1
00:00:07,369 --> 00:00:03,409
man there has been a lot of high

2
00:00:11,350 --> 00:00:07,379
strangeness regarding strange shaped

3
00:00:17,210 --> 00:00:14,450
Chinese satellite balloons

4
00:00:19,970 --> 00:00:17,220
other odd goings on

5
00:00:22,730 --> 00:00:19,980
and watching the reporters in the

6
00:00:25,009 --> 00:00:22,740
mainstream media squirm and make jokes

7
00:00:28,670 --> 00:00:25,019
reminds me of just how serious this

8
00:00:31,310 --> 00:00:28,680
actually is they can't seem to handle it

9
00:00:33,170 --> 00:00:31,320
they can't deal with it seriously and

10
00:00:35,750 --> 00:00:33,180
they can't deal with the profound

11
00:00:37,850 --> 00:00:35,760
implications

12
00:00:39,470 --> 00:00:37,860
this may have for the future of our

13
00:00:42,410 --> 00:00:39,480

civilization

14

00:00:46,729 --> 00:00:42,420

on tonight's podcast we have the one the

15

00:00:50,930 --> 00:00:46,739

only Danny Silva of the Silva record

16

00:00:53,389 --> 00:00:50,940

and as usual he is going to explain in a

17

00:00:55,069 --> 00:00:53,399

way that we can all understand what to

18

00:00:58,970 --> 00:00:55,079

expect

19

00:01:01,430 --> 00:00:58,980

when it comes to this High strangeness

20

00:01:03,470 --> 00:01:01,440

the alien explanation

21

00:01:04,609 --> 00:01:03,480

definitely is something that will be

22

00:01:07,250 --> 00:01:04,619

covered

23

00:01:08,450 --> 00:01:07,260

but the discussion is going to go into

24

00:01:10,190 --> 00:01:08,460

an array

25

00:01:13,070 --> 00:01:10,200

of dangerous

26

00:01:15,170 --> 00:01:13,080

and different corners of this

27

00:01:16,070 --> 00:01:15,180

and even a little bit of conspiracy

28

00:01:19,370 --> 00:01:16,080

theory

29

00:01:21,890 --> 00:01:19,380

but he's a stand-up guy

30

00:01:24,170 --> 00:01:21,900

he never embellishes he never sugarcoats

31

00:01:26,630 --> 00:01:24,180

anything and what he says you can take

32

00:01:29,210 --> 00:01:26,640

to the bank that's why he is my go-to

33

00:01:32,570 --> 00:01:29,220

guy when it comes to a lot of this data

34

00:01:37,429 --> 00:01:35,690

and what it all means for Humanity

35

00:01:46,030 --> 00:01:37,439

so buckle up

36

00:01:55,749 --> 00:01:48,560

all right

37

00:02:03,190 --> 00:01:59,690

53
00:02:51,530 --> 00:02:49,920
these strange craft

54
00:02:53,930 --> 00:02:51,540
sightings

55
00:02:56,390 --> 00:02:53,940
military shootdowns

56
00:02:57,770 --> 00:02:56,400
and the close proximity of all this and

57
00:02:59,809 --> 00:02:57,780
what it all means

58
00:03:02,570 --> 00:02:59,819
Danny Silva welcome to the hero

59
00:03:05,750 --> 00:03:02,580
paranormal podcast

60
00:03:08,650 --> 00:03:05,760
what's up Ryan how are you man I am I'm

61
00:03:11,869 --> 00:03:08,660
good I'm totally

62
00:03:14,270 --> 00:03:11,879
weirded out and wild It Out by all of

63
00:03:17,089 --> 00:03:14,280

the recent UAP

64

00:03:19,729 --> 00:03:17,099

uh activity that's going mainstream on

65

00:03:22,309 --> 00:03:19,739

the on the news and I know that you're

66

00:03:23,990 --> 00:03:22,319

kind of my go-to guy when it comes to

67

00:03:26,149 --> 00:03:24,000

this stuff because when it comes to

68

00:03:29,149 --> 00:03:26,159

disclosure you always sort of have your

69

00:03:31,369 --> 00:03:29,159

hand on the pulse what in the world is

70

00:03:33,110 --> 00:03:31,379

going on have you heard anything new and

71

00:03:36,770 --> 00:03:33,120

what are your thoughts of this whole

72

00:03:38,390 --> 00:03:36,780

thing without going too too into it

73

00:03:40,130 --> 00:03:38,400

I've just been uh you know I've been

74

00:03:41,990 --> 00:03:40,140

following along basically like everyone

75

00:03:45,170 --> 00:03:42,000

has and

76

00:03:47,330 --> 00:03:45,180

um I think a lot of what's going on the

77

00:03:50,210 --> 00:03:47,340

you know the UFO Community Talking Heads

78

00:03:52,610 --> 00:03:50,220

I'm one of them I'm not so sure if uh

79

00:03:55,369 --> 00:03:52,620

this is like go-to stuff where we could

80

00:03:56,809 --> 00:03:55,379

be asking sources quote unquote you know

81

00:03:59,149 --> 00:03:56,819

a lot of us are just following

82

00:04:02,869 --> 00:03:59,159

mainstream

83

00:04:04,490 --> 00:04:02,879

um you know I am reading into uh some of

84

00:04:06,530 --> 00:04:04,500

George Knapp's comments on social media

85

00:04:08,869 --> 00:04:06,540

and things like that

86

00:04:09,649 --> 00:04:08,879

um but it's kind of funny right now

87

00:04:12,649 --> 00:04:09,659

um

88

00:04:15,050 --> 00:04:12,659

a lot of the main guys in

89

00:04:17,150 --> 00:04:15,060

uh the UFO community that we looked up

90

00:04:19,849 --> 00:04:17,160

to you know like like that we currently

91

00:04:23,510 --> 00:04:19,859

look up to George Knapp Chris Mellon Lou

92

00:04:25,730 --> 00:04:23,520

Elizondo they seem to be saying these uh

93

00:04:28,189 --> 00:04:25,740

incidents over the past 10 days or

94

00:04:29,330 --> 00:04:28,199

whatever it's been aren't um you know

95

00:04:31,310 --> 00:04:29,340

what we would call non-human

96

00:04:35,150 --> 00:04:31,320

intelligence

97

00:04:37,370 --> 00:04:35,160

um and a lot of the UFO community

98

00:04:40,010 --> 00:04:37,380

aren't necessarily 100 convinced because

99

00:04:41,830 --> 00:04:40,020

we're just going by what um the

100

00:04:44,870 --> 00:04:41,840

government spokespeople are telling us

101
00:04:46,430 --> 00:04:44,880
but uh whether this is non-human

102
00:04:49,249 --> 00:04:46,440
intelligence or not

103
00:04:52,909 --> 00:04:49,259
it is kind of what I'm calling UFO

104
00:04:55,909 --> 00:04:52,919
adjacent because these are unknowns and

105
00:04:57,409 --> 00:04:55,919
the um tracking of them is being is a

106
00:04:59,870 --> 00:04:57,419
huge subject because that ties in

107
00:05:02,230 --> 00:04:59,880
directly you know to UFOs because

108
00:05:05,150 --> 00:05:02,240
technically These Are UFOs by definition

109
00:05:06,590 --> 00:05:05,160
oftentimes we call UFOs when we say UFO

110
00:05:08,570 --> 00:05:06,600
we mean it's like not human intelligence

111
00:05:11,270 --> 00:05:08,580
so we just got to get our terms straight

112
00:05:13,310 --> 00:05:11,280
but uh everything is tied together now

113
00:05:16,490 --> 00:05:13,320

because of the tracking of these objects

114

00:05:18,050 --> 00:05:16,500

and the TR and uh what the government is

115

00:05:20,210 --> 00:05:18,060

doing about it

116

00:05:22,370 --> 00:05:20,220

you know um I think your question was uh

117

00:05:23,330 --> 00:05:22,380

what did I think is going on yeah I

118

00:05:26,629 --> 00:05:23,340

think

119

00:05:30,590 --> 00:05:29,029

um you know I don't know for 100 sure if

120

00:05:32,390 --> 00:05:30,600

these are non-human intelligence or not

121

00:05:34,610 --> 00:05:32,400

we can kind of assume that they are or

122

00:05:37,189 --> 00:05:34,620

assume that they aren't

123

00:05:39,529 --> 00:05:37,199

um regardless

124

00:05:42,350 --> 00:05:39,539

um there's been these shutdowns Chris

125

00:05:44,870 --> 00:05:42,360

Mellon has been saying that they changed

126

00:05:46,909 --> 00:05:44,880

the what was it I think it was the work

127

00:05:51,350 --> 00:05:46,919

he used was filters or something like

128

00:05:53,450 --> 00:05:51,360

that after the Chinese balloon so uh

129

00:05:55,129 --> 00:05:53,460

sensors and I don't know if it was radar

130

00:05:58,070 --> 00:05:55,139

or what I'll probably butcher the exact

131

00:06:02,210 --> 00:05:58,080

names even if I try they were filtering

132

00:06:05,450 --> 00:06:02,220

out a lot of the smaller objects

133

00:06:07,550 --> 00:06:05,460

um and they stopped doing that now after

134

00:06:09,230 --> 00:06:07,560

the Chinese balloon because that was

135

00:06:10,969 --> 00:06:09,240

such a huge international incident I

136

00:06:12,409 --> 00:06:10,979

mean that what that was crazy I mean we

137

00:06:14,150 --> 00:06:12,419

had a balloon come over and then there's

138

00:06:16,790 --> 00:06:14,160

a video of it getting shot down to the

139

00:06:19,790 --> 00:06:16,800

whole world to see like I the coverage

140

00:06:21,770 --> 00:06:19,800

of the past week has been bigger than I

141

00:06:25,309 --> 00:06:21,780

would say even 2017 a tip like this has

142

00:06:26,930 --> 00:06:25,319

been huge I think so too so um yeah so

143

00:06:29,090 --> 00:06:26,940

they changed the filters and now they're

144

00:06:30,409 --> 00:06:29,100

catching all this stuff

145

00:06:32,450 --> 00:06:30,419

um and they're not playing around and

146

00:06:35,330 --> 00:06:32,460

they're shooting it

147

00:06:39,590 --> 00:06:35,340

um so we're kind of getting to see

148

00:06:41,210 --> 00:06:39,600

more of a look into what's going on with

149

00:06:42,770 --> 00:06:41,220

crash retrievals that we always hear

150

00:06:44,210 --> 00:06:42,780

about in the UFO Community going back to

151
00:06:46,249 --> 00:06:44,220
Roswell or before

152
00:06:49,790 --> 00:06:46,259
and some of this other stuff on how it's

153
00:06:52,670 --> 00:06:49,800
being handled and or mismanaged

154
00:06:54,890 --> 00:06:52,680
um so it's kind of just been like day to

155
00:06:56,510 --> 00:06:54,900
day hour to hour updates coming in

156
00:06:58,670 --> 00:06:56,520
different press conferences different

157
00:07:01,550 --> 00:06:58,680
objects being seen rumors of objects

158
00:07:03,050 --> 00:07:01,560
different shutdowns

159
00:07:04,550 --> 00:07:03,060
um and I'm just been following along

160
00:07:06,110 --> 00:07:04,560
with that and the different government

161
00:07:07,930 --> 00:07:06,120
updates and what they're telling us

162
00:07:12,469 --> 00:07:07,940
there's been conflicting information

163
00:07:14,930 --> 00:07:12,479

different shapes it goes on and on

164

00:07:16,490 --> 00:07:14,940

that was great I the reason I didn't

165

00:07:18,230 --> 00:07:16,500

want yeah the reason I didn't want to

166

00:07:20,150 --> 00:07:18,240

hang out to dry because I know a lot of

167

00:07:22,670 --> 00:07:20,160

people have been asked on podcasts like

168

00:07:24,770 --> 00:07:22,680

what is it and there's just it's

169

00:07:26,870 --> 00:07:24,780

difficult to kind of put yourself out

170

00:07:28,670 --> 00:07:26,880

there you're always involved with this

171

00:07:30,589 --> 00:07:28,680

community so I didn't that's why I said

172

00:07:32,029 --> 00:07:30,599

let's uh you know I don't I want to know

173

00:07:34,249 --> 00:07:32,039

your opinion but I don't want to hang

174

00:07:38,570 --> 00:07:34,259

out to dry and I'm really glad that you

175

00:07:40,670 --> 00:07:38,580

brought up George Knapp Chris Mellon and

176

00:07:42,650 --> 00:07:40,680

um speaking of George Knapp what do you

177

00:07:44,570 --> 00:07:42,660

think of the new weaponized podcast with

178

00:07:47,809 --> 00:07:44,580

Jeremy Corbell

179

00:07:49,550 --> 00:07:47,819

it's awesome you know um those guys are

180

00:07:51,350 --> 00:07:49,560

great they're friends of mine they're

181

00:07:53,870 --> 00:07:51,360

also Legends in the community they've

182

00:07:54,529 --> 00:07:53,880

done more than anyone they

183

00:07:55,850 --> 00:07:54,539

um

184

00:07:57,529 --> 00:07:55,860

they they're just I can't say enough

185

00:07:59,749 --> 00:07:57,539

good things about them

186

00:08:02,450 --> 00:07:59,759

um I get burnt out on um you know

187

00:08:05,150 --> 00:08:02,460

there's so much uh

188

00:08:08,270 --> 00:08:05,160

people chiming in all the time and but

189

00:08:10,010 --> 00:08:08,280

those guys are like go-to's and they you

190

00:08:11,629 --> 00:08:10,020

know I I tell people to be wary when

191

00:08:13,610 --> 00:08:11,639

people say they have sources because it

192

00:08:16,129 --> 00:08:13,620

gets old there's a lot of cloud chasing

193

00:08:18,350 --> 00:08:16,139

people are lying sometimes or they'll

194

00:08:19,850 --> 00:08:18,360

quote is worse they're wrong and then

195

00:08:21,469 --> 00:08:19,860

that same person says they have info

196

00:08:22,730 --> 00:08:21,479

from another source in this in the UFO

197

00:08:24,589 --> 00:08:22,740

Community gets excited about it right

198

00:08:25,369 --> 00:08:24,599

after they were just wrong and provably

199

00:08:27,230 --> 00:08:25,379

wrong

200

00:08:28,790 --> 00:08:27,240

and it sort of it could be ridiculous at

201
00:08:31,010 --> 00:08:28,800
times it's kind of like a popularity

202
00:08:32,870 --> 00:08:31,020
contest at times and I I get a little

203
00:08:34,850 --> 00:08:32,880
burnt out on that whereas George and

204
00:08:36,170 --> 00:08:34,860
Jeremy they're the real deal they're the

205
00:08:37,490 --> 00:08:36,180
guys that people should be paying

206
00:08:39,709 --> 00:08:37,500
attention to when they say they have

207
00:08:42,110 --> 00:08:39,719
sources so I can't say enough good

208
00:08:44,269 --> 00:08:42,120
things about them and I never know what

209
00:08:46,250 --> 00:08:44,279
they're working on what their the

210
00:08:47,810 --> 00:08:46,260
battles they're going through or the

211
00:08:49,610 --> 00:08:47,820
information or what they have up their

212
00:08:51,110 --> 00:08:49,620
sleeve and it's always seems to be more

213
00:08:54,050 --> 00:08:51,120

and now with this podcast they're just

214

00:08:56,449 --> 00:08:54,060

unleashing a lot I agree man I think it

215

00:08:59,389 --> 00:08:56,459

is great I'm so glad they did it I know

216

00:09:01,610 --> 00:08:59,399

they're both super busy so this was kind

217

00:09:03,829 --> 00:09:01,620

of uh above and beyond my expectations

218

00:09:07,070 --> 00:09:03,839

and you're right everybody else seems to

219

00:09:09,410 --> 00:09:07,080

be grasping at straws and uh saying a

220

00:09:10,850 --> 00:09:09,420

lot and they are only saying the bare

221

00:09:12,670 --> 00:09:10,860

minimum and they seem to be sitting on

222

00:09:15,949 --> 00:09:12,680

the haystack they seem to be you know

223

00:09:17,690 --> 00:09:15,959

their their sources are legitimate which

224

