Blue Avians

1
00:00:07,610 --> 00:00:04,249
you're about to hear a weird one today

2
00:00:09,950 --> 00:00:07,620
things are not always as history has

3
00:00:13,190 --> 00:00:09,960
portrayed them especially when it comes

4
00:00:16,310 --> 00:00:13,200
to UFOs over Graceland yeah I'm talking

5
00:00:19,490 --> 00:00:16,320
about Elvis Witness Protection

6
00:00:21,470 --> 00:00:19,500
and aliens draconians

7
00:00:26,570 --> 00:00:21,480
blue avians

8
00:00:30,290 --> 00:00:26,580
we're gonna delve into Epstein JFK

9
00:00:31,910 --> 00:00:30,300
and other unseen Realms that the public

10
00:00:33,410 --> 00:00:31,920
is just not

11
00:00:36,410 --> 00:00:33,420
really

12
00:00:41,690 --> 00:00:36,420
willing to talk about forbidden subjects

13
00:00:45,470 --> 00:00:41,700

the truth is sometimes stranger and more

14

00:00:47,209 --> 00:00:45,480

esoteric than many of us believe it is

15

00:00:50,209 --> 00:00:47,219

and that's a predicament we've

16

00:00:52,069 --> 00:00:50,219

practically put ourselves into with the

17

00:00:54,430 --> 00:00:52,079

comfort of just turning on the evening

18

00:00:56,569 --> 00:00:54,440

news and being told

19

00:00:59,750 --> 00:00:56,579

what has happened

20

00:01:02,930 --> 00:00:59,760

what is going on in the world and we are

21

00:01:04,789 --> 00:01:02,940

tantalized with the programming the

22

00:01:07,609 --> 00:01:04,799

convenient programming

23

00:01:10,310 --> 00:01:07,619

along with advertisements

24

00:01:14,450 --> 00:01:10,320

and this is more of a d program

25

00:01:18,050 --> 00:01:14,460

so buckle up and prepare to D program

26

00:01:21,350 --> 00:01:18,060

with everyone's favorite wrestler turned

27

00:01:23,350 --> 00:01:21,360

UFO researcher Donnie Brooke he's going

28

00:01:26,570 --> 00:01:23,360

to be dropping some seriously epic

29

00:01:30,190 --> 00:01:26,580

practically unheard of unknown knowledge

30

00:01:34,670 --> 00:01:30,200

pertaining to UFOs Elvis Presley

31

00:01:37,270 --> 00:01:34,680

draconians Blue avians JFK Epstein

32

00:01:40,490 --> 00:01:37,280

nothing is safe we are going to

33

00:01:43,429 --> 00:01:40,500

basically turn over every Rock in the

34

00:01:45,530 --> 00:01:43,439

swamp and look for the sludge under it

35

00:01:47,270 --> 00:01:45,540

you're gonna have to be open-minded to

36

00:01:49,609 --> 00:01:47,280

this one it's a whole new level of

37

00:01:53,210 --> 00:01:49,619

strange and

38

00:01:54,830 --> 00:01:53,220

this is not for the general public so

39

00:01:57,410 --> 00:01:54,840

just be aware we're going to go into

40

00:02:00,830 --> 00:01:57,420

some strange places

41

00:02:10,850 --> 00:02:00,840

buckle up and prepare to blast off

42

00:02:22,670 --> 00:02:19,250

[Music]

43

00:02:30,369 --> 00:02:22,680

thank you come Blast Off In My Time

44

00:02:30,379 --> 00:02:39,650

come blast off in my turn

45

00:02:42,250 --> 00:02:40,500

stop

46

00:02:46,190 --> 00:02:42,260

[Music]

