

**UFOs and Utah  
Underground**

**with**

**ELEVATED JOSH**

1  
00:00:05,150 --> 00:00:02,810  
what kind of experiments are taking

2  
00:00:07,970 --> 00:00:05,160  
place in your neck of the woods

3  
00:00:10,370 --> 00:00:07,980  
what is happening underground in the

4  
00:00:12,290 --> 00:00:10,380  
mountains behind your subdivision

5  
00:00:15,350 --> 00:00:12,300  
could there be

6  
00:00:18,910 --> 00:00:15,360  
illegal unacknowledged black budget

7  
00:00:22,189 --> 00:00:18,920  
projects related to UFO and UAP

8  
00:00:24,050 --> 00:00:22,199  
operations taking place right under our

9  
00:00:26,509 --> 00:00:24,060  
noses

10  
00:00:28,310 --> 00:00:26,519  
behind our homes

11  
00:00:31,790 --> 00:00:28,320  
in the mountains that we use for

12  
00:00:34,549 --> 00:00:31,800  
trailheads and walking our dogs

13  
00:00:37,490 --> 00:00:34,559

well if you're in certain parts of Utah

14

00:00:39,470 --> 00:00:37,500

the answer is yes and the answer may be

15

00:00:44,389 --> 00:00:39,480

yes no matter where you are

16

00:00:48,950 --> 00:00:44,399

on today's podcast we have elevated Josh

17

00:00:50,930 --> 00:00:48,960

who had an amazing remarkable experience

18

00:00:52,670 --> 00:00:50,940

witnessing something

19

00:00:55,189 --> 00:00:52,680

which changed

20

00:00:57,770 --> 00:00:55,199

and opened him up in a way something

21

00:00:58,910 --> 00:00:57,780

that elevated his Consciousness to a new

22

00:01:04,630 --> 00:00:58,920

level

23

00:01:07,510 --> 00:01:04,640

and he has sent me some interesting and

24

00:01:10,730 --> 00:01:07,520

curiosity inducing photos

25

00:01:13,910 --> 00:01:10,740

addresses and locations which appear to

26

00:01:17,690 --> 00:01:13,920

be underground entrances or facilities

27

00:01:20,450 --> 00:01:17,700

he spoke with me at length before the

28

00:01:23,149 --> 00:01:20,460

podcast and made it clear that he is

29

00:01:26,450 --> 00:01:23,159

somewhat concerned for his safety

30

00:01:29,030 --> 00:01:26,460

elevated Josh is a hiker and Mountaineer

31

00:01:32,450 --> 00:01:29,040

who goes into the mountains which are my

32

00:01:35,090 --> 00:01:32,460

old stomping grounds I love Salt Lake

33

00:01:37,550 --> 00:01:35,100

City and I love the Wasatch Front and he

34

00:01:40,190 --> 00:01:37,560

goes to all the best Canyons many of

35

00:01:43,429 --> 00:01:40,200

which I know intimately

36

00:01:47,330 --> 00:01:43,439

including Ferguson Canyon the rabbit

37

00:01:51,590 --> 00:01:47,340

hole of UFO High strangeness in Utah is

38

00:01:54,710 --> 00:01:51,600

long and deep but Utah provides a

39

00:01:55,730 --> 00:01:54,720

promising New Direction for paranormal

40

00:01:58,429 --> 00:01:55,740

study

41

00:02:01,130 --> 00:01:58,439

the U.N abasin of Utah stands on its own

42

00:02:03,350 --> 00:02:01,140

with high strangeness being an almost

43

00:02:05,990 --> 00:02:03,360

nightly occurrence

44

00:02:08,150 --> 00:02:06,000

and I can speak from experience that

45

00:02:11,029 --> 00:02:08,160

when it comes to the base camp at space

46

00:02:13,550 --> 00:02:11,039

Wolf research in the uuna Basin of Utah

47

00:02:16,490 --> 00:02:13,560

you'd be hard-pressed not to see

48

00:02:19,250 --> 00:02:16,500

something eventually and wait until you

49

00:02:21,770 --> 00:02:19,260

hear what elevated Josh has seen in and

50

00:02:25,250 --> 00:02:21,780

hole of underground Utah and anomalies

86  
00:04:43,010 --> 00:04:39,120  
in the sky along the Wasatch Front with

87  
00:04:46,370 --> 00:04:43,020  
no one other than elevated Josh Josh is

88  
00:04:48,350 --> 00:04:46,380

a researcher Explorer and adventurer who

89

00:04:50,570 --> 00:04:48,360

is right at home in the Wasatch

90

00:04:54,409 --> 00:04:50,580

mountains of Utah

91

00:04:56,629 --> 00:04:54,419

he's been researching a large UFO that

92

00:05:00,290 --> 00:04:56,639

he saw over Twin Peaks mountain in Salt

93

00:05:01,850 --> 00:05:00,300

Lake in January of 2018 and possibly the

94

00:05:05,150 --> 00:05:01,860

most interesting part is it was

95

00:05:08,510 --> 00:05:05,160

accompanied by a number of Blackhawks

96

00:05:11,030 --> 00:05:08,520

keep in mind this took place in broad

97

00:05:13,310 --> 00:05:11,040

daylight in front of a city of 2 million

98

00:05:15,469 --> 00:05:13,320

people hundreds if not thousands of

99

00:05:17,510 --> 00:05:15,479

people have seen the things in the sky

100

00:05:20,570 --> 00:05:17,520

over Utah and hopefully we can get to

101  
00:05:22,430 --> 00:05:20,580  
the bottom of what is taking place not

102  
00:05:24,950 --> 00:05:22,440  
only is this a potential Mass sighting

103  
00:05:26,749 --> 00:05:24,960  
it's a huge story and something we hope

104  
00:05:30,230 --> 00:05:26,759  
to get to the bottom of

105  
00:05:32,930 --> 00:05:30,240  
elevated Josh welcome to the podcast

106  
00:05:35,350 --> 00:05:32,940  
hey man how's it going oh man I'm

107  
00:05:39,050 --> 00:05:35,360  
excited I'm super excited to talk to you

108  
00:05:42,710 --> 00:05:39,060  
uh I love all things High strangeness

109  
00:05:45,529 --> 00:05:42,720  
and Utah and especially given the most

110  
00:05:49,969 --> 00:05:45,539  
recent information that we've kind of

111  
00:05:51,590 --> 00:05:49,979  
been discussing off air this is uh going

112  
00:05:54,650 --> 00:05:51,600  
to be an interesting week because I

113  
00:05:57,409 --> 00:05:54,660

can't wait to just delve into this and

114

00:06:00,529 --> 00:05:57,419

what's the easiest way to delve into

115

00:06:02,330 --> 00:06:00,539

this Josh would you like to go into your

116

00:06:05,390 --> 00:06:02,340

experiences accounts or what you've

117

00:06:07,129 --> 00:06:05,400

found uh over the course of your time

118

00:06:10,010 --> 00:06:07,139

there in Utah

119

00:06:11,749 --> 00:06:10,020

yeah Utah is definitely as far as hot

120

00:06:14,090 --> 00:06:11,759

spots go around the world I I'd have to

121

00:06:16,909 --> 00:06:14,100

say that Utah is one of the capitals as

122

00:06:19,010 --> 00:06:16,919

far as weird stuff that goes on I mean

123

00:06:20,330 --> 00:06:19,020

all across the state you have locations

124

00:06:21,770 --> 00:06:20,340

everywhere I mean everyone knows about

125

00:06:24,590 --> 00:06:21,780

skin walker Ranch you're down there

126  
00:06:26,090 --> 00:06:24,600  
obviously you know there's so many weird

127  
00:06:28,670 --> 00:06:26,100  
things that go on down here and we have

128  
00:06:30,770 --> 00:06:28,680  
the you on a basin um me personally I

129  
00:06:34,189 --> 00:06:30,780  
grew up in Salt Lake City the holiday

130  
00:06:35,930 --> 00:06:34,199  
area so it's right at the foot of the

131  
00:06:38,689 --> 00:06:35,940  
beautiful Wasatch mountains here we have

132  
00:06:42,070 --> 00:06:38,699  
Mount Olympus Timpanogos Twin Peaks a

133  
00:06:45,050 --> 00:06:42,080  
huge range here of mountains that are

134  
00:06:47,330 --> 00:06:45,060  
relatively new on the geologic time time

135  
00:06:48,950 --> 00:06:47,340  
frame so it's like a lot of the the uh

136  
00:06:51,710 --> 00:06:48,960  
the granite and the crust that's been

137  
00:06:53,510 --> 00:06:51,720  
pushed up here is I guess fresh in an

138  
00:06:56,330 --> 00:06:53,520

Earthly perspective as compared to like

139

00:06:59,090 --> 00:06:56,340

let's say some of the mountain ranges on

140

00:07:00,890 --> 00:06:59,100

the East Coast for example so there's a

141

00:07:03,050 --> 00:07:00,900

lot of interesting geology here and

142

00:07:05,150 --> 00:07:03,060

personally in Salt Lake I've witnessed

143

00:07:07,129 --> 00:07:05,160

quite a few interesting things and heard

144

00:07:08,990 --> 00:07:07,139

quite a few stories just about the mount

145

00:07:12,650 --> 00:07:09,000

was right outside the city here in Salt

146

00:07:14,570 --> 00:07:12,660

Lake and the first I guess I was never a

147

00:07:17,170 --> 00:07:14,580

guy that was never a guy that really

148

00:07:19,550 --> 00:07:17,180

wasn't aliens or was into like

149

00:07:21,469 --> 00:07:19,560

paranormal stuff I was kind of just a

150

00:07:23,390 --> 00:07:21,479

regular you know 20 year old dude that

151  
00:07:25,909 --> 00:07:23,400  
kind of just wanted to do my thing you

152  
00:07:29,689 --> 00:07:25,919  
know talk to girls all that stuff and uh

153  
00:07:32,870 --> 00:07:29,699  
in 2010 I was with my Dad we were

154  
00:07:34,670 --> 00:07:32,880  
cooking uh on the on our back like in

155  
00:07:36,409 --> 00:07:34,680  
our in our back kitchen there and we

156  
00:07:38,089 --> 00:07:36,419  
always fed these baby raccoons that

157  
00:07:39,890 --> 00:07:38,099  
would come out of the wetlands protected

158  
00:07:43,129 --> 00:07:39,900  
Wetland that was behind the house

159  
00:07:45,409 --> 00:07:43,139  
and so at night when it got dark I'd go

160  
00:07:47,270 --> 00:07:45,419  
out back because our patio was I don't

161  
00:07:49,670 --> 00:07:47,280  
know give or take 15 feet above the

162  
00:07:51,650 --> 00:07:49,680  
ground so we could see directly into the

163  
00:07:53,150 --> 00:07:51,660

trees so we either turned the light on

164

00:07:55,010 --> 00:07:53,160

or I'd get a flashlight and shine into

165

00:07:57,290 --> 00:07:55,020

the trees so we could see the uh the eye

166

00:07:58,850 --> 00:07:57,300

Shine from the raccoons there well

167

00:08:00,350 --> 00:07:58,860

tonight was a little different this this

168

00:08:01,670 --> 00:08:00,360

night was a little different because I

169

00:08:03,290 --> 00:08:01,680

walked out there and I was looking into

170

00:08:04,850 --> 00:08:03,300

the trees and it's like if you're in a

171

00:08:08,870 --> 00:08:04,860

dark room and somebody flips a light

172

00:08:10,430 --> 00:08:08,880

switch on that's what happened uh I it

173

00:08:11,930 --> 00:08:10,440

was completely surprising I'd never

174

00:08:15,170 --> 00:08:11,940

obviously witnessed anything like this

175

00:08:17,390 --> 00:08:15,180

and so I look around I look up and to my

176

00:08:18,950 --> 00:08:17,400

up above me to my left

177

00:08:23,150 --> 00:08:18,960

it's hard to tell anywhere from like

178

00:08:26,869 --> 00:08:23,160

maybe 20 to 50. feet above me was 10 to

179

00:08:29,450 --> 00:08:26,879

12 foot diameter glowing orb that was

180

00:08:31,670 --> 00:08:29,460

golden white colors I guess and it's

181

00:08:33,829 --> 00:08:31,680

hard to explain I had a feeling when it

182

00:08:37,490 --> 00:08:33,839

appeared above me at the time

183

00:08:39,649 --> 00:08:37,500

that I was not able to really describe

184

00:08:42,230 --> 00:08:39,659

until I'd heard it later described by

185

00:08:44,810 --> 00:08:42,240

others years later and it was a feeling

186

00:08:47,329 --> 00:08:44,820

of it being inside my head like I I

187

00:08:49,190 --> 00:08:47,339

don't know how to explain this but it

188

00:08:51,230 --> 00:08:49,200

was inside of me I felt a presence

189

00:08:52,730 --> 00:08:51,240

inside of me that was not me even though

190

00:08:54,410 --> 00:08:52,740

I wasn't communicating it's like

191

00:08:56,210 --> 00:08:54,420

something bumped into my Consciousness

192

00:08:58,550 --> 00:08:56,220

there and was like Hey you know I'm in

193

00:09:00,110 --> 00:08:58,560

here I'm paying attention to what you

194

00:09:01,910 --> 00:09:00,120

know you're thinking and it was a really

195

00:09:05,090 --> 00:09:01,920

strange connection and I heard you know

196

00:09:07,190 --> 00:09:05,100

in 2017 when the uh the Nimitz case came

197

00:09:09,829 --> 00:09:07,200

out and fravor and all these different

198

00:09:12,350 --> 00:09:09,839

accounts from the military had been

199

00:09:14,810 --> 00:09:12,360

starting to drip out that they had

200

00:09:16,070 --> 00:09:14,820

experienced phenomena with these crafts

201  
00:09:17,810 --> 00:09:16,080  
when they encountered them that was

202  
00:09:19,670 --> 00:09:17,820  
along the same lines in the sense that

203  
00:09:21,290 --> 00:09:19,680  
the things knew what they were going to

204  
00:09:22,610 --> 00:09:21,300  
do before they did it so when they were

205  
00:09:24,470 --> 00:09:22,620  
hitting them with the targeting pods

206  
00:09:26,329 --> 00:09:24,480  
right before they did it these things

207  
00:09:27,290 --> 00:09:26,339  
were able to jam their radar Jam their

208  
00:09:29,570 --> 00:09:27,300  
pods

209  
00:09:31,310 --> 00:09:29,580  
you know so essentially they weren't

210  
00:09:33,590 --> 00:09:31,320  
able to Target these targets like they

211  
00:09:35,389 --> 00:09:33,600  
were supposed to and I that's the same

212  
00:09:37,130 --> 00:09:35,399  
kind of phenomenon that I felt but I

213  
00:09:39,590 --> 00:09:37,140

didn't know at the time so I looked up

214

00:09:41,210 --> 00:09:39,600

at this thing felt that connection and

215

00:09:43,250 --> 00:09:41,220

it was getting off this light I don't

216

00:09:45,410 --> 00:09:43,260

know how to explain it it's illuminating

217

00:09:48,110 --> 00:09:45,420

the area but there's not actually any

218

00:09:49,370 --> 00:09:48,120

physical light coming out of it and I

219

00:09:51,730 --> 00:09:49,380

don't know how to explain what that

220

00:09:54,230 --> 00:09:51,740

looks like either it's such a strange

221

00:09:56,150 --> 00:09:54,240

strange you know idea to have to

222

00:09:58,730 --> 00:09:56,160

interpret but this all happens in maybe

223

00:10:00,110 --> 00:09:58,740

10-15 seconds and I look up at it and

224

00:10:02,449 --> 00:10:00,120

those these things you know really

225

00:10:04,009 --> 00:10:02,459

quickly in my head and I call my dad I'm

226  
00:10:06,350 --> 00:10:04,019  
like Dad come out here and he's about 10

227  
00:10:07,850 --> 00:10:06,360  
feet away he has a camera on a tripod so

228  
00:10:10,490 --> 00:10:07,860  
he runs over

229  
00:10:11,990 --> 00:10:10,500  
plops it down we look up at it and right

230  
00:10:13,550 --> 00:10:12,000  
as we point the camera up I don't know

231  
00:10:17,030 --> 00:10:13,560  
how to explain this there was like this

232  
00:10:19,430 --> 00:10:17,040  
strange uh perception slip or maybe

233  
00:10:22,430 --> 00:10:19,440  
movement and whatever it was but it

234  
00:10:25,070 --> 00:10:22,440  
blinked backwards quite quickly like

235  
00:10:27,110 --> 00:10:25,080  
it went from being a few feet away to

236  
00:10:28,970 --> 00:10:27,120  
being maybe a quarter mile away out in

237  
00:10:33,110 --> 00:10:28,980  
the sky instantly as soon as I press

238  
00:10:34,490 --> 00:10:33,120

record it it did a box essentially up in

239

00:10:37,550 --> 00:10:34,500

the air so if you imagine you're looking

240

00:10:39,650 --> 00:10:37,560

up at it it does three left angle turns

241

00:10:41,630 --> 00:10:39,660

and then shoots up into the sky and for

242

00:10:44,930 --> 00:10:41,640

less than a second and a half and it was

243

00:10:46,610 --> 00:10:44,940

you know really really quick and uh that

244

00:10:48,370 --> 00:10:46,620

was the first experience I Ever Had It

245

00:10:50,150 --> 00:10:48,380

Started leading me to

246

00:10:52,370 --> 00:10:50,160

essentially

247

00:10:54,170 --> 00:10:52,380

this huge Rabbit Hole of all these

248

00:10:56,389 --> 00:10:54,180

different topics that I had never even

249

00:10:59,329 --> 00:10:56,399

heard of or had interest in the past and

250

00:11:01,069 --> 00:10:59,339

a lot of it has to do with the way when

251

00:11:02,630 --> 00:11:01,079

you experience things like this it

252

00:11:04,610 --> 00:11:02,640

changes the way you look at things

253

00:11:07,190 --> 00:11:04,620

because not only is everything that you

254

00:11:09,110 --> 00:11:07,200

know tipped upside down on its head when

255

00:11:10,670 --> 00:11:09,120

you can't explain what you've seen but

256

00:11:12,350 --> 00:11:10,680

you know your beliefs get questioned it

257

00:11:14,810 --> 00:11:12,360

leads you it breaks you down in a lot of

258

00:11:17,509 --> 00:11:14,820

ways is the best way to describe it and

259

00:11:19,670 --> 00:11:17,519

I think that might be what the meaning

260

00:11:21,410 --> 00:11:19,680

is for some of these experiences for a

261

00:11:24,410 --> 00:11:21,420

lot of people I mean none of us have

262

