

SYRIA

Under Fire

1
00:00:06,470 --> 00:00:03,350
as with most things in life there are

2
00:00:09,290 --> 00:00:06,480
those who know and those who don't know

3
00:00:13,789 --> 00:00:09,300
those in the know usually get everything

4
00:00:16,369 --> 00:00:13,799
their way compatible frames of mind

5
00:00:19,189 --> 00:00:16,379
all the lucky opportunities

6
00:00:20,450 --> 00:00:19,199
those who don't know usually get none of

7
00:00:23,570 --> 00:00:20,460
the above

8
00:00:25,609 --> 00:00:23,580
the same is true with the recent events

9
00:00:28,609 --> 00:00:25,619
in Syria

10
00:00:30,529 --> 00:00:28,619
and Russia really for that matter we'll

11
00:00:34,310 --> 00:00:30,539
get to Russia a little later

12
00:00:36,110 --> 00:00:34,320
but in Syria they have been under Fire

13
00:00:37,490 --> 00:00:36,120

by

14

00:00:39,830 --> 00:00:37,500

Israel

15

00:00:43,250 --> 00:00:39,840

and to be completely honest the United

16

00:00:45,410 --> 00:00:43,260

States as well now Syria doesn't have a

17

00:00:47,930 --> 00:00:45,420

great track record

18

00:00:50,389 --> 00:00:47,940

as far as public relations and getting

19

00:00:53,470 --> 00:00:50,399

along with the United States

20

00:00:58,130 --> 00:00:53,480

Israel is of course

21

00:01:00,410 --> 00:00:58,140

a close Ally of the United States

22

00:01:02,689 --> 00:01:00,420

so it seems that they are working as a

23

00:01:05,750 --> 00:01:02,699

united front against the country of

24

00:01:08,750 --> 00:01:05,760

Syria but what has taken place recently

25

00:01:11,510 --> 00:01:08,760

can be explained as none other than war

26

00:01:14,210 --> 00:01:11,520

crimes in plain day

27

00:01:16,010 --> 00:01:14,220

we will get into that it's going to be a

28

00:01:18,649 --> 00:01:16,020

quick podcast but dense with information

29

00:01:26,890 --> 00:01:18,659

so buckle up and prepare for a bumpy

30

00:01:56,469 --> 00:01:35,510

[Music]

