

**BLACK PROJECTS
AND
UFOs**

ERIC HECKER

1
00:00:05,809 --> 00:00:03,649
on today's podcast we will be joined by

2
00:00:08,450 --> 00:00:05,819
a top secret government whistleblower

3
00:00:09,650 --> 00:00:08,460
who will be presenting compelling

4
00:00:13,549 --> 00:00:09,660
testimony

5
00:00:17,210 --> 00:00:13,559
now there is a disclosure project

6
00:00:19,269 --> 00:00:17,220
and it is presenting definitive evidence

7
00:00:20,870 --> 00:00:19,279
of illegal

8
00:00:23,689 --> 00:00:20,880
unacknowledged

9
00:00:25,790 --> 00:00:23,699
black budget projects

10
00:00:30,470 --> 00:00:25,800
related

11
00:00:34,010 --> 00:00:30,480
to unidentified anomalous phenomena

12
00:00:35,709 --> 00:00:34,020
black budget projects and operations are

13
00:00:38,270 --> 00:00:35,719

taking place

14

00:00:42,229 --> 00:00:38,280

offloading illegal weapons

15

00:00:45,049 --> 00:00:42,239

moving drugs very likely that they are

16

00:00:47,510 --> 00:00:45,059

trafficking human beings utilizing

17

00:00:50,209 --> 00:00:47,520

Advanced Energy and propulsion

18

00:00:53,450 --> 00:00:50,219

Technologies in illegal ways military

19

00:00:56,569 --> 00:00:53,460

contractors and corporations have been

20

00:00:59,869 --> 00:00:56,579

unveiled on today's podcast we have one

21

00:01:03,590 --> 00:00:59,879

of them Mr Eric Hecker

22

00:01:05,329 --> 00:01:03,600

he is one of the Brave whistleblowers

23

00:01:07,850 --> 00:01:05,339

who plan

24

00:01:10,310 --> 00:01:07,860

a civilian initiated racketeering

25

00:01:13,130 --> 00:01:10,320

influence corrupt organization lawsuit

26
00:01:16,690 --> 00:01:13,140
against illegal military and corporate

27
00:01:19,429 --> 00:01:16,700
projects involved in illegal activities

28
00:01:22,429 --> 00:01:19,439
through a covert

29
00:01:24,910 --> 00:01:22,439
secretive segment of the intelligence

30
00:01:28,670 --> 00:01:24,920
community and possibly the government

31
00:01:31,249 --> 00:01:28,680
closely related with contractors

32
00:01:33,770 --> 00:01:31,259
who have plausible deniability

33
00:01:36,050 --> 00:01:33,780
but the gig might be up

34
00:01:38,929 --> 00:01:36,060
because these Brave whistleblowers are

35
00:01:40,609 --> 00:01:38,939
coming forward in a fashion never seen

36
00:01:42,710 --> 00:01:40,619
before

37
00:01:44,630 --> 00:01:42,720
standing together

38
00:01:48,950 --> 00:01:44,640

against corruption

39

00:01:53,090 --> 00:01:48,960

the disclosure intelligence UFO archive

40

00:01:55,969 --> 00:01:53,100

has over five terabytes of government

41

00:01:59,330 --> 00:01:55,979

documents this has many military

42

00:02:00,950 --> 00:01:59,340

contractors shaking in their boots and

43

00:02:02,630 --> 00:02:00,960

some have even changed their names

44

00:02:06,230 --> 00:02:02,640

additionally

45

00:02:08,749 --> 00:02:06,240

some of the 119 crash retrieval events

46

00:02:12,650 --> 00:02:08,759

of extraterrestrial vehicles

47

00:02:15,350 --> 00:02:12,660

have been summarized it is rumored that

48

00:02:16,430 --> 00:02:15,360

military contractors May hold up to 12

49

00:02:21,710 --> 00:02:16,440

of these

50

00:02:25,670 --> 00:02:21,720

technologies have been illegally

51
00:02:27,949 --> 00:02:25,680
confiscated and used in illegal black

52
00:02:30,530 --> 00:02:27,959
covert projects

53
00:02:34,010 --> 00:02:30,540
that's right believe it or not

54
00:02:36,710 --> 00:02:34,020
there is the the existence of a covert

55
00:02:38,570 --> 00:02:36,720
government program that is run illegally

56
00:02:40,610 --> 00:02:38,580
behind the scenes

57
00:02:43,130 --> 00:02:40,620
Our Guest is going to talk a little bit

58
00:02:47,449 --> 00:02:43,140
about that and hopefully give us his

59
00:02:50,509 --> 00:02:47,459
opinion of where we are at

60
00:02:53,449 --> 00:02:50,519
as far as the disclosure process

61
00:02:56,750 --> 00:02:53,459
Eric is a returning guest who compelled

62
00:03:00,170 --> 00:02:56,760
many to write in with responses on his

63
00:03:04,610 --> 00:03:00,180

previous podcast he's been to the

64

00:03:06,470 --> 00:03:04,620

locations he's seen the technology and I

65

00:03:09,589 --> 00:03:06,480

can't wait to get into it all with him

66

00:03:12,530 --> 00:03:09,599

and if you haven't gotten into hero

67

00:03:15,890 --> 00:03:12,540

paranormal the hyper anomalous esoteric

68

00:03:18,890 --> 00:03:15,900

research organization podcast please go

69

00:03:23,149 --> 00:03:18,900

over and visit heroparanormal.com

70

00:03:27,110 --> 00:03:23,159

for less than the price of a boutique

71

00:03:29,270 --> 00:03:27,120

cup of coffee a month you can get all of

72

00:03:30,589 --> 00:03:29,280

the content behind the paywall the whole

73

00:03:33,770 --> 00:03:30,599

enchilada

74

00:03:36,530 --> 00:03:33,780

and enjoy hours and hours of listening

75

00:03:38,809 --> 00:03:36,540

there's a ton of it you can also access

76
00:03:41,149 --> 00:03:38,819
all the content behind the paywall going

77
00:03:43,009 --> 00:03:41,159
directly to patreon and searching for

78
00:03:44,990 --> 00:03:43,019
hero paranormal

79
00:03:47,390 --> 00:03:45,000
and if you would do me the favor please

80
00:03:49,369 --> 00:03:47,400
like share and subscribe to Hero

81
00:03:51,830 --> 00:03:49,379
paranormal on YouTube

82
00:03:53,449 --> 00:03:51,840
it is the only way to battle the

83
00:03:56,149 --> 00:03:53,459
algorithm of control

84
00:03:58,610 --> 00:03:56,159
so that others may actually be able to

85
00:04:01,430 --> 00:03:58,620
hear the podcast although I will most

86
00:04:04,070 --> 00:04:01,440
likely never be monetized on YouTube for

87
00:04:06,289 --> 00:04:04,080
a variety of reasons at least people can

88
00:04:09,350 --> 00:04:06,299

hear the message I'm trying to get out

89

00:04:11,390 --> 00:04:09,360

so I appreciate you doing that getting

90

00:04:14,149 --> 00:04:11,400

excited to hear from the man who had

91

00:04:16,909 --> 00:04:14,159

access to all the rooms down at the

92

00:04:20,330 --> 00:04:16,919

South Pole Antarctica

93

00:04:23,810 --> 00:04:20,340

the area where all countries seem to

94

00:04:25,790 --> 00:04:23,820

agree something top secret is there and

95

00:04:28,610 --> 00:04:25,800

that they will defend it in unison

96

00:04:31,550 --> 00:04:28,620

together Against Humanity we'll find out

97

00:04:34,490 --> 00:04:31,560

why we will also get into his history of

98

00:04:37,370 --> 00:04:34,500

mind control as a young child

99

00:04:40,610 --> 00:04:37,380

one of the chosen ones and delve deeply

100

00:04:43,129 --> 00:04:40,620

into why black budgets matter and why

101
00:04:47,390 --> 00:04:43,139
this information is being hidden behind

102
00:04:48,650 --> 00:04:47,400
a dark covert agenda buckle up for an

103
00:04:55,969 --> 00:04:48,660
intense

104
00:04:55,979 --> 00:05:01,470
okay

105
00:05:11,510 --> 00:05:07,629
[Music]

106
00:05:15,070 --> 00:05:11,520
come Blast Off In My Time Machine sir I

107
00:05:18,170 --> 00:05:15,080
feel like an evizing Blast Off Blast Off

108
00:05:27,970 --> 00:05:18,180
blast off

109
00:05:34,010 --> 00:05:30,890
[Music]

