

VEGAS ALIENS

& LAB GROWN MEAT

1
00:00:06,530 --> 00:00:04,010
Lots going on with information about the

2
00:00:08,690 --> 00:00:06,540
possible psyop with the submersible I

3
00:00:10,370 --> 00:00:08,700
did a previous episode on this on the

4
00:00:12,950 --> 00:00:10,380
podcast please listen to it to fill in

5
00:00:16,250 --> 00:00:12,960
the blanks and lots going on with the

6
00:00:18,950 --> 00:00:16,260
Las Vegas Alien Encounter if you have

7
00:00:21,470 --> 00:00:18,960
not been to heroparanormal.com please go

8
00:00:23,210 --> 00:00:21,480
there you're able to get all of the

9
00:00:26,330 --> 00:00:23,220
content behind the paywall for the price

10
00:00:28,730 --> 00:00:26,340
of a boutique cup of coffee a month you

11
00:00:30,950 --> 00:00:28,740
can also access all that content if you

12
00:00:34,010 --> 00:00:30,960
go to patreon and search for hero

13
00:00:37,030 --> 00:00:34,020

paranormal also please like share and

14

00:00:39,770 --> 00:00:37,040

subscribe to the podcast on YouTube

15

00:00:42,470 --> 00:00:39,780

unfortunately there is an algorithm of

16

00:00:45,310 --> 00:00:42,480

control the shadow ban is real and it's

17

00:00:48,110 --> 00:00:45,320

the only way that my podcast can get out

18

00:00:50,029 --> 00:00:48,120

I will most likely never be monetized

19

00:00:52,069 --> 00:00:50,039

due to a variety of reasons but it would

20

00:00:54,529 --> 00:00:52,079

be a big favor to me if you like share

21

00:00:55,430 --> 00:00:54,539

and subscribe to Hero paranormal on

22

00:00:57,770 --> 00:00:55,440

YouTube

23

00:01:04,640 --> 00:00:57,780

so let's not mince words let's not waste

24

00:01:04,650 --> 00:01:11,090

[Music]

25

00:01:11,100 --> 00:01:15,190

foreign

26

00:01:37,030 --> 00:01:27,820

[Music]

