

**SCOTT TAPPE**

**VEGAS UFO**  
**MASS SIGHTING**

1  
00:00:07,490 --> 00:00:03,830  
recently there was a sighting

2  
00:00:10,129 --> 00:00:07,500  
in the high desert of Southern Nevada

3  
00:00:11,450 --> 00:00:10,139  
residents of Las Vegas

4  
00:00:14,030 --> 00:00:11,460  
noticed

5  
00:00:17,870 --> 00:00:14,040  
something that appeared

6  
00:00:21,590 --> 00:00:17,880  
out of nowhere and disappeared just as

7  
00:00:23,990 --> 00:00:21,600  
easily as it manifested

8  
00:00:26,509 --> 00:00:24,000  
it's rare to be able to get the

9  
00:00:28,849 --> 00:00:26,519  
opportunity to talk to the person who

10  
00:00:31,189 --> 00:00:28,859  
filmed in my opinion the best video of

11  
00:00:36,110 --> 00:00:31,199  
the footage

12  
00:00:43,670 --> 00:00:36,120  
I also run a Las Vegas UFO Hunters

13  
00:00:49,670 --> 00:00:47,150

I had a gentleman post

14

00:00:52,430 --> 00:00:49,680

some great footage as he walked to the

15

00:00:54,049 --> 00:00:52,440

store of this craft

16

00:00:55,729 --> 00:00:54,059

I didn't think you could get any better

17

00:00:57,889 --> 00:00:55,739

footage than that

18

00:01:01,189 --> 00:00:57,899

but then

19

00:01:05,450 --> 00:01:01,199

through coincidence and synchronicity I

20

00:01:08,149 --> 00:01:05,460

was contacted by the same people who

21

00:01:11,510 --> 00:01:08,159

had their footage

22

00:01:13,609 --> 00:01:11,520

posted on the coast to coast website

23

00:01:17,649 --> 00:01:13,619

it is in my opinion the best footage

24

00:01:21,170 --> 00:01:17,659

they seem to live in a spot that is

25

00:01:22,070 --> 00:01:21,180

very apt to be able to capture these

26

00:01:25,130 --> 00:01:22,080

things

27

00:01:29,030 --> 00:01:25,140

it is along a Mountainside and actually

28

00:01:32,450 --> 00:01:29,040

believe it or not very close to my digs

29

00:01:33,950 --> 00:01:32,460

in Las Vegas where I stay when I'm in

30

00:01:35,690 --> 00:01:33,960

southern Nevada

31

00:01:37,069 --> 00:01:35,700

and

32

00:01:39,170 --> 00:01:37,079

um yeah we're just around the mountain

33

00:01:41,810 --> 00:01:39,180

from one another

34

00:01:44,630 --> 00:01:41,820

they definitely got the best view of

35

00:01:50,270 --> 00:01:44,640

anybody I've seen I can't wait to

36

00:01:55,550 --> 00:01:50,280

discuss this with uh Scott he is a great

37

00:01:59,030 --> 00:01:55,560

guy Las Vegas local and I am going to

38

00:02:01,789 --> 00:01:59,040

see what exactly we were dealing with

39

00:02:05,450 --> 00:02:01,799

here some claim oh maybe it's something

40

00:02:07,609 --> 00:02:05,460

from Area 51 I've had sources come

41

00:02:10,309 --> 00:02:07,619

forward and tell me that

42

00:02:12,949 --> 00:02:10,319

people in positions

43

00:02:15,229 --> 00:02:12,959

higher up believe that it was some

44

00:02:18,710 --> 00:02:15,239

exotic propulsion

45

00:02:20,449 --> 00:02:18,720

tests coming out of Creech

46

00:02:24,589 --> 00:02:20,459

Air Force Base

47

00:02:27,050 --> 00:02:24,599

however it's difficult to tell and when

48

00:02:30,770 --> 00:02:27,060

it comes to the most secret domestic

49

00:02:34,550 --> 00:02:30,780

military facilities in our country I'm

50

00:02:36,949 --> 00:02:34,560

not about to start picking that apart so

51  
00:02:39,050 --> 00:02:36,959  
in my opinion it looked like it was just

52  
00:02:41,030 --> 00:02:39,060  
over Las Vegas and in the opinion of

53  
00:02:41,869 --> 00:02:41,040  
many other residents it appeared the

54  
00:02:44,869 --> 00:02:41,879  
same

55  
00:02:48,949 --> 00:02:44,879  
I'm sticking with that and I'm going to

56  
00:02:52,729 --> 00:02:48,959  
be joined by a fellow podcast host Jeff

57  
00:02:55,970 --> 00:02:52,739  
rennell you may know him from etalk TV

58  
00:02:58,030 --> 00:02:55,980  
he has a great great podcast where he

59  
00:03:00,470 --> 00:02:58,040  
covers a variety of different subjects

60  
00:03:03,170 --> 00:03:00,480  
very knowledgeable researcher and

61  
00:03:05,650 --> 00:03:03,180  
investigator he also grew up in Las

62  
00:03:09,050 --> 00:03:05,660  
Vegas although he calls Utah home now

63  
00:03:10,490 --> 00:03:09,060

and he is going to help me delve into

64

00:03:13,430 --> 00:03:10,500

this

65

00:03:16,250 --> 00:03:13,440

Jeff is also part of the research team

66

00:03:18,830 --> 00:03:16,260

that goes up to space Wolf research and

67

00:03:21,470 --> 00:03:18,840

often investigates High strangeness and

68

00:03:23,990 --> 00:03:21,480

anomalies as they pop up so

69

00:03:26,390 --> 00:03:24,000

I just figured two heads are better than

70

00:03:28,729 --> 00:03:26,400

one when it comes to such a unique

71

00:03:30,470 --> 00:03:28,739

opportunity to talk to somebody so close

72

00:03:34,009 --> 00:03:30,480

to the point

73

00:03:37,490 --> 00:03:34,019

when they filmed this anomaly and it's

74

00:03:42,229 --> 00:03:37,500

an anomaly that in my opinion Rivals the

75

00:03:45,250 --> 00:03:42,239

Phoenix Lights it's amazing footage and

76

00:03:47,990 --> 00:03:45,260

it's recent I mean this just happens so

77

00:03:51,350 --> 00:03:48,000

buckle up for a bumpy ride into the

78

00:03:54,009 --> 00:03:51,360

cosmos and genre of advanced military

79

00:04:02,440 --> 00:03:54,019

science and or

80

00:04:02,450 --> 00:04:28,150

[Music]

81

00:04:28,160 --> 00:04:33,430

Blast Off blast off

82

00:04:40,490 --> 00:04:37,670

Blast Off on another epic episode of the

83

00:04:45,129 --> 00:04:40,500

organization podcast AKA hero paranormal

to the podcast

95

00:05:17,629 --> 00:05:14,460

I will never be monetized on YouTube for

96

00:05:20,689 --> 00:05:17,639

a variety of reasons however if you like

97

00:05:22,850 --> 00:05:20,699

share and subscribe to the podcast it's

98

00:05:25,310 --> 00:05:22,860

the only way I can break through the

99

00:05:27,950 --> 00:05:25,320

algorithm of control bust through that

100

00:05:31,310 --> 00:05:27,960

glass ceiling in at least at the very

101  
00:05:33,770 --> 00:05:31,320  
least have people hear the podcasts

102  
00:05:36,590 --> 00:05:33,780  
it would be a big help to me

103  
00:05:40,070 --> 00:05:36,600  
and if you have not checked out the

104  
00:05:44,689 --> 00:05:40,080  
content behind the paywall please go to

105  
00:05:48,350 --> 00:05:44,699  
patreon and search for hero paranormal

106  
00:05:50,450 --> 00:05:48,360  
for the price of a cup of coffee a month

107  
00:05:53,450 --> 00:05:50,460  
you get all of the content behind the

108  
00:05:55,189 --> 00:05:53,460  
paywall and there's a ton of it you can

109  
00:05:56,230 --> 00:05:55,199  
also access that

110  
00:05:59,629 --> 00:05:56,240  
through

111  
00:06:01,790 --> 00:05:59,639  
heroparanormal.com I'm kind of ditching

112  
00:06:04,370 --> 00:06:01,800  
on podbean and I'm going to quit using

113  
00:06:07,370 --> 00:06:04,380

that hosting service they lost a bunch

114

00:06:10,249 --> 00:06:07,380

of episodes they cost too much and their

115

00:06:11,409 --> 00:06:10,259

reach seems Limited in my opinion

116

00:06:14,450 --> 00:06:11,419

so

117

00:06:16,909 --> 00:06:14,460

moving everything over to patreon you

118

00:06:19,670 --> 00:06:16,919

can all access everything at hero

119

00:06:24,529 --> 00:06:19,680

paranormal.com

120

00:06:27,830 --> 00:06:24,539

there is at least one secret base

121

00:06:31,790 --> 00:06:27,840

in America's High Desert

122

00:06:37,430 --> 00:06:31,800

just north of Las Vegas Nevada

123

00:06:40,249 --> 00:06:37,440

where top level Technologies are tested

124

00:06:43,070 --> 00:06:40,259

and strategic

125

00:06:44,809 --> 00:06:43,080

missions and services

126  
00:06:47,990 --> 00:06:44,819  
are rumored

127  
00:06:50,870 --> 00:06:48,000  
to be taking place

128  
00:06:52,430 --> 00:06:50,880  
it is known by many names

129  
00:06:54,170 --> 00:06:52,440  
Groom Lake

130  
00:06:57,350 --> 00:06:54,180  
S4

131  
00:07:01,730 --> 00:06:57,360  
but let's get to the goods most people

132  
00:07:07,990 --> 00:07:03,710  
those who have spoken of it include

133  
00:07:12,110 --> 00:07:08,000  
diplomats spies Statesmen politicians

134  
00:07:13,670 --> 00:07:12,120  
and even your random scientist who is

135  
00:07:16,850 --> 00:07:13,680  
believed by few

136  
00:07:19,129 --> 00:07:16,860  
I'm talking about none other than Bob

137  
00:07:25,370 --> 00:07:19,139  
Lazar

138  
00:07:30,950 --> 00:07:28,070

that was reverse engineered

139

00:07:33,529 --> 00:07:30,960  
from extraterrestrial craft

140

00:07:35,210 --> 00:07:33,539  
and being tested

141

00:07:37,189 --> 00:07:35,220  
evaluated

142

00:07:40,390 --> 00:07:37,199  
and worked on

143

00:07:44,990 --> 00:07:40,400  
at area 51.

