

Shiny
Humanoid
Gods

1
00:00:06,590 --> 00:00:03,350
Divine beings have been mentioned

2
00:00:14,570 --> 00:00:09,110
they've gone by many names

3
00:00:22,609 --> 00:00:18,950
based on context they seem to have been

4
00:00:29,029 --> 00:00:25,550
they have often been referenced as The

5
00:00:34,370 --> 00:00:31,130
are they angels

6
00:00:40,250 --> 00:00:36,590
it's not really clear

7
00:00:44,270 --> 00:00:40,260
however they do seem to be supernatural

8
00:00:50,569 --> 00:00:48,049
we will delve into what exactly made The

9
00:00:53,869 --> 00:00:50,579
Shining ones shine

10
00:00:55,490 --> 00:00:53,879
and what was spoken of throughout our

11
00:00:57,590 --> 00:00:55,500
history

12
00:00:59,209 --> 00:00:57,600
various times

13
00:01:01,330 --> 00:00:59,219

buckle up

14

00:01:05,329 --> 00:01:01,340

for a very

15

00:01:07,609 --> 00:01:05,339

mysterious glimmering and

16

00:01:15,730 --> 00:01:07,619

theological

17

00:01:15,740 --> 00:01:19,310

all right

18

00:01:19,320 --> 00:01:25,630

[Music]

