00:00:00,609 --> 00:00:22,805

MUSIC

2

00:00:22,805 --> 00:00:25,865

London, 2001.

3

00:00:25,865 --> 00:00:29,164

Systems Administrator Gary McKinnon is at home,

4

00:00:29,664 --> 00:00:32,364

attempting to hack into NASA computers.

5

00:00:34,063 --> 00:00:36,963

He believes these files hold secrets,

6

00:00:36,963 --> 00:00:39,862

secrets he's not supposed to have access to.

7

00:00:41,102 --> 00:00:43,942

After breaking through NASA's computer security,

8

00:00:44,962 --> 00:00:47,341

he soon finds what he's looking for.

9

00:00:48,641 --> 00:00:50,141

When Gary McKinnon hacked NASA,

10

00:00:50,141 --> 00:00:52,240

he found this high definition picture

11

00:00:52,240 --> 00:00:53,680

of a cigar-shaped craft

12

00:00:53,680 --> 00:00:55,540

hovering above the Northern Hemisphere.

13

00:00:56,540 --> 00:00:58,139

You had the Earth's hemisphere

14

00:00:58,139 --> 00:01:00,639

through about two-thirds of the screen,

15

00:01:00,639 --> 00:01:02,939

and then halfway between the top of the hemisphere

16

00:01:02,939 --> 00:01:04,138

and the bottom of the picture,

17

00:01:04,138 --> 00:01:06,738

it was a classic sort of cigar-shaped object.

18

00:01:08,638 --> 00:01:12,137

As McKinnon continues to scour the files,

19

00:01:12,137 --> 00:01:14,936

he makes an even more shocking discovery.

20

00:01:17,176 --> 00:01:21,815

He claims to have seen a roster on military data boards,

21

00:01:21,895 --> 00:01:24,455

indicating space-based assets

22

00:01:24,455 --> 00:01:27,414

that we currently have in Space Now.

23

00:01:27,414 --> 00:01:30,154

Gary McKinnon found evidence of United States spaceships

24

00:01:30,154 --> 00:01:32,014

and non-terrestrial officers.

25

00:01:32,893 --> 00:01:35,293

There was an Excel spreadsheet.

26

00:01:35,293 --> 00:01:37,313

The title was Non-Terrestrial Officers,

27

00:01:37,313 --> 00:01:38,992

then it had names, ranks,

28

00:01:38,992 --> 00:01:41,252

and the other thing was a list of ship-to-ship

29

00:01:41,252 --> 00:01:42,852

and fleet-to-fleet transfers,

30

00:01:42,852 --> 00:01:43,892

and a very wide fleet-to-fleet,

31

00:01:43,892 --> 00:01:46,691

so multiple ships of materials,

32

00:01:46,691 --> 00:01:49,291

and these ships weren't, you know, US Navy ships.

33

00:01:50,171 --> 00:01:53,370

Is it possible that Gary McKinnon stumbled

34

00:01:53,370 --> 00:01:57,869

upon evidence of a fleet of top-secret spacecraft,

35

00:01:57,869 --> 00:02:01,869

part of a covert space weapons program?

36

00:02:01,869 --> 00:02:03,868

Rumors of a secret military program

37

00:02:03,868 --> 00:02:06,368

have been floating around UFO circles for a while.

38

00:02:06,368 --> 00:02:08,587

Suddenly, here's Gary McKinnon claiming

39

00:02:08,587 --> 00:02:10,287

he's found proof of its existence.

40

00:02:11,787 --> 00:02:15,086

The Space Fleet McKinnon reportedly discovers

41

00:02:15,086 --> 00:02:17,286

is believed by many to be part

42

00:02:17,286 --> 00:02:21,285

of a top-secret program named Solar Warden.

43

00:02:21,285 --> 00:02:23,785

Solar Warden is supposedly a highly classified fleet

44

00:02:23,785 --> 00:02:27,284

that operates in space and uses anti-gravity technology.

45

00:02:29,284 --> 00:02:33,283

My surmise that an off-planet sort of space marines

46

00:02:33,283 --> 00:02:35,283

is being formed, and a lot of the government,

47

00:02:35,283 --> 00:02:36,283

that are space command staff,

48

00:02:36,283 --> 00:02:38,282

it's all about space dominance, you know,

49

00:02:38,282 --> 00:02:40,282

and it is, you know, the final frontier.

50

00:02:40,282 --> 00:02:43,282

So I think it's natural for them to want to control space

51

00:02:43,282 --> 00:02:46,281

and be developing a space-going force and secret.

52

00:02:48,281 --> 00:02:52,280

McKinnon's apparent discovery of a highly advanced

53

00:02:52,280 --> 00:02:55,280

U.S. space fleet is incredible.

54

00:02:55,280 --> 00:03:00,279

If true, this would challenge our public knowledge of UFOs

55

00:03:00,279 --> 00:03:03,278

and the U.S. space program.

56

00:03:03,278 --> 00:03:05,278

There are reports that Solar Warden has eight

57

00:03:05,278 --> 00:03:07,278

cigar-shaped UFOs that are larger than

58

00:03:07,278 --> 00:03:09,277

two football fields end-to-end.

59

00:03:09,277 --> 00:03:13,277

It also reportedly has 43 small scout ships.

60

00:03:14,276 --> 00:03:17,276

So what he saw is suggestive,

61

00:03:17,276 --> 00:03:19,276

at least in the opinion of some people,

62

00:03:19,276 --> 00:03:24,275

that this is another piece of evidence for a secret space program.

63

00:03:25,275 --> 00:03:29,274

Could the United States really have a secret space fleet

64

00:03:29,274 --> 00:03:31,274

hidden in orbit?

65

00:03:31,274 --> 00:03:34,273

Mufon investigators opened their files

66

00:03:34,273 --> 00:03:37,273

to determine if Solar Warden might be part

67

00:03:37,273 --> 00:03:41,272

of a larger top-secret space weapons program,

68

00:03:42,272 --> 00:03:45,271

one that could patrol space and protect us

69

00:03:45,271 --> 00:03:48,271

against otherworldly threats.

70

00:03:49,270 --> 00:03:53,270

The mutual UFO network, known as Mufon,

71

00:03:53,270 --> 00:03:57,269

is an independent organization not bound to any government.

