90

podcast

91

00:04:38,930 --> 00:04:36,960

well thank you Ryan you make me sound

92

00:04:40,310 --> 00:04:38,940

famous I guess I better live up to my

93

00:04:44,270 --> 00:04:40,320

reputation here

94

00:04:47,570 --> 00:04:44,280

yeah this is such a great book and such

95

00:04:50,090 --> 00:04:47,580

a great book the way it came about I I

96

00:04:54,230 --> 00:04:50,100

don't know where to kick this off at but

97

00:04:56,090 --> 00:04:54,240

it sounds like in 2013 an elder elderly

98

00:04:58,490 --> 00:04:56,100

lady approached you claiming she had

99

00:05:00,469 --> 00:04:58,500

flown a flying saucer and it kind of

100

00:05:02,090 --> 00:05:00,479

kicked off from there

101  
00:05:03,890 --> 00:05:02,100  
yeah I kind of thought she was

102  
00:05:06,350 --> 00:05:03,900  
absolutely insane when she told me this

103  
00:05:08,390 --> 00:05:06,360  
I mean because the first thing that

104  
00:05:11,030 --> 00:05:08,400  
popped into my head when this lady who

105  
00:05:14,330 --> 00:05:11,040  
was probably in her 70s

106  
00:05:16,070 --> 00:05:14,340  
um told me this I first thought of

107  
00:05:18,409 --> 00:05:16,080  
um Saudi Arabian women it was the first

108  
00:05:19,670 --> 00:05:18,419  
pop in my head that at that point they

109  
00:05:21,050 --> 00:05:19,680  
were still not allowed to drive a car

110  
00:05:23,270 --> 00:05:21,060  
unless there was a man in the car with

111  
00:05:25,490 --> 00:05:23,280  
them and I thought like they let you

112  
00:05:27,230 --> 00:05:25,500  
know I said you said like you fly the

113  
00:05:28,969 --> 00:05:27,240

Flying Saucer this makes no sense why

114

00:05:31,249 --> 00:05:28,979

would why would they let you fly the

115

00:05:32,390 --> 00:05:31,259

flying saucerer and then and then she

116

00:05:34,730 --> 00:05:32,400

said oh I've flown three different

117

00:05:36,350 --> 00:05:34,740

models and I said really I said well how

118

00:05:37,790 --> 00:05:36,360

do you fly a flank saucer and that's

119

00:05:40,370 --> 00:05:37,800

what she said you do it with your mind

120

00:05:43,670 --> 00:05:40,380

and then it all sort of made sense that

121

00:05:45,950 --> 00:05:43,680

in 2012 I had had this download the same

122

00:05:48,290 --> 00:05:45,960

time that Ray Hernandez had had his

123

00:05:50,029 --> 00:05:48,300

experience with his dog being healed and

124

00:05:51,710 --> 00:05:50,039

the same time that Chris Bledsoe had

125

00:05:54,650 --> 00:05:51,720

first encountered what he called the

126

00:05:57,129 --> 00:05:54,660

lady and they all happened within weeks

127

00:05:59,029 --> 00:05:57,139

of each other and so I immediately

128

00:06:00,950 --> 00:05:59,039

realized that this had to do with

129

00:06:02,350 --> 00:06:00,960

Consciousness and I had had this

130

00:06:06,529 --> 00:06:02,360

Consciousness download

131

00:06:09,170 --> 00:06:06,539

in 2012 and February and

132

00:06:12,170 --> 00:06:09,180

um I had made this shift to uh

133

00:06:14,029 --> 00:06:12,180

consciousness and when they asked me to

134

00:06:17,330 --> 00:06:14,039

talk to this lady I didn't know what it

135

00:06:18,890 --> 00:06:17,340

was about and so when she said you do it

136

00:06:20,450 --> 00:06:18,900

with your mind then I realized oh that's

137

00:06:22,370 --> 00:06:20,460

because I've given this lecture

138

00:06:23,870 --> 00:06:22,380

unconsciousness and they want this woman

139

00:06:26,090 --> 00:06:23,880

to tell me the story about Consciousness

140

00:06:28,670 --> 00:06:26,100

and that's what the important part of

141

00:06:30,650 --> 00:06:28,680

this whole story is is that once this

142

00:06:33,710 --> 00:06:30,660

lady whose name was

143

00:06:37,730 --> 00:06:33,720

um I'm not going to forget her name um

144

00:06:38,990 --> 00:06:37,740

Pam Dupuis came to me uh she uh these

145

00:06:41,210 --> 00:06:39,000

people started coming to me it wasn't

146

00:06:42,650 --> 00:06:41,220

sort of like I read about it because if

147

00:06:45,170 --> 00:06:42,660

you look on the internet there really is

148

00:06:46,850 --> 00:06:45,180

nothing much written about this but

149

00:06:48,890 --> 00:06:46,860

um I started to get these people that

150

00:06:51,529 --> 00:06:48,900

would run into me and one example was

151

00:06:53,210 --> 00:06:51,539

your friend Chris Butzel and you're a

152

00:06:54,710 --> 00:06:53,220

good friend of mine and I'm talking to

153

00:06:56,210 --> 00:06:54,720

him I talked to him the odd time about

154

00:06:58,790 --> 00:06:56,220

different things and I was talking to

155

00:07:00,290 --> 00:06:58,800

him and somehow this subject came up and

156

00:07:03,469 --> 00:07:00,300

he said oh I've flown the Flying Saucer

157

00:07:05,570 --> 00:07:03,479

and I said you flew it too I'm like it's

158

00:07:07,430 --> 00:07:05,580

like I run into another person I go you

159

00:07:09,110 --> 00:07:07,440

flew it too and he said oh yeah I said

160

00:07:11,570 --> 00:07:09,120

well stop Chris don't don't say anything

161

00:07:13,189 --> 00:07:11,580

I'm gonna phone you and I want to tape

162

00:07:15,890 --> 00:07:13,199

this whole thing you just start from the

163

00:07:17,450 --> 00:07:15,900

beginning and go to the end and I knew

164

00:07:19,189 --> 00:07:17,460

that he was probably going to do what

165

00:07:22,070 --> 00:07:19,199

the other people at that point had done

166

00:07:23,930 --> 00:07:22,080

in just like read off this sort of uh

167

00:07:26,629 --> 00:07:23,940

off a cue card they're all throwing me

168

00:07:28,730 --> 00:07:26,639

basically this same bizarre story and

169

00:07:31,129 --> 00:07:28,740

that's the key part about it is this is

170

00:07:35,749 --> 00:07:31,139

a very very almost like Jacque Valley

171

00:07:37,850 --> 00:07:35,759

calls it um uh the the fact that UFO

172

00:07:39,710 --> 00:07:37,860

stories are absurd they don't make any

173

00:07:40,969 --> 00:07:39,720

sense and this is the same thing it was

174

00:07:42,469 --> 00:07:40,979

absurd that all these people were

175

00:07:44,029 --> 00:07:42,479

telling this story because if you wanted

176

00:07:45,529 --> 00:07:44,039

to tell a story and get away with it

177

00:07:47,029 --> 00:07:45,539

that you were on a flying saucer and

178

00:07:48,589 --> 00:07:47,039

you've been abducted or whatever the

179

00:07:50,210 --> 00:07:48,599

last thing you would bring up is oh

180

00:07:52,309 --> 00:07:50,220

there let me fly the Flying Saucer it

181

00:07:53,930 --> 00:07:52,319

makes no sense whatsoever and so these

182

00:07:57,050 --> 00:07:53,940

people are all telling me so I want to

183

00:07:58,909 --> 00:07:57,060

talk to Chris he went through this whole

184

00:08:01,370 --> 00:07:58,919

um scenario of what people say and then

185

00:08:04,610 --> 00:08:01,380

this is the sort of the cue card version

186

00:08:07,129 --> 00:08:04,620

of of what happens they they are invited

187

00:08:09,050 --> 00:08:07,139

onto the ship and Chris described it

188

00:08:11,029 --> 00:08:09,060

when he was

189

00:08:12,409 --> 00:08:11,039

um good to go on the ship he realized

190

00:08:13,790 --> 00:08:12,419

the inside of the ship was way bigger

191

00:08:15,589 --> 00:08:13,800

than the outside he looked back on the

192

00:08:17,390 --> 00:08:15,599

outside and it was the same size and he

193

00:08:18,950 --> 00:08:17,400

looked inside it was huge and we could

194

00:08:21,230 --> 00:08:18,960

discuss that later that's another part

195

00:08:23,330 --> 00:08:21,240

of the pattern that people have is this

196

00:08:25,249 --> 00:08:23,340

this idea that the craft can be as big

197

00:08:26,869 --> 00:08:25,259

as they want it to be on the inside so

198

00:08:29,089 --> 00:08:26,879

Chris said he would win in and these

199

00:08:32,110 --> 00:08:29,099

beings were there and there was a

200

00:08:35,209 --> 00:08:32,120

pedestal in the middle of the the ship

201  
00:08:37,190 --> 00:08:35,219  
was so the control Center and it had

202  
00:08:40,190 --> 00:08:37,200  
what he described is like a beehive

203  
00:08:41,990 --> 00:08:40,200  
which was sort of like um black uh

204  
00:08:47,150 --> 00:08:42,000  
plastic

205  
00:08:49,130 --> 00:08:47,160  
and he was told to put his hand on his

206  
00:08:50,690 --> 00:08:49,140  
beehive that was on his pedestal in the

207  
00:08:53,269 --> 00:08:50,700  
middle of the ship and he put his hand

208  
00:08:54,949 --> 00:08:53,279  
on there and then he said uh he took his

209  
00:08:56,750 --> 00:08:54,959  
hand off and you could see where his

210  
00:08:59,269 --> 00:08:56,760  
hand was and he said it looked like a

211  
00:09:01,550 --> 00:08:59,279  
CD-ROM with the this the colors of the

212  
00:09:03,290 --> 00:09:01,560  
the various waves going through it you

213  
00:09:05,870 --> 00:09:03,300

can see where his hand was and then he

214

00:09:08,630 --> 00:09:05,880

said the inside of the ship started to

215

00:09:10,910 --> 00:09:08,640

um to change and he talked about these

216

00:09:13,070 --> 00:09:10,920

um hexagon shapes inside and there's one

217

00:09:14,630 --> 00:09:13,080

other woman who did the same thing and I

218

00:09:15,889 --> 00:09:14,640

was I was just floored when she talked

219

00:09:17,750 --> 00:09:15,899

about these and she was trying to get

220

00:09:20,810 --> 00:09:17,760

this explanation of why these hexagon

221

00:09:23,030 --> 00:09:20,820

things inside the ship were were in her

222

00:09:25,190 --> 00:09:23,040

her experience and what he said there

223

00:09:26,630 --> 00:09:25,200

was a hexagon sort of in the wall and

224

00:09:27,949 --> 00:09:26,640

they started to spin and they got bigger

225

00:09:30,050 --> 00:09:27,959

and bigger and bigger and these hexagons

226

00:09:31,730 --> 00:09:30,060

are spinning and I'm not sure exactly

227

00:09:34,009 --> 00:09:31,740

you know how many there were whether it

228

00:09:35,930 --> 00:09:34,019

was all the walls or whatever and he

229

00:09:37,730 --> 00:09:35,940

said the the ship just sort of started

230

00:09:39,470 --> 00:09:37,740

to change on the inside and then

231

00:09:41,750 --> 00:09:39,480

suddenly the front window opened up and

232

00:09:44,210 --> 00:09:41,760

it was the Cape Fear River and he

233

00:09:46,430 --> 00:09:44,220

realized that he had by touching the

234

00:09:48,530 --> 00:09:46,440

craft he had become one with the craft

235

00:09:51,350 --> 00:09:48,540

and the people will all describe this I

236

00:09:53,030 --> 00:09:51,360

became one with the craft uh whatever I

237

00:09:54,769 --> 00:09:53,040

thought is what the crop did so the

238

00:09:57,110 --> 00:09:54,779

craft becomes your mind you become the

239

00:09:58,730 --> 00:09:57,120

Craft's mind and the craft is alive

240

00:10:01,009 --> 00:09:58,740

everybody will describe the fact that

241

00:10:02,870 --> 00:10:01,019

the craft is alive and so this is an

242

00:10:05,150 --> 00:10:02,880

important aspect of the of the cue card

243

00:10:06,949 --> 00:10:05,160

version of this thing is that this is

244

00:10:08,750 --> 00:10:06,959

artificial intelligence everything can

245

00:10:10,070 --> 00:10:08,760

we do artificial intelligence what's it

246

00:10:11,690 --> 00:10:10,080

going to look like this is what

247

00:10:13,850 --> 00:10:11,700

artificial intelligence will look like a

248

00:10:16,070 --> 00:10:13,860

thousand years from now and that is that

249

00:10:18,050 --> 00:10:16,080

if we have this idea you can take

250

00:10:20,810 --> 00:10:18,060

Consciousness and put it in the machine

251  
00:10:22,970 --> 00:10:20,820  
whereas Consciousness is primary and the

252  
00:10:24,949 --> 00:10:22,980  
idea of this is that in order to get a

253  
00:10:27,769 --> 00:10:24,959  
conscious machine you need it to be made

254  
00:10:29,750 --> 00:10:27,779  
of biological material so in a lot of

255  
00:10:31,850 --> 00:10:29,760  
descriptions people will say the craft

256  
00:10:34,130 --> 00:10:31,860  
is grown it's alive they actually grow

257  
00:10:36,050 --> 00:10:34,140  
the craft and that's why it's seamless

258  
00:10:37,490 --> 00:10:36,060  
and has no rivets that's why on the

259  
00:10:39,470 --> 00:10:37,500  
inside it looks like it comes out of a

260  
00:10:41,329 --> 00:10:39,480  
mold people say it has these sort of

261  
00:10:43,070 --> 00:10:41,339  
Curves there's no 45 degree angles

262  
00:10:45,470 --> 00:10:43,080  
inside the ship and it's almost like

263  
00:10:47,210 --> 00:10:45,480

this thing is built out of a mold and so

264

00:10:48,769 --> 00:10:47,220

people will say this craft is that was

265

00:10:50,569 --> 00:10:48,779

actually alive some people actually gave

266

00:10:52,850 --> 00:10:50,579

it a name and they could sort of

267

00:10:55,250 --> 00:10:52,860

communicate with it and then whatever

268

00:10:57,530 --> 00:10:55,260

they wanted to do

269

00:11:01,430 --> 00:10:57,540

um the craft would do and the idea was

270

00:11:02,990 --> 00:11:01,440

that it was all Consciousness based and

271

00:11:04,790 --> 00:11:03,000

um whatever you thought is what the

272

00:11:06,650 --> 00:11:04,800

craft would do and people people would

273

00:11:07,790 --> 00:11:06,660

described for example Ron Johnson your

274

00:11:11,090 --> 00:11:07,800

friend

275

00:11:12,290 --> 00:11:11,100

um his experience he's on the ship and

276  
00:11:14,509 --> 00:11:12,300  
then they say to him well where do you

277  
00:11:16,130 --> 00:11:14,519  
want to go and he's sitting in a chair

278  
00:11:17,569 --> 00:11:16,140  
his little bit different he's sitting in

279  
00:11:19,370 --> 00:11:17,579  
a chair and he's got his fingers in the

280  
00:11:21,710 --> 00:11:19,380  
holes sort of on the end of this chair

281  
00:11:23,930 --> 00:11:21,720  
and that's his link is his connection to

282  
00:11:25,250 --> 00:11:23,940  
the ship and he said the the chair

283  
00:11:27,769 --> 00:11:25,260  
was almost like it had been built for

284  
00:11:29,750 --> 00:11:27,779  
him exactly it's like his built up for

285  
00:11:30,949 --> 00:11:29,760  
his body it's kind of weird and so he

286  
00:11:33,050 --> 00:11:30,959  
sits in this they said where do you want

287  
00:11:35,449 --> 00:11:33,060  
to go and he said oh I'd like to see the

288  
00:11:36,650 --> 00:11:35,459

Milky away from a distance and they said

289

00:11:39,769 --> 00:11:36,660

okay this is going to take about one

290

00:11:41,509 --> 00:11:39,779

second and you'll be there but it's

291

00:11:43,610 --> 00:11:41,519

within you you've got to go within

292

00:11:44,690 --> 00:11:43,620

yourself it's within you and a lot of

293

00:11:46,430 --> 00:11:44,700

people will describe this that

294

00:11:48,050 --> 00:11:46,440

everything is interest inside ourselves

295

00:11:50,630 --> 00:11:48,060

the idea there's no time and space it's

296

00:11:52,250 --> 00:11:50,640

all within us almost like this uh thing

297

00:11:55,190 --> 00:11:52,260

that Stephen Greer uses in his

298

00:11:58,610 --> 00:11:55,200

meditation before they do the ce5s you

299

00:12:01,190 --> 00:11:58,620

see yourself as a puny form when within

300

00:12:03,290 --> 00:12:01,200

you the entire universe isn't folded and

301

00:12:05,210 --> 00:12:03,300

this is this idea so people will

302

00:12:06,650 --> 00:12:05,220

describe you instantly go where you want

303

00:12:08,389 --> 00:12:06,660

to go but you have to have it in your

304

00:12:09,889 --> 00:12:08,399

mind you gotta imagine where you want to

305

00:12:11,990 --> 00:12:09,899

go and the ship will immediately take

306

00:12:13,670 --> 00:12:12,000

you there so Ron said in one second he

307

00:12:15,530 --> 00:12:13,680

said it was like they were you know

308

00:12:18,050 --> 00:12:15,540

turning the pages or spinning the pages

309

00:12:19,670 --> 00:12:18,060

of a book really fast uh and and he was

310

00:12:21,590 --> 00:12:19,680

going through the dimensions the way he

311

00:12:23,210 --> 00:12:21,600

described it and he said in one second

312

00:12:25,190 --> 00:12:23,220

he looked out and there was the Milky

313

00:12:27,050 --> 00:12:25,200

Way in the distance and I figure you

314

00:12:29,509 --> 00:12:27,060

know this is probably 50 to 70 000 light

315

00:12:31,130 --> 00:12:29,519

years that he went in uh one second

316

00:12:32,690 --> 00:12:31,140

which would tend to indicate there's

317

00:12:34,970 --> 00:12:32,700

something wrong with our idea of time

318

00:12:37,069 --> 00:12:34,980

and space real idea of time and space

319

00:12:38,750 --> 00:12:37,079

and that that's what people describe

320

00:12:40,970 --> 00:12:38,760

this idea that they can go wherever they

321

00:12:42,590 --> 00:12:40,980

want the craft is alive and people will

322

00:12:45,050 --> 00:12:42,600

describe other things where they'll say

323

00:12:47,930 --> 00:12:45,060

once you put your hand on the panel you

324

00:12:49,670 --> 00:12:47,940

have 360 degree Vision which when you

325

00:12:51,769 --> 00:12:49,680

cross it over with other paranormal

326

00:12:54,230 --> 00:12:51,779

phenomena such as Auto Body Experience

327

00:12:55,970 --> 00:12:54,240

uh out of body experience also these

328

00:12:58,009 --> 00:12:55,980

people describe also as soon as they're

329

00:13:00,710 --> 00:12:58,019

out of their body they can see him 360

330

00:13:03,350 --> 00:13:00,720

degrees and actually went back to Ron I

331

00:13:06,710 --> 00:13:03,360

said did you is this like 360 degrees in

332

00:13:09,290 --> 00:13:06,720

one in one sort of uh like horizontal he

333

00:13:12,230 --> 00:13:09,300

said no horizontal vertical 360 degrees

334

00:13:15,670 --> 00:13:12,240

in every direction and that's the you

335

00:13:17,990 --> 00:13:15,680

know really really sort of new aspect to

336

00:13:19,850 --> 00:13:18,000

tying this into auto body experiences in

337

00:13:21,470 --> 00:13:19,860

fact the the one guy who was the pilot

338

00:13:24,769 --> 00:13:21,480

was the

339

00:13:26,629 --> 00:13:24,779

um head of Newfound for Japan and he

340

00:13:28,370 --> 00:13:26,639

saves absolutely every single one of his

341

00:13:30,470 --> 00:13:28,380

events was out of body experience that

342

00:13:32,690 --> 00:13:30,480

he's learned meditation he was in why he

343

00:13:36,230 --> 00:13:32,700

lived he lived in Washington state moved

344

00:13:38,030 --> 00:13:36,240

to uh Japan and then learned this he had

345

00:13:39,530 --> 00:13:38,040

had this technique of meditation and

346

00:13:42,350 --> 00:13:39,540

learned to go out of his body and he

347

00:13:44,810 --> 00:13:42,360

said he has encounters on the ships with

348

00:13:46,129 --> 00:13:44,820

the with the Grays all the time and he

349

00:13:47,990 --> 00:13:46,139

said it's all out about experience so

350

00:13:49,550 --> 00:13:48,000

this is the the basic thing is he people

351

00:13:51,829 --> 00:13:49,560

started to tell me this bizarre story

352

00:13:53,629 --> 00:13:51,839

about flying the ship and that's why I

353

00:13:56,269 --> 00:13:53,639

put it down I called them the UFO Sky

354

00:13:58,129 --> 00:13:56,279

Pilots that they are allowed to move the

355

00:14:00,350 --> 00:13:58,139

craft and that's what I think happens

356

00:14:02,629 --> 00:14:00,360

with the millab cases where the people

357

00:14:05,210 --> 00:14:02,639

are taken by force with the military

358

00:14:06,230 --> 00:14:05,220

that they are forced and that the

359

00:14:08,090 --> 00:14:06,240

government is trying to figure this

360

00:14:08,690 --> 00:14:08,100

thing out and they

361

00:14:12,769 --> 00:14:08,700

um

362

00:14:16,850 --> 00:14:12,779

read into the Congress this was called

363

00:14:19,850 --> 00:14:16,860

the Wilson uh Davis document they say we

364

00:14:21,889 --> 00:14:19,860

have a craft and we think it'll fly and

365

00:14:23,509 --> 00:14:21,899

that means they have a craft intact and

366

00:14:24,829 --> 00:14:23,519

they can't fly it and that's because

367

00:14:26,569 --> 00:14:24,839

they're missing the Consciousness

368

00:14:28,190 --> 00:14:26,579