00:09:20,389 --> 00:09:17,700

I think is really important and same

225

00:09:22,310 --> 00:09:20,399

with yours and um that kind of goes into

226

00:09:24,050 --> 00:09:22,320

my next question have you heard other

227

00:09:25,370 --> 00:09:24,060

than Chris Mellon has there been

228

00:09:28,190 --> 00:09:25,380

anything

229

00:09:30,350 --> 00:09:28,200

um other than Chris melon and Elizondo

230

00:09:33,410 --> 00:09:30,360

out of the tssa camp when it comes to

231

00:09:36,110 --> 00:09:34,490

um

232

00:09:38,449 --> 00:09:36,120

I haven't seen anything I don't think

233

00:09:39,730 --> 00:09:38,459

from the TTS any other tssa guys if they

234

00:09:42,110 --> 00:09:39,740

have comments that I've missed it

235

00:09:43,550 --> 00:09:42,120

Elizondo has talked a little bit about

236

00:09:45,829 --> 00:09:43,560

it he released a statement on Twitter

237

00:09:47,990 --> 00:09:45,839

Chris mullen's been tweeting actually a

238

00:09:49,730 --> 00:09:48,000

lot about this and

239

00:09:54,470 --> 00:09:49,740

um all of those guys are basically

240

00:09:56,210 --> 00:09:54,480

saying to uh so our role and Elizondo

241

00:09:57,889 --> 00:09:56,220

even put a comment I think it was in the

242

00:10:00,050 --> 00:09:57,899

New York Times or some uh major

243

00:10:02,110 --> 00:10:00,060

newspaper and it kind of sounded like he

244

00:10:05,930 --> 00:10:02,120

was saying it was um

245

00:10:08,690 --> 00:10:05,940

uh you know man-made and um and things

246

00:10:10,370 --> 00:10:08,700

like that but uh then there was the

247

00:10:13,130 --> 00:10:10,380

General yesterday and I forget his name

248

00:10:14,870 --> 00:10:13,140

he did the NORAD uh press conference and

249

00:10:16,070 --> 00:10:14,880

he said he can't rule out aliens and

250

00:10:18,290 --> 00:10:16,080

they asked him about it New York Times

251

00:10:19,610 --> 00:10:18,300

asked him about it and he said he can't

252

00:10:22,310 --> 00:10:19,620

rule it out and that's up to the

253

00:10:25,610 --> 00:10:22,320

intelligence community and cointel guys

254

00:10:27,829 --> 00:10:25,620

and then um today the white house uh

255

00:10:30,470 --> 00:10:27,839

spokesperson was forced to say that

256

00:10:32,090 --> 00:10:30,480

there's been no evidence of aliens of

257

00:10:34,490 --> 00:10:32,100

course they got a big glass which I

258

00:10:36,410 --> 00:10:34,500

thought sucked because um

259

00:10:38,930 --> 00:10:36,420

you know we've been fighting stigma so

260

00:10:40,550 --> 00:10:38,940

far so long and we've come this far and

261

00:10:43,070 --> 00:10:40,560

they're still um and they're still

262

00:10:45,530 --> 00:10:43,080

smiling and laughing however at the

263

00:10:47,509 --> 00:10:45,540

press conference yesterday that was over

264

00:10:48,710 --> 00:10:47,519

the phone with the general he wasn't

265

00:10:50,750 --> 00:10:48,720

laughing about it and he said he

266

00:10:52,310 --> 00:10:50,760

wouldn't rule it out and uh I didn't

267

00:10:53,630 --> 00:10:52,320

hear any laughs on that because that was

268

00:10:54,650 --> 00:10:53,640

recorded and that was really cool to

269

00:10:56,750 --> 00:10:54,660

hear

270

00:11:00,110 --> 00:10:56,760

yeah I agree

271

00:11:02,990 --> 00:11:00,120

um and your thoughts are these uaps a

272

00:11:05,750 --> 00:11:03,000

threat to National Security

273

00:11:07,790 --> 00:11:05,760

it depends that you would um you know uh

274

00:11:09,650 --> 00:11:07,800

Define threat and you know we always go

275

00:11:11,210 --> 00:11:09,660

back and forth about this

276

00:11:13,009 --> 00:11:11,220

um over the years you know hearing

277

00:11:14,750 --> 00:11:13,019

comments from people like Lou and people

278

00:11:16,610 --> 00:11:14,760

that are actually uh veterans you know

279

00:11:19,069 --> 00:11:16,620

they're they would have better opinions

280

00:11:21,410 --> 00:11:19,079

than me me personally just as a civilian

281

00:11:23,630 --> 00:11:21,420

I would think anything in our airspace

282

00:11:25,850 --> 00:11:23,640

and we don't know what it is to me is a

283

00:11:28,550 --> 00:11:25,860

threat and it's a fair game to be shot

284

00:11:30,110 --> 00:11:28,560

down that's just my opinion you know

285

00:11:31,790 --> 00:11:30,120

especially after things like 911 and

286

00:11:33,829 --> 00:11:31,800

things like that or we see these other

287

00:11:36,889 --> 00:11:33,839

huge drone attacks coming in other

288

00:11:39,290 --> 00:11:36,899

countries people like um massive genius

289

00:11:41,329 --> 00:11:39,300

reporter Tyler Rogue away from uh

290

00:11:42,949 --> 00:11:41,339

Warzone he um has been screaming about

291

00:11:45,170 --> 00:11:42,959

the Drone thing for a long time and he's

292

00:11:47,090 --> 00:11:45,180

been giving the evidence of it

293

00:11:49,009 --> 00:11:47,100

um you know it goes on I think there's a

294

00:11:51,110 --> 00:11:49,019

huge attack in Saudi Arabia years ago I

295

00:11:52,850 --> 00:11:51,120

mean you can they can do serious damage

296

00:11:54,949 --> 00:11:52,860

just with drones you know Ukraine and

297

00:11:56,509 --> 00:11:54,959

Russia were seeing them use them now so

298

00:11:58,370 --> 00:11:56,519

one little drone that can do some

299

00:12:00,230 --> 00:11:58,380

serious damage so I think it's amazing

300

00:12:03,470 --> 00:12:00,240

and great that the United States

301
00:12:05,329 --> 00:12:03,480
government is now taking smaller objects

302
00:12:07,190 --> 00:12:05,339
seriously we need to be we need to be

303
00:12:08,810 --> 00:12:07,200
protecting ourselves and they need to be

304
00:12:10,310 --> 00:12:08,820
tracking what it is and we've been

305
00:12:12,050 --> 00:12:10,320
saying this for years and years drone

306
00:12:13,790 --> 00:12:12,060
people and UFO people they fight all the

307
00:12:16,370 --> 00:12:13,800
time but they could be getting together

308
00:12:17,990 --> 00:12:16,380
in this and say we need better tracking

309
00:12:19,610 --> 00:12:18,000
no matter what it is and I think

310
00:12:21,470 --> 00:12:19,620
everyone can agree on that

311
00:12:24,230 --> 00:12:21,480
yeah and I'm really glad that you

312
00:12:28,790 --> 00:12:24,240
mentioned that and the fact that it does

313
00:12:31,490 --> 00:12:28,800

seem as if these official channels are

314

00:12:33,829 --> 00:12:31,500

seeing an uptick in the pentagon's

315

00:12:37,009 --> 00:12:33,839

collection of evidence and obviously

316

00:12:39,590 --> 00:12:37,019

they're listening to the right people

317

00:12:40,910 --> 00:12:39,600

it's something they have been and um but

318

00:12:42,829 --> 00:12:40,920

at the same time I guess they've been

319

00:12:45,470 --> 00:12:42,839

lacking pretty badly and it took the

320

00:12:47,210 --> 00:12:45,480

Chinese drone or Chinese balloon I

321

00:12:50,030 --> 00:12:47,220

should say for them to change the

322

00:12:51,230 --> 00:12:50,040

filters and really take it seriously so

323

00:12:53,329 --> 00:12:51,240

you know we get this conflicting

324

00:12:55,490 --> 00:12:53,339

information we get different

325

00:12:56,810 --> 00:12:55,500

things going on and like you know they

326

00:12:59,030 --> 00:12:56,820

always say well the government isn't one

327

00:13:00,949 --> 00:12:59,040

person of course it's different uh you

328

00:13:04,370 --> 00:13:00,959

know programs and departments and

329

00:13:06,170 --> 00:13:04,380

everything so I realized that but you

330

00:13:07,670 --> 00:13:06,180

know like they they did uh they created

331

00:13:10,069 --> 00:13:07,680

Arrow which is basically their current

332

00:13:11,750 --> 00:13:10,079

UFO program and

333

00:13:13,370 --> 00:13:11,760

um but then today they just created

334

00:13:15,350 --> 00:13:13,380

another task force or something like

335

00:13:18,410 --> 00:13:15,360

that interagency

336

00:13:22,090 --> 00:13:18,420

um to be tracking UAP due to

337

00:13:24,530 --> 00:13:22,100

um due to this last uh week or two of uh

338

00:13:26,269 --> 00:13:24,540

shootdowns so but and then there's a lot

339

00:13:28,490 --> 00:13:26,279

of people saying uh like Marco Rubio

340

00:13:30,470 --> 00:13:28,500

said it on Twitter today well why is an

341

00:13:32,090 --> 00:13:30,480

arrow because he they work so hard to do

342

00:13:34,370 --> 00:13:32,100

Arrow why aren't they just you know

343

00:13:35,990 --> 00:13:34,380

having Arrow do this which is

344

00:13:37,730 --> 00:13:36,000

interesting and it's just kind of

345

00:13:39,050 --> 00:13:37,740

interesting to hear and because I'm no

346

00:13:40,610 --> 00:13:39,060

expert on

347

00:13:41,870 --> 00:13:40,620

um you know government ins and outs and

348

00:13:44,090 --> 00:13:41,880

it was interesting in the press

349

00:13:47,329 --> 00:13:44,100

conference yesterday the general said

350

00:13:49,490 --> 00:13:47,339

was asked if Arrow has the lead on these

351

00:13:50,810 --> 00:13:49,500

Crasher tables and he said no it's the

352

00:13:52,069 --> 00:13:50,820

FBI so I thought that was really

353

00:13:54,230 --> 00:13:52,079

interesting

354

00:13:56,090 --> 00:13:54,240

yeah because and and for those that

355

00:13:59,269 --> 00:13:56,100

don't know arrow is the all domain

356

00:14:01,910 --> 00:13:59,279

anomaly resolution office which sort of

357

00:14:03,470 --> 00:14:01,920

I guess not technically but in in the

358

00:14:05,990 --> 00:14:03,480

opinions of many out you know that

359

00:14:09,069 --> 00:14:06,000

aren't in the loop such as myself it

360

00:14:13,730 --> 00:14:09,079

seems as if they sort of took the place

361

00:14:17,150 --> 00:14:13,740

of the now defunct UAP task force and it

362

00:14:19,129 --> 00:14:17,160

it was is that your opinion as well

363

00:14:21,829 --> 00:14:19,139

yes sir they did they took the place of

364

00:14:23,810 --> 00:14:21,839

that and you know before it was atep

365

00:14:25,970 --> 00:14:23,820

um I haven't agreed with everything

366

00:14:28,790 --> 00:14:25,980

we've seen and heard of the task force

367

00:14:31,190 --> 00:14:28,800

I'm kind of skeptical I feel like me

368

00:14:32,810 --> 00:14:31,200

personally speaking I don't necessarily

369

00:14:34,550 --> 00:14:32,820

trust them all and that's not me

370

00:14:36,290 --> 00:14:34,560

thinking like they're doing wrongdoing I

371

00:14:37,670 --> 00:14:36,300

just don't necessarily like I don't want

372

00:14:38,870 --> 00:14:37,680

to take their word for things so if

373

00:14:40,009 --> 00:14:38,880

they're going to claim something I want

374

00:14:42,290 --> 00:14:40,019

to see the work that they're doing they

375

00:14:44,689 --> 00:14:42,300

need to prove it to us please

376

00:14:46,430 --> 00:14:44,699

um so that was my feeling on the task

377

00:14:48,110 --> 00:14:46,440

force after you know I was really big on

378

00:14:49,970 --> 00:14:48,120

them at first and then we started

379

00:14:52,189 --> 00:14:49,980

hearing things Chris Mellon was tweeting

380

00:14:54,050 --> 00:14:52,199

you know years ago that they were

381

00:14:56,150 --> 00:14:54,060

underfunded understaffed and he was

382

00:14:57,590 --> 00:14:56,160

basically bashing them I don't know if

383

00:15:00,050 --> 00:14:57,600

he was doing that kind of for political

384

00:15:01,970 --> 00:15:00,060

reasons to motivate people but um they

385

00:15:05,569 --> 00:15:01,980

were kind of getting bashed so anything

386

00:15:07,670 --> 00:15:05,579

um after Elizondo left like atip I

387

00:15:09,350 --> 00:15:07,680

really still have a lot of uh I think

388

00:15:11,150 --> 00:15:09,360

they were great ASAP I think was great

389

00:15:13,670 --> 00:15:11,160

after Alexander left and all that stuff

390

00:15:15,230 --> 00:15:13,680

uh ended then it went to the task force

391

00:15:17,930 --> 00:15:15,240

and now Arrow I don't know what those

392

00:15:19,490 --> 00:15:17,940

guys are doing to be honest and they

393

00:15:20,810 --> 00:15:19,500

need to show us our their work they need

394

00:15:23,030 --> 00:15:20,820

to be transparent if they make any

395

00:15:25,430 --> 00:15:23,040

claims we need to see it they can't say

396

00:15:27,290 --> 00:15:25,440

it's all classified all the time we just

397

00:15:29,569 --> 00:15:27,300

basically can't you know they need to

398

00:15:30,829 --> 00:15:29,579

prove things to us so that's kind of

399

00:15:33,530 --> 00:15:30,839

where I'm at with these government

400

00:15:36,530 --> 00:15:33,540

programs now you know something to note

401

00:15:39,069 --> 00:15:36,540

is this is only the transparent upper

402

00:15:42,050 --> 00:15:39,079

level of these UFO programs we know from

403

00:15:43,730 --> 00:15:42,060

sources and things from many years and

404

00:15:45,829 --> 00:15:43,740

people argue about this but I believe it

405

00:15:47,569 --> 00:15:45,839

is that there are secret programs even

406

00:15:50,329 --> 00:15:47,579

currently whether they're in the

407

00:15:53,750 --> 00:15:50,339

government or in um Private Industry

408

00:15:55,550 --> 00:15:53,760

those are the crazy secret you know use

409

00:15:56,750 --> 00:15:55,560

apps and waived use apps and all that

410

00:15:57,949 --> 00:15:56,760

kind of thing and I do believe those

411

00:15:59,569 --> 00:15:57,959

exist so we're talking about two

412

00:16:02,210 --> 00:15:59,579

different things here it's kind of the

413

00:16:04,189 --> 00:16:02,220

layer of the task force and the arrow

414

00:16:05,810 --> 00:16:04,199

that may not even have access to the

415

00:16:07,670 --> 00:16:05,820

special special Access program so

416

00:16:09,470 --> 00:16:07,680

unfortunately and that's what's uh

417

00:16:11,810 --> 00:16:09,480

that's why the Whistleblower language is

418

00:16:14,210 --> 00:16:11,820

in the National Defense intelligence

419

00:16:16,210 --> 00:16:14,220

authorization act I should say and

420

00:16:19,310 --> 00:16:16,220

that's a whole other subject though

421

00:16:20,689 --> 00:16:19,320

super it's it's super interesting

422

00:16:23,750 --> 00:16:20,699

