

**UFOs  
DRUGS  
& THE CIA**

1  
00:00:05,630 --> 00:00:02,750  
okay okay okay you're not gonna believe

2  
00:00:07,070 --> 00:00:05,640  
this what came across my desk is just

3  
00:00:11,750 --> 00:00:07,080  
ridiculous

4  
00:00:15,230 --> 00:00:11,760  
what do the old Bigelow Ranch black

5  
00:00:19,790 --> 00:00:15,240  
budget projects exotic reverse

6  
00:00:22,070 --> 00:00:19,800  
engineered UAP technology the CIA other

7  
00:00:24,590 --> 00:00:22,080  
intelligence organizations drug

8  
00:00:26,150 --> 00:00:24,600  
smuggling and weapons Armament smuggling

9  
00:00:28,910 --> 00:00:26,160  
have in common

10  
00:00:30,470 --> 00:00:28,920  
to just call it wild doesn't seem like

11  
00:00:32,690 --> 00:00:30,480  
enough

12  
00:00:36,590 --> 00:00:32,700  
what if

13  
00:00:41,330 --> 00:00:36,600

reverse engineered exotic Technologies

14

00:00:45,130 --> 00:00:41,340

are being used in illegal ways

15

00:00:49,430 --> 00:00:45,140

by intelligence programs and black

16

00:00:52,610 --> 00:00:49,440

budget projects how would anyone know

17

00:00:55,910 --> 00:00:52,620

if this sounds too far-fetched for you

18

00:01:00,110 --> 00:00:55,920

buckle up for a drug-induced frenzy of

19

00:01:02,990 --> 00:01:00,120

UAP conspiracy involving the CIA other

20

00:01:04,969 --> 00:01:03,000

intelligence operations smuggling drugs

21

00:01:09,350 --> 00:01:04,979

and other Contraband in Reverse

22

00:01:14,170 --> 00:01:09,360

engineered UAP technology

23

00:01:24,010 --> 00:01:15,810

all right

24

00:01:27,950 --> 00:01:24,020

[Music]

25

00:01:31,450 --> 00:01:27,960

come Blast Off In My Time Machine sir I

26

00:01:36,289 --> 00:01:31,460

feel like a nevizing blast off Blast Off

27

00:01:43,840 --> 00:01:36,299

Blast Off blast off come blast off in my

28

00:01:49,670 --> 00:01:45,910

[Music]

29

00:01:51,950 --> 00:01:49,680

Blast Off on a drug-induced frenzy of

30

00:01:54,770 --> 00:01:51,960

UAP conspiracy

31

00:01:57,910 --> 00:01:54,780

a wild episode of the hyper anomalous

32

00:02:01,370 --> 00:01:57,920

esoteric research organization podcast

33

00:02:03,830 --> 00:02:01,380

AKA hero paranormal

34

00:02:07,190 --> 00:02:03,840

broadcasting from the base at la Madre

35

00:02:09,830 --> 00:02:07,200

Mountain just south of area 51. my name

36

00:02:12,410 --> 00:02:09,840

is Ryan the anomalous ambassador of the

37

00:02:14,089 --> 00:02:12,420

airwaves bringing you an unbelievable

38

00:02:17,449 --> 00:02:14,099

episode today

39

00:02:21,110 --> 00:02:17,459

okay so let's break it down a

40

00:02:24,830 --> 00:02:21,120

drug-induced frenzy of UAP UFO

41

00:02:28,070 --> 00:02:24,840

conspiracy involving the CIA

42

00:02:30,650 --> 00:02:28,080

other intelligence operations smuggling

43

00:02:34,610 --> 00:02:30,660

drugs and other Contraband in Reverse

44

00:02:37,309 --> 00:02:34,620

engineered UAP technology sounds too

45

00:02:38,990 --> 00:02:37,319

crazy right well

46

00:02:41,630 --> 00:02:39,000

that's what I thought when I was

47

00:02:44,210 --> 00:02:41,640

approached by an eyewitness and resident

48

00:02:47,809 --> 00:02:44,220

of the Uintah Basin who claimed they had

49

00:02:51,170 --> 00:02:47,819

witnessed UAP UFO style exotic

50

00:02:52,330 --> 00:02:51,180

Technologies land on the old Bigelow

51  
00:02:55,729 --> 00:02:52,340  
Ranch

52  
00:02:59,050 --> 00:02:55,739  
load and unload things before taking off

53  
00:03:02,030 --> 00:02:59,060  
again this happened over and over again

54  
00:03:04,430 --> 00:03:02,040  
when I asked what their gut reaction and

55  
00:03:06,350 --> 00:03:04,440  
feeling about it was they said you're

56  
00:03:08,089 --> 00:03:06,360  
never going to believe me but I think

57  
00:03:10,610 --> 00:03:08,099  
they were moving drugs

58  
00:03:13,250 --> 00:03:10,620  
they were right I didn't believe them

59  
00:03:15,830 --> 00:03:13,260  
this sounded like the most far-fetched

60  
00:03:17,390 --> 00:03:15,840  
Theory I had ever heard about

61  
00:03:19,910 --> 00:03:17,400  
and I've heard a lot of far-fetched

62  
00:03:23,449 --> 00:03:19,920  
theories in the area keep in mind this

63  
00:03:27,410 --> 00:03:23,459

is a resident a local and someone with a

64

00:03:30,530 --> 00:03:27,420

direct view of the property at all times

65

00:03:33,890 --> 00:03:30,540

so let's get back to this crazy belief

66

00:03:38,089 --> 00:03:33,900

that over and over again they believed

67

00:03:42,009 --> 00:03:38,099

they had witnessed UAP UFO style exotic

68

00:03:44,750 --> 00:03:42,019

Technologies landing on the property

69

00:03:47,210 --> 00:03:44,760

loading and unloading things before

70

00:03:50,330 --> 00:03:47,220

taking off again

71

00:03:53,210 --> 00:03:50,340

and they had the gut reaction and

72

00:03:56,149 --> 00:03:53,220

feeling that something was being moved

73

00:03:58,970 --> 00:03:56,159

possibly something clandestine

74

00:04:01,610 --> 00:03:58,980

this aspect seemed like it may be out of

75

00:04:04,910 --> 00:04:01,620

a wild Hollywood movie to me

76

00:04:08,750 --> 00:04:04,920

but as is usually the case

77

00:04:10,970 --> 00:04:08,760

when there is smoke there is fire

78

00:04:13,250 --> 00:04:10,980

this particular eyewitness has been

79

00:04:16,189 --> 00:04:13,260

astoundingly accurate to the point that

80

00:04:19,550 --> 00:04:16,199

I believe just about anything they say

81

00:04:22,969 --> 00:04:19,560

which makes this unique information that

82

00:04:24,830 --> 00:04:22,979

much harder to wrap my mind around

83

00:04:26,990 --> 00:04:24,840

could it be

84

00:04:30,110 --> 00:04:27,000

I laughed it off at the time

85

00:04:31,670 --> 00:04:30,120

but the eyewitness account has haunted

86

00:04:34,450 --> 00:04:31,680

me

87

00:04:38,450 --> 00:04:34,460

whenever black budget programs

88

00:04:41,810 --> 00:04:38,460

intelligence uaps and high Echelon top

89

00:04:44,409 --> 00:04:41,820

secret projects converge I have found

90

00:04:46,969 --> 00:04:44,419

just about anything is possible

91

00:04:50,570 --> 00:04:46,979

especially given the most recent

92

00:04:52,969 --> 00:04:50,580

information sent to me this week

93

00:04:57,050 --> 00:04:52,979

PR Newswire

94

00:04:59,629 --> 00:04:57,060

a historic press event on UAP UFO

95

00:05:02,870 --> 00:04:59,639

disclosure in Washington D.C

96

00:05:04,909 --> 00:05:02,880

Dr Stephen M Greer founder of the

97

00:05:07,790 --> 00:05:04,919

disclosure project and one of the

98

00:05:11,090 --> 00:05:07,800

world's leading authorities on the UFO

99

00:05:14,870 --> 00:05:11,100

UAP issue will be presenting definitive

100

00:05:17,990 --> 00:05:14,880

evidence of illegal unacknowledged black

101  
00:05:19,670 --> 00:05:18,000  
budget projects related to UFO UAP

102  
00:05:22,189 --> 00:05:19,680  
operations

103  
00:05:25,510 --> 00:05:22,199  
in Washington D.C

104  
00:05:28,249 --> 00:05:25,520  
this will take place at 2 pm on June 12

105  
00:05:30,230 --> 00:05:28,259  
2023 at the national

106  
00:05:32,629 --> 00:05:30,240  
Press Club

107  
00:05:34,490 --> 00:05:32,639  
he will be joined by several top secret

108  
00:05:36,409 --> 00:05:34,500  
government whistleblowers

109  
00:05:39,350 --> 00:05:36,419  
who will be presenting compelling

110  
00:05:41,629 --> 00:05:39,360  
testimony these whistleblowers include a

111  
00:05:44,390 --> 00:05:41,639  
U.S marine who witnessed a man-made UAP

112  
00:05:47,330 --> 00:05:44,400  
offloading illegal weapons and Drugs in

113  
00:05:50,330 --> 00:05:47,340

Indonesia in 2009.

