12  
00:00:35,990 --> 00:00:32,820  
today about Kenny Veach a gentleman that

13  
00:00:38,630 --> 00:00:36,000

went looking for a m cave and went

14

00:00:39,470 --> 00:00:38,640

missing here in Nevada a lot more to

15

00:00:48,690 --> 00:00:39,480

come

16

00:01:01,670 --> 00:00:58,150

[Music]

17

00:01:08,570 --> 00:01:01,680

come Blast Off In My Time Machine sir

18

00:01:08,580 --> 00:01:17,210

come blast off in my time

19

00:01:20,210 --> 00:01:18,440

blast off

20

00:01:23,030 --> 00:01:20,220

[Music]

21

00:01:24,830 --> 00:01:23,040

this is from Nevada magazine a desert

22

00:01:27,050 --> 00:01:24,840

hiker goes searching for a mysterious

23

00:01:29,690 --> 00:01:27,060

cave leaving more questions than answers

24

00:01:31,910 --> 00:01:29,700

that ain't nothing I'm a long distance

25

00:01:34,490 --> 00:01:31,920

hiker one time during one of my hikes

26  
00:01:36,050 --> 00:01:34,500  
out by Nellis Air Force Base I found a

27  
00:01:37,969 --> 00:01:36,060  
hidden cave

28  
00:01:41,390 --> 00:01:37,979  
the entrance to the cave was shaped like

29  
00:01:45,289 --> 00:01:41,400  
a perfect capital M

30  
00:01:48,230 --> 00:01:45,299  
I always enter every cave I find but as

31  
00:01:50,270 --> 00:01:48,240  
I began to enter this particular cave

32  
00:01:53,569 --> 00:01:50,280  
my whole body

33  
00:01:55,670 --> 00:01:53,579  
began to vibrate the closer I got to the

34  
00:01:57,109 --> 00:01:55,680  
cave entrance the worse the vibrating

35  
00:02:01,249 --> 00:01:57,119  
became

36  
00:02:02,870 --> 00:02:01,259  
hightailed it out of there

37  
00:02:05,030 --> 00:02:02,880  
that was one of the strangest things

38  
00:02:08,210 --> 00:02:05,040

that ever happened to me

39

00:02:11,270 --> 00:02:08,220

in late 2014 these words were posted to

40

00:02:12,770 --> 00:02:11,280

a YouTube video titled son of an Area 51

41

00:02:14,869 --> 00:02:12,780

technician

42

00:02:18,050 --> 00:02:14,879

The Man Behind the screen was Las Vegas

43

00:02:22,510 --> 00:02:18,060

resident and Avid hiker Kenny Veach

44

00:02:24,589 --> 00:02:22,520

using the screen name snake bit McGee

45

00:02:26,449 --> 00:02:24,599

unbeknownst to him at the time his

46

00:02:28,070 --> 00:02:26,459

comment would set in motion a series of

47

00:02:31,010 --> 00:02:28,080

events that would lead to one of

48

00:02:33,410 --> 00:02:31,020

Nevada's most puzzling urban legends

49

00:02:35,390 --> 00:02:33,420

Kenny's comments sparked interests like

50

00:02:36,710 --> 00:02:35,400

wildfire after posting his original

51  
00:02:39,710 --> 00:02:36,720  
comment

52  
00:02:42,530 --> 00:02:39,720  
several YouTube users encouraged hiker

53  
00:02:46,430 --> 00:02:42,540  
Kenny to seek out the cave and enter

54  
00:02:48,050 --> 00:02:46,440  
again this time documenting his hike and

55  
00:02:49,250 --> 00:02:48,060  
providing evidence of his strange

56  
00:02:52,070 --> 00:02:49,260  
discovery

57  
00:02:54,949 --> 00:02:52,080  
he obliged he set off to find the

58  
00:02:56,809 --> 00:02:54,959  
mysterious cave for a second time armed

59  
00:02:58,309 --> 00:02:56,819  
with a nine millimeter handgun and a

60  
00:03:00,890 --> 00:02:58,319  
video camera

61  
00:03:03,890 --> 00:03:00,900  
upon his return he posted a video of his

62  
00:03:05,930 --> 00:03:03,900  
discoveries much to the dismay of those

63  
00:03:07,309 --> 00:03:05,940

following his claims he was unable to

64

00:03:09,589 --> 00:03:07,319

locate the cave

65

00:03:11,990 --> 00:03:09,599

and his video didn't seem to reveal any

66

00:03:14,930 --> 00:03:12,000

clues to the mysterious M cave he had

67

00:03:16,750 --> 00:03:14,940

discussed in his original comment

68

00:03:19,670 --> 00:03:16,760

his video was met with much criticism

69

00:03:21,830 --> 00:03:19,680

and YouTube commenters both encouraged

70

00:03:24,410 --> 00:03:21,840

and provoked him to try for a third time

71

00:03:27,589 --> 00:03:24,420

to seek out the cave

72

00:03:29,990 --> 00:03:27,599

Kenny again obliged though one comment

73

00:03:34,009 --> 00:03:30,000

would stand out amongst all others an

74

00:03:35,750 --> 00:03:34,019

ominous foretelling it read no do not go

75

00:03:39,530 --> 00:03:35,760

back there if you find that cave

76

00:03:43,610 --> 00:03:39,540

entrance don't go in you won't get out

77

00:03:44,750 --> 00:03:43,620

on November 10 2014 Kenny set off on his

78

00:03:47,449 --> 00:03:44,760

last hike

79

00:03:49,190 --> 00:03:47,459

he told his family he was going for a

80

00:03:51,710 --> 00:03:49,200

short overnight trip

81

00:03:53,570 --> 00:03:51,720

though he would never return his

82

00:03:55,430 --> 00:03:53,580

disappearance would soon turn up on a

83

00:03:57,110 --> 00:03:55,440

Las Vegas news station and the search

84

00:03:59,869 --> 00:03:57,120

was on

85

00:04:02,030 --> 00:03:59,879

Kenny was not new to Desert hiking or

86

00:04:04,369 --> 00:04:02,040

spelunking he claims to have hiked

87

00:04:06,770 --> 00:04:04,379

extensively in the area even leaving

88

00:04:09,530 --> 00:04:06,780

several YouTube comments on the area 51

89

00:04:12,110 --> 00:04:09,540

video detailing his experience

90

00:04:14,030 --> 00:04:12,120

I solo hike across mountain tops that

91

00:04:16,189 --> 00:04:14,040

most people wouldn't dare go

92

00:04:18,770 --> 00:04:16,199

I have been in more caves than I can

93

00:04:21,409 --> 00:04:18,780

count I play with rattlesnakes for fun

94

00:04:24,770 --> 00:04:21,419

but this one particular cave was beyond

95

00:04:27,050 --> 00:04:24,780

anything I had ever encountered

96

00:04:28,490 --> 00:04:27,060

in another comment he added I've been

97

00:04:31,249 --> 00:04:28,500

doing this sort of thing for over 20

98

00:04:33,770 --> 00:04:31,259

years I go where no one goes and I never

99

00:04:36,469 --> 00:04:33,780

take anyone with me I find skulls of all

100

00:04:39,590 --> 00:04:36,479

shapes and sizes and occasionally I find

101  
00:04:41,810 --> 00:04:39,600  
really old animal traps a hike over

102  
00:04:44,150 --> 00:04:41,820  
Mountain Top after mountain top and

103  
00:04:47,330 --> 00:04:44,160  
sleep on Peaks Under the Stars

104  
00:04:49,550 --> 00:04:47,340  
sometimes I have to scale giant Cliffs

105  
00:04:52,370 --> 00:04:49,560  
to get myself out of a jam but I always

106  
00:04:54,469 --> 00:04:52,380  
make it back I'm beat up and tired and

107  
00:04:55,969 --> 00:04:54,479  
my pack is almost always heavier than

108  
00:04:58,370 --> 00:04:55,979  
when I had left

109  
00:05:00,710 --> 00:04:58,380  
I had to be rescued only one time by a

110  
00:05:03,469 --> 00:05:00,720  
helicopter I had blown out my left leg

111  
00:05:05,870 --> 00:05:03,479  
at the top of a mountain and I only had

112  
00:05:08,629 --> 00:05:05,880  
a cup of water left to get me 20 miles

113  
00:05:11,749 --> 00:05:08,639

back to my truck it was also over 100

114

00:05:12,830 --> 00:05:11,759

degrees out so I have a very good safety

115

00:05:17,210 --> 00:05:12,840

record

116

00:05:19,490 --> 00:05:17,220

Kenny was at a disadvantage to the

117

00:05:22,070 --> 00:05:19,500

elements he was drunk with internet

118

00:05:23,870 --> 00:05:22,080

courage searching for an elusive cave in

119

00:05:26,629 --> 00:05:23,880

the Mojave Desert one of the hottest and

120

00:05:28,430 --> 00:05:26,639

driest regions on the planet

121

00:05:29,930 --> 00:05:28,440

in the beginning of the m-cave hike

122

00:05:31,670 --> 00:05:29,940

video Kenny posted before his

123

00:05:34,370 --> 00:05:31,680

disappearance he is standing by an

124

00:05:36,529 --> 00:05:34,380

abandoned mine shaft narrating some

125

00:05:37,249 --> 00:05:36,539

information about the cave he's seeking

126

00:05:40,310 --> 00:05:37,259

out

127

00:05:42,170 --> 00:05:40,320

it was there that on November 22nd 2014

128

00:05:43,670 --> 00:05:42,180

search and rescue volunteers found

129

00:05:46,010 --> 00:05:43,680

Kenny's cell phone

130

00:05:48,710 --> 00:05:46,020

indicating that he had in fact gone out

131

00:05:52,070 --> 00:05:48,720

searching for the cave again an article

132

00:05:54,050 --> 00:05:52,080

at news 3 Las Vegas details we found his

133

00:05:56,450 --> 00:05:54,060

cell phone close to a very

134

00:05:58,010 --> 00:05:56,460

vertical old mine shaft and we can't

135

00:05:59,870 --> 00:05:58,020

find another Trail

136

00:06:02,510 --> 00:05:59,880

Red Rock search and rescue Commander

137

00:06:04,850 --> 00:06:02,520

Dave Cummings told news 3. it doesn't

138

00:06:07,430 --> 00:06:04,860

mean that he's down the mine shaft but

139

00:06:09,650 --> 00:06:07,440

we have tracked him as far as we can we

140

00:06:11,270 --> 00:06:09,660

are having our other Crews come in from

141

00:06:14,150 --> 00:06:11,280

other search areas

142

00:06:16,490 --> 00:06:14,160

after his cell phone was found the trail

143

00:06:18,950 --> 00:06:16,500

would unfortunately go cold Kenny was

144

00:06:21,110 --> 00:06:18,960

never found leading to much speculation

145

00:06:22,969 --> 00:06:21,120

on how he died the mysterious

146

00:06:24,710 --> 00:06:22,979

circumstances of his death fueled the

147

00:06:26,150 --> 00:06:24,720

internet with conspiracy theories of

148

00:06:28,790 --> 00:06:26,160

every shape and color

149

00:06:30,710 --> 00:06:28,800

had Kenny fallen down to mine shaft

150

00:06:32,150 --> 00:06:30,720

had he discovered a hidden entrance to

151  
00:06:34,249 --> 00:06:32,160  
Area 51

152  
00:06:37,249 --> 00:06:34,259  
had he stumbled upon some great military

153  
00:06:39,469 --> 00:06:37,259  
secret was the cave connected to aliens

154  
00:06:40,850 --> 00:06:39,479  
or had he simply succumbed to the

155  
00:06:42,590 --> 00:06:40,860  
elements

156  
00:06:45,710 --> 00:06:42,600  
this is a good introduction for those

157  
00:06:48,409 --> 00:06:45,720  
who were unfamiliar or unaware of the M

158  
00:06:50,570 --> 00:06:48,419  
cave Kenny Veach story

159  
00:06:51,830 --> 00:06:50,580  
there is a lot of information to go

160  
00:06:53,270 --> 00:06:51,840  
through and we're going to try to go

161  
00:06:54,770 --> 00:06:53,280  
through as much of it as we can and

162  
00:06:58,610 --> 00:06:54,780  
connect

163  
00:07:03,050 --> 00:06:58,620

the sparse and distant dots to the m

164