interface they're missing someone to

369

00:14:30,170 --> 00:14:28,200

move it and so when the Milad people are

370

00:14:31,970 --> 00:14:30,180

taken they are given pieces of equipment

371

00:14:33,530 --> 00:14:31,980

and stuff and they're able to operate it

372

00:14:35,449 --> 00:14:33,540

and the gut and the military people

373

00:14:37,069 --> 00:14:35,459

aren't able to operate it and as soon as

374

00:14:38,930 --> 00:14:37,079

the person operates it they'll say oh we

375

00:14:40,430 --> 00:14:38,940

got another one another person that's

376

00:14:42,170 --> 00:14:40,440

been on board the ship and knows has

377

00:14:44,269 --> 00:14:42,180

been trained to do this sort of

378

00:14:47,269 --> 00:14:44,279

paranormal stuff levitation and stuff

379

00:14:49,370 --> 00:14:47,279

and the experiencers wills is the the

380

00:14:50,810 --> 00:14:49,380

mill out experiences will describe this

381

00:14:53,509 --> 00:14:50,820

over and over again that they're forced

382

00:14:55,310 --> 00:14:53,519

to do levitation and what are the beings

383

00:14:56,689 --> 00:14:55,320

telling you what are they saying and

384

00:14:57,829 --> 00:14:56,699

this sort of thing and the government is

385

00:14:59,449 --> 00:14:57,839

trying to find out so they're going

386

00:15:01,370 --> 00:14:59,459

through the experiences which makes

387

00:15:03,769 --> 00:15:01,380

sense to find out what is this

388

00:15:05,509 --> 00:15:03,779

intelligence and why are they here and

389

00:15:07,910 --> 00:15:05,519

what kind of Technologies do they have

390

00:15:10,850 --> 00:15:07,920

that we can develop but unfortunately

391

00:15:13,910 --> 00:15:10,860

their mission is develop it for for war

392

00:15:15,889 --> 00:15:13,920

which I don't think the the entities are

393

00:15:19,069 --> 00:15:15,899

going to go along with

394

00:15:21,050 --> 00:15:19,079

wow there's so much to unpack here and

395

00:15:22,730 --> 00:15:21,060

I'm really glad that you brought all

396

00:15:26,030 --> 00:15:22,740

these things up especially the Wilson

397

00:15:27,829 --> 00:15:26,040

Davis document leak many have theorized

398

00:15:31,009 --> 00:15:27,839

that the craft mentioned in the Wilson

399

00:15:33,889 --> 00:15:31,019

Davis document leak may be housed at

400

00:15:36,470 --> 00:15:33,899

Bigelow Aerospace again all theory in

401

00:15:39,769 --> 00:15:36,480

Nevada among other places that they

402

00:15:42,110 --> 00:15:39,779

theorize but you always seem to be about

403

00:15:45,590 --> 00:15:42,120

10 steps ahead of the mainstream UFO

404

00:15:47,810 --> 00:15:45,600

research much like Robert Bigelow has

405

00:15:50,870 --> 00:15:47,820

moved into Consciousness studies you've

406

00:15:52,370 --> 00:15:50,880

been saying this for years and I'm

407

00:15:53,810 --> 00:15:52,380

friends with Ron Johnson as you

408

00:15:55,490 --> 00:15:53,820

mentioned and Ryan Bledsoe and the

409

00:15:58,550 --> 00:15:55,500

Bledsoe family you're familiar with them

410

00:16:02,329 --> 00:15:58,560

both and I 100 percent know they are the

411

00:16:05,449 --> 00:16:02,339

real deal now Dr Jacques valet which you

412

00:16:08,449 --> 00:16:05,459

mentioned and Eric Davis wrote a 2004

413

00:16:11,509 --> 00:16:08,459

paper including a six layer model for

414

00:16:14,030 --> 00:16:11,519

anomalous phenomenon and in this paper

415

00:16:16,189 --> 00:16:14,040

the two men pointed out that the various

416

00:16:19,069 --> 00:16:16,199

levels of the phenomena based on 30

417

00:16:22,069 --> 00:16:19,079

years of research for Davis and 66 of

418

00:16:24,050 --> 00:16:22,079

research for valet that there was layer

419

00:16:27,050 --> 00:16:24,060

one the physical layer Layer Two the

420

00:16:30,050 --> 00:16:27,060

anti-physical layer 3 psychology of the

421

00:16:32,689 --> 00:16:30,060

witness layer 4 physiological reactions

422

00:16:35,269 --> 00:16:32,699

experienced by the witness layer 5 which

423

00:16:37,189 --> 00:16:35,279

is what your book really delves into the

424

00:16:39,949 --> 00:16:37,199

psychic element as pointed out in

425

00:16:41,329 --> 00:16:39,959

parapsychology literature and layer 6 is

426

00:16:44,269 --> 00:16:41,339

cultural but the level that your book

427

00:16:46,730 --> 00:16:44,279

really focuses in on peels all the

428

00:16:49,069 --> 00:16:46,740

layers of the onion back is level five

429

00:16:51,530 --> 00:16:49,079

and it's the most challenging in my

430

00:16:53,990 --> 00:16:51,540

belief you know everyone believes in

431

00:16:56,110 --> 00:16:54,000

this material world this this nuts and

432

00:16:59,810 --> 00:16:56,120

bolts world view

433

00:17:02,030 --> 00:16:59,820

you are peeling that all back and I need

434

00:17:04,309 --> 00:17:02,040

to ask you what have been the

435

00:17:06,289 --> 00:17:04,319

similarities that you've found in your

436

00:17:09,350 --> 00:17:06,299

investigation and research

437

00:17:12,470 --> 00:17:09,360

of these UFO Sky Pilots what do they

438

00:17:16,189 --> 00:17:14,390

um well I mean I guess they're all

439

00:17:18,110 --> 00:17:16,199

experiencers they're all been on the

440

00:17:20,510 --> 00:17:18,120

ship and we call them the sort of the

441

00:17:23,569 --> 00:17:20,520

experiencers and

442

00:17:25,909 --> 00:17:23,579

um they will have uh added psychic

443

00:17:29,270 --> 00:17:25,919

abilities abilities to heal Chris

444

00:17:30,070 --> 00:17:29,280

Bledsoe has that they are all

445

00:17:33,650 --> 00:17:30,080

um

446

00:17:37,250 --> 00:17:33,660

Roger Lear who did the 17 alien implant

447

00:17:39,590 --> 00:17:37,260

he removed them he was the the doctor in

448

00:17:41,990 --> 00:17:39,600

Los Angeles he was asked what's common

449

00:17:45,289 --> 00:17:42,000

between all the people who had the

450

00:17:47,270 --> 00:17:45,299

implants removed and and he said they're

451

00:17:49,190 --> 00:17:47,280

all experiencers they're all

452

00:17:50,990 --> 00:17:49,200

right-brained creative people and

453

00:17:52,909 --> 00:17:51,000

there's tons of them in Hollywood and

454

00:17:55,370 --> 00:17:52,919

I've discussed that in the inspired book

455

00:17:56,990 --> 00:17:55,380

and the contact modalities book where I

456

00:17:59,510 --> 00:17:57,000

wrote where I talk about this right

457

00:18:00,830 --> 00:17:59,520

brain left brain thing that a lot of the

458

00:18:02,330 --> 00:18:00,840

experiences you're going to find are

459

00:18:04,310 --> 00:18:02,340

musicians I did a whole book on

460

00:18:07,010 --> 00:18:04,320

musicians how many of them are UFO

461

00:18:10,010 --> 00:18:07,020

experiencers that uh most experiencers

462

00:18:12,770 --> 00:18:10,020

are not really uh left brain people

463

00:18:14,930 --> 00:18:12,780

they're not into the sort of the

464

00:18:16,909 --> 00:18:14,940

um nuts and bolts are the military or

465

00:18:20,270 --> 00:18:16,919

this sort of stuff they're more creative

466

00:18:22,669 --> 00:18:20,280

artistic type people and that's where I

467

00:18:23,930 --> 00:18:22,679

say the connection is is that there's a

468

00:18:26,029 --> 00:18:23,940

world out there that you can make

469

00:18:27,950 --> 00:18:26,039

contact with in the universe of

470

00:18:30,230 --> 00:18:27,960

different dimensions we're only on one

471

00:18:33,409 --> 00:18:30,240

sort of frequency but the way that you

472

00:18:36,470 --> 00:18:33,419

make that contact with the rest of

473

00:18:38,270 --> 00:18:36,480

um the universe and different aspects is

474

00:18:40,610 --> 00:18:38,280

to shut down the left brain the rational

475

00:18:42,350 --> 00:18:40,620

analytical the ego brain that's talking

476

00:18:44,090 --> 00:18:42,360

all the time and that's why in

477

00:18:45,710 --> 00:18:44,100

meditation they'll say they're quieting

478

00:18:47,210 --> 00:18:45,720

the the mind they're not quieting the

479

00:18:48,590 --> 00:18:47,220

mind they're quieting the left brain

480

00:18:50,150 --> 00:18:48,600

because left brain is going this is

481

00:18:51,830 --> 00:18:50,160

garbage I don't believe this is

482

00:18:54,049 --> 00:18:51,840

happening this is you know this sort of

483

00:18:56,690 --> 00:18:54,059

stuff and that's what you'll see

484

00:18:59,029 --> 00:18:56,700

um that once you can shut the noise down

485

00:19:01,130 --> 00:18:59,039

from the left brain and get you've got a

486

00:19:02,810 --> 00:19:01,140

clear signal and that's picked up by the

487

00:19:05,450 --> 00:19:02,820

right brain so you'll you'll see a lot

488

00:19:07,130 --> 00:19:05,460

of the the sky Pilots were women they're

489

00:19:09,770 --> 00:19:07,140

just simple women that were picking this

490

00:19:11,750 --> 00:19:09,780

up uh we did have some some high level

491

00:19:13,130 --> 00:19:11,760

people because people say oh it's just

492

00:19:16,610 --> 00:19:13,140

you know people Ordinary People or

493

00:19:19,850 --> 00:19:16,620

whatever no we had uh one guy who um out

494

00:19:23,090 --> 00:19:19,860

of San Francisco who was a captain for

495

00:19:24,470 --> 00:19:23,100

your 747 uh United Airlines so I mean

496

00:19:27,110 --> 00:19:24,480

that's a talk that's a top Captain

497

00:19:29,330 --> 00:19:27,120

that's years and years and years of of

498

00:19:32,450 --> 00:19:29,340

flying before you get to be a captain of

499

00:19:34,010 --> 00:19:32,460

a 747 and he had had the he called it a

500

00:19:35,930 --> 00:19:34,020

dream a lot of them called it a dream

501  
00:19:37,970 --> 00:19:35,940  
and I I would say yeah everybody

502  
00:19:40,310 --> 00:19:37,980  
describes it as a dream just tell me the

503  
00:19:42,529 --> 00:19:40,320  
story even though you anticipated a

504  
00:19:43,789 --> 00:19:42,539  
dream and he had the dream once and he

505  
00:19:46,250 --> 00:19:43,799  
was talking to I don't know if you know

506  
00:19:49,370 --> 00:19:46,260  
Joe Burks out of California he was one

507  
00:19:52,970 --> 00:19:49,380  
of the ones that ran Steven Greer's

508  
00:19:55,669 --> 00:19:52,980  
um uh she Saidi operation in Los in La

509  
00:19:59,570 --> 00:19:55,679  
for a couple of years before he moved on

510  
00:20:02,570 --> 00:19:59,580  
and he I was friends with uh Joe who is

511  
00:20:05,210 --> 00:20:02,580  
the the pilot and he had this dream and

512  
00:20:06,770 --> 00:20:05,220  
then he told it to Joe berksen and Joe

513  
00:20:08,270 --> 00:20:06,780

listened and then he had the dream a

514

00:20:10,549 --> 00:20:08,280

year later and then he said I think we

515

00:20:12,350 --> 00:20:10,559

better record this and so uh he went on

516

00:20:14,029 --> 00:20:12,360

the record for me and he told me the

517

00:20:16,730 --> 00:20:14,039

story of the same thing of flying this

518

00:20:19,010 --> 00:20:16,740

of this craft and he said this is just

519

00:20:21,230 --> 00:20:19,020

the way it is and he was a member of

520

00:20:23,510 --> 00:20:21,240

mission Rama so this is a group that

521

00:20:25,190 --> 00:20:23,520

started about the same time as me and

522

00:20:26,870 --> 00:20:25,200

they have these protocols where they're

523

00:20:28,669 --> 00:20:26,880

able to open these portals what they

524

00:20:30,230 --> 00:20:28,679

call zendras and they use this

525

00:20:32,750 --> 00:20:30,240

meditation process where they raise

526

00:20:37,010 --> 00:20:32,760

their vibration and these beings who are

527

00:20:41,090 --> 00:20:37,020

like uh sort of like um long hair white

528

00:20:42,289 --> 00:20:41,100

type beings uh will come to them and uh

529

00:20:43,490 --> 00:20:42,299

so they're using the same process

530

00:20:46,730 --> 00:20:43,500

they're quieting the mind they're

531

00:20:49,310 --> 00:20:46,740

getting uh the the ego mind cut off and

532

00:20:52,070 --> 00:20:49,320

they make these these contacts and so

533

00:20:54,049 --> 00:20:52,080

this pilot was a member of mission Rama

534

00:20:55,610 --> 00:20:54,059

and he knew the protocols and he'd

535

00:20:57,049 --> 00:20:55,620

actually been inside is Andre been

536

00:20:58,730 --> 00:20:57,059

inside one of these portal things that

537

00:20:59,990 --> 00:20:58,740

they'd opened but he said when he had

538

00:21:01,850 --> 00:21:00,000

the dream the second time he told the

539

00:21:04,669 --> 00:21:01,860

Joe Burks and Joe Berks we better record

540

00:21:05,510 --> 00:21:04,679

this so he records that dream I had a

541

00:21:08,930 --> 00:21:05,520

guy

542

00:21:11,590 --> 00:21:08,940

um when I was in Los Angeles who

543

00:21:14,510 --> 00:21:11,600

um uh I was speaking for Orange County

544

00:21:16,190 --> 00:21:14,520

uh mufon there and it was a big group

545

00:21:17,450 --> 00:21:16,200

and of course a lot of people go to the

546

00:21:19,130 --> 00:21:17,460

restaurant after we were at the

547

00:21:20,750 --> 00:21:19,140

restaurant and suddenly this guy comes

548

00:21:22,549 --> 00:21:20,760

into the restaurant and there they

549

00:21:23,750 --> 00:21:22,559

yelled at me David David David you're at

550

00:21:25,549 --> 00:21:23,760

the you missed Grant's lecture he's

551

00:21:27,409 --> 00:21:25,559

talking about flying the ship he said

552

00:21:29,750 --> 00:21:27,419

tell them tell them about flight your

553

00:21:31,730 --> 00:21:29,760

your experience and then David looked at

554

00:21:33,110 --> 00:21:31,740

me and he said oh I I think it was a

555

00:21:35,690 --> 00:21:33,120

dream I said well everybody thinks

556

00:21:37,070 --> 00:21:35,700

there's a dream uh you know that's

557

00:21:39,049 --> 00:21:37,080

that's common people think it's a dream

558

00:21:40,490 --> 00:21:39,059

and then some guy says David David tell

559

00:21:42,470 --> 00:21:40,500

them what you are and tell them what you

560

00:21:44,270 --> 00:21:42,480

do and I said so what'd you do and he

561

00:21:46,010 --> 00:21:44,280

said well I'm a pilot I said well my

562

00:21:47,990 --> 00:21:46,020

son's a pilot my father is a pilot I

563

00:21:49,549 --> 00:21:48,000

mean I said tell me what kind of stuff

564

00:21:51,830 --> 00:21:49,559

didn't fly and he says follow me all

565

00:21:55,310 --> 00:21:51,840

these planes and then he says F-16 and I

566

00:21:57,649 --> 00:21:55,320

said F-16 you flown F-16 hey yeah my

567

00:21:58,610 --> 00:21:57,659

retired U.S Air Force Colonel I flew in

568

00:22:01,310 --> 00:21:58,620

Iraq

569

00:22:03,590 --> 00:22:01,320

on top of your dream he's the same sort

570

00:22:05,270 --> 00:22:03,600

of dream where he he gets he has these

571

00:22:07,430 --> 00:22:05,280

people behind them and that almost

572

00:22:09,409 --> 00:22:07,440

sounds like Soul when you hear if you've

573

00:22:11,690 --> 00:22:09,419

studied Michael Newton the idea that you

574

00:22:13,669 --> 00:22:11,700

have these the the soul guides but they

575

00:22:15,049 --> 00:22:13,679

stay behind you and off to the I think

576

00:22:16,669 --> 00:22:15,059

off to the left right after he said

577

00:22:18,289 --> 00:22:16,679

these he didn't know if it was people or

578

00:22:19,549 --> 00:22:18,299

he didn't know it was aliens or what it

579

00:22:21,350 --> 00:22:19,559

was but there was somebody behind him

580

00:22:22,909 --> 00:22:21,360

and he walked onto the ship and then

581

00:22:24,770 --> 00:22:22,919

these he was standing in the middle of

582

00:22:26,690 --> 00:22:24,780

the ship and these whatever it was this

583

00:22:28,070 --> 00:22:26,700

voice behind us said go ahead and do it

584

00:22:29,930 --> 00:22:28,080

and he said I don't know what to do

585

00:22:31,430 --> 00:22:29,940

which is a very common thing people say

586

00:22:32,930 --> 00:22:31,440

they they're told to do it they don't

587

00:22:35,090 --> 00:22:32,940

they say I don't know what to do and

588

00:22:37,370 --> 00:22:35,100

then they say you know what to do just

589

00:22:39,409 --> 00:22:37,380

do it and then he sees this panel and he

590

00:22:41,450 --> 00:22:39,419

goes to this panel along the wall of

591

00:22:43,669 --> 00:22:41,460

craft and he puts his hand on the panel

592

00:22:44,930 --> 00:22:43,679

and he said it was just like an F-16 he

593

00:22:46,789 --> 00:22:44,940

said I'm suddenly I'm flying this thing

594

00:22:48,890 --> 00:22:46,799

and he said it was like suction cups on

595

00:22:50,810 --> 00:22:48,900

an F-16 whatever that means and he said

596

00:22:53,330 --> 00:22:50,820

uh suddenly I'm flying this craft he

597

00:22:55,130 --> 00:22:53,340

says it's flying and I take one hand up

598

00:22:57,409 --> 00:22:55,140

off the panel and I'm waiting for the

599

00:22:59,149 --> 00:22:57,419

the UFO to stall I'm gonna put my hand

600

00:23:01,130 --> 00:22:59,159

back down and nothing happened and then

601  
00:23:02,810 --> 00:23:01,140  
I take my second hand off the panel and

602  
00:23:04,850 --> 00:23:02,820  
he said it's still flying and I'm not

603  
00:23:06,890 --> 00:23:04,860  
touching anything and this is this sort

604  
00:23:09,110 --> 00:23:06,900  
of mental connection with the ship that

605  
00:23:10,669 --> 00:23:09,120  
he becomes one with the ship and he

606  
00:23:13,250 --> 00:23:10,679  
describes the same thing he was he was

607  
00:23:14,990 --> 00:23:13,260  
able to uh to fly this ship and wherever

608  
00:23:17,990 --> 00:23:15,000  
he wanted to go is where the where the

609  
00:23:21,350 --> 00:23:18,000  
craft would go and uh so you see this

610  
00:23:24,049 --> 00:23:21,360  
very common pattern and uh uh a lot of

611  
00:23:25,970 --> 00:23:24,059  
we had one guy uh high level CIA John

612  
00:23:27,350 --> 00:23:25,980  
Ramirez if you know John Ramirez just

613  
00:23:30,409 --> 00:23:27,360

came public he's a high level

614

00:23:32,330 --> 00:23:30,419

intelligence guy who retired and started

615

00:23:34,010 --> 00:23:32,340

telling his story and he talks and his

616

00:23:37,430 --> 00:23:34,020

didn't even involve a ship almost like

617

00:23:40,310 --> 00:23:37,440

the guy from from Japan his was uh not

618

00:23:42,169 --> 00:23:40,320

even a ship he could move and describe

619

00:23:44,029 --> 00:23:42,179

that whole experience to me but just a

620

00:23:45,230 --> 00:23:44,039

fascinating thing almost like they it

621

00:23:47,090 --> 00:23:45,240

was almost like these people were

622

00:23:48,470 --> 00:23:47,100

intended to come to me because there

623

00:23:52,190 --> 00:23:48,480

really was nothing in the literature I

624

00:23:54,169 --> 00:23:52,200

think John uh or um David Jacobs had one

625

00:23:55,970 --> 00:23:54,179

case that he described in his book with

626

00:23:57,470 --> 00:23:55,980

this woman and he describes it as an

627

00:23:59,510 --> 00:23:57,480

experiment oh they're just experimenting

628

00:24:02,090 --> 00:23:59,520

with her because hers was she's she's

629

00:24:05,029 --> 00:24:02,100

flying the ship and she looks down and

630

00:24:07,130 --> 00:24:05,039

there's a human being chasing this alien

631

00:24:09,110 --> 00:24:07,140

and she's to rescue the alien and say

632

00:24:10,250 --> 00:24:09,120

rescue her arrest and she's she's I

633

00:24:12,110 --> 00:24:10,260

don't know what to do you know what to

634

00:24:14,210 --> 00:24:12,120

do just do it fly down there and she

635

00:24:16,610 --> 00:24:14,220

flies this ship down and rescues this

636

00:24:17,870 --> 00:24:16,620

alien and so David Jacobs said you know

637

00:24:19,190 --> 00:24:17,880

they're playing with people's minds and

638

00:24:20,450 --> 00:24:19,200

stuff like that which may be what

639

00:24:22,669 --> 00:24:20,460

they're doing they're teaching you a

640

00:24:24,350 --> 00:24:22,679

lesson of psychic phenomena of the power

641

00:24:26,330 --> 00:24:24,360

of the mind that it's all within all

642

00:24:28,250 --> 00:24:26,340

within you the whole universe is within

643

00:24:29,990 --> 00:24:28,260

you this sort of thing and playing this

644

00:24:32,090 --> 00:24:30,000

little game of of being a ship of

645

00:24:34,010 --> 00:24:32,100

whatever it is I mean people are telling

646

00:24:35,990 --> 00:24:34,020