144

00:07:47,990 --> 00:07:45,000  
specifically in a location known as S4

145

00:07:51,409 --> 00:07:48,000  
whether that has any validity or not

146

00:07:52,909 --> 00:07:51,419  
is not anything I want to get into

147

00:07:56,089 --> 00:07:52,919  
however

148

00:07:57,409 --> 00:07:56,099  
officially there does seem to be a lot

149

00:08:00,650 --> 00:07:57,419  
of advanced

150

00:08:04,909 --> 00:08:00,660  
flying aircraft which continues to be

151  
00:08:08,029 --> 00:08:04,919  
classified being tested at the base

152  
00:08:09,770 --> 00:08:08,039  
a secret facility in the middle of the

153  
00:08:12,170 --> 00:08:09,780  
Nevada desert

154  
00:08:13,909 --> 00:08:12,180  
is it possible that Advanced

155  
00:08:17,270 --> 00:08:13,919  
Technologies

156  
00:08:20,350 --> 00:08:17,280  
are being tested and flown directly over

157  
00:08:24,350 --> 00:08:20,360  
the closest large metropolitan area

158  
00:08:25,850 --> 00:08:24,360  
nearby none other than Sin City the

159  
00:08:29,749 --> 00:08:25,860  
Treasure Trove

160  
00:08:33,829 --> 00:08:29,759  
of gambling casinos shopping nightlife

161  
00:08:36,230 --> 00:08:33,839  
food and the adult Disneyland everyone

162  
00:08:37,730 --> 00:08:36,240  
wants to come visit

163  
00:08:40,010 --> 00:08:37,740

well

164

00:08:42,050 --> 00:08:40,020

it's an extremely delicate subject to

165

00:08:44,089 --> 00:08:42,060

tackle but that's exactly what we are

166

00:08:46,730 --> 00:08:44,099

going to discuss

167

00:08:47,690 --> 00:08:46,740

Jeff rennell and myself are going to

168

00:08:52,389 --> 00:08:47,700

speak

169

00:08:57,230 --> 00:08:52,399

with Scott who had the good luck

170

00:08:58,810 --> 00:08:57,240

positioning and amazing Viewpoint to not

171

00:09:03,050 --> 00:08:58,820

only get the closest

172

00:09:05,269 --> 00:09:03,060

clearest video footage of the anomaly in

173

00:09:07,610 --> 00:09:05,279

the Skies over Las Vegas

174

00:09:10,250 --> 00:09:07,620

which I believe rivaled the Phoenix

175

00:09:12,769 --> 00:09:10,260

Lights however we're going to get his

176

00:09:16,329 --> 00:09:12,779

opinion on what he thinks it was

177

00:09:19,970 --> 00:09:16,339

how it acted reacted manifested

178

00:09:22,190 --> 00:09:19,980

disappeared and all of the above

179

00:09:25,370 --> 00:09:22,200

I've spoken to a few people who

180

00:09:27,050 --> 00:09:25,380

witnessed it but none got a better view

181

00:09:31,970 --> 00:09:27,060

than Scott

182

00:09:34,910 --> 00:09:31,980

and we of course have the very

183

00:09:37,970 --> 00:09:34,920

talented Jeff rennell

184

00:09:44,210 --> 00:09:37,980

who runs etalk TV

185

00:09:45,970 --> 00:09:44,220

that's e t a l k dot TV he has a great

186

00:09:48,230 --> 00:09:45,980

podcast check it out

187

00:09:50,750 --> 00:09:48,240

and uh

188

00:09:52,790 --> 00:09:50,760

he knows this stuff he was born and

189

00:09:54,650 --> 00:09:52,800

raised in Vegas so I think we're going

190

00:09:58,130 --> 00:09:54,660

to have

191

00:10:02,269 --> 00:09:58,140

good perspectives in the mix to try to

192

00:10:04,970 --> 00:10:02,279

get an honest view of what took place

193

00:10:07,430 --> 00:10:04,980

and do so within close proximity of the

194

00:10:09,949 --> 00:10:07,440

actual event and the video recording of

195

00:10:11,990 --> 00:10:09,959

said craft

196

00:10:13,070 --> 00:10:12,000

can't wait to get into this and talk to

197

00:10:16,009 --> 00:10:13,080

him about it

198

00:10:17,930 --> 00:10:16,019

Scott tappy welcome to the hero

199

00:10:19,370 --> 00:10:17,940

paranormal podcast

200

00:10:21,650 --> 00:10:19,380

thank you

201  
00:10:24,050 --> 00:10:21,660  
great to have you here and we also have

202  
00:10:25,850 --> 00:10:24,060  
Jeff rennell here with us

203  
00:10:28,250 --> 00:10:25,860  
how you doing Jeff

204  
00:10:30,290 --> 00:10:28,260  
I'm doing wonderful thanks for having me

205  
00:10:31,910 --> 00:10:30,300  
on tonight oh you're cutting in and out

206  
00:10:37,009 --> 00:10:31,920  
a little bit but that's okay that's okay

207  
00:10:39,970 --> 00:10:37,019  
we'll get it figured out so Scott you to

208  
00:10:44,509 --> 00:10:39,980  
be honest you captured something

209  
00:10:48,710 --> 00:10:44,519  
recently that was something that I think

210  
00:10:50,509 --> 00:10:48,720  
got Global attention because

211  
00:10:53,750 --> 00:10:50,519  
not only

212  
00:10:56,210 --> 00:10:53,760  
in my opinion does it seem eerily

213  
00:10:59,150 --> 00:10:56,220

similar to the Phoenix Lights but it

214

00:11:00,350 --> 00:10:59,160

happened over a very major metropolitan

215

00:11:02,449 --> 00:11:00,360

area

216

00:11:05,090 --> 00:11:02,459

and

217

00:11:08,389 --> 00:11:05,100

I'm I just want to give you a little bit

218

00:11:10,190 --> 00:11:08,399

of time to explain your location where

219

00:11:12,889 --> 00:11:10,200

you gathered the footage

220

00:11:16,610 --> 00:11:12,899

and what took place that evening

221

00:11:18,769 --> 00:11:16,620

sure yeah I can get that for you right

222

00:11:20,090 --> 00:11:18,779

now if you'd like

223

00:11:22,790 --> 00:11:20,100

okay

224

00:11:24,050 --> 00:11:22,800

um yeah for I just want to First give a

225

00:11:27,110 --> 00:11:24,060

little bit of the background information

226

00:11:29,990 --> 00:11:27,120

on where our house is in Las Vegas

227

00:11:31,130 --> 00:11:30,000

um we live in the West Northwest part of

228

00:11:33,590 --> 00:11:31,140

Las Vegas

229

00:11:35,630 --> 00:11:33,600

and our house is essentially as far west

230

00:11:37,370 --> 00:11:35,640

as it can be because there's nothing on

231

00:11:39,949 --> 00:11:37,380

the back side of our house except a

232

00:11:42,050 --> 00:11:39,959

short uneven Patchett desert and then

233

00:11:43,850 --> 00:11:42,060

that little short uneven patch of desert

234

00:11:45,350 --> 00:11:43,860

takes you right to the spring mountains

235

00:11:48,590 --> 00:11:45,360

behind our house

236

00:11:50,690 --> 00:11:48,600

and if anyone is familiar with uh say

237

00:11:53,030 --> 00:11:50,700

Red Rock Canyon National Conservation

238

00:11:55,069 --> 00:11:53,040

Area and where it's located in Las Vegas

239

00:11:56,449 --> 00:11:55,079

the mountains right behind our house are

240

00:11:58,790 --> 00:11:56,459

actually part of the Red Rock National

241

00:12:00,290 --> 00:11:58,800

Conservation Area land but they're just

242

00:12:02,389 --> 00:12:00,300

about two to three miles north of the

243

00:12:05,389 --> 00:12:02,399

main area that people actually go to

244

00:12:08,690 --> 00:12:05,399

when they visit so we actually have a

245

00:12:11,389 --> 00:12:08,700

really nice view of the night sky and

246

00:12:12,829 --> 00:12:11,399

actually the city in front and all that

247

00:12:15,110 --> 00:12:12,839

um since we're at the higher elevation

248

00:12:16,850 --> 00:12:15,120

and with the back of our house being far

249

00:12:19,069 --> 00:12:16,860

enough away from the city and the strip

250

00:12:21,350 --> 00:12:19,079

lights so it actually affords us a

251

00:12:23,150 --> 00:12:21,360

really good view of the night sky or is

252

00:12:25,430 --> 00:12:23,160

pretty much as good as it can be here

253

00:12:27,290 --> 00:12:25,440

over the spring mountains that are to

254

00:12:30,470 --> 00:12:27,300

our West to Southwest to the Northwest

255

00:12:32,110 --> 00:12:30,480

and oftentimes many nights we like to go

256

00:12:35,630 --> 00:12:32,120

out and take advantage of that location

257

00:12:38,150 --> 00:12:35,640

and we watch the night sky quite often

258

00:12:42,290 --> 00:12:38,160

from our back patio

259

00:12:45,470 --> 00:12:42,300

this is awesome you I know the area very

260

00:12:48,110 --> 00:12:45,480

well and uh Jeff and I and other

261

00:12:50,750 --> 00:12:48,120

researchers have spoken about this area

262

00:12:53,150 --> 00:12:50,760

quite a bit uh there was a gentleman

263

00:12:56,889 --> 00:12:53,160

who's also a neighbor of ours and that

264

00:12:59,509 --> 00:12:56,899

by ours I mean uh yourself Scott and my

265

00:13:02,269 --> 00:12:59,519

neighborhood are very close by there's a

266

00:13:04,790 --> 00:13:02,279

gentleman named Steve Barone who has

267

00:13:09,410 --> 00:13:04,800

captured some interesting craft along

268

00:13:12,829 --> 00:13:09,420

the same part of town but nothing quite

269

00:13:16,490 --> 00:13:12,839

as magnificent in my opinion as what you

270

00:13:18,769 --> 00:13:16,500

captured that night so

271

00:13:21,470 --> 00:13:18,779

tell us a little bit about

272

00:13:24,350 --> 00:13:21,480

how it garnered your attention and and

273

00:13:25,790 --> 00:13:24,360

what what made you grab the camera

274

00:13:28,069 --> 00:13:25,800

okay

275

00:13:29,389 --> 00:13:28,079

um well it happened this past Thursday

276

00:13:32,210 --> 00:13:29,399

evening

277

00:13:34,310 --> 00:13:32,220

um April 27th and it was just one of the

278

00:13:35,990 --> 00:13:34,320

nice nights where it was nice out and

279

00:13:37,910 --> 00:13:36,000

well fairly nice it was it was a little

280

00:13:39,590 --> 00:13:37,920

windy which I think you can tell from

281

00:13:41,150 --> 00:13:39,600

the video but it was a nice enough

282

00:13:43,550 --> 00:13:41,160

evening to where we went out and it was

283

00:13:45,410 --> 00:13:43,560

clear clear sky it was a darker sky so

284

00:13:47,509 --> 00:13:45,420

we always like it when the moon's kind

285

00:13:49,670 --> 00:13:47,519

of not as bright as it is sometimes

286

00:13:51,710 --> 00:13:49,680

because it helps kind of take a look at

287

00:13:54,470 --> 00:13:51,720

the night sky so is this past Thursday

288

00:13:57,769 --> 00:13:54,480

evening the 27th of April um my partner

289

00:14:00,470 --> 00:13:57,779

Diane and I were out on our second floor

290

00:14:02,030 --> 00:14:00,480

back patio we also have a patio on the

291

00:14:04,250 --> 00:14:02,040

lower level that we get get a little

292

00:14:06,290 --> 00:14:04,260

further view of things from the upper

293

00:14:08,930 --> 00:14:06,300

patio and we were just doing some of the

294

00:14:12,230 --> 00:14:08,940

sky sky watching like we enjoy doing

295

00:14:13,790 --> 00:14:12,240

and um and yes we do watch for the

296

00:14:15,110 --> 00:14:13,800

occasional night sky things that just

297

00:14:16,970 --> 00:14:15,120

don't make much sense

298

00:14:18,949 --> 00:14:16,980

don't see them that often but we do

299

00:14:22,069 --> 00:14:18,959

every once in a while

300

00:14:24,650 --> 00:14:22,079

um and we do know about the usual things

301  
00:14:26,449 --> 00:14:24,660  
in the sky you know like what Venus is

302  
00:14:28,009 --> 00:14:26,459  
and what a lot of other things in the

303  
00:14:29,690 --> 00:14:28,019  
sky look like such as how the

304  
00:14:31,250 --> 00:14:29,700  
International Space Station looks when

305  
00:14:33,410 --> 00:14:31,260  
it's moving through the sky

306  
00:14:36,170 --> 00:14:33,420  
uh plus I have various nice guy apps

307  
00:14:37,610 --> 00:14:36,180  
that you know show me the usual stuff

308  
00:14:39,530 --> 00:14:37,620  
um so we're pretty familiar with what

309  
00:14:42,410 --> 00:14:39,540  
this guy is supposed to look like

310  
00:14:46,370 --> 00:14:42,420  
um that said it was a little bit before

311  
00:14:50,449 --> 00:14:46,380  
9 p.m when Diane actually happened to

312  
00:14:53,269 --> 00:14:50,459  
notice a horizontal string of orangish

313  
00:14:54,829 --> 00:14:53,279

lights that just suddenly appeared to

314

00:14:58,009 --> 00:14:54,839

her view

315

00:15:00,350 --> 00:14:58,019

um interview to the north of our house I

316

00:15:01,850 --> 00:15:00,360

mean looking to the north of our house

317

00:15:04,189 --> 00:15:01,860

um and it was in her line of sight

318

00:15:05,689 --> 00:15:04,199

because her view at the time where she

319

00:15:07,490 --> 00:15:05,699

was sitting was more to the West and

320

00:15:09,710 --> 00:15:07,500

Northwest and I was looking more to the

321

00:15:12,410 --> 00:15:09,720

west and southwest

322

00:15:14,150 --> 00:15:12,420

um well she saw that horizontal string

323

00:15:15,410 --> 00:15:14,160

of oranges lights suddenly appear and

324

00:15:16,670 --> 00:15:15,420

then she immediately got my attention

325

00:15:19,069 --> 00:15:16,680

says hey hey

326

00:15:21,530 --> 00:15:19,079

what what's this

327

00:15:24,590 --> 00:15:21,540

um so that I could see it as well

328

00:15:27,110 --> 00:15:24,600

and then I got up and stood looked

329

00:15:30,290 --> 00:15:27,120

toward the North and then I

330

00:15:32,949 --> 00:15:30,300

also saw this mysterious looking object

331

00:15:36,350 --> 00:15:32,959

um if we hadn't seen anything

332

00:15:37,670 --> 00:15:36,360

uh look like that in any of the other

333

00:15:39,590 --> 00:15:37,680

times we've seen a lot of other things

334

00:15:41,629 --> 00:15:39,600

but this was the kind of the biggest

335

00:15:43,430 --> 00:15:41,639

brightest thing that we we'd ever seen

336

00:15:45,590 --> 00:15:43,440

so far

337

00:15:48,850 --> 00:15:45,600

um and I saw it with my naked eye and it

338

00:15:51,829 --> 00:15:48,860

looked like four oranges colored lights

339

00:15:53,689 --> 00:15:51,839

that were at least for my view aligned

340

00:15:54,769 --> 00:15:53,699

pretty tightly and mostly a horizontal

341

00:15:57,530 --> 00:15:54,779

alignment

342

00:16:00,350 --> 00:15:57,540

and my immediate thought was like wow

343

00:16:02,150 --> 00:16:00,360

that's really really strange and the

344

00:16:05,030 --> 00:16:02,160

reason I thought that was just based

345

00:16:06,470 --> 00:16:05,040

upon how it looked like I described but

346

00:16:09,110 --> 00:16:06,480

also because we had never seen anything

347

00:16:10,370 --> 00:16:09,120

like that when we were Sky watching

348

00:16:13,730 --> 00:16:10,380

um and actually where it was located

349

00:16:15,590 --> 00:16:13,740

just seemed kind of weird to me and I

350

00:16:17,290 --> 00:16:15,600

thought that because I know what it

351  
00:16:21,050 --> 00:16:17,300  
looks like when I look in that direction

352  
00:16:22,670 --> 00:16:21,060  
during the day which is a look or view

353  
00:16:24,170 --> 00:16:22,680  
that's looking pretty much straight

354  
00:16:26,030 --> 00:16:24,180  
north of our house

355  
00:16:26,829 --> 00:16:26,040  
maybe give or take a little bit of

356  
00:16:29,269 --> 00:16:26,839  
degrees

357  
00:16:32,449 --> 00:16:29,279  
and really the only thing in that view

358  
00:16:35,110 --> 00:16:32,459  
to the north is desert and that's the

359  
00:16:38,629 --> 00:16:35,120  
case for a long long way

360  
00:16:40,069 --> 00:16:38,639  
in fact I mean I'm not at all saying I

361  
00:16:42,650 --> 00:16:40,079  
think there's any correlation with what

362  
00:16:44,930 --> 00:16:42,660  
we saw at the area 51 but

363  
00:16:46,970 --> 00:16:44,940

um if someone walks 75 miles in that

364

00:16:49,689 --> 00:16:46,980

exact same direction where we saw the

365

00:16:51,829 --> 00:16:49,699

object they'd be in area 51.