00:11:26,449 --> 00:11:24,420

answers to what goes on with any

263

00:11:29,389 --> 00:11:26,459

paranormal phenomena whether it be you

264

00:11:31,610 --> 00:11:29,399

know ghost fairies UFOs all kinds of

265

00:11:33,949 --> 00:11:31,620

weird stuff out there we really don't

266

00:11:35,870 --> 00:11:33,959

have answers granted we haven't

267

00:11:37,910 --> 00:11:35,880

spent a lot of time or money researching

268

00:11:39,710 --> 00:11:37,920

these things you know the Paradigm is

269

00:11:42,190 --> 00:11:39,720

starting to change now which is good but

270

00:11:45,590 --> 00:11:42,200

a lot of these things aren't really

271

00:11:48,230 --> 00:11:45,600

understood but I believe that the

272

00:11:50,329 --> 00:11:48,240

dripping into our consciousness of

273

00:11:52,910 --> 00:11:50,339

experiences like this has some kind of

274

00:11:55,430 --> 00:11:52,920

effect because for me personally

275

00:11:57,889 --> 00:11:55,440

these this first experience is the one

276

00:12:00,710 --> 00:11:57,899

that really trans it transforms me

277

00:12:04,550 --> 00:12:00,720

everything about me changed after that

278

00:12:06,650 --> 00:12:04,560

day like the questions the methods of

279

00:12:09,170 --> 00:12:06,660

approach that I had towards life the way

280

00:12:11,509 --> 00:12:09,180

I looked at people everything had a

281

00:12:14,870 --> 00:12:11,519

different meaning to it a more a more

282

00:12:16,670 --> 00:12:14,880

positive meaning overall but it put a

283

00:12:18,650 --> 00:12:16,680

different meaning into life and showed

284

00:12:21,230 --> 00:12:18,660

me that the world's a lot weirder Than

285

00:12:24,530 --> 00:12:21,240

People agree the credit for and I think

286

00:12:26,690 --> 00:12:24,540

our history and a lot of the things that

287

00:12:29,449 --> 00:12:26,700

have been presented to us especially

288

00:12:30,650 --> 00:12:29,459

currently are not exactly as we

289

00:12:32,090 --> 00:12:30,660

understand them

290

00:12:34,310 --> 00:12:32,100

this is the best way to put it or

291

00:12:35,509 --> 00:12:34,320

they're not it things aren't what we

292

00:12:37,009 --> 00:12:35,519

think they are and I think we need to

293

00:12:39,949 --> 00:12:37,019

pay more attention to the stuff like

294

00:12:41,569 --> 00:12:39,959

this and stories like this that are

295

00:12:43,129 --> 00:12:41,579

coming out from people because I believe

296

00:12:45,050 --> 00:12:43,139

there's a there's a meaning I think

297

00:12:46,490 --> 00:12:45,060

there's a meaning of Shifting of

298

00:12:49,009 --> 00:12:46,500

Consciousness that's supposed to happen

299

00:12:52,629 --> 00:12:49,019

because for me personally it was so

300

00:12:55,910 --> 00:12:52,639

direct intense in your face and kind of

301  
00:12:57,350 --> 00:12:55,920  
mind splitting that I can't imagine any

302  
00:12:59,870 --> 00:12:57,360  
other reason for things like that

303  
00:13:02,210 --> 00:12:59,880  
popping up and whether I encountered

304  
00:13:03,590 --> 00:13:02,220  
you know something that it was

305  
00:13:06,050 --> 00:13:03,600  
definitely conscious but whether or not

306  
00:13:08,329 --> 00:13:06,060  
it was actually nuts and bolts or it was

307  
00:13:10,550 --> 00:13:08,339  
a spiritual phenomena either way it had

308  
00:13:13,550 --> 00:13:10,560  
the same effect nothing those kinds of

309  
00:13:15,470 --> 00:13:13,560  
things are good for people but as as far

310  
00:13:17,090 --> 00:13:15,480  
as the reason that I contacted you

311  
00:13:19,550 --> 00:13:17,100  
personally in the first place is because

312  
00:13:21,949 --> 00:13:19,560  
I've heard about your research you know

313  
00:13:22,790 --> 00:13:21,959

in this whole area with you in a basin

314

00:13:24,650 --> 00:13:22,800

and

315

00:13:26,870 --> 00:13:24,660

all the people you bring on your show

316

00:13:29,810 --> 00:13:26,880

I've heard a lot of good stuff about

317

00:13:31,490 --> 00:13:29,820

well my part of the world I guess that's

318

00:13:33,410 --> 00:13:31,500

really great because there's a lot that

319

00:13:35,329 --> 00:13:33,420

goes on in our backyard so I contacted

320

00:13:38,690 --> 00:13:35,339

you because of the stuff I saw up here

321

00:13:41,810 --> 00:13:38,700

in 2018 I know quite a few other people

322

00:13:43,190 --> 00:13:41,820

saw um I'll just get right into it I

323

00:13:45,170 --> 00:13:43,200

guess like I'm completely terrified

324

00:13:48,769 --> 00:13:45,180

about saying this on here as I explained

325

00:13:50,930 --> 00:13:48,779

to you earlier so forgive me guys if my

326

00:13:53,690 --> 00:13:50,940

voice is a little shaky and stuff but uh

327

00:13:57,590 --> 00:13:53,700

basically what happened is the date is

328

00:14:00,050 --> 00:13:57,600

January 13th 2018. uh put that out there

329

00:14:02,329 --> 00:14:00,060

clearly January 13th of 2018 so if

330

00:14:04,790 --> 00:14:02,339

anyone out there has seen this or

331

00:14:07,069 --> 00:14:04,800

experienced it on this date please

332

00:14:11,030 --> 00:14:07,079

raise your hand say something about it

333

00:14:12,710 --> 00:14:11,040

anyway I'm sitting there with uh my

334

00:14:15,230 --> 00:14:12,720

mother I'm I don't want to give an exact

335

00:14:18,829 --> 00:14:15,240

location as to where we are but we're a

336

00:14:20,930 --> 00:14:18,839

few miles away uh just west of Mount

337

00:14:24,050 --> 00:14:20,940

Olympus here in Salt Lake and so the

338

00:14:26,449 --> 00:14:24,060

entire Valley has quite a Grand View of

339

00:14:28,850 --> 00:14:26,459

this mountain that's gigantic it's bold

340

00:14:29,930 --> 00:14:28,860

you know these Rock faces like it's the

341

00:14:31,129 --> 00:14:29,940

first thing that catches your eye

342

00:14:33,829 --> 00:14:31,139

anywhere in the valley when you're

343

00:14:35,210 --> 00:14:33,839

looking up or around and so essentially

344

00:14:38,210 --> 00:14:35,220

we're sitting there and we're talking

345

00:14:40,310 --> 00:14:38,220

about the sky at the time we were like I

346

00:14:41,629 --> 00:14:40,320

was really really big in the conspiracy

347

00:14:44,389 --> 00:14:41,639

stuff at the time

348

00:14:46,790 --> 00:14:44,399

when I was talking about Chemtrails and

349

00:14:48,590 --> 00:14:46,800

the the first thing this is this is over

350

00:14:49,970 --> 00:14:48,600

a five minute period of time I'd imagine

351  
00:14:51,290 --> 00:14:49,980  
that it's hard to really tell because

352  
00:14:53,090 --> 00:14:51,300  
there's so much that went on but the

353  
00:14:54,889 --> 00:14:53,100  
first thing that really popped up in my

354  
00:14:56,629 --> 00:14:54,899  
head is we noticed a lot of planes going

355  
00:14:58,850 --> 00:14:56,639  
by overhead at the same time which was

356  
00:15:01,310 --> 00:14:58,860  
really strange like in the air here

357  
00:15:03,829 --> 00:15:01,320  
maybe in any part of town it wants two

358  
00:15:06,350 --> 00:15:03,839  
three planes overhead at a time Max on

359  
00:15:09,110 --> 00:15:06,360  
like a really busy day maybe but today

360  
00:15:11,030 --> 00:15:09,120  
we were counting like over ten I can't

361  
00:15:13,850 --> 00:15:11,040  
remember exactly how many it was like 12

362  
00:15:16,670 --> 00:15:13,860  
to 15. the transponder website that I

363  
00:15:18,710 --> 00:15:16,680

checked at the time to check to see you

364

00:15:20,569 --> 00:15:18,720

know what kind of the flights were going

365

00:15:22,970 --> 00:15:20,579

on in the area at the time didn't have

366

00:15:24,470 --> 00:15:22,980

any of these flights marked on its mass

367

00:15:26,329 --> 00:15:24,480

which I found kind of weird and that

368

00:15:28,189 --> 00:15:26,339

alone doesn't mean anything

369

00:15:29,990 --> 00:15:28,199

but I checked this all later and we

370

00:15:31,490 --> 00:15:30,000

couldn't find any data for these flights

371

00:15:34,009 --> 00:15:31,500

which was strange so that's the first

372

00:15:36,170 --> 00:15:34,019

thing in the series of events that

373

00:15:37,610 --> 00:15:36,180

happened in those five minutes it kind

374

00:15:40,610 --> 00:15:37,620

of caught my attention and as we're

375

00:15:42,189 --> 00:15:40,620

noticing that we I see we don't hear

376

00:15:45,290 --> 00:15:42,199

what we see

377

00:15:47,990 --> 00:15:45,300

a string of I want to say anywhere from

378

00:15:49,550 --> 00:15:48,000

like 10 to 12 helicopters flying by

379

00:15:52,490 --> 00:15:49,560

overhead so we're looking at the

380

00:15:53,930 --> 00:15:52,500

mountain we're looking East from the

381

00:15:55,910 --> 00:15:53,940

West Side of the Mountain

382

00:15:59,150 --> 00:15:55,920

I mean these helicopters are coming from

383

00:16:01,329 --> 00:15:59,160

I would say that would be

384

00:16:04,550 --> 00:16:01,339

it would be the

385

00:16:06,889 --> 00:16:04,560

north west side of us so they come

386

00:16:07,970 --> 00:16:06,899

across and what was interesting is I

387

00:16:10,490 --> 00:16:07,980

couldn't hear them that's the first

388

00:16:12,110 --> 00:16:10,500

thing that blew my mind I know if

389

00:16:14,389 --> 00:16:12,120

they're under 500 feet or right around

390

00:16:16,790 --> 00:16:14,399

500 feet where it's I think

391

00:16:17,930 --> 00:16:16,800

they were in the 500 to 1000 foot range

392

00:16:19,730 --> 00:16:17,940

you should have been able to hear those

393

00:16:21,290 --> 00:16:19,740

things 10 helicopters 12 helicopters

394

00:16:23,329 --> 00:16:21,300

going by

395

00:16:24,949 --> 00:16:23,339

that's loud there's no way that wouldn't

396

00:16:26,629 --> 00:16:24,959

have made a huge Rumble over the valley

397

00:16:28,670 --> 00:16:26,639

and the first thing I noticed is there

398

00:16:30,530 --> 00:16:28,680

wasn't really much of any sound coming

399

00:16:32,150 --> 00:16:30,540

from these things so

400

00:16:34,069 --> 00:16:32,160

conspiracy mind the first thing that

401  
00:16:35,870 --> 00:16:34,079  
ticked me off is I'm like oh those those

402  
00:16:38,329 --> 00:16:35,880  
don't make noise those must be the same

403  
00:16:40,069 --> 00:16:38,339  
ones maybe that they talked about you

404  
00:16:42,889 --> 00:16:40,079  
know saw the raids in like what 2011

405  
00:16:44,629 --> 00:16:42,899  
when they talked about crashing that top

406  
00:16:46,670 --> 00:16:44,639  
secret helicopter into the wall the

407  
00:16:48,110 --> 00:16:46,680  
compounds um that's that's the first

408  
00:16:50,150 --> 00:16:48,120  
thing I thought so I see these things

409  
00:16:52,610 --> 00:16:50,160  
coming over and we're watching them

410  
00:16:55,730 --> 00:16:52,620  
approach the mountain and if you view

411  
00:16:58,370 --> 00:16:55,740  
Mount Olympus from any anywhere in like

412  
00:17:00,650 --> 00:16:58,380  
the East bench area you're gonna see

413  
00:17:03,650 --> 00:17:00,660

kind of like a little Twin Peak looking

414

00:17:06,770 --> 00:17:03,660

thing like an M Arc not Arch but an m to

415

00:17:09,169 --> 00:17:06,780

the uh to the peak there and these

416

00:17:10,789 --> 00:17:09,179

helicopters what they do is they if you

417

00:17:12,470 --> 00:17:10,799

drought line straight through the peak

418

00:17:14,449 --> 00:17:12,480

cut the mountain in half they do a

419

00:17:15,890 --> 00:17:14,459

perfect circle so they line up and they

420

00:17:18,350 --> 00:17:15,900

start a circle over the top of the

421

00:17:21,710 --> 00:17:18,360

mountain and so they're doing this for a

422

00:17:24,409 --> 00:17:21,720

few seconds and one of these one this is

423

00:17:26,569 --> 00:17:24,419

insane one of these Blackhawks comes

424

00:17:29,090 --> 00:17:26,579

back into the middle of the circle and

425

00:17:31,070 --> 00:17:29,100

at this point we had binoculars sitting

426

00:17:32,630 --> 00:17:31,080

on my mother's coffee table I picked

427

00:17:35,270 --> 00:17:32,640

those up and it was looking at the

428

00:17:38,270 --> 00:17:35,280

situation through the binoculars this

429

00:17:41,150 --> 00:17:38,280

Black Hawk drops what looks to be that

430

00:17:45,289 --> 00:17:41,160

Droid that Vader uses to interrogate

431

00:17:47,270 --> 00:17:45,299

Luke in Star Wars down between the

432

00:17:48,470 --> 00:17:47,280

arches of the mountain or the peaks of

433

00:17:50,150 --> 00:17:48,480

the mountain which was really strange

434

00:17:52,070 --> 00:17:50,160

and I couldn't really tell what it was

435

00:17:54,590 --> 00:17:52,080

what I was looking at but it looked like

436

00:17:56,750 --> 00:17:54,600

that Droid from Star Wars it was a black

437

00:17:59,090 --> 00:17:56,760

ball with a little red looking dot on it

438

00:18:01,610 --> 00:17:59,100

dropping down between the Peaks that

439

00:18:04,010 --> 00:18:01,620

helicopter then I see another Ball come

440

00:18:05,510 --> 00:18:04,020

up between out of the Peaks up into the

441

00:18:07,549 --> 00:18:05,520

helicopter and I couldn't really tell if

442

00:18:09,409 --> 00:18:07,559

it was going behind it or if it was like

443

00:18:12,230 --> 00:18:09,419

somehow going up into the helicopter

444

00:18:13,730 --> 00:18:12,240

from the bottom I it was impossible to

445

00:18:17,330 --> 00:18:13,740

see because I didn't have the range on

446

00:18:18,650 --> 00:18:17,340

the binsos but anyway that fear the

447

00:18:20,390 --> 00:18:18,660

second sphere goes back up in the

448

00:18:23,390 --> 00:18:20,400

helicopter it breaks back up into the

449

00:18:25,430 --> 00:18:23,400

circle that Circle then widens out so it

450

00:18:29,330 --> 00:18:25,440

gets to the point where it's surrounding

451  
00:18:31,010 --> 00:18:29,340  
both of these Peaks on an Olympus and as

452  
00:18:33,169 --> 00:18:31,020  
that happens and they finish widening

453  
00:18:34,909 --> 00:18:33,179  
the circle out if you take like if you

454  
00:18:37,130 --> 00:18:34,919  
look at a barbell weight

455  
00:18:38,750 --> 00:18:37,140  
on the ground you pick it up if you look

456  
00:18:40,490 --> 00:18:38,760  
at it in your hand and you turn it

457  
00:18:42,049 --> 00:18:40,500  
sideways so it's sitting vertically

458  
00:18:45,169 --> 00:18:42,059  
instead of horizontally

459  
00:18:46,610 --> 00:18:45,179  
that is what it is that is what appeared

460  
00:18:50,210 --> 00:18:46,620  
in the middle of the circle of

461  
00:18:52,850 --> 00:18:50,220  
helicopters so essentially a gigantic

462  
00:18:54,890 --> 00:18:52,860  
barbell weight it had a square top and a

463  
00:18:57,830 --> 00:18:54,900

square bottom they were both black there

464

00:18:59,510 --> 00:18:57,840

was a gray bar in the Middle where I

465

00:19:02,330 --> 00:18:59,520

like the hand grip would be on the

466

00:19:05,450 --> 00:19:02,340

barbell that part was gray the top and

467

00:19:07,850 --> 00:19:05,460

the bottom Square portions uh they were

468

00:19:10,190 --> 00:19:07,860

black as far as I could tell in very

469

00:19:14,270 --> 00:19:10,200

square like perfect squares and they had

470

00:19:16,610 --> 00:19:14,280

the top portion had this interesting Ray

471

00:19:18,049 --> 00:19:16,620

aspect coming out of it like if you look

472

00:19:20,029 --> 00:19:18,059

at the sun you see the Rays coming off

473

00:19:21,650 --> 00:19:20,039

the sun that's what I was seeing it was

474

00:19:23,330 --> 00:19:21,660

like Rays coming out the top of this

475

00:19:25,789 --> 00:19:23,340

thing and almost like a Halo of light

476

00:19:27,830 --> 00:19:25,799

around the top of it and we're watching

477

00:19:29,330 --> 00:19:27,840

this thing for a few seconds and as this

478

00:19:31,909 --> 00:19:29,340

thing appears and you know it just

479

00:19:34,730 --> 00:19:31,919

phases into this circle of helicopters

480

00:19:36,289 --> 00:19:34,740

and it had to have been I can't judge I

481

00:19:39,350 --> 00:19:36,299

was too far away but I want to say it

482

00:19:40,789 --> 00:19:39,360

was about at least 10 times the size of

483

00:19:43,250 --> 00:19:40,799

each one of these Shoppers so if a

484

00:19:45,770 --> 00:19:43,260

chopper is I don't know 12 to 16 feet

485

00:19:47,390 --> 00:19:45,780

something like that in height these this

486

00:19:50,630 --> 00:19:47,400

thing had to have been like a few