72

00:03:57,269 --> 00:04:02,268

They investigate reports of UFO sightings from around the world.

73

00:04:02,268 --> 00:04:04,268

Over the past five decades,

74

00:04:04,268 --> 00:04:07,267

they have collected more than 70,000 files

75

00:04:07,267 --> 00:04:11,267

stored at a secure location known as Hangar One.

76

00:04:11,267 --> 00:04:13,266

Now, for the first time,

77

00:04:13,266 --> 00:04:17,266

Mufon is granting access to their vast archive.

78

00:04:18,266 --> 00:04:21,265

These are the files of Hangar One.

79

00:04:38,262 --> 00:04:40,262

Inside Hangar One,

80

00:04:40,262 --> 00:04:43,261

Mufon investigators are searching their files

81

00:04:43,261 --> 00:04:47,261

for clues of a rumored secret US space weapons program.

82

00:04:48,261 --> 00:04:50,260

One file reveals information

83

00:04:50,260 --> 00:04:53,260

uncovered by a Scottish systems administrator

84

00:04:53,260 --> 00:04:55,259

named Gary McKinnon.

85

00:04:55,259 --> 00:04:58,259

After hacking into US government computers,

86

00:04:58,259 --> 00:05:00,259

he claims to have seen evidence

87

00:05:00,259 --> 00:05:04,258

that the United States is hiding a secret space fleet.

88

00:05:05,258 --> 00:05:07,257

So, all through the 1990s,

89

00:05:07,257 --> 00:05:09,257

Gary McKinnon was fascinated by UFOs,

90

00:05:09,257 --> 00:05:12,257

convinced that there was a cover-up of UFOs.

91

00:05:12,257 --> 00:05:15,256

And in all of his available time,

92

00:05:15,256 --> 00:05:20,255

he tried to find his way into various US military websites

93

00:05:20,255 --> 00:05:23,255

and databases to look for information pertaining to this.

94

00:05:24,254 --> 00:05:26,254

McKinnon begins to investigate,

95

00:05:26,254 --> 00:05:31,253

motivated by testimony attributed to a former NASA employee.

96

00:05:31,253 --> 00:05:33,253

McKinnon claimed that he was looking for information

97

00:05:33,253 --> 00:05:35,253

that corroborated testimony

98

00:05:35,253 --> 00:05:37,252

given by former NASA employee Donna Hare.

99

00:05:37,252 --> 00:05:39,252

While working at the Johnson Space Center,

100

00:05:39,252 --> 00:05:42,251

she claims she saw photos processed by the NASA photo lab

101

00:05:42,251 --> 00:05:44,251

that include UFOs.

102

00:05:45,251 --> 00:05:47,251

And according to her, NASA had a protocol in place

103

00:05:47,251 --> 00:05:49,250

where they would airbrush out UFOs

104

00:05:49,250 --> 00:05:51,250

before releasing these photos to the public.

105

00:05:53,250 --> 00:05:55,249

Thousands of miles away,

106

00:05:55,249 --> 00:05:58,249

McKinnon uses his computer to hunt for evidence

107

00:05:58,249 --> 00:06:00,248

of these UFO photos.

108

00:06:00,248 --> 00:06:03,248

He's various network commands to strip out the machines

109

00:06:03,248 --> 00:06:06,247

that we're building ain't, and got onto those.

110

00:06:07,247 --> 00:06:10,247

And one day he hit paydirt at the website of US Space Command

111

00:06:10,247 --> 00:06:12,246

and got in there.

112

00:06:12,246 --> 00:06:14,246

And the very first one I was on

113

00:06:14,246 --> 00:06:16,246

literally had what she said.

114

00:06:16,246 --> 00:06:18,245

I can't remember if it was filtered and raw,

115

00:06:18,245 --> 00:06:20,245

processed and unprocessed,

116

00:06:20,245 --> 00:06:21,245

but it was definitely forwarded as whereby

117

00:06:21,245 --> 00:06:23,245

there was a transformation in the data-tech

118

00:06:23,245 --> 00:06:25,244

of place between one and the other.

119

00:06:25,244 --> 00:06:28,244

One of the, maybe the key things Gary McKinnon claimed

120

00:06:28,244 --> 00:06:31,243

that he saw were a series of folders

121

00:06:31,243 --> 00:06:34,243

of filtered and unfiltered NASA images.

122

00:06:34,243 --> 00:06:37,242

So the unfiltered images, he said,

123

00:06:37,242 --> 00:06:40,242

contained space-based images from NASA missions

124

00:06:40,242 --> 00:06:44,241

of really extraordinary types of UFOs.

125

00:06:44,241 --> 00:06:47,241

The filtered versions of those were of the same images

126

00:06:47,241 --> 00:06:51,240

with those craft scrubbed out, clean, nothing in there.

127

00:06:51,240 --> 00:06:56,239

In March 2002, Gary McKinnon was arrested on charges

128

00:06:56,239 --> 00:06:59,238

of hacking into NASA and Pentagon computers

129

00:06:59,238 --> 00:07:01,238

in what they refer to as the biggest military hack

130

00:07:01,238 --> 00:07:03,238

of all time.

131

00:07:03,238 --> 00:07:05,237

I've made full and track of missions all the way down.

132

00:07:05,237 --> 00:07:07,237

Two police interviews, but yes, I did attain

133

00:07:07,237 --> 00:07:10,237

unauthorized access to these systems.

134

00:07:10,237 --> 00:07:13,236

The 46-year-old admits actually hacking the computers.

135

00:07:13,236 --> 00:07:15,236

He doesn't deny that at all.

136

00:07:15,236 --> 00:07:17,235

But he wasn't trying to breach national security.

137

00:07:17,235 --> 00:07:19,235

He's been trying to break the law,

138

00:07:19,235 --> 00:07:21,235

but he wasn't trying to breach national security.

139

00:07:21,235 --> 00:07:24,234

He was simply looking for information about UFOs.

140

00:07:24,234 --> 00:07:28,234

For 10 years, Gary McKinnon faced extradition

141

00:07:28,234 --> 00:07:30,233

and prosecution in the United States

142

00:07:30,233 --> 00:07:34,233

for his national security breach.