366

00:16:54,170 --> 00:16:51,839

but that's just more of an interesting

367

00:16:57,290 --> 00:16:54,180

kind of thing

368

00:16:59,629 --> 00:16:57,300

um with that said we both thought that

369

00:17:02,530 --> 00:16:59,639

what we saw Thursday night was

370

00:17:05,049 --> 00:17:02,540

definitely the closest and brightest uh

371

00:17:08,210 --> 00:17:05,059

mysterious something that we've seen yet

372

00:17:10,429 --> 00:17:08,220

and we just literally stared at it the

373

00:17:16,730 --> 00:17:10,439

entire time it was in view which time

374

00:17:19,250 --> 00:17:16,740

wise I'd say was at most three minutes

375

00:17:21,949 --> 00:17:19,260

um so it was in our view for at most

376

00:17:24,110 --> 00:17:21,959

three minutes uh of course I immediately

377

00:17:27,530 --> 00:17:24,120

got my iPhone out as soon as I saw it

378

00:17:29,690 --> 00:17:27,540

and took a couple photos I actually took

379

00:17:32,810 --> 00:17:29,700

four or five but

380

00:17:35,330 --> 00:17:32,820

three of them or so just were duplicates

381

00:17:37,490 --> 00:17:35,340

or didn't look as good and then I also

382

00:17:38,990 --> 00:17:37,500

took the one minute video

383

00:17:41,450 --> 00:17:39,000

um

384

00:17:43,730 --> 00:17:41,460

one one thing I'll also say about how

385

00:17:46,310 --> 00:17:43,740

the object looked to us as opposed to in

386

00:17:48,230 --> 00:17:46,320

with our own eyes as opposed to how it

387

00:17:49,909 --> 00:17:48,240

would appear say in a photo that wasn't

388

00:17:51,950 --> 00:17:49,919

zoomed in

389

00:17:53,570 --> 00:17:51,960

um because I know for me when I when I

390

00:17:55,130 --> 00:17:53,580

usually just take a regular photo of

391

00:17:57,529 --> 00:17:55,140

something that's way often it's just in

392

00:17:59,750 --> 00:17:57,539

like a mountain or whatever the the

393

00:18:01,909 --> 00:17:59,760

photo or video always seems to make it

394

00:18:03,289 --> 00:18:01,919

look smaller than what you actually took

395

00:18:05,330 --> 00:18:03,299

off with your own eye so it is that they

396

00:18:08,750 --> 00:18:05,340

do Injustice to what you see in real

397

00:18:13,370 --> 00:18:08,760

time so I would say that with our eyes

398

00:18:15,650 --> 00:18:13,380

what we saw was approximately what the

399

00:18:17,690 --> 00:18:15,660

object would look like if it had been

400

00:18:19,370 --> 00:18:17,700

about two times zoomed in in other words

401  
00:18:21,230 --> 00:18:19,380  
the object was just bigger in our real

402  
00:18:23,570 --> 00:18:21,240  
view so if somebody's looking at the

403  
00:18:25,549 --> 00:18:23,580  
photos I mean those are zoomed in but I

404  
00:18:27,110 --> 00:18:25,559  
guess in the video you can see where I I

405  
00:18:29,390 --> 00:18:27,120  
kind of zoom in and out just to kind of

406  
00:18:32,570 --> 00:18:29,400  
get some scale and things like that and

407  
00:18:35,270 --> 00:18:32,580  
it looks smaller when I have no zoom in

408  
00:18:38,810 --> 00:18:35,280  
the video but what we saw actually look

409  
00:18:40,430 --> 00:18:38,820  
bigger you know to our eyes so I just

410  
00:18:41,750 --> 00:18:40,440  
kind of wanted to point that out you

411  
00:18:44,150 --> 00:18:41,760  
know somebody's looking at the photos or

412  
00:18:45,590 --> 00:18:44,160  
videos and just kind of wondering

413  
00:18:47,690 --> 00:18:45,600

um so we just continue to watch the

414

00:18:51,529 --> 00:18:47,700

object and just wondering what the heck

415

00:18:53,330 --> 00:18:51,539

it could be and it was just very one of

416

00:18:54,529 --> 00:18:53,340

the you know most interesting things a

417

00:18:56,270 --> 00:18:54,539

lot of interesting things about it but

418

00:18:58,789 --> 00:18:56,280

one of the most interesting things the

419

00:19:01,190 --> 00:18:58,799

entire time we watched it there was

420

00:19:03,710 --> 00:19:01,200

absolutely zero movement of the object

421

00:19:05,210 --> 00:19:03,720

zero movement none you can never moved

422

00:19:07,250 --> 00:19:05,220

it never went up never went down never

423

00:19:09,289 --> 00:19:07,260

went left never went right you know

424

00:19:11,210 --> 00:19:09,299

obviously there was some flickering but

425

00:19:13,310 --> 00:19:11,220

that was kind of thing caused by the the

426

00:19:15,049 --> 00:19:13,320

dust in the air and and this and that of

427

00:19:16,130 --> 00:19:15,059

the lights but the object itself never

428

00:19:19,250 --> 00:19:16,140

moved

429

00:19:22,250 --> 00:19:19,260

um and it also seemed odd to me at least

430

00:19:25,250 --> 00:19:22,260

to me because it it seemed to be so low

431

00:19:26,690 --> 00:19:25,260

in the sky I mean I it probably doesn't

432

00:19:28,610 --> 00:19:26,700

mean anything but it just seemed odd to

433

00:19:30,409 --> 00:19:28,620

me that was so low

434

00:19:32,750 --> 00:19:30,419

um but I also know that you know without

435

00:19:35,270 --> 00:19:32,760

actually knowing how far away it is or

436

00:19:37,730 --> 00:19:35,280

how big it is you really can't tell like

437

00:19:41,690 --> 00:19:37,740

what altitude or how how high it is at

438

00:19:44,390 --> 00:19:41,700

but it just seems low from our view then

439

00:19:47,390 --> 00:19:44,400

at about uh the three minute Mark like I

440

00:19:51,350 --> 00:19:47,400

said at most that the time was uh uh in

441

00:19:53,210 --> 00:19:51,360

our view the the object just suddenly uh

442

00:19:54,830 --> 00:19:53,220

excuse me from the three and a half

443

00:19:57,409 --> 00:19:54,840

three minute mark from the time it

444

00:19:59,150 --> 00:19:57,419

appeared to the time it just disappeared

445

00:20:01,070 --> 00:19:59,160

was about three minutes at that three

446

00:20:02,330 --> 00:20:01,080

minute mark it it literally just

447

00:20:06,049 --> 00:20:02,340

disappeared

448

00:20:08,750 --> 00:20:06,059

interesting and kind of amazing to me

449

00:20:10,090 --> 00:20:08,760

that's one of the things that the only

450

00:20:13,010 --> 00:20:10,100

thing I've been kicking myself about

451  
00:20:14,990 --> 00:20:13,020  
since that is because I stopped taking

452  
00:20:18,289 --> 00:20:15,000  
the video about 30 seconds before the

453  
00:20:20,810 --> 00:20:18,299  
object began to disappear and I was like

454  
00:20:23,270 --> 00:20:20,820  
oh my God why did I do that

455  
00:20:24,830 --> 00:20:23,280  
um but I did but I know we know what we

456  
00:20:27,289 --> 00:20:24,840  
saw and I'm going to try to describe it

457  
00:20:29,510 --> 00:20:27,299  
for you because it's really interesting

458  
00:20:32,029 --> 00:20:29,520  
um so as I said the object did begin to

459  
00:20:34,789 --> 00:20:32,039  
slowly disappear it did just vanish it

460  
00:20:36,590 --> 00:20:34,799  
didn't it uh go up or down or you know

461  
00:20:38,330 --> 00:20:36,600  
fly away or anything like that it just

462  
00:20:40,070 --> 00:20:38,340  
slowly began to disappear but how it

463  
00:20:41,930 --> 00:20:40,080

disappeared is really cool to watch

464

00:20:44,029 --> 00:20:41,940

like I said it wasn't sudden or anything

465

00:20:45,409 --> 00:20:44,039

but what happened is we were both

466

00:20:46,850 --> 00:20:45,419

watching it because we both said the

467

00:20:48,710 --> 00:20:46,860

same thing when it happened is wow

468

00:20:52,190 --> 00:20:48,720

that's cool what it's doing is each of

469

00:20:53,990 --> 00:20:52,200

the four uh maybe five depending I can't

470

00:20:55,970 --> 00:20:54,000

tell if there's four or five lights when

471

00:20:58,190 --> 00:20:55,980

I zoom in some if you're not zoomed in

472

00:21:00,110 --> 00:20:58,200

very much it looks like four oranger

473

00:21:04,190 --> 00:21:00,120

slides but there could be a possible

474

00:21:07,490 --> 00:21:04,200

fifth one but each of the four lights

475

00:21:10,370 --> 00:21:07,500

simply faded out and they faded out in

476  
00:21:13,070 --> 00:21:10,380  
unison like identically at the same time

477  
00:21:15,950 --> 00:21:13,080  
and that fading out process took about

478  
00:21:17,990 --> 00:21:15,960  
seven seconds to complete so in other

479  
00:21:20,870 --> 00:21:18,000  
words from the time it took from the

480  
00:21:24,110 --> 00:21:20,880  
outer edges of each separate orangish

481  
00:21:26,210 --> 00:21:24,120  
light to begin disappearing until the

482  
00:21:27,770 --> 00:21:26,220  
very smallest say inner dot of each

483  
00:21:29,690 --> 00:21:27,780  
light went away it took about seven

484  
00:21:32,830 --> 00:21:29,700  
seconds

485  
00:21:35,090 --> 00:21:32,840  
um so each of the oranges lights

486  
00:21:36,950 --> 00:21:35,100  
essentially disappeared from the outside

487  
00:21:47,930 --> 00:21:36,960  
in

488  
00:21:50,090 --> 00:21:47,940

that was really cool you know it's just

489

00:21:52,430 --> 00:21:50,100

so amazing to watch and then after the

490

00:21:54,590 --> 00:21:52,440

object faded away we just looked at each

491

00:21:55,610 --> 00:21:54,600

other and said wow that was super cool

492

00:21:57,789 --> 00:21:55,620

to watch

493

00:22:00,830 --> 00:21:57,799

foreign

494

00:22:02,690 --> 00:22:00,840

man and you know I do think it's

495

00:22:04,430 --> 00:22:02,700

interesting your location I'm really

496

00:22:07,250 --> 00:22:04,440

glad that you shared that with the

497

00:22:10,690 --> 00:22:07,260

listeners because there's very little

498

00:22:14,090 --> 00:22:10,700

even I mean it's just High Desert and

499

00:22:17,149 --> 00:22:14,100

it's literally you know in my opinion

500

00:22:19,549 --> 00:22:17,159

the the nation's most secret domestic

501  
00:22:22,310 --> 00:22:19,559  
military facility of course we have

502  
00:22:24,049 --> 00:22:22,320  
Nellis here closer to town but the US

503  
00:22:27,350 --> 00:22:24,059  
government really doesn't like talking

504  
00:22:31,669 --> 00:22:27,360  
about Area 51 and that I'm aware has

505  
00:22:34,149 --> 00:22:31,679  
never really fully admitted it exists uh

506  
00:22:39,049 --> 00:22:34,159  
what do you think Jeff any any

507  
00:22:44,570 --> 00:22:42,409  
very fascinating and very well uh uh

508  
00:22:46,549 --> 00:22:44,580  
described as Scott I really appreciate

509  
00:22:49,010 --> 00:22:46,559  
how you described it

510  
00:22:50,990 --> 00:22:49,020  
um I'm just wondering myself Scott have

511  
00:22:54,529 --> 00:22:51,000  
you seen some of the other videos that

512  
00:22:57,529 --> 00:22:54,539  
have been posted uh online

513  
00:22:58,970 --> 00:22:57,539

uh well I I haven't seen any other

514

00:23:01,730 --> 00:22:58,980

videos but

515

00:23:03,950 --> 00:23:01,740

um I haven't looked for them but I saw

516

00:23:05,630 --> 00:23:03,960

some of the you know the photos that the

517

00:23:07,310 --> 00:23:05,640

additional the original the original

518

00:23:08,510 --> 00:23:07,320

photo I'm not sure it was a video or

519

00:23:13,010 --> 00:23:08,520

photo

520

00:23:16,669 --> 00:23:13,020

videos that came out shortly after that

521

00:23:18,350 --> 00:23:16,679

and what if and it to me it was clearly

522

00:23:21,350 --> 00:23:18,360

the same object

523

00:23:23,149 --> 00:23:21,360

um first of all but at least in the ones

524

00:23:25,190 --> 00:23:23,159

I saw I thought there were some that

525

00:23:28,010 --> 00:23:25,200

didn't look like it but the ones I saw

526

00:23:30,350 --> 00:23:28,020

it was clearly the same object but I you

527

00:23:31,250 --> 00:23:30,360

know most of the others that I saw they

528

00:23:33,470 --> 00:23:31,260

were like

529

00:23:36,350 --> 00:23:33,480

kind of like what how I'd say city views

530

00:23:38,450 --> 00:23:36,360

or over the city or whatever so to

531

00:23:40,909 --> 00:23:38,460

contrast that with mine which was not a

532

00:23:42,529 --> 00:23:40,919

City View and another thing that I also

533

00:23:45,409 --> 00:23:42,539

found interesting that many of the I

534

00:23:48,230 --> 00:23:45,419

read a couple comments that many of the

535

00:23:50,690 --> 00:23:48,240

