

Sky Crash

Throughout Time

Philip
Kinsella

Reptilians & Mysteries of Rendlesham

1
00:00:06,829 --> 00:00:04,190
many have heard about the rendlesham

2
00:00:09,169 --> 00:00:06,839
incident anyone remotely interested

3
00:00:14,030 --> 00:00:09,179
within the UFO field of Investigations

4
00:00:17,450 --> 00:00:14,040
is aware of the famous 1980 event what

5
00:00:20,870 --> 00:00:17,460
people may not be so familiar with are

6
00:00:23,689 --> 00:00:20,880
the extremely strange and mysterious

7
00:00:26,870 --> 00:00:23,699
things that took place revolving around

8
00:00:32,229 --> 00:00:26,880
the event and that's exactly what this

9
00:00:36,170 --> 00:00:32,239
amazing book by Philip kinsella is about

10
00:00:39,889 --> 00:00:36,180
now Philip is quite the guy and we are

11
00:00:42,170 --> 00:00:39,899
going to get into a lot of things a lot

12
00:00:43,750 --> 00:00:42,180
of high strangeness a lot of weird

13
00:00:48,709 --> 00:00:43,760

goings on

14

00:00:52,130 --> 00:00:48,719

involving military cover-ups reptilians

15

00:01:02,170 --> 00:00:52,140

UFOs and more so buckle up and prepare

16

00:01:11,750 --> 00:01:10,490

[Music]

17

00:01:30,300 --> 00:01:11,760

foreign

18

00:01:36,050 --> 00:01:33,130

[Music]