143

00:07:34,233 --> 00:07:38,232

The charges were eventually dropped.

144

00:07:38,232 --> 00:07:42,231

But what McKinnon uncovered seems to provide evidence

145

00:07:42,231 --> 00:07:46,231

that in addition to NASA actively concealing UFOs,

146

00:07:46,231 --> 00:07:51,230

there may also be indications of a secret U.S. space fleet,

147

00:07:51,230 --> 00:07:56,229

part of a sophisticated space weapons program.

148

00:07:56,229 --> 00:08:01,228

But if so, how long has this program existed?

149

00:08:01,228 --> 00:08:05,227

MUFON's investigation connects Gary McKinnon's claims

150

00:08:05,227 --> 00:08:10,227

to another file, one that suggests President Ronald Reagan

151

00:08:10,227 --> 00:08:14,226

may have been aware of this secret program.

152

00:08:14,226 --> 00:08:18,225

Over 20 years before McKinnon makes his discovery.

153

00:08:18,225 --> 00:08:21,225

McKinnon's claims are reminiscent of a note

154

00:08:21,225 --> 00:08:25,224

that we retrieved from Reagan's diary written 25 years earlier.

155

00:08:25,224 --> 00:08:28,224

Lunch with five top space scientists.

156

00:08:28,224 --> 00:08:30,223

It was fascinating.

157

00:08:30,223 --> 00:08:33,223

Some of the developments are like science fiction,

158

00:08:33,223 --> 00:08:34,223

except they are real.

159

00:08:34,223 --> 00:08:39,222

I learned that our shuttle capacity is such that we could orbit 300 people.

160

00:08:39,222 --> 00:08:42,221

Our space program consists of five space shuttles

161

00:08:42,221 --> 00:08:45,221

with a crew capacity of eight each.

162

00:08:45,221 --> 00:08:50,220

President Reagan inadvertently gave us a clue to a space program

163

00:08:50,220 --> 00:08:54,219

that was able to hold hundreds of crew members dating back to 1980.

164

00:08:54,219 --> 00:08:59,218

There are claims that Solar Warden also dates back to 1980,

165

00:08:59,218 --> 00:09:03,218

and is this what Ronald Reagan was referring to?

166

00:09:03,218 --> 00:09:08,217

Could it be that the United States has a top secret space weapons program

167

00:09:08,217 --> 00:09:12,216

that has been in existence for over 30 years?

168

00:09:12,216 --> 00:09:17,215

MUFON files also link the program Gary McKinnon discovered

169

00:09:17,215 --> 00:09:22,214

to events that took place in Russia during the Cold War.

170

00:09:22,214 --> 00:09:26,214

There was a real near crisis that occurred

171

00:09:26,214 --> 00:09:29,213

within the Soviet Union and a missile site in Ukraine.

172

00:09:32,213 --> 00:09:36,212

It was very frightening to think how close we came to a nuclear annihilation.

173

00:09:36,212 --> 00:09:42,211

MUFON's investigation continues, revealing the ultimate Cold War scare

174

00:09:42,211 --> 00:09:47,210

and how UFOs almost caused World War III.

175

00:09:58,208 --> 00:10:04,207

MUFON, the mutual UFO network, has collected more than 70,000 case files.

176

00:10:04,207 --> 00:10:08,207

They are stored in a location known as Hangar One.

177

00:10:08,207 --> 00:10:12,206

Now these files are open for the first time.

178

00:10:12,206 --> 00:10:16,205

One file reveals that when British citizen Gary McKinnon

179

00:10:16,205 --> 00:10:19,205

hacks into U.S. government computers,

180

00:10:19,205 --> 00:10:26,204

he may have found evidence of a highly sophisticated U.S. military space weapons program.

181

00:10:28,203 --> 00:10:33,202

What McKinnon discovers seems to confirm what many UFO researchers

182

00:10:33,202 --> 00:10:35,202

already believed.

183

00:10:35,202 --> 00:10:41,201

That a program to develop and build space weapons has existed for decades,

184

00:10:41,201 --> 00:10:47,200

possibly dating back over 30 years, to the presidency of Ronald Reagan.

185

00:10:47,200 --> 00:10:53,199

It is also said that this space weapons program is linked to UFO threats

186

00:10:53,199 --> 00:10:58,198

that occurred in the Soviet Union in the early 1980s.

187

00:11:04,197 --> 00:11:08,197

When we look at the Soviet side of the UFO phenomenon,

188

00:11:08,197 --> 00:11:12,196

one of the things that we learned is that in 1982,

189

00:11:12,196 --> 00:11:17,195

there was a real near crisis that occurred within the Soviet Union

190

00:11:17,195 --> 00:11:20,195

and a missile site in Ukraine.

191

00:11:20,195 --> 00:11:25,194

October 4th, 1982, Biela Korovice, Ukraine.

192

00:11:25,194 --> 00:11:30,193

Around 7 p.m., the skies above the small Soviet village

193

00:11:30,193 --> 00:11:35,192

begin to light up with unusual activity.

194

00:11:35,192 --> 00:11:38,192

Several villages around a Ukraine missile base

195

00:11:38,192 --> 00:11:43,191

started reporting aerial lights that were performing acrobatic maneuvers in the sky.

196

00:11:43,191 --> 00:11:49,190

Witnesses throughout the village report seeing a gigantic flying saucer,

197

00:11:49,190 --> 00:11:53,189

roughly 900 feet in diameter.

198

00:11:53,189 --> 00:11:58,188

I was walking not far from here and I saw a large object in the air.

199

00:11:58,188 --> 00:12:02,187

It had a perfect shape.

200

00:12:02,187 --> 00:12:07,187

For hours, it hovers over the nearby nuclear missile base.

201

00:12:07,187 --> 00:12:11,186

The object looked like a flying saucer, the kind you see in movies.

202

00:12:11,186 --> 00:12:14,185

The outside was smooth, no windows.

203

00:12:14,185 --> 00:12:17,185

The saucer made a perfect turn in the air, just like a plane,

204

00:12:17,185 --> 00:12:21,184

but it didn't make any kind of sound.

205

00:12:21,184 --> 00:12:24,184

I have never seen anything like this before.

