

Vegas Aliens with Erik The Awakening Man

Vegas Aliens with Erik The Awakening Man

1
00:00:08,570 --> 00:00:04,249
by now most people are aware

2
00:00:11,030 --> 00:00:08,580
of a local family in Las Vegas coming

3
00:00:13,430 --> 00:00:11,040
face to face with what they believe were

4
00:00:15,650 --> 00:00:13,440
100 percent not human

5
00:00:20,029 --> 00:00:15,660
we are talking about eight to ten foot

6
00:00:24,230 --> 00:00:20,039
tall entities which apparently landed

7
00:00:28,070 --> 00:00:24,240
in the backyard of their Las Vegas home

8
00:00:29,210 --> 00:00:28,080
and which prompted them to call the

9
00:00:32,030 --> 00:00:29,220
police

10
00:00:33,889 --> 00:00:32,040
they were described as towering nearly

11
00:00:37,490 --> 00:00:33,899
10 feet tall

12
00:00:40,010 --> 00:00:37,500
alien looking Big Shiny eyes

13
00:00:41,869 --> 00:00:40,020

that's the 9-1-1 call that police

14

00:00:45,229 --> 00:00:41,879

received

15

00:00:48,410 --> 00:00:45,239

and since then things have gotten even

16

00:00:49,790 --> 00:00:48,420

weirder news stations have reported on

17

00:00:52,670 --> 00:00:49,800

the event

18

00:00:56,450 --> 00:00:52,680

it has gathered the attention

19

00:00:59,209 --> 00:00:56,460

of ufologists worldwide

20

00:01:03,349 --> 00:00:59,219

and given the time there is a lot going

21

00:01:06,170 --> 00:01:03,359

on we recently had a mass UFO sighting

22

00:01:09,350 --> 00:01:06,180

with footage caught in

23

00:01:11,929 --> 00:01:09,360

Northwest Vegas as well I got the

24

00:01:14,810 --> 00:01:11,939

individual who gathered the best video

25

00:01:17,450 --> 00:01:14,820

footage of that particular Vegas Mass

26
00:01:19,250 --> 00:01:17,460
sighting onto the podcast and although

27
00:01:22,789 --> 00:01:19,260
people around the valley got great

28
00:01:25,310 --> 00:01:22,799
footage Scots was out of control I

29
00:01:26,270 --> 00:01:25,320
recommend you listen to the podcast with

30
00:01:30,170 --> 00:01:26,280
Scott

31
00:01:31,370 --> 00:01:30,180
this is a similar situation a nearby

32
00:01:34,070 --> 00:01:31,380
location

33
00:01:35,450 --> 00:01:34,080
same part of the general vicinity of Las

34
00:01:38,030 --> 00:01:35,460
Vegas

35
00:01:39,890 --> 00:01:38,040
and today we are going to have the

36
00:01:43,490 --> 00:01:39,900
investigator who in my opinion has

37
00:01:46,429 --> 00:01:43,500
delved deepest down the rabbit hole of

38
00:01:48,109 --> 00:01:46,439

this alien extraterrestrial looking

39

00:01:50,690 --> 00:01:48,119

siding

40

00:01:52,010 --> 00:01:50,700

an event which has everyone's attention

41

00:01:55,249 --> 00:01:52,020

right now

42

00:01:58,910 --> 00:01:55,259

we have Eric The Awakening man

43

00:02:04,069 --> 00:01:58,920

he's delved way into the rabbit hole and

44

00:02:07,429 --> 00:02:06,050

we're going to get into all that and a

45

00:02:09,290 --> 00:02:07,439

lot more

46

00:02:13,550 --> 00:02:09,300

but really quick if you have not

47

00:02:14,750 --> 00:02:13,560

subscribed to Hero paranormal on YouTube

48

00:02:17,690 --> 00:02:14,760

please

49

00:02:18,830 --> 00:02:17,700

like subscribe and share the podcast on

50

00:02:20,990 --> 00:02:18,840

YouTube

51
00:02:23,210 --> 00:02:21,000
although I will most likely never be

52
00:02:26,030 --> 00:02:23,220
monetized on YouTube

53
00:02:29,089 --> 00:02:26,040
for a variety of reasons

54
00:02:32,390 --> 00:02:29,099
by liking subscribing and sharing the

55
00:02:35,270 --> 00:02:32,400
podcast that will enable me to break

56
00:02:38,750 --> 00:02:35,280
through the algorithm of control and at

57
00:02:41,690 --> 00:02:38,760
least some people will be able to hear

58
00:02:44,449 --> 00:02:41,700
and be aware of the topics covered

59
00:02:45,949 --> 00:02:44,459
also please follow hero paranormal on

60
00:02:49,009 --> 00:02:45,959
social media

61
00:02:51,589 --> 00:02:49,019
on Instagram and Facebook

62
00:02:54,710 --> 00:02:51,599
and most importantly if you haven't been

63
00:02:56,449 --> 00:02:54,720

to heroparanormal.com please stop by and

64

00:02:59,089 --> 00:02:56,459

check that out

65

00:03:03,290 --> 00:02:59,099

don't be scared by the pop-up that just

66

00:03:05,390 --> 00:03:03,300

allows you to subscribe as a patron for

67

00:03:07,729 --> 00:03:05,400

less than the price of a cup of coffee a

68

00:03:10,309 --> 00:03:07,739

month you get the entire array of

69

00:03:12,530 --> 00:03:10,319

content behind the paywall

70

00:03:15,770 --> 00:03:12,540

the whole enchilada

71

00:03:19,430 --> 00:03:15,780

you can also access that at patreon.com

72

00:03:21,050 --> 00:03:19,440

and search for hero paranormal alright

73

00:03:24,410 --> 00:03:21,060

let's get to it

74

00:03:27,530 --> 00:03:24,420

buckle up for a strange ride into 8 to

75

00:03:35,490 --> 00:03:27,540

10 foot tall creatures walking around a

76

00:03:38,770 --> 00:03:37,190

[Music]

77

00:03:45,009 --> 00:03:38,780

thank you

78

00:03:48,890 --> 00:03:45,019

[Music]

79

00:03:53,390 --> 00:03:48,900

come Blast Off In My Time Machine sir I

80

00:04:02,290 --> 00:03:53,400

feel like a Nevis off Blast Off Blast

81

00:04:02,300 --> 00:04:05,589

[Music]