487

00:19:52,909 --> 00:19:50,640

hundred feet tall and in my opinion from

488

00:19:56,029 --> 00:19:52,919

where I saw it so the idea of something

489

00:19:57,950 --> 00:19:56,039

that big sitting there it just it blew

490

00:19:59,330 --> 00:19:57,960

my mind we me and my mom looked at each

491

00:20:02,029 --> 00:19:59,340

other and her neighbor was across the

492

00:20:03,409 --> 00:20:02,039

way and seeing it too we we've never

493

00:20:04,789 --> 00:20:03,419

seen anything like that I mean how do

494

00:20:06,289 --> 00:20:04,799

you explain something like that I

495

00:20:07,970 --> 00:20:06,299

immediately thought it would you know

496

00:20:09,710 --> 00:20:07,980

projection technology something along

497

00:20:12,110 --> 00:20:09,720

those lines but

498

00:20:14,630 --> 00:20:12,120

I had no idea so we were flabbergasted

499

00:20:16,310 --> 00:20:14,640

we look at each other and the clouds in

500

00:20:17,750 --> 00:20:16,320

that area there were a few clouds over

501  
00:20:20,150 --> 00:20:17,760  
the Peaks and it was interesting because

502  
00:20:21,650 --> 00:20:20,160  
this thing started moving south and as

503  
00:20:24,350 --> 00:20:21,660  
it was moving south

504  
00:20:26,690 --> 00:20:24,360  
uh all the clouds around it started

505  
00:20:27,950 --> 00:20:26,700  
turning orange and like

506  
00:20:29,630 --> 00:20:27,960  
I don't know how to explain the

507  
00:20:31,310 --> 00:20:29,640  
squiggling like making little

508  
00:20:33,350 --> 00:20:31,320  
caterpillar motions almost that's the

509  
00:20:35,270 --> 00:20:33,360  
best way to describe it and it was only

510  
00:20:37,549 --> 00:20:35,280  
in like a localized area around this

511  
00:20:40,190 --> 00:20:37,559  
thing it wasn't like it wasn't the

512  
00:20:42,049 --> 00:20:40,200  
entire Sky it was just within you know a

513  
00:20:44,450 --> 00:20:42,059

small radius like I'd say like a mile

514

00:20:46,970 --> 00:20:44,460

radius around this thing that these

515

00:20:49,130 --> 00:20:46,980

clouds were orange and we're noticing

516

00:20:51,470 --> 00:20:49,140

this too and as it starts moving south

517

00:20:54,289 --> 00:20:51,480

you know I've heard this a lot of

518

00:20:55,850 --> 00:20:54,299

times too I got to take my my camera out

519

00:20:57,470 --> 00:20:55,860

as soon as I go to press the button the

520

00:21:00,049 --> 00:20:57,480

instant my phone touches the screen that

521

00:21:02,930 --> 00:21:00,059

thing phases up completely phases it out

522

00:21:06,950 --> 00:21:02,940

uh and the helicopters uh go back in

523

00:21:09,470 --> 00:21:06,960

line back towards the Northwest so

524

00:21:11,930 --> 00:21:09,480

Northwest to me that same direction as

525

00:21:13,850 --> 00:21:11,940

dugway uh it's dugway air base or The

526  
00:21:15,590 --> 00:21:13,860  
Proving Grounds um I've been out there

527  
00:21:18,529 --> 00:21:15,600  
quite a few times like you make a

528  
00:21:21,049 --> 00:21:18,539  
straight line from that direction down

529  
00:21:24,650 --> 00:21:21,059  
you you get right to the base and so

530  
00:21:27,409 --> 00:21:24,660  
whatever that was that day

531  
00:21:29,810 --> 00:21:27,419  
had to have been at first I thought it

532  
00:21:32,570 --> 00:21:29,820  
was projection technology but the all

533  
00:21:35,450 --> 00:21:32,580  
the other aspects and the phenomena that

534  
00:21:37,610 --> 00:21:35,460  
surrounded it uh you know included with

535  
00:21:39,950 --> 00:21:37,620  
the size of it and the way it moved I

536  
00:21:41,570 --> 00:21:39,960  
can't think that it would be anything

537  
00:21:43,430 --> 00:21:41,580  
but

538  
00:21:46,250 --> 00:21:43,440

some kind of technology that we're not

539

00:21:47,750 --> 00:21:46,260

being told about and I'm not saying it's

540

00:21:49,250 --> 00:21:47,760

you know it doesn't have to always be an

541

00:21:50,510 --> 00:21:49,260

alien thing it's it doesn't have to be

542

00:21:52,669 --> 00:21:50,520

nuts and bolts it could be a lot of

543

00:21:54,230 --> 00:21:52,679

things but whatever that was was

544

00:21:57,289 --> 00:21:54,240

something that I know can probably

545

00:21:58,789 --> 00:21:57,299

benefit a lot of people uh if given the

546

00:22:00,770 --> 00:21:58,799

chance or if utilizing the correct way

547

00:22:02,510 --> 00:22:00,780

but my my issue with these situations

548

00:22:03,890 --> 00:22:02,520

and with what we're seeing with a lot of

549

00:22:05,570 --> 00:22:03,900

the technologies that we're hearing

550

00:22:08,090 --> 00:22:05,580

about nowadays but we're not being

551  
00:22:11,029 --> 00:22:08,100  
presented any evidence of in the case of

552  
00:22:12,230 --> 00:22:11,039  
like you know gravitational UFOs and all

553  
00:22:15,110 --> 00:22:12,240  
the things that are being talked about

554  
00:22:16,730 --> 00:22:15,120  
in the news as far as the uaps go that

555  
00:22:19,190 --> 00:22:16,740  
kind of Technology can be used for good

556  
00:22:21,470 --> 00:22:19,200  
and my issue is that it's being hidden

557  
00:22:23,210 --> 00:22:21,480  
from us and seemingly most likely

558  
00:22:25,610 --> 00:22:23,220  
weaponized at this point if we're really

559  
00:22:28,549 --> 00:22:25,620  
talking about the government I mean

560  
00:22:30,590 --> 00:22:28,559  
at this point they've got a proven track

561  
00:22:31,970 --> 00:22:30,600  
record of just about doing anything they

562  
00:22:33,529 --> 00:22:31,980  
can to weaponize whatever they can get

563  
00:22:35,990 --> 00:22:33,539

their hands on so

564

00:22:38,510 --> 00:22:36,000

that's my problem with all this it's not

565

00:22:41,330 --> 00:22:38,520

you know aliens are great and all that

566

00:22:43,370 --> 00:22:41,340

but there's there really are hundreds of

567

00:22:44,750 --> 00:22:43,380

millions of lives that could be saved

568

00:22:46,549 --> 00:22:44,760

with the technologies that are being

569

00:22:48,830 --> 00:22:46,559

hidden from us and I know these things

570

00:22:52,250 --> 00:22:48,840

are going on I've seen it multiple times

571

00:22:55,070 --> 00:22:52,260

myself so it's I I want people to speak

572

00:22:57,529 --> 00:22:55,080

up more because the valley here at the

573

00:22:59,870 --> 00:22:57,539

time this happened had

574

00:23:01,730 --> 00:22:59,880

somewhere right around I think it's 1.5

575

00:23:03,590 --> 00:23:01,740

2 million something like that we have

576

00:23:06,110 --> 00:23:03,600

over a million people on this Valley so

577

00:23:09,590 --> 00:23:06,120

the the chances of Nobody seeing this in

578

00:23:12,350 --> 00:23:09,600

broad daylight on top of a peak in a

579

00:23:15,409 --> 00:23:12,360

busy City I mean like it's impossible

580

00:23:17,570 --> 00:23:15,419

Ryan so that's why that's why I wanted

581

00:23:20,270 --> 00:23:17,580

to talk to you because I I you're local

582

00:23:22,370 --> 00:23:20,280

you know I knew that there's probably

583

00:23:24,590 --> 00:23:22,380

people from this area that listen to

584

00:23:27,289 --> 00:23:24,600

your podcast uh which is great by the

585

00:23:28,970 --> 00:23:27,299

way but there's got to be people out

586

00:23:30,890 --> 00:23:28,980

there that have seen this and

587

00:23:32,390 --> 00:23:30,900

I don't know what's going to happen from

588

00:23:33,890 --> 00:23:32,400

this I don't know if there's going to be

589

00:23:35,570 --> 00:23:33,900

any consequences I'm not trying to give

590

00:23:37,310 --> 00:23:35,580

away military secrets I'm not trying to

591

00:23:39,710 --> 00:23:37,320

piss anybody off but

592

00:23:41,810 --> 00:23:39,720

like if stuff like that is going on in

593

00:23:44,210 --> 00:23:41,820

the middle of the day in a busy City

594

00:23:45,950 --> 00:23:44,220

they had to have wanted people to see it

595

00:23:48,169 --> 00:23:45,960

at the same time which is the other side

596

00:23:50,270 --> 00:23:48,179

of this it's like you don't do four

597

00:23:52,250 --> 00:23:50,280

operations like this with secret

598

00:23:54,710 --> 00:23:52,260

technology in the middle of the day

599

00:23:56,810 --> 00:23:54,720

without already knowing people are going

600

00:23:59,630 --> 00:23:56,820

to see it I mean there were no way

601  
00:24:02,029 --> 00:23:59,640  
trying to hide this and so that's that's

602  
00:24:04,610 --> 00:24:02,039  
where I'm having an issue it's like well

603  
00:24:06,890 --> 00:24:04,620  
are they really do they did they want to

604  
00:24:08,870 --> 00:24:06,900  
see us to see this and if so how come no

605  
00:24:11,870 --> 00:24:08,880  
one's talked about it because honestly

606  
00:24:16,010 --> 00:24:11,880  
the the looks I get from telling the

607  
00:24:18,230 --> 00:24:16,020  
story man like it sounds crazy when you

608  
00:24:20,029 --> 00:24:18,240  
when you say this to people and trying

609  
00:24:22,970 --> 00:24:20,039  
to tell it to people it's

610  
00:24:25,850 --> 00:24:22,980  
it's intimidating like because I I have

611  
00:24:28,250 --> 00:24:25,860  
yet to really have many people

612  
00:24:30,310 --> 00:24:28,260  
that have heard this and not immediately

613  
00:24:32,690 --> 00:24:30,320

thought I was absolutely insane but

614

00:24:34,310 --> 00:24:32,700

that's kind of the idea right now is I

615

00:24:35,930 --> 00:24:34,320

want to get it out there and I I really

616

00:24:37,370 --> 00:24:35,940

hope that we can figure out what this is

617

00:24:39,289 --> 00:24:37,380

because I've been doing as much as I can

618

00:24:40,789 --> 00:24:39,299

to get up there and get to those spots

619

00:24:42,830 --> 00:24:40,799

and try to figure out what's going on

620

00:24:45,049 --> 00:24:42,840

because it's bugged me for five years

621

00:24:47,990 --> 00:24:45,059

now and it was traumatizing to a point

622

00:24:49,610 --> 00:24:48,000

is that makes a lot of sense I've heard

623

00:24:52,010 --> 00:24:49,620

that from other people in the past that

624

00:24:54,350 --> 00:24:52,020

have had experiences that have kind of

625

00:24:56,270 --> 00:24:54,360

hit them the wrong way and that's what

626  
00:24:57,830 --> 00:24:56,280  
the second one felt like I've had good

627  
00:24:59,990 --> 00:24:57,840  
experiences with stuff I can't explain

628  
00:25:03,110 --> 00:25:00,000  
but this one was

629  
00:25:05,029 --> 00:25:03,120  
uh not not great and it was it didn't

630  
00:25:06,470 --> 00:25:05,039  
feel good in a way like I felt like I

631  
00:25:09,049 --> 00:25:06,480  
was witnessing something that probably

632  
00:25:12,049 --> 00:25:09,059  
wasn't wasn't something that I wanted to

633  
00:25:14,230 --> 00:25:12,059  
see so in that case you know raise the

634  
00:25:18,350 --> 00:25:14,240  
red flag about it

635  
00:25:20,149 --> 00:25:18,360  
man it is a super compelling I think

636  
00:25:22,669 --> 00:25:20,159  
it's a super compelling thing you

637  
00:25:25,130 --> 00:25:22,679  
witnessed and that experience is pretty

638  
00:25:27,830 --> 00:25:25,140

wild the the barbell and the way you

639

00:25:30,590 --> 00:25:27,840

explained it having the black ends the

640

00:25:32,510 --> 00:25:30,600

gray bar and then the the light kind of

641

00:25:35,210 --> 00:25:32,520

at the top of it

642

00:25:37,130 --> 00:25:35,220

um yeah I think that you know

643

00:25:40,250 --> 00:25:37,140

the fact that you mentioned it got

644

00:25:42,169 --> 00:25:40,260

inside your head is a great way to

645

00:25:43,789 --> 00:25:42,179

elaborate on your experience because I

646

00:25:47,210 --> 00:25:43,799

personally agree with you I think that

647

00:25:50,450 --> 00:25:47,220

these events have a way of changing us

648

00:25:53,029 --> 00:25:50,460

in a way kind of opening us up most

649

00:25:55,850 --> 00:25:53,039

definitely uh yeah they like Elevate our

650

00:25:57,409 --> 00:25:55,860

Consciousness to a new level and

651  
00:25:59,510 --> 00:25:57,419  
um I think a paranormal tap on the

652  
00:26:02,269 --> 00:25:59,520  
shoulder is exactly what a lot of

653  
00:26:04,549 --> 00:26:02,279  
humanity needs

654  
00:26:07,310 --> 00:26:04,559  
you are exactly right man you're exactly

655  
00:26:09,890 --> 00:26:07,320  
right about that yeah I totally agree I

656  
00:26:11,930 --> 00:26:09,900  
I really hope that you know with with

657  
00:26:14,810 --> 00:26:11,940  
everything that's going on right now as

658  
00:26:18,350 --> 00:26:14,820  
far as the news around UFOs goes and and

659  
00:26:20,149 --> 00:26:18,360  
uaps I mean a lot of the people uh that

660  
00:26:22,669 --> 00:26:20,159  
listen to your show will probably be up

661  
00:26:24,529 --> 00:26:22,679  
on this topic so I probably don't need

662  
00:26:27,590 --> 00:26:24,539  
to explain a lot of it but there's a lot

663  
00:26:29,750 --> 00:26:27,600

going on right now behind the scenes uh

664

00:26:32,330 --> 00:26:29,760

there's a lot going on in the news up

665

00:26:34,730 --> 00:26:32,340

front we got what 30 I think it's 32

666

00:26:37,549 --> 00:26:34,740

days away now we have the NASA hearing

667

00:26:38,750 --> 00:26:37,559

uh with uh with NASA you know the guys

668

00:26:40,490 --> 00:26:38,760

that always tell the truth they're going

669

00:26:43,850 --> 00:26:40,500

to come out and tell us an answer

670

00:26:45,169 --> 00:26:43,860

already UFO and UAP questions because uh

671

00:26:46,850 --> 00:26:45,179

well why wouldn't they tell us the truth

672

00:26:49,490 --> 00:26:46,860

right I mean I'm sure they'll give us

673

00:26:51,350 --> 00:26:49,500

all the information they know

674

00:26:53,149 --> 00:26:51,360

it's gonna be interesting I don't know

675

00:26:55,010 --> 00:26:53,159

it's going to be interesting there's a

676

00:26:58,310 --> 00:26:55,020

lot that's going on and I'm just hoping

677

00:27:00,230 --> 00:26:58,320

that uh all of this kind of shifts the

678

00:27:02,029 --> 00:27:00,240

Paradigm a little bit and this the

679

00:27:04,549 --> 00:27:02,039

stigma is the main thing there's there's

680

00:27:06,529 --> 00:27:04,559

a huge stigma still around paranormal

681

00:27:08,990 --> 00:27:06,539

and UFO experiences and unexplainable

682

00:27:11,510 --> 00:27:09,000

stuff and uh it would be really really

683

00:27:13,850 --> 00:27:11,520

cool if more people were turned on to it

684

00:27:15,830 --> 00:27:13,860

because on I think the way our brains

685

00:27:17,330 --> 00:27:15,840

are built if you think about it we just

686

00:27:19,490 --> 00:27:17,340

a lot of us just want to live our lives

687

00:27:21,529 --> 00:27:19,500

trying to trying to see something that's

688

00:27:24,350 --> 00:27:21,539

going to make you restructure your whole

689

00:27:25,970 --> 00:27:24,360

belief system and what you think about

690

00:27:27,590 --> 00:27:25,980

yourself and everything around you like

691

00:27:30,230 --> 00:27:27,600

that's not something a lot of people

692

00:27:31,970 --> 00:27:30,240

really want to do on a daily basis and I

693

00:27:32,750 --> 00:27:31,980

didn't either a lot of people don't I

694

00:27:34,070 --> 00:27:32,760

know a lot of people that have

695

00:27:36,470 --> 00:27:34,080

experienced things like this where it's

696

00:27:38,930 --> 00:27:36,480

just you know it just kind of changes

697

00:27:40,549 --> 00:27:38,940

them and shuts them out and that's what

698

00:27:41,750 --> 00:27:40,559

it did to me and it's it's positive for

699

00:27:44,510 --> 00:27:41,760

a lot of people

700

00:27:46,549 --> 00:27:44,520

um but these mountains man like Utah and

701

00:27:48,110 --> 00:27:46,559

Salt Lake especially there's so much

702

00:27:51,110 --> 00:27:48,120

strange stuff that goes on around here

703

00:27:53,450 --> 00:27:51,120

Mount Olympus besides the story I told

704

00:27:57,590 --> 00:27:53,460

you earlier there's a few months before

705

00:28:00,350 --> 00:27:57,600

that this this whole thing happens uh

706

00:28:02,149 --> 00:28:00,360

me and my family were viewing every

707

00:28:04,310 --> 00:28:02,159

morning and I can't remember the dates

708

00:28:07,210 --> 00:28:04,320

on this I guess it would be from like I

709

00:28:11,510 --> 00:28:07,220

guess it would be from like the end of

710

00:28:13,190 --> 00:28:11,520

October of 2018 to January of 2018.

