

A black and white photograph of a forest. In the foreground, a large, gnarled tree trunk rises vertically from the bottom left. The background is filled with other trees, some of which are partially obscured by a thick mist or fog. The sky is overcast and grey. The overall mood is somber and mysterious.

Rainbow and Mike

Wendigos, Skinwalkers, Reptilians, & Sasquatch

1
00:00:06,710 --> 00:00:04,789
on today's podcast we have some amazing

2
00:00:09,169 --> 00:00:06,720
information

3
00:00:12,650 --> 00:00:09,179
great work that

4
00:00:15,110 --> 00:00:12,660
a couple has come up with creative

5
00:00:18,710 --> 00:00:15,120
valuable insights

6
00:00:21,410 --> 00:00:18,720
and life-changing experiences

7
00:00:23,870 --> 00:00:21,420
in a transformative Journey that they've

8
00:00:27,410 --> 00:00:23,880
both been on Masters of their craft

9
00:00:30,950 --> 00:00:27,420
investigating the Paranormal and

10
00:00:34,549 --> 00:00:30,960
creative mysterious forces in our world

11
00:00:37,330 --> 00:00:34,559
we have none other than rainbow and Mike

12
00:00:40,790 --> 00:00:37,340
they've been on the podcast before

13
00:00:43,250 --> 00:00:40,800

they have quite a bit that they offer to

14

00:00:44,389 --> 00:00:43,260

the Paranormal Community among those

15

00:00:47,990 --> 00:00:44,399

things

16

00:00:49,729 --> 00:00:48,000

dimensional walking on YouTube a great

17

00:00:53,810 --> 00:00:49,739

YouTube channel you should definitely

18

00:00:55,670 --> 00:00:53,820

check out rainbow also writes for a

19

00:00:58,010 --> 00:00:55,680

paranormal magazine

20

00:00:59,209 --> 00:00:58,020

we will get into that definitely check

21

00:01:01,910 --> 00:00:59,219

that out

22

00:01:03,410 --> 00:01:01,920

and they have a website that you can

23

00:01:07,789 --> 00:01:03,420

also check out

24

00:01:10,250 --> 00:01:07,799

they have well researched

25

00:01:13,789 --> 00:01:10,260

informative data

26

00:01:16,130 --> 00:01:13,799

they are as I said very talented at what

27

00:01:19,130 --> 00:01:16,140

they do and they've approached

28

00:01:22,130 --> 00:01:19,140

the Paranormal High strangeness crypto

29

00:01:26,990 --> 00:01:22,140

creatures Etc Vortex hunting

30

00:01:30,890 --> 00:01:27,000

from a very interesting angle which is

31

00:01:33,350 --> 00:01:30,900

that of the creative process itself they

32

00:01:35,749 --> 00:01:33,360

are doing important and necessary work

33

00:01:37,010 --> 00:01:35,759

in my opinion it's always a pleasure to

34

00:01:39,830 --> 00:01:37,020

have them on

35

00:01:42,249 --> 00:01:39,840

they never disappoint and always provide

36

00:01:46,730 --> 00:01:42,259

interesting

37

00:01:49,630 --> 00:01:46,740

experiences from their Journeys

38

00:01:52,090 --> 00:01:49,640

if you have not been over to

39

00:01:56,270 --> 00:01:52,100

heroparanormal.com please check it out

40

00:01:59,270 --> 00:01:56,280

also like And subscribe hero paranormal

41

00:02:02,389 --> 00:01:59,280

on YouTube and share it from what I

42

00:02:03,830 --> 00:02:02,399

understand it's the only way I'm going

43

00:02:05,630 --> 00:02:03,840

to be able to break through that

44

00:02:08,809 --> 00:02:05,640

algorithm and although they will not

45

00:02:10,550 --> 00:02:08,819

monetize my channel for various reasons

46

00:02:13,550 --> 00:02:10,560

it's the only way anybody can hear it

47

00:02:14,990 --> 00:02:13,560

and I can actually get those numbers it

48

00:02:19,250 --> 00:02:15,000

helps a lot

49

00:02:20,809 --> 00:02:19,260

also search for hero paranormal on

50

00:02:23,530 --> 00:02:20,819

patreon

51
00:02:28,070 --> 00:02:23,540
for the price of a cup of coffee a month

52
00:02:29,869 --> 00:02:28,080
just five bucks you get everything you

53
00:02:32,750 --> 00:02:29,879
get all of the content behind the

54
00:02:34,670 --> 00:02:32,760
paywall and there is a ton of it

55
00:02:37,070 --> 00:02:34,680
so if you like hero paranormal if you

56
00:02:40,130 --> 00:02:37,080
like the hyper anomalous esoteric

57
00:02:41,990 --> 00:02:40,140
research organization podcast and

58
00:02:43,850 --> 00:02:42,000
everything I delve into

59
00:02:47,990 --> 00:02:43,860
that's the way to get the whole

60
00:02:50,210 --> 00:02:48,000
enchilada just hit the I got five on it

61
00:02:52,970 --> 00:02:50,220
button and there you go you're all

62
00:02:56,449 --> 00:02:52,980
signed up for everything

63
00:02:59,270 --> 00:02:56,459

it helps me out a lot it's not free or

64

00:03:01,430 --> 00:02:59,280

easy podcasting and every little bit

65

00:03:03,949 --> 00:03:01,440

helps especially when you're a small

66

00:03:13,770 --> 00:03:03,959

time operation like myself

67

00:03:26,990 --> 00:03:23,350

[Music]

68

00:03:29,050 --> 00:03:27,000

Blast Off In My Time Machine sir I feel

69

00:03:33,009 --> 00:03:29,060

like

70

00:03:39,100 --> 00:03:33,019

Blast Off blast off

71

00:03:44,770 --> 00:03:41,990

[Music]