19

00:01:39,830 --> 00:01:36,060

Blast Off on another out of this world

20

00:01:44,090 --> 00:01:39,840

episode of the hyper anomalous esoteric

21

00:01:45,789 --> 00:01:44,100

research organization podcast AKA hero

22

00:01:48,830 --> 00:01:45,799

paranormal

23

00:01:52,789 --> 00:01:48,840

broadcasting from space Wolf research

24

00:01:56,450 --> 00:01:52,799

just south of the Utah UFO Ranch in the

25

00:01:58,789 --> 00:01:56,460

uena Basin of Utah my name is Ryan the

26
00:02:01,550 --> 00:01:58,799
anomalous ambassador of the airwaves

27
00:02:03,469 --> 00:02:01,560
bringing you a mysterious and strange

28
00:02:07,010 --> 00:02:03,479
episode today

29
00:02:10,190 --> 00:02:07,020
on today's episode we have Philip

30
00:02:13,309 --> 00:02:10,200
kinsella Philip is both a clairvoyant

31
00:02:17,330 --> 00:02:13,319
medium and UFO investigator as well as

32
00:02:19,309 --> 00:02:17,340
author having had many bizarre UFO and

33
00:02:21,650 --> 00:02:19,319
paranormal experiences throughout its

34
00:02:25,010 --> 00:02:21,660
life along with his identical twin

35
00:02:27,530 --> 00:02:25,020
brother Ronald who is a very talented

36
00:02:30,770 --> 00:02:27,540
artist among other things

37
00:02:32,990 --> 00:02:30,780
he began to research the phenomenon on a

38
00:02:36,710 --> 00:02:33,000

serious level of Investigation after an

39

00:02:39,290 --> 00:02:36,720

alien abduction in 1989. this led him to

40

00:02:41,270 --> 00:02:39,300

writing several books reaching for the

41

00:02:43,430 --> 00:02:41,280

Divine how to communicate effectively

42

00:02:46,670 --> 00:02:43,440

with your Spirit guides and loved ones

43

00:02:48,770 --> 00:02:46,680

on the other side believe Bridging the

44

00:02:52,369 --> 00:02:48,780

Gap between the psychic and UFO

45

00:02:55,250 --> 00:02:52,379

phenomenon and Sky Crash throughout time

46

00:02:58,610 --> 00:02:55,260

a continued investigation into the

47

00:03:00,770 --> 00:02:58,620

rendelsham UFO mystery this book had

48

00:03:02,330 --> 00:03:00,780

been co-authored with UFO investigator

49

00:03:04,550 --> 00:03:02,340

Brenda Butler

50

00:03:06,949 --> 00:03:04,560

Philip along with his brother co-host a

51
00:03:09,650 --> 00:03:06,959
radio program for the Paranormal UK

52
00:03:11,630 --> 00:03:09,660
radio called twin souls where they

53
00:03:13,729 --> 00:03:11,640
interview many authors and experiencers

54
00:03:15,229 --> 00:03:13,739
on all topics within the world of

55
00:03:17,990 --> 00:03:15,239
bizarre

56
00:03:19,850 --> 00:03:18,000
Philip is also working on more books

57
00:03:21,910 --> 00:03:19,860
surrounding the UFO field of

58
00:03:24,649 --> 00:03:21,920
Investigations this won't disappoint

59
00:03:26,149 --> 00:03:24,659
Philip welcome to the hero paranormal

60
00:03:30,890 --> 00:03:26,159
podcast

61
00:03:36,890 --> 00:03:33,350
much thank you Philip you are an amazing

62
00:03:39,649 --> 00:03:36,900
author you do amazing research I'm

63
00:03:43,670 --> 00:03:39,659

always intrigued by everything you have

64

00:03:46,550 --> 00:03:43,680

going on and this this kind of brings a

65

00:03:49,550 --> 00:03:46,560

whole new in my opinion a whole new

66

00:03:52,490 --> 00:03:49,560

layer to the rendlesham incident what

67

00:03:54,949 --> 00:03:52,500

brought you to write the book and can

68

00:03:58,009 --> 00:03:54,959

you tell us a little bit about it

69

00:04:00,770 --> 00:03:58,019

yes well I had no wish to be involved

70

00:04:03,170 --> 00:04:00,780

with uh rendersham of course for your

71

00:04:05,210 --> 00:04:03,180

listeners out there rendlesham is known

72

00:04:07,729 --> 00:04:05,220

as England's Roswell it was an event

73

00:04:10,610 --> 00:04:07,739

that happened at Raf bent Waters in the

74

00:04:12,710 --> 00:04:10,620

winter of 1980 over the Christmas period

75

00:04:15,470 --> 00:04:12,720

three night period where a military

76

00:04:18,050 --> 00:04:15,480

personnel had been witness to UFO

77

00:04:21,590 --> 00:04:18,060

activity and some of which was at very

78

00:04:23,870 --> 00:04:21,600

close range I had actually met and had

79

00:04:25,850 --> 00:04:23,880

dinner with Colonel Charles Holt and

80

00:04:28,969 --> 00:04:25,860

that was uh brought forward through

81

00:04:30,610 --> 00:04:28,979

David Young who is a good friend through

82

00:04:33,950 --> 00:04:30,620

one of his conferences here in England

83

00:04:36,830 --> 00:04:33,960

so basically what happened was that I

84

00:04:38,810 --> 00:04:36,840

remembered I was quite Young when the

85

00:04:41,450 --> 00:04:38,820

release of the story of the U.S military

86

00:04:43,070 --> 00:04:41,460

had encountered a UFO of course at that

87

00:04:45,409 --> 00:04:43,080

point it was stated there were aliens

88

00:04:47,650 --> 00:04:45,419

that were seen but I I think that that

89

00:04:50,629 --> 00:04:47,660

might be pushing it a little bit too far

90

00:04:53,450 --> 00:04:50,639

but I remember reading it in the news of

91

00:04:56,570 --> 00:04:53,460

the world and many years later when I

92

00:04:58,670 --> 00:04:56,580

got involved with UFO research I had the

93

00:05:00,830 --> 00:04:58,680

pleasure of meeting my good friend and

94

00:05:03,950 --> 00:05:00,840

good associate Peter Robbins

95

00:05:05,689 --> 00:05:03,960

and um he suggested when I was at this

96

00:05:07,370 --> 00:05:05,699

UFO group with my twin brother Ronald

97

00:05:08,749 --> 00:05:07,380

and Susan a friend of mine that we

98

00:05:11,330 --> 00:05:08,759

should go to renderson because there's

99

00:05:13,730 --> 00:05:11,340

still a lot of unusual activity that's

100

00:05:16,730 --> 00:05:13,740

occurring within that area and of course

101
00:05:18,469 --> 00:05:16,740
a curious fellow that I am I decided to

102
00:05:20,390 --> 00:05:18,479
go up to rendlesham

103
00:05:23,749 --> 00:05:20,400
um which uh from where we live is about

104
00:05:25,670 --> 00:05:23,759
a two-hour journey and on our exploits

105
00:05:27,770 --> 00:05:25,680
within the forest we discovered quite

106
00:05:30,290 --> 00:05:27,780
shockingly that um certain paranormal

107
00:05:33,230 --> 00:05:30,300
events were still taking place

108
00:05:35,930 --> 00:05:33,240
and um and would you believe that I

109
00:05:37,930 --> 00:05:35,940
ended up meeting of all people within

110
00:05:40,969 --> 00:05:37,940
the forest on one of our

111
00:05:43,850 --> 00:05:40,979
exploits that covered more or less 10

112
00:05:47,029 --> 00:05:43,860
years of research Brenda Butler now

113
00:05:48,950 --> 00:05:47,039

Brenda Butler was the co-author to the

114

00:05:51,409 --> 00:05:48,960

original release of the book surrounding

115

00:05:53,629 --> 00:05:51,419

rendersham called Sky Crasher Cosmic

116

00:05:56,029 --> 00:05:53,639

conspiracy which had been co-authored

117

00:05:59,090 --> 00:05:56,039

with DOT Street and a British ufologist

118

00:06:02,150 --> 00:05:59,100

Jenny Randalls back in 1984 by Neville

119

00:06:05,570 --> 00:06:02,160

Spearman and Co Limited

120

00:06:09,590 --> 00:06:05,580

and um I had no idea where Brenda Butler

121

00:06:11,570 --> 00:06:09,600

lived I knew about her not much and when

122

00:06:14,150 --> 00:06:11,580

we're exploring the area

123

00:06:17,390 --> 00:06:14,160

um on one particular night we happen to

124

00:06:20,150 --> 00:06:17,400

come across her and I saw her in the

125

00:06:22,249 --> 00:06:20,160

forest with a white German shepherd with

126
00:06:24,230 --> 00:06:22,259
another male and they were playing some

127
00:06:26,809 --> 00:06:24,240
music and taking photographs when we

128
00:06:29,510 --> 00:06:26,819
passed them I just felt I had to go back

129
00:06:32,510 --> 00:06:29,520
and speak to this lady and I said are

130
00:06:34,430 --> 00:06:32,520
you looking for the orbs and she said

131
00:06:36,590 --> 00:06:34,440
yes why and I said well I'm rather

132
00:06:39,170 --> 00:06:36,600
hoping to meet Brenda Butler and she

133
00:06:41,330 --> 00:06:39,180
said my dear I am Brenda Butler and of

134
00:06:42,590 --> 00:06:41,340
course yes and of course at that point

135
00:06:45,830 --> 00:06:42,600
then

136
00:06:48,290 --> 00:06:45,840
um this kind of worms was opened up with

137
00:06:52,610 --> 00:06:48,300
regards to much more information and

138
00:06:59,330 --> 00:06:56,450

well as they call it and UFO activities

139

00:07:01,430 --> 00:06:59,340

Paranormal Activity long before the main

140

00:07:04,129 --> 00:07:01,440

event of uh Bennett Waters occurred in

141

00:07:06,890 --> 00:07:04,139

1980 and afterwards as well

142

00:07:09,529 --> 00:07:06,900

what a coincidence what a blessing to

143

00:07:13,070 --> 00:07:09,539

meet Brenda she is a very celebrated

144

00:07:16,129 --> 00:07:13,080

researcher and somehow this is something

145

00:07:19,010 --> 00:07:16,139

that tends to happen these coincidences

146

00:07:22,129 --> 00:07:19,020

or synchronicities it seems revolving

147

00:07:25,010 --> 00:07:22,139

these events of high strangeness

148

00:07:28,370 --> 00:07:25,020

that are paranormal and UFO related

149

00:07:31,370 --> 00:07:28,380

I I think it's very interesting that it

150

00:07:34,309 --> 00:07:31,380

you met on site I mean what are the

151

00:07:36,890 --> 00:07:34,319

chances of that and

152

00:07:39,350 --> 00:07:36,900

what did you gather from Brenda's

153

00:07:42,469 --> 00:07:39,360

research which in my opinion has been

154

00:07:44,150 --> 00:07:42,479

very extensive her book came out in 1984

155

00:07:46,790 --> 00:07:44,160

is that correct

156

00:07:49,730 --> 00:07:46,800

that's right Neville Spearman limited

157

00:07:51,650 --> 00:07:49,740

brought their book out in 1984 as a

158

00:07:53,270 --> 00:07:51,660

hardback and then of course it went to

159

00:07:56,629 --> 00:07:53,280

Paperback

160

00:07:58,730 --> 00:07:56,639

um it the cases of synchronicity occur I

161

00:08:00,830 --> 00:07:58,740

think within all of our Lives all of us

162

00:08:02,390 --> 00:08:00,840

associated with any form of UFO or

163

00:08:05,150 --> 00:08:02,400

paranormal research and I think this is

164

00:08:06,770 --> 00:08:05,160

very interesting because this brings

165

00:08:08,809 --> 00:08:06,780

into effect the levels of high

166

00:08:10,370 --> 00:08:08,819

strangeness and incidentally I will both

167

00:08:12,409 --> 00:08:10,380

hear a little and say that I have a new

168

00:08:14,930 --> 00:08:12,419

book coming out this year called

169

00:08:16,610 --> 00:08:14,940

terrestrial trespasses which deals with

170

00:08:19,070 --> 00:08:16,620

these levels of high strangeness the

171

00:08:21,050 --> 00:08:19,080

grace and the abduction phenomena along

172

00:08:23,350 --> 00:08:21,060

with cryptozoology the Dogman and

173

00:08:27,170 --> 00:08:23,360

Sasquatch now

174

00:08:29,570 --> 00:08:27,180

Brenda Butler is a celebrated author and

175

00:08:31,129 --> 00:08:29,580

I think as well as a researcher and I

176

00:08:32,690 --> 00:08:31,139

call her the guardian of the forest

177

00:08:34,010 --> 00:08:32,700

because she knows the forest like the

178

00:08:37,010 --> 00:08:34,020

back of her hand and we're talking about

179

00:08:40,610 --> 00:08:37,020

an immense immense space of Forestry

180

00:08:43,850 --> 00:08:40,620

now we had been witness to a lot of

181

00:08:48,250 --> 00:08:43,860

strange phenomena and one of which where

182

00:08:52,730 --> 00:08:48,260

we had summoned a UFO on the 8th of June

183

00:08:55,130 --> 00:08:52,740

1998 a precisely 10 15 pm at night

184

00:08:57,230 --> 00:08:55,140

and that was all due to listening to

185

00:08:59,090 --> 00:08:57,240

Karen Carpenters these celebrated

186

00:09:02,630 --> 00:08:59,100

American singer who I love very much

187

00:09:04,070 --> 00:09:02,640

caught her record calling occupants

188

00:09:07,130 --> 00:09:04,080

um and I thought well is that possible

189

00:09:09,769 --> 00:09:07,140

so this then led me into looking at

190

00:09:12,110 --> 00:09:09,779

Brenda's research and discovering also

191

00:09:16,550 --> 00:09:12,120

that it wasn't just about UFO activities

192

00:09:17,990 --> 00:09:16,560

seen uh prior to the bedwaters event and

193

00:09:20,030 --> 00:09:18,000

afterwards

194

00:09:24,050 --> 00:09:20,040

but also

195

00:09:26,090 --> 00:09:24,060

um another area of uh really uh strange

196

00:09:28,430 --> 00:09:26,100

bizarre instance where the concerned a

197

00:09:30,230 --> 00:09:28,440

reptilian man and and I I couldn't

198

00:09:32,030 --> 00:09:30,240

believe what I was reading in her

199

00:09:34,070 --> 00:09:32,040

redundant manuscript because she'd

200

00:09:36,889 --> 00:09:34,080

written all this second book out a big

201
00:09:39,230 --> 00:09:36,899
thick book that hadn't seen the light of

202
00:09:41,750 --> 00:09:39,240
day and I I said to Brenda well why

203
00:09:43,490 --> 00:09:41,760
don't we write about this why don't you

204
00:09:45,530 --> 00:09:43,500
let me have the manuscript this is when

205
00:09:47,630 --> 00:09:45,540
we got to know each other very well let

206
00:09:50,690 --> 00:09:47,640
me go through your book and see what

207
00:09:52,850 --> 00:09:50,700
parts we can use in a new book and uh

208
00:09:55,250 --> 00:09:52,860
that was when I started along with

209
00:09:58,370 --> 00:09:55,260
Brenda working on Sky Crash throughout

210
00:09:59,990 --> 00:09:58,380
time now that book had originally been

211
00:10:01,910 --> 00:10:00,000
published by another publishing company

212
00:10:04,190 --> 00:10:01,920
we signed contracts with with capital

213
00:10:07,550 --> 00:10:04,200

band publishing limited here in England

214

00:10:11,230 --> 00:10:07,560

and that was subsequently published by

215

00:10:15,410 --> 00:10:11,240

our publisher John Day in 2013.