711

00:28:15,169 --> 00:28:13,200

there were fairy lights all over the

712

00:28:17,210 --> 00:28:15,179

mountain before the sun came up so we'd

713

00:28:19,430 --> 00:28:17,220

sit there some mornings

714

00:28:21,529 --> 00:28:19,440

and before the sun came up you'd see

715

00:28:23,390 --> 00:28:21,539

different kinds of lights on the

716

00:28:24,710 --> 00:28:23,400

mountain and usually you know I'd always

717

00:28:27,230 --> 00:28:24,720

try to explain this stuff away because

718

00:28:29,390 --> 00:28:27,240

the binoculars out look for climbers

719

00:28:32,029 --> 00:28:29,400

with headlamps all kinds of things that

720

00:28:33,950 --> 00:28:32,039

I could do to explain what we were

721

00:28:35,510 --> 00:28:33,960

actually seeing but I could never figure

722

00:28:36,950 --> 00:28:35,520

it out there weren't any Climbers on the

723

00:28:39,110 --> 00:28:36,960

mountain and we were seeing essentially

724

00:28:40,310 --> 00:28:39,120

fairy lights for months on end um I

725

00:28:41,870 --> 00:28:40,320

don't know why I never thought to like

726

00:28:42,769 --> 00:28:41,880

recording any of this either it's such a

727

00:28:44,690 --> 00:28:42,779

strange

728

00:28:47,090 --> 00:28:44,700

experience when you see this a lot of

729

00:28:49,430 --> 00:28:47,100

the time it's like you never have

730

00:28:51,529 --> 00:28:49,440

a lot of the time don't have the thought

731

00:28:53,510 --> 00:28:51,539

of recording it which is really strange

732

00:28:55,010 --> 00:28:53,520

my dad still got I can probably have my

733

00:28:56,450 --> 00:28:55,020

dad show you the first video the first

734

00:28:58,190 --> 00:28:56,460

thing we recorded but these other two

735

00:28:59,810 --> 00:28:58,200

experiences man like

736

00:29:02,390 --> 00:28:59,820

you're so out of your mind when you see

737

00:29:04,669 --> 00:29:02,400

it and it's hard to to ever

738

00:29:06,049 --> 00:29:04,679

record it I guess but these fairy lights

739

00:29:07,789 --> 00:29:06,059

man they were on the mountain for a

740

00:29:10,190 --> 00:29:07,799

couple months at a time they'd go up and

741

00:29:11,570 --> 00:29:10,200

around and do all these zigzags and

742

00:29:13,310 --> 00:29:11,580

different shapes on the mountain they'd

743

00:29:14,630 --> 00:29:13,320

be all like a rainbow of colors they'd

744

00:29:17,630 --> 00:29:14,640

blink in and out

745

00:29:20,330 --> 00:29:17,640

uh I at the time this is five six years

746

00:29:22,730 --> 00:29:20,340

ago I'd heard about I've heard about

747

00:29:23,930 --> 00:29:22,740

Stephen Greer ce5 stuff and so I was

748

00:29:25,730 --> 00:29:23,940

like you know I wonder if I could just

749

00:29:27,230 --> 00:29:25,740

like think at him a little bit and tell

750

00:29:28,370 --> 00:29:27,240

him tell him to do different shapes and

751  
00:29:29,690 --> 00:29:28,380  
they'll do it and it worked a couple

752  
00:29:31,070 --> 00:29:29,700  
times like they'd go up above the

753  
00:29:33,230 --> 00:29:31,080  
mountain and do like squares and

754  
00:29:34,909 --> 00:29:33,240  
sometimes they do tetrahedrons and

755  
00:29:38,769 --> 00:29:34,919  
different kinds of geometries which is

756  
00:29:40,310 --> 00:29:38,779  
really interesting and I I think

757  
00:29:42,169 --> 00:29:40,320  
whoever's

758  
00:29:44,149 --> 00:29:42,179  
operating and doing things in this area

759  
00:29:45,409 --> 00:29:44,159  
which I'd imagine is the military maybe

760  
00:29:46,970 --> 00:29:45,419  
we have some other

761  
00:29:49,070 --> 00:29:46,980  
projects going on some other

762  
00:29:51,470 --> 00:29:49,080  
unacknowledged stuff but whoever is

763  
00:29:53,750 --> 00:29:51,480

operating in this area I think is very

764

00:29:56,149 --> 00:29:53,760

very familiar with the effects of the

765

00:29:57,250 --> 00:29:56,159

geology here because it has like a large

766

00:30:00,230 --> 00:29:57,260

large

767

00:30:02,570 --> 00:30:00,240

amount of quartz in these mountains like

768

00:30:04,130 --> 00:30:02,580

the quartz content and these rocks is

769

00:30:05,810 --> 00:30:04,140

insane man I mean I'm not a geologist

770

00:30:07,730 --> 00:30:05,820

but you can just go out there and see

771

00:30:09,409 --> 00:30:07,740

look at the courts and and The Rock and

772

00:30:11,990 --> 00:30:09,419

the granite and so I've heard and

773

00:30:16,010 --> 00:30:12,000

studied over the years about the

774

00:30:17,870 --> 00:30:16,020

different effects geologies can have uh

775

00:30:20,289 --> 00:30:17,880

in an area you know as far as Paranormal

776

00:30:23,690 --> 00:30:20,299

Activity goes and

777

00:30:26,330 --> 00:30:23,700

uh there's missing 4-1-1 David politis

778

00:30:28,669 --> 00:30:26,340

he made some points quite a while back

779

00:30:31,490 --> 00:30:28,679

about finding different patterns and

780

00:30:32,810 --> 00:30:31,500

disappearances and strange phenomena in

781

00:30:34,909 --> 00:30:32,820

these places where they were underground

782

00:30:37,610 --> 00:30:34,919

aquifers where there were high amounts

783

00:30:40,130 --> 00:30:37,620

of Courts uh Courtside on the Rock which

784

00:30:43,850 --> 00:30:40,140

is exactly what you have here so whoever

785

00:30:46,970 --> 00:30:43,860

is up operating here knows that there's

786

00:30:48,769 --> 00:30:46,980

also something going on in the land here

787

00:30:50,269 --> 00:30:48,779

and probably not just here I mean in a

788

00:30:51,649 --> 00:30:50,279

ton of other places if they figured it

789

00:30:53,690 --> 00:30:51,659

out here they figured it out at other

790

00:30:55,250 --> 00:30:53,700

places but the interesting part of this

791

00:30:56,210 --> 00:30:55,260

and the reason that it's bugging me is

792

00:30:58,250 --> 00:30:56,220

because

793

00:31:00,110 --> 00:30:58,260

there the Mormon Church operates here

794

00:31:01,010 --> 00:31:00,120

too and they've you know they've dug

795

00:31:04,430 --> 00:31:01,020

their own

796

00:31:06,529 --> 00:31:04,440

vaults into uh Granite over here down in

797

00:31:08,990 --> 00:31:06,539

Draper I guess it would be the area of

798

00:31:11,090 --> 00:31:09,000

the city where the vault is above uh but

799

00:31:12,950 --> 00:31:11,100

granite rock down here is their vault

800

00:31:14,630 --> 00:31:12,960

and they supposedly you know they spent

801  
00:31:17,330 --> 00:31:14,640  
millions of dollars on it drilled this

802  
00:31:19,549 --> 00:31:17,340  
gigantic Vault it's big enough to hold a

803  
00:31:21,289 --> 00:31:19,559  
semi into the mountain and apparently

804  
00:31:23,330 --> 00:31:21,299  
what they're doing is storing geology

805  
00:31:24,889 --> 00:31:23,340  
and genealogical Records there and

806  
00:31:26,690 --> 00:31:24,899  
that's that's understandable but that's

807  
00:31:28,430 --> 00:31:26,700  
a lot of tunnel man for those records

808  
00:31:30,169 --> 00:31:28,440  
and they say they hold different

809  
00:31:32,330 --> 00:31:30,179  
religious artifacts and things like that

810  
00:31:33,950 --> 00:31:32,340  
but I'm starting to wonder if maybe

811  
00:31:35,690 --> 00:31:33,960  
there's something going on with the

812  
00:31:37,370 --> 00:31:35,700  
church in the military here because they

813  
00:31:39,409 --> 00:31:37,380

both operate in these mountains and I

814

00:31:41,090 --> 00:31:39,419

can't imagine that with the tunnel

815

00:31:43,190 --> 00:31:41,100

systems that we have in Salt Lake that

816

00:31:45,769 --> 00:31:43,200

there isn't some kind of agreement going

817

00:31:47,630 --> 00:31:45,779

on as well between the church and the

818

00:31:49,909 --> 00:31:47,640

military or some

819

00:31:53,029 --> 00:31:49,919

proxies or another from either one of

820

00:31:55,010 --> 00:31:53,039

these organizations because I have heard

821

00:31:57,409 --> 00:31:55,020

lots of stories from lots of people in

822

00:31:58,789 --> 00:31:57,419

the area different contractors that have

823

00:32:00,889 --> 00:31:58,799

told me different experiences they've

824

00:32:02,570 --> 00:32:00,899

had either up in the mountains I've

825

00:32:04,610 --> 00:32:02,580

heard I've heard of people that have

826

00:32:07,070 --> 00:32:04,620

been contractors digging the caves when

827

00:32:09,289 --> 00:32:07,080

the granite vaults were dug for the the

828

00:32:10,970 --> 00:32:09,299

church down in Draper I've heard of

829

00:32:13,010 --> 00:32:10,980

people you know doing Plumbing work

830

00:32:15,289 --> 00:32:13,020

talking about tunnels underground in

831

00:32:17,090 --> 00:32:15,299

downtown Salt Lake City so if there's a

832

00:32:18,769 --> 00:32:17,100

network of tunnels down there I would

833

00:32:21,169 --> 00:32:18,779

imagine that network of tunnels probably

834

00:32:22,970 --> 00:32:21,179

stretches way farther than just downtown

835

00:32:24,830 --> 00:32:22,980

and you know if you're into the

836

00:32:26,690 --> 00:32:24,840

conspiracy world and everyone's heard

837

00:32:28,610 --> 00:32:26,700

about the Denver airport conspiracy

838

00:32:30,169 --> 00:32:28,620

theories and the massive networks of

839

00:32:31,789 --> 00:32:30,179

tunnels that are supposed to be dug

840

00:32:34,970 --> 00:32:31,799

underneath the entirety of the U.S

841

00:32:36,710 --> 00:32:34,980

continent which we can't prove but from

842

00:32:38,330 --> 00:32:36,720

a strategic point of view I wouldn't see

843

00:32:40,250 --> 00:32:38,340

any reason why they wouldn't do it it

844

00:32:41,750 --> 00:32:40,260

would be a really smart idea uh

845

00:32:44,990 --> 00:32:41,760

strategically and for security

846

00:32:47,269 --> 00:32:45,000

operational security so I'm I'm thinking

847

00:32:50,450 --> 00:32:47,279

that those tunnel systems

848

00:32:52,250 --> 00:32:50,460

also are tied in here as well but the

849

00:32:53,750 --> 00:32:52,260

only problem is is

850

00:32:55,490 --> 00:32:53,760

we don't know where the entrances are

851  
00:32:57,830 --> 00:32:55,500  
you know these things are guarded as far

852  
00:32:59,990 --> 00:32:57,840  
as we can tell everything is guarded and

853  
00:33:02,570 --> 00:33:00,000  
locked up from all the places that you

854  
00:33:04,909 --> 00:33:02,580  
could possibly conspicuously enter these

855  
00:33:06,950 --> 00:33:04,919  
tunnels so I think most of the entrances

856  
00:33:07,789 --> 00:33:06,960  
are probably underground here too and

857  
00:33:09,889 --> 00:33:07,799  
that's

858  
00:33:11,450 --> 00:33:09,899  
that leads you straight to dugway if I

859  
00:33:12,769 --> 00:33:11,460  
you know if you go by process of

860  
00:33:15,470 --> 00:33:12,779  
elimination like you got some

861  
00:33:17,389 --> 00:33:15,480  
underground tunnels buried in this area

862  
00:33:19,370 --> 00:33:17,399  
use for military stuff you know they're

863  
00:33:21,529 --> 00:33:19,380

going to go the duck way and we've all

864

00:33:23,690 --> 00:33:21,539

heard the stories about them having

865

00:33:25,850 --> 00:33:23,700

possibly an underground base there which

866

00:33:27,409 --> 00:33:25,860

at this point I would not be surprised

867

00:33:28,250 --> 00:33:27,419

um I would bet my life on the fact that

868

00:33:30,710 --> 00:33:28,260

there's

869

00:33:32,870 --> 00:33:30,720

a lot of secret stuff going on there so

870

00:33:35,330 --> 00:33:32,880

I'm starting to think maybe dugway's in

871

00:33:36,409 --> 00:33:35,340

the area 51 too man because I I didn't

872

00:33:39,169 --> 00:33:36,419

think that at first when I started

873

00:33:41,389 --> 00:33:39,179

researching but you know uh Alien Dave's

874

00:33:43,130 --> 00:33:41,399

a good one he's his stories are really

875

00:33:45,350 --> 00:33:43,140

interesting from over there and uh

876

00:33:47,990 --> 00:33:45,360

there's there's a lot that goes on and I

877

00:33:49,549 --> 00:33:48,000

think more work needs to be done to put

878

00:33:50,990 --> 00:33:49,559

all this stuff together because it's a

879

00:33:53,269 --> 00:33:51,000

really interesting story as far as an

880

00:33:54,830 --> 00:33:53,279

investigation goes but at the same time

881

00:33:56,269 --> 00:33:54,840

there's some good Bitcoins from all this

882

00:33:57,710 --> 00:33:56,279

because you know these kind of

883

00:33:59,990 --> 00:33:57,720

technologies that are being researched

884

00:34:02,029 --> 00:34:00,000

and possibly used need to be shared with

885

00:34:04,370 --> 00:34:02,039

us as a community as as a human

886

00:34:05,389 --> 00:34:04,380

population like you know there's tons of

887

00:34:07,070 --> 00:34:05,399

lies that could have been saved

888

00:34:08,810 --> 00:34:07,080

throughout probably from all these

889

00:34:10,669 --> 00:34:08,820

technologies that are behaved from us so

890

00:34:12,770 --> 00:34:10,679

hopefully with all the the push that's

891

00:34:15,230 --> 00:34:12,780

going on in the media and the news and

892

00:34:16,669 --> 00:34:15,240

in politics and with the culture with

893

00:34:19,430 --> 00:34:16,679

the way we're viewing things I'm hoping

894

00:34:21,710 --> 00:34:19,440

all this kind of coalesces into like a

895

00:34:24,409 --> 00:34:21,720

force that we can use at this right time

896

00:34:27,349 --> 00:34:24,419

to be able to do investigations like

897

00:34:29,930 --> 00:34:27,359

this and not have it be stigmatized

898

00:34:31,609 --> 00:34:29,940

criticized or have yourself killed like

899

00:34:33,470 --> 00:34:31,619

people have in the past I hate to say it

900

00:34:34,909 --> 00:34:33,480

but it's true like there's a lot of

901  
00:34:36,589 --> 00:34:34,919  
really crazy stuff that happens when

902  
00:34:38,210 --> 00:34:36,599  
people start talking about these kinds

903  
00:34:39,409 --> 00:34:38,220  
of things in the wrong way in the wrong

904  
00:34:42,889 --> 00:34:39,419  
proximity to certain government

905  
00:34:44,450 --> 00:34:42,899  
organizations and such so that's where I

906  
00:34:46,849 --> 00:34:44,460  
get a little nervous and I just want to

907  
00:34:49,909 --> 00:34:46,859  
say again for the record Doug way if you

908  
00:34:52,310 --> 00:34:49,919  
guys ever hear this please please don't

909  
00:34:55,490 --> 00:34:52,320  
try to come after me I just am a guy

910  
00:34:57,290 --> 00:34:55,500  
that saw some stuff and I I do not I

911  
00:34:58,849 --> 00:34:57,300  
don't want to be persecuted for it I

912  
00:35:02,150 --> 00:34:58,859  
just want to know what was going on if

913  
00:35:04,190 --> 00:35:02,160

you guys can just tell me that's cool if

914

00:35:05,750 --> 00:35:04,200

