

**Ryder Lee**

**POWER**

**ON**

**OFF**

**Secret Mind  
Control  
Programs**

1  
00:00:01,319 --> 00:00:05,110  
foreign

2  
00:00:11,930 --> 00:00:09,049  
Blast Off on another epic episode of the

3  
00:00:14,049 --> 00:00:11,940  
hyper anomalous esoteric research

4  
00:00:17,590 --> 00:00:14,059  
organization podcast

5  
00:00:20,630 --> 00:00:17,600  
AKA hero paranormal

6  
00:00:23,029 --> 00:00:20,640  
broadcasting just south of the old

7  
00:00:26,689 --> 00:00:23,039  
Sherman Ranch in the uena Basin of Utah

8  
00:00:29,509 --> 00:00:26,699  
my name is Ryan the anomalous ambassador

9  
00:00:33,470 --> 00:00:29,519  
of the airwaves bringing you an epic

10  
00:00:41,810 --> 00:00:37,389  
is it possible that the declassification

11  
00:00:45,290 --> 00:00:41,820  
of certain documents and programs

12  
00:00:49,130 --> 00:00:45,300  
are giving us a rare Glimpse inside

13  
00:00:50,569 --> 00:00:49,140

black budget projects run by sorceress

14

00:00:53,690 --> 00:00:50,579

Elites

15

00:00:56,209 --> 00:00:53,700

shocking revelations are brought by

16

00:00:58,729 --> 00:00:56,219

groundbreaking podcaster and

17

00:01:01,010 --> 00:00:58,739

investigator Ryder Lee

18

00:01:04,670 --> 00:01:01,020

you may know Ryder from his popular

19

00:01:07,929 --> 00:01:04,680

podcast raised by Giants

20

00:01:11,810 --> 00:01:07,939

we are going to address project Monarch

21

00:01:13,789 --> 00:01:11,820

hallucinogens Cindy Gottlieb MK Ultra

22

00:01:16,730 --> 00:01:13,799

remote viewing

23

00:01:19,609 --> 00:01:16,740

and even a little bit of this secret

24

00:01:22,010 --> 00:01:19,619

space program regardless of your

25

00:01:24,230 --> 00:01:22,020

thoughts on this

26

00:01:28,130 --> 00:01:24,240

it's gonna get weird

27

00:01:30,649 --> 00:01:28,140

and we are going to delve into what it

28

00:01:33,530 --> 00:01:30,659

all really means when it comes to

29

00:01:36,590 --> 00:01:33,540

manipulating our reality and controlling

30

00:01:42,410 --> 00:01:39,530

if you have not

31

00:01:45,050 --> 00:01:42,420

gone over to patreon and looked up hero

32

00:01:48,109 --> 00:01:45,060

paranormal and subscribed I highly

33

00:01:50,929 --> 00:01:48,119

recommend it there is a ton of content

34

00:01:54,530 --> 00:01:50,939

behind the paywall you're missing out on

35

00:01:59,630 --> 00:01:54,540

you can also access that content via

36

00:02:16,160 --> 00:02:02,389

well get ready to blast off on another

37

00:02:16,170 --> 00:02:40,570

[Music]

38

00:02:45,890 --> 00:02:43,369

let's talk

39

00:02:49,130 --> 00:02:45,900

we've got a great guest today Ryder Lee

40

00:02:51,170 --> 00:02:49,140

it's not hard to promote Ryder he sort

41

00:02:53,089 --> 00:02:51,180

of sells himself with all the

42

00:02:55,850 --> 00:02:53,099

groundbreaking investigative work he

43

00:02:58,550 --> 00:02:55,860

does and his podcasting he's one of my

44

00:03:00,770 --> 00:02:58,560

favorite guys to talk about and to talk

45

00:03:03,410 --> 00:03:00,780

to so

46

00:03:04,610 --> 00:03:03,420

Ryder Lee welcome to the hero paranormal

47

00:03:06,530 --> 00:03:04,620

podcast

48

00:03:09,470 --> 00:03:06,540

thanks so much Ryan appreciate you

49

00:03:11,210 --> 00:03:09,480

having me back on this is what the third

50

00:03:12,649 --> 00:03:11,220

third time you've been on my show three

51  
00:03:14,330 --> 00:03:12,659  
times I think and this is the third one

52  
00:03:16,729 --> 00:03:14,340  
on yours so I appreciate you my friend

53  
00:03:19,190 --> 00:03:16,739  
I'm looking forward to diving into some

54  
00:03:22,250 --> 00:03:19,200  
awesome topics with you yeah I think

55  
00:03:25,130 --> 00:03:22,260  
this is like uh I think it's a trifecta

56  
00:03:27,710 --> 00:03:25,140  
this is three I think that that's great

57  
00:03:29,149 --> 00:03:27,720  
I'm super excited and stoked about this

58  
00:03:31,610 --> 00:03:29,159  
one because we're going to be going into

59  
00:03:34,610 --> 00:03:31,620  
the darker than dark projects black

60  
00:03:36,949 --> 00:03:34,620  
projects remote viewing all sorts of

61  
00:03:38,449 --> 00:03:36,959  
strange areas where you've been doing a

62  
00:03:42,710 --> 00:03:38,459  
ton of research talking to the right

63  
00:03:47,750 --> 00:03:45,890

well Ryan I think that where well I

64

00:03:49,550 --> 00:03:47,760

guess we can go to where this really

65

00:03:51,949 --> 00:03:49,560

started for me and

66

00:03:55,190 --> 00:03:51,959

um I started investigating into the MK

67

00:03:57,170 --> 00:03:55,200

Ultra programs and the 149 Declassified

68

00:03:59,869 --> 00:03:57,180

MK Ultra project

69

00:04:02,630 --> 00:03:59,879

and I was reading through all those and

70

00:04:05,809 --> 00:04:02,640

I'm discovering that there's four or

71

00:04:07,449 --> 00:04:05,819

five sub projects that were dedicated

72

00:04:11,270 --> 00:04:07,459

just to

73

00:04:15,229 --> 00:04:11,280

researching ESP remote viewing and

74

00:04:16,729 --> 00:04:15,239

psychic abilities right and I'm like

75

00:04:19,009 --> 00:04:16,739

digging deep into that and then I'm also

76

00:04:22,450 --> 00:04:19,019

realizing that almost all of these

77

00:04:26,830 --> 00:04:22,460

sub-projects involve some kind of

78

00:04:29,749 --> 00:04:26,840

hallucinogenic substance uh mushrooms

79

00:04:34,189 --> 00:04:29,759

LSD which we know Sydney Gottlieb was

80

00:04:37,930 --> 00:04:34,199

the head of all of these programs and he

81

00:04:40,610 --> 00:04:37,940

had a brother that was a plant biologist

82

00:04:42,710 --> 00:04:40,620

and there's not any confirmation or any

83

00:04:44,749 --> 00:04:42,720

facts surrounding if his brother

84

00:04:47,450 --> 00:04:44,759

actually

85

00:04:50,689 --> 00:04:47,460

created a lot of the medications that he

86

00:04:52,189 --> 00:04:50,699

would experiment on subjects in the MK

87

00:04:53,810 --> 00:04:52,199

Ultra programs or not but I just thought

88

00:04:55,730 --> 00:04:53,820

that that was an interesting little side

89

00:04:57,170 --> 00:04:55,740

note there that he had a brother that

90

00:04:58,790 --> 00:04:57,180

was a plant biologist and he's

91

00:05:02,090 --> 00:04:58,800

experimenting on all these different

92

00:05:05,330 --> 00:05:02,100

chemicals and stuff in there and

93

00:05:09,610 --> 00:05:05,340

also I found out that a lot of the

94

00:05:13,189 --> 00:05:09,620

medications that people are on today

95

00:05:16,749 --> 00:05:13,199

come directly out of the MK Ultra

96

00:05:19,689 --> 00:05:16,759

programs as well like antidepressants

97

00:05:23,870 --> 00:05:19,699

anti-psychotics uh

98

00:05:25,850 --> 00:05:23,880

Adderall Ritalin you know and then we

99

00:05:28,550 --> 00:05:25,860

see this uptick in all of these

100

00:05:31,070 --> 00:05:28,560

medications in like the early 90s you

101  
00:05:32,749 --> 00:05:31,080  
know even into the 2000s it starts

102  
00:05:35,990 --> 00:05:32,759  
hitting like really really hard like you

103  
00:05:37,670 --> 00:05:36,000  
have a kid that um you know they take

104  
00:05:40,070 --> 00:05:37,680  
them to the doctor and you can't set

105  
00:05:43,430 --> 00:05:40,080  
still he's just being a kid right and

106  
00:05:47,210 --> 00:05:43,440  
they'll put the child on the Adderall

107  
00:05:49,610 --> 00:05:47,220  
Ritalin you know so and those

108  
00:05:51,890 --> 00:05:49,620  
medications came directly out of the MK

109  
00:05:53,570 --> 00:05:51,900  
Ultra program so it's like

110  
00:05:56,390 --> 00:05:53,580  
I'm putting all these things together

111  
00:05:59,090 --> 00:05:56,400  
and I'm really trying to dig down deep

112  
00:06:01,870 --> 00:05:59,100  
into exactly what's going on here and

113  
00:06:04,310 --> 00:06:01,880

then I start getting into the Stargate

114

00:06:08,689 --> 00:06:04,320

project which

115

00:06:13,730 --> 00:06:08,699

is a Dia Army intelligence ran program

116

00:06:15,290 --> 00:06:13,740

to study uh ESP study remote viewing and

117

00:06:19,249 --> 00:06:15,300

they had an official special Access

118

00:06:20,710 --> 00:06:19,259

program the Army started in

119

00:06:24,409 --> 00:06:20,720

um

120

00:06:28,070 --> 00:06:24,419

75 and then Dia started its special

121

00:06:29,689 --> 00:06:28,080

Access program officially in 79.