216

00:10:19,190 --> 00:10:15,420

unfortunately Ryan the book suffered

217

00:10:21,949 --> 00:10:19,200

because a lot of people wanted to read

218

00:10:24,110 --> 00:10:21,959

about the 1980 event they didn't seem to

219

00:10:26,990 --> 00:10:24,120

be interested in the fact of a reptilian

220

00:10:28,329 --> 00:10:27,000

man or experiments in summoning a UFO

221

00:10:31,130 --> 00:10:28,339

into the area

222

00:10:33,889 --> 00:10:31,140

or other levels of high strangeness and

223

00:10:36,650 --> 00:10:33,899

I think in retrospect to that that when

224

00:10:39,110 --> 00:10:36,660

we look at Roswell for instance with

225

00:10:42,470 --> 00:10:39,120

that UFO celebrated case which I do

226

00:10:45,290 --> 00:10:42,480

believe did happen and and I I say that

227

00:10:47,170 --> 00:10:45,300

lightly because uh through the release

228

00:10:50,150 --> 00:10:47,180

of the press

229

00:10:52,670 --> 00:10:50,160

through the media stating first of all

230

00:10:55,670 --> 00:10:52,680

that they the Army were in possession of

231

00:10:59,150 --> 00:10:55,680

a crashed disc and then changing the

232

00:11:01,970 --> 00:10:59,160

story to a weather balloon and of course

233

00:11:03,410 --> 00:11:01,980

it was that secret that the Army didn't

234

00:11:06,170 --> 00:11:03,420

even know that it was floating around

235

00:11:08,030 --> 00:11:06,180

anywhere so I mean you know when you

236

00:11:10,850 --> 00:11:08,040

look at the evidence is staring you

237

00:11:14,030 --> 00:11:10,860

straight in the eyes but I think that

238

00:11:17,150 --> 00:11:14,040

with any celebrated UFO case whether it

239

00:11:18,290 --> 00:11:17,160

be Roswell or Skinwalker Ranch or

240

00:11:20,630 --> 00:11:18,300

anything like that

241

00:11:22,490 --> 00:11:20,640

you find it a little bit dangerous to

242

00:11:24,110 --> 00:11:22,500

step onto the territory in terms of

243

00:11:26,030 --> 00:11:24,120

revealing information because most

244

00:11:28,069 --> 00:11:26,040

people will ultimately reject that

245

00:11:30,710 --> 00:11:28,079

thinking that no only this one event

246

00:11:32,810 --> 00:11:30,720

occurs and no others so this was the

247

00:11:35,449 --> 00:11:32,820

frustrating part and of course what

248

00:11:37,009 --> 00:11:35,459

happened some years later was that our

249

00:11:40,490 --> 00:11:37,019

Mentor

250

00:11:42,730 --> 00:11:40,500

um UFO Guru and UFO royalty Philip

251

00:11:45,290 --> 00:11:42,740

mantle who runs his flying disc press

252

00:11:47,030 --> 00:11:45,300

asked me and said you know would you

253

00:11:49,009 --> 00:11:47,040

mind if we released this book and I said

254

00:11:50,269 --> 00:11:49,019

Philip you can do what you want with it

255

00:11:51,769 --> 00:11:50,279

because

256

00:11:53,990 --> 00:11:51,779

um you know it is just sat there and

257

00:11:55,490 --> 00:11:54,000

didn't really do anything before when it

258

00:11:57,889 --> 00:11:55,500

had first been published because the

259

00:11:59,569 --> 00:11:57,899

Publishers published so many books

260

00:12:02,269 --> 00:11:59,579

um these the original Publishers Kappa

261

00:12:03,350 --> 00:12:02,279

band it was like a in a wheel so it is

262

00:12:06,470 --> 00:12:03,360

frustrating

263

00:12:08,329 --> 00:12:06,480

um but Brenda certainly introduced me to

264

00:12:11,030 --> 00:12:08,339

the area and

265

00:12:12,710 --> 00:12:11,040

um incredible absolutely amazing Aaron I

266

00:12:15,530 --> 00:12:12,720

think also Ryan what's interesting

267

00:12:17,389 --> 00:12:15,540

through my research as well in

268

00:12:18,290 --> 00:12:17,399

indicative of what we've been looking

269

00:12:21,290 --> 00:12:18,300

into

270

00:12:24,110 --> 00:12:21,300

is that these areas most notably if I

271

00:12:27,170 --> 00:12:24,120

may use skinwalk Garage in Utah Benson

272

00:12:28,910 --> 00:12:27,180

here in in the UK which Paul Sinclair a

273

00:12:31,790 --> 00:12:28,920

good friend had celebrated author and

274

00:12:33,350 --> 00:12:31,800

researcher is investigating along with

275

00:12:36,230 --> 00:12:33,360

um the renderson forest and many other

276

00:12:40,790 --> 00:12:36,240

key locations these areas seem to be a

277

00:12:42,710 --> 00:12:40,800

nest for such a strange and bizarre UFO

278

00:12:44,769 --> 00:12:42,720

paranormal experiences so that's what

279

00:12:49,129 --> 00:12:44,779

we've been looking into

280

00:12:51,410 --> 00:12:49,139

fascinating fascinating stuff and it it

281

00:12:54,170 --> 00:12:51,420

really does kind of

282

00:12:56,750 --> 00:12:54,180

remind me a lot of other areas of high

283

00:13:00,590 --> 00:12:56,760

strangeness I'm glad you brought that up

284

00:13:02,629 --> 00:13:00,600

because with this reptilian Man story I

285

00:13:05,150 --> 00:13:02,639

have to ask do you believe that

286

00:13:07,190 --> 00:13:05,160

dimensional portals are are present

287

00:13:09,410 --> 00:13:07,200

there in the area

288

00:13:11,930 --> 00:13:09,420

well this certainly does seem to be the

289

00:13:14,269 --> 00:13:11,940

case I mean like you I'm a researcher

290

00:13:16,490 --> 00:13:14,279

and an author I'm very grateful and

291

00:13:19,670 --> 00:13:16,500

humbled by a lot of the contacts and

292

00:13:21,530 --> 00:13:19,680

connections that I have with other top

293

00:13:23,750 --> 00:13:21,540

ufologists now

294

00:13:25,430 --> 00:13:23,760

I believe that there is some kind of

295

00:13:28,250 --> 00:13:25,440

interdimensional

296

00:13:29,990 --> 00:13:28,260

um process occurring here and I've

297

00:13:31,730 --> 00:13:30,000

argued this in the new book that I've

298

00:13:34,850 --> 00:13:31,740

got coming out as well as you the public

299

00:13:37,970 --> 00:13:34,860

deceived I did mention it in that book

300

00:13:40,069 --> 00:13:37,980

um I absolutely believe

301
00:13:43,069 --> 00:13:40,079
um myself that we are dealing with some

302
00:13:45,430 --> 00:13:43,079
kind of inter-dimensional connection uh

303
00:13:48,530 --> 00:13:45,440
perhaps ultra-terrestrial connection

304
00:13:50,810 --> 00:13:48,540
portals opening and closing and this is

305
00:13:54,829 --> 00:13:50,820
the frustrating part about all of this

306
00:13:57,050 --> 00:13:54,839
we're not sure candidly about what

307
00:13:59,509 --> 00:13:57,060
exactly is going on but at least we can

308
00:14:03,410 --> 00:13:59,519
create some kind of theoretical models

309
00:14:06,050 --> 00:14:03,420
if we look for instance into cases of

310
00:14:08,150 --> 00:14:06,060
the national forest and I know that

311
00:14:10,190 --> 00:14:08,160
um David Pilates is celebrated with his

312
00:14:11,569 --> 00:14:10,200
uh Missing 4-1-1 series of books but

313
00:14:14,990 --> 00:14:11,579

there are other researchers out there

314

00:14:18,769 --> 00:14:15,000

who have also explored this territory in

315

00:14:21,530 --> 00:14:18,779

such places you have UFOs seen and of

316

00:14:25,069 --> 00:14:21,540

course you have the Sasquatch scene you

317

00:14:27,170 --> 00:14:25,079

seen that the dogmen there people go

318

00:14:30,290 --> 00:14:27,180

missing and those that are found can't

319

00:14:32,210 --> 00:14:30,300

remember where they've been so Paul

320

00:14:34,550 --> 00:14:32,220

Sinclair here in England's States

321

00:14:37,069 --> 00:14:34,560

categorically that location is the key

322

00:14:39,410 --> 00:14:37,079

now we do know for instance through

323

00:14:42,350 --> 00:14:39,420

legend that in Skinwalker Ranch there

324

00:14:44,930 --> 00:14:42,360

was a curse but on the land uh by uh you

325

00:14:46,550 --> 00:14:44,940

know Indians and this created what they

326

00:14:48,290 --> 00:14:46,560

believed to be the skinwalker whether or

327

00:14:50,150 --> 00:14:48,300

not the curse was responsible for that

328

00:14:53,870 --> 00:14:50,160

we're not sure because it appears that

329

00:14:56,090 --> 00:14:53,880

the land is sacred so I think that you

330

00:14:58,550 --> 00:14:56,100

know in terms of our understanding of

331

00:15:03,050 --> 00:14:58,560

the Supernatural and when we look at

332

00:15:04,610 --> 00:15:03,060

cases of Sasquatch and Dogman and UFOs I

333

00:15:06,710 --> 00:15:04,620

mean you know there is always this

334

00:15:09,410 --> 00:15:06,720

pervading silence that occurs in the

335

00:15:11,930 --> 00:15:09,420

appearance of UFOs or Cryptids

336

00:15:13,850 --> 00:15:11,940

um there is also this fact of glowing

337

00:15:15,650 --> 00:15:13,860

eyes that are normally seen through the

338

00:15:17,509 --> 00:15:15,660

entities as though they're able to come

339

00:15:21,590 --> 00:15:17,519

in and come out but what's frustrating

340

00:15:24,050 --> 00:15:21,600

for us is we cannot try to pinpoint

341

00:15:27,350 --> 00:15:24,060

how it is that Cryptids can connect with

342

00:15:30,230 --> 00:15:27,360

UFOs and vice versa I believe myself

343

00:15:32,509 --> 00:15:30,240

personally it's possible that if such

344

00:15:36,829 --> 00:15:32,519

intelligences are breaking through to

345

00:15:39,470 --> 00:15:36,839

our reality and in this I mean UFOs uaps

346

00:15:41,750 --> 00:15:39,480

as they know called same thing in my

347

00:15:44,509 --> 00:15:41,760

book but whether or not they just store

348

00:15:46,310 --> 00:15:44,519

space and time rather like a larger

349

00:15:48,829 --> 00:15:46,320

vessel going through the ocean that sets

350

00:15:51,769 --> 00:15:48,839

the water allowing a distortion within

351

00:15:53,389 --> 00:15:51,779

space and time and allowing other

352

00:15:55,610 --> 00:15:53,399

entities to seep through from

353

00:15:58,069 --> 00:15:55,620

alternative Dimensions we don't know but

354

00:16:01,370 --> 00:15:58,079

you know at least we can try to Fathom

355

00:16:03,050 --> 00:16:01,380

what's going on here so yeah that is the

356

00:16:06,490 --> 00:16:03,060

frustrating part about it most

357

00:16:10,269 --> 00:16:06,500

definitely Ryan definitely

358

00:16:14,290 --> 00:16:10,279

absolutely so interesting

359

00:16:18,650 --> 00:16:14,300

something that I have to ask about is

360

00:16:21,290 --> 00:16:18,660

this purported alien activity and we

361

00:16:26,509 --> 00:16:21,300

know uh I believe it's John Burroughs

362

00:16:28,310 --> 00:16:26,519

and Jim peniston yes they saw this

363

00:16:30,290 --> 00:16:28,320

strange object

364

00:16:33,829 --> 00:16:30,300

what's weirder

365

00:16:37,009 --> 00:16:33,839

they saw physical hieroglyphics on the

366

00:16:38,810 --> 00:16:37,019

object what do you think those were

367

00:16:41,269 --> 00:16:38,820

what is your opinion of the

368

00:16:44,090 --> 00:16:41,279

hieroglyphics that were present

369

00:16:46,310 --> 00:16:44,100

well it was Jim peniston who actually

370

00:16:49,730 --> 00:16:46,320

was the one who had more of the contact

371

00:16:52,730 --> 00:16:49,740

with the UFO that wasn't very large and

372

00:16:55,069 --> 00:16:52,740

had been rather like a triangular shaped

373

00:16:59,210 --> 00:16:55,079

craft hovering a few feet above the

374

00:17:00,710 --> 00:16:59,220

ground and what he reported was that um

375

00:17:03,410 --> 00:17:00,720

there were these hieroglycerin

376

00:17:05,210 --> 00:17:03,420

absolutely correct he started to draw

377

00:17:07,429 --> 00:17:05,220

them on a pad and of course he became

378

00:17:09,650 --> 00:17:07,439

more sluggish as though the energy or

379

00:17:11,329 --> 00:17:09,660

the emission of energy or the

380

00:17:13,490 --> 00:17:11,339

interaction with him touching the craft

381

00:17:14,990 --> 00:17:13,500

has somehow affected

382

00:17:18,110 --> 00:17:15,000

um the way that he operated or

383

00:17:20,390 --> 00:17:18,120

consciously operated his thoughts are

384

00:17:22,010 --> 00:17:20,400

very much that we would we were dealing

385

00:17:24,890 --> 00:17:22,020

with some type of

386

00:17:27,049 --> 00:17:24,900

um time machine because through his

387

00:17:29,330 --> 00:17:27,059

analysis of the description of the craft

388

00:17:32,630 --> 00:17:29,340

uh there was there's no way that

389

00:17:33,830 --> 00:17:32,640

anything or anyone could be in it so of

390

00:17:35,870 --> 00:17:33,840

course I'm sure you're aware he's

391

00:17:39,590 --> 00:17:35,880

written a book called um the renderson

392

00:17:41,270 --> 00:17:39,600

Enigma with Gary Osborne and he's gone

393

00:17:43,730 --> 00:17:41,280

into a lot of great detail about the how

394

00:17:45,289 --> 00:17:43,740

indicating that we are dealing with

395

00:17:48,830 --> 00:17:45,299

people from the future that have come

396

00:17:51,409 --> 00:17:48,840

back to this time but what we must also

397

00:17:53,810 --> 00:17:51,419

understand is that When the UFO

398

00:17:56,330 --> 00:17:53,820

phenomena comes into our space of

399

00:17:59,570 --> 00:17:56,340

reality it Alters our perception of

400

00:18:02,029 --> 00:17:59,580

reality it Alters the environment so

401
00:18:05,330 --> 00:18:02,039
it's possible that the integration of

402
00:18:08,150 --> 00:18:05,340
this intelligence can infiltrate into

403
00:18:10,850 --> 00:18:08,160
the minds of all those around and they

404
00:18:13,370 --> 00:18:10,860
will see different things so

405
00:18:16,010 --> 00:18:13,380
So to that individual it is their truth

406
00:18:18,289 --> 00:18:16,020
and we've been finding this it's very

407
00:18:20,810 --> 00:18:18,299
fascinating and of course I believe

408
00:18:22,850 --> 00:18:20,820
peniston and Burrows I believe Colonel

409
00:18:25,789 --> 00:18:22,860
Charles Holt ultimately I do his

410
00:18:28,370 --> 00:18:25,799
testimony is absolutely crystal clear

411
00:18:31,970 --> 00:18:28,380
he's a man who's very much on the ball

412
00:18:34,190 --> 00:18:31,980
and key to information so something did

413
00:18:36,730 --> 00:18:34,200

occur there and with any event that

414

00:18:40,850 --> 00:18:36,740

occurs uh whether or not it be Roswell

415

00:18:42,650 --> 00:18:40,860

or you know renderson or Skinwalker Arch

416

00:18:44,210 --> 00:18:42,660

or any of these other celebrated eras

417

00:18:47,090 --> 00:18:44,220

there's many others that are not well

418

00:18:48,650 --> 00:18:47,100

known but you'll always get these levels

419

00:18:51,169 --> 00:18:48,660

where there there ends up being

420

00:18:53,990 --> 00:18:51,179

Distortion of facts and contradicting

421

00:18:56,029 --> 00:18:54,000

data so you know and then we get into

422

00:18:57,710 --> 00:18:56,039

this area of like you know the OSI the

423

00:18:59,570 --> 00:18:57,720

office of special investigations came in

424

00:19:01,190 --> 00:18:59,580

and muck things up

425

00:19:03,470 --> 00:19:01,200

um I don't doubt that but whatever

426

00:19:05,150 --> 00:19:03,480

occurred to those men truly frightened

427

00:19:06,770 --> 00:19:05,160

them and you know we're talking about

428

00:19:08,750 --> 00:19:06,780

military men and I will State for the

429

00:19:10,870 --> 00:19:08,760