206

00:12:24,184 --> 00:12:27,183

And then, while the UFO hovers,

207

00:12:27,183 --> 00:12:34,182

the missile base suddenly experiences a number of critical systems going into launch mode.

208

00:12:34,182 --> 00:12:38,181

Inside the base, a bunker contained nuclear missiles,

209

00:12:38,181 --> 00:12:41,181

and a terrifying thing started happening.

210

00:12:44,180 --> 00:12:47,180

The signal lights on both the panels suddenly turned on,

211

00:12:47,180 --> 00:12:49,180

indicating that a launch was about to happen.

212

00:12:49,180 --> 00:12:51,179

So it's not a UFO shutting them down,

213

00:12:51,179 --> 00:12:55,179

it's a UFO activating it and setting it ready to launch.

214

00:13:02,177 --> 00:13:08,176

Then, the missile launch systems mysteriously deactivate.

215

00:13:09,176 --> 00:13:16,175

The Russians are so alarmed by this event that they send a four-man team to investigate.

216

00:13:16,175 --> 00:13:20,174

But what happened that day could never be explained.

217

00:13:22,174 --> 00:13:25,174

How potentially disastrous was this event?

218

00:13:25,174 --> 00:13:29,173

Well, here we were, involved in a game of chicken with the Soviet Union,

219

00:13:29,173 --> 00:13:31,172

wondering who's going to launch their nukes first.

220

00:13:31,172 --> 00:13:35,172

Neither the Soviets nor the U.S. wanted to start a nuclear war,

221

00:13:35,172 --> 00:13:39,171

and yet that is exactly what almost happened, all because of a UFO.

222

00:13:39,171 --> 00:13:43,170

It was very frightening to think how close we came to a nuclear annihilation.

223

00:13:44,170 --> 00:13:47,170

The Russians were able to shut that down.

224

00:13:47,170 --> 00:13:50,169

But we nearly had World War III breakout,

225

00:13:50,169 --> 00:13:56,168

because the Russians were dealing with this UFO that was almost ready to launch a missile.

226

00:13:56,168 --> 00:14:01,167

It's almost mind-boggling to think about, and yet it appears to have happened.

227

00:14:03,167 --> 00:14:09,166

This UFO incident is just one of many involving Soviet and American nuclear missiles.

228

00:14:09,166 --> 00:14:13,165

During the Cold War and Ronald Reagan's presidency.

229

00:14:13,165 --> 00:14:18,165

All of these events would have bolstered Reagan's resolve to create a national space weapons program,

230

00:14:18,165 --> 00:14:22,164

but at the same time, he couldn't just come right out and tell people about it.

231

00:14:22,164 --> 00:14:27,163

Can you imagine what the reaction would have been had the president made an announcement

232

00:14:27,163 --> 00:14:34,162

that not only is there this Soviet threat, but there's this unknown civilization.

233

00:14:34,162 --> 00:14:41,161

That is here, and that's so far beyond, technologically, anything that the Soviets or we have.

234

00:14:42,161 --> 00:14:47,160

Can you imagine the level of fears of someone who's afraid of a true alien invasion?

235

00:14:48,160 --> 00:14:57,158

Is it possible that these events inspire President Reagan to create one of the most ambitious defense programs in U.S. history?

236

00:14:58,158 --> 00:15:03,157

What if free people from the U.S. were to be killed?

237

00:15:04,157 --> 00:15:12,155

Could live secure in the knowledge that their security did not rest upon the threat of instant U.S. retaliation to deter a Soviet attack?

238

00:15:12,155 --> 00:15:19,154

That we could intercept and destroy strategic ballistic missiles before they reached our own soil or that of our allies.

239

00:15:21,154 --> 00:15:27,153

In March 1983, President Reagan announces the Strategic Defense Initiative,

240

00:15:27,153 --> 00:15:34,152

an elaborate computer-controlled anti-missile defense system comprised of lasers and rockets

241

00:15:34,152 --> 00:15:41,151

that could destroy enemy missiles in outer space.

242

00:15:42,150 --> 00:15:46,150

The Strategic Defense Initiative, or SDI, was proposed during the height of the Cold War

243

00:15:46,150 --> 00:15:50,149

to provide a viable defense against an incoming nuclear attack.

244

00:15:50,149 --> 00:16:00,147

But President Reagan's plan is initially met with skepticism.

245

00:16:00,147 --> 00:16:07,146

When Reagan announced the SDI program, he was ridiculed by not only the press but many others in society

246

00:16:07,146 --> 00:16:14,145

because they thought it was a very ambitious but also unrealistic system in many ways unscientific.

247

00:16:14,145 --> 00:16:17,145

In fact, the media quickly dubbed it Star Wars.

248

00:16:21,144 --> 00:16:28,143

First of all, all of the critics of SDI rightly pointed out that the science behind a space-based anti-ballistic defense

249

00:16:28,143 --> 00:16:32,142

was just ludicrous for the technology of the 1980s. This made no sense whatsoever.

250

00:16:33,142 --> 00:16:43,140

To the public, the Strategic Defense Initiative, or SDI, is an overambitious attempt to deter a Soviet nuclear attack.

251

00:16:44,140 --> 00:16:50,139

But secretly, SDI may be intended for much more.

252

00:16:51,139 --> 00:17:00,137

Throughout the whole SDI era, at least one of our major satellite systems was in fact recording with fair regularity real UFOs in space.

253

00:17:01,137 --> 00:17:07,136

Was the Soviet threat Reagan's only reason for creating the Strategic Defense Initiative?

254

00:17:07,136 --> 00:17:11,135

There's a pretty unique picture of Reagan when it comes to our UFO history.

255

00:17:11,135 --> 00:17:14,135

I mean, he had a couple of personal UFO encounters.

256

00:17:15,135 --> 00:17:23,133

Hanger 1 files reveal that President Reagan may have been motivated to create a space weapons program

257

00:17:23,133 --> 00:17:28,133

as a result of his own personal encounters with UFOs.

258

00:17:29,132 --> 00:17:38,131

According to files contained in Mufan's Hanger 1, British computer hacker Gary McKinnon may have been the key to unlocking evidence

259

00:17:38,131 --> 00:17:43,130

of a secret space weapons program codenamed Solar Warden.

