MARS JUMPROOM

HENRY DEACON

MKULTRA

33 HIDDEN PROGRAMS

1
00:00:06,050 --> 00:00:03,350
so it seems like the dollar is

2
00:00:07,789 --> 00:00:06,060
collapsing and the ones that telling us

3
00:00:11,089 --> 00:00:07,799
everything is okay

4
00:00:13,789 --> 00:00:11,099
are most likely the ones who will be

5
00:00:17,029 --> 00:00:13,799
ushering us towards a digital currency

6
00:00:20,810 --> 00:00:17,039
once the banks collapse

7
00:00:23,029 --> 00:00:20,820
and all the while it seems as if the

8
00:00:26,929 --> 00:00:23,039
masses are feeding into these Talking

9
00:00:30,589 --> 00:00:26,939
Heads believing what they say

10
00:00:33,229 --> 00:00:30,599
and uh here we go they're they're lying

11
00:00:35,209 --> 00:00:33,239
to us and it seems as if

12
00:00:37,430 --> 00:00:35,219
we are accepting it

13
00:00:40,069 --> 00:00:37,440

nothing much we can do about it but

14

00:00:42,049 --> 00:00:40,079

watch it collapse and deal with it

15

00:00:43,549 --> 00:00:42,059

afterwards but let's get to the

16

00:00:46,670 --> 00:00:43,559

important things

17

00:00:48,830 --> 00:00:46,680

we have a lot of interesting uh

18

00:00:51,229 --> 00:00:48,840

topics to cover today

19

00:00:56,090 --> 00:00:51,239

among my favorite topics covered today

20

00:00:59,689 --> 00:00:56,100

are Henry Deacon this is way before any

21

00:01:02,029 --> 00:00:59,699

of the tales of the secret space program

22

00:01:06,289 --> 00:01:02,039

had come out

23

00:01:08,750 --> 00:01:06,299

he was the predecessor to all that and

24

00:01:10,969 --> 00:01:08,760

very interesting to try to confirm what

25

00:01:14,090 --> 00:01:10,979

actually took place with this gentleman

26

00:01:16,070 --> 00:01:14,100

because it is mysterious

27

00:01:18,830 --> 00:01:16,080

he was coming out with stuff no one had

28

00:01:21,830 --> 00:01:18,840

come out with before

29

00:01:23,330 --> 00:01:21,840

this comes from Project Camelot for

30

00:01:25,249 --> 00:01:23,340

those that are a little older maybe I'm

31

00:01:26,450 --> 00:01:25,259

dating myself mentioning the name at all

32

00:01:28,730 --> 00:01:26,460

but

33

00:01:31,190 --> 00:01:28,740

Project Camelot

34

00:01:35,450 --> 00:01:31,200

covered a lot of interesting things

35

00:01:40,910 --> 00:01:37,969

and one of their whistleblowers or

36

00:01:43,550 --> 00:01:40,920

people who came through with an

37

00:01:46,969 --> 00:01:43,560

extremely interesting conspiracy theory

38

00:01:51,950 --> 00:01:46,979

was a gentleman named Henry deacon

39

00:01:58,910 --> 00:01:55,370

and there's a lot of information which

40

00:02:00,469 --> 00:01:58,920

is uh going to shock a bunch of you

41

00:02:02,389 --> 00:02:00,479

listeners if you're not familiar with

42

00:02:05,149 --> 00:02:02,399

him

43

00:02:08,330 --> 00:02:05,159

he was originally

44

00:02:10,790 --> 00:02:08,340

a whistleblower who used the name Henry

45

00:02:13,130 --> 00:02:10,800

Deacon to protect his identity

46

00:02:15,470 --> 00:02:13,140

he eventually decided to come out under

47

00:02:17,750 --> 00:02:15,480

his own name

48

00:02:20,030 --> 00:02:17,760

he was a Livermore

49

00:02:24,229 --> 00:02:20,040

physicist

50

00:02:26,449 --> 00:02:24,239

and again met often with Bill Ryan

51

00:02:29,869 --> 00:02:26,459

Carrie Cassidy

52

00:02:33,970 --> 00:02:29,879

and had some interesting things to say

53

00:02:37,550 --> 00:02:33,980

and the Project Camelot crew

54

00:02:41,390 --> 00:02:37,560

oftentimes was there to record and

55

00:02:43,910 --> 00:02:41,400

document some of these extremely

56

00:02:46,970 --> 00:02:43,920

new claims

57

00:02:50,270 --> 00:02:46,980

he described his work and experiences

58

00:02:54,430 --> 00:02:50,280

and had some amazing information about a

59

00:02:57,530 --> 00:02:54,440

coming planned war with of all entities

60

00:03:00,410 --> 00:02:57,540

the government of China

61

00:03:03,050 --> 00:03:00,420

he also went into detail about

62

00:03:04,790 --> 00:03:03,060

which drugs are smuggled

63

00:03:07,970 --> 00:03:04,800

and how

64

00:03:10,070 --> 00:03:07,980

as well as inhabited planets

65

00:03:13,070 --> 00:03:10,080

chemtrails

66

00:03:17,509 --> 00:03:13,080

and went into the deep Rabbit Hole of

67

00:03:20,869 --> 00:03:17,519

viruses to reduce the world's population

68

00:03:23,270 --> 00:03:20,879

yeah he went into Eugenics injections

69

00:03:24,830 --> 00:03:23,280

and the whole nine yards way ahead of

70

00:03:27,410 --> 00:03:24,840

his time

71

00:03:29,630 --> 00:03:27,420

pretty fascinating stuff

72

00:03:32,690 --> 00:03:29,640

and possibly the very

73

00:03:35,270 --> 00:03:32,700

most interesting thing about this is

74

00:03:39,229 --> 00:03:35,280

when he began to come out about

75

00:03:42,170 --> 00:03:39,239

some interesting information about Mars

76

00:03:44,690 --> 00:03:42,180

things got a little rough for him and he

77

00:03:46,789 --> 00:03:44,700

eventually ended up disappearing

78

00:03:49,970 --> 00:03:46,799

all the great points to a great

79

00:03:51,949 --> 00:03:49,980

conspiracy with a whistleblower at the

80

00:03:55,910 --> 00:03:51,959

very Pinnacle of it all

81

00:03:56,750 --> 00:03:55,920

so enter a bumpy creepy Rabbit Hole of a

82

00:04:08,509 --> 00:03:56,760

ride

83

00:04:16,270 --> 00:04:09,730

thank you

84

00:04:20,090 --> 00:04:16,280

[Music]

85

00:04:23,530 --> 00:04:20,100

come Blast Off In My Time Machine sir I

86

00:04:32,380 --> 00:04:26,450

blast off

87

00:04:32,390 --> 00:04:36,950

[Music]