not please don't send me to prison for

915

00:35:08,750 --> 00:35:05,760

this

916

00:35:11,150 --> 00:35:08,760

yeah it's interesting how dugway I'm

917

00:35:13,849 --> 00:35:11,160

glad that you mentioned you mentioned

918

00:35:15,589 --> 00:35:13,859

Doug way because you're right uh Alien

919

00:35:17,690 --> 00:35:15,599

Dave Rosenfeld that's been out there

920

00:35:20,630 --> 00:35:17,700

quite a bit and as you mentioned he has

921

00:35:22,250 --> 00:35:20,640

had people visit him and and say you

922

00:35:25,630 --> 00:35:22,260

know can you please take these photos

923

00:35:28,730 --> 00:35:25,640

down off of you know your website Etc

924

00:35:30,589 --> 00:35:28,740

and you know as I'm sure you know the

925

00:35:33,650 --> 00:35:30,599

intelligence Community sees Utah Valley

926

00:35:36,470 --> 00:35:33,660

and Salt Lake City is perfect places to

927

00:35:38,810 --> 00:35:36,480

harvest for new agents for the CIA and

928

00:35:41,750 --> 00:35:38,820

other intelligence organizations

929

00:35:42,829 --> 00:35:41,760

yeah that's what I've heard huh yeah and

930

00:35:48,770 --> 00:35:42,839

you've

931

00:35:51,770 --> 00:35:48,780

important which is you know as far as

932

00:35:54,410 --> 00:35:51,780

these felt bladed silent helicopters

933

00:35:57,609 --> 00:35:54,420

such as the ones purportedly used in the

934

00:36:01,430 --> 00:35:57,619

Osama Bin Laden raid they are very real

935

00:36:04,250 --> 00:36:01,440

yeah allegedly and I've been told they

936

00:36:07,430 --> 00:36:04,260

they're used more than most of us would

937

00:36:09,109 --> 00:36:07,440

imagine and getting back to your uh

938

00:36:12,349 --> 00:36:09,119

experience

939

00:36:16,069 --> 00:36:12,359

do you think it was related to some of

940

00:36:18,290 --> 00:36:16,079

these possible tunnels in the mountain

941

00:36:20,510 --> 00:36:18,300

and if so how

942

00:36:22,010 --> 00:36:20,520

yeah yeah most definitely

943

00:36:23,630 --> 00:36:22,020

um sorry there's a lot that's that's

944

00:36:24,470 --> 00:36:23,640

going on in my head while explaining

945

00:36:26,750 --> 00:36:24,480

this

946

00:36:28,730 --> 00:36:26,760

um so if I'm not very clear linking the

947

00:36:33,230 --> 00:36:28,740

thoughts I apologize but

948

00:36:35,390 --> 00:36:33,240

yeah I do think so like when those

949

00:36:37,069 --> 00:36:35,400

helicopters first hit the mountain and

950

00:36:38,569 --> 00:36:37,079

whatever was dropped out of the bottom

951  
00:36:40,190 --> 00:36:38,579  
of that thing was dropped out of the

952  
00:36:42,530 --> 00:36:40,200  
bottom of that thing it had to have gone

953  
00:36:45,470 --> 00:36:42,540  
somewhere or it replaced something else

954  
00:36:47,150 --> 00:36:45,480  
so one went down another one came up I

955  
00:36:48,829 --> 00:36:47,160  
don't know if it was the same one or it

956  
00:36:51,050 --> 00:36:48,839  
was a separate object but either way

957  
00:36:53,210 --> 00:36:51,060  
something was lowered there

958  
00:36:55,849 --> 00:36:53,220  
so I don't know what kind of device it

959  
00:36:57,109 --> 00:36:55,859  
was I it's it's hard to tell but and I

960  
00:36:59,089 --> 00:36:57,119  
haven't really done a lot of thought

961  
00:37:00,470 --> 00:36:59,099  
about that part of it either because the

962  
00:37:02,510 --> 00:37:00,480  
whole you know

963  
00:37:04,310 --> 00:37:02,520

the whole idea of all of it you know the

964

00:37:06,050 --> 00:37:04,320

the UFO itself kind of takes over

965

00:37:07,870 --> 00:37:06,060

everything but there's a lot of stuff

966

00:37:10,790 --> 00:37:07,880

that happened there that I even myself

967

00:37:12,349 --> 00:37:10,800

sometimes glance over but this ball this

968

00:37:14,089 --> 00:37:12,359

device I don't know man it had to have

969

00:37:16,790 --> 00:37:14,099

gone somewhere down

970

00:37:19,310 --> 00:37:16,800

into the canyon like and if you look at

971

00:37:21,770 --> 00:37:19,320

it from Google Earth the terrain there

972

00:37:23,089 --> 00:37:21,780

kind of dips down until I'd say like a

973

00:37:24,829 --> 00:37:23,099

diamond desk

974

00:37:28,730 --> 00:37:24,839

uh Canyon

975

00:37:30,650 --> 00:37:28,740

and so I I don't know specifically where

976  
00:37:32,510 --> 00:37:30,660  
exactly that was dropped I could I can

977  
00:37:34,790 --> 00:37:32,520  
see it from this PD perspective but on

978  
00:37:38,210 --> 00:37:34,800  
Google Earth it looks like that area is

979  
00:37:41,810 --> 00:37:38,220  
most behind the the first Peak is mostly

980  
00:37:44,270 --> 00:37:41,820  
uh mostly what looks to be saddlebacks

981  
00:37:47,450 --> 00:37:44,280  
and so it leads me to believe that

982  
00:37:49,130 --> 00:37:47,460  
somewhere in those that Greenery and

983  
00:37:51,410 --> 00:37:49,140  
those Meadows that are up there they

984  
00:37:53,030 --> 00:37:51,420  
dropped that thing or it replaced

985  
00:37:54,530 --> 00:37:53,040  
something else but I don't know what

986  
00:37:56,510 --> 00:37:54,540  
that was about I do know it was

987  
00:37:58,310 --> 00:37:56,520  
connected to the mountain in some way

988  
00:38:01,730 --> 00:37:58,320

because it doesn't for me it doesn't

989

00:38:04,010 --> 00:38:01,740

make sense for them to have a Proving

990

00:38:07,130 --> 00:38:04,020

Ground that's the size of Rhode Island

991

00:38:08,569 --> 00:38:07,140

out here as a base all the space all

992

00:38:09,770 --> 00:38:08,579

this air space if they're if they're

993

00:38:11,150 --> 00:38:09,780

testing secret weapons if they're

994

00:38:15,410 --> 00:38:11,160

testing technology we don't know about

995

00:38:18,589 --> 00:38:15,420

for them to then parade a line of

996

00:38:20,450 --> 00:38:18,599

helicopters across this huge City on top

997

00:38:23,690 --> 00:38:20,460

of the biggest mountain in the city and

998

00:38:25,310 --> 00:38:23,700

then you know have this gigantic freaky

999

00:38:27,230 --> 00:38:25,320

looking barbell sitting over the

1000

00:38:30,050 --> 00:38:27,240

mountain peak like it makes absolutely

1001  
00:38:31,609 --> 00:38:30,060  
no sense from an operational like

1002  
00:38:33,530 --> 00:38:31,619  
security perspective or like an

1003  
00:38:36,410 --> 00:38:33,540  
intelligence perspective or a Black Ops

1004  
00:38:38,510 --> 00:38:36,420  
perspective it to me almost it seems

1005  
00:38:40,010 --> 00:38:38,520  
like a psyop kind of thing but nobody's

1006  
00:38:42,349 --> 00:38:40,020  
talked about it and that's that's what's

1007  
00:38:44,630 --> 00:38:42,359  
weird to me is it's it was presented

1008  
00:38:46,609 --> 00:38:44,640  
like hey look at this because

1009  
00:38:48,109 --> 00:38:46,619  
whatever happened up there they were

1010  
00:38:50,210 --> 00:38:48,119  
definitely not trying to keep it secret

1011  
00:38:51,890 --> 00:38:50,220  
so that leads me to believe it's some

1012  
00:38:53,329 --> 00:38:51,900  
kind of Psy off and if it's a psyop and

1013  
00:38:55,670 --> 00:38:53,339

you guys need to tell us more because

1014

00:38:58,370 --> 00:38:55,680

this is broad daylight stuff and it's

1015

00:39:00,410 --> 00:38:58,380

somehow related to these mountains and I

1016

00:39:02,569 --> 00:39:00,420

it maybe could have been a projection

1017

00:39:04,670 --> 00:39:02,579

technology too like I said I don't know

1018

00:39:07,490 --> 00:39:04,680

anything I'm just going by what about

1019

00:39:08,690 --> 00:39:07,500

I've observed and you know it could be a

1020

00:39:11,030 --> 00:39:08,700

lot of different kind of Technologies

1021

00:39:14,150 --> 00:39:11,040

but whatever they're doing they're using

1022

00:39:16,250 --> 00:39:14,160

that area behind the Peaks and I've done

1023

00:39:18,410 --> 00:39:16,260

my best over the last

1024

00:39:19,849 --> 00:39:18,420

a month and a half since the weather's

1025

00:39:21,109 --> 00:39:19,859

been better and the snow has been melted

1026

00:39:23,810 --> 00:39:21,119

to get up there

1027

00:39:25,790 --> 00:39:23,820

this year and actually start looking at

1028

00:39:28,550 --> 00:39:25,800

the area and observing what's going on

1029

00:39:30,230 --> 00:39:28,560

in the area because I'm sure at this

1030

00:39:32,930 --> 00:39:30,240

point there's got to be tunnels that run

1031

00:39:35,089 --> 00:39:32,940

either under that mountain or up into it

1032

00:39:36,710 --> 00:39:35,099

and I think there might actually you

1033

00:39:38,329 --> 00:39:36,720

know this is just a thought Theory but

1034

00:39:40,790 --> 00:39:38,339

there might actually be something inside

1035

00:39:43,490 --> 00:39:40,800

the mountain there and

1036

00:39:45,470 --> 00:39:43,500

we'll see I guess I'm gonna do my best

1037

00:39:48,230 --> 00:39:45,480

to get up there I've observed from

1038

00:39:52,609 --> 00:39:48,240

Ferguson Canyon which is a canyon that

1039

00:39:54,530 --> 00:39:52,619

looks onto Olympus uh from the south and

1040

00:39:55,849 --> 00:39:54,540

so I've taken quite a few I can send you

1041

00:39:57,530 --> 00:39:55,859

the pictures too I've taken quite a few

1042

00:40:00,589 --> 00:39:57,540

pictures and gone to Google Earth and

1043

00:40:03,050 --> 00:40:00,599

done my best to get an idea and a gauge

1044

00:40:04,730 --> 00:40:03,060

of what that area is like there's lots

1045

00:40:06,290 --> 00:40:04,740

of people from all trails and online

1046

00:40:08,690 --> 00:40:06,300

have different pictures of the area

1047

00:40:11,510 --> 00:40:08,700

which is strange because it gets

1048

00:40:13,190 --> 00:40:11,520

explored a lot so you know if there was

1049

00:40:15,050 --> 00:40:13,200

something secret going up there as well

1050

00:40:16,010 --> 00:40:15,060

like going on up there as well people

1051

00:40:17,510 --> 00:40:16,020

will

1052

00:40:20,329 --> 00:40:17,520

probably would have seen something

1053

00:40:22,490 --> 00:40:20,339

because there's 30 or 40 hikers that

1054

00:40:24,410 --> 00:40:22,500

Summit that mountain every day when the

1055

00:40:25,910 --> 00:40:24,420

weather is good so I can't imagine that

1056

00:40:27,829 --> 00:40:25,920

you know the military is going to set up

1057

00:40:30,530 --> 00:40:27,839

some secret entrance to a base on top of

1058

00:40:32,089 --> 00:40:30,540

the mountain right there either so when

1059

00:40:33,829 --> 00:40:32,099

you think about it I'm trying to be I'm

1060

00:40:35,329 --> 00:40:33,839

trying to be smart about it because a

1061

00:40:37,069 --> 00:40:35,339

lot of it if you just take it up front

1062

00:40:39,170 --> 00:40:37,079

doesn't make a lot of sense unless it's

1063

00:40:42,170 --> 00:40:39,180

something that they want it to be seen

1064

00:40:44,750 --> 00:40:42,180

but I don't know man at this point I'm

1065

00:40:47,810 --> 00:40:44,760

blown away either way I'm just hoping

1066

00:40:49,670 --> 00:40:47,820

that between what I'm doing here and

1067

00:40:51,589 --> 00:40:49,680

maybe getting this out and having

1068

00:40:53,150 --> 00:40:51,599

people's ears hear it and you know

1069

00:40:54,650 --> 00:40:53,160

networked it out there that maybe we can

1070

00:40:57,589 --> 00:40:54,660

get some more information and some more

1071

00:40:59,030 --> 00:40:57,599

data because the experiences that I me

1072

00:41:00,710 --> 00:40:59,040

and my mother in our neighbor her

1073

00:41:02,390 --> 00:41:00,720

neighbor had were just absolutely

1074

00:41:03,950 --> 00:41:02,400

unbelievable man and I just kind of want

1075

00:41:05,990 --> 00:41:03,960

some answers at this point because it's

1076

00:41:07,849 --> 00:41:06,000

it's been a long process it's it's been

1077

00:41:09,470 --> 00:41:07,859

kind of traumatic in a lot of ways man

1078

00:41:10,490 --> 00:41:09,480

when we saw that stuff I didn't sleep

1079

00:41:16,849 --> 00:41:10,500

for

1080

00:41:18,470 --> 00:41:16,859

was two weeks after that like on and off

1081

00:41:20,750 --> 00:41:18,480

she couldn't sleep at night she kept

1082

00:41:22,310 --> 00:41:20,760

telling me weird stuff like she was

1083

00:41:24,349 --> 00:41:22,320

seeing kids that didn't look like kids

1084

00:41:27,470 --> 00:41:24,359

outside of her window at night

1085

00:41:29,750 --> 00:41:27,480

all kinds of craziness man and I that

1086

00:41:31,370 --> 00:41:29,760

part even I was like yeah Mom you're

1087

00:41:33,890 --> 00:41:31,380

probably just sleep deprived you know

1088

00:41:36,170 --> 00:41:33,900

but at the same time that's really weird

1089

00:41:37,310 --> 00:41:36,180

like in the month after this happened we

1090

00:41:39,650 --> 00:41:37,320

were having like

1091

00:41:40,970 --> 00:41:39,660

red lights like I don't know how to

1092

00:41:43,310 --> 00:41:40,980

explain this like

1093

00:41:46,250 --> 00:41:43,320

like red lights in our rooms

1094

00:41:48,589 --> 00:41:46,260

so I'd call her and she'd have a red

1095

00:41:50,089 --> 00:41:48,599

light in her room at night like floating

1096

00:41:51,589 --> 00:41:50,099

around in her room and I had the same

1097

00:41:53,170 --> 00:41:51,599

thing happen where I'd wake up a couple

1098

00:41:55,370 --> 00:41:53,180

of nights and there'd be this red

1099

00:41:56,990 --> 00:41:55,380

squishy ball looking thing floating

1100

00:41:58,430 --> 00:41:57,000

around my room and I

1101

00:42:00,410 --> 00:41:58,440

I can't tell you what it is I searched

1102

00:42:02,150 --> 00:42:00,420

my whole house and there was nothing

1103

00:42:04,069 --> 00:42:02,160

there every time there was no one in the

1104

00:42:06,109 --> 00:42:04,079

house it's just a weird paranormal

1105

00:42:07,609 --> 00:42:06,119

phenomena that surrounded this incident

1106

00:42:11,270 --> 00:42:07,619

and I don't know if

1107

00:42:14,569 --> 00:42:11,280

you know any of it had to do somehow

1108

00:42:16,849 --> 00:42:14,579

with observing that thing but every time

1109

00:42:18,710 --> 00:42:16,859

I've had every time I've had an

1110

00:42:20,990 --> 00:42:18,720

experience of one of these

1111

00:42:22,810 --> 00:42:21,000

UFOs uaps or whatever you want to call

1112

00:42:26,150 --> 00:42:22,820

them there's always

1113

00:42:28,069 --> 00:42:26,160

strangeness that follows around it like

1114

00:42:29,450 --> 00:42:28,079

things are always strange around it and

1115

00:42:32,329 --> 00:42:29,460

I don't know

1116

00:42:35,030 --> 00:42:32,339

if that's you know a localized effect

1117

00:42:38,930 --> 00:42:35,040

that has something to do with perception

1118

00:42:42,770 --> 00:42:38,940

or what it is but there was a lot of

