

1
00:00:06,170 --> 00:00:03,530
morning guys Ryan here uh just some

2
00:00:08,990 --> 00:00:06,180
updates from space Wolf research we've

3
00:00:10,190 --> 00:00:09,000
got a lot to talk about it's been an

4
00:00:13,070 --> 00:00:10,200
interesting week

5
00:00:14,570 --> 00:00:13,080
been up here for the solstice and uh

6
00:00:17,170 --> 00:00:14,580
it's been a

7
00:00:20,929 --> 00:00:17,180
an interesting time had an absolutely

8
00:00:24,170 --> 00:00:20,939
amazing amazing

9
00:00:27,589 --> 00:00:24,180
um sighting last night among other

10
00:00:30,470 --> 00:00:27,599
events and and experiences this sighting

11
00:00:32,569 --> 00:00:30,480
was for lack of a better word uh just a

12
00:00:36,950 --> 00:00:32,579
bright super bright

13
00:00:42,290 --> 00:00:39,290

fairly low flying

14

00:00:44,690 --> 00:00:42,300

the power and brightness of this thing

15

00:00:47,930 --> 00:00:44,700

was just absolutely phenomenal

16

00:00:51,830 --> 00:00:47,940

and then it just kind of like went slid

17

00:00:54,229 --> 00:00:51,840

behind uh a cloud and hid

18

00:00:57,049 --> 00:00:54,239

other researchers on site also witnessed

19

00:00:59,569 --> 00:00:57,059

it um we were at extreme opposite ends

20

00:01:02,810 --> 00:00:59,579

of uh

21

00:01:05,090 --> 00:01:02,820

the area so that that was helpful in

22

00:01:08,690 --> 00:01:05,100

knowing that you know it wasn't just

23

00:01:10,609 --> 00:01:08,700

caught by one person and

24

00:01:14,330 --> 00:01:10,619

you know this happens quite often up

25

00:01:16,630 --> 00:01:14,340

here there were also low-lying orbs that

26

00:01:19,510 --> 00:01:16,640

were caught uh

27

00:01:22,310 --> 00:01:19,520

witnessed very very interesting stuff

28

00:01:23,929 --> 00:01:22,320

we've had a lot of questions about the

29

00:01:26,570 --> 00:01:23,939

fence lines and what's taking place

30

00:01:28,249 --> 00:01:26,580

there as you know I don't watch any

31

00:01:30,109 --> 00:01:28,259

television but I'm being told something

32

00:01:32,210 --> 00:01:30,119

may have happened last year that was

33

00:01:35,510 --> 00:01:32,220

similar that has been broadcast on some

34

00:01:36,710 --> 00:01:35,520

other I don't even know but I'm not

35

00:01:38,469 --> 00:01:36,720

going to go there all I can tell you is

36

00:01:41,469 --> 00:01:38,479

what's happening right now right here

37

00:01:44,690 --> 00:01:41,479

and how it's affecting us

38

00:01:46,310 --> 00:01:44,700

and it's you know affecting me in a good

39

00:01:48,350 --> 00:01:46,320

way I think I think these paranormal

40

00:01:50,569 --> 00:01:48,360

Taps on the shoulder are a nice and

41

00:01:53,090 --> 00:01:50,579

friendly reminder that we are not alone

42

00:01:54,530 --> 00:01:53,100

this is exactly why we're doing what

43

00:01:56,510 --> 00:01:54,540

we're doing up here

44

00:01:58,730 --> 00:01:56,520

it's um

45

00:02:00,230 --> 00:01:58,740

it's part of the business it's it's what

46

00:02:03,289 --> 00:02:00,240

I come to do

47

00:02:05,330 --> 00:02:03,299

but the the location is extremely active

48

00:02:08,630 --> 00:02:05,340

right now we've been uh messing with

49

00:02:12,410 --> 00:02:08,640

some electrical experiments of sorts and

50

00:02:14,290 --> 00:02:12,420

I'll tell you there's electricity in the

51

00:02:19,010 --> 00:02:14,300

area that is

52

00:02:22,970 --> 00:02:19,020

super super powerful and flashes of

53

00:02:26,210 --> 00:02:22,980

light even on clear clear evenings uh

54

00:02:28,670 --> 00:02:26,220

these extreme flashes of light

55

00:02:31,309 --> 00:02:28,680

that are impossible to explain just

56

00:02:33,350 --> 00:02:31,319

flashes that light up the ground flashes

57

00:02:34,369 --> 00:02:33,360

that make the area

58

00:02:38,930 --> 00:02:34,379

um

59

00:02:42,410 --> 00:02:38,940

explode with energy and uh hopefully

60

00:02:44,869 --> 00:02:42,420

we'll talk more about that soon in in

61

00:02:46,550 --> 00:02:44,879

other stuff uh

62

00:02:49,369 --> 00:02:46,560

cameras have caught some interesting

63

00:02:52,009 --> 00:02:49,379

things I know people have uh probably

64

00:02:53,509 --> 00:02:52,019

witnessed the culprit possibly the

65

00:02:55,790 --> 00:02:53,519

culprit of what has been pulling up

66

00:02:58,009 --> 00:02:55,800

fence posts you can actually see the

67

00:03:00,650 --> 00:02:58,019

fence post in the background right about

68

00:03:01,390 --> 00:03:00,660

there one of them that got pulled out

69

00:03:04,070 --> 00:03:01,400

um

70

00:03:09,170 --> 00:03:04,080

replaced as well uh you got to keep up

71

00:03:10,910 --> 00:03:09,180

on it but yeah branches fence posts wood

72

00:03:12,350 --> 00:03:10,920

singed

73

00:03:13,790 --> 00:03:12,360

and

74

00:03:16,550 --> 00:03:13,800

um

75

00:03:17,750 --> 00:03:16,560

it's inexplicable the evidence that

76

00:03:21,110 --> 00:03:17,760

we've captured I think is pretty

77

00:03:24,830 --> 00:03:21,120

groundbreaking and sure it's missing

78

00:03:26,930 --> 00:03:24,840

frames in some in some cases blurry in

79

00:03:28,970 --> 00:03:26,940

others but it's still groundbreaking you

80

00:03:30,770 --> 00:03:28,980

know to actually catch these things in

81

00:03:33,290 --> 00:03:30,780

the ACT doing whatever it is they're

82

00:03:35,149 --> 00:03:33,300

doing uh I think I think they're just

83

00:03:36,229 --> 00:03:35,159

being playful but what do I know I mean

84

00:03:39,649 --> 00:03:36,239

these

85

00:03:42,289 --> 00:03:39,659

far above my capacity in Pay grid and

86

00:03:44,630 --> 00:03:42,299

what I'm noticing not only up here but

87

00:03:50,449 --> 00:03:44,640

also with the Las Vegas

88

00:03:53,330 --> 00:03:50,459

Alien Encounter and the UAP that was uh

89

00:03:55,970 --> 00:03:53,340

you know reason for a family to call

90

00:03:57,770 --> 00:03:55,980

9-1-1 is that the more information I'm

91

00:04:00,170 --> 00:03:57,780

getting it's been groundbreaking some of

92

00:04:02,509 --> 00:04:00,180

it has leaked out at this point I

93

00:04:05,570 --> 00:04:02,519

believe you know uh there were some

94

00:04:07,850 --> 00:04:05,580

things that I wanted to keep private

95

00:04:10,190 --> 00:04:07,860

um because there's people involved with

96

00:04:12,710 --> 00:04:10,200

they have families they're in

97

00:04:16,129 --> 00:04:12,720

professional capacities elected

98

00:04:18,229 --> 00:04:16,139

officials Etc and uh I've known about it

99

00:04:19,969 --> 00:04:18,239

for quite some time it sounds like some

100

00:04:22,610 --> 00:04:19,979

people are coming out with this

101
00:04:23,749 --> 00:04:22,620
information which is what it is I mean I

102
00:04:26,990 --> 00:04:23,759
guess that's what investigative

103
00:04:29,030 --> 00:04:27,000
journalists do however at the same time

104
00:04:30,890 --> 00:04:29,040
I think that there has to be a buffer

105
00:04:32,930 --> 00:04:30,900
between people's personal lives and

106
00:04:34,670 --> 00:04:32,940
private lives whether elected or not

107
00:04:37,490 --> 00:04:34,680
that's just my personal opinion I've