19

00:01:33,010 --> 00:01:29,510

come Blast Off In My Time Machine sir I

20

00:01:46,990 --> 00:01:33,020

feel like an evizing Blast Off Blast Off

21

00:01:53,990 --> 00:01:51,289

Blast Off on another epic episode of the

22

00:01:59,350 --> 00:01:54,000

hyper anomalous esoteric research

23

00:02:01,670 --> 00:01:59,360

organization podcast AKA hero paranormal

24

00:02:05,030 --> 00:02:01,680

broadcasting from space wool for

25

00:02:06,289 --> 00:02:05,040

research in the uena Basin of Utah my

26

00:02:09,410 --> 00:02:06,299

name is Ryan

27

00:02:12,110 --> 00:02:09,420

the Paranormal pontificator of the

28

00:02:16,790 --> 00:02:12,120

airwaves bringing you

29

00:02:18,110 --> 00:02:16,800

a reflective episode into human history

30

00:02:21,110 --> 00:02:18,120

tonight

31

00:02:22,190 --> 00:02:21,120

when it comes to ancient history we

32

00:02:26,170 --> 00:02:22,200

often

33

00:02:28,550 --> 00:02:26,180

just take what we are fed in mainstream

34

00:02:30,470 --> 00:02:28,560

educational organizations and

35

00:02:34,390 --> 00:02:30,480

institutions is truth what we're

36

00:02:37,790 --> 00:02:34,400

remembering is history is his story

37

00:02:40,430 --> 00:02:37,800

traditionally male generated verbal

38

00:02:43,850 --> 00:02:40,440

accounts of situations

39

00:02:47,229 --> 00:02:43,860

and usually from the perspective of the

40

00:02:51,110 --> 00:02:47,239

victors if any battles were undertaken

41

00:02:53,630 --> 00:02:51,120

or those who were in positions of power

42

00:02:56,089 --> 00:02:53,640

which makes the order of our history

43

00:02:58,910 --> 00:02:56,099

quite often

44

00:03:02,330 --> 00:02:58,920

Incorrect and

45

00:03:06,050 --> 00:03:02,340

often times hidden hidden history is a

46

00:03:07,970 --> 00:03:06,060

very real thing and when it comes to the

47

00:03:10,729 --> 00:03:07,980

situation regarding

48

00:03:13,070 --> 00:03:10,739

our history is mankind

49

00:03:14,089 --> 00:03:13,080

the cradle of civilization as we may

50

00:03:16,130 --> 00:03:14,099

know it

51

00:03:20,390 --> 00:03:16,140

and inventions

52

00:03:21,890 --> 00:03:20,400

which took place years before many would

53

00:03:24,350 --> 00:03:21,900

have you believe

54

00:03:26,089 --> 00:03:24,360

things can get a little bit confusing

55

00:03:29,330 --> 00:03:26,099

and tricky

56

00:03:30,710 --> 00:03:29,340

we are often taught that

57

00:03:33,890 --> 00:03:30,720

Egypt

58

00:03:37,130 --> 00:03:33,900

is the almighty Pinnacle of ancient

59

00:03:38,509 --> 00:03:37,140

civilization which for you know all

60

00:03:40,729 --> 00:03:38,519

intents and purposes there's nothing

61

00:03:44,270 --> 00:03:40,739

incorrect with that statement however

62

00:03:46,789 --> 00:03:44,280

it's not one hundred percent accurate

63

00:03:49,430 --> 00:03:46,799

and by that I mean seven thousand years

64

00:03:52,970 --> 00:03:49,440

ago we had Sumer

65

00:03:57,470 --> 00:03:52,980

and the Sumerians and to be completely

66

00:04:00,289 --> 00:03:57,480

honest their lands of Mesopotamia

67

00:04:04,670 --> 00:04:00,299

were something to behold

68

00:04:07,970 --> 00:04:04,680

in fact they had amazing worship centers

69

00:04:09,949 --> 00:04:07,980

which in my opinion rival the pyramids

70

00:04:13,490 --> 00:04:09,959

maybe not in

71

00:04:16,009 --> 00:04:13,500

scope but at least we see where the

72

00:04:18,550 --> 00:04:16,019

pyramidal structure gains its

73

00:04:23,030 --> 00:04:18,560

architectural idea from

74

00:04:25,909 --> 00:04:23,040

and this cradle of civilization known as

75

00:04:28,670 --> 00:04:25,919

Sumer and the people who were there the

76

00:04:32,090 --> 00:04:28,680

the citizens of Sumer the Sumerians

77

00:04:34,490 --> 00:04:32,100

are oftentimes well kind of brushed

78

00:04:38,390 --> 00:04:34,500

under the rug in our history we don't

79

00:04:42,530 --> 00:04:38,400

really get a wide scope or vision of

80

00:04:45,230 --> 00:04:42,540

exactly how much they offered

81

00:04:47,450 --> 00:04:45,240

to modern day

82

00:04:49,490 --> 00:04:47,460

technology

83

00:04:52,430 --> 00:04:49,500

numerix

84

00:04:54,050 --> 00:04:52,440

the sky clock or the calendar the lunar

85

00:04:57,710 --> 00:04:54,060

calendar

86

00:05:00,950 --> 00:04:57,720

I mean these guys basically for all

87

00:05:04,010 --> 00:05:00,960

intents and purposes

88

00:05:05,469 --> 00:05:04,020

created time as we know it and the lunar

89

00:05:08,330 --> 00:05:05,479

calendar

90

00:05:11,990 --> 00:05:08,340

they were also

91

00:05:13,490 --> 00:05:12,000

quite informed about the sun and the

92

00:05:16,909 --> 00:05:13,500

fact that

93

00:05:19,010 --> 00:05:16,919

it played an integral role

94

00:05:22,670 --> 00:05:19,020

in our Energy Systems

95

00:05:25,310 --> 00:05:22,680

they had simpler things that oftentimes

96

00:05:26,150 --> 00:05:25,320

aren't attributed to them such as the

97

00:05:29,689 --> 00:05:26,160

wheel

98

00:05:32,029 --> 00:05:29,699

they also had major cities with water

99

00:05:35,629 --> 00:05:32,039

systems and sewer systems and

100

00:05:39,050 --> 00:05:35,639

agricultural lands around those cities

101
00:05:41,330 --> 00:05:39,060
they had basic laws which were simple to

102
00:05:44,629 --> 00:05:41,340
understand I mean there was no strange

103
00:05:47,689 --> 00:05:44,639
code quote-unquote code to the law as we

104
00:05:52,730 --> 00:05:47,699
have today where everything is based on

105
00:05:54,350 --> 00:05:52,740
precedent and loopholes and how much

106
00:05:57,170 --> 00:05:54,360
you are

107
00:06:00,409 --> 00:05:57,180
willing to research the law and

108
00:06:02,990 --> 00:06:00,419
understand the trickery involved however

109
00:06:05,810 --> 00:06:03,000
it was a simpler time the laws were

110
00:06:08,629 --> 00:06:05,820
definitely maybe a little stricter in

111
00:06:11,390 --> 00:06:08,639
some cases less strict in others but

112
00:06:14,450 --> 00:06:11,400
easily understood

113
00:06:16,610 --> 00:06:14,460

and the deities they worshiped and those

114

00:06:18,770 --> 00:06:16,620

in power and control

115

00:06:21,950 --> 00:06:18,780

of humanity

116

00:06:23,450 --> 00:06:21,960

is possibly the most interesting part of

117

00:06:25,610 --> 00:06:23,460

all

118

00:06:28,430 --> 00:06:25,620

The Shining ones

119

00:06:31,850 --> 00:06:28,440

the Anunnaki

120

00:06:37,490 --> 00:06:31,860

and to give you an idea

121

00:06:40,370 --> 00:06:37,500

how Sumerians ran their legal system

122

00:06:42,590 --> 00:06:40,380

it was uh pretty fascinating let me go

123

00:06:45,290 --> 00:06:42,600

over some of the laws here

124

00:06:47,330 --> 00:06:45,300

and it is important to note that the

125

00:06:51,650 --> 00:06:47,340

codes we have in our legal system today

126
00:06:55,490 --> 00:06:51,660
are actually gathered from the law which

127
00:06:58,129 --> 00:06:55,500
was known as the code of uranamu

128
00:07:00,409 --> 00:06:58,139
this was the law code the first known

129
00:07:03,290 --> 00:07:00,419
version of law

130
00:07:04,730 --> 00:07:03,300
and it's it's pretty amazing when you

131
00:07:08,570 --> 00:07:04,740
consider

132
00:07:11,210 --> 00:07:08,580
that this was written quite literally in

133
00:07:12,469 --> 00:07:11,220
stone on tablets

134
00:07:14,930 --> 00:07:12,479
and

135
00:07:17,990 --> 00:07:14,940
you know people just don't give these

136
00:07:22,309 --> 00:07:18,000
ancient civilizations that respect

137
00:07:24,050 --> 00:07:22,319
that they deserve in fact the

138
00:07:26,809 --> 00:07:24,060

law

139

00:07:28,490 --> 00:07:26,819
existed before with the code of

140

00:07:31,670 --> 00:07:28,500
urukajina

141

00:07:32,930 --> 00:07:31,680
and that represents the earliest legal

142

00:07:35,270 --> 00:07:32,940
texts

143

00:07:40,969 --> 00:07:35,280
so here they are these are the surviving

144

00:07:47,270 --> 00:07:43,730
just as many as there are degrees in

145

00:07:51,529 --> 00:07:50,270
unless you consider the honorary 33rd

146

00:07:54,230 --> 00:07:51,539
degree okay

147

00:07:56,809 --> 00:07:54,240
among the surviving laws

148

00:07:59,150 --> 00:07:56,819
here they are one if a man commits

149

00:08:01,850 --> 00:07:59,160
murder he must be killed

150

00:08:04,610 --> 00:08:01,860
yikes simple

151
00:08:07,490 --> 00:08:04,620
two if a man commits a robbery he will

152
00:08:08,629 --> 00:08:07,500
be killed yikes simple

153
00:08:11,210 --> 00:08:08,639
three

154
00:08:13,610 --> 00:08:11,220
if a man commits a kidnapping he is to

155
00:08:16,610 --> 00:08:13,620
be imprisoned and pay 15 shekels of

156
00:08:23,270 --> 00:08:20,629
four if a slave marries a slave and that

157
00:08:26,029 --> 00:08:23,280
slave is set free he does not leave the

158
00:08:29,210 --> 00:08:26,039
household sounds like house arrest to me

159
00:08:31,969 --> 00:08:29,220
and slaves are well for all intents and

160
00:08:35,269 --> 00:08:31,979
purposes I mean that was just the order

161
00:08:38,269 --> 00:08:35,279
of the time some worked for others and I

162
00:08:40,550 --> 00:08:38,279
would argue we have slaves today many

163
00:08:43,250 --> 00:08:40,560

work for others and

164

00:08:45,530 --> 00:08:43,260

you know you may say oh I'm not a slave

165

00:08:48,290 --> 00:08:45,540

well quit your job tell me how that

166

00:08:50,389 --> 00:08:48,300

works out for you and uh

167

00:08:52,250 --> 00:08:50,399

you decide to work for no one and not

168

00:08:55,190 --> 00:08:52,260

engage with Society let me know how that

169

00:08:58,370 --> 00:08:55,200

works because it does not work well and

170

00:09:00,650 --> 00:08:58,380

these slaves off oftentimes

171

00:09:03,710 --> 00:09:00,660

although they did not have the same

172

00:09:05,030 --> 00:09:03,720

rights as their quote-unquote bosses or

173

00:09:08,329 --> 00:09:05,040

owners

174

00:09:11,630 --> 00:09:08,339

they did have room and board things of

175

00:09:13,430 --> 00:09:11,640

that nature so I mean slavery has always

176

00:09:15,769 --> 00:09:13,440

existed to one

177

00:09:19,430 --> 00:09:15,779

degree or another

178

00:09:23,449 --> 00:09:19,440

five if a slave marries a native

179

00:09:26,210 --> 00:09:23,459

AKA a free person he or she is to hand

180

00:09:28,250 --> 00:09:26,220

the firstborn son over to his owner

181

00:09:29,269 --> 00:09:28,260

interesting a little bit of handmaiden's

182

00:09:31,610 --> 00:09:29,279

tale there

183

00:09:33,889 --> 00:09:31,620

six if a man violates the right of

184

00:09:37,310 --> 00:09:33,899

another and deflowers the Virgin wife of

185

00:09:39,410 --> 00:09:37,320

a young man they shall kill that man

186

00:09:42,530 --> 00:09:39,420

or that male the one that the one that

187

00:09:45,410 --> 00:09:42,540

deflowers of course seven if the wife of

188

00:09:47,210 --> 00:09:45,420

a man followed after another man and he

189

00:09:50,530 --> 00:09:47,220

slept with her they shall slay that

190

00:09:52,910 --> 00:09:50,540

woman but the mail should be set free

191

00:09:55,009 --> 00:09:52,920

interesting a little a little

192

00:09:57,590 --> 00:09:55,019

interesting there eight if a man

193

00:10:00,530 --> 00:09:57,600

proceeded by force and deflowered the

194

00:10:03,470 --> 00:10:00,540

Virgin female slave of another man that

195

00:10:05,030 --> 00:10:03,480

man must pay five shekels of silver

196

00:10:07,009 --> 00:10:05,040

we're going to get into the monetary

197

00:10:11,210 --> 00:10:07,019

system and just how much five shekels of

198

00:10:14,329 --> 00:10:11,220

silver is here shortly nine if a man

199

00:10:19,130 --> 00:10:14,339

divorces his first time wife he shall

200

00:10:25,970 --> 00:10:20,449

ten

201
00:10:29,750 --> 00:10:25,980
it is a former Widow whom he divorces

202
00:10:33,170 --> 00:10:29,760
he shall pay her half Amina of silver

203
00:10:34,910 --> 00:10:33,180
apparently she has less value

204
00:10:37,730 --> 00:10:34,920
11.

205
00:10:39,350 --> 00:10:37,740
if a man had slept with the widow

206
00:10:42,650 --> 00:10:39,360
without there being

207
00:10:44,329 --> 00:10:42,660
any marriage contract he need not pay

208
00:10:45,590 --> 00:10:44,339
any silver

209
00:10:48,949 --> 00:10:45,600
I guess if you're just having a good

210
00:10:51,590 --> 00:10:48,959
time you're having a good time 13. if a

211
00:10:55,550 --> 00:10:51,600
man is accused of sorcery he must

212
00:10:58,610 --> 00:10:55,560
undergo ordeal by water if he is proven

213
00:11:00,650 --> 00:10:58,620

innocent his accuser must pay three

214

00:11:03,230 --> 00:11:00,660

shekels

215

00:11:04,970 --> 00:11:03,240

we're gonna get into the ordeal by water

216

00:11:06,170 --> 00:11:04,980

here as well because this is very

217

00:11:09,829 --> 00:11:06,180

interesting

218

00:11:13,069 --> 00:11:09,839

14. if a man accused the wife of a man

219

00:11:15,710 --> 00:11:13,079

of adultery and the river ordeal proved

220

00:11:18,530 --> 00:11:15,720

her innocent then the man who had

221

00:11:21,230 --> 00:11:18,540

accused her must pay one-third of Amina

222

00:11:27,470 --> 00:11:24,350

this River ordeal was uh the great

223

00:11:29,569 --> 00:11:27,480

equalizer and we'll get into that 15. if

224

00:11:31,730 --> 00:11:29,579

a prospective son-in-law enters the

225

00:11:33,889 --> 00:11:31,740

house of his prospective father-in-law

226

00:11:36,170 --> 00:11:33,899

but his father-in-law later gives his

227

00:11:38,389 --> 00:11:36,180

daughter to another man

228

00:11:40,730 --> 00:11:38,399

the father-in-law shall return the

229

00:11:43,850 --> 00:11:40,740

rejected son-in-law twofold the amount

230

00:11:46,970 --> 00:11:43,860

of bridal presence he had brought

231

00:11:50,509 --> 00:11:46,980

interesting 16.