114

00:05:52,490 --> 00:05:50,340

so yeah you got that right this person

115

00:05:57,770 --> 00:05:52,500

is willing to testify that they were

116

00:06:01,909 --> 00:05:57,780

smuggling drugs and guns in Indonesia in

117

00:06:04,189 --> 00:06:01,919

2009 in Reverse engineered exotic

118

00:06:05,870 --> 00:06:04,199

technology I mean if you're going to get

119

00:06:08,330 --> 00:06:05,880

away with something why not use a

120

00:06:10,070 --> 00:06:08,340

vehicle that is going to get away with

121

00:06:11,990 --> 00:06:10,080

something right

122

00:06:14,930 --> 00:06:12,000

moving forward

123

00:06:17,330 --> 00:06:14,940

the disclosure intelligence UFO archive

124

00:06:19,730 --> 00:06:17,340

consisting of over five terabytes of

125

00:06:22,309 --> 00:06:19,740

government documents whistleblower

126

00:06:24,650 --> 00:06:22,319

testimony and specific locations of

127

00:06:28,430 --> 00:06:24,660

illegally operated UFO projects and

128

00:06:31,309 --> 00:06:28,440

corporations will also be unveiled over

129

00:06:33,350 --> 00:06:31,319

700 military intelligence and corporate

130

00:06:34,670 --> 00:06:33,360

whistleblowers are included in this vast

131

00:06:37,370 --> 00:06:34,680

archive

132

00:06:39,170 --> 00:06:37,380

okay we are talking about a lot of

133

00:06:42,230 --> 00:06:39,180

people here and I just have to interject

134

00:06:44,870 --> 00:06:42,240

that is a lot of whistleblowers a lot of

135

00:06:48,830 --> 00:06:44,880

people are saying this kind of stuff is

136

00:06:53,270 --> 00:06:48,840

taking place and it might be far-fetched

137

00:06:56,270 --> 00:06:53,280

in our view however this is very

138

00:06:58,550 --> 00:06:56,280

interesting that illegally confiscated

139

00:07:01,189 --> 00:06:58,560

and suppressed craft

140

00:07:03,290 --> 00:07:01,199

exotic technology in other words are

141

00:07:05,930 --> 00:07:03,300

being used for offloading illegal

142

00:07:08,210 --> 00:07:05,940

weapons and drugs

143

00:07:11,390 --> 00:07:08,220

now this is craft that can move quickly

144

00:07:13,790 --> 00:07:11,400

below the radar and get jobs done

145

00:07:16,309 --> 00:07:13,800

immediately

146

00:07:19,249 --> 00:07:16,319

I mean this sounds a whole lot like the

147

00:07:22,309 --> 00:07:19,259

eyewitness testimony I was told by

148

00:07:24,490 --> 00:07:22,319

someone watching uaps and exotic

149

00:07:27,529 --> 00:07:24,500

Technologies Landing in the U in a basin

150

00:07:30,110 --> 00:07:27,539

whether or not it has any semblance to

151

00:07:32,689 --> 00:07:30,120

what was actually going on or not

152

00:07:35,390 --> 00:07:32,699

it just goes to show that it's possible

153

00:07:37,249 --> 00:07:35,400

these things are possible I'm not saying

154

00:07:39,589 --> 00:07:37,259

it's happening but if we have government

155

00:07:42,890 --> 00:07:39,599

whistleblowers who are presenting

156

00:07:46,969 --> 00:07:42,900

compelling testimony saying that uaps

157

00:07:49,909 --> 00:07:46,979

are offloading illegal weapons and drugs

158

00:07:54,050 --> 00:07:49,919

I mean this sounds exactly like the

159

00:07:58,249 --> 00:07:54,060

story and eyewitness account I was told

160

00:08:00,650 --> 00:07:58,259

so why would it be that craft which are

161

00:08:03,830 --> 00:08:00,660

illegally confiscated and suppressed

162

00:08:08,930 --> 00:08:03,840

from the mainstream are used in Black

163

00:08:11,350 --> 00:08:08,940

budget projects by intelligence agencies

164

00:08:15,230 --> 00:08:11,360

to get otherwise

165

00:08:18,170 --> 00:08:15,240

clandestine operations off the ground

166

00:08:21,350 --> 00:08:18,180

well I think that's pretty obvious we're

167

00:08:25,790 --> 00:08:21,360

talking about propulsion systems and

168

00:08:27,830 --> 00:08:25,800

Advanced Energy that can move at rates

169

00:08:31,309 --> 00:08:27,840

that none of our law enforcement

170

00:08:33,949 --> 00:08:31,319

Vehicles could even wrap their minds

171

00:08:38,170 --> 00:08:33,959

around and I'm not saying it even has to

172

00:08:41,570 --> 00:08:38,180

be drugs or guns it could be anything

173

00:08:44,810 --> 00:08:41,580

these corporations and black budget

174

00:08:45,710 --> 00:08:44,820

projects which are to be unveiled could

175

00:08:47,269 --> 00:08:45,720

be

176

00:08:50,150 --> 00:08:47,279

moving anything

177

00:08:51,590 --> 00:08:50,160

they could be illegally operating things

178

00:08:53,509 --> 00:08:51,600

that

179

00:08:55,730 --> 00:08:53,519

well five terabytes of government

180

00:08:58,790 --> 00:08:55,740

documents are going to tell us what it

181

00:09:01,670 --> 00:08:58,800

is however just the testimony in

182

00:09:04,430 --> 00:09:01,680

specific locations of the suspected

183

00:09:05,810 --> 00:09:04,440

illegally operated UFO projects makes

184

00:09:08,150 --> 00:09:05,820

one Wonder

185

00:09:09,829 --> 00:09:08,160

I mean have any of you seen the movie

186

00:09:12,410 --> 00:09:09,839

Air America

187

00:09:14,990 --> 00:09:12,420

with Tom Cruise isn't this exactly what

188

00:09:17,930 --> 00:09:15,000

they were doing but utilizing airplanes

189

00:09:20,389 --> 00:09:17,940

let's speak seriously and candidly about

190

00:09:24,290 --> 00:09:20,399

things like Iran Contra

191

00:09:27,290 --> 00:09:24,300

the Iran Contra Scandal moving guns

192

00:09:30,769 --> 00:09:27,300

I was born in Costa Rica which is the

193

00:09:33,470 --> 00:09:30,779

country beside Nicaragua to the South so

194

00:09:35,389 --> 00:09:33,480

it wasn't a shocker to me and this story

195

00:09:37,730 --> 00:09:35,399

was something that many were aware of

196

00:09:40,610 --> 00:09:37,740

but nobody was talking about

197

00:09:42,350 --> 00:09:40,620

the reality however is that as time has

198

00:09:46,310 --> 00:09:42,360

passed it has become more and more

199

00:09:49,970 --> 00:09:46,320

obvious that the crack epidemic cocaine

200

00:09:52,490 --> 00:09:49,980

in general and the sales of these drugs

201  
00:09:54,949 --> 00:09:52,500  
Were Somehow funneled into purchasing

202  
00:09:58,070 --> 00:09:54,959  
weapons for guns

203  
00:10:01,610 --> 00:09:58,080  
an ammunition that was then sent to the

204  
00:10:04,850 --> 00:10:01,620  
contras in Nicaragua this was all done

205  
00:10:06,710 --> 00:10:04,860  
behind a smoke screen of government lies

206  
00:10:07,930 --> 00:10:06,720  
which have only recently seen the light

207  
00:10:13,070 --> 00:10:07,940  
of day

208  
00:10:16,389 --> 00:10:13,080  
so when I hear that Dr Stephen Greer

209  
00:10:18,590 --> 00:10:16,399  
plants for its civilian-initiated Rico

210  
00:10:21,410 --> 00:10:18,600  
racketeering influence corrupt

211  
00:10:23,750 --> 00:10:21,420  
organization lawsuit against illegal

212  
00:10:25,550 --> 00:10:23,760  
military and corporate projects will be

213  
00:10:28,190 --> 00:10:25,560

announced and outlined

214

00:10:30,470 --> 00:10:28,200

the no no I'm not that shocked I mean

215

00:10:34,070 --> 00:10:30,480

it's been done before these things have

216

00:10:37,250 --> 00:10:34,080

happened before this is a long standing

217

00:10:39,650 --> 00:10:37,260

way of doing business for some of these

218

00:10:41,750 --> 00:10:39,660

intelligence organizations is it a

219

00:10:42,590 --> 00:10:41,760

shocker I don't know but there's more to

220

00:10:48,530 --> 00:10:42,600

it

221

00:10:50,569 --> 00:10:48,540

retrieval events of extraterrestrial

222

00:10:52,190 --> 00:10:50,579

Vehicles will be summarized and

223

00:10:54,290 --> 00:10:52,200

presented