82

00:04:11,630 --> 00:04:08,390

Eric The Awakening man welcome to the

83

00:04:13,130 --> 00:04:11,640

hero paranormal podcast Ryan good good

84

00:04:15,229 --> 00:04:13,140

to talk to you again we've been talking

85

00:04:17,870 --> 00:04:15,239

all morning and

86

00:04:19,310 --> 00:04:17,880

uh man it's it's hot again it's hot

87

00:04:22,189 --> 00:04:19,320

again it's summertime and it's already

88

00:04:24,890 --> 00:04:22,199

hot buddy I mean I don't get excited

89

00:04:26,510 --> 00:04:24,900

very often maybe a handful of stories

90

00:04:28,010 --> 00:04:26,520

that have come down the pipe and this

91

00:04:30,350 --> 00:04:28,020

this toy we're going to talk about today

92

00:04:32,950 --> 00:04:30,360

uh I'm getting Goosebumps right now

93

00:04:35,870 --> 00:04:32,960

because uh I believe

94

00:04:37,850 --> 00:04:35,880

99.9 because I wasn't there that if I

95

00:04:40,070 --> 00:04:37,860

was actually there I'd go 100 but I'm

96

00:04:42,710 --> 00:04:40,080

99.9 that what we're going to talk about

97

00:04:46,670 --> 00:04:42,720

today is a real story that really

98

00:04:48,290 --> 00:04:46,680

happened and uh we may never know all

99

00:04:50,930 --> 00:04:48,300

the facts that we could present to the

100

00:04:54,170 --> 00:04:50,940

public to that would uh substantiate or

101
00:04:55,850 --> 00:04:54,180
verify our beliefs but but no one's

102
00:04:57,290 --> 00:04:55,860
going to convince me that nothing didn't

103
00:04:59,510 --> 00:04:57,300
happen there

104
00:05:01,550 --> 00:04:59,520
and that's what I love about you I think

105
00:05:03,590 --> 00:05:01,560
you've delved the deepest down this

106
00:05:06,170 --> 00:05:03,600
Rabbit Hole so far I mean I know that

107
00:05:08,749 --> 00:05:06,180
this has the world Ablaze with curiosity

108
00:05:11,330 --> 00:05:08,759
right now but you're always exploring

109
00:05:13,990 --> 00:05:11,340
great new stories and places where they

110
00:05:17,210 --> 00:05:14,000
take place and you are literally

111
00:05:19,490 --> 00:05:17,220
backtracking this entire event and

112
00:05:21,469 --> 00:05:19,500
following it so to speak from the

113
00:05:24,290 --> 00:05:21,479

beginning because there is a lot to

114

00:05:26,689 --> 00:05:24,300

explore here where should we kick off

115

00:05:29,090 --> 00:05:26,699

yeah I mean we're going to talk about a

116

00:05:31,370 --> 00:05:29,100

lot and you and I both know that there's

117

00:05:33,170 --> 00:05:31,380

still a lot more to learn so this this

118

00:05:35,150 --> 00:05:33,180

may be a part one

119

00:05:36,650 --> 00:05:35,160

people that listen to this are going to

120

00:05:38,210 --> 00:05:36,660

probably go well you guys aren't really

121

00:05:40,010 --> 00:05:38,220

telling me enough yet to really bite

122

00:05:41,990 --> 00:05:40,020

onto this complete but we will have more

123

00:05:44,689 --> 00:05:42,000

but we're gonna we're gonna label we got

124

00:05:47,689 --> 00:05:44,699

on the table right now let's let's start

125

00:05:50,270 --> 00:05:47,699

with uh okay so obviously what we're

126

00:05:54,710 --> 00:05:50,280

talking about here uh was breaking news

127

00:05:59,870 --> 00:05:56,749

humping crashed in Vegas

128

00:06:02,390 --> 00:05:59,880

some people think who I believe know

129

00:06:03,890 --> 00:06:02,400

really the truth uh that it didn't crash

130

00:06:05,810 --> 00:06:03,900

it landed

131

00:06:07,730 --> 00:06:05,820

um so I don't have the evidence

132

00:06:10,070 --> 00:06:07,740

physical evidence to prove one or the

133

00:06:13,370 --> 00:06:10,080

other but it's my belief that an object

134

00:06:14,930 --> 00:06:13,380

landed in that backyard in Las Vegas and

135

00:06:18,409 --> 00:06:14,940

what's interesting is this happened

136

00:06:21,170 --> 00:06:18,419

around 11 30 on April 29th the police

137

00:06:23,629 --> 00:06:21,180

were called all that is out there on the

138

00:06:26,689 --> 00:06:23,639

on the media the the families got the

139

00:06:28,730 --> 00:06:26,699

sun angel 18 years old has got to set up

140

00:06:31,189 --> 00:06:28,740

a YouTube page put out a little eight

141

00:06:33,590 --> 00:06:31,199

minute video uh there's there's of

142

00:06:36,290 --> 00:06:33,600

course George Knapp Channel 8. Doug Papa

143

00:06:38,450 --> 00:06:36,300

who's on Twitter also on Facebook he's

144

00:06:41,390 --> 00:06:38,460

on he's got his own podcast and YouTube

145

00:06:43,790 --> 00:06:41,400

channel uh I'm not sure exactly how he

146

00:06:46,249 --> 00:06:43,800

found the story but he was the one to

147

00:06:49,129 --> 00:06:46,259

get the story first he broke the story

148

00:06:52,249 --> 00:06:49,139

did seven reports several reports about

149

00:06:56,090 --> 00:06:52,259

it on his show and he's done the boots

150

00:06:59,090 --> 00:06:56,100

on the ground leg work so but of course

151
00:07:01,309 --> 00:06:59,100
as usual uh you know media takes gets a

152
00:07:02,749 --> 00:07:01,319
hold of a story and then they want to

153
00:07:05,210 --> 00:07:02,759
slant it however it is they want to

154
00:07:06,830 --> 00:07:05,220
slant it and uh so I haven't had a

155
00:07:08,570 --> 00:07:06,840
chance to talk to Doug yet so by the

156
00:07:10,189 --> 00:07:08,580
time we have another conversation about

157
00:07:12,409 --> 00:07:10,199
this we'll have even more information

158
00:07:14,150 --> 00:07:12,419
because until I can actually sit down

159
00:07:16,309 --> 00:07:14,160
with Doug and tell him what I've learned

160
00:07:19,309 --> 00:07:16,319
hear what he's learned then maybe we

161
00:07:22,969 --> 00:07:19,319
could put this puzzle together better

162
00:07:27,249 --> 00:07:22,979
okay Eric so on the police body cam

163
00:07:31,370 --> 00:07:27,259

footage it shows a date of May 1st 2023

164

00:07:33,110 --> 00:07:31,380

as we know oftentimes with cases such as

165

00:07:35,450 --> 00:07:33,120

this one there's been enough time that's

166

00:07:38,150 --> 00:07:35,460

lapsed for things to be cleaned up so to

167

00:07:40,070 --> 00:07:38,160

speak I've seen and you've seen a lot of

168

00:07:42,469 --> 00:07:40,080

evidence online that this occurred on

169

00:07:44,150 --> 00:07:42,479

the 29th what do you think has happened

170

00:07:46,129 --> 00:07:44,160

here do you think this is a case where

171

00:07:47,809 --> 00:07:46,139

there's been enough time that's passed

172

00:07:50,629 --> 00:07:47,819

that something may some things may have

173

00:07:52,670 --> 00:07:50,639

been manipulated at this point

174

00:07:56,270 --> 00:07:52,680

absolutely it's

175

00:08:01,909 --> 00:07:58,969

to you know if if the body cam footage

176

00:08:06,170 --> 00:08:01,919

was filmed let's say after the call like

177

00:08:08,089 --> 00:08:06,180

like an hour or two after this the angel

178

00:08:11,570 --> 00:08:08,099

and his family called the police at 11

179

00:08:13,010 --> 00:08:11,580

30 on the 9-1-1 then you know you know

180

00:08:15,350 --> 00:08:13,020

that we were trying to put this puzzle

181

00:08:18,710 --> 00:08:15,360

together but I but I in the meantime I

182

00:08:21,110 --> 00:08:18,720

had uh done some research and I am aware

183

00:08:24,110 --> 00:08:21,120

that there were some meteors uh showers

184

00:08:27,589 --> 00:08:24,120

going on during that time frame

185

00:08:30,290 --> 00:08:27,599

so it's possible more I almost would

186

00:08:32,510 --> 00:08:30,300

lean towards likely that that big ball

187

00:08:34,370 --> 00:08:32,520

of light that was streaking through the

188

00:08:37,430 --> 00:08:34,380

sky that was captured on the body cam

189

00:08:40,730 --> 00:08:37,440

was more likely a meteor and not this

190

00:08:42,589 --> 00:08:40,740

object that landed in the backyard of

191

00:08:44,449 --> 00:08:42,599

this homes but I mean we don't know yet

192

00:08:45,769 --> 00:08:44,459

so there's still more work to be done on

193

00:08:46,850 --> 00:08:45,779

that so that's where I'm at with that

194

00:08:49,310 --> 00:08:46,860

right now

195

00:08:51,230 --> 00:08:49,320

yeah that's I think that's a big deal

196

00:08:54,170 --> 00:08:51,240

because it was bright enough that the

197

00:08:58,070 --> 00:08:54,180

body cam footage saw it in fact enough

198

00:09:00,889 --> 00:08:58,080

that the officer said you know my buddy

199

00:09:03,170 --> 00:09:00,899

just saw something uh land kind of or

200

00:09:06,530 --> 00:09:03,180

come down in that area and it sort of uh

201
00:09:08,389 --> 00:09:06,540
made them a little weary about going to

202
00:09:11,810 --> 00:09:08,399
the location after seeing something fall

203
00:09:14,269 --> 00:09:11,820
from the sky hearing the uh Boom for

204
00:09:15,650 --> 00:09:14,279
lack of a better word in the backyard or

205
00:09:18,170 --> 00:09:15,660
in the neighborhood

206
00:09:20,930 --> 00:09:18,180
and let's get to the actual entities

207
00:09:25,370 --> 00:09:20,940
themselves which I mean we're talking 8

208
00:09:28,130 --> 00:09:25,380
to 10 feet tall large shiny Eyes by all

209
00:09:31,550 --> 00:09:28,140
accounts not human

210
00:09:35,810 --> 00:09:31,560
and would where I think it gets very

211
00:09:38,810 --> 00:09:35,820
strange from a very real perspective is

212
00:09:41,690 --> 00:09:38,820
these entities did not act in the usual

213
00:09:45,230 --> 00:09:41,700

way that they normally act in these

214

00:09:47,690 --> 00:09:45,240

scenarios they were in a they were

215

00:09:50,269 --> 00:09:47,700

kind of worried it seemed one apparently

216

00:09:52,730 --> 00:09:50,279

got into a front-end loader or a

217

00:09:55,009 --> 00:09:52,740

forklift in the backyard and tried to

218

00:09:58,250 --> 00:09:55,019

turn it on they knew they were in

219

00:10:00,530 --> 00:09:58,260

trouble being where they were and again

220

00:10:02,630 --> 00:10:00,540

the description 10 I mean 10 feet tall

221

00:10:06,530 --> 00:10:02,640

muscular

222

00:10:09,590 --> 00:10:06,540

um green tan cold skin colored neon eyes

223

00:10:11,269 --> 00:10:09,600

naked looking and the family was scared

224

00:10:13,910 --> 00:10:11,279

to death what do you make of that do you

225

00:10:15,590 --> 00:10:13,920

think that there's any embellishment or

226

00:10:24,889 --> 00:10:15,600

do you think the these people are being

227

00:10:28,610 --> 00:10:26,750

we're just kind of just shooting from

228

00:10:30,110 --> 00:10:28,620

the hip right now with what we know so

229

00:10:32,150 --> 00:10:30,120

some of these in some of the information

230

00:10:33,889 --> 00:10:32,160

we're going to talk about today you know

231

00:10:35,210 --> 00:10:33,899

and we're going to fine tune it if we're

232

00:10:37,850 --> 00:10:35,220

if we're making in other words we need

233

00:10:40,550 --> 00:10:37,860

to verify some things but but uh what I

234

00:10:43,250 --> 00:10:40,560

you know I believe I'll tell you why I I

235

00:10:45,470 --> 00:10:43,260

at first when I saw the story

236

00:10:48,410 --> 00:10:45,480

I the first thing I tweeted after just

237

00:10:50,329 --> 00:10:48,420

an initial glance at it was that uh I'm

238

00:10:51,910 --> 00:10:50,339

not buying this story that was my first

239

00:10:54,350 --> 00:10:51,920

impression

240

00:10:56,810 --> 00:10:54,360

and uh and I thought and I thought about

241

00:10:59,930 --> 00:10:56,820

that I thought well it just didn't add

242

00:11:02,690 --> 00:10:59,940

up I mean it's it's just too fantastical

243

00:11:04,970 --> 00:11:02,700

all right but I but I I know better as a

244

00:11:07,190 --> 00:11:04,980

researcher uh that okay before I just

245

00:11:10,130 --> 00:11:07,200

turn my back on this and and just move

246

00:11:12,170 --> 00:11:10,140

on like you know or talk or talk trash

247

00:11:15,829 --> 00:11:12,180

about the story I'm gonna make some

248

00:11:18,949 --> 00:11:15,839

phone calls so uh I made a call to my

249

00:11:21,769 --> 00:11:18,959

one of my sources and uh I said hey I've

250

00:11:24,829 --> 00:11:21,779

had you heard about this story

251
00:11:26,990 --> 00:11:24,839
and he said yeah and I says well can you

252
00:11:29,509 --> 00:11:27,000
please what can you share with me

253
00:11:32,090 --> 00:11:29,519
and we'll we'll talk about that uh in

254
00:11:34,850 --> 00:11:32,100
this conversation today but it was as a

255
00:11:36,769 --> 00:11:34,860
result of that conversation that lasted

256
00:11:41,090 --> 00:11:36,779
about 40 minutes

257
00:11:44,410 --> 00:11:41,100
that uh that suddenly I was no longer

258
00:11:47,569 --> 00:11:44,420
did I believe that it was a hoax or what

259
00:11:51,230 --> 00:11:47,579
I I would I did a basically a 180. I

260
00:11:54,110 --> 00:11:51,240
mean I immediately tweeted uh uh I

261
00:11:57,710 --> 00:11:54,120
changed my mind I'm all in on this story

262
00:11:59,269 --> 00:11:57,720
because my sources I trust in that

263
00:12:01,670 --> 00:11:59,279

they're very good sources

264

00:12:03,889 --> 00:12:01,680

okay and it's like I'm not saying this

265

00:12:05,269 --> 00:12:03,899

as as to like brag or just kind of

266

00:12:07,370 --> 00:12:05,279

boasts personally I don't really care

267

00:12:08,810 --> 00:12:07,380

about getting any credit on this I'm

268

00:12:10,490 --> 00:12:08,820

just trying to find the truth and share

269

00:12:12,170 --> 00:12:10,500

it with you and and the people that are

270

00:12:13,850 --> 00:12:12,180

out there that listen to this I really

271

00:12:15,889 --> 00:12:13,860

don't I don't you know want any kind of

272

00:12:17,389 --> 00:12:15,899

Rewards or a pat on the back or add a

273

00:12:20,630 --> 00:12:17,399

boy or anything I don't care about that

274

00:12:23,090 --> 00:12:20,640

I you know I I believe that we have been

275

00:12:24,710 --> 00:12:23,100

visited that we're still being visited

276

00:12:26,930 --> 00:12:24,720

whether I mean maybe we're not even

277

00:12:28,910 --> 00:12:26,940

being visited maybe they're here maybe

278

00:12:30,769 --> 00:12:28,920

they they live in the mountains of Mount

279

00:12:32,030 --> 00:12:30,779

Whitney and they like to take cruises

280

00:12:33,829 --> 00:12:32,040

occasionally you know I'm being silly

281

00:12:35,750 --> 00:12:33,839

right now but I'm just saying uh you

282

00:12:37,670 --> 00:12:35,760

know and as far as crash retrievals go

283

00:12:40,130 --> 00:12:37,680

and vehicles that have that have either

284

00:12:42,590 --> 00:12:40,140

landed been given to us crashed however

285

00:12:44,990 --> 00:12:42,600

you want to describe that I'm all in on

286

00:12:46,670 --> 00:12:45,000

that 100 percent I've done not just

287

00:12:48,650 --> 00:12:46,680

research that you would find on YouTube

288

00:12:50,990 --> 00:12:48,660

or the internet or some book or some guy

289

00:12:54,050 --> 00:12:51,000

that I run into a conference you know I

290

00:12:56,509 --> 00:12:54,060

I've got excellent sources that get real

291

00:12:59,269 --> 00:12:56,519

information not not hearsay and an

292

00:13:02,329 --> 00:12:59,279

opinion so I I do believe that we've had

293

00:13:04,730 --> 00:13:02,339

crash retrievals I do believe that we've

294

00:13:06,769 --> 00:13:04,740

got bodies whether there's a live I

295

00:13:08,329 --> 00:13:06,779

don't think so but I don't know uh

296

00:13:10,069 --> 00:13:08,339

whether where they're being stored I

297

00:13:12,530 --> 00:13:10,079

don't know I can speculate but that's

298

00:13:15,530 --> 00:13:12,540

I'm not here to speculate so I'm all in

299

00:13:16,850 --> 00:13:15,540

on this on the reality that that this

300

00:13:20,090 --> 00:13:16,860

has happened before I mean it happened

301
00:13:22,250 --> 00:13:20,100
in Brazil in Virginia James Fox did a an

302
00:13:23,870 --> 00:13:22,260
excellent documentary yeah you bought a

303
00:13:25,250 --> 00:13:23,880
vehicle that crashed out there you know

304
00:13:26,870 --> 00:13:25,260
and then the bodies and they're not the

305
00:13:28,850 --> 00:13:26,880
bodies the the creatures in the whole

306
00:13:31,069 --> 00:13:28,860
nine yards so I mean I believe that

307
00:13:33,470 --> 00:13:31,079
story so some people want to deny it but

308
00:13:35,090 --> 00:13:33,480
it's I don't think it is there's just

309
00:13:36,530 --> 00:13:35,100
too much evidence there there's no way

310
00:13:38,509 --> 00:13:36,540
it could be a conspiracy where all those

311
00:13:40,370 --> 00:13:38,519
people got together from all these

312
00:13:42,230 --> 00:13:40,380
different agencies and it's anyway going

313
00:13:45,110 --> 00:13:42,240

on and on and on but that so what this

314

00:13:47,930 --> 00:13:45,120

story reminds me of this Vegas story is

315

00:13:50,870 --> 00:13:47,940

is kind of similar in some ways to the

316

00:13:53,509 --> 00:13:50,880

Brazil story different but similar so uh

317

00:13:55,430 --> 00:13:53,519

so I believe it's possible so anyway so

318

00:13:57,410 --> 00:13:55,440

yeah I do think

319

00:13:59,329 --> 00:13:57,420

now look at I

320

00:14:01,009 --> 00:13:59,339

it's easy to think that it crashed I

321

00:14:03,290 --> 00:14:01,019

don't think it crashed I think it landed

322

00:14:05,870 --> 00:14:03,300

okay and I think at first when I saw the

323

00:14:08,569 --> 00:14:05,880

circle that was a picture was taken at 1

324

00:14:10,069 --> 00:14:08,579

47 a.m of the circle in the backyard I

325

00:14:11,810 --> 00:14:10,079

thought this doesn't make sense I mean

326

00:14:14,150 --> 00:14:11,820

the thing crashed and it's just a circle

327

00:14:16,850 --> 00:14:14,160

that doesn't add up well again I don't

328

00:14:19,190 --> 00:14:16,860

think it crashed I think it landed

329

00:14:21,530 --> 00:14:19,200

and and that's what that circle is and

330

00:14:23,389 --> 00:14:21,540

and I also think well and we'll go back

331

00:14:25,850 --> 00:14:23,399

to what happened during the time that it

332

00:14:29,509 --> 00:14:25,860

was on the ground but I think that

333

00:14:31,730 --> 00:14:29,519

somewhere in the neighborhood of 15 to

334

00:14:33,949 --> 00:14:31,740

25 minutes between the time that that

335

00:14:35,629 --> 00:14:33,959

thing landed and these creatures got out

336

00:14:37,610 --> 00:14:35,639

of this out of the spaceship we'll call

337

00:14:40,490 --> 00:14:37,620

it a spaceship and and we're on the

338

00:14:42,230 --> 00:14:40,500

property but that this thing lifted off

339

00:14:44,870 --> 00:14:42,240

and took off

340

00:14:47,269 --> 00:14:44,880

so and and I'm just going to say it

341

00:14:48,530 --> 00:14:47,279

right now uh I've got access to radar

342

00:14:51,110 --> 00:14:48,540

information

343

00:14:54,410 --> 00:14:51,120

and this thing was tracked on radar

344

00:14:57,829 --> 00:14:54,420

so you know that's what it is so let's

345

00:15:00,769 --> 00:14:57,839

go from there I'm I'm I'm down and I'm

346

00:15:03,530 --> 00:15:00,779

so glad that you mentioned the uh James

347

00:15:08,389 --> 00:15:03,540

Fox scenario and case from Brazil

348

00:15:11,150 --> 00:15:08,399

because many in the field have related

349

00:15:14,930 --> 00:15:11,160

that scenario uh as possibly being

350

00:15:18,889 --> 00:15:14,940

demonic now the descriptions were very

351
00:15:22,550 --> 00:15:18,899
similar and you know 100 percent they

352
00:15:26,329 --> 00:15:22,560
were big eyes big mouth

353
00:15:28,069 --> 00:15:26,339
um intimidating and I I don't think it's

354
00:15:30,110 --> 00:15:28,079
wrong to call it a spaceship the

355
00:15:33,650 --> 00:15:30,120
dimensions are correct you can see that

356
00:15:35,329 --> 00:15:33,660
it left a mark and it landed in my

357
00:15:36,949 --> 00:15:35,339
opinion as well because it landed

358
00:15:38,389 --> 00:15:36,959
exactly in the middle of the yard I

359
00:15:40,610 --> 00:15:38,399
think if this would have been a crash

360
00:15:41,870 --> 00:15:40,620
scenario there's no telling where it

361
00:15:44,269 --> 00:15:41,880
would have landed

362
00:15:47,269 --> 00:15:44,279
and the witnesses

363
00:15:49,430 --> 00:15:47,279

all pretty much agree you know this is

364

00:15:52,970 --> 00:15:49,440

not BS this they

365

00:15:54,710 --> 00:15:52,980

all of the interviews line up now this

366

00:15:58,069 --> 00:15:54,720

brings me to the next case which I think

367

00:16:00,290 --> 00:15:58,079

is very important which is the body cam

368

00:16:03,530 --> 00:16:00,300

footage of the police would not allow

369

00:16:07,370 --> 00:16:03,540

anyone to see video beyond the property

370

00:16:10,790 --> 00:16:07,380

limits which I have to sort of call BS

371

00:16:12,650 --> 00:16:10,800

on because we all watch Cops on TV and

372

00:16:14,509 --> 00:16:12,660

they go from yard to yard jumping fence

373

00:16:17,030 --> 00:16:14,519

lines they don't seem to care about your

374

00:16:19,009 --> 00:16:17,040

your personal private property when it

375

00:16:22,670 --> 00:16:19,019

comes to getting these these footage

376

00:16:25,250 --> 00:16:22,680

segments yet in this case there is

377

00:16:27,350 --> 00:16:25,260

absolute absolutely zero that is

378

00:16:29,930 --> 00:16:27,360

witnessed from

379

00:16:31,610 --> 00:16:29,940

the backyard do you think there is a

380

00:16:35,150 --> 00:16:31,620

reason for this Eric

381

00:16:37,850 --> 00:16:35,160

yeah I mean uh another thing going back

382

00:16:39,290 --> 00:16:37,860

to James Fox again uh I'm on Twitter I'm

383

00:16:41,290 --> 00:16:39,300

following what people are saying and

384

00:16:43,910 --> 00:16:41,300

James Fox tweeted yesterday

385

00:16:46,550 --> 00:16:43,920

uh which he normally doesn't do this

386

00:16:48,350 --> 00:16:46,560

James Fox is not a tweeter kind of guy

387

00:16:51,050 --> 00:16:48,360

that's out there gets involved in these

388

00:16:52,670 --> 00:16:51,060

stories and communicates about them with

389

00:16:54,530 --> 00:16:52,680

with people on Twitter that's not what

390

00:16:55,850 --> 00:16:54,540

he does he's a professional filmmaker

391

00:16:58,009 --> 00:16:55,860

he's out there working he don't have

392

00:17:01,310 --> 00:16:58,019

time to be playing games on Twitter but

393

00:17:04,549 --> 00:17:01,320

he said that he's getting calls that the

394

00:17:07,130 --> 00:17:04,559

FBI and I'm this is quote that the FBI

395

00:17:08,990 --> 00:17:07,140

is is you know caught got a hold of the

396

00:17:10,789 --> 00:17:09,000

police and they're scrubbing these body

397

00:17:13,490 --> 00:17:10,799

cam videos so this is the call that he

398

00:17:15,110 --> 00:17:13,500

gets now I don't have evidence that

399

00:17:17,030 --> 00:17:15,120

that's what happened and I don't have

400

00:17:19,370 --> 00:17:17,040

evidence that James Fox is telling the

401

00:17:21,970 --> 00:17:19,380

truth personally I think James in my

402

00:17:25,610 --> 00:17:21,980

book James Fox is a highly credible uh

403

00:17:27,409 --> 00:17:25,620

researcher filmmaker I he has there's no

404

00:17:29,690 --> 00:17:27,419

reason for him to just jump on Twitter

405

00:17:31,490 --> 00:17:29,700

and make up a story he he doesn't need

406

00:17:33,409 --> 00:17:31,500

that Fame he doesn't need that baggage

407

00:17:35,510 --> 00:17:33,419

he's doing quite well on his own without

408

00:17:38,090 --> 00:17:35,520

jumping in those so I tend to believe

409

00:17:40,610 --> 00:17:38,100

that story so and then and then part two

410

00:17:41,510 --> 00:17:40,620

to why I believe the story is my source

411

00:17:43,070 --> 00:17:41,520

says

412

00:17:44,630 --> 00:17:43,080

uh well we're going to kind of skip

413

00:17:47,510 --> 00:17:44,640

forward and we'll go back to the event

414

00:17:50,930 --> 00:17:47,520

on in the backyard but my source says

415

00:17:52,070 --> 00:17:50,940

that uh the very next morning after the

416

00:17:55,430 --> 00:17:52,080

event

417

00:17:57,950 --> 00:17:55,440

uh we'll just call them agents okay I'm

418

00:18:00,289 --> 00:17:57,960

not going to say what type of Agents uh

419

00:18:01,510 --> 00:18:00,299

two agents went to the house or the

420

00:18:05,390 --> 00:18:01,520

event occurred

421

00:18:07,430 --> 00:18:05,400

uh the boy angel was not home apparently

422

00:18:09,110 --> 00:18:07,440

so they interviewed the father and the

423

00:18:10,610 --> 00:18:09,120

brother and the son which or the brother

424

00:18:13,730 --> 00:18:10,620

of angel

425

00:18:17,029 --> 00:18:13,740

and uh

426

00:18:18,590 --> 00:18:17,039

as a result of that uh you know from

427

00:18:20,750 --> 00:18:18,600

there I don't know exactly what the

428

00:18:23,090 --> 00:18:20,760

conversation was now of course I don't

429

00:18:26,750 --> 00:18:23,100

have the details of that but apparently

430

00:18:28,490 --> 00:18:26,760

I was told uh through

431

00:18:30,289 --> 00:18:28,500

I'm not kind of word this in such a way

432

00:18:33,710 --> 00:18:30,299

I don't get my anybody in trouble here

433

00:18:35,210 --> 00:18:33,720

that when the agents went back to the

434

00:18:39,230 --> 00:18:35,220

base

435

00:18:41,289 --> 00:18:39,240

another agent in conversation with these

436

00:18:45,230 --> 00:18:41,299

agents that did the investigation

437

00:18:47,090 --> 00:18:45,240

relayed to my source that when they went

438

00:18:49,490 --> 00:18:47,100

when they left the house

439

00:18:51,409 --> 00:18:49,500
after interviewing the father

440

00:18:53,270 --> 00:18:51,419
going towards their vehicle to get in

441

00:18:57,230 --> 00:18:53,280
the vehicle and head back to the base

442

00:18:59,029 --> 00:18:57,240
the neighbors okay uh I believe it was a

443

00:19:01,250 --> 00:18:59,039
woman and her daughter

444

00:19:04,370 --> 00:19:01,260
came across the street

445

00:19:07,669 --> 00:19:04,380
to and and I'm they were the agents were

446

00:19:09,409 --> 00:19:07,679
under the impression that the the lady

447

00:19:11,029 --> 00:19:09,419
and the daughter thought that they were

448

00:19:13,250 --> 00:19:11,039
police officers

449

00:19:15,950 --> 00:19:13,260
so they assumed that these guys were

450

00:19:17,770 --> 00:19:15,960
police officers so they wanted to share

451
00:19:20,630 --> 00:19:17,780
what they saw

452
00:19:22,669 --> 00:19:20,640
to with these agents thinking that there

453
00:19:26,990 --> 00:19:22,679
are police officers so they tell the

454
00:19:30,470 --> 00:19:27,000
agents that we we saw it

455
00:19:33,110 --> 00:19:30,480
we saw it we saw it we saw the creatures

456
00:19:34,310 --> 00:19:33,120
but at first we didn't know that we

457
00:19:35,630 --> 00:19:34,320
didn't know there were creatures we

458
00:19:37,610 --> 00:19:35,640
didn't know what they were we thought

459
00:19:42,830 --> 00:19:37,620
they were we thought it was the kids

460
00:19:45,590 --> 00:19:42,840
across the street playing on stilts

461
00:19:47,450 --> 00:19:45,600
so now going back to the Brazil incident

462
00:19:49,250 --> 00:19:47,460
the these that those creatures over

463
00:19:50,810 --> 00:19:49,260

there were smaller creatures these

464

00:19:54,049 --> 00:19:50,820

creatures apparent according to Angel

465

00:19:56,510 --> 00:19:54,059

were eight to ten feet tall these are

466

00:19:59,270 --> 00:19:56,520

very large creatures the lady says that

467

00:20:01,490 --> 00:19:59,280

she saw them from across the street now

468

00:20:03,230 --> 00:20:01,500

uh I know we're kind of skipping around

469

00:20:05,450 --> 00:20:03,240

here but one of the boots on the ground

470

00:20:08,330 --> 00:20:05,460

research is another source of mine

471

00:20:11,390 --> 00:20:08,340

was able to go and talk to these uh

472

00:20:14,810 --> 00:20:11,400

people and

473

00:20:18,230 --> 00:20:14,820

apparently since the event nobody's

474

00:20:21,770 --> 00:20:18,240

really talking anymore so this this

475

00:20:24,650 --> 00:20:21,780

weeks of you know Men In Black cover-up

476

00:20:26,930 --> 00:20:24,660

kind of stories where you know you're

477

00:20:28,730 --> 00:20:26,940

not to discuss this with anybody kind of

478

00:20:31,310 --> 00:20:28,740

that's the vibe I'm getting right now

479

00:20:33,350 --> 00:20:31,320

and that's and to me so this happened on

480

00:20:35,390 --> 00:20:33,360

the 29th here we are June 8th or 9th

481

00:20:37,549 --> 00:20:35,400

whatever today is and the story just

482

00:20:39,470 --> 00:20:37,559

kind of broke here recently so basically

483

00:20:41,330 --> 00:20:39,480

almost a whole month or three weeks went

484

00:20:44,630 --> 00:20:41,340

by before we even heard about the story

485

00:20:46,130 --> 00:20:44,640

so and now this is this is a theory that

486

00:20:48,230 --> 00:20:46,140

I have it's I don't have the actual

487

00:20:51,110 --> 00:20:48,240

evidence to prove this I might get

488

00:20:53,029 --> 00:20:51,120

evidence at some point but I think that

489

00:20:55,669 --> 00:20:53,039

this thing was scrubbed

490

00:20:58,370 --> 00:20:55,679

and I think and I don't I'm pretty

491

00:21:00,350 --> 00:20:58,380

confident although I hope I'm wrong that

492

00:21:02,930 --> 00:21:00,360

we may never know the whole truth about

493

00:21:09,650 --> 00:21:06,470

such good points and the scrubbing seems

494

00:21:12,770 --> 00:21:09,660

very evident I also uh reached out to

495

00:21:16,070 --> 00:21:12,780

George Knapp and he validated and has

496

00:21:22,909 --> 00:21:20,029

the family members saw men in dark

497

00:21:25,190 --> 00:21:22,919

sunglasses with government plates

498

00:21:27,470 --> 00:21:25,200

uh this was the last conversations

499

00:21:30,230 --> 00:21:27,480

before like as you said many people have

500

00:21:33,830 --> 00:21:30,240

been reaching out and they have since

501

00:21:37,909 --> 00:21:33,840

gone silent now not to get too far off

502

00:21:40,190 --> 00:21:37,919

on a tangent of the timeline and these

503

00:21:43,510 --> 00:21:40,200

things possibly looking somewhat demonic

504

00:21:46,130 --> 00:21:43,520

however that this all took place

505

00:21:48,289 --> 00:21:46,140

depending on when it really doesn't

506

00:21:51,230 --> 00:21:48,299

matter because we have Wall purge's

507

00:21:54,230 --> 00:21:51,240

night which as many know May 1st is

508

00:21:56,930 --> 00:21:54,240

Beltane and while purchase night is

509

00:21:59,149 --> 00:21:56,940

April 30th to May 1st a very small

510

00:22:03,169 --> 00:21:59,159

timeline a very small window

511

00:22:05,450 --> 00:22:03,179

where it is said in mythology that

512

00:22:07,970 --> 00:22:05,460

demons sometimes make their presence

513

00:22:11,690 --> 00:22:07,980

known and also

514

00:22:15,649 --> 00:22:11,700

it is the night when it is said that

515

00:22:18,289 --> 00:22:15,659

witches come out and uh

516

00:22:19,850 --> 00:22:18,299

make their presence known so I think

517

00:22:21,590 --> 00:22:19,860

it's interesting that this took place

518

00:22:23,990 --> 00:22:21,600

and there's a lot of there's a lot of

519

00:22:27,770 --> 00:22:24,000

argument about when it took place but as

520

00:22:30,289 --> 00:22:27,780

near as we can tell this was from April

521

00:22:33,890 --> 00:22:30,299

30th more or less to May 1st if I'm not

522

00:22:35,990 --> 00:22:33,900

mistaken possibly even the 29th when it

523

00:22:37,190 --> 00:22:36,000

originated from its original destination

524

00:22:40,070 --> 00:22:37,200

so

525

00:22:42,649 --> 00:22:40,080

you know is this this is supposed to be

526

00:22:47,090 --> 00:22:42,659

Satan's lost hurray before the dawn of

527

00:22:50,450 --> 00:22:47,100

May which uh if you want to get into the

528

00:22:52,730 --> 00:22:50,460

roots of the occult and the timeline of

529

00:22:56,690 --> 00:22:52,740

the actual calendar day it happened

530

00:23:01,010 --> 00:22:56,700

right there I believe 11 50.