27

00:01:45,530 --> 00:01:40,810

okay what's the psyop with a submersible

28

00:01:48,050 --> 00:01:45,540

and uh it has to do with lab grown meat

29

00:01:50,990 --> 00:01:48,060

yeah we we don't like that stuff too

30

00:01:52,910 --> 00:01:51,000

much and uh it'd be sure nice to know if

31

00:01:53,990 --> 00:01:52,920

you were eating it wouldn't it

32

00:01:56,990 --> 00:01:54,000

well

33

00:01:59,569 --> 00:01:57,000

the FDA approved

34

00:02:01,609 --> 00:01:59,579

lab-grown meat

35

00:02:04,550 --> 00:02:01,619

six days ago

36

00:02:07,609 --> 00:02:04,560

seven days ago in restaurants from what

37

00:02:10,190 --> 00:02:07,619

I understand they approved a first ever

38

00:02:13,550 --> 00:02:10,200

sell cultivated meat

39

00:02:15,410 --> 00:02:13,560

for two American manufacturers one of

40

00:02:18,650 --> 00:02:15,420

them is called upside

41

00:02:24,369 --> 00:02:18,660

which will cultivate and sell chicken

42

00:02:30,410 --> 00:02:27,650

now the uh

43

00:02:34,309 --> 00:02:30,420

the other

44

00:02:37,130 --> 00:02:34,319

company is known as good meat

45

00:02:40,910 --> 00:02:37,140

both companies make

46

00:02:42,710 --> 00:02:40,920

lab created meat products and they've

47

00:02:44,809 --> 00:02:42,720

gotten approval

48

00:02:48,890 --> 00:02:44,819

from the FDA

49

00:02:50,270 --> 00:02:48,900

to start not only selling but

50

00:02:54,050 --> 00:02:50,280

Distributing

51
00:02:56,390 --> 00:02:54,060
and of course making these products

52
00:02:58,070 --> 00:02:56,400
why is this so important well it

53
00:02:59,630 --> 00:02:58,080
happened right around the same time as

54
00:03:02,150 --> 00:02:59,640
the submersible

55
00:03:04,309 --> 00:03:02,160
and when it comes to lab grown meat

56
00:03:07,490 --> 00:03:04,319
which may already be on the market

57
00:03:10,490 --> 00:03:07,500
people for years have maintained that

58
00:03:12,350 --> 00:03:10,500
Kentucky Fried Chicken is not chicken

59
00:03:14,089 --> 00:03:12,360
anymore and that's why they changed

60
00:03:17,210 --> 00:03:14,099
their name from Kentucky Fried Chicken

61
00:03:21,710 --> 00:03:17,220
to KFC

62
00:03:22,729 --> 00:03:21,720
chicken is no longer in the name then

63
00:03:25,729 --> 00:03:22,739

it's

64

00:03:29,570 --> 00:03:25,739

no longer possibly what you're selling

65

00:03:32,330 --> 00:03:29,580

Paving the way for these other companies

66

00:03:35,030 --> 00:03:32,340

to come through and do the same now as

67

00:03:42,050 --> 00:03:37,210

there is no need

68

00:03:45,530 --> 00:03:42,060

for these companies to tell anyone

69

00:03:47,930 --> 00:03:45,540

that it is lab created meat

70

00:03:50,149 --> 00:03:47,940

I find this fascinating

71

00:03:52,970 --> 00:03:50,159

because

72

00:03:55,009 --> 00:03:52,980

as consumers

73

00:03:57,710 --> 00:03:55,019

we should be able to know what we are

74

00:04:01,850 --> 00:03:59,869

and we don't

75

00:04:03,589 --> 00:04:01,860

the U.S department of Agriculture and

76
00:04:05,809 --> 00:04:03,599
Food and Drug Administration have given

77
00:04:09,289 --> 00:04:05,819
green lights

78
00:04:12,410 --> 00:04:09,299
and the meat is Created from live stem

79
00:04:13,970 --> 00:04:12,420
cells taken from the muscle and skin of

80
00:04:16,189 --> 00:04:13,980
real live animals

81
00:04:19,310 --> 00:04:16,199
which are then cultivated in a

82
00:04:22,189 --> 00:04:19,320
bioreactor a process which emulates

83
00:04:23,810 --> 00:04:22,199
conditions in an animal's body and feeds

84
00:04:26,629 --> 00:04:23,820
the cell nutrients

85
00:04:30,530 --> 00:04:26,639
so that the substance can quote unquote

86
00:04:36,110 --> 00:04:32,990
now

87
00:04:38,150 --> 00:04:36,120
I it's pretty gross when you actually

88
00:04:40,370 --> 00:04:38,160

watch how it's done

89

00:04:42,290 --> 00:04:40,380

it's pretty disgusting

90

00:04:44,689 --> 00:04:42,300

and

91

00:04:47,450 --> 00:04:44,699

it's going to be expensive

92

00:04:50,689 --> 00:04:47,460

a pound of cell cultured meat would cost

93

00:04:53,629 --> 00:04:50,699

possibly around 17 dollars

94

00:04:55,310 --> 00:04:53,639

and I'm not sure how they plan on

95

00:04:57,170 --> 00:04:55,320

selling this

96

00:04:59,270 --> 00:04:57,180

but it seems that nutritional

97

00:05:03,050 --> 00:04:59,280

information

98

00:05:04,370 --> 00:05:03,060

is not readily available on lab-grown

99

00:05:08,150 --> 00:05:04,380

meat

100

00:05:10,189 --> 00:05:08,160

we just don't know exactly you know what

101
00:05:12,530 --> 00:05:10,199
this will do to people who eat it

102
00:05:14,930 --> 00:05:12,540
there's no data

103
00:05:17,450 --> 00:05:14,940
and by these standards

104
00:05:19,550 --> 00:05:17,460
you know maybe it's even better to eat

105
00:05:21,770 --> 00:05:19,560
fast food than some of this stuff

106
00:05:23,629 --> 00:05:21,780
because

107
00:05:26,870 --> 00:05:23,639
we don't know what we're eating

108
00:05:29,450 --> 00:05:26,880
it's just it's just sad so it's a

109
00:05:31,550 --> 00:05:29,460
possibility that there was more media

110
00:05:34,070 --> 00:05:31,560
attention placed on the unfortunate

111
00:05:36,890 --> 00:05:34,080
submersible event

112
00:05:40,670 --> 00:05:36,900
that submarine that went down where five

113
00:05:42,890 --> 00:05:40,680

people paid 250 thousand dollars each to

114

00:05:44,570 --> 00:05:42,900

look at the Titanic through a small

115

00:05:47,990 --> 00:05:44,580

porthole

116

00:05:51,050 --> 00:05:48,000

it's very likely that a little extra

117

00:05:52,189 --> 00:05:51,060

media attention might have gone a long

118

00:05:53,810 --> 00:05:52,199

way

119

00:06:00,409 --> 00:05:53,820

and

120

00:06:03,950 --> 00:06:00,419

submarine going down

121

00:06:06,110 --> 00:06:03,960

many have come forward trying to poke

122

00:06:09,529 --> 00:06:06,120

holes no pun intended

123

00:06:12,590 --> 00:06:09,539

in the submarine owners

124

00:06:15,529 --> 00:06:12,600

finances and bizarre

125

00:06:16,790 --> 00:06:15,539

claims are being made that he bragged

126

00:06:21,409 --> 00:06:16,800

about using

127

00:06:23,990 --> 00:06:21,419

carbon fiber which was not the best

128

00:06:25,930 --> 00:06:24,000

product to use on parts of the submarine

129

00:06:30,170 --> 00:06:25,940

and that it may in fact have been used

130

00:06:32,029 --> 00:06:30,180

stress tested and not passed

131

00:06:33,290 --> 00:06:32,039

whether or not this is true I don't

132

00:06:36,290 --> 00:06:33,300

think the answer is going to be found

133

00:06:40,129 --> 00:06:36,300

outside of a court of law

134

00:06:42,290 --> 00:06:40,139

but the gentleman was definitely someone

135

00:06:44,450 --> 00:06:42,300

with money so of course

136

00:06:47,870 --> 00:06:44,460

many have their hands out already the

137

00:06:50,210 --> 00:06:47,880

lawsuits will surely ensue

138

00:06:52,730 --> 00:06:50,220

as is usually the case here in the

139

00:06:54,290 --> 00:06:52,740

United States of America where lawsuits

140

00:06:55,790 --> 00:06:54,300

are the way to go

141

00:06:57,710 --> 00:06:55,800

I mean why not

142

00:06:59,749 --> 00:06:57,720

it'll cover uh

143

00:07:02,330 --> 00:06:59,759

cover not having to work right that's

144

00:07:03,950 --> 00:07:02,340

what most people want so

145

00:07:07,730 --> 00:07:03,960

or work less

146

00:07:11,230 --> 00:07:07,740

in fact one Furious family

147

00:07:14,390 --> 00:07:11,240

of one of the people on the Titan sub

148

00:07:17,150 --> 00:07:14,400

Unleashed a ton of outrage

149

00:07:19,370 --> 00:07:17,160

the family of British billionaire Hamish

150

00:07:20,150 --> 00:07:19,380

Harding one of the five missing above

151

00:07:22,089 --> 00:07:20,160

the

152

00:07:24,890 --> 00:07:22,099

Titan submersible

153

00:07:28,249 --> 00:07:24,900

slammed Ocean Gate Expeditions for

154

00:07:30,409 --> 00:07:28,259

allegedly delaying for eight hours to

155

00:07:32,689 --> 00:07:30,419

report that the vessel was missing

156

00:07:34,430 --> 00:07:32,699

this of course goes hand in hand with

157

00:07:36,589 --> 00:07:34,440

upcoming lawsuits

158

00:07:38,330 --> 00:07:36,599

Kathleen kosnet a cousin of the world

159

00:07:40,670 --> 00:07:38,340

Explorer said that the private company

160

00:07:42,409 --> 00:07:40,680

took its time to contact officials after

161

00:07:45,290 --> 00:07:42,419

Titan vanished

162

00:07:48,710 --> 00:07:45,300

less than two hours into its descent

163

00:07:51,529 --> 00:07:48,720

towards the Titanic shipwreck

164

00:07:53,210 --> 00:07:51,539

now the outrage comes from reports that

165

00:07:55,430 --> 00:07:53,220

Ocean Gate did not reach out for

166

00:07:57,529 --> 00:07:55,440

emergency help until Sunday evening

167

00:08:01,430 --> 00:07:57,539

eight hours after the submersible

168

00:08:03,290 --> 00:08:01,440

disappeared 900 miles east of Cape Cod

169

00:08:04,909 --> 00:08:03,300

Coast Guard officials confirmed that

170

00:08:06,230 --> 00:08:04,919

they received word about the incident

171

00:08:08,870 --> 00:08:06,240

Sunday night

172

00:08:11,749 --> 00:08:08,880

after Ocean Gate conducted its own short

173

00:08:15,110 --> 00:08:11,759

search but authorities did not specify

174

00:08:17,450 --> 00:08:15,120

how much time had elapsed since the

175

00:08:20,330 --> 00:08:17,460

disappearing

176

00:08:23,930 --> 00:08:20,340

and for those unfamiliar with all of the

177

00:08:26,330 --> 00:08:23,940

symbolism the esoteric symbolism The

178

00:08:27,529 --> 00:08:26,340

Coincidence of it taking place over the

179

00:08:31,550 --> 00:08:27,539

solstice

180

00:08:34,250 --> 00:08:31,560

uh the names of the people on board the

181

00:08:36,949 --> 00:08:34,260

name of the actual

182

00:08:41,930 --> 00:08:36,959

submersible and how it relates to the

183

00:08:45,590 --> 00:08:41,940

Titanic and of course the Strange Case

184

00:08:49,970 --> 00:08:45,600

of multiple synchronistic coincidences

185

00:08:52,070 --> 00:08:49,980

present all at once

186

00:08:54,829 --> 00:08:52,080

leading many to believe this may have

187

00:08:56,570 --> 00:08:54,839

been a psychological operation I really

188

00:08:58,490 --> 00:08:56,580

want to go into all the ins and outs of

189

00:09:01,670 --> 00:08:58,500

this but I already did so on a previous

190

00:09:03,410 --> 00:09:01,680

podcast so if you can please listen to

191

00:09:08,210 --> 00:09:03,420

that previous podcast then it will

192

00:09:10,970 --> 00:09:08,220

explain with extreme detail why many

193

00:09:13,550 --> 00:09:10,980

conspiracy theorists believe there is

194

00:09:15,530 --> 00:09:13,560

more to this submersible going down than

195

00:09:19,310 --> 00:09:15,540

meets VI

196

00:09:21,050 --> 00:09:19,320

moving forward there have been a lot and

197

00:09:25,190 --> 00:09:21,060

I mean a lot

198

00:09:27,590 --> 00:09:25,200

of updates regarding the Alien Encounter

199

00:09:29,570 --> 00:09:27,600

in Las Vegas

200

00:09:30,710 --> 00:09:29,580

for those who are unaware of what took

201
00:09:33,769 --> 00:09:30,720
place

202
00:09:35,990 --> 00:09:33,779
there was an hour known as uh well it's

203
00:09:39,590 --> 00:09:36,000
basically the witching hour

204
00:09:39,600 --> 00:09:42,949
to May 1st

205
00:09:47,690 --> 00:09:45,829
Mayday or Beltane

206
00:09:49,850 --> 00:09:47,700
