

Santa Claustrum

Occult Esoteric Christmas

A REAL MAGICIAN

Christmas Special

1
00:00:04,670 --> 00:00:03,350
Merry Christmas everyone

2
00:00:06,769 --> 00:00:04,680
tonight

3
00:00:07,970 --> 00:00:06,779
we are going to delve a little bit

4
00:00:11,870 --> 00:00:07,980
deeper

5
00:00:13,430 --> 00:00:11,880
into the more esoteric occult

6
00:00:17,930 --> 00:00:13,440
symbolism

7
00:00:30,230 --> 00:00:17,940
behind one of my favorite holidays

8
00:00:34,470 --> 00:00:32,690
thank you

9
00:00:56,630 --> 00:00:34,480
foreign

10
00:01:03,789 --> 00:00:59,650
[Music]

11
00:01:07,670 --> 00:01:03,799
Blast Off on a special Christmas episode

12
00:01:12,730 --> 00:01:07,680
of the hyper anomalous esoteric research

13
00:01:15,530 --> 00:01:12,740

organization podcast AKA hero paranormal

14

00:01:19,250 --> 00:01:15,540

broadcasting from the base at lamadre

15

00:01:22,190 --> 00:01:19,260

Mountain just south of area 51. my name

16

00:01:24,710 --> 00:01:22,200

is Ryan the anomalous ambassador of the

17

00:01:28,910 --> 00:01:24,720

airwaves bringing you a different

18

00:01:32,149 --> 00:01:28,920

holiday inspired episode tonight

19

00:01:34,190 --> 00:01:32,159

yes let's talk about Santa Santa

20

00:01:37,069 --> 00:01:34,200

claustrum

21

00:01:39,350 --> 00:01:37,079

not the traditional Santa Claus

22

00:01:41,810 --> 00:01:39,360

or Santa Claus

23

00:01:45,109 --> 00:01:41,820

that most of us remember from our youth

24

00:01:48,289 --> 00:01:45,119

we'll talk about him maybe later

25

00:01:51,530 --> 00:01:48,299

but the claustrum is a Latin word

26

00:01:54,590 --> 00:01:51,540

meaning to close or to shut

27

00:01:57,950 --> 00:01:54,600

it is a thin bilateral connection of

28

00:01:59,749 --> 00:01:57,960

neurons and supporting glial cells that

29

00:02:01,190 --> 00:01:59,759

connects to cortical

30

00:02:04,130 --> 00:02:01,200

regions

31

00:02:06,770 --> 00:02:04,140

including the thalamus of the brain

32

00:02:10,609 --> 00:02:06,780

it is located between the insula

33

00:02:13,550 --> 00:02:10,619

medially and the putamen laterally

34

00:02:17,210 --> 00:02:13,560

separated by the extreme and external

35

00:02:24,410 --> 00:02:20,089

so why the red

36

00:02:27,710 --> 00:02:24,420

why does Santa wear red well

37

00:02:29,949 --> 00:02:27,720

the Santa claustrum the blood supply to

38

00:02:33,650 --> 00:02:29,959

the claustrum is filled via the middle

39

00:02:35,390 --> 00:02:33,660

cerebral artery

40

00:02:38,570 --> 00:02:35,400

so I know what you're thinking what does

41

00:02:41,509 --> 00:02:38,580

this all have to do latiny meanings

42

00:02:42,949 --> 00:02:41,519

to close to shut bilateral connections

43

00:02:45,350 --> 00:02:42,959

of neurons

44

00:02:47,509 --> 00:02:45,360

while the clostrum is made up of various

45

00:02:50,150 --> 00:02:47,519

cell types differing in size shape and

46

00:02:53,089 --> 00:02:50,160

neurochemical composition

47

00:02:54,589 --> 00:02:53,099

this is where things get strange

48

00:02:56,690 --> 00:02:54,599

it is fed

49

00:02:59,750 --> 00:02:56,700

as I said through a blood supply and

50

00:03:03,170 --> 00:02:59,760

transverses up and down the spinal cord

51
00:03:05,570 --> 00:03:03,180
as we know the human spinal cord has 33

52
00:03:07,729 --> 00:03:05,580
vertebrae

53
00:03:11,390 --> 00:03:07,739
come Christmas time we are often

54
00:03:14,449 --> 00:03:11,400
reminded of the birthday of a very

55
00:03:17,509 --> 00:03:14,459
Serene baby Jesus

56
00:03:20,750 --> 00:03:17,519
a baby Jesus who made it no longer than

57
00:03:24,229 --> 00:03:20,760
33 years historically on this planet so

58
00:03:27,170 --> 00:03:24,239
we have 33 years 33 vertebrae

59
00:03:28,970 --> 00:03:27,180
and the Santa claustrum

60
00:03:30,410 --> 00:03:28,980
the classroom

61
00:03:34,729 --> 00:03:30,420
follows

62
00:03:38,330 --> 00:03:34,739
down from the brain down the brain stem

63
00:03:40,369 --> 00:03:38,340

allowing integration of various cortical

64

00:03:43,729 --> 00:03:40,379

inputs

65

00:03:44,630 --> 00:03:43,739

it goes all the way to the sacrum turns

66

00:03:47,330 --> 00:03:44,640

around

67

00:03:50,390 --> 00:03:47,340

this is over time

68

00:03:53,449 --> 00:03:50,400

I believe about 33 days some argue it's

69

00:03:55,390 --> 00:03:53,459

less than possibly 28.