88

00:04:40,490 --> 00:04:38,530

thank you

89

00:04:44,090 --> 00:04:40,500

blast off

90

00:04:47,030 --> 00:04:44,100

on another wild episode of the

91

00:04:49,629 --> 00:04:47,040

hyperanomalous esoteric research

92

00:04:53,990 --> 00:04:49,639

organization podcast

93

00:04:56,629 --> 00:04:54,000

AKA hero paranormal broadcasting from

94

00:05:00,170 --> 00:04:56,639

the base at lamadre Mountain just south

95

00:05:02,950 --> 00:05:00,180

of area 51. my name is Ryan the

96

00:05:06,969 --> 00:05:02,960

Paranormal pontificator of the airwaves

97

00:05:09,469 --> 00:05:06,979

bringing you on out of this world

98

00:05:12,469 --> 00:05:09,479

cosmically confusing

99

00:05:14,810 --> 00:05:12,479

yet wildly amusing

100

00:05:17,450 --> 00:05:14,820

episode tonight

101
00:05:21,530 --> 00:05:17,460
Henry Deacon had it all the background

102
00:05:23,510 --> 00:05:21,540
the tales the stories

103
00:05:25,010 --> 00:05:23,520
the knowledge

104
00:05:27,050 --> 00:05:25,020
and

105
00:05:30,710 --> 00:05:27,060
the claims

106
00:05:33,230 --> 00:05:30,720
at one conference in Barcelona Spain

107
00:05:34,850 --> 00:05:33,240
he told the crowd that although he spoke

108
00:05:37,129 --> 00:05:34,860
all over the world

109
00:05:39,650 --> 00:05:37,139
he rarely spoke in front of a group

110
00:05:42,650 --> 00:05:39,660
where there wasn't at least one or two

111
00:05:45,650 --> 00:05:42,660
of the quote-unquote others

112
00:05:48,590 --> 00:05:45,660
in the crowd so to take a look around

113
00:05:52,370 --> 00:05:48,600

and see and be aware

114

00:05:55,070 --> 00:05:52,380

of their presence there we are of course

115

00:05:56,510 --> 00:05:55,080

talking about

116

00:05:58,790 --> 00:05:56,520

aliens

117

00:06:00,070 --> 00:05:58,800

in his words

118

00:06:03,950 --> 00:06:00,080

people

119

00:06:05,210 --> 00:06:03,960

humanoids from other areas other than

120

00:06:08,390 --> 00:06:05,220

Earth

121

00:06:10,730 --> 00:06:08,400

and these are wild Bodacious claims for

122

00:06:15,830 --> 00:06:10,740

a gentleman with his background

123

00:06:21,650 --> 00:06:18,610

the spying of U.S citizens which

124

00:06:24,950 --> 00:06:21,660

predates any other whistleblowers coming

125

00:06:26,390 --> 00:06:24,960

along with this type of information

126

00:06:28,730 --> 00:06:26,400

we're talking

127

00:06:31,790 --> 00:06:28,740

basically saying that there were

128

00:06:33,590 --> 00:06:31,800

potentially projects and programs that

129

00:06:35,770 --> 00:06:33,600

could spy on absolutely everyone

130

00:06:38,629 --> 00:06:35,780

anywhere anytime

131

00:06:41,210 --> 00:06:38,639

anywhere on Earth

132

00:06:44,629 --> 00:06:41,220

and this is reminiscent of Project

133

00:06:47,210 --> 00:06:44,639

Pegasus which has come out that this is

134

00:06:50,210 --> 00:06:47,220

a very real

135

00:06:53,809 --> 00:06:50,220

program and

136

00:06:58,790 --> 00:06:53,819

as many know the NSO has come out

137

00:07:01,309 --> 00:06:58,800

with this Project Pegasus program

138

00:07:03,529 --> 00:07:01,319

Project Pegasus allows people to do

139

00:07:06,350 --> 00:07:03,539

exactly that and this is what we know of

140

00:07:08,990 --> 00:07:06,360

this is private businesses Etc just

141

00:07:11,629 --> 00:07:09,000

imagine the important projects behind

142

00:07:14,930 --> 00:07:11,639

the scenes which are let's call it

143

00:07:17,870 --> 00:07:14,940

Project Pegasus 2.0 or exponentially

144

00:07:20,710 --> 00:07:17,880

better than the spying software and

145

00:07:23,990 --> 00:07:20,720

Technology we know of

146

00:07:25,730 --> 00:07:24,000

given some of the things that these uh

147

00:07:29,210 --> 00:07:25,740

whistleblowers are saying it definitely

148

00:07:31,730 --> 00:07:29,220

seems as if after World War II

149

00:07:34,070 --> 00:07:31,740

world leaders got together and forged

150

00:07:37,490 --> 00:07:34,080

the new world order out of

151
00:07:41,210 --> 00:07:37,500
chaos and Rubble

152
00:07:43,790 --> 00:07:41,220
it does appear as if the U.N

153
00:07:47,270 --> 00:07:43,800
the New World Order

154
00:07:50,450 --> 00:07:47,280
and the agenda flowing forth

155
00:07:56,390 --> 00:07:53,809
seeking to expand not only its belief

156
00:07:59,029 --> 00:07:56,400
system of eugenics

157
00:08:00,770 --> 00:07:59,039
but trying to destroy any semblance of

158
00:08:04,189 --> 00:08:00,780
freedom

159
00:08:06,350 --> 00:08:04,199
is it possible there is a military base

160
00:08:11,809 --> 00:08:06,360
on Mars

161
00:08:14,930 --> 00:08:11,819
a secret Mars space program

162
00:08:15,950 --> 00:08:14,940
something out of a science fiction novel

163
00:08:19,129 --> 00:08:15,960

really

164

00:08:20,869 --> 00:08:19,139

with secret machines going back and

165

00:08:22,730 --> 00:08:20,879

forth

166

00:08:26,570 --> 00:08:22,740

taking off

167

00:08:28,909 --> 00:08:26,580

from guess where Utah

168

00:08:31,909 --> 00:08:28,919

you may know it as dugway Proving

169

00:08:35,750 --> 00:08:31,919

Grounds Michael Army Airfield

170

00:08:37,909 --> 00:08:35,760

the runway is much longer than any

171

00:08:40,730 --> 00:08:37,919

Runway near it

172

00:08:43,550 --> 00:08:40,740

and why is this Runway so long

173

00:08:47,269 --> 00:08:43,560

no known spacecraft

174

00:08:51,410 --> 00:08:47,279

or aircraft are required a Runway as

175

00:08:54,230 --> 00:08:51,420

long as the one Michael Army Airfield

176
00:08:57,170 --> 00:08:54,240
purportedly thirteen thousand one

177
00:08:59,870 --> 00:08:57,180
hundred and twenty five feet long

178
00:09:03,430 --> 00:08:59,880
it is a major support asset

179
00:09:07,850 --> 00:09:03,440
for what they call multi-service

180
00:09:10,930 --> 00:09:07,860
Developmental and operational tests

181
00:09:13,250 --> 00:09:10,940
according to researchers investigators

182
00:09:16,190 --> 00:09:13,260
whistleblowers and those who are

183
00:09:17,870 --> 00:09:16,200
commonly out in the area of whom I know

184
00:09:22,009 --> 00:09:17,880
a few

185
00:09:23,150 --> 00:09:22,019
there is a secret group a shadowy

186
00:09:27,769 --> 00:09:23,160
syndicate

187
00:09:31,090 --> 00:09:27,779
which is involved in covering up any

188
00:09:34,310 --> 00:09:31,100

record of these operational missions

189

00:09:36,290 --> 00:09:34,320

which purportedly one of which goes to

190

00:09:38,810 --> 00:09:36,300

Mars

191

00:09:41,389 --> 00:09:38,820

some have claimed that the name of this

192

00:09:43,310 --> 00:09:41,399

group among other groups involved is the

193

00:09:45,230 --> 00:09:43,320

Aviary

194

00:09:48,130 --> 00:09:45,240

now

195

00:09:49,730 --> 00:09:48,140

the Aviary

196

00:09:51,949 --> 00:09:49,740

supports

197

00:09:55,490 --> 00:09:51,959

these missions

198

00:09:58,130 --> 00:09:55,500

and also purportedly

199

00:10:00,290 --> 00:09:58,140

keeps things under wraps especially

200

00:10:06,769 --> 00:10:00,300

things they don't want the public to

201
00:10:11,750 --> 00:10:09,110
now it's difficult to tell whether the

202
00:10:14,389 --> 00:10:11,760
Aviary really exists because people have

203
00:10:16,310 --> 00:10:14,399
claimed to be a part of it for quite

204
00:10:17,930 --> 00:10:16,320
some time

205
00:10:20,449 --> 00:10:17,940
of course

206
00:10:23,930 --> 00:10:20,459
it seems to be non-existent

207
00:10:25,790 --> 00:10:23,940
when it comes to foia requests

208
00:10:28,430 --> 00:10:25,800
of course I've always maintained that

209
00:10:29,449 --> 00:10:28,440
Freedom of Information Act requests are

210
00:10:33,110 --> 00:10:29,459
really

211
00:10:35,090 --> 00:10:33,120
freedom of disinformation act requests

212
00:10:37,430 --> 00:10:35,100
because they will only

213
00:10:39,590 --> 00:10:37,440

put out whatever information or

214

00:10:41,389 --> 00:10:39,600

disinformation

215

00:10:44,569 --> 00:10:41,399

works for them

216

00:10:47,810 --> 00:10:44,579

I'm not too impressed with uh foia

217

00:10:49,250 --> 00:10:47,820

it seems like a really good way to not

218

00:10:51,230 --> 00:10:49,260

only let the government know what you're

219

00:10:54,170 --> 00:10:51,240

looking for but give them plenty of time

220

00:10:56,150 --> 00:10:54,180

and opportunity to hide it and send you

221

00:10:58,130 --> 00:10:56,160

whatever it is they'd like to send you

222

00:10:59,329 --> 00:10:58,140

to put you on the trail of something

223

00:11:02,389 --> 00:10:59,339

else

224

00:11:05,509 --> 00:11:02,399

some swear by Freedom of Information Act

225

00:11:09,829 --> 00:11:05,519

requests I personally think it's a waste

226

00:11:12,050 --> 00:11:09,839

of time and a complete boondoggle for

227

00:11:13,430 --> 00:11:12,060

fools who believe the government will be

228

00:11:16,610 --> 00:11:13,440

honest with them

229

00:11:19,569 --> 00:11:16,620

especially I should say when it comes to

230

00:11:23,030 --> 00:11:19,579

these shadowy

231

00:11:26,150 --> 00:11:23,040

syndicates of non-existent government

232

00:11:28,009 --> 00:11:26,160

entities sure foil might work if you're

233

00:11:29,750 --> 00:11:28,019

at a city council meeting and you're

234

00:11:32,329 --> 00:11:29,760

trying to find something out that's

235

00:11:33,829 --> 00:11:32,339