108
00:04:39,530 --> 00:04:37,500
known this since the very beginning

109
00:04:40,909 --> 00:04:39,540
and did not want to come out with the

110
00:04:43,790 --> 00:04:40,919
information but some people are coming

111
00:04:47,570 --> 00:04:43,800
out with it I have no no opinion there

112
00:04:50,870 --> 00:04:47,580
not my place all I can do is control

113
00:04:54,350 --> 00:04:50,880

what's in my hula hoop or area of

114

00:04:55,909 --> 00:04:54,360

control I don't have

115

00:04:58,249 --> 00:04:55,919

um

116

00:05:00,129 --> 00:04:58,259

you know anything to do beyond that so

117

00:05:04,310 --> 00:05:00,139

that's where I'm gonna stay

118

00:05:06,170 --> 00:05:04,320

and uh back back to these batteries that

119

00:05:09,110 --> 00:05:06,180

we've been messing with and these

120

00:05:12,110 --> 00:05:09,120

electrical experiments it's amazing how

121

00:05:14,749 --> 00:05:12,120

unfathomably fast massive Battery

122

00:05:16,730 --> 00:05:14,759

Systems can be drained uh in the blink

123

00:05:18,710 --> 00:05:16,740

of an eye and it's not just Battery

124

00:05:20,930 --> 00:05:18,720

Systems it's electrical components in

125

00:05:24,469 --> 00:05:22,129

um

126

00:05:26,749 --> 00:05:24,479

yeah fascinating

127

00:05:28,129 --> 00:05:26,759

fascinating we'll get into some of that

128

00:05:31,310 --> 00:05:28,139

stuff if I can

129

00:05:32,450 --> 00:05:31,320

and uh there is a possibility that you

130

00:05:35,270 --> 00:05:32,460

know what

131

00:05:37,189 --> 00:05:35,280

um was seen in the Vegas area may have

132

00:05:39,770 --> 00:05:37,199

all of the aspects of what people

133

00:05:42,650 --> 00:05:39,780

believe it could have been uh people

134

00:05:44,629 --> 00:05:42,660

have been claiming that it is reverse

135

00:05:47,390 --> 00:05:44,639

engineered craft that it's a

136

00:05:52,550 --> 00:05:47,400

psychological operation conducted by

137

00:05:57,350 --> 00:05:52,560

dark nefarious Elite sext of uh military

138

00:05:59,749 --> 00:05:57,360

contractors and or secret societies or

139

00:06:03,409 --> 00:05:59,759

dark projects

140

00:06:05,570 --> 00:06:03,419

Opera operated clandestinely behind the

141

00:06:08,689 --> 00:06:05,580

scenes and and there's

142

00:06:10,790 --> 00:06:08,699

there are telltale signs of some of that

143

00:06:12,830 --> 00:06:10,800

um people are claiming that you know

144

00:06:15,290 --> 00:06:12,840

it's 100 the real thing there are

145

00:06:18,650 --> 00:06:15,300

telltale signs of that and I think it's

146

00:06:20,870 --> 00:06:18,660

very important not to glaze over the

147

00:06:22,249 --> 00:06:20,880

esoteric and occult aspect of this that

148

00:06:25,189 --> 00:06:22,259

it took place

149

00:06:28,670 --> 00:06:25,199

uh within the very witching hour for

150

00:06:30,950 --> 00:06:28,680

lack of a better word of walpurgis night

151
00:06:32,510 --> 00:06:30,960
leading into Beltane which is the

152
00:06:34,550 --> 00:06:32,520
heightened time

153
00:06:37,070 --> 00:06:34,560
um right before while purgis night

154
00:06:39,290 --> 00:06:37,080
leading into Beltane and what while

155
00:06:42,350 --> 00:06:39,300
perkis Knight is is there was a saint

156
00:06:45,290 --> 00:06:42,360
while perga she was

157
00:06:47,990 --> 00:06:45,300
amazing and battling these dark demonic

158
00:06:50,330 --> 00:06:48,000
forces so amazing in fact that they

159
00:06:53,529 --> 00:06:50,340
named the night when they would rely on

160
00:06:56,629 --> 00:06:53,539
her means conduct and modalities to

161
00:06:59,090 --> 00:06:56,639
secure the masses from these dark

162
00:07:01,070 --> 00:06:59,100
entities that they named the night after

163
00:07:04,670 --> 00:07:01,080

her and that's the night book prior to

164

00:07:10,249 --> 00:07:04,680

Beltane as many of you may know Beltane

165

00:07:12,469 --> 00:07:10,259

is MayDay May 1st and it is among some

166

00:07:16,490 --> 00:07:12,479

of the most uh

167

00:07:18,670 --> 00:07:16,500

powerful powerful holidays in the

168

00:07:23,210 --> 00:07:18,680

ancient rites that you can come across

169

00:07:26,390 --> 00:07:23,220

there are others of course but it is the

170

00:07:30,170 --> 00:07:26,400

exact opposite of Sam Hayne

171

00:07:33,409 --> 00:07:30,180

um All Hallows Eve AKA Halloween and

172

00:07:35,990 --> 00:07:33,419

what takes place there so uh yeah if you

173

00:07:38,809 --> 00:07:36,000

had to divide the esoteric calendar into

174

00:07:43,010 --> 00:07:38,819

half those would be the two nights that

175

00:07:45,290 --> 00:07:43,020

uh distinguish when the when when the

176

00:07:47,150 --> 00:07:45,300

goodies the Goblins the demons and

177

00:07:48,230 --> 00:07:47,160

witches

178

00:07:49,850 --> 00:07:48,240

um

179

00:07:51,650 --> 00:07:49,860

are

180

00:07:56,870 --> 00:07:51,660

easily seen

181

00:07:59,089 --> 00:07:56,880

by the not as Adept at typically being

182

00:08:02,510 --> 00:07:59,099

able to view them from their perspective

183

00:08:05,029 --> 00:08:02,520

so super important in my opinion and I

184

00:08:08,029 --> 00:08:05,039

think that you know if you were if I

185

00:08:10,430 --> 00:08:08,039

were to run a psychological operation

186

00:08:12,589 --> 00:08:10,440

and I was a military contractor involved

187

00:08:14,270 --> 00:08:12,599

with the clandestine group of

188

00:08:17,570 --> 00:08:14,280

uh

189

00:08:19,490 --> 00:08:17,580

dark nefarious programs I this is when I

190

00:08:21,950 --> 00:08:19,500

would these people are versed in the

191

00:08:23,809 --> 00:08:21,960

subject matter I would hope and that's

192

00:08:26,510 --> 00:08:23,819

when I would do it I mean why not

193

00:08:28,430 --> 00:08:26,520

because people like myself who would be

194

00:08:30,770 --> 00:08:28,440

on the fence would then

195

00:08:33,409 --> 00:08:30,780

not be on the fence I mean this was The

196

00:08:36,529 --> 00:08:33,419

Smoking Gun in my opinion this window of

197

00:08:38,570 --> 00:08:36,539

opportunity this timeline of events not

198

00:08:40,690 --> 00:08:38,580

only calendar wise but the actual time

199

00:08:45,410 --> 00:08:40,700

the witching hour between 12 and 1 am

200

00:08:48,470 --> 00:08:45,420

and uh this is what I would do if I was

201
00:08:50,389 --> 00:08:48,480
doing a psychological operation so far

202
00:08:54,530 --> 00:08:50,399
be it for me to

203
00:08:56,870 --> 00:08:54,540
believe that they are not as Adept and

204
00:09:01,370 --> 00:08:56,880
that they would not do it at the same

205
00:09:06,530 --> 00:09:01,380
time especially conveniently timed with

206
00:09:08,389 --> 00:09:06,540
the disclosure of David grush and well

207
00:09:09,829 --> 00:09:08,399
that's something flying there and the

208
00:09:11,630 --> 00:09:09,839
display

209
00:09:16,730 --> 00:09:11,640
these cameras man hopefully something

210
00:09:18,650 --> 00:09:16,740
catches it and the disclosure of

211
00:09:21,470 --> 00:09:18,660
um

212
00:09:24,350 --> 00:09:21,480
the whistleblowers in Washington

213
00:09:27,470 --> 00:09:24,360