31

00:02:04,550 --> 00:02:01,670

Blast Off on a bomb-filled episode of

32

00:02:09,790 --> 00:02:04,560

the hyperanomalous esoteric research

33

00:02:12,410 --> 00:02:09,800

organization podcast AKA hero paranormal

34

00:02:16,250 --> 00:02:12,420

broadcasting from the base at la Madre

35

00:02:17,210 --> 00:02:16,260

Mountain just south of area 51. my name

36

00:02:20,390 --> 00:02:17,220

is Ryan

37

00:02:23,630 --> 00:02:20,400

the Hermetic Hitman of the airwaves

38

00:02:25,490 --> 00:02:23,640

bringing you somewhat of a hermetic

39

00:02:27,949 --> 00:02:25,500

episode tonight

40

00:02:30,530 --> 00:02:27,959

if you've ever been to a Shriners

41

00:02:33,589 --> 00:02:30,540

Hospital or a Shriners golf tournament

42

00:02:36,410 --> 00:02:33,599

or really anything having to do

43

00:02:39,949 --> 00:02:36,420

with the Shriners it's likely that you

44

00:02:42,770 --> 00:02:39,959

may have seen those interesting fez hats

45

00:02:47,509 --> 00:02:42,780

the famous Shriners Fez

46

00:02:51,050 --> 00:02:47,519

and oftentimes with the words Syria

47

00:02:53,869 --> 00:02:51,060

why would it say Syria

48

00:02:58,910 --> 00:02:53,879

well that is paying homage to the Syria

49

00:03:02,030 --> 00:02:58,920

Temple chartered in 1878 Syria Shriners

50

00:03:05,030 --> 00:03:02,040

is the ninth oldest and third largest

51
00:03:07,309 --> 00:03:05,040
Shrine center of the order

52
00:03:10,430 --> 00:03:07,319
it's a pretty big deal

53
00:03:12,649 --> 00:03:10,440
much of the mystery School knowledge

54
00:03:14,809 --> 00:03:12,659
that the Shriners International and

55
00:03:17,270 --> 00:03:14,819
other ancient mystery schools and

56
00:03:18,890 --> 00:03:17,280
fraternal organizations

57
00:03:21,470 --> 00:03:18,900
have

58
00:03:22,490 --> 00:03:21,480
come from this particular part of the

59
00:03:26,390 --> 00:03:22,500
world

60
00:03:28,130 --> 00:03:26,400
Syria has a very rich history of mystery

61
00:03:30,949 --> 00:03:28,140
Magic

62
00:03:34,009 --> 00:03:30,959
and fraternal Brotherhood

63
00:03:36,770 --> 00:03:34,019

in fact archaeologists are still trying

64

00:03:40,190 --> 00:03:36,780

to decipher magic spells

65

00:03:42,770 --> 00:03:40,200

etched onto tiny Scrolls

66

00:03:45,710 --> 00:03:42,780

of gold and silver

67

00:03:48,410 --> 00:03:45,720

that they have found alongside skeletons

68

00:03:51,470 --> 00:03:48,420

of humans buried almost 2 000 years ago

69

00:03:54,830 --> 00:03:51,480

after carefully brushing away soil from

70

00:03:56,149 --> 00:03:54,840

the bones they have found amulets made

71

00:03:58,970 --> 00:03:56,159

of lead

72

00:04:03,309 --> 00:03:58,980

that when opened they found

73

00:04:06,589 --> 00:04:03,319

rolls of precious metal Silver and Gold

74

00:04:10,490 --> 00:04:06,599

covered in symbols and writing

75

00:04:11,449 --> 00:04:10,500

archaeologist Elijah dankovic said at

76

00:04:14,570 --> 00:04:11,459

the Dig

77

00:04:16,430 --> 00:04:14,580

we read the names of a few demons that

78

00:04:18,069 --> 00:04:16,440

are connected to the territory of modern

79

00:04:22,009 --> 00:04:18,079

day Syria

80

00:04:25,129 --> 00:04:22,019

The Fragile gold and silver Scrolls

81

00:04:29,150 --> 00:04:25,139

which once unrolled like rectangle so

82

00:04:32,030 --> 00:04:29,160

foil similar in size to a sweet wrapper

83

00:04:35,629 --> 00:04:32,040

may never be fully understood

84

00:04:37,909 --> 00:04:35,639

much magic laid in those lands and the

85

00:04:41,450 --> 00:04:37,919

plain fact that much of what we now look

86

00:04:44,030 --> 00:04:41,460

upon almost entirely is Freemasonry has

87

00:04:45,830 --> 00:04:44,040

been practiced as part and parcel of the

88

00:04:47,810 --> 00:04:45,840

religions of the Middle East for many

89

00:04:50,629 --> 00:04:47,820

thousands of years

90

00:04:54,290 --> 00:04:50,639

there is evidence that complex Urban

91

00:04:56,749 --> 00:04:54,300

centers such as telbrock were being

92

00:05:00,050 --> 00:04:56,759

built in ancient Syria during the

93

00:05:03,950 --> 00:05:00,060

mid-fourth millennium BC

94

00:05:06,590 --> 00:05:03,960

some of the sites are 13 000 years old

95

00:05:10,550 --> 00:05:06,600

the earliest proto-agricultural site

96

00:05:14,210 --> 00:05:10,560

dating to about 11 000 BC is located at

97

00:05:17,749 --> 00:05:14,220

Tel Abu huraya in North Western Syria

98

00:05:20,270 --> 00:05:17,759

near the river Euphrates in reality

99

00:05:24,830 --> 00:05:20,280

ancient Syria may have been another

100

00:05:28,310 --> 00:05:24,840

cradle of our civilization as we know it

101

00:05:30,650 --> 00:05:28,320

let's get to the history of it all

102

00:05:32,830 --> 00:05:30,660

profane history reveals scarcely

103

00:05:36,409 --> 00:05:32,840

anything of consecutive value except

104

00:05:37,610 --> 00:05:36,419

insofar as the relics of this Mystic

105

00:05:41,450 --> 00:05:37,620

pageantry

106

00:05:43,490 --> 00:05:41,460

all point to an identic motif

107

00:05:46,070 --> 00:05:43,500

to have a consecutive and full history

108

00:05:48,409 --> 00:05:46,080

of our race from its incipient stage

109

00:05:52,670 --> 00:05:48,419

down to the present times

110

00:05:56,210 --> 00:05:52,680

archaic records must be sought

111

00:05:59,330 --> 00:05:56,220

by such alone could one even trace the

112

00:06:01,610 --> 00:05:59,340

faint outline of the ancient pattern

113

00:06:03,469 --> 00:06:01,620

access to these however is the privilege

114

00:06:06,469 --> 00:06:03,479

of the Adept alone

115

00:06:08,629 --> 00:06:06,479

mystery schools for such knowledge is

116

00:06:10,670 --> 00:06:08,639

only of the highest initiates who do not

117

00:06:12,110 --> 00:06:10,680

take their students into their

118

00:06:14,570 --> 00:06:12,120

confidence

119

00:06:17,029 --> 00:06:14,580

it is secret Doctrine

120

00:06:19,310 --> 00:06:17,039

nevertheless we have received a

121

00:06:21,290 --> 00:06:19,320

Priceless gift the benefit of evidence

122

00:06:22,730 --> 00:06:21,300

gathered by those who have penetrated

123

00:06:25,070 --> 00:06:22,740

the veils

124

00:06:27,950 --> 00:06:25,080

of these mystery schools and have had

125

00:06:30,590 --> 00:06:27,960

the compassion to return and share with

126

00:06:33,230 --> 00:06:30,600

us a guarded portion

127

00:06:35,150 --> 00:06:33,240

of what they find

128

00:06:37,309 --> 00:06:35,160

study of their findings May at first

129

00:06:40,189 --> 00:06:37,319

reveal only a broken pattern

130

00:06:43,610 --> 00:06:40,199

but if Faithfully pursued such study

131

00:06:46,490 --> 00:06:43,620

will point with unmistakable Clarity to

132

00:06:49,550 --> 00:06:46,500

one universal source of Truth

133

00:06:52,309 --> 00:06:49,560

much of the knowledge by most of the

134

00:06:54,650 --> 00:06:52,319

mystery schools comes from this

135

00:06:58,010 --> 00:06:54,660

particular area of the planet

136

00:07:01,309 --> 00:06:58,020

Syria is an important country Egypt is

137

00:07:03,230 --> 00:07:01,319

an important country and to see any

138

00:07:05,689 --> 00:07:03,240

important country

139

00:07:09,290 --> 00:07:05,699

being taken advantage of

140

00:07:13,210 --> 00:07:09,300

bombed without reason attacked

141

00:07:16,309 --> 00:07:13,220

without provocation and otherwise

142

00:07:17,990 --> 00:07:16,319

volunteered as a guinea pig to war crime

143

00:07:19,850 --> 00:07:18,000

seems

144

00:07:23,629 --> 00:07:19,860

at least in my

145

00:07:29,330 --> 00:07:25,430

two days ago

146

00:07:33,290 --> 00:07:29,340

two civilians were killed in an Israeli

147

00:07:36,170 --> 00:07:33,300

attack on Syria's Damascus

148

00:07:38,510 --> 00:07:36,180

it was uh pretty rough stuff

149

00:07:41,809 --> 00:07:38,520

an Israeli airstrike targeting the

150

00:07:44,270 --> 00:07:41,819

vicinity of Syria's capital of Damascus

151
00:07:47,870 --> 00:07:44,280
left two civilians dead

152
00:07:53,270 --> 00:07:51,170
now Syrian air defenses intercepted

153
00:07:55,490 --> 00:07:53,280
missiles

154
00:07:58,550 --> 00:07:55,500
which is real

155
00:08:01,129 --> 00:07:58,560
set off at around 12 15.