people who took the photos

536

00:23:52,690 --> 00:23:50,700

um said the same thing as as I said it

537

00:23:56,330 --> 00:23:52,700

was there and then it just wasn't there

538

00:23:57,950 --> 00:23:56,340

so I don't know they all had that same

539

00:24:01,250 --> 00:23:57,960

impression but I read that many of them

540

00:24:03,649 --> 00:24:01,260

did so this is what I was asking that is

541

00:24:06,610 --> 00:24:03,659

because yeah they the other videos I saw

542

00:24:10,970 --> 00:24:06,620

actually all the other ones except yours

543

00:24:14,390 --> 00:24:10,980

was basically over the strip and so I

544

00:24:17,390 --> 00:24:14,400

find it very fascinating and also their

545

00:24:20,090 --> 00:24:17,400

dates are two days earlier than what

546

00:24:22,250 --> 00:24:20,100

you're describing as well too

547

00:24:24,350 --> 00:24:22,260

um they say theirs was on the 25th or at

548

00:24:26,390 --> 00:24:24,360

least a couple that I've seen

549

00:24:27,470 --> 00:24:26,400

um which you know maybe they're wrong I

550

00:24:30,110 --> 00:24:27,480

don't know

551

00:24:32,330 --> 00:24:30,120

um but if it's separate days I'm just

552

00:24:35,450 --> 00:24:32,340

wondering if you've seen those videos

553

00:24:38,690 --> 00:24:35,460

and if you do relate that to what you

554

00:24:42,470 --> 00:24:38,700

were seeing yeah I I I don't I the ones

555

00:24:43,909 --> 00:24:42,480

I saw I think were the same day I'm not

556

00:24:46,370 --> 00:24:43,919

exactly positive because I don't think

557

00:24:49,070 --> 00:24:46,380

it was necessarily clearly communicated

558

00:24:50,630 --> 00:24:49,080

in what I saw so I can't really say I

559

00:24:54,610 --> 00:24:50,640

would be interested though that any that

560

00:24:57,350 --> 00:24:54,620

were talk taken on Thursday April 27th

561

00:24:59,210 --> 00:24:57,360

whether it's a photo or video because I

562

00:25:01,730 --> 00:24:59,220

I actually looked at the timestamps of

563

00:25:05,149 --> 00:25:01,740

my photos of videos and and I was

564

00:25:06,890 --> 00:25:05,159

curious like if somehow there'd be a

565

00:25:09,110 --> 00:25:06,900

comparison done at some point of the

566

00:25:11,590 --> 00:25:09,120

time stamps of the other photos and

567

00:25:16,430 --> 00:25:11,600

videos from the different areas like

568

00:25:19,130 --> 00:25:16,440

it might might maybe figure something

569

00:25:21,529 --> 00:25:19,140

out about maybe how it moved or

570

00:25:23,630 --> 00:25:21,539

disappeared or or whatever I I don't

571

00:25:25,850 --> 00:25:23,640

know I'm just curious

572

00:25:27,289 --> 00:25:25,860

um about checking the times of photos

573

00:25:29,750 --> 00:25:27,299

and videos that were taken and kind of

574

00:25:32,210 --> 00:25:29,760

doing a comparison I think you're dead I

575

00:25:35,149 --> 00:25:32,220

think you're dead on Scott I think that

576

00:25:37,909 --> 00:25:35,159

um kind of triangulating how it all

577

00:25:40,010 --> 00:25:37,919

happened and the the time stamps and the

578

00:25:42,529 --> 00:25:40,020

dates the ones that I have come across

579

00:25:44,690 --> 00:25:42,539

and had sent to me one was from

580

00:25:48,649 --> 00:25:44,700

Henderson and the other one was a guy

581

00:25:50,750 --> 00:25:48,659

walking to uh the store and like you

582

00:25:53,510 --> 00:25:50,760

like you guys said these are both city

583

00:25:57,529 --> 00:25:53,520

views and the ambient light kind of

584

00:26:00,110 --> 00:25:57,539

takes away from the actual footage uh

585

00:26:02,750 --> 00:26:00,120

and it in no way compares to yours yours

586

00:26:05,450 --> 00:26:02,760

is so clear that you can actually kind

587

00:26:08,269 --> 00:26:05,460

of see the shape of the lights you can

588

00:26:11,029 --> 00:26:08,279

see you know how low it is which in all

589

00:26:13,789 --> 00:26:11,039

the footage it seems very low but for

590

00:26:16,250 --> 00:26:13,799

something that low you would think that

591

00:26:18,470 --> 00:26:16,260

there would be at least you know some

592

00:26:21,529 --> 00:26:18,480

other telltale signs maybe an outline

593

00:26:24,710 --> 00:26:21,539

anything like that did you have any gut

594

00:26:26,470 --> 00:26:24,720

feeling or reaction when you saw it

595

00:26:30,890 --> 00:26:26,480

uh

596

00:26:34,549 --> 00:26:30,900

gut gut reaction was that there

597

00:26:36,710 --> 00:26:34,559

was a Structure behind it but he

598

00:26:39,529 --> 00:26:36,720

couldn't just quite make it out and

599

00:26:42,169 --> 00:26:39,539

though and then the the red that's my

600

00:26:44,269 --> 00:26:42,179

just my gut reaction then the and then

601  
00:26:47,029 --> 00:26:44,279  
the reddish orange lights or whatever

602  
00:26:49,730 --> 00:26:47,039  
you want to call them were at like more

603  
00:26:51,830 --> 00:26:49,740  
or less I don't wanna parts of it or

604  
00:26:53,210 --> 00:26:51,840  
corners of it or whatever that's just my

605  
00:26:54,710 --> 00:26:53,220  
gut reaction when we were kind of

606  
00:26:58,130 --> 00:26:54,720  
looking at where the horizontal lights

607  
00:27:00,350 --> 00:26:58,140  
were located and whatnot and and one

608  
00:27:02,090 --> 00:27:00,360  
thing I do want to add for for people

609  
00:27:04,070 --> 00:27:02,100  
who have looked at the couple photos or

610  
00:27:06,649 --> 00:27:04,080  
videos that I

611  
00:27:07,850 --> 00:27:06,659  
submitted to you Ryan

612  
00:27:10,370 --> 00:27:07,860  
um I just want to clarify something

613  
00:27:12,590 --> 00:27:10,380

about the dusty look in the photos and

614

00:27:14,570 --> 00:27:12,600

the video of the object

615

00:27:16,370 --> 00:27:14,580

um because I'm sure some people wondered

616

00:27:17,750 --> 00:27:16,380

that is as I said the view and the

617

00:27:19,250 --> 00:27:17,760

photos of the videos

618

00:27:21,710 --> 00:27:19,260

um pretty much looks to the north of our

619

00:27:23,690 --> 00:27:21,720

house and I'm sure like I said a couple

620

00:27:25,370 --> 00:27:23,700

feet and no couple people noticed or

621

00:27:27,769 --> 00:27:25,380

many people or whatever notice some

622

00:27:30,230 --> 00:27:27,779

dustiness around the object

623

00:27:32,690 --> 00:27:30,240

um so here's what happened there's a

624

00:27:35,149 --> 00:27:32,700

limestone Quarry that is Northwest of

625

00:27:37,190 --> 00:27:35,159

our house and it takes up a goodly piece

626  
00:27:39,350 --> 00:27:37,200  
of desert and goes up to a certain spot

627  
00:27:42,110 --> 00:27:39,360  
at the base of the spring mountains well

628  
00:27:43,789 --> 00:27:42,120  
for some strange reason uh that quarry

629  
00:27:45,649 --> 00:27:43,799  
happened to be doing some work in the

630  
00:27:48,230 --> 00:27:45,659  
later evening that night and I don't

631  
00:27:49,610 --> 00:27:48,240  
know why because it's atypical

632  
00:27:52,669 --> 00:27:49,620  
um and whatever they were doing was

633  
00:27:54,350 --> 00:27:52,679  
kicking up quite a bit of desert dust uh

634  
00:27:56,149 --> 00:27:54,360  
plus that knife happened to be a very

635  
00:27:57,890 --> 00:27:56,159  
windy night like you hear that in the

636  
00:27:59,450 --> 00:27:57,900  
video you can kind of hear the effect of

637  
00:28:00,950 --> 00:27:59,460  
the wind

638  
00:28:03,590 --> 00:28:00,960

um so it's kind of like a perfect score

639

00:28:05,330 --> 00:28:03,600

perfect storm so to speak to create kind

640

00:28:07,190 --> 00:28:05,340

of a low level of desert dust in the air

641

00:28:09,529 --> 00:28:07,200

it was kind of just hovering over the

642

00:28:11,210 --> 00:28:09,539

the surface and if you look like in a

643

00:28:14,570 --> 00:28:11,220

video above it you can see you know it's

644

00:28:15,710 --> 00:28:14,580

a nice bright black Sky

645

00:28:16,669 --> 00:28:15,720

um so that's why I just wanted to

646

00:28:18,230 --> 00:28:16,679

mention that because that's why the

647

00:28:19,850 --> 00:28:18,240

photo in the photos and videos you see

648

00:28:22,010 --> 00:28:19,860

the object through kind of a white thin

649

00:28:25,669 --> 00:28:22,020

Cloud well that's like desert dust that

650

00:28:28,010 --> 00:28:25,679

was whipping around in the wind and

651  
00:28:30,529 --> 00:28:28,020  
um unfortunately that was like that but

652  
00:28:33,049 --> 00:28:30,539  
it you know obviously it's it's fine but

653  
00:28:35,930 --> 00:28:33,059  
every night since then it's been just a

654  
00:28:39,590 --> 00:28:35,940  
completely clear view so

655  
00:28:42,289 --> 00:28:39,600  
um so that's kind of a strange twist so

656  
00:28:45,409 --> 00:28:42,299  
and Jim that was a question I had as

657  
00:28:48,350 --> 00:28:45,419  
well too is what was the weather like

658  
00:28:52,070 --> 00:28:48,360  
then was it a clear sky is this how you

659  
00:28:54,110 --> 00:28:52,080  
described yep it was pure bright black

660  
00:28:55,370 --> 00:28:54,120  
Starry Sky

661  
00:28:56,930 --> 00:28:55,380  
um the only thing is there was that

662  
00:28:58,310 --> 00:28:56,940  
lower level and you can kind of see

663  
00:29:00,049 --> 00:28:58,320

exactly what I'm talking about if you

664

00:29:03,289 --> 00:29:00,059

watch the video and zooming in and out

665

00:29:05,870 --> 00:29:03,299

if it's just a relatively thin layer

666

00:29:08,630 --> 00:29:05,880

that's just above the surface but other

667

00:29:12,850 --> 00:29:08,640

than that this guy was completely clear

668

00:29:18,649 --> 00:29:15,649

Jeff you're really familiar with that

669

00:29:20,990 --> 00:29:18,659

area we've kind of uh you I mean you

670

00:29:22,789 --> 00:29:21,000

grew up here and we've we've kind of

671

00:29:25,730 --> 00:29:22,799

gone up into these mountain ranges

672

00:29:29,149 --> 00:29:25,740

before and you're familiar with like how

673

00:29:32,450 --> 00:29:29,159

little there is behind there

674

00:29:35,330 --> 00:29:32,460

um there there are some native remnants

675

00:29:37,490 --> 00:29:35,340

of like past tribes and things of that

676

00:29:39,470 --> 00:29:37,500

nature what what are your thoughts of

677

00:29:47,750 --> 00:29:39,480

all this Jeff having been you know born

678

00:29:53,210 --> 00:29:51,230

most of my life living there I never I

679

00:29:55,310 --> 00:29:53,220

mean besides just everything you've

680

00:29:59,029 --> 00:29:55,320

heard of Area 51

681

00:30:01,010 --> 00:29:59,039

you know I never saw UFOs or anything

682

00:30:02,930 --> 00:30:01,020

like that

683

00:30:05,510 --> 00:30:02,940

um it's just recently I mean it was the

684

00:30:08,570 --> 00:30:05,520

Steve Barone video that he captured over

685

00:30:11,810 --> 00:30:08,580

Little Red Rock there that really Drew

686

00:30:14,690 --> 00:30:11,820

my attention and uh as me and you have

687

00:30:17,210 --> 00:30:14,700

gone and looked at the petroglyphs up in

688

00:30:18,649 --> 00:30:17,220

that area they're really fascinating and

689

00:30:22,850 --> 00:30:18,659

there's some that are kind of

690

00:30:25,070 --> 00:30:22,860

undescribable almost who are they is are

691

00:30:27,710 --> 00:30:25,080

they depicting an alien in some of these

692

00:30:31,190 --> 00:30:27,720

petroglyphs out there and so I find it

693

00:30:35,029 --> 00:30:31,200

very fascinating that uh most of these

694

00:30:37,490 --> 00:30:35,039

UFOs that I'm seeing videos of are over

695

00:30:41,149 --> 00:30:37,500

that area so it makes me wonder what is

696

00:30:44,870 --> 00:30:41,159

going on right there and is there some

697

00:30:46,850 --> 00:30:44,880

importance there or I don't know I don't

698

00:30:49,490 --> 00:30:46,860

I don't know how to respond to that I'm

699

00:30:51,350 --> 00:30:49,500

that's why I'm so fascinating I mean you

700

00:30:53,930 --> 00:30:51,360

guys got me away from the Golden Knights

701  
00:30:55,370 --> 00:30:53,940  
hockey game to hear this because I gotta

702  
00:30:58,070 --> 00:30:55,380  
know more I got to know what the hell

703  
00:31:01,490 --> 00:30:58,080  
going on in that area

