

Elevated Josh

Vegas Alien Encounter and Whistleblowers

1
00:00:07,430 --> 00:00:03,770
on today's podcast we are joined by

2
00:00:10,070 --> 00:00:07,440
elevated Josh you all may know him from

3
00:00:13,190 --> 00:00:10,080
his previous podcast with hero

4
00:00:15,589 --> 00:00:13,200
paranormal where he discusses basically

5
00:00:18,109 --> 00:00:15,599
finding all kinds of entrances into

6
00:00:21,890 --> 00:00:18,119
underground possible bases and

7
00:00:24,349 --> 00:00:21,900
facilities in Utah he's out there in the

8
00:00:26,689 --> 00:00:24,359
field quite often and today he was on

9
00:00:30,950 --> 00:00:26,699
site doing some work up in the mountains

10
00:00:34,330 --> 00:00:30,960
I believe elevated as usual and out in

11
00:00:37,549 --> 00:00:34,340
the uh scenery that makes Utah so famous

12
00:00:41,450 --> 00:00:37,559
elevated Josh is going to touch base

13
00:00:44,270 --> 00:00:41,460

with us and go into the interesting

14

00:00:47,030 --> 00:00:44,280

claims that the government and military

15

00:00:50,450 --> 00:00:47,040

have continued to deny that they have

16

00:00:52,970 --> 00:00:50,460

evidence of any such program retrieving

17

00:00:56,869 --> 00:00:52,980

reverse engineered

18

00:00:58,910 --> 00:00:56,879

craft and materials technology for lack

19

00:01:00,049 --> 00:00:58,920

of a better word and keeping it from the

20

00:01:03,349 --> 00:01:00,059

public

21

00:01:07,130 --> 00:01:03,359

recently David grush

22

00:01:09,590 --> 00:01:07,140

has become a whistleblower during an

23

00:01:12,289 --> 00:01:09,600

interview with journalist Ross kohlhart

24

00:01:14,630 --> 00:01:12,299

that aired on news Nation

25

00:01:16,570 --> 00:01:14,640

and in that interview he claimed that

26

00:01:19,609 --> 00:01:16,580

the United States retains multiple

27

00:01:22,550 --> 00:01:19,619

technology assets craft reverse

28

00:01:25,730 --> 00:01:22,560

engineered materials and that they come

29

00:01:28,310 --> 00:01:25,740

from non-human intelligence

30

00:01:31,730 --> 00:01:28,320

this becomes very relevant when it comes

31

00:01:34,490 --> 00:01:31,740

to the case of a possible Alien

32

00:01:39,170 --> 00:01:34,500

Encounter in Las Vegas which may have

33

00:01:43,969 --> 00:01:41,630

and it gets even stranger

34

00:01:46,270 --> 00:01:43,979

when you realize there may be a

35

00:01:49,310 --> 00:01:46,280

psychological operation taking place

36

00:01:52,010 --> 00:01:49,320

possibly with

37

00:01:55,490 --> 00:01:52,020

United States military contractors at

38

00:01:58,609 --> 00:01:55,500

the helm those who in fact have the

39

00:02:01,730 --> 00:01:58,619

ability to utilize such technology

40

00:02:05,929 --> 00:02:01,740

to make a family believe that they saw

41

00:02:07,130 --> 00:02:05,939

an alien spacecraft and aliens in their

42

00:02:09,770 --> 00:02:07,140

backyard

43

00:02:14,809 --> 00:02:09,780

I've been told that the ability to make

44

00:02:17,510 --> 00:02:14,819

these organic robotoids or robotic

45

00:02:20,809 --> 00:02:17,520

entities that appear to be much like

46

00:02:22,250 --> 00:02:20,819

what is described is feasible

47

00:02:32,630 --> 00:02:22,260

and

48

00:02:35,589 --> 00:02:32,640

what we should make of these

49

00:02:40,070 --> 00:02:35,599

extraordinary claims if you have not

50

00:02:41,330 --> 00:02:40,080

become a patron to Hero paranormal I

51

00:02:44,030 --> 00:02:41,340

highly suggest going to

52

00:02:46,670 --> 00:02:44,040

heroparanormal.com

53

00:02:48,470 --> 00:02:46,680

and for the price of a cup of coffee a

54

00:02:51,170 --> 00:02:48,480

month you get everything behind the

55

00:02:54,410 --> 00:02:51,180

paywall that's a ton of content the

56

00:02:56,869 --> 00:02:54,420

whole enchilada you can also go to

57

00:03:00,530 --> 00:02:56,879

patreon and search for hero paranormal

58

00:03:03,650 --> 00:03:00,540

and access it that way

59

00:03:05,570 --> 00:03:03,660

also if you have not subscribed to Hero

60

00:03:08,570 --> 00:03:05,580

paranormal on YouTube please help me

61

00:03:11,390 --> 00:03:08,580

break through the algorithm of control I

62

00:03:13,729 --> 00:03:11,400

will most likely never be monetized due

63

00:03:16,790 --> 00:03:13,739

to a variety of reasons on YouTube

64

00:03:18,729 --> 00:03:16,800

however if you like subscribe and share

65

00:03:22,009 --> 00:03:18,739

the podcast at least people can hear it

66

00:03:25,550 --> 00:03:22,019

and the shadow band can somewhat be

67

00:03:31,430 --> 00:03:27,589

let's get to it

68

00:03:35,869 --> 00:03:31,440

buckle up for a strange ride

69

00:03:38,270 --> 00:03:35,879

into the alleged private sector programs

70

00:03:42,130 --> 00:03:38,280

contractors

71

00:03:44,089 --> 00:03:42,140

and others who retrieve and exploit

72

00:03:47,330 --> 00:03:44,099

unidentified

73

00:03:49,850 --> 00:03:47,340

Ariel phenomena

74

00:03:57,960 --> 00:03:49,860

which according to whistleblowers is not

75

00:04:28,450 --> 00:04:07,390

[Music]