156
00:08:02,510 --> 00:08:01,139
and to be honest they shot down most of

157
00:08:06,230 --> 00:08:02,520
them

158
00:08:08,210 --> 00:08:06,240
but the point is Israel has for quite

159
00:08:10,730 --> 00:08:08,220
some time been carrying out attacks

160
00:08:16,129 --> 00:08:10,740
against what it has described

161
00:08:17,629 --> 00:08:16,139
as quote unquote Iran linked Targets in

162
00:08:21,589 --> 00:08:17,639
Syria

163
00:08:24,589 --> 00:08:21,599

now these are presumptions

164

00:08:26,330 --> 00:08:24,599

and there's no supporting evidence

165

00:08:29,210 --> 00:08:26,340

really

166

00:08:31,570 --> 00:08:29,220

that this is taking place however they

167

00:08:34,850 --> 00:08:31,580

are doing what they need to do

168

00:08:38,029 --> 00:08:34,860

regardless of any proof

169

00:08:40,190 --> 00:08:38,039

and it is leaving civilian instead

170

00:08:42,290 --> 00:08:40,200

now I wish I could say this was the only

171

00:08:45,070 --> 00:08:42,300

case but it's far from it

172

00:08:49,070 --> 00:08:45,080

in fact there are tons of cases

173

00:08:50,750 --> 00:08:49,080

involving Israeli involvement in Syria

174

00:08:53,930 --> 00:08:50,760

which is obviously outside of its

175

00:08:58,730 --> 00:08:53,940

borders killing civilians and others who

176

00:09:01,550 --> 00:08:58,740

they deem to be possibly related to Iran

177

00:09:04,850 --> 00:09:01,560

this has happened since the 30th of

178

00:09:08,269 --> 00:09:04,860

January 2013 until the present

179

00:09:11,090 --> 00:09:08,279

that is because well there was an Iran

180

00:09:12,050 --> 00:09:11,100

Israel conflict during the Syrian Civil

181

00:09:13,790 --> 00:09:12,060

War

182

00:09:15,110 --> 00:09:13,800

according to Israel

183

00:09:19,430 --> 00:09:15,120

Iran

184

00:09:22,790 --> 00:09:19,440

Syria Russia and of course Hezbollah are

185

00:09:26,570 --> 00:09:22,800

all quote unquote belligerents

186

00:09:28,430 --> 00:09:26,580

and this ongoing conflict

187

00:09:31,490 --> 00:09:28,440

continues

188

00:09:35,630 --> 00:09:31,500

on several occasions between 2013 and

189

00:09:37,910 --> 00:09:35,640

2017. Israel carried out or supported

190

00:09:41,930 --> 00:09:37,920

attacks

191

00:09:44,230 --> 00:09:41,940

on Hezbollah and Iranian targets within

192

00:09:45,829 --> 00:09:44,240

Syria territories

193

00:09:49,430 --> 00:09:45,839

now

194

00:09:51,910 --> 00:09:49,440

this has gone on habitually since then

195

00:09:55,370 --> 00:09:51,920

Syria confirms some reports regarding

196

00:09:57,350 --> 00:09:55,380

Israeli Air Force incidents and has

197

00:10:00,889 --> 00:09:57,360

denied others and we're not quite sure

198

00:10:02,509 --> 00:10:00,899

why however is Israel systematically

199

00:10:04,850 --> 00:10:02,519

continues

200

00:10:06,949 --> 00:10:04,860

at the alleged targeting

201
00:10:11,269 --> 00:10:06,959
of Targets in Syria

202
00:10:12,769 --> 00:10:11,279
now since the Ukrainian Russian proxy

203
00:10:15,650 --> 00:10:12,779
war

204
00:10:18,829 --> 00:10:15,660
maybe it is

205
00:10:21,470 --> 00:10:18,839
notable that this type of behavior is

206
00:10:23,030 --> 00:10:21,480
much less frowned upon in fact

207
00:10:25,250 --> 00:10:23,040
almost

208
00:10:26,690 --> 00:10:25,260
flaunted

209
00:10:29,150 --> 00:10:26,700
and

210
00:10:32,870 --> 00:10:29,160
Israel is not the only one

211
00:10:36,829 --> 00:10:32,880
U.S forces stationed in Syria looted

212
00:10:39,470 --> 00:10:36,839
huge amounts of oil

213
00:10:42,889 --> 00:10:39,480

now this is recently caught worldwide

214

00:10:44,930 --> 00:10:42,899

attention in early August the Syrian oil

215

00:10:47,870 --> 00:10:44,940

Ministry said that the U.S and its

216

00:10:52,910 --> 00:10:47,880

mercenaries were stealing an average of

217

00:10:54,769 --> 00:10:52,920

66 000 barrels of oil per day in Syria

218

00:10:57,290 --> 00:10:54,779

no heads up

219

00:11:01,490 --> 00:10:57,300

just sent over

220

00:11:03,769 --> 00:11:01,500

and securing oil fields and stealing oil

221

00:11:05,930 --> 00:11:03,779

by the truckload

222

00:11:08,870 --> 00:11:05,940

many truckloads

223

00:11:12,590 --> 00:11:08,880

about 80 percent of Syria's oil

224

00:11:15,170 --> 00:11:12,600

production in fact now for the U.S it is

225

00:11:19,670 --> 00:11:15,180

a game of high politics but for the

226

00:11:22,250 --> 00:11:19,680

syrians it is truly real suffering said

227

00:11:25,790 --> 00:11:22,260

Syrian ambassador to China

228

00:11:28,610 --> 00:11:25,800

Muhammad Hussein kadam

229

00:11:30,710 --> 00:11:28,620

according to kadam the U.S stealing

230

00:11:34,730 --> 00:11:30,720

Syrian National Treasure is a longtime

231

00:11:36,889 --> 00:11:34,740

crime in fact the U.S occupation forces

232

00:11:39,050 --> 00:11:36,899

on Syrian territories have continued

233

00:11:41,690 --> 00:11:39,060

what Isis was doing

234

00:11:44,569 --> 00:11:41,700

stealing and destroying oil fields and

235

00:11:49,190 --> 00:11:44,579

pipelines as well as machinery

236

00:11:52,430 --> 00:11:49,200

the occupation forces learned all

237

00:11:54,710 --> 00:11:52,440

these types of behaviors from Isis and

238

00:11:55,910 --> 00:11:54,720

follow the same Isis Deeds no difference

239

00:11:58,670 --> 00:11:55,920

whatsoever

240

00:12:00,769 --> 00:11:58,680

to steal the Syrian oil and tanks on a

241

00:12:03,590 --> 00:12:00,779

weekly and sometimes daily basis and

242

00:12:05,449 --> 00:12:03,600

smuggle it outside the country

243

00:12:07,370 --> 00:12:05,459

just search on the net and you will read

244

00:12:09,710 --> 00:12:07,380

many quotes by former U.S president

245

00:12:11,329 --> 00:12:09,720

Donald Trump saying that the U.S army is

246

00:12:13,610 --> 00:12:11,339

in Syria for oil

247

00:12:15,290 --> 00:12:13,620

while the current U.S Administration has

248

00:12:16,910 --> 00:12:15,300

had its own claims the two

249

00:12:21,050 --> 00:12:16,920

administrations have been stealing

250

00:12:23,210 --> 00:12:21,060

Syrian oil and gas the same way Isis did

251
00:12:26,630 --> 00:12:23,220
what matters for the Syrian people is

252
00:12:28,310 --> 00:12:26,640
they are deprived of this oil they don't

253
00:12:31,009 --> 00:12:28,320
get to use it

254
00:12:32,690 --> 00:12:31,019
and notice that the U.S is one of the

255
00:12:35,389 --> 00:12:32,700
richest countries in the world if not

256
00:12:37,490 --> 00:12:35,399
the richest stealing from a third world

257
00:12:41,990 --> 00:12:37,500
nation

258
00:12:45,470 --> 00:12:42,000
these are direct losses of 24.2 billion

259
00:12:47,329 --> 00:12:45,480
until the end of the first half of 2022.