compatible with an argument you have I

236

00:11:36,829 --> 00:11:33,839

get it

237

00:11:39,110 --> 00:11:36,839

but when it comes to National Security

238

00:11:41,810 --> 00:11:39,120

and the implications of sharing top

239

00:11:43,790 --> 00:11:41,820

secret technology I highly doubt foia

240

00:11:45,290 --> 00:11:43,800

requests are going to scratch the

241

00:11:48,230 --> 00:11:45,300

surface

242

00:11:50,389 --> 00:11:48,240

and as we know many of these groups have

243

00:11:53,210 --> 00:11:50,399

guys guys to protect them guys to

244

00:11:57,230 --> 00:11:53,220

investigate and of course agents not

245

00:11:59,990 --> 00:11:57,240

only to disinform but gather information

246

00:12:02,210 --> 00:12:00,000

this brings to mind tales of the Men in

247

00:12:04,370 --> 00:12:02,220

Black

248

00:12:08,470 --> 00:12:04,380

According to some sources the Men in

249

00:12:13,190 --> 00:12:08,480

Black are members of the

250

00:12:16,310 --> 00:12:13,200

1127th field activities group

251
00:12:19,730 --> 00:12:16,320
now Henry deacon

252
00:12:22,430 --> 00:12:19,740
who is really Arthur Newman

253
00:12:25,069 --> 00:12:22,440
or whoever he really is

254
00:12:25,910 --> 00:12:25,079
if there is another Alias he said too

255
00:12:29,210 --> 00:12:25,920
much

256
00:12:31,430 --> 00:12:29,220
and this was something that ended up

257
00:12:34,550 --> 00:12:31,440
possibly damaging

258
00:12:37,190 --> 00:12:34,560
his existence in the field

259
00:12:40,069 --> 00:12:37,200
there is some interesting stuff he

260
00:12:43,370 --> 00:12:40,079
collaborates with Dan beerish

261
00:12:46,670 --> 00:12:43,380
Dan burish is of course the person who

262
00:12:47,930 --> 00:12:46,680
claimed to have worked with an alien in

263
00:12:51,410 --> 00:12:47,940

captivity

264

00:12:53,110 --> 00:12:51,420

known as j-rod

265

00:12:57,530 --> 00:12:53,120

and

266

00:12:59,750 --> 00:12:57,540

purportedly befriended this alien

267

00:13:02,389 --> 00:12:59,760

now Dan

268

00:13:03,949 --> 00:13:02,399

has an interesting story as well and Dan

269

00:13:06,170 --> 00:13:03,959

bearish

270

00:13:07,310 --> 00:13:06,180

is just an interesting guy he would

271

00:13:10,069 --> 00:13:07,320

often

272

00:13:12,530 --> 00:13:10,079

go to conferences and places that are

273

00:13:15,590 --> 00:13:12,540

remote such as Rachel Nevada to the

274

00:13:18,530 --> 00:13:15,600

conferences there near area 51.

275

00:13:20,389 --> 00:13:18,540

and I have very close friends and take

276

00:13:22,910 --> 00:13:20,399

it in good confidence that there is

277

00:13:24,889 --> 00:13:22,920

something off about him one particular

278

00:13:26,269 --> 00:13:24,899

friend was sitting behind him at a

279

00:13:29,389 --> 00:13:26,279

conference and claimed that he had

280

00:13:31,550 --> 00:13:29,399

something similar akin to a device

281

00:13:34,610 --> 00:13:31,560

plugged into the back of his neck or at

282

00:13:37,009 --> 00:13:34,620

least a plug where you could plug a

283

00:13:40,430 --> 00:13:37,019

device or a cord into the back of his

284

00:13:41,930 --> 00:13:40,440

neck much like is seen in the movie The

285

00:13:44,870 --> 00:13:41,940

Matrix

286

00:13:45,650 --> 00:13:44,880

he had a very tall female Handler with

287

00:13:48,710 --> 00:13:45,660

him

288

00:13:51,350 --> 00:13:48,720

and his stories were remarkable

289

00:13:53,810 --> 00:13:51,360

now if in fact he had something that

290

00:13:56,030 --> 00:13:53,820

plugged into the back of his neck what

291

00:13:58,069 --> 00:13:56,040

in the world what kind of technology is

292

00:13:59,210 --> 00:13:58,079

this now this is a person I trust 100

293

00:14:03,110 --> 00:13:59,220

percent

294

00:14:04,910 --> 00:14:03,120

I have seen Dan burish and he had his

295

00:14:06,350 --> 00:14:04,920

neck covered up I could not see that

296

00:14:09,769 --> 00:14:06,360

part of him

297

00:14:12,050 --> 00:14:09,779

but I believe this person saw what they

298

00:14:15,129 --> 00:14:12,060

claim to have seen

299

00:14:17,810 --> 00:14:15,139

his Handler who was this massive

300

00:14:21,110 --> 00:14:17,820

giant-ish female

301
00:14:23,269 --> 00:14:21,120
and was armed would accompany him and

302
00:14:27,170 --> 00:14:23,279
tend to give him hand signals and body

303
00:14:28,490 --> 00:14:27,180
gestures to help him along the uh

304
00:14:31,550 --> 00:14:28,500
the way

305
00:14:33,170 --> 00:14:31,560
kind of cues to the social activity so

306
00:14:35,629 --> 00:14:33,180
to speak

307
00:14:36,769 --> 00:14:35,639
some claim Dan burish has been

308
00:14:39,949 --> 00:14:36,779
completely

309
00:14:42,470 --> 00:14:39,959
discredited I'm not so sure

310
00:14:46,069 --> 00:14:42,480
because

311
00:14:50,090 --> 00:14:46,079
a latest slew of whistleblowers

312
00:14:52,370 --> 00:14:50,100
attempt to make a name for Dan and there

313
00:14:55,550 --> 00:14:52,380

seems to be some interesting evidence

314

00:14:57,949 --> 00:14:55,560

that Dan beerish may have held

315

00:14:59,170 --> 00:14:57,959

other Secret

316

00:15:01,750 --> 00:14:59,180

work

317

00:15:04,129 --> 00:15:01,760

placements than the ones they have

318

00:15:07,009 --> 00:15:04,139

pre-sorted and found

319

00:15:08,689 --> 00:15:07,019

now I have to be honest I see a lot of

320

00:15:10,970 --> 00:15:08,699

interviews I hear a lot of people in

321

00:15:14,269 --> 00:15:10,980

their Tales of what took place at

322

00:15:17,689 --> 00:15:14,279

military bases Etc special projects

323

00:15:19,790 --> 00:15:17,699

and here we have the pre-crit space

324

00:15:23,569 --> 00:15:19,800

program I call it that because it's like

325

00:15:26,689 --> 00:15:23,579

the pre-secret Space Program we're

326

00:15:28,370 --> 00:15:26,699

talking about way before Corey good or

327

00:15:30,949 --> 00:15:28,380

aren't any of these other people were

328

00:15:35,449 --> 00:15:30,959

talking about such things and just to

329

00:15:37,329 --> 00:15:35,459

get back to the interesting nature of

330

00:15:40,430 --> 00:15:37,339

Henry deacon

331

00:15:41,509 --> 00:15:40,440

or Arthur Newman depending on how you

332

00:15:44,569 --> 00:15:41,519

know him

333

00:15:47,569 --> 00:15:44,579

the flow of

334

00:15:49,970 --> 00:15:47,579

their interviews are very similar to the

335

00:15:51,949 --> 00:15:49,980

flow of the interviews with Dan beerish

336

00:15:54,590 --> 00:15:51,959

there's something off

337

00:15:56,389 --> 00:15:54,600

and it's not only that they have very

338

00:15:58,970 --> 00:15:56,399

vague answers

339

00:16:01,490 --> 00:15:58,980

however it seems like their sources are

340

00:16:03,410 --> 00:16:01,500

always kept close to the chest it's

341

00:16:05,389 --> 00:16:03,420

difficult to buy into even if those

342

00:16:08,509 --> 00:16:05,399

people are in authority

343

00:16:11,629 --> 00:16:08,519

because all of the information is there

344

00:16:16,430 --> 00:16:14,629

it seems to me that probably every

345

00:16:18,829 --> 00:16:16,440

whistleblower who's worked for the

346

00:16:22,310 --> 00:16:18,839

government or had access to these

347

00:16:24,590 --> 00:16:22,320

special projects and special programs

348

00:16:26,509 --> 00:16:24,600

has to be guarded they can't say

349

00:16:29,030 --> 00:16:26,519

everything that they want to say with

350

00:16:32,389 --> 00:16:29,040

good reason I understand I've signed NDA

351
00:16:34,490 --> 00:16:32,399
agreements myself I have and and you

352
00:16:36,290 --> 00:16:34,500
know non-disclosure understandings that

353
00:16:40,870 --> 00:16:36,300
are a little less formal and so on

354
00:16:43,610 --> 00:16:40,880
however when it comes to the operations

355
00:16:46,189 --> 00:16:43,620
that have been done probably to these

356
00:16:48,829 --> 00:16:46,199
individuals themselves taking into

357
00:16:51,170 --> 00:16:48,839
account the strange plug in the back of

358
00:16:52,550 --> 00:16:51,180
Dan burish's head that we spoke of

359
00:16:54,110 --> 00:16:52,560
earlier

360
00:16:55,730 --> 00:16:54,120
seems to me that maybe they

361
00:16:58,310 --> 00:16:55,740
unconsciously

362
00:17:00,650 --> 00:16:58,320
mislead or don't know exactly what's

363
00:17:02,810 --> 00:17:00,660

taking place to begin with

364

00:17:07,850 --> 00:17:02,820

Dan beerish

365

00:17:11,169 --> 00:17:07,860

Arthur Newman AKA Henry deakin

366

00:17:13,970 --> 00:17:11,179

they seem to have a lot of information

367

00:17:15,829 --> 00:17:13,980

and not only do they have courage for

368

00:17:17,630 --> 00:17:15,839

coming forward with these things they're

369

00:17:19,010 --> 00:17:17,640

definitely whistleblowers in every sense

370

00:17:20,990 --> 00:17:19,020

of the word

371

00:17:23,510 --> 00:17:21,000

however

372

00:17:25,970 --> 00:17:23,520

it seems as if

373

00:17:27,770 --> 00:17:25,980

they may have been unknowingly

374

00:17:31,190 --> 00:17:27,780

brainwashed

375

00:17:33,650 --> 00:17:31,200

by the very programs that they claim to

376

00:17:36,230 --> 00:17:33,660

be whistleblowers too

377

00:17:38,040 --> 00:17:36,240

which brings me to the other secret

378

00:17:39,529 --> 00:17:38,050

space program

379

00:17:41,990 --> 00:17:39,539

[Music]