exactly the same story it's almost like

647

00:24:37,190 --> 00:24:36,000

you just say okay next next you know

648

00:24:39,110 --> 00:24:37,200

exactly where they're going to go at the

649

00:24:41,090 --> 00:24:39,120

story and they the other key thing that

650

00:24:42,950 --> 00:24:41,100

I should point out is this idea that

651  
00:24:44,990 --> 00:24:42,960  
once you're one with the ship then you

652  
00:24:48,169 --> 00:24:45,000  
can detect the ship so if you know the

653  
00:24:50,149 --> 00:24:48,179  
story of Chris Bledsoe when he was with

654  
00:24:53,230 --> 00:24:50,159  
um John John

655  
00:24:55,730 --> 00:24:53,240  
um uh um John

656  
00:24:57,770 --> 00:24:55,740  
Alexander comes to visit him and John

657  
00:25:00,950 --> 00:24:57,780  
had visited all sorts of paranormal

658  
00:25:03,110 --> 00:25:00,960  
witchcraft people and you know also been

659  
00:25:05,510 --> 00:25:03,120  
around the world looking at all this uh

660  
00:25:09,770 --> 00:25:05,520  
paranormal stuff and he was you know

661  
00:25:12,770 --> 00:25:09,780  
um did his PhD on uh a near-death

662  
00:25:14,810 --> 00:25:12,780  
experiences and you know very well

663  
00:25:15,950 --> 00:25:14,820

skilled he went to steady Chris because

664

00:25:17,270 --> 00:25:15,960

that's the whole idea if you want to

665

00:25:19,130 --> 00:25:17,280

know what's going on go talk to the

666

00:25:21,830 --> 00:25:19,140

experiences so he went with Chris and

667

00:25:25,370 --> 00:25:21,840

they're standing just uh on the top of

668

00:25:26,090 --> 00:25:25,380

the hill near the river where Chris was

669

00:25:30,649 --> 00:25:26,100

um

670

00:25:32,990 --> 00:25:30,659

said he was flying it down the Cape Fear

671

00:25:36,049 --> 00:25:33,000

River and he's going yeah well he's

672

00:25:37,430 --> 00:25:36,059

sitting cross-legged on in the ship just

673

00:25:39,289 --> 00:25:37,440

looking out the window and he was flying

674

00:25:42,169 --> 00:25:39,299

this ship down a couple of these feet

675

00:25:44,570 --> 00:25:42,179

off the off the river and uh when John

676

00:25:46,669 --> 00:25:44,580

went there uh suddenly Chris said hey

677

00:25:48,230 --> 00:25:46,679

they're here and John said how do you

678

00:25:49,370 --> 00:25:48,240

know they're here Chris said I just know

679

00:25:51,590 --> 00:25:49,380

they're here they're here they're around

680

00:25:54,169 --> 00:25:51,600

and then suddenly this thing appeared

681

00:25:56,269 --> 00:25:54,179

above them this and this big and it just

682

00:25:58,070 --> 00:25:56,279

flew off into the distance and John said

683

00:25:59,990 --> 00:25:58,080

he was just he was just floored I mean

684

00:26:01,549 --> 00:26:00,000

partly because he'd never seen a UFO

685

00:26:03,350 --> 00:26:01,559

like that before but because Chris knew

686

00:26:05,390 --> 00:26:03,360

it was coming and that's what I think is

687

00:26:07,549 --> 00:26:05,400

happening is once you've become one with

688

00:26:10,010 --> 00:26:07,559

the ship you vibrate you you know that I

689

00:26:11,930 --> 00:26:10,020

understand even like experiences will

690

00:26:13,310 --> 00:26:11,940

say I know they're coming tonight I can

691

00:26:15,049 --> 00:26:13,320

sense I'm gonna I'm gonna they're coming

692

00:26:16,909 --> 00:26:15,059

to the house tonight they can sort of

693

00:26:19,310 --> 00:26:16,919

feel the vibration of this of of

694

00:26:20,990 --> 00:26:19,320

whatever this uh intelligence is and I

695

00:26:23,750 --> 00:26:21,000

called an intelligence I sort of like

696

00:26:25,789 --> 00:26:23,760

with um I'm sort of with Jack ballet on

697

00:26:28,490 --> 00:26:25,799

that it's become more and more and more

698

00:26:29,930 --> 00:26:28,500

complex it seems very unlikely that it's

699

00:26:32,149 --> 00:26:29,940

going to be totally

700

00:26:33,590 --> 00:26:32,159

um E.T because you'll see dead people on

701

00:26:35,870 --> 00:26:33,600

the ship and you'll see all sorts of

702

00:26:37,430 --> 00:26:35,880

spiritual lessons and reincarnation and

703

00:26:38,990 --> 00:26:37,440

stuff like that and it's almost like

704

00:26:41,810 --> 00:26:39,000

somebody's giving us some sort of

705

00:26:44,510 --> 00:26:41,820

training that they're guiding us along a

706

00:26:46,370 --> 00:26:44,520

path and and they're picking people who

707

00:26:48,710 --> 00:26:46,380

are there to do the message that's

708

00:26:50,450 --> 00:26:48,720

what's Chris Chris busos thing was The

709

00:26:52,669 --> 00:26:50,460

Shining lady told me you have a you have

710

00:26:53,930 --> 00:26:52,679

a burden and it is yours to carry and I

711

00:26:55,490 --> 00:26:53,940

said to Christian know what the burden

712

00:26:57,289 --> 00:26:55,500

is you see yeah I know what the burden

713

00:26:59,090 --> 00:26:57,299

is the burden is the message I'm here to

714

00:27:00,830 --> 00:26:59,100

deliver a message and a lot of these

715

00:27:02,210 --> 00:27:00,840

experiences will have a message they'll

716

00:27:04,130 --> 00:27:02,220

have that's why I call them peace and

717

00:27:05,690 --> 00:27:04,140

Oneness they'll talk about this Oneness

718

00:27:07,310 --> 00:27:05,700

that they're they were one with the

719

00:27:09,470 --> 00:27:07,320

craft and and they could instantly move

720

00:27:11,210 --> 00:27:09,480

anywhere in the universe and and that

721

00:27:13,250 --> 00:27:11,220

the craft was alive and they could

722

00:27:15,830 --> 00:27:13,260

interact with the craft and just this

723

00:27:17,690 --> 00:27:15,840

sort of a new world that we're we're

724

00:27:19,190 --> 00:27:17,700

heading into that the government is

725

00:27:21,110 --> 00:27:19,200

trying to discover but they aren't and

726

00:27:23,029 --> 00:27:21,120

you'll hear Eric Davis who is probably

727

00:27:25,070 --> 00:27:23,039

the one of the key guys who knows what's

728

00:27:27,409 --> 00:27:25,080

going on he described the fact that the

729

00:27:30,470 --> 00:27:27,419

government had shut the UFO program down

730

00:27:31,490 --> 00:27:30,480

in 1989 and they had shelved the whole

731

00:27:33,890 --> 00:27:31,500

thing because they just couldn't figure

732

00:27:35,390 --> 00:27:33,900

it out and that every six or seven years

733

00:27:36,769 --> 00:27:35,400

they take it off the shelf and then they

734

00:27:38,570 --> 00:27:36,779

look at it and still can't figure it out

735

00:27:40,909 --> 00:27:38,580

and they put it back on the shelf and my

736

00:27:42,710 --> 00:27:40,919

interpretation of what's going on now is

737

00:27:44,890 --> 00:27:42,720

that the black World cannot figure it

738

00:27:46,789 --> 00:27:44,900

out because they're all everything's all

739

00:27:48,950 --> 00:27:46,799

compartmentalized and they can't can't

740

00:27:50,510 --> 00:27:48,960

get anything organized and so what

741

00:27:52,850 --> 00:27:50,520

they've done is they've tried to try to

742

00:27:55,250 --> 00:27:52,860

drag the academic world into this thing

743

00:27:57,230 --> 00:27:55,260

by doing this gradual disclosure that

744

00:27:58,490 --> 00:27:57,240

this is real the academics are working

745

00:27:59,570 --> 00:27:58,500

on it and it's just like a vacuum

746

00:28:01,250 --> 00:27:59,580

cleaner it's all going in the black

747

00:28:02,450 --> 00:28:01,260

world because the black world is trying

748

00:28:04,909 --> 00:28:02,460

to figure out how to turn this thing

749

00:28:06,590 --> 00:28:04,919

into a weapon but every indication I've

750

00:28:08,990 --> 00:28:06,600

followed a lot of high-level people

751

00:28:11,450 --> 00:28:09,000

every indication I've got is number one

752

00:28:13,010 --> 00:28:11,460

they do not they do not understand how

753

00:28:15,409 --> 00:28:13,020

this thing works it's Way Beyond them

754

00:28:17,390 --> 00:28:15,419

we're not flying these ships around they

755

00:28:19,549 --> 00:28:17,400

basically almost like Jim semivan the

756

00:28:21,830 --> 00:28:19,559

the high-level CIA guy said he said

757

00:28:24,350 --> 00:28:21,840

there's there is so far gone he said

758

00:28:26,810 --> 00:28:24,360

there does not even appear to be a there

759

00:28:28,850 --> 00:28:26,820

there I mean and he and he had an

760

00:28:31,730 --> 00:28:28,860

encounter with the beings in in his room

761

00:28:33,950 --> 00:28:31,740

and so they don't have any abilities to

762

00:28:36,950 --> 00:28:33,960

do this but the one thing that they they

763

00:28:39,230 --> 00:28:36,960

did seem to have abilities which I would

764

00:28:40,850 --> 00:28:39,240

say may be possible is that the

765

00:28:43,130 --> 00:28:40,860

government does understand portal

766

00:28:44,870 --> 00:28:43,140

technology they do have some ability to

767

00:28:47,149 --> 00:28:44,880

move people around through these portals

768

00:28:48,890 --> 00:28:47,159

and I I followed a number of CIA people

769

00:28:50,450 --> 00:28:48,900

and they kept bringing this up and every

770

00:28:52,250 --> 00:28:50,460

time I would go after the anti-gravity

771

00:28:55,010 --> 00:28:52,260

thing they would all fall apart but the

772

00:28:56,990 --> 00:28:55,020

the portal thing always seem to be there

773

00:28:58,789 --> 00:28:57,000

and then I knew the missionarama people

774

00:29:01,490 --> 00:28:58,799

I knew that they had opened these these

775

00:29:04,310 --> 00:29:01,500

portals and I had an experience if you

776

00:29:06,649 --> 00:29:04,320

know the guy's name is Tim Taylor and

777

00:29:09,470 --> 00:29:06,659

he's uh close friends he studied Chris

778

00:29:11,570 --> 00:29:09,480

Bledsoe very carefully and I was with

779

00:29:13,250 --> 00:29:11,580

him and Chris Bledsoe and a couple of

780

00:29:15,649 --> 00:29:13,260

people who are working at that time

781

00:29:18,350 --> 00:29:15,659

Chris was getting a movie deal from

782

00:29:20,149 --> 00:29:18,360

Warner Brothers and uh Chris was all he

783

00:29:21,590 --> 00:29:20,159

was interested in was I got a controlled

784

00:29:23,389 --> 00:29:21,600

end of the movie because I have the

785

00:29:24,950 --> 00:29:23,399

message and it's good to have to be and

786

00:29:26,990 --> 00:29:24,960

the way I wanted to end and of course

787

00:29:28,730 --> 00:29:27,000

Hollywood wants you know uh good guys

788

00:29:30,470 --> 00:29:28,740

versus bad guys and all this kind of

789

00:29:32,570 --> 00:29:30,480

stuff and Chris just wouldn't go for it

790

00:29:34,070 --> 00:29:32,580

and he would first lawyer then he had a

791

00:29:35,930 --> 00:29:34,080

second lawyer they drafted it again and

792

00:29:37,909 --> 00:29:35,940

Chris turned it down again and this is

793

00:29:39,590 --> 00:29:37,919

the third third attempt and these

794

00:29:41,149 --> 00:29:39,600

high-level business guys were in this

795

00:29:43,490 --> 00:29:41,159

cabin with us and they were telling

796

00:29:45,230 --> 00:29:43,500

Chris no no don't take uh don't take the

797

00:29:46,789 --> 00:29:45,240

royalties there's no royalties not gonna

798

00:29:48,350 --> 00:29:46,799

get any royalties take the money up

799

00:29:50,269 --> 00:29:48,360

front and there was a huge amounts of

800

00:29:52,070 --> 00:29:50,279

money we were being thrown around and

801  
00:29:53,630 --> 00:29:52,080  
golf Chris was saying is no I want to

802  
00:29:55,669 --> 00:29:53,640  
control the end of the movie and they

803  
00:29:58,250 --> 00:29:55,679  
basically uh would not give him control

804  
00:30:01,310 --> 00:29:58,260  
of the end of the movie and uh that may

805  
00:30:02,930 --> 00:30:01,320  
be why the deal fell down uh but um

806  
00:30:03,610 --> 00:30:02,940  
Chris

807  
00:30:07,850 --> 00:30:03,620  
um

808  
00:30:10,430 --> 00:30:07,860  
exhibited this disability to get get the

809  
00:30:12,049 --> 00:30:10,440  
message right whereas the military uh

810  
00:30:14,510 --> 00:30:12,059  
wants to

811  
00:30:18,289 --> 00:30:14,520  
um develop weapons from this

812  
00:30:20,510 --> 00:30:18,299  
yes Grant so many good good oh my gosh

813  
00:30:23,269 --> 00:30:20,520

such good investigation and such good

814

00:30:27,710 --> 00:30:23,279

data you have and I'm really glad you

815

00:30:29,510 --> 00:30:27,720

brought up movies and Jordan Peele uh

816

00:30:33,169 --> 00:30:29,520

recently came out with a movie called

817

00:30:35,930 --> 00:30:33,179

nope and as you probably know he was

818

00:30:37,789 --> 00:30:35,940

speaking with the bledsoes and I think

819

00:30:41,029 --> 00:30:37,799

originally planned on having them

820

00:30:43,190 --> 00:30:41,039

involved but Hollywood always has as you

821

00:30:45,830 --> 00:30:43,200

said a different View and scheme and

822

00:30:48,590 --> 00:30:45,840

they want uh particular people in a

823

00:30:50,389 --> 00:30:48,600

particular genre to convey a particular

824

00:30:52,149 --> 00:30:50,399

message like you said with good guys bad

825

00:30:55,990 --> 00:30:52,159

guys making it gory

826

00:30:59,149 --> 00:30:56,000

but so true on the movie front and

827

00:31:00,889 --> 00:30:59,159

biologically I find it amazing that the

828

00:31:04,490 --> 00:31:00,899

craft seemed to be biologically

829

00:31:07,070 --> 00:31:04,500

perfectly made for the pilots that drive

830

00:31:09,350 --> 00:31:07,080

them ergonomically correct in every way

831

00:31:12,710 --> 00:31:09,360

down to probably the DNA required to fly

832

00:31:14,649 --> 00:31:12,720

it and there have been mentions which

833

00:31:18,649 --> 00:31:14,659

were in fact classified previously

834

00:31:20,570 --> 00:31:18,659

mentioning that this uh technology held

835

00:31:22,850 --> 00:31:20,580

by our government or private aerospace

836

00:31:25,310 --> 00:31:22,860

companies which for plausible

837

00:31:28,310 --> 00:31:25,320

deniability reasons may be contracted to

838

00:31:31,130 --> 00:31:28,320

hold and research the craft but people

839

00:31:33,889 --> 00:31:31,140

who are primarily contactees or

840

00:31:37,250 --> 00:31:33,899

abductees are brought in to touch

841

00:31:39,350 --> 00:31:37,260

interact and engage with parts of the

842

00:31:42,110 --> 00:31:39,360

Metallurgy or other parts that may be

843

00:31:46,070 --> 00:31:42,120

associated with the craft to see if they

844

00:31:49,070 --> 00:31:46,080

have the conscious key of interaction do

845

00:31:51,110 --> 00:31:49,080

you think they are still at step one or

846

00:31:53,630 --> 00:31:51,120

are they making any progress in

847

00:31:55,789 --> 00:31:53,640

unlocking this enigma

848

00:31:57,529 --> 00:31:55,799

every indication I've got is that

849

00:31:59,930 --> 00:31:57,539

they're absolutely at a standstill they

850

00:32:02,210 --> 00:31:59,940

they just simply cannot go there they do

851

00:32:03,889 --> 00:32:02,220

know the Consciousness uh aspect for

852

00:32:07,130 --> 00:32:03,899

example Tom DeLong talks about going to

853

00:32:10,370 --> 00:32:07,140

the skip when he's in 2015 he's invited

854

00:32:13,190 --> 00:32:10,380

into a skiff a sensitive compartmented

855

00:32:15,110 --> 00:32:13,200

uh information facility for Lockheed and

856

00:32:16,730 --> 00:32:15,120

he said when he was there he was talking

857

00:32:19,430 --> 00:32:16,740

about different things and then they had

858

00:32:20,389 --> 00:32:19,440

scientists for Lockheed said okay well I

859

00:32:23,029 --> 00:32:20,399

just want to know how did it get here

860

00:32:24,830 --> 00:32:23,039

how does US proposal system work and

861

00:32:26,210 --> 00:32:24,840

because Tom DeLong have been hanging

862

00:32:27,590 --> 00:32:26,220

around with Greer at that time he broke

863

00:32:28,610 --> 00:32:27,600

away from Greer but been hanging around

864

00:32:30,590 --> 00:32:28,620

his beer he said oh I think

865

00:32:33,830 --> 00:32:30,600

Consciousness is involved and he said

866

00:32:35,389 --> 00:32:33,840

suddenly the the the scientist lights up

867

00:32:36,710 --> 00:32:35,399

he said that's all the guy wanted to

868

00:32:38,870 --> 00:32:36,720

talk about for 45 minutes was

869

00:32:40,789 --> 00:32:38,880

Consciousness bad scientists for Rocky

870

00:32:43,909 --> 00:32:40,799

so they understand the Consciousness but

871

00:32:46,190 --> 00:32:43,919

it's in terms of of actually uh trying

872

00:32:48,529 --> 00:32:46,200

to unlock it I don't think you you hear

873

00:32:52,010 --> 00:32:48,539

these things like as hell put off jean

874

00:32:53,210 --> 00:32:52,020

valet and kid green all met at a Denny's

875

00:32:54,950 --> 00:32:53,220

restaurant they've actually confirmed

876

00:32:56,510 --> 00:32:54,960

this when I put it out that this

877

00:32:58,669 --> 00:32:56,520

actually did take place and it's called

878

00:33:00,230 --> 00:32:58,679

The Core story The Core story is they

879

00:33:01,430 --> 00:33:00,240

were looking and saying well there's all

880

00:33:02,990 --> 00:33:01,440

this stuff like we don't know what to

881

00:33:04,370 --> 00:33:03,000

believe like how do you know what's

882

00:33:06,289 --> 00:33:04,380

actually going on and they came up with

883

00:33:07,909 --> 00:33:06,299

the core story of what's the core story

884

00:33:09,710 --> 00:33:07,919

of what we think is actually going on

885

00:33:12,590 --> 00:33:09,720

and it is that we are being act

886

00:33:16,310 --> 00:33:12,600

interacted by some sort of intelligence

887

00:33:18,169 --> 00:33:16,320

um and they um we've got Hardware we've

888

00:33:20,810 --> 00:33:18,179

recovered hardware and we're not having

889

00:33:22,490 --> 00:33:20,820

any success at re reproducing the

890

00:33:24,710 --> 00:33:22,500

hardware and it's this Consciousness

891

00:33:26,029 --> 00:33:24,720

thing that that they they basically have

892

00:33:28,430 --> 00:33:26,039

figure out and that's why they're going

893

00:33:29,990 --> 00:33:28,440

to these experiences and that's why when

894

00:33:32,090 --> 00:33:30,000

you take a look at the big thing the

895

00:33:34,549 --> 00:33:32,100

Bigelow contract the Bigelow contract

896

00:33:37,730 --> 00:33:34,559

had nothing to do really with UFOs as

897

00:33:39,470 --> 00:33:37,740

the way I see it is the OSAP program the

898

00:33:41,509 --> 00:33:39,480

money was given there was there was uh

899

00:33:43,549 --> 00:33:41,519

atip was working there but atip didn't

900

00:33:46,549 --> 00:33:43,559

even have an office in the Pentagon but

901  
00:33:49,610 --> 00:33:46,559  
the uh the ASAP program was meant to

902  
00:33:51,769 --> 00:33:49,620  
study I say Skinwalker Ranch that's what

903  
00:33:54,049 --> 00:33:51,779  
they wanted to do they there's even a

904  
00:33:55,430 --> 00:33:54,059  
I'm doing a book on a poor and

905  
00:33:57,289 --> 00:33:55,440  
manifestations which is coming out

906  
00:33:58,850 --> 00:33:57,299  
shortly and that's on the ability to

907  
00:34:01,370 --> 00:33:58,860  
move objects around and make things

908  
00:34:03,409 --> 00:34:01,380  
appear out of The Ether or whatever that

909  
00:34:05,990 --> 00:34:03,419  
you'll see in physical seances and

910  
00:34:09,710 --> 00:34:06,000  
psychics and UFO experiences and stuff

911  
00:34:13,609 --> 00:34:09,720  
like that and um so the the this aspect

912  
00:34:15,829 --> 00:34:13,619  
of of the um the uh the Consciousness

913  
00:34:17,930 --> 00:34:15,839

they just can't get there they can't

914

00:34:19,810 --> 00:34:17,940

they can't go there but they do know

915

00:34:22,970 --> 00:34:19,820

that that it's involved so when they

916

00:34:24,230 --> 00:34:22,980

awarded the contract for us app uh

917

00:34:25,550 --> 00:34:24,240

there's 22 million they went to

918

00:34:26,930 --> 00:34:25,560

Skinwalker Ranch now what were they

919

00:34:28,849 --> 00:34:26,940

interested in the skin marker Ranch

920

00:34:31,310 --> 00:34:28,859

there really was not many reports of

921

00:34:32,930 --> 00:34:31,320

UFOs there was reports of orbs cattle

922

00:34:34,970 --> 00:34:32,940

mutilations upwards things of

923

00:34:37,190 --> 00:34:34,980

Disappearing reappearing like the woman