72

00:03:52,070 --> 00:03:49,309

Blast Off on another epic episode of the

73

00:03:57,009 --> 00:03:52,080

hyper anomalous esoteric research

74

00:03:59,690 --> 00:03:57,019

organization podcast AKA hero paranormal

75

00:04:03,110 --> 00:03:59,700

broadcasting from just south

76
00:04:06,470 --> 00:04:03,120
of the old Sherman Ranch in the uena

77
00:04:09,050 --> 00:04:06,480
Basin of Utah my name is Ryan the

78
00:04:13,190 --> 00:04:09,060
anomalous ambassador of the airwaves

79
00:04:17,150 --> 00:04:13,200
bringing you an epic episode today

80
00:04:18,890 --> 00:04:17,160
on today's episode we have rainbow and

81
00:04:21,289 --> 00:04:18,900
Mike

82
00:04:23,689 --> 00:04:21,299
you may know them from dimensional

83
00:04:27,890 --> 00:04:23,699
walking their YouTube channel

84
00:04:31,270 --> 00:04:27,900
although they have vast experiences in

85
00:04:35,270 --> 00:04:31,280
all things paranormal crypto creature

86
00:04:37,610 --> 00:04:35,280
related and of course High strangeness

87
00:04:40,370 --> 00:04:37,620
dimensional walking is a channel about

88
00:04:44,330 --> 00:04:40,380

everything paranormal including

89

00:04:45,950 --> 00:04:44,340

Sasquatch Dogman UFOs abductions

90

00:04:50,390 --> 00:04:45,960

hauntings

91

00:04:52,189 --> 00:04:50,400

aliens contact men and women in black

92

00:04:55,490 --> 00:04:52,199

portals

93

00:04:58,850 --> 00:04:55,500

witches and Skin Walkers

94

00:05:02,150 --> 00:04:58,860

they have over 50 years between the two

95

00:05:05,930 --> 00:05:02,160

of them investigating and researching

96

00:05:09,230 --> 00:05:05,940

the high strangeness of our world

97

00:05:12,530 --> 00:05:09,240

they do field research basically in the

98

00:05:14,390 --> 00:05:12,540

trenches in regards to Sasquatch and

99

00:05:17,270 --> 00:05:14,400

Dogman reports

100

00:05:20,330 --> 00:05:17,280

they have years of personal experience

101
00:05:23,029 --> 00:05:20,340
starting from childhood that they share

102
00:05:26,450 --> 00:05:23,039
on their Channel as well as up-to-date

103
00:05:28,430 --> 00:05:26,460
news and stories that pertain to the

104
00:05:31,070 --> 00:05:28,440
Paranormal phenomenon

105
00:05:34,189 --> 00:05:31,080
be prepared to experience a different

106
00:05:37,610 --> 00:05:34,199
way of seeing the Paranormal and high

107
00:05:40,370 --> 00:05:37,620
strangeness lurking in the shadows

108
00:05:43,070 --> 00:05:40,380
rainbow and Mike delve into the core of

109
00:05:46,370 --> 00:05:43,080
stories and accounts besides getting

110
00:05:47,810 --> 00:05:46,380
into the mind of experiences and

111
00:05:49,909 --> 00:05:47,820
abductees

112
00:05:53,270 --> 00:05:49,919
you can also find

113
00:05:57,010 --> 00:05:53,280

information at Mike's website

114

00:06:01,010 --> 00:05:57,020

which is a great one truth Seeker

115

00:06:03,650 --> 00:06:01,020

forum.com it is committed to the ongoing

116

00:06:06,409 --> 00:06:03,660

research exploration and enlightened

117

00:06:09,590 --> 00:06:06,419

discussion of the Paranormal he goes

118

00:06:14,029 --> 00:06:09,600

into witches ghost ships portals

119

00:06:16,670 --> 00:06:14,039

you name it it has over 200 videos on

120

00:06:17,689 --> 00:06:16,680

his dimensional walking a paranormal

121

00:06:21,350 --> 00:06:17,699

Journey

122

00:06:23,809 --> 00:06:21,360

on YouTube and he has vast experience

123

00:06:27,170 --> 00:06:23,819

when it comes to Montauk

124

00:06:31,129 --> 00:06:27,180

he's a great guy and he's been on the

125

00:06:33,850 --> 00:06:31,139

podcast before it's always a joy when he

126
00:06:36,830 --> 00:06:33,860
brings rainbow along because she's

127
00:06:38,930 --> 00:06:36,840
extremely experienced and a master of

128
00:06:41,210 --> 00:06:38,940
her craft as well

129
00:06:44,330 --> 00:06:41,220
with all of their experience

130
00:06:47,809 --> 00:06:44,340
they bring a lot of intellect

131
00:06:51,650 --> 00:06:47,819
field experience dealing with paranormal

132
00:06:56,330 --> 00:06:51,660
predatory Prowlers and

133
00:06:58,570 --> 00:06:56,340
my favorite thing is that they both

134
00:07:01,909 --> 00:06:58,580
are in the team together

135
00:07:05,570 --> 00:07:01,919
rainbow has vast experience when it

136
00:07:07,390 --> 00:07:05,580
comes to the dark and the light aspects

137
00:07:10,730 --> 00:07:07,400
of witchcraft

138
00:07:13,309 --> 00:07:10,740

and Mike has vast experience when it

139

00:07:15,650 --> 00:07:13,319

comes to being in the field as well so

140

00:07:18,469 --> 00:07:15,660

definitely check out dimensional walking

141

00:07:21,290 --> 00:07:18,479

it's a great YouTube channel

142

00:07:24,170 --> 00:07:21,300

they've been out to many of the areas

143

00:07:25,550 --> 00:07:24,180

I've been to and have connected many of

144

00:07:28,189 --> 00:07:25,560

the dots

145

00:07:31,790 --> 00:07:28,199

dots connecting our world

146

00:07:34,790 --> 00:07:31,800

to that world Beyond the Veil

147

00:07:37,550 --> 00:07:34,800

Mike has gone searching for portals and

148

00:07:39,890 --> 00:07:37,560

some of his portal experiences have

149

00:07:41,450 --> 00:07:39,900

really stuck with me he's explained some

150

00:07:44,270 --> 00:07:41,460

areas

151
00:07:47,689 --> 00:07:44,280
and the high strangeness that has taken

152
00:07:52,850 --> 00:07:50,450
Mike also has vast experience when it

153
00:07:57,409 --> 00:07:52,860
comes to Montauk and the Montauk project

154
00:08:02,390 --> 00:07:57,419
we probably should do a entire podcast

155
00:08:04,490 --> 00:08:02,400
on just Montauk with all of the

156
00:08:06,469 --> 00:08:04,500
experience and information he has

157
00:08:09,890 --> 00:08:06,479
related to it

158
00:08:13,370 --> 00:08:09,900
and I could do an entire podcast with

159
00:08:15,589 --> 00:08:13,380
rainbow when it comes to all of the

160
00:08:17,150 --> 00:08:15,599
information she has

161
00:08:22,670 --> 00:08:17,160
between

162
00:08:26,510 --> 00:08:22,680
the light and dark sides of magic she is

163
00:08:27,710 --> 00:08:26,520

very talented also writes for paranormal

164

00:08:31,149 --> 00:08:27,720

magazines

165

00:08:35,029 --> 00:08:31,159

and she's been just about everywhere

166

00:08:37,670 --> 00:08:35,039

investigating just about everything

167

00:08:41,149 --> 00:08:37,680

it's both super committed to their

168

00:08:44,209 --> 00:08:41,159

ongoing research exploration and

169

00:08:47,389 --> 00:08:44,219

discussion of the Paranormal so you're

170

00:08:50,810 --> 00:08:47,399

definitely going to want to listen to

171

00:08:54,050 --> 00:08:50,820

this entire podcast it went by faster

172

00:08:57,410 --> 00:08:54,060

than I expected and

173

00:08:59,570 --> 00:08:57,420

we need to get together at some point in

174

00:09:01,750 --> 00:08:59,580

person because we've only talked on the

175

00:09:06,050 --> 00:09:01,760

phone via podcast

176

00:09:09,170 --> 00:09:06,060

Zoom links Etc and I have a feeling that

177

00:09:12,470 --> 00:09:09,180

if we could get together on some sacred

178

00:09:14,930 --> 00:09:12,480

site maybe one of the locations of high

179

00:09:18,050 --> 00:09:14,940

strangeness here in Utah or in their

180

00:09:20,329 --> 00:09:18,060

neck of the woods maybe in Nevada I

181

00:09:23,389 --> 00:09:20,339

don't know somewhere in the American

182

00:09:26,150 --> 00:09:23,399

southwest I'm pretty sure that we are

183

00:09:28,970 --> 00:09:26,160

going to meet up at some point and do

184

00:09:30,769 --> 00:09:28,980

some research and I think that that

185

00:09:34,009 --> 00:09:30,779

would give me a great window of

186

00:09:37,370 --> 00:09:34,019

opportunity to see them in person doing

187

00:09:40,150 --> 00:09:37,380

all of the amazing things very

188

00:09:45,170 --> 00:09:40,160

compatible couple at what they do

189

00:09:47,389 --> 00:09:45,180

navigating the Mysteries

190

00:09:52,910 --> 00:09:47,399

of our world

191

00:09:56,870 --> 00:09:54,889

well

192

00:10:06,590 --> 00:09:56,880

rainbow and Mike

193

00:10:13,070 --> 00:10:11,389

great great and let's see I've I I can't

194

00:10:16,070 --> 00:10:13,080

wait to talk to you guys again it's

195

00:10:18,410 --> 00:10:16,080

always great when I have both of you and

196

00:10:20,570 --> 00:10:18,420

you have a lot of experience with the

197

00:10:24,050 --> 00:10:20,580

Paranormal and high strangeness shape

198

00:10:26,930 --> 00:10:24,060

shifters and Skin Walkers in particular

199

00:10:28,670 --> 00:10:26,940

and I want to uh kind of kind of delve

200

00:10:31,449 --> 00:10:28,680

down that rabbit hole as you know I'm

201
00:10:34,490 --> 00:10:31,459
interested in this I I I I

202
00:10:36,470 --> 00:10:34,500
think it's one of the most interesting

203
00:10:39,350 --> 00:10:36,480
things of our time

204
00:10:42,050 --> 00:10:39,360
and uh one of my questions and let's

205
00:10:44,750 --> 00:10:42,060
just I guess start it off here what

206
00:10:47,930 --> 00:10:44,760
means of protection if any do you invoke

207
00:10:49,850 --> 00:10:47,940
before and after investigating Skin

208
00:10:52,130 --> 00:10:49,860
Walkers

209
00:10:55,550 --> 00:10:52,140
well that's not

210
00:10:57,110 --> 00:10:55,560
like going into a haunted house where

211
00:10:59,870 --> 00:10:57,120
you can save yourself

212
00:11:02,630 --> 00:10:59,880
and you know do some blessings and

213
00:11:04,670 --> 00:11:02,640

prayers and and after you know your

214

00:11:07,250 --> 00:11:04,680

Guardians and the angels and the spirits

215

00:11:09,230 --> 00:11:07,260

to protect you the Skin Walkers are

216

00:11:12,949 --> 00:11:09,240

actually their

217

00:11:15,710 --> 00:11:12,959

their humans and so what you have to do

218

00:11:17,750 --> 00:11:15,720

when you go into a situation where

219

00:11:22,250 --> 00:11:17,760

they're around you have to be very

220

00:11:25,670 --> 00:11:22,260

cautious you have to be very aware you

221

00:11:28,069 --> 00:11:25,680

have to go in knowing that you have what

222

00:11:31,310 --> 00:11:28,079

it takes to either deal with a situation

223

00:11:33,530 --> 00:11:31,320

or you don't do it it's just it's it's a

224

00:11:36,710 --> 00:11:33,540

it's a different type of scenario you

225

00:11:38,509 --> 00:11:36,720

you don't deal with these types of dark

226

00:11:42,110 --> 00:11:38,519

shamans and I think sometimes they can

227

00:11:44,389 --> 00:11:42,120

turn into some you know weird creature

228

00:11:46,069 --> 00:11:44,399

they can get twisted too according how

229

00:11:49,069 --> 00:11:46,079

dark they are

230

00:11:51,170 --> 00:11:49,079

but you either you go in knowing you can

231

00:11:53,389 --> 00:11:51,180

take care of business you stand your

232

00:11:55,250 --> 00:11:53,399

ground you make sure that you have

233

00:11:58,250 --> 00:11:55,260

enough backup

234

00:12:00,769 --> 00:11:58,260

and you make sure that you you can you

235

00:12:04,670 --> 00:12:00,779

can deal with a situation or you don't

236

00:12:06,949 --> 00:12:04,680

do it just don't do it and it's it's how

237

00:12:10,069 --> 00:12:06,959

do you protect yourself from you know

238

00:12:11,870 --> 00:12:10,079

evil it's just like you have to have a

239

00:12:14,030 --> 00:12:11,880

knowing that you're a light worker and

240

00:12:16,190 --> 00:12:14,040

you're in and you have protection from

241

00:12:18,230 --> 00:12:16,200

your guardian angels and you and and

242

00:12:20,630 --> 00:12:18,240

whoever and then if I went into a

243

00:12:23,269 --> 00:12:20,640

situation where I had to deal with a

244

00:12:26,269 --> 00:12:23,279

skin walker I would have Michael go with

245

00:12:29,210 --> 00:12:26,279

me but I would also have a mentor of

246

00:12:31,610 --> 00:12:29,220

mine make suggestions for me and I would

247

00:12:35,690 --> 00:12:31,620

probably have other uh medicine people

248

00:12:39,650 --> 00:12:35,700

coming with me because these these types

249

00:12:41,930 --> 00:12:39,660

of dark shamans are

250

00:12:43,670 --> 00:12:41,940

um there's it's serious business it's

251

00:12:45,769 --> 00:12:43,680

something that can really really hurt

252

00:12:48,889 --> 00:12:45,779

you and they can kill you they can they

253

00:12:52,069 --> 00:12:48,899

actually can either slowly do it or or

254

00:12:54,470 --> 00:12:52,079

they can do things that can manifest

255

00:12:56,329 --> 00:12:54,480

um negative stuff happening and and just

256

00:12:57,829 --> 00:12:56,339

because they intend it they know how to

257

00:13:01,069 --> 00:12:57,839

do intention they know how to do

258

00:13:03,470 --> 00:13:01,079

ceremony so if you go deal with them you

259

00:13:05,870 --> 00:13:03,480

have to be able to stand up to them and

260

00:13:08,569 --> 00:13:05,880

that's not easy yeah I think most people

261

00:13:10,850 --> 00:13:08,579

Ryan really all the people I've spoken

262

00:13:12,590 --> 00:13:10,860

to that have had experiences with them

263

00:13:14,690 --> 00:13:12,600

they're not really out there looking for

264

00:13:16,069 --> 00:13:14,700

them necessarily no no they don't really

265

00:13:18,290 --> 00:13:16,079

look there isn't too many people out

266

00:13:20,329 --> 00:13:18,300

there actually chasing them down a lot

267

00:13:22,310 --> 00:13:20,339

of times it just happened they're either

268

00:13:24,170 --> 00:13:22,320

in front of your car they're next to

269

00:13:25,850 --> 00:13:24,180

your car you know they're running down

270

00:13:27,889 --> 00:13:25,860

the road they're doing all kinds of

271

00:13:30,590 --> 00:13:27,899

stuff and then there's an encounter and

272

00:13:32,629 --> 00:13:30,600

really you're not most people aren't

273

00:13:34,069 --> 00:13:32,639

prepared at all I mean if we went out

274

00:13:36,050 --> 00:13:34,079

there we would really I don't want to

275

00:13:38,690 --> 00:13:36,060

say we'd come armed or we come armed

276

00:13:40,550 --> 00:13:38,700

with would be our energy our our energy

277

00:13:42,650 --> 00:13:40,560

inside of us not weapons or anything

278

00:13:44,930 --> 00:13:42,660

like that but that's the way we would

279

00:13:47,990 --> 00:13:44,940

approach it if we really were going out

280

00:13:49,790 --> 00:13:48,000

there looking for stuff well in

281

00:13:55,190 --> 00:13:49,800

skinwalker

282

00:14:00,350 --> 00:13:56,870

help them help you deal with it because

283

00:14:02,930 --> 00:14:00,360

a lot of the the problems that come with

284

00:14:07,250 --> 00:14:02,940

Skin Walkers is that they're very

285

00:14:09,829 --> 00:14:07,260

isolated beings and humans they prefer

286

00:14:13,190 --> 00:14:09,839

to Dill in darkness and isolation and

287

00:14:15,590 --> 00:14:13,200

they target people so try to be aware of

288

00:14:18,110 --> 00:14:15,600

your surroundings and not be a Target

289

00:14:20,870 --> 00:14:18,120

and if you have a family

290

00:14:23,449 --> 00:14:20,880

where you may have a family member that

291

00:14:27,050 --> 00:14:23,459

could possibly be targeted the family

292

00:14:30,889 --> 00:14:27,060

has to surround the person and you have

293

00:14:32,569 --> 00:14:30,899

to be one with that person and and you

294

00:14:33,949 --> 00:14:32,579

have to have to deal with it because

295

00:14:35,810 --> 00:14:33,959

it's not something you can just turn

296

00:14:38,090 --> 00:14:35,820

your you know turn the other cheek and

297

00:14:40,069 --> 00:14:38,100

just say oh okay well

298

00:14:43,670 --> 00:14:40,079

sorry but you have to deal with this

299

00:14:46,370 --> 00:14:43,680

it's not like that because these these

300

00:14:48,590 --> 00:14:46,380

beings these humans are are really just

301
00:14:51,410 --> 00:14:48,600
basically evil

302
00:14:53,449 --> 00:14:51,420
and I'm really glad that you mentioned

303
00:14:56,930 --> 00:14:53,459
that they're humans because a lot of

304
00:14:59,990 --> 00:14:56,940
people get that mixed up and I've heard

305
00:15:01,550 --> 00:15:00,000
that saying that all skinwalkers are

306
00:15:03,650 --> 00:15:01,560
witches but obviously are not all

307
00:15:06,290 --> 00:15:03,660
witches are skinwalkers and I think

308
00:15:07,189 --> 00:15:06,300
that's a really important important

309
00:15:08,930 --> 00:15:07,199
thing

310
00:15:15,350 --> 00:15:08,940
I

311
00:15:17,870 --> 00:15:15,360
Wolf research and they filmed uh it was

312
00:15:20,329 --> 00:15:17,880
a crew Tony Merkel from the

313
00:15:23,090 --> 00:15:20,339

professionals and his crew and they made

314