380

00:17:44,870 --> 00:17:42,000

that is a pun on words because I am

381

00:17:49,070 --> 00:17:44,880

talking about the secret space between

382

00:17:51,650 --> 00:17:49,080

the ears the Mind itself and I got that

383

00:17:54,730 --> 00:17:51,660

term from Shane Bales he's got some

384

00:17:59,930 --> 00:17:58,190

and uh writer Lee if you have not

385

00:18:02,450 --> 00:17:59,940

followed the raised by Giants podcast

386

00:18:04,850 --> 00:18:02,460

also has some great information when it

387

00:18:07,250 --> 00:18:04,860

comes to the secret space program I

388

00:18:09,529 --> 00:18:07,260

highly recommend both of them

389

00:18:12,110 --> 00:18:09,539

Shane and Ryder have both been on my

390

00:18:16,010 --> 00:18:12,120

podcast before and I trust that they

391

00:18:17,990 --> 00:18:16,020

have navigated this area very well they

392

00:18:21,549 --> 00:18:18,000

know what they're talking about Shane

393

00:18:25,850 --> 00:18:21,559

calls the secret space the space between

394

00:18:27,470 --> 00:18:25,860

these individuals ears and we know that

395

00:18:33,230 --> 00:18:27,480

there are a variety of government

396

00:18:35,930 --> 00:18:33,240

projects such as Monarch MK Ultra Etc

397

00:18:38,090 --> 00:18:35,940

which you literally can have mind

398

00:18:40,070 --> 00:18:38,100

control scenarios taking place with

399

00:18:42,590 --> 00:18:40,080

people especially people

400

00:18:45,049 --> 00:18:42,600

who not only work for you in the

401
00:18:47,210 --> 00:18:45,059
government or work on secret projects

402
00:18:50,630 --> 00:18:47,220
but given the fact that they have signed

403
00:18:54,710 --> 00:18:50,640
so much documentation allowing them to

404
00:18:57,650 --> 00:18:54,720
be easy and readily available

405
00:18:59,029 --> 00:18:57,660
as participants for some of these

406
00:19:01,310 --> 00:18:59,039
experiments

407
00:19:04,789 --> 00:19:01,320
it only makes sense and is extremely

408
00:19:06,890 --> 00:19:04,799
likely that some testing of some sort is

409
00:19:09,350 --> 00:19:06,900
actually done on them

410
00:19:11,510 --> 00:19:09,360
and that would make sense why the

411
00:19:14,510 --> 00:19:11,520
filtering of information

412
00:19:17,750 --> 00:19:14,520
is the way it is

413
00:19:20,630 --> 00:19:17,760

many of these simple questions are

414

00:19:22,669 --> 00:19:20,640

answered in vague ways

415

00:19:24,049 --> 00:19:22,679

by Henry deakin

416

00:19:26,450 --> 00:19:24,059

and

417

00:19:28,789 --> 00:19:26,460

he seems as if

418

00:19:31,909 --> 00:19:28,799

he's not exactly comfortable with his

419

00:19:37,970 --> 00:19:34,310

reasonable questions

420

00:19:39,529 --> 00:19:37,980

should deserve reasonable answers

421

00:19:42,049 --> 00:19:39,539

and although a very knowledgeable

422

00:19:44,810 --> 00:19:42,059

individual and I highly recommend that

423

00:19:47,570 --> 00:19:44,820

you look at some of his interviews with

424

00:19:49,310 --> 00:19:47,580

Project Camelot Carrie Cassidy and Bill

425

00:19:53,029 --> 00:19:49,320

Ryan

426
00:19:54,350 --> 00:19:53,039
however he speaks about many interesting

427
00:19:57,289 --> 00:19:54,360
things

428
00:19:58,549 --> 00:19:57,299
such as pulse weaponry

429
00:20:01,490 --> 00:19:58,559
now

430
00:20:04,250 --> 00:20:01,500
although there is such a thing and these

431
00:20:05,990 --> 00:20:04,260
type of weapons have been used

432
00:20:08,870 --> 00:20:06,000
he of course claims that weapons like

433
00:20:11,150 --> 00:20:08,880
these are used in Cosmic battles and

434
00:20:12,409 --> 00:20:11,160
claims of course that he has gone to

435
00:20:15,289 --> 00:20:12,419
Mars

436
00:20:18,470 --> 00:20:15,299
and that a secret government faction

437
00:20:19,730 --> 00:20:18,480
has contact with aliens

438
00:20:23,150 --> 00:20:19,740

now

439

00:20:26,870 --> 00:20:23,160

if this alien faction and secret

440

00:20:29,450 --> 00:20:26,880

government order are working together

441

00:20:32,990 --> 00:20:29,460

we should hear more about it we should

442

00:20:35,930 --> 00:20:33,000

hear what's going on these seem like

443

00:20:36,950 --> 00:20:35,940

some of the most important questions and

444

00:20:40,010 --> 00:20:36,960

some of the most important

445

00:20:43,130 --> 00:20:40,020

whistleblowers around

446

00:20:47,029 --> 00:20:43,140

so although entertaining I think that

447

00:20:51,289 --> 00:20:47,039

whistleblowers are what they say

448

00:20:54,650 --> 00:20:51,299

or what they believe they say they are

449

00:20:56,930 --> 00:20:54,660

which brings about this mind control

450

00:20:58,730 --> 00:20:56,940

possible brainwashing which might be

451
00:21:01,669 --> 00:20:58,740
taking place

452
00:21:04,010 --> 00:21:01,679
I have no idea if they remember all of

453
00:21:06,169 --> 00:21:04,020
the ins and outs of the things they are

454
00:21:08,990 --> 00:21:06,179
talking about but it does appear as if

455
00:21:11,150 --> 00:21:09,000
some of these whistleblowers even when

456
00:21:13,610 --> 00:21:11,160
they have a lot of Charisma and

457
00:21:16,250 --> 00:21:13,620
personality

458
00:21:18,350 --> 00:21:16,260
have a very difficult time talking about

459
00:21:20,930 --> 00:21:18,360
sensitive subjects

460
00:21:23,570 --> 00:21:20,940
could be these are screen memories it

461
00:21:26,150 --> 00:21:23,580
could be that they are quite limited due

462
00:21:28,549 --> 00:21:26,160
to their non-disclosure agreements

463
00:21:31,310 --> 00:21:28,559

and it makes it almost impossible to

464

00:21:33,770 --> 00:21:31,320

discredit somebody if they 100 believe

465

00:21:38,210 --> 00:21:33,780

what it is they are telling you

466

00:21:44,770 --> 00:21:40,850

now Henry Deacon is not alone

467

00:21:49,850 --> 00:21:44,780

other people claim to have also

468

00:21:54,830 --> 00:21:49,860

confirmed the existence of a secret

469

00:21:58,130 --> 00:21:54,840

military base or Colony on Mars

470

00:21:59,630 --> 00:21:58,140

what comes to mind in my recent research

471

00:22:01,610 --> 00:21:59,640

of this

472

00:22:03,110 --> 00:22:01,620

are recruits

473

00:22:08,149 --> 00:22:03,120

Laura

474

00:22:10,850 --> 00:22:08,159

Eisenhower and Andrew basiago

475

00:22:13,370 --> 00:22:10,860

now keep in mind these are no slouches

476

00:22:15,529 --> 00:22:13,380

these are people with credentials of

477

00:22:16,909 --> 00:22:15,539

course the Eisenhower name speaks for

478

00:22:20,029 --> 00:22:16,919

itself

479

00:22:21,350 --> 00:22:20,039

and Mr basiago is a Cambridge educated

480

00:22:25,190 --> 00:22:21,360

lawyer

481

00:22:28,730 --> 00:22:25,200

that's right he is uh one who practices

482

00:22:31,190 --> 00:22:28,740

law in Washington state and claims to

483

00:22:33,610 --> 00:22:31,200

have been a participant at least as a

484

00:22:37,430 --> 00:22:33,620

child in the DARPA time travel program

485

00:22:44,270 --> 00:22:41,270

and later teleported to a U.S base

486

00:22:46,250 --> 00:22:44,280

on Mars twice

487

00:22:48,770 --> 00:22:46,260

now this Project Pegasus is different

488

00:22:51,470 --> 00:22:48,780

than the other Project Pegasus mentioned

489

00:22:54,350 --> 00:22:51,480

earlier in the podcast and this is the

490

00:22:58,029 --> 00:22:54,360

strange Progressive nature

491

00:23:00,950 --> 00:22:58,039

of conspiracy and the important projects

492

00:23:02,930 --> 00:23:00,960

enclosed within it

493

00:23:05,210 --> 00:23:02,940

alternative projects with different

494

00:23:09,350 --> 00:23:05,220

names and varying

495

00:23:11,210 --> 00:23:09,360

goals oftentimes use similar if not

496

00:23:14,149 --> 00:23:11,220

identical names

497

00:23:16,549 --> 00:23:14,159

this is not only to throw people off but

498

00:23:18,350 --> 00:23:16,559

to keep things secret

499

00:23:21,710 --> 00:23:18,360

from an intelligence perspective it's

500

00:23:28,490 --> 00:23:25,430

so back to Eisenhower and basiago

501
00:23:31,250 --> 00:23:28,500
busiago again no slouch Cambridge

502
00:23:34,669 --> 00:23:31,260