531

00:23:03,230 --> 00:23:01,020

to uh it was 11 57 or when the call came

532

00:23:04,850 --> 00:23:03,240

in 11 58 if I'm not mistaken or 11 it

533

00:23:07,730 --> 00:23:04,860

might have been no excuse me my bad 11

534

00:23:11,990 --> 00:23:07,740

30 11 28 11 30 something it was right

535

00:23:15,230 --> 00:23:12,000

around 11 30ish yeah it yeah it's right

536

00:23:17,210 --> 00:23:15,240

there I mean it is right there

537

00:23:19,190 --> 00:23:17,220

you're bringing something up that uh

538

00:23:20,570 --> 00:23:19,200

isn't it's an interesting Theory but

539

00:23:22,669 --> 00:23:20,580

there are synchronicities and

540

00:23:25,010 --> 00:23:22,679

coincidences that you you can't just

541

00:23:26,930 --> 00:23:25,020

discount off the top I mean no that's

542

00:23:29,690 --> 00:23:26,940

something that's got to be part of the

543

00:23:31,730 --> 00:23:29,700

equation to consider as to what what you

544

00:23:33,230 --> 00:23:31,740

know again we we will probably never be

545

00:23:35,090 --> 00:23:33,240

able to prove anything that we're

546

00:23:36,710 --> 00:23:35,100

discussing right now but we're having a

547

00:23:39,110 --> 00:23:36,720

conversation about an event that I

548

00:23:40,370 --> 00:23:39,120

believe happened 100 I mean there's

549

00:23:41,930 --> 00:23:40,380

going to be people out there that are

550

00:23:43,909 --> 00:23:41,940

going to there's always a handful of

551
00:23:46,430 --> 00:23:43,919
people out there that are gonna you know

552
00:23:47,870 --> 00:23:46,440
that for whatever reason they just want

553
00:23:49,970 --> 00:23:47,880
to be they just don't you just want to

554
00:23:51,289 --> 00:23:49,980
be debunkers you know most of most the

555
00:23:53,630 --> 00:23:51,299
bunkers matter of fact almost all the

556
00:23:55,370 --> 00:23:53,640
bunkers really are not researchers they

557
00:23:56,750 --> 00:23:55,380
don't do any actual they think they're

558
00:23:58,010 --> 00:23:56,760
doing research when they go on the

559
00:24:00,409 --> 00:23:58,020
internet that's that's then that's

560
00:24:02,029 --> 00:24:00,419
resource that's not research research is

561
00:24:04,549 --> 00:24:02,039
when you have contact sources and

562
00:24:06,770 --> 00:24:04,559
methods when when you go there you talk

563
00:24:09,289 --> 00:24:06,780

to people you you go boots on the ground

564

00:24:11,630 --> 00:24:09,299

you travel you talk you know you that's

565

00:24:13,970 --> 00:24:11,640

research so I get a little frustrated

566

00:24:15,289 --> 00:24:13,980

with these people out there that you

567

00:24:18,289 --> 00:24:15,299

watch a video

568

00:24:21,230 --> 00:24:18,299

and see this and they've looked at it

569

00:24:22,610 --> 00:24:21,240

maybe 10 of the information and then and

570

00:24:24,649 --> 00:24:22,620

then now they're just flipping off at

571

00:24:26,750 --> 00:24:24,659

the mouth about oh this is this and it

572

00:24:28,730 --> 00:24:26,760

was it was a meteor and it was this and

573

00:24:30,470 --> 00:24:28,740

this kid's hoax and I mean I'm just so

574

00:24:32,870 --> 00:24:30,480

tired of those people because really the

575

00:24:34,250 --> 00:24:32,880

old the kind of work that you and I are

576

00:24:35,750 --> 00:24:34,260

doing and others that are actually

577

00:24:38,690 --> 00:24:35,760

spending their time trying to figure

578

00:24:40,549 --> 00:24:38,700

this phenomena out it kind of It kind of

579

00:24:42,950 --> 00:24:40,559

puts it makes it more difficult for us

580

00:24:45,289 --> 00:24:42,960

and I think for them it's it's more of

581

00:24:47,390 --> 00:24:45,299

an ego trip maybe I don't really

582

00:24:48,770 --> 00:24:47,400

actually think they're that stupid I

583

00:24:51,230 --> 00:24:48,780

think it's kind of I just want attention

584

00:24:53,330 --> 00:24:51,240

and since I don't have the time to be an

585

00:24:54,770 --> 00:24:53,340

actual researcher I'm just going to be a

586

00:24:56,810 --> 00:24:54,780

debunker because anybody can be a

587

00:24:58,190 --> 00:24:56,820

debunker you know I mean it's not you

588

00:24:59,570 --> 00:24:58,200

know you don't even have to have any

589

00:25:01,490 --> 00:24:59,580

credentials or credibility you don't

590

00:25:03,409 --> 00:25:01,500

even have to be smart you know what I'm

591

00:25:06,950 --> 00:25:03,419

saying so I have issue with those people

592

00:25:09,409 --> 00:25:06,960

I agree and I argue that you know this

593

00:25:11,990 --> 00:25:09,419

this the more when you do the real

594

00:25:14,750 --> 00:25:12,000

research it becomes more intriguing and

595

00:25:17,210 --> 00:25:14,760

as you said the puzzle pieces start to

596

00:25:20,510 --> 00:25:17,220

actually form an image of what took

597

00:25:23,630 --> 00:25:20,520

place where you that doesn't happen in a

598

00:25:27,649 --> 00:25:23,640

case where it's easily debunked and uh

599

00:25:29,810 --> 00:25:27,659

there was a recent Vegas Mass sighting

600

00:25:33,190 --> 00:25:29,820

of a UFO where multiple people across

601
00:25:36,529 --> 00:25:33,200
the valley got footage saw the craft

602
00:25:39,049 --> 00:25:36,539
materialized and dematerialized and I

603
00:25:41,930 --> 00:25:39,059
was lucky enough to have Scott who in my

604
00:25:44,090 --> 00:25:41,940
opinion got the best footage of it and

605
00:25:45,710 --> 00:25:44,100
was also nearest so it wasn't you know

606
00:25:49,430 --> 00:25:45,720
he was closest it was easy to get the

607
00:25:51,830 --> 00:25:49,440
best footage but he described what he

608
00:25:53,649 --> 00:25:51,840
saw that night and his footages what

609
00:25:56,390 --> 00:25:53,659
actually made it to Coast to Coast AM

610
00:25:58,669 --> 00:25:56,400
and he seems to think that there was

611
00:26:01,789 --> 00:25:58,679
something about this area of the valley

612
00:26:04,850 --> 00:26:01,799
or Las Vegas that made this location

613
00:26:07,370 --> 00:26:04,860

easier to see the craft and we have a

614

00:26:09,890 --> 00:26:07,380

very similar situation with this

615

00:26:11,990 --> 00:26:09,900

particular event and I think it's

616

00:26:15,470 --> 00:26:12,000

interesting because we have former Air

617

00:26:18,590 --> 00:26:15,480

Force officials two of which are uh

618

00:26:20,690 --> 00:26:18,600

Tommy Bland and Nelson Pacheco who

619

00:26:23,510 --> 00:26:20,700

believe fallen angels have taken on the

620

00:26:26,930 --> 00:26:23,520

appearance of extraterrestrials and then

621

00:26:29,990 --> 00:26:26,940

we also have recently the notification

622

00:26:33,169 --> 00:26:30,000

that top Aerospace scientists suspect

623

00:26:35,090 --> 00:26:33,179

UFOs are biblical time machines these

624

00:26:38,630 --> 00:26:35,100

are all very strange things for

625

00:26:40,610 --> 00:26:38,640

government officials to say when it's

626

00:26:43,430 --> 00:26:40,620

basically been kind of the status quo

627

00:26:45,049 --> 00:26:43,440

for so long I mean this this time in

628

00:26:48,649 --> 00:26:45,059

general the last couple of months have

629

00:26:50,810 --> 00:26:48,659

been groundbreaking for uaps and UFOs

630

00:26:53,090 --> 00:26:50,820

what are your thoughts about the timing

631

00:26:55,850 --> 00:26:53,100

of this I mean it just seems hot

632

00:26:58,610 --> 00:26:55,860

oh yeah it's uh I was trying to lay low

633

00:27:01,010 --> 00:26:58,620

to be quite honest with you I I was

634

00:27:04,269 --> 00:27:01,020

uh you know you know I was up at your

635

00:27:06,529 --> 00:27:04,279

place uh last month and you know

636

00:27:08,930 --> 00:27:06,539

I'm just I've been trying to kind of

637

00:27:11,690 --> 00:27:08,940

just take a break because it's

638

00:27:13,730 --> 00:27:11,700

exhausting to do this you know and and

639

00:27:15,590 --> 00:27:13,740

if the thing is it's like you're you're

640

00:27:16,430 --> 00:27:15,600

in it you're in a haystack looking for a

641

00:27:18,950 --> 00:27:16,440

needle

642

00:27:20,390 --> 00:27:18,960

and when you go into the haystack you

643

00:27:21,890 --> 00:27:20,400

know chances are you're not going to

644

00:27:24,169 --> 00:27:21,900

find the needle you just already know

645

00:27:25,789 --> 00:27:24,179

that but but you know there's a needle

646

00:27:28,250 --> 00:27:25,799

in there somewhere at least you highly

647

00:27:30,470 --> 00:27:28,260

use you highly suspect there's a needle

648

00:27:32,029 --> 00:27:30,480

in that Haystack so if you've got the

649

00:27:34,130 --> 00:27:32,039

time and the energy and the

650

00:27:37,909 --> 00:27:34,140

determination you'll just start looking

651
00:27:39,289 --> 00:27:37,919
for it in in this particular story uh I

652
00:27:41,630 --> 00:27:39,299
think there's a needle in the haystack

653
00:27:42,890 --> 00:27:41,640
and I think we found it now I don't know

654
00:27:45,049 --> 00:27:42,900
if we're going to be able to prove that

655
00:27:46,669 --> 00:27:45,059
that needle got there by aliens

656
00:27:47,870 --> 00:27:46,679
but there's certainly a needle in the

657
00:27:50,330 --> 00:27:47,880
haystack

658
00:27:52,310 --> 00:27:50,340
um but but let's go back to so how this

659
00:27:55,010 --> 00:27:52,320
all started so

660
00:27:56,690 --> 00:27:55,020
um according to my source about uh you

661
00:27:58,430 --> 00:27:56,700
know I'm not going to name all the

662
00:28:00,409 --> 00:27:58,440
information about all that but I'm just

663
00:28:02,930 --> 00:28:00,419

going to say this that

664

00:28:05,690 --> 00:28:02,940

um it was cited there was an object that

665

00:28:07,250 --> 00:28:05,700

same night earlier before 11 30. I don't

666

00:28:09,710 --> 00:28:07,260

know how much earlier but around the

667

00:28:13,730 --> 00:28:09,720

time frame just before it landed in Las

668

00:28:16,190 --> 00:28:13,740

Vegas an object was cited by eye and

669

00:28:17,930 --> 00:28:16,200

tracked by radar coming from the Bishop

670

00:28:18,789 --> 00:28:17,940

California area which is Eastern

671

00:28:21,409 --> 00:28:18,799

California

672

00:28:24,289 --> 00:28:21,419

then when you go from there towards

673

00:28:26,230 --> 00:28:24,299

Vegas okay we're talking just a few hour

674

00:28:29,810 --> 00:28:26,240

drive more or less

675

00:28:32,990 --> 00:28:29,820

if you're going towards the Utah Vegas

676
00:28:34,630 --> 00:28:33,000
border okay there's a town called

677
00:28:38,090 --> 00:28:34,640
Mesquite

678
00:28:41,149 --> 00:28:38,100
this object I'm told was tracked going

679
00:28:42,950 --> 00:28:41,159
towards Mesquite it got to the the area

680
00:28:47,149 --> 00:28:42,960
where right on the border there of Utah

681
00:28:50,149 --> 00:28:47,159
and Nevada and it turned around

682
00:28:52,430 --> 00:28:50,159
after it turned around I'm told that it

683
00:28:54,649 --> 00:28:52,440
literally went right across or over

684
00:28:56,510 --> 00:28:54,659
Nellis Air Force Base

685
00:28:59,210 --> 00:28:56,520
now think about this for a say let's

686
00:29:01,130 --> 00:28:59,220
just say that that's true okay and

687
00:29:03,890 --> 00:29:01,140
they're tracking this thing

688
00:29:06,169 --> 00:29:03,900

and I believe that we have technology

689

00:29:08,149 --> 00:29:06,179

that if we want to bring something like

690

00:29:09,769 --> 00:29:08,159

this down we could now I'm not

691

00:29:12,590 --> 00:29:09,779

suggesting that this thing was shot down

692

00:29:15,350 --> 00:29:12,600

at any point I don't know but but it's

693

00:29:17,690 --> 00:29:15,360

but I'm telling you that I believe that

694

00:29:20,870 --> 00:29:17,700

they knew that this thing was in this in

695

00:29:23,330 --> 00:29:20,880

the sky moving across Nevada

696

00:29:25,010 --> 00:29:23,340

and it went to that that house over

697

00:29:27,230 --> 00:29:25,020

there and and I'm not going to give the

698

00:29:31,070 --> 00:29:27,240

address even though I have it uh in Las

699

00:29:32,990 --> 00:29:31,080

Vegas and uh and it landed so why did it

700

00:29:35,389 --> 00:29:33,000

land there

701
00:29:36,769 --> 00:29:35,399
what do you think why there what would

702
00:29:38,690 --> 00:29:36,779
you guess why would you guess that it

703
00:29:42,649 --> 00:29:38,700
would land there of all places

704
00:29:44,870 --> 00:29:42,659
the location looks ideal for a short

705
00:29:48,529 --> 00:29:44,880
term fix

706
00:29:51,529 --> 00:29:48,539
um it's it's a very well organized

707
00:29:53,990 --> 00:29:51,539
backyard and if I was having engine

708
00:29:56,630 --> 00:29:54,000
trouble or I needed a place to put

709
00:29:58,549 --> 00:29:56,640
things down that seemed to be

710
00:29:59,750 --> 00:29:58,559
um occulted from all the rest of the

711
00:30:02,029 --> 00:29:59,760
surroundings that's where I would put

712
00:30:04,130 --> 00:30:02,039
something down

713
00:30:05,750 --> 00:30:04,140

you know and you live there you live in

714

00:30:08,330 --> 00:30:05,760

Vegas you I'm not going to say where you

715

00:30:09,889 --> 00:30:08,340

live but I know that your house is I

716

00:30:11,510 --> 00:30:09,899

mean I could probably go from where that

717

00:30:13,490 --> 00:30:11,520

thing landed to your house in probably

718

00:30:15,710 --> 00:30:13,500

five or ten minutes

719

00:30:24,649 --> 00:30:15,720

right it's in the same general vicinity

720

00:30:29,750 --> 00:30:27,409

big news it was the first time that I

721

00:30:33,470 --> 00:30:29,760

had that I'd seen uh during the video

722

00:30:35,330 --> 00:30:33,480

report screenshots uh from Google Earth

723

00:30:38,930 --> 00:30:35,340

of the house

724

00:30:41,330 --> 00:30:38,940

of the street of the area but of course

725

00:30:43,490 --> 00:30:41,340

no street signs no mention of the street

726

00:30:45,950 --> 00:30:43,500

no mention of the area we just know that

727

00:30:48,649 --> 00:30:45,960

it was in Las Vegas so I called you this

728

00:30:50,510 --> 00:30:48,659

morning and I'm trying to I'm contacting

729

00:30:52,630 --> 00:30:50,520

my even my sources don't know the

730

00:30:54,830 --> 00:30:52,640

address yet at this point this morning

731

00:30:57,950 --> 00:30:54,840

they were working on trying to get the

732

00:31:01,250 --> 00:30:57,960

address for me so I'm as I was impatient

733

00:31:02,630 --> 00:31:01,260

so I called you and I said where this is

734

00:31:05,870 --> 00:31:02,640

where I'm told

735

00:31:07,490 --> 00:31:05,880

uh that this thing happened and then it

736

00:31:10,010 --> 00:31:07,500

was Sunny Hills or something like that

737

00:31:11,389 --> 00:31:10,020

or sunny Valley or Spring Valley is it

738

00:31:14,210 --> 00:31:11,399

called Spring Valley or Spring Hills

739

00:31:16,010 --> 00:31:14,220

over yeah Spring Valley correct Spring

740

00:31:17,930 --> 00:31:16,020

Valley so I was told that it was in the

741

00:31:20,389 --> 00:31:17,940

Spring Valley area

742

00:31:23,630 --> 00:31:20,399

on Google Earth

743

00:31:25,669 --> 00:31:23,640

owing like block by block trying to find

744

00:31:27,769 --> 00:31:25,679

what I could any kind of clue of where

745

00:31:30,230 --> 00:31:27,779

this might have been and then I called

746

00:31:32,269 --> 00:31:30,240

you and you said no it's not there it's

747

00:31:34,310 --> 00:31:32,279

over here so I'm not going to say it on

748

00:31:36,169 --> 00:31:34,320

my show right now no and that leads that

749

00:31:38,210 --> 00:31:36,179

leads to the deception we're finding

750

00:31:39,169 --> 00:31:38,220

this over and over again but please go

751
00:31:41,870 --> 00:31:39,179
on

752
00:31:43,310 --> 00:31:41,880
yeah yeah you're yeah so yeah it seems

753
00:31:45,049 --> 00:31:43,320
like you know there's some diversion

754
00:31:47,210 --> 00:31:45,059
going on here no doubt I mean oh it was

755
00:31:49,310 --> 00:31:47,220
it could have been a meteor or a crashed

756
00:31:50,690 --> 00:31:49,320
you know there's they're not they don't

757
00:31:52,070 --> 00:31:50,700
want to say Atlanta they don't want to

758
00:31:53,990 --> 00:31:52,080
say where it happened they just want to

759
00:31:55,370 --> 00:31:54,000
give us you know they can't totally lie

760
00:31:56,870 --> 00:31:55,380
because then it looks like they're lying

761
00:31:59,570 --> 00:31:56,880
I'm not again I shouldn't say that

762
00:32:02,350 --> 00:31:59,580
anybody's lying but it but this is how

763
00:32:04,909 --> 00:32:02,360

cover-ups work so anyway so uh so I did

764

00:32:06,850 --> 00:32:04,919

based on the clue that you gave me I

765

00:32:09,889 --> 00:32:06,860

went back on Google Earth

766

00:32:12,769 --> 00:32:09,899

and I started scrolling that area

767

00:32:14,389 --> 00:32:12,779

and there there's a specific clue in

768

00:32:16,850 --> 00:32:14,399

those pictures that were on the

769

00:32:19,970 --> 00:32:16,860

Georgetown video that made it kind of

770

00:32:22,010 --> 00:32:19,980

easy for me to find okay

771

00:32:24,049 --> 00:32:22,020

it took me about five minutes once I

772

00:32:26,570 --> 00:32:24,059

scanned that area I found I found the

773

00:32:28,070 --> 00:32:26,580

house and then I had to then I had to

774

00:32:30,529 --> 00:32:28,080