224

00:10:57,170 --> 00:10:54,300

the disclosure archive contains

225

00:10:59,449 --> 00:10:57,180

Intelligence on all these cases a

226

00:11:01,310 --> 00:10:59,459

summary of Advanced Energy and

227

00:11:03,530 --> 00:11:01,320

propulsion technologies that have been

228

00:11:05,690 --> 00:11:03,540

illegally confiscated and suppressed

229

00:11:08,569 --> 00:11:05,700

will be presented

230

00:11:11,630 --> 00:11:08,579

these Technologies would replace all

231

00:11:14,150 --> 00:11:11,640

fossil fuels Nuclear Power and Electric

232

00:11:16,190 --> 00:11:14,160

transmission systems and would create a

233

00:11:18,949 --> 00:11:16,200

new economy free of poverty and

234

00:11:21,410 --> 00:11:18,959

pollution within a generation

235

00:11:24,170 --> 00:11:21,420

over the course of the last 30 years Dr

236

00:11:26,110 --> 00:11:24,180

Greer has identified over 700 high-level

237

00:11:28,490 --> 00:11:26,120

government and corporate whistleblowers

238

00:11:31,990 --> 00:11:28,500

willing to testify on their direct

239

00:11:34,670 --> 00:11:32,000

involvement with the UFO ET matter

240

00:11:37,430 --> 00:11:34,680

Advanced Energy and propulsion systems

241

00:11:41,630 --> 00:11:37,440

and the existence of covert government

242

00:11:43,550 --> 00:11:41,640

programs that are run illegally

243

00:11:45,290 --> 00:11:43,560

well there you have it that's pretty cut

244

00:11:49,190 --> 00:11:45,300

and dried and that's out of investors

245

00:11:51,949 --> 00:11:49,200

Observer that is uh

246

00:11:54,050 --> 00:11:51,959

a great publication I'd also like to

247

00:11:55,329 --> 00:11:54,060

thank the source of the disclosure

248

00:12:01,790 --> 00:11:55,339

project

249

00:12:04,550 --> 00:12:01,800

and the pr newswire via quote media and

250

00:12:09,710 --> 00:12:07,790

this is the kind of stuff that is so

251

00:12:11,630 --> 00:12:09,720

far-fetched and hard to believe that

252

00:12:13,850 --> 00:12:11,640

there may actually be some truth to it

253

00:12:17,150 --> 00:12:13,860

and as I said there is historical

254

00:12:20,870 --> 00:12:17,160

precedent and I mean it's going way back

255

00:12:23,990 --> 00:12:20,880

the book alternative 3 maintains that

256

00:12:27,650 --> 00:12:24,000

there is abundant evidence that by 1951

257

00:12:30,050 --> 00:12:27,660

the superpowers were far more advanced

258

00:12:31,670 --> 00:12:30,060

in space technology than they have ever

259

00:12:35,449 --> 00:12:31,680

admitted

260

00:12:38,030 --> 00:12:35,459

and in this it is correct there is a

261

00:12:40,190 --> 00:12:38,040

strong case to be made for UFOs as part

262

00:12:43,490 --> 00:12:40,200

of hidden and high Echelon government

263

00:12:44,990 --> 00:12:43,500

projects utilizing the secrets of flying

264

00:12:47,210 --> 00:12:45,000

disc craft

265

00:12:50,329 --> 00:12:47,220

some claim these were received from the

266

00:12:52,970 --> 00:12:50,339

Nazis at the end of World War II and the

267

00:12:56,889 --> 00:12:52,980

timeline certainly fits

268

00:13:01,210 --> 00:12:56,899

in the South Wales Argus for December 13

269

00:13:04,790 --> 00:13:01,220

1944 Marshall yarrow of Reuters stated

270

00:13:07,069 --> 00:13:04,800

quote the Germans have produced a secret

271

00:13:09,829 --> 00:13:07,079

weapon in keeping with the Christmas

272

00:13:11,930 --> 00:13:09,839

season the new device which is

273

00:13:14,690 --> 00:13:11,940

apparently an air defense weapon

274

00:13:18,050 --> 00:13:14,700

resembles the glass balls which adorned

275

00:13:20,449 --> 00:13:18,060

Christmas trees they have been hanging

276

00:13:23,389 --> 00:13:20,459

in the air over German territory

277

00:13:25,790 --> 00:13:23,399

sometimes singly sometimes in clusters

278

00:13:28,810 --> 00:13:25,800

they are colored silver and are

279

00:13:32,410 --> 00:13:28,820

apparently transparent end of quote

280

00:13:37,389 --> 00:13:32,420

these were the famous foo fighter craft

281

00:13:41,090 --> 00:13:37,399

that are Airmen witnessed engaged with

282

00:13:44,329 --> 00:13:41,100

and came back and reported on these were

283

00:13:47,690 --> 00:13:44,339

out of this world technology at the time

284

00:13:50,090 --> 00:13:47,700

a confidential Italian document obtained

285

00:13:52,490 --> 00:13:50,100

from the OSS from an Informer in

286

00:13:54,410 --> 00:13:52,500

Switzerland stated that during the

287

00:13:56,990 --> 00:13:54,420

lattered part of the war

288

00:13:59,990 --> 00:13:57,000

informers had observed an encounter

289

00:14:03,069 --> 00:14:00,000

between an unknown craft and Allied

290

00:14:06,350 --> 00:14:03,079

planes a strange flying machine

291

00:14:07,610 --> 00:14:06,360

hemispherical or at any rate circular in

292

00:14:10,629 --> 00:14:07,620

shape

293

00:14:13,370 --> 00:14:10,639

it attacked them at Fantastic speed

294

00:14:16,069 --> 00:14:13,380

destroying them in a few seconds without

295

00:14:19,190 --> 00:14:16,079

using any guns

296

00:14:21,530 --> 00:14:19,200

another verification of early saucer

297

00:14:23,150 --> 00:14:21,540

technology was received by researcher

298

00:14:26,269 --> 00:14:23,160

Thomas Adams

299

00:14:28,790 --> 00:14:26,279

although the author known to Mr Adams

300

00:14:30,110 --> 00:14:28,800

chose to remain anonymous in the

301

00:14:32,629 --> 00:14:30,120

published account

302

00:14:34,790 --> 00:14:32,639

and I quote I was privileged once to get

303

00:14:37,430 --> 00:14:34,800

in on the observance of a real genuine

304

00:14:39,949 --> 00:14:37,440

solid tangible UFO model under

305

00:14:41,870 --> 00:14:39,959

construction where I was once an

306

00:14:43,850 --> 00:14:41,880

employee at Goodyear Aerospace

307

00:14:47,750 --> 00:14:43,860

Corporation

308

00:14:50,210 --> 00:14:47,760

now Goodyear Atomic in Akron

309

00:14:54,230 --> 00:14:50,220

for three years back in the mid 60s I

310

00:14:56,990 --> 00:14:54,240

had blue secret clearance then and the

311

00:15:00,050 --> 00:14:57,000

individual who showed me the UFO in a

312

00:15:01,850 --> 00:15:00,060

special Hangar there had Red Top Secret

313

00:15:04,310 --> 00:15:01,860

clearance

314

00:15:08,449 --> 00:15:04,320  
at that time I was not allowed to

315

00:15:10,370 --> 00:15:08,459  
disclose what I had seen due to the fact

316

00:15:13,550 --> 00:15:10,380  
that I was an employee

317

00:15:15,710 --> 00:15:13,560  
we were taken under the threat of a

318

00:15:17,930 --> 00:15:15,720  
federal fine or imprisonment if we

319

00:15:19,310 --> 00:15:17,940  
talked about matters secret or top

320

00:15:22,790 --> 00:15:19,320  
secret

321

00:15:25,430 --> 00:15:22,800  
of course now it no longer applies we

322

00:15:27,889 --> 00:15:25,440  
run into this over and over again with

323

00:15:30,170 --> 00:15:27,899  
whistleblowers and testimonials of

324

00:15:31,790 --> 00:15:30,180  
people who have witnessed this exotic

325

00:15:35,629 --> 00:15:31,800  
technology

326

00:15:39,050 --> 00:15:35,639

eventually the ndas do run out and they

327

00:15:41,210 --> 00:15:39,060

are able to provide some sort of view of

328

00:15:43,490 --> 00:15:41,220

some of the experiences they have and

329

00:15:46,910 --> 00:15:43,500

things they have seen

330

00:15:49,129 --> 00:15:46,920

in hangars at top secret facilities

331

00:15:54,110 --> 00:15:49,139

this information comes from the book

332

00:15:55,870 --> 00:15:54,120

mind control and UFOs by Jim Keith

333

00:15:59,269 --> 00:15:55,880

but information

334

00:16:02,750 --> 00:15:59,279

on black budget projects related to the