1119

00:42:45,349 --> 00:42:42,780

sensory uh inundation that was going on

1120

00:42:47,630 --> 00:42:45,359

in all of these experiences as well so

1121

00:42:49,790 --> 00:42:47,640

like you know you'd have like these

1122

00:42:51,710 --> 00:42:49,800

orange clouds you'd have you'd have what

1123

00:42:53,270 --> 00:42:51,720

look to be like chaff and the periphery

1124

00:42:54,109 --> 00:42:53,280

of your vision when you'd see this thing

1125

00:42:55,910 --> 00:42:54,119

like

1126  
00:42:57,770 --> 00:42:55,920  
and that happened both times as well

1127  
00:42:59,390 --> 00:42:57,780  
like so I don't I don't really know if

1128  
00:43:01,730 --> 00:42:59,400  
that's a personal thing for me or if

1129  
00:43:04,069 --> 00:43:01,740  
it's something that's

1130  
00:43:05,750 --> 00:43:04,079  
taken from observing whatever you're

1131  
00:43:07,130 --> 00:43:05,760  
observing but I know there's got to be

1132  
00:43:09,170 --> 00:43:07,140  
other people that have felt these things

1133  
00:43:10,309 --> 00:43:09,180  
too and that's why I'm interested to see

1134  
00:43:12,470 --> 00:43:10,319  
because

1135  
00:43:15,290 --> 00:43:12,480  
my experience it was like a it was a

1136  
00:43:16,609 --> 00:43:15,300  
full body thing and if that happened to

1137  
00:43:18,230 --> 00:43:16,619  
me it happened to the other people that

1138  
00:43:20,569 --> 00:43:18,240

saw it so if there's any listeners from

1139

00:43:22,670 --> 00:43:20,579

Salt Lake you guys please call in like

1140

00:43:25,010 --> 00:43:22,680

if you you or anyone you know has any

1141

00:43:27,710 --> 00:43:25,020

ever talked about this please say

1142

00:43:29,270 --> 00:43:27,720

something I I can put my on social media

1143

00:43:31,670 --> 00:43:29,280

but I can give you guys my email you

1144

00:43:33,109 --> 00:43:31,680

guys can email me like I just I want to

1145

00:43:35,390 --> 00:43:33,119

get something going with this because I

1146

00:43:37,609 --> 00:43:35,400

feel like uh we can get some answers or

1147

00:43:39,829 --> 00:43:37,619

at least get the base to talk about it

1148

00:43:42,050 --> 00:43:39,839

it'll make me feel a lot better about

1149

00:43:43,970 --> 00:43:42,060

the whole situation that in a sense

1150

00:43:46,490 --> 00:43:43,980

needs some closure if that makes any

1151  
00:43:48,650 --> 00:43:46,500  
sense yeah like to this whole thing just

1152  
00:43:50,690 --> 00:43:48,660  
yeah it's it's been quite crazy it's

1153  
00:43:52,790 --> 00:43:50,700  
been a it's been a roller coaster

1154  
00:43:54,050 --> 00:43:52,800  
um so yeah I'm just I'm just hoping I

1155  
00:43:57,050 --> 00:43:54,060  
can get up there and do you know the

1156  
00:44:00,290 --> 00:43:57,060  
most investigation I can I'm gonna this

1157  
00:44:01,309 --> 00:44:00,300  
weekend probably Saturday or Sunday

1158  
00:44:01,990 --> 00:44:01,319  
I shouldn't have said that on the

1159  
00:44:05,630 --> 00:44:02,000  
podcast

1160  
00:44:07,849 --> 00:44:05,640  
I'm gonna go up there and uh see what I

1161  
00:44:09,410 --> 00:44:07,859  
can do about just checking out the area

1162  
00:44:12,290 --> 00:44:09,420  
I'm gonna hike to the summit I'm going

1163  
00:44:14,089 --> 00:44:12,300

to go to the Saddleback uh behind it and

1164

00:44:15,950 --> 00:44:14,099

see what's going on back there and see

1165

00:44:18,349 --> 00:44:15,960

if I see any weirdness I'd like to get

1166

00:44:21,230 --> 00:44:18,359

some equipment up there but that's

1167

00:44:23,390 --> 00:44:21,240

something that has to be planned out

1168

00:44:24,950 --> 00:44:23,400

but there's there's so many options man

1169

00:44:26,930 --> 00:44:24,960

and there's so much weirdness that goes

1170

00:44:28,550 --> 00:44:26,940

on in all these mountains so I'm just

1171

00:44:30,109 --> 00:44:28,560

going to continue this if this if

1172

00:44:32,990 --> 00:44:30,119

there's anyone out there that has seen

1173

00:44:34,849 --> 00:44:33,000

this stuff let let Ryan or me know and

1174

00:44:36,890 --> 00:44:34,859

I'd love to just you know get some

1175

00:44:38,390 --> 00:44:36,900

investigations going you get up there

1176  
00:44:39,650 --> 00:44:38,400  
and actually maybe find some answers to

1177  
00:44:41,270 --> 00:44:39,660  
this stuff because people aren't talking

1178  
00:44:45,170 --> 00:44:41,280  
and they need to talk

1179  
00:44:47,690 --> 00:44:45,180  
no man and it does seem as if

1180  
00:44:50,030 --> 00:44:47,700  
a lot of these things are hidden in

1181  
00:44:53,510 --> 00:44:50,040  
plain sight I'm glad you mentioned uh

1182  
00:44:56,930 --> 00:44:53,520  
Stephen Greer because and ce5 because

1183  
00:44:59,030 --> 00:44:56,940  
you know there is a ton going on with

1184  
00:45:00,710 --> 00:44:59,040  
him as well we have of course NASA

1185  
00:45:03,050 --> 00:45:00,720  
coming out as you said

1186  
00:45:05,150 --> 00:45:03,060  
with uh never a straight answer and then

1187  
00:45:07,370 --> 00:45:05,160  
we have

1188  
00:45:10,370 --> 00:45:07,380

um Stephen Greer the founder of the

1189

00:45:14,210 --> 00:45:10,380

disclosure project and he's coming out

1190

00:45:15,589 --> 00:45:14,220

with all kinds of supposedly purportedly

1191

00:45:17,930 --> 00:45:15,599

uh

1192

00:45:21,470 --> 00:45:17,940

amazing unacknowledged black budget

1193

00:45:22,849 --> 00:45:21,480

projects and whistleblowers who have

1194

00:45:25,190 --> 00:45:22,859

been granted

1195

00:45:27,530 --> 00:45:25,200

that ability to whistle blow and not

1196

00:45:29,870 --> 00:45:27,540

deal with the repercussions supposedly

1197

00:45:32,030 --> 00:45:29,880

and I know a few of those whistleblowers

1198

00:45:34,550 --> 00:45:32,040

but the stuff they're talking about is

1199

00:45:36,950 --> 00:45:34,560

crazy and like you're saying it's it's

1200

00:45:39,530 --> 00:45:36,960

pretty compelling like the stuff that

1201

00:45:41,569 --> 00:45:39,540

they claim is taking place in broad

1202

00:45:43,550 --> 00:45:41,579

daylight and to be completely honest

1203

00:45:45,470 --> 00:45:43,560

with you this stuff happens and the

1204

00:45:48,650 --> 00:45:45,480

majority of the population does nothing

1205

00:45:50,990 --> 00:45:48,660

about it Josh the most interesting thing

1206

00:45:51,950 --> 00:45:51,000

happened to me about a year and a half

1207

00:45:54,710 --> 00:45:51,960

ago

1208

00:45:58,670 --> 00:45:54,720

and my neighbor across the street saw it

1209

00:46:00,650 --> 00:45:58,680

and she's a nurse and basically you know

1210

00:46:02,210 --> 00:46:00,660

after we saw it she said oh that was

1211

00:46:04,030 --> 00:46:02,220

interesting and she went in her house I

1212

00:46:06,290 --> 00:46:04,040

was like wait a minute

1213

00:46:08,990 --> 00:46:06,300

you know it was

1214

00:46:12,589 --> 00:46:09,000

and it again was something hanging from

1215

00:46:17,210 --> 00:46:12,599

a helicopter it looked very similar to a

1216

00:46:19,790 --> 00:46:17,220

black ball emitting purple smoke and you

1217

00:46:22,130 --> 00:46:19,800

know it was huge it was like the size of

1218

00:46:23,990 --> 00:46:22,140

a small smart car and it looked like one

1219

00:46:25,730 --> 00:46:24,000

of those things you give like a you know

1220

00:46:28,670 --> 00:46:25,740

like kids on the fourth of July those

1221

00:46:32,329 --> 00:46:28,680

smoke bombs but getting back to getting

1222

00:46:33,950 --> 00:46:32,339

back to these tunnels and the

1223

00:46:37,190 --> 00:46:33,960

possibility of these tunnels being

1224

00:46:39,770 --> 00:46:37,200

involved Ferguson Canyon by the way very

1225

00:46:42,530 --> 00:46:39,780

interesting place I had

1226

00:46:45,710 --> 00:46:42,540

um it's for people that have not been

1227

00:46:47,390 --> 00:46:45,720

there right it's got a Vibe all its own

1228

00:46:48,829 --> 00:46:47,400

I've always been drawn to that Canyon

1229

00:46:51,050 --> 00:46:48,839

man I don't know what it is and that's

1230

00:46:53,210 --> 00:46:51,060

another weird aspect of this whole thing

1231

00:46:54,710 --> 00:46:53,220

at least for me personally is I've ever

1232

00:46:56,270 --> 00:46:54,720

since we used to so we used to go up

1233

00:46:57,710 --> 00:46:56,280

there I grew up here my whole life and I

1234

00:46:59,510 --> 00:46:57,720

used to go up there as kids kids go up

1235

00:47:00,589 --> 00:46:59,520

there and they get stoned well the kids

1236

00:47:03,109 --> 00:47:00,599

go up there and they get high that's

1237

00:47:05,750 --> 00:47:03,119

what they do uh and I we used to go up

1238

00:47:07,670 --> 00:47:05,760

when I was you know 14 15 16 and we'd go

1239

00:47:10,970 --> 00:47:07,680

go up there and smoke weed like

1240

00:47:14,270 --> 00:47:10,980

teenagers and uh I ever since I started

1241

00:47:16,190 --> 00:47:14,280

there dude I just could never stop going

1242

00:47:18,290 --> 00:47:16,200

there or being drawn to it and it's the

1243

00:47:20,630 --> 00:47:18,300

geology of that Canyon specifically as

1244

00:47:22,370 --> 00:47:20,640

opposed to others just in the direct you

1245

00:47:23,390 --> 00:47:22,380

know localized area is it's a little

1246

00:47:25,910 --> 00:47:23,400

different

1247

00:47:27,950 --> 00:47:25,920

um just just the way that it's I guess

1248

00:47:29,690 --> 00:47:27,960

the crust has come up there the way the

1249

00:47:30,650 --> 00:47:29,700

you know the sand is eroded off the tops

1250

00:47:32,809 --> 00:47:30,660

of The Fountains because you have a mix

1251  
00:47:35,390 --> 00:47:32,819  
of like sandstone and granite there in a

1252  
00:47:38,150 --> 00:47:35,400  
strange mix and you've got the stream

1253  
00:47:40,730 --> 00:47:38,160  
from the runoff coming down especially

1254  
00:47:44,089 --> 00:47:40,740  
right now and massive quantities down

1255  
00:47:46,550 --> 00:47:44,099  
the canyon which just it just makes for

1256  
00:47:48,589 --> 00:47:46,560  
this weird energy in the area and it's

1257  
00:47:50,870 --> 00:47:48,599  
it's hard to explain unless you go down

1258  
00:47:51,950 --> 00:47:50,880  
there but it feels great and at the

1259  
00:47:53,809 --> 00:47:51,960  
moment

1260  
00:47:55,370 --> 00:47:53,819  
there is so much quartz coming out of

1261  
00:47:56,870 --> 00:47:55,380  
there like the runoff stream right now

1262  
00:47:58,910 --> 00:47:56,880  
because we've had so much precipitation

1263  
00:48:01,069 --> 00:47:58,920

and so much snow this last morning the

1264

00:48:02,690 --> 00:48:01,079

stream itself is just shooting like a

1265

00:48:04,130 --> 00:48:02,700

rocket man you can put your hands

1266

00:48:07,370 --> 00:48:04,140

straight into the stream there what's on

1267

00:48:09,290 --> 00:48:07,380

the street it's a river you can put your

1268

00:48:11,510 --> 00:48:09,300

hand in there and literally just pull

1269

00:48:15,650 --> 00:48:11,520

your hand down have courts sitting on

1270

00:48:17,750 --> 00:48:15,660

your hand like there's so much of it

1271

00:48:20,510 --> 00:48:17,760

yeah Ferguson's Ferguson's really great

1272

00:48:22,490 --> 00:48:20,520

with tunnel systems man I I've Heard

1273

00:48:25,790 --> 00:48:22,500

lots of stories about the ones downtown

1274

00:48:29,390 --> 00:48:25,800

I know they built tunnel systems under

1275

00:48:31,250 --> 00:48:29,400

the temple and two Banks I can't

1276

00:48:32,349 --> 00:48:31,260

remember exactly what year this was done

1277

00:48:35,270 --> 00:48:32,359

it was

1278

00:48:36,710 --> 00:48:35,280

1800s somewhere in late 1800s but all

1279

00:48:39,109 --> 00:48:36,720

these tunnels were dug and I think they

1280

00:48:41,569 --> 00:48:39,119

just continued those complexes because I

1281

00:48:43,130 --> 00:48:41,579

know lots of people I actually work with

1282

00:48:44,870 --> 00:48:43,140

one guy right now and I've known two

1283

00:48:47,450 --> 00:48:44,880

others in the past that have all gone

1284

00:48:49,609 --> 00:48:47,460

down there and done different kinds of

1285

00:48:51,710 --> 00:48:49,619

jobs Underground

1286

00:48:53,750 --> 00:48:51,720

downtown and there's so much

1287

00:48:56,329 --> 00:48:53,760

infrastructure down there it's insane I

1288

00:48:58,910 --> 00:48:56,339

used to live down

1289

00:49:02,809 --> 00:48:58,920

right across from the launch down there

1290

00:49:04,250 --> 00:49:02,819

the uh the Mason launch and it's

1291

00:49:06,589 --> 00:49:04,260

interesting because you walk down these

1292

00:49:09,650 --> 00:49:06,599

temple they're downtown and you can see

1293

00:49:10,849 --> 00:49:09,660

some of the the lock doors for some of

1294

00:49:12,470 --> 00:49:10,859

these tunnel entrances it's really

1295

00:49:15,530 --> 00:49:12,480

insane and they're they're everywhere

1296

00:49:16,790 --> 00:49:15,540

and they're obviously not accessible I

1297

00:49:18,470 --> 00:49:16,800

don't know if they're guarded in some

1298

00:49:21,710 --> 00:49:18,480

spots I've just heard stories of that

1299

00:49:25,069 --> 00:49:21,720

but I have heard stories of essentially

1300

00:49:27,530 --> 00:49:25,079

like giant command centers under the

1301

00:49:30,650 --> 00:49:27,540

temple in the tunnel uh the different

1302

00:49:32,690 --> 00:49:30,660

people that I know have seen and uh

1303

00:49:34,250 --> 00:49:32,700

witnessed under there I had a

1304

00:49:35,990 --> 00:49:34,260

friend that I've talked to that said

1305

00:49:37,849 --> 00:49:36,000

that he was headed to do some work down

1306

00:49:41,150 --> 00:49:37,859

there and walk through a hallway where

1307

00:49:42,589 --> 00:49:41,160

he sudden saw tons of monitors that what

1308

00:49:45,109 --> 00:49:42,599

seemed to be like lots of different

1309

00:49:46,609 --> 00:49:45,119

countries and places around the world uh

1310

00:49:48,230 --> 00:49:46,619

and what looked to be a command center

1311

00:49:49,849 --> 00:49:48,240

with a bunch of people manning these

1312

00:49:51,470 --> 00:49:49,859

computers and these monitors and he said

1313

00:49:53,150 --> 00:49:51,480

it was a few years before they had big

1314

00:49:55,010 --> 00:49:53,160

screens like that too which was really

1315

00:49:56,569 --> 00:49:55,020

strange to go in so that's just the

1316

00:50:01,370 --> 00:49:56,579

story it's just hearsay but there's

1317

00:50:04,550 --> 00:50:02,750

yeah I mean

1318

00:50:06,530 --> 00:50:04,560

I mean one white crows one thing two

1319

00:50:08,089 --> 00:50:06,540

white crows you know that's another but

1320

00:50:09,650 --> 00:50:08,099