924

00:34:39,169 --> 00:34:37,200

comes home and with all her groceries in

925

00:34:40,609 --> 00:34:39,179

in these bags and she puts the bags on

926  
00:34:42,230 --> 00:34:40,619  
the counter puts all the groceries away

927  
00:34:44,089 --> 00:34:42,240  
goes to the Next Room comes back and all

928  
00:34:45,409 --> 00:34:44,099  
the groceries are back in the bag that

929  
00:34:46,909 --> 00:34:45,419  
kind of stuff that's what they're trying

930  
00:34:49,609 --> 00:34:46,919  
to figure out and they were trying to

931  
00:34:51,649 --> 00:34:49,619  
figure out uh like the the original Dia

932  
00:34:53,210 --> 00:34:51,659  
guy that went there to look whether they

933  
00:34:55,070 --> 00:34:53,220  
were going to do the contract said he

934  
00:34:57,950 --> 00:34:55,080  
sat down and Bigelow was sitting across

935  
00:34:59,570 --> 00:34:57,960  
from him some and the the Bigelow's head

936  
00:35:01,250 --> 00:34:59,580  
scientists were sitting off to the side

937  
00:35:03,109 --> 00:35:01,260  
and he said suddenly this thing appears

938  
00:35:04,609 --> 00:35:03,119

this metal thing appears behind Bigelow

939

00:35:06,589 --> 00:35:04,619

and he said I'm the only one I can see

940

00:35:08,089 --> 00:35:06,599

it my vantage point it was exactly where

941

00:35:09,829 --> 00:35:08,099

I could see it and nobody else could see

942

00:35:11,210 --> 00:35:09,839

it and he looked away and then he looked

943

00:35:13,370 --> 00:35:11,220

back to see maybe he was hallucinating

944

00:35:14,810 --> 00:35:13,380

and no it was still there and that's the

945

00:35:16,970 --> 00:35:14,820

guy that awarded the contract because

946

00:35:18,950 --> 00:35:16,980

they wanted to go in there and they the

947

00:35:21,410 --> 00:35:18,960

the big story I think that they they

948

00:35:23,750 --> 00:35:21,420

really liked was the Bulls if you know

949

00:35:25,490 --> 00:35:23,760

the story I can walk a ranch that the

950

00:35:27,230 --> 00:35:25,500

guy said oh hope that don't mess with my

951  
00:35:29,030 --> 00:35:27,240  
Bulls you have these four prize bowls

952  
00:35:30,290 --> 00:35:29,040  
that were worth huge money and he goes

953  
00:35:31,790 --> 00:35:30,300  
running out of the house in the in the

954  
00:35:33,410 --> 00:35:31,800  
Corral the four Bulls are gone and he

955  
00:35:35,390 --> 00:35:33,420  
goes oh no my balls are gone I got my

956  
00:35:37,130 --> 00:35:35,400  
balls and then he's looking around he

957  
00:35:39,710 --> 00:35:37,140  
sees this trailer and it's hadn't been

958  
00:35:41,329 --> 00:35:39,720  
opened for years as this uh lock on the

959  
00:35:43,250 --> 00:35:41,339  
trailer anyone I wonder if they put the

960  
00:35:45,170 --> 00:35:43,260  
Bulls in the trailer and he opens the

961  
00:35:46,670 --> 00:35:45,180  
opens his lock and opens the trailer and

962  
00:35:48,530 --> 00:35:46,680  
these Bulls are stuffed in there like

963  
00:35:50,210 --> 00:35:48,540

sardines and then they just panic and

964

00:35:51,589 --> 00:35:50,220

they just destroy the trailer these four

965

00:35:52,910 --> 00:35:51,599

Bulls that's what they're trying to

966

00:35:55,190 --> 00:35:52,920

figure out how do you put Bulls in a

967

00:35:56,450 --> 00:35:55,200

trailer through through the metal and

968

00:35:58,670 --> 00:35:56,460

the other thing that they wanted to do

969

00:36:02,630 --> 00:35:58,680

is they wanted to to um

970

00:36:04,310 --> 00:36:02,640

uh figure out that the sort of the

971

00:36:07,069 --> 00:36:04,320

ability to move stuff around and they

972

00:36:09,530 --> 00:36:07,079

actually use the 1974 document that I

973

00:36:11,089 --> 00:36:09,540

were that I referenced a Dia document

974

00:36:13,430 --> 00:36:11,099

for 1974 where they talk about

975

00:36:15,290 --> 00:36:13,440

applications and they say if we can

976

00:36:17,870 --> 00:36:15,300

develop this technology we can go into

977

00:36:20,270 --> 00:36:17,880

the enemy we can take their documents

978

00:36:22,370 --> 00:36:20,280

bring them here photocopy them and put

979

00:36:24,170 --> 00:36:22,380

them back where we found them and they

980

00:36:25,790 --> 00:36:24,180

the enemy will not even know we were

981

00:36:27,829 --> 00:36:25,800

there that's the kind of stuff so

982

00:36:29,150 --> 00:36:27,839

they're trying to get the technology how

983

00:36:31,190 --> 00:36:29,160

do you make stuff disappear how do you

984

00:36:33,349 --> 00:36:31,200

make it reappear or the the incident

985

00:36:35,030 --> 00:36:33,359

that that everybody's famous with is the

986

00:36:37,190 --> 00:36:35,040

incidents with the Special Forces guys

987

00:36:39,230 --> 00:36:37,200

so these Special Forces guys they're

988

00:36:40,970 --> 00:36:39,240

armed there's hunting the skinwalker

989

00:36:43,430 --> 00:36:40,980

they're on the property they're brought

990

00:36:45,650 --> 00:36:43,440

in by Bigelow and of course they run

991

00:36:47,030 --> 00:36:45,660

into the force which basically uh

992

00:36:48,410 --> 00:36:47,040

actually talks in their head this is

993

00:36:50,210 --> 00:36:48,420

part of the story that is not in the

994

00:36:53,089 --> 00:36:50,220

skinwalker book they hear this voice in

995

00:36:54,950 --> 00:36:53,099

their head and it says leave you are not

996

00:36:56,750 --> 00:36:54,960

welcome and these guys are just

997

00:36:59,870 --> 00:36:56,760

absolutely petrified they feel this cold

998

00:37:01,550 --> 00:36:59,880

and this is sort of feeling of evil and

999

00:37:02,870 --> 00:37:01,560

and they back away and they go home and

1000

00:37:04,910 --> 00:37:02,880

that's when they have these orbs follow

1001  
00:37:06,650 --> 00:37:04,920  
them and their their kids are haunted by

1002  
00:37:08,510 --> 00:37:06,660  
these orbs and the wives and they're

1003  
00:37:10,370 --> 00:37:08,520  
seeing these dogmen and this horrible

1004  
00:37:13,730 --> 00:37:10,380  
thing and basically it's a reflective

1005  
00:37:16,130 --> 00:37:13,740  
type thing where uh Brandon fugle who's

1006  
00:37:18,230 --> 00:37:16,140  
the new owner Skinwalker says there's a

1007  
00:37:20,210 --> 00:37:18,240  
reflective nature to this phenomena so

1008  
00:37:22,130 --> 00:37:20,220  
if you're hunting it with guns if you're

1009  
00:37:23,510 --> 00:37:22,140  
having a bad day and you go on to the

1010  
00:37:26,089 --> 00:37:23,520  
ranch get ready you could have a real

1011  
00:37:28,730 --> 00:37:26,099  
bad experience and so when when Brandon

1012  
00:37:32,030 --> 00:37:28,740  
fugo flies in with his helicopter to the

1013  
00:37:33,650 --> 00:37:32,040

ranch he says they go where they pray as

1014

00:37:36,109 --> 00:37:33,660

they're going in and he said it's

1015

00:37:38,210 --> 00:37:36,119

reflective be very careful or or George

1016

00:37:40,370 --> 00:37:38,220

Knapp said those that were the most

1017

00:37:42,109 --> 00:37:40,380

aggressive to the phenomena Skinwalker

1018

00:37:44,210 --> 00:37:42,119

had the worst experiences so there's

1019

00:37:46,550 --> 00:37:44,220

this reflective nature to the phenomena

1020

00:37:49,550 --> 00:37:46,560

that that it can be it can be very very

1021

00:37:51,230 --> 00:37:49,560

damaging and be very careful I always

1022

00:37:53,569 --> 00:37:51,240

make the joke don't take us don't take a

1023

00:37:55,550 --> 00:37:53,579

gun to a ce5 but I did actually have a

1024

00:37:56,990 --> 00:37:55,560

ce5 these people in Georgia I just

1025

00:37:58,490 --> 00:37:57,000

interviewed them and they said these two

1026

00:38:01,490 --> 00:37:58,500

guys went into the the portal and they

1027

00:38:03,349 --> 00:38:01,500

ran injured and I I'm working very heavy

1028

00:38:07,130 --> 00:38:03,359

on this whether people get injured and

1029

00:38:09,050 --> 00:38:07,140

good and bad versus bad demons or aliens

1030

00:38:10,310 --> 00:38:09,060

and I said to them I said oh they were

1031

00:38:12,829 --> 00:38:10,320

injured that would happen she said well

1032

00:38:14,510 --> 00:38:12,839

the one guy he died shortly after that

1033

00:38:16,849 --> 00:38:14,520

and the other guy his cancer came back

1034

00:38:19,130 --> 00:38:16,859

and I said oh I said well you you talked

1035

00:38:21,230 --> 00:38:19,140

about when you're at the the sea five

1036

00:38:22,550 --> 00:38:21,240

you all have guns because there's you

1037

00:38:23,810 --> 00:38:22,560

know rattlesnakes and there's all such

1038

00:38:25,790 --> 00:38:23,820

stuff so everybody brings their gun to

1039

00:38:27,050 --> 00:38:25,800

the C5 I said where these guys armed

1040

00:38:28,910 --> 00:38:27,060

when they went into the portal and she

1041

00:38:30,950 --> 00:38:28,920

said Oya and she said they were Special

1042

00:38:32,810 --> 00:38:30,960

Forces guys I said well thank you that

1043

00:38:35,089 --> 00:38:32,820

sort of explains why if they were

1044

00:38:37,010 --> 00:38:35,099

injured that you can't be going into a

1045

00:38:39,470 --> 00:38:37,020

uh somebody else's world and bringing

1046

00:38:41,630 --> 00:38:39,480

your guns with you and even the the one

1047

00:38:43,849 --> 00:38:41,640

with I I taught reference the the good

1048

00:38:45,829 --> 00:38:43,859

versus evil thing with uh the rentals

1049

00:38:47,690 --> 00:38:45,839

from forest where one guy is injured

1050

00:38:49,550 --> 00:38:47,700

John Burroughs is injured and I always

1051  
00:38:51,950 --> 00:38:49,560  
asked John and I asked everybody I said

1052  
00:38:54,170 --> 00:38:51,960  
okay so why was John only injured if

1053  
00:38:56,270 --> 00:38:54,180  
this is a radioactive type force that

1054  
00:38:58,250 --> 00:38:56,280  
was given off when this craft sort of

1055  
00:38:59,630 --> 00:38:58,260  
flared up that's what happened this

1056  
00:39:02,270 --> 00:38:59,640  
thing was over the hill and it suddenly

1057  
00:39:03,890 --> 00:39:02,280  
flared up and they hit the ground and I

1058  
00:39:05,510 --> 00:39:03,900  
said why was John the only one injured

1059  
00:39:07,490 --> 00:39:05,520  
why weren't the other two guys they were

1060  
00:39:08,990 --> 00:39:07,500  
right there too and and then the story

1061  
00:39:11,810 --> 00:39:09,000  
was told by the third guy that was in

1062  
00:39:13,730 --> 00:39:11,820  
the back peniston or no commands act and

1063  
00:39:16,010 --> 00:39:13,740

kabanzak said when the thing flared up

1064

00:39:17,750 --> 00:39:16,020

pandestine yelled opened fire and John

1065

00:39:20,030 --> 00:39:17,760

pulled his gun and just like John

1066

00:39:22,609 --> 00:39:20,040

Burroughs was injured and I say hey this

1067

00:39:24,349 --> 00:39:22,619

is a reflective property that you if you

1068

00:39:26,690 --> 00:39:24,359

decide you're going to try to shoot down

1069

00:39:28,130 --> 00:39:26,700

like the Cubans did the Americans had a

1070

00:39:30,290 --> 00:39:28,140

story they actually intercepted a

1071

00:39:33,290 --> 00:39:30,300

communication where a UFO was coming in

1072

00:39:35,390 --> 00:39:33,300

over Cuba and um they they were

1073

00:39:37,430 --> 00:39:35,400

listening to the the two guys talk and

1074

00:39:40,370 --> 00:39:37,440

they were told uh take it down take it

1075

00:39:42,230 --> 00:39:40,380

down and the front guy uh locked on and

1076

00:39:44,510 --> 00:39:42,240

as soon as he locked on they could hear

1077

00:39:46,130 --> 00:39:44,520

the the wing man saying he's gone he's

1078

00:39:48,470 --> 00:39:46,140

gone and the plane just totally

1079

00:39:49,970 --> 00:39:48,480

disintegrated just gone like that and

1080

00:39:51,589 --> 00:39:49,980

this is all picked up at U.S Air Force

1081

00:39:53,870 --> 00:39:51,599

intelligence the Stanton Friedman got on

1082

00:39:55,490 --> 00:39:53,880

it and the FBI was involved they went

1083

00:39:57,290 --> 00:39:55,500

and threatened one of the investigators

1084

00:39:58,310 --> 00:39:57,300

to shut up about this because the

1085

00:39:59,990 --> 00:39:58,320

investigators are saying if you don't

1086

00:40:01,609 --> 00:40:00,000

talk to us we're going to the Cuban

1087

00:40:03,410 --> 00:40:01,619

Embassy to get this story and that's

1088

00:40:04,970 --> 00:40:03,420

when the FBI showed up so the government

1089

00:40:06,770 --> 00:40:04,980

watches all this kind of stuff they're

1090

00:40:08,450 --> 00:40:06,780

trying to get it in behind the scenes

1091

00:40:11,510 --> 00:40:08,460

the unfortunate thing is they're trying

1092

00:40:13,670 --> 00:40:11,520

to get it turned it into weapons whereas

1093

00:40:14,990 --> 00:40:13,680

when we were at the Acadian thing the

1094

00:40:16,730 --> 00:40:15,000

Canadians wanted to do it different the

1095

00:40:18,530 --> 00:40:16,740

Canadians don't want to do the military

1096

00:40:20,210 --> 00:40:18,540

threat thing they want to do a

1097

00:40:21,710 --> 00:40:20,220

scientific investigation and the

1098

00:40:23,030 --> 00:40:21,720

high-level people that I talked to in

1099

00:40:24,530 --> 00:40:23,040

the United States just aren't interested

1100

00:40:25,790 --> 00:40:24,540

we're not we're not going to help you if

1101  
00:40:27,290 --> 00:40:25,800  
that's what you're going to do we we're

1102  
00:40:29,329 --> 00:40:27,300  
not interested they called it the poison

1103  
00:40:30,890 --> 00:40:29,339  
pill we don't want to get involved in

1104  
00:40:32,150 --> 00:40:30,900  
that but to me it's got to be a

1105  
00:40:34,370 --> 00:40:32,160  
scientific investigation it's got to be

1106  
00:40:36,410 --> 00:40:34,380  
for the good of mankind and not to see

1107  
00:40:38,690 --> 00:40:36,420  
if uh you're going to build weapons and

1108  
00:40:41,030 --> 00:40:38,700  
uh if you can strip the leaves twice as

1109  
00:40:42,890 --> 00:40:41,040  
fast off the leaves the the trees or

1110  
00:40:44,870 --> 00:40:42,900  
whatever you want to do that this could

1111  
00:40:46,910 --> 00:40:44,880  
be a very damaging technology it's it's

1112  
00:40:48,410 --> 00:40:46,920  
so powerful that I think there's the

1113  
00:40:50,510 --> 00:40:48,420

message has to go along with this thing

1114

00:40:51,770 --> 00:40:50,520

this idea of Oneness that we are all one

1115

00:40:55,310 --> 00:40:51,780

that we all

1116

00:40:56,930 --> 00:40:55,320

um you know are connected and that um

1117

00:40:59,630 --> 00:40:56,940

you go anywhere in the universe you want

1118

00:41:01,730 --> 00:40:59,640

it's all it's all here now now but it

1119

00:41:05,089 --> 00:41:01,740

has you you can use it for good or you

1120

00:41:08,569 --> 00:41:05,099

can use it for evil yeah there is there

1121

00:41:12,050 --> 00:41:08,579

is such such a deep Enigma I'm glad you

1122

00:41:15,710 --> 00:41:12,060

brought in the uh the fact that John

1123

00:41:17,810 --> 00:41:15,720

Ramirez which is xcia I mean coming back

1124

00:41:20,270 --> 00:41:17,820

to him he has such fascinating insight

1125

00:41:22,609 --> 00:41:20,280

into the world of UFOs and I have

1126  
00:41:25,010 --> 00:41:22,619  
questions about that but when it comes

1127  
00:41:29,030 --> 00:41:25,020  
to stuff people aren't supposed to know

1128  
00:41:31,130 --> 00:41:29,040  
because they are top secret or closely

1129  
00:41:33,710 --> 00:41:31,140  
held to the chest of those in the

1130  
00:41:37,250 --> 00:41:33,720  
invisible College you always seem to

1131  
00:41:39,829 --> 00:41:37,260  
know about it grant for example your

1132  
00:41:42,589 --> 00:41:39,839  
knowledge of Timothy Taylor who I always

1133  
00:41:45,050 --> 00:41:42,599  
call Travis Taylor the designated decoy

1134  
00:41:47,990 --> 00:41:45,060  
not to take away from his knowledge or

1135  
00:41:50,450 --> 00:41:48,000  
accomplishments I mean in fact you know

1136  
00:41:52,550 --> 00:41:50,460  
Travis Taylor uh he and I have a lot of

1137  
00:41:54,410 --> 00:41:52,560  
things in common especially as far as

1138  
00:41:57,349 --> 00:41:54,420

experience and in events we have both

1139

00:41:58,370 --> 00:41:57,359

witnessed in the area but getting back

1140

00:42:01,250 --> 00:41:58,380

to

1141

00:42:04,069 --> 00:42:01,260

um American Cosmic and the player that

1142

00:42:06,230 --> 00:42:04,079

was known as Tyler Durden this is a

1143

00:42:08,630 --> 00:42:06,240

closely held secret you you know all

1144

00:42:11,569 --> 00:42:08,640

this stuff and getting back to the craft

1145

00:42:14,630 --> 00:42:11,579

and the Metallurgy or meta materials as

1146

00:42:18,410 --> 00:42:14,640

they call it many believe that this

1147

00:42:21,230 --> 00:42:18,420

metal is the key or the breadcrumbs to a

1148

00:42:23,930 --> 00:42:21,240

larger pattern of reality people act as

1149

00:42:26,569 --> 00:42:23,940

if they have this blazing evidence that

1150

00:42:30,470 --> 00:42:26,579

they have found they usually send it to

1151  
00:42:32,630 --> 00:42:30,480  
Jacque Valley and I believe and I I'm

1152  
00:42:34,370 --> 00:42:32,640  
pretty sure that you may believe that

1153  
00:42:36,109 --> 00:42:34,380  
they or are friends who control the

1154  
00:42:38,569 --> 00:42:36,119  
craft or intelligence in charge of it

1155  
00:42:40,430 --> 00:42:38,579  
are actually dropping these breadcrumbs

1156  
00:42:42,530 --> 00:42:40,440  
on purpose what are your thoughts and

1157  
00:42:44,930 --> 00:42:42,540  
why are they doing that

1158  
00:42:46,550 --> 00:42:44,940  
yeah that's one of the things I brought

1159  
00:42:47,990 --> 00:42:46,560  
up with Jacqueline when I interviewed

1160  
00:42:50,210 --> 00:42:48,000  
him is that

1161  
00:42:51,950 --> 00:42:50,220  
um if you've listened to

1162  
00:42:54,170 --> 00:42:51,960  
um the question was asked about crashes

1163  
00:42:56,810 --> 00:42:54,180

to Bob Bigelow and he said oh yeah

1164

00:42:58,730 --> 00:42:56,820

Roswell happened he said uh but this

1165

00:43:01,730 --> 00:42:58,740

happened to other places there was one

1166

00:43:04,190 --> 00:43:01,740

in uh Russia there was one in China

1167

00:43:05,630 --> 00:43:04,200

there was one in South America he said I

1168

00:43:09,170 --> 00:43:05,640

think they're seating them around the

1169

00:43:11,390 --> 00:43:09,180

world I'm just seeding them and um other

1170

00:43:14,329 --> 00:43:11,400

people have have uh sort of described

1171

00:43:17,210 --> 00:43:14,339

the fact uh and and so when I met

1172

00:43:18,950 --> 00:43:17,220

um uh Tim Taylor he was a friend of my

1173

00:43:21,170 --> 00:43:18,960

friend here in Winnipeg as a businessman

1174

00:43:23,390 --> 00:43:21,180

that's how he got invited and uh they

1175

00:43:26,569 --> 00:43:23,400

had been to the the crash site my friend

1176

00:43:28,010 --> 00:43:26,579

had uh talked to Tim Taylor at a UFO

1177

00:43:29,930 --> 00:43:28,020

conference he said we're going to do

1178

00:43:31,849 --> 00:43:29,940

this dig at this UFO craft site if you

1179

00:43:33,890 --> 00:43:31,859

want to come and so Tim Taylor said yeah

1180

00:43:36,589 --> 00:43:33,900

yeah sure I'll come and he went and as

1181

00:43:38,450 --> 00:43:36,599

soon as he saw the honeycomb material he

1182

00:43:40,609 --> 00:43:38,460

apparently got very excited he said this

1183

00:43:43,490 --> 00:43:40,619

is legitimate and this is the one that

1184

00:43:46,190 --> 00:43:43,500

they call the the gifting field and so

1185

00:43:48,290 --> 00:43:46,200

there's this idea that that this is uh

1186

00:43:50,809 --> 00:43:48,300

uh stuff that's that's being dropped on

1187

00:43:53,630 --> 00:43:50,819

purpose and uh if you read American

1188

00:43:55,550 --> 00:43:53,640

Cosmic by Diane pasoka she says that

1189

00:43:58,069 --> 00:43:55,560

that when they get there again it's this

1190

00:44:00,770 --> 00:43:58,079

reflective aspect she said when she said

1191

00:44:02,630 --> 00:44:00,780

when we got there and Gary Nolan was

1192

00:44:04,670 --> 00:44:02,640

with them they changed his name but it

1193

00:44:06,349 --> 00:44:04,680

was Gary Nolan her they were blindfolded

1194

00:44:08,089 --> 00:44:06,359

and taken to this site which I know it