122

00:06:31,309 --> 00:06:29,699

and

123

00:06:33,770 --> 00:06:31,319

I thought this was interesting because

124

00:06:35,930 --> 00:06:33,780

the they were already doing this during

125

00:06:38,090 --> 00:06:35,940

the MK Ultra programs and then when

126  
00:06:41,210 --> 00:06:38,100  
Stanford Research Institute

127  
00:06:43,430 --> 00:06:41,220  
they split from Stanford in 1970 and

128  
00:06:45,710 --> 00:06:43,440  
then they became known as

129  
00:06:49,430 --> 00:06:45,720  
the Stanford Research Institute

130  
00:06:51,830 --> 00:06:49,440  
International in 1973 and then they

131  
00:06:54,909 --> 00:06:51,840  
became funded by the CIA through

132  
00:06:57,409 --> 00:06:54,919  
directly through Sydney Gottlieb until

133  
00:07:00,350 --> 00:06:57,419  
uh 75

134  
00:07:04,010 --> 00:07:00,360  
and then the Air Force picked up the

135  
00:07:06,290 --> 00:07:04,020  
rest of the funding to Sri so all these

136  
00:07:09,170 --> 00:07:06,300  
three-letter organizations had their

137  
00:07:10,249 --> 00:07:09,180  
hands in funding this kind of research

138  
00:07:12,830 --> 00:07:10,259

they were doing

139

00:07:14,749 --> 00:07:12,840

they're you know the research on their

140

00:07:16,070 --> 00:07:14,759

own and then it was supposed to be given

141

00:07:19,670 --> 00:07:16,080

back to

142

00:07:21,290 --> 00:07:19,680

the CIA in 95 and then the CIA just shut

143

00:07:22,850 --> 00:07:21,300

down the Stargate project now the

144

00:07:25,370 --> 00:07:22,860

Stargate project went by many different

145

00:07:28,550 --> 00:07:25,380

code names as I'm sure that you're aware

146

00:07:30,670 --> 00:07:28,560

Ryan and went by grow flame Sun streak

147

00:07:34,010 --> 00:07:30,680

uh

148

00:07:36,230 --> 00:07:34,020

a a some I can't remember the the other

149

00:07:39,230 --> 00:07:36,240

one but there was many code names for

150

00:07:42,469 --> 00:07:39,240

the projects and they were they did that

151  
00:07:44,749 --> 00:07:42,479  
all the time in the cold War I mean when

152  
00:07:47,330 --> 00:07:44,759  
you look at prices work whenever he

153  
00:07:49,610 --> 00:07:47,340  
remote viewed that uh secret military

154  
00:07:52,969 --> 00:07:49,620  
base in West Virginia he was able to

155  
00:07:55,430 --> 00:07:52,979  
literally see inside of the base and

156  
00:07:59,210 --> 00:07:55,440  
read all the paperwork that was within

157  
00:08:01,490 --> 00:07:59,220  
that base and they also used code words

158  
00:08:03,290 --> 00:08:01,500  
and code names for all of the projects

159  
00:08:05,809 --> 00:08:03,300  
that they were doing there too and it

160  
00:08:07,550 --> 00:08:05,819  
all revolved around uh Billiards

161  
00:08:10,490 --> 00:08:07,560  
you know it would be like

162  
00:08:12,050 --> 00:08:10,500  
um you know eight ball project or you

163  
00:08:14,089 --> 00:08:12,060

know stuff like that so

164

00:08:17,930 --> 00:08:14,099

it's really interesting and it gets very

165

00:08:20,629 --> 00:08:17,940

very convoluted and I have all of the

166

00:08:22,790 --> 00:08:20,639

Stargate Declassified documents I have

167

00:08:25,730 --> 00:08:22,800

all of the grill Flames Declassified

168

00:08:27,950 --> 00:08:25,740

documents and the MK Ultra Declassified

169

00:08:30,950 --> 00:08:27,960

documents and

170

00:08:32,389 --> 00:08:30,960

just going through there and I brought a

171

00:08:35,510 --> 00:08:32,399

lot of these people on my show because

172

00:08:39,589 --> 00:08:35,520

this is another angle of this too right

173

00:08:42,350 --> 00:08:39,599

is that the people in uh secret space

174

00:08:43,850 --> 00:08:42,360

program asset people and the super

175

00:08:46,250 --> 00:08:43,860

soldiers they all talk about the

176  
00:08:48,710 --> 00:08:46,260  
Stargate project like it was an actual

177  
00:08:52,070 --> 00:08:48,720  
project to open up like a legitimate

178  
00:08:53,750 --> 00:08:52,080  
portal or like a real Stargate and you

179  
00:08:55,370 --> 00:08:53,760  
could go through the Stargate and then

180  
00:08:57,350 --> 00:08:55,380  
you would you know go to a different

181  
00:09:00,530 --> 00:08:57,360  
dimension or a different reality or

182  
00:09:03,710 --> 00:09:00,540  
another planet and all of that right or

183  
00:09:05,870 --> 00:09:03,720  
go to a an alternate reality or or

184  
00:09:08,150 --> 00:09:05,880  
whatever is going on there and I was

185  
00:09:10,550 --> 00:09:08,160  
like nah I don't think that that's

186  
00:09:12,230 --> 00:09:10,560  
what's going on and I knew that the DIA

187  
00:09:13,310 --> 00:09:12,240  
had a program it was called the Stargate

188  
00:09:16,310 --> 00:09:13,320

project

189

00:09:18,650 --> 00:09:16,320

so I just reached out to all of those

190

00:09:22,250 --> 00:09:18,660

people that were legitimately involved

191

00:09:23,810 --> 00:09:22,260

in the military operations you collect

192

00:09:26,449 --> 00:09:23,820

intelligence information and

193

00:09:29,090 --> 00:09:26,459

intelligence data on foreign assessments

194

00:09:30,650 --> 00:09:29,100

so so far I've had Angela Ford she was

195

00:09:32,449 --> 00:09:30,660

my first guest that was officially a

196

00:09:34,670 --> 00:09:32,459

part of the Stargate project the next

197

00:09:37,190 --> 00:09:34,680

one was Lynn Buchanan then Dr David

198

00:09:40,310 --> 00:09:37,200

Morehouse Dell graft and then most

199

00:09:44,269 --> 00:09:40,320

recently uh Dr Paul Smith

200

00:09:47,690 --> 00:09:44,279

so I really did that to try and

201  
00:09:49,750 --> 00:09:47,700  
debunk what a lot of what you could call

202  
00:09:53,150 --> 00:09:49,760  
uh

203  
00:09:55,090 --> 00:09:53,160  
wakadus in the community to let them

204  
00:09:59,630 --> 00:09:55,100  
realize that what they're talking about

205  
00:10:01,190 --> 00:09:59,640  
doesn't line up with reality and

206  
00:10:03,410 --> 00:10:01,200  
that's the reason that I brought all

207  
00:10:05,150 --> 00:10:03,420  
these people on my show and also to you

208  
00:10:07,070 --> 00:10:05,160  
know study and figure out what's really

209  
00:10:10,550 --> 00:10:07,080  
going on because there's there's a lot

210  
00:10:12,829 --> 00:10:10,560  
of things that just don't line up within

211  
00:10:16,430 --> 00:10:12,839  
the community that ha that is not

212  
00:10:19,190 --> 00:10:16,440  
reality based but one of them well two

213  
00:10:21,230 --> 00:10:19,200

of them is for sure that's done because

214

00:10:23,810 --> 00:10:21,240

there's Declassified documents on it is

215

00:10:26,690 --> 00:10:23,820

the MK Ultra programs and the Stargate

216

00:10:28,610 --> 00:10:26,700

project and very verifiable

217

00:10:30,829 --> 00:10:28,620

you can look either one of those

218

00:10:34,070 --> 00:10:30,839

programs up and read through all those

219

00:10:36,070 --> 00:10:34,080

Declassified documents it's they're both

220

00:10:39,769 --> 00:10:36,080

very real

221

00:10:43,430 --> 00:10:39,779

projects in very verifiable

222

00:10:46,130 --> 00:10:43,440

um reality so

223

00:10:48,769 --> 00:10:46,140

yeah and I'm really glad that you

224

00:10:51,889 --> 00:10:48,779

mentioned there is you're cutting to the

225

00:10:53,509 --> 00:10:51,899

chase with people like Angela Ford Lynn

226

00:10:55,790 --> 00:10:53,519

Buchanan

227

00:10:58,310 --> 00:10:55,800

um Dale Morehouse Paul Smith because

228

00:11:02,810 --> 00:10:58,320

anymore it seems like all you have to do

229

00:11:05,210 --> 00:11:02,820

is go to a UFO conference or uh Expo and

230

00:11:08,389 --> 00:11:05,220

I mean remote viewing is kind of the new

231

00:11:10,370 --> 00:11:08,399

catchphrase you know it's like do are

232

00:11:13,310 --> 00:11:10,380

you vegan it's like everybody remote

233

00:11:16,190 --> 00:11:13,320

views and that's just not exactly

234

00:11:18,829 --> 00:11:16,200

compatible with the realistic history

235

00:11:21,350 --> 00:11:18,839

and the controlled the CRV the

236

00:11:23,569 --> 00:11:21,360

controlled remote viewing techniques

237

00:11:26,090 --> 00:11:23,579

that were used by the military so I

238

00:11:28,550 --> 00:11:26,100

think that's super important that you

239

00:11:32,930 --> 00:11:28,560

know the CIA wasn't funding all of these

240

00:11:34,970 --> 00:11:32,940

other more uh Bohemian style remote

241

00:11:37,610 --> 00:11:34,980

viewing

242

00:11:40,490 --> 00:11:37,620

angles that I mean because it seems like

243

00:11:42,650 --> 00:11:40,500

you know I I have found it I'm sure

244

00:11:46,069 --> 00:11:42,660

you've found that when you start talking

245

00:11:48,590 --> 00:11:46,079

secret space program and remote viewing

246

00:11:50,750 --> 00:11:48,600

that it goes to really random crazy

247

00:11:53,810 --> 00:11:50,760

places and

248

00:11:57,350 --> 00:11:53,820

um speaking of that what are your

249

00:11:59,710 --> 00:11:57,360

thoughts of the Mars jump room

250

00:12:09,350 --> 00:12:04,310

see this is where a lot of confusing

251

00:12:17,150 --> 00:12:12,350

see we don't we tend to want to just

252

00:12:19,910 --> 00:12:17,160

look at the fairy tale uh nonsensical uh

253

00:12:21,530 --> 00:12:19,920

extra dimensional aspect of this whole

254

00:12:23,990 --> 00:12:21,540

thing and people talking about things

255

00:12:26,690 --> 00:12:24,000

that we have absolutely no idea about

256

00:12:28,009 --> 00:12:26,700

and that they they're the only ones to

257

00:12:30,110 --> 00:12:28,019

have that information and they're the

258

00:12:31,670 --> 00:12:30,120

only ones that can disseminate that

259

00:12:34,790 --> 00:12:31,680

information but whenever you start

260

00:12:39,170 --> 00:12:34,800

bringing it down to earth I'm talking

261

00:12:43,009 --> 00:12:39,180

about real programs that actually happen

262

00:12:44,530 --> 00:12:43,019

here and you start looking at all of the

263

00:12:49,850 --> 00:12:44,540

psychological

264

00:12:51,829 --> 00:12:49,860

experiments that these three letter

265

00:12:54,710 --> 00:12:51,839

organizations were doing that the

266

00:12:57,650 --> 00:12:54,720

military was doing you start to

267

00:12:59,930 --> 00:12:57,660

understand that it's a very high

268

00:13:04,150 --> 00:12:59,940

possibility that a lot of this

269

00:13:07,910 --> 00:13:04,160

phenomenon can be boiled down to a

270

00:13:09,829 --> 00:13:07,920

psychological experiment and that it's

271

00:13:13,250 --> 00:13:09,839

actually happening

272

00:13:15,949 --> 00:13:13,260

in your head it's not external to you

273

00:13:18,170 --> 00:13:15,959

and Carl Young actually talks about that

274

00:13:21,710 --> 00:13:18,180

too he talks about the abduction

275

00:13:25,490 --> 00:13:21,720

phenomenon being something in our psyche

276  
00:13:29,090 --> 00:13:25,500  
that we have yet to understand

277  
00:13:31,190 --> 00:13:29,100  
and I personally believe that a lot of

278  
00:13:34,190 --> 00:13:31,200  
these memories and a lot of these things

279  
00:13:36,829 --> 00:13:34,200  
that people recover later on in their

280  
00:13:39,050 --> 00:13:36,839  
life was planted there

281  
00:13:42,590 --> 00:13:39,060  
on purpose because we know that that's

282  
00:13:45,410 --> 00:13:42,600  
what the MK ultra's role was to do it

283  
00:13:48,110 --> 00:13:45,420  
was to be pattern your mind

284  
00:13:50,150 --> 00:13:48,120  
which is done through a myriad of ways a

285  
00:13:53,449 --> 00:13:50,160  
lot of times torture now people take

286  
00:13:57,230 --> 00:13:53,459  
torture as like you're being beaten or

287  
00:13:58,790 --> 00:13:57,240  
that you're being uh you know hurt in

288  
00:14:00,889 --> 00:13:58,800

some kind of way or that you're being

289

00:14:03,050 --> 00:14:00,899

tied up and like well it doesn't have to

290

00:14:06,889 --> 00:14:03,060

be that it could be way more subtle it

291

00:14:09,410 --> 00:14:06,899

could be way way easier than that you

292

00:14:14,150 --> 00:14:09,420

know they can have you

293

00:14:16,490 --> 00:14:14,160

put your hands on the wall uh for 15 to

294

00:14:18,230 --> 00:14:16,500

16 hours a day you know in like an L

295

00:14:21,050 --> 00:14:18,240

position with your hands on the wall and

296

00:14:24,350 --> 00:14:21,060

you're not able to move you know I mean

297

00:14:26,269 --> 00:14:24,360

it's as simple as that is just because

298

00:14:28,250 --> 00:14:26,279

you've been uh d-pattern or you've been

299

00:14:30,790 --> 00:14:28,260

through one of these actual MK launcher

300

00:14:34,190 --> 00:14:30,800

programs doesn't mean that it was

301  
00:14:36,110 --> 00:14:34,200  
horrendous to you like physically it's a

302  
00:14:37,670 --> 00:14:36,120  
psychological break they want to break

303  
00:14:39,530 --> 00:14:37,680  
your mind

304  
00:14:42,829 --> 00:14:39,540  
they want to split your Consciousness

305  
00:14:46,550 --> 00:14:42,839  
and in half basically and then create

306  
00:14:49,790 --> 00:14:46,560  
this other persona this other

307  
00:14:52,370 --> 00:14:49,800  
um compartmentalization of your brain

308  
00:14:55,189 --> 00:14:52,380  
and then feed that compartmentalization

309  
00:14:57,110 --> 00:14:55,199  
with your brain with false ideas false

310  
00:14:59,449 --> 00:14:57,120  
beliefs

311  
00:15:01,009 --> 00:14:59,459  
um false implanted

312  
00:15:03,949 --> 00:15:01,019  
memories

313  
00:15:06,110 --> 00:15:03,959

now I believe that the reason for that

314

00:15:08,030 --> 00:15:06,120

is to

315

00:15:10,850 --> 00:15:08,040

cover up

316

00:15:13,850 --> 00:15:10,860

real operations

317

00:15:17,269 --> 00:15:13,860

what we might actually be doing in Space

318

00:15:19,610 --> 00:15:17,279

the the militarization of space what we

319

00:15:22,189 --> 00:15:19,620

might actually be doing with psychics

320

00:15:26,210 --> 00:15:22,199

and remote viewers in these three letter

321

00:15:28,970 --> 00:15:26,220

organizations and uh top secret projects

322

00:15:32,269 --> 00:15:28,980

you know and the MK Ultra stuff you know

323

00:15:35,389 --> 00:15:32,279

I had Kathy O'Brien on my show I've had

324

00:15:38,530 --> 00:15:35,399

around twice now and

325

00:15:41,870 --> 00:15:38,540

it really seems like Ryan that

326

00:15:45,949 --> 00:15:41,880

they were afraid

327

00:15:47,569 --> 00:15:45,959

of people rising up and going to uh

328

00:15:49,970 --> 00:15:47,579

Congress and going to government

329

00:15:53,930 --> 00:15:49,980

officials and being like this is what

330

00:15:57,110 --> 00:15:53,940

you did to me you know you you created a

331

00:15:59,210 --> 00:15:57,120

person that you can 100 percent control

332

00:16:01,250 --> 00:15:59,220

you know when you look at the MK Ultra

333

00:16:03,350 --> 00:16:01,260

and the Monarch programs

334

00:16:04,129 --> 00:16:03,360

you see that it was all earth-based

335

00:16:07,750 --> 00:16:04,139

stuff

336

00:16:11,569 --> 00:16:07,760

they were being used for uh

337

00:16:13,009 --> 00:16:11,579

things that I can't exactly say on here

338

00:16:15,889 --> 00:16:13,019

but

339

00:16:19,129 --> 00:16:15,899

like at a White House kind of Pentagon

340

00:16:22,310 --> 00:16:19,139

level with trafficking and uh drug mule

341

00:16:23,949 --> 00:16:22,320

and a lot of sometimes assassins

342

00:16:28,189 --> 00:16:23,959

disinformation

343

00:16:29,329 --> 00:16:28,199

uh people misinformation people you know

344

00:16:36,050 --> 00:16:29,339

and

345

00:16:40,610 --> 00:16:36,060

cover up what they've been doing in the

346

00:16:45,769 --> 00:16:43,069

false implanted memories to get people

347

00:16:48,050 --> 00:16:45,779

talking about something they cannot ever

348

00:16:51,769 --> 00:16:48,060

be proven

349

00:16:53,749 --> 00:16:51,779

in order to get everyone believing in

350

00:16:56,629 --> 00:16:53,759

that and then whenever they all believe

351  
00:16:59,710 --> 00:16:56,639  
in the fairy tale nonsense story space

352  
00:17:03,590 --> 00:16:59,720  
battle 20 and back advanced technology

353  
00:17:04,850 --> 00:17:03,600  
nonsense the real thing

354  
00:17:07,010 --> 00:17:04,860  
can

355  
00:17:09,949 --> 00:17:07,020  
basically be covered up on the planet

356  
00:17:13,789 --> 00:17:09,959  
including MK Ultra including psychic

357  
00:17:16,010 --> 00:17:13,799  
spies including uh remote uh possibly

358  
00:17:18,770 --> 00:17:16,020  
remote assassins or remote control

359  
00:17:20,569 --> 00:17:18,780  
people what what might be going on with

360  
00:17:23,150 --> 00:17:20,579  
the militarization of space what we

361  
00:17:26,150 --> 00:17:23,160  
actually have going on in space

362  
00:17:27,710 --> 00:17:26,160  
um you know people possibly humans on

363  
00:17:31,250 --> 00:17:27,720

the moon and possibly

364

00:17:33,350 --> 00:17:31,260

humans on Mars as well and that's

365

00:17:35,330 --> 00:17:33,360

something that they would really want to

366

00:17:38,810 --> 00:17:35,340

cover up so they created this whole

367

00:17:41,750 --> 00:17:38,820

Narrative of secret space program assets

368

00:17:44,029 --> 00:17:41,760

and super soldier assets saving the

369

00:17:45,490 --> 00:17:44,039

world from Evil aliens and evil

370

00:17:49,190 --> 00:17:45,500

reptilians

371

00:17:51,409 --> 00:17:49,200

man it is so important it it this is

372

00:17:53,270 --> 00:17:51,419

this is so huge and you've like zoomed

373

00:17:56,870 --> 00:17:53,280

into a bunch of the stuff that I think

374

00:18:00,770 --> 00:17:56,880

is the most important which is you know

375

00:18:04,669 --> 00:18:00,780

yeah if you have these crazy theories

376

00:18:07,310 --> 00:18:04,679

and conspiracies that go way beyond the

377

00:18:09,169 --> 00:18:07,320

line of comprehension and all kinds of

378

00:18:13,669 --> 00:18:09,179

people backing it

379

00:18:17,450 --> 00:18:13,679

you surely can avoid more of the mundane

380

00:18:22,250 --> 00:18:17,460

accusations being made towards uh

381

00:18:25,370 --> 00:18:22,260

particular projects and you know at the

382

00:18:28,250 --> 00:18:25,380

same time we know that

383

00:18:31,190 --> 00:18:28,260

people like the CIA the government and

384

00:18:33,710 --> 00:18:31,200

and such they can't fight fair and and I

385

00:18:35,630 --> 00:18:33,720

I understand it you know my my

386

00:18:37,130 --> 00:18:35,640

father-in-law was a Navy SEAL and he

387

00:18:38,870 --> 00:18:37,140

explained to me I remember once I'm like

388

00:18:40,970 --> 00:18:38,880

oh I'm sure they like you know trained

389

00:18:43,669 --> 00:18:40,980

you in karate or Jujitsu or something

390

00:18:48,169 --> 00:18:43,679

and he was like no no they they they

391

00:18:50,630 --> 00:18:48,179

they train you to fight dirty and uh you

392

00:18:53,090 --> 00:18:50,640

know you you are trained to basically

393

00:18:55,730 --> 00:18:53,100

win no matter what and our intelligence

394

00:18:59,029 --> 00:18:55,740

Community is also trained along the same

395

00:19:00,830 --> 00:18:59,039

lines so it only makes sense that they

396

00:19:02,450 --> 00:19:00,840

would do this sort of stuff because it

397

00:19:05,870 --> 00:19:02,460

is you know

398

00:19:07,430 --> 00:19:05,880

for the protection of civilians and at

399