232

00:11:52,610 --> 00:11:50,519

if text destroyed we don't know what the

233

00:11:54,350 --> 00:11:52,620

sin was he shall weigh and deliver to

234

00:11:56,449 --> 00:11:54,360

him two shekels of silver I mean

235

00:11:59,449 --> 00:11:56,459

although these are written in stone

236

00:12:02,389 --> 00:11:59,459

the weather has taken its toll on them

237

00:12:04,490 --> 00:12:02,399

17 if a slave escapes from the city

238

00:12:06,230 --> 00:12:04,500

limits and someone returns him the owner

239

00:12:07,730 --> 00:12:06,240

shall pay two shekels to the one who

240

00:12:11,269 --> 00:12:07,740

returned him

241

00:12:13,850 --> 00:12:11,279

18. if a man knocks out the eye of

242

00:12:16,790 --> 00:12:13,860

another man he shall weigh out half

243

00:12:20,030 --> 00:12:16,800

Amina of silver

244

00:12:24,230 --> 00:12:20,040

19. if a man has cut off another man's

245

00:12:27,110 --> 00:12:24,240

foot he is to pay 10 shekels

246

00:12:28,970 --> 00:12:27,120

20. if a man in the course of a scuffle

247

00:12:33,470 --> 00:12:28,980

smashed the limb of another man with a

248

00:12:36,470 --> 00:12:33,480

club he shall pay one Mina of silver

249

00:12:38,630 --> 00:12:36,480

21 if someone severed the nodes of

250

00:12:42,470 --> 00:12:38,640

another man with a copper knife he must

251

00:12:45,829 --> 00:12:42,480

pay two-thirds of mina of silver

252

00:12:48,470 --> 00:12:45,839

22. if a man knocks out a tooth of

253

00:12:50,269 --> 00:12:48,480

another man he shall pay two shekels of

254

00:12:53,750 --> 00:12:50,279

silver

255

00:12:55,430 --> 00:12:53,760

24. text destroyed if he does not have a

256

00:12:58,430 --> 00:12:55,440

slave he is to pay 10 shekels of silver

257

00:13:01,250 --> 00:12:58,440

if he does not have silver he is to give

258

00:13:03,170 --> 00:13:01,260

another thing that belongs to him ouch

259

00:13:05,230 --> 00:13:03,180

of course we don't know what's destroyed

260

00:13:09,829 --> 00:13:05,240

there but it's still interesting

261

00:13:12,290 --> 00:13:09,839

25. if a man's slave woman comparing

262

00:13:15,590 --> 00:13:12,300

herself to her mistress speaks

263

00:13:18,230 --> 00:13:15,600

insolently to her her mouth shall be

264

00:13:19,550 --> 00:13:18,240

scoured with one quart of salt

265

00:13:22,370 --> 00:13:19,560

hmm

266

00:13:25,129 --> 00:13:22,380

26 if a slave woman strikes someone

267

00:13:27,110 --> 00:13:25,139

acting with authority of her mistress

268

00:13:28,610 --> 00:13:27,120

and the rest is destroyed but I'm sure

269

00:13:31,490 --> 00:13:28,620

it wasn't pretty

270

00:13:34,190 --> 00:13:31,500

28 if a man appeared as a witness and

271

00:13:36,889 --> 00:13:34,200

was shown to be a perjurer he must pay

272

00:13:37,730 --> 00:13:36,899

15 shekels of silver

273

00:13:41,329 --> 00:13:37,740

ouch

274

00:13:43,910 --> 00:13:41,339

that's hardcore 29. if a man appears as

275

00:13:45,769 --> 00:13:43,920

a witness but withdraws his oath he must

276
00:13:49,250 --> 00:13:45,779
make payment to the extent of the value

277
00:13:52,129 --> 00:13:49,260
of the litigation of the case

278
00:13:54,230 --> 00:13:52,139
if romance 20 or I'm sorry 30 if a man

279
00:13:56,930 --> 00:13:54,240
stealthily cultivates the field of

280
00:13:59,750 --> 00:13:56,940
another man and he raises a complaint

281
00:14:02,210 --> 00:13:59,760
this is however to be rejected then this

282
00:14:05,509 --> 00:14:02,220
man will lose his expenses

283
00:14:07,670 --> 00:14:05,519
31. if a man flooded the field of a man

284
00:14:10,970 --> 00:14:07,680
with water he shall measure out three

285
00:14:15,350 --> 00:14:10,980
curve of barley per IQ of field

286
00:14:17,810 --> 00:14:15,360
and 32 if a man had let an arable field

287
00:14:20,329 --> 00:14:17,820
to another man for cultivation but he

288
00:14:22,610 --> 00:14:20,339

did not cultivate it turning it into

289

00:14:25,250 --> 00:14:22,620

Wasteland he shall measure out three

290

00:14:27,889 --> 00:14:25,260

curved barley per IQ of field

291

00:14:29,750 --> 00:14:27,899

so there was a lot of payment now I

292

00:14:33,170 --> 00:14:29,760

promised I would kind of touch base on a

293

00:14:38,210 --> 00:14:33,180

few things here and references one is

294

00:14:40,490 --> 00:14:38,220

that the slave issue so a slave who was

295

00:14:42,829 --> 00:14:40,500

married and presumably will soon have

296

00:14:45,050 --> 00:14:42,839

children cannot be set free

297

00:14:47,389 --> 00:14:45,060

and forced to leave the household so the

298

00:14:50,210 --> 00:14:47,399

owner can save themselves the expense of

299

00:14:52,189 --> 00:14:50,220

supporting the slave's family so slaves

300

00:14:55,069 --> 00:14:52,199

families and slaves themselves were

301
00:14:57,290 --> 00:14:55,079
supported by their owners and slaves

302
00:14:59,449 --> 00:14:57,300
needed the consent of their masters to

303
00:15:03,230 --> 00:14:59,459
marry so this ensured that they were not

304
00:15:05,389 --> 00:15:03,240
just turned out as it turned out as we

305
00:15:09,050 --> 00:15:05,399
call it in the hood now I'm joking but

306
00:15:11,210 --> 00:15:09,060
even so basically so even if they were

307
00:15:13,490 --> 00:15:11,220
free they were still members of the

308
00:15:16,310 --> 00:15:13,500
household and they had their family be

309
00:15:20,629 --> 00:15:16,320
supported by the owner

310
00:15:23,389 --> 00:15:20,639
so it slavery is uh as I said I believe

311
00:15:27,230 --> 00:15:23,399
still takes place to this day it's just

312
00:15:28,370 --> 00:15:27,240
um a of a corporate type and

313
00:15:31,970 --> 00:15:28,380

um

314

00:15:36,889 --> 00:15:34,850

so it it's everything is really

315

00:15:40,250 --> 00:15:36,899

perspective especially when dealing with

316

00:15:41,930 --> 00:15:40,260

a culture this old this is obviously a

317

00:15:47,090 --> 00:15:41,940

very old culture

318

00:15:50,930 --> 00:15:47,100

we're talking about you know Sumer being

319

00:15:54,290 --> 00:15:50,940

in C 2100 BCE

320

00:15:57,470 --> 00:15:54,300

to 2050 BCE

321

00:16:01,310 --> 00:15:57,480

that is a long time ago that Mesopotamia

322

00:16:03,769 --> 00:16:01,320

had these laws written on tablets

323

00:16:05,990 --> 00:16:03,779

the law is amazing when it gets to this

324

00:16:08,210 --> 00:16:06,000

ordeal by water there were different

325

00:16:10,970 --> 00:16:08,220

types of Trials by water

326

00:16:12,110 --> 00:16:10,980

trials by hot water and trials by cold

327

00:16:19,129 --> 00:16:12,120

water

328

00:16:24,829 --> 00:16:19,139

were first mentioned in the 6th century

329

00:16:28,790 --> 00:16:24,839

so the ordeal of hot water required the

330

00:16:31,910 --> 00:16:28,800

accused to dip their hand into a kettle

331

00:16:35,569 --> 00:16:31,920

or pot of boiling water

332

00:16:39,110 --> 00:16:35,579

sometimes oil or lead was used instead

333

00:16:42,290 --> 00:16:39,120

and retrieve a stone

334

00:16:45,050 --> 00:16:42,300

assessment of the injury was similar to

335

00:16:47,749 --> 00:16:45,060

that for the fire ordeal

336

00:16:51,069 --> 00:16:47,759

an early example of the test was

337

00:16:55,970 --> 00:16:51,079

described in the late 6th Century as

338

00:16:59,870 --> 00:16:55,980

Howie Catholic saint Hyacinth best

339

00:17:03,769 --> 00:16:59,880

Ed an Aryan rival by plucking a stone

340

00:17:08,929 --> 00:17:06,289

Bishop Gregory of Tours said that it

341

00:17:10,069 --> 00:17:08,939

took Hyacinth about an hour to complete

342

00:17:12,169 --> 00:17:10,079

the task

343

00:17:13,970 --> 00:17:12,179

because the waters were bubbling so

344

00:17:16,309 --> 00:17:13,980

ferociously

345

00:17:19,610 --> 00:17:16,319

but he was pleased to record that when

346

00:17:24,110 --> 00:17:19,620

the heretic tried he had the skin boiled

347

00:17:29,390 --> 00:17:26,809

legal texts from the reign of King

348

00:17:31,669 --> 00:17:29,400

ethelsten

349

00:17:33,950 --> 00:17:31,679

provided some of the most elaborate

350

00:17:36,350 --> 00:17:33,960

Royal regulations for the use of the

351

00:17:41,150 --> 00:17:36,360

ordeal in Anglo Saxon England so this

352

00:17:43,610 --> 00:17:41,160

this type of law was far and wide

353

00:17:45,710 --> 00:17:43,620

and

354

00:17:49,310 --> 00:17:45,720

there was also the ordeal of cold water

355

00:17:54,529 --> 00:17:49,320

the ordeal of cold water was a precedent

356

00:17:58,010 --> 00:17:54,539

in the 13th law of the code of Urnamu

357

00:18:00,169 --> 00:17:58,020

the oldest known surviving code of law

358

00:18:02,330 --> 00:18:00,179

and the second law of the code of

359

00:18:05,570 --> 00:18:02,340

Hamurabi

360

00:18:07,490 --> 00:18:05,580

under the code a man who was accused of

361

00:18:08,930 --> 00:18:07,500

what some scholars have translated as

362

00:18:12,890 --> 00:18:08,940

witchcraft

363

00:18:15,110 --> 00:18:12,900

was to undergo or deal by water

364

00:18:17,510 --> 00:18:15,120

if the man were proven innocent through

365

00:18:19,130 --> 00:18:17,520

his ordeal the accuser was obligated to

366

00:18:21,890 --> 00:18:19,140

pay three shekels to The Men Who

367

00:18:24,350 --> 00:18:21,900

underwent judgment

368

00:18:26,630 --> 00:18:24,360

it dictated that if a man was accused of

369

00:18:29,870 --> 00:18:26,640

a matter by another the accused was to

370

00:18:35,870 --> 00:18:32,810

if the accused man survived this ordeal

371

00:18:38,570 --> 00:18:35,880

the accused was to be acquitted

372

00:18:41,810 --> 00:18:38,580

if the accused was found innocent by

373

00:18:42,710 --> 00:18:41,820

this ordeal the accuser was to be put to

374

00:18:45,230 --> 00:18:42,720

death

375

00:18:47,210 --> 00:18:45,240

and the accused man was to take

376

00:18:48,890 --> 00:18:47,220

possession of the then deceased

377

00:18:51,529 --> 00:18:48,900

accuser's house

378

00:18:53,570 --> 00:18:51,539

now sorcery was a big deal back then

379

00:18:55,669 --> 00:18:53,580

because it was believed you could just

380

00:18:58,310 --> 00:18:55,679

about accomplish anything through

381

00:19:02,090 --> 00:18:58,320

sorcery unlike today

382

00:19:04,070 --> 00:19:02,100

you accuse someone of sorcery now and

383

00:19:06,590 --> 00:19:04,080

you might just get them more followers

384

00:19:09,470 --> 00:19:06,600

on Instagram is all you know that's not

385

00:19:13,970 --> 00:19:09,480

going to basically be comparable

386

00:19:17,630 --> 00:19:13,980

to that accusation back then

387

00:19:19,909 --> 00:19:17,640