260

00:17:43,130 --> 00:17:48,129

And if this program exists, could it be an offshoot of President Ronald Reagan's

261

00:17:48,129 --> 00:17:55,128

Strategic Defense Initiative, one of the most ambitious defense programs ever conceived?

262

00:17:55,128 --> 00:18:02,127

Mufan files reveal that it wasn't only UFO scares during the Cold War that may have inspired Ronald Reagan,

263

00:18:02,127 --> 00:18:07,126

but also his own personal UFO encounters.

264

00:18:07,126 --> 00:18:14,125

A number of investigations point to an alternate theory of why STI was created, one that went well beyond the Soviets.

265

00:18:14,125 --> 00:18:21,124

Pacific Coast Highway, Los Angeles. While Governor of California, Ronald Reagan and his wife Nancy

266

00:18:21,124 --> 00:18:27,123

are making their way down the coast to attempt to attack the Soviet Union.

267

00:18:27,123 --> 00:18:35,121

The Soviet Union is the only country in the world that has ever been attacked by the Soviet Union.

268

00:18:35,121 --> 00:18:46,119

In Los Angeles, while Governor of California, Ronald Reagan and his wife Nancy are making their way down the coast to attend a dinner party.

269

00:18:46,119 --> 00:18:54,118

It's right around the end of the 1960s, early 70s. Ronald Reagan is Governor of California and he and Nancy are on their way to a party

270

00:18:54,118 --> 00:18:57,118

at the home of William Holden.

271

00:18:57,118 --> 00:19:01,117

Ron and Nancy were going to a Hollywood party. They were at least 30 minutes late.

272

00:19:01,117 --> 00:19:07,116

They might have been as much as an hour late. Everyone was waiting on them and they arrived.

273

00:19:07,116 --> 00:19:14,115

Ashen or just very upset, distressed over what they had experienced and what came out at that gathering

274

00:19:14,115 --> 00:19:19,114

was that they encountered a UFO landed craft off the side of the road.

275

00:19:31,112 --> 00:19:47,109

Not a whole lot else is known about this, but this is one of those stories that really made the rounds in the Hollywood circuit.

276

00:19:47,109 --> 00:19:54,108

It came through a number of sources. Lucille Ball wrote about it and I actually had a conversation off the record on one occasion

277

00:19:54,108 --> 00:19:57,107

with the actress, Shirley McLean, who knew Ronald Reagan very well.

278

00:19:57,107 --> 00:20:02,107

You have to wonder, we'll never really know, were they abducted?

279

00:20:02,107 --> 00:20:09,105

It's the obvious question. They were late to the party. They were deeply upset according to the people who were there.

280

00:20:09,105 --> 00:20:15,104

But this is obviously something that was of deep meaning to Ronald Reagan.

281

00:20:15,104 --> 00:20:20,104

And this isn't Reagan's only UFO encounter.

282

00:20:20,104 --> 00:20:29,102

The second takes place in the summer of 1974 while he is flying to Bakersfield, California on a campaign tour.

283

00:20:29,102 --> 00:20:39,100

During the summer of 1974, he was governor of California and in fact he was in a small Cessna aircraft during a campaign tour.

284

00:20:39,100 --> 00:20:44,100

What ended up happening is that he was on the plane with the pilot and I believe two other individuals.

285

00:20:45,099 --> 00:20:53,098

And they saw outside this white object zigzagging toward their direction.

286

00:20:53,098 --> 00:20:57,097

And nothing that we know is zigzagged, especially not in the 1970s.

287

00:21:01,097 --> 00:21:09,095

MUFON files suggest that these UFO experiences have a powerful impact on Ronald Reagan.

288

00:21:09,095 --> 00:21:16,094

I think this background helps to inform really what you could say was his overriding interest.

289

00:21:16,094 --> 00:21:23,093

President Reagan voices this interest during a speech at the United Nations in 1987.

290

00:21:23,093 --> 00:21:35,091

I occasionally think how quickly our differences worldwide would vanish if we were facing an alien threat from outside this world.

291

00:21:35,091 --> 00:21:40,090

And yet I ask you, is not an alien force already among us?

292

00:21:40,090 --> 00:21:49,089

Is this an extraordinary admission from President Reagan about the existence of UFOs and extraterrestrials?

293

00:21:49,089 --> 00:21:55,088

And if so, would this affect his desire to create a space weapons program?

294

00:21:55,088 --> 00:22:00,087

There's a pretty unique picture of Reagan when it comes to our UFO history.

295

00:22:00,087 --> 00:22:03,086

I mean, he had a couple of personal UFO encounters.

296

00:22:05,086 --> 00:22:12,085

He started thinking about how he could set up a national defense system that could covertly protect us from the threat.

297

00:22:12,085 --> 00:22:19,084

And then when faced with real threats from UFOs, he reached out to other world leaders to test the waters.

298

00:22:21,083 --> 00:22:31,082

If the United States has been developing and building a top secret space weapons program since the 1980s, what exactly have they been working on?

299

00:22:31,082 --> 00:22:34,081

Well, what happened next was a cat-mouse type chase.

300

00:22:34,081 --> 00:22:39,080

Two F-16 pilots would get the UFO on their radar and as soon as they did, it would disappear.

301

00:22:39,080 --> 00:22:43,080

These objects kept coming back month after month after month.

302

00:22:43,080 --> 00:22:57,077

MUFON files reveal evidence that one of the greatest mass UFO sightings in history may actually be the creation of a covert military spacecraft advanced beyond belief.

303

00:22:57,077 --> 00:23:06,076

And later, could our space weapons already be in place, protecting us against threats from outer space?

304

00:23:09,075 --> 00:23:19,073

The files inside Hanger 1 reveal that the United States may have a space-based weapons program that began with President Ronald Reagan.

305

00:23:19,073 --> 00:23:34,071

His reported personal UFO encounters, combined with UFO threats during the Cold War, may have influenced him to form a highly advanced space weapons program called the Strategic Defense Initiative.

306

00:23:34,071 --> 00:23:46,069

MUFON investigators also reveal a possible connection between our rumored space weapons program and one of the greatest mass UFO sightings in history.

