

Truth Bomb podcast today

with

General Lee

1
00:00:01,920 --> 00:00:25,150
foreign

2
00:00:25,160 --> 00:00:30,050
pale emotionless face

3
00:00:34,390 --> 00:00:33,170
the blackest diet

4
00:00:39,410 --> 00:00:34,400
the devil's eyes

5
00:00:43,090 --> 00:00:41,690
you take the red pill you stay in

6
00:00:51,160 --> 00:00:43,100
Wonderland

7
00:01:17,210 --> 00:00:57,070
[Music]

8
00:01:20,210 --> 00:01:18,649
welcome to another episode of

9
00:01:22,969 --> 00:01:20,220
subconscious Realms I'm your host

10
00:01:26,810 --> 00:01:22,979
General Lee and for tonight we are about

11
00:01:29,870 --> 00:01:26,820
to start into a more a more fascinating

12
00:01:32,570 --> 00:01:29,880
Realms ladies and Gentlemen please

13
00:01:35,929 --> 00:01:32,580

welcome he is an author and he's a host

14

00:01:40,609 --> 00:01:35,939
of creator of hero paranormal

15

00:01:45,950 --> 00:01:40,619
um Ryan Burns now they're right

16

00:01:48,410 --> 00:01:45,960
how you doing glad to join you right yes

17

00:01:51,109 --> 00:01:48,420
finally I've been speaking to you for a

18

00:01:55,130 --> 00:01:53,569
um word of a beginning I mean I first

19

00:01:58,190 --> 00:01:55,140
heard about you

20

00:01:59,810 --> 00:01:58,200
um I think he was on high side chats a

21

00:02:01,069 --> 00:01:59,820
long time

22

00:02:03,710 --> 00:02:01,079
and

23

00:02:07,190 --> 00:02:03,720
you know I've I've heard you on I think

24

00:02:09,290 --> 00:02:07,200
it was it's forbidden knowledge as well

25

00:02:11,750 --> 00:02:09,300
mm-hmm

26

00:02:14,690 --> 00:02:11,760

um yeah the episodes were

27

00:02:17,830 --> 00:02:14,700

very interested just my kind of thing

28

00:02:23,630 --> 00:02:17,840

like like uh I'm gonna say weird

29

00:02:27,050 --> 00:02:25,490

it's all right

30

00:02:29,930 --> 00:02:27,060

um

31

00:02:31,850 --> 00:02:29,940

like I know you were

32

00:02:33,770 --> 00:02:31,860

you do you still have the place it's uh

33

00:02:38,270 --> 00:02:33,780

next to Skinwalker Ranch

34

00:02:41,930 --> 00:02:38,280

yes I I purchased a property that sat

35

00:02:44,030 --> 00:02:41,940

abandoned for some time it it was known

36

00:02:47,630 --> 00:02:44,040

as the southern Vantage Point kind of a

37

00:02:50,390 --> 00:02:47,640

place where all of the researchers would

38

00:02:54,770 --> 00:02:50,400

go because you had such a great 360

39

00:02:56,930 --> 00:02:54,780

degree view of the entire area there and

40

00:03:00,770 --> 00:02:56,940

since I purchased it I named it space

41

00:03:03,770 --> 00:03:00,780

Wolf research and it's just

42

00:03:05,330 --> 00:03:03,780

a space Wolf research and we've just

43

00:03:08,210 --> 00:03:05,340

used it as a base camp to do

44

00:03:10,790 --> 00:03:08,220

investigations research and uh

45

00:03:13,610 --> 00:03:10,800

experiment with different Technologies

46

00:03:16,250 --> 00:03:13,620

and do some scientific work there

47

00:03:18,589 --> 00:03:16,260

oh really what what um if you don't mind

48

00:03:19,490 --> 00:03:18,599

me asking what kind of research was he

49

00:03:23,449 --> 00:03:19,500

doing me

50

00:03:26,509 --> 00:03:23,459

we have done a ton uh let's see

51
00:03:28,630 --> 00:03:26,519
um I've utilized everything from God

52
00:03:32,869 --> 00:03:28,640
helmets

53
00:03:36,110 --> 00:03:32,879
yeah which is a it's a uh invention of a

54
00:03:39,589 --> 00:03:36,120
Dr Persinger originally made for stroke

55
00:03:42,170 --> 00:03:39,599
victims to kind of activate areas of the

56
00:03:45,589 --> 00:03:42,180
brain that had uh laid to the Wayside

57
00:03:48,530 --> 00:03:45,599
but what people found is that this

58
00:03:51,670 --> 00:03:48,540
particular device or technology would

59
00:03:56,210 --> 00:03:51,680
almost without question have that

60
00:03:59,570 --> 00:03:56,220
sensation of talking to God or spiritual

61
00:04:02,330 --> 00:03:59,580
entities which seem to almost mimic the

62
00:04:04,309 --> 00:04:02,340
DMT experience and so they they dubbed

63
00:04:05,930 --> 00:04:04,319

it the god helmet and it's a technology

64

00:04:09,350 --> 00:04:05,940

which can be turned on and off

65

00:04:11,570 --> 00:04:09,360

electrical and so you don't have any of

66

00:04:14,390 --> 00:04:11,580

the drawbacks of uh

67

00:04:16,189 --> 00:04:14,400

the biological drawbacks of actually

68

00:04:18,349 --> 00:04:16,199

taking DMT

69

00:04:22,310 --> 00:04:18,359

and of course it's not illegal which is

70

00:04:26,530 --> 00:04:22,320

always a plus and the we so we've used

71

00:04:30,409 --> 00:04:26,540

everything from God helmets to ancient

72

00:04:33,170 --> 00:04:30,419

Peruvian Stone heads basically large

73

00:04:37,370 --> 00:04:33,180

Stone heads that were carved

74

00:04:39,710 --> 00:04:37,380

um in Peru and we had them shipped up

75

00:04:41,090 --> 00:04:39,720

legally up up to the United States and

76

00:04:43,490 --> 00:04:41,100

we've placed those throughout the

77

00:04:45,710 --> 00:04:43,500

property to kind of use Ancient

78

00:04:47,450 --> 00:04:45,720

Technologies as well as newer more

79

00:04:50,030 --> 00:04:47,460

Cutting Edge Technologies and to be

80

00:04:52,670 --> 00:04:50,040

honest everything in between and they

81

00:04:55,490 --> 00:04:52,680

all have different effects

82

00:04:57,170 --> 00:04:55,500

so do you do you use like each so you're

83

00:05:01,249 --> 00:04:57,180

using the god element and you're using

84

00:05:03,350 --> 00:05:01,259

these these um these so we said skulls

85

00:05:04,610 --> 00:05:03,360

things that Peru they say Peru yeah

86

00:05:05,930 --> 00:05:04,620

Peruvian

87

00:05:08,330 --> 00:05:05,940

mm-hmm

88

00:05:10,010 --> 00:05:08,340

you can see using them like all at the

89

00:05:12,590 --> 00:05:10,020

same time or do you use them separately

90

00:05:15,110 --> 00:05:12,600

or how does it work

91

00:05:17,689 --> 00:05:15,120

oh did you just mix it up like

92

00:05:20,810 --> 00:05:17,699

yeah mix it up you said it that's the

93

00:05:23,210 --> 00:05:20,820

big key is mixing it up and seeing if if

94

00:05:26,510 --> 00:05:23,220

you if you come across any patterns

95

00:05:30,909 --> 00:05:26,520

right okay sounds fascinating

96

00:05:32,990 --> 00:05:30,919

I'm like what kind of um what kind of

97

00:05:34,189 --> 00:05:33,000

reactions do you get out and what

98

00:05:36,790 --> 00:05:34,199

results

99

00:05:44,210 --> 00:05:39,950

does it all depend

100

00:05:46,730 --> 00:05:44,220

it really all depends and the reason the

101
00:05:49,670 --> 00:05:46,740
reason we've decided to use such a wide

102
00:05:51,110 --> 00:05:49,680
array of different Technologies and

103
00:05:54,529 --> 00:05:51,120
everything in between

104
00:05:58,550 --> 00:05:54,539
um mirrors candles you name it uh Toys

105
00:06:00,650 --> 00:05:58,560
children's toys that these these what I

106
00:06:03,110 --> 00:06:00,660
like to call precognitive intelligences

107
00:06:06,290 --> 00:06:03,120
can actually

108
00:06:09,950 --> 00:06:06,300
play with or engage with what we're

109
00:06:12,830 --> 00:06:09,960
trying to do is basically anticipate

110
00:06:15,710 --> 00:06:12,840
when this takes place and experiment

111
00:06:20,110 --> 00:06:15,720
with things that might bring about

112
00:06:26,029 --> 00:06:22,790
with am I

113
00:06:28,930 --> 00:06:26,039

am I correct to assume like

114

00:06:31,790 --> 00:06:28,940

some sort of

115

00:06:33,670 --> 00:06:31,800

maybe interdimensional being the entity

116

00:06:38,870 --> 00:06:33,680

of some sort is that what you mean

117

00:06:45,110 --> 00:06:41,510

no not very conventional but it is it it

118

00:06:47,689 --> 00:06:45,120

seems to be a non-corporeal precognitive

119

00:06:50,510 --> 00:06:47,699

sentient intelligence and by that I mean

120

00:06:52,309 --> 00:06:50,520

the precognitive part is it almost knows

121

00:06:55,490 --> 00:06:52,319

what you're thinking before you think it

122

00:06:58,790 --> 00:06:55,500

or do it and that term I didn't come up

123

00:07:00,770 --> 00:06:58,800

with that term John B Alexander came up

124

00:07:03,890 --> 00:07:00,780

with that term he's a retired senior

125

00:07:07,550 --> 00:07:03,900

army officer with Decades of experience

126

00:07:10,610 --> 00:07:07,560

uh with a wide range of phenomena and

127

00:07:14,350 --> 00:07:10,620

he's encountered things that defy

128

00:07:17,210 --> 00:07:14,360

explanation he was working with the

129

00:07:20,990 --> 00:07:17,220

nibs basically the National Institute

130

00:07:23,629 --> 00:07:21,000

for Discovery Sciences right right yeah

131

00:07:26,089 --> 00:07:23,639

under the Bigelow Administration when

132

00:07:28,969 --> 00:07:26,099

they were in the area and he came up

133

00:07:33,170 --> 00:07:28,979

with that name which I believe to date

134

00:07:40,129 --> 00:07:33,180

is the best description for

135

00:07:45,350 --> 00:07:43,249

this is like it's just sounds so excited

136

00:07:46,550 --> 00:07:45,360

this way

137

00:07:49,850 --> 00:07:46,560

um

138

00:07:49,860 --> 00:07:53,870

how yes

139

00:08:00,950 --> 00:07:57,230

this is like a

140

00:08:03,650 --> 00:08:00,960

it's like a um I'm almost like speaks as

141

00:08:06,589 --> 00:08:03,660

to what I want to say it's here I mean

142

00:08:07,490 --> 00:08:06,599

are we talking like

143

00:08:11,689 --> 00:08:07,500

um

144

00:08:14,570 --> 00:08:11,699

like gray aliens that kind are we

145

00:08:16,430 --> 00:08:14,580

talking more along the lines of

146

00:08:18,710 --> 00:08:16,440

skin markers

147

00:08:21,230 --> 00:08:18,720

that's really good that you said both of

148

00:08:23,270 --> 00:08:21,240

those things because the area in general

149

00:08:27,290 --> 00:08:23,280

has at least from a Native American

150

00:08:29,210 --> 00:08:27,300

perspective they have a history of odd

151
00:08:31,309 --> 00:08:29,220
phenomena taking place over 15

152
00:08:35,209 --> 00:08:31,319
Generations however

153
00:08:39,529 --> 00:08:35,219
this is quite literally a curse that one

154
00:08:42,829 --> 00:08:39,539
tribe the Navajo tribe uh put on the Ute

155
00:08:44,690 --> 00:08:42,839
tribe because of an altercation where

156
00:08:46,550 --> 00:08:44,700
they were basically sold out of a

157
00:08:48,530 --> 00:08:46,560
beautiful verdant Valley in San Luis

158
00:08:49,490 --> 00:08:48,540
Colorado just over the Border here from

159
00:08:52,509 --> 00:08:49,500