because

423

00:16:25,910 --> 00:16:23,760

I'm with you and they they seem to be

424

00:16:27,829 --> 00:16:25,920

able to cover their cover their bases

425

00:16:30,650 --> 00:16:27,839

and even like you said the main Talking

426
00:16:32,329 --> 00:16:30,660
Heds for example of the UAP task force

427
00:16:35,389 --> 00:16:32,339
were able to keep a lot of things under

428
00:16:38,030 --> 00:16:35,399
wraps for a long time without being

429
00:16:41,269 --> 00:16:38,040
these you know super secretive sub uh

430
00:16:43,310 --> 00:16:41,279
organizations for example Travis Taylor

431
00:16:47,030 --> 00:16:43,320
was able to keep this a pretty good

432
00:16:50,569 --> 00:16:47,040
secret although he was hired on by

433
00:16:52,329 --> 00:16:50,579
Brandon fogle and notably I think that's

434
00:16:56,210 --> 00:16:52,339
commendable because that was his job

435
00:16:59,509 --> 00:16:56,220
another very interesting uh thing that

436
00:17:02,449 --> 00:16:59,519
has taken place is the official

437
00:17:04,970 --> 00:17:02,459
terminology for UAP where it used to

438
00:17:08,270 --> 00:17:04,980

mean unidentified

439

00:17:10,429 --> 00:17:08,280

aerial phenomena they have the Pentagon

440

00:17:13,429 --> 00:17:10,439

meaning when I say they have recently

441

00:17:17,210 --> 00:17:13,439

updated the official terminology for UAP

442

00:17:19,789 --> 00:17:17,220

to mean unidentified a nominal anomalous

443

00:17:23,630 --> 00:17:19,799

phenomena that seems very provocative to

444

00:17:27,169 --> 00:17:25,610

possibly um I know that there's a push

445

00:17:29,750 --> 00:17:27,179

going on it seems to be that there's a

446

00:17:32,210 --> 00:17:29,760

push coming from Ellen and

447

00:17:33,710 --> 00:17:32,220

you're probably a lot of these

448

00:17:35,029 --> 00:17:33,720

government officials in fact we don't I

449

00:17:36,409 --> 00:17:35,039

shouldn't say probably we know they do

450

00:17:39,230 --> 00:17:36,419

he just posted today on Twitter a

451
00:17:40,789 --> 00:17:39,240
picture of him Elizondo and gillibrand

452
00:17:42,169 --> 00:17:40,799
um so they're getting a lot of stuff

453
00:17:44,270 --> 00:17:42,179
done behind the scenes and I think

454
00:17:47,090 --> 00:17:44,280
they're also pushing the underwater

455
00:17:48,890 --> 00:17:47,100
thing so that may be why

456
00:17:51,169 --> 00:17:48,900
um I think they don't want people only

457
00:17:52,610 --> 00:17:51,179
looking uh in the skies they should also

458
00:17:54,289 --> 00:17:52,620
be looking underwater among other places

459
00:17:58,610 --> 00:17:54,299
probably

460
00:18:01,610 --> 00:17:58,620
that is a huge huge thing and

461
00:18:04,810 --> 00:18:01,620
that almost seems to be at least in what

462
00:18:07,610 --> 00:18:04,820
little I've gathered uh from my sources

463
00:18:10,130 --> 00:18:07,620

that seems to be under an entirely

464

00:18:12,890 --> 00:18:10,140

different level of secrecy have you

465

00:18:14,630 --> 00:18:12,900

noticed that yourself

466

00:18:16,970 --> 00:18:14,640

I don't know I don't know too much about

467

00:18:18,289 --> 00:18:16,980

the secrecy involving underwater

468

00:18:20,330 --> 00:18:18,299

um we definitely hear less about it

469

00:18:22,190 --> 00:18:20,340

that's for sure

470

00:18:24,710 --> 00:18:22,200

um so I wouldn't doubt it if you're

471

00:18:26,330 --> 00:18:24,720

saying that um we hear a lot less about

472

00:18:29,210 --> 00:18:26,340

it and it seems like it's a whole nother

473

00:18:31,370 --> 00:18:29,220

thing going on now to push that

474

00:18:33,830 --> 00:18:31,380

um I guess now that they've made some

475

00:18:35,870 --> 00:18:33,840

progress with the aerial situation but

476
00:18:36,650 --> 00:18:35,880
yeah I mean I wouldn't doubt that and

477
00:18:38,810 --> 00:18:36,660
plus

478
00:18:40,610 --> 00:18:38,820
you know there's one thing we have

479
00:18:42,650 --> 00:18:40,620
civilian uh

480
00:18:44,570 --> 00:18:42,660
airplanes in the sky isn't like there's

481
00:18:46,610 --> 00:18:44,580
a lot of Civilian Subs going around

482
00:18:47,450 --> 00:18:46,620
finding people so let's definitely get

483
00:18:49,610 --> 00:18:47,460
that

484
00:18:51,650 --> 00:18:49,620
yeah there's a lot of safety risks

485
00:18:54,409 --> 00:18:51,660
involved if you have a private sub and

486
00:18:57,110 --> 00:18:54,419
what are you doing with it of course and

487
00:18:58,789 --> 00:18:57,120
of course uh another question that is

488
00:19:01,669 --> 00:18:58,799

kind of a little off topic I don't want

489

00:19:04,970 --> 00:19:01,679

to go too off the path here but with the

490

00:19:08,870 --> 00:19:04,980

war in Ukraine and other recent

491

00:19:11,210 --> 00:19:08,880

conflicts and the use that widespread

492

00:19:13,610 --> 00:19:11,220

use of drones do you think that there is

493

00:19:18,289 --> 00:19:13,620

a possibility these are drones and if so

494

00:19:23,390 --> 00:19:20,110

just for me

495

00:19:25,070 --> 00:19:23,400

hearing what guys I respect seem to be

496

00:19:26,930 --> 00:19:25,080

leaning towards and I'm not saying

497

00:19:29,450 --> 00:19:26,940

they're saying it for sure

498

00:19:32,270 --> 00:19:29,460

um it does seem like we need to assume

499

00:19:34,250 --> 00:19:32,280

that these are drones however there's a

500

00:19:37,130 --> 00:19:34,260

lot of things to get us UFO uh people

501

00:19:38,150 --> 00:19:37,140

are excited and if I didn't have

502

00:19:39,770 --> 00:19:38,160

um

503

00:19:41,270 --> 00:19:39,780

you know some of these other guys saying

504

00:19:43,370 --> 00:19:41,280

that we need to hold our horses a little

505

00:19:45,830 --> 00:19:43,380

bit I'd even be more excited because

506

00:19:47,150 --> 00:19:45,840

there's weird shapes

507

00:19:50,630 --> 00:19:47,160

um they're not they're not being able to

508

00:19:52,669 --> 00:19:50,640

spot the propulsion the uh aviators

509

00:19:54,770 --> 00:19:52,679

aren't being able to identify them

510

00:19:56,330 --> 00:19:54,780

they're getting shot down apparently

511

00:19:57,770 --> 00:19:56,340

they're at least one of them was

512

00:20:00,710 --> 00:19:57,780

breaking into a bunch of pieces it

513

00:20:02,210 --> 00:20:00,720

wasn't like the Chinese balloon

514

00:20:04,370 --> 00:20:02,220

um there's other things that people are

515

00:20:07,549 --> 00:20:04,380

saying and I'm no drone expert but

516

00:20:09,289 --> 00:20:07,559

they've been up there for days so

517

00:20:10,430 --> 00:20:09,299

um if they're regular drones with motors

518

00:20:12,710 --> 00:20:10,440

I'm not so sure they'd be able to

519

00:20:14,570 --> 00:20:12,720

accomplish that maybe maybe not maybe

520

00:20:15,830 --> 00:20:14,580

they have other some sort some sort of

521

00:20:18,110 --> 00:20:15,840

other thing where they're like mini

522

00:20:21,049 --> 00:20:18,120

balloons you know the general yesterday

523

00:20:22,669 --> 00:20:21,059

was being very careful to not uh to say

524

00:20:23,870 --> 00:20:22,679

that they weren't balloons or that they

525

00:20:24,890 --> 00:20:23,880

didn't want to call them balloons

526
00:20:26,510 --> 00:20:24,900
because they don't know and they were

527
00:20:28,669 --> 00:20:26,520
calling them objects though

528
00:20:30,169 --> 00:20:28,679
but um I would assume that these are

529
00:20:32,630 --> 00:20:30,179
man-made I'm leaning towards that but

530
00:20:34,490 --> 00:20:32,640
I'm still a part of me is still excited

531
00:20:36,289 --> 00:20:34,500
because of the X Factor of how weird

532
00:20:38,330 --> 00:20:36,299
this is

533
00:20:40,430 --> 00:20:38,340
um and all the weird shapes that they're

534
00:20:43,669 --> 00:20:40,440
showing you know the guy a lot of people

535
00:20:44,930 --> 00:20:43,679
have been saying that the East Coast UFO

536
00:20:47,450 --> 00:20:44,940
sightings with the Gimbal and things

537
00:20:48,890 --> 00:20:47,460
like that were all advanced drones or

538
00:20:50,690 --> 00:20:48,900

some sort of weird Chinese Russian

539

00:20:52,370 --> 00:20:50,700

drones and some of those people it's

540

00:20:54,049 --> 00:20:52,380

weird you know everyone spins things how

541

00:20:56,630 --> 00:20:54,059

they want to spin it and a lot of those

542

00:20:57,770 --> 00:20:56,640

guys are looking at this as a whim for

543

00:21:02,029 --> 00:20:57,780

them

544

00:21:03,950 --> 00:21:02,039

the same type of drones that have been

545

00:21:05,750 --> 00:21:03,960

getting mistaken for UFOs the whole time

546

00:21:07,909 --> 00:21:05,760

and they're not using the track they're

547

00:21:09,350 --> 00:21:07,919

not easy to identify

548

00:21:11,510 --> 00:21:09,360

um and things like that so I don't know

549

00:21:12,950 --> 00:21:11,520

if it's those or of course you know

550

00:21:14,330 --> 00:21:12,960

maybe there's a small chance that

551
00:21:17,150 --> 00:21:14,340
they're actually non-human intelligence

552
00:21:19,970 --> 00:21:17,160
UFOs I don't know but I'm I would assume

553
00:21:22,610 --> 00:21:19,980
that they're uh some sort of man-made

554
00:21:23,810 --> 00:21:22,620
Tech until proven otherwise but we can

555
00:21:25,970 --> 00:21:23,820
still always have the Hope in the back

556
00:21:28,130 --> 00:21:25,980
of our minds and kind of go along for

557
00:21:29,390 --> 00:21:28,140
this uh interesting fun ride and I I

558
00:21:30,649 --> 00:21:29,400
don't want to make light of it it is

559
00:21:32,690 --> 00:21:30,659
kind of some people probably think it's

560
00:21:33,590 --> 00:21:32,700
scary for me it's pretty exciting too

561
00:21:36,049 --> 00:21:33,600
though

562
00:21:38,810 --> 00:21:36,059
it's super exciting I'm right there with

563
00:21:40,370 --> 00:21:38,820

you and I know I've had a lot of people

564

00:21:42,470 --> 00:21:40,380

even Neighbors come up and they're like

565

00:21:45,710 --> 00:21:42,480

what's going on you know it's time to

566

00:21:47,990 --> 00:21:45,720

ask the UFO believer and it's it's

567

00:21:50,450 --> 00:21:48,000

strange because yeah this is one of

568

00:21:52,789 --> 00:21:50,460

those instances where it seems as if

569

00:21:55,789 --> 00:21:52,799

people involved or at least interested

570

00:21:58,250 --> 00:21:55,799

in this phenomena are actually being the

571

00:22:00,049 --> 00:21:58,260

rational ones at this point and it seems

572

00:22:03,409 --> 00:22:00,059

that the mainstream is the one that's

573

00:22:05,630 --> 00:22:03,419

not being able to Pal like deal with it

574

00:22:08,270 --> 00:22:05,640

um something I find very very

575

00:22:09,890 --> 00:22:08,280

interesting is the descriptions or lack

576
00:22:12,110 --> 00:22:09,900
thereof

577
00:22:14,450 --> 00:22:12,120
um it there are descriptions that are

578
00:22:18,049 --> 00:22:14,460
very tic-tac-like I've heard possibly

579
00:22:21,830 --> 00:22:18,059
possibly even crystalline or glass like

580
00:22:25,130 --> 00:22:21,840
substance obviously no uh

581
00:22:26,630 --> 00:22:25,140
no obvious signs of propulsion and some

582
00:22:29,510 --> 00:22:26,640
are even saying they have strings

583
00:22:33,649 --> 00:22:29,520
hanging off of them very zeppelin-like

584
00:22:35,149 --> 00:22:33,659
uh there's there's a wide variety of

585
00:22:36,529 --> 00:22:35,159
descriptions and some of those are

586
00:22:39,289 --> 00:22:36,539
coming from other countries like Canada

587
00:22:42,409 --> 00:22:39,299
as many people know one was shot down

588
00:22:45,230 --> 00:22:42,419

over there and there is

589

00:22:49,010 --> 00:22:45,240

another strange thing taking place which

590

00:22:51,529 --> 00:22:49,020

is the possible malfunction of some of

591

00:22:53,510 --> 00:22:51,539

the fighter pilots instrumentation have

592

00:22:56,029 --> 00:22:53,520

you heard anything in uh

593

00:22:58,610 --> 00:22:56,039

in your research

594

00:23:00,289 --> 00:22:58,620

yeah that was the main report we were

595

00:23:02,510 --> 00:23:00,299

really getting excited about that came

596

00:23:04,430 --> 00:23:02,520

from CNN maybe other places too but I

597

00:23:06,230 --> 00:23:04,440

heard it from CNN and they were talking

598

00:23:08,029 --> 00:23:06,240

about you know sensors malfunctioning

599

00:23:10,250 --> 00:23:08,039

and we were thinking about jamming we're

600

00:23:11,649 --> 00:23:10,260

thinking about the Tic Tac incident you

601
00:23:13,850 --> 00:23:11,659
know where um

602
00:23:16,370 --> 00:23:13,860
sensors may have been jammed or may have

603
00:23:17,529 --> 00:23:16,380
not been but it was a part of the claim

604
00:23:20,870 --> 00:23:17,539
and um

605
00:23:23,510 --> 00:23:20,880
uh you know and I would talk to my uh

606
00:23:24,710 --> 00:23:23,520
drone um defense reporters over the

607
00:23:26,810 --> 00:23:24,720
years too and they would say oh well

608
00:23:29,630 --> 00:23:26,820
that's possible you know there is sensor

609
00:23:31,010 --> 00:23:29,640
jamming you know just among humans you

610
00:23:32,990 --> 00:23:31,020
know it can't happen so we have to keep

611
00:23:34,669 --> 00:23:33,000
that into consideration also but yeah

612
00:23:37,130 --> 00:23:34,679
there's sensor jamming there's weird

613
00:23:38,870 --> 00:23:37,140

shapes the propulsion is an issue

614

00:23:41,330 --> 00:23:38,880

they're not being able to identify it

615

00:23:42,890 --> 00:23:41,340

now the general said it was because the

616

00:23:44,570 --> 00:23:42,900

fighter jets and other planes are moving

617

00:23:46,909 --> 00:23:44,580

too fast and these objects are moving

618

00:23:48,830 --> 00:23:46,919

very slowly and they're small so it's

619

00:23:51,830 --> 00:23:48,840

hard to get eyes on them one thing I've

620

00:23:53,830 --> 00:23:51,840

noticed here is um I'm seeing stark

621

00:23:55,789 --> 00:23:53,840

contrast between

622

00:23:58,130 --> 00:23:55,799

these events what we're hearing about

623

00:24:00,169 --> 00:23:58,140

these events and what we've heard from

624

00:24:02,149 --> 00:24:00,179

people like Elizondo

625

00:24:04,430 --> 00:24:02,159

um over the last five years

626

00:24:06,110 --> 00:24:04,440