00:15:26,509 --> 00:15:23,100

a documentary called uh the shape of

315

00:15:28,670 --> 00:15:26,519

Shadows I think it was and I like that

316

00:15:31,930 --> 00:15:28,680

name yeah I did too they're kind of a

317

00:15:35,569 --> 00:15:31,940

creative bunch and yeah they said they

318

00:15:37,670 --> 00:15:35,579

experienced things every night and it

319

00:15:40,550 --> 00:15:37,680

was one of those things that was a

320

00:15:43,370 --> 00:15:40,560

question that I had because you do worry

321

00:15:47,030 --> 00:15:43,380

when people go to certain areas you hear

322

00:15:48,710 --> 00:15:47,040

about the hitchhiker effect a lot and

323

00:15:50,930 --> 00:15:48,720

um we'll get to that yeah we know about

324

00:15:52,430 --> 00:15:50,940

that I know you guys know a lot about

325

00:15:55,970 --> 00:15:52,440

that

326

00:15:59,389 --> 00:15:55,980

um yeah there's uh actually I'm trying

327

00:16:03,110 --> 00:15:59,399

to get one of the old guards

328

00:16:05,389 --> 00:16:03,120

to come on interestingly enough

329

00:16:07,850 --> 00:16:05,399

my wife's work and I'm not sure what

330

00:16:11,629 --> 00:16:07,860

this is It's like a synchronicity that

331

00:16:14,329 --> 00:16:11,639

we can't avoid even when I try to

332

00:16:16,970 --> 00:16:14,339

ignore the topic she will run into

333

00:16:17,870 --> 00:16:16,980

people or I will run into people that

334

00:16:23,569 --> 00:16:17,880

have

335

00:16:26,269 --> 00:16:23,579

there or it's just the weirdest thing I

336

00:16:30,170 --> 00:16:26,279

can't seem to escape it it just keeps

337

00:16:32,930 --> 00:16:30,180

popping into my life and the area and

338

00:16:34,850 --> 00:16:32,940

people who have dealt with Skin Walkers

339

00:16:37,069 --> 00:16:34,860

um up there in northeastern Utah in the

340

00:16:39,769 --> 00:16:37,079

you win a basin and I don't know if it's

341

00:16:42,530 --> 00:16:39,779

synchronicity or if it's coincidence

342

00:16:44,509 --> 00:16:42,540

but it I'm starting to believe it just

343

00:16:46,850 --> 00:16:44,519

is what it is and I can't shake it and

344

00:16:49,310 --> 00:16:46,860

I'm sure you know what I'm talking about

345

00:16:50,689 --> 00:16:49,320

well yeah I do do Ryan I have you know I

346

00:16:52,550 --> 00:16:50,699

don't want to go into another subject

347

00:16:56,090 --> 00:16:52,560

but I had the same thing happen to me

348

00:16:57,650 --> 00:16:56,100

with Montauk you know the whole montage

349

00:16:59,590 --> 00:16:57,660

thing well I had some amazing

350

00:17:02,509 --> 00:16:59,600

experiences and it left me in this

351

00:17:04,730 --> 00:17:02,519

25-year Journey with all these people

352

00:17:07,250 --> 00:17:04,740

coming to me that were part of the whole

353

00:17:09,110 --> 00:17:07,260

Montauk thing and that you know that but

354

00:17:11,270 --> 00:17:09,120

once it gets you or once it grabs you

355

00:17:13,669 --> 00:17:11,280

any of these type of paranormal subjects

356

00:17:15,710 --> 00:17:13,679

it can hold on to you and it'll bring in

357

00:17:18,049 --> 00:17:15,720

other people other people in your family

358

00:17:20,630 --> 00:17:18,059

will start having experiences it is

359

00:17:23,150 --> 00:17:20,640

incredible it's really incredible how it

360

00:17:25,730 --> 00:17:23,160

works I don't know what it is or or how

361

00:17:27,409 --> 00:17:25,740

it works but I know it works these these

362

00:17:29,810 --> 00:17:27,419

things this energies that pull together

363

00:17:32,690 --> 00:17:29,820

and attract each other yeah you can't

364

00:17:34,549 --> 00:17:32,700

make it up because it I mean I'm really

365

00:17:36,650 --> 00:17:34,559

interested in the Montauk stuff so I

366

00:17:38,510 --> 00:17:36,660

might have to uh go get a little

367

00:17:40,250 --> 00:17:38,520

tangential here in a bit and ask you

368

00:17:44,570 --> 00:17:40,260

about that

369

00:17:46,669 --> 00:17:44,580

um as far as manifestations of Skin

370

00:17:49,669 --> 00:17:46,679

Walkers or the trickster they're very

371

00:18:00,710 --> 00:17:49,679

prevalent in the American southwest why

372

00:18:05,330 --> 00:18:03,169

culture has a different name for them

373

00:18:07,070 --> 00:18:05,340

you know so I think the Russians I mean

374

00:18:13,490 --> 00:18:07,080

there's there's

375

00:18:17,150 --> 00:18:13,500

stories and legends about

376

00:18:19,010 --> 00:18:17,160

something dark out there that is it's

377

00:18:20,690 --> 00:18:19,020

coming and you know you tell the story

378

00:18:23,150 --> 00:18:20,700

with the children you know be careful

379

00:18:24,890 --> 00:18:23,160

don't go out at night after midnight or

380

00:18:27,650 --> 00:18:24,900

not after midnight after like when it

381

00:18:30,650 --> 00:18:27,660

gets dark Twilight and they they often

382

00:18:32,810 --> 00:18:30,660

stay don't go out and

383

00:18:35,570 --> 00:18:32,820

um walk the forest at night don't do

384

00:18:39,049 --> 00:18:35,580

this don't do that I think every culture

385

00:18:40,850 --> 00:18:39,059

has their version of the skinwalker

386

00:18:42,650 --> 00:18:40,860

I just think that the Native American

387

00:18:45,529 --> 00:18:42,660

just made it

388

00:18:47,930 --> 00:18:45,539

um that much more scary because of the

389

00:18:50,510 --> 00:18:47,940

actual name itself which is Skinwalker

390

00:18:53,029 --> 00:18:50,520

which basically just means it's a dark

391

00:18:55,909 --> 00:18:53,039

Shaman someone who is wearing the skin

392

00:18:57,890 --> 00:18:55,919

of an animal and are trying to gain or

393

00:18:59,990 --> 00:18:57,900

or they have gained those attributes of

394

00:19:02,330 --> 00:19:00,000

the animal that they're wearing like if

395

00:19:04,789 --> 00:19:02,340

they want speed it would be deer or a

396

00:19:07,610 --> 00:19:04,799

coyote for you know the cunningness or

397

00:19:10,250 --> 00:19:07,620

whatever or it could be a wolf or it

398

00:19:12,830 --> 00:19:10,260

could be feathers for the eyesight of

399

00:19:14,990 --> 00:19:12,840

the owl in the Hawks and the Eagles

400

00:19:18,049 --> 00:19:15,000

whatever so they try to gain the

401
00:19:21,650 --> 00:19:18,059
attributes of the specific animals

402
00:19:24,169 --> 00:19:21,660
and in many cases they have the ability

403
00:19:26,750 --> 00:19:24,179
to do this but I don't think that is

404
00:19:30,169 --> 00:19:26,760
just it's just for us because we're here

405
00:19:31,490 --> 00:19:30,179
in America we hear that term more but I

406
00:19:34,310 --> 00:19:31,500
think they have different terms

407
00:19:37,490 --> 00:19:34,320
everywhere for the very same type of

408
00:19:39,409 --> 00:19:37,500
dark salmon or you know human who is

409
00:19:40,909 --> 00:19:39,419
stealing in dark magic and that's

410
00:19:43,310 --> 00:19:40,919
basically what they're doing

411
00:19:44,810 --> 00:19:43,320
yeah I mean I have to agree but I think

412
00:19:46,370 --> 00:19:44,820
in the Southwest

413
00:19:48,470 --> 00:19:46,380

I mean I've lived all over the country

414

00:19:51,950 --> 00:19:48,480

and I have to tell you when I lived in

415

00:19:53,390 --> 00:19:51,960

the southwest which is probably 12 well

416

00:19:55,789 --> 00:19:53,400

actually if you throw all of the

417

00:19:59,029 --> 00:19:55,799

different places I live New Mexico and

418

00:20:02,210 --> 00:19:59,039

and uh Arizona and Utah I guess it's

419

00:20:04,669 --> 00:20:02,220

probably almost 20 years right so I I

420

00:20:06,650 --> 00:20:04,679

guess the whole thing was it just seems

421

00:20:09,409 --> 00:20:06,660

like the Native Americans and maybe the

422

00:20:12,049 --> 00:20:09,419

shamans or whoever they seem to embrace

423

00:20:13,430 --> 00:20:12,059

the story more than anywhere else that I

424

00:20:15,470 --> 00:20:13,440

have seen around the country because I

425

00:20:18,529 --> 00:20:15,480

lived out East I lived in the Midwest

426
00:20:21,650 --> 00:20:18,539
and I never even heard of a skinwalker

427
00:20:23,930 --> 00:20:21,660
ever until I went to the Southwest so I

428
00:20:26,150 --> 00:20:23,940
I think it's in me it's something to do

429
00:20:28,010 --> 00:20:26,160
rainbow may agree or disagree it was

430
00:20:29,570 --> 00:20:28,020
quite a bit of the Pueblo Indians here

431
00:20:31,909 --> 00:20:29,580
you could have more you think there's

432
00:20:34,430 --> 00:20:31,919
something more going on I lived in Egypt

433
00:20:36,289 --> 00:20:34,440
for a short while you definitely sorcery

434
00:20:39,710 --> 00:20:36,299
and Magic started

435
00:20:43,430 --> 00:20:39,720
you know so it's like for me if you want

436
00:20:47,029 --> 00:20:43,440
to go to where magic is like at its core

437
00:20:48,830 --> 00:20:47,039
it's you know you go to Egypt because um

438
00:20:51,650 --> 00:20:48,840

think about uh you know the story of

439

00:20:53,390 --> 00:20:51,660

Moses when they were able to um with the

440

00:20:54,950 --> 00:20:53,400

snakes you know when they were able to

441

00:20:56,570 --> 00:20:54,960

make a walking stick and then they were

442

00:20:58,370 --> 00:20:56,580

able to change it and then there was the

443

00:21:01,310 --> 00:20:58,380

snake and then all that different stuff

444

00:21:03,470 --> 00:21:01,320

I mean to me sorcery is old it's ancient

445

00:21:05,510 --> 00:21:03,480

it's Pagan and I think the Native

446

00:21:07,549 --> 00:21:05,520

Americans there's a connection to me

447

00:21:09,950 --> 00:21:07,559

I've always thought of the Native

448

00:21:12,770 --> 00:21:09,960

Americans to Egypt but I think it's just

449

00:21:15,110 --> 00:21:12,780

at the core of what sorcery is certain

450

00:21:18,049 --> 00:21:15,120

cultures just Embrace and they haven't

451
00:21:20,450 --> 00:21:18,059
forgotten that the dark and the light in

452
00:21:22,630 --> 00:21:20,460
the Twilight of the two so the Native

453
00:21:25,430 --> 00:21:22,640
Americans are just really one with Earth

454
00:21:26,870 --> 00:21:25,440
and so you know I found that in Egypt as

455
00:21:29,510 --> 00:21:26,880
well

456
00:21:31,970 --> 00:21:29,520
um so I think that for me is to say

457
00:21:34,310 --> 00:21:31,980
embrace the reality of something that I

458
00:21:35,930 --> 00:21:34,320
think other cultures try to forget and I

459
00:21:38,029 --> 00:21:35,940
think it's just more convenient to

460
00:21:39,470 --> 00:21:38,039
forget something than to look at

461
00:21:43,310 --> 00:21:39,480
something straight in the face and say

462
00:21:45,289 --> 00:21:43,320
okay I see what that is so yeah I agree

463
00:21:47,990 --> 00:21:45,299

with you but to me because I went to the

464

00:21:51,470 --> 00:21:48,000

Middle East it is there too

465

00:21:53,870 --> 00:21:51,480

there you go I like that you know that's

466

00:21:56,870 --> 00:21:53,880

awesome rainbow because it's one of my

467

00:22:00,970 --> 00:21:56,880

great beliefs exactly what you said that

468

00:22:04,130 --> 00:22:00,980

this is where the sorcery started and

469

00:22:08,210 --> 00:22:04,140

many of the many of the magical

470

00:22:10,930 --> 00:22:08,220

practices if you compare them like here

471

00:22:14,690 --> 00:22:10,940

in the American southwest compared to

472

00:22:17,390 --> 00:22:14,700

sorcery you know that that gin evoking

473

00:22:19,850 --> 00:22:17,400

or manifesting magic of the Middle East

474

00:22:22,490 --> 00:22:19,860

you end up with a lot of similarities

475

00:22:25,630 --> 00:22:22,500

and it's like how in the world could you

476

00:22:27,649 --> 00:22:25,640

like you said there had to be some some

477

00:22:32,870 --> 00:22:27,659

cross-pollination there there had to be

478

00:22:35,750 --> 00:22:32,880

some way that this message or this these

479

00:22:38,810 --> 00:22:35,760

dark adepts were able to get this form

480

00:22:41,570 --> 00:22:38,820

of Witchcraft from there to here right

481

00:22:44,210 --> 00:22:41,580

it's it's always been a theory of mine

482

00:22:46,430 --> 00:22:44,220

that there there is there's an invisible

483

00:22:48,470 --> 00:22:46,440

Bridge there somewhere that people need

484

00:22:52,970 --> 00:22:48,480

to it would be great to figure out what

485

00:22:55,070 --> 00:22:52,980

it was and right it's like you hear all

486

00:22:57,169 --> 00:22:55,080

these cultures like in Peru they have

487

00:23:00,490 --> 00:22:57,179

viracocha

488

00:23:04,909 --> 00:23:00,500

um they have Quetzalcoatl in Mexico

489

00:23:09,710 --> 00:23:04,919

very similar again you know magicians or

490

00:23:11,570 --> 00:23:09,720

entities and you know complete opposite

491

00:23:13,970 --> 00:23:11,580

spectrums of the planet it's I don't

492

00:23:15,289 --> 00:23:13,980

know it's it's super interesting and I'm

493

00:23:17,029 --> 00:23:15,299

glad you mentioned that because that's

494

00:23:20,810 --> 00:23:17,039

always been kind of a belief of mine

495

00:23:23,450 --> 00:23:20,820

that that's been a cradle of magic and

496

00:23:25,310 --> 00:23:23,460

everything kind of expressed out from

497

00:23:28,250 --> 00:23:25,320

there

498

00:23:31,070 --> 00:23:28,260

um another question I had is very little

499

00:23:33,350 --> 00:23:31,080

is publicly known about shape shifters

500

00:23:36,289 --> 00:23:33,360

and Skin Walkers it seems like a very

501
00:23:39,590 --> 00:23:36,299
hidden realm and those who know know why

502
00:23:41,029 --> 00:23:39,600
is that why is it so hidden uh but with

503
00:23:42,950 --> 00:23:41,039
rainbow I know he's going to talk about

504
00:23:44,870 --> 00:23:42,960
it but let me just say a few things that

505
00:23:46,930 --> 00:23:44,880
from my experiences

506
00:23:49,549 --> 00:23:46,940
when I say of experiences really

507
00:23:51,890 --> 00:23:49,559
witnessing and from a standpoint of

508
00:23:53,930 --> 00:23:51,900
people talking to people basically you

509
00:23:56,930 --> 00:23:53,940
know the biggest problem we always had

510
00:23:58,789 --> 00:23:56,940
or I always had uh talking uh to people

511
00:24:00,950 --> 00:23:58,799
about skin workers they didn't want to

512
00:24:03,590 --> 00:24:00,960
talk about it the Native Americans just

513
00:24:04,970 --> 00:24:03,600

stay away from it and are pretty well

514

00:24:08,210 --> 00:24:04,980

silenced

515

00:24:11,690 --> 00:24:08,220

now you know some of the experiences

516

00:24:13,909 --> 00:24:11,700

it took a while because I I was very

517

00:24:16,669 --> 00:24:13,919

fortunate I lived in New Mexico

518

00:24:19,070 --> 00:24:16,679

I worked I was a general manager for a

519

00:24:21,710 --> 00:24:19,080

big warehousing company and we had a lot

520

00:24:24,289 --> 00:24:21,720

of Native Americans at work for us

521

00:24:26,570 --> 00:24:24,299

and one of the Native Americans who

522

00:24:28,549 --> 00:24:26,580

finally started talking to me about a

523

00:24:31,789 --> 00:24:28,559

lot of stuff Native Americans happened

524

00:24:34,490 --> 00:24:31,799

to be the great grandson of sittingbo

525

00:24:36,409 --> 00:24:34,500

so he was loaded with he was just

526

00:24:38,810 --> 00:24:36,419

incredible stuff you talk about but for

527

00:24:41,330 --> 00:24:38,820

about two years you would not talk to me

528

00:24:43,250 --> 00:24:41,340

at all about it in fact at one point he

529

00:24:45,470 --> 00:24:43,260

actually made stuff up and he admitted

530

00:24:48,350 --> 00:24:45,480

it later because he just didn't want to

531

00:24:50,510 --> 00:24:48,360

invoke whatever because he felt very

532

00:24:52,970 --> 00:24:50,520

strong if you start talking about these

533

00:24:54,830 --> 00:24:52,980

things especially Skin Walkers that

534

00:24:56,330 --> 00:24:54,840

that's going to draw something you

535

00:24:57,890 --> 00:24:56,340

attract them too you tracked him too

536

00:25:01,250 --> 00:24:57,900

that's what their beliefs are they

537

00:25:03,230 --> 00:25:01,260

really do believe that and so finally he

538

00:25:04,909 --> 00:25:03,240

was more willing to talk about Sasquatch

539

00:25:06,470 --> 00:25:04,919

and some other type of cryptics and

540

00:25:08,690 --> 00:25:06,480

stuff that lived on the reservation it

541

00:25:11,210 --> 00:25:08,700

was very open on that he wasn't afraid

542

00:25:12,289 --> 00:25:11,220

of that but he always would just barely

543

00:25:14,630 --> 00:25:12,299

mention

544

00:25:17,149 --> 00:25:14,640

and he was a medicine man he didn't want

545

00:25:19,789 --> 00:25:17,159