260
00:12:49,730 --> 00:12:47,339
not chump change

261
00:12:51,050 --> 00:12:49,740
not drops in a bucket

262
00:12:52,550 --> 00:12:51,060
just

263
00:12:56,329 --> 00:12:52,560

looting

264

00:12:59,030 --> 00:12:56,339

plain theft without explanation without

265

00:13:01,250 --> 00:12:59,040

provocation and in someone else's

266

00:13:03,350 --> 00:13:01,260

country

267

00:13:05,990 --> 00:13:03,360

and

268

00:13:08,629 --> 00:13:06,000

what do you do what do you do there's

269

00:13:11,329 --> 00:13:08,639

nothing you can do especially with the

270

00:13:14,030 --> 00:13:11,339

recent conflict between Ukraine and

271

00:13:17,329 --> 00:13:14,040

Russia as a diversion

272

00:13:19,310 --> 00:13:17,339

the relevant United Nations institutions

273

00:13:21,949 --> 00:13:19,320

and the International Community should

274

00:13:25,090 --> 00:13:21,959

make a real shift in their handling

275

00:13:27,650 --> 00:13:25,100

of human rights violations in Syria

276

00:13:29,690 --> 00:13:27,660

bombing civilian areas is a clear

277

00:13:31,190 --> 00:13:29,700

violation of the rights of protected

278

00:13:34,370 --> 00:13:31,200

groups

279

00:13:38,389 --> 00:13:34,380

International humanitarian law

280

00:13:40,490 --> 00:13:38,399

absolutely prohibits targeting civilians

281

00:13:42,530 --> 00:13:40,500

and article 38 of the International

282

00:13:45,230 --> 00:13:42,540

Convention

283

00:13:46,970 --> 00:13:45,240

states that parties shall take all

284

00:13:50,569 --> 00:13:46,980

feasible measures to ensure protection

285

00:13:53,389 --> 00:13:50,579

and care of children who are affected by

286

00:13:55,850 --> 00:13:53,399

our unarmed conflict

287

00:13:59,150 --> 00:13:55,860

so why isn't

288

00:14:01,370 --> 00:13:59,160

the universal jurisdiction relevant

289

00:14:03,710 --> 00:14:01,380

United Nations institutions and such

290

00:14:05,030 --> 00:14:03,720

paying any attention

291

00:14:07,310 --> 00:14:05,040

Maybe

292

00:14:09,710 --> 00:14:07,320

it's because they have full awareness

293

00:14:12,170 --> 00:14:09,720

and assistance in the action

294

00:14:14,750 --> 00:14:12,180

I mean why else wouldn't they

295

00:14:16,790 --> 00:14:14,760

do something about this

296

00:14:20,569 --> 00:14:16,800

which kind of brings up the United

297

00:14:22,190 --> 00:14:20,579

Nations and the international monetary

298

00:14:23,930 --> 00:14:22,200

fund

299

00:14:27,170 --> 00:14:23,940

they were both created as International

300

00:14:29,750 --> 00:14:27,180

public organizations each has its own

301
00:14:32,629 --> 00:14:29,760
Charter or constitutional document

302
00:14:34,250 --> 00:14:32,639
and as with the Articles of the

303
00:14:35,509 --> 00:14:34,260
international monetary fund the UN

304
00:14:37,610 --> 00:14:35,519
Charter

305
00:14:39,410 --> 00:14:37,620
was finalized towards the end of World

306
00:14:42,290 --> 00:14:39,420
War II

307
00:14:46,129 --> 00:14:42,300
the United Nations laid down lofty goals

308
00:14:49,129 --> 00:14:46,139
and made specialized agencies

309
00:14:51,050 --> 00:14:49,139
and the IMF as an independent

310
00:14:54,470 --> 00:14:51,060
organization has an agreement between

311
00:14:56,449 --> 00:14:54,480
the United Nations and itself

312
00:14:58,250 --> 00:14:56,459
as well as the agreement between the

313
00:14:59,689 --> 00:14:58,260

United Nations and the International

314

00:15:03,829 --> 00:14:59,699

Bank

315

00:15:06,230 --> 00:15:03,839

for reconstruction and development

316

00:15:08,449 --> 00:15:06,240

following a rigorous negotiation between

317

00:15:10,790 --> 00:15:08,459

the U.N and jointly the fund and the

318

00:15:13,790 --> 00:15:10,800

World Bank

319

00:15:16,490 --> 00:15:13,800

there are clauses and there is

320

00:15:18,410 --> 00:15:16,500

Independence within those clauses

321

00:15:20,269 --> 00:15:18,420

by reason of the nature of its

322

00:15:22,730 --> 00:15:20,279

International responsibilities and the

323

00:15:25,370 --> 00:15:22,740

terms of its articles of agreement the

324

00:15:28,550 --> 00:15:25,380

IMF is and

325

00:15:30,290 --> 00:15:28,560

its Co counterparts are required to

326

00:15:33,590 --> 00:15:30,300

function as independent International

327

00:15:38,269 --> 00:15:35,990

so at times

328

00:15:40,129 --> 00:15:38,279

their independence seems to be put to

329

00:15:42,889 --> 00:15:40,139

the test in particular concerning the

330

00:15:44,569 --> 00:15:42,899

fund's relations with South Africa

331

00:15:48,889 --> 00:15:44,579

and other

332

00:15:52,970 --> 00:15:51,590

and the context kind of goes out the

333

00:15:56,990 --> 00:15:52,980

window

334

00:15:59,509 --> 00:15:57,000

the IMF gave resources to South Africa

335

00:16:02,030 --> 00:15:59,519

with dialogue so intense

336

00:16:03,710 --> 00:16:02,040

that many on the outside realize that

337

00:16:05,689 --> 00:16:03,720

the fund and those involved had not

338

00:16:07,009 --> 00:16:05,699

taken steps to act independently but

339

00:16:10,370 --> 00:16:07,019

instead

340

00:16:12,170 --> 00:16:10,380

appropriated special agencies of which

341

00:16:14,870 --> 00:16:12,180

they are members

342

00:16:17,750 --> 00:16:14,880

to conduct their activities

343

00:16:20,990 --> 00:16:17,760

with disregard

344

00:16:23,870 --> 00:16:21,000

for the provisions set forth

345

00:16:25,009 --> 00:16:23,880

if you aren't familiar with economic

346

00:16:27,949 --> 00:16:25,019

hitmen

347

00:16:32,269 --> 00:16:27,959

well this is a shocker and I highly

348

00:16:35,210 --> 00:16:32,279

recommend you look at the book

349

00:16:37,670 --> 00:16:35,220

series by John Perkins

350

00:16:40,610 --> 00:16:37,680

economic Hitmen are highly paid

351
00:16:43,490 --> 00:16:40,620
professionals who use development loans

352
00:16:46,610 --> 00:16:43,500
to saddle countries with huge debts and

353
00:16:48,769 --> 00:16:46,620
force them to serve U.S interests

354
00:16:50,410 --> 00:16:48,779
the book series confessions of an

355
00:16:54,590 --> 00:16:50,420
economic Hitman

356
00:16:58,730 --> 00:16:54,600
explains this fact to a T and John

357
00:17:01,129 --> 00:16:58,740
Perkins was in fact an economic Hitman

358
00:17:02,749 --> 00:17:01,139
which knows about the unrelenting

359
00:17:06,770 --> 00:17:02,759
evolution

360
00:17:08,510 --> 00:17:06,780
of the strategy and takeover techniques

361
00:17:11,809 --> 00:17:08,520
and

362
00:17:14,270 --> 00:17:11,819