1195

00:44:10,130 --> 00:44:08,099

is I actually got photographs of the

1196

00:44:12,349 --> 00:44:10,140

site and uh then they took their

1197

00:44:13,970 --> 00:44:12,359

blindfolds off and she said the first

1198

00:44:17,089 --> 00:44:13,980

thing they did is they kid Taylor

1199

00:44:18,950 --> 00:44:17,099

started to pray and and uh they built an

1200

00:44:20,270 --> 00:44:18,960

altar and she said there's all these

1201  
00:44:22,069 --> 00:44:20,280  
altars built and it's a government

1202  
00:44:23,750 --> 00:44:22,079  
property and all these altars are built

1203  
00:44:25,849 --> 00:44:23,760  
there by all these people that come on

1204  
00:44:27,710 --> 00:44:25,859  
and they all will do this praying thing

1205  
00:44:29,809 --> 00:44:27,720  
and build an altar before they go on the

1206  
00:44:32,030 --> 00:44:29,819  
site and Tim Taylor had referred to it

1207  
00:44:33,829 --> 00:44:32,040  
as as the gifting field and that's the

1208  
00:44:36,170 --> 00:44:33,839  
idea that they're they're dropping this

1209  
00:44:37,370 --> 00:44:36,180  
stuff that they're sort of not giving

1210  
00:44:40,190 --> 00:44:37,380  
you the whole thing but they're giving

1211  
00:44:41,809 --> 00:44:40,200  
you little pieces that sort of uh get us

1212  
00:44:43,490 --> 00:44:41,819  
to figure it out for ourselves they're

1213  
00:44:45,530 --> 00:44:43,500

not here to sell all of our problems

1214

00:44:46,550 --> 00:44:45,540

into you know all this kind of stuff but

1215

00:44:48,349 --> 00:44:46,560

they dropped this kind of stuff because

1216

00:44:49,730 --> 00:44:48,359

they've this stuff's been dropping all

1217

00:44:51,829 --> 00:44:49,740

the time so when I said to Jacques

1218

00:44:53,750 --> 00:44:51,839

ballet I said shock I said this is this

1219

00:44:55,970 --> 00:44:53,760

is crazy even even the whole thing with

1220

00:44:58,309 --> 00:44:55,980

you you mentioned uh you know the early

1221

00:45:00,050 --> 00:44:58,319

days where they were working with Yuri

1222

00:45:01,490 --> 00:45:00,060

Geller and and that's when they had the

1223

00:45:03,589 --> 00:45:01,500

airport where in the ice cream where

1224

00:45:05,870 --> 00:45:03,599

Yuri Yeller bites down and he gets this

1225

00:45:07,370 --> 00:45:05,880

pin and it's Edgar Mitchell's pin fight

1226

00:45:08,690 --> 00:45:07,380

pin that he'd lost two years before and

1227

00:45:10,430 --> 00:45:08,700

he used it he said why'd you get that I

1228

00:45:11,930 --> 00:45:10,440

lost that two years ago and then when

1229

00:45:15,170 --> 00:45:11,940

they were back in the lab they were in

1230

00:45:17,690 --> 00:45:15,180

the lab and there was uh how

1231

00:45:19,550 --> 00:45:17,700

um Edgar Mitchell and help help put off

1232

00:45:21,589 --> 00:45:19,560

were in one room your Geller was in the

1233

00:45:23,750 --> 00:45:21,599

other room and they'll said to hear this

1234

00:45:25,069 --> 00:45:23,760

the sound behind them you look behind

1235

00:45:26,750 --> 00:45:25,079

him in the back part of the fan had just

1236

00:45:29,630 --> 00:45:26,760

falling out of the ceiling behind them

1237

00:45:31,069 --> 00:45:29,640

so I contacted uh hell put off and I

1238

00:45:33,170 --> 00:45:31,079

said because hell was working on this

1239

00:45:35,510 --> 00:45:33,180

metal thing too and I said hell come on

1240

00:45:37,430 --> 00:45:35,520

this is this is like this is not the

1241

00:45:39,230 --> 00:45:37,440

metal this is this is gifting stuff this

1242

00:45:40,849 --> 00:45:39,240

is you had it happen in your lab you

1243

00:45:43,430 --> 00:45:40,859

know this is upwards and manifestation

1244

00:45:44,390 --> 00:45:43,440

so there are this stuff so falling even

1245

00:45:45,670 --> 00:45:44,400

like

1246

00:45:52,490 --> 00:45:45,680

um

1247

00:45:53,750 --> 00:45:52,500

the the runs from forest thing when when

1248

00:45:56,030 --> 00:45:53,760

that happened he was the commanding

1249

00:45:58,430 --> 00:45:56,040

officer there he even he had in a

1250

00:46:00,349 --> 00:45:58,440

portfolio it was a he was in America and

1251  
00:46:02,030 --> 00:46:00,359  
a British pound coin dropped out of the

1252  
00:46:03,410 --> 00:46:02,040  
ceiling and rolled and hit him in the

1253  
00:46:04,670 --> 00:46:03,420  
boot he said they changed his whole life

1254  
00:46:06,589 --> 00:46:04,680  
when that happened to him he said it was

1255  
00:46:08,630 --> 00:46:06,599  
just blurred by this thing so you have

1256  
00:46:10,670 --> 00:46:08,640  
this this I said to Jacques ballet and

1257  
00:46:13,069 --> 00:46:10,680  
said come on Jack this is this is crazy

1258  
00:46:15,170 --> 00:46:13,079  
I mean this stuff is falling all the

1259  
00:46:16,250 --> 00:46:15,180  
time and the actually the first case was

1260  
00:46:18,550 --> 00:46:16,260  
not

1261  
00:46:23,210 --> 00:46:18,560  
um the

1262  
00:46:24,349 --> 00:46:23,220  
1947 June uh case with uh his Pilot I

1263  
00:46:26,930 --> 00:46:24,359

can't remember his name it was actually

1264

00:46:29,089 --> 00:46:26,940

the the Mori Island was three days

1265

00:46:30,829 --> 00:46:29,099

before that the UFO thing actually

1266

00:46:32,510 --> 00:46:30,839

starts with this huge explosion with

1267

00:46:34,970 --> 00:46:32,520

this moriel and stuff falling out of

1268

00:46:36,710 --> 00:46:34,980

this UFO that explodes in in Washington

1269

00:46:38,809 --> 00:46:36,720

and you see this over and over again

1270

00:46:41,450 --> 00:46:38,819

even we had a piece that we found in in

1271

00:46:44,329 --> 00:46:41,460

uh in the collection of uh James

1272

00:46:46,730 --> 00:46:44,339

McDonald we were in it's in in looking

1273

00:46:48,650 --> 00:46:46,740

at the files in Tucson and there was one

1274

00:46:51,470 --> 00:46:48,660

kid flying out of the sky in 1939

1275

00:46:52,910 --> 00:46:51,480

embedded into the into the in some guy's

1276

00:46:54,470 --> 00:46:52,920

garden and he gave it to his wife and

1277

00:46:55,990 --> 00:46:54,480

they actually brought the piece to NASA

1278

00:46:58,990 --> 00:46:56,000

in

1279

00:47:01,849 --> 00:46:59,000

1967 to analyze this piece there was 99

1280

00:47:04,069 --> 00:47:01,859

nickel uh that nothing was built at that

1281

00:47:06,410 --> 00:47:04,079

time in the sky that was 99 nickel and

1282

00:47:07,790 --> 00:47:06,420

it had a a metal core running to the

1283

00:47:09,290 --> 00:47:07,800

middle of this thing and it just came

1284

00:47:10,370 --> 00:47:09,300

out of nowhere so I said this is exactly

1285

00:47:12,109 --> 00:47:10,380

I said come on Jack this looks like

1286

00:47:14,270 --> 00:47:12,119

they're just dropping this stuff to to

1287

00:47:16,370 --> 00:47:14,280

play with our minds and to give us

1288

00:47:18,290 --> 00:47:16,380

little hints and stuff and Jack said oh

1289

00:47:20,990 --> 00:47:18,300

I think I was the one that came up with

1290

00:47:23,329 --> 00:47:21,000

that term so they all believe that they

1291

00:47:25,130 --> 00:47:23,339

all know that this stuff is not it's I

1292

00:47:26,450 --> 00:47:25,140

even said to Jacque I said I said to

1293

00:47:28,550 --> 00:47:26,460

hell I said to Jacques I said come on

1294

00:47:30,950 --> 00:47:28,560

this is making sense I mean you you come

1295

00:47:33,290 --> 00:47:30,960

from another galaxy and you fly you know

1296

00:47:35,210 --> 00:47:33,300

through to miss stars and black holes

1297

00:47:36,770 --> 00:47:35,220

and you're avoiding all this you know uh

1298

00:47:38,329 --> 00:47:36,780

asteroids and stuff and you make it all

1299

00:47:39,890 --> 00:47:38,339

the way here and then pieces start

1300

00:47:41,329 --> 00:47:39,900

falling off the craft come on this is

1301

00:47:43,130 --> 00:47:41,339

not they're dropping this stuff on

1302

00:47:44,809 --> 00:47:43,140

purpose and so they'll show you stuff

1303

00:47:47,030 --> 00:47:44,819

like I think they've got some technology

1304

00:47:48,710 --> 00:47:47,040

there like in terms of understanding

1305

00:47:50,690 --> 00:47:48,720

that these this metal is being built one

1306

00:47:52,309 --> 00:47:50,700

atom at a time and they're layering this

1307

00:47:53,750 --> 00:47:52,319

stuff down now that kind of stuff they

1308

00:47:55,309 --> 00:47:53,760

configure but in terms of building the

1309

00:47:57,950 --> 00:47:55,319

craft they're always going to be missing

1310

00:48:00,109 --> 00:47:57,960

that that component of of Consciousness

1311

00:48:02,390 --> 00:48:00,119

to turn the thing on that that you can

1312

00:48:04,490 --> 00:48:02,400

have the the metal and but you're always

1313

00:48:05,690 --> 00:48:04,500

going to run up against this block of

1314

00:48:07,430 --> 00:48:05,700

conscious and that's the whole thing

1315

00:48:09,349 --> 00:48:07,440

people have that's the material world we

1316

00:48:12,050 --> 00:48:09,359

have to I had a download experience in

1317

00:48:13,670 --> 00:48:12,060

2016 where I was I was told if the world

1318

00:48:15,770 --> 00:48:13,680

is made out of little nuts and bolts

1319

00:48:17,390 --> 00:48:15,780

that's one world with certain rules and

1320

00:48:18,530 --> 00:48:17,400

regulations but

1321

00:48:20,150 --> 00:48:18,540

if the world is made out of

1322

00:48:21,770 --> 00:48:20,160

Consciousness that's a completely

1323

00:48:23,569 --> 00:48:21,780

different world and all the rules are

1324

00:48:26,589 --> 00:48:23,579

going to change and so people think well

1325

00:48:29,450 --> 00:48:26,599

we have the brain creates Consciousness

1326

00:48:30,950 --> 00:48:29,460

and uh anybody who's had an out about

1327

00:48:32,569 --> 00:48:30,960

experience knows that's not true because

1328

00:48:33,890 --> 00:48:32,579

you can look back at your body and you

1329

00:48:35,750 --> 00:48:33,900

can see your brain you can see your head

1330

00:48:37,970 --> 00:48:35,760

and where's your Consciousness it's not

1331

00:48:40,609 --> 00:48:37,980

in your head your your head is in your

1332

00:48:42,950 --> 00:48:40,619

Consciousness and and so this is the

1333

00:48:44,630 --> 00:48:42,960

with the part that people Miss is that

1334

00:48:46,609 --> 00:48:44,640

there's this uh the world is made out of

1335

00:48:48,349 --> 00:48:46,619

Consciousness that Consciousness creates

1336

00:48:49,550 --> 00:48:48,359

matter not the other way around so

1337

00:48:50,870 --> 00:48:49,560

people have a society we're going to get

1338

00:48:52,010 --> 00:48:50,880

a machine we're going to get this

1339

00:48:53,510 --> 00:48:52,020

Consciousness wherever it's whatever

1340

00:48:54,710 --> 00:48:53,520

it's made out of we're going to stick to

1341

00:48:56,030 --> 00:48:54,720

Consciousness in the machine but it's

1342

00:48:58,609 --> 00:48:56,040

the other way around Consciousness

1343

00:49:00,109 --> 00:48:58,619

creates me machine it's almost like God

1344

00:49:02,990 --> 00:49:00,119

did not create the heavens and the Earth

1345

00:49:04,790 --> 00:49:03,000

God created the Sparks of the Divine and

1346

00:49:06,890 --> 00:49:04,800

we are the ones creating the Heaven and

1347

00:49:08,870 --> 00:49:06,900

Earth as we move along we're creating it

1348

00:49:10,609 --> 00:49:08,880

through our Consciousness and we and so

1349

00:49:13,609 --> 00:49:10,619

whatever you think of something you the

1350

00:49:16,430 --> 00:49:13,619

world becomes uh a more magnificent it

1351  
00:49:17,870 --> 00:49:16,440  
becomes more complex you you with your

1352  
00:49:20,089 --> 00:49:17,880  
senses you take stuff out of to the

1353  
00:49:21,829 --> 00:49:20,099  
environment and you create a new idea or

1354  
00:49:23,510 --> 00:49:21,839  
a new concept or whatever and the

1355  
00:49:26,270 --> 00:49:23,520  
universe is just made out of this

1356  
00:49:28,970 --> 00:49:26,280  
intelligence and knowledge and every

1357  
00:49:31,550 --> 00:49:28,980  
time somebody lives they add to that

1358  
00:49:32,930 --> 00:49:31,560  
that the glory and the magnificence of

1359  
00:49:34,490 --> 00:49:32,940  
the universe and it just gets more

1360  
00:49:36,050 --> 00:49:34,500  
complex and bigger and bigger and bigger

1361  
00:49:37,670 --> 00:49:36,060  
that's my interpretation how it works

1362  
00:49:40,670 --> 00:49:37,680  
it's all made out of Consciousness but

1363  
00:49:42,650 --> 00:49:40,680

we've got a a while to go before we make

1364

00:49:44,510 --> 00:49:42,660

that but you've seen you see a lot

1365

00:49:47,150 --> 00:49:44,520

there's actually a group that's actually

1366

00:49:48,589 --> 00:49:47,160

signed a and I think there's 200 or 400

1367

00:49:51,290 --> 00:49:48,599

scientists have actually signed this

1368

00:49:53,870 --> 00:49:51,300

Manifesto that say post-material world

1369

00:49:56,750 --> 00:49:53,880

that they no longer believe matters the

1370

00:49:59,690 --> 00:49:56,760

the the the the prime mover and a lot of

1371

00:50:02,030 --> 00:49:59,700

people fail to recognize that the

1372

00:50:03,770 --> 00:50:02,040

original guys the original quantum

1373

00:50:05,809 --> 00:50:03,780

physics guys were all realists they all

1374

00:50:08,329 --> 00:50:05,819

believe that that Consciousness was

1375

00:50:09,950 --> 00:50:08,339

primary days like Max Planck Nothing

1376

00:50:11,930 --> 00:50:09,960

Gets behind Consciousness they all

1377

00:50:14,390 --> 00:50:11,940

understood this concept and that was the

1378

00:50:15,890 --> 00:50:14,400

big fight in the 1927 Soleil conference

1379

00:50:19,910 --> 00:50:15,900

that the big fight was over this thing

1380

00:50:22,309 --> 00:50:19,920

about God and rolling Dice and and and

1381

00:50:24,470 --> 00:50:22,319

Einstein and Bohr having this conflict

1382

00:50:26,210 --> 00:50:24,480

about what is called primary how does it

1383

00:50:28,750 --> 00:50:26,220

work and Bohr's basically saying no

1384

00:50:30,589 --> 00:50:28,760

consciousness is primary and and

1385

00:50:32,569 --> 00:50:30,599

Einstein still wanted to believe there

1386

00:50:35,150 --> 00:50:32,579

was a an objective world out there that

1387

00:50:36,589 --> 00:50:35,160

existed without us and and that's why he

1388

00:50:38,270 --> 00:50:36,599

said I'd like to know the Moon is behind

1389

00:50:39,650 --> 00:50:38,280

me When I'm Not Looking and actually no

1390

00:50:41,569 --> 00:50:39,660

the moon isn't behind you it says

1391

00:50:44,210 --> 00:50:41,579

concept that that is going to have to

1392

00:50:46,190 --> 00:50:44,220

change in terms of understanding that

1393

00:50:48,770 --> 00:50:46,200

that we are creating the world this dual

1394

00:50:51,710 --> 00:50:48,780

slip thing that that when you uh or as

1395

00:50:54,170 --> 00:50:51,720

uh John Wheeler who's the uh successor

1396

00:50:56,930 --> 00:50:54,180

to Einstein at Princeton said there is

1397

00:50:59,690 --> 00:50:56,940

no out there out there this is a

1398

00:51:01,250 --> 00:50:59,700

participatory Universe we are we help in

1399

00:51:03,349 --> 00:51:01,260

building the universe and that's

1400

00:51:05,329 --> 00:51:03,359

something that we we will gradually

1401

00:51:07,670 --> 00:51:05,339

change We have forever to figure it out

1402

00:51:10,130 --> 00:51:07,680

but it's it's once that changes then we

1403

00:51:12,049 --> 00:51:10,140

make the move and and and Consciousness

1404

00:51:14,210 --> 00:51:12,059

will take the place that it should but

1405

00:51:17,450 --> 00:51:14,220

right now it's just been ignored it's

1406

00:51:20,089 --> 00:51:17,460

like Richard Feynman said uh shut up and

1407

00:51:22,849 --> 00:51:20,099

calculate just use the quantum physics

1408

00:51:24,170 --> 00:51:22,859

equations to make you know electronic

1409

00:51:25,970 --> 00:51:24,180

stuff in business and stuff like that

1410

00:51:28,370 --> 00:51:25,980

and forget about the site these

1411

00:51:29,569 --> 00:51:28,380

philosophical implications of this dual

1412

00:51:31,309 --> 00:51:29,579

slit experiment all those kind of stuff

1413

00:51:32,990 --> 00:51:31,319

just a we don't need to explain what

1414

00:51:35,510 --> 00:51:33,000

where this is coming from we just use

1415

00:51:38,089 --> 00:51:35,520

the the equations that work to make

1416

00:51:39,950 --> 00:51:38,099

technological stuff but you and I and

1417

00:51:41,630 --> 00:51:39,960

other people on this thing we're working

1418

00:51:43,430 --> 00:51:41,640

on the bottom level is what does all

1419

00:51:45,410 --> 00:51:43,440

this mean is quantum physics stuff it

1420

00:51:47,089 --> 00:51:45,420

has very spiritual implications the same

1421

00:51:49,490 --> 00:51:47,099

as the UFO as I say in the end I say

1422

00:51:51,589 --> 00:51:49,500

UFOs will be a lot less physical than

1423

00:51:52,970 --> 00:51:51,599

you think it'll be way more spiritual

1424

00:51:54,950 --> 00:51:52,980

than people think and people will be

1425

00:51:56,930 --> 00:51:54,960

very upset about that it's going to be a

1426  
00:51:58,790 --> 00:51:56,940  
thousand at least a thousand times more

1427  
00:52:00,589 --> 00:51:58,800  
complex than what we think we have no

1428  
00:52:02,630 --> 00:52:00,599  
pieces of the puzzle right now and it

1429  
00:52:04,910 --> 00:52:02,640  
will not have a hint of capitalism it

1430  
00:52:06,950 --> 00:52:04,920  
has this what is now being worked on by

1431  
00:52:08,990 --> 00:52:06,960  
science by DARPA and people swarm

1432  
00:52:10,970 --> 00:52:09,000  
intelligence the fact that it's that

1433  
00:52:13,190 --> 00:52:10,980  
people working together as a as a system

1434  
00:52:15,349 --> 00:52:13,200  
like a bi or like something like that

1435  
00:52:16,549 --> 00:52:15,359  
are way more efficient to have all sorts

1436  
00:52:18,829 --> 00:52:16,559  
of things that you can't do as an

1437  
00:52:20,329 --> 00:52:18,839  
individual that that that's that's going

1438  
00:52:22,309 --> 00:52:20,339

to be the whole thing that even Tom

1439

00:52:24,109 --> 00:52:22,319

Delong said it's a hive mentality we

1440

00:52:27,530 --> 00:52:24,119

have to kill them and we so we have this

1441

00:52:29,809 --> 00:52:27,540

idea but it is a a they're all doing

1442

00:52:31,910 --> 00:52:29,819

their job they're it's not like uh we do

1443

00:52:33,109 --> 00:52:31,920

we're we're in a football huddle and you

1444

00:52:34,670 --> 00:52:33,119

say well I'm not gonna I'm not gonna

1445

00:52:35,990 --> 00:52:34,680

block forget it I'm going for fast don't

1446

00:52:37,549 --> 00:52:36,000

tell me what they're doing everybody's

1447

00:52:39,710 --> 00:52:37,559

doing their own thing and and it all

1448

00:52:41,510 --> 00:52:39,720

falls apart whereas the you can see the

1449

00:52:43,730 --> 00:52:41,520

intelligence behind this phenomena is

1450

00:52:45,290 --> 00:52:43,740

very organized it's just doing its job

1451

00:52:46,910 --> 00:52:45,300

just going through it and the

1452

00:52:48,950 --> 00:52:46,920

experiences are the ones that are

1453

00:52:50,690 --> 00:52:48,960

carrying the message like like Ron

1454

00:52:52,430 --> 00:52:50,700

Johnson whose book will hopefully come

1455

00:52:54,109 --> 00:52:52,440

out and Chris Bledso's book actually

1456

00:52:56,390 --> 00:52:54,119

came out yesterday it was it was

1457

00:53:00,349 --> 00:52:56,400

released yesterday so did these messages

1458

00:53:03,470 --> 00:53:00,359

gradually uh uh move across it's it's

1459

00:53:06,349 --> 00:53:03,480

like uh as Max Planck said science and I

1460

00:53:09,349 --> 00:53:06,359

would say ufology Advance one one

1461

00:53:11,089 --> 00:53:09,359

funeral at a time and that when you get

1462

00:53:13,250 --> 00:53:11,099

the new generation will not be offended

1463

00:53:14,809 --> 00:53:13,260

with the ideas that they will pick it up

1464

00:53:16,790 --> 00:53:14,819

and it will be oh yeah sure there's

1465

00:53:18,290 --> 00:53:16,800

aliens there's all three dimensions and

1466

00:53:19,549 --> 00:53:18,300

stuff kids all believe that stuff

1467

00:53:21,170 --> 00:53:19,559