76

00:04:33,110 --> 00:04:31,010

Josh welcome to the hero paranormal

77

00:04:34,790 --> 00:04:33,120

podcast

78

00:04:35,570 --> 00:04:34,800

how's it going man it's good to talk to

79

00:04:38,390 --> 00:04:35,580

you again

80

00:04:40,490 --> 00:04:38,400

going good weird times weird times we've

81

00:04:43,969 --> 00:04:40,500

got an Alien Encounter in Las Vegas

82

00:04:47,629 --> 00:04:43,979

going viral on social media for you know

83

00:04:50,990 --> 00:04:47,639

a variety of reasons we have aliens and

84

00:04:53,030 --> 00:04:51,000

UFOs being a very big Topic in recent

85

00:04:55,430 --> 00:04:53,040

months and there's you know the whole

86

00:04:57,830 --> 00:04:55,440

Chinese spy balloon Fiasco

87

00:04:59,510 --> 00:04:57,840

and of course David Grouch Former

88

00:05:01,490 --> 00:04:59,520

Intelligence official whistleblower

89

00:05:04,610 --> 00:05:01,500

claiming the United States has been up

90

00:05:07,010 --> 00:05:04,620

to uh deceiving the public with the

91

00:05:09,170 --> 00:05:07,020

trend so hot on people's minds I know

92

00:05:10,010 --> 00:05:09,180

that you've done extensive research into

93

00:05:13,189 --> 00:05:10,020

this

94

00:05:15,170 --> 00:05:13,199

and not only how the police interacted

95

00:05:17,990 --> 00:05:15,180

with the family who claimed to see this

96

00:05:19,790 --> 00:05:18,000

but how the family's claims have changed

97

00:05:22,370 --> 00:05:19,800

over time what are your thoughts overall

98

00:05:24,590 --> 00:05:22,380

of what's taking place like with the UFO

99

00:05:27,170 --> 00:05:24,600

climate right now

100

00:05:28,969 --> 00:05:27,180

you know it

101

00:05:31,189 --> 00:05:28,979

s situation as we were talking about

102

00:05:32,810 --> 00:05:31,199

just a second ago this one feels a

103

00:05:34,790 --> 00:05:32,820

little bit different

104

00:05:36,650 --> 00:05:34,800

um the timeline over the last

105

00:05:38,510 --> 00:05:36,660

about well it's been over a month over a

106

00:05:40,909 --> 00:05:38,520

month and a half uh about a month and a

107

00:05:43,390 --> 00:05:40,919

half now since this all started has uh

108

00:05:46,249 --> 00:05:43,400

been definitely eye-catching it's been

109

00:05:48,110 --> 00:05:46,259

it's raised my curiosity to the point

110

00:05:51,050 --> 00:05:48,120

where there's so many pieces of evidence

111

00:05:55,070 --> 00:05:51,060

in this story uh that are

112

00:05:57,590 --> 00:05:55,080

so scattered about and also numerous

113

00:06:00,590 --> 00:05:57,600

that it's hard to just look at this as a

114

00:06:02,330 --> 00:06:00,600

hoax or something uh you know that the

115

00:06:05,810 --> 00:06:02,340

average person would look at and dismiss

116

00:06:07,189 --> 00:06:05,820

as a crazy new story because you have so

117

00:06:10,249 --> 00:06:07,199

many different pieces of evidence that

118

00:06:13,850 --> 00:06:10,259

corroborate the same story here it seems

119

00:06:15,129 --> 00:06:13,860

like either this was actually what

120

00:06:17,749 --> 00:06:15,139

happened something

121

00:06:21,290 --> 00:06:17,759

extraterrestrial non-human landed in the

122

00:06:25,730 --> 00:06:21,300

family's backyard or my personal other

123

00:06:28,550 --> 00:06:25,740

theory is that this is it happened but

124

00:06:31,430 --> 00:06:28,560

100 isn't what we're seeing it as or has

125

00:06:33,290 --> 00:06:31,440

Isn't has been portrayed

126

00:06:34,550 --> 00:06:33,300

um it's it's really interesting I I

127

00:06:36,170 --> 00:06:34,560

don't know what to believe I'm not

128

00:06:38,510 --> 00:06:36,180

trying to stick to one thing because the

129

00:06:40,430 --> 00:06:38,520

story is changing so much I I don't want

130

00:06:42,350 --> 00:06:40,440

to solidify my belief because you get

131

00:06:44,390 --> 00:06:42,360

thrown a curveball every day with this

132

00:06:47,930 --> 00:06:44,400

kind of stuff and when it originally

133

00:06:49,610 --> 00:06:47,940

started we had uh we had the Kid come

134

00:06:51,469 --> 00:06:49,620

out you know with the video so we had

135

00:06:53,390 --> 00:06:51,479

the first few videos that I could find

136

00:06:54,710 --> 00:06:53,400

online were the fence video with this

137

00:06:56,809 --> 00:06:54,720

creature standing behind the fence and

138

00:06:58,850 --> 00:06:56,819

the whole family armed standing outside

139

00:07:00,590 --> 00:06:58,860

the fence clearly terrified about what's

140

00:07:02,809 --> 00:07:00,600

going on on the other side of this fence

141

00:07:05,029 --> 00:07:02,819

uh you have you know the ring doorbell

142

00:07:10,210 --> 00:07:05,039

camera video the police body cam video

143

00:07:13,550 --> 00:07:10,220

of this thing this object Landing uh or

144

00:07:15,650 --> 00:07:13,560

seemingly cruising past the backyard

145

00:07:17,390 --> 00:07:15,660

it's hard to tell by the angle but all

146

00:07:19,969 --> 00:07:17,400

these videos and all this information

147

00:07:21,950 --> 00:07:19,979

you had come out at first I didn't find

148

00:07:24,830 --> 00:07:21,960

out until a week after I started looking

149

00:07:26,089 --> 00:07:24,840

into it this was been happening and you

150

00:07:27,290 --> 00:07:26,099

know it was in May I thought it had

151
00:07:29,270 --> 00:07:27,300
happened you know what a week and a half

152
00:07:31,189 --> 00:07:29,280
two weeks ago when it was first released

153
00:07:33,230 --> 00:07:31,199
which was the first thing that threw me

154
00:07:35,809 --> 00:07:33,240
off and I'm kind of jumping around here

155
00:07:38,270 --> 00:07:35,819
but the news nation is a really big

156
00:07:41,450 --> 00:07:38,280
point in the story I I know the

157
00:07:43,270 --> 00:07:41,460
Washington Post wanted to do a little

158
00:07:45,830 --> 00:07:43,280
bit more research before they actually

159
00:07:48,469 --> 00:07:45,840
went with the story they wanted to do

160
00:07:49,969 --> 00:07:48,479
some more reporting and on the ground uh

161
00:07:52,010 --> 00:07:49,979
you know investigating before they came

162
00:07:54,529 --> 00:07:52,020
out with it I guess many more times

163
00:07:56,930 --> 00:07:54,539

decided to just pass it up but

164

00:07:58,969 --> 00:07:56,940

the two journalists who were from the

165

00:08:00,230 --> 00:07:58,979

debrief that are involved in getting

166

00:08:02,629 --> 00:08:00,240

their story out they've done great

167

00:08:05,270 --> 00:08:02,639

journalism in the past and when they

168

00:08:07,490 --> 00:08:05,280

handed it off the news Nation uh who

169

00:08:09,290 --> 00:08:07,500

essentially I think for most people

170

00:08:11,089 --> 00:08:09,300

broke the news there was the debrief

171

00:08:13,670 --> 00:08:11,099

article but I think your average person

172

00:08:15,950 --> 00:08:13,680

on the street or average yeah news feed

173

00:08:17,930 --> 00:08:15,960

scroller most of them the first time

174

00:08:20,029 --> 00:08:17,940

they saw Wars in these news Nation

175

00:08:22,070 --> 00:08:20,039

reports and I haven't done a lot of

176

00:08:24,589 --> 00:08:22,080

investigating into them as a company

177

00:08:26,390 --> 00:08:24,599

personally but I find it very strange

178

00:08:29,390 --> 00:08:26,400

that the debrief change the story off

179

00:08:33,469 --> 00:08:29,400

the news nation in some way or another

180

00:08:35,170 --> 00:08:33,479

the news Nation posted it one of my main

181

00:08:38,870 --> 00:08:35,180

concerns is

182

00:08:40,850 --> 00:08:38,880

I have seen videos and different things

183

00:08:42,290 --> 00:08:40,860

people are posting that I cannot find

184

00:08:44,930 --> 00:08:42,300

this working for they didn't come from

185

00:08:46,790 --> 00:08:44,940

Angel and his family themselves it's not

186

00:08:48,410 --> 00:08:46,800

police footage

187

00:08:50,509 --> 00:08:48,420

um the video you sent me yesterday is

188

00:08:52,550 --> 00:08:50,519

interesting that video didn't make sense

189

00:08:54,350 --> 00:08:52,560

compared to the other ones and there's

190

00:08:55,790 --> 00:08:54,360

been a lot of things I've seen in the

191

00:08:57,710 --> 00:08:55,800

last few weeks so don't add up the

192

00:08:59,150 --> 00:08:57,720

algorithms when you search for a lot of

193

00:09:02,870 --> 00:08:59,160

these videos

194

00:09:05,210 --> 00:09:02,880

um our YouTube or misdirecting you or uh

195

00:09:07,610 --> 00:09:05,220

completely obscuring videos from your

196

00:09:09,949 --> 00:09:07,620

feed so essentially I've spoken with

197

00:09:11,690 --> 00:09:09,959

this about this topic as far as the

198

00:09:13,550 --> 00:09:11,700

misdirection the algorithms goes there's

199

00:09:15,590 --> 00:09:13,560

a few people I work with other people

200

00:09:17,030 --> 00:09:15,600

that I talk to in the community and I

201
00:09:19,310 --> 00:09:17,040
seem to be getting the same story from

202
00:09:23,090 --> 00:09:19,320
my own personal experience on others but

203
00:09:24,889 --> 00:09:23,100
there seems to be quite a confusing

204
00:09:26,449 --> 00:09:24,899
misdirection campaign going here but

205
00:09:28,730 --> 00:09:26,459
it's really ambiguous and it's really

206
00:09:31,310 --> 00:09:28,740
low-lying too I I've picked up some

207
00:09:33,530 --> 00:09:31,320
patterns in this misdirection and other

208
00:09:35,030 --> 00:09:33,540
people have too but it's hard to tell

209
00:09:39,110 --> 00:09:35,040
with the way the information is changed

210
00:09:41,810 --> 00:09:39,120
and with how very few real sources of

211
00:09:46,070 --> 00:09:41,820
info we have here that it's hard to get

212
00:09:48,410 --> 00:09:46,080
a full picture of who or is exactly uh

213
00:09:51,170 --> 00:09:48,420

behind this misdirection package or

214

00:09:52,550 --> 00:09:51,180

tactics because I mean if you pay

215

00:09:54,230 --> 00:09:52,560

attention to the subject you know most

216

00:09:56,210 --> 00:09:54,240

of us know that there's different

217

00:09:57,650 --> 00:09:56,220

probably different fact and you've been

218

00:09:59,930 --> 00:09:57,660

fighting over this in the government you

219

00:10:01,610 --> 00:09:59,940

might have people that I want to expose

220

00:10:04,009 --> 00:10:01,620

the truth and get other people that want

221

00:10:06,110 --> 00:10:04,019

to use these Technologies for nefarious

222

00:10:09,290 --> 00:10:06,120

things uh you know so control and power

223

00:10:11,690 --> 00:10:09,300

schemes and uh I it's hard to tell at

224

00:10:13,190 --> 00:10:11,700

this point Who's acting and when

225

00:10:15,530 --> 00:10:13,200

um there's a few people I trust in the

226
00:10:17,329 --> 00:10:15,540
field you're one of them I trust George

227
00:10:20,090 --> 00:10:17,339
Knapp for the most part I definitely

228
00:10:22,970 --> 00:10:20,100
trust George or Doug Papa

229
00:10:24,769 --> 00:10:22,980
um there's a lot of other Goods uh

230
00:10:26,570 --> 00:10:24,779
people that have reposted videos and

231
00:10:28,810 --> 00:10:26,580
collected the information online uh

232
00:10:31,730 --> 00:10:28,820
chaos Moogle is one of them on YouTube

233
00:10:33,650 --> 00:10:31,740
uh he's done a really good job of

234
00:10:35,329 --> 00:10:33,660
collecting all the information putting

235
00:10:37,970 --> 00:10:35,339
it into a digestible format that people

236
00:10:39,769 --> 00:10:37,980
can watch so if you if anyone out there

237
00:10:41,449 --> 00:10:39,779
wants to see some of these a lot of this

238
00:10:43,550 --> 00:10:41,459

information in one spot go to chaos

239

00:10:45,050 --> 00:10:43,560

Google's YouTube he's a good one uh from

240

00:10:46,850 --> 00:10:45,060

Angel as well as the you know

241

00:10:49,190 --> 00:10:46,860

surrounding neighborhood that

242

00:10:51,050 --> 00:10:49,200

are are really weird um you know the

243

00:10:52,790 --> 00:10:51,060

camera is installed on the light pole

244

00:10:53,870 --> 00:10:52,800

behind the house it's an interesting one

245

00:10:56,810 --> 00:10:53,880

I find

246

00:10:58,190 --> 00:10:56,820

uh the change in angels Behavior could

247

00:11:00,710 --> 00:10:58,200

be another

248

00:11:02,569 --> 00:11:00,720

interesting topic of conversation they

249

00:11:05,389 --> 00:11:02,579

seem to be changes in the story from the

250

00:11:07,970 --> 00:11:05,399

family like you said and it's hard to

251
00:11:10,610 --> 00:11:07,980
nail down exactly besides from what Doug

252
00:11:12,410 --> 00:11:10,620
says on his YouTube and his podcast what

253
00:11:14,690 --> 00:11:12,420
exactly is going on I've tried to reach

254
00:11:16,069 --> 00:11:14,700
out to the officers myself haven't been

255
00:11:19,670 --> 00:11:16,079
able to get a hold of them from what

256
00:11:21,470 --> 00:11:19,680
I've been told by people in the area and

257
00:11:22,550 --> 00:11:21,480
from what Doug has said to that

258
00:11:24,290 --> 00:11:22,560
apparently

259
00:11:27,230 --> 00:11:24,300
you know the police aren't really making

260
00:11:29,389 --> 00:11:27,240
a lot of comment on this as of you know

261
00:11:31,069 --> 00:11:29,399
when they said a few days ago that their

262
00:11:33,050 --> 00:11:31,079
officers were important that showed up

263
00:11:35,090 --> 00:11:33,060

to that to the house the second time

264

00:11:38,269 --> 00:11:35,100

saying we also have that we have the I

265

00:11:40,730 --> 00:11:38,279

guess this pair of uh ambiguous no-name

266

00:11:41,750 --> 00:11:40,740

agents that have been creeping around I

267

00:11:43,670 --> 00:11:41,760

don't know I don't know if they're still

268

00:11:45,050 --> 00:11:43,680

you living here and you might have a

269

00:11:47,030 --> 00:11:45,060

better idea this I don't know if you've

270

00:11:48,290 --> 00:11:47,040

gone out there but I mean I don't know

271

00:11:50,329 --> 00:11:48,300

if there's still a government agents

272

00:11:53,870 --> 00:11:50,339

creeping around there but there is

273

00:11:56,509 --> 00:11:53,880

enough of a response uh from authorities

274

00:11:59,870 --> 00:11:56,519

in this and enough pieces of evidence to

275

00:12:01,550 --> 00:11:59,880

have you stay and believe 100 I feel

276

00:12:04,190 --> 00:12:01,560

like empirically at this point that it

277

00:12:06,530 --> 00:12:04,200

if something happened obviously but the

278

00:12:09,350 --> 00:12:06,540

question is not at this point if it's

279

00:12:12,050 --> 00:12:09,360

real or not but what it was and so I

280

00:12:13,790 --> 00:12:12,060

think once hopefully more people can get

281

00:12:15,350 --> 00:12:13,800

a hold of this information by Justin a

282

00:12:16,970 --> 00:12:15,360

little bit and realize that that's the

283

00:12:19,550 --> 00:12:16,980

question we need to be asking instead of

284

00:12:21,590 --> 00:12:19,560

getting stuck on the is this real or is

285

00:12:23,329 --> 00:12:21,600

this a hope a joke kind of thing because

286

00:12:25,310 --> 00:12:23,339

that's what a lot of people need to move

287

00:12:26,990 --> 00:12:25,320

past right now and I'm hoping you know

288

00:12:29,509 --> 00:12:27,000

getting out there telling people about

289

00:12:31,970 --> 00:12:29,519

it talking about it it gets more of us

290

00:12:33,949 --> 00:12:31,980

uh you don't want to state of mind that

291

00:12:36,290 --> 00:12:33,959

we're not so scared to start addressing

292

00:12:38,090 --> 00:12:36,300

these subjects because it sounds

293

00:12:40,550 --> 00:12:38,100

absolutely insane you know when you tell

294

00:12:42,850 --> 00:12:40,560

people like hey you know uh Las Vegas I

295

00:12:44,990 --> 00:12:42,860

guess last month uh

296

00:12:47,389 --> 00:12:45,000

when you planted in someone's backyard

297

00:12:48,170 --> 00:12:47,399

and it seemingly is real and the most

298

00:12:50,870 --> 00:12:48,180

people

299

00:12:53,329 --> 00:12:50,880

yeah they laugh uh they they make a

300

00:12:55,490 --> 00:12:53,339

quick joke about it uh when when you say

301
00:12:58,250 --> 00:12:55,500
stuff and it's I understand I completely

302
00:13:00,650 --> 00:12:58,260
understand like it's an anxiety inducing

303
00:13:03,470 --> 00:13:00,660
uh topic when you really get down to it

304
00:13:05,329 --> 00:13:03,480
and I'm just hoping that we can

305
00:13:08,930 --> 00:13:05,339
collectively relieve some of that

306
00:13:12,769 --> 00:13:08,940
anxiety in people because this is these

307
00:13:14,690 --> 00:13:12,779
two situations as far as David uh in

308
00:13:16,610 --> 00:13:14,700
Vegas you know I do believe they're

309
00:13:18,110 --> 00:13:16,620
intertwined I don't believe that just

310
00:13:22,190 --> 00:13:18,120
the coincidence that they happen because

311
00:13:22,850 --> 00:13:22,200
in the same time period so this is a

312
00:13:26,449 --> 00:13:22,860
different

313
00:13:29,329 --> 00:13:26,459

like there might be an avalanche

314

00:13:31,670 --> 00:13:29,339

starting uh as far as the cheers embargo

315

00:13:34,550 --> 00:13:31,680

goes and disclosure goes and I hate

316

00:13:36,829 --> 00:13:34,560

using those two terms but you know it's

317

00:13:38,569 --> 00:13:36,839

true like there is a truth embargo and

318

00:13:41,090 --> 00:13:38,579

we need some disclosure we need another

319

00:13:44,110 --> 00:13:41,100

way that the public can accept that a

320

00:13:47,569 --> 00:13:46,250

but also at the same time something

321

00:13:51,710 --> 00:13:47,579

that's going to benefit us and they'll

322

00:13:55,129 --> 00:13:51,720

be headings areas weaponized purposes so

323

00:13:57,530 --> 00:13:55,139

hopefully uh this is Phase One of

324

00:13:59,509 --> 00:13:57,540

something that is going to change human

325

00:14:01,250 --> 00:13:59,519

history for

326

00:14:03,050 --> 00:14:01,260

eternity and that's what I'm excited

327

00:14:04,850 --> 00:14:03,060

about and that's why I want other people

328

00:14:06,769 --> 00:14:04,860

to hopefully get excited about is this

