

**FEAR AND LOATHING**  
**ROADTRIP**  
**THROUGH UFO LAND**

**ERIC MITCHELL**  
&  
**ERIK THE ADVENTURER**

1  
00:00:06,919 --> 00:00:10,410  
all right

2  
00:00:20,570 --> 00:00:16,689  
[Music]

3  
00:00:24,070 --> 00:00:20,580  
come Blast Off In My Time Machine sir I

4  
00:00:28,910 --> 00:00:24,080  
feel like an evizing Blast Off Blast Off

5  
00:00:38,110 --> 00:00:28,920  
blast off blast off come Blast Off In My

6  
00:00:44,510 --> 00:00:41,869  
Blast Off on another amazing episode of

7  
00:00:48,790 --> 00:00:44,520  
the hyper anomalous esoteric research

8  
00:00:51,529 --> 00:00:48,800  
organization podcast AKA hero paranormal

9  
00:00:55,069 --> 00:00:51,539  
broadcasting from the bass at lamadre

10  
00:00:57,770 --> 00:00:55,079  
Mountain just south of area 51. my name

11  
00:01:00,790 --> 00:00:57,780  
is Ryan the anomalous ambassador of the

12  
00:01:04,210 --> 00:01:00,800  
airwaves bringing you an unbelievable

13  
00:01:08,830 --> 00:01:04,220

adventurous and exciting episode tonight

14

00:01:12,050 --> 00:01:08,840

recently back from an absolutely amazing

15

00:01:14,750 --> 00:01:12,060

anomalous paranormal road trip

16

00:01:18,410 --> 00:01:14,760

akin to the likes of Fear and Loathing

17

00:01:20,830 --> 00:01:18,420

we have on today's episode a double dose

18

00:01:24,170 --> 00:01:20,840

of powerful prophetic professionals

19

00:01:26,690 --> 00:01:24,180

poised to bring us true and mysterious

20

00:01:29,749 --> 00:01:26,700

Tales from the recent extensive trip

21

00:01:32,929 --> 00:01:29,759

into the dimensional humans are known to

22

00:01:35,690 --> 00:01:32,939

possess epigenetic sequences in our

23

00:01:38,390 --> 00:01:35,700

bodies within our DNA which can be

24

00:01:41,770 --> 00:01:38,400

activated through physical environmental

25

00:01:45,410 --> 00:01:41,780

and psychological situations

26  
00:01:48,710 --> 00:01:45,420  
circumstances and or events activation

27  
00:01:51,289 --> 00:01:48,720  
is the Catalyst for Rapid physical and

28  
00:01:54,109 --> 00:01:51,299  
biological transformation of the

29  
00:01:57,109 --> 00:01:54,119  
thalamus cardate putamen and basal

30  
00:01:59,630 --> 00:01:57,119  
ganglia basically the brain turns into a

31  
00:02:01,969 --> 00:01:59,640  
new type of neural processor and Eric

32  
00:02:03,830 --> 00:02:01,979  
Mitchell has been studied because this

33  
00:02:06,649 --> 00:02:03,840  
has happened to him he's going to go

34  
00:02:08,710 --> 00:02:06,659  
into this and Eric the adventurer is

35  
00:02:12,350 --> 00:02:08,720  
going to join in as they explain

36  
00:02:16,070 --> 00:02:12,360  
amazing truths realities and experiences

37  
00:02:17,630 --> 00:02:16,080  
from their fascinating road trip they

38  
00:02:20,449 --> 00:02:17,640

just got back from

39

00:02:22,550 --> 00:02:20,459

before we do though I want to mention if

40

00:02:24,650 --> 00:02:22,560

you have not subscribed do hero

41

00:02:26,809 --> 00:02:24,660

paranormal on YouTube please like

42

00:02:28,490 --> 00:02:26,819

subscribe and share it helps us break

43

00:02:31,369 --> 00:02:28,500

through the algorithm and get the word

44

00:02:34,790 --> 00:02:31,379

out in addition follow us on social

45

00:02:36,110 --> 00:02:34,800

media hero paranormal is on Facebook and

46

00:02:38,930 --> 00:02:36,120

Instagram

47

00:02:41,809 --> 00:02:38,940

and if you want to see all of the

48

00:02:44,750 --> 00:02:41,819

content there's over a hundred episodes

49

00:02:48,369 --> 00:02:44,760

behind the paywall and you can find

50

00:02:53,990 --> 00:02:48,379

those either at heroparanormal.com

51  
00:02:58,670 --> 00:02:54,000  
podbean or hero paranormal on patreon

52  
00:03:00,949 --> 00:02:58,680  
definitely subscribe and get into what

53  
00:03:04,190 --> 00:03:00,959  
is behind that paywall there is a lot of

54  
00:03:08,089 --> 00:03:04,200  
content okay back to it Eric Mitchell

55  
00:03:11,630 --> 00:03:08,099  
has been studied by special projects at

56  
00:03:15,949 --> 00:03:11,640  
Harvard University to determine how his

57  
00:03:17,149 --> 00:03:15,959  
brains antenna as it is known in focused

58  
00:03:19,009 --> 00:03:17,159  
circles

59  
00:03:21,649 --> 00:03:19,019  
has been upgraded

60  
00:03:24,170 --> 00:03:21,659  
Eric the adventurer is among the most

61  
00:03:27,410 --> 00:03:24,180  
active researchers in the field

62  
00:03:30,050 --> 00:03:27,420  
two of the most involved researchers on

63  
00:03:32,089 --> 00:03:30,060

the subject matter coming back from a

64

00:03:35,990 --> 00:03:32,099

fair and Loathing style road trip

65

00:03:39,710 --> 00:03:36,000

through UFO land this amazing road trip

66

00:03:42,470 --> 00:03:39,720

included stopping by at the base camp at

67

00:03:44,930 --> 00:03:42,480

space Wolf research visiting other

68

00:03:48,190 --> 00:03:44,940

experiencers witnessing strange

69

00:03:51,470 --> 00:03:48,200

happenings seeing doors in mountains

70

00:03:54,410 --> 00:03:51,480

unbelievable conversations and bringing

71

00:03:56,949 --> 00:03:54,420

it all home to us and explaining some of

72

00:04:01,250 --> 00:03:56,959

the strangest Men In Black situations

73

00:04:04,550 --> 00:04:01,260

UFO sightings Bigfoot activity and the

74

00:04:08,089 --> 00:04:04,560

use of Eric Mitchell's antenna and extra

75

00:04:10,910 --> 00:04:08,099

sensory perception among other gifts to

76

00:04:14,210 --> 00:04:10,920

help tie it all together cohesively Eric

77

00:04:17,390 --> 00:04:14,220

Mitchell and Eric the adventurer welcome

78

00:04:20,210 --> 00:04:17,400

to the hero paranormal podcast hey yeah

79

00:04:23,210 --> 00:04:20,220

this is this is Eric with the K and we

80

00:04:25,790 --> 00:04:23,220

got Eric with the c and uh yeah I've

81

00:04:27,530 --> 00:04:25,800

been hanging out with Eric Mitchell for

82

00:04:30,230 --> 00:04:27,540

a little over almost four weeks almost a

83

00:04:33,350 --> 00:04:30,240

month now we went on the road we went to

84

00:04:36,530 --> 00:04:33,360

uh picked him up in Utah which we could

85

00:04:38,749 --> 00:04:36,540

talk about our little uh jaunt over to

86

00:04:41,450 --> 00:04:38,759

the space Wolf Research Center we spent

87

00:04:43,310 --> 00:04:41,460

the day over there and uh Eric picked up

88

00:04:44,810 --> 00:04:43,320

on some Vibes I saw some things if you

89

00:04:47,689 --> 00:04:44,820

want to discuss that at any point and

90

00:04:50,749 --> 00:04:47,699

then we head over to Arizona for the

91

00:04:52,909 --> 00:04:50,759

international UFO Congress

92

00:04:54,469 --> 00:04:52,919

where I've got my I would say the

93

00:04:58,129 --> 00:04:54,479

highlight of that was meeting Randall

94

00:05:01,189 --> 00:04:58,139

Nickerson who is the uh the filmmaker

95

00:05:02,390 --> 00:05:01,199

for the movie uh aerial phenomenon which

96

00:05:04,189 --> 00:05:02,400

uh I don't know if you've seen that yet

97

00:05:07,310 --> 00:05:04,199

but it's a phenomenal movie I give it I

98

00:05:09,230 --> 00:05:07,320

give him four pipes two thumbs up

99

00:05:10,490 --> 00:05:09,240

um and then from there we went over to

100

00:05:12,710 --> 00:05:10,500

uh

101  
00:05:14,330 --> 00:05:12,720  
New Mexico which we've got some amazing

102  
00:05:16,670 --> 00:05:14,340  
stories to talk about Albuquerque New

103  
00:05:19,070 --> 00:05:16,680  
Mexico and then we went up to uh a

104  
00:05:20,689 --> 00:05:19,080  
Bigfoot get together up there in falc

105  
00:05:22,370 --> 00:05:20,699  
Arkansas where the bogey creek monster

106  
00:05:25,129 --> 00:05:22,380  
got to meet uh

107  
00:05:27,110 --> 00:05:25,139  
geek Crabtree who is who was the actual

108  
00:05:29,930 --> 00:05:27,120  
Bigfoot in The Legend of Boggy Creek

109  
00:05:32,570 --> 00:05:29,940  
he's 71 now and now we're here in Hot

110  
00:05:33,830 --> 00:05:32,580  
Springs Arkansas and uh anyway so that's

111  
00:05:35,570 --> 00:05:33,840  
our little intro I'm going to hand it

112  
00:05:37,909 --> 00:05:35,580  
over to Eric Mitchell so I'm gonna let

113  
00:05:40,490 --> 00:05:37,919

you guys start it off and then once he's

114

00:05:41,990 --> 00:05:40,500

kind of told a few of his uh stories and

115

00:05:44,689 --> 00:05:42,000

whatnot I'll jump in after that how's

116

00:05:51,890 --> 00:05:44,699

that that sounds good so I I'll I'll

117

00:05:56,510 --> 00:05:54,170

Eric Mitchell how you doing

118

00:05:58,850 --> 00:05:56,520

good my friend how are you today good

119

00:06:01,490 --> 00:05:58,860

and I think I will kick it off um the

120

00:06:03,890 --> 00:06:01,500

way Eric said and kind of touch on the

121

00:06:07,070 --> 00:06:03,900

fact that you

122

00:06:08,749 --> 00:06:07,080

you had some amazing things happen and I

123

00:06:12,170 --> 00:06:08,759

was blown away when you went to space

124

00:06:14,510 --> 00:06:12,180

Wolf research primarily because you

125

00:06:17,629 --> 00:06:14,520

keyed into something and this is not to

126

00:06:19,670 --> 00:06:17,639

just come back to that antenna uh

127

00:06:21,830 --> 00:06:19,680

discussion but it really is it just goes

128

00:06:24,890 --> 00:06:21,840

to show how strong your antenna really

129

00:06:27,290 --> 00:06:24,900

is you keyed into some things that you

130

00:06:29,330 --> 00:06:27,300

had no idea of knowing that they were in

131

00:06:30,590 --> 00:06:29,340

a particular area could we talk about

132

00:06:33,770 --> 00:06:30,600

that

133

00:06:35,930 --> 00:06:33,780

yeah yeah yeah I mean uh yeah for the

134

00:06:39,050 --> 00:06:35,940

past 10 years I've been pretty shy

135

00:06:41,689 --> 00:06:39,060

about this uh woo-woo stuff that I

136

00:06:43,850 --> 00:06:41,699

experienced but throughout the 10 years

137

00:06:46,490 --> 00:06:43,860

you know I've learned that these aren't

138

00:06:50,450 --> 00:06:46,500

woo-woo things these are actual you know

139

00:06:53,210 --> 00:06:50,460

neurological processes and uh so you

140

00:06:55,189 --> 00:06:53,220

know the more even though I sound like

141

00:06:56,689 --> 00:06:55,199

Alexander Bell with a piece of plastic

142

00:06:58,550 --> 00:06:56,699

in front of a bunch of shareholders

143

00:07:01,909 --> 00:06:58,560

saying hey you can you can talk to

144

00:07:03,830 --> 00:07:01,919

people in China if you just uh you know

145

00:07:06,469 --> 00:07:03,840

uh he must have looked like a total nut

146

00:07:08,270 --> 00:07:06,479

case and uh me too but

147

00:07:10,249 --> 00:07:08,280

you know facts are facts and sometimes

148

00:07:12,350 --> 00:07:10,259

you gotta stand out there before the uh

149

00:07:14,210 --> 00:07:12,360

the crowd is ready and and talk about

150

00:07:16,129 --> 00:07:14,220

these things before science really

151

00:07:20,629 --> 00:07:16,139

releases these things

152

00:07:23,210 --> 00:07:20,639

you know it's pretty wild because you

153

00:07:24,290 --> 00:07:23,220

came forward to me and you said you said

154

00:07:26,089 --> 00:07:24,300

hey

155

00:07:29,150 --> 00:07:26,099

um I'm sensing that you have something

156

00:07:32,990 --> 00:07:29,160

in this particular area of the property

157

00:07:35,570 --> 00:07:33,000

and yeah you know we actually did we

158

00:07:38,210 --> 00:07:35,580

have uh some very old 4 000 year old

159

00:07:41,930 --> 00:07:38,220

mysterious and Powerful

160

00:07:45,650 --> 00:07:41,940

um Peruvian heads that were uh

161

00:07:48,290 --> 00:07:45,660

place there for various reasons and kind

162

00:07:50,570 --> 00:07:48,300

of inserted to see how they

163

00:07:53,570 --> 00:07:50,580

how they respond to the high strangeness

164

00:07:56,270 --> 00:07:53,580

or what what effects they have and I was

165

00:07:58,850 --> 00:07:56,280

blown away that you knew exactly not

166

00:08:02,749 --> 00:07:58,860

only where these heads were they were

167

00:08:05,150 --> 00:08:02,759

completely hidden and you

168

00:08:07,070 --> 00:08:05,160

let's get into that how have you dealt

169

00:08:09,890 --> 00:08:07,080

and also you you you pointed at some

170

00:08:12,170 --> 00:08:09,900

areas of the property which have

171

00:08:13,670 --> 00:08:12,180

provided a lot of high strangeness in

172

00:08:15,409 --> 00:08:13,680

the past and you had no way of knowing

173

00:08:20,150 --> 00:08:15,419

that so

174

00:08:24,589 --> 00:08:20,160

what allowed you to kind of see things

175

00:08:26,570 --> 00:08:24,599

that other people usually don't see

176

00:08:28,909 --> 00:08:26,580

well at first you you've got to battle

177

00:08:31,490 --> 00:08:28,919

your own you know uh cognitive

178

00:08:34,550 --> 00:08:31,500

dissidence you know is uh is social

179

00:08:36,829 --> 00:08:34,560

creatures we tend to uh do our best

180

00:08:39,170 --> 00:08:36,839

whether we're conscious of it or not to

181

00:08:42,170 --> 00:08:39,180

absolutely and completely fit in as

182

00:08:43,430 --> 00:08:42,180

social animals so we kind of deny

183

00:08:44,650 --> 00:08:43,440

ourselves

184

00:08:47,150 --> 00:08:44,660

um these

185

00:08:49,970 --> 00:08:47,160

abilities that you know we're so used to

186

00:08:51,530 --> 00:08:49,980

it it's normal you know and uh but you

187

00:08:54,170 --> 00:08:51,540

you kind of

188

00:08:55,750 --> 00:08:54,180

you gotta hide it from most people you

189

00:08:58,670 --> 00:08:55,760

know a lot of times I'll meet someone

190

00:09:00,889 --> 00:08:58,680

and want to Rattle off everything you

191

00:09:03,290 --> 00:09:00,899

know that's going on intuitively but uh

192

00:09:05,509 --> 00:09:03,300

that you don't make friends that way you

193

00:09:07,790 --> 00:09:05,519

know people don't uh like that but you

194

00:09:10,550 --> 00:09:07,800

know when I got to the ranch

195

00:09:12,350 --> 00:09:10,560

um I was completely compelled to uh you

196

00:09:15,230 --> 00:09:12,360

know a certain part of the the top of

197

00:09:17,870 --> 00:09:15,240

the Mesa in in the you know in the sky

198

00:09:19,970 --> 00:09:17,880

you know I thought wow what is this you

199

00:09:22,490 --> 00:09:19,980

know it felt

200

00:09:24,230 --> 00:09:22,500

um intelligent and uh extremely

201

00:09:26,509 --> 00:09:24,240

intelligent so I was kind of drawn to

202

00:09:29,329 --> 00:09:26,519

that it was cold that night

203

00:09:31,310 --> 00:09:29,339

um you know airplane ride uh ears

204

00:09:32,570 --> 00:09:31,320

popping constantly going up and down the

205

00:09:34,730 --> 00:09:32,580

mountains and then you got this cold

206

00:09:35,990 --> 00:09:34,740

breeze blowing past your ear it's like

207

00:09:37,610 --> 00:09:36,000

uh

208

00:09:40,310 --> 00:09:37,620

um you know I couldn't really focus but

209

00:09:42,410 --> 00:09:40,320

uh the next day we came back and um it

210

00:09:45,290 --> 00:09:42,420

was great because I saw this tree

211

00:09:47,690 --> 00:09:45,300

that I was kind of drawn to and uh so I

212

00:09:49,730 --> 00:09:47,700

went ahead and meditated there or at

213

00:09:52,490 --> 00:09:49,740

least tried which was really odd for me

214

00:09:56,269 --> 00:09:52,500

I was I'm still a little uh

215

00:09:57,710 --> 00:09:56,279

I guess awestruck confused uh a lot of

216

00:09:59,870 --> 00:09:57,720

things I've never experienced something

217

00:10:04,130 --> 00:09:59,880

like this before but you know I meditate

218

00:10:06,290 --> 00:10:04,140

often and uh sometimes I enjoy uh remote

219

00:10:07,850 --> 00:10:06,300

viewing and a lot of people would say

220

00:10:10,430 --> 00:10:07,860

okay that's when you pick a location

221

00:10:11,990 --> 00:10:10,440

what that's what the military does for

222

00:10:14,810 --> 00:10:12,000

myself

223

00:10:16,730 --> 00:10:14,820

um which is a very curious thing uh you

224

00:10:19,130 --> 00:10:16,740

know I'll go into remote viewing but I

225

00:10:21,350 --> 00:10:19,140

won't try to pick a location or anything

226

00:10:24,410 --> 00:10:21,360

like that I'll just allow a flow to

227

00:10:26,870 --> 00:10:24,420

happen and I'll see a building or maybe

228

00:10:28,610 --> 00:10:26,880

um a lady's face and you know three days

229

00:10:30,050 --> 00:10:28,620

later I'll meet a lady that looks just

230

00:10:31,790 --> 00:10:30,060

like that and she works at this building

231

00:10:34,070 --> 00:10:31,800

and she wants to write an article so

232

00:10:36,710 --> 00:10:34,080

it's just kind of neat you know I don't

233

00:10:39,590 --> 00:10:36,720

really vocalize it too much but it's

234

00:10:41,870 --> 00:10:39,600

it's a curiosity of mine but when I I

235

00:10:43,730 --> 00:10:41,880

meditated near that tree it immediately

236

00:10:46,430 --> 00:10:43,740

went from meditation to something

237

00:10:50,090 --> 00:10:46,440

completely different remote viewing and

238

00:10:52,850 --> 00:10:50,100

uh so I was feeling areas and uh

239

00:10:54,650 --> 00:10:52,860

um those stones were something really

240

00:10:56,150 --> 00:10:54,660

curious to me because I was confused and

241

00:10:57,889 --> 00:10:56,160

when I asked you Ryan I was like what's

242

00:10:59,870 --> 00:10:57,899

in there and you said oh just some

243

00:11:02,650 --> 00:10:59,880

equipment you know kind of stonewalled

244

00:11:05,870 --> 00:11:02,660

me a little bit and I was like no Ryan

245

00:11:09,530 --> 00:11:05,880

this is true you know uh because you

246

00:11:12,110 --> 00:11:09,540

know I it's really easy not to trust

247

00:11:13,790 --> 00:11:12,120

those types of instincts and debunk them

248

00:11:15,470 --> 00:11:13,800

and and all that stuff but when you

249

00:11:19,009 --> 00:11:15,480

develop a certain sense of confidence

250

00:11:20,990 --> 00:11:19,019

over time it's like uh you know you can

251  
00:11:23,329 --> 00:11:21,000  
say something embarrassing if someone

252  
00:11:25,790 --> 00:11:23,339  
wants to hide from you and they'll tell

253  
00:11:28,190 --> 00:11:25,800  
you you're wrong and uh you you expect

254  
00:11:30,530 --> 00:11:28,200  
yourself to be wrong so yeah it's okay I

255  
00:11:31,970 --> 00:11:30,540  
I must have been mistaken but after a

256  
00:11:34,250 --> 00:11:31,980  
while you look good and kid in the eyes

257  
00:11:37,370 --> 00:11:34,260  
and say come on buddy you know come on

258  
00:11:39,410 --> 00:11:37,380  
with it but um and it really is a

259  
00:11:41,569 --> 00:11:39,420  
personal personal battle and that's

260  
00:11:43,370 --> 00:11:41,579  
exactly what happened and you you did

261  
00:11:46,009 --> 00:11:43,380  
kind of peel away a layer of the onion

262  
00:11:47,750 --> 00:11:46,019  
because I I did I remember I did say oh

263  
00:11:49,790 --> 00:11:47,760

it's just a bunch of high-tech equipment

264

00:11:51,350 --> 00:11:49,800

in there and then you said no there's

265

00:11:52,730 --> 00:11:51,360

there's something a little bit deeper

266

00:11:54,290 --> 00:11:52,740

and more power powerful in there and

267

00:11:58,009 --> 00:11:54,300

that's when I was honest with you about

268

00:12:01,930 --> 00:11:58,019

about it and that kind of broke down my

269

00:12:04,430 --> 00:12:01,940

reality because I'm like no he knows and

270

00:12:06,889 --> 00:12:04,440

you don't you don't run into that in

271

00:12:09,410 --> 00:12:06,899

day-to-day communication as you said