335

00:16:05,030 --> 00:16:02,760

UFO and UAP operations in this country

336

00:16:07,689 --> 00:16:05,040

as well as other countries

337

00:16:10,610 --> 00:16:07,699

have authorities a little bit worried

338

00:16:13,610 --> 00:16:10,620

disclosure intelligence UFO archive

339

00:16:16,370 --> 00:16:13,620

consisting of over five terabytes of

340

00:16:17,509 --> 00:16:16,380

government documents are quite the

341

00:16:20,449 --> 00:16:17,519

threat

342

00:16:23,329 --> 00:16:20,459

to The Establishment and I can totally

343

00:16:26,449 --> 00:16:23,339

relate to why some of these things are

344

00:16:29,590 --> 00:16:26,459

used instead of regular airplanes

345

00:16:32,329 --> 00:16:29,600

I can understand why

346

00:16:36,170 --> 00:16:32,339

utilizing exotic craft

347

00:16:39,530 --> 00:16:36,180

will definitely put fear in the eye of

348

00:16:42,949 --> 00:16:39,540

the Observer who happens to witness such

349

00:16:45,590 --> 00:16:42,959

accounts they are far less likely to

350

00:16:48,889 --> 00:16:45,600

call law enforcement and say hey I saw a

351  
00:16:51,230 --> 00:16:48,899  
flying saucer or a triangle UFO

352  
00:16:52,670 --> 00:16:51,240  
then they are hey I saw a low-flying

353  
00:16:54,490 --> 00:16:52,680  
airplane right

354  
00:16:58,129 --> 00:16:54,500  
moving forward

355  
00:17:01,009 --> 00:16:58,139  
UFOs and aliens Among Us

356  
00:17:04,370 --> 00:17:01,019  
this is from the Library of Congress

357  
00:17:07,970 --> 00:17:04,380  
and with good reason in the 1940s and

358  
00:17:10,069 --> 00:17:07,980  
50s reports of flying saucers became an

359  
00:17:12,710 --> 00:17:10,079  
American cultural phenomenon

360  
00:17:14,750 --> 00:17:12,720  
sightings of strange objects in the sky

361  
00:17:18,530 --> 00:17:14,760  
became the raw materials for Hollywood

362  
00:17:21,470 --> 00:17:18,540  
to present visions of potential threats

363  
00:17:24,409 --> 00:17:21,480

posters for films like Earth versus the

364

00:17:26,270 --> 00:17:24,419

flying saucers from 1956 illustrate

365

00:17:29,510 --> 00:17:26,280

these fears

366

00:17:32,390 --> 00:17:29,520

connected to ongoing ideas about life on

367

00:17:34,669 --> 00:17:32,400

the Moon the canals on Mars and ideas

368

00:17:36,590 --> 00:17:34,679

about Martian civilizations flying

369

00:17:38,990 --> 00:17:36,600

saucers have come to represent the hopes

370

00:17:42,409 --> 00:17:39,000

and fears of the modern world

371

00:17:45,310 --> 00:17:42,419

it's best to use fear

372

00:17:48,470 --> 00:17:45,320

against those who have it

373

00:17:52,810 --> 00:17:48,480

securing the possibility

374

00:17:55,990 --> 00:17:52,820

of a black budget Project without

375

00:18:00,409 --> 00:17:56,000

Witnesses being willing to come forward

376

00:18:02,270 --> 00:18:00,419  
and discuss what it is they saw

377

00:18:05,330 --> 00:18:02,280  
the best defense

378

00:18:08,409 --> 00:18:05,340  
is an aerial fear

379

00:18:12,470 --> 00:18:08,419  
of ridicule fear of the objects

380

00:18:15,350 --> 00:18:12,480  
themselves and fear that if

381

00:18:17,690 --> 00:18:15,360  
you do mention it it won't take long for

382

00:18:19,789 --> 00:18:17,700  
people to not take you seriously much

383

00:18:23,289 --> 00:18:19,799  
like the boy who cried wolf

384

00:18:25,730 --> 00:18:23,299  
a lot of the eyewitness accounts of both

385

00:18:28,070 --> 00:18:25,740  
cryptozoological entities like the

386

00:18:30,370 --> 00:18:28,080  
wolves in the Uintah Basin as well as

387

00:18:32,990 --> 00:18:30,380  
UAP

388

00:18:34,130 --> 00:18:33,000

extraterrestrial Technologies viewed in

389

00:18:38,750 --> 00:18:34,140

the skies

390

00:18:41,690 --> 00:18:38,760

most I would argue are not reported and

391

00:18:44,870 --> 00:18:41,700

the following information comes from the

392

00:18:47,210 --> 00:18:44,880

Federation of scientists because there

393

00:18:49,310 --> 00:18:47,220

is a role that the CIA has played in the

394

00:18:52,970 --> 00:18:49,320

study of UFOs

395

00:18:55,250 --> 00:18:52,980

an extraordinary 95 percent of all

396

00:18:59,270 --> 00:18:55,260

Americans have at least heard or read

397

00:19:01,370 --> 00:18:59,280

something about UFOs and 57 percent

398

00:19:02,390 --> 00:19:01,380

believe they are real that's the

399

00:19:05,330 --> 00:19:02,400

majority

400

00:19:07,390 --> 00:19:05,340

former U.S presidents Carter and Reagan

401

00:19:09,169 --> 00:19:07,400

claim to have seen them

402

00:19:12,110 --> 00:19:09,179

ufologists

403

00:19:15,049 --> 00:19:12,120

UFO Buffs and private UFO organizations

404

00:19:17,390 --> 00:19:15,059

are found throughout the United States

405

00:19:21,590 --> 00:19:17,400

many are convinced that the U.S

406

00:19:23,990 --> 00:19:21,600

government and particularly the CIA are

407

00:19:25,730 --> 00:19:24,000

engaged in a massive conspiracy and

408

00:19:28,610 --> 00:19:25,740

cover-up of the issue

409

00:19:33,970 --> 00:19:28,620

there's good reason why UFO researchers

410

00:19:37,310 --> 00:19:33,980

and organizations suspect the CIA

411

00:19:38,950 --> 00:19:37,320

documents show that CIA

412

00:19:43,430 --> 00:19:38,960

operatives

413

00:19:45,590 --> 00:19:43,440

infiltrated UFO organizations years ago

414

00:19:48,650 --> 00:19:45,600

the Air Force office of special

415

00:19:51,529 --> 00:19:48,660

investigations for a period spread

416

00:19:54,490 --> 00:19:51,539

disinformation about UFO cases and sent

417

00:19:57,350 --> 00:19:54,500

operatives to UFO conferences

418

00:19:59,390 --> 00:19:57,360

get-togethers and meetings to gather

419

00:20:02,150 --> 00:19:59,400

intelligence

420

00:20:04,669 --> 00:20:02,160

the idea that the CIA has secretly

421

00:20:07,850 --> 00:20:04,679

concealed its Research into UFOs has

422

00:20:10,610 --> 00:20:07,860

been a major theme for UFO Buffs since

423

00:20:12,049 --> 00:20:10,620

the modern UFO phenomena emerged in the

424

00:20:15,289 --> 00:20:12,059

late 40s

425

00:20:17,930 --> 00:20:15,299

in late 1993 after being pressured by

426  
00:20:21,710 --> 00:20:17,940  
ufologists for the release of additional

427  
00:20:24,350 --> 00:20:21,720  
CIA information on UFOs James Woolsey

428  
00:20:26,330 --> 00:20:24,360  
ordered another review of all agency

429  
00:20:30,049 --> 00:20:26,340  
files on UFOs

430  
00:20:34,610 --> 00:20:30,059  
and its attempts to conceal CIA

431  
00:20:37,130 --> 00:20:34,620  
involvement in the entire UFO issue

432  
00:20:40,190 --> 00:20:37,140  
what emerges from this examination is

433  
00:20:43,909 --> 00:20:40,200  
that while agency concern over UFOs was

434  
00:20:44,870 --> 00:20:43,919  
substantial until the early 1950s why is

435  
00:20:47,690 --> 00:20:44,880  
that

436  
00:20:49,430 --> 00:20:47,700  
well the emergence in 1947 of the Cold

437  
00:20:52,190 --> 00:20:49,440  
War confrontation between the United

438  
00:20:55,490 --> 00:20:52,200

States and Soviet Union saw the first

439

00:20:58,730 --> 00:20:55,500

wave of UFO sightings the first report

440

00:21:01,370 --> 00:20:58,740

of flying saucers over the United States

441

00:21:05,029 --> 00:21:01,380

and the technical Intelligence Division

442

00:21:07,549 --> 00:21:05,039

of air material command AMC at right

443

00:21:11,330 --> 00:21:07,559

field later Wright-Patterson Air Force

444

00:21:14,330 --> 00:21:11,340

Base in Daytona Ohio assumed control of

445

00:21:17,270 --> 00:21:14,340

project sign and began its work on

446

00:21:20,090 --> 00:21:17,280

January 23 1948.