Utah

160
00:08:56,509 --> 00:08:52,519
and the navajos found this completely

161
00:08:58,970 --> 00:08:56,519
unforgivable and they released this

162
00:09:02,210 --> 00:08:58,980
energy this this curse of what they

163
00:09:05,329 --> 00:09:02,220

called the skin walker to curse the land

164

00:09:07,190 --> 00:09:05,339

and looking at this this is when you're

165

00:09:09,949 --> 00:09:07,200

looking at this through the lens of

166

00:09:13,610 --> 00:09:09,959

modern science it's very interesting

167

00:09:15,110 --> 00:09:13,620

because there is a lot of evidence and

168

00:09:17,570 --> 00:09:15,120

I'm glad that you mentioned the gray

169

00:09:19,850 --> 00:09:17,580

alien because there have been for lack

170

00:09:23,269 --> 00:09:19,860

of a better word areas that we tend to

171

00:09:25,670 --> 00:09:23,279

call portals where these strange

172

00:09:29,210 --> 00:09:25,680

goings-on tend to happen over and over

173

00:09:32,329 --> 00:09:29,220

again in the same particular areas it's

174

00:09:33,710 --> 00:09:32,339

fairly complex but being able to

175

00:09:36,050 --> 00:09:33,720

anticipate

176

00:09:38,389 --> 00:09:36,060

where it's going to happen and when it's

177

00:09:41,449 --> 00:09:38,399

going to happen is sort of our goal at

178

00:09:45,650 --> 00:09:41,459

space Wolf research and get the timing

179

00:09:47,750 --> 00:09:45,660

right and there have been times when for

180

00:09:49,970 --> 00:09:47,760

lack of a better word other researchers

181

00:09:51,650 --> 00:09:49,980

I've spoken with on investigations have

182

00:09:53,810 --> 00:09:51,660

come across

183

00:09:57,170 --> 00:09:53,820

something that can only be described as

184

00:10:00,470 --> 00:09:57,180

a singularity opening up into a portal

185

00:10:02,750 --> 00:10:00,480

like phenomena and as they are watching

186

00:10:05,030 --> 00:10:02,760

this portal open up they look over and

187

00:10:08,949 --> 00:10:05,040

they see what can only be described as a

188

00:10:11,449 --> 00:10:08,959

gray alien also focused on the same

189

00:10:14,829 --> 00:10:11,459

Enigma they are also looking at this

190

00:10:20,329 --> 00:10:14,839

portal manifesting so it brings together

191

00:10:22,910 --> 00:10:20,339

a wide variety of different phenomenon

192

00:10:25,430 --> 00:10:22,920

and that includes unidentified flying

193

00:10:28,190 --> 00:10:25,440

objects which are quite common in the

194

00:10:30,490 --> 00:10:28,200

area and we've experimented with like I

195

00:10:33,829 --> 00:10:30,500

said everything you can imagine

196

00:10:37,070 --> 00:10:33,839

microfluidics cell and molecular biology

197

00:10:39,470 --> 00:10:37,080

complex instrumentation biological

198

00:10:42,170 --> 00:10:39,480

systems and and we've developed some

199

00:10:44,690 --> 00:10:42,180

prototype technologies that sort of

200

00:10:46,430 --> 00:10:44,700

create an environment for visitation if

201
00:10:50,210 --> 00:10:46,440
you'd like to call it that from these

202
00:10:50,220 --> 00:10:53,090
wow

203
00:11:01,970 --> 00:10:58,130
which is like like if you know

204
00:11:04,910 --> 00:11:01,980
I have never seen anything like um

205
00:11:07,790 --> 00:11:04,920
you know such as like a a it's that much

206
00:11:08,630 --> 00:11:07,800
lensity or anything along that lines

207
00:11:10,790 --> 00:11:08,640
um

208
00:11:12,590 --> 00:11:10,800
but

209
00:11:14,090 --> 00:11:12,600
I want to see something more than

210
00:11:16,130 --> 00:11:14,100
anything

211
00:11:18,949 --> 00:11:16,140
I just don't know how I would react if I

212
00:11:21,230 --> 00:11:18,959
would say something and how

213
00:11:22,250 --> 00:11:21,240

what kind of entities have you seen Ryan

214

00:11:24,829 --> 00:11:22,260

and

215

00:11:28,009 --> 00:11:24,839

um when you first when you were

216

00:11:30,350 --> 00:11:28,019

listening initially seeing them

217

00:11:32,509 --> 00:11:30,360

how did you react at first

218

00:11:35,449 --> 00:11:32,519

if you don't mind me asking please

219

00:11:38,449 --> 00:11:35,459

not at all it's been some time my first

220

00:11:43,730 --> 00:11:38,459

uh engagement with these entities was

221

00:11:48,530 --> 00:11:43,740

back in the late 90s yeah father so you

222

00:11:54,590 --> 00:11:50,509

um it was back in the late 90s and that

223

00:11:56,389 --> 00:11:54,600

was before this location was

224

00:11:59,030 --> 00:11:56,399

you know

225

00:12:00,230 --> 00:11:59,040

Gathering so much and garnering so much

226

00:12:05,030 --> 00:12:00,240

attention

227

00:12:06,970 --> 00:12:05,040

it is definitely now uh

228

00:12:09,350 --> 00:12:06,980

the most

229

00:12:12,050 --> 00:12:09,360

scientifically studied paranormal hot

230

00:12:16,069 --> 00:12:12,060

spot on Earth but back then

231

00:12:18,470 --> 00:12:16,079

it was sort of fresh and back then there

232

00:12:21,170 --> 00:12:18,480

was no

233

00:12:24,350 --> 00:12:21,180

no way to explain how raw and rugged it

234

00:12:26,630 --> 00:12:24,360

was compared to now and

235

00:12:29,389 --> 00:12:26,640

even then however there were strange

236

00:12:32,329 --> 00:12:29,399

things going on the

237

00:12:34,069 --> 00:12:32,339

government was also involved I've since

238

00:12:35,750 --> 00:12:34,079

learned that the United States

239

00:12:38,750 --> 00:12:35,760

government has

240

00:12:42,050 --> 00:12:38,760

sort of used the phenomenon to mask some

241

00:12:45,050 --> 00:12:42,060

of its covert technology programs and in

242

00:12:46,610 --> 00:12:45,060

turn the phenomena has mimicked some of

243

00:12:49,910 --> 00:12:46,620

the United States government special

244

00:12:52,310 --> 00:12:49,920

access Technologies so there's kind of a

245

00:12:54,069 --> 00:12:52,320

complex dance you know uh that's been

246

00:12:56,829 --> 00:12:54,079

labeled

247

00:12:59,690 --> 00:12:56,839

mimicry no not at all

248

00:13:01,129 --> 00:12:59,700

just just a quick one sorry to interrupt

249

00:13:03,170 --> 00:13:01,139

me I just want you just were you saying

250

00:13:05,949 --> 00:13:03,180

that about government are we talking

251
00:13:08,870 --> 00:13:05,959
about atip

252
00:13:12,230 --> 00:13:08,880
absolutely they're well the general term

253
00:13:14,930 --> 00:13:12,240
would be uh atip and OSAP both are

254
00:13:17,050 --> 00:13:14,940
interrelated and

255
00:13:20,509 --> 00:13:17,060
um there are

256
00:13:22,569 --> 00:13:20,519
significant connections however yes that

257
00:13:25,190 --> 00:13:22,579
would be what this complex

258
00:13:27,949 --> 00:13:25,200
bi-directional mimicry was relating to

259
00:13:30,110 --> 00:13:27,959
among other things and

260
00:13:32,990 --> 00:13:30,120
um the bi-directional mimicry implies

261
00:13:35,449 --> 00:13:33,000
that investigators of the phenomena

262
00:13:38,690 --> 00:13:35,459
are peering through at least two layers

263
00:13:41,389 --> 00:13:38,700

of deception which can cause a major

264

00:13:42,949 --> 00:13:41,399

layer of confusion so you have the

265

00:13:45,590 --> 00:13:42,959

phenomenon itself

266

00:13:48,530 --> 00:13:45,600

and then you have this special

267

00:13:51,170 --> 00:13:48,540

government access technology and the

268

00:13:53,090 --> 00:13:51,180

phenomena will mimic some of the

269

00:13:57,949 --> 00:13:53,100

technology which makes things

270

00:14:00,170 --> 00:13:57,959

very confusing and convoluted and these

271

00:14:02,569 --> 00:14:00,180

covert technology programs

272

00:14:03,949 --> 00:14:02,579

really had a difficult time

273

00:14:08,150 --> 00:14:03,959

distinguishing

274

00:14:11,569 --> 00:14:08,160

data so there are a lot

275

00:14:13,370 --> 00:14:11,579

of accounts of this taking place and

276

00:14:15,790 --> 00:14:13,380

it's good that you're familiar with OSAP

277

00:14:17,750 --> 00:14:15,800

and atip I think that's great

278

00:14:19,250 --> 00:14:17,760

right well

279

00:14:21,710 --> 00:14:19,260

um

280

00:14:25,190 --> 00:14:21,720

I have done a couple of episodes where

281

00:14:26,629 --> 00:14:25,200

some of my friends Nicole rejects

282

00:14:30,290 --> 00:14:26,639

um and they

283

00:14:32,870 --> 00:14:30,300

um dug into the Asic side of things and

284

00:14:34,430 --> 00:14:32,880

it may it was just

285

00:14:37,009 --> 00:14:34,440

it actually

286

00:14:39,550 --> 00:14:37,019

when you when you look into it it's

287

00:14:42,350 --> 00:14:39,560

borderline worrying when you think of

288

00:14:45,829 --> 00:14:42,360

this you know uh messing about with

289

00:14:47,389 --> 00:14:45,839

portals and on other dimensions and but

290

00:14:49,009 --> 00:14:47,399

it's one of those ways it's like

291

00:14:53,629 --> 00:14:49,019

anything

292

00:14:58,310 --> 00:14:56,210

um because you think

293

00:14:59,990 --> 00:14:58,320

is it some sort of Weaponry where

294

00:15:03,710 --> 00:15:00,000

they're after or you just don't know

295

00:15:07,310 --> 00:15:03,720

that you you only know what you to an

296

00:15:11,050 --> 00:15:07,320

extent of what you you can look into

297

00:15:16,750 --> 00:15:11,060

you don't know what is what's 100

298

00:15:20,449 --> 00:15:19,370

yeah I mean like when you this is what I

299

00:15:22,910 --> 00:15:20,459

mean we're speaking to somebody like

300

00:15:24,710 --> 00:15:22,920

yourself and you've got a first-hand the

301

00:15:28,970 --> 00:15:24,720

when you're and when you've just

302

00:15:32,509 --> 00:15:28,980

mentioned uh the god helmet um and those

303

00:15:34,790 --> 00:15:32,519

um Stone schools it's

304

00:15:37,850 --> 00:15:34,800

youth like sort of

305

00:15:40,790 --> 00:15:37,860

it's just like you are your own sort of

306

00:15:45,230 --> 00:15:40,800

your own personal eat it maybe about

307

00:15:47,150 --> 00:15:45,240

your own researching yourself in a way

308

00:15:49,490 --> 00:15:47,160

would you say that that that's like your

309

00:15:52,310 --> 00:15:49,500

report job on this

310

00:15:56,350 --> 00:15:52,320

I wouldn't say that well yes I mean it's

311

00:15:58,670 --> 00:15:56,360

wonderful having the most

312

00:16:02,269 --> 00:15:58,680

scientifically studied paranormal hot

313

00:16:04,370 --> 00:16:02,279

spot in quite literally the backyard

314

00:16:06,769 --> 00:16:04,380

however

315

00:16:10,689 --> 00:16:06,779

the government definitely has deeper

316

00:16:13,610 --> 00:16:10,699