also sorcery was using the tools

388

00:19:22,850 --> 00:19:19,919

that should be

389

00:19:25,669 --> 00:19:22,860

mostly used by the Divine and speaking

390

00:19:27,710 --> 00:19:25,679

of the Divine this would be quite

391

00:19:30,710 --> 00:19:27,720

literally The Shining ones who had an

392

00:19:34,250 --> 00:19:30,720

understanding of natural law

393

00:19:37,029 --> 00:19:34,260

they were basically

394

00:19:41,150 --> 00:19:37,039

the enlightened ones they were shining

395

00:19:44,690 --> 00:19:41,160

they were basically those beings who

396

00:19:46,850 --> 00:19:44,700

shined or glowed and this is interesting

397

00:19:49,570 --> 00:19:46,860

because it uses the reasoning that any

398

00:19:52,970 --> 00:19:49,580

depiction or description of light

399

00:19:55,490 --> 00:19:52,980

associated with one of these entities is

400

00:19:58,789 --> 00:19:55,500

actually a reference to them Shining

401
00:20:01,370 --> 00:19:58,799
they are found in religious texts of

402
00:20:03,950 --> 00:20:01,380
course Ancient Art you have the halo

403
00:20:06,169 --> 00:20:03,960
around the head of many Saints with

404
00:20:08,330 --> 00:20:06,179
depictions of rays of light surrounding

405
00:20:09,890 --> 00:20:08,340
or emanating from these

406
00:20:11,690 --> 00:20:09,900
Saints and

407
00:20:15,830 --> 00:20:11,700
other deities

408
00:20:19,010 --> 00:20:15,840
and it's a universal means of depicting

409
00:20:20,750 --> 00:20:19,020
Enlightenment or power or Purity or

410
00:20:24,710 --> 00:20:20,760
divine blessing

411
00:20:27,350 --> 00:20:24,720
and in religious texts and most cultures

412
00:20:30,770 --> 00:20:27,360
have them throughout history they depict

413
00:20:32,289 --> 00:20:30,780

these individuals regardless of religion

414

00:20:34,070 --> 00:20:32,299

as

415

00:20:36,070 --> 00:20:34,080

enlightened

416

00:20:39,350 --> 00:20:36,080

Shining

417

00:20:42,590 --> 00:20:39,360

reflecting light for obvious reasons or

418

00:20:45,049 --> 00:20:42,600

actually emanating light angels are

419

00:20:47,630 --> 00:20:45,059

often depicted as emanating light

420

00:20:49,669 --> 00:20:47,640

reflecting light or basically shining as

421

00:20:52,250 --> 00:20:49,679

well

422

00:20:54,350 --> 00:20:52,260

these Anunnaki

423

00:20:57,529 --> 00:20:54,360

or creators

424

00:21:04,789 --> 00:21:01,789

were Creator Gods who came to Earth

425

00:21:05,930 --> 00:21:04,799

the word Anunnaki has a variety of

426
00:21:09,350 --> 00:21:05,940
meanings

427
00:21:12,770 --> 00:21:09,360
those who came from Heaven to Earth or

428
00:21:16,250 --> 00:21:12,780
those who from Heaven to Earth came

429
00:21:17,990 --> 00:21:16,260
it is said that these beings inhabited a

430
00:21:20,029 --> 00:21:18,000
distant planet

431
00:21:23,930 --> 00:21:20,039
which only entered our solar system

432
00:21:27,830 --> 00:21:23,940
every 3600 years

433
00:21:29,690 --> 00:21:27,840
they were described as being shiny

434
00:21:31,789 --> 00:21:29,700
enlightened

435
00:21:34,789 --> 00:21:31,799
and they described their planet from

436
00:21:36,770 --> 00:21:34,799
whence they came Nibiru as many have

437
00:21:40,190 --> 00:21:36,780
called it

438
00:21:43,070 --> 00:21:40,200

as many times the diameter of Earth

439

00:21:47,750 --> 00:21:43,080

an abundant with iron oxide

440

00:21:49,430 --> 00:21:47,760

making its rivers and lakes appear red

441

00:21:52,810 --> 00:21:49,440

a side note

442

00:21:56,630 --> 00:21:52,820

according to the Sumerian Tablets

443

00:22:00,110 --> 00:21:56,640

nibiru's atmosphere began to deteriorate

444

00:22:02,510 --> 00:22:00,120

and environmentally it became a very

445

00:22:05,390 --> 00:22:02,520

difficult place for life

446

00:22:07,310 --> 00:22:05,400

therefore in order to restore it and

447

00:22:10,370 --> 00:22:07,320

resolve the issue

448

00:22:13,909 --> 00:22:10,380

the Anunnaki needed one more important

449

00:22:15,590 --> 00:22:13,919

element for their atmosphere

450

00:22:18,230 --> 00:22:15,600

gold

451
00:22:20,630 --> 00:22:18,240
it has also been maintained that the

452
00:22:24,289 --> 00:22:20,640
human race was genetically manipulated

453
00:22:27,169 --> 00:22:24,299
by these beings for various reasons

454
00:22:29,750 --> 00:22:27,179
if the storyline is to be completely

455
00:22:31,610 --> 00:22:29,760
believed four hundred and fifty thousand

456
00:22:35,750 --> 00:22:31,620
years ago

457
00:22:38,510 --> 00:22:35,760
what we know is our ancestors descended

458
00:22:40,370 --> 00:22:38,520
from the cosmos

459
00:22:45,830 --> 00:22:40,380
to engineer

460
00:22:54,710 --> 00:22:49,250
they appeared as Giants that ruled as

461
00:23:01,430 --> 00:22:57,289
scientific research and other

462
00:23:04,130 --> 00:23:01,440
fingerprints and telltale signs have

463
00:23:06,529 --> 00:23:04,140

acknowledged their existence on Earth

464

00:23:08,630 --> 00:23:06,539

but

465

00:23:11,810 --> 00:23:08,640

reveals

466

00:23:14,690 --> 00:23:11,820

they may come back

467

00:23:16,070 --> 00:23:14,700

the truth of their real origin and

468

00:23:17,690 --> 00:23:16,080

purpose

469

00:23:21,649 --> 00:23:17,700

is

470

00:23:25,549 --> 00:23:23,870

whether it's the Garden of Eden the

471

00:23:28,549 --> 00:23:25,559

great flood

472

00:23:31,970 --> 00:23:28,559

or the secrets of Enoch

473

00:23:36,890 --> 00:23:31,980

they all seem to be interrelated

474

00:23:45,169 --> 00:23:40,010

and mythological traditions

475

00:23:46,850 --> 00:23:45,179

all converging dynamically upon a very

476
00:23:50,330 --> 00:23:46,860
deep

477
00:23:54,230 --> 00:23:50,340
and Rich creation story

478
00:23:56,810 --> 00:23:54,240
which has been translated and decoded in

479
00:23:58,669 --> 00:23:56,820
a variety of different ways by a number

480
00:24:01,850 --> 00:23:58,679
of different people

481
00:24:04,370 --> 00:24:01,860
the most famous of course is Zachariah

482
00:24:07,190 --> 00:24:04,380
stitchin

483
00:24:10,730 --> 00:24:07,200
what we end up with

484
00:24:13,610 --> 00:24:10,740
is history written in stone

485
00:24:15,950 --> 00:24:13,620
but decoded and translated in different

486
00:24:18,409 --> 00:24:15,960
ways

487
00:24:20,630 --> 00:24:18,419
the way the Sumerians spoke was much

488
00:24:24,370 --> 00:24:20,640

different than we speak today so even

489

00:24:31,310 --> 00:24:28,250

intonation and message gets somewhat

490

00:24:35,029 --> 00:24:31,320

lost not only in the language itself but

491

00:24:38,270 --> 00:24:35,039

even in Translation so basically

492

00:24:41,210 --> 00:24:38,280

according to Sumerian mythology

493

00:24:43,970 --> 00:24:41,220

humanoid Gods came down from the heavens

494

00:24:46,970 --> 00:24:43,980

and ruled over our planet

495

00:24:49,909 --> 00:24:46,980

their plan was to mine its minerals and

496

00:24:51,590 --> 00:24:49,919

they terraformed Earth as we know it to

497

00:24:54,549 --> 00:24:51,600

make it livable

498

00:24:57,590 --> 00:24:54,559

the main god Anu

499

00:25:00,770 --> 00:24:57,600

realized that the labor needed and

500

00:25:04,070 --> 00:25:00,780

necessary was just too much

501
00:25:05,630 --> 00:25:04,080
it was a good plan but just involved too

502
00:25:09,529 --> 00:25:05,640
much work

503
00:25:10,669 --> 00:25:09,539
enki his son being very intelligent had

504
00:25:13,669 --> 00:25:10,679
an idea

505
00:25:16,130 --> 00:25:13,679
to create a slave race

506
00:25:19,610 --> 00:25:16,140
which could mine the planet do the work

507
00:25:23,990 --> 00:25:19,620
and save much trouble

508
00:25:26,450 --> 00:25:24,000
so it was agreed the gods created man

509
00:25:28,970 --> 00:25:26,460
one of the Gods was killed

510
00:25:31,310 --> 00:25:28,980
and they mixed his blood

511
00:25:34,370 --> 00:25:31,320
with Earthen clay

512
00:25:38,570 --> 00:25:34,380
and created man as we know it

513
00:25:41,690 --> 00:25:38,580

so it appears as if it was quite

514

00:25:42,950 --> 00:25:41,700

literally a magic of sorts

515

00:25:45,590 --> 00:25:42,960

blood

516

00:25:50,690 --> 00:25:45,600

and clay and Earth

517

00:25:56,210 --> 00:25:53,149

these were entities which were very

518

00:25:57,590 --> 00:25:56,220

familiar with natural law and the rules

519

00:26:00,010 --> 00:25:57,600

of nature

520

00:26:03,350 --> 00:26:00,020

therefore they could make things happen

521

00:26:06,169 --> 00:26:03,360

and create life

522

00:26:09,830 --> 00:26:06,179

from simple substances

523

00:26:12,950 --> 00:26:09,840

the man that they created was in their

524

00:26:16,549 --> 00:26:12,960

likeness we see this also in the Bible

525

00:26:20,149 --> 00:26:16,559

where the Creator God made man in his

526

00:26:22,490 --> 00:26:20,159

likeness and in many other religions and

527

00:26:25,370 --> 00:26:22,500

cultures the same story

528

00:26:27,289 --> 00:26:25,380

is told throughout Generations although

529

00:26:31,070 --> 00:26:27,299

slightly different

530

00:26:33,110 --> 00:26:31,080

so the story of mining the gold is

531

00:26:35,990 --> 00:26:33,120

shared by many

532

00:26:38,210 --> 00:26:36,000

as well as the creation story

533

00:26:40,610 --> 00:26:38,220

and of course Zachariah stitchin is the

534

00:26:44,690 --> 00:26:40,620

reason we have Ancient Aliens he is the

535

00:26:46,190 --> 00:26:44,700

father of ancient astronaut theory

536

00:26:49,549 --> 00:26:46,200

therefore

537

00:26:53,289 --> 00:26:49,559

if this extraterrestrial group of

538

00:26:57,769 --> 00:26:53,299

entities deities or beings came to Earth

539

00:27:01,549 --> 00:26:57,779

in search of gold I believe there is

540

00:27:04,070 --> 00:27:01,559

many reasons they were after it and one

541

00:27:06,769 --> 00:27:04,080

of those would have been the possibility

542

00:27:09,289 --> 00:27:06,779

of monatomic gold or ormus

543

00:27:12,890 --> 00:27:09,299

we all know the importance of gold and

544

00:27:15,350 --> 00:27:12,900

the value it has Without Really uh any

545

00:27:17,029 --> 00:27:15,360

explanation of it throughout Humanity's

546

00:27:20,149 --> 00:27:17,039

existence

547

00:27:23,390 --> 00:27:20,159

According to some translations

548

00:27:24,470 --> 00:27:23,400

this gold was needed to save their

549

00:27:28,610 --> 00:27:24,480

planet

550

00:27:31,070 --> 00:27:28,620

and make it more livable according to

551
00:27:34,970 --> 00:27:31,080
other translations it's a little more

552
00:27:37,190 --> 00:27:34,980
mixed up and not as certain how or why

553
00:27:40,490 --> 00:27:37,200
the gold was being mined

554
00:27:43,010 --> 00:27:40,500