70

00:03:58,850 --> 00:03:55,400

and it returns

71

00:04:02,030 --> 00:03:58,860

respectively up to the brain

72

00:04:03,250 --> 00:04:02,040

it is maintained at least in an esoteric

73

00:04:08,509 --> 00:04:03,260

occult

74

00:04:13,610 --> 00:04:08,519

description by many that if you are to

75

00:04:15,189 --> 00:04:13,620

withhold withstand and abstain

76

00:04:17,990 --> 00:04:15,199

from

77

00:04:20,750 --> 00:04:18,000

biological relations with a significant

78

00:04:23,689 --> 00:04:20,760

or not so significant other

79

00:04:27,110 --> 00:04:23,699

that the Santa claustrum

80

00:04:28,550 --> 00:04:27,120

creates something exponential

81

00:04:31,670 --> 00:04:28,560

so yeah

82

00:04:35,170 --> 00:04:31,680

you wait 33 days

83

00:04:39,170 --> 00:04:35,180

you have zero relations of a romantic

84

00:04:41,390 --> 00:04:39,180

type you avoid all scenarios

85

00:04:43,610 --> 00:04:41,400

that may exist

86

00:04:47,150 --> 00:04:43,620

and it is believed that the resolution

87

00:04:48,290 --> 00:04:47,160

of this claustrum which travels from the

88

00:04:50,870 --> 00:04:48,300

brain

89

00:04:53,570 --> 00:04:50,880

if you have a healthy diet and goes down

90

00:04:57,590 --> 00:04:53,580

the 33 vertebrae

91

00:05:01,129 --> 00:04:57,600

to the sacrum a sacred location

92

00:05:05,990 --> 00:05:01,139

where it does a u-turn

93

00:05:09,230 --> 00:05:06,000

and follows back up the 33 vertebrae

94

00:05:10,969 --> 00:05:09,240

and densely connected structures

95

00:05:15,650 --> 00:05:10,979

back to the brain

96

00:05:17,930 --> 00:05:15,660

allowing for the exponential creation

97

00:05:20,450 --> 00:05:17,940

the creation of a present

98

00:05:23,270 --> 00:05:20,460

a gift

99

00:05:26,990 --> 00:05:23,280

so he knows if you've been naughty he

100

00:05:33,170 --> 00:05:30,230

he knows if you've been bad or good

101

00:05:36,710 --> 00:05:33,180

so be good for goodness sake this gift

102

00:05:40,010 --> 00:05:36,720

comes to the good ones not the bad ones

103

00:05:41,390 --> 00:05:40,020

getting to this abstaining from romantic

104

00:05:44,150 --> 00:05:41,400

relations

105

00:05:45,529 --> 00:05:44,160

has been symbolic

106

00:05:48,529 --> 00:05:45,539

of

107

00:05:50,029 --> 00:05:48,539

an abstinence

108

00:05:52,850 --> 00:05:50,039

of spreading

109

00:05:55,270 --> 00:05:52,860

the Divine seed

110

00:05:59,390 --> 00:05:55,280

in hopes to gain something more

111

00:06:03,469 --> 00:05:59,400

especially in esoteric in occult circles

112

00:06:07,430 --> 00:06:03,479

and sometimes in not so occult circles

113

00:06:10,129 --> 00:06:07,440

in Mark 4 26-29 there is the seed

114

00:06:13,189 --> 00:06:10,139

growing in secret this Parable is found

115

00:06:15,110 --> 00:06:13,199

only in Mark's gospel and it teaches a

116

00:06:17,390 --> 00:06:15,120

very important truth and is not to be

117

00:06:20,930 --> 00:06:17,400

confused with several other Parables

118

00:06:23,749 --> 00:06:20,940

which Jesus taught concerning seed which

119

00:06:26,029 --> 00:06:23,759

produces a harvest

120

00:06:26,930 --> 00:06:26,039

in distinction from the parable of the

121

00:06:29,990 --> 00:06:26,940

sower

122

00:06:33,650 --> 00:06:30,000

which is widely held

123

00:06:37,610 --> 00:06:33,660

in Freemasonry and

124

00:06:39,650 --> 00:06:37,620

other occult orders not to mention a

125

00:06:41,510 --> 00:06:39,660

great deal of the mystery schools and

126

00:06:44,450 --> 00:06:41,520

secret societies

127

00:06:47,629 --> 00:06:44,460

which is characterized by the phrase as

128

00:06:49,070 --> 00:06:47,639

you sow so shall you reap

129

00:06:51,290 --> 00:06:49,080

however

130

00:06:54,290 --> 00:06:51,300

indistinction from the parable of the

131

00:06:56,870 --> 00:06:54,300

sower the emphasis does not fall on the

132

00:06:58,490 --> 00:06:56,880

sower nor the seed

133

00:07:01,550 --> 00:06:58,500

the sower

134

00:07:02,689 --> 00:07:01,560

has cast his seed on the earth in the

135

00:07:04,969 --> 00:07:02,699

past

136

00:07:07,129 --> 00:07:04,979

the Lord Now deals with the present

137

00:07:09,770 --> 00:07:07,139

germination and growth of this seed

138

00:07:11,870 --> 00:07:09,780

until a harvest is attained

139

00:07:14,629 --> 00:07:11,880

there are some who conclude that this

140

00:07:15,529 --> 00:07:14,639

Parable shows a farmer who neglects the

141

00:07:18,890 --> 00:07:15,539

seed

142

00:07:21,409 --> 00:07:18,900

which he is cast into the Earth this is

143

00:07:24,050 --> 00:07:21,419

not true there is no neglect

144

00:07:26,150 --> 00:07:24,060

the story teaches the necessity of

145

00:07:29,510 --> 00:07:26,160

infinite patience

146

00:07:31,249 --> 00:07:29,520

until the laws of God have run their

147

00:07:33,950 --> 00:07:31,259

course

148

00:07:36,650 --> 00:07:33,960

so the question is

149

00:07:39,050 --> 00:07:36,660

is patience more difficult in the realm

150

00:07:40,010 --> 00:07:39,060

of the Kingdom than in the realm of

151
00:07:42,170 --> 00:07:40,020
nature

152
00:07:43,490 --> 00:07:42,180
okay so let's get serious a lot of

153
00:07:45,650 --> 00:07:43,500
people are probably thinking there's

154
00:07:48,890 --> 00:07:45,660
nothing to this especially in modern

155
00:07:52,610 --> 00:07:48,900
times however that's not so

156
00:07:55,490 --> 00:07:52,620
have you heard of no nut November it's

157
00:07:58,850 --> 00:07:55,500
the annual month-long event focused on

158
00:08:02,150 --> 00:07:58,860
abstaining from sex and masturbation

159
00:08:05,210 --> 00:08:02,160
so is no nut November a real thing

160
00:08:07,969 --> 00:08:05,220
absolutely give it a Google

161
00:08:11,270 --> 00:08:07,979
although proponents claim that there are

162
00:08:14,029 --> 00:08:11,280
sexual and mental health benefits

163
00:08:17,150 --> 00:08:14,039

there's absolutely no research or data

164

00:08:19,010 --> 00:08:17,160

which suggests that this is

165

00:08:21,830 --> 00:08:19,020

scientifically proven of course in

166

00:08:23,510 --> 00:08:21,840

modern times however no net November is

167

00:08:25,189 --> 00:08:23,520

nothing new

168

00:08:29,689 --> 00:08:25,199

that's right

169

00:08:33,889 --> 00:08:29,699

many claim that is uh characterized by

170

00:08:36,709 --> 00:08:33,899

crazies or misogynistic far-right groups

171

00:08:39,769 --> 00:08:36,719

others claim that it has something to do

172

00:08:43,930 --> 00:08:39,779

with more occult

173

00:08:47,030 --> 00:08:43,940

reasons esoteric reasons

174

00:08:48,949 --> 00:08:47,040

and that's not to say that keeping your

175

00:08:51,650 --> 00:08:48,959

hands off yourself for a month isn't

176

00:08:54,769 --> 00:08:51,660

always a bad decision

177

00:08:58,610 --> 00:08:54,779

scientists bulk at this claim

178

00:09:01,009 --> 00:08:58,620

but the truth remains why November why

179

00:09:04,790 --> 00:09:01,019

is it no not November is that preparing

180

00:09:05,990 --> 00:09:04,800

for December for the Santa claustrum for

181

00:09:09,230 --> 00:09:06,000

Christmas

182

00:09:10,250 --> 00:09:09,240

so let's go back let's go back a ways in

183

00:09:13,370 --> 00:09:10,260

fact

184

00:09:16,430 --> 00:09:13,380

let's take Judaism which is the world's

185

00:09:19,250 --> 00:09:16,440

oldest monotheistic religion dating back

186

00:09:22,490 --> 00:09:19,260

nearly 4 000 years

187

00:09:24,650 --> 00:09:22,500

followers of Judaism believe in one God

188

00:09:25,970 --> 00:09:24,660

who revealed himself through ancient

189

00:09:28,610 --> 00:09:25,980

Prophets

190

00:09:31,130 --> 00:09:28,620

the history of Judaism is essential to

191

00:09:33,530 --> 00:09:31,140

understanding not only the Jewish faith

192

00:09:36,410 --> 00:09:33,540

but every other faith

193

00:09:37,490 --> 00:09:36,420

which has a rich Heritage of law culture

194

00:09:39,710 --> 00:09:37,500

and tradition

195

00:09:42,350 --> 00:09:39,720

so what are their thoughts on all of

196

00:09:44,150 --> 00:09:42,360

this is this all just crazy conspiracy

197

00:09:48,650 --> 00:09:44,160

Maybe

198

00:09:52,310 --> 00:09:48,660

let's take the subject of masturbation

199

00:09:53,449 --> 00:09:52,320

Jewish law clearly prohibits male

200

00:09:56,570 --> 00:09:53,459

masturbation

201

00:10:01,910 --> 00:09:56,580

this law is derived from the story of

202

00:10:04,610 --> 00:10:01,920

onon Genesis 38 8-10 who practice coitus

203

00:10:06,949 --> 00:10:04,620

interruptus as a means of birth control

204

00:10:10,550 --> 00:10:06,959

to avoid fathering a child for his

205

00:10:17,210 --> 00:10:14,389

God killed onon for this sin although

206

00:10:19,850 --> 00:10:17,220

anand's Act was not truly

207

00:10:22,250 --> 00:10:19,860

masturbation Jewish law takes a very

208

00:10:26,810 --> 00:10:22,260

broad view of the acts prohibited by

209

00:10:30,650 --> 00:10:26,820

this passage and forbids any Act

210

00:10:33,829 --> 00:10:30,660

that is destruction of the seed

211

00:10:38,150 --> 00:10:33,839

okay so we are up in the business we are

212

00:10:41,570 --> 00:10:38,160

in the old belief systems the old

213

00:10:44,569 --> 00:10:41,580

religions the old stories

214

00:10:47,509 --> 00:10:44,579

we are talking about the Divine male

215

00:10:50,870 --> 00:10:47,519

seed and destruction of the seed so

216