to even mention it he was not going to

546

00:25:22,490 --> 00:25:19,799

talk about it as much as I kind of tried

547

00:25:23,750 --> 00:25:22,500

and he said no you know or he he changed

548

00:25:26,570 --> 00:25:23,760

the subject he said well let's talk

549

00:25:28,970 --> 00:25:26,580

about this or something else but I they

550

00:25:30,890 --> 00:25:28,980

just feel really uncomfortable about it

551
00:25:32,870 --> 00:25:30,900
and they're the ones that are the source

552
00:25:35,390 --> 00:25:32,880
material they really are they have the

553
00:25:36,769 --> 00:25:35,400
information uh now eventually you know

554
00:25:38,630 --> 00:25:36,779
I'd gotten some pretty interesting

555
00:25:40,909 --> 00:25:38,640
stories not so much from him but from

556
00:25:42,049 --> 00:25:40,919
some other people which you know later I

557
00:25:44,029 --> 00:25:42,059
can share or whatever but go ahead

558
00:25:50,029 --> 00:25:44,039
rainbow I'm sure you'd like to jump in

559
00:25:56,450 --> 00:25:53,570
I'm a wild child number one

560
00:25:58,669 --> 00:25:56,460
I don't agree with sweeping it under the

561
00:26:00,409 --> 00:25:58,679
rug because just because you don't want

562
00:26:04,130 --> 00:26:00,419
to talk about it doesn't mean it's not

563
00:26:06,970 --> 00:26:04,140

there so what these things have been

564

00:26:10,610 --> 00:26:06,980

able to do is hide in plain sight

565

00:26:14,690 --> 00:26:10,620

because no one is going to confront

566

00:26:16,430 --> 00:26:14,700

something that they don't want to see so

567

00:26:19,130 --> 00:26:16,440

if they're turning a blind eye to

568

00:26:21,110 --> 00:26:19,140

something that obviously is there

569

00:26:25,010 --> 00:26:21,120

but they don't want to address it

570

00:26:26,330 --> 00:26:25,020

and as a Medicine Woman myself I walk in

571

00:26:29,690 --> 00:26:26,340

the Twilight

572

00:26:30,590 --> 00:26:29,700

what that means is that I I'm in the

573

00:26:33,529 --> 00:26:30,600

light

574

00:26:36,409 --> 00:26:33,539

but I have to peer into the dark I have

575

00:26:39,049 --> 00:26:36,419

to in order for you to know how to deal

576

00:26:41,630 --> 00:26:39,059

with a situation for somebody say for

577

00:26:44,210 --> 00:26:41,640

instance a skin walker I have to know

578

00:26:45,950 --> 00:26:44,220

how it's gonna Walker works I have to

579

00:26:48,049 --> 00:26:45,960

know what kind of ceremony they do I

580

00:26:51,049 --> 00:26:48,059

have to know what kind of animal form

581

00:26:52,870 --> 00:26:51,059

that they're using I have to know every

582

00:26:56,029 --> 00:26:52,880

possible bit of information

583

00:26:58,310 --> 00:26:56,039

that I can get in order to solve a

584

00:27:00,289 --> 00:26:58,320

problem and if I'm willing to go in

585

00:27:02,570 --> 00:27:00,299

there and solve a problem

586

00:27:04,610 --> 00:27:02,580

I have to peer into the darkness it

587

00:27:07,610 --> 00:27:04,620

doesn't mean I like it but I walk that

588

00:27:09,529 --> 00:27:07,620

Twilight that in between and I have to

589

00:27:12,409 --> 00:27:09,539

in order to do my medicine

590

00:27:14,930 --> 00:27:12,419

so that means to me I can't allow for

591

00:27:17,330 --> 00:27:14,940

this topic to be slipped under the rug

592

00:27:20,210 --> 00:27:17,340

because I can't allow for these things

593

00:27:22,970 --> 00:27:20,220

to hide in plain sight and I always have

594

00:27:25,789 --> 00:27:22,980

felt that if we didn't do that that

595

00:27:28,610 --> 00:27:25,799

shall not be named kind of stuff right

596

00:27:30,590 --> 00:27:28,620

like in Harry Potter what happens is

597

00:27:32,870 --> 00:27:30,600

what happened in Harry Potter it came

598

00:27:35,149 --> 00:27:32,880

out for everybody and so these things

599

00:27:37,430 --> 00:27:35,159

know they can hide and I call them

600

00:27:39,470 --> 00:27:37,440

things because at a certain point they

601
00:27:40,430 --> 00:27:39,480
get crazy in the brain they just get

602
00:27:43,070 --> 00:27:40,440
crazy

603
00:27:46,610 --> 00:27:43,080
and I've always felt that Skin Walkers

604
00:27:49,310 --> 00:27:46,620
don't have any room in their ego for

605
00:27:50,750 --> 00:27:49,320
anything uh possessing them because

606
00:27:53,450 --> 00:27:50,760
they're so full of their own possession

607
00:27:55,190 --> 00:27:53,460
they're so full of their own respite

608
00:27:56,330 --> 00:27:55,200
their own not their not respite but

609
00:27:58,730 --> 00:27:56,340
they're not their rest but they're

610
00:28:01,490 --> 00:27:58,740
unrest so they're like The Walking Dead

611
00:28:04,130 --> 00:28:01,500
all they can do is consume negativity

612
00:28:06,529 --> 00:28:04,140
and go after something a source to

613
00:28:09,470 --> 00:28:06,539

refill their their whatever it is

614

00:28:12,110 --> 00:28:09,480

they're trying to regain like their

615

00:28:13,310 --> 00:28:12,120

youth or whatever so they target young

616

00:28:16,490 --> 00:28:13,320

kids

617

00:28:19,070 --> 00:28:16,500

in some instances and so as a menace

618

00:28:20,990 --> 00:28:19,080

moment I can't allow that because our

619

00:28:23,390 --> 00:28:21,000

children are everything and it takes a

620

00:28:25,130 --> 00:28:23,400

tribe to raise a child so I have to help

621

00:28:27,350 --> 00:28:25,140

protect the children

622

00:28:30,470 --> 00:28:27,360

but what I do know from my understanding

623

00:28:32,210 --> 00:28:30,480

is from my experiences is that either I

624

00:28:34,669 --> 00:28:32,220

have to Stand My Ground and understand

625

00:28:37,490 --> 00:28:34,679

how to do it or not

626

00:28:39,769 --> 00:28:37,500

but hiding the fact that they're there

627

00:28:42,169 --> 00:28:39,779

doesn't do anybody any good and that's

628

00:28:44,149 --> 00:28:42,179

why they're they're more in the dark and

629

00:28:47,510 --> 00:28:44,159

in the legend aspect and why people

630

00:28:49,430 --> 00:28:47,520

don't want to speak about them so I'm a

631

00:28:51,230 --> 00:28:49,440

wild child I might know let's not do

632

00:28:53,210 --> 00:28:51,240

that anymore we have to bring them out

633

00:28:56,630 --> 00:28:53,220

in the open and we have to address them

634

00:28:59,210 --> 00:28:56,640

as a society because if you have a large

635

00:29:02,269 --> 00:28:59,220

group of people that are willing to

636

00:29:05,810 --> 00:29:02,279

confront something dark you have a

637

00:29:08,330 --> 00:29:05,820

better chance of success in in dealing

638

00:29:10,250 --> 00:29:08,340

with it than just me going out there

639

00:29:12,710 --> 00:29:10,260

with Michael and maybe someone else and

640

00:29:15,590 --> 00:29:12,720

having to deal with something that is is

641

00:29:18,409 --> 00:29:15,600

really wicked and scary and I I've dealt

642

00:29:22,130 --> 00:29:18,419

with one woman that I truly believe was

643

00:29:24,230 --> 00:29:22,140

a skin walker and I literally saw her

644

00:29:28,010 --> 00:29:24,240

change in front of my face from a young

645

00:29:31,070 --> 00:29:28,020

woman into an old woman

646

00:29:34,130 --> 00:29:31,080

and when I saw that

647

00:29:35,930 --> 00:29:34,140

I realized that I would I came as close

648

00:29:37,970 --> 00:29:35,940

as I possibly could to Danger because

649

00:29:40,850 --> 00:29:37,980

she was walking towards me

650

00:29:43,430 --> 00:29:40,860

and I had backup I had a friend of mine

651
00:29:46,190 --> 00:29:43,440
who walked in the door and he was going

652
00:29:49,970 --> 00:29:46,200
to stop her from doing something to me

653
00:29:52,370 --> 00:29:49,980
so that was in my naive days from these

654
00:29:54,830 --> 00:29:52,380
experiences that I'd had I've learned

655
00:29:56,990 --> 00:29:54,840
that you do have to have backup

656
00:29:59,330 --> 00:29:57,000
in having backups you have to also

657
00:30:02,630 --> 00:29:59,340
understand that if you're going to go

658
00:30:05,450 --> 00:30:02,640
and address these these people

659
00:30:09,110 --> 00:30:05,460
that you have to be willing to actually

660
00:30:11,149 --> 00:30:09,120
say hey I know you're a skin walker you

661
00:30:12,710 --> 00:30:11,159
have to actually verbally say it and

662
00:30:13,549 --> 00:30:12,720
address it so that they know that you

663
00:30:16,250 --> 00:30:13,559

know

664

00:30:18,049 --> 00:30:16,260

and and I understand why a lot of people

665

00:30:20,630 --> 00:30:18,059

don't want to have to do that I get it

666

00:30:23,389 --> 00:30:20,640

it's not easy it's scary

667

00:30:25,970 --> 00:30:23,399

but then look where we are today where

668

00:30:28,909 --> 00:30:25,980

not many people want to talk about them

669

00:30:32,029 --> 00:30:28,919

where has that got us

670

00:30:36,230 --> 00:30:32,039

yeah I don't it almost gives them more

671

00:30:38,810 --> 00:30:36,240

power as you said overall and it I

672

00:30:42,710 --> 00:30:38,820

always think of that uh what is that

673

00:30:45,769 --> 00:30:42,720

saying all it takes for evil to persist

674

00:30:50,870 --> 00:30:45,779

is for good people to do nothing and

675

00:30:57,230 --> 00:30:54,529

yeah evil grows more more powerful in a

676
00:30:59,630 --> 00:30:57,240
dark we know that from just other things

677
00:31:01,970 --> 00:30:59,640
in our lives we don't know about things

678
00:31:04,250 --> 00:31:01,980
they just start festering and getting

679
00:31:07,370 --> 00:31:04,260
worse and worse until they are so big

680
00:31:09,110 --> 00:31:07,380
you can't do much about it anymore so uh

681
00:31:11,570 --> 00:31:09,120
that's the thing to open them up and

682
00:31:13,250 --> 00:31:11,580
bring them forward let them be exposed

683
00:31:15,289 --> 00:31:13,260
basically and then they're weak again

684
00:31:16,610 --> 00:31:15,299
then then you're kind of equally equal

685
00:31:17,690 --> 00:31:16,620
with them

686
00:31:20,750 --> 00:31:17,700
yeah

687
00:31:23,149 --> 00:31:20,760
it does seem this is so weird because

688
00:31:25,250 --> 00:31:23,159

even the literature you know you try to

689

00:31:26,149 --> 00:31:25,260

find like the really good literature

690

00:31:28,970 --> 00:31:26,159

like

691

00:31:31,130 --> 00:31:28,980

um I'm thinking of various books on the

692

00:31:33,169 --> 00:31:31,140

subject and even those books like the

693

00:31:35,930 --> 00:31:33,179

books uh there's a book by Clyde

694

00:31:38,330 --> 00:31:35,940

Cleghorn and there's others there's many

695

00:31:41,269 --> 00:31:38,340

others but even those books are super

696

00:31:43,130 --> 00:31:41,279

hard to find and very expensive and it

697

00:31:46,909 --> 00:31:43,140

makes it brings up what you're saying

698

00:31:48,529 --> 00:31:46,919

it's almost as if it really is taboo

699

00:31:52,190 --> 00:31:48,539

culturally

700

00:31:55,430 --> 00:31:52,200

it's yeah I think we have to look at at

701
00:31:56,870 --> 00:31:55,440
the taboos of of the kind of world that

702
00:31:59,389 --> 00:31:56,880
we create

703
00:32:01,970 --> 00:31:59,399
because

704
00:32:03,710 --> 00:32:01,980
it can't just be a select few of people

705
00:32:06,350 --> 00:32:03,720
like me or whoever who's willing to deal

706
00:32:08,210 --> 00:32:06,360
with the the topic

707
00:32:10,850 --> 00:32:08,220
um there has to be

708
00:32:12,409 --> 00:32:10,860
a an education

709
00:32:17,810 --> 00:32:12,419
to

710
00:32:19,250 --> 00:32:17,820
were stating where Darkness where it's

711
00:32:21,230 --> 00:32:19,260
able to live

712
00:32:23,810 --> 00:32:21,240
it thrives

713
00:32:26,330 --> 00:32:23,820

because there's no education on this no

714

00:32:28,310 --> 00:32:26,340

one wants to talk about it and I do know

715

00:32:32,269 --> 00:32:28,320

for a fact that in some Native American

716

00:32:34,850 --> 00:32:32,279

families that there's one person who is

717

00:32:37,549 --> 00:32:34,860

actually in the dark medicine a dark

718

00:32:39,649 --> 00:32:37,559

Shaman and actually going into the

719

00:32:41,450 --> 00:32:39,659

skinwalker aspect of that and then

720

00:32:43,909 --> 00:32:41,460

there's another member in the family

721

00:32:47,029 --> 00:32:43,919

who's a medicine man or woman who's in

722

00:32:49,070 --> 00:32:47,039

the light and who heals so for Every

723

00:32:51,529 --> 00:32:49,080

curse there's a cure

724

00:32:54,470 --> 00:32:51,539

but you know you you're always dealing

725

00:32:56,690 --> 00:32:54,480

with that battle of light and darkness

726

00:32:58,310 --> 00:32:56,700

it's always going to be there but you

727

00:33:01,010 --> 00:32:58,320

just have to figure out what side you're

728

00:33:03,049 --> 00:33:01,020

on and understand that you can win the

729

00:33:05,690 --> 00:33:03,059

battles if you don't think you can win

730

00:33:08,990 --> 00:33:05,700

the battles don't you know don't enter

731

00:33:12,649 --> 00:33:09,000

the war of Good and Evil because it's

732

00:33:15,649 --> 00:33:12,659

you can get hurt and I have I've I

733

00:33:18,289 --> 00:33:15,659

actually dealt with a dark witch

734

00:33:20,810 --> 00:33:18,299

too many extremely sick and I had to

735

00:33:23,269 --> 00:33:20,820

have my mentor come and she had to do

736

00:33:26,930 --> 00:33:23,279

give me herbs and potions and stuff to

737

00:33:28,630 --> 00:33:26,940

heal me but it was it was horrible so I

738

00:33:32,690 --> 00:33:28,640

look I'm not looking for trouble

739

00:33:35,149 --> 00:33:32,700

sometimes I'm not I'm in my Bliss and

740

00:33:36,409 --> 00:33:35,159

I'm oblivious to what's going on and it

741

00:33:38,330 --> 00:33:36,419

looks for me

742

00:33:41,330 --> 00:33:38,340

but it's because I have chosen the

743

00:33:43,009 --> 00:33:41,340

medicine way that I can't choose to to

744

00:33:45,529 --> 00:33:43,019

have a blind eye to all this stuff

745

00:33:47,470 --> 00:33:45,539

happening and I think that

746

00:33:52,430 --> 00:33:47,480

when it comes to children

747

00:33:55,070 --> 00:33:52,440

my my I just made a promise to you know

748

00:33:57,049 --> 00:33:55,080

the grandfathers and to God and to the

749

00:33:59,750 --> 00:33:57,059

goddesses that I will always protect

750

00:34:02,029 --> 00:33:59,760

them and in order to protect them I have

751
00:34:04,310 --> 00:34:02,039
to address these topics that are not fun

752
00:34:06,889 --> 00:34:04,320
to address

753
00:34:10,609 --> 00:34:06,899
yeah I was gonna let this one lie but

754
00:34:12,109 --> 00:34:10,619
now I just have to ask because okay yeah

755
00:34:14,089 --> 00:34:12,119
you've brought up something very

756
00:34:16,970 --> 00:34:14,099
interesting that nobody ever talks about

757
00:34:20,930 --> 00:34:16,980
which is very true and that is the

758
00:34:23,930 --> 00:34:20,940
children involved and how much like

759
00:34:27,290 --> 00:34:23,940
other dark arts we hear of in other

760
00:34:29,389 --> 00:34:27,300
Realms or other cultures this is a

761
00:34:31,550 --> 00:34:29,399
source of energy isn't it and something

762
00:34:32,810 --> 00:34:31,560
that they go after

763
00:34:40,010 --> 00:34:32,820

sure

764

00:34:43,970 --> 00:34:40,020

um when I was doing dimensional walking

765

00:34:47,030 --> 00:34:43,980

um and this is uh years ago and I I in

766

00:34:48,889 --> 00:34:47,040

the dimensional walking is the you know

767

00:34:50,450 --> 00:34:48,899

just walking with my just going out

768

00:34:52,970 --> 00:34:50,460

there with my dream body

769

00:34:54,770 --> 00:34:52,980

I actually

770

00:34:56,690 --> 00:34:54,780

I think I was in New Mexico and I think

771

00:34:59,150 --> 00:34:56,700

I unintentionally came across something

772

00:35:02,630 --> 00:34:59,160

I wasn't supposed to come across and I

773

00:35:05,630 --> 00:35:02,640

saw a dark Shaman a skin walker and I

774

00:35:08,210 --> 00:35:05,640

saw what he was doing to a little boy

775

00:35:12,890 --> 00:35:08,220

and he was actually draining

776

00:35:15,530 --> 00:35:12,900

his his energy source and and I knew

777

00:35:19,490 --> 00:35:15,540

um and and what happened was when I when

778

00:35:21,530 --> 00:35:19,500

I knew what he was doing he turned

779

00:35:23,329 --> 00:35:21,540

and he looked at me

780

00:35:25,849 --> 00:35:23,339

and I went

781

00:35:29,810 --> 00:35:25,859

what am I doing here because it was in a

782

00:35:32,210 --> 00:35:29,820

cave and it was present day and I I had

783

00:35:36,290 --> 00:35:32,220

to get out and I immediately woke up and

784

00:35:39,109 --> 00:35:36,300

I realized that they target children and