110
00:05:36,590 --> 00:05:34,020
on another epic episode of the

111
00:05:41,050 --> 00:05:36,600
hyperanomalous esoteric research

112
00:05:43,790 --> 00:05:41,060
organization podcast AKA hero paranormal

113
00:05:47,450 --> 00:05:43,800

broadcasting from the base at lamadre

114

00:05:50,090 --> 00:05:47,460

Mountain just south of area 51. my name

115

00:05:52,310 --> 00:05:50,100

is Ryan the anomalous ambassador of the

116

00:05:55,969 --> 00:05:52,320

airwaves bringing you an unbelievable

117

00:06:00,650 --> 00:05:55,979

episode tonight I had Eric Hecker on

118

00:06:02,870 --> 00:06:00,660

back on December 12 2021 and I'll tell

119

00:06:04,790 --> 00:06:02,880

you what it was a barn burner of an

120

00:06:07,730 --> 00:06:04,800

episode with a lot of people reaching

121

00:06:11,090 --> 00:06:07,740

out and asking questions about the

122

00:06:14,570 --> 00:06:11,100

Antarctic Mysteries they are deep and he

123

00:06:17,090 --> 00:06:14,580

has recorded a series of events which

124

00:06:20,029 --> 00:06:17,100

are now Monumental I can't wait to get

125

00:06:23,270 --> 00:06:20,039

into this with Eric and so let's not

126
00:06:25,550 --> 00:06:23,280
wait around Eric Hecker welcome to the

127
00:06:26,990 --> 00:06:25,560
hero paranormal podcast

128
00:06:28,790 --> 00:06:27,000
thank you very much for having me Ryan

129
00:06:30,950 --> 00:06:28,800
I'm really glad to be here and I'm happy

130
00:06:33,050 --> 00:06:30,960
you have an interest in this topic I'm

131
00:06:36,350 --> 00:06:33,060
looking forward to getting more info out

132
00:06:38,809 --> 00:06:36,360
to the world the DC event certainly got

133
00:06:41,450 --> 00:06:38,819
me I guess more on the radar than I had

134
00:06:43,550 --> 00:06:41,460
been for three years on this topic but I

135
00:06:45,350 --> 00:06:43,560
guess I'm just happy that the momentum

136
00:06:46,969 --> 00:06:45,360
is picking up because this is stuff that

137
00:06:49,309 --> 00:06:46,979
the world needs to know about

138
00:06:52,730 --> 00:06:49,319

it is so important these are these are

139

00:06:56,390 --> 00:06:52,740

shocking revelations uh about what is

140

00:06:59,570 --> 00:06:56,400

taking place behind a veil of secrecy in

141

00:07:01,730 --> 00:06:59,580

our shadow government and it I just have

142

00:07:04,670 --> 00:07:01,740

to thank you for being one of the brave

143

00:07:08,330 --> 00:07:04,680

souls that is taking part in this

144

00:07:10,129 --> 00:07:08,340

whistleblowing and there's so many parts

145

00:07:13,010 --> 00:07:10,139

of your story that are extremely

146

00:07:16,670 --> 00:07:13,020

intriguing I don't know where to kick it

147

00:07:19,550 --> 00:07:16,680

off from for guests that missed out uh

148

00:07:21,830 --> 00:07:19,560

when I had you on in 2021

149

00:07:24,830 --> 00:07:21,840

where where do you want to uh kind of

150

00:07:28,850 --> 00:07:24,840

kick it off and give people an idea of

151

00:07:33,830 --> 00:07:30,830

oh geez I'm

152

00:07:35,990 --> 00:07:33,840

I guess how I got involved at it it I

153

00:07:38,029 --> 00:07:36,000

mean for me would have probably started

154

00:07:42,409 --> 00:07:38,039

at Birth I think that what the world

155

00:07:46,370 --> 00:07:42,419

needs to know is that these programs are

156

00:07:49,610 --> 00:07:46,380

assaulting our children as early as the

157

00:07:53,390 --> 00:07:49,620

womb this is the cold hard facts of the

158

00:07:56,450 --> 00:07:53,400

matter that you know we the parents of

159

00:07:58,430 --> 00:07:56,460

the world need to understand that our

160

00:08:02,270 --> 00:07:58,440

children are

161

00:08:04,790 --> 00:08:02,280

I guess spotter first and foremost for

162

00:08:08,749 --> 00:08:04,800

the military-industrial complex I do not

163

00:08:11,089 --> 00:08:08,759

believe that these many factions that

164

00:08:12,469 --> 00:08:11,099

are worrying about us

165

00:08:14,210 --> 00:08:12,479

um

166

00:08:15,110 --> 00:08:14,220

are unaware of the product that they

167

00:08:17,689 --> 00:08:15,120

need

168

00:08:20,390 --> 00:08:17,699

and I believe that the process you know

169

00:08:23,210 --> 00:08:20,400

just like a farmer when a farmer is you

170

00:08:25,189 --> 00:08:23,220

know getting their product

171

00:08:26,570 --> 00:08:25,199

um it starts from birth also if you're a

172

00:08:28,490 --> 00:08:26,580

chicken farmer you're concerned about

173

00:08:30,830 --> 00:08:28,500

the eggs being laid

174

00:08:32,029 --> 00:08:30,840

and you attend to them through their

175

00:08:33,469 --> 00:08:32,039

whole life

176

00:08:36,290 --> 00:08:33,479

and I think this is what we're

177

00:08:39,010 --> 00:08:36,300

witnessing on this planet is that we

178

00:08:42,469 --> 00:08:39,020

like many animals out there are being

179

00:08:43,850 --> 00:08:42,479

farmed and attended to so I would say

180

00:08:46,190 --> 00:08:43,860

you know you ask me how did I get

181

00:08:47,990 --> 00:08:46,200

involved with this I'll say

182

00:08:50,630 --> 00:08:48,000

oh it's just part of a process that

183

00:08:52,190 --> 00:08:50,640

started at Birth I was just uh fortunate

184

00:08:54,350 --> 00:08:52,200

to be paying attention enough and

185

00:08:56,810 --> 00:08:54,360

crossing the t's and dotting the eyes

186

00:08:58,730 --> 00:08:56,820

and you know breaking down the barriers

187

00:09:00,889 --> 00:08:58,740

of different compartments that I've been

188

00:09:03,530 --> 00:09:00,899

in through the years to just I guess

189

00:09:06,889 --> 00:09:03,540

have a different angle of observation

190

00:09:08,990 --> 00:09:06,899

that I'm lucky to be a bit more astute

191

00:09:12,949 --> 00:09:09,000

than the average person who's been

192

00:09:16,490 --> 00:09:12,959

processed by these programs but I'm only

193

00:09:18,769 --> 00:09:16,500

special in that way I'm the same as

194

00:09:21,530 --> 00:09:18,779

everybody else and as so far as being a

195

00:09:25,550 --> 00:09:21,540

product of the process

196

00:09:28,550 --> 00:09:25,560

so well put and it's it's fascinating to

197

00:09:30,769 --> 00:09:28,560

me that it is being found out that the

198

00:09:32,810 --> 00:09:30,779

existence of these covert government

199

00:09:35,030 --> 00:09:32,820

programs

200

00:09:38,389 --> 00:09:35,040

has been in place for quite some time

201
00:09:40,389 --> 00:09:38,399
and that many are run illegally and this

202
00:09:44,750 --> 00:09:40,399
this is shocking to me

203
00:09:46,610 --> 00:09:44,760
you have conducted countless media

204
00:09:47,750 --> 00:09:46,620
interviews you're very busy right now

205
00:09:52,970 --> 00:09:47,760
given

206
00:09:55,790 --> 00:09:52,980
what has recently taken place and uh you

207
00:09:58,310 --> 00:09:55,800
know I I really like a comment that

208
00:10:00,769 --> 00:09:58,320
Greer said which was it's really about

209
00:10:02,509 --> 00:10:00,779
the renewal of democracy everyone says

210
00:10:05,269 --> 00:10:02,519
we're in a free country it's a democracy

211
00:10:07,610 --> 00:10:05,279
but how free and how Democratic can it

212
00:10:09,889 --> 00:10:07,620
be if the most important Technologies

213
00:10:11,650 --> 00:10:09,899

and the most important discoveries are

214

00:10:15,590 --> 00:10:11,660

being kept from the media and the public

215

00:10:17,509 --> 00:10:15,600

why is all this held behind a veil of

216

00:10:20,329 --> 00:10:17,519

secrecy

217

00:10:22,310 --> 00:10:20,339

for profiteering rich people

218

00:10:24,290 --> 00:10:22,320

I mean that's pretty simple it's just

219

00:10:26,750 --> 00:10:24,300

about it's about greed and power and

220

00:10:29,269 --> 00:10:26,760

control I don't think that the nature of

221

00:10:30,710 --> 00:10:29,279

that Beast has ever changed it's just a

222

00:10:33,530 --> 00:10:30,720

matter of um

223

00:10:36,470 --> 00:10:33,540

what quantity of the good of the

224

00:10:39,590 --> 00:10:36,480

population is attending to their

225

00:10:41,630 --> 00:10:39,600

responsibility to fight against the bad

226

00:10:44,210 --> 00:10:41,640

people that history has always shown us

227

00:10:46,009 --> 00:10:44,220

organized faster than the good

228

00:10:47,690 --> 00:10:46,019

the good people have just taken their

229

00:10:48,970 --> 00:10:47,700

eye off the prize which here in the

230

00:10:52,670 --> 00:10:48,980

United States

231

00:10:54,889 --> 00:10:52,680

would be a constitutional republic I'd

232

00:10:56,810 --> 00:10:54,899

like to remind everybody we are not a

233

00:10:58,850 --> 00:10:56,820

democracy we are a constitutional

234

00:11:01,790 --> 00:10:58,860

republic and that matters

235

00:11:05,810 --> 00:11:01,800

our whole idea of our country was to

236

00:11:08,569 --> 00:11:05,820

defend the minority opinion from the

237

00:11:12,670 --> 00:11:08,579

majority opinion but we unfortunately

238

00:11:15,590 --> 00:11:12,680

see in the mass media today that this um

239

00:11:17,569 --> 00:11:15,600

unsilent majority is pretty much

240

00:11:20,030 --> 00:11:17,579

attacking

241

00:11:22,490 --> 00:11:20,040

um the independence of anybody who

242

00:11:24,650 --> 00:11:22,500

thinks differently outside of that large

243

00:11:26,930 --> 00:11:24,660

group of what people are being told this

244

00:11:28,610 --> 00:11:26,940

is how you're supposed to think holy

245

00:11:29,449 --> 00:11:28,620

[h__h] is that the wrong way of looking at

246

00:11:32,090 --> 00:11:29,459

stuff

247

00:11:34,550 --> 00:11:32,100

we're supposed to defend each

248

00:11:37,310 --> 00:11:34,560

individual's persons

249

00:11:40,130 --> 00:11:37,320

um difference of opinion but we're now

250

00:11:41,569 --> 00:11:40,140

getting this monster of what we're told

251
00:11:43,730 --> 00:11:41,579
is a difference of opinion that

252
00:11:45,769 --> 00:11:43,740
everybody has to acquiesce to and agree

253
00:11:49,690 --> 00:11:45,779
with which is absurd

254
00:11:54,170 --> 00:11:49,700
you know this whole like rainbow

255
00:11:56,030 --> 00:11:54,180
lgptq squared blah blah lunacy is the

256
00:11:58,730 --> 00:11:56,040
psyop that these people don't even

257
00:12:00,650 --> 00:11:58,740
realize that their pawns on a test board

258
00:12:02,269 --> 00:12:00,660
they have no idea it's probably a

259
00:12:03,470 --> 00:12:02,279
million of them screaming at their

260
00:12:05,090 --> 00:12:03,480
computers when they're going to hear

261
00:12:07,490 --> 00:12:05,100
this but they don't realize they're

262
00:12:10,730 --> 00:12:07,500
being played they are

263
00:12:12,410 --> 00:12:10,740

being pushed forwards as a majority as

264

00:12:14,210 --> 00:12:12,420

if everyone's supposed to agree with

265

00:12:16,790 --> 00:12:14,220

them that by not agreeing with them

266

00:12:18,829 --> 00:12:16,800

makes you wrong but that's what this

267

00:12:20,449 --> 00:12:18,839

country is all about is freedom of

268

00:12:23,810 --> 00:12:20,459