00:07:05,809 --> 00:07:03,060

cave Kenny Veach mystery

165

00:07:08,510 --> 00:07:05,819

I like to call it mkave Ultra because

166

00:07:11,270 --> 00:07:08,520

Kenny was not acting in his right mind

167

00:07:14,090 --> 00:07:11,280

in the opinion of many this is a mystery

168

00:07:16,730 --> 00:07:14,100

unlike many others and the reason I say

169

00:07:19,129 --> 00:07:16,740

that is it involves an individual Kenny

170

00:07:21,950 --> 00:07:19,139

Veach who for all intents and purposes

171

00:07:25,550 --> 00:07:21,960

is just a likable guy who likes to hike

172

00:07:29,150 --> 00:07:25,560

in the deserts around

173

00:07:31,370 --> 00:07:29,160

Nevada Las Vegas resident and there's a

174

00:07:34,370 --> 00:07:31,380

lot of cool places to explore I can say

175

00:07:35,710 --> 00:07:34,380

that being down here in the area we are

176

00:07:38,870 --> 00:07:35,720

discussing

177

00:07:42,529 --> 00:07:38,880

and lots of caves

178

00:07:44,450 --> 00:07:42,539

lots of government involvement

179

00:07:46,430 --> 00:07:44,460

and lots of danger

180

00:07:49,990 --> 00:07:46,440

there's a lot of animals that you don't

181

00:07:53,510 --> 00:07:50,000

see that are there I can attest to this

182

00:07:55,309 --> 00:07:53,520

now this gets a little bit strange it's

183

00:07:57,290 --> 00:07:55,319

basically a situation where this

184

00:08:00,230 --> 00:07:57,300

gentleman can leave each

185

00:08:03,529 --> 00:08:00,240

he had I believe five posts on his

186

00:08:06,050 --> 00:08:03,539

YouTube channel

187

00:08:08,930 --> 00:08:06,060

um and he

188

00:08:13,430 --> 00:08:08,940

posted some pretty fun and interesting

189

00:08:16,790 --> 00:08:13,440

videos now among these videos was one in

190

00:08:18,950 --> 00:08:16,800

particular where he discusses coming

191

00:08:20,749 --> 00:08:18,960

across a cave

192

00:08:23,749 --> 00:08:20,759

not just any cave

193

00:08:26,869 --> 00:08:23,759

but a cave in the shape of an M roughly

194

00:08:30,409 --> 00:08:26,879

his size so the height

195

00:08:32,029 --> 00:08:30,419

let's call it uh six feet tall

196

00:08:35,089 --> 00:08:32,039

and

197

00:08:37,670 --> 00:08:35,099

it was giving him

198

00:08:40,490 --> 00:08:37,680

basically the creeps

199

00:08:43,310 --> 00:08:40,500

and he basically said that as he

200

00:08:45,850 --> 00:08:43,320

approached this cave his body began to

201  
00:08:49,130 --> 00:08:45,860  
vibrate now this is a very integral part

202  
00:08:51,050 --> 00:08:49,140  
of this mystery and scenario

203  
00:08:52,850 --> 00:08:51,060  
because

204  
00:08:55,190 --> 00:08:52,860  
it's on

205  
00:08:57,050 --> 00:08:55,200  
likely that a cave out in the middle of

206  
00:09:00,590 --> 00:08:57,060  
nowhere would begin to vibrate now I

207  
00:09:03,530 --> 00:09:00,600  
should mention that this is

208  
00:09:05,870 --> 00:09:03,540  
in a strange area a strange area indeed

209  
00:09:08,150 --> 00:09:05,880  
that is accessible via the

210  
00:09:11,690 --> 00:09:08,160  
Extraterrestrial Highway

211  
00:09:13,910 --> 00:09:11,700  
Highway 375 here in Nevada

212  
00:09:15,350 --> 00:09:13,920  
and without pinpointing the exact

213  
00:09:17,030 --> 00:09:15,360

location although we do have the

214

00:09:20,210 --> 00:09:17,040

coordinates sometime during the podcast

215

00:09:23,090 --> 00:09:20,220

I may put those out there

216

00:09:26,050 --> 00:09:23,100

but to get to the story Kenny Veach was

217

00:09:29,870 --> 00:09:26,060

a likable guy he is somebody who hiked

218

00:09:31,790 --> 00:09:29,880

extremely well was very prepared he said

219

00:09:34,850 --> 00:09:31,800

that this cave gave him the creeps and

220

00:09:37,730 --> 00:09:34,860

he entered a lot of caves over his

221

00:09:40,190 --> 00:09:37,740

career as a hiker in this cave in

222

00:09:42,410 --> 00:09:40,200

particular gave him the creeps he did

223

00:09:45,829 --> 00:09:42,420

not want to go in it his entire body

224

00:09:48,949 --> 00:09:45,839

began to vibrate and he

225

00:09:52,850 --> 00:09:48,959

basically went back to his truck

226  
00:09:54,470 --> 00:09:52,860  
now this hike that he took upon himself

227  
00:09:57,230 --> 00:09:54,480  
was a big one

228  
00:09:59,449 --> 00:09:57,240  
um he has uh

229  
00:10:02,870 --> 00:09:59,459  
like I said a lot of experience hiking

230  
00:10:04,670 --> 00:10:02,880  
he would wear these special snake guards

231  
00:10:07,730 --> 00:10:04,680  
that are sort of like shin guards that

232  
00:10:09,889 --> 00:10:07,740  
go above your feet as he would walk the

233  
00:10:12,889 --> 00:10:09,899  
desert landscape to protect himself from

234  
00:10:14,690 --> 00:10:12,899  
snake bites he was usually armed and

235  
00:10:17,810 --> 00:10:14,700  
this particular

236  
00:10:19,190 --> 00:10:17,820  
trip he did not have a weapon with him

237  
00:10:21,290 --> 00:10:19,200  
and which is one of the reasons he

238  
00:10:24,350 --> 00:10:21,300

didn't go into the cave he was that

239

00:10:26,870 --> 00:10:24,360

freaked out and he said I'll go back

240

00:10:29,210 --> 00:10:26,880

with my sidearm and I will investigate

241

00:10:31,610 --> 00:10:29,220

the cave and get back to you all now

242

00:10:34,910 --> 00:10:31,620

these are the earlier days of YouTube a

243

00:10:36,530 --> 00:10:34,920

simpler YouTube when

244

00:10:39,829 --> 00:10:36,540

you know there was a little bit of back

245

00:10:42,710 --> 00:10:39,839

and forth and banter and basically he

246

00:10:46,030 --> 00:10:42,720

was on someone else's Channel who was

247

00:10:48,530 --> 00:10:46,040

discussing Area 51 stuff

248

00:10:50,930 --> 00:10:48,540

and he basically said something along

249

00:10:52,670 --> 00:10:50,940

the lines of oh that's nothing let me

250

00:10:55,250 --> 00:10:52,680

tell you about this cave I came across

251  
00:10:59,690 --> 00:10:55,260  
while hiking in the Nevada desert

252  
00:11:01,130 --> 00:10:59,700  
in in proximity let's just say of uh

253  
00:11:04,190 --> 00:11:01,140  
this area

254  
00:11:06,230 --> 00:11:04,200  
and this cave that he described as the M

255  
00:11:09,350 --> 00:11:06,240  
cave is

256  
00:11:12,590 --> 00:11:09,360  
for all intents and purposes a very

257  
00:11:15,590 --> 00:11:12,600  
important conspiracy cave

258  
00:11:18,470 --> 00:11:15,600  
since then at least 30 groups

259  
00:11:20,210 --> 00:11:18,480  
have gone out looking for this cave and

260  
00:11:22,610 --> 00:11:20,220  
for Kenny as well

261  
00:11:24,949 --> 00:11:22,620  
without any

262  
00:11:27,050 --> 00:11:24,959  
sight of him no

263  
00:11:29,509 --> 00:11:27,060

evidence that

264

00:11:31,069 --> 00:11:29,519

would lend Credence to him being lost

265

00:11:34,250 --> 00:11:31,079

killed

266

00:11:37,490 --> 00:11:34,260

anything out there in the Nevada desert

267

00:11:38,870 --> 00:11:37,500

now after the event took place

268

00:11:40,850 --> 00:11:38,880

uh

269

00:11:44,750 --> 00:11:40,860

let me break down

270

00:11:46,670 --> 00:11:44,760

just just exactly what happened

271

00:11:48,170 --> 00:11:46,680

so he he comments on this other

272

00:11:50,389 --> 00:11:48,180

individual's

273

00:11:52,670 --> 00:11:50,399

YouTube channel explaining that's

274

00:11:56,269 --> 00:11:52,680

nothing I came across a CR a cave in my

275

00:11:59,810 --> 00:11:56,279

travels my entire body began to vibrate

276  
00:12:02,630 --> 00:11:59,820  
and I won't go back out until I am armed

277  
00:12:06,410 --> 00:12:02,640  
and I can properly

278  
00:12:07,850 --> 00:12:06,420  
show you all what I'm talking about

279  
00:12:11,030 --> 00:12:07,860  
now

280  
00:12:13,190 --> 00:12:11,040  
a few people sort of trolled him back

281  
00:12:15,110 --> 00:12:13,200  
then and said oh you're lying this cave

282  
00:12:18,170 --> 00:12:15,120  
doesn't exist there's no way this that

283  
00:12:21,530 --> 00:12:18,180  
the other Kenny went on to explain just

284  
00:12:23,230 --> 00:12:21,540  
how apt of a hiker he was how this did

285  
00:12:26,690 --> 00:12:23,240  
in fact take place

286  
00:12:28,850 --> 00:12:26,700  
where it was more or less and he

287  
00:12:30,230 --> 00:12:28,860  
documented a mine shaft on the way to

288  
00:12:32,930 --> 00:12:30,240

this cave

289

00:12:34,069 --> 00:12:32,940

and that becomes important a little

290

00:12:36,889 --> 00:12:34,079

later on

291

00:12:39,290 --> 00:12:36,899

this was an open mind shaft obviously

292

00:12:41,990 --> 00:12:39,300

very old with a wooden ladder system

293

00:12:43,730 --> 00:12:42,000

going down into the mine shaft

294

00:12:47,030 --> 00:12:43,740

what's interesting about the wooden

295

00:12:50,870 --> 00:12:47,040

ladder system is that it looked pretty

296

00:12:54,350 --> 00:12:50,880

unsafe back then but since then

297

00:12:57,350 --> 00:12:54,360

people have created videos showing the

298

00:13:00,350 --> 00:12:57,360

latter and the ladders changed slightly

299

00:13:03,290 --> 00:13:00,360

specifically a top rung of the ladder

300

00:13:06,350 --> 00:13:03,300

which used to lie above ground is

301  
00:13:08,269 --> 00:13:06,360  
missing or gone as if somebody fell or

302  
00:13:10,250 --> 00:13:08,279  
broke it off or an animal broke it off

303  
00:13:13,069 --> 00:13:10,260  
or something along

304  
00:13:15,170 --> 00:13:13,079  
those lines something physical obviously

305  
00:13:16,310 --> 00:13:15,180  
touched the strong and it is nowhere to

306  
00:13:19,550 --> 00:13:16,320  
be seen

307  
00:13:22,970 --> 00:13:19,560  
I can only assume it fell down into this

308  
00:13:25,129 --> 00:13:22,980  
mine shaft Which is far enough down to

309  
00:13:28,009 --> 00:13:25,139  
definitely maim or kill someone they're

310  
00:13:30,230 --> 00:13:28,019  
not going to walk away from this one and

311  
00:13:32,329 --> 00:13:30,240  
uh a lot of people obviously thought oh

312  
00:13:34,730 --> 00:13:32,339  
maybe he he fell in the mine shaft I'll

313  
00:13:38,629 --> 00:13:34,740

just go ahead and get to that point he

314

00:13:41,389 --> 00:13:38,639

did not no hide or hair of him anywhere

315

00:13:45,470 --> 00:13:41,399

near the mine shaft except

316

00:13:47,990 --> 00:13:45,480

a key vital part of this story and that

317

00:13:51,410 --> 00:13:48,000

is his cell phone