47

00:02:48,949 --> 00:02:46,200

Blast Off on another epic episode of the

48

00:02:53,410 --> 00:02:48,959

hyper anomalous esoteric research

49

00:02:55,910 --> 00:02:53,420

organization podcast AKA hero paranormal

50

00:02:59,089 --> 00:02:55,920

broadcasting from the base at lamadre

51
00:03:01,970 --> 00:02:59,099
Mountain just south of area 51. my name

52
00:03:05,470 --> 00:03:01,980
is Ryan the anomalous ambassador of the

53
00:03:12,170 --> 00:03:05,480
airwaves bringing you an unbelievably

54
00:03:17,630 --> 00:03:14,990
do you remember the 60 Minutes special

55
00:03:19,610 --> 00:03:17,640
on the death of Jeffrey Epstein that

56
00:03:21,170 --> 00:03:19,620
aired a week after Jeffrey Epstein

57
00:03:25,670 --> 00:03:21,180
allegedly died

58
00:03:30,470 --> 00:03:29,149
is that Epstein is dead

59
00:03:32,930 --> 00:03:30,480
that was it

60
00:03:35,270 --> 00:03:32,940
that was said numerous times within the

61
00:03:37,910 --> 00:03:35,280
one hour broadcast why

62
00:03:40,490 --> 00:03:37,920
it seems to me that CBS Mockingbird

63
00:03:43,369 --> 00:03:40,500

media are attempting to program

64

00:03:45,530 --> 00:03:43,379

people into believing Jeffrey Epstein

65

00:03:48,050 --> 00:03:45,540

really died repeating a statement like

66

00:03:51,050 --> 00:03:48,060

that into a person's mind over

67

00:03:53,149 --> 00:03:51,060

and over and over again

68

00:03:55,190 --> 00:03:53,159

well we're going to deprogram some of

69

00:03:58,610 --> 00:03:55,200

those things and jump into UFOs over

70

00:04:01,970 --> 00:03:58,620

Graceland and Aliens talking to a pro

71

00:04:05,089 --> 00:04:01,980

wrestler who is now

72

00:04:08,570 --> 00:04:05,099

in my opinion a professional UFO

73

00:04:12,050 --> 00:04:08,580

researcher he's gravitated towards UFOs

74

00:04:14,210 --> 00:04:12,060

and believes everything is connected

75

00:04:17,270 --> 00:04:14,220

Donnie Brooke welcome to the hero

76
00:04:20,689 --> 00:04:17,280
paranormal podcast what's going on man

77
00:04:24,010 --> 00:04:20,699
it's been a while it has and for our

78
00:04:27,710 --> 00:04:24,020
listeners on today's podcast we have

79
00:04:31,010 --> 00:04:27,720
everyone's favorite wrestler turned UFO

80
00:04:33,469 --> 00:04:31,020
researcher Donnie Brooke let's get into

81
00:04:36,110 --> 00:04:33,479
it man let's talk about stuff others are

82
00:04:39,590 --> 00:04:36,120
scared to even touch with a 10-foot pole

83
00:04:44,090 --> 00:04:39,600
let's do it unknown knowledge pertaining

84
00:04:46,310 --> 00:04:44,100
to UFOs Elvis Presley and even can't

85
00:04:50,030 --> 00:04:46,320
believe I'm saying it blue avians

86
00:04:52,670 --> 00:04:50,040
welcome to the hero paranormal podcast

87
00:04:55,670 --> 00:04:52,680
well thank you both it's good to be back

88
00:04:58,430 --> 00:04:55,680

this morning uh on true social that's

89

00:05:01,189 --> 00:04:58,440

where I'm at mostly I had put a posting

90

00:05:03,469 --> 00:05:01,199

about us doing the show this morning and

91

00:05:06,230 --> 00:05:03,479

numerous people about four or five sent

92

00:05:08,510 --> 00:05:06,240

you private messages wanting to know how

93

00:05:12,050 --> 00:05:08,520

to listen and I explained how you posted

94

00:05:14,450 --> 00:05:12,060

online and whatnot but people are

95

00:05:16,370 --> 00:05:14,460

already wondering because I think when I

96

00:05:18,230 --> 00:05:16,380

put the posting up talking about the

97

00:05:21,770 --> 00:05:18,240

blue avians and Elvis Presley that

98

00:05:25,249 --> 00:05:21,780

intrigued them not a lot of people

99

00:05:26,930 --> 00:05:25,259

on planet Earth right now are ready for

100

00:05:30,350 --> 00:05:26,940

a lot of realities

101
00:05:32,749 --> 00:05:30,360
one of the things that I have learned

102
00:05:36,529 --> 00:05:32,759
and what I have stumbled upon about

103
00:05:39,230 --> 00:05:36,539
Elvis Presley is he is and I'm going to

104
00:05:43,310 --> 00:05:39,240
explain all this here in the show today

105
00:05:46,850 --> 00:05:43,320
he is and I have to say is I I can't say

106
00:05:51,170 --> 00:05:46,860
was I've always been like that but he is

107
00:05:53,029 --> 00:05:51,180
a reincarnated blue avian star child

108
00:05:56,150 --> 00:05:53,039
star City

109
00:05:58,990 --> 00:05:56,160
okay think about something logically

110
00:06:04,330 --> 00:05:59,000
take a kid that's born into

111
00:06:07,730 --> 00:06:04,340
poverty and he goes on TV one time

112
00:06:09,710 --> 00:06:07,740
Jackie Gleason the producer for the uh

113
00:06:13,249 --> 00:06:09,720

Tommy and Jimmy

114

00:06:16,249 --> 00:06:13,259

Dorsey show quit the kid on TV because

115

00:06:18,770 --> 00:06:16,259

he sounded good Jackie Gleason put him

116

00:06:21,230 --> 00:06:18,780

up there and it changed the world people

117

00:06:22,790 --> 00:06:21,240

like who is this kid all he did was get

118

00:06:25,370 --> 00:06:22,800

on TV and see think well and no

119

00:06:27,170 --> 00:06:25,380

flip-flopping fly and now people are

120

00:06:31,610 --> 00:06:27,180

talking about this new squirrely kid

121

00:06:33,409 --> 00:06:31,620

okay how does a kid born into poverty

122

00:06:36,590 --> 00:06:33,419

change the world

123

00:06:38,450 --> 00:06:36,600

well obviously God's hand is in it but

124

00:06:39,710 --> 00:06:38,460

it's a little bit more technical than

125

00:06:43,070 --> 00:06:39,720

that

126

00:06:45,469 --> 00:06:43,080

um the blue avian light beings the blue

127

00:06:46,969 --> 00:06:45,479

avian light ships

128

00:06:49,969 --> 00:06:46,979

um

129

00:06:52,430 --> 00:06:49,979

are benevolent ETS okay they're

130

00:06:55,909 --> 00:06:52,440

interdimensional they are here to help

131

00:06:58,850 --> 00:06:55,919

us they are not uh evil in any way they

132

00:07:01,850 --> 00:06:58,860

perform and what I'm believing is going

133

00:07:05,210 --> 00:07:01,860

on is these blue aviants

134

00:07:09,770 --> 00:07:05,220

quote unquote never stop walking with

135

00:07:12,950 --> 00:07:09,780

the Lord meaning they are et's but they

136

00:07:15,170 --> 00:07:12,960

could potentially be mistaken for Angels

137

00:07:17,930 --> 00:07:15,180

but they do God's work they they work

138

00:07:20,450 --> 00:07:17,940

with the Lord and the archangels and

139

00:07:22,809 --> 00:07:20,460

what has happened here with Elvis now

140

00:07:25,390 --> 00:07:22,819

let me explain the The Reincarnation

141

00:07:29,450 --> 00:07:25,400

angle and then I will

142

00:07:32,390 --> 00:07:29,460

gravitate up to January 8th 1935. yeah

143

00:07:36,529 --> 00:07:32,400

she's about about 2 000 years ago there

144

00:07:39,409 --> 00:07:36,539

was a key that that was um over a land

145

00:07:40,790 --> 00:07:39,419

and where we know Turkey to be

146

00:07:42,710 --> 00:07:40,800

in the

147

00:07:44,890 --> 00:07:42,720

um country of Turkey was a land called

148

00:07:47,390 --> 00:07:44,900

comedy

149

00:07:52,210 --> 00:07:47,400

c-o-m-m-a-g-e-n-e well this particular

150

00:07:57,770 --> 00:07:52,220

King who died in an early age

151
00:08:00,350 --> 00:07:57,780
was his name was T and the office Theo

152
00:08:02,809 --> 00:08:00,360
now I've got photograph and I know you

153
00:08:08,210 --> 00:08:02,819
don't right now I'll get them to you

154
00:08:09,110 --> 00:08:08,220
about how Elvis looked in 1956 and this

155
00:08:11,589 --> 00:08:09,120
key

156
00:08:15,409 --> 00:08:11,599
they're the Speedy image of one another

157
00:08:16,930 --> 00:08:15,419
this team was famous for his giving

158
00:08:21,129 --> 00:08:16,940
nature

159
00:08:24,409 --> 00:08:21,139
Angelic singing voice and his

160
00:08:27,830 --> 00:08:24,419
incredibly abnormal

161
00:08:29,990 --> 00:08:27,840
how I would say kindness and fondness

162
00:08:31,850 --> 00:08:30,000
for his people now that if you know

163
00:08:34,370 --> 00:08:31,860

anything about Elvis that describes who

164

00:08:36,409 --> 00:08:34,380

he was he was always giving he was

165

00:08:38,570 --> 00:08:36,419

always doing things for people the

166

00:08:40,250 --> 00:08:38,580

singing voice is obviously there

167

00:08:43,969 --> 00:08:40,260

hmm

168

00:08:46,610 --> 00:08:43,979

thank the world because I believe two

169

00:08:48,829 --> 00:08:46,620

thousand years ago when he wasn't this

170

00:08:52,370 --> 00:08:48,839

king that's what he did with the area

171

00:08:53,750 --> 00:08:52,380

that he was over okay reincarnation was

172

00:08:56,389 --> 00:08:53,760

not anything I really paid much

173

00:08:59,750 --> 00:08:56,399

attention to until I saw this and then

174

00:09:03,430 --> 00:08:59,760

I'm thinking okay in 1956 when Elvis

175

00:09:06,829 --> 00:09:03,440

Presley went on television that was the

176
00:09:09,710 --> 00:09:06,839
1956 that same year Scientific American

177
00:09:12,410 --> 00:09:09,720
Magazine put out an issue of their

178
00:09:15,410 --> 00:09:12,420
magazine with this team on it do you

179
00:09:17,530 --> 00:09:15,420
think that's a coincidence no there are

180
00:09:22,790 --> 00:09:17,540
no coincidences there are only

181
00:09:26,389 --> 00:09:22,800
connections now January the 8th 1935

182
00:09:29,030 --> 00:09:26,399
Elvis Presley had a brother Jesse Garen

183
00:09:33,050 --> 00:09:29,040
that died at Birth or the term is

184
00:09:35,150 --> 00:09:33,060
stillborn okay when Jesse was born first

185
00:09:39,110 --> 00:09:35,160
at 4 00 am

186
00:09:42,410 --> 00:09:39,120
after the birth of Jesse Vernon Presley

187
00:09:45,170 --> 00:09:42,420
walks outside to the front porch of that

188
00:09:46,910 --> 00:09:45,180

little two-room shotgun house if you're

189

00:09:47,990 --> 00:09:46,920

an Elvis fan you've seen the picture of

190

00:09:51,829 --> 00:09:48,000

the home

191

00:09:54,590 --> 00:09:51,839

and looked up across the way there in

192

00:09:56,810 --> 00:09:54,600

crossword vacant field was and he was

193

00:10:00,050 --> 00:09:56,820

smoking a cigarette Vernon were they 18

194

00:10:02,269 --> 00:10:00,060

years old by the way he looked and he

195

00:10:05,449 --> 00:10:02,279

saw a blue light in the sky but he knew

196

00:10:08,690 --> 00:10:05,459

did not belong there now Vernon Presley

197

00:10:10,430 --> 00:10:08,700

was a laborer he worked in the fields

198

00:10:13,130 --> 00:10:10,440

and that kind of thing so he wasn't into

199

00:10:15,829 --> 00:10:13,140

anything like science fiction but in

200

00:10:17,870 --> 00:10:15,839

1935 there was no such thing the closest

201
00:10:20,570 --> 00:10:17,880
thing you have is comic books

202
00:10:23,410 --> 00:10:20,580
so Vernon Presley sees this blue light

203
00:10:26,269 --> 00:10:23,420
and doesn't know what's going on but

204
00:10:27,410 --> 00:10:26,279
gets this feeling that something amazing

205
00:10:31,730 --> 00:10:27,420
is happening

206
00:10:33,650 --> 00:10:31,740
Okay so for him

207
00:10:37,370 --> 00:10:33,660
time stopped

208
00:10:39,889 --> 00:10:37,380
because it was 30 minutes excuse me 35

209
00:10:43,550 --> 00:10:39,899
minutes in between the birth of Jessie

210
00:10:46,910 --> 00:10:43,560
and Elvis now Vernon Presley telling

211
00:10:49,250 --> 00:10:46,920
this story he said he was only out on

212
00:10:52,130 --> 00:10:49,260
the porch for maybe two minutes

213
00:10:53,889 --> 00:10:52,140

now Ryan you know about missing time you

214

00:10:56,090 --> 00:10:53,899

know where I'm going with this

215

00:10:57,470 --> 00:10:56,100

Vernon Presley

216

00:11:02,110 --> 00:10:57,480

I feel

217

00:11:05,569 --> 00:11:02,120

was abducted or time stopped for him

218

00:11:09,230 --> 00:11:05,579

because the um inhabitants of that blue

219

00:11:13,850 --> 00:11:09,240

light the blue aliens in some formal

220

00:11:15,170 --> 00:11:13,860

fashion told him your son has got to be

221

00:11:18,290 --> 00:11:15,180

discovered

222

00:11:20,030 --> 00:11:18,300

so when Elvis is born he's ready to sign

223

00:11:22,550 --> 00:11:20,040

where Connor Parker as soon as he meets

224

00:11:25,009 --> 00:11:22,560

the colonel that's the crazy thing

225

00:11:28,490 --> 00:11:25,019

it was instilled into his mind it was

226

00:11:31,550 --> 00:11:28,500

the way to go that's why they had to um

227

00:11:33,829 --> 00:11:31,560

Talk glad if Elvis's mother into signing

228

00:11:37,970 --> 00:11:33,839

with the colonel see all this stuff is

229

00:11:41,569 --> 00:11:37,980

connected but when Vernon goes back into

230

00:11:43,610 --> 00:11:41,579

the house and and speaks with Dr Hunt as

231

00:11:45,470 --> 00:11:43,620

Dr Hunt calls for him and says Elvis uh

232

00:11:48,710 --> 00:11:45,480

Vernon there's another baby

233

00:11:51,470 --> 00:11:48,720

so he goes back in there and finally

234

00:11:53,210 --> 00:11:51,480

they ask him Vernon where were you

235

00:11:55,430 --> 00:11:53,220

he said well I was out on the porch

236

00:11:57,170 --> 00:11:55,440

having a cigarette he said no you've

237

00:11:58,370 --> 00:11:57,180

been gone for 30 minutes we were looking

238

00:12:00,350 --> 00:11:58,380

for you

239

00:12:04,250 --> 00:12:00,360

you see what I'm saying it was an

240

00:12:07,250 --> 00:12:04,260

abduction scenario prepping Vernon for

241

00:12:10,910 --> 00:12:07,260

what was to come that Vernon had no idea

242

00:12:13,190 --> 00:12:10,920

what was to come he had no idea but he

243

00:12:15,650 --> 00:12:13,200

knew when he met Colonel Parker what he

244

00:12:17,990 --> 00:12:15,660

was supposed to do it was instilled into

245

00:12:21,350 --> 00:12:18,000

his soul his son needs to sign with this

246

00:12:24,050 --> 00:12:21,360

man and so he did now Elvis would tell

247

00:12:25,790 --> 00:12:24,060

stories when he was a child running

248

00:12:29,750 --> 00:12:25,800

around Tupelo

249

00:12:33,470 --> 00:12:29,760

about these men that would show him

250

00:12:35,569 --> 00:12:33,480

pictures of someone in a white suit now

251
00:12:37,790 --> 00:12:35,579
he said he was a kid he used to laugh at

252
00:12:41,210 --> 00:12:37,800
it he had no idea he was looking at

253
00:12:42,949 --> 00:12:41,220
pictures of himself what I believe these

254
00:12:46,430 --> 00:12:42,959
light beings

255
00:12:49,129 --> 00:12:46,440
would would show themselves as a child

256
00:12:50,870 --> 00:12:49,139
and show him these pictures and try to

257
00:12:53,750 --> 00:12:50,880
communicate with him and say this is

258
00:12:55,910 --> 00:12:53,760
going to be you but because the blue AVS

259
00:12:58,850 --> 00:12:55,920
are so Advanced they don't just speak it

260
00:13:01,250 --> 00:12:58,860
they they have to find other ways to

261
00:13:03,829 --> 00:13:01,260
communicate with us because we're so

262
00:13:06,889 --> 00:13:03,839
primitive in comparison to them

263
00:13:09,530 --> 00:13:06,899

they knew what else is future hold and

264

00:13:11,389 --> 00:13:09,540

if you think about that as he starts to

265

00:13:12,889 --> 00:13:11,399

become a main player in the

266

00:13:15,290 --> 00:13:12,899

entertainment industry

267

00:13:17,030 --> 00:13:15,300

when did Elvis get to the point of what

268

00:13:18,050 --> 00:13:17,040

he said it had to be me in those

269

00:13:20,690 --> 00:13:18,060

pictures

270

00:13:22,250 --> 00:13:20,700

and the logical thing is when Bill

271

00:13:25,730 --> 00:13:22,260

Ballou

272

00:13:28,370 --> 00:13:25,740

um came up with the idea for a jumpsuit

273

00:13:31,009 --> 00:13:28,380

on stage in Vegas

274

00:13:34,610 --> 00:13:31,019

I mean all this does connect

275

00:13:38,870 --> 00:13:34,620

the blue avians I believe have a lot to

276

00:13:41,150 --> 00:13:38,880

do with monitoring the starseeds and the

277

00:13:43,910 --> 00:13:41,160

star children that are put in the world

278

00:13:47,030 --> 00:13:43,920

especially if they have something to do

279

00:13:49,550 --> 00:13:47,040

with their existence now God put star

280

00:13:51,410 --> 00:13:49,560

seeds in Worlds that need help and Earth

281

00:13:53,750 --> 00:13:51,420

is definitely one of them

282

00:13:55,970 --> 00:13:53,760

and I'm gonna try not to get off subject

283

00:13:58,310 --> 00:13:55,980

with the show today but I just want to

284

00:13:59,810 --> 00:13:58,320

tell people what you think you're seeing

285

00:14:03,470 --> 00:13:59,820

in the media

286

00:14:06,470 --> 00:14:03,480

don't take it all that seriously

287

00:14:10,550 --> 00:14:06,480

but back to Elvis for now

288

00:14:13,610 --> 00:14:10,560

Elvis did his part in

289

00:14:16,910 --> 00:14:13,620

taking this world and pushing it into

290

00:14:19,730 --> 00:14:16,920

its next step of evolution all of this

291

00:14:23,269 --> 00:14:19,740

is done at God's hand and how did he do

292

00:14:26,090 --> 00:14:23,279

it he kicked down the barriers between

293

00:14:28,910 --> 00:14:26,100

the humans based on race

294

00:14:31,610 --> 00:14:28,920

now once he did that other things

295

00:14:33,290 --> 00:14:31,620

started to happen but they probably

296

00:14:35,449 --> 00:14:33,300

would not have happened I'm talking

297

00:14:37,250 --> 00:14:35,459

about you know in the 60s they had the

298

00:14:40,250 --> 00:14:37,260

sexual Revolution and people were open

299

00:14:42,290 --> 00:14:40,260

about who they were and that kind of a

300

00:14:45,590 --> 00:14:42,300

thing that may not have happened if

301

00:14:47,689 --> 00:14:45,600

Elvis never did start to change things

302

00:14:50,870 --> 00:14:47,699

because before Elvis there was nothing

303

00:14:53,990 --> 00:14:50,880

John John Lennon even said that but the

304

00:14:57,110 --> 00:14:54,000

blue avians have been there the entire

305

00:14:59,689 --> 00:14:57,120

time throughout his career in 1956

306

00:15:00,949 --> 00:14:59,699

Albert was going to Vegas to do that

307

00:15:05,870 --> 00:15:00,959

Vegas

308

00:15:08,210 --> 00:15:05,880

they drove out there and they were

309

00:15:11,750 --> 00:15:08,220

camping you know in the desert

310

00:15:13,610 --> 00:15:11,760

and in 56 when he went to New York on

311

00:15:17,810 --> 00:15:13,620

the side of Elvis's neck was the

312

00:15:20,810 --> 00:15:17,820

Triangle puncture Mark that we know

313

00:15:22,910 --> 00:15:20,820

um to be a sign of abduction if you've

314

00:15:24,710 --> 00:15:22,920

studied the abductees and the marks on

315

00:15:27,650 --> 00:15:24,720

their body and it's on the side of his

316

00:15:29,389 --> 00:15:27,660

neck and it's so plain and simple but I

317

00:15:31,250 --> 00:15:29,399

wonder how many people saw that and just

318

00:15:32,210 --> 00:15:31,260

didn't think nothing about it probably a

319

00:15:35,689 --> 00:15:32,220

good name

320

00:15:38,090 --> 00:15:35,699

so these Blue avians by taking him and

321

00:15:41,810 --> 00:15:38,100

doing that they didn't hurt him they're

322

00:15:44,269 --> 00:15:41,820

guiding him because they have a lot to

323

00:15:47,090 --> 00:15:44,279

do with him being born and I've often

324

00:15:50,689 --> 00:15:47,100

thought that Elvis Presley was Elvis

325

00:15:55,009 --> 00:15:50,699

Presley also in reality his own twin

326

00:16:01,069 --> 00:15:58,610

it's possibility but the blue aliens are

327

00:16:03,889 --> 00:16:01,079

benevolent and they're here to do their

328

00:16:07,009 --> 00:16:03,899

part with the star feeds to make the

329

00:16:10,509 --> 00:16:07,019

world better and you got that Elvis did

330

00:16:13,310 --> 00:16:10,519

make the world better he gave people

331

00:16:16,910 --> 00:16:13,320

something to cling to

332

00:16:19,550 --> 00:16:16,920

not a messiah figure but something to

333

00:16:21,710 --> 00:16:19,560

look at and to look up to that was

334

00:16:22,850 --> 00:16:21,720

presented to them in a good way for his

335

00:16:25,850 --> 00:16:22,860

music

336

00:16:28,129 --> 00:16:25,860

that's what it was all about

337

00:16:30,590 --> 00:16:28,139

because of the times we know the times

338

00:16:32,930 --> 00:16:30,600

with segregation and whatnot but here