pockets and oh yeah

317

00:16:16,310 --> 00:16:13,620

you know this is all privately funded

318

00:16:18,829 --> 00:16:16,320

and you know the government on the other

319

00:16:20,930 --> 00:16:18,839

hand they they there's a lot of

320

00:16:23,750 --> 00:16:20,940

investigation and information that's

321

00:16:26,930 --> 00:16:23,760

come my way and they had been text

322

00:16:29,090 --> 00:16:26,940

testing exotic Technologies much like

323

00:16:31,550 --> 00:16:29,100

you're describing uh like radio

324

00:16:34,790 --> 00:16:31,560

frequency Technologies and direct energy

325

00:16:35,870 --> 00:16:34,800

weapons yeah yeah

326

00:16:38,810 --> 00:16:35,880

yeah

327

00:16:41,749 --> 00:16:38,820

um I mean it's like I've heard of the

328

00:16:44,090 --> 00:16:41,759

like cloaking technology as well I mean

329

00:16:47,030 --> 00:16:44,100

it just sounds so fascinating mate and

330

00:16:50,329 --> 00:16:47,040

yeah I do believe that there are those

331

00:16:54,470 --> 00:16:52,310

definitely

332

00:16:55,550 --> 00:16:54,480

are you have you are you familiar with

333

00:16:57,470 --> 00:16:55,560

anything like that like clothing

334

00:17:00,530 --> 00:16:57,480

Technologies are have you seen anything

335

00:17:03,050 --> 00:17:00,540

or say like you want to seen it because

336

00:17:05,689 --> 00:17:03,060

you can't see it can you apparently but

337

00:17:08,689 --> 00:17:05,699

are you aware of anything like that

338

00:17:11,510 --> 00:17:08,699

yes of course so I speak with other

339

00:17:14,929 --> 00:17:11,520

investigators and one of which is Robert

340

00:17:16,669 --> 00:17:14,939

Guffey uh who's done extensive research

341

00:17:18,949 --> 00:17:16,679

into government programs including

342

00:17:21,890 --> 00:17:18,959

project camellio and Skinwalker

343

00:17:22,789 --> 00:17:21,900

connections and what I can tell you is

344

00:17:26,569 --> 00:17:22,799

that

345

00:17:28,990 --> 00:17:26,579

the government was deploying toys in his

346

00:17:32,690 --> 00:17:29,000

opinion and by toys

347

00:17:34,669 --> 00:17:32,700

on and around this area toys are a key

348

00:17:38,810 --> 00:17:34,679

word for non-lethal weapons and direct

349

00:17:41,270 --> 00:17:38,820

energy weapons so either yeah so there's

350

00:17:42,650 --> 00:17:41,280

and when it comes to uh I don't know if

351

00:17:46,630 --> 00:17:42,660

you've had the opportunity to read

352

00:17:49,430 --> 00:17:46,640

Robert guffey's book camellio

353

00:17:52,090 --> 00:17:49,440

oh it's fascinating I highly recommend

354

00:17:54,350 --> 00:17:52,100

it to all your listeners and to yourself

355

00:17:58,130 --> 00:17:54,360

she's always spelling

356

00:17:59,870 --> 00:17:58,140

um the book title mate please yes it's

357

00:18:05,870 --> 00:17:59,880

camellio

358

00:18:09,049 --> 00:18:05,880

and it's c h a m e l e o and that is

359

00:18:12,289 --> 00:18:09,059

named after a project called project

360

00:18:16,130 --> 00:18:12,299

camellio and it is very interesting

361

00:18:18,830 --> 00:18:16,140

because it is the true account of a

362

00:18:22,010 --> 00:18:18,840

heroin addict who sheltered a U.S Navy

363

00:18:25,970 --> 00:18:22,020

soldier who had stolen a special type of

364

00:18:29,150 --> 00:18:25,980

night vision goggle and these night

365

00:18:31,549 --> 00:18:29,160

vision goggles it turns out had the

366

00:18:34,490 --> 00:18:31,559

ability to see through these cloaking

367

00:18:38,330 --> 00:18:34,500

devices or invisibility suits as they

368

00:18:40,730 --> 00:18:38,340

have termed them and basically this

369

00:18:44,150 --> 00:18:40,740

gentleman Dion found himself not only

370

00:18:48,169 --> 00:18:44,160

arrested but eventually let go however

371

00:18:49,850 --> 00:18:48,179

he was sort of gang stalked by arms of

372

00:18:51,470 --> 00:18:49,860

the government and the Department of

373

00:18:54,350 --> 00:18:51,480

Homeland Security

374

00:18:57,669 --> 00:18:54,360

and basically they wanted to get this

375

00:19:01,730 --> 00:18:57,679

experimental technology back and they

376

00:19:07,370 --> 00:19:01,740

use these very uh Psy office

377

00:19:09,409 --> 00:19:07,380

gang stalking techniques to try and and

378

00:19:12,110 --> 00:19:09,419

get and get this top secret military

379

00:19:15,230 --> 00:19:12,120

equipment back so it's a very strange

380

00:19:17,570 --> 00:19:15,240

but true story of invisible spies heroin

381

00:19:20,390 --> 00:19:17,580

addiction and Homeland Security it's by

382

00:19:22,610 --> 00:19:20,400

Robert Guffey I highly recommend it

383

00:19:23,810 --> 00:19:22,620

I will look for that mate it does sound

384

00:19:28,370 --> 00:19:23,820

fascinating

385

00:19:31,430 --> 00:19:29,330

um

386

00:19:33,289 --> 00:19:31,440

night vision goggles

387

00:19:35,770 --> 00:19:33,299

this Ambience I would love some of them

388

00:19:40,549 --> 00:19:37,450

yeah

389

00:19:42,830 --> 00:19:40,559

this particular what's very interesting

390

00:19:44,570 --> 00:19:42,840

about that is he is under the impression

391

00:19:46,250 --> 00:19:44,580

and many others as well

392

00:19:49,190 --> 00:19:46,260

that

393

00:19:50,650 --> 00:19:49,200

this invisibility technology is another

394

00:19:52,310 --> 00:19:50,660

one of those

395

00:19:56,570 --> 00:19:52,320

Technologies

396

00:19:58,730 --> 00:19:56,580

covert technology programs that was

397

00:20:00,409 --> 00:19:58,740

tested out in this area and there's

398

00:20:03,650 --> 00:20:00,419

there's a lot of others there's there's

399

00:20:05,390 --> 00:20:03,660

tons of tech survey studies when you

400

00:20:08,390 --> 00:20:05,400

really start delving into it there's

401
00:20:10,610 --> 00:20:08,400
high energy laser weapons uh Quantum

402
00:20:13,870 --> 00:20:10,620
Computing and utilizing organic

403
00:20:17,049 --> 00:20:13,880
molecules and automation technology

404
00:20:19,669 --> 00:20:17,059
anti-gravity for Aerospace applications

405
00:20:22,549 --> 00:20:19,679
trying to think um

406
00:20:26,930 --> 00:20:22,559
laser lightcraft connection to Nano

407
00:20:30,169 --> 00:20:26,940
satellites and there is a connection of

408
00:20:33,110 --> 00:20:30,179
what can only be described as

409
00:20:35,270 --> 00:20:33,120
cooperation between other elements of

410
00:20:38,510 --> 00:20:35,280
the government and this particular area

411
00:20:42,289 --> 00:20:38,520
so when the previous owners uh they were

412
00:20:44,510 --> 00:20:42,299
by the name of Sherman uh Terry Sherman

413
00:20:46,370 --> 00:20:44,520

believed it was basically a family that

414

00:20:48,289 --> 00:20:46,380

went there to do some cattle ranching

415

00:20:51,230 --> 00:20:48,299

and they

416

00:20:52,789 --> 00:20:51,240

basically had to deal with a barrage of

417

00:20:56,350 --> 00:20:52,799

paranormal activity including

418

00:20:58,909 --> 00:20:56,360

Poltergeist activity UFOs

419

00:21:02,510 --> 00:20:58,919

cryptozoological variants of different

420

00:21:05,630 --> 00:21:02,520

creatures and basically just overall

421

00:21:08,810 --> 00:21:05,640

High strangeness and he was under the

422

00:21:12,470 --> 00:21:08,820

impression that the flying variety or

423

00:21:14,570 --> 00:21:12,480

the UFOs Were Somehow military and maybe

424

00:21:17,750 --> 00:21:14,580

had a connection to Hill Air Force Base

425

00:21:21,710 --> 00:21:17,760

and he would sit out often with older

426
00:21:23,990 --> 00:21:21,720
Technologies be that Super 8 or VHS and

427
00:21:28,149 --> 00:21:24,000
basically try to stock these things as

428
00:21:30,770 --> 00:21:28,159
if they were animals what's strange is

429
00:21:32,990 --> 00:21:30,780
yeah there were times

430
00:21:34,490 --> 00:21:33,000
no that's okay there were times he would

431
00:21:36,710 --> 00:21:34,500
see these lights

432
00:21:39,830 --> 00:21:36,720
at a distance and in one particular

433
00:21:43,130 --> 00:21:39,840
instance he had a bone in his neck or

434
00:21:45,830 --> 00:21:43,140
his back just sort of pop and although

435
00:21:48,770 --> 00:21:45,840
this this light was at a distance this

436
00:21:53,450 --> 00:21:48,780
UFO it immediately keyed into the fact

437
00:21:56,090 --> 00:21:53,460
that his his uh spinal column had popped

438
00:21:59,029 --> 00:21:56,100

and it immediately was aware of his

439

00:22:00,350 --> 00:21:59,039

location so a lot of these things seem

440

00:22:02,029 --> 00:22:00,360

to have

441

00:22:07,789 --> 00:22:02,039

kind of

442

00:22:13,010 --> 00:22:09,529

you sound like like they've got all the

443

00:22:14,870 --> 00:22:13,020

world's lit uh capabilities

444

00:22:17,630 --> 00:22:14,880

yeah it's uh

445

00:22:22,430 --> 00:22:17,640

it really is fascinating

446

00:22:25,730 --> 00:22:22,440

out of all the uh the strangeness that

447

00:22:29,090 --> 00:22:28,070

what has to be like

448

00:22:31,610 --> 00:22:29,100

um

449

00:22:35,330 --> 00:22:31,620

the most bizarre the weirdest thing

450

00:22:38,090 --> 00:22:35,340

you've ever seen or ever experienced

451
00:22:40,010 --> 00:22:38,100
you know I would say that there is

452
00:22:42,350 --> 00:22:40,020
probably

453
00:22:44,990 --> 00:22:42,360
a half a dozen that would take that

454
00:22:47,029 --> 00:22:45,000
category and

455
00:22:48,649 --> 00:22:47,039
among those

456
00:22:54,770 --> 00:22:48,659
would be

457
00:22:56,770 --> 00:22:54,780
manifested

458
00:22:59,390 --> 00:22:56,780
in ways that were

459
00:23:02,270 --> 00:22:59,400
Supernatural and to give you a quick

460
00:23:04,390 --> 00:23:02,280
story I was with another researcher

461
00:23:07,310 --> 00:23:04,400
and we were watching

462
00:23:08,390 --> 00:23:07,320
these lights that seem to be scanning

463
00:23:10,970 --> 00:23:08,400

the area

464

00:23:13,370 --> 00:23:10,980

uh to make a long story short and

465

00:23:16,010 --> 00:23:13,380

delights did become aware of our

466

00:23:18,890 --> 00:23:16,020

location and started to come up this

467

00:23:19,669 --> 00:23:18,900

this very Rocky Barren terrain towards

468

00:23:22,850 --> 00:23:19,679

us

469

00:23:25,610 --> 00:23:22,860

and they did in fact we hid between

470

00:23:28,850 --> 00:23:25,620

these rocks and they the this one

471

00:23:30,710 --> 00:23:28,860

particular Light Came directly over us

472

00:23:34,549 --> 00:23:30,720

and

473

00:23:36,289 --> 00:23:34,559