318

00:13:54,829 --> 00:13:51,420

so let's get to it Kenny did return he

319

00:13:56,629 --> 00:13:54,839

returned to this area and he told his

320

00:13:59,389 --> 00:13:56,639

family members that he was returning to

321

00:14:01,009 --> 00:13:59,399

the area that he was going to find the

322

00:14:03,829 --> 00:14:01,019

location of this cave

323

00:14:06,050 --> 00:14:03,839

and uh

324

00:14:08,329 --> 00:14:06,060

he returned a couple times actually one

325

00:14:10,069 --> 00:14:08,339

time he returned and filmed

326

00:14:13,190 --> 00:14:10,079

claimed he did not find the cave

327

00:14:16,129 --> 00:14:13,200

although there is footage along the

328

00:14:18,350 --> 00:14:16,139

right side of this Canyon a very narrow

329

00:14:21,889 --> 00:14:18,360

Canyon that appears to be the M cave

330

00:14:23,449 --> 00:14:21,899

that many people have since termed the

331

00:14:25,850 --> 00:14:23,459

actual location

332

00:14:28,310 --> 00:14:25,860

this is where things get weird because

333

00:14:30,050 --> 00:14:28,320

Kenny would have in my opinion known

334

00:14:32,509 --> 00:14:30,060

that that was it he would not have just

335

00:14:34,850 --> 00:14:32,519

walked past it turned around said he

336

00:14:36,290 --> 00:14:34,860

didn't find it and walked back that's

337

00:14:40,670 --> 00:14:36,300

another story

338

00:14:41,810 --> 00:14:40,680

so he posted that video people have gone

339

00:14:44,509 --> 00:14:41,820

through the footage that's how they

340

00:14:47,689 --> 00:14:44,519

found this other M cave if it is it or

341

00:14:49,430 --> 00:14:47,699

isn't is up to discussion however I

342

00:14:53,150 --> 00:14:49,440

believe it isn't that's just my gut

343

00:14:56,810 --> 00:14:53,160

feeling but others have believed it is

344

00:14:58,670 --> 00:14:56,820

that becomes important and vital later

345

00:15:02,389 --> 00:14:58,680

on

346

00:15:04,129 --> 00:15:02,399

shaft

347

00:15:06,410 --> 00:15:04,139

he returns again

348

00:15:09,889 --> 00:15:06,420

and this particular time tells family

349

00:15:12,590 --> 00:15:09,899

members that he is going out

350

00:15:16,670 --> 00:15:12,600

and he does not

351

00:15:18,769 --> 00:15:16,680

ever return that was the last time

352

00:15:20,990 --> 00:15:18,779

so obviously after four days family

353

00:15:22,069 --> 00:15:21,000

members contact authorities authorities

354

00:15:25,670 --> 00:15:22,079

go

355

00:15:28,189 --> 00:15:25,680

on a deep search for Kenny Veach

356

00:15:29,930 --> 00:15:28,199

and they find his truck where it should

357

00:15:33,230 --> 00:15:29,940

have been parked

358

00:15:35,269 --> 00:15:33,240

and they find his cell phone at the top

359

00:15:38,750 --> 00:15:35,279

near this mine shaft

360

00:15:41,810 --> 00:15:38,760

nothing else no clothes

361

00:15:44,750 --> 00:15:41,820

no anything just just the cell phone at

362

00:15:48,110 --> 00:15:44,760

the top of this mine shaft which is a

363

00:15:50,269 --> 00:15:48,120

strange place to find it

364

00:15:52,129 --> 00:15:50,279

so that's it that's the kind of the end

365

00:15:55,310 --> 00:15:52,139

of the story they never found anything

366

00:15:58,550 --> 00:15:55,320

more of Kenny Veach they brought in a

367

00:16:02,710 --> 00:15:58,560

helicopter they brought in dogs

368

00:16:06,050 --> 00:16:02,720

no no luck in searching for this

369

00:16:09,170 --> 00:16:06,060

Explorer and hiker Kenny Veach

370

00:16:14,449 --> 00:16:11,689

this is where things get strange

371

00:16:17,750 --> 00:16:14,459

there have been some other

372

00:16:19,730 --> 00:16:17,760

investigations into this as I said one

373

00:16:22,069 --> 00:16:19,740

particular individual

374

00:16:24,949 --> 00:16:22,079

who claims to have a friend that works

375

00:16:27,410 --> 00:16:24,959

at the military base out there went out

376

00:16:29,629 --> 00:16:27,420

found the mine shaft

377

00:16:32,210 --> 00:16:29,639

went down into the mine shaft again

378

00:16:33,769 --> 00:16:32,220

nothing of Kenny Veach is there no no

379

00:16:36,170 --> 00:16:33,779

remnants

380

00:16:39,769 --> 00:16:36,180

physical evidence of any sort

381

00:16:41,689 --> 00:16:39,779

also went along the destination trail

382

00:16:44,090 --> 00:16:41,699

that it's really not a trail there's no

383

00:16:47,110 --> 00:16:44,100

Trails out there but went along the same

384

00:16:49,430 --> 00:16:47,120

GPS coordinates and the same area where

385

00:16:52,910 --> 00:16:49,440

Kenny was going

386

00:16:54,710 --> 00:16:52,920

and found this purported other M cave

387

00:16:58,189 --> 00:16:54,720

that in fact does look like an M but

388

00:17:01,009 --> 00:16:58,199

it's not perfect as Kenny described it

389

00:17:03,650 --> 00:17:01,019

and it is the one that was gathered from

390

00:17:07,069 --> 00:17:03,660

evidence of his footage that he gathered

391

00:17:09,289 --> 00:17:07,079

the time before he went out and

392

00:17:11,510 --> 00:17:09,299

it is interesting because this

393

00:17:14,630 --> 00:17:11,520

particular gentleman

394

00:17:16,970 --> 00:17:14,640

he went up investigated the cave

395

00:17:20,390 --> 00:17:16,980

and

396

00:17:22,309 --> 00:17:20,400

went back later now at a later date this

397

00:17:24,230 --> 00:17:22,319

particular cave had a sign in front of

398

00:17:26,470 --> 00:17:24,240

it that said danger no trespassing

399

00:17:29,630 --> 00:17:26,480

restricted something along those lines

400

00:17:31,850 --> 00:17:29,640

warning people not to go in the cave now

401

00:17:33,770 --> 00:17:31,860

this other M cave what I believe is

402

00:17:36,710 --> 00:17:33,780

another Ram cave it may be the actual

403

00:17:40,190 --> 00:17:36,720

one I don't know but this other M cave

404

00:17:42,650 --> 00:17:40,200

does not seem deep enough inside to have

405

00:17:46,310 --> 00:17:42,660

garnered so much attention from Kenny

406

00:17:48,110 --> 00:17:46,320

who had gone in many cave systems and

407

00:17:49,490 --> 00:17:48,120

caves in general

408

00:17:52,370 --> 00:17:49,500

so

409

00:17:55,070 --> 00:17:52,380

it's strange if he made a big deal and

410

00:17:57,590 --> 00:17:55,080

an important message on YouTube and told

411

00:18:00,230 --> 00:17:57,600

people about this odd cave that vibrated

412

00:18:02,990 --> 00:18:00,240

and made his body vibrate as he

413

00:18:06,230 --> 00:18:03,000

approached it if it was a very shallow

414

00:18:08,870 --> 00:18:06,240

cave not that uh impressive in my

415

00:18:12,110 --> 00:18:08,880

opinion however others maintain it is

416

00:18:16,310 --> 00:18:12,120

the cave in question

417

00:18:18,650 --> 00:18:16,320

so on the basic

418

00:18:21,110 --> 00:18:18,660

you know just overview of the entire

419

00:18:24,110 --> 00:18:21,120

situation it seems cut and dried this

420

00:18:27,169 --> 00:18:24,120

hiker went out he saw something strange

421

00:18:29,630 --> 00:18:27,179

a cave in the shape of an m

422

00:18:31,430 --> 00:18:29,640

his body began to vibrate he went back

423

00:18:33,190 --> 00:18:31,440

home and on somebody else's YouTube

424

00:18:36,590 --> 00:18:33,200

channel

425

00:18:38,150 --> 00:18:36,600

he explained this strange experience he

426

00:18:40,310 --> 00:18:38,160

had

427

00:18:42,110 --> 00:18:40,320

uh people kind of poked him and trolled

428

00:18:43,909 --> 00:18:42,120

him a little bit maybe maybe enticing

429

00:18:48,049 --> 00:18:43,919

him to go back out

430

00:18:51,710 --> 00:18:50,570

and one of those times he does not come

431

00:18:53,990 --> 00:18:51,720

back

432

00:18:57,470 --> 00:18:54,000

now his purported girlfriend at the time

433

00:18:59,150 --> 00:18:57,480

sent out some messages claiming that she

434

00:19:01,310 --> 00:18:59,160

believed he was depressed and that he

435

00:19:03,289 --> 00:19:01,320

might have offed himself

436

00:19:05,630 --> 00:19:03,299

I don't know how much

437

00:19:07,610 --> 00:19:05,640

energy and effort to put into that story

438

00:19:09,409 --> 00:19:07,620

because there's a lot of other family

439

00:19:12,970 --> 00:19:09,419

members that disagree

440

00:19:15,049 --> 00:19:12,980

now Kenny was an interesting eccentric

441

00:19:17,270 --> 00:19:15,059

and uh

442

00:19:19,970 --> 00:19:17,280

very intelligent individual

443

00:19:22,370 --> 00:19:19,980

he was also an inventor who came

444

00:19:24,350 --> 00:19:22,380

on his YouTube Channel showing a couple

445

00:19:27,950 --> 00:19:24,360

inventions one of which I thought was

446

00:19:29,750 --> 00:19:27,960

super cool which was a spring-loaded

447

00:19:31,850 --> 00:19:29,760

toilet paper holder which I wouldn't

448

00:19:33,289 --> 00:19:31,860

mind having in my bathroom and I'm not

449

00:19:36,650 --> 00:19:33,299

sure why

450

00:19:39,710 --> 00:19:36,660

no businesses jumped on this

451  
00:19:43,789 --> 00:19:39,720  
and that that brings in another strange

452  
00:19:45,110 --> 00:19:43,799  
aspect to this in my opinion

453  
00:19:47,810 --> 00:19:45,120  
but

454  
00:19:50,390 --> 00:19:47,820  
he was just a likable guy loved to be

455  
00:19:52,610 --> 00:19:50,400  
outdoors love to hike hours and hours on

456  
00:19:55,130 --> 00:19:52,620  
end some of his hikes were over 10 hours

457  
00:19:58,789 --> 00:19:55,140  
he would claim when he got home he would

458  
00:20:01,789 --> 00:19:58,799  
lose toenails have to take a few days

459  
00:20:05,870 --> 00:20:01,799  
rest before he could go out again so

460  
00:20:07,730 --> 00:20:05,880  
these were very very athletic and

461  
00:20:10,810 --> 00:20:07,740  
physically demanding hikes not the top

462  
00:20:14,270 --> 00:20:10,820  
not the type of hike that I go on per se

463  
00:20:16,850 --> 00:20:14,280

usually miles and miles going from one

464

00:20:19,970 --> 00:20:16,860

mountain range to another the guy knew

465

00:20:28,130 --> 00:20:23,450

so was it just that simple a hiker went

466

00:20:34,549 --> 00:20:32,210

at surface level he went missing

467

00:20:36,230 --> 00:20:34,559

end of story

468

00:20:37,850 --> 00:20:36,240

for a lot of people it is that simple

469

00:20:40,970 --> 00:20:37,860

however

470

00:20:44,750 --> 00:20:40,980

I have come across some

471

00:20:46,250 --> 00:20:44,760

serious evidence as well as others and

