BROTHER OF LAS VEGAS SHOOTER

ONLY ON FOX

DER 'LIMITED CIRCUMSTANCES' **FOX** JUSTICE DEPT. PROPOSES BANNING | NATIONAL HEADLINES

1
00:00:05,289 --> 00:00:02,450
I saw that you know the CNN and every

2
00:00:09,290 --> 00:00:05,299
channel had dis shooting and I looked

3
00:00:14,320 --> 00:00:09,300
again and they said Stefan paddock and I

4
00:00:16,880 --> 00:00:14,330
said what so I called my mom and my mom

5
00:00:20,090 --> 00:00:16,890
answered the phone and I said is that

6
00:00:27,099 --> 00:00:20,100
Steve and she said I guess so

7
00:00:32,389 --> 00:00:29,330
she didn't want to talk about it

8
00:00:34,130 --> 00:00:32,399
raw emotion from Bruce panic as he

9
00:00:36,740 --> 00:00:34,140
recalls the night his brother Stephen

10
00:00:39,290 --> 00:00:36,750
became the deadliest mass shooter in US

11
00:00:43,729 --> 00:00:39,300
history so I hung up and I saw that he'd

12
00:00:47,270 --> 00:00:43,739
killed a whole bunch of people and I

13
00:00:49,060 --> 00:00:47,280

realized that being sick like me would

14

00:00:52,670 --> 00:00:49,070

make you want to kill a bunch of people

15

00:00:54,590 --> 00:00:52,680

or even shoot at him and it's all about

16

00:00:56,360 --> 00:00:54,600

trying to find out the the truth behind

17

00:00:58,430 --> 00:00:56,370

what really happened in Las Vegas

18

00:01:00,529 --> 00:00:58,440

Jim Breslow interviewed panic on Friday

19

00:01:02,830 --> 00:01:00,539

he's the host of the hidden truth show

20

00:01:05,119 --> 00:01:02,840

Las Vegas shooter it's a podcast

21

00:01:06,890 --> 00:01:05,129

investigating the massacre and he's

22

00:01:09,500 --> 00:01:06,900

given part of that interview to Fox 11

23

00:01:13,090 --> 00:01:09,510

to air exclusively for the very first

24

00:01:16,039 --> 00:01:13,100

time my feeling for other people you

25

00:01:20,870 --> 00:01:16,049

know I care I care more about the people

26

00:01:23,660 --> 00:01:20,880

that were hurt like to sit on the wrong

27

00:01:26,030 --> 00:01:23,670

end of a gun he's in a wheelchair he's

28

00:01:27,800 --> 00:01:26,040

got a spinal condition that he believes

29

00:01:31,280 --> 00:01:27,810

that his brother Steven also suffered

30

00:01:33,620 --> 00:01:31,290

from he believes that that condition was

31

00:01:34,460 --> 00:01:33,630

a motivating factor in him doing what he

32

00:01:36,830 --> 00:01:34,470

did

33

00:01:38,929 --> 00:01:36,840

Breslow told me Bruce panic believes his

34

00:01:41,660 --> 00:01:38,939

brother's controlling nature caused him

35

00:01:44,480 --> 00:01:41,670

to spiral out of control losing money

36

00:01:46,819 --> 00:01:44,490

his girlfriend and other things may have

37

00:01:48,889 --> 00:01:46,829

caused him to snap the loss of the

38

00:01:51,499 --> 00:01:48,899

ability to control everything because he

39

00:01:54,139 --> 00:01:51,509

was always the controlling brother 7

40

00:01:59,060 --> 00:01:54,149

years older than us and raised us took

41

00:02:03,050 --> 00:01:59,070

care of us he was the father and he was

42

00:02:05,149 --> 00:02:03,060

always mom's best choice and you'll

43

00:02:07,039 --> 00:02:05,159

remember shortly after the shooting Isis

44

00:02:09,199 --> 00:02:07,049

claimed responsibility and also claimed

45

00:02:11,119 --> 00:02:09,209

that Steven paddock was a converted

46

00:02:13,220 --> 00:02:11,129

Muslim who carried out the attack on

47

00:02:13,830 --> 00:02:13,230

their behalf breslow from the podcast

48

00:02:15,750 --> 00:02:13,840

tell

49

00:02:18,059 --> 00:02:15,760

me when he asked Bruce paddock about

50

00:02:19,380 --> 00:02:18,069

this he was very dismissive about it and

51
00:02:21,030 --> 00:02:19,390
said that his brother Stephen just

52
00:02:22,860 --> 00:02:21,040
wasn't capable of that

53
00:02:25,110 --> 00:02:22,870
now that podcast interviewed paddock for

54
00:02:26,520 --> 00:02:25,120
a full 90 minutes and if you'd like to

55
00:02:28,380 --> 00:02:26,530
check out the rest of that interview

56
00:02:30,780 --> 00:02:28,390
which you definitely should you can look

57
00:02:33,960 --> 00:02:30,790
forward online this weekend at WWE

58
00:02:35,759 --> 00:02:33,970
truths show our hidden truth show.com

59
00:02:37,410 --> 00:02:35,769
and once again a big time thank you to

60
00:02:39,509 --> 00:02:37,420
them for sharing a portion of that

61
00:02:41,430 --> 00:02:39,519
incredible interview with us guys some

62
00:02:44,009 --> 00:02:41,440
pretty incredible inside right there so

63
00:02:46,350 --> 00:02:44,019

it goes on for a full 90 minutes to give

64

00:02:47,699 --> 00:02:46,360

any other nugget of what you might hear

65

00:02:50,160 --> 00:02:47,709

in that interview one thing that stood

66

00:02:51,720 --> 00:02:50,170

out to you another thing they said they

67

00:02:53,370 --> 00:02:51,730

talked about was he believes that was

68

00:02:55,530 --> 00:02:53,380

not the very first time that Stephen

69

00:02:57,479 --> 00:02:55,540

brought weapons up in the Mandalay Bay

70

00:03:00,030 --> 00:02:57,489

he thinks that perhaps because of his

71

00:03:02,580 --> 00:03:00,040

high roller status and his love of guns

72

00:03:03,869 --> 00:03:02,590

that was known that he had guns he

73

00:03:06,720 --> 00:03:03,879

believes that that was not the very

74

00:03:09,180 --> 00:03:06,730

first time that those weapons were up in

75

00:03:10,949 --> 00:03:09,190

Mandalay Bay but again that's not

76
00:03:12,539 --> 00:03:10,959
confirmed that's his brother saying that

77
00:03:15,150 --> 00:03:12,549
just what we heard right there was

78
00:03:16,650 --> 00:03:15,160
riveting hope and raw real first I

79
00:03:19,110 --> 00:03:16,660
believe that's his first on-camera

80
00:03:20,610 --> 00:03:19,120
interview ever and even a couple minutes

81
00:03:22,620 --> 00:03:20,620
just saying sick like me sick like me

82
00:03:25,590 --> 00:03:22,630
what into child pornography sick like me

83
00:03:27,300 --> 00:03:25,600
Nate he couldn't control sick I'm not

84
00:03:28,650 --> 00:03:27,310
sure and that's why you know the rest of

85
00:03:30,390 --> 00:03:28,660
the podcast people have to check that

86
00:03:32,160 --> 00:03:30,400
out because we just got a short snippet

87
00:03:33,900 --> 00:03:32,170
of it and after talking with the host