if these economic Hitmen are allowed to

363
00:17:16,850 --> 00:17:14,280

continue on their Rampage whether

364

00:17:19,549 --> 00:17:16,860

executed by the United States or other

365

00:17:21,110 --> 00:17:19,559

countries it will destroy Life as We

366

00:17:23,689 --> 00:17:21,120

Know It

367

00:17:27,289 --> 00:17:23,699

having been born in a Banana Republic

368

00:17:29,030 --> 00:17:27,299

myself I am aware of the corporate

369

00:17:31,250 --> 00:17:29,040

interests that can come into a third

370

00:17:32,930 --> 00:17:31,260

world country and get away with quite

371

00:17:35,750 --> 00:17:32,940

literally murder

372

00:17:38,350 --> 00:17:35,760

they go to the heads of state they offer

373

00:17:40,630 --> 00:17:38,360

massive projects such as dams

374

00:17:44,750 --> 00:17:40,640

hydroelectric power Pan American

375

00:17:46,549 --> 00:17:44,760

highways exhaustive and laborous Fruit

376

00:17:49,130 --> 00:17:46,559

Harvest station

377

00:17:49,850 --> 00:17:49,140

and quite literally the raping of the

378

00:17:54,049 --> 00:17:49,860

land

379

00:17:57,230 --> 00:17:54,059

and they do so for uh shareholders

380

00:17:58,970 --> 00:17:57,240

I was born in Costa Rica and before I

381

00:18:01,070 --> 00:17:58,980

moved to the United States I witnessed

382

00:18:02,630 --> 00:18:01,080

this firsthand not to mention even after

383

00:18:04,970 --> 00:18:02,640

I moved to the United States I would

384

00:18:07,370 --> 00:18:04,980

visit Costa Rica every summer

385

00:18:09,970 --> 00:18:07,380

and my grandfather worked on the Pan

386

00:18:13,130 --> 00:18:09,980

American Highway Building Bridges

387

00:18:17,450 --> 00:18:13,140

and many of my other family members

388

00:18:20,750 --> 00:18:17,460

worked in other areas that wear at the

389

00:18:22,610 --> 00:18:20,760

whim of these corporate interests and I

390

00:18:24,830 --> 00:18:22,620

can tell you that

391

00:18:27,710 --> 00:18:24,840

while they do bring some sort of

392

00:18:30,350 --> 00:18:27,720

development to the Country Life does not

393

00:18:32,930 --> 00:18:30,360

get better in fact the heads of state

394

00:18:35,990 --> 00:18:32,940

are coerced into doing these things and

395

00:18:39,110 --> 00:18:36,000

if they don't do them well that's when

396

00:18:41,330 --> 00:18:39,120

the jackals come these economic hitmen

397

00:18:44,810 --> 00:18:41,340

for lack of a better word or massive

398

00:18:47,390 --> 00:18:44,820

corporate interests connected to the IMF

399

00:18:50,570 --> 00:18:47,400

and other massive agencies and

400

00:18:52,549 --> 00:18:50,580

organizations come in offering free

401

00:18:56,390 --> 00:18:52,559

money go figure

402

00:18:59,330 --> 00:18:56,400

free money free money to do as they wish

403

00:19:02,650 --> 00:18:59,340

free money to hire their buddies to

404

00:19:05,029 --> 00:19:02,660

build all these major

405

00:19:07,310 --> 00:19:05,039

infrastructure projects

406

00:19:09,470 --> 00:19:07,320

billions and billions of dollars are

407

00:19:12,230 --> 00:19:09,480

spent they get to pay their buddies they

408

00:19:15,350 --> 00:19:12,240

get I'm sure some cream off the top you

409

00:19:17,630 --> 00:19:15,360

scratch my back I scratch yours and the

410

00:19:20,690 --> 00:19:17,640

third world country is left with massive

411

00:19:23,750 --> 00:19:20,700

debt and not only that they're left with

412

00:19:27,289 --> 00:19:23,760

a debt they not only can't pay but a

413

00:19:29,690 --> 00:19:27,299

lifetime of subservience to those to

414

00:19:32,890 --> 00:19:29,700

whom they owe the debt

415

00:19:36,470 --> 00:19:32,900

this is uh sadly the best case scenario

416

00:19:38,990 --> 00:19:36,480

if you happen to be a third world leader

417

00:19:41,810 --> 00:19:39,000

that can see through the smoke screen of

418

00:19:43,190 --> 00:19:41,820

deception and you realize what's coming

419

00:19:46,250 --> 00:19:43,200

down the pipe

420

00:19:49,789 --> 00:19:46,260

and you don't want to play ball it gets

421

00:19:51,890 --> 00:19:49,799

worse and that is when these third world

422

00:19:53,630 --> 00:19:51,900

leaders are threatened they are

423

00:19:56,770 --> 00:19:53,640

threatened by the likes of Intel

424

00:19:59,510 --> 00:19:56,780

intelligence agents and agencies

425

00:20:01,669 --> 00:19:59,520

and that is when the quote unquote

426

00:20:04,789 --> 00:20:01,679

jackals come which are quite literally

427

00:20:07,330 --> 00:20:04,799

hit men to take out the heads of power

428

00:20:09,770 --> 00:20:07,340

and put in new heads of power

429

00:20:13,310 --> 00:20:09,780

re-establishing governance

430

00:20:15,110 --> 00:20:13,320

who will play ball with these major

431

00:20:16,789 --> 00:20:15,120

economic players

432

00:20:18,950 --> 00:20:16,799

you either play ball

433

00:20:22,730 --> 00:20:18,960

or you don't at all

434

00:20:25,130 --> 00:20:22,740

and that's just the sad truth of living

435

00:20:27,470 --> 00:20:25,140

in a third world country under the

436

00:20:31,310 --> 00:20:27,480

oppressive nature of these massive

437

00:20:33,490 --> 00:20:31,320

corporate interests agencies

438

00:20:36,110 --> 00:20:33,500

and the mercenaries of the international

439

00:20:39,890 --> 00:20:36,120

banking cabal

440

00:20:40,970 --> 00:20:39,900

so while syrians live in cold hunger and

441

00:20:44,450 --> 00:20:40,980

death

442

00:20:47,409 --> 00:20:44,460

and have to do things which are

443

00:20:50,990 --> 00:20:47,419

unspeakable to keep their families safe

444

00:20:52,150 --> 00:20:51,000

and feed their children

445

00:20:55,730 --> 00:20:52,160

many

446

00:20:57,650 --> 00:20:55,740

are killed stepping on land mines or

447

00:21:01,010 --> 00:20:57,660

getting shot by snipers

448

00:21:04,010 --> 00:21:01,020

these are civilians and I don't see it

449

00:21:06,110 --> 00:21:04,020

being a hundred percent Fair

450

00:21:09,590 --> 00:21:06,120

you know The Disappearance of loved ones

451
00:21:12,950 --> 00:21:09,600
and waiting for any semblance of Justice

452
00:21:15,890 --> 00:21:12,960
seems to be lost on the Wind

453
00:21:17,870 --> 00:21:15,900
so what can we do to change this well

454
00:21:19,549 --> 00:21:17,880
first thing we can do is talk about it

455
00:21:21,169 --> 00:21:19,559
that's that's all I'm trying to do is

456
00:21:23,029 --> 00:21:21,179
talk about it because you won't hear the

457
00:21:23,750 --> 00:21:23,039