a lot of people have chimed into the

214

00:09:29,269 --> 00:09:27,480

Herrera footage which is fascinating and

215

00:09:31,490 --> 00:09:29,279

actually ties in with some of the things

216

00:09:34,370 --> 00:09:31,500

seen by locals here in the Uintah Basin

217

00:09:37,070 --> 00:09:34,380

of Utah who back in the late 90s early

218

00:09:38,690 --> 00:09:37,080

2000s believed they were seeing

219

00:09:40,430 --> 00:09:38,700

something similar they were seeing

220

00:09:42,769 --> 00:09:40,440

people loading and unloading things off

221

00:09:45,829 --> 00:09:42,779

of craft this seem

222

00:09:47,990 --> 00:09:45,839

of non-human origin or reverse

223

00:09:50,750 --> 00:09:48,000

engineered craft basically super

224

00:09:52,730 --> 00:09:50,760

high-tech craft and this sounds so

225

00:09:54,050 --> 00:09:52,740

far-fetched to me I didn't even want to

226

00:09:56,870 --> 00:09:54,060

go there I was like these people don't

227

00:09:58,970 --> 00:09:56,880

know what they're talking about until I

228

00:10:02,870 --> 00:09:58,980

heard herrera's testimony and it sounded

229

00:10:05,269 --> 00:10:02,880

uniquely similar so that I've opened my

230

00:10:07,250 --> 00:10:05,279

mind to that possibility

231

00:10:09,650 --> 00:10:07,260

it's um

232

00:10:12,470 --> 00:10:09,660

not far-fetched in my opinion that this

233

00:10:15,350 --> 00:10:12,480

timed event if

234

00:10:16,310 --> 00:10:15,360

if this is a psychological operation put

235

00:10:18,590 --> 00:10:16,320

on

236

00:10:20,269 --> 00:10:18,600

that it would be timed at that time and

237

00:10:22,190 --> 00:10:20,279

then especially

238

00:10:25,130 --> 00:10:22,200

with the whistleblowing going on with

239

00:10:28,150 --> 00:10:25,140

the David group grush stuff coming out

240

00:10:30,410 --> 00:10:28,160

all of these things may be synchronous

241

00:10:33,290 --> 00:10:30,420

synchronistically happening at the same

242

00:10:38,090 --> 00:10:33,300

time that's a possibility because that

243

00:10:40,370 --> 00:10:38,100

is a feature of the uh

244

00:10:42,710 --> 00:10:40,380

High strangeness that these things do

245

00:10:45,710 --> 00:10:42,720

happen at the same time cyclically or In

246

00:10:50,690 --> 00:10:45,720

Waves however I don't know the

247

00:10:51,889 --> 00:10:50,700

coincidence is so wild uh I tend to

248

00:10:54,710 --> 00:10:51,899

think that there's a little bit of

249

00:10:57,350 --> 00:10:54,720

everything going on and by that

250

00:11:00,829 --> 00:10:57,360

hopefully people don't leak what I know

251
00:11:03,949 --> 00:11:00,839
but what I know is that there is an

252
00:11:05,569 --> 00:11:03,959
aspect of a military contract

253
00:11:07,910 --> 00:11:05,579
type

254
00:11:10,009 --> 00:11:07,920
behavior taking place especially when it

255
00:11:13,370 --> 00:11:10,019
comes to

256
00:11:15,110 --> 00:11:13,380
the location this this location of this

257
00:11:16,850 --> 00:11:15,120
home without giving the address away

258
00:11:18,470 --> 00:11:16,860
yeah I've been there a lot of people

259
00:11:20,090 --> 00:11:18,480
that I know have been there a lot of

260
00:11:21,410 --> 00:11:20,100
people who have been researching this

261
00:11:23,630 --> 00:11:21,420
have been there

262
00:11:25,670 --> 00:11:23,640
unfortunately it's going to come out the

263
00:11:27,530 --> 00:11:25,680

location of the home is going to come

264

00:11:30,230 --> 00:11:27,540

out this is again something that I want

265

00:11:31,910 --> 00:11:30,240

to keep private but again you know to

266

00:11:34,610 --> 00:11:31,920

each they're on somebody May leak that

267

00:11:37,610 --> 00:11:34,620

information that location of that

268

00:11:41,509 --> 00:11:37,620

particular home is in close proximity of

269

00:11:43,130 --> 00:11:41,519

things that could be uh considered pit

270

00:11:45,889 --> 00:11:43,140

stops

271

00:11:48,949 --> 00:11:45,899

um of something that is reverse

272

00:11:51,650 --> 00:11:48,959

engineered the idea of organic robotoids

273

00:11:54,310 --> 00:11:51,660

has been passed around which those are

274

00:11:59,210 --> 00:11:56,269

semi-biological entities that are

275

00:12:00,949 --> 00:11:59,220

robotic in nature and if you think that

276

00:12:04,069 --> 00:12:00,959

this is far-fetched you know science

277

00:12:05,810 --> 00:12:04,079

fiction look up organic robotoids do a

278

00:12:10,310 --> 00:12:05,820

quick Google search and you'll see how

279

00:12:12,829 --> 00:12:10,320

far back this thing goes and the main

280

00:12:15,590 --> 00:12:12,839

source on organic robotoids are the

281

00:12:17,990 --> 00:12:15,600

first time that that term was used

282

00:12:20,150 --> 00:12:18,000

it was a long time ago and this is a guy

283

00:12:22,730 --> 00:12:20,160

that everything else he came out with

284

00:12:25,810 --> 00:12:22,740

was 100 legit

285

00:12:28,670 --> 00:12:25,820

so when you hear him come out with this

286

00:12:31,310 --> 00:12:28,680

everybody was floored to think that this

287

00:12:34,670 --> 00:12:31,320

was a possibility but it had a lot of

288

00:12:37,610 --> 00:12:34,680

valid reasons to be scientifically

289

00:12:38,509 --> 00:12:37,620

investigated with and

290

00:12:40,490 --> 00:12:38,519

um

291

00:12:41,930 --> 00:12:40,500

something to be demonstrated because

292

00:12:44,389 --> 00:12:41,940

because of the continuance of government

293

00:12:47,150 --> 00:12:44,399

we were we were in the midst of a cold

294

00:12:50,329 --> 00:12:47,160

war and the continuance of government is

295

00:12:51,710 --> 00:12:50,339

such an important thing that even if

296

00:12:54,350 --> 00:12:51,720

they

297

00:12:56,810 --> 00:12:54,360

the enemy whoever the enemy is is able

298

00:12:59,150 --> 00:12:56,820

to take out a president or prime

299

00:13:02,269 --> 00:12:59,160

minister it would be of the utmost and

300

00:13:04,250 --> 00:13:02,279

vital importance to a world power to at

301

00:13:07,790 --> 00:13:04,260

least propagate the

302

00:13:10,550 --> 00:13:07,800

idea that they failed and you know

303

00:13:14,030 --> 00:13:10,560

quickly come out with

304

00:13:19,790 --> 00:13:17,449

with with a sufficient substitute or um

305

00:13:21,590 --> 00:13:19,800

organic robotoid of that individual or

306

00:13:24,050 --> 00:13:21,600

clone a basically and for lack of a

307

00:13:26,870 --> 00:13:24,060

better word however

308

00:13:29,329 --> 00:13:26,880

going back to the possibility of these

309

00:13:33,590 --> 00:13:29,339

things that were witnessed being organic

310

00:13:36,170 --> 00:13:33,600

in nature yet robotic as well this has

311

00:13:37,790 --> 00:13:36,180

been dropped down to me from the highest

312

00:13:40,129 --> 00:13:37,800

levels which is

313

00:13:42,170 --> 00:13:40,139

funny funny because these are these are

314

00:13:43,750 --> 00:13:42,180

sources that would usually never say

315

00:13:46,250 --> 00:13:43,760

something so far-fetched and wild

316

00:13:49,069 --> 00:13:46,260

however if these

317

00:13:51,230 --> 00:13:49,079