00:10:52,550 --> 00:10:50,880

abstinence or no nut November in more

217

00:10:53,530 --> 00:10:52,560

modern times whatever you want to call

218

00:10:56,389 --> 00:10:53,540

it

219

00:11:00,850 --> 00:10:56,399

participating in this

220

00:11:04,850 --> 00:11:00,860

Santa claustrum regeneration ritual

221

00:11:06,470 --> 00:11:04,860

has a long history so let's get into a

222

00:11:09,050 --> 00:11:06,480

little bit I mean we're already in the

223

00:11:11,930 --> 00:11:09,060

muck I don't like to get all religious

224

00:11:15,050 --> 00:11:11,940

or into biblical and other religions

225

00:11:17,750 --> 00:11:15,060

texts but it's so important to

226

00:11:20,810 --> 00:11:17,760

understand the occult symbolism the

227

00:11:23,329 --> 00:11:20,820

esoteric symbolism and

228

00:11:27,470 --> 00:11:23,339

much of this comes from ancient religion

229

00:11:31,190 --> 00:11:27,480

so why would a God kill a man for

230

00:11:35,030 --> 00:11:33,650

there's much talk of seeds seeds of

231

00:11:37,430 --> 00:11:35,040

Destruction and we'll get into that

232

00:11:40,130 --> 00:11:37,440

later that's a little bit different but

233

00:11:42,230 --> 00:11:40,140

why why would he kill onon for spilling

234

00:11:44,930 --> 00:11:42,240

his seed on the ground as recorded in

235

00:11:48,350 --> 00:11:44,940

genus Genesis

236

00:11:51,110 --> 00:11:48,360

is that really worthy of death well the

237

00:11:51,949 --> 00:11:51,120

answer lies in the legal custom of the

238

00:11:54,230 --> 00:11:51,959

time

239

00:11:57,470 --> 00:11:54,240

he refused to carry out his familial

240

00:11:58,610 --> 00:11:57,480

obligations of producing Offspring for

241

00:12:01,670 --> 00:11:58,620

his brother

242

00:12:04,490 --> 00:12:01,680

as odd as this may sound to the modern

243

00:12:08,150 --> 00:12:04,500

ear in that culture in that time

244

00:12:10,190 --> 00:12:08,160

relatives needed to produce seed for a

245

00:12:14,329 --> 00:12:10,200

deceased relative under certain

246

00:12:17,090 --> 00:12:14,339

circumstances onon did not and he got

247

00:12:21,350 --> 00:12:17,100

the consequences

248

00:12:23,930 --> 00:12:21,360

Genesis 38 9 says and on new that The

249

00:12:26,750 --> 00:12:23,940

Offspring would not be his so it came

250

00:12:29,150 --> 00:12:26,760

about that when he went into his

251
00:12:31,730 --> 00:12:29,160
brother's wife he wasted his seat on the

252
00:12:33,050 --> 00:12:31,740
ground in order not to give Offspring to

253
00:12:38,150 --> 00:12:33,060
his brother

254
00:12:42,769 --> 00:12:41,810
scenarios why would Onan believe that

255
00:12:44,930 --> 00:12:42,779
the

256
00:12:47,090 --> 00:12:44,940
child would not be his but it would

257
00:12:49,730 --> 00:12:47,100
somehow be his brother working through

258
00:12:50,990 --> 00:12:49,740
him although he was deceased

259
00:12:53,090 --> 00:12:51,000
well

260
00:12:55,910 --> 00:12:53,100
that was the obligation

261
00:12:58,310 --> 00:12:55,920
in the law of the time and marriage is

262
00:13:00,110 --> 00:12:58,320
the basis of that practice so to disobey

263
00:13:03,310 --> 00:13:00,120

it in that culture and in that time was

264

00:13:06,290 --> 00:13:03,320

to disobey God so some pretty serious

265

00:13:07,129 --> 00:13:06,300

esoteric symbolism here to believe that

266

00:13:09,110 --> 00:13:07,139

his

267

00:13:12,170 --> 00:13:09,120

deceased brother could somehow

268

00:13:15,410 --> 00:13:12,180

materialize and realize a child through

269

00:13:19,790 --> 00:13:15,420

him or at least it appears that way

270

00:13:21,710 --> 00:13:19,800

I mean that's some heavy heavy magic I

271

00:13:24,350 --> 00:13:21,720

don't care what form of magic you're

272

00:13:26,389 --> 00:13:24,360

practicing this is some heavy stuff

273

00:13:27,290 --> 00:13:26,399

and it's right there in the Bible this

274

00:13:30,590 --> 00:13:27,300

is

275

00:13:33,350 --> 00:13:30,600

not so esoteric occult or hidden as some

276

00:13:35,870 --> 00:13:33,360

of the mystery schools and teachings of

277

00:13:37,910 --> 00:13:35,880

other secret societies this is out in

278

00:13:42,050 --> 00:13:37,920

plain sight for the most part

279

00:13:43,910 --> 00:13:42,060

okay so I know what you're thinking okay

280

00:13:48,230 --> 00:13:43,920

you found

281

00:13:50,509 --> 00:13:48,240

one example of a Bible verse about

282

00:13:53,509 --> 00:13:50,519

spilling your seed on the ground

283

00:13:56,569 --> 00:13:53,519

and this is being taken out of

284

00:13:59,690 --> 00:13:56,579

out of perspective trying to tie it in

285

00:14:01,970 --> 00:13:59,700

with the Santa claustrum which gets all

286

00:14:05,629 --> 00:14:01,980

into the word 33

287

00:14:07,670 --> 00:14:05,639

as you so so shall you reap Freemasonry

288

00:14:09,110 --> 00:14:07,680

the number 33 it goes on and on and on

289

00:14:10,790 --> 00:14:09,120

you probably think I'm just grasping a

290

00:14:12,829 --> 00:14:10,800

Straw's hair however

291

00:14:15,050 --> 00:14:12,839

this is not the only Bible verse talking

292

00:14:18,949 --> 00:14:15,060

about spilling your seed on the ground

293

00:14:22,310 --> 00:14:18,959

there are 31 Bible verses about spilling

294

00:14:25,550 --> 00:14:22,320

your seed on the ground and I would

295

00:14:29,569 --> 00:14:25,560

venture to conclude that there are two

296

00:14:31,310 --> 00:14:29,579

more that through dissemination of topic

297

00:14:33,410 --> 00:14:31,320

and symbolism

298

00:14:35,750 --> 00:14:33,420

could be added to this

299

00:14:38,389 --> 00:14:35,760

that would bring the number to 33 and

300

00:14:40,069 --> 00:14:38,399

I'm not the only one that believes that

301

00:14:43,129 --> 00:14:40,079

there may be more

302

00:14:45,470 --> 00:14:43,139

is this a coincidence that there are 33

303

00:14:48,230 --> 00:14:45,480

possible Bible verses having to do with

304

00:14:51,530 --> 00:14:48,240

spilling your seed on the ground 31 that

305

00:14:54,050 --> 00:14:51,540

are agreed upon by all theologians

306

00:14:56,030 --> 00:14:54,060

and a possible two more

307

00:14:59,269 --> 00:14:56,040

that I would venture and others as well

308

00:15:01,009 --> 00:14:59,279

may have symbolism and characteristics

309

00:15:04,129 --> 00:15:01,019

having to do with the same topic

310

00:15:07,790 --> 00:15:04,139

bringing the number to 33 more likely

311

00:15:10,550 --> 00:15:07,800

not coincidental 33 is a big number not

312

00:15:14,210 --> 00:15:10,560

only in Freemasonry mystery religions

313

00:15:16,670 --> 00:15:14,220

the occult the esoteric and come

314

00:15:18,769 --> 00:15:16,680

Christmas time in Easter 33 is kind of

315

00:15:19,790 --> 00:15:18,779

the place to be it's the number of

316

00:15:22,730 --> 00:15:19,800

choice

317

00:15:25,009 --> 00:15:22,740

not to mention it is the number 11 an

318

00:15:27,170 --> 00:15:25,019

Angelic number times three

319

00:15:29,689 --> 00:15:27,180

three as in the trinity

320

00:15:33,350 --> 00:15:29,699

Father Son and the Holy Spirit

321

00:15:36,710 --> 00:15:33,360

but let's get into the mystery religions

322

00:15:40,490 --> 00:15:36,720

the secret societies Freemasonry the

323

00:15:43,310 --> 00:15:40,500

occult the esoteric natural law is what

324

00:15:46,910 --> 00:15:43,320

we're talking about that is it natural

325

00:15:50,509 --> 00:15:46,920

law and when it comes to the seed

326

00:15:53,269 --> 00:15:50,519

or male quote-unquote orgasm or the seed

327

00:15:55,970 --> 00:15:53,279

that is sowed which there are a lot of

328

00:15:59,150 --> 00:15:55,980

farming references in the Bible that are

329

00:16:01,250 --> 00:15:59,160

actually kind of code for this and not

330

00:16:02,750 --> 00:16:01,260

necessarily farming

331

00:16:06,170 --> 00:16:02,760

so

332

00:16:08,269 --> 00:16:06,180

back to natural law because of its

333

00:16:09,530 --> 00:16:08,279

Divine Institution for the propagation

334

00:16:12,050 --> 00:16:09,540

of man

335

00:16:14,990 --> 00:16:12,060

the quote-unquote seed is not to be

336

00:16:18,170 --> 00:16:15,000

vainly ejaculated nor is it to be

337

00:16:19,430 --> 00:16:18,180

damaged nor is it to be wasted to have

338

00:16:22,430 --> 00:16:19,440

coitus

339

00:16:26,329 --> 00:16:22,440

other than to procreate children is to

340

00:16:27,410 --> 00:16:26,339

do injury to Nature and abuse natural

341

00:16:30,650 --> 00:16:27,420

law

342

00:16:34,790 --> 00:16:30,660

so let's get into some of this Fringe

343

00:16:36,650 --> 00:16:34,800

darker mystery School esoteric

344

00:16:39,769 --> 00:16:36,660

a cult

345

00:16:42,530 --> 00:16:39,779

secret society

346

00:16:44,389 --> 00:16:42,540

subject matter that is not as mainstream

347

00:16:46,910 --> 00:16:44,399

not as easy to find

348

00:16:50,090 --> 00:16:46,920

and one of those is the doctrine of the

349

00:16:54,170 --> 00:16:50,100

serpent seed also known as the Dual seed

350

00:16:56,870 --> 00:16:54,180

or the two seed line Doctrine this is

351
00:16:59,389 --> 00:16:56,880
super controversial and French

352
00:17:00,889 --> 00:16:59,399
because Christians don't really like to

353
00:17:03,170 --> 00:17:00,899
talk about this

354
00:17:06,470 --> 00:17:03,180
it is the religious belief which

355
00:17:09,169 --> 00:17:06,480
explains the biblical account of the

356
00:17:12,829 --> 00:17:09,179