we got like piles and piles of people

1321

00:50:11,630 --> 00:50:09,660

saying the same thing

1322

00:50:13,910 --> 00:50:11,640

it can't be for no reason there's always

1323

00:50:16,190 --> 00:50:13,920

got to be some chronic Les and that's

1324

00:50:18,230 --> 00:50:16,200

that's where I try to plug

1325

00:50:20,450 --> 00:50:18,240

yeah that is a little farther and be

1326

00:50:23,270 --> 00:50:20,460

like all right well what really is going

1327

00:50:26,030 --> 00:50:23,280

it's my backyard I love this place I

1328

00:50:28,250 --> 00:50:26,040

just want to make sure that there isn't

1329

00:50:30,349 --> 00:50:28,260

various sorry about pardon my language

1330

00:50:32,510 --> 00:50:30,359

but nefarious [h\_\_\h] going on in my

1331

00:50:35,390 --> 00:50:32,520

backyard we got another bag going on

1332

00:50:38,210 --> 00:50:35,400

we don't need like super government you

1333

00:50:39,890 --> 00:50:38,220

know secret Tech being exposed in front

1334

00:50:42,530 --> 00:50:39,900

of the mountains right here I mean God

1335

00:50:44,030 --> 00:50:42,540

if somebody's Grandma saw that be

1336

00:50:45,650 --> 00:50:44,040

surprised if she had a damn heart attack

1337

00:50:48,109 --> 00:50:45,660

on the spot man we

1338

00:50:49,790 --> 00:50:48,119

it's uh it's pretty insane so it's like

1339

00:50:51,890 --> 00:50:49,800

you know I want to do some research from

1340

00:50:54,049 --> 00:50:51,900

the Salt Lake and just see what's going

1341

00:50:57,109 --> 00:50:54,059

on here because there's so many secrets

1342

00:51:00,710 --> 00:50:57,119

the dugway itself I mean oh Dave Rosen

1343

00:51:02,690 --> 00:51:00,720

felt that's his last name right yeah

1344

00:51:04,609 --> 00:51:02,700

that's what I thought anyway

1345

00:51:06,770 --> 00:51:04,619

um yeah his stuff some of the stuff he's

1346

00:51:09,109 --> 00:51:06,780

seen man it's just absolutely insane

1347

00:51:12,650 --> 00:51:09,119

like the laser beam photos the Apache

1348

00:51:14,630 --> 00:51:12,660

the the Apache video I I show people

1349

00:51:15,710 --> 00:51:14,640

that video sometimes and they don't even

1350

00:51:17,030 --> 00:51:15,720

know what to think of it they're like

1351

00:51:19,309 --> 00:51:17,040

this is really the military doing this

1352

00:51:21,109 --> 00:51:19,319

I'm like apparently like the guy's out

1353

00:51:22,370 --> 00:51:21,119

at dugway they they do not joke around

1354

00:51:24,890 --> 00:51:22,380

and

1355

00:51:26,270 --> 00:51:24,900

play I've heard some of the stories

1356

00:51:27,890 --> 00:51:26,280

about them you know accidentally

1357

00:51:30,230 --> 00:51:27,900

releasing viruses and things like that

1358

00:51:31,970 --> 00:51:30,240

in the past that got into the news a few

1359

00:51:33,530 --> 00:51:31,980

years ago it just makes you wonder

1360

00:51:36,170 --> 00:51:33,540

sometimes it feels like a lot of the

1361

00:51:38,329 --> 00:51:36,180

stuff really is uh for our consumption

1362

00:51:40,190 --> 00:51:38,339

and especially stuff that's in broad

1363

00:51:42,470 --> 00:51:40,200

daylight in the middle of the day and

1364

00:51:44,030 --> 00:51:42,480

that's really no other sense besides the

1365

00:51:45,290 --> 00:51:44,040

fact that they they wanted somebody to

1366

00:51:47,210 --> 00:51:45,300

know and

1367

00:51:48,829 --> 00:51:47,220

I'm starting to wonder if maybe that was

1368

00:51:51,049 --> 00:51:48,839

just part of this disclosure drip they

1369

00:51:53,809 --> 00:51:51,059

were talking about you know maybe

1370

00:51:56,450 --> 00:51:53,819

I I don't think that this whole effort

1371

00:51:58,309 --> 00:51:56,460

as far as you know revealing uaps in

1372

00:52:02,990 --> 00:51:58,319

this UFO Tech to the public I don't

1373

00:52:05,510 --> 00:52:03,000

think it's a monolithic uh a monolithic

1374

00:52:07,370 --> 00:52:05,520

effort it's definitely not it may seem

1375

00:52:10,010 --> 00:52:07,380

like that up front but you know if

1376

00:52:12,049 --> 00:52:10,020

Stephen Greer I feel like people

1377

00:52:14,030 --> 00:52:12,059

see what they say about him but I feel

1378

00:52:16,190 --> 00:52:14,040

like the way he addresses the topic and

1379

00:52:18,230 --> 00:52:16,200

how he explains it is very realistic and

1380

00:52:19,609 --> 00:52:18,240

it makes a lot of sense that there's you

1381

00:52:21,530 --> 00:52:19,619

know different factions there's

1382

00:52:23,870 --> 00:52:21,540

different agendas there's different

1383

00:52:25,549 --> 00:52:23,880

people involved in getting this Tech out

1384

00:52:28,130 --> 00:52:25,559

and a lot of people think it's this

1385

00:52:29,930 --> 00:52:28,140

monolithic you know organization the

1386

00:52:32,569 --> 00:52:29,940

government that's doing all this and

1387

00:52:34,010 --> 00:52:32,579

it's it's really not it's there's a lot

1388

00:52:37,250 --> 00:52:34,020

of different people that want a lot of

1389

00:52:39,049 --> 00:52:37,260

different things and I'm just I'm really

1390

00:52:41,030 --> 00:52:39,059

excited I just I think the Paradigm is

1391

00:52:42,470 --> 00:52:41,040

changing I just want to kind of get

1392

00:52:45,049 --> 00:52:42,480

people talking about this kind of stuff

1393

00:52:46,549 --> 00:52:45,059

more and stop being so afraid to you

1394

00:52:47,990 --> 00:52:46,559

know say what you feel because there's a

1395

00:52:49,549 --> 00:52:48,000

lot of weird stuff that happens that is

1396

00:52:52,490 --> 00:52:49,559

real and you know about it I know about

1397

00:52:53,990 --> 00:52:52,500

it and I've seen studies and some of the

1398

00:52:56,150 --> 00:52:54,000

places I've read where they're saying

1399

00:52:57,410 --> 00:52:56,160

like one in 10 people have witnessed

1400

00:52:59,329 --> 00:52:57,420

things like this they just don't talk

1401  
00:53:00,849 --> 00:52:59,339  
about it that's a huge percentage of the

1402  
00:53:03,950 --> 00:53:00,859  
population man

1403  
00:53:05,990 --> 00:53:03,960  
it's a lot of people so at this point

1404  
00:53:08,210 --> 00:53:06,000  
you know like if we just talk about it

1405  
00:53:09,890 --> 00:53:08,220  
and kind of start getting the word out

1406  
00:53:11,690 --> 00:53:09,900  
there about these things I'm hoping that

1407  
00:53:14,510 --> 00:53:11,700  
more people will be comfortable because

1408  
00:53:16,069 --> 00:53:14,520  
people come to me now but it's still

1409  
00:53:17,569 --> 00:53:16,079  
pretty rarely it's more than it used to

1410  
00:53:19,069 --> 00:53:17,579  
be but I still get really cool stories

1411  
00:53:20,690 --> 00:53:19,079  
that people will tell me usually on a

1412  
00:53:23,809 --> 00:53:20,700  
weekly basis about something I've seen

1413  
00:53:25,250 --> 00:53:23,819

so I like being that person it's cool

1414

00:53:27,170 --> 00:53:25,260

like I you know I don't care if I get

1415

00:53:28,309 --> 00:53:27,180

labeled crazy it's cool being able to

1416

00:53:30,109 --> 00:53:28,319

hear these stories from people and

1417

00:53:31,790 --> 00:53:30,119

having people trust you with you know

1418

00:53:33,290 --> 00:53:31,800

know stuff

1419

00:53:36,589 --> 00:53:33,300

because essentially turned their lives

1420

00:53:38,390 --> 00:53:36,599

upside down so it's interesting and this

1421

00:53:40,730 --> 00:53:38,400

stuff this stuff does kind of have that

1422

00:53:42,530 --> 00:53:40,740

effect on people I remember a friend of

1423

00:53:45,890 --> 00:53:42,540

mine who started working for a company

1424

00:53:48,470 --> 00:53:45,900

named Osmos he was running cable for

1425

00:53:50,030 --> 00:53:48,480

miles and miles in some of these vaults

1426

00:53:52,370 --> 00:53:50,040

that you have talked about that are

1427

00:53:55,250 --> 00:53:52,380

connected to the church and he said

1428

00:53:57,470 --> 00:53:55,260

that he believed there was a bit more

1429

00:54:00,230 --> 00:53:57,480

going on as well just because it was

1430

00:54:03,770 --> 00:54:00,240

miles and miles in a golf cart inside of

1431

00:54:08,410 --> 00:54:03,780

a mountain and you've you've sent me

1432

00:54:10,750 --> 00:54:08,420

some very interesting and curiosity

1433

00:54:13,609 --> 00:54:10,760

inducing photos

1434

00:54:16,790 --> 00:54:13,619

addresses and locations where there

1435

00:54:19,370 --> 00:54:16,800

seemed to be entrances or possibly

1436

00:54:20,930 --> 00:54:19,380

underground facilities can we hit upon

1437

00:54:23,150 --> 00:54:20,940

that real quick

1438

00:54:25,309 --> 00:54:23,160

yeah

1439

00:54:28,910 --> 00:54:25,319

one thing that this is the this is a

1440

00:54:31,730 --> 00:54:28,920

preliminary thing I am in no way saying

1441

00:54:34,250 --> 00:54:31,740

that what I sent you yeah you know if

1442

00:54:36,470 --> 00:54:34,260

people see this I don't know what it is

1443

00:54:38,030 --> 00:54:36,480

either but this is from two hours of

1444

00:54:40,069 --> 00:54:38,040

observation that's awesome weird stuff

1445

00:54:41,690 --> 00:54:40,079

out there um the coordinates I sent you

1446

00:54:44,630 --> 00:54:41,700

were from the spot that you can observe

1447

00:54:47,150 --> 00:54:44,640

from Ferguson Canyon so if you look down

1448

00:54:48,530 --> 00:54:47,160

into big Cottonwood Canyon uh the

1449

00:54:51,890 --> 00:54:48,540

interest of big Cottonwood Canyon you

1450

00:54:53,270 --> 00:54:51,900

you go about 300 feet or yards down on

1451

00:54:56,089 --> 00:54:53,280

your left side there will be a water

1452

00:54:58,130 --> 00:54:56,099

treatment plant right past that to guard

1453

00:54:59,750 --> 00:54:58,140

shack uh for a private neighborhood I

1454

00:55:02,089 --> 00:54:59,760

believe it's called Castle View or

1455

00:55:03,290 --> 00:55:02,099

Castle Gate Drive I'm probably wrong

1456

00:55:05,990 --> 00:55:03,300

about that

1457

00:55:08,030 --> 00:55:06,000

but it winds up the mountain towards the

1458

00:55:09,829 --> 00:55:08,040

base of the mountain and has uh quite a

1459

00:55:11,210 --> 00:55:09,839

few let's say about a dozen houses up

1460

00:55:12,829 --> 00:55:11,220

there that have been built they're all

1461

00:55:15,890 --> 00:55:12,839

really strange looking they kind of seem

1462

00:55:18,049 --> 00:55:15,900

out of place uh very expensive houses

1463

00:55:19,549 --> 00:55:18,059

um interestingly enough there's a rogue

1464

00:55:21,589 --> 00:55:19,559

at the back of these houses in this

1465

00:55:23,270 --> 00:55:21,599

neighborhood so if you wind your way to

1466

00:55:24,950 --> 00:55:23,280

the back there's another smaller road

1467

00:55:25,670 --> 00:55:24,960

that leads off to the base of the

1468

00:55:27,470 --> 00:55:25,680

mountain

1469

00:55:30,589 --> 00:55:27,480

the picture I sent you was from Google

1470

00:55:33,470 --> 00:55:30,599

Google Earth or Google Maps and what's

1471

00:55:35,690 --> 00:55:33,480

interesting is if you look at this spot

1472

00:55:37,609 --> 00:55:35,700

it could just be a state you know it

1473

00:55:39,650 --> 00:55:37,619

could just be a state door it could be

1474

00:55:41,089 --> 00:55:39,660

leading off into something innocuous

1475

00:55:43,190 --> 00:55:41,099

which is probably the case but

1476

00:55:45,109 --> 00:55:43,200

considering what I've seen here in this

1477

00:55:47,089 --> 00:55:45,119

area and other investigations people

1478

00:55:48,770 --> 00:55:47,099

have done and all the here say you put

1479

00:55:50,510 --> 00:55:48,780

it all together there's got to be

1480

00:55:52,309 --> 00:55:50,520

entrances into this place somewhere so

1481

00:55:55,849 --> 00:55:52,319

I'd imagine this door might be one

1482

00:55:58,309 --> 00:55:55,859

anyway this door uh it's looking it

1483

00:56:00,650 --> 00:55:58,319

looks to be metal obviously it's got a

1484

00:56:02,030 --> 00:56:00,660

box next to it there's pipes coming out

1485

00:56:05,150 --> 00:56:02,040

of the uh

1486

00:56:07,030 --> 00:56:05,160

I guess out of the ground uh behind the

1487

00:56:09,890 --> 00:56:07,040

door so essentially it leads into a room

1488

00:56:11,630 --> 00:56:09,900

uh that has looked to be air ventilation

1489

00:56:13,069 --> 00:56:11,640

pipes coming out of it but the strange

1490

00:56:15,109 --> 00:56:13,079

thing that I really don't understand is

1491

00:56:18,230 --> 00:56:15,119

the road keeps going after you hit the

1492

00:56:21,290 --> 00:56:18,240

door and it curves up around onto the

1493

00:56:22,609 --> 00:56:21,300

roof of this uh room essentially that's

1494

00:56:25,370 --> 00:56:22,619

in the mountain

1495

00:56:27,170 --> 00:56:25,380

and it looks to be maybe not reinforced

1496

00:56:29,089 --> 00:56:27,180

but they've perished the land right

1497

00:56:31,309 --> 00:56:29,099

there around that curve so it looks like

1498

00:56:33,470 --> 00:56:31,319

it's meant to take weight like it needed

1499

00:56:35,569 --> 00:56:33,480

it needs to take away and I would guess

1500

00:56:37,190 --> 00:56:35,579

pretty frequently if they spent the

1501  
00:56:39,470 --> 00:56:37,200  
money to put you know a terrorist

1502  
00:56:41,569 --> 00:56:39,480  
retaining wall there so this is the

1503  
00:56:43,130 --> 00:56:41,579  
theory but I've seen guys pull up in

1504  
00:56:45,589 --> 00:56:43,140  
that truck talk to the box and walk in

1505  
00:56:47,569 --> 00:56:45,599  
so I'm wondering if maybe there's

1506  
00:56:48,950 --> 00:56:47,579  
something going on right there too as

1507  
00:56:50,210 --> 00:56:48,960  
maybe that's an entrance to one of these

1508  
00:56:52,250 --> 00:56:50,220  
things because

1509  
00:56:55,670 --> 00:56:52,260  
I mean strategically from the Strategic

1510  
00:56:57,710 --> 00:56:55,680  
perspective it's behind a locked gate

1511  
00:56:59,930 --> 00:56:57,720  
and a neighborhood at the back of the

1512  
00:57:02,270 --> 00:56:59,940  
neighborhood behind another locked door

1513  
00:57:03,829 --> 00:57:02,280

inside of a mountain that has had a

1514

00:57:07,010 --> 00:57:03,839

bunch of weird stuff happening on top of

1515

00:57:09,650 --> 00:57:07,020

it so I mean yeah I feel like it's a

1516

00:57:12,049 --> 00:57:09,660

good first it's a good first exploration

1517

00:57:13,730 --> 00:57:12,059

I'm that's the first thing I noticed I'm

1518

00:57:16,130 --> 00:57:13,740

gonna go farther up into the canyon this

1519

00:57:17,450 --> 00:57:16,140

week on our weekend and see what I can

1520

00:57:19,130 --> 00:57:17,460

find but yeah this is a very strange

1521

00:57:20,990 --> 00:57:19,140

find and I don't you know it could like