272

00:12:12,290 --> 00:12:09,420

and I believe the human brain is far

273

00:12:15,350 --> 00:12:12,300

more powerful and comprehensive than

274

00:12:17,329 --> 00:12:15,360

people give it credit for yeah from what

275

00:12:18,610 --> 00:12:17,339

I'm learning it's astonishing I mean

276

00:12:24,590 --> 00:12:18,620

it's

277

00:12:27,110 --> 00:12:24,600

oh my God you know um I'll give you an

278

00:12:29,329 --> 00:12:27,120

example of just recently and and Eric

279

00:12:32,389 --> 00:12:29,339

can tell you uh sometimes I'll just

280

00:12:34,910 --> 00:12:32,399

immediately sit up and say I'm I gotta

281

00:12:37,670 --> 00:12:34,920

go hey you know so

282

00:12:39,769 --> 00:12:37,680

to to you know explain that to Eric I'll

283

00:12:41,150 --> 00:12:39,779

say hey look I I've got to go have a

284

00:12:43,910 --> 00:12:41,160

beer right now I'm going down the street

285

00:12:46,970 --> 00:12:43,920

but really it's this this

286

00:12:48,470 --> 00:12:46,980

um emotional uh tug you know that you

287

00:12:51,050 --> 00:12:48,480

have to be somewhere

288

00:12:52,550 --> 00:12:51,060

so for example last time

289

00:12:54,050 --> 00:12:52,560

um I think it was the night before last

290

00:12:55,310 --> 00:12:54,060

I said Eric I'm gonna run down the

291

00:12:57,470 --> 00:12:55,320

street and have a beer and he's like

292

00:12:58,850 --> 00:12:57,480

well I spend extra for a beer down the

293

00:13:00,590 --> 00:12:58,860

street when you can just get something

294

00:13:02,750 --> 00:13:00,600

from the gas station save a few bucks

295

00:13:05,870 --> 00:13:02,760

and instead of trying to explain myself

296

00:13:08,930 --> 00:13:05,880

all the time like I'll be back but uh I

297

00:13:11,569 --> 00:13:08,940

walk in bar is completely empty grabbed

298

00:13:14,810 --> 00:13:11,579

a beer and I'm I'm really curious about

299

00:13:17,509 --> 00:13:14,820

what's this strong draw you know and

300

00:13:20,269 --> 00:13:17,519

this woman walks in she's probably 25

301  
00:13:23,569 --> 00:13:20,279  
years old young med school a med uh

302  
00:13:26,829 --> 00:13:23,579  
student uh very intelligent and highly

303  
00:13:29,629 --> 00:13:26,839  
autistic and she comes in she's nervous

304  
00:13:32,389 --> 00:13:29,639  
I could tell she feels everything in the

305  
00:13:34,250 --> 00:13:32,399  
room and uh It's upsetting her a little

306  
00:13:36,170 --> 00:13:34,260  
bit and she's curious and she's looking

307  
00:13:38,629 --> 00:13:36,180  
around they didn't have the drink that

308  
00:13:40,129 --> 00:13:38,639  
she wanted and uh so I kind of

309  
00:13:42,650 --> 00:13:40,139  
approached her I said hey let's go

310  
00:13:45,230 --> 00:13:42,660  
outside you know and I started to you

311  
00:13:46,910 --> 00:13:45,240  
know read into her life and when you get

312  
00:13:49,490 --> 00:13:46,920  
a little bit of pushback you just kind

313  
00:13:51,430 --> 00:13:49,500

of you know recede and just have a

314

00:13:54,290 --> 00:13:51,440

regular conversation but she was

315

00:13:56,750 --> 00:13:54,300

extremely receptive and did it right

316

00:13:59,389 --> 00:13:56,760

back at me and she was like oh my God we

317

00:14:01,009 --> 00:13:59,399

have to sit down you're like me and uh

318

00:14:03,910 --> 00:14:01,019

so we sat down and we were just having

319

00:14:07,430 --> 00:14:03,920

this conversation of um

320

00:14:09,230 --> 00:14:07,440

it's it's empathy it's an Essence it's a

321

00:14:11,090 --> 00:14:09,240

knowing and when two people like that

322

00:14:13,790 --> 00:14:11,100

sit down and they kind of drop the

323

00:14:15,650 --> 00:14:13,800

curtain it's the bartender's jaw was on

324

00:14:17,690 --> 00:14:15,660

the floor she was just like I can't even

325

00:14:19,310 --> 00:14:17,700

listen to this conversation like you

326

00:14:21,710 --> 00:14:19,320

guys known each other your whole life or

327

00:14:23,569 --> 00:14:21,720

what you know and she said I have to get

328

00:14:24,769 --> 00:14:23,579

my boyfriend down here he was also

329

00:14:28,490 --> 00:14:24,779

autistic

330

00:14:30,650 --> 00:14:28,500

and uh she calls him up he comes down it

331

00:14:33,290 --> 00:14:30,660

was great to meet him and not too long

332

00:14:35,930 --> 00:14:33,300

into that we're talking about how he was

333

00:14:39,110 --> 00:14:35,940

picked up out of high school for top

334

00:14:41,329 --> 00:14:39,120

security clearance working for a uh

335

00:14:44,210 --> 00:14:41,339

um Aerospace company I'll just put it

336

00:14:47,269 --> 00:14:44,220

that way working on some electrical

337

00:14:49,850 --> 00:14:47,279

engineering top secret stuff and uh you

338

00:14:53,269 --> 00:14:49,860

know he did mention several times I just

339

00:14:56,210 --> 00:14:53,279

really feel like they used me and so

340

00:14:58,069 --> 00:14:56,220

long story short it's just those things

341

00:15:00,350 --> 00:14:58,079

are kind of amazing you know you just

342

00:15:02,449 --> 00:15:00,360

feel that draw and you you follow it no

343

00:15:06,230 --> 00:15:02,459

matter what it is

344

00:15:09,530 --> 00:15:06,240

fact is Stranger Than Fiction and it is

345

00:15:11,990 --> 00:15:09,540

you have it's it's very interesting

346

00:15:13,550 --> 00:15:12,000

because you have this ability to

347

00:15:16,250 --> 00:15:13,560

communicate with like a source

348

00:15:18,889 --> 00:15:16,260

Consciousness and it's similar to like

349

00:15:21,470 --> 00:15:18,899

the internet but on a multi-dimensional

350

00:15:25,970 --> 00:15:21,480

scale where you can sort of Open Source

351

00:15:28,449 --> 00:15:25,980

into that Intel or that energy and uh

352

00:15:32,150 --> 00:15:28,459

there are others that can do it as well

353

00:15:34,430 --> 00:15:32,160

and absolutely it's it's fascinating to

354

00:15:37,910 --> 00:15:34,440

me because this is exactly what science

355

00:15:40,370 --> 00:15:37,920

is finding out that there is like you

356

00:15:42,350 --> 00:15:40,380

said there's no Rhyme or Reason to it

357

00:15:44,090 --> 00:15:42,360

it's There's No Agenda you just when you

358

00:15:47,990 --> 00:15:44,100

need to go you go you go you feel the

359

00:15:50,990 --> 00:15:48,000

flow and this energy has always existed

360

00:15:52,790 --> 00:15:51,000

hasn't it and I think that's why you you

361

00:15:55,550 --> 00:15:52,800

were able to key in on things that were

362

00:15:58,129 --> 00:15:55,560

thousands of years old you are able to

363

00:16:00,110 --> 00:15:58,139

interact with phenomena in ways that

364

00:16:02,389 --> 00:16:00,120

other people can't you told me an

365

00:16:04,670 --> 00:16:02,399

interesting story that took place in

366

00:16:06,110 --> 00:16:04,680

Nevada would it be okay if we jump into

367

00:16:08,150 --> 00:16:06,120

that

368

00:16:10,129 --> 00:16:08,160

uh sure sure I'm trying to think of

369

00:16:13,430 --> 00:16:10,139

which one but yeah

370

00:16:15,889 --> 00:16:13,440

um this is up in the uh I guess it would

371

00:16:18,110 --> 00:16:15,899

be in the la Madre Mountain area and

372

00:16:20,030 --> 00:16:18,120

there are a lot of UFOs in this area

373

00:16:24,110 --> 00:16:20,040

which is

374

00:16:27,110 --> 00:16:24,120

alone amazing but it seems like these

375

00:16:29,889 --> 00:16:27,120

UFOs tend to follow you wherever you are

376

00:16:33,170 --> 00:16:29,899

Eric and no matter you where you move

377

00:16:35,150 --> 00:16:33,180

what home you move into what the

378

00:16:38,030 --> 00:16:35,160

situation is and the location you move

379

00:16:39,530 --> 00:16:38,040

to these UFOs tend to start showing up

380

00:16:42,050 --> 00:16:39,540

don't they

381

00:16:44,689 --> 00:16:42,060

yeah I think I did a little bit of my

382

00:16:46,970 --> 00:16:44,699

own math uh sometime last year and I can

383

00:16:51,050 --> 00:16:46,980

I can definitely estimate low

384

00:16:54,230 --> 00:16:51,060

guesstimate maybe 6.6 million Americans

385

00:16:58,069 --> 00:16:54,240

that uh are experiencers you know it's

386

00:17:00,350 --> 00:16:58,079

probably a lot more if if you don't if

387

00:17:02,389 --> 00:17:00,360

you haven't had a UFO experience I

388

00:17:04,549 --> 00:17:02,399

guarantee you that you've known somebody

389

00:17:06,350 --> 00:17:04,559

that has it's that prevalent you know

390

00:17:08,329 --> 00:17:06,360

and it's we live in a society where it's

391

00:17:11,150 --> 00:17:08,339

not supposed to exist and I think that's

392

00:17:13,069 --> 00:17:11,160

daunting almost hilarious but I I hold

393

00:17:15,409 --> 00:17:13,079

back a laugh

394

00:17:18,169 --> 00:17:15,419

um but yeah there are um certain cases

395

00:17:20,030 --> 00:17:18,179

uh there's Chris Bledsoe senior uh

396

00:17:23,270 --> 00:17:20,040

there's a couple cases here in America

397

00:17:24,409 --> 00:17:23,280

where these things show up blatantly it

398

00:17:27,110 --> 00:17:24,419

doesn't matter if there's military

399

00:17:28,309 --> 00:17:27,120

presence or uh it doesn't matter who's

400

00:17:29,990 --> 00:17:28,319

looking

401  
00:17:31,970 --> 00:17:30,000  
um you know they just show up in front

402  
00:17:34,490 --> 00:17:31,980  
of God and everybody

403  
00:17:38,690 --> 00:17:34,500  
um unfortunately uh for me that happens

404  
00:17:40,669 --> 00:17:38,700  
to to be my case uh so I I have moved in

405  
00:17:43,070 --> 00:17:40,679  
the past 10 years I've moved to about

406  
00:17:46,850 --> 00:17:43,080  
seven different states several different

407  
00:17:49,789 --> 00:17:46,860  
towns in between and uh it you know it

408  
00:17:52,970 --> 00:17:49,799  
happens out in the open in Las Vegas

409  
00:17:55,549 --> 00:17:52,980  
I was kind of clueless as a matter of

410  
00:17:58,310 --> 00:17:55,559  
fact you know I just kind of wanted to

411  
00:18:01,070 --> 00:17:58,320  
have my own life you know and and really

412  
00:18:03,710 --> 00:18:01,080  
put my roots down and and uh kind of

413  
00:18:06,710 --> 00:18:03,720

forget about the whole UFO thing you

414

00:18:08,510 --> 00:18:06,720

know and and because you live a duality

415

00:18:10,130 --> 00:18:08,520

you have this normal life that you have

416

00:18:11,690 --> 00:18:10,140

to live and then there's the experience

417

00:18:13,190 --> 00:18:11,700

your life that you have to hide from

418

00:18:14,870 --> 00:18:13,200

everyone or they just uh they think

419

00:18:16,549 --> 00:18:14,880

you're nuts so

420

00:18:19,370 --> 00:18:16,559

um I needed some down time for myself

421

00:18:20,690 --> 00:18:19,380

and and um here these things are I mean

422

00:18:23,510 --> 00:18:20,700

they're showing up

423

00:18:25,190 --> 00:18:23,520

uh unbeknownst to me I I most of the

424

00:18:28,789 --> 00:18:25,200

time when these things were happening I

425

00:18:30,950 --> 00:18:28,799

was sleeping but uh there was a

426

00:18:33,950 --> 00:18:30,960

guy studying to be a field investigator

427

00:18:36,529 --> 00:18:33,960

for mufon and he noticed these objects

428

00:18:37,789 --> 00:18:36,539

uh coming down over my home uh and they

429

00:18:40,669 --> 00:18:37,799

would flash and they would shoot

430

00:18:43,549 --> 00:18:40,679

straight up you know orange spherical uh

431

00:18:47,690 --> 00:18:43,559

balls about 40 feet diameter there was

432

00:18:49,669 --> 00:18:47,700

also a resident across the valley that

433

00:18:52,070 --> 00:18:49,679

was filming these objects over my home

434

00:18:53,029 --> 00:18:52,080

as well and over Red Rock right across

435

00:18:56,210 --> 00:18:53,039

the street

436

00:18:57,890 --> 00:18:56,220

and so the first person that contacted

437

00:19:00,289 --> 00:18:57,900

me was a guy that was uh you know

438

00:19:02,510 --> 00:19:00,299

studying to to be a field investigator

439

00:19:04,250 --> 00:19:02,520

he knocked on my door and he said I

440

00:19:06,289 --> 00:19:04,260

don't want to sound crazy but have you

441

00:19:07,789 --> 00:19:06,299

ever heard of UFOs and I just kind of

442

00:19:10,850 --> 00:19:07,799

smiled at him and rolled my eyes I was

443

00:19:12,350 --> 00:19:10,860

like come on inside and uh he he opened

444

00:19:14,390 --> 00:19:12,360

his laptop and he was showing me the

445

00:19:16,310 --> 00:19:14,400

footage of this object you know coming

446

00:19:18,169 --> 00:19:16,320

down over my home usually around three

447

00:19:19,250 --> 00:19:18,179

o'clock in the morning and then it would

448

00:19:22,789 --> 00:19:19,260

take off

449

00:19:26,029 --> 00:19:22,799

so uh the second person I was contacted

450

00:19:28,250 --> 00:19:26,039

was Steve Barone and uh we just kind of

451  
00:19:31,370 --> 00:19:28,260  
had some conversations and it led into

452  
00:19:33,950 --> 00:19:31,380  
hey we both live in Vegas

453  
00:19:35,690 --> 00:19:33,960  
um and he's filming UFOs right here in

454  
00:19:37,789 --> 00:19:35,700  
Vegas where I live and I'm like man I

455  
00:19:39,950 --> 00:19:37,799  
gotta you know go down there and see

456  
00:19:42,110 --> 00:19:39,960  
what you're filming and it turns out he

457  
00:19:46,010 --> 00:19:42,120  
was he was filming over Red Rock in in

458  
00:19:49,730 --> 00:19:46,020  
my home uh so these coincidences tend to

459  
00:19:51,110 --> 00:19:49,740  
happen and um so I mean yeah I mean

460  
00:19:54,770 --> 00:19:51,120  
there wasn't

461  
00:19:58,130 --> 00:19:54,780  
really you know contact or or you know

462  
00:20:00,230 --> 00:19:58,140  
uh too much insane activity but there

463  
00:20:01,730 --> 00:20:00,240

was definitely a you know a constant

464

00:20:04,610 --> 00:20:01,740

ongoing presence

465

00:20:06,590 --> 00:20:04,620

uh going on but eventually a lot of uh

466

00:20:09,289 --> 00:20:06,600

hippie people and enthusiasts and all

467

00:20:10,730 --> 00:20:09,299

that were uh talking and they ended up

468

00:20:12,169 --> 00:20:10,740

climbing the mountain across the street

469

00:20:14,570 --> 00:20:12,179

from my house and they would be up there

470

00:20:17,570 --> 00:20:14,580

every night you know uh drinking beer

471

00:20:20,630 --> 00:20:17,580

and cheering and uh you know looking at

472

00:20:24,650 --> 00:20:20,640

these objects and stuff super super wild

473

00:20:26,390 --> 00:20:24,660

and this area is extremely active

474

00:20:28,909 --> 00:20:26,400

um Steve Barone is one of my neighbors

475

00:20:30,890 --> 00:20:28,919

actually and this is so weird yeah that

476

00:20:35,090 --> 00:20:30,900

you you lived in this exact same

477

00:20:37,669 --> 00:20:35,100

location near Red Rock here at the uh in

478

00:20:40,970 --> 00:20:37,679

the valley what's odd is this physical

479

00:20:43,570 --> 00:20:40,980

reality we all have it seems and there

480

00:20:47,690 --> 00:20:43,580

seems to be a lot of evidence that

481

00:20:49,850 --> 00:20:47,700

humans are able to be kind of upgraded

482

00:20:52,010 --> 00:20:49,860

they have abilities unlocked to

483

00:20:55,669 --> 00:20:52,020

communicate with observe manipulate and

484

00:20:58,490 --> 00:20:55,679

even manifest aspects of dimensional

485

00:21:00,289 --> 00:20:58,500

realities into our own do you think

486

00:21:03,430 --> 00:21:00,299

these things are following you

487

00:21:07,130 --> 00:21:03,440

interacting with you or both

488

00:21:09,770 --> 00:21:07,140

uh both both I mean um

489

00:21:12,289 --> 00:21:09,780

I've heard a lot of perspectives and I

490

00:21:15,830 --> 00:21:12,299

try to keep mine wide open

491

00:21:18,770 --> 00:21:15,840

um you know I I don't want to um

492

00:21:21,590 --> 00:21:18,780

take on a perspective and be wrong it's

493

00:21:23,150 --> 00:21:21,600

just too important for me so you know

494

00:21:25,010 --> 00:21:23,160

people ask me you know is this

495

00:21:27,350 --> 00:21:25,020

palladians or is this that it's like

496

00:21:29,990 --> 00:21:27,360

look I I don't know I don't know I know

497

00:21:32,870 --> 00:21:30,000

they're extremely intelligent more than

498

00:21:35,029 --> 00:21:32,880

I can shake a steak at and uh it's it's

499

00:21:37,850 --> 00:21:35,039

a it's a really good idea to be hyper

500

00:21:40,970 --> 00:21:37,860

Vigilant about that type of intelligence

501  
00:21:43,730 --> 00:21:40,980  
and uh really don't throw anything out

502  
00:21:46,490 --> 00:21:43,740  
no towels no bath water nothing until

503  
00:21:48,049 --> 00:21:46,500  
you can responsibly truly understand

504  
00:21:50,870 --> 00:21:48,059  
what's going on

505  
00:21:52,490 --> 00:21:50,880  
um you know before it was you know the

506  
00:21:53,810 --> 00:21:52,500  
Grays and their physical and they could

507  
00:21:56,149 --> 00:21:53,820  
probably get out and have a cup of

508  
00:21:58,549 --> 00:21:56,159  
coffee you know with you but uh but now

509  
00:22:00,710 --> 00:21:58,559  
it's uh the perspective is is slowly

510  
00:22:01,490 --> 00:22:00,720  
changing through science to uh to see

511  
00:22:04,370 --> 00:22:01,500  
that

512  
00:22:07,070 --> 00:22:04,380  
of whatever this intelligence is it's uh

513  
00:22:11,570 --> 00:22:07,080

it's profoundly outside of our our uh

514

00:22:13,730 --> 00:22:11,580

imagination wow man and going back um

515

00:22:17,210 --> 00:22:13,740

let me ask the other Eric now you both

516

00:22:20,029 --> 00:22:17,220

have been on how how long has this

517

00:22:22,010 --> 00:22:20,039

amazing trip down the rabbit hole been

518

00:22:23,990 --> 00:22:22,020

the most recent one that you just came

519

00:22:26,450 --> 00:22:24,000

off of

520

00:22:30,350 --> 00:22:26,460

yeah I picked up Eric or actually uh

521

00:22:31,970 --> 00:22:30,360

Erica of Eric you may already know this

522

00:22:34,190 --> 00:22:31,980

but the listeners may not know he's been

523

00:22:36,110 --> 00:22:34,200

working with uh experiencers for many

524

00:22:37,970 --> 00:22:36,120

many years somewhere in the neighborhood

525

00:22:40,789 --> 00:22:37,980

of around 3 000 Plus

526

00:22:42,169 --> 00:22:40,799

and one of his clients uh that he does

527

00:22:44,090 --> 00:22:42,179

all this for free

528

00:22:45,950 --> 00:22:44,100

helps people which is a beautiful thing

529

00:22:48,169 --> 00:22:45,960

because a lot of people don't really

530

00:22:49,490 --> 00:22:48,179

know what's going on or how to interpret

531

00:22:51,950 --> 00:22:49,500

what it is they're experiencing and

532

00:22:54,049 --> 00:22:51,960

because of his experience personally and

533

00:22:56,330 --> 00:22:54,059

also his knowledge that he's gained by

534

00:22:58,010 --> 00:22:56,340

working with other people he's able to

535

00:23:00,169 --> 00:22:58,020

talk to people as like a counselor would

536

00:23:01,070 --> 00:23:00,179

and anyways there's a lady that lived in

537

00:23:02,870 --> 00:23:01,080

Utah

538

00:23:05,750 --> 00:23:02,880

who he hadn't met yet but they've been

539

00:23:08,690 --> 00:23:05,760

communicating and so she picked him up

540

00:23:11,510 --> 00:23:08,700

at the airport and uh

541

00:23:12,950 --> 00:23:11,520

brought brought Eric over to Draper Utah

542

00:23:16,130 --> 00:23:12,960

which is where I was staying with Jeff

543

00:23:20,450 --> 00:23:16,140

Brunell who has that e-talk TV Talk

544