fall of Man by stating that the serpent

357
00:17:15,890 --> 00:17:12,839
in the Garden of Eden mated with Eve

358
00:17:17,689 --> 00:17:15,900
and The Offspring of their Union was

359
00:17:20,929 --> 00:17:17,699
Cain

360
00:17:23,750 --> 00:17:20,939
this event resulted in the creation of

361
00:17:26,090 --> 00:17:23,760
two races of people

362
00:17:28,429 --> 00:17:26,100
the wicked descendants of the serpent

363
00:17:30,710 --> 00:17:28,439

the lizard people

364

00:17:33,110 --> 00:17:30,720

or the reptilians if you want to call

365

00:17:34,490 --> 00:17:33,120

them that who were destined for

366

00:17:37,090 --> 00:17:34,500

damnation

367

00:17:41,330 --> 00:17:37,100

and the righteous descendants of Adam

368

00:17:44,090 --> 00:17:41,340

who were destined to have eternal life

369

00:17:47,630 --> 00:17:44,100

now the doctrine frames human history is

370

00:17:49,730 --> 00:17:47,640

a conflict between these two races in

371

00:17:52,669 --> 00:17:49,740

which the descendants of Adam will

372

00:17:55,970 --> 00:17:52,679

eventually triumph over the descendants

373

00:17:58,190 --> 00:17:55,980

of the serpent or The Reptilian brained

374

00:18:01,669 --> 00:17:58,200

elements of the teaching appear in early

375

00:18:04,610 --> 00:18:01,679

Gnostic writings of valentinus

376

00:18:08,029 --> 00:18:04,620

that was the year 100 to 160 and the

377

00:18:10,610 --> 00:18:08,039

Gospel of Philip 350 mainstream

378

00:18:13,130 --> 00:18:10,620

Christian teachers rejected the serpent

379

00:18:15,830 --> 00:18:13,140

seat Doctrine as heresy for good reason

380

00:18:18,890 --> 00:18:15,840

I mean this is some Blasphemous stuff

381

00:18:21,169 --> 00:18:18,900

especially during the Gnostic period

382

00:18:23,930 --> 00:18:21,179

an early Church Father described the

383

00:18:26,570 --> 00:18:23,940

Gnostic Doctrine that the original sin

384

00:18:30,470 --> 00:18:26,580

was adultery between Eve and The Serpent

385

00:18:33,169 --> 00:18:30,480

and explicitly rejected it claimed it

386

00:18:35,150 --> 00:18:33,179

was heresy in his book against heresies

387

00:18:36,710 --> 00:18:35,160

in the Middle Ages the concept also

388

00:18:40,250 --> 00:18:36,720

appeared in the Jewish literature

389

00:18:42,650 --> 00:18:40,260

including the targum pseudo-jonathan

390

00:18:45,470 --> 00:18:42,660

during the 19th century the Serpent's

391

00:18:47,570 --> 00:18:45,480

Seed doctrine was reviewed by American

392

00:18:50,810 --> 00:18:47,580

religious leaders who wanted to promote

393

00:18:52,850 --> 00:18:50,820

white supremacy the modern versions of

394

00:18:55,130 --> 00:18:52,860

the serpent Seed doctrine were developed

395

00:18:59,390 --> 00:18:55,140

within the teachings of the British

396

00:19:02,169 --> 00:18:59,400

israelism by c.a.l Toten and Russell

397

00:19:05,450 --> 00:19:02,179

Kelso Carter

398

00:19:07,549 --> 00:19:05,460

teachers of Christian identity theology

399

00:19:10,850 --> 00:19:07,559

which branched off from British

400

00:19:13,190 --> 00:19:10,860

israelism preached the doctrine during

401
00:19:15,590 --> 00:19:13,200
the earliest 20th century and promoted

402
00:19:18,529 --> 00:19:15,600
it with the Klu Klux Klan Aryan Nations

403
00:19:21,529 --> 00:19:18,539
and the American Nazi party and other

404
00:19:24,049 --> 00:19:21,539
white supremacist organizations the

405
00:19:27,470 --> 00:19:24,059
beliefs adherents commonly use it to

406
00:19:29,330 --> 00:19:27,480
justify anti-Semitism and racism by

407
00:19:31,610 --> 00:19:29,340
claiming that Jews or members of

408
00:19:34,850 --> 00:19:31,620
non-white races are the descendants of

409
00:19:37,669 --> 00:19:34,860
Cain and the serpent

410
00:19:41,090 --> 00:19:37,679
who they invariably interpret to be

411
00:19:43,490 --> 00:19:41,100
reptilian or to be messengers of Satan

412
00:19:47,090 --> 00:19:43,500
or an intelligent non-human creature

413
00:19:50,450 --> 00:19:47,100

which lived before Adam and Eve

414

00:19:53,870 --> 00:19:50,460

lizard people the lizards the reptilians

415

00:19:56,690 --> 00:19:53,880

The Reptilian brained possibly those

416

00:20:00,250 --> 00:19:56,700

whose minds work differently as related

417

00:20:03,529 --> 00:20:00,260

to materialism and wealth and power

418

00:20:06,350 --> 00:20:03,539

babylon's banksters the seed or the

419

00:20:09,049 --> 00:20:06,360

serpent seed teaching comes in several

420

00:20:11,870 --> 00:20:09,059

different forms and

421

00:20:13,490 --> 00:20:11,880

this is pretty crazy stuff because a lot

422

00:20:17,990 --> 00:20:13,500

of people believe that this is a modern

423

00:20:21,110 --> 00:20:18,000

idea that crazy conspiracy theories and

424

00:20:23,810 --> 00:20:21,120

crazy conspiracy theorists believe in

425

00:20:25,750 --> 00:20:23,820

lizard people in reptilian brained

426
00:20:27,409 --> 00:20:25,760
individuals

427
00:20:29,570 --> 00:20:27,419
reptoids

428
00:20:31,730 --> 00:20:29,580
those with a different thinking pattern

429
00:20:34,190 --> 00:20:31,740
or possibly

430
00:20:36,350 --> 00:20:34,200
channeling different energies from the

431
00:20:40,130 --> 00:20:36,360
cosmos than the rest of us

432
00:20:42,409 --> 00:20:40,140
I say us but hey who knows who's who and

433
00:20:46,549 --> 00:20:42,419
that's kind of the shape-shifting origin

434
00:20:49,789 --> 00:20:46,559
of these lizard people or the serpent

435
00:20:55,789 --> 00:20:52,430
dark nobilities if you want to call them

436
00:20:58,370 --> 00:20:55,799
that this is nothing new we tend to

437
00:21:01,549 --> 00:20:58,380
think that this is some Modern cultural

438
00:21:03,350 --> 00:21:01,559

phenomenon that a bunch of conspiracy

439

00:21:05,270 --> 00:21:03,360

theorists have latched on to because of

440

00:21:06,710 --> 00:21:05,280

David eichen

441

00:21:08,990 --> 00:21:06,720

since

442

00:21:11,409 --> 00:21:09,000

they heard of it they have run with the

443

00:21:15,049 --> 00:21:11,419

ball talking about lizard people

444

00:21:17,330 --> 00:21:15,059

reptilian brained individuals who have a

445

00:21:19,909 --> 00:21:17,340

different working at least

446

00:21:22,730 --> 00:21:19,919

intellectually and intelligently when it

447

00:21:27,169 --> 00:21:22,740

comes to material wealth and power

448

00:21:28,789 --> 00:21:27,179

they tend to become the elite or the

449

00:21:33,010 --> 00:21:28,799

elites

450

00:21:36,909 --> 00:21:33,020

the people in power the ruling class

451
00:21:40,310 --> 00:21:36,919
they have a unjust

452
00:21:43,430 --> 00:21:40,320
Advantage at gaining power

453
00:21:44,750 --> 00:21:43,440
gaining material wealth and the

454
00:21:48,710 --> 00:21:44,760
manipulation

455
00:21:51,169 --> 00:21:48,720
of finances so this is interesting

456
00:21:53,450 --> 00:21:51,179
because this is not a new modern crazy

457
00:21:55,789 --> 00:21:53,460
idea or conspiracy theory this is

458
00:21:58,250 --> 00:21:55,799
something that's been going on for a

459
00:22:01,850 --> 00:21:58,260
long long time this belief system has

460
00:22:03,649 --> 00:22:01,860
been held for a long long time nothing

461
00:22:04,870 --> 00:22:03,659
new Under the Sun here folks this is

462
00:22:08,810 --> 00:22:04,880
nothing new

463
00:22:11,330 --> 00:22:08,820

interestingly the unification Church

464

00:22:15,350 --> 00:22:11,340

has taught a version of the serpent seat

465

00:22:18,409 --> 00:22:15,360

Doctrine since at least 1961.

466

00:22:20,270 --> 00:22:18,419

Sun myung-moon taught that the fall of

467

00:22:23,390 --> 00:22:20,280

Man occurred when Eve was sexually

468

00:22:26,149 --> 00:22:23,400

seduced by Satan or the serpent The

469

00:22:28,970 --> 00:22:26,159

Reptilian and since then the human

470

00:22:31,669 --> 00:22:28,980

bloodline has been contaminated Moon

471

00:22:34,669 --> 00:22:31,679

believed that both Cain and Abel were

472

00:22:35,990 --> 00:22:34,679

physically descended from Adam and Eve

473

00:22:39,049 --> 00:22:36,000

however

474

00:22:43,070 --> 00:22:39,059

he taught that Cain is in the position

475

00:22:47,149 --> 00:22:43,080

of Satan's son kind of bringing us back

476
00:22:49,909 --> 00:22:47,159
to that magical idea of onon being able

477
00:22:51,950 --> 00:22:49,919
to carry the seed of his deceased

478
00:22:53,750 --> 00:22:51,960
brother but let's not constrain it to

479
00:22:55,310 --> 00:22:53,760
that there's more here

480
00:22:57,049 --> 00:22:55,320
a lot more

481
00:23:01,190 --> 00:22:57,059
and

482
00:23:03,710 --> 00:23:01,200
it is the position of those

483
00:23:05,930 --> 00:23:03,720
in the secular society and religious

484
00:23:08,990 --> 00:23:05,940
people

485
00:23:12,110 --> 00:23:09,000
that those outside of the unification

486
00:23:14,090 --> 00:23:12,120
Church were cane people members of the

487
00:23:16,310 --> 00:23:14,100
unification Church believe that through

488
00:23:19,370 --> 00:23:16,320

their holy marriage blessing ceremony

489

00:23:22,669 --> 00:23:19,380

married couples are removed from the

490

00:23:26,029 --> 00:23:22,679

lineage of Adam and Eve and grafted into

491

00:23:28,430 --> 00:23:26,039

God's sinless lineage as adopted

492

00:23:30,890 --> 00:23:28,440

children of their new Adam Sun

493

00:23:33,830 --> 00:23:30,900

myung-moon the first of these ceremonies

494

00:23:36,890 --> 00:23:33,840

occurred in 1961.