entities happen to be loading or

318

00:13:53,269 --> 00:13:51,240

unloading or checking something out

319

00:13:55,670 --> 00:13:53,279

basically

320

00:13:59,269 --> 00:13:55,680

um drawn to this area as I said near

321

00:14:00,910 --> 00:13:59,279

these pit stops of items that may or may

322

00:14:04,730 --> 00:14:00,920

not include

323

00:14:07,670 --> 00:14:04,740

radioactive pharmaceutical and Munitions

324

00:14:07,680 --> 00:14:11,569

and in their words

325

00:14:17,150 --> 00:14:15,290

any mixture of those items then that

326

00:14:18,829 --> 00:14:17,160

would make sense you don't want people

327

00:14:20,389 --> 00:14:18,839

moving this stuff around you could get

328

00:14:22,790 --> 00:14:20,399

you could get uh

329

00:14:24,949 --> 00:14:22,800

you could get all kinds of not only OSHA

330

00:14:27,170 --> 00:14:24,959

violations but

331

00:14:28,850 --> 00:14:27,180

people get injured people get killed

332

00:14:31,129 --> 00:14:28,860

people get damaged dealing obviously

333

00:14:33,769 --> 00:14:31,139

with some of those substances we will

334

00:14:36,410 --> 00:14:33,779

get into that slowly but surely we will

335

00:14:37,610 --> 00:14:36,420

get into that it's easier to kind of as

336

00:14:40,790 --> 00:14:37,620

I'm doing

337

00:14:44,210 --> 00:14:40,800

leave these breadcrumbs in advance

338

00:14:46,310 --> 00:14:44,220

temp the beast in and then when I'm able

339

00:14:48,350 --> 00:14:46,320

to disclose what I know I can disclose

340

00:14:49,670 --> 00:14:48,360

it but for lack of a better word there

341

00:14:51,230 --> 00:14:49,680

could be a

342

00:14:53,930 --> 00:14:51,240

an aspect

343

00:14:57,290 --> 00:14:53,940

of this that is true

344

00:14:59,509 --> 00:14:57,300

however my gut my gut tells me that you

345

00:15:00,710 --> 00:14:59,519

know ah man it's just so hard like as I

346

00:15:03,590 --> 00:15:00,720

said if I was going to do a

347

00:15:05,090 --> 00:15:03,600

psychological operation of this sort I

348

00:15:07,370 --> 00:15:05,100

would pick that exact time to do it as

349

00:15:09,889 --> 00:15:07,380

well you've got you've got David Grouch

350

00:15:11,150 --> 00:15:09,899

or I'm sorry David grush uh I don't even

351
00:15:12,769 --> 00:15:11,160
know how to say that I think I'm saying

352
00:15:13,970 --> 00:15:12,779
it right David grush

353
00:15:17,090 --> 00:15:13,980
um

354
00:15:19,550 --> 00:15:17,100
coming out you have

355
00:15:22,790 --> 00:15:19,560
the whistleblowers in Washington and

356
00:15:25,730 --> 00:15:22,800
then boom immediate distraction

357
00:15:28,910 --> 00:15:25,740
yet my gut tells me that this is

358
00:15:32,689 --> 00:15:28,920
authentic due to

359
00:15:34,550 --> 00:15:32,699
that Beltane aspect now who is to say

360
00:15:37,610 --> 00:15:34,560
that there isn't a possibility of both

361
00:15:39,889 --> 00:15:37,620
going on and by that I mean there have

362
00:15:42,530 --> 00:15:39,899
been treaties which are rumored to have

363
00:15:44,930 --> 00:15:42,540

been signed which is no different than

364

00:15:46,850 --> 00:15:44,940

uh you know John D working with a

365

00:15:48,829 --> 00:15:46,860

hierarchy of angelic and demonic

366

00:15:50,509 --> 00:15:48,839

entities

367

00:15:52,250 --> 00:15:50,519

um these uh

368

00:15:55,250 --> 00:15:52,260

in my opinion you know when you get into

369

00:15:56,990 --> 00:15:55,260

the esoteric aspects of these sightings

370

00:15:59,269 --> 00:15:57,000

it's fascinating like for example here

371

00:16:01,670 --> 00:15:59,279

in Utah

372

00:16:05,329 --> 00:16:01,680

majority of UFOs are

373

00:16:08,509 --> 00:16:05,339

typically seen at a very strange date as

374

00:16:11,629 --> 00:16:08,519

many know Utah has a very

375

00:16:13,009 --> 00:16:11,639

Mormon or Latter-Day Saints based

376

00:16:15,050 --> 00:16:13,019

religion

377

00:16:16,670 --> 00:16:15,060

population uh the majority of the

378

00:16:18,829 --> 00:16:16,680

population

379

00:16:21,530 --> 00:16:18,839

historically has been of that religion

380

00:16:24,350 --> 00:16:21,540

is where I'm going with this and

381

00:16:27,590 --> 00:16:24,360

interestingly enough and this goes for

382

00:16:29,150 --> 00:16:27,600

the entire Southwest July is the hottest

383

00:16:33,889 --> 00:16:29,160

month to see

384

00:16:36,410 --> 00:16:33,899

to see UFOs however the day that the

385

00:16:41,030 --> 00:16:36,420

most UFOs are seen here in Utah happens

386

00:16:44,569 --> 00:16:41,040

to be July 24th which is also days of 47

387

00:16:47,689 --> 00:16:44,579

parades uh basically has significance

388

00:16:49,790 --> 00:16:47,699

not only culturally but religiously to

389

00:16:52,730 --> 00:16:49,800

the majority of the population here it's

390

00:16:55,189 --> 00:16:52,740

much like a July 4th but

391

00:16:59,329 --> 00:16:55,199

um instead of being for the

392

00:17:01,069 --> 00:16:59,339

Nation it is uh

393

00:17:03,949 --> 00:17:01,079

basically the same thing but for the

394

00:17:06,890 --> 00:17:03,959

state so anyway that that's when the

395

00:17:08,689 --> 00:17:06,900

majority of UFOs are seen here in Utah

396

00:17:11,929 --> 00:17:08,699

so that's interesting that this would

397

00:17:13,970 --> 00:17:11,939

coincide with a very important date for

398

00:17:16,309 --> 00:17:13,980

the culture and the religion of the area

399

00:17:19,850 --> 00:17:16,319

so I think the same is true when it

400

00:17:22,370 --> 00:17:19,860

comes to Beltane while pergus night that

401
00:17:25,309 --> 00:17:22,380
when it comes to

402
00:17:27,970 --> 00:17:25,319
you know a saint who for lack of a

403
00:17:30,770 --> 00:17:27,980
better word is

404
00:17:34,490 --> 00:17:30,780
memorialized as being the one who would

405
00:17:36,590 --> 00:17:34,500
protect the villagers Etc from these

406
00:17:40,190 --> 00:17:36,600
demonic entities

407
00:17:41,750 --> 00:17:40,200
demons witches Etc and the like that it

408
00:17:45,529 --> 00:17:41,760
would happen on that particular date

409
00:17:47,510 --> 00:17:45,539
right before belting so not to beat a

410
00:17:50,570 --> 00:17:47,520
dead horse my gut tells me there's

411
00:17:51,710 --> 00:17:50,580
something real to this that there is in

412
00:17:54,590 --> 00:17:51,720
fact

413
00:17:56,930 --> 00:17:54,600

a legitimate

414

00:18:00,289 --> 00:17:56,940

um for lack of a better word

415

00:18:03,049 --> 00:18:00,299

sighting of something that is non-human

416

00:18:06,169 --> 00:18:03,059

and possibly demonic in nature possibly

417

00:18:07,970 --> 00:18:06,179

alien uh it's you have to be careful how

418

00:18:10,190 --> 00:18:07,980

you throw these terms around because of

419

00:18:12,710 --> 00:18:10,200

the semantics in my opinion you know

420

00:18:15,789 --> 00:18:12,720

there's a hierarchy of these things you

421

00:18:17,750 --> 00:18:15,799

know much as uh

422

00:18:19,730 --> 00:18:17,760

campobaso

423

00:18:22,549 --> 00:18:19,740

um

424

00:18:23,690 --> 00:18:22,559

if you haven't read his book you know

425