educated lawyer and believe it or not

503
00:23:37,789 --> 00:23:34,679
actually ran for president

504
00:23:40,070 --> 00:23:37,799
he and Eisenhower described how the

505
00:23:43,610 --> 00:23:40,080
secret Mars colony is funded by black

506
00:23:45,649 --> 00:23:43,620
budget military government funds and

507
00:23:49,190 --> 00:23:45,659
intelligence sources as a survival

508
00:23:51,529 --> 00:23:49,200
mechanism for the human genome in the

509
00:23:54,409 --> 00:23:51,539
event the solar flares

510
00:23:58,250 --> 00:23:54,419
or some other cataclysm

511
00:24:01,610 --> 00:23:58,260
disturbs or ends life on Earth

512
00:24:04,610 --> 00:24:01,620
pretty crazy they call it Mars gate due

513
00:24:07,130 --> 00:24:04,620

to Congressional investigations

514

00:24:10,370 --> 00:24:07,140

there's nothing that can be found in any

515

00:24:12,529 --> 00:24:10,380

real data or real sense of the word

516

00:24:14,390 --> 00:24:12,539

Eisenhower has stated

517

00:24:16,789 --> 00:24:14,400

that the notion that trillions of

518

00:24:19,370 --> 00:24:16,799

dollars of resources have been spent to

519

00:24:22,549 --> 00:24:19,380

protect human life by placing it on Mars

520

00:24:26,450 --> 00:24:22,559

should give away the truth

521

00:24:29,810 --> 00:24:26,460

and awaken people to the reality that we

522

00:24:32,270 --> 00:24:29,820

already have a military base AKA a Mars

523

00:24:35,149 --> 00:24:32,280

colony on the red planet

524

00:24:40,549 --> 00:24:35,159

so this is not

525

00:24:44,690 --> 00:24:42,409

he's not the only one claiming this has

526

00:24:47,390 --> 00:24:44,700

happened and as many know

527

00:24:50,690 --> 00:24:47,400

the secret space program has only gained

528

00:24:52,789 --> 00:24:50,700

in popularity and presence with many

529

00:24:56,450 --> 00:24:52,799

characters claiming to have been

530

00:24:58,669 --> 00:24:56,460

involved in various missions

531

00:25:01,130 --> 00:24:58,679

however

532

00:25:03,289 --> 00:25:01,140

Andy basiago

533

00:25:05,510 --> 00:25:03,299

is a very interesting case this is a

534

00:25:08,029 --> 00:25:05,520

very educated person

535

00:25:11,270 --> 00:25:08,039

if you want to delve into a very

536

00:25:14,390 --> 00:25:11,280

in-depth interview with Mr bassiago

537

00:25:16,130 --> 00:25:14,400

check out the one done

538

00:25:20,210 --> 00:25:16,140

by Jessica

539

00:25:21,230 --> 00:25:20,220

who goes by the name Jessica mystic1 on

540

00:25:23,210 --> 00:25:21,240

YouTube

541

00:25:26,149 --> 00:25:23,220

there are 39 parts

542

00:25:29,090 --> 00:25:26,159

and everyone is amazing the conversation

543

00:25:32,090 --> 00:25:29,100

goes into depth and he is a

544

00:25:34,909 --> 00:25:32,100

whistleblower who independently reports

545

00:25:38,149 --> 00:25:34,919

not only teleporting to Mars and meeting

546

00:25:40,250 --> 00:25:38,159

Martian extraterrestrials but there's a

547

00:25:42,110 --> 00:25:40,260

whole lot more there which brings me

548

00:25:46,070 --> 00:25:42,120

back to Henry deacon

549

00:25:48,470 --> 00:25:46,080

Henry Deacon is seen on stage at various

550

00:25:50,450 --> 00:25:48,480

times with various people one of the

551
00:25:54,049 --> 00:25:50,460
people that he's on stage with right

552
00:25:55,909 --> 00:25:54,059
beside him within arm's length claims

553
00:25:58,130 --> 00:25:55,919
that there is something called the Mars

554
00:26:00,350 --> 00:25:58,140
jump room we've all heard of it by now

555
00:26:04,250 --> 00:26:00,360
and have kind of debunked and poopooed

556
00:26:05,510 --> 00:26:04,260
it as crazy woo-woo conspiracy theory

557
00:26:08,149 --> 00:26:05,520
however

558
00:26:09,470 --> 00:26:08,159
is there something to it there are those

559
00:26:11,210 --> 00:26:09,480
that claim

560
00:26:14,409 --> 00:26:11,220
it does

561
00:26:17,930 --> 00:26:14,419
offer the discovery that we can access

562
00:26:21,350 --> 00:26:17,940
things dimensionally whether it is a

563
00:26:23,029 --> 00:26:21,360

true representation of that or not

564

00:26:26,149 --> 00:26:23,039

my belief

565

00:26:28,789 --> 00:26:26,159

is that it may represent this it may

566

00:26:32,390 --> 00:26:28,799

create screen memories of this and this

567

00:26:34,850 --> 00:26:32,400

is truly technology we know we have

568

00:26:36,289 --> 00:26:34,860

we know that the CIA was involved with

569

00:26:38,630 --> 00:26:36,299

MK Ultra

570

00:26:42,529 --> 00:26:38,640

we know that DARPA has looked at mind

571

00:26:44,930 --> 00:26:42,539

control we know that these exist these

572

00:26:47,510 --> 00:26:44,940

are psychological operations and

573

00:26:49,310 --> 00:26:47,520

secretive projects which have seen the

574

00:26:50,450 --> 00:26:49,320

light of day and there is data to prove

575

00:26:52,669 --> 00:26:50,460

it

576
00:26:54,649 --> 00:26:52,679
the stretch however

577
00:26:55,970 --> 00:26:54,659
are these other projects

578
00:26:58,669 --> 00:26:55,980
so

579
00:27:01,250 --> 00:26:58,679
if there is a secret space could it be

580
00:27:03,529 --> 00:27:01,260
the secret space between your ears or

581
00:27:06,350 --> 00:27:03,539
the ears of these whistleblowers in some

582
00:27:08,590 --> 00:27:06,360
cases I don't want to go into detail

583
00:27:14,570 --> 00:27:08,600
about who and when and where and why

584
00:27:18,289 --> 00:27:14,580
however some may be participants in

585
00:27:20,870 --> 00:27:18,299
active secretive government programs

586
00:27:22,430 --> 00:27:20,880
which truthfully are just seeing how

587
00:27:26,450 --> 00:27:22,440
accurate

588
00:27:28,610 --> 00:27:26,460

and potentially useful they are in

589

00:27:32,330 --> 00:27:28,620

making a person believe that they have

590

00:27:35,029 --> 00:27:32,340

one hundred percent been to places they

591

00:27:36,409 --> 00:27:35,039

haven't been done things they didn't

592

00:27:39,350 --> 00:27:36,419

know they could do

593

00:27:41,630 --> 00:27:39,360

and engaged in activities which really

594

00:27:43,909 --> 00:27:41,640

didn't happen isn't that the point of

595

00:27:46,490 --> 00:27:43,919

mind control and if it is

596

00:27:47,630 --> 00:27:46,500

this shows just how well it has been

597

00:27:50,510 --> 00:27:47,640

developed

598

00:27:52,850 --> 00:27:50,520

and how well it works

599

00:27:55,970 --> 00:27:52,860

which is exactly what I believe a

600

00:27:58,970 --> 00:27:55,980

government project would intend to do

601
00:28:01,549 --> 00:27:58,980
and in the case of the Mars jump room I

602
00:28:03,950 --> 00:28:01,559
believe it's much more reasonable and

603
00:28:08,149 --> 00:28:03,960
rational than believing there is

604
00:28:11,090 --> 00:28:08,159
technology that teleports humans to Mars

605
00:28:13,310 --> 00:28:11,100
now as far as nuts and bolt spacecraft

606
00:28:16,190 --> 00:28:13,320
that can actually make it there that's a

607
00:28:18,590 --> 00:28:16,200
different story we know for a fact Elon

608
00:28:20,390 --> 00:28:18,600
Musk is working on that now

609
00:28:22,430 --> 00:28:20,400
this isn't a shocker so when you

610
00:28:25,070 --> 00:28:22,440
evaluate the evidence you have to look

611
00:28:28,610 --> 00:28:25,080
at the most reasonable explanations and

612
00:28:31,970 --> 00:28:28,620
data which converge to bring the truth

613
00:28:34,750 --> 00:28:31,980

I have good reason to believe and have

614

00:28:36,710 --> 00:28:34,760

taken some good looks at people

615

00:28:39,350 --> 00:28:36,720

whistleblowers if you want to call them

616

00:28:41,630 --> 00:28:39,360

that who have come out and spoken of

617

00:28:44,090 --> 00:28:41,640

some of the Technologies and craft which

618

00:28:46,850 --> 00:28:44,100

may be taking off and landing at dugway

619

00:28:49,610 --> 00:28:46,860

Proving Grounds in Utah

620

00:28:52,250 --> 00:28:49,620

this mysterious secretive base is

621

00:28:55,549 --> 00:28:52,260

exactly the type of place you would want

622

00:28:56,390 --> 00:28:55,559

technology that goes to and from the red