difference of opinion

269

00:12:25,970 --> 00:12:23,820

and not be forced to mob mentality which

270

00:12:28,250 --> 00:12:25,980

a democracy is democracy is just a mob

271

00:12:30,230 --> 00:12:28,260

mentality you know um if you have a

272

00:12:31,790 --> 00:12:30,240

bicycle and enough people vote that that

273

00:12:35,329 --> 00:12:31,800

they want your bike well that's

274

00:12:37,610 --> 00:12:35,339

democracy and you lose your bike a

275

00:12:40,069 --> 00:12:37,620

Democrat I'm sorry a constitutional

276

00:12:42,250 --> 00:12:40,079

republic empowers you to go against the

277

00:12:44,449 --> 00:12:42,260

mob mentality that when everybody votes

278

00:12:47,629 --> 00:12:44,459

differently than you you're supposed to

279

00:12:49,069 --> 00:12:47,639

still be protected with your rights and

280

00:12:51,710 --> 00:12:49,079

you know this is part of what the

281

00:12:52,850 --> 00:12:51,720

problem is is our education system it's

282

00:12:54,650 --> 00:12:52,860

part of the division that's being

283

00:12:56,210 --> 00:12:54,660

wielded throughout our society right now

284

00:12:58,069 --> 00:12:56,220

is to

285

00:13:00,410 --> 00:12:58,079

make it out as if it's all supposed to

286

00:13:01,850 --> 00:13:00,420

be homogeneous I came from New York

287

00:13:03,650 --> 00:13:01,860

where we were always taught that it was

288

00:13:04,970 --> 00:13:03,660

a great Melting Pot you know all

289

00:13:06,889 --> 00:13:04,980

different people from all over the place

290

00:13:08,329 --> 00:13:06,899

differences of opinion it was there was

291

00:13:10,730 --> 00:13:08,339

respect for that I witnessed this

292

00:13:13,910 --> 00:13:10,740

firsthand that we all can get along

293

00:13:15,889 --> 00:13:13,920

coming from different places harboring

294

00:13:17,629 --> 00:13:15,899

different opinions constantly not

295

00:13:19,129 --> 00:13:17,639

agreeing with that you can't go to New

296

00:13:20,509 --> 00:13:19,139

York and show me everybody agreeing with

297

00:13:22,129 --> 00:13:20,519

each other it doesn't work like that

298

00:13:25,129 --> 00:13:22,139

everybody's got differences of opinions

299

00:13:25,850 --> 00:13:25,139

and you learn to get along around each

300

00:13:27,050 --> 00:13:25,860

other

301
00:13:29,150 --> 00:13:27,060
and

302
00:13:30,769 --> 00:13:29,160
for the benefit of humanity we need to

303
00:13:33,230 --> 00:13:30,779
get back to respecting each other's

304
00:13:35,329 --> 00:13:33,240
differences stop allowing the powers

305
00:13:38,930 --> 00:13:35,339
that be to wield these weapons of

306
00:13:41,810 --> 00:13:38,940
division which just keep us not United

307
00:13:45,110 --> 00:13:41,820
and that's the the power play for the

308
00:13:47,509 --> 00:13:45,120
the enemy of the people right now is to

309
00:13:49,430 --> 00:13:47,519
divide the majority of people

310
00:13:51,949 --> 00:13:49,440
by these games

311
00:13:54,530 --> 00:13:51,959
and to keep people's focus on these

312
00:13:58,069 --> 00:13:54,540
low-level things that have nothing to do

313
00:14:00,710 --> 00:13:58,079

with their future you know uh people in

314

00:14:02,210 --> 00:14:00,720

California be giving news and oh well

315

00:14:04,009 --> 00:14:02,220

did you hear what's going on in Florida

316

00:14:05,629 --> 00:14:04,019

and then people in Florida getting news

317

00:14:07,430 --> 00:14:05,639

did you hear what's going on none of

318

00:14:09,170 --> 00:14:07,440

these things impact these people's lives

319

00:14:11,030 --> 00:14:09,180

but to having it all shoved down their

320

00:14:12,829 --> 00:14:11,040

throat and it takes energy for them to

321

00:14:14,329 --> 00:14:12,839

deal with it and not deal with the

322

00:14:16,550 --> 00:14:14,339

things in their life that they do have

323

00:14:18,290 --> 00:14:16,560

control of it's it's

324

00:14:20,509 --> 00:14:18,300

um

325

00:14:22,550 --> 00:14:20,519

dissipation of energy

326

00:14:24,170 --> 00:14:22,560

and there's a lot of Power Players out

327

00:14:26,269 --> 00:14:24,180

there that know how to dissipate the

328

00:14:28,490 --> 00:14:26,279

energy and divide the energy of the

329

00:14:30,230 --> 00:14:28,500

people so that they cannot unite against

330

00:14:32,750 --> 00:14:30,240

the common oh

331

00:14:34,370 --> 00:14:32,760

which is very easy to find for the

332

00:14:36,949 --> 00:14:34,380

people that are paying enough attention

333

00:14:40,250 --> 00:14:36,959

and if the good people can start to

334

00:14:42,650 --> 00:14:40,260

organize as much as the bad people we're

335

00:14:45,769 --> 00:14:42,660

gonna kick the [h__h] out of them because

336

00:14:48,050 --> 00:14:45,779

we've got the numbers there are way more

337

00:14:50,329 --> 00:14:48,060

good people on this planet than there

338

00:14:53,590 --> 00:14:50,339

are bad people

339

00:14:58,189 --> 00:14:53,600

man I agree 100

340

00:15:01,550 --> 00:14:58,199

and this is you know unnerving

341

00:15:05,150 --> 00:15:01,560

this uh expose that you've taken part

342

00:15:07,730 --> 00:15:05,160

with and it's obvious that our society

343

00:15:10,009 --> 00:15:07,740

is being manipulated through what

344

00:15:12,110 --> 00:15:10,019

appears to be a washington-based shadow

345

00:15:14,210 --> 00:15:12,120

government I've heard that it may be

346

00:15:15,290 --> 00:15:14,220

located as close as two miles from the

347

00:15:18,889 --> 00:15:15,300

White House

348

00:15:21,850 --> 00:15:18,899

and everything that we

349

00:15:23,930 --> 00:15:21,860

see as the government is basically

350

00:15:26,449 --> 00:15:23,940

superficial there's a lot going on

351
00:15:28,790 --> 00:15:26,459
behind the scenes and as you said the

352
00:15:30,290 --> 00:15:28,800
people are starting to speak and you can

353
00:15:33,050 --> 00:15:30,300
tell that something's in the air because

354
00:15:34,670 --> 00:15:33,060
some of these military contractors are

355
00:15:38,269 --> 00:15:34,680
shaking in their boots I've heard some

356
00:15:41,449 --> 00:15:38,279
are even changing their names and with

357
00:15:45,829 --> 00:15:41,459
good reason this is going to be quite

358
00:15:49,069 --> 00:15:45,839
the the chaos that takes place if they

359
00:15:53,689 --> 00:15:49,079
are pinpointed and shown to have been

360
00:15:58,310 --> 00:15:55,970
uh

361
00:15:59,930 --> 00:15:58,320
I don't know that I agree with that

362
00:16:01,790 --> 00:15:59,940
I don't think there's as much to be

363
00:16:04,069 --> 00:16:01,800

afraid of is all at all

364

00:16:05,569 --> 00:16:04,079

I think that's an old school mentality I

365

00:16:08,269 --> 00:16:05,579

think it's part of the programming of

366

00:16:10,490 --> 00:16:08,279

the overseers

367

00:16:12,769 --> 00:16:10,500

I think that the fact that I came out

368

00:16:14,990 --> 00:16:12,779

and did what I did pretty much proves

369

00:16:16,670 --> 00:16:15,000

what you said to not be as accurate as

370

00:16:20,269 --> 00:16:16,680

you might think

371

00:16:24,230 --> 00:16:22,189

it's a good point that's a good point

372

00:16:26,990 --> 00:16:24,240

there's a lot of fear involved and some

373

00:16:29,930 --> 00:16:27,000

of that might just be you know our own

374

00:16:32,509 --> 00:16:29,940

fear and and and and yeah I think it's

375

00:16:34,210 --> 00:16:32,519

very brave uh to be coming out with

376

00:16:40,249 --> 00:16:34,220

these Hidden Truths

377

00:16:44,509 --> 00:16:40,259

of the most mysterious places of all a

378

00:16:47,449 --> 00:16:44,519

place where very few are able to ever

379

00:16:49,430 --> 00:16:47,459

set foot upon and that would be uh the

380

00:16:51,350 --> 00:16:49,440

South Pole Antarctica McMurdo you've

381

00:16:54,530 --> 00:16:51,360

been there tell us about it and tell us

382

00:16:56,870 --> 00:16:54,540

what is taking place down there

383

00:16:58,310 --> 00:16:56,880

well just for clarification mcmurdo's on

384

00:17:00,110 --> 00:16:58,320

the coast but I only passed through

385

00:17:03,889 --> 00:17:00,120

there the vast majority of my time on

386

00:17:06,289 --> 00:17:03,899

the ice was at South Pole proper and as

387

00:17:08,030 --> 00:17:06,299

I disclosed for three years now and

388

00:17:10,189 --> 00:17:08,040

Counting most recently where I got on

389

00:17:12,890 --> 00:17:10,199

everybody's radar was this event in DC

390

00:17:15,530 --> 00:17:12,900

but just to cut right through the chase

391

00:17:18,350 --> 00:17:15,540

I'm I'm disclosing that at the South

392

00:17:20,689 --> 00:17:18,360

Pole station what we're being told is

393

00:17:23,150 --> 00:17:20,699

scientific research is actually directed

394

00:17:25,490 --> 00:17:23,160

energy weapon systems

395

00:17:27,470 --> 00:17:25,500

and they're extremely complex they're

396

00:17:30,289 --> 00:17:27,480

extremely hard for people to wrap their

397

00:17:32,630 --> 00:17:30,299

brains around I mean most folks can't

398

00:17:34,669 --> 00:17:32,640

even comprehend standard physics let

399

00:17:37,070 --> 00:17:34,679

alone quantum physics or things that are

400

00:17:38,750 --> 00:17:37,080

beyond that so everybody wants me to

401
00:17:40,190 --> 00:17:38,760
explain to them exactly how this works

402
00:17:43,010 --> 00:17:40,200
and the reality is they just won't

403
00:17:47,990 --> 00:17:45,350
it's not it's not my fault that they've

404
00:17:50,210 --> 00:17:48,000
been under educated it's not my fault

405
00:17:51,890 --> 00:17:50,220
that they've been lied to it's not my

406
00:17:55,010 --> 00:17:51,900
fault that it makes perfect sense to me

407
00:17:57,230 --> 00:17:55,020
because I've walked a path that provides

408
00:17:59,750 --> 00:17:57,240
an understanding of all the things I've

409
00:18:01,549 --> 00:17:59,760
been presented all I can do is just take

410
00:18:03,409 --> 00:18:01,559
my truth of what I've experienced and

411
00:18:05,750 --> 00:18:03,419
share it with the world and challenge

412
00:18:07,490 --> 00:18:05,760
them to get up to speed with what I

413
00:18:10,970 --> 00:18:07,500

understand what I've experienced and

414

00:18:12,830 --> 00:18:10,980

what I know and what I've documented to

415

00:18:15,710 --> 00:18:12,840

about the Senate intelligence committee

416

00:18:18,289 --> 00:18:15,720

and arrow they're not laughing at what I

417

00:18:20,750 --> 00:18:18,299

presented to them they're not confused

418

00:18:23,570 --> 00:18:20,760

by what I presented to them they're

419

00:18:26,210 --> 00:18:23,580

pushing my information a to be recorded

420

00:18:30,830 --> 00:18:26,220

in the National Archives and B to be

421

00:18:36,230 --> 00:18:33,529

for consideration on what do we do about

422

00:18:38,630 --> 00:18:36,240

this now that these truths have been

423

00:18:44,450 --> 00:18:41,570

and there is a lot of Truth being told

424

00:18:46,669 --> 00:18:44,460

over five terabytes of government

425