a time which historically and

207
00:09:51,410 --> 00:09:49,860
esoterically has been

208
00:09:54,710 --> 00:09:51,420
the time

209
00:09:57,290 --> 00:09:54,720
when witches and demonic entities make

210
00:10:00,410 --> 00:09:57,300
themselves visible

211
00:10:01,970 --> 00:10:00,420
this particular event took place exactly

212
00:10:04,550 --> 00:10:01,980
at that time

213
00:10:06,530 --> 00:10:04,560

this will become important later on I

214

00:10:08,810 --> 00:10:06,540

know it's a little weird but this hour

215

00:10:11,090 --> 00:10:08,820

and the time prior to this hour

216

00:10:14,030 --> 00:10:11,100

historically has been known as walpurgis

217

00:10:16,490 --> 00:10:14,040

night there was a saint while perga who

218

00:10:20,090 --> 00:10:16,500

was known for being able to protect the

219

00:10:23,269 --> 00:10:20,100

citizenry from these demonic forces and

220

00:10:27,350 --> 00:10:23,279

it got that name because Beltane which

221

00:10:30,290 --> 00:10:27,360

is May 1st or May Day is one of the

222

00:10:33,230 --> 00:10:30,300

special religious days of the elite

223

00:10:35,389 --> 00:10:33,240

especially those who believe in many of

224

00:10:37,910 --> 00:10:35,399

these ancient rites

225

00:10:39,889 --> 00:10:37,920

we'll get to that this this will all

226

00:10:42,829 --> 00:10:39,899

make sense so it's important to get this

227

00:10:45,590 --> 00:10:42,839

weirdness out of the way

228

00:10:48,230 --> 00:10:45,600

so this family

229

00:10:51,230 --> 00:10:48,240

had a couple members in the backyard a

230

00:10:54,590 --> 00:10:51,240

large backyard which is used to house a

231

00:10:56,509 --> 00:10:54,600

lot of machinery and other items and a

232

00:10:58,670 --> 00:10:56,519

couple of members younger members of the

233

00:11:00,710 --> 00:10:58,680

family one was named Angel and his

234

00:11:04,490 --> 00:11:00,720

brother apparently were in the backyard

235

00:11:08,090 --> 00:11:04,500

or at least got eyes on what appeared to

236

00:11:10,790 --> 00:11:08,100

be a craft Landing in the backyard and

237

00:11:13,310 --> 00:11:10,800

two large eight to ten foot tall alien

238

00:11:14,810 --> 00:11:13,320

looking creatures wandering around the

239

00:11:17,690 --> 00:11:14,820

backyard

240

00:11:20,150 --> 00:11:17,700

now for the updates and some of the

241

00:11:23,630 --> 00:11:20,160

details because let's get real the devil

242

00:11:25,430 --> 00:11:23,640

is in the details here they come

243

00:11:27,769 --> 00:11:25,440

what we know for sure

244

00:11:29,930 --> 00:11:27,779

something went down police body cams

245

00:11:33,710 --> 00:11:29,940

caught it on camera

246

00:11:37,009 --> 00:11:33,720

it has been rumored that it was just a

247

00:11:40,009 --> 00:11:37,019

meteor by many however that may be a a

248

00:11:43,910 --> 00:11:40,019

cover I'm not entirely sure

249

00:11:46,790 --> 00:11:43,920

many people saw it and apparently this

250

00:11:47,990 --> 00:11:46,800

family believes this object landed in

251
00:11:50,329 --> 00:11:48,000
their backyard

252
00:11:51,530 --> 00:11:50,339
so Angel and his brother godai is on

253
00:11:54,710 --> 00:11:51,540
these things

254
00:11:57,590 --> 00:11:54,720
claim they were eight to ten feet tall

255
00:12:00,170 --> 00:11:57,600
and that the moment they started to look

256
00:12:01,970 --> 00:12:00,180
at and walk towards the craft

257
00:12:04,310 --> 00:12:01,980
they

258
00:12:06,949 --> 00:12:04,320
encountered what can only be described

259
00:12:09,230 --> 00:12:06,959
as cloaking they couldn't really there

260
00:12:11,750 --> 00:12:09,240
was a blurriness about the vehicle

261
00:12:13,670 --> 00:12:11,760
and they couldn't really see things

262
00:12:15,290 --> 00:12:13,680
in Tip Top

263
00:12:18,170 --> 00:12:15,300

form

264

00:12:20,569 --> 00:12:18,180

interestingly he also mentions

265

00:12:23,569 --> 00:12:20,579

that time seemed to slow down they were

266

00:12:25,250 --> 00:12:23,579

slowly you know held in place a little

267

00:12:27,530 --> 00:12:25,260

bit like uh

268

00:12:29,630 --> 00:12:27,540

molasses parallelization these are my

269

00:12:32,210 --> 00:12:29,640

own words not his but yeah

270

00:12:34,730 --> 00:12:32,220

that there was a bit of that effect we

271

00:12:36,590 --> 00:12:34,740

hear that often with other encounters

272

00:12:39,290 --> 00:12:36,600

involving

273

00:12:41,509 --> 00:12:39,300

non-human intelligences so

274

00:12:43,430 --> 00:12:41,519

this is not a shocker

275

00:12:46,850 --> 00:12:43,440

moving forward

276

00:12:48,710 --> 00:12:46,860

this is something that has been known to

277

00:12:51,590 --> 00:12:48,720

take place and there is science behind

278

00:12:53,269 --> 00:12:51,600

it there is something called uh negative

279

00:12:55,970 --> 00:12:53,279

Mass tomography

280

00:12:58,730 --> 00:12:55,980

among other Sciences which could explain

281

00:13:00,650 --> 00:12:58,740

how some of these things can take place

282

00:13:03,290 --> 00:13:00,660

especially if it was a reverse

283

00:13:04,190 --> 00:13:03,300

engineered craft or quote unquote one of

284

00:13:06,590 --> 00:13:04,200

ours

285

00:13:10,250 --> 00:13:06,600

and that brings me to the next very

286

00:13:11,629 --> 00:13:10,260

important subject matter which is many

287

00:13:13,250 --> 00:13:11,639

in the field

288

00:13:16,009 --> 00:13:13,260

have

289

00:13:18,290 --> 00:13:16,019

argued back and forth is it one of ours

290

00:13:21,470 --> 00:13:18,300

or is it one of quote unquote theirs

291

00:13:22,730 --> 00:13:21,480

meaning non-human intelligence

292

00:13:25,490 --> 00:13:22,740

well

293

00:13:27,949 --> 00:13:25,500

something people have really not wrapped

294

00:13:32,210 --> 00:13:27,959

their head around is that it may be

295

00:13:34,970 --> 00:13:32,220

a joint operation and I'll get to that

296

00:13:38,509 --> 00:13:34,980

so we have the craft landing purported

297

00:13:40,670 --> 00:13:38,519

craft we have the two entities in the

298

00:13:43,250 --> 00:13:40,680

backyard Angel and his brother see them

299

00:13:45,290 --> 00:13:43,260

there has been some footage released I

300

00:13:46,129 --> 00:13:45,300

recently released the clearest footage

301
00:13:50,870 --> 00:13:46,139
yet

302
00:13:53,690 --> 00:13:50,880
which was found online it's in 1080. why

303
00:13:54,829 --> 00:13:53,700
there's so much blurry footage on other

304
00:13:57,350 --> 00:13:54,839
sites

305
00:13:59,690 --> 00:13:57,360
it you know in my opinion it's actually

306
00:14:01,129 --> 00:13:59,700
to steer the direction and narrative in

307
00:14:02,389 --> 00:14:01,139
ways that

308
00:14:05,870 --> 00:14:02,399
they

309
00:14:07,970 --> 00:14:05,880
shouldn't be steered uh the blurry or

310
00:14:10,310 --> 00:14:07,980
the footage the more interpretation can

311
00:14:13,910 --> 00:14:10,320
take place the more it spread far and

312
00:14:15,889 --> 00:14:13,920
wide the more crazy theories come about

313
00:14:17,750 --> 00:14:15,899

but if you stick to the clear footage

314

00:14:18,889 --> 00:14:17,760

and analyze what's actually taking place

315

00:14:21,230 --> 00:14:18,899

a lot of people say they don't see

316

00:14:23,990 --> 00:14:21,240

anything however there are some telltale

317

00:14:26,629 --> 00:14:24,000

signs of high strangeness

318

00:14:29,389 --> 00:14:26,639

the family

319

00:14:32,509 --> 00:14:29,399

especially the men which many of them

320

00:14:36,050 --> 00:14:32,519

are armed which they tend to have each

321

00:14:38,030 --> 00:14:36,060

other's backs and decided to go into the

322

00:14:40,490 --> 00:14:38,040

backyard to uh

323

00:14:42,350 --> 00:14:40,500

get a good look at whatever these

324

00:14:44,810 --> 00:14:42,360

entities were

325

00:14:47,449 --> 00:14:44,820

in the footage that has been released

326

00:14:48,949 --> 00:14:47,459

it's obvious they are very scared very

327

00:14:51,350 --> 00:14:48,959

frightened and these are full-grown men

328

00:14:52,430 --> 00:14:51,360

very apt some young some a little bit

329

00:14:55,129 --> 00:14:52,440

older but

330

00:14:57,710 --> 00:14:55,139

you know for to see men who are armed

331

00:15:00,350 --> 00:14:57,720

get scared like that that goes that goes

332

00:15:03,290 --> 00:15:00,360

a long ways for me that that paints a

333

00:15:04,490 --> 00:15:03,300

picture that is important

334

00:15:07,009 --> 00:15:04,500

now

335

00:15:10,430 --> 00:15:07,019

the psychological operation aspect of

336

00:15:11,990 --> 00:15:10,440

this has gone far and wide

337

00:15:14,150 --> 00:15:12,000

because

338

00:15:17,030 --> 00:15:14,160

although this took place on the night of

339

00:15:19,670 --> 00:15:17,040

April 30th into May 1st

340

00:15:23,210 --> 00:15:19,680

this was not released for almost 28 Days

341

00:15:25,870 --> 00:15:23,220

Later which as we all know 28 days seems

342

00:15:29,810 --> 00:15:25,880

to be the agreed upon amount of time

343

00:15:32,629 --> 00:15:29,820

that it takes for something to clean

344

00:15:34,910 --> 00:15:32,639

itself up get better on its own the

345

00:15:37,910 --> 00:15:34,920

removal of evidence

346

00:15:41,210 --> 00:15:37,920

whatever you want to call it most

347

00:15:43,550 --> 00:15:41,220

28 days is well known as

348

00:15:46,910 --> 00:15:43,560

a good period of time

349

00:15:49,310 --> 00:15:46,920

to wipe the Slate clean and start over

350

00:15:52,790 --> 00:15:49,320

this particular story was not released

351
00:15:55,250 --> 00:15:52,800
by The mainstream media 4 roughly 28

352
00:15:59,569 --> 00:15:57,290
therefore

353
00:16:02,990 --> 00:15:59,579
it's more difficult to follow

354
00:16:06,889 --> 00:16:03,000
more importantly it was released at the

355
00:16:09,410 --> 00:16:06,899
same time that disclosure whistleblowers

356
00:16:11,290 --> 00:16:09,420
in Washington DC were testifying to

357
00:16:14,509 --> 00:16:11,300
Congress

358
00:16:17,629 --> 00:16:14,519
and this was a big deal because this was

359
00:16:20,509 --> 00:16:17,639
expecting to get the Lions share of

360
00:16:22,490 --> 00:16:20,519
media attention of which it got none

361
00:16:26,329 --> 00:16:22,500
of which it got none

362
00:16:28,910 --> 00:16:26,339
Instead This Las Vegas Alien Encounter

363
00:16:31,910 --> 00:16:28,920

seemed to soak up all of the media

364

00:16:34,310 --> 00:16:31,920

attention distract away from government

365

00:16:36,430 --> 00:16:34,320

and corporate whistleblowers talking

366

00:16:40,550 --> 00:16:36,440

about extraterrestrial

367

00:16:43,430 --> 00:16:40,560

non-human intelligence craft and reverse

368

00:16:46,610 --> 00:16:43,440

engineered objects possibly propulsion

369

00:16:50,030 --> 00:16:46,620

systems that are maintained by U.S

370

00:16:53,749 --> 00:16:50,040

military contractors and the likelihood

371

00:16:57,110 --> 00:16:53,759

that military contractors also currently

372

00:17:00,290 --> 00:16:57,120

have these craft in their possession up

373

00:17:02,449 --> 00:17:00,300

to 12 from my understanding all very

374

00:17:05,270 --> 00:17:02,459

important stuff some of this was

375

00:17:08,940 --> 00:17:05,280

done publicly much of it was done behind

376

00:17:10,730 --> 00:17:08,950

closed doors in a more secretive sense

377

00:17:15,110 --> 00:17:10,740

[Music]

