329 --> 00:54:30,359

doing that today they inseminate the egg

1330

00:54:34,490 --> 00:54:32,339

outside of the womb and they inject it

1331

00:54:36,770 --> 00:54:34,500

back into the woman

1332

00:54:40,670 --> 00:54:36,780

that is that is quote-unquote whatever

1333

00:54:42,589 --> 00:54:40,680

science is nowadays you know today that

1334

00:54:45,650 --> 00:54:42,599

is not science fiction that is actual

1335

00:54:48,530 --> 00:54:45,660

things that they're practicing today

1336

00:54:50,710 --> 00:54:48,540

so this idea that the homunculus is too

1337

00:54:53,390 --> 00:54:50,720

far-fetched or whatever it is

1338

00:54:55,010 --> 00:54:53,400

maybe from the occult perspective but if

1339

00:54:56,450 --> 00:54:55,020

you really think about it

1340

00:54:59,510 --> 00:54:56,460

they're still making a monkey list today

1341

00:55:01,549 --> 00:54:59,520

and they're if you look at it from the

1342

00:55:03,950 --> 00:55:01,559

the thing that just locked the world

1343

00:55:06,710 --> 00:55:03,960

down not too long ago that's a sort of

1344

00:55:09,109 --> 00:55:06,720

of chimera right where they're mixing

1345

00:55:11,150 --> 00:55:09,119

together certain

1346

00:55:11,990 --> 00:55:11,160

certain things together right not to say

1347

00:55:13,609 --> 00:55:12,000

it but

1348

00:55:17,089 --> 00:55:13,619

they're mixing together certain things

1349

00:55:18,770 --> 00:55:17,099

they got a camera there's talks of

1350

00:55:20,630 --> 00:55:18,780

of in

1351
00:55:21,950 --> 00:55:20,640
in the Ukraine not too long ago those

1352
00:55:23,690 --> 00:55:21,960
super soldiers I don't know if you saw

1353
00:55:25,190 --> 00:55:23,700
that article where they were talking

1354
00:55:27,230 --> 00:55:25,200
about how they were these super soldiers

1355
00:55:30,790 --> 00:55:27,240
and oh why were they attacking Ukraine

1356
00:55:33,589 --> 00:55:30,800
all because of the biological labs

1357
00:55:36,049 --> 00:55:33,599
so what is gain of function all these

1358
00:55:39,410 --> 00:55:36,059
things it makes you think like hmm there

1359
00:55:43,010 --> 00:55:39,420
was also the biggest shipment of donkey

1360
00:55:44,930 --> 00:55:43,020
penises Seas not too long ago in that

1361
00:55:48,109 --> 00:55:44,940
was coming from Nigeria to China I

1362
00:55:50,089 --> 00:55:48,119
believe uh again very particular right a

1363
00:55:52,370 --> 00:55:50,099

shipment the biggest shipment of donkey

1364

00:55:55,670 --> 00:55:52,380

penises ever in the history of there's

1365

00:55:58,910 --> 00:55:55,680

there's an entire Market of

1366

00:55:59,990 --> 00:55:58,920

of exotic animal penises I don't know if

1367

00:56:02,390 --> 00:56:00,000

you knew that but there's an entire

1368

00:56:04,670 --> 00:56:02,400

Market just for that even the donkeys

1369

00:56:06,410 --> 00:56:04,680

are bigger in Nigeria that's crazy

1370

00:56:09,530 --> 00:56:06,420

yeah dude so when you start to really a

1371

00:56:12,190 --> 00:56:09,540

piece to go wait wait a minute wait a

1372

00:56:15,230 --> 00:56:12,200

minute this thing is too but

1373

00:56:18,230 --> 00:56:15,240

everybody's grav this topic is so

1374

00:56:20,690 --> 00:56:18,240

interesting now this is that this these

1375

00:56:22,790 --> 00:56:20,700

donkeys these these donkey penises that

1376

00:56:24,470 --> 00:56:22,800

were going from Nigeria did you say to

1377

00:56:27,470 --> 00:56:24,480

Asia is that correct

1378

00:56:30,650 --> 00:56:27,480

to China yeah to China now I can only

1379

00:56:32,930 --> 00:56:30,660

assume that these also are being done

1380

00:56:35,150 --> 00:56:32,940

for uh similar

1381

00:56:36,829 --> 00:56:35,160

um prolific uses you know we're

1382

00:56:38,510 --> 00:56:36,839

discussing uh it's got to be something

1383

00:56:40,309 --> 00:56:38,520

along those lines

1384

00:56:42,049 --> 00:56:40,319

well they're using it allegedly what

1385

00:56:43,790 --> 00:56:42,059

they do with them this is according to