472

00:20:49,250 --> 00:20:46,260

this is there's a long list of

473

00:20:51,890 --> 00:20:49,260

investigators who keep building Upon

474

00:20:54,049 --> 00:20:51,900

This Strange mystery

475

00:20:55,789 --> 00:20:54,059

now there are some names that are

476

00:20:58,789 --> 00:20:55,799

important that will come into play later

477

00:21:01,510 --> 00:20:58,799

one of those is Ray Veach or Raymond

478

00:21:04,010 --> 00:21:01,520

Veach which is Kenny veach's brother

479

00:21:06,950 --> 00:21:04,020

there are those online who have

480

00:21:09,830 --> 00:21:06,960

suspicious that Rave each may have been

481

00:21:11,870 --> 00:21:09,840

in some way shape or form helpful

482

00:21:15,590 --> 00:21:11,880

to Kenny Veach

483

00:21:17,870 --> 00:21:15,600

and a theory that along with a nephew

484

00:21:20,390 --> 00:21:17,880

Hunter they may have gathered some

485

00:21:21,409 --> 00:21:20,400

things for Kenny or at least grabbed his

486

00:21:24,590 --> 00:21:21,419

truck

487

00:21:27,529 --> 00:21:24,600

I want to point out that this is merely

488

00:21:30,350 --> 00:21:27,539

online speculation

489

00:21:33,529 --> 00:21:30,360

for all intents and purposes raveiche

490

00:21:38,630 --> 00:21:33,539

seems like a very stand-up guy to me he

491

00:21:42,409 --> 00:21:38,640

is also a worker at the Enchanted Forest

492

00:21:44,570 --> 00:21:42,419

Reiki healing Center which is located

493

00:21:47,990 --> 00:21:44,580

here in Las Vegas near Sahara and Jones

494

00:21:50,510 --> 00:21:48,000

that will come in later there was a

495

00:21:54,110 --> 00:21:50,520

break-in in the Enchanted Forest Reiki

496

00:21:56,870 --> 00:21:54,120

healing Center again keep that in mind

497

00:21:59,210 --> 00:21:56,880

as that will come in to play later

498

00:22:01,450 --> 00:21:59,220

because some believe and some family

499

00:22:05,630 --> 00:22:01,460

members in fact

500

00:22:09,590 --> 00:22:05,640

that it may have been or was someone who

501  
00:22:11,090 --> 00:22:09,600  
looked very similar to Kenny Veach who

502  
00:22:13,850 --> 00:22:11,100  
broke in

503  
00:22:16,490 --> 00:22:13,860  
there were also some paranormal like

504  
00:22:20,630 --> 00:22:16,500  
activity after the break-in we'll get to

505  
00:22:24,649 --> 00:22:20,640  
that Debbie Veitch is also someone that

506  
00:22:28,070 --> 00:22:24,659  
keep that in mind she is also a worker

507  
00:22:31,430 --> 00:22:28,080  
at Enchanted Forest Reiki healing Center

508  
00:22:33,710 --> 00:22:31,440  
again this will come into play later

509  
00:22:36,770 --> 00:22:33,720  
another person that will come into play

510  
00:22:38,470 --> 00:22:36,780  
is Sharon Pilgrim she is someone who

511  
00:22:42,950 --> 00:22:38,480  
claimed to be Kenny veach's girlfriend

512  
00:22:45,409 --> 00:22:42,960  
and she kind of pushed A Narrative of a

513  
00:22:48,890 --> 00:22:45,419

suicide online that maybe he killed

514

00:22:51,409 --> 00:22:48,900

himself or offed himself while out in

515

00:22:52,850 --> 00:22:51,419

this remote area of the desert take that

516

00:22:54,649 --> 00:22:52,860

with a grain of salt that will come into

517

00:22:57,169 --> 00:22:54,659

play later as well

518

00:22:58,850 --> 00:22:57,179

I in no way shape or form claim to have

519

00:23:00,529 --> 00:22:58,860

gotten all this evidence myself that's

520

00:23:02,630 --> 00:23:00,539

important to mention a lot of others

521

00:23:05,570 --> 00:23:02,640

have put a lot of time

522

00:23:07,850 --> 00:23:05,580

and extensive periods researching this

523

00:23:10,549 --> 00:23:07,860

and gathered and garnered a lot of

524

00:23:12,770 --> 00:23:10,559

information that seems to build upon

525

00:23:15,890 --> 00:23:12,780

each other and we are getting a stranger

526  
00:23:18,110 --> 00:23:15,900  
in stranger case as time passes

527  
00:23:21,289 --> 00:23:18,120  
and

528  
00:23:25,610 --> 00:23:21,299  
that brings us to an important thing

529  
00:23:30,890 --> 00:23:29,090  
there was a very strange break-in here

530  
00:23:33,950 --> 00:23:30,900  
in Las Vegas

531  
00:23:39,049 --> 00:23:33,960  
this is a location known as the

532  
00:23:42,110 --> 00:23:39,059  
Enchanted Forest Reiki healing Center

533  
00:23:44,210 --> 00:23:42,120  
there was some footage garnered at the

534  
00:23:46,250 --> 00:23:44,220  
scene of this break-in where somebody

535  
00:23:48,110 --> 00:23:46,260  
had broken into this Enchanted Forest

536  
00:23:50,270 --> 00:23:48,120  
Reiki healing Center

537  
00:23:53,450 --> 00:23:50,280  
and they were looking for something what

538  
00:23:56,330 --> 00:23:53,460

it is exactly I'm not entirely sure

539

00:24:00,049 --> 00:23:56,340

however let's get to

540

00:24:04,310 --> 00:24:00,059

this video footage that was gathered

541

00:24:07,270 --> 00:24:04,320

the video footage looks like Kenny Veach

542

00:24:11,330 --> 00:24:07,280

so much in fact that his ex-wife Diana

543

00:24:15,549 --> 00:24:11,340

his sister Bonnie and other family

544

00:24:18,649 --> 00:24:15,559

members including a daughter

545

00:24:20,870 --> 00:24:18,659

basically say yeah that's him

546

00:24:22,070 --> 00:24:20,880

there's no question that's definitely

547

00:24:24,350 --> 00:24:22,080

him

548

00:24:26,570 --> 00:24:24,360

what's interesting about this

549

00:24:29,810 --> 00:24:26,580

is

550

00:24:31,789 --> 00:24:29,820

a lot of other people have been spoken

551  
00:24:35,029 --> 00:24:31,799  
to and they claim no that's not him

552  
00:24:36,169 --> 00:24:35,039  
again family members extended family

553  
00:24:39,049 --> 00:24:36,179  
members

554  
00:24:41,990 --> 00:24:39,059  
so things get a little bit weird

555  
00:24:44,330 --> 00:24:42,000  
one particular family member Ray

556  
00:24:46,370 --> 00:24:44,340  
is the same family member who showed up

557  
00:24:47,750 --> 00:24:46,380  
to get Kenny's truck after he quote

558  
00:24:50,169 --> 00:24:47,760  
unquote went missing passed away

559  
00:24:53,330 --> 00:24:50,179  
whatever we want to call it

560  
00:24:57,049 --> 00:24:53,340  
and uh some maintain

561  
00:25:00,890 --> 00:24:57,059  
that it's possible that this person Ray

562  
00:25:04,130 --> 00:25:00,900  
may have actually taken Kenny's truck

563  
00:25:05,210 --> 00:25:04,140

and gathered things at Kenny's house for

564

00:25:08,270 --> 00:25:05,220

Kenny

565

00:25:10,310 --> 00:25:08,280

now this is Theory not my theory this is

566

00:25:12,590 --> 00:25:10,320

just I'm putting it out there because I

567

00:25:15,890 --> 00:25:12,600

found this information

568

00:25:20,750 --> 00:25:18,950

it's important to point this out that

569

00:25:23,450 --> 00:25:20,760

why would why would a gentleman be

570

00:25:25,130 --> 00:25:23,460

breaking into an enchanted forest Reiki

571

00:25:27,230 --> 00:25:25,140

healing Center

572

00:25:28,669 --> 00:25:27,240

after leaving his truck in the middle of

573

00:25:31,310 --> 00:25:28,679

nowhere

574

00:25:32,269 --> 00:25:31,320

leaving his phone at the top of a mine

575

00:25:34,190 --> 00:25:32,279

shaft

576  
00:25:37,669 --> 00:25:34,200  
and for all intents and purposes being

577  
00:25:41,149 --> 00:25:37,679  
off the grid off the radar and just gone

578  
00:25:43,549 --> 00:25:41,159  
for over eight years at this point

579  
00:25:46,549 --> 00:25:43,559  
okay so it's a super strange question

580  
00:25:48,769 --> 00:25:46,559  
but other strange things have come up in

581  
00:25:50,149 --> 00:25:48,779  
the search for Kenny Veach a lot of new

582  
00:25:52,549 --> 00:25:50,159  
discoveries

583  
00:25:55,970 --> 00:25:52,559  
one of those is a stone building that

584  
00:25:59,029 --> 00:25:55,980  
seems to have been placed or built

585  
00:26:02,269 --> 00:25:59,039  
along the side of one of these Canyons

586  
00:26:04,130 --> 00:26:02,279  
it would take a long time to build the

587  
00:26:05,930 --> 00:26:04,140  
stone building

588  
00:26:08,269 --> 00:26:05,940

the structure

589

00:26:10,789 --> 00:26:08,279

that could for all intents and purposes

590

00:26:13,010 --> 00:26:10,799

provide shelter for someone

591

00:26:14,630 --> 00:26:13,020

so somebody was out there and somebody

592

00:26:16,250 --> 00:26:14,640

did this

593

00:26:18,169 --> 00:26:16,260

whether or not it's Kenny Veach is

594

00:26:20,110 --> 00:26:18,179

unknown however

595

00:26:22,789 --> 00:26:20,120

it's important to get out there because

596

00:26:24,230 --> 00:26:22,799

suppressing any of this evidence will

597

00:26:25,490 --> 00:26:24,240

kind of take away from the overall

598

00:26:27,950 --> 00:26:25,500

puzzle

599

00:26:29,570 --> 00:26:27,960

and it's also important to note that

600

00:26:32,210 --> 00:26:29,580

Kenny could get in a lot of trouble at

601  
00:26:35,570 --> 00:26:32,220  
this point if he was found out because

602  
00:26:37,610 --> 00:26:35,580  
he did not have to pay on a bunch of

603  
00:26:40,669 --> 00:26:37,620  
debts that he owed

604  
00:26:43,310 --> 00:26:40,679  
um since he went missing in addition

605  
00:26:46,010 --> 00:26:43,320  
there is the break-in footage at the

606  
00:26:48,830 --> 00:26:46,020  
Enchanted Forest Reiki healing Center

607  
00:26:50,750 --> 00:26:48,840  
and questions surrounding that

608  
00:26:52,750 --> 00:26:50,760  
and

609  
00:26:55,970 --> 00:26:52,760  
other people

610  
00:26:58,190 --> 00:26:55,980  
have uh run into some trouble looking

611  
00:27:00,110 --> 00:26:58,200  
for the end cave and whether or not it's

612  
00:27:02,330 --> 00:27:00,120  
a real location

613  
00:27:05,990 --> 00:27:02,340

there seem to be different locations for

614

00:27:08,330 --> 00:27:06,000

the M cave according to who it is that's

615

00:27:11,210 --> 00:27:08,340

investigating who it is that went

616

00:27:13,549 --> 00:27:11,220

searching and what they found it's a

617

00:27:15,049 --> 00:27:13,559

very strange and scary place

618

00:27:17,149 --> 00:27:15,059

now

619

00:27:19,370 --> 00:27:17,159

people have claimed that Kenny has been

620

00:27:23,690 --> 00:27:19,380

spotted others claim that deleted

621

00:27:27,890 --> 00:27:23,700

footage has gone missing and some

622

00:27:31,010 --> 00:27:27,900

claim that he has in fact messaged them

623

00:27:33,289 --> 00:27:31,020

family members that is from his