447

00:21:22,190 --> 00:21:20,100

although at first fearful that the

448

00:21:24,350 --> 00:21:22,200

objects might be Soviet Secret Weapons

449

00:21:25,490 --> 00:21:24,360

the Air Force soon concluded that UFOs

450

00:21:27,950 --> 00:21:25,500

were real

451  
00:21:30,169 --> 00:21:27,960  
nevertheless the report recommended

452  
00:21:32,990 --> 00:21:30,179  
continued Military Intelligence control

453  
00:21:35,169 --> 00:21:33,000  
over the investigation of all sightings

454  
00:21:37,549 --> 00:21:35,179  
and did not rule out the possibility of

455  
00:21:39,230 --> 00:21:37,559  
extraterrestrial phenomenon

456  
00:21:42,649 --> 00:21:39,240  
that was never

457  
00:21:44,690 --> 00:21:42,659  
ruled out and I wonder why

458  
00:21:47,149 --> 00:21:44,700  
with increased Cold War tensions the

459  
00:21:49,669 --> 00:21:47,159  
Korean War and continued UFO sightings

460  
00:21:53,029 --> 00:21:49,679  
the director of intelligence Major

461  
00:21:57,230 --> 00:21:53,039  
General Charles P Cabell ordered a new

462  
00:21:59,690 --> 00:21:57,240  
UFO project in 1952 Project Blue Book

463  
00:22:01,610 --> 00:21:59,700

became the major air force effort to

464

00:22:05,090 --> 00:22:01,620

study the UFO phenomena throughout the

465

00:22:07,549 --> 00:22:05,100

50s and 60s the task of identifying and

466

00:22:10,330 --> 00:22:07,559

explaining UFOs continued to fall on the

467

00:22:13,210 --> 00:22:10,340

air material command at Wright-Patterson

468

00:22:16,730 --> 00:22:13,220

it always comes back to Wright Patterson

469

00:22:19,130 --> 00:22:16,740

the CIA closely monitored the Air Force

470

00:22:21,049 --> 00:22:19,140

effort aware of the mounting number of

471

00:22:23,750 --> 00:22:21,059

sightings and increasingly concerned

472

00:22:26,630 --> 00:22:23,760

that UFOs might pose a potential

473

00:22:29,149 --> 00:22:26,640

security threat agency officials

474

00:22:31,250 --> 00:22:29,159

accepted the Air Force's conclusions

475

00:22:34,430 --> 00:22:31,260

about UFO reports although they

476  
00:22:36,190 --> 00:22:34,440  
concluded that since there is a remote

477  
00:22:39,049 --> 00:22:36,200  
possibility that they may be

478  
00:22:41,090 --> 00:22:39,059  
interplanetary aircraft it is necessary

479  
00:22:44,149 --> 00:22:41,100  
to investigate

480  
00:22:47,810 --> 00:22:44,159  
deputy director for intelligence Robert

481  
00:22:51,409 --> 00:22:47,820  
Emery Jr assigned responsibility for the

482  
00:22:53,750 --> 00:22:51,419  
U.N vote UFO investigations to osi's

483  
00:22:56,690 --> 00:22:53,760  
physics and electronics division

484  
00:22:59,810 --> 00:22:56,700  
with a ray Gordon as the officer in

485  
00:23:02,149 --> 00:22:59,820  
charge each branch in the division was

486  
00:23:04,610 --> 00:23:02,159  
to contribute to the investigation and

487  
00:23:06,230 --> 00:23:04,620  
Gordon was to coordinate closely with

488  
00:23:09,289 --> 00:23:06,240

atic

489

00:23:11,630 --> 00:23:09,299

Emery who was asked to focus on the

490

00:23:15,470 --> 00:23:11,640

National Security implications of UFOs

491

00:23:16,549 --> 00:23:15,480

was relating DCI Walter Bedell Smith's

492

00:23:18,890 --> 00:23:16,559

concerns

493

00:23:20,630 --> 00:23:18,900

Smith wanted to know whether or not the

494

00:23:23,990 --> 00:23:20,640

Air Force investigation of flying

495

00:23:26,210 --> 00:23:24,000

saucers was sufficiently objective and

496

00:23:28,730 --> 00:23:26,220

how much more money and Manpower would

497

00:23:31,549 --> 00:23:28,740

be necessary to determine the cause

498

00:23:33,230 --> 00:23:31,559

of the small percentage of unexplained

499

00:23:35,570 --> 00:23:33,240

flying saucers

500

00:23:38,149 --> 00:23:35,580

Smith believed there was only one chance

501  
00:23:40,190 --> 00:23:38,159  
in ten thousand that the phenomena posed

502  
00:23:43,669 --> 00:23:40,200  
a threat to the security of the country

503  
00:23:46,370 --> 00:23:43,679  
but even that chance could not be taken

504  
00:23:49,490 --> 00:23:46,380  
according to Smith it was the cia's

505  
00:23:51,649 --> 00:23:49,500  
responsibility by Statute to coordinate

506  
00:23:54,110 --> 00:23:51,659  
the intelligence effort required to

507  
00:23:56,870 --> 00:23:54,120  
solve the problem Smith also wanted to

508  
00:23:58,130 --> 00:23:56,880  
know what could be made of UFO phenomena

509  
00:24:02,029 --> 00:23:58,140  
and connection

510  
00:24:04,909 --> 00:24:02,039  
with U.S psychological warfare efforts

511  
00:24:07,490 --> 00:24:04,919  
so here they basically say they want to

512  
00:24:11,649 --> 00:24:07,500  
know how they can utilize this

513  
00:24:15,350 --> 00:24:11,659

in U.S psychological warfare efforts

514

00:24:21,110 --> 00:24:15,360

psychological warfare is the expertise

515

00:24:24,710 --> 00:24:21,120

of the CIA and this is the way to really

516

00:24:27,770 --> 00:24:24,720

use people's fear against them

517

00:24:30,529 --> 00:24:27,780

it's all about the psyops the

518

00:24:32,570 --> 00:24:30,539

psychological operations especially

519

00:24:35,169 --> 00:24:32,580

given the most reefs and information

520

00:24:39,470 --> 00:24:35,179

sent to me this week

521

00:24:43,070 --> 00:24:39,480

these exotic Technologies are used in

522

00:24:45,710 --> 00:24:43,080

ways that exponentially benefit

523

00:24:47,990 --> 00:24:45,720

the black budget projects

524

00:24:50,210 --> 00:24:48,000

they are used in

525

00:24:52,430 --> 00:24:50,220

according to the defense technical

526  
00:24:54,590 --> 00:24:52,440  
information center

527  
00:24:58,250 --> 00:24:54,600  
psyops

528  
00:25:01,549 --> 00:24:58,260  
provide combatant commanders with a

529  
00:25:04,850 --> 00:25:01,559  
force enhancement capability across the

530  
00:25:08,510 --> 00:25:04,860  
full military operational Spectrum

531  
00:25:10,970 --> 00:25:08,520  
and that includes surveillance now I

532  
00:25:13,250 --> 00:25:10,980  
mentioned OSI and Richard Doty as one of

533  
00:25:15,049 --> 00:25:13,260  
the most controversial figures in the

534  
00:25:18,590 --> 00:25:15,059  
OSI

535  
00:25:22,130 --> 00:25:18,600  
Dodie admits he fed disinformation to

536  
00:25:25,909 --> 00:25:22,140  
Paul benowitz and other UFO researchers

537  
00:25:30,049 --> 00:25:25,919  
he forged documents and he made things

538  
00:25:33,350 --> 00:25:30,059

appear differently than they really were

539

00:25:36,230 --> 00:25:33,360

I really like Richard Doty I appreciate

540

00:25:38,750 --> 00:25:36,240

his honesty especially now

541

00:25:40,850 --> 00:25:38,760

and the fact that he has explained why

542

00:25:43,070 --> 00:25:40,860

he did what he did and how it was

543

00:25:45,590 --> 00:25:43,080

necessary at the time

544

00:25:50,930 --> 00:25:45,600

why would this take place why would he

545

00:25:54,350 --> 00:25:50,940

say that aliens were Landing in U.S

546

00:25:57,049 --> 00:25:54,360

areas or territories there's a reason

547

00:25:58,970 --> 00:25:57,059

and that is the psychological operation

548

00:26:03,110 --> 00:25:58,980

this was his job

549

00:26:05,930 --> 00:26:03,120

this was information that he was told to

550

00:26:09,110 --> 00:26:05,940

disseminate or misinformation he was

551  
00:26:12,529 --> 00:26:09,120  
told to descend disseminate he worked as

552  
00:26:14,930 --> 00:26:12,539  
a police officer he worked as a subject

553  
00:26:18,529 --> 00:26:14,940  
matter expert and he worked for the

554  
00:26:20,990 --> 00:26:18,539  
office of special investigations he is a

555  
00:26:23,029 --> 00:26:21,000  
disinformation agent and that was his

556  
00:26:24,909 --> 00:26:23,039  
job so I don't see anything wrong with

557  
00:26:27,830 --> 00:26:24,919  
him doing what he did

558  
00:26:30,409 --> 00:26:27,840  
justifiably he was protecting

559  
00:26:35,470 --> 00:26:30,419  
Secrets military secrets for that matter

560  
00:26:37,789 --> 00:26:35,480  
of the United States however he was

561  
00:26:42,010 --> 00:26:37,799  
in a bigger way

562  
00:26:45,230 --> 00:26:42,020  
saying that UFOs were a very real

563  
00:26:48,049 --> 00:26:45,240

extraterrestrial presence now what he

564

00:26:49,190 --> 00:26:48,059

has done since makes things even more

565

00:26:51,710 --> 00:26:49,200

interesting

566

00:26:54,769 --> 00:26:51,720

but we'll get into that another time

567

00:26:57,830 --> 00:26:54,779

because unfortunately many UFO

568

00:26:59,210 --> 00:26:57,840

researchers have long suspected that

569

00:27:02,330 --> 00:26:59,220

they're under some kind of government

570

00:27:05,870 --> 00:27:02,340

surveillance is it true it seems that

571

00:27:08,210 --> 00:27:05,880

part of it is as many know I was being

572

00:27:11,990 --> 00:27:08,220

surveilled by

573

00:27:14,930 --> 00:27:12,000

members of a security team involved with

574

00:27:17,149 --> 00:27:14,940

a black budget Pentagon program

575

00:27:19,190 --> 00:27:17,159

and they were surveilling me for good

576

00:27:21,289 --> 00:27:19,200

reason they were wondering who is this

577

00:27:24,350 --> 00:27:21,299

guy why is he interested in this what is

578

00:27:27,169 --> 00:27:24,360

he doing and only through friendships

579

00:27:29,269 --> 00:27:27,179

acquired years and years later have I

580

00:27:30,710 --> 00:27:29,279

found out that you know I'm I'm now

581

00:27:33,289 --> 00:27:30,720

friends with the people who were

582

00:27:34,970 --> 00:27:33,299