00:23:23,690 --> 00:23:20,460

Radio podcast and uh ironically prior to

545

00:23:26,090 --> 00:23:23,700

that I've been to uh Jeff burnell's

546

00:23:29,270 --> 00:23:26,100

house several times and he's got lights

547

00:23:31,310 --> 00:23:29,280

on the mountain I'm just gonna call him

548

00:23:32,330 --> 00:23:31,320

lights because they're not they're not

549

00:23:34,130 --> 00:23:32,340

uh

550

00:23:36,289 --> 00:23:34,140

they did they don't appear to be solid

551

00:23:37,370 --> 00:23:36,299

objects I mean they maybe saw an objects

552

00:23:40,310 --> 00:23:37,380

but we're not talking your typical

553

00:23:43,070 --> 00:23:40,320

flying saucers or UFOs these things are

554

00:23:44,570 --> 00:23:43,080

are right on the mountain not above the

555

00:23:46,610 --> 00:23:44,580

mountain not on the ground but literally

556

00:23:49,190 --> 00:23:46,620

on the mountain and they're flickering

557

00:23:51,169 --> 00:23:49,200

and they're moving and uh kind of

558

00:23:54,110 --> 00:23:51,179

changing shape a little bit and changing

559

00:23:57,110 --> 00:23:54,120

colors going from from white or to

560

00:24:00,049 --> 00:23:57,120

Yellow to red to orange and I was able

561

00:24:02,690 --> 00:24:00,059

to record all this and so uh so that

562

00:24:04,730 --> 00:24:02,700

night when when Eric was coming over

563

00:24:06,230 --> 00:24:04,740

I was just sitting out there on on the

564

00:24:07,549 --> 00:24:06,240

on the patio just kind of looking out

565

00:24:08,510 --> 00:24:07,559

there at the mountain just thinking you

566

00:24:10,549 --> 00:24:08,520

know I wonder if they're going to be

567

00:24:12,049 --> 00:24:10,559

coming out tonight and then all of a

568

00:24:14,810 --> 00:24:12,059

sudden uh

569

00:24:16,490 --> 00:24:14,820

I would say no exaggeration 20 times the

570

00:24:18,529 --> 00:24:16,500

amount that I'm used to seeing which

571

00:24:20,510 --> 00:24:18,539

normally I would see maybe two or three

572

00:24:24,169 --> 00:24:20,520

possibly four lights

573

00:24:26,330 --> 00:24:24,179

uh in an evening uh we I saw well over

574

00:24:29,149 --> 00:24:26,340

20 lights that and within about a 30

575

00:24:30,890 --> 00:24:29,159

minute period flickering and moving and

576

00:24:33,409 --> 00:24:30,900

then and I was able to film this and

577

00:24:37,310 --> 00:24:33,419

then this one object I guess it was an

578

00:24:39,590 --> 00:24:37,320

object it was four lights in a row

579

00:24:42,350 --> 00:24:39,600

um just appeared off to the left again

580

00:24:43,909 --> 00:24:42,360

right near the mountain and was just

581

00:24:46,430 --> 00:24:43,919

hovering there and that was the first

582

00:24:48,770 --> 00:24:46,440

time me I personally have ever seen

583

00:24:50,330 --> 00:24:48,780

would look like I call that a Mothership

584

00:24:52,730 --> 00:24:50,340

I mean if I was going to guess how big

585

00:24:54,230 --> 00:24:52,740

it was I would have to say

586

00:24:56,570 --> 00:24:54,240

it had to be somewhere in the

587

00:24:58,310 --> 00:24:56,580

neighborhood of about a hundred yards

588

00:25:00,350 --> 00:24:58,320

because it was there was I mean just the

589

00:25:02,450 --> 00:25:00,360

width of it and uh that was kind of

590

00:25:05,029 --> 00:25:02,460

exciting to see and I thought in my mind

591

00:25:06,950 --> 00:25:05,039

I'm going is this just a coincidence or

592

00:25:08,570 --> 00:25:06,960

synchronicity that Eric's coming here

593

00:25:10,190 --> 00:25:08,580

right now and then all these lights are

594

00:25:12,529 --> 00:25:10,200

flickering I don't know but it was

595

00:25:14,510 --> 00:25:12,539

interesting

596

00:25:15,950 --> 00:25:14,520

um so anyway so from there and then Eric

597

00:25:18,710 --> 00:25:15,960

already mentioned that we went over to

598

00:25:20,750 --> 00:25:18,720

the space Wolf Research Center uh the

599

00:25:23,330 --> 00:25:20,760

next day and did some research up there

600

00:25:25,730 --> 00:25:23,340

and uh with you at your place and and I

601  
00:25:27,950 --> 00:25:25,740  
did go down there uh you know this but

602  
00:25:29,149 --> 00:25:27,960  
I'll let your listeners know that uh I

603  
00:25:31,730 --> 00:25:29,159  
was able to walk down there where the

604  
00:25:33,409 --> 00:25:31,740  
tree was where Eric had commented

605  
00:25:35,750 --> 00:25:33,419  
earlier in this in your show here that

606  
00:25:37,190 --> 00:25:35,760  
uh and you had told me about some

607  
00:25:38,930 --> 00:25:37,200  
strange things that happened near that

608  
00:25:41,510 --> 00:25:38,940  
tree so there's this little creek there

609  
00:25:42,950 --> 00:25:41,520  
I call I call it Cryptid Creek and so

610  
00:25:45,230 --> 00:25:42,960  
I'm kind of walking along the creek bed

611  
00:25:47,330 --> 00:25:45,240  
there and and then I realized that I was

612  
00:25:50,269 --> 00:25:47,340  
in an area that wasn't your property and

613  
00:25:52,010 --> 00:25:50,279

actually it wasn't any any no white man

614

00:25:53,870 --> 00:25:52,020

on this probably this was actually a

615

00:25:55,370 --> 00:25:53,880

reservation maybe you could tell them

616

00:25:57,110 --> 00:25:55,380

fill me in a little bit what is this

617

00:25:58,970 --> 00:25:57,120

little patch of the area that this

618

00:26:01,970 --> 00:25:58,980

little spot there that's kind of nestled

619

00:26:03,649 --> 00:26:01,980

in around the The Walker area in your

620

00:26:06,409 --> 00:26:03,659

area and this this whole little region

621

00:26:09,470 --> 00:26:06,419

uh what is that exactly yeah the entire

622

00:26:12,769 --> 00:26:09,480

area has such an interesting history a

623

00:26:15,169 --> 00:26:12,779

rich history of land transfer and and

624

00:26:18,110 --> 00:26:15,179

the like and it's very checkerboarded

625

00:26:22,430 --> 00:26:18,120

and you'll find for example as you

626  
00:26:25,430 --> 00:26:22,440  
mentioned reservation lands within an

627  
00:26:28,669 --> 00:26:25,440  
array of privately held lands and at

628  
00:26:31,149 --> 00:26:28,679  
times you'll find some of these areas so

629  
00:26:33,769 --> 00:26:31,159  
some are quite large but you will find

630  
00:26:35,210 --> 00:26:33,779  
particular like a checkerboard of

631  
00:26:38,810 --> 00:26:35,220  
properties and some of these reservation

632  
00:26:42,769 --> 00:26:38,820  
lands will actually be within privately

633  
00:26:44,810 --> 00:26:42,779  
held lands so it makes it super

634  
00:26:47,090 --> 00:26:44,820  
um interesting from from a land

635  
00:26:48,409 --> 00:26:47,100  
perspective you know you can have a

636  
00:26:50,149 --> 00:26:48,419  
neighbor that's private you can have

637  
00:26:52,070 --> 00:26:50,159  
another neighbor that's private and you

638  
00:26:54,830 --> 00:26:52,080

can have another neighbor that's kind of

639

00:26:58,070 --> 00:26:54,840

an absentee landlord because it is

640

00:27:01,130 --> 00:26:58,080

literally a land locked portion of land

641

00:27:03,590 --> 00:27:01,140

without insurable access and you know

642

00:27:05,990 --> 00:27:03,600

this is interesting uh amid like there's

643

00:27:10,490 --> 00:27:06,000

been a ton of institutional interest in

644

00:27:12,830 --> 00:27:10,500

UFOs obviously in Utah NASA has said it

645

00:27:14,630 --> 00:27:12,840

will fund a UFO pile let's study and

646

00:27:17,090 --> 00:27:14,640

this is months after Congress ordered

647

00:27:19,630 --> 00:27:17,100

the Pentagon to stand up and confirm a

648

00:27:23,570 --> 00:27:19,640

UFO office and produce annual reports

649

00:27:26,330 --> 00:27:23,580

this particular area is extremely

650

00:27:29,630 --> 00:27:26,340

studied and interestingly a lot of the

651  
00:27:31,549 --> 00:27:29,640  
universities some of which have been

652  
00:27:34,010 --> 00:27:31,559  
studying Eric Mitchell as well are

653  
00:27:36,769 --> 00:27:34,020  
they've raised millions of dollars for

654  
00:27:39,470 --> 00:27:36,779  
the Galileo project which will scan the

655  
00:27:40,669 --> 00:27:39,480  
skies for UFOs there's been a lot of

656  
00:27:44,230 --> 00:27:40,679  
criticism

657  
00:27:46,850 --> 00:27:44,240  
in you know all of the recent attention

658  
00:27:49,130 --> 00:27:46,860  
and you can't say oh this is the only

659  
00:27:51,649 --> 00:27:49,140  
spot because I think the whole area as

660  
00:27:54,049 --> 00:27:51,659  
you said Eric is amazing and there's

661  
00:27:56,570 --> 00:27:54,059  
many other areas that are amazing it's

662  
00:27:59,510 --> 00:27:56,580  
it's strange when you cannot throw a

663  
00:28:01,669 --> 00:27:59,520

blanket over this or a net because a lot

664

00:28:04,250 --> 00:28:01,679

of these property boundary lines Etc

665

00:28:07,010 --> 00:28:04,260

there's literally areas that are no

666

00:28:09,230 --> 00:28:07,020

man's land that you cannot go on because

667

00:28:11,510 --> 00:28:09,240

they are for example

668

00:28:14,090 --> 00:28:11,520

um reservation or they're super

669

00:28:16,310 --> 00:28:14,100

secretive and privately held or there's

670

00:28:19,370 --> 00:28:16,320

no insurable access to get in or out of

671

00:28:21,289 --> 00:28:19,380

so yeah that this particular area you're

672

00:28:23,390 --> 00:28:21,299

discussing I like to call the haunted

673

00:28:26,269 --> 00:28:23,400

100 or the most haunted hundred because

674

00:28:29,029 --> 00:28:26,279

it has no insurable access by its

675

00:28:32,750 --> 00:28:29,039

rightful ownership it is off limits to

676

00:28:35,029 --> 00:28:32,760

trespassers so literally there should

677

00:28:39,169 --> 00:28:35,039

never be any human being on this

678

00:28:41,570 --> 00:28:39,179

property and that is just an epic and

679

00:28:43,370 --> 00:28:41,580

ideal situation for what I like to call

680

00:28:45,529 --> 00:28:43,380

the high strangeness or the phenomenon

681

00:28:47,269 --> 00:28:45,539

because it's no man's land the only

682

00:28:50,570 --> 00:28:47,279

thing that should technically be there

683

00:28:52,490 --> 00:28:50,580

are these roaming entities it's kind of

684

00:28:54,350 --> 00:28:52,500

anti-scientific but just the truth of

685

00:28:57,470 --> 00:28:54,360

the whole matter

686

00:28:59,990 --> 00:28:57,480

yeah and so as I saw and took pictures

687

00:29:02,390 --> 00:29:00,000

of some very strange footprints

688

00:29:04,430 --> 00:29:02,400

that I couldn't figure out what they

689

00:29:05,630 --> 00:29:04,440

were and no Bigfoot Footprints although

690

00:29:08,930 --> 00:29:05,640

that would have been cool because I am

691

00:29:11,570 --> 00:29:08,940

looking for the Bigfoot but yeah so it's

692

00:29:13,490 --> 00:29:11,580

you know uh it's I see why they're

693

00:29:15,289 --> 00:29:13,500

studying this area but it's my opinion

694

00:29:18,289 --> 00:29:15,299

that uh

695

00:29:19,909 --> 00:29:18,299

I mean you could somebody could go there

696

00:29:21,409 --> 00:29:19,919

and study this and you can have millions

697

00:29:22,909 --> 00:29:21,419

of dollars and study it and have all

698

00:29:25,909 --> 00:29:22,919

this technology and so on and so forth

699

00:29:28,010 --> 00:29:25,919

but I I don't believe that they're ever

700

00:29:28,730 --> 00:29:28,020

going to be able to capture whatever it

701

00:29:30,470 --> 00:29:28,740

is

702

00:29:32,450 --> 00:29:30,480

that's going on there and put it in a

703

00:29:34,190 --> 00:29:32,460

bottle and and Market it or sell it or

704

00:29:36,110 --> 00:29:34,200

use it for some sort of Defense program

705

00:29:37,430 --> 00:29:36,120

I just don't think that's ever going to

706

00:29:39,350 --> 00:29:37,440

happen and that could be part of the

707

00:29:42,049 --> 00:29:39,360

reason why they took the funding away

708

00:29:43,909 --> 00:29:42,059

from uh from that whole project from

709

00:29:46,010 --> 00:29:43,919

back in the day when Bigelow had it in

710

00:29:47,810 --> 00:29:46,020

your area and so anyway that's just my

711

00:29:50,029 --> 00:29:47,820

opinion on that but but it's still

712

00:29:51,049 --> 00:29:50,039

interesting it's still fascinating

713

00:29:52,669 --> 00:29:51,059

um but I know they're going to keep

714

00:29:54,350 --> 00:29:52,679

studying it and maybe one day they will

715

00:29:56,389 --> 00:29:54,360

figure it out but I don't see it

716

00:29:58,190 --> 00:29:56,399

happening anytime soon I want to also

717

00:30:01,430 --> 00:29:58,200

say that whatever these things are

718

00:30:03,049 --> 00:30:01,440

whatever this thing is in the area and

719

00:30:05,090 --> 00:30:03,059

in general I mean it can drain your

720

00:30:07,370 --> 00:30:05,100

phone battery in a matter of moments it

721

00:30:10,789 --> 00:30:07,380

get it's giving people radiation Burns

722

00:30:13,850 --> 00:30:10,799

there's insane levels of electromagnetic

723

00:30:17,330 --> 00:30:13,860

frequencies which we're monitoring and

724

00:30:20,510 --> 00:30:17,340

the gear is showing us through testing

725

00:30:24,049 --> 00:30:20,520

that we are dealing with something that

726

00:30:26,690 --> 00:30:24,059

appears to kind of mock the scientific

727

00:30:30,230 --> 00:30:26,700

approach so I I sort of agree with you

728

00:30:32,750 --> 00:30:30,240

that this is like this is like trying to

729

00:30:35,389 --> 00:30:32,760

uh you know put a Genie in a Bottle no

730

00:30:38,330 --> 00:30:35,399

pun intended exactly what I was thinking

731

00:30:40,610 --> 00:30:38,340

and you said that is but yeah so uh

732

00:30:42,649 --> 00:30:40,620

it's and here's what was interesting you

733

00:30:45,289 --> 00:30:42,659

see I'm I'm a little more cautious uh

734

00:30:47,210 --> 00:30:45,299

because of the uh The Hitchhiker stories

735

00:30:48,529 --> 00:30:47,220

that I've heard and when I was down in

736

00:30:50,149 --> 00:30:48,539

that area

737

00:30:52,610 --> 00:30:50,159

um I didn't get any sense of any

738

00:30:55,789 --> 00:30:52,620

negative feelings or negative energy but

739

00:30:57,470 --> 00:30:55,799

there was a sense of uh in my own

740

00:30:59,029 --> 00:30:57,480

conscious mind there's like a sense of

741

00:31:00,830 --> 00:30:59,039

awe that okay this is different

742

00:31:03,590 --> 00:31:00,840

something about it felt different to me

743

00:31:05,990 --> 00:31:03,600

but not negative but I will report that

744

00:31:07,909 --> 00:31:06,000

I've had no no hitchhikers or anything

745

00:31:09,529 --> 00:31:07,919

like that after being there a few times

746

00:31:11,090 --> 00:31:09,539

which I'm grateful for that because I

747

00:31:13,370 --> 00:31:11,100

I've heard that and I don't know that

748

00:31:15,169 --> 00:31:13,380

I'd want to be bringing home any uh any

749

00:31:17,230 --> 00:31:15,179

kind of uh paranormal hitchhikers I'm

750

00:31:21,110 --> 00:31:17,240

not just not down with that personally

751

00:31:23,990 --> 00:31:21,120

yeah and I kind of not not to

752

00:31:26,630 --> 00:31:24,000

lose focus on the high strangeness in

753

00:31:29,149 --> 00:31:26,640

the uuna Basin in Utah but I want to

754

00:31:33,049 --> 00:31:29,159

kind of delve into some of Arkansas

755

00:31:35,690 --> 00:31:33,059

where you're at now this area has a very

756

00:31:39,289 --> 00:31:35,700

long history of unidentified flying

757

00:31:42,889 --> 00:31:39,299

objects I mean in Arkansas between 1896

758

00:31:46,190 --> 00:31:42,899

and 1965 pretty much the whole entire

759

00:31:48,289 --> 00:31:46,200

time was a UFO flap and then of course

760

00:31:54,110 --> 00:31:48,299

we have the UFO sightings in Pine Bluff

761

00:31:57,049 --> 00:31:54,120

during 1913 1947 and 1950 more recently

762

00:31:59,510 --> 00:31:57,059

have you guys come across any odd

763

00:32:01,549 --> 00:31:59,520

looking things or vessels craft in the

764

00:32:03,590 --> 00:32:01,559

sky while you've been there

765

00:32:04,730 --> 00:32:03,600

uh I'm gonna tell a quick story and then

766

00:32:06,710 --> 00:32:04,740

I'm going to hand the phone over to Eric

767

00:32:08,870 --> 00:32:06,720

because this is his home territory and

768

00:32:11,389 --> 00:32:08,880

he knows a lot more than I do but uh

769

00:32:13,909 --> 00:32:11,399

about a few months ago

770

00:32:16,130 --> 00:32:13,919

um Eric okay so there's an Eric's got a

771

00:32:18,950 --> 00:32:16,140

neighbor and I'm gonna try to keep this

772

00:32:21,350 --> 00:32:18,960

on the uh as simple as I can because I I

773

00:32:24,049 --> 00:32:21,360

guess uh she's got some issues with some

774

00:32:26,750 --> 00:32:24,059

visitors that are unwelcome human beings

775

00:32:28,370 --> 00:32:26,760

so Eric offered to put a camera a little

776

00:32:30,130 --> 00:32:28,380

camera and I'm looking at it right now

777

00:32:33,350 --> 00:32:30,140

as I look out the window in her window

778

00:32:35,029 --> 00:32:33,360

and so it's filming outward on the on

779

00:32:37,970 --> 00:32:35,039

the driveway here so that if anybody

780

00:32:40,070 --> 00:32:37,980

comes onto the property here that's that

781

00:32:42,049 --> 00:32:40,080

might want to approach her her property

782

00:32:44,330 --> 00:32:42,059

uh he'll be able to record it so it's

783

00:32:45,889 --> 00:32:44,340

kind of a protection thing for her so

784

00:32:47,990 --> 00:32:45,899

when you put that there I'm thinking

785

00:32:50,210 --> 00:32:48,000

that he had no idea what he was going to

786

00:32:51,889 --> 00:32:50,220

record but I mean this is pretty cool so

787

00:32:53,149 --> 00:32:51,899

this apparently this this camera that's

788

00:32:55,190 --> 00:32:53,159

in the window I'm looking at it right

789

00:32:56,330 --> 00:32:55,200

now across about about 30 yards away

790

00:32:58,789 --> 00:32:56,340

from me

791

00:33:02,389 --> 00:32:58,799

um it's it's motion activated and it's

792

00:33:04,730 --> 00:33:02,399

on an app so whenever anything comes in

793

00:33:07,430 --> 00:33:04,740

in the uh in the range or the view range

794

00:33:08,389 --> 00:33:07,440

of this of this camera it'll send Eric a

795

00:33:11,630 --> 00:33:08,399

notice

796

00:33:13,009 --> 00:33:11,640

and so uh he calls me up and said you

797

00:33:15,049 --> 00:33:13,019

know check this out what do you think

798

00:33:17,149 --> 00:33:15,059

what what the hell's this you know and

799

00:33:21,529 --> 00:33:17,159

and I'm looking at this thing

800

00:33:23,149 --> 00:33:21,539

and uh and it to me it looked like a

801  
00:33:26,990 --> 00:33:23,159  
Bigfoot that had that was in the middle

802  
00:33:29,570 --> 00:33:27,000  
of a cloak and it was tall it was big it

803  
00:33:32,210 --> 00:33:29,580  
had it had the kind of the shape if it

804  
00:33:36,169 --> 00:33:32,220  
wasn't a Bigfoot it was some sort of uh

805  
00:33:37,430 --> 00:33:36,179  
ghostly Cryptid type creature and and so

806  
00:33:39,169 --> 00:33:37,440  
I'm looking at this thing and I'm

807  
00:33:41,690 --> 00:33:39,179  
thinking man I can't figure out what

808  
00:33:44,409 --> 00:33:41,700  
that is broad daylight broad daylight by

809  
00:33:49,669 --> 00:33:47,210  
at least eight feet tall yeah

810  
00:33:51,769 --> 00:33:49,679  
um and so it's right by his car and so

811  
00:33:53,149 --> 00:33:51,779  
I'm and I thought to myself well when I