00:18:48,710 --> 00:18:46,679

documents and of course the

426

00:18:49,970 --> 00:18:48,720

Whistleblower testimony

427

00:18:54,169 --> 00:18:49,980

and

428

00:18:56,690 --> 00:18:54,179

it is uh going to be interesting if you

429

00:19:00,049 --> 00:18:56,700

know these corporations are involved in

430

00:19:02,990 --> 00:19:00,059

this Ricoh lawsuit against uh the

431

00:19:07,070 --> 00:19:03,000

corporate projects let's get into some

432

00:19:08,710 --> 00:19:07,080

of these black budget projects and how

433

00:19:11,210 --> 00:19:08,720

have they

434

00:19:13,549 --> 00:19:11,220

manifested how has this been allowed for

435

00:19:17,750 --> 00:19:13,559

so long just under our noses and people

436

00:19:24,049 --> 00:19:21,190

I guess I would say

437

00:19:26,870 --> 00:19:24,059

copious helpings of greed

438

00:19:30,289 --> 00:19:26,880

uh that money seems to grease the wheels

439

00:19:31,610 --> 00:19:30,299

of corruption with great ease and folks

440

00:19:34,190 --> 00:19:31,620

can't

441

00:19:37,190 --> 00:19:34,200

also wrap their brains around how

442

00:19:40,730 --> 00:19:37,200

lucrative these Black Operations are

443

00:19:43,130 --> 00:19:40,740

that they are not um

444

00:19:45,230 --> 00:19:43,140

they're beyond the controls of

445

00:19:48,169 --> 00:19:45,240

government because they're beyond the

446

00:19:51,169 --> 00:19:48,179

financial instruments that initiated

447

00:19:53,990 --> 00:19:51,179

them so as an example I would say that

448

00:19:56,090 --> 00:19:54,000

you know folks look at the CIA and they

449

00:19:57,470 --> 00:19:56,100

say oh well you know the CIA has this

450

00:20:00,049 --> 00:19:57,480

budget

451
00:20:02,690 --> 00:20:00,059
that the the Congress cuts a check every

452
00:20:05,750 --> 00:20:02,700
year and this is the allotment that the

453
00:20:08,150 --> 00:20:05,760
CIA gets and is a false pretense that

454
00:20:09,830 --> 00:20:08,160
people believe that oh you know the

455
00:20:11,630 --> 00:20:09,840
check goes in the bank and then over the

456
00:20:13,490 --> 00:20:11,640
course of the year the CIA has

457
00:20:15,169 --> 00:20:13,500
operations and those collect money so

458
00:20:16,610 --> 00:20:15,179
they have to do withdrawals and at some

459
00:20:19,789 --> 00:20:16,620
point they're going to run out of one no

460
00:20:21,350 --> 00:20:19,799
that's not how it works the CIA gets a

461
00:20:24,710 --> 00:20:21,360
certain allotment of what I would call

462
00:20:26,630 --> 00:20:24,720
seed money every year but through the

463
00:20:28,730 --> 00:20:26,640

years they've re and they've taken that

464

00:20:31,970 --> 00:20:28,740

money and invested it into operations

465

00:20:35,570 --> 00:20:31,980

that are lucrative extremely lucrative

466

00:20:37,370 --> 00:20:35,580

so that they no longer even need monies

467

00:20:40,730 --> 00:20:37,380

from Congress they'll certainly take

468

00:20:42,830 --> 00:20:40,740

them and utilize them but these factions

469

00:20:44,510 --> 00:20:42,840

and there are many across the planet

470

00:20:46,310 --> 00:20:44,520

both in our country other countries

471

00:20:49,010 --> 00:20:46,320

inside governments outside governments

472

00:20:51,650 --> 00:20:49,020

that have basically run the muck and are

473

00:20:54,409 --> 00:20:51,660

extremely lucrative and without any

474

00:20:56,210 --> 00:20:54,419

oversight that's where we're at now is

475

00:20:58,730 --> 00:20:56,220

that

476
00:21:00,650 --> 00:20:58,740
they have all of their own mechanisms

477
00:21:03,230 --> 00:21:00,660
for everything you know the CIA has its

478
00:21:06,049 --> 00:21:03,240
own air force it has its own Navy it has

479
00:21:07,730 --> 00:21:06,059
you know it's completely independent

480
00:21:11,870 --> 00:21:07,740
from all of these other organizations

481
00:21:13,430 --> 00:21:11,880
and there are many factions operating

482
00:21:15,350 --> 00:21:13,440
like this

483
00:21:18,549 --> 00:21:15,360
so you know a lot of folks think well

484
00:21:21,830 --> 00:21:18,559
you know well who do we go after

485
00:21:23,930 --> 00:21:21,840
it's many factions it's not one

486
00:21:26,810 --> 00:21:23,940
organization that is in control it's

487
00:21:30,049 --> 00:21:26,820
many organizations that are vying for

488
00:21:34,070 --> 00:21:30,059

control it's this activity

489

00:21:39,289 --> 00:21:34,080

in mass that we need to address and this

490

00:21:41,690 --> 00:21:39,299

is a huge problem it is it is beyond

491

00:21:44,149 --> 00:21:41,700

palcable this is one of the things that

492

00:21:47,090 --> 00:21:44,159

Greer brought up in the event at DC is

493

00:21:48,710 --> 00:21:47,100

like you know everybody wants and I I

494

00:21:49,610 --> 00:21:48,720

follow the logic and reasoning you know

495

00:21:51,830 --> 00:21:49,620

everybody wants like you know

496

00:21:54,710 --> 00:21:51,840

restitution ramifications it's

497

00:21:57,470 --> 00:21:54,720

incalculable there's no way to calculate

498

00:21:59,810 --> 00:21:57,480

the monetary damage that has been done

499

00:22:02,029 --> 00:21:59,820

to weave the people of this you cannot

500

00:22:04,730 --> 00:22:02,039

this cannot be paid back there will

501
00:22:06,890 --> 00:22:04,740
never be appropriate restitution it will

502
00:22:09,230 --> 00:22:06,900
never you can't do it the only thing

503
00:22:10,730 --> 00:22:09,240
that we can do is stop the activity from

504
00:22:12,529 --> 00:22:10,740
continuing

505
00:22:14,510 --> 00:22:12,539
that's what we need to worry about first

506
00:22:16,130 --> 00:22:14,520
and foremost for the benefit of this

507
00:22:17,690 --> 00:22:16,140
children and future for the children of

508
00:22:20,750 --> 00:22:17,700
this planet future generations of this

509
00:22:23,090 --> 00:22:20,760
planet we need to stop the activity and

510
00:22:25,310 --> 00:22:23,100
get over the conversations of monies

511
00:22:26,630 --> 00:22:25,320
this gets us right back into the greed

512
00:22:28,850 --> 00:22:26,640
program

513
00:22:30,770 --> 00:22:28,860

you know everybody wants me and mine and

514

00:22:32,690 --> 00:22:30,780

what I mowed and I was this was taken

515

00:22:34,789 --> 00:22:32,700

from me you know what let's get our

516

00:22:36,649 --> 00:22:34,799

freedom back

517

00:22:39,110 --> 00:22:36,659

everything else will fall into place

518

00:22:41,330 --> 00:22:39,120

when we have our freedoms back when our

519

00:22:45,770 --> 00:22:41,340

children are no longer being molested

520

00:22:50,630 --> 00:22:47,690

and you're bringing up a really

521

00:22:54,649 --> 00:22:50,640

important topic which getting back to

522

00:22:58,310 --> 00:22:54,659

the kids this is uh it seems like these

523

00:23:01,090 --> 00:22:58,320

operations revolve around anything that

524

00:23:05,810 --> 00:23:01,100

is money making whether that be

525

00:23:09,710 --> 00:23:05,820

Munitions drugs and uh human trafficking

526

00:23:12,529 --> 00:23:09,720

and some of the phenomena we're seeing

527

00:23:16,190 --> 00:23:12,539

uh CIA director John Brennan admitted

528

00:23:18,470 --> 00:23:16,200

that yeah it's being seen all over and

529

00:23:20,210 --> 00:23:18,480

he's been trying to say that this is

530

00:23:22,669 --> 00:23:20,220

possibly the result of something we

531

00:23:24,950 --> 00:23:22,679

don't understand yet and I think that

532

00:23:27,770 --> 00:23:24,960

that is something that is

533

00:23:31,010 --> 00:23:27,780

kind of working both ways you know is it

534

00:23:35,330 --> 00:23:31,020

ours or is it theirs uh this this game

535

00:23:37,669 --> 00:23:35,340

of uh you know shuffling the cards every

536

00:23:39,470 --> 00:23:37,679

time at any of these things are taking

537

00:23:41,330 --> 00:23:39,480

place whether that be through the

538

00:23:43,850 --> 00:23:41,340

plausible deniability of private

539

00:23:46,250 --> 00:23:43,860

contractors or you know claiming hey

540

00:23:48,289 --> 00:23:46,260

that's not us it's the aliens and it

541

00:23:51,430 --> 00:23:48,299

brings me to something that I heard

542

00:23:55,070 --> 00:23:51,440

before all of this uh whistleblower

543

00:23:58,010 --> 00:23:55,080

activity in Washington DC and as you may

544

00:23:59,990 --> 00:23:58,020

be aware I own a property known as space

545

00:24:02,090 --> 00:24:00,000

Wolf research which is located just

546

00:24:05,450 --> 00:24:02,100

south of the old Bigelow Ranch actually

547

00:24:08,330 --> 00:24:05,460

shares a fence line with it and some of

548

00:24:09,770 --> 00:24:08,340

the neighbors had been telling me that

549

00:24:12,830 --> 00:24:09,780

back in the

550

00:24:15,350 --> 00:24:12,840

90s they were seeing what they could

551
00:24:16,730 --> 00:24:15,360
only describe as

552
00:24:21,649 --> 00:24:16,740
craft

553
00:24:23,570 --> 00:24:21,659
of remarkable propulsion and things that

554
00:24:26,750 --> 00:24:23,580
they had seen which seemed like our guys

555
00:24:29,090 --> 00:24:26,760
doing stuff with basically uh

556
00:24:31,190 --> 00:24:29,100
extraterrestrial Technologies loading

557
00:24:33,230 --> 00:24:31,200
things offloading things I thought it

558
00:24:36,169 --> 00:24:33,240
was Preposterous it sounded completely

559
00:24:38,029 --> 00:24:36,179
ridiculous until of course I heard some

560
00:24:41,630 --> 00:24:38,039
of the testimony including herrera's

561
00:24:43,970 --> 00:24:41,640
recently and I'll admit it's now

562
00:24:46,010 --> 00:24:43,980
starting to seem somewhat plausible that

563
00:24:48,169 --> 00:24:46,020

these things have happened and that

564

00:24:50,690 --> 00:24:48,179

these black budget projects do take

565

00:24:52,130 --> 00:24:50,700

place I think ASAP and atip are good

566

00:24:54,289 --> 00:24:52,140

examples of a couple that have come

567

00:24:56,630 --> 00:24:54,299

forward but we don't know how many there

568

00:24:58,970 --> 00:24:56,640

are out there and how many we will never

569

00:25:01,730 --> 00:24:58,980

know about and

570

00:25:03,110 --> 00:25:01,740

How likely is it that we can uncover

571

00:25:06,890 --> 00:25:03,120

these that I guess that's the difficult

572

00:25:09,169 --> 00:25:06,900

thing I've heard recently that Arrow has

573

00:25:11,630 --> 00:25:09,179

I believe a level 10 security clearance

574

00:25:14,450 --> 00:25:11,640

and some of these covert black budget

575

00:25:17,630 --> 00:25:14,460

projects are running at level 50s how

576

00:25:19,730 --> 00:25:17,640

how are we going to be able to get into

577

00:25:22,130 --> 00:25:19,740

some of these restricted spaces and find

578

00:25:24,890 --> 00:25:22,140

out what's really going on

579

00:25:26,630 --> 00:25:24,900

easy they've already been infiltrated by

580

00:25:29,029 --> 00:25:26,640

every human being on the planet none of

581

00:25:33,110 --> 00:25:29,039

these situations are being stacked by

582

00:25:36,649 --> 00:25:35,090