already you don't have to convince them

1468

00:53:23,089 --> 00:53:21,180

and they're the ones that will change

1469

00:53:25,670 --> 00:53:23,099

the world we just have to do our little

1470

00:53:27,829 --> 00:53:25,680

job to pass our little message along and

1471

00:53:30,290 --> 00:53:27,839

uh it's like the Consciousness thing

1472

00:53:31,549 --> 00:53:30,300

once you get like 10 of the people then

1473

00:53:33,410 --> 00:53:31,559

the thing just flips it's suddenly

1474

00:53:34,910 --> 00:53:33,420

everybody like I say to people when did

1475

00:53:36,410 --> 00:53:34,920

gay marriage sort of become acceptable

1476

00:53:38,630 --> 00:53:36,420

and everybody goes I don't know like

1477

00:53:40,430 --> 00:53:38,640

what 15 20 years it'll just happen and

1478

00:53:42,710 --> 00:53:40,440

nobody really knew it happened it'll

1479

00:53:47,270 --> 00:53:42,720

just flip and and people will suddenly

1480

00:53:49,549 --> 00:53:47,280

take it as as accepting uh reality it is

1481

00:53:52,490 --> 00:53:49,559

like a drip isn't it like a constant

1482

00:53:55,730 --> 00:53:52,500

drip and you know

1483

00:53:58,390 --> 00:53:55,740

good point we've seen seating theories

1484

00:54:00,950 --> 00:53:58,400

since former member of president

1485

00:54:03,650 --> 00:54:00,960

Eisenhower's National Security Council

1486

00:54:06,349 --> 00:54:03,660

and foreign technology desk Colonel

1487

00:54:09,650 --> 00:54:06,359

Philip Corso's book day after Roswell

1488

00:54:12,470 --> 00:54:09,660

and even before that and this theory of

1489

00:54:14,569 --> 00:54:12,480

seeding such as mentioned in the gifting

1490

00:54:17,150 --> 00:54:14,579

field the site in New Mexico there seems

1491

00:54:20,569 --> 00:54:17,160

to be a connection to transfers of

1492

00:54:22,309 --> 00:54:20,579

intelligence many people it seems are

1493

00:54:25,130 --> 00:54:22,319

somewhat involved or seem to have the

1494

00:54:27,650 --> 00:54:25,140

ability to take things from idea or

1495

00:54:29,510 --> 00:54:27,660

Theory to Market without exactly being

1496

00:54:32,690 --> 00:54:29,520

able to explain how they get from point

1497

00:54:34,730 --> 00:54:32,700

A to point B and these ideas become

1498

00:54:38,270 --> 00:54:34,740

patents and then the patents become

1499

00:54:40,450 --> 00:54:38,280

projects and I mean I think I think

1500

00:54:42,950 --> 00:54:40,460

that's one of the reasons behind the the

1501  
00:54:45,049 --> 00:54:42,960  
non-disclosure is I was listening to uh

1502  
00:54:46,910 --> 00:54:45,059  
I listened there's a podcast on DARPA

1503  
00:54:49,370 --> 00:54:46,920  
just about DARPA projects and DARPA I

1504  
00:54:51,049 --> 00:54:49,380  
said since 1990 is the organization that

1505  
00:54:52,250 --> 00:54:51,059  
will be working heavily on this thing on

1506  
00:54:55,849 --> 00:54:52,260  
the because they work on the Leading

1507  
00:54:58,309 --> 00:54:55,859  
Edge and um the the the they had said

1508  
00:55:01,190 --> 00:54:58,319  
that they the one guy had uh they

1509  
00:55:02,210 --> 00:55:01,200  
interviewed had 101 patents and one of

1510  
00:55:04,190 --> 00:55:02,220  
the people that we've talked about

1511  
00:55:06,530 --> 00:55:04,200  
earlier in the show was was Tim Taylor

1512  
00:55:08,450 --> 00:55:06,540  
now Tim Taylor when I talked to him

1513  
00:55:10,609 --> 00:55:08,460

there was no secret about who he was and

1514

00:55:13,430 --> 00:55:10,619

his name and stuff it all came later all

1515

00:55:15,170 --> 00:55:13,440

the secret stuff but when when it was he

1516

00:55:16,790 --> 00:55:15,180

didn't say don't keep my name secret or

1517

00:55:19,730 --> 00:55:16,800

he don't you know keep the secret away

1518

00:55:21,770 --> 00:55:19,740

and he he I'm into downloads so I wrote

1519

00:55:24,049 --> 00:55:21,780

the book on inspired the parent role of

1520

00:55:25,430 --> 00:55:24,059

creativity about where Nobel prizes and

1521

00:55:27,230 --> 00:55:25,440

where people get their inventions and

1522

00:55:29,210 --> 00:55:27,240

stuff like this out of the field and the

1523

00:55:31,069 --> 00:55:29,220

people of ideas pop in their heads and

1524

00:55:32,870 --> 00:55:31,079

stuff like that and Tim Taylor had that

1525

00:55:35,450 --> 00:55:32,880

so Tim was talking to me about his

1526

00:55:37,250 --> 00:55:35,460

download and he had this one that was

1527

00:55:40,069 --> 00:55:37,260

sold for millions of dollars on on

1528

00:55:42,430 --> 00:55:40,079

NASDAQ and he gets if you read the

1529

00:55:45,829 --> 00:55:42,440

American Cosmic he has this this system

1530

00:55:47,270 --> 00:55:45,839

of downloads where he'll he'll sleep for

1531

00:55:48,650 --> 00:55:47,280

eight hours then he gets up and then he

1532

00:55:50,150 --> 00:55:48,660

says you got to go back to bed for one

1533

00:55:51,530 --> 00:55:50,160

hour and you sleep for another hour then

1534

00:55:53,270 --> 00:55:51,540

he gets up and he gets a big glass of

1535

00:55:55,730 --> 00:55:53,280

water and he goes and sits on on his

1536

00:55:57,950 --> 00:55:55,740

deck in in Florida and he drinks his big

1537

00:55:59,510 --> 00:55:57,960

glass of water in the sunshine and he

1538

00:56:02,750 --> 00:55:59,520

said at that point they start talking to

1539

00:56:04,609 --> 00:56:02,760

him and so he's got 40 patents from from

1540

00:56:06,230 --> 00:56:04,619

the intelligence he believes it's coming

1541

00:56:08,450 --> 00:56:06,240

from the intelligence behind the UFO

1542

00:56:10,190 --> 00:56:08,460

phenomena and the first one he said to

1543

00:56:12,290 --> 00:56:10,200

me he said you know Grant he said you

1544

00:56:14,510 --> 00:56:12,300

know that idea I got it's in American

1545

00:56:17,690 --> 00:56:14,520

Cosmic where he that he gets taken to

1546

00:56:19,130 --> 00:56:17,700

the the Pentagon and then this one star

1547

00:56:20,990 --> 00:56:19,140

general yells like look it up on this

1548

00:56:22,790 --> 00:56:21,000

idea and then they all pointed Tim

1549

00:56:24,950 --> 00:56:22,800

Taylor and Tim's coming I thought he's

1550

00:56:26,150 --> 00:56:24,960

going to get an award and and that one

1551  
00:56:27,770 --> 00:56:26,160  
they actually put on the space shuttle

1552  
00:56:29,569 --> 00:56:27,780  
Tim told me that he was trying to get on

1553  
00:56:31,790 --> 00:56:29,579  
the space shuttle and has to do it with

1554  
00:56:34,130 --> 00:56:31,800  
uh not metal nut

1555  
00:56:36,530 --> 00:56:34,140  
um you know interfering with joints

1556  
00:56:39,170 --> 00:56:36,540  
where the the tissue and the joint will

1557  
00:56:41,270 --> 00:56:39,180  
will work together and uh she said

1558  
00:56:42,530 --> 00:56:41,280  
finally a scientist signed off on it and

1559  
00:56:44,870 --> 00:56:42,540  
they put on the space shuttle Network

1560  
00:56:47,750 --> 00:56:44,880  
and so then they they developed this and

1561  
00:56:49,130 --> 00:56:47,760  
this huge company was sold for millions

1562  
00:56:50,630 --> 00:56:49,140  
of dollars and Tim's not got 40

1563  
00:56:52,609 --> 00:56:50,640

inventions and they're all medical

1564

00:56:55,670 --> 00:56:52,619

inventions that that they're giving him

1565

00:56:57,589 --> 00:56:55,680

so he claims that these these uh 40

1566

00:57:00,109 --> 00:56:57,599

inventions have been given to him and

1567

00:57:02,089 --> 00:57:00,119

there's a lot of people who will claim

1568

00:57:03,890 --> 00:57:02,099

that they're given like even uh Betty

1569

00:57:04,970 --> 00:57:03,900

Andreas and I asked her husband resolved

1570

00:57:07,309 --> 00:57:04,980

stuff the government was watching

1571

00:57:08,750 --> 00:57:07,319

watching him and her and tapping the

1572

00:57:10,549 --> 00:57:08,760

computer and I said well are they giving

1573

00:57:12,290 --> 00:57:10,559

your wife is the aliens giving your wife

1574

00:57:14,390 --> 00:57:12,300

how to fly the ship he said absolutely

1575

00:57:15,589 --> 00:57:14,400

she draws diagrams and I said well you

1576  
00:57:17,030 --> 00:57:15,599  
surprised the government's watching you

1577  
00:57:18,710 --> 00:57:17,040  
of course they're watching you they're

1578  
00:57:20,390 --> 00:57:18,720  
trying to figure it out as well so yeah

1579  
00:57:21,950 --> 00:57:20,400  
people are getting these inventions and

1580  
00:57:23,510 --> 00:57:21,960  
that's what I say in in terms of

1581  
00:57:25,609 --> 00:57:23,520  
invention people think it's smart people

1582  
00:57:27,230 --> 00:57:25,619  
it's usually people that that get these

1583  
00:57:28,549 --> 00:57:27,240  
Inspirations they're they're really not

1584  
00:57:30,049 --> 00:57:28,559  
smart they're they're they're they're

1585  
00:57:32,270 --> 00:57:30,059  
they're just right-brained people they

1586  
00:57:33,950 --> 00:57:32,280  
can cut off same as most musicians top

1587  
00:57:36,950 --> 00:57:33,960  
musicians can't read and write music

1588  
00:57:38,690 --> 00:57:36,960

they're they're very right brain music

1589

00:57:40,609 --> 00:57:38,700

reading music is a very left brain thing

1590

00:57:43,309 --> 00:57:40,619

that you practice scales and stuff like

1591

00:57:45,109 --> 00:57:43,319

that where John or John Paul McCartney

1592

00:57:46,849 --> 00:57:45,119

said I've never done a scale nor do I

1593

00:57:48,950 --> 00:57:46,859

ever intend to do a scale it'll ruin my

1594

00:57:50,510 --> 00:57:48,960

music and he can't read music and they

1595

00:57:53,270 --> 00:57:50,520

just sit there and wait for this song to

1596

00:57:55,670 --> 00:57:53,280

come see me Tim Taylor and Chris Bledso

1597

00:57:57,650 --> 00:57:55,680

gets a lot of messages and a lot of

1598

00:57:59,450 --> 00:57:57,660

experiences will tell you that they get

1599

00:58:01,130 --> 00:57:59,460

messages they can tap into the field

1600

00:58:02,510 --> 00:58:01,140

there's all these books that are coming

1601  
00:58:04,970 --> 00:58:02,520  
I'm trying to help these people publish

1602  
00:58:07,190 --> 00:58:04,980  
books and people like Ron Johnson have a

1603  
00:58:09,589 --> 00:58:07,200  
lifetime of experiences that basically

1604  
00:58:11,150 --> 00:58:09,599  
they want them to put this book out and

1605  
00:58:12,829 --> 00:58:11,160  
that happens over and over again and

1606  
00:58:14,569 --> 00:58:12,839  
I'll talk to people I'll say do you

1607  
00:58:16,069 --> 00:58:14,579  
think you have a mission they'll say oh

1608  
00:58:18,349 --> 00:58:16,079  
absolutely I got a mission they'll say

1609  
00:58:19,790 --> 00:58:18,359  
what the mission is or they'll say well

1610  
00:58:21,530 --> 00:58:19,800  
I think I got a mission I'm not sure

1611  
00:58:23,270 --> 00:58:21,540  
what it is and that that's why I say

1612  
00:58:25,490 --> 00:58:23,280  
well you got to figure it out because if

1613  
00:58:27,410 --> 00:58:25,500

reincarnation is a fact that you and I

1614

00:58:28,849 --> 00:58:27,420

probably came here to do something and

1615

00:58:30,410 --> 00:58:28,859

all we got to do is figure out what are

1616

00:58:31,490 --> 00:58:30,420

we here to do and are we doing it and

1617

00:58:32,870 --> 00:58:31,500

forget about what everybody else is

1618

00:58:34,970 --> 00:58:32,880

doing because in the end I think when

1619

00:58:36,890 --> 00:58:34,980

you when you cross over you just ask one

1620

00:58:38,450 --> 00:58:36,900

question how did it work out because you

1621

00:58:39,589 --> 00:58:38,460

and I planned it we put the whole thing

1622

00:58:40,970 --> 00:58:39,599

together you can't blame your

1623

00:58:42,829 --> 00:58:40,980

mother-in-law you can't blame the dog

1624

00:58:45,109 --> 00:58:42,839

ate your homework you can't blame the

1625

00:58:46,130 --> 00:58:45,119

government or you know whoever when you

1626

00:58:47,630 --> 00:58:46,140

get over the other side they're going to

1627

00:58:49,430 --> 00:58:47,640

go time out time out this is about you

1628

00:58:51,650 --> 00:58:49,440

don't bring anybody else how did you do

1629

00:58:53,450 --> 00:58:51,660

that well you had you know ups and downs

1630

00:58:55,309 --> 00:58:53,460

how do you handle it down out how you

1631

00:58:56,630 --> 00:58:55,319

handle the apps how did you add to to

1632

00:58:58,250 --> 00:58:56,640

the world how do you make it a better

1633

00:59:00,289 --> 00:58:58,260

place that's all they're interested in

1634

00:59:01,730 --> 00:59:00,299

and every and apparently everybody says

1635

00:59:03,770 --> 00:59:01,740

the same thing I could have done better

1636

00:59:05,750 --> 00:59:03,780

and that's that's the bottom line to me

1637

00:59:08,030 --> 00:59:05,760

is I came here probably do something you

1638

00:59:09,410 --> 00:59:08,040

picked came here to do something and are

1639

00:59:10,789 --> 00:59:09,420

we doing something to make the world a

1640

00:59:12,470 --> 00:59:10,799

better place or are we not and that's

1641

00:59:15,109 --> 00:59:12,480

that's all that really matters

1642

00:59:17,809 --> 00:59:15,119

such a good point Grant it does seem

1643

00:59:20,329 --> 00:59:17,819

like we are all just little polished

1644

00:59:23,030 --> 00:59:20,339

arrows in the Quivers of these Cosmic

1645

00:59:25,010 --> 00:59:23,040

archers and this intelligence and it

1646

00:59:27,710 --> 00:59:25,020

brings me back you mentioned

1647

00:59:32,930 --> 00:59:27,720

you know how a lot of these

1648

00:59:36,230 --> 00:59:32,940

downloads lead to medical or beneficial

1649

00:59:37,730 --> 00:59:36,240

in inventions and it reminds me of the

1650

00:59:40,069 --> 00:59:37,740

principal investigator and chief

1651  
00:59:43,970 --> 00:59:40,079  
scientist on Skinwalker Ranch Eric Bard

1652  
00:59:46,309 --> 00:59:43,980  
who has a similar track record and you

1653  
00:59:49,789 --> 00:59:46,319  
know this theory of seeding these ideas

1654  
00:59:52,069 --> 00:59:49,799  
as you said they they go from patent to

1655  
00:59:54,410 --> 00:59:52,079  
project and they save lives in the

1656  
00:59:57,710 --> 00:59:54,420  
medical field or help humanity and other

1657  
01:00:00,170 --> 00:59:57,720  
inexplicable ways there seems to be a

1658  
01:00:02,750 --> 01:00:00,180  
universal Consciousness which if someone

1659  
01:00:04,370 --> 01:00:02,760  
doesn't monopolize on it it seems

1660  
01:00:06,589 --> 01:00:04,380  
someone else involved in the same food

1661  
01:00:09,470 --> 01:00:06,599  
chain will will shortly thereafter and

1662  
01:00:11,569 --> 01:00:09,480  
as you know Jacque Valley is involved in

1663  
01:00:15,410 --> 01:00:11,579

Venture capitalism and much like Venture

1664

01:00:18,470 --> 01:00:15,420

capitalism these businesses Technologies

1665

01:00:21,049 --> 01:00:18,480

and much more come in waves kind of like

1666

01:00:23,990 --> 01:00:21,059

uh from somewhere else what do you think

1667

01:00:26,210 --> 01:00:24,000

the reasons for this are why are they

1668

01:00:29,270 --> 01:00:26,220

seeding us

1669

01:00:31,130 --> 01:00:29,280

well I think it's it's just too move the

1670

01:00:32,930 --> 01:00:31,140

process along to it's almost like Spirit

1671

01:00:35,089 --> 01:00:32,940

guides like they're they're there to

1672

01:00:37,190 --> 01:00:35,099

sort of help us we have to do our part

1673

01:00:39,650 --> 01:00:37,200

to link in and that's the key where even

1674

01:00:41,630 --> 01:00:39,660

Gary Nolan talks about linking in he

1675

01:00:44,089 --> 01:00:41,640

says at one point he says I don't know

1676  
01:00:46,490 --> 01:00:44,099  
how to I don't know what no how do you

1677  
01:00:48,950 --> 01:00:46,500  
think I I don't know

1678  
01:00:50,030 --> 01:00:48,960  
what it is but I know how to do it and I

1679  
01:00:52,430 --> 01:00:50,040  
was just listening to another interview

1680  
01:00:53,630 --> 01:00:52,440  
where he's talking about and I can

1681  
01:00:55,970 --> 01:00:53,640  
understand when they start talking about

1682  
01:00:58,250 --> 01:00:55,980  
inspiration and downloads because I've

1683  
01:01:00,049 --> 01:00:58,260  
had it myself and he I don't think even

1684  
01:01:01,309 --> 01:01:00,059  
Gary Nolan knows about it but he talks

1685  
01:01:02,390 --> 01:01:01,319  
about this thing where he'll work

1686  
01:01:04,190 --> 01:01:02,400  
through the problem Works through the

1687  
01:01:05,329 --> 01:01:04,200  
problem and then he'll write it down on

1688  
01:01:07,069 --> 01:01:05,339

a piece of paper and put it beside the

1689

01:01:08,510 --> 01:01:07,079

bed and he said either the next morning

1690

01:01:10,010 --> 01:01:08,520

or was it next couple of days that

1691

01:01:12,289 --> 01:01:10,020

question will be answered in his head

1692

01:01:14,210 --> 01:01:12,299

and last of the interview I was

1693

01:01:15,470 --> 01:01:14,220

listening to last night he talked about

1694

01:01:17,210 --> 01:01:15,480

he started talking about inspiration so

1695

01:01:19,730 --> 01:01:17,220

I started writing down exactly what he

1696

01:01:21,650 --> 01:01:19,740

was saying and he said when it comes

1697

01:01:25,309 --> 01:01:21,660

when I get an inspirational idea it's

1698

01:01:29,150 --> 01:01:25,319

like a color or a flavor and I remember

1699

01:01:30,890 --> 01:01:29,160

it because I know it's correct and

1700

01:01:33,109 --> 01:01:30,900

that's the thing that impressed me most

1701

01:01:35,089 --> 01:01:33,119

about my download is when you get one of

1702

01:01:38,569 --> 01:01:35,099

these downloads it's not like a good

1703

01:01:40,430 --> 01:01:38,579

idea when it comes you know this is the

1704

01:01:42,530 --> 01:01:40,440

way it works it's true it's like where

1705

01:01:44,390 --> 01:01:42,540

he says I know it's correct and that's

1706

01:01:46,849 --> 01:01:44,400

the thing the weirdest part is to try to

1707

01:01:48,710 --> 01:01:46,859

explain to people you get this sense of

1708

01:01:50,450 --> 01:01:48,720

absolute certainty like the thing about

1709

01:01:52,670 --> 01:01:50,460

is the world made out of Consciousness

1710

01:01:55,549 --> 01:01:52,680

or made out of matter when I had that I

1711

01:01:57,589 --> 01:01:55,559

was I was walking down this street and

1712

01:01:59,329 --> 01:01:57,599

um it's I live in a very cold area so it

1713

01:02:01,789 --> 01:01:59,339

was it was not winter but it was pretty

1714

01:02:04,250 --> 01:02:01,799

pretty cold out of gloves on and when it

1715

01:02:05,870 --> 01:02:04,260

came I knew this is correct it was

1716

01:02:07,309 --> 01:02:05,880

starting to come and it was the first

1717

01:02:08,690 --> 01:02:07,319

one download was just the three

1718

01:02:10,130 --> 01:02:08,700

Consciousness things where they put

1719

01:02:13,849 --> 01:02:10,140

these three pieces together in my head

1720

01:02:16,130 --> 01:02:13,859

in 2012. the one in 2017 was coming and

1721

01:02:18,349 --> 01:02:16,140

it went on for a couple of minutes and

1722

01:02:20,150 --> 01:02:18,359

it was just is it this or is it that you

1723

01:02:22,670 --> 01:02:20,160

got this wrong is is it one life is it

1724

01:02:25,130 --> 01:02:22,680

multiple lives is it you know pattern is

1725

01:02:27,109 --> 01:02:25,140

it is it uh not patterned all this kind

1726

01:02:28,549 --> 01:02:27,119

of stuff and I knew this this is the way

1727

01:02:30,349 --> 01:02:28,559

it wasn't so I knew get a piece of paper

1728

01:02:32,210 --> 01:02:30,359

and I get this piece of paper and I take

1729

01:02:34,130 --> 01:02:32,220

my glove off and I'm quickly writing

1730

01:02:35,450 --> 01:02:34,140

this down as fast as I can and the

1731

01:02:37,730 --> 01:02:35,460

anxieties are coming one after another

1732

01:02:39,109 --> 01:02:37,740

one after another and it's not like you

1733

01:02:41,150 --> 01:02:39,119

know it's correct you've got to write

1734

01:02:43,190 --> 01:02:41,160

this down it's the way it works and and

1735

01:02:44,809 --> 01:02:43,200

then it came to maybe 15 of them or

1736

01:02:47,510 --> 01:02:44,819

whatever and then it sort of eased off

1737

01:02:49,190 --> 01:02:47,520

and I put the pan in my pocket back on