812  
00:33:54,710 --> 00:33:53,159  
actually get to his house where I'm at

813  
00:33:55,970 --> 00:33:54,720

now I'm going to look at this closer and

814

00:33:58,310 --> 00:33:55,980

try to figure out what that could have

815

00:34:01,430 --> 00:33:58,320

been facing my bedroom window yeah

816

00:34:04,549 --> 00:34:01,440

there's whatever this thing is it it was

817

00:34:06,470 --> 00:34:04,559

there you could clearly see it it's uh

818

00:34:08,450 --> 00:34:06,480

this it's it's no uh I don't know what

819

00:34:10,430 --> 00:34:08,460

to say about it but then there are also

820

00:34:12,589 --> 00:34:10,440

at certain times of the evening

821

00:34:15,409 --> 00:34:12,599

uh there'll be pictures that'll show up

822

00:34:17,690 --> 00:34:15,419

on his phone off this app that show like

823

00:34:20,089 --> 00:34:17,700

some sort of bright light but it's got

824

00:34:23,030 --> 00:34:20,099

It's not just a bright light uh it's got

825

00:34:24,649 --> 00:34:23,040

this kind of wavy uh lines through it

826

00:34:26,450 --> 00:34:24,659

and it's really kind of trippy when you

827

00:34:28,609 --> 00:34:26,460

look at it it's nothing I've ever seen

828

00:34:30,770 --> 00:34:28,619

before so I I don't know if this

829

00:34:33,349 --> 00:34:30,780

whatever this light is that's coming and

830

00:34:34,369 --> 00:34:33,359

hovering near or above his his house

831

00:34:35,869 --> 00:34:34,379

here

832

00:34:37,669 --> 00:34:35,879

um you I can't really I've never seen

833

00:34:40,909 --> 00:34:37,679

anything like it so I haven't really

834

00:34:42,770 --> 00:34:40,919

been able to uh to figure out yet we've

835

00:34:44,329 --> 00:34:42,780

only been here a few days we were kind

836

00:34:46,430 --> 00:34:44,339

of just going to bed early just trying

837

00:34:47,810 --> 00:34:46,440

to catch up on sleep but uh but I'm

838

00:34:52,790 --> 00:34:47,820

gonna hand the phone over to Eric and

839

00:34:57,770 --> 00:34:55,669

yeah we uh I I don't I don't know what

840

00:34:59,990 --> 00:34:57,780

that that light is that kind of shows up

841

00:35:03,290 --> 00:35:00,000

while I'm sleeping but it's it's uh it's

842

00:35:05,030 --> 00:35:03,300

tripping the camera and uh the camera's

843

00:35:06,890 --> 00:35:05,040

taking a picture of it but like Eric

844

00:35:08,510 --> 00:35:06,900

said you can't really make out what in

845

00:35:10,609 --> 00:35:08,520

the world it is

846

00:35:12,770 --> 00:35:10,619

it looks like you're getting a glimpse

847

00:35:15,650 --> 00:35:12,780

into like some other reality it sounds

848

00:35:19,210 --> 00:35:15,660

like it was from the description this is

849

00:35:22,490 --> 00:35:19,220

a very real entity that's visiting

850

00:35:24,050 --> 00:35:22,500

well yeah I mean it is an intelligent uh

851

00:35:25,790 --> 00:35:24,060

can I tell you an embarrassing story

852

00:35:28,910 --> 00:35:25,800

that I probably would never do but since

853

00:35:31,790 --> 00:35:28,920

I'm on your show I'm gonna do it yeah

854

00:35:34,490 --> 00:35:31,800

uh my buddy Morgan she's a best

855

00:35:36,050 --> 00:35:34,500

bartender ever and uh once a month I'll

856

00:35:38,390 --> 00:35:36,060

go out and have a few drinks and and

857

00:35:40,970 --> 00:35:38,400

just kind of you know relax myself and

858

00:35:43,250 --> 00:35:40,980

she she's well aware because I'll I'll

859

00:35:44,990 --> 00:35:43,260

she'll pour extra heavy drinks and

860

00:35:47,569 --> 00:35:45,000

charge me half price I'll put it that

861

00:35:49,790 --> 00:35:47,579

way but uh and uh of course you know I

862

00:35:51,349 --> 00:35:49,800

get a little loose in the tongue you

863

00:35:52,970 --> 00:35:51,359

know having that many drinks and as

864

00:35:54,829 --> 00:35:52,980

strong as she pours them

865

00:35:57,349 --> 00:35:54,839

uh so she likes to hear about you know

866

00:35:59,390 --> 00:35:57,359

all these things and travels and

867

00:36:01,370 --> 00:35:59,400

um I brought my buddy and and we ended

868

00:36:03,829 --> 00:36:01,380

up having way too much I mean she was a

869

00:36:06,109 --> 00:36:03,839

heavy-handerer that night and uh we get

870

00:36:07,849 --> 00:36:06,119

in the car and uh two blocks from my

871

00:36:10,609 --> 00:36:07,859

home he pulls into his driveway he says

872

00:36:12,829 --> 00:36:10,619

Eric I I shouldn't even been driving you

873

00:36:15,410 --> 00:36:12,839

know I you can sleep on my couch it's

874

00:36:18,650 --> 00:36:15,420

fine and I said no I better go home you

875

00:36:20,089 --> 00:36:18,660

know so here I am just realizing I'm

876

00:36:22,609 --> 00:36:20,099

stumbling home

877

00:36:24,470 --> 00:36:22,619

and I'm just realizing oh my God it's

878

00:36:26,390 --> 00:36:24,480

the middle of the night and I'm outside

879

00:36:28,609 --> 00:36:26,400

in the dark you know I don't do this

880

00:36:29,990 --> 00:36:28,619

there's personal issues I have because

881

00:36:32,810 --> 00:36:30,000

of this stuff

882

00:36:34,910 --> 00:36:32,820

and I get this this feeling you know

883

00:36:38,470 --> 00:36:34,920

this strong feeling and I'm thinking oh

884

00:36:41,510 --> 00:36:38,480

my God you know and uh so I just

885

00:36:43,849 --> 00:36:41,520

many listeners will you know contest to

886

00:36:45,710 --> 00:36:43,859

this if you've ever been that drunk off

887

00:36:47,690 --> 00:36:45,720

a bourbon before you you could fight a

888

00:36:50,270 --> 00:36:47,700

bear there's you know you've got balls

889

00:36:52,430 --> 00:36:50,280  
of steel so I turned around

890

00:36:53,810 --> 00:36:52,440  
and here's a triangular object it's

891

00:36:56,089 --> 00:36:53,820  
probably you know a little bit bigger

892

00:36:58,370 --> 00:36:56,099  
than a van and it's hovering over the

893

00:37:00,230 --> 00:36:58,380  
tree behind me and I pull out my dad

894

00:37:02,690 --> 00:37:00,240  
finger you know that you know you shake

895

00:37:06,230 --> 00:37:02,700  
your dad's finger when you're mad and uh

896

00:37:08,150 --> 00:37:06,240  
I I cussed this thing out Ryan I I let

897

00:37:09,650 --> 00:37:08,160  
him have it you know I was like you you

898

00:37:11,630 --> 00:37:09,660  
ruined my life you turned everything

899

00:37:14,270 --> 00:37:11,640  
upside down I don't even know what you

900

00:37:16,010 --> 00:37:14,280  
are just I just went off like just

901  
00:37:19,190 --> 00:37:16,020  
standing there yelling at this object

902  
00:37:21,890 --> 00:37:19,200  
and it stopped like it was listening and

903  
00:37:23,510 --> 00:37:21,900  
uh you know I turn around and I take two

904  
00:37:25,970 --> 00:37:23,520  
walking steps to get away from this

905  
00:37:28,130 --> 00:37:25,980  
thing and I hear a lady across the

906  
00:37:30,589 --> 00:37:28,140  
street she goes I'm trying to think of

907  
00:37:32,150 --> 00:37:30,599  
her exact words oh she said you've got

908  
00:37:33,890 --> 00:37:32,160  
to be kidding me and I looked over

909  
00:37:35,450 --> 00:37:33,900  
across the street and here's a husband

910  
00:37:38,569 --> 00:37:35,460  
and a wife and they're sitting on the

911  
00:37:40,790 --> 00:37:38,579  
front porch drinking Bud Light so I just

912  
00:37:42,770 --> 00:37:40,800  
think it's hilarious uh you know from

913  
00:37:45,050 --> 00:37:42,780

their perspective that here's this drunk

914

00:37:46,609 --> 00:37:45,060

guy walking down the road with an object

915

00:37:48,410 --> 00:37:46,619

just above his head and he turns around

916

00:37:50,329 --> 00:37:48,420

and cusses it out I mean can you imagine

917

00:37:53,630 --> 00:37:50,339

from their perspective

918

00:37:55,430 --> 00:37:53,640

uh you know I guess they felt like they

919

00:37:56,750 --> 00:37:55,440

were in the middle of a a Men In Black

920

00:37:59,870 --> 00:37:56,760

movie

921

00:38:02,390 --> 00:37:59,880

it sounds like it and now this

922

00:38:06,230 --> 00:38:02,400

particular area I have to ask are you

923

00:38:08,990 --> 00:38:06,240

near Carpenter Dam Road by any chance

924

00:38:12,470 --> 00:38:09,000

uh I'd go out there a lot

925

00:38:13,790 --> 00:38:12,480

um but not not very far okay I go out

926

00:38:16,430 --> 00:38:13,800

there I like to go out there and

927

00:38:18,470 --> 00:38:16,440

meditate or used to at night time but uh

928

00:38:21,650 --> 00:38:18,480

I don't not anymore

929

00:38:25,310 --> 00:38:21,660

there are a ton of areas out there in

930

00:38:29,089 --> 00:38:25,320

that Hot Springs area that seem to be

931

00:38:32,329 --> 00:38:29,099

well UFO hot spots for lack of a better

932

00:38:34,250 --> 00:38:32,339

word and I was kind of asking Eric

933

00:38:35,569 --> 00:38:34,260

um if he's seen anything out there I

934

00:38:39,290 --> 00:38:35,579

wanted to get into some of your

935

00:38:44,329 --> 00:38:41,690

um yeah yeah I mean

936

00:38:47,089 --> 00:38:44,339

I I've been home for a year now

937

00:38:49,250 --> 00:38:47,099

and this is one of those times where you

938

00:38:51,050 --> 00:38:49,260

know I just want to you know fold up the

939

00:38:53,089 --> 00:38:51,060

doors get away from the world and and

940

00:38:56,450 --> 00:38:53,099

recoup you know you can't just keep

941

00:38:58,730 --> 00:38:56,460

going and expect not to fall apart so I

942

00:38:59,690 --> 00:38:58,740

take my recruit you know recuperation

943

00:39:03,770 --> 00:38:59,700

time

944

00:39:05,750 --> 00:39:03,780

uh but backstory back in 2013 I was at a

945

00:39:07,670 --> 00:39:05,760

place called milk Lane and that's where

946

00:39:09,589 --> 00:39:07,680

this object started showing up you know

947

00:39:12,130 --> 00:39:09,599

not in the sky but literally in the yard

948

00:39:14,450 --> 00:39:12,140

you know it scared people

949

00:39:18,230 --> 00:39:14,460

everybody in the neighborhood was moving

950

00:39:20,270 --> 00:39:18,240

out uh helicopters were showing up s-18s

951  
00:39:23,349 --> 00:39:20,280  
would you know fly over and taste these

952  
00:39:25,730 --> 00:39:23,359  
things so it was a big Fiasco

953  
00:39:28,670 --> 00:39:25,740  
unbeknownst to me I had no idea there

954  
00:39:30,829 --> 00:39:28,680  
was this guy on the uh sixth floor of a

955  
00:39:32,870 --> 00:39:30,839  
resort overlooking the lake and him and

956  
00:39:34,010 --> 00:39:32,880  
his mom were filming this activity from

957  
00:39:38,210 --> 00:39:34,020  
a distance

958  
00:39:40,490 --> 00:39:38,220  
and um 2014 when I moved to Maine and

959  
00:39:42,589 --> 00:39:40,500  
got my kid into college

960  
00:39:43,910 --> 00:39:42,599  
um the activity stopped for them so they

961  
00:39:45,410 --> 00:39:43,920  
stopped filming because there was

962  
00:39:49,550 --> 00:39:45,420  
nothing there anymore

963  
00:39:51,530 --> 00:39:49,560

well his mom died uh 2017 and I moved

964

00:39:53,210 --> 00:39:51,540

back here on the other side of the

965

00:39:56,030 --> 00:39:53,220

resort last year

966

00:39:57,890 --> 00:39:56,040

so now he's filming out the right hand

967

00:39:59,810 --> 00:39:57,900

side instead of the left hand side of

968

00:40:02,210 --> 00:39:59,820

the balcony and he's watching these

969

00:40:06,109 --> 00:40:02,220

objects again up to seven at a time

970

00:40:08,329 --> 00:40:06,119

and uh he calls mufon and uh mufon calls

971

00:40:09,950 --> 00:40:08,339

me and they said Eric are you home and I

972

00:40:11,510 --> 00:40:09,960

said yeah I'm home you know and they

973

00:40:13,849 --> 00:40:11,520

said what's your coordinates so I gave

974

00:40:15,650 --> 00:40:13,859

him the coordinates and um you know she

975

00:40:18,290 --> 00:40:15,660

calls me back and she says Eric there's

976

00:40:20,390 --> 00:40:18,300

a guy across the street at the resort

977

00:40:22,550 --> 00:40:20,400

there's filming objects

978

00:40:23,630 --> 00:40:22,560

coming out of the sky and going directly

979

00:40:25,670 --> 00:40:23,640

toward you

980

00:40:28,550 --> 00:40:25,680

and uh so I ended up meeting this guy

981

00:40:31,250 --> 00:40:28,560

his name is Jeremy McKim we had coffee

982

00:40:34,490 --> 00:40:31,260

and uh his jaw hit the floor when I told

983

00:40:36,349 --> 00:40:34,500

him I lived on milk Lane uh and he was

984

00:40:39,530 --> 00:40:36,359

filming the activity that was happening

985

00:40:41,450 --> 00:40:39,540

over you know over my home then and uh

986

00:40:45,470 --> 00:40:41,460

so we got to be friends he's 35 years

987

00:40:47,030 --> 00:40:45,480

old you know he's younger than me and I

988

00:40:49,790 --> 00:40:47,040

spent a lot of time hanging out talking

989

00:40:51,589 --> 00:40:49,800

about these things and when I would

990

00:40:53,750 --> 00:40:51,599

sleep at night he would literally go out

991

00:40:55,430 --> 00:40:53,760

onto the balcony and and film these

992

00:40:58,910 --> 00:40:55,440

things and you know he'd send me you

993

00:41:02,569 --> 00:40:58,920

know photos and film and stuff like that

994

00:41:04,490 --> 00:41:02,579

and uh so I didn't know this activity

995

00:41:06,829 --> 00:41:04,500

was going on you know while I was

996

00:41:09,890 --> 00:41:06,839

sleeping of course but uh but he was

997

00:41:11,750 --> 00:41:09,900

picking it up but uh one day he was on

998

00:41:13,790 --> 00:41:11,760

the uh the balcony and I'm sorry about

999

00:41:15,349 --> 00:41:13,800

being out of breath but I'm still a

1000

00:41:18,770 --> 00:41:15,359

little upset about you know this whole

1001  
00:41:19,910 --> 00:41:18,780  
part but uh him and his dad were filming

1002  
00:41:24,829 --> 00:41:19,920  
these things

1003  
00:41:26,810 --> 00:41:24,839  
his dad runs the resort and um he

1004  
00:41:30,050 --> 00:41:26,820  
sent me a text saying there's

1005  
00:41:32,089 --> 00:41:30,060  
helicopters out here and they look like

1006  
00:41:34,490 --> 00:41:32,099  
Blackhawks and there's objects out here

1007  
00:41:37,609 --> 00:41:34,500  
too and my head's starting to vibrate

1008  
00:41:40,010 --> 00:41:37,619  
and I think you know they're doing

1009  
00:41:41,870 --> 00:41:40,020  
something to me and I texted him I said

1010  
00:41:43,069 --> 00:41:41,880  
Jeremy get off the balcony if there's

1011  
00:41:45,410 --> 00:41:43,079  
helicopters and you're feeling

1012  
00:41:47,870 --> 00:41:45,420  
vibrations in your head get the hell out

1013  
00:41:49,910 --> 00:41:47,880

of there uh and he texted me back a

1014

00:41:52,250 --> 00:41:49,920

little while later saying that I think

1015

00:41:55,730 --> 00:41:52,260

these aliens made me sick

1016

00:41:57,829 --> 00:41:55,740

and uh he was scared and um

1017

00:42:00,230 --> 00:41:57,839

he went into the bathroom he threw up

1018

00:42:02,150 --> 00:42:00,240

twice and then went into his bedroom and

1019

00:42:04,670 --> 00:42:02,160

laid down his father got a cold

1020

00:42:07,370 --> 00:42:04,680

washcloth and stabbed him down and

1021

00:42:09,710 --> 00:42:07,380

Jeremy's arms went straight out his eyes

1022

00:42:11,290 --> 00:42:09,720

rolled back into his head and he passed

1023

00:42:14,569 --> 00:42:11,300

away he died

1024

00:42:17,450 --> 00:42:14,579

the coroner's office said that his blood

1025

00:42:20,329 --> 00:42:17,460

pressure spiked so high that it choked

1026

00:42:21,170 --> 00:42:20,339

off oxygen to his brain and uh he passed

1027

00:42:23,210 --> 00:42:21,180

away

1028

00:42:26,810 --> 00:42:23,220

I never had any health problems or

1029

00:42:28,849 --> 00:42:26,820

anything like that so it was a big shock

1030

00:42:30,950 --> 00:42:28,859

um but um that's you know one of the

1031

00:42:33,650 --> 00:42:30,960

many chapters that you know you go

1032

00:42:35,270 --> 00:42:33,660

through where you look around and

1033

00:42:37,849 --> 00:42:35,280

everybody's running around a mall with a

1034

00:42:39,170 --> 00:42:37,859

fanny pack and a credit card and they

1035

00:42:42,650 --> 00:42:39,180

just can't wait to watch the game

1036

00:42:44,569 --> 00:42:42,660

tonight or whatever's on TV and they

1037

00:42:47,150 --> 00:42:44,579

completely missed that this reality is

1038

00:42:51,470 --> 00:42:47,160

is everywhere you know

1039

00:42:53,089 --> 00:42:51,480

it it really is and you know this this

1040

00:42:57,650 --> 00:42:53,099

Men in Black

1041

00:43:00,770 --> 00:42:57,660

feature or this strange genre it seems

1042

00:43:02,089 --> 00:43:00,780

to feature very prominently in UFO

1043

00:43:06,589 --> 00:43:02,099

circles

1044

00:43:08,870 --> 00:43:06,599

um it seems more fact Than Fiction and

1045

00:43:11,390 --> 00:43:08,880

you never really know quite what they're

1046

00:43:12,829 --> 00:43:11,400

up to I recall a I had a similar

1047

00:43:15,410 --> 00:43:12,839

experience

1048

00:43:17,210 --> 00:43:15,420

with a friend of ours I was with a

1049

00:43:19,670 --> 00:43:17,220

gentleman whose feet his name is Ron

1050

00:43:21,890 --> 00:43:19,680

Johnson he's featured in Grant Cameron's

1051

00:43:23,990 --> 00:43:21,900

new book the UFO Pilots

1052

00:43:27,950 --> 00:43:24,000

and we had a mutual friend

1053

00:43:31,250 --> 00:43:27,960

named Daryl Smith and we had a similar

1054

00:43:33,410 --> 00:43:31,260

situation where this strange individual

1055

00:43:36,109 --> 00:43:33,420

parked next to the house we were on the

1056

00:43:38,390 --> 00:43:36,119

back porch looking up over a ridge in

1057

00:43:40,490 --> 00:43:38,400

the ewana Basin and this guy pulled out

1058

00:43:43,190 --> 00:43:40,500

what looked like a super soaker I mean

1059

00:43:44,990 --> 00:43:43,200

something ridiculous looking uh some

1060

00:43:47,990 --> 00:43:45,000

kind of weapon probably some kind of

1061

00:43:52,069 --> 00:43:48,000

non-lethal weapon or well as it turns

1062

00:43:55,250 --> 00:43:52,079

out fairly non-lethal but um Ron Johnson

1063

00:43:58,250 --> 00:43:55,260

and myself both ducked behind a a brick

1064

00:43:59,809 --> 00:43:58,260

embankment and Daryl I remember stood

1065

00:44:01,849 --> 00:43:59,819

there looking at this guy with through

1066

00:44:04,309 --> 00:44:01,859

his night vision and you could see well

1067

00:44:05,870 --> 00:44:04,319

the only thing I can explain it as is

1068

00:44:08,150 --> 00:44:05,880

through the night vision you could see

1069

00:44:10,849 --> 00:44:08,160

waves coming out of this Super Soaker

1070

00:44:12,829 --> 00:44:10,859

looking like gun and Daryl just stood

1071

00:44:14,450 --> 00:44:12,839

there and we kept telling him hey man

1072

00:44:17,690 --> 00:44:14,460

you should get down we don't know what

1073

00:44:20,870 --> 00:44:17,700

this thing is and uh shortly thereafter

1074

00:44:22,670 --> 00:44:20,880

he uh contracted with within two weeks

1075

00:44:25,130 --> 00:44:22,680

actually contracted Lou Gehrig's Disease

1076

00:44:28,849 --> 00:44:25,140

and passed away from it but what's

1077

00:44:31,849 --> 00:44:28,859

interesting is this this Men In Black

1078

00:44:34,730 --> 00:44:31,859

feature which is so prominent in UFO

1079

00:44:37,010 --> 00:44:34,740

circles and folklore it seems like

1080

00:44:39,410 --> 00:44:37,020

there's a lot of intimidation or

1081

00:44:42,290 --> 00:44:39,420

retaliation for discovering the truth

1082