we've already infiltrated every single

583

00:25:38,810 --> 00:25:36,659

facility they're already being run by

584

00:25:42,169 --> 00:25:38,820

human beings the only thing we need to

585

00:25:45,049 --> 00:25:42,179

do is appeal to their humanity and tell

586

00:25:47,029 --> 00:25:45,059

them to do the right thing

587

00:25:48,710 --> 00:25:47,039

and everybody says oh you can't do that

588

00:25:50,510 --> 00:25:48,720

and worry about this and worry about

589

00:25:52,669 --> 00:25:50,520

that you know what

590

00:25:57,110 --> 00:25:52,679

step up I did it

591

00:26:00,769 --> 00:25:57,120

I'm I am proof that it can be done

592

00:26:04,010 --> 00:26:00,779

I I ask every other human being out

593

00:26:06,169 --> 00:26:04,020

there and don't deal with the threats

594

00:26:08,630 --> 00:26:06,179

that you've been told don't deal with

595

00:26:10,250 --> 00:26:08,640

the programming that you've had pumped

596

00:26:13,070 --> 00:26:10,260

into your head

597

00:26:16,370 --> 00:26:13,080

I'm present I've already been doing this

598

00:26:17,870 --> 00:26:16,380

for three years I got to go to DC I got

599

00:26:20,450 --> 00:26:17,880

to speak to the Senate intelligence

600

00:26:22,549 --> 00:26:20,460

committee I got to speak to arrow and

601
00:26:27,169 --> 00:26:22,559
here I stand

602
00:26:32,750 --> 00:26:27,179
took an oath against all enemies foreign

603
00:26:33,830 --> 00:26:32,760
and domestic do your job follow your

604
00:26:36,950 --> 00:26:33,840
oath

605
00:26:40,190 --> 00:26:36,960
step up and do the right thing

606
00:26:41,990 --> 00:26:40,200
every veteran out there immediately

607
00:26:44,210 --> 00:26:42,000
to be doing the right thing for We the

608
00:26:50,450 --> 00:26:46,490
that's their job

609
00:26:52,909 --> 00:26:50,460
if not them then who if we can't rely on

610
00:26:57,409 --> 00:26:52,919
them then who

611
00:26:59,870 --> 00:26:57,419
so I challenge them first fast and hard

612
00:27:01,430 --> 00:26:59,880
all the veterans of the United States if

613
00:27:04,610 --> 00:27:01,440

you've been involved with these programs

614

00:27:07,010 --> 00:27:04,620

you better do the right thing

615

00:27:09,710 --> 00:27:07,020

I don't care what what aspect you're an

616

00:27:11,990 --> 00:27:09,720

Army Navy Air Force Marine space force

617

00:27:16,490 --> 00:27:12,000

now you took an oath

618

00:27:23,330 --> 00:27:19,549

totally true and our Administration has

619

00:27:26,630 --> 00:27:23,340

to be playing ball to unveil this uh far

620

00:27:28,850 --> 00:27:26,640

more Sinister situation than most

621

00:27:32,210 --> 00:27:28,860

believe and

622

00:27:34,430 --> 00:27:32,220

this brings me to the possibility that

623

00:27:37,250 --> 00:27:34,440

some of these military contractors may

624

00:27:41,269 --> 00:27:37,260

be running interference uh there was

625

00:27:44,289 --> 00:27:41,279

some interesting timing involved as you

626
00:27:48,169 --> 00:27:44,299
and the other Patriots were

627
00:27:50,649 --> 00:27:48,179
testifying in Washington DC it seemed

628
00:27:54,169 --> 00:27:50,659
like a case here in Las Vegas

629
00:27:57,169 --> 00:27:54,179
slow leaked onto the media and was

630
00:28:00,110 --> 00:27:57,179
released technically right during the

631
00:28:02,510 --> 00:28:00,120
same time which seemed strange to me and

632
00:28:05,690 --> 00:28:02,520
is it possible that these shadow

633
00:28:09,789 --> 00:28:05,700
government military contractors have the

634
00:28:11,870 --> 00:28:09,799
technology to kind of distract and run

635
00:28:14,450 --> 00:28:11,880
interference when these things take

636
00:28:17,269 --> 00:28:14,460
place because it seemed as if this story

637
00:28:18,950 --> 00:28:17,279
of aliens Landing in a family's backyard

638
00:28:22,370 --> 00:28:18,960

here in Las Vegas

639

00:28:25,250 --> 00:28:22,380

almost uh tried to you know take away

640

00:28:27,830 --> 00:28:25,260

from the media attention that you in my

641

00:28:30,409 --> 00:28:27,840

opinion deserved

642

00:28:32,750 --> 00:28:30,419

I I couldn't argue that and I would say

643

00:28:36,169 --> 00:28:32,760

that's that's how the media works every

644

00:28:38,870 --> 00:28:36,179

single day it's it's a giant distraction

645

00:28:41,750 --> 00:28:38,880

machine it's certainly not a giant

646

00:28:44,630 --> 00:28:41,760

scheme for the truth I mean that's one

647

00:28:45,769 --> 00:28:44,640

of the most you know laughable things to

648

00:28:49,610 --> 00:28:45,779

consider is that people are going to

649

00:28:51,950 --> 00:28:49,620

turn to the mass media and get the truth

650

00:28:55,010 --> 00:28:51,960

so yeah I mean is it was it was it smoke

651
00:28:58,190 --> 00:28:55,020
and mirrors yeah I imagine so

652
00:28:59,690 --> 00:28:58,200
you know all you know all this like it's

653
00:29:01,490 --> 00:28:59,700
almost funny hearing you say like you

654
00:29:04,250 --> 00:29:01,500
know the the media attention we didn't

655
00:29:06,710 --> 00:29:04,260
get any media attention you know so in a

656
00:29:08,570 --> 00:29:06,720
way I mean was was the Vegas thing a

657
00:29:11,630 --> 00:29:08,580
distraction a distraction from what us

658
00:29:13,970 --> 00:29:11,640
getting zero attention to begin with

659
00:29:16,070 --> 00:29:13,980
you know

660
00:29:17,930 --> 00:29:16,080
yeah literally at the national Press

661
00:29:19,430 --> 00:29:17,940
Club and none of the national press

662
00:29:21,289 --> 00:29:19,440
covered it

663
00:29:23,090 --> 00:29:21,299

so you know

664

00:29:25,610 --> 00:29:23,100

I don't I don't understand how that

665

00:29:31,789 --> 00:29:25,620

happens I saw plenty of camera Crews

666

00:29:38,990 --> 00:29:35,330

it it does seem like it showed uh some

667

00:29:42,350 --> 00:29:39,000

pretty good Revelation that there are uh

668

00:29:44,389 --> 00:29:42,360

Societies or world power Brokers who

669

00:29:46,250 --> 00:29:44,399

seem to be able to plot

670

00:29:48,409 --> 00:29:46,260

uh what

671

00:29:51,710 --> 00:29:48,419

gets media attention and what does not

672

00:29:53,690 --> 00:29:51,720

and that's a crime in in itself

673

00:29:56,450 --> 00:29:53,700

absolutely this is part of what Greer

674

00:29:58,549 --> 00:29:56,460

addressed in DC was that these uh these

675

00:30:00,950 --> 00:29:58,559

factions are being more than complicit

676
00:30:03,169 --> 00:30:00,960
they're they're being bought owned and

677
00:30:05,269 --> 00:30:03,179
paid for and I guess you would say it

678
00:30:06,970 --> 00:30:05,279
goes against their their Charter so to

679
00:30:10,610 --> 00:30:06,980
say what they're supposed to be up to

680
00:30:13,789 --> 00:30:10,620
and you know it's uh I would say it's a

681
00:30:17,450 --> 00:30:16,310
and these secret deals that are being

682
00:30:20,510 --> 00:30:17,460
done

683
00:30:23,930 --> 00:30:20,520
um it does seem as if this house of

684
00:30:26,570 --> 00:30:23,940
cards is going to be tumbling because as

685
00:30:28,549 --> 00:30:26,580
time passes you know more and more is

686
00:30:31,370 --> 00:30:28,559
being revealed

687
00:30:32,870 --> 00:30:31,380
how do you catch these secret deal power

688
00:30:37,130 --> 00:30:32,880

Brokers

689

00:30:40,010 --> 00:30:37,140

in in in the act it seems as if some of

690

00:30:41,870 --> 00:30:40,020

them uh have been well in in the case of

691

00:30:43,850 --> 00:30:41,880

military contractors the reason I

692

00:30:46,970 --> 00:30:43,860

believe they are shaking in their boots

693

00:30:49,010 --> 00:30:46,980

is I recently heard that uh and I don't

694

00:30:51,049 --> 00:30:49,020

I hate to name names especially when it

695

00:30:52,850 --> 00:30:51,059

comes to military contractors but

696

00:30:54,529 --> 00:30:52,860

there's a long list of contractors who

697

00:30:56,690 --> 00:30:54,539

change their names as soon as it starts

698

00:30:58,149 --> 00:30:56,700

to get hot in the kitchen whether that's

699

00:31:00,430 --> 00:30:58,159

saic

700

00:31:04,130 --> 00:31:00,440

EG and G

701
00:31:06,169 --> 00:31:04,140
Raytheon it seems as if when things

702
00:31:08,990 --> 00:31:06,179
start to get hot in the kitchen you just

703
00:31:10,730 --> 00:31:09,000
go under a new sub LLC and continue

704
00:31:12,950 --> 00:31:10,740
business as usual

705
00:31:15,169 --> 00:31:12,960
and there's got to be a way to stop that

706
00:31:17,810 --> 00:31:15,179
I just don't know how exactly that can

707
00:31:19,970 --> 00:31:17,820
be stopped

708
00:31:22,310 --> 00:31:19,980
I believe it's just it it

709
00:31:24,549 --> 00:31:22,320
boils down to the intellect of the

710
00:31:28,130 --> 00:31:24,559
average person paying attention

711
00:31:30,289 --> 00:31:28,140
they do this little two-step dance

712
00:31:33,110 --> 00:31:30,299
because it's that functional because the

713
00:31:35,210 --> 00:31:33,120

attention span of the average person is

714

00:31:37,310 --> 00:31:35,220

can temporarily that short when that

715

00:31:39,830 --> 00:31:37,320

having these communications I mean they

716

00:31:41,889 --> 00:31:39,840

do the same thing uh in the food

717

00:31:45,470 --> 00:31:41,899

industry you know we went from having

718

00:31:47,930 --> 00:31:45,480

high fructose corn syrup until people

719

00:31:50,269 --> 00:31:47,940

understood what that term meant and now

720

00:31:52,190 --> 00:31:50,279

it's called natural sweetener

721

00:31:53,750 --> 00:31:52,200

you know they loved changing the words

722

00:31:55,549 --> 00:31:53,760

on things this is this is what we're

723

00:31:58,909 --> 00:31:55,559

seeing in in pretty much the whole world

724

00:32:01,310 --> 00:31:58,919

around us they're changing the value of

725

00:32:04,370 --> 00:32:01,320

the terms of things everywhere we look

726

00:32:07,190 --> 00:32:04,380

you know Confederate soldiers are no

727

00:32:09,769 --> 00:32:07,200

longer heroes in this country somehow

728

00:32:12,169 --> 00:32:09,779

they're racist there's all the statues

729

00:32:14,389 --> 00:32:12,179

there's all kinds of changing of the

730

00:32:16,909 --> 00:32:14,399

guards so to say

731

00:32:19,970 --> 00:32:16,919

um because it's confusing people

732

00:32:20,750 --> 00:32:19,980

you know ancient Mima was a hero of her

733

00:32:23,210 --> 00:32:20,760

time

734

00:32:25,010 --> 00:32:23,220

that's why she was put on the freaking

735

00:32:26,930 --> 00:32:25,020

syrup bottle

736

00:32:28,250 --> 00:32:26,940

but now we're told that she was

737

00:32:30,049 --> 00:32:28,260

oppressed

738

00:32:33,529 --> 00:32:30,059

you know this is this is the same thing

739

00:32:36,669 --> 00:32:33,539

as changing the terminology of things

740

00:32:39,110 --> 00:32:36,679

is changing the understanding it's

741

00:32:41,450 --> 00:32:39,120

bastardizing history

742

00:32:43,789 --> 00:32:41,460

for the sake of you know contemporary

743

00:32:46,010 --> 00:32:43,799

Comfort by some other person's