to describe the features of it it would

474

00:23:42,310 --> 00:23:36,299

be I don't know if you've seen the movie

475

00:23:47,630 --> 00:23:46,010

yes with the silver ball oh That's a

476

00:23:50,149 --> 00:23:47,640

classic that way that's that's four

477

00:23:53,029 --> 00:23:50,159

batch of years yeah that's an old one

478

00:23:55,190 --> 00:23:53,039

and yeah yeah when when we looked above

479

00:23:57,110 --> 00:23:55,200

when we realized this was directly over

480

00:23:58,190 --> 00:23:57,120

our heads and I'm talking seven feet

481

00:24:01,330 --> 00:23:58,200

Maybe

482

00:24:04,789 --> 00:24:01,340

and we were hidden in this Rocky crack

483

00:24:06,590 --> 00:24:04,799

and yeah when we looked up this if you

484

00:24:09,770 --> 00:24:06,600

could picture three of those silver

485

00:24:11,870 --> 00:24:09,780

balls in a triangular formation with

486

00:24:14,990 --> 00:24:11,880

absolutely nothing connecting them but

487

00:24:17,510 --> 00:24:15,000

they were flying in formation that is

488

00:24:19,970 --> 00:24:17,520

the best attribute I can I can give to

489

00:24:22,070 --> 00:24:19,980

comprehending what what was seen before

490

00:24:26,029 --> 00:24:22,080

it actually flashed us with an intense

491

00:24:27,350 --> 00:24:26,039

light and after it flashed us with this

492

00:24:31,310 --> 00:24:27,360

intense light

493

00:24:34,909 --> 00:24:31,320

we heard a thud or the sound of

494

00:24:36,529 --> 00:24:34,919

something Landing beside us and we

495

00:24:38,870 --> 00:24:36,539

popped up out of the crack and looked

496

00:24:41,029 --> 00:24:38,880

over where this desert landscape you

497

00:24:43,669 --> 00:24:41,039

could still see the dust from where it

498

00:24:47,450 --> 00:24:43,679

had landed and

499

00:24:49,390 --> 00:24:47,460

where it landed almost automatically an

500

00:24:53,090 --> 00:24:49,400

amorphous uh

501
00:24:55,789 --> 00:24:53,100
spiral of black nanoparticulates began

502
00:24:56,690 --> 00:24:55,799
to take shape and manifest and they were

503
00:24:59,330 --> 00:24:56,700
dark

504
00:25:03,049 --> 00:24:59,340
and almost like gnats or flies or fruit

505
00:25:05,870 --> 00:25:03,059
flies or or something small and flying

506
00:25:09,710 --> 00:25:05,880
and they they were spinning and they

507
00:25:11,690 --> 00:25:09,720
became to put it blunt a wolf they they

508
00:25:14,750 --> 00:25:11,700
manifested into the shape of a wolf

509
00:25:16,549 --> 00:25:14,760
myself and this other researcher were

510
00:25:19,190 --> 00:25:16,559
literally holding on to each other at

511
00:25:23,270 --> 00:25:19,200
this point not knowing reality from

512
00:25:25,250 --> 00:25:23,280
absolute insanity and

513
00:25:27,890 --> 00:25:25,260

scared at the possibility of what might

514

00:25:30,649 --> 00:25:27,900

take place and I think our fear caused

515

00:25:33,529 --> 00:25:30,659

it to then de-manifest it took a few

516

00:25:37,149 --> 00:25:33,539

steps in our Direction and then it began

517

00:25:39,769 --> 00:25:37,159

to de-manifest and spiral back into this

518

00:25:41,990 --> 00:25:39,779

nanoparticulate form so that would

519

00:25:43,310 --> 00:25:42,000

definitely be one of the top six

520

00:25:46,789 --> 00:25:43,320

um another

521

00:25:50,630 --> 00:25:46,799

would be my very first account which was

522

00:25:53,149 --> 00:25:50,640

driving along a random Ranch Road at the

523

00:25:55,130 --> 00:25:53,159

time and I saw what can only be

524

00:25:57,590 --> 00:25:55,140

described as an elderly Native American

525

00:26:00,289 --> 00:25:57,600

coming down off of a bluff

526

00:26:02,029 --> 00:26:00,299

and trying to be a Good Samaritan I

527

00:26:04,130 --> 00:26:02,039

rolled down my window waited for them to

528

00:26:05,690 --> 00:26:04,140

get to the roadway and I asked if they

529

00:26:09,430 --> 00:26:05,700

needed a ride somewhere

530

00:26:14,289 --> 00:26:09,440

they did not respond they just kind of

531

00:26:18,430 --> 00:26:14,299

clumsily climbed into my pickup truck

532

00:26:20,930 --> 00:26:18,440

and within seconds and cares

533

00:26:24,169 --> 00:26:20,940

yeah it didn't speak to you it didn't

534

00:26:27,230 --> 00:26:24,179

speak to you just got in absolutely no

535

00:26:29,810 --> 00:26:27,240

speech whatsoever yeah that's odd anyway

536

00:26:31,549 --> 00:26:29,820

that you you would at least say hello or

537

00:26:33,470 --> 00:26:31,559

you know you know at least

538

00:26:35,690 --> 00:26:33,480

um

539

00:26:37,210 --> 00:26:35,700

and he said just just not say anything

540

00:26:39,769 --> 00:26:37,220

that's um

541

00:26:42,169 --> 00:26:39,779

sorry for interrupting me so what

542

00:26:45,830 --> 00:26:42,179

happened after that no not at all it

543

00:26:48,049 --> 00:26:45,840

seemed as if it engaged me in a way that

544

00:26:50,890 --> 00:26:48,059

I'd never been

545

00:26:53,330 --> 00:26:50,900

kind of messed with my intrinsic energy

546

00:26:56,330 --> 00:26:53,340

it seemed as if it was going through the

547

00:26:58,549 --> 00:26:56,340

rolytics of like basically like a Life

548

00:27:00,649 --> 00:26:58,559

review it was going through the best

549

00:27:03,470 --> 00:27:00,659

moments of my life and the worst moments

550

00:27:05,450 --> 00:27:03,480

of my life and it felt as if this entity

551
00:27:07,010 --> 00:27:05,460
was feeding off of them or somehow

552
00:27:09,950 --> 00:27:07,020
iconically

553
00:27:13,490 --> 00:27:09,960
going for those highly charged emotional

554
00:27:16,310 --> 00:27:13,500
moments and I lost a few hours of time

555
00:27:19,310 --> 00:27:16,320
and I basically uh

556
00:27:23,169 --> 00:27:19,320
that was the first the first experience

557
00:27:27,529 --> 00:27:23,179
so you can imagine uh that I was

558
00:27:30,010 --> 00:27:27,539
interested and worried almost I had an

559
00:27:32,810 --> 00:27:30,020
appreciation for the power of the area

560
00:27:36,230 --> 00:27:32,820
and and there's a handful of others that

561
00:27:38,149 --> 00:27:36,240
are equally disturbing yeah I bet yeah I

562
00:27:40,370 --> 00:27:38,159
mean you've been there for some years

563
00:27:42,950 --> 00:27:40,380

now you must have gone I bet you've lost

564

00:27:47,810 --> 00:27:42,960

jobs how many times you've had uh

565

00:27:51,110 --> 00:27:50,269

other beings are what

566

00:27:54,529 --> 00:27:51,120

um

567

00:27:56,390 --> 00:27:54,539

I mean with regards to uh the type of

568

00:27:59,450 --> 00:27:56,400

entities

569

00:28:01,789 --> 00:27:59,460

um you like would you say like a long

570

00:28:04,730 --> 00:28:01,799

life like Cryptids would you say like uh

571

00:28:06,289 --> 00:28:04,740

like VR people say about this dog man

572

00:28:09,409 --> 00:28:06,299

and

573

00:28:11,750 --> 00:28:09,419

uh on skin markers

574

00:28:14,269 --> 00:28:11,760

is that something that's common

575

00:28:17,350 --> 00:28:14,279

to see around the

576

00:28:22,250 --> 00:28:17,360

it is definitely something that is

577

00:28:24,350 --> 00:28:22,260

commonly seen in so much as when you

578

00:28:26,570 --> 00:28:24,360

take the amount of people that have seen

579

00:28:29,990 --> 00:28:26,580

something it will be common to that

580

00:28:32,029 --> 00:28:30,000

particular segment so right okay uh

581

00:28:35,330 --> 00:28:32,039

definitely things such as Cryptids

582

00:28:38,450 --> 00:28:35,340

Elementals werewolves uh tricksters

583

00:28:42,830 --> 00:28:38,460

basically in nature Men In Black Skin

584

00:28:44,930 --> 00:28:42,840

Walkers same blocks absolutely

585

00:28:46,250 --> 00:28:44,940

are we talking about the the many

586

00:28:48,890 --> 00:28:46,260

Blackboard

587

00:28:50,810 --> 00:28:48,900

um I mean I know it's only a movie like

588

00:28:53,690 --> 00:28:50,820

but that kind of many black word they're

589

00:28:55,549 --> 00:28:53,700

meant to appear like if you've been

590

00:28:58,610 --> 00:28:55,559

you've seen something

591

00:29:01,610 --> 00:28:58,620

um and they don't want you to uh

592

00:29:03,230 --> 00:29:01,620

like go to a newspaper Etc is that the

593

00:29:04,789 --> 00:29:03,240

kind of Men In Black is that is that

594

00:29:06,890 --> 00:29:04,799

what they're actually like

595

00:29:11,029 --> 00:29:06,900

whether you've come and they'll have do

596

00:29:12,289 --> 00:29:11,039

they harass you 100 that is exactly the

597

00:29:15,409 --> 00:29:12,299

type and

598

00:29:17,149 --> 00:29:15,419

whether it's ranchers shooting at

599

00:29:21,110 --> 00:29:17,159

werewolf-like creatures and then getting

600

00:29:24,409 --> 00:29:21,120

visits uh afterwards from these

601
00:29:26,450 --> 00:29:24,419
Men In Black or investigators uh

602
00:29:28,370 --> 00:29:26,460
investigating the area and then shopping

603
00:29:30,950 --> 00:29:28,380
at the grocery store with their children

604
00:29:32,690 --> 00:29:30,960
and being approached by these men in

605
00:29:36,350 --> 00:29:32,700
black and being told not to return to

606
00:29:38,090 --> 00:29:36,360
the area there's also cases of the Men

607
00:29:39,830 --> 00:29:38,100
in Black just sort of casing out

608
00:29:41,810 --> 00:29:39,840
somebody's home and this this is what

609
00:29:44,330 --> 00:29:41,820
they did with me is they would they

610
00:29:46,310 --> 00:29:44,340
would basically I now know who they were

611
00:29:48,289 --> 00:29:46,320
in retrospect but at the time I didn't

612
00:29:51,289 --> 00:29:48,299
and it was quite serious but

613
00:29:53,570 --> 00:29:51,299

many many tinted out government-like

614

00:29:54,409 --> 00:29:53,580

vehicles and

615

00:29:56,750 --> 00:29:54,419

um

616

00:30:00,049 --> 00:29:56,760

taking part in almost intimidation

617

00:30:02,389 --> 00:30:00,059

techniques I would say yes but yeah it's

618

00:30:03,710 --> 00:30:02,399

it's an interesting uh it's an

619

00:30:06,230 --> 00:30:03,720

interesting aspect of the whole

620

00:30:08,810 --> 00:30:06,240

phenomena

621

00:30:10,909 --> 00:30:08,820

sounds it sounds fascinating it just but

622

00:30:12,470 --> 00:30:10,919

I mean but just by listening to this it

623

00:30:14,510 --> 00:30:12,480

just makes you want you want to look

624

00:30:17,630 --> 00:30:14,520

into it even more now

625

00:30:21,470 --> 00:30:17,640

because different

626

00:30:24,049 --> 00:30:21,480

reports about many black uh I mean I'm

627

00:30:26,930 --> 00:30:24,059