00:19:09,710 --> 00:19:07,440

the end of the day it's so you know our

400

00:19:12,950 --> 00:19:09,720

water stays on our heat stays on we keep

401  
00:19:15,110 --> 00:19:12,960  
paying taxes yada yada and I think it's

402  
00:19:18,169 --> 00:19:15,120  
super important that you mention

403  
00:19:21,850 --> 00:19:18,179  
how crazy with the SSP and a lot of this

404  
00:19:24,710 --> 00:19:21,860  
other stuff how willing people are to

405  
00:19:26,990 --> 00:19:24,720  
acknowledge and believe one hundred

406  
00:19:29,930 --> 00:19:27,000  
percent of it no matter where it's

407  
00:19:33,409 --> 00:19:29,940  
coming from and that that's a big deal

408  
00:19:36,110 --> 00:19:33,419  
because there's a lot of real stuff that

409  
00:19:38,529 --> 00:19:36,120  
you mentioned with Monarch MK Ultra

410  
00:19:41,390 --> 00:19:38,539  
Sydney Godley remote viewing the use of

411  
00:19:45,230 --> 00:19:41,400  
hallucinogenics and all of these Army

412  
00:19:47,750 --> 00:19:45,240  
intelligence programs Dia SRI I mean all

413  
00:19:50,330 --> 00:19:47,760

the three letter agencies doing the real

414

00:19:53,570 --> 00:19:50,340

business behind closed doors and you

415

00:19:56,870 --> 00:19:53,580

know I I remember this takes me back I

416

00:19:59,150 --> 00:19:56,880

remember when I I went to my first SSE

417

00:20:01,850 --> 00:19:59,160

meeting which is the society for

418

00:20:03,890 --> 00:20:01,860

scientific exploration of which I'm a

419

00:20:07,190 --> 00:20:03,900

member and

420

00:20:09,950 --> 00:20:07,200

I realized quickly that this stuff is

421

00:20:12,529 --> 00:20:09,960

real there are people doing this and

422

00:20:13,970 --> 00:20:12,539

there's people like uh when I went to my

423

00:20:15,850 --> 00:20:13,980

first irva meeting which is the

424

00:20:18,289 --> 00:20:15,860

international remote viewers Association

425

00:20:21,890 --> 00:20:18,299

I realized you know we're just talking

426

00:20:25,010 --> 00:20:21,900

over you know as people have these

427

00:20:27,230 --> 00:20:25,020

demonstrations and you know people there

428

00:20:30,590 --> 00:20:27,240

are people that remote view for a living

429

00:20:32,990 --> 00:20:30,600

so these are very real obviously these

430

00:20:35,930 --> 00:20:33,000

are masters of their craft not people

431

00:20:37,789 --> 00:20:35,940

that are you know Outback just shooting

432

00:20:40,250 --> 00:20:37,799

the crap behind the bar saying oh yeah I

433

00:20:41,870 --> 00:20:40,260

remote view on the weekends this is real

434

00:20:46,430 --> 00:20:41,880

stuff and

435

00:20:49,730 --> 00:20:46,440

it is unfortunately very tainted because

436

00:20:53,029 --> 00:20:49,740

of everybody accepting everything and

437

00:20:55,789 --> 00:20:53,039

Yeah the secret space program thing that

438

00:20:58,549 --> 00:20:55,799

really reminds me of someone I know you

439

00:21:01,549 --> 00:20:58,559

know and someone I I respect very much

440

00:21:03,590 --> 00:21:01,559

which is Shane Bales and I love what he

441

00:21:07,190 --> 00:21:03,600

mentioned that the secret space is

442

00:21:10,970 --> 00:21:07,200

between your ears am I right exactly

443

00:21:12,830 --> 00:21:10,980

that's exactly what it is and I my

444

00:21:15,970 --> 00:21:12,840

personal belief and there's no proof

445

00:21:18,289 --> 00:21:15,980

behind this this is just a theory and

446

00:21:20,930 --> 00:21:18,299

speculation right and I want to make

447

00:21:24,890 --> 00:21:20,940

that very clear here

448

00:21:27,169 --> 00:21:24,900

but I believe that the MK Ultra programs

449

00:21:30,710 --> 00:21:27,179

were doubling as something else there

450

00:21:33,230 --> 00:21:30,720

was a another reason to do that and what

451  
00:21:36,350 --> 00:21:33,240  
I've realized is a lot of these psychics

452  
00:21:39,350 --> 00:21:36,360  
and remote viewers

453  
00:21:42,110 --> 00:21:39,360  
that automatically had the abilities

454  
00:21:44,270 --> 00:21:42,120  
right they weren't trained to remove you

455  
00:21:46,730 --> 00:21:44,280  
they didn't have a manual there wasn't a

456  
00:21:50,090 --> 00:21:46,740  
step-by-step process in order to be able

457  
00:21:52,990 --> 00:21:50,100  
to you know remote view right how they

458  
00:21:56,390 --> 00:21:53,000  
got their abilities was

459  
00:21:59,090 --> 00:21:56,400  
through a near-death experience or an

460  
00:22:01,310 --> 00:21:59,100  
out of Body Experience

461  
00:22:03,529 --> 00:22:01,320  
several people

462  
00:22:05,330 --> 00:22:03,539  
that I've talked to and that I know that

463  
00:22:08,450 --> 00:22:05,340

I've talked to personally their

464

00:22:11,029 --> 00:22:08,460

abilities were unlocked through a

465

00:22:13,490 --> 00:22:11,039

near-death experience or an out of Body

466

00:22:15,230 --> 00:22:13,500

Experience now again I'm differentiating

467

00:22:18,049 --> 00:22:15,240

here between the people that have been

468

00:22:19,430 --> 00:22:18,059

trained to do it now you you don't have

469

00:22:20,630 --> 00:22:19,440

to have an out-of-body experience you

470

00:22:23,330 --> 00:22:20,640

don't have to have a near-death

471

00:22:25,430 --> 00:22:23,340

experience with the how to create the

472

00:22:26,870 --> 00:22:25,440

ability to remove view right that's not

473

00:22:29,810 --> 00:22:26,880

what I'm saying I'm seeing the people

474

00:22:30,890 --> 00:22:29,820

that very first started this remote

475

00:22:33,470 --> 00:22:30,900

viewing

476

00:22:36,049 --> 00:22:33,480

had near-death experiences the the

477

00:22:38,510 --> 00:22:36,059

psychics the real legit psychics the

478

00:22:40,730 --> 00:22:38,520

real legit remote viewers again that

479

00:22:43,510 --> 00:22:40,740

wasn't trained that just automatically

480

00:22:46,250 --> 00:22:43,520

had the ability it's like ego Swan right

481

00:22:48,409 --> 00:22:46,260

he mentioned several times he was

482

00:22:50,630 --> 00:22:48,419

probably one of the best remote viewers

483

00:22:51,950 --> 00:22:50,640

in the the history of remote viewing

484

00:22:54,590 --> 00:22:51,960

right

485

00:22:56,690 --> 00:22:54,600

he had a mini

486

00:22:59,330 --> 00:22:56,700

out-of-body experiences whenever he was

487

00:23:02,630 --> 00:22:59,340

a kid due to being bullied

488

00:23:06,950 --> 00:23:02,640

you mentioned that so many times

489

00:23:09,110 --> 00:23:06,960

so what were they doing in the MK Ultra

490

00:23:12,289 --> 00:23:09,120

programs

491

00:23:14,450 --> 00:23:12,299

and then what was the Monroe Institute

492

00:23:17,510 --> 00:23:14,460

also doing

493

00:23:20,450 --> 00:23:17,520

Monroe Institute was trying to induce a

494

00:23:22,730 --> 00:23:20,460

Out of Body Experience

495

00:23:24,169 --> 00:23:22,740

an astral experience to get your

496

00:23:25,370 --> 00:23:24,179

Consciousness or your spirit or your

497

00:23:28,909 --> 00:23:25,380

soul or whatever you want to call it

498

00:23:34,130 --> 00:23:30,169

and

499

00:23:36,289 --> 00:23:34,140

that is a process of

500

00:23:39,950 --> 00:23:36,299

you can also get that kind of process

501  
00:23:45,350 --> 00:23:42,890  
you traumatized somebody to such a

502  
00:23:49,310 --> 00:23:45,360  
degree that their Consciousness can

503  
00:23:51,890 --> 00:23:49,320  
literally leave their body

504  
00:23:54,890 --> 00:23:51,900  
and that's a lot of what they were doing

505  
00:23:57,289 --> 00:23:54,900  
within the MK Ultra programs

506  
00:23:59,029 --> 00:23:57,299  
they were traumatizing people so I'm

507  
00:24:01,010 --> 00:23:59,039  
putting these pieces together I'm like

508  
00:24:03,230 --> 00:24:01,020  
okay well

509  
00:24:05,990 --> 00:24:03,240  
it's really interesting that they were

510  
00:24:09,070 --> 00:24:06,000  
doing this this trauma based stuff in

511  
00:24:13,430 --> 00:24:09,080  
order to compartmentalize the brain and

512  
00:24:15,289 --> 00:24:13,440  
induce this uh this other personality

513  
00:24:18,770 --> 00:24:15,299

which they've been known for creating

514

00:24:21,289 --> 00:24:18,780

multiple personality disorder uh did and

515

00:24:23,630 --> 00:24:21,299

all of these other mental health issues

516

00:24:27,049 --> 00:24:23,640

and these mental health problems through

517

00:24:30,590 --> 00:24:27,059

the MK Ultra programs so it's not out of

518

00:24:33,529 --> 00:24:30,600

the realm of possibility that this was a

519

00:24:36,890 --> 00:24:33,539

dual use purpose that they were not only

520

00:24:40,510 --> 00:24:36,900

trying to create

521

00:24:43,190 --> 00:24:40,520

slaves uh trafficking slaves

522

00:24:46,430 --> 00:24:43,200

assassins disinformationalists and the

523

00:24:49,190 --> 00:24:46,440

whole list of other uh categories that

524

00:24:55,430 --> 00:24:49,200

could be used for Mk Ultra but they were

525

00:25:01,390 --> 00:24:58,690

and then that gets into my

526  
00:25:05,750 --> 00:25:01,400  
Theory after

527  
00:25:09,529 --> 00:25:05,760  
the CIA shut down the Stargate project

528  
00:25:12,110 --> 00:25:09,539  
in 95 saying that there wasn't any

529  
00:25:14,149 --> 00:25:12,120  
useful intelligence data ever collected

530  
00:25:16,029 --> 00:25:14,159  
out of the program

531  
00:25:20,570 --> 00:25:16,039  
which is a lie they

532  
00:25:23,750 --> 00:25:20,580  
did no Army intelligence or uh Dia would

533  
00:25:26,870 --> 00:25:23,760  
ever keep a program running for almost

534  
00:25:29,450 --> 00:25:26,880  
20 years to say that they didn't collect

535  
00:25:31,490 --> 00:25:29,460  
any valuable intelligence data if they

536  
00:25:33,110 --> 00:25:31,500  
didn't get any good results within a

537  
00:25:35,649 --> 00:25:33,120  
year they would have just shut it down

538  
00:25:40,909 --> 00:25:35,659

then right

539

00:25:43,970 --> 00:25:40,919

my personal thoughts are is

540

00:25:47,210 --> 00:25:43,980

that they created a different program

541

00:25:48,710 --> 00:25:47,220

much more nefarious program a much more

542

00:25:50,269 --> 00:25:48,720

invasive

543

00:25:53,810 --> 00:25:50,279

program they found a different

544

00:25:57,350 --> 00:25:53,820

application for remote viewing other

545

00:25:59,570 --> 00:25:57,360

than just uh psychic spies and spying on

546

00:26:02,810 --> 00:25:59,580

other countries and sometimes

547

00:26:07,190 --> 00:26:02,820

um within the United States I think they

548

00:26:17,049 --> 00:26:11,029

remote control and remote influence and

549

00:26:20,750 --> 00:26:17,059

sometimes even remote assassin program

550

00:26:24,409 --> 00:26:20,760

some people will disagree with me on

551  
00:26:26,810 --> 00:26:24,419  
that because again there's no proof for

552  
00:26:28,010 --> 00:26:26,820  
that right it's just my personal

553  
00:26:30,890 --> 00:26:28,020  
thoughts and my personal opinions

554  
00:26:32,269 --> 00:26:30,900  
connecting all of these dots

555  
00:26:34,370 --> 00:26:32,279  
and

556  
00:26:36,710 --> 00:26:34,380  
but there is kind of proof for it

557  
00:26:38,930 --> 00:26:36,720  
whenever you you know look around at our

558  
00:26:42,350 --> 00:26:38,940  
reality you know people are behaving

559  
00:26:43,130 --> 00:26:42,360  
pretty pretty strangely since uh you

560  
00:26:50,090 --> 00:26:43,140  
know

561  
00:26:54,830 --> 00:26:50,100  
call them I guess disasters at schools

562  
00:26:57,110 --> 00:26:54,840  
and at bars and stuff like that right

563  
00:27:02,529 --> 00:26:57,120

and

564

00:27:04,909 --> 00:27:02,539

evolved into it evolved into a remote

565

00:27:08,990 --> 00:27:04,919

influence or remote control and there's

566

00:27:11,810 --> 00:27:09,000

actually a document from Ed May that I

567

00:27:14,090 --> 00:27:11,820

have that lays out the step-by-step

568

00:27:18,289 --> 00:27:14,100

process in order to remote influence

569

00:27:19,970 --> 00:27:18,299

people so it's a very real phenomenon it

570

00:27:22,190 --> 00:27:19,980

is possible

571

00:27:24,049 --> 00:27:22,200

there's a document for it that tells you

572

00:27:26,810 --> 00:27:24,059

how to do it

573

00:27:29,510 --> 00:27:26,820

now some people might say oh well it's

574

00:27:31,730 --> 00:27:29,520

it's not as you know intrusive or

575

00:27:34,490 --> 00:27:31,740

whatever but I'm like Hey listen we

576

00:27:36,769 --> 00:27:34,500

influence ourselves every day Ryan

577

00:27:39,169 --> 00:27:36,779

you know with our with our thoughts and

578

00:27:40,789 --> 00:27:39,179

our ideas and and some people use

579

00:27:42,169 --> 00:27:40,799

affirmation you know they'll wake up

580

00:27:43,430 --> 00:27:42,179

they'll say on affirmation or they'll

581

00:27:44,210 --> 00:27:43,440

say an affirmation before they go to

582

00:27:46,070 --> 00:27:44,220

sleep

583

00:27:47,630 --> 00:27:46,080

or whatever that's you influencing

584

00:27:50,930 --> 00:27:47,640

yourself

585

00:27:54,590 --> 00:27:50,940

so why would I not be able to

586

00:27:56,810 --> 00:27:54,600

influence other people psychically

587

00:27:58,370 --> 00:27:56,820

if I can influence myself I would be

588

00:28:01,970 --> 00:27:58,380

able to influence

589

00:28:05,390 --> 00:28:01,980

other people as well if I'm a powerful

590

00:28:07,070 --> 00:28:05,400

enough psychic right

591

00:28:09,649 --> 00:28:07,080

and

592

00:28:14,090 --> 00:28:09,659

I think that's exactly what this whole

593

00:28:17,149 --> 00:28:14,100

thing evolved into was a psychic remote

594

00:28:20,149 --> 00:28:17,159

influence and and a lot of times uh

595

00:28:21,769 --> 00:28:20,159

sometimes a remote assassin program now

596

00:28:24,590 --> 00:28:21,779

I had the different idea and a different

597

00:28:26,210 --> 00:28:24,600

concept of what this was before but then

598

00:28:29,090 --> 00:28:26,220

whenever I started thinking about it

599

00:28:31,549 --> 00:28:29,100

more because

600

00:28:34,669 --> 00:28:31,559

Lynn Buchanan talked about that he was

601  
00:28:39,049 --> 00:28:34,679  
approached by Men In Black they asked

602  
00:28:43,250 --> 00:28:39,059  
him if he could kill an individual with

603  
00:28:47,450 --> 00:28:45,950  
he said he said that he wouldn't do it

604  
00:28:50,210 --> 00:28:47,460  
but I asked him in our interview

605  
00:28:52,430 --> 00:28:50,220  
together I was like Hey like

606  
00:28:54,049 --> 00:28:52,440  
is it possible to do though

607  
00:28:55,370 --> 00:28:54,059  
could you have done it if you wanted to

608  
00:28:57,890 --> 00:28:55,380  
do it

609  
00:28:59,570 --> 00:28:57,900  
and you said yes yes I could have

610  
00:29:01,190 --> 00:28:59,580  
and

611  
00:29:03,289 --> 00:29:01,200  
I was like huh

612  
00:29:05,390 --> 00:29:03,299  
well that kind of seems like the lazy

613  
00:29:07,669 --> 00:29:05,400

way to do it right

614

00:29:11,570 --> 00:29:07,679

you you wouldn't just wanna

615

00:29:14,470 --> 00:29:11,580

psychically kill somebody outright

616

00:29:17,450 --> 00:29:14,480

you know you would wanna

617

00:29:19,970 --> 00:29:17,460

psychically influence or psychically

618

00:29:22,149 --> 00:29:19,980

control

619

00:29:27,230 --> 00:29:22,159

somebody else

620

00:29:35,210 --> 00:29:31,389

it'd be like holy [h\_\_h] this is exactly

621

00:29:37,010 --> 00:29:35,220

uh what they've done and what they have

622

00:29:40,250 --> 00:29:37,020

been doing

623

00:29:44,330 --> 00:29:40,260

and again I think that that

624

00:29:48,230 --> 00:29:44,340

program evolved once more and then that

625

00:29:51,649 --> 00:29:48,240

program turned into a technology

626  
00:29:53,510 --> 00:29:51,659  
to where they don't have to use psychics

627  
00:29:56,810 --> 00:29:53,520  
or remote viewers to be able to

628  
00:30:00,470 --> 00:29:58,970  
they just have a technology that they

629  
00:30:02,710 --> 00:30:00,480  
can flip on

630  
00:30:05,990 --> 00:30:02,720  
which was proof of this

631  
00:30:10,370 --> 00:30:06,000  
v2k technology there's a technology to

632  
00:30:13,010 --> 00:30:10,380  
be able to control your nervous system

633  
00:30:13,909 --> 00:30:13,020  
you know these patents for all of this

634  
00:30:17,330 --> 00:30:13,919  
stuff

635  
00:30:22,789 --> 00:30:20,450  
there's evidence that

636  
00:30:25,310 --> 00:30:22,799  
that's exactly what is happening and

637  
00:30:28,610 --> 00:30:25,320  
it's completely taken the human element

638  
00:30:29,930 --> 00:30:28,620

out of this they no longer use psychics

639

00:30:31,669 --> 00:30:29,940

to remove yours because they've

640

00:30:33,529 --> 00:30:31,679

developed it into a technology and

641

00:30:35,450 --> 00:30:33,539

that's exactly what she and the Ruiner

642

00:30:36,649 --> 00:30:35,460

talks about too as well that they're

643

00:30:38,710 --> 00:30:36,659

trying to take

644

00:30:42,230 --> 00:30:38,720

our natural

645

00:30:44,690 --> 00:30:42,240

spiritual abilities and duplicate it and

646

00:30:47,090 --> 00:30:44,700

turn it into some kind of technology to

647

00:30:50,230 --> 00:30:47,100

be able to use on the public

648

00:30:52,610 --> 00:30:50,240

and then that also gets into

649

00:30:56,690 --> 00:30:52,620

supplanting thoughts ideas memories

650

00:31:01,669 --> 00:30:56,700

beliefs into your head via technology

651  
00:31:03,830 --> 00:31:01,679  
I decided Elena Freeland on my show that

652  
00:31:06,289 --> 00:31:03,840  
show will be really soon and she's

653  
00:31:10,190 --> 00:31:06,299  
written several books on

654  
00:31:14,450 --> 00:31:10,200  
this technology and how harmful and

655  
00:31:16,970 --> 00:31:14,460  
dangerous it can be to to the public and

656  
00:31:20,930 --> 00:31:16,980  
she also talks about dual use from

657  
00:31:23,450 --> 00:31:20,940  
military uh technology as well they they

658  
00:31:25,669 --> 00:31:23,460  
do they don't do anything for just one

659  
00:31:28,430 --> 00:31:25,679  
reason it's a multi-layered

660  
00:31:30,350 --> 00:31:28,440  
purpose they have it for something that

661  
00:31:31,730 --> 00:31:30,360  
they can use militarily and then they

662  
00:31:34,010 --> 00:31:31,740  
also have it

663  
00:31:35,510 --> 00:31:34,020

another use for it that can be used on

664

00:31:38,389 --> 00:31:35,520

the public

665

00:31:40,549 --> 00:31:38,399

and uh you know the general

666

00:31:43,370 --> 00:31:40,559

population

667

00:31:45,950 --> 00:31:43,380

so whenever you look at these MK Ultra

668

00:31:48,889 --> 00:31:45,960

programs and you realize that

669

00:31:51,409 --> 00:31:48,899

a lot of these medications that people

670

00:31:54,789 --> 00:31:51,419

are on

671

00:31:58,010 --> 00:31:54,799

now came directly from the MK Ultra

672

00:32:00,470 --> 00:31:58,020

programs and then you look at how they

673

00:32:02,149 --> 00:32:00,480

would psychically drive people in the MK

674

00:32:04,730 --> 00:32:02,159

Ultra programs that would take any

675

00:32:07,130 --> 00:32:04,740

looped audio message and play it over

676  
00:32:09,669 --> 00:32:07,140  
and over and over again nobody knows

677  
00:32:14,269 --> 00:32:09,679  
what was on those looped audio messages

678  
00:32:17,330 --> 00:32:14,279  
and they've just transferred that type

679  
00:32:18,649 --> 00:32:17,340  
of looped audio message onto a TV screen

680  