785

00:35:42,770 --> 00:35:39,119

there's unfortunately I think that there

786

00:35:45,710 --> 00:35:42,780

are many children who go missing I think

787

00:35:47,990 --> 00:35:45,720

that that some not all but I think

788

00:35:50,329 --> 00:35:48,000

there's some Skin Walkers who Target

789

00:35:51,410 --> 00:35:50,339

children and they can Target children

790

00:35:53,390 --> 00:35:51,420

who

791

00:35:56,510 --> 00:35:53,400

aren't easy to find

792

00:36:00,230 --> 00:35:56,520

and so I realized at that point

793

00:36:02,810 --> 00:36:00,240

that it it has to be my job to make sure

794

00:36:04,910 --> 00:36:02,820

that if if I'm in a location in an area

795

00:36:07,010 --> 00:36:04,920

and someone asked me to help that I make

796

00:36:09,710 --> 00:36:07,020

sure the children are safe but when I

797

00:36:11,690 --> 00:36:09,720

actually experienced that I was so

798

00:36:14,630 --> 00:36:11,700

frightened to the core of who I am

799

00:36:18,829 --> 00:36:14,640

because it was such evil and darkness

800

00:36:22,190 --> 00:36:18,839

and I was hearing his actual chant and

801
00:36:23,630 --> 00:36:22,200
his the ritual he was doing and and I

802
00:36:28,010 --> 00:36:23,640
remember it to this day and it's just

803
00:36:30,650 --> 00:36:28,020
like I I it was horrible so

804
00:36:32,630 --> 00:36:30,660
yeah we have to protect our children and

805
00:36:34,550 --> 00:36:32,640
yes children are the easiest to Target

806
00:36:38,210 --> 00:36:34,560
because they're innocent

807
00:36:40,750 --> 00:36:38,220
that innocence is a sustenance that is

808
00:36:43,069 --> 00:36:40,760
and then their youth isn't sustenance to

809
00:36:45,890 --> 00:36:43,079
these I call them creatures actually

810
00:36:48,710 --> 00:36:45,900
because that's what they want to stay

811
00:36:52,010 --> 00:36:48,720
young it's just like the old the old

812
00:36:53,690 --> 00:36:52,020
witch that was young and then turned old

813
00:36:56,089 --> 00:36:53,700

um she was actually

814

00:36:59,569 --> 00:36:56,099

um she had all these birds in this huge

815

00:37:02,810 --> 00:36:59,579

uh altar where she was actually killing

816

00:37:04,970 --> 00:37:02,820

all these animals to keep her youth

817

00:37:07,310 --> 00:37:04,980

and I just happened to walk into that

818

00:37:08,569 --> 00:37:07,320

situation so sometimes you just add the

819

00:37:10,069 --> 00:37:08,579

Medicine Woman when you say I'm on the

820

00:37:11,329 --> 00:37:10,079

medicine path you walk into these

821

00:37:13,150 --> 00:37:11,339

situations

822

00:37:16,069 --> 00:37:13,160

but we have to

823

00:37:18,770 --> 00:37:16,079

protect our children they're they're our

824

00:37:21,050 --> 00:37:18,780

future and there's there's evil

825

00:37:23,569 --> 00:37:21,060

creatures and beings and and there's the

826

00:37:25,849 --> 00:37:23,579

satanic crap that goes on and we have to

827

00:37:27,829 --> 00:37:25,859

protect them from all of this it's

828

00:37:29,030 --> 00:37:27,839

there's different types of Darkness out

829

00:37:32,690 --> 00:37:29,040

there and

830

00:37:34,190 --> 00:37:32,700

walking the Twilight I I see that

831

00:37:36,470 --> 00:37:34,200

and it sucks

832

00:37:39,170 --> 00:37:36,480

but then being in the light

833

00:37:42,190 --> 00:37:39,180

I know that that I have what it takes to

834

00:37:47,270 --> 00:37:42,200

help and that's the important thing

835

00:37:49,490 --> 00:37:47,280

well said and it reminds me of um an

836

00:37:52,849 --> 00:37:49,500

individual who I was asking some

837

00:37:54,410 --> 00:37:52,859

questions to and he he said something

838

00:37:56,450 --> 00:37:54,420

very similar

839

00:37:59,510 --> 00:37:56,460

I said aren't you scared going you know

840

00:38:01,490 --> 00:37:59,520

into these places at night after these

841

00:38:04,310 --> 00:38:01,500

things and and he said

842

00:38:06,349 --> 00:38:04,320

no the the darkness is my friend you

843

00:38:08,270 --> 00:38:06,359

know and because like you said you have

844

00:38:10,490 --> 00:38:08,280

to be comfortable in both the darkness

845

00:38:13,849 --> 00:38:10,500

and the light so I think that's really

846

00:38:16,069 --> 00:38:13,859

good uh as far as you know sometimes

847

00:38:20,270 --> 00:38:16,079

these creatures and I'm glad you said

848

00:38:21,130 --> 00:38:20,280

creatures because they can get overly

849

00:38:24,470 --> 00:38:21,140

um

850

00:38:27,829 --> 00:38:24,480

possessed in this in this in this uh oh

851

00:38:31,310 --> 00:38:27,839

I'm trying to the frenzy right of the of

852

00:38:33,950 --> 00:38:31,320

of of the magic and they are often seen

853

00:38:36,050 --> 00:38:33,960

as crypto creatures and Bigfoot

854

00:38:39,230 --> 00:38:36,060

sightings are sometimes possibly

855

00:38:41,710 --> 00:38:39,240

misidentified as other creatures how do

856

00:38:45,109 --> 00:38:41,720

we tell crypto creatures wendigos

857

00:38:48,589 --> 00:38:45,119

skinwalkers rakes Etc how do you tell

858

00:38:52,609 --> 00:38:50,870

um well I I rainbow have some input on

859

00:38:53,810 --> 00:38:52,619

this for sure but I I just got to tell

860

00:38:55,310 --> 00:38:53,820

you um

861

00:38:56,329 --> 00:38:55,320

I know I'm going to mix a little

862

00:38:59,870 --> 00:38:56,339

something a little different here

863

00:39:01,609 --> 00:38:59,880

because I just had a I did a video on uh

864

00:39:03,470 --> 00:39:01,619

this whole thing there's been a big push

865

00:39:04,790 --> 00:39:03,480

I don't know if you've seen it where

866

00:39:07,670 --> 00:39:04,800

they're trying to push everybody's

867

00:39:09,950 --> 00:39:07,680

thoughts on the on the Bigfoot that it's

868

00:39:11,750 --> 00:39:09,960

actually a black bear did you see that

869

00:39:14,210 --> 00:39:11,760

whole thing have you seen that line okay

870

00:39:16,310 --> 00:39:14,220

anyways the whole the whole deal is so

871

00:39:18,829 --> 00:39:16,320

that's so ridiculous it's so ridiculous

872

00:39:21,290 --> 00:39:18,839

for many reasons because a lot of people

873

00:39:23,990 --> 00:39:21,300

that I personally have talked to have

874

00:39:25,849 --> 00:39:24,000

had these encounters that were so close

875

00:39:28,310 --> 00:39:25,859

that you could never say they were a

876

00:39:31,010 --> 00:39:28,320

black bear okay or and that's the same

877

00:39:32,690 --> 00:39:31,020

with any of them a lot of people that

878

00:39:35,930 --> 00:39:32,700

have had encounters with all the things

879

00:39:38,870 --> 00:39:35,940

you've said are so close it's really

880

00:39:40,609 --> 00:39:38,880

impossible to misidentify them now there

881

00:39:42,770 --> 00:39:40,619

could be this gray area where they're

882

00:39:44,930 --> 00:39:42,780

some of them may be this or some may be

883

00:39:46,849 --> 00:39:44,940

that but they're all pretty much what

884

00:39:48,770 --> 00:39:46,859

they say they are especially when you

885

00:39:50,930 --> 00:39:48,780

see them close up but the Blackboard

886

00:39:53,270 --> 00:39:50,940

thing I I just had I just when I saw

887

00:39:55,910 --> 00:39:53,280

that I read two articles and I just made

888

00:39:57,710 --> 00:39:55,920

went nuts on it because the simple fact

889

00:40:00,470 --> 00:39:57,720

is they're just trying to say especially

890

00:40:02,089 --> 00:40:00,480

in the in the Bigfoot Arena that you

891

00:40:04,310 --> 00:40:02,099

know maybe you're not seeing Bigfoot

892

00:40:06,530 --> 00:40:04,320

maybe you're seeing something else but

893

00:40:09,109 --> 00:40:06,540

that that's not the case I mean when you

894

00:40:11,089 --> 00:40:09,119

see a Bigfoot reasonably close up you

895

00:40:12,589 --> 00:40:11,099

know it's a Bigfoot and probably each

896

00:40:15,170 --> 00:40:12,599

one of those other Cryptids that you

897

00:40:17,569 --> 00:40:15,180

mentioned if you seem close enough it's

898

00:40:20,089 --> 00:40:17,579

not only the visual it's the energy that

899

00:40:22,190 --> 00:40:20,099

they give off you know Sasquatch gives

900

00:40:24,710 --> 00:40:22,200

off tremendous energy very powerful

901
00:40:26,990 --> 00:40:24,720
energy and I I all the other ones give

902
00:40:29,210 --> 00:40:27,000
off their own type of energy and that's

903
00:40:31,670 --> 00:40:29,220
really what you're should be clueing you

904
00:40:34,550 --> 00:40:31,680
in on what that is out there

905
00:40:37,550 --> 00:40:34,560
rainbow well I I wholeheartedly agree

906
00:40:40,730 --> 00:40:37,560
with Michael it's the energy uh well

907
00:40:41,630 --> 00:40:40,740
when we dealt with dog man up in in New

908
00:40:44,810 --> 00:40:41,640
Mexico

909
00:40:46,849 --> 00:40:44,820
uh the one thing that he gave off was

910
00:40:49,010 --> 00:40:46,859
because we we visually saw I visually

911
00:40:52,849 --> 00:40:49,020
saw him I don't know if you saw him but

912
00:40:55,010 --> 00:40:52,859
I got a photograph of the dog man and he

913
00:40:57,170 --> 00:40:55,020

was he was saying stay away

914

00:41:00,829 --> 00:40:57,180

because it was a holiday and he just did

915

00:41:02,690 --> 00:41:00,839

not want anybody near him and and he was

916

00:41:03,910 --> 00:41:02,700

what did the holiday I'm sorry oh it was

917

00:41:06,589 --> 00:41:03,920

one holiday

918

00:41:07,849 --> 00:41:06,599

it was like the Memorial Day weekend or

919

00:41:09,010 --> 00:41:07,859

something like that and there are tons

920

00:41:12,650 --> 00:41:09,020

of people

921

00:41:14,750 --> 00:41:12,660

he was already he was actually with a a

922

00:41:16,490 --> 00:41:14,760

brown bear yes that was a weird thing

923

00:41:18,349 --> 00:41:16,500

and Michael told me to watch out for the

924

00:41:21,170 --> 00:41:18,359

bear yeah the bear was right in front I

925

00:41:22,609 --> 00:41:21,180

saw I saw the Big Bear yeah and she she

926

00:41:25,250 --> 00:41:22,619

got out ran across the street I was

927

00:41:27,290 --> 00:41:25,260

still parking the car soda and this huge

928

00:41:29,030 --> 00:41:27,300

bear was right there right and I told

929

00:41:32,030 --> 00:41:29,040

her Jesus rainbow look at this bear I

930

00:41:33,950 --> 00:41:32,040

mean it was huge Ryan it was amazing run

931

00:41:36,530 --> 00:41:33,960

across the street we were parked up yeah

932

00:41:40,010 --> 00:41:36,540

you ran across the street I love how he

933

00:41:43,490 --> 00:41:42,050

Park in the car I was standing on a rock

934

00:41:45,349 --> 00:41:43,500

and he didn't want me to go across the

935

00:41:47,270 --> 00:41:45,359

dirt road because he said there's a bear

936

00:41:49,970 --> 00:41:47,280

there and I saw it turn on its haunches

937

00:41:52,310 --> 00:41:49,980

I went oh my God I'm like yeah but then

938

00:41:54,349 --> 00:41:52,320

I saw a really tall

939

00:41:56,930 --> 00:41:54,359

I didn't know what it was I said Michael

940

00:41:59,750 --> 00:41:56,940

look at this hiker this hiker is huge

941

00:42:01,390 --> 00:41:59,760

it's so tall and it had a hunchback and

942

00:42:04,370 --> 00:42:01,400

I'm like yeah

943

00:42:08,810 --> 00:42:04,380

and I'm like explaining it to him and

944

00:42:12,170 --> 00:42:08,820

then it goes and walks off and we both

945

00:42:13,550 --> 00:42:12,180

immediately in our gut got a do not walk

946

00:42:17,270 --> 00:42:13,560

any further

947

00:42:19,730 --> 00:42:17,280

both of us and so I took a picture and

948

00:42:21,950 --> 00:42:19,740

there he was standing looking at us and

949

00:42:24,230 --> 00:42:21,960

he was about eight feet tall they're not

950

00:42:27,109 --> 00:42:24,240

very tall not like soft squash that's

951
00:42:29,630 --> 00:42:27,119
tall but you know I thought you know dog

952
00:42:32,750 --> 00:42:29,640
men were taller right for some reason

953
00:42:35,750 --> 00:42:32,760
but you knew immediately and you don't

954
00:42:37,069 --> 00:42:35,760
have to be empathic to get what a

955
00:42:38,870 --> 00:42:37,079
Cryptid is

956
00:42:40,670 --> 00:42:38,880
but the one thing I think is so

957
00:42:43,790 --> 00:42:40,680
important that people need to understand

958
00:42:46,490 --> 00:42:43,800
is the intention of these things because

959
00:42:49,069 --> 00:42:46,500
that intention is energy and then once

960
00:42:51,050 --> 00:42:49,079
the intention is put out there and

961
00:42:53,329 --> 00:42:51,060
you've got that that feeling in your gut

962
00:42:55,849 --> 00:42:53,339
saying you need to leave now you leave

963
00:42:58,010 --> 00:42:55,859

now that's exactly what you do you leave

964

00:43:00,109 --> 00:42:58,020

immediately and if you go oh I'm just

965

00:43:02,270 --> 00:43:00,119

gonna I'm just gonna push that aside and

966

00:43:05,089 --> 00:43:02,280

keep on going while you're asking for

967

00:43:07,670 --> 00:43:05,099

trouble because Cryptids can not only

968

00:43:10,370 --> 00:43:07,680

empathically give you messages they can

969

00:43:12,050 --> 00:43:10,380

make you feel things that you just

970

00:43:13,990 --> 00:43:12,060

normally don't understand why you're

971

00:43:15,890 --> 00:43:14,000

feeling this and I think Sasquatch

972

00:43:18,050 --> 00:43:15,900

unfortunately is

973

00:43:20,870 --> 00:43:18,060

put in with all these Legends and stuff

974

00:43:24,410 --> 00:43:20,880

of all these creatures and scary stuff

975

00:43:28,430 --> 00:43:24,420

and it's not fair but I do know that if

976
00:43:31,010 --> 00:43:28,440
you come across a a rake or a wendigo or

977
00:43:32,450 --> 00:43:31,020
anything like that you're gonna know it

978
00:43:35,450 --> 00:43:32,460
because they look entirely different

979
00:43:37,370 --> 00:43:35,460
every description of all these Cryptids

980
00:43:39,589 --> 00:43:37,380
that you've mentioned in that we've seen

981
00:43:42,410 --> 00:43:39,599
are entirely different from each other

982
00:43:44,569 --> 00:43:42,420
they're not the same unless Mass

983
00:43:46,370 --> 00:43:44,579
hysteria has happened and people from

984
00:43:48,530 --> 00:43:46,380
all over the world are just you know

985
00:43:51,410 --> 00:43:48,540
this you know maybe it's crazed in a

986
00:43:53,270 --> 00:43:51,420
matrix stuff we're all seeing all these

987
00:43:55,250 --> 00:43:53,280
things and we're describing the exact

988
00:43:57,670 --> 00:43:55,260

same thing so you can't tell an

989

00:43:59,809 --> 00:43:57,680

intelligent human or a person who's

990

00:44:01,910 --> 00:43:59,819

semi-intelligent anyways

991

00:44:05,270 --> 00:44:01,920

I'm talking about myself not you okay

992

00:44:08,809 --> 00:44:05,280

but but you can tell us we didn't see

993

00:44:11,210 --> 00:44:08,819

what we saw I'm not stupid and I'm not

994

00:44:13,250 --> 00:44:11,220

going to agree with you and I'm going to

995

00:44:15,710 --> 00:44:13,260

Stand My Ground on that

996

00:44:17,270 --> 00:44:15,720

so I think if you see any of these

997

00:44:20,089 --> 00:44:17,280

you're going to know the difference by

998

00:44:20,870 --> 00:44:20,099

the intention the energy and what you

999

00:44:23,510 --> 00:44:20,880

feel

1000

00:44:25,190 --> 00:44:23,520

and if you go into the woods and you

1001
00:44:26,630 --> 00:44:25,200
think it's like your house

1002
00:44:28,309 --> 00:44:26,640
and you think you can just do

1003
00:44:31,010 --> 00:44:28,319
willy-nilly whatever you want you're

1004
00:44:33,170 --> 00:44:31,020
asking for trouble because it's not we

1005
00:44:36,890 --> 00:44:33,180
can visit just like someone visits our

1006
00:44:38,630 --> 00:44:36,900
home but we can't act ridiculous and I I

1007
00:44:40,910 --> 00:44:38,640
just think that people

1008
00:44:42,950 --> 00:44:40,920
want to go and relax in the woods but

1009
00:44:46,370 --> 00:44:42,960
you also have to be respectful

1010
00:44:48,290 --> 00:44:46,380
and I I just think that they all sense

1011
00:44:50,030 --> 00:44:48,300
to know if you have a gun they all tend

1012
00:44:51,410 --> 00:44:50,040
to know we have buoy knives we go with

1013
00:44:53,630 --> 00:44:51,420

Bowie knives

1014

00:44:56,030 --> 00:44:53,640

we all know that if you're you know it

1015

00:44:58,309 --> 00:44:56,040

what you're what you're like see people

1016

00:45:00,109 --> 00:44:58,319

don't look at things from the Cryptids

1017

00:45:02,030 --> 00:45:00,119

perspective they're always looking at it

1018

00:45:04,250 --> 00:45:02,040

from the human perspective

1019

00:45:06,290 --> 00:45:04,260

I would think that if I was encrypted