329

00:14:08,269 --> 00:14:06,779

is uh if this is true which it is by

330

00:14:09,710 --> 00:14:08,279

seeing myself a lot of other people have

331

00:14:11,569 --> 00:14:09,720

seen it themselves and I know it's true

332

00:14:13,190 --> 00:14:11,579

we're just waiting for the right pieces

333

00:14:15,290 --> 00:14:13,200

of evidence for everyone else to believe

334

00:14:16,970 --> 00:14:15,300

it's true and uh I hope that happens

335

00:14:19,069 --> 00:14:16,980

soon man because I'm really really

336

00:14:22,190 --> 00:14:19,079

excited about all this

337

00:14:22,910 --> 00:14:22,200

yeah there's there's a lot to this

338

00:14:24,829 --> 00:14:22,920

um

339

00:14:26,930 --> 00:14:24,839

and there's there's a lot to the players

340

00:14:30,590 --> 00:14:26,940

as well a lot of people who have asked

341

00:14:32,150 --> 00:14:30,600

who is Doug Papa especially after the YC

342

00:14:34,730 --> 00:14:32,160

dot news

343

00:14:37,190 --> 00:14:34,740

um you know uh

344

00:14:42,110 --> 00:14:37,200

thing that came out about him we know

345

00:14:44,509 --> 00:14:42,120

that he is an ex-police officer and uh

346

00:14:45,949 --> 00:14:44,519

there there's there's a lot there

347

00:14:48,350 --> 00:14:45,959

um that has to do with surveillance I

348

00:14:52,370 --> 00:14:48,360

won't get into all of all of uh all that

349

00:14:55,129 --> 00:14:52,380

credibility for sure and um but he is an

350

00:14:58,430 --> 00:14:55,139

interesting character and I I was hooked

351
00:14:59,750 --> 00:14:58,440
up I was blown away by the the the June

352
00:15:01,430 --> 00:14:59,760
16th

353
00:15:05,150 --> 00:15:01,440
um 2023

354
00:15:08,750 --> 00:15:05,160
which is today the uh the article that

355
00:15:11,509 --> 00:15:08,760
came out at YC news

356
00:15:13,310 --> 00:15:11,519
um yeah what is with that gate it's such

357
00:15:15,650 --> 00:15:13,320
a mystery so

358
00:15:17,090 --> 00:15:15,660
uh essentially what happened there I

359
00:15:19,310 --> 00:15:17,100
haven't had too much of a chance to read

360
00:15:22,189 --> 00:15:19,320
about that I

361
00:15:25,610 --> 00:15:22,199
yeah a little bit about it so

362
00:15:27,949 --> 00:15:25,620
um basically uh it I don't I don't like

363
00:15:31,009 --> 00:15:27,959

to talk badly about people but it's an

364

00:15:33,889 --> 00:15:31,019

interesting if you go to yc.news there's

365

00:15:36,050 --> 00:15:33,899

a very interesting article which is uh I

366

00:15:37,970 --> 00:15:36,060

believe it's called who is Doug Papa off

367

00:15:41,030 --> 00:15:37,980

the top of my head

368

00:15:43,250 --> 00:15:41,040

um and it's it's interesting because it

369

00:15:45,949 --> 00:15:43,260

does play into all of this that there's

370

00:15:49,930 --> 00:15:45,959

a lot of interesting

371

00:15:53,629 --> 00:15:49,940

um coincidences you know uh and and

372

00:15:56,150 --> 00:15:53,639

there is there is you know as you said

373

00:15:58,250 --> 00:15:56,160

there seems to be something going on

374

00:16:02,090 --> 00:15:58,260

with the media I agree a hundred percent

375

00:16:04,550 --> 00:16:02,100

with that and I've been told that news

376

00:16:07,670 --> 00:16:04,560

nation is actually owned by the parent

377

00:16:11,629 --> 00:16:07,680

company that owns klas Channel 8 news

378

00:16:13,490 --> 00:16:11,639

which is that's what I read yeah yeah so

379

00:16:16,009 --> 00:16:13,500

that's the same news that's the I news

380

00:16:17,810 --> 00:16:16,019

uh basically the same News Network that

381

00:16:19,670 --> 00:16:17,820

George Knapp works for

382

00:16:25,430 --> 00:16:19,680

and

383

00:16:29,750 --> 00:16:25,440

started out as a fledgling organization

384

00:16:31,430 --> 00:16:29,760

uh did not have you know was not in the

385

00:16:33,710 --> 00:16:31,440

same throws it seems like everything is

386

00:16:36,410 --> 00:16:33,720

just CNN and fox anymore so it's kind of

387

00:16:39,050 --> 00:16:36,420

nice to get you know a more independent

388

00:16:42,590 --> 00:16:39,060

news corporation which will report on

389

00:16:47,509 --> 00:16:42,600

this stuff at all and that brings uh the

390

00:16:51,650 --> 00:16:47,519

the other point which is you know Forbes

391

00:16:54,170 --> 00:16:51,660

um The Guardian New York Magazine uh

392

00:16:56,870 --> 00:16:54,180

many Washington Post like you said many

393

00:16:59,689 --> 00:16:56,880

of these other organizations are have

394

00:17:01,249 --> 00:16:59,699

attacked David Grouch the UFO

395

00:17:08,049 --> 00:17:01,259

whistleblower

396

00:17:12,890 --> 00:17:10,549

it's really disgusting in my opinion

397

00:17:15,710 --> 00:17:12,900

yeah and what I like about news nation

398

00:17:17,630 --> 00:17:15,720

is that they you know uh with Ross they

399

00:17:20,569 --> 00:17:17,640

were the ones that actually broke that

400

00:17:22,970 --> 00:17:20,579

amazing interview too so there's kind of

401
00:17:26,929 --> 00:17:22,980
two counts here where news nation has

402
00:17:29,210 --> 00:17:26,939
sort of um broken UFO

403
00:17:30,669 --> 00:17:29,220
whistleblower in in the case of David

404
00:17:33,890 --> 00:17:30,679
grosh

405
00:17:35,810 --> 00:17:33,900
and now they've broken kind of like you

406
00:17:39,169 --> 00:17:35,820
said other than the debrief they've

407
00:17:40,850 --> 00:17:39,179
broken the Las Vegas Alien Encounter and

408
00:17:43,909 --> 00:17:40,860
I've heard

409
00:17:46,490 --> 00:17:43,919
um actually from Greer that this was

410
00:17:49,850 --> 00:17:46,500
mainly because many of the larger news

411
00:17:52,789 --> 00:17:49,860
corporations are still controlled by

412
00:17:56,090 --> 00:17:52,799
some way shape or form yeah so it takes

413
00:17:59,930 --> 00:17:56,100

it takes these it takes these smaller

414

00:18:01,669 --> 00:17:59,940

news organizations to actually uh have

415

00:18:03,830 --> 00:18:01,679

these things out and it's kind of

416

00:18:05,990 --> 00:18:03,840

difficult to follow news Nation because

417

00:18:08,029 --> 00:18:06,000

as you said it's not like CNN it's not

418

00:18:11,570 --> 00:18:08,039

Fox it's not one of these bigger

419

00:18:15,230 --> 00:18:11,580

bigger groups and it's it's trying to

420

00:18:16,669 --> 00:18:15,240

stay with what's going on but after you

421

00:18:18,610 --> 00:18:16,679

know after looking at the whole

422

00:18:21,409 --> 00:18:18,620

situation and looking at the whole

423

00:18:24,529 --> 00:18:21,419

You've you've done exhaustive research

424

00:18:27,710 --> 00:18:24,539

on this and while the idea of aliens

425

00:18:29,930 --> 00:18:27,720

Landing in Las Vegas is Wild Las Vegas

426

00:18:31,070 --> 00:18:29,940

has a pretty long history of this sort

427

00:18:34,549 --> 00:18:31,080

of thing

428

00:18:36,049 --> 00:18:34,559

it may just take it you know it's just

429

00:18:36,950 --> 00:18:36,059

strange you know

430

00:18:40,610 --> 00:18:36,960

um

431

00:18:43,370 --> 00:18:40,620

it's been a Hot Topic and what is your

432

00:18:45,529 --> 00:18:43,380

thoughts which have emerged from the

433

00:18:48,529 --> 00:18:45,539

family that claim to see these in their

434

00:18:51,169 --> 00:18:48,539

yard after I seemingly interesting

435

00:18:53,630 --> 00:18:51,179

object fell from the sky

436

00:18:55,850 --> 00:18:53,640

so it seems like at this point you know

437

00:18:57,830 --> 00:18:55,860

obviously that it was real uh what's for

438

00:19:00,470 --> 00:18:57,840

the videos we have the fence video we

439

00:19:03,130 --> 00:19:00,480

have analysis uh it's been done on the

440

00:19:05,930 --> 00:19:03,140

fence video image cropping uh Zoom

441

00:19:07,789 --> 00:19:05,940

contrast editing things like that you

442

00:19:10,490 --> 00:19:07,799

get some pretty good images from the

443

00:19:11,690 --> 00:19:10,500

fence video uh towards the bottom you

444

00:19:13,190 --> 00:19:11,700

can see the fingers and one of these

445

00:19:15,710 --> 00:19:13,200

things outline of a head you can see

446

00:19:17,930 --> 00:19:15,720

outline of waking eye you can also see

447

00:19:19,610 --> 00:19:17,940

uh See It seemingly stand up which is

448

00:19:21,110 --> 00:19:19,620

interesting behind the fence which is

449

00:19:22,789 --> 00:19:21,120

really hard to see but if you look at it

450

00:19:24,289 --> 00:19:22,799

well you can see it you can see the

451
00:19:26,750 --> 00:19:24,299
figure standing up behind the fence in

452
00:19:29,090 --> 00:19:26,760
that first video the second video uh

453
00:19:32,570 --> 00:19:29,100
that is really important to me is and

454
00:19:34,789 --> 00:19:32,580
still really confusing is the uh the

455
00:19:36,710 --> 00:19:34,799
tractor video of the family took I

456
00:19:39,409 --> 00:19:36,720
believe it was taken by Angela's father

457
00:19:42,049 --> 00:19:39,419
I believe uh and it's the video of the

458
00:19:44,450 --> 00:19:42,059
shadowy being and it's running next to

459
00:19:46,370 --> 00:19:44,460
it apparently trying to operate the the

460
00:19:48,830 --> 00:19:46,380
tractor and that's what it was like me I

461
00:19:51,169 --> 00:19:48,840
saw the eyes blinking I thought shadow

462
00:19:53,930 --> 00:19:51,179
of something sitting in this thing so to

463
00:19:56,810 --> 00:19:53,940

Me overall it seems

464

00:19:58,970 --> 00:19:56,820

um I know Vegas has got a history with

465

00:20:01,490 --> 00:19:58,980

these things you have what the UFO there

466

00:20:04,850 --> 00:20:01,500

that was closed about a month or two ago

467

00:20:06,650 --> 00:20:04,860

now uh yeah I believe and you covered

468

00:20:07,970 --> 00:20:06,660

that one that was also interesting and

469

00:20:09,710 --> 00:20:07,980

then it goes all the way back man you

470

00:20:11,150 --> 00:20:09,720

have Area 51 you know that's for

471

00:20:13,789 --> 00:20:11,160

Dreamland

472

00:20:15,710 --> 00:20:13,799

um almost our story as far as Bob Lazar

473

00:20:18,169 --> 00:20:15,720

goes he's been dragged by a few people

474

00:20:20,570 --> 00:20:18,179

too I know oh his as far as his

475

00:20:22,270 --> 00:20:20,580

credentials go a lot has been changed

476

00:20:24,710 --> 00:20:22,280

over his history but I do believe him

477

00:20:26,210 --> 00:20:24,720

almost 100

478

00:20:30,650 --> 00:20:26,220

um I believe that guy's telling the

479

00:20:33,169 --> 00:20:30,660

truth too uh and there is definitely

480

00:20:34,549 --> 00:20:33,179

um a congregation in the west here of a

481

00:20:37,490 --> 00:20:34,559

lot of this stuff going on I mean you

482

00:20:40,490 --> 00:20:37,500

have Dulce you have dugway you have uh

483

00:20:43,549 --> 00:20:40,500

you know Vegas out there with uh Groom

484

00:20:45,289 --> 00:20:43,559

Lake so I I do believe it's all real and

485

00:20:47,750 --> 00:20:45,299

and the only thing I'm really worried

486

00:20:50,990 --> 00:20:47,760

about right now is Discerning what

487

00:20:52,669 --> 00:20:51,000

information is going to be truthful uh

488

00:20:54,770 --> 00:20:52,679

and guiding me on the right path to

489

00:20:56,630 --> 00:20:54,780

finding this truth and what is going to

490

00:20:58,070 --> 00:20:56,640

be manipulation because it does seem

491

00:21:01,549 --> 00:20:58,080

like there's a pattern of manipulation

492

00:21:03,430 --> 00:21:01,559

here if you're looking to ufology it's

493

00:21:06,350 --> 00:21:03,440

been a thing in this community

494

00:21:08,630 --> 00:21:06,360

of this existence that you know it's

495

00:21:11,570 --> 00:21:08,640

certainly we're Von Braun talking about

496

00:21:12,890 --> 00:21:11,580

you know fake Alien Invasion and that uh

497

00:21:15,049 --> 00:21:12,900

you know the government has covered up

498

00:21:17,750 --> 00:21:15,059

and tried to manipulate these topics and

499

00:21:19,549 --> 00:21:17,760

uh obscure them from from The public's

500

00:21:22,190 --> 00:21:19,559

eye and as well as stigmatize them you

501
00:21:24,470 --> 00:21:22,200
know over the last five plus decades so

502
00:21:26,510 --> 00:21:24,480
there's a strong uh evidence of

503
00:21:29,090 --> 00:21:26,520
manipulation in a lot of ways throughout

504
00:21:30,830 --> 00:21:29,100
the years there's uh patterns of

505
00:21:34,370 --> 00:21:30,840
manipulation in these situations right

506
00:21:36,770 --> 00:21:34,380
now uh and one of the things I

507
00:21:38,270 --> 00:21:36,780
hope hopefully other people are you know

508
00:21:40,130 --> 00:21:38,280
using a critical thinking skills here

509
00:21:42,230 --> 00:21:40,140
and looking at it and

510
00:21:44,210 --> 00:21:42,240
trying to analyze the situation from

511
00:21:46,070 --> 00:21:44,220
every perspective because like you said

512
00:21:48,049 --> 00:21:46,080
about news Nation I love news Nation

513
00:21:49,970 --> 00:21:48,059

I've watched a lot of the coverage from

514

00:21:52,390 --> 00:21:49,980

various other topics that they've been

515

00:21:54,649 --> 00:21:52,400

like what I scoured the YouTube channel

516

00:21:56,810 --> 00:21:54,659

they do report on a lot of good things

517

00:21:59,630 --> 00:21:56,820

but at the same time in this day and age

518

00:22:01,850 --> 00:21:59,640

and especially with this topic it's hard

519

00:22:03,710 --> 00:22:01,860

to not get cynical about a lot of things

520

00:22:05,990 --> 00:22:03,720

it gets hard to stay optimistic

521

00:22:08,270 --> 00:22:06,000

sometimes uh it's kind of like Elon Musk

522

00:22:10,130 --> 00:22:08,280

like I like Elon Musk and he says a lot

523

00:22:12,169 --> 00:22:10,140

of good things at the same time I don't

524

00:22:14,090 --> 00:22:12,179

necessarily know if 100 trust him and

525

00:22:16,310 --> 00:22:14,100

that's how I am with news nation and

526

00:22:18,289 --> 00:22:16,320

considering your credentials and you

527

00:22:20,930 --> 00:22:18,299

know what we've seen from them so far I

528

00:22:22,669 --> 00:22:20,940

feel like we can trust these guys

529

00:22:25,549 --> 00:22:22,679

um I feel like I can trust George Knapp

530

00:22:26,930 --> 00:22:25,559

the only thing that worries me is uh we

531

00:22:29,890 --> 00:22:26,940

obviously have different governmental

532

00:22:32,930 --> 00:22:29,900

you know essay to use special access

533

00:22:35,090 --> 00:22:32,940

factions essentially that are fighting

534

00:22:36,409 --> 00:22:35,100

with probably other factions you know

535

00:22:39,230 --> 00:22:36,419

like Greer and some of these people he's

536

00:22:40,730 --> 00:22:39,240

come out with and said over over truth

537

00:22:43,370 --> 00:22:40,740

and the stuff getting out so I'm

538

00:22:44,630 --> 00:22:43,380

wondering how many of the seeds and

539

00:22:47,210 --> 00:22:44,640

media and how much of this information

540

00:22:48,409 --> 00:22:47,220

is something that we can use as a

541

00:22:51,230 --> 00:22:48,419

certain cheers and how much it is

542

00:22:52,669 --> 00:22:51,240

manipulation so I think anyone that sees

543

00:22:56,390 --> 00:22:52,679

any information now don't believe

544

00:22:58,130 --> 00:22:56,400

everything as is up front if you want to

545

00:23:00,830 --> 00:22:58,140

know the truth investigating it yourself

546

00:23:02,570 --> 00:23:00,840

because it's a huge issue right now

547

00:23:04,070 --> 00:23:02,580

nowadays with a lot of us and I'm guilty

548

00:23:06,230 --> 00:23:04,080

of this in a lot of ways too where we

549

00:23:07,909 --> 00:23:06,240

become news feed addicts essentially the

550

00:23:10,070 --> 00:23:07,919

only thing we believe is whether it's in

551
00:23:12,649 --> 00:23:10,080
the headlines that we see from a quick

552
00:23:15,049 --> 00:23:12,659
video or you know a 20 second

553
00:23:16,850 --> 00:23:15,059
uh Tick Tock and things like that so if

554
00:23:18,049 --> 00:23:16,860
you see something like this and it

555
00:23:19,850 --> 00:23:18,059
treats your interest

556
00:23:21,830 --> 00:23:19,860
go check it out because we need more

557
00:23:23,570 --> 00:23:21,840
people out here discovering this kind of

558
00:23:25,430 --> 00:23:23,580
stuff and

559
00:23:27,830 --> 00:23:25,440
using the critical thinking skills and

560
00:23:29,330 --> 00:23:27,840
I'm hoping the situation even though I

561
00:23:31,669 --> 00:23:29,340
don't think it's a coincidence is going

562
00:23:33,830 --> 00:23:31,679
to wake a lot of people up because in my

563
00:23:36,110 --> 00:23:33,840

personal life I'm I'm not gonna lie I

564

00:23:37,190 --> 00:23:36,120

know 20 to 30 people right now that I

565

00:23:39,110 --> 00:23:37,200

work with

566

00:23:40,789 --> 00:23:39,120

and that I know as friends that are

567

00:23:43,190 --> 00:23:40,799

really starting to ask questions about

568

00:23:45,049 --> 00:23:43,200

these these key topics that have come up

569

00:23:46,430 --> 00:23:45,059

in the last month and a half it's really

570

00:23:47,690 --> 00:23:46,440

made a change in a lot of people's

571

00:23:49,310 --> 00:23:47,700

brains

572

00:23:51,590 --> 00:23:49,320

um it feels like something is going to

573

00:23:53,390 --> 00:23:51,600

change here pretty soon not just not

574

00:23:55,730 --> 00:23:53,400

just with you and subject or with the

575

00:23:57,830 --> 00:23:55,740

Extraterrestrial subject but just in

576

00:24:00,049 --> 00:23:57,840

general an informational aspect I think

577

00:24:01,850 --> 00:24:00,059

there's it's really the next interesting

578

00:24:04,310 --> 00:24:01,860

couple of years coming up I think by the

579

00:24:06,169 --> 00:24:04,320

end of 2024 this Society of the new

580

00:24:09,649 --> 00:24:06,179

event is going to look a lot different

581

00:24:13,130 --> 00:24:09,659

than it did right now today so we'll see

582

00:24:16,250 --> 00:24:13,140

yeah and this brings up so many things

583

00:24:18,649 --> 00:24:16,260

you know we have non-human intelligence

584

00:24:20,930 --> 00:24:18,659