figure out figure out what street that

775

00:32:32,450 --> 00:32:30,539

was on and the information you gave me

776

00:32:36,110 --> 00:32:32,460

helped greatly so that was able to take

777

00:32:38,710 --> 00:32:36,120

that information I I found the house I

778

00:32:41,990 --> 00:32:38,720

you know figured out the address

779

00:32:43,610 --> 00:32:42,000

that's real reason that's real research

780

00:32:46,010 --> 00:32:43,620

right there I mean that's what I'm

781

00:32:48,350 --> 00:32:46,020

talking about yeah yeah

782

00:32:51,049 --> 00:32:48,360

so I mean uh you know and I talked to my

783

00:32:53,029 --> 00:32:51,059

other friend about this who's uh retired

784

00:32:54,950 --> 00:32:53,039

uh he's not uh

785

00:32:56,570 --> 00:32:54,960

it's not really a source but he's a

786

00:32:59,149 --> 00:32:56,580

confidant that I can go to with

787

00:33:01,190 --> 00:32:59,159

information to try to verify and vet

788

00:33:02,930 --> 00:33:01,200

he's kind of my conscience he's like

789

00:33:04,490 --> 00:33:02,940

well hold on before you jump to any

790

00:33:06,110 --> 00:33:04,500

conclusions you know he's like did you

791

00:33:08,149 --> 00:33:06,120

do this did you look at this and I mean

792

00:33:10,549 --> 00:33:08,159

he's he's not really a skeptic but he's

793

00:33:12,529 --> 00:33:10,559

the guy that's just making sure that I

794

00:33:14,269 --> 00:33:12,539

cross the t's and Dot the eyes as I'm

795

00:33:16,070 --> 00:33:14,279

going down this path here that I don't

796

00:33:18,169 --> 00:33:16,080

get ahead of myself he says you know

797

00:33:20,149 --> 00:33:18,179

don't don't just put out what you want

798

00:33:21,950 --> 00:33:20,159

to believe put out what you what you

799

00:33:23,509 --> 00:33:21,960

learn and let people decide for

800

00:33:24,470 --> 00:33:23,519

themselves what they want to believe and

801
00:33:26,149 --> 00:33:24,480
that's what I'm trying to do here

802
00:33:27,889 --> 00:33:26,159
although I have my beliefs I'm not

803
00:33:29,750 --> 00:33:27,899
trying to convince anybody right now

804
00:33:33,590 --> 00:33:29,760
that this is what happened but I believe

805
00:33:36,889 --> 00:33:33,600
it is what happened so anyway so uh

806
00:33:40,009 --> 00:33:36,899
so yeah so we got the house uh you know

807
00:33:42,470 --> 00:33:40,019
I I'm not gonna go knock on the door

808
00:33:44,269 --> 00:33:42,480
okay I'm not going to do that uh there's

809
00:33:45,590 --> 00:33:44,279
there we you and I have discussed you

810
00:33:47,810 --> 00:33:45,600
know what we're going to do when we can

811
00:33:49,549 --> 00:33:47,820
to see if we can uh establish some sort

812
00:33:52,610 --> 00:33:49,559
of communication through our through our

813
00:33:54,830 --> 00:33:52,620

channels and there needs to be follow-up

814

00:33:56,269 --> 00:33:54,840

on this I don't know how easy that

815

00:33:58,549 --> 00:33:56,279

follow-up's gonna be and that's where

816

00:34:00,649 --> 00:33:58,559

the hard work's coming in and I've been

817

00:34:02,509 --> 00:34:00,659

doing so far it's taken a lot of time

818

00:34:05,090 --> 00:34:02,519

but it's not really hard work the hard

819

00:34:06,889 --> 00:34:05,100

work is when I get to Vegas and and then

820

00:34:08,690 --> 00:34:06,899

we really try to dig up and see what we

821

00:34:11,329 --> 00:34:08,700

can find that's above and beyond what we

822

00:34:13,669 --> 00:34:11,339

know right now so uh anyway this so

823

00:34:15,109 --> 00:34:13,679

that's where I'm at with that and I mean

824

00:34:16,849 --> 00:34:15,119

I know it's going to sound weird but

825

00:34:20,750 --> 00:34:16,859

some people like you and I like living

826

00:34:24,050 --> 00:34:20,760

in reality and going and looking the the

827

00:34:25,970 --> 00:34:24,060

situation in you know on site and you

828

00:34:27,710 --> 00:34:25,980

are headed to Vegas we are going to walk

829

00:34:29,510 --> 00:34:27,720

through and uh

830

00:34:31,730 --> 00:34:29,520

look at this

831

00:34:33,950 --> 00:34:31,740

um literally in our own backyard so to

832

00:34:36,470 --> 00:34:33,960

speak but it's important to also mention

833

00:34:39,169 --> 00:34:36,480

the synchronicities and I won't go into

834

00:34:41,990 --> 00:34:39,179

them but you mentioned the flight

835

00:34:46,970 --> 00:34:42,000

trajectories that had been tracked where

836

00:34:51,710 --> 00:34:46,980

this uh purported UAP was said to have

837

00:34:55,129 --> 00:34:51,720

directed or landed later on and what's

838

00:34:58,010 --> 00:34:55,139

odd is this was a location that not only

839

00:34:59,930 --> 00:34:58,020

is it off the beaten path not only is it

840

00:35:01,609 --> 00:34:59,940

somewhere I would never go but it is

841

00:35:05,210 --> 00:35:01,619

somewhere I was planning on going Monday

842

00:35:07,609 --> 00:35:05,220

anyway and this is the type of strange

843

00:35:10,550 --> 00:35:07,619

stuff that happens right under our noses

844

00:35:14,270 --> 00:35:10,560

right in front of us when it comes to

845

00:35:16,790 --> 00:35:14,280

UAP uh this this this kind of cosmic

846

00:35:18,950 --> 00:35:16,800

mystery that is impossible my first

847

00:35:21,589 --> 00:35:18,960

reaction was like you gotta be kidding

848

00:35:23,150 --> 00:35:21,599

me there's no way when you said and I'm

849

00:35:25,430 --> 00:35:23,160

not going to repeat but when you said

850

00:35:27,710 --> 00:35:25,440

what you said I just in my mind was

851

00:35:30,650 --> 00:35:27,720

thinking this is impossible this could

852

00:35:34,069 --> 00:35:30,660

not happen I'm going there Monday wanna

853

00:35:35,690 --> 00:35:34,079

come and that's how research works I

854

00:35:38,630 --> 00:35:35,700

mean when you care more about the people

855

00:35:41,990 --> 00:35:38,640

that are doing the research than in as

856

00:35:44,089 --> 00:35:42,000

you said the belief or what you want to

857

00:35:47,089 --> 00:35:44,099

propagate online

858

00:35:49,849 --> 00:35:47,099

it literally stands out in front of you

859

00:35:51,410 --> 00:35:49,859

the truth is more easily

860

00:35:52,970 --> 00:35:51,420

available

861

00:35:54,890 --> 00:35:52,980

yeah

862

00:35:56,510 --> 00:35:54,900

all right so let's let's go

863

00:35:58,010 --> 00:35:56,520

let's go

864

00:35:59,990 --> 00:35:58,020

uh we're gonna you know I don't have all

865

00:36:03,109 --> 00:36:00,000

my notes uh let's get to the backyard

866

00:36:05,810 --> 00:36:03,119

man I mean every in the backyard so so

867

00:36:07,970 --> 00:36:05,820

this is uh now my I have very close

868

00:36:10,069 --> 00:36:07,980

friends that are experiencers Eric

869

00:36:12,910 --> 00:36:10,079

Mitchell he is

870

00:36:15,950 --> 00:36:12,920

there is no experiencer that I've met

871

00:36:18,530 --> 00:36:15,960

with or spent time with or lived with

872

00:36:20,990 --> 00:36:18,540

and traveled with that has more

873

00:36:22,430 --> 00:36:21,000

credibility than Eric Mitchell I'm not

874

00:36:23,930 --> 00:36:22,440

saying that because he's my friend or

875

00:36:28,089 --> 00:36:23,940

I'm trying to boast about knowing Eric

876

00:36:31,190 --> 00:36:28,099

Mitchell uh he had an experience in 2013

877

00:36:35,569 --> 00:36:31,200

multiple Witnesses the experiences

878

00:36:39,470 --> 00:36:35,579

continued multiple Witnesses uh you know

879

00:36:42,290 --> 00:36:39,480

he was unfortunately uh he won't say

880

00:36:44,510 --> 00:36:42,300

this publicly I don't think but I know

881

00:36:47,450 --> 00:36:44,520

that based on what he described happened

882

00:36:49,790 --> 00:36:47,460

to him as a result of the experiences uh

883

00:36:51,470 --> 00:36:49,800

they wanted to shut that down in 2013

884

00:36:54,650 --> 00:36:51,480

they weren't they weren't ready for

885

00:36:55,849 --> 00:36:54,660

disclosure yeah 14 years later when they

886

00:36:59,810 --> 00:36:55,859

started

887

00:37:04,190 --> 00:37:02,270

oh well we lost you here let me see if I

888

00:37:06,170 --> 00:37:04,200

can get you back

889

00:37:08,690 --> 00:37:06,180

I hear you do you hear me okay you're

890

00:37:10,550 --> 00:37:08,700

back yeah sorry if you could just repeat

891

00:37:13,190 --> 00:37:10,560

that that was the strangest it started

892

00:37:15,290 --> 00:37:13,200

gurgling and it just cut out

893

00:37:16,430 --> 00:37:15,300

okay can you hear me okay now yep you

894

00:37:19,069 --> 00:37:16,440

sound good

895

00:37:21,109 --> 00:37:19,079

all right I'll go back so uh

896

00:37:21,950 --> 00:37:21,119

just the last part just the last part

897

00:37:23,569 --> 00:37:21,960

about

898

00:37:24,890 --> 00:37:23,579

um how they tried to shut this down with

899

00:37:27,170 --> 00:37:24,900

Eric Mitchell

900

00:37:30,109 --> 00:37:27,180

oh yeah so um

901
00:37:31,849 --> 00:37:30,119
so I'm doing terrible how I say this uh

902
00:37:34,609 --> 00:37:31,859
it's been reported

903
00:37:37,750 --> 00:37:34,619
that uh

904
00:37:40,370 --> 00:37:37,760
geez I could say their name

905
00:37:42,829 --> 00:37:40,380
but this particular person is actually

906
00:37:44,390 --> 00:37:42,839
even admitted it very very off the cusp

907
00:37:45,410 --> 00:37:44,400
of an interview that I watched earlier

908
00:37:49,430 --> 00:37:45,420
this year

909
00:37:51,710 --> 00:37:49,440
that um that that may whoever they are

910
00:37:55,430 --> 00:37:51,720
now whether this is some Rogue agency

911
00:37:57,710 --> 00:37:55,440
that's been hired by some unknown uh

912
00:38:01,250 --> 00:37:57,720
intelligence agency now I know people

913
00:38:04,069 --> 00:38:01,260

love to blame the CIA okay but but trust

914

00:38:06,589 --> 00:38:04,079

me there's so many agencies out there in

915

00:38:08,930 --> 00:38:06,599

intelligence I mean John Ramirez did a

916

00:38:12,050 --> 00:38:08,940

presentation not too long ago and it's

917

00:38:13,670 --> 00:38:12,060

it's like a pyramid and it's and most

918

00:38:15,890 --> 00:38:13,680

people have no clue

919

00:38:18,650 --> 00:38:15,900

how much how much intelligence agencies

920

00:38:21,290 --> 00:38:18,660

are out there involved in things but of

921

00:38:23,569 --> 00:38:21,300

course the CIO always gets blamed but in

922

00:38:25,670 --> 00:38:23,579

this particular I don't know who hired

923

00:38:27,950 --> 00:38:25,680

these people who train these people or

924

00:38:29,030 --> 00:38:27,960

who they answer to but there are people

925

00:38:31,370 --> 00:38:29,040

out there

926

00:38:34,130 --> 00:38:31,380

I don't know about right now today but

927

00:38:36,109 --> 00:38:34,140

certainly in 2013 that if they want to

928

00:38:37,690 --> 00:38:36,119

shut somebody up or they want to

929

00:38:41,270 --> 00:38:37,700

intimidate somebody

930

00:38:43,550 --> 00:38:41,280

that that's a reality that occurred

931

00:38:46,130 --> 00:38:43,560

and it's occurred more than once with

932

00:38:48,109 --> 00:38:46,140

with more than one person these people

933

00:38:51,530 --> 00:38:48,119

this is what kind of keeps the

934

00:38:54,349 --> 00:38:51,540

experiencers you know off

935

00:38:57,650 --> 00:38:54,359

you don't see too many people on radio

936

00:38:59,390 --> 00:38:57,660

interviews or on Twitter spaces talking

937

00:39:01,430 --> 00:38:59,400

about this stuff because they're afraid

938

00:39:03,290 --> 00:39:01,440

and I get it

939

00:39:04,670 --> 00:39:03,300

um so it and you know this kind of goes

940

00:39:06,589 --> 00:39:04,680

towards what we're talking about right

941

00:39:10,010 --> 00:39:06,599

now with this object that land in the

942

00:39:12,230 --> 00:39:10,020

backyard and these two tall creatures

943

00:39:13,730 --> 00:39:12,240

that or we know at least one I'm here

944

00:39:15,829 --> 00:39:13,740

I'm hearing there were two but I don't

945

00:39:17,510 --> 00:39:15,839

know but at least one of them was seen

946

00:39:20,089 --> 00:39:17,520

uh maybe two

947

00:39:23,390 --> 00:39:20,099

um so you know and now all of a sudden

948

00:39:25,790 --> 00:39:23,400

uh the family's not talking

949

00:39:27,950 --> 00:39:25,800

and and the kids not talking

950

00:39:28,970 --> 00:39:27,960

and and George Knapp can't get an

951
00:39:32,030 --> 00:39:28,980
interview

952
00:39:33,950 --> 00:39:32,040
and Doug Papa who broke the story uh

953
00:39:35,810 --> 00:39:33,960
suddenly now he's having trouble uh it

954
00:39:38,750 --> 00:39:35,820
appears to uh furthering the

955
00:39:41,930 --> 00:39:38,760
communication although he he was the he

956
00:39:43,910 --> 00:39:41,940
was the only one that I know of that

957
00:39:45,770 --> 00:39:43,920
actually got to interview Angel the 18

958
00:39:48,710 --> 00:39:45,780
year old and that's on his YouTube

959
00:39:52,069 --> 00:39:48,720
channel uh uh Doug Papa

960
00:39:54,349 --> 00:39:52,079
um so other but since that time uh these

961
00:39:57,770 --> 00:39:54,359
people are silent so I I really think

962
00:40:00,230 --> 00:39:57,780
that um somebody got to him

963
00:40:02,569 --> 00:40:00,240

and you know these people can be very

964

00:40:04,970 --> 00:40:02,579

intimidating and these are real people

965

00:40:07,190 --> 00:40:04,980

this is not just some hoaxing uh you

966

00:40:08,930 --> 00:40:07,200

know conversation that to try to scam or

967

00:40:10,730 --> 00:40:08,940

intimidate people this is this stuff

968

00:40:12,050 --> 00:40:10,740

really goes on most people have a hard

969

00:40:14,089 --> 00:40:12,060

time believing that but that's that's

970

00:40:15,230 --> 00:40:14,099

how this sort of stuff gets hidden or

971

00:40:17,510 --> 00:40:15,240

covered up

972

00:40:22,150 --> 00:40:17,520

I'm really glad that you bring this up

973

00:40:24,050 --> 00:40:22,160

Eric because as you're aware uh Scott

974

00:40:26,990 --> 00:40:24,060

something

975

00:40:30,230 --> 00:40:27,000

right around this same time frame

976
00:40:31,990 --> 00:40:30,240
um given uh the dates and the time frame

977
00:40:35,329 --> 00:40:32,000
and the window that we're talking about

978
00:40:36,950 --> 00:40:35,339
this this same individual who is located

979
00:40:38,750 --> 00:40:36,960
nearby

980
00:40:40,910 --> 00:40:38,760
and has

981
00:40:44,089 --> 00:40:40,920
um I won't give away where he lives but

982
00:40:46,370 --> 00:40:44,099
he is uniquely positioned where if he

983
00:40:48,609 --> 00:40:46,380
goes out on his balcony he can literally

984
00:40:51,770 --> 00:40:48,619
see this exact area we're talking about

985
00:40:52,670 --> 00:40:51,780
and he filmed something that he sent to

986
00:40:58,430 --> 00:40:52,680
me

987
00:40:59,750 --> 00:40:58,440
the online or I'm sorry his partner his

988
00:41:03,290 --> 00:40:59,760

girlfriend I believe it is I don't want

989

00:41:07,310 --> 00:41:03,300

to mess that up it's one of those

990

00:41:10,670 --> 00:41:07,320

um she was able to basically go online

991

00:41:12,650 --> 00:41:10,680

see other people corroborating the

992

00:41:16,190 --> 00:41:12,660

evidence that he filmed

993

00:41:19,010 --> 00:41:16,200

and in real time she was able to see

994

00:41:21,349 --> 00:41:19,020

these things pull down off the internet

995

00:41:23,569 --> 00:41:21,359

oh man lost him again

996

00:41:26,510 --> 00:41:23,579

man this never happens when I'm talking

997

00:41:28,130 --> 00:41:26,520

to him Never As a matter of fact any and

998

00:41:29,930 --> 00:41:28,140

I'm not one to like to try to jump on

999

00:41:31,970 --> 00:41:29,940

radio shows and do interviews because I

1000

00:41:34,670 --> 00:41:31,980

like to keep a low profile yeah I've

1001

00:41:36,050 --> 00:41:34,680

never had this problem again I'm not

1002

00:41:37,190 --> 00:41:36,060

trying to be a conspiracy theorist who's

1003

00:41:38,870 --> 00:41:37,200

saying oh they're listening to our

1004

00:41:40,310 --> 00:41:38,880

conversation and we're we're you know

1005

00:41:41,810 --> 00:41:40,320

we're getting cut off on purpose I mean

1006

00:41:43,490 --> 00:41:41,820

who knows I doubt it that that could be

1007

00:41:45,950 --> 00:41:43,500

but the point is is this is another

1008

00:41:47,690 --> 00:41:45,960

synchronicity you know what I mean

1009

00:41:49,190 --> 00:41:47,700

it's just weird that it's happening now

1010

00:41:50,030 --> 00:41:49,200

when we're talking about this but where

1011

00:41:52,370 --> 00:41:50,040

were we

1012

00:41:55,609 --> 00:41:52,380

um yeah basically their ability to clean

1013

00:41:56,990 --> 00:41:55,619

things up to scrub to disinform and I

1014

00:41:58,790 --> 00:41:57,000

was just mentioning Scott got some

1015

00:42:00,470 --> 00:41:58,800

footage right around the same time his

1016

00:42:03,349 --> 00:42:00,480

girlfriend wife or partner I can't

1017

00:42:06,170 --> 00:42:03,359

remember which went online saw other

1018

00:42:08,810 --> 00:42:06,180

people who were in real time commenting

1019

00:42:11,089 --> 00:42:08,820

that they also saw something when she

1020

00:42:13,310 --> 00:42:11,099

went to respond she started to notice

1021

00:42:15,410 --> 00:42:13,320

that the internet literally right in