1020

00:45:08,809 --> 00:45:06,300

and maybe I'm a was encrypted in the

1021

00:45:09,829 --> 00:45:08,819

past life I don't know absolutely but I

1022

00:45:11,870 --> 00:45:09,839

would think humans are the most

1023

00:45:13,970 --> 00:45:11,880

dangerous thing on the planet

1024

00:45:16,550 --> 00:45:13,980

forget you know

1025

00:45:19,309 --> 00:45:16,560

but what we see

1026

00:45:21,109 --> 00:45:19,319

we see from from from there into us well

1027

00:45:24,050 --> 00:45:21,119

you know it doesn't matter what I see

1028

00:45:26,210 --> 00:45:24,060

it's just that if Sasquatch is in the

1029

00:45:28,370 --> 00:45:26,220

woods and he goes oh it's just Mike and

1030

00:45:30,530 --> 00:45:28,380

rainbow I'm not too worried but if it's

1031

00:45:32,690 --> 00:45:30,540

somebody else that has a gun he's gonna

1032

00:45:36,829 --> 00:45:32,700

go oh this is not good and they're going

1033

00:45:38,990 --> 00:45:36,839

to try to get away but there's predatory

1034

00:45:40,550 --> 00:45:39,000

Cryptids

1035

00:45:43,910 --> 00:45:40,560

they just are

1036

00:45:46,430 --> 00:45:43,920

and so you kind of figure out that's

1037

00:45:48,589 --> 00:45:46,440

where they live that's that's where they

1038

00:45:50,630 --> 00:45:48,599

hang and we go in there occasionally and

1039

00:45:53,450 --> 00:45:50,640

I think sometimes humans

1040

00:45:57,589 --> 00:45:53,460

on the wrong place at the wrong time

1041

00:46:00,829 --> 00:45:57,599

what do you think Ryan 100 agree with

1042

00:46:04,069 --> 00:46:00,839

your comment as far as the

1043

00:46:08,150 --> 00:46:04,079

misidentification because in my

1044

00:46:09,770 --> 00:46:08,160

experience anything Bigfoot or Yeti or

1045

00:46:11,390 --> 00:46:09,780

anything you know it's it's something

1046

00:46:14,770 --> 00:46:11,400

that always Minds its own business

1047

00:46:17,510 --> 00:46:14,780

unless it's provoked it gets a bad rap

1048

00:46:20,630 --> 00:46:17,520

these other things like you said are

1049

00:46:22,930 --> 00:46:20,640

more predatory they're literally Alpha

1050

00:46:26,150 --> 00:46:22,940

Predators out there and

1051
00:46:28,490 --> 00:46:26,160
uh they're looking for trouble and there

1052
00:46:31,250 --> 00:46:28,500
there should be there should be no

1053
00:46:34,130 --> 00:46:31,260
coincidence as far as you know did you

1054
00:46:36,470 --> 00:46:34,140
see a dog man or a Bigfoot or a rake or

1055
00:46:38,329 --> 00:46:36,480
a Bigfoot or a wendigo and a Bigfoot the

1056
00:46:39,770 --> 00:46:38,339
Bigfoot is getting a bad rap just

1057
00:46:41,890 --> 00:46:39,780
because he's in the wrong neighborhood

1058
00:46:44,930 --> 00:46:41,900
you know

1059
00:46:47,510 --> 00:46:44,940
well he's in his neighborhood and we go

1060
00:46:50,690 --> 00:46:47,520
in there I'm like oh he's yo he was

1061
00:46:52,430 --> 00:46:50,700
scary and horrible well no we were the

1062
00:46:56,450 --> 00:46:52,440
scary and horrible ones you know what I

1063
00:46:57,710 --> 00:46:56,460

mean people can can just overreact over

1064

00:47:00,109 --> 00:46:57,720

anything

1065

00:47:01,250 --> 00:47:00,119

you know and if you know what cracks me

1066

00:47:02,990 --> 00:47:01,260

up Ryan

1067

00:47:06,890 --> 00:47:03,000

there's people who go in there who do

1068

00:47:10,069 --> 00:47:06,900

Sasquatch research and they have guns

1069

00:47:11,809 --> 00:47:10,079

because they never see them and and they

1070

00:47:14,569 --> 00:47:11,819

they're just so serious about it and

1071

00:47:16,010 --> 00:47:14,579

it's like leave the gun at home

1072

00:47:17,990 --> 00:47:16,020

that's right you don't have to bring

1073

00:47:19,790 --> 00:47:18,000

anything just sit and meditate hang out

1074

00:47:22,069 --> 00:47:19,800

in the woods just keep on going back to

1075

00:47:24,589 --> 00:47:22,079

the same spot I always say and I they

1076

00:47:26,270 --> 00:47:24,599

will come they will and I know people

1077

00:47:28,550 --> 00:47:26,280

are going to go oh they're nuts because

1078

00:47:30,829 --> 00:47:28,560

you don't go in and and because of

1079

00:47:32,930 --> 00:47:30,839

because there's people even people I

1080

00:47:34,609 --> 00:47:32,940

won't mention names because I don't want

1081

00:47:36,430 --> 00:47:34,619

to get us all in trouble here don't get

1082

00:47:39,710 --> 00:47:36,440

interested no I don't want to who who

1083

00:47:41,690 --> 00:47:39,720

actually State don't go into the woods

1084

00:47:44,510 --> 00:47:41,700

without a gun

1085

00:47:46,550 --> 00:47:44,520

and you know and I and look I also

1086

00:47:48,650 --> 00:47:46,560

believe that there's aliens in the force

1087

00:47:50,329 --> 00:47:48,660

I know there are

1088

00:47:52,370 --> 00:47:50,339

they're there

1089

00:47:54,589 --> 00:47:52,380

I I mean I know there's things in there

1090

00:47:57,770 --> 00:47:54,599

that you know the force folk there's

1091

00:47:59,390 --> 00:47:57,780

there's all kinds of beings that live in

1092

00:48:02,329 --> 00:47:59,400

the forest

1093

00:48:05,329 --> 00:48:02,339

um but I I just think you have to be

1094

00:48:07,790 --> 00:48:05,339

oblivious to your own gut reaction

1095

00:48:10,550 --> 00:48:07,800

to not know where to go

1096

00:48:12,349 --> 00:48:10,560

and I I you know I don't want to be

1097

00:48:14,930 --> 00:48:12,359

missing in two weeks you know let's go

1098

00:48:17,210 --> 00:48:14,940

hiking so I I don't want to be hey

1099

00:48:20,870 --> 00:48:17,220

wasn't that woman who said

1100

00:48:23,569 --> 00:48:20,880

what I'm saying is you have the warning

1101
00:48:25,550 --> 00:48:23,579
signs to know where to go and what to do

1102
00:48:27,710 --> 00:48:25,560
but if you're you're in the research

1103
00:48:30,290 --> 00:48:27,720
mode or you're doing anything with any

1104
00:48:34,190 --> 00:48:30,300
of these Cryptids or these predatory

1105
00:48:36,230 --> 00:48:34,200
type um Cryptids whatever you have to

1106
00:48:38,510 --> 00:48:36,240
understand that that's part of the

1107
00:48:41,450 --> 00:48:38,520
Paranormal it's part of the darkness

1108
00:48:43,309 --> 00:48:41,460
that that I have to peer into and if

1109
00:48:46,730 --> 00:48:43,319
Michael says Hey rainbow is this a good

1110
00:48:48,470 --> 00:48:46,740
spot for us to Camp I really have to get

1111
00:48:50,089 --> 00:48:48,480
my feelers out there to say yeah it is

1112
00:48:53,270 --> 00:48:50,099
or no it's not

1113
00:48:55,550 --> 00:48:53,280

you know you just have to go in with a

1114

00:48:58,790 --> 00:48:55,560

rational mind and

1115

00:49:01,010 --> 00:48:58,800

and not think everything is horrible

1116

00:49:05,329 --> 00:49:01,020

and and try to assess everything and

1117

00:49:10,550 --> 00:49:08,270

and I do agree I do agree that the

1118

00:49:12,710 --> 00:49:10,560

humans are the most dangerous because we

1119

00:49:15,230 --> 00:49:12,720

will like you said we will go in with

1120

00:49:18,470 --> 00:49:15,240

guns and out of fear shoot at anything

1121

00:49:22,130 --> 00:49:18,480

in the shadows anything in each other

1122

00:49:24,890 --> 00:49:22,140

each other exactly and I think I think

1123

00:49:28,670 --> 00:49:24,900

having a having a weapon like that

1124

00:49:30,250 --> 00:49:28,680

in in these certain situations where you

1125

00:49:34,550 --> 00:49:30,260

have dimensional

1126

00:49:37,010 --> 00:49:34,560

creatures which may have very mastered

1127

00:49:38,809 --> 00:49:37,020

psychic abilities you know you may want

1128

00:49:41,089 --> 00:49:38,819

to be careful about what weapons you

1129

00:49:45,190 --> 00:49:41,099

choose to bring because you might those

1130

00:49:50,990 --> 00:49:48,710

knives for the for people yeah not

1131

00:49:53,270 --> 00:49:51,000

necessarily I'm not saying that we we go

1132

00:49:55,010 --> 00:49:53,280

no I'm not saying that I'm just saying

1133

00:49:57,290 --> 00:49:55,020

that we have to defend ourselves I'm not

1134

00:49:59,270 --> 00:49:57,300

worried about the Cryptids I'm really

1135

00:50:01,250 --> 00:49:59,280

worried about humans and we actually had

1136

00:50:03,650 --> 00:50:01,260

an experience where we were followed by

1137

00:50:06,109 --> 00:50:03,660

a guy you know

1138

00:50:09,170 --> 00:50:06,119

yeah that's what I go out with too is I

1139

00:50:10,930 --> 00:50:09,180

take I take two buoy knives and just be

1140

00:50:13,550 --> 00:50:10,940

you're kidding yeah

1141

00:50:16,970 --> 00:50:13,560

that's all I take that's the

1142

00:50:24,890 --> 00:50:16,980

synchronistic that's too synchronistic

1143

00:50:30,710 --> 00:50:27,109

um kind of on this on as far as these

1144

00:50:34,630 --> 00:50:30,720

entities that might have these abilities

1145

00:50:37,130 --> 00:50:34,640

and Magic seems to be among some of them

1146

00:50:40,670 --> 00:50:37,140

Crossroads seem to be places that

1147

00:50:43,309 --> 00:50:40,680

attract dark magic have you come across

1148

00:50:48,829 --> 00:50:43,319

any instances of locations where there

1149

00:50:51,950 --> 00:50:48,839

seems to be dark residual magic present

1150

00:50:53,990 --> 00:50:51,960

um let me just say this I don't know if

1151
00:50:57,170 --> 00:50:54,000
it exactly matches what you're looking

1152
00:50:57,950 --> 00:50:57,180
for but you know there's been

1153
00:51:01,490 --> 00:50:57,960
um

1154
00:51:04,490 --> 00:51:01,500
we're have a good friend that you know

1155
00:51:06,290 --> 00:51:04,500
douses for vortexes okay one of the

1156
00:51:08,030 --> 00:51:06,300
things that uh he would do is I'd give

1157
00:51:11,750 --> 00:51:08,040
him a map and he would douse an area for

1158
00:51:13,849 --> 00:51:11,760
vortexes and the vortexes of course can

1159
00:51:16,069 --> 00:51:13,859
have all kinds of stuff coming and going

1160
00:51:18,530 --> 00:51:16,079
it's really it's kind I don't want to

1161
00:51:21,650 --> 00:51:18,540
call it a crossword but it is a point on

1162
00:51:24,410 --> 00:51:21,660
a map where if you go to that point this

1163
00:51:27,890 --> 00:51:24,420

Vortex will have all kinds of stuff good

1164

00:51:29,690 --> 00:51:27,900

bad and ugly basically that will walk in

1165

00:51:31,970 --> 00:51:29,700

and out of those vortexes and you can

1166

00:51:34,430 --> 00:51:31,980

you know animals especially can sit and

1167

00:51:36,770 --> 00:51:34,440

watch those things come and go so I mean

1168

00:51:39,829 --> 00:51:36,780

I it isn't really a Crossroads but it is

1169

00:51:43,250 --> 00:51:39,839

a point that I consider to be very

1170

00:51:45,470 --> 00:51:43,260

reliable place to hang out and watch the

1171

00:51:47,329 --> 00:51:45,480

action basically so that that would be

1172

00:51:49,730 --> 00:51:47,339

my answer anyways

1173

00:51:55,309 --> 00:51:49,740

my answer

1174

00:51:58,549 --> 00:51:55,319

through that what's underneath the

1175

00:52:00,530 --> 00:51:58,559

ground in in the Earth has a lot to do

1176

00:52:02,750 --> 00:52:00,540

with the Paranormal Activity that

1177

00:52:05,210 --> 00:52:02,760

happens I think quartz has a lot to do

1178

00:52:07,790 --> 00:52:05,220

with it I think any type of minerals

1179

00:52:09,770 --> 00:52:07,800

have a lot to do with it I think Granite

1180

00:52:12,970 --> 00:52:09,780

you know because Sasquatch they like

1181

00:52:15,710 --> 00:52:12,980

they like Granite they like all kinds of

1182

00:52:19,370 --> 00:52:15,720

stone Stones big stones or Granite

1183

00:52:20,870 --> 00:52:19,380

you'll find Sasquatch yeah and so I

1184

00:52:23,809 --> 00:52:20,880

think that the Ley lines have a lot to

1185

00:52:26,030 --> 00:52:23,819

do with a uh what a lot of the pagans

1186

00:52:28,670 --> 00:52:26,040

and a lot of the older cultures where

1187

00:52:30,589 --> 00:52:28,680

they actually built like Stonehenge and

1188

00:52:33,349 --> 00:52:30,599

they built a lot of these These Old

1189

00:52:36,410 --> 00:52:33,359

structures and I think it has a lot to

1190

00:52:38,930 --> 00:52:36,420

do with within earth within Gaia and so

1191

00:52:41,210 --> 00:52:38,940

for me I think it's just it's not just

1192

00:52:44,630 --> 00:52:41,220

the portal aspect but I think it's just

1193

00:52:46,970 --> 00:52:44,640

her energy in itself at these Crossroads

1194

00:52:49,250 --> 00:52:46,980

is actually something that people can

1195

00:52:52,130 --> 00:52:49,260

sense and they can feel and I have felt

1196

00:52:54,530 --> 00:52:52,140

that when I actually were cattle when I

1197

00:52:57,049 --> 00:52:54,540

was a cowgirl for in my 20s and then

1198

00:52:58,549 --> 00:52:57,059

when I went to Egypt

1199

00:53:02,710 --> 00:52:58,559

um there were certain places that I went

1200

00:53:05,809 --> 00:53:02,720

to where I would just get off kilter

1201
00:53:08,329 --> 00:53:05,819
imbalanced and we've gone on Hikes we

1202
00:53:10,309 --> 00:53:08,339
both got really busy and so you know

1203
00:53:12,530 --> 00:53:10,319
that we're walking underneath Ley lines

1204
00:53:15,230 --> 00:53:12,540
and who knows if it's Granite if it's

1205
00:53:17,870 --> 00:53:15,240
quartz whatever it is and and you're

1206
00:53:19,250 --> 00:53:17,880
gonna feel the that energy coming up

1207
00:53:21,950 --> 00:53:19,260
from other Earth because of her

1208
00:53:25,010 --> 00:53:21,960
frequency so I think the crossroads have

1209
00:53:28,010 --> 00:53:25,020
to do with Ley lines per frequency and

1210
00:53:29,930 --> 00:53:28,020
it have to do with the elements of how

1211
00:53:31,549 --> 00:53:29,940
Earth is created so I think it's all the

1212
00:53:33,589 --> 00:53:31,559
all of that

1213
00:53:36,770 --> 00:53:33,599

and I think at the Ley lines at these

1214

00:53:39,049 --> 00:53:36,780

points or vortexes I think all these

1215

00:53:40,849 --> 00:53:39,059

things are drawn to those areas so then

1216

00:53:43,370 --> 00:53:40,859

if you happen to be in that area then

1217

00:53:44,990 --> 00:53:43,380

you're gonna see or feel those it's a

1218

00:53:48,109 --> 00:53:45,000

fun house effect yeah the Fun House

1219

00:53:49,790 --> 00:53:48,119

Effect exactly yeah yeah I've felt that

1220

00:53:52,430 --> 00:53:49,800

vertigo I know what you're talking about

1221

00:53:56,450 --> 00:53:52,440

and it's unmistakable it's you can tell

1222

00:53:58,430 --> 00:53:56,460

oh yeah yeah it's like wow it's just and

1223

00:54:00,470 --> 00:53:58,440

I still remember your story Mike I

1224

00:54:04,069 --> 00:54:00,480

believe of that vortex in Washington

1225

00:54:06,650 --> 00:54:04,079

which made a real impression on me was

1226

00:54:09,049 --> 00:54:06,660

it Washington is that correct

1227

00:54:11,690 --> 00:54:09,059

are you talking about the the real big

1228

00:54:14,089 --> 00:54:11,700

one the super one is out in the eastern

1229

00:54:16,970 --> 00:54:14,099

part of Washington actually this this

1230

00:54:19,309 --> 00:54:16,980

one was in um I gotta just remember

1231

00:54:21,410 --> 00:54:19,319

because we were in Missoula so we came

1232

00:54:24,290 --> 00:54:21,420

out of Missoula we went South and West

1233

00:54:27,170 --> 00:54:24,300

so I believe it was actually in Idaho is

1234

00:54:28,849 --> 00:54:27,180

where it was uh I mean it was it's all

1235

00:54:30,950 --> 00:54:28,859

close together if you you kind of look

1236

00:54:33,950 --> 00:54:30,960

at a map but yeah you're talking about

1237

00:54:36,410 --> 00:54:33,960

the super one where we it was

1238

00:54:37,849 --> 00:54:36,420

so powerful that the sky kind of opened

1239

00:54:39,670 --> 00:54:37,859

well that was that was part of you

1240

00:54:41,690 --> 00:54:39,680

thought about the Kiwani thing with the

1241

00:54:43,730 --> 00:54:41,700

Sasquatch and we were out looking for

1242

00:54:46,970 --> 00:54:43,740

Success questions yeah yeah that was

1243

00:54:48,589 --> 00:54:46,980

that was incredible that uh that was in

1244

00:54:49,730 --> 00:54:48,599

fact I can even tell you the name of it

1245

00:54:52,910 --> 00:54:49,740

nobody will be able to find it it's

1246

00:54:54,770 --> 00:54:52,920

called Elk Meadows it's it's he claims

1247

00:54:56,750 --> 00:54:54,780

that that is a permanent one he said

1248

00:54:59,030 --> 00:54:56,760

that will always be here

1249

00:54:59,620 --> 00:54:59,040

because he the other issues with Vortex

1250

00:55:00,710 --> 00:54:59,630

is they move

1251

00:55:03,109 --> 00:55:00,720

[Music]