339

00:16:36,350 --> 00:16:32,940

comes the white guy like Sam Phillips

340

00:16:38,509 --> 00:16:36,360

said sounding like a black saint

341

00:16:41,329 --> 00:16:38,519

and you hear it on the radio

342

00:16:43,670 --> 00:16:41,339

so the human mind assumes but when you

343

00:16:46,550 --> 00:16:43,680

find out it's a white guy oh things have

344

00:16:49,610 --> 00:16:46,560

changed now what's going on with this do

345

00:16:52,970 --> 00:16:49,620

you think this was all Elvis is doing no

346

00:16:54,230 --> 00:16:52,980

the blue avians are guiding him

347

00:16:56,990 --> 00:16:54,240

and

348

00:17:00,350 --> 00:16:57,000

think about this I mentioned about how

349

00:17:03,110 --> 00:17:00,360

Elvis um as the teen 2000 years ago died

350

00:17:05,750 --> 00:17:03,120

at a young age now my understanding that

351

00:17:09,230 --> 00:17:05,760

young age was somewhere between 18 to 20

352

00:17:13,549 --> 00:17:09,240

years old then now the Elvis that we

353

00:17:16,549 --> 00:17:13,559

know he allegedly died at 42 and that is

354

00:17:20,270 --> 00:17:16,559

considered a young age so he died at a

355

00:17:23,210 --> 00:17:20,280

young age in his past life and allegedly

356

00:17:25,490 --> 00:17:23,220

in this one now I'm going to tell you I

357

00:17:29,270 --> 00:17:25,500

don't believe he died in 77 but that's a

358

00:17:31,250 --> 00:17:29,280

totally different show topic but there's

359

00:17:32,930 --> 00:17:31,260

a lot of things that don't add up that

360

00:17:35,029 --> 00:17:32,940

should get people to think and well you

361

00:17:37,070 --> 00:17:35,039

know what maybe he didn't but like I

362

00:17:39,289 --> 00:17:37,080

said that's another show but the blue

363

00:17:42,470 --> 00:17:39,299

aliens are the ones guiding him through

364

00:17:44,950 --> 00:17:42,480

his career in the movie documentary

365

00:17:47,510 --> 00:17:44,960

Elvis on tour from

366

00:17:49,909 --> 00:17:47,520

1972 I believe it was

367

00:17:53,270 --> 00:17:49,919

at the very beginning of that

368

00:17:55,070 --> 00:17:53,280

documentary it says Elvis in a Cadillac

369

00:17:57,770 --> 00:17:55,080

leaving a building at the very beginning

370

00:17:59,890 --> 00:17:57,780

the Cadillac comes out the building and

371

00:18:03,350 --> 00:17:59,900

turns right

372

00:18:06,230 --> 00:18:03,360

in that shot there is a strange blue

373

00:18:07,370 --> 00:18:06,240

light in that shop that I noticed a

374

00:18:09,950 --> 00:18:07,380

while back

375

00:18:12,230 --> 00:18:09,960

and I'm thinking gee a blue light

376

00:18:14,150 --> 00:18:12,240

over all these Builders and there's no

377

00:18:16,730 --> 00:18:14,160

stars in the sky if you don't wonder if

378

00:18:19,730 --> 00:18:16,740

that's a blue avian light shift and I'm

379

00:18:20,810 --> 00:18:19,740

convinced it was they were watching over

380

00:18:22,730 --> 00:18:20,820

him

381

00:18:23,810 --> 00:18:22,740

they did that from from the very

382

00:18:25,909 --> 00:18:23,820

beginning

383

00:18:28,310 --> 00:18:25,919

now a lot of people

384

00:18:32,270 --> 00:18:28,320

introducing the believer Elvis died in

385

00:18:34,669 --> 00:18:32,280

77 but here lately Ryan I think I told

386

00:18:37,730 --> 00:18:34,679

you about this I've got photographs of a

387

00:18:40,390 --> 00:18:37,740

blue light ship over Graceland that I

388

00:18:43,909 --> 00:18:40,400

caught on the

389

00:18:46,430 --> 00:18:43,919

Graceland live cam that you can go on to

390

00:18:47,990 --> 00:18:46,440

and look at it it's free of charge and

391

00:18:50,750 --> 00:18:48,000

it's a camera sitting out in the middle

392

00:18:53,029 --> 00:18:50,760

of the yard facing the house and at

393

00:18:54,830 --> 00:18:53,039

night you can see what you can see the

394

00:18:57,409 --> 00:18:54,840

house at night during the day all of

395

00:19:00,770 --> 00:18:57,419

that well one night I had this weird

396

00:19:03,650 --> 00:19:00,780

feeling I needed to check the Graceland

397

00:19:05,029 --> 00:19:03,660

um live cam and the blue light was above

398

00:19:08,450 --> 00:19:05,039

the house

399

00:19:10,130 --> 00:19:08,460

now this is what's crazy on true social

400

00:19:14,210 --> 00:19:10,140

and on Twitter

401
00:19:15,890 --> 00:19:14,220
there was a profile and it's called w h

402
00:19:25,010 --> 00:19:15,900
Grandpa

403
00:19:27,710 --> 00:19:25,020
whoever that person is actually tweeted

404
00:19:30,830 --> 00:19:27,720
said something like you've got to trust

405
00:19:34,430 --> 00:19:30,840
me Elvis passed two days ago

406
00:19:36,770 --> 00:19:34,440
okay that was the same day I checked the

407
00:19:39,529 --> 00:19:36,780
Graceland live camp and that blue light

408
00:19:42,409 --> 00:19:39,539
was above Graceland and I'm thinking to

409
00:19:46,070 --> 00:19:42,419
myself could that be

410
00:19:49,789 --> 00:19:46,080
um concentrate confirmation that Elvis

411
00:19:52,010 --> 00:19:49,799
actually did legitimately just recently

412
00:19:54,230 --> 00:19:52,020
passed away because why is that blue

413
00:19:57,409 --> 00:19:54,240

light above Graceland now this is before

414

00:19:59,990 --> 00:19:57,419

the Lisa Marie did but that's that's

415

00:20:02,510 --> 00:20:00,000

another subject too for another show

416

00:20:04,970 --> 00:20:02,520

because sometimes things are not as they

417

00:20:08,150 --> 00:20:04,980

sing let's just say that but that blue

418

00:20:11,450 --> 00:20:08,160

light was there and there was a white

419

00:20:14,570 --> 00:20:11,460

light ship over the house a week before

420

00:20:16,490 --> 00:20:14,580

so obviously these are connected but the

421

00:20:19,310 --> 00:20:16,500

blue one is what's the amazing thing

422

00:20:21,169 --> 00:20:19,320

because we would not know about what

423

00:20:23,210 --> 00:20:21,179

happened in January the 8th unless

424

00:20:25,730 --> 00:20:23,220

Vernon Presley came forward and told the

425

00:20:28,010 --> 00:20:25,740

story and this is all Vernon Presley's

426

00:20:30,350 --> 00:20:28,020

story about that blue light this is not

427

00:20:32,029 --> 00:20:30,360

anything some host is coming up with so

428

00:20:34,850 --> 00:20:32,039

if it's a lie people are saying

429

00:20:37,130 --> 00:20:34,860

burning's a liar how would he know to

430

00:20:41,870 --> 00:20:37,140

make something like that up he wouldn't

431

00:20:44,270 --> 00:20:41,880

he's telling what he saw and how he

432

00:20:45,950 --> 00:20:44,280

dealt with it what he thought when he

433

00:20:48,890 --> 00:20:45,960

saw it

434

00:20:51,289 --> 00:20:48,900

um the blue avians to me

435

00:20:54,830 --> 00:20:51,299

or like I said earlier they're peaceful

436

00:20:57,110 --> 00:20:54,840

they're here for positive means in any

437

00:21:00,409 --> 00:20:57,120

of the star seeds

438

00:21:02,150 --> 00:21:00,419

life if you know someone that if you

439

00:21:05,930 --> 00:21:02,160

look at them and you think to yourself

440

00:21:09,169 --> 00:21:05,940

well you know Bob is an awesome guy but

441

00:21:11,810 --> 00:21:09,179

he you need I can't really explain his

442

00:21:14,270 --> 00:21:11,820

personality he's just extraordinary

443

00:21:16,970 --> 00:21:14,280

now people like that

444

00:21:18,230 --> 00:21:16,980

are the star seats that's what I have

445

00:21:21,289 --> 00:21:18,240

learned

446

00:21:23,750 --> 00:21:21,299

Sunny West used to talk about Elvis

447

00:21:25,430 --> 00:21:23,760

after he allegedly passed I mean I'll

448

00:21:27,950 --> 00:21:25,440

always say it like that

449

00:21:30,649 --> 00:21:27,960

he would say that Elvis was the kind of

450

00:21:33,049 --> 00:21:30,659

guy to where he just drew you in you

451
00:21:36,529 --> 00:21:33,059
didn't have to know him but being around

452
00:21:39,230 --> 00:21:36,539
him you wanted to know him okay just

453
00:21:41,110 --> 00:21:39,240
without being a starseed or a star child

454
00:21:44,390 --> 00:21:41,120
of having that extra Cosmic connection

455
00:21:48,049 --> 00:21:44,400
that personality can't be like that but

456
00:21:51,529 --> 00:21:48,059
because it was and he drew people in no

457
00:21:53,750 --> 00:21:51,539
one really understood I'm sure what the

458
00:21:56,450 --> 00:21:53,760
term starcity was throughout the 50s and

459
00:21:58,610 --> 00:21:56,460
60s and 70s and I got this weird feeling

460
00:22:01,610 --> 00:21:58,620
Elvis never heard that time but he knew

461
00:22:03,470 --> 00:22:01,620
he was unique and he knew he was here to

462
00:22:06,110 --> 00:22:03,480
make a difference but he didn't know how

463
00:22:09,110 --> 00:22:06,120

to explain it that is why he was a

464

00:22:11,810 --> 00:22:09,120

searcher he may have never ever heard

465

00:22:15,409 --> 00:22:11,820

the term blue avians in his life he may

466

00:22:17,930 --> 00:22:15,419

not have but he also knew what these

467

00:22:20,830 --> 00:22:17,940

lights in the sky were

468

00:22:23,750 --> 00:22:20,840

because while in Bel Air California

469

00:22:25,909 --> 00:22:23,760

there was a let's just call it UFO

470

00:22:28,490 --> 00:22:25,919

signing to where Elvis and the Memphis

471

00:22:30,110 --> 00:22:28,500

mafiers are out at the house in Bel Air

472

00:22:30,830 --> 00:22:30,120

which was owned by one of the Warner

473

00:22:32,810 --> 00:22:30,840

Brothers

474

00:22:34,970 --> 00:22:32,820

they were on the patio because Sunny

475

00:22:36,529 --> 00:22:34,980

West was smoking a cigarette he never

476
00:22:39,289 --> 00:22:36,539
smoked inside the house it was always

477
00:22:41,870 --> 00:22:39,299
outside where everyone was outside and

478
00:22:44,450 --> 00:22:41,880
Elvis pointed out a light in the sky to

479
00:22:47,149 --> 00:22:44,460
the rest of the guys and everybody was

480
00:22:49,310 --> 00:22:47,159
like just staring at it

481
00:22:52,130 --> 00:22:49,320
and it moved from their from their

482
00:22:54,409 --> 00:22:52,140
Viewpoint from the right to their left

483
00:22:57,890 --> 00:22:54,419
anyway they're watching this thing and

484
00:23:00,710 --> 00:22:57,900
sunny West is like okay I'm from the Air

485
00:23:03,350 --> 00:23:00,720
Force I'm waiting for the sound of an

486
00:23:04,250 --> 00:23:03,360
engine from a plane but there was no

487
00:23:06,529 --> 00:23:04,260
sound

488
00:23:08,690 --> 00:23:06,539

Elvis knew it was a light ship but I

489

00:23:10,610 --> 00:23:08,700

really don't believe he knew the term he

490

00:23:14,149 --> 00:23:10,620

knew it was Cosmic related

491

00:23:16,970 --> 00:23:14,159

because somehow somehow he knew to be a

492

00:23:19,610 --> 00:23:16,980

Searcher he constantly wanted to find

493

00:23:22,430 --> 00:23:19,620

out the answers to the unknown now I'm

494

00:23:25,430 --> 00:23:22,440

the same way and Ryan I think you are

495

00:23:27,590 --> 00:23:25,440

but the work that you do so I've always

496

00:23:31,010 --> 00:23:27,600

said to myself all of us that's a part

497

00:23:33,169 --> 00:23:31,020

of the UFO Community are we naturally

498

00:23:36,289 --> 00:23:33,179

starseeds

499

00:23:38,990 --> 00:23:36,299

a lot of people maybe some may not be

500

00:23:41,270 --> 00:23:39,000

they just may be inquisitive through the

501
00:23:43,909 --> 00:23:41,280
power suggestion but the power

502
00:23:46,730 --> 00:23:43,919
suggestion never worked on me has never

503
00:23:48,950 --> 00:23:46,740
worked on me I've never had any issue to

504
00:23:50,630 --> 00:23:48,960
where I've had peer pressure if if 20

505
00:23:52,010 --> 00:23:50,640
people were doing something and I didn't

506
00:23:54,110 --> 00:23:52,020
think it was a good idea I wouldn't do

507
00:23:56,510 --> 00:23:54,120
it I wouldn't be pressured to do it see

508
00:23:58,549 --> 00:23:56,520
Elvis was like that he didn't go with

509
00:24:00,710 --> 00:23:58,559
the crowd he did his own thing if

510
00:24:03,470 --> 00:24:00,720
something sounded great he went with it

511
00:24:05,810 --> 00:24:03,480
that to me tells me he was a starseed

512
00:24:08,870 --> 00:24:05,820
I'm the same way because I have come to

513
00:24:12,529 --> 00:24:08,880

conclusion I am one with everything that

514

00:24:15,590 --> 00:24:12,539

we know so far about the personality

515

00:24:20,510 --> 00:24:15,600

traits of the starseed of 10 of them

516

00:24:23,870 --> 00:24:20,520

six of those ten that I read explain me

517

00:24:25,430 --> 00:24:23,880

so that might be the reason why when I

518

00:24:27,470 --> 00:24:25,440

was only four years old and I heard

519

00:24:30,350 --> 00:24:27,480

Jailhouse Rock I wanted to know who it

520

00:24:34,669 --> 00:24:30,360

was because it resonated with me that

521

00:24:37,789 --> 00:24:34,679

sound created by a seed was

522

00:24:39,230 --> 00:24:37,799

um triggered in the mind of another one

523

00:24:40,789 --> 00:24:39,240

but of course at four you don't know

524

00:24:42,049 --> 00:24:40,799

your Authority you just know you're a

525

00:24:45,289 --> 00:24:42,059

kid you know

526
00:24:46,970 --> 00:24:45,299
and I've always thought about that I was

527
00:24:48,350 --> 00:24:46,980
like that it doesn't make sense for a

528
00:24:50,870 --> 00:24:48,360
four-year-old to want to know about

529
00:24:53,750 --> 00:24:50,880
someone from the 50s

530
00:24:57,770 --> 00:24:53,760
but then again star seeds have what they

531
00:24:59,630 --> 00:24:57,780
call old souls okay Elvis was the same

532
00:25:04,190 --> 00:24:59,640
way he liked older things

533
00:25:07,370 --> 00:25:04,200
so the blue avians being who they are at

534
00:25:10,190 --> 00:25:07,380
this moment were guiding him and those

535
00:25:12,010 --> 00:25:10,200
are the traits that he and I share that

536
00:25:14,450 --> 00:25:12,020
connect us from the

537
00:25:15,890 --> 00:25:14,460
starseing point of view now a lot of

538
00:25:18,169 --> 00:25:15,900

people listen to this are not going to

539

00:25:19,850 --> 00:25:18,179

understand the type of person I am

540

00:25:23,630 --> 00:25:19,860

because they've never met me I can

541

00:25:26,450 --> 00:25:23,640

understand that and we all think we know

542

00:25:28,730 --> 00:25:26,460

the type of person Elvis was we don't we

543

00:25:32,269 --> 00:25:28,740

only know very little he knows people

544

00:25:35,330 --> 00:25:32,279

that are close to him knew but we only

545

00:25:38,210 --> 00:25:35,340

know as part of the general public what

546

00:25:40,310 --> 00:25:38,220

we are learning after the fact and when

547

00:25:43,430 --> 00:25:40,320

I say after the fact I mean after he

548

00:25:45,350 --> 00:25:43,440

allegedly passed away in 77. you know a

549

00:25:47,090 --> 00:25:45,360

lot of the Memphis Mafia people coming

550

00:25:49,730 --> 00:25:47,100

forward and talking about personal

551
00:25:51,590 --> 00:25:49,740
things and whatnot we're learning a

552
00:25:53,029 --> 00:25:51,600
little bit more about how he was behind

553
00:25:56,570 --> 00:25:53,039
closed doors but we're never going to

554
00:25:59,090 --> 00:25:56,580
know but star seeds can figure this out

555
00:26:02,149 --> 00:25:59,100
it takes a seed to know a seed

556
00:26:05,390 --> 00:26:02,159
and that's the craziness with this Elvis

557
00:26:06,590 --> 00:26:05,400
blue alien connection here and taking

558
00:26:10,310 --> 00:26:06,600
into consideration him being

559
00:26:11,930 --> 00:26:10,320
reincarnated from 2000 years ago well I

560
00:26:14,269 --> 00:26:11,940
wonder when Elvis is going to be back

561
00:26:16,490 --> 00:26:14,279
and how long it's going to be you know

562
00:26:19,850 --> 00:26:16,500
you have to think of the soul never dies

563
00:26:22,850 --> 00:26:19,860

it just keeps re being reincarnated into

564

00:26:24,769 --> 00:26:22,860

a different person I see that now the

565

00:26:26,930 --> 00:26:24,779

soul never dies

566

00:26:28,250 --> 00:26:26,940

a lot of people look at it well as long

567

00:26:30,529 --> 00:26:28,260

as you remember them they're not dead

568

00:26:31,610 --> 00:26:30,539

that's part of it but it's not the

569

00:26:34,909 --> 00:26:31,620

actual

570

00:26:37,610 --> 00:26:34,919

you got to understand the body we saw

571

00:26:40,250 --> 00:26:37,620

was not him that was his meat suit the

572

00:26:41,810 --> 00:26:40,260

soul within him was who he was and you

573

00:26:44,690 --> 00:26:41,820

know it takes a while to get to know

574

00:26:47,090 --> 00:26:44,700

people we know them and you very quickly

575

00:26:51,710 --> 00:26:47,100

put these connections together

576
00:26:54,590 --> 00:26:51,720
because so many things are connected

577
00:26:56,330 --> 00:26:54,600
man I know you I know you're thinking

578
00:26:58,610 --> 00:26:56,340
over there yeah what you want to ask me

579
00:27:02,750 --> 00:26:58,620
well you want to ask me you know a lot

580
00:27:06,230 --> 00:27:02,760
of people are familiar with uh what what

581
00:27:09,049 --> 00:27:06,240
their mass media feeds them their common

582
00:27:11,810 --> 00:27:09,059
belief of extraterrestrials the Watchers

583
00:27:13,250 --> 00:27:11,820
Fallen Angels the Nephilim Etc

584
00:27:16,789 --> 00:27:13,260
and

585
00:27:19,070 --> 00:27:16,799
it brings to mind uh at least in my

586
00:27:20,990 --> 00:27:19,080
opinion I think the only traction that

587
00:27:22,210 --> 00:27:21,000
blue avians have had have been in a

588
00:27:26,090 --> 00:27:22,220

negative light

589

00:27:28,250 --> 00:27:26,100

with the Scandal revolving around Corey

590

00:27:32,630 --> 00:27:28,260

good and

591

00:27:35,750 --> 00:27:32,640

I think so much of the information

592

00:27:36,950 --> 00:27:35,760

uh having to do with avians has been

593

00:27:39,590 --> 00:27:36,960

negative you know they've called them

594

00:27:42,529 --> 00:27:39,600

the blue chicken Corey good was kind of

595

00:27:45,710 --> 00:27:42,539

back and forth there was a lot of issues

596

00:27:49,789 --> 00:27:45,720

with that and there's a lot of fear and

597

00:27:50,750 --> 00:27:49,799

I think false propaganda about aliens in

598

00:27:54,769 --> 00:27:50,760

general

599

00:27:56,630 --> 00:27:54,779

and um what are your opinions of this do

600

00:27:58,490 --> 00:27:56,640

you not buy into that what do you what

601
00:28:00,710 --> 00:27:58,500
do you tell people who are not familiar

602
00:28:02,990 --> 00:28:00,720
with blue avians

603
00:28:04,850 --> 00:28:03,000
um how do we how do we explain to

604
00:28:09,950 --> 00:28:04,860
listeners that aren't familiar with the

605
00:28:13,310 --> 00:28:09,960
term what it is and you know how so many

606
00:28:15,890 --> 00:28:13,320
are so grossly mistaken and have brought

607
00:28:17,690 --> 00:28:15,900
you know fear-based propoganda into the

608
00:28:22,370 --> 00:28:17,700
mainstream media

609
00:28:23,870 --> 00:28:22,380
because I'm going to start with that

610
00:28:26,630 --> 00:28:23,880
word

611
00:28:27,649 --> 00:28:26,640
humans on planet Earth when they're

612
00:28:29,990 --> 00:28:27,659
children

613
00:28:32,149 --> 00:28:30,000

they don't realize it but when they're

614

00:28:34,730 --> 00:28:32,159

kids they hear the adults and their

615

00:28:36,890 --> 00:28:34,740

family talk about watching the news

616

00:28:38,810 --> 00:28:36,900

learning what's going on in the world

617

00:28:40,610 --> 00:28:38,820

and through the news that's how you do

618

00:28:44,690 --> 00:28:40,620

that okay

619

00:28:46,789 --> 00:28:44,700

I can understand let's say in 1950 the

620

00:28:49,190 --> 00:28:46,799

50s and 60s I can understand that that

621

00:28:50,930 --> 00:28:49,200

mindset because it is the truth you

622

00:28:53,269 --> 00:28:50,940

would watch your local news and then

623

00:28:55,789 --> 00:28:53,279

your excuse me local news and then your

624

00:28:58,430 --> 00:28:55,799

world news when I was a kid it was from

625

00:29:00,590 --> 00:28:58,440

six to seven local from six to six

626
00:29:01,909 --> 00:29:00,600
thirty and we're off from 6 30 to 7.