378

00:17:18,230 --> 00:17:15,120

but we have a bait and switch scenario a

379

00:17:21,049 --> 00:17:18,240

big distraction taking away from these

380

00:17:24,890 --> 00:17:21,059

whistleblowers who are putting it out

381

00:17:26,870 --> 00:17:24,900

all all out on the line and uh talking

382

00:17:29,150 --> 00:17:26,880

about things that

383

00:17:31,490 --> 00:17:29,160

they previously were not allowed to talk

384

00:17:33,970 --> 00:17:31,500

about due to non-disclosure agreements

385

00:17:36,770 --> 00:17:33,980

and many other

386

00:17:39,169 --> 00:17:36,780

characteristics that involved their

387

00:17:43,430 --> 00:17:39,179

occupations

388

00:17:45,770 --> 00:17:43,440

so huge media distraction if in fact it

389

00:17:47,090 --> 00:17:45,780

is a psychological operation to distract

390

00:17:49,490 --> 00:17:47,100

from

391

00:17:51,350 --> 00:17:49,500

this other scenario

392

00:17:54,590 --> 00:17:51,360

in which case it would

393

00:17:56,270 --> 00:17:54,600

be more understandable why

394

00:17:59,630 --> 00:17:56,280

so much time

395

00:18:03,289 --> 00:17:59,640

lapsed between the actual event

396

00:18:04,909 --> 00:18:03,299

and when this came out in the media

397

00:18:07,370 --> 00:18:04,919

back to the event

398

00:18:09,529 --> 00:18:07,380

the family called the police 9-1-1 there

399

00:18:11,690 --> 00:18:09,539

was a hectic 9-1-1 call

400

00:18:13,370 --> 00:18:11,700

and it is all over the internet if you

401
00:18:15,409 --> 00:18:13,380
want to hear it Angel is the one

402
00:18:19,610 --> 00:18:15,419
Speaking over the phone

403
00:18:22,490 --> 00:18:19,620
he describes the entities very well

404
00:18:24,950 --> 00:18:22,500
police show up

405
00:18:26,930 --> 00:18:24,960
close to 38 minutes later

406
00:18:29,990 --> 00:18:26,940
they had very verified the body cam

407
00:18:33,830 --> 00:18:30,000
footage which also showed this bluish

408
00:18:37,270 --> 00:18:33,840
white object falling from the sky

409
00:18:40,370 --> 00:18:37,280
and they kind of already had their hairs

410
00:18:42,529 --> 00:18:40,380
on their neck up and

411
00:18:44,930 --> 00:18:42,539
they were up in a bunch let's just say

412
00:18:46,669 --> 00:18:44,940
and a little bit on edge

413
00:18:49,130 --> 00:18:46,679

they were a little bit on edge going

414

00:18:52,610 --> 00:18:49,140

into that backyard now one of the

415

00:18:55,430 --> 00:18:52,620

officers went into the the backyard the

416

00:18:57,950 --> 00:18:55,440

other officer went around and talked to

417

00:18:59,570 --> 00:18:57,960

other people in the area neighbors and

418

00:19:01,370 --> 00:18:59,580

the like

419

00:19:02,870 --> 00:19:01,380

I'm not sure the protocol of that some

420

00:19:05,870 --> 00:19:02,880

have said that

421

00:19:09,110 --> 00:19:05,880

is not the norm

422

00:19:11,630 --> 00:19:09,120

when the officer went in the backyard he

423

00:19:12,770 --> 00:19:11,640

turned off his body cam

424

00:19:15,110 --> 00:19:12,780

footage

425

00:19:16,549 --> 00:19:15,120

and claimed that that was for the

426

00:19:19,070 --> 00:19:16,559

privacy of the family

427

00:19:21,110 --> 00:19:19,080

now we've all watched cops we've all

428

00:19:22,909 --> 00:19:21,120

seen them kick down fences kick down

429

00:19:24,710 --> 00:19:22,919

doors go through people's homes with

430

00:19:28,549 --> 00:19:24,720

Reckless abandon

431

00:19:30,110 --> 00:19:28,559

I'm not sure if privacy was actually the

432

00:19:33,890 --> 00:19:30,120

fundamental reason

433

00:19:35,330 --> 00:19:33,900

that that body camera was turned off

434

00:19:38,090 --> 00:19:35,340

what I do know

435

00:19:40,549 --> 00:19:38,100

phone calls were made after this 9-1-1

436

00:19:41,870 --> 00:19:40,559

call and one of those phone calls was to

437

00:19:44,090 --> 00:19:41,880

Nellis

438

00:19:46,490 --> 00:19:44,100

the military base of which they claimed

439

00:19:47,870 --> 00:19:46,500

they had no idea and had no knowledge of

440

00:19:50,570 --> 00:19:47,880

the object

441

00:19:54,130 --> 00:19:50,580

it is alleged that other calls left

442

00:19:57,289 --> 00:19:54,140

Nellis and went to other Military

443

00:20:00,770 --> 00:19:57,299

Intelligence operations of which I

444

00:20:03,230 --> 00:20:00,780

cannot comment what I can comment on is

445

00:20:06,350 --> 00:20:03,240

that sources have clarified that there

446

00:20:09,650 --> 00:20:06,360

was radar Telemetry data

447

00:20:11,270 --> 00:20:09,660

which was gathered from these other

448

00:20:14,570 --> 00:20:11,280

unnamed

449

00:20:17,510 --> 00:20:14,580

parties in my opinion these sources were

450

00:20:18,830 --> 00:20:17,520

so good in fact that I ran with the

451
00:20:20,690 --> 00:20:18,840
information as well as another

452
00:20:23,690 --> 00:20:20,700
individual

453
00:20:26,450 --> 00:20:23,700
so much in fact that I got my boat out

454
00:20:29,510 --> 00:20:26,460
of the garage got it all ready

455
00:20:30,650 --> 00:20:29,520
this other person drove across state

456
00:20:33,230 --> 00:20:30,660
lines

457
00:20:35,150 --> 00:20:33,240
and we went out in the direction of the

458
00:20:38,570 --> 00:20:35,160
Telemetry data

459
00:20:40,850 --> 00:20:38,580
which was Lake Mead I won't say what two

460
00:20:42,890 --> 00:20:40,860
locations were mentioned

461
00:20:45,770 --> 00:20:42,900
however

462
00:20:48,830 --> 00:20:45,780
that will come into play because of

463
00:20:51,409 --> 00:20:48,840

interesting ancient archaeological sites

464

00:20:53,510 --> 00:20:51,419

which may be present there

465

00:20:58,190 --> 00:20:53,520

a remote viewing group

466

00:20:59,930 --> 00:20:58,200

was also asked by myself to view what

467

00:21:02,870 --> 00:20:59,940

may have taken place that night through

468

00:21:05,210 --> 00:21:02,880

controlled remote viewing

469

00:21:09,230 --> 00:21:05,220

zero front loading if you know what I'm

470

00:21:11,870 --> 00:21:09,240

talking about and just a Target sequence

471

00:21:15,710 --> 00:21:11,880

what was found by the remote viewers is

472

00:21:18,650 --> 00:21:15,720

that there was a Subterranean cave in

473

00:21:21,890 --> 00:21:18,660

Lake Mead underwater which was relevant

474

00:21:26,690 --> 00:21:23,930

I went out to Lake Mead with the boat

475

00:21:29,870 --> 00:21:26,700

spent an entire day out there

476
00:21:31,310 --> 00:21:29,880
and I did talk about this with news

477
00:21:34,730 --> 00:21:31,320
Nation

478
00:21:38,570 --> 00:21:34,740
discussing what direction the craft may

479
00:21:41,450 --> 00:21:38,580
have gone after it purportedly left the

480
00:21:44,270 --> 00:21:41,460
backyard of the family who had the Alien

481
00:21:49,190 --> 00:21:46,310
multiple Witnesses

482
00:21:52,010 --> 00:21:49,200
around Lake Mead mentioned there was

483
00:21:56,390 --> 00:21:52,020
heightened military activity along its

484
00:22:02,810 --> 00:21:59,330
that much of the evening

485
00:22:06,230 --> 00:22:02,820
military vehicles seem to be looking for

486
00:22:11,810 --> 00:22:08,930
getting back to what was found by myself

487
00:22:13,850 --> 00:22:11,820
and another researcher at Lake Mead as I

488
00:22:17,210 --> 00:22:13,860

said we spent the entire day out there

489

00:22:18,830 --> 00:22:17,220

we went to the two locations which we

490

00:22:21,169 --> 00:22:18,840

were told to track

491

00:22:24,350 --> 00:22:21,179

and we found some things we did find

492

00:22:26,750 --> 00:22:24,360

some things and to be honest nothing out

493

00:22:28,669 --> 00:22:26,760

of the extremely you know mind-blowing

494

00:22:31,190 --> 00:22:28,679

Smoking Gun out of the ordinary we saw

495

00:22:33,770 --> 00:22:31,200

we saw some things though

496

00:22:35,570 --> 00:22:33,780

keep in mind a lot of time has passed

497

00:22:36,649 --> 00:22:35,580

I won't comment on everything we saw

498

00:22:42,289 --> 00:22:36,659

however

499

00:22:46,490 --> 00:22:44,750

when the Army Corps of Engineers built

500

00:22:49,430 --> 00:22:46,500

Lake Mead

501
00:22:53,570 --> 00:22:49,440
there were rumors of an ancient

502
00:22:57,230 --> 00:22:53,580
civilization or city or relics of uh

503
00:22:59,510 --> 00:22:57,240
ancient culture down in the canyon that

504
00:23:01,610 --> 00:22:59,520
was to be filled with the water

505
00:23:04,430 --> 00:23:01,620
I can attest

506
00:23:07,010 --> 00:23:04,440
that looking into this

507
00:23:10,130 --> 00:23:07,020
it appears there is something to it

508
00:23:13,190 --> 00:23:10,140
getting back to the family there is also

509
00:23:16,970 --> 00:23:13,200
a rumor and I can't verify it I can't

510
00:23:19,130 --> 00:23:16,980
verify the exact information yet that

511
00:23:21,590 --> 00:23:19,140
the family's phones were tapped by

512
00:23:23,570 --> 00:23:21,600
federal agents the reason and again I

513
00:23:24,950 --> 00:23:23,580

cannot verify the validity of all of

514

00:23:27,049 --> 00:23:24,960

these aspects

515

00:23:29,390 --> 00:23:27,059

but to give a little background the

516

00:23:31,310 --> 00:23:29,400

reason the family's phones may have been

517

00:23:33,350 --> 00:23:31,320

tapped is because

518

00:23:36,529 --> 00:23:33,360

information

519

00:23:38,570 --> 00:23:36,539

lends itself that the goal in this

520

00:23:40,730 --> 00:23:38,580

purported project is to create an

521

00:23:43,070 --> 00:23:40,740

organization called the quote-unquote

522

00:23:45,710 --> 00:23:43,080

special studies group

523

00:23:48,110 --> 00:23:45,720

an overt agency responsible for the

524

00:23:50,630 --> 00:23:48,120

recruitment of certain scientists

525

00:23:52,850 --> 00:23:50,640

to assist the Institute

526
00:23:54,890 --> 00:23:52,860
for advanced study in research and

527
00:23:56,149 --> 00:23:54,900
development of advanced propulsion

528
00:23:58,610 --> 00:23:56,159
technology

529
00:24:01,190 --> 00:23:58,620
so basically this would become a matter

530
00:24:03,770 --> 00:24:01,200
of National Security really quick

531
00:24:07,250 --> 00:24:03,780
and we have already gained information

532
00:24:09,350 --> 00:24:07,260
that it is a matter of National Security

533
00:24:12,529 --> 00:24:09,360
in fact

534
00:24:14,090 --> 00:24:12,539
officer Sasha Larkin of Homeland

535
00:24:16,490 --> 00:24:14,100
Security

536
00:24:18,950 --> 00:24:16,500
was involved with the case and put

537
00:24:22,669 --> 00:24:18,960
cameras which have been spoken of

538
00:24:26,270 --> 00:24:22,679

all over online on the family's house

539

00:24:30,590 --> 00:24:26,280

these were cameras to surveil not only

540

00:24:32,930 --> 00:24:30,600

the property but also they had audio and

541

00:24:35,750 --> 00:24:32,940

from what I understand these cameras

542

00:24:37,010 --> 00:24:35,760

were left up for a while then taken down

543

00:24:40,850 --> 00:24:37,020

before

544

00:24:45,230 --> 00:24:40,860

this became a mass media frenzy on the

545

00:24:48,470 --> 00:24:45,240

family so it doesn't make a lot of sense

546

00:24:50,570 --> 00:24:48,480

the reality is you would believe or I

547

00:24:51,770 --> 00:24:50,580

would believe that the cameras would be

548

00:24:55,190 --> 00:24:51,780

put up

549

00:24:57,529 --> 00:24:55,200

if the family was in danger of a lot of

550

00:25:00,049 --> 00:24:57,539

people coming over to their house the

551
00:25:03,110 --> 00:25:00,059
security of their home you know people

552
00:25:04,370 --> 00:25:03,120
uh constantly going over and bothering

553
00:25:06,470 --> 00:25:04,380
the family

554
00:25:07,850 --> 00:25:06,480
that's when the cameras should have been

555