307

00:23:47,069 --> 00:23:49,068

The Belgian Wave

308

00:23:56,067 --> 00:24:12,065

Starting in late 1989 and then going through a good portion of 1990, over the nation of Belgium occurred one of the most extraordinary waves of sightings in the modern UFO era and that's of these perfect triangular objects.

309

00:24:13,064 --> 00:24:25,062

November 1989 to April 1990, flat, triangular-shaped objects are seen in and around Belgium more than a thousand times.

310

00:24:25,062 --> 00:24:30,062

These incidents become known as the Belgian Wave.

311

00:24:31,061 --> 00:24:45,059

These objects kept coming back to Belgium month after month after month and the standard object what most people were seeing was a triangular-shaped craft with a red light in the middle and a bright white light on either of the three corners of the triangle.

312

00:24:45,059 --> 00:24:52,058

And there is so much documentation of this case that it's just one of the most fabulous cases we have.

313

00:24:53,058 --> 00:25:03,056

After several months of sightings, the Belgian Wave reaches a point where it can no longer be

ignored.

314

00:25:03,056 --> 00:25:20,053

It culminated on March 30, 31st, 1990, in which large numbers of people in Belgium and also Northwestern Germany saw mystifying, unidentifiable objects zipping around the skies.

315

00:25:21,053 --> 00:25:26,052

The Belgian military is forced to engage the UFO.

316

00:25:26,052 --> 00:25:34,051

There's a Belgian captain that was on patrol and he sees this massive triangle shape hovering in the sky and he immediately calls military headquarters.

317

00:25:34,051 --> 00:25:41,050

Well, meanwhile, local and civilian radar is picking up these gigantic objects, not to mention NATO is too.

318

00:25:42,049 --> 00:25:51,048

Two F-16 jets were scrambled after objects were picked up on radar and reported by the police and seen by witnesses on the ground.

319

00:25:51,048 --> 00:26:04,046

The F-16s went up and observed through their radar all kinds of spectacular erratic anomalous type behaviors of something jumping huge distances in the blink of an eye.

320

00:26:04,046 --> 00:26:08,045

Accelerations just beyond our imagination.

321

00:26:08,045 --> 00:26:12,044

And all these events were being seen on the radar within the plane.

322

00:26:12,044 --> 00:26:23,043

At one point, according to the Belgian military's own analysis, whatever they were tracking was able to drop altitude as much as 4,000 feet within a second.

323

00:26:25,042 --> 00:26:30,041

That's nearly a mile in just one second. It's pretty extraordinary.

324

00:26:30,041 --> 00:26:34,041

But the military encounter doesn't end there.

325

00:26:35,040 --> 00:26:38,040

Well, what happened next was a cat-mouse type chase.

326

00:26:38,040 --> 00:26:44,039

Two F-16 pilots would get the UFO on their radar and as soon as they did, it would disappear. It happened twice.

327

00:26:44,039 --> 00:26:48,038

After an hour-long chase, the UFO was lost over the city of Brussels.

328

00:26:48,038 --> 00:26:53,037

The technical capabilities of this craft are like nothing seen before.

329

00:26:53,037 --> 00:26:59,036

It showed the ability to go very, very slow speeds, slower than any kind of aircraft stall speed.

330

00:26:59,036 --> 00:27:05,035

It shouldn't be able to go that slow. And then to have speeds that were comparable to an F-15, F-16 were faster.

331

00:27:05,035 --> 00:27:08,035

So just incredible range of capability.

332

00:27:11,034 --> 00:27:16,034

This event leads to a formal investigation by the Belgian government.

333

00:27:17,033 --> 00:27:27,032

General De Brouwer, who at the time was a colonel, was instructed by the Minister of Defense in Belgium to sort of manage the Air Force investigation of these events.

334

00:27:27,032 --> 00:27:42,029

Colonel De Brouwer's job was to try to explain them. So he went to other NATO countries, including the United States, to inquire whether this could be some kind of experimental, sophisticated aircraft that maybe one of these countries was test-flying.

335

00:27:43,029 --> 00:28:00,026

Were the UFOs in the Belgian Wave extraterrestrial spacecraft? Or were they in fact built in secret by the US military and being tested as part of a much larger space weapons program?

336

00:28:01,026 --> 00:28:13,024

Mufon files reveal similarities between the Belgian Wave sightings and a rumored top secret military craft known as the TR-3B.

337

00:28:13,024 --> 00:28:18,023

The interesting thing about the TR-3B is how similar it looks to the Belgian sighting.

338

00:28:18,023 --> 00:28:23,022

There is rumors that the TR-3B has been around since the 1990s.

339

00:28:23,022 --> 00:28:33,021

It's my personal assessment that 95% of what people are reporting as extraterrestrial UFOs are in point effect our own deep black programs.

340

00:28:33,021 --> 00:28:39,020

Is it possible that the military may have its own top secret UFOs?

341

00:28:39,020 --> 00:28:49,018

And could the TR-3B be part of Solar Warden, the space fleet that many investigators believe already exists?

342

00:28:49,018 --> 00:28:58,016

Mufon investigators track down rumors of one of the most sophisticated and secretive space weapons in existence.

343

00:28:58,016 --> 00:29:18,013

Hangar One files suggest evidence of a possible US space weapons program that may serve as a shield to protect our planet.

344

00:29:19,013 --> 00:29:34,010

Could there be a connection between this program and top secret US military aircraft said to be responsible for the Belgian Wave, one of the most significant mass UFO sightings in history?

345

00:29:34,010 --> 00:29:40,009

And similar triangular UFOs continue to be seen throughout the world.

346

00:29:41,009 --> 00:29:58,006

Thousands of eyewitnesses around not only the United States but in Europe and Asia have reported seeing these gigantic black triangles that fly silently, that can absolutely go supersonic speeds, exo-atmospheric, without causing any sonic boom.

347

00:29:58,006 --> 00:30:08,005

Black triangles have now become their own class of unidentified flying objects, but people only really started seeing them in the past 50 years or so.

348

00:30:08,005 --> 00:30:26,002

Are these triangles of extraterrestrial origin? Or could they be top secret US aircraft? And is there any connection between these craft and Solar Warden, the top secret space fleet that many UFO researchers believe to exist?