1738

01:02:51,890 --> 01:02:49,200

started walking I think about five steps

1739

01:02:53,390 --> 01:02:51,900

all said boom it starts again grab my

1740

01:02:55,549 --> 01:02:53,400

glove and I'm writing it down and that's

1741

01:02:58,250 --> 01:02:55,559

when I when I hear uh someone like Gary

1742

01:03:00,589 --> 01:02:58,260

Nolan says I there's a certain color or

1743

01:03:03,170 --> 01:03:00,599

a certain taste and I know I have to

1744

01:03:05,210 --> 01:03:03,180

remember that some that fact because

1745

01:03:07,789 --> 01:03:05,220

it's correct and he is he's the same

1746

01:03:09,289 --> 01:03:07,799

thing it's this idea then he's got how

1747

01:03:10,789 --> 01:03:09,299

many patents he's got piles of patents

1748

01:03:12,289 --> 01:03:10,799

it's the same thing so he says I don't

1749

01:03:14,150 --> 01:03:12,299

know how it works but I know how to make

1750

01:03:15,589 --> 01:03:14,160

it work and he so he's working on this

1751

01:03:17,390 --> 01:03:15,599

pattern I think we can actually teach

1752

01:03:18,710 --> 01:03:17,400

people to do this because the idea that

1753

01:03:20,569 --> 01:03:18,720

everything is in the field all the

1754

01:03:22,670 --> 01:03:20,579

inventions are in the field almost like

1755

01:03:25,190 --> 01:03:22,680

uh you know a Tesla when it has the

1756

01:03:27,289 --> 01:03:25,200

alternating current and motor he's

1757

01:03:28,670 --> 01:03:27,299

walking through a a park at Budapest

1758

01:03:30,589 --> 01:03:28,680

with a friend and all of a sudden it

1759

01:03:32,990 --> 01:03:30,599

comes into his head and he he draws it

1760

01:03:35,809 --> 01:03:33,000

in the sand he shows his friend hey look

1761

01:03:38,270 --> 01:03:35,819

at it and he draws this this top

1762

01:03:40,309 --> 01:03:38,280

invention of all time that comes to him

1763

01:03:42,530 --> 01:03:40,319

and that's the thing is I think you can

1764

01:03:44,569 --> 01:03:42,540

teach that to people this this intuitive

1765

01:03:46,490 --> 01:03:44,579

thing of how to shut the the left brain

1766

01:03:48,589 --> 01:03:46,500

down and how to pick up the answer to

1767

01:03:50,569 --> 01:03:48,599

work started and to to put it beside the

1768

01:03:52,670 --> 01:03:50,579

bed and these kind of meditations that

1769

01:03:54,349 --> 01:03:52,680

people do and stuff like that that Gary

1770

01:03:56,210 --> 01:03:54,359

Nolan says you know I know how to do

1771

01:03:58,609 --> 01:03:56,220

this now I know exactly how to and I do

1772

01:04:00,589 --> 01:03:58,619

the same thing the way I do it is is my

1773

01:04:02,870 --> 01:04:00,599

downloads come when I'm walking so I'll

1774

01:04:04,670 --> 01:04:02,880

walk five six miles and and what it does

1775

01:04:07,250 --> 01:04:04,680

is it quietens your your left brain down

1776

01:04:09,049 --> 01:04:07,260

and eventually it sort of goes off and

1777

01:04:10,789 --> 01:04:09,059

then suddenly an idea and it's sort of

1778

01:04:12,049 --> 01:04:10,799

like your own head is like an idea of it

1779

01:04:13,970 --> 01:04:12,059

it's a real good idea and then you you

1780

01:04:15,109 --> 01:04:13,980

write that down and I think that's so

1781

01:04:17,210 --> 01:04:15,119

everybody has their different process

1782

01:04:19,609 --> 01:04:17,220

and mine is walking some people will use

1783

01:04:21,589 --> 01:04:19,619

meditation Gary Nolan used to sleep

1784

01:04:24,190 --> 01:04:21,599

because just before you go to sleep just

1785

01:04:26,990 --> 01:04:24,200

before you wake up you have this hip of

1786

01:04:28,730 --> 01:04:27,000

hip-hop states where you're in the

1787

01:04:30,530 --> 01:04:28,740

other field and you're awake but you're

1788

01:04:32,569 --> 01:04:30,540

in the other field and these ideas come

1789

01:04:34,789 --> 01:04:32,579

to you or even like Deepak Chopra Deepak

1790

01:04:36,770 --> 01:04:34,799

Chopra is written 90 plus books a deep

1791

01:04:38,390 --> 01:04:36,780

rock troper says every single one of his

1792

01:04:40,010 --> 01:04:38,400

books is written by the same thing he

1793

01:04:42,410 --> 01:04:40,020

says when I wake up in the morning all I

1794

01:04:44,150 --> 01:04:42,420

do is I I don't move I just lie in bed

1795

01:04:46,370 --> 01:04:44,160

and I look at the ceiling and whatever

1796

01:04:47,930 --> 01:04:46,380

comes into my head is what I that the

1797

01:04:50,150 --> 01:04:47,940

story for the day and he said that's

1798

01:04:51,890 --> 01:04:50,160

where the 90 books come from from lying

1799

01:04:53,450 --> 01:04:51,900

in the bed for half an hour when he

1800

01:04:55,130 --> 01:04:53,460

wakes up every morning and all these

1801

01:04:56,870 --> 01:04:55,140

ideas come to him and that's his 90

1802

01:04:58,670 --> 01:04:56,880

books is he doesn't take any credit for

1803

01:05:00,829 --> 01:04:58,680

them and so we could teach this I think

1804

01:05:01,970 --> 01:05:00,839

that's the contact modality thing is I

1805

01:05:03,890 --> 01:05:01,980

show there's all these different

1806

01:05:06,470 --> 01:05:03,900

modalities that people use to get these

1807

01:05:08,390 --> 01:05:06,480

ideas and they they pop out and that's

1808

01:05:10,010 --> 01:05:08,400

why I think the the secrecy so if you're

1809

01:05:11,750 --> 01:05:10,020

working on the on the black budget

1810

01:05:13,549 --> 01:05:11,760

program you're not going to release it

1811

01:05:14,990 --> 01:05:13,559

you're going to fight the stop is being

1812

01:05:16,670 --> 01:05:15,000

released because you're the guys getting

1813

01:05:18,589 --> 01:05:16,680

all the patents on this thing this stuff

1814

01:05:20,270 --> 01:05:18,599

is going to be worth I know the one that

1815

01:05:22,130 --> 01:05:20,280

Tim Taylor sold I heard what this was

1816

01:05:23,930 --> 01:05:22,140

sold for I mean I'm talking we're

1817

01:05:26,150 --> 01:05:23,940

talking huge money as this thing was

1818

01:05:27,710 --> 01:05:26,160

sold for so a patent's worth a lot of

1819

01:05:29,270 --> 01:05:27,720

money and if you've got an idea and

1820

01:05:31,730 --> 01:05:29,280

you're just about ready to develop this

1821

01:05:33,710 --> 01:05:31,740

some technology on the UFO medal or

1822

01:05:35,150 --> 01:05:33,720

something on how to layer this stuff you

1823

01:05:37,010 --> 01:05:35,160

are not going to release it until you

1824

01:05:39,049 --> 01:05:37,020

got the Patent filed and so that's I

1825

01:05:40,910 --> 01:05:39,059

think with the problem that you you're

1826  
01:05:42,950 --> 01:05:40,920  
going to have is that everybody knows

1827  
01:05:44,990 --> 01:05:42,960  
this is worth big money and they're

1828  
01:05:46,609 --> 01:05:45,000  
they're all holding back until they they

1829  
01:05:48,470 --> 01:05:46,619  
can they can file their patents because

1830  
01:05:49,970 --> 01:05:48,480  
that's the way where I didn't realize

1831  
01:05:51,349 --> 01:05:49,980  
that when you're in DARPA you can follow

1832  
01:05:53,030 --> 01:05:51,359  
these patents it was just kind of weird

1833  
01:05:55,549 --> 01:05:53,040  
you you get the government to help you

1834  
01:05:56,990 --> 01:05:55,559  
build this stuff and all the expertise

1835  
01:05:58,670 --> 01:05:57,000  
and graduate students and stuff like

1836  
01:06:00,170 --> 01:05:58,680  
that working for you and then you get to

1837  
01:06:01,250 --> 01:06:00,180  
file the path to make all the money I

1838  
01:06:03,829 --> 01:06:01,260

thought the government would own it but

1839

01:06:06,049 --> 01:06:03,839

no it's the scientist owns it it's

1840

01:06:07,970 --> 01:06:06,059

unbelievable it is a lot like Steve Jobs

1841

01:06:10,069 --> 01:06:07,980

you know he had that idea this is what I

1842

01:06:12,109 --> 01:06:10,079

want the end product to be now figure it

1843

01:06:14,150 --> 01:06:12,119

out and

1844

01:06:16,670 --> 01:06:14,160

um Tim Taylor I mean he has a book that

1845

01:06:19,549 --> 01:06:16,680

I read called launch fever which is a

1846

01:06:21,710 --> 01:06:19,559

great read subtitled an entrepreneur's

1847

01:06:23,990 --> 01:06:21,720

journey and I love how you mentioned the

1848

01:06:25,670 --> 01:06:24,000

sleep eight hours setup uh get up go

1849

01:06:28,370 --> 01:06:25,680

back to bed for an hour then the solar

1850

01:06:31,670 --> 01:06:28,380

download now nanotech is still

1851

01:06:33,289 --> 01:06:31,680

technology and I wanted to read a small

1852

01:06:36,010 --> 01:06:33,299

portion out of your book if it's okay

1853

01:06:39,230 --> 01:06:36,020

which is nano okay

1854

01:06:42,170 --> 01:06:39,240

nanotechnology used for spaceships and

1855

01:06:43,910 --> 01:06:42,180

how our ships in a sense are grown and

1856

01:06:46,069 --> 01:06:43,920

they have this ability to shift their

1857

01:06:49,010 --> 01:06:46,079

shape and even within the cabin to

1858

01:06:51,289 --> 01:06:49,020

provide what we need when we need it and

1859

01:06:53,510 --> 01:06:51,299

when we don't need it it is simple it

1860

01:06:56,150 --> 01:06:53,520

simply absorbs back into the walls or

1861

01:06:58,549 --> 01:06:56,160

the floors or the ceilings and it's all

1862

01:07:00,950 --> 01:06:58,559

made out of selling the same seamless

1863

01:07:05,870 --> 01:07:00,960

material again we're back to this

1864

01:07:08,630 --> 01:07:05,880

biological almost grown entity and

1865

01:07:12,289 --> 01:07:08,640

lastly why do you believe it is that

1866

01:07:14,390 --> 01:07:12,299

only 14 of the experiencers are able to

1867

01:07:16,789 --> 01:07:14,400

fly the craft

1868

01:07:18,470 --> 01:07:16,799

well it may be this certain things are

1869

01:07:20,990 --> 01:07:18,480

given like a lot of people

1870

01:07:23,630 --> 01:07:21,000

um I'm doing an interview with uh James

1871

01:07:25,849 --> 01:07:23,640

Ian Dolly and his big thing seems to be

1872

01:07:27,349 --> 01:07:25,859

driven by this he's given this sort of

1873

01:07:29,029 --> 01:07:27,359

end of the world scenario so everybody's

1874

01:07:30,770 --> 01:07:29,039

got their own little Mission so a lot of

1875

01:07:32,750 --> 01:07:30,780

people have this like Chris Bledsoe his

1876

01:07:35,029 --> 01:07:32,760

message is not the technology his

1877

01:07:38,390 --> 01:07:35,039

message is this uh message from the lady

1878

01:07:40,190 --> 01:07:38,400

about the the Oneness and and uh you

1879

01:07:41,930 --> 01:07:40,200

know love is the core of the universe

1880

01:07:44,029 --> 01:07:41,940

and all this kind of stuff where people

1881

01:07:46,849 --> 01:07:44,039

are so the the flying of the ship thing

1882

01:07:48,710 --> 01:07:46,859

I think is is part of a and they're

1883

01:07:49,910 --> 01:07:48,720

maybe not even flying the ship but you I

1884

01:07:51,349 --> 01:07:49,920

guess you would be because you because

1885

01:07:53,029 --> 01:07:51,359

it's all mental you're trying to get

1886

01:07:55,430 --> 01:07:53,039

across this idea so the message that

1887

01:07:56,870 --> 01:07:55,440

they have is this mental idea because a

1888

01:07:58,549 --> 01:07:56,880

lot of the stuff you start to see it

1889

01:08:00,049 --> 01:07:58,559

shifts that's where people say well

1890

01:08:01,670 --> 01:08:00,059

we've got a flying around I'm going keep

1891

01:08:04,670 --> 01:08:01,680

your head a shake you look at some of

1892

01:08:06,069 --> 01:08:04,680

the stories these Pilots tell about the

1893

01:08:07,970 --> 01:08:06,079

inside of the ship there's there's

1894

01:08:09,589 --> 01:08:07,980

absolutely no way we have this

1895

01:08:12,890 --> 01:08:09,599

technology the latest one I just heard

1896

01:08:14,809 --> 01:08:12,900

and and it's in a 1973 Leonard

1897

01:08:17,209 --> 01:08:14,819

Stringfield who used to do the trash

1898

01:08:18,530 --> 01:08:17,219

retrieval stuff he had like 300 people

1899

01:08:20,689 --> 01:08:18,540

come to him and tell them about

1900

01:08:22,910 --> 01:08:20,699

autopsies and crashes and stuff and I'm

1901

01:08:24,470 --> 01:08:22,920

going that's that's seating man there's

1902

01:08:26,150 --> 01:08:24,480

I've never had a person coming to me

1903

01:08:29,030 --> 01:08:26,160

talk to me about well I was a part of a

1904

01:08:31,130 --> 01:08:29,040

alien autopsy Chris he had like three or

1905

01:08:34,490 --> 01:08:31,140

three people came to him and and he had

1906

01:08:37,309 --> 01:08:34,500

a 1973 case where where a pilot or a

1907

01:08:38,749 --> 01:08:37,319

photographer was flown from Hawaii to

1908

01:08:40,430 --> 01:08:38,759

Norton Air Force Base and then was

1909

01:08:42,229 --> 01:08:40,440

driven too much two hours away from

1910

01:08:44,689 --> 01:08:42,239

Norton Air Force Base and went into this

1911

01:08:46,729 --> 01:08:44,699

Hangar and they had this crane and on

1912

01:08:48,890 --> 01:08:46,739

the crane they had a netting and inside

1913

01:08:51,890 --> 01:08:48,900

the netting was this UFO that was 30

1914

01:08:54,530 --> 01:08:51,900

feet across and so this guy's job was to

1915

01:08:56,090 --> 01:08:54,540

film the inside the panels and if you

1916

01:08:58,010 --> 01:08:56,100

see in the in the sky pilot book I

1917

01:08:59,809 --> 01:08:58,020

actually have Chris Bledsoe draws the

1918

01:09:01,729 --> 01:08:59,819

panels I asked them to draw they have

1919

01:09:03,890 --> 01:09:01,739

all these symbols on the panels so this

1920

01:09:06,050 --> 01:09:03,900

guy's job was to go in and film all the

1921

01:09:07,610 --> 01:09:06,060

panels inside the ship and get these

1922

01:09:08,749 --> 01:09:07,620

these uh I guess they're going to try to

1923

01:09:10,430 --> 01:09:08,759

figure out what the pat with the with

1924

01:09:12,590 --> 01:09:10,440

the symbols mean or whatever and he said

1925

01:09:14,150 --> 01:09:12,600

when he went in the ship he said it was

1926

01:09:16,070 --> 01:09:14,160

30 feet across and we went inside the

1927

01:09:18,349 --> 01:09:16,080

shop up and he said I could pick up

1928

01:09:20,749 --> 01:09:18,359

football and I could throw it as hard as

1929

01:09:22,849 --> 01:09:20,759

I as I could against any wall and I

1930

01:09:24,769 --> 01:09:22,859

would not hit a wall it was that big a

1931

01:09:26,630 --> 01:09:24,779

guy from New Zealand I just interviewed

1932

01:09:28,370 --> 01:09:26,640

he said he was on the ship he looked to

1933

01:09:30,289 --> 01:09:28,380

the left he could not see the end of the

1934

01:09:31,849 --> 01:09:30,299

ship he could not see it was so long it

1935

01:09:32,990 --> 01:09:31,859

was so big he couldn't see him he looked

1936

01:09:34,669 --> 01:09:33,000

to his right he couldn't see the end of

1937

01:09:37,189 --> 01:09:34,679

the ship it was that big and they

1938

01:09:38,570 --> 01:09:37,199

describe as you described just read that

1939

01:09:39,890 --> 01:09:38,580

they can actually change the ship they

1940

01:09:42,349 --> 01:09:39,900

can make the ship as big as they want

1941

01:09:45,709 --> 01:09:42,359

they can make things disappear the guy

1942

01:09:47,329 --> 01:09:45,719

from uh Japan talked about they pulled a

1943

01:09:49,010 --> 01:09:47,339

book out of a wall the ball the wall

1944

01:09:50,390 --> 01:09:49,020

looked like totally seamless and the guy

1945

01:09:52,309 --> 01:09:50,400

just put his hand by the wall and this

1946

01:09:54,169 --> 01:09:52,319

book appeared out of the wall and and

1947

01:09:55,610 --> 01:09:54,179

and and that kind of stuff where they

1948

01:09:57,530 --> 01:09:55,620

can they can make it as big as they want

1949

01:09:59,150 --> 01:09:57,540

that goes back to the first one when Pam

1950

01:10:00,290 --> 01:09:59,160

Dupuis first told me that story I was

1951

01:10:01,550 --> 01:10:00,300

gonna throw out a house I thought she

1952

01:10:03,830 --> 01:10:01,560

was totally nuts like come on your

1953

01:10:05,450 --> 01:10:03,840

flying ship going they got stupid yeah

1954

01:10:07,370 --> 01:10:05,460

I'm not gonna believe that and then she

1955

01:10:08,750 --> 01:10:07,380

told me the later thing she said oh I

1956

01:10:10,430 --> 01:10:08,760

think they can make the ships as big as

1957

01:10:12,950 --> 01:10:10,440

they want they have ships that are as

1958

01:10:15,110 --> 01:10:12,960

big as the solar system and even today I

1959

01:10:16,790 --> 01:10:15,120

go yeah okay oh yeah sure yeah and

1960

01:10:18,890 --> 01:10:16,800

that's the thing I mean that if that's

1961

01:10:20,270 --> 01:10:18,900

true if that technology is actually true

1962

01:10:21,830 --> 01:10:20,280

that they can make it as big as they

1963

01:10:24,770 --> 01:10:21,840

want or as small as they want you can

1964

01:10:26,810 --> 01:10:24,780

walk past a rock on your walk you know

1965

01:10:28,490 --> 01:10:26,820

down down in a park and there's a rock

1966

01:10:30,470 --> 01:10:28,500

there and inside that rock there may be

1967

01:10:32,390 --> 01:10:30,480

a civilization inside there this is this

1968

01:10:34,010 --> 01:10:32,400

whole idea that that it can be as big or

1969

01:10:35,510 --> 01:10:34,020

as small as they want and they can they

1970

01:10:37,790 --> 01:10:35,520

can make things disappear it's all

1971

01:10:39,530 --> 01:10:37,800

seamless and it's all alive and and

1972

01:10:41,030 --> 01:10:39,540

that's the key thing I think people have

1973

01:10:42,530 --> 01:10:41,040

to realize is that when you're going to

1974

01:10:44,390 --> 01:10:42,540

have ai when you're going to have this

1975

01:10:47,570 --> 01:10:44,400

kind of stuff it has to be alive it has

1976

01:10:49,490 --> 01:10:47,580

to have biological uh uh components to

1977

01:10:52,850 --> 01:10:49,500

it because biological components like

1978

01:10:54,709 --> 01:10:52,860

like a even an atom or like a like a a

1979

01:10:56,870 --> 01:10:54,719

small insect you think they're stupid

1980

01:10:59,030 --> 01:10:56,880

they've got all sorts of only a B has

1981

01:11:00,470 --> 01:10:59,040

only a million neurons and they can do

1982

01:11:02,390 --> 01:11:00,480

all sorts of things that human beings

1983

01:11:04,610 --> 01:11:02,400

could not even begin to do they can't

1984

01:11:06,470 --> 01:11:04,620

count they can they can describe exactly

1985

01:11:08,570 --> 01:11:06,480

how far things are away at what angle so

1986

01:11:10,189 --> 01:11:08,580

the sun is just you the more you look at

1987

01:11:12,770 --> 01:11:10,199

them the smarter they look and it's this

1988

01:11:14,990 --> 01:11:12,780

biological aspect that biology is able

1989

01:11:18,050 --> 01:11:15,000

to take in from the environment is able

1990

01:11:19,910 --> 01:11:18,060

to absorb and then make it bigger add to

1991

01:11:21,709 --> 01:11:19,920

it and and bring it out and make the

1992

01:11:23,930 --> 01:11:21,719

world just keeps getting bigger and more

1993

01:11:25,610 --> 01:11:23,940

complex and more intelligent this sort

1994

01:11:28,010 --> 01:11:25,620

of thing so all the biological material

1995

01:11:29,990 --> 01:11:28,020

is doing it and and metal unless you

1996

01:11:31,610 --> 01:11:30,000

have the biological element to this

1997

01:11:33,770 --> 01:11:31,620

thing you won't and I think that's what

1998

01:11:35,450 --> 01:11:33,780

what get green not kid green well I

1999

01:11:36,470 --> 01:11:35,460

guess kid Green's involved too but what

2000

01:11:38,390 --> 01:11:36,480

they're trying to do is they're trying

2001

01:11:40,729 --> 01:11:38,400

to look at the DNA where you could

2002

01:11:43,070 --> 01:11:40,739

change the DNA and to me it's the idea

2003

01:11:45,229 --> 01:11:43,080

if you can get the DNA and you can input

2004

01:11:48,229 --> 01:11:45,239

uh different things in there maybe you

2005

01:11:49,790 --> 01:11:48,239

can input uh how a bird flies if you can

2006

01:11:52,910 --> 01:11:49,800

find out you know the the the the the

2007

01:11:54,350 --> 01:11:52,920

the the the DNA part of the the bird and

2008

01:11:56,570 --> 01:11:54,360

put that in there and this intelligence

2009

