00:00:11,570 --> 00:00:09,450
shooter hosted by Jim Breslow about

5
00:00:13,640 --> 00:00:11,580
what's what's on what's with all the

6
00:00:15,740 --> 00:00:13,650
unknown about the Las Vegas shooting he

7
00:00:17,450 --> 00:00:15,750
had the brother Bruce Patek the brother

8
00:00:18,740 --> 00:00:17,460
of Stephen Patek on and we'll play a

9
00:00:20,480 --> 00:00:18,750
clip of that and then talk to Jim

10
00:00:24,730 --> 00:00:20,490
Breslin John and Ken showed Deborah

11
00:00:27,950 --> 00:00:24,740
marques that it was KFI am 640 right now

12
00:00:32,179 --> 00:00:27,960
we're gonna talk to just a moment with

13
00:00:35,180 --> 00:00:32,189

Jim Breslow where's a podcast hidden

14

00:00:39,020 --> 00:00:35,190

truth wants Vegas shooter hidden truth

15

00:00:41,360 --> 00:00:39,030

show calm and it's it's a show devoted

16

00:00:45,889 --> 00:00:41,370

to trying to unravel all the mysteries

17

00:00:50,360 --> 00:00:45,899

surrounding that's mass murder spree by

18

00:00:52,330 --> 00:00:50,370

Stephen panic he had Stephen paddocks

19

00:00:54,560 --> 00:00:52,340

brother on the other day first panic

20

00:00:56,119 --> 00:00:54,570

remember the the loonie they kind of the

21

00:00:58,819 --> 00:00:56,129

San Fernando Valley was living as a

22

00:01:02,540 --> 00:00:58,829

vagrant for years and they found he had

23

00:01:05,960 --> 00:01:02,550

a child porn tank collection well

24

00:01:07,370 --> 00:01:05,970

somehow somehow Jim Breslow got Bruce

25

00:01:08,929 --> 00:01:07,380

paddock to sit still for any of you

26

00:01:10,160 --> 00:01:08,939

we're gonna play about three minutes of

27

00:01:13,340 --> 00:01:10,170

it and then we're gonna talk to Jim

28

00:01:14,929 --> 00:01:13,350

about how he got Bruce what was in the

29

00:01:17,899 --> 00:01:14,939

rest of the interview and just about all

30

00:01:21,200 --> 00:01:17,909

the bizarre secrecy around the Las Vegas

31

00:01:23,330 --> 00:01:21,210

shooting anyway here is hidden truth

32

00:01:25,460 --> 00:01:23,340

Jim Breslow interviewing Bruce panic the

33

00:01:28,819 --> 00:01:25,470

brother Steven panic but woke up at two

34

00:01:33,140 --> 00:01:28,829

o'clock in the morning for my for my two

35

00:01:35,810 --> 00:01:33,150

o'clock medicine and I saw that you know

36

00:01:39,020 --> 00:01:35,820

that CNN and every channel had to

37

00:01:44,990 --> 00:01:39,030

shooting and I looked again and they

38

00:01:47,510 --> 00:01:45,000

said Stephan Pat Achtung I said what so

39
00:01:50,899 --> 00:01:47,520
I called my mom and my mom answered the

40
00:01:54,710 --> 00:01:50,909
phone and I said is that Steve and she

41
00:01:59,170 --> 00:01:54,720
said I guess out and I asked her was he

42
00:02:05,600 --> 00:02:03,620
she didn't want to talk about it the

43
00:02:08,359 --> 00:02:05,610
most this interview is not gonna go very

44
00:02:17,090 --> 00:02:08,369
well and I don't expect a whole lot of

45
00:02:20,840 --> 00:02:17,100
this be aired because of my my feeling

46
00:02:24,190 --> 00:02:20,850
for other people you know I care I care

47
00:02:26,510 --> 00:02:24,200
more about the people that were hurt

48
00:02:31,670 --> 00:02:26,520
everybody's gotta be like to sit on the

49
00:02:38,780 --> 00:02:31,680
wrong end of a gun why they sell these

50
00:02:41,229 --> 00:02:38,790
weapons so what did she say as far as

51
00:02:46,280 --> 00:02:41,239
when I asked her whether you were sick

52
00:02:47,870 --> 00:02:46,290
she didn't want to talk about so I hung

53
00:02:53,259 --> 00:02:47,880
up and I saw that he'd killed a whole

54
00:02:55,729 --> 00:02:53,269
bunch of people and I realized that

55
00:02:58,670 --> 00:02:55,739
being sick like me wouldn't make you

56
00:03:02,810 --> 00:02:58,680
wanna kill a bunch of people or you

57
00:03:05,440 --> 00:03:02,820
could shoot at him so you think you kind

58
00:03:06,860 --> 00:03:05,450
of understand what was going on and said

59
00:03:09,710 --> 00:03:06,870
did I do

60
00:03:16,670 --> 00:03:09,720
yeah yeah I have to presume what

61
00:03:20,160 --> 00:03:16,680
happened was I was painted the loss of a

62
00:03:24,240 --> 00:03:22,380
the loss of the ability to control

63
00:03:26,700 --> 00:03:24,250

everything because he was always the

64

00:03:29,370 --> 00:03:26,710

controlling brother 7 years older than

65

00:03:33,150 --> 00:03:29,380