possible close encounter

585

00:24:22,610 --> 00:24:20,940

we have a former high-ranking U.S

586

00:24:25,250 --> 00:24:22,620

intelligence official that's claimed the

587

00:24:28,549 --> 00:24:25,260

US government is retrieved

588

00:24:31,549 --> 00:24:28,559

some of these uaps of non-human origin

589

00:24:33,169 --> 00:24:31,559

and reverse engineer them and I think

590

00:24:35,390 --> 00:24:33,179

there's a big question among people

591

00:24:37,850 --> 00:24:35,400

about how we should interpret this

592

00:24:39,470 --> 00:24:37,860

extraordinary you know Coincidence of

593

00:24:42,230 --> 00:24:39,480

developments especially in such close

594

00:24:44,870 --> 00:24:42,240

proximity why did it take so long for

595

00:24:48,830 --> 00:24:44,880

this story about angel and his family to

596

00:24:50,810 --> 00:24:48,840

come out to the public and is it you

597

00:24:52,370 --> 00:24:50,820

know in some way shape or form possibly

598

00:24:53,930 --> 00:24:52,380

a distraction from the whistleblowers

599

00:24:56,149 --> 00:24:53,940

this is something that people have asked

600

00:24:58,970 --> 00:24:56,159

me I don't have an answer to that

601
00:25:00,890 --> 00:24:58,980
however nobody knows you're right and

602
00:25:03,470 --> 00:25:00,900
and everybody wants to know you know is

603
00:25:04,970 --> 00:25:03,480
it ours or is it theirs because I don't

604
00:25:07,970 --> 00:25:04,980
believe the family even though there's

605
00:25:09,529 --> 00:25:07,980
have been some inconsistencies

606
00:25:12,529 --> 00:25:09,539
um specifically with the ring doorbell

607
00:25:14,450 --> 00:25:12,539
cam which Angel claimed was his neighbor

608
00:25:17,330 --> 00:25:14,460
across the street but turned out to be

609
00:25:18,710 --> 00:25:17,340
uh entirely further away think little

610
00:25:20,390 --> 00:25:18,720
things there have been some

611
00:25:21,950 --> 00:25:20,400
inconsistencies with the stories and

612
00:25:26,029 --> 00:25:21,960
you've you've pointed out a few of those

613
00:25:27,710 --> 00:25:26,039

off off air to me as well but at the

614

00:25:30,649 --> 00:25:27,720

same time

615

00:25:33,310 --> 00:25:30,659

you know these corporations without

616

00:25:38,029 --> 00:25:33,320

naming them these government contractors

617

00:25:41,330 --> 00:25:38,039

have purportedly the ability to make an

618

00:25:43,549 --> 00:25:41,340

event like this take place and

619

00:25:46,010 --> 00:25:43,559

very well you know Steer the direction

620

00:25:47,870 --> 00:25:46,020

of the news they could land in anyone's

621

00:25:50,330 --> 00:25:47,880

backyard right and they could kind of

622

00:25:52,909 --> 00:25:50,340

this they could make this happen anytime

623

00:25:55,430 --> 00:25:52,919

they want if this purported technology

624

00:25:58,310 --> 00:25:55,440

is actually in their you know at their

625

00:26:00,470 --> 00:25:58,320

disposal in in their possession what are

626

00:26:02,930 --> 00:26:00,480

your thoughts is this are we maybe on

627

00:26:05,330 --> 00:26:02,940

the cusp of confirmation by a

628

00:26:07,810 --> 00:26:05,340

government's you know that non-human

629

00:26:12,710 --> 00:26:07,820

intelligence is present on the planet

630

00:26:16,490 --> 00:26:12,720

I I think we are if rush and his

631

00:26:19,130 --> 00:26:16,500

complaints that he filed are number one

632

00:26:21,409 --> 00:26:19,140

going to be addressed properly uh by

633

00:26:23,570 --> 00:26:21,419

Congress and number two not shut down by

634

00:26:25,490 --> 00:26:23,580

these internal factions that you know we

635

00:26:28,070 --> 00:26:25,500

can't see and I think that's the main

636

00:26:30,950 --> 00:26:28,080

issue here so I think this this could go

637

00:26:33,950 --> 00:26:30,960

one of two ways this is a linchpin uh

638

00:26:35,630 --> 00:26:33,960

historical moment there can be in the

639

00:26:36,950 --> 00:26:35,640

sense that if these complaints go

640

00:26:38,810 --> 00:26:36,960

through Congress opens up these

641

00:26:41,450 --> 00:26:38,820

investigations and we're able to get a

642

00:26:42,890 --> 00:26:41,460

foot in the door uh with all the people

643

00:26:44,930 --> 00:26:42,900

that are pushing us right now I hope it

644

00:26:46,970 --> 00:26:44,940

happens but if we can get a foot in the

645

00:26:49,850 --> 00:26:46,980

door as far as being able to actually

646

00:26:52,310 --> 00:26:49,860

open these programs up from this I think

647

00:26:54,529 --> 00:26:52,320

we're okay but the only issue I'm having

648

00:26:56,570 --> 00:26:54,539

and I'm worried about a little bit is

649

00:26:58,549 --> 00:26:56,580

that rush and it is going to get shut

650

00:27:00,169 --> 00:26:58,559

down internally I don't think they can

651
00:27:01,310 --> 00:27:00,179
assassinate his character at this point

652
00:27:03,529 --> 00:27:01,320
it doesn't seem like there's been

653
00:27:05,210 --> 00:27:03,539
anything in his path it's going to be be

654
00:27:06,549 --> 00:27:05,220
able to be misconstrued to the point

655
00:27:10,310 --> 00:27:06,559
where he wouldn't be credible anymore

656
00:27:12,529 --> 00:27:10,320
but at the same time it does seem like

657
00:27:15,049 --> 00:27:12,539
these internal secret factions inside

658
00:27:17,029 --> 00:27:15,059
the government are extremely powerful I

659
00:27:19,490 --> 00:27:17,039
mean if if we got to address the

660
00:27:22,549 --> 00:27:19,500
question so if these if these groups

661
00:27:24,049 --> 00:27:22,559
have technology that is hundreds

662
00:27:25,730 --> 00:27:24,059
thousands tens of thousands of years

663
00:27:28,250 --> 00:27:25,740

ahead of ours that essentially looks

664

00:27:30,350 --> 00:27:28,260

like magic uh we're not just talking

665

00:27:32,630 --> 00:27:30,360

about you know anti-gravitational

666

00:27:34,970 --> 00:27:32,640

aircraft we're talking about like faster

667

00:27:37,490 --> 00:27:34,980

than light communication apparently from

668

00:27:39,230 --> 00:27:37,500

that press conference that Greer had uh

669

00:27:42,289 --> 00:27:39,240

we're talking about a lot of different

670

00:27:43,850 --> 00:27:42,299

Technologies besides just you know the

671

00:27:46,909 --> 00:27:43,860

being able to lift things with

672

00:27:49,430 --> 00:27:46,919

anti-gravity packs so essentially there

673

00:27:51,169 --> 00:27:49,440

is a lot of power in that and there's a

674

00:27:54,230 --> 00:27:51,179

lot of things that can be done to

675

00:27:55,730 --> 00:27:54,240

control the situation uh on a world

676

00:27:58,549 --> 00:27:55,740

scale with these kind of Technologies

677

00:28:01,549 --> 00:27:58,559

and in the dark without us knowing

678

00:28:03,169 --> 00:28:01,559

um in this whole situation I mean this

679

00:28:04,610 --> 00:28:03,179

doesn't I mean I do believe I'm going to

680

00:28:07,669 --> 00:28:04,620

say personally one of the things I do

681

00:28:10,130 --> 00:28:07,679

believe is that what Greer and his

682

00:28:12,409 --> 00:28:10,140

associates are saying about these this

683

00:28:14,930 --> 00:28:12,419

internal struggle going on I 100 believe

684

00:28:16,070 --> 00:28:14,940

that and it just it just worries me

685

00:28:17,510 --> 00:28:16,080

because I know there's a lot of good

686

00:28:19,789 --> 00:28:17,520

guys out there I know there's a lot of

687

00:28:22,190 --> 00:28:19,799

people that want truth but what we

688

00:28:24,169 --> 00:28:22,200

aren't dealing with right now uh if this

689

00:28:25,010 --> 00:28:24,179

is real which I think it is

690

00:28:28,549 --> 00:28:25,020

um

691

00:28:32,110 --> 00:28:28,559

is a very very very powerful enemy this

692

00:28:34,250 --> 00:28:32,120

is an enemy that not only is

693

00:28:36,409 --> 00:28:34,260

multi-generational at this point because

694

00:28:39,830 --> 00:28:36,419

it's been going on for longer than 70

695

00:28:42,590 --> 00:28:39,840

years from what I have researched but

696

00:28:45,049 --> 00:28:42,600

it's also been able to keep these things

697

00:28:46,490 --> 00:28:45,059

in secret for so long and access and use

698

00:28:50,630 --> 00:28:46,500

these Technologies for that same amount

699

00:28:53,149 --> 00:28:50,640

of time which I mean the the amount of

700

00:28:55,669 --> 00:28:53,159

possibilities and questions that opens

701

00:28:57,710 --> 00:28:55,679

up is it's insane it's never ending and

702

00:28:59,630 --> 00:28:57,720

you can think of you know the end of

703

00:29:02,390 --> 00:28:59,640

World War II new schwaben land you have

704

00:29:04,010 --> 00:29:02,400

project high jump with uh the stories of

705

00:29:05,630 --> 00:29:04,020

Admiral Byrd a lot of that can't really

706

00:29:08,450 --> 00:29:05,640

be corroborated you know a lot of these

707

00:29:09,890 --> 00:29:08,460

stories end out just being hearsay but a

708

00:29:12,470 --> 00:29:09,900

lot of questions have to be opened up

709

00:29:15,230 --> 00:29:12,480

that if if the Roswell thing is real and

710

00:29:17,810 --> 00:29:15,240

if we really if we really got our first

711

00:29:20,090 --> 00:29:17,820

UFO in 1933 in Italy and we've had them

712

00:29:22,430 --> 00:29:20,100

for that long operable

713

00:29:23,570 --> 00:29:22,440

I mean I know this sounds crazy to say

714

00:29:25,789 --> 00:29:23,580

outright but I've been talking about

715

00:29:27,769 --> 00:29:25,799

this with some of my friends like Hitler

716

00:29:30,649 --> 00:29:27,779

may have not even died on this planet

717

00:29:32,930 --> 00:29:30,659

you know like it sounds insane but with

718

00:29:34,310 --> 00:29:32,940

all the questions this opens up like it

719

00:29:36,350 --> 00:29:34,320

means World War II could have played out

720

00:29:38,210 --> 00:29:36,360

me exactly it did because of UFO

721

00:29:40,549 --> 00:29:38,220

technology and that probably goes with a

722

00:29:42,950 --> 00:29:40,559

lot of art history since that period so

723

00:29:44,870 --> 00:29:42,960

these these groups are probably so

724

00:29:47,029 --> 00:29:44,880

entrenched that we it's going to take

725

00:29:49,549 --> 00:29:47,039

literally everyone and probably the

726

00:29:51,830 --> 00:29:49,559

entirety of the public to be able to to

727

00:29:53,870 --> 00:29:51,840

get this to open up and that's

728

00:29:56,510 --> 00:29:53,880

kind of in the long terms that's my

729

00:29:57,409 --> 00:29:56,520

point as I'm I'm worried right now that

730

00:30:01,130 --> 00:29:57,419

Dave

731

00:30:03,409 --> 00:30:01,140

and the people behind him and ufology

732

00:30:05,090 --> 00:30:03,419

community and people like you and me

733

00:30:07,010 --> 00:30:05,100

aren't going to be enough right now

734

00:30:08,990 --> 00:30:07,020

that's my like deepest fear about all

735

00:30:10,970 --> 00:30:09,000

this is it's not going to be enough of a

736

00:30:12,889 --> 00:30:10,980

push to be able to get this as far as it

737

00:30:14,570 --> 00:30:12,899

needs to go because if it doesn't if

738

00:30:16,430 --> 00:30:14,580

this complaint doesn't go as far as it

739

00:30:17,990 --> 00:30:16,440

needs to go and that crack isn't deep

740

00:30:19,549 --> 00:30:18,000

enough it's just going to steal itself

741

00:30:20,690 --> 00:30:19,559

back up and we're going to be locked out

742

00:30:21,710 --> 00:30:20,700

again and then we're going to have to

743

00:30:23,930 --> 00:30:21,720

wait another

744

00:30:25,750 --> 00:30:23,940

six months a year two years ten years

745

00:30:28,130 --> 00:30:25,760

down the road until someone else is

746

00:30:29,930 --> 00:30:28,140

brave enough and enough of the Patriot

747

00:30:32,570 --> 00:30:29,940

to come out and wreck their entire wife

748

00:30:35,330 --> 00:30:32,580

and career over the most important

749

00:30:38,570 --> 00:30:35,340

subject in human history so I appreciate

750

00:30:40,909 --> 00:30:38,580

Dave brush and I appreciate if anyone

751
00:30:42,529 --> 00:30:40,919
anyone listens this I appreciate these

752
00:30:44,510 --> 00:30:42,539
people you should too these people that

753
00:30:46,250 --> 00:30:44,520
are coming out and talking about this

754
00:30:48,230 --> 00:30:46,260
information not people like me but

755
00:30:50,690 --> 00:30:48,240
people like Dave and Stephen Greer and

756
00:30:52,430 --> 00:30:50,700
all these big guys they are risking

757
00:30:53,930 --> 00:30:52,440
their lives they're risking the lives of

758
00:30:55,250 --> 00:30:53,940
their families they're looking in their

759
00:30:56,810 --> 00:30:55,260
professions they're risking their

760
00:31:00,470 --> 00:30:56,820
fortunes they're risking literally

761
00:31:03,289 --> 00:31:00,480
everything for this and it really hurts

762
00:31:06,110 --> 00:31:03,299
me to see a large majority of the public

763
00:31:07,549 --> 00:31:06,120

it's laughing at these guys because I

764

00:31:09,110 --> 00:31:07,559

hate to say it but if they put yourself

765

00:31:10,909 --> 00:31:09,120

in their shoes why the hell would you

766

00:31:13,549 --> 00:31:10,919

risk your entire life for something so

767

00:31:16,130 --> 00:31:13,559

crazy similarly it makes absolutely no

768

00:31:18,169 --> 00:31:16,140

sense man so we we need to really give

769

00:31:20,210 --> 00:31:18,179

these people a chance and I I think a

770

00:31:21,470 --> 00:31:20,220

lot of people are right now I just I

771

00:31:23,149 --> 00:31:21,480

just hope we can keep going with it

772

00:31:26,149 --> 00:31:23,159

maybe this is

773

00:31:28,490 --> 00:31:26,159

this could go really well or it could go

774

00:31:30,289 --> 00:31:28,500

really bad and I hope it turns into the

775

00:31:31,610 --> 00:31:30,299

first uh first option that we have an

776

00:31:32,810 --> 00:31:31,620

information at the last year and

777

00:31:35,630 --> 00:31:32,820

hopefully we can

778

00:31:38,990 --> 00:31:35,640

break into this ice wall they have built

779

00:31:41,870 --> 00:31:39,000

around disclosure yeah man I don't think

780

00:31:44,930 --> 00:31:41,880

it's even after this happens Dave and

781

00:31:46,190 --> 00:31:44,940

this whole person is successful I still

782

00:31:47,269 --> 00:31:46,200

I think it's still going to be a slow

783

00:31:49,669 --> 00:31:47,279

move after that because there's

784

00:31:51,529 --> 00:31:49,679

obviously going to be fighting at every

785

00:31:53,690 --> 00:31:51,539

Point uh you know there's going to be

786

00:31:55,789 --> 00:31:53,700

stonewalling essentially a large portion

787

00:31:58,370 --> 00:31:55,799

of the corporate Legacy Media is against

788

00:31:59,750 --> 00:31:58,380

this topic they're paid off you get a

789

00:32:01,669 --> 00:31:59,760

lot of politicians that you're probably

790

00:32:03,470 --> 00:32:01,679

against this topic there's a lot of

791

00:32:05,510 --> 00:32:03,480

people inside Washington that we don't

792

00:32:07,850 --> 00:32:05,520

know we haven't talked to

793

00:32:10,549 --> 00:32:07,860

um you know but if you're waiting for

794

00:32:12,169 --> 00:32:10,559

the chance to put those down stomp on

795

00:32:15,230 --> 00:32:12,179

his neck and kill it as soon as they can

796

00:32:16,730 --> 00:32:15,240

so we got a lot of good people out there

797

00:32:18,889 --> 00:32:16,740

though and I trust the people that are

798

00:32:21,110 --> 00:32:18,899

in the news right now because I'm being

799

00:32:24,230 --> 00:32:21,120

honest who else do we have the trust

800

00:32:26,529 --> 00:32:24,240

um there's not many people right now uh

801
00:32:30,049 --> 00:32:26,539
in the public eye that have proven

802
00:32:32,450 --> 00:32:30,059
proven uh that they should be respected

803
00:32:34,549 --> 00:32:32,460
untrusted at this point yeah essentially

804
00:32:36,049 --> 00:32:34,559
you know the people in this country that

805
00:32:36,710 --> 00:32:36,059
they're working towards season this is

806
00:32:38,810 --> 00:32:36,720
Secret

807
00:32:40,070 --> 00:32:38,820
and doing really discussing things would

808
00:32:41,690 --> 00:32:40,080
be Secrets

809
00:32:44,029 --> 00:32:41,700
um so I'm hoping we can get to the

810
00:32:45,830 --> 00:32:44,039
bottom of this uh Stephen Greer is in

811
00:32:47,930 --> 00:32:45,840
your interviews

812
00:32:50,389 --> 00:32:47,940
and especially the press conference and

813
00:32:52,010 --> 00:32:50,399

the testimony the I can't remember his

814

00:32:55,970 --> 00:32:52,020

name but the Marine gave on there I

815

00:32:57,590 --> 00:32:55,980

believe his name is it Herrera yeah yeah

816

00:32:59,210 --> 00:32:57,600

talking about the operation that he

817

00:33:00,409 --> 00:32:59,220

witnessed in Indonesia with the UFO

818

00:33:03,289 --> 00:33:00,419

there that

819

00:33:05,630 --> 00:33:03,299

was disgusting man thinking about these

820

00:33:08,990 --> 00:33:05,640

kind of Technologies being used to

821

00:33:11,750 --> 00:33:09,000

to harm other human this way human you

822

00:33:13,909 --> 00:33:11,760

know traffic them and contribute to

823

00:33:15,409 --> 00:33:13,919

you know the drug surge that played

824

00:33:16,870 --> 00:33:15,419

their society yeah we need to get rid of

825

00:33:19,549 --> 00:33:16,880

this stuff

826

00:33:21,830 --> 00:33:19,559

we really do and uh these people are

827

00:33:23,330 --> 00:33:21,840

heroes people who are saying it isn't a

828

00:33:25,610 --> 00:33:23,340

lot of here I'm gonna support them in

829

00:33:27,769 --> 00:33:25,620

every way I can you do too and I'm

830

00:33:29,029 --> 00:33:27,779

hoping our general public gets there at

831

00:33:31,370 --> 00:33:29,039

some point too

832

00:33:32,930 --> 00:33:31,380

I I really appreciate you saying that

833

00:33:34,430 --> 00:33:32,940

because I think that's where this is

834

00:33:38,269 --> 00:33:34,440

headed and I like where this is going

835

00:33:42,230 --> 00:33:38,279

because you know the one thing that

836