744

00:32:47,630 --> 00:32:46,020

definition other than your own of what

745

00:32:49,549 --> 00:32:47,640

is right

746

00:32:53,149 --> 00:32:49,559

we're no longer being empowered as

747

00:32:54,590 --> 00:32:53,159

individuals to stand against the man so

748

00:32:58,130 --> 00:32:54,600

to say

749

00:33:01,010 --> 00:32:58,140

you know it's a it's a very sad State of

750

00:33:05,090 --> 00:33:01,020

Affairs but people are being conditioned

751

00:33:07,130 --> 00:33:05,100

to be cowards and it's working

752

00:33:09,470 --> 00:33:07,140

it does appear as if we're on the

753

00:33:12,529 --> 00:33:09,480

downside of our former glory as a

754

00:33:14,210 --> 00:33:12,539

country and this brings uh again going

755

00:33:18,169 --> 00:33:14,220

back to the kids and something you

756

00:33:22,669 --> 00:33:18,179

mentioned this weaponization of

757

00:33:24,769 --> 00:33:22,679

um offering gender variation to children

758

00:33:27,110 --> 00:33:24,779

and you know schools saying oh you don't

759

00:33:29,330 --> 00:33:27,120

have to tell your parents we can keep

760

00:33:31,669 --> 00:33:29,340

your secrets safe we can we can help you

761

00:33:34,070 --> 00:33:31,679

get the help you need and these are kids

762

00:33:37,009 --> 00:33:34,080

these are kids these aren't even 18 year

763

00:33:41,210 --> 00:33:37,019

old adults and my question is it seems

764

00:33:44,389 --> 00:33:41,220

like an apocalyptic Slow Burn when

765

00:33:46,970 --> 00:33:44,399

the schools and administrations are

766

00:33:50,029 --> 00:33:46,980

taking the roles of parents and it makes

767

00:33:53,389 --> 00:33:50,039

me wonder is America in the final stage

768

00:33:57,409 --> 00:33:53,399

of our Empire and readying for collapse

769

00:34:02,330 --> 00:34:00,470

yeah I would say that anybody that grabs

770

00:34:03,950 --> 00:34:02,340

your kid and tells them to keep secrets

771

00:34:05,870 --> 00:34:03,960

from you should be beaten within an inch

772

00:34:07,730 --> 00:34:05,880

of their life and Left Alive only to

773

00:34:09,889 --> 00:34:07,740

breathe enough to warn other people not

774

00:34:11,629 --> 00:34:09,899

to be so [h__h] stupid

775

00:34:13,430 --> 00:34:11,639

the fact that we now have schools

776

00:34:15,230 --> 00:34:13,440

telling children to keep secrets from

777

00:34:17,149 --> 00:34:15,240

their parents these parents could be

778

00:34:18,710 --> 00:34:17,159

kicking in the doors of these

779

00:34:20,149 --> 00:34:18,720

parent-teacher conferences and whatever

780

00:34:22,310 --> 00:34:20,159

these things are going on in their

781

00:34:24,109 --> 00:34:22,320

community and they should be beating the

782

00:34:25,970 --> 00:34:24,119

snots out of these people that's my

783

00:34:27,349 --> 00:34:25,980

opinion on that that'll Rectify this

784

00:34:29,149 --> 00:34:27,359

situation

785

00:34:30,770 --> 00:34:29,159

all right if you find somebody that's

786

00:34:32,930 --> 00:34:30,780

against what I just said

787

00:34:34,849 --> 00:34:32,940

pick them in The Shins too because

788

00:34:36,349 --> 00:34:34,859

they're also part of the problem if you

789

00:34:38,089 --> 00:34:36,359

can't realize that there's an attack on

790

00:34:40,010 --> 00:34:38,099

the children and you can't stand up for

791

00:34:42,530 --> 00:34:40,020

the children up to in including the

792

00:34:43,730 --> 00:34:42,540

point of violence who the hell are you

793

00:34:46,190 --> 00:34:43,740

and what are you doing in this

794

00:34:48,950 --> 00:34:46,200

conversation

795

00:34:51,589 --> 00:34:48,960

if we cannot defend our children with up

796

00:34:53,570 --> 00:34:51,599

to and including violence

797

00:34:57,770 --> 00:34:53,580

then we will suffer

798

00:35:03,109 --> 00:35:00,530

there is an attack on our children

799

00:35:05,870 --> 00:35:03,119

it is obvious

800

00:35:08,150 --> 00:35:05,880

and we need I was going to be completely

801
00:35:12,710 --> 00:35:08,160
blunt we need real men that'll do

802
00:35:18,410 --> 00:35:15,470
it it's it's a scary proposition the

803
00:35:20,390 --> 00:35:18,420
strong man figures have they're gone

804
00:35:23,089 --> 00:35:20,400
um everybody's worried about you know

805
00:35:25,970 --> 00:35:23,099
appearing politically correct I couldn't

806
00:35:28,190 --> 00:35:25,980
agree more about the uh the your

807
00:35:32,870 --> 00:35:28,200
prediction that that that we need to man

808
00:35:34,849 --> 00:35:32,880
up in other words and nut up and you

809
00:35:38,990 --> 00:35:34,859
know there seems to be um in in

810
00:35:43,250 --> 00:35:39,000
conspiracy circles uh a hidden hand or a

811
00:35:46,849 --> 00:35:43,260
possible Supernatural truth that there

812
00:35:50,270 --> 00:35:46,859
is basically Federal bureaucracy used as

813
00:35:51,650 --> 00:35:50,280

a tool of deep State occultists and this

814

00:35:54,470 --> 00:35:51,660

brings about

815

00:35:57,349 --> 00:35:54,480

um kind of what what we're leaning into

816

00:36:01,430 --> 00:35:57,359

here that there are

817

00:36:03,310 --> 00:36:01,440

basically deep state occultists or

818

00:36:06,290 --> 00:36:03,320

Elites that are involved in government

819

00:36:09,230 --> 00:36:06,300

who don't believe the same things as the

820

00:36:11,270 --> 00:36:09,240

general citizen or you and I and they

821

00:36:14,329 --> 00:36:11,280

may be in other words

822

00:36:17,810 --> 00:36:14,339

um interested in things slightly

823

00:36:21,410 --> 00:36:17,820

different and uh arconic in nature and

824

00:36:23,210 --> 00:36:21,420

and you know most citizens don't go

825

00:36:25,550 --> 00:36:23,220

there but do you think there are

826

00:36:30,349 --> 00:36:25,560

possibly archons ruling from the air

827

00:36:35,630 --> 00:36:32,630

I guess in this circumstance I'm not

828

00:36:37,849 --> 00:36:35,640

sure what you mean by archons

829

00:36:40,490 --> 00:36:37,859

um so I should have been more specific

830

00:36:43,310 --> 00:36:40,500

so much like you know when it comes to

831

00:36:45,710 --> 00:36:43,320

and and I'm I'm all for uh

832

00:36:47,270 --> 00:36:45,720

I'm all I'm all for different societies

833

00:36:49,970 --> 00:36:47,280

and belief systems

834

00:36:53,210 --> 00:36:49,980

however there is in conspiracy circles

835

00:36:56,030 --> 00:36:53,220

you know there is the the Capstone the

836

00:36:59,030 --> 00:36:56,040

of the cabal which is separated from the

837

00:37:01,970 --> 00:36:59,040

bottom of the pyramid and it seems to be

838

00:37:04,849 --> 00:37:01,980

elevated uh in such a way that possibly

839

00:37:07,430 --> 00:37:04,859

some content it may not be of human

840

00:37:11,210 --> 00:37:07,440

origin so in other words that some of

841

00:37:14,089 --> 00:37:11,220

these Elite or deep State occultists

842

00:37:16,270 --> 00:37:14,099

um are getting their power or uh lack of

843

00:37:20,450 --> 00:37:16,280

divinity these bad ideas these Dark

844

00:37:22,609 --> 00:37:20,460

missions and agendas from otherworldly

845

00:37:24,650 --> 00:37:22,619

means

846

00:37:26,510 --> 00:37:24,660

yeah I could follow that logic I would

847

00:37:28,069 --> 00:37:26,520

just not want to reduce it down to a

848

00:37:30,170 --> 00:37:28,079

singular issue again I think a lot of

849

00:37:31,730 --> 00:37:30,180

people want to go in that direction and

850

00:37:32,990 --> 00:37:31,740

then say you know

851

00:37:35,750 --> 00:37:33,000

um

852

00:37:37,670 --> 00:37:35,760

as if it's like one group of aliens or

853

00:37:40,310 --> 00:37:37,680

something like that that oh

854

00:37:41,810 --> 00:37:40,320

um like as if we have one bad group on

855

00:37:43,490 --> 00:37:41,820

this planet like if we don't follow like

856

00:37:44,930 --> 00:37:43,500

you use the pyramid term right like as

857

00:37:47,569 --> 00:37:44,940

if we're bringing this back to a point

858

00:37:50,270 --> 00:37:47,579

as if it's a singular problem and it's

859

00:37:52,490 --> 00:37:50,280

not that is Again part of the program so

860

00:37:54,349 --> 00:37:52,500

that we are divided as to who we think

861

00:37:56,390 --> 00:37:54,359

the enemy is oh is it this over there is

862

00:37:59,450 --> 00:37:56,400

it that group over there is it there's

863

00:38:01,069 --> 00:37:59,460

so many groups vying for control abusing

864

00:38:04,069 --> 00:38:01,079

our children

865

00:38:08,030 --> 00:38:04,079

um uh affected by greed that a

866

00:38:11,210 --> 00:38:08,040

profiteering off of the division

867

00:38:14,270 --> 00:38:11,220

that that's almost incalculable

868

00:38:17,270 --> 00:38:14,280

there is no singular group causing pain

869

00:38:20,630 --> 00:38:17,280

to all of humanity there are multiple

870

00:38:23,030 --> 00:38:20,640

factions that are happy that the rest of

871

00:38:26,990 --> 00:38:23,040

us are in the crossfire while they're

872

00:38:31,430 --> 00:38:29,810

the problem is a lot grander and vaster

873

00:38:33,530 --> 00:38:31,440

than people are considering it because

874

00:38:37,370 --> 00:38:33,540

they won't consider that and because

875

00:38:41,470 --> 00:38:37,380

they try to focus on the particular

876

00:38:44,930 --> 00:38:41,480

group that's the cause of the effect

877

00:38:46,490 --> 00:38:44,940

that part of the program that's a load

878

00:38:49,069 --> 00:38:46,500

of crap

879

00:38:51,050 --> 00:38:49,079

um and that's why all of these groups

880

00:38:52,490 --> 00:38:51,060

get away with everything because none of

881

00:38:54,230 --> 00:38:52,500

them are even pointing the fingers at

882

00:38:57,710 --> 00:38:54,240

each other

883

00:39:01,030 --> 00:38:57,720

with plausible deniability and we're

884

00:39:04,849 --> 00:39:01,040

just cannon fodder in the mix

885

00:39:08,089 --> 00:39:04,859

totally true totally true and everybody

886

00:39:09,710 --> 00:39:08,099

is always uh as you said pointing in

887

00:39:10,690 --> 00:39:09,720

different directions and I think that

888

00:39:13,430 --> 00:39:10,700

that that

889

00:39:15,829 --> 00:39:13,440

conspiracy theory you know that it can

890

00:39:18,230 --> 00:39:15,839

all be blamed on a dark occult for us

891

00:39:20,510 --> 00:39:18,240

which isn't human is just a way of

892

00:39:24,829 --> 00:39:20,520

passing the buck because there's plenty

893

00:39:28,150 --> 00:39:24,839

of humans at the Capitol even that are

894

00:39:30,770 --> 00:39:28,160

making deals that should not be done

895

00:39:32,870 --> 00:39:30,780

you're right and as as if I mean all

896

00:39:35,329 --> 00:39:32,880

possibilities just always as if there's

897

00:39:37,550 --> 00:39:35,339

not different human groups making deals

898

00:39:40,130 --> 00:39:37,560

with different off-world factions for

899

00:39:42,530 --> 00:39:40,140

different reasons and it's just it's

900

00:39:44,089 --> 00:39:42,540

it's um you know it's a big giant [h__\h]