349

00:30:26,002 --> 00:30:36,000

It's my personal assessment that 95% of what people are reporting as extraterrestrial UFOs are in point of fact our own deep black programs.

350

00:30:36,000 --> 00:30:43,999

Black programs are top secret military projects. The government funds them, but they're kept off the main books and away from congressional oversight.

351

00:30:43,999 --> 00:30:55,997

There's one highly secretive craft hidden within a black project called the TR-3B. It's a large triangular craft that can outperform and outmaneuver any other known aircraft.

352

00:30:55,997 --> 00:31:10,994

Many suspect that the TR-3B may be the triangular craft seen in the Belgian Wave.

353

00:31:10,994 --> 00:31:19,992

The interesting thing about the TR-3B is how similar it looks to the Belgian Sighting. Yet if that's what it was, our government is not acknowledging it.

354

00:31:20,992 --> 00:31:35,990

And this technology is super exotic and it costs about \$3 billion just to create one of them. According to insiders, this craft has the ability to cloak itself by bending light.

355

00:31:35,990 --> 00:31:43,988

The TR-3B is not only invisible to radar, but it can also manipulate the radar screen to look like there's multiple targets in the area.

356

00:31:43,988 --> 00:32:00,986

They came in two different sizes, 300 feet per side, the other one was 600 feet per side. They used their propulsion system called a magnetic field disruptor and there's a resultant decrease in the gravitational field, meaning that the G-forces were also decreased by 89%.

357

00:32:00,986 --> 00:32:07,984

So the pilots of this craft only felt 11% of the Gs, which explains some of these pinpoint maneuvers.

358

00:32:07,984 --> 00:32:20,982

Look, it's reasonable to speculate that what the Belgians were seeing were a deeply classified black budget program.

359

00:32:20,982 --> 00:32:31,980

But when Belgian officials ask the United States if these triangular objects are our own top secret aircraft, the government denies any knowledge.

360

00:32:32,980 --> 00:32:41,979

We have a document that was released through the Freedom of Information Act. The U.S. government is actually documenting the fact that De Brouwer spoke to them and asked them about this.

361

00:32:41,979 --> 00:32:53,977

And in this document they state this was not one of our aircraft and we told him that it was not. And in fact it expresses our own government's interest in what was going over there and our curiosity.

362

00:32:53,977 --> 00:32:59,976

This begs the question, what is the truth behind this triangular craft?

363

00:33:00,975 --> 00:33:12,973

Despite thousands of eyewitnesses around the entire world, the U.S. Air Force, the National Reconnaissance Office, the Office of Naval Research, they won't even acknowledge the existence of the black triangles.

364

00:33:12,973 --> 00:33:20,972

So it's a real debate even within the classified world, it turns out. They don't all agree. We have some of these people who say, yes, we do have the capability.

365

00:33:20,972 --> 00:33:29,971

We have like a technology of a breakaway civilization, as it were, that is off the charts. And then others who say no, that's absolutely not the case.

366

00:33:31,970 --> 00:33:47,968

If the government is already hiding technology capable of behaving like a UFO, what Gary McKinnon uncovered seems to provide evidence that a space weapons platform may also exist, with the ability to protect us from otherworldly threats.

367

00:33:47,968 --> 00:33:54,966

This really is the first time that we see advanced weapons designed to identify and target incoming threats from space.

368

00:33:57,966 --> 00:34:03,965

Well, when you look closely at this footage, it does seem like something collides with the asteroid. This might be a space-based weapon.

369

00:34:04,965 --> 00:34:17,963

Our return to Hangar One's archives suggests that space weapons may be in use today, defending us from multiple threats, including deadly asteroids and UFOs.

370

00:34:17,963 --> 00:34:42,958

Mufon's investigation into a US space weapons program traces the possible origins to President Reagan and UFO threats during the Cold War.

371

00:34:42,958 --> 00:34:51,957

The files also reveal that this program may be ongoing, hidden within top secret black

372

00:34:51,957 --> 00:34:54,236

projects.

373

00:34:54,236 --> 00:35:02,635

Is this sophisticated weapons program already protecting us against threats from outer space?

374

00:35:02,635 --> 00:35:15,433

Number one contains files that suggest this might be true.

375

00:35:15,433 --> 00:35:19,312

Chelyabinsk, Russia, 2013.

376

00:35:19,312 --> 00:35:24,831

An asteroid is on a collision course with Earth, threatening massive destruction.

377

00:35:25,591 --> 00:35:32,630

On 15 February 2013, this asteroid entered the atmosphere at about 19 kilometers a second

378

00:35:32,630 --> 00:35:37,589

or roughly 60 times the speed of sound, yielding titanic amounts of energy and eventually the

379

00:35:37,589 --> 00:35:43,188

final explosion low in the atmosphere was over the town of Chelyabinsk, Russia.

380

00:35:43,188 --> 00:35:49,547

The asteroid caused major damage to the city of Chelyabinsk and injured roughly a thousand

381

00:35:49,547 --> 00:35:50,547

people.

382

00:35:50,547 --> 00:35:57,186

It could have been much worse had it impacted Earth, but for some reason it didn't.

383

00:35:57,186 --> 00:36:00,825

Why did this asteroid suddenly break up 15 miles above the Earth's surface?

384

00:36:00,825 --> 00:36:04,145

When you look closely at this footage, it does seem like something collides with the

385

00:36:04,145 --> 00:36:05,144

asteroid.

386

00:36:05,144 --> 00:36:09,064

It goes through it from the left and comes out through the right.

387

00:36:09,064 --> 00:36:14,223

To me this is an indication that this might be a space-based weapon.

388

00:36:14,223 --> 00:36:19,462

But not everyone is convinced that this is proof of a defensive weapon in action.

389

00:36:19,462 --> 00:36:25,701

At the speeds asteroids travel relative to Earth, when they hit our atmosphere coming

390

00:36:25,701 --> 00:36:29,220

from the vacuum of space, that's like hitting a wall.

391

00:36:29,220 --> 00:36:33,060

So oftentimes they explode when they hit the upper atmosphere.

392

00:36:33,060 --> 00:36:37,059

And that's what happened in Chelyabinsk.

393

00:36:37,059 --> 00:36:42,898

In the Chelyabinsk video, we see objects paralleling the main bull-eyed.