00:32:20,930 --> 00:32:18,659  
in your living room and in your bedroom

681  
00:32:22,310 --> 00:32:20,940  
and in your pocket

682  
00:32:25,070 --> 00:32:22,320  
right so

683  
00:32:25,970 --> 00:32:25,080  
they de-pattern you with a traumatic

684  
00:32:28,010 --> 00:32:25,980  
event

685  
00:32:30,830 --> 00:32:28,020  
they drug you

686  
00:32:34,549 --> 00:32:30,840  
which I looked up statistics from 2014

687  
00:32:38,450 --> 00:32:34,559  
to 2016 and

688  
00:32:42,049 --> 00:32:38,460

almost half the U.S population is on

689

00:32:46,730 --> 00:32:42,059

some sort of pharmaceutical medication

690

00:32:49,789 --> 00:32:46,740

66 of adults in the United States are on

691

00:32:53,269 --> 00:32:49,799

a pharmaceutical medication

692

00:32:56,690 --> 00:32:53,279

within they psychically drive you

693

00:32:59,450 --> 00:32:56,700

they put that looped repeated message

694

00:33:02,330 --> 00:32:59,460

on your TV screen

695

00:33:07,130 --> 00:33:05,090

to program you to believe whatever they

696

00:33:10,850 --> 00:33:07,140

want you to believe

697

00:33:13,669 --> 00:33:10,860

which is exactly what they were doing in

698

00:33:16,370 --> 00:33:13,679

the early 50s with Amtrak programs now

699

00:33:19,009 --> 00:33:16,380

it's just open air testing they're just

700

00:33:22,610 --> 00:33:19,019

doing it to everyone

701  
00:33:29,389 --> 00:33:27,769  
super dark and yeah I mean I can get why

702  
00:33:31,130 --> 00:33:29,399  
they would want something where they can

703  
00:33:32,690 --> 00:33:31,140  
just flip a switch more like a

704  
00:33:35,990 --> 00:33:32,700  
technology although we already have it

705  
00:33:37,549 --> 00:33:36,000  
within us as human beings and you

706  
00:33:39,830 --> 00:33:37,559  
brought something up that kind of ties

707  
00:33:43,250 --> 00:33:39,840  
into something you said earlier

708  
00:33:45,110 --> 00:33:43,260  
which is much how the MK Ultra splits

709  
00:33:48,889 --> 00:33:45,120  
your Consciousness and splits your mind

710  
00:33:52,909 --> 00:33:48,899  
in half and I know this sounds strangely

711  
00:33:54,769 --> 00:33:52,919  
similar to hemisync technology which

712  
00:33:57,409 --> 00:33:54,779  
comes from go figure the Monroe

713  
00:34:00,590 --> 00:33:57,419

Institute and for those that are unaware

714

00:34:03,769 --> 00:34:00,600

Robert Monroe is an interesting cat you

715

00:34:06,230 --> 00:34:03,779

should definitely read his book Journeys

716

00:34:07,909 --> 00:34:06,240

out of the body he was a Virginia

717

00:34:10,669 --> 00:34:07,919

businessman that started having

718

00:34:14,089 --> 00:34:10,679

experiences that were quite literally

719

00:34:16,550 --> 00:34:14,099

out of his body into this second what he

720

00:34:20,149 --> 00:34:16,560

called the second body but yeah this

721

00:34:23,270 --> 00:34:20,159

Monroe Institute Robert Monroe and this

722

00:34:25,550 --> 00:34:23,280

technology of quite literally hemisync

723

00:34:27,889 --> 00:34:25,560

technology what what are your thoughts

724

00:34:30,290 --> 00:34:27,899

of hemisync and you know the fact that

725

00:34:32,930 --> 00:34:30,300

it it seems like just about everybody

726

00:34:34,849 --> 00:34:32,940

and anybody is using the Monroe app

727

00:34:37,730 --> 00:34:34,859

these days that is involved with

728

00:34:39,230 --> 00:34:37,740

government uh intelligence and and

729

00:34:40,550 --> 00:34:39,240

that's something that you didn't hear

730

00:34:43,490 --> 00:34:40,560

from me but

731

00:34:44,930 --> 00:34:43,500

I mean they have an app and I've talked

732

00:34:46,190 --> 00:34:44,940

to a lot of people in intelligence and

733

00:34:48,109 --> 00:34:46,200

they're like oh yeah we got it we use it

734

00:34:50,570 --> 00:34:48,119

all the time and they are taking trips

735

00:34:53,210 --> 00:34:50,580

to the Monroe Institute and getting

736

00:34:54,829 --> 00:34:53,220

trained in this and it's sort of a

737

00:34:57,410 --> 00:34:54,839

tongue-in-cheek everybody's doing it

738

00:35:01,490 --> 00:34:57,420

nobody's talking about it sort of a

739

00:35:04,490 --> 00:35:01,500

thing in intelligence circles so it

740

00:35:06,530 --> 00:35:04,500

sounds strangely similar to splitting

741

00:35:09,230 --> 00:35:06,540

your mind in half

742

00:35:11,650 --> 00:35:09,240

yes it is very similar and Army

743

00:35:15,170 --> 00:35:11,660

intelligence and the CIA were both

744

00:35:17,329 --> 00:35:15,180

investigating the Monroe Institute as

745

00:35:18,970 --> 00:35:17,339

well as actually mentioned in the

746

00:35:21,890 --> 00:35:18,980

girlflame

747

00:35:24,890 --> 00:35:21,900

documents the Declassified documents how

748

00:35:29,870 --> 00:35:24,900

they uh paid

749

00:35:31,970 --> 00:35:29,880

Robert Monroe I think 200 to go in and

750

00:35:33,050 --> 00:35:31,980

study to send

751

00:35:36,050 --> 00:35:33,060

um army

752

00:35:39,050 --> 00:35:36,060

intelligence people to the Monroe

753

00:35:39,970 --> 00:35:39,060

Institute to study this out of body Hemi

754

00:35:42,589 --> 00:35:39,980

sink

755

00:35:45,290 --> 00:35:42,599

technology that Robert Monroe was

756

00:35:47,390 --> 00:35:45,300

working on and there's Declassified

757

00:35:50,630 --> 00:35:47,400

documents

758

00:35:55,430 --> 00:35:50,640

of the report that Army intelligence and

759

00:35:58,430 --> 00:35:55,440

the CIA both wrote a report on the

760

00:36:01,430 --> 00:35:58,440

Monroe Institute

761

00:36:02,569 --> 00:36:01,440

and I think that because some of the

762

00:36:04,190 --> 00:36:02,579

people that I've interviewed from the

763

00:36:06,950 --> 00:36:04,200

## Stargate project

764

00:36:12,230 --> 00:36:06,960

commented on

765

00:36:14,410 --> 00:36:12,240

that they did have access to the Monroe

766

00:36:19,190 --> 00:36:14,420

institute's hemisync tapes

767

00:36:22,310 --> 00:36:19,200

and they were able to use them but it

768

00:36:25,190 --> 00:36:22,320

wasn't like a requirement so there's a

769

00:36:27,950 --> 00:36:25,200

really big connection between the Monroe

770

00:36:30,230 --> 00:36:27,960

Institute and Army intelligence and the

771

00:36:32,270 --> 00:36:30,240

CIA and all of these different projects

772

00:36:34,970 --> 00:36:32,280

and I haven't quite

773

00:36:39,710 --> 00:36:34,980

connected the dots yet

774

00:36:43,970 --> 00:36:39,720

on what the role is now I do know

775

00:36:46,250 --> 00:36:43,980

that some people have gotten confused

776  
00:36:47,569 --> 00:36:46,260  
by the Monroe Institute because they had

777  
00:36:48,950 --> 00:36:47,579  
a problem it was called the gateway

778  
00:36:52,250 --> 00:36:48,960  
project

779  
00:36:54,290 --> 00:36:52,260  
was the Monroe Institute said anything

780  
00:36:56,990 --> 00:36:54,300  
um trying to induce a out-of-body

781  
00:37:01,730 --> 00:36:57,000  
experience and some people that were

782  
00:37:07,670 --> 00:37:04,310  
got confused and thought that they were

783  
00:37:10,069 --> 00:37:07,680  
a part of a remote viewing Dia Army

784  
00:37:10,910 --> 00:37:10,079  
intelligence program yep I've heard that

785  
00:37:13,430 --> 00:37:10,920  
too

786  
00:37:16,010 --> 00:37:13,440  
yep that's really muddied the waters

787  
00:37:18,050 --> 00:37:16,020  
between those two different programs and

788  
00:37:21,470 --> 00:37:18,060

it's also important to

789

00:37:25,670 --> 00:37:21,480

make clear as well is that the Monroe

790

00:37:28,190 --> 00:37:25,680

Institute wasn't into remote viewing

791

00:37:30,710 --> 00:37:28,200

that had nothing to do with remote

792

00:37:32,630 --> 00:37:30,720

viewing but somehow

793

00:37:35,390 --> 00:37:32,640

they are linked

794

00:37:37,250 --> 00:37:35,400

in there in some way I'm gonna have to

795

00:37:38,690 --> 00:37:37,260

read through all of those documents

796

00:37:40,130 --> 00:37:38,700

again and try and

797

00:37:43,069 --> 00:37:40,140

figure out

798

00:37:45,790 --> 00:37:43,079

what the the linkage is there in some

799

00:37:48,710 --> 00:37:45,800

kind of factual evidence but it has

800

00:37:50,870 --> 00:37:48,720

muddied the waters between

801  
00:37:54,589 --> 00:37:50,880  
the Monroe institute's Gateway project

802  
00:37:55,970 --> 00:37:54,599  
and then the DIA Army intelligence

803  
00:37:58,609 --> 00:37:55,980  
Stargate

804  
00:38:00,230 --> 00:37:58,619  
project as well the the Monroe Institute

805  
00:38:04,069 --> 00:38:00,240  
is called the gateway experience it's

806  
00:38:06,890 --> 00:38:04,079  
not the Gateway project but

807  
00:38:08,450 --> 00:38:06,900  
I think the people have gotten those two

808  
00:38:11,390 --> 00:38:08,460  
things confused so it's important to

809  
00:38:13,550 --> 00:38:11,400  
make the distinction there that Monroe

810  
00:38:18,530 --> 00:38:13,560  
Institute was not studying remote

811  
00:38:19,130 --> 00:38:18,540  
viewing had really nothing to do with

812  
00:38:23,089 --> 00:38:19,140  
um

813  
00:38:27,470 --> 00:38:23,099

Dia and Army intelligence remote viewing

814

00:38:30,670 --> 00:38:27,480

program or ESP program psychic program

815

00:38:33,589 --> 00:38:30,680

and that they were two separate things

816

00:38:36,530 --> 00:38:33,599

running kind of simultaneously even

817

00:38:38,510 --> 00:38:36,540

though the CIA and Army intelligence did

818

00:38:41,030 --> 00:38:38,520

write reports there's Declassified

819

00:38:43,730 --> 00:38:41,040

reports on the Monroe Institute I'm just

820

00:38:46,490 --> 00:38:43,740

gonna have to do some more study on that

821

00:38:48,530 --> 00:38:46,500

and and try and figure out the the real

822

00:38:51,950 --> 00:38:48,540

connections and why

823

00:38:53,810 --> 00:38:51,960

they were so interested in the Monroe

824

00:38:55,670 --> 00:38:53,820

Institute inducing an out-of-body

825

00:38:58,370 --> 00:38:55,680

experience but my personal thoughts is

826

00:39:00,910 --> 00:38:58,380

that it is connected to remote viewing

827

00:39:04,550 --> 00:39:00,920

and if they can

828

00:39:07,430 --> 00:39:04,560

induce a out of body experience without

829

00:39:08,750 --> 00:39:07,440

having to use trauma

830

00:39:12,770 --> 00:39:08,760

then

831

00:39:14,990 --> 00:39:12,780

they can create psychics on their own

832

00:39:18,230 --> 00:39:15,000

they can create

833

00:39:19,609 --> 00:39:18,240

psychic spies for intelligence data they

834

00:39:22,010 --> 00:39:19,619

can create

835

00:39:25,609 --> 00:39:22,020

psychic uh

836

00:39:28,550 --> 00:39:25,619

um remote controllers remote influencers

837

00:39:31,190 --> 00:39:28,560

I think that without any proof I think

838

00:39:34,910 --> 00:39:31,200

that that's a solid Connection in a

839

00:39:37,730 --> 00:39:34,920

solid theory that because a lot of

840

00:39:40,609 --> 00:39:37,740

people didn't survive those MK Ultra

841

00:39:42,410 --> 00:39:40,619

programs right and they're just wasting

842

00:39:44,990 --> 00:39:42,420

assets

843

00:39:47,450 --> 00:39:45,000

they're just wasting people Kathy

844

00:39:52,310 --> 00:39:47,460

O'Brien said even

845

00:39:55,150 --> 00:39:52,320

very few actually made it out of the uh

846

00:39:58,910 --> 00:39:55,160

programs and got to be used

847

00:40:01,190 --> 00:39:58,920

in any kind of operation and then even

848

00:40:02,990 --> 00:40:01,200

the people that were used in the

849

00:40:07,190 --> 00:40:03,000

operation were normally killed by the

850

00:40:09,770 --> 00:40:07,200

age of 30. yep right so

851  
00:40:11,329 --> 00:40:09,780  
when you look at it like that you would

852  
00:40:12,290 --> 00:40:11,339  
think that they would try and figure out

853  
00:40:35,450 --> 00:40:12,300  
a

854  
00:40:38,089 --> 00:40:35,460  
good uh good people

855  
00:40:40,069 --> 00:40:38,099  
in their eyes they're wasting good

856  
00:40:41,510 --> 00:40:40,079  
people right that's not my personal I

857  
00:40:44,210 --> 00:40:41,520  
don't think any of that stuff should

858  
00:40:45,589 --> 00:40:44,220  
ever be done to any individual right

859  
00:40:47,450 --> 00:40:45,599  
but

860  
00:40:48,829 --> 00:40:47,460  
I think if you look at it like that that

861  
00:40:50,750 --> 00:40:48,839  
they're trying to induce an Autobody

862  
00:40:53,390 --> 00:40:50,760  
experiencing and if my theory is correct

863  
00:40:55,310 --> 00:40:53,400

in that the out-of-body experience or

864

00:40:58,010 --> 00:40:55,320

near-death experience has something to

865

00:40:59,930 --> 00:40:58,020

do with these abilities then they would

866

00:41:02,329 --> 00:40:59,940

want to study that they would want to

867

00:41:04,970 --> 00:41:02,339

get to the bottom of that in order of

868

00:41:08,210 --> 00:41:04,980

instead of just traumatizing people to

869

00:41:11,030 --> 00:41:08,220

unlock the abilities or create a uh MK

870

00:41:12,109 --> 00:41:11,040

Ultra slave to do God knows what on the

871

00:41:14,089 --> 00:41:12,119

planet

872

00:41:16,849 --> 00:41:14,099

they would just

873

00:41:18,530 --> 00:41:16,859

do it Hemi sink like to get the

874

00:41:21,109 --> 00:41:18,540

consciousness

875

00:41:24,349 --> 00:41:21,119

out of the body sure

876

00:41:26,690 --> 00:41:24,359

it makes perfect sense and you know I

877

00:41:29,990 --> 00:41:26,700

really like that you mentioned the

878

00:41:31,790 --> 00:41:30,000

scenario with Ingo Swan whose story is

879

00:41:35,270 --> 00:41:31,800

every bit as intriguing as Robert

880

00:41:38,930 --> 00:41:35,280

Monroe's and how these near-death out of

881

00:41:41,450 --> 00:41:38,940

body experiences are still you know more

882

00:41:43,550 --> 00:41:41,460

or less a psychic break albeit a

883

00:41:45,890 --> 00:41:43,560

naturally occurring one

884

00:41:48,790 --> 00:41:45,900

so obviously when you're trying to

885

00:41:52,550 --> 00:41:48,800

recreate this in a lab

886

00:41:54,829 --> 00:41:52,560

you know surroundings things could get

887

00:41:57,290 --> 00:41:54,839

ugly really quick and something I've

888

00:42:00,010 --> 00:41:57,300

heard about that is interesting and I

889

00:42:02,690 --> 00:42:00,020

don't know just how consequential

890

00:42:04,310 --> 00:42:02,700

consequential it is because we are

891

00:42:06,010 --> 00:42:04,320

seeing a lot of

892

00:42:09,109 --> 00:42:06,020

drastic

893

00:42:12,829 --> 00:42:09,119

actions by people who typically would

894

00:42:17,690 --> 00:42:12,839

not be taking these drastic actions and

895

00:42:20,030 --> 00:42:17,700

it appears as if some of their ability

896

00:42:22,970 --> 00:42:20,040

uh to follow through with these

897

00:42:26,329 --> 00:42:22,980

objectives come from outside of

898

00:42:29,210 --> 00:42:26,339

themselves or you know quote unquote out

899

00:42:31,670 --> 00:42:29,220

of body and I'm wondering how much of

900

00:42:33,530 --> 00:42:31,680

this is that patterning that you're

901  
00:42:35,270 --> 00:42:33,540  
discussing because it is all about

902  
00:42:36,109 --> 00:42:35,280  
getting some much like training an

903  
00:42:39,230 --> 00:42:36,119  
animal

904  
00:42:40,910 --> 00:42:39,240  
getting something used to a pattern you

905  
00:42:44,030 --> 00:42:40,920  
know kind of like Pavlov and his dogs

906  
00:42:46,670 --> 00:42:44,040  
that pavlovian theory where you want a

907  
00:42:48,530 --> 00:42:46,680  
desired objective in the physical and if

908  
00:42:52,250 --> 00:42:48,540  
you just keep doing the same thing in

909  
00:42:54,770 --> 00:42:52,260  
the background you will get that and um

910  
00:42:56,870 --> 00:42:54,780  
I wanted to ask you if you think if

911  
00:42:58,370 --> 00:42:56,880  
there's any cases in more modern times

912  
00:43:01,309 --> 00:42:58,380  
that you could point a finger out and

913  
00:43:03,890 --> 00:43:01,319

say you know I'm not sure but this may

914

00:43:09,290 --> 00:43:03,900

have been

915

00:43:14,809 --> 00:43:12,650

I really think that a large majority of

916

00:43:16,790 --> 00:43:14,819

it is

917

00:43:21,309 --> 00:43:16,800

I think that

918

00:43:26,290 --> 00:43:21,319

the contact experiences the the UFO

919

00:43:30,230 --> 00:43:26,300

sightings uh traumatic events that

920

00:43:34,190 --> 00:43:30,240

have happened in the past 20 years

921

00:43:34,790 --> 00:43:34,200

involving schools

922

00:43:37,490 --> 00:43:34,800

um

923

00:43:38,450 --> 00:43:37,500

grade schools majority

924

00:43:42,230 --> 00:43:38,460

um

925

00:43:43,370 --> 00:43:42,240

and bars and super stores and all that

926  
00:43:44,750 --> 00:43:43,380  
you just have to put two and two

927  
00:43:46,430 --> 00:43:44,760  
together here

928  
00:43:48,710 --> 00:43:46,440  
um yeah you know exactly what I'm

929  
00:43:52,809 --> 00:43:48,720  
talking about you have all been

930  
00:43:57,890 --> 00:43:56,329  
psychological experiments

931  
00:44:00,410 --> 00:43:57,900  
and

932  
00:44:02,650 --> 00:44:00,420  
when it comes to the it's exactly like

933  
00:44:08,089 --> 00:44:02,660  
what's happening now with the

934  
00:44:12,230 --> 00:44:08,099  
the balloon nonsense right and the the

935  
00:44:14,809 --> 00:44:12,240  
media jumping on the bandwagon of

936  
00:44:15,890 --> 00:44:14,819  
unidentified flying objects

937  
00:44:17,329 --> 00:44:15,900  
right

938  
00:44:19,609 --> 00:44:17,339

uh

939

00:44:22,010 --> 00:44:19,619

they're like oh there's so many so many

940

00:44:24,589 --> 00:44:22,020

UFOs were getting invaded uh there's so

941

00:44:27,230 --> 00:44:24,599

many unidentified things as happening in

942

00:44:30,230 --> 00:44:27,240

the sky right now and gets in why

943

00:44:34,069 --> 00:44:30,240

wouldn't they have mentioned this to 10

944

00:44:36,770 --> 00:44:34,079

to 15 or even 20 years ago

945

00:44:38,990 --> 00:44:36,780

you know it's an agenda it's uh it's an

946

00:44:43,609 --> 00:44:39,000

operation

947

00:44:47,030 --> 00:44:43,619

right why didn't name why did it take

948

00:44:50,809 --> 00:44:47,040

since the Roswell event in 1947 all the

949

00:44:54,109 --> 00:44:50,819

way until 2020 for the government

950

00:44:57,710 --> 00:44:54,119

to admit that there are real

951  
00:44:59,390 --> 00:44:57,720  
unidentified flying objects in the sky

952  
00:45:01,670 --> 00:44:59,400  
they just want us to forget about all

953  
00:45:03,530 --> 00:45:01,680  
that other nonsense because they finally

954  
00:45:04,849 --> 00:45:03,540  
came out and admitted it and the only

955  
00:45:09,410 --> 00:45:04,859  
reason that they would do that is

956  
00:45:14,809 --> 00:45:12,710  
literally that's that's the only reason

957  
00:45:17,089 --> 00:45:14,819  
that they would do it

958  
00:45:21,589 --> 00:45:17,099  
if it wasn't a psychological operation

959  
00:45:24,349 --> 00:45:21,599  
they would have admitted it way sooner

960  
00:45:26,930 --> 00:45:24,359  
decades ago

961  
00:45:30,230 --> 00:45:26,940  
they've been like oh yeah guess what uh

962  
00:45:32,930 --> 00:45:30,240  
there are uh unidentified flying objects

963  
00:45:35,690 --> 00:45:32,940

or unident unidentified aerial

964

00:45:39,770 --> 00:45:35,700

phenomenon going on

965

00:45:43,970 --> 00:45:42,320

and that only concludes

966

00:45:45,950 --> 00:45:43,980

[Music]