not exactly sure where I've read it but

628

00:30:29,090 --> 00:30:26,940

there's been like um the sums they're

629

00:30:32,350 --> 00:30:29,100

not even human I don't know how true

630

00:30:37,490 --> 00:30:34,970

yeah yeah I've spoken with one

631

00:30:41,990 --> 00:30:37,500

particular gentleman who was a

632

00:30:43,909 --> 00:30:42,000

uh a long-haul truck driver and he came

633

00:30:46,070 --> 00:30:43,919

across a few of these entities like

634

00:30:48,769 --> 00:30:46,080

you're talking about that did not seem

635

00:30:50,330 --> 00:30:48,779

human I've spoke with another person who

636

00:30:52,810 --> 00:30:50,340

owned a bed and breakfast in southern

637

00:30:56,210 --> 00:30:52,820

Utah just south of this area

638

00:30:58,250 --> 00:30:56,220

and they would have

639

00:31:01,549 --> 00:30:58,260

what can only be described as people

640

00:31:04,669 --> 00:31:01,559

showing up in these older black colored

641

00:31:07,730 --> 00:31:04,679

tinted vehicles and when they came out

642

00:31:11,450 --> 00:31:07,740

of the vehicles they went into a diner

643

00:31:12,889 --> 00:31:11,460

and they acted very robotic and all the

644

00:31:15,110 --> 00:31:12,899

people in the diner actually left

645

00:31:18,230 --> 00:31:15,120

because they did not seem human they

646

00:31:19,850 --> 00:31:18,240

they had robotic attributes uh seemed

647

00:31:22,370 --> 00:31:19,860

very mechanical in the way they were

648

00:31:25,970 --> 00:31:22,380

interacting with people and it's almost

649

00:31:28,310 --> 00:31:25,980

as if they had no social gauge of how to

650

00:31:31,190 --> 00:31:28,320

act they they were saying all the right

651
00:31:33,350 --> 00:31:31,200
things but it was completely unnatural

652
00:31:36,590 --> 00:31:33,360
do you think does it do you think that

653
00:31:38,630 --> 00:31:36,600
it sounds like someone's like a clone or

654
00:31:40,370 --> 00:31:38,640
like a doppelganger of some sort along

655
00:31:42,649 --> 00:31:40,380
those lines

656
00:31:44,630 --> 00:31:42,659
it could be I don't know it definitely

657
00:31:46,549 --> 00:31:44,640
seems like they Traverse

658
00:31:48,710 --> 00:31:46,559
and move through

659
00:31:51,409 --> 00:31:48,720
into an area that they're not very

660
00:31:52,850 --> 00:31:51,419
comfortable acting uh as as normal

661
00:31:54,169 --> 00:31:52,860
people would act under certain

662
00:31:56,930 --> 00:31:54,179
circumstances

663
00:31:59,630 --> 00:31:56,940

yeah I mean there's something like uh

664

00:32:02,210 --> 00:31:59,640

similar to along those lines Brian and

665

00:32:04,610 --> 00:32:02,220

it was uh have he have you are you

666

00:32:09,950 --> 00:32:04,620

familiar with Stardust Ranch

667

00:32:13,070 --> 00:32:09,960

yes of course in Arizona yeah the the

668

00:32:14,990 --> 00:32:13,080

he has something in his book he has

669

00:32:17,450 --> 00:32:15,000

something along the lines of

670

00:32:19,070 --> 00:32:17,460

um doppelgangers in a diner or something

671

00:32:21,529 --> 00:32:19,080

along those lines I just wondered if it

672

00:32:23,990 --> 00:32:21,539

was like similar but if it's a similar

673

00:32:26,210 --> 00:32:24,000

thing to what's happened and what that

674

00:32:29,930 --> 00:32:26,220

you that you've heard of as well

675

00:32:32,090 --> 00:32:29,940

yes of course there's there's a lot of

676

00:32:33,850 --> 00:32:32,100

strange happenings all in the

677

00:32:38,230 --> 00:32:33,860

southwestern United States I believe

678

00:32:41,450 --> 00:32:38,240

Arizona New Mexico Colorado Utah

679

00:32:43,310 --> 00:32:41,460

there seems to be

680

00:32:45,769 --> 00:32:43,320

an intersection

681

00:32:49,789 --> 00:32:45,779

where or a convergence in these high

682

00:32:52,370 --> 00:32:49,799

deserts where there seems to be

683

00:32:56,210 --> 00:32:52,380

for the land mass or the area an

684

00:32:59,269 --> 00:32:56,220

exponential amount of sightings uh cases

685

00:33:01,130 --> 00:32:59,279

of high strangeness Cryptids Etc and

686

00:33:03,350 --> 00:33:01,140

someone who's done a lot of research and

687

00:33:05,690 --> 00:33:03,360

investigation into this is a gentleman

688

00:33:08,990 --> 00:33:05,700

named Ben mizrick he wrote a book called

689

00:33:10,269 --> 00:33:09,000

the 37th parallel which basically goes

690

00:33:13,430 --> 00:33:10,279

through

691

00:33:16,490 --> 00:33:13,440

explaining some of the attributes of

692

00:33:19,490 --> 00:33:16,500

what might be taking place and not to go

693

00:33:22,669 --> 00:33:19,500

too far down this path and and off topic

694

00:33:25,130 --> 00:33:22,679

but this particular parallel the 37th

695

00:33:27,009 --> 00:33:25,140

parallel seems to be sort of a UFO

696

00:33:29,269 --> 00:33:27,019

Highway of sorts

697

00:33:33,730 --> 00:33:29,279

anti-strangeness where these things tend

698

00:33:39,049 --> 00:33:36,830

right it just um I've got a dash Mark

699

00:33:43,190 --> 00:33:39,059

currently got a dashboard mate it just

700

00:33:44,450 --> 00:33:43,200

sounds it's beyond fascinating this

701
00:33:47,570 --> 00:33:44,460
um

702
00:33:51,950 --> 00:33:47,580
you know this this 37 parallel I know

703
00:33:56,930 --> 00:33:54,409
like out like like where where you are

704
00:33:58,630 --> 00:33:56,940
places and skin walker Ranch

705
00:34:02,029 --> 00:33:58,640
um

706
00:34:04,549 --> 00:34:02,039
these areas do they have skin markers as

707
00:34:08,990 --> 00:34:04,559
well or is it just mainly UFOs along

708
00:34:11,510 --> 00:34:09,000
this parallel or does it does it

709
00:34:15,530 --> 00:34:11,520
Vera

710
00:34:20,149 --> 00:34:18,409
I believe it's a bit of everything and

711
00:34:23,030 --> 00:34:20,159
according to

712
00:34:27,169 --> 00:34:23,040
this paranormal they call it America's

713
00:34:29,089 --> 00:34:27,179

paranormal Highway the 37th parallel and

714

00:34:30,710 --> 00:34:29,099

according to the research that's been

715

00:34:34,550 --> 00:34:30,720

done you can drop a pin just about

716

00:34:37,849 --> 00:34:34,560

anywhere along there it stretches from

717

00:34:40,730 --> 00:34:37,859

Chesapeake Bay to Santa Cruz California

718

00:34:43,490 --> 00:34:40,740

and it's been called everything from the

719

00:34:45,770 --> 00:34:43,500

Paranormal highway to the UFO Highway

720

00:34:48,349 --> 00:34:45,780

it's littered with

721

00:34:51,349 --> 00:34:48,359

Tales of cattle mutilations UFO

722

00:34:54,589 --> 00:34:51,359

sightings underground military bases

723

00:34:56,869 --> 00:34:54,599

ancient Native sacred sites and

724

00:35:00,170 --> 00:34:56,879

the phenomena Zone as they call it

725

00:35:02,810 --> 00:35:00,180

stretches about 70 miles either side of

726

00:35:05,829 --> 00:35:02,820

the 37th parallel roughly I would say

727

00:35:09,130 --> 00:35:05,839

maybe even 80 miles so the area

728

00:35:12,550 --> 00:35:09,140

is basically just anomalous real estate

729

00:35:15,530 --> 00:35:12,560

a few odd facts about it is that

730

00:35:18,290 --> 00:35:15,540

Americans living in this area are twice

731

00:35:21,170 --> 00:35:18,300

as likely to develop multiple multiple

732

00:35:24,250 --> 00:35:21,180

sclerosis or Ms than those who live

733

00:35:27,589 --> 00:35:24,260

other places and

734

00:35:31,609 --> 00:35:27,599

yeah there's a lot of strange going on

735

00:35:34,010 --> 00:35:31,619

interestingly talking about Ms I was on

736

00:35:37,010 --> 00:35:34,020

an investigation with uh

737

00:35:40,690 --> 00:35:37,020

Jack Osborne Ozzy Osbourne's son he was

738

00:35:43,790 --> 00:35:40,700

up in Utah doing an investigation into

739

00:35:47,150 --> 00:35:43,800

this phenomena shapeshifters and the

740

00:35:50,270 --> 00:35:47,160

like tricksters and yeah

741

00:35:52,550 --> 00:35:50,280

a while on site we were actually on what

742

00:35:56,329 --> 00:35:52,560

is known as Skinwalker Ridge

743

00:35:59,210 --> 00:35:56,339

and he started to lose sight in one of

744

00:36:00,470 --> 00:35:59,220

his eyes and at that moment he realized

745

00:36:02,150 --> 00:36:00,480

that something was wrong with him

746

00:36:05,089 --> 00:36:02,160

physically and since then he's been

747

00:36:08,510 --> 00:36:05,099

diagnosed with Ms or multiple sclerosis

748

00:36:10,790 --> 00:36:08,520

so this is not uncommon uh

749

00:36:13,130 --> 00:36:10,800

it's very easy

750

00:36:14,810 --> 00:36:13,140

yes

751

00:36:17,089 --> 00:36:14,820

and I've had other friends that have

752

00:36:19,790 --> 00:36:17,099

come down with other

753

00:36:23,569 --> 00:36:19,800

strange cases of physical ailments such

754

00:36:25,910 --> 00:36:23,579

as ALS or Lou Gehrig's disease so there

755

00:36:27,950 --> 00:36:25,920

does seem to be some physical impacts as

756

00:36:30,589 --> 00:36:27,960

well to studying and being in these

757

00:36:31,970 --> 00:36:30,599

particular areas and the 37th parallel

758

00:36:34,190 --> 00:36:31,980

in particular

759

00:36:35,210 --> 00:36:34,200

yeah do you think Ryan that that could

760

00:36:39,190 --> 00:36:35,220

be

761

00:36:43,310 --> 00:36:39,200

I mean I I don't know I'm not not

762

00:36:45,710 --> 00:36:43,320

scientifically minded in this this way

763

00:36:47,930 --> 00:36:45,720

um do you think it could be anything to

764

00:36:52,849 --> 00:36:47,940

do like um

765

00:36:56,690 --> 00:36:54,770

well that's an interesting interesting

766

00:36:59,270 --> 00:36:56,700

point because there are some

767

00:37:01,430 --> 00:36:59,280

aeromagnetic and gravity profiles along

768

00:37:04,069 --> 00:37:01,440

that parallel that are slightly

769

00:37:05,870 --> 00:37:04,079

different from a Geo physical standpoint

770

00:37:08,390 --> 00:37:05,880

and

771

00:37:10,910 --> 00:37:08,400

yeah there is a possibility that this

772

00:37:13,910 --> 00:37:10,920

may be a better place to try covert

773

00:37:15,890 --> 00:37:13,920

technology programs it's I'm not 100

774

00:37:17,450 --> 00:37:15,900

sure of that but I don't know why it

775

00:37:20,450 --> 00:37:17,460

wouldn't be

776

00:37:21,589 --> 00:37:20,460

yeah I mean he slightly said it's a fast

777

00:37:23,630 --> 00:37:21,599

area

778

00:37:26,390 --> 00:37:23,640

there's nothing about for miles and

779

00:37:28,609 --> 00:37:26,400

miles you'd think that it will be

780

00:37:30,650 --> 00:37:28,619

I could be wrong to detest nuclear