record here Ryan subbing that will make

430

00:19:14,090 --> 00:19:10,880

you laugh

431

00:19:15,710 --> 00:19:14,100

the original testimony of some

432

00:19:17,870 --> 00:19:15,720

researchers was that all that the

433

00:19:19,490 --> 00:19:17,880

American troops were chasing was nothing

434

00:19:22,130 --> 00:19:19,500

less than the lights from the orphanous

435

00:19:23,750 --> 00:19:22,140

lighthouse now when we had been there in

436

00:19:25,549 --> 00:19:23,760

the forest doing our research we could

437

00:19:28,070 --> 00:19:25,559

see this the sweeping beam of the

438

00:19:31,190 --> 00:19:28,080

lighthouse it wasn't very strong and I

439

00:19:33,710 --> 00:19:31,200

always state that if our good old

440

00:19:36,049 --> 00:19:33,720

American troops are chasing the lights

441

00:19:38,570 --> 00:19:36,059

to a lighthouse saying God help all of

442

00:19:40,970 --> 00:19:38,580

us you know

443

00:19:43,310 --> 00:19:40,980

um there were many theories about what

444

00:19:45,830 --> 00:19:43,320

actually occurred there what was

445

00:19:49,250 --> 00:19:45,840

responsible even to the most ridiculous

446

00:19:52,789 --> 00:19:49,260

mundane you wouldn't believe it it

447

00:19:54,289 --> 00:19:52,799

appears to me that when someone states

448

00:19:56,510 --> 00:19:54,299

that this is something that's

449

00:19:59,270 --> 00:19:56,520

extraterrestrial interdimensional or

450

00:20:01,549 --> 00:19:59,280

ultra-terrestrial it's a big No-No it

451
00:20:04,430 --> 00:20:01,559
has to be something other than what you

452
00:20:06,110 --> 00:20:04,440
have seen now for the record the

453
00:20:09,650 --> 00:20:06,120
experiment that we performed on the 8th

454
00:20:11,810 --> 00:20:09,660
of June 1998 was incredible and my

455
00:20:14,090 --> 00:20:11,820
argument is this

456
00:20:16,010 --> 00:20:14,100
are we projecting this phenomena

457
00:20:18,470 --> 00:20:16,020
phenomena or is the the phenomena

458
00:20:21,529 --> 00:20:18,480
projecting through to us because it was

459
00:20:23,930 --> 00:20:21,539
clearly clearly indicative that we

460
00:20:26,870 --> 00:20:23,940
wanted this to happen and it did happen

461
00:20:28,610 --> 00:20:26,880
through observation so you know we have

462
00:20:31,190 --> 00:20:28,620
to look at both sides of the coin here

463
00:20:33,669 --> 00:20:31,200

regarding what we're really dealing with

464

00:20:36,049 --> 00:20:33,679

and I don't think it's just physical

465

00:20:38,810 --> 00:20:36,059

spacecrafts coming from say Zeta

466

00:20:40,909 --> 00:20:38,820

reticuli or what the Andromeda star

467

00:20:43,070 --> 00:20:40,919

system I think we're dealing with

468

00:20:45,710 --> 00:20:43,080

something that operates on multiple

469

00:20:48,169 --> 00:20:45,720

levels of reality and I think that these

470

00:20:50,630 --> 00:20:48,179

multiple levels of reality are able to

471

00:20:53,090 --> 00:20:50,640

interconnect within us on an individual

472

00:20:55,190 --> 00:20:53,100

basis within our Consciousness and this

473

00:20:57,590 --> 00:20:55,200

is now where our research is leading us

474

00:20:59,810 --> 00:20:57,600

not so much into the physical nuts and

475

00:21:01,970 --> 00:20:59,820

bolts construct of The Craft of course

476
00:21:04,490 --> 00:21:01,980
they must come into our airspace through

477
00:21:06,650 --> 00:21:04,500
this way they must appear solid in order

478
00:21:08,990 --> 00:21:06,660
to be accepted and infiltrated into our

479
00:21:11,450 --> 00:21:09,000
dimension of reality but we now have to

480
00:21:12,970 --> 00:21:11,460
look outside the box into other areas of

481
00:21:17,090 --> 00:21:12,980
research

482
00:21:19,310 --> 00:21:17,100
I I find it so interesting that people

483
00:21:21,250 --> 00:21:19,320
believe like you said that they were

484
00:21:24,650 --> 00:21:21,260
following just lights this is so

485
00:21:26,390 --> 00:21:24,660
unlikely right uh I'm glad that you

486
00:21:28,970 --> 00:21:26,400
mentioned that because and I'm also glad

487
00:21:33,649 --> 00:21:28,980
you mentioned um Lieutenant curl Colonel

488
00:21:37,789 --> 00:21:33,659

Charles halt because his these these are

489

00:21:39,710 --> 00:21:37,799

all military men educated men they knew

490

00:21:42,770 --> 00:21:39,720

what in my opinion they knew what they

491

00:21:45,409 --> 00:21:42,780

were looking at and the descriptions are

492

00:21:48,649 --> 00:21:45,419

very telling many of the things that

493

00:21:52,789 --> 00:21:48,659

halt described are seen in other UFO

494

00:21:55,970 --> 00:21:52,799

cases such as the the dripping of some

495

00:21:58,190 --> 00:21:55,980

form of molten metal upon the ground and

496

00:22:01,549 --> 00:21:58,200

my question to you is

497

00:22:03,590 --> 00:22:01,559

do you think that this may have been

498

00:22:07,130 --> 00:22:03,600

something

499

00:22:09,770 --> 00:22:07,140

of a black project or would you

500

00:22:11,450 --> 00:22:09,780

attribute it more to something more

501
00:22:13,850 --> 00:22:11,460
extraterrestrial unknown or

502
00:22:16,430 --> 00:22:13,860
quote-unquote alien

503
00:22:18,890 --> 00:22:16,440
well that is a very good question and

504
00:22:22,730 --> 00:22:18,900
before I answer that I will say to you

505
00:22:26,270 --> 00:22:22,740
that Brenda actually allowed me to touch

506
00:22:27,710 --> 00:22:26,280
um as a solidified piece of this residue

507
00:22:30,770 --> 00:22:27,720
that had dripped off of the original

508
00:22:33,529 --> 00:22:30,780
craft that Colonel Charles halt had seen

509
00:22:36,770 --> 00:22:33,539
I've actually held it it's like a very

510
00:22:39,649 --> 00:22:36,780
lightweight honeycombed lots of speckled

511
00:22:42,529 --> 00:22:39,659
colors in it and it can't be uh torn or

512
00:22:45,169 --> 00:22:42,539
or dug into it's been analyzed by

513
00:22:46,970 --> 00:22:45,179

several scientific units Brenda has had

514

00:22:50,390 --> 00:22:46,980

them analyzed and they are no material

515

00:22:51,169 --> 00:22:50,400

and this occurred because DOTA dot

516

00:22:53,090 --> 00:22:51,179

Street

517

00:22:56,270 --> 00:22:53,100

we're spawned small enough to break into

518

00:22:58,070 --> 00:22:56,280

the base and had found this in the area

519

00:22:59,870 --> 00:22:58,080

of where the residue of The Craft that

520

00:23:03,049 --> 00:22:59,880

Colonel Charles Sultan has made it seen

521

00:23:05,270 --> 00:23:03,059

now in answer to your question I'm not

522

00:23:09,049 --> 00:23:05,280

so sure now if we go into the military

523

00:23:11,630 --> 00:23:09,059

aspect my argument would be that what we

524

00:23:14,750 --> 00:23:11,640

my brother that is myself and Susan had

525

00:23:18,110 --> 00:23:14,760

experienced in the act of June 1998 at

526

00:23:21,649 --> 00:23:18,120

uh 10 15 PM was a very structured

527

00:23:23,450 --> 00:23:21,659

physical craft and it was incredible and

528

00:23:25,490 --> 00:23:23,460

I doubt seriously doubt whether or not

529

00:23:28,010 --> 00:23:25,500

the military had projecting some kind of

530

00:23:29,810 --> 00:23:28,020

holographic technology in order to you

531

00:23:32,390 --> 00:23:29,820

know confound three relatively

532

00:23:37,010 --> 00:23:32,400

unimportant individuals who were in the

533

00:23:39,649 --> 00:23:37,020

forest at that time so I don't know my

534

00:23:42,950 --> 00:23:39,659

argument would be why would the military

535

00:23:44,750 --> 00:23:42,960

trick its very own military into this uh

536

00:23:48,289 --> 00:23:44,760

you know psychologically twisting

537

00:23:51,169 --> 00:23:48,299

experiment I have no idea my gut

538

00:23:53,810 --> 00:23:51,179

instinct is that we are perhaps dealing

539

00:23:56,149 --> 00:23:53,820

with something that is definitely what

540

00:23:58,010 --> 00:23:56,159

we would call alien

541

00:24:01,370 --> 00:23:58,020

um I doubt very much whether or not this

542

00:24:04,130 --> 00:24:01,380

was some kind of military operation or

543

00:24:07,070 --> 00:24:04,140

psyops operation although we have to be

544

00:24:09,289 --> 00:24:07,080

very open-minded and I am with all forms

545

00:24:11,930 --> 00:24:09,299

of research I will never put myself in a

546

00:24:13,250 --> 00:24:11,940

and a cul-de-sac with regards to this we

547

00:24:16,370 --> 00:24:13,260

have to be able to do everything but

548

00:24:19,450 --> 00:24:16,380

there's a part of me and through what we

549

00:24:21,890 --> 00:24:19,460

had experienced that tells me it is

550

00:24:24,710 --> 00:24:21,900

Supernatural and also connected with

551
00:24:27,049 --> 00:24:24,720
some kind of alien intelligence now the

552
00:24:29,029 --> 00:24:27,059
reason I say this is because on one

553
00:24:30,649 --> 00:24:29,039
occasion that we were with Brenda in the

554
00:24:33,110 --> 00:24:30,659
forest and she was she normally takes

555
00:24:35,750 --> 00:24:33,120
groups of people out there and in broad

556
00:24:37,430 --> 00:24:35,760
daylight across the path area of the

557
00:24:40,190 --> 00:24:37,440
forest where there were no trees hanging

558
00:24:42,049 --> 00:24:40,200
above us she told us about these stones

559
00:24:44,390 --> 00:24:42,059
that would literally fall from the sky

560
00:24:46,490 --> 00:24:44,400
and they would be hot well would you

561
00:24:49,070 --> 00:24:46,500
believe that on this occasion these

562
00:24:51,169 --> 00:24:49,080
Stones did fall from the sky and one of

563
00:24:52,610 --> 00:24:51,179

them plonked right in front of us and

564

00:24:55,730 --> 00:24:52,620

Brenda said go on pick it up you're

565

00:24:58,730 --> 00:24:55,740

gonna find it's hot and it was hot and

566

00:25:02,029 --> 00:24:58,740

that is some kind of airport now we are

567

00:25:04,010 --> 00:25:02,039

aware that within UFO research when UFOs

568

00:25:07,250 --> 00:25:04,020

have been seen around or directed around

569

00:25:09,950 --> 00:25:07,260

a certain area that afterwards there is

570

00:25:12,950 --> 00:25:09,960

normally a lot of on a lot of occasions

571

00:25:15,770 --> 00:25:12,960

Paranormal Activity discard voices being

572

00:25:17,990 --> 00:25:15,780

heard Stones coming from the sky things

573

00:25:20,210 --> 00:25:18,000

moving around Poltergeist activity this

574

00:25:22,549 --> 00:25:20,220

kind of thing which seems very strange

575

00:25:24,649 --> 00:25:22,559

in terms of like the events of the UFO

576
00:25:27,470 --> 00:25:24,659
being seen along with occupants that is

577
00:25:30,110 --> 00:25:27,480
totally uh you know

578
00:25:32,570 --> 00:25:30,120
so indifferent to the Poltergeist and

579
00:25:34,850 --> 00:25:32,580
Paranormal Activity so you know it

580
00:25:36,890 --> 00:25:34,860
that's my terminology I doubt very much

581
00:25:39,350 --> 00:25:36,900
of the military would all be able to

582
00:25:42,049 --> 00:25:39,360
create Stones falling from the sky that

583
00:25:44,810 --> 00:25:42,059
are red hot and in response to Brenda's

584
00:25:46,730 --> 00:25:44,820
request uh along with the summoning of

585
00:25:49,310 --> 00:25:46,740
UFO that we did privately and within our

586
00:25:52,730 --> 00:25:49,320
minds and experiment back then in on the

587
00:25:54,830 --> 00:25:52,740
8th of June 1998 so you know I believe

588
00:25:56,570 --> 00:25:54,840

myself personally that we are dealing

589

00:25:59,810 --> 00:25:56,580

with something that is interdimensional

590

00:26:02,149 --> 00:25:59,820

and very multi-complexed I I you know

591

00:26:04,430 --> 00:26:02,159

even to the point where a lot of

592

00:26:06,730 --> 00:26:04,440

researchers within the world can't

593

00:26:09,169 --> 00:26:06,740

fathom out what we're dealing with

594

00:26:11,450 --> 00:26:09,179

although although it said we have ideas

595

00:26:12,950 --> 00:26:11,460

we have our own opinions

596

00:26:15,110 --> 00:26:12,960

um but there will be Ryan some people

597

00:26:18,470 --> 00:26:15,120

who will tell you how it is and what it

598

00:26:20,870 --> 00:26:18,480

is but I seriously have to uh kind of

599

00:26:22,909 --> 00:26:20,880

like step back and say well okay I

600

00:26:25,570 --> 00:26:22,919

respect what you're saying but you know

601
00:26:28,250 --> 00:26:25,580
even we're not so sure

602
00:26:30,529 --> 00:26:28,260
exactly and I'm really glad that you

603
00:26:33,830 --> 00:26:30,539
said the word abort because that is

604
00:26:36,110 --> 00:26:33,840
something that these things do appear

605
00:26:38,570 --> 00:26:36,120
from time to time in these areas

606
00:26:42,409 --> 00:26:38,580
especially when having to do with uaps

607
00:26:44,810 --> 00:26:42,419
or UFOs and another thing that appears

608
00:26:48,289 --> 00:26:44,820
and I have to ask you about this

609
00:26:51,409 --> 00:26:48,299
is many people seems seem to claim that

610
00:26:54,610 --> 00:26:51,419
there was some kind of a cover-up and

611
00:26:58,070 --> 00:26:54,620
there were some orders to Halt

612
00:27:00,710 --> 00:26:58,080
investigation and research in many of

613
00:27:05,090 --> 00:27:00,720

the dealings with this sensitive issue

614

00:27:07,490 --> 00:27:05,100

have you run into any threatening or

615

00:27:10,130 --> 00:27:07,500

interesting

616

00:27:12,350 --> 00:27:10,140

connections where people have been

617

00:27:14,090 --> 00:27:12,360

adamant in trying to stop your research

618

00:27:16,430 --> 00:27:14,100

in any way shape or form

619

00:27:18,470 --> 00:27:16,440

yes there were there were there was an

620

00:27:21,649 --> 00:27:18,480

occasion where I did find this with the

621

00:27:23,169 --> 00:27:21,659

writing of Sky Crash throughout time uh

622

00:27:26,269 --> 00:27:23,179

when it was originally published in

623

00:27:28,190 --> 00:27:26,279

2013. I make no claims I'm not

624

00:27:30,529 --> 00:27:28,200

sensationalizing myself I'm very

625

00:27:33,529 --> 00:27:30,539

grounded and very black and white

626

00:27:35,330 --> 00:27:33,539

um as you are probably very much aware

627

00:27:36,950 --> 00:27:35,340

um I don't deal with the fairies so to

628

00:27:39,649 --> 00:27:36,960

speak but yes there had been some

629

00:27:41,930 --> 00:27:39,659

occasions where my computer had been

630

00:27:44,810 --> 00:27:41,940

hacked and I was aware that information

631

00:27:48,590 --> 00:27:44,820

was being looked at

632

00:27:51,649 --> 00:27:48,600

um and I also had some difficulties with

633

00:27:54,350 --> 00:27:51,659

um some very strange bizarre people uh

634

00:27:56,930 --> 00:27:54,360

that were trying to Halt or stop the

635

00:27:59,990 --> 00:27:56,940

publication of the book now the book in

636

00:28:03,110 --> 00:28:00,000

my terminology is not something that's

637

00:28:05,870 --> 00:28:03,120

Sensational it it uh you know recounts

638

00:28:08,149 --> 00:28:05,880

new information about

639

00:28:10,789 --> 00:28:08,159

um rendelson only in terms of the UFO

640

00:28:14,090 --> 00:28:10,799

activity before and afterwards there was

641

00:28:15,830 --> 00:28:14,100