1022

00:42:18,829 --> 00:42:15,420

front of her these comments were being

1023

00:42:22,130 --> 00:42:18,839

removed the uh sightings posts were

1024

00:42:24,069 --> 00:42:22,140

being taken down and so uh they reached

1025

00:42:27,829 --> 00:42:24,079

out to me and they sent me the footage

1026

00:42:30,290 --> 00:42:27,839

we need to analyze this footage in

1027

00:42:32,150 --> 00:42:30,300

comparison to what has landed in this

1028

00:42:35,150 --> 00:42:32,160

backyard because it is the same time

1029

00:42:37,970 --> 00:42:35,160

frame so to speak and I just think that

1030

00:42:40,550 --> 00:42:37,980

the belief that people don't see these

1031

00:42:43,310 --> 00:42:40,560

things or that they don't believe it can

1032

00:42:45,410 --> 00:42:43,320

be cleaned up it it's just it's just

1033

00:42:48,770 --> 00:42:45,420

easy to take that debunker skeptic

1034

00:42:50,750 --> 00:42:48,780

stance uh I've seen too much in my own

1035

00:42:53,150 --> 00:42:50,760

life and I know you have as well to

1036

00:42:55,790 --> 00:42:53,160

believe that this stuff doesn't happen

1037

00:42:57,650 --> 00:42:55,800

exactly and I get it I mean I get that

1038

00:42:59,630 --> 00:42:57,660

there's houses out there and you know

1039

00:43:01,370 --> 00:42:59,640

what there's probably more uh I'll be

1040

00:43:03,589 --> 00:43:01,380

I'm willing to say this

1041

00:43:06,109 --> 00:43:03,599

there's more probably more BS out there

1042

00:43:08,809 --> 00:43:06,119

than there is truth I get that but but

1043

00:43:11,089 --> 00:43:08,819

what I don't really appreciate is if if

1044

00:43:13,250 --> 00:43:11,099

you took 10 incidents that occurred

1045

00:43:15,770 --> 00:43:13,260

let's just say and let's say eight of

1046

00:43:17,809 --> 00:43:15,780

them were BS and two were legit you

1047

00:43:19,309 --> 00:43:17,819

you're gonna always have that guy or

1048

00:43:21,230 --> 00:43:19,319

that girl typically it's the guys

1049

00:43:23,150 --> 00:43:21,240

because the guys tend to have more their

1050

00:43:25,490 --> 00:43:23,160

egoses they need to pretend like they

1051
00:43:27,170 --> 00:43:25,500
know everything uh they're gonna debunk

1052
00:43:28,849 --> 00:43:27,180
every one of them whether they do

1053
00:43:30,349 --> 00:43:28,859
whether there's a whether it's a proper

1054
00:43:33,170 --> 00:43:30,359
debunking or not they're going to give

1055
00:43:36,170 --> 00:43:33,180
it their best shot and the reality is is

1056
00:43:37,849 --> 00:43:36,180
if a debunker can be right 80 or 90

1057
00:43:39,650 --> 00:43:37,859
percent of the time

1058
00:43:41,390 --> 00:43:39,660
but they're going to be wrong 10 or 20

1059
00:43:43,430 --> 00:43:41,400
percent of the time but in their mind

1060
00:43:45,109 --> 00:43:43,440
they're never wrong so what you and I

1061
00:43:47,809 --> 00:43:45,119
are trying to do is to find that 10 or

1062
00:43:49,370 --> 00:43:47,819
20 I'm just using that as an example of

1063
00:43:51,109 --> 00:43:49,380

what's true or we're trying to sit

1064

00:43:52,970 --> 00:43:51,119

through the BS to find what's real and

1065

00:43:54,530 --> 00:43:52,980

what's not now I wouldn't even bother

1066

00:43:55,970 --> 00:43:54,540

talking to you about this or doing a

1067

00:43:57,770 --> 00:43:55,980

wasting my time and some sort of

1068

00:43:59,809 --> 00:43:57,780

interview that we're doing right now if

1069

00:44:01,790 --> 00:43:59,819

I wasn't all in on this I just I'm not

1070

00:44:04,130 --> 00:44:01,800

this I'm it's not my nature I don't want

1071

00:44:06,230 --> 00:44:04,140

I don't need the attention I don't want

1072

00:44:07,490 --> 00:44:06,240

the attention but this to me this is a

1073

00:44:10,190 --> 00:44:07,500

real story

1074

00:44:11,510 --> 00:44:10,200

there are too many in my opinion I have

1075

00:44:15,349 --> 00:44:11,520

to agree with you there's too many

1076
00:44:18,650 --> 00:44:15,359
synchronicities coincidences and pieces

1077
00:44:20,870 --> 00:44:18,660
of the puzzle which seem to align around

1078
00:44:22,010 --> 00:44:20,880
the overall image of what took place

1079
00:44:24,430 --> 00:44:22,020
that night

1080
00:44:27,349 --> 00:44:24,440
for there not to be something there

1081
00:44:29,210 --> 00:44:27,359
oftentimes you'll get a wild claim no

1082
00:44:31,849 --> 00:44:29,220
evidence to support it

1083
00:44:34,190 --> 00:44:31,859
here it's the exact opposite you have

1084
00:44:36,109 --> 00:44:34,200
the evidence to support it only problem

1085
00:44:40,390 --> 00:44:36,119
is the majority of this evidence has

1086
00:44:44,150 --> 00:44:40,400
been scrubbed or is being ignored by a

1087
00:44:46,309 --> 00:44:44,160
huge faction of of I mean why why wasn't

1088
00:44:49,790 --> 00:44:46,319

this reported the next day the next the

1089

00:44:52,490 --> 00:44:49,800

same week even why 30 days lead we're

1090

00:44:55,609 --> 00:44:52,500

talking a month yeah very it's a very

1091

00:44:56,390 --> 00:44:55,619

suspicious so yeah and here's the deal

1092

00:44:58,130 --> 00:44:56,400

um

1093

00:45:00,290 --> 00:44:58,140

you know I understand the reality of

1094

00:45:01,910 --> 00:45:00,300

this we we may not find the Smoking Gun

1095

00:45:04,250 --> 00:45:01,920

I'm going to try to find a Smoking Gun

1096

00:45:06,170 --> 00:45:04,260

I'm going to try to find it and I

1097

00:45:07,849 --> 00:45:06,180

understand that I may not find it but

1098

00:45:09,349 --> 00:45:07,859

all whatever I can find whatever you

1099

00:45:10,970 --> 00:45:09,359

could find whatever I can find through

1100

00:45:12,890 --> 00:45:10,980

my sources we're going to put it all out

1101

00:45:14,690 --> 00:45:12,900

there and let the people decide for

1102

00:45:16,010 --> 00:45:14,700

themselves what they think happened but

1103

00:45:18,410 --> 00:45:16,020

right now there's not enough information

1104

00:45:20,270 --> 00:45:18,420

to people to analyze this story to make

1105

00:45:21,829 --> 00:45:20,280

an intelligent decision and so we're

1106

00:45:23,930 --> 00:45:21,839

trying to find the intelligent facts

1107

00:45:25,130 --> 00:45:23,940

about the about the incident and present

1108

00:45:26,690 --> 00:45:25,140

it to your audience and to the people

1109

00:45:28,190 --> 00:45:26,700

that are going to listen so that they

1110

00:45:30,170 --> 00:45:28,200

can just they can discern for themselves

1111

00:45:31,910 --> 00:45:30,180

what they think might have happened and

1112

00:45:34,370 --> 00:45:31,920

so that's that's kind of my way of being

1113

00:45:36,950 --> 00:45:34,380

the uh The Fighter for the experiencers

1114

00:45:38,750 --> 00:45:36,960

the the real the people that are out

1115

00:45:41,690 --> 00:45:38,760

there that have had these experiences

1116

00:45:43,609 --> 00:45:41,700

that have to suffer in silence

1117

00:45:45,050 --> 00:45:43,619

you know I'm I'm kind of like that guy

1118

00:45:46,970 --> 00:45:45,060

I'm that guy that's trying to say hey

1119

00:45:48,650 --> 00:45:46,980

man don't talk trash about these people

1120

00:45:52,190 --> 00:45:48,660

don't turn your back on these people

1121

00:45:54,470 --> 00:45:52,200

don't laugh at these people because

1122

00:45:56,450 --> 00:45:54,480

many of them are telling the truth and

1123

00:45:58,190 --> 00:45:56,460

and I and I have deep empathy and

1124

00:46:00,050 --> 00:45:58,200

compassion for those people

1125

00:46:02,510 --> 00:46:00,060

and I I think it's important to mention

1126

00:46:05,030 --> 00:46:02,520

that some in the actual government

1127

00:46:07,430 --> 00:46:05,040

themselves are starting to come forward

1128

00:46:10,730 --> 00:46:07,440

I mean on Monday the Former Intelligence

1129

00:46:14,030 --> 00:46:10,740

official David grosh had said that the

1130

00:46:16,390 --> 00:46:14,040

government has a covert program focused

1131

00:46:19,370 --> 00:46:16,400

on recovering debris from crashed

1132

00:46:21,050 --> 00:46:19,380

non-human origin spacecraft and is

1133

00:46:22,670 --> 00:46:21,060

attempting to reverse engineer the

1134

00:46:24,770 --> 00:46:22,680

technology

1135

00:46:26,870 --> 00:46:24,780

what are your thoughts of these

1136

00:46:34,190 --> 00:46:26,880

government whistleblowers coming out and

1137

00:46:39,770 --> 00:46:36,770

you know obviously you know Lou Elizondo

1138

00:46:41,390 --> 00:46:39,780

and the ttsp ttsa people kind of got the

1139

00:46:45,050 --> 00:46:41,400

ball rolling you know you got bombed

1140

00:46:47,270 --> 00:46:45,060

along initially uh I I'm not really

1141

00:46:49,970 --> 00:46:47,280

impressed with what happened with etsa

1142

00:46:52,250 --> 00:46:49,980

as a matter of fact and looking back I

1143

00:46:54,950 --> 00:46:52,260

think the way that was all handled and

1144

00:46:58,609 --> 00:46:54,960

how it evolved after it was announced

1145

00:47:01,250 --> 00:46:58,619

has has actually done more to discredit

1146

00:47:03,770 --> 00:47:01,260

those people then to then to boost them

1147

00:47:05,390 --> 00:47:03,780

up into a standing of okay well hey

1148

00:47:07,609 --> 00:47:05,400

let's take let's listen to these people

1149

00:47:08,990 --> 00:47:07,619

you know what I mean however that was

1150

00:47:11,329 --> 00:47:09,000

handled it wasn't I don't think it was

1151
00:47:13,970 --> 00:47:11,339
handled very well but then of course uh

1152
00:47:15,170 --> 00:47:13,980
Lou Elizondo uh whether he was paid or

1153
00:47:16,730 --> 00:47:15,180
not or he was doing it all the goodness

1154
00:47:19,430 --> 00:47:16,740
of his heart I don't know I don't really

1155
00:47:22,250 --> 00:47:19,440
care all I know is he was doing every

1156
00:47:25,010 --> 00:47:22,260
freaking radio show on planet Earth that

1157
00:47:26,510 --> 00:47:25,020
I can possibly think of putting the

1158
00:47:29,990 --> 00:47:26,520
message out there putting the word out

1159
00:47:32,210 --> 00:47:30,000
there taking the questions uh you know

1160
00:47:34,849 --> 00:47:32,220
you know there's people out there that

1161
00:47:37,550 --> 00:47:34,859
think that have a negative feeling on

1162
00:47:39,710 --> 00:47:37,560
them there's some that love this guy you

1163
00:47:42,170 --> 00:47:39,720

know I don't know the man I'm neutral

1164

00:47:44,329 --> 00:47:42,180

okay I'm neutral but I but I do believe

1165

00:47:47,930 --> 00:47:44,339

that a lot of what he says if not all of

1166

00:47:49,970 --> 00:47:47,940

what he says I believe is truthful now I

1167

00:47:52,550 --> 00:47:49,980

I don't know if there's an agenda behind

1168

00:47:54,950 --> 00:47:52,560

this or if this or if we're being set up

1169

00:47:57,589 --> 00:47:54,960

for something I know that Greer talked

1170

00:47:59,809 --> 00:47:57,599

about it I know that uh you know uh or

1171

00:48:02,030 --> 00:47:59,819

Carol rosin who worked with the Border

1172

00:48:04,490 --> 00:48:02,040

Von Braun mentioned has mentioned many

1173

00:48:06,890 --> 00:48:04,500

times in the past that she was warned

1174

00:48:09,349 --> 00:48:06,900

and one day their final card will be the

1175

00:48:11,510 --> 00:48:09,359

the fake Alien Invasion right and I'd

1176

00:48:13,910 --> 00:48:11,520

even talked to somebody another one of

1177

00:48:14,930 --> 00:48:13,920

my sources who I asked him one time I

1178

00:48:16,970 --> 00:48:14,940

says you know what do you think about

1179

00:48:18,829 --> 00:48:16,980

this fake Alien Invasion is this is this

1180

00:48:20,990 --> 00:48:18,839

like is this just BS or could this

1181

00:48:22,309 --> 00:48:21,000

happen and he says well I could tell you

1182

00:48:25,490 --> 00:48:22,319

this

1183

00:48:27,890 --> 00:48:25,500

um they have trains for it on two

1184

00:48:29,390 --> 00:48:27,900

occasions and and the last time that

1185

00:48:31,609 --> 00:48:29,400

apparently according to what he said

1186

00:48:34,790 --> 00:48:31,619

that there was a like a like a training

1187

00:48:37,150 --> 00:48:34,800

for it was in 2000 or 2001 or somewhere

1188

00:48:40,130 --> 00:48:37,160

in that time frame but to his knowledge

1189

00:48:42,829 --> 00:48:40,140

uh there has been no training for any

1190

00:48:46,010 --> 00:48:42,839

kind of an event like that since then so

1191

00:48:47,990 --> 00:48:46,020

it's possible that at one point the

1192

00:48:49,730 --> 00:48:48,000

people that were trying to if this is a

1193

00:48:52,250 --> 00:48:49,740

if this really was something that was on

1194

00:48:54,230 --> 00:48:52,260

the table a fake Alien Invasion that

1195

00:48:56,870 --> 00:48:54,240

they were trying to build a narrative

1196

00:48:58,970 --> 00:48:56,880

that would allow them to pull that off

1197

00:49:01,609 --> 00:48:58,980

and at some point for whatever reason

1198

00:49:03,290 --> 00:49:01,619

they took it off the table okay that's

1199

00:49:05,150 --> 00:49:03,300

possible or

1200

00:49:08,630 --> 00:49:05,160

it could be now that you've got John

1201

00:49:10,790 --> 00:49:08,640

Ramirez out there and others uh talking

1202

00:49:12,050 --> 00:49:10,800

like we just talked about the rush or

1203

00:49:15,530 --> 00:49:12,060

grus I don't know how you pronounce the

1204

00:49:17,569 --> 00:49:15,540

last name exactly yeah and of course and

1205

00:49:20,450 --> 00:49:17,579

many others I mean you know they're

1206

00:49:22,790 --> 00:49:20,460

testifying up there in Congress you know

1207

00:49:24,950 --> 00:49:22,800

and closed doors and we don't know the

1208

00:49:27,050 --> 00:49:24,960

result of that now we got Arrow involved

1209

00:49:29,270 --> 00:49:27,060

and NASA and they're going to do a

1210

00:49:31,430 --> 00:49:29,280

report at the end of the summer uh John

1211

00:49:33,530 --> 00:49:31,440

Ramirez telling me this weekend at

1212

00:49:35,870 --> 00:49:33,540

contact in the desert uh sitting down at

1213

00:49:37,069 --> 00:49:35,880

a table I said you know I'm saying our

1214

00:49:41,089 --> 00:49:37,079

more whistleblower is going to come

1215

00:49:43,370 --> 00:49:41,099

forward he says uh he believes so but

1216

00:49:45,170 --> 00:49:43,380

not till after disclosure and I said

1217

00:49:48,410 --> 00:49:45,180

what do you mean after disclosure I said

1218

00:49:50,089 --> 00:49:48,420

are you talking about like 26 27 when

1219

00:49:52,550 --> 00:49:50,099

you suggested that we're going to have

1220

00:49:54,530 --> 00:49:52,560

uh well he didn't actually suggest but

1221

00:49:56,329 --> 00:49:54,540

kind of insinuated and he kind of

1222

00:49:58,069 --> 00:49:56,339

backpedaled that there's some sort of

1223

00:50:00,890 --> 00:49:58,079

event that or something that's going to

1224

00:50:04,010 --> 00:50:00,900

be happening around 2027 I believe Chris

1225

00:50:07,130 --> 00:50:04,020

Bledsoe also indicated based on his

1226

00:50:09,650 --> 00:50:07,140

contacts and his experiences that he

1227

00:50:10,970 --> 00:50:09,660

believes something around 26 27. so

1228

00:50:12,829 --> 00:50:10,980

there's a there's a fact to the people

1229

00:50:14,450 --> 00:50:12,839

out there that are kind of on the heads

1230

00:50:17,630 --> 00:50:14,460

up that something may be going down

1231

00:50:19,609 --> 00:50:17,640

around 26 27. so so when I asked Ramirez

1232

00:50:22,730 --> 00:50:19,619

I said are you talking about like

1233

00:50:24,470 --> 00:50:22,740

disclosure like you said 2627 no he says

1234

00:50:26,510 --> 00:50:24,480

no I'm talking about at the end of the

1235

00:50:29,089 --> 00:50:26,520

summer I go well what's what do you mean

1236

00:50:31,309 --> 00:50:29,099

at the end of the summer he I says as

1237

00:50:32,690 --> 00:50:31,319

you mean arrow and NASA and then and

1238

00:50:35,030 --> 00:50:32,700

whoever is working with these people

1239

00:50:36,230 --> 00:50:35,040

there's going to be more information he

1240

00:50:38,089 --> 00:50:36,240

goes yes there's going to be more

1241

00:50:39,890 --> 00:50:38,099

information that's going to come out and

1242

00:50:42,349 --> 00:50:39,900

then he says once that information comes

1243

00:50:44,510 --> 00:50:42,359

out if

1244

00:50:45,950 --> 00:50:44,520

the information I'm kind of paraphrasing

1245

00:50:47,630 --> 00:50:45,960

what he said right now so don't quote me

1246

00:50:48,950 --> 00:50:47,640

directly on this but more or less what

1247

00:50:50,270 --> 00:50:48,960

he said is there's more whistleblowers

1248

00:50:52,010 --> 00:50:50,280

that are waiting

1249

00:50:53,990 --> 00:50:52,020

they want they want more people in other

1250

00:50:55,309 --> 00:50:54,000

words it's going to be a snowball deal I

1251
00:50:57,170 --> 00:50:55,319
think I think this guy is going to say

1252
00:50:58,970 --> 00:50:57,180
this this guy's going to say that and

1253
00:51:00,829 --> 00:50:58,980
then this guy suddenly is like okay fine

1254
00:51:03,650 --> 00:51:00,839
I'll I'll go ahead and say what I got to

1255
00:51:05,630 --> 00:51:03,660
say so as soon as soon as like right now

1256
00:51:07,970 --> 00:51:05,640
there's a leak in the dam

1257
00:51:09,109 --> 00:51:07,980