00:33:44,810 --> 00:33:42,240

David grush has going for him is that he

837

00:33:47,090 --> 00:33:44,820

apparently you know all like you said

838

00:33:49,430 --> 00:33:47,100

all his credentials are legitimate and

839

00:33:52,250 --> 00:33:49,440

unfortunately it seems so often in this

840

00:33:53,750 --> 00:33:52,260

space as in the case of Doug Papa the

841

00:33:55,610 --> 00:33:53,760

first thing that they go after is

842

00:33:57,710 --> 00:33:55,620

somebody's background and credentials

843

00:34:01,070 --> 00:33:57,720

when in reality that has nothing to do

844

00:34:03,889 --> 00:34:01,080

with the matter at hand and you know

845

00:34:07,750 --> 00:34:03,899

what what grush describes about these

846

00:34:10,490 --> 00:34:07,760

supposed crash retrieval programs is

847

00:34:12,889 --> 00:34:10,500

very interesting in how it operates he's

848

00:34:14,869 --> 00:34:12,899

got all the jargon he has all of the

849

00:34:18,169 --> 00:34:14,879

oversight everybody that seems to have

850

00:34:20,210 --> 00:34:18,179

worked with him likes the guy and that's

851
00:34:23,149 --> 00:34:20,220
where things become difficult because as

852
00:34:25,669 --> 00:34:23,159
you mentioned all the Legacy Media is

853
00:34:27,589 --> 00:34:25,679
basically ripping in ripping a new one

854
00:34:30,109 --> 00:34:27,599
on the poor guy even though they have no

855
00:34:33,230 --> 00:34:30,119
reason to and that show shows really

856
00:34:34,970 --> 00:34:33,240
badly to the American public and it

857
00:34:37,310 --> 00:34:34,980
makes you wonder in my opinion it makes

858
00:34:39,470 --> 00:34:37,320
his claims more legitimate

859
00:34:41,450 --> 00:34:39,480
yeah I think it does and I think it's

860
00:34:43,250 --> 00:34:41,460
offensive to some people the way I mean

861
00:34:46,369 --> 00:34:43,260
especially with the Legacy Media

862
00:34:48,409 --> 00:34:46,379
especially the way they treat uh just

863
00:34:50,450 --> 00:34:48,419

regular Americans and people who think

864

00:34:51,770 --> 00:34:50,460

we're stupid and granted you know a lot

865

00:34:53,869 --> 00:34:51,780

of us aren't paying attention right now

866

00:34:55,310 --> 00:34:53,879

but most of us most humans are really

867

00:34:58,430 --> 00:34:55,320

smart you know what I mean and I think

868

00:35:00,410 --> 00:34:58,440

most people can see the untruth in a lot

869

00:35:02,210 --> 00:35:00,420

of what's going on right now and the

870

00:35:04,849 --> 00:35:02,220

untruths and a lot of what's been going

871

00:35:08,089 --> 00:35:04,859

on especially in the last decade but I

872

00:35:09,890 --> 00:35:08,099

think most most of us I mean I I've felt

873

00:35:12,109 --> 00:35:09,900

this myself so I'm sure that most people

874

00:35:14,630 --> 00:35:12,119

feel it most of us are

875

00:35:16,190 --> 00:35:14,640

so worried about you know keeping it

876

00:35:17,690 --> 00:35:16,200

together on a daily basis worried about

877

00:35:19,010 --> 00:35:17,700

our daily lives all the things we got

878

00:35:21,349 --> 00:35:19,020

going on in this

879

00:35:23,089 --> 00:35:21,359

seemingly faster and faster Society we

880

00:35:26,089 --> 00:35:23,099

live in that you know our attention

881

00:35:29,270 --> 00:35:26,099

spans uh have been programmed and

882

00:35:32,329 --> 00:35:29,280

conditioned to do good for a few minutes

883

00:35:33,589 --> 00:35:32,339

at most uh on top of that so I don't I

884

00:35:35,750 --> 00:35:33,599

don't blame a lot of people for not

885

00:35:37,450 --> 00:35:35,760

talking about this and not being able to

886

00:35:40,310 --> 00:35:37,460

digest it because

887

00:35:42,290 --> 00:35:40,320

uh you know it is a lot but I think

888

00:35:44,770 --> 00:35:42,300

subconsciously a lot of us are seeing

889

00:35:47,390 --> 00:35:44,780

the unsuitable of what's going on and we

890

00:35:48,950 --> 00:35:47,400

recognize it but since there's not a lot

891

00:35:50,150 --> 00:35:48,960

we can do about it we kind of just tend

892

00:35:51,890 --> 00:35:50,160

to shove it into the back of our brain

893

00:35:53,630 --> 00:35:51,900

and forget about it later so I think

894

00:35:55,250 --> 00:35:53,640

what's happening right now with these

895

00:35:57,530 --> 00:35:55,260

situations is making a huge difference

896

00:35:59,030 --> 00:35:57,540

in that for a lot of people because you

897

00:36:00,650 --> 00:35:59,040

know we don't want to act on a subject

898

00:36:05,870 --> 00:36:00,660

until

899

00:36:09,170 --> 00:36:05,880

know human brains are kind of rigged to

900

00:36:11,930 --> 00:36:09,180

do that and so right now with these

901
00:36:14,030 --> 00:36:11,940
situations I'm hoping that it's kind of

902
00:36:15,710 --> 00:36:14,040
one of those situations where it is on

903
00:36:18,109 --> 00:36:15,720
our doorstep now and it's in your face

904
00:36:19,849 --> 00:36:18,119
and you can't really turn around and put

905
00:36:22,069 --> 00:36:19,859
your head in the sand we try to address

906
00:36:24,829 --> 00:36:22,079
this and these are hard questions it's

907
00:36:27,230 --> 00:36:24,839
not just light-hearted there's aliens in

908
00:36:29,210 --> 00:36:27,240
the sky it's these things would be ahead

909
00:36:32,030 --> 00:36:29,220
from us for seven years and our history

910
00:36:35,030 --> 00:36:32,040
is probably completely different than

911
00:36:36,530 --> 00:36:35,040
what we've been found and I'm hoping

912
00:36:37,849 --> 00:36:36,540
once people realize they have to

913
00:36:38,930 --> 00:36:37,859

question their entire history are we

914

00:36:40,010 --> 00:36:38,940

going to start seeing some people go to

915

00:36:42,290 --> 00:36:40,020

prison

916

00:36:44,930 --> 00:36:42,300

because we've been lied to you and I'm

917

00:36:46,069 --> 00:36:44,940

starting to wonder not Wonder but I've

918

00:36:47,450 --> 00:36:46,079

believed this for a long time that

919

00:36:48,890 --> 00:36:47,460

what's partner has three books

920

00:36:52,310 --> 00:36:48,900

especially our history of the last 100

921

00:36:54,410 --> 00:36:52,320

years is really nothing uh didn't really

922

00:36:57,710 --> 00:36:54,420

ever play out like we've been told I

923

00:36:59,569 --> 00:36:57,720

think a large majority of that as of the

924

00:37:00,589 --> 00:36:59,579

last century has to do with the UFO

925

00:37:03,230 --> 00:37:00,599

topic

926

00:37:05,270 --> 00:37:03,240

um I'm no I know it's true you know I'll

927

00:37:09,050 --> 00:37:05,280

say that again you know a lot of people

928

00:37:10,490 --> 00:37:09,060

uh stole the rest of this crazy talk but

929

00:37:12,770 --> 00:37:10,500

it wasn't an experience there's gonna be

930

00:37:14,089 --> 00:37:12,780

a lot more people legitimately seriously

931

00:37:15,770 --> 00:37:14,099

talking about this and I think it's

932

00:37:17,030 --> 00:37:15,780

going to help us all grow as a

933

00:37:20,510 --> 00:37:17,040

civilization

934

00:37:23,150 --> 00:37:20,520

uh Neil and like in

935

00:37:25,609 --> 00:37:23,160

one of you guys like if you study

936

00:37:27,470 --> 00:37:25,619

Hindu Hinduism you got the yugos right

937

00:37:29,690 --> 00:37:27,480

and we're supposed to be at the start

938

00:37:30,650 --> 00:37:29,700

I'm essentially a new golden age and I

939

00:37:32,630 --> 00:37:30,660

think

940

00:37:35,329 --> 00:37:32,640

when they when you see stuff like that

941

00:37:37,250 --> 00:37:35,339

and three thousand year old plus Tech it

942

00:37:38,810 --> 00:37:37,260

leads me to believe that maybe like we

943

00:37:40,670 --> 00:37:38,820

are at the start of this golden age and

944

00:37:43,130 --> 00:37:40,680

this is what the cat list for that in

945

00:37:45,109 --> 00:37:43,140

the sun suit or the start of the cabinet

946

00:37:47,510 --> 00:37:45,119

because I mean what we're talking about

947

00:37:49,849 --> 00:37:47,520

right now on this subject and hopefully

948

00:37:52,490 --> 00:37:49,859

this truth is coming out essentially it

949

00:37:55,609 --> 00:37:52,500

gives our whole society a makeover uh

950

00:37:58,790 --> 00:37:55,619

you know from like zero to 100 and one

951
00:38:00,829 --> 00:37:58,800
day so I'm positive I'm really positive

952
00:38:02,089 --> 00:38:00,839
I just want to be careful myself right

953
00:38:03,470 --> 00:38:02,099
now and I want everyone else to be

954
00:38:04,670 --> 00:38:03,480
careful and just just don't believe

955
00:38:06,370 --> 00:38:04,680
everything you hear if you want to go

956
00:38:09,170 --> 00:38:06,380
through it's under yourself

957
00:38:12,589 --> 00:38:09,180
and that that's I think that's important

958
00:38:14,990 --> 00:38:12,599
and you know it it's really it's it's

959
00:38:16,849 --> 00:38:15,000
sad that the Legacy Media seems to be

960
00:38:18,470 --> 00:38:16,859
controlled at the highest levels but it

961
00:38:21,050 --> 00:38:18,480
makes sense you know our economy is

962
00:38:23,210 --> 00:38:21,060
based on this and the way I was just

963
00:38:26,270 --> 00:38:23,220

discussing it with

964

00:38:29,210 --> 00:38:26,280

um a uh former senior senior

965

00:38:32,150 --> 00:38:29,220

intelligence officer who uh confided in

966

00:38:34,430 --> 00:38:32,160

me some some things you know if

967

00:38:35,990 --> 00:38:34,440

if you the last people you're going to

968

00:38:38,150 --> 00:38:36,000

shoot are the contractors who keep you

969

00:38:41,810 --> 00:38:38,160

alive right so a lot of these

970

00:38:43,790 --> 00:38:41,820

corporations that are being named and as

971

00:38:46,670 --> 00:38:43,800

the bad guys in this whistleblower

972

00:38:50,089 --> 00:38:46,680

testimony I find it highly unlikely that

973

00:38:52,730 --> 00:38:50,099

they are going to be you know uh taken

974

00:38:55,550 --> 00:38:52,740

out at the knees because these are the

975

00:38:56,569 --> 00:38:55,560

same forces that keep our government uh

976

00:38:58,010 --> 00:38:56,579

you know they're the tip of the spirit

977

00:39:01,310 --> 00:38:58,020

they're the ones that make us a world

978

00:39:03,290 --> 00:39:01,320

power and you know this isn't the first

979

00:39:07,550 --> 00:39:03,300

time that government officials have

980

00:39:10,370 --> 00:39:07,560

suggested that we possess for lack of a

981

00:39:13,970 --> 00:39:10,380

better word retrieved materials

982

00:39:15,250 --> 00:39:13,980

um late Senator Harry Reid who was close

983

00:39:18,170 --> 00:39:15,260

friends with

984

00:39:21,650 --> 00:39:18,180

yeah rip right

985

00:39:25,310 --> 00:39:21,660

um Harry Reid who was extremely left

986

00:39:27,829 --> 00:39:25,320

wing and Robert Bigelow who was more

987

00:39:30,230 --> 00:39:27,839

conservative when it came to certain

988

00:39:32,210 --> 00:39:30,240

things for decades these guys saw eye to

989

00:39:34,010 --> 00:39:32,220

eye and I think that's really important

990

00:39:38,150 --> 00:39:34,020

because

991

00:39:41,329 --> 00:39:38,160

they both believed that they fought for

992

00:39:42,710 --> 00:39:41,339

greater disclosure and I you know Harry

993

00:39:45,890 --> 00:39:42,720

Reid

994

00:39:48,190 --> 00:39:45,900

came forward and he had been told that

995

00:39:51,370 --> 00:39:48,200

Lockheed and some of these other

996

00:39:54,530 --> 00:39:51,380

contractors had reverse engineered

997

00:39:57,650 --> 00:39:54,540

materials now I think this is starting

998

00:40:00,890 --> 00:39:57,660

to be more commonly believed by the

999

00:40:04,250 --> 00:40:00,900

mainstream and what are your thoughts on

1000

00:40:09,650 --> 00:40:04,260

the public announcement that the U.S has

1001
00:40:13,069 --> 00:40:11,510
um I mean I I would say at this point if

1002
00:40:14,750 --> 00:40:13,079
you put all the other evidence over the

1003
00:40:18,550 --> 00:40:14,760
last you know a few decades together

1004
00:40:22,190 --> 00:40:18,560
between you know military whistleblowers

1005
00:40:23,930 --> 00:40:22,200
civilians just all accounts uh it seems

1006
00:40:26,690 --> 00:40:23,940
like it's true it seems like it's real

1007
00:40:28,250 --> 00:40:26,700
I'd imagine I've seen two of them myself

1008
00:40:29,510 --> 00:40:28,260
or what I think are two of the ones that

1009
00:40:31,190 --> 00:40:29,520
we have myself they definitely weren't

1010
00:40:33,589 --> 00:40:31,200
driven by aliens

1011
00:40:35,450 --> 00:40:33,599
so I know we at least got two so if

1012
00:40:37,790 --> 00:40:35,460
someone's saying we have nine I mean who

1013
00:40:38,990 --> 00:40:37,800

knows you know what I mean I've been

1014

00:40:40,970 --> 00:40:39,000

gretz is saying when you shot down

1015

00:40:44,089 --> 00:40:40,980

something like 122 of these things on

1016

00:40:45,349 --> 00:40:44,099

record uh I can't remember if that was

1017

00:40:47,329 --> 00:40:45,359

Greer there's been so much information

1018

00:40:49,730 --> 00:40:47,339

lately man going on it's hard to keep it

1019

00:40:52,130 --> 00:40:49,740

all inside my head but uh I mean if we

1020

00:40:54,650 --> 00:40:52,140

really sat down 123 of these things you

1021

00:40:56,510 --> 00:40:54,660

know with scale our weapons I'd imagine

1022

00:41:00,530 --> 00:40:56,520

we got a lot more than that which might

1023

00:41:01,790 --> 00:41:00,540

uh cover some of the instances the

1024

00:41:03,230 --> 00:41:01,800

vehicles all over the world I mean

1025

00:41:04,730 --> 00:41:03,240

people are hundreds of people are

1026

00:41:07,730 --> 00:41:04,740

filming these things on a daily basis

1027

00:41:10,010 --> 00:41:07,740

you know so I'd imagine we probably have

1028

00:41:11,810 --> 00:41:10,020

a lot more than

1029

00:41:13,910 --> 00:41:11,820

you know even that's on record I'd

1030

00:41:15,410 --> 00:41:13,920

imagine through the 122 on record or

1031

00:41:16,370 --> 00:41:15,420

from what Greer's saying there's

1032

00:41:18,349 --> 00:41:16,380

probably

1033

00:41:19,609 --> 00:41:18,359

triple quadruple that that we just

1034

00:41:21,050 --> 00:41:19,619

haven't heard of

1035

00:41:23,089 --> 00:41:21,060

um I've been worried about the

1036

00:41:25,069 --> 00:41:23,099

destabilization factor though like you

1037

00:41:27,290 --> 00:41:25,079

said you know uh we can't just take a

1038

00:41:30,109 --> 00:41:27,300

lot of these people out of the knees

1039

00:41:31,910 --> 00:41:30,119

um our country right now is you know as

1040

00:41:34,609 --> 00:41:31,920

we know our economies formed largely

1041

00:41:36,470 --> 00:41:34,619

around uh War cultures and weapon making

1042

00:41:38,630 --> 00:41:36,480

and things like that so you have these

1043

00:41:40,490 --> 00:41:38,640

companies and I'll name them uh because

1044

00:41:43,550 --> 00:41:40,500

I don't like these companies lawsuit

1045

00:41:46,010 --> 00:41:43,560

Martin or trip Drummond Raytheon let's

1046

00:41:48,230 --> 00:41:46,020

say I see all these companies man they

1047

00:41:49,910 --> 00:41:48,240

whether or not it's in it's not the

1048

00:41:52,130 --> 00:41:49,920

entirety of their you know employment

1049

00:41:53,750 --> 00:41:52,140

hiding these things but it is the people

1050

00:41:55,490 --> 00:41:53,760

at the top and some of these projects

1051
00:41:58,310 --> 00:41:55,500
these people need to be found out and

1052
00:41:59,390 --> 00:41:58,320
they need to be put on trial and I you

1053
00:42:02,450 --> 00:41:59,400
know I don't want to start getting

1054
00:42:05,089 --> 00:42:02,460
flagrant with my speech but I I'm to the

1055
00:42:06,890 --> 00:42:05,099
point where I'm really angry about this

1056
00:42:08,750 --> 00:42:06,900
too and I saw this in David garage's

1057
00:42:11,210 --> 00:42:08,760
face in the interview when he gave the

1058
00:42:13,190 --> 00:42:11,220
interview about him saying that there

1059
00:42:15,710 --> 00:42:13,200
were a lot of really Un-American things

1060
00:42:18,730 --> 00:42:15,720
that were being done this in secret and

1061
00:42:20,930 --> 00:42:18,740
that's what makes angry is that there's

1062
00:42:23,870 --> 00:42:20,940
sociopaths in some of these companies

1063
00:42:25,790 --> 00:42:23,880

and in places in government that are

1064

00:42:27,650 --> 00:42:25,800

essentially pulling wool over our eyes

1065

00:42:31,130 --> 00:42:27,660

in the name of

1066

00:42:33,530 --> 00:42:31,140

greed and health and understandably you

1067

00:42:35,810 --> 00:42:33,540

know we can't just take them all out but

1068

00:42:38,450 --> 00:42:35,820

once we figure out who these people are

1069

00:42:40,970 --> 00:42:38,460

we got to move away from this culture as

1070

00:42:42,890 --> 00:42:40,980

soon as we can because the civilization

1071

00:42:44,569 --> 00:42:42,900

is a huge thing here for people when

1072

00:42:46,370 --> 00:42:44,579

they think about aliens coming out they

1073

00:42:48,050 --> 00:42:46,380

automatically think you know what would

1074

00:42:50,870 --> 00:42:48,060

the religious view is going to be a lot

1075

00:42:52,970 --> 00:42:50,880

of suicides and that that will somewhat

1076

00:42:55,430 --> 00:42:52,980

play into it I think most people will be

1077

00:42:58,730 --> 00:42:55,440

able to fit this topic once it comes out

1078

00:43:00,530 --> 00:42:58,740

into their psyches in a way that makes

1079

00:43:03,109 --> 00:43:00,540

sense as long as we're getting the truth

1080

00:43:04,609 --> 00:43:03,119

given the truthful information uh you

1081

00:43:08,270 --> 00:43:04,619

know if it turns out this doesn't play

1082

00:43:11,750 --> 00:43:08,280

out well and the public is hit with this

1083

00:43:13,609 --> 00:43:11,760

blue beam as fake Alien Invasion which

1084

00:43:15,890 --> 00:43:13,619

they definitely have the technology for

1085

00:43:18,050 --> 00:43:15,900

uh to pretty easily do

1086

00:43:19,550 --> 00:43:18,060

you know if we get hit with this kind of

1087

00:43:22,910 --> 00:43:19,560

stuff and it comes out in the wrong way