um for example Elizondo had a quote many

627

00:24:08,450 --> 00:24:06,120

years ago I dug it up I remembered it

628

00:24:10,070 --> 00:24:08,460

was from like 2018 and he was saying

629

00:24:12,409 --> 00:24:10,080

there's basically technology where we

630

00:24:14,390 --> 00:24:12,419

can see uh where we're able to figure

631

00:24:16,610 --> 00:24:14,400

out what type of drone it is what you

632

00:24:19,250 --> 00:24:16,620

know what you know in spotted

633

00:24:21,049 --> 00:24:19,260

immediately and and basically Alexander

634

00:24:23,810 --> 00:24:21,059

was saying that there wasn't shouldn't

635

00:24:25,070 --> 00:24:23,820

be much uh problems with identification

636

00:24:26,450 --> 00:24:25,080

and now we're having all these problems

637

00:24:28,669 --> 00:24:26,460

with identification so I don't know if

638

00:24:30,169 --> 00:24:28,679

it's different technology going on or

639

00:24:32,390 --> 00:24:30,179

what but um they're claiming that

640

00:24:33,890 --> 00:24:32,400

they're unable to identify these I don't

641

00:24:35,570 --> 00:24:33,900

want to jump to conclusions with that

642

00:24:37,669 --> 00:24:35,580

that automatically means it's you know

643

00:24:40,669 --> 00:24:37,679

quote unquote UFO like we want it to be

644

00:24:44,510 --> 00:24:40,679

but um yeah it's just a difference in

645

00:24:46,549 --> 00:24:44,520

what we've heard on how good the

646

00:24:48,289 --> 00:24:46,559

uh you know the pilot observers are and

647

00:24:51,230 --> 00:24:48,299

I'm sure they're amazing but you know we

648

00:24:53,149 --> 00:24:51,240

were also kind of uh hinted at that you

649

00:24:54,470 --> 00:24:53,159

know Pilots are able to identify these

650

00:24:56,029 --> 00:24:54,480

things and they're great at it and we

651
00:24:57,770 --> 00:24:56,039
should be listening to them and maybe

652
00:24:59,570 --> 00:24:57,780
they are but then again over the last

653
00:25:01,970 --> 00:24:59,580
week or two they've been having trouble

654
00:25:03,289 --> 00:25:01,980
identifying stuff so I don't know if

655
00:25:04,610 --> 00:25:03,299
we're getting you know just kind of

656
00:25:05,990 --> 00:25:04,620
different opinions on how things should

657
00:25:07,789 --> 00:25:06,000
be working

658
00:25:10,130 --> 00:25:07,799
um or what exactly but I'm just noticing

659
00:25:11,690 --> 00:25:10,140
these big differences now

660
00:25:14,090 --> 00:25:11,700
um and we're noticing a big a lot of

661
00:25:16,490 --> 00:25:14,100
problems with kind of um

662
00:25:18,289 --> 00:25:16,500
how uh things are tracked and things

663
00:25:20,750 --> 00:25:18,299

like that and melon Chris melon has been

664

00:25:22,430 --> 00:25:20,760

making that really clear as well so we

665

00:25:24,470 --> 00:25:22,440

just don't have a handle on the airspace

666

00:25:26,930 --> 00:25:24,480

and everyone's been screaming that in

667

00:25:29,210 --> 00:25:26,940

the UAP Community defense reporters have

668

00:25:30,529 --> 00:25:29,220

been streaming that for a while and um

669

00:25:31,909 --> 00:25:30,539

it's just interesting now that they're

670

00:25:33,110 --> 00:25:31,919

finally getting the handle on all this

671

00:25:36,590 --> 00:25:33,120

kind of stuff

672

00:25:38,990 --> 00:25:36,600

yeah and it's really important I for for

673

00:25:40,850 --> 00:25:39,000

listeners who aren't familiar with Chris

674

00:25:42,289 --> 00:25:40,860

Mellon he's a former Defense of

675

00:25:45,110 --> 00:25:42,299

intelligence official under the Clinton

676
00:25:47,390 --> 00:25:45,120
and Bush administrations and is probably

677
00:25:50,090 --> 00:25:47,400
one of the most important people if not

678
00:25:51,950 --> 00:25:50,100
the most important person in this Echo

679
00:25:56,570 --> 00:25:51,960
chamber because

680
00:25:58,850 --> 00:25:56,580
he he knows about the existence of

681
00:26:00,470 --> 00:25:58,860
well I got to be careful here I guess we

682
00:26:03,769 --> 00:26:00,480
all have to be a little careful here but

683
00:26:07,070 --> 00:26:03,779
he he has been in those rooms those

684
00:26:10,070 --> 00:26:07,080
closed door meetings he is aware of

685
00:26:12,230 --> 00:26:10,080
recovered craft and I guess that brings

686
00:26:16,850 --> 00:26:12,240
me to the next question

687
00:26:19,430 --> 00:26:16,860
what if this UAP or UFO phenomena is

688
00:26:21,590 --> 00:26:19,440

much simpler than we think it is is that

689

00:26:23,510 --> 00:26:21,600

a possibility

690

00:26:26,810 --> 00:26:23,520

it could be and I don't know if

691

00:26:28,789 --> 00:26:26,820

melon knows of like UFO retrievals um he

692

00:26:31,010 --> 00:26:28,799

kind of he tries to stay away from it he

693

00:26:32,510 --> 00:26:31,020

watches what he says he basically speaks

694

00:26:35,450 --> 00:26:32,520

like a politician anytime he's talking

695

00:26:37,669 --> 00:26:35,460

and he doesn't do a lot of uh he does

696

00:26:39,649 --> 00:26:37,679

interviews but he doesn't do them super

697

00:26:42,350 --> 00:26:39,659

candidly you know you know like we see

698

00:26:45,289 --> 00:26:42,360

Lou Elizondo doing at times and things

699

00:26:47,870 --> 00:26:45,299

like that he did a melon also did a

700

00:26:49,549 --> 00:26:47,880

interview before 2017 before to the

701
00:26:51,529 --> 00:26:49,559
Stars Academy happened with Leslie Kane

702
00:26:53,149 --> 00:26:51,539
that's the one I was thinking a lot of

703
00:26:56,390 --> 00:26:53,159
stuff yeah that's the one I was thinking

704
00:26:59,149 --> 00:26:56,400
of you're get you're good yeah and he um

705
00:27:01,310 --> 00:26:59,159
he has kind of contradicted himself now

706
00:27:02,149 --> 00:27:01,320
as sounding more like a Believer so I

707
00:27:04,070 --> 00:27:02,159
don't know

708
00:27:06,230 --> 00:27:04,080
he he had a lot of access so I don't

709
00:27:08,570 --> 00:27:06,240
know exactly what he thinks Alexander

710
00:27:10,549 --> 00:27:08,580
has ended a lot more directly

711
00:27:12,710 --> 00:27:10,559
um of things

712
00:27:15,409 --> 00:27:12,720
um I'm sorry what was your question just

713
00:27:18,350 --> 00:27:15,419

if if this might be it's it sounds

714

00:27:21,110 --> 00:27:18,360

simple but what if I guess my question

715

00:27:24,110 --> 00:27:21,120

is what if this is much simpler than

716

00:27:25,190 --> 00:27:24,120

what a lot of people are assuming and I

717

00:27:29,330 --> 00:27:25,200

don't want to go

718

00:27:32,269 --> 00:27:29,340

again off on a tangent but I've heard of

719

00:27:34,970 --> 00:27:32,279

other writers and authors researchers

720

00:27:37,430 --> 00:27:34,980

and investigators speaking of possible

721

00:27:41,649 --> 00:27:37,440

simple almost amoeba-like plasma

722

00:27:47,510 --> 00:27:45,230

biological flying organisms that are

723

00:27:51,169 --> 00:27:47,520

just not known about mainstream again it

724

00:27:52,549 --> 00:27:51,179

sounds very science fictiony to me but

725

00:27:55,490 --> 00:27:52,559

it's something that I've been reading

726

00:27:57,590 --> 00:27:55,500

about in the review of some of the

727

00:28:00,049 --> 00:27:57,600

research and you know it does kind of

728

00:28:03,950 --> 00:28:00,059

make me put tap the brakes a little and

729

00:28:05,630 --> 00:28:03,960

say well it's obvious that Chris Mellon

730

00:28:08,149 --> 00:28:05,640

is right and these other guys are right

731

00:28:10,730 --> 00:28:08,159

that these UFOs for lack of a better

732

00:28:12,830 --> 00:28:10,740

word unidentified flying objects exist

733

00:28:16,610 --> 00:28:12,840

so I guess the next question is what are

734

00:28:18,590 --> 00:28:16,620

they and everybody always rushes to you

735

00:28:22,390 --> 00:28:18,600

know the end of of the of the football

736

00:28:25,430 --> 00:28:22,400

field expecting you know a super high

737

00:28:28,610 --> 00:28:25,440

technological alien intelligence that

738

00:28:31,070 --> 00:28:28,620

far surpasses our abilities and that may

739

00:28:34,190 --> 00:28:31,080

not necessarily be the case but I don't

740

00:28:37,010 --> 00:28:34,200

know I have no information on that

741

00:28:38,690 --> 00:28:37,020

yeah and I still think that that's

742

00:28:40,549 --> 00:28:38,700

what's going on with some of them I

743

00:28:42,350 --> 00:28:40,559

haven't heard too much about the uh like

744

00:28:43,789 --> 00:28:42,360

the biological like you were saying like

745

00:28:45,590 --> 00:28:43,799

animals type of thing I've heard that

746

00:28:47,029 --> 00:28:45,600

floated over the years just that

747

00:28:48,649 --> 00:28:47,039

speculation but I don't know too much

748

00:28:51,409 --> 00:28:48,659

about that to me the simple answer would

749

00:28:53,630 --> 00:28:51,419

be you know it's another country's uh

750

00:28:54,350 --> 00:28:53,640

spying you know drones and things like

751

00:28:56,450 --> 00:28:54,360

that

752

00:28:58,370 --> 00:28:56,460

um and then there's the other situation

753

00:29:00,769 --> 00:28:58,380

where it's like you know something else

754

00:29:02,510 --> 00:29:00,779

I don't know I you know there's a lot of

755

00:29:05,110 --> 00:29:02,520

people that really have talked about

756

00:29:08,570 --> 00:29:05,120

bodies like the pop culture

757

00:29:10,130 --> 00:29:08,580

UFO description as being accurate and

758

00:29:14,450 --> 00:29:10,140

that always throws me for a loop it's

759

00:29:16,909 --> 00:29:14,460

amazing to me how the basic pop culture

760

00:29:18,110 --> 00:29:16,919

idea of UFOs and aliens now not

761

00:29:20,149 --> 00:29:18,120

necessarily coming from other planets

762

00:29:21,889 --> 00:29:20,159

that's one thing that we um

763

00:29:23,389 --> 00:29:21,899

differentiate in the UFO Community they

764

00:29:26,930 --> 00:29:23,399

may be coming from Earth

765

00:29:28,669 --> 00:29:26,940

but that seems to me to be true

766

00:29:31,310 --> 00:29:28,679

um and I've just it trips me out that

767

00:29:33,889 --> 00:29:31,320

pop culture kind of had these rumors and

768

00:29:37,010 --> 00:29:33,899

knew about this for decades and decades

769

00:29:39,289 --> 00:29:37,020

and it seems to be the case um to me now

770

00:29:40,789 --> 00:29:39,299

do I know that for sure no but we've

771

00:29:44,630 --> 00:29:40,799

heard um

772

00:29:46,850 --> 00:29:44,640

you know you know Lou basically came out

773

00:29:48,350 --> 00:29:46,860

and said he thinks Roswell is real

774

00:29:51,289 --> 00:29:48,360

um if you read between lines at least

775

00:29:53,870 --> 00:29:51,299

and uh if Roswell's real then you know

776

00:29:54,529 --> 00:29:53,880

it would be like a crafting buddies and

777

00:29:56,690 --> 00:29:54,539

um

778

00:29:58,909 --> 00:29:56,700

I think that's probably what the secret

779

00:30:01,190 --> 00:29:58,919

programs have is pieces of craft and

780

00:30:03,470 --> 00:30:01,200

bodies or some sort of biological

781

00:30:04,850 --> 00:30:03,480

evidence some think some people think

782

00:30:07,250 --> 00:30:04,860

they have whole craft I heard it was

783

00:30:08,990 --> 00:30:07,260

pieces I don't know for sure

784

00:30:10,549 --> 00:30:09,000

um so I think that's probably it but but

785

00:30:11,750 --> 00:30:10,559

it also could be a number of things so

786

00:30:13,310 --> 00:30:11,760

it could be also what you were talking

787

00:30:15,110 --> 00:30:13,320

about

788

00:30:16,909 --> 00:30:15,120

um but yeah to me the simple answer is

789

00:30:18,769 --> 00:30:16,919

just it's another country doing spite

790

00:30:21,169 --> 00:30:18,779

with spycraft

791

00:30:22,549 --> 00:30:21,179

I think you're right for the record uh

792

00:30:24,830 --> 00:30:22,559

especially from a national security

793

00:30:26,810 --> 00:30:24,840

standpoint and the fact of just

794

00:30:30,110 --> 00:30:26,820

everything that's kind of been going on

795

00:30:32,570 --> 00:30:30,120

lately you know they do seem and by they

796

00:30:34,070 --> 00:30:32,580

I mean other countries China and Russia

797

00:30:36,730 --> 00:30:34,080

do seem very

798

00:30:40,730 --> 00:30:36,740

interested in our military capabilities

799

00:30:43,730 --> 00:30:40,740

and we are you know in in some proxy

800

00:30:46,909 --> 00:30:43,740

sense involved with the conflict over in

801
00:30:49,970 --> 00:30:46,919
Ukraine so I mean it makes sense that

802
00:30:52,130 --> 00:30:49,980
they would want to have an idea of our

803
00:30:54,350 --> 00:30:52,140
military assets

804
00:30:57,169 --> 00:30:54,360
um as to what exactly is taking place

805
00:30:59,570 --> 00:30:57,179
and activity there and some of these

806
00:31:03,409 --> 00:30:59,580
areas that these have been spotted over

807
00:31:07,190 --> 00:31:03,419
are over military assets you know so I

808
00:31:10,190 --> 00:31:07,200
I'm with you on that is there you know

809
00:31:11,570 --> 00:31:10,200
another very strange coincidence and I

810
00:31:14,570 --> 00:31:11,580
don't know this is getting a lot of

811
00:31:18,909 --> 00:31:14,580
attention in conspiracy circles but it

812
00:31:23,149 --> 00:31:18,919
is the derailment of a train in Ohio

813
00:31:27,649 --> 00:31:23,159

and it was a massive I believe polyvinyl

814

00:31:29,990 --> 00:31:27,659

chemical leak and uh have you heard

815

00:31:32,870 --> 00:31:30,000

about that or heard any Rumbblings as to

816

00:31:35,750 --> 00:31:32,880

whether that may or may not be involved

817

00:31:37,490 --> 00:31:35,760

if that could be a terrorist event or if

818

00:31:39,289 --> 00:31:37,500

there's some kind of if somebody might

819

00:31:41,450 --> 00:31:39,299

be running cover on that I've heard

820

00:31:44,330 --> 00:31:41,460

they're cleaning it up a lot under the

821

00:31:45,769 --> 00:31:44,340

cover of darkness which in all actuality

822

00:31:49,370 --> 00:31:45,779

I mean they're probably doing it

823

00:31:51,830 --> 00:31:49,380

non-stop 24 7. so even working at night

824

00:31:53,810 --> 00:31:51,840

but from a conspiracy standpoint I'm

825

00:31:56,029 --> 00:31:53,820

hearing a lot of Rumbblings about this