00:18:30,669 --> 00:18:23,700

people have

426
00:18:33,529 --> 00:18:30,679
very well may in the future be

427
00:18:36,770 --> 00:18:33,539
considered you know accurate but at the

428
00:18:40,970 --> 00:18:36,780
time are just far-fetched where

429
00:18:46,549 --> 00:18:43,490
a spreadsheet of biological alien

430
00:18:47,690 --> 00:18:46,559
entities for lack of a better word we

431
00:18:48,529 --> 00:18:47,700
have

432
00:18:50,990 --> 00:18:48,539
um

433
00:18:56,330 --> 00:18:51,000
voices from the cosmos another amazing

434
00:18:59,029 --> 00:18:56,340
book that details interaction with some

435
00:19:03,169 --> 00:18:59,039
of these entities and again different

436
00:19:05,390 --> 00:19:03,179
types of entities and you know

437
00:19:06,710 --> 00:19:05,400
again you know there if there is a

438
00:19:07,909 --> 00:19:06,720

hierarchy of these things whether

439

00:19:10,490 --> 00:19:07,919

someone

440

00:19:13,430 --> 00:19:10,500

prefers to call them alien or

441

00:19:18,409 --> 00:19:13,440

dimensional entities or

442

00:19:22,549 --> 00:19:18,419

um you know a cosmic hierarchy uh

443

00:19:25,789 --> 00:19:22,559

Fallen Angels demons angels

444

00:19:27,830 --> 00:19:25,799

you know these are all terms that are

445

00:19:29,390 --> 00:19:27,840

thrown around with Reckless abandon when

446

00:19:32,090 --> 00:19:29,400

in reality

447

00:19:36,350 --> 00:19:32,100

in the generalized

448

00:19:38,150 --> 00:19:36,360

view of the whole situation they may all

449

00:19:41,210 --> 00:19:38,160

be very accurate

450

00:19:44,029 --> 00:19:41,220

because uh of various various things

451
00:19:46,850 --> 00:19:44,039
they all work in varied capacities uh

452
00:19:48,289 --> 00:19:46,860
don't leave the Gin out of this scenario

453
00:19:51,950 --> 00:19:48,299
because

454
00:19:55,390 --> 00:19:51,960
again these are human terms to describe

455
00:19:57,950 --> 00:19:55,400
non-human entities so keep that in mind

456
00:20:00,650 --> 00:19:57,960
for example

457
00:20:03,049 --> 00:20:00,660
it's much like a cargo cult scenario

458
00:20:06,470 --> 00:20:03,059
and the terms that are most likely

459
00:20:09,529 --> 00:20:06,480
thrown around by an indigenous tribe who

460
00:20:12,230 --> 00:20:09,539
has had zero interaction with modern

461
00:20:15,529 --> 00:20:12,240
populations when they see helicopters

462
00:20:18,650 --> 00:20:15,539
and planes go by I'm sure that the terms

463
00:20:21,590 --> 00:20:18,660

they use are not helicopters and planes

464

00:20:24,110 --> 00:20:21,600

they're probably using terms like Gods

465

00:20:28,430 --> 00:20:24,120

with a small G which I think is also

466

00:20:30,350 --> 00:20:28,440

accurate in this case and terms uh like

467

00:20:33,490 --> 00:20:30,360

that deities

468

00:20:38,690 --> 00:20:35,990

semi-spiritualize the interaction with

469

00:20:42,110 --> 00:20:38,700

something a technology that is so far

470

00:20:44,870 --> 00:20:42,120

beyond their capacity that it is seen as

471

00:20:47,150 --> 00:20:44,880

a form of magic or spiritual expertise

472

00:20:49,130 --> 00:20:47,160

which in a way it is I mean it's

473

00:20:52,010 --> 00:20:49,140

different right it's it's something out

474

00:20:55,310 --> 00:20:52,020

of the ordinary and out of the ordinary

475

00:20:56,810 --> 00:20:55,320

is you know right where I like to be and

476
00:20:58,610 --> 00:20:56,820
that's that's the kind of stuff we're

477
00:21:01,010 --> 00:20:58,620
talking about

478
00:21:05,270 --> 00:21:01,020
and this has happened for centuries

479
00:21:08,029 --> 00:21:05,280
probably Millennia when people speak of

480
00:21:10,310 --> 00:21:08,039
you know in mesoamerican terms in

481
00:21:11,770 --> 00:21:10,320
mesoamerica there were various cases

482
00:21:16,789 --> 00:21:11,780
with

483
00:21:19,610 --> 00:21:16,799
and others you know these

484
00:21:23,029 --> 00:21:19,620
people who look different than others uh

485
00:21:25,789 --> 00:21:23,039
wiracocho would be in Peru and

486
00:21:27,529 --> 00:21:25,799
they would interact the general

487
00:21:29,810 --> 00:21:27,539
population would interact with people

488
00:21:32,090 --> 00:21:29,820

who look different than them and

489

00:21:34,490 --> 00:21:32,100

therefore they would use terms similar

490

00:21:36,409 --> 00:21:34,500

to the ones I'm throwing around it's a

491

00:21:38,690 --> 00:21:36,419

garage sale of terms but it's super

492

00:21:41,870 --> 00:21:38,700

important because

493

00:21:43,730 --> 00:21:41,880

that is my in my opinion that is where

494

00:21:45,649 --> 00:21:43,740

people get the stick in the spoke of

495

00:21:47,450 --> 00:21:45,659

their bicycle wheel and they just you

496

00:21:49,909 --> 00:21:47,460

know go over the handlebars and cannot

497

00:21:52,430 --> 00:21:49,919

engage anymore uh this guy used the word

498

00:21:54,649 --> 00:21:52,440

alien he's out or this guy used the word

499

00:21:56,930 --> 00:21:54,659

Angel he's out or this guy used the word

500

00:21:59,330 --> 00:21:56,940

demon he's out or that one used the word

501
00:22:01,190 --> 00:21:59,340
gin I'm out of this conversation the

502
00:22:04,970 --> 00:22:01,200
truth is that's where the conversation

503
00:22:07,549 --> 00:22:04,980
should begin because we are using terms

504
00:22:10,549 --> 00:22:07,559
that we are comfortable with or we can

505
00:22:12,590 --> 00:22:10,559
relate with and we're using them to

506
00:22:14,870 --> 00:22:12,600
describe something we cannot understand

507
00:22:17,750 --> 00:22:14,880
so that is where the conversation should

508
00:22:20,090 --> 00:22:17,760
begin not end and there's been a lot of

509
00:22:21,890 --> 00:22:20,100
hype about the Green Street and Lou

510
00:22:24,649 --> 00:22:21,900
Elizondo

511
00:22:28,490 --> 00:22:24,659
conversation and you know I think Green

512
00:22:30,710 --> 00:22:28,500
Street had an interesting uh comment you

513
00:22:32,090 --> 00:22:30,720

know if these are in fact

514

00:22:34,730 --> 00:22:32,100

demons

515

00:22:37,310 --> 00:22:34,740

uh wouldn't religious people want to

516

00:22:40,130 --> 00:22:37,320

engage with these I think that's a valid

517

00:22:42,890 --> 00:22:40,140

comment because

518

00:22:44,210 --> 00:22:42,900

yeah they should right not just run the

519

00:22:47,750 --> 00:22:44,220

other way they should be more like Saint

520

00:22:50,870 --> 00:22:47,760

Paul perga and want to actually not

521

00:22:52,970 --> 00:22:50,880

necessarily combat possibly protect but

522

00:22:55,330 --> 00:22:52,980

enter the space

523

00:22:58,250 --> 00:22:55,340

in an interactive

524

00:22:59,690 --> 00:22:58,260

format and

525

00:23:01,370 --> 00:22:59,700

yeah

526

00:23:04,690 --> 00:23:01,380

um they should not shy away from this

527

00:23:09,230 --> 00:23:04,700

there is a group in the military as Lou

528

00:23:12,049 --> 00:23:09,240

Elizondo has said which very much so

529

00:23:16,370 --> 00:23:12,059

believes that these unidentified

530

00:23:18,409 --> 00:23:16,380

phenomena are in fact demonic

531

00:23:23,029 --> 00:23:18,419