According to some the first mining of

555
00:27:45,110 --> 00:27:43,020
the gold was taken

556
00:27:47,810 --> 00:27:45,120
from the water so

557
00:27:49,370 --> 00:27:47,820
their first mining operations were in

558
00:27:53,029 --> 00:27:49,380
the oceans

559
00:27:55,190 --> 00:27:53,039
so this would bring up a valuable case

560
00:27:58,310 --> 00:27:55,200
for monatomic gold

561
00:28:00,110 --> 00:27:58,320
and gold is a good conductor of infrared

562
00:28:03,049 --> 00:28:00,120
light

563
00:28:04,909 --> 00:28:03,059

according to zechariah's stitchin the

564

00:28:07,730 --> 00:28:04,919

planet of Nibiru where they came from

565

00:28:10,909 --> 00:28:07,740

had minerals and resources which were

566

00:28:14,630 --> 00:28:10,919

extremely depleted

567

00:28:17,210 --> 00:28:14,640

specifically and especially gold

568

00:28:19,970 --> 00:28:17,220

they needed gold in the atmosphere which

569

00:28:22,370 --> 00:28:19,980

was disappearing and this would somehow

570

00:28:23,570 --> 00:28:22,380

save their planet or was an attempt to

571

00:28:26,990 --> 00:28:23,580

do so

572

00:28:30,070 --> 00:28:27,000

it's obvious that gold was required

573

00:28:33,289 --> 00:28:30,080

and their technology required gold

574

00:28:36,049 --> 00:28:33,299

apparently a lot of it

575

00:28:38,450 --> 00:28:36,059

It is theorized by Zachariah stitchin

576

00:28:41,149 --> 00:28:38,460

that they would pulverize the gold and

577

00:28:44,269 --> 00:28:41,159

put it into the atmosphere

578

00:28:48,049 --> 00:28:44,279

now what's interesting about this theory

579

00:28:51,230 --> 00:28:48,059

is that would mean that the gold

580

00:28:52,789 --> 00:28:51,240

would be something they would Breathe or

581

00:28:55,669 --> 00:28:52,799

ingest

582

00:28:56,870 --> 00:28:55,679

and they had advanced technology to do

583

00:28:59,450 --> 00:28:56,880

this

584

00:29:02,090 --> 00:28:59,460

if they were that Reliant upon having

585

00:29:03,830 --> 00:29:02,100

gold in their atmosphere

586

00:29:06,649 --> 00:29:03,840

what if

587

00:29:07,490 --> 00:29:06,659

they were also ingesting it and eating

588

00:29:14,750 --> 00:29:07,500

it

589

00:29:17,269 --> 00:29:14,760

monatomic gold or ormus is very potent

590

00:29:20,630 --> 00:29:17,279

to human beings

591

00:29:23,870 --> 00:29:20,640

and many have claimed to have completely

592

00:29:26,990 --> 00:29:23,880

cured themselves a very serious and

593

00:29:29,990 --> 00:29:27,000

terminal illnesses using ormus

594

00:29:33,529 --> 00:29:30,000

some have claimed that Manna From Heaven

595

00:29:35,450 --> 00:29:33,539

is ormus this is what was being

596

00:29:38,450 --> 00:29:35,460

referenced in the Bible

597

00:29:41,990 --> 00:29:38,460

as far as the oceans in which they

598

00:29:45,529 --> 00:29:42,000

purportedly first mined for ormus

599

00:29:47,029 --> 00:29:45,539

the first ocean was the Persian Gulf in

600

00:29:49,549 --> 00:29:47,039

the sea

601
00:29:53,570 --> 00:29:49,559
many believe they were prospecting and

602
00:29:56,870 --> 00:29:53,580
mining for regular gold in the ocean

603
00:29:58,070 --> 00:29:56,880
however I suggest and many others

604
00:30:00,470 --> 00:29:58,080
believe

605
00:30:03,590 --> 00:30:00,480
that they may have not been after the

606
00:30:06,310 --> 00:30:03,600
familiar yellow metal in its solid form

607
00:30:09,649 --> 00:30:06,320
however they may have been after

608
00:30:17,630 --> 00:30:13,549
clearly if it was monatomic gold

609
00:30:21,409 --> 00:30:18,830
ormus

610
00:30:25,549 --> 00:30:21,419
abounds

611
00:30:28,190 --> 00:30:25,559
much more in the sea than on firm land

612
00:30:30,889 --> 00:30:28,200
in Sumerian records

613
00:30:34,190 --> 00:30:30,899

The Shining ones are sometimes referred

614

00:30:35,990 --> 00:30:34,200
to as reflective

615

00:30:38,930 --> 00:30:36,000
they were

616

00:30:41,690 --> 00:30:38,940
ever so light-skinned

617

00:30:44,210 --> 00:30:41,700
and although light-skinned

618

00:30:46,370 --> 00:30:44,220
it is said that they anointed themselves

619

00:30:49,430 --> 00:30:46,380
with an oil or

620

00:30:55,010 --> 00:30:49,440
really a

621

00:30:58,850 --> 00:30:57,110
it's also possible

622

00:31:00,289 --> 00:30:58,860
that

623

00:31:04,909 --> 00:31:00,299
if

624

00:31:07,250 --> 00:31:04,919
they Shone or reflected or were shiny

625

00:31:10,070 --> 00:31:07,260
this may have had to do with the

626
00:31:13,070 --> 00:31:10,080
consumption of ormus

627
00:31:15,590 --> 00:31:13,080
is it possible that the monatomic white

628
00:31:20,389 --> 00:31:15,600
powder of gold

629
00:31:23,930 --> 00:31:20,399
maybe came through their bodies

630
00:31:27,470 --> 00:31:23,940
helping conduce and generate

631
00:31:34,310 --> 00:31:29,510
it's also possible that their

632
00:31:38,090 --> 00:31:34,320
sophisticated sunscreens had much zinc

633
00:31:40,430 --> 00:31:38,100
within them as well as other minerals

634
00:31:41,870 --> 00:31:40,440
and as we all know with the popular

635
00:31:43,430 --> 00:31:41,880
horized

636
00:31:46,909 --> 00:31:43,440
usual

637
00:31:50,149 --> 00:31:46,919
image of a beach lifeguard with the

638
00:31:54,529 --> 00:31:50,159

heavy sunscreen on their nose and cheeks

639

00:31:57,409 --> 00:31:54,539

it's white because of the zinc

640

00:31:59,990 --> 00:31:57,419

now when ormus is ingested insufficient

641

00:32:02,690 --> 00:32:00,000

quantities it increases the

642

00:32:06,769 --> 00:32:02,700

superconductivity

643

00:32:08,330 --> 00:32:06,779

the electrical conductive nature of the

644

00:32:11,090 --> 00:32:08,340

human body

645

00:32:13,730 --> 00:32:11,100

in the Bible it speaks of the Jewish

646

00:32:19,070 --> 00:32:13,740

people being in the desert for 40 years

647

00:32:22,130 --> 00:32:19,080

there are various references to Mana or

648

00:32:28,250 --> 00:32:22,140

food basically of the heavens

649

00:32:32,269 --> 00:32:30,409

we have this

650

00:32:33,950 --> 00:32:32,279

so all the work

651
00:32:36,289 --> 00:32:33,960
on the meeting of the tent was finished

652
00:32:38,930 --> 00:32:36,299
the Israelites did everything just as

653
00:32:41,149 --> 00:32:38,940
the Lord had commanded Moses

654
00:32:43,370 --> 00:32:41,159
then they brought the holy tent to Moses

655
00:32:46,310 --> 00:32:43,380
the tent and all its furniture hooks

656
00:32:48,470 --> 00:32:46,320
frames crossbars posts and bases the

657
00:32:50,750 --> 00:32:48,480
covering made of male sheepskins colored

658
00:32:52,549 --> 00:32:50,760
red the covering made of fine leather

659
00:32:55,549 --> 00:32:52,559
and a curtain that covered the entrance

660
00:32:57,110 --> 00:32:55,559
of the most holy place the Ark of the

661
00:33:01,430 --> 00:32:57,120
agreement

662
00:33:04,430 --> 00:33:01,440
its poles and lid the table all its

663
00:33:07,010 --> 00:33:04,440

containers and the bread that showed

664

00:33:09,950 --> 00:33:07,020

they were in God's presence

665

00:33:11,029 --> 00:33:09,960

so here we have 40 Years of wandering in

666

00:33:14,330 --> 00:33:11,039

the desert

667

00:33:15,889 --> 00:33:14,340

with Moses and of course the iconic Ark

668

00:33:18,889 --> 00:33:15,899

of the Covenant

669

00:33:21,470 --> 00:33:18,899

and I think of everything the most

670

00:33:22,789 --> 00:33:21,480

interesting is the bread of God's

671

00:33:25,669 --> 00:33:22,799

presence

672

00:33:30,789 --> 00:33:25,679

it is referred to as many things but

673

00:33:35,870 --> 00:33:33,889

s-h-e-w-b-r-e-a-d many maintained that

674

00:33:39,769 --> 00:33:35,880

the cakes of shoe bread of the

675

00:33:42,529 --> 00:33:39,779

Tabernacle were made of ormus gold mixed

676
00:33:44,990 --> 00:33:42,539
with unleavened flour also known as fine

677
00:33:48,470 --> 00:33:45,000
flour or sweet flour

678
00:33:50,330 --> 00:33:48,480
12 shoe bread cakes were replaced every

679
00:33:53,690 --> 00:33:50,340
seven days

680
00:33:56,509 --> 00:33:53,700
now when ormus is ingested it increases

681
00:33:59,870 --> 00:33:56,519
the superconductivity of the cells by a

682
00:34:01,549 --> 00:33:59,880
factor of ten thousand

683
00:34:04,549 --> 00:34:01,559
is it possible

684
00:34:06,710 --> 00:34:04,559
that if someone was eating this at a

685
00:34:10,970 --> 00:34:06,720
regular order much like the Anunnaki

686
00:34:15,829 --> 00:34:13,490
or they would be shiny ones

687
00:34:19,490 --> 00:34:15,839
especially when

688
00:34:22,250 --> 00:34:19,500

also coupled with their special anointed

689

00:34:25,450 --> 00:34:22,260

oils on their bodies which is highly

690

00:34:29,149 --> 00:34:25,460

documented oils which most likely

691

00:34:30,829 --> 00:34:29,159

involved zinc and other reflective

692

00:34:34,070 --> 00:34:30,839

elements

693

00:34:36,950 --> 00:34:34,080

the Anunnaki or shining ones were said

694

00:34:39,950 --> 00:34:36,960

to be taller in stature and of a light

695

00:34:42,349 --> 00:34:39,960

complexion and that they did not take

696

00:34:44,869 --> 00:34:42,359

well to the Sun

697

00:34:47,210 --> 00:34:44,879

they needed to be Anointed with these

698

00:34:49,609 --> 00:34:47,220

Special oils or sunscreens which

699

00:34:52,970 --> 00:34:49,619

contained a variety of elements

700

00:34:56,510 --> 00:34:52,980

and they also in my opinion

701
00:34:58,849 --> 00:34:56,520
were ingesting different elements and

702
00:35:01,609 --> 00:34:58,859
supplements not only

703
00:35:05,089 --> 00:35:01,619
to make their stay on this

704
00:35:08,390 --> 00:35:05,099
Earth as we know it more comfortable

705
00:35:11,510 --> 00:35:08,400
but it was obviously not their usual

706
00:35:12,710 --> 00:35:11,520
environment so supplementing would be

707
00:35:16,010 --> 00:35:12,720
necessary

708
00:35:16,970 --> 00:35:16,020
there is very little spoken of what they

709
00:35:20,510 --> 00:35:16,980
ate

710
00:35:22,730 --> 00:35:20,520
however their need for mining gold

711
00:35:25,849 --> 00:35:22,740
was at the top of the list

712
00:35:28,069 --> 00:35:25,859
this leads me to believe

713
00:35:29,510 --> 00:35:28,079

the ingestion of gold

714

00:35:32,990 --> 00:35:29,520

was

715

00:35:34,370 --> 00:35:33,000

not only likely but most likely a

716

00:35:37,550 --> 00:35:34,380

priority

717

00:35:39,530 --> 00:35:37,560

some claim ormus is actually the

718

00:35:44,030 --> 00:35:39,540

Philosopher's Stone

719

00:35:46,849 --> 00:35:44,040

and may have spiritual potential

720

00:35:49,730 --> 00:35:46,859

for thousands of years there has always

721

00:35:54,109 --> 00:35:49,740

been beneficial

722

00:35:56,530 --> 00:35:54,119