967

00:45:48,250 --> 00:45:45,960

one scenario

968

00:45:50,210 --> 00:45:48,260

that it's a

969

00:45:52,370 --> 00:45:50,220

full-fledged

970

00:45:54,890 --> 00:45:52,380

psychological operation and we know that

971

00:45:57,170 --> 00:45:54,900

the Air Force was also interested in MK

972

00:46:00,710 --> 00:45:57,180

Ultra stuff

973

00:46:05,870 --> 00:46:00,720

apparently which again there's no

974

00:46:09,050 --> 00:46:05,880

proof for this either but apparently

975

00:46:12,470 --> 00:46:09,060

the Air Force picked up the MK Ultra

976  
00:46:14,089 --> 00:46:12,480  
programs after the CIA took the fall for

977  
00:46:15,950 --> 00:46:14,099  
them

978  
00:46:19,190 --> 00:46:15,960  
and they just picked up right where the

979  
00:46:20,809 --> 00:46:19,200  
CIA left off and they've been running

980  
00:46:22,730 --> 00:46:20,819  
the operation

981  
00:46:24,650 --> 00:46:22,740  
sense

982  
00:46:27,470 --> 00:46:24,660  
since the mid 50s

983  
00:46:31,370 --> 00:46:27,480  
uh-huh which

984  
00:46:33,349 --> 00:46:31,380  
makes a lot of sense surrounding E.T

985  
00:46:36,050 --> 00:46:33,359  
contacts surrounding

986  
00:46:37,430 --> 00:46:36,060  
UFOs I mean who's in charge of their

987  
00:46:40,609 --> 00:46:37,440  
space

988  
00:46:45,710 --> 00:46:42,890

so it makes sense that

989

00:46:48,470 --> 00:46:45,720

if they were running

990

00:46:51,650 --> 00:46:48,480

some kind of op

991

00:46:53,690 --> 00:46:51,660

it would have to do with

992

00:46:54,890 --> 00:46:53,700

aliens and UFOs

993

00:46:58,670 --> 00:46:54,900

now

994

00:46:59,809 --> 00:46:58,680

I'm not saying that aliens don't exist

995

00:47:03,230 --> 00:46:59,819

right

996

00:47:05,510 --> 00:47:03,240

don't uh don't confuse the audience

997

00:47:08,390 --> 00:47:05,520

isn't confusing what I'm saying here I'm

998

00:47:12,290 --> 00:47:08,400

not saying that they don't exist in that

999

00:47:14,750 --> 00:47:12,300

people's contact experiences weren't

1000

00:47:19,010 --> 00:47:14,760

real to them

1001

00:47:21,290 --> 00:47:19,020

but it is very possible Ryan with

1002

00:47:24,829 --> 00:47:21,300

the kind of technology that we have now

1003

00:47:26,870 --> 00:47:24,839

the v2k technology the the manipulation

1004

00:47:29,750 --> 00:47:26,880

of our nervous system with the

1005

00:47:33,109 --> 00:47:29,760

implantation of thoughts ideas beliefs

1006

00:47:34,190 --> 00:47:33,119

directly into our head distance does not

1007

00:47:37,670 --> 00:47:34,200

matter

1008

00:47:39,349 --> 00:47:37,680

they can do this to anyone anywhere on

1009

00:47:41,809 --> 00:47:39,359

the planet

1010

00:47:43,550 --> 00:47:41,819

and it's just interesting

1011

00:47:48,410 --> 00:47:43,560

after

1012

00:47:52,550 --> 00:47:48,420

the cia's MTN Ultra programs went

1013

00:47:55,849 --> 00:47:52,560

open air to everybody on the planet

1014

00:47:58,370 --> 00:47:55,859

everyone started having these

1015

00:48:01,069 --> 00:47:58,380

contact experiences and saying that

1016

00:48:04,430 --> 00:48:01,079

they've been abducted by

1017

00:48:07,309 --> 00:48:04,440

aliens that they've seen several UFOs in

1018

00:48:09,950 --> 00:48:07,319

the sky uh-huh

1019

00:48:11,750 --> 00:48:09,960

it's just this I don't know maybe it's

1020

00:48:15,230 --> 00:48:11,760

just a coincidence

1021

00:48:17,390 --> 00:48:15,240

who knows but I think that it's it's

1022

00:48:20,990 --> 00:48:17,400

very very strange and we've seen this

1023

00:48:22,630 --> 00:48:21,000

uptick since the early 2000s

1024

00:48:24,530 --> 00:48:22,640

of

1025

00:48:27,290 --> 00:48:24,540

contactees

1026

00:48:29,690 --> 00:48:27,300

the abduction phenomenon which we know

1027

00:48:32,510 --> 00:48:29,700

that the abductions started with uh

1028

00:48:34,190 --> 00:48:32,520

Betty and Barney Hill which was not

1029

00:48:36,770 --> 00:48:34,200

started there but that was the most

1030

00:48:38,990 --> 00:48:36,780

mainstream one that was ever reported in

1031

00:48:40,430 --> 00:48:39,000

1961

1032

00:48:41,750 --> 00:48:40,440

you know and then it's just kind of

1033

00:48:45,050 --> 00:48:41,760

snowballed

1034

00:48:47,170 --> 00:48:45,060

from there and again 1961 was after all

1035

00:48:50,390 --> 00:48:47,180

of the MK Ultra programs it was after

1036

00:48:53,690 --> 00:48:50,400

World War II

1037

00:48:59,329 --> 00:48:56,510

any documentation

1038

00:49:03,109 --> 00:48:59,339

describing

1039

00:49:05,329 --> 00:49:03,119

anyone being abducted by a UFO now this

1040

00:49:08,990 --> 00:49:05,339

is very specific here I'm not talking

1041

00:49:12,770 --> 00:49:09,000

about entity abduction or Ferry

1042

00:49:15,589 --> 00:49:12,780

abduction or any of that stuff

1043

00:49:18,710 --> 00:49:15,599

I can't find one case

1044

00:49:20,089 --> 00:49:18,720

and if someone has it please uh send it

1045

00:49:24,470 --> 00:49:20,099

to me or something because I'd be very

1046

00:49:28,250 --> 00:49:24,480

interested to read about it that

1047

00:49:31,670 --> 00:49:28,260

before Betty and Barney Hill of 1961

1048

00:49:35,270 --> 00:49:31,680

that they were abducted by a UFO

1049

00:49:37,849 --> 00:49:35,280

and taken on a ship and experimented on

1050

00:49:42,109 --> 00:49:37,859

by aliens

1051  
00:49:45,829 --> 00:49:45,050  
no not not that I'm aware of unless you

1052  
00:49:49,130 --> 00:49:45,839  
know

1053  
00:49:50,690 --> 00:49:49,140  
it's super super rare and old

1054  
00:49:53,530 --> 00:49:50,700  
and

1055  
00:49:56,569 --> 00:49:53,540  
it does seem like these psychological

1056  
00:50:01,370 --> 00:49:56,579  
Opera operations kind of have a

1057  
00:50:04,370 --> 00:50:01,380  
parapsychology Twist to them and the

1058  
00:50:06,829 --> 00:50:04,380  
consequences are crazy I mean and I'm

1059  
00:50:08,450 --> 00:50:06,839  
I'm probably gonna get into a little bit

1060  
00:50:10,309 --> 00:50:08,460  
of trouble and I probably shouldn't even

1061  
00:50:12,530 --> 00:50:10,319  
say what I'm going to say mentioning in

1062  
00:50:14,750 --> 00:50:12,540  
a comment but

1063  
00:50:17,630 --> 00:50:14,760

you know a government remote viewing

1064

00:50:20,809 --> 00:50:17,640

program that had a lot to do with the

1065

00:50:23,210 --> 00:50:20,819

invasion of Iraq and even the use of the

1066

00:50:24,770 --> 00:50:23,220

Stargate program I won't mention the

1067

00:50:28,250 --> 00:50:24,780

viewer but you know him and I know him

1068

00:50:32,930 --> 00:50:28,260

to view and jump into saddam's head

1069

00:50:36,710 --> 00:50:32,940

uh he you know and and then we have uh

1070

00:50:41,150 --> 00:50:36,720

Saddam Hussein being taken out get this

1071

00:50:44,870 --> 00:50:41,160

by his own people I mean if that isn't

1072

00:50:46,790 --> 00:50:44,880

proof of this I mean most Iraqis loved

1073

00:50:49,849 --> 00:50:46,800

the guy they had him on his watches they

1074

00:50:53,030 --> 00:50:49,859

had pictures of him on their car you

1075

00:50:55,430 --> 00:50:53,040

know sent trees his picture on their

1076

00:50:57,589 --> 00:50:55,440

watches I mean they hated his son but

1077

00:51:01,190 --> 00:50:57,599

most loved Saddam they had pictures of

1078

00:51:05,450 --> 00:51:01,200

him in their house but I was floored

1079

00:51:08,809 --> 00:51:05,460

after the whole Iraqi situation that he

1080

00:51:11,569 --> 00:51:08,819

was taken out by his own people and it

1081

00:51:14,510 --> 00:51:11,579

just it perfectly seems explained by

1082

00:51:16,309 --> 00:51:14,520

some of these Declassified CIA documents

1083

00:51:18,829 --> 00:51:16,319

like you're discussing that are coming

1084

00:51:20,630 --> 00:51:18,839

out where they have figured this

1085

00:51:23,329 --> 00:51:20,640

patterning and I wanted to read a really

1086

00:51:24,770 --> 00:51:23,339

quick this is from the Monroe Institute

1087

00:51:26,089 --> 00:51:24,780

yes

1088

00:51:29,210 --> 00:51:26,099

um Magic

1089

00:51:30,530 --> 00:51:29,220

this is and the the amount of data that

1090

00:51:34,250 --> 00:51:30,540

goes into this I don't think people

1091

00:51:36,950 --> 00:51:34,260

understand how much they have studied

1092

00:51:39,109 --> 00:51:36,960

this so it sounds crazy but here it is

1093

00:51:42,170 --> 00:51:39,119

Magic perfectly explained and

1094

00:51:44,750 --> 00:51:42,180

Declassified CIA document this technique

1095

00:51:46,549 --> 00:51:44,760

involves the use of Consciousness to

1096

00:51:48,530 --> 00:51:46,559

achieve desired objectives in the

1097

00:51:51,349 --> 00:51:48,540

physical emotional or intellectual

1098

00:51:54,109 --> 00:51:51,359

sphere it involves concentration on the

1099

00:51:56,510 --> 00:51:54,119

desired objective while in Focus 12

1100

00:51:59,030 --> 00:51:56,520

State Extension of the individual's

1101  
00:52:01,609 --> 00:51:59,040  
perception that the objective into the

1102  
00:52:03,349 --> 00:52:01,619  
whole expanded Consciousness and its

1103  
00:52:05,870 --> 00:52:03,359  
projection into the universe with the

1104  
00:52:07,250 --> 00:52:05,880  
intention that the desired object is

1105  
00:52:09,589 --> 00:52:07,260  
already a matter of established

1106  
00:52:11,770 --> 00:52:09,599  
achievement which is destined to be

1107  
00:52:14,750 --> 00:52:11,780  
realized within the time frame specified

1108  
00:52:17,030 --> 00:52:14,760  
this particular methodology is based on

1109  
00:52:19,309 --> 00:52:17,040  
the belief that the thought patterns

1110  
00:52:21,170 --> 00:52:19,319  
generated by our Consciousness in a

1111  
00:52:24,170 --> 00:52:21,180  
state of expanded awareness create

1112  
00:52:26,930 --> 00:52:24,180  
Holograms which present the situation we

1113  
00:52:29,030 --> 00:52:26,940

desire to Spring about and in doing so

1114

00:52:31,970 --> 00:52:29,040

establish the basis for actual

1115

00:52:34,130 --> 00:52:31,980

realization of the goal once the

1116

00:52:36,589 --> 00:52:34,140

thought-generated Hologram of the sought

1117

00:52:39,710 --> 00:52:36,599

after objective is established in the

1118

00:52:43,490 --> 00:52:39,720

universe it becomes an aspect of reality

1119

00:52:46,250 --> 00:52:43,500

which interacts with the universal

1120

00:52:49,849 --> 00:52:46,260

hologram to bring about the desired

1121

00:52:53,270 --> 00:52:49,859

objective which might not otherwise

1122

00:52:55,910 --> 00:52:53,280

be possible under other circumstances or

1123

00:52:58,130 --> 00:52:55,920

ever occur in other words the technique

1124

00:53:00,589 --> 00:52:58,140

of patterning recognizes the fact that

1125

00:53:03,109 --> 00:53:00,599

since Consciousness is the source of all

1126

00:53:05,089 --> 00:53:03,119

reality our thoughts have the power to

1127

00:53:07,609 --> 00:53:05,099

influence the development of reality and

1128

00:53:10,250 --> 00:53:07,619

time space and applies to us if those

1129

00:53:12,650 --> 00:53:10,260

thoughts can be projected with adequate

1130

00:53:14,630 --> 00:53:12,660

intensity however

1131

00:53:17,510 --> 00:53:14,640

the most complicated and more

1132

00:53:19,549 --> 00:53:17,520

complicated the objective sought and the

1133

00:53:21,710 --> 00:53:19,559

more radically it departs from our

1134

00:53:24,589 --> 00:53:21,720

current reality the more time the

1135

00:53:27,349 --> 00:53:24,599

universal hologram will need to reorient

1136

00:53:30,549 --> 00:53:27,359

the reality sphere to accommodate our

1137

00:53:33,410 --> 00:53:30,559

desires Monroe trainers caution against

1138

00:53:36,410 --> 00:53:33,420

attempting to force the pace of this

1139

00:53:39,770 --> 00:53:36,420

process because the individual could

1140

00:53:44,109 --> 00:53:39,780

succeed in dislocating his existing

1141

00:53:46,069 --> 00:53:44,119

reality with drastic consequences

1142

00:53:48,049 --> 00:53:46,079

wow

1143

00:53:52,790 --> 00:53:48,059

so you're right man I think it's perfect

1144

00:53:55,430 --> 00:53:52,800

they have got this down to a science

1145

00:54:00,230 --> 00:53:55,440

wow that is incredible

1146

00:54:02,030 --> 00:54:00,240

that is put into words that are easily

1147

00:54:04,210 --> 00:54:02,040

digestible I'm kind of all over the

1148

00:54:06,349 --> 00:54:04,220

place but that is a perfect

1149

00:54:09,349 --> 00:54:06,359

explanation for

1150

00:54:11,510 --> 00:54:09,359

everything is happening in our reality

1151  
00:54:15,470 --> 00:54:11,520  
now imagine

1152  
00:54:18,109 --> 00:54:15,480  
if they can put that fake holographic

1153  
00:54:20,569 --> 00:54:18,119  
experience

1154  
00:54:25,030 --> 00:54:20,579  
that is designed

1155  
00:54:29,470 --> 00:54:25,040  
for a specific group of people into

1156  
00:54:34,370 --> 00:54:32,089  
right and I think that that's exactly

1157  
00:54:36,170 --> 00:54:34,380  
what they've done holy crap dude you

1158  
00:54:38,450 --> 00:54:36,180  
need to uh if you can send me that quote

1159  
00:54:42,349 --> 00:54:38,460  
or the document or whatever for sure man

1160  
00:54:43,730 --> 00:54:42,359  
I will it's I've got it yeah dude I

1161  
00:54:45,190 --> 00:54:43,740  
can't tell you where I got it but I got

1162  
00:54:47,450 --> 00:54:45,200  
it

1163  
00:54:50,270 --> 00:54:47,460

please send that document to me because

1164

00:54:53,690 --> 00:54:50,280

that explains everything that I've been

1165

00:54:56,530 --> 00:54:53,700

trying to uh say and and explains it all

1166

00:54:59,210 --> 00:54:56,540

in a very neatly put together

1167

00:55:01,309 --> 00:54:59,220

a paragraph or a couple of paragraphs

1168

00:55:03,829 --> 00:55:01,319

that she just read incredible it's

1169

00:55:06,109 --> 00:55:03,839

incredible and you know the part that

1170

00:55:08,270 --> 00:55:06,119

really Spooks me is that it kind of says

1171

00:55:11,329 --> 00:55:08,280

anything can be done

1172

00:55:12,890 --> 00:55:11,339

if you have enough time allotted to

1173

00:55:15,770 --> 00:55:12,900

doing it you just can't force it too

1174

00:55:18,829 --> 00:55:15,780

quickly too too quickly too powerfully

1175

00:55:21,470 --> 00:55:18,839

or you will literally it sounds like the

1176  
00:55:23,630 --> 00:55:21,480  
individual whoever that is whether the

1177  
00:55:26,210 --> 00:55:23,640  
remote viewer or the quote-unquote

1178  
00:55:27,410 --> 00:55:26,220  
magician from a parapsychological

1179  
00:55:29,750 --> 00:55:27,420  
standpoint

1180  
00:55:31,910 --> 00:55:29,760  
but whoever is doing the concentration

1181  
00:55:34,309 --> 00:55:31,920  
towards the desired objective you don't

1182  
00:55:37,910 --> 00:55:34,319  
want to push them too far because you

1183  
00:55:40,309 --> 00:55:37,920  
could dislocate them from this reality

1184  
00:55:42,710 --> 00:55:40,319  
even though think that the holographic

1185  
00:55:45,829 --> 00:55:42,720  
projection reality that they created in

1186  
00:55:48,069 --> 00:55:45,839  
their head was actually real yeah it

1187  
00:55:51,069 --> 00:55:48,079  
sounds like they would just I don't know

1188  
00:55:54,109 --> 00:55:51,079

just completely

1189

00:55:55,430 --> 00:55:54,119

dislocate from our existing reality and

1190

00:55:59,390 --> 00:55:55,440

that's I don't know if that means they

1191

00:56:01,849 --> 00:55:59,400

would go mad or if we would have

1192

00:56:04,250 --> 00:56:01,859

something like a Mandela effect I I

1193

00:56:06,170 --> 00:56:04,260

really don't know what that means but I

1194

00:56:08,210 --> 00:56:06,180

think that the methodology involved

1195

00:56:10,609 --> 00:56:08,220

explains pretty well that it's pretty

1196

00:56:12,890 --> 00:56:10,619

scary much like you said just about

1197

00:56:15,109 --> 00:56:12,900

anything can be accomplished

1198

00:56:17,470 --> 00:56:15,119

if they put their minds to it no pun

1199

00:56:21,829 --> 00:56:17,480

intended

1200

00:56:24,349 --> 00:56:21,839

wow that's really incredible and it's um

1201

00:56:26,450 --> 00:56:24,359

I'm glad that that exists because it

1202

00:56:28,069 --> 00:56:26,460

just it just explained everything that

1203

00:56:29,450 --> 00:56:28,079

I've been trying to say this entire time

1204

00:56:31,609 --> 00:56:29,460

during this interview and what I've been

1205

00:56:33,010 --> 00:56:31,619

trying to say for like a year now you

1206

00:56:34,609 --> 00:56:33,020

know that

1207

00:56:36,950 --> 00:56:34,619

we

1208

00:56:38,329 --> 00:56:36,960

especially like an aggregorical reality

1209

00:56:39,950 --> 00:56:38,339

I've been trying to explain it in a

1210

00:56:43,990 --> 00:56:39,960

different way

1211

00:56:46,069 --> 00:56:44,000

um but the same outcome right like yeah

1212

00:56:48,109 --> 00:56:46,079

I think that's a really good way to

1213

00:56:52,490 --> 00:56:48,119

explain it yeah right you put your

1214

00:56:55,250 --> 00:56:52,500

thoughts ideas energies into and then

1215

00:56:57,470 --> 00:56:55,260

it becomes real in your reality and the

1216

00:57:00,950 --> 00:56:57,480

more people that believe

1217

00:57:04,190 --> 00:57:00,960

in that thought idea that's been created

1218

00:57:06,890 --> 00:57:04,200

the more power more power and more

1219

00:57:09,770 --> 00:57:06,900

energy that's been accumulated into it

1220

00:57:13,130 --> 00:57:09,780

makes it more real

1221

00:57:15,170 --> 00:57:13,140

in our reality and because I think that

1222

00:57:17,450 --> 00:57:15,180

we are that powerful that our

1223

00:57:20,270 --> 00:57:17,460

Consciousness is that powerful that it

1224

00:57:21,549 --> 00:57:20,280

can literally create something

1225

00:57:24,829 --> 00:57:21,559

that

1226

00:57:28,010 --> 00:57:24,839

isn't even real

1227

00:57:32,030 --> 00:57:28,020

now it can be real to us

1228

00:57:34,130 --> 00:57:32,040

right but a blanketed real reality for

1229

00:57:37,130 --> 00:57:34,140

everyone you know it's like people

1230

00:57:39,410 --> 00:57:37,140

looking for like a a singular truth

1231

00:57:40,450 --> 00:57:39,420

right they're just they want to blanket

1232

00:57:43,849 --> 00:57:40,460

it

1233

00:57:45,349 --> 00:57:43,859

singular truths out there they just and

1234

00:57:47,450 --> 00:57:45,359

if it doesn't align with their

1235

00:57:50,030 --> 00:57:47,460

previously established beliefs then they

1236

00:57:51,470 --> 00:57:50,040

throw it out the door right well I mean

1237

00:57:54,290 --> 00:57:51,480

I have news for a lot of these people

1238

00:57:57,410 --> 00:57:54,300

there is no singular truth

1239

00:58:00,770 --> 00:57:57,420

there is not one explanation

1240

00:58:02,930 --> 00:58:00,780

for all of this phenomena

1241

00:58:05,510 --> 00:58:02,940

it's multi-layered

1242

00:58:08,870 --> 00:58:05,520

there's different reasons for everything

1243

00:58:10,970 --> 00:58:08,880

and there's multiple reasons

1244

00:58:13,370 --> 00:58:10,980

for everything

1245

00:58:16,790 --> 00:58:13,380

things just don't happen for one

1246

00:58:19,910 --> 00:58:16,800

singular reason

1247

00:58:23,089 --> 00:58:19,920

it's a multi-layered

1248

00:58:24,890 --> 00:58:23,099

many branches to the tree

1249

00:58:30,170 --> 00:58:24,900

and there's branches on those branches

1250

00:58:32,329 --> 00:58:30,180

right and then

1251

00:58:35,750 --> 00:58:32,339

digging down deep and bringing this

1252

00:58:39,349 --> 00:58:35,760

whole thing down to earth and realizing

1253

00:58:43,609 --> 00:58:39,359

that a lot of this stuff is due to our

1254

00:58:45,770 --> 00:58:43,619

own psyche and what we are creating in

1255

00:58:48,410 --> 00:58:45,780

our reality and that's been the biggest

1256

00:58:51,170 --> 00:58:48,420

perpetuator of

1257

00:58:52,730 --> 00:58:51,180

the Aryan and E.T

1258

00:58:55,370 --> 00:58:52,740

phenomenon

1259

00:58:57,950 --> 00:58:55,380

right that's why it's a

1260

00:59:01,370 --> 00:58:57,960

spiritual experience that's why it's a

1261

00:59:04,910 --> 00:59:01,380

Consciousness experience as it's a like

1262

00:59:07,190 --> 00:59:04,920

a holographic projection

1263

00:59:09,170 --> 00:59:07,200

and that's also why

1264

00:59:11,450 --> 00:59:09,180

no one has

1265

00:59:14,510 --> 00:59:11,460

ever met a

1266

00:59:17,270 --> 00:59:14,520

physical extraterrestrial

1267

00:59:20,390 --> 00:59:17,280

that you can literally Reach Out And

1268

00:59:23,809 --> 00:59:20,400

Touch that's physical as me and you Ryan

1269

00:59:25,309 --> 00:59:23,819

yep that's sitting in your room that you

1270

00:59:28,730 --> 00:59:25,319

can reach out and shake hands with

1271

00:59:31,130 --> 00:59:28,740

that's not in a astral form that's not

1272

00:59:33,109 --> 00:59:31,140

in a dream state that you're not

1273

00:59:34,569 --> 00:59:33,119

experienced under experiencing under

1274

00:59:37,430 --> 00:59:34,579

some kind of

1275

00:59:41,089 --> 00:59:37,440

hallucinogenic drug or some other form

1276  
00:59:45,530 --> 00:59:43,130  
now that that is the reason because it's

1277  
00:59:47,210 --> 00:59:45,540  
when it was within us

1278  
00:59:48,770 --> 00:59:47,220  
it's happening within us is happening

1279  
00:59:50,990 --> 00:59:48,780  
within our head

1280  
00:59:53,690 --> 00:59:51,000  
within our psyche

1281  
00:59:55,250 --> 00:59:53,700  
that's why they're not physical

1282  
00:59:58,430 --> 00:59:55,260  
because they can't be physical because

1283  
01:00:00,390 --> 00:59:58,440  
they aren't a part of us and it's a

1284  
01:00:01,789 --> 01:00:00,400  
sort of fabrication

1285  
01:00:03,970 --> 01:00:01,799  
[Music]

