button and you're all in

12  
00:00:44,389 --> 00:00:42,830  
what is considered cattle mutilation

13  
00:00:48,229 --> 00:00:44,399

well

14

00:00:52,250 --> 00:00:48,239

it appears that 11 states are plagued

15

00:00:54,529 --> 00:00:52,260

by this enigma at least according to the

16

00:00:58,029 --> 00:00:54,539

New York Times and other mainstream

17

00:01:03,950 --> 00:01:01,250

investigators including Federal officers

18

00:01:06,530 --> 00:01:03,960

have been able to

19

00:01:10,190 --> 00:01:06,540

get a pulse of what's going on but

20

00:01:11,870 --> 00:01:10,200

unable to figure out exactly the reasons

21

00:01:16,609 --> 00:01:11,880

behind

22

00:01:19,250 --> 00:01:16,619

why cattle are being mutilated

23

00:01:20,749 --> 00:01:19,260

some speculate it's done by satanic

24

00:01:24,890 --> 00:01:20,759

cults

25

00:01:28,969 --> 00:01:24,900

who use animal organs in black magic

26

00:01:31,789 --> 00:01:28,979

others believe it's done by UFOs

27

00:01:34,429 --> 00:01:31,799

some believe it is just misidentified

28

00:01:37,370 --> 00:01:34,439

Predator killings

29

00:01:40,249 --> 00:01:37,380

and I've been around cattle my entire

30

00:01:42,050 --> 00:01:40,259

life I was born on a cattle ranch in

31

00:01:45,530 --> 00:01:42,060

Costa Rica

32

00:01:46,850 --> 00:01:45,540

and I've been around cows and horses my

33

00:01:51,289 --> 00:01:46,860

entire time

34

00:01:56,149 --> 00:01:54,410

cattle and horses are not creatures that

35

00:01:58,010 --> 00:01:56,159

really bother me you know they're

36

00:02:01,609 --> 00:01:58,020

they're not creatures that are usually

37

00:02:04,310 --> 00:02:01,619

predated upon unless there are certain

38

00:02:07,730 --> 00:02:04,320

elements to their keep

39

00:02:09,949 --> 00:02:07,740

that make them targets for this sure it

40

00:02:13,430 --> 00:02:09,959

happens once in a while but not all the

41

00:02:17,270 --> 00:02:13,440

time and you sure wolves coyotes cougars

42

00:02:20,869 --> 00:02:17,280

Etc can Target cattle that's obvious

43

00:02:23,030 --> 00:02:20,879

and I can tell you that there's

44

00:02:26,570 --> 00:02:23,040

the normal ways

45

00:02:29,330 --> 00:02:26,580

cattle die and there are the abnormal

46

00:02:31,010 --> 00:02:29,340

ways so I am going to get into the

47

00:02:34,729 --> 00:02:31,020

abnormal ways

48

00:02:38,510 --> 00:02:34,739

the times when not one drop of blood is

49

00:02:40,550 --> 00:02:38,520

present in the vicinity it's going to

50

00:02:43,670 --> 00:02:40,560

seem like an episode out of the X-Files

51

00:02:52,310 --> 00:02:43,680

but buckle up for a strange episode

52

00:02:52,320 --> 00:02:58,089

[Music]

53

00:03:07,100 --> 00:03:02,270

thank you come Blast Off In My Time