recommendations as to taking monofin

723

00:35:59,150 --> 00:35:56,540

monotonic

724

00:36:01,970 --> 00:35:59,160

monotomic gold

725

00:36:04,190 --> 00:36:01,980

and foods with it

726

00:36:07,370 --> 00:36:04,200

According to some

727

00:36:10,130 --> 00:36:07,380

secret societies all value gold Beyond

728

00:36:12,890 --> 00:36:10,140

its physical value

729

00:36:14,270 --> 00:36:12,900

this could be due to the fact that it

730

00:36:16,910 --> 00:36:14,280

helps

731

00:36:19,370 --> 00:36:16,920

in the chemistry and biology

732

00:36:21,589 --> 00:36:19,380

of human beings to give them

733

00:36:24,650 --> 00:36:21,599

extraordinary benefits

734

00:36:28,370 --> 00:36:24,660

while also decalcifying the pineal gland

735

00:36:30,109 --> 00:36:28,380

and making them more aware

736

00:36:33,589 --> 00:36:30,119

more enlightened

737

00:36:35,329 --> 00:36:33,599

and More in tune with their creator

738

00:36:38,270 --> 00:36:35,339

some even claim

739

00:36:41,630 --> 00:36:38,280

that the Anunnaki would utilize ormus to

740

00:36:42,950 --> 00:36:41,640

reanimate dead bodies and after three

741

00:36:44,810 --> 00:36:42,960

days

742

00:36:47,690 --> 00:36:44,820

they would come back

743

00:36:51,050 --> 00:36:47,700

this is a Biblical theme

744

00:36:53,990 --> 00:36:51,060

and a very controversial topic

745

00:36:55,910 --> 00:36:54,000

that should better be tackled in a

746

00:36:58,910 --> 00:36:55,920

separate podcast

747

00:37:00,950 --> 00:36:58,920

so here we have it something that can

748

00:37:03,410 --> 00:37:00,960

cure mortality

749

00:37:06,109 --> 00:37:03,420

it has also been called the holy grail

750

00:37:08,569 --> 00:37:06,119

and in certain secret societies and

751
00:37:10,910 --> 00:37:08,579
Orders of the Holy Grail

752
00:37:13,730 --> 00:37:10,920
there is talk

753
00:37:16,730 --> 00:37:13,740
of creating a perfect

754
00:37:22,609 --> 00:37:19,190
and it makes you wonder could this be

755
00:37:26,450 --> 00:37:22,619
the key to immortality

756
00:37:29,770 --> 00:37:26,460
why is it that humans who hoard gold are

757
00:37:32,150 --> 00:37:29,780
worth more than humans who don't

758
00:37:34,069 --> 00:37:32,160
Annunaki creation

759
00:37:37,670 --> 00:37:34,079
of human beings

760
00:37:40,550 --> 00:37:37,680
says that gold was very important

761
00:37:42,230 --> 00:37:40,560
that it had an extending life

762
00:37:45,950 --> 00:37:42,240
potential

763
00:37:47,690 --> 00:37:45,960

and it allowed them to achieve

764

00:37:50,810 --> 00:37:47,700

higher Consciousness than the average

765

00:37:53,450 --> 00:37:50,820

human obviously

766

00:37:57,710 --> 00:37:53,460

in the book Dune

767

00:38:01,310 --> 00:37:57,720

there is the spoken example of spice

768

00:38:02,569 --> 00:38:01,320

which extends life expands awareness

769

00:38:05,750 --> 00:38:02,579

and

770

00:38:08,150 --> 00:38:05,760

is very much like ormus

771

00:38:11,690 --> 00:38:08,160

could it be that

772

00:38:14,930 --> 00:38:11,700

when writing the book Dune it's a great

773

00:38:16,609 --> 00:38:14,940

TV series as well the spice that they

774

00:38:20,210 --> 00:38:16,619

talk about

775

00:38:24,109 --> 00:38:20,220

is sourced from the belief in ormus

776

00:38:27,109 --> 00:38:24,119

also in Genesis 2 8-12

777

00:38:30,410 --> 00:38:27,119

we have this the Lord God planted a

778

00:38:32,750 --> 00:38:30,420

garden in the east in Eden

779

00:38:36,650 --> 00:38:32,760

Eden means the Flatland

780

00:38:38,930 --> 00:38:36,660

and there he put them in he had formed

781

00:38:41,030 --> 00:38:38,940

the Lord God made all kinds of trees

782

00:38:44,210 --> 00:38:41,040

grow out of the ground it sounds like

783

00:38:46,910 --> 00:38:44,220

terraforming trees that were pleasing to

784

00:38:49,250 --> 00:38:46,920

the eye and good for food

785

00:38:51,470 --> 00:38:49,260

in the middle of the garden were the

786

00:38:53,030 --> 00:38:51,480

tree of life and the tree of knowledge

787

00:38:55,670 --> 00:38:53,040

of Good and Evil

788

00:38:56,930 --> 00:38:55,680

a river watering the garden flowed from

789

00:38:59,150 --> 00:38:56,940

Eden

790

00:39:02,569 --> 00:38:59,160

from there it was separated into four

791

00:39:08,270 --> 00:39:04,790

pish on

792

00:39:12,890 --> 00:39:10,250

where there is gold

793

00:39:16,250 --> 00:39:12,900

the gold of that land is good

794

00:39:19,849 --> 00:39:16,260

aromatic resin and Onyx are also there

795

00:39:23,089 --> 00:39:19,859

Biblical verses mythology from various

796

00:39:24,530 --> 00:39:23,099

lands all of the religious and spiritual

797

00:39:26,089 --> 00:39:24,540

beliefs

798

00:39:29,450 --> 00:39:26,099

are one thing

799

00:39:32,690 --> 00:39:29,460

however the Sumerian Tablets discovered

800

00:39:37,130 --> 00:39:32,700

in modern day Iraq in 2006

801
00:39:43,190 --> 00:39:37,140
actually refer to genetic manipulation

802
00:39:48,410 --> 00:39:45,170
were behind it

803
00:39:49,910 --> 00:39:48,420
would that make the Lord God none other

804
00:39:53,569 --> 00:39:49,920
than enki

805
00:39:54,770 --> 00:39:53,579
some argue this others say that's not

806
00:39:56,210 --> 00:39:54,780
the case

807
00:39:59,630 --> 00:39:56,220
however

808
00:40:04,069 --> 00:39:59,640
could it be that ormus has something to

809
00:40:08,390 --> 00:40:04,079
do with all of it the harvesting of gold

810
00:40:11,150 --> 00:40:08,400
the conflicting idea of why is gold so

811
00:40:12,650 --> 00:40:11,160
valuable to humanity

812
00:40:16,730 --> 00:40:12,660
also

813
00:40:19,730 --> 00:40:16,740

could it be that the Annunaki

814

00:40:23,030 --> 00:40:19,740

were also the Elohim

815

00:40:24,010 --> 00:40:23,040

I believe so I don't see any issue on

816

00:40:27,230 --> 00:40:24,020

that

817

00:40:29,450 --> 00:40:27,240

Annunaki Elohim and the Nephilim I think

818

00:40:31,430 --> 00:40:29,460

can all be tied together as a general

819

00:40:32,930 --> 00:40:31,440

population

820

00:40:35,210 --> 00:40:32,940

the

821

00:40:36,890 --> 00:40:35,220

interesting portion of this of course

822

00:40:38,870 --> 00:40:36,900

means that

823

00:40:50,930 --> 00:40:38,880

the Old Testament

824

00:40:56,270 --> 00:40:54,170

in these Tales the Anunnaki are said to

825

00:40:57,890 --> 00:40:56,280

have been delighted to find gold on

826

00:41:00,410 --> 00:40:57,900

earth because they used it for

827

00:41:02,450 --> 00:41:00,420

ornamentation as well as many

828

00:41:10,670 --> 00:41:02,460

other uses

829

00:41:14,569 --> 00:41:10,680

subject and topic

830

00:41:18,770 --> 00:41:14,579

these gods of old these Divine entities

831

00:41:21,829 --> 00:41:18,780

which came from the sky using gold

832

00:41:25,130 --> 00:41:21,839

also in an interesting article from the

833

00:41:28,490 --> 00:41:25,140

defense technical information center

834

00:41:30,170 --> 00:41:28,500

which is the largest Central resource

835

00:41:31,190 --> 00:41:30,180

for the United States Department of

836

00:41:34,790 --> 00:41:31,200

Defense

837

00:41:37,069 --> 00:41:34,800

there is a report that shows that DNA

838

00:41:39,829 --> 00:41:37,079

can be used as a scaffold for The

839

00:41:42,470 --> 00:41:39,839

Binding of gold nanoparticles

840

00:41:45,470 --> 00:41:42,480

could it be that gold nanoparticles are

841

00:41:48,470 --> 00:41:45,480

capable of unzipping DNA

842

00:41:50,810 --> 00:41:48,480

well June 20th 2012 new research from

843

00:41:53,870 --> 00:41:50,820

North Carolina State University found

844

00:41:57,050 --> 00:41:53,880

that gold nanoparticles with a slight

845

00:42:01,670 --> 00:41:57,060

positive charge could work collectively

846

00:42:05,569 --> 00:42:01,680

to unravel DNA's double helix this has

847

00:42:08,950 --> 00:42:05,579

extreme ramifications for Gene research

848

00:42:11,290 --> 00:42:08,960

gene therapy and the emerging field of

849

00:42:13,849 --> 00:42:11,300

dna-based electronics

850

00:42:16,730 --> 00:42:13,859

transhumanism comes to mind

851
00:42:18,470 --> 00:42:16,740
yet this is hardly the tip of the spear

852
00:42:20,030 --> 00:42:18,480
when it comes to coincidence and

853
00:42:22,790 --> 00:42:20,040
synchronicity

854
00:42:25,849 --> 00:42:22,800
Plato wrote of

855
00:42:27,230 --> 00:42:25,859
a great diluvian flood in reference to

856
00:42:30,290 --> 00:42:27,240
Atlantis

857
00:42:32,270 --> 00:42:30,300
his timing of the flood is impeccably

858
00:42:34,609 --> 00:42:32,280
correct

859
00:42:36,770 --> 00:42:34,619
when cross-examined

860
00:42:39,470 --> 00:42:36,780
with research and studies done by

861
00:42:40,490 --> 00:42:39,480
geologists taking core samples from the

862
00:42:43,190 --> 00:42:40,500
Earth

863
00:42:45,230 --> 00:42:43,200

the atlanteans were said to be an order

864

00:42:47,690 --> 00:42:45,240
of entities

865

00:42:49,790 --> 00:42:47,700
or individuals

866

00:42:51,410 --> 00:42:49,800
with a greater understanding of

867

00:42:54,410 --> 00:42:51,420
Technology

868

00:42:56,510 --> 00:42:54,420
abilities that far surpass those of the

869

00:43:00,710 --> 00:42:56,520
regular humans of the time

870

00:43:04,250 --> 00:43:00,720
and they also share a uniquely

871

00:43:10,849 --> 00:43:07,609
with the Anunnaki despite all the

872

00:43:13,430 --> 00:43:10,859
evidence suggesting otherwise and so

873

00:43:17,329 --> 00:43:13,440
many myths Tales Legends and stories

874

00:43:21,230 --> 00:43:17,339
about the great flood academics dismiss

875

00:43:24,069 --> 00:43:21,240
each and every one as merely myths

876

00:43:27,589 --> 00:43:24,079

created by simple

877

00:43:30,530 --> 00:43:27,599

non-technological naive peoples

878

00:43:32,750 --> 00:43:30,540

to explain seasonal flooding

879

00:43:35,329 --> 00:43:32,760

we find this dilemma throughout history

880

00:43:38,270 --> 00:43:35,339

over and over again but particularly

881

00:43:41,089 --> 00:43:38,280

with the Sumerians being that they are

882

00:43:42,410 --> 00:43:41,099

the first Advanced civilization known to

883

00:43:44,990 --> 00:43:42,420

man

884

00:43:47,690 --> 00:43:45,000

I find it very convenient

885

00:43:50,450 --> 00:43:47,700

to downplay the things they invented

886

00:43:52,309 --> 00:43:50,460

what they were up to the creation of

887

00:43:55,809 --> 00:43:52,319

major cities

888

00:44:00,349 --> 00:43:55,819

sewer systems Water Systems law

889

00:44:02,270 --> 00:44:00,359

Agriculture and the writing down of

890

00:44:03,890 --> 00:44:02,280

their history

891

00:44:07,069 --> 00:44:03,900