1286  
01:00:07,130 --> 01:00:03,980  
of our

1287  
01:00:08,930 --> 01:00:07,140  
psyche our is exactly what you just

1288  
01:00:10,430 --> 01:00:08,940

write in that uh document from the

1289

01:00:12,950 --> 01:00:10,440

Monroe Institute

1290

01:00:14,809 --> 01:00:12,960

and it's a holographic

1291

01:00:16,730 --> 01:00:14,819

projection

1292

01:00:19,430 --> 01:00:16,740

and when you take that holographic

1293

01:00:20,590 --> 01:00:19,440

projection as

1294

01:00:22,069 --> 01:00:20,600

something real

1295

01:00:24,650 --> 01:00:22,079

[Music]

1296

01:00:29,870 --> 01:00:24,660

then you you've just

1297

01:00:31,250 --> 01:00:29,880

you're just basically creating stuff

1298

01:00:33,710 --> 01:00:31,260

and putting it out there and that's why

1299

01:00:34,970 --> 01:00:33,720

no one has any physical evidence

1300

01:00:36,829 --> 01:00:34,980

that's why no one has any physical

1301

01:00:39,530 --> 01:00:36,839

evidence of

1302

01:00:42,109 --> 01:00:39,540

abductions

1303

01:00:44,809 --> 01:00:42,119

that's why people have never met a

1304

01:00:44,819 --> 01:00:47,870

because they're not physical

1305

01:00:53,030 --> 01:00:49,370

they're Within

1306

01:00:54,410 --> 01:00:53,040

you they are you and they're a part of

1307

01:00:56,150 --> 01:00:54,420

Inner Space

1308

01:00:57,950 --> 01:00:56,160

not outer space

1309

01:01:01,430 --> 01:00:57,960

so we've been programmed to think of

1310

01:01:03,770 --> 01:01:01,440

space as just being outer space right

1311

01:01:05,750 --> 01:01:03,780

none of these NASA doesn't say outer

1312

01:01:07,309 --> 01:01:05,760

space anymore none of these people ever

1313

01:01:09,170 --> 01:01:07,319

none of the three-letter organizations

1314

01:01:11,750 --> 01:01:09,180

they are forcing that ever say outer

1315

01:01:13,370 --> 01:01:11,760

space anymore they just say space

1316

01:01:16,490 --> 01:01:13,380

and we've been so programmed into

1317

01:01:18,530 --> 01:01:16,500

thinking that when we hear the word

1318

01:01:20,990 --> 01:01:18,540

space that they're automatically

1319

01:01:23,569 --> 01:01:21,000

referring to outer space when you look

1320

01:01:25,970 --> 01:01:23,579

up the definition of what space is space

1321

01:01:28,670 --> 01:01:25,980

can be anything

1322

01:01:32,510 --> 01:01:28,680

supposed to be extra room in your house

1323

01:01:33,890 --> 01:01:32,520

space can be the ocean

1324

01:01:36,770 --> 01:01:33,900

space could be

1325

01:01:36,780 --> 01:01:39,530

Inner Space

1326

01:01:45,049 --> 01:01:41,329

and also

1327

01:01:46,970 --> 01:01:45,059

that is what I believe a lot of this

1328

01:01:49,730 --> 01:01:46,980

phenomenon and

1329

01:01:52,670 --> 01:01:49,740

now I'm not trying to downplay you know

1330

01:01:54,890 --> 01:01:52,680

people's abduction experiences or their

1331

01:01:56,450 --> 01:01:54,900

contact experiences or anything like

1332

01:01:59,630 --> 01:01:56,460

that if they think that they experience

1333

01:02:01,730 --> 01:01:59,640

that then that's fine you know and the

1334

01:02:05,030 --> 01:02:01,740

real people that have experienced that

1335

01:02:06,530 --> 01:02:05,040

don't care what you say

1336

01:02:08,390 --> 01:02:06,540

they don't care

1337

01:02:10,130 --> 01:02:08,400

you can call them Liars you can call you

1338

01:02:12,410 --> 01:02:10,140

just tell them that their experiences

1339

01:02:14,030 --> 01:02:12,420

are are made up that it's all in their

1340

01:02:15,950 --> 01:02:14,040

head and that they have no evidence no

1341

01:02:18,289 --> 01:02:15,960

proof and they don't care

1342

01:02:21,230 --> 01:02:18,299

now the ones that do care

1343

01:02:24,010 --> 01:02:21,240

are the ones that have something to hide

1344

01:02:28,970 --> 01:02:24,020

and don't want to

1345

01:02:35,329 --> 01:02:31,069

it could be happening

1346

01:02:37,069 --> 01:02:35,339

in their head and not be real

1347

01:02:41,329 --> 01:02:37,079

it could be a fabrication that it could

1348

01:02:45,829 --> 01:02:41,339

be a holographic projection and that it

1349

01:02:49,130 --> 01:02:45,839

is actually coming from you

1350

01:02:50,690 --> 01:02:49,140

and then you get into the whole

1351

01:02:52,970 --> 01:02:50,700

um

1352

01:02:57,109 --> 01:02:52,980

can we even

1353

01:03:01,789 --> 01:02:57,119

travel in space too right I don't think

1354

01:03:04,910 --> 01:03:01,799

that a human body is meant to be in

1355

01:03:09,890 --> 01:03:04,920

space for long periods of time like you

1356

01:03:12,950 --> 01:03:09,900

need a certain procedure let's say to as

1357

01:03:15,170 --> 01:03:12,960

a human being to even go to Bali you

1358

01:03:18,650 --> 01:03:15,180

have to have a medical procedure to go

1359

01:03:21,530 --> 01:03:18,660

to Bali not surrounding 2020 or they've

1360

01:03:23,990 --> 01:03:21,540

been doing that forever yeah because

1361

01:03:26,270 --> 01:03:24,000

things are different there it's a

1362

01:03:28,390 --> 01:03:26,280

different kind of atmosphere it's a

1363

01:03:30,049 --> 01:03:28,400

different kind of um

1364

01:03:32,150 --> 01:03:30,059

yeah

1365

01:03:34,970 --> 01:03:32,160

not gravity but I can't think of the

1366

01:03:37,430 --> 01:03:34,980

words in it that I'm trying to say but

1367

01:03:40,370 --> 01:03:37,440

taking that into consideration what

1368

01:03:43,670 --> 01:03:40,380

would you need to go live on a a

1369

01:03:48,829 --> 01:03:46,309

I don't think that we could withstand

1370

01:03:52,370 --> 01:03:48,839

because we're born on Earth

1371

01:03:55,250 --> 01:03:52,380

our body is aligned with Earth's

1372

01:03:56,750 --> 01:03:55,260

atmosphere Earth's gravity

1373

01:04:00,770 --> 01:03:56,760

I don't think that we would be able to

1374

01:04:04,910 --> 01:04:00,780

walk around on any other planet as we do

1375

01:04:10,849 --> 01:04:06,829

and I don't think that anybody else

1376

01:04:13,970 --> 01:04:10,859

coming from a another planet

1377

01:04:16,849 --> 01:04:13,980

could walk around here and survive

1378

01:04:19,690 --> 01:04:16,859

I think it's impossible

1379

01:04:23,270 --> 01:04:19,700

and I think that that's the whole

1380

01:04:26,569 --> 01:04:23,280

augmentation side of this that they want

1381

01:04:30,470 --> 01:04:26,579

to get Humanity into you know this uh

1382

01:04:32,510 --> 01:04:30,480

cybernetic brain implant you know this

1383

01:04:38,750 --> 01:04:34,730

kind of AI driven

1384

01:04:43,549 --> 01:04:38,760

reality making us more machine uh and

1385

01:04:45,789 --> 01:04:43,559

more cyborg than human it's so that we

1386

01:04:48,890 --> 01:04:45,799

could possibly

1387

01:04:52,690 --> 01:04:48,900

exist in space and that we could

1388

01:04:56,030 --> 01:04:52,700

possibly exist on other planets and

1389

01:04:57,650 --> 01:04:56,040

colonize other planets because you know

1390

01:04:59,930 --> 01:04:57,660

and there's a lot of proof of this

1391

01:05:03,829 --> 01:04:59,940

Rudolph Steiner talks about talks about

1392

01:05:07,970 --> 01:05:03,839

it too that humans aren't meant to be

1393

01:05:11,510 --> 01:05:07,980

they can't exist in space as we are

1394

01:05:12,829 --> 01:05:11,520

right you know natural biological humans

1395

01:05:16,190 --> 01:05:12,839

now

1396

01:05:17,930 --> 01:05:16,200

it's impossible so you need some kind of

1397

01:05:19,609 --> 01:05:17,940

augmentation

1398

01:05:22,069 --> 01:05:19,619

some kind of

1399

01:05:25,849 --> 01:05:22,079

um enhancement

1400

01:05:29,809 --> 01:05:25,859

if you wanted to live in space or live

1401

01:05:31,849 --> 01:05:29,819

on any different planning and I think

1402

01:05:34,130 --> 01:05:31,859

that is kind of

1403

01:05:36,170 --> 01:05:34,140

their plan I mean we've seen that from

1404

01:05:38,569 --> 01:05:36,180

Elon Musk Elon Musk wants to colonize

1405

01:05:40,609 --> 01:05:38,579

Mars and he also wants to put a brain

1406

01:05:43,609 --> 01:05:40,619

implant in you

1407

01:05:46,190 --> 01:05:43,619

you know so something

1408

01:05:47,990 --> 01:05:46,200

's not lying out there

1409

01:05:50,510 --> 01:05:48,000

so

1410

01:05:52,309 --> 01:05:50,520

I don't know I don't think that

1411

01:05:53,930 --> 01:05:52,319

just like we can't go out into space

1412

01:05:55,849 --> 01:05:53,940

just like we can't walk around on other

1413

01:05:57,170 --> 01:05:55,859

planets as the biological human that we

1414

01:05:58,970 --> 01:05:57,180

are because we're actually from Earth

1415

01:06:00,289 --> 01:05:58,980

We're from Earth's atmosphere Earth's

1416

01:06:02,329 --> 01:06:00,299

gravity

1417

01:06:06,170 --> 01:06:02,339

all the things that are happening in the

1418

01:06:08,750 --> 01:06:06,180

skies around us I don't think that a

1419

01:06:13,809 --> 01:06:08,760

other species could come to the planet

1420

01:06:18,109 --> 01:06:13,819

as an organic being either and live

1421

01:06:20,569 --> 01:06:18,119

it's man I'm with you about going to

1422

01:06:24,190 --> 01:06:20,579

other planets the human body I'm with

1423

01:06:27,770 --> 01:06:24,200

you it does not seem feasible let alone

1424

01:06:31,730 --> 01:06:27,780

the fact that we are to believe

1425

01:06:34,730 --> 01:06:31,740

I'm not a scientist that astronauts ride

1426  
01:06:36,650 --> 01:06:34,740  
on a rocket or spacecraft going faster

1427  
01:06:38,390 --> 01:06:36,660  
than a bullet um

1428  
01:06:40,849 --> 01:06:38,400  
you know I

1429  
01:06:43,370 --> 01:06:40,859  
the fact that the

1430  
01:06:46,730 --> 01:06:43,380  
things in the Earth's orbit

1431  
01:06:50,750 --> 01:06:46,740  
around 250 miles above Earth are moving

1432  
01:06:53,630 --> 01:06:50,760  
up to 17 500 miles per hour according to

1433  
01:06:58,250 --> 01:06:53,640  
NASA which is about 10 times faster than

1434  
01:07:01,370 --> 01:06:58,260  
a speeding bullet and we know what a

1435  
01:07:02,750 --> 01:07:01,380  
bullet does to a human body so it can

1436  
01:07:05,150 --> 01:07:02,760  
only

1437  
01:07:08,089 --> 01:07:05,160  
make sense that moving that fast would

1438  
01:07:11,329 --> 01:07:08,099

have some repercussion unless like you

1439

01:07:14,210 --> 01:07:11,339

said we are in some simplified mode we

1440

01:07:17,690 --> 01:07:14,220

were made more plastic in some way we

1441

01:07:21,589 --> 01:07:17,700

can be more compatible with those speeds

1442

01:07:23,930 --> 01:07:21,599

on some level I just don't know what the

1443

01:07:25,370 --> 01:07:23,940

reality of them we know that astronauts

1444

01:07:28,190 --> 01:07:25,380

go through a lot I just don't know

1445

01:07:30,529 --> 01:07:28,200

exactly what and and I think that yeah

1446

01:07:32,690 --> 01:07:30,539

this transhumanist agenda

1447

01:07:35,410 --> 01:07:32,700

maybe there's something to all this I'm

1448

01:07:41,150 --> 01:07:38,270

yeah and also being in a rocket and

1449

01:07:43,309 --> 01:07:41,160

being going faster than a speeding

1450

01:07:45,710 --> 01:07:43,319

bullet through space a little Pebble

1451

01:07:48,770 --> 01:07:45,720

would completely destroy

1452

01:07:51,230 --> 01:07:48,780

your entire craft

1453

01:07:53,750 --> 01:07:51,240

you know you're going that fast you hit

1454

01:07:56,750 --> 01:07:53,760

a little I mean shoot

1455

01:07:58,910 --> 01:07:56,760

driving on a motorcycle down the highway

1456

01:08:00,589 --> 01:07:58,920

and a bug hits your face and you don't

1457

01:08:04,150 --> 01:08:00,599

have protective gear

1458

01:08:05,750 --> 01:08:04,160

that [h\_\_h] stings bro oh yeah [h\_\_h]

1459

01:08:07,970 --> 01:08:05,760

you know

1460

01:08:11,510 --> 01:08:07,980

so imagine

1461

01:08:14,809 --> 01:08:11,520

traveling fast as a bullet through space

1462

01:08:16,729 --> 01:08:14,819

you know in a little uh space rock or a

1463

01:08:18,709 --> 01:08:16,739

little debris

1464

01:08:20,269 --> 01:08:18,719

catch a rocket

1465

01:08:22,809 --> 01:08:20,279

it's done for

1466

01:08:24,829 --> 01:08:22,819

right that's why I don't

1467

01:08:26,390 --> 01:08:24,839

I don't think that we can travel in

1468

01:08:28,490 --> 01:08:26,400

space with standard rocketry I think

1469

01:08:31,490 --> 01:08:28,500

it's impossible yeah I don't think we

1470

01:08:34,189 --> 01:08:31,500

can really get outside of the uh the

1471

01:08:38,990 --> 01:08:34,199

Earth's atmosphere any standard rocket

1472

01:08:42,829 --> 01:08:39,000

for one Rockets are 90 fuel

1473

01:08:44,570 --> 01:08:42,839

and one of Ron Braun stated that it

1474

01:08:46,249 --> 01:08:44,580

would take a rocket the size of Empire

1475

01:08:48,950 --> 01:08:46,259

State Building to be able to get to the

1476

01:08:51,470 --> 01:08:48,960

moon and it's not because we needed that

1477

01:08:54,829 --> 01:08:51,480

size of a rocket to get there it's

1478

01:08:56,329 --> 01:08:54,839

because we needed that amount of gas

1479

01:08:58,970 --> 01:08:56,339

together

1480

01:09:02,390 --> 01:08:58,980

because a standard rocket

1481

01:09:06,709 --> 01:09:02,400

it's payload has to be 90 gas and that

1482

01:09:08,990 --> 01:09:06,719

leaves very little room for crew and uh

1483

01:09:10,970 --> 01:09:09,000

things that you actually need to survive

1484

01:09:13,910 --> 01:09:10,980

the trip

1485

01:09:19,130 --> 01:09:17,030

if anything I believe that we have

1486

01:09:21,590 --> 01:09:19,140

developed

1487

01:09:24,829 --> 01:09:21,600

highly advanced technology I mean we

1488

01:09:27,050 --> 01:09:24,839

have proof of this of the uh sonaro Aero

1489

01:09:29,349 --> 01:09:27,060

Club in the mid-1800s

1490

01:09:31,189 --> 01:09:29,359

creating

1491

01:09:33,709 --> 01:09:31,199

anti-gravity craft

1492

01:09:34,450 --> 01:09:33,719

in Northern California

1493

01:09:37,729 --> 01:09:34,460

um

1494

01:09:40,550 --> 01:09:37,739

petermannis and uh

1495

01:09:42,650 --> 01:09:40,560

Charles Del Shaw

1496

01:09:44,390 --> 01:09:42,660

uh and you can look that out there's

1497

01:09:47,090 --> 01:09:44,400

schematics there's

1498

01:09:48,829 --> 01:09:47,100

um drawings of the crafted they were

1499

01:09:50,930 --> 01:09:48,839

creating

1500

01:09:52,430 --> 01:09:50,940

Walter Bosley's written several books on

1501

01:09:54,950 --> 01:09:52,440

this

1502

01:09:58,070 --> 01:09:54,960

um then you fast forward a little bit to

1503

01:10:00,350 --> 01:09:58,080

World War II the Germans were also

1504

01:10:03,050 --> 01:10:00,360

working on something very similar

1505

01:10:04,790 --> 01:10:03,060

uh with the Bell technology

1506

01:10:09,189 --> 01:10:04,800

and I believe that the Bell technology

1507

01:10:12,290 --> 01:10:09,199

was a the engine of The Craft right

1508

01:10:16,430 --> 01:10:12,300

and they just strapped on the engine

1509

01:10:17,990 --> 01:10:16,440

onto a uh some kind of uh saucer shaped

1510

01:10:19,070 --> 01:10:18,000

craft in order for it to lift up off to

1511

01:10:20,870 --> 01:10:19,080

the ground but they were using a red

1512

01:10:23,149 --> 01:10:20,880

spinning Mercury

1513

01:10:26,410 --> 01:10:23,159

and the Sonora Arrow Club is using a

1514

01:10:29,510 --> 01:10:26,420

green spinning Mercury fuel additive to

1515

01:10:30,530 --> 01:10:29,520

lift to be able to lift the craft up off

1516

01:10:33,590 --> 01:10:30,540

of the ground

1517

01:10:37,850 --> 01:10:33,600

and then we have all of the German

1518

01:10:40,310 --> 01:10:37,860

Aerospace techs and scientists then all

1519

01:10:42,590 --> 01:10:40,320

of them coming to the United States

1520

01:10:45,110 --> 01:10:42,600

through project paper Club

1521

01:10:48,590 --> 01:10:45,120

then we have the Roswell event of 1947

1522

01:10:53,209 --> 01:10:48,600

two years after the war we have Admiral

1523

01:10:56,570 --> 01:10:53,219

Byrd going to Antarctica in 1946 it

1524

01:10:58,910 --> 01:10:56,580

ended in 1947 very very short trip

1525

01:11:01,250 --> 01:10:58,920

now the story is there I'm not too sure

1526

01:11:02,410 --> 01:11:01,260

but he did stop in

1527

01:11:06,169 --> 01:11:02,420

Chile

1528

01:11:08,510 --> 01:11:06,179

and I gave a statement there that some

1529

01:11:12,950 --> 01:11:08,520

at some point we're going to have to

1530

01:11:15,110 --> 01:11:12,960

fight technology that can go from pole

1531

01:11:16,490 --> 01:11:15,120

to pole in a matter of minutes it's not

1532

01:11:18,410 --> 01:11:16,500

the direct quote that's just me

1533

01:11:22,660 --> 01:11:18,420

paraphrasing

1534

01:11:24,410 --> 01:11:22,670

then 1962 we have the Washington

1535

01:11:26,470 --> 01:11:24,420

[Music]

1536

01:11:28,310 --> 01:11:26,480

proper van

1537

01:11:30,649 --> 01:11:28,320

1952 sorry

1538

01:11:32,810 --> 01:11:30,659

1952 is the Washington flag event which

1539

01:11:34,430 --> 01:11:32,820

is the UFOs that were spotted over the

1540

01:11:37,130 --> 01:11:34,440

White House

1541

01:11:39,770 --> 01:11:37,140

then we have the texberg event of

1542

01:11:45,470 --> 01:11:41,630

we have the first subduction before that

1543

01:11:46,850 --> 01:11:45,480

which was 1961 with Buddy and Barney

1544

01:11:48,890 --> 01:11:46,860

Hill and then we have the texberg event

1545

01:11:52,729 --> 01:11:48,900

in 1965.