781

00:37:32,450 --> 00:37:30,660

weaponry around

782

00:37:35,030 --> 00:37:32,460

I don't know if you're around that that

783

00:37:37,370 --> 00:37:35,040

particular area but in in some other

784

00:37:40,010 --> 00:37:37,380

deserts

785

00:37:42,589 --> 00:37:40,020

that's right and another strange it it

786

00:37:44,569 --> 00:37:42,599

also has lower light frequencies and

787

00:37:46,730 --> 00:37:44,579

it's people that live there have little

788

00:37:49,130 --> 00:37:46,740

to no vitamin D production during the

789

00:37:51,950 --> 00:37:49,140

winter months so that may have another

790

00:37:53,450 --> 00:37:51,960

strange

791

00:37:57,170 --> 00:37:53,460

um

792

00:37:58,970 --> 00:37:57,180

part in in the physical ailments but

793

00:38:01,370 --> 00:37:58,980

they they are not exposed to the same

794

00:38:03,650 --> 00:38:01,380

easy raids from sunlight as usual during

795

00:38:05,390 --> 00:38:03,660

the winter months so there's a lot of

796

00:38:07,550 --> 00:38:05,400

strange things that take place in that

797

00:38:10,430 --> 00:38:07,560

latitude of the United States I can't

798

00:38:14,690 --> 00:38:10,440

imagine I mean

799

00:38:17,270 --> 00:38:14,700

just I mean either stories like uh giant

800

00:38:20,089 --> 00:38:17,280

wolves and I'm I'll be interested to

801
00:38:21,950 --> 00:38:20,099
know how giant this these wolves are are

802
00:38:24,770 --> 00:38:21,960
they um

803
00:38:28,490 --> 00:38:24,780
what we're talking like a giant wolf

804
00:38:32,329 --> 00:38:28,500
have you actually seen one yourself

805
00:38:33,290 --> 00:38:32,339
I have and and I would say that they're

806
00:38:38,569 --> 00:38:33,300
massive

807
00:38:40,730 --> 00:38:38,579
say roughly 150 pounds

808
00:38:45,910 --> 00:38:40,740
and uh

809
00:38:49,670 --> 00:38:45,920
much larger have you seen a Great Dane

810
00:38:51,950 --> 00:38:49,680
a long time ago yeah they're big dogs

811
00:39:00,170 --> 00:38:51,960
yeah

812
00:39:00,180 --> 00:39:04,250
that's huge

813
00:39:08,990 --> 00:39:07,010

so that that's it and when you see these

814

00:39:11,690 --> 00:39:09,000

Ryan do they um

815

00:39:15,770 --> 00:39:11,700

have you ever seen one like shape-shift

816

00:39:17,270 --> 00:39:15,780

from being a wolf turning into I presume

817

00:39:22,250 --> 00:39:17,280

a man

818

00:39:24,170 --> 00:39:22,260

not for years I did not no and uh I've

819

00:39:25,329 --> 00:39:24,180

always seen just the walls you know

820

00:39:28,010 --> 00:39:25,339

these large

821

00:39:30,829 --> 00:39:28,020

wolves which were actually

822

00:39:32,930 --> 00:39:30,839

very common in the area during a

823

00:39:35,690 --> 00:39:32,940

different time so there may be a

824

00:39:37,190 --> 00:39:35,700

dimensional aspect to all this and

825

00:39:39,470 --> 00:39:37,200

although

826

00:39:41,569 --> 00:39:39,480

relatively little is known about many

827

00:39:43,910 --> 00:39:41,579

parts of these wolves we do know where

828

00:39:45,890 --> 00:39:43,920

they roamed and there are other

829

00:39:49,430 --> 00:39:45,900

creatures as well which have been seen

830

00:39:51,589 --> 00:39:49,440

in the area which used to be in the area

831

00:39:54,230 --> 00:39:51,599

naturally which would suggest

832

00:39:56,690 --> 00:39:54,240

that possibly there is a dimensional

833

00:39:58,450 --> 00:39:56,700

aspect to this and we are literally just

834

00:40:01,250 --> 00:39:58,460

seeing a creature in the same location

835

00:40:03,170 --> 00:40:01,260

during a different timeline which is

836

00:40:05,870 --> 00:40:03,180

kind of in contrast to a lot of people's

837

00:40:08,150 --> 00:40:05,880

investigations but these

838

00:40:10,310 --> 00:40:08,160

um what you suggested about seeing the

839

00:40:13,190 --> 00:40:10,320

actual metamorphosis or shifting from

840

00:40:17,270 --> 00:40:13,200

one to another I have not seen the shift

841

00:40:19,370 --> 00:40:17,280

however very recently I saw what can

842

00:40:21,770 --> 00:40:19,380

only be described and I can't say that I

843

00:40:23,930 --> 00:40:21,780

was the first one to see it

844

00:40:26,710 --> 00:40:23,940

um but what can only be described as a

845

00:40:30,650 --> 00:40:26,720

dog man and I was I was driving

846

00:40:32,390 --> 00:40:30,660

yes I was uh it was late at night uh it

847

00:40:34,970 --> 00:40:32,400

was late at night I had just got done

848

00:40:37,270 --> 00:40:34,980

speaking at What's called the Moonlight

849

00:40:41,089 --> 00:40:37,280

gathering in the area

850

00:40:44,210 --> 00:40:41,099

what's happening it is a group of

851
00:40:46,010 --> 00:40:44,220
treasure Hunters Cryptid Hunters and

852
00:40:50,210 --> 00:40:46,020
paranormal enthusiasts that get together

853
00:40:53,569 --> 00:40:50,220
every year and kind of swap ideas and uh

854
00:40:54,730 --> 00:40:53,579
Converge on a on a small Park and just

855
00:40:58,970 --> 00:40:54,740
trade information

856
00:41:02,810 --> 00:40:58,980
and I was heading back to space Wolf

857
00:41:05,450 --> 00:41:02,820
research uh at night after this event

858
00:41:09,710 --> 00:41:05,460
and on my way back to the base camp I

859
00:41:11,930 --> 00:41:09,720
noticed that a Jeep which I know belongs

860
00:41:15,170 --> 00:41:11,940
to another investigative group I won't

861
00:41:17,210 --> 00:41:15,180
say who but they were

862
00:41:20,690 --> 00:41:17,220
they they were parked on the side of the

863
00:41:22,370 --> 00:41:20,700

road looking at something in a field and

864

00:41:23,630 --> 00:41:22,380

uh or I'm sorry they were parked in the

865

00:41:27,230 --> 00:41:23,640

middle of the road looking at something

866

00:41:29,390 --> 00:41:27,240

in a field and as I approached it was

867

00:41:31,910 --> 00:41:29,400

very awkward because they didn't want to

868

00:41:35,150 --> 00:41:31,920

move but then they slowly moved over to

869

00:41:37,190 --> 00:41:35,160

the side of the road and I very slowly

870

00:41:38,810 --> 00:41:37,200

crept past them we were going in

871

00:41:42,050 --> 00:41:38,820

opposite directions

872

00:41:44,630 --> 00:41:42,060

and I was looking over back towards

873

00:41:48,470 --> 00:41:44,640

where they were looking and as we passed

874

00:41:51,470 --> 00:41:48,480

each other just creeping by one another

875

00:41:54,950 --> 00:41:51,480

I can only describe

876

00:41:58,550 --> 00:41:54,960

what was a dog man ran between the

877

00:42:00,770 --> 00:41:58,560

vehicles so behind both vehicles so I

878

00:42:03,950 --> 00:42:00,780

believe that they had seen this

879

00:42:07,130 --> 00:42:03,960

in the field and were investigating it

880

00:42:08,750 --> 00:42:07,140

and I came by just at the wrong or the

881

00:42:11,990 --> 00:42:08,760

right time depending on how you look at

882

00:42:13,790 --> 00:42:12,000

it yeah yeah and when I caused them to

883

00:42:16,190 --> 00:42:13,800

move over to the side of the road and

884

00:42:19,250 --> 00:42:16,200

start creeping at you know a very small

885

00:42:21,650 --> 00:42:19,260

pace and I was doing the same

886

00:42:23,750 --> 00:42:21,660

as I looked in the rear view mirror I

887

00:42:27,410 --> 00:42:23,760

saw this creature for lack of a better

888

00:42:29,329 --> 00:42:27,420

word jump over one fence line run across

889

00:42:31,790 --> 00:42:29,339

the road jump over the next fence line

890

00:42:35,630 --> 00:42:31,800

and disappear into the far the opposite

891

00:42:37,849 --> 00:42:35,640

field so it's unfortunate that was it

892

00:42:39,589 --> 00:42:37,859

was you know in the rear view mirror but

893

00:42:41,630 --> 00:42:39,599

I still got a pretty good glimpse of it

894

00:42:44,810 --> 00:42:41,640

and I think that

895

00:42:47,810 --> 00:42:44,820

it is a very real

896

00:42:52,370 --> 00:42:47,820

thing that's taking place

897

00:42:54,829 --> 00:42:52,380

how uh I know I know you uh limited

898

00:42:58,970 --> 00:42:54,839

visibility Ryan bought but if you want

899

00:43:01,069 --> 00:42:58,980

to uh just have a rough estimate how big

900

00:43:05,390 --> 00:43:01,079

was this dog man because you leave his

901
00:43:08,930 --> 00:43:05,400
Tails like people saying oh like 10 11

902
00:43:10,490 --> 00:43:08,940
12 foot dog man which seems like I mean

903
00:43:12,770 --> 00:43:10,500
I'm six foot three

904
00:43:13,970 --> 00:43:12,780
like twice the height of me that's a big

905
00:43:16,430 --> 00:43:13,980
dude

906
00:43:19,010 --> 00:43:16,440
yeah I've heard those stories as well

907
00:43:22,910 --> 00:43:19,020
this particular uh

908
00:43:24,829 --> 00:43:22,920
thing that I saw was not that large I

909
00:43:27,230 --> 00:43:24,839
would say it was only slightly larger

910
00:43:29,569 --> 00:43:27,240
about your size only slightly larger

911
00:43:31,309 --> 00:43:29,579
than a regular person so about six two

912
00:43:33,770 --> 00:43:31,319
six three about that sounds about right

913
00:43:35,210 --> 00:43:33,780

about about a six footer yeah

914

00:43:38,630 --> 00:43:35,220

wow

915

00:43:41,809 --> 00:43:38,640

still right I mean I know you said it

916

00:43:43,370 --> 00:43:41,819

from a distance but I don't think it

917

00:43:45,410 --> 00:43:43,380

would be the sort of thing you'd want to

918

00:43:48,230 --> 00:43:45,420

see face to face

919

00:43:49,910 --> 00:43:48,240

no and you know there have been accounts

920

00:43:52,670 --> 00:43:49,920

of people seeing some of these strange

921

00:43:54,650 --> 00:43:52,680

entities face to face and it does not

922

00:43:55,970 --> 00:43:54,660

end well for them one particular

923

00:43:58,010 --> 00:43:55,980

individual

924

00:44:00,290 --> 00:43:58,020

who this was before I bought the

925

00:44:03,050 --> 00:44:00,300

property there uh

926
00:44:05,510 --> 00:44:03,060
he went out to space Wolf research with

927
00:44:08,270 --> 00:44:05,520
another group and it's when the property

928
00:44:10,730 --> 00:44:08,280
was abandoned for quite some time and

929
00:44:13,849 --> 00:44:10,740
they participated or a few of them

930
00:44:17,329 --> 00:44:13,859
participated in a blood ritual of sorts

931
00:44:20,510 --> 00:44:17,339
and old ritual yes they had some animal

932
00:44:24,109 --> 00:44:20,520
blood and they had some special uh

933
00:44:26,290 --> 00:44:24,119
ritual information on how to engage in

934
00:44:30,050 --> 00:44:26,300
trying to connect with these entities