if if

892

00:44:10,849 --> 00:44:07,079

the current powers that be can basically

893

00:44:15,589 --> 00:44:10,859

dismantle that lessen the truth about it

894

00:44:17,930 --> 00:44:15,599

and make it nominal and just mythology

895

00:44:20,630 --> 00:44:17,940

then it gives the impression we need

896

00:44:22,130 --> 00:44:20,640

modern government a lot more than we

897

00:44:25,609 --> 00:44:22,140

actually do

898

00:44:28,069 --> 00:44:25,619

if we had it together this many years

899

00:44:31,550 --> 00:44:28,079

ago thousands and thousands of years ago

900

00:44:33,589 --> 00:44:31,560

as a human population and we're able to

901
00:44:37,069 --> 00:44:33,599
govern ourselves

902
00:44:39,890 --> 00:44:37,079
create amazing things live in Unity come

903
00:44:42,130 --> 00:44:39,900
up with a code of law invent all kinds

904
00:44:44,569 --> 00:44:42,140
of stuff and be quite Advanced

905
00:44:46,190 --> 00:44:44,579
technologically compared to what the

906
00:44:49,329 --> 00:44:46,200
history books tell us

907
00:44:52,790 --> 00:44:49,339
then the need for government is less

908
00:44:53,930 --> 00:44:52,800
than a number of modern Powers would

909
00:44:58,309 --> 00:44:53,940
claim

910
00:45:00,890 --> 00:44:58,319
at least the need for big government

911
00:45:03,829 --> 00:45:00,900
bureaucratic government the kind that is

912
00:45:07,030 --> 00:45:03,839
involved with every aspect of your life

913
00:45:10,490 --> 00:45:07,040

so there is a rational and reasonable

914

00:45:13,309 --> 00:45:10,500

explanation as to why

915

00:45:14,750 --> 00:45:13,319

it would be in the best interest of some

916

00:45:18,109 --> 00:45:14,760

of these powers

917

00:45:20,690 --> 00:45:18,119

to hide certain points in history

918

00:45:24,109 --> 00:45:20,700

and keep the truth

919

00:45:26,750 --> 00:45:24,119

occulted and I use the word occulted for

920

00:45:29,809 --> 00:45:26,760

a reason a very specific reason and that

921

00:45:33,770 --> 00:45:29,819

is the reason of the mystery schools and

922

00:45:36,230 --> 00:45:33,780

mystery ancient religions there is a

923

00:45:41,030 --> 00:45:36,240

large percentage

924

00:45:45,710 --> 00:45:41,040

of much of the class many would call the

925

00:45:48,410 --> 00:45:45,720

elites or the elites who in fact not

926
00:45:51,230 --> 00:45:48,420
only have membership to many of these

927
00:45:54,770 --> 00:45:51,240
fraternal organizations and ancient

928
00:45:58,250 --> 00:45:54,780
Mystery Schools but believe in many of

929
00:46:01,790 --> 00:45:58,260
the creation myths we are discussing

930
00:46:04,910 --> 00:46:01,800
in reality they believe these things

931
00:46:07,910 --> 00:46:04,920
yet in public they

932
00:46:09,950 --> 00:46:07,920
say they are not correct this is done

933
00:46:12,170 --> 00:46:09,960
for a number of reasons not only to

934
00:46:15,410 --> 00:46:12,180
secure their place in these positions of

935
00:46:17,510 --> 00:46:15,420
power because other people in those

936
00:46:20,270 --> 00:46:17,520
positions and their peers would expect

937
00:46:23,510 --> 00:46:20,280
that answer and that is what they give

938
00:46:25,670 --> 00:46:23,520

so they have to maintain their positions

939

00:46:27,829 --> 00:46:25,680

of power but there's other reasons they

940

00:46:30,890 --> 00:46:27,839

do this as well so we have a bit of

941

00:46:33,230 --> 00:46:30,900

hypocrisy in that

942

00:46:35,990 --> 00:46:33,240

the Masters

943

00:46:38,630 --> 00:46:36,000

are actually

944

00:46:39,710 --> 00:46:38,640

laying a cover of deception for the

945

00:46:41,990 --> 00:46:39,720

masses

946

00:46:43,790 --> 00:46:42,000

while believing what they wish to

947

00:46:45,530 --> 00:46:43,800

believe in private which I have no

948

00:46:48,109 --> 00:46:45,540

problem with everybody should be able to

949

00:46:50,809 --> 00:46:48,119

believe whatever they want behind closed

950

00:46:54,290 --> 00:46:50,819

doors and practice the religions they

951
00:46:56,930 --> 00:46:54,300
believe in but it's important also to

952
00:46:59,930 --> 00:46:56,940
enter this into the mix so that the

953
00:47:04,790 --> 00:46:59,940
general population knows that this is a

954
00:47:08,089 --> 00:47:04,800
key aspect and very possible reality

955
00:47:11,390 --> 00:47:08,099
so we have Zachariah stitchin and others

956
00:47:15,109 --> 00:47:11,400
translating ancient texts and yeah the

957
00:47:17,470 --> 00:47:15,119
Sumerians believed in cosmology another

958
00:47:19,190 --> 00:47:17,480
key Telltale

959
00:47:21,950 --> 00:47:19,200
fingerprint

960
00:47:24,290 --> 00:47:21,960
if you will of the reality of what could

961
00:47:27,109 --> 00:47:24,300
be taking place in this hidden history

962
00:47:31,190 --> 00:47:27,119
is the fact that one particular

963
00:47:35,569 --> 00:47:31,200

Celestial body nubaru the proposed home

964

00:47:39,770 --> 00:47:35,579

of the Annunaki is said to swing through

965

00:47:42,950 --> 00:47:39,780

the inner solar system every 3 600 years

966

00:47:45,770 --> 00:47:42,960

and keeps Beyond Pluto the rest of the

967

00:47:49,970 --> 00:47:45,780

time so it's hidden for most of the time

968

00:47:54,530 --> 00:47:49,980

and then it swings in every 3600 years

969

00:47:56,530 --> 00:47:54,540

now this has an uncanny on

970

00:48:00,710 --> 00:47:56,540

unbelievably

971

00:48:04,309 --> 00:48:00,720

synchronistic relative relation to the

972

00:48:07,309 --> 00:48:04,319

Hindu god Shiva returning to the planet

973

00:48:09,890 --> 00:48:07,319

Earth and destroying everything and

974

00:48:13,309 --> 00:48:09,900

decimating things resetting things

975

00:48:16,190 --> 00:48:13,319

and resetting the planet the God of

976
00:48:19,010 --> 00:48:16,200
destruction Shiva the same statue that

977
00:48:22,730 --> 00:48:19,020
they have at CERN at the super particle

978
00:48:25,730 --> 00:48:22,740
Collider is said to come back in a

979
00:48:28,609 --> 00:48:25,740
similar cyclical pattern basically

980
00:48:31,190 --> 00:48:28,619
decimate and destroy the planet or reset

981
00:48:34,430 --> 00:48:31,200
it in some way shape or form

982
00:48:35,390 --> 00:48:34,440
and then come back again 3 600 years

983
00:48:38,750 --> 00:48:35,400
later

984
00:48:43,030 --> 00:48:38,760
this also has an uncanny

985
00:48:47,690 --> 00:48:43,040
correlation and synchronistic relation

986
00:48:50,809 --> 00:48:47,700
to the tale of well Jesus and the belief

987
00:48:53,630 --> 00:48:50,819
that he would come back if if let's just

988
00:48:57,109 --> 00:48:53,640

for a moment step out on a limb and say

989

00:49:00,349 --> 00:48:57,119

that if our Lord and savior was in fact

990

00:49:01,510 --> 00:49:00,359

in some way shape or form related to or

991

00:49:05,450 --> 00:49:01,520

possibly

992

00:49:09,530 --> 00:49:05,460

Anunnaki himself the ability he would

993

00:49:10,670 --> 00:49:09,540

have to leave and come back in 3600

994

00:49:14,329 --> 00:49:10,680

years

995

00:49:17,630 --> 00:49:14,339

would be unbelievable and unmistakable

996

00:49:22,069 --> 00:49:17,640

and impossible to explain yet here is

997

00:49:24,290 --> 00:49:22,079

the kicker if an Annunaki leaves for 3

998

00:49:28,010 --> 00:49:24,300

600 years back to their planet and

999

00:49:28,970 --> 00:49:28,020

Nibiru orbits back in 3600 years near

1000

00:49:31,609 --> 00:49:28,980

Earth

1001
00:49:34,970 --> 00:49:31,619
by the time that would be one year for

1002
00:49:39,349 --> 00:49:34,980
them so by the time it came back it

1003
00:49:41,329 --> 00:49:39,359
would be 3 600 years in our time and one

1004
00:49:45,290 --> 00:49:41,339
year in their time

1005
00:49:48,109 --> 00:49:45,300
so the ability for these Gods these

1006
00:49:50,870 --> 00:49:48,119
humanoid shiny gods

1007
00:49:53,630 --> 00:49:50,880
like the God of destruction Shiva or

1008
00:49:57,950 --> 00:49:53,640
other gods represented in other cultures

1009
00:50:00,349 --> 00:49:57,960
to come back every 3 600 Years yet they

1010
00:50:02,870 --> 00:50:00,359
seem to be roughly the same approximate

1011
00:50:06,109 --> 00:50:02,880
age because only one year has passed in

1012
00:50:08,990 --> 00:50:06,119
their timeline would explain a lot of

1013
00:50:11,349 --> 00:50:09,000

the lore and Legend as to how long they

1014

00:50:15,470 --> 00:50:11,359

live basically they would have

1015

00:50:17,750 --> 00:50:15,480

unfathomably long life spans in our view

1016

00:50:19,730 --> 00:50:17,760

and perspective when in reality it is

1017

00:50:22,550 --> 00:50:19,740

just a manipulation of the space-time

1018

00:50:25,730 --> 00:50:22,560

Continuum based on their orbit and when

1019

00:50:28,250 --> 00:50:25,740

they pass by Earth at least if we are to

1020

00:50:31,370 --> 00:50:28,260

believe this model of cosmology

1021

00:50:33,230 --> 00:50:31,380

and going back to Shiva another

1022

00:50:37,550 --> 00:50:33,240

interesting

1023

00:50:40,930 --> 00:50:37,560

part about the Lord Shiva are the five

1024

00:50:44,930 --> 00:50:40,940

faces of Shiva much like the Pentagon

1025

00:50:47,750 --> 00:50:44,940

Shiva has five faces facing out which

1026

00:50:51,650 --> 00:50:47,760

can be associated with many groupings of

1027

00:50:55,849 --> 00:50:51,660

five the five elements and of course the

1028

00:50:58,490 --> 00:50:55,859

chakras now the five faces of Shiva are

1029

00:51:03,170 --> 00:50:58,500

associated with different things which

1030

00:51:05,690 --> 00:51:03,180

also include R5 senses so we have the

1031

00:51:10,690 --> 00:51:05,700

Lord God Shiva

1032

00:51:14,030 --> 00:51:10,700

in Hindu religion we have Atlantis

1033

00:51:16,690 --> 00:51:14,040

in Plato's Recollections we have the

1034

00:51:20,030 --> 00:51:16,700

Egyptians or rather what Plato described

1035

00:51:22,130 --> 00:51:20,040

as what his grandfather was told by

1036

00:51:24,589 --> 00:51:22,140

Salon who went to Egypt and heard it

1037

00:51:27,530 --> 00:51:24,599

from the Egyptians that there was a

1038

00:51:28,910 --> 00:51:27,540

mighty power based on an island in the

1039

00:51:32,809 --> 00:51:28,920

Atlantic Ocean

1040

00:51:36,530 --> 00:51:32,819

and that this was arranged in concentric

1041

00:51:41,569 --> 00:51:36,540

rings of alternating water and land this

1042

00:51:43,030 --> 00:51:41,579

is much like we see in the new

1043

00:51:46,430 --> 00:51:43,040

ocean

1044

00:51:48,589 --> 00:51:46,440

terraforming done in Saudi Arabia and

1045

00:51:51,589 --> 00:51:48,599

that the Central Plain outside the city

1046

00:51:55,549 --> 00:51:51,599