623

00:28:58,190 --> 00:28:56,400

planet

624

00:28:59,269 --> 00:28:58,200

to do its thing

625

00:29:01,789 --> 00:28:59,279

land

626

00:29:05,330 --> 00:29:01,799

load unload

627

00:29:10,610 --> 00:29:07,970

there is one particular craft which has

628

00:29:13,070 --> 00:29:10,620

been dubbed The Venture star

629

00:29:17,029 --> 00:29:13,080

which is said to be able to do exactly

630

00:29:21,470 --> 00:29:19,610

so how do you evaluate that how do you

631

00:29:23,389 --> 00:29:21,480

look at this and say yeah this is

632

00:29:24,769 --> 00:29:23,399

possible and maybe this other stuff is

633

00:29:27,409 --> 00:29:24,779

not now

634

00:29:30,350 --> 00:29:27,419

it's difficult to throw some of these

635

00:29:32,630 --> 00:29:30,360

players completely out with the bath

636

00:29:34,070 --> 00:29:32,640

water because

637

00:29:36,350 --> 00:29:34,080

you know you don't want to throw the

638

00:29:38,090 --> 00:29:36,360

baby out with the bathwater is there any

639

00:29:41,269 --> 00:29:38,100

truth to this stuff

640

00:29:44,330 --> 00:29:41,279

did for example basiago

641

00:29:45,669 --> 00:29:44,340

really participate in a time travel

642

00:29:48,769 --> 00:29:45,679

project

643

00:29:52,310 --> 00:29:48,779

launched by the U.S defense Advanced

644

00:29:55,730 --> 00:29:52,320

research projects agency DARPA

645

00:29:57,710 --> 00:29:55,740

he relates his experiences and he has a

646

00:30:00,470 --> 00:29:57,720

lot of information I mean really check

647

00:30:02,510 --> 00:30:00,480

some of this stuff out because he claims

648

00:30:04,430 --> 00:30:02,520

that the good old us of a

649

00:30:07,549 --> 00:30:04,440

has been teleporting

650

00:30:09,830 --> 00:30:07,559

people to Mars for decades and he

651
00:30:11,810 --> 00:30:09,840
recounts the awe-inspiring and

652
00:30:14,510 --> 00:30:11,820
terrifying trips that he took to Mars in

653
00:30:16,669 --> 00:30:14,520
1981 according to him

654
00:30:19,010 --> 00:30:16,679
and that he was tapped to go there

655
00:30:23,330 --> 00:30:19,020
because he had teleported as a child

656
00:30:26,029 --> 00:30:23,340
participant in Project Pegasus

657
00:30:28,490 --> 00:30:26,039
does that classify as witness evidence

658
00:30:30,409 --> 00:30:28,500
well absolutely it's interlinked I mean

659
00:30:33,350 --> 00:30:30,419
as a result

660
00:30:35,810 --> 00:30:33,360
if we stop believing human testimony

661
00:30:38,870 --> 00:30:35,820
altogether we are going to miss out on a

662
00:30:41,450 --> 00:30:38,880
lot of important important

663
00:30:44,570 --> 00:30:41,460

whistleblowers telling us important

664

00:30:46,130 --> 00:30:44,580

things so you you can't throw everything

665

00:30:49,130 --> 00:30:46,140

out

666

00:30:50,210 --> 00:30:49,140

where it gets super super tantalizing in

667

00:30:54,110 --> 00:30:50,220

my opinion

668

00:30:56,029 --> 00:30:54,120

is that busiago claims

669

00:30:58,310 --> 00:30:56,039

in his testimony

670

00:30:59,810 --> 00:30:58,320

that when he was a 19 year old he

671

00:31:02,210 --> 00:30:59,820

teleported to Mars

672

00:31:05,570 --> 00:31:02,220

first by himself after being prepared

673

00:31:08,810 --> 00:31:05,580

for the trip by CIA officer

674

00:31:11,930 --> 00:31:08,820

Courtney M hunt

675

00:31:15,529 --> 00:31:11,940

that's a pretty obvious name

676
00:31:17,870 --> 00:31:15,539
and then a second time in the company of

677
00:31:21,409 --> 00:31:17,880
Courtney hunt

678
00:31:23,630 --> 00:31:21,419
he claims both trips were made via this

679
00:31:24,649 --> 00:31:23,640
quote-unquote technology known as a jump

680
00:31:27,590 --> 00:31:24,659
room

681
00:31:30,350 --> 00:31:27,600
located at the CIA facility in EI

682
00:31:31,549 --> 00:31:30,360
Segundo California

683
00:31:34,070 --> 00:31:31,559
now

684
00:31:36,830 --> 00:31:34,080
the purpose of these trips was to

685
00:31:38,690 --> 00:31:36,840
familiarize him with Mars because

686
00:31:41,269 --> 00:31:38,700
apparently

687
00:31:44,570 --> 00:31:41,279
the Central Intelligence Agency knew of

688
00:31:45,649 --> 00:31:44,580

his Destiny as the discoverer of Life on

689

00:31:47,690 --> 00:31:45,659

Mars

690

00:31:49,370 --> 00:31:47,700

and they believed it was important that

691

00:31:50,870 --> 00:31:49,380

he visit Mars and experience it

692

00:31:53,930 --> 00:31:50,880

firsthand

693

00:31:56,210 --> 00:31:53,940

now I don't think busiago is lying and

694

00:31:57,470 --> 00:31:56,220

I'm going to get to why I don't believe

695

00:32:00,049 --> 00:31:57,480

he's lying

696

00:32:02,690 --> 00:32:00,059

at least not inherently

697

00:32:04,250 --> 00:32:02,700

now let's look at the facts

698

00:32:06,889 --> 00:32:04,260

let's get to the name

699

00:32:11,029 --> 00:32:06,899

Courtney M hunt

700

00:32:14,029 --> 00:32:11,039

he mentioned she was a CIA officer

701
00:32:16,970 --> 00:32:14,039
this has been confirmed by Dr Jean Maria

702
00:32:19,070 --> 00:32:16,980
arigo

703
00:32:22,430 --> 00:32:19,080
he works closely with the US Military

704
00:32:25,549 --> 00:32:22,440
and intelligence agencies

705
00:32:26,690 --> 00:32:25,559
and it has also been confirmed by U.S

706
00:32:28,250 --> 00:32:26,700
army Captain

707
00:32:31,549 --> 00:32:28,260
Ernest Garcia

708
00:32:33,230 --> 00:32:31,559
who was involved with the Dead Sea

709
00:32:35,990 --> 00:32:33,240
scroll Expeditions of Israeli

710
00:32:37,909 --> 00:32:36,000
archaeologist igal yadin

711
00:32:39,470 --> 00:32:37,919
so why put your name on the line for

712
00:32:44,210 --> 00:32:39,480
these things if there's not some truth

713
00:32:46,730 --> 00:32:44,220

to them I argue the Mars jump room is a

714

00:32:49,010 --> 00:32:46,740

form of screen memory

715

00:32:52,850 --> 00:32:49,020

I believe the Mars jump room is a real

716

00:32:56,090 --> 00:32:52,860

technology but not doing exactly what

717

00:32:59,570 --> 00:32:56,100

people believe it does

718

00:33:04,669 --> 00:32:59,580

however it is still a real technology

719

00:33:10,070 --> 00:33:06,909

I have no proof of that however

720

00:33:11,930 --> 00:33:10,080

evaluating the whole scenario

721

00:33:15,230 --> 00:33:11,940

it seems that

722

00:33:17,149 --> 00:33:15,240

MK Ultra as well as many other mind

723

00:33:20,090 --> 00:33:17,159

control projects

724

00:33:23,149 --> 00:33:20,100

have cataloged various techniques that

725

00:33:24,409 --> 00:33:23,159

make this exact type of Technology very

726
00:33:27,470 --> 00:33:24,419
real

727
00:33:29,149 --> 00:33:27,480
it's an aspect of consistency they've

728
00:33:31,730 --> 00:33:29,159
been at it for some time

729
00:33:34,549 --> 00:33:31,740
and if in fact

730
00:33:37,430 --> 00:33:34,559
the government is able to implant screen

731
00:33:39,230 --> 00:33:37,440
memories into people

732
00:33:40,430 --> 00:33:39,240
these are the perfect whistleblowers to

733
00:33:43,850 --> 00:33:40,440
have

734
00:33:46,430 --> 00:33:43,860
the memories will seem so realistic that

735
00:33:48,710 --> 00:33:46,440
the whistleblowers or experiencers

736
00:33:49,610 --> 00:33:48,720
aren't lying this really happened to

737
00:33:53,330 --> 00:33:49,620
them

738
00:33:55,370 --> 00:33:53,340

in the secret space between their ears

739

00:33:57,350 --> 00:33:55,380

now there's no problem with this until

740

00:34:00,950 --> 00:33:57,360

these whistleblowers start talking about

741

00:34:02,630 --> 00:34:00,960

other secret projects and programs

742

00:34:05,570 --> 00:34:02,640

they're involved with and then there's

743

00:34:07,549 --> 00:34:05,580

an issue then there's a problem because

744

00:34:11,270 --> 00:34:07,559

they were

745

00:34:14,270 --> 00:34:11,280

hoping and by hoping I mean the handlers

746

00:34:16,730 --> 00:34:14,280

are hoping that these participants in

747

00:34:17,930 --> 00:34:16,740

these projects that are forms of Mind

748

00:34:20,869 --> 00:34:17,940

Control

749

00:34:23,770 --> 00:34:20,879

and other psychological operations of

750