826

00:31:57,710 --> 00:31:56,039

Ohio Chemical leak have you heard

827

00:31:59,630 --> 00:31:57,720

anything about this

828

00:32:01,490 --> 00:31:59,640

I have heard absolutely nothing about

829

00:32:04,190 --> 00:32:01,500

that and it's intriguing when what did

830

00:32:07,549 --> 00:32:04,200

this happen recently yeah it was strange

831

00:32:10,190 --> 00:32:07,559

because it almost happened at just right

832

00:32:13,610 --> 00:32:10,200

in the middle of all these sightings and

833

00:32:15,649 --> 00:32:13,620

I also thought it was interesting that I

834

00:32:17,810 --> 00:32:15,659

believe I could be wrong on this

835

00:32:20,149 --> 00:32:17,820

obviously we had the Super Bowl and you

836

00:32:21,950 --> 00:32:20,159

can't stop that but I believe the press

837

00:32:23,750 --> 00:32:21,960

conference took place right around the

838

00:32:25,730 --> 00:32:23,760

same time if I'm not mistaken is that

839

00:32:27,769 --> 00:32:25,740

true

840

00:32:29,090 --> 00:32:27,779

the um the shoot Downs yeah it was

841

00:32:31,630 --> 00:32:29,100

during the Super Bowl yep with the

842

00:32:34,850 --> 00:32:31,640

general yeah so that that seems super

843

00:32:36,950 --> 00:32:34,860

difficult at least you know for someone

844

00:32:39,769 --> 00:32:36,960

like myself who's very interested in

845

00:32:41,590 --> 00:32:39,779

that it's like dang it we have we have

846

00:32:43,389 --> 00:32:41,600

this amazing

847

00:32:46,610 --> 00:32:43,399

amazing

848

00:32:48,950 --> 00:32:46,620

debrief on live television and of course

849

00:32:51,350 --> 00:32:48,960

it's during the Super Bowl so nobody's

850

00:32:53,330 --> 00:32:51,360

watching it

851

00:32:54,649 --> 00:32:53,340

yeah I think it was Audio Only but it

852

00:32:56,389 --> 00:32:54,659

was being streamed but yeah it was

853

00:32:58,789 --> 00:32:56,399

during the Super Bowl people were

854

00:33:00,889 --> 00:32:58,799

um you know bringing that up and one of

855

00:33:02,450 --> 00:33:00,899

the conspiracies that a lot of people in

856

00:33:03,830 --> 00:33:02,460

the UFO Community are concerned about

857

00:33:06,169 --> 00:33:03,840

since you were talking about

858

00:33:07,610 --> 00:33:06,179

conspiracies is that um

859

00:33:09,289 --> 00:33:07,620

and I don't know that this is the case

860

00:33:11,930 --> 00:33:09,299

at all but it may be kind of an effect

861

00:33:14,269 --> 00:33:11,940

of what's going on is that there's going

862

00:33:15,590 --> 00:33:14,279

to be shoot downs and it's kind of what

863

00:33:18,710 --> 00:33:15,600

the Drone guys are claiming right now

864

00:33:20,509 --> 00:33:18,720

that there are these odd drones and

865

00:33:23,269 --> 00:33:20,519

um they're going to try to attribute all

866

00:33:26,029 --> 00:33:23,279

of this to China and they're going to

867

00:33:27,470 --> 00:33:26,039

try to save all the UFO stuff all the

868

00:33:30,110 --> 00:33:27,480

UFO things we've been hearing for five

869

00:33:31,549 --> 00:33:30,120

years it's all drones none of it is

870

00:33:34,210 --> 00:33:31,559

quote unquote aliens or whatever you

871

00:33:37,250 --> 00:33:34,220

want to call it and it's all these um

872

00:33:39,470 --> 00:33:37,260

smaller weirder hard to identify drones

873

00:33:40,669 --> 00:33:39,480

because some of these do match up and

874

00:33:42,049 --> 00:33:40,679

they're going to say that the what the

875

00:33:44,990 --> 00:33:42,059

pilots were seeing were all man-made

876

00:33:47,570 --> 00:33:45,000

drones so that's one of the concerns in

877

00:33:49,490 --> 00:33:47,580

the UFO Community right now that it's

878

00:33:53,330 --> 00:33:49,500

going to be kind of changing public

879

00:33:55,370 --> 00:33:53,340

opinion or DC's opinion

880

00:33:56,930 --> 00:33:55,380

um but at the same time we're hearing

881

00:33:58,549 --> 00:33:56,940

all kinds of other things about DC and

882

00:33:59,630 --> 00:33:58,559

whistleblowers so hopefully that's going

883

00:34:02,269 --> 00:33:59,640

on too

884

00:34:04,490 --> 00:34:02,279

yeah there's a lot there's so much going

885

00:34:07,370 --> 00:34:04,500

on and then we have this uh out of

886

00:34:10,570 --> 00:34:07,380

Honolulu we have over Hawaii these

887

00:34:13,450 --> 00:34:10,580

strange lasers that coincidentally are

888

00:34:18,950 --> 00:34:13,460

recorded the footage is pretty amazing

889

00:34:21,109 --> 00:34:18,960

and it seems as if it is in fact a

890

00:34:23,810 --> 00:34:21,119

Chinese satellite however

891

00:34:25,970 --> 00:34:23,820

it seems to be that it is I believe

892

00:34:27,889 --> 00:34:25,980

rented from NASA or something along

893

00:34:29,270 --> 00:34:27,899

those lines have you heard about this at

894

00:34:31,250 --> 00:34:29,280

all and what are your thoughts over the

895

00:34:32,570 --> 00:34:31,260

lasers I thought story on that and I

896

00:34:34,430 --> 00:34:32,580

have not looked into it someone was

897

00:34:36,169 --> 00:34:34,440

saying it was a link to starlink but I

898

00:34:38,389 --> 00:34:36,179

really haven't gotten into that at all

899

00:34:40,909 --> 00:34:38,399

yeah that looks really cool that

900

00:34:43,430 --> 00:34:40,919

technology looks amazing I guess it's

901
00:34:45,950 --> 00:34:43,440
some sort of lidar or you know it

902
00:34:48,349 --> 00:34:45,960
literally is mapping the ground but then

903
00:34:49,790 --> 00:34:48,359
it begs the question you know why would

904
00:34:52,070 --> 00:34:49,800
China be and I could be getting this

905
00:34:53,930 --> 00:34:52,080
wrong I don't want to hang myself here

906
00:34:56,210 --> 00:34:53,940
but why would China be using NASA

907
00:34:58,609 --> 00:34:56,220
technology or NASA rented technology but

908
00:35:01,490 --> 00:34:58,619
then again you know when it comes to

909
00:35:03,890 --> 00:35:01,500
space it does seem as if there is sort

910
00:35:07,430 --> 00:35:03,900
of an open door policy at least there

911
00:35:08,510 --> 00:35:07,440
there has been in the past and it I

912
00:35:11,569 --> 00:35:08,520
don't know if that's going to continue

913
00:35:14,870 --> 00:35:11,579

what are your thoughts there

914

00:35:16,370 --> 00:35:14,880

space is insane and I uh there was a

915

00:35:18,530 --> 00:35:16,380

story and I didn't

916

00:35:20,329 --> 00:35:18,540

um I think I passed it up because I was

917

00:35:21,950 --> 00:35:20,339

doing all this other shoot down stuff

918

00:35:24,950 --> 00:35:21,960

but there was a story about a Russian

919

00:35:26,750 --> 00:35:24,960

secret satellite blowing up recently who

920

00:35:27,290 --> 00:35:26,760

knows what's going on up there there's

921

00:35:30,170 --> 00:35:27,300

um

922

00:35:32,150 --> 00:35:30,180

there's uh all kinds of uh secret

923

00:35:34,069 --> 00:35:32,160

satellites going on there may be Wars in

924

00:35:35,630 --> 00:35:34,079

space you know I don't know if I it's

925

00:35:37,609 --> 00:35:35,640

not like guys running around but we may

926

00:35:39,950 --> 00:35:37,619

be shooting down satellites regularly

927

00:35:41,750 --> 00:35:39,960

other countries may be doing it we would

928

00:35:43,670 --> 00:35:41,760

probably never know about it you know

929

00:35:45,290 --> 00:35:43,680

one thing that's always funny to me and

930

00:35:46,910 --> 00:35:45,300

I don't have any sources on this it's

931

00:35:48,650 --> 00:35:46,920

just kind of a common sense thing to me

932

00:35:50,210 --> 00:35:48,660

you know we hear people like Stephen

933

00:35:52,250 --> 00:35:50,220

Greer

934

00:35:55,010 --> 00:35:52,260

um and just others that are anti-war

935

00:35:57,170 --> 00:35:55,020

anti-violence say we can't have uh

936

00:35:59,150 --> 00:35:57,180

weapons in space don't put weapons in

937

00:36:01,310 --> 00:35:59,160

space don't put weapons in space and to

938

00:36:02,569 --> 00:36:01,320

me um if I had to guess it would seem

939

00:36:04,190 --> 00:36:02,579

obvious that they've had weapons in

940

00:36:06,589 --> 00:36:04,200

space probably like since the 80s or

941

00:36:08,150 --> 00:36:06,599

earlier so I think that's a done deal we

942

00:36:09,349 --> 00:36:08,160

have weapons in space already in my

943

00:36:12,950 --> 00:36:09,359

opinion

944

00:36:14,630 --> 00:36:12,960

yeah and you know I mean it I think you

945

00:36:16,490 --> 00:36:14,640

know you're right I think they've been

946

00:36:19,370 --> 00:36:16,500

there whether we're aware of it or not

947

00:36:21,230 --> 00:36:19,380

I've heard rumors just these these are

948

00:36:22,430 --> 00:36:21,240

just Rumblings from people that should

949

00:36:25,069 --> 00:36:22,440

be in the know

950

00:36:28,790 --> 00:36:25,079

that space force has a fleet of

951

00:36:31,130 --> 00:36:28,800

something like 77 x 37bs which just

952

00:36:32,690 --> 00:36:31,140

sounds so mind-boggling to me and

953

00:36:34,550 --> 00:36:32,700

they're up there doing something among

954

00:36:36,770 --> 00:36:34,560

other things it could be checking for

955

00:36:40,190 --> 00:36:36,780

weaponization I'm not sure I kind of

956

00:36:41,750 --> 00:36:40,200

like the Robert Bigelow angle of you

957

00:36:43,730 --> 00:36:41,760

know let's just get a casino in space

958

00:36:46,490 --> 00:36:43,740

and everything will work out

959

00:36:49,370 --> 00:36:46,500

um arguably I think that's a great uh a

960

00:36:52,310 --> 00:36:49,380

great angle but most Americans are not

961

00:36:54,650 --> 00:36:52,320

aware that this that President Biden

962

00:36:58,130 --> 00:36:54,660

just signed into law this new

963

00:37:00,950 --> 00:36:58,140

legislation that basically Christopher

964

00:37:03,170 --> 00:37:00,960

Mellon has been speaking about and I

965

00:37:05,210 --> 00:37:03,180

think as you mentioned this can be very

966

00:37:08,930 --> 00:37:05,220

relevant in what we are going to be

967

00:37:10,310 --> 00:37:08,940

seeing in the in the close future

968

00:37:11,810 --> 00:37:10,320

are you talking about the National

969

00:37:14,510 --> 00:37:11,820

Defense authorization act The

970

00:37:16,670 --> 00:37:14,520

Whistleblower stuff and all that mm-hmm

971

00:37:19,130 --> 00:37:16,680

yeah I mean that's huge and it's weird

972

00:37:21,770 --> 00:37:19,140

timing that these shoot Downs in this

973

00:37:24,170 --> 00:37:21,780

heightened push of being aware of drones

974

00:37:25,790 --> 00:37:24,180

that's happening at the same time that

975

00:37:26,990 --> 00:37:25,800

we're hearing that there's all this um

976

00:37:29,270 --> 00:37:27,000

progress going on with the

977

00:37:31,730 --> 00:37:29,280

whistleblowers so it is weird it's

978

00:37:33,950 --> 00:37:31,740

really really weird timing going back to

979

00:37:36,770 --> 00:37:33,960

um Bigelow really quick in space

980

00:37:38,690 --> 00:37:36,780

um you know uh the rumor was and of

981

00:37:40,190 --> 00:37:38,700

course it's not proven that possibly

982

00:37:42,770 --> 00:37:40,200

some of the crash debris we've seen from

983

00:37:46,609 --> 00:37:42,780

UFOs over the decades may have been made

984

00:37:48,349 --> 00:37:46,619

in like zero gravity environments and uh

985

00:37:50,630 --> 00:37:48,359

you know for a while there when bigger

986

00:37:52,130 --> 00:37:50,640

Bigelow Aerospace was still going they

987

00:37:54,470 --> 00:37:52,140

were basically trying to do if I'm not

988

00:37:55,849 --> 00:37:54,480

mistaken the manufacturing plants in

989

00:37:57,829 --> 00:37:55,859

space so they could have zero gravity

990

00:37:59,210 --> 00:37:57,839

manufacturing apparently there's a lot

991

00:38:01,790 --> 00:37:59,220

of benefits to zero gravity

992

00:38:02,569 --> 00:38:01,800

manufacturing so I just I always found

993

00:38:04,490 --> 00:38:02,579

that

994

00:38:06,890 --> 00:38:04,500

um interesting but I guess it never uh

995

00:38:09,650 --> 00:38:06,900

came to fruition unfortunately

996

00:38:12,109 --> 00:38:09,660

yeah it is you know I know he definitely

997

00:38:15,589 --> 00:38:12,119

if anybody could do it he was definitely

998

00:38:19,069 --> 00:38:15,599

in a position to be able to dip his toe

999

00:38:22,730 --> 00:38:19,079

in the pool and that process alone would

1000

00:38:25,190 --> 00:38:22,740

I mean what an undertaking but anyway uh

1001
00:38:28,609 --> 00:38:25,200
back back to government whistleblowers

1002
00:38:31,250 --> 00:38:28,619
and the possibility that government

1003
00:38:33,349 --> 00:38:31,260
entities have been concealing proof of

1004
00:38:36,170 --> 00:38:33,359
an extraterrestrial presence

1005
00:38:38,450 --> 00:38:36,180
here or near Earth

1006
00:38:40,550 --> 00:38:38,460
what are your thoughts on that is there

1007
00:38:44,390 --> 00:38:40,560
you know we we all know about the case

1008
00:38:46,910 --> 00:38:44,400
of Bob Lazar and I think you mentioned

1009
00:38:50,329 --> 00:38:46,920
Roswell but there are a lot of other

1010
00:38:51,170 --> 00:38:50,339
examples to that aren't there

1011
00:38:53,990 --> 00:38:51,180
yeah

1012
00:38:56,990 --> 00:38:54,000
um in my view there's been crashes

1013
00:38:58,670 --> 00:38:57,000

um and you know people argue about this

1014

00:39:00,230 --> 00:38:58,680

on social media all the time you know we

1015

00:39:02,089 --> 00:39:00,240

say things like that and people get mad

1016

00:39:04,849 --> 00:39:02,099

they say give us proof and but you know

1017

00:39:07,430 --> 00:39:04,859

I'm just talking of what I think and um

1018

00:39:09,530 --> 00:39:07,440

and what I hear and things people that I

1019

00:39:12,349 --> 00:39:09,540

trust and all that do I have proof of it

1020

00:39:15,290 --> 00:39:12,359

no I think uh there has probably been

1021

00:39:16,490 --> 00:39:15,300

bodies maybe that's even extra weird but

1022

00:39:18,530 --> 00:39:16,500

um I think there's definitely been

1023

00:39:21,650 --> 00:39:18,540

crashes I think like I was saying some

1024

00:39:24,109 --> 00:39:21,660

of this pop culture idea of UFO's secret

1025

00:39:26,150 --> 00:39:24,119