1088

00:43:24,530 --> 00:43:22,920

uh it can be really really bad but I

1089

00:43:27,050 --> 00:43:24,540

think if it comes out in a good good way

1090

00:43:29,390 --> 00:43:27,060

in a truthful it turns out that you know

1091

00:43:32,230 --> 00:43:29,400

we do exist easily with these things but

1092

00:43:34,010 --> 00:43:32,240

we can go in a good direction but do

1093

00:43:35,450 --> 00:43:34,020

stabilizations is going to happen no

1094

00:43:37,550 --> 00:43:35,460

matter what I mean we're talking about

1095

00:43:40,849 --> 00:43:37,560

our entire economy being fractured in

1096

00:43:42,770 --> 00:43:40,859

half and an essentially a day

1097

00:43:44,930 --> 00:43:42,780

um and a lot of these people you know

1098

00:43:46,910 --> 00:43:44,940

they're in these positions of power our

1099

00:43:49,849 --> 00:43:46,920

economy is built around them our culture

1100

00:43:52,069 --> 00:43:49,859

is built around them in a lot of ways so

1101

00:43:54,650 --> 00:43:52,079

these are essentially pillars of our

1102

00:43:56,990 --> 00:43:54,660

economy and our government and

1103

00:43:58,730 --> 00:43:57,000

uh it's something that we need to I

1104

00:44:00,650 --> 00:43:58,740

guess keep on our heads as we navigate

1105

00:44:02,450 --> 00:44:00,660

with the situation and I think the

1106

00:44:04,150 --> 00:44:02,460

people in Washington and the people that

1107

00:44:07,550 --> 00:44:04,160

are addressing the subject right now

1108

00:44:08,930 --> 00:44:07,560

have solid heads on I'm hoping we don't

1109

00:44:10,670 --> 00:44:08,940

get to the point where enough of this

1110

00:44:12,430 --> 00:44:10,680

information comes out and we start

1111

00:44:15,410 --> 00:44:12,440

seeing riots in the streets but

1112

00:44:17,150 --> 00:44:15,420

considering how drastic this is and how

1113

00:44:19,569 --> 00:44:17,160

much it changes their history how much

1114

00:44:23,809 --> 00:44:19,579

it changes our daily lives

1115

00:44:25,849 --> 00:44:23,819

uh I can see a large amount of people

1116

00:44:27,710 --> 00:44:25,859

being extremely angry about this because

1117

00:44:30,230 --> 00:44:27,720

I'm extremely angry I know there's

1118

00:44:33,170 --> 00:44:30,240

things in my life on a daily basis that

1119

00:44:35,690 --> 00:44:33,180

I that I suffer that probably wouldn't

1120

00:44:37,130 --> 00:44:35,700

have to be done you know if we had

1121

00:44:38,450 --> 00:44:37,140

access to these Technologies they're

1122

00:44:39,890 --> 00:44:38,460

talking about so that's just me

1123

00:44:41,450 --> 00:44:39,900

personally and I know there's probably

1124

00:44:44,150 --> 00:44:41,460

millions of lives that could have been

1125

00:44:45,829 --> 00:44:44,160

saved or enhanced you know by these

1126

00:44:47,390 --> 00:44:45,839

things being public

1127

00:44:49,010 --> 00:44:47,400

um which was kind of what I'm irritated

1128

00:44:52,370 --> 00:44:49,020

about the people that are having the new

1129

00:44:54,349 --> 00:44:52,380

secrets are okay with that huge name of

1130

00:44:58,250 --> 00:44:54,359

whatever they're fighting for so

1131

00:45:00,770 --> 00:44:58,260

big time Big Time and you know it's very

1132

00:45:03,589 --> 00:45:00,780

very interesting how coincidence and

1133

00:45:06,050 --> 00:45:03,599

synchronicity has been working at least

1134

00:45:09,950 --> 00:45:06,060

in my personal experience regarding this

1135

00:45:11,750 --> 00:45:09,960

case and I I've been very blessed uh due

1136

00:45:14,450 --> 00:45:11,760

to previous things that I've done like

1137

00:45:17,150 --> 00:45:14,460

running a bed and breakfast in the uina

1138

00:45:19,309 --> 00:45:17,160

Basin of Utah where uh Special

1139

00:45:22,490 --> 00:45:19,319

Operations and intelligence subject

1140

00:45:24,890 --> 00:45:22,500

matter experts would stay you know and

1141

00:45:28,250 --> 00:45:24,900

somehow I've kept kind of kept those uh

1142

00:45:30,829 --> 00:45:28,260

relationships alive over the years you

1143

00:45:32,630 --> 00:45:30,839

know because I have no no there's no way

1144

00:45:36,109 --> 00:45:32,640

to explain some of the connections I've

1145

00:45:38,210 --> 00:45:36,119

gotten and it makes me realize that you

1146

00:45:41,270 --> 00:45:38,220

know the individuals presented with

1147

00:45:43,970 --> 00:45:41,280

credible or verifiable evidence

1148

00:45:45,710 --> 00:45:43,980

um oftentimes attack those who come

1149

00:45:48,109 --> 00:45:45,720

forward with it like we discussed I

1150

00:45:49,970 --> 00:45:48,119

think Doug pop is doing a great job he's

1151

00:45:53,450 --> 00:45:49,980

been attacked they tried to knock the

1152

00:45:54,069 --> 00:45:53,460

knees out from under him I think that

1153

00:45:56,630 --> 00:45:54,079

um

1154

00:45:58,970 --> 00:45:56,640

groosh Grouch is doing a great job

1155

00:46:01,430 --> 00:45:58,980

they've done the same thing even sean

1156

00:46:05,210 --> 00:46:01,440

Kirkpatrick who uh Kirkpatrick is with

1157

00:46:08,030 --> 00:46:05,220

arrow a-a-r-o and you know in in

1158

00:46:10,069 --> 00:46:08,040

Kirkpatrick's testimony to Congress you

1159

00:46:12,290 --> 00:46:10,079

know he said that he is operating under

1160

00:46:14,750 --> 00:46:12,300

a title 10 Authority but most

1161

00:46:18,170 --> 00:46:14,760

intelligence agencies operate under a

1162

00:46:19,609 --> 00:46:18,180

higher title 50 Authority so it seems

1163

00:46:22,309 --> 00:46:19,619

that the intelligence Community with

1164

00:46:23,990 --> 00:46:22,319

title 50 feels free to Stonewall arrow

1165

00:46:26,930 --> 00:46:24,000

with the title 10 because they View

1166

00:46:31,030 --> 00:46:26,940

Title 10 as inferior to 50 so it was

1167

00:46:34,250 --> 00:46:31,040

almost set up to fail from the go

1168

00:46:38,150 --> 00:46:34,260

what are your thoughts on that yeah

1169

00:46:43,730 --> 00:46:40,790

um my first I guess my first thought was

1170

00:46:45,470 --> 00:46:43,740

off the top is that he's either hiding

1171

00:46:47,210 --> 00:46:45,480

something or he doesn't have access to

1172

00:46:49,550 --> 00:46:47,220

the information that we know most people

1173

00:46:50,809 --> 00:46:49,560

know about the research but uh the

1174

00:46:53,089 --> 00:46:50,819

reason I thought that is because well

1175

00:46:55,430 --> 00:46:53,099

you know it was just so damn boring

1176

00:46:57,829 --> 00:46:55,440

um there wasn't much to the hearings and

1177

00:47:00,050 --> 00:46:57,839

with Kirkpatrick you know I started

1178

00:47:02,569 --> 00:47:00,060

looking into it after the hearings

1179

00:47:04,490 --> 00:47:02,579

concluded and then I I didn't hear about

1180

00:47:06,890 --> 00:47:04,500

the title 15 and title 10 thing and it

1181

00:47:09,829 --> 00:47:06,900

does seem like that's going on so it

1182

00:47:11,870 --> 00:47:09,839

seems like Kirkpatrick and his crew over

1183

00:47:13,910 --> 00:47:11,880

there at Arrow they don't have access to

1184

00:47:16,069 --> 00:47:13,920

the information they needed in the first

1185

00:47:18,829 --> 00:47:16,079

place so essentially their entire effort

1186

00:47:22,370 --> 00:47:18,839

at this point from what it looks like is

1187

00:47:23,809 --> 00:47:22,380

useless they are essentially stuck in a

1188

00:47:26,030 --> 00:47:23,819

bubble inside of a bigger bubble that

1189

00:47:29,750 --> 00:47:26,040

they can't get out of information-wise

1190

00:47:33,650 --> 00:47:29,760

so you know if if these secret documents

1191

00:47:35,630 --> 00:47:33,660

are not able to be pursued by the staff

1192

00:47:39,410 --> 00:47:35,640

there there's really no sense in having

1193

00:47:41,510 --> 00:47:39,420

having the program and that's a big

1194

00:47:43,309 --> 00:47:41,520

thing that the public misses because a

1195

00:47:45,530 --> 00:47:43,319

lot of people don't hear about this kind

1196

00:47:47,089 --> 00:47:45,540

of information it's not not really

1197

00:47:49,490 --> 00:47:47,099

forced out there the way some of these

1198

00:47:52,069 --> 00:47:49,500

headlines are so that piece of

1199

00:47:54,109 --> 00:47:52,079

information specifically changes the

1200

00:47:55,849 --> 00:47:54,119

game for ARS specifically because it

1201
00:47:57,470 --> 00:47:55,859
shows you

1202
00:48:00,230 --> 00:47:57,480
um essentially that you know the program

1203
00:48:03,190 --> 00:48:00,240
either was set up in the first place to

1204
00:48:06,770 --> 00:48:03,200
be a distraction which is what I think

1205
00:48:08,410 --> 00:48:06,780
or you know it's basically was just a

1206
00:48:10,670 --> 00:48:08,420
dumb so I

1207
00:48:12,109 --> 00:48:10,680
either way I don't think we're going to

1208
00:48:12,950 --> 00:48:12,119
get marked out of ARL I think you're

1209
00:48:15,530 --> 00:48:12,960
probably gonna have to do another

1210
00:48:16,849 --> 00:48:15,540
iteration of the program before you know

1211
00:48:19,309 --> 00:48:16,859
a couple years down the road before

1212
00:48:21,109 --> 00:48:19,319
anything crazy is accessible but we'll

1213
00:48:23,270 --> 00:48:21,119

we'll see with Congress I mean if if

1214

00:48:25,010 --> 00:48:23,280

these I guess there's like 17 18

1215

00:48:25,849 --> 00:48:25,020

senators and congressmen right now that

1216

00:48:29,930 --> 00:48:25,859

have

1217

00:48:33,950 --> 00:48:29,940

uh essentially come out and spoken about

1218

00:48:35,510 --> 00:48:33,960

rush in affirmative tone so hopefully

1219

00:48:37,609 --> 00:48:35,520

that's enough to get this started but

1220

00:48:39,130 --> 00:48:37,619

they need more they need more guts in

1221

00:48:41,930 --> 00:48:39,140

those programs they need higher

1222

00:48:43,670 --> 00:48:41,940

clearances because essentially if you

1223

00:48:45,530 --> 00:48:43,680

got a glass ceiling and all the good

1224

00:48:47,270 --> 00:48:45,540

stuff above the glass the other guys you

1225

00:48:48,950 --> 00:48:47,280

know there's really no sense in doing

1226

00:48:50,089 --> 00:48:48,960

any of this it's all talk essentially

1227

00:48:53,569 --> 00:48:50,099

and that's the thing with a lot of the

1228

00:48:55,790 --> 00:48:53,579

UFO subjects is the ambiguous uh nature

1229

00:48:57,410 --> 00:48:55,800

of it lack of evidence just put you in a

1230

00:48:58,849 --> 00:48:57,420

talking Circle so that's essentially

1231

00:49:01,430 --> 00:48:58,859

what arrow is going to do they're gonna

1232

00:49:04,130 --> 00:49:01,440

you know look at these UFOs and be like

1233

00:49:05,870 --> 00:49:04,140

yeah there's tough one in the sky that's

1234

00:49:07,430 --> 00:49:05,880

not ours there you go like and that's

1235

00:49:09,470 --> 00:49:07,440

not going to help anybody it's just

1236

00:49:11,210 --> 00:49:09,480

going to be a circle of useless

1237

00:49:13,010 --> 00:49:11,220

information because me personally I've

1238

00:49:15,050 --> 00:49:13,020

seen enough Tic Tac videos I've seen

1239

00:49:16,430 --> 00:49:15,060

enough or videos I've seen enough UFOs

1240

00:49:18,530 --> 00:49:16,440

everyone knows you're up there everyone

1241

00:49:20,510 --> 00:49:18,540

knows they're unexplained everyone knows

1242

00:49:22,370 --> 00:49:20,520

they're not human but we need the next

1243

00:49:24,530 --> 00:49:22,380

you know we need the next step in the

1244

00:49:26,569 --> 00:49:24,540

story and I think that's the one right

1245

00:49:28,609 --> 00:49:26,579

here is we've got these forces behind

1246

00:49:30,050 --> 00:49:28,619

the scenes right now just I think

1247

00:49:30,890 --> 00:49:30,060

there's a lot of people if she's lying

1248

00:49:32,329 --> 00:49:30,900

is I think there's a lot of people

1249

00:49:33,950 --> 00:49:32,339

losing their [h__h] behind the scenes

1250

00:49:35,930 --> 00:49:33,960

right now I can't imagine

1251

00:49:37,550 --> 00:49:35,940

people in one of these programs and

1252

00:49:39,170 --> 00:49:37,560

knowing that you know the Public's

1253

00:49:41,210 --> 00:49:39,180

getting ready to come after you guys and

1254

00:49:42,890 --> 00:49:41,220

start investigating but there's a lot of

1255

00:49:44,510 --> 00:49:42,900

real scary guys out there and a lot of

1256

00:49:47,569 --> 00:49:44,520

rushing around going on a lot of

1257

00:49:49,609 --> 00:49:47,579

document dumping going on so hopefully

1258

00:49:51,290 --> 00:49:49,619

enough of it gets saved that you know

1259

00:49:52,790 --> 00:49:51,300

this track and the cycle what I'm

1260

00:49:55,190 --> 00:49:52,800

talking Knox and it's going to be forced

1261

00:49:57,530 --> 00:49:55,200

open and we can get a a debuts of

1262

00:49:59,089 --> 00:49:57,540

truthful information agreed man if I

1263

00:50:01,010 --> 00:49:59,099

want and that's what you want man that's

1264

00:50:03,470 --> 00:50:01,020

what we all want agreed that the the

1265

00:50:04,690 --> 00:50:03,480

paper shredders are overheating right

1266

00:50:08,750 --> 00:50:04,700

now

1267

00:50:10,730 --> 00:50:08,760

kind of want to go look at Office Max

1268

00:50:11,990 --> 00:50:10,740

and Office Depot stock right now and see

1269

00:50:14,569 --> 00:50:12,000

if they're climbing a little bit because

1270

00:50:16,190 --> 00:50:14,579

yeah it's crazy man I I think most

1271

00:50:17,809 --> 00:50:16,200

people right now

1272

00:50:20,809 --> 00:50:17,819

um in the general public and I get this

1273

00:50:23,329 --> 00:50:20,819

from talking to people all over online

1274

00:50:25,670 --> 00:50:23,339

you know friends people I work with

1275

00:50:27,890 --> 00:50:25,680

people in public everyone

1276

00:50:30,109 --> 00:50:27,900

um even if they don't consciously know

1277

00:50:33,230 --> 00:50:30,119

or realize that they're starving for

1278

00:50:36,230 --> 00:50:33,240

truth they're starving for people to

1279

00:50:40,210 --> 00:50:36,240

look to that are respectable and

1280

00:50:43,370 --> 00:50:40,220

admirable they're starving for me

1281

00:50:46,309 --> 00:50:43,380

they're starving for a lot of things

1282

00:50:48,710 --> 00:50:46,319

right now and I think subjects like this

1283

00:50:51,049 --> 00:50:48,720

hopefully will give people more because

1284

00:50:52,069 --> 00:50:51,059

because I mean if I'm being honest you

1285

00:50:53,329 --> 00:50:52,079

know with the news and the way things

1286

00:50:54,950 --> 00:50:53,339

are going with our economy in the world

1287

00:50:58,250 --> 00:50:54,960

is your politics right now it's pretty

1288

00:50:59,750 --> 00:50:58,260

cool it's really deep so uh and everyone

1289

00:51:01,190 --> 00:50:59,760

thinks that I know everyone feels it

1290

00:51:03,049 --> 00:51:01,200

what doesn't matter what what you

1291

00:51:05,210 --> 00:51:03,059

believe politically if you're a human

1292

00:51:05,950 --> 00:51:05,220

you feel where things aren't going that

1293

00:51:09,710 --> 00:51:05,960

great

1294

00:51:12,650 --> 00:51:09,720

I'm hoping that uh you know we can uh

1295

00:51:14,329 --> 00:51:12,660

come together as a civilization

1296

00:51:16,790 --> 00:51:14,339

um and kind of expose more of our

1297

00:51:18,650 --> 00:51:16,800

Humanity because in the last few decades

1298

00:51:20,510 --> 00:51:18,660

we've started to lose some of that

1299

00:51:23,390 --> 00:51:20,520

another a lot of people I've seen on a

1300

00:51:26,150 --> 00:51:23,400

daily basis of like walk the spark of

1301

00:51:27,890 --> 00:51:26,160

life in their eyes and I think a lot of

1302

00:51:29,809 --> 00:51:27,900

us just need something physical and

1303

00:51:30,770 --> 00:51:29,819

exciting like this to get us going and

1304

00:51:32,450 --> 00:51:30,780

so

1305

00:51:34,730 --> 00:51:32,460

even if it takes the President coming

1306

00:51:37,370 --> 00:51:34,740

out you know the White House the planet

1307

00:51:39,829 --> 00:51:37,380

himself I think that will happen in the

1308

00:51:41,930 --> 00:51:39,839

next five years later so

1309

00:51:43,970 --> 00:51:41,940

you've brought up some really good

1310

00:51:47,089 --> 00:51:43,980

points here Josh and it's it's

1311

00:51:50,809 --> 00:51:47,099

unfortunate that there seems to be a

1312

00:51:54,829 --> 00:51:50,819

deep uh long history of aerospace

1313

00:51:58,730 --> 00:51:54,839

engineers NASA the dod and even the

1314

00:52:01,549 --> 00:51:58,740

former uh UAP task force of them

1315

00:52:04,130 --> 00:52:01,559

formally being created by Congress as a

1316

00:52:06,349 --> 00:52:04,140

smoke screen and this this is

1317

00:52:08,390 --> 00:52:06,359

unfortunate because as you mentioned

1318

00:52:12,370 --> 00:52:08,400

with some of this footage like the Tic

1319

00:52:14,990 --> 00:52:12,380

Tac and uh the go fast and all of these

1320

00:52:17,870 --> 00:52:15,000

it's it's unfortunate because as you

1321

00:52:20,150 --> 00:52:17,880

know I consider uh Jeremy Corbell and

1322

00:52:23,690 --> 00:52:20,160

George Knapp uh friends incredible

1323

00:52:25,970 --> 00:52:23,700

sources at least and you know Jeremy

1324

00:52:30,410 --> 00:52:25,980

came out uh quite some time ago it was

1325

00:52:33,589 --> 00:52:30,420

April of uh I'm sorry January 2023 of

1326

00:52:36,049 --> 00:52:33,599

it's a still from a video of a UFO

1327

00:52:38,089 --> 00:52:36,059

flying over the city of mosul in Iraq

1328

00:52:41,410 --> 00:52:38,099

and everybody said this is just a still

1329

00:52:45,170 --> 00:52:41,420

image he's like no you guys this is from

1330

00:52:46,849 --> 00:52:45,180

yeah yeah I got the video nobody

1331

00:52:49,309 --> 00:52:46,859

believed him

1332

00:52:53,089 --> 00:52:49,319

um and then Arrow released it in April

1333

00:52:54,890 --> 00:52:53,099

2023 complete with video and and it just

1334

00:52:57,230 --> 00:52:54,900

goes to show that

1335

00:52:59,809 --> 00:52:57,240

people are not willing to take you at