00:34:27,530 --> 00:34:23,780

disinformation techniques

751
00:34:29,329 --> 00:34:27,540
utilized to get specific information out

752
00:34:31,490 --> 00:34:29,339
to the public for whatever reason is

753
00:34:33,290 --> 00:34:31,500
intended

754
00:34:36,409 --> 00:34:33,300
they were hoping that it would stick to

755
00:34:39,730 --> 00:34:36,419
the script that these these projects and

756
00:34:43,070 --> 00:34:39,740
programs that they were talking about

757
00:34:45,649 --> 00:34:43,080
were done with blinders on avoiding

758
00:34:46,970 --> 00:34:45,659
other projects and programs that they

759
00:34:48,649 --> 00:34:46,980
may have been working on on the side

760
00:34:52,369 --> 00:34:48,659
because those

761
00:34:54,710 --> 00:34:52,379
may not have been jump room related or

762
00:34:58,070 --> 00:34:54,720
dimensionally related or Mars related

763
00:35:01,250 --> 00:34:58,080

and that seems to have been the problem

764

00:35:03,890 --> 00:35:01,260

with Henry deacon

765

00:35:05,390 --> 00:35:03,900

he began to talk about other

766

00:35:09,109 --> 00:35:05,400

projects

767

00:35:12,050 --> 00:35:09,119

other programs other things he had

768

00:35:15,530 --> 00:35:12,060

significant knowledge about

769

00:35:17,210 --> 00:35:15,540

including injections eugenics

770

00:35:22,010 --> 00:35:17,220

future Wars

771

00:35:23,569 --> 00:35:22,020

and this was probably not the intended

772

00:35:24,890 --> 00:35:23,579

result

773

00:35:28,849 --> 00:35:24,900

you see

774

00:35:32,990 --> 00:35:28,859

between the average everyday Citizen and

775

00:35:36,470 --> 00:35:33,000

government there lies a double standard

776

00:35:40,210 --> 00:35:36,480

many projects and programs by government

777

00:35:42,829 --> 00:35:40,220

definition have become a matter of

778

00:35:47,089 --> 00:35:42,839

National Security

779

00:35:49,130 --> 00:35:47,099

military Security First hence secrecy

780

00:35:52,010 --> 00:35:49,140

and

781

00:35:54,470 --> 00:35:52,020

they protect this at all costs

782

00:35:57,109 --> 00:35:54,480

if the everyday Joe or citizen sees

783

00:36:00,470 --> 00:35:57,119

anything strange out of the ordinary

784

00:36:04,790 --> 00:36:00,480

unusual even in the skies

785

00:36:07,910 --> 00:36:04,800

the first inclination is to keep quiet

786

00:36:09,770 --> 00:36:07,920

because we are aware that our testimony

787

00:36:12,829 --> 00:36:09,780

will be screened

788

00:36:14,870 --> 00:36:12,839

by Intelligence Officers

789

00:36:17,810 --> 00:36:14,880

and we fear

790

00:36:18,890 --> 00:36:17,820

our government we respect our authority

791

00:36:21,650 --> 00:36:18,900

figures

792

00:36:26,089 --> 00:36:21,660

and therefore

793

00:36:28,130 --> 00:36:26,099

this entire system is intended to keep

794

00:36:30,530 --> 00:36:28,140

these

795

00:36:33,109 --> 00:36:30,540

whistleblowers and pronouncements from

796

00:36:36,530 --> 00:36:33,119

coming forth

797

00:36:39,710 --> 00:36:36,540

only when there is a seed planted such

798

00:36:41,030 --> 00:36:39,720

as in the case of basiago

799

00:36:44,150 --> 00:36:41,040

where

800

00:36:46,430 --> 00:36:44,160

they portrayed to him the knowledge of

801
00:36:48,170 --> 00:36:46,440
his future Destiny of discovering Life

802
00:36:51,470 --> 00:36:48,180
on Mars

803
00:36:54,170 --> 00:36:51,480
when one views themselves as a catalyst

804
00:36:56,630 --> 00:36:54,180
to make something a mission of sorts

805
00:37:01,190 --> 00:36:59,329
and alter your perception

806
00:37:05,030 --> 00:37:01,200
of reality

807
00:37:08,030 --> 00:37:05,040
through the use of Technologies

808
00:37:10,370 --> 00:37:08,040
and other forms of Mind Control possibly

809
00:37:12,109 --> 00:37:10,380
in the case of basiago I'm not again I

810
00:37:15,170 --> 00:37:12,119
don't have any proof of this

811
00:37:17,329 --> 00:37:15,180
but it only goes to prove

812
00:37:19,910 --> 00:37:17,339
if it's not him it could be someone else

813
00:37:23,870 --> 00:37:19,920

this technology

814

00:37:26,210 --> 00:37:23,880

can be utilized to make people believe

815

00:37:28,490 --> 00:37:26,220

they are on a path on a mission and

816

00:37:30,349 --> 00:37:28,500

doing something special with their lives

817

00:37:32,630 --> 00:37:30,359

when in reality

818

00:37:35,750 --> 00:37:32,640

the only special thing they're doing is

819

00:37:37,609 --> 00:37:35,760

completing a project of Mind Control

820

00:37:39,349 --> 00:37:37,619

technology

821

00:37:41,750 --> 00:37:39,359

now when you get a couple of these

822

00:37:44,030 --> 00:37:41,760

participants together let's just take

823

00:37:47,329 --> 00:37:44,040

the assumptive case

824

00:37:49,310 --> 00:37:47,339

of Henry Deacon and besiago

825

00:37:51,170 --> 00:37:49,320

we could use Eisenhower as well there's

826

00:37:55,970 --> 00:37:51,180

a variety of people you could use in

827

00:37:57,650 --> 00:37:55,980

these pre-emptive assumptive cases these

828

00:37:59,510 --> 00:37:57,660

scenarios which again I don't have any

829

00:38:01,670 --> 00:37:59,520

proof of this but let's

830

00:38:02,690 --> 00:38:01,680

for lack of a better word just use these

831

00:38:05,210 --> 00:38:02,700

names

832

00:38:08,630 --> 00:38:05,220

if we take people that are a part of the

833

00:38:10,490 --> 00:38:08,640

same project or program and utilize them

834

00:38:12,410 --> 00:38:10,500

in Symphony with one another not only

835

00:38:15,530 --> 00:38:12,420

does it

836

00:38:17,569 --> 00:38:15,540

add Foundation to their belief of what

837

00:38:20,089 --> 00:38:17,579

they've done

838

00:38:22,670 --> 00:38:20,099

but it pronounces what has occurred in

839

00:38:25,730 --> 00:38:22,680

their own memory banks and they are more

840

00:38:28,849 --> 00:38:25,740

apt to speak about it

841

00:38:30,530 --> 00:38:28,859

the same could be true or said of other

842

00:38:32,870 --> 00:38:30,540

players and I'm just using their names

843

00:38:34,069 --> 00:38:32,880

I'm not going after anybody I'm just

844

00:38:37,250 --> 00:38:34,079

using their names because there's

845

00:38:38,270 --> 00:38:37,260

evidentiary data existing out there from

846

00:38:40,970 --> 00:38:38,280

uh

847

00:38:42,770 --> 00:38:40,980

any researchers point of view who looks

848

00:38:45,050 --> 00:38:42,780

into this there is data out there about

849

00:38:46,490 --> 00:38:45,060

them kind of backing up each other's

850

00:38:48,109 --> 00:38:46,500

stories

851
00:38:51,230 --> 00:38:48,119
and

852
00:38:53,690 --> 00:38:51,240
the same is true of people like Wilcox

853
00:38:54,290 --> 00:38:53,700
and good

854
00:38:56,990 --> 00:38:54,300
um

855
00:39:00,050 --> 00:38:57,000
it goes with any genre there are people

856
00:39:01,849 --> 00:39:00,060
who back up each other's stories

857
00:39:03,710 --> 00:39:01,859
my argument is

858
00:39:05,870 --> 00:39:03,720
n't it possible

859
00:39:08,990 --> 00:39:05,880
that if there were a technology that

860
00:39:11,569 --> 00:39:09,000
could be used to create screen memories

861
00:39:14,810 --> 00:39:11,579
in individuals

862
00:39:17,450 --> 00:39:14,820
making them 100 percent believe that

863
00:39:19,849 --> 00:39:17,460

they have gone two places and done

864

00:39:25,250 --> 00:39:23,210

and you do it to a variety of people

865

00:39:26,930 --> 00:39:25,260

the movement itself would be created

866

00:39:28,930 --> 00:39:26,940

almost out of thin air you would have

867

00:39:31,250 --> 00:39:28,940

people backing each other's stories

868

00:39:32,569 --> 00:39:31,260

remembering screen memories they had

869

00:39:34,310 --> 00:39:32,579

together

870

00:39:36,589 --> 00:39:34,320

Etc

871

00:39:39,650 --> 00:39:36,599

and this isn't just about the secret

872

00:39:42,170 --> 00:39:39,660

space program this could be utilized in

873

00:39:44,690 --> 00:39:42,180

a variety of different ways

874

00:39:47,210 --> 00:39:44,700

this technology

875

00:39:49,910 --> 00:39:47,220

in my personal opinion

876

00:39:53,390 --> 00:39:49,920