704  
00:31:04,430 --> 00:31:01,500  
to have this keep occurring because

705  
00:31:05,570 --> 00:31:04,440  
Steve Barone keeps putting out videos as

706  
00:31:07,730 --> 00:31:05,580  
well

707  
00:31:10,430 --> 00:31:07,740  
um you know he captures them over and

708  
00:31:13,730 --> 00:31:10,440  
over in that area so I'm just really

709  
00:31:15,889 --> 00:31:13,740  
fascinated and I'm so happy that you're

710  
00:31:18,769 --> 00:31:15,899  
sharing this with this God I I couldn't

711  
00:31:21,049 --> 00:31:18,779  
can't tell you how happy I am about this

712  
00:31:23,930 --> 00:31:21,059  
oh awesome

713  
00:31:26,570 --> 00:31:23,940

and Scott I think you know what's so

714

00:31:28,490 --> 00:31:26,580

funny is the last time Jeff was in town

715

00:31:30,529 --> 00:31:28,500

which was not that long ago we were

716

00:31:34,909 --> 00:31:30,539

actually discussing this

717

00:31:37,789 --> 00:31:34,919

and we were talking about how we you can

718

00:31:41,230 --> 00:31:37,799

see lights on certain nights and they're

719

00:31:45,830 --> 00:31:41,240

in places where it's absolutely

720

00:31:47,990 --> 00:31:45,840

impossible for any vehicle or object or

721

00:31:51,230 --> 00:31:48,000

even even a low-flying aircraft would

722

00:31:55,490 --> 00:31:51,240

would not try to these these mountains

723

00:31:59,630 --> 00:31:55,500

are fairly rugged and the the way the

724

00:32:00,669 --> 00:31:59,640

lights appear manifest hover and

725

00:32:03,470 --> 00:32:00,679

disappear

726  
00:32:08,210 --> 00:32:03,480  
seems either

727  
00:32:11,389 --> 00:32:08,220  
either an absolute best it is a

728  
00:32:13,789 --> 00:32:11,399  
technology that I'm unfamiliar with and

729  
00:32:16,070 --> 00:32:13,799  
I guess that the strangest thing for me

730  
00:32:21,649 --> 00:32:16,080  
is what are their motives like or what

731  
00:32:21,659 --> 00:32:26,649  
you know Ryan yeah

732  
00:32:32,630 --> 00:32:30,169  
I don't know I mean I'm my mind is just

733  
00:32:33,830 --> 00:32:32,640  
spinning right now

734  
00:32:36,769 --> 00:32:33,840  
um but

735  
00:32:37,730 --> 00:32:36,779  
you're so right about that and and you

736  
00:32:42,230 --> 00:32:37,740  
know

737  
00:32:45,769 --> 00:32:42,240  
our technology is it something coming

738  
00:32:49,789 --> 00:32:45,779

out of Area 51 because what a perfect

739

00:32:52,310 --> 00:32:49,799

place to be able to you know

740

00:32:54,529 --> 00:32:52,320

take things out and experiment with

741

00:32:57,649 --> 00:32:54,539

certain type of crafts because in Las

742

00:32:59,810 --> 00:32:57,659

Vegas the sky is very bright there

743

00:33:02,750 --> 00:32:59,820

um I mean you used to live here Ryan in

744

00:33:05,210 --> 00:33:02,760

in Salt Lake City where I live now and

745

00:33:07,010 --> 00:33:05,220

you know basically and I'm sure you know

746

00:33:09,289 --> 00:33:07,020

this too Scott you know you go travel to

747

00:33:12,289 --> 00:33:09,299

any other city and it's pretty dark

748

00:33:14,330 --> 00:33:12,299

every city at night time Las Vegas is a

749

00:33:16,970 --> 00:33:14,340

different story Las Vegas is very bright

750

00:33:19,250 --> 00:33:16,980

there's all kinds of Lights there so

751

00:33:21,950 --> 00:33:19,260

most people are not looking in the sky

752

00:33:24,470 --> 00:33:21,960

most people are not looking for strange

753

00:33:26,930 --> 00:33:24,480

objects in the sky and when you do

754

00:33:28,610 --> 00:33:26,940

can you really identify it because of

755

00:33:31,430 --> 00:33:28,620

all the things that happened in Las

756

00:33:35,330 --> 00:33:31,440

Vegas so I think it's a perfect place

757

00:33:37,430 --> 00:33:35,340

for you know if it's one of our crafts

758

00:33:39,529 --> 00:33:37,440

you know as far as like Black Ops

759

00:33:41,570 --> 00:33:39,539

project or something like that it's a

760

00:33:43,730 --> 00:33:41,580

perfect place to fly it because you know

761

00:33:47,149 --> 00:33:43,740

you can disguise it very easily in the

762

00:33:50,210 --> 00:33:47,159

sky there so again I'm my mind's just

763

00:33:52,669 --> 00:33:50,220

spinning right now on what is this and

764

00:33:55,789 --> 00:33:52,679

where did it come from

765

00:33:59,330 --> 00:33:55,799

and Scott you know we have a Mutual

766

00:34:04,269 --> 00:33:59,340

contact who has some upper military

767

00:34:07,009 --> 00:34:04,279

brass intelligence connections and

768

00:34:09,770 --> 00:34:07,019

basically when we were asking questions

769

00:34:12,889 --> 00:34:09,780

and asked if he could run some of this

770

00:34:14,930 --> 00:34:12,899

up the flagpole and get back to us his

771

00:34:19,669 --> 00:34:14,940

response was kind of strange and hard

772

00:34:22,149 --> 00:34:19,679

for me to uh believe because he claimed

773

00:34:26,030 --> 00:34:22,159

that it was

774

00:34:29,149 --> 00:34:26,040

a exotic propulsion test

775

00:34:32,690 --> 00:34:29,159

in the from the Creech Air Force Base

776

00:34:35,210 --> 00:34:32,700

now what I find odd about that is over

777

00:34:38,149 --> 00:34:35,220

there uh near Indian Springs and Creech

778

00:34:39,950 --> 00:34:38,159

that's a very small town and I would

779

00:34:42,349 --> 00:34:39,960

think that if anybody saw anything

780

00:34:46,430 --> 00:34:42,359

remotely like this it would make news

781

00:34:48,589 --> 00:34:46,440

however I haven't talked to anybody in

782

00:34:50,930 --> 00:34:48,599

that area who's seen anything like this

783

00:34:55,250 --> 00:34:50,940

so I mean can we believe everything not

784

00:34:57,310 --> 00:34:55,260

really or no what you know it's it's so

785

00:35:01,250 --> 00:34:57,320

tough and of course Nellis came forward

786

00:35:03,170 --> 00:35:01,260

very quickly which surprised me they

787

00:35:06,349 --> 00:35:03,180

came right out and said we had nothing

788

00:35:08,589 --> 00:35:06,359

to do with it and we didn't see anything

789

00:35:11,030 --> 00:35:08,599

uh-huh

790

00:35:13,970 --> 00:35:11,040

that's what it's not very familiar with

791

00:35:16,670 --> 00:35:13,980

is the Creech one uh because I've sat

792

00:35:19,250 --> 00:35:16,680

many nights out in that desert observing

793

00:35:21,650 --> 00:35:19,260

that area and I'm going to tell you what

794

00:35:25,370 --> 00:35:21,660

I've never seen anything come or leave

795

00:35:28,370 --> 00:35:25,380

from that place uh one bit and I've

796

00:35:30,950 --> 00:35:28,380

spent many many nights out there uh

797

00:35:33,470 --> 00:35:30,960

putting eyes on that the whole time not

798

00:35:36,290 --> 00:35:33,480

looking away and again I've never seen

799

00:35:39,950 --> 00:35:36,300

anything come from that base I do know

800

00:35:40,970 --> 00:35:39,960

it's one of the top drone bases in the

801  
00:35:43,670 --> 00:35:40,980  
world

802  
00:35:45,650 --> 00:35:43,680  
um and so it's a very interesting place

803  
00:35:48,410 --> 00:35:45,660  
but again I've never seen anything leave

804  
00:35:50,930 --> 00:35:48,420  
there I've never you know I've been deep

805  
00:35:53,690 --> 00:35:50,940  
into the desert there uh basically in

806  
00:35:56,089 --> 00:35:53,700  
area 54 and again I've never seen

807  
00:35:59,750 --> 00:35:56,099  
anything that I would say they're flying

808  
00:36:01,609 --> 00:35:59,760  
anything out of that area but again

809  
00:36:04,370 --> 00:36:01,619  
now I think this is the perfect

810  
00:36:07,010 --> 00:36:04,380  
playground for them to fly and test

811  
00:36:08,450 --> 00:36:07,020  
things out in the open and you know

812  
00:36:10,370 --> 00:36:08,460  
before you guys started this interview

813  
00:36:13,010 --> 00:36:10,380

you guys brought up

814

00:36:16,730 --> 00:36:13,020

um the lights over Arizona the triangles

815

00:36:19,069 --> 00:36:16,740

craft over Arizona and uh I'm sure you

816

00:36:21,890 --> 00:36:19,079

guys are aware that it was first spotted

817

00:36:23,210 --> 00:36:21,900

over Henderson before it was spotted in

818

00:36:27,349 --> 00:36:23,220

in Arizona

819

00:36:30,349 --> 00:36:27,359

so I I constantly Wonder too is that

820

00:36:33,470 --> 00:36:30,359

something that is made from this Earth

821

00:36:35,930 --> 00:36:33,480

and where the you know I don't know

822

00:36:38,630 --> 00:36:35,940

there's a lot of questions well in in my

823

00:36:41,569 --> 00:36:38,640

opinion the when you compare all the

824

00:36:43,069 --> 00:36:41,579

different sightings that happened

825

00:36:46,609 --> 00:36:43,079

um in the last week

826

00:36:49,790 --> 00:36:46,619

uh around that one two or one or two day

827

00:36:52,790 --> 00:36:49,800

period where they were what they looked

828

00:36:54,050 --> 00:36:52,800

like and then of course with what I saw

829

00:36:58,670 --> 00:36:54,060

um as well

830

00:37:00,950 --> 00:36:58,680

I I think the the Creech explanation is

831

00:37:03,050 --> 00:37:00,960

just if that's what somebody said it's

832

00:37:06,410 --> 00:37:03,060

entirely a deflection of some sort

833

00:37:08,030 --> 00:37:06,420

because it just doesn't make sense with

834

00:37:10,430 --> 00:37:08,040

all of the different photos and videos

835

00:37:12,770 --> 00:37:10,440

that were captured that that would be

836

00:37:15,170 --> 00:37:12,780

what that individual was saying it would

837

00:37:17,569 --> 00:37:15,180

be or was

838

00:37:20,630 --> 00:37:17,579

um I just I just that just kind of

839

00:37:22,910 --> 00:37:20,640

smells funny to me that was my initial

840

00:37:27,530 --> 00:37:22,920

thought it seemed tantalizing at first

841

00:37:30,890 --> 00:37:27,540

but it made zero sense especially you

842

00:37:33,230 --> 00:37:30,900

know the angle and to report that it

843

00:37:34,490 --> 00:37:33,240

just it I I just have a hard time

844

00:37:38,150 --> 00:37:34,500

believing that

845

00:37:40,430 --> 00:37:38,160

and I and I and I actually I uh

846

00:37:42,950 --> 00:37:40,440

I actually

847

00:37:45,109 --> 00:37:42,960

kind of disagree with the Las Vegas area

848

00:37:48,890 --> 00:37:45,119

or even just the nearby mountains would

849

00:37:52,730 --> 00:37:48,900

be a perfect playground for Area 51

850

00:37:55,609 --> 00:37:52,740

um type experimentation or whatever

851

00:37:58,490 --> 00:37:55,619

um because yeah it's it certainly would

852

00:38:01,010 --> 00:37:58,500

be okay you know in a nice place but do

853

00:38:04,490 --> 00:38:01,020

they really need this place they already

854

00:38:07,550 --> 00:38:04,500

have a huge complex with absolutely

855

00:38:10,130 --> 00:38:07,560

nothing around it in every direction for

856

00:38:13,250 --> 00:38:10,140

oftentimes a hundred miles

857

00:38:16,609 --> 00:38:13,260

why would they even needed risks

858

00:38:19,670 --> 00:38:16,619

doing something experimental wise even

859

00:38:21,770 --> 00:38:19,680

if it's only fairly close to say the

860

00:38:25,010 --> 00:38:21,780

large population area I mean that's just

861

00:38:31,609 --> 00:38:25,020

my thought but that's a good question I

862

00:38:36,890 --> 00:38:33,950

maybe we are trying to see what the

863

00:38:40,490 --> 00:38:36,900

response is I mean I know Ryan you just

864

00:38:42,290 --> 00:38:40,500

did a a show on project bluebeam and I

865

00:38:44,329 --> 00:38:42,300

did as well

866

00:38:46,730 --> 00:38:44,339

um and so you know

867

00:38:47,870 --> 00:38:46,740

I have thoughts that are actually trying

868

00:38:51,890 --> 00:38:47,880

to

869

00:38:54,230 --> 00:38:51,900

get the public conditions for the UFOs

870

00:38:57,530 --> 00:38:54,240

now so maybe they can pull a project

871

00:38:59,569 --> 00:38:57,540

blue beam off and so this is where I'm

872

00:39:02,150 --> 00:38:59,579

wondering as well too is this something

873

00:39:04,370 --> 00:39:02,160

that they're doing intentionally to get

874

00:39:06,470 --> 00:39:04,380

the public talking about it and

875

00:39:09,109 --> 00:39:06,480

believing in the class because they've

876

00:39:10,250 --> 00:39:09,119