1386

00:56:46,130 --> 00:56:43,800

the mainstream they

1387

00:56:48,530 --> 00:56:46,140

a lot of countries believe that eating

1388

00:56:51,290 --> 00:56:48,540

the testicles or the penis of an animal

1389

00:56:53,690 --> 00:56:51,300

brings them fertility brings them

1390

00:56:55,670 --> 00:56:53,700

endurance gives them almost like a

1391

00:56:58,809 --> 00:56:55,680

natural Viagra if you will and that's

1392

00:57:01,609 --> 00:56:58,819

what they believe from again the medical

1393

00:57:03,109 --> 00:57:01,619

perspective the mainstream that's why

1394

00:57:05,150 --> 00:57:03,119

they do it not because they're trying to

1395

00:57:08,210 --> 00:57:05,160

make homunculus but who knows because

1396

00:57:09,890 --> 00:57:08,220

the truth is Stranger Than Fiction if

1397

00:57:10,730 --> 00:57:09,900

you really if you really think about it

1398

00:57:12,230 --> 00:57:10,740

and

1399

00:57:15,049 --> 00:57:12,240

like I mentioned there are so many

1400

00:57:18,049 --> 00:57:15,059

things relating to this topic and I gave

1401

00:57:21,370 --> 00:57:18,059

you guys the crash crash course

1402

00:57:24,950 --> 00:57:21,380

on the but this is dude Francis Bacon

1403

00:57:29,109 --> 00:57:24,960

was was writing about this you have

1404

00:57:32,510 --> 00:57:29,119

again Crowley you have all uh

1405

00:57:35,450 --> 00:57:32,520

paracelsus you have all these stories if

1406

00:57:37,190 --> 00:57:35,460

you look at the the story of Faust the

1407

00:57:39,230 --> 00:57:37,200

same thing he makes a homunculus in that

1408

00:57:41,349 --> 00:57:39,240

and he makes it through the aid of

1409

00:57:45,470 --> 00:57:41,359

Mephistopheles so

1410

00:57:48,109 --> 00:57:45,480

it's very the topic of of the grimoires

1411

00:57:49,670 --> 00:57:48,119

is one thing there's a topic of the

1412

00:57:51,290 --> 00:57:49,680

homuncus is anything and when you bring

1413

00:57:52,609 --> 00:57:51,300

them together like wait a minute so

1414

00:57:54,349 --> 00:57:52,619

people were actually writing about this

1415

00:57:56,390 --> 00:57:54,359

like yeah people were writing about this

1416

00:57:57,770 --> 00:57:56,400

they weren't uh they you know they were

1417

00:58:00,430 --> 00:57:57,780

trying to hide it some people or some

1418

00:58:05,510 --> 00:58:00,440

people weren't but in the Picker tricks

1419

00:58:07,849 --> 00:58:05,520

every piece of your every bodily fluid

1420

00:58:10,250 --> 00:58:07,859

every your toenail clip things your

1421

00:58:12,230 --> 00:58:10,260

fingernail clippings everything is used

1422

00:58:14,750 --> 00:58:12,240

for a magical purpose

1423

00:58:16,849 --> 00:58:14,760

and even your feces there it gets so

1424

00:58:21,290 --> 00:58:16,859

dark and when you start to read these

1425

00:58:22,970 --> 00:58:21,300

texts you go what in the war what in the

1426
00:58:24,770 --> 00:58:22,980
world you know what were these guys

1427
00:58:27,410 --> 00:58:24,780
doing but again they were

1428
00:58:28,730 --> 00:58:27,420
they were trying to figure exactly what

1429
00:58:30,650 --> 00:58:28,740
you and I are trying to do right now on

1430
00:58:34,730 --> 00:58:30,660
this podcast trying to figure out

1431
00:58:36,049 --> 00:58:34,740
what is reality why are we here what is

1432
00:58:37,609 --> 00:58:36,059
this all for

1433
00:58:39,710 --> 00:58:37,619
those guys are essentially trying to do

1434
00:58:42,349 --> 00:58:39,720
the same thing dude just in their own

1435
00:58:44,589 --> 00:58:42,359
way you know they didn't have podcasts

1436
00:58:47,690 --> 00:58:44,599
to talk about this they were in the lab

1437
00:58:50,030 --> 00:58:47,700
mixing things together real time to live

1438
00:58:52,549 --> 00:58:50,040

forever yeah exactly dude well I think

1439

00:58:54,470 --> 00:58:52,559

it's extremely interesting and I I do

1440

00:58:57,410 --> 00:58:54,480

think it's of crucial importance to

1441

00:58:59,510 --> 00:58:57,420