mainstream media talking about this at

458
00:21:25,730 --> 00:21:23,760
all

459
00:21:27,710 --> 00:21:25,740
in fact what we do here the mainstream

460
00:21:29,810 --> 00:21:27,720
media talking about is usually a bait

461
00:21:31,370 --> 00:21:29,820
and switch situation such as the one in

462
00:21:33,470 --> 00:21:31,380
France currently

463
00:21:35,149 --> 00:21:33,480

if you turn on your TVs in the morning

464

00:21:38,149 --> 00:21:35,159

with your cup of coffee you hear about

465

00:21:40,610 --> 00:21:38,159

oh the French are just protesting over

466

00:21:43,070 --> 00:21:40,620

nothing they're protesting over

467

00:21:47,690 --> 00:21:43,080

what is it uh

468

00:21:50,210 --> 00:21:47,700

over uh minimal minimal things having to

469

00:21:51,230 --> 00:21:50,220

do with pensions and that's not the fact

470

00:21:53,930 --> 00:21:51,240

at all

471

00:21:55,669 --> 00:21:53,940

the reality is the French are protesting

472

00:21:58,210 --> 00:21:55,679

because their heads of state have

473

00:22:02,210 --> 00:21:58,220

loopholes in place in their governance

474

00:22:05,510 --> 00:22:02,220

where they can hire their buddies to do

475

00:22:07,430 --> 00:22:05,520

massive infrastructure bills and changes

476

00:22:10,370 --> 00:22:07,440

and construction and whatever really

477

00:22:14,149 --> 00:22:10,380

they want without the vote of the people

478

00:22:16,549 --> 00:22:14,159

it used to be that the people would vote

479

00:22:18,549 --> 00:22:16,559

and let's say they didn't want to vote

480

00:22:22,490 --> 00:22:18,559

in a massive bill

481

00:22:24,950 --> 00:22:22,500

to pay a massive developer to do

482

00:22:27,409 --> 00:22:24,960

something well it wouldn't happen that's

483

00:22:29,510 --> 00:22:27,419

not the case anymore there is a loophole

484

00:22:33,230 --> 00:22:29,520

in the government where the French

485

00:22:35,090 --> 00:22:33,240

government can quite literally the

486

00:22:36,710 --> 00:22:35,100

sitting government I should be specific

487

00:22:38,149 --> 00:22:36,720

here because it's only the sitting

488

00:22:40,730 --> 00:22:38,159

government that can do that not a new

489

00:22:45,049 --> 00:22:40,740

incoming government so the sitting

490

00:22:48,890 --> 00:22:45,059

government in place can bypass public

491

00:22:51,890 --> 00:22:48,900

opinion and voting and just put these

492

00:22:55,909 --> 00:22:51,900

bills into place well yeah I'd be angry

493

00:22:57,289 --> 00:22:55,919

of course I'd want some kind of protest

494

00:22:59,630 --> 00:22:57,299

about this because

495

00:23:02,390 --> 00:22:59,640

it's there tax

496

00:23:04,490 --> 00:23:02,400

money that is paying for this it's their

497

00:23:06,169 --> 00:23:04,500

tax money that is paying the officials

498

00:23:07,669 --> 00:23:06,179

to pay their buddies to get these

499

00:23:10,210 --> 00:23:07,679

projects done and push them through

500

00:23:13,549 --> 00:23:10,220

without even

501
00:23:15,590 --> 00:23:13,559
any semblance of care of what the people

502
00:23:18,890 --> 00:23:15,600
think and whether or not these projects

503
00:23:20,930 --> 00:23:18,900
should go through that's the reality but

504
00:23:23,570 --> 00:23:20,940
that's not what you hear on the news

505
00:23:25,610 --> 00:23:23,580
so even starting a conversation about it

506
00:23:28,370 --> 00:23:25,620
is a big big deal in my opinion and

507
00:23:30,289 --> 00:23:28,380
probably as far as I'm gonna get I just

508
00:23:32,990 --> 00:23:30,299
want people aware

509
00:23:36,409 --> 00:23:33,000
that civilian

510
00:23:38,330 --> 00:23:36,419
folks in Syria are Under Fire and have

511
00:23:40,070 --> 00:23:38,340
been for quite some time

512
00:23:42,590 --> 00:23:40,080
if this were to happen in the United

513
00:23:45,770 --> 00:23:42,600

States we would demand

514

00:23:48,110 --> 00:23:45,780

blood imagine you are going to the

515

00:23:49,430 --> 00:23:48,120

airport and the airport is bombed by a

516

00:23:53,090 --> 00:23:49,440

missile strike

517

00:23:55,430 --> 00:23:53,100

and the reason it is bombed is uh the

518

00:23:59,090 --> 00:23:55,440

people who sent the missiles say well we

519

00:24:01,610 --> 00:23:59,100

thought there might be an Iranian at the

520

00:24:03,950 --> 00:24:01,620

airport and we wanted to get him well

521

00:24:07,130 --> 00:24:03,960

what about all the civilians

522

00:24:10,610 --> 00:24:07,140

at the airport they are the ones Under

523

00:24:12,950 --> 00:24:10,620

Fire and nobody seems to care so the

524

00:24:15,950 --> 00:24:12,960

least we can do is talk about it

525

00:24:19,010 --> 00:24:15,960

imagine China coming over to our oil

526
00:24:21,770 --> 00:24:19,020
fields securing them with mercenaries

527
00:24:23,149 --> 00:24:21,780
and basically stealing our oil because

528
00:24:25,669 --> 00:24:23,159
they can

529
00:24:29,210 --> 00:24:25,679
we would demand Justice we would want

530
00:24:32,930 --> 00:24:29,220
again some kind of compensation

531
00:24:34,789 --> 00:24:32,940
however this isn't the case at all

532
00:24:36,770 --> 00:24:34,799
if this were to happen to us we would

533
00:24:39,409 --> 00:24:36,780
freak out

534
00:24:41,750 --> 00:24:39,419
so I think it's only fair that we at

535
00:24:43,070 --> 00:24:41,760
least talk about these scenarios and

536
00:24:45,529 --> 00:24:43,080
situations

537
00:24:48,110 --> 00:24:45,539
they say awareness is the key to change

538
00:24:49,070 --> 00:24:48,120

and this is a lock that needs to be

539

00:24:51,710 --> 00:24:49,080

picked

540

00:24:54,289 --> 00:24:51,720

these situations are not localized and

541

00:24:57,649 --> 00:24:54,299

the same is happening in the proxy war

542

00:25:02,810 --> 00:24:57,659

between Ukraine and Russia in fact

543

00:25:07,070 --> 00:25:02,820

in the case of vladlin tatarsky he is a

544

00:25:09,830 --> 00:25:07,080

Russian blogger he was killed as he was

545

00:25:12,649 --> 00:25:09,840

leading a discussion at the cafe on the

546

00:25:15,110 --> 00:25:12,659

bank of the Neva River in the historic

547

00:25:16,909 --> 00:25:15,120

heart of Saint Petersburg

548

00:25:20,149 --> 00:25:16,919

actually some

549

00:25:22,070 --> 00:25:20,159

where around 30 people were wounded in

550

00:25:23,390 --> 00:25:22,080

the blast

551
00:25:24,890 --> 00:25:23,400
now

552
00:25:28,250 --> 00:25:24,900
Russian media

553
00:25:30,590 --> 00:25:28,260
and Military bloggers said tatarski was