00:25:09,590 --> 00:25:07,860
put up

556
00:25:10,789 --> 00:25:09,600
unfortunately that's not how it went

557
00:25:13,250 --> 00:25:10,799
down

558
00:25:15,529 --> 00:25:13,260
these cameras were put up after the

559
00:25:18,049 --> 00:25:15,539
incident occurred left up for a little

560
00:25:21,649 --> 00:25:18,059
while and taken down

561
00:25:23,390 --> 00:25:21,659
quite a while before this story leaked

562
00:25:25,190 --> 00:25:23,400
onto the media

563
00:25:28,430 --> 00:25:25,200

now here's what I know

564

00:25:32,450 --> 00:25:28,440

there is a detective named Mark Berry

565

00:25:36,409 --> 00:25:32,460

who is a former Las Vegas metro police

566

00:25:38,269 --> 00:25:36,419

gang unit officer great guy

567

00:25:41,570 --> 00:25:38,279

he among others

568

00:25:45,049 --> 00:25:41,580

noted that these cameras were up and

569

00:25:47,870 --> 00:25:45,059

realized that the one who put them up

570

00:25:50,149 --> 00:25:47,880

her name is Sasha Larkin who is in

571

00:25:52,010 --> 00:25:50,159

charge of the homeland security division

572

00:25:55,490 --> 00:25:52,020

of the

573

00:25:58,730 --> 00:25:55,500

Las Vegas Metro Police Department

574

00:26:02,149 --> 00:25:58,740

that this may have not been uh how do we

575

00:26:03,169 --> 00:26:02,159

put this to protocol right and Mark

576
00:26:05,630 --> 00:26:03,179
would know

577
00:26:07,549 --> 00:26:05,640
because Mark trained her

578
00:26:11,510 --> 00:26:07,559
now

579
00:26:14,390 --> 00:26:11,520
this gets extremely complex

580
00:26:17,029 --> 00:26:14,400
and I have to be very careful here

581
00:26:19,970 --> 00:26:17,039
because people's lives are at stake

582
00:26:22,250 --> 00:26:19,980
however there was some talk that she

583
00:26:25,490 --> 00:26:22,260
might be in some sort of trouble over

584
00:26:27,529 --> 00:26:25,500
this situation however due to some

585
00:26:29,409 --> 00:26:27,539
personal relationships which may come

586
00:26:32,330 --> 00:26:29,419
out it won't be out of my mouth

587
00:26:35,149 --> 00:26:32,340
that she has maintained

588
00:26:38,210 --> 00:26:35,159

that uh

589

00:26:41,210 --> 00:26:38,220

there will not be any

590

00:26:44,990 --> 00:26:41,220

kind of reprimanding or

591

00:26:47,390 --> 00:26:45,000

uh any trouble to speak of again you

592

00:26:50,090 --> 00:26:47,400

won't hear it from me but it will surely

593

00:26:52,430 --> 00:26:50,100

come out the chain of command has shown

594

00:26:54,830 --> 00:26:52,440

me my sources have shown me that this

595

00:26:57,350 --> 00:26:54,840

information will come out it's an

596

00:27:00,590 --> 00:26:57,360

unfortunate state of events and State of

597

00:27:01,970 --> 00:27:00,600

Affairs because I have uh well I just

598

00:27:04,370 --> 00:27:01,980

don't like talking badly about people

599

00:27:06,649 --> 00:27:04,380

it's gonna happen it'll come out when it

600

00:27:08,810 --> 00:27:06,659

does just know that I knew what was

601
00:27:11,090 --> 00:27:08,820
taking place at the time I just don't

602
00:27:14,269 --> 00:27:11,100
want to ruin anybody's life or have

603
00:27:16,610 --> 00:27:14,279
anything come out of my mouth which will

604
00:27:17,990 --> 00:27:16,620
detract from anybody's

605
00:27:21,230 --> 00:27:18,000
employment

606
00:27:24,110 --> 00:27:21,240
livelihood or reputation I think those

607
00:27:25,909 --> 00:27:24,120
are important things to cause no harm

608
00:27:27,409 --> 00:27:25,919
however

609
00:27:29,210 --> 00:27:27,419
back to the cameras because it really

610
00:27:31,190 --> 00:27:29,220
doesn't matter the important thing here

611
00:27:34,370 --> 00:27:31,200
is the cameras

612
00:27:37,070 --> 00:27:34,380
and the cameras may have been put up

613
00:27:37,850 --> 00:27:37,080

against protocol that's the point of my

614

00:27:41,510 --> 00:27:37,860

uh

615

00:27:43,310 --> 00:27:41,520

the the point of all of this and they

616

00:27:45,529 --> 00:27:43,320

may have been taken down

617

00:27:47,870 --> 00:27:45,539

for unknown reasons

618

00:27:48,950 --> 00:27:47,880

I've heard rumors that they were put up

619

00:27:52,130 --> 00:27:48,960

to here

620

00:27:55,250 --> 00:27:52,140

more or less in a simplified mode what

621

00:27:56,990 --> 00:27:55,260

exactly was going on you know maybe we

622

00:28:00,710 --> 00:27:57,000

catch the family talking about this

623

00:28:03,710 --> 00:28:00,720

being a big joke maybe it wasn't real I

624

00:28:06,470 --> 00:28:03,720

don't believe that was the case and

625

00:28:08,690 --> 00:28:06,480

um the cameras served their purpose

626
00:28:10,730 --> 00:28:08,700
the cameras are a big deal though and

627
00:28:12,730 --> 00:28:10,740
we'll get back to that because

628
00:28:15,409 --> 00:28:12,740
Homeland Security getting involved

629
00:28:17,149 --> 00:28:15,419
putting cameras up to quite literally

630
00:28:20,630 --> 00:28:17,159
spy on a family

631
00:28:21,710 --> 00:28:20,640
that's a big deal and you know is it

632
00:28:23,570 --> 00:28:21,720
possible that there was some

633
00:28:25,310 --> 00:28:23,580
embellishment on the story you know when

634
00:28:28,310 --> 00:28:25,320
friends come over afterwards sure that's

635
00:28:31,070 --> 00:28:28,320
human nature but the story for the most

636
00:28:33,830 --> 00:28:31,080
part never changed from all the data I

637
00:28:36,710 --> 00:28:33,840
have received never changed

638
00:28:39,230 --> 00:28:36,720

uh it's like playing a game a telephone

639

00:28:41,090 --> 00:28:39,240

it may get bigger crazier and and Wilder

640

00:28:43,669 --> 00:28:41,100

and you may be more comfortable

641

00:28:48,230 --> 00:28:43,679

talking about it as time passes however

642

00:28:55,730 --> 00:28:51,649

something the cameras did not catch

643

00:28:59,090 --> 00:28:55,740

is these strange chalk beings which

644

00:29:02,870 --> 00:28:59,100

Angel has come forward showing

645

00:29:06,649 --> 00:29:02,880

on video These are drawings that were

646

00:29:09,950 --> 00:29:06,659

drawn on the patio found

647

00:29:12,289 --> 00:29:09,960

at the home after the encounter with the

648

00:29:14,269 --> 00:29:12,299

craft and the two non-human

649

00:29:16,430 --> 00:29:14,279

intelligences or entities in the

650

00:29:20,409 --> 00:29:16,440

backyard

651
00:29:24,350 --> 00:29:20,419
what these appear to be in my opinion

652
00:29:26,269 --> 00:29:24,360
are fallen angels they have wings of

653
00:29:29,330 --> 00:29:26,279
sorts they're very crude almost

654
00:29:31,250 --> 00:29:29,340
Petroglyph style drawings

655
00:29:33,470 --> 00:29:31,260
and large

656
00:29:37,070 --> 00:29:33,480
and interesting

657
00:29:41,269 --> 00:29:37,080
and I think this may play a deeper role

658
00:29:42,950 --> 00:29:41,279
into this case as time goes by

659
00:29:46,010 --> 00:29:42,960
this is one of the main things people

660
00:29:49,190 --> 00:29:46,020
have debunked made fun of chastised the

661
00:29:53,269 --> 00:29:49,200
family over and I argue that if you were

662
00:29:55,549 --> 00:29:53,279
going to make a drawing to appear to be

663
00:29:58,130 --> 00:29:55,559

something that possibly the entities

664

00:30:00,529 --> 00:29:58,140

Drew you would do a lot better job this

665

00:30:02,510 --> 00:30:00,539

stuff looks like it was done by I I mean

666

00:30:04,789 --> 00:30:02,520

I have two toddlers it looks like it was

667

00:30:07,070 --> 00:30:04,799

done by two toddlers however

668

00:30:10,130 --> 00:30:07,080

I don't know exactly how non-human

669

00:30:14,389 --> 00:30:10,140

intelligences or entities from the

670

00:30:16,250 --> 00:30:14,399

cosmos draw so I have no place to talk

671

00:30:19,909 --> 00:30:16,260

about that I'm not a subject matter

672

00:30:22,549 --> 00:30:19,919

expert when it comes to chalk drawing by

673

00:30:24,409 --> 00:30:22,559

non-human intelligence

674

00:30:26,269 --> 00:30:24,419

I think this is something to take very

675

00:30:28,430 --> 00:30:26,279

seriously and it's something that not

676
00:30:31,250 --> 00:30:28,440
only has been swept under the rug made

677
00:30:34,970 --> 00:30:31,260
fun of the family's been chastised over

678
00:30:37,070 --> 00:30:34,980
but surely this is something

679
00:30:38,210 --> 00:30:37,080
that more attention should have been

680
00:30:40,190 --> 00:30:38,220
paid

681
00:30:42,110 --> 00:30:40,200
two

682
00:30:44,149 --> 00:30:42,120
personal opinion here nothing more

683
00:30:46,549 --> 00:30:44,159
nothing less

684
00:30:49,010 --> 00:30:46,559
I mean to this family these creatures

685
00:30:51,409 --> 00:30:49,020
were very real in fact so real that

686
00:30:54,830 --> 00:30:51,419
after the initial sighting the family

687
00:30:57,110 --> 00:30:54,840
did go in the house and started a prayer

688
00:30:59,870 --> 00:30:57,120

circle while this prayer circle was

689

00:31:02,750 --> 00:30:59,880

taking place they heard footsteps

690

00:31:05,450 --> 00:31:02,760

multiple footsteps on the roof of their

691

00:31:08,090 --> 00:31:05,460

home this is important because

692

00:31:10,850 --> 00:31:08,100

this is exactly the way a poltergress

693

00:31:12,950 --> 00:31:10,860

situation fallen angels demonic entities

694

00:31:16,430 --> 00:31:12,960

and the like

695

00:31:19,850 --> 00:31:16,440

would engage and interact with observers

696

00:31:21,710 --> 00:31:19,860

keep in mind this took place at the

697

00:31:23,450 --> 00:31:21,720

witching hour between while purgis

698

00:31:26,029 --> 00:31:23,460

Knight and Beltane

699

00:31:28,490 --> 00:31:26,039

and don't tell me the esoteric aspects

700

00:31:31,970 --> 00:31:28,500

don't add up because there's only two

701
00:31:35,450 --> 00:31:31,980
hours in the entire year which these

702
00:31:37,610 --> 00:31:35,460
entities are said to display themselves

703
00:31:40,490 --> 00:31:37,620
in ways that are more obvious than the

704
00:31:43,250 --> 00:31:40,500
rest and this was one of those hours the

705
00:31:47,450 --> 00:31:43,260
other would be at the other end

706
00:31:48,769 --> 00:31:47,460
of the calendar which is Halloween I'm

707
00:31:51,409 --> 00:31:48,779
sure if this happened on Halloween

708
00:31:54,950 --> 00:31:51,419
people would be crying foul making all

709
00:31:57,230 --> 00:31:54,960
kinds of jokes and truly delving down

710
00:32:00,310 --> 00:31:57,240
the rabbit hole of the esoteric however

711
00:32:03,169 --> 00:32:00,320
because it happened on the second hour

712
00:32:04,909 --> 00:32:03,179
which is the hour between walpurgis

713
00:32:07,610 --> 00:32:04,919

night and Beltane

714

00:32:11,510 --> 00:32:07,620

apparently uh not as big a deal however

715

00:32:15,169 --> 00:32:11,520

historically esoterically it's equally

716

00:32:17,389 --> 00:32:15,179

large and just as big a deal as ever

717

00:32:20,269 --> 00:32:17,399

now the two brothers who encountered

718

00:32:22,370 --> 00:32:20,279

what they could only talk about as the

719

00:32:24,230 --> 00:32:22,380

slowing down of time

720

00:32:26,690 --> 00:32:24,240

this uh

721

00:32:30,769 --> 00:32:26,700

this can happen and there are military

722

00:32:32,930 --> 00:32:30,779

contractors who have purportedly reverse

723

00:32:36,289 --> 00:32:32,940

engineered Technologies propulsion

724

00:32:39,710 --> 00:32:36,299

systems and the like and they have been

725

00:32:41,269 --> 00:32:39,720

rumored to have this sort of energy

726

00:32:43,310 --> 00:32:41,279

weaponry

727

00:32:45,230 --> 00:32:43,320

go out on a limb with me because

728

00:32:47,029 --> 00:32:45,240

possibly

729

00:32:48,830 --> 00:32:47,039

for lack of a better word it's been