some sensitive cases concerning another

642

00:28:18,590 --> 00:28:15,840

the character within the book called

643

00:28:21,350 --> 00:28:18,600

Karen who had dealings with Brenda and

644

00:28:24,470 --> 00:28:21,360

there was all this confusion about

645

00:28:26,029 --> 00:28:24,480

um you know Russia and the satellite and

646

00:28:29,149 --> 00:28:26,039

all this type of thing that was I think

647

00:28:31,130 --> 00:28:29,159

fed into the main area which tried I

648

00:28:33,769 --> 00:28:31,140

think to discredit the subject matter

649

00:28:36,710 --> 00:28:33,779

entirely now what's interesting

650

00:28:38,390 --> 00:28:36,720

is that I was not perturbed by this and

651
00:28:40,669 --> 00:28:38,400
of course as you know as a researcher

652
00:28:42,350 --> 00:28:40,679
yourself someone like we're all

653
00:28:44,090 --> 00:28:42,360
important I mean I don't know what you

654
00:28:45,470 --> 00:28:44,100
would call me but you know I just

655
00:28:47,690 --> 00:28:45,480
happened to get involved in this many

656
00:28:51,529 --> 00:28:47,700
many long years ago and uh find myself

657
00:28:55,010 --> 00:28:51,539
in this place like we ought to but um my

658
00:28:58,850 --> 00:28:55,020
understanding is that um I think

659
00:29:02,029 --> 00:28:58,860
the military are very much aware of the

660
00:29:03,830 --> 00:29:02,039
UFO UAP phenomena and as we all know I

661
00:29:06,110 --> 00:29:03,840
think they've been exploring it for many

662
00:29:07,789 --> 00:29:06,120
many years I think when there is an

663
00:29:09,529 --> 00:29:07,799

event that's transpired they want to

664

00:29:11,690 --> 00:29:09,539

find out as much as they can about it

665

00:29:12,350 --> 00:29:11,700

because I think most of it still eludes

666

00:29:15,590 --> 00:29:12,360

them

667

00:29:17,630 --> 00:29:15,600

I also believe that the subject matter

668

00:29:19,730 --> 00:29:17,640

has been considered top secret I'm not

669

00:29:23,570 --> 00:29:19,740

just talking about

670

00:29:24,769 --> 00:29:23,580

um renderson here although I will state

671

00:29:26,750 --> 00:29:24,779

um that I think that the military

672

00:29:29,570 --> 00:29:26,760

themselves have tried to be Hoodwinked

673

00:29:32,149 --> 00:29:29,580

into stating that it was something else

674

00:29:33,590 --> 00:29:32,159

um so there was a very much force

675

00:29:37,190 --> 00:29:33,600

especially with the office of special

676

00:29:39,830 --> 00:29:37,200

investigations who came in flew in and

677

00:29:41,570 --> 00:29:39,840

then spoke to each of those members who

678

00:29:43,669 --> 00:29:41,580

were involved with the initial UFO

679

00:29:46,789 --> 00:29:43,679

contact that had occurred over the three

680

00:29:50,149 --> 00:29:46,799

night period and the Christmas uh of

681

00:29:53,230 --> 00:29:50,159

1980 but I think that the problem is

682

00:29:57,409 --> 00:29:53,240

Ryan on the largest scale of ufology

683

00:30:00,289 --> 00:29:57,419

excuse me is that the system that we

684

00:30:03,110 --> 00:30:00,299

serve uh is going to find it hard to

685

00:30:05,810 --> 00:30:03,120

explain to the public just what it is

686

00:30:07,610 --> 00:30:05,820

that we're dealing with and there are

687

00:30:11,450 --> 00:30:07,620

several aspects that we can take with

688

00:30:13,610 --> 00:30:11,460

that one of those is the fact that you

689

00:30:15,110 --> 00:30:13,620

know we were led to believe that UFOs

690

00:30:17,769 --> 00:30:15,120

were nothing less than the figment of

691

00:30:20,510 --> 00:30:17,779

the imagination the media cartel

692

00:30:22,490 --> 00:30:20,520

promoted all of these documentaries and

693

00:30:24,350 --> 00:30:22,500

then pooh-pooed the subject afterwards

694

00:30:26,810 --> 00:30:24,360

most notably the famous series here was

695

00:30:29,450 --> 00:30:26,820

Arthur C Clarke's mysterious world that

696

00:30:32,389 --> 00:30:29,460

have been uh hosted by Sir Arthur Clark

697

00:30:35,029 --> 00:30:32,399

eminent scientist and author and he

698

00:30:37,909 --> 00:30:35,039

would burst that lovely bubble that had

699

00:30:39,950 --> 00:30:37,919

been made uh you know afterwards but is

700

00:30:43,010 --> 00:30:39,960

it true are they real and then of course

701
00:30:45,649 --> 00:30:43,020
as we come into this new era of research

702
00:30:49,789 --> 00:30:45,659
neurology we discover the Pentagon

703
00:30:52,789 --> 00:30:49,799
releasing a somewhat flimsy seven pages

704
00:30:55,250 --> 00:30:52,799
of of Limp information but something

705
00:30:57,049 --> 00:30:55,260
quite uh revealing within its contents

706
00:30:58,750 --> 00:30:57,059
that we could be possibly dealing with

707
00:31:01,789 --> 00:30:58,760
something that may be

708
00:31:07,010 --> 00:31:01,799
extraterrestrial and then of course just

709
00:31:09,710 --> 00:31:07,020
recently again where strangely the media

710
00:31:11,210 --> 00:31:09,720
cartel here in England I'm sure in the

711
00:31:14,090 --> 00:31:11,220
United States of America in your great

712
00:31:15,590 --> 00:31:14,100
country with those balloons and strange

713
00:31:16,850 --> 00:31:15,600

objects that crashed and I'm sure the

714

00:31:18,110 --> 00:31:16,860

balloons were terrestrial but one of

715

00:31:20,630 --> 00:31:18,120

them may not have been we can only

716

00:31:22,549 --> 00:31:20,640

speculate us to that but stating on

717

00:31:24,130 --> 00:31:22,559

National Television on the news that

718

00:31:29,110 --> 00:31:24,140

they had shot down

719

00:31:32,330 --> 00:31:29,120

UFOs now that to me

720

00:31:34,669 --> 00:31:32,340

suspect because each and every one of us

721

00:31:36,289 --> 00:31:34,679

and sorry to the vet from Reynolds from

722

00:31:40,190 --> 00:31:36,299

here for a moment but each and every one

723

00:31:42,169 --> 00:31:40,200

of us know what a UFO is and identified

724

00:31:43,850 --> 00:31:42,179

flying object and through our

725

00:31:47,149 --> 00:31:43,860

terminology our understanding it is a

726

00:31:49,430 --> 00:31:47,159

spacecraft or alien technology

727

00:31:51,409 --> 00:31:49,440

and there they were flouting we've just

728

00:31:54,230 --> 00:31:51,419

shot down some UFOs and I think everyone

729

00:31:56,750 --> 00:31:54,240

was quite shocked in the way that the

730

00:32:00,649 --> 00:31:56,760

media cartel had started to instigate

731

00:32:02,690 --> 00:32:00,659

this very strange admittance so you know

732

00:32:05,210 --> 00:32:02,700

I always say that there are these levels

733

00:32:08,149 --> 00:32:05,220

of high strangeness and certainly within

734

00:32:10,669 --> 00:32:08,159

military organizations and going all the

735

00:32:13,870 --> 00:32:10,679

way up to those people in charge of the

736

00:32:16,909 --> 00:32:13,880

media networks they must know something

737

00:32:19,010 --> 00:32:16,919

and I think that the time is coming now

738

00:32:21,710 --> 00:32:19,020

where there may be some kind of

739

00:32:23,870 --> 00:32:21,720

Revelation on a larger scale with what

740

00:32:25,970 --> 00:32:23,880

we may be dealing with but I think

741

00:32:28,070 --> 00:32:25,980

they're going to find it difficult how

742

00:32:30,830 --> 00:32:28,080

on Earth are they going to tell an

743

00:32:33,350 --> 00:32:30,840

already programmed Society I'm sorry

744

00:32:35,630 --> 00:32:33,360

that we've lied to you and they have

745

00:32:38,149 --> 00:32:35,640

lied to us all the researchers all those

746

00:32:40,610 --> 00:32:38,159

people involved with UFOs and Witnesses

747

00:32:42,230 --> 00:32:40,620

but the UFOs are real but by the way we

748

00:32:43,130 --> 00:32:42,240

we're going to find it very difficult to

749

00:32:44,990 --> 00:32:43,140

explain

750

00:32:47,289 --> 00:32:45,000

about them

751

00:32:49,549 --> 00:32:47,299

and there we are

752

00:32:53,149 --> 00:32:49,559

in a nutshell there we are there you

753

00:33:00,230 --> 00:32:56,450

you know Philip I all I think many

754

00:33:03,529 --> 00:33:00,240

people found it very strange that the

755

00:33:06,769 --> 00:33:03,539

word UFO was used with those balloon

756

00:33:08,990 --> 00:33:06,779

slash satellites and speaking of

757

00:33:11,630 --> 00:33:09,000

satellites I'm very glad that you bring

758

00:33:15,889 --> 00:33:11,640

up the Russian satellite having to do

759

00:33:18,230 --> 00:33:15,899

with this case because there there was a

760

00:33:22,070 --> 00:33:18,240

whole bunch going on it was it was quite

761

00:33:24,769 --> 00:33:22,080

the mess when there was the belief that

762

00:33:27,049 --> 00:33:24,779

it was possibly Russian satellite I

763

00:33:30,350 --> 00:33:27,059

believe had collided with the UFO in

764

00:33:34,669 --> 00:33:30,360

space bringing them both down there was

765

00:33:36,950 --> 00:33:34,679

a Russian tupolev Bear kidnapped by the

766

00:33:40,190 --> 00:33:36,960

Americans and secretly flown back to the

767

00:33:43,610 --> 00:33:40,200

base there was a lot of theorizing do

768

00:33:46,009 --> 00:33:43,620

you think an actual UFO may have been

769

00:33:47,450 --> 00:33:46,019

struck by a Russian satellite this seems

770

00:33:50,630 --> 00:33:47,460

far-fetched

771

00:33:52,730 --> 00:33:50,640

well I doubt that very much and to

772

00:33:54,649 --> 00:33:52,740

conclude here that the timing of the

773

00:33:57,830 --> 00:33:54,659

satellite was a little bit out of zinc

774

00:34:00,049 --> 00:33:57,840

with the UFO experience that happened I

775

00:34:02,750 --> 00:34:00,059

might add here with the military over a

776

00:34:05,090 --> 00:34:02,760

three night period so I doubt whether or

777

00:34:07,490 --> 00:34:05,100

not pieces of the debris of this crashed

778

00:34:10,369 --> 00:34:07,500

or saucer or craft or whatever it was

779

00:34:12,950 --> 00:34:10,379

and pieces of our Earth Technology just

780

00:34:15,409 --> 00:34:12,960

happen to be seen over those three night

781

00:34:17,409 --> 00:34:15,419

period and you know it's rather like

782

00:34:20,089 --> 00:34:17,419

going back through the contradictory

783

00:34:22,250 --> 00:34:20,099

data of the Roswell crash of the

784

00:34:25,730 --> 00:34:22,260

military first stadium that they had in

785

00:34:28,970 --> 00:34:25,740

their possession a flying disc they made

786

00:34:31,490 --> 00:34:28,980

that fact and then changing it to a

787

00:34:33,230 --> 00:34:31,500

weather balloon as I stated again so

788

00:34:37,010 --> 00:34:33,240

secret that no one else was out looking

789

00:34:38,990 --> 00:34:37,020

for Mac Brazil a sheep Rancher found

790

00:34:40,369 --> 00:34:39,000

pieces of the debris and the rest is

791

00:34:42,589 --> 00:34:40,379

history when it was brought to the

792

00:34:44,149 --> 00:34:42,599

attention of sheriff Wilcox and then he

793

00:34:46,930 --> 00:34:44,159

informed the Army and they went out to

794

00:34:50,210 --> 00:34:46,940

investigate and in that episode alone

795

00:34:52,190 --> 00:34:50,220

another researcher John Smith who is a

796

00:34:55,010 --> 00:34:52,200

well-known author and an investigation

797

00:34:57,109 --> 00:34:55,020

Roswell believes that a part of the

798

00:34:59,930 --> 00:34:57,119

Roswell craft came away from the main

799

00:35:01,910 --> 00:34:59,940

body as it came into a crash landing and

800

00:35:03,530 --> 00:35:01,920

I believe that that is totally possible

801
00:35:06,829 --> 00:35:03,540
as opposed to two crafts colliding with

802
00:35:09,170 --> 00:35:06,839
one another two UFOs colliding in

803
00:35:12,950 --> 00:35:09,180
response to the rendersham case

804
00:35:16,069 --> 00:35:12,960
I think that a lot of occurrences that

805
00:35:19,130 --> 00:35:16,079
were happening and I think that the OSI

806
00:35:21,410 --> 00:35:19,140
and much of those debunkers tried in

807
00:35:24,290 --> 00:35:21,420
every way possible to denounce anything

808
00:35:27,589 --> 00:35:24,300
other than some kind of extraterrestrial

809
00:35:29,329 --> 00:35:27,599
vehicle or Vehicles as it were and

810
00:35:31,849 --> 00:35:29,339
what's interesting is that when you

811
00:35:34,609 --> 00:35:31,859
speak to Colonel Charles Holt he was

812
00:35:37,790 --> 00:35:34,619
Deputy based Commander at the time you

813
00:35:40,069 --> 00:35:37,800

will find that he is absolutely on par

814

00:35:42,349 --> 00:35:40,079

with this information and even what

815

00:35:44,450 --> 00:35:42,359

happened with him stunned him and his

816

00:35:46,069 --> 00:35:44,460

men of course they were all stunned by

817

00:35:48,109 --> 00:35:46,079

the events that occurred and of course

818

00:35:50,870 --> 00:35:48,119

each of them was separated and spoken to

819

00:35:52,670 --> 00:35:50,880

individually I know that you get some

820

00:35:54,109 --> 00:35:52,680

people unfortunately who are linked with

821

00:35:55,430 --> 00:35:54,119

the case or believe that they were

822

00:35:57,470 --> 00:35:55,440

linked with a case at the time I'm not

823

00:35:59,510 --> 00:35:57,480

going to go into the detail in that but

824

00:36:02,230 --> 00:35:59,520

I believe Colonel Charles Holt I believe

825

00:36:04,430 --> 00:36:02,240

John Burroughs and Jim peniston

826

00:36:06,770 --> 00:36:04,440

absolutely totally as I do believe

827

00:36:09,650 --> 00:36:06,780

Brenda Butler and of course the story

828

00:36:12,530 --> 00:36:09,660

gets even stranger because there was the

829

00:36:14,510 --> 00:36:12,540

appearance with Brenda around about 1984

830

00:36:16,970 --> 00:36:14,520

and after Sky Crash had been published

831

00:36:18,530 --> 00:36:16,980

their original book with this reptilian

832

00:36:21,170 --> 00:36:18,540

man I mean I thought well this is

833

00:36:22,430 --> 00:36:21,180

impossible but she actually befriended

834

00:36:25,910 --> 00:36:22,440

this being

835

00:36:28,190 --> 00:36:25,920

that appeared as a human and had also

836

00:36:31,490 --> 00:36:28,200

infiltrated top key members within the

837

00:36:35,030 --> 00:36:31,500

UFO community at that time uh even with

838

00:36:36,829 --> 00:36:35,040

Ralph noise who was part of the ministry

839

00:36:39,430 --> 00:36:36,839

of Defense

840

00:36:42,050 --> 00:36:39,440

um you know who had seen David Daniels

841

00:36:44,450 --> 00:36:42,060

his name was David Daniels he called

842

00:36:46,069 --> 00:36:44,460

himself David Daniels along with

843

00:36:48,829 --> 00:36:46,079

Lieutenant Colonel Wendell Stevenson

844

00:36:51,890 --> 00:36:48,839

America and I have to State here that

845

00:36:54,950 --> 00:36:51,900

Ralph noise who was part of the ministry

846

00:36:58,370 --> 00:36:54,960

of Defense wrote a science fiction book

847

00:37:00,470 --> 00:36:58,380

called a secret Prophet that I have that

848

00:37:02,329 --> 00:37:00,480

that is based Loosely along the lines of

849

00:37:03,829 --> 00:37:02,339

renderson because he he thought that he

850

00:37:05,510 --> 00:37:03,839

could bring it out in fiction rather

851
00:37:07,670 --> 00:37:05,520