government stuff is actually true

1026

00:39:28,910 --> 00:39:26,160

um and it has been for many decades and

1027

00:39:30,950 --> 00:39:28,920

it's been in the pop culture uh you know

1028

00:39:33,230 --> 00:39:30,960

mine for many decades as well which is

1029

00:39:35,270 --> 00:39:33,240

just fascinating on how it leaked and

1030

00:39:36,829 --> 00:39:35,280

it's funny too a sidebar people say oh

1031

00:39:37,910 --> 00:39:36,839

well if it's a big secret you know they

1032

00:39:40,190 --> 00:39:37,920

wouldn't have been able to keep a secret

1033

00:39:44,210 --> 00:39:40,200

well I guess they didn't because it was

1034

00:39:48,770 --> 00:39:46,490

yeah and I think uh I think a lot of

1035

00:39:52,310 --> 00:39:48,780

this is true I think I was um actually

1036

00:39:54,170 --> 00:39:52,320

asking around I was started hearing that

1037

00:39:57,109 --> 00:39:54,180

what we're worrying about is you know

1038

00:39:59,270 --> 00:39:57,119

the Wilson Davis situation where people

1039

00:40:02,450 --> 00:39:59,280

aren't aware of it there was a an

1040

00:40:05,630 --> 00:40:02,460

alleged meeting with a scientist and an

1041

00:40:07,609 --> 00:40:05,640

admiral and the Admiral told uh the

1042

00:40:09,530 --> 00:40:07,619

scientist and the scientist was writing

1043

00:40:12,770 --> 00:40:09,540

notes about it that

1044

00:40:15,410 --> 00:40:12,780

um or recording I don't know uh that the

1045

00:40:17,510 --> 00:40:15,420

Admiral was tipped off found some of

1046

00:40:20,390 --> 00:40:17,520

these secret UFO programs the real deep

1047

00:40:21,829 --> 00:40:20,400

ones and he was told to kick rocks and

1048

00:40:23,210 --> 00:40:21,839

he didn't have access and he was like

1049

00:40:25,970 --> 00:40:23,220

this huge guy

1050

00:40:28,130 --> 00:40:25,980

and um so I was worried that that

1051

00:40:31,190 --> 00:40:28,140

scenario has been going on over and over

1052

00:40:32,930 --> 00:40:31,200

again I haven't read the new valet book

1053

00:40:35,870 --> 00:40:32,940

um Forbidden Science I think it's number

1054

00:40:37,310 --> 00:40:35,880

five or something like that but um uh I

1055

00:40:38,690 --> 00:40:37,320

think there I saw some quotes in there

1056

00:40:40,130 --> 00:40:38,700

and he was kind of talking about other

1057

00:40:41,810 --> 00:40:40,140

people that were had the same

1058

00:40:43,370 --> 00:40:41,820

experiences

1059

00:40:46,250 --> 00:40:43,380

um or even people that kind of were able

1060

00:40:49,130 --> 00:40:46,260

to gain access but not able to

1061

00:40:50,750 --> 00:40:49,140

um you know uh basically prove it to

1062

00:40:52,310 --> 00:40:50,760

anyone

1063

00:40:53,810 --> 00:40:52,320

um I'm not sure exactly what's going on

1064

00:40:55,730 --> 00:40:53,820

but

1065

00:40:57,170 --> 00:40:55,740

I was worried that this Wilson scenario

1066

00:40:58,790 --> 00:40:57,180

keeps happening over and over again and

1067

00:41:02,390 --> 00:40:58,800

maybe it has been for decades where

1068

00:41:04,910 --> 00:41:02,400

people would find these uh programs and

1069

00:41:07,310 --> 00:41:04,920

they would be told to go away you know

1070

00:41:08,810 --> 00:41:07,320

you're not on the bigot list and sorry

1071

00:41:10,130 --> 00:41:08,820

and all this kind of thing and I was

1072

00:41:12,710 --> 00:41:10,140

worried that was happening currently

1073

00:41:14,270 --> 00:41:12,720

with the Whistleblower situation

1074

00:41:16,790 --> 00:41:14,280

um I was thinking about writing a Blog

1075

00:41:18,950 --> 00:41:16,800

on it I actually had part of it written

1076

00:41:20,450 --> 00:41:18,960

I started asking around more and then I

1077

00:41:21,890 --> 00:41:20,460

talked to some other people and they

1078

00:41:23,569 --> 00:41:21,900

were saying you know that they think the

1079

00:41:27,470 --> 00:41:23,579

Whistleblower thing is very successful

1080

00:41:29,690 --> 00:41:27,480

and it's in the National Defense

1081

00:41:31,250 --> 00:41:29,700

authorization act for a reason uh it's

1082

00:41:33,109 --> 00:41:31,260

there because whistleblowers were on

1083

00:41:34,069 --> 00:41:33,119

Deck ready to talk and they needed

1084

00:41:35,810 --> 00:41:34,079

protection

1085

00:41:37,670 --> 00:41:35,820

so I scrapped my whole blog I haven't

1086

00:41:39,109 --> 00:41:37,680

been writing a lot recently at all I've

1087

00:41:41,329 --> 00:41:39,119

just been like a talking head on social

1088

00:41:43,609 --> 00:41:41,339

media and um I was about to write this

1089

00:41:44,810 --> 00:41:43,619

blog uh finish it and I scrapped it and

1090

00:41:47,150 --> 00:41:44,820

now I'm positive about the whole

1091

00:41:49,670 --> 00:41:47,160

situation again and I think the

1092

00:41:51,170 --> 00:41:49,680

Whistleblower stuff is working

1093

00:41:53,270 --> 00:41:51,180

um I don't know for sure it's just

1094

00:41:54,410 --> 00:41:53,280

something I heard and I'm really excited

1095

00:41:57,650 --> 00:41:54,420

about that

1096

00:42:00,890 --> 00:41:57,660

and that's huge huge news so let's say

1097

00:42:03,890 --> 00:42:00,900

Congress has gained access to

1098

00:42:05,450 --> 00:42:03,900

some of these special access programs

1099

00:42:08,930 --> 00:42:05,460

um they know they're there they know

1100

00:42:11,089 --> 00:42:08,940

UFOs exist uh maybe even bodies who

1101
00:42:12,770 --> 00:42:11,099
knows my big question now is what are

1102
00:42:15,050 --> 00:42:12,780
they going to do with it

1103
00:42:16,849 --> 00:42:15,060
um supposedly you know good things that

1104
00:42:18,230 --> 00:42:16,859
may be happening but we're gonna have to

1105
00:42:20,150 --> 00:42:18,240
wait and see I mean it could all get

1106
00:42:21,710 --> 00:42:20,160
squashed Biden can say

1107
00:42:23,630 --> 00:42:21,720
maybe they finally found out the truth

1108
00:42:25,069 --> 00:42:23,640
and then they um

1109
00:42:26,750 --> 00:42:25,079
and now they're scared because they

1110
00:42:27,890 --> 00:42:26,760
actually found out the truth and now

1111
00:42:29,450 --> 00:42:27,900
they're deciding they don't want to tell

1112
00:42:31,130 --> 00:42:29,460
the American public so I don't know

1113
00:42:33,530 --> 00:42:31,140

there's a lot of these uh threads going

1114

00:42:34,430 --> 00:42:33,540

and now with the shoot Downs overlapping

1115

00:42:38,030 --> 00:42:34,440

it

1116

00:42:39,170 --> 00:42:38,040

kind of different subjects but at the

1117

00:42:41,990 --> 00:42:39,180

same time

1118

00:42:44,569 --> 00:42:42,000

it's it's they're kind of similar

1119

00:42:46,670 --> 00:42:44,579

yeah and you touched on one of my

1120

00:42:50,089 --> 00:42:46,680

favorite topics which is the Wilson

1121

00:42:52,910 --> 00:42:50,099

Davis memo and I mean when it comes to

1122

00:42:54,829 --> 00:42:52,920

this whistleblower legislation

1123

00:42:58,150 --> 00:42:54,839

Dr Davis

1124

00:43:00,349 --> 00:42:58,160

Dr Eric Davis is not the type of

1125

00:43:04,609 --> 00:43:00,359

astrophysicist to be out there talking

1126
00:43:08,630 --> 00:43:04,619
about things and Uh I that this all came

1127
00:43:10,849 --> 00:43:08,640
about in a very interesting way and I

1128
00:43:14,089 --> 00:43:10,859
think that although a lot of the things

1129
00:43:16,970 --> 00:43:14,099
I'm sure will remain highly classified

1130
00:43:21,349 --> 00:43:16,980
the good news is that I think a lot of

1131
00:43:24,050 --> 00:43:21,359
the debunkers are going to be forced to

1132
00:43:26,089 --> 00:43:24,060
kind of retroactively kind of back down

1133
00:43:29,390 --> 00:43:26,099
because there have been so many

1134
00:43:33,230 --> 00:43:29,400
debunkers when it comes to any

1135
00:43:35,630 --> 00:43:33,240
information that had to do with the

1136
00:43:38,450 --> 00:43:35,640
Wilson Davis memo and many of the

1137
00:43:40,670 --> 00:43:38,460
government programs and it seems as if

1138
00:43:43,069 --> 00:43:40,680

it I I think it would be in our best

1139

00:43:46,670 --> 00:43:43,079

interest to exploit recovered technology

1140

00:43:49,790 --> 00:43:46,680

no matter where it came from and

1141

00:43:51,950 --> 00:43:49,800

it's I I kind of I'm waiting for the day

1142

00:43:54,530 --> 00:43:51,960

when I you know I don't I don't want to

1143

00:43:56,990 --> 00:43:54,540

prove a point but I just think that

1144

00:44:00,530 --> 00:43:57,000

without any evidence to be debunking

1145

00:44:04,010 --> 00:44:00,540

everything that comes out is not really

1146

00:44:05,870 --> 00:44:04,020

a way to be in an open discourse and

1147

00:44:09,589 --> 00:44:05,880

kind of getting to the open discourse

1148

00:44:11,150 --> 00:44:09,599

and connections to astrophysicist Dr

1149

00:44:13,010 --> 00:44:11,160

Davis

1150

00:44:16,490 --> 00:44:13,020

um how putoff has been doing these Tech

1151
00:44:18,710 --> 00:44:16,500
survey studies for years and many of the

1152
00:44:21,770 --> 00:44:18,720
things that have been at the top of his

1153
00:44:25,250 --> 00:44:21,780
list are sort of at the Forefront of

1154
00:44:28,910 --> 00:44:25,260
what is taking place now and

1155
00:44:30,890 --> 00:44:28,920
um laser lightcraft Nano satellites uh

1156
00:44:34,130 --> 00:44:30,900
detection and high resolution tracking

1157
00:44:37,210 --> 00:44:34,140
of vehicles Hypersonic velocities this

1158
00:44:41,150 --> 00:44:37,220
is all stuff that he was cognitively

1159
00:44:43,550 --> 00:44:41,160
trying to research investigate and

1160
00:44:45,950 --> 00:44:43,560
promote to government entities because

1161
00:44:47,990 --> 00:44:45,960
it does kind of seem as if

1162
00:44:50,329 --> 00:44:48,000
the people we are talking about were

1163
00:44:51,890 --> 00:44:50,339

aware of the process and they knew that

1164

00:44:55,430 --> 00:44:51,900

this day was coming does it seem that

1165

00:44:58,790 --> 00:44:57,410

they've definitely been working on this

1166

00:45:00,290 --> 00:44:58,800

um working on different things and I

1167

00:45:02,089 --> 00:45:00,300

mean these guys are genius scientists

1168

00:45:04,849 --> 00:45:02,099

and they also happen to believe in UAP

1169

00:45:07,190 --> 00:45:04,859

and kind of study characteristics of UAP

1170

00:45:08,750 --> 00:45:07,200

and I think they try to figure out how

1171

00:45:11,089 --> 00:45:08,760

they work you know there's been lots of

1172

00:45:13,609 --> 00:45:11,099

Talk of the space-time bubble of how

1173

00:45:15,109 --> 00:45:13,619

they think that maybe UAP work there was

1174

00:45:17,809 --> 00:45:15,119

also the defense intelligence reference

1175

00:45:20,270 --> 00:45:17,819

documents all the dirt and that was you

1176

00:45:21,890 --> 00:45:20,280

know supposedly uh not necessarily all

1177

00:45:24,109 --> 00:45:21,900

of them were based on UFOs some of them

1178

00:45:25,370 --> 00:45:24,119

were some of them weren't I've talked to

1179

00:45:27,589 --> 00:45:25,380

some of those authors and they had

1180

00:45:32,089 --> 00:45:27,599

nothing to do with UFOs others were

1181

00:45:34,130 --> 00:45:32,099

pretty uh blatantly about UFOs but um

1182

00:45:40,190 --> 00:45:34,140

yeah that's like they're trying to apply

1183

00:45:42,530 --> 00:45:40,200

their UAP kind of uh influence and um

1184

00:45:45,470 --> 00:45:42,540

and motivation into some of some of the

1185

00:45:47,030 --> 00:45:45,480

science it's almost like you know uh how

1186

00:45:48,050 --> 00:45:47,040

science fiction does it but they're

1187

00:45:50,089 --> 00:45:48,060

trying to actually do it with hard

1188

00:45:52,130 --> 00:45:50,099

science so it's interesting

1189

00:45:53,450 --> 00:45:52,140

it's so tough because you're always

1190

00:45:55,370 --> 00:45:53,460

going to have when it comes to

1191

00:45:56,930 --> 00:45:55,380

disclosure it seems like people will

1192

00:45:58,849 --> 00:45:56,940

always if it's coming from the

1193

00:46:01,730 --> 00:45:58,859

government there's always going to be

1194

00:46:04,730 --> 00:46:01,740

those who believe it's deception no

1195

00:46:06,829 --> 00:46:04,740

matter you know what information is

1196

00:46:09,290 --> 00:46:06,839

provided which makes this very difficult

1197

00:46:10,790 --> 00:46:09,300

but going back to something you

1198

00:46:12,050 --> 00:46:10,800

mentioned and it really grabbed my

1199

00:46:16,069 --> 00:46:12,060

attention

1200

00:46:17,870 --> 00:46:16,079

is what Lou Elizondo said that may maybe

1201
00:46:20,690 --> 00:46:17,880
we're taking it a little out of context

1202
00:46:24,650 --> 00:46:20,700
but the fact that aliens may have landed

1203
00:46:26,930 --> 00:46:24,660
on Earth in 1945 and Roswell to be

1204
00:46:29,569 --> 00:46:26,940
specific what are your thoughts on

1205
00:46:34,430 --> 00:46:33,290
you know um when I when I came into

1206
00:46:37,250 --> 00:46:34,440
UFO

1207
00:46:40,910 --> 00:46:37,260
Community you know full bore because of

1208
00:46:41,750 --> 00:46:40,920
2017. I was reading the Andy Jacobson

1209
00:46:43,609 --> 00:46:41,760
book

1210
00:46:44,870 --> 00:46:43,619
she had her theories on it I was

1211
00:46:47,089 --> 00:46:44,880
thinking that could have been real Tom

1212
00:46:48,470 --> 00:46:47,099
Delong was referencing that then I kind

1213
00:46:50,450 --> 00:46:48,480

of threw that out it didn't really make

1214

00:46:53,690 --> 00:46:50,460

sense

1215

00:46:55,370 --> 00:46:53,700

um and now um then I was kind of off

1216

00:46:58,030 --> 00:46:55,380

Roswell I remember hearing comments from

1217

00:47:01,130 --> 00:46:58,040

valet he was saying we have better cases

1218

00:47:02,870 --> 00:47:01,140

Roswell is too popular we shouldn't be

1219

00:47:05,990 --> 00:47:02,880

bringing that to the public as advocates

1220

00:47:07,370 --> 00:47:06,000

it's corny it's overused and those are

1221

00:47:10,130 --> 00:47:07,380

my words but I'm kind of doing a

1222

00:47:12,109 --> 00:47:10,140

synopsis here and um

1223

00:47:14,630 --> 00:47:12,119

and we should kind of be off it so I was

1224

00:47:16,609 --> 00:47:14,640