624

00:27:36,169 --> 00:27:33,299

Facebook Messenger I believe it was

625

00:27:38,450 --> 00:27:36,179

don't take my word for that but there

626  
00:27:41,510 --> 00:27:38,460  
have been electronic messages that have

627  
00:27:43,730 --> 00:27:41,520  
gone through and then deleted afterwards

628  
00:27:45,289 --> 00:27:43,740  
it gets very mysterious this could be

629  
00:27:46,669 --> 00:27:45,299  
somebody hacking his account it's

630  
00:27:50,930 --> 00:27:46,679  
unknown

631  
00:27:53,810 --> 00:27:50,940  
very tragic case what happened to the

632  
00:27:56,990 --> 00:27:53,820  
mysterious M cave in the Mojave Desert

633  
00:27:59,690 --> 00:27:57,000  
and why can't anybody seemingly find the

634  
00:28:01,610 --> 00:27:59,700  
correct location or tie all of these

635  
00:28:05,570 --> 00:28:01,620  
things together well we're going to try

636  
00:28:09,590 --> 00:28:05,580  
there's a lot to unpack here a lot

637  
00:28:10,909 --> 00:28:09,600  
now on one of his journeys recording

638  
00:28:14,870 --> 00:28:10,919

through this

639

00:28:16,370 --> 00:28:14,880

wild vast landscape in the Mojave Desert

640

00:28:18,529 --> 00:28:16,380

of Nevada

641

00:28:22,130 --> 00:28:18,539

there is a cave

642

00:28:25,909 --> 00:28:22,140

that Kenny walks by and Zooms in too

643

00:28:28,250 --> 00:28:25,919

interestingly enough inside the cave

644

00:28:29,990 --> 00:28:28,260

there seemed to be two glowing eyes

645

00:28:33,289 --> 00:28:30,000

looking at him

646

00:28:35,570 --> 00:28:33,299

now these are Big this would be a

647

00:28:36,890 --> 00:28:35,580

massive Creature if in fact that is what

648

00:28:39,289 --> 00:28:36,900

we are looking at

649

00:28:41,630 --> 00:28:39,299

I've looked at the footage over and over

650

00:28:44,750 --> 00:28:41,640

again as well as other researchers and

651  
00:28:46,130 --> 00:28:44,760  
investigators trying to uh

652  
00:28:49,190 --> 00:28:46,140  
pick it apart

653  
00:28:52,789 --> 00:28:49,200  
but it does in fact

654  
00:28:56,690 --> 00:28:55,190  
that there is this

655  
00:28:59,450 --> 00:28:56,700  
for all intents and purpose something

656  
00:29:03,169 --> 00:28:59,460  
that looks like a creature of sorts

657  
00:29:04,909 --> 00:29:03,179  
and two glowing eyes possibly let me put

658  
00:29:07,789 --> 00:29:04,919  
out possibly

659  
00:29:10,310 --> 00:29:07,799  
inside the cave looking at him

660  
00:29:12,289 --> 00:29:10,320  
it it's something it's it's something

661  
00:29:14,630 --> 00:29:12,299  
very strange

662  
00:29:17,690 --> 00:29:14,640  
and

663  
00:29:19,730 --> 00:29:17,700

it's it's worth mentioning because I

664

00:29:23,029 --> 00:29:19,740

think it is an important find as I said

665

00:29:24,289 --> 00:29:23,039

his original footage going through this

666

00:29:27,350 --> 00:29:24,299

wild

667

00:29:29,090 --> 00:29:27,360

rugged area of the Mojave Desert is

668

00:29:30,889 --> 00:29:29,100

something that everybody should look at

669

00:29:32,870 --> 00:29:30,899

and

670

00:29:35,330 --> 00:29:32,880

definitely

671

00:29:39,070 --> 00:29:35,340

look at in its entirety

672

00:29:42,289 --> 00:29:39,080

because I think it has a lot to do

673

00:29:43,909 --> 00:29:42,299

with the entire case

674

00:29:46,370 --> 00:29:43,919

and

675

00:29:48,230 --> 00:29:46,380

if you want to check it out

676

00:29:50,990 --> 00:29:48,240

the original footage

677

00:29:57,110 --> 00:29:51,000

his YouTube channel is still intact

678

00:29:57,120 --> 00:30:01,029

b-i-t-m-g-e-e

679

00:30:08,269 --> 00:30:05,330

and there's a lot a lot there

680

00:30:11,990 --> 00:30:08,279

a lot surrounding the M cave

681

00:30:14,750 --> 00:30:12,000

a lot exploring the abandoned mine and

682

00:30:17,029 --> 00:30:14,760

the unusual places he would walk in the

683

00:30:19,490 --> 00:30:17,039

footage and the wild animals it's

684

00:30:20,870 --> 00:30:19,500

actually very interesting in its

685

00:30:22,789 --> 00:30:20,880

entirety

686

00:30:25,190 --> 00:30:22,799

now looking at the footage some have

687

00:30:28,430 --> 00:30:25,200

claimed to have heard a female voice

688

00:30:31,010 --> 00:30:28,440

alongside him I'm not so sure there is a

689

00:30:33,230 --> 00:30:31,020

high-pitched sound but I'm not so sure

690

00:30:35,269 --> 00:30:33,240

it is a female voice it could be

691

00:30:37,370 --> 00:30:35,279

something else

692

00:30:39,110 --> 00:30:37,380

but they claimed that this was possibly

693

00:30:41,930 --> 00:30:39,120

his girlfriend

694

00:30:44,330 --> 00:30:41,940

and she was just there but not on camera

695

00:30:46,730 --> 00:30:44,340

she never enters the frame throughout

696

00:30:50,210 --> 00:30:46,740

the entire time or ordeal I find that

697

00:30:53,570 --> 00:30:50,220

hard to believe but it is a possibility

698

00:30:57,590 --> 00:30:53,580

something that should not be left out

699

00:31:00,649 --> 00:30:57,600

now the strange activity inside the cave

700

00:31:02,690 --> 00:31:00,659

that I mentioned previously

701  
00:31:05,750 --> 00:31:02,700  
which looks like a couple glowing eyes

702  
00:31:08,029 --> 00:31:05,760  
is most reminiscent of

703  
00:31:09,769 --> 00:31:08,039  
well some footage I saw out of the four

704  
00:31:12,350 --> 00:31:09,779  
corners area

705  
00:31:14,570 --> 00:31:12,360  
which most closely resembled a

706  
00:31:17,510 --> 00:31:14,580  
skinwalker

707  
00:31:19,310 --> 00:31:17,520  
that was gathered on a I can't remember

708  
00:31:21,289 --> 00:31:19,320  
the uh

709  
00:31:23,510 --> 00:31:21,299  
television production crew that was out

710  
00:31:25,370 --> 00:31:23,520  
there but that's the closest thing I've

711  
00:31:27,710 --> 00:31:25,380  
seen to this footage in fact before

712  
00:31:30,049 --> 00:31:27,720  
anybody mentioned it when he showed the

713  
00:31:32,450 --> 00:31:30,059

footage I saw the video that's exactly

714

00:31:35,149 --> 00:31:32,460

what I thought and then I I've talked to

715

00:31:38,930 --> 00:31:35,159

other researchers since and heard other

716

00:31:41,570 --> 00:31:38,940

researchers discussing the possibility

717

00:31:44,330 --> 00:31:41,580

that this may be some kind of entity

718

00:31:46,909 --> 00:31:44,340

possibly paranormal

719

00:31:49,070 --> 00:31:46,919

now something that I also don't want to

720

00:31:51,769 --> 00:31:49,080

leave out is that law enforcement

721

00:31:53,750 --> 00:31:51,779

officials have not been that helpful or

722

00:31:55,730 --> 00:31:53,760

assess the situation to its full

723

00:31:59,269 --> 00:31:55,740

potential in my opinion

724

00:32:02,029 --> 00:31:59,279

when it comes to the CCTV footage at the

725

00:32:03,529 --> 00:32:02,039

insan Enchanted Forest Reiki healing

726

00:32:06,049 --> 00:32:03,539

Center break-in

727

00:32:08,750 --> 00:32:06,059

those dots were never connected that

728

00:32:09,649 --> 00:32:08,760

this could have in fact been Mr Veach in

729

00:32:11,870 --> 00:32:09,659

fact

730

00:32:15,049 --> 00:32:11,880

they never resorted to really

731

00:32:17,750 --> 00:32:15,059

investigating it at all and the claims

732

00:32:19,130 --> 00:32:17,760

were made however ignored so that's

733

00:32:20,769 --> 00:32:19,140

important

734

00:32:25,370 --> 00:32:20,779

also

735

00:32:28,370 --> 00:32:25,380

family members especially his daughter

736

00:32:31,490 --> 00:32:28,380

have said repeatedly that

737

00:32:35,090 --> 00:32:31,500

they would talk to detectives however

738

00:32:36,590 --> 00:32:35,100

they didn't want any part

739

00:32:40,549 --> 00:32:36,600

to

740

00:32:43,190 --> 00:32:40,559

him in trouble because that's exactly

741

00:32:45,289 --> 00:32:43,200

what would happen if if he did get in

742

00:32:47,269 --> 00:32:45,299

trouble so

743

00:32:49,430 --> 00:32:47,279

it makes you wonder

744

00:32:53,269 --> 00:32:49,440

why this hasn't been investigated more

745

00:32:56,230 --> 00:32:53,279

almost as if his disappearance was

746

00:32:58,970 --> 00:32:56,240

just accept it from the beginning

747

00:33:01,549 --> 00:32:58,980

there was one fly over with a helicopter

748

00:33:03,710 --> 00:33:01,559

it rendered nothing I believe dogs were

749

00:33:07,130 --> 00:33:03,720

used once that rendered nothing

750

00:33:10,549 --> 00:33:07,140

and to be honest the most investigation

751  
00:33:14,149 --> 00:33:10,559  
in research and Crews going out there

752  
00:33:17,090 --> 00:33:14,159  
looking for Kenny or evidence have been

753  
00:33:17,810 --> 00:33:17,100  
online investigators researchers and

754  
00:33:20,029 --> 00:33:17,820  
those

755  
00:33:22,130 --> 00:33:20,039  
looking into the mystery of the M cave

756  
00:33:24,110 --> 00:33:22,140  
they're the ones that have provided the

757  
00:33:26,750 --> 00:33:24,120  
most Manpower going out and looking for

758  
00:33:29,149 --> 00:33:26,760  
all this so that's important to note

759  
00:33:33,950 --> 00:33:29,159  
some important information that I also

760  
00:33:35,269 --> 00:33:33,960  
can't leave out is that Diana

761  
00:33:37,310 --> 00:33:35,279  
Veitch

762  
00:33:39,110 --> 00:33:37,320  
sent

763  
00:33:42,649 --> 00:33:39,120

a voicemail

764

00:33:44,990 --> 00:33:42,659  
to a detective handling the case

765

00:33:46,909 --> 00:33:45,000  
and that I'm aware

766

00:33:50,690 --> 00:33:46,919  
it was really not

767

00:33:52,909 --> 00:33:50,700  
um followed up on again that I'm aware

768

00:33:56,330 --> 00:33:52,919  
there was no investigation or resolution

769

00:33:59,090 --> 00:33:56,340  
as far as that because they believe or

770

00:34:02,810 --> 00:33:59,100  
at least Diana and other

771

00:34:04,430 --> 00:34:02,820  
of each family members believed that it

772

00:34:07,610 --> 00:34:04,440  
may be Kenny

773

00:34:09,889 --> 00:34:07,620  
and she was leaving a voicemail with the

774

00:34:12,530 --> 00:34:09,899  
detective investigating and handling the

775

00:34:14,270 --> 00:34:12,540  
case letting him know this

776

00:34:16,970 --> 00:34:14,280

however

777

00:34:20,690 --> 00:34:16,980

it was not let's just say investigated

778

00:34:26,750 --> 00:34:23,570

now one such researcher that's put in a

779

00:34:30,050 --> 00:34:26,760

lot of work is Atari 2021 and a lot of

780

00:34:32,930 --> 00:34:30,060