730

00:32:51,230 --> 00:32:48,840

called many things it has something to

731

00:32:54,230 --> 00:32:51,240

do with the quantum tomography of

732

00:32:57,049 --> 00:32:54,240

negative energy states in a vacuum

733

00:32:59,450 --> 00:32:57,059

that can be used to slow the time down

734

00:33:00,889 --> 00:32:59,460

at the time or at least particular

735

00:33:03,830 --> 00:33:00,899

moments

736

00:33:05,389 --> 00:33:03,840

the two entities were observed

737

00:33:08,510 --> 00:33:05,399

keep in mind

738

00:33:11,570 --> 00:33:08,520

it is alleged and purported this is

739

00:33:13,009 --> 00:33:11,580
reversed engineered technology

740

00:33:14,630 --> 00:33:13,019
so it may be

741

00:33:18,830 --> 00:33:14,640
more

742

00:33:20,269 --> 00:33:18,840
advanced than any of the random things I

743

00:33:22,730 --> 00:33:20,279
am saying as well

744

00:33:24,529 --> 00:33:22,740
I could be barely scratching the surface

745

00:33:27,110 --> 00:33:24,539
with this information because it may

746

00:33:29,509 --> 00:33:27,120
just be the watered-down human version

747

00:33:31,370 --> 00:33:29,519
of the same technology and hardly as

748

00:33:33,710 --> 00:33:31,380
advanced as what took place

749

00:33:37,009 --> 00:33:33,720
keep in mind that many alien encounters

750

00:33:39,169 --> 00:33:37,019
and in missing time where time is not

751
00:33:43,430 --> 00:33:39,179
only slowed down but completely stopped

752
00:33:45,470 --> 00:33:43,440
and vacant gone poof disappears

753
00:33:48,289 --> 00:33:45,480
so how far-fetched is it to just kind of

754
00:33:50,630 --> 00:33:48,299
slow it down a little bit

755
00:33:51,590 --> 00:33:50,640
you know missing time is a lot bigger

756
00:33:55,310 --> 00:33:51,600
deal

757
00:33:57,590 --> 00:33:55,320
they just uh said it slowed down a

758
00:34:00,110 --> 00:33:57,600
little bit I believe their exact words

759
00:34:02,990 --> 00:34:00,120
is they were kind of Frozen in time or

760
00:34:04,970 --> 00:34:03,000
paralyzed in a particular way that's not

761
00:34:06,590 --> 00:34:04,980
the exact verbiage but I hope you get

762
00:34:08,869 --> 00:34:06,600
the idea

763
00:34:12,109 --> 00:34:08,879

now the technologies that I've mentioned

764

00:34:16,070 --> 00:34:12,119

may or may not even be important to the

765

00:34:19,089 --> 00:34:16,080

record if this is in fact a completely

766

00:34:21,829 --> 00:34:19,099

non-human intelligence and the entities

767

00:34:24,369 --> 00:34:21,839

encountered in this alien experience

768

00:34:28,310 --> 00:34:24,379

were from other

769

00:34:30,290 --> 00:34:28,320

cosmologies or dimensions

770

00:34:34,250 --> 00:34:30,300

if that's the case then we're talking

771

00:34:36,710 --> 00:34:34,260

about Advanced Technologies that humans

772

00:34:39,470 --> 00:34:36,720

would know very little of

773

00:34:40,550 --> 00:34:39,480

and as I said before it would be like

774

00:34:43,669 --> 00:34:40,560

giving

775

00:34:46,310 --> 00:34:43,679

a cell phone to a neanderthal and seeing

776

00:34:49,310 --> 00:34:46,320

how they use it our technology in the

777

00:34:52,430 --> 00:34:49,320

way that we reverse engineer

778

00:34:55,490 --> 00:34:52,440

quote unquote their technology

779

00:34:58,430 --> 00:34:55,500

are completely different things

780

00:35:00,890 --> 00:34:58,440

it is very likely that a neanderthal

781

00:35:03,349 --> 00:35:00,900

would use a cell phone as a flashlight

782

00:35:07,430 --> 00:35:03,359

when in reality it has capacities that

783

00:35:12,349 --> 00:35:09,650

now getting back to Homeland Security

784

00:35:14,329 --> 00:35:12,359

being interested in this family's ordeal

785

00:35:17,089 --> 00:35:14,339

and interested in the surveillance of

786

00:35:19,370 --> 00:35:17,099

this backyard an area in general

787

00:35:21,050 --> 00:35:19,380

as I said before I will not be the one

788

00:35:23,390 --> 00:35:21,060

to

789

00:35:26,630 --> 00:35:23,400

um let the cat out of the bag when it

790

00:35:30,829 --> 00:35:26,640

comes to the interpersonal relationships

791

00:35:32,089 --> 00:35:30,839

taking place between Sasha Larkin and uh

792

00:35:34,670 --> 00:35:32,099

others

793

00:35:38,410 --> 00:35:34,680

within the Las Vegas Metro Police

794

00:35:40,670 --> 00:35:38,420

Department I have heard that other

795

00:35:42,550 --> 00:35:40,680

podcasters will be coming out with that

796

00:35:46,430 --> 00:35:42,560

information possibly even later tonight

797

00:35:49,910 --> 00:35:46,440

you may hear it on the Doug Papa

798

00:35:52,069 --> 00:35:49,920

podcast tonight or possibly even though

799

00:35:53,990 --> 00:35:52,079

Linda Moulton Howe Earth Files episode

800

00:35:56,089 --> 00:35:54,000

coming out later tonight

801
00:35:58,730 --> 00:35:56,099
although I've had this information for

802
00:36:01,370 --> 00:35:58,740
quite some time and known the ins and

803
00:36:04,790 --> 00:36:01,380
outs related to it since the

804
00:36:07,310 --> 00:36:04,800
Alien Encounter first made media

805
00:36:08,990 --> 00:36:07,320
headlines I gave my word to one of my

806
00:36:10,970 --> 00:36:09,000
sources that I would not come out with

807
00:36:11,810 --> 00:36:10,980
that information and I will stand by my

808
00:36:17,270 --> 00:36:11,820
word

809
00:36:19,130 --> 00:36:17,280
very seriously so I guess the point of

810
00:36:22,849 --> 00:36:19,140
all that is I Will Not Be the One

811
00:36:25,069 --> 00:36:22,859
releasing that particular information

812
00:36:28,010 --> 00:36:25,079
however it will be very important

813
00:36:30,290 --> 00:36:28,020

information to consider in the overall

814

00:36:33,349 --> 00:36:30,300

scenario

815

00:36:35,750 --> 00:36:33,359

and intricacies of this case

816

00:36:37,910 --> 00:36:35,760

now if the two entities which were

817

00:36:39,109 --> 00:36:37,920

witnessed in the backyard by Angel and

818

00:36:40,370 --> 00:36:39,119

his brother

819

00:36:43,310 --> 00:36:40,380

are

820

00:36:45,950 --> 00:36:43,320

in some way shape or form reverse

821

00:36:47,630 --> 00:36:45,960

engineered entities this brings us back

822

00:36:48,770 --> 00:36:47,640

to what we discussed at the beginning of

823

00:36:53,630 --> 00:36:48,780

the podcast

824

00:36:57,410 --> 00:36:53,640

they were quite literally lab grown meat

825

00:37:00,530 --> 00:36:57,420

and where did this technology come from

826

00:37:03,230 --> 00:37:00,540

where did people learn how to create

827

00:37:05,089 --> 00:37:03,240

meat out of thin air in a lab through a

828

00:37:08,990 --> 00:37:05,099

biological reactor

829

00:37:12,250 --> 00:37:09,000

isn't it possible that this is in fact

830

00:37:15,890 --> 00:37:12,260

done on what is known as organic

831

00:37:18,589 --> 00:37:15,900

robotoids these are entities which were

832

00:37:22,550 --> 00:37:18,599

rumored to exist since the 1950s through

833

00:37:24,770 --> 00:37:22,560

a variety of technological advances and

834

00:37:28,069 --> 00:37:24,780

a lot of information which is spilled

835

00:37:31,370 --> 00:37:28,079

onto the conspiracy scene by people who

836

00:37:32,930 --> 00:37:31,380

were very very well respected when they

837

00:37:35,630 --> 00:37:32,940

came out with the information about

838

00:37:38,810 --> 00:37:35,640

organic robotoids they lost a ton of

839

00:37:41,690 --> 00:37:38,820

credibility however organic robotoids

840

00:37:43,250 --> 00:37:41,700

seem to be something very real at least

841

00:37:45,770 --> 00:37:43,260

in essence

842

00:37:48,290 --> 00:37:45,780

which brings me to a very important

843

00:37:50,630 --> 00:37:48,300

story I heard from someone who I guess

844

00:37:53,210 --> 00:37:50,640

could be called a whistleblower someone

845

00:37:55,609 --> 00:37:53,220

who wants nothing to do with being out

846

00:38:00,349 --> 00:37:55,619

in the public realm very important that

847

00:38:03,950 --> 00:38:00,359

I maintain their anonymity an individual

848

00:38:08,210 --> 00:38:03,960

who works in the San Diego area and was

849

00:38:11,210 --> 00:38:08,220

called for HVAC purposes to work at a

850

00:38:13,250 --> 00:38:11,220

Subterranean location along that

851
00:38:15,470 --> 00:38:13,260
Coastline I won't go into detail about

852
00:38:18,170 --> 00:38:15,480
what particular military facility it was

853
00:38:20,569 --> 00:38:18,180
at although I know that I have in the

854
00:38:23,569 --> 00:38:20,579
past and some may already know however

855
00:38:26,870 --> 00:38:23,579
he was asked to go with his team and

856
00:38:29,870 --> 00:38:26,880
deal with an HVAC problem an HVAC issue

857
00:38:32,630 --> 00:38:29,880
with the ventilation in an underground

858
00:38:34,849 --> 00:38:32,640
laboratory this individual is not a

859
00:38:36,710 --> 00:38:34,859
conspiracy theorist in fact he has

860
00:38:39,050 --> 00:38:36,720
nothing to do with it and wants nothing

861
00:38:42,230 --> 00:38:39,060
to do with it could care less about UFOs

862
00:38:44,690 --> 00:38:42,240
or anything conspiracy paranormal or any

863
00:38:47,690 --> 00:38:44,700

anything like that at all all he was

864

00:38:50,170 --> 00:38:47,700

just on a job and he went down with his

865

00:38:53,270 --> 00:38:50,180

team he said they went down quite a ways

866

00:38:55,430 --> 00:38:53,280

very deep and

867

00:38:57,829 --> 00:38:55,440

as they exited the elevator they were

868

00:39:01,430 --> 00:38:57,839

told to keep their eyes straight ahead

869

00:39:04,069 --> 00:39:01,440

not ask any questions and just give them

870

00:39:05,930 --> 00:39:04,079

a bid to complete the job and do so as

871

00:39:08,150 --> 00:39:05,940

soon as possible

872

00:39:10,910 --> 00:39:08,160

as they were guided through this

873

00:39:14,630 --> 00:39:10,920

laboratory setting by armed military

874

00:39:17,390 --> 00:39:14,640

personnel they did in fact look to the

875

00:39:20,150 --> 00:39:17,400

side and see what appeared to be humans

876

00:39:22,970 --> 00:39:20,160

however different they were in large

877

00:39:26,210 --> 00:39:22,980

containers see-through plexiglass of

878

00:39:29,870 --> 00:39:26,220

sorts possibly real glass I'm unsure but

879

00:39:33,710 --> 00:39:29,880

see through glass-like containers with

880

00:39:35,870 --> 00:39:33,720

semi viscous clear fluid bubbling up

881

00:39:37,970 --> 00:39:35,880

around them

882

00:39:41,930 --> 00:39:37,980

there were multiple

883

00:39:45,470 --> 00:39:41,940

entities or beings Biologicals in these

884

00:39:46,970 --> 00:39:45,480

tubes or containers along the sides of

885

00:39:48,950 --> 00:39:46,980

the laboratory

886

00:39:51,290 --> 00:39:48,960

and when they got to the location we're

887

00:39:53,630 --> 00:39:51,300

told what the situation was with the

888

00:39:55,670 --> 00:39:53,640

ventilation system we're asked to give a

889

00:39:57,530 --> 00:39:55,680

bid and price Etc

890

00:39:58,970 --> 00:39:57,540

the first thing this individual said is

891

00:40:00,970 --> 00:39:58,980

hey I gotta know

892

00:40:03,410 --> 00:40:00,980

he's quite into fitness

893

00:40:04,370 --> 00:40:03,420

pretty swole if you know what I mean

894

00:40:09,589 --> 00:40:04,380

pretty

895

00:40:11,690 --> 00:40:09,599

said that these these these Biologicals

896

00:40:14,390 --> 00:40:11,700

were fairly good shape and so he asked

897

00:40:16,310 --> 00:40:14,400

he said are those humans back there

898

00:40:17,750 --> 00:40:16,320

and the person all said hey you guys

899

00:40:21,710 --> 00:40:17,760

aren't supposed to ask about any of that

900

00:40:24,829 --> 00:40:21,720