been denying it for so long I mean I

877

00:39:14,150 --> 00:39:10,260

don't know what's your thoughts on that

878

00:39:19,430 --> 00:39:15,910

go for it Scott

879

00:39:23,030 --> 00:39:19,440

well I I think yeah that's that could be

880

00:39:26,690 --> 00:39:23,040

you know more of a kind of a

881

00:39:28,970 --> 00:39:26,700

a step in the stairs you know kind of

882

00:39:33,349 --> 00:39:28,980

thing towards you know

883

00:39:41,089 --> 00:39:37,370

it it is eerily reminiscent of

884

00:39:44,329 --> 00:39:41,099

the Phoenix Lights especially the color

885

00:39:47,150 --> 00:39:44,339

the way it hovered and didn't move the

886

00:39:50,569 --> 00:39:47,160

usual players came out and tried to

887

00:39:53,150 --> 00:39:50,579

explain it away as these flares which

888

00:39:55,490 --> 00:39:53,160

that that I doubt that that it just

889

00:39:56,530 --> 00:39:55,500

didn't pass the smell test right the

890

00:40:00,589 --> 00:39:56,540

sniff test

891

00:40:05,089 --> 00:40:00,599

and you know there are a number of

892

00:40:08,870 --> 00:40:05,099

Defense contractors in that in that

893

00:40:10,030 --> 00:40:08,880

secretive base 75 miles north of where

894

00:40:14,210 --> 00:40:10,040

you live

895

00:40:16,250 --> 00:40:14,220

and they never like you said they they

896

00:40:18,710 --> 00:40:16,260

really don't need to come down here

897

00:40:21,290 --> 00:40:18,720

there's a reason that bass is so massive

898

00:40:22,970 --> 00:40:21,300

it's not small sized it's been they've

899

00:40:27,170 --> 00:40:22,980

been they've been working on that base

900

00:40:31,910 --> 00:40:27,180

for over 60 years and they have all of

901  
00:40:34,609 --> 00:40:31,920  
the area and places to do things that

902  
00:40:36,650 --> 00:40:34,619  
they you know you could they've I don't

903  
00:40:39,050 --> 00:40:36,660  
want to get into it but I mean there's

904  
00:40:40,130 --> 00:40:39,060  
no reason to come this close to the

905  
00:40:42,589 --> 00:40:40,140  
playground

906  
00:40:44,510 --> 00:40:42,599  
right there's not only is it massive but

907  
00:40:45,829 --> 00:40:44,520  
in every direction

908  
00:40:49,130 --> 00:40:45,839  
it's

909  
00:40:51,710 --> 00:40:49,140  
endless land where there's nothing you

910  
00:40:53,990 --> 00:40:51,720  
know so it's not easy accessible either

911  
00:40:57,109 --> 00:40:54,000  
it's super hard to get out into that

912  
00:40:59,210 --> 00:40:57,119  
area so your average person is not going

913  
00:41:01,190 --> 00:40:59,220

to venture out in there it's just people

914

00:41:03,589 --> 00:41:01,200

like you know me and some of my friends

915

00:41:05,750 --> 00:41:03,599

that are very eager to find stuff out

916

00:41:08,690 --> 00:41:05,760

that will Journey out into those areas

917

00:41:10,190 --> 00:41:08,700

but to get deep into the base where

918

00:41:12,170 --> 00:41:10,200

they're doing this stuff you can't even

919

00:41:15,050 --> 00:41:12,180

get there so that's out of the question

920

00:41:16,910 --> 00:41:15,060

so I mean you're right there you know

921

00:41:20,450 --> 00:41:16,920

they have the perfect playground right

922

00:41:23,270 --> 00:41:20,460

there but if they want to see the

923

00:41:25,430 --> 00:41:23,280

Public's reaction then maybe that's

924

00:41:29,150 --> 00:41:25,440

where they do kind of bring it out into

925

00:41:31,490 --> 00:41:29,160

this area I'm not sure you know

926  
00:41:33,829 --> 00:41:31,500  
and you know things are not always what

927  
00:41:38,150 --> 00:41:33,839  
they appear and unfortunately with Area

928  
00:41:40,849 --> 00:41:38,160  
51 and uh you know Nellis and a bunch of

929  
00:41:43,790 --> 00:41:40,859  
the other bases there is kind of a

930  
00:41:47,630 --> 00:41:43,800  
muddled history of people claiming to

931  
00:41:50,390 --> 00:41:47,640  
have seen things or worked on projects I

932  
00:41:52,790 --> 00:41:50,400  
Charles Hall comes to mind of course Bob

933  
00:41:55,130 --> 00:41:52,800  
Lazar Jeff you have some interesting

934  
00:41:57,950 --> 00:41:55,140  
information on Bob Lazar could you share

935  
00:42:00,530 --> 00:41:57,960  
that with Scott and kind of explain your

936  
00:42:02,089 --> 00:42:00,540  
connection to Bob

937  
00:42:04,849 --> 00:42:02,099  
yeah

938  
00:42:06,410 --> 00:42:04,859

um you know I I didn't really know who

939

00:42:08,210 --> 00:42:06,420

he was at first

940

00:42:12,829 --> 00:42:08,220

um at the time

941

00:42:16,069 --> 00:42:12,839

um this was back in uh 1988 and 1989 uh

942

00:42:19,870 --> 00:42:16,079

my best friend at the time his mom was

943

00:42:24,109 --> 00:42:19,880

uh one of the top psychiatrists in town

944

00:42:26,390 --> 00:42:24,119

and she's very well known and this guy

945

00:42:28,550 --> 00:42:26,400

would come over to her house and we

946

00:42:30,290 --> 00:42:28,560

would get kicked out of the house and we

947

00:42:32,690 --> 00:42:30,300

didn't really care we kind of knew who

948

00:42:35,390 --> 00:42:32,700

Bob was because he actually was on the

949

00:42:38,630 --> 00:42:35,400

news uh for his rocket cars and stuff

950

00:42:40,849 --> 00:42:38,640

like that and so he would come over and

951  
00:42:43,370 --> 00:42:40,859  
he had this amazing Corvette with the

952  
00:42:53,890 --> 00:42:43,380  
roll cage in there and he had this

953  
00:42:59,569 --> 00:42:56,810  
what he wanted the radar for the police

954  
00:43:01,790 --> 00:42:59,579  
radar to to read and so he could be

955  
00:43:04,190 --> 00:43:01,800  
doing 150 in his Corvette and have it

956  
00:43:07,010 --> 00:43:04,200  
typed in for 55 miles an hour if he

957  
00:43:09,109 --> 00:43:07,020  
wanted to and so we would get kicked out

958  
00:43:11,390 --> 00:43:09,119  
of the house and again we didn't care

959  
00:43:13,250 --> 00:43:11,400  
we go out into looking at his Corvette

960  
00:43:15,109 --> 00:43:13,260  
you know we're two 18 year old kids that

961  
00:43:17,750 --> 00:43:15,119  
are just like wow check this thing out

962  
00:43:21,050 --> 00:43:17,760  
this is absolutely amazing and then

963  
00:43:23,750 --> 00:43:21,060

months down the road is when everything

964

00:43:27,589 --> 00:43:23,760

busted out with uh George Knapp and

965

00:43:29,990 --> 00:43:27,599

everything about him uh you know being a

966

00:43:33,589 --> 00:43:30,000

whistleblower for Area 51 it was like

967

00:43:35,089 --> 00:43:33,599

holy cow that's him wow and you know she

968

00:43:37,790 --> 00:43:35,099

always claimed that they were just

969

00:43:40,130 --> 00:43:37,800

friends and so at the time I believed it

970

00:43:42,050 --> 00:43:40,140

but you know it was years and years

971

00:43:44,750 --> 00:43:42,060

later that I started to really think

972

00:43:48,410 --> 00:43:44,760

about it and go you know what maybe they

973

00:43:50,390 --> 00:43:48,420

were maybe that was her her client you

974

00:43:52,430 --> 00:43:50,400

know because he was dealing with a lot

975

00:43:54,589 --> 00:43:52,440

of different stuff at that time that he

976  
00:43:56,809 --> 00:43:54,599  
talks about you know being shot out

977  
00:43:59,569 --> 00:43:56,819  
especially after he turned uh

978  
00:44:01,730 --> 00:43:59,579  
whistleblower but there was a lot of

979  
00:44:04,250 --> 00:44:01,740  
emotional stuff that he was dealing with

980  
00:44:06,710 --> 00:44:04,260  
so maybe he was actually there as a

981  
00:44:09,170 --> 00:44:06,720  
client seeing her and that's why we were

982  
00:44:11,210 --> 00:44:09,180  
being kicked out of the house

983  
00:44:12,890 --> 00:44:11,220  
um so it was very interesting and you

984  
00:44:14,569 --> 00:44:12,900  
know I remember walking past him you

985  
00:44:16,730 --> 00:44:14,579  
know several times as he was going in

986  
00:44:18,349 --> 00:44:16,740  
and we were going out

987  
00:44:21,650 --> 00:44:18,359  
um you know never really talked to him

988  
00:44:25,130 --> 00:44:21,660

because again I had no idea who who he

989

00:44:27,710 --> 00:44:25,140

was going to become in the future and uh

990

00:44:30,170 --> 00:44:27,720

you know so it was very amazing and uh

991

00:44:32,809 --> 00:44:30,180

very interesting I think that's a really

992

00:44:36,109 --> 00:44:32,819

cool story I'm I'm familiar with the Bob

993

00:44:38,089 --> 00:44:36,119

was ours the Bob Lazar story and I find

994

00:44:41,270 --> 00:44:38,099

it really fascinating

995

00:44:43,190 --> 00:44:41,280

Scott have you heard this is sort of an

996

00:44:45,950 --> 00:44:43,200

interesting the only reason I bring this

997

00:44:48,609 --> 00:44:45,960

up is this is something that happened in

998

00:44:52,790 --> 00:44:48,619

that same desert it's the same basic

999

00:44:55,849 --> 00:44:52,800

angle of or Direction where those lights

1000

00:45:02,390 --> 00:44:55,859

showed up uh have you heard of the story

1001  
00:45:07,490 --> 00:45:04,309  
I think so

1002  
00:45:09,589 --> 00:45:07,500  
okay there was it's interesting because

1003  
00:45:11,690 --> 00:45:09,599  
you can it you can do a quick YouTube

1004  
00:45:15,050 --> 00:45:11,700  
search of it and the information that's

1005  
00:45:17,329 --> 00:45:15,060  
out there it's just enough to make it

1006  
00:45:20,750 --> 00:45:17,339  
super weird with like of course the

1007  
00:45:23,510 --> 00:45:20,760  
abrupt open-ended uh

1008  
00:45:25,550 --> 00:45:23,520  
ending which which nobody knows what

1009  
00:45:28,609 --> 00:45:25,560  
happened to this individual but there

1010  
00:45:32,089 --> 00:45:28,619  
was a hiker who kind of

1011  
00:45:35,870 --> 00:45:32,099  
took pride in going way out into these

1012  
00:45:40,910 --> 00:45:35,880  
Outback areas and he came across a cave

1013  
00:45:43,750 --> 00:45:40,920

in the shape of an m and he

1014

00:45:46,910 --> 00:45:43,760

something about the cave and energy

1015

00:45:49,609 --> 00:45:46,920

he said that he felt strangely he didn't

1016

00:45:51,349 --> 00:45:49,619

want to go in it he he he mentioned the

1017

00:45:54,050 --> 00:45:51,359

possibility of something

1018

00:45:56,329 --> 00:45:54,060

other worldly possibly living in this

1019

00:45:58,910 --> 00:45:56,339

cave and he posted this on his YouTube

1020

00:46:01,069 --> 00:45:58,920

channel and he kind of got shamed into

1021

00:46:03,349 --> 00:46:01,079

you know why didn't you go in there well

1022

00:46:06,650 --> 00:46:03,359

he went back for another round into the

1023

00:46:08,630 --> 00:46:06,660

M cave and it was in this General uh

1024

00:46:11,510 --> 00:46:08,640

Direction this vicinity that we're

1025

00:46:13,670 --> 00:46:11,520

talking about and he never came back he

1026

00:46:16,609 --> 00:46:13,680

was uh that was the end so we don't know

1027

00:46:19,370 --> 00:46:16,619

if he went in the EM cave if he came out

1028

00:46:21,530 --> 00:46:19,380

of the M cave uh he was he was a Las

1029

00:46:24,290 --> 00:46:21,540

Vegas local he still has family here in

1030

00:46:26,569 --> 00:46:24,300

Vegas and yeah it's an interesting quick

1031

00:46:29,089 --> 00:46:26,579

Google search and kind of a kind of a

1032

00:46:30,950 --> 00:46:29,099

quick tidy rabbit hole if you want to go

1033

00:46:34,370 --> 00:46:30,960

down at some time

1034

00:46:36,470 --> 00:46:34,380

so so nobody knows where this MK M cave

1035

00:46:38,510 --> 00:46:36,480

is then apparently

1036

00:46:42,230 --> 00:46:38,520

you know it is

1037

00:46:45,109 --> 00:46:42,240

a a general vicinity yes like uh as far

1038

00:46:47,270 --> 00:46:45,119

as but not exactly exactly yeah that's

1039

00:46:49,130 --> 00:46:47,280

exactly right nobody knows exactly where

1040

00:46:51,470 --> 00:46:49,140

it's at and people have gone back

1041

00:46:54,710 --> 00:46:51,480

through his Youtube footage trying to

1042

00:46:56,930 --> 00:46:54,720

find it and uh it's kind of eerie it's

1043

00:46:59,150 --> 00:46:56,940

kind of eerie and not only is it eerie

1044

00:47:03,109 --> 00:46:59,160

but there's inconsistencies in the

1045