01:12:00,470 --> 01:11:56,580

you can actually build an intelligence

2010

01:12:02,209 --> 01:12:00,480

by altering DNA to give it quality so

2011

01:12:03,890 --> 01:12:02,219

that it gets more complex more complex

2012

01:12:05,149 --> 01:12:03,900

and eventually you can build ships

2013

01:12:07,370 --> 01:12:05,159

that's what you're going to have to do

2014

01:12:09,050 --> 01:12:07,380

it out of DNA material and that's when I

2015

01:12:10,550 --> 01:12:09,060

when I see Nolan working on that I think

2016

01:12:11,810 --> 01:12:10,560

yeah I don't know maybe they're maybe

2017

01:12:13,310 --> 01:12:11,820

they're going down that road they're

2018

01:12:16,790 --> 01:12:13,320

trying to figure out you know how can

2019

01:12:18,410 --> 01:12:16,800

you the ship is biological and how do

2020

01:12:20,209 --> 01:12:18,420

they get the biology into the DNA

2021

01:12:22,550 --> 01:12:20,219

because the DNA is just like a like a

2022

01:12:24,290 --> 01:12:22,560

big Library full of all the material

2023

01:12:26,450 --> 01:12:24,300

needs to be known and if you could add

2024

01:12:27,950 --> 01:12:26,460

into that and add components to that or

2025

01:12:30,590 --> 01:12:27,960

if the beings can show you how to do it

2026

01:12:32,630 --> 01:12:30,600

or you can get their DNA or they get the

2027

01:12:34,550 --> 01:12:32,640

metal and figure out how it's done I

2028

01:12:36,350 --> 01:12:34,560

mean that that's the key but I think

2029

01:12:38,330 --> 01:12:36,360

we're so far away I said at least a

2030

01:12:40,729 --> 01:12:38,340

thousand times more complex the more you

2031

01:12:43,370 --> 01:12:40,739

look at it the more complex it looks and

2032

01:12:46,250 --> 01:12:43,380

when 1975 when I started all it was was

2033

01:12:47,990 --> 01:12:46,260

UFOs and they're probably from uh you

2034

01:12:49,669 --> 01:12:48,000

know some other planet and they're made

2035

01:12:52,010 --> 01:12:49,679

out of you know nuts and bolts that got

2036

01:12:54,350 --> 01:12:52,020

an engine in there and uh they

2037

01:12:56,030 --> 01:12:54,360

accidentally came here and there's been

2038

01:12:58,630 --> 01:12:56,040

four abductions it was okay Travis

2039

01:13:01,010 --> 01:12:58,640

Walton and 67 of police officers

2040

01:13:03,649 --> 01:13:01,020

Pascagoula and Travis was abducted the

2041

01:13:05,149 --> 01:13:03,659

same year as I as my experience and that

2042

01:13:07,070 --> 01:13:05,159

was it there was four abductions it was

2043

01:13:08,750 --> 01:13:07,080

not a big thing now it's like you know

2044

01:13:10,610 --> 01:13:08,760

every all this abduction and then you

2045

01:13:12,410 --> 01:13:10,620

start wondering is abduction actually

2046

01:13:14,149 --> 01:13:12,420

abduction because nobody ever sees

2047

01:13:16,550 --> 01:13:14,159

anybody being abducted are people being

2048

01:13:18,890 --> 01:13:16,560

indicator is this a mind thing or is it

2049

01:13:21,229 --> 01:13:18,900

all mind thing is it all you know out of

2050

01:13:23,149 --> 01:13:21,239

body experiences all mental is there

2051

01:13:24,410 --> 01:13:23,159

even a physical world that's you start

2052

01:13:26,930 --> 01:13:24,420

getting into that stuff and you look at

2053

01:13:28,189 --> 01:13:26,940

the very complexities of UFOs and you

2054

01:13:29,990 --> 01:13:28,199

start to wonder if there is even a

2055

01:13:31,850 --> 01:13:30,000

physical world whether whether it's just

2056

01:13:33,530 --> 01:13:31,860

you know made out of Consciousness or

2057

01:13:35,270 --> 01:13:33,540

stuff and there's no way we're close to

2058

01:13:38,450 --> 01:13:35,280

that yet because we still are in this

2059

01:13:40,010 --> 01:13:38,460

sort of uh Paradigm of the material

2060

01:13:42,050 --> 01:13:40,020

world that has given us cell phones and

2061

01:13:45,709 --> 01:13:42,060

we think that you know if you're a a

2062

01:13:48,110 --> 01:13:45,719

Mystic in in a Buddhist guy who has all

2063

01:13:49,250 --> 01:13:48,120

this ideas about how the how the Maya

2064

01:13:51,229 --> 01:13:49,260

works and all this kind of stuff are the

2065

01:13:53,330 --> 01:13:51,239

Hindus uh he can't build a cell phones

2066

01:13:55,370 --> 01:13:53,340

he's stupid we have this idea that if

2067

01:13:57,950 --> 01:13:55,380

you can build material then you're smart

2068

01:13:59,570 --> 01:13:57,960

but anything philosophical is that it

2069

01:14:02,149 --> 01:13:59,580

really doesn't count for for anything

2070

01:14:04,550 --> 01:14:02,159

it's that material domination which

2071

01:14:06,290 --> 01:14:04,560

which is slowly shifting which I think

2072

01:14:08,689 --> 01:14:06,300

with the new kids coming in with Star

2073

01:14:11,030 --> 01:14:08,699

Wars and the ideas of Science Fiction

2074

01:14:13,910 --> 01:14:11,040

and all this kind of stuff that we are

2075

01:14:15,410 --> 01:14:13,920

being shifted slowly and surely and it's

2076

01:14:17,870 --> 01:14:15,420

all all about the lessons so it doesn't

2077

01:14:19,130 --> 01:14:17,880

matter if we get here get to the end you

2078

01:14:20,450 --> 01:14:19,140

know a thousand years from now we're

2079

01:14:22,490 --> 01:14:20,460

like in the west we want everything

2080

01:14:23,870 --> 01:14:22,500

yesterday but here it could be a

2081

01:14:25,729 --> 01:14:23,880

thousand or ten thousand years it really

2082

01:14:27,050 --> 01:14:25,739

doesn't matter it's a journey are you

2083

01:14:29,450 --> 01:14:27,060

actually learning something because it's

2084

01:14:31,189 --> 01:14:29,460

you and I coming in and we may come in

2085

01:14:33,290 --> 01:14:31,199

as the evil alien next time or we may

2086

01:14:35,689 --> 01:14:33,300

come in as they you know whatever the

2087

01:14:37,490 --> 01:14:35,699

gray or whatever because I always say to

2088

01:14:39,470 --> 01:14:37,500

people if they start maintaining the

2089

01:14:41,450 --> 01:14:39,480

Grays or reptilians or evil then I say

2090

01:14:43,310 --> 01:14:41,460

well if you're born next next lifetime

2091

01:14:44,810 --> 01:14:43,320

as a reptilian or you know evil no it's

2092

01:14:46,070 --> 01:14:44,820

just about the experience like they're

2093

01:14:47,450 --> 01:14:46,080

learning we're learning everybody's

2094

01:14:49,490 --> 01:14:47,460

learning you're living these things and

2095

01:14:51,470 --> 01:14:49,500

you may come back as your greatest enemy

2096

01:14:53,450 --> 01:14:51,480

the next time to learn the lessons that

2097

01:14:56,030 --> 01:14:53,460

you needed to learn about about him and

2098

01:14:58,430 --> 01:14:56,040

it's all about lessons and and all it's

2099

01:15:00,410 --> 01:14:58,440

all just a uh there's a comedian that I

2100

01:15:02,570 --> 01:15:00,420

always try to never remember his name

2101  
01:15:04,550 --> 01:15:02,580  
but he was a comedian he died very young

2102  
01:15:08,510 --> 01:15:04,560  
and he talks about the ride it's called

2103  
01:15:10,070 --> 01:15:08,520  
the ride and um he says it's life's like

2104  
01:15:11,630 --> 01:15:10,080  
a ride he says you get on this like a

2105  
01:15:14,750 --> 01:15:11,640  
roller coaster you get on there and it's

2106  
01:15:17,270 --> 01:15:14,760  
so real you actually think this actually

2107  
01:15:19,070 --> 01:15:17,280  
happening you go up and you go down you

2108  
01:15:21,950 --> 01:15:19,080  
go round and round and there's lots of

2109  
01:15:23,450 --> 01:15:21,960  
noise and the noise and lights flashing

2110  
01:15:26,090 --> 01:15:23,460  
and you get to the end and you get off

2111  
01:15:28,189 --> 01:15:26,100  
you go oh it's just a ride and that's

2112  
01:15:29,930 --> 01:15:28,199  
what life is it's just a ride you you go

2113  
01:15:31,550 --> 01:15:29,940

up and down around and around you learn

2114

01:15:33,110 --> 01:15:31,560

things and you don't learn things and

2115

01:15:35,870 --> 01:15:33,120

then you get off and it's it's a ride

2116

01:15:37,850 --> 01:15:35,880

you get off the stage as as Shakespeare

2117

01:15:39,530 --> 01:15:37,860

says all the world's a stage all the men

2118

01:15:41,930 --> 01:15:39,540

and women are but actors they have their

2119

01:15:44,450 --> 01:15:41,940

entrances and exits and each man plays

2120

01:15:46,910 --> 01:15:44,460

many roles so we're playing with as I

2121

01:15:48,709 --> 01:15:46,920

say to people you are not the actor on

2122

01:15:50,330 --> 01:15:48,719

the stage you are playing an actor on

2123

01:15:51,709 --> 01:15:50,340

the stage because you're a King Henry

2124

01:15:52,790 --> 01:15:51,719

the eighth in grade 12. doesn't mean

2125

01:15:55,010 --> 01:15:52,800

you're thinking Andre the eighth anymore

2126

01:15:56,630 --> 01:15:55,020

you just played it it's just a role and

2127

01:15:58,790 --> 01:15:56,640

when you leave the stage you're going to

2128

01:16:00,649 --> 01:15:58,800

leave that role almost like Whitney

2129

01:16:03,470 --> 01:16:00,659

strieber's wife came back to him after

2130

01:16:05,990 --> 01:16:03,480

she died she said Whitley I am no longer

2131

01:16:08,270 --> 01:16:06,000

Anne but I will always be and to you

2132

01:16:09,890 --> 01:16:08,280

she's on into another life and and

2133

01:16:11,630 --> 01:16:09,900

thanks for the life we played and I

2134

01:16:13,130 --> 01:16:11,640

played Anne in your life thank you for

2135

01:16:15,110 --> 01:16:13,140

that experience and that's what it's

2136

01:16:16,910 --> 01:16:15,120

about so experience I'm learning it's

2137

01:16:18,350 --> 01:16:16,920

about adding to the universe adding to

2138

01:16:20,330 --> 01:16:18,360

the intelligence adding to the

2139

01:16:22,850 --> 01:16:20,340

magnificence of the universe take it in

2140

01:16:24,470 --> 01:16:22,860

experience it and create something and

2141

01:16:25,970 --> 01:16:24,480

and make the world a better place and

2142

01:16:28,970 --> 01:16:25,980

that's what it's all about

2143

01:16:33,850 --> 01:16:28,980

so true grant and I I love that comedian

2144

01:16:40,550 --> 01:16:37,250

speaking of legendary that this has been

2145

01:16:44,330 --> 01:16:40,560

great the UFO Sky pilots pilots of peace

2146

01:16:46,430 --> 01:16:44,340

and Oneness and you you I mean there's

2147

01:16:48,590 --> 01:16:46,440

more than 50 witnesses that have told

2148

01:16:51,410 --> 01:16:48,600

you the exact same details in this book

2149

01:16:53,750 --> 01:16:51,420

you present over three dozen UFO Sky

2150

01:16:56,390 --> 01:16:53,760

Pilots that you've interviewed about

2151  
01:16:58,910 --> 01:16:56,400  
their experiences they all tame they all

2152  
01:17:01,430 --> 01:16:58,920  
say the same fantastic story with

2153  
01:17:04,729 --> 01:17:01,440  
similar accounts the witnesses range

2154  
01:17:07,490 --> 01:17:04,739  
from average civilians to retired Air

2155  
01:17:09,410 --> 01:17:07,500  
Force Colonels and the accounts in this

2156  
01:17:11,870 --> 01:17:09,420  
book seem to support the fact that

2157  
01:17:14,570 --> 01:17:11,880  
Consciousness is crucial to

2158  
01:17:16,910 --> 01:17:14,580  
understanding the UFO mystery such an

2159  
01:17:18,830 --> 01:17:16,920  
amazing contribute contribution as far

2160  
01:17:21,110 --> 01:17:18,840  
as a book is concerned Grant it's

2161  
01:17:23,149 --> 01:17:21,120  
another mind-blowing book to add to your

2162  
01:17:25,610 --> 01:17:23,159  
list about the research and

2163  
01:17:28,729 --> 01:17:25,620

investigations you do and you bring this

2164

01:17:30,890 --> 01:17:28,739

all so altruistically to all of us your

2165

01:17:33,950 --> 01:17:30,900

work is greatly appreciated by myself

2166

01:17:35,689 --> 01:17:33,960

and I hope countless others where can

2167

01:17:37,669 --> 01:17:35,699

listeners get your book where can they

2168

01:17:39,169 --> 01:17:37,679

keep up with your work and keep up with

2169

01:17:41,810 --> 01:17:39,179

your efforts

2170

01:17:44,330 --> 01:17:41,820

well Ryan um I have

2171

01:17:45,590 --> 01:17:44,340

um uh I don't have a website anymore I

2172

01:17:46,570 --> 01:17:45,600

used to have the website and then I took

2173

01:17:49,490 --> 01:17:46,580

it down

2174

01:17:51,830 --> 01:17:49,500

the presidential one once I made the

2175

01:17:54,770 --> 01:17:51,840

shift and it was very complex and I

2176

01:17:56,630 --> 01:17:54,780

couldn't run it so uh presidential UFO

2177

01:18:00,530 --> 01:17:56,640

is my Facebook site where I'll post

2178

01:18:03,590 --> 01:18:00,540

stuff every day uh Grant Cameron uh at

2179

01:18:06,110 --> 01:18:03,600

Grant Cameron is my Twitter account and

2180

01:18:09,350 --> 01:18:06,120

I have a YouTube White house UFO YouTube

2181

01:18:12,229 --> 01:18:09,360

where I interview people and I have a

2182

01:18:15,709 --> 01:18:12,239

podcast which is called uh paranormal

2183

01:18:19,610 --> 01:18:15,719

UFO Consciousness podcast where I uh

2184

01:18:21,130 --> 01:18:19,620

interview uh a lot of the skypods on on

2185

01:18:23,810 --> 01:18:21,140

my

2186

01:18:26,630 --> 01:18:23,820

paranormal UFO Consciousness podcast if

2187

01:18:29,149 --> 01:18:26,640

you go to the first 12 episodes that I

2188

01:18:32,270 --> 01:18:29,159

did last year I have most of the sky

2189

01:18:34,669 --> 01:18:32,280

pilots on there or say 12 Skype outs uh

2190

01:18:36,229 --> 01:18:34,679

Chris blesso is on there describing so I

2191

01:18:38,390 --> 01:18:36,239

I actually have the interviews with

2192

01:18:40,669 --> 01:18:38,400

these with these Sky palettes and you

2193

01:18:42,830 --> 01:18:40,679

can actually hear them talk about it and

2194

01:18:44,750 --> 01:18:42,840

so that that's what I I basically we do

2195

01:18:46,130 --> 01:18:44,760

it I I don't really keep any secrets I

2196

01:18:48,169 --> 01:18:46,140

used to have sort of like high level

2197

01:18:49,610 --> 01:18:48,179

contacts but they all cut me off because

2198

01:18:52,010 --> 01:18:49,620

I can't keep a secret can't keep my

2199

01:18:54,290 --> 01:18:52,020

motion and I say like the the biblical

2200

01:18:55,790 --> 01:18:54,300

thing with prophet of the man he gains

2201

01:18:58,250 --> 01:18:55,800

the whole world and loses his own soul

2202

01:19:02,090 --> 01:18:58,260

so I basically put everything I I

2203

01:19:05,090 --> 01:19:02,100

learned on uh my presidential UFO

2204

01:19:06,350 --> 01:19:05,100

Facebook site and uh people know you

2205

01:19:07,850 --> 01:19:06,360

better if you want to keep it secret

2206

01:19:11,149 --> 01:19:07,860

don't tell it to Grant because he'll

2207

01:19:13,430 --> 01:19:11,159

post it right away I try to anything I

2208

01:19:15,410 --> 01:19:13,440

hear I put up there and that's where you

2209

01:19:17,330 --> 01:19:15,420

can sort of keep on the latest uh stuff

2210

01:19:18,890 --> 01:19:17,340

that I'm doing and things that I think

2211

01:19:20,390 --> 01:19:18,900

are important for people to learn and

2212

01:19:21,709 --> 01:19:20,400

the latest the latest books that are

2213

01:19:23,510 --> 01:19:21,719

coming because I have I have a whole

2214

01:19:25,310 --> 01:19:23,520

series of books coming out with the next

2215

01:19:27,169 --> 01:19:25,320

one is this one on airports and

2216

01:19:29,030 --> 01:19:27,179

manifestations which is also very

2217

01:19:31,850 --> 01:19:29,040

important because I go through the the

2218

01:19:33,830 --> 01:19:31,860

whole story of Leslie Kane talking about

2219

01:19:35,810 --> 01:19:33,840

the hand that appeared in the physical

2220

01:19:37,189 --> 01:19:35,820

sales three or four times that she

2221

01:19:39,530 --> 01:19:37,199

encountered and that's what I think

2222

01:19:41,750 --> 01:19:39,540

they're doing is that they're able to

2223

01:19:44,330 --> 01:19:41,760

come in like a like a like a physical

2224

01:19:46,910 --> 01:19:44,340

man infestation that Leslie gained the

2225

01:19:48,950 --> 01:19:46,920

New York Times saw appears a hand and

2226

01:19:51,169 --> 01:19:48,960

she shot felt the hand touched the hand

2227

01:19:52,669 --> 01:19:51,179

she said it was a real hand it banged on

2228

01:19:54,290 --> 01:19:52,679

the table and then he just sort of

2229

01:19:55,910 --> 01:19:54,300

disintegrated and went back where it

2230

01:19:57,530 --> 01:19:55,920

came from and I think that's what these

2231

01:19:59,209 --> 01:19:57,540

all these intelligence are doing they

2232

01:20:01,910 --> 01:19:59,219

can come into our physical environment

2233

01:20:03,410 --> 01:20:01,920

uh take our vibration appear for a

2234

01:20:06,530 --> 01:20:03,420

couple of minutes and then go back where

2235

01:20:08,870 --> 01:20:06,540

they came from and we are again we are

2236

01:20:11,209 --> 01:20:08,880

the same thing we we can we can do the

2237

01:20:13,490 --> 01:20:11,219

same thing as them uh we just don't know

2238

01:20:15,770 --> 01:20:13,500

it so uh watch White House a

2239

01:20:18,770 --> 01:20:15,780

presidential UFO on Facebook and that'll

2240

01:20:21,410 --> 01:20:18,780

basically tell you uh what we're up to

2241

01:20:24,410 --> 01:20:21,420

thank you so much your work is greatly

2242

01:20:26,570 --> 01:20:24,420

appreciated uh by myself and so many

2243

01:20:28,430 --> 01:20:26,580

others have a very blessed day Grant

2244

01:20:29,870 --> 01:20:28,440

thank you so very much

2245

01:20:33,050 --> 01:20:29,880

beautiful

2246

01:20:36,830 --> 01:20:33,060

absolutely amazing conversation I know

2247

01:20:39,890 --> 01:20:36,840

we could go on for hours and hours about

2248

01:20:42,229 --> 01:20:39,900

this and maybe we will have another

2249

01:20:44,750 --> 01:20:42,239

episode with Grant or maybe I'll go on

2250

01:20:46,850 --> 01:20:44,760

his podcast we'll definitely have to

2251

01:20:48,410 --> 01:20:46,860

cross that bridge when we get there I

2252

01:20:51,110 --> 01:20:48,420

would love to talk to him more because

2253

01:20:53,209 --> 01:20:51,120

he is a Fountain of Knowledge when it

2254

01:20:55,550 --> 01:20:53,219

comes to this stuff the theory of

2255

01:20:58,030 --> 01:20:55,560

seeding how many people seem to be

2256

01:21:00,530 --> 01:20:58,040

involved the things they have in common

2257

01:21:02,930 --> 01:21:00,540

and sure

2258

01:21:05,810 --> 01:21:02,940

um they or our friends these Cosmic

2259

01:21:08,570 --> 01:21:05,820

controllers who control the the

2260

01:21:11,090 --> 01:21:08,580

intelligence or the craft involved

2261

01:21:12,790 --> 01:21:11,100

are dropping these bread crumbs not only

2262

01:21:15,770 --> 01:21:12,800

of

2263

01:21:18,410 --> 01:21:15,780

Metallurgy and meta materials but also

2264

01:21:20,630 --> 01:21:18,420

breadcrumbs of knowledge and it seems

2265

01:21:22,669 --> 01:21:20,640

that when it comes to this stuff uh it's

2266

01:21:24,950 --> 01:21:22,679

stuff people aren't supposed to know the

2267

01:21:27,470 --> 01:21:24,960

whole picture we're not supposed to have

2268

01:21:29,390 --> 01:21:27,480

the complete picture in our minds we

2269

01:21:33,169 --> 01:21:29,400

just need pieces of the puzzle that

2270

01:21:36,010 --> 01:21:33,179

probably are placed there and come

2271

01:21:41,209 --> 01:21:36,020

together to create interact and engage

2272

01:21:43,910 --> 01:21:41,219

with the entire conscious effort and it

2273

01:21:47,570 --> 01:21:43,920

brings me back to uh the universe in

2274

01:21:51,530 --> 01:21:47,580

general and a great quote from Edgar

2275

01:21:54,229 --> 01:21:51,540

Casey the spirit is the life the mind is

2276

01:21:55,310 --> 01:21:54,239

the Builder and the physical is the

2277

01:21:59,990 --> 01:21:55,320

result

2278

01:22:02,570 --> 01:22:00,000

All in This Book UFO Sky pilots pilots

2279

01:22:05,090 --> 01:22:02,580

of peace and Oneness by Grant Cameron

2280

01:22:07,510 --> 01:22:05,100

definitely pick up the book definitely

2281

01:22:10,310 --> 01:22:07,520

support Grant and his research

2282

01:22:12,709 --> 01:22:10,320

investigations and efforts

2283

01:22:15,410 --> 01:22:12,719

he's one of the good ones until next

2284