627
00:29:04,310 --> 00:29:01,919
okay

628
00:29:05,870 --> 00:29:04,320
even I started the wonder when I was a

629
00:29:07,370 --> 00:29:05,880
kid I'm like how in the world are they

630
00:29:08,990 --> 00:29:07,380
going to tell us what's going on in the

631
00:29:11,750 --> 00:29:09,000
world in 30 minutes

632
00:29:13,789 --> 00:29:11,760
and then I started to realize they tell

633
00:29:15,830 --> 00:29:13,799
each each

634
00:29:18,710 --> 00:29:15,840
um episode of the World News Network

635
00:29:21,830 --> 00:29:18,720
they're going to more than likely

636
00:29:23,990 --> 00:29:21,840
take the top three things that they

637
00:29:26,149 --> 00:29:24,000
think is the most important and just

638
00:29:29,690 --> 00:29:26,159

talk about that then that would mean

639

00:29:32,510 --> 00:29:29,700

there's so much more that our reality

640

00:29:34,730 --> 00:29:32,520

that we're not being told about now why

641

00:29:37,190 --> 00:29:34,740

is that okay

642

00:29:41,090 --> 00:29:37,200

people live vicariously through the

643

00:29:44,990 --> 00:29:41,100

media because 90 are what is referred to

644

00:29:47,029 --> 00:29:45,000

as a normie okay if the news doesn't

645

00:29:50,269 --> 00:29:47,039

tell them something then they do not

646

00:29:53,630 --> 00:29:50,279

learn it in a school criteria or a

647

00:29:55,510 --> 00:29:53,640

college program then

648

00:29:58,430 --> 00:29:55,520

it's not real to them

649

00:30:00,769 --> 00:29:58,440

well the media people

650

00:30:02,870 --> 00:30:00,779

have been basically

651
00:30:05,029 --> 00:30:02,880
I don't want to use the term brainwashed

652
00:30:07,370 --> 00:30:05,039
but that's what it is brainwashing

653
00:30:10,010 --> 00:30:07,380
program to believe anything in the media

654
00:30:11,630 --> 00:30:10,020
because it's the news and they are

655
00:30:13,930 --> 00:30:11,640
supposed to be telling us what's going

656
00:30:18,409 --> 00:30:13,940
on in the world now

657
00:30:22,250 --> 00:30:18,419
because we as people in the public going

658
00:30:25,549 --> 00:30:22,260
all the way back to 1950

659
00:30:28,730 --> 00:30:25,559
with operation Mockingbird which is the

660
00:30:32,830 --> 00:30:28,740
manipulation of America's Media news

661
00:30:35,570 --> 00:30:32,840
media and entertainment media now

662
00:30:40,389 --> 00:30:35,580
entertainment media what does that mean

663
00:30:45,250 --> 00:30:40,399

it means hiding things in plain sight

664

00:30:48,649 --> 00:30:45,260

that are not supposed to be real through

665

00:30:51,649 --> 00:30:48,659

fictional Hollywood production not

666

00:30:55,730 --> 00:30:51,659

saying that here recently on Netflix

667

00:30:58,010 --> 00:30:55,740

they have the the show agent Elvis

668

00:31:01,970 --> 00:30:58,020

it's the cartoon about him being a

669

00:31:04,850 --> 00:31:01,980

special agent okay how do you hide the

670

00:31:07,610 --> 00:31:04,860

fact that he was from the people

671

00:31:11,570 --> 00:31:07,620

fictional Hollywood production people

672

00:31:12,730 --> 00:31:11,580

will see that and say no that's just a

673

00:31:16,730 --> 00:31:12,740

cartoon

674

00:31:20,210 --> 00:31:16,740

instead of the actual documents that

675

00:31:22,070 --> 00:31:20,220

have surfaced talking about Elvis in a b

676
00:31:24,529 --> 00:31:22,080
agent John Burroughs and the strike

677
00:31:27,830 --> 00:31:24,539
forces but he was a part of through the

678
00:31:29,269 --> 00:31:27,840
70s people will not look at that because

679
00:31:37,669 --> 00:31:29,279
it

680
00:31:40,070 --> 00:31:37,679
like I said earlier most people have

681
00:31:42,590 --> 00:31:40,080
accepted the fact that Elvis died in 77

682
00:31:43,970 --> 00:31:42,600
there's no way he can live past and done

683
00:31:46,250 --> 00:31:43,980
any of this stuff with the federal

684
00:31:49,250 --> 00:31:46,260
government but the hardcore reality is

685
00:31:51,409 --> 00:31:49,260
he did and that's why and that's why

686
00:31:54,110 --> 00:31:51,419
that show was on and it was made it was

687
00:31:57,470 --> 00:31:54,120
meant to be entertaining sure but it was

688
00:31:59,630 --> 00:31:57,480

also meant to be put out there for you

689

00:32:02,330 --> 00:31:59,640

to say oh this is just entertainment

690

00:32:04,850 --> 00:32:02,340

this isn't real because it's a form of

691

00:32:06,649 --> 00:32:04,860

media anything in a movie you don't take

692

00:32:08,389 --> 00:32:06,659

serious because you're told hey don't

693

00:32:10,909 --> 00:32:08,399

worry this is not going to hurt you it's

694

00:32:13,789 --> 00:32:10,919

just a movie but that parent never ever

695

00:32:17,269 --> 00:32:13,799

would explain to you hey

696

00:32:19,430 --> 00:32:17,279

that shark is mechanical but there are

697

00:32:21,169 --> 00:32:19,440

real sharks that hurt people you're not

698

00:32:22,970 --> 00:32:21,179

told that as a child

699

00:32:24,889 --> 00:32:22,980

you know and of course you probably

700

00:32:26,450 --> 00:32:24,899

don't talk about Jaws you know when you

701
00:32:28,610 --> 00:32:26,460
watch it it's obviously a mechanical

702
00:32:30,409 --> 00:32:28,620
shark and all those people never die but

703
00:32:33,350 --> 00:32:30,419
there are real sharks so where does fact

704
00:32:34,850 --> 00:32:33,360
stop in fiction start you don't know so

705
00:32:38,330 --> 00:32:34,860
you just say it's all make believe

706
00:32:40,250 --> 00:32:38,340
that's how you hide things and when you

707
00:32:43,130 --> 00:32:40,260
don't tell people about things through

708
00:32:46,190 --> 00:32:43,140
the media they do not take it serious

709
00:32:48,169 --> 00:32:46,200
you've got to hide

710
00:32:50,210 --> 00:32:48,179
for certain reasons and I can understand

711
00:32:52,490 --> 00:32:50,220
you know at first you know when Roswell

712
00:32:53,870 --> 00:32:52,500
happened people not the government not

713
00:32:55,190 --> 00:32:53,880

coming forward because they had to find

714

00:32:56,570 --> 00:32:55,200

out what in the world they were dealing

715

00:32:59,269 --> 00:32:56,580

with first

716

00:33:01,310 --> 00:32:59,279

so once you find that out

717

00:33:03,470 --> 00:33:01,320

you've got to find out every single

718

00:33:05,990 --> 00:33:03,480

thing you can so that you can answer the

719

00:33:08,389 --> 00:33:06,000

questions the public will have once you

720

00:33:10,370 --> 00:33:08,399

say it's going on because people will

721

00:33:12,889 --> 00:33:10,380

ask questions if you don't answer

722

00:33:14,690 --> 00:33:12,899

they're going to get suspicious totally

723

00:33:17,950 --> 00:33:14,700

understandable

724

00:33:21,049 --> 00:33:17,960

but when the Eisenhower treaty hit 54

725

00:33:23,570 --> 00:33:21,059

that was the decision that the Alien

726

00:33:26,389 --> 00:33:23,580

Invasion had happened when they double

727

00:33:27,590 --> 00:33:26,399

crossed Ike so what are you going to

728

00:33:29,269 --> 00:33:27,600

tell people

729

00:33:31,909 --> 00:33:29,279

et's invaded they're not going to

730

00:33:34,009 --> 00:33:31,919

believe that so you just never have come

731

00:33:36,409 --> 00:33:34,019

forward and admitted any of this stuff

732

00:33:37,669 --> 00:33:36,419

is real you've tried to get people to

733

00:33:40,570 --> 00:33:37,679

think it's not

734

00:33:45,190 --> 00:33:40,580

okay and that's what the the

735

00:33:47,750 --> 00:33:45,200

entertainment media has done by

736

00:33:50,990 --> 00:33:47,760

Sheltering or covering up this ET

737

00:33:55,549 --> 00:33:51,000

hypothesis as people call it it's as

738

00:33:58,430 --> 00:33:55,559

real as the concrete on the ground but

739

00:34:03,289 --> 00:33:58,440

in the mind of the people they can't let

740

00:34:05,269 --> 00:34:03,299

themselves even theorize it being real a

741

00:34:07,549 --> 00:34:05,279

small percentage of us have already done

742

00:34:10,129 --> 00:34:07,559

that I'm referring to that 90 percent

743

00:34:13,010 --> 00:34:10,139

that's more worried about what their

744

00:34:15,710 --> 00:34:13,020

neighbor thinks of them than them thank

745

00:34:19,369 --> 00:34:15,720

you for themselves they let the media do

746

00:34:21,950 --> 00:34:19,379

it for that is why nobody

747

00:34:25,190 --> 00:34:21,960

takes the ET hypothesis other than

748

00:34:29,030 --> 00:34:25,200

people like us and looks at it as a

749

00:34:31,070 --> 00:34:29,040

serious reality even the gentleman the

750

00:34:34,329 --> 00:34:31,080

Israeli doctor

751

00:34:36,710 --> 00:34:34,339

I think his last name was a shed

752

00:34:37,550 --> 00:34:36,720

e-s-h-e-d I cannot think of his first

753

00:34:39,950 --> 00:34:37,560

name

754

00:34:42,349 --> 00:34:39,960

but even he came forward after he

755

00:34:44,990 --> 00:34:42,359

retired and spoke about the Galactic

756

00:34:47,570 --> 00:34:45,000

Federation being here and been helping

757

00:34:49,129 --> 00:34:47,580

us and they were not about to expose

758

00:34:51,829 --> 00:34:49,139

themselves because humans aren't ready

759

00:34:53,930 --> 00:34:51,839

humans are not ready for that we may be

760

00:34:56,930 --> 00:34:53,940

I mean I've accepted that Ryan I'm

761

00:34:59,630 --> 00:34:56,940

guessing you have but the average person

762

00:35:01,310 --> 00:34:59,640

is afraid to accept it because they

763

00:35:02,510 --> 00:35:01,320

don't want to say it out loud because

764

00:35:05,510 --> 00:35:02,520

they're worried about their neighbor

765

00:35:08,690 --> 00:35:05,520

it's just one of those things that's not

766

00:35:11,750 --> 00:35:08,700

real it's like in the 1950s people say

767

00:35:15,230 --> 00:35:11,760

ghosts were Make-Believe

768

00:35:19,250 --> 00:35:15,240

okay no we've got so much evidence that

769

00:35:21,470 --> 00:35:19,260

has changed that opinion has changed the

770

00:35:24,310 --> 00:35:21,480

ET thing is next it's going to take a

771

00:35:28,130 --> 00:35:24,320

while because you've got to show humans

772

00:35:30,910 --> 00:35:28,140

technologies that are amazing and get

773

00:35:34,790 --> 00:35:30,920

them as a whole to ask the questions

774

00:35:38,150 --> 00:35:34,800

where did this come from and then you

775

00:35:40,250 --> 00:35:38,160

that tells people okay they may be ready

776
00:35:45,170 --> 00:35:40,260
to know a little something and then you

777
00:35:47,990 --> 00:35:45,180
slowly disclose the actual ET Intel the

778
00:35:52,849 --> 00:35:48,000
like the blue aliens how does their

779
00:35:55,010 --> 00:35:52,859
light shift in enable them to carry them

780
00:35:57,829 --> 00:35:55,020
into other dimensions and carry

781
00:36:01,089 --> 00:35:57,839
occupants the science behind it it's

782
00:36:03,829 --> 00:36:01,099
symbiotic Science and Technology

783
00:36:06,410 --> 00:36:03,839
how they're able to do it I don't

784
00:36:08,510 --> 00:36:06,420
understand that science now if someone

785
00:36:10,550 --> 00:36:08,520
tried to explain it to me I'm not going

786
00:36:12,710 --> 00:36:10,560
to understand it because chances are

787
00:36:15,170 --> 00:36:12,720
there's going to be terminology views

788
00:36:17,569 --> 00:36:15,180

that I've never heard before it would

789

00:36:20,690 --> 00:36:17,579

just be like during biblical days you

790

00:36:22,490 --> 00:36:20,700

know the burning bush all right well

791

00:36:24,950 --> 00:36:22,500

what was the Burning Bush was it an

792

00:36:28,130 --> 00:36:24,960

actual Bush on fire

793

00:36:31,970 --> 00:36:28,140

or was it exhaust from misunderstood

794

00:36:34,310 --> 00:36:31,980

technology okay it could be either or

795

00:36:37,310 --> 00:36:34,320

but when the Bible was written for

796

00:36:40,430 --> 00:36:37,320

example they used terms that they knew

797

00:36:42,710 --> 00:36:40,440

to use simple event and that's why when

798

00:36:44,390 --> 00:36:42,720

we read it these days sometimes we get

799

00:36:46,790 --> 00:36:44,400

confused on what some of the scriptures

800

00:36:48,890 --> 00:36:46,800

actually supposed to mean

801
00:36:50,930 --> 00:36:48,900
um but then again that's another story

802
00:36:52,550 --> 00:36:50,940
that's in itself but it doesn't make

803
00:36:54,050 --> 00:36:52,560
sense that somebody's trying to take the

804
00:36:55,609 --> 00:36:54,060
word of God and rewrite it and there's

805
00:36:58,010 --> 00:36:55,619
so many different versions of the Bible

806
00:37:01,069 --> 00:36:58,020
where's the original that's that's

807
00:37:03,589 --> 00:37:01,079
another story for a future date but

808
00:37:05,930 --> 00:37:03,599
this whole thing with the media is

809
00:37:08,089 --> 00:37:05,940
that's what is the the lifeline

810
00:37:09,890 --> 00:37:08,099
lifelonging people in their homes and

811
00:37:12,050 --> 00:37:09,900
the rest of the world whatever that

812
00:37:14,870 --> 00:37:12,060
media tells them you know that's just

813
00:37:18,470 --> 00:37:14,880

like me talking about Elvis Presley you

814

00:37:22,670 --> 00:37:18,480

know not dying okay naturally it's it's

815

00:37:24,710 --> 00:37:22,680

given that he did but people do not stop

816

00:37:28,910 --> 00:37:24,720

and break it down and look at The

817

00:37:30,829 --> 00:37:28,920

Oddities of how if he died then how did

818

00:37:34,550 --> 00:37:30,839

they get a state funeral scheduled

819

00:37:38,030 --> 00:37:34,560

within within less than 48 hours a state

820

00:37:41,870 --> 00:37:38,040

funeral now okay and if he really did

821

00:37:44,750 --> 00:37:41,880

die things like to me they would have at

822

00:37:46,790 --> 00:37:44,760

least be some photographs somewhere of

823

00:37:49,609 --> 00:37:46,800

the actual funeral

824

00:37:52,990 --> 00:37:49,619

service no photographs of a funeral

825

00:37:56,990 --> 00:37:53,000

service only a motorcade

826

00:37:59,930 --> 00:37:57,000

more than more than 10 or 11 people in

827

00:38:02,030 --> 00:37:59,940

that one photograph of the pallbearers

828

00:38:05,810 --> 00:38:02,040

carrying that casket into that Mausoleum

829

00:38:07,670 --> 00:38:05,820

there was like 10 or 11 on one side

830

00:38:10,609 --> 00:38:07,680

so that means there's got to be even

831

00:38:12,109 --> 00:38:10,619

more on the other side okay why is it

832

00:38:12,970 --> 00:38:12,119

taking so many people to carry that

833

00:38:19,670 --> 00:38:12,980

casket

834

00:38:22,910 --> 00:38:19,680

could easily do that with four people on

835

00:38:25,130 --> 00:38:22,920

each side I've done checked on

836

00:38:26,810 --> 00:38:25,140

and the thing is

837

00:38:29,870 --> 00:38:26,820

they were burying burying a candle with

838

00:38:31,790 --> 00:38:29,880

an air conditioning unit that's nobody

839

00:38:34,310 --> 00:38:31,800

wants to believe any of this at this

840

00:38:37,130 --> 00:38:34,320

point because for so many years they

841

00:38:38,930 --> 00:38:37,140

believed that he has died nobody can

842

00:38:43,849 --> 00:38:38,940

change their belief system and something

843

00:38:45,770 --> 00:38:43,859

like that so quick so the when Elvis

844

00:38:48,230 --> 00:38:45,780

Presley did die I personally believe

845

00:38:50,630 --> 00:38:48,240

he's dead by now naturally due to health

846

00:38:53,030 --> 00:38:50,640

when the blue alien light ship was over

847

00:38:55,790 --> 00:38:53,040

Graceland the other night and I believe

848

00:38:59,390 --> 00:38:55,800

it was on September the 26th I'll have

849

00:39:02,569 --> 00:38:59,400

to check my my um information

850

00:39:06,530 --> 00:39:02,579

that told me okay he must have actually

851

00:39:08,450 --> 00:39:06,540

really died in reality expired because

852

00:39:10,670 --> 00:39:08,460

if they were there at his birth it seems

853

00:39:13,849 --> 00:39:10,680

like to me they would be there at his

854

00:39:14,630 --> 00:39:13,859

death now why they were over Graceland I

855

00:39:17,030 --> 00:39:14,640

don't know

856

00:39:20,750 --> 00:39:17,040

does it mean somewhere he's on that

857

00:39:23,270 --> 00:39:20,760

property living until he possibly died

858

00:39:26,569 --> 00:39:23,280

we don't know I mean we really really

859

00:39:29,750 --> 00:39:26,579

don't and if

860

00:39:31,849 --> 00:39:29,760

and I and I gotta stop here and insert

861

00:39:34,310 --> 00:39:31,859

this this Pastor Bob George ladies and

862

00:39:37,609 --> 00:39:34,320

gentlemen is not Elvis Presley there's

863

00:39:39,290 --> 00:39:37,619

one unique thing that is that that kills

864

00:39:41,390 --> 00:39:39,300

that analogy

865

00:39:44,150 --> 00:39:41,400

if you look at photographs of Pastor

866

00:39:46,849 --> 00:39:44,160

Joyce smiling and Elvis smiling you'll

867

00:39:49,849 --> 00:39:46,859

see the difference so Google that look

868

00:39:53,390 --> 00:39:49,859

that up Elvis Presley Bob Joyce smiling

869

00:39:55,550 --> 00:39:53,400

compare their smiles and if you're awake

870

00:39:57,170 --> 00:39:55,560

and your Ascension level is a bit up

871

00:40:00,470 --> 00:39:57,180

you'll see the difference and it'll be

872

00:40:03,770 --> 00:40:00,480

obvious to you Pastor Bob is not Elvis

873

00:40:06,349 --> 00:40:03,780

Presley because nobody

874

00:40:09,170 --> 00:40:06,359

his life would be in danger if the wrong

875

00:40:11,030 --> 00:40:09,180

people thought he was think about that

876

00:40:13,130 --> 00:40:11,040

because a lot of people have not

877

00:40:14,750 --> 00:40:13,140

accepted the fact that there was a hit

878

00:40:16,730 --> 00:40:14,760

taken out on Ella that's why he went

879

00:40:19,069 --> 00:40:16,740

into witness protection that's the

880

00:40:21,589 --> 00:40:19,079

hardcore reality here but you tell

881

00:40:23,930 --> 00:40:21,599

people through the media that he has

882

00:40:27,230 --> 00:40:23,940

died or any high profile person then

883

00:40:28,970 --> 00:40:27,240

boom they're dead no evidence will

884

00:40:30,710 --> 00:40:28,980

change their mind because that media is

885

00:40:32,750 --> 00:40:30,720

that strong

886

00:40:34,670 --> 00:40:32,760

a lot of issues that have been coming

887

00:40:37,730 --> 00:40:34,680

out about

888

00:40:41,210 --> 00:40:37,740

not only whistleblowers coming out

889

00:40:43,390 --> 00:40:41,220

against the government I just recently

890

00:40:45,950 --> 00:40:43,400

heard of one coming out against NASA

891

00:40:49,130 --> 00:40:45,960

claiming some of the things they were

892

00:40:51,109 --> 00:40:49,140

doing were fake as well as giving some

893

00:40:53,329 --> 00:40:51,119

information about what they were calling

894

00:40:57,589 --> 00:40:53,339

a secret space program

895

00:40:59,750 --> 00:40:57,599

and I heard a recent

896

00:41:01,849 --> 00:40:59,760

individual who came forward and said the

897

00:41:04,970 --> 00:41:01,859

secret space they're talking about I

898

00:41:06,950 --> 00:41:04,980

love this is the space between your ears

899

00:41:09,230 --> 00:41:06,960

because

900

00:41:11,510 --> 00:41:09,240

that's that's really the vital ground

901
00:41:14,210 --> 00:41:11,520
where these messages like you talked

902
00:41:16,310 --> 00:41:14,220
about with the mainstream media that is

903
00:41:17,329 --> 00:41:16,320
that's what they're aiming for is the

904
00:41:22,010 --> 00:41:17,339
Publix

905
00:41:23,450 --> 00:41:22,020
uh overall view of things and one of one

906
00:41:25,550 --> 00:41:23,460
of the things that I know you're

907
00:41:27,770 --> 00:41:25,560
knowledgeable about knowledgeable about

908
00:41:29,930 --> 00:41:27,780
and I don't want to get too tangential

909
00:41:32,150 --> 00:41:29,940
here is

910
00:41:34,910 --> 00:41:32,160
um weather modification people have

911
00:41:36,829 --> 00:41:34,920
brought weather modification into these

912
00:41:40,190 --> 00:41:36,839
agendas into the mainstream media

913
00:41:43,550 --> 00:41:40,200

they're starting to somewhat I've seen a

914

00:41:45,470 --> 00:41:43,560

couple of episodes on regular news uh

915

00:41:48,349 --> 00:41:45,480

that talks about cloud seeding in a

916

00:41:50,990 --> 00:41:48,359

positive way so they've come forward and

917

00:41:52,670 --> 00:41:51,000

they're saying that yes they might be

918

00:41:56,210 --> 00:41:52,680

doing some things but it's all for the

919

00:41:58,670 --> 00:41:56,220

good what is your opinion of this

920

00:42:02,210 --> 00:41:58,680

oh well

921

00:42:04,130 --> 00:42:02,220

the weather modification operation goes

922

00:42:07,250 --> 00:42:04,140

all the way back to Vietnam

923

00:42:10,490 --> 00:42:07,260

but let I want to say one thing before I

924

00:42:12,589 --> 00:42:10,500

answer that question and I want and I

925

00:42:14,030 --> 00:42:12,599

want to jump back to the question that

926
00:42:17,569 --> 00:42:14,040
you asked me about

927
00:42:19,609 --> 00:42:17,579
Corey good and the

928
00:42:23,030 --> 00:42:19,619
con I don't I don't want to use the word

929
00:42:25,790 --> 00:42:23,040
conspiracy but the confusion on the

930
00:42:27,650 --> 00:42:25,800
whole blue avian are they good or are

931
00:42:30,890 --> 00:42:27,660
they evil okay

932
00:42:33,230 --> 00:42:30,900
I do not believe at this moment in time

933
00:42:35,510 --> 00:42:33,240
the blue aliens as I said earlier are

934
00:42:38,810 --> 00:42:35,520
evil I believe they are malevolent okay

935
00:42:41,150 --> 00:42:38,820
they have a special job in guiding the

936
00:42:43,190 --> 00:42:41,160
starseed in my opinion the star seeds

937
00:42:45,950 --> 00:42:43,200
through the world and helping the star

938
00:42:50,450 --> 00:42:45,960

seeds along now

939

00:42:52,750 --> 00:42:50,460

we don't know how many different types

940

00:42:54,290 --> 00:42:52,760

of blue

941

00:42:58,370 --> 00:42:54,300

related

942

00:43:01,790 --> 00:42:58,380

ETS there may be now the blue light

943

00:43:03,950 --> 00:43:01,800

beings photographs that I have do not

944

00:43:06,710 --> 00:43:03,960

look like the blue alien

945

00:43:10,309 --> 00:43:06,720

uh photographs that we can Google and

946

00:43:13,550 --> 00:43:10,319

see okay now there is a hand signal that

947

00:43:15,470 --> 00:43:13,560

is is is common with the blue alien

948

00:43:17,630 --> 00:43:15,480

photograph whenever if you Google blue

949

00:43:20,270 --> 00:43:17,640

aliens and score again you're gonna see

950

00:43:24,109 --> 00:43:20,280

a blue avian holding up what is looking

951
00:43:25,609 --> 00:43:24,119
like a satanic symbol okay I know that

952
00:43:27,650 --> 00:43:25,619
you know the hand signal I'm talking

953
00:43:29,630 --> 00:43:27,660
about this is where he's got his right

954
00:43:32,510 --> 00:43:29,640
hand up the two fingers up and the thumb

955
00:43:36,650 --> 00:43:32,520
is out now my understanding to that hand

956
00:43:39,589 --> 00:43:36,660
symbol it's not necessarily satanic okay

957
00:43:41,450 --> 00:43:39,599
but it's a hand sign that you would

958
00:43:44,750 --> 00:43:41,460
flash when you're trying to tell a bunch

959
00:43:48,290 --> 00:43:44,760
of people I've got something to say

960
00:43:51,530 --> 00:43:48,300
so I don't believe that the blue avians

961
00:43:53,690 --> 00:43:51,540
are evil because that has been a

962
00:43:56,170 --> 00:43:53,700
connection people have made with the

963
00:43:59,450 --> 00:43:56,180

Barefoot is it Baphomet

964

00:44:01,970 --> 00:43:59,460

absolutely yeah yeah yeah because it's

965

00:44:04,250 --> 00:44:01,980

doing it and if it does it then

966

00:44:06,829 --> 00:44:04,260

automatically it's satanic now we all

967

00:44:08,829 --> 00:44:06,839

know that that the Baphomet statue the

968

00:44:11,510 --> 00:44:08,839

goat with the

969

00:44:13,069 --> 00:44:11,520

transgender look to it is also kind of

970

00:44:15,170 --> 00:44:13,079

we know that

971

00:44:18,470 --> 00:44:15,180

I know the statue you're talking about

972

00:44:21,170 --> 00:44:18,480

the one at the Church of Satan yes but

973

00:44:24,109 --> 00:44:21,180

that hand sign could be

974

00:44:26,569 --> 00:44:24,119

Satan saying I've got something to say

975

00:44:29,630 --> 00:44:26,579

because think about at the feet of this

976

00:44:32,329 --> 00:44:29,640

goat is two children the representation

977

00:44:33,650 --> 00:44:32,339

of God's children going oh he's got

978

00:44:37,490 --> 00:44:33,660

something saying let's listen to this

979

00:44:40,510 --> 00:44:37,500

that's what the statue is telling that

980

00:44:44,089 --> 00:44:40,520

the children are God's children

981

00:44:47,329 --> 00:44:44,099

listening to someone else you see what

982

00:44:50,569 --> 00:44:47,339

I'm saying and those people that don't

983

00:44:54,290 --> 00:44:50,579

that are not steadfast in the word will

984

00:44:56,210 --> 00:44:54,300

be persuaded by what that devil or demon

985

00:44:58,730 --> 00:44:56,220

is saying and they will end up

986

00:45:03,050 --> 00:44:58,740

backsliding and going the wrong way I'm

987

00:45:04,730 --> 00:45:03,060

trying to say that in a non in a neutral

988

00:45:07,069 --> 00:45:04,740

point of view because I'm not here to

989

00:45:10,069 --> 00:45:07,079

push religion or anything

990

00:45:12,410 --> 00:45:10,079

but you've got team God and team devil

991

00:45:14,030 --> 00:45:12,420

my personal opinion I'm on team God

992

00:45:16,130 --> 00:45:14,040

that's me personally but if someone

993

00:45:19,130 --> 00:45:16,140

listening does not believe in God that's

994

00:45:21,710 --> 00:45:19,140

fine you're not wrong you're just at a

995

00:45:23,630 --> 00:45:21,720

different place in life than I am which

996

00:45:26,270 --> 00:45:23,640

is fine because we're all different

997

00:45:29,210 --> 00:45:26,280

there's nothing wrong with that one of

998

00:45:33,290 --> 00:45:29,220

the problems people have

999

00:45:35,390 --> 00:45:33,300

is an Ascension is if if the humans of

1000

00:45:38,329 --> 00:45:35,400

Earth knew how to communicate with one

1001
00:45:41,809 --> 00:45:38,339
another respectfully disagree with one

1002
00:45:45,170 --> 00:45:41,819
another then things would be better on

1003
00:45:48,530 --> 00:45:45,180
the planet but you have to ascend as far

1004
00:45:50,690 --> 00:45:48,540
as your soul to be like that Ascension

1005
00:45:53,690 --> 00:45:50,700
is something that this planet needs

1006
00:45:55,849 --> 00:45:53,700
because we still have people that

1007
00:45:57,170 --> 00:45:55,859
believe a plane hit the Pentagon and

1008
00:46:00,710 --> 00:45:57,180
they are serious

1009
00:46:02,930 --> 00:46:00,720
okay those are the individuals that look

1010
00:46:06,410 --> 00:46:02,940
at the news and swear about every single

1011
00:46:09,109 --> 00:46:06,420
thing they say now what gets me about

1012
00:46:10,609 --> 00:46:09,119
that and it goes back to the media

1013
00:46:12,589 --> 00:46:10,619

questions

1014

00:46:15,530 --> 00:46:12,599

um why is it that people are like that

1015

00:46:18,829 --> 00:46:15,540

they're programmed how is it they don't

1016

00:46:20,270 --> 00:46:18,839

see how the ratings have dropped on the

1017

00:46:22,550 --> 00:46:20,280

MSM show

1018

00:46:25,010 --> 00:46:22,560

that it would it should make them think

1019

00:46:27,410 --> 00:46:25,020

well what's going on with all this but

1020

00:46:30,290 --> 00:46:27,420

it does it because it's just easier to

1021

00:46:32,569 --> 00:46:30,300

accept anything they say and and that's

1022

00:46:34,490 --> 00:46:32,579

kind of a sad thing but that doesn't

1023

00:46:38,210 --> 00:46:34,500

mean they're unintelligent that means

1024

00:46:40,430 --> 00:46:38,220

they're psychologically just lazy not

1025

00:46:42,050 --> 00:46:40,440

unintelligent definitely not

1026
00:46:44,690 --> 00:46:42,060
unintelligent

1027
00:46:47,030 --> 00:46:44,700
People Like Us right you know and not

1028
00:46:48,890 --> 00:46:47,040
just us but other people we think so far

1029
00:46:51,349 --> 00:46:48,900
outside the box we sound like crazy

1030
00:46:54,230 --> 00:46:51,359
people I know we do but that's okay

1031
00:46:57,109 --> 00:46:54,240
because a lot of the craziness that

1032
00:47:00,470 --> 00:46:57,119
people thought was crazy Jim Garrison

1033
00:47:02,450 --> 00:47:00,480
proved in 1969.

1034
00:47:04,910 --> 00:47:02,460
you know once upon a time you don't ever

1035
00:47:06,829 --> 00:47:04,920
question the government he proved and

1036
00:47:09,230 --> 00:47:06,839
showed the government's a report on the

1037
00:47:14,569 --> 00:47:09,240
county assassination was wrong people

1038
00:47:20,270 --> 00:47:17,690

was is one of the very first if not the

1039

00:47:22,550 --> 00:47:20,280

first anime ever short for announce

1040

00:47:24,109 --> 00:47:22,560

because he did his own thinking he

1041

00:47:26,030 --> 00:47:24,119

questioned The Narrative and that's what

1042

00:47:27,589 --> 00:47:26,040

this is all about I was on your show

1043

00:47:30,770 --> 00:47:27,599

while back talking about the Q Landon

1044

00:47:33,050 --> 00:47:30,780

movement we're questioning things people

1045

00:47:36,349 --> 00:47:33,060

I want people to understand that Q Anon

1046

00:47:38,690 --> 00:47:36,359

is not one word that's the media okay Q

1047

00:47:41,270 --> 00:47:38,700

is real and in the real it's two

1048

00:47:43,010 --> 00:47:41,280

separate things that movement is getting

1049

00:47:46,370 --> 00:47:43,020

people to question things like they

1050

00:47:48,410 --> 00:47:46,380

never did before that is new oh and by

1051
00:47:50,569 --> 00:47:48,420
the way Ryan I think I know who one of

1052
00:47:55,190 --> 00:47:50,579
saving is

1053
00:47:56,990 --> 00:47:55,200
I think I know who is parading as 107 on

1054
00:47:59,270 --> 00:47:57,000
all of these videos where you only see

1055
00:48:01,250 --> 00:47:59,280
his feet or his hands yeah I know who it

1056
00:48:02,930 --> 00:48:01,260
is I think I know who it is and can you

1057
00:48:05,210 --> 00:48:02,940
say what I'll do can you explain the

1058
00:48:07,569 --> 00:48:05,220
listeners who that is who that who that

1059
00:48:10,370 --> 00:48:07,579
person that is pretending well let's

1060
00:48:11,990 --> 00:48:10,380
I'll let you finish your

1061
00:48:15,829 --> 00:48:12,000
um your comment and then let's explain

1062
00:48:18,710 --> 00:48:15,839
the listeners who this stand-in is

1063
00:48:22,309 --> 00:48:18,720

all right 107.