00:47:08,829 --> 00:47:03,119

actual story itself so they did find his

1046

00:47:11,809 --> 00:47:08,839

cell phone at a strange open mine shaft

1047

00:47:14,630 --> 00:47:11,819

and the open mine shaft had some

1048

00:47:16,970 --> 00:47:14,640

inconsistencies to the video where he

1049

00:47:19,970 --> 00:47:16,980

posted video of this open mine shaft

1050

00:47:21,589 --> 00:47:19,980

before others went to that same mine

1051

00:47:24,650 --> 00:47:21,599

shaft thinking well it's obvious he fell

1052

00:47:28,010 --> 00:47:24,660

down the mine shaft and the mine shaft

1053

00:47:30,650 --> 00:47:28,020

had changed the entrance there had wood

1054

00:47:34,550 --> 00:47:30,660

that was uh

1055

00:47:36,109 --> 00:47:34,560

missing and it was obvious that planks

1056

00:47:38,210 --> 00:47:36,119

had been broken but he was not at the

1057

00:47:40,809 --> 00:47:38,220

bottom of the mine shaft so there are

1058

00:47:44,930 --> 00:47:40,819

some really strange parts of the story

1059

00:47:46,670 --> 00:47:44,940

uh that that don't make sense

1060

00:47:48,589 --> 00:47:46,680

sounds like somebody almost planted the

1061

00:47:50,750 --> 00:47:48,599

cell phone there to make it look like he

1062

00:47:53,150 --> 00:47:50,760

fell into a mine shaft but that's

1063

00:47:54,770 --> 00:47:53,160

exactly what it that's exactly what if

1064

00:47:56,390 --> 00:47:54,780

you if you have any kind of

1065

00:47:58,250 --> 00:47:56,400

investigative skill at all that's

1066

00:47:59,809 --> 00:47:58,260

exactly what it seems like like it was

1067

00:48:01,790 --> 00:47:59,819

planted

1068

00:48:03,829 --> 00:48:01,800

hmm

1069

00:48:06,530 --> 00:48:03,839

interesting yeah surprising but

1070

00:48:08,930 --> 00:48:06,540

interesting yeah it is it is super

1071

00:48:11,809 --> 00:48:08,940

interesting and you know it's

1072

00:48:14,210 --> 00:48:11,819

unfortunate that uh people like Bob

1073

00:48:16,490 --> 00:48:14,220

Lazar and Charles Hall was recently in

1074

00:48:19,010 --> 00:48:16,500

town it's people it's unfortunate that

1075

00:48:22,069 --> 00:48:19,020

it seems like anybody that talks about

1076

00:48:24,589 --> 00:48:22,079

this stuff at least in the past and they

1077

00:48:26,990 --> 00:48:24,599

had any kind of clearance whatsoever are

1078

00:48:29,270 --> 00:48:27,000

just uh brushed under the rug as being

1079

00:48:32,089 --> 00:48:29,280

not even whistleblowers but seeking

1080

00:48:33,770 --> 00:48:32,099

attention where the opposite tends to

1081

00:48:36,050 --> 00:48:33,780

happen you know when you say these

1082

00:48:38,290 --> 00:48:36,060

things these guys that claim to have

1083

00:48:42,589 --> 00:48:38,300

worked for these

1084

00:48:44,270 --> 00:48:42,599

installations and facilities and claim

1085

00:48:46,970 --> 00:48:44,280

to have seen something out of the

1086

00:48:49,190 --> 00:48:46,980

ordinary they get the exact opposite

1087

00:48:51,349 --> 00:48:49,200

effect of what anybody thinks they would

1088

00:48:53,510 --> 00:48:51,359

be trying to get and it makes total

1089

00:48:55,870 --> 00:48:53,520

sense to me why Bob tries to kind of

1090

00:48:59,809 --> 00:48:55,880

stay out of the Limelight I don't know

1091

00:49:02,030 --> 00:48:59,819

yeah and I do think and and I'm very

1092

00:49:03,530 --> 00:49:02,040

appreciative of Bob Lazar and what he

1093

00:49:05,150 --> 00:49:03,540

did and what he represents and I do

1094

00:49:07,550 --> 00:49:05,160

think he's received

1095

00:49:10,849 --> 00:49:07,560

some level of vindication as the years

1096

00:49:16,309 --> 00:49:10,859

have gone by but not nearly enough

1097

00:49:20,210 --> 00:49:17,650

yeah

1098

00:49:23,569 --> 00:49:20,220

oh what's that Jeff

1099

00:49:25,849 --> 00:49:23,579

it's not 100 I think Bob is definitely

1100

00:49:29,089 --> 00:49:25,859

has been Vindicated in a lot of

1101

00:49:32,329 --> 00:49:29,099

different things and you know the

1102

00:49:35,690 --> 00:49:32,339

backlash that he's taken from coming out

1103

00:49:38,690 --> 00:49:35,700

and talking about this and exposing it I

1104

00:49:41,150 --> 00:49:38,700

think was not what he was expecting and

1105

00:49:43,130 --> 00:49:41,160

you know one reason why he you know

1106

00:49:43,910 --> 00:49:43,140

basically tried to hide after all of

1107

00:49:46,550 --> 00:49:43,920

that

1108

00:49:49,550 --> 00:49:46,560

um you know it changed his life and not

1109

00:49:52,370 --> 00:49:49,560

the way that somebody would expect like

1110

00:49:54,829 --> 00:49:52,380

a a good thing it was definitely a

1111

00:49:57,349 --> 00:49:54,839

negative aspect in his life I think once

1112

00:49:59,690 --> 00:49:57,359

he exposed what he did

1113

00:50:01,970 --> 00:49:59,700

um but I do think he has been Vindicated

1114

00:50:04,609 --> 00:50:01,980

in a lot of different ways from what he

1115

00:50:06,530 --> 00:50:04,619

exposed especially if you go back to

1116

00:50:08,270 --> 00:50:06,540

some of those original interviews that

1117

00:50:10,250 --> 00:50:08,280

he did with George Knapp and what he

1118

00:50:12,410 --> 00:50:10,260

talks about and then what they're

1119

00:50:14,210 --> 00:50:12,420

talking about today I I definitely

1120

00:50:15,230 --> 00:50:14,220

believe he's been Vindicated in a lot of

1121

00:50:18,470 --> 00:50:15,240

ways

1122

00:50:21,170 --> 00:50:18,480

and you know that base even even the

1123

00:50:24,410 --> 00:50:21,180

real stuff that has come out of this

1124

00:50:28,490 --> 00:50:24,420

area is pretty fascinating even in the

1125

00:50:32,270 --> 00:50:28,500

late 50s and early 60s DARPA was working

1126  
00:50:34,930 --> 00:50:32,280  
on you know these new frontier craft as

1127  
00:50:38,770 --> 00:50:34,940  
they called him one was Project Orion

1128  
00:50:41,089 --> 00:50:38,780  
and we're talking about back then even

1129  
00:50:43,010 --> 00:50:41,099  
nuclear-powered spaceships you know

1130  
00:50:45,349 --> 00:50:43,020  
which they were trying to get to Mars

1131  
00:50:46,490 --> 00:50:45,359  
and this was back in the late 50s and

1132  
00:50:50,270 --> 00:50:46,500  
60s

1133  
00:50:52,970 --> 00:50:50,280  
so it you know I I it's so hard when

1134  
00:50:55,010 --> 00:50:52,980  
you're in this realm of thought and you

1135  
00:50:58,130 --> 00:50:55,020  
see craft and you you're trying to

1136  
00:51:00,290 --> 00:50:58,140  
figure out what it might be because

1137  
00:51:02,690 --> 00:51:00,300  
you know these these propulsion

1138  
00:51:04,430 --> 00:51:02,700

Technologies are moving in all kinds of

1139

00:51:07,970 --> 00:51:04,440

different directions you have the

1140

00:51:10,190 --> 00:51:07,980

nuclear you have the anti-gravity you

1141

00:51:13,849 --> 00:51:10,200

there's so many they have these new

1142

00:51:16,190 --> 00:51:13,859

these new liquid light engines that

1143

00:51:19,430 --> 00:51:16,200

they're working on which makes zero

1144

00:51:24,710 --> 00:51:19,440

sense to my little like monkey brain but

1145

00:51:27,829 --> 00:51:24,720

it is unreal the classified technologies

1146

00:51:30,650 --> 00:51:27,839

that they're working on and yet then you

1147

00:51:32,630 --> 00:51:30,660

have Elon Musk you know his Rockets are

1148

00:51:35,390 --> 00:51:32,640

blowing up so it's like what do you

1149

00:51:38,690 --> 00:51:35,400

believe it just seems like can we

1150

00:51:40,609 --> 00:51:38,700

believe anything or what indeed is

1151  
00:51:42,410 --> 00:51:40,619  
taking place do we believe what the

1152  
00:51:46,190 --> 00:51:42,420  
government tells us do we believe what

1153  
00:51:48,829 --> 00:51:46,200  
we see on TV or do you believe what is

1154  
00:51:51,470 --> 00:51:48,839  
slowly leaked you know from these

1155  
00:51:53,329 --> 00:51:51,480  
Declassified programs and I mean that

1156  
00:51:55,750 --> 00:51:53,339  
that freaks me out you know that in the

1157  
00:51:58,069 --> 00:51:55,760  
50s we're working on you know

1158  
00:52:00,829 --> 00:51:58,079  
nuclear-powered spacecraft I mean it's

1159  
00:52:04,670 --> 00:52:00,839  
mind-blowing

1160  
00:52:13,849 --> 00:52:08,710  
what are your thoughts on the uh

1161  
00:52:16,670 --> 00:52:13,859  
the possibility that Vegas is

1162  
00:52:19,609 --> 00:52:16,680  
encountering something that may not be

1163  
00:52:21,829 --> 00:52:19,619

military do you think that that is a

1164

00:52:24,890 --> 00:52:21,839

possibility Scott

1165

00:52:26,329 --> 00:52:24,900

uh about what happened say last week

1166

00:52:31,370 --> 00:52:26,339

yeah

1167

00:52:33,829 --> 00:52:31,380

oh I definitely think it's a possibility

1168

00:52:38,089 --> 00:52:33,839

um you know I mean I wish I knew what it

1169

00:52:40,010 --> 00:52:38,099

was and possibly someday we will but I

1170

00:52:41,930 --> 00:52:40,020

personally don't think it's something

1171

00:52:44,030 --> 00:52:41,940

that can be explained away with any of

1172

00:52:47,089 --> 00:52:44,040

those you know typical over utilized

1173

00:52:49,190 --> 00:52:47,099

canned explanations obviously it's not a

1174

00:52:51,890 --> 00:52:49,200

balloon it's not flares it's not Chinese

1175

00:52:53,450 --> 00:52:51,900

lanterns and I also don't think it was

1176

00:52:56,270 --> 00:52:53,460

either of the other more standard

1177

00:52:59,210 --> 00:52:56,280

answers of it being our military testing

1178

00:53:01,730 --> 00:52:59,220

new technology or it being another

1179

00:53:05,990 --> 00:53:01,740

country's unknown technology those are

1180

00:53:08,809 --> 00:53:06,000

seem to be the anders answers that a lot

1181

00:53:10,970 --> 00:53:08,819

of people just spit out voluntary or

1182

00:53:12,950 --> 00:53:10,980

involuntarily almost

1183

00:53:16,250 --> 00:53:12,960

um because I just think it's crazy to

1184

00:53:18,470 --> 00:53:16,260

think that we or another country would

1185

00:53:20,870 --> 00:53:18,480

test or send

1186

00:53:22,430 --> 00:53:20,880

unknown technology over areas where

1187

00:53:25,190 --> 00:53:22,440

there's people let alone heavily

1188

00:53:26,569 --> 00:53:25,200

populated area populated areas just

1189

00:53:29,930 --> 00:53:26,579

because the risk of something going

1190

00:53:32,809 --> 00:53:29,940

wrong or becoming compromised is is

1191

00:53:38,030 --> 00:53:32,819

far too great you know there'd be

1192

00:53:44,870 --> 00:53:40,849

yeah that's the truth I agree the the

1193

00:53:47,930 --> 00:53:44,880

the the strangest thing to me is the

1194

00:53:50,089 --> 00:53:47,940

location you know why would

1195

00:53:53,150 --> 00:53:50,099

you'd be testing something that's

1196

00:53:57,170 --> 00:53:53,160

supposed to be hidden or veiled behind

1197

00:53:59,990 --> 00:53:57,180

secrecy in such a populated area so that

1198

00:54:01,910 --> 00:54:00,000

kind of in my opinion that sort of rules

1199

00:54:03,530 --> 00:54:01,920

out the military thing unless it's like

1200

00:54:05,210 --> 00:54:03,540

some guy's bachelor party and they

1201  
00:54:07,910 --> 00:54:05,220  
wanted to see the Vegas Strip it makes

1202  
00:54:13,490 --> 00:54:10,370  
yeah exactly and

1203  
00:54:15,410 --> 00:54:13,500  
and it just drives me crazy when you

1204  
00:54:16,849 --> 00:54:15,420  
know say some of these Navy videos and

1205  
00:54:18,349 --> 00:54:16,859  
whatnot that have been released in the

1206  
00:54:20,870 --> 00:54:18,359  
last few years somebody says oh it's

1207  
00:54:23,630 --> 00:54:20,880  
Russia or it's China they got this thing

1208  
00:54:26,569 --> 00:54:23,640  
they're flying yeah China Russia really

1209  
00:54:30,770 --> 00:54:26,579  
wants to fly this

1210  
00:54:33,230 --> 00:54:30,780  
hyper technological you know vehicle or

1211  
00:54:36,470 --> 00:54:33,240  
whatever you want to call it within 20

1212  
00:54:39,829 --> 00:54:36,480  
miles of the border of the United States

1213  
00:54:42,170 --> 00:54:39,839

when absolutely something could happen

1214

00:54:44,089 --> 00:54:42,180

to where that technology would be