00:44:45,670 --> 00:44:42,300

about UFOs have you encountered this Men

1083

00:44:52,010 --> 00:44:49,309

uh well I've encountered

1084

00:44:55,490 --> 00:44:52,020

um yeah some pushback I mean uh in the

1085

00:44:57,410 --> 00:44:55,500

very beginning uh there was a man uh by

1086

00:45:01,190 --> 00:44:57,420

the name of uh Lieutenant Colonel Dallas

1087

00:45:02,270 --> 00:45:01,200

C wood and uh from his record it looked

1088

00:45:04,430 --> 00:45:02,280

like he worked for the United States

1089

00:45:07,670 --> 00:45:04,440

Pentagon Foreign Relations foreign

1090

00:45:11,030 --> 00:45:07,680

Technologies uh he was involved in some

1091

00:45:13,130 --> 00:45:11,040

of the UFO projects at the Pentagon and

1092

00:45:15,530 --> 00:45:13,140

uh he pulled the domestic intelligence

1093

00:45:19,370 --> 00:45:15,540

report and started following me and my

1094

00:45:21,710 --> 00:45:19,380

kids around in 2013 uh when all this

1095

00:45:23,530 --> 00:45:21,720

really started out in the open you know

1096

00:45:25,910 --> 00:45:23,540

and started scaring everybody

1097

00:45:28,190 --> 00:45:25,920

my neighbor Debbie

1098

00:45:29,990 --> 00:45:28,200

she actually worked at the Lakeshore

1099

00:45:32,690 --> 00:45:30,000

condos where he was staying at the time

1100

00:45:35,690 --> 00:45:32,700

and she went in to clean his room and

1101  
00:45:37,849 --> 00:45:35,700  
change the Soaps and here's a bunch of

1102  
00:45:39,589 --> 00:45:37,859  
pictures of me and the kids all over his

1103  
00:45:42,710 --> 00:45:39,599  
bed you know shopping at the grocery

1104  
00:45:44,329 --> 00:45:42,720  
store playing at the swimming pool you

1105  
00:45:46,609 --> 00:45:44,339  
know walking in the park everything that

1106  
00:45:49,010 --> 00:45:46,619  
we did and there was a ledger

1107  
00:45:51,770 --> 00:45:49,020  
on the nightstand of what time I went to

1108  
00:45:54,050 --> 00:45:51,780  
work what time I went home like

1109  
00:45:56,569 --> 00:45:54,060  
everything I did I mean this guy was uh

1110  
00:45:58,490 --> 00:45:56,579  
really looking into us and you know he

1111  
00:46:01,309 --> 00:45:58,500  
wasn't doing it like knocking on my door

1112  
00:46:03,230 --> 00:46:01,319  
you know he was doing it covertly so I

1113  
00:46:04,390 --> 00:46:03,240

think that's the first time you know I

1114

00:46:07,190 --> 00:46:04,400

ran into

1115

00:46:09,050 --> 00:46:07,200

something like that but there's been you

1116

00:46:12,050 --> 00:46:09,060

know many occasions in in different

1117

00:46:15,890 --> 00:46:12,060

states and areas there was a

1118

00:46:18,290 --> 00:46:15,900

a couple of black SUVs in Maine I was uh

1119

00:46:21,230 --> 00:46:18,300

on my way to work and this is when

1120

00:46:24,890 --> 00:46:21,240

Audrey humans and I were really looking

1121

00:46:27,230 --> 00:46:24,900

at these uh you know projects in in the

1122

00:46:29,690 --> 00:46:27,240

Pentagon you know we got us a we have us

1123

00:46:33,589 --> 00:46:29,700

a name we have uh all kinds of things to

1124

00:46:35,990 --> 00:46:33,599

look at uh this was 2014 and uh we were

1125

00:46:37,970 --> 00:46:36,000

stirring up a pretty big nest I mean we

1126

00:46:40,430 --> 00:46:37,980

we figured out the names of uh the

1127

00:46:42,290 --> 00:46:40,440

people in the Aviary group you know blue

1128

00:46:45,589 --> 00:46:42,300

jay owl

1129

00:46:47,089 --> 00:46:45,599

um owl was a general John B Alexander

1130

00:46:49,430 --> 00:46:47,099

so we were

1131

00:46:51,050 --> 00:46:49,440

really uncovering some things that

1132

00:46:54,650 --> 00:46:51,060

really hadn't been out there yet you

1133

00:46:56,569 --> 00:46:54,660

know atip all sap all this stuff and I

1134

00:46:58,730 --> 00:46:56,579

was driving to work and there's two

1135

00:47:00,470 --> 00:46:58,740

black SUVs on the side of the road and I

1136

00:47:02,690 --> 00:47:00,480

I thought nothing of it you know it's a

1137

00:47:04,970 --> 00:47:02,700

beautiful place you know and uh you can

1138

00:47:07,250 --> 00:47:04,980

pull over and look off the mountain and

1139

00:47:08,930 --> 00:47:07,260

take pictures so

1140

00:47:10,490 --> 00:47:08,940

um one of them just kind of zipped out

1141

00:47:12,950 --> 00:47:10,500

in front of me and I had to slam on my

1142

00:47:15,410 --> 00:47:12,960

brakes I'm like oh my God you jerk you

1143

00:47:17,870 --> 00:47:15,420

know and here I was doing 55 now I'm

1144

00:47:20,030 --> 00:47:17,880

doing 35 and the other SUV pulled out

1145

00:47:21,890 --> 00:47:20,040

behind me and they boxed me in within

1146

00:47:23,990 --> 00:47:21,900

inches and I'm like are you kidding me

1147

00:47:26,750 --> 00:47:24,000

like is this really happening right now

1148

00:47:29,030 --> 00:47:26,760

so I remember my investigator telling me

1149

00:47:31,010 --> 00:47:29,040

if you ever end up in a situation like

1150

00:47:33,290 --> 00:47:31,020

that take a picture of the plates and

1151  
00:47:36,109 --> 00:47:33,300  
throw your phone under the seat that way

1152  
00:47:38,690 --> 00:47:36,119  
if you end up missing evidentiary

1153  
00:47:40,190 --> 00:47:38,700  
support is right there to show you can

1154  
00:47:41,569 --> 00:47:40,200  
track down the car using the plate

1155  
00:47:43,190 --> 00:47:41,579  
number and find out you know what's

1156  
00:47:46,609 --> 00:47:43,200  
involved here which I thought was pretty

1157  
00:47:48,890 --> 00:47:46,619  
smart so I reached my phone up I take a

1158  
00:47:49,870 --> 00:47:48,900  
picture of the plates and I'm shocked it

1159  
00:47:53,210 --> 00:47:49,880  
was

1160  
00:47:56,030 --> 00:47:53,220  
m-i-l-a-b-s on the back plates what this

1161  
00:47:57,589 --> 00:47:56,040  
guy's in front of me so I I'm I am not

1162  
00:47:59,750 --> 00:47:57,599  
kidding you Ryan you know I took this

1163  
00:48:02,589 --> 00:47:59,760

picture and then I look in my rear view

1164

00:48:06,829 --> 00:48:02,599

mirror and his front plates are

1165

00:48:08,329 --> 00:48:06,839

m-i-l-a-b-z my labs so

1166

00:48:11,390 --> 00:48:08,339

um these guys were running me off the

1167

00:48:13,130 --> 00:48:11,400

road uh it was a wild drive for a while

1168

00:48:14,870 --> 00:48:13,140

I thought my heart was gonna pop out of

1169

00:48:15,890 --> 00:48:14,880

my chest you know because it got pretty

1170

00:48:18,710 --> 00:48:15,900

violent

1171

00:48:20,690 --> 00:48:18,720

and once we got to the main road I

1172

00:48:22,849 --> 00:48:20,700

zipped off going towards work and and

1173

00:48:25,490 --> 00:48:22,859

they zipped off going the other way

1174

00:48:27,109 --> 00:48:25,500

so I ended up 10 minutes late for work

1175

00:48:29,450 --> 00:48:27,119

because here I am in the driveway with

1176

00:48:31,309 --> 00:48:29,460

my heart pounding out of my chest you

1177

00:48:32,990 --> 00:48:31,319

know I'm trying to catch my breasts and

1178

00:48:34,609 --> 00:48:33,000

uh you know it's just free you know we

1179

00:48:36,890 --> 00:48:34,619

can watch stuff like this in an action

1180

00:48:38,930 --> 00:48:36,900

film but when it happens in real life

1181

00:48:41,210 --> 00:48:38,940

it's like no I couldn't handle that as

1182

00:48:43,370 --> 00:48:41,220

well as I thought I could you know but

1183

00:48:45,230 --> 00:48:43,380

uh but yeah there's been pretty scary

1184

00:48:46,849 --> 00:48:45,240

situations like that

1185

00:48:49,970 --> 00:48:46,859

um Audrey ended up

1186

00:48:52,010 --> 00:48:49,980

uh with a black SUV behind her and she

1187

00:48:54,589 --> 00:48:52,020

called her sister and said there's a SUV

1188

00:48:57,230 --> 00:48:54,599

behind me we're on black ice in the

1189

00:49:00,530 --> 00:48:57,240

middle of Maine uh this is dangerous you

1190

00:49:03,109 --> 00:49:00,540

know and so Audrey's sister drove out to

1191

00:49:05,630 --> 00:49:03,119

find her sitting on the street outside

1192

00:49:08,390 --> 00:49:05,640

of her crushed car completely catatonic

1193

00:49:11,390 --> 00:49:08,400

and she hasn't been the same since

1194

00:49:12,349 --> 00:49:11,400

but there's a a lot to uh what happened

1195

00:49:15,650 --> 00:49:12,359

there

1196

00:49:18,290 --> 00:49:15,660

man it's a very real

1197

00:49:19,670 --> 00:49:18,300

um thing that takes place when it comes

1198

00:49:23,089 --> 00:49:19,680

to

1199

00:49:27,170 --> 00:49:23,099

these groups and you know I'm glad that

1200

00:49:30,170 --> 00:49:27,180

you mentioned the um Aviary because you

1201

00:49:32,390 --> 00:49:30,180

know since it for quite some time since

1202

00:49:35,210 --> 00:49:32,400

at least the 70s a number of individuals

1203

00:49:37,790 --> 00:49:35,220

with extremely high security clearances

1204

00:49:39,890 --> 00:49:37,800

have been working with various aspects

1205

00:49:42,109 --> 00:49:39,900

of the UFO phenomenon and seem to have

1206

00:49:44,030 --> 00:49:42,119

been interacting with each other and

1207

00:49:47,030 --> 00:49:44,040

when this information came out a lot of

1208

00:49:51,230 --> 00:49:47,040

people claimed it wasn't true we see the

1209

00:49:52,790 --> 00:49:51,240

same thing happening with mj-12 and I

1210

00:49:55,370 --> 00:49:52,800

have my beliefs and I think they

1211

00:49:58,970 --> 00:49:55,380

probably are the same as yours I wanted

1212

00:50:02,690 --> 00:49:58,980

to ask you lately something that's been

1213

00:50:04,609 --> 00:50:02,700

Gathering a lot of uh debunkers and a

1214

00:50:05,589 --> 00:50:04,619

lot of these debunkers oftentimes come

1215

00:50:07,670 --> 00:50:05,599

from

1216

00:50:09,890 --> 00:50:07,680

disinformation campaigns in the

1217

00:50:12,890 --> 00:50:09,900

government itself which is strange but

1218

00:50:15,470 --> 00:50:12,900

lately the Admiral Wilson leak where

1219

00:50:17,990 --> 00:50:15,480

Eric Davis met with Admiral Wilson in

1220

00:50:19,670 --> 00:50:18,000

supposedly a parking lot this has been

1221

00:50:23,870 --> 00:50:19,680

coming under attack what are your

1222

00:50:27,290 --> 00:50:23,880

thoughts where there's these splits and

1223

00:50:29,750 --> 00:50:27,300

divisions within the UFO Community where

1224

00:50:31,370 --> 00:50:29,760

something will get leaked and then

1225

00:50:34,010 --> 00:50:31,380

almost immediately it seems like half

1226

00:50:36,410 --> 00:50:34,020

the UFO community community goes with

1227

00:50:38,210 --> 00:50:36,420

information claiming it's been debunked

1228

00:50:40,790 --> 00:50:38,220

and the other half says no this is the

1229

00:50:43,490 --> 00:50:40,800

real deal how much of this collectively

1230

00:50:46,250 --> 00:50:43,500

do you think is just disinformation that

1231

00:50:49,490 --> 00:50:46,260

the government itself is putting out

1232

00:50:51,770 --> 00:50:49,500

that's a this is the Eric uh point two

1233

00:50:52,970 --> 00:50:51,780

uh I wanted to I'm going to hand the

1234

00:50:54,710 --> 00:50:52,980

phone back to Eric and let him answer

1235

00:50:56,690 --> 00:50:54,720

that excellent question but I wanted to

1236

00:50:58,670 --> 00:50:56,700

also interject uh going back to the

1237

00:51:00,589 --> 00:50:58,680

black SUV I don't think I told you this

1238

00:51:01,849 --> 00:51:00,599

yeah yeah and you can answer that

1239

00:51:03,349 --> 00:51:01,859

question too because you're very

1240

00:51:05,150 --> 00:51:03,359

knowledgeable when it comes to this as

1241

00:51:09,770 --> 00:51:05,160

well

1242

00:51:13,010 --> 00:51:09,780

did because I am on friendly terms with

1243

00:51:15,170 --> 00:51:13,020

Richard Doty I did mention the the uh

1244

00:51:18,650 --> 00:51:15,180

the uh what was the gentleman of Dallas

1245

00:51:22,370 --> 00:51:18,660

Dallas C Wood I mentioned uh Dallas C

1246

00:51:24,170 --> 00:51:22,380

Wood to Mr Doty and uh he he didn't

1247

00:51:26,569 --> 00:51:24,180

confirm

1248

00:51:28,670 --> 00:51:26,579

uh all the details that Eric just shared

1249

00:51:32,210 --> 00:51:28,680

with you but he confirmed that that this

1250

00:51:34,730 --> 00:51:32,220

is a real person and that he was without

1251

00:51:37,010 --> 00:51:34,740

using exact words I mean in other words

1252

00:51:38,930 --> 00:51:37,020

I I've been able to confirm a lot of

1253

00:51:41,270 --> 00:51:38,940

those information that Eric has been

1254

00:51:43,670 --> 00:51:41,280

sharing uh sometimes if you can't get it

1255

00:51:45,349 --> 00:51:43,680

firsthand you can get a second hand and

1256

00:51:47,210 --> 00:51:45,359

um so anyway but what I wanted to tell

1257

00:51:49,250 --> 00:51:47,220

you is that when we left your property

1258

00:51:51,349 --> 00:51:49,260

in the afternoon after we'd been kind of

1259

00:51:53,930 --> 00:51:51,359

checking out your property we got on the

1260

00:51:55,670 --> 00:51:53,940

road and started heading to Arizona and

1261

00:51:58,069 --> 00:51:55,680

uh we're just driving along you know

1262

00:51:59,750 --> 00:51:58,079

just chatting and listening to music and

1263

00:52:01,130 --> 00:51:59,760

then we we wanted to pull off in this

1264

00:52:03,470 --> 00:52:01,140

one area to go look at these Rock

1265

00:52:06,609 --> 00:52:03,480

structures we found these uh

1266

00:52:09,650 --> 00:52:06,619

these man-made

1267

00:52:11,569 --> 00:52:09,660

concrete doors that were in the side of

1268

00:52:13,190 --> 00:52:11,579

this mountain I mean you I'm shocked

1269

00:52:16,790 --> 00:52:13,200

that Eric was able to see it from the

1270

00:52:19,430 --> 00:52:16,800

road but so we pulled over

1271

00:52:21,470 --> 00:52:19,440

and uh we didn't realize that there was

1272

00:52:23,990 --> 00:52:21,480

a black SUV and I've got pictures of

1273

00:52:26,510 --> 00:52:24,000

this that I guess had been following us

1274

00:52:29,210 --> 00:52:26,520

because when we pulled over and we kind

1275

00:52:32,030 --> 00:52:29,220

of drove into this little area this

1276

00:52:34,849 --> 00:52:32,040

black SUV pulled over on right off the

1277

00:52:37,069 --> 00:52:34,859

freeway and it just waited it and it

1278

00:52:38,990 --> 00:52:37,079

just waited out there now we didn't know

1279

00:52:41,270 --> 00:52:39,000

right away that it that we had been

1280

00:52:42,650 --> 00:52:41,280

followed by this thing until we kind of

1281

00:52:45,950 --> 00:52:42,660

came out of this little area where we

1282

00:52:48,109 --> 00:52:45,960

were exploring this little uh

1283

00:52:49,430 --> 00:52:48,119

whatever this thing I was kind of trippy

1284

00:52:50,809 --> 00:52:49,440

I mean I've got pictures I'll send them

1285

00:52:52,250 --> 00:52:50,819

she was pretty amazing actually what we

1286

00:52:53,990 --> 00:52:52,260

found I'm kind of shocked that no one's

1287

00:52:55,849 --> 00:52:54,000

even talked about this before yeah but

1288

00:52:58,730 --> 00:52:55,859

but yes but we drove back out to the

1289

00:53:00,530 --> 00:52:58,740

road and uh and I'm looking at this

1290

00:53:02,809 --> 00:53:00,540

black SUV and I'm thinking is this guy

1291

00:53:04,790 --> 00:53:02,819

going to follow us it's all totally dark

1292

00:53:06,530 --> 00:53:04,800

tinted out windows

1293

00:53:08,950 --> 00:53:06,540

um so I pulled over and I got out of the

1294

00:53:11,450 --> 00:53:08,960

car and took pictures of it and I'm I'm

1295

00:53:13,010 --> 00:53:11,460

assuming that whoever was driving that

1296

00:53:15,770 --> 00:53:13,020

vehicle had to know that we were taking

1297

00:53:18,109 --> 00:53:15,780

pictures of it so uh when we got back on

1298

00:53:21,230 --> 00:53:18,119

the freeway it we were watching the rear

1299

00:53:23,329 --> 00:53:21,240

view mirror and it didn't seem to uh be

1300

00:53:24,770 --> 00:53:23,339

following us anymore I'm probably

1301

00:53:26,569 --> 00:53:24,780

because we figured out that we were

1302

00:53:28,970 --> 00:53:26,579

being followed I know that sounds kind

1303

00:53:31,309 --> 00:53:28,980

of crazy and a little bit uh but that

1304

00:53:32,569 --> 00:53:31,319

really happens so I just wanted to share

1305

00:53:35,390 --> 00:53:32,579

that with you but I'm going to pass it

1306

00:53:37,490 --> 00:53:35,400

back over to Erica rephrase briefly that

1307

00:53:39,230 --> 00:53:37,500

question about the disinformation and

1308

00:53:41,390 --> 00:53:39,240

the 50 what you were saying just before

1309

00:53:43,609 --> 00:53:41,400

I jumped in there

1310

00:53:46,010 --> 00:53:43,619

well I think you were asking me about

1311

00:53:48,589 --> 00:53:46,020

social engineering and uh

1312

00:53:51,770 --> 00:53:48,599

I don't know I think a good way to

1313

00:53:53,809 --> 00:53:51,780

explain this is um being in a bad

1314

00:53:55,790 --> 00:53:53,819

relationship with a partner you know at

1315

00:53:59,270 --> 00:53:55,800

first it's uh

1316

00:54:01,790 --> 00:53:59,280

um okay it's flashy it's wonderful

1317

00:54:03,710 --> 00:54:01,800

um and then you know you don't know how

1318

00:54:06,349 --> 00:54:03,720

terrible it is until you get out of it

1319

00:54:09,170 --> 00:54:06,359

and you know for me that was kind of the

1320

00:54:12,290 --> 00:54:09,180

confines of of ufology I mean the first

1321

00:54:14,630 --> 00:54:12,300

time I walked into uh a symposium I

1322

00:54:15,790 --> 00:54:14,640

couldn't believe my eyes my ears uh

1323

00:54:18,890 --> 00:54:15,800

people were

1324

00:54:21,950 --> 00:54:18,900

spreading rumors and finger pointing and

1325

00:54:24,109 --> 00:54:21,960

and it was just I could not believe this

1326

00:54:26,870 --> 00:54:24,119

is how Humanity treats the most

1327

00:54:28,970 --> 00:54:26,880

important subject uh in the world right

1328

00:54:31,730 --> 00:54:28,980

now and uh so I was kind of just

1329

00:54:33,890 --> 00:54:31,740

mortified and uh Dolores Cannon I didn't

1330

00:54:35,630 --> 00:54:33,900

know who she was at the time she walked

1331

00:54:38,210 --> 00:54:35,640

through the crowd because you know

1332

00:54:40,190 --> 00:54:38,220

intuitively in everything you know she

1333

00:54:42,349 --> 00:54:40,200

could see the look on my face and knew

1334

00:54:43,910 --> 00:54:42,359

you know what I was going through so she

1335

00:54:46,190 --> 00:54:43,920

walked me outside and we spent about two

1336

00:54:47,630 --> 00:54:46,200

hours talking and at the very end she

1337

00:54:49,790 --> 00:54:47,640

said by the way how do you like this

1338

00:54:52,730 --> 00:54:49,800

conference and I said sweetie this is a

1339

00:54:55,370 --> 00:54:52,740

terrible Place uh people are mutilating

1340

00:54:58,490 --> 00:54:55,380

the subject and everyone's smiling about

1341

00:55:00,470 --> 00:54:58,500

it it's it's terrible to me and she

1342

00:55:02,390 --> 00:55:00,480

looks at me and smiles with that that

1343

00:55:05,510 --> 00:55:02,400

wise look in her eyes and she says Eric

1344

00:55:08,150 --> 00:55:05,520

this is my conference so

1345

00:55:12,170 --> 00:55:08,160

I kind of embarrassed myself but you

1346

00:55:15,349 --> 00:55:12,180

know looking at the whole thing it's

1347

00:55:17,270 --> 00:55:15,359

partly greed partly narcissism you've

1348

00:55:19,130 --> 00:55:17,280

got to pick you know the subject that's

1349

00:55:22,069 --> 00:55:19,140