1064

00:48:24,950 --> 00:48:22,319

he is allegedly it has been said and it

1065

00:48:26,990 --> 00:48:24,960

is believed that one of payment is in

1066

00:48:31,069 --> 00:48:27,000

reality Jonathan again

1067

00:48:34,010 --> 00:48:31,079

okay I don't believe that the person on

1068

00:48:36,290 --> 00:48:34,020

all these videos that we see of one of

1069

00:48:39,890 --> 00:48:36,300

saving to where the camera is filming

1070

00:48:42,650 --> 00:48:39,900

either his feet or his hands or even his

1071

00:48:46,130 --> 00:48:42,660

legs that person that's sitting there is

1072

00:48:48,589 --> 00:48:46,140

not John F Kennedy Junior now on the

1073

00:48:51,170 --> 00:48:48,599

other hand I do not believe he's dead

1074

00:48:53,510 --> 00:48:51,180

but I just don't believe he is done F

1075

00:48:56,690 --> 00:48:53,520

Kennedy Juniors not the gentleman that's

1076
00:48:59,690 --> 00:48:56,700
sitting there on all these Rumble videos

1077
00:49:03,760 --> 00:48:59,700
person that I think is sitting there and

1078
00:49:05,690 --> 00:49:03,770
doing it as Robert David Steele

1079
00:49:07,870 --> 00:49:05,700
[Music]

1080
00:49:12,290 --> 00:49:07,880
because

1081
00:49:14,030 --> 00:49:12,300
allegedly he and 107 saying that in

1082
00:49:17,270 --> 00:49:14,040
quotes they got the same ring they wear

1083
00:49:21,770 --> 00:49:19,069
you see what I'm going with this yes

1084
00:49:24,230 --> 00:49:21,780
kill the ring not many people's gonna

1085
00:49:26,390 --> 00:49:24,240
pick up on that but because I'm a nerd I

1086
00:49:27,650 --> 00:49:26,400
did pick up on it and it makes logical

1087
00:49:29,990 --> 00:49:27,660
sense

1088
00:49:32,510 --> 00:49:30,000

that Robert David Steele could

1089

00:49:35,450 --> 00:49:32,520

potentially be alive he could very

1090

00:49:37,150 --> 00:49:35,460

easily be accused witness protection and

1091

00:49:40,190 --> 00:49:37,160

he's part of that by

1092

00:49:42,650 --> 00:49:40,200

portraying one of favorites I he is one

1093

00:49:45,710 --> 00:49:42,660

of I I was very shocked

1094

00:49:49,490 --> 00:49:45,720

to find out that Robert David Steele

1095

00:49:51,470 --> 00:49:49,500

passed away back in 2021 he is for those

1096

00:49:54,230 --> 00:49:51,480

who don't know he's the former British

1097

00:49:57,349 --> 00:49:54,240

secret intelligence service officer with

1098

00:50:03,109 --> 00:49:57,359

MI6 and he was very

1099

00:50:08,930 --> 00:50:06,430

a lot of new age ideas going against

1100

00:50:14,030 --> 00:50:08,940

some of the old school intelligence

1101
00:50:15,890 --> 00:50:14,040
systems he was against a lot of the new

1102
00:50:17,630 --> 00:50:15,900
medical practices taking place I was

1103
00:50:21,829 --> 00:50:17,640
shocked to find out he seemed in good

1104
00:50:23,329 --> 00:50:21,839
health and at least in in my circles I

1105
00:50:26,630 --> 00:50:23,339
was shocked to find out that Robert

1106
00:50:28,250 --> 00:50:26,640
David Steele had passed away so this I'm

1107
00:50:31,970 --> 00:50:28,260
kind of with you on this if there's

1108
00:50:35,089 --> 00:50:31,980
anybody that could fake their own death

1109
00:50:37,550 --> 00:50:35,099
would fake their own death and should

1110
00:50:39,349 --> 00:50:37,560
have done it he he would be the guy I

1111
00:50:42,050 --> 00:50:39,359
mean he was targeted by a variety of

1112
00:50:44,930 --> 00:50:42,060
people due to his international

1113
00:50:49,130 --> 00:50:44,940

relations but sorry sorry to kind of go

1114

00:50:50,270 --> 00:50:49,140

off course there right back to it Donnie

1115

00:50:53,030 --> 00:50:50,280

well

1116

00:50:56,870 --> 00:50:53,040

Robert David Steele

1117

00:51:00,530 --> 00:50:56,880

okay let's be a little bit more

1118

00:51:03,290 --> 00:51:00,540

clearer for the for the people he didn't

1119

00:51:05,270 --> 00:51:03,300

fake anything he went into a witness

1120

00:51:10,849 --> 00:51:05,280

protection program

1121

00:51:13,609 --> 00:51:10,859

okay that's why John is no longer around

1122

00:51:19,670 --> 00:51:13,619

publicly and I believe Diana went into

1123

00:51:21,589 --> 00:51:19,680

it okay because are you aware of the I

1124

00:51:26,930 --> 00:51:21,599

think it's the

1125

00:51:30,950 --> 00:51:26,940

multiple generals Christmas Eve of 1963

1126
00:51:33,890 --> 00:51:30,960
created or started the operation to save

1127
00:51:37,670 --> 00:51:33,900
the world are you aware of that story no

1128
00:51:41,210 --> 00:51:37,680
no I'm not okay I'm gonna try to explain

1129
00:51:43,670 --> 00:51:41,220
it the best I can all right we all know

1130
00:51:45,970 --> 00:51:43,680
allegedly to Jeff clay allegedly you

1131
00:51:48,650 --> 00:51:45,980
know they said he was assassinated in

1132
00:51:54,250 --> 00:51:48,660
1963 when there have been photographs

1133
00:51:56,990 --> 00:51:54,260
that have circled that looks like him

1134
00:52:00,049 --> 00:51:57,000
parading as a gentleman by the name of

1135
00:52:02,690 --> 00:52:00,059
Russell cooker now my understanding with

1136
00:52:04,790 --> 00:52:02,700
this gentleman that Mr Pickett died not

1137
00:52:07,910 --> 00:52:04,800
too long ago

1138
00:52:11,150 --> 00:52:07,920

so I've got photographs of he and JFK

1139

00:52:16,010 --> 00:52:11,160

side by side and it is very compelling

1140

00:52:18,770 --> 00:52:16,020

now with this situation with q in 1963

1141

00:52:19,930 --> 00:52:18,780

Christmas Eve of 1963 the generals

1142

00:52:22,430 --> 00:52:19,940

coming together

1143

00:52:25,609 --> 00:52:22,440

and saying we're going to start a plan

1144

00:52:27,650 --> 00:52:25,619

to save the world okay why do you think

1145

00:52:30,290 --> 00:52:27,660

they did that well it's because they

1146

00:52:32,089 --> 00:52:30,300

knew about the alien invasion in 54 they

1147

00:52:33,890 --> 00:52:32,099

knew who was running running the planet

1148

00:52:35,690 --> 00:52:33,900

and they just knew they needed to work

1149

00:52:40,370 --> 00:52:35,700

with other Generals in other countries

1150

00:52:42,349 --> 00:52:40,380

to save the planet okay my understanding

1151

00:52:44,410 --> 00:52:42,359

of this and I'll have I've got the

1152

00:52:48,650 --> 00:52:44,420

actual information I could send you but

1153

00:52:51,950 --> 00:52:48,660

basically a meeting Christmas Eve 1963

1154

00:52:53,270 --> 00:52:51,960

it was decided that these generals from

1155

00:52:55,910 --> 00:52:53,280

all these countries are going to start

1156

00:52:58,130 --> 00:52:55,920

working together to defeat the enemy

1157

00:52:59,750 --> 00:52:58,140

which was you know the draconians which

1158

00:53:03,049 --> 00:52:59,760

are the ones that cut the deal with

1159

00:53:05,930 --> 00:53:03,059

Eisenhower now

1160

00:53:08,990 --> 00:53:05,940

have you noticed that JFK's

1161

00:53:12,829 --> 00:53:09,000

um JFK's Memorial they're in Arlington

1162

00:53:14,870 --> 00:53:12,839

is in the shape of a queue yes I have

1163

00:53:16,370 --> 00:53:14,880

seen that that I thought that was really

1164

00:53:18,650 --> 00:53:16,380

interesting

1165

00:53:21,530 --> 00:53:18,660

well why would that have been done in

1166

00:53:24,349 --> 00:53:21,540

the 1960s if there was not an underlying

1167

00:53:26,510 --> 00:53:24,359

reason to do it that is why I believe

1168

00:53:28,130 --> 00:53:26,520

that the whole military thing basically

1169

00:53:29,809 --> 00:53:28,140

accused the military that's what people

1170

00:53:31,670 --> 00:53:29,819

when you tell them that they'll

1171

00:53:34,130 --> 00:53:31,680

understand that because it is true well

1172

00:53:35,990 --> 00:53:34,140

and what better yeah what better way to

1173

00:53:38,510 --> 00:53:36,000

hide something than in plain sight and

1174

00:53:41,630 --> 00:53:38,520

debunk it if you debunk something then

1175

00:53:43,430 --> 00:53:41,640

you can still use that I've always kind

1176
00:53:46,010 --> 00:53:43,440
of gotten into that with people because

1177
00:53:47,930 --> 00:53:46,020
once you debunk something it's an open

1178
00:53:49,910 --> 00:53:47,940
platform you can say whatever you want

1179
00:53:51,530 --> 00:53:49,920
and not deal with any of the

1180
00:53:53,690 --> 00:53:51,540
consequences and I think that's what's

1181
00:53:56,270 --> 00:53:53,700
happened with many things with Q with

1182
00:53:57,589 --> 00:53:56,280
pizzagate it goes on and on and on once

1183
00:54:01,609 --> 00:53:57,599
you debunk it you can have an open

1184
00:54:04,069 --> 00:54:01,619
conversation and it's no longer uh a big

1185
00:54:07,370 --> 00:54:04,079
deal right yeah

1186
00:54:10,069 --> 00:54:07,380
well once again you debunk this through

1187
00:54:12,589 --> 00:54:10,079
the media you see the people what you

1188
00:54:14,210 --> 00:54:12,599

want them to believe and that media

1189

00:54:18,230 --> 00:54:14,220

takes

1190

00:54:20,809 --> 00:54:18,240

and controls that person's mind it does

1191

00:54:22,970 --> 00:54:20,819

it the media will tell someone how to

1192

00:54:26,329 --> 00:54:22,980

think when to think and what to think

1193

00:54:29,569 --> 00:54:26,339

the media will tell someone what to say

1194

00:54:32,150 --> 00:54:29,579

how to say it and when to say it because

1195

00:54:35,270 --> 00:54:32,160

people will believe anything on it now

1196

00:54:36,890 --> 00:54:35,280

because of that if somebody like me or

1197

00:54:40,490 --> 00:54:36,900

you or

1198

00:54:43,730 --> 00:54:40,500

has a UFO uh meeting somewhere and talks

1199

00:54:46,549 --> 00:54:43,740

about the blue avnb there especially we

1200

00:54:49,430 --> 00:54:46,559

are looked at like we're crazy it's just

1201
00:54:52,430 --> 00:54:49,440
that the multitudes have been dummed

1202
00:54:55,390 --> 00:54:52,440
down over the years and when I say dummy

1203
00:54:58,549 --> 00:54:55,400
down when all of these different

1204
00:55:01,010 --> 00:54:58,559
Revelations and discoveries have been

1205
00:55:03,890 --> 00:55:01,020
made by humans no one's told about it

1206
00:55:06,049 --> 00:55:03,900
it's buried in Black projects all this

1207
00:55:07,970 --> 00:55:06,059
technology that have been buried in

1208
00:55:09,250 --> 00:55:07,980
Black projects people don't even believe

1209
00:55:11,569 --> 00:55:09,260
in the

1210
00:55:14,690 --> 00:55:11,579
holographic med-beth

1211
00:55:16,670 --> 00:55:14,700
that cures cancer diabetes and numerous

1212
00:55:18,829 --> 00:55:16,680
other ailments that's fascinating to me

1213
00:55:20,690 --> 00:55:18,839

it's not realistic to them that's

1214

00:55:23,270 --> 00:55:20,700

fascinating because I I've actually

1215

00:55:25,490 --> 00:55:23,280

talked to the doctors involved it's a

1216

00:55:27,890 --> 00:55:25,500

real it's it's real it's it's real

1217

00:55:30,349 --> 00:55:27,900

technology it's real but people once

1218

00:55:33,109 --> 00:55:30,359

once something is deemed crazy and that

1219

00:55:35,510 --> 00:55:33,119

you don't talk about it you kind of like

1220

00:55:39,170 --> 00:55:35,520

like you said and interestingly back to

1221

00:55:42,049 --> 00:55:39,180

Mr Steele Robert Steele he was also very

1222

00:55:43,849 --> 00:55:42,059

much against this child trafficking uh

1223

00:55:46,069 --> 00:55:43,859

this purported child trafficking taking

1224

00:55:49,250 --> 00:55:46,079

place internationally he had death

1225

00:55:51,770 --> 00:55:49,260

threats against him and this is

1226
00:55:54,290 --> 00:55:51,780
something that you know I think the mass

1227
00:55:58,190 --> 00:55:54,300
media as soon as you mention anything

1228
00:56:00,170 --> 00:55:58,200
having to do with the p e d o word they

1229
00:56:04,130 --> 00:56:00,180
automatically Shuffle you into the crazy

1230
00:56:05,930 --> 00:56:04,140
Corral as if it's not legitimately you

1231
00:56:07,970 --> 00:56:05,940
know the currency of the elite but

1232
00:56:10,309 --> 00:56:07,980
anyway back to yeah everything you're

1233
00:56:12,290 --> 00:56:10,319
saying I get I get it

1234
00:56:14,510 --> 00:56:12,300
you know it

1235
00:56:16,910 --> 00:56:14,520
if you want the people to think along

1236
00:56:19,309 --> 00:56:16,920
one particular Highway you feed them

1237
00:56:23,390 --> 00:56:19,319
that type of information and they feel

1238
00:56:25,549 --> 00:56:23,400

that's what the world is like that media

1239

00:56:27,710 --> 00:56:25,559

and and this is another thing it goes

1240

00:56:30,109 --> 00:56:27,720

back to MK Ultra a lot of people don't

1241

00:56:33,829 --> 00:56:30,119

know about Intel Ultras a lot of the

1242

00:56:35,990 --> 00:56:33,839

different research programs that they

1243

00:56:38,150 --> 00:56:36,000

did now of course we hear about you know

1244

00:56:40,670 --> 00:56:38,160

the the doctors giving these patients

1245

00:56:43,309 --> 00:56:40,680

and I don't want I'd rather call them

1246

00:56:46,069 --> 00:56:43,319

patients and not Lab Rats this is that's

1247

00:56:47,569 --> 00:56:46,079

just me but they would give them LSD and

1248

00:56:50,569 --> 00:56:47,579

all these other drugs

1249

00:56:53,450 --> 00:56:50,579

but one thing they would do is take a

1250

00:56:56,089 --> 00:56:53,460

take a subject and sit them in a chair

1251
00:56:58,250 --> 00:56:56,099
and put them in front of a viewing

1252
00:57:00,170 --> 00:56:58,260
screen and they would show them things

1253
00:57:01,910 --> 00:57:00,180
on this viewing screen that was a

1254
00:57:04,910 --> 00:57:01,920
hundred percent false

1255
00:57:07,190 --> 00:57:04,920
things like a zebra print banana okay

1256
00:57:09,290 --> 00:57:07,200
there's no such thing but when you're

1257
00:57:11,390 --> 00:57:09,300
looking at that and you've got a headset

1258
00:57:14,569 --> 00:57:11,400
on and there's someone speaking into a

1259
00:57:17,210 --> 00:57:14,579
microphone saying things like isn't that

1260
00:57:18,650 --> 00:57:17,220
a good looking zebra print banana I bet

1261
00:57:21,829 --> 00:57:18,660
it would be good right now with some

1262
00:57:24,349 --> 00:57:21,839
milk but constantly zebra print banana

1263
00:57:28,670 --> 00:57:24,359

was set over and over and over

1264

00:57:31,549 --> 00:57:28,680

the same thing that happened on 9 11.