but what I can tell you is no not really

901
00:40:29,210 --> 00:40:24,839
so that brings us to the possibility of

902
00:40:31,510 --> 00:40:29,220
organic robotoids lab-grown meat we're

903
00:40:34,490 --> 00:40:31,520
back on the lab-grown meat

904
00:40:37,370 --> 00:40:34,500
and if you want to have an interesting

905
00:40:40,210 --> 00:40:37,380
Google search Google organic robotoids

906
00:40:43,849 --> 00:40:40,220
apparently with very similar technology

907
00:40:47,390 --> 00:40:43,859
the DNA and stem cells of a living

908
00:40:48,650 --> 00:40:47,400
entity then placed in a biological

909
00:40:51,109 --> 00:40:48,660
reactor

910
00:40:53,690 --> 00:40:51,119
there is a chemical transformation which

911
00:40:56,930 --> 00:40:53,700
takes place however non-sentient so it

912
00:40:59,089 --> 00:40:56,940
does not have for example a soul or a

913
00:41:01,370 --> 00:40:59,099

per you know it's not it's it does not

914

00:41:04,089 --> 00:41:01,380

have the consciousness of the individual

915

00:41:07,670 --> 00:41:04,099

there's something missing however it is

916

00:41:10,730 --> 00:41:07,680

organic it is very much meat it is very

917

00:41:13,810 --> 00:41:10,740

much alive it's lab-grown meat

918

00:41:16,670 --> 00:41:13,820

so if this is a

919

00:41:20,569 --> 00:41:16,680

Counter Intelligence psychological

920

00:41:23,329 --> 00:41:20,579

operation that was utilized to distract

921

00:41:25,130 --> 00:41:23,339

from whistleblowers in Washington what

922

00:41:28,849 --> 00:41:25,140

better way to do so

923

00:41:32,810 --> 00:41:28,859

not only that there's no one better to

924

00:41:36,349 --> 00:41:32,820

fly some of these craft than non-human

925

00:41:38,270 --> 00:41:36,359

entities that are lab created and grown

926
00:41:41,150 --> 00:41:38,280
in facilities you're not going to get

927
00:41:44,810 --> 00:41:41,160
any of the lawsuits uh if the thing goes

928
00:41:47,930 --> 00:41:44,820
down they are quite literally drones you

929
00:41:51,170 --> 00:41:47,940
know worker bees things that will

930
00:41:54,589 --> 00:41:51,180
do the job and you don't have to deal

931
00:41:57,109 --> 00:41:54,599
with any of the complications of human

932
00:41:59,270 --> 00:41:57,119
interaction with some of these materials

933
00:42:02,150 --> 00:41:59,280
we don't know what the jobs are but the

934
00:42:04,270 --> 00:42:02,160
jobs may include things that are highly

935
00:42:09,650 --> 00:42:04,280
dangerous and that brings me to the next

936
00:42:11,030 --> 00:42:09,660
possibly most important section and that

937
00:42:12,950 --> 00:42:11,040
is

938
00:42:16,430 --> 00:42:12,960

the household itself

939

00:42:18,710 --> 00:42:16,440

we know that the home was recently

940

00:42:21,349 --> 00:42:18,720

changed hands okay that's as far as I'll

941

00:42:22,250 --> 00:42:21,359

go there even though I do know who owns

942

00:42:26,089 --> 00:42:22,260

the home

943

00:42:29,030 --> 00:42:26,099

in what capacity when it changed hands

944

00:42:31,190 --> 00:42:29,040

etc etc what I can tell you is this

945

00:42:33,770 --> 00:42:31,200

there are two

946

00:42:35,750 --> 00:42:33,780

very interesting containers in the

947

00:42:38,210 --> 00:42:35,760

backyard of the property

948

00:42:40,790 --> 00:42:38,220

one of the containers has numbers on the

949

00:42:44,270 --> 00:42:40,800

top of it and you can view that from

950

00:42:47,930 --> 00:42:44,280

Google Earth or from any of the footage

951
00:42:49,130 --> 00:42:47,940
released by klas or other news media

952
00:42:51,950 --> 00:42:49,140
Outlets

953
00:42:56,089 --> 00:42:51,960
now upon closer investigation in the

954
00:42:59,329 --> 00:42:56,099
backyard I noticed that these containers

955
00:43:01,309 --> 00:42:59,339
one in particular are very much

956
00:43:05,390 --> 00:43:01,319
different than your standard container

957
00:43:07,130 --> 00:43:05,400
in fact it's not 100 I got to be careful

958
00:43:09,190 --> 00:43:07,140
here I've got to be very careful here

959
00:43:13,250 --> 00:43:09,200
because this may be

960
00:43:15,170 --> 00:43:13,260
uh something that I regret saying

961
00:43:17,569 --> 00:43:15,180
anyway let's stick with let's stick with

962
00:43:19,910 --> 00:43:17,579
the facts and I don't want to go into

963
00:43:22,730 --> 00:43:19,920

everything I know but these containers

964

00:43:25,490 --> 00:43:22,740

are not your average containers what is

965

00:43:29,510 --> 00:43:25,500

inside these containers we don't know

966

00:43:33,470 --> 00:43:29,520

and is it not possible that something in

967

00:43:36,410 --> 00:43:33,480

a container could technically draw

968

00:43:38,390 --> 00:43:36,420

a non-human intelligence into a backyard

969

00:43:40,970 --> 00:43:38,400

not only that but there was plenty of

970

00:43:43,609 --> 00:43:40,980

room to land what better place to land

971

00:43:45,530 --> 00:43:43,619

than a large backyard where there are

972

00:43:49,130 --> 00:43:45,540

containers and vehicles and the center

973

00:43:51,170 --> 00:43:49,140

is cleared so you have a landing place I

974

00:43:53,870 --> 00:43:51,180

know if I was having car trouble I look

975

00:43:57,589 --> 00:43:53,880

for a spot on the road that has a turn

976

00:44:00,890 --> 00:43:57,599

off maybe this is just a turn off and a

977

00:44:04,190 --> 00:44:00,900

place where um the ease and capacity of

978

00:44:06,589 --> 00:44:04,200

Landing lended itself to the location

979

00:44:09,349 --> 00:44:06,599

let's get back to the Demonic aspect of

980

00:44:12,589 --> 00:44:09,359

this even though there will be more I

981

00:44:14,030 --> 00:44:12,599

promise coming from this whole backyard

982

00:44:17,630 --> 00:44:14,040

scenario

983

00:44:20,210 --> 00:44:17,640

and the Demonic aspect of this Angel

984

00:44:23,210 --> 00:44:20,220

recently came forward

985

00:44:25,910 --> 00:44:23,220

giving information that in his opinion

986

00:44:27,890 --> 00:44:25,920

when asked what his feelings were when

987

00:44:30,950 --> 00:44:27,900

he saw these entities

988

00:44:32,990 --> 00:44:30,960

he said they seem demonic

989

00:44:37,069 --> 00:44:33,000

as I mentioned before the family went

990

00:44:40,130 --> 00:44:37,079

inside they did a prayer circle they uh

991

00:44:43,730 --> 00:44:40,140

heard what sounded like footsteps on the

992

00:44:45,950 --> 00:44:43,740

roof of the home it acted very much like

993

00:44:46,550 --> 00:44:45,960

a demonic entity

994

00:44:50,030 --> 00:44:46,560

um

995

00:44:52,609 --> 00:44:50,040

triggering fear are conically engaging

996

00:44:55,010 --> 00:44:52,619

with the family which had observed them

997

00:45:02,329 --> 00:44:55,020

and

998

00:45:06,170 --> 00:45:02,339

in True Form to that particular hour

999

00:45:09,710 --> 00:45:06,180

that witching hour that is on both ends

1000

00:45:12,710 --> 00:45:09,720

of the calendar Halloween and Beltane so

1001
00:45:13,849 --> 00:45:12,720
we have an interesting mix in the record

1002
00:45:17,270 --> 00:45:13,859
here

1003
00:45:19,910 --> 00:45:17,280
they acted demonically he believed they

1004
00:45:22,670 --> 00:45:19,920
looked demonically and they gave him a

1005
00:45:26,809 --> 00:45:22,680
feeling a demonic feeling

1006
00:45:28,490 --> 00:45:26,819
regardless of what news media Outlets

1007
00:45:30,290 --> 00:45:28,500
researchers and independent

1008
00:45:32,510 --> 00:45:30,300
investigators are saying

1009
00:45:34,490 --> 00:45:32,520
I think there's something to this

1010
00:45:37,069 --> 00:45:34,500
now keep in mind that the family

1011
00:45:39,710 --> 00:45:37,079
maintains that a couple of Sergeants

1012
00:45:42,650 --> 00:45:39,720
quote unquote came in

1013
00:45:45,650 --> 00:45:42,660

from the I v

1014

00:45:48,710 --> 00:45:45,660

M PD the Las Vegas Metro Police

1015

00:45:51,470 --> 00:45:48,720

Department and put up cameras in a

1016

00:45:53,750 --> 00:45:51,480

capacity that was against protocol

1017

00:45:55,970 --> 00:45:53,760

that's not something that is done on a

1018

00:45:58,730 --> 00:45:55,980

routine basis this is not the type of

1019

00:46:01,609 --> 00:45:58,740

thing that takes place day to day there

1020

00:46:02,990 --> 00:46:01,619

has to be a security threat of some form

1021

00:46:05,750 --> 00:46:03,000

or another

1022

00:46:08,030 --> 00:46:05,760

for this to take place especially from a

1023

00:46:11,930 --> 00:46:08,040

home land security

1024

00:46:14,750 --> 00:46:11,940

department head so that's exactly what

1025

00:46:17,329 --> 00:46:14,760

took place and we know that now this

1026

00:46:21,589 --> 00:46:17,339

will all slowly tie together

1027

00:46:23,450 --> 00:46:21,599

as time goes on I promise you and there

1028

00:46:24,710 --> 00:46:23,460

is more coming

1029

00:46:27,530 --> 00:46:24,720

so

1030

00:46:31,190 --> 00:46:27,540

not usual this is not protocol

1031

00:46:34,250 --> 00:46:31,200

this is not usual behavior for the Las

1032

00:46:37,010 --> 00:46:34,260

Vegas Metro Police Department to do this

1033

00:46:41,510 --> 00:46:37,020

sort of thing in a Homeland Security

1034

00:46:44,210 --> 00:46:41,520

capacity and it's also not protocol to

1035

00:46:45,770 --> 00:46:44,220

take it down without reason once once

1036

00:46:48,890 --> 00:46:45,780

you put it up you're going to leave it

1037

00:46:52,190 --> 00:46:48,900

up when it comes to the genre of

1038

00:46:54,890 --> 00:46:52,200

criminalistics this is the way it works

1039

00:46:57,170 --> 00:46:54,900

you you get that permission to put it up

1040

00:46:59,569 --> 00:46:57,180

you're going to keep it up until you

1041

00:47:01,190 --> 00:46:59,579

have answers of course what we have are

1042

00:47:02,630 --> 00:47:01,200

more questions than answers when it

1043

00:47:04,910 --> 00:47:02,640

comes to the officers not only

1044

00:47:07,730 --> 00:47:04,920

originally on the scene the ones that

1045

00:47:10,130 --> 00:47:07,740

went in and were dealing with these

1046

00:47:13,250 --> 00:47:10,140

far-fetched claims at the time they

1047

00:47:14,569 --> 00:47:13,260

obviously took what was called in very

1048

00:47:16,750 --> 00:47:14,579

seriously

1049

00:47:19,670 --> 00:47:16,760

one of them went back into the backyard

1050

00:47:22,130 --> 00:47:19,680

and the reality is depending on the

1051
00:47:24,710 --> 00:47:22,140
sources and where your information is

1052
00:47:27,710 --> 00:47:24,720
coming from I've got a few sources with

1053
00:47:29,630 --> 00:47:27,720
a mixed bag of information

1054
00:47:34,190 --> 00:47:29,640
some are claiming there may be a reason

1055
00:47:36,470 --> 00:47:34,200
that body cam was turned off as they

1056
00:47:38,450 --> 00:47:36,480
went into that backyard

1057
00:47:40,490 --> 00:47:38,460
what that reason is

1058
00:47:43,370 --> 00:47:40,500
is going to take a little time to get to

1059
00:47:45,050 --> 00:47:43,380
the bottom of the good thing is this

1060
00:47:49,609 --> 00:47:45,060
seems to be the time

1061
00:47:53,390 --> 00:47:49,619
when a lot of experts sources and people

1062
00:47:56,690 --> 00:47:53,400
are coming forward with information

1063
00:47:59,089 --> 00:47:56,700

not only information in events but even

1064

00:48:02,450 --> 00:47:59,099

political information like Marco Rubio

1065

00:48:05,510 --> 00:48:02,460

recently coming out it seems that there

1066

00:48:08,030 --> 00:48:05,520

are uh just droves of people coming

1067

00:48:12,290 --> 00:48:08,040

forward and

1068

00:48:15,410 --> 00:48:12,300

talking about this subject UFOs alien

1069

00:48:18,050 --> 00:48:15,420