popular right now and you have to be the

1350

00:55:24,230 --> 00:55:22,079

front runner and uh you know get the

1351

00:55:26,210 --> 00:55:24,240

popularity and the money and whatever it

1352

00:55:28,010 --> 00:55:26,220

takes you know from all that so I am

1353

00:55:28,970 --> 00:55:28,020

mortified by that but that you know side

1354

00:55:33,170 --> 00:55:28,980

note

1355

00:55:34,609 --> 00:55:33,180

uh in 2014 I was talking to uh a man

1356

00:55:37,130 --> 00:55:34,619

that was going through a really hard

1357

00:55:40,069 --> 00:55:37,140

time and I don't think he reminds me

1358

00:55:43,190 --> 00:55:40,079

mentioning his name Ray Hernandez

1359

00:55:45,470 --> 00:55:43,200

um and he was talking you know

1360

00:55:47,870 --> 00:55:45,480

he was in the stage of absolute

1361

00:55:50,150 --> 00:55:47,880

Obsession you know you can't just have

1362

00:55:52,130 --> 00:55:50,160

one of these experiences and be fine the

1363

00:55:55,370 --> 00:55:52,140

next day you know he needed answers he

1364

00:55:57,049 --> 00:55:55,380

was looking a very intelligent man

1365

00:55:59,390 --> 00:55:57,059

and uh

1366

00:56:01,790 --> 00:55:59,400

he was involved also with Dr Edgar

1367

00:56:03,890 --> 00:56:01,800

Mitchell the Sixth Man on the Moon and

1368

00:56:05,510 --> 00:56:03,900

uh I met him and began to talk to him

1369

00:56:08,990 --> 00:56:05,520

about you know all the things that I've

1370

00:56:11,210 --> 00:56:09,000

been through and uh over time he and I

1371

00:56:13,069 --> 00:56:11,220

became good friends I mean we we spoke

1372

00:56:14,750 --> 00:56:13,079

pretty much every Tuesday night he would

1373

00:56:17,030 --> 00:56:14,760

call up and say hey Eric you got your

1374

00:56:19,730 --> 00:56:17,040

scotch and I'd say yep I got my scotch

1375

00:56:21,290 --> 00:56:19,740

and of course uh it was a cheap beer I

1376

00:56:23,870 --> 00:56:21,300

couldn't afford Scotch but you know I'd

1377

00:56:26,690 --> 00:56:23,880

have a drink or two with them and um you

1378

00:56:28,250 --> 00:56:26,700

know for the most part when he left

1379

00:56:31,250 --> 00:56:28,260

Earth he looked back in this little

1380

00:56:33,950 --> 00:56:31,260

porthole and just looked at this tiny

1381

00:56:36,650 --> 00:56:33,960

blue Green Dot realizing how much greed

1382

00:56:38,450 --> 00:56:36,660

and genocide and anger and all these

1383

00:56:40,730 --> 00:56:38,460

things all these crazy things are going

1384

00:56:43,549 --> 00:56:40,740

on this tiny little planet and he gets

1385

00:56:46,150 --> 00:56:43,559

this absolute silence in space looking

1386

00:56:49,069 --> 00:56:46,160

at this thing going wow and I think

1387

00:56:51,470 --> 00:56:49,079

philosophically it really did a lot to

1388

00:56:55,309 --> 00:56:51,480

his thinking and um so he and I didn't

1389

00:56:57,530 --> 00:56:55,319

we we did talk about UFOs but our major

1390

00:57:00,230 --> 00:56:57,540

subjects you know just kicking back and

1391

00:57:02,089 --> 00:57:00,240

having a few drinks was alternate ways

1392

00:57:05,930 --> 00:57:02,099

of philosophy and and really looking

1393

00:57:07,790 --> 00:57:05,940

into the world but he did confide in me

1394

00:57:11,450 --> 00:57:07,800

um that you know about the the Wilson

1395

00:57:13,549 --> 00:57:11,460

memos and that it did happen and um

1396

00:57:16,190 --> 00:57:13,559

so of course Edgar

1397

00:57:18,230 --> 00:57:16,200

you can't buy that man's uh type of

1398

00:57:20,210 --> 00:57:18,240

Integrity I mean he's not going to lie

1399

00:57:22,790 --> 00:57:20,220

to anybody and

1400

00:57:25,190 --> 00:57:22,800

um he's from a time where lying was much

1401

00:57:27,109 --> 00:57:25,200

worse than what it is now you know uh he

1402

00:57:28,609 --> 00:57:27,119

grew up in the in the 40s for Christ's

1403

00:57:31,910 --> 00:57:28,619

sake so

1404

00:57:33,890 --> 00:57:31,920

um his absolute honesty was was daunting

1405

00:57:37,309 --> 00:57:33,900

you know and uh you know for people to

1406

00:57:38,750 --> 00:57:37,319

say he was lying uh takes me off you

1407

00:57:41,870 --> 00:57:38,760

know because if he was alive he'd give

1408

00:57:44,870 --> 00:57:41,880

him a right hook and uh but yeah he told

1409

00:57:46,849 --> 00:57:44,880

me and I do hear that ufology has a big

1410

00:57:49,970 --> 00:57:46,859

problem with this uh with this meeting

1411

00:57:50,630 --> 00:57:49,980

that happened but look it did you know

1412

00:57:52,910 --> 00:57:50,640

um

1413

00:57:54,710 --> 00:57:52,920

the man wouldn't lie to me about it he

1414

00:57:56,450 --> 00:57:54,720

had no reason to lie to me about it and

1415

00:57:58,730 --> 00:57:56,460

I sure as heck didn't go running around

1416

00:58:00,710 --> 00:57:58,740

saying hey I learned information here

1417

00:58:03,650 --> 00:58:00,720

you know I'm usually pretty quiet about

1418

00:58:06,829 --> 00:58:03,660

things I learned but uh but yeah it did

1419

00:58:10,329 --> 00:58:06,839

happen and you know I I honestly think

1420

00:58:13,190 --> 00:58:10,339

that there's so much greed and

1421

00:58:17,270 --> 00:58:13,200

self-importance involved in ufology

1422

00:58:19,490 --> 00:58:17,280

itself that it's easily manipulated uh

1423

00:58:22,130 --> 00:58:19,500

through the blinders you know and it

1424

00:58:24,710 --> 00:58:22,140

could easily be manipulated if you step

1425

00:58:26,690 --> 00:58:24,720

back you know out of the waves and and

1426

00:58:29,210 --> 00:58:26,700

look really look at them you know you

1427

00:58:32,990 --> 00:58:29,220

can tell what's pushing and pulling

1428

00:58:35,630 --> 00:58:33,000

and uh so uh don't get me wrong I mean

1429

00:58:37,549 --> 00:58:35,640

there's a lot of uh amazing ufologists

1430

00:58:38,990 --> 00:58:37,559

that uh I've just literally fallen in

1431

00:58:40,190 --> 00:58:39,000

love with over the years some great

1432

00:58:42,410 --> 00:58:40,200

people

1433

00:58:45,410 --> 00:58:42,420

um but you know there's also uh pretty

1434

00:58:47,510 --> 00:58:45,420

nefarious people and and uh um you got

1435

00:58:50,569 --> 00:58:47,520

to keep an eye out for that as well

1436

00:58:54,410 --> 00:58:50,579

for sure and it seems like from Aliens

1437

00:58:57,770 --> 00:58:54,420

to Cryptids to unexplained phenomena you

1438

00:59:00,470 --> 00:58:57,780

guys were uncovering the weird for quite

1439

00:59:02,450 --> 00:59:00,480

some time it seemed your trip was like

1440

00:59:05,150 --> 00:59:02,460

you know

1441

00:59:07,010 --> 00:59:05,160

it was like Fear and Loathing but UFO

1442

00:59:08,349 --> 00:59:07,020

style and

1443

00:59:11,450 --> 00:59:08,359

um

1444

00:59:12,950 --> 00:59:11,460

very well said I love the updates when

1445

00:59:14,809 --> 00:59:12,960

you were on your road trip I would get

1446

00:59:18,770 --> 00:59:14,819

updates and I'm just like where are they

1447

00:59:20,390 --> 00:59:18,780

now no way and it's just it was just so

1448

00:59:23,089 --> 00:59:20,400

cool getting your updates while you guys

1449

00:59:25,849 --> 00:59:23,099

were on the road during this uh extreme

1450

00:59:28,130 --> 00:59:25,859

Excursion were there any highlights that

1451

00:59:30,829 --> 00:59:28,140

stand out to the two of you

1452

00:59:32,150 --> 00:59:30,839

oh God there's too many I mean I don't I

1453

00:59:34,010 --> 00:59:32,160

don't think there wasn't a day that

1454

00:59:36,589 --> 00:59:34,020

passed by that wasn't like wow we

1455

00:59:38,750 --> 00:59:36,599

learned a lot of stuff today

1456

00:59:41,809 --> 00:59:38,760

um but in meeting Sue Walker you know

1457

00:59:43,970 --> 00:59:41,819

for me was was pretty awesome I'd never

1458

00:59:45,530 --> 00:59:43,980

heard of her before apparently we were

1459

00:59:46,730 --> 00:59:45,540

already Facebook friends but never

1460

00:59:49,730 --> 00:59:46,740

spoken

1461

00:59:51,289 --> 00:59:49,740

and uh the moment I met her I decided

1462

00:59:55,069 --> 00:59:51,299

okay I'm sitting down it's freaking

1463

00:59:57,289 --> 00:59:55,079

story time bro you know so uh her gentle

1464

00:59:59,510 --> 00:59:57,299

nature just really lit up the room and

1465

01:00:01,370 --> 00:59:59,520

uh felt so comfortable uh spending time

1466

01:00:03,289 --> 01:00:01,380

with her so that was just a pretty

1467

01:00:05,390 --> 01:00:03,299

amazing for me

1468

01:00:07,549 --> 01:00:05,400

um and the way she spoke and and uh

1469

01:00:09,890 --> 01:00:07,559

relayed the information uh that she had

1470

01:00:13,069 --> 01:00:09,900

was just uh incredible but yeah if you

1471

01:00:15,170 --> 01:00:13,079

put uh me and Eric the adventure

1472

01:00:16,789 --> 01:00:15,180

together and a tank of gas man you got

1473

01:00:19,250 --> 01:00:16,799

yourself a reality show you'll never

1474

01:00:23,390 --> 01:00:19,260

forget you're not kidding that would be

1475

01:00:27,170 --> 01:00:23,400

epic I mean epic reality TV

1476

01:00:29,809 --> 01:00:27,180

uh this is the air 2.0 again so this was

1477

01:00:32,450 --> 01:00:29,819

my favorite experience

1478

01:00:33,770 --> 01:00:32,460

uh of the trip is uh so we get to

1479

01:00:36,109 --> 01:00:33,780

Albuquerque

1480

01:00:37,789 --> 01:00:36,119

and we're we're really we left we were

1481

01:00:39,370 --> 01:00:37,799

staying in Flagstaff

1482

01:00:42,650 --> 01:00:39,380

and us

1483

01:00:44,930 --> 01:00:42,660

Eric was funny he'd go out and and have

1484

01:00:47,270 --> 01:00:44,940

a beer at the local place there and he'd

1485

01:00:49,010 --> 01:00:47,280

run into people and he he I don't know

1486

01:00:50,870 --> 01:00:49,020

how he does it but he would say oh yeah

1487

01:00:52,190 --> 01:00:50,880

this person's an experimenter and before

1488

01:00:54,410 --> 01:00:52,200

you know it he'd be having a

1489

01:00:56,990 --> 01:00:54,420

conversation with a stranger and the

1490

01:00:59,089 --> 01:00:57,000

stranger would be telling Eric about his

1491

01:01:01,670 --> 01:00:59,099

experiences with UFOs and so on and so

1492

01:01:03,829 --> 01:01:01,680

forth so he's got this innate ability to

1493

01:01:06,609 --> 01:01:03,839

read these read people

1494

01:01:09,710 --> 01:01:06,619

um so anyway so we were driving to from

1495

01:01:11,210 --> 01:01:09,720

Flagstaff heading to Albuquerque and I'm

1496

01:01:13,430 --> 01:01:11,220

thinking in my head I didn't even tell

1497

01:01:15,589 --> 01:01:13,440

Eric I go Eric's got to meet Sue Walker

1498

01:01:17,750 --> 01:01:15,599

she's the lady that's got the uh the

1499

01:01:19,730 --> 01:01:17,760

Ponte that she communicates that that

1500

01:01:23,030 --> 01:01:19,740

are living in the Sandia Mountain there

1501

01:01:24,530 --> 01:01:23,040

in Albuquerque and so uh I said hey

1502

01:01:26,510 --> 01:01:24,540

we're gonna we're gonna go see Sue

1503

01:01:28,069 --> 01:01:26,520

Walker I want you to meet her so like

1504

01:01:30,049 --> 01:01:28,079

Eric just said we got there and we we

1505

01:01:31,849 --> 01:01:30,059

had a great conversation she allowed me

1506

01:01:34,730 --> 01:01:31,859

to record some of the conversation with

1507

01:01:37,190 --> 01:01:34,740

all headed and put out later but uh but

1508

01:01:40,370 --> 01:01:37,200

anyway so I was asking her questions

1509

01:01:42,650 --> 01:01:40,380

about the mountain and I said so where

1510

01:01:44,870 --> 01:01:42,660

where did where did they fly where where

1511

01:01:47,030 --> 01:01:44,880

are they where are they moving around us

1512

01:01:48,890 --> 01:01:47,040

and so she she drew me uh she pulled up

1513

01:01:51,109 --> 01:01:48,900

the Google Earth and she showed me on on

1514

01:01:52,970 --> 01:01:51,119

the on the mountain where they're where

1515

01:01:55,370 --> 01:01:52,980

they're being seen

1516

01:01:57,890 --> 01:01:55,380

and uh so what's interesting is if

1517

01:01:59,930 --> 01:01:57,900

you're if you're on the Real Vista I

1518

01:02:01,670 --> 01:01:59,940

think is where she was a Rio Rancho or

1519

01:02:03,289 --> 01:02:01,680

Rio Vista see I think she's up on the

1520

01:02:05,150 --> 01:02:03,299

hill I think it was Rio Rancho or Rio

1521

01:02:06,650 --> 01:02:05,160

Vista which is right slightly above

1522

01:02:08,510 --> 01:02:06,660

Albuquerque

1523

01:02:10,190 --> 01:02:08,520

um that side of the mountain is not

1524

01:02:11,569 --> 01:02:10,200

where you're gonna see them

1525

01:02:13,069 --> 01:02:11,579

they're they're for whatever reason

1526  
01:02:14,450 --> 01:02:13,079  
they're moving around on the other side

1527  
01:02:16,490 --> 01:02:14,460  
of the mountain which is kind of a

1528  
01:02:18,109 --> 01:02:16,500  
remote area where there's really not

1529  
01:02:20,630 --> 01:02:18,119  
very many homes if any over there it's

1530  
01:02:22,010 --> 01:02:20,640  
more of a forested area and so she Drew

1531  
01:02:23,390 --> 01:02:22,020  
this little diagram she says they're

1532  
01:02:25,789 --> 01:02:23,400  
they're kind of moving in and out of

1533  
01:02:27,589 --> 01:02:25,799  
this little area right here so then I

1534  
01:02:28,970 --> 01:02:27,599  
went on the Google Earth when I got back

1535  
01:02:30,589 --> 01:02:28,980  
to the hotel I went on the Google Earth

1536  
01:02:32,510 --> 01:02:30,599  
and I just started doing the you know

1537  
01:02:34,069 --> 01:02:32,520  
searches trying to figure out what kind

1538  
01:02:36,950 --> 01:02:34,079

of landmarks are up there what's up

1539

01:02:38,450 --> 01:02:36,960

there and and I'm searching searching

1540

01:02:40,250 --> 01:02:38,460

searching then all of a sudden I come

1541

01:02:41,930 --> 01:02:40,260

across this spot it's about ten thousand

1542

01:02:44,450 --> 01:02:41,940

feet up on the back side of the Sandia

1543

01:02:46,250 --> 01:02:44,460

mountain and it says right there on the

1544

01:02:49,490 --> 01:02:46,260

map you can see yourself if you look it

1545

01:02:51,230 --> 01:02:49,500

up it said the rabbit hole medicine shop

1546

01:02:52,849 --> 01:02:51,240

and I thought what the heck is this

1547

01:02:55,670 --> 01:02:52,859

there's a business up there called The

1548

01:02:57,470 --> 01:02:55,680

Rabbit Hole medicine shop and on on the

1549

01:02:59,329 --> 01:02:57,480

Google Earth when you click on that and

1550

01:03:01,849 --> 01:02:59,339

then you looked at so even got a website

1551  
01:03:03,770 --> 01:03:01,859  
and so I clicked on the website and it

1552  
01:03:05,450 --> 01:03:03,780  
was it was shut down it's no longer

1553  
01:03:07,789 --> 01:03:05,460  
being used so I thought this is weird

1554  
01:03:09,170 --> 01:03:07,799  
why why is there this Rabbit Hole

1555  
01:03:10,549 --> 01:03:09,180  
medicine shop in the middle of the

1556  
01:03:13,190 --> 01:03:10,559  
mountain up there in the Sandia Mountain

1557  
01:03:15,349 --> 01:03:13,200  
so I said to Eric I said uh

1558  
01:03:17,329 --> 01:03:15,359  
I said look at this I said uh well let's

1559  
01:03:18,770 --> 01:03:17,339  
take a drive up there let's go let's it

1560  
01:03:20,870 --> 01:03:18,780  
was about a 40-minute drive so we went

1561  
01:03:23,690 --> 01:03:20,880  
up there the next day we drove up there

1562  
01:03:25,849 --> 01:03:23,700  
and uh we found the spot because I had

1563  
01:03:28,309 --> 01:03:25,859

done a really extensive research trying

1564

01:03:29,990 --> 01:03:28,319

to figure out exactly where this was and

1565

01:03:32,210 --> 01:03:30,000

we came around this little area and we

1566

01:03:35,329 --> 01:03:32,220

and we found the area where this little

1567

01:03:36,950 --> 01:03:35,339

road was that had been blocked off

1568

01:03:39,289 --> 01:03:36,960

um you can't even it was not even a road

1569

01:03:41,750 --> 01:03:39,299

actually it was like a pathway where you

1570

01:03:43,190 --> 01:03:41,760

could drive a car on this pathway but it

1571

01:03:44,569 --> 01:03:43,200

had been blocked off there had been some

1572

01:03:47,630 --> 01:03:44,579

Boulders have been put there and they

1573

01:03:49,670 --> 01:03:47,640

staked some uh like uh what do they call

1574

01:03:50,870 --> 01:03:49,680

kind of think here telephone poles

1575

01:03:52,250 --> 01:03:50,880

you'll cut them in half and kind of

1576

01:03:54,109 --> 01:03:52,260

staked them in the ground so nobody can

1577

01:03:55,789 --> 01:03:54,119

drive up there so we're thinking okay

1578

01:03:57,770 --> 01:03:55,799

this has got to be maybe this is the

1579

01:03:59,809 --> 01:03:57,780

area where you could clearly see there's

1580

01:04:02,750 --> 01:03:59,819

a path here so we just started walking

1581

01:04:04,670 --> 01:04:02,760

and we're walking down this path and

1582

01:04:06,770 --> 01:04:04,680

we're not even 100 yards in and then

1583

01:04:08,089 --> 01:04:06,780

Eric and I'm filming all this so I'm

1584

01:04:10,069 --> 01:04:08,099

just kind of looking straight ahead with

1585

01:04:12,410 --> 01:04:10,079

my iPad just kind of filming and Eric

1586

01:04:13,910 --> 01:04:12,420

node is off to the right this what I've

1587

01:04:15,589 --> 01:04:13,920

what I've showed him and what he's come

1588

01:04:17,750 --> 01:04:15,599

to learn about is these tree structures

1589

01:04:20,030 --> 01:04:17,760

which I believe the Bigfoot make these

1590

01:04:24,770 --> 01:04:20,040

tree structures and it was very obvious

1591

01:04:26,510 --> 01:04:24,780

that there was several branches or trees

1592

01:04:28,309 --> 01:04:26,520

they weren't skinny they were pretty

1593

01:04:31,309 --> 01:04:28,319

good size they were all kind of teepied

1594

01:04:33,109 --> 01:04:31,319

up like in a TP structure and I thought

1595

01:04:34,789 --> 01:04:33,119

yeah that that looks like what I've seen

1596

01:04:37,130 --> 01:04:34,799

in other places that's very interesting

1597

01:04:39,289 --> 01:04:37,140

so so I thought okay well this is

1598

01:04:41,030 --> 01:04:39,299

interesting so we just kept walking and

1599

01:04:42,710 --> 01:04:41,040

then and then we came across another

1600

01:04:45,710 --> 01:04:42,720

tree structure and this one was even

1601  
01:04:47,089 --> 01:04:45,720  
more intricate it had more more uh more

1602  
01:04:48,950 --> 01:04:47,099  
trees and they were kind of woven

1603  
01:04:51,589 --> 01:04:48,960  
together and kind of put in such a way

1604  
01:04:53,270 --> 01:04:51,599  
where it was very obvious that this

1605  
01:04:54,890 --> 01:04:53,280  
wasn't something that a human made and

1606  
01:04:56,990 --> 01:04:54,900  
and we're kind of Off the Grid now we're

1607  
01:04:59,990 --> 01:04:57,000  
about I would say a couple hundred yards

1608  
01:05:02,450 --> 01:05:00,000  
into the Forest Area off the road at

1609  
01:05:04,970 --> 01:05:02,460  
least a couple hundred yards 150 yards

1610  
01:05:06,589 --> 01:05:04,980  
maybe and so now we're walking and we're

1611  
01:05:09,109 --> 01:05:06,599  
we're kind of going on this pathway

1612  
01:05:10,730 --> 01:05:09,119  
thinking that we've got to go about 2

1613  
01:05:12,890 --> 01:05:10,740

000 feet off the road to get to where

1614

01:05:15,049 --> 01:05:12,900

the map says this is where the rabbit

1615

01:05:16,190 --> 01:05:15,059

hole medicine shop is and it's been a