explore and pay attention to the

1442

00:59:01,910 --> 00:58:59,520

mythological and the spiritual

1443

00:59:05,210 --> 00:59:01,920

alchemy that has taken place I mean I

1444

00:59:08,450 --> 00:59:05,220

know a friend who was from Africa and

1445

00:59:10,309 --> 00:59:08,460

this guy's yoked he's beef he's buff and

1446

00:59:12,170 --> 00:59:10,319

he claims that I mean this is not that

1447

00:59:14,030 --> 00:59:12,180

long ago he's about my age and he claims

1448

00:59:15,890 --> 00:59:14,040

that his parents rubbed him in gorilla

1449

00:59:18,650 --> 00:59:15,900

bones like the powder of gorilla bones

1450

00:59:20,510 --> 00:59:18,660

when he was a baby what was that um a

1451

00:59:22,789 --> 00:59:20,520

friend of mine from Utah and he says

1452

00:59:25,250 --> 00:59:22,799

that this was to get the embodiment of

1453

00:59:28,670 --> 00:59:25,260

the particular qualities of that animal

1454

00:59:31,370 --> 00:59:28,680

and I mean he is built and so some of

1455

00:59:33,589 --> 00:59:31,380

these forces of you know some of these

1456

00:59:35,329 --> 00:59:33,599

forces of nature he's from Africa and

1457

00:59:37,370 --> 00:59:35,339

you know it makes you wonder if these

1458

00:59:41,809 --> 00:59:37,380

specific energies of the earth and

1459

00:59:44,870 --> 00:59:41,819

Cosmos can be assimilated into uh actual

1460

00:59:46,670 --> 00:59:44,880

you know reality it I think that it's

1461

00:59:49,130 --> 00:59:46,680

not far-fetched as you said that there's

1462

00:59:50,569 --> 00:59:49,140

some guy out there doing all the things

1463

00:59:53,150 --> 00:59:50,579

that are written down I was just

1464

00:59:55,069 --> 00:59:53,160

thinking about this today how many

1465

00:59:56,870 --> 00:59:55,079

people probably had to mess around just

1466

00:59:58,730 --> 00:59:56,880

to figure out how to make coffee you

1467

01:00:00,829 --> 00:59:58,740

know not just picking the bean off the

1468

01:00:03,170 --> 01:00:00,839

plant but but doing it at the particular

1469

01:00:05,450 --> 01:00:03,180

Right Time of the Season then grinding

1470

01:00:06,950 --> 01:00:05,460

it into a powder then putting hot water

1471

01:00:08,930 --> 01:00:06,960

through it it's sort of what you're

1472

01:00:11,329 --> 01:00:08,940

talking about it's literally Alchemy how

1473

01:00:13,190 --> 01:00:11,339

would we ever be enjoying coffee if

1474

01:00:16,190 --> 01:00:13,200

somebody hadn't done all these crazy

1475

01:00:18,829 --> 01:00:16,200

things that would eventually become the

1476

01:00:21,770 --> 01:00:18,839

reward of coffee but through this wild

1477

01:00:24,049 --> 01:00:21,780

Quest what else did they do right were

1478

01:00:28,069 --> 01:00:24,059

they beating things with these massive

1479

01:00:30,950 --> 01:00:28,079

dog penises until until they became this

1480

01:00:35,630 --> 01:00:30,960

and the homunculus itself man I think

1481

01:00:38,990 --> 01:00:35,640

that yeah we're 100 I think that this

1482

01:00:40,250 --> 01:00:39,000

this is 100 still happening today

1483

01:00:43,450 --> 01:00:40,260

because

1484

01:00:45,890 --> 01:00:43,460

you know this is this is biomedical

1485

01:00:49,250 --> 01:00:45,900

alchemy that is taking place as you

1486

01:00:52,309 --> 01:00:49,260

mentioned with the Kardashians and the

1487

01:00:54,470 --> 01:00:52,319

rates of IVF are going up I mean it's

1488

01:00:56,930 --> 01:00:54,480

very likely I mean if you look at the

1489

01:00:59,230 --> 01:00:56,940

rates of natural childbirth versus IVF

1490

01:01:02,809 --> 01:00:59,240

it is growing

1491

01:01:04,910 --> 01:01:02,819

ridiculously fast and surrogate mothers

1492

01:01:07,130 --> 01:01:04,920

as well I mean what what is the

1493

01:01:09,950 --> 01:01:07,140

difference as long as you're doing the

1494

01:01:13,069 --> 01:01:09,960

same basic ritual

1495

01:01:15,349 --> 01:01:13,079

what is the true different in difference

1496