394

00:36:42,898 --> 00:36:45,958

A bull-eyed is a generic name for an impactor.

395

00:36:45,958 --> 00:36:50,237

It can be a comet, an asteroid, anything that hits Earth we call a bull-eyed.

396

00:36:50,237 --> 00:36:54,516

We know at least three explosions occurred with this object, two of them high in the

397

00:36:54,516 --> 00:36:55,676

atmosphere.

398

00:36:55,676 --> 00:36:59,835

These are just fragments that blew off earlier that are more or less paralleling the course

399

00:36:59,835 --> 00:37:01,595

of the main bull-eyed.

400

00:37:01,595 --> 00:37:04,434

And they're passing through the atmosphere more quickly.

401

00:37:04,434 --> 00:37:05,434

They're smaller.

402

00:37:05,434 --> 00:37:07,754

There's less friction, there's less of a shockwave.

403

00:37:07,754 --> 00:37:10,433

That's it.

404

00:37:10,433 --> 00:37:15,393

Perhaps if this were the only incident where a projectile or something unexplainable, intercepted

405

00:37:15,513 --> 00:37:19,952

an incoming object from space, this would be easier to dismiss.

406

00:37:19,952 --> 00:37:20,952

But it's not.

407

00:37:20,952 --> 00:37:25,951

The most amazing footage I've seen wasn't captured on Earth, but from NASA's own space

408

00:37:25,951 --> 00:37:28,550

shuttle.

409

00:37:28,550 --> 00:37:35,549

September, 1991, the space shuttle Discovery embarks on mission STS-48.

410

00:37:37,069 --> 00:37:42,308

During the mission, a camera mounted on the rear of the cargo bay captures what appears

411

00:37:42,348 --> 00:37:46,467

to be a very interesting encounter.

412

00:37:46,467 --> 00:37:53,466

On September 15th, 1991, STS is loaded with a camera that's looking at the Earth's horizon.

413

00:37:53,706 --> 00:38:01,505

The space shuttle picks up some footage, and that footage is highly unusual.

414

00:38:01,505 --> 00:38:05,904

What looks to be an asteroid is moving very slowly just below the Kármán line.

415

00:38:05,904 --> 00:38:11,383

There's a flash, and then all of a sudden the asteroid changes direction and accelerates,

416

00:38:11,383 --> 00:38:17,262

avoiding a projectile that was fired at it.

417

00:38:17,262 --> 00:38:22,261

This appears to be very strong evidence that this is not an ordinary asteroid.

418

00:38:22,261 --> 00:38:24,061

This is a UFO.

419

00:38:24,061 --> 00:38:27,940

So here we have this advanced weapon system that's fired upon something that is way more

420

00:38:27,940 --> 00:38:29,620

sophisticated.

421

00:38:29,620 --> 00:38:35,819

The STS-48 video really makes you stop and pause, and NASA isn't giving out this footage,

422

00:38:35,819 --> 00:38:36,659

by the way.

423

00:38:36,659 --> 00:38:41,218

It was picked up by astronomers who are monitoring NASA's direct shuttle feed, and they're

424

00:38:41,218 --> 00:38:47,217

have long been rumors that NASA scrubs any photos containing UFOs before releasing them

425

00:38:47,217 --> 00:38:49,417

to the public.

426

00:38:49,417 --> 00:38:53,536

For what reasons would NASA conceal such images?

427

00:38:53,536 --> 00:38:55,016

There are basically two NASA's.

428

00:38:55,016 --> 00:39:00,095

There's the public NASA, and there's the secret NASA, and there shall the twain meet.

429

00:39:00,095 --> 00:39:01,975

But it's a fair question to ask.

430

00:39:01,975 --> 00:39:08,214

To what extent is NASA a front for other clandestine space activities?

431

00:39:08,214 --> 00:39:09,533

Think of it this way.

432

00:39:09,533 --> 00:39:15,292

If there's a UFO phenomenon that's real, and there sure is, some of that phenomenon is

433

00:39:15,292 --> 00:39:16,892

out in Earth orbit and beyond.

434

00:39:16,892 --> 00:39:22,651

And if that is the case, then you're going to need to investigate that phenomenon just

435

00:39:22,651 --> 00:39:26,491

as much as the stuff in the atmosphere and on the ground.

436

00:39:26,491 --> 00:39:30,170

But if you're going to investigate that, you have to do it in a way that the public and

437

00:39:30,170 --> 00:39:32,290

the world doesn't know you're doing it.

438

00:39:32,290 --> 00:39:37,569

You have to maintain secrecy, and what that means of necessity is you must have a covert

439

00:39:37,569 --> 00:39:39,888

aspect to your space program.

440

00:39:39,888 --> 00:39:42,328

You must.

441

00:39:42,328 --> 00:39:48,927

Hanger 1 contains files that suggest the existence of a secret space weapons program.

442

00:39:48,927 --> 00:39:56,565

But most of these mysteries appear to be locked away in top secret black projects.

443

00:39:56,565 --> 00:40:00,205

It's possible that hidden within the government's black projects, there's technology capable

444

00:40:00,205 --> 00:40:01,965

of shooting down an asteroid.

445

00:40:01,965 --> 00:40:06,244

Some are absolutely convinced that we have a covert military space program, and some

446

00:40:06,244 --> 00:40:11,603

believe we have secret aircraft capable of UFO maneuverability.

447

00:40:11,603 --> 00:40:18,522

As MUFON investigators examine these files, a pattern emerges.

448

00:40:18,522 --> 00:40:24,361

There is overwhelming evidence that UFOs are real, and we have to be alert to the fact

449

00:40:24,361 --> 00:40:28,320

that there are dangers out there that may threaten our planet.

450

00:40:28,320 --> 00:40:36,599

We're only scratching at the surface of what we see and know is out there.

451

00:40:36,599 --> 00:40:42,998

Could there really be a space weapons program in place, miles and miles above us, protecting

452

00:40:42,998 --> 00:40:46,117

Earth and mankind?

453

00:40:46,117 --> 00:40:52,676

The next time you look up to the night sky, you may want to consider what might be hidden

454

00:40:52,676 --> 00:40:52,996

there.