901
00:39:45,710 --> 00:39:44,099
sandwich and everybody needs to take a

902
00:39:48,170 --> 00:39:45,720
bite is what we're at right now but

903
00:39:51,290 --> 00:39:48,180
nobody nobody wants to get involved

904
00:39:53,810 --> 00:39:51,300
because yes it's very distasteful I get

905
00:39:56,510 --> 00:39:53,820
that but therein lies the um

906
00:39:59,089 --> 00:39:56,520
construction of the problem is that our

907
00:40:01,130 --> 00:39:59,099
organized enemies are very well aware of

908
00:40:03,829 --> 00:40:01,140
what they built

909
00:40:07,250 --> 00:40:03,839
and everybody I often say the average

910
00:40:10,190 --> 00:40:07,260
mortgage payer is way too preoccupied

911
00:40:12,890 --> 00:40:10,200
with the system that's been built around

912
00:40:14,690 --> 00:40:12,900
them for there to even basically stick

913
00:40:16,730 --> 00:40:14,700

their head up out of the trenches of

914

00:40:19,609 --> 00:40:16,740

their everyday life have any

915

00:40:23,450 --> 00:40:19,619

consideration outside of their own needs

916

00:40:24,829 --> 00:40:23,460

it's uh was it Maslow's uh part of

917

00:40:27,550 --> 00:40:24,839

hierarchical needs and all that stuff

918

00:40:29,690 --> 00:40:27,560

most people are so

919

00:40:31,490 --> 00:40:29,700

Rude by they got a mortgage payment

920

00:40:33,290 --> 00:40:31,500

every month that their focus doesn't go

921

00:40:35,770 --> 00:40:33,300

anywhere else

922

00:40:38,569 --> 00:40:35,780

the average mortgage payer does not have

923

00:40:41,030 --> 00:40:38,579

an hour to brood

924

00:40:43,849 --> 00:40:41,040

once a month

925

00:40:45,710 --> 00:40:43,859

rooting used to be a common activity

926
00:40:48,349 --> 00:40:45,720
nobody even knows what it means anymore

927
00:40:51,589 --> 00:40:48,359
to just literally sit down and think for

928
00:40:55,730 --> 00:40:53,569
how many people can do that without the

929
00:40:58,790 --> 00:40:55,740
freaking cell phone beeping and saying

930
00:41:00,829 --> 00:40:58,800
up you have to attend to this up you you

931
00:41:02,990 --> 00:41:00,839
really need to you know check out this

932
00:41:04,910 --> 00:41:03,000
you know short reel on you know some

933
00:41:06,470 --> 00:41:04,920
dude that fell in the water and now you

934
00:41:09,650 --> 00:41:06,480
can chuckle and feel better about your

935
00:41:11,810 --> 00:41:09,660
life because you saw a funny video clip

936
00:41:13,370 --> 00:41:11,820
you know all the stuff that people are

937
00:41:15,530 --> 00:41:13,380
sharing all the stuff that's moving back

938
00:41:17,450 --> 00:41:15,540

and forth is really a load of bulk

939

00:41:18,829 --> 00:41:17,460

people have no idea what's going on in

940

00:41:21,109 --> 00:41:18,839

the world around them they have no idea

941

00:41:22,490 --> 00:41:21,119

they have no discernment as to where

942

00:41:24,770 --> 00:41:22,500

they should apply their energies

943

00:41:26,210 --> 00:41:24,780

everybody's complaining about this is a

944

00:41:28,190 --> 00:41:26,220

problem and that is a problem really

945

00:41:30,290 --> 00:41:28,200

cool what is anybody doing about it

946

00:41:31,430 --> 00:41:30,300

other than bitching and sending a link

947

00:41:33,530 --> 00:41:31,440

to something

948

00:41:37,010 --> 00:41:33,540

or generating a meme so now the

949

00:41:44,870 --> 00:41:40,730

totally agree and and it does seem as if

950

00:41:46,609 --> 00:41:44,880

you know we are being diminutized in our

951
00:41:50,210 --> 00:41:46,619
it used to be everybody got the same

952
00:41:53,390 --> 00:41:50,220
paper read the same news now it seems

953
00:41:56,450 --> 00:41:53,400
that our our media is um catered to us

954
00:41:58,849 --> 00:41:56,460
via AI to our smartphones and we are

955
00:42:00,589 --> 00:41:58,859
told what what they want to tell us I

956
00:42:02,510 --> 00:42:00,599
suppose that's that's a scary

957
00:42:04,970 --> 00:42:02,520
proposition

958
00:42:07,609 --> 00:42:04,980
even worse they're reading your mind and

959
00:42:09,470 --> 00:42:07,619
figuring out how to bend it by sending

960
00:42:11,510 --> 00:42:09,480
the appropriate signal back and the

961
00:42:14,930 --> 00:42:11,520
content that coordinates the outcome

962
00:42:20,030 --> 00:42:17,030
these these devices that we have in our

963
00:42:23,750 --> 00:42:20,040

hands were not um created for our

964

00:42:27,050 --> 00:42:23,760

benefit they're weapons of the new war

965

00:42:29,270 --> 00:42:27,060

and they're being used against us

966

00:42:31,609 --> 00:42:29,280

they're not they're not items of

967

00:42:34,790 --> 00:42:31,619

convenience they are not for our benefit

968

00:42:36,650 --> 00:42:34,800

they are to our detriment

969

00:42:38,690 --> 00:42:36,660

which is why many governments are very

970

00:42:42,589 --> 00:42:38,700

happy to distribute the people that

971

00:42:47,690 --> 00:42:42,599

can't afford them how magnanimous as if

972

00:42:51,650 --> 00:42:50,270

it you know this world is being the

973

00:42:54,890 --> 00:42:51,660

whole world is being set up that you

974

00:42:57,170 --> 00:42:54,900

can't do anything without it

975

00:42:59,150 --> 00:42:57,180

is that for our convenience or because

976
00:43:00,290 --> 00:42:59,160
it's a control mechanism people really

977
00:43:02,510 --> 00:43:00,300
need to get their heads out of their

978
00:43:04,609 --> 00:43:02,520
asses on this topic

979
00:43:06,650 --> 00:43:04,619
I'm I'm sorry I'm from a generation

980
00:43:08,809 --> 00:43:06,660
where we didn't have these Technologies

981
00:43:11,270 --> 00:43:08,819
and I can only laugh at all the people

982
00:43:13,010 --> 00:43:11,280
nowadays that believe that we're in a

983
00:43:15,650 --> 00:43:13,020
better circumstance

984
00:43:17,990 --> 00:43:15,660
they believe that the world runs better

985
00:43:21,230 --> 00:43:18,000
with this stuff they've never

986
00:43:23,210 --> 00:43:21,240
experienced it without it

987
00:43:26,150 --> 00:43:23,220
I remember when you went to places and

988
00:43:29,150 --> 00:43:26,160

you had competent people giving you good

989

00:43:31,910 --> 00:43:29,160

help and things got accomplished now I

990

00:43:33,410 --> 00:43:31,920

don't care where you go you find out you

991

00:43:36,230 --> 00:43:33,420

can't get what you need or the person

992

00:43:41,089 --> 00:43:36,240

doesn't know what to do next because the

993

00:43:44,870 --> 00:43:43,430

file cabinet didn't used to fail back in

994

00:43:46,430 --> 00:43:44,880

the day you needed a file you enter the

995

00:43:48,349 --> 00:43:46,440

file you pulled out boom it worked

996

00:43:50,150 --> 00:43:48,359

people understood the alphabet and how

997

00:43:51,829 --> 00:43:50,160

to put things away and you didn't hear

998

00:43:53,210 --> 00:43:51,839

well I can't access that right now

999

00:43:55,309 --> 00:43:53,220

because I'm having trouble with my

1000

00:43:56,510 --> 00:43:55,319

computer and this the computer systems

1001

00:43:57,890 --> 00:43:56,520

and all the technologies have

1002

00:43:59,329 --> 00:43:57,900

effectively just become the world

1003

00:44:01,130 --> 00:43:59,339

scapegoat

1004

00:44:03,950 --> 00:44:01,140

what would people blame things on at

1005

00:44:06,290 --> 00:44:03,960

work if it wasn't for the computer

1006

00:44:07,790 --> 00:44:06,300

would they say I screwed up or does

1007

00:44:08,630 --> 00:44:07,800

everybody just say the computer screwed

1008

00:44:10,849 --> 00:44:08,640

up now

1009

00:44:13,190 --> 00:44:10,859

so nothing gets done correctly but

1010

00:44:15,170 --> 00:44:13,200

nobody's held accountable because it was

1011

00:44:16,670 --> 00:44:15,180

the technology spot oh the technology

1012

00:44:19,730 --> 00:44:16,680

that we were told was going to improve

1013

00:44:26,809 --> 00:44:23,170

there's a total con job

1014

00:44:28,910 --> 00:44:26,819

things run terribly now because of

1015

00:44:30,650 --> 00:44:28,920

Technology

1016

00:44:32,990 --> 00:44:30,660

and the only thing I say is they run

1017

00:44:35,690 --> 00:44:33,000

terribly fast but the terribly part

1018

00:44:38,329 --> 00:44:35,700

can't be removed

1019

00:44:41,210 --> 00:44:38,339

it's horrible it is horrible I can't go

1020

00:44:43,069 --> 00:44:41,220

to my this is this is really striking a

1021

00:44:46,010 --> 00:44:43,079

nerve with me because I go to my local

1022

00:44:50,150 --> 00:44:46,020

grocery store and there's seven

1023

00:44:52,370 --> 00:44:50,160

self-checkout lines and nobody at the uh

1024

00:44:54,829 --> 00:44:52,380

full service you know check out they

1025

00:44:56,390 --> 00:44:54,839

don't even have them anymore and when I

1026

00:44:58,490 --> 00:44:56,400

asked somebody about it I said you know

1027

00:45:00,770 --> 00:44:58,500

that this is going to take your job

1028

00:45:03,829 --> 00:45:00,780

they said yeah we know and it's like

1029

00:45:07,849 --> 00:45:03,839

nobody does anything and coming back to

1030

00:45:11,329 --> 00:45:07,859

the cell phones this the this is Top

1031

00:45:13,970 --> 00:45:11,339

Flight AI this is the I am so horrified

1032

00:45:17,329 --> 00:45:13,980

with how specific it is

1033

00:45:18,890 --> 00:45:17,339

yesterday evening I had uh someone reach

1034

00:45:21,829 --> 00:45:18,900

out to me I'm in Property Management

1035

00:45:24,650 --> 00:45:21,839

they reached out to me because they uh

1036

00:45:28,609 --> 00:45:24,660

were smelling fumes of uh hydrogen

1037

00:45:30,589 --> 00:45:28,619

sulfide gas and this is something that I

1038

00:45:32,390 --> 00:45:30,599

weighed on on my mind overnight I called

1039

00:45:35,329 --> 00:45:32,400

the correct people

1040

00:45:37,609 --> 00:45:35,339

anyway this morning first thing I see

1041

00:45:40,069 --> 00:45:37,619

when I open my phone is they're trying

1042

00:45:42,829 --> 00:45:40,079

to sell me a hydrogen sulfide gas

1043

00:45:46,550 --> 00:45:42,839

detector I mean the specif the

1044

00:45:48,589 --> 00:45:46,560

specificity of that is horrific

1045

00:45:50,690 --> 00:45:48,599

yep

1046

00:45:52,250 --> 00:45:50,700

yeah I mean this there's all kinds of

1047

00:45:54,410 --> 00:45:52,260

stuff in this technology I mean most

1048

00:45:56,390 --> 00:45:54,420

people can go on their phones now and

1049

00:46:00,710 --> 00:45:56,400

there's settings for turning off like

1050

00:46:02,750 --> 00:46:00,720

the the biorhythm sensors

1051
00:46:04,910 --> 00:46:02,760
you know your phone can basically pay

1052
00:46:06,050 --> 00:46:04,920
attention to your heart rate your breath

1053
00:46:09,109 --> 00:46:06,060
rate

1054
00:46:11,750 --> 00:46:09,119
or what's it doing with that information

1055
00:46:13,790 --> 00:46:11,760
it's assessing it's paying attention to

1056
00:46:15,829 --> 00:46:13,800
uh when you look at something on the

1057
00:46:17,450 --> 00:46:15,839
screen does your heart rate go up does

1058
00:46:19,069 --> 00:46:17,460
your breath rate go up does that

1059
00:46:20,510 --> 00:46:19,079
interest you does that make you hot can

1060
00:46:22,430 --> 00:46:20,520
we sell you something that's sexy

1061
00:46:25,309 --> 00:46:22,440
because of that

1062
00:46:27,050 --> 00:46:25,319
you know um why do we need this

1063
00:46:29,809 --> 00:46:27,060

connection

1064

00:46:31,550 --> 00:46:29,819

who's who's benefiting from it you know

1065

00:46:32,990 --> 00:46:31,560

they they sell it under the false

1066

00:46:35,329 --> 00:46:33,000

preacher I mean literally they got

1067

00:46:37,550 --> 00:46:35,339

systems now where like oh theoretically

1068

00:46:39,710 --> 00:46:37,560

your phone will save your life because

1069

00:46:41,510 --> 00:46:39,720