1546

01:11:55,070 --> 01:11:52,739

then we go to the moon in 1969.

1547

01:11:58,689 --> 01:11:55,080

so whenever you look at all these events

1548

01:12:01,790 --> 01:11:58,699

in the sequence that it happens in you

1549

01:12:03,830 --> 01:12:01,800

realize that

1550

01:12:05,689 --> 01:12:03,840

the military CIA and student

1551

01:12:06,890 --> 01:12:05,699

organizations are doing MK Ultra

1552

01:12:09,530 --> 01:12:06,900

programs they're doing psychological

1553

01:12:12,470 --> 01:12:09,540

operations

1554

01:12:15,350 --> 01:12:12,480

they have this technology they've been

1555

01:12:16,970 --> 01:12:15,360

working on it since the 1800s which the

1556

01:12:19,310 --> 01:12:16,980

scenario Club was

1557

01:12:22,669 --> 01:12:19,320

funded uh

1558

01:12:25,669 --> 01:12:22,679

by Prussia which

1559

01:12:27,770 --> 01:12:25,679

pressure then became Germany

1560

01:12:31,550 --> 01:12:27,780

and so you have all these connections

1561

01:12:34,850 --> 01:12:31,560

here and evidence that

1562

01:12:38,270 --> 01:12:34,860

it's our technology that we've developed

1563

01:12:40,669 --> 01:12:38,280

and that we've created and the reverse

1564

01:12:41,750 --> 01:12:40,679

engineering aspect of all this stuff has

1565

01:12:45,169 --> 01:12:41,760

been

1566

01:12:49,130 --> 01:12:45,179

put into the consciousness of people uh

1567

01:12:51,709 --> 01:12:49,140

you know crashed uh Alien craft alien uh

1568

01:12:53,510 --> 01:12:51,719

technology uh retrieval and all that and

1569

01:12:56,270 --> 01:12:53,520

then we'd like reverse engineered it and

1570

01:12:58,850 --> 01:12:56,280

it's all from Aliens that's been put out

1571

01:13:03,110 --> 01:12:58,860

there in my personal opinion to cover up

1572

01:13:04,910 --> 01:13:03,120

the fact that it's us and that we've

1573

01:13:07,669 --> 01:13:04,920

created it and we have had the

1574

01:13:10,910 --> 01:13:07,679

technology for a really long time I mean

1575

01:13:13,490 --> 01:13:10,920

uh James Forrestal wanted to

1576

01:13:14,390 --> 01:13:13,500

release this technology and he was

1577

01:13:17,689 --> 01:13:14,400

really

1578

01:13:20,090 --> 01:13:17,699

uh good friends with JFK uh JFK was kind

1579

01:13:22,070 --> 01:13:20,100

of like his uh protein and there is

1580

01:13:25,550 --> 01:13:22,080

documentation that JFK and James

1581

01:13:28,550 --> 01:13:25,560

Forrestal both went to Germany

1582

01:13:32,750 --> 01:13:28,560

after World War II and their speculation

1583

01:13:37,070 --> 01:13:32,760

that they looked at the anti-gravity

1584

01:13:38,750 --> 01:13:37,080

craft that the Germans were working on

1585

01:13:41,930 --> 01:13:38,760

when they came back to the United States

1586

01:13:43,669 --> 01:13:41,940

JFK ran for Senate James Forrestal

1587

01:13:47,410 --> 01:13:43,679

became the very first Secretary of

1588

01:13:53,270 --> 01:13:47,420

Defense and that is where

1589

01:13:57,350 --> 01:13:54,950

fascinating man

1590

01:13:59,270 --> 01:13:57,360

and

1591

01:14:01,669 --> 01:13:59,280

James Warsaw wanted to release the

1592

01:14:04,250 --> 01:14:01,679

technology he wanted to be a a public

1593

01:14:05,570 --> 01:14:04,260

thing right he's like why why are we

1594

01:14:07,370 --> 01:14:05,580

holding on this why are we making this

1595

01:14:08,689 --> 01:14:07,380

so secretive

1596

01:14:12,050 --> 01:14:08,699

and

1597

01:14:16,149 --> 01:14:12,060

there was someone or something that

1598

01:14:20,390 --> 01:14:16,159

wanted to do this uh black budget style

1599

01:14:22,850 --> 01:14:20,400

you know keep it all under wraps not let

1600

01:14:27,830 --> 01:14:22,860

it get out to the public

1601

01:14:31,550 --> 01:14:27,840

and they made forest all out to be a uh

1602

01:14:34,490 --> 01:14:31,560

crazy wakadoo and they locked him up uh

1603

01:14:36,649 --> 01:14:34,500

Bethesda Hospital

1604

01:14:38,030 --> 01:14:36,659

and Naval Hospital

1605

01:14:40,070 --> 01:14:38,040

and

1606

01:14:43,070 --> 01:14:40,080

um

1607

01:14:45,229 --> 01:14:43,080

apparently no proof they killed him they

1608

01:14:46,790 --> 01:14:45,239

pushed him out of the uh yeah I think

1609

01:14:50,090 --> 01:14:46,800

you've seen story window or whatever

1610

01:14:51,590 --> 01:14:50,100

went a really high up window and they

1611

01:14:55,430 --> 01:14:51,600

said that it was suicide and that he

1612

01:14:58,310 --> 01:14:55,440

killed himself and I think that JFK was

1613

01:15:03,110 --> 01:14:58,320

trying to do this more

1614

01:15:07,330 --> 01:15:03,120

openly and not so secretive right and

1615

01:15:10,790 --> 01:15:07,340

because JFK was the first person in

1616

01:15:13,729 --> 01:15:10,800

61 I believe he made a statement to

1617

01:15:15,770 --> 01:15:13,739

Congress that we should be we should

1618

01:15:18,290 --> 01:15:15,780

focus our efforts to getting to the Moon

1619

01:15:22,250 --> 01:15:18,300

by the end of the decade and then again

1620

01:15:24,649 --> 01:15:22,260

in 62 at Rice Stadium I might not be 100

1621

01:15:26,209 --> 01:15:24,659

sure on those dates but it's around that

1622

01:15:29,330 --> 01:15:26,219

area he made that statement of rice

1623

01:15:31,010 --> 01:15:29,340

stadium in that to the public that we

1624

01:15:33,530 --> 01:15:31,020

should you know focus our efforts to get

1625

01:15:36,350 --> 01:15:33,540

into the Moon by the end of the decade

1626  
01:15:39,010 --> 01:15:36,360  
and I personally believe that that was

1627  
01:15:43,610 --> 01:15:39,020  
JFK's push

1628  
01:15:45,770 --> 01:15:43,620  
to let them reveal the technology that

1629  
01:15:47,209 --> 01:15:45,780  
we had and he was trying to do it out in

1630  
01:15:49,970 --> 01:15:47,219  
the open because he's seen what happened

1631  
01:15:52,010 --> 01:15:49,980  
to his friend and his buddy James

1632  
01:15:54,290 --> 01:15:52,020  
Forrestal

1633  
01:15:56,810 --> 01:15:54,300  
he was making a big push to reveal the

1634  
01:15:58,850 --> 01:15:56,820  
technology internally

1635  
01:16:00,350 --> 01:15:58,860  
and

1636  
01:16:02,390 --> 01:16:00,360  
they killed him

1637  
01:16:04,070 --> 01:16:02,400  
again speculation don't know for sure if

1638  
01:16:06,470 --> 01:16:04,080

they killed him or not but he ended up

1639

01:16:09,229 --> 01:16:06,480

dying right put it that way and then so

1640

01:16:10,550 --> 01:16:09,239

JFK went back and he was like huh how

1641

01:16:14,030 --> 01:16:10,560

can I do this

1642

01:16:17,510 --> 01:16:15,890

right and he was like well I'll just do

1643

01:16:19,910 --> 01:16:17,520

it out in the open

1644

01:16:21,830 --> 01:16:19,920

I'll just try and force their hand to

1645

01:16:25,790 --> 01:16:21,840

reveal the technology

1646

01:16:28,250 --> 01:16:25,800

early because I believe he knew that we

1647

01:16:31,430 --> 01:16:28,260

couldn't get to the moon in standard

1648

01:16:33,530 --> 01:16:31,440

rocketry so he was like okay well let me

1649

01:16:35,810 --> 01:16:33,540

try and push this out early we'll we'll

1650

01:16:37,189 --> 01:16:35,820

make a statement to say oh we should

1651

01:16:38,630 --> 01:16:37,199

focus our office to get into the Moon by

1652

01:16:41,030 --> 01:16:38,640

the end of the decade

1653

01:16:43,189 --> 01:16:41,040

and that will

1654

01:16:45,470 --> 01:16:43,199

force them to

1655

01:16:48,830 --> 01:16:45,480

you know reveal this anti-gravity craft

1656

01:16:50,330 --> 01:16:48,840

in the real way that we might possibly

1657

01:16:53,149 --> 01:16:50,340

get to the moon

1658

01:16:56,750 --> 01:16:53,159

but they ended up killing him anyway and

1659

01:16:58,970 --> 01:16:56,760

that's not the only reason for the uh

1660

01:17:01,550 --> 01:16:58,980

assassination right it's there's many

1661

01:17:05,870 --> 01:17:01,560

many more reasons so I don't want people

1662

01:17:08,149 --> 01:17:05,880

to think or believe that that it was the

1663

01:17:10,130 --> 01:17:08,159

only reason that um he was killed or

1664

01:17:13,130 --> 01:17:10,140

assassinated because it's not that's

1665

01:17:14,750 --> 01:17:13,140

just not I uh one of the many

1666

01:17:17,870 --> 01:17:14,760

possibilities

1667

01:17:19,070 --> 01:17:17,880

that he could have been taken out there

1668

01:17:20,930 --> 01:17:19,080

so

1669

01:17:22,430 --> 01:17:20,940

I think that's what that's what was

1670

01:17:24,169 --> 01:17:22,440

going on and we know that the Apollo

1671

01:17:28,130 --> 01:17:24,179

missions were

1672

01:17:30,110 --> 01:17:28,140

actually designed to set up military

1673

01:17:33,590 --> 01:17:30,120

bases

1674

01:17:35,390 --> 01:17:33,600

on other planets in our solar systems on

1675

01:17:38,149 --> 01:17:35,400

other moons it wasn't just meant to go

1676

01:17:40,610 --> 01:17:38,159

to the Moon it was meant to go to uh

1677

01:17:41,930 --> 01:17:40,620

Mars and all these other places to set

1678

01:17:44,450 --> 01:17:41,940

up uh you know basically the

1679

01:17:46,850 --> 01:17:44,460

militarization of space

1680

01:17:47,870 --> 01:17:46,860

and that was a statement that was uh

1681

01:17:50,930 --> 01:17:47,880

kind of

1682

01:17:52,850 --> 01:17:50,940

you know out there in the uh early 60s

1683

01:17:54,530 --> 01:17:52,860

whenever we decided that we were going

1684

01:17:56,470 --> 01:17:54,540

to try and make it to the moon but then

1685

01:17:59,689 --> 01:17:56,480

they just brushed it under the rug

1686

01:18:00,590 --> 01:17:59,699

they're like forget that we didn't say

1687

01:18:02,270 --> 01:18:00,600

that we didn't make any of those

1688

01:18:04,130 --> 01:18:02,280

statements and then it just went uh

1689

01:18:06,050 --> 01:18:04,140

black and it just went super dark and

1690

01:18:07,490 --> 01:18:06,060

there's another

1691

01:18:09,890 --> 01:18:07,500

thing here that's proof of

1692

01:18:11,810 --> 01:18:09,900

militarization of space which is

1693

01:18:13,189 --> 01:18:11,820

um operation Looking Glass are you

1694

01:18:15,470 --> 01:18:13,199

familiar with operation Looking Glass

1695

01:18:21,709 --> 01:18:15,480

amazing yeah but let's tell our

1696

01:18:29,330 --> 01:18:26,030

not a technology to see into the future

1697

01:18:32,390 --> 01:18:29,340

or into the past it's an actual Air

1698

01:18:37,149 --> 01:18:32,400

Force Command Post

1699

01:18:39,350 --> 01:18:37,159

in space with the ability to Launch

1700

01:18:42,950 --> 01:18:39,360

nukes from Earth

1701

01:18:45,169 --> 01:18:42,960

in the event that a the ground-based

1702

01:18:47,990 --> 01:18:45,179

communications center is rendered

1703

01:18:49,510 --> 01:18:48,000

unusable or destroyed

1704

01:18:53,030 --> 01:18:49,520

and so

1705

01:18:56,590 --> 01:18:53,040

in the secret space program people in

1706

01:19:00,290 --> 01:18:56,600

SSP people and super soldiers have taken

1707

01:19:03,050 --> 01:19:00,300

that concept that Looking Glass concept

1708

01:19:05,990 --> 01:19:03,060

and turned it into something that it's

1709

01:19:08,090 --> 01:19:06,000

not it's a it's another cover-up they

1710

01:19:10,010 --> 01:19:08,100

don't want you to know that

1711

01:19:13,610 --> 01:19:10,020

they have already

1712

01:19:16,010 --> 01:19:13,620

militarized space and that space force

1713

01:19:19,930 --> 01:19:16,020

was just a

1714

01:19:24,350 --> 01:19:19,940

uh rebranding of a

1715

01:19:26,810 --> 01:19:24,360

previously existing program

1716

01:19:30,590 --> 01:19:26,820

that we had been up there since 1962

1717

01:19:33,950 --> 01:19:30,600

whenever or 1961 went operation Looking

1718

01:19:36,530 --> 01:19:33,960

Glass uh became an actual program which

1719

01:19:38,750 --> 01:19:36,540

is another interesting thing is that the

1720

01:19:40,550 --> 01:19:38,760

Air Force was running NASA's test

1721

01:19:44,330 --> 01:19:40,560

flights

1722

01:19:46,310 --> 01:19:44,340

in 1961 the Gemini program uh and

1723

01:19:47,930 --> 01:19:46,320

there's another one I can't uh think of

1724

01:19:50,390 --> 01:19:47,940

off the top of my head but they're

1725

01:19:52,189 --> 01:19:50,400

running two different NASA test sites

1726

01:19:54,830 --> 01:19:52,199

the Air Force was it wasn't NASA that

1727

01:19:58,310 --> 01:19:54,840

was actually running them and they never

1728

01:19:59,450 --> 01:19:58,320

got outside of the uh upper atmosphere

1729

01:20:03,050 --> 01:19:59,460

of the planet

1730

01:20:05,450 --> 01:20:03,060

and I think that is

1731

01:20:07,850 --> 01:20:05,460

the signal that gave

1732

01:20:09,470 --> 01:20:07,860

JFK because they never broke out of the

1733

01:20:11,090 --> 01:20:09,480

upper atmosphere of the planet because I

1734

01:20:14,149 --> 01:20:11,100

don't believe that they can with

1735

01:20:17,570 --> 01:20:14,159

standard rockets and JFK was like okay

1736

01:20:20,689 --> 01:20:17,580

this is my this is my cue right here to

1737

01:20:23,890 --> 01:20:20,699

try and get them to

1738

01:20:26,149 --> 01:20:23,900

um force their hand to reveal

1739

01:20:31,610 --> 01:20:26,159

anti-gravity craft and what we've been

1740

01:20:33,169 --> 01:20:31,620

working on since um uh the the late 40s

1741

01:20:37,250 --> 01:20:33,179

man

1742

01:20:39,530 --> 01:20:37,260

it's so amazing and you know I know

1743

01:20:41,810 --> 01:20:39,540

we're going over here a bit but I need

1744

01:20:43,490 --> 01:20:41,820

to say that you are

1745

01:20:46,070 --> 01:20:43,500

super impressing me with all your

1746

01:20:49,490 --> 01:20:46,080

research into all this and I think it's

1747

01:20:53,570 --> 01:20:49,500

super important at this time given all

1748

01:20:57,770 --> 01:20:53,580

of the UAP uh the sadaloon

1749

01:21:00,830 --> 01:20:57,780

the satellite Chinese balloon the um the

1750

01:21:04,430 --> 01:21:00,840

stuff being shot down out of the sky by

1751

01:21:08,030 --> 01:21:04,440

our military fighter pilots and the fact

1752

01:21:10,330 --> 01:21:08,040

that Werner Von Braun if I'm not

1753

01:21:12,770 --> 01:21:10,340

mistaken on his Deathbed

1754

01:21:17,810 --> 01:21:12,780

purportedly or allegedly

1755

01:21:22,250 --> 01:21:17,820

said that there would be a

1756

01:21:25,370 --> 01:21:22,260

attempt to psychologically operate a

1757

01:21:29,450 --> 01:21:25,380

false Alien Invasion and

1758

01:21:34,189 --> 01:21:32,390

I think that's a bunch of nonsense uh

1759

01:21:35,810 --> 01:21:34,199

to personally I don't think that we'll

1760

01:21:37,729 --> 01:21:35,820

ever get a

1761

01:21:40,790 --> 01:21:37,739

any kind of

1762

01:21:43,930 --> 01:21:40,800

um Alien Invasion false or not because

1763

01:21:48,229 --> 01:21:43,940

what what would be the reason to do that

1764

01:21:51,709 --> 01:21:48,239

there's zero reason in my book for

1765

01:21:54,950 --> 01:21:51,719

them to even attempt a

1766

01:21:58,010 --> 01:21:54,960

false flag Alien Invasion or a if it's a

1767

01:21:59,750 --> 01:21:58,020

real alien invasion why would real

1768

01:22:02,510 --> 01:21:59,760

aliens

1769

01:22:04,729 --> 01:22:02,520

come here and invade

1770

01:22:06,470 --> 01:22:04,739

it makes absolutely no sense if it's

1771

01:22:08,149 --> 01:22:06,480

about control

1772

01:22:12,050 --> 01:22:08,159

it still doesn't make any sense Ryan

1773

01:22:15,830 --> 01:22:12,060

because they've proven over and over and

1774

01:22:18,110 --> 01:22:15,840

over again that they can control the

1775

01:22:21,910 --> 01:22:18,120

public the population and control the

1776

01:22:30,250 --> 01:22:26,810

they've proved that several times

1777

01:22:32,630 --> 01:22:30,260

2020 is a really great example yeah

1778

01:22:34,790 --> 01:22:32,640

they've proven that they can shut down

1779

01:22:37,550 --> 01:22:34,800

the economy they can shut down the world

1780

01:22:40,310 --> 01:22:37,560

at uh one foul swoop just like that

1781

01:22:42,410 --> 01:22:40,320

without aliens it was spooky

1782

01:22:44,630 --> 01:22:42,420

they they've proven that they can

1783

01:22:46,310 --> 01:22:44,640

psychologically manipulate people that

1784

01:22:50,270 --> 01:22:46,320

they can

1785

01:22:52,189 --> 01:22:50,280

um put something on the TV that isn't

1786

01:22:53,930 --> 01:22:52,199

necessarily true and get people to

1787

01:22:56,030 --> 01:22:53,940

believe in it

1788

01:22:57,229 --> 01:22:56,040

without aliens

1789

01:23:03,530 --> 01:22:57,239

so

1790

01:23:04,310 --> 01:23:03,540

about this that believes in the

1791

01:23:07,310 --> 01:23:04,320

um

1792

01:23:11,149 --> 01:23:07,320

the the alien threat narrative and the

1793

01:23:14,330 --> 01:23:11,159

false flag Alien Invasion or even a real

1794

01:23:16,610 --> 01:23:14,340

Alien Invasion because again if it's a

1795

01:23:18,410 --> 01:23:16,620

real alien Vision then what would be the

1796

01:23:21,169 --> 01:23:18,420

point of that as well

1797

01:23:23,990 --> 01:23:21,179

it doesn't seem like we're really we're

1798

01:23:26,390 --> 01:23:24,000

not doing anything wrong I don't believe

1799

01:23:29,209 --> 01:23:26,400

I think that this reality is just

1800

01:23:31,669 --> 01:23:29,219

set up the way that it is because that's

1801

01:23:35,390 --> 01:23:31,679

the way that it is

1802

01:23:37,490 --> 01:23:35,400

you know like if they're coming to save

1803

01:23:39,050 --> 01:23:37,500

us like what are what are they really

1804

01:23:41,649 --> 01:23:39,060

coming to save us

1805

01:23:46,189 --> 01:23:41,659

[Music]