they're not entirely wrong in my opinion

532

00:23:27,890 --> 00:23:23,039

however they may be approaching the

533

00:23:30,470 --> 00:23:27,900

situation from an A fear-based approach

534

00:23:34,090 --> 00:23:30,480

and that that's not correct

535

00:23:37,610 --> 00:23:34,100

I think that it's important to realize

536

00:23:40,930 --> 00:23:37,620

when in doubt with a

537

00:23:45,430 --> 00:23:40,940

alien artificial intelligence of sorts

538

00:23:47,390 --> 00:23:45,440

things that are beyond our scope of

539

00:23:51,669 --> 00:23:47,400

generalized science

540

00:23:54,409 --> 00:23:51,679

that we should not get overly

541

00:23:55,909 --> 00:23:54,419

Evangelical or enthusiastic in our

542

00:23:58,930 --> 00:23:55,919

spirituality

543

00:24:02,390 --> 00:23:58,940

in a fearful way we should be more open

544

00:24:04,370 --> 00:24:02,400

in our spirituality in an interactive

545

00:24:07,430 --> 00:24:04,380

way

546

00:24:10,370 --> 00:24:07,440

um to assess the situation deal with the

547

00:24:11,810 --> 00:24:10,380

reality of it and you know come

548

00:24:14,630 --> 00:24:11,820

hopefully Come Away with more

549

00:24:18,649 --> 00:24:14,640

information than we went in instead of

550

00:24:21,230 --> 00:24:18,659

receding into our shell so yeah there is

551
00:24:23,930 --> 00:24:21,240
there is a group in the government a lot

552
00:24:26,630 --> 00:24:23,940
of people have clandestinely referred to

553
00:24:28,490 --> 00:24:26,640
it as many things the Collins Elite uh

554
00:24:29,750 --> 00:24:28,500
you name it you know there's all kinds

555
00:24:30,970 --> 00:24:29,760
of

556
00:24:34,510 --> 00:24:30,980
um

557
00:24:38,810 --> 00:24:34,520
dramatized super

558
00:24:41,810 --> 00:24:38,820
uh wild explanations of how covert they

559
00:24:44,690 --> 00:24:41,820
are and they are but if anybody wants to

560
00:24:47,330 --> 00:24:44,700
know more or less you know the ties to

561
00:24:49,430 --> 00:24:47,340
the general politics of our reality who

562
00:24:52,690 --> 00:24:49,440
this group is there is a good

563
00:24:55,669 --> 00:24:52,700

documentary on Netflix called the family

564

00:24:58,909 --> 00:24:55,679

and if you look I believe it's still up

565

00:25:02,390 --> 00:24:58,919

if you look at the family this will give

566

00:25:05,570 --> 00:25:02,400

you a generalized idea of the tentacles

567

00:25:09,350 --> 00:25:05,580

of who this group are I mean it's not as

568

00:25:11,149 --> 00:25:09,360

clandestine and uh anyway it's not I I

569

00:25:13,070 --> 00:25:11,159

don't it can be so I don't want to get

570

00:25:15,770 --> 00:25:13,080

too crazy on this there's a lot of power

571

00:25:18,169 --> 00:25:15,780

involved and you know it's no different

572

00:25:19,970 --> 00:25:18,179

than if you grew up in Utah like myself

573

00:25:21,649 --> 00:25:19,980

you know the separation of church and

574

00:25:24,529 --> 00:25:21,659

state here is

575

00:25:27,409 --> 00:25:24,539

for lack of a better word has been in my

576
00:25:28,610 --> 00:25:27,419
experience uh non-existent it's getting

577
00:25:31,370 --> 00:25:28,620
better

578
00:25:32,870 --> 00:25:31,380
but that's another story and another

579
00:25:34,970 --> 00:25:32,880
argument whether that's a good or bad

580
00:25:36,830 --> 00:25:34,980
thing so

581
00:25:39,289 --> 00:25:36,840
um getting back to the Mesoamerican

582
00:25:42,430 --> 00:25:39,299
aspects of all this uh

583
00:25:46,610 --> 00:25:42,440
there are Believe It or Not

584
00:25:49,370 --> 00:25:46,620
Mesoamerican artifacts and

585
00:25:51,649 --> 00:25:49,380
interesting items that can be found

586
00:25:54,370 --> 00:25:51,659
right here in the uina Basin of Utah and

587
00:25:57,289 --> 00:25:54,380
that's that's just the tip of the spear

588
00:26:01,730 --> 00:25:57,299

as many know the Ute can tie their

589

00:26:05,330 --> 00:26:01,740

lineage to the Aztecs and a quick you

590

00:26:07,190 --> 00:26:05,340

know DNA 23andMe type scenario will

591

00:26:08,810 --> 00:26:07,200

easily prove this you know there's some

592

00:26:13,850 --> 00:26:08,820

interesting

593

00:26:16,490 --> 00:26:13,860

DNA markers there and I think that's

594

00:26:20,630 --> 00:26:16,500

fascinating because the Aztecs were very

595

00:26:23,390 --> 00:26:20,640

in tune with the energies of the land uh

596

00:26:25,789 --> 00:26:23,400

going you know from the southwest of the

597

00:26:29,450 --> 00:26:25,799

United States down into Mexico and

598

00:26:31,850 --> 00:26:29,460

mesoamerica they they had a vast a vast

599

00:26:33,110 --> 00:26:31,860

Empire you know same with uh the Maya

600

00:26:33,890 --> 00:26:33,120

and

601
00:26:38,090 --> 00:26:33,900
um

602
00:26:41,149 --> 00:26:38,100
it it it obviously predated both of

603
00:26:44,210 --> 00:26:41,159
those as well uh

604
00:26:47,450 --> 00:26:44,220
so I'm going to be getting into a book

605
00:26:49,970 --> 00:26:47,460
in the near future that goes really deep

606
00:26:52,430 --> 00:26:49,980
into the rabbit hole of this

607
00:26:54,649 --> 00:26:52,440
with a lot of info because you can do a

608
00:26:57,950 --> 00:26:54,659
whole podcast on just this

609
00:27:00,890 --> 00:26:57,960
uh but there are interesting DNA markers

610
00:27:03,529 --> 00:27:00,900
that tie these individuals to believe it

611
00:27:08,169 --> 00:27:03,539
or not a you know a place uh in the

612
00:27:11,149 --> 00:27:08,179
Middle East where a deitized individual

613
00:27:14,990 --> 00:27:11,159

uh long hair long-haired bearded guy in

614

00:27:17,750 --> 00:27:15,000

sandals came from the the

615

00:27:19,310 --> 00:27:17,760

you know the hills of Nazareth and there

616

00:27:21,529 --> 00:27:19,320

you know it makes sense you go back far

617

00:27:23,029 --> 00:27:21,539

enough we're all related so I mean I

618

00:27:25,730 --> 00:27:23,039

don't want to get too far-fetched and

619

00:27:27,350 --> 00:27:25,740

too tangential on that but

620

00:27:29,690 --> 00:27:27,360

again

621

00:27:30,549 --> 00:27:29,700

um there is a significant amount of

622

00:27:35,330 --> 00:27:30,559

information

623

00:27:39,350 --> 00:27:35,340

and actual artifacts that can be found

624

00:27:41,510 --> 00:27:39,360

in the area that have a lot of Aztec

625

00:27:45,110 --> 00:27:41,520

and Mesoamerican

626

00:27:47,269 --> 00:27:45,120

flavor you can find things right here in

627

00:27:50,110 --> 00:27:47,279

the uuna Basin of Utah the UNA Basin is

628

00:27:52,970 --> 00:27:50,120

an extremely rich when it comes to

629

00:27:56,510 --> 00:27:52,980

historically Divergent cultures

630

00:27:59,450 --> 00:27:56,520

organizations even secret societies

631

00:28:02,390 --> 00:27:59,460

leaving telltale signs of their thumb

632

00:28:05,090 --> 00:28:02,400

prints upon the landscape if you want to

633

00:28:08,210 --> 00:28:05,100

really get deep into it there are there

634

00:28:08,750 --> 00:28:08,220

are things that get into that

635

00:28:13,250 --> 00:28:08,760

um

636

00:28:14,649 --> 00:28:13,260

everything from uh Knight's Templar

637

00:28:17,750 --> 00:28:14,659