1252

00:55:05,030 --> 00:55:03,119

they move around but this one is

1253

00:55:09,829 --> 00:55:05,040

permanent it's one of the largest he

1254

00:55:12,410 --> 00:55:09,839

claims in the in the world so yeah and I

1255

00:55:14,089 --> 00:55:12,420

I tell you what I buy it a thousand

1256

00:55:16,730 --> 00:55:14,099

percent just because what I felt and

1257

00:55:18,230 --> 00:55:16,740

what I felt that is such a cool story it

1258

00:55:19,730 --> 00:55:18,240

made an impression on me that I haven't

1259

00:55:22,549 --> 00:55:19,740

been able to shake

1260

00:55:27,349 --> 00:55:22,559

um the uh a question kind of a little

1261

00:55:30,170 --> 00:55:27,359

off of the more uh furry topic is some

1262

00:55:33,049 --> 00:55:30,180

folks some folks believe that shape

1263

00:55:35,690 --> 00:55:33,059

shifting is also done by reptilians or

1264

00:55:38,390 --> 00:55:35,700

reptoids and some believe that they are

1265

00:55:40,309 --> 00:55:38,400

part of the ruling class have you come

1266

00:55:43,309 --> 00:55:40,319

across any accounts that might lend any

1267

00:55:46,970 --> 00:55:43,319

Credence to some of these ideas

1268

00:55:49,370 --> 00:55:46,980

oh my God yeah

1269

00:55:53,870 --> 00:55:49,380

um when I was in Utah

1270

00:55:55,430 --> 00:55:53,880

I swear I think uh I've had my

1271

00:55:57,589 --> 00:55:55,440

experience my two experiences with

1272

00:55:59,569 --> 00:55:57,599

reptilians is being in Utah

1273

00:56:02,990 --> 00:55:59,579

actually I have three I've got three

1274

00:56:04,790 --> 00:56:03,000

experiences one I didn't I first visited

1275

00:56:07,549 --> 00:56:04,800

Salt Lake City

1276

00:56:09,950 --> 00:56:07,559

uh Utah and

1277

00:56:12,470 --> 00:56:09,960

um I

1278

00:56:14,750 --> 00:56:12,480

and it was kind of the the time frame

1279

00:56:17,270 --> 00:56:14,760

before I had the the idea of where

1280

00:56:20,270 --> 00:56:17,280

reptilians lived I had known that they

1281

00:56:22,910 --> 00:56:20,280

were around but I was walking I was

1282

00:56:24,410 --> 00:56:22,920

there for a convention and I was just

1283

00:56:27,230 --> 00:56:24,420

walking the streets just kind of trying

1284

00:56:30,770 --> 00:56:27,240

to to check out the city and I happened

1285

00:56:33,290 --> 00:56:30,780

to go to and uh that car the garage this

1286

00:56:35,750 --> 00:56:33,300

underground car garage and I was walking

1287

00:56:37,790 --> 00:56:35,760

towards it and there was a guy who's a

1288

00:56:41,150 --> 00:56:37,800

security guy or somebody who was in

1289

00:56:44,750 --> 00:56:41,160

there and there was a long limo black

1290

00:56:46,609 --> 00:56:44,760

limo that had just pulled up and I could

1291

00:56:48,650 --> 00:56:46,619

see the limo and I was walking on the

1292

00:56:50,210 --> 00:56:48,660

sidewalk and I was looking down

1293

00:56:51,710 --> 00:56:50,220

and I was going to walk over to where

1294

00:56:54,109 --> 00:56:51,720

the sky was because I didn't know where

1295

00:56:58,609 --> 00:56:54,119

I was where where the mall was or

1296

00:57:01,010 --> 00:56:58,619

anything and so he he jumps this wall

1297

00:57:03,710 --> 00:57:01,020

and comes over to me it's like a three

1298

00:57:06,230 --> 00:57:03,720

foot wall he jumps it and runs to me and

1299

00:57:08,990 --> 00:57:06,240

he says get out get out now

1300

00:57:10,849 --> 00:57:09,000

he says you do not want to be here do

1301

00:57:12,349 --> 00:57:10,859

not do not go any further and I said

1302

00:57:14,329 --> 00:57:12,359

well I don't know where I'm going I just

1303

00:57:16,010 --> 00:57:14,339

you know I wanted directions he said

1304

00:57:19,370 --> 00:57:16,020

turn around and go that way he said

1305

00:57:22,549 --> 00:57:19,380

please go I don't want you here

1306

00:57:24,950 --> 00:57:22,559

now he didn't say you know I was you

1307

00:57:27,470 --> 00:57:24,960

know on private property he didn't say

1308

00:57:29,870 --> 00:57:27,480

uh anything else like a police officer

1309

00:57:32,569 --> 00:57:29,880

he just said I want you gone now

1310

00:57:35,329 --> 00:57:32,579

and and he was like

1311

00:57:36,470 --> 00:57:35,339

serious and I'm like oh my God okay so I

1312

00:57:39,589 --> 00:57:36,480

turned around and walked the other way

1313

00:57:43,250 --> 00:57:39,599

and I know it had to do with that limo

1314

00:57:45,470 --> 00:57:43,260

and I might going uh who was in the limo

1315

00:57:48,589 --> 00:57:45,480

well when Michael and I actually moved

1316

00:57:51,109 --> 00:57:48,599

to Utah how many years ago

1317

00:57:53,750 --> 00:57:51,119

well we've been here what uh seven or

1318

00:57:55,010 --> 00:57:53,760

eight years yeah so say 10 years ago

1319

00:58:00,710 --> 00:57:55,020

yeah

1320

00:58:04,910 --> 00:58:03,589

of a reptilian and then another and then

1321

00:58:06,829 --> 00:58:04,920

the other one was just before we're

1322

00:58:08,630 --> 00:58:06,839

getting ready to leave Utah

1323

00:58:11,809 --> 00:58:08,640

I had an experience with one that

1324

00:58:15,950 --> 00:58:11,819

actually shifted to male and female form

1325

00:58:19,370 --> 00:58:15,960

and it was very scary so yeah yeah

1326

00:58:22,130 --> 00:58:19,380

um they are uh shape-shifting of course

1327

00:58:25,010 --> 00:58:22,140

they can shape-shift to male and female

1328

00:58:27,470 --> 00:58:25,020

and they they don't come into our lives

1329

00:58:29,690 --> 00:58:27,480

very much but the last two the last

1330

00:58:31,730 --> 00:58:29,700

experience was pretty bad wasn't it yeah

1331

00:58:34,549 --> 00:58:31,740

yeah but I gotta tell you this is so

1332

00:58:37,490 --> 00:58:34,559

weird and strange because her experience

1333

00:58:39,109 --> 00:58:37,500

by the parking garage years before that

1334

00:58:40,549 --> 00:58:39,119

Ryan I don't know if it's the same

1335

00:58:43,130 --> 00:58:40,559

parking garage but it's in the same

1336

00:58:44,750 --> 00:58:43,140

location downtown in Utah that area

1337

00:58:45,890 --> 00:58:44,760

where they have all these there's a

1338

00:58:47,990 --> 00:58:45,900

shopping center there I don't know if

1339

00:58:50,150 --> 00:58:48,000

you're familiar with Salt Lake City and

1340

00:58:51,829 --> 00:58:50,160

then there's a lot of parking decks for

1341

00:58:54,049 --> 00:58:51,839

all the shopping in the downtown area

1342

00:58:56,569 --> 00:58:54,059

because there's a lot of it right well

1343

00:58:58,190 --> 00:58:56,579

what happened was I when I did the

1344

00:59:00,710 --> 00:58:58,200

Olympics there so we're going way back

1345

00:59:02,569 --> 00:59:00,720

now we're going to 2002 right

1346

00:59:04,670 --> 00:59:02,579

when I did the Olympics there I had a

1347

00:59:06,470 --> 00:59:04,680

lot of people that worked for me and one

1348

00:59:08,630 --> 00:59:06,480

of the girls knew that I was into all

1349

00:59:10,670 --> 00:59:08,640

kinds of the stuff you know into UFOs

1350

00:59:12,710 --> 00:59:10,680

and paranormal and all this stuff and

1351
00:59:14,210 --> 00:59:12,720
she came to me and she said I gotta tell

1352
00:59:16,910 --> 00:59:14,220
you a story

1353
00:59:18,109 --> 00:59:16,920
and it was so weird because it was very

1354
00:59:20,089 --> 00:59:18,119
similar

1355
00:59:22,609 --> 00:59:20,099
she said she was in that parking garage

1356
00:59:24,650 --> 00:59:22,619
or in a parking garage similar to what

1357
00:59:28,190 --> 00:59:24,660
Rainbow's talking about she was down

1358
00:59:30,710 --> 00:59:28,200
here getting into her car and she saw

1359
00:59:31,970 --> 00:59:30,720
looked at hers as a lizard coming

1360
00:59:37,789 --> 00:59:31,980
through the wall

1361
00:59:41,089 --> 00:59:37,799
into a man and changed back into a

1362
00:59:43,250 --> 00:59:41,099
lizard after they had I bought I the eye

1363
00:59:45,230 --> 00:59:43,260

contact now as you know or maybe you

1364

00:59:48,589 --> 00:59:45,240

don't know underneath that particular

1365

00:59:50,870 --> 00:59:48,599

area there is Caverns huge Caverns that

1366

00:59:52,789 --> 00:59:50,880

run under Salt Lake City and there's all

1367

00:59:54,710 --> 00:59:52,799

kinds of crazy stuff in there and

1368

00:59:57,410 --> 00:59:54,720

there's been times not only that that

1369

00:59:59,270 --> 00:59:57,420

woman told me that story and rainbow has

1370

01:00:01,849 --> 00:59:59,280

her story which is she didn't even know

1371

01:00:05,750 --> 01:00:01,859

about my story and so she told you know

1372

01:00:08,270 --> 01:00:05,760

but the thing about it is a lot of stuff

1373

01:00:10,490 --> 01:00:08,280

and you know I don't want to get too

1374

01:00:12,710 --> 01:00:10,500

conspiratory or weird here

1375

01:00:14,329 --> 01:00:12,720

but for some reason that whole area

1376

01:00:16,370 --> 01:00:14,339

right around

1377

01:00:18,170 --> 01:00:16,380

Salt Lake City

1378

01:00:20,270 --> 01:00:18,180

there's a lot of stuff going on there

1379

01:00:24,230 --> 01:00:20,280

and and I think a lot of it has to do

1380

01:00:26,089 --> 01:00:24,240

with reptiles reptilians reptoids uh in

1381

01:00:27,770 --> 01:00:26,099

their shape shifting

1382

01:00:30,470 --> 01:00:27,780

um and I've heard other people talked

1383

01:00:32,089 --> 01:00:30,480

about they would see them uh out of

1384

01:00:35,030 --> 01:00:32,099

their corner of their eye walking down

1385

01:00:37,549 --> 01:00:35,040

the street and you and Salt Lake City is

1386

01:00:40,730 --> 01:00:37,559

just kind of a epicenter very very

1387

01:00:43,030 --> 01:00:40,740

similar I think to Las Vegas

1388

01:00:48,109 --> 01:00:43,040

I think that's another epicenter

1389

01:00:51,109 --> 01:00:48,119

epicenter uh epicenter of uh reptilian

1390

01:00:54,349 --> 01:00:51,119

activity so anyways what do you think

1391

01:00:56,870 --> 01:00:54,359

Ryan that is so you know it's so

1392

01:00:58,870 --> 01:00:56,880

interesting both of the all these

1393

01:01:03,430 --> 01:00:58,880

accounts because

1394

01:01:06,109 --> 01:01:03,440

the all of the accounts I have heard of

1395

01:01:09,349 --> 01:01:06,119

reptilians except for one

1396

01:01:11,990 --> 01:01:09,359

have been in very close proximity of

1397

01:01:15,049 --> 01:01:12,000

where you are both talking about and

1398

01:01:18,230 --> 01:01:15,059

what's so yeah and and it what's crazy

1399

01:01:21,950 --> 01:01:18,240

is that that you know the shopping the

1400

01:01:26,049 --> 01:01:21,960

parking garages and before it used to be

1401

01:01:31,849 --> 01:01:28,670

that's right process now you're right I

1402

01:01:33,170 --> 01:01:31,859

remember that now oh my God yeah and it

1403

01:01:35,150 --> 01:01:33,180

didn't change the name because they have

1404

01:01:36,710 --> 01:01:35,160

the other they have the the new one

1405

01:01:38,450 --> 01:01:36,720

right that's right they have a brand new

1406

01:01:41,030 --> 01:01:38,460

one as the river goes through it and all

1407

01:01:45,289 --> 01:01:41,040

that stuff and the new one they renamed

1408

01:01:47,930 --> 01:01:45,299

it the Gateway which is also yeah I know

1409

01:01:50,750 --> 01:01:47,940

yeah right also somewhat but very

1410

01:01:53,630 --> 01:01:50,760

strange that that's kind of in exactly

1411

01:01:56,569 --> 01:01:53,640

as you say an epicenter of these

1412

01:02:00,230 --> 01:01:56,579

sightings people who have seen these

1413

01:02:04,190 --> 01:02:00,240

things in in these seemingly underground

1414

01:02:07,309 --> 01:02:04,200

parking locations and uh it's it's just

1415

01:02:09,890 --> 01:02:07,319

so weird you know I I heard of a story

1416

01:02:13,430 --> 01:02:09,900

similar to yours that you mentioned Mike

1417

01:02:15,890 --> 01:02:13,440

of somebody going through a wall uh and

1418

01:02:18,349 --> 01:02:15,900

and being able to

1419

01:02:20,329 --> 01:02:18,359

just just go through a wall I mean

1420

01:02:22,030 --> 01:02:20,339

that's not an average thing that you

1421

01:02:27,230 --> 01:02:22,040

hear so that's that's really

1422

01:02:31,309 --> 01:02:27,240

really on point kind of eerie and uh I I

1423

01:02:35,089 --> 01:02:31,319

did have a friend who uh said that he he

1424

01:02:38,329 --> 01:02:35,099

worked for a company named Osmos and he

1425

01:02:40,609 --> 01:02:38,339

had to do some underground cables they I

1426

01:02:43,789 --> 01:02:40,619

guess that's what they do and he said

1427

01:02:47,230 --> 01:02:43,799

the the miles and miles of tunnels under

1428

01:02:50,710 --> 01:02:47,240

there is wow unfathomable

1429

01:02:54,309 --> 01:02:50,720

unfathomable that's what they say

1430

01:02:57,770 --> 01:02:54,319

so cool but yeah great answers my gosh

1431

01:02:59,150 --> 01:02:57,780

and uh kind of as we slowly get close to

1432

01:03:01,789 --> 01:02:59,160

wrapping up here

1433

01:03:03,730 --> 01:03:01,799

um werewolves seem to kind of be a part

1434

01:03:07,010 --> 01:03:03,740

of just about every culture's history

1435

01:03:10,130 --> 01:03:07,020

why do you think this is so widespread

1436

01:03:12,109 --> 01:03:10,140

is it something to do with uh

1437

01:03:15,890 --> 01:03:12,119

well I'll just leave it at that why is

1438

01:03:22,309 --> 01:03:17,870

well

1439

01:03:27,109 --> 01:03:22,319

I believe in dragons so I I think that

1440

01:03:28,910 --> 01:03:27,119

there's the possibility of of you know

1441

01:03:32,569 --> 01:03:28,920

to

1442

01:03:35,450 --> 01:03:32,579

something different I mean I don't know

1443

01:03:39,230 --> 01:03:35,460

I think that

1444

01:03:42,770 --> 01:03:39,240

dog man can also be confused with

1445

01:03:46,609 --> 01:03:42,780

werewolves totally absolutely but

1446

01:03:48,289 --> 01:03:46,619

dog men to me look more like Anubis

1447

01:03:50,210 --> 01:03:48,299

um it's more of a dog like a German

1448

01:03:52,730 --> 01:03:50,220

Shepherd had

1449

01:03:56,390 --> 01:03:52,740

um and I think what people see

1450

01:03:59,690 --> 01:03:56,400

um between the two can be confused but I

1451

01:04:03,230 --> 01:03:59,700

do know in Taos New Mexico

1452

01:04:06,289 --> 01:04:03,240

um I a woman that I got to know

1453

01:04:09,710 --> 01:04:06,299

and told me that there's an area not the

1454

01:04:11,170 --> 01:04:09,720

the uh the Taos Mountain but there's

1455

01:04:15,710 --> 01:04:11,180

some other mountains on the other side

1456

01:04:17,270 --> 01:04:15,720

where there supposedly is a werewolf and

1457

01:04:20,329 --> 01:04:17,280

she they didn't say dog man they said

1458

01:04:23,870 --> 01:04:20,339

werewolf and she said that she was

1459

01:04:26,630 --> 01:04:23,880

actually when she was younger was with a

1460

01:04:29,150 --> 01:04:26,640

group of people and they were

1461

01:04:34,250 --> 01:04:29,160

um kind of she was sleeping over and it

1462

01:04:38,089 --> 01:04:34,260

was like a a girl's night and she was

1463

01:04:39,770 --> 01:04:38,099

sleeping up top on a loft area and it

1464

01:04:41,390 --> 01:04:39,780

was a full moon she said which was

1465

01:04:45,230 --> 01:04:41,400

really interesting

1466

01:04:47,030 --> 01:04:45,240

and she said it was up a little high and

1467

01:04:50,089 --> 01:04:47,040

she woke up because she could hear

1468

01:04:50,870 --> 01:04:50,099

something walking outside and she just

1469

01:04:53,329 --> 01:04:50,880

didn't

1470

01:04:56,990 --> 01:04:53,339

know what it was because it was bipedal

1471

01:04:59,930 --> 01:04:57,000

it was on two legs and she said um it

1472

01:05:04,430 --> 01:04:59,940

was peering in the window and when she

1473

01:05:06,710 --> 01:05:04,440

looked she saw a werewolf

1474

01:05:09,770 --> 01:05:06,720

and so she and she didn't say dog man

1475

01:05:11,030 --> 01:05:09,780

she said werewolf because it it had that

1476

01:05:13,250 --> 01:05:11,040

werewolf

1477

01:05:14,750 --> 01:05:13,260

she looked to it I mean I think if you

1478

01:05:15,950 --> 01:05:14,760

see a dog man to a werewolf you would