than fat because Noah would take him

852
00:37:09,290 --> 00:37:07,680
seriously at that point

853
00:37:10,730 --> 00:37:09,300
um I know that Jenny Reynolds thought

854
00:37:12,589 --> 00:37:10,740
the whole thing was a load of rubbish

855
00:37:15,349 --> 00:37:12,599
understandably with regards to his

856
00:37:17,870 --> 00:37:15,359
science fiction book but not only that

857
00:37:19,970 --> 00:37:17,880
but Brenda and this reptilian man who by

858
00:37:23,470 --> 00:37:19,980
the way had no interest in the main

859
00:37:25,849 --> 00:37:23,480
events of the 1980 UFO

860
00:37:29,150 --> 00:37:25,859
actually went to go and meet Lord

861
00:37:30,890 --> 00:37:29,160
Admiral Hill Norton here in London and

862
00:37:33,650 --> 00:37:30,900
and you know that was an incredible

863
00:37:36,109 --> 00:37:33,660

meeting so this strange being suddenly

864

00:37:40,490 --> 00:37:36,119

rocked up in the midst of renderson

865

00:37:42,829 --> 00:37:40,500

itself and so but I interviewed

866

00:37:45,349 --> 00:37:42,839

those individuals not all of them

867

00:37:48,050 --> 00:37:45,359

because uh some of them are deceased now

868

00:37:50,150 --> 00:37:48,060

or were you know at the time that I

869

00:37:52,609 --> 00:37:50,160

started researching this and I can

870

00:37:54,170 --> 00:37:52,619

assure you that when you are sitting in

871

00:37:56,329 --> 00:37:54,180

front of someone who is black and white

872

00:37:58,670 --> 00:37:56,339

and telling you that this is exactly

873

00:38:01,670 --> 00:37:58,680

what happened and you're in the nest of

874

00:38:04,609 --> 00:38:01,680

that reality it changes everything so

875

00:38:07,670 --> 00:38:04,619

there's a lot more to renderson than

876

00:38:10,430 --> 00:38:07,680

just the military's connection with

877

00:38:12,710 --> 00:38:10,440

these UFO appearances and interaction

878

00:38:14,329 --> 00:38:12,720

with some kind of uh extraterrestrial

879

00:38:16,250 --> 00:38:14,339

intelligence

880

00:38:18,109 --> 00:38:16,260

um so it's really quite fascinating and

881

00:38:19,910 --> 00:38:18,119

you know I don't go in too much detail

882

00:38:22,750 --> 00:38:19,920

about David Daniels but the

883

00:38:26,750 --> 00:38:22,760

synchronicities get even weirder because

884

00:38:29,150 --> 00:38:26,760

long before I had got involved with

885

00:38:31,130 --> 00:38:29,160

renderson research and when I had

886

00:38:33,950 --> 00:38:31,140

belonged to UFO group here and I have

887

00:38:36,470 --> 00:38:33,960

met Peter Robbins our UFO group went to

888

00:38:38,150 --> 00:38:36,480

renderson Forest to do a Sky Crash this

889

00:38:41,089 --> 00:38:38,160

is many years before I went and got

890

00:38:42,770 --> 00:38:41,099

involved with the research and we had in

891

00:38:45,530 --> 00:38:42,780

a pub before we did our Sky Crash not to

892

00:38:47,569 --> 00:38:45,540

drink alcohol because that's a bad idea

893

00:38:48,950 --> 00:38:47,579

when you're Sky watching but we went

894

00:38:51,950 --> 00:38:48,960

into a pub

895

00:38:54,290 --> 00:38:51,960

and there was this strange man that

896

00:38:56,690 --> 00:38:54,300

singled me my brother and Susan out

897

00:38:59,510 --> 00:38:56,700

because there was a Mini Bus full of us

898

00:39:02,150 --> 00:38:59,520

and he came to sit with us and he was uh

899

00:39:05,030 --> 00:39:02,160

blonde-haired and he was casually

900

00:39:08,329 --> 00:39:05,040

dressed but he seemed to connect with

901
00:39:10,670 --> 00:39:08,339
our minds and my brother and Susan had

902
00:39:12,470 --> 00:39:10,680
seen one of his arm I think it was his

903
00:39:14,690 --> 00:39:12,480
right arm changed to some type of

904
00:39:16,190 --> 00:39:14,700
plastic this guy we couldn't get rid of

905
00:39:18,050 --> 00:39:16,200
he was following us into the forest

906
00:39:19,910 --> 00:39:18,060
afterwards and he was getting into our

907
00:39:24,710 --> 00:39:19,920
heads and on the way back from our Sky

908
00:39:26,210 --> 00:39:24,720
Crash uh Skywatch sorry Scott Skywatch

909
00:39:28,069 --> 00:39:26,220
um you know we didn't see anything but

910
00:39:30,170 --> 00:39:28,079
everyone was talking about this strange

911
00:39:32,390 --> 00:39:30,180
man that called himself Joseph and then

912
00:39:34,430 --> 00:39:32,400
of course when I read Brenda Butler's

913
00:39:36,770 --> 00:39:34,440

research I I said to her Michael that's

914

00:39:39,349 --> 00:39:36,780

me I wonder whether or not this was the

915

00:39:40,790 --> 00:39:39,359

one of the same individuals known as

916

00:39:42,829 --> 00:39:40,800

David Daniels and she said no we

917

00:39:44,630 --> 00:39:42,839

couldn't have been and I thought well

918

00:39:48,470 --> 00:39:44,640

now I think that there's every

919

00:39:51,589 --> 00:39:48,480

possibility that this strange person was

920

00:39:53,510 --> 00:39:51,599

David because this this apparent

921

00:39:55,970 --> 00:39:53,520

extraterrestrial or reptilian as they

922

00:39:58,430 --> 00:39:55,980

call it what had seemed to infiltrate a

923

00:40:00,470 --> 00:39:58,440

lot of people so you'll find Ryan that

924

00:40:02,450 --> 00:40:00,480

when you get involved in UFO research in

925

00:40:05,270 --> 00:40:02,460

a certain case it's like going down the

926

00:40:07,550 --> 00:40:05,280

rabbit hole but I'm telling you that I

927

00:40:10,069 --> 00:40:07,560

believe those people and I believe Lord

928

00:40:12,170 --> 00:40:10,079

Admiral hell Norton I believed Ralph

929

00:40:13,790 --> 00:40:12,180

noise I believe Lieutenant Colonel

930

00:40:16,730 --> 00:40:13,800

Wendell Stevens with his emails coming

931

00:40:19,849 --> 00:40:16,740

through to John Hanson xcid here in

932

00:40:22,550 --> 00:40:19,859

England along with maybe other prominent

933

00:40:25,930 --> 00:40:22,560

neurologists so you know it just gets

934

00:40:34,849 --> 00:40:30,349

totally it really is bizarre and I think

935

00:40:36,950 --> 00:40:34,859

it's so wild the descriptions of David

936

00:40:40,370 --> 00:40:36,960

and it sounds like there's another one

937

00:40:42,650 --> 00:40:40,380

out there as well and some some of the

938

00:40:44,329 --> 00:40:42,660

Strange Behaviors that would take place

939

00:40:46,609 --> 00:40:44,339

could you tell listeners a little bit

940

00:40:49,490 --> 00:40:46,619

about for example

941

00:40:57,710 --> 00:40:49,500

um David's diet and uh some of his

942

00:41:02,690 --> 00:41:00,829

the original book and she wanted him out

943

00:41:05,270 --> 00:41:02,700

of her house and he just appeared in her

944

00:41:06,710 --> 00:41:05,280

house and Brenda had to drive a long way

945

00:41:09,650 --> 00:41:06,720

to get to dots and of course she

946

00:41:11,210 --> 00:41:09,660

befriended him but David actually

947

00:41:15,829 --> 00:41:11,220

um proved to her

948

00:41:18,470 --> 00:41:15,839

what he was and showed her his true form

949

00:41:21,589 --> 00:41:18,480

she she Brenda is a very grounded very

950

00:41:24,890 --> 00:41:21,599

down-to-earth lady nothing phases her at

951
00:41:26,990 --> 00:41:24,900
all and she was really enameled with him

952
00:41:29,930 --> 00:41:27,000
and connected with him and built up this

953
00:41:32,930 --> 00:41:29,940
friendship Brenda had a caravan outside

954
00:41:35,770 --> 00:41:32,940
her property and he would this David

955
00:41:39,050 --> 00:41:35,780
Daniels would stay in this Caravan and

956
00:41:41,569 --> 00:41:39,060
unfortunately the what they found was

957
00:41:43,190 --> 00:41:41,579
that um the whatever was going on in

958
00:41:46,069 --> 00:41:43,200
that Caravan because David Daniels

959
00:41:47,510 --> 00:41:46,079
didn't use any toiletry toilets he

960
00:41:48,829 --> 00:41:47,520
didn't seem to clean there was no

961
00:41:49,970 --> 00:41:48,839
cleaning with his

962
00:41:52,190 --> 00:41:49,980
um sorry there were no cleaning

963
00:41:53,690 --> 00:41:52,200

amenities that there in the Caravan and

964

00:41:55,849 --> 00:41:53,700

he wasn't allowed in the house any once

965

00:41:56,510 --> 00:41:55,859

for a meal now and again

966

00:41:59,329 --> 00:41:56,520

um

967

00:42:03,230 --> 00:41:59,339

he was perfect always well dressed

968

00:42:06,470 --> 00:42:03,240

always well groomed and his uh this

969

00:42:08,810 --> 00:42:06,480

Caravan apparently all of the paint on

970

00:42:11,810 --> 00:42:08,820

the outside of it a dried crisp which

971

00:42:14,329 --> 00:42:11,820

indicated to uh Brenda's then partner

972

00:42:16,310 --> 00:42:14,339

Chris peniston

973

00:42:18,770 --> 00:42:16,320

um who she was with at that time he was

974

00:42:21,290 --> 00:42:18,780

annoyed because the being inside had

975

00:42:22,970 --> 00:42:21,300

obviously generated so much heat that it

976

00:42:26,650 --> 00:42:22,980

made all of the paint from the outside

977

00:42:30,650 --> 00:42:26,660

of the Caravan burn up and turn crisp

978

00:42:33,890 --> 00:42:30,660

he only ate sweets and when Brenda had

979

00:42:35,930 --> 00:42:33,900

made a meal for him he would antagonize

980

00:42:37,250 --> 00:42:35,940

anyone that was connected with Brenda by

981

00:42:39,589 --> 00:42:37,260

reading their minds I mean he could

982

00:42:44,150 --> 00:42:39,599

literally read minds very quickly and

983

00:42:46,450 --> 00:42:44,160

very very clearly and Chris peniston

984

00:42:49,370 --> 00:42:46,460

um that was Brenda's partner at the time

985

00:42:50,750 --> 00:42:49,380

did I interviewed him didn't like him at

986

00:42:52,010 --> 00:42:50,760

all and found him very frightening in

987

00:42:53,870 --> 00:42:52,020

fact a lot of people that came into

988

00:42:56,150 --> 00:42:53,880

contact with him

989

00:42:58,309 --> 00:42:56,160

um Wanted rid of him because he was just

990

00:43:00,410 --> 00:42:58,319

weird he would seem to get into your

991

00:43:02,510 --> 00:43:00,420

mind he would read your thoughts no one

992

00:43:05,750 --> 00:43:02,520

knew exactly what he was after or what

993

00:43:07,910 --> 00:43:05,760

he was looking for so you know this

994

00:43:10,490 --> 00:43:07,920

strange being that used to wear a long

995

00:43:12,050 --> 00:43:10,500

black coat and like military he looked

996

00:43:13,970 --> 00:43:12,060

like he was from the military Brenda

997

00:43:16,069 --> 00:43:13,980

said he looked very handsome there were

998

00:43:19,010 --> 00:43:16,079

no photographs of him none were taken

999

00:43:23,329 --> 00:43:19,020

unfortunately

1000

00:43:26,450 --> 00:43:23,339

um but even when he got to America and

1001
00:43:28,430 --> 00:43:26,460
connected as a father David Daniels to

1002
00:43:30,890 --> 00:43:28,440
Lieutenant Colonel Wendell Stevens who

1003
00:43:33,050 --> 00:43:30,900
was in prison at the time

1004
00:43:35,690 --> 00:43:33,060
um serving some time in prison we won't

1005
00:43:37,370 --> 00:43:35,700
go into those that subject matter but

1006
00:43:41,089 --> 00:43:37,380
you know

1007
00:43:43,069 --> 00:43:41,099
this father Daniels started to get into

1008
00:43:45,410 --> 00:43:43,079
the head of um

1009
00:43:47,390 --> 00:43:45,420
Lieutenant Colonel Wendell Stevens and

1010
00:43:49,370 --> 00:43:47,400
he was really quite worried about this

1011
00:43:51,650 --> 00:43:49,380
because this he didn't know what who

1012
00:43:53,630 --> 00:43:51,660
this man was but he seemed to know all

1013
00:43:55,430 --> 00:43:53,640

about a lot about um Lieutenant Colonel

1014

00:43:58,490 --> 00:43:55,440

Wendell Stevens and his family I might

1015

00:44:01,910 --> 00:43:58,500

add so it's really bizarre we don't know

1016

00:44:03,710 --> 00:44:01,920

apparently David Daniels he informed

1017

00:44:05,870 --> 00:44:03,720

um Lord Admiral hell Norton in their

1018

00:44:07,849 --> 00:44:05,880

meeting with Brenda of course when they

1019

00:44:10,910 --> 00:44:07,859

went to the meeting

1020

00:44:12,530 --> 00:44:10,920

um in London to meet him that Brenda was

1021

00:44:15,770 --> 00:44:12,540

searched but he was not

1022

00:44:17,510 --> 00:44:15,780

and um David Daniels has spoken to the

1023

00:44:19,609 --> 00:44:17,520

Lord and told him that you know his

1024

00:44:22,490 --> 00:44:19,619

people on his Planet were in trouble

1025

00:44:24,410 --> 00:44:22,500

and and Lord Admiral Hill Norton stated

1026

00:44:26,870 --> 00:44:24,420

look I can't get involved my hands are

1027

00:44:28,550 --> 00:44:26,880

tied I'm near to retirement I you know I

1028

00:44:31,430 --> 00:44:28,560

can't get involved with this and he was

1029

00:44:32,690 --> 00:44:31,440

talking back to David Daniels as though

1030

00:44:34,730 --> 00:44:32,700

it was just some kind of normal

1031

00:44:36,470 --> 00:44:34,740

conversation about interplanetary

1032

00:44:38,750 --> 00:44:36,480

systems and difficulties with the

1033

00:44:40,970 --> 00:44:38,760

environmental issues Brenda Butler

1034

00:44:43,730 --> 00:44:40,980

couldn't understand what was going on

1035

00:44:46,430 --> 00:44:43,740

but when Brenda pushed across a copy of

1036

00:44:48,710 --> 00:44:46,440

Sky Crash a cosmic conspiracy Lord

1037

00:44:51,650 --> 00:44:48,720

Admiral Hill Norton pushed it back and

1038

00:44:53,270 --> 00:44:51,660

said very strangely if that has anything

1039

00:44:55,370 --> 00:44:53,280

to do with the Americans I want nothing

1040

00:44:57,550 --> 00:44:55,380

to do with it and Brenda can understand

1041

00:45:00,890 --> 00:44:57,560

what he was he meant by that statement

1042

00:45:03,530 --> 00:45:00,900

so it's clear to see that within the

1043

00:45:05,210 --> 00:45:03,540

American and British operatives within

1044

00:45:07,849 --> 00:45:05,220

the imagery establishments of course you

1045

00:45:09,770 --> 00:45:07,859

have a division of powers but there is a

1046

00:45:12,170 --> 00:45:09,780

great deal of respect and unity between

1047

00:45:15,010 --> 00:45:12,180

the USA and Britain there always has

1048

00:45:18,050 --> 00:45:15,020

been but that statement was very strange

1049

00:45:19,910 --> 00:45:18,060

so I I think that perhaps Lord Admiral

1050

00:45:22,309 --> 00:45:19,920

Hill Norton was well aware very much

1051

00:45:24,589 --> 00:45:22,319

aware of the UFO situation and all

1052

00:45:28,130 --> 00:45:24,599

linked due also to another author

1053

00:45:29,930 --> 00:45:28,140

brilliant author Timothy good who also

1054

00:45:33,230 --> 00:45:29,940

was good friends with Admiral Hill

1055

00:45:35,450 --> 00:45:33,240

Norton and connected with him greatly so

1056

00:45:37,190 --> 00:45:35,460

you know we understand that this

1057

00:45:39,050 --> 00:45:37,200

reptilian

1058

00:45:41,450 --> 00:45:39,060

um seemed to have an agenda but wasn't

1059

00:45:44,089 --> 00:45:41,460

quite we weren't quite sure no one was

1060

00:45:45,770 --> 00:45:44,099

quite sure what this agenda was he said

1061

00:45:47,510 --> 00:45:45,780

that he had people with him that would

1062

00:45:49,250 --> 00:45:47,520

come and visit Brenda and they did there