the Spanish

638

00:28:21,769 --> 00:28:17,760

as I said the Aztec

639

00:28:25,789 --> 00:28:21,779

the uh the list goes on and on and they

640

00:28:28,549 --> 00:28:25,799

all amazingly intersect near this

641

00:28:31,549 --> 00:28:28,559

location right here in those amazing

642

00:28:33,350 --> 00:28:31,559

Hills of the uh the Uintas and I'll give

643

00:28:34,970 --> 00:28:33,360

you a quick view of those because they

644

00:28:37,850 --> 00:28:34,980

are gorgeous

645

00:28:39,950 --> 00:28:37,860

absolutely gorgeous

646

00:28:41,990 --> 00:28:39,960

you can see that there's still snow

647

00:28:44,870 --> 00:28:42,000

capped up there

648

00:28:46,490 --> 00:28:44,880

yeah right up here there's still snow up

649

00:28:48,010 --> 00:28:46,500

on them

650

00:28:52,850 --> 00:28:48,020

um yeah

651
00:28:55,430 --> 00:28:52,860
anyway and if you look this way we have

652
00:28:58,610 --> 00:28:55,440
amazing Badlands that go for miles and

653
00:29:02,450 --> 00:28:58,620
miles down into the south of Utah so

654
00:29:04,850 --> 00:29:02,460
also super super important

655
00:29:07,370 --> 00:29:04,860
um let me see if I can adjust this so it

656
00:29:09,049 --> 00:29:07,380
doesn't whack a doodle out with the

657
00:29:11,149 --> 00:29:09,059
with the uh

658
00:29:13,850 --> 00:29:11,159
with the sun rising in the background

659
00:29:16,070 --> 00:29:13,860
but yeah it's been an amazing week I

660
00:29:17,750 --> 00:29:16,080
came up for the solstice

661
00:29:19,730 --> 00:29:17,760
um as previously mentioned I like to be

662
00:29:21,289 --> 00:29:19,740
up here in the area for the solstice

663
00:29:24,889 --> 00:29:21,299

events

664

00:29:27,710 --> 00:29:24,899

um the um not so normal Moon cycles and

665

00:29:30,710 --> 00:29:27,720

some of the other things that tend to

666

00:29:34,310 --> 00:29:30,720

add to the activity there's been a ton

667

00:29:36,529 --> 00:29:34,320

of activity it's magical right now it's

668

00:29:39,470 --> 00:29:36,539

uh been raining like crazy it actually

669

00:29:41,090 --> 00:29:39,480

just stopped raining and

670

00:29:45,649 --> 00:29:41,100

um let me see if I can avoid the sun

671

00:29:45,659 --> 00:29:49,669

sorry for the

672

00:29:55,070 --> 00:29:52,549

change of view here we'll get it we'll

673

00:29:58,250 --> 00:29:56,750

look at it

674

00:30:00,889 --> 00:29:58,260

there we go

675

00:30:02,990 --> 00:30:00,899

yeah so there's been a ton I didn't get

676

00:30:05,330 --> 00:30:03,000

it at all anyway there's been a ton of

677

00:30:06,710 --> 00:30:05,340

activity there's been

678

00:30:09,350 --> 00:30:06,720

um

679

00:30:12,350 --> 00:30:09,360

a lot of a lot of politics going on

680

00:30:15,590 --> 00:30:12,360

right now in in ufology as well which

681

00:30:17,870 --> 00:30:15,600

ties in quite well to the activity and

682

00:30:20,090 --> 00:30:17,880

we're catching things we're catching um

683

00:30:22,909 --> 00:30:20,100

great exactly what you know we we're

684

00:30:24,169 --> 00:30:22,919

literally able to almost anticipate the

685

00:30:27,230 --> 00:30:24,179

anomalies and

686

00:30:30,230 --> 00:30:27,240

in certain ways the mosquito's been off

687

00:30:31,789 --> 00:30:30,240

the hook crazy but aside from that you

688

00:30:33,289 --> 00:30:31,799

know the rain is good we definitely need

689

00:30:35,450 --> 00:30:33,299

the water

690

00:30:37,490 --> 00:30:35,460

and many of the southwestern States need

691

00:30:39,830 --> 00:30:37,500

the water so

692

00:30:41,870 --> 00:30:39,840

that's uh that's good that the rain's

693

00:30:44,690 --> 00:30:41,880

been so crazy and you know the inclement

694

00:30:47,330 --> 00:30:44,700

weather also adds a

695

00:30:49,850 --> 00:30:47,340

bit of spice onto the whole enchilada

696

00:30:51,889 --> 00:30:49,860

and you can you can uh

697

00:30:54,529 --> 00:30:51,899

you can have more activity when that

698

00:30:56,330 --> 00:30:54,539

takes place so magical times up here in

699

00:30:58,310 --> 00:30:56,340

the Uintah Basin of Utah space Wolf

700

00:31:01,010 --> 00:30:58,320

research has not disappointed and

701
00:31:02,930 --> 00:31:01,020
neither has the Basin in general done a

702
00:31:05,389 --> 00:31:02,940
bunch of investigating here in

703
00:31:07,330 --> 00:31:05,399
Independence Utah which is basically the

704
00:31:11,210 --> 00:31:07,340
Fort Duchesne

705
00:31:13,669 --> 00:31:11,220
area all magical and the uintas

706
00:31:17,870 --> 00:31:13,679
uh there's a lot going on

707
00:31:21,169 --> 00:31:17,880
so yeah there is still artifacts

708
00:31:23,269 --> 00:31:21,179
petroglyphs just south of here and north

709
00:31:28,430 --> 00:31:23,279
of here that

710
00:31:29,870 --> 00:31:28,440
have all kinds of uh Aztec ish

711
00:31:30,950 --> 00:31:29,880
um

712
00:31:34,250 --> 00:31:30,960
flavor

713
00:31:36,470 --> 00:31:34,260

you know uh and the Fremont are not to

714

00:31:38,990 --> 00:31:36,480

be underestimated that you know it's

715

00:31:41,269 --> 00:31:39,000

kind of become a catch-all phrase really

716

00:31:42,769 --> 00:31:41,279

in indigenous terms did you know that

717

00:31:44,269 --> 00:31:42,779

was the Fremont well that just means

718

00:31:45,649 --> 00:31:44,279

we're not sure who that was but they

719

00:31:47,870 --> 00:31:45,659

predated

720

00:31:50,389 --> 00:31:47,880

um yeah it was an actual culture and it

721

00:31:51,649 --> 00:31:50,399

has a bandwidth that you can follow

722

00:31:54,529 --> 00:31:51,659

but

723

00:31:56,570 --> 00:31:54,539

there is uh things that predate the

724

00:31:58,909 --> 00:31:56,580

Fremont and I think that that's what

725

00:32:02,090 --> 00:31:58,919

we're finding is that you know it's

726
00:32:03,430 --> 00:32:02,100
amazing the artifacts that can be found

727
00:32:07,789 --> 00:32:03,440
up here

728
00:32:10,010 --> 00:32:07,799
uh as far as

729
00:32:12,470 --> 00:32:10,020
where

730
00:32:14,510 --> 00:32:12,480
these things are found they're vast it

731
00:32:17,210 --> 00:32:14,520
this is a huge area I believe that the

732
00:32:20,269 --> 00:32:17,220
dinosaur Diamond the 80 square mile

733
00:32:22,909 --> 00:32:20,279
um kind of diamond shaped anomalous Zone

734
00:32:25,430 --> 00:32:22,919
that is magnificent for a variety of

735
00:32:27,230 --> 00:32:25,440
reasons not only geologically

736
00:32:30,470 --> 00:32:27,240
geographically

737
00:32:31,549 --> 00:32:30,480
uh but otherwise it it could be all over

738
00:32:32,389 --> 00:32:31,559

the place

739

00:32:35,210 --> 00:32:32,399

um

740

00:32:37,490 --> 00:32:35,220

as many know this area has a ton of

741

00:32:40,490 --> 00:32:37,500

stuff that you don't find in other

742

00:32:42,789 --> 00:32:40,500

places recent soil samples we've taken

743

00:32:47,029 --> 00:32:42,799

here and the property beside

744

00:32:49,310 --> 00:32:47,039

and one over uh over the other direction

745

00:32:51,529 --> 00:32:49,320

have

746

00:32:53,630 --> 00:32:51,539

some really interesting Elements and

747

00:32:55,970 --> 00:32:53,640