had canals and a magnificent irrigation

1047

00:51:56,829 --> 00:51:55,559

system Kings civil Administration an

1048

00:51:59,089 --> 00:51:56,839

organized military

1049

00:52:02,510 --> 00:51:59,099

and rituals

1050

00:52:04,250 --> 00:52:02,520

that involved sacrifice and prayer now

1051

00:52:07,370 --> 00:52:04,260

it's super important to point out that

1052

00:52:10,370 --> 00:52:07,380

Plato did not invent Atlantis as we know

1053

00:52:13,190 --> 00:52:10,380

Plato was someone who very honestly and

1054

00:52:16,069 --> 00:52:13,200

truthfully represented what he heard and

1055

00:52:18,049 --> 00:52:16,079

researched Plato was not the kind of guy

1056

00:52:20,030 --> 00:52:18,059

to put things down on paper unless he

1057

00:52:22,670 --> 00:52:20,040

believed them and I believe the

1058

00:52:25,069 --> 00:52:22,680

Sumerians were not the kind of people to

1059

00:52:27,109 --> 00:52:25,079

etch things in stone having to do with

1060

00:52:29,690 --> 00:52:27,119

the realistic timeline of their history

1061

00:52:32,329 --> 00:52:29,700

unless they believed them that's a lot

1062

00:52:37,190 --> 00:52:32,339

of effort to etch things in stone that

1063

00:52:39,770 --> 00:52:37,200

are just a story a myth and I argue that

1064

00:52:43,370 --> 00:52:39,780

there is more reality in truth

1065

00:52:46,549 --> 00:52:43,380

hidden within the Engravings in those

1066

00:52:48,230 --> 00:52:46,559

stones then modern historians are giving

1067

00:52:50,470 --> 00:52:48,240

credit for

1068

00:52:53,990 --> 00:52:50,480

how could it be that so many cultures

1069

00:52:58,609 --> 00:52:54,000

religions ancient Mystery Schools

1070

00:53:03,230 --> 00:52:58,619

and societies have believed in something

1071

00:53:04,549 --> 00:53:03,240

yet modern history teaches us it never

1072

00:53:07,370 --> 00:53:04,559

existed

1073

00:53:10,010 --> 00:53:07,380

and when cornered such as in the case of

1074

00:53:12,609 --> 00:53:10,020

the Sumerians and these tablets found in

1075

00:53:16,849 --> 00:53:12,619

2006 as well as other historical

1076

00:53:20,809 --> 00:53:16,859

archaeological finds when cornered

1077

00:53:23,630 --> 00:53:20,819

they minimize the overall interpretation

1078

00:53:27,670 --> 00:53:23,640

of what these cultures actually

1079

00:53:32,930 --> 00:53:27,680

represented accomplished invented

1080

00:53:37,010 --> 00:53:32,940

and prefer to make Sumerians and our

1081

00:53:43,490 --> 00:53:40,130

something of a very simple

1082

00:53:46,730 --> 00:53:43,500

civilization they don't like to admit

1083

00:53:49,670 --> 00:53:46,740

the things that these people were aware

1084

00:53:54,049 --> 00:53:49,680

of such as the lunar calendar time

1085

00:53:56,089 --> 00:53:54,059

itself the wheel utilization of Advanced

1086

00:53:58,309 --> 00:53:56,099

Technologies that are modern history

1087

00:54:01,370 --> 00:53:58,319

books would tell us

1088

00:54:03,829 --> 00:54:01,380

did not have any place in that time

1089

00:54:07,010 --> 00:54:03,839

and as far as their creation story which

1090

00:54:11,450 --> 00:54:07,020

is in fact our creation story it is much

1091

00:54:15,049 --> 00:54:11,460

easier to make fun of it and to not take

1092

00:54:18,410 --> 00:54:15,059

it seriously then the modern powers that

1093

00:54:21,349 --> 00:54:18,420

be can write their own history

1094

00:54:24,230 --> 00:54:21,359

unfortunately in this case it's not that

1095

00:54:30,710 --> 00:54:24,240

easy to sweep this under the rug

1096

00:54:33,890 --> 00:54:30,720

we have a 4 500 year old Sumerian Temple

1097

00:54:35,349 --> 00:54:33,900

which has of course been discovered in

1098

00:54:37,910 --> 00:54:35,359

Iraq

1099

00:54:40,030 --> 00:54:37,920

archaeologists are scratching their

1100

00:54:43,670 --> 00:54:40,040

heads as this

1101

00:54:47,630 --> 00:54:43,680

remains well it's in pretty good shape

1102

00:54:50,630 --> 00:54:47,640

given the fact that it is in Mesopotamia

1103

00:54:52,430 --> 00:54:50,640

at the Heart of the City of gersu they

1104

00:54:54,410 --> 00:54:52,440

have discovered and are still currently

1105

00:54:58,309 --> 00:54:54,420

Excavating one of the most important

1106

00:55:00,950 --> 00:54:58,319

sacred places on the planet

1107

00:55:03,589 --> 00:55:00,960

and after the second world war and years

1108

00:55:06,230 --> 00:55:03,599

of conflict that followed in Iraq

1109

00:55:08,930 --> 00:55:06,240

this site is something to be seen this

1110

00:55:12,950 --> 00:55:08,940

should be on everyone's bucket list

1111

00:55:16,309 --> 00:55:12,960

it is one of the most amazing

1112

00:55:18,770 --> 00:55:16,319

structures I've ever seen the oldest

1113

00:55:21,710 --> 00:55:18,780

civilization in the world which

1114

00:55:25,609 --> 00:55:21,720

established a religion and a code of law

1115

00:55:29,150 --> 00:55:25,619

if you go and check

1116

00:55:32,450 --> 00:55:29,160

and aerial photo

1117

00:55:36,170 --> 00:55:32,460

showing the mud brick remains of the

1118

00:55:39,589 --> 00:55:36,180

Sumerian temple in what is now Iraq you

1119

00:55:42,109 --> 00:55:39,599

will be astonished the Sumerians would

1120

00:55:45,049 --> 00:55:42,119

call their temples ziggurats

1121

00:55:47,150 --> 00:55:45,059

and the one I'm speaking of is the great

1122

00:55:51,829 --> 00:55:47,160

ziggurat at er

1123

00:55:55,250 --> 00:55:51,839

which is fascinating it is an

1124

00:56:00,049 --> 00:55:55,260

architectural invention unlike any I've

1125

00:56:03,470 --> 00:56:00,059

seen it has four sides it rises up to

1126

00:56:07,370 --> 00:56:03,480

the heavens and unlike Egyptian Pyramids

1127

00:56:10,670 --> 00:56:07,380

the exterior of ziggurats were not

1128

00:56:14,390 --> 00:56:10,680

quite the same they were tiered to

1129

00:56:17,089 --> 00:56:14,400

accommodate the work and they also had

1130

00:56:20,150 --> 00:56:17,099

administrative oversight religious

1131

00:56:23,690 --> 00:56:20,160

rituals and other things found scattered

1132

00:56:26,150 --> 00:56:23,700

around them places which were

1133

00:56:29,809 --> 00:56:26,160

particularly made

1134

00:56:33,710 --> 00:56:29,819

for the activities described

1135

00:56:37,010 --> 00:56:33,720

and this is an imposing Testament to not

1136

00:56:41,329 --> 00:56:37,020

only the Advanced Technologies and skill

1137

00:56:45,109 --> 00:56:41,339

of the Sumerian culture but the insight

1138

00:56:48,890 --> 00:56:45,119

and power that they must have had

1139

00:56:50,569 --> 00:56:48,900

and tit have structures that have stood

1140

00:56:55,069 --> 00:56:50,579

the test of time

1141

00:56:57,410 --> 00:56:55,079

this this is again one of my

1142

00:57:00,890 --> 00:56:57,420

biggest

1143

00:57:03,410 --> 00:57:00,900

questions is why this is not the number

1144

00:57:05,450 --> 00:57:03,420

one bucket list place to go visit

1145

00:57:08,329 --> 00:57:05,460

and it might be that the political

1146

00:57:10,309 --> 00:57:08,339

climate in Iraq maybe some of these

1147

00:57:13,730 --> 00:57:10,319

things are manufactured to keep people

1148

00:57:16,130 --> 00:57:13,740

away from these places this is literally

1149

00:57:20,150 --> 00:57:16,140

the beginning of civilization as we know

1150

00:57:23,030 --> 00:57:20,160

it our ancestry as human beings this is

1151

00:57:26,450 --> 00:57:23,040

the place where it all happened in a

1152

00:57:30,410 --> 00:57:26,460

beautiful sight which when you see it

1153

00:57:32,450 --> 00:57:30,420

it's obvious that we were not just silly

1154

00:57:36,470 --> 00:57:32,460

cavemen bonking each other on the head

1155

00:57:40,730 --> 00:57:36,480

this is amazing the the way it's created

1156

00:57:43,370 --> 00:57:40,740

the way it looks it is almost uh a

1157

00:57:45,829 --> 00:57:43,380

Marvel and keep in mind how old it is

1158

00:57:47,750 --> 00:57:45,839

just imagine what this place looked like

1159

00:57:50,450 --> 00:57:47,760

when it was brand new it would rival

1160

00:57:53,270 --> 00:57:50,460

anything that we build to this day and

1161

00:57:56,990 --> 00:57:53,280

obviously last a lot longer

1162

00:58:00,589 --> 00:57:57,000

maybe the belief in humanoid Gods which

1163

00:58:03,710 --> 00:58:00,599

had a shiny disposition about them which

1164

00:58:05,990 --> 00:58:03,720

gave us Technologies and helped create

1165

00:58:07,309 --> 00:58:06,000

Humanity as we know it is not so

1166

00:58:10,430 --> 00:58:07,319

far-fetched

1167

00:58:13,130 --> 00:58:10,440

the ziggurat at er stands as a testament

1168

00:58:16,190 --> 00:58:13,140

to this and in Antiquity it was said

1169

00:58:18,770 --> 00:58:16,200

people would visit the ziggurat at Ur to

1170

00:58:20,630 --> 00:58:18,780

seek both spiritual and physical

1171

00:58:23,990 --> 00:58:20,640

nourishment

1172

00:58:28,910 --> 00:58:24,000

many synchronicities coincidences and

1173

00:58:30,530 --> 00:58:28,920

many a truth hiding in plain sight

1174

00:58:33,049 --> 00:58:30,540

well there you have it

1175

00:58:35,450 --> 00:58:33,059

until next time keep your eyes to the

1176

00:58:38,150 --> 00:58:35,460

skies feet on the ground but don't

1177

00:58:40,370 --> 00:58:38,160

forget to take a look around

1178

00:58:43,069 --> 00:58:40,380

also really quick if you have not

1179

00:58:46,010 --> 00:58:43,079

subscribed to Hero paranormal on patreon

1180

00:58:48,710 --> 00:58:46,020

please run over to patreon look up hero

1181

00:58:51,109 --> 00:58:48,720

paranormal And subscribe for less than

1182

00:58:54,049 --> 00:58:51,119

the price of a cup of coffee a month you

1183

00:58:56,630 --> 00:58:54,059

get the entire amount of content behind

1184

00:58:58,510 --> 00:58:56,640

the paywall and there's a ton of it you

1185

00:59:01,549 --> 00:58:58,520

can also access this through

1186

00:59:04,549 --> 00:59:01,559

heroparanormal.com and do me a big favor

1187

00:59:06,770 --> 00:59:04,559

and like And subscribe hero paranormal

1188

00:59:09,829 --> 00:59:06,780

on YouTube although they will most

1189

00:59:13,250 --> 00:59:09,839

likely never monetize me due to a

1190

00:59:16,130 --> 00:59:13,260

variety of factors it is the only way to

1191

00:59:19,010 --> 00:59:16,140

grind down the algorithm and get it so

1192

00:59:21,650 --> 00:59:19,020

people can actually hear the podcast and

1193

00:59:24,530 --> 00:59:21,660

get some kind of reasonable traction I

1194

00:59:29,710 --> 00:59:24,540

really appreciate it thanks again

1195

00:59:29,720 --> 00:59:36,109