the information provided was by a family

781

00:34:34,609 --> 00:34:32,940

member who is still and continually

782

00:34:38,690 --> 00:34:34,619

working alongside with YouTube

783

00:34:41,389 --> 00:34:38,700

researchers the news Metro Police and

784

00:34:44,570 --> 00:34:41,399

more so there's there's there's a lot of

785

00:34:48,589 --> 00:34:44,580

people a lot of tendrils of information

786

00:34:51,889 --> 00:34:48,599

that one can follow and gather to try to

787

00:34:54,649 --> 00:34:51,899

connect the dots and kind of put the

788

00:34:56,869 --> 00:34:54,659

pieces of the puzzle together to get a

789

00:35:00,829 --> 00:34:56,879

better image of what is taking place

790

00:35:03,530 --> 00:35:00,839

here on any one front no one piece of

791

00:35:05,450 --> 00:35:03,540

evidence can kind of suffice

792

00:35:08,810 --> 00:35:05,460

to explain what happened but when you

793

00:35:12,589 --> 00:35:08,820

look at all of these tentacles leading

794

00:35:14,870 --> 00:35:12,599

to the same situation the important M

795

00:35:17,390 --> 00:35:14,880

cave it begins to send a message

796

00:35:20,089 --> 00:35:17,400

something's going on here

797

00:35:22,550 --> 00:35:20,099

I should also mention that Susan Veach

798

00:35:24,050 --> 00:35:22,560

is one of the family members doing the

799

00:35:26,030 --> 00:35:24,060

most work

800

00:35:28,609 --> 00:35:26,040

and uh

801  
00:35:31,790 --> 00:35:28,619  
offering a lot of the most data and

802  
00:35:34,430 --> 00:35:31,800  
information to those parties

803  
00:35:37,310 --> 00:35:34,440  
now interestingly back to this Enchanted

804  
00:35:40,910 --> 00:35:37,320  
Forest Reiki healing Center break-in

805  
00:35:43,490 --> 00:35:40,920  
what about fingerprints what about that

806  
00:35:46,010 --> 00:35:43,500  
oddly they did not get around to

807  
00:35:47,630 --> 00:35:46,020  
checking them against Kenny veach's

808  
00:35:49,910 --> 00:35:47,640  
fingerprints

809  
00:35:51,770 --> 00:35:49,920  
that's very strange in my opinion and

810  
00:35:54,650 --> 00:35:51,780  
brings uh

811  
00:35:58,069 --> 00:35:54,660  
a lot of questions it's a huge red red

812  
00:35:59,630 --> 00:35:58,079  
flag as far as I'm concerned if we are

813  
00:36:01,790 --> 00:35:59,640

really fundamentally trying to figure

814

00:36:04,130 --> 00:36:01,800

out whether this was in fact him or it's

815

00:36:07,010 --> 00:36:04,140

just a crazy Theory

816

00:36:08,569 --> 00:36:07,020

also the owner of the Enchanted Forest

817

00:36:12,290 --> 00:36:08,579

Reiki healing Center

818

00:36:13,370 --> 00:36:12,300

claimed and it is evident on the CCTV

819

00:36:17,690 --> 00:36:13,380

footage

820

00:36:21,170 --> 00:36:17,700

a bunch of what are seemingly orbs uh go

821

00:36:23,510 --> 00:36:21,180

across the screen after he goes in and

822

00:36:26,450 --> 00:36:23,520

out of there which is sort of a

823

00:36:31,370 --> 00:36:26,460

paranormal strange part of this case

824

00:36:33,770 --> 00:36:31,380

or maybe it's something more

825

00:36:35,870 --> 00:36:33,780

easily explained could be dust particles

826

00:36:39,530 --> 00:36:35,880

from slamming the door I don't know

827

00:36:41,990 --> 00:36:39,540

but the owner of the store does mention

828

00:36:46,069 --> 00:36:42,000

this on TV that there's a ton of orbs

829

00:36:48,410 --> 00:36:46,079

that come in and across the uh the CCTV

830

00:36:50,750 --> 00:36:48,420

as he exits the building

831

00:36:53,089 --> 00:36:50,760

in fact the owner of the store said the

832

00:36:55,910 --> 00:36:53,099

orbs were cleansing the negative energy

833

00:36:58,250 --> 00:36:55,920

of the break-in after he left and the

834

00:36:59,630 --> 00:36:58,260

footage is pretty impressive the live

835

00:37:02,390 --> 00:36:59,640

footage is

836

00:37:04,670 --> 00:37:02,400

strange or it could have just been a way

837

00:37:06,290 --> 00:37:04,680

for them to drum up business at the

838

00:37:07,970 --> 00:37:06,300

## Enchanted Forest Reiki healing Center

839

00:37:09,530 --> 00:37:07,980

I'm not sure

840

00:37:10,849 --> 00:37:09,540

but again

841

00:37:14,329 --> 00:37:10,859

a lot of

842

00:37:16,310 --> 00:37:14,339

Highly Questionable very strange stuff

843

00:37:18,170 --> 00:37:16,320

taking place

844

00:37:20,569 --> 00:37:18,180

now the owner

845

00:37:23,030 --> 00:37:20,579

of the Enchanted Forest Reiki healing

846

00:37:25,550 --> 00:37:23,040

Center is Debbie Veitch

847

00:37:27,890 --> 00:37:25,560

and this is what she had to say about

848

00:37:30,109 --> 00:37:27,900

the break-in so these are more strange

849

00:37:31,970 --> 00:37:30,119

connections felt to us that was

850

00:37:34,190 --> 00:37:31,980

happening as Spirit was coming in and

851  
00:37:37,310 --> 00:37:34,200  
clearing the energy for us immediately

852  
00:37:39,130 --> 00:37:37,320  
to get that type of energy out okay so

853  
00:37:43,250 --> 00:37:39,140  
very new AG

854  
00:37:45,650 --> 00:37:43,260  
belief that these orbs were clearing the

855  
00:37:48,589 --> 00:37:45,660  
energy out of the store after the

856  
00:37:51,710 --> 00:37:48,599  
break-in now Debbie

857  
00:37:53,750 --> 00:37:51,720  
Veach claimed that

858  
00:37:55,370 --> 00:37:53,760  
she looked at the footage over and over

859  
00:37:57,829 --> 00:37:55,380  
again and could not figure out who it

860  
00:38:01,849 --> 00:37:57,839  
was now it is darker footage I highly

861  
00:38:03,589 --> 00:38:01,859  
recommend you look it up it is uh all

862  
00:38:05,089 --> 00:38:03,599  
over the place online

863  
00:38:08,569 --> 00:38:05,099

however

864

00:38:10,190 --> 00:38:08,579

it makes you wonder is it him or is it

865

00:38:12,410 --> 00:38:10,200

not him if it is not him it's someone

866

00:38:15,530 --> 00:38:12,420

that looks a lot like him

867

00:38:17,829 --> 00:38:15,540

okay now jumping back to the baron vast

868

00:38:20,630 --> 00:38:17,839

Mojave Desert where Kenny Veitch height

869

00:38:22,910 --> 00:38:20,640

many like I said hundreds of YouTube

870

00:38:25,069 --> 00:38:22,920

researchers have gone out searching for

871

00:38:27,290 --> 00:38:25,079

any tidbits of evidence

872

00:38:29,810 --> 00:38:27,300

anything that could be helpful and some

873

00:38:34,310 --> 00:38:29,820

have found bones those bones have been

874

00:38:36,589 --> 00:38:34,320

posted to tick tock and they are uh well

875

00:38:38,990 --> 00:38:36,599

they're interesting whether or not

876

00:38:42,589 --> 00:38:39,000

they're human bones is not known and

877

00:38:45,410 --> 00:38:42,599

again you get so far out there you don't

878

00:38:48,530 --> 00:38:45,420

have cell reception it's hard to notify

879

00:38:50,329 --> 00:38:48,540

authorities and even more difficult to

880

00:38:52,250 --> 00:38:50,339

pack things in and out they didn't touch

881

00:38:55,370 --> 00:38:52,260

the bones that could implicate them and

882

00:38:58,069 --> 00:38:55,380

who knows what but Bones have been found

883

00:38:59,150 --> 00:38:58,079

out in the general vicinity now no

884

00:39:02,510 --> 00:38:59,160

clothing

885

00:39:04,970 --> 00:39:02,520

no shoes no socks no shirts no pants but

886

00:39:06,530 --> 00:39:04,980

Bones have been found and again I can't

887

00:39:08,810 --> 00:39:06,540

guarantee that those are human bones

888

00:39:11,390 --> 00:39:08,820

neither could the investigators

889

00:39:13,430 --> 00:39:11,400

but it is something to note now the

890

00:39:15,890 --> 00:39:13,440

person that broke into the Enchanted

891

00:39:18,290 --> 00:39:15,900

Forest Reiki healing Center

892

00:39:19,970 --> 00:39:18,300

they didn't look like they really had it

893

00:39:21,290 --> 00:39:19,980

together didn't really know what they

894

00:39:25,250 --> 00:39:21,300

were looking for

895

00:39:27,950 --> 00:39:25,260

and police I believe noticed that and

896

00:39:29,990 --> 00:39:27,960

another important thing to note is I

897

00:39:32,210 --> 00:39:30,000

believe if I'm not miss speaking here

898

00:39:35,510 --> 00:39:32,220

that Kenny veitch's father was a

899

00:39:37,390 --> 00:39:35,520

policeman so some have attested that

900

00:39:40,670 --> 00:39:37,400

there is what they call

901  
00:39:42,349 --> 00:39:40,680  
uh some covering up but I I can't

902  
00:39:45,970 --> 00:39:42,359  
theorize that deep

903  
00:39:50,089 --> 00:39:45,980  
it's important also to read something

904  
00:39:53,630 --> 00:39:50,099  
that Susan Riggs Veach wrote

905  
00:39:55,609 --> 00:39:53,640  
after uh basically dealing with the

906  
00:39:57,410 --> 00:39:55,619  
authorities and I'm going to read this

907  
00:39:59,510 --> 00:39:57,420  
word for word

908  
00:40:02,030 --> 00:39:59,520  
after seeing the break-in video I

909  
00:40:03,650 --> 00:40:02,040  
finally had some proof that Kenny faked

910  
00:40:06,109 --> 00:40:03,660  
his disappearance

911  
00:40:09,950 --> 00:40:06,119  
I emailed twice and left two voice

912  
00:40:11,990 --> 00:40:09,960  
messages I messaged her I'm assuming

913  
00:40:13,130 --> 00:40:12,000

that that is the detective handling the

914

00:40:16,390 --> 00:40:13,140

case

915

00:40:20,150 --> 00:40:16,400

that the CNN documentary was happening

916

00:40:22,450 --> 00:40:20,160

whether the LV MPD Las Vegas Metro

917

00:40:26,089 --> 00:40:22,460

Police Department participated or not

918

00:40:27,470 --> 00:40:26,099

and that is a documentary on this whole

919

00:40:29,630 --> 00:40:27,480

situation

920

00:40:33,230 --> 00:40:29,640

I believe it's called dead silent or

921

00:40:35,210 --> 00:40:33,240

death silent okay back to this I told

922

00:40:37,670 --> 00:40:35,220

them if they want to drag their feet

923

00:40:40,609 --> 00:40:37,680

that it will just make them look bad

924

00:40:43,670 --> 00:40:40,619

detective Santos called me and proceeded

925

00:40:46,250 --> 00:40:43,680

to ream me up one side and down the

926  
00:40:47,930 --> 00:40:46,260  
other she told me I could be arrested

927  
00:40:49,609 --> 00:40:47,940  
for threatening a Las Vegas Metro

928  
00:40:52,730 --> 00:40:49,619  
officer

929  
00:40:54,710 --> 00:40:52,740  
I told her bring it I asked her if she

930  
00:40:57,170 --> 00:40:54,720  
viewed the video I sent her

931  
00:40:59,990 --> 00:40:57,180  