495

00:23:38,990 --> 00:23:36,900

So Adam and Eve fell by the sin of

496

00:23:41,450 --> 00:23:39,000

illicit love according to many a

497

00:23:44,450 --> 00:23:41,460

transgression that violated God's ideal

498

00:23:46,669 --> 00:23:44,460

of true love prior to the fall when they

499

00:23:49,789 --> 00:23:46,679

were constrained by the Commandment not

500

00:23:52,370 --> 00:23:49,799

to eat the fruit Adam and Eve were in

501
00:23:53,510 --> 00:23:52,380
imperfect states that is in their

502
00:23:55,909 --> 00:23:53,520
growing period

503
00:23:58,789 --> 00:23:55,919
the Archangel Lucifer or Satan

504
00:24:01,730 --> 00:23:58,799
symbolized by the serpent tempted Eve

505
00:24:03,950 --> 00:24:01,740
and she spiritually fell with him

506
00:24:06,490 --> 00:24:03,960
she then tempted Adam to eat the fruit

507
00:24:09,970 --> 00:24:06,500
before the time was ripe and they fell

508
00:24:13,430 --> 00:24:09,980
physically by this principle God divided

509
00:24:16,070 --> 00:24:13,440
Fallen Adam and Eve into two through

510
00:24:20,029 --> 00:24:16,080
their two children Cain represented

511
00:24:23,810 --> 00:24:20,039
Satan and Abel represented sinless Adam

512
00:24:26,450 --> 00:24:23,820
hence God placed Abel the second son in

513
00:24:28,490 --> 00:24:26,460

the internal position Abel represented

514

00:24:31,370 --> 00:24:28,500

the second love between Adam and Eve

515

00:24:34,010 --> 00:24:31,380

which contained fewer evil elements

516

00:24:34,850 --> 00:24:34,020

while Cain was the fruit of the first

517

00:24:37,190 --> 00:24:34,860

love

518

00:24:39,830 --> 00:24:37,200

makes sense I guess at least from a

519

00:24:42,230 --> 00:24:39,840

magical perspective God took Abel

520

00:24:44,450 --> 00:24:42,240

because Adam and Eve's relationship was

521

00:24:46,130 --> 00:24:44,460

more principled than their first

522

00:24:47,630 --> 00:24:46,140

relationship between Eve and the

523

00:24:50,710 --> 00:24:47,640

archangel

524

00:24:54,590 --> 00:24:50,720

pretty heavy stuff pretty heavy stuff

525

00:24:55,730 --> 00:24:54,600

and there is a ton of other people who

526
00:24:59,690 --> 00:24:55,740
believe

527
00:25:02,990 --> 00:24:59,700
that the serpent seat or the serpent DNA

528
00:25:06,289 --> 00:25:03,000
travels through human Bloodlines turning

529
00:25:10,370 --> 00:25:06,299
human beings into monsters

530
00:25:13,970 --> 00:25:10,380
that reptilian seed The Reptilian Brain

531
00:25:16,310 --> 00:25:13,980
the serpent seed or the lizard people or

532
00:25:18,770 --> 00:25:16,320
reptiles

533
00:25:21,470 --> 00:25:18,780
a lot to unpack here because it gets

534
00:25:25,549 --> 00:25:21,480
kind of crazy talking about Santa Claus

535
00:25:30,649 --> 00:25:25,559
and going back connecting the dots

536
00:25:32,210 --> 00:25:30,659
to the Santa claustrum and it's symbolic

537
00:25:36,350 --> 00:25:32,220
history

538
00:25:39,590 --> 00:25:36,360

okay so this secretive substance

539

00:25:42,110 --> 00:25:39,600

the Santa Claus drum

540

00:25:44,930 --> 00:25:42,120

comes from your medulla makes the trip

541

00:25:47,330 --> 00:25:44,940

down your spine

542

00:25:50,110 --> 00:25:47,340

all the way down to the most sacred of

543

00:25:53,990 --> 00:25:50,120

spots the sacrum where it makes a U-turn

544

00:25:56,029 --> 00:25:54,000

and this is symbolized or symbolically

545

00:26:02,149 --> 00:25:56,039

represents Christ

546

00:26:07,370 --> 00:26:05,269

and if you do not squander this Divine

547

00:26:12,230 --> 00:26:07,380

Essence

548

00:26:17,330 --> 00:26:14,990

Heaven symbolically being represented by

549

00:26:20,930 --> 00:26:17,340

the human brain

550

00:26:23,210 --> 00:26:20,940

so this sacred secretion if you will the

551
00:26:24,470 --> 00:26:23,220
Santa claustrum

552
00:26:28,250 --> 00:26:24,480
is

553
00:26:30,169 --> 00:26:28,260
where that word Santa Claus comes from

554
00:26:32,510 --> 00:26:30,179
the one who brings you all the presence

555
00:26:34,370 --> 00:26:32,520
rewards you for your

556
00:26:36,890 --> 00:26:34,380
good behavior

557
00:26:40,850 --> 00:26:36,900
this sacred secretion

558
00:26:42,950 --> 00:26:40,860
goes down the spinal cord or down the

559
00:26:44,630 --> 00:26:42,960
chimney

560
00:26:50,149 --> 00:26:44,640
and

561
00:26:57,769 --> 00:26:53,090
so from the claustrum in your head there

562
00:27:05,450 --> 00:27:03,610
this fluid is most like a type of oil

563
00:27:08,810 --> 00:27:05,460

and

564

00:27:11,630 --> 00:27:08,820

in ancient times

565

00:27:12,890 --> 00:27:11,640

now what's really weird about this fluid

566

00:27:14,750 --> 00:27:12,900

this oil

567

00:27:16,669 --> 00:27:14,760

that comes from the claustrum in the

568

00:27:17,570 --> 00:27:16,679

brain in the center of the brain and

569

00:27:24,169 --> 00:27:17,580

goes

570

00:27:27,110 --> 00:27:24,179

down the spinal column to the sacrum

571

00:27:28,789 --> 00:27:27,120

this fluid was called the Christos in

572

00:27:31,510 --> 00:27:28,799

ancient times

573

00:27:34,970 --> 00:27:31,520

that is the Greek translation

574

00:27:37,490 --> 00:27:34,980

and where the word came from

575

00:27:41,390 --> 00:27:37,500

so this oil goes down the spinal cord

576

00:27:44,210 --> 00:27:41,400

and reaches the sacral plexus

577

00:27:45,710 --> 00:27:44,220

of course the word sacrum comes from the

578

00:27:47,630 --> 00:27:45,720

word sacred

579

00:27:49,130 --> 00:27:47,640

and at the bottom of the sacrum is the

580

00:27:51,830 --> 00:27:49,140

coccyx

581

00:27:54,890 --> 00:27:51,840

so the sacrum or the most sacred is

582

00:27:57,830 --> 00:27:54,900

where this U-turn takes place now the

583

00:28:01,669 --> 00:27:57,840

claustrum is also known as the holy

584

00:28:03,649 --> 00:28:01,679

claustrum because this oil

585

00:28:08,090 --> 00:28:03,659

is secreted

586

00:28:11,570 --> 00:28:08,100

now the word secretion and the word

587

00:28:15,649 --> 00:28:11,580

secret come from the same root

588

00:28:17,510 --> 00:28:15,659

that's no coincidence secretion

589

00:28:21,110 --> 00:28:17,520

and Secret

590

00:28:24,590 --> 00:28:21,120

this is a great secret of this secretion

591

00:28:27,529 --> 00:28:24,600

so this holy claustrum the Santa

592

00:28:30,649 --> 00:28:27,539

claustrum takes part in a real world

593

00:28:35,210 --> 00:28:30,659

Journey down and then back up a holy

594

00:28:37,190 --> 00:28:35,220

journey of regeneration Resurrection

595

00:28:39,769 --> 00:28:37,200

so every month when the moon is in the

596

00:28:45,409 --> 00:28:39,779

sign of the month when you were born

597

00:28:49,490 --> 00:28:45,419

there is a seed as ancient texts claim

598

00:28:51,649 --> 00:28:49,500

planted in the solar plexus of your body

599

00:28:54,350 --> 00:28:51,659

so you all know where the solar plexus

600

00:28:55,610 --> 00:28:54,360

is that is above the sacral plexus or

601
00:28:58,970 --> 00:28:55,620
the sacrum

602
00:29:00,950 --> 00:28:58,980
on the spinal cord for this in turn and

603
00:29:03,890 --> 00:29:00,960
purpose the solar plexus is known as

604
00:29:07,310 --> 00:29:03,900
Bethlehem where Christ is born

605
00:29:11,570 --> 00:29:07,320
that seed goes down

606
00:29:13,430 --> 00:29:11,580
regenerates is resurrected and goes back

607
00:29:16,370 --> 00:29:13,440
up to heaven

608
00:29:19,130 --> 00:29:16,380
Heaven symbolically being the

609
00:29:20,750 --> 00:29:19,140
Consciousness or the brain where the oil

610
00:29:23,149 --> 00:29:20,760
was produced

611
00:29:25,250 --> 00:29:23,159
the oil which gathered the seed in the

612
00:29:29,389 --> 00:29:25,260
solar plexus and went down

613
00:29:32,210 --> 00:29:29,399

now the vibration of the oil of this

614

00:29:34,210 --> 00:29:32,220

Christ Consciousness this oil the Santa

615

00:29:41,269 --> 00:29:34,220

claustrum

616

00:29:43,190 --> 00:29:41,279

differentiated in the pineal gland or

617

00:29:45,470 --> 00:29:43,200

the electric portion

618

00:29:48,409 --> 00:29:45,480

and the pituitary gland is a magnetic

619

00:29:52,130 --> 00:29:48,419

portion the oil is differentiated and

620

00:29:54,889 --> 00:29:52,140

brought down the spinal column

621

00:29:56,990 --> 00:29:54,899

it's brought down via the pingala and

622

00:29:59,510 --> 00:29:57,000

the Inda nerves

623

00:30:02,330 --> 00:29:59,520

otherwise known as the Kundalini and the

624

00:30:03,950 --> 00:30:02,340

kunda Buffa so it arrives at the solar

625

00:30:08,510 --> 00:30:03,960

plexus

626
00:30:12,529 --> 00:30:08,520
and it awaits the germination of the

627
00:30:14,090 --> 00:30:12,539
seed once a month 12 times a year from

628
00:30:17,389 --> 00:30:14,100
the cosmos

629
00:30:19,190 --> 00:30:17,399
if we're able to abstain or transmute

630
00:30:22,909 --> 00:30:19,200
that seed

631
00:30:25,850 --> 00:30:22,919
and cause it to rise again regenerate up

632
00:30:29,389 --> 00:30:25,860
the spinal cord it will reach the

633
00:30:31,190 --> 00:30:29,399
medulla the medulla oblongata

634
00:30:34,610 --> 00:30:31,200
and the midbrain

635
00:30:36,950 --> 00:30:34,620
and it will cross a nerve the nerve that

636
00:30:40,909 --> 00:30:36,960
comes from the pineal and pituitary

637
00:30:44,570 --> 00:30:40,919
glands known as the vagus nerve known to

638
00:30:47,630 --> 00:30:44,580

feed vital organs in the body as well as

639

00:30:49,370 --> 00:30:47,640

the lungs so this network of nerves is

640

00:30:50,330 --> 00:30:49,380

called the tree of life according to

641

00:30:53,750 --> 00:30:50,340

some

642

00:30:56,630 --> 00:30:53,760

so we are cosmically planted with the

643

00:30:59,750 --> 00:30:56,640

seed once a month and if you abstain

644

00:31:02,810 --> 00:30:59,760

from sexual relations

645

00:31:04,789 --> 00:31:02,820

that oil and Seed will be saved so

646

00:31:09,350 --> 00:31:04,799

through the heart chakra and through

647

00:31:12,350 --> 00:31:09,360

higher vibrations it will explode and it

648

00:31:14,570 --> 00:31:12,360

will also arrive it will arrive through

649

00:31:18,590 --> 00:31:14,580

proper diet through proper meditation

650

00:31:22,730 --> 00:31:18,600

through proper behavior and basically

651
00:31:25,850 --> 00:31:22,740
through clean living and such so you can

652
00:31:27,110 --> 00:31:25,860
raise that Christ that oil up the 33

653
00:31:30,169 --> 00:31:27,120
vertebrae

654
00:31:32,930 --> 00:31:30,179
to the top of the spinal column and it

655
00:31:34,850 --> 00:31:32,940
will get to the optic Thalamus an

656
00:31:38,090 --> 00:31:34,860
egg-shaped organ

657
00:31:40,310 --> 00:31:38,100
in the middle of the head

658
00:31:43,909 --> 00:31:40,320
and it crosses

659