1265

00:57:34,490 --> 00:57:31,559

because when the 24-hour News Network

1266

00:57:36,170 --> 00:57:34,500

all we saw were the holographic planes

1267

00:57:39,349 --> 00:57:36,180

going across and hitting the building

1268

00:57:41,390 --> 00:57:39,359

and then people people would say well

1269

00:57:43,069 --> 00:57:41,400

wait a minute I see the video the plane

1270

00:57:45,290 --> 00:57:43,079

did hit the building they're only

1271

00:57:48,470 --> 00:57:45,300

looking at this from the surface but

1272

00:57:53,510 --> 00:57:48,480

these same people have not been educated

1273

00:57:55,750 --> 00:57:53,520

on MK Ultra through their Avenue of

1274

00:57:58,790 --> 00:57:55,760

information which is the media

1275

00:58:01,309 --> 00:57:58,800

they don't know about that so naturally

1276

00:58:04,010 --> 00:58:01,319

they're gonna just fight you to the nail

1277

00:58:06,170 --> 00:58:04,020

saying yeah plane did it but when you

1278

00:58:07,970 --> 00:58:06,180

say well there's no planes of ground

1279

00:58:10,190 --> 00:58:07,980

there are there's no plane debris at the

1280

00:58:13,910 --> 00:58:10,200

Pentagon what happened they walk away

1281

00:58:17,210 --> 00:58:13,920

and they get the AWS with you because

1282

00:58:19,730 --> 00:58:17,220

they don't know how to respond

1283

00:58:21,950 --> 00:58:19,740

deep down they know some money's going

1284

00:58:23,930 --> 00:58:21,960

on but their bubble of realities the

1285

00:58:25,609 --> 00:58:23,940

news keeps them informed and if the news

1286

00:58:29,390 --> 00:58:25,619

says it's gospel

1287

00:58:31,430 --> 00:58:29,400

that's got to change but in order to let

1288

00:58:34,250 --> 00:58:31,440

people know how they've been lied to

1289

00:58:36,470 --> 00:58:34,260

it's just like what Q said they're

1290

00:58:39,289 --> 00:58:36,480

draining the swamp

1291

00:58:40,910 --> 00:58:39,299

people don't believe that I understand

1292

00:58:44,510 --> 00:58:40,920

why they don't

1293

00:58:47,450 --> 00:58:44,520

but is it healthy hair been a lot and I

1294

00:58:50,510 --> 00:58:47,460

mean a lot of Hollywood people that have

1295

00:58:53,870 --> 00:58:50,520

died by unique circumstances in the last

1296

00:58:57,829 --> 00:58:53,880

six seven years oh man yeah yeah

1297

00:58:59,630 --> 00:58:57,839

absolutely notice notice I've said seven

1298

00:59:02,030 --> 00:58:59,640

years

1299

00:59:03,890 --> 00:59:02,040

Ryan have you noticed this is the

1300

00:59:05,390 --> 00:59:03,900

seventh year of the seven year

1301
00:59:08,630 --> 00:59:05,400
tribulation

1302
00:59:12,530 --> 00:59:08,640
I had not put that together no Rebel

1303
00:59:14,390 --> 00:59:12,540
Revelation 17 17 talks about a plan will

1304
00:59:19,510 --> 00:59:14,400
be put into their minds to carry out

1305
00:59:24,890 --> 00:59:19,520
God's purposes the plan is Q's plan

1306
00:59:26,450 --> 00:59:24,900
they the armies of God are over in the

1307
00:59:28,250 --> 00:59:26,460
Ukraine

1308
00:59:31,430 --> 00:59:28,260
and they're going through the final

1309
00:59:34,069 --> 00:59:31,440
battle between good and evil because the

1310
00:59:37,309 --> 00:59:34,079
Ukraine is less than 1200 miles to

1311
00:59:39,230 --> 00:59:37,319
megida the Holy Land where Armageddon

1312
00:59:42,410 --> 00:59:39,240
takes place do you think they're over

1313
00:59:44,450 --> 00:59:42,420

there by accident no it's not a

1314

00:59:47,329 --> 00:59:44,460

coincidence and they're talking about

1315

00:59:49,370 --> 00:59:47,339

things in the Sudan the Sudan is about

1316

00:59:52,010 --> 00:59:49,380

1100 miles

1317

00:59:54,470 --> 00:59:52,020

from uh

1318

00:59:57,410 --> 00:59:54,480

the uh megida

1319

00:59:58,670 --> 00:59:57,420

all of this is biblical he said it was

1320

01:00:01,010 --> 00:59:58,680

going to be biblical

1321

01:00:02,750 --> 01:00:01,020

you know the humans can only take so

1322

01:00:05,450 --> 01:00:02,760

much so telling them that he was

1323

01:00:08,990 --> 01:00:05,460

Military Intelligence is the truth

1324

01:00:12,230 --> 01:00:09,000

I would not try to tell someone that Q

1325

01:00:13,910 --> 01:00:12,240

is actually the son of God

1326

01:00:15,890 --> 01:00:13,920

they're not going to be able to set that

1327

01:00:18,170 --> 01:00:15,900

because we live in a world to where we

1328

01:00:19,970 --> 01:00:18,180

believe in Jesus we believe in God but

1329

01:00:21,650 --> 01:00:19,980

when Jesus comes back nobody's going to

1330

01:00:23,630 --> 01:00:21,660

believe with him

1331

01:00:25,670 --> 01:00:23,640

because there's so many liars out there

1332

01:00:27,109 --> 01:00:25,680

and we don't know what the man looked

1333

01:00:30,589 --> 01:00:27,119

like when he was walking this Earth

1334

01:00:32,750 --> 01:00:30,599

during Biblical times we don't so we

1335

01:00:36,770 --> 01:00:32,760

would do what we would crucify him again

1336

01:00:40,069 --> 01:00:36,780

in some way not like biblically but we

1337

01:00:41,750 --> 01:00:40,079

would attack him you know people that

1338

01:00:42,530 --> 01:00:41,760

say they believe would attack that

1339

01:00:45,289 --> 01:00:42,540

person

1340

01:00:48,890 --> 01:00:45,299

so it's just like the David Perez thing

1341

01:00:52,490 --> 01:00:48,900

okay we went in there and the FBI went

1342

01:00:54,829 --> 01:00:52,500

in there and knowing

1343

01:00:57,289 --> 01:00:54,839

they knew we were that the government

1344

01:00:59,390 --> 01:00:57,299

was coming the government went anyway

1345

01:01:01,010 --> 01:00:59,400

and all those kids died

1346

01:01:03,410 --> 01:01:01,020

why

1347

01:01:05,390 --> 01:01:03,420

just because somebody claims to be the

1348

01:01:08,089 --> 01:01:05,400

Son of God yeah that was that was rough

1349

01:01:10,789 --> 01:01:08,099

very I think I mean more than a

1350

01:01:13,370 --> 01:01:10,799

miscalculation yeah we don't know what

1351
01:01:16,370 --> 01:01:13,380
was going on behind closed doors but to

1352
01:01:17,390 --> 01:01:16,380
get the people on the side of the

1353
01:01:21,770 --> 01:01:17,400
government

1354
01:01:25,069 --> 01:01:21,780
you tell them there is abuse within that

1355
01:01:27,289 --> 01:01:25,079
cult as they called it and people will

1356
01:01:28,970 --> 01:01:27,299
believe it because that news channels

1357
01:01:29,930 --> 01:01:28,980
telling it to them so they don't believe

1358
01:01:32,210 --> 01:01:29,940
it

1359
01:01:35,270 --> 01:01:32,220
so they're like okay go in and get them

1360
01:01:37,069 --> 01:01:35,280
you know stop hurting those kids but you

1361
01:01:39,829 --> 01:01:37,079
use that to play off of people's

1362
01:01:42,770 --> 01:01:39,839
emotions now why did they really really

1363
01:01:44,510 --> 01:01:42,780

go in there why because they had all

1364

01:01:48,170 --> 01:01:44,520

those guns

1365

01:01:50,569 --> 01:01:48,180

you know if they had them legally

1366

01:01:53,210 --> 01:01:50,579

what's the problem now there's a Lot

1367

01:01:55,010 --> 01:01:53,220

About That We're Not Gonna know do you

1368

01:01:58,190 --> 01:01:55,020

think do you think it was to make a

1369

01:02:00,049 --> 01:01:58,200

point kind of like uh Ruby Ridge just to

1370

01:02:02,450 --> 01:02:00,059

kind of make a draw a line in the sand

1371

01:02:05,270 --> 01:02:02,460

so nobody gets any bright ideas or I've

1372

01:02:08,750 --> 01:02:05,280

wondered about that

1373

01:02:11,450 --> 01:02:08,760

ability but people probably will not see

1374

01:02:13,670 --> 01:02:11,460

that because a lot the public doesn't

1375

01:02:15,829 --> 01:02:13,680

know a lot how to read between the lines

1376

01:02:18,589 --> 01:02:15,839

and if you can read between the lines

1377

01:02:20,510 --> 01:02:18,599

you would see that like you say you can

1378

01:02:22,250 --> 01:02:20,520

do that I can do that us folks here in

1379

01:02:24,109 --> 01:02:22,260

the UFO Community we can do that at

1380

01:02:26,930 --> 01:02:24,119

times

1381

01:02:31,549 --> 01:02:26,940

um but the same is a lot of people they

1382

01:02:35,390 --> 01:02:33,250

um

1383

01:02:37,250 --> 01:02:35,400

can you see just in this short

1384

01:02:40,190 --> 01:02:37,260

conversation how so many things are

1385

01:02:42,950 --> 01:02:40,200

connected man I tell people all the time

1386

01:02:45,109 --> 01:02:42,960

everything's connected and if you make a

1387

01:02:47,270 --> 01:02:45,119

decision to say or do the wrong thing is

1388

01:02:49,490 --> 01:02:47,280

going to affect someone or something in

1389

01:02:52,069 --> 01:02:49,500

the wrong way and it's a domino effect

1390

01:02:54,470 --> 01:02:52,079

and it's going to happen but I posted

1391

01:02:57,589 --> 01:02:54,480

something this morning about words can

1392

01:03:01,010 --> 01:02:57,599

give life or words can give death

1393

01:03:03,410 --> 01:03:01,020

basically when you speak good things

1394

01:03:05,150 --> 01:03:03,420

that's positivity that's given like but

1395

01:03:08,270 --> 01:03:05,160

when you're speaking evil and mean

1396

01:03:10,010 --> 01:03:08,280

things that's yes you know

1397

01:03:11,690 --> 01:03:10,020

you know I'm not going to get into my

1398

01:03:15,950 --> 01:03:11,700

person with all that much but I grew up

1399

01:03:19,130 --> 01:03:15,960

around a lot of verbal hatred verbal

1400

01:03:20,630 --> 01:03:19,140

hateful verbal slurs that child should

1401

01:03:23,030 --> 01:03:20,640

not hear every day of the childhood

1402

01:03:25,190 --> 01:03:23,040

emergency say it like that yeah and

1403

01:03:28,549 --> 01:03:25,200

that's that's affected me in my adult

1404

01:03:30,049 --> 01:03:28,559

life so I I realize the reason that that

1405

01:03:32,569 --> 01:03:30,059

happened is because I was so different

1406

01:03:34,250 --> 01:03:32,579

but I know why I'm Different I didn't go

1407

01:03:36,829 --> 01:03:34,260

with the crowd

1408

01:03:41,150 --> 01:03:36,839

I made up my own mind not to be a big or

1409

01:03:43,069 --> 01:03:41,160

a racist I can't say I'm so I'll get to

1410

01:03:45,650 --> 01:03:43,079

see that as a child but I knew it was

1411

01:03:48,710 --> 01:03:45,660

wrong so I was like nope but the reason

1412

01:03:51,230 --> 01:03:48,720

the power suggested peer pressure didn't

1413

01:03:54,470 --> 01:03:51,240

affect me evidently because I'm a food

1414

01:03:56,150 --> 01:03:54,480

I'm a starseed star seeds are not they

1415

01:03:57,890 --> 01:03:56,160

do their own thinking

1416

01:04:00,650 --> 01:03:57,900

no matter what the situation they're

1417

01:04:04,250 --> 01:04:00,660

going to do their own thinking and

1418

01:04:06,589 --> 01:04:04,260

going back to that when I first saw the

1419

01:04:09,349 --> 01:04:06,599

zipruder film when I was in the fourth

1420

01:04:11,690 --> 01:04:09,359

grade I was nine years old our teacher

1421

01:04:14,030 --> 01:04:11,700

explained to us about the parade that's

1422

01:04:17,150 --> 01:04:14,040

what she called it going through Dallas

1423

01:04:19,549 --> 01:04:17,160

and where the president's car was and

1424

01:04:21,770 --> 01:04:19,559

where the shooter was and all this well

1425

01:04:24,530 --> 01:04:21,780

we're told this before we watch a film

1426

01:04:26,030 --> 01:04:24,540

trip now the rest of the kids watch the

1427

01:04:27,710 --> 01:04:26,040

film script and in this little film

1428

01:04:32,870 --> 01:04:27,720

script was it's the fruit of film

1429

01:04:34,970 --> 01:04:32,880

headshot Okay so I know what I saw but

1430

01:04:36,829 --> 01:04:34,980

the rest of the kids saw president came

1431

01:04:38,289 --> 01:04:36,839

to get shot from the back I saw him get

1432

01:04:42,130 --> 01:04:38,299

shot from the front

1433

01:04:44,809 --> 01:04:42,140

I did not know anything like

1434

01:04:46,370 --> 01:04:44,819

conspiracies or Jimmy Garrison I didn't

1435

01:04:49,609 --> 01:04:46,380

know any of those tournaments when I was

1436

01:04:51,530 --> 01:04:49,619

nine years old but I know what a song

1437

01:04:54,950 --> 01:04:51,540

and so when I talked to my teacher about

1438

01:04:57,349 --> 01:04:54,960

it she basically pulled me to the side

1439

01:04:59,210 --> 01:04:57,359

and this was kind of kind of Brave of

1440

01:05:01,010 --> 01:04:59,220

her to say at the time because I could

1441

01:05:03,109 --> 01:05:01,020

have went around my mouth about things

1442

01:05:04,970 --> 01:05:03,119

but and I think that's another reason

1443

01:05:07,010 --> 01:05:04,980

I'm a seed I'm not I don't have to

1444

01:05:09,530 --> 01:05:07,020

gossip like most people do but that's a

1445

01:05:10,609 --> 01:05:09,540

different different uh subject matter

1446

01:05:12,589 --> 01:05:10,619

but

1447

01:05:14,809 --> 01:05:12,599

she told me she said you know I agree

1448

01:05:17,030 --> 01:05:14,819

with you my husband would agree with you

1449

01:05:18,650 --> 01:05:17,040

but I have to teach what's in the book

1450

01:05:20,510 --> 01:05:18,660

now this woman said this to me in the

1451

01:05:23,930 --> 01:05:20,520

hallway and I was fourth grade nine

1452

01:05:26,210 --> 01:05:23,940

years old that was kind of bold of her

1453

01:05:27,770 --> 01:05:26,220

to do that not knowing if I'd repeat the

1454

01:05:30,589 --> 01:05:27,780

fact that she said it because it will be

1455

01:05:32,030 --> 01:05:30,599

taken like she's knocking the curriculum

1456

01:05:34,370 --> 01:05:32,040

you know and she'd get in trouble

1457

01:05:36,230 --> 01:05:34,380

obviously but I was never pressured to

1458

01:05:38,329 --> 01:05:36,240

do that I was just I was more confused

1459

01:05:39,770 --> 01:05:38,339

on why I saw what I saw on the rest of

1460

01:05:42,950 --> 01:05:39,780

the kids didn't and they were in their

1461

01:05:46,730 --> 01:05:42,960

room with me but it's because I'm a seed

1462

01:05:48,950 --> 01:05:46,740

I know now why that happened like that

1463

01:05:51,890 --> 01:05:48,960

all of these things that happened to me

1464

01:05:54,170 --> 01:05:51,900

as a kid like that were being done so

1465

01:05:57,470 --> 01:05:54,180

that for the work I'm doing now

1466

01:05:59,690 --> 01:05:57,480

you know the UFO Community you know

1467

01:06:00,770 --> 01:05:59,700

people would just cut their News Channel

1468

01:06:03,650 --> 01:06:00,780

off

1469

01:06:06,109 --> 01:06:03,660

and listen to some of the things we say

1470

01:06:08,870 --> 01:06:06,119

and tell themselves hey I want to be

1471

01:06:11,150 --> 01:06:08,880

more open-minded not so much that my

1472

01:06:12,109 --> 01:06:11,160

brains fall out but that I learned

1473

01:06:14,870 --> 01:06:12,119

something

1474

01:06:18,170 --> 01:06:14,880

because if you watch the 24-hour media

1475

01:06:20,990 --> 01:06:18,180

networks they're saying the same crap

1476

01:06:23,410 --> 01:06:21,000

over and over by different people and if

1477

01:06:25,789 --> 01:06:23,420

it's all controlled meaning mostly live

1478

01:06:28,069 --> 01:06:25,799

you're hearing this lie over and over

1479

01:06:29,930 --> 01:06:28,079

and over and it's like an MK Ultra

1480

01:06:32,089 --> 01:06:29,940

exercise the more you tell the people

1481

01:06:34,069 --> 01:06:32,099

the more they don't believe it the

1482

01:06:36,529 --> 01:06:34,079

bigger the LIE the more the people will

1483

01:06:38,329 --> 01:06:36,539

believe it I hate to say this but Hitler

1484

01:06:40,069 --> 01:06:38,339

said that yeah it's a true statement

1485

01:06:41,710 --> 01:06:40,079

it's a true statement even though he was

1486

01:06:44,510 --> 01:06:41,720

an evil person it's a true statement

1487

01:06:47,990 --> 01:06:44,520

that if you put it on the news and you

1488

01:06:50,750 --> 01:06:48,000

say it enough that creates a lie that's

1489

01:06:52,970 --> 01:06:50,760

big enough that anybody will say well

1490

01:06:56,089 --> 01:06:52,980

that's got to be true instead of

1491

01:06:58,609 --> 01:06:56,099

thinking about it and questioning and

1492

01:07:01,490 --> 01:06:58,619

all right like Jeffrey Einstein I think

1493

01:07:03,589 --> 01:07:01,500

we talked about this once when he

1494

01:07:05,270 --> 01:07:03,599

allegedly dies in a prison and there's

1495

01:07:07,430 --> 01:07:05,280

Miss photographs of a dead body in a

1496

01:07:08,990 --> 01:07:07,440

prison read between the lines they're

1497

01:07:10,970 --> 01:07:09,000

trying to say the name of the dead I'm

1498

01:07:12,710 --> 01:07:10,980

so with you on this one especially with

1499

01:07:15,230 --> 01:07:12,720

the recent stuff that's come out about

1500

01:07:17,809 --> 01:07:15,240

him talking to the CIA director and all

1501
01:07:20,930 --> 01:07:17,819
these other high-end I'm so with you on

1502
01:07:24,230 --> 01:07:20,940
the Epstein thing but yeah sorry to

1503
01:07:28,789 --> 01:07:24,240
derail yeah I'm when people so easily

1504
01:07:31,069 --> 01:07:28,799
believe that a billionaire is in a Cell

1505
01:07:32,809 --> 01:07:31,079
without cameras on him and that all

1506
01:07:36,230 --> 01:07:32,819
these things take place

1507
01:07:39,770 --> 01:07:36,240
I find it very very

1508
01:07:42,410 --> 01:07:39,780
shady I mean this is a guy that had he

1509
01:07:45,950 --> 01:07:42,420
he had an official passport from Saudi

1510
01:07:47,990 --> 01:07:45,960
Arabia issued by Saudi Arabia it was the

1511
01:07:50,329 --> 01:07:48,000
real deal and people don't know how he

1512
01:07:52,609 --> 01:07:50,339
got it well these are what you get in

1513
01:07:55,250 --> 01:07:52,619

intelligent circles and

1514

01:07:56,890 --> 01:07:55,260

you know if you can pull that off

1515

01:08:00,349 --> 01:07:56,900

I mean just imagine

1516

01:08:02,510 --> 01:08:00,359

there was a nurse who reached out to a

1517

01:08:06,289 --> 01:08:02,520

friend of mine who was working

1518

01:08:09,230 --> 01:08:06,299

uh a prison nurse who was working at

1519

01:08:12,109 --> 01:08:09,240

that facility and

1520

01:08:14,690 --> 01:08:12,119

basically my friend was told that there

1521

01:08:16,490 --> 01:08:14,700

was a lot of movement and activity and

1522

01:08:19,849 --> 01:08:16,500

things going on before he was quote

1523

01:08:22,309 --> 01:08:19,859

unquote pronounced dead and that means

1524

01:08:24,829 --> 01:08:22,319

Vans coming and going

1525

01:08:26,930 --> 01:08:24,839

but yet when you listen to the media it

1526

01:08:29,150 --> 01:08:26,940

sounds like oh the guards were just

1527

01:08:33,349 --> 01:08:29,160

asleep on the job they walked in he was

1528

01:08:35,510 --> 01:08:33,359

done it's it's very yeah the whole thing

1529

01:08:38,749 --> 01:08:35,520

about that when you tell the public that

1530

01:08:42,709 --> 01:08:38,759

all of these faux pas happen

1531

01:08:45,709 --> 01:08:42,719

none of in a normal situation with the

1532

01:08:48,410 --> 01:08:45,719

training that the prison staff is given

1533

01:08:51,050 --> 01:08:48,420

before they're put on schedule

1534

01:08:53,269 --> 01:08:51,060

they're not going to forget to take

1535

01:08:56,570 --> 01:08:53,279

photographs of a dead body or video

1536

01:08:58,970 --> 01:08:56,580

they're not going to forget hey this

1537

01:09:02,510 --> 01:08:58,980

person is on suicide watch let's give

1538

01:09:07,010 --> 01:09:02,520

him four sets of linen in here they are

1539

01:09:11,809 --> 01:09:07,020

doing that to see who is really paying

1540

01:09:15,349 --> 01:09:11,819

attention and questioning the narrative

1541

01:09:17,689 --> 01:09:15,359

when I saw that that's what told me that

1542

01:09:19,550 --> 01:09:17,699

the Q Anon movement is also about

1543

01:09:21,709 --> 01:09:19,560

questioning things that's never been

1544

01:09:25,189 --> 01:09:21,719

done before there's never been a

1545

01:09:28,249 --> 01:09:25,199

movement in this on this planet that has

1546

01:09:31,249 --> 01:09:28,259

happened that is promoting people to