actually surveilling me at the time and

583

00:27:37,010 --> 00:27:34,980

they said yeah we were keeping an eye on

584

00:27:40,390 --> 00:27:37,020

you yeah we would post up outside your

585

00:27:43,730 --> 00:27:40,400

house in Black Suburbans and yes we were

586

00:27:45,769 --> 00:27:43,740

monitoring your comings and goings and I

587

00:27:48,890 --> 00:27:45,779

Now understand that it makes sense to me

588

00:27:52,010 --> 00:27:48,900

it makes perfect sense

589

00:27:55,010 --> 00:27:52,020  
and UFO organizations have been

590

00:27:56,750 --> 00:27:55,020  
infiltrated by the CIA the office of

591

00:27:59,269 --> 00:27:56,760  
special investigations and other

592

00:28:00,710 --> 00:27:59,279  
intelligence organizations and for good

593

00:28:03,350 --> 00:28:00,720  
reason

594

00:28:05,810 --> 00:28:03,360  
there may be a call

595

00:28:08,870 --> 00:28:05,820  
to disseminate information or

596

00:28:11,630 --> 00:28:08,880  
disinformation for various reasons and

597

00:28:13,450 --> 00:28:11,640  
it may have to do with psychological

598

00:28:18,230 --> 00:28:13,460  
operations

599

00:28:21,950 --> 00:28:18,240  
psyops work and the CIA is well the best

600

00:28:24,169 --> 00:28:21,960  
at doing psychological operations if

601  
00:28:27,289 --> 00:28:24,179  
you've never read the book the big white

602  
00:28:29,810 --> 00:28:27,299  
lie which is an account of the CIA and

603  
00:28:33,350 --> 00:28:29,820  
the cocaine crack epidemic I highly

604  
00:28:35,830 --> 00:28:33,360  
recommend it the author contends that

605  
00:28:38,870 --> 00:28:35,840  
his account is based on real incidents

606  
00:28:41,090 --> 00:28:38,880  
conversations and events reconstructed

607  
00:28:43,010 --> 00:28:41,100  
from tapes personal Diaries Court

608  
00:28:46,310 --> 00:28:43,020  
transcripts and interviews

609  
00:28:48,590 --> 00:28:46,320  
his principal arguments are that the CIA

610  
00:28:50,210 --> 00:28:48,600  
has perverted the American criminal

611  
00:28:53,210 --> 00:28:50,220  
justice system

612  
00:28:55,370 --> 00:28:53,220  
by protecting drug dealers and murderers

613  
00:28:57,890 --> 00:28:55,380

from prosecution

614

00:29:02,149 --> 00:28:57,900

he contends that federal judges and

615

00:29:04,669 --> 00:29:02,159

prosecutors allegedly broke narcotics

616

00:29:08,510 --> 00:29:04,679

laws which have protected

617

00:29:11,330 --> 00:29:08,520

them from investigation he also contends

618

00:29:13,970 --> 00:29:11,340

that the government of Bolivia and South

619

00:29:17,570 --> 00:29:13,980

American drug cartel leaders have been

620

00:29:19,909 --> 00:29:17,580

assisted and even paid by the CIA

621

00:29:22,430 --> 00:29:19,919

finally the author maintains that

622

00:29:25,250 --> 00:29:22,440

without CIA support South American

623

00:29:27,350 --> 00:29:25,260

cartels and the epidemic of cocaine and

624

00:29:29,269 --> 00:29:27,360

crack use in the United States would

625

00:29:32,149 --> 00:29:29,279

have never occurred

626

00:29:34,549 --> 00:29:32,159

now the institute for policy studies has

627

00:29:36,830 --> 00:29:34,559

an interesting bit of information

628

00:29:38,750 --> 00:29:36,840

written by William Bloom which was

629

00:29:42,110 --> 00:29:38,760

originally in the foreign policy in

630

00:29:43,630 --> 00:29:42,120

Focus so let's get to it and the belief

631

00:29:47,690 --> 00:29:43,640

and

632

00:29:50,330 --> 00:29:47,700

contention that the CIA contras gangs

633

00:29:53,090 --> 00:29:50,340

and crack are all connected this was

634

00:29:56,450 --> 00:29:53,100

based on a year-long investigation where

635

00:29:59,930 --> 00:29:56,460

reporter Gary Webb wrote that during the

636

00:30:02,149 --> 00:29:59,940

1980s the CIA helped finance its covert

637

00:30:04,610 --> 00:30:02,159

war against Nicaragua's leftist

638

00:30:07,570 --> 00:30:04,620

government through sales of Cut Rate

639

00:30:10,909 --> 00:30:07,580

cocaine to South and Central LA

640

00:30:15,169 --> 00:30:10,919

utilizing the very famous drug dealer

641

00:30:17,690 --> 00:30:15,179

Ricky Ross in August 1996 the San Jose

642

00:30:20,570 --> 00:30:17,700

Mercury News initiated an extended

643

00:30:23,269 --> 00:30:20,580

series of Articles linking the cia's

644

00:30:25,130 --> 00:30:23,279

Contra Army to the crack cocaine

645

00:30:27,350 --> 00:30:25,140

epidemic in Los Angeles

646

00:30:30,110 --> 00:30:27,360

based on a year-long investigation

647

00:30:33,230 --> 00:30:30,120

reporter Gary Webb wrote that during the

648

00:30:35,810 --> 00:30:33,240

1980s the CIA helped finance its covert

649

00:30:39,230 --> 00:30:35,820

war against Nicaragua's leftist

650

00:30:42,350 --> 00:30:39,240

government through sales of cocaine to

651  
00:30:46,730 --> 00:30:42,360  
mostly South Central LA they utilized

652  
00:30:48,769 --> 00:30:46,740  
Rick Ross AKA Ricky Ross and they

653  
00:30:50,690 --> 00:30:48,779  
Unleashed a storm

654  
00:30:52,850 --> 00:30:50,700  
I mean if you're willing to use

655  
00:30:55,210 --> 00:30:52,860  
street-level drug dealers why wouldn't

656  
00:30:58,430 --> 00:30:55,220  
you be willing to use educated

657  
00:31:02,090 --> 00:30:58,440  
astrophysicists or propulsion rocket

658  
00:31:04,250 --> 00:31:02,100  
Engineers who are involved with exotic

659  
00:31:07,310 --> 00:31:04,260  
forms of propulsion of reverse

660  
00:31:09,169 --> 00:31:07,320  
engineered craft right let's get back to

661  
00:31:11,690 --> 00:31:09,179  
Rick Ross for a moment

662  
00:31:13,970 --> 00:31:11,700  
while much of the CIA Contra drug story

663  
00:31:16,610 --> 00:31:13,980

had been revealed years ago in the press

664

00:31:19,610 --> 00:31:16,620

and in Congressional hearings the

665

00:31:22,190 --> 00:31:19,620

Mercury News added a crucial Missing

666

00:31:25,549 --> 00:31:22,200

Link it followed the cocaine Trail to

667

00:31:28,610 --> 00:31:25,559

Ross and black LA gangs who became

668

00:31:31,310 --> 00:31:28,620

street level Distributors of crack a

669

00:31:34,370 --> 00:31:31,320

cheap and Powerful form of cocaine the

670

00:31:36,830 --> 00:31:34,380

cia's drug Network wrote Webb opening

671

00:31:39,230 --> 00:31:36,840

the first pipeline between Colombians

672

00:31:42,289 --> 00:31:39,240

cocaine cartels and black neighborhoods

673

00:31:43,850 --> 00:31:42,299

of Los Angeles a city known as the crack

674

00:31:46,310 --> 00:31:43,860

capital of the world

675

00:31:48,769 --> 00:31:46,320

black gangs used their profits to buy

676  
00:31:50,990 --> 00:31:48,779  
automatic weapons sometimes from one of

677  
00:31:53,510 --> 00:31:51,000  
the CIA linked drug dealers

678  
00:31:55,909 --> 00:31:53,520  
many in the media have also postulated

679  
00:31:58,669 --> 00:31:55,919  
that any drug trafficking contras

680  
00:32:01,250 --> 00:31:58,679  
involved were Rogue elements not

681  
00:32:04,789 --> 00:32:01,260  
supported by the CIA but those denials

682  
00:32:08,810 --> 00:32:04,799  
Overlook much of the evidence which

683  
00:32:11,450 --> 00:32:08,820  
purports CIA involvement for example

684  
00:32:14,149 --> 00:32:11,460  
CIA supplied Contra planes and Pilots

685  
00:32:17,690 --> 00:32:14,159  
carrying cocaine from Central America to

686  
00:32:19,990 --> 00:32:17,700  
U.S airports and military bases in 1985

687  
00:32:22,610 --> 00:32:20,000  
Drug Enforcement Administration agent

688  
00:32:24,590 --> 00:32:22,620

celerino Castillo reported to his

689

00:32:27,529 --> 00:32:24,600

superiors that cocaine was being stored

690

00:32:29,930 --> 00:32:27,539

at the cia's Contra Supply Warehouse at

691

00:32:33,409 --> 00:32:29,940

yaponago Air Force Base in El Salvador

692

00:32:35,810 --> 00:32:33,419

for shipment to the U.S the DEA did

693

00:32:37,909 --> 00:32:35,820

nothing and Castillo was gradually

694

00:32:41,510 --> 00:32:37,919

forced out of the agency

695

00:32:45,590 --> 00:32:41,520

another example when Danilo blandone was

696

00:32:47,570 --> 00:32:45,600

finally arrested in 1986 he admitted to

697

00:32:48,950 --> 00:32:47,580

drug crimes that would have sent others

698

00:32:51,169 --> 00:32:48,960

away for life

699

00:32:53,690 --> 00:32:51,179

the justice department however freed

700

00:32:55,730 --> 00:32:53,700

blendone after only 28 months behind

701  
00:32:59,450 --> 00:32:55,740  
bars and then hired him as a full-time

702  
00:33:01,490 --> 00:32:59,460  
DEA informant paying him more than 166

703  
00:33:04,850 --> 00:33:01,500  
thousand dollars a year

704  
00:33:07,010 --> 00:33:04,860  
when blondon testified in a 1996 trial

705  
00:33:08,750 --> 00:33:07,020  
against Ricky Ross the justice

706  
00:33:11,570 --> 00:33:08,760  
department blocked any inquiry about

707  
00:33:14,450 --> 00:33:11,580  
blandone's connection to the CIA

708  
00:33:17,750 --> 00:33:14,460  
yet another example although Norwin

709  
00:33:19,630 --> 00:33:17,760  
Meneses is listed in DEA computers as a

710  
00:33:22,430 --> 00:33:19,640  
major International drug Smuggler

711  
00:33:24,789 --> 00:33:22,440  
implicated in 45 separate Federal

712  
00:33:28,070 --> 00:33:24,799  
investigations since

713  
00:33:30,950 --> 00:33:28,080

1974. he lived conspicuously in

714

00:33:33,110 --> 00:33:30,960

California until 1989 and was never

715

00:33:37,009 --> 00:33:33,120

arrested in the United States

716

00:33:40,190 --> 00:33:37,019

yet one final amazing

717