1616

01:05:18,470 --> 01:05:16,200

little bit of light snow on the ground

1617

01:05:20,750 --> 01:05:18,480

and now we're seeing the bear prints and

1618

01:05:23,569 --> 01:05:20,760

uh Prince on the on the ground

1619

01:05:24,710 --> 01:05:23,579

very good size and we're thinking these

1620

01:05:27,109 --> 01:05:24,720

are fresh

1621

01:05:29,270 --> 01:05:27,119

so uh we're thinking that maybe it's not

1622

01:05:31,370 --> 01:05:29,280

such a good idea to just to keep walking

1623

01:05:33,770 --> 01:05:31,380

although we I wanted to keep going but

1624

01:05:35,270 --> 01:05:33,780

we didn't have any kind of protection it

1625

01:05:38,390 --> 01:05:35,280

was obvious that the bear had been there

1626

01:05:41,630 --> 01:05:38,400

recently so we decided to turn around

1627

01:05:43,309 --> 01:05:41,640

so we turn around and uh and then on the

1628

01:05:45,230 --> 01:05:43,319

right hand side up on the hill about

1629

01:05:47,809 --> 01:05:45,240

halfway up this mountain we see what I

1630

01:05:50,510 --> 01:05:47,819

call a nest it was this it was this

1631

01:05:52,010 --> 01:05:50,520

again another structure that that I'm

1632

01:05:53,510 --> 01:05:52,020

going to assume that the Bigfoot made

1633

01:05:55,250 --> 01:05:53,520

this I don't have evidence that that

1634

01:05:56,870 --> 01:05:55,260

they made this but it's kind of this

1635

01:05:59,809 --> 01:05:56,880

Nest thing that's on the side of the

1636

01:06:01,609 --> 01:05:59,819

Hill I've got pictures of that uh why

1637

01:06:03,890 --> 01:06:01,619

why they build these things or what the

1638

01:06:06,650 --> 01:06:03,900

purpose is I have no idea but it was

1639

01:06:08,390 --> 01:06:06,660

again not man-made so so now we're

1640

01:06:10,970 --> 01:06:08,400

walking a little bit further now this is

1641

01:06:13,190 --> 01:06:10,980

where it gets really crazy so up again

1642

01:06:16,309 --> 01:06:13,200

on the side of the Hill uh

1643

01:06:19,069 --> 01:06:16,319

there's we see this almost brand new uh

1644

01:06:22,430 --> 01:06:19,079

what was it a Fiat a light a lime green

1645

01:06:23,450 --> 01:06:22,440

Fiat that had been flipped over upside

1646

01:06:25,430 --> 01:06:23,460

down

1647

01:06:26,990 --> 01:06:25,440

and so we had to kind of work our way

1648

01:06:28,549 --> 01:06:27,000

through this through the branches and

1649

01:06:30,650 --> 01:06:28,559

through the through the bushes and kind

1650

01:06:32,089 --> 01:06:30,660

of climb up this hill little ways to get

1651

01:06:34,490 --> 01:06:32,099

up there and then I'm filming all this

1652

01:06:37,130 --> 01:06:34,500

and so we get up there and and this car

1653

01:06:39,950 --> 01:06:37,140

is clean there's no there's no dirt on

1654

01:06:42,170 --> 01:06:39,960

it there's no scratches on it the

1655

01:06:44,510 --> 01:06:42,180

windows aren't broken

1656

01:06:47,630 --> 01:06:44,520

um I'm able to kind of get down because

1657

01:06:50,089 --> 01:06:47,640

it is upside down and film into the car

1658

01:06:53,329 --> 01:06:50,099

and there's obviously nobody was in the

1659

01:06:55,490 --> 01:06:53,339

car nobody nobody was injured or there's

1660

01:06:57,710 --> 01:06:55,500

no blood in the car it was really

1661

01:07:00,470 --> 01:06:57,720

bizarre so we're now we're walking

1662

01:07:03,650 --> 01:07:00,480

around this car and and there's all the

1663

01:07:05,870 --> 01:07:03,660

trees around it none of the branches are

1664

01:07:08,630 --> 01:07:05,880

broken none of the trees are broken uh

1665

01:07:10,910 --> 01:07:08,640

there's no indication that that this

1666

01:07:12,829 --> 01:07:10,920

thing flipped off the mountain and

1667

01:07:14,990 --> 01:07:12,839

rolled down the hill we went up the hill

1668

01:07:17,329 --> 01:07:15,000

drove around on the top side of the Hill

1669

01:07:19,190 --> 01:07:17,339

trying to find evidence of how this car

1670

01:07:21,170 --> 01:07:19,200

would have got there there was literally

1671

01:07:23,089 --> 01:07:21,180

no evidence that showed us there's no

1672

01:07:27,410 --> 01:07:23,099

way that this car came off the road and

1673

01:07:29,930 --> 01:07:27,420

rolled down there it was a mystery whoa

1674

01:07:32,750 --> 01:07:29,940

got totally bizarre so I took pictures

1675

01:07:36,170 --> 01:07:32,760

of the license plate and there was a

1676

01:07:38,029 --> 01:07:36,180

there was a tag on the car from 722 of

1677

01:07:40,250 --> 01:07:38,039

this year so this car had been there for

1678

01:07:43,849 --> 01:07:40,260

at least three months either the car had

1679

01:07:46,309 --> 01:07:43,859

been there for three months or

1680

01:07:48,289 --> 01:07:46,319

I don't it's still a mystery uh we're

1681

01:07:49,670 --> 01:07:48,299

gonna try to figure out who owns the car

1682

01:07:51,109 --> 01:07:49,680

we're going to try to figure out what

1683

01:07:52,430 --> 01:07:51,119

happened we want to get the story from

1684

01:07:54,049 --> 01:07:52,440

the people that own the car hopefully

1685

01:07:56,569 --> 01:07:54,059

they're still alive or whatever the deal

1686

01:07:59,630 --> 01:07:56,579

is so that kind of that little research

1687

01:08:01,069 --> 01:07:59,640

Project's on hold but um but so check

1688

01:08:03,349 --> 01:08:01,079

this is where it gets really interesting

1689

01:08:06,049 --> 01:08:03,359

so so then we go back to sue Walker's

1690

01:08:07,370 --> 01:08:06,059

house for like another visit and I'm

1691

01:08:08,990 --> 01:08:07,380

showing her these pictures and I'm

1692

01:08:10,549 --> 01:08:09,000

showing her the tree structure she goes

1693

01:08:12,710 --> 01:08:10,559

oh yeah that's those are definitely

1694

01:08:14,450 --> 01:08:12,720

Bigfoot tree structures I go were you

1695

01:08:16,729 --> 01:08:14,460

aware that there's Bigfoot up there on

1696

01:08:19,130 --> 01:08:16,739

Sandia Mountain she goes I'd heard about

1697

01:08:22,130 --> 01:08:19,140

it but I didn't I wasn't she wasn't

1698

01:08:25,490 --> 01:08:22,140

totally tuned into that and then uh

1699

01:08:28,249 --> 01:08:25,500

so then I said to her I says well do you

1700

01:08:30,829 --> 01:08:28,259

communicate with this these uh Ponte

1701

01:08:33,289 --> 01:08:30,839

people I said uh can you ask them or can

1702

01:08:35,749 --> 01:08:33,299

you try to do whatever it is you do to

1703

01:08:37,970 --> 01:08:35,759

somehow inquire as to how this car got

1704

01:08:40,189 --> 01:08:37,980

there and she says well it's not that

1705

01:08:43,130 --> 01:08:40,199

simple but I'll I'll see what I can do

1706

01:08:44,870 --> 01:08:43,140

and then uh so we left we had to we got

1707

01:08:46,849 --> 01:08:44,880

to hit the road back heading now heading

1708

01:08:49,070 --> 01:08:46,859

out towards Amarillo Texas and back to

1709

01:08:51,650 --> 01:08:49,080

Arkansas and then and then I get a

1710

01:08:53,749 --> 01:08:51,660

message from her saying that uh the

1711

01:08:56,269 --> 01:08:53,759

communication that she got

1712

01:08:59,090 --> 01:08:56,279

from I'm assuming it was the Ponte

1713

01:09:02,809 --> 01:08:59,100

people was that these people that that

1714

01:09:04,669 --> 01:09:02,819

own this light green uh Fiat were had

1715

01:09:06,530 --> 01:09:04,679

driven up there like three months ago

1716

01:09:08,450 --> 01:09:06,540

off on this little road which had since

1717

01:09:10,189 --> 01:09:08,460

been blocked off and there was another

1718

01:09:13,610 --> 01:09:10,199

car up there and I guess they were

1719

01:09:16,189 --> 01:09:13,620

partying up there and and apparently the

1720

01:09:18,950 --> 01:09:16,199

Bigfoot were not happy about this

1721

01:09:21,229 --> 01:09:18,960

so so they chased those people out of

1722

01:09:23,749 --> 01:09:21,239

there the people that I'm assuming that

1723

01:09:25,490 --> 01:09:23,759

own the green car got in the got in the

1724

01:09:27,229 --> 01:09:25,500

vehicle with the other people and they

1725

01:09:28,249 --> 01:09:27,239

drove out of there and left their car

1726

01:09:32,090 --> 01:09:28,259

there

1727

01:09:33,890 --> 01:09:32,100

and then she says that the Bigfoot this

1728

01:09:36,890 --> 01:09:33,900

is going to sound totally crazy to you

1729

01:09:38,450 --> 01:09:36,900

the Bigfoot picks the car up and flipped

1730

01:09:40,610 --> 01:09:38,460

it over

1731

01:09:43,130 --> 01:09:40,620

and that's how it got that way now I

1732

01:09:44,870 --> 01:09:43,140

know that's not provable but that's what

1733

01:09:47,689 --> 01:09:44,880

she said and if you were there and you

1734

01:09:49,550 --> 01:09:47,699

saw this Ryan I can't figure out none of

1735

01:09:51,289 --> 01:09:49,560

us can figure out how this car would

1736

01:09:53,870 --> 01:09:51,299

have got there any other way so it is a

1737

01:09:55,550 --> 01:09:53,880

mystery it's bizarre now one more quick

1738

01:09:57,890 --> 01:09:55,560

story there's a lady that lives in

1739

01:10:00,530 --> 01:09:57,900

placitas New Mexico which is only about

1740

01:10:03,050 --> 01:10:00,540

10 miles from this location where we

1741

01:10:04,310 --> 01:10:03,060

were where we saw this and she's a

1742

01:10:06,050 --> 01:10:04,320

Twitter friend of mine she's been

1743

01:10:08,209 --> 01:10:06,060

posting these videos about these lights

1744

01:10:09,890 --> 01:10:08,219

that she's been filming in the area

1745

01:10:11,290 --> 01:10:09,900

right on that side of the mountain in

1746

01:10:14,270 --> 01:10:11,300

the same area

1747

01:10:16,430 --> 01:10:14,280

so uh what I so what I did is I said

1748

01:10:18,169 --> 01:10:16,440

well can you draw me a map and show me

1749

01:10:20,630 --> 01:10:18,179

exactly where you're seeing his life and

1750

01:10:22,189 --> 01:10:20,640

she did so we drove up there we're on

1751

01:10:24,229 --> 01:10:22,199

this dirt road we're driving up about

1752

01:10:26,630 --> 01:10:24,239

five or six miles on this Forest dirt

1753

01:10:28,370 --> 01:10:26,640

road which was a really crappy Road and

1754

01:10:30,530 --> 01:10:28,380

and I didn't realize that there was

1755

01:10:32,930 --> 01:10:30,540

caves up there there was a cave up there

1756

01:10:35,149 --> 01:10:32,940

on the side of the mountain uh two of

1757

01:10:36,590 --> 01:10:35,159

them actually and so I was wondering

1758

01:10:39,050 --> 01:10:36,600

well what the heck this is interesting

1759

01:10:41,209 --> 01:10:39,060

we got caves up there so of course that

1760

01:10:42,830 --> 01:10:41,219

night I we we went back and I got on the

1761

01:10:44,270 --> 01:10:42,840

internet I spent five hours on the

1762

01:10:45,830 --> 01:10:44,280

internet trying to figure out you know

1763

01:10:47,209 --> 01:10:45,840

what the deal is with these caves up

1764

01:10:49,370 --> 01:10:47,219

there and I found out this was

1765

01:10:50,990 --> 01:10:49,380

interesting this is a more history that

1766

01:10:53,510 --> 01:10:51,000

probably I didn't know about most people

1767

01:10:55,070 --> 01:10:53,520

might not even be aware of but back in

1768

01:10:56,870 --> 01:10:55,080

the day you had the the where you had

1769

01:10:57,770 --> 01:10:56,880

the Zuni and the Hopi Indians before

1770

01:11:03,830 --> 01:10:57,780

that

1771

01:11:05,689 --> 01:11:03,840

muggion own Rim the muggione Mountain

1772

01:11:08,270 --> 01:11:05,699

Ridge range which I think is about 100

1773

01:11:11,030 --> 01:11:08,280

100 miles which which kind of extends

1774

01:11:13,130 --> 01:11:11,040

out towards the Sandia mountain and uh

1775

01:11:15,310 --> 01:11:13,140

so he this there was a researcher back

1776

01:11:18,290 --> 01:11:15,320

in the 40s I think his name was Hebron

1777

01:11:21,169 --> 01:11:18,300

archaeologists famous uh in his time and

1778

01:11:23,570 --> 01:11:21,179

well known and well respected who had

1779

01:11:26,990 --> 01:11:23,580

got in who this cave had got into the

1780

01:11:29,450 --> 01:11:27,000

cave and had found evidence of a people

1781

01:11:32,090 --> 01:11:29,460

that had that had lived there at one

1782

01:11:34,130 --> 01:11:32,100

time that were there before the mugion

1783

01:11:35,870 --> 01:11:34,140

so there the archaeologists are saying

1784

01:11:38,090 --> 01:11:35,880

these muggy owned people that were like

1785

01:11:40,910 --> 01:11:38,100

an Indian race of people prior to the

1786

01:11:42,950 --> 01:11:40,920

Zuni and the Hopi about 12 000 years ago

1787

01:11:45,050 --> 01:11:42,960

they discovered that there was another

1788

01:11:48,290 --> 01:11:45,060

people that lived there and he estimated

1789

01:11:50,990 --> 01:11:48,300

about 25 000 years ago and these people

1790

01:11:53,090 --> 01:11:51,000

were called the Sandia people and that's

1791

01:11:55,189 --> 01:11:53,100

how the name Sandia Mountain got its

1792

01:11:56,870 --> 01:11:55,199

name because there was of Sandia people

1793

01:11:58,070 --> 01:11:56,880

now I don't know what kind of people

1794

01:11:59,510 --> 01:11:58,080

these were I don't know if they they

1795

01:12:01,970 --> 01:11:59,520

were Indians or if they were hybrid

1796

01:12:03,770 --> 01:12:01,980

aliens or what they were but there were

1797

01:12:05,209 --> 01:12:03,780

people up there called the Sandia people

1798

01:12:07,130 --> 01:12:05,219

I just thought that was an interesting

1799

01:12:08,930 --> 01:12:07,140

story there's a lot more research that

1800

01:12:10,610 --> 01:12:08,940

can be done there but we had to hit the

1801  
01:12:13,030 --> 01:12:10,620  
road and head out to Arkansas but but

1802  
01:12:16,790 --> 01:12:13,040  
I'm excited about that story

1803  
01:12:19,189 --> 01:12:16,800  
absolutely unbelievable man wow

1804  
01:12:21,470 --> 01:12:19,199  
absolutely wild and this is interesting

1805  
01:12:24,530 --> 01:12:21,480  
something else that's wild just a

1806  
01:12:25,430 --> 01:12:24,540  
strange synchronicity or coincidence I

1807  
01:12:28,910 --> 01:12:25,440  
guess

1808  
01:12:31,810 --> 01:12:28,920  
is um I got some anti-mobile spyware

1809  
01:12:35,330 --> 01:12:31,820  
from a gentleman I know a professional

1810  
01:12:37,189 --> 01:12:35,340  
here in Las Vegas that um I'm a member

1811  
01:12:38,510 --> 01:12:37,199  
of uh anyway we've got some similar

1812  
01:12:41,930 --> 01:12:38,520  
interests

1813  
01:12:43,850 --> 01:12:41,940

and he gave me this anti-mobile spyware

1814

01:12:46,310 --> 01:12:43,860

basically how to tell if your phone is

1815

01:12:49,610 --> 01:12:46,320

being monitored I've had it all set up

1816

01:12:53,149 --> 01:12:49,620

in on my devices it's never come on

1817

01:12:56,030 --> 01:12:53,159

and go figure on this conversation just

1818

01:12:59,870 --> 01:12:56,040

about 15 20 minutes ago this orange

1819

01:13:03,530 --> 01:12:59,880

warning light came on to uh basically a

1820

01:13:06,350 --> 01:13:03,540

code to let you know that your phone is

1821

01:13:08,810 --> 01:13:06,360

being listened monitored or spied upon

1822

01:13:11,570 --> 01:13:08,820

so I just thought that that was very

1823

01:13:14,209 --> 01:13:11,580

interesting and I would mention it

1824

01:13:15,950 --> 01:13:14,219

um yeah it's never this this orange

1825

01:13:18,410 --> 01:13:15,960

warning light has never come on showing

1826  
01:13:20,750 --> 01:13:18,420  
that you're being tractor monitored and

1827  
01:13:22,430 --> 01:13:20,760  
just go figure I I see it light up while

1828  
01:13:25,370 --> 01:13:22,440  
you guys were talking and I thought oh

1829  
01:13:27,169 --> 01:13:25,380  
this is great so anyway you might it's

1830  
01:13:28,850 --> 01:13:27,179  
just an interesting I'm aware of what

1831  
01:13:30,229 --> 01:13:28,860  
you just described because I have a

1832  
01:13:32,630 --> 01:13:30,239  
friend who

1833  
01:13:35,030 --> 01:13:32,640  
who has that same system and uh

1834  
01:13:37,610 --> 01:13:35,040  
sometimes we have conversations that are

1835  
01:13:39,649 --> 01:13:37,620  
not probably shouldn't be heard and uh

1836  
01:13:42,830 --> 01:13:39,659  
he's always looking at that light to see

1837  
01:13:45,229 --> 01:13:42,840  
if it comes on and uh yeah I'm I'm

1838  
01:13:47,030 --> 01:13:45,239

pretty confident that Eric's being

1839

01:13:48,530 --> 01:13:47,040

monitored and I'm gonna probably guess

1840

01:13:50,630 --> 01:13:48,540

that because I'm hanging around with him

1841

01:13:53,810 --> 01:13:50,640

and I'm doing this kind of Deep dive

1842

01:13:55,790 --> 01:13:53,820

type research uh it you know I try to

1843

01:13:57,530 --> 01:13:55,800

present the information without getting

1844

01:13:59,330 --> 01:13:57,540

into Super you know what I mean I don't

1845

01:14:01,990 --> 01:13:59,340

try to speculate or try to create a

1846

01:14:05,149 --> 01:14:02,000

bunch of uh paranoia or Panic

1847

01:14:07,669 --> 01:14:05,159

it's we but yeah I mean yeah that's

1848

01:14:09,709 --> 01:14:07,679

interesting I'm kind of a I try to be

1849

01:14:12,290 --> 01:14:09,719

careful but you know how it is Ryan

1850

01:14:14,930 --> 01:14:12,300

you're in the rabbit hole you know how

1851

01:14:16,189 --> 01:14:14,940

that can be once you're in the rabbit

1852

01:14:17,870 --> 01:14:16,199

hole and they know you're in the rabbit

1853

01:14:19,550 --> 01:14:17,880

hole you're you're going to be watched

1854

01:14:21,229 --> 01:14:19,560

that's just the way it works and you

1855

01:14:25,430 --> 01:14:21,239

know might as well pull up a seat and

1856

01:14:26,750 --> 01:14:25,440

kick up your feet yeah yeah and Eric I'm

1857

01:14:28,250 --> 01:14:26,760

gonna hand the phone back over to Eric

1858

01:14:29,750 --> 01:14:28,260

if you've got any more questions or

1859

01:14:31,310 --> 01:14:29,760

stories you want to review with him I'm

1860

01:14:34,610 --> 01:14:31,320

gonna I'm gonna pass it over back over

1861

01:14:36,890 --> 01:14:34,620

to him all right thank you hey Ryan hey

1862

01:14:39,830 --> 01:14:36,900

this has been an amazing conversation I

1863

01:14:41,930 --> 01:14:39,840

was just just blown away my my head is

1864

01:14:44,330 --> 01:14:41,940

blown by all the uh all the things that

1865

01:14:47,390 --> 01:14:44,340

you guys have been tapping into and this

1866

01:14:49,189 --> 01:14:47,400

amazing this amazing experience and road

1867

01:14:51,410 --> 01:14:49,199

trip that you've been on

1868

01:14:53,930 --> 01:14:51,420

um was there anything that uh blew your

1869

01:14:56,450 --> 01:14:53,940

mind or lastly you know as we wrap up

1870

01:14:58,130 --> 01:14:56,460

that that stood out to you on this on

1871

01:15:00,890 --> 01:14:58,140

this trip

1872

01:15:02,630 --> 01:15:00,900

oh man it was it was all great you know

1873

01:15:04,370 --> 01:15:02,640

we're I guess we're too old to be doing

1874

01:15:07,189 --> 01:15:04,380

this stuff you know especially for 20

1875

01:15:10,310 --> 01:15:07,199

something days at a time but uh no it

1876

01:15:12,470 --> 01:15:10,320

was it was all great you know I uh I did

1877

01:15:15,410 --> 01:15:12,480

get curious about Sue because I'd never

1878

01:15:16,850 --> 01:15:15,420

you know heard about her before

1879

01:15:19,010 --> 01:15:16,860

um but he was on the phone with her and

1880