01:01:17,690 --> 01:01:15,359

in mastering it is it just because in

1497

01:01:19,789 --> 01:01:17,700

modern times it's more accepted to to

1498

01:01:21,770 --> 01:01:19,799

clone because we know they clone animals

1499

01:01:24,170 --> 01:01:21,780

for scientific purposes

1500

01:01:25,970 --> 01:01:24,180

do you think in a lot of countries not

1501
01:01:28,789 --> 01:01:25,980
because you can't do it but because you

1502
01:01:30,170 --> 01:01:28,799
can so it's it's illegal why would they

1503
01:01:32,150 --> 01:01:30,180
make something that's not possible

1504
01:01:33,710 --> 01:01:32,160
illegal mm-hmm

1505
01:01:35,630 --> 01:01:33,720
what do you think do you think that's

1506
01:01:38,690 --> 01:01:35,640
the last time we cloned one here what

1507
01:01:41,210 --> 01:01:38,700
was it 97 or 98

1508
01:01:43,490 --> 01:01:41,220
2000 I think it was Eve was the name it

1509
01:01:45,650 --> 01:01:43,500
was uh with that shady person it wasn't

1510
01:01:48,230 --> 01:01:45,660
even here it was outside of the of the

1511
01:01:49,970 --> 01:01:48,240
country allegedly but I believe it's

1512
01:01:53,150 --> 01:01:49,980
happened I believe

1513
01:01:55,549 --> 01:01:53,160

it's hap it's probably happened

1514

01:01:56,870 --> 01:01:55,559

you know way before and and it's going

1515

01:01:58,490 --> 01:01:56,880

to continue to happen again you don't

1516

01:01:59,930 --> 01:01:58,500

know what you know black budgets matter

1517

01:02:02,089 --> 01:01:59,940

right we don't know what they're doing

1518

01:02:04,010 --> 01:02:02,099

look at look at what the Nazis were

1519

01:02:07,309 --> 01:02:04,020

doing but now I just did an episode of

1520

01:02:10,190 --> 01:02:07,319

Full Deep dive on the MK Ultra and how

1521

01:02:11,930 --> 01:02:10,200

that evolved and how that started and

1522

01:02:13,670 --> 01:02:11,940

that the the Nazis were competing with

1523

01:02:16,730 --> 01:02:13,680

us you know what I mean we were

1524

01:02:19,910 --> 01:02:16,740

sterilizing well not we but the United

1525

01:02:22,789 --> 01:02:19,920

States was sterilizing and euthanizing

1526

01:02:26,210 --> 01:02:22,799

people in the 1917s you know what I mean

1527

01:02:28,250 --> 01:02:26,220

like in 1917 early 1900s and the Nazis

1528

01:02:29,569 --> 01:02:28,260

are trying to compete with us like Hey

1529

01:02:31,970 --> 01:02:29,579

we're trying to beat your numbers over

1530

01:02:34,250 --> 01:02:31,980

there like wait but if you look at the

1531

01:02:36,770 --> 01:02:34,260

the source of it Pythagoras was actually

1532

01:02:38,809 --> 01:02:36,780

the one that that came up with the

1533

01:02:40,789 --> 01:02:38,819

Eugenics and it makes you wonder why

1534

01:02:44,950 --> 01:02:40,799

Freemasons and a lot of secret societies

1535

01:02:48,289 --> 01:02:44,960

were Veer Pythagoras and Plato Republic

1536

01:02:49,970 --> 01:02:48,299

he got his idea from Pythagoras

1537

01:02:52,250 --> 01:02:49,980

so these guys are piggybacking and

1538

01:02:53,569 --> 01:02:52,260

they're evolving so I don't think it's I

1539

01:02:55,789 --> 01:02:53,579

don't think it's stopping

1540

01:02:57,410 --> 01:02:55,799

I don't believe it has stopped and I

1541

01:02:58,549 --> 01:02:57,420

believe it's going to continue and

1542

01:03:00,470 --> 01:02:58,559

they're just going to change the name

1543

01:03:02,150 --> 01:03:00,480

and legitimize it more and more and more

1544

01:03:04,490 --> 01:03:02,160

how you're saying and I think that was a

1545

01:03:06,289 --> 01:03:04,500

clip today I saw on Instagram where some

1546

01:03:08,270 --> 01:03:06,299

guy on tin foil how I was talking about

1547

01:03:11,150 --> 01:03:08,280

how it leads to use C-sections in order

1548

01:03:13,370 --> 01:03:11,160

to ensure that their baby is born on a

1549

01:03:15,650 --> 01:03:13,380

certain day at a certain time so not

1550

01:03:19,069 --> 01:03:15,660

only are they using surrogates again the

1551

01:03:22,370 --> 01:03:19,079