00:31:47,149 --> 00:31:43,919
it will cross the pneumogastric nerve so

660
00:31:48,830 --> 00:31:47,159
the oil is then magnified one thousand

661
00:31:51,950 --> 00:31:48,840
times

662
00:31:55,370 --> 00:31:51,960
it will touch the optic thalamus

663
00:31:57,169 --> 00:31:55,380

and for two and a half days

664

00:31:58,970 --> 00:31:57,179

after two and a half days it will reach

665

00:32:01,549 --> 00:31:58,980

the pineal gland

666

00:32:05,149 --> 00:32:01,559

and it will illuminate the optic

667

00:32:07,610 --> 00:32:05,159

thalamus and the pineal gland

668

00:32:09,710 --> 00:32:07,620

bringing the illumination or the light

669

00:32:12,649 --> 00:32:09,720

of the world

670

00:32:15,049 --> 00:32:12,659

to the beholder so truly the pineal

671

00:32:16,610 --> 00:32:15,059

gland the third eye the enlightened

672

00:32:18,049 --> 00:32:16,620

portion of

673

00:32:20,450 --> 00:32:18,059

our bodies

674

00:32:23,269 --> 00:32:20,460

so two and a half days are roughly three

675

00:32:26,389 --> 00:32:23,279

days would bring about the resurrection

676

00:32:28,789 --> 00:32:26,399

of this oil and enlightenment

677

00:32:30,710 --> 00:32:28,799

what is The Enlightenment it suggested

678

00:32:35,389 --> 00:32:30,720

that millions and millions of brain

679

00:32:37,549 --> 00:32:35,399

cells that lay dormant would be awakened

680

00:32:39,289 --> 00:32:37,559

by this explosion

681

00:32:42,470 --> 00:32:39,299

and

682

00:32:47,029 --> 00:32:42,480

basically illumination would occur

683

00:32:49,730 --> 00:32:47,039

now alcohol drugs overeating fats of the

684

00:32:52,730 --> 00:32:49,740

unhealthy types

685

00:32:54,590 --> 00:32:52,740

will ruin all this

686

00:32:57,049 --> 00:32:54,600

this oil

687

00:33:00,350 --> 00:32:57,059

is the answer if you can regenerate it

688

00:33:03,049 --> 00:33:00,360

and bring it back to your brain

689

00:33:05,029 --> 00:33:03,059

according to many ancient belief systems

690

00:33:09,649 --> 00:33:05,039

and religions

691

00:33:11,149 --> 00:33:09,659

is the key to long life enlightenment

692

00:33:13,370 --> 00:33:11,159

and

693

00:33:17,090 --> 00:33:13,380

having that third eye

694

00:33:19,269 --> 00:33:17,100

or pineal gland clear and then

695

00:33:22,310 --> 00:33:19,279

illuminated

696

00:33:23,990 --> 00:33:22,320

now of course modern medicine will not

697

00:33:26,750 --> 00:33:24,000

tell you this they'll tell you the exact

698

00:33:28,190 --> 00:33:26,760

opposite that the more ejaculation you

699

00:33:31,789 --> 00:33:28,200

have the better you'll sleep the better

700

00:33:35,029 --> 00:33:31,799

you feel the better everything is

701
00:33:39,769 --> 00:33:35,039
this is an ancient belief system an

702
00:33:43,450 --> 00:33:39,779
occulted esoteric symbolic ritual

703
00:33:49,310 --> 00:33:43,460
that has gone on for millennia

704
00:33:51,230 --> 00:33:49,320
and has meaning Even in our very Anatomy

705
00:33:54,470 --> 00:33:51,240
the very names

706
00:33:57,710 --> 00:33:54,480
that are given to our body parts our

707
00:33:59,570 --> 00:33:57,720
bones our brain

708
00:34:01,430 --> 00:33:59,580
and

709
00:34:03,590 --> 00:34:01,440
you have to ask yourself

710
00:34:05,870 --> 00:34:03,600
who are you going to believe

711
00:34:09,829 --> 00:34:05,880
now of course everything that's been

712
00:34:11,690 --> 00:34:09,839
outlined is specifically for the natural

713
00:34:15,409 --> 00:34:11,700

formation

714

00:34:20,629 --> 00:34:19,369

process to reach this illumination or

715

00:34:24,169 --> 00:34:20,639

enlightenment

716

00:34:27,409 --> 00:34:24,179

as usual there is always other

717

00:34:29,750 --> 00:34:27,419

methods other programs that can be

718

00:34:32,270 --> 00:34:29,760

utilized and

719

00:34:35,990 --> 00:34:32,280

in this case

720

00:34:38,210 --> 00:34:36,000

as it suggested those of The Reptilian

721

00:34:39,889 --> 00:34:38,220

Brain to Nature the lizard people

722

00:34:43,129 --> 00:34:39,899

whatever you want to call them the

723

00:34:47,690 --> 00:34:43,139

reptoids the reptilians

724

00:34:49,790 --> 00:34:47,700

those who don't want to take the time to

725

00:34:55,010 --> 00:34:49,800

do this correctly through meditation

726
00:34:58,010 --> 00:34:55,020
diet abstinence the time the prayer

727
00:34:59,930 --> 00:34:58,020
the clean living the Purity and the

728
00:35:01,849 --> 00:34:59,940
Regeneration methods that have been

729
00:35:03,470 --> 00:35:01,859
previously

730
00:35:06,170 --> 00:35:03,480
outlined

731
00:35:07,670 --> 00:35:06,180
they have a shortcut I guess you would

732
00:35:10,130 --> 00:35:07,680
call it these

733
00:35:13,490 --> 00:35:10,140
these serpent

734
00:35:17,990 --> 00:35:13,500
blood lined reptilian

735
00:35:19,370 --> 00:35:18,000
like reptilian brained lizard people if

736
00:35:21,710 --> 00:35:19,380
you want to call them that or the

737
00:35:23,990 --> 00:35:21,720
reptilians the serpent

738
00:35:27,130 --> 00:35:24,000

type of the bloodline

739

00:35:30,890 --> 00:35:27,140

those who are looking for a shortcut as

740

00:35:36,050 --> 00:35:30,900

outlined in many historical texts many

741

00:35:40,310 --> 00:35:36,060

have heard of the Anunnaki and such and

742

00:35:43,849 --> 00:35:40,320

ormus or monatomic gold so

743

00:35:46,670 --> 00:35:43,859

the shortcut they use to reach the same

744

00:35:51,230 --> 00:35:46,680

Enlightenment is similar to just taking

745

00:35:55,910 --> 00:35:51,240

something to eventually get the same

746

00:35:59,030 --> 00:35:55,920

or similar effects however

747

00:36:01,609 --> 00:35:59,040

there are drawbacks number one it's

748

00:36:02,630 --> 00:36:01,619

difficult number two gold isn't

749

00:36:06,530 --> 00:36:02,640

everywhere

750

00:36:08,810 --> 00:36:06,540

number three this is obviously not the

751
00:36:13,069 --> 00:36:08,820
natural way to do it you know it's much

752
00:36:14,829 --> 00:36:13,079
like meditating deeply and heading to

753
00:36:19,010 --> 00:36:14,839
that

754
00:36:21,589 --> 00:36:19,020
higher plane in a natural form or just

755
00:36:23,450 --> 00:36:21,599
taking a drug or hallucinogen to get to

756
00:36:25,490 --> 00:36:23,460
the same place quickly

757
00:36:27,710 --> 00:36:25,500
however we're talking about a different

758
00:36:30,650 --> 00:36:27,720
type of experience

759
00:36:33,349 --> 00:36:30,660
so monatomic gold or ormus

760
00:36:35,990 --> 00:36:33,359
is a type of gold that is alchemically

761
00:36:37,790 --> 00:36:36,000
produced from gold itself or other

762
00:36:40,010 --> 00:36:37,800
materials depending on

763
00:36:42,589 --> 00:36:40,020

your method of creating this or

764

00:36:44,089 --> 00:36:42,599

synthesizing this

765

00:36:48,310 --> 00:36:44,099

and

766

00:36:51,950 --> 00:36:48,320

as Zechariah stitchin outlined these

767

00:36:55,150 --> 00:36:51,960

reptilian brained or alien

768

00:36:58,550 --> 00:36:55,160

quote unquote races

769

00:37:00,950 --> 00:36:58,560

were very interested in uh having humans

770

00:37:03,349 --> 00:37:00,960

mine gold getting as much gold as they

771

00:37:05,210 --> 00:37:03,359

could get their hands on and it's not

772

00:37:09,290 --> 00:37:05,220

only for material wealth although that

773

00:37:11,870 --> 00:37:09,300

is important and has a lot of uh

774

00:37:15,050 --> 00:37:11,880

importance from a financial standpoint

775

00:37:18,349 --> 00:37:15,060

but there is also other

776

00:37:20,870 --> 00:37:18,359

parts that have a lot to do with why

777

00:37:23,810 --> 00:37:20,880

they would be mining gold possibly to

778

00:37:27,349 --> 00:37:23,820

turn it into a monatomic chemical

779

00:37:31,730 --> 00:37:27,359

through alchemical procedures you can

780

00:37:34,370 --> 00:37:31,740

bake or miss or monatomic gold and this

781

00:37:37,430 --> 00:37:34,380

is a supplement of sorts which does the

782

00:37:40,190 --> 00:37:37,440

same thing decalcifies the pineal gland

783

00:37:43,670 --> 00:37:40,200

with an explosion of

784

00:37:46,130 --> 00:37:43,680

this type of Consciousness Enlightenment

785

00:37:48,829 --> 00:37:46,140

or illumination however it is not

786

00:37:51,290 --> 00:37:48,839

naturally occurring this would be

787

00:37:53,030 --> 00:37:51,300

taking something or a substance to make

788

00:37:56,030 --> 00:37:53,040

this happen

789

00:37:58,430 --> 00:37:56,040

according to Sumerian records the first

790

00:38:01,390 --> 00:37:58,440

place they searched for this gold was in

791

00:38:04,089 --> 00:38:01,400

the Persian Gulf in the sea

792

00:38:06,829 --> 00:38:04,099

chroniclers of the Anunnaki Saga

793

00:38:09,770 --> 00:38:06,839

including the highly regarded Zechariah

794

00:38:11,810 --> 00:38:09,780

stitchin have taken it for granted that

795

00:38:14,210 --> 00:38:11,820

the gold of the Anunnaki

796

00:38:16,849 --> 00:38:14,220

that same gold they were prospecting for

797

00:38:18,170 --> 00:38:16,859

out of the ocean or in the sea was

798

00:38:21,170 --> 00:38:18,180

regular gold

799

00:38:24,230 --> 00:38:21,180

many others and myself maintained that

800

00:38:26,150 --> 00:38:24,240

it was not they were after monatomic

801

00:38:28,910 --> 00:38:26,160

gold or ormus

802

00:38:33,589 --> 00:38:28,920

and if in fact they came across regular

803

00:38:37,250 --> 00:38:33,599

gold it would be immediately placed into

804

00:38:39,890 --> 00:38:37,260

an alchemical procedure to turn it in to

805

00:38:42,710 --> 00:38:39,900

ormus or monatomic gold this is what

806

00:38:44,870 --> 00:38:42,720

they were truly after they wanted their

807

00:38:47,630 --> 00:38:44,880

supplement they rather find the

808

00:38:49,670 --> 00:38:47,640

monatomic gold or the ormus in its

809

00:38:51,770 --> 00:38:49,680

natural state and natural form however

810

00:38:54,050 --> 00:38:51,780

if they found regular gold

811

00:38:55,790 --> 00:38:54,060

that would do and suffice however it

812

00:38:58,550 --> 00:38:55,800

would take longer to run it through the

813

00:39:00,950 --> 00:38:58,560

procedure to make it monatomic gold so

814

00:39:04,609 --> 00:39:00,960

inherently they wanted the good stuff

815

00:39:06,770 --> 00:39:04,619

the monatomic the ormus primarily it is

816

00:39:10,609 --> 00:39:06,780

my belief that their lives were

817

00:39:13,370 --> 00:39:10,619

extremely prolonged by the ormus this

818

00:39:17,329 --> 00:39:13,380

supplement this monatomic gold

819

00:39:19,910 --> 00:39:17,339

and as many are very familiar with this

820

00:39:23,810 --> 00:39:19,920

amazing substance has healing qualities

821

00:39:25,910 --> 00:39:23,820