01:15:20,990 --> 01:15:19,020

we were headed the uh her Direction and

1881

01:15:22,490 --> 01:15:21,000

uh so I got kind of curious and I was in

1882

01:15:25,370 --> 01:15:22,500

the back seat of the car so I went ahead

1883

01:15:29,149 --> 01:15:25,380

and remote viewed her uh which like you

1884

01:15:32,030 --> 01:15:29,159

know if um if there's receptive people

1885

01:15:34,310 --> 01:15:32,040

or quantumly entangled people

1886

01:15:36,229 --> 01:15:34,320

um you know uh you could read them so

1887

01:15:37,790 --> 01:15:36,239

well you know you can pick them up so I

1888

01:15:40,310 --> 01:15:37,800

heard her voice on the phone I just kind

1889

01:15:42,410 --> 01:15:40,320

of closed my eyes and uh as soon as Eric

1890

01:15:44,510 --> 01:15:42,420

hung up the phone I just blurted out her

1891

01:15:47,149 --> 01:15:44,520

height weight hair color what lipstick

1892

01:15:48,350 --> 01:15:47,159

she likes to wear a bunch of stuff you

1893

01:15:50,149 --> 01:15:48,360

know I didn't even take a breath in

1894

01:15:51,709 --> 01:15:50,159

between just blurted it all out and he

1895

01:15:54,229 --> 01:15:51,719

just kind of looked at me he's like have

1896

01:15:56,330 --> 01:15:54,239

you met her before I was like nope but

1897

01:15:59,090 --> 01:15:56,340

and then we show up and you know it's

1898

01:16:00,470 --> 01:15:59,100

exact you know what what I uh so poor

1899

01:16:02,810 --> 01:16:00,480

Eric you know he's scratching his head

1900

01:16:04,430 --> 01:16:02,820

like how the hell did Eric do that but

1901

01:16:06,709 --> 01:16:04,440

uh but that's the that's the secret

1902

01:16:09,470 --> 01:16:06,719

world of the quintessential experiercer

1903

01:16:11,270 --> 01:16:09,480

is is not really vocalizing

1904

01:16:14,209 --> 01:16:11,280

um you know the multiplicity that you're

1905

01:16:15,530 --> 01:16:14,219

experiencing you know along with

1906

01:16:19,010 --> 01:16:15,540

um everyday

1907

01:16:20,990 --> 01:16:19,020

it's facade you know it just how we're

1908

01:16:22,970 --> 01:16:21,000

supposed to live and be and act and all

1909

01:16:25,310 --> 01:16:22,980

that stuff I do have one more quick

1910

01:16:27,290 --> 01:16:25,320

story to tell you this was pretty

1911

01:16:29,990 --> 01:16:27,300

awesome actually yeah so we stayed in

1912

01:16:32,689 --> 01:16:30,000

this Motel 6 in Bernalillo uh New Mexico

1913

01:16:34,790 --> 01:16:32,699

uh right right near Albuquerque and

1914

01:16:37,310 --> 01:16:34,800

right near placitas literally we had the

1915

01:16:39,410 --> 01:16:37,320

yes India Mountain uh right there we

1916

01:16:41,750 --> 01:16:39,420

were looking at it thinking we didn't

1917

01:16:43,490 --> 01:16:41,760

know at the time that we we weren't

1918

01:16:45,050 --> 01:16:43,500

going to see any lights uh where we were

1919

01:16:46,550 --> 01:16:45,060

we had to go around to the other side if

1920

01:16:48,890 --> 01:16:46,560

we were going to have a chance but

1921

01:16:50,990 --> 01:16:48,900

anyway so we're sitting there in Eric's

1922

01:16:52,970 --> 01:16:51,000

uh kind of on the patio area where

1923

01:16:54,229 --> 01:16:52,980

there's this little window whatnot and

1924

01:16:55,189 --> 01:16:54,239

I'm sitting there next thing we're just

1925

01:16:57,709 --> 01:16:55,199

chatting

1926

01:16:59,209 --> 01:16:57,719

and out of nowhere I mean this was this

1927

01:17:01,370 --> 01:16:59,219

wasn't planned I don't know what what

1928

01:17:03,169 --> 01:17:01,380

prompted him to but he wanted to show me

1929

01:17:05,330 --> 01:17:03,179

something so I'm you know I'm receptive

1930

01:17:07,130 --> 01:17:05,340

so he says and there's all these street

1931

01:17:09,649 --> 01:17:07,140

lights you know along the I think it was

1932

01:17:11,570 --> 01:17:09,659

Highway 25 if I'm not mistaken it runs

1933

01:17:13,610 --> 01:17:11,580

right right along the Ridgeline of the

1934

01:17:15,950 --> 01:17:13,620

uh Sandia Mountain there so he says see

1935

01:17:18,290 --> 01:17:15,960

that that street light right there he

1936

01:17:20,270 --> 01:17:18,300

goes watch watch the light and I just

1937

01:17:22,070 --> 01:17:20,280

happen to have my iPad in my hand

1938

01:17:23,750 --> 01:17:22,080

because I was doing just scrolling

1939

01:17:24,770 --> 01:17:23,760

around doing some research and as soon

1940

01:17:25,850 --> 01:17:24,780

as he said that I thought well you know

1941

01:17:27,950 --> 01:17:25,860

what I don't know what's going to happen

1942

01:17:29,930 --> 01:17:27,960

but I'm just going to hit video record

1943

01:17:31,669 --> 01:17:29,940

and just record we'll see what see

1944

01:17:33,890 --> 01:17:31,679

what's going to happen none of this was

1945

01:17:36,590 --> 01:17:33,900

planned so then he walks over and lays

1946

01:17:38,390 --> 01:17:36,600

down on the bed and and I'm looking at

1947

01:17:40,729 --> 01:17:38,400

him and then he goes just watch the

1948

01:17:42,290 --> 01:17:40,739

light and then all of a sudden the light

1949

01:17:44,930 --> 01:17:42,300

went off

1950

01:17:47,390 --> 01:17:44,940

and I thought wow that was kind of wild

1951

01:17:49,250 --> 01:17:47,400

I mean you know I don't know how he did

1952

01:17:51,350 --> 01:17:49,260

it or if he did it or what the deal was

1953

01:17:52,729 --> 01:17:51,360

I wasn't skeptical I just observed what

1954

01:17:55,729 --> 01:17:52,739

he said he was going to do and it

1955

01:17:56,870 --> 01:17:55,739

happened and then the light uh started

1956

01:18:00,110 --> 01:17:56,880

flickering

1957

01:18:02,510 --> 01:18:00,120

and I said on after he said on then it

1958

01:18:04,130 --> 01:18:02,520

started he said come back and what he

1959

01:18:06,169 --> 01:18:04,140

said on so it started trying to come

1960

01:18:07,850 --> 01:18:06,179

back on it was flickering

1961

01:18:10,910 --> 01:18:07,860

and uh

1962

01:18:13,669 --> 01:18:10,920

so then of course I I posted some stuff

1963

01:18:15,229 --> 01:18:13,679

on Twitter and some of the Skeptics out

1964

01:18:16,910 --> 01:18:15,239

there were trying to say that well this

1965

01:18:18,530 --> 01:18:16,920

is what happens with street lights when

1966

01:18:20,030 --> 01:18:18,540

they start to go bad they Flicker and

1967

01:18:22,010 --> 01:18:20,040

they go off and on and so on and so

1968

01:18:24,050 --> 01:18:22,020

forth and I thought okay well that's

1969

01:18:26,390 --> 01:18:24,060

that's possible yeah that could be it

1970

01:18:27,709 --> 01:18:26,400

could have been just a coincidence I

1971

01:18:29,270 --> 01:18:27,719

don't I didn't believe that it was a

1972

01:18:33,169 --> 01:18:29,280

coincidence but it could have been it's

1973

01:18:36,229 --> 01:18:33,179

possible so then so then he did it again

1974

01:18:40,610 --> 01:18:36,239

a second time and it happened again

1975

01:18:43,790 --> 01:18:42,530

but but here's what here's what was

1976

01:18:45,470 --> 01:18:43,800

interesting is that we stayed there

1977

01:18:46,910 --> 01:18:45,480

three days so for the next two nights

1978

01:18:48,410 --> 01:18:46,920

when that light would come on those

1979

01:18:50,270 --> 01:18:48,420

those street lights

1980

01:18:52,910 --> 01:18:50,280

that light would come on and it would

1981

01:18:55,250 --> 01:18:52,920

stay bright all night both nights so so

1982

01:18:57,470 --> 01:18:55,260

the light wasn't going bad it wasn't

1983

01:18:58,270 --> 01:18:57,480

flickering because it was about to stop

1984

01:19:00,950 --> 01:18:58,280

working

1985

01:19:03,770 --> 01:19:00,960

whatever he whatever happened whatever

1986

01:19:05,870 --> 01:19:03,780

he was able to do it happened in that

1987

01:19:07,850 --> 01:19:05,880

moment and only in that moment and not

1988

01:19:10,669 --> 01:19:07,860

be and not after that moment did it not

1989

01:19:13,010 --> 01:19:10,679

it didn't happen again so and the light

1990

01:19:15,590 --> 01:19:13,020

continued to work so so the theory that

1991

01:19:17,570 --> 01:19:15,600

it was just a bad bulb that got debunked

1992

01:19:20,570 --> 01:19:17,580

within the within the 72 hours that we

1993

01:19:22,130 --> 01:19:20,580

stayed there so uh yeah I mean uh Eric's

1994

01:19:23,630 --> 01:19:22,140

got some abilities there's no doubt

1995

01:19:25,189 --> 01:19:23,640

about it and I know other people have

1996

01:19:26,990 --> 01:19:25,199

these abilities it's not like I'm trying

1997

01:19:28,610 --> 01:19:27,000

to put them on a pedestal but it's kind

1998

01:19:30,290 --> 01:19:28,620

of cool to see these things in action

1999

01:19:33,169 --> 01:19:30,300

and be able to verify these things in

2000

01:19:36,470 --> 01:19:33,179

person you know I stand a complete

2001

01:19:39,110 --> 01:19:36,480

believer in his abilities after his uh

2002

01:19:41,870 --> 01:19:39,120

trip out to space Wolf research there at

2003

01:19:44,750 --> 01:19:41,880

the base camp and what he did and it's

2004

01:19:47,510 --> 01:19:44,760

interesting I was just looking into this

2005

01:19:49,550 --> 01:19:47,520

um with the uh Association for the

2006

01:19:51,890 --> 01:19:49,560

scientific study of anomalous phenomenon

2007

01:19:53,830 --> 01:19:51,900

this street light interference

2008

01:19:56,750 --> 01:19:53,840

phenomenon that a lot of people

2009

01:19:59,390 --> 01:19:56,760

including Yuri Geller and there's a list

2010

01:20:02,270 --> 01:19:59,400

of others you know this has been called

2011

01:20:05,390 --> 01:20:02,280

well it's an ability for individuals to

2012

01:20:09,770 --> 01:20:05,400

turn street lights or outside building

2013

01:20:11,570 --> 01:20:09,780

security lights on or off and the you

2014

01:20:14,450 --> 01:20:11,580

know this is something that science has

2015

01:20:16,189 --> 01:20:14,460

been unable to explain because these

2016

01:20:19,550 --> 01:20:16,199

individuals are able to do this on a

2017

01:20:21,890 --> 01:20:19,560

regular basis and yet you know they can

2018

01:20:25,250 --> 01:20:21,900

explain it however science cannot

2019

01:20:27,350 --> 01:20:25,260

explain in in scientific experiments how

2020

01:20:28,250 --> 01:20:27,360

this is possible so it's I I'm a

2021

01:20:31,550 --> 01:20:28,260

Believer

2022

01:20:34,250 --> 01:20:31,560

I know Eric has a lot of gifts and his

2023

01:20:37,910 --> 01:20:34,260

and the end his kung fu is strong you

2024

01:20:39,649 --> 01:20:37,920

know and uh and I I I'm so happy that

2025

01:20:42,169 --> 01:20:39,659

you guys were able to talk to me that

2026

01:20:43,610 --> 01:20:42,179

your journey sounds so epic and I'm glad

2027

01:20:46,610 --> 01:20:43,620

that you were able to share that with

2028

01:20:48,110 --> 01:20:46,620

listeners and yeah I I can't wait to

2029

01:20:50,870 --> 01:20:48,120

talk to you guys again and have you on

2030

01:20:52,910 --> 01:20:50,880

the podcast any closing notes as we wrap

2031

01:20:55,250 --> 01:20:52,920

up that you'd like to get out

2032

01:20:56,930 --> 01:20:55,260

yeah I wouldn't say with this street

2033

01:20:59,149 --> 01:20:56,940

light I mean the first time my

2034

01:21:01,790 --> 01:20:59,159

investigator Barry gaunt he was the

2035

01:21:05,030 --> 01:21:01,800

state director of uh mufon

2036

01:21:06,770 --> 01:21:05,040

um he he uh pulled me up to his driveway

2037

01:21:08,810 --> 01:21:06,780

and he said watch this you know because

2038

01:21:10,610 --> 01:21:08,820

I was really upset in the beginning on

2039

01:21:12,830 --> 01:21:10,620

what was going on with me I didn't want

2040

01:21:15,470 --> 01:21:12,840

to believe this stuff it was a hell of

2041

01:21:17,450 --> 01:21:15,480

an adjustment but he walked under a

2042

01:21:19,189 --> 01:21:17,460

Street Lamp and it would go out and he'd

2043

01:21:21,709 --> 01:21:19,199

keep walking and it would come back on

2044

01:21:23,630 --> 01:21:21,719

and he'd go under a different one and

2045

01:21:25,189 --> 01:21:23,640

I'm saying how are you doing this you

2046

01:21:28,130 --> 01:21:25,199

know I was floored I could not believe

2047

01:21:30,410 --> 01:21:28,140

you know what he was showing me and uh

2048

01:21:32,750 --> 01:21:30,420

you know over time he taught me to pay

2049

01:21:35,270 --> 01:21:32,760

attention to that electrical feeling and

2050

01:21:37,610 --> 01:21:35,280

uh um and you can see

2051  
01:21:40,610 --> 01:21:37,620  
um I've got some pictures you know that

2052  
01:21:42,350 --> 01:21:40,620  
was autocadded of the uh caught up

2053  
01:21:44,810 --> 01:21:42,360  
attainment and when it lights up it

2054  
01:21:46,790 --> 01:21:44,820  
looks like this Faraday cage going over

2055  
01:21:48,470 --> 01:21:46,800  
the top of the brain and getting wider

2056  
01:21:49,910 --> 01:21:48,480  
as it goes to the base of the skull and

2057  
01:21:51,649 --> 01:21:49,920  
this is what you feel in like a

2058  
01:21:54,410 --> 01:21:51,659  
Paranormal Activity when you walk into

2059  
01:21:56,030 --> 01:21:54,420  
like a uh supposed haunted home you get

2060  
01:21:58,729 --> 01:21:56,040  
that tingling on the top of your head

2061  
01:22:02,149 --> 01:21:58,739  
well now it can be analyzed and looked

2062  
01:22:05,689 --> 01:22:02,159  
at that this quote-unquote antenna is uh

2063  
01:22:08,149 --> 01:22:05,699

is interacting with its environment and

2064

01:22:12,590 --> 01:22:08,159

I think it's uh really fascinating now I

2065

01:22:14,750 --> 01:22:12,600

postulate this is not within documented

2066

01:22:17,990 --> 01:22:14,760

science quite yet not peer-reviewed I'll

2067

01:22:19,610 --> 01:22:18,000

just put it that way wink wink but uh in

2068

01:22:21,890 --> 01:22:19,620

all of our cells we have this tiny

2069

01:22:23,510 --> 01:22:21,900

Crystal called a magnetite and when

2070

01:22:25,810 --> 01:22:23,520

magnetites are around strong

2071

01:22:28,810 --> 01:22:25,820

electromagnetic sealed currents

2072

01:22:31,910 --> 01:22:28,820

especially a very particular frequencies

2073

01:22:34,930 --> 01:22:31,920

these things hold a charge you know in

2074

01:22:37,729 --> 01:22:34,940

these cells and your cells are

2075

01:22:39,410 --> 01:22:37,739

conscious away from you they don't have

2076

01:22:41,090 --> 01:22:39,420

to be you don't have to skin your knee

2077

01:22:43,729 --> 01:22:41,100

and go hold on guys I got to grow some

2078

01:22:45,890 --> 01:22:43,739

cells real fast I'll catch up

2079

01:22:48,110 --> 01:22:45,900

um they're conscious by themselves and

2080

01:22:50,090 --> 01:22:48,120

it's this electromagnetic field that

2081

01:22:51,649 --> 01:22:50,100

makes them self-conscious in order to do

2082

01:22:54,110 --> 01:22:51,659

these things so when they're hyper

2083

01:22:56,870 --> 01:22:54,120

charged in that way like you would see

2084

01:23:00,410 --> 01:22:56,880

in a lot of abductees you know eegs of

2085

01:23:02,570 --> 01:23:00,420

30 Hertz 50 hertz 100 Hertz whatever's

2086

01:23:05,209 --> 01:23:02,580

happening with this phenomena is really

2087

01:23:07,130 --> 01:23:05,219

anting up these electromagnetic fields

2088

01:23:09,709 --> 01:23:07,140

within the human body so you're going to

2089

01:23:11,149 --> 01:23:09,719

see telekinesis you're going to see a

2090

01:23:14,330 --> 01:23:11,159

lot of strange what we would call

2091

01:23:16,070 --> 01:23:14,340

paranormal things but it's it's really a

2092

01:23:18,470 --> 01:23:16,080

normal thing it's just nobody's allowed

2093

01:23:21,709 --> 01:23:18,480

to talk about it so Technical and so

2094

01:23:24,229 --> 01:23:21,719

true there's so much being learned every

2095

01:23:26,630 --> 01:23:24,239

day about this you are such a great

2096

01:23:29,030 --> 01:23:26,640

example of somebody bringing it to the

2097

01:23:31,669 --> 01:23:29,040

people in a true way and not only that

2098

01:23:35,090 --> 01:23:31,679

being an experimenter yourself I can't

2099

01:23:37,790 --> 01:23:35,100

thank you for coming on enough Eric and

2100

01:23:40,250 --> 01:23:37,800

um goes for both of you can't wait to

2101  
01:23:41,390 --> 01:23:40,260  
talk again and I hope you have a great

2102  
01:23:43,790 --> 01:23:41,400  
day

2103  
01:23:44,689 --> 01:23:43,800  
all right thanks for having me take care

2104  
01:23:46,850 --> 01:23:44,699  
buddy

2105  
01:23:49,910 --> 01:23:46,860  
man there they are two of the most

2106  
01:23:51,950 --> 01:23:49,920  
involved researchers coming back from a

2107  
01:23:54,050 --> 01:23:51,960  
fear and loathing style road trip

2108  
01:23:56,689 --> 01:23:54,060  
through UFO land

2109  
01:23:59,149 --> 01:23:56,699  
they stopped everywhere did everything

2110  
01:24:01,130 --> 01:23:59,159  
experienced a lot of things witnessed a

2111  
01:24:02,510 --> 01:24:01,140  
lot of things had some strange

2112  
01:24:04,790 --> 01:24:02,520  
happenings

2113  
01:24:07,370 --> 01:24:04,800

I can't wait to have both of those guys

2114

01:24:09,950 --> 01:24:07,380

back on the podcast it's a blast every

2115

01:24:12,110 --> 01:24:09,960

time I get to talk to them and for those

2116

01:24:14,030 --> 01:24:12,120

who want to blast off a little more with

2117

01:24:16,669 --> 01:24:14,040

the hero paranormal podcast Please

2118

01:24:18,830 --> 01:24:16,679

Subscribe and share our episodes on

2119

01:24:21,350 --> 01:24:18,840

YouTube that helps us bust through the

2120

01:24:23,330 --> 01:24:21,360

algorithm even though we're there we've

2121

01:24:26,030 --> 01:24:23,340

hit the numbers they will not monetize

2122

01:24:29,209 --> 01:24:26,040

the channel basically I just need it

2123

01:24:31,130 --> 01:24:29,219

shared I need it liked and uh I need

2124

01:24:33,110 --> 01:24:31,140

more subscriptions because then they

2125

01:24:34,430 --> 01:24:33,120

cannot deny the fact that it should be

2126

01:24:37,610 --> 01:24:34,440

monetized

2127

01:24:39,830 --> 01:24:37,620

it's like once you hit that number you

2128

01:24:42,770 --> 01:24:39,840

should just get monetized but due to the

2129

01:24:45,310 --> 01:24:42,780

content I believe they will not monetize

2130

01:24:48,290 --> 01:24:45,320

it unfortunately go figure Go YouTube

2131

01:24:50,330 --> 01:24:48,300

and if you want to check out all of the

2132

01:24:53,149 --> 01:24:50,340

content that's not on YouTube and behind

2133

01:24:56,630 --> 01:24:53,159

the paywall Please Subscribe you can

2134

01:25:00,770 --> 01:24:56,640

subscribe at heroparanormal.com

2135

01:25:04,010 --> 01:25:00,780

podbean and you can also go to patreon

2136

01:25:06,350 --> 01:25:04,020

and look for hero paranormal

2137

01:25:08,270 --> 01:25:06,360

you will get all the content behind the

2138

01:25:11,149 --> 01:25:08,280

paywall at that point and there's a lot

2139

01:25:13,550 --> 01:25:11,159

of it love you all thanks for tuning in

2140

01:25:16,070 --> 01:25:13,560

and thank you for listening until next

2141

01:25:18,350 --> 01:25:16,080

time keep your eyes to the skies feet on

2142

01:25:25,870 --> 01:25:18,360

the ground but don't forget to take a

2143

01:25:25,880 --> 01:25:35,590

all right

2144

01:25:43,030 --> 01:25:39,470

come Blast Off In My Time Machine sir I

2145

01:25:47,870 --> 01:25:43,040

feel like an evizing Blast Off Blast Off