1479

01:05:18,829 --> 01:05:15,960

know the difference

1480

01:05:22,250 --> 01:05:18,839

but anyways it turned and walked away

1481

01:05:24,289 --> 01:05:22,260

and she could hear it slightly howling

1482

01:05:26,870 --> 01:05:24,299

um as it was going away

1483

01:05:28,130 --> 01:05:26,880

and she was scared because she just she

1484

01:05:30,109 --> 01:05:28,140

didn't want it to know that she had seen

1485

01:05:31,190 --> 01:05:30,119

it and and they always know when you see

1486

01:05:33,650 --> 01:05:31,200

them you know that's the whole thing

1487

01:05:35,510 --> 01:05:33,660

because they're very empathic you know

1488

01:05:36,829 --> 01:05:35,520

these things are very psychic

1489

01:05:39,349 --> 01:05:36,839

and but it turned and walked away

1490

01:05:41,390 --> 01:05:39,359

because they're very curious as well and

1491

01:05:42,650 --> 01:05:41,400

I had heard from other people in this

1492

01:05:44,089 --> 01:05:42,660

particular area that there was a

1493

01:05:47,150 --> 01:05:44,099

werewolf and that happened to be the

1494

01:05:49,670 --> 01:05:47,160

very area that I did my vision quest

1495

01:05:52,430 --> 01:05:49,680

um many years ago

1496

01:05:55,190 --> 01:05:52,440

and what stopped with me with her is

1497

01:05:57,650 --> 01:05:55,200

that she's like a no-nonsense gal and

1498

01:06:00,650 --> 01:05:57,660

she was adamant that it was a werewolf

1499

01:06:02,390 --> 01:06:00,660

and she'd been told by the other girls

1500

01:06:06,589 --> 01:06:02,400

that she was hanging with there was a

1501
01:06:08,630 --> 01:06:06,599
werewolf there and so to her she totally

1502
01:06:10,670 --> 01:06:08,640
believed it and I don't see any reason

1503
01:06:11,750 --> 01:06:10,680
why there can't be I don't think there's

1504
01:06:14,150 --> 01:06:11,760
a difference

1505
01:06:17,329 --> 01:06:14,160
between you know other Cryptids and that

1506
01:06:20,270 --> 01:06:17,339
I think that in the forest there's lots

1507
01:06:21,049 --> 01:06:20,280
of different well think about the um in

1508
01:06:48,349 --> 01:06:21,059
the

1509
01:06:50,289 --> 01:06:48,359
that term Brian I don't know I remember

1510
01:06:52,849 --> 01:06:50,299
the what they're called but people like

1511
01:06:54,829 --> 01:06:52,859
humans humans humans yeah and then

1512
01:06:55,670 --> 01:06:54,839
there's those the

1513
01:06:58,069 --> 01:06:55,680

um

1514

01:07:00,170 --> 01:06:58,079

there's people who have who have that

1515

01:07:02,990 --> 01:07:00,180

whatever that element is whatever it is

1516

01:07:05,089 --> 01:07:03,000

the with the hair all over the face you

1517

01:07:07,849 --> 01:07:05,099

could say they were werewolves I mean I

1518

01:07:10,069 --> 01:07:07,859

don't see why there can't be werewolves

1519

01:07:11,809 --> 01:07:10,079

um I just think that it just depends on

1520

01:07:13,130 --> 01:07:11,819

what people want to see

1521

01:07:15,230 --> 01:07:13,140

what do you think

1522

01:07:17,150 --> 01:07:15,240

well no I believe there there could be

1523

01:07:19,069 --> 01:07:17,160

definitely could be werewolves and I

1524

01:07:21,470 --> 01:07:19,079

think sometimes there could be easily

1525

01:07:23,450 --> 01:07:21,480

this confusion between Dogman and where

1526

01:07:25,849 --> 01:07:23,460

was and I think I think dogmen are

1527

01:07:28,609 --> 01:07:25,859

everywhere in the world okay so I think

1528

01:07:31,849 --> 01:07:28,619

that could be possibly the whole

1529

01:07:34,250 --> 01:07:31,859

werewolf thing people see a the dog or

1530

01:07:37,010 --> 01:07:34,260

the werewolf and and they see the the

1531

01:07:39,230 --> 01:07:37,020

dog man and I think uh you know I think

1532

01:07:44,470 --> 01:07:39,240

the Legends may be a little bit twisted

1533

01:07:48,710 --> 01:07:46,910

oh I I was just gonna say I think that's

1534

01:07:50,870 --> 01:07:48,720

really interesting that you mentioned

1535

01:07:53,569 --> 01:07:50,880

the feral people in the Smoky Mountains

1536

01:07:55,549 --> 01:07:53,579

because I was you know they're just just

1537

01:07:58,730 --> 01:07:55,559

talking to somebody about

1538

01:07:59,990 --> 01:07:58,740

this and evidence that there have been

1539

01:08:02,630 --> 01:08:00,000

uh

1540

01:08:05,029 --> 01:08:02,640

well a lot of mysteries that have been

1541

01:08:07,370 --> 01:08:05,039

blamed on them among those missing

1542

01:08:09,230 --> 01:08:07,380

children and so I just think that's

1543

01:08:11,089 --> 01:08:09,240

really interesting that you mentioned

1544

01:08:14,510 --> 01:08:11,099

these feral humans in Tennessee that's

1545

01:08:15,829 --> 01:08:14,520

that's very odd synchronicity yeah

1546

01:08:18,530 --> 01:08:15,839

synchronicity

1547

01:08:22,070 --> 01:08:18,540

yeah there you go

1548

01:08:24,289 --> 01:08:22,080

and um lastly something that's kind of

1549

01:08:27,110 --> 01:08:24,299

become I guess it's always been a topic

1550

01:08:29,650 --> 01:08:27,120

but reincarnation seems to be a Hot

1551

01:08:33,829 --> 01:08:29,660

Topic these days I know a lot of people

1552

01:08:35,870 --> 01:08:33,839

on the spiritual side who are lending

1553

01:08:39,349 --> 01:08:35,880

Credence but what are your thoughts on

1554

01:08:44,870 --> 01:08:43,010

well I I think that

1555

01:08:47,150 --> 01:08:44,880

and this is something that has just

1556

01:08:50,809 --> 01:08:47,160

stuck with me is that I wasn't a

1557

01:08:53,269 --> 01:08:50,819

Medicine Woman in this lifetime with the

1558

01:08:54,530 --> 01:08:53,279

the knowledge that I have based on one

1559

01:08:57,709 --> 01:08:54,540

lifetime

1560

01:09:00,349 --> 01:08:57,719

uh I have memory of being a priestess in

1561

01:09:02,390 --> 01:09:00,359

Egypt and I have memory of the

1562

01:09:05,450 --> 01:09:02,400

ceremonies and the rituals and I

1563

01:09:07,490 --> 01:09:05,460

remember being in Egypt many lifetimes

1564

01:09:09,769 --> 01:09:07,500

and no I wasn't you know Cleopatra

1565

01:09:10,970 --> 01:09:09,779

everybody wants to be Cleopatra but I

1566

01:09:15,709 --> 01:09:10,980

wasn't

1567

01:09:18,890 --> 01:09:15,719

but I I believe that I we each lifetime

1568

01:09:21,709 --> 01:09:18,900

we attract what it is our essence of who

1569

01:09:23,870 --> 01:09:21,719

we are what we're interested in and so I

1570

01:09:27,229 --> 01:09:23,880

truly believe I didn't live many

1571

01:09:29,930 --> 01:09:27,239

lifetimes and in this life I bring to

1572

01:09:32,090 --> 01:09:29,940

the table all the lifetimes of being a

1573

01:09:34,189 --> 01:09:32,100

priestess doing ceremony learning about

1574

01:09:35,510 --> 01:09:34,199

magic learning about sorcery learning

1575

01:09:38,630 --> 01:09:35,520

about the darkness

1576

01:09:40,370 --> 01:09:38,640

the the trials and tribulations of

1577

01:09:43,070 --> 01:09:40,380

dealing with the darkness I bring all

1578

01:09:44,809 --> 01:09:43,080

that to the table as far as who I am the

1579

01:09:47,450 --> 01:09:44,819

woman that I am today

1580

01:09:51,530 --> 01:09:47,460

so I truly believe in reincarnation and

1581

01:09:54,709 --> 01:09:51,540

I think that we we gain so much of Who

1582

01:09:58,850 --> 01:09:54,719

We Are by living many lifetimes so I I'm

1583

01:10:02,330 --> 01:09:58,860

totally very much into living multiple

1584

01:10:05,990 --> 01:10:02,340

lifetimes and I'm hoping this is my last

1585

01:10:09,950 --> 01:10:07,910

and you know I'm not deep into The

1586

01:10:11,810 --> 01:10:09,960

Reincarnation thing I mean I've always

1587

01:10:14,030 --> 01:10:11,820

said and I don't know if this is from

1588

01:10:16,790 --> 01:10:14,040

some alien abduction or something

1589

01:10:18,890 --> 01:10:16,800

I was always told that you know you just

1590

01:10:21,350 --> 01:10:18,900

you know you move on to a new adventure

1591

01:10:22,970 --> 01:10:21,360

as I call it a new adventure can you

1592

01:10:24,890 --> 01:10:22,980

look back at old ones I don't really

1593

01:10:27,350 --> 01:10:24,900

know that

1594

01:10:30,290 --> 01:10:27,360

um but you know this this was told to me

1595

01:10:32,209 --> 01:10:30,300

that don't worry about death you'll move

1596

01:10:33,770 --> 01:10:32,219

on to this new adventure and that's you

1597

01:10:36,410 --> 01:10:33,780

know kind of what I've always remembered

1598

01:10:39,350 --> 01:10:36,420

and I think some Wise Old alien told me

1599

01:10:42,830 --> 01:10:39,360

that that's all I can tell you

1600

01:10:45,050 --> 01:10:42,840

that is really interesting yeah it is I

1601
01:10:47,209 --> 01:10:45,060
think that there are some especially

1602
01:10:50,270 --> 01:10:47,219
with savants you know with these

1603
01:10:52,430 --> 01:10:50,280
children there's so many cases of people

1604
01:10:55,430 --> 01:10:52,440
having these inherent gifts

1605
01:10:57,310 --> 01:10:55,440
such as yourselves or memories of past

1606
01:11:00,590 --> 01:10:57,320
lives and

1607
01:11:02,870 --> 01:11:00,600
it's it does seem as if uh

1608
01:11:05,270 --> 01:11:02,880
there's some there's some memory that

1609
01:11:07,430 --> 01:11:05,280
they think it's not completely wiped

1610
01:11:08,169 --> 01:11:07,440
clean right some of it stays on the

1611
01:11:11,390 --> 01:11:08,179
Sleep

1612
01:11:14,990 --> 01:11:11,400
uh I had a very I had a very interesting

1613
01:11:16,189 --> 01:11:15,000

kind of a it scared me at the time but I

1614

01:11:17,149 --> 01:11:16,199

met with

1615

01:11:21,229 --> 01:11:17,159

um

1616

01:11:24,590 --> 01:11:21,239

Kim Kim peek he was the inspiration for

1617

01:11:25,990 --> 01:11:24,600

the character in Rain Man and I met him

1618

01:11:29,090 --> 01:11:26,000

yeah

1619

01:11:30,770 --> 01:11:29,100

wow that's cool and and I guess usually

1620

01:11:32,689 --> 01:11:30,780

you know he you would tell him when you

1621

01:11:34,130 --> 01:11:32,699

were born and he could tell you and

1622

01:11:36,290 --> 01:11:34,140

where and he would tell you the weather

1623

01:11:40,430 --> 01:11:36,300

and whether it would not it was raining

1624

01:11:41,830 --> 01:11:40,440

Etc and he was very like very much like

1625

01:11:45,770 --> 01:11:41,840

a savant

1626

01:11:48,290 --> 01:11:45,780

and he actually approached me and he

1627

01:11:50,149 --> 01:11:48,300

started talking to me about what he said

1628

01:11:52,010 --> 01:11:50,159

was a past life of mine which is

1629

01:11:54,410 --> 01:11:52,020

something that you don't really hear

1630

01:11:57,649 --> 01:11:54,420

that he did this sort of thing but it

1631

01:12:00,050 --> 01:11:57,659

was among his gifts and when I found out

1632

01:12:03,050 --> 01:12:00,060

who he was it really kind of made an

1633

01:12:05,330 --> 01:12:03,060

impression on me like oh wow you know if

1634

01:12:07,610 --> 01:12:05,340

maybe you should pay attention to this

1635

01:12:11,149 --> 01:12:07,620

it's been that's right absolutely

1636

01:12:12,830 --> 01:12:11,159

awesome talking to you guys and um let's

1637

01:12:15,410 --> 01:12:12,840

tell listeners where they can keep up

1638

01:12:18,229 --> 01:12:15,420

with what you guys have going on on

1639

01:12:20,990 --> 01:12:18,239

YouTube and other places

1640

01:12:23,450 --> 01:12:21,000

uh well it's dimensional walking a

1641

01:12:26,450 --> 01:12:23,460

paranormal journey and we have over 200

1642

01:12:28,790 --> 01:12:26,460

videos and most all of them are our own

1643

01:12:30,350 --> 01:12:28,800

content in fact very little is not

1644

01:12:32,990 --> 01:12:30,360

something either we interviewed or we

1645

01:12:35,630 --> 01:12:33,000

did a podcast like with you uh by the

1646

01:12:37,130 --> 01:12:35,640

way Ryan you're the the one we did one

1647

01:12:39,229 --> 01:12:37,140

of the ones we did has the most hours

1648

01:12:40,610 --> 01:12:39,239

watched of all and I'm grateful for that

1649

01:12:43,130 --> 01:12:40,620

okay

1650

01:12:44,930 --> 01:12:43,140

so anyways it's been very popular and

1651

01:12:48,709 --> 01:12:44,940

then we have two Seeker Forum which is

1652

01:12:51,470 --> 01:12:48,719

my very long website I'm paranormal type

1653

01:12:53,810 --> 01:12:51,480

stuff uh all kinds of stuff on there and

1654

01:12:55,729 --> 01:12:53,820

there's oh golly uh 2 000 or more

1655

01:12:58,910 --> 01:12:55,739

articles and things that I collected

1656

01:13:02,270 --> 01:12:58,920

over all the years and all my 50 60

1657

01:13:03,950 --> 01:13:02,280

years of experiencing things uh so it's

1658

01:13:05,810 --> 01:13:03,960

all in there and rainbow had written a

1659

01:13:08,209 --> 01:13:05,820

lot of things in there also for the last

1660

01:13:10,010 --> 01:13:08,219

seven years and a lot of that stuff we

1661

01:13:12,830 --> 01:13:10,020

took and we've made him into our videos

1662

01:13:14,750 --> 01:13:12,840

too so anyways that's where rainbow what

1663

01:13:16,669 --> 01:13:14,760

do you got and I'm right for uh

1664

01:13:20,090 --> 01:13:16,679

paranormal magazine called paranormal

1665

01:13:23,689 --> 01:13:20,100

underground and you can find the

1666

01:13:25,610 --> 01:13:23,699

magazine at paranormal underground.net

1667

01:13:28,850 --> 01:13:25,620

Chad and

1668

01:13:32,390 --> 01:13:28,860

um Cheryl site Wilson are the Publishers

1669

01:13:34,970 --> 01:13:32,400

and they're fantastic people so

1670

01:13:36,709 --> 01:13:34,980

that is so cool rainbow and Mike thanks

1671

01:13:38,870 --> 01:13:36,719

so much so much knowledge so many

1672

01:13:40,550 --> 01:13:38,880

experiences you're definitely masters of

1673

01:13:44,870 --> 01:13:40,560

your craft so everybody get over there

1674

01:13:47,630 --> 01:13:44,880

and and see what they have and uh yeah I

1675

01:13:50,930 --> 01:13:47,640

hope to talk to you again soon

1676

01:13:53,410 --> 01:13:50,940

okay Ryan it's always a pleasure and an

1677

01:13:56,689 --> 01:13:53,420

honor thank you so much Ryan thanks Ryan

1678

01:13:58,729 --> 01:13:56,699

man oh man it's always awesome to talk

1679

01:14:01,430 --> 01:13:58,739

with rainbow and Mike they have so much

1680

01:14:04,550 --> 01:14:01,440

experience definitely masters of their

1681

01:14:06,189 --> 01:14:04,560

craft have gone in

1682

01:14:09,110 --> 01:14:06,199

the wild

1683

01:14:11,810 --> 01:14:09,120

engaging with a variety of different

1684

01:14:13,570 --> 01:14:11,820

crypto creatures and entities please

1685

01:14:16,970 --> 01:14:13,580

head on over to dimensional walking

1686

01:14:19,070 --> 01:14:16,980

check out what's going on there

1687

01:14:21,110 --> 01:14:19,080

and support the other things they do

1688

01:14:25,189 --> 01:14:21,120

they are just

1689

01:14:28,430 --> 01:14:25,199

genuinely and legitimately interested in

1690

01:14:31,669 --> 01:14:28,440

the phenomenon and bringing awareness

1691

01:14:33,050 --> 01:14:31,679

to many of the Mysteries this world has

1692

01:14:35,930 --> 01:14:33,060

to offer

1693

01:14:39,530 --> 01:14:35,940

also if you haven't yet please like And

1694

01:14:42,830 --> 01:14:39,540

subscribe hero paranormal on YouTube and

1695

01:14:45,850 --> 01:14:42,840

also check out heroparanormal.com or

1696

01:14:49,729 --> 01:14:45,860

search for hero paranormal on patreon

1697

01:14:53,090 --> 01:14:49,739

for just five bucks a month the price of

1698

01:14:55,189 --> 01:14:53,100

a cup of coffee you will get all of the

1699

01:14:57,890 --> 01:14:55,199

content behind the paywall and there is

1700

01:14:59,209 --> 01:14:57,900

tons of it you get the whole enchilada

1701
01:15:02,870 --> 01:14:59,219
for five

1702
01:15:05,149 --> 01:15:02,880
just hit the I got five on it button and

1703
01:15:07,490 --> 01:15:05,159
you're all signed up until next time

1704
01:15:09,770 --> 01:15:07,500
keep your eyes to the skies feet on the

1705
01:15:18,480 --> 01:15:09,780
ground but don't forget to take a look

1706
01:15:18,490 --> 01:15:23,990
[Music]

1707
01:15:32,170 --> 01:15:25,590
foreign