off it for a while and then kind of Lou

1225

00:47:18,829 --> 00:47:16,619

started hinting at it again

1226

00:47:20,510 --> 00:47:18,839

and then he was really hinting at it a

1227

00:47:22,130 --> 00:47:20,520

lot in those fan of a bunch of

1228

00:47:23,450 --> 00:47:22,140

interviews he was doing so then I've

1229

00:47:25,430 --> 00:47:23,460

been back on it believing it was real

1230

00:47:28,550 --> 00:47:25,440

now thanks to Elizondo

1231

00:47:29,990 --> 00:47:28,560

yeah Lou I think it's it's hard to get

1232

00:47:33,470 --> 00:47:30,000

stuff out of him but when it comes out

1233

00:47:35,150 --> 00:47:33,480

it's fairly in my opinion I

1234

00:47:38,089 --> 00:47:35,160

it's it's not something that you should

1235

00:47:39,890 --> 00:47:38,099

throw out with the bath water and

1236

00:47:42,589 --> 00:47:39,900

I think it's interesting because as you

1237

00:47:46,190 --> 00:47:42,599

said the mainstream media and movies and

1238

00:47:49,069 --> 00:47:46,200

Hollywood it's almost at this point a

1239

00:47:51,829 --> 00:47:49,079

given or at least in our society

1240

00:47:54,349 --> 00:47:51,839

socially culturally it's something that

1241

00:47:56,870 --> 00:47:54,359

is accepted even though it's not spoken

1242

00:47:59,690 --> 00:47:56,880

of widely in public

1243

00:48:02,089 --> 00:47:59,700

when it's brought up people just assume

1244

00:48:04,490 --> 00:48:02,099

that it's true history so I think that's

1245

00:48:09,470 --> 00:48:04,500

super interesting some of the stuff that

1246

00:48:11,930 --> 00:48:09,480

is not assumed as being or not as not as

1247

00:48:14,750 --> 00:48:11,940

believed in mainstream

1248

00:48:16,309 --> 00:48:14,760

media channels are some of the claims

1249

00:48:19,010 --> 00:48:16,319

that have been made by a lot of these

1250

00:48:22,250 --> 00:48:19,020

intelligent bright Minds one that comes

1251

00:48:25,250 --> 00:48:22,260

to mind is Christopher Mellon claims

1252

00:48:28,069 --> 00:48:25,260

that there are photos of a black Cube

1253

00:48:29,630 --> 00:48:28,079

inside of a sphere have I have not seen

1254

00:48:34,069 --> 00:48:29,640

these photos have you been able to track

1255

00:48:38,030 --> 00:48:36,230

um I don't know if I've heard of photos

1256

00:48:41,450 --> 00:48:38,040

specifically but that was part of the

1257

00:48:43,250 --> 00:48:41,460

gimbal event uh allegedly there's a lot

1258

00:48:47,089 --> 00:48:43,260

of these Cuban sphere

1259

00:48:49,190 --> 00:48:47,099

um sightings on the East Coast allegedly

1260

00:48:52,849 --> 00:48:49,200

um Jeremy Corbell first mentioned it I

1261

00:48:54,530 --> 00:48:52,859

wrote a Blog on it many years ago and uh

1262

00:48:56,990 --> 00:48:54,540

we started talking about it it hit the

1263

00:48:58,490 --> 00:48:57,000

UFO Community hard then like six months

1264

00:49:00,410 --> 00:48:58,500

later it was in the New York Times so it

1265

00:49:02,750 --> 00:49:00,420

was cool because we had it from Jeremy

1266

00:49:05,510 --> 00:49:02,760

Corbell and in my blog quoting Jeremy

1267

00:49:07,730 --> 00:49:05,520

before the time so we all felt cool

1268

00:49:09,829 --> 00:49:07,740

about that but um yeah I mean that's

1269

00:49:12,770 --> 00:49:09,839

been kind of a big deal ever since maybe

1270

00:49:15,170 --> 00:49:12,780

2018 I think it was

1271

00:49:17,030 --> 00:49:15,180

um maybe 2019 I can't remember but yeah

1272

00:49:20,390 --> 00:49:17,040

there's been these sightings of the cube

1273

00:49:22,550 --> 00:49:20,400

and sphere then Tyler Rogue away uh and

1274

00:49:23,390 --> 00:49:22,560

the war zones they found

1275

00:49:31,550 --> 00:49:23,400

um

1276

00:49:34,490 --> 00:49:31,560

they were something that the United

1277

00:49:36,170 --> 00:49:34,500

States government was using and they lit

1278

00:49:37,970 --> 00:49:36,180

they were basically cubes and spheres so

1279

00:49:39,770 --> 00:49:37,980

then you know the Drone guys

1280

00:49:41,870 --> 00:49:39,780

made a big deal out of that saying that

1281

00:49:44,569 --> 00:49:41,880

it's case solved and these are you know

1282

00:49:46,790 --> 00:49:44,579

American or from another government

1283

00:49:49,190 --> 00:49:46,800

um and their cubes and spheres but the

1284

00:49:50,510 --> 00:49:49,200

people like Ryan Graves I don't know if

1285

00:49:52,550 --> 00:49:50,520

he's actually seen one with his eyes I

1286

00:49:54,530 --> 00:49:52,560

can't remember what he said but um

1287

00:49:56,030 --> 00:49:54,540

uh you know he's saying he thinks it's

1288

00:49:58,010 --> 00:49:56,040

like non-human intelligence so that's

1289

00:50:00,109 --> 00:49:58,020

been a big deal I don't know if there's

1290

00:50:01,910 --> 00:50:00,119

continued Cuban sphere sightings but it

1291

00:50:04,250 --> 00:50:01,920

was really interesting shape especially

1292

00:50:05,690 --> 00:50:04,260

two shapes in one like that so it was

1293

00:50:08,390 --> 00:50:05,700

really cool and we had definitely added

1294

00:50:09,770 --> 00:50:08,400

that to the uh alleged UAP list of

1295

00:50:11,930 --> 00:50:09,780

shapes

1296

00:50:12,950 --> 00:50:11,940

um now we're getting octagons from these

1297

00:50:15,589 --> 00:50:12,960

shootdowns and all kinds of different

1298

00:50:18,890 --> 00:50:15,599

things but uh yeah that that became part

1299

00:50:20,270 --> 00:50:18,900

of UFO lore almost instantaneously

1300

00:50:22,130 --> 00:50:20,280

you know I don't know if there's photos

1301
00:50:23,510 --> 00:50:22,140
or what I would assume if they do exist

1302
00:50:25,490 --> 00:50:23,520
maybe there's gun camera footage or

1303
00:50:28,010 --> 00:50:25,500
something like that but I haven't heard

1304
00:50:29,990 --> 00:50:28,020
um any direct uh it mentions about it

1305
00:50:32,809 --> 00:50:30,000
okay yeah and I think it would be

1306
00:50:34,970 --> 00:50:32,819
obviously super highly classified at

1307
00:50:37,010 --> 00:50:34,980
this point so

1308
00:50:38,930 --> 00:50:37,020
um I I think that's a good explanation

1309
00:50:40,609 --> 00:50:38,940
that you've given though it does seem

1310
00:50:42,770 --> 00:50:40,619
very strange that they are these

1311
00:50:44,690 --> 00:50:42,780
rudimentary shapes you know like things

1312
00:50:46,490 --> 00:50:44,700
like blocks and pieces that a child

1313
00:50:50,930 --> 00:50:46,500

would play with a toddler you know it's

1314

00:50:53,930 --> 00:50:50,940

cylinders squares triangles and uh

1315

00:50:55,490 --> 00:50:53,940

circles and it's just so interesting I

1316

00:50:56,990 --> 00:50:55,500

wonder if that's a message in some way

1317

00:50:58,390 --> 00:50:57,000

shape or form and I'm glad that you

1318

00:51:03,170 --> 00:50:58,400

mentioned the term

1319

00:51:04,970 --> 00:51:03,180

non-human intelligence because that

1320

00:51:07,849 --> 00:51:04,980

really kind of

1321

00:51:10,670 --> 00:51:07,859

gets my mind thinking in larger things

1322

00:51:13,910 --> 00:51:10,680

are is there a message to be learned

1323

00:51:16,730 --> 00:51:13,920

here and could we be talking about an

1324

00:51:18,349 --> 00:51:16,740

alien artificial intelligence or when

1325

00:51:21,049 --> 00:51:18,359

when you use the term non-human

1326

00:51:27,710 --> 00:51:21,059

intelligence where does your mind go

1327

00:51:30,410 --> 00:51:29,150

kind of was just debating me on Twitter

1328

00:51:33,170 --> 00:51:30,420

the other day

1329

00:51:34,490 --> 00:51:33,180

um because you know we call drones in

1330

00:51:37,309 --> 00:51:34,500

the UFO community that means they're

1331

00:51:39,109 --> 00:51:37,319

man-made we say UFOs that means there's

1332

00:51:40,549 --> 00:51:39,119

something else even on human

1333

00:51:42,349 --> 00:51:40,559

intelligence maybe that doesn't fit

1334

00:51:44,750 --> 00:51:42,359

exactly accurately because

1335

00:51:46,670 --> 00:51:44,760

it could be a breakaway Society of

1336

00:51:48,470 --> 00:51:46,680

humans like Atlantis or something and

1337

00:51:49,430 --> 00:51:48,480

they're still humans I don't know I'm

1338

00:51:51,829 --> 00:51:49,440

just trying to differentiate

1339

00:51:54,530 --> 00:51:51,839

differentiate these things from like the

1340

00:51:56,630 --> 00:51:54,540

weird to like the more normal where it'd

1341

00:51:58,849 --> 00:51:56,640

be like Russia China America or some

1342

00:52:01,670 --> 00:51:58,859

actual government doing it you know for

1343

00:52:02,510 --> 00:52:01,680

spying reasons or whatever other reasons

1344

00:52:04,309 --> 00:52:02,520

um so that's what I'm trying to

1345

00:52:06,650 --> 00:52:04,319

differentiate it's kind of hard with

1346

00:52:09,530 --> 00:52:06,660

these terms because

1347

00:52:11,390 --> 00:52:09,540

um we get uh kind of it gets muddy and

1348

00:52:13,970 --> 00:52:11,400

we kind of get caught up in them but I'm

1349

00:52:17,210 --> 00:52:13,980

just trying to differentiate these Main

1350

00:52:19,190 --> 00:52:17,220

style of ideas back to uh Cuban spheres

1351
00:52:21,109 --> 00:52:19,200
real quick I'm trying to remember what I

1352
00:52:22,849 --> 00:52:21,119
wrote Because I wrote a Blog on the

1353
00:52:24,530 --> 00:52:22,859
different shapes of UFOs and how they

1354
00:52:26,630 --> 00:52:24,540
have their different shapes because they

1355
00:52:27,710 --> 00:52:26,640
have different functions

1356
00:52:29,809 --> 00:52:27,720
um and I get that from a really good

1357
00:52:31,970 --> 00:52:29,819
source many years ago I don't remember

1358
00:52:34,130 --> 00:52:31,980
if I put this in the blog or not or if I

1359
00:52:35,870 --> 00:52:34,140
remember Mr membrane but I think some of

1360
00:52:37,490 --> 00:52:35,880
the Cuban Spirit spheres they were more

1361
00:52:38,450 --> 00:52:37,500
like

1362
00:52:41,569 --> 00:52:38,460
um

1363
00:52:44,690 --> 00:52:41,579

UFO drones that were maybe like fly in

1364

00:52:46,190 --> 00:52:44,700

front of a bigger craft or things like

1365

00:52:48,829 --> 00:52:46,200

that information I don't remember if

1366

00:52:50,450 --> 00:52:48,839

that was the claim from what the gimbal

1367

00:52:52,730 --> 00:52:50,460

was when there's a whole Fleet of them

1368

00:52:55,250 --> 00:52:52,740

you know we hear that the pilots say

1369

00:52:57,109 --> 00:52:55,260

that I think those are supposedly cues

1370

00:52:59,870 --> 00:52:57,119

and spheres and then there was the big

1371

00:53:01,190 --> 00:52:59,880

gimbal craft which is like a big saucer

1372

00:53:02,390 --> 00:53:01,200

with points sticking down and we

1373

00:53:04,370 --> 00:53:02,400

actually have an animation of that

1374

00:53:06,410 --> 00:53:04,380

somewhere on my web page

1375

00:53:08,270 --> 00:53:06,420

um yeah so that's just more info on the

1376

00:53:10,790 --> 00:53:08,280

cubes and spheres as well

1377

00:53:12,589 --> 00:53:10,800

that's that's really cool I've got to

1378

00:53:14,870 --> 00:53:12,599

read that blog I love your blogs you've

1379

00:53:17,329 --> 00:53:14,880

always got great stuff and the military

1380

00:53:19,849 --> 00:53:17,339

drones and even you know the the

1381

00:53:23,270 --> 00:53:19,859

civilian drones I mean the skydio2

1382

00:53:26,089 --> 00:53:23,280

civilian and military drones even have a

1383

00:53:29,990 --> 00:53:26,099

ton of AI built into them I mean these

1384

00:53:34,010 --> 00:53:30,000

things can accommodate certain flight

1385

00:53:36,470 --> 00:53:34,020

paths and do things that are not humanly

1386

00:53:38,390 --> 00:53:36,480

controlled and they have tons of cameras

1387

00:53:40,010 --> 00:53:38,400

on them and this is just lower grade

1388

00:53:42,950 --> 00:53:40,020

stuff that we're talking about the best

1389

00:53:46,270 --> 00:53:42,960

news is they are USA made and we seem to

1390

00:53:49,430 --> 00:53:46,280

be leading in that Arena however

1391

00:53:52,750 --> 00:53:49,440

speaking of that do you believe that

1392

00:53:55,490 --> 00:53:52,760

civilian drones especially these

1393

00:54:00,530 --> 00:53:55,500

chinese-made civilian drones such as DJ

1394

00:54:03,069 --> 00:54:00,540

DJI and others I've seen that the FAA is

1395

00:54:06,290 --> 00:54:03,079

requiring I know I've had to

1396

00:54:08,030 --> 00:54:06,300

basically register and and get certified

1397

00:54:09,890 --> 00:54:08,040

and all this stuff to fly drones and I'd

1398

00:54:11,390 --> 00:54:09,900

have no problem with that but I think

1399

00:54:13,430 --> 00:54:11,400

there's a reason for that do you think

1400

00:54:15,410 --> 00:54:13,440

we are going to see the limiting of that

1401
00:54:17,150 --> 00:54:15,420
in the future

1402
00:54:18,890 --> 00:54:17,160
I think they're going to have to

1403
00:54:20,270 --> 00:54:18,900
um especially with more and more people

1404
00:54:21,770 --> 00:54:20,280
having them

1405
00:54:23,150 --> 00:54:21,780
um I remember thinking about this a few

1406
00:54:26,210 --> 00:54:23,160
years ago right when the Drone thing was

1407
00:54:28,190 --> 00:54:26,220
starting and uh you know I think by now

1408
00:54:29,750 --> 00:54:28,200
we thought like what was it be like all

1409
00:54:31,849 --> 00:54:29,760
food delivery would be drones and stuff

1410
00:54:33,230 --> 00:54:31,859
but we may get there one day

1411
00:54:35,630 --> 00:54:33,240
um and it is really interesting how much

1412
00:54:37,250 --> 00:54:35,640
damage even these cheaper drones can do

1413
00:54:38,809 --> 00:54:37,260

and I think in some of the other

1414

00:54:41,210 --> 00:54:38,819

countries and in Ukraine and stuff like

1415

00:54:43,250 --> 00:54:41,220

that you know they're doing serious uh

1416

00:54:46,549 --> 00:54:43,260

damage and killing people with

1417

00:54:48,589 --> 00:54:46,559

inexpensive drones and um it's crazy how

1418

00:54:51,470 --> 00:54:48,599

much damage can be done and uh people

1419

00:54:52,970 --> 00:54:51,480

like Tyler Rogue away are correct

1420

00:54:55,910 --> 00:54:52,980

um when they say this is like a whole

1421

00:54:57,530 --> 00:54:55,920

new uh type of warfare and we need to be