00:33:42,350 --> 00:33:40,200

element of evidence is that Senate

718

00:33:45,169 --> 00:33:42,360

investigators and Agents from four

719

00:33:48,350 --> 00:33:45,179

organizations all complained that their

720

00:33:51,710 --> 00:33:48,360

Contra drug investigations were hampered

721

00:33:55,789 --> 00:33:51,720

by the CIA or an unnamed National

722

00:33:58,370 --> 00:33:55,799

Security interest in the 1984 Frogman

723

00:34:00,769 --> 00:33:58,380

case for example the U.S attorney in San

724

00:34:03,350 --> 00:34:00,779

Francisco returned 36 thousand eight

725

00:34:05,450 --> 00:34:03,360

hundred dollars seized from a Nicaraguan

726

00:34:08,329 --> 00:34:05,460

drug dealer after two Contra leaders

727

00:34:10,190 --> 00:34:08,339

sent letters to the court arguing that

728

00:34:12,710 --> 00:34:10,200

the cash was intended for the contras

729

00:34:15,470 --> 00:34:12,720

federal prosecutors ordered the letter

730

00:34:18,290 --> 00:34:15,480

and other case evidence sealed for

731

00:34:20,149 --> 00:34:18,300

national security reasons when Senate

732

00:34:22,070 --> 00:34:20,159

investigators later asked the justice

733

00:34:24,829 --> 00:34:22,080

department to explain this unusual turn

734

00:34:26,030 --> 00:34:24,839

of events they ran into a wall of

735

00:34:28,790 --> 00:34:26,040

secrecy

736

00:34:30,530 --> 00:34:28,800

so there is a history of CIA involvement

737

00:34:33,589 --> 00:34:30,540

in drug trafficking

738

00:34:36,169 --> 00:34:33,599

a gentleman named Dennis Dale former

739

00:34:39,230 --> 00:34:36,179

Chief of an elite DEA enforcement unit

740

00:34:41,089 --> 00:34:39,240

writes in my 30-year history in The Drug

741

00:34:43,609 --> 00:34:41,099

Enforcement Administration and related

742

00:34:47,030 --> 00:34:43,619

agencies the major targets of my

743

00:34:49,669 --> 00:34:47,040

investigations almost invariably turned

744

00:34:51,649 --> 00:34:49,679

out to be working for the CIA

745

00:34:54,589 --> 00:34:51,659

as I mentioned before I was born in

746

00:34:56,510 --> 00:34:54,599

Costa Rica and a lot of these situations

747

00:34:58,970 --> 00:34:56,520

are more well known when you're actually

748

00:35:01,310 --> 00:34:58,980

involved with the culture or from a

749

00:35:03,530 --> 00:35:01,320

country that is used as a Banana

750

00:35:06,410 --> 00:35:03,540

Republic for intelligence organizations

751  
00:35:09,530 --> 00:35:06,420  
and you understand the inner workings

752  
00:35:12,410 --> 00:35:09,540  
and how these things tend to be applied

753  
00:35:14,930 --> 00:35:12,420  
in Costa Rica which served as the

754  
00:35:18,349 --> 00:35:14,940  
southern front for the contras

755  
00:35:21,050 --> 00:35:18,359  
there were several CIA Contra networks

756  
00:35:24,109 --> 00:35:21,060  
involved in drug trafficking in addition

757  
00:35:27,290 --> 00:35:24,119  
to those servicing the menesus blend in

758  
00:35:30,770 --> 00:35:27,300  
operation and noriega's operation there

759  
00:35:33,770 --> 00:35:30,780  
was CIA operative John Hull whose Farms

760  
00:35:35,810 --> 00:35:33,780  
along Costa Rica's border with Nicaragua

761  
00:35:38,810 --> 00:35:35,820  
were the main staging area for the

762  
00:35:41,089 --> 00:35:38,820  
contras hull and other CIA connected

763  
00:35:44,030 --> 00:35:41,099

Contra supporters and Pilots teamed up

764

00:35:45,829 --> 00:35:44,040

with George Morales a major miami-based

765

00:35:49,370 --> 00:35:45,839

Colombian drug trafficker who later

766

00:35:52,910 --> 00:35:49,380

admitted to giving 3 million in cash and

767

00:35:54,349 --> 00:35:52,920

several planes to Contra leaders in 1989

768

00:35:58,010 --> 00:35:54,359

after the Costa Rican government

769

00:36:00,349 --> 00:35:58,020

indicted Hull for drug trafficking a DEA

770

00:36:03,349 --> 00:36:00,359

hired plane clandestinely and illegally

771

00:36:04,310 --> 00:36:03,359

flew the CIA operative to Miami via

772

00:36:07,250 --> 00:36:04,320

Haiti

773

00:36:09,410 --> 00:36:07,260

the U.S repeatedly thwarted Costa Rican

774

00:36:12,530 --> 00:36:09,420

efforts to extradite Hull to Costa Rica

775

00:36:14,569 --> 00:36:12,540

to stand trial another Costa rican-based

776

00:36:15,770 --> 00:36:14,579

drug ring involved a group of Cuban

777

00:36:19,010 --> 00:36:15,780

Americans

778

00:36:21,829 --> 00:36:19,020

whom the CIA had hired as military

779

00:36:24,109 --> 00:36:21,839

Trainers for the contras many had long

780

00:36:26,810 --> 00:36:24,119

been involved with the CIA and drug

781

00:36:29,270 --> 00:36:26,820

trafficking they used Contra planes and

782

00:36:32,270 --> 00:36:29,280

a Costa rican-based Shrimp Company which

783

00:36:35,569 --> 00:36:32,280

laundered money for the CIA to channel

784

00:36:38,150 --> 00:36:35,579

cocaine into the United States Costa

785

00:36:40,670 --> 00:36:38,160

Rica was not the only route Guatemala

786

00:36:43,550 --> 00:36:40,680

whose Military Intelligence whose

787

00:36:46,970 --> 00:36:43,560

Military Intelligence service closely

788

00:36:49,010 --> 00:36:46,980

associated with the CIA harbored many

789

00:36:51,970 --> 00:36:49,020

drug traffickers

790

00:36:55,069 --> 00:36:51,980

this is according to the DEA

791

00:36:57,530 --> 00:36:55,079

Additionally the mereyng's cartel Miami

792

00:36:59,329 --> 00:36:57,540

accountant Ramon miliam Rodriguez

793

00:37:02,089 --> 00:36:59,339

testified that he funneled nearly 10

794

00:37:05,210 --> 00:37:02,099

million dollars to Nicaraguan contras

795

00:37:10,010 --> 00:37:05,220

through long-time CIA operative Felix

796

00:37:13,130 --> 00:37:10,020

Rodriguez who was based at ilopango Air

797

00:37:14,990 --> 00:37:13,140

Force Base in El Salvador the list goes

798

00:37:16,790 --> 00:37:15,000

on and on and there are so many

799

00:37:19,490 --> 00:37:16,800

countries to list that I could I could

800

00:37:21,950 --> 00:37:19,500

just run myself ragged listing them but

801  
00:37:24,470 --> 00:37:21,960  
I'm going to go into Afghanistan it's

802  
00:37:29,210 --> 00:37:24,480  
important especially given the fact that

803  
00:37:31,790 --> 00:37:29,220  
we left 85 billion dollars worth of

804  
00:37:34,550 --> 00:37:31,800  
valuable military equipment

805  
00:37:37,130 --> 00:37:34,560  
for free there I mean there's a reason

806  
00:37:39,470 --> 00:37:37,140  
mothers were throwing their babies to

807  
00:37:41,990 --> 00:37:39,480  
the soldiers in the United States Army

808  
00:37:43,849 --> 00:37:42,000  
because anyone who had helped the U.S

809  
00:37:44,870 --> 00:37:43,859  
government at that point was on a kill

810  
00:37:48,250 --> 00:37:44,880  
list

811  
00:37:51,589 --> 00:37:48,260  
back to the drugs the CIA supported

812  
00:37:53,329 --> 00:37:51,599  
mujadin Rebels engaged heavily in drug

813  
00:37:55,849 --> 00:37:53,339

trafficking while fighting the Soviet

814

00:37:58,970 --> 00:37:55,859

supported government which had plans to

815

00:38:01,970 --> 00:37:58,980

reform Afghan Society the agency's

816

00:38:04,730 --> 00:38:01,980

principal client was gulbideen heck

817

00:38:07,250 --> 00:38:04,740

matiar one of the leading drug lords and

818

00:38:09,950 --> 00:38:07,260

the biggest heroin refiner who was also

819

00:38:13,550 --> 00:38:09,960

the largest recipient of CIA Military

820

00:38:15,890 --> 00:38:13,560

Support CIA supplied trucks and mules

821

00:38:18,829 --> 00:38:15,900

that had carried arms into Afghanistan

822

00:38:21,230 --> 00:38:18,839

which were used to transport opium to

823

00:38:22,250 --> 00:38:21,240

Laboratories along the Afghan Pakistan

824

00:38:25,370 --> 00:38:22,260

border

825

00:38:27,170 --> 00:38:25,380

the output provided up to one half of

826

00:38:29,569 --> 00:38:27,180

the heroin used annually in the United

827

00:38:32,450 --> 00:38:29,579

States and three quarters of that used

828

00:38:34,310 --> 00:38:32,460

in Western Europe U.S officials admitted

829

00:38:37,130 --> 00:38:34,320

in 1990 that they had failed to

830

00:38:39,710 --> 00:38:37,140

investigate or take action against the

831

00:38:42,170 --> 00:38:39,720

drug operation because of a desire not

832

00:38:46,130 --> 00:38:42,180

to offend the Pakistani and Afghan

833

00:38:48,770 --> 00:38:46,140

allies in 1993 an official of the DEA

834

00:38:51,230 --> 00:38:48,780

dubbed Afghanistan the new Columbia of

835

00:38:55,069 --> 00:38:51,240

the drug world there's a reason we were

836

00:38:57,530 --> 00:38:55,079

over there drugs and the CIA go way back

837

00:39:00,290 --> 00:38:57,540

and being born in Costa Rica and being

838

00:39:03,589 --> 00:39:00,300

very familiar with the Nicaraguan

839

00:39:05,990 --> 00:39:03,599

aspects of this and the Panamanian

840

00:39:07,790 --> 00:39:06,000

aspects of this I've seen this I've gone

841

00:39:10,790 --> 00:39:07,800

with uncles and I've seen the cigarette

842

00:39:13,550 --> 00:39:10,800

boats shooting up the rivers and for

843

00:39:16,310 --> 00:39:13,560

more than a decade Panamanian strongman

844

00:39:19,730 --> 00:39:16,320

Manuel Noriega was a highly paid CIA

845

00:39:22,010 --> 00:39:19,740

asset and collaborator despite knowledge

846

00:39:24,410 --> 00:39:22,020

by the United States drug authorities as

847

00:39:26,390 --> 00:39:24,420

early as 1971 that the general was

848

00:39:29,450 --> 00:39:26,400

heavily involved in drug trafficking and

849

00:39:32,450 --> 00:39:29,460