554
00:25:34,130 --> 00:25:30,600
meeting with members of the public

555
00:25:37,190 --> 00:25:34,140
when a woman presented him with a box

556
00:25:42,590 --> 00:25:37,200
not any box but a box containing a small

557
00:25:49,490 --> 00:25:44,269
now Witnesses

558
00:25:51,830 --> 00:25:49,500
say that she had this statue or bust

559
00:25:53,810 --> 00:25:51,840
of the Blogger

560
00:25:56,710 --> 00:25:53,820
and guards asked her to leave it at the

561
00:25:59,149 --> 00:25:56,720
door suspecting it could be a bomb

562
00:26:01,730 --> 00:25:59,159
uh apparently

563
00:26:03,710 --> 00:26:01,740

they laughed and then she went to the

564

00:26:06,590 --> 00:26:03,720

door grabbed the bust and presented it

565

00:26:10,370 --> 00:26:06,600

to tatarsky

566

00:26:13,909 --> 00:26:10,380

this is obviously

567

00:26:15,710 --> 00:26:13,919

pretty crazy I mean imagine

568

00:26:17,450 --> 00:26:15,720

this happening in the United States it

569

00:26:18,950 --> 00:26:17,460

would be a big deal this is obviously

570

00:26:23,990 --> 00:26:18,960

Ukraine

571

00:26:27,409 --> 00:26:24,000

taking out a Russian military blogger

572

00:26:30,169 --> 00:26:27,419

and a popular one at that

573

00:26:31,549 --> 00:26:30,179

because they don't agree with

574

00:26:34,850 --> 00:26:31,559

their opinion

575

00:26:37,070 --> 00:26:34,860

imagine someone having an opinion

576
00:26:41,210 --> 00:26:37,080
and

577
00:26:44,090 --> 00:26:41,220
Ukraine sends someone with a statue

578
00:26:46,549 --> 00:26:44,100
to give to an author here in the United

579
00:26:49,789 --> 00:26:46,559
States the Statue explodes killing the

580
00:26:52,070 --> 00:26:49,799
author wounding 30 others

581
00:26:53,510 --> 00:26:52,080
and

582
00:26:56,269 --> 00:26:53,520
then

583
00:26:58,850 --> 00:26:56,279
people who support Ukraine in this

584
00:27:01,250 --> 00:26:58,860
effort have actually

585
00:27:03,470 --> 00:27:01,260
celebrated this Behavior this is

586
00:27:05,750 --> 00:27:03,480
Terrorism I don't care who you are I

587
00:27:08,630 --> 00:27:05,760
mean some reports

588
00:27:09,950 --> 00:27:08,640

are claiming how bad it was while other

589

00:27:12,350 --> 00:27:09,960

reports

590

00:27:15,830 --> 00:27:12,360

that are pro-ukraine are claiming how

591

00:27:18,110 --> 00:27:15,840

good it was this is obvious terrorism in

592

00:27:20,570 --> 00:27:18,120

every sense of the word

593

00:27:24,950 --> 00:27:20,580

just because

594

00:27:27,890 --> 00:27:24,960

this poor guy got you know blown up

595

00:27:31,010 --> 00:27:27,900

talking about something he liked and

596

00:27:34,549 --> 00:27:31,020

some don't have the same opinion as him

597

00:27:36,350 --> 00:27:34,559

well that doesn't make it okay in fact

598

00:27:38,990 --> 00:27:36,360

no one has publicly claimed

599

00:27:41,570 --> 00:27:39,000

responsibility but military bloggers and

600

00:27:43,909 --> 00:27:41,580

Patriot commentators immediately pointed

601
00:27:46,549 --> 00:27:43,919
a finger at Ukraine

602
00:27:49,370 --> 00:27:46,559
it's not the only time this has happened

603
00:27:52,730 --> 00:27:49,380
and they compared the bombing to The

604
00:27:55,730 --> 00:27:52,740
Killing last August of Daria dugina a

605
00:27:57,830 --> 00:27:55,740
nationalist TV commentator she was

606
00:28:00,169 --> 00:27:57,840
killed when a remotely controlled

607
00:28:01,850 --> 00:28:00,179
explosive device plant and under SUV

608
00:28:05,149 --> 00:28:01,860
blew up while she was driving on the

609
00:28:09,169 --> 00:28:08,269
now I think Russia is taking this pretty

610
00:28:12,470 --> 00:28:09,179
well

611
00:28:16,070 --> 00:28:12,480
considering they have not reacted to

612
00:28:19,430 --> 00:28:16,080
these incidents in the way I believe

613
00:28:21,110 --> 00:28:19,440

many countries would react imagine as I

614

00:28:22,789 --> 00:28:21,120

said before this taking place in the

615

00:28:23,930 --> 00:28:22,799

United States we wouldn't put up with it

616

00:28:27,110 --> 00:28:23,940

we would

617

00:28:29,450 --> 00:28:27,120

definitely go after these terrorists

618

00:28:32,029 --> 00:28:29,460

and

619

00:28:34,549 --> 00:28:32,039

I'm sorry it's Terror when when death

620

00:28:38,210 --> 00:28:34,559

and blowing up cars and

621

00:28:42,049 --> 00:28:38,220

all of this is taking place

622

00:28:44,930 --> 00:28:42,059

it's it's terrorism and

623

00:28:49,070 --> 00:28:44,940

it's not okay

624

00:28:51,649 --> 00:28:49,080

now top Ukrainian government officials

625

00:28:53,450 --> 00:28:51,659

have just chalked it up to International

626
00:28:56,510 --> 00:28:53,460
turmoil

627
00:28:59,029 --> 00:28:56,520
and in a quote

628
00:29:01,190 --> 00:28:59,039
Ukrainian presidential advisor Michael

629
00:29:05,269 --> 00:29:01,200
podoliak

630
00:29:12,710 --> 00:29:10,310
spiders are eating each other in a jar

631
00:29:14,690 --> 00:29:12,720
question of when domestic terrorism

632
00:29:18,169 --> 00:29:14,700
would become an instrument of internal

633
00:29:20,149 --> 00:29:18,179
political fight was a matter of time so

634
00:29:24,110 --> 00:29:20,159
basically if I'm understanding this

635
00:29:25,549 --> 00:29:24,120
correctly saying it's uh okay saying

636
00:29:28,669 --> 00:29:25,559
it's just a

637
00:29:30,169 --> 00:29:28,679
you know cost of doing business I guess

638
00:29:32,029 --> 00:29:30,179

if you're going to make an omelet a few

639

00:29:36,169 --> 00:29:32,039

eggs you're gonna get cracked

640

00:29:38,810 --> 00:29:36,179

well I'm not so sure that this is

641

00:29:41,149 --> 00:29:38,820

correct and

642

00:29:43,669 --> 00:29:41,159

military bloggers have played an

643

00:29:46,730 --> 00:29:43,679

increasingly prominent and influential

644

00:29:49,789 --> 00:29:46,740

role in the flow of information

645

00:29:51,649 --> 00:29:49,799

these are journalists journalists should

646

00:29:54,110 --> 00:29:51,659

not be targeted

647

00:29:56,450 --> 00:29:54,120

they should be protected at least

648

00:29:59,870 --> 00:29:56,460

universally in some way shape or form if

649

00:30:02,090 --> 00:29:59,880

you have any belief in free speech

650

00:30:04,850 --> 00:30:02,100

I'm not picking sides here I'm just

651
00:30:07,250 --> 00:30:04,860
saying each side should be able to talk

652
00:30:09,769 --> 00:30:07,260
about what it believes and not be blown

653
00:30:11,930 --> 00:30:09,779
up for it so these things are taking

654
00:30:13,970 --> 00:30:11,940