1063

00:45:52,309 --> 00:45:49,260

were two ladies that came to visit her

1064

00:45:55,849 --> 00:45:52,319

and also that he when things got really

1065

00:45:58,569 --> 00:45:55,859

messy Brenda realized that Scotland's

1066

00:46:01,670 --> 00:45:58,579

yard were after him along with the CIA

1067

00:46:04,550 --> 00:46:01,680

and this was true

1068

00:46:06,589 --> 00:46:04,560

um because you know apparently that this

1069

00:46:08,990 --> 00:46:06,599

David Daniels was wanted for a murder

1070

00:46:10,849 --> 00:46:09,000

for a body in London and of course

1071

00:46:14,030 --> 00:46:10,859

nothing of the murder came to light

1072

00:46:16,250 --> 00:46:14,040

nothing at all so basically David

1073

00:46:18,050 --> 00:46:16,260

Daniels knew that the authorities were

1074

00:46:20,990 --> 00:46:18,060

on to him and the authorities wanted him

1075

00:46:24,230 --> 00:46:21,000

oh I tell you what Ryan it's very

1076

00:46:26,930 --> 00:46:24,240

strange even to the point where

1077

00:46:30,410 --> 00:46:26,940

um Brenda on one occasion had taken

1078

00:46:35,630 --> 00:46:30,420

David Daniels to go and meet another

1079

00:46:37,130 --> 00:46:35,640

um UFO experimenter abductee John Day and

1080

00:46:39,349 --> 00:46:37,140

his wife

1081

00:46:41,390 --> 00:46:39,359

um and John Day have been involved in a

1082

00:46:43,609 --> 00:46:41,400

very famous UFO case where they had gone

1083

00:46:46,190 --> 00:46:43,619

through an abduction now when David

1084

00:46:49,010 --> 00:46:46,200

Daniels had met John day both of them

1085

00:46:51,050 --> 00:46:49,020

started to dislike one another instantly

1086

00:46:54,770 --> 00:46:51,060

and they both recognized each other and

1087

00:46:56,630 --> 00:46:54,780

get this not in this life but past lives

1088

00:46:59,210 --> 00:46:56,640

on different star systems

1089

00:47:01,010 --> 00:46:59,220

and David Daniels this is the only time

1090

00:47:03,589 --> 00:47:01,020

that Brenda saw David generals becoming

1091

00:47:05,390 --> 00:47:03,599

physically and emotionally upset she'd

1092

00:47:07,550 --> 00:47:05,400

never seen him like this before and she

1093

00:47:11,329 --> 00:47:07,560

had to get him away from this meeting

1094

00:47:14,030 --> 00:47:11,339

with John day so you know I know this is

1095

00:47:16,130 --> 00:47:14,040

taking us away from rendersham but there

1096

00:47:18,170 --> 00:47:16,140

are connection links to it and the

1097

00:47:20,089 --> 00:47:18,180

habits that this David Daniels had as

1098

00:47:23,750 --> 00:47:20,099

well to was that he liked to steal books

1099

00:47:25,430 --> 00:47:23,760

for some unknown reason and um he did

1100

00:47:28,190 --> 00:47:25,440

say something quite interesting he did

1101

00:47:30,710 --> 00:47:28,200

map out within the forest certain Ley

1102

00:47:32,630 --> 00:47:30,720

lines which he said that UFOs used as

1103

00:47:35,109 --> 00:47:32,640

some kind of trajectory points within

1104

00:47:38,270 --> 00:47:35,119

the Earth's system and Brenda still has

1105

00:47:41,210 --> 00:47:38,280

those Maps those Ordinance survey maps

1106

00:47:44,150 --> 00:47:41,220

that he had drawn on

1107

00:47:46,790 --> 00:47:44,160

showing certain key locations of where

1108

00:47:49,790 --> 00:47:46,800

UFOs come in and the grid systems of

1109

00:47:52,130 --> 00:47:49,800

which they use so you know to all

1110

00:47:54,890 --> 00:47:52,140

intensive purposes one would think that

1111

00:47:57,170 --> 00:47:54,900

this so-called reptilian was almost

1112

00:47:59,510 --> 00:47:57,180

childlike when it is thinking but very

1113

00:48:02,870 --> 00:47:59,520

intelligent when it came to reading

1114

00:48:06,829 --> 00:48:02,880
minds and infiltrating uh top key

1115

00:48:11,750 --> 00:48:06,839
members within the UFO community so yeah

1116

00:48:14,809 --> 00:48:11,760
you know I I think it is one of the most

1117

00:48:17,770 --> 00:48:14,819
interesting things about the case this

1118

00:48:22,490 --> 00:48:17,780
David Daniels character

1119

00:48:26,870 --> 00:48:22,500
what he would do how he would act

1120

00:48:28,849 --> 00:48:26,880
um and the fact that officials wanted

1121

00:48:31,670 --> 00:48:28,859
David and seemed to be willing to do

1122

00:48:34,849 --> 00:48:31,680
anything to get him I think speaks

1123

00:48:36,710 --> 00:48:34,859
volumes and and I think I think it is a

1124

00:48:38,690 --> 00:48:36,720
very important part of the case

1125

00:48:41,410 --> 00:48:38,700
yes well I will tell you something else

1126

00:48:44,569 --> 00:48:41,420

that was very strange I went to America

1127

00:48:46,790 --> 00:48:44,579

and some years ago now to the the

1128

00:48:49,250 --> 00:48:46,800

Phoenix Arizona UFO conference I wasn't

1129

00:48:51,050 --> 00:48:49,260

speaking there I saw Jack valet do an

1130

00:48:52,970 --> 00:48:51,060

excellent talk and many other

1131

00:48:55,309 --> 00:48:52,980

researchers and it was really great you

1132

00:48:58,250 --> 00:48:55,319

Americans are so friendly and kind and

1133

00:49:01,190 --> 00:48:58,260

it was amazing I had an amazing time but

1134

00:49:03,050 --> 00:49:01,200

Nick Pope had been there and

1135

00:49:05,630 --> 00:49:03,060

um I've met Nick and being on television

1136

00:49:08,809 --> 00:49:05,640

with him on I think was it one occasion

1137

00:49:11,870 --> 00:49:08,819

one occasion yes anyway

1138

00:49:14,089 --> 00:49:11,880

when we were ready to depart in our mini

1139

00:49:16,630 --> 00:49:14,099

bus going back to the airports after the

1140

00:49:21,170 --> 00:49:16,640

uh five-day conference

1141

00:49:24,050 --> 00:49:21,180

Nick mentioned about Sky Crash and about

1142

00:49:26,150 --> 00:49:24,060

renderson he wouldn't allude much to

1143

00:49:28,130 --> 00:49:26,160

this at all but he did say something

1144

00:49:30,710 --> 00:49:28,140

very strange when I questioned him about

1145

00:49:32,630 --> 00:49:30,720

this he said when I asked him about

1146

00:49:36,290 --> 00:49:32,640

David Daniels he looked at me and he

1147

00:49:38,569 --> 00:49:36,300

said David Daniels and his worthy effect

1148

00:49:40,430 --> 00:49:38,579

were yes that was an interesting case

1149

00:49:42,589 --> 00:49:40,440

wasn't it and he left it at that he

1150

00:49:45,770 --> 00:49:42,599

didn't say any more about it and I would

1151
00:49:48,050 --> 00:49:45,780
love to have known what he knew about it

1152
00:49:52,130 --> 00:49:48,060
you see what I mean because that would

1153
00:49:54,890 --> 00:49:52,140
have aided within the the research of of

1154
00:49:58,670 --> 00:49:54,900
um you know information that I really

1155
00:50:00,650 --> 00:49:58,680
needed of course I I think with 13 I

1156
00:50:03,470 --> 00:50:00,660
think the book had been out then I think

1157
00:50:06,470 --> 00:50:03,480
it was out yes I I think I'm not you

1158
00:50:08,569 --> 00:50:06,480
know I can't remember but anyway he did

1159
00:50:10,309 --> 00:50:08,579
a loo to that very strongly and I

1160
00:50:12,290 --> 00:50:10,319
thought damn I wish he could have said

1161
00:50:14,690 --> 00:50:12,300
some more about that but he didn't

1162
00:50:17,690 --> 00:50:14,700
allude to anything other than that was

1163
00:50:20,089 --> 00:50:17,700

an interesting case which means that he

1164

00:50:21,770 --> 00:50:20,099

must have known something about him so

1165

00:50:24,109 --> 00:50:21,780

you'll find that a lot of these

1166

00:50:26,990 --> 00:50:24,119

mysterious cases these mysterious

1167

00:50:30,349 --> 00:50:27,000

incidents that occur within not just a

1168

00:50:32,870 --> 00:50:30,359

celebrated UFO event but the levels of

1169

00:50:35,150 --> 00:50:32,880

you know High strangeness which which

1170

00:50:37,069 --> 00:50:35,160

could come into the frame

1171

00:50:38,990 --> 00:50:37,079

when looking into the subject it's not

1172

00:50:40,309 --> 00:50:39,000

just like oh this happened or that

1173

00:50:42,770 --> 00:50:40,319

happened you find that other things

1174

00:50:44,569 --> 00:50:42,780

occurred and this is very interesting I

1175

00:50:46,550 --> 00:50:44,579

doubt very much that David Daniels had

1176

00:50:48,049 --> 00:50:46,560

anything whatsoever to do with the

1177

00:50:49,970 --> 00:50:48,059

initial sighting of the military that

1178

00:50:52,609 --> 00:50:49,980

the military troops had uh experienced

1179

00:50:55,670 --> 00:50:52,619

back in 1980 but it seems strange that

1180

00:50:58,670 --> 00:50:55,680

he's suddenly rocked up and wanted to

1181

00:51:00,290 --> 00:50:58,680

find those who were involved with the

1182

00:51:01,970 --> 00:51:00,300

original research he actually went to go

1183

00:51:03,290 --> 00:51:01,980

and see Jenny Reynolds and Jenny

1184

00:51:06,049 --> 00:51:03,300

Reynolds just thought that he was crazy

1185

00:51:08,390 --> 00:51:06,059

and sent him packing so you know Jenny

1186

00:51:10,790 --> 00:51:08,400

Randall's dot Street Brenda Butler and

1187

00:51:13,250 --> 00:51:10,800

then of course all those people that

1188

00:51:15,710 --> 00:51:13,260

well most of them anyway that were key

1189

00:51:17,990 --> 00:51:15,720

figures to the actual rendition case

1190

00:51:19,549 --> 00:51:18,000

itself not Jim Peniston or John

1191

00:51:22,670 --> 00:51:19,559

Burroughs as far as I know all

1192

00:51:24,170 --> 00:51:22,680

Lieutenant Colonel Luke sorry Colonel

1193

00:51:26,870 --> 00:51:24,180

Charles Holt

1194

00:51:28,910 --> 00:51:26,880

um or Lieutenant Colonel Wendell Stevens

1195

00:51:30,589 --> 00:51:28,920

um no I'm not sure about that so you

1196

00:51:32,329 --> 00:51:30,599

know we're left scratching our heads as

1197

00:51:35,750 --> 00:51:32,339

to the true purpose of what this

1198

00:51:40,430 --> 00:51:35,760

so-called reptilian's purpose was

1199

00:51:43,490 --> 00:51:40,440

and I find it so amazing that it's not

1200

00:51:46,790 --> 00:51:43,500

just one or two people that talk about

1201

00:51:50,390 --> 00:51:46,800

David Daniels and I have to ask has

1202

00:51:51,230 --> 00:51:50,400

anyone become aware of his whereabouts

1203

00:51:54,650 --> 00:51:51,240

now

1204

00:51:56,390 --> 00:51:54,660

and have any information on him since

1205

00:51:59,930 --> 00:51:56,400

all this took place

1206

00:52:03,470 --> 00:51:59,940

no absolutely nothing the loss that we

1207

00:52:07,910 --> 00:52:03,480

heard if memory serves me well was that

1208

00:52:12,530 --> 00:52:07,920

he would he was seen in Australia

1209

00:52:14,329 --> 00:52:12,540

with a strange female and the people on

1210

00:52:18,230 --> 00:52:14,339

this tour that they were going on in

1211

00:52:21,109 --> 00:52:18,240

Australia reported back to

1212

00:52:23,510 --> 00:52:21,119

um I think it was John Hanson perhaps

1213

00:52:26,930 --> 00:52:23,520

also Colonel Lieutenant Colonel Wendell

1214

00:52:28,549 --> 00:52:26,940

Stevens that this man had been seen and

1215

00:52:31,490 --> 00:52:28,559

someone tried to take a photograph of

1216

00:52:34,430 --> 00:52:31,500

him but it just came out as a light now

1217

00:52:36,410 --> 00:52:34,440

whether or not we had actually met long

1218

00:52:39,530 --> 00:52:36,420

before I got involved with the UFO

1219

00:52:42,290 --> 00:52:39,540

research at rendersham this this guy

1220

00:52:44,150 --> 00:52:42,300

called who called himself Joseph that

1221

00:52:46,430 --> 00:52:44,160

was originally David Daniels I am

1222

00:52:48,710 --> 00:52:46,440

absolutely totally convinced and I'm not

1223

00:52:51,970 --> 00:52:48,720

trying to put two and two together

1224

00:52:54,530 --> 00:52:51,980

to make of you know four or five

1225

00:52:58,010 --> 00:52:54,540

whichever way you want to see it but I

1226

00:53:01,309 --> 00:52:58,020

am absolutely convinced that that guy

1227

00:53:03,230 --> 00:53:01,319

was this David Daniels and people would

1228

00:53:06,049 --> 00:53:03,240

say no no that that can't be possible

1229

00:53:08,210 --> 00:53:06,059

but you have to be there you when you're

1230

00:53:10,790 --> 00:53:08,220

there in the event itself when you are

1231

00:53:12,530 --> 00:53:10,800

there physically in that presence or

1232

00:53:16,069 --> 00:53:12,540

company whatever's going on

1233

00:53:17,930 --> 00:53:16,079

you you know and I couldn't believe it

1234

00:53:19,670 --> 00:53:17,940

when I read

1235

00:53:21,410 --> 00:53:19,680

um most of the parts in Brenda's book

1236

00:53:23,569 --> 00:53:21,420

because I'd never heard about this

1237

00:53:24,770 --> 00:53:23,579

before she kept it quiet and then of

1238

00:53:26,809 --> 00:53:24,780

course when you start digging and

1239

00:53:28,670 --> 00:53:26,819

researching you start to find all these

1240

00:53:31,970 --> 00:53:28,680

threads that can interconnect with one

1241

00:53:33,770 --> 00:53:31,980

another so other than that no he just

1242

00:53:37,430 --> 00:53:33,780

seems to have disappeared off the face

1243

00:53:40,849 --> 00:53:37,440

of the Earth his craft apparently was

1244

00:53:42,770 --> 00:53:40,859

secreted somewhere but no one knows uh

1245

00:53:45,710 --> 00:53:42,780

you know he didn't allude to that fact

1246

00:53:48,049 --> 00:53:45,720

at all I do know that he said that his

1247

00:53:50,450 --> 00:53:48,059

people were in trouble if this is to

1248

00:53:53,150 --> 00:53:50,460

believe from his end and that he wanted

1249

00:53:55,549 --> 00:53:53,160

the people of Earth to help but I don't

1250

00:53:57,190 --> 00:53:55,559

see how they could because you know all

1251

00:54:00,589 --> 00:53:57,200

of our infrastructures are

1252

00:54:02,930 --> 00:54:00,599

multi-complexed and separated so I'm I'm

1253

00:54:05,750 --> 00:54:02,940

not sure what he was after or what he

1254

00:54:09,290 --> 00:54:05,760

wanted to be honest with you

1255

00:54:11,870 --> 00:54:09,300

and it does seem as if there is a

1256

00:54:14,329 --> 00:54:11,880

similar cover-up or secrecy when it

1257

00:54:18,890 --> 00:54:14,339

comes to the military and government's

1258

00:54:20,569 --> 00:54:18,900

intentions with many of these events uh

1259

00:54:22,849 --> 00:54:20,579

another question I wanted to ask you

1260

00:54:25,609 --> 00:54:22,859

about is the night robbers can we go

1261

00:54:29,270 --> 00:54:25,619

into that quickly as we wrap up

1262

00:54:32,089 --> 00:54:29,280

Oh you mean about the Grays yes oh the

1263

00:54:34,309 --> 00:54:32,099

research that I've done on them yes um

1264

00:54:37,190 --> 00:54:34,319

this this the night robbers are the

1265

00:54:40,010 --> 00:54:37,200

Grays and my theoretical uh model of

1266

00:54:42,470 --> 00:54:40,020

what they could possibly represent one

1267

00:54:44,329 --> 00:54:42,480

of the things I found interesting with

1268

00:54:46,910 --> 00:54:44,339

regards to the graves is their inability

1269

00:54:50,329 --> 00:54:46,920

to reproduce now I know that most people

1270

00:54:52,190 --> 00:54:50,339