vessel the hermetically sealed vessel

1552

01:03:23,990 --> 01:03:22,380

as a carrier for the the seed

1553

01:03:25,490 --> 01:03:24,000

uh that's that's an alchemical

1554

01:03:27,770 --> 01:03:25,500

homunculus if you really want to want to

1555

01:03:29,930 --> 01:03:27,780

get to it or at least making one in the

1556

01:03:31,970 --> 01:03:29,940

process and then they're probably using

1557

01:03:34,010 --> 01:03:31,980

C-sections in order to make sure that

1558

01:03:35,750 --> 01:03:34,020

they're born on a certain date to invoke

1559

01:03:38,270 --> 01:03:35,760

a certain energy or be aligned with a

1560

01:03:40,910 --> 01:03:38,280

certain astrological sign

1561

01:03:43,010 --> 01:03:40,920

to bring them wealth or bring them fame

1562

01:03:44,690 --> 01:03:43,020

or bring them whatever because JP Morgan

1563

01:03:46,849 --> 01:03:44,700

always said all right millionaires don't

1564

01:03:48,770 --> 01:03:46,859

use astrology billionaires do and I

1565

01:03:51,470 --> 01:03:48,780

think that they're it's all closely tied

1566

01:03:52,849 --> 01:03:51,480

to that in this aspect of the homunculus

1567

01:03:55,910 --> 01:03:52,859

is

1568

01:03:58,549 --> 01:03:55,920

a part of the puzzle it's part of and it

1569

01:04:00,770 --> 01:03:58,559

sounds really dark and ominous but I do

1570

01:04:02,210 --> 01:04:00,780

believe it's it's part of the puzzle

1571

01:04:05,210 --> 01:04:02,220

it's it's part not saying that people

1572

01:04:07,250 --> 01:04:05,220

walking on homunculus but uh the concept

1573

01:04:09,950 --> 01:04:07,260

right yeah I don't think the concept is

1574

01:04:12,049 --> 01:04:09,960

that far-fetched from a lot of the stuff

1575

01:04:14,270 --> 01:04:12,059

you see uh you know we were talking

1576

01:04:17,329 --> 01:04:14,280

about Skin Walkers jokingly but re

1577

01:04:20,690 --> 01:04:17,339

realistically a lot of that necromancy

1578

01:04:22,970 --> 01:04:20,700

of robbing Graves is deep deep in all of

1579

01:04:25,370 --> 01:04:22,980

the texts having to do with all the

1580

01:04:27,710 --> 01:04:25,380

rituals and kind of along those lines

1581

01:04:31,549 --> 01:04:27,720

something really strange that I found in

1582

01:04:35,750 --> 01:04:31,559

a small uh dark shed there at space Wolf

1583

01:04:39,109 --> 01:04:35,760

research was a literally a bucket one of

1584

01:04:42,710 --> 01:04:39,119

those massive uh 50 pound or no not even

1585

01:04:46,370 --> 01:04:42,720

it's like the massive uh not buckets

1586

01:04:49,670 --> 01:04:46,380

barrels we found a massive barrel with

1587

01:04:51,890 --> 01:04:49,680

all kinds of animal parts and slime and

1588

01:04:53,809 --> 01:04:51,900

I mean almost filled to the brim yeah

1589

01:04:57,109 --> 01:04:53,819

like three-fourths full of different

1590

01:04:59,510 --> 01:04:57,119

animal parts and sealed and it was in

1591

01:05:02,569 --> 01:04:59,520

this small dark shed there on the

1592

01:05:04,789 --> 01:05:02,579

property and I mean it was it just made

1593

01:05:07,309 --> 01:05:04,799

me think like what is this this is some

1594

01:05:10,010 --> 01:05:07,319

kind of ritual is this something where

1595

01:05:12,289 --> 01:05:10,020

somebody put this as a as a gag but it

1596

01:05:14,450 --> 01:05:12,299

was fully sealed full of different

1597

01:05:16,430 --> 01:05:14,460

animal parts disgusting I mean talk

1598

01:05:19,370 --> 01:05:16,440

about the putrefaction process taking

1599

01:05:21,530 --> 01:05:19,380

part right in that but it makes me

1600

01:05:24,530 --> 01:05:21,540

wonder I mean a lot of the same concepts

1601
01:05:26,690 --> 01:05:24,540
of making uh something alive out of

1602
01:05:28,670 --> 01:05:26,700
something that is dead and what does

1603
01:05:31,069 --> 01:05:28,680
that represent I mean there's the vessel

1604
01:05:32,990 --> 01:05:31,079
there's and this this goes on and on I

1605
01:05:35,150 --> 01:05:33,000