as well and it would prolong their lives

822

00:39:29,450 --> 00:39:25,920

practically

823

00:39:32,870 --> 00:39:29,460

infinitely prolong their lives because

824

00:39:34,970 --> 00:39:32,880

of its anti-aging properties and it's

825

00:39:36,950 --> 00:39:34,980

innately medicinal

826

00:39:40,130 --> 00:39:36,960

chemical structure

827

00:39:43,069 --> 00:39:40,140

as I said before if they came across

828

00:39:45,650 --> 00:39:43,079

regular gold this was all fair and well

829

00:39:48,770 --> 00:39:45,660

because they were after Financial wealth

830

00:39:50,810 --> 00:39:48,780

and well-being in the material plane as

831

00:39:53,270 --> 00:39:50,820

well this would work they would

832

00:39:57,589 --> 00:39:53,280

definitely hoard that away stack that up

833

00:39:59,750 --> 00:39:57,599

and keep it however inherently they were

834

00:40:01,310 --> 00:39:59,760

looking for the cream of the crop they

835

00:40:04,250 --> 00:40:01,320

were looking for the frosting on the

836

00:40:08,329 --> 00:40:04,260

cake they were looking for Manna From

837

00:40:11,270 --> 00:40:08,339

Heaven or ormus monatomic gold again

838

00:40:14,329 --> 00:40:11,280

to reproduce and create the same effects

839

00:40:17,210 --> 00:40:14,339

as the Santa claustrum however by

840

00:40:20,630 --> 00:40:17,220

different means because they

841

00:40:23,829 --> 00:40:20,640

could they had different ideas and

842

00:40:25,490 --> 00:40:23,839

different ways of getting the same

843

00:40:27,589 --> 00:40:25,500

experience

844

00:40:30,890 --> 00:40:27,599

the same longevity

845

00:40:34,490 --> 00:40:30,900

and the same illumination or

846

00:40:35,690 --> 00:40:34,500

Consciousness enhancement

847

00:40:37,430 --> 00:40:35,700

but again

848

00:40:40,310 --> 00:40:37,440

reproducing it

849

00:40:44,390 --> 00:40:40,320

in a material way instead of a mindful

850

00:40:48,250 --> 00:40:44,400

way another important factoid is

851
00:40:51,290 --> 00:40:48,260
why longevity why ormus why would this

852
00:40:54,050 --> 00:40:51,300
enhance enlighten

853
00:40:56,150 --> 00:40:54,060
create this Consciousness this pineal

854
00:40:58,430 --> 00:40:56,160
gland would open right up allowing

855
00:41:01,250 --> 00:40:58,440
illumination and

856
00:41:02,690 --> 00:41:01,260
these entities would vibrate at a higher

857
00:41:05,270 --> 00:41:02,700
frequency well

858
00:41:06,710 --> 00:41:05,280
when a body is deemed dead

859
00:41:08,410 --> 00:41:06,720
it is

860
00:41:11,329 --> 00:41:08,420
no longer

861
00:41:14,030 --> 00:41:11,339
maintaining electrical current

862
00:41:18,230 --> 00:41:14,040
through the body through a variety of

863
00:41:21,109 --> 00:41:18,240

tests a morgue can show that the body no

864

00:41:23,270 --> 00:41:21,119

longer has electrical functionality

865

00:41:25,849 --> 00:41:23,280

there are no longer electrical

866

00:41:29,870 --> 00:41:25,859

wavelengths taking place nothing is

867

00:41:32,390 --> 00:41:29,880

firing nothing is moving and electricity

868

00:41:34,910 --> 00:41:32,400

is what keeps the body alive

869

00:41:36,230 --> 00:41:34,920

so let's fast forward a bit

870

00:41:38,810 --> 00:41:36,240

because

871

00:41:40,790 --> 00:41:38,820

when ormus is ingested in sufficient

872

00:41:43,010 --> 00:41:40,800

quantities it increases the

873

00:41:46,069 --> 00:41:43,020

superconductivity of the cells by a

874

00:41:48,230 --> 00:41:46,079

factor of ten thousand

875

00:41:51,829 --> 00:41:48,240

when that happens the person will shine

876

00:41:53,810 --> 00:41:51,839

like the sun this is where I maintain

877

00:41:58,069 --> 00:41:53,820

that it is possible

878

00:42:00,950 --> 00:41:58,079

the historic records of the Anunnaki

879

00:42:04,190 --> 00:42:00,960

being sometimes defined and referred to

880

00:42:06,410 --> 00:42:04,200

as The Shining ones was making reference

881

00:42:10,490 --> 00:42:06,420

to the consumption of ormus the

882

00:42:11,870 --> 00:42:10,500

monatomic white powder of gold it would

883

00:42:14,690 --> 00:42:11,880

have this effect

884

00:42:16,790 --> 00:42:14,700

you have to remember that we are

885

00:42:19,190 --> 00:42:16,800

electrical beings we generate

886

00:42:22,370 --> 00:42:19,200

electricity and we are powered therefore

887

00:42:26,710 --> 00:42:24,410

without electricity our hearts don't

888

00:42:30,650 --> 00:42:26,720

beat our brains don't fire and

889

00:42:32,870 --> 00:42:30,660

eventually we are pronounced dead

890

00:42:35,210 --> 00:42:32,880

electricity allows our nervous system

891

00:42:38,810 --> 00:42:35,220

which permeates every part of the body

892

00:42:40,790 --> 00:42:38,820

detects signals to our brain

893

00:42:42,730 --> 00:42:40,800

so would one shine if they were

894

00:42:45,710 --> 00:42:42,740

illuminated well you would think so

895

00:42:49,490 --> 00:42:45,720

illumination literally means

896

00:42:53,990 --> 00:42:49,500

the light shining upon someone and in

897

00:42:56,329 --> 00:42:54,000

Exodus 34 29 through 35 it is written

898

00:42:57,650 --> 00:42:56,339

that when Moses descended down Mount

899

00:43:00,770 --> 00:42:57,660

Sinai

900

00:43:03,230 --> 00:43:00,780

after speaking with God his face was so

901
00:43:05,930 --> 00:43:03,240
radiant that he had to put a veil over

902
00:43:07,970 --> 00:43:05,940
it before he could talk

903
00:43:10,490 --> 00:43:07,980
to the people below

904
00:43:12,890 --> 00:43:10,500
so it only makes sense that if an entity

905
00:43:16,849 --> 00:43:12,900
is achieving the same level of

906
00:43:19,970 --> 00:43:16,859
Illumination by means of these

907
00:43:22,250 --> 00:43:19,980
substances of monatomic gold intake and

908
00:43:24,349 --> 00:43:22,260
ormus as it's known

909
00:43:26,390 --> 00:43:24,359
the same would be true

910
00:43:30,650 --> 00:43:26,400
they could be

911
00:43:33,530 --> 00:43:30,660
seen and possibly named The Shining ones

912
00:43:36,650 --> 00:43:33,540
as the Anunnaki were

913
00:43:39,349 --> 00:43:36,660

from a medicinal perspective something

914

00:43:42,650 --> 00:43:39,359

to note is that while gold therapy is

915

00:43:45,190 --> 00:43:42,660

only occasionally used here in the West

916

00:43:49,190 --> 00:43:45,200

in India the use of gold in the form of

917

00:43:51,530 --> 00:43:49,200

bosma oxide and foil is quite extensive

918

00:43:54,829 --> 00:43:51,540

in the Indigenous system of medicine

919

00:43:56,510 --> 00:43:54,839

there in addition many preparations are

920

00:43:59,030 --> 00:43:56,520

available in the market even without a

921

00:44:02,390 --> 00:43:59,040

prescription which are widely consumed

922

00:44:05,089 --> 00:44:02,400

mainly as aphrodisiac tonics

923

00:44:06,770 --> 00:44:05,099

with such a widely prevalent use of gold

924

00:44:09,349 --> 00:44:06,780

in India and they have a lot of gold

925

00:44:11,510 --> 00:44:09,359

there I don't know if you've gone there

926

00:44:13,550 --> 00:44:11,520

and seen their gold it is much more

927

00:44:16,730 --> 00:44:13,560

yellow than the gold we typically have

928

00:44:18,770 --> 00:44:16,740

here but it is high quality gold and its

929

00:44:22,370 --> 00:44:18,780

natural to ask whether chronic gold

930

00:44:25,490 --> 00:44:22,380

ingestion affects blood chemistry there

931

00:44:27,530 --> 00:44:25,500

now the product itself or the material

932

00:44:31,250 --> 00:44:27,540

we're discussing ormus

933

00:44:34,910 --> 00:44:31,260

the white powder is an isolate

934

00:44:38,329 --> 00:44:34,920

it is orbitally rearranged monatomic

935

00:44:41,150 --> 00:44:38,339

elements not metallic gold

936

00:44:45,290 --> 00:44:41,160

as I said it's a white powder

937

00:44:48,609 --> 00:44:45,300

it is gold that is not metal bonded

938

00:44:53,329 --> 00:44:48,619

of the gold that emanates from volcanoes

939

00:44:56,270 --> 00:44:53,339

interestingly 98 of it is ormus

940

00:44:59,150 --> 00:44:56,280

and two percent is metallic

941

00:45:02,809 --> 00:44:59,160

ormus can also be found in seawater as

942

00:45:06,349 --> 00:45:02,819

the Sumerians wrote in their records

943

00:45:08,030 --> 00:45:06,359

about the Anunnaki searching for gold in

944

00:45:11,210 --> 00:45:08,040

the sea water

945

00:45:12,950 --> 00:45:11,220

there are many medical benefits that

946

00:45:15,230 --> 00:45:12,960

people purport

947

00:45:17,750 --> 00:45:15,240

from ormus

948

00:45:22,370 --> 00:45:17,760

whether it's curing cancer

949

00:45:25,010 --> 00:45:22,380

raising white blood cells in sick people

950

00:45:27,770 --> 00:45:25,020

or healing

951
00:45:30,589 --> 00:45:27,780
just about anything you can imagine

952
00:45:33,890 --> 00:45:30,599
many have recorded

953
00:45:36,650 --> 00:45:33,900
data showing that this takes place

954
00:45:40,430 --> 00:45:36,660
or miss or monatomic gold also seems to

955
00:45:43,849 --> 00:45:40,440
have properties of quantum entanglement

956
00:45:46,930 --> 00:45:43,859
the alchemical Tails ormus have been

957
00:45:48,770 --> 00:45:46,940
handed down through the Millennia

958
00:45:51,589 --> 00:45:48,780
Egyptians

959
00:45:55,490 --> 00:45:51,599
and others in holy lands use the white

960
00:45:59,210 --> 00:45:55,500
powder as a spiritual enhancer

961
00:46:01,790 --> 00:45:59,220
new discoveries show that monatomic gold

962
00:46:04,849 --> 00:46:01,800
can ultimately produce a high volume of

963
00:46:09,890 --> 00:46:07,550

it could do a multitude of things could

964

00:46:12,290 --> 00:46:09,900

it be the elixir of Life the

965

00:46:15,470 --> 00:46:12,300

Philosopher's Stone of alchemy

966

00:46:17,870 --> 00:46:15,480

the Manna of ancient Hebrews and

967

00:46:20,750 --> 00:46:17,880

possibly more

968

00:46:23,809 --> 00:46:20,760

when mixed in water it becomes the

969

00:46:25,010 --> 00:46:23,819

elixir of Life the alchemist's dream it

970

00:46:28,190 --> 00:46:25,020

said

971

00:46:30,050 --> 00:46:28,200

and it is also known as the golden tear

972

00:46:32,390 --> 00:46:30,060

from the Eye of Horus

973

00:46:35,390 --> 00:46:32,400

that which issues from the mouth of the

974

00:46:38,329 --> 00:46:35,400

Creator Alchemists have always had the

975

00:46:40,870 --> 00:46:38,339

goal of making white powder of gold to

976
00:46:44,030 --> 00:46:40,880
make the container of Light of Life

977
00:46:45,829 --> 00:46:44,040
Hermes Tres Magistas

978
00:46:48,710 --> 00:46:45,839
it is said

979
00:46:51,410 --> 00:46:48,720
the same man by Any Other Name who

980
00:46:52,910 --> 00:46:51,420
ascended to Heaven by partaking of white

981
00:46:56,530 --> 00:46:52,920
drops

982
00:46:59,750 --> 00:46:56,540
and thereby avoided death