she proceeded to insinuate that I was a

932  
00:41:03,290 --> 00:41:00,000  
liar then she told me I could be

933  
00:41:05,810 --> 00:41:03,300  
arrested for withholding information

934  
00:41:08,810 --> 00:41:05,820  
or I'm sorry for I could be arrested for

935  
00:41:12,530 --> 00:41:08,820  
with you for withholding evidence from

936  
00:41:14,810 --> 00:41:12,540  
Metro since the video was from 2018. I

937  
00:41:17,690 --> 00:41:14,820  
explained I had just found it the night

938  
00:41:19,910 --> 00:41:17,700

before then sent her all the comments

939

00:41:21,230 --> 00:41:19,920

made by snake bit McGee after his

940

00:41:26,510 --> 00:41:21,240

disappearance

941

00:41:29,990 --> 00:41:26,520

that is Kenny Veach snake bit McKee now

942

00:41:32,690 --> 00:41:30,000

Sherry and P's message to Eric the hiker

943

00:41:34,730 --> 00:41:32,700

text messages from his family stating it

944

00:41:37,250 --> 00:41:34,740

was Kenny in the video and guess what

945

00:41:39,410 --> 00:41:37,260

not a word

946

00:41:42,230 --> 00:41:39,420

I then called her back just before the

947

00:41:43,730 --> 00:41:42,240

documentary came so there does seem to

948

00:41:45,650 --> 00:41:43,740

be

949

00:41:48,050 --> 00:41:45,660

a bit of a cover-up

950

00:41:51,950 --> 00:41:48,060

no matter how much evidence comes out or

951  
00:41:53,870 --> 00:41:51,960  
things that could relate to this strange

952  
00:41:56,450 --> 00:41:53,880  
mystery

953  
00:41:59,390 --> 00:41:56,460  
that it's not followed through

954  
00:42:01,130 --> 00:41:59,400  
so in my very limited opinion and not

955  
00:42:02,569 --> 00:42:01,140  
knowing the Veach family members there's

956  
00:42:04,849 --> 00:42:02,579  
a lot of different

957  
00:42:07,370 --> 00:42:04,859  
Veach family members with varying

958  
00:42:09,589 --> 00:42:07,380  
opinions however

959  
00:42:12,589 --> 00:42:09,599  
given all the evidence and given the

960  
00:42:14,930 --> 00:42:12,599  
strange mystery here

961  
00:42:17,150 --> 00:42:14,940  
him acting strangely if it is in fact

962  
00:42:20,630 --> 00:42:17,160  
him on the Enchanted Forest Reiki

963  
00:42:23,690 --> 00:42:20,640

healing Center break-in CCTV video

964

00:42:26,150 --> 00:42:23,700

and the possibility that there are these

965

00:42:29,690 --> 00:42:26,160

online texts and conversations Etc

966

00:42:30,550 --> 00:42:29,700

taking place between snake bit McGee and

967

00:42:32,630 --> 00:42:30,560

other

968

00:42:34,970 --> 00:42:32,640

individuals online

969

00:42:40,550 --> 00:42:34,980

after his disappearance that's that's

970

00:42:45,190 --> 00:42:42,890

there are uh

971

00:42:47,510 --> 00:42:45,200

possibilities here and evidence here

972

00:42:50,930 --> 00:42:47,520

that he may

973

00:42:51,829 --> 00:42:50,940

still be alive or at least he was still

974

00:42:53,990 --> 00:42:51,839

alive

975

00:42:56,930 --> 00:42:54,000

and that's in my very limited opinion

976

00:43:00,290 --> 00:42:56,940

I'm not a detective I'm not search and

977

00:43:02,710 --> 00:43:00,300

rescue I'm not a family member I am just

978

00:43:05,329 --> 00:43:02,720

another one of these

979

00:43:07,250 --> 00:43:05,339

investigators or researchers into a very

980

00:43:09,170 --> 00:43:07,260

mysterious event

981

00:43:11,329 --> 00:43:09,180

that's not to say that there's not a

982

00:43:12,470 --> 00:43:11,339

paranormal aspect to this that's very

983

00:43:15,050 --> 00:43:12,480

mysterious

984

00:43:16,790 --> 00:43:15,060

the eyes within the cave that he passed

985

00:43:18,829 --> 00:43:16,800

were very strange or the reflection

986

00:43:21,650 --> 00:43:18,839

within the cave that he passed was

987

00:43:26,089 --> 00:43:21,660

definitely something I haven't seen

988

00:43:28,430 --> 00:43:26,099

often and the orbs on the video

989

00:43:30,770 --> 00:43:28,440

footage of the Enchanted Forest Reiki

990

00:43:32,630 --> 00:43:30,780

healing center it's interesting

991

00:43:35,690 --> 00:43:32,640

in its own right

992

00:43:38,630 --> 00:43:35,700

the fact that there are messages

993

00:43:41,390 --> 00:43:38,640

after his disappearance and that he may

994

00:43:43,370 --> 00:43:41,400

be watching YouTube and basically

995

00:43:46,970 --> 00:43:43,380

commenting on things that's interesting

996

00:43:49,790 --> 00:43:46,980

if he's still around we have uh ties to

997

00:43:52,069 --> 00:43:49,800

top secret government installations just

998

00:43:54,470 --> 00:43:52,079

by the very proximity of this cave and

999

00:43:55,550 --> 00:43:54,480

the possibility of what is taking place

1000

00:43:58,010 --> 00:43:55,560

in the cave

1001  
00:44:01,370 --> 00:43:58,020  
any kind of technology that would cause

1002  
00:44:03,890 --> 00:44:01,380  
somebody's body to vibrate is something

1003  
00:44:05,270 --> 00:44:03,900  
that in and of itself is a pretty

1004  
00:44:08,450 --> 00:44:05,280  
important

1005  
00:44:10,849 --> 00:44:08,460  
and we have other Youtubers with friends

1006  
00:44:13,309 --> 00:44:10,859  
that support supposedly or purportedly

1007  
00:44:16,030 --> 00:44:13,319  
work at the base that seem to have

1008  
00:44:19,849 --> 00:44:16,040  
pre-sorted first-hand information

1009  
00:44:23,809 --> 00:44:19,859  
regarding locations Etc

1010  
00:44:26,210 --> 00:44:23,819  
now getting on the subject of these

1011  
00:44:27,589 --> 00:44:26,220  
online Communications when you start

1012  
00:44:29,930 --> 00:44:27,599  
sorting through the online

1013  
00:44:32,450 --> 00:44:29,940

Communications and viewing them on

1014

00:44:36,790 --> 00:44:35,030

we have some other anomalies that take

1015

00:44:42,710 --> 00:44:36,800

place

1016

00:44:44,630 --> 00:44:42,720

and one of those anomalies is that

1017

00:44:50,329 --> 00:44:44,640

some of these comments have been deleted

1018

00:44:53,450 --> 00:44:50,339

one of the comments is one that was

1019

00:44:57,050 --> 00:44:53,460

basically don't go back to that cave

1020

00:44:58,190 --> 00:44:57,060

if you go in it you will not ever come

1021

00:45:00,829 --> 00:44:58,200

out of it

1022

00:45:04,790 --> 00:45:00,839

kind of a creepy horrific

1023

00:45:09,349 --> 00:45:06,829

I think it's also important to note that

1024

00:45:11,030 --> 00:45:09,359

Kenny was dead set on going back to that

1025

00:45:13,490 --> 00:45:11,040

cave and proving

1026

00:45:15,050 --> 00:45:13,500

what he said was true that there was

1027

00:45:17,930 --> 00:45:15,060

some kind of technology or something

1028

00:45:20,089 --> 00:45:17,940

inside the cave that scared him or was

1029

00:45:22,250 --> 00:45:20,099

making his body vibrate he wanted to

1030

00:45:25,190 --> 00:45:22,260

prove this was true and he was dead set

1031

00:45:28,130 --> 00:45:25,200

on doing it no pun intended

1032

00:45:31,550 --> 00:45:28,140

so getting that message is a little bit

1033

00:45:33,290 --> 00:45:31,560

strange I mean going to the extent of

1034

00:45:36,349 --> 00:45:33,300

telling his family that he's going out

1035

00:45:39,109 --> 00:45:36,359

on a three day

1036

00:45:41,270 --> 00:45:39,119

hiking trip to find this we'll give you

1037

00:45:43,849 --> 00:45:41,280

an idea just how vast the landscape is

1038

00:45:45,230 --> 00:45:43,859

and how far he was going he was he he

1039

00:45:46,430 --> 00:45:45,240

was going to find this and he was going

1040

00:45:49,309 --> 00:45:46,440

to prove

1041

00:45:50,630 --> 00:45:49,319

that this cave had something anomalous

1042

00:45:52,550 --> 00:45:50,640

about it

1043

00:45:54,349 --> 00:45:52,560

it's also important to note that Kenny

1044

00:45:57,530 --> 00:45:54,359

would often do this he would go on these

1045

00:45:59,270 --> 00:45:57,540

crazy long hikes that's important to

1046

00:46:01,790 --> 00:45:59,280

mention so him telling his family hey

1047

00:46:05,510 --> 00:46:01,800

I'll be three days I'm going out on this

1048

00:46:07,970 --> 00:46:05,520

hike I'm going to find this m cave and

1049

00:46:10,370 --> 00:46:07,980

uh do some exploring this was not

1050

00:46:13,849 --> 00:46:10,380

far-fetched this was just the way he was

1051

00:46:16,790 --> 00:46:13,859

nothing out of the ordinary there

1052

00:46:18,829 --> 00:46:16,800

what is out of the ordinary is this cave

1053

00:46:20,990 --> 00:46:18,839

it just keeps coming up everything else

1054

00:46:24,829 --> 00:46:21,000

would seem pretty cut and dried if it

1055

00:46:28,430 --> 00:46:24,839

wasn't for this strange anomalous cave

1056

00:46:31,309 --> 00:46:28,440

having high strangeness within it and

1057

00:46:33,710 --> 00:46:31,319

something either a technology an entity

1058

00:46:37,609 --> 00:46:33,720

or something along those lines that made

1059

00:46:41,630 --> 00:46:37,619

him scared and made his body vibrate

1060

00:46:44,809 --> 00:46:41,640

so we have this cave in somewhat at

1061

00:46:50,030 --> 00:46:44,819

least generally speaking close proximity

1062

00:46:53,210 --> 00:46:50,040

to a top secret base known as Area 51

1063

00:46:56,030 --> 00:46:53,220

I don't know exactly if that is correct

1064

00:46:57,950 --> 00:46:56,040

but it seems about right simplifying all

1065

00:46:59,990 --> 00:46:57,960

this looking at maps and the way I would

1066

00:47:02,569 --> 00:47:00,000

go about accessing it

1067

00:47:06,290 --> 00:47:02,579

so anyway we have a cave in fairly close

1068

00:47:09,589 --> 00:47:06,300

proximity to a top secret base not to

1069

00:47:11,569 --> 00:47:09,599

say that Area 51 is the only place that

1070

00:47:15,170 --> 00:47:11,579

they test these things there it's a

1071

00:47:19,730 --> 00:47:15,180

massive range and this is also near a

1072

00:47:23,510 --> 00:47:19,740

bombing range uh Kenny showed multiple

1073

00:47:27,950 --> 00:47:23,520

times that he uh was near bombing ranges

1074

00:47:31,790 --> 00:47:27,960

and uh had seen artillery out there Etc

1075

00:47:34,609 --> 00:47:31,800

so it is near a bombing range next to it

1076

00:47:36,589 --> 00:47:34,619

and

1077

00:47:38,750 --> 00:47:36,599

you know this testing could be taking

1078

00:47:40,309 --> 00:47:38,760

place in a variety of places as I

1079

00:47:42,230 --> 00:47:40,319

mentioned it doesn't all have to be at

1080

00:47:44,870 --> 00:47:42,240

area 51.