1336

00:53:02,270 --> 00:52:59,819

your word even when you come out with

1337

00:53:04,130 --> 00:53:02,280

these things such as uh Jeremy the

1338

00:53:06,710 --> 00:53:04,140

documentary filmmaker way ahead of time

1339

00:53:08,809 --> 00:53:06,720

and the complaint is always oh is it

1340

00:53:10,730 --> 00:53:08,819

credible is it you know you're just

1341

00:53:13,309 --> 00:53:10,740

doing this to promote yourself

1342

00:53:16,010 --> 00:53:13,319

it's it's really unfortunate it's really

1343

00:53:17,329 --> 00:53:16,020

it just seems like the status quo if you

1344

00:53:19,670 --> 00:53:17,339

don't come out with absolutely

1345

00:53:23,329 --> 00:53:19,680

everything enclosure and complete

1346

00:53:27,589 --> 00:53:23,339

disclosure they automatically put you in

1347

00:53:29,569 --> 00:53:27,599

this arena with a bunch of quacks and I

1348

00:53:32,390 --> 00:53:29,579

I don't think this hap this seems to be

1349

00:53:34,210 --> 00:53:32,400

like on a cyclical basis with people

1350

00:53:37,190 --> 00:53:34,220

coming out with shared information

1351
00:53:40,430 --> 00:53:37,200
everybody trying to combat and debunk

1352
00:53:42,829 --> 00:53:40,440
them and hush them up and then another

1353
00:53:45,410 --> 00:53:42,839
surge it's almost like waves of this is

1354
00:53:48,770 --> 00:53:45,420
coming in and disclosure is literally

1355
00:53:51,109 --> 00:53:48,780
happening one drop at a time but it does

1356
00:53:54,470 --> 00:53:51,119
appear that there's indisputable

1357
00:53:56,030 --> 00:53:54,480
realization at least by the public that

1358
00:53:58,910 --> 00:53:56,040
there's something to it right where

1359
00:54:01,670 --> 00:53:58,920
there's smoke there's fire yeah how I've

1360
00:54:03,650 --> 00:54:01,680
heard some people uh I believe Herrera

1361
00:54:06,290 --> 00:54:03,660
was one of them that said if we don't

1362
00:54:10,130 --> 00:54:06,300
come out with all of this now that it

1363
00:54:11,390 --> 00:54:10,140

will not happen and that we make how

1364

00:54:14,150 --> 00:54:11,400

long do you think it's going gonna take

1365

00:54:16,309 --> 00:54:14,160

before everybody realizes or is

1366

00:54:22,609 --> 00:54:16,319

compelled to validate some of these

1367

00:54:25,910 --> 00:54:23,930

okay

1368

00:54:27,770 --> 00:54:25,920

um really it's his best guess at this

1369

00:54:32,089 --> 00:54:27,780

point I feel like the way the situation

1370

00:54:35,089 --> 00:54:32,099

plays out is gonna drastically uh be

1371

00:54:37,510 --> 00:54:35,099

affected by how large the effort is and

1372

00:54:39,890 --> 00:54:37,520

how successful the information

1373

00:54:42,049 --> 00:54:39,900

tactics are I guess because we do have a

1374

00:54:44,329 --> 00:54:42,059

few factions here and I think the main

1375

00:54:46,010 --> 00:54:44,339

thing is going to be fighting algorithms

1376
00:54:49,250 --> 00:54:46,020
here because these factions you know

1377
00:54:50,809 --> 00:54:49,260
these people have essentially over not

1378
00:54:53,450 --> 00:54:50,819
for life is a better word advisor away

1379
00:54:54,770 --> 00:54:53,460
so you got people in Google YouTube all

1380
00:54:55,849 --> 00:54:54,780
these different search engines they're

1381
00:54:57,890 --> 00:54:55,859
probably being controlled with these

1382
00:54:59,390 --> 00:54:57,900
algorithms that are obscuring the real

1383
00:55:03,549 --> 00:54:59,400
information or the information you need

1384
00:55:06,049 --> 00:55:03,559
to do from the public so the thing with

1385
00:55:08,329 --> 00:55:06,059
people getting incredible information on

1386
00:55:10,190 --> 00:55:08,339
the community and in front of them is

1387
00:55:13,010 --> 00:55:10,200
going to be a big part of the story how

1388
00:55:14,750 --> 00:55:13,020

however I think psychologically a lot of

1389

00:55:16,549 --> 00:55:14,760

people right now they're even though

1390

00:55:19,790 --> 00:55:16,559

they have proven some of them it's not

1391

00:55:21,230 --> 00:55:19,800

something that they are willing to open

1392

00:55:22,910 --> 00:55:21,240

up and I don't think it's because of the

1393

00:55:25,609 --> 00:55:22,920

alien question because of all the other

1394

00:55:27,770 --> 00:55:25,619

questions that come out do that and I I

1395

00:55:30,470 --> 00:55:27,780

have friends personally that I've shown

1396

00:55:32,329 --> 00:55:30,480

you know in the suitable evidence dozens

1397

00:55:34,430 --> 00:55:32,339

of times of these things too you know

1398

00:55:36,530 --> 00:55:34,440

the government whistleblower evidence

1399

00:55:39,109 --> 00:55:36,540

and they still always find the reason

1400

00:55:40,430 --> 00:55:39,119

they're an excuse as to why it doesn't

1401

00:55:43,130 --> 00:55:40,440

make any sense

1402

00:55:45,049 --> 00:55:43,140

um people's brains I think are rigged

1403

00:55:47,809 --> 00:55:45,059

right now in condition to find anything

1404

00:55:49,490 --> 00:55:47,819

they can to make this unbelievable uh

1405

00:55:51,410 --> 00:55:49,500

but when subconsciously I think they

1406

00:55:55,190 --> 00:55:51,420

know it's true I think there's anybody

1407

00:55:56,990 --> 00:55:55,200

noticed who does inside themselves

1408

00:55:58,490 --> 00:55:57,000

will realize that you know we're all one

1409

00:56:00,589 --> 00:55:58,500

connecting Consciousness we're not the

1410

00:56:03,530 --> 00:56:00,599

only ones out there they're most likely

1411

00:56:06,710 --> 00:56:03,540

been things here for a long time and

1412

00:56:09,770 --> 00:56:06,720

this most likely is not our planet so I

1413

00:56:11,329 --> 00:56:09,780

think that is built into our DNA in some

1414

00:56:13,609 --> 00:56:11,339

way or another if that makes any sense

1415

00:56:15,049 --> 00:56:13,619

and so I think it's a knowing that we

1416

00:56:17,089 --> 00:56:15,059

all have but right now we are

1417

00:56:18,710 --> 00:56:17,099

conditioned most of us conditioned in a

1418

00:56:22,069 --> 00:56:18,720

lot of ways to

1419

00:56:24,349 --> 00:56:22,079

essentially fight that knowing um

1420

00:56:26,450 --> 00:56:24,359

consciously works up consciously so I

1421

00:56:28,370 --> 00:56:26,460

think a large portion of the victory

1422

00:56:30,710 --> 00:56:28,380

here and getting this linchman and

1423

00:56:32,990 --> 00:56:30,720

Avalanche started is breaking that

1424

00:56:33,950 --> 00:56:33,000

mechanism inside of the American and

1425

00:56:35,750 --> 00:56:33,960

worldwide

1426

00:56:38,030 --> 00:56:35,760

because I said things like logically

1427

00:56:39,710 --> 00:56:38,040

that one thing would be in my condition

1428

00:56:42,410 --> 00:56:39,720

is keeping a lot of people from

1429

00:56:44,270 --> 00:56:42,420

switching the light on and people who've

1430

00:56:46,910 --> 00:56:44,280

had experiences weird experiences like

1431

00:56:49,730 --> 00:56:46,920

you and me and lots of others

1432

00:56:54,410 --> 00:56:49,740

um that those experiences a lot of the

1433

00:56:57,049 --> 00:56:54,420

time uh serve to turn off or or unhinge

1434

00:57:04,750 --> 00:56:57,059

that you date that has been conditioned

1435

00:57:10,370 --> 00:57:07,569

and so there is a Consciousness

1436

00:57:12,530 --> 00:57:10,380

expanding aspects of that and I think a

1437

00:57:14,150 --> 00:57:12,540

lot about this stuck essentially in this

1438

00:57:16,010 --> 00:57:14,160

Consciousness prison even though you

1439

00:57:18,230 --> 00:57:16,020

know inside our DNA you know what the

1440

00:57:20,030 --> 00:57:18,240

truth is so we just need more people

1441

00:57:21,109 --> 00:57:20,040

were yelling the truth out there in the

1442

00:57:23,630 --> 00:57:21,119

right places

1443

00:57:25,089 --> 00:57:23,640

and I think it'll uh I think it'll get

1444

00:57:27,829 --> 00:57:25,099

the Paradigm to shift a little more

1445

00:57:29,089 --> 00:57:27,839

Super well said and you brought up

1446

00:57:31,730 --> 00:57:29,099

something really big which is

1447

00:57:32,630 --> 00:57:31,740

consciousness and you know sources have

1448

00:57:34,010 --> 00:57:32,640

said

1449

00:57:35,870 --> 00:57:34,020

that

1450

00:57:40,370 --> 00:57:35,880

well basically

1451

00:57:44,510 --> 00:57:40,380

we have these craft however we are not

1452

00:57:48,049 --> 00:57:44,520

able to fly them and you know it's like

1453

00:57:50,390 --> 00:57:48,059

sending a cell phone back to the caveman

1454

00:57:53,690 --> 00:57:50,400

what are your thoughts on this do you

1455

00:57:55,670 --> 00:57:53,700

believe that we have reverse engineered

1456

00:57:56,930 --> 00:57:55,680

craft and are flying them or do you

1457

00:57:59,829 --> 00:57:56,940

think we're still just kind of looking

1458

00:58:02,690 --> 00:57:59,839

at them and figuring out how they work

1459

00:58:04,609 --> 00:58:02,700

so what I don't know all the information

1460

00:58:05,890 --> 00:58:04,619

but from what I've gathered we have

1461

00:58:08,210 --> 00:58:05,900

there's different

1462

00:58:11,270 --> 00:58:08,220

ways or different types of engines

1463

00:58:12,950 --> 00:58:11,280

essentially that you can use to get the

1464

00:58:16,130 --> 00:58:12,960

FEMA stack out of these crafts right you

1465

00:58:17,750 --> 00:58:16,140

got this anti-gravitational effects um

1466

00:58:20,150 --> 00:58:17,760

I think if you have the right materials

1467

00:58:22,609 --> 00:58:20,160

that are reverse engineered and you have

1468

00:58:25,670 --> 00:58:22,619

a science to be able to

1469

00:58:27,170 --> 00:58:25,680

essentially get this thing working or

1470

00:58:28,970 --> 00:58:27,180

approve

1471

00:58:30,530 --> 00:58:28,980

um you know the prospect of the crowds

1472

00:58:31,849 --> 00:58:30,540

it's the anti-grad aspect you would

1473

00:58:33,829 --> 00:58:31,859

still have to have a way to control it

1474

00:58:35,630 --> 00:58:33,839

you know and so there's Consciousness

1475

00:58:38,450 --> 00:58:35,640

bridge that they're talking about inside

1476

00:58:40,370 --> 00:58:38,460

of some of these crafts uh might serve

1477

00:58:42,650 --> 00:58:40,380

to be an issue because it I you know

1478

00:58:45,109 --> 00:58:42,660

work onto things obviously but some of

1479

00:58:46,910 --> 00:58:45,119

these crafts I've read you know from

1480

00:58:50,270 --> 00:58:46,920

investigating different accounts that

1481

00:58:52,789 --> 00:58:50,280

are controlled by Dr panels other crafts

1482

00:58:54,650 --> 00:58:52,799

like apparently what Phil Corso said you

1483

00:58:56,569 --> 00:58:54,660

know from Roswell is they got a headband

1484

00:58:58,309 --> 00:58:56,579

uh

1485

00:58:59,930 --> 00:58:58,319

different headbands essentially that

1486

00:59:01,970 --> 00:58:59,940

were put on the Pilot's heads in order

1487

00:59:04,670 --> 00:59:01,980

to I guess mine the bridge with these

1488

00:59:06,589 --> 00:59:04,680

crafts in order to drive them so I don't

1489

00:59:10,370 --> 00:59:06,599

know maybe if we've reverse engineered

1490

00:59:12,589 --> 00:59:10,380

our own Technologies or craft from the

1491

00:59:15,650 --> 00:59:12,599

Extraterrestrial ones if we've been able

1492

00:59:17,210 --> 00:59:15,660

to find a mechanism to control them I

1493

00:59:19,549 --> 00:59:17,220

think we have I think they'd be able to

1494

00:59:21,049 --> 00:59:19,559

do that in some way or another now

1495

00:59:24,410 --> 00:59:21,059

there's the other aspect whereas these

1496

00:59:26,049 --> 00:59:24,420

some of these aren't easy crafts uh that

1497

00:59:29,510 --> 00:59:26,059

maybe we don't know how to drive them

1498

00:59:31,010 --> 00:59:29,520

I've heard stories of you know accounts

1499

00:59:33,470 --> 00:59:31,020

of people driving these things and

1500

00:59:35,270 --> 00:59:33,480

getting lobotomized trying to drive them

1501
00:59:37,069 --> 00:59:35,280
because well our brains just aren't

1502
00:59:39,950 --> 00:59:37,079
built for these things or they're not

1503
00:59:43,250 --> 00:59:39,960
built for our brain or our Consciousness

1504
00:59:44,930 --> 00:59:43,260
and that's obviously hearsay but it

1505
00:59:46,490 --> 00:59:44,940
leads to the points like you know how do

1506
00:59:48,530 --> 00:59:46,500
we do we even know how to drive these

1507
00:59:50,450 --> 00:59:48,540
things and from what I've seen from the

1508
00:59:51,890 --> 00:59:50,460
hundreds thousands and thousands and

1509
00:59:54,470 --> 00:59:51,900
thousands of UFO videos I've seen

1510
00:59:56,569 --> 00:59:54,480
there's like a good percentage of these

1511
00:59:58,250 --> 00:59:56,579
videos where it looks like the things

1512
01:00:00,109 --> 00:59:58,260
you're hanging in the air and those

1513
01:00:02,450 --> 01:00:00,119

really know what's going on I want to

1514

01:00:05,210 --> 01:00:02,460

say that's a pattern especially with the

1515

01:00:07,970 --> 01:00:05,220

tr3b black single videos you there was

1516

01:00:10,849 --> 01:00:07,980

that one from uh 29 Palms last month

1517

01:00:12,589 --> 01:00:10,859

that one or was just hanging in the air

1518

01:00:14,210 --> 01:00:12,599

and that one seems that video

1519

01:00:15,950 --> 01:00:14,220

specifically seems like it was an

1520

01:00:18,530 --> 01:00:15,960

announcement or display of the

1521

01:00:19,849 --> 01:00:18,540

technology which I really don't

1522

01:00:22,010 --> 01:00:19,859

understand I've been able to figure that

1523

01:00:23,510 --> 01:00:22,020

out yet but a lot of the time these

1524

01:00:25,730 --> 01:00:23,520

things I've seen videos appear at these

1525

01:00:27,530 --> 01:00:25,740

3DS your pain in the air like like the

1526
01:00:29,329 --> 01:00:27,540
person just lost control of the steering

1527
01:00:31,250 --> 01:00:29,339
wheel or something you know like so I

1528
01:00:33,230 --> 01:00:31,260
don't know you know I I think there's

1529
01:00:34,490 --> 01:00:33,240
probably different types that we have

1530
01:00:36,829 --> 01:00:34,500
been able to figure out how to control

1531
01:00:38,150 --> 01:00:36,839
and I that there's a lot that we haven't

1532
01:00:40,250 --> 01:00:38,160
do

1533
01:00:42,650 --> 01:00:40,260
um as many races as have been mentioned

1534
01:00:44,930 --> 01:00:42,660
in a lot of these accounts uh up until

1535
01:00:47,630 --> 01:00:44,940
like 83 to 200 efforts a lot of numbers

1536
01:00:49,789 --> 01:00:47,640
floated around by different people but

1537
01:00:51,349 --> 01:00:49,799
not as many races as we have essentially

1538
01:00:53,150 --> 01:00:51,359

that have been in contact with this

1539

01:00:55,490 --> 01:00:53,160

planning I mean there could be tons of

1540

01:00:57,349 --> 01:00:55,500

different types of Technologies we could

1541

01:01:00,049 --> 01:00:57,359

have nothing both technology we could

1542

01:01:01,970 --> 01:01:00,059

have you know purely Elemental causes

1543

01:01:04,069 --> 01:01:01,980

technology there could be so many things

1544

01:01:05,990 --> 01:01:04,079

in a lot of these races we we do know

1545

01:01:08,750 --> 01:01:06,000

and we've heard about you know all these

1546

01:01:10,789 --> 01:01:08,760

two-legged ones maybe uh humanoid ones

1547

01:01:12,710 --> 01:01:10,799

but there could be lots of stuff out

1548

01:01:14,450 --> 01:01:12,720

there we just really can't even

1549

01:01:16,970 --> 01:01:14,460

understand there might be beings out

1550

01:01:19,190 --> 01:01:16,980

there or technologies that we will never

1551

01:01:20,870 --> 01:01:19,200

be able to comprehend because

1552

01:01:21,890 --> 01:01:20,880

we don't know at this point none of us

1553

01:01:30,370 --> 01:01:21,900

know

1554

01:01:34,430 --> 01:01:32,510

he's been saying that what do they call

1555

01:01:35,750 --> 01:01:34,440

him uh program life forms they're seeing

1556

01:01:36,950 --> 01:01:35,760

a lot of the great aliens that are seen

1557

01:01:38,329 --> 01:01:36,960

it actually was just made by the

1558

01:01:40,670 --> 01:01:38,339

military with some of this technology

1559

01:01:42,950 --> 01:01:40,680

that they've uh reverse engineers in

1560

01:01:44,030 --> 01:01:42,960

these crashes so there's that too you

1561

01:01:45,770 --> 01:01:44,040

know they got the little gray aliens

1562

01:01:47,870 --> 01:01:45,780

that are supposedly interdimensional but

1563

01:01:49,970 --> 01:01:47,880

they're also supposedly cyborg some of

1564

01:01:52,490 --> 01:01:49,980

them and then also some of them might be

1565

01:01:54,589 --> 01:01:52,500

really aliens I mean we just don't know

1566

01:01:57,650 --> 01:01:54,599

you know so until more information comes

1567

01:01:59,870 --> 01:01:57,660

out I'm trying not to stick to

1568

01:02:02,030 --> 01:01:59,880

my beliefs too or not have not have

1569

01:02:03,890 --> 01:02:02,040

beliefs too much I guess because yes I

1570

01:02:05,870 --> 01:02:03,900

think it's changed on a daily basis for

1571

01:02:07,730 --> 01:02:05,880

the most part a dozen times a day

1572

01:02:09,650 --> 01:02:07,740

um but these these crap and you know I

1573

01:02:11,390 --> 01:02:09,660

want to drive one it would make my job a

1574

01:02:13,789 --> 01:02:11,400

lot easier if I could have an anti-graph

1575

01:02:16,250 --> 01:02:13,799

technology I would definitely have to

1576

01:02:17,990 --> 01:02:16,260

work a lot less that would be cool yeah

1577

01:02:20,930 --> 01:02:18,000

man I don't I don't know man I don't

1578

01:02:22,490 --> 01:02:20,940

know I I think we'll see more of this

1579

01:02:24,349 --> 01:02:22,500

and I hope they announce these

1580

01:02:25,970 --> 01:02:24,359

Technologies within the next couple of

1581

01:02:28,670 --> 01:02:25,980

years but I think we have to get through

1582

01:02:32,150 --> 01:02:28,680

this for this little bout of getting it

1583

01:02:34,730 --> 01:02:32,160

into public site and kind of digested

1584

01:02:36,589 --> 01:02:34,740