983
00:47:01,790 --> 00:46:59,760
monatomic gold or the Philosopher's

984
00:47:04,069 --> 00:47:01,800
Stone has literally been worshiped

985
00:47:05,510 --> 00:47:04,079
throughout history for its unbelievable

986
00:47:08,210 --> 00:47:05,520
powers

987
00:47:10,730 --> 00:47:08,220
that's only to say unbelievable because

988
00:47:13,550 --> 00:47:10,740

until recently science has not been able

989

00:47:15,650 --> 00:47:13,560

to determine what it actually did

990

00:47:17,930 --> 00:47:15,660

today research is confirming the

991

00:47:20,990 --> 00:47:17,940

advanced understanding of monatomic

992

00:47:23,870 --> 00:47:21,000

elements that cultures such as the

993

00:47:25,550 --> 00:47:23,880

Egyptians and others had thousands of

994

00:47:29,569 --> 00:47:25,560

years ago

995

00:47:32,390 --> 00:47:29,579

many different ancient texts have shown

996

00:47:36,050 --> 00:47:32,400

that many including the Pharaohs were

997

00:47:39,170 --> 00:47:36,060

fed special breads containing monatomic

998

00:47:41,510 --> 00:47:39,180

gold as they were considered worthy of

999

00:47:43,670 --> 00:47:41,520

spiritual enlightenment

1000

00:47:46,069 --> 00:47:43,680

heightened awareness and increased

1001
00:47:49,430 --> 00:47:46,079
lifespan

1002
00:47:53,690 --> 00:47:49,440
it is considered too important to be

1003
00:47:56,630 --> 00:47:53,700
given to quote-unquote ordinary humans

1004
00:47:58,730 --> 00:47:56,640
ancient Priestly scientists were well

1005
00:48:01,010 --> 00:47:58,740
aware of the enhancements monatomic

1006
00:48:04,190 --> 00:48:01,020
elements made to the human body and DNA

1007
00:48:07,550 --> 00:48:04,200
as well as helping transcend the spirit

1008
00:48:10,490 --> 00:48:07,560
to a higher state of evolution

1009
00:48:12,829 --> 00:48:10,500
the Sumerians recorded that the gods or

1010
00:48:17,809 --> 00:48:12,839
the Anunnaki as they called them came

1011
00:48:20,329 --> 00:48:17,819
down from heaven and seated mankind

1012
00:48:23,270 --> 00:48:20,339
a few selected humans were chosen to

1013
00:48:27,589 --> 00:48:23,280

rule and the rest as the representatives

1014

00:48:30,829 --> 00:48:27,599

of the Gods were fed monatomic gold also

1015

00:48:35,329 --> 00:48:30,839

called Starfire which made them more

1016

00:48:37,430 --> 00:48:35,339

intelligent and able to rule the workers

1017

00:48:40,490 --> 00:48:37,440

so this enlightenment

1018

00:48:43,190 --> 00:48:40,500

this Consciousness enhancement

1019

00:48:46,430 --> 00:48:43,200

Christ Consciousness if you will

1020

00:48:49,430 --> 00:48:46,440

and speaking of Christ just exactly how

1021

00:48:51,349 --> 00:48:49,440

was he able to do all of the amazing

1022

00:48:52,490 --> 00:48:51,359

things that have been outlined in the

1023

00:48:55,490 --> 00:48:52,500

Bible

1024

00:48:59,210 --> 00:48:55,500

he had a handful of things done

1025

00:49:03,290 --> 00:48:59,220

and a handful of things done to him this

1026

00:49:10,130 --> 00:49:05,930

Praise Him and

1027

00:49:12,470 --> 00:49:10,140

not a bad time to look into what exactly

1028

00:49:15,530 --> 00:49:12,480

he was up to

1029

00:49:17,630 --> 00:49:15,540

as many maintain he was illuminated he

1030

00:49:20,450 --> 00:49:17,640

had the Christ consciousness

1031

00:49:22,490 --> 00:49:20,460

he was on a whole other level

1032

00:49:25,250 --> 00:49:22,500

one author

1033

00:49:27,650 --> 00:49:25,260

Morton Smith has written a book called

1034

00:49:30,710 --> 00:49:27,660

Jesus the magician

1035

00:49:33,530 --> 00:49:30,720

the idea that Jesus was a magician did

1036

00:49:35,870 --> 00:49:33,540

not originate with Morton Smith it was

1037

00:49:37,609 --> 00:49:35,880

previously voiced by the philosopher and

1038

00:49:40,609 --> 00:49:37,619

critic celsus

1039

00:49:43,130 --> 00:49:40,619

as we know from the rebuttal authored by

1040

00:49:46,430 --> 00:49:43,140

the Christian apologist scholar origen

1041

00:49:47,750 --> 00:49:46,440

it was by Magic that he was able to do

1042

00:49:50,030 --> 00:49:47,760

the Miracles

1043

00:49:52,550 --> 00:49:50,040

that is well attested that the early

1044

00:49:54,050 --> 00:49:52,560

Christian Mission was Advanced by the

1045

00:49:56,870 --> 00:49:54,060

use of magic

1046

00:50:02,450 --> 00:49:56,880

one biblical account that sounds a whole

1047

00:50:04,550 --> 00:50:02,460

lock-like Magic to me is John 9 6-7 when

1048

00:50:07,490 --> 00:50:04,560

Jesus

1049

00:50:09,410 --> 00:50:07,500

took a blind man and helped him to see

1050

00:50:12,410 --> 00:50:09,420

again

1051

00:50:15,829 --> 00:50:12,420

the method that he did this through is

1052

00:50:20,270 --> 00:50:19,309

quote when he had said this he spat on

1053

00:50:24,109 --> 00:50:20,280

the ground

1054

00:50:26,809 --> 00:50:24,119

and made mud with the saliva and spread

1055

00:50:30,170 --> 00:50:26,819

the mud on the Man's eyes

1056

00:50:32,089 --> 00:50:30,180

I'm no expert but that sounds a lot like

1057

00:50:35,450 --> 00:50:32,099

magic to me

1058

00:50:37,130 --> 00:50:35,460

add to this that many ancient depictions

1059

00:50:39,470 --> 00:50:37,140

of Jesus

1060

00:50:41,870 --> 00:50:39,480

have him holding a wand

1061

00:50:44,270 --> 00:50:41,880

something that you don't find that often

1062

00:50:46,490 --> 00:50:44,280

in the gospel however

1063

00:50:49,549 --> 00:50:46,500

there are many statues and ancient

1064

00:50:52,849 --> 00:50:49,559

depictions of Jesus holding a wand as he

1065

00:50:55,549 --> 00:50:52,859

performs these Miracles which wands are

1066

00:50:57,770 --> 00:50:55,559

typically used by magicians

1067

00:50:59,210 --> 00:50:57,780

it's neither here nor there but very

1068

00:51:03,410 --> 00:50:59,220

interesting

1069

00:51:06,470 --> 00:51:03,420

another very historical enigma

1070

00:51:09,589 --> 00:51:06,480

is that there is an early reference

1071

00:51:12,109 --> 00:51:09,599

describing Christ as a magician

1072

00:51:15,829 --> 00:51:12,119

a team of scientists led by a renowned

1073

00:51:18,109 --> 00:51:15,839

French Marine archaeologist Frank gaudio

1074

00:51:21,290 --> 00:51:18,119

recently announced that they have found

1075

00:51:24,530 --> 00:51:21,300

a bowl dating two between the late 2nd

1076
00:51:27,710 --> 00:51:24,540
Century BC and the early First Century

1077
00:51:30,770 --> 00:51:27,720
A.D that is engraved with what they

1078
00:51:33,589 --> 00:51:30,780
believe could be the world's first known

1079
00:51:35,210 --> 00:51:33,599
reference to Christ

1080
00:51:38,809 --> 00:51:35,220
the bull

1081
00:51:41,270 --> 00:51:38,819
is engraved with what may be the world's

1082
00:51:46,730 --> 00:51:41,280
first known reference to Christ

1083
00:51:48,589 --> 00:51:46,740
the engraving reads Dia Christo ogoistas

1084
00:51:52,430 --> 00:51:48,599
which has been interpreted to mean

1085
00:51:54,890 --> 00:51:52,440
either by Christ the magician or the

1086
00:51:57,470 --> 00:51:54,900
magician by Christ

1087
00:52:00,049 --> 00:51:57,480
there's a ton more evidence by Morton

1088
00:52:02,990 --> 00:52:00,059

Smith especially delving into the Coptic

1089

00:52:07,430 --> 00:52:03,000

culture of Egypt but given the fact that

1090

00:52:10,309 --> 00:52:07,440

that distance is a little more than I

1091

00:52:12,829 --> 00:52:10,319

want to take on right now and I don't

1092

00:52:15,370 --> 00:52:12,839

want to be seen as the guy that is

1093

00:52:18,049 --> 00:52:15,380

harping on somebody's

1094

00:52:21,109 --> 00:52:18,059

primary character at the time of the

1095

00:52:22,849 --> 00:52:21,119

year when he should be revealed and

1096

00:52:27,049 --> 00:52:22,859

worshiped so

1097

00:52:29,930 --> 00:52:27,059

I'm going to leave the Jesus magician

1098

00:52:32,150 --> 00:52:29,940

comments to what I've already said even

1099

00:52:33,430 --> 00:52:32,160

though there is astoundingly more

1100

00:52:36,710 --> 00:52:33,440

evidence

1101
00:52:40,609 --> 00:52:36,720
especially reliefs sculptures and the

1102
00:52:44,390 --> 00:52:40,619
like pointing to not only Jesus but

1103
00:52:46,130 --> 00:52:44,400
others in his clan pointing with wands

1104
00:52:49,430 --> 00:52:46,140
or something that looks like magical

1105
00:52:52,210 --> 00:52:49,440
wands while performing miracles

1106
00:52:55,309 --> 00:52:52,220
so this is a pretty interesting stuff

1107
00:52:57,470 --> 00:52:55,319
and one thing's for sure nothing wrong

1108
00:53:00,410 --> 00:52:57,480
with a miracle worker we all need them

1109
00:53:03,349 --> 00:53:00,420
from time to time

1110
00:53:05,990 --> 00:53:03,359
speaking of needing a miracle YouTube

1111
00:53:08,690 --> 00:53:06,000
has definitely been sending me strikes

1112
00:53:11,450 --> 00:53:08,700
they will not monetize hero paranormal

1113
00:53:13,730 --> 00:53:11,460

no matter what the content or how many

1114

00:53:15,290 --> 00:53:13,740

listeners or subscriptions seem to come

1115

00:53:20,150 --> 00:53:15,300

through

1116

00:53:21,890 --> 00:53:20,160

could please like And subscribe to Hero

1117

00:53:24,650 --> 00:53:21,900

paranormal on YouTube I would greatly

1118

00:53:27,170 --> 00:53:24,660

appreciate it also if you want a ton

1119

00:53:29,270 --> 00:53:27,180

more content and you want to support the

1120

00:53:33,170 --> 00:53:29,280

podcast and keep podcasts like this

1121

00:53:36,950 --> 00:53:33,180

coming please subscribe to Hero

1122

00:53:39,410 --> 00:53:36,960

paranormal on patreon go to patreon.com

1123

00:53:42,230 --> 00:53:39,420

look for hero paranormal

1124

00:53:44,569 --> 00:53:42,240

there is a ton of content behind the

1125

00:53:48,410 --> 00:53:44,579

paywall and more importantly your

1126
00:53:52,250 --> 00:53:48,420
subscription keeps the podcast coming

1127
00:53:54,650 --> 00:53:52,260
thank you for that in advance

1128
00:53:56,569 --> 00:53:54,660
so back to miracle workers there's

1129
00:53:58,250 --> 00:53:56,579
nothing wrong with them we all need them

1130
00:54:00,890 --> 00:53:58,260
from time to time

1131
00:54:02,510 --> 00:54:00,900
I know that I rely on a power higher

1132
00:54:05,690 --> 00:54:02,520
than myself

1133
00:54:07,130 --> 00:54:05,700
quite often and I'm very thankful

1134
00:54:10,430 --> 00:54:07,140
for that

1135
00:54:12,890 --> 00:54:10,440
Jesus is just all right with me

1136
00:54:15,589 --> 00:54:12,900
until next time keep your eyes to the

1137
00:54:18,230 --> 00:54:15,599
skies feet on the ground and don't

1138
00:54:30,400 --> 00:54:18,240

forget to take a look around

1139

00:54:30,410 --> 00:54:43,930

[Music]

1140

00:54:43,940 --> 00:54:54,010

blast off last