there's definitely a leak in the dam and

1258
00:51:10,910 --> 00:51:09,119
they're trying to keep it from from

1259
00:51:13,130 --> 00:51:10,920
flooding into the into the consciousness

1260
00:51:15,650 --> 00:51:13,140
of humanity and I think they're going to

1261
00:51:17,750 --> 00:51:15,660
have a hard time with that now I at the

1262
00:51:19,730 --> 00:51:17,760
same token these same people that are

1263
00:51:21,410 --> 00:51:19,740

testifying that are trying to get as

1264

00:51:23,390 --> 00:51:21,420

much information that's that's that's

1265

00:51:25,490 --> 00:51:23,400

truthful information from their

1266

00:51:28,370 --> 00:51:25,500

experiences from their knowledge

1267

00:51:30,650 --> 00:51:28,380

directly not through hearsay

1268

00:51:33,470 --> 00:51:30,660

um that we could that we can make a

1269

00:51:35,930 --> 00:51:33,480

change now at the same time they say

1270

00:51:38,150 --> 00:51:35,940

that the government they will just call

1271

00:51:39,170 --> 00:51:38,160

it the government who whether whoever

1272

00:51:41,809 --> 00:51:39,180

you want to say is the government

1273

00:51:43,849 --> 00:51:41,819

whether it's the president or whoever

1274

00:51:46,910 --> 00:51:43,859

um they're never going to do full

1275

00:51:48,650 --> 00:51:46,920

disclosure some of these people a lot of

1276

00:51:50,630 --> 00:51:48,660

them believe that no matter what we do

1277

00:51:52,190 --> 00:51:50,640

we we might move the needle

1278

00:51:54,650 --> 00:51:52,200

substantially here in the next year or

1279

00:51:56,510 --> 00:51:54,660

two but they they still under the

1280

00:51:58,549 --> 00:51:56,520

impression that we're never actually

1281

00:51:59,870 --> 00:51:58,559

going to see the bodies we're never

1282

00:52:01,970 --> 00:51:59,880

actually going to see the crash

1283

00:52:05,390 --> 00:52:01,980

retrievals we're never going to have

1284

00:52:08,089 --> 00:52:05,400

direct verifiable evidence we're going

1285

00:52:11,150 --> 00:52:08,099

to continue to get testimony and stories

1286

00:52:13,069 --> 00:52:11,160

so you know in a court of law it depends

1287

00:52:15,109 --> 00:52:13,079

on the the jury there you know there's

1288

00:52:16,609 --> 00:52:15,119

no a lot of people go to trial for

1289

00:52:17,390 --> 00:52:16,619

murder there's no evidence there's no

1290

00:52:19,730 --> 00:52:17,400

gun

1291

00:52:21,890 --> 00:52:19,740

there's no knife there's no proof that

1292

00:52:23,390 --> 00:52:21,900

the person was there so you get all the

1293

00:52:25,309 --> 00:52:23,400

testimony and then the judge and the

1294

00:52:26,990 --> 00:52:25,319

jury get to decide what they want to

1295

00:52:28,430 --> 00:52:27,000

believe is true or not and that's kind

1296

00:52:30,170 --> 00:52:28,440

of where we're at with this I mean we

1297

00:52:32,690 --> 00:52:30,180

may never get the Smoking Gun but there

1298

00:52:34,549 --> 00:52:32,700

may be enough uh testimony and other

1299

00:52:36,890 --> 00:52:34,559

evidence that could come forward that

1300

00:52:39,650 --> 00:52:36,900

would leave a reasonable person the

1301
00:52:43,250 --> 00:52:39,660
impression that we are not alone

1302
00:52:47,150 --> 00:52:43,260
and I think that reasonableness is you

1303
00:52:50,210 --> 00:52:47,160
know why we you and I decided to respond

1304
00:52:53,510 --> 00:52:50,220
to this so fully because

1305
00:52:58,089 --> 00:52:53,520
you know it brings me back to the actual

1306
00:53:01,730 --> 00:52:58,099
event and in the video the um

1307
00:53:06,109 --> 00:53:01,740
the the Metro Police body cam footage is

1308
00:53:08,870 --> 00:53:06,119
blacked out uh citing privacy laws now I

1309
00:53:11,270 --> 00:53:08,880
know for a fact given one of my sources

1310
00:53:13,609 --> 00:53:11,280
that they did find Footprints in the

1311
00:53:17,089 --> 00:53:13,619
backyard and

1312
00:53:19,549 --> 00:53:17,099
one of the police officers was

1313
00:53:23,290 --> 00:53:19,559

questioning passengers who were circling

1314

00:53:27,290 --> 00:53:23,300

the area and you know they basically got

1315

00:53:28,670 --> 00:53:27,300

very similar descriptions that these

1316

00:53:31,190 --> 00:53:28,680

things were big enough that they saw

1317

00:53:34,190 --> 00:53:31,200

them over the fence one witness

1318

00:53:36,290 --> 00:53:34,200

described that they saw something fall

1319

00:53:38,690 --> 00:53:36,300

out of the sky they saw something 10

1320

00:53:40,250 --> 00:53:38,700

feet tall in the backyard and you know a

1321

00:53:41,450 --> 00:53:40,260

lot of people have been using oh this

1322

00:53:43,849 --> 00:53:41,460

happened in a neighborhood why aren't

1323

00:53:46,790 --> 00:53:43,859

they all over it they were all over it

1324

00:53:48,470 --> 00:53:46,800

people did see this neighbors saw this

1325

00:53:52,250 --> 00:53:48,480

as you mentioned

1326

00:53:53,450 --> 00:53:52,260

um the the Metro Police inquiry that

1327

00:53:57,230 --> 00:53:53,460

produced

1328

00:54:00,950 --> 00:53:57,240

quote unquote No conclusive conclusions

1329

00:54:02,990 --> 00:54:00,960

came back multiple times and

1330

00:54:06,290 --> 00:54:03,000

there's a reason they came back multiple

1331

00:54:08,990 --> 00:54:06,300

times there was physical evidence to

1332

00:54:10,730 --> 00:54:09,000

this event what happens in your opinion

1333

00:54:12,770 --> 00:54:10,740

with this physical evidence that doesn't

1334

00:54:14,329 --> 00:54:12,780

make it to our neck of the woods do you

1335

00:54:16,309 --> 00:54:14,339

think this is shot up the ladder to

1336

00:54:18,950 --> 00:54:16,319

higher intelligence

1337

00:54:21,650 --> 00:54:18,960

yeah there I mean uh

1338

00:54:23,329 --> 00:54:21,660

okay so there's uh I mean anybody that

1339

00:54:26,030 --> 00:54:23,339

that wants to research this this is not

1340

00:54:27,589 --> 00:54:26,040

like a secret okay uh there's various

1341

00:54:29,809 --> 00:54:27,599

definitely uh various intelligence

1342

00:54:31,609 --> 00:54:29,819

agencies uh one I'll just name one

1343

00:54:34,190 --> 00:54:31,619

doesn't mean that they're the only one

1344

00:54:36,049 --> 00:54:34,200

but the office of special investigations

1345

00:54:39,049 --> 00:54:36,059

as an example

1346

00:54:42,230 --> 00:54:39,059

um they they would uh gather they could

1347

00:54:44,329 --> 00:54:42,240

potentially do a re uh an investigation

1348

00:54:46,309 --> 00:54:44,339

and a report let's just say that

1349

00:54:48,470 --> 00:54:46,319

potentially that that could be something

1350

00:54:51,829 --> 00:54:48,480

that they could do that's their job

1351
00:54:53,569 --> 00:54:51,839
whether it's aliens or something else I

1352
00:54:56,150 --> 00:54:53,579
mean that's they're there for a purpose

1353
00:54:59,510 --> 00:54:56,160
and then that information goes up the

1354
00:55:01,730 --> 00:54:59,520
ladder who it goes to exactly I I don't

1355
00:55:03,470 --> 00:55:01,740
know exactly who it goes to I can tell

1356
00:55:05,569 --> 00:55:03,480
you this some of my sources aren't even

1357
00:55:07,970 --> 00:55:05,579
sure exactly where it ends up but it

1358
00:55:10,250 --> 00:55:07,980
ends up somewhere at the top of the

1359
00:55:12,170 --> 00:55:10,260
pyramid and you know what I mean

1360
00:55:13,670 --> 00:55:12,180
um and I don't really think that the

1361
00:55:15,290 --> 00:55:13,680
president although the president is very

1362
00:55:16,970 --> 00:55:15,300
important obviously I don't know that he

1363
00:55:18,109 --> 00:55:16,980

I don't believe that he's the top of the

1364

00:55:19,970 --> 00:55:18,119

pyramid when it comes to what we're

1365

00:55:21,589 --> 00:55:19,980

talking about right now

1366

00:55:24,770 --> 00:55:21,599

um I think there's other factions of

1367

00:55:26,750 --> 00:55:24,780

people of power and control uh John de

1368

00:55:28,970 --> 00:55:26,760

Souza calls in the uh the the elite

1369

00:55:30,950 --> 00:55:28,980

powers in control however you want to

1370

00:55:34,849 --> 00:55:30,960

call these people the nameless and the

1371

00:55:37,849 --> 00:55:34,859

faceless for sure okay for good reason

1372

00:55:39,650 --> 00:55:37,859

um but yeah I mean it it it you know and

1373

00:55:41,150 --> 00:55:39,660

these peoples are professionals I mean

1374

00:55:43,190 --> 00:55:41,160

they've been doing this for a long time

1375

00:55:47,450 --> 00:55:43,200

they've got a system

1376

00:55:49,490 --> 00:55:47,460

the system is flawless it's perfected

1377

00:55:51,470 --> 00:55:49,500

there's no there's no kinks in their

1378

00:55:53,510 --> 00:55:51,480

armor there's no holes

1379

00:55:56,569 --> 00:55:53,520

so I mean you might get a guy here and

1380

00:55:59,329 --> 00:55:56,579

there that might have been had access

1381

00:56:01,849 --> 00:55:59,339

to this information or was a part of

1382

00:56:03,290 --> 00:56:01,859

this system but because they're all

1383

00:56:06,170 --> 00:56:03,300

income they're all working in

1384

00:56:07,849 --> 00:56:06,180

compartmentalized situations they're no

1385

00:56:10,609 --> 00:56:07,859

one person is ever going to have access

1386

00:56:13,069 --> 00:56:10,619

to all the information so if a guy comes

1387

00:56:14,809 --> 00:56:13,079

out and starts leaking information that

1388

00:56:17,809 --> 00:56:14,819

you can't even verify like this David

1389

00:56:19,190 --> 00:56:17,819

Dave brush guy a lot of what he says I

1390

00:56:21,230 --> 00:56:19,200

doubt he's going to be able to prove

1391

00:56:22,790 --> 00:56:21,240

with any kind of documentation or

1392

00:56:25,490 --> 00:56:22,800

physical evidence of what he's telling

1393

00:56:27,410 --> 00:56:25,500

us the truth okay I get that and I

1394

00:56:28,790 --> 00:56:27,420

understand that people can use that to

1395

00:56:30,770 --> 00:56:28,800

be skeptical and you know if that's what

1396

00:56:31,609 --> 00:56:30,780

they want to do that's their choice but

1397

00:56:34,609 --> 00:56:31,619

uh

1398

00:56:36,410 --> 00:56:34,619

but oh but ultimately let's let's get

1399

00:56:38,390 --> 00:56:36,420

off that let's go back to the to the to

1400

00:56:41,390 --> 00:56:38,400

the to the landing so so you've got

1401
00:56:42,650 --> 00:56:41,400
Angel back there okay I guess he's with

1402
00:56:44,510 --> 00:56:42,660
his brother

1403
00:56:47,690 --> 00:56:44,520
they're working on the car

1404
00:56:49,849 --> 00:56:47,700
they they see this this light

1405
00:56:52,569 --> 00:56:49,859
comes down I think he described it as

1406
00:56:56,630 --> 00:56:52,579
he's seen it kind of come down

1407
00:56:57,410 --> 00:56:56,640
red reddish green colors blue maybe I

1408
00:57:00,109 --> 00:56:57,420
forget

1409
00:57:05,089 --> 00:57:00,119
the colors that he described seeing

1410
00:57:11,450 --> 00:57:08,630
as it's actually getting to the ground

1411
00:57:13,730 --> 00:57:11,460
it became blurry now that his eyes

1412
00:57:16,970 --> 00:57:13,740
didn't become blurry but the area around

1413
00:57:19,970 --> 00:57:16,980

the object he said it got Dusty or it

1414

00:57:23,510 --> 00:57:19,980

got Misty or it got blurry and and and

1415

00:57:26,750 --> 00:57:23,520

then he saw red Sparks

1416

00:57:30,470 --> 00:57:28,849

that that became kind of like frozen I

1417

00:57:31,910 --> 00:57:30,480

don't I'm using my own words here I

1418

00:57:34,010 --> 00:57:31,920

don't think you use the word frozen I'm

1419

00:57:38,049 --> 00:57:34,020

not I don't remember but uh you know

1420

00:57:41,510 --> 00:57:38,059

paralysis his legs became heavy he he he

1421

00:57:43,609 --> 00:57:41,520

was like in a trance mode I'm using that

1422

00:57:45,470 --> 00:57:43,619

word trance as my word I don't know if

1423

00:57:48,109 --> 00:57:45,480

he said that but this is how I imagine

1424

00:57:50,270 --> 00:57:48,119

what he's trying to describe is he was

1425

00:57:52,549 --> 00:57:50,280

just kind of Frozen there and he

1426

00:57:56,089 --> 00:57:52,559

couldn't run

1427

00:57:59,210 --> 00:57:56,099

so then when Mr Papa interviewed him

1428

00:58:02,450 --> 00:57:59,220

that that the angel as he's describing

1429

00:58:05,450 --> 00:58:02,460

this to Mr Papa then from that point in

1430

00:58:07,549 --> 00:58:05,460

the conversation he jumps forward to I

1431

00:58:10,430 --> 00:58:07,559

then I ran in the house

1432

00:58:11,809 --> 00:58:10,440

so he I don't know if Mr plopper was

1433

00:58:13,910 --> 00:58:11,819

able to follow up with more questions

1434

00:58:16,309 --> 00:58:13,920

but we haven't heard the follow-up of

1435

00:58:18,349 --> 00:58:16,319

you know how long were here's would be

1436

00:58:19,970 --> 00:58:18,359

my questions Angel how long do you think

1437

00:58:23,150 --> 00:58:19,980

you were there

1438

00:58:25,250 --> 00:58:23,160

Frozen before you and then what what did

1439

00:58:27,230 --> 00:58:25,260

you see and at what point were you did

1440

00:58:30,470 --> 00:58:27,240

you recognize that you could then move

1441

00:58:32,210 --> 00:58:30,480

because obviously at some point during

1442

00:58:35,450 --> 00:58:32,220

that little experience that he was

1443

00:58:36,710 --> 00:58:35,460

having he was he snapped out of it or

1444

00:58:39,530 --> 00:58:36,720

something happened where then he was

1445

00:58:42,410 --> 00:58:39,540

able to move and run into the house

1446

00:58:44,510 --> 00:58:42,420

um you know so at that point uh I

1447

00:58:47,270 --> 00:58:44,520

believed he had his brother saw the

1448

00:58:50,390 --> 00:58:47,280

creature over there behind the forklift

1449

00:58:53,630 --> 00:58:50,400

or or whatever that uh that thing was

1450

00:58:56,270 --> 00:58:53,640

you know and then he said look over

1451
00:59:00,170 --> 00:58:56,280
there if I'm not mistaken Angel the the

1452
00:59:02,510 --> 00:59:00,180
boy looked over and he saw it uh so I

1453
00:59:05,210 --> 00:59:02,520
don't know how long that little how long

1454
00:59:07,430 --> 00:59:05,220
they if they locked eyes or or again

1455
00:59:09,289 --> 00:59:07,440
there's there's still more to this story

1456
00:59:11,210 --> 00:59:09,299
that we have not uncovered yet but I

1457
00:59:13,250 --> 00:59:11,220
just know that this is the basic gist of

1458
00:59:15,890 --> 00:59:13,260
what he said and then you know I'm

1459
00:59:17,510 --> 00:59:15,900
curious so so then Angel says he runs

1460
00:59:19,609 --> 00:59:17,520
into the house

1461
00:59:22,069 --> 00:59:19,619
did the brother stay out there or did

1462
00:59:24,890 --> 00:59:22,079
the brother run in the house with them I

1463
00:59:26,990 --> 00:59:24,900

don't then we do see video okay

1464

00:59:30,170 --> 00:59:27,000

apparently I'm assuming this was after

1465

00:59:33,890 --> 00:59:30,180

the phone call the 9-1-1 call you see

1466

00:59:36,710 --> 00:59:33,900

video of of I believe it's Angel his

1467

00:59:39,890 --> 00:59:36,720

brother and his dad and you don't see

1468

00:59:41,809 --> 00:59:39,900

the mother but you hear the mother and

1469

00:59:43,670 --> 00:59:41,819

I'm gonna assume for now because I don't

1470

00:59:45,530 --> 00:59:43,680

know who was doing the filming but I'm

1471

00:59:46,430 --> 00:59:45,540

gonna I'm thinking it was probably the

1472

00:59:50,870 --> 00:59:46,440

mother

1473

00:59:53,270 --> 00:59:50,880

that was videotaping the boy her son and

1474

00:59:55,870 --> 00:59:53,280

and the father walking back towards the

1475

01:00:00,410 --> 00:59:55,880

back gate where towards the backyard

1476

01:00:02,630 --> 01:00:00,420

where this creature was and what now it

1477

01:00:04,609 --> 01:00:02,640

was in Spanish so I took that clip and I

1478

01:00:07,250 --> 01:00:04,619

sent it to you as about 14 or 15 seconds

1479

01:00:10,609 --> 01:00:07,260

and what was your interpretation of what

1480

01:00:14,569 --> 01:00:10,619

she was saying at that time now they 100

1481

01:00:17,150 --> 01:00:14,579

percent in my opinion believed that they

1482

01:00:18,950 --> 01:00:17,160

were in danger whoever was filming the

1483

01:00:21,890 --> 01:00:18,960

female voice believed that they were in

1484

01:00:24,530 --> 01:00:21,900

danger the guys were sort of trying to

1485

01:00:26,089 --> 01:00:24,540

uh you know nut up for lack of a better

1486

01:00:28,670 --> 01:00:26,099

word and get back there and see what's

1487

01:00:31,190 --> 01:00:28,680

going on but

1488

01:00:34,609 --> 01:00:31,200

um from the from the back whoever was

1489

01:00:36,589 --> 01:00:34,619

filming uh again a female voice was more

1490

01:00:40,430 --> 01:00:36,599

or less warning them against it because

1491

01:00:43,549 --> 01:00:40,440

even she could see these creatures or

1492

01:00:46,069 --> 01:00:43,559

entities and one of them uh appeared

1493

01:00:48,650 --> 01:00:46,079

that it was crossing the about to move

1494

01:00:51,710 --> 01:00:48,660

or cross from one part of the backyard

1495

01:00:54,770 --> 01:00:51,720

to the other there was movement

1496

01:00:57,770 --> 01:00:54,780

um the like you said the the the sound

1497

01:01:01,789 --> 01:00:57,780