place all around us

655
00:30:16,430 --> 00:30:13,980
and I need to keep my cool because don't

656
00:30:19,930 --> 00:30:16,440
get me going on Ukraine they have some

657
00:30:22,250 --> 00:30:19,940
for lack of a better word explosive

658
00:30:24,590 --> 00:30:22,260
wide ranging

659
00:30:27,830 --> 00:30:24,600
beliefs and people who have been

660
00:30:32,090 --> 00:30:27,840
targeted many of which are Americans in

661
00:30:33,789 --> 00:30:32,100
fact Pink Floyd's uh Roger Waters is put

662
00:30:38,470 --> 00:30:33,799
on the kill list as well

663
00:30:42,950 --> 00:30:38,480

there is a significant kill list

664

00:30:45,590 --> 00:30:42,960

and there are many United States

665

00:30:49,430 --> 00:30:45,600

citizens on that kill list

666

00:30:51,590 --> 00:30:49,440

in fact NBC News journalist Kira Simmons

667

00:30:54,230 --> 00:30:51,600

recently went to Crimea and reported

668

00:30:58,789 --> 00:30:54,240

that most crimeans are pro-russian now

669

00:31:01,730 --> 00:30:58,799

Ukraine has put him on its hit list

670

00:31:03,710 --> 00:31:01,740

in fact it is rumored Elon Musk was on

671

00:31:06,649 --> 00:31:03,720

that kill list for some time I believe

672

00:31:09,830 --> 00:31:06,659

his he's been taking taken off

673

00:31:11,930 --> 00:31:09,840

not taken out I believe Elon Musk has

674

00:31:15,350 --> 00:31:11,940

been taken off of that kill list but I'm

675

00:31:17,029 --> 00:31:15,360

not sure I'm not 100 sure of that he was

676

00:31:19,970 --> 00:31:17,039

put on the kill list because he

677

00:31:22,669 --> 00:31:19,980

threatened to uh charge more I believe

678

00:31:25,909 --> 00:31:22,679

or say that he could not keep the

679

00:31:28,370 --> 00:31:25,919

starlink satellites over Ukraine for

680

00:31:30,470 --> 00:31:28,380

free something along those lines just

681

00:31:34,250 --> 00:31:30,480

basic obvious

682

00:31:36,350 --> 00:31:34,260

you know truth and um he was put on the

683

00:31:37,010 --> 00:31:36,360

kill list for that

684

00:31:40,310 --> 00:31:37,020

um

685

00:31:43,250 --> 00:31:40,320

so this gives a little bit of a hint as

686

00:31:46,130 --> 00:31:43,260

to how things go down if you're not pro

687

00:31:48,409 --> 00:31:46,140

Ukraine you're against them and if

688

00:31:50,930 --> 00:31:48,419

you're against them you get put on the

689

00:31:53,750 --> 00:31:50,940

kill list now here is Elon Musk somebody

690

00:31:56,330 --> 00:31:53,760

who's been doing nothing but helping

691

00:31:59,750 --> 00:31:56,340

by putting the starlink satellites up

692

00:32:02,090 --> 00:31:59,760

there for free zero charge and

693

00:32:05,810 --> 00:32:02,100

basically after a while saying hey I

694

00:32:08,269 --> 00:32:05,820

can't continue to do this for 100 free

695

00:32:10,850 --> 00:32:08,279

and you know not expect something in

696

00:32:12,049 --> 00:32:10,860

return immediately pulled on it put on a

697

00:32:14,149 --> 00:32:12,059

kill list

698

00:32:17,450 --> 00:32:14,159

and uh

699

00:32:20,330 --> 00:32:17,460

it's it's scary scary stuff there's a

700

00:32:22,370 --> 00:32:20,340

variety of American civilians that have

701
00:32:25,130 --> 00:32:22,380
been put on the kill list be careful

702
00:32:27,169 --> 00:32:25,140
what you say I mean heck any of us could

703
00:32:29,330 --> 00:32:27,179
be put on the kill list for saying any

704
00:32:30,669 --> 00:32:29,340
of the things we're discussing to put in

705
00:32:33,529 --> 00:32:30,679
a simplified

706
00:32:37,909 --> 00:32:33,539
truthful way

707
00:32:40,789 --> 00:32:37,919
getting back to Syria and the amazing

708
00:32:45,529 --> 00:32:40,799
history magical practices

709
00:32:47,690 --> 00:32:45,539
of antique Syria and even Palestine it's

710
00:32:51,470 --> 00:32:47,700
quite sad to see where these countries

711
00:32:54,169 --> 00:32:51,480
are nothing but Canon targets now just

712
00:32:56,570 --> 00:32:54,179
made for target practice and

713
00:32:59,269 --> 00:32:56,580

I don't believe that's right

714

00:33:02,930 --> 00:32:59,279

we've seen other countries like Iraq

715

00:33:07,549 --> 00:33:02,940

which have hugely Rich histories

716

00:33:10,029 --> 00:33:07,559

of amazing magical locations turned into

717

00:33:12,950 --> 00:33:10,039

war zones over practically nothing

718

00:33:16,250 --> 00:33:12,960

weapons of mass destruction which don't

719

00:33:18,070 --> 00:33:16,260

exist or didn't exist leaders taken out

720

00:33:21,370 --> 00:33:18,080

of power and killed

721

00:33:24,470 --> 00:33:21,380

and uh the same in Libya I mean

722

00:33:25,850 --> 00:33:24,480

basically because it was a gold-backed

723

00:33:29,090 --> 00:33:25,860

economy

724

00:33:31,909 --> 00:33:29,100

Muammar Gaddafi was removed from Power

725

00:33:35,750 --> 00:33:31,919

by the very jackals we spoke of earlier

726

00:33:38,509 --> 00:33:35,760

in the podcast and killed you know in

727

00:33:41,570 --> 00:33:38,519

the famous words of Hillary Clinton we

728

00:33:43,610 --> 00:33:41,580

came he died we left and

729

00:33:47,210 --> 00:33:43,620

this is all done under the guise of

730

00:33:49,430 --> 00:33:47,220

prophets I guarantee that money is being

731

00:33:51,110 --> 00:33:49,440

made over these

732

00:33:55,190 --> 00:33:51,120

operations

733

00:33:57,649 --> 00:33:55,200

now there is open-air slave trade in

734

00:34:01,130 --> 00:33:57,659

Libya where before you could get zero

735

00:34:02,210 --> 00:34:01,140

percent interest loans on a home just by

736

00:34:05,269 --> 00:34:02,220

being

737

00:34:08,089 --> 00:34:05,279

a citizen of the country their economy

738

00:34:11,510 --> 00:34:08,099

was strong so let's hope that we can

739

00:34:13,790 --> 00:34:11,520

stop the proliferation of Terror

740

00:34:15,710 --> 00:34:13,800

we don't have to agree with everybody we

741

00:34:19,629 --> 00:34:15,720

can agree to disagree and let's remember

742

00:34:22,730 --> 00:34:19,639

the important historical magical

743

00:34:25,310 --> 00:34:22,740

magnitude of some of these places and

744

00:34:26,990 --> 00:34:25,320

respect that on some level

745

00:34:29,389 --> 00:34:27,000

we can make the world a better place if

746

00:34:31,970 --> 00:34:29,399

we do that just be a little bit more

747

00:34:36,169 --> 00:34:31,980

open-minded

748

00:34:38,869 --> 00:34:36,179

oh and if you haven't subscribed to Hero

through the shadow ban and algorithm

754

00:34:52,490 --> 00:34:49,740