1422

00:55:01,130 --> 00:54:57,540

careful with it

1423

00:55:03,530 --> 00:55:01,140

big time and you know as we sort of wrap

1424

00:55:06,589 --> 00:55:03,540

up here you're definitely staying on

1425

00:55:08,990 --> 00:55:06,599

Target and your explanations of the data

1426
00:55:10,930 --> 00:55:09,000
are Way Way Beyond what I expected I

1427
00:55:14,030 --> 00:55:10,940
appreciate that you're always on point

1428
00:55:16,069 --> 00:55:14,040
and what do you think the implications

1429
00:55:17,510 --> 00:55:16,079
of what we are currently witnessing in

1430
00:55:19,670 --> 00:55:17,520
the mass media are going to be do you

1431
00:55:21,290 --> 00:55:19,680
think where where is this headed are we

1432
00:55:22,490 --> 00:55:21,300
going to see a lot more of this or do

1433
00:55:23,930 --> 00:55:22,500
you think it's going to fizzle out a

1434
00:55:25,549 --> 00:55:23,940
little bit

1435
00:55:29,329 --> 00:55:25,559
you know they asked the general that

1436
00:55:30,349 --> 00:55:29,339
yesterday and with the new

1437
00:55:33,049 --> 00:55:30,359
um

1438
00:55:36,530 --> 00:55:33,059

filter is being turned on and the new

1439

00:55:39,530 --> 00:55:36,540

heightened press interest and all these

1440

00:55:42,589 --> 00:55:39,540

unprecedented shoot Downs I I'm hoping

1441

00:55:44,270 --> 00:55:42,599

that if these crafts are uh in our

1442

00:55:45,650 --> 00:55:44,280

airspace more

1443

00:55:47,390 --> 00:55:45,660

um whether they're from other countries

1444

00:55:49,849 --> 00:55:47,400

other quote unquote UFOs or whatever

1445

00:55:51,109 --> 00:55:49,859

they are that we're going to be catching

1446

00:55:52,970 --> 00:55:51,119

a lot more of them now because now

1447

00:55:54,410 --> 00:55:52,980

they're looking for smaller things the

1448

00:55:55,630 --> 00:55:54,420

government is a lot more serious they

1449

00:55:57,770 --> 00:55:55,640

seem to be not playing around anymore

1450

00:56:00,470 --> 00:55:57,780

because of all because of the Chinese

1451

00:56:03,829 --> 00:56:00,480

balloon it's really weird how this chain

1452

00:56:06,710 --> 00:56:03,839

of events has occurred and gone down and

1453

00:56:08,569 --> 00:56:06,720

what uh I'm waiting to see is like I was

1454

00:56:09,890 --> 00:56:08,579

saying earlier kind of that I don't even

1455

00:56:11,390 --> 00:56:09,900

know if we should be I should be calling

1456

00:56:14,150 --> 00:56:11,400

it a conspiracy like I did earlier but

1457

00:56:16,190 --> 00:56:14,160

just the worry that people are going to

1458

00:56:19,010 --> 00:56:16,200

start thinking that there is no UFO UAP

1459

00:56:20,809 --> 00:56:19,020

it's all the UFO UAP are man-made from

1460

00:56:22,490 --> 00:56:20,819

other countries so I'm waiting to see if

1461

00:56:24,530 --> 00:56:22,500

that's going to happen

1462

00:56:26,750 --> 00:56:24,540

um you know I've been getting excited

1463

00:56:28,430 --> 00:56:26,760

and been on social media Twitter a lot I

1464

00:56:30,890 --> 00:56:28,440

was also speculating and this is obvious

1465

00:56:34,069 --> 00:56:30,900

that um even if most of these shoot

1466

00:56:35,809 --> 00:56:34,079

Downs are or all of them are uh you know

1467

00:56:39,470 --> 00:56:35,819

from other countries all we need is one

1468

00:56:40,430 --> 00:56:39,480

that isn't and that they uh get it and I

1469

00:56:42,349 --> 00:56:40,440

don't know if they're going to tell us

1470

00:56:44,089 --> 00:56:42,359

or not there's a whole nother subject

1471

00:56:46,309 --> 00:56:44,099

going on today where

1472

00:56:47,630 --> 00:56:46,319

the government is basically

1473

00:56:49,430 --> 00:56:47,640

um insinuating that they're having a lot

1474

00:56:50,930 --> 00:56:49,440

of trouble with these recoveries

1475

00:56:52,609 --> 00:56:50,940

which is really interesting because we

1476

00:56:55,309 --> 00:56:52,619

hear about these recoveries UFO

1477

00:56:56,510 --> 00:56:55,319

Recoveries over the decades and um these

1478

00:56:58,609 --> 00:56:56,520

small things they're like blasting them

1479

00:56:59,569 --> 00:56:58,619

into a million pieces apparently it's

1480

00:57:02,390 --> 00:56:59,579

not

1481

00:57:04,490 --> 00:57:02,400

um as easy to shoot them with uh rounds

1482

00:57:06,170 --> 00:57:04,500

or ammunition they're you know they're

1483

00:57:07,670 --> 00:57:06,180

using missiles and heatseeker missiles

1484

00:57:10,549 --> 00:57:07,680

and all these other types of things and

1485

00:57:12,049 --> 00:57:10,559

they're blowing these things up and um I

1486

00:57:14,150 --> 00:57:12,059

guess they have the option for both but

1487

00:57:15,410 --> 00:57:14,160

in general explained it better than me

1488

00:57:16,970 --> 00:57:15,420

of course but I guess you know they're

1489

00:57:19,670 --> 00:57:16,980

using missiles that's probably making

1490

00:57:22,910 --> 00:57:19,680

the retrievals even harder the one in

1491

00:57:25,190 --> 00:57:22,920

Alaska was over frozen ocean I haven't

1492

00:57:29,210 --> 00:57:25,200

heard whether they got to it or not the

1493

00:57:31,849 --> 00:57:29,220

one in um I think it was in Canada they

1494

00:57:33,349 --> 00:57:31,859

had the United States uh the general was

1495

00:57:34,910 --> 00:57:33,359

saying they're still looking for it as

1496

00:57:36,950 --> 00:57:34,920

of yesterday I don't know if there's

1497

00:57:39,650 --> 00:57:36,960

been an update on that so we're just

1498

00:57:41,690 --> 00:57:39,660

we're getting to actually see insight

1499

00:57:44,089 --> 00:57:41,700

into the crash retrieval process which

1500

00:57:45,349 --> 00:57:44,099

is so fascinating for me because we've

1501

00:57:47,390 --> 00:57:45,359

been talking about Crash retrieval

1502

00:57:49,370 --> 00:57:47,400

programs crash retrieval programs UFOs

1503

00:57:52,490 --> 00:57:49,380

casualty for programs like that's been

1504

00:57:54,710 --> 00:57:52,500

main topic is the main buzzword for

1505

00:57:56,750 --> 00:57:54,720

years in the UFO community and now we're

1506

00:57:58,309 --> 00:57:56,760

actually seeing it happen

1507

00:57:59,990 --> 00:57:58,319

um and we're getting at least a little

1508

00:58:01,430 --> 00:58:00,000

bit of a glimpse into it I don't know

1509

00:58:03,109 --> 00:58:01,440

how transparent the government is being

1510

00:58:04,970 --> 00:58:03,119

about it some people think they're

1511

00:58:06,470 --> 00:58:04,980

really lying a lot and if these were

1512

00:58:08,089 --> 00:58:06,480

actual UFOs we'd never be hearing about

1513

00:58:09,890 --> 00:58:08,099

any of it

1514

00:58:10,970 --> 00:58:09,900

um and then other people are thinking

1515

00:58:11,930 --> 00:58:10,980

maybe they're telling the truth and

1516

00:58:13,549 --> 00:58:11,940

they're just being honest with the

1517

00:58:15,950 --> 00:58:13,559

troubles they're having

1518

00:58:18,470 --> 00:58:15,960

but it's just so cool to hear about

1519

00:58:20,630 --> 00:58:18,480

um anything being shot down and then

1520

00:58:22,490 --> 00:58:20,640

trying to be retrieved to me right like

1521

00:58:25,370 --> 00:58:22,500

I thought that was super cool too that

1522

00:58:27,710 --> 00:58:25,380

it broke into a million pieces hard to

1523

00:58:31,150 --> 00:58:27,720

Define exactly what it was a lot of

1524

00:58:35,210 --> 00:58:31,160

interesting questions about the

1525

00:58:38,089 --> 00:58:35,220

operational you know traits of this this

1526
00:58:40,789 --> 00:58:38,099
thing and speaking of operational traits

1527
00:58:44,089 --> 00:58:40,799
I recently heard this is kind of through

1528
00:58:46,750 --> 00:58:44,099
the rumor mill again however that some

1529
00:58:49,549 --> 00:58:46,760
of the pentagon's Next Generation

1530
00:58:53,930 --> 00:58:49,559
sixth generation stealth fighter jets

1531
00:58:56,569 --> 00:58:53,940
Etc have so much AI on them that there

1532
00:59:00,349 --> 00:58:56,579
is actually something on board which

1533
00:59:02,809 --> 00:59:00,359
tells Pilots whether uaps are

1534
00:59:05,210 --> 00:59:02,819
potentially harmful neutral or friendly

1535
00:59:07,370 --> 00:59:05,220
have you heard this at all

1536
00:59:09,650 --> 00:59:07,380
I haven't um man you hear a lot of cool

1537
00:59:12,289 --> 00:59:09,660
things I gotta um let me start calling

1538
00:59:14,930 --> 00:59:12,299

you more but uh I the main thing I heard

1539

00:59:17,089 --> 00:59:14,940

was that Elizondo um quote from like

1540

00:59:18,650 --> 00:59:17,099

2018 so this was old and it didn't have

1541

00:59:20,390 --> 00:59:18,660

anything to do with uh

1542

00:59:21,710 --> 00:59:20,400

bombers or anything like that but he was

1543

00:59:24,049 --> 00:59:21,720

just saying how we're able to identify

1544

00:59:25,730 --> 00:59:24,059

drones what make and model they are and

1545

00:59:27,410 --> 00:59:25,740

things like that now that was his

1546

00:59:29,150 --> 00:59:27,420

opinion I'm sure a bunch of people would

1547

00:59:31,010 --> 00:59:29,160

disagree with him on it

1548

00:59:32,390 --> 00:59:31,020

um but you know that's what that was

1549

00:59:35,210 --> 00:59:32,400

understood so that was the main thing I

1550

00:59:37,430 --> 00:59:35,220

had heard and I just wondered

1551

00:59:40,370 --> 00:59:37,440

um how is that possible uh but I guess

1552

00:59:42,289 --> 00:59:40,380

you know with technology and uh advanced

1553

00:59:44,150 --> 00:59:42,299

technology maybe according to Elizondo

1554

00:59:45,410 --> 00:59:44,160

they're able to do it I don't know but

1555

00:59:46,910 --> 00:59:45,420

it doesn't seem to be the case in the

1556

00:59:48,650 --> 00:59:46,920

shoot Bounds at least because I mean

1557

00:59:52,130 --> 00:59:48,660

they can't identify this stuff

1558

00:59:54,530 --> 00:59:52,140

so cool it is so cool and

1559

00:59:56,930 --> 00:59:54,540

um let me ask you this as usual you have

1560

00:59:59,870 --> 00:59:56,940

way more information than I expected

1561

01:00:01,970 --> 00:59:59,880

where can people keep in touch with what

1562

01:00:04,789 --> 01:00:01,980

you have going on read your blog and

1563

01:00:06,589 --> 01:00:04,799

keep up with everything Danny Silva

1564

01:00:07,870 --> 01:00:06,599

my old dog

1565

01:00:11,210 --> 01:00:07,880

com

1566

01:00:13,130 --> 01:00:11,220

stopped writing

1567

01:00:14,630 --> 01:00:13,140

um I'm just mainly a talking head on

1568

01:00:16,789 --> 01:00:14,640

social media if you really want to keep

1569

01:00:20,210 --> 01:00:16,799

up with me you can follow me on Twitter

1570

01:00:22,670 --> 01:00:20,220

which is civil record or Instagram Danny

1571

01:00:25,970 --> 01:00:22,680

silver record and I'm making just like a

1572

01:00:26,510 --> 01:00:25,980

social media talking head now mostly and

1573

01:00:28,549 --> 01:00:26,520

um

1574

01:00:29,569 --> 01:00:28,559

and that's about it if I come across a

1575

01:00:31,069 --> 01:00:29,579

really big story that I'm really

1576

01:00:32,809 --> 01:00:31,079

interested and I'll be writing about it

1577

01:00:34,490 --> 01:00:32,819

there's a lot more people writing these

1578

01:00:35,930 --> 01:00:34,500

days and mainstream media is involved

1579

01:00:37,670 --> 01:00:35,940

and I just I don't feel like I have to

1580

01:00:38,809 --> 01:00:37,680

write a blog about every little thing

1581

01:00:40,789 --> 01:00:38,819

anymore but I'll probably be talking

1582

01:00:44,270 --> 01:00:40,799

about it on Twitter

1583

01:00:47,089 --> 01:00:44,280

great research and investigation man

1584

01:00:49,789 --> 01:00:47,099

um the topics always the best and the

1585

01:00:53,690 --> 01:00:49,799

best part about it is that you are not

1586

01:00:57,589 --> 01:00:53,700

ever it's it's you never try to kind of

1587

01:01:01,010 --> 01:00:57,599

uh overdo it or you know say things that

1588

01:01:04,849 --> 01:01:01,020

are not true so I I appreciate your your

1589

01:01:06,890 --> 01:01:04,859

power to stay stable because uh as you

1590

01:01:08,990 --> 01:01:06,900

said a lot of people don't do that in

1591

01:01:10,730 --> 01:01:09,000

this field so everything that comes out

1592

01:01:12,710 --> 01:01:10,740

of your Camp I always

1593

01:01:14,690 --> 01:01:12,720

um keep it held pretty close and I think

1594

01:01:16,309 --> 01:01:14,700

it's it's good stuff thanks so much

1595

01:01:18,109 --> 01:01:16,319

Danny I appreciate you coming on with

1596

01:01:19,609 --> 01:01:18,119

such short notice and I hope we we talk

1597

01:01:21,890 --> 01:01:19,619

again soon

1598

01:01:24,349 --> 01:01:21,900

thanks Ryan it's an exciting time and uh

1599

01:01:25,549 --> 01:01:24,359

man it's fast moving and I'm excited I'm

1600

01:01:28,069 --> 01:01:25,559

just waiting to see what happens next

1601

01:01:30,410 --> 01:01:28,079

man thank you thank you

1602

01:01:34,250 --> 01:01:30,420

well there you have it guys

1603

01:01:37,190 --> 01:01:34,260

Danny Silva he's a straight shooter he

1604

01:01:40,190 --> 01:01:37,200

never embellishes sticks to the facts

1605

01:01:41,270 --> 01:01:40,200

does his research and investigations on

1606

01:01:44,750 --> 01:01:41,280

The Daily

1607

01:01:48,349 --> 01:01:44,760

and he always has a ton of information

1608

01:01:50,109 --> 01:01:48,359

I'm very very interested in where this

1609

01:01:53,990 --> 01:01:50,119

is all going to lead

1610

01:01:56,450 --> 01:01:54,000

and given his track record I'm uh I'm

1611

01:01:58,130 --> 01:01:56,460

gonna go with Danny and his Camp of what

1612

01:02:00,470 --> 01:01:58,140

might take place here

1613

01:02:04,130 --> 01:02:00,480

he's definitely the guy to follow on

1614

01:02:06,170 --> 01:02:04,140

social media look him up keep tabs on

1615

01:02:07,490 --> 01:02:06,180

what is taking place he's talking to all

1616

01:02:09,710 --> 01:02:07,500

the right people

1617

01:02:12,289 --> 01:02:09,720

and until next time keep your eyes to

1618

01:02:23,270 --> 01:02:12,299

the skies feet on the ground but don't

1619

01:02:49,680 --> 01:02:23,710

foreign