Minerals that have been found and I'll

748

00:32:58,630 --> 00:32:55,980

get into that but some of those are

749

00:33:00,950 --> 00:32:58,640

typically not found places

750

00:33:04,190 --> 00:33:00,960

and uh

751
00:33:06,470 --> 00:33:04,200
yeah although it's you know my new parts

752
00:33:08,330 --> 00:33:06,480
per million it's still stuff that could

753
00:33:11,029 --> 00:33:08,340
kill you you know so that's really

754
00:33:13,070 --> 00:33:11,039
interesting and we've been

755
00:33:16,490 --> 00:33:13,080
um getting some pretty high-tech camera

756
00:33:17,389 --> 00:33:16,500
systems underground and there are cracks

757
00:33:21,169 --> 00:33:17,399
in

758
00:33:23,389 --> 00:33:21,179
open up

759
00:33:24,830 --> 00:33:23,399
for lack of a better word from uh six

760
00:33:27,409 --> 00:33:24,840
inches to

761
00:33:29,990 --> 00:33:27,419
as much as three four feet and they go

762
00:33:33,169 --> 00:33:30,000
down uh the deepest so far we found is

763
00:33:36,669 --> 00:33:33,179

about 65 feet and I've got the

764

00:33:38,210 --> 00:33:36,679

technology now that we've been utilizing

765

00:33:40,430 --> 00:33:38,220

which

766

00:33:43,970 --> 00:33:40,440

um is really really amazing stuff you

767

00:33:45,590 --> 00:33:43,980

can you can literally hang a camera it

768

00:33:49,310 --> 00:33:45,600

fiber optic

769

00:33:50,509 --> 00:33:49,320

camera down uh Into the Depths and what

770

00:33:52,730 --> 00:33:50,519

we found is

771

00:33:55,549 --> 00:33:52,740

not not super relevant but the fact that

772

00:33:57,830 --> 00:33:55,559

we're looking is really exciting and

773

00:34:00,169 --> 00:33:57,840

hopefully we'll be able to utilize that

774

00:34:01,630 --> 00:34:00,179

technology and show some some of it

775

00:34:04,009 --> 00:34:01,640

online

776

00:34:06,889 --> 00:34:04,019

also interesting and important stuff

777

00:34:09,770 --> 00:34:06,899

coming up online we've got some amazing

778

00:34:12,770 --> 00:34:09,780

people coming on the hyper anomalous

779

00:34:15,290 --> 00:34:12,780

esoteric research organization podcast

780

00:34:17,930 --> 00:34:15,300

AKA hero paranormal if you haven't gone

781

00:34:19,070 --> 00:34:17,940

there go to heroparanormal.com also go

782

00:34:21,349 --> 00:34:19,080

to YouTube

783

00:34:23,270 --> 00:34:21,359

search for hero paranormal please like

784

00:34:25,609 --> 00:34:23,280

share and subscribe it would extremely

785

00:34:28,730 --> 00:34:25,619

help me because uh the shadow band's

786

00:34:30,050 --> 00:34:28,740

real and anything we can do to get past

787

00:34:32,450 --> 00:34:30,060

that

788

00:34:33,710 --> 00:34:32,460

dark algorithm of control would be great

789

00:34:35,270 --> 00:34:33,720

and at least people would be able to

790

00:34:38,329 --> 00:34:35,280

hear the podcast

791

00:34:40,149 --> 00:34:38,339

I make nothing on YouTube I make nothing

792

00:34:42,470 --> 00:34:40,159

on anything really

793

00:34:43,669 --> 00:34:42,480

all of the

794

00:34:48,649 --> 00:34:43,679

uh

795

00:34:51,349 --> 00:34:48,659

the expenses that I incur far outlay any

796

00:34:54,169 --> 00:34:51,359

of the drops in the bucket that help

797

00:34:56,149 --> 00:34:54,179

with those expensive so anyway if you do

798

00:34:58,430 --> 00:34:56,159

find it in your heart to go to hero

799

00:35:00,950 --> 00:34:58,440

paranormal.com and become a patron those

800

00:35:02,870 --> 00:35:00,960

are the types of things that help a

801

00:35:05,089 --> 00:35:02,880

little bit you know they they uh they

802

00:35:08,930 --> 00:35:05,099

they can kind of lubricate the gears and

803

00:35:10,849 --> 00:35:08,940

and get things moving a little smoother

804

00:35:13,550 --> 00:35:10,859

because it is expensive you know with

805

00:35:16,250 --> 00:35:13,560

these constant current trips out to the

806

00:35:18,530 --> 00:35:16,260

Basin from Las Vegas Nevada and then

807

00:35:21,650 --> 00:35:18,540

going back to Nevada and delving into

808

00:35:23,030 --> 00:35:21,660

the Alien Encounter there and there's a

809

00:35:24,650 --> 00:35:23,040

bunch more going on there we're going to

810

00:35:25,510 --> 00:35:24,660

get into that too but again back to the

811

00:35:28,190 --> 00:35:25,520

podcast

812

00:35:31,130 --> 00:35:28,200

heroparanormal.com we've got all kinds

813

00:35:36,770 --> 00:35:31,140

of amazing guests coming on we have

814

00:35:41,530 --> 00:35:39,650

the top of the top of the Capstone of

815

00:35:44,690 --> 00:35:41,540

masonic control

816

00:35:46,490 --> 00:35:44,700

we have a

817

00:35:48,770 --> 00:35:46,500

yeah you'll you'll have to you'll have

818

00:35:51,829 --> 00:35:48,780

to hear this one coming coming right out

819

00:35:54,890 --> 00:35:51,839

that will be coming soon with a complete

820

00:35:56,650 --> 00:35:54,900

featured online book free to the public

821

00:35:59,750 --> 00:35:56,660

I will make that available

822

00:36:02,690 --> 00:35:59,760

we also have

823

00:36:04,670 --> 00:36:02,700

um research partners of mine uh coming

824

00:36:08,870 --> 00:36:04,680

on the podcast who I've wanted to get on

825

00:36:10,849 --> 00:36:08,880

for a long time uh but I didn't want to

826

00:36:13,130 --> 00:36:10,859

approach the subject in a way that would

827

00:36:16,790 --> 00:36:13,140

make them uncomfortable thank goodness

828

00:36:18,230 --> 00:36:16,800

they're at a point and situation now in

829

00:36:20,270 --> 00:36:18,240

the timeline where they actually

830

00:36:21,710 --> 00:36:20,280

approached me and I I didn't hesitate at

831

00:36:22,849 --> 00:36:21,720

all that's something I definitely want

832

00:36:26,930 --> 00:36:22,859

out

833

00:36:29,569 --> 00:36:26,940

um

834

00:36:32,390 --> 00:36:29,579

a variety of other stunning stunning

835

00:36:34,630 --> 00:36:32,400

guests so uh forgive me for not having

836

00:36:37,730 --> 00:36:34,640

tons of content coming out all the time

837

00:36:40,370 --> 00:36:37,740

between guests I I actually do the boots

838

00:36:42,710 --> 00:36:40,380

on the ground stuff boat on the water

839

00:36:45,410 --> 00:36:42,720

stuff and

840

00:36:47,930 --> 00:36:45,420

um you know delving into these Canyons

841

00:36:50,349 --> 00:36:47,940

here in the UNA Basin of utahn locations

842

00:36:51,910 --> 00:36:50,359

of high strangeness that have proven

843

00:36:54,410 --> 00:36:51,920

phenomenally

844

00:36:55,910 --> 00:36:54,420

magical magical for lack of a better

845

00:36:58,010 --> 00:36:55,920

word

846

00:37:01,069 --> 00:36:58,020

so yeah

847

00:37:03,650 --> 00:37:01,079

keep keep in touch with that and I will

848

00:37:07,089 --> 00:37:03,660

just keep updating as things go on as

849

00:37:10,550 --> 00:37:07,099

the day goes on and what what happens

850

00:37:12,589 --> 00:37:10,560

there's been amazing things that are

851

00:37:14,810 --> 00:37:12,599

coming up and amazing things that are

852

00:37:16,670 --> 00:37:14,820

taking place right now right here right

853

00:37:18,950 --> 00:37:16,680

now until next time keep your eyes to