1215

00:54:45,710 --> 00:54:44,099

compromised and the U.S would get it so

1216

00:54:49,730 --> 00:54:45,720

why in the world would a foreign country

1217

00:54:56,210 --> 00:54:53,450

I agree and you know with

1218

00:54:59,170 --> 00:54:56,220

eight thousands I think it's 8 000

1219

00:55:01,790 --> 00:54:59,180

square kilometers

1220

00:55:06,430 --> 00:55:01,800

that Nellis

1221

00:55:10,910 --> 00:55:06,440

has and then we have of course Area 51

1222

00:55:13,970 --> 00:55:10,920

who you know as far as UFO people go

1223

00:55:17,030 --> 00:55:13,980

that's a top destination I mean there's

1224

00:55:20,089 --> 00:55:17,040

so many eyewitness reports of craft

1225

00:55:23,210 --> 00:55:20,099

hovering over those nearby mountains

1226

00:55:26,450 --> 00:55:23,220

which could be similar to this one

1227

00:55:29,390 --> 00:55:26,460

however when you're that close to a U.S

1228

00:55:31,790 --> 00:55:29,400

government facility I I highly doubt

1229

00:55:34,130 --> 00:55:31,800

that it's extraterrestrial unless

1230

00:55:36,470 --> 00:55:34,140

there's some working agreement which

1231

00:55:38,809 --> 00:55:36,480

brings in like a whole other Enigma

1232

00:55:40,370 --> 00:55:38,819

right right and you certainly hear a lot

1233

00:55:44,569 --> 00:55:40,380

about that too but

1234

00:55:47,750 --> 00:55:44,579

yeah it is a strange one I I have a I I

1235

00:55:50,510 --> 00:55:47,760

have a contact who claims and this was

1236

00:55:53,569 --> 00:55:50,520

this was back when John Lear was still

1237

00:55:57,290 --> 00:55:53,579

alive John Lear was backing this up

1238

00:55:58,210 --> 00:55:57,300

and there was basically a contact that

1239

00:56:01,309 --> 00:55:58,220

said

1240

00:56:03,049 --> 00:56:01,319

that there were in fact some layers

1241

00:56:05,990 --> 00:56:03,059

stuff was a little bit out there so take

1242

00:56:07,609 --> 00:56:06,000

this with a grain of salt but he said

1243

00:56:10,490 --> 00:56:07,619

that

1244

00:56:12,230 --> 00:56:10,500

the extraterrestrials preferred to be in

1245

00:56:15,049 --> 00:56:12,240

the deserts around Las Vegas because

1246

00:56:18,890 --> 00:56:15,059

they liked to go into town from time to

1247

00:56:20,270 --> 00:56:18,900

time and that they would dress up in

1248

00:56:23,750 --> 00:56:20,280

burkas

1249

00:56:27,170 --> 00:56:23,760

and hit the casinos and have security

1250

00:56:28,910 --> 00:56:27,180

with them which was expected and you

1251

00:56:32,270 --> 00:56:28,920

know people would just think that they

1252

00:56:35,150 --> 00:56:32,280

were Middle Eastern Sheiks and they'd be

1253

00:56:38,210 --> 00:56:35,160

able to go into the casinos you know see

1254

00:56:40,910 --> 00:56:38,220

the sights hear the sounds smell the

1255

00:56:42,410 --> 00:56:40,920

smells and they really enjoyed that and

1256

00:56:45,410 --> 00:56:42,420

that there was an array of tunnels

1257

00:56:47,630 --> 00:56:45,420

underneath the strip which would

1258

00:56:52,010 --> 00:56:47,640

facilitate this and at the time my wife

1259

00:56:54,290 --> 00:56:52,020

was working uh at down on the Strip on a

1260

00:56:57,109 --> 00:56:54,300

casino that they were remodeling

1261

00:56:59,089 --> 00:56:57,119

and she's in development she's now up

1262

00:57:02,390 --> 00:56:59,099

here in our neck of the woods Scott kind

1263

00:57:03,890 --> 00:57:02,400

of developing homes up here but the

1264

00:57:05,569 --> 00:57:03,900

interesting thing is

1265

00:57:08,510 --> 00:57:05,579

you know she said oh that's super

1266

00:57:11,329 --> 00:57:08,520

far-fetched and so did her uh project

1267

00:57:13,970 --> 00:57:11,339

manager buddy and then about a month

1268

00:57:17,210 --> 00:57:13,980

later I got a call from her friend and

1269

00:57:20,089 --> 00:57:17,220

he said oh man I gotta tell you this we

1270

00:57:22,549 --> 00:57:20,099

were behind a casino working with our

1271

00:57:27,349 --> 00:57:22,559

gear and one of our

1272

00:57:29,210 --> 00:57:27,359

machines fell through into a tunnel and

1273

00:57:30,950 --> 00:57:29,220

we we called the city and told them

1274

00:57:32,750 --> 00:57:30,960

about it they didn't know about it they

1275

00:57:35,569 --> 00:57:32,760

didn't know what we could do about it

1276

00:57:38,270 --> 00:57:35,579

and so they basically

1277

00:57:41,150 --> 00:57:38,280

covered it all up in it so to speak they

1278

00:57:42,530 --> 00:57:41,160

they had within the legal parameters but

1279

00:57:43,970 --> 00:57:42,540

they had to kind of put everything back

1280

00:57:47,030 --> 00:57:43,980

together the way it was even though

1281

00:57:48,890 --> 00:57:47,040

nobody knows where this tunnel went what

1282

00:57:51,349 --> 00:57:48,900

it was used for

1283

00:57:52,790 --> 00:57:51,359

um why it was being maintained but it

1284

00:57:54,589 --> 00:57:52,800

was in the contract that they had to

1285

00:57:57,410 --> 00:57:54,599

leave everything the way they found it

1286

00:58:01,010 --> 00:57:57,420

and it kind of just was reminiscent to

1287

00:58:03,170 --> 00:58:01,020

me of the crazy old Vegas stories of you

1288

00:58:04,970 --> 00:58:03,180

know John Lear and whether this was

1289

00:58:06,530 --> 00:58:04,980

really for extraterrestrials or could

1290

00:58:08,870 --> 00:58:06,540

they just be mob tunnels you know to

1291

00:58:11,450 --> 00:58:08,880

just easily get Elites or higher-ups

1292

00:58:15,650 --> 00:58:11,460

into the casino I don't know but there

1293

00:58:18,349 --> 00:58:15,660

are in fact those tunnels and one of the

1294

00:58:21,530 --> 00:58:18,359

entrances I've shown it to Jeff is down

1295

00:58:22,910 --> 00:58:21,540

near city center and that's that's the

1296

00:58:26,089 --> 00:58:22,920

one they fell through but there were

1297

00:58:30,290 --> 00:58:26,099

some others over there near the uh near

1298

00:58:32,569 --> 00:58:30,300

the SLS and on Sahara so I don't know I

1299

00:58:34,730 --> 00:58:32,579

don't know exactly what the future holds

1300

00:58:36,710 --> 00:58:34,740

for Vegas but the past is definitely

1301

00:58:38,990 --> 00:58:36,720

very interesting

1302

00:58:41,870 --> 00:58:39,000

yeah well John layer was certainly

1303

00:58:45,410 --> 00:58:41,880

dialed in that's for sure so

1304

00:58:48,530 --> 00:58:45,420

yeah he he was he was an enigma man very

1305

00:58:50,630 --> 00:58:48,540

very interesting guy even even in his

1306

00:58:53,990 --> 00:58:50,640

later years when I would talk to him and

1307

00:58:56,329 --> 00:58:54,000

he'd have you know really kind of stuff

1308

00:59:00,170 --> 00:58:56,339

that nobody should have to go to through

1309

00:59:03,349 --> 00:59:00,180

at those ages he just took it like like

1310

00:59:04,930 --> 00:59:03,359

like a like a stud like he's just like

1311

00:59:08,870 --> 00:59:04,940

oh that's just life you know whatever

1312

00:59:11,089 --> 00:59:08,880

and you know most people at those ages

1313

00:59:13,309 --> 00:59:11,099

just want to retire peacefully and

1314

00:59:14,990 --> 00:59:13,319

calmly and he'd have he'd have all of

1315

00:59:16,490 --> 00:59:15,000

this drama going on and he'd just be

1316

00:59:19,130 --> 00:59:16,500

like ah it's no big deal in the big

1317

00:59:19,730 --> 00:59:19,140

bigger scheme of things anyway

1318

00:59:21,829 --> 00:59:19,740

um

1319

00:59:25,730 --> 00:59:21,839

anything else that we want to delve into

1320

00:59:29,690 --> 00:59:27,589

no no I

1321

00:59:31,609 --> 00:59:29,700

I think we covered quite a bit uh

1322

00:59:32,930 --> 00:59:31,619

nothing I can think of off the top of my

1323

00:59:36,289 --> 00:59:32,940

head right now

1324

00:59:39,470 --> 00:59:36,299

man I I think you did a really good job

1325

00:59:41,569 --> 00:59:39,480

of explaining what you witnessed Scott I

1326

00:59:43,430 --> 00:59:41,579

can't appreciate you enough for coming

1327

00:59:46,069 --> 00:59:43,440

on here and explaining it all it kind of

1328

00:59:49,069 --> 00:59:46,079

puts everything into perspective and

1329

00:59:50,750 --> 00:59:49,079

yeah man uh stay in touch and and reach

1330

00:59:53,809 --> 00:59:50,760

out keep those eyes to the skies because

1331

00:59:57,109 --> 00:59:53,819

you are in a very unique position there

1332

00:59:58,789 --> 00:59:57,119

and your view into the night skies is

1333

01:00:01,309 --> 00:59:58,799

phenomenal

1334

01:00:03,950 --> 01:00:01,319

all right well thank you and yeah I will

1335

01:00:09,049 --> 01:00:03,960

I will get in touch with you if when the

1336

01:00:16,670 --> 01:00:12,170

so knowledgeable I'm glad that he was

1337

01:00:18,890 --> 01:00:16,680

able to concisely explain what he and

1338

01:00:20,150 --> 01:00:18,900

his partner saw that night and why they

1339

01:00:22,609 --> 01:00:20,160

recorded

1340

01:00:26,210 --> 01:00:22,619

the amazing footage they gathered in my

1341

01:00:27,890 --> 01:00:26,220

opinion Scott tappy has the best footage

1342

01:00:30,770 --> 01:00:27,900

out there and I've seen quite a bit of

1343

01:00:33,170 --> 01:00:30,780

it had quite a few different clips sent

1344

01:00:35,809 --> 01:00:33,180

to me what I like about all the various

1345

01:00:40,190 --> 01:00:35,819

Clips is that we are able to hopefully

1346

01:00:42,650 --> 01:00:40,200

triangulate and use timestamps and kind

1347

01:00:46,309 --> 01:00:42,660

of gather more information I don't think

1348

01:00:48,770 --> 01:00:46,319

that this is over yet I'm going to

1349

01:00:52,730 --> 01:00:48,780

continue to talk to Scott

1350

01:00:55,730 --> 01:00:52,740

there is a long history

1351

01:00:59,030 --> 01:00:55,740

of covert involvement

1352

01:01:01,549 --> 01:00:59,040

at some of these strange facilities we

1353

01:01:06,309 --> 01:01:01,559

have Charles Hall describing

1354

01:01:11,030 --> 01:01:06,319

an ET race called The Tall whites

1355

01:01:13,069 --> 01:01:11,040

who had according to him a base in the

1356

01:01:14,569 --> 01:01:13,079

northern end of the Indian Springs

1357

01:01:17,569 --> 01:01:14,579

Valley

1358

01:01:21,410 --> 01:01:17,579

near a military base

1359

01:01:25,210 --> 01:01:21,420

we have of course the testimony of Bob

1360

01:01:29,150 --> 01:01:25,220

Lazar who claims to have been working on

1361

01:01:31,370 --> 01:01:29,160

reverse engineered alien technology

1362

01:01:33,950 --> 01:01:31,380

and there is

1363

01:01:36,890 --> 01:01:33,960

an array of tunnels

1364

01:01:37,930 --> 01:01:36,900

who a variety of people have come

1365

01:01:41,150 --> 01:01:37,940

together

1366

01:01:42,650 --> 01:01:41,160

explored and told incredible stories

1367

01:01:46,130 --> 01:01:42,660

about

1368

01:01:48,710 --> 01:01:46,140

and many of these are claimed to lead to

1369

01:01:50,150 --> 01:01:48,720

deep underground military bases and

1370

01:01:53,930 --> 01:01:50,160

structures

1371

01:01:56,390 --> 01:01:53,940

Skeptics have scoffed at any lights in

1372

01:01:59,210 --> 01:01:56,400

the sky whatsoever but I'll tell you

1373

01:02:02,569 --> 01:01:59,220

these lights captured by Scott

1374

01:02:04,549 --> 01:02:02,579

and a variety of other Vegas locals have

1375

01:02:06,890 --> 01:02:04,559

everyone

1376

01:02:09,049 --> 01:02:06,900

scratching their heads

1377

01:02:11,990 --> 01:02:09,059

mission accomplished

1378

01:02:13,630 --> 01:02:12,000

we caught something that cannot be

1379

01:02:16,490 --> 01:02:13,640

explained

1380

01:02:19,309 --> 01:02:16,500

kudos to Scott for doing it pulling out

1381

01:02:21,950 --> 01:02:19,319

his phone and taking the time

1382

01:02:23,030 --> 01:02:21,960

we may not know what was witnessed that

1383

01:02:27,170 --> 01:02:23,040

night

1384

01:02:30,589 --> 01:02:27,180

but we are getting a better idea of what

1385

01:02:33,049 --> 01:02:30,599

wasn't witnessed that night

1386

01:02:35,390 --> 01:02:33,059

until next time keep your eyes to the

1387

01:02:44,190 --> 01:02:35,400

skies feet on the ground but don't

1388

01:02:44,200 --> 01:02:54,109