mean we've seen this in a lot of

1606
01:05:37,430 --> 01:05:35,160
cultures but it makes me wonder I've

1607
01:05:40,190 --> 01:05:37,440
never heard of anything that large but

1608
01:05:41,630 --> 01:05:40,200
talking about the homunculus a lot of

1609
01:05:45,349 --> 01:05:41,640
the topics that you're hitting on

1610
01:05:47,510 --> 01:05:45,359
reminded me of that very large vessel in

1611
01:05:49,190 --> 01:05:47,520
that small dark shed and I mean there

1612
01:05:50,690 --> 01:05:49,200
was no sunlight able to seep into the

1613
01:05:53,569 --> 01:05:50,700

shed or anything like that and it kind

1614

01:05:55,849 --> 01:05:53,579

of brings me back to that liberal is it

1615

01:05:58,210 --> 01:05:55,859

Libre vacay you were mentioning

1616

01:06:01,010 --> 01:05:58,220

yeah Libra Vaca the book of the cow

1617

01:06:04,849 --> 01:06:01,020

that's wild man

1618

01:06:05,870 --> 01:06:04,859

yeah so um it that's that's crazy I

1619

01:06:07,809 --> 01:06:05,880

didn't know that you had found that on

1620

01:06:11,750 --> 01:06:07,819

your probably but if you look at the the

1621

01:06:13,190 --> 01:06:11,760

skinwalker it's some sort of again a

1622

01:06:15,410 --> 01:06:13,200

thought projection another sort of

1623

01:06:18,289 --> 01:06:15,420

homunculus I would consider it and also

1624

01:06:20,030 --> 01:06:18,299

a a watiko right what Tico is also some

1625

01:06:22,789 --> 01:06:20,040

sort of I'm like were you under you know

1626

01:06:24,289 --> 01:06:22,799

it's it's an alchemical there's certain

1627

01:06:26,690 --> 01:06:24,299

rituals that you need to do to know

1628

01:06:29,630 --> 01:06:26,700

again these processes have changed and I

1629

01:06:31,190 --> 01:06:29,640

didn't I forgot to mention that we talk

1630

01:06:33,670 --> 01:06:31,200

about Cryptids right you talk about

1631

01:06:37,190 --> 01:06:33,680

Bigfoot and all these different things

1632

01:06:38,690 --> 01:06:37,200

paracelsus the the daddy that coined the

1633

01:06:40,789 --> 01:06:38,700

term homunculus

1634

01:06:42,230 --> 01:06:40,799

he talked about how when you let a

1635

01:06:45,950 --> 01:06:42,240

homunculus

1636

01:06:47,750 --> 01:06:45,960

live and grow up for you know for the

1637

01:06:51,589 --> 01:06:47,760

rest of its life it becomes a mythical

1638

01:06:53,569 --> 01:06:51,599

creature it becomes a a dwarf or some

1639

01:06:57,710 --> 01:06:53,579

sort of mythical creature so it makes

1640

01:07:00,230 --> 01:06:57,720

you think of what you know what is

1641

01:07:02,029 --> 01:07:00,240

uh Bigfoot is it you know do they become

1642

01:07:03,230 --> 01:07:02,039

Cryptids if you think of the concept of

1643

01:07:05,029 --> 01:07:03,240

a leprechaun that is a little

1644

01:07:06,950 --> 01:07:05,039

homunculous and what is at the end of

1645

01:07:10,069 --> 01:07:06,960

the rainbow what is what are leprechauns

1646

01:07:12,410 --> 01:07:10,079

always attributed with gold so it's

1647

01:07:14,510 --> 01:07:12,420

turning the lead into gold finding gold

1648

01:07:16,010 --> 01:07:14,520

it goes back to grimoire magic where

1649

01:07:17,990 --> 01:07:16,020

they use certain spirits to hunt for

1650

01:07:19,789 --> 01:07:18,000

gold John D and Edward Kelly were

1651
01:07:22,010 --> 01:07:19,799
hunting for gold because the Angels were

1652
01:07:23,390 --> 01:07:22,020
like hey I can help you find this goal

1653
01:07:25,309 --> 01:07:23,400
if you collect dirt from these 10

1654
01:07:26,510 --> 01:07:25,319
different spots around the country and

1655
01:07:28,490 --> 01:07:26,520
bring it back here to us we'll tell you

1656
01:07:30,230 --> 01:07:28,500
where to find this buried gold so makes

1657
01:07:32,089 --> 01:07:30,240
you think of where the idea of the

1658
01:07:33,170 --> 01:07:32,099
leprechaun came from also a very

1659
01:07:35,990 --> 01:07:33,180
interesting connection

1660
01:07:38,510 --> 01:07:36,000
totally man your research into this is

1661
01:07:40,370 --> 01:07:38,520