would not only be more important and

877

00:39:54,589 --> 00:39:53,400

useful in a very real sense than a lot

878

00:39:56,569 --> 00:39:54,599

of these other Technologies we're

879

00:39:58,310 --> 00:39:56,579

discussing but this could create

880

00:40:00,710 --> 00:39:58,320

narratives out of thin air this could

881

00:40:03,050 --> 00:40:00,720

create the truth as we know it

882

00:40:05,569 --> 00:40:03,060

especially when various people

883

00:40:08,089 --> 00:40:05,579

can corroborate

884

00:40:11,089 --> 00:40:08,099

each other's stories

885

00:40:13,970 --> 00:40:11,099

can bring information or disinformation

886

00:40:18,589 --> 00:40:13,980

to the public Arena

887

00:40:19,550 --> 00:40:18,599

and validate things which are hard to

888

00:40:22,069 --> 00:40:19,560

grasp

889

00:40:23,750 --> 00:40:22,079

I mean this is an amazing tool an

890

00:40:26,210 --> 00:40:23,760

amazing technology

891

00:40:26,930 --> 00:40:26,220

this would be at the top of my list if I

892

00:40:30,950 --> 00:40:26,940

were

893

00:40:33,170 --> 00:40:30,960

a secret shadow organization looking for

894

00:40:36,349 --> 00:40:33,180

a technology that can

895

00:40:37,730 --> 00:40:36,359

do this type of thing and create the

896

00:40:40,550 --> 00:40:37,740

desired message

897

00:40:43,790 --> 00:40:40,560

I want to get across

898

00:40:45,470 --> 00:40:43,800

now project MK Ultra

899

00:40:48,530 --> 00:40:45,480

we know

900

00:40:52,310 --> 00:40:48,540

is the cia's program of research and

901
00:40:54,950 --> 00:40:52,320
behavioral modification as they call it

902
00:40:57,650 --> 00:40:54,960
this can be viewed

903
00:41:00,470 --> 00:40:57,660
on various transcripts which were

904
00:41:02,870 --> 00:41:00,480
released by the U.S Senate

905
00:41:04,849 --> 00:41:02,880
the select committee on intelligence and

906
00:41:06,410 --> 00:41:04,859
subcommittee on health and scientific

907
00:41:10,370 --> 00:41:06,420
research

908
00:41:13,010 --> 00:41:10,380
these reports offer wide ranges of

909
00:41:15,530 --> 00:41:13,020
evidence of the abuses of the drug

910
00:41:19,250 --> 00:41:15,540
testing program and reports of other

911
00:41:20,990 --> 00:41:19,260
previously unknown drug programs and

912
00:41:25,730 --> 00:41:21,000
projects

913
00:41:28,730 --> 00:41:25,740

for Behavioral control

914

00:41:30,530 --> 00:41:28,740

now the Senate intelligence

915

00:41:33,410 --> 00:41:30,540

committee

916

00:41:36,910 --> 00:41:33,420

and the documentation supporting this

917

00:41:42,230 --> 00:41:36,920

did claim that there were other

918

00:41:45,530 --> 00:41:42,240

experiments which were equally offensive

919

00:41:47,329 --> 00:41:45,540

doesn't go into a wide range of detail

920

00:41:49,069 --> 00:41:47,339

about that however I think it's

921

00:41:51,290 --> 00:41:49,079

forthcoming

922

00:41:53,329 --> 00:41:51,300

there may be a reason why they are not

923

00:41:55,550 --> 00:41:53,339

going into detail about these other

924

00:41:57,170 --> 00:41:55,560

programs maybe some of them are hidden

925

00:41:59,690 --> 00:41:57,180

maybe they have to do with more

926
00:42:01,069 --> 00:41:59,700
secretive topics that they don't have to

927
00:42:02,569 --> 00:42:01,079
discuss

928
00:42:04,430 --> 00:42:02,579
the reality that the Central

929
00:42:06,829 --> 00:42:04,440
Intelligence Agency drugged American

930
00:42:11,390 --> 00:42:06,839
citizens without their knowledge or

931
00:42:15,589 --> 00:42:14,210
just imagine what they could do with a

932
00:42:18,170 --> 00:42:15,599
technology

933
00:42:19,490 --> 00:42:18,180
instead of a drug

934
00:42:22,250 --> 00:42:19,500
now

935
00:42:24,069 --> 00:42:22,260
according to documentation

936
00:42:27,470 --> 00:42:24,079
there were

937
00:42:29,990 --> 00:42:27,480
149 MK Ultra

938
00:42:32,390 --> 00:42:30,000

sub projects

939

00:42:35,030 --> 00:42:32,400

many of which appeared to have some

940

00:42:37,069 --> 00:42:35,040

connection with Research into behavioral

941

00:42:38,450 --> 00:42:37,079

modification

942

00:42:41,390 --> 00:42:38,460

and

943

00:42:43,190 --> 00:42:41,400

of course there were 33

944

00:42:45,829 --> 00:42:43,200

and this is the number that really

945

00:42:47,930 --> 00:42:45,839

catches my eye 33 because I think this

946

00:42:51,589 --> 00:42:47,940

is where the most top secret projects

947

00:42:53,569 --> 00:42:51,599

would be hidden is in this mysterious 33

948

00:42:57,130 --> 00:42:53,579

sub projects

949

00:42:59,990 --> 00:42:57,140

so there were an additional 33 sub

950

00:43:02,690 --> 00:43:00,000

projects what are they about

951
00:43:05,050 --> 00:43:02,700
additional sub projects concerning

952
00:43:09,829 --> 00:43:05,060
certain intelligence activities

953
00:43:13,309 --> 00:43:09,839
previously funded under MK Ultra

954
00:43:16,970 --> 00:43:13,319
which have nothing to do with behavioral

955
00:43:19,250 --> 00:43:16,980
modification drugs or toxins or with any

956
00:43:21,829 --> 00:43:19,260
other related matters

957
00:43:25,730 --> 00:43:21,839
these are the goods in my opinion the

958
00:43:27,950 --> 00:43:25,740
hidden 33 other sub projects as we know

959
00:43:33,650 --> 00:43:27,960
33 is a very

960
00:43:36,470 --> 00:43:33,660
special number and people in these Elite

961
00:43:39,290 --> 00:43:36,480
circles and intelligence Arenas would

962
00:43:41,750 --> 00:43:39,300
use that number as a code for hiding

963
00:43:44,569 --> 00:43:41,760

some of the most important projects and

964

00:43:49,670 --> 00:43:44,579

programs they were aware of

965

00:43:57,890 --> 00:43:53,470

my question is then what did those 33

966

00:44:00,170 --> 00:43:57,900

additional sub-projects have to do with

967

00:44:02,030 --> 00:44:00,180

isn't it possible that they may have

968

00:44:05,870 --> 00:44:02,040

something to do with this quote-unquote

969

00:44:08,410 --> 00:44:05,880

secret space between our ears with this

970

00:44:10,809 --> 00:44:08,420

quote-unquote secret space program

971

00:44:12,589 --> 00:44:10,819

between the human

972

00:44:14,750 --> 00:44:12,599

experience

973

00:44:16,250 --> 00:44:14,760

and the reality

974

00:44:19,730 --> 00:44:16,260

or

975

00:44:23,030 --> 00:44:19,740

fictional reality of what participants

976

00:44:24,950 --> 00:44:23,040

may have believed took place I don't

977

00:44:27,950 --> 00:44:24,960

think the secret space program came from

978

00:44:30,530 --> 00:44:27,960

nowhere where there's smoke there's fire

979

00:44:33,589 --> 00:44:30,540

and although a lot of people

980

00:44:35,630 --> 00:44:33,599

believe that a lot of these secret space

981

00:44:39,050 --> 00:44:35,640

program

982

00:44:42,550 --> 00:44:39,060

conference goes Etc

983

00:44:44,690 --> 00:44:42,560

are male intended have bad

984

00:44:48,470 --> 00:44:44,700

assumptions about them and think they're

985

00:44:48,480 --> 00:44:51,710

that maybe they aren't

986

00:44:56,630 --> 00:44:53,390

I argue

987

00:44:59,329 --> 00:44:56,640

that may be important projects

988

00:45:01,190 --> 00:44:59,339

have programmed them so to speak into

989

00:45:02,690 --> 00:45:01,200

believing certain things and that I'm

990

00:45:05,270 --> 00:45:02,700

not talking about all of them these this

991

00:45:07,609 --> 00:45:05,280

is not a blanket statement

992

00:45:10,309 --> 00:45:07,619

not a blanket statement in the least but

993

00:45:12,890 --> 00:45:10,319

I believe that to not be open-minded

994

00:45:15,349 --> 00:45:12,900

enough to believe in the potential for a

995

00:45:17,450 --> 00:45:15,359

project to do such a thing

996

00:45:19,790 --> 00:45:17,460

would be naive

997

00:45:22,790 --> 00:45:19,800

so there you have

998

00:45:24,109 --> 00:45:22,800

an alternate view of the secret space

999

00:45:31,010 --> 00:45:24,119

program

1000

00:45:33,770 --> 00:45:31,020

by the Central Intelligence Agency

1001
00:45:35,390 --> 00:45:33,780
I argue these are hidden in the secret

1002
00:45:39,050 --> 00:45:35,400
33.