1547

01:09:34,610 --> 01:09:31,259

question things now the people that

1548

01:09:36,470 --> 01:09:34,620

believe in the news media okay they

1549

01:09:38,630 --> 01:09:36,480

don't know how to question things I'm

1550

01:09:41,510 --> 01:09:38,640

convinced now

1551
01:09:43,669 --> 01:09:41,520
that's bad enough what's even worse is

1552
01:09:46,970 --> 01:09:43,679
when they don't care about learning

1553
01:09:49,510 --> 01:09:46,980
that's even worse because those are the

1554
01:09:52,370 --> 01:09:49,520
types of individuals that the Deep State

1555
01:09:54,950 --> 01:09:52,380
loved they love people like that because

1556
01:09:56,810 --> 01:09:54,960
they can do anything they wanted no one

1557
01:09:59,330 --> 01:09:56,820
will question anything and they could

1558
01:10:02,209 --> 01:09:59,340
rob a blind right in front of their eyes

1559
01:10:04,610 --> 01:10:02,219
then that's the kind of individuals that

1560
01:10:05,990 --> 01:10:04,620
are on planet earth mostly and I've got

1561
01:10:08,150 --> 01:10:06,000
to say here in the States because I've

1562
01:10:10,910 --> 01:10:08,160
never been out of the states but I hear

1563
01:10:14,209 --> 01:10:10,920

the things the people say they're

1564

01:10:17,209 --> 01:10:14,219

believing the official word a lot of

1565

01:10:19,610 --> 01:10:17,219

times people do not want to admit that

1566

01:10:22,310 --> 01:10:19,620

but the way they talk and some of the

1567

01:10:24,530 --> 01:10:22,320

things they say you know that's what

1568

01:10:26,450 --> 01:10:24,540

they're doing because if it's like in

1569

01:10:29,090 --> 01:10:26,460

our in our research when we say the term

1570

01:10:31,130 --> 01:10:29,100

UFO how many times do you say UFO and

1571

01:10:33,229 --> 01:10:31,140

someone around they start up snickering

1572

01:10:34,970 --> 01:10:33,239

and laughing because through their head

1573

01:10:36,590 --> 01:10:34,980

went extraterrestrial

1574

01:10:38,030 --> 01:10:36,600

and you didn't say that but that's

1575

01:10:42,530 --> 01:10:38,040

what's in their mind because they've

1576

01:10:46,130 --> 01:10:42,540

been programmed to assume UFO mean VT

1577

01:10:47,689 --> 01:10:46,140

there's no e or a in UFO people don't

1578

01:10:49,370 --> 01:10:47,699

like them though they've been programmed

1579

01:10:51,470 --> 01:10:49,380

and don't even know it they take offense

1580

01:10:53,090 --> 01:10:51,480

to it because they think they know a lot

1581

01:10:55,090 --> 01:10:53,100

they think they know what humans think

1582

01:10:58,669 --> 01:10:55,100

they know everything and they don't

1583

01:11:00,830 --> 01:10:58,679

but that's why that happens it's called

1584

01:11:03,410 --> 01:11:00,840

programming through the media every time

1585

01:11:04,790 --> 01:11:03,420

you do a UFO story in the media and

1586

01:11:06,050 --> 01:11:04,800

you're gonna see something about aliens

1587

01:11:07,550 --> 01:11:06,060

something about the X-Files and

1588

01:11:09,950 --> 01:11:07,560

something about the Troopers out there

1589

01:11:12,050 --> 01:11:09,960

well that touches on Hollywood that

1590

01:11:14,030 --> 01:11:12,060

lessons its credibility that's how you

1591

01:11:16,490 --> 01:11:14,040

suppress it

1592

01:11:20,209 --> 01:11:16,500

sound familiar oh yeah and that's

1593

01:11:22,510 --> 01:11:20,219

exactly you know the X-Files did so much

1594

01:11:24,890 --> 01:11:22,520

to kind of

1595

01:11:27,290 --> 01:11:24,900

explain that it doesn't matter what

1596

01:11:29,390 --> 01:11:27,300

position somebody's in with Fox Mulder

1597

01:11:33,290 --> 01:11:29,400

if they believe in that that's cute but

1598

01:11:35,630 --> 01:11:33,300

they're crazy and you know it it yeah it

1599

01:11:37,970 --> 01:11:35,640

at the same time was a blanket

1600

01:11:40,250 --> 01:11:37,980

operation where it opened everybody's

1601

01:11:43,390 --> 01:11:40,260

mind to the idea but it also just kind

1602

01:11:45,590 --> 01:11:43,400

of you know people can be cool and cute

1603

01:11:48,530 --> 01:11:45,600

and yet you don't have to take them

1604

01:11:50,689 --> 01:11:48,540

seriously it I find it so interesting

1605

01:11:54,590 --> 01:11:50,699

that this is seen over and over again

1606

01:11:58,930 --> 01:11:54,600

and I find it's I find it's coming to a

1607

01:12:05,030 --> 01:12:01,790

it's coming to a head it seems like a

1608

01:12:07,729 --> 01:12:05,040

lot of these Revelations to use a

1609

01:12:09,709 --> 01:12:07,739

strange term uh you know even when you

1610

01:12:12,229 --> 01:12:09,719

see the high brass of some military

1611

01:12:16,490 --> 01:12:12,239

organizations which are not supposed to

1612

01:12:19,550 --> 01:12:16,500

show any fear or even interest in this

1613

01:12:23,030 --> 01:12:19,560

topic and they're starting to get a

1614

01:12:25,669 --> 01:12:23,040

little bit itchy and and and worried

1615

01:12:28,669 --> 01:12:25,679

I've been studying and researching this

1616

01:12:31,390 --> 01:12:28,679

recent uh UFO that was over Vegas and

1617

01:12:34,970 --> 01:12:31,400

talking to the people that filmed it

1618

01:12:37,010 --> 01:12:34,980

and you know it's interesting that

1619

01:12:41,450 --> 01:12:37,020

sources from Nellis want nothing to do

1620

01:12:43,729 --> 01:12:41,460

with it uh sources from Creech have told

1621

01:12:45,470 --> 01:12:43,739

me that it might be something having to

1622

01:12:48,649 --> 01:12:45,480

do with what they were doing but the

1623

01:12:50,750 --> 01:12:48,659

bottom line is this stuff is manifesting

1624

01:12:52,189 --> 01:12:50,760

and disappearing in ways that our

1625

01:12:55,490 --> 01:12:52,199

technology

1626

01:12:59,750 --> 01:12:55,500

we believe is not able to

1627

01:13:02,810 --> 01:12:59,760

produce or mimic and I think it's

1628

01:13:05,510 --> 01:13:02,820

interesting because you know I was just

1629

01:13:09,169 --> 01:13:05,520

talking with somebody uh last night

1630

01:13:12,229 --> 01:13:09,179

about this how possibly the scariest

1631

01:13:14,030 --> 01:13:12,239

thing is that these things have been

1632

01:13:16,250 --> 01:13:14,040

around for Millennia and they've always

1633

01:13:18,590 --> 01:13:16,260

done the same thing they've always just

1634

01:13:20,450 --> 01:13:18,600

kind of been watching they're they just

1635

01:13:22,790 --> 01:13:20,460

they're there and then they're not there

1636

01:13:25,070 --> 01:13:22,800

and and that that's almost scarier

1637

01:13:26,330 --> 01:13:25,080

because you don't know what they're

1638

01:13:29,570 --> 01:13:26,340

doing

1639

01:13:32,270 --> 01:13:29,580

right that's true but we but you and I

1640

01:13:36,530 --> 01:13:32,280

for example as people in our individual

1641

01:13:38,330 --> 01:13:36,540

communities we are not behind the veil

1642

01:13:40,850 --> 01:13:38,340

of secrecy we're on the outside looking

1643

01:13:43,550 --> 01:13:40,860

in now saying that

1644

01:13:44,930 --> 01:13:43,560

if you are aware of project pulsar and

1645

01:13:46,130 --> 01:13:44,940

if you're aware of the Blue Planet

1646

01:13:49,490 --> 01:13:46,140

Project

1647

01:13:52,490 --> 01:13:49,500

both of those projects those files are

1648

01:13:55,149 --> 01:13:52,500

they mimic each other talking about what

1649

01:13:58,189 --> 01:13:55,159

the government knows about ET and ET

1650

01:14:02,090 --> 01:13:58,199

letters and technology and things of

1651
01:14:05,510 --> 01:14:02,100
that nature means whenever Ike made that

1652
01:14:09,590 --> 01:14:05,520
deal we were given a lot of information

1653
01:14:12,050 --> 01:14:09,600
we know when I say we I mean humans in

1654
01:14:13,490 --> 01:14:12,060
the right position in the military you

1655
01:14:15,830 --> 01:14:13,500
know a hell of a lot more than the

1656
01:14:18,590 --> 01:14:15,840
public does about this reality but you

1657
01:14:20,209 --> 01:14:18,600
cannot explain it to them until you get

1658
01:14:22,490 --> 01:14:20,219
them to a point to where they're ready

1659
01:14:25,130 --> 01:14:22,500
to accept the fact that the et's are

1660
01:14:26,450 --> 01:14:25,140
real now when that happens if you can

1661
01:14:30,050 --> 01:14:26,460
ever get that

1662
01:14:32,390 --> 01:14:30,060
you're gonna have to then slowly explain

1663
01:14:35,450 --> 01:14:32,400

these things this is like back

1664

01:14:37,310 --> 01:14:35,460
engineering the technology if it's

1665

01:14:39,649 --> 01:14:37,320
thousands of years in advance we can't

1666

01:14:42,169 --> 01:14:39,659
back Engineers nothing we're privileged

1667

01:14:46,070 --> 01:14:42,179
but the owners of that technology can

1668

01:14:48,590 --> 01:14:46,080
help us graduate to that point so that

1669

01:14:51,890 --> 01:14:48,600
we can do that and then we can create

1670

01:14:54,470 --> 01:14:51,900
our own version the Tic Tac UFO that the

1671

01:14:56,110 --> 01:14:54,480
Navy pilot saw you know what that was

1672

01:14:59,390 --> 01:14:56,120
don't you

1673

01:15:01,130 --> 01:14:59,400
it sure seemed a lot like uh the stuff

1674

01:15:04,010 --> 01:15:01,140
that was on the news that was

1675

01:15:06,110 --> 01:15:04,020
crystalline in nature but uh I I I can't

1676

01:15:07,070 --> 01:15:06,120

I have my I have my inklings what are

1677

01:15:10,010 --> 01:15:07,080

your thoughts

1678

01:15:12,590 --> 01:15:10,020

oh what well it's technology those

1679

01:15:14,510 --> 01:15:12,600

little white Tic Tac chips are the Scout

1680

01:15:16,970 --> 01:15:14,520

kits for the tall white nordics that

1681

01:15:18,890 --> 01:15:16,980

live at Nellis Air Force Base now what

1682

01:15:20,990 --> 01:15:18,900

the pilots actually saw could have been

1683

01:15:24,649 --> 01:15:21,000

our version of that

1684

01:15:27,830 --> 01:15:24,659

okay but that's what that is their Tic

1685

01:15:29,750 --> 01:15:27,840

Tac uh little UFOs or Scout ships you

1686

01:15:31,610 --> 01:15:29,760

want to call them belong to the tall

1687

01:15:33,290 --> 01:15:31,620

whites they've been living out at Nellis

1688

01:15:35,630 --> 01:15:33,300

Air Force Base that's why Nellis don't

1689

01:15:39,050 --> 01:15:35,640

want nothing to do with it in a mountain

1690

01:15:40,970 --> 01:15:39,060

range on Google Earth on Google Earth I

1691

01:15:43,189 --> 01:15:40,980

was working at Nellis one day and I

1692

01:15:46,790 --> 01:15:43,199

found two light shifts on Google Earth

1693

01:15:50,090 --> 01:15:46,800

over a mountain range over uh that's on

1694

01:15:52,130 --> 01:15:50,100

the Nellis Air Force Base property two

1695

01:15:56,090 --> 01:15:52,140

light ships now

1696

01:15:58,250 --> 01:15:56,100

if you look at the Q fire logo that you

1697

01:16:01,250 --> 01:15:58,260

can find online

1698

01:16:03,530 --> 01:16:01,260

there are five different clues about how

1699

01:16:05,870 --> 01:16:03,540

I say everything's connected the

1700

01:16:08,209 --> 01:16:05,880

Galactic Federation light ships the

1701

01:16:10,669 --> 01:16:08,219

Angels there's five different

1702

01:16:12,950 --> 01:16:10,679

Clues within that one little

1703

01:16:15,830 --> 01:16:12,960

fire Q

1704

01:16:17,930 --> 01:16:15,840

that I've picked up on it's the Jesus

1705

01:16:20,930 --> 01:16:17,940

fish there's the Archangel there's light

1706

01:16:24,350 --> 01:16:20,940

ship and then the fire itself is the

1707

01:16:27,709 --> 01:16:24,360

Archangel uriel's light

1708

01:16:31,130 --> 01:16:27,719

all that's connected people have no idea

1709

01:16:34,070 --> 01:16:31,140

how all this stuff is connected now with

1710

01:16:36,709 --> 01:16:34,080

the with the Georgia Guidestones I know

1711

01:16:38,750 --> 01:16:36,719

you've seen the video where that light

1712

01:16:41,090 --> 01:16:38,760

if you look at you're looking at the

1713

01:16:43,790 --> 01:16:41,100

video in the upper left corner there's

1714

01:16:46,729 --> 01:16:43,800

that strange ball of Fire

1715

01:16:49,430 --> 01:16:46,739

and then it gets brighter and then the

1716

01:16:52,610 --> 01:16:49,440

explosion hits to the Guidestones and

1717

01:16:54,950 --> 01:16:52,620

then it goes back to the to the uh

1718

01:16:55,970 --> 01:16:54,960

the same brightness before it got

1719

01:16:57,410 --> 01:16:55,980

brighter

1720

01:17:00,050 --> 01:16:57,420

now

1721

01:17:02,390 --> 01:17:00,060

that's not something some hit from

1722

01:17:04,070 --> 01:17:02,400

Georgia did and then the wee hours of

1723

01:17:06,790 --> 01:17:04,080

the morning because they were born okay

1724

01:17:10,310 --> 01:17:06,800

that's not vandalism by human that is

1725

01:17:13,490 --> 01:17:10,320

God telling Uriel the Archangel you know

1726

01:17:16,610 --> 01:17:13,500

what to do go do it and he did it

1727

01:17:19,010 --> 01:17:16,620

that was heaven sent that had nothing to

1728

01:17:20,870 --> 01:17:19,020

do with people just bored at four

1729

01:17:23,630 --> 01:17:20,880

o'clock in the morning

1730

01:17:26,410 --> 01:17:23,640

I'm just saying that all of this is

1731

01:17:30,410 --> 01:17:26,420

biblical it all ties into what Q said

1732

01:17:32,689 --> 01:17:30,420

it's going to be biblical

1733

01:17:34,189 --> 01:17:32,699

but the Georgia Guidestones were

1734

01:17:35,990 --> 01:17:34,199

basically satanic because they're

1735

01:17:37,790 --> 01:17:36,000

winning against everything the Bible all

1736

01:17:40,370 --> 01:17:37,800

of God's word it went against God's

1737

01:17:42,770 --> 01:17:40,380

words God says be fruitful and multiply

1738

01:17:43,970 --> 01:17:42,780

it's saying oh you can only have so many

1739

01:17:45,649 --> 01:17:43,980

people in the world

1740

01:17:48,590 --> 01:17:45,659

well what you gonna do Kill Them All

1741

01:17:51,350 --> 01:17:48,600

okay it's satanic so God took care of

1742

01:17:54,169 --> 01:17:51,360

that that's draining the swamp and

1743

01:17:55,430 --> 01:17:54,179

taking that into consideration with

1744

01:17:59,330 --> 01:17:55,440

Donald Trump

1745

01:18:01,910 --> 01:17:59,340

had his uh inauguration speech at the

1746

01:18:04,250 --> 01:18:01,920

very very end

1747

01:18:07,790 --> 01:18:04,260

he talked about the final battle of

1748

01:18:10,850 --> 01:18:07,800

Armageddon he said we will

1749

01:18:13,910 --> 01:18:10,860

uh I'm paraphrasing his words here but

1750

01:18:16,310 --> 01:18:13,920

we're going to make uh connections with

1751

01:18:19,130 --> 01:18:16,320

old friends and then make new ones

1752

01:18:21,470 --> 01:18:19,140

meaning the United States was going to

1753

01:18:24,470 --> 01:18:21,480

be working with countries to defeat the

1754

01:18:27,169 --> 01:18:24,480

Beast in the final battle

1755

01:18:29,570 --> 01:18:27,179

I said that I put that under my seven

1756

01:18:31,310 --> 01:18:29,580

year tribulation post I think I've

1757

01:18:33,890 --> 01:18:31,320

shared that with you but if not all we

1758

01:18:37,910 --> 01:18:33,900

do that I explained how this is the

1759

01:18:40,970 --> 01:18:37,920

seven year tribulation because kovid was

1760

01:18:43,550 --> 01:18:40,980

our in the public our final battle

1761

01:18:45,350 --> 01:18:43,560

for people like me is having a final

1762

01:18:46,970 --> 01:18:45,360

battle against human ignorance because

1763

01:18:49,790 --> 01:18:46,980

that's what the seeds are trying to do

1764

01:18:54,229 --> 01:18:49,800

is raise me since another planet whereas

1765

01:18:56,390 --> 01:18:54,239

folks in the Usa Community are trying to

1766

01:18:59,090 --> 01:18:56,400

show people how everything that's

1767

01:19:00,830 --> 01:18:59,100

happening with the UFO sightings there's

1768

01:19:02,090 --> 01:19:00,840

more to it than what their people are

1769

01:19:04,790 --> 01:19:02,100

being told but they don't want to

1770

01:19:06,229 --> 01:19:04,800

believe it that's the UFO canoes final

1771

01:19:11,630 --> 01:19:06,239

battle

1772

01:19:13,669 --> 01:19:11,640

armies against the Beast the Bible tells

1773

01:19:15,530 --> 01:19:13,679

us we will not see it it will happen but

1774

01:19:17,209 --> 01:19:15,540

we will not see that I think it's kind

1775

01:19:20,330 --> 01:19:17,219

of unique there in the Ukraine right now

1776

01:19:21,709 --> 01:19:20,340

right around the corner from McGee I

1777

01:19:27,110 --> 01:19:21,719

guess that's I guess that's a

1778

01:19:29,810 --> 01:19:27,120

coincidence right no no it's not but

1779

01:19:32,689 --> 01:19:29,820

how many times do we hear about

1780

01:19:34,490 --> 01:19:32,699

in the Bible Jesus laying hands on the

1781

01:19:38,030 --> 01:19:34,500

sick and healing them

1782

01:19:41,149 --> 01:19:38,040

people witness it and don't believe it

1783

01:19:44,030 --> 01:19:41,159

but after Jesus was crucified and rose

1784

01:19:46,610 --> 01:19:44,040

from the dead then everybody believed

1785

01:19:48,590 --> 01:19:46,620

they were like oh my goodness

1786

01:19:49,310 --> 01:19:48,600

it's too late then you know what I'm

1787

01:19:52,669 --> 01:19:49,320

saying

1788

01:19:55,669 --> 01:19:52,679

he he ascends into heaven

1789

01:19:58,250 --> 01:19:55,679

so it's the same scenario people are not

1790

01:20:00,590 --> 01:19:58,260

going to believe you and I but a

1791

01:20:03,530 --> 01:20:00,600

multitude of people on the same page

1792

01:20:05,870 --> 01:20:03,540

might get the non-believers to believe

1793

01:20:07,669 --> 01:20:05,880

something now here on Earth you've got

1794

01:20:09,890 --> 01:20:07,679

humans trying to go over each other

1795

01:20:14,570 --> 01:20:09,900

because everybody's got an ego that's

1796

01:20:20,330 --> 01:20:16,910

because nobody has all the answers we

1797

01:20:24,290 --> 01:20:20,340

have ideas that could lead to realities

1798

01:20:26,689 --> 01:20:24,300

but if we shoot down someone's idea

1799

01:20:29,510 --> 01:20:26,699

we're working against ourselves but

1800

01:20:31,310 --> 01:20:29,520

who's doing that the devil the devil's

1801

01:20:34,430 --> 01:20:31,320

number one uh

1802

01:20:35,930 --> 01:20:34,440

goal is to divide God's Church God's

1803

01:20:37,250 --> 01:20:35,940

church is the people and I'm not trying

1804

01:20:39,729 --> 01:20:37,260

to be religious here but that's

1805

01:20:42,830 --> 01:20:39,739

basically what's going on in this world

1806

01:20:43,910 --> 01:20:42,840

and now the seven year tribulation we're

1807

01:20:46,430 --> 01:20:43,920

about to

1808

01:20:48,770 --> 01:20:46,440

send the Beast back to that's the Bible

1809

01:20:50,990 --> 01:20:48,780

tells us back to the Lake of Fire for a

1810

01:20:53,209 --> 01:20:51,000

thousand years of Peace because this is

1811

01:20:55,130 --> 01:20:53,219

the seven year situation but it's

1812

01:20:57,110 --> 01:20:55,140

amazing that someone like me noticed

1813

01:20:58,970 --> 01:20:57,120

this but not people to go to church

1814

01:21:00,350 --> 01:20:58,980

every Sunday because I've asked people

1815

01:21:01,490 --> 01:21:00,360

to go to church every Sunday have you

1816

01:21:06,250 --> 01:21:01,500

noticed anything about the last seven

1817

01:21:12,050 --> 01:21:09,169

well I want people to understand

1818

01:21:15,110 --> 01:21:12,060

that everything in this world is

1819

01:21:17,270 --> 01:21:15,120

connected okay

1820

01:21:19,610 --> 01:21:17,280

there was a situation that I had to

1821

01:21:21,890 --> 01:21:19,620

experience a few weeks ago that I think

1822

01:21:25,970 --> 01:21:21,900

proved it to a group of people

1823

01:21:28,010 --> 01:21:25,980

because this particular company had a

1824

01:21:31,729 --> 01:21:28,020

had a an owner

1825

01:21:34,610 --> 01:21:31,739

did not understand that I guess and one

1826

01:21:36,229 --> 01:21:34,620

thing that they did was ask some

1827

01:21:38,990 --> 01:21:36,239

employees to do things that were very

1828

01:21:42,050 --> 01:21:39,000