1522

00:57:23,450 --> 00:57:21,000

Occam's Razer it could probably just be

1523

00:57:25,790 --> 00:57:23,460

something innocuous but I need to

1524

00:57:27,530 --> 00:57:25,800

research I work seven days a week so I

1525

00:57:31,130 --> 00:57:27,540

haven't had much time and I need to

1526

00:57:32,990 --> 00:57:31,140

research that spot in that door

1527

00:57:35,390 --> 00:57:33,000

specifically because I couldn't find

1528

00:57:38,150 --> 00:57:35,400

after a 20 minute look on Google I

1529

00:57:40,490 --> 00:57:38,160

couldn't really find much information I

1530

00:57:43,010 --> 00:57:40,500

tried a few different VPN search engines

1531

00:57:45,470 --> 00:57:43,020

didn't find anything else so I I don't

1532

00:57:47,630 --> 00:57:45,480

know man there's one Google Street View

1533

00:57:49,670 --> 00:57:47,640

picture from that spot and it looks to

1534

00:57:52,190 --> 00:57:49,680

be from a few years ago and the roof of

1535

00:57:54,829 --> 00:57:52,200

this room is fenced off

1536

00:57:56,750 --> 00:57:54,839

so I don't know yeah man it might like

1537

00:57:59,270 --> 00:57:56,760

you said it's it's probable that it's

1538

00:58:00,890 --> 00:57:59,280

nothing but on the other hand I mean

1539

00:58:03,170 --> 00:58:00,900

anything could happen up there I'm not

1540

00:58:05,210 --> 00:58:03,180

really sure at this point I mean there's

1541

00:58:07,010 --> 00:58:05,220

there's some pretty cool stuff happening

1542

00:58:08,750 --> 00:58:07,020

and uh I'm gonna get a drone here pretty

1543

00:58:10,730 --> 00:58:08,760

soon hopefully I can get some footage uh

1544

00:58:12,829 --> 00:58:10,740

with that thing too because there's a

1545

00:58:14,990 --> 00:58:12,839

lot of really inaccessible territory up

1546

00:58:17,210 --> 00:58:15,000

there really inaccessible here's almost

1547

00:58:18,890 --> 00:58:17,220

a thousand feet uh the top of both these

1548

00:58:20,990 --> 00:58:18,900

mountains that's just inaccessible for

1549

00:58:24,290 --> 00:58:21,000

one or both sides so

1550

00:58:26,329 --> 00:58:24,300

you need some uh robotic gear for that

1551

00:58:28,309 --> 00:58:26,339

well as we wrap up here I definitely

1552

00:58:29,750 --> 00:58:28,319

want to talk to you again I love the

1553

00:58:32,270 --> 00:58:29,760

stuff you're doing I love how you're

1554

00:58:34,609 --> 00:58:32,280

always in these locations above the city

1555

00:58:37,849 --> 00:58:34,619

checking out what I consider very

1556

00:58:39,710 --> 00:58:37,859

magical mountain range the Wasatch and

1557

00:58:42,950 --> 00:58:39,720

lastly

1558

00:58:45,049 --> 00:58:42,960

as far as the Consciousness aspect and

1559

00:58:46,670 --> 00:58:45,059

you mentioned the Nimitz and how these

1560

00:58:50,569 --> 00:58:46,680

things have a way of

1561

00:58:53,450 --> 00:58:50,579

kind of uh getting into our minds do you

1562

00:58:55,250 --> 00:58:53,460

believe that Consciousness is the answer

1563

00:58:57,049 --> 00:58:55,260

to a lot of these questions like are we

1564

00:58:59,329 --> 00:58:57,059

alone in the universe what's our purpose

1565

00:59:03,230 --> 00:58:59,339

why are we here

1566

00:59:05,329 --> 00:59:03,240

I think so yeah I mean it seems I think

1567

00:59:07,069 --> 00:59:05,339

if you look long enough I think everyone

1568

00:59:09,410 --> 00:59:07,079

finds that at some point that everything

1569

00:59:11,809 --> 00:59:09,420

is connected everything is consciousness

1570

00:59:13,549 --> 00:59:11,819

whether you believe in God whether it

1571

00:59:15,650 --> 00:59:13,559

doesn't matter what you believe in I

1572

00:59:18,170 --> 00:59:15,660

think at the end of the day we're all

1573

00:59:19,910 --> 00:59:18,180

believing in the same one the same grit

1574

00:59:23,510 --> 00:59:19,920

the same Consciousness the same ether

1575

00:59:26,390 --> 00:59:23,520

you know the the same creating mind that

1576

00:59:28,370 --> 00:59:26,400

we co-create with on a daily basis so I

1577

00:59:31,270 --> 00:59:28,380

yeah I'd say it's all Consciousness man

1578

00:59:35,750 --> 00:59:31,280

and I'd I'd say these Technologies

1579

00:59:37,849 --> 00:59:35,760

have a large aspect of having to deal

1580

00:59:39,829 --> 00:59:37,859

with Consciousness uh there's probably a

1581

00:59:42,109 --> 00:59:39,839

large aspect of them that

1582

00:59:44,990 --> 00:59:42,119

Tech into our Consciousness in some way

1583

00:59:48,289 --> 00:59:45,000

which is cool and uh yeah I think

1584

00:59:51,109 --> 00:59:48,299

everything is related to our perception

1585

00:59:52,730 --> 00:59:51,119

and our reality obviously but there's

1586

00:59:54,170 --> 00:59:52,740

something that connects us all and there

1587

00:59:55,490 --> 00:59:54,180

is a veil

1588

00:59:58,970 --> 00:59:55,500

um a lot of people have had different

1589

01:00:01,670 --> 00:59:58,980

experiences with it but there's more to

1590

01:00:03,349 --> 01:00:01,680

this life than we give it credit for

1591

01:00:06,109 --> 01:00:03,359

it's a lot weirder than we get to give

1592

01:00:07,789 --> 01:00:06,119

the credit for sometimes and uh is

1593

01:00:09,289 --> 01:00:07,799

anybody listening to this just you know

1594

01:00:10,549 --> 01:00:09,299

look into yourselves ask questions

1595

01:00:13,190 --> 01:00:10,559

because that's that's the problem

1596

01:00:15,170 --> 01:00:13,200

nowadays is I I feel like people not

1597

01:00:17,450 --> 01:00:15,180

enough people ask enough questions

1598

01:00:18,890 --> 01:00:17,460

anymore it's not as many questions

1599

01:00:20,809 --> 01:00:18,900

getting asked from just through your

1600

01:00:23,089 --> 01:00:20,819

regular everyday everyday job that I

1601

01:00:24,650 --> 01:00:23,099

that I meet on the street and uh

1602

01:00:26,450 --> 01:00:24,660

I'm just hoping that maybe thinking

1603

01:00:28,190 --> 01:00:26,460

about these kinds of things you know

1604

01:00:29,630 --> 01:00:28,200

will help to level us up in a way

1605

01:00:31,309 --> 01:00:29,640

because

1606

01:00:34,190 --> 01:00:31,319

I do feel like these kind of things are

1607

01:00:36,109 --> 01:00:34,200

Consciousness strips in a way so I'm

1608

01:00:38,210 --> 01:00:36,119

hoping that you know enough people get

1609

01:00:40,309 --> 01:00:38,220

this kind of information that we can get

1610

01:00:42,349 --> 01:00:40,319

to a place where we can all Advance as a

1611

01:00:43,130 --> 01:00:42,359

civilization later on down the road I

1612

01:00:46,010 --> 01:00:43,140

mean

1613

01:00:48,049 --> 01:00:46,020

obviously it's a it's a pretty steep

1614

01:00:50,630 --> 01:00:48,059

ramp that we're climbing right now but

1615

01:00:51,890 --> 01:00:50,640

hopefully all the stuff that you talked

1616

01:00:53,390 --> 01:00:51,900

about in your show and all these

1617

01:00:55,010 --> 01:00:53,400

different forms of media that are coming

1618

01:00:57,530 --> 01:00:55,020

out and exposing people to different

1619

01:00:59,809 --> 01:00:57,540

topics and in more diverse kinds of

1620

01:01:01,609 --> 01:00:59,819

information I think it has a huge effect

1621

01:01:03,650 --> 01:01:01,619

and I'm hoping it has an even bigger

1622

01:01:06,109 --> 01:01:03,660

effect in the future

1623

01:01:09,109 --> 01:01:06,119

um I just people spread love everyone

1624

01:01:10,730 --> 01:01:09,119

love each other because just don't Don't

1625

01:01:12,349 --> 01:01:10,740

Be Afraid of Anything everyone love each

1626

01:01:13,910 --> 01:01:12,359

other everything will be fine if you

1627

01:01:15,950 --> 01:01:13,920

just love each other and respect each

1628

01:01:18,950 --> 01:01:15,960

other just do your best to be a better

1629

01:01:19,870 --> 01:01:18,960

person every day and that's it Amen

1630

01:01:22,730 --> 01:01:19,880

brother

1631

01:01:24,950 --> 01:01:22,740

thanks so much elevated Josh for coming

1632

01:01:27,170 --> 01:01:24,960

on I hope to talk to you again soon I

1633

01:01:30,109 --> 01:01:27,180

hope some of the listeners reach out to

1634

01:01:32,990 --> 01:01:30,119

me I'll let you know what I find and

1635

01:01:35,510 --> 01:01:33,000

yeah let's let's talk soon and uh keep

1636

01:01:37,309 --> 01:01:35,520

grinding keep searching and exploring

1637

01:01:39,470 --> 01:01:37,319

I appreciate it man good talking to you

1638

01:01:42,309 --> 01:01:39,480

you have a good day stay safe

1639

01:01:46,250 --> 01:01:42,319

he is so great I love talking to Josh

1640

01:01:48,890 --> 01:01:46,260

elevated Josh the guy is out there

1641

01:01:50,510 --> 01:01:48,900

checking out exactly the type of things

1642

01:01:53,030 --> 01:01:50,520

that interest me

1643

01:01:55,910 --> 01:01:53,040

the intelligence Community sees the Utah

1644

01:01:59,770 --> 01:01:55,920

Valley in Salt Lake City as prime

1645

01:02:02,289 --> 01:01:59,780

hunting grounds for a variety of

1646

01:02:05,510 --> 01:02:02,299

aspects of what they do not only

1647

01:02:08,329 --> 01:02:05,520

searching for new agents but the

1648

01:02:12,530 --> 01:02:08,339

authorities on the UFO and UAP issue

1649

01:02:14,990 --> 01:02:12,540

also see it as a definitive location

1650

01:02:17,690 --> 01:02:15,000

to test and acknowledge black budget

1651  
01:02:19,309 --> 01:02:17,700  
projects over there at dugway Proving

1652  
01:02:21,710 --> 01:02:19,319  
Grounds and that's exactly what it is

1653  
01:02:25,549 --> 01:02:21,720  
it's a Proving Ground it is a place

1654  
01:02:28,309 --> 01:02:25,559  
where various contractors can go and

1655  
01:02:31,970 --> 01:02:28,319  
rent space for lack of a better word to

1656  
01:02:35,390 --> 01:02:31,980  
test their toys to test their black

1657  
01:02:38,210 --> 01:02:35,400  
budget projects and it's going to be

1658  
01:02:39,589 --> 01:02:38,220  
interesting that this compelling

1659  
01:02:41,569 --> 01:02:39,599  
testimony

1660  
01:02:44,569 --> 01:02:41,579  
which seems to be coming out of the

1661  
01:02:47,569 --> 01:02:44,579  
disclosure intelligence UFO archive

1662  
01:02:49,690 --> 01:02:47,579  
including whistleblowers one of them is

1663  
01:02:52,490 --> 01:02:49,700

a marine who witnessed a man-made UAP

1664

01:02:55,609 --> 01:02:52,500

offloading illegal weapons and Drugs in

1665

01:02:58,130 --> 01:02:55,619

Indonesia in 2009 I know a few of the

1666

01:03:00,950 --> 01:02:58,140

whistleblowers another one who I know

1667

01:03:03,589 --> 01:03:00,960

personally is a gentleman who worked at

1668

01:03:05,809 --> 01:03:03,599

the South Pole at Antarctica he has

1669

01:03:08,870 --> 01:03:05,819

quite a bit of disclosure and these

1670

01:03:12,230 --> 01:03:08,880

testimonies at specific locations go

1671

01:03:13,910 --> 01:03:12,240

into the illegally operated UFO projects

1672

01:03:16,730 --> 01:03:13,920

and corporations

1673

01:03:19,670 --> 01:03:16,740

which are involved so

1674

01:03:22,849 --> 01:03:19,680

elevated Josh may not be far off when

1675

01:03:24,349 --> 01:03:22,859

you consider there are over 700 military

1676

01:03:27,530 --> 01:03:24,359

intelligence and corporate

1677

01:03:30,770 --> 01:03:27,540

whistleblowers in line to be included in

1678

01:03:34,069 --> 01:03:30,780

this vast archive and it's a big big

1679

01:03:36,950 --> 01:03:34,079

archive so let's see what happens we

1680

01:03:41,450 --> 01:03:36,960

also have NASA as he mentioned coming

1681

01:03:44,150 --> 01:03:41,460

out with some information uh Gary Nolan

1682

01:03:46,370 --> 01:03:44,160

Jeremy Corbell George Knapp the list of

1683

01:03:49,910 --> 01:03:46,380

people that are on this disclosure train

1684

01:03:52,250 --> 01:03:49,920

and coming out with Epic

1685

01:03:55,490 --> 01:03:52,260

fresh and fundamentally new information

1686

01:03:58,309 --> 01:03:55,500

is mind-blowing I really liked the

1687

01:04:00,530 --> 01:03:58,319

triangle craft over

1688

01:04:02,870 --> 01:04:00,540

a military base

1689

01:04:04,910 --> 01:04:02,880

in California which George Knapp and

1690

01:04:07,370 --> 01:04:04,920

Jeremy Corbell came out with although it

1691

01:04:09,589 --> 01:04:07,380

was a couple years old it just goes to

1692

01:04:11,450 --> 01:04:09,599

show how slow the government is in

1693

01:04:14,210 --> 01:04:11,460

releasing some of this stuff

1694

01:04:17,210 --> 01:04:14,220

for public consumption so when you're

1695

01:04:18,950 --> 01:04:17,220

able to talk to somebody like Josh and

1696

01:04:22,430 --> 01:04:18,960

he can give you the inside scoop of

1697

01:04:26,410 --> 01:04:22,440

what's going on on a daily basis out at

1698

01:04:30,230 --> 01:04:26,420

places like dugway and the Wasatch Front

1699

01:04:32,329 --> 01:04:30,240

you know I believe that's very important

1700

01:04:34,750 --> 01:04:32,339

to keep your hand on the pulse

1701  
01:04:37,430 --> 01:04:34,760  
of the investigations and explorations

1702  
01:04:39,770 --> 01:04:37,440  
of those who are involved especially

1703  
01:04:41,329 --> 01:04:39,780  
given the most recent information that

1704  
01:04:44,270 --> 01:04:41,339  
is coming across

1705  
01:04:47,870 --> 01:04:44,280  
the newswires my desk

1706  
01:04:52,670 --> 01:04:47,880  
and the airwaves every week and I 100

1707  
01:04:55,730 --> 01:04:52,680  
percent agree with elevated Josh in that

1708  
01:04:57,910 --> 01:04:55,740  
the information revolution will be

1709  
01:05:01,789 --> 01:04:57,920  
podcasted it's these

1710  
01:05:04,490 --> 01:05:01,799  
sideline news outlets Independent Media

1711  
01:05:06,890 --> 01:05:04,500  
organizations and individuals who are

1712  
01:05:09,230 --> 01:05:06,900  
making the biggest Leaps and Bounds

1713  
01:05:13,130 --> 01:05:09,240

right now it's not CNN

1714

01:05:15,109 --> 01:05:13,140

NBC ABC these aren't the guys that are

1715

01:05:16,970 --> 01:05:15,119

bringing you the goods they get it

1716

01:05:20,690 --> 01:05:16,980

second third fourth and fifth hand

1717

01:05:25,910 --> 01:05:20,700

sometimes so very interesting my

1718

01:05:29,630 --> 01:05:25,920

curiosity is definitely induced

1719

01:05:32,690 --> 01:05:29,640

by the photos addresses and locations

1720

01:05:35,089 --> 01:05:32,700

which elevated Josh has sent me which

1721

01:05:37,069 --> 01:05:35,099

appear to be underground entrances or

1722

01:05:40,010 --> 01:05:37,079

facilities and there is a number of them

1723

01:05:41,990 --> 01:05:40,020

if any of our Utah Peeps are out there

1724

01:05:43,670 --> 01:05:42,000

exploring and have some information for

1725

01:05:47,049 --> 01:05:43,680