so deep and interesting can you tell our

1662
01:07:42,829 --> 01:07:40,380
listeners where they can get more Juana

1663
01:07:44,150 --> 01:07:42,839

yala the one-on-one podcast and all of

1664

01:07:46,910 --> 01:07:44,160

the other things you have going on you

1665

01:07:49,370 --> 01:07:46,920

got a magazine you have a bunch of other

1666

01:07:50,930 --> 01:07:49,380

podcasts uh yeah let's just tell them

1667

01:07:53,390 --> 01:07:50,940

where they can find more of your

1668

01:07:55,130 --> 01:07:53,400

evidences

1669

01:07:57,349 --> 01:07:55,140

thanks for having me on Ryan I always

1670

01:08:01,670 --> 01:07:57,359

have a great time and for those that

1671

01:08:04,190 --> 01:08:01,680

want to hear a full in-depth uncut

1672

01:08:06,349 --> 01:08:04,200

version of the history of the homunculus

1673

01:08:08,870 --> 01:08:06,359

you know for those interested in diving

1674

01:08:12,230 --> 01:08:08,880

deeper I did a what really sparked this

1675

01:08:14,750 --> 01:08:12,240

off was my interview on Donuts Channel

1676

01:08:19,010 --> 01:08:14,760

donut factory and I did a two and a half

1677

01:08:20,450 --> 01:08:19,020

hour episode over there on it and it was

1678

01:08:22,130 --> 01:08:20,460

similar to this I talked the entire time

1679

01:08:24,229 --> 01:08:22,140

I presented these things everything from

1680

01:08:25,669 --> 01:08:24,239

the history of it and I've been adding

1681

01:08:27,349 --> 01:08:25,679

pieces here and there to switch it up

1682

01:08:31,030 --> 01:08:27,359

for different interviews and I've been

1683

01:08:32,709 --> 01:08:31,040

just digging deeper you can find me at

1684

01:08:35,209 --> 01:08:32,719

theh11podcast.com

1685

01:08:37,490 --> 01:08:35,219

podcast and also shoot me the platforms

1686

01:08:39,410 --> 01:08:37,500

I do have a publication the occultis

1687

01:08:40,849 --> 01:08:39,420

Mundy you can find it on my website it's

1688

01:08:43,550 --> 01:08:40,859

a journal

1689

01:08:46,370 --> 01:08:43,560

I call it the armchair occultists

1690

01:08:48,410 --> 01:08:46,380

Reader's Digest I write about esoteric

1691

01:08:51,650 --> 01:08:48,420

and occult topics in there I've written

1692

01:08:54,169 --> 01:08:51,660

about the homunculus and again I I go on

1693

01:08:55,490 --> 01:08:54,179

in depth I can add quotes you know

1694

01:08:57,530 --> 01:08:55,500

things that I'm not going to be saying

1695

01:09:00,229 --> 01:08:57,540

here on an interview because it would

1696

01:09:03,530 --> 01:09:00,239

just take too long but long quotes

1697

01:09:05,749 --> 01:09:03,540

and just just a more in depth and and

1698

01:09:07,249 --> 01:09:05,759

written you know for from a scholarly

1699

01:09:08,870 --> 01:09:07,259

point of view

1700

01:09:10,809 --> 01:09:08,880

you can find all my work at the

1701

01:09:13,729 --> 01:09:10,819

loanpodcast.com

1702

01:09:15,050 --> 01:09:13,739

and yeah my podcast is anywhere I have a

1703

01:09:17,570 --> 01:09:15,060

YouTube channel you can find the YouTube

1704

01:09:19,189 --> 01:09:17,580

version on there and yeah I appreciate

1705

01:09:21,709 --> 01:09:19,199

you having me on

1706

01:09:24,650 --> 01:09:21,719

and I really I really look forward to

1707

01:09:26,390 --> 01:09:24,660

see how the field of Home oncology I'm

1708

01:09:29,329 --> 01:09:26,400

at the Forefront of it right and I want

1709

01:09:31,550 --> 01:09:29,339

to see how it develops over the over

1710

01:09:34,789 --> 01:09:31,560

time because people really seem to be

1711

01:09:38,510 --> 01:09:34,799

gravitated towards this weird

1712

01:09:40,910 --> 01:09:38,520

just uh kind of sickening a topic and I

1713

01:09:43,669 --> 01:09:40,920

I'm really happy people are enjoying it

1714

01:09:46,669 --> 01:09:43,679

yeah I think it's so cool man you are

1715

01:09:50,030 --> 01:09:46,679

doing a great job of it and keep it up

1716

01:09:52,490 --> 01:09:50,040

because it's so it's so interesting how