unsafe that everyone else understood was

1829

01:21:44,870 --> 01:21:42,060

unsafe but he hadn't had it that way now

1830

01:21:46,610 --> 01:21:44,880

here's what happens you want that to

1831

01:21:49,490 --> 01:21:46,620

happen you want someone to do something

1832

01:21:51,890 --> 01:21:49,500

unsafe and they do it because they don't

1833

01:21:54,470 --> 01:21:51,900

want to be in trouble that's going to

1834

01:21:57,050 --> 01:21:54,480

drive a wedge between that owner and

1835

01:22:00,229 --> 01:21:57,060

that employee okay

1836

01:22:02,930 --> 01:22:00,239

and I saw it coming

1837

01:22:07,370 --> 01:22:02,940

and and I hate it when this happens but

1838

01:22:09,770 --> 01:22:07,380

that's just nature of who I am I saw two

1839

01:22:12,649 --> 01:22:09,780

people resign from that company before

1840

01:22:14,510 --> 01:22:12,659

it even happened I did not know they

1841

01:22:17,209 --> 01:22:14,520

were going to do it so quick

1842

01:22:20,330 --> 01:22:17,219

you know one and then a day in between

1843

01:22:24,050 --> 01:22:20,340

then the other one but it's because of

1844

01:22:26,630 --> 01:22:24,060

the track record of not thinking and

1845

01:22:29,510 --> 01:22:26,640

making the very best decision and it

1846

01:22:31,189 --> 01:22:29,520

controls your morale with your staff and

1847

01:22:33,229 --> 01:22:31,199

if you have no staff who's going to do

1848

01:22:35,330 --> 01:22:33,239

the work see how just that little bit's

1849

01:22:37,310 --> 01:22:35,340

connected and if you don't start out

1850

01:22:41,090 --> 01:22:37,320

thinking before you speak

1851

01:22:42,590 --> 01:22:41,100

it's a domino effect of problems you

1852

01:22:45,110 --> 01:22:42,600

just don't see it until they've all

1853

01:22:46,669 --> 01:22:45,120

happened and what did the human say well

1854

01:22:49,610 --> 01:22:46,679

how did this happen

1855

01:22:52,130 --> 01:22:49,620

that's a prime example of Ascension on

1856

01:22:54,410 --> 01:22:52,140

Earth is crucial and that's what the

1857

01:22:57,470 --> 01:22:54,420

star seeds are here to do to show people

1858

01:23:00,709 --> 01:22:57,480

things like that so that they see it

1859

01:23:02,689 --> 01:23:00,719

hopefully and then that will engage

1860

01:23:05,750 --> 01:23:02,699

conversations between them and other

1861

01:23:07,550 --> 01:23:05,760

people to try to help their Ascension

1862

01:23:09,350 --> 01:23:07,560

because once your Ascension level starts

1863

01:23:11,390 --> 01:23:09,360

to rise and you see it

1864

01:23:12,950 --> 01:23:11,400

It Ain't No Stopping it you start to see

1865

01:23:14,930 --> 01:23:12,960

things you don't even want to see but

1866

01:23:18,110 --> 01:23:14,940

they're there you deal with it and a lot

1867

01:23:20,390 --> 01:23:18,120

of times it makes life harder for for

1868

01:23:22,850 --> 01:23:20,400

people like me because you're in a world

1869

01:23:26,450 --> 01:23:22,860

where people don't care and so it makes

1870

01:23:29,090 --> 01:23:26,460

it much more stressful but uh just

1871

01:23:31,970 --> 01:23:29,100

remember folks everything's connected if

1872

01:23:34,610 --> 01:23:31,980

you think something's not slow down that

1873

01:23:36,709 --> 01:23:34,620

imagination and look activity because

1874

01:23:39,410 --> 01:23:36,719

you'll be amazed at what you say

1875

01:23:41,450 --> 01:23:39,420

it does appear as if there is an

1876

01:23:44,149 --> 01:23:41,460

intervention in the world today and

1877

01:23:46,250 --> 01:23:44,159

lastly Donnie if it's okay lastly I

1878

01:23:48,350 --> 01:23:46,260

want to get your uh as we wrap up your

1879

01:23:50,570 --> 01:23:48,360

your thoughts on what do you think

1880

01:23:53,390 --> 01:23:50,580

happened to Epstein or where do you

1881

01:23:57,110 --> 01:23:53,400

think he is now oh no yeah I'll tell you

1882

01:24:00,470 --> 01:23:57,120

where he's at he was taken out of that

1883

01:24:02,990 --> 01:24:00,480

prison because number one

1884

01:24:05,090 --> 01:24:03,000

if you have a presidential

1885

01:24:07,250 --> 01:24:05,100

Administration that wants to drain the

1886

01:24:09,890 --> 01:24:07,260

swamp and go after all these people and

1887

01:24:12,290 --> 01:24:09,900

the military that wants to do the same

1888

01:24:14,209 --> 01:24:12,300

thing one person has got all the

1889

01:24:16,490 --> 01:24:14,219

information in their head

1890

01:24:19,250 --> 01:24:16,500

well you can't get a lot of them if

1891

01:24:21,709 --> 01:24:19,260

they're sitting in a prison cell okay

1892

01:24:23,570 --> 01:24:21,719

if you cut a deal with them and the

1893

01:24:26,630 --> 01:24:23,580

public finds out that's political

1894

01:24:28,850 --> 01:24:26,640

suicide that the president was cutting a

1895

01:24:31,070 --> 01:24:28,860

deal with a convicted rapist human

1896

01:24:33,649 --> 01:24:31,080

trafficker and all these other things

1897

01:24:37,250 --> 01:24:33,659

but but if they

1898

01:24:41,990 --> 01:24:39,770

and sing like a bird because once that

1899

01:24:45,050 --> 01:24:42,000

means you move me tells the people that

1900

01:24:47,870 --> 01:24:45,060

person is dead then that's it they are

1901

01:24:50,270 --> 01:24:47,880

dead they are gone they don't care if

1902

01:24:52,510 --> 01:24:50,280

they would lie to because of the type of

1903

01:24:55,250 --> 01:24:52,520

person he was

1904

01:24:58,729 --> 01:24:55,260

instead of looking at what the real

1905

01:25:02,510 --> 01:24:58,739

situation is is the fact that we were

1906

01:25:05,510 --> 01:25:02,520

told he died okay that's not true he's

1907

01:25:08,510 --> 01:25:05,520

alive but I understand why they did it

1908

01:25:12,110 --> 01:25:08,520

to get the information out of them to

1909

01:25:14,390 --> 01:25:12,120

start executing the plan of draining the

1910

01:25:17,450 --> 01:25:14,400

swamp you've got to know who's connected

1911

01:25:19,490 --> 01:25:17,460

to who what's connected to what so that

1912

01:25:22,430 --> 01:25:19,500

you can organize

1913

01:25:23,930 --> 01:25:22,440

an Avenue of attack between the folks

1914

01:25:25,490 --> 01:25:23,940

you're working with you got to do that

1915

01:25:27,350 --> 01:25:25,500

you got to get the influences you know

1916

01:25:29,450 --> 01:25:27,360

what kind of plan to build

1917

01:25:32,450 --> 01:25:29,460

so that's why he was taken out of there

1918

01:25:34,430 --> 01:25:32,460

and you tell people he's dead so that

1919

01:25:37,189 --> 01:25:34,440

his life will not be in danger even

1920

01:25:41,450 --> 01:25:37,199

though he is still in military custody

1921

01:25:43,550 --> 01:25:41,460

okay still in military custody

1922

01:25:46,010 --> 01:25:43,560

that's how you protect them

1923

01:25:48,250 --> 01:25:46,020

Jeffrey Epstein and what's today Jolene

1924

01:25:51,290 --> 01:25:48,260

Maxwell are both in military custody

1925

01:25:53,630 --> 01:25:51,300

they are singing like birds and they're

1926

01:25:55,610 --> 01:25:53,640

being very Cooperative why because they

1927

01:25:59,030 --> 01:25:55,620

know that they're smart it'll work out

1928

01:26:01,550 --> 01:25:59,040

in a positive favor for them number one

1929

01:26:04,850 --> 01:26:01,560

number one they won't be killed number

1930

01:26:06,610 --> 01:26:04,860

two they could possibly be inserted back

1931

01:26:09,050 --> 01:26:06,620

into society

1932

01:26:10,930 --> 01:26:09,060

microchip to where we can track

1933

01:26:14,149 --> 01:26:10,940

everywhere they go

1934

01:26:16,310 --> 01:26:14,159

so they may get Freedom out of it but

1935

01:26:20,270 --> 01:26:16,320

it's like this you give up one person

1936

01:26:22,370 --> 01:26:20,280

okay to get the whole lot of the evil

1937

01:26:24,229 --> 01:26:22,380

give up one person that'll work

1938

01:26:26,030 --> 01:26:24,239

you know I mean talk about when you do

1939

01:26:28,850 --> 01:26:26,040

that give up one person to get a hundred

1940

01:26:31,010 --> 01:26:28,860

thousand absolutely it's something like

1941

01:26:33,169 --> 01:26:31,020

that and he's the exact guy he he's the

1942

01:26:36,649 --> 01:26:33,179

Kingpin there's nobody I mean his his

1943

01:26:39,290 --> 01:26:36,659

calendar reveals meetings with CIA Chief

1944

01:26:41,750 --> 01:26:39,300

Noam Chomsky I mean all kinds of

1945

01:26:43,250 --> 01:26:41,760

celebrated political figures you don't

1946

01:26:46,370 --> 01:26:43,260

meet with these people unless you have

1947

01:26:49,070 --> 01:26:46,380

something to offer yeah and it and it's

1948

01:26:50,330 --> 01:26:49,080

so easy and I don't know if you knew

1949

01:26:52,189 --> 01:26:50,340

this and I don't know if we're going

1950

01:26:54,169 --> 01:26:52,199

into overtime here but

1951

01:26:56,750 --> 01:26:54,179

Donald Trump

1952

01:26:59,390 --> 01:26:56,760

there's a reason he had WrestleMania at

1953

01:27:01,370 --> 01:26:59,400

Trump Plaza two years in a row those

1954

01:27:02,990 --> 01:27:01,380

people most people are saying is because

1955

01:27:05,270 --> 01:27:03,000

he's a wrestling fan

1956

01:27:06,410 --> 01:27:05,280

that's not it he may like it but that's

1957

01:27:09,290 --> 01:27:06,420

not the reason

1958

01:27:11,270 --> 01:27:09,300

you see the Donald was an FBI employment

1959

01:27:13,189 --> 01:27:11,280

and this was during the days where there

1960

01:27:15,530 --> 01:27:13,199

were very few white cats and the very

1961

01:27:17,750 --> 01:27:15,540

few whiteheads basically told them in so

1962

01:27:19,370 --> 01:27:17,760

many ways if you can give us any

1963

01:27:20,930 --> 01:27:19,380

information and help us would appreciate

1964

01:27:22,370 --> 01:27:20,940

it and it's that kind of thing and then

1965

01:27:23,330 --> 01:27:22,380

you just keep your eyes open you know

1966

01:27:26,270 --> 01:27:23,340

what I'm saying you weren't getting paid

1967

01:27:30,169 --> 01:27:26,280

or anything that's why you saw

1968

01:27:33,290 --> 01:27:30,179

photographs of him and Jeffrey X-Men at

1969

01:27:36,890 --> 01:27:33,300

party it's easy to blend in when you're

1970

01:27:39,770 --> 01:27:36,900

a New York businessman at an event where

1971

01:27:41,930 --> 01:27:39,780

another New York businessman is a team

1972

01:27:43,729 --> 01:27:41,940

absolutely that's how you become chubby

1973

01:27:47,330 --> 01:27:43,739

with them find out what's going on

1974

01:27:51,890 --> 01:27:47,340

you're hiding Plain Sight they just had

1975

01:27:53,629 --> 01:27:51,900

no idea that the Donald was that but in

1976

01:27:56,510 --> 01:27:53,639

2016 when he was running for the

1977

01:27:59,890 --> 01:27:56,520

presidency didn't a lot of people in the

1978

01:28:02,870 --> 01:27:59,900

government Hollywood Elite and other

1979

01:28:04,610 --> 01:28:02,880

high-profile people act like the world

1980

01:28:08,689 --> 01:28:04,620

was coming to an end because he was

1981

01:28:14,689 --> 01:28:12,050

why would they do that number one they

1982

01:28:17,330 --> 01:28:14,699

know he knows a lot of dirt on this

1983

01:28:21,229 --> 01:28:17,340

losing their minds and it makes me

1984

01:28:24,050 --> 01:28:21,239

wonder you know with Epstein the way his

1985

01:28:26,930 --> 01:28:24,060

New York house his Brownstone was set up

1986

01:28:29,510 --> 01:28:26,940

with all of the cameras in every room

1987

01:28:32,689 --> 01:28:29,520

you know it makes me wonder if he was

1988

01:28:34,790 --> 01:28:32,699

not as you said Intelligence on a

1989

01:28:36,790 --> 01:28:34,800

mission doing what he was gathered to do

1990

01:28:40,970 --> 01:28:36,800

with this with this Honeypot

1991

01:28:43,070 --> 01:28:40,980

system and maybe he just started uh

1992

01:28:45,590 --> 01:28:43,080

dipping into the honey pot himself I

1993

01:28:47,570 --> 01:28:45,600

don't know but well think about one

1994

01:28:50,390 --> 01:28:47,580

other thing that's unique that's similar

1995

01:28:54,310 --> 01:28:50,400

to Jeffrey Epstein Hugh Hefner Hugh

1996

01:28:57,110 --> 01:28:54,320

Hefner and the Playboy Mansion it is a

1997

01:29:00,350 --> 01:28:57,120

open secret in Hollywood the kind of

1998

01:29:02,090 --> 01:29:00,360

crap that goes on there okay but what

1999

01:29:04,490 --> 01:29:02,100

happens at the Mansion stays in the

2000

01:29:06,590 --> 01:29:04,500

Mansion right well you know it's amazing

2001

01:29:12,709 --> 01:29:06,600

that

2002

01:29:14,209 --> 01:29:12,719

all these things were really going on

2003

01:29:17,090 --> 01:29:14,219

don't you think that place would have

2004

01:29:19,790 --> 01:29:17,100

been raided by the feds not one time has

2005

01:29:22,310 --> 01:29:19,800

that happened now why is that could it

2006

01:29:25,850 --> 01:29:22,320

be that Hugh Hefner was working for them

2007

01:29:28,729 --> 01:29:25,860

in all that video footage that he had of

2008

01:29:31,250 --> 01:29:28,739

all these people were handed over to the

2009

01:29:36,290 --> 01:29:31,260

fan and the feds have this

2010

01:29:42,169 --> 01:29:39,470

cameras cameras within his home and of

2011

01:29:45,590 --> 01:29:42,179

course outside you think happens he has

2012

01:29:47,450 --> 01:29:45,600

to have security but in the 1970s you

2013

01:29:50,090 --> 01:29:47,460

know what I'm saying there was not a lot

2014

01:29:52,910 --> 01:29:50,100

of that in the 70s no but if you needed

2015

01:29:54,709 --> 01:29:52,920

that technology the military had it so

2016

01:29:57,590 --> 01:29:54,719

guess how he got it you know what I'm

2017

01:29:59,810 --> 01:29:57,600

saying so Hugh Hefner I believe was

2018

01:30:03,590 --> 01:29:59,820

probably working for the feds you hide

2019

01:30:06,470 --> 01:30:03,600

in plain sight you create a sinful like

2020

01:30:09,410 --> 01:30:06,480

playground for The Hollywood Elite evil

2021

01:30:12,050 --> 01:30:09,420

which was most of them they never ever

2022

01:30:17,450 --> 01:30:12,060

stopped to think could this person be a

2023

01:30:19,790 --> 01:30:17,460

Fed just like Elvis Presley who would

2024

01:30:22,669 --> 01:30:19,800

ever suspect he was a federal agent

2025

01:30:25,370 --> 01:30:22,679

nobody that's why nobody believes that

2026

01:30:27,709 --> 01:30:25,380

happened and it happened right in front

2027

01:30:30,290 --> 01:30:27,719

of people's faces

2028

01:30:32,510 --> 01:30:30,300

the fake job don't get me started on the

2029

01:30:35,030 --> 01:30:32,520

people the body levels and all that

2030

01:30:37,310 --> 01:30:35,040

you've got people thinking that the real

2031

01:30:39,290 --> 01:30:37,320

Joe Biden is the down TV and when you're

2032

01:30:41,209 --> 01:30:39,300

showing pictures of five by five it's

2033

01:30:43,970 --> 01:30:41,219

obviously not the same person but then

2034

01:30:46,010 --> 01:30:43,980

they get the you know what AWS with me

2035

01:30:48,890 --> 01:30:46,020

because I just don't want to admit they

2036

01:30:53,870 --> 01:30:51,890

once again human ego is causing humans

2037

01:30:57,850 --> 01:30:53,880

not to offend

2038

01:31:02,090 --> 01:30:57,860

and people like us we try to

2039

01:31:03,830 --> 01:31:02,100

always always fun to chat and um I

2040

01:31:05,450 --> 01:31:03,840

appreciate it I'm glad we had you back

2041

01:31:07,490 --> 01:31:05,460

it's been a while and I recommend

2042

01:31:09,110 --> 01:31:07,500

listeners go back and listen to our

2043

01:31:11,750 --> 01:31:09,120

older podcasts as well because you

2044

01:31:13,790 --> 01:31:11,760

always drop all kinds of knowledge and

2045

01:31:15,649 --> 01:31:13,800

you're willing to talk about things

2046

01:31:18,770 --> 01:31:15,659

other people aren't willing to touch

2047

01:31:20,149 --> 01:31:18,780

with the 10-foot pool thanks so much oh

2048

01:31:24,110 --> 01:31:20,159

you're welcome

2049

01:31:25,850 --> 01:31:24,120

and um lastly uh is there anything we

2050

01:31:27,229 --> 01:31:25,860

want to close off on or we I think we

2051

01:31:30,410 --> 01:31:27,239

pretty much covered it

2052

01:31:33,050 --> 01:31:30,420

yeah well if anyone listening wants to

2053

01:31:35,870 --> 01:31:33,060

contact me with a question you can go

2054

01:31:37,610 --> 01:31:35,880

through Ryan's contact information I

2055

01:31:38,390 --> 01:31:37,620

can't answer a question if you don't ask

2056

01:31:40,610 --> 01:31:38,400

it

2057

01:31:42,590 --> 01:31:40,620

reach out to me if you have questions

2058

01:31:46,070 --> 01:31:42,600

about anything you've heard on the show

2059

01:31:47,930 --> 01:31:46,080

maybe I didn't explain it as clear as I

2060

01:31:50,510 --> 01:31:47,940

could in another conversation that's

2061

01:31:52,129 --> 01:31:50,520

what these shows are all about but other

2062

01:31:54,709 --> 01:31:52,139

than that Ryan I think we've covered

2063

01:31:56,390 --> 01:31:54,719

everything we can just go around thank

2064

01:32:00,290 --> 01:31:56,400

you so much

2065

01:32:03,470 --> 01:32:00,300

Donnie never disappoints I know why he's

2066

01:32:08,209 --> 01:32:03,480

my favorite wrestler turned UFO

2067

01:32:12,350 --> 01:32:08,219

researcher he is willing to dive

2068

01:32:16,910 --> 01:32:12,360

into places others are not those shark

2069

01:32:18,830 --> 01:32:16,920

infested waters of conspiracy that most

2070

01:32:21,590 --> 01:32:18,840

people won't touch with a 10-foot pole

2071

01:32:23,290 --> 01:32:21,600

show me someone who's even willing to

2072

01:32:26,450 --> 01:32:23,300

say the word

2073

01:32:28,250 --> 01:32:26,460

and on anymore

2074

01:32:30,830 --> 01:32:28,260

um and I appreciate that about him

2075

01:32:33,229 --> 01:32:30,840

anyway it's always a great conversation

2076

01:32:36,229 --> 01:32:33,239

talking to Donnie he always has so much

2077

01:32:38,090 --> 01:32:36,239

to offer and insight about the king

2078

01:32:40,550 --> 01:32:38,100

Elvis Presley

2079

01:32:42,649 --> 01:32:40,560

I did not know about those lights

2080

01:32:45,110 --> 01:32:42,659

circling Elvis

2081

01:32:47,750 --> 01:32:45,120

when he was born and a lot of the

2082

01:32:50,750 --> 01:32:47,760

history there it's always an eye-opener

2083

01:32:54,430 --> 01:32:50,760

so take of it what you will leave the

2084

01:32:57,830 --> 01:32:54,440

rest and I hope it was entertaining

2085

01:33:01,310 --> 01:32:57,840

informative and not the same topics you

2086

01:33:03,709 --> 01:33:01,320

hear every day everywhere else

2087

01:33:06,530 --> 01:33:03,719

by the same people

2088

01:33:09,310 --> 01:33:06,540

if you want to hear more juicy stuff

2089

01:33:13,070 --> 01:33:09,320

please go over to

2090

01:33:17,270 --> 01:33:13,080

heroparanormal.com or search for hero

2091

01:33:19,610 --> 01:33:17,280

paranormal on patreon and for just five

2092

01:33:21,890 --> 01:33:19,620

bucks a month the price of a cup of

2093

01:33:24,590 --> 01:33:21,900

coffee a month you get the whole

2094

01:33:28,010 --> 01:33:24,600

enchilada all of the content behind the

01:33:32,510 --> 01:33:28,020

paywall and there's a ton behind there

2096

01:33:35,510 --> 01:33:32,520

also please like And subscribe to Hero

2097

01:33:38,330 --> 01:33:35,520

paranormal on YouTube although I will

2098

01:33:40,970 --> 01:33:38,340

never be monetized on YouTube for a

2099

01:33:43,310 --> 01:33:40,980

variety of reasons I'm sure

2100

01:33:45,709 --> 01:33:43,320

it's the only way to break that

2101
01:33:48,590 --> 01:33:45,719
algorithm bust through the glass ceiling

2102
01:33:50,570 --> 01:33:48,600
and at least have people be able to

2103
01:33:52,070 --> 01:33:50,580
listen to the podcast I really

2104
01:33:56,510 --> 01:33:52,080
appreciate that

2105
01:33:59,390 --> 01:33:56,520
the shadow ban is very real until next

2106
01:34:01,490 --> 01:33:59,400
time keep your eyes to the skies feet on

2107
01:34:10,320 --> 01:34:01,500
the ground but don't forget to take a

2108