1081

00:47:48,109 --> 00:47:44,880

that being said he could have run into

1082

00:47:51,109 --> 00:47:48,119

something known as ads

1083

00:47:53,510 --> 00:47:51,119

basically ads is a form of non-lethal

1084

00:47:56,030 --> 00:47:53,520

Weaponry we are all familiar with

1085

00:47:58,130 --> 00:47:56,040

non-lethal Weaponry ads is an active

1086

00:48:02,630 --> 00:47:58,140

denial system

1087

00:48:04,970 --> 00:48:02,640

that is used by military and law

1088

00:48:07,550 --> 00:48:04,980

enforcement it causes the skin to feel

1089

00:48:09,589 --> 00:48:07,560

heat and your body vibrates

1090

00:48:13,670 --> 00:48:09,599

it is uh

1091

00:48:16,790 --> 00:48:13,680

very low power microwave radiation and

1092

00:48:19,910 --> 00:48:16,800

it can cause the Sensation that Kenny

1093

00:48:23,750 --> 00:48:19,920

may have felt or this is a theory

1094

00:48:26,150 --> 00:48:23,760

but something that may be uh

1095

00:48:28,069 --> 00:48:26,160

along the lines of what he experienced

1096

00:48:30,650 --> 00:48:28,079

I'm not sure

1097

00:48:32,990 --> 00:48:30,660

and if you study non-lethal Weaponry

1098

00:48:38,150 --> 00:48:33,000

there are a variety of military

1099

00:48:39,950 --> 00:48:38,160

technologies that could be used to

1100

00:48:43,730 --> 00:48:39,960

explain

1101

00:48:46,730 --> 00:48:43,740

having somebody feel that they

1102

00:48:48,530 --> 00:48:46,740

had their body vibrate in proximity to a

1103

00:48:51,069 --> 00:48:48,540

location where they did not want

1104

00:48:53,809 --> 00:48:51,079

somebody to be

1105

00:48:55,430 --> 00:48:53,819

and there are a variety of other

1106

00:48:58,790 --> 00:48:55,440

explanations that could take place

1107

00:49:02,450 --> 00:48:58,800

especially in an area so remote

1108

00:49:06,530 --> 00:49:02,460

we know that people have come forward in

1109

00:49:09,290 --> 00:49:06,540

the past obviously Area 51 has a uh

1110

00:49:12,290 --> 00:49:09,300

a name a reputation

1111

00:49:14,569 --> 00:49:12,300

for testing various Technologies some of

1112

00:49:17,230 --> 00:49:14,579

which According to some

1113

00:49:22,130 --> 00:49:17,240

may be reversed

1114

00:49:24,230 --> 00:49:22,140

extraterrestrial Tech and uh so you

1115

00:49:25,550 --> 00:49:24,240

really have no idea what you might be

1116

00:49:27,170 --> 00:49:25,560

dealing with from a technology

1117

00:49:30,050 --> 00:49:27,180

standpoint

1118

00:49:32,329 --> 00:49:30,060

in addition it's an area where a lot of

1119

00:49:34,609 --> 00:49:32,339

contractors can test their equipment

1120

00:49:37,630 --> 00:49:34,619

with plausible deniability not having to

1121

00:49:39,950 --> 00:49:37,640

explain to anyone or anybody any

1122

00:49:41,870 --> 00:49:39,960

organization whatsoever what it is they

1123

00:49:45,710 --> 00:49:41,880

are testing

1124

00:49:48,470 --> 00:49:45,720

that's something to keep in mind now

1125

00:49:52,790 --> 00:49:48,480

this hike in general

1126

00:49:55,550 --> 00:49:52,800

is wild to to put it mildly it's wild

1127

00:49:56,750 --> 00:49:55,560

not something your average hiker would

1128

00:49:58,970 --> 00:49:56,760

undertake

1129

00:50:01,790 --> 00:49:58,980

and a really good

1130

00:50:04,069 --> 00:50:01,800

uh group of adventurers that have a

1131

00:50:06,410 --> 00:50:04,079

YouTube channel known as SB Vegas

1132

00:50:09,589 --> 00:50:06,420

Adventures

1133

00:50:12,589 --> 00:50:09,599

did a great job of showing

1134

00:50:17,990 --> 00:50:12,599

what this death hike quote unquote is

1135

00:50:22,750 --> 00:50:18,000

like and they videoed basically the

1136

00:50:25,790 --> 00:50:22,760

most wild terrain you could imagine

1137

00:50:28,370 --> 00:50:25,800

death-defying Heights in some parts

1138

00:50:30,589 --> 00:50:28,380

and so it's important to point out that

1139

00:50:33,470 --> 00:50:30,599

the very likelihood of him just being

1140

00:50:35,210 --> 00:50:33,480

annihilated by the hike itself is very

1141

00:50:40,010 --> 00:50:35,220

uh possible

1142

00:50:42,670 --> 00:50:40,020

this is a strenuous and scary area

1143

00:50:46,430 --> 00:50:42,680

hours and hours on end hiking through

1144

00:50:48,650 --> 00:50:46,440

terrain that is dangerous and and the

1145

00:50:51,109 --> 00:50:48,660

very real and likely presence of animals

1146

00:50:55,250 --> 00:50:51,119

and predators that could take you out I

1147

00:51:01,130 --> 00:50:59,690

so we have bones being found out in the

1148

00:51:03,290 --> 00:51:01,140

area

1149

00:51:04,730 --> 00:51:03,300

which may or may not be human we're

1150

00:51:07,609 --> 00:51:04,740

unsure still

1151  
00:51:09,290 --> 00:51:07,619  
we have possible proof that Kenny Veach

1152  
00:51:11,990 --> 00:51:09,300  
is still alive

1153  
00:51:14,930 --> 00:51:12,000  
and CCTV evidence that may support that

1154  
00:51:19,730 --> 00:51:14,940  
as well as family members some of which

1155  
00:51:23,630 --> 00:51:19,740  
believe that is him on the CCTV

1156  
00:51:26,690 --> 00:51:23,640  
we have a very strange Behavior by Kenny

1157  
00:51:28,730 --> 00:51:26,700  
Veach almost not acting himself paid to

1158  
00:51:31,250 --> 00:51:28,740  
bring in MK Ultra but we are dealing

1159  
00:51:34,450 --> 00:51:31,260  
with a strange Disappearance in and

1160  
00:51:38,710 --> 00:51:34,460  
around a top-secret government facility

1161  
00:51:42,290 --> 00:51:38,720  
we have the

1162  
00:51:44,210 --> 00:51:42,300  
odd online presence of Kenny Veach after

1163  
00:51:47,690 --> 00:51:44,220

his disappearance which says either

1164

00:51:51,049 --> 00:51:47,700

somebody was hacking into his electronic

1165

00:51:53,510 --> 00:51:51,059

devices or he himself was able to access

1166

00:51:56,049 --> 00:51:53,520

these devices and

1167

00:51:58,790 --> 00:51:56,059

comment and discuss things with others

1168

00:52:02,870 --> 00:51:58,800

after his disappearance which seems

1169

00:52:04,309 --> 00:52:02,880

absolutely wild and outside the realm of

1170

00:52:07,390 --> 00:52:04,319

comprehension

1171

00:52:09,770 --> 00:52:07,400

we have very paranormal

1172

00:52:13,849 --> 00:52:09,780

happenings and goings-on that were

1173

00:52:17,870 --> 00:52:13,859

documented by both his footage while

1174

00:52:19,910 --> 00:52:17,880

doing this death hike to the m cave and

1175

00:52:23,270 --> 00:52:19,920

in another cave that he passed we have

1176  
00:52:25,069 --> 00:52:23,280  
very strange Reflections inside the cave

1177  
00:52:26,870 --> 00:52:25,079  
which seemed like eyes could have been

1178  
00:52:28,790 --> 00:52:26,880  
something else but it did seem like a

1179  
00:52:32,390 --> 00:52:28,800  
creature of sorts

1180  
00:52:36,290 --> 00:52:32,400  
and we have the orb footage as well

1181  
00:52:38,470 --> 00:52:36,300  
video evidence in the Enchanted Forest

1182  
00:52:41,510 --> 00:52:38,480  
Reiki healing Center break-in

1183  
00:52:43,250 --> 00:52:41,520  
CCTV footage which may or may not be

1184  
00:52:46,670 --> 00:52:43,260  
Kenny Veach but then we have these

1185  
00:52:48,650 --> 00:52:46,680  
strange orbs showing up inside the

1186  
00:52:50,270 --> 00:52:48,660  
business

1187  
00:52:51,890 --> 00:52:50,280  
so there's a lot of parts a lot of

1188  
00:52:54,829 --> 00:52:51,900

moving parts to this

1189

00:52:57,470 --> 00:52:54,839

a lot of moving parts to Kenny Veach

1190

00:52:59,270 --> 00:52:57,480

himself and the fact that the M cave

1191

00:53:01,910 --> 00:52:59,280

that some have found whether you believe

1192

00:53:03,589 --> 00:53:01,920

it is it or not

1193

00:53:07,849 --> 00:53:03,599

was

1194

00:53:10,730 --> 00:53:07,859

not that dangerous per se yet when

1195

00:53:12,710 --> 00:53:10,740

people go back and see it again

1196

00:53:14,750 --> 00:53:12,720

the first time it doesn't have anything

1197

00:53:17,630 --> 00:53:14,760

outside of it the second time they go

1198

00:53:20,270 --> 00:53:17,640

back they see a sign that says

1199

00:53:23,030 --> 00:53:20,280

restricted area on our unauthorized

1200

00:53:26,450 --> 00:53:23,040

Personnel or unauthorized persons keep

1201  
00:53:29,569 --> 00:53:26,460  
out basically a warning sign to stay out

1202  
00:53:33,710 --> 00:53:29,579  
of the cave for whatever reason

1203  
00:53:36,950 --> 00:53:33,720  
so what is going on with Kenny Veach

1204  
00:53:39,589 --> 00:53:36,960  
we have the search of hundreds of

1205  
00:53:41,450 --> 00:53:39,599  
YouTubers who've actually been near the

1206  
00:53:44,809 --> 00:53:41,460  
area where

1207  
00:53:49,150 --> 00:53:44,819  
We Believe Kenny may have been

1208  
00:53:51,770 --> 00:53:49,160  
it's an area known as gas Peak g-a-s-s

1209  
00:53:55,849 --> 00:53:51,780  
Peak p-e-a-k

1210  
00:53:57,770 --> 00:53:55,859  
the unknown creature uh on the snake bit

1211  
00:53:59,630 --> 00:53:57,780  
McGee video

1212  
00:54:02,450 --> 00:53:59,640  
in the cave

1213  
00:54:05,569 --> 00:54:02,460

and a lot of other very strange

1214

00:54:09,910 --> 00:54:05,579

developments that seem to just continue

1215

00:54:12,230 --> 00:54:09,920

along this uh very mysterious

1216

00:54:15,950 --> 00:54:12,240

unlikely scenario

1217

00:54:17,650 --> 00:54:15,960

of a seemingly super nice guy

1218

00:54:19,849 --> 00:54:17,660

humble

1219

00:54:23,630 --> 00:54:19,859

fun-loving hiker

1220

00:54:26,690 --> 00:54:23,640

who came across an eerie cave

1221

00:54:30,230 --> 00:54:26,700

that made him feel unlike any other cave

1222

00:54:33,049 --> 00:54:30,240

in his adventures and travels

1223

00:54:35,329 --> 00:54:33,059

and then we have the guy disappearing

1224

00:54:36,589 --> 00:54:35,339

leaving his phone

1225

00:54:40,069 --> 00:54:36,599

at

1226

00:54:42,609 --> 00:54:40,079

the top of a strange mine

1227

00:54:46,370 --> 00:54:42,619

being found by authorities

1228

00:54:49,010 --> 00:54:46,380

and uh again if you have not seen this

1229

00:54:55,450 --> 00:54:49,020

hike definitely check it out go to

1230

00:55:01,370 --> 00:54:57,589

s-n-a-k-e-b-i-t-m-g-e-e I think it's got

1231

00:55:03,430 --> 00:55:01,380

like 2.9 million views this m cave hike

1232

00:55:05,990 --> 00:55:03,440

uh pretty wild stuff

1233

00:55:08,210 --> 00:55:06,000

he's also got some other interesting

1234

00:55:10,849 --> 00:55:08,220

submissions on there one for Shark Tank

1235

00:55:12,290 --> 00:55:10,859

another one for his quirky new and

1236

00:55:14,510 --> 00:55:12,300

improved

1237

00:55:15,970 --> 00:55:14,520

toilet paper holder which is actually

1238

00:55:20,750 --> 00:55:15,980

really cool

1239

00:55:22,190 --> 00:55:20,760

and uh then we have uh the evolution of

1240

00:55:26,030 --> 00:55:22,200

this mystery

1241

00:55:28,069 --> 00:55:26,040

and is he alive is he not alive

1242

00:55:31,010 --> 00:55:28,079

what happened

1243

00:55:33,770 --> 00:55:31,020

you know is is it possible that he was

1244

00:55:35,750 --> 00:55:33,780

messed with by this vibration as many

1245

00:55:38,290 --> 00:55:35,760

know in in our pineal glands we have

1246

00:55:41,930 --> 00:55:38,300

what's known as a

1247

00:55:43,309 --> 00:55:41,940

rhombohedron crystal or crystals in our

1248

00:55:46,069 --> 00:55:43,319

pineal glands

1249

00:55:48,530 --> 00:55:46,079

and these certain vibrations could mess

1250

00:55:51,589 --> 00:55:48,540

with that and cause strange human

1251  
00:55:53,809 --> 00:55:51,599  
dysfunction or disorders and not acting

1252  
00:55:55,970 --> 00:55:53,819  
correctly

1253  
00:55:56,930 --> 00:55:55,980  
um is it possible that something threw

1254  
00:56:00,650 --> 00:55:56,940  
him off

1255  
00:56:03,109 --> 00:56:00,660  
and he just disengaged from society we

1256  
00:56:05,450 --> 00:56:03,119  
have a very strange

1257  
00:56:07,910 --> 00:56:05,460  
building of sorts that has been built

1258  
00:56:09,950 --> 00:56:07,920  
out of quite literally by hand out of

1259  
00:56:11,930 --> 00:56:09,960  
rock out in the middle of nowhere could

1260  
00:56:14,150 --> 00:56:11,940  
it have been Kenny that built it

1261  
00:56:16,309 --> 00:56:14,160  
is it possible he stayed out there for a

1262  
00:56:19,790 --> 00:56:16,319  
while or may still be out there living

1263  
00:56:22,250 --> 00:56:19,800

off the land this mystery goes on and on

1264

00:56:25,069 --> 00:56:22,260

I will keep investigating I will keep

1265

00:56:28,130 --> 00:56:25,079

delving deeply into this maybe his

1266

00:56:30,770 --> 00:56:28,140

behavior modification has something to

1267

00:56:33,470 --> 00:56:30,780

do with this and he was changed in that

1268

00:56:35,990 --> 00:56:33,480

cave or in close proximity to it maybe

1269

00:56:38,510 --> 00:56:36,000

he stayed out there living a very

1270

00:56:41,030 --> 00:56:38,520

hermit-like life

1271

00:56:43,730 --> 00:56:41,040

leaving his phone and his truck behind

1272

00:56:46,730 --> 00:56:43,740

or maybe he was

1273

00:56:49,609 --> 00:56:46,740

abducted by something or someone

1274

00:56:52,309 --> 00:56:49,619

he was warned online to not go back into

1275

00:56:55,069 --> 00:56:52,319

the cave oddly that warning that said

1276

00:56:56,750 --> 00:56:55,079

don't go back into the cave or you'll

1277

00:56:59,210 --> 00:56:56,760

never come out

1278

00:57:02,030 --> 00:56:59,220

that comment was deleted

1279

00:57:04,910 --> 00:57:04,010

can he disappeared if I'm not mistaken

1280

00:57:07,670 --> 00:57:04,920

so

1281

00:57:14,030 --> 00:57:07,680

we have a very strange tale of evidence

1282

00:57:16,309 --> 00:57:14,040

both online in real life and in theory

1283

00:57:17,690 --> 00:57:16,319

what happened to Kenny Veach we may

1284

00:57:20,510 --> 00:57:17,700

never know

1285

00:57:23,990 --> 00:57:20,520

but we will keep looking keep

1286

00:57:26,809 --> 00:57:24,000

investigating I'll keep my eyes to the

1287

00:57:29,750 --> 00:57:26,819

skies feet on the ground and don't

1288

00:57:30,770 --> 00:57:29,760

forget to take a look around until next

1289

00:57:32,390 --> 00:57:30,780

time

1290

00:57:35,569 --> 00:57:32,400