will say that they are AI technology or

1271

00:54:54,829 --> 00:54:52,200

that they are us from the future or they

1272

00:54:56,630 --> 00:54:54,839

are demons or whatever fine I I am open

1273

00:54:59,030 --> 00:54:56,640

to all forms of speculation but at the

1274

00:55:00,770 --> 00:54:59,040

moment we don't know now it seems

1275

00:55:03,890 --> 00:55:00,780

interesting to me that the abduction

1276

00:55:06,530 --> 00:55:03,900

phenomena seems to occur on a

1277

00:55:08,210 --> 00:55:06,540

non-physical level of reality but not so

1278

00:55:10,670 --> 00:55:08,220

non-physical as in the sense that it

1279

00:55:12,349 --> 00:55:10,680

just is a little wispy I looked into the

1280

00:55:14,329 --> 00:55:12,359

near death experience and this had been

1281

00:55:17,030 --> 00:55:14,339

published in an article I I had done

1282

00:55:18,650 --> 00:55:17,040

back in 1996 and alien encounters a

1283

00:55:20,510 --> 00:55:18,660

magazine here in England called spirits

1284

00:55:24,170 --> 00:55:20,520

in the material world I was interested

1285

00:55:27,049 --> 00:55:24,180

in into what the Grays were and why they

1286

00:55:30,349 --> 00:55:27,059

were interested in reproduction it seems

1287

00:55:34,370 --> 00:55:30,359

strange also that the experience was

1288

00:55:35,930 --> 00:55:34,380

likened to an mde if we take an nde a

1289

00:55:38,329 --> 00:55:35,940

near-death experience for instance the

1290

00:55:40,970 --> 00:55:38,339

research there when someone passes over

1291

00:55:43,790 --> 00:55:40,980

into or the light or onto the other side

1292

00:55:46,430 --> 00:55:43,800

there is a sense of timelessness they

1293

00:55:47,450 --> 00:55:46,440

feel more real and alive than they felt

1294

00:55:49,849 --> 00:55:47,460

when they're in their physical body

1295

00:55:51,609 --> 00:55:49,859

through this Temple extraction of the

1296

00:55:53,690 --> 00:55:51,619

soul from the body

1297

00:55:55,430 --> 00:55:53,700

beings communicate through it by

1298

00:55:57,710 --> 00:55:55,440

telepathy and there is a sense of loss

1299

00:55:59,630 --> 00:55:57,720

of time now the Grays seem to operate

1300

00:56:02,030 --> 00:55:59,640

along the same from premise and I'm not

1301
00:56:03,650 --> 00:56:02,040
saying that the Grays are the dead or

1302
00:56:05,470 --> 00:56:03,660
you know operating on the level within

1303
00:56:08,390 --> 00:56:05,480
what we call the spirit world

1304
00:56:10,430 --> 00:56:08,400
but I believe that the mimicking of the

1305
00:56:12,109 --> 00:56:10,440
Grays and of how they extract the true

1306
00:56:13,910 --> 00:56:12,119
essence of an individual and bringing us

1307
00:56:17,089 --> 00:56:13,920
into their filled frequency of awareness

1308
00:56:18,890 --> 00:56:17,099
is very interesting and whatever for

1309
00:56:21,589 --> 00:56:18,900
instance they do to the astral body

1310
00:56:23,390 --> 00:56:21,599
which is real will temporarily affect

1311
00:56:26,510 --> 00:56:23,400
its physical counterpart the same with

1312
00:56:28,250 --> 00:56:26,520
an nde of the body is diseased and the

1313
00:56:30,589 --> 00:56:28,260

person goes through the NT incomes back

1314

00:56:32,690 --> 00:56:30,599

fact that in most cases miraculously

1315

00:56:34,790 --> 00:56:32,700

healed as though there has been some

1316

00:56:37,130 --> 00:56:34,800

kind of Correction within the etheric

1317

00:56:39,770 --> 00:56:37,140

body as it were so I always give the

1318

00:56:41,390 --> 00:56:39,780

analogy of a mobile phone with us you

1319

00:56:43,490 --> 00:56:41,400

see when we're looking at UFO research

1320

00:56:45,650 --> 00:56:43,500

we have to look outside the box

1321

00:56:48,470 --> 00:56:45,660

a mobile phone is merely the physical

1322

00:56:50,870 --> 00:56:48,480

application that is there to receive a

1323

00:56:52,670 --> 00:56:50,880

signal and the application the physical

1324

00:56:55,250 --> 00:56:52,680

Hardware records and sends out

1325

00:56:57,109 --> 00:56:55,260

information translates it and I think we

1326
00:56:59,510 --> 00:56:57,119
as biological entities work on the same

1327
00:57:01,130 --> 00:56:59,520
premise where we are recording in this

1328
00:57:02,870 --> 00:57:01,140
life information that's sent back to

1329
00:57:05,630 --> 00:57:02,880
Source once we've completed our journey

1330
00:57:07,549 --> 00:57:05,640
I suppose perhaps maybe to expand upon

1331
00:57:10,670 --> 00:57:07,559
the process of creation we don't know

1332
00:57:13,670 --> 00:57:10,680
but the Grays seem interested in our

1333
00:57:15,829 --> 00:57:13,680
physiology and What Makes Us tick and my

1334
00:57:18,950 --> 00:57:15,839
argument was that perhaps if they had

1335
00:57:21,530 --> 00:57:18,960
cloned themselves beyond that point of

1336
00:57:23,930 --> 00:57:21,540
replication like naturally

1337
00:57:26,930 --> 00:57:23,940
then they have lost themselves outside

1338
00:57:29,450 --> 00:57:26,940

the the frequency of creation this is

1339

00:57:31,849 --> 00:57:29,460

only one hypothesis it could be possible

1340

00:57:33,890 --> 00:57:31,859

that the grades are here because they

1341

00:57:36,290 --> 00:57:33,900

are engineering a new species a new

1342

00:57:38,270 --> 00:57:36,300

genus because we have the human race at

1343

00:57:41,210 --> 00:57:38,280

the end of our line rather like a modern

1344

00:57:42,890 --> 00:57:41,220

day Noah Arc as it were we don't know I

1345

00:57:45,589 --> 00:57:42,900

mean we have to be open to all forms of

1346

00:57:47,089 --> 00:57:45,599

speculation regarding the Grays and the

1347

00:57:48,950 --> 00:57:47,099

research that I have been undertaking

1348

00:57:50,329 --> 00:57:48,960

but there are other areas that I've

1349

00:57:52,250 --> 00:57:50,339

looked into and I've kind of like

1350

00:57:54,230 --> 00:57:52,260

addressed within this new book called

1351
00:57:57,170 --> 00:57:54,240
terrestrial trespassers but I do believe

1352
00:57:59,390 --> 00:57:57,180
that these entities what we're looking

1353
00:58:01,370 --> 00:57:59,400
at is so far removed from our sense of

1354
00:58:03,710 --> 00:58:01,380
reality that this is why we're finding

1355
00:58:06,349 --> 00:58:03,720
it difficult to you know understand what

1356
00:58:09,290 --> 00:58:06,359
they are can anyone tell me where the

1357
00:58:11,569 --> 00:58:09,300
aliens are no because they come in and

1358
00:58:14,329 --> 00:58:11,579
out of our reality just like their UFOs

1359
00:58:16,370 --> 00:58:14,339
come in and out very quickly so I think

1360
00:58:18,530 --> 00:58:16,380
that they alter space and time and then

1361
00:58:20,210 --> 00:58:18,540
make a deep connection on a psychic

1362
00:58:23,150 --> 00:58:20,220
level with the individual where an

1363
00:58:25,490 --> 00:58:23,160

override is then in initiated and then

1364

00:58:27,770 --> 00:58:25,500

contact is then ensued where the in most

1365

00:58:29,870 --> 00:58:27,780

cases uh you know the person is

1366

00:58:33,470 --> 00:58:29,880

paralyzed but they need the individual

1367

00:58:35,329 --> 00:58:33,480

alive sorry aware awake not alive

1368

00:58:37,609 --> 00:58:35,339

they're not dead but in the sense of

1369

00:58:39,710 --> 00:58:37,619

what I'm talking about you know and in

1370

00:58:42,650 --> 00:58:39,720

order to create this kind of like uh

1371

00:58:43,609 --> 00:58:42,660

this connection between the gray and the

1372

00:58:45,890 --> 00:58:43,619

human

1373

00:58:47,930 --> 00:58:45,900

so you know I think in the field that

1374

00:58:49,609 --> 00:58:47,940

you know looking at it in in retrospect

1375

00:58:51,109 --> 00:58:49,619

to this idea it's very fascinating

1376

00:58:52,309 --> 00:58:51,119

they're just theoretical models that

1377

00:58:53,569 --> 00:58:52,319

we're working on that I've been working

1378

00:58:55,010 --> 00:58:53,579

on

1379

00:58:56,329 --> 00:58:55,020

um and I think that you know our

1380

00:58:58,789 --> 00:58:56,339

understanding of the Mind Of

1381

00:59:00,890 --> 00:58:58,799

Consciousness has been limited through

1382

00:59:03,049 --> 00:59:00,900

our programming from the system that we

1383

00:59:05,089 --> 00:59:03,059

serve and I think now the system is

1384

00:59:06,410 --> 00:59:05,099

finding we have a problem because you

1385

00:59:08,809 --> 00:59:06,420

know there is a missence that these

1386

00:59:11,089 --> 00:59:08,819

objects are real although they're known

1387

00:59:12,710 --> 00:59:11,099

now as the UAP unidentified Aero

1388

00:59:14,690 --> 00:59:12,720

phenomena to make it more scientific

1389

00:59:16,430 --> 00:59:14,700

within its approach but quite what the

1390

00:59:17,750 --> 00:59:16,440

system is doing I'm not sure it's very

1391

00:59:20,870 --> 00:59:17,760

bizarre

1392

00:59:23,630 --> 00:59:20,880

it really is I really like the way you

1393

00:59:26,150 --> 00:59:23,640

explained that I really enjoyed this

1394

00:59:28,130 --> 00:59:26,160

book the artwork is phenomenal and you

1395

00:59:31,130 --> 00:59:28,140

are quite the artist can we tell

1396

00:59:32,930 --> 00:59:31,140

listeners as we close it up where they

1397

00:59:37,010 --> 00:59:32,940

can find the book where they can find

1398

00:59:39,770 --> 00:59:37,020

more of your work purchase your art Etc

1399

00:59:41,870 --> 00:59:39,780

yes um the book is available on Amazon

1400

00:59:43,730 --> 00:59:41,880

because it was reprinted and through

1401

00:59:46,490 --> 00:59:43,740

Philip Mantle's flying this press it's

1402

00:59:48,829 --> 00:59:46,500

available as paperback as hardback as

1403

00:59:50,809 --> 00:59:48,839

audio and Kindle and thank you for the

1404

00:59:52,370 --> 00:59:50,819

art my brother does the art my twin

1405

00:59:54,530 --> 00:59:52,380

brother does the art

1406

00:59:56,510 --> 00:59:54,540

um he's uh very accomplished within his

1407

00:59:58,789 --> 00:59:56,520

uh Department of the art art that's been

1408

01:00:01,010 --> 00:59:58,799

done there and they can find out more

1409

01:00:05,870 --> 01:00:01,020

about me and of course my identical twin

1410

01:00:09,950 --> 01:00:07,849

um and um you know the you can get the

1411

01:00:11,990 --> 01:00:09,960

books on Amazon well every everything is

1412

01:00:13,430 --> 01:00:12,000

on Amazon today it's the easiest place

1413

01:00:15,170 --> 01:00:13,440

to get anything now isn't it yeah

1414

01:00:17,089 --> 01:00:15,180

instead of the old you know audiobook

1415

01:00:18,910 --> 01:00:17,099

through the postal service or something

1416

01:00:22,309 --> 01:00:18,920

you just get it on Amazon

1417

01:00:24,470 --> 01:00:22,319

it is scary it's kind of uh it's kind of

1418

01:00:27,770 --> 01:00:24,480

really cornered the market of everything

1419

01:00:30,589 --> 01:00:27,780

as you said it it it it worries me and I

1420

01:00:33,410 --> 01:00:30,599

still like getting the physical books

1421

01:00:35,510 --> 01:00:33,420

yes absolutely I I must have a physical

1422

01:00:37,190 --> 01:00:35,520

book you know you hold your book up and

1423

01:00:39,410 --> 01:00:37,200

you say can you sign it no not if it's a

1424

01:00:42,289 --> 01:00:39,420

Kindle you can't do that it's a bit

1425

01:00:44,270 --> 01:00:42,299

difficult but I I you know I enjoy what

1426

01:00:45,770 --> 01:00:44,280

we're doing I enjoy the research it's a

1427

01:00:48,170 --> 01:00:45,780

challenge I think that anything that

1428

01:00:49,970 --> 01:00:48,180

affects you on or you're Touched By The

1429

01:00:51,890 --> 01:00:49,980

Singularity changes your concept of

1430

01:00:53,690 --> 01:00:51,900

reality and it just proves that the

1431

01:00:56,750 --> 01:00:53,700

system we serve has lied to us and that

1432

01:00:59,150 --> 01:00:56,760

is the underlying Factor it has lied to

1433

01:01:01,430 --> 01:00:59,160

us and I think we want to know what's

1434

01:01:03,970 --> 01:01:01,440

behind those lies and who is responsible

1435

01:01:06,890 --> 01:01:03,980

that is my job that's what I want to do

1436

01:01:10,130 --> 01:01:06,900

and yeah I can't say enough about the

1437

01:01:13,490 --> 01:01:10,140

artwork Ronald really the the way he had

1438

01:01:17,030 --> 01:01:13,500

the reptilians in the book are among the

1439

01:01:19,609 --> 01:01:17,040

best I've ever seen and uh yeah you guys

1440

01:01:22,130 --> 01:01:19,619

are a dynamic duo when it comes to this

1441

01:01:23,690 --> 01:01:22,140

and very very much respected in the

1442

01:01:26,510 --> 01:01:23,700

field I appreciate everything you guys

1443

01:01:30,410 --> 01:01:28,370

remember we're all key players in this

1444

01:01:32,270 --> 01:01:30,420

we're all important and we all work

1445

01:01:33,950 --> 01:01:32,280

together as a team at least I hope that

1446

01:01:35,690 --> 01:01:33,960

most people do that's that's the joyous

1447

01:01:39,230 --> 01:01:35,700

part of it

1448

01:01:41,089 --> 01:01:39,240

and I really have to say again that this

1449

01:01:43,910 --> 01:01:41,099

is not just another book about

1450

01:01:46,609 --> 01:01:43,920

rendelsham how it goes into all of the

1451
01:01:49,370 --> 01:01:46,619
strange Mysteries surrounding the event

1452
01:01:50,930 --> 01:01:49,380
it's really something that belongs on

1453
01:01:53,569 --> 01:01:50,940
everybody's bookshelf and should

1454
01:01:56,750 --> 01:01:53,579
definitely be checked out thanks so much

1455
01:02:00,109 --> 01:01:56,760
Phillip thank you very much Ryan I'm so

1456
01:02:02,890 --> 01:02:00,119
honored as always thank you

1457
01:02:05,510 --> 01:02:02,900
well there we have it what an amazing

1458
01:02:08,210 --> 01:02:05,520
adventure through the Mysteries

1459
01:02:10,789 --> 01:02:08,220
surrounding the Rendlesham incident

1460
01:02:12,250 --> 01:02:10,799
highly recommend this and I also highly

1461
01:02:14,710 --> 01:02:12,260
recommend you check out

1462
01:02:18,470 --> 01:02:14,720
heroparanormal.com if you haven't yet

1463
01:02:20,750 --> 01:02:18,480

and subscribe there is a ton of content

1464

01:02:24,289 --> 01:02:20,760

behind the paywall you can also access

1465

01:02:26,030 --> 01:02:24,299

that at patreon just search for hero

1466

01:02:28,250 --> 01:02:26,040

paranormal

1467

01:02:31,609 --> 01:02:28,260

and if you could please like And

1468

01:02:33,410 --> 01:02:31,619

subscribe on YouTube and share that's

1469

01:02:35,750 --> 01:02:33,420

the only way I've been told to break

1470

01:02:37,130 --> 01:02:35,760

through the algorithm which seems to

1471

01:02:39,470 --> 01:02:37,140

Shadow ban me

1472

01:02:42,230 --> 01:02:39,480

I know I won't be monetized on YouTube

1473

01:02:44,630 --> 01:02:42,240

but at least some people will be able to

1474

01:02:47,150 --> 01:02:44,640

hear the podcast thanks so much for

1475

01:02:50,089 --> 01:02:47,160

listening keep your eyes to the skies

1476

01:02:54,230 --> 01:02:50,099

feet on the ground but don't forget to

1477

01:02:54,240 --> 01:02:59,290

hey

1478

01:03:07,730 --> 01:03:06,230

[Music]