of the voice it sounded very real to me

1498

01:01:04,010 --> 01:01:01,799

there was an 100 percent

1499

01:01:05,890 --> 01:01:04,020

um Terror in her voice you know did not

1500

01:01:08,809 --> 01:01:05,900

want them to get hurt

1501

01:01:11,030 --> 01:01:08,819

and uh in my opinion yeah it was

1502

01:01:12,410 --> 01:01:11,040

crossing from one sec from one place to

1503

01:01:14,690 --> 01:01:12,420

another in the backyard it was on the

1504

01:01:16,609 --> 01:01:14,700

move she warned them against going back

1505

01:01:19,490 --> 01:01:16,619

there and I'm not so sure you know I'm

1506

01:01:21,470 --> 01:01:19,500

you and I we we go directly at these

1507

01:01:23,750 --> 01:01:21,480

things I'm not so sure that you or I

1508

01:01:24,950 --> 01:01:23,760

would have gone back there there was I

1509

01:01:26,450 --> 01:01:24,960

don't think I would have I mean you

1510

01:01:27,910 --> 01:01:26,460

could see them approaching that back

1511

01:01:30,589 --> 01:01:27,920

gate that was open

1512

01:01:32,270 --> 01:01:30,599

uh they're they're almost like pause

1513

01:01:34,430 --> 01:01:32,280

they're not they're not going to walk

1514

01:01:36,770 --> 01:01:34,440

through that threshold they're just on

1515

01:01:38,930 --> 01:01:36,780

the on the house side of the of the gate

1516

01:01:40,970 --> 01:01:38,940

looking through you know with the with

1517

01:01:42,950 --> 01:01:40,980

the gate open looking now there is a

1518

01:01:44,750 --> 01:01:42,960

ring they're calling it a ring camera I

1519

01:01:47,329 --> 01:01:44,760

don't know if that's something that's

1520

01:01:49,910 --> 01:01:47,339

that's on the door I I heard a report

1521

01:01:51,650 --> 01:01:49,920

that they've got a camera set up on the

1522

01:01:53,329 --> 01:01:51,660

door because they're to keep an eye on

1523

01:01:55,130 --> 01:01:53,339

the back property so that if there's any

1524

01:01:56,809 --> 01:01:55,140

criminals or whatnot Go I mean so

1525

01:01:59,530 --> 01:01:56,819

they've got a little security system so

1526

01:02:02,930 --> 01:01:59,540

some type of security camera

1527

01:02:06,349 --> 01:02:02,940

filmed something and they also they also

1528

01:02:09,349 --> 01:02:06,359

had a camera in the backyard and where

1529

01:02:11,030 --> 01:02:09,359

it gets very interesting is they claim

1530

01:02:12,470 --> 01:02:11,040

that that camera and I'm glad they

1531

01:02:15,170 --> 01:02:12,480

claimed this because this makes this

1532

01:02:17,809 --> 01:02:15,180

more believable in my opinion they claim

1533

01:02:20,690 --> 01:02:17,819

that that camera went down that that

1534

01:02:23,930 --> 01:02:20,700

camera no longer functioned once this

1535

01:02:27,289 --> 01:02:23,940

thing landed and that goes along with I

1536

01:02:29,569 --> 01:02:27,299

mean if this if these energies are able

1537

01:02:31,730 --> 01:02:29,579

to take a biological organism such as

1538

01:02:35,809 --> 01:02:31,740

Angel and his brother and literally put

1539

01:02:40,190 --> 01:02:35,819

them on stop pause mode and for lack of

1540

01:02:43,309 --> 01:02:40,200

a better word cloak themselves then why

1541

01:02:45,950 --> 01:02:43,319

would a electrified camera be that big

1542

01:02:48,109 --> 01:02:45,960

of a stretch and we run into this all

1543

01:02:50,329 --> 01:02:48,119

the time you and I in investigations

1544

01:02:52,069 --> 01:02:50,339

where equipment goes down and everybody

1545

01:02:55,430 --> 01:02:52,079

says oh yeah sure whatever you know

1546

01:02:57,530 --> 01:02:55,440

uh-uh unlikely guess what it happens it

1547

01:03:00,170 --> 01:02:57,540

gets starts to get blurry if you get any

1548

01:03:02,930 --> 01:03:00,180

image at all and I don't doubt for a

1549

01:03:04,670 --> 01:03:02,940

minute what these people are saying is

1550

01:03:08,030 --> 01:03:04,680

true they said that camera in the

1551
01:03:10,370 --> 01:03:08,040
backyard was a high-end camera and it

1552
01:03:13,250 --> 01:03:10,380
went down when this thing came into

1553
01:03:15,049 --> 01:03:13,260
their yard the camera was offline

1554
01:03:16,789 --> 01:03:15,059
now I don't know if you've seen it yet

1555
01:03:19,190 --> 01:03:16,799
but uh there there are some other

1556
01:03:21,829 --> 01:03:19,200
researchers out there that have like

1557
01:03:23,809 --> 01:03:21,839
taken that that footage and they broke

1558
01:03:27,349 --> 01:03:23,819
it the one where it shows

1559
01:03:30,049 --> 01:03:27,359
what appears to be now it's blurry

1560
01:03:31,549 --> 01:03:30,059
and the form of it it's not Beyond in

1561
01:03:34,370 --> 01:03:31,559
other words what they are trying to

1562
01:03:35,750 --> 01:03:34,380
claim could this uh this is a video of

1563
01:03:37,670 --> 01:03:35,760

the creatures what they're they're

1564

01:03:39,349 --> 01:03:37,680

trying to claim it could be a video of

1565

01:03:41,210 --> 01:03:39,359

the creature there is not enough

1566

01:03:44,210 --> 01:03:41,220

evidence in the video for me to say oh

1567

01:03:46,430 --> 01:03:44,220

yeah that's definitely the creature but

1568

01:03:48,710 --> 01:03:46,440

um when you look at the the what people

1569

01:03:51,289 --> 01:03:48,720

have done with that video it does appear

1570

01:03:54,170 --> 01:03:51,299

from the right side

1571

01:03:56,089 --> 01:03:54,180

this creature kind of puts his head out

1572

01:03:59,150 --> 01:03:56,099

and you can see it

1573

01:04:02,030 --> 01:03:59,160

and it kind of moves forward just just

1574

01:04:04,010 --> 01:04:02,040

ever so so a little bit right

1575

01:04:06,950 --> 01:04:04,020

and then it looks like it dips back in

1576

01:04:09,650 --> 01:04:06,960

so it could be that what that ladies

1577

01:04:11,809 --> 01:04:09,660

that lady saw that with their own eyes

1578

01:04:13,309 --> 01:04:11,819

and that's when she was thinking that

1579

01:04:15,829 --> 01:04:13,319

the thing was going to come out from the

1580

01:04:17,809 --> 01:04:15,839

right side and go across like it was

1581

01:04:19,970 --> 01:04:17,819

going to move across yeah it was

1582

01:04:23,450 --> 01:04:19,980

planning to move yeah you're planning a

1583

01:04:26,030 --> 01:04:23,460

move and then it looks like it then if

1584

01:04:27,589 --> 01:04:26,040

it's if it's true if it really did if

1585

01:04:29,990 --> 01:04:27,599

that really was the creature on the

1586

01:04:32,690 --> 01:04:30,000

video then it's it's possible that the

1587

01:04:34,670 --> 01:04:32,700

creature recognized that uh you know

1588

01:04:36,950 --> 01:04:34,680

that's that it needs to just kind of

1589

01:04:38,329 --> 01:04:36,960

move back into hiding it appears as

1590

01:04:41,089 --> 01:04:38,339

though what's that's what's happening

1591

01:04:44,809 --> 01:04:41,099

now my next question would be

1592

01:04:47,030 --> 01:04:44,819

if I were able to talk to the people is

1593

01:04:50,450 --> 01:04:47,040

is at that point

1594

01:04:53,809 --> 01:04:50,460

did they actually go into the backyard

1595

01:04:55,609 --> 01:04:53,819

or did they just stop and not go into

1596

01:04:58,130 --> 01:04:55,619

the backyard because I would think they

1597

01:05:00,109 --> 01:04:58,140

probably didn't go into the backyard but

1598

01:05:02,150 --> 01:05:00,119

if they did go into the backyard I want

1599

01:05:04,010 --> 01:05:02,160

to hear that story but look I kind of

1600

01:05:05,390 --> 01:05:04,020

doubt they did I think at that point the

1601
01:05:07,789 --> 01:05:05,400
mother realized that there's something

1602
01:05:10,010 --> 01:05:07,799
going on back there I think that the kid

1603
01:05:10,930 --> 01:05:10,020
and and the father they probably saw

1604
01:05:13,430 --> 01:05:10,940
something

1605
01:05:15,829 --> 01:05:13,440
I personally at that point wouldn't go

1606
01:05:17,569 --> 01:05:15,839
back there there's no way I would have

1607
01:05:19,789 --> 01:05:17,579
backed up and got and either gone back

1608
01:05:22,309 --> 01:05:19,799
into the house or or stood back quite a

1609
01:05:24,589 --> 01:05:22,319
distance because it looks like in the

1610
01:05:26,210 --> 01:05:24,599
video where where they claim this

1611
01:05:28,069 --> 01:05:26,220
creature is kind of popping its head out

1612
01:05:30,170 --> 01:05:28,079
on the right hand side that wouldn't

1613
01:05:31,849 --> 01:05:30,180

have been more than about 20 feet or 30

1614

01:05:33,230 --> 01:05:31,859

feet away from where these people were

1615

01:05:36,170 --> 01:05:33,240

standing

1616

01:05:39,950 --> 01:05:36,180

that's right that's right we're talking

1617

01:05:42,530 --> 01:05:39,960

close and yeah very close if if these

1618

01:05:44,630 --> 01:05:42,540

things are big enough I mean these these

1619

01:05:47,750 --> 01:05:44,640

guys did not seem scared at all to me

1620

01:05:49,490 --> 01:05:47,760

they were gonna go in and it was you

1621

01:05:51,170 --> 01:05:49,500

know when they realized that what she

1622

01:05:52,910 --> 01:05:51,180

was telling them was actually occurring

1623

01:05:54,770 --> 01:05:52,920

they realized like oh wait a minute yeah

1624

01:05:57,049 --> 01:05:54,780

this is not a good idea

1625

01:06:00,349 --> 01:05:57,059

and it brings me back to the camera

1626
01:06:02,930 --> 01:06:00,359
going down you know the fact for all we

1627
01:06:04,609 --> 01:06:02,940
know and I'm theorizing here for all we

1628
01:06:07,130 --> 01:06:04,619
know

1629
01:06:10,130 --> 01:06:07,140
there's there's more on that particular

1630
01:06:11,630 --> 01:06:10,140
camera than we are being told however I

1631
01:06:14,809 --> 01:06:11,640
don't doubt for a minute that the camera

1632
01:06:18,170 --> 01:06:14,819
went down for the majority of the what

1633
01:06:19,910 --> 01:06:18,180
is it 20 minutes 18 20 minutes or so

1634
01:06:22,849 --> 01:06:19,920
yeah

1635
01:06:26,109 --> 01:06:22,859
um the question I hope to be able to ask

1636
01:06:29,510 --> 01:06:26,119
or find out and I think we will find out

1637
01:06:32,329 --> 01:06:29,520
pretty confident we will is if if any of

1638
01:06:35,809 --> 01:06:32,339

the cameras or the phones or the footage

1639

01:06:37,970 --> 01:06:35,819
or any of that was compensated

1640

01:06:39,589 --> 01:06:37,980
and that that brings a really good point

1641

01:06:41,990 --> 01:06:39,599
that brings a really good point because

1642

01:06:43,910 --> 01:06:42,000
it's very easy to classify this as a

1643

01:06:47,029 --> 01:06:43,920
matter of National Security given that

1644

01:06:49,010 --> 01:06:47,039
the bases nearby the trajectory of The

1645

01:06:50,390 --> 01:06:49,020
Craft and how it all took place with law

1646

01:06:52,370 --> 01:06:50,400
enforcement

1647

01:06:55,370 --> 01:06:52,380
exactly

1648

01:06:57,950 --> 01:06:55,380
so uh so yeah there's this this is a

1649

01:06:59,329 --> 01:06:57,960
great to me it's a great story uh okay

1650

01:07:03,470 --> 01:06:59,339
here's what else I want to throw in

1651

01:07:06,829 --> 01:07:03,480

there uh is you know I'm an older man

1652

01:07:11,770 --> 01:07:06,839

I've experienced many cultures okay many

1653

01:07:15,650 --> 01:07:11,780

cultures uh whether it's uh Latino or or

1654

01:07:17,930 --> 01:07:15,660

Afro-American uh you know Asian

1655

01:07:19,730 --> 01:07:17,940

Caucasian I mean all of them I've had

1656

01:07:21,349 --> 01:07:19,740

many experiences with many cultures I

1657

01:07:25,010 --> 01:07:21,359

have a good feel

1658

01:07:27,069 --> 01:07:25,020

for culture so I it's my experience and

1659

01:07:30,109 --> 01:07:27,079

tell me what you think is my experience

1660

01:07:32,930 --> 01:07:30,119

typically in a if you're in a Latino

1661

01:07:35,569 --> 01:07:32,940

family okay you've got the whole family

1662

01:07:37,910 --> 01:07:35,579

they're very close-knit people typically

1663

01:07:40,730 --> 01:07:37,920

and now we're in a neighborhood here

1664

01:07:42,710 --> 01:07:40,740

this is not like the ghetto of Compton

1665

01:07:44,690 --> 01:07:42,720

here we're talking about in a middle to

1666

01:07:47,210 --> 01:07:44,700

upper middle class neighborhood high-end

1667

01:07:49,069 --> 01:07:47,220

high-end yeah high end I mean I'm I'm

1668

01:07:50,029 --> 01:07:49,079

going low end by saying middle to Upper

1669

01:07:52,370 --> 01:07:50,039

Middle I'm just I'm trying to be

1670

01:07:54,829 --> 01:07:52,380

conservative but for sure this property

1671

01:07:58,130 --> 01:07:54,839

that these people live on has high end

1672

01:07:59,990 --> 01:07:58,140

value because it's a huge property it's

1673

01:08:01,430 --> 01:08:00,000

not a track home where you've got uh you

1674

01:08:03,349 --> 01:08:01,440

know one house here and then your

1675

01:08:04,549 --> 01:08:03,359

neighbor's like 15 feet 10 feet away and

1676

01:08:06,049 --> 01:08:04,559

your other neighbor's 10 feet away and

1677

01:08:07,910 --> 01:08:06,059

you got a neighbor behind you and a

1678

01:08:09,770 --> 01:08:07,920

neighbor in front of you it's it's not

1679

01:08:12,770 --> 01:08:09,780

set up like this this is kind of in an

1680

01:08:16,550 --> 01:08:12,780

area of town where these these lots are

1681

01:08:18,950 --> 01:08:16,560

huge uh you know so uh so these and you

1682

01:08:21,769 --> 01:08:18,960

and these people they have to have some

1683

01:08:23,689 --> 01:08:21,779

success within their family or they they

1684

01:08:26,030 --> 01:08:23,699

wouldn't own the property nor have all

1685

01:08:29,390 --> 01:08:26,040

the vehicles and the equipment that they

1686

01:08:31,729 --> 01:08:29,400

have back there so this these are these

1687

01:08:34,189 --> 01:08:31,739

are not these are credible people these

1688

01:08:37,189 --> 01:08:34,199

are not the kind of people that would

1689

01:08:40,070 --> 01:08:37,199

would have any need or reason or motive

1690

01:08:43,189 --> 01:08:40,080

to do a hoax they would all have to

1691

01:08:47,749 --> 01:08:43,199

agree together the mother the Father the

1692

01:08:49,669 --> 01:08:47,759

Son the other son The Neighbors on one

1693

01:08:51,530 --> 01:08:49,679

side of the street The Neighbors on the

1694

01:08:54,349 --> 01:08:51,540

other side of the street they would all

1695

01:08:56,510 --> 01:08:54,359

have to get together and create some

1696

01:09:00,890 --> 01:08:56,520

story that they would all have to agree

1697

01:09:02,450 --> 01:09:00,900

on to make this a hoax and to me to

1698

01:09:06,229 --> 01:09:02,460

think that that's what these people did

1699

01:09:09,349 --> 01:09:06,239

is completely ridiculous no way no way

1700

01:09:11,450 --> 01:09:09,359

no how and I agree with you 100 these

1701

01:09:14,689 --> 01:09:11,460

people are successful in what they do

1702

01:09:16,490 --> 01:09:14,699

they're obviously very credible and as

1703

01:09:18,769 --> 01:09:16,500

you mentioned I mean just in vehicles

1704

01:09:20,870 --> 01:09:18,779

and equipment in this yard there's a

1705

01:09:22,910 --> 01:09:20,880

fortune that's not even counting the

1706

01:09:25,910 --> 01:09:22,920

high and real estate we're talking about

1707

01:09:28,669 --> 01:09:25,920

very well cared for home as well from

1708

01:09:31,729 --> 01:09:28,679

the front everything about this screams

1709

01:09:35,150 --> 01:09:31,739

legitimacy and I find it very

1710

01:09:38,390 --> 01:09:35,160

interesting that the police officer

1711

01:09:42,169 --> 01:09:38,400

afterwards they circled the Block in

1712

01:09:45,110 --> 01:09:42,179

their SUVs to ask people around the area

1713

01:09:47,390 --> 01:09:45,120

what they saw and all of it corroborated

1714

01:09:51,229 --> 01:09:47,400

what took place

1715

01:09:53,809 --> 01:09:51,239

so it it just goes to show that there's

1716

01:09:55,729 --> 01:09:53,819

there's a lot more to this everybody saw

1717

01:09:58,250 --> 01:09:55,739

something it wasn't I've seen a lot of

1718

01:10:00,290 --> 01:09:58,260

people online say oh you know this is in

1719

01:10:02,810 --> 01:10:00,300

the middle of a populated area where's

1720

01:10:05,750 --> 01:10:02,820

the evidence nobody saw anything no they

1721

01:10:08,209 --> 01:10:05,760

had multiple eyewitnesses they took a

1722

01:10:12,470 --> 01:10:08,219

majority of the evening taking down more

1723

01:10:16,370 --> 01:10:12,480

eyewitness reports and according to uh

1724

01:10:19,669 --> 01:10:16,380

the investigation I did they had 650 to

1725

01:10:23,930 --> 01:10:19,679

800 reports recently not all around this

1726

01:10:26,390 --> 01:10:23,940

particular event but recently 650 to 800

1727

01:10:28,010 --> 01:10:26,400

reports here in Las Vegas and they said

1728

01:10:30,470 --> 01:10:28,020

that only two to five percent of them

1729

01:10:32,630 --> 01:10:30,480

they get any evidence or any kind of

1730

01:10:34,790 --> 01:10:32,640

inkling of what took place so that'll

1731

01:10:36,470 --> 01:10:34,800

give you an idea needle in a haystack is

1732

01:10:38,330 --> 01:10:36,480

exactly right

1733

01:10:42,050 --> 01:10:38,340

got two more points I want to bring up

1734

01:10:44,870 --> 01:10:42,060

is uh no angel described