craft and Military contractors reverse

1070

00:48:20,210 --> 00:48:18,060

engineering these Technologies are no

1071

00:48:22,069 --> 00:48:20,220

longer as taboo

1072

00:48:26,450 --> 00:48:22,079

as they used to be

1073

00:48:29,809 --> 00:48:26,460

in fact I predict in the next few hours

1074

00:48:31,430 --> 00:48:29,819

days and weeks we are going to see more

1075

00:48:34,370 --> 00:48:31,440

people coming forward with information

1076

00:48:38,690 --> 00:48:34,380

that is relevant not only to this case

1077

00:48:41,990 --> 00:48:38,700

but to the generalized topic of UAP

1078

00:48:44,510 --> 00:48:42,000

and non-human intelligence multiple

1079

00:48:47,030 --> 00:48:44,520

sources of mine are saying that there is

1080

00:48:49,849 --> 00:48:47,040

more information and credible

1081

00:48:51,589 --> 00:48:49,859

information as well as credible sources

1082

00:48:53,930 --> 00:48:51,599

coming down the pipe

1083

00:48:57,130 --> 00:48:53,940

although I can't get into the data

1084

00:49:02,329 --> 00:48:57,140

verified Communications with uh

1085

00:49:05,569 --> 00:49:02,339

Kirkpatrick have verified that at least

1086

00:49:09,230 --> 00:49:05,579

two dozen individuals have secretly come

1087

00:49:10,250 --> 00:49:09,240

forward and more are coming the file is

1088

00:49:15,290 --> 00:49:10,260

growing

1089

00:49:16,490 --> 00:49:15,300

now Dr Sean Kirkpatrick is the lead on

1090

00:49:20,329 --> 00:49:16,500

Arrow

1091

00:49:22,670 --> 00:49:20,339

which stands for the all domain anomaly

1092

00:49:25,970 --> 00:49:22,680

resolution office at the United States

1093

00:49:29,210 --> 00:49:25,980

Department of Defense in my opinion the

1094

00:49:32,750 --> 00:49:29,220

most intriguing and provocative

1095

00:49:36,349 --> 00:49:32,760

things that are being discussed are

1096

00:49:38,089 --> 00:49:36,359

the very real observations of metallic

1097

00:49:42,230 --> 00:49:38,099

orbs

1098

00:49:45,470 --> 00:49:42,240

much like the ones seen and captured in

1099

00:49:48,770 --> 00:49:45,480

the uina Basin of Utah I have multiple

1100

00:49:50,510 --> 00:49:48,780

pictures on game cameras Etc other

1101
00:49:53,630 --> 00:49:50,520
devices as well

1102
00:49:57,230 --> 00:49:53,640
at space Wolf research base camp in the

1103
00:50:00,170 --> 00:49:57,240
uena Basin of Utah and these metallic

1104
00:50:02,230 --> 00:50:00,180
orbs for lack of a better word many are

1105
00:50:05,450 --> 00:50:02,240
small smaller than you would expect

1106
00:50:09,430 --> 00:50:05,460
making extraordinary maneuvers

1107
00:50:13,010 --> 00:50:09,440
these unidentified anomalous phenomena

1108
00:50:15,050 --> 00:50:13,020
are of importance to key defense

1109
00:50:16,550 --> 00:50:15,060
Department officials

1110
00:50:19,849 --> 00:50:16,560
and

1111
00:50:22,309 --> 00:50:19,859
you know these images have been on the

1112
00:50:24,950 --> 00:50:22,319
internet far and wide to be sure this is

1113
00:50:28,309 --> 00:50:24,960

not only limited to the Uintah Basin of

1114

00:50:30,770 --> 00:50:28,319

Utah and these spheres are being

1115

00:50:32,930 --> 00:50:30,780

witnessed and observed worldwide

1116

00:50:35,870 --> 00:50:32,940

intriguingly

1117

00:50:37,609 --> 00:50:35,880

these sphere of spherical objects are

1118

00:50:41,030 --> 00:50:37,619

capable of flight at a range of

1119

00:50:45,170 --> 00:50:41,040

velocities they can move very slow

1120

00:50:47,990 --> 00:50:45,180

or like molasses or from stationary to

1121

00:50:51,530 --> 00:50:48,000

twice the speed of sound almost too fast

1122

00:50:56,390 --> 00:50:51,540

to see I've captured two intriguing

1123

00:50:59,750 --> 00:50:56,400

videos of these uh spherical orbs

1124

00:51:02,990 --> 00:50:59,760

metallic spherical objects interacting

1125

00:51:06,490 --> 00:51:03,000

with two Chinook helicopters as many

1126
00:51:10,069 --> 00:51:06,500
know the Chinook is a very Advanced

1127
00:51:12,770 --> 00:51:10,079
originally a military aircraft these

1128
00:51:16,670 --> 00:51:12,780
have been very frequent in the Uintah

1129
00:51:21,109 --> 00:51:16,680
Basin currently and the last month or so

1130
00:51:24,530 --> 00:51:21,119
now these perplexing videos show these

1131
00:51:26,390 --> 00:51:24,540
spherical objects interacting with these

1132
00:51:28,430 --> 00:51:26,400
Chinook helicopters which these are

1133
00:51:32,210 --> 00:51:28,440
helicopters that have double sets of

1134
00:51:35,270 --> 00:51:32,220
blades where the back blade goes timed

1135
00:51:38,930 --> 00:51:35,280
perfectly through the flying space of

1136
00:51:42,109 --> 00:51:38,940
the front blade and um very Advanced

1137
00:51:45,849 --> 00:51:42,119
very Advanced helicopters however

1138
00:51:50,930 --> 00:51:45,859

these spherical objects

1139

00:51:53,630 --> 00:51:50,940

provocatively show their advanced

1140

00:51:57,049 --> 00:51:53,640

space flight

1141

00:52:01,309 --> 00:51:57,059

aerial maneuvers by interacting with

1142

00:52:02,870 --> 00:52:01,319

these Chinook helicopters in fact one is

1143

00:52:06,589 --> 00:52:02,880

so fast

1144

00:52:08,750 --> 00:52:06,599

that it goes between the rear blade of

1145

00:52:12,049 --> 00:52:08,760

one of the helicopters as it's flying

1146

00:52:16,930 --> 00:52:12,059

the other one goes by at an extreme

1147

00:52:20,750 --> 00:52:16,940

velocity and neither of these two metal

1148

00:52:24,710 --> 00:52:20,760

UAP would have been seen in the

1149

00:52:27,349 --> 00:52:24,720

slightest if I had not slowed down

1150

00:52:29,410 --> 00:52:27,359

the footage frame by frame it took

1151

00:52:32,210 --> 00:52:29,420

forever but that's what I started to do

1152

00:52:34,430 --> 00:52:32,220

and go figure when you're dealing with

1153

00:52:35,630 --> 00:52:34,440

something that's going twice the speed

1154

00:52:38,930 --> 00:52:35,640

of sound

1155

00:52:42,170 --> 00:52:38,940

you have to do that to even observe it I

1156

00:52:44,990 --> 00:52:42,180

will post both of those videos they're

1157

00:52:48,829 --> 00:52:45,000

very short clips but I will post both of

1158

00:52:52,609 --> 00:52:48,839

those videos very clear on the YouTube

1159

00:52:56,750 --> 00:52:52,619

channel hero paranormal one and two and

1160

00:53:00,290 --> 00:52:56,760

I will also post both of those videos at

1161

00:53:02,329 --> 00:53:00,300

space Wolf research Facebook page

1162

00:53:04,250 --> 00:53:02,339

so that they can be witnessed by

1163

00:53:07,130 --> 00:53:04,260

listeners anybody out there

1164

00:53:10,250 --> 00:53:07,140

let's make this clear that some of these

1165

00:53:13,970 --> 00:53:10,260

highly anomalous characteristics are

1166

00:53:19,309 --> 00:53:13,980

being observed via multiple sensors so

1167

00:53:20,390 --> 00:53:19,319

motion sensors go off cameras engage and

1168

00:53:24,049 --> 00:53:20,400

you know

1169

00:53:25,370 --> 00:53:24,059

are these cameras going off there must

1170

00:53:27,290 --> 00:53:25,380

there's nothing here there's nothing

1171

00:53:30,170 --> 00:53:27,300

going on delete there's nothing here

1172

00:53:33,650 --> 00:53:30,180

delete there's nothing here delete over

1173

00:53:36,410 --> 00:53:33,660

and over again only recently have I

1174

00:53:39,290 --> 00:53:36,420

thought to myself hold on a minute

1175

00:53:42,710 --> 00:53:39,300

camera went off due to a motion sensor

1176
00:53:44,930 --> 00:53:42,720
let's slow the footage down and see if

1177
00:53:47,630 --> 00:53:44,940
anything can be gathered from it

1178
00:53:50,870 --> 00:53:47,640
go figure objects exhibiting

1179
00:53:54,109 --> 00:53:50,880
characteristics strikingly similar

1180
00:53:57,530 --> 00:53:54,119
to those being disclosed

1181
00:53:59,210 --> 00:53:57,540
are in the U in a basin of Utah I'm not

1182
00:54:01,970 --> 00:53:59,220
saying they're not everywhere else on

1183
00:54:04,730 --> 00:54:01,980
the planet but one hundred percent they

1184
00:54:06,109 --> 00:54:04,740
are in the you win a basin of Utah

1185
00:54:08,630 --> 00:54:06,119
now

1186
00:54:09,650 --> 00:54:08,640
I've heard of different spheres dark

1187
00:54:11,109 --> 00:54:09,660
colored

1188
00:54:14,329 --> 00:54:11,119

clear

1189

00:54:16,970 --> 00:54:14,339

metallic and some of these objects are

1190

00:54:20,109 --> 00:54:16,980

interacting with things that

1191

00:54:23,630 --> 00:54:20,119

I don't understand they're inexplicable

1192

00:54:27,470 --> 00:54:23,640

sometimes the motion sensor goes off and

1193

00:54:29,569 --> 00:54:27,480

a still image is gathered and that may

1194

00:54:32,089 --> 00:54:29,579

be very blurry or a video may be

1195

00:54:34,790 --> 00:54:32,099

gathered and it might be very blurry in

1196

00:54:37,670 --> 00:54:34,800

fact it's rare that even though the

1197

00:54:40,309 --> 00:54:37,680

cameras are high-end it is rare that you

1198

00:54:43,069 --> 00:54:40,319

get Crystal Clear footage as the camera

1199

00:54:43,970 --> 00:54:43,079

is designed most often you get blurry

1200

00:54:46,250 --> 00:54:43,980

footage

1201
00:54:48,349 --> 00:54:46,260
but in these two cases these two clips

1202
00:54:50,589 --> 00:54:48,359
that I will put on YouTube these are

1203
00:54:53,390 --> 00:54:50,599
outdoor cameras this was filmed outside

1204
00:54:55,190 --> 00:54:53,400
and so there might be specks of dust and

1205
00:54:59,089 --> 00:54:55,200
stuff like that on the camera but the

1206
00:55:00,710 --> 00:54:59,099
images and the video are clear uh keep

1207
00:55:04,370 --> 00:55:00,720
that in mind

1208
00:55:06,770 --> 00:55:04,380
so although the air crew of the Chinook

1209
00:55:10,730 --> 00:55:06,780
helicopter may or may not have been

1210
00:55:14,690 --> 00:55:10,740
privy to what was taking place these two

1211
00:55:18,290 --> 00:55:14,700
UAP were definitely

1212
00:55:20,990 --> 00:55:18,300
showing their Advanced aerial capacity

1213
00:55:22,309 --> 00:55:21,000

compared to this amazing military

1214

00:55:25,849 --> 00:55:22,319

aircraft

1215

00:55:28,250 --> 00:55:25,859

I uh I don't know why maybe they were

1216

00:55:30,069 --> 00:55:28,260

just playing around they do seem to be

1217

00:55:33,130 --> 00:55:30,079

very curious

1218

00:55:37,790 --> 00:55:33,140

very trickster in nature

1219

00:55:41,870 --> 00:55:37,800

very able and apt to show off

1220

00:55:44,150 --> 00:55:41,880

so when Lou Elizondo and others say that

1221

00:55:48,290 --> 00:55:44,160

yes although these things aren't

1222

00:55:52,250 --> 00:55:48,300

attacking us per se they are a threat

1223

00:55:56,450 --> 00:55:52,260

I see why there is a threat when you

1224

00:55:59,450 --> 00:55:56,460

have a metallic UAP flying through the

1225

00:56:01,730 --> 00:55:59,460

blades of a Chinook helicopter I mean

1226
00:56:02,870 --> 00:56:01,740
the speed that that requires and the

1227
00:56:06,829 --> 00:56:02,880
advanced

1228
00:56:09,349 --> 00:56:06,839
technology is astounding one slight

1229
00:56:11,450 --> 00:56:09,359
miscalculation and that helicopter may

1230
00:56:13,069 --> 00:56:11,460
have been affected so it's in our

1231
00:56:15,829 --> 00:56:13,079
airspace

1232
00:56:18,109 --> 00:56:15,839
and I think because of that a lot more

1233
00:56:20,270 --> 00:56:18,119
is going to be coming

1234
00:56:22,609 --> 00:56:20,280
until next time keep your eyes to the

1235
00:56:30,490 --> 00:56:22,619
skies feet on the ground but don't

1236
00:56:30,500 --> 00:56:46,150
[Music]

1237
00:56:46,160 --> 00:56:50,329
blast off

1238
00:56:50,339 --> 00:56:54,870

come Blast Off In My Time Machine