1717

01:09:55,189 --> 01:09:52,500

it just mixes everything the esoteric

1718

01:09:57,650 --> 01:09:55,199

sciences and mysticism ancient medicine

1719

01:10:00,290 --> 01:09:57,660

herbology theology it all comes together

1720

01:10:02,930 --> 01:10:00,300

and Alchemy man it's just the coolest

1721

01:10:04,970 --> 01:10:02,940

thanks so much for coming on

1722

01:10:08,330 --> 01:10:04,980

thank you Ryan

1723

01:10:10,850 --> 01:10:08,340

there it is Juan definitely went deep on

1724

01:10:12,650 --> 01:10:10,860

that one alchemical tradition and

1725

01:10:15,350 --> 01:10:12,660

literature

1726

01:10:19,610 --> 01:10:15,360

what is it the homunculus

1727

01:10:23,990 --> 01:10:19,620

so much to dig into so much to unpack

1728

01:10:26,209 --> 01:10:24,000

and no matter how deeply we think we may

1729

01:10:28,850 --> 01:10:26,219

have gone the deeper meanings to analyze

1730

01:10:30,350 --> 01:10:28,860

are profound using the concepts we've

1731

01:10:32,930 --> 01:10:30,360

discovered

1732

01:10:35,450 --> 01:10:32,940

there's a lot of levels of

1733

01:10:38,149 --> 01:10:35,460

interpretation being used and to be

1734

01:10:39,470 --> 01:10:38,159

honest I agree with Juan that in modern

1735

01:10:42,830 --> 01:10:39,480

times

1736

01:10:45,350 --> 01:10:42,840

the rituals go on the magic continues

1737

01:10:48,229 --> 01:10:45,360

it's just a matter of whether or not

1738

01:10:50,390 --> 01:10:48,239

we're able to see the magic because it's

1739

01:10:54,890 --> 01:10:50,400

usually hidden and slightly occulted

1740

01:10:58,189 --> 01:10:54,900

behind Fairly obvious forms

1741

01:11:00,649 --> 01:10:58,199

the modern day elixir of immortality

1742

01:11:03,470 --> 01:11:00,659

would definitely fall under

1743

01:11:05,810 --> 01:11:03,480

the more accepted term of transhumanism

1744

01:11:08,750 --> 01:11:05,820

in modern times

1745

01:11:12,050 --> 01:11:08,760

I find it extremely interesting and

1746

01:11:13,669 --> 01:11:12,060

crucially important to explore with

1747

01:11:15,910 --> 01:11:13,679

extreme attention

1748

01:11:19,910 --> 01:11:15,920

the mythological

1749

01:11:22,669 --> 01:11:19,920

theological and spiritual archetypes

1750

01:11:26,149 --> 01:11:22,679

in order to understand

1751

01:11:27,709 --> 01:11:26,159

these similar profiles in modern times

1752

01:11:30,890 --> 01:11:27,719

this could link us to the

1753

01:11:33,470 --> 01:11:30,900

self-realization of what exactly is

1754

01:11:37,130 --> 01:11:33,480

going on in our culture

1755

01:11:39,649 --> 01:11:37,140

support the Juan on Juan podcast

1756

01:11:41,030 --> 01:11:39,659

and everything else Juana yala has going

1757

01:11:47,689 --> 01:11:41,040

on

1758

01:11:48,890 --> 01:11:47,699

have a good time no matter what it is we

1759

01:11:51,350 --> 01:11:48,900

talk about

1760

01:11:52,910 --> 01:11:51,360

if you want to keep tabs on The Fringe

1761

01:11:56,990 --> 01:11:52,920

and what is going on in our modern

1762

01:11:58,070 --> 01:11:57,000

culture definitely like subscribe and

1763

01:12:01,189 --> 01:11:58,080

share

1764

01:12:03,470 --> 01:12:01,199

videos on YouTube from hero paranormal

1765

01:12:05,450 --> 01:12:03,480

definitely subscribe it's just hero

1766

01:12:07,550 --> 01:12:05,460

paranormal on YouTube

1767

01:12:10,189 --> 01:12:07,560

in addition if you want to see behind

1768

01:12:11,510 --> 01:12:10,199

the paywall there is a ton of content

1769

01:12:15,430 --> 01:12:11,520

back there

1770

01:12:20,270 --> 01:12:17,030

podbean

1771

01:12:22,130 --> 01:12:20,280

or go to patreon and search for hero

1772

01:12:26,990 --> 01:12:22,140

paranormal

1773

01:12:29,390 --> 01:12:27,000

your support keeps the podcasts coming

1774

01:12:32,209 --> 01:12:29,400

and until next time keep your eyes to

1775

01:12:42,570 --> 01:12:32,219

the skies feet on the ground and don't

1776

01:12:42,580 --> 01:12:57,010

[Music]