1735

01:10:48,950 --> 01:10:44,880

um hearing the footprints all around him

1736

01:10:54,050 --> 01:10:52,430

um and then he also uh described if I'm

1737

01:10:55,970 --> 01:10:54,060

not mistaken or somebody within the

1738

01:10:58,669 --> 01:10:55,980

family described the hearing the hearing

1739

01:11:01,490 --> 01:10:58,679

footprints on the roof I I did hear that

1740

01:11:03,110 --> 01:11:01,500

I heard that that that blew me away and

1741

01:11:04,970 --> 01:11:03,120

if you look at the type of ranch style

1742

01:11:07,669 --> 01:11:04,980

house they have this is very possible

1743

01:11:10,370 --> 01:11:07,679

for an entity or a creature that big to

1744

01:11:12,470 --> 01:11:10,380

quickly and easily gain access to the

1745

01:11:15,470 --> 01:11:12,480

rooftop and

1746

01:11:19,250 --> 01:11:15,480

um it's very strange all everything

1747

01:11:22,430 --> 01:11:19,260

points to them being there and doing

1748

01:11:23,570 --> 01:11:22,440

something I believe that there was some

1749

01:11:26,090 --> 01:11:23,580

kind of

1750

01:11:29,030 --> 01:11:26,100

I don't know something took place in

1751

01:11:31,910 --> 01:11:29,040

that yard that night I 100 percent

1752

01:11:33,950 --> 01:11:31,920

believe that other agencies as you've

1753

01:11:36,890 --> 01:11:33,960

mentioned have gone back and

1754

01:11:39,050 --> 01:11:36,900

investigated we know for a fact that Las

1755

01:11:42,649 --> 01:11:39,060

Vegas Metro has gone back multiple times

1756

01:11:44,750 --> 01:11:42,659

just imagine who else I know for a fact

1757

01:11:48,110 --> 01:11:44,760

they found Footprints and some physical

1758

01:11:51,530 --> 01:11:48,120

evidence of the entities in the backyard

1759

01:11:54,590 --> 01:11:51,540

so I I would hope that we can find some

1760

01:11:55,910 --> 01:11:54,600

of that I don't know if we can but um I

1761

01:11:59,149 --> 01:11:55,920

think this is something we need to

1762

01:12:01,250 --> 01:11:59,159

revisit and attack again because there's

1763

01:12:03,110 --> 01:12:01,260

so much here to unpack and I'm gonna

1764

01:12:05,450 --> 01:12:03,120

send you these two videos that Scott

1765

01:12:07,669 --> 01:12:05,460

sent me and have you look them over

1766

01:12:08,510 --> 01:12:07,679

okay now before we wrap this up two more

1767

01:12:10,550 --> 01:12:08,520

things

1768

01:12:13,010 --> 01:12:10,560

um the uh

1769

01:12:14,689 --> 01:12:13,020

what do you think how I want to say this

1770

01:12:19,680 --> 01:12:14,699

um

1771

01:12:21,350 --> 01:12:19,690

okay the blurry yeah the cloaking yeah

1772

01:12:25,550 --> 01:12:21,360

[Music]

1773

01:12:27,950 --> 01:12:25,560

oh you're cutting out again there we go

1774

01:12:31,850 --> 01:12:27,960

angel said the area that he was

1775

01:12:34,270 --> 01:12:31,860

observing this this object got blurry

1776

01:12:39,290 --> 01:12:34,280

now that's interesting to me because

1777

01:12:42,830 --> 01:12:39,300

people complain all the time oh why are

1778

01:12:46,669 --> 01:12:42,840

all these UFO videos so blurry or why is

1779

01:12:49,669 --> 01:12:46,679

your Bigfoot picture so blurry this is a

1780

01:12:52,370 --> 01:12:49,679

this is been going on forever with these

1781

01:12:54,770 --> 01:12:52,380

blurry pictures why can't somebody get a

1782

01:12:56,390 --> 01:12:54,780

good cell phone well maybe if people

1783

01:12:58,970 --> 01:12:56,400

would consider this

1784

01:13:02,090 --> 01:12:58,980

that there's something to do with either

1785

01:13:04,610 --> 01:13:02,100

the technology that these beings have or

1786

01:13:06,290 --> 01:13:04,620

something to do with the phenomenon or I

1787

01:13:07,850 --> 01:13:06,300

don't even really know the the physics

1788

01:13:10,669 --> 01:13:07,860

of all this or how this would all

1789

01:13:13,610 --> 01:13:10,679

transpire but there's something going on

1790

01:13:16,729 --> 01:13:13,620

there at this time and space that's

1791

01:13:18,709 --> 01:13:16,739

causing this blurriness to occur

1792

01:13:20,510 --> 01:13:18,719

it's not just because they've got bad

1793

01:13:23,090 --> 01:13:20,520

video cameras and they can't take a

1794

01:13:24,890 --> 01:13:23,100

clear picture it just it's just the way

1795

01:13:27,229 --> 01:13:24,900

these things work there's a pattern of

1796

01:13:28,910 --> 01:13:27,239

this blurriness thing happening so you

1797

01:13:31,910 --> 01:13:28,920

can't really to me you can't use that as

1798

01:13:33,590 --> 01:13:31,920

a debunking to say oh that's blurry so

1799

01:13:35,090 --> 01:13:33,600

that this obviously it doesn't quite it

1800

01:13:39,410 --> 01:13:35,100

doesn't count you know what I'm saying

1801
01:13:43,490 --> 01:13:39,420
100 and Lou Elizondo I this was among

1802
01:13:45,050 --> 01:13:43,500
the five uh you know when in all yep

1803
01:13:46,370 --> 01:13:45,060
that's right everything that they saw

1804
01:13:49,550 --> 01:13:46,380
they said that there were five

1805
01:13:51,530 --> 01:13:49,560
similarities the um and the cloaking was

1806
01:13:54,050 --> 01:13:51,540
one of them there was a Hypersonic

1807
01:13:57,350 --> 01:13:54,060
Hypersonic velocities without signatures

1808
01:13:59,570 --> 01:13:57,360
low observability or cloaking trans

1809
01:14:02,750 --> 01:13:59,580
medium travel sudden and instant

1810
01:14:05,510 --> 01:14:02,760
acceleration and anti-gravity Lift Every

1811
01:14:07,669 --> 01:14:05,520
case that they looked at had this blurry

1812
01:14:11,810 --> 01:14:07,679
or seemingly

1813
01:14:14,350 --> 01:14:11,820

able to cloak themselves from View and

1814

01:14:17,810 --> 01:14:14,360

you know it makes you wonder this is

1815

01:14:19,910 --> 01:14:17,820

makes radar operators and Navy fighter

1816

01:14:24,950 --> 01:14:19,920

pilots pull their hair out but other

1817

01:14:28,790 --> 01:14:26,990

so we'll leave it on this note and this

1818

01:14:31,130 --> 01:14:28,800

is where this is why I'm coming to Vegas

1819

01:14:32,149 --> 01:14:31,140

one of the reasons well that's going to

1820

01:14:33,830 --> 01:14:32,159

be awesome

1821

01:14:35,270 --> 01:14:33,840

yeah well one of the reasons the first

1822

01:14:38,689 --> 01:14:35,280

reason is to try to get further

1823

01:14:41,750 --> 01:14:38,699

information that would be firsthand okay

1824

01:14:44,930 --> 01:14:41,760

the other reason would be that uh that

1825

01:14:47,689 --> 01:14:44,940

that according to Radar's report that I

1826

01:14:49,850 --> 01:14:47,699

was given that I can't substantiate or

1827

01:14:53,209 --> 01:14:49,860

approve but I'm just I trust my source

1828

01:14:55,729 --> 01:14:53,219

greatly uh that this object went in the

1829

01:14:57,590 --> 01:14:55,739

direction of Lake Mead now this I'm

1830

01:14:59,930 --> 01:14:57,600

going to speculate right now this is I'm

1831

01:15:02,030 --> 01:14:59,940

not stating this is what happened I'm

1832

01:15:04,370 --> 01:15:02,040

not stating what I believe uh this is

1833

01:15:06,290 --> 01:15:04,380

what happened although it wouldn't be

1834

01:15:07,070 --> 01:15:06,300

surprising to me if what I'm about to

1835

01:15:10,610 --> 01:15:07,080

say

1836

01:15:12,250 --> 01:15:10,620

could it happen is that this vehicle

1837

01:15:17,209 --> 01:15:12,260

this craft

1838

01:15:18,830 --> 01:15:17,219

uh could have possibly gone in the in a

1839

01:15:20,330 --> 01:15:18,840

direction not too far from where it

1840

01:15:23,570 --> 01:15:20,340

initially landed in these people's

1841

01:15:26,450 --> 01:15:23,580

backyard to another location in in Las

1842

01:15:31,430 --> 01:15:26,460

Vegas Nevada not too far away and either

1843

01:15:34,610 --> 01:15:31,440

landed again or crashed or was taken

1844

01:15:37,370 --> 01:15:34,620

down now the reason why I speculate that

1845

01:15:40,370 --> 01:15:37,380

this is a possibility is again this is

1846

01:15:43,910 --> 01:15:40,380

hearsay uh Witnesses or some people that

1847

01:15:45,530 --> 01:15:43,920

I've been able to contact uh are not

1848

01:15:48,350 --> 01:15:45,540

saying that this is what happened but

1849

01:15:50,649 --> 01:15:48,360

they suspect based on what they observed

1850

01:15:52,250 --> 01:15:50,659

in their neighborhood

1851
01:15:55,030 --> 01:15:52,260
happening

1852
01:15:59,330 --> 01:15:55,040
after the event occurred at the house

1853
01:16:01,010 --> 01:15:59,340
that something else was going on so when

1854
01:16:03,110 --> 01:16:01,020
you and I get together we're going to go

1855
01:16:05,090 --> 01:16:03,120
out to that area and we're going to see

1856
01:16:07,250 --> 01:16:05,100
if we could see anything or pick up on

1857
01:16:09,290 --> 01:16:07,260
anything or see any evidence or anything

1858
01:16:11,750 --> 01:16:09,300
that might have been left behind that

1859
01:16:14,450 --> 01:16:11,760
would indicate that maybe something like

1860
01:16:17,030 --> 01:16:14,460
you know a crash retrieval or a landing

1861
01:16:19,250 --> 01:16:17,040
or something along that lines occurred

1862
01:16:21,410 --> 01:16:19,260
if it's possible it didn't it's possible

1863
01:16:22,669 --> 01:16:21,420

this object just lifted off went over

1864

01:16:24,229 --> 01:16:22,679

the mountains and that was the end of

1865

01:16:25,729 --> 01:16:24,239

the story but that's why I'm coming out

1866

01:16:28,070 --> 01:16:25,739

there because I want to see I don't want

1867

01:16:29,930 --> 01:16:28,080

to leave any Stones Unturned on this and

1868

01:16:32,270 --> 01:16:29,940

I agree there's from what you told me

1869

01:16:36,110 --> 01:16:32,280

before there is corroborating evidence

1870

01:16:38,330 --> 01:16:36,120

placing it in that direction and yeah

1871

01:16:42,350 --> 01:16:38,340

man we will get out there and we will

1872

01:16:45,110 --> 01:16:42,360

leave no stone unturned and uh what are

1873

01:16:46,910 --> 01:16:45,120

your thoughts of a possible Uso scenario

1874

01:16:49,310 --> 01:16:46,920

here do you think that's possible that

1875

01:16:51,050 --> 01:16:49,320

it actually went into the lake

1876

01:16:51,950 --> 01:16:51,060

that's you know what that's a great

1877

01:16:54,530 --> 01:16:51,960

question

1878

01:16:56,030 --> 01:16:54,540

that would be uh sure why not you know I

1879

01:17:01,310 --> 01:16:56,040

I mean

1880

01:17:02,990 --> 01:17:01,320

but again we're not I realize as we're

1881

01:17:05,810 --> 01:17:03,000

talking about this and it's very

1882

01:17:07,910 --> 01:17:05,820

interesting story obviously that uh you

1883

01:17:10,010 --> 01:17:07,920

know we may not be able to prove any of

1884

01:17:11,810 --> 01:17:10,020

this stuff but uh when you've when

1885

01:17:14,390 --> 01:17:11,820

you've been following this this topic

1886

01:17:17,570 --> 01:17:14,400

and these stories like this for have

1887

01:17:19,669 --> 01:17:17,580

been going on for so many years I mean I

1888

01:17:22,010 --> 01:17:19,679

can't I could not even stop to count how

1889

01:17:25,010 --> 01:17:22,020

many times I've heard stories like this

1890

01:17:28,130 --> 01:17:25,020

the the patterns and the similarities

1891

01:17:31,310 --> 01:17:28,140

line up with classic stories of the past

1892

01:17:33,050 --> 01:17:31,320

that indicate that there's a possibility

1893

01:17:34,729 --> 01:17:33,060

that some of what we're discussing

1894

01:17:36,590 --> 01:17:34,739

actually happened the way we're

1895

01:17:38,330 --> 01:17:36,600

describing it but again we may not be

1896

01:17:40,790 --> 01:17:38,340

able to prove it but we're going to try

1897

01:17:42,169 --> 01:17:40,800

and I'd like to point out before we we

1898

01:17:44,330 --> 01:17:42,179

stop

1899

01:17:47,149 --> 01:17:44,340

um that the federal government has spent

1900

01:17:51,649 --> 01:17:47,159

22 million researching invisibility

1901

01:17:54,910 --> 01:17:51,659

cloaks UFOs and the like and that was

1902

01:17:57,530 --> 01:17:54,920

through of course ASAP and atip which

1903

01:18:01,189 --> 01:17:57,540

interestingly enough have connections to

1904

01:18:03,110 --> 01:18:01,199

Vegas so what are your thoughts of uh

1905

01:18:07,189 --> 01:18:03,120

this sighting being in the top 10 for

1906

01:18:14,330 --> 01:18:11,390

but it's an object it's an object lens

1907

01:18:17,030 --> 01:18:14,340

and creatures get out and they're seen

1908

01:18:19,430 --> 01:18:17,040

by more than one person multiple people

1909

01:18:21,229 --> 01:18:19,440

I don't know how to get it I mean it

1910

01:18:22,669 --> 01:18:21,239

can't get much better than that so I

1911

01:18:24,290 --> 01:18:22,679

mean like I said I don't know I might

1912

01:18:26,270 --> 01:18:24,300

have said early on in our interview here

1913

01:18:27,649 --> 01:18:26,280

that uh you know I get goosebumps

1914

01:18:29,390 --> 01:18:27,659

because I don't really want to get

1915

01:18:30,770 --> 01:18:29,400

excited to be quite Frank I don't really

1916

01:18:33,229 --> 01:18:30,780

want to get excited about any of this

1917

01:18:36,350 --> 01:18:33,239

anymore unless it's really really strong

1918

01:18:38,570 --> 01:18:36,360

or good a good evidence or a good or or

1919

01:18:40,729 --> 01:18:38,580

what appears to be a very legitimate

1920

01:18:43,310 --> 01:18:40,739

story and right now this has all the

1921

01:18:45,050 --> 01:18:43,320

earmarks of all of that so I I'm not

1922

01:18:47,750 --> 01:18:45,060

going to get off my butt and drive eight

1923

01:18:49,970 --> 01:18:47,760

hours and 100 degrees you know and go

1924

01:18:52,250 --> 01:18:49,980

jump in a hotel for a couple nights and

1925

01:18:53,930 --> 01:18:52,260

spend my own money and I'm not writing a

1926

01:18:56,270 --> 01:18:53,940

book I'm not I don't have a YouTube

1927

01:18:59,030 --> 01:18:56,280

channel I'm not getting sponsors no

1928

01:19:00,530 --> 01:18:59,040

one's giving me any money I mean if it's

1929

01:19:01,790 --> 01:19:00,540

somebody you know somebody wanted to

1930

01:19:04,250 --> 01:19:01,800

give me some money I'd take it but I'm

1931

01:19:05,689 --> 01:19:04,260

not asking for anything so so no one

1932

01:19:07,189 --> 01:19:05,699

could ever say oh you're just doing it

1933

01:19:10,550 --> 01:19:07,199

for fame or you're doing it for money

1934

01:19:12,290 --> 01:19:10,560

you're no no no and no because I'm not

1935

01:19:14,330 --> 01:19:12,300

and they can't prove that I am because

1936

01:19:16,310 --> 01:19:14,340

I'm telling you right now I just want to

1937

01:19:18,050 --> 01:19:16,320

know and I'm going to go try to find out

1938

01:19:19,610 --> 01:19:18,060

and I think I'm pretty good at it and I

1939

01:19:20,810 --> 01:19:19,620

know you are too and that's why you and

1940

01:19:22,729 --> 01:19:20,820

I are going to hook up and we're going

1941

01:19:24,709 --> 01:19:22,739

to see what we can do it's going to be

1942

01:19:27,050 --> 01:19:24,719

great we'll continue the study into this

1943

01:19:29,450 --> 01:19:27,060

and uh thanks so much for taking time

1944

01:19:31,250 --> 01:19:29,460

out of your busy day Eric I look forward

1945

01:19:33,110 --> 01:19:31,260

to talking to you soon

1946

01:19:34,310 --> 01:19:33,120

okay buddy have a good day we'll talk to

1947

01:19:36,050 --> 01:19:34,320

you soon

1948

01:19:38,750 --> 01:19:36,060

well there you have it ladies and

1949

01:19:40,850 --> 01:19:38,760

gentlemen Eric The Awakening man one of

1950

01:19:43,189 --> 01:19:40,860

the most hardcore researchers I've had

1951

01:19:46,070 --> 01:19:43,199

the blessing of coming across and

1952

01:19:48,350 --> 01:19:46,080

someone who I'm blessed to uh be able to

1953

01:19:49,669 --> 01:19:48,360

research with he's coming out here to

1954

01:19:52,130 --> 01:19:49,679

Las Vegas

1955

01:19:55,070 --> 01:19:52,140

we are going in the direction of Lake

1956

01:19:56,930 --> 01:19:55,080

Mead and yeah we're gonna gas the boat

1957

01:20:01,070 --> 01:19:56,940

up we're gonna get out there we're gonna

1958

01:20:03,649 --> 01:20:01,080

scour the uh shorelines and we are going

1959

01:20:06,410 --> 01:20:03,659

to see if there is any evidence of some

1960

01:20:09,649 --> 01:20:06,420

of the corroborating stories we've heard

1961

01:20:12,709 --> 01:20:09,659

about the trajectory of this craft and a

1962

01:20:14,810 --> 01:20:12,719

possible military presence in and around

1963

01:20:17,270 --> 01:20:14,820

the lake so

1964

01:20:19,850 --> 01:20:17,280

um I've probably said too much already I

1965

01:20:23,570 --> 01:20:19,860

hope Eric doesn't mind me saying that

1966

01:20:25,010 --> 01:20:23,580

but he is definitely a jewel in a gem

1967

01:20:27,350 --> 01:20:25,020

when it comes to a friend and a

1968

01:20:29,689 --> 01:20:27,360

researcher stay tuned for a possible

1969

01:20:32,510 --> 01:20:29,699

part two of this episode and until next

1970

01:20:34,910 --> 01:20:32,520

time keep your eyes to the skies feet on

1971

01:20:38,149 --> 01:20:34,920

the ground but don't forget to take a

1972

01:20:38,159 --> 01:20:42,610

I

1973

01:20:46,610 --> 01:20:44,689

don't know