money laundering Noriega facilitated

850

00:39:35,210 --> 00:39:32,460

guns for drugs flights for the contras

851  
00:39:37,910 --> 00:39:35,220  
providing protection and Pilots safe

852  
00:39:40,190 --> 00:39:37,920  
havens for drug cartel officials and

853  
00:39:42,950 --> 00:39:40,200  
discrete banking facilities United

854  
00:39:46,490 --> 00:39:42,960  
States officials including then CIA

855  
00:39:49,310 --> 00:39:46,500  
director William Webster and several DEA

856  
00:39:51,470 --> 00:39:49,320  
officers sent Noriega letters of praise

857  
00:39:54,530 --> 00:39:51,480  
for efforts to thwart drug trafficking

858  
00:39:57,410 --> 00:39:54,540  
albeit only against competitors of his

859  
00:40:00,109 --> 00:39:57,420  
median cartel patrons the U.S government

860  
00:40:02,930 --> 00:40:00,119  
only turned against Noriega invading

861  
00:40:05,150 --> 00:40:02,940  
Panama In December 1989 and kidnapping

862  
00:40:07,250 --> 00:40:05,160  
the general once they discovered he was

863  
00:40:10,190 --> 00:40:07,260

providing intelligence and services to

864

00:40:12,069 --> 00:40:10,200

the Cubans and sandinistas ironically

865

00:40:15,470 --> 00:40:12,079

drug trafficking through Panama

866

00:40:18,230 --> 00:40:15,480

increased after the U.S Invasion I'm

867

00:40:20,750 --> 00:40:18,240

telling you it really has in Costa Rica

868

00:40:24,050 --> 00:40:20,760

if you're looking for a new big screen

869

00:40:27,349 --> 00:40:24,060

TV if you're looking for a new Apple

870

00:40:29,870 --> 00:40:27,359

computer a MacBook Pro whatever the case

871

00:40:32,690 --> 00:40:29,880

may be the easiest way to get one is to

872

00:40:34,970 --> 00:40:32,700

drive down to the Panama River and wait

873

00:40:36,290 --> 00:40:34,980

for the cigarette boats to come up with

874

00:40:38,870 --> 00:40:36,300

illegal

875

00:40:41,450 --> 00:40:38,880

Contraband this Contraband is usually

876

00:40:44,150 --> 00:40:41,460

stolen pirated whatever off of Ships

877

00:40:47,690 --> 00:40:44,160

coming from somewhere else and these

878

00:40:50,690 --> 00:40:47,700

suppliers sell it at a huge discount

879

00:40:52,190 --> 00:40:50,700

it's illegal yet it isn't because it

880

00:40:53,089 --> 00:40:52,200

depends on what side of the river you're

881

00:40:59,990 --> 00:40:53,099

on

882

00:41:03,589 --> 00:41:00,000

can't even explain how real this stuff

883

00:41:05,930 --> 00:41:03,599

is I've I've seen it done I've literally

884

00:41:09,349 --> 00:41:05,940

seen it done and

885

00:41:13,250 --> 00:41:09,359

the cia's involvement in trafficking

886

00:41:15,650 --> 00:41:13,260

arms money and disinformation is why

887

00:41:18,230 --> 00:41:15,660

they're so good at the psyop nobody can

888

00:41:19,609 --> 00:41:18,240

touch them they are the best the very

889

00:41:22,849 --> 00:41:19,619

best there is

890

00:41:26,630 --> 00:41:22,859

and one of my very favorite examples of

891

00:41:28,250 --> 00:41:26,640

what took place is in Haiti because as

892

00:41:29,810 --> 00:41:28,260

many know Haiti has been the

893

00:41:32,630 --> 00:41:29,820

Battleground for a lot of strange

894

00:41:35,050 --> 00:41:32,640

conspiracy theories including theories

895

00:41:38,329 --> 00:41:35,060

revolving around the Clinton Foundation

896

00:41:40,130 --> 00:41:38,339

but while working to keep a key Haitian

897

00:41:43,609 --> 00:41:40,140

military and political leader in power

898

00:41:46,430 --> 00:41:43,619

the CIA turned a blind eye to their

899

00:41:48,290 --> 00:41:46,440

clients drug trafficking in 1986 the

900

00:41:49,970 --> 00:41:48,300

agency added some more names to the

901  
00:41:51,230 --> 00:41:49,980  
payroll by creating a new Haitian

902  
00:41:54,650 --> 00:41:51,240  
organization

903  
00:41:58,370 --> 00:41:54,660  
the National Intelligence service s-i-n

904  
00:42:00,710 --> 00:41:58,380  
sin for short sin's mandate included

905  
00:42:03,710 --> 00:42:00,720  
countering the cocaine trade

906  
00:42:06,770 --> 00:42:03,720  
through sin officers themselves who were

907  
00:42:10,130 --> 00:42:06,780  
engaged in trafficking a trade aided and

908  
00:42:12,890 --> 00:42:10,140  
abetted by many of the Haitian military

909  
00:42:15,650 --> 00:42:12,900  
and political leaders everybody gets a

910  
00:42:18,530 --> 00:42:15,660  
piece of the action if they play ball

911  
00:42:21,530 --> 00:42:18,540  
so what can we say about the CIA and

912  
00:42:23,470 --> 00:42:21,540  
exotic propulsion the possibility of

913  
00:42:26,750 --> 00:42:23,480

using reverse engineered

914

00:42:30,829 --> 00:42:26,760

extraterrestrial technology if it exists

915

00:42:33,710 --> 00:42:30,839

and this historic press event on UAP UFO

916

00:42:37,010 --> 00:42:33,720

disclosure in Washington DC well

917

00:42:40,550 --> 00:42:37,020

we'll see what it's gonna be all about

918

00:42:43,190 --> 00:42:40,560

on the 12th I do have a feeling he's

919

00:42:47,390 --> 00:42:43,200

trying to preempt any bombs from Gary

920

00:42:48,650 --> 00:42:47,400

Nolan James Fox and or Jeremy Corbell to

921

00:42:51,349 --> 00:42:48,660

name a few

922

00:42:54,470 --> 00:42:51,359

and I do know some of the whistleblowers

923

00:42:58,130 --> 00:42:54,480

although I will not name them here

924

00:43:01,190 --> 00:42:58,140

we have one from Antarctica the South

925

00:43:02,450 --> 00:43:01,200

Pole who worked down there he will be

926

00:43:06,370 --> 00:43:02,460

coming forward with some information

927

00:43:12,530 --> 00:43:06,380

another one who claims to have loaded

928

00:43:16,309 --> 00:43:12,540

drugs into an arv or UAP type vehicle in

929

00:43:19,550 --> 00:43:16,319

2009 in Indonesia and a few others which

930

00:43:22,309 --> 00:43:19,560

are going to blow some mines

931

00:43:24,470 --> 00:43:22,319

how and why would these individuals be

932

00:43:27,109 --> 00:43:24,480

willing to testify

933

00:43:28,970 --> 00:43:27,119

in Washington DC if there wasn't

934

00:43:30,829 --> 00:43:28,980

something to their story I don't know

935

00:43:33,410 --> 00:43:30,839

maybe there's more to this that I am

936

00:43:37,250 --> 00:43:33,420

missing but it could have something to

937

00:43:39,950 --> 00:43:37,260

do with preempting any truth bombs from

938

00:43:41,990 --> 00:43:39,960

James Fox Gary Nolan and Jeremy Corbell

939

00:43:43,670 --> 00:43:42,000  
as well as George Knapp and the

940

00:43:46,430 --> 00:43:43,680  
weaponized podcast

941

00:43:50,030 --> 00:43:46,440  
a lot has been coming out of a lot of

942

00:43:52,069 --> 00:43:50,040  
different Arenas that is dealing with

943

00:43:55,569 --> 00:43:52,079  
similar disclosure

944

00:44:00,829 --> 00:43:55,579  
I also plan on having that eyewitness

945

00:44:03,290 --> 00:44:00,839  
who claims to have seen UAP

946

00:44:06,230 --> 00:44:03,300  
land in the U in a basin and believes

947

00:44:10,690 --> 00:44:06,240  
that things were being smuggled in or

948

00:44:14,630 --> 00:44:10,700  
out or loaded onto and out of these

949

00:44:16,370 --> 00:44:14,640  
arv or UAP vehicles

950

00:44:19,370 --> 00:44:16,380  
they're

951  
00:44:21,410 --> 00:44:19,380  
in the center of paranormal activity in

952  
00:44:23,809 --> 00:44:21,420  
the unibase and I plan on having that

953  
00:44:26,750 --> 00:44:23,819  
eyewitness on the podcast it's just a

954  
00:44:29,750 --> 00:44:26,760  
matter of getting them scheduled and it

955  
00:44:31,370 --> 00:44:29,760  
will be a doozy of an episode so keep an

956  
00:44:33,109 --> 00:44:31,380  
eye out for that

957  
00:44:37,250 --> 00:44:33,119  
I guess we're gonna have to wait and

958  
00:44:38,569 --> 00:44:37,260  
find out what pans out and comes out on

959  
00:44:41,510 --> 00:44:38,579  
June 12th

960  
00:44:43,550 --> 00:44:41,520  
really quick before then if you haven't

961  
00:44:46,130 --> 00:44:43,560  
subscribed to Hero paranormal please

962  
00:44:49,849 --> 00:44:46,140  
head on over to Hero paranormal on

963  
00:44:51,230 --> 00:44:49,859

YouTube like And subscribe please share

964

00:44:53,270 --> 00:44:51,240

the podcast

965

00:44:55,910 --> 00:44:53,280

I am

966

00:44:58,430 --> 00:44:55,920

probably never going to be monetized on

967

00:45:01,670 --> 00:44:58,440

YouTube for a variety of reasons so

968

00:45:04,130 --> 00:45:01,680

liking sharing and subscribing to the

969

00:45:07,430 --> 00:45:04,140

podcast is one way for people to hear it

970

00:45:10,130 --> 00:45:07,440

and it definitely helps me out also if

971

00:45:12,230 --> 00:45:10,140

you want to access all of the content

972

00:45:13,069 --> 00:45:12,240

behind the paywall you can do so for

973

00:45:16,130 --> 00:45:13,079

just

974

00:45:17,630 --> 00:45:16,140

five dollars a month that's the price of

975

00:45:20,030 --> 00:45:17,640

a cup of coffee it gets you the whole

976

00:45:22,250 --> 00:45:20,040

enchilada and you get all of the content

977

00:45:25,370 --> 00:45:22,260

behind the paywall and there is a ton of

978

00:45:29,089 --> 00:45:25,380

it you can access that through patreon

979

00:45:31,490 --> 00:45:29,099

just search for hero paranormal or go to

980

00:45:33,770 --> 00:45:31,500

heroparanormal.com

981

00:45:35,809 --> 00:45:33,780

until next time keep your eyes to the

982

00:45:47,170 --> 00:45:35,819

skies feet on the ground but don't

983

00:46:05,270 --> 00:45:55,210

[Music]

984

00:46:05,280 --> 00:46:12,370

come Blast Off In My Time Machine