and then push more and then maybe we'll

1585

01:02:38,510 --> 01:02:36,599

have them you know show us some of this

1586

01:02:40,490 --> 01:02:38,520

technology but if you read so of course

1587

01:02:42,650 --> 01:02:40,500

those day after Rockwell he talks about

1588

01:02:44,390 --> 01:02:42,660

the fact that you know some of our

1589

01:02:46,730 --> 01:02:44,400

technologies that we are using worldwide

1590

01:02:48,289 --> 01:02:46,740

on a daily basis right now reverse

1591

01:02:51,230 --> 01:02:48,299

engineered from

1592

01:02:53,510 --> 01:02:51,240

an alien craft I've never been debunkers

1593

01:02:56,690 --> 01:02:53,520

come out over the last you know 20 years

1594

01:02:58,549 --> 01:02:56,700

and essentially debunked Parsons claims

1595

01:02:59,930 --> 01:02:58,559

in that book about these different

1596

01:03:01,910 --> 01:02:59,940

Technologies

1597

01:03:03,349 --> 01:03:01,920

um and I thought that was the truth but

1598

01:03:05,450 --> 01:03:03,359

you know if you really think about it if

1599

01:03:07,789 --> 01:03:05,460

the rest of this stuff is real

1600

01:03:10,250 --> 01:03:07,799

maybe he wasn't lying maybe with some of

1601
01:03:13,250 --> 01:03:10,260
these Technologies just had happened to

1602
01:03:14,870 --> 01:03:13,260
have inventors put into history uh you

1603
01:03:16,789 --> 01:03:14,880
know to write edited history about this

1604
01:03:17,990 --> 01:03:16,799
guy invented fiber optics

1605
01:03:19,970 --> 01:03:18,000
um we don't really know where I came

1606
01:03:22,190 --> 01:03:19,980
from it could be another story behind it

1607
01:03:23,510 --> 01:03:22,200
and since the majority of our history

1608
01:03:25,190 --> 01:03:23,520
over the last hundred years has been

1609
01:03:26,750 --> 01:03:25,200
hidden from us and secured and twisted

1610
01:03:29,030 --> 01:03:26,760
I'd imagine that just about everything

1611
01:03:30,589 --> 01:03:29,040
else that you've heard that just seemed

1612
01:03:32,630 --> 01:03:30,599
like a crazy story it probably should be

1613
01:03:34,670 --> 01:03:32,640

working too I'm really interested in

1614

01:03:36,829 --> 01:03:34,680

World War II in the Nazis because yeah

1615

01:03:38,690 --> 01:03:36,839

like everyone you know that everyone

1616

01:03:40,849 --> 01:03:38,700

normal people think Hitler died on the

1617

01:03:42,589 --> 01:03:40,859

bunker you know conspiracy theorists

1618

01:03:44,450 --> 01:03:42,599

think he died in Argentina or maybe

1619

01:03:46,970 --> 01:03:44,460

Antarctica but this brings up the

1620

01:03:49,190 --> 01:03:46,980

anarchical questions too so we just I

1621

01:03:50,750 --> 01:03:49,200

mean there's so many things right now it

1622

01:03:53,089 --> 01:03:50,760

just keeps going so if this is real

1623

01:03:55,670 --> 01:03:53,099

essentially the entirety of our reality

1624

01:03:57,349 --> 01:03:55,680

is a fairy tale in reality so that's

1625

01:03:59,089 --> 01:03:57,359

exciting to me man I hope that's

1626

01:04:02,270 --> 01:03:59,099

exciting to other people too because it

1627

01:04:03,950 --> 01:04:02,280

makes life a lot cooler than it is

1628

01:04:06,530 --> 01:04:03,960

presented to us that we're supposed to

1629

01:04:09,829 --> 01:04:06,540

believe you know gives us more power is

1630

01:04:12,049 --> 01:04:09,839

people gives us a lot more hope gives us

1631

01:04:15,109 --> 01:04:12,059

a lot more strength as a culture and the

1632

01:04:16,549 --> 01:04:15,119

society together as a planet and so you

1633

01:04:18,349 --> 01:04:16,559

know there's like nothing bad that comes

1634

01:04:20,089 --> 01:04:18,359

from this besides that we get rid of a

1635

01:04:21,650 --> 01:04:20,099

bunch of really shitty people that have

1636

01:04:23,750 --> 01:04:21,660

been in power for a long time which I

1637

01:04:27,170 --> 01:04:23,760

don't have a problem with so

1638

01:04:29,750 --> 01:04:27,180

man so true and I know that you

1639

01:04:32,089 --> 01:04:29,760

um were going a little bit over and that

1640

01:04:33,890 --> 01:04:32,099

you are on site just got done with some

1641

01:04:36,170 --> 01:04:33,900

work so I don't wanna I don't want to

1642

01:04:38,630 --> 01:04:36,180

keep you too long but as we wrap up I

1643

01:04:41,510 --> 01:04:38,640

too would love to fly the craft I hear

1644

01:04:44,030 --> 01:04:41,520

you I loved Grant Cameron's uh book UFO

1645

01:04:45,470 --> 01:04:44,040

Sky pilots and I'm actually personally

1646

01:04:48,049 --> 01:04:45,480

friends with somebody that was in that

1647

01:04:50,809 --> 01:04:48,059

book that claims to have flown these

1648

01:04:52,430 --> 01:04:50,819

craft so there is that going on

1649

01:04:54,410 --> 01:04:52,440

um he's actually in Utah he's based out

1650

01:04:56,510 --> 01:04:54,420

of Utah his name is Ron Johnson he lives

1651
01:04:57,890 --> 01:04:56,520
down in price yeah we'll have to talk

1652
01:05:00,530 --> 01:04:57,900
about that

1653
01:05:03,530 --> 01:05:00,540
um what's interesting is that yeah the

1654
01:05:05,390 --> 01:05:03,540
controls like you said at 29 Palms in

1655
01:05:07,910 --> 01:05:05,400
that video it seems as if that craft is

1656
01:05:10,430 --> 01:05:07,920
hanging in midair and even though the 29

1657
01:05:12,950 --> 01:05:10,440
Palms video is two years old it seemed

1658
01:05:15,230 --> 01:05:12,960
very similar to Scott tappy's footage

1659
01:05:17,690 --> 01:05:15,240
here in Las Vegas just about a month ago

1660
01:05:19,849 --> 01:05:17,700
what I've heard and this is coming from

1661
01:05:23,030 --> 01:05:19,859
pretty high UPS uh

1662
01:05:24,890 --> 01:05:23,040
you know GS 15 and above and this again

1663
01:05:28,849 --> 01:05:24,900

this is coming second and third person

1664

01:05:31,609 --> 01:05:28,859

uh into my realm of information but what

1665

01:05:33,650 --> 01:05:31,619

I've heard is you know that yeah this

1666

01:05:36,109 --> 01:05:33,660

Consciousness aspect of flying the craft

1667

01:05:40,010 --> 01:05:36,119

as Ron Johnson has claimed is more

1668

01:05:42,410 --> 01:05:40,020

difficult and that our guys are top men

1669

01:05:44,569 --> 01:05:42,420

um feel a lot more comfortable flying

1670

01:05:47,770 --> 01:05:44,579

the craft with Believe It or Not game

1671

01:05:51,589 --> 01:05:47,780

controllers like you find with an Xbox

1672

01:05:54,470 --> 01:05:51,599

yeah yeah like an Xbox or a PlayStation

1673

01:05:56,390 --> 01:05:54,480

and it makes total sense too yeah and

1674

01:05:58,549 --> 01:05:56,400

they prefer them Wireless and it

1675

01:06:00,289 --> 01:05:58,559

sometimes the batteries wear out or

1676

01:06:01,970 --> 01:06:00,299

whatever or need to be changed and it's

1677

01:06:05,170 --> 01:06:01,980

those moments when the thing is just

1678

01:06:08,450 --> 01:06:05,180

hanging in midair like you know like

1679

01:06:11,510 --> 01:06:08,460

you know again like I said it's probably

1680

01:06:13,730 --> 01:06:11,520

so true sometimes the truth is Stranger

1681

01:06:14,990 --> 01:06:13,740

Than Fiction sometimes man it makes you

1682

01:06:18,289 --> 01:06:15,000

really wonder

1683

01:06:20,510 --> 01:06:18,299

um okay so lastly as we as we wrap up

1684

01:06:22,370 --> 01:06:20,520

um the sources have said that they

1685

01:06:25,789 --> 01:06:22,380

suspect that the Chinese and Russians

1686

01:06:29,210 --> 01:06:25,799

have also retrieved uh reverse

1687

01:06:31,190 --> 01:06:29,220

engineered materials and craft and that

1688

01:06:33,170 --> 01:06:31,200

we are fighting a very real cold war

1689

01:06:35,089 --> 01:06:33,180

behind the scenes what are your thoughts

1690

01:06:37,309 --> 01:06:35,099

about that

1691

01:06:39,289 --> 01:06:37,319

uh I mean I would tend to believe that I

1692

01:06:40,390 --> 01:06:39,299

mean if you look at uh let's just say

1693

01:06:44,150 --> 01:06:40,400

our history

1694

01:06:46,490 --> 01:06:44,160

in modern history humans have a tendency

1695

01:06:48,049 --> 01:06:46,500

to behave this way especially in

1696

01:06:49,430 --> 01:06:48,059

geopolitical situations where you have

1697

01:06:51,470 --> 01:06:49,440

you know there's a lot of these

1698

01:06:52,370 --> 01:06:51,480

politicians such a good path in my

1699

01:06:54,950 --> 01:06:52,380

opinion

1700

01:06:57,109 --> 01:06:54,960

and uh so

1701

01:06:59,150 --> 01:06:57,119

you have the cover-up going on here you

1702

01:07:00,829 --> 01:06:59,160

see dozens hundreds of situations with

1703

01:07:03,289 --> 01:07:00,839

our government and intelligent agencies

1704

01:07:06,230 --> 01:07:03,299

have covered up even the most mundane

1705

01:07:08,510 --> 01:07:06,240

things so I mean to tell you the truth

1706

01:07:09,470 --> 01:07:08,520

we're all humans there's no reason why

1707

01:07:11,329 --> 01:07:09,480

that wouldn't be happening in other

1708

01:07:14,210 --> 01:07:11,339

countries I'm sure Russia and China have

1709

01:07:17,210 --> 01:07:14,220

access to these things too I think what

1710

01:07:19,609 --> 01:07:17,220

we're not seeing though is

1711

01:07:21,829 --> 01:07:19,619

maybe not a cold war but a Mexican

1712

01:07:23,990 --> 01:07:21,839

standoff I think is what they call it

1713

01:07:26,390 --> 01:07:24,000

um where essentially that no one's able

1714

01:07:27,670 --> 01:07:26,400

to pull the trigger because it might

1715

01:07:30,230 --> 01:07:27,680

race

1716

01:07:31,370 --> 01:07:30,240

essentially destroying our entire planet

1717

01:07:33,529 --> 01:07:31,380

um some of these weapons that have been

1718

01:07:36,529 --> 01:07:33,539

talked about uh in the press conference

1719

01:07:39,410 --> 01:07:36,539

a few days ago and over the last

1720

01:07:40,789 --> 01:07:39,420

few years up to 20 years ago

1721

01:07:42,470 --> 01:07:40,799

um that have been talked about some

1722

01:07:44,150 --> 01:07:42,480

people coming out some of these weapons

1723

01:07:45,589 --> 01:07:44,160

scale our weapons we have energy weapons

1724

01:07:47,990 --> 01:07:45,599

you know plasma weapons all these

1725

01:07:51,190 --> 01:07:48,000

different types of technology that have

1726

01:07:54,470 --> 01:07:51,200

a much larger

1727

01:07:57,049 --> 01:07:54,480

effective range in depth of effects than

1728

01:07:58,910 --> 01:07:57,059

a nuclear weapon would so I mean you

1729

01:08:00,710 --> 01:07:58,920

might have a situation where there's

1730

01:08:03,109 --> 01:08:00,720

multiple countries like Russia China and

1731

01:08:04,750 --> 01:08:03,119

America that all have these essentially

1732

01:08:06,770 --> 01:08:04,760

Planet destroying

1733

01:08:08,390 --> 01:08:06,780

Technologies and maybe no one's willing

1734

01:08:10,849 --> 01:08:08,400

to use them because it risks everybody

1735

01:08:12,950 --> 01:08:10,859

else I'm not really sure

1736

01:08:14,150 --> 01:08:12,960

um it's hard to tell how accurate these

1737

01:08:15,829 --> 01:08:14,160

things are you know what types of

1738

01:08:18,349 --> 01:08:15,839

weapons they are you know how much they

1739

01:08:19,910 --> 01:08:18,359

use but the man that was talking the

1740

01:08:21,169 --> 01:08:19,920

past continuous press conference today I

1741

01:08:22,430 --> 01:08:21,179

was talking about the fact that you know

1742

01:08:23,749 --> 01:08:22,440

they're able to cause earthquakes or

1743

01:08:26,090 --> 01:08:23,759

some of these machines which brings them

1744

01:08:29,090 --> 01:08:26,100

to question quite a few different events

1745

01:08:31,430 --> 01:08:29,100

and the courses the last 20 years an

1746

01:08:33,410 --> 01:08:31,440

earthquake earthquake in Haiti come up

1747

01:08:34,610 --> 01:08:33,420

in my mind when they talk about these

1748

01:08:37,370 --> 01:08:34,620

kinds of weapons

1749

01:08:38,570 --> 01:08:37,380

um and I I 100 on my life believe that

1750

01:08:40,550 --> 01:08:38,580

those guys are telling the truth and

1751

01:08:42,169 --> 01:08:40,560

these things are real uh we need to open

1752

01:08:46,430 --> 01:08:42,179

up analytico because if these weapons

1753

01:08:48,349 --> 01:08:46,440

are being used uh to divert and twist

1754

01:08:50,450 --> 01:08:48,359

public discourse in history then we need

1755

01:08:52,849 --> 01:08:50,460

to we need to stop that and address it

1756

01:08:54,050 --> 01:08:52,859

because your scalar weapons man you know

1757

01:08:57,110 --> 01:08:54,060

the things they're talking about as far

1758

01:08:59,269 --> 01:08:57,120

as these wave weapons go uh the Zero

1759

01:09:01,910 --> 01:08:59,279

Point Energy weapon kill there dangerous

1760

01:09:04,729 --> 01:09:01,920

and I think their orders of magnitude

1761

01:09:06,709 --> 01:09:04,739

more dangerous than the weapons that we

1762

01:09:09,410 --> 01:09:06,719

currently have access to at least as far

1763

01:09:11,030 --> 01:09:09,420

as the public knows so yeah it's a it's

1764

01:09:12,530 --> 01:09:11,040

a scary situation that's where the scary

1765

01:09:14,689 --> 01:09:12,540

part of it comes into because we don't

1766

01:09:15,590 --> 01:09:14,699

know how many times these weapons have

1767

01:09:18,410 --> 01:09:15,600

been used

1768

01:09:20,689 --> 01:09:18,420

um if these weapons really get colon to

1769

01:09:21,490 --> 01:09:20,699

question 911 too 911 didn't make a lot

1770

01:09:25,070 --> 01:09:21,500

of sense

1771

01:09:26,809 --> 01:09:25,080

uh you know you have beauty Beauty buff

1772

01:09:28,610 --> 01:09:26,819

you wrote a book about a

1773

01:09:31,729 --> 01:09:28,620

you know the Twin Towers or they were

1774

01:09:33,590 --> 01:09:31,739

accounts of you know cars being melted

1775

01:09:35,990 --> 01:09:33,600

to the streets up to like a quarter mile

1776

01:09:37,849 --> 01:09:36,000

away from I I'm probably kind of wrong

1777

01:09:39,769 --> 01:09:37,859

about that it's a long time since we had

1778

01:09:42,410 --> 01:09:39,779

the best but essentially you know there

1779

01:09:44,209 --> 01:09:42,420

was evidence on 911 uh direct energy

1780

01:09:45,349 --> 01:09:44,219

weapons being used or something along

1781

01:09:49,870 --> 01:09:45,359

those lines

1782

01:09:54,350 --> 01:09:52,249

a lot of things in the question

1783

01:09:56,689 --> 01:09:54,360

um and I think we're gonna eventually

1784

01:09:58,970 --> 01:09:56,699

maybe not very soon but in the near

1785

01:10:01,790 --> 01:09:58,980

future be

1786

01:10:03,290 --> 01:10:01,800

um alerted about a large amount of false

1787

01:10:06,490 --> 01:10:03,300

flags that have probably occurred

1788

01:10:10,070 --> 01:10:06,500

because of these weapons

1789

01:10:13,310 --> 01:10:10,080

man I think I think you make some good

1790

01:10:15,229 --> 01:10:13,320

points as always Josh I absolutely love

1791

01:10:17,689 --> 01:10:15,239

our conversations I appreciate you going

1792

01:10:18,470 --> 01:10:17,699

over time with us I know you're just

1793

01:10:20,390 --> 01:10:18,480

getting

1794

01:10:23,750 --> 01:10:20,400

um off a site and some and some things

1795

01:10:25,790 --> 01:10:23,760

you're in into there and I I think you

1796

01:10:27,590 --> 01:10:25,800

made great points I love the work you're

1797

01:10:30,590 --> 01:10:27,600

doing if people haven't heard our

1798

01:10:32,209 --> 01:10:30,600

previous podcast about your uh possible

1799

01:10:34,189 --> 01:10:32,219

finding into

1800

01:10:36,649 --> 01:10:34,199

um deep underground at least uh

1801

01:10:37,729 --> 01:10:36,659

underground facilities possible uh

1802

01:10:40,550 --> 01:10:37,739

openings

1803

01:10:42,530 --> 01:10:40,560

um that are in and around Utah there uh

1804

01:10:44,209 --> 01:10:42,540

definitely check out that podcast with

1805

01:10:47,209 --> 01:10:44,219

Josh he always has a bunch of great

1806

01:10:50,570 --> 01:10:47,219

points we'll have to come back and uh

1807

01:10:52,610 --> 01:10:50,580

get some more info uh about this because

1808

01:10:55,010 --> 01:10:52,620

it keeps moving man and you're you're

1809

01:10:56,830 --> 01:10:55,020

it's a moving Target and you are uh

1810

01:10:59,750 --> 01:10:56,840

doing a really good job of keeping the

1811

01:11:02,689 --> 01:10:59,760

pulse on it so thanks so much for taking

1812

01:11:04,250 --> 01:11:02,699

time out of your busy day Josh yeah um

1813

01:11:05,750 --> 01:11:04,260

yeah I appreciate that I'm doing more

1814

01:11:10,689 --> 01:11:05,760

work up here in the mountains I can tell

1815

01:11:17,570 --> 01:11:13,970

you can hit me up on Twitter my username

1816

01:11:19,430 --> 01:11:17,580

is a greywave33 uh I just got Twitter I

1817

01:11:21,590 --> 01:11:19,440

got into UFO Twitter so you guys if

1818

01:11:23,149 --> 01:11:21,600

anyone listen to this add me on there um

1819

01:11:25,250 --> 01:11:23,159

but yeah I appreciate it man good luck

1820

01:11:26,270 --> 01:11:25,260

to you stay safe and uh Thunder on

1821

01:11:29,030 --> 01:11:26,280

Tuesdays

1822

01:11:31,550 --> 01:11:29,040

there it is ladies and gentlemen Josh

1823

01:11:35,689 --> 01:11:31,560

going into it with us the one the only

1824

01:11:38,950 --> 01:11:35,699

elevated Josh from Utah and having a

1825

01:11:42,229 --> 01:11:38,960

whole lot of insight into the situation

1826

01:11:45,830 --> 01:11:42,239

with the whistleblowers and of course

1827

01:11:48,470 --> 01:11:45,840

the Vegas Alien Encounter this will most

1828

01:11:50,870 --> 01:11:48,480

likely only get better and the plot

1829

01:11:52,250 --> 01:11:50,880

seems to thicken I don't think the case

1830

01:11:55,310 --> 01:11:52,260

is over yet

1831

01:11:57,590 --> 01:11:55,320

definitely stay tuned for future

1832

01:12:00,770 --> 01:11:57,600

episodes and until next time keep your

1833

01:12:10,270 --> 01:12:00,780

eyes to the skies feet on the ground but

1834

01:12:10,280 --> 01:12:19,550

[Music]