1806

01:23:47,750 --> 01:23:46,199

it doesn't make any sense the reality is

1807

01:23:50,090 --> 01:23:47,760

that

1808

01:23:52,310 --> 01:23:50,100

we're just here to experience this

1809

01:23:54,169 --> 01:23:52,320

reality now yes is there a corruption

1810

01:23:55,550 --> 01:23:54,179

well there's going to be corruption

1811

01:23:57,530 --> 01:23:55,560

there's going to be all these different

1812

01:23:59,450 --> 01:23:57,540

secrets in the in the government being

1813

01:24:01,189 --> 01:23:59,460

like that because of The Duality that we

1814

01:24:04,010 --> 01:24:01,199

have here on this planet

1815

01:24:05,450 --> 01:24:04,020

that's always going to exist

1816

01:24:10,729 --> 01:24:05,460

you can't

1817

01:24:12,830 --> 01:24:10,739

rid this reality of polarity and duality

1818

01:24:16,550 --> 01:24:12,840

if you do then

1819

01:24:19,070 --> 01:24:16,560

we no longer exist as this physical

1820

01:24:19,080 --> 01:24:22,729

we would be someplace else

1821

01:24:27,590 --> 01:24:25,970

and that's what why I think that we're

1822

01:24:29,570 --> 01:24:27,600

so special here Ryan and people really

1823

01:24:31,550 --> 01:24:29,580

just need to uh

1824

01:24:33,770 --> 01:24:31,560

dive head first

1825

01:24:36,709 --> 01:24:33,780

into this reality and quit thinking that

1826  
01:24:39,169 --> 01:24:36,719  
is shitty or that it's stupid and that

1827  
01:24:41,630 --> 01:24:39,179  
they hate it

1828  
01:24:44,750 --> 01:24:41,640  
they shouldn't hate it you should love

1829  
01:24:47,450 --> 01:24:44,760  
it and embrace it and realize that it's

1830  
01:24:49,310 --> 01:24:47,460  
just a part of the process of

1831  
01:24:50,870 --> 01:24:49,320  
being here

1832  
01:24:53,990 --> 01:24:50,880  
some people have

1833  
01:24:54,890 --> 01:24:54,000  
religious circumstances and I recognize

1834  
01:25:02,810 --> 01:24:54,900  
that

1835  
01:25:08,030 --> 01:25:02,820  
kind of

1836  
01:25:13,070 --> 01:25:09,830  
you know and

1837  
01:25:15,830 --> 01:25:13,080  
it's really no one's fault but

1838  
01:25:18,229 --> 01:25:15,840

but our our own fault we've let it get

1839

01:25:19,669 --> 01:25:18,239

to this point if we hate it so much we

1840

01:25:22,490 --> 01:25:19,679

should have done something about it 50

1841

01:25:28,490 --> 01:25:26,570

or 23 years ago

1842

01:25:30,530 --> 01:25:28,500

you know we should we should have seen

1843

01:25:32,570 --> 01:25:30,540

this coming

1844

01:25:34,790 --> 01:25:32,580

you know we should have stood up and

1845

01:25:36,709 --> 01:25:34,800

done something about it then now we're

1846

01:25:38,470 --> 01:25:36,719

just letting it ride out

1847

01:25:41,750 --> 01:25:38,480

and we're just going along with every

1848

01:25:43,310 --> 01:25:41,760

agenda and every thought an idea that's

1849

01:25:44,510 --> 01:25:43,320

given to us

1850

01:25:47,450 --> 01:25:44,520

you know it really seems like they're

1851  
01:25:49,910 --> 01:25:47,460  
trying to extinguish critical thought

1852  
01:25:52,310 --> 01:25:49,920  
and Common Sense from

1853  
01:25:54,590 --> 01:25:52,320  
the consciousness of everybody on the

1854  
01:25:56,990 --> 01:25:54,600  
planet all at the same time

1855  
01:25:59,830 --> 01:25:57,000  
and again that's done through trauma

1856  
01:26:03,770 --> 01:25:59,840  
drugging psychological manipulation

1857  
01:26:08,930 --> 01:26:03,780  
harmful frequencies the TV the screen

1858  
01:26:14,149 --> 01:26:09,770  
um

1859  
01:26:15,590 --> 01:26:14,159  
I just don't think that they need a

1860  
01:26:20,870 --> 01:26:15,600  
Volkswagen

1861  
01:26:24,649 --> 01:26:20,880  
alien invasion they don't need a a real

1862  
01:26:27,169 --> 01:26:24,659  
alien invasion to accomplish their goals

1863  
01:26:29,090 --> 01:26:27,179

they can do it without all that and

1864

01:26:30,890 --> 01:26:29,100

honestly it would

1865

01:26:33,169 --> 01:26:30,900

probably be

1866

01:26:35,810 --> 01:26:33,179

way easier to do

1867

01:26:39,770 --> 01:26:35,820

you know and I want someone to come up

1868

01:26:41,330 --> 01:26:39,780

with a good explanation of the reason

1869

01:26:43,250 --> 01:26:41,340

why

1870

01:26:45,770 --> 01:26:43,260

they would do it

1871

01:26:48,530 --> 01:26:45,780

no because logically speaking critical

1872

01:26:51,530 --> 01:26:48,540

thinking speaking Common Sense speaking

1873

01:26:56,510 --> 01:26:53,390

and based off that I don't think that

1874

01:27:03,229 --> 01:26:59,870

we are pretty easy to control man uh

1875

01:27:07,250 --> 01:27:03,239

it's fair enough I think I think your

1876

01:27:11,390 --> 01:27:07,260

explanation is 100 on target I think

1877

01:27:13,189 --> 01:27:11,400

earlier you mentioning the fact that a

1878

01:27:16,189 --> 01:27:13,199

lot of this stuff is being used much

1879

01:27:20,030 --> 01:27:16,199

like an agrigor is beyond super

1880

01:27:22,850 --> 01:27:20,040

impressive and we wonder why many of the

1881

01:27:25,910 --> 01:27:22,860

top one percent Elites and government

1882

01:27:28,370 --> 01:27:25,920

rulers are rumored to believe in ancient

1883

01:27:31,370 --> 01:27:28,380

mystery religions and practice rituals

1884

01:27:32,689 --> 01:27:31,380

that in effect back up to the theory of

1885

01:27:35,330 --> 01:27:32,699

agrignors

1886

01:27:39,590 --> 01:27:35,340

but you know it does seem like they

1887

01:27:41,270 --> 01:27:39,600

believe in natural law and that these

1888

01:27:44,510 --> 01:27:41,280

sorceress Elites and their secret

1889

01:27:47,930 --> 01:27:44,520

societies and world power Brokers who

1890

01:27:50,810 --> 01:27:47,940

kind of plot the the different moves

1891

01:27:52,729 --> 01:27:50,820

that are made upon us no something we

1892

01:27:54,229 --> 01:27:52,739

don't know and I agree with you man I'm

1893

01:27:56,689 --> 01:27:54,239

glad there's people like you out there

1894

01:28:00,530 --> 01:27:56,699

that are kind of seeing through all this

1895

01:28:03,830 --> 01:28:00,540

and you tantalized me uh tremendously

1896

01:28:05,689 --> 01:28:03,840

man with Charles Del Shaw uh Walter

1897

01:28:07,189 --> 01:28:05,699

Bosley and that red spinning Mercury

1898

01:28:09,830 --> 01:28:07,199

that's something I need to look more

1899

01:28:11,870 --> 01:28:09,840

into that sounds super cool

1900

01:28:13,790 --> 01:28:11,880

um as we wrap up let's tell listeners

1901

01:28:17,330 --> 01:28:13,800

where they can keep up with all things

1902

01:28:20,149 --> 01:28:17,340

writerly and raised by Giants

1903

01:28:22,129 --> 01:28:20,159

yes sir thanks so much for having me on

1904

01:28:24,830 --> 01:28:22,139

um Ryan I really appreciate you very

1905

01:28:27,470 --> 01:28:24,840

fascinating uh conversation but before I

1906

01:28:28,610 --> 01:28:27,480

do that you you were mentioning uh to me

1907

01:28:31,310 --> 01:28:28,620

the other day that you've been

1908

01:28:32,649 --> 01:28:31,320

investigating in into a little bit of

1909

01:28:35,090 --> 01:28:32,659

the uh

1910

01:28:37,250 --> 01:28:35,100

societies and stuff can you give people

1911

01:28:39,770 --> 01:28:37,260

a little idea of what you've been

1912

01:28:44,030 --> 01:28:39,780

looking into recently yeah it's been

1913

01:28:46,669 --> 01:28:44,040

really crazy and very strange uh my alma

1914

01:28:50,450 --> 01:28:46,679

mater of the University of Utah

1915

01:28:53,330 --> 01:28:50,460

is well for for I'll just cut to the

1916

01:28:55,430 --> 01:28:53,340

Chase has an order of three two two the

1917

01:28:59,930 --> 01:28:55,440

Skull and Bones there

1918

01:29:02,689 --> 01:28:59,940

um it is one that started in 1910 1909

1919

01:29:05,629 --> 01:29:02,699

depending on who you talk to and what

1920

01:29:06,950 --> 01:29:05,639

the history books say but uh a very

1921

01:29:11,149 --> 01:29:06,960

secretive

1922

01:29:14,330 --> 01:29:11,159

second Branch or order of 322 skull and

1923

01:29:17,810 --> 01:29:14,340

bones and obviously everybody knows or

1924

01:29:20,629 --> 01:29:17,820

many people know in our in our realm

1925

01:29:22,970 --> 01:29:20,639

that that is originally from Yale

1926

01:29:26,689 --> 01:29:22,980

University so I've been looking into

1927

01:29:30,169 --> 01:29:26,699

that and yeah just kind of looking at

1928

01:29:33,830 --> 01:29:30,179

you know some of the interesting

1929

01:29:35,689 --> 01:29:33,840

stuff taking place uh possibly in the

1930

01:29:38,450 --> 01:29:35,699

shadows and

1931

01:29:41,990 --> 01:29:38,460

what you know how they

1932

01:29:44,750 --> 01:29:42,000

members of many of these groups

1933

01:29:46,850 --> 01:29:44,760

don't coincidentally arrive where they

1934

01:29:50,570 --> 01:29:46,860

tend to

1935

01:29:52,250 --> 01:29:50,580

arrive in life they are sort of placed

1936

01:29:54,050 --> 01:29:52,260

there

1937

01:29:55,610 --> 01:29:54,060

yeah it's really fascinating I'm gonna

1938

01:29:58,430 --> 01:29:55,620

have to do some more research into it

1939

01:30:00,229 --> 01:29:58,440

into the uh the white Brotherhood and

1940

01:30:02,270 --> 01:30:00,239

dark brotherhood because I feel like

1941

01:30:05,209 --> 01:30:02,280

this has been a

1942

01:30:07,850 --> 01:30:05,219

a battle between

1943

01:30:11,209 --> 01:30:07,860

a lot of different

1944

01:30:14,090 --> 01:30:11,219

secret societies on what direction to

1945

01:30:16,610 --> 01:30:14,100

push Humanity toward

1946

01:30:19,610 --> 01:30:16,620

you know like I think it boils down to

1947

01:30:23,390 --> 01:30:21,350

do we give them the knowledge or we

1948

01:30:26,510 --> 01:30:23,400

don't give them the knowledge

1949

01:30:29,270 --> 01:30:26,520

right do do we give

1950

01:30:32,930 --> 01:30:29,280

everybody on the planet uh all the the

1951

01:30:34,610 --> 01:30:32,940

secrets and ideas and beliefs that we

1952

01:30:35,750 --> 01:30:34,620

have would would they be able to handle

1953

01:30:40,550 --> 01:30:35,760

it

1954

01:30:42,050 --> 01:30:40,560

all for ourselves and I think there's

1955

01:30:44,149 --> 01:30:42,060

been some people

1956

01:30:46,910 --> 01:30:44,159

like I was explaining with um James

1957

01:30:48,649 --> 01:30:46,920

Forrestal in regards to the technology

1958

01:30:50,990 --> 01:30:48,659

he wanted to release the technology but

1959

01:30:52,490 --> 01:30:51,000

everyone was against them right and I

1960

01:30:54,590 --> 01:30:52,500

think that

1961

01:30:58,850 --> 01:30:54,600

there's been a few people

1962

01:31:01,310 --> 01:30:58,860

throughout throughout our history that

1963

01:31:03,830 --> 01:31:01,320

have wanted to release knowledge that's

1964

01:31:08,270 --> 01:31:03,840

been a part of some of these

1965

01:31:11,689 --> 01:31:08,280

secret societies and uh the the the

1966

01:31:14,930 --> 01:31:11,699

white Brotherhood and

1967

01:31:16,669 --> 01:31:14,940

those kinds of groups that's wanted to

1968

01:31:18,830 --> 01:31:16,679

release the knowledge and let it be

1969

01:31:20,750 --> 01:31:18,840

public information but they've been

1970

01:31:23,629 --> 01:31:20,760

stopped

1971

01:31:25,370 --> 01:31:23,639

somewhere along the way but yeah I think

1972

01:31:29,570 --> 01:31:25,380

that's a very interesting definitely

1973

01:31:33,470 --> 01:31:31,610

it's pretty epic yeah you start looking

1974

01:31:36,709 --> 01:31:33,480

down it and it's it's it's an

1975

01:31:40,850 --> 01:31:38,990

yes Ryan thanks so much for having me on

1976

01:31:43,370 --> 01:31:40,860

I appreciate you people can find me on

1977

01:31:45,290 --> 01:31:43,380

YouTube at raised by Giants on Roxanne

1978

01:31:48,770 --> 01:31:45,300

and raised by a Giants on all the

1979

01:31:52,250 --> 01:31:48,780

different podcast platforms as well and

1980

01:31:55,490 --> 01:31:52,260

on Instagram at raised by Giants pod and

1981

01:31:57,830 --> 01:31:55,500

I just recently made a tick tock so nice

1982

01:32:00,169 --> 01:31:57,840

I know people people are gonna hate me

1983

01:32:02,689 --> 01:32:00,179

whatever but I think that it'll be a

1984

01:32:05,149 --> 01:32:02,699

good promotional tool for my show and

1985

01:32:06,950 --> 01:32:05,159

that's really all that is for is uh just

1986

01:32:11,570 --> 01:32:06,960

you know promoting my show and I think

1987

01:32:14,990 --> 01:32:11,580

that we have to utilize as many of these

1988

01:32:18,110 --> 01:32:15,000

um social media platforms as possible to

1989

01:32:21,770 --> 01:32:18,120

get the word out and uh get

1990

01:32:25,430 --> 01:32:21,780

um you know solid factual information to

1991

01:32:27,590 --> 01:32:25,440

people and uh also on Twitter at raised

1992

01:32:29,030 --> 01:32:27,600

by giants8 thanks so much brother

1993

01:32:31,390 --> 01:32:29,040

appreciate your time here this evening

1994

01:32:35,689 --> 01:32:31,400

thank you man

1995

01:32:39,530 --> 01:32:35,699

Ryder Lee bring in the Heat and telling

1996

01:32:42,770 --> 01:32:39,540

us how it is definitely go over and

1997

01:32:47,149 --> 01:32:42,780

check out Ryder Lee at raised by giant

1998

01:32:48,530 --> 01:32:47,159

support him on the new tick tock and uh

1999

01:32:50,510 --> 01:32:48,540

yeah

2000

01:32:53,290 --> 01:32:50,520

it's it's something you should check out

2001

01:32:55,669 --> 01:32:53,300

he's always bringing impressive

2002

01:32:58,250 --> 01:32:55,679

tantalizing information to the Forefront

2003

01:33:00,229 --> 01:32:58,260

much respect for that and I always

2004

01:33:01,729 --> 01:33:00,239

appreciate talking to him and having him

2005

01:33:05,390 --> 01:33:01,739

on

2006

01:33:06,530 --> 01:33:05,400

if you have not subscribed to Hero

2007

01:33:08,390 --> 01:33:06,540

paranormal

2008

01:33:11,810 --> 01:33:08,400

on patreon

2009

01:33:14,570 --> 01:33:11,820

please go to patreon look up hero

2010

01:33:16,669 --> 01:33:14,580

paranormal And subscribe otherwise

2011

01:33:20,030 --> 01:33:16,679

you're missing a ton of content behind

2012

01:33:21,290 --> 01:33:20,040

the paywall you can also get to that

2013

01:33:26,270 --> 01:33:21,300

content

2014

01:33:28,790 --> 01:33:26,280

via podbean at heroparanormal.com

2015

01:33:31,790 --> 01:33:28,800

and until next time keep your eyes to

2016

01:33:32,689 --> 01:33:31,800

the skies feet on the ground but don't

2017

01:33:41,140 --> 01:33:32,699

forget

2018

01:33:41,150 --> 01:33:47,629

[Music]

2019

01:34:01,900 --> 01:33:50,420

foreign

2020

01:34:14,030 --> 01:34:10,190

[Music]

2021

01:34:21,350 --> 01:34:17,030

if you guys are still listening in

2022

01:34:23,930 --> 01:34:21,360

I want to apologize for the audio on

2023

01:34:26,209 --> 01:34:23,940

this particular episode

2024

01:34:28,790 --> 01:34:26,219

we had a variety of technical

2025

01:34:30,050 --> 01:34:28,800

difficulties which were impossible to

2026

01:34:33,830 --> 01:34:30,060

explain

2027

01:34:36,350 --> 01:34:33,840

took me over six hours to figure it out

2028

01:34:39,649 --> 01:34:36,360

it was literally as if somebody came in

2029

01:34:41,030 --> 01:34:39,659

and muted uh from time to time one or

2030

01:34:44,450 --> 01:34:41,040

both of us

2031

01:34:47,930 --> 01:34:44,460

it took tons of work from an audio

2032

01:34:49,189 --> 01:34:47,940

perspective to even get it in a mode

2033

01:34:53,030 --> 01:34:49,199

that was

2034

01:34:56,689 --> 01:34:53,040

utterly listenable at any length

2035

01:34:58,430 --> 01:34:56,699

and it was it was a nightmare uh volumes

2036

01:35:01,189 --> 01:34:58,440

up and down

2037

01:35:05,990 --> 01:35:01,199

mutings and I don't know if it was

2038

01:35:08,629 --> 01:35:06,000

necessarily just the revelations that

2039

01:35:11,270 --> 01:35:08,639

writer Lee brought to the table

2040

01:35:13,550 --> 01:35:11,280

or if there was something more it was

2041

01:35:17,450 --> 01:35:13,560

very strange very odd never happened

2042

01:35:19,430 --> 01:35:17,460

before to that extent but uh I want to

2043

01:35:21,530 --> 01:35:19,440

apologize for the audio at least we got

2044

01:35:23,570 --> 01:35:21,540

the message across hopefully in some