935
00:44:32,930 --> 00:44:30,060
and a few of them did this and they set

936
00:44:35,270 --> 00:44:32,940
up camp on this when this was abandoned

937
00:44:37,970 --> 00:44:35,280
and empty and this was before I

938
00:44:39,530 --> 00:44:37,980

purchased the property now it was at the

939

00:44:41,450 --> 00:44:39,540

same location where we've had other

940

00:44:43,430 --> 00:44:41,460

things happen since and I I didn't know

941

00:44:46,130 --> 00:44:43,440

that this particular story happened on

942

00:44:48,109 --> 00:44:46,140

my property until years later but it was

943

00:44:49,550 --> 00:44:48,119

it was widespread in the Paranormal

944

00:44:53,150 --> 00:44:49,560

Community here

945

00:44:55,490 --> 00:44:53,160

and for lack of a better word they had a

946

00:44:58,970 --> 00:44:55,500

variety of strange things happen his

947

00:45:02,329 --> 00:44:58,980

name was rich Oliver and he was with uh

948

00:45:04,670 --> 00:45:02,339

a couple other people met growing and uh

949

00:45:07,490 --> 00:45:04,680

April Slaughter and a variety of others

950

00:45:09,770 --> 00:45:07,500

and they had set up a camp they made a

951
00:45:12,890 --> 00:45:09,780
fire and some of the things that

952
00:45:15,950 --> 00:45:12,900
happened were Matt had what can only be

953
00:45:20,089 --> 00:45:15,960
described as a massive prehistoric crab

954
00:45:22,190 --> 00:45:20,099
a black crab Shuffle across the desert

955
00:45:25,450 --> 00:45:22,200
landscape and latch onto his leg and

956
00:45:29,089 --> 00:45:25,460
take a piece out of his leg and

957
00:45:31,069 --> 00:45:29,099
yes it sounds far-fetched and this

958
00:45:32,829 --> 00:45:31,079
should be horrifying it was seen by all

959
00:45:35,750 --> 00:45:32,839
and

960
00:45:37,130 --> 00:45:35,760
instead of being horrified by this they

961
00:45:38,450 --> 00:45:37,140
were all laughing about it and thought

962
00:45:41,270 --> 00:45:38,460
this was quite

963
00:45:44,030 --> 00:45:41,280

funny and hilarious uh and that happens

964

00:45:46,550 --> 00:45:44,040

often the emotions of the participants

965

00:45:49,430 --> 00:45:46,560

can be manipulated it seems by the

966

00:45:51,950 --> 00:45:49,440

energy and later on this gentleman Rich

967

00:45:54,290 --> 00:45:51,960

Oliver came face to face with something

968

00:45:56,870 --> 00:45:54,300

that was taller than him and he he was

969

00:46:00,470 --> 00:45:56,880

about your size very very large

970

00:46:02,510 --> 00:46:00,480

individual and Rich excused himself from

971

00:46:06,230 --> 00:46:02,520

the fire to go and relieve himself by

972

00:46:10,270 --> 00:46:06,240

one of the vehicles and he had a very

973

00:46:12,970 --> 00:46:10,280

amorphous uh almost alien

974

00:46:15,829 --> 00:46:12,980

extraterrestrial looking large entity

975

00:46:18,309 --> 00:46:15,839

grab him by the neck and lift him off

976
00:46:23,390 --> 00:46:18,319
the ground and as I said he's a big guy

977
00:46:27,770 --> 00:46:25,190
he said when he was looking directly

978
00:46:30,890 --> 00:46:27,780
into this entity's eyes he could almost

979
00:46:32,870 --> 00:46:30,900
see like sparkles in its eyes and I

980
00:46:35,450 --> 00:46:32,880
should also mention that there are

981
00:46:38,690 --> 00:46:35,460
drawings of this online if you if you

982
00:46:43,010 --> 00:46:38,700
look up rich Oliver and skinwalker

983
00:46:43,849 --> 00:46:43,020
area or uh you can you can find you can

984
00:46:48,710 --> 00:46:43,859
find

985
00:46:52,190 --> 00:46:48,720
drawings of this entity that seems very

986
00:46:54,109 --> 00:46:52,200
not of this plane not of this Dimension

987
00:46:56,569 --> 00:46:54,119
and he said that he could see what

988
00:46:59,390 --> 00:46:56,579

seemed like bugs flying in and out of it

989

00:47:02,270 --> 00:46:59,400

so it seemed to be created by these

990

00:47:04,670 --> 00:47:02,280

smaller objects or particulates as well

991

00:47:07,130 --> 00:47:04,680

similar to what I saw with that wolf

992

00:47:10,130 --> 00:47:07,140

being manifested with another researcher

993

00:47:12,050 --> 00:47:10,140

so it does seem that when you have these

994

00:47:14,150 --> 00:47:12,060

face-to-face interactions

995

00:47:16,970 --> 00:47:14,160

that are inches away that it can get

996

00:47:17,890 --> 00:47:16,980

fairly dangerous and this particular

997

00:47:20,750 --> 00:47:17,900

person

998

00:47:22,730 --> 00:47:20,760

uh among the others they all had what

999

00:47:25,910 --> 00:47:22,740

they claimed were nasal implants which

1000

00:47:28,870 --> 00:47:25,920

is interesting yeah

1001

00:47:32,150 --> 00:47:28,880

and and Rich very interesting

1002

00:47:34,190 --> 00:47:32,160

yeah and Rich Oliver died of brain

1003

00:47:36,349 --> 00:47:34,200

cancer which is

1004

00:47:38,030 --> 00:47:36,359

unfortunate but does kind of lend

1005

00:47:40,910 --> 00:47:38,040

Credence to that belief that they all

1006

00:47:42,170 --> 00:47:40,920

have nasal implants

1007

00:47:45,349 --> 00:47:42,180

okay

1008

00:47:49,910 --> 00:47:45,359

I want the war what's it what that could

1009

00:47:49,920 --> 00:47:55,069

again maybe it's very strange

1010

00:48:01,010 --> 00:47:57,230

very strange

1011

00:48:04,250 --> 00:48:01,020

yeah at one point they did get uh what

1012

00:48:06,410 --> 00:48:04,260

is that uh hypnosis um to try to figure

1013

00:48:09,530 --> 00:48:06,420

out more about their experiences

1014

00:48:11,510 --> 00:48:09,540

all right yeah yeah and what they found

1015

00:48:12,650 --> 00:48:11,520

is that these nasal implants according

1016

00:48:15,589 --> 00:48:12,660

to

1017

00:48:18,230 --> 00:48:15,599

all of their hypnosis sessions they

1018

00:48:20,690 --> 00:48:18,240

believed that this entity that placed

1019

00:48:23,630 --> 00:48:20,700

the nasal impedance there wanted them to

1020

00:48:26,329 --> 00:48:23,640

bring more people out there so it wanted

1021

00:48:27,650 --> 00:48:26,339

to engage with more individuals in sort

1022

00:48:31,010 --> 00:48:27,660

of a

1023

00:48:33,290 --> 00:48:31,020

reciprocal fashion so I don't know

1024

00:48:34,970 --> 00:48:33,300

just how how much Credence to put into

1025

00:48:36,170 --> 00:48:34,980

that but I thought that that's an

1026

00:48:39,230 --> 00:48:36,180

interesting small piece of information

1027

00:48:42,050 --> 00:48:39,240

yes very interesting very interested

1028

00:48:44,510 --> 00:48:42,060

I mean maybe it was you don't know there

1029

00:48:47,750 --> 00:48:44,520

you go we can we can only assume

1030

00:48:49,670 --> 00:48:47,760

mm-hmm maybe they were

1031

00:48:52,609 --> 00:48:49,680

maybe it was going to feed off obviously

1032

00:48:54,770 --> 00:48:52,619

some way are you I mean who knows

1033

00:48:57,109 --> 00:48:54,780

it's a terrifying and frightening

1034

00:49:00,950 --> 00:48:57,119

possibility it's possible yeah but

1035

00:49:05,870 --> 00:49:04,010

just just the thought I mean he just

1036

00:49:09,530 --> 00:49:05,880

don't know do you

1037

00:49:11,809 --> 00:49:09,540

God it is you know what's odd is the

1038

00:49:14,150 --> 00:49:11,819

first-hand experiences with things that

1039

00:49:17,089 --> 00:49:14,160

should not be able to exist are quite

1040

00:49:19,910 --> 00:49:17,099

common as you mentioned this phenomena

1041

00:49:22,309 --> 00:49:19,920

tends to mask itself as a variety of

1042

00:49:24,710 --> 00:49:22,319

different things it is quite literally a

1043

00:49:28,430 --> 00:49:24,720

shape shifter of sorts the way it mimics

1044

00:49:31,250 --> 00:49:28,440

other things and can take on different

1045

00:49:33,230 --> 00:49:31,260

aspects that

1046

00:49:35,450 --> 00:49:33,240

you know you never really know what

1047

00:49:37,190 --> 00:49:35,460

you're going to be up against so they're

1048

00:49:38,990 --> 00:49:37,200

like you mentioned there's a wide

1049

00:49:41,329 --> 00:49:39,000

variety and it's hard to conceive

1050

00:49:44,710 --> 00:49:41,339

exactly what you're going to encounter

1051

00:49:48,290 --> 00:49:44,720

each time you go if anything

1052

00:49:51,950 --> 00:49:48,300

is so or unpredictable

1053

00:49:55,490 --> 00:49:51,960

especially with those that many

1054

00:49:58,250 --> 00:49:55,500

possibilities of different tendencies

1055

00:49:59,750 --> 00:49:58,260

I mean it's saying if there's aerial is

1056

00:50:02,829 --> 00:49:59,760

on the ground

1057

00:50:06,230 --> 00:50:02,839

did you see orbs as well

1058

00:50:08,510 --> 00:50:06,240

orbs are quite uh you see a vast number

1059

00:50:11,510 --> 00:50:08,520

of those and those have interesting

1060

00:50:13,430 --> 00:50:11,520

variables as well a number of them are

1061

00:50:17,030 --> 00:50:13,440

different colors

1062

00:50:20,030 --> 00:50:17,040

um you get amber colored blue colored

1063

00:50:22,670 --> 00:50:20,040

red colored and everything in between so

1064

00:50:25,390 --> 00:50:22,680

there seems to be different

1065

00:50:28,490 --> 00:50:25,400

aspects to each different color

1066

00:50:29,930 --> 00:50:28,500

and some of them are more dangerous than

1067

00:50:31,970 --> 00:50:29,940

others but yeah you get different

1068

00:50:34,550 --> 00:50:31,980

variables even when it comes to the orbs

1069

00:50:38,150 --> 00:50:34,560

another very strange

1070

00:50:39,890 --> 00:50:38,160

and yet somewhat common phenomenon when

1071

00:50:43,130 --> 00:50:39,900

it comes to shape shifters and Skin

1072

00:50:47,150 --> 00:50:43,140

Walkers is what they call the whistling

1073

00:50:49,130 --> 00:50:47,160

man which is basically it it's someone

1074

00:50:51,530 --> 00:50:49,140

whistling along the boundaries of your

1075

00:50:53,690 --> 00:50:51,540

fence line and they're walking and

1076
00:50:55,910 --> 00:50:53,700
this is something that Native Americans

1077
00:50:58,910 --> 00:50:55,920
extremely

1078
00:51:01,190 --> 00:50:58,920
forbid engaging with and they urge

1079
00:51:03,410 --> 00:51:01,200
people to not follow the whistling man

1080
00:51:05,650 --> 00:51:03,420
or the whistling itself or go indoors

1081
00:51:09,890 --> 00:51:05,660
not engage in any way shape or form

1082
00:51:10,910 --> 00:51:09,900
another is also a Native American

1083
00:51:13,730 --> 00:51:10,920
yeah

1084
00:51:16,970 --> 00:51:13,740
myth or lore and that is what they call

1085
00:51:20,450 --> 00:51:16,980
water babies which is the sound that can