if you're if you're aided you know it

1070

00:46:43,190 --> 00:46:41,520

can it can pay attention and that's how

1071

00:46:45,230 --> 00:46:43,200

they sell it on the good stuff what they

1072

00:46:47,150 --> 00:46:45,240

don't tell you is that you know there's

1073

00:46:49,250 --> 00:46:47,160

organizations that are paying to be

1074

00:46:51,950 --> 00:46:49,260

aware of what your heart rate and breath

1075

00:46:53,750 --> 00:46:51,960

rate is 24 hours a day as they as they

1076
00:46:56,750 --> 00:46:53,760
coincide to what you're looking at on

1077
00:46:59,930 --> 00:46:56,760
the screen and they're learning you

1078
00:47:01,910 --> 00:46:59,940
and they're mind-bending you because

1079
00:47:06,109 --> 00:47:01,920
they can

1080
00:47:08,329 --> 00:47:06,119
numbers on you

1081
00:47:11,210 --> 00:47:08,339
and then once they get an assessment of

1082
00:47:12,770 --> 00:47:11,220
you uh they have full control

1083
00:47:14,690 --> 00:47:12,780
of what's on that screen everybody

1084
00:47:16,970 --> 00:47:14,700
thinks when you go to Google you know

1085
00:47:18,770 --> 00:47:16,980
like it's uh like an open market for

1086
00:47:20,329 --> 00:47:18,780
truth no it pays attention to all the

1087
00:47:22,490 --> 00:47:20,339
stuff that you looked at before it looks

1088
00:47:23,809 --> 00:47:22,500

at where you're at it it bounces off

1089

00:47:25,609 --> 00:47:23,819

like almost like when you're buying

1090

00:47:26,809 --> 00:47:25,619

homes and they say there's local comps

1091

00:47:28,849 --> 00:47:26,819

and things like that it looks at the

1092

00:47:31,309 --> 00:47:28,859

people in your community the people

1093

00:47:33,650 --> 00:47:31,319

around you and it gives you like it's

1094

00:47:36,530 --> 00:47:33,660

almost like like bio feedback it it

1095

00:47:38,150 --> 00:47:36,540

makes an assessment of who you are where

1096

00:47:40,069 --> 00:47:38,160

you're at where your thoughts are what

1097

00:47:42,710 --> 00:47:40,079

you're collected on and then it makes an

1098

00:47:45,950 --> 00:47:42,720

effort to modify that

1099

00:47:49,150 --> 00:47:45,960

and through repetition it can absolutely

1100

00:47:53,569 --> 00:47:49,160

accomplish that absolutely Warfare

1101
00:47:54,589 --> 00:47:53,579
direct and energy weapons v2k all of the

1102
00:47:56,390 --> 00:47:54,599
above

1103
00:47:58,910 --> 00:47:56,400
and we learned that there were

1104
00:48:02,089 --> 00:47:58,920
algorithms that were custom tailored to

1105
00:48:04,250 --> 00:48:02,099
the individuals in Mass

1106
00:48:06,970 --> 00:48:04,260
I'm trained in oath and all kinds of

1107
00:48:09,770 --> 00:48:06,980
safety regulations and yes the

1108
00:48:12,710 --> 00:48:09,780
manufacturer reserves the right to tell

1109
00:48:15,470 --> 00:48:12,720
you what their product can and can't do

1110
00:48:17,089 --> 00:48:15,480
nobody else gets to come in and change

1111
00:48:20,470 --> 00:48:17,099
that

1112
00:48:23,809 --> 00:48:20,480
for it

1113
00:48:26,030 --> 00:48:23,819

simultaneously lead me to believe that

1114

00:48:29,930 --> 00:48:26,040

there was some other situation going on

1115

00:48:32,210 --> 00:48:29,940

some other influence going on and since

1116

00:48:34,370 --> 00:48:32,220

no I don't believe that everybody is of

1117

00:48:38,270 --> 00:48:34,380

the same opinion I don't believe that

1118

00:48:39,770 --> 00:48:38,280

everybody got the same uh influence or

1119

00:48:42,170 --> 00:48:39,780

intruding thoughts I believe the

1120

00:48:45,490 --> 00:48:42,180

algorithm is that dangerous now that

1121

00:48:48,290 --> 00:48:45,500

your phone can read your situation your

1122

00:48:50,569 --> 00:48:48,300

bio rhythms your appreciation of certain

1123

00:48:51,650 --> 00:48:50,579

topics and it can Now function against

1124

00:48:59,569 --> 00:48:51,660

you

1125

00:49:02,150 --> 00:48:59,579

for that the the the gas detector it's

1126

00:49:04,550 --> 00:49:02,160

it's aware if it wanted to show you

1127

00:49:06,170 --> 00:49:04,560

something if it wanted to put up an ad

1128

00:49:07,849 --> 00:49:06,180

that says you really shouldn't even be

1129

00:49:09,230 --> 00:49:07,859

worried about that gas they could have

1130

00:49:12,950 --> 00:49:09,240

done that and it could have alleviated

1131

00:49:13,910 --> 00:49:12,960

your concern but somebody who sells that

1132

00:49:16,430 --> 00:49:13,920

item

1133

00:49:20,809 --> 00:49:16,440

had a vested interest in you hearing it

1134

00:49:25,309 --> 00:49:23,270

totally totally and it's reading your

1135

00:49:28,970 --> 00:49:25,319

thumbprint it's reading your face facial

1136

00:49:31,309 --> 00:49:28,980

uh features and you know I tried

1137

00:49:32,690 --> 00:49:31,319

something this week while we're on this

1138

00:49:37,010 --> 00:49:32,700

subject

1139

00:49:40,730 --> 00:49:37,020

that I hadn't done and I I

1140

00:49:42,650 --> 00:49:40,740

turned off the Wi-Fi router at night and

1141

00:49:46,069 --> 00:49:42,660

lo and behold the whole family slept

1142

00:49:47,990 --> 00:49:46,079

better and this this is fascinating to

1143

00:49:50,569 --> 00:49:48,000

me because you know I used to pretend

1144

00:49:52,309 --> 00:49:50,579

that oh that's conspiracy BS but I'm

1145

00:49:55,670 --> 00:49:52,319

starting to believe that there is actual

1146

00:49:59,089 --> 00:49:55,680

truth to this and thousand percent

1147

00:50:00,890 --> 00:49:59,099

it's wild uh my young daughter I uh our

1148

00:50:03,349 --> 00:50:00,900

home has one of these uh I didn't even

1149

00:50:05,270 --> 00:50:03,359

know it but luckily people are informing

1150

00:50:06,290 --> 00:50:05,280

me about this has one of those new smart

1151
00:50:09,470 --> 00:50:06,300
meters

1152
00:50:12,230 --> 00:50:09,480
and she had a lot of trouble sleeping I

1153
00:50:14,750 --> 00:50:12,240
moved her bed uh it from that room

1154
00:50:17,390 --> 00:50:14,760
because that it was right by her room I

1155
00:50:19,490 --> 00:50:17,400
moved her bed from that wall and she

1156
00:50:21,410 --> 00:50:19,500
sleeps like a baby now and you know

1157
00:50:23,690 --> 00:50:21,420
there you go it's really spooky stuff

1158
00:50:25,730 --> 00:50:23,700
but everything you're saying uh it's

1159
00:50:27,770 --> 00:50:25,740
it's gaining a lot of traction with my

1160
00:50:29,990 --> 00:50:27,780
personal experience because it I mean

1161
00:50:32,390 --> 00:50:30,000
this is just the truth you you do simple

1162
00:50:35,270 --> 00:50:32,400
things like move the bed turn off the

1163
00:50:38,329 --> 00:50:35,280

router and you see phenomenal

1164

00:50:41,089 --> 00:50:38,339

um differences and getting back to the

1165

00:50:43,130 --> 00:50:41,099

fact that you did have all of these OSHA

1166

00:50:45,290 --> 00:50:43,140

certifications you were in charge of a

1167

00:50:48,049 --> 00:50:45,300

lot of things going on down there at the

1168

00:50:50,270 --> 00:50:48,059

South Pole and if I remember correctly

1169

00:50:53,210 --> 00:50:50,280

you had keys to just about every room

1170

00:50:55,069 --> 00:50:53,220

can we go into uh the most fascinating

1171

00:50:58,130 --> 00:50:55,079

thing you saw while you were down there

1172

00:51:01,250 --> 00:50:58,140

before we wrap up here really quick

1173

00:51:03,650 --> 00:51:01,260

oh was that was that a question yeah um

1174

00:51:05,089 --> 00:51:03,660

I don't know that um not that it all

1175

00:51:06,950 --> 00:51:05,099

wasn't because I mean most people don't

1176

00:51:09,470 --> 00:51:06,960

even get the opportunity in terms of

1177

00:51:11,809 --> 00:51:09,480

fascinating and what I saw I mean I I

1178

00:51:14,750 --> 00:51:11,819

did technically see what I I now believe

1179

00:51:17,569 --> 00:51:14,760

to be a UFO go right over

1180

00:51:20,630 --> 00:51:17,579

um the facility I believe at the time I

1181

00:51:22,910 --> 00:51:20,640

should say at the time I believed was a

1182

00:51:25,250 --> 00:51:22,920

massive Media or meteorite or whatever

1183

00:51:28,309 --> 00:51:25,260

you want to call it but just upon you

1184

00:51:30,109 --> 00:51:28,319

know further consideration since then uh

1185

00:51:32,510 --> 00:51:30,119

the trajectory which was pretty much

1186

00:51:34,609 --> 00:51:32,520

parallel to the surface of the Earth and

1187

00:51:37,370 --> 00:51:34,619

unending I mean it didn't crash didn't

1188

00:51:38,329 --> 00:51:37,380

go down into the ice so I believe that

1189

00:51:41,109 --> 00:51:38,339

it was

1190

00:51:44,510 --> 00:51:41,119

um a controlled bike path of

1191

00:51:46,150 --> 00:51:44,520

ridiculous incalculable speed from my

1192

00:51:49,069 --> 00:51:46,160

perspective

1193

00:51:50,450 --> 00:51:49,079

absolutely fascinating it's it's so

1194

00:51:53,569 --> 00:51:50,460

mind-boggling everything that's

1195

00:51:56,750 --> 00:51:53,579

currently playing out I commend you

1196

00:51:58,790 --> 00:51:56,760

um for your testimony in Washington and

1197

00:52:01,190 --> 00:51:58,800

for basically telling the secrets that

1198

00:52:03,230 --> 00:52:01,200

they don't want us to understand thank

1199

00:52:05,210 --> 00:52:03,240

you so much Eric I always enjoy talking

1200

00:52:07,849 --> 00:52:05,220

to you keep fighting the good fight my

1201
00:52:09,349 --> 00:52:07,859
man and I can't wait till we talk again

1202
00:52:10,849 --> 00:52:09,359
thank you so much Ryan I really

1203
00:52:13,250 --> 00:52:10,859
appreciate your interest in helping to

1204
00:52:16,130 --> 00:52:13,260
get this stuff out there it is always

1205
00:52:20,030 --> 00:52:16,140
such a pleasure to talk with Eric be

1206
00:52:22,069 --> 00:52:20,040
sure to keep Eric on your radar he has a

1207
00:52:24,170 --> 00:52:22,079
great podcast and is always working

1208
00:52:27,470 --> 00:52:24,180
towards truth

1209
00:52:30,410 --> 00:52:27,480
check out deciphering disclosure with

1210
00:52:34,069 --> 00:52:30,420
Eric Hecker and check out his website

1211
00:52:41,089 --> 00:52:38,569
is there a supernatural truth behind

1212
00:52:43,490 --> 00:52:41,099
how the shadow government is hiding

1213
00:52:45,950 --> 00:52:43,500

black budget projects which are used

1214

00:52:49,910 --> 00:52:45,960

covertly and illegally

1215

00:52:52,430 --> 00:52:49,920

playing out in the public domain with

1216

00:52:54,410 --> 00:52:52,440

the majority of citizenry completely

1217

00:52:56,630 --> 00:52:54,420

unaware

1218

00:52:58,910 --> 00:52:56,640

sure appears that's what's taking place

1219

00:53:02,210 --> 00:52:58,920

people like Eric and other

1220

00:53:05,569 --> 00:53:02,220

whistleblowers are standing up and

1221

00:53:07,490 --> 00:53:05,579

trying to show the rest of us what is

1222

00:53:08,930 --> 00:53:07,500

taking place how we're being manipulated

1223

00:53:10,750 --> 00:53:08,940

through

1224

00:53:14,390 --> 00:53:10,760

an Insidious

1225

00:53:17,990 --> 00:53:14,400

illegal plan of operation

1226
00:53:21,770 --> 00:53:18,000
people like David grush

1227
00:53:24,650 --> 00:53:21,780
Eric Hecker and the other

1228
00:53:28,730 --> 00:53:24,660
government whistleblowers involved in

1229
00:53:29,870 --> 00:53:28,740
pulling back the veil of secrecy are to

1230
00:53:32,450 --> 00:53:29,880
be commended

1231
00:53:35,690 --> 00:53:32,460
for more mind-blowing content please

1232
00:53:36,370 --> 00:53:35,700
visit hero paranormal on patreon or go

1233
00:53:47,870 --> 00:53:36,380
to

1234
00:53:53,980 --> 00:53:47,880
take a look around

1235
00:54:06,410 --> 00:54:02,470
[Music]

1236
00:54:19,850 --> 00:54:06,420
come Blast Off In My Time Machine sir I

1237
00:54:22,700 --> 00:54:21,589
[Music]