1086
00:51:23,750 --> 00:51:20,460
most be described as a child crying near

1087
00:51:28,430 --> 00:51:23,760
a Waterway and this is another one yeah

1088
00:51:30,470 --> 00:51:28,440

also one to one to not engage with so

1089

00:51:33,109 --> 00:51:30,480

even though you hear you know it's a

1090

00:51:35,329 --> 00:51:33,119

human response if you hear a child or a

1091

00:51:37,390 --> 00:51:35,339

baby crying next to a Waterway it's a

1092

00:51:41,030 --> 00:51:37,400

human response to go directly to that

1093

00:51:44,390 --> 00:51:41,040

however the likelihood In This Very

1094

00:51:46,670 --> 00:51:44,400

Barren and rugged area for that to be

1095

00:51:49,609 --> 00:51:46,680

actually taking place it's highly

1096

00:51:51,170 --> 00:51:49,619

unlikely so it's quite common but this

1097

00:51:55,370 --> 00:51:51,180

is something that Native Americans

1098

00:51:58,790 --> 00:51:55,380

strongly urge people to not engage with

1099

00:52:02,210 --> 00:51:58,800

the uh right at the

1100

00:52:04,069 --> 00:52:02,220

I presuming that you talk to some of the

1101
00:52:06,049 --> 00:52:04,079
natives now but they must have got to

1102
00:52:09,230 --> 00:52:06,059
know you over the years

1103
00:52:11,750 --> 00:52:09,240
did they actually uh divorce to what

1104
00:52:13,790 --> 00:52:11,760
these uh water babies are on the

1105
00:52:15,410 --> 00:52:13,800
whistling manners I didn't do not talk

1106
00:52:18,290 --> 00:52:15,420
about it

1107
00:52:21,609 --> 00:52:18,300
yes they they tend to believe that they

1108
00:52:23,270 --> 00:52:21,619
are Elemental in nature and dark spirits

1109
00:52:26,270 --> 00:52:23,280
Elementals

1110
00:52:28,549 --> 00:52:26,280
definitely something that that same

1111
00:52:33,309 --> 00:52:28,559
premise of avoidance their Immortal

1112
00:52:36,170 --> 00:52:33,319
entities and they are to be avoided uh

1113
00:52:37,910 --> 00:52:36,180

the tales of what happens when people do

1114

00:52:39,890 --> 00:52:37,920

engage with these

1115

00:52:41,870 --> 00:52:39,900

entities

1116

00:52:43,790 --> 00:52:41,880

cause a lot of concern and it usually

1117

00:52:45,530 --> 00:52:43,800

ends up with the people drowning somehow

1118

00:52:51,670 --> 00:52:45,540

in the water

1119

00:52:59,569 --> 00:52:55,910

you can understand why they uh advise on

1120

00:53:05,390 --> 00:53:02,290

it's a

1121

00:53:09,109 --> 00:53:05,400

it is just

1122

00:53:11,390 --> 00:53:09,119

it sounds so crazy but still even though

1123

00:53:14,049 --> 00:53:11,400

it does not sound good it's still

1124

00:53:20,210 --> 00:53:18,710

yeah I mean we it just just uh can I

1125

00:53:22,490 --> 00:53:20,220

just ask you one last question please

1126
00:53:24,470 --> 00:53:22,500
mate but uh of course

1127
00:53:26,950 --> 00:53:24,480
Skin Walkers

1128
00:53:31,370 --> 00:53:26,960
are they

1129
00:53:34,130 --> 00:53:31,380
if through what you've experienced

1130
00:53:37,490 --> 00:53:34,140
you think there's a possibility that um

1131
00:53:40,010 --> 00:53:37,500
the skin workers are a bloodline of some

1132
00:53:46,849 --> 00:53:44,270
the the darker depths that follow the

1133
00:53:49,370 --> 00:53:46,859
deadly Realms of the magic surrounding

1134
00:53:51,829 --> 00:53:49,380
skinwalkers do tend to genetically

1135
00:53:54,950 --> 00:53:51,839
follow the same bloodlines

1136
00:53:57,349 --> 00:53:54,960
so that's very interesting

1137
00:54:00,829 --> 00:53:57,359
in a short answer yes

1138
00:54:04,849 --> 00:54:04,190

and at least still now at least still

1139

00:54:08,569 --> 00:54:04,859

um

1140

00:54:09,829 --> 00:54:08,579

delivered to speaker skin workers so to

1141

00:54:12,589 --> 00:54:09,839

speak

1142

00:54:14,270 --> 00:54:12,599

absolutely I only have a couple of

1143

00:54:17,150 --> 00:54:14,280

Native American friends that will

1144

00:54:21,950 --> 00:54:17,160

actually even engage in the conversation

1145

00:54:22,730 --> 00:54:21,960

with me and even then they ask that we

1146

00:54:24,950 --> 00:54:22,740

don't

1147

00:54:27,410 --> 00:54:24,960

speak of them by name

1148

00:54:30,770 --> 00:54:27,420

and they have concerns about the

1149

00:54:34,250 --> 00:54:30,780

confidentiality to protect themselves

1150

00:54:37,549 --> 00:54:34,260

uh when discussing it with other people

1151
00:54:41,089 --> 00:54:37,559
and in fact some of the elders are super

1152
00:54:44,770 --> 00:54:41,099
guarded uh okay discussing the creature

1153
00:54:51,950 --> 00:54:49,609
fascinating me it's still uh

1154
00:54:53,809 --> 00:54:51,960
it's still one of those

1155
00:54:57,589 --> 00:54:53,819
um

1156
00:54:59,750 --> 00:54:57,599
one of those entities that uh it's just

1157
00:55:01,549 --> 00:54:59,760
so interesting because of the year the

1158
00:55:05,390 --> 00:55:01,559
capabilities

1159
00:55:09,069 --> 00:55:05,400
I could transform into other creatures

1160
00:55:13,190 --> 00:55:09,079
like Birds

1161
00:55:22,849 --> 00:55:17,329
it's

1162
00:55:25,370 --> 00:55:22,859
technology that's the way I see it and I

1163
00:55:28,910 --> 00:55:25,380

think it's important to note as well

1164

00:55:30,829 --> 00:55:28,920

something that is often said is that not

1165

00:55:33,470 --> 00:55:30,839

all Native American witches are Skin

1166

00:55:36,170 --> 00:55:33,480

Walkers but that all skinwalkers are

1167

00:55:37,849 --> 00:55:36,180

witches and

1168

00:55:40,970 --> 00:55:37,859

somehow

1169

00:55:43,490 --> 00:55:40,980

it seems like some of these witches

1170

00:55:46,370 --> 00:55:43,500

turned from being Protectors of the

1171

00:55:48,410 --> 00:55:46,380

tribe and instead they began to use

1172

00:55:49,490 --> 00:55:48,420

their powers for evil and destructive

1173

00:55:52,430 --> 00:55:49,500

purposes

1174

00:55:55,430 --> 00:55:52,440

and as mentioned before yeah it's it's

1175

00:55:57,410 --> 00:55:55,440

it's a very very layered and complex

1176
00:56:01,010 --> 00:55:57,420
situation

1177
00:56:04,010 --> 00:56:01,020
yeah yeah it sounds it it sounds uh it

1178
00:56:06,109 --> 00:56:04,020
sounds very supportive but in the same

1179
00:56:10,030 --> 00:56:06,119
aspect

1180
00:56:14,030 --> 00:56:10,040
I mean your hair Tails were they were

1181
00:56:16,430 --> 00:56:14,040
salsa light Heroes so to speak of the

1182
00:56:21,530 --> 00:56:16,440
the tribe you know about them when like

1183
00:56:26,510 --> 00:56:24,530
you know allegedly they used to go like

1184
00:56:31,130 --> 00:56:26,520
uh

1185
00:56:33,530 --> 00:56:31,140
you know like protect the tribe whereas

1186
00:56:34,849 --> 00:56:33,540
it's like not what you think from what

1187
00:56:36,589 --> 00:56:34,859
you hear now

1188
00:56:40,010 --> 00:56:36,599

if you know what I mean

1189

00:56:43,010 --> 00:56:40,020

sure sure and it's

1190

00:56:45,530 --> 00:56:43,020

there are some for for people that are

1191

00:56:48,710 --> 00:56:45,540

just horrified by this which is good and

1192

00:56:51,710 --> 00:56:48,720

natural to be yeah scared of these

1193

00:56:53,690 --> 00:56:51,720

things uh there are some protections of

1194

00:56:56,690 --> 00:56:53,700

course many of them are widespread and

1195

00:57:01,130 --> 00:56:56,700

well known such as they hate the smell

1196

00:57:03,790 --> 00:57:01,140

of burning sage and it reminds me it's

1197

00:57:06,549 --> 00:57:03,800

similar to the wendigo that's another

1198

00:57:09,829 --> 00:57:06,559

excited the wendigo yeah

1199

00:57:12,650 --> 00:57:09,839

they also seem to hate the smell of

1200

00:57:14,569 --> 00:57:12,660

burning sage and although no one really

1201
00:57:16,370 --> 00:57:14,579
wishes to ever meet either one of these

1202
00:57:17,809 --> 00:57:16,380
it's not a bad idea

1203
00:57:21,170 --> 00:57:17,819
you have sage and a lighter with you

1204
00:57:23,510 --> 00:57:21,180
when you're in these areas yeah

1205
00:57:28,609 --> 00:57:23,520
we'll be under that mate we'll see

1206
00:57:33,770 --> 00:57:29,930
um

1207
00:57:37,849 --> 00:57:33,780
right you uh blow my mind seriously I

1208
00:57:43,609 --> 00:57:37,859
think this is truly fascinating

1209
00:57:54,049 --> 00:57:46,609
very lucky indeed by uh

1210
00:57:57,710 --> 00:57:55,430
hey

1211
00:57:59,569 --> 00:57:57,720
thank you very much Ryan uh but before

1212
00:58:00,730 --> 00:57:59,579
you go would you like to let everyone

1213
00:58:04,250 --> 00:58:00,740

know

1214

00:58:09,170 --> 00:58:05,569

oh yeah

1215

00:58:11,809 --> 00:58:09,180

um so you can um keep up with things

1216

00:58:13,210 --> 00:58:11,819

taking place at uh let's see you can go

1217

00:58:15,470 --> 00:58:13,220

to

1218

00:58:17,750 --> 00:58:15,480

spacewolfresearch.com that is the name

1219

00:58:19,910 --> 00:58:17,760

of the base camp

1220

00:58:22,250 --> 00:58:19,920

um we're also on social media such as

1221

00:58:24,349 --> 00:58:22,260

Facebook uh you can keep up with the

1222

00:58:27,410 --> 00:58:24,359

podcast it's just a small podcast where

1223

00:58:29,930 --> 00:58:27,420

I discuss things that interest me and

1224

00:58:32,690 --> 00:58:29,940

that is hero paranormal you can find

1225

00:58:35,690 --> 00:58:32,700

that on patreon or on YouTube please

1226

00:58:38,589 --> 00:58:35,700

like And subscribe I'm heavily Shadow

1227

00:58:40,670 --> 00:58:38,599

banned on there given some of the

1228

00:58:43,849 --> 00:58:40,680

terrifying and frightening things that I

1229

00:58:45,349 --> 00:58:43,859

like to discuss uh and if you are

1230

00:58:49,549 --> 00:58:45,359

interested in a book you can find those

1231

00:58:53,809 --> 00:58:49,559

on Amazon or go to ryanpatrickburns.com

1232

00:58:56,569 --> 00:58:53,819

brilliant mate uh thanks again Ryan

1233

00:58:58,609 --> 00:58:56,579

it's fascinating it truly is fascinating

1234

00:59:00,170 --> 00:58:58,619

I want to start recording now mate but

1235

00:59:21,890 --> 00:59:00,180

thank you very much thank you very much

1236

00:59:31,390 --> 00:59:25,630

I met this six-year-old child with this

1237

00:59:35,630 --> 00:59:33,910

the blackest diet

1238

00:59:39,910 --> 00:59:35,640

the devil's eyes

1239

00:59:42,829 --> 00:59:39,920

[Music]

1240

00:59:43,990 --> 00:59:42,839

you take the red pill you stay in

1241

00:59:46,910 --> 00:59:44,000

Wonderland

1242

00:59:53,109 --> 00:59:46,920

and I show you how deep the rabbit hole

1243

00:59:53,119 --> 00:59:58,300

I'm here