us and raised us took care of us he was

66

00:03:38,450 --> 00:03:33,160

the father and he was always mom's best

67

00:03:43,320 --> 00:03:38,460

choice he had the bright red Volkswagen

68

00:03:48,990 --> 00:03:43,330

all the neighbors wanted and he was

69

00:03:54,360 --> 00:03:49,000

always in school so he was the good kid

70

00:03:56,430 --> 00:03:54,370

I can't yeah he was the one always

71

00:03:57,750 --> 00:03:56,440

punished at us for being the bad ones I

72

00:04:00,720 --> 00:03:57,760

don't know if that makes him the good

73

00:04:02,490 --> 00:04:00,730

one or not but we never got punished by

74

00:04:05,520 --> 00:04:02,500

her mother it was always Steve or a

75

00:04:07,500 --> 00:04:05,530

combination of Steve and Pat they say he

76
00:04:13,560 --> 00:04:07,510
was controlling what do you know about

77
00:04:17,280 --> 00:04:13,570
his controlling nature his dream his

78
00:04:19,729 --> 00:04:17,290
dream to have everything looking up at

79
00:04:24,270 --> 00:04:19,739
the crystal on the counter tops going

80
00:04:27,740 --> 00:04:24,280
yeah that's my would need harridan so

81
00:04:32,220 --> 00:04:27,750
when she passes away everything's mine

82
00:04:34,890 --> 00:04:32,230
this mind the whole world was his I mean

83
00:04:37,920 --> 00:04:34,900
he went out and earned it what he earns

84
00:04:40,050 --> 00:04:37,930
you earned himself he had his first

85
00:04:41,640 --> 00:04:40,060
apartment building I think he was still

86
00:04:45,300 --> 00:04:41,650
working for the IRS and had his first

87
00:04:48,720 --> 00:04:45,310
apartment in North Hollywood bought the

88
00:04:51,300 --> 00:04:48,730

building took out the central water

89

00:04:53,640 --> 00:04:51,310

system and put in heater water heaters

90

00:04:55,640 --> 00:04:53,650

in every apartment how was he able to

91

00:05:00,050 --> 00:04:55,650

afford that building did he have help

92

00:05:03,390 --> 00:05:00,060

he's always had my mom all right that's

93

00:05:07,200 --> 00:05:03,400

Bruce paddock the brother Steven paddock

94

00:05:09,630 --> 00:05:07,210

the masked killer in Las Vegas and he's

95

00:05:11,460 --> 00:05:09,640

being interviewed by Jim Breslow and the

96

00:05:13,200 --> 00:05:11,470

podcast is hidden truth and we have Jim

97

00:05:14,909 --> 00:05:13,210

Breslow on the line here Jim thanks for

98

00:05:17,130 --> 00:05:14,919

taking time to come on with us hey John

99

00:05:19,800 --> 00:05:17,140

thanks for having me on how did you get

100

00:05:21,300 --> 00:05:19,810

Bruce paddock on your show especially

101

00:05:28,980 --> 00:05:21,310

since he's facing child pornography

102

00:05:31,500 --> 00:05:28,990

charges a lot of stories that the

103

00:05:32,950 --> 00:05:31,510

mainstream media has kind of lost touch

104

00:05:36,580 --> 00:05:32,960

with and I do there

105

00:05:40,090 --> 00:05:36,590

with covering everything Trump so it's

106

00:05:41,559 --> 00:05:40,100

poetic because it was known that he was

107

00:05:43,870 --> 00:05:41,569

going to be in court for a preliminary

108

00:05:45,939 --> 00:05:43,880

hearing and all I did was send a

109

00:05:48,279 --> 00:05:45,949

reporter over there and she was the only

110

00:05:51,730 --> 00:05:48,289

reporter there he's sitting there in a

111

00:05:53,950 --> 00:05:51,740

wheelchair waiting for his lawyer and

112

00:05:57,070 --> 00:05:53,960

she approaches them and she's you know

113

00:05:58,809 --> 00:05:57,080

got no shame because it goes up to

114

00:06:00,100 --> 00:05:58,819

anybody and chats with him it's on goes

115

00:06:02,529 --> 00:06:00,110

right on up to him next thing you know

116

00:06:04,570 --> 00:06:02,539

she's offering him a cigarette and the

117

00:06:06,129 --> 00:06:04,580

two can get chatting now it wasn't super

118

00:06:08,290 --> 00:06:06,139

easy to get it obviously his first

119

00:06:10,089 --> 00:06:08,300

answer was no but through some various

120

00:06:14,650 --> 00:06:10,099

back-and-forth eventually he agreed to

121

00:06:16,930 --> 00:06:14,660

come on my show I saw a little video

122

00:06:20,260 --> 00:06:16,940

clip of the interview a very very

123

00:06:22,120 --> 00:06:20,270

nervous emotionally fragile guy it

124

00:06:24,430 --> 00:06:22,130

looked like he was like physically

125

00:06:26,170 --> 00:06:24,440

shaking yeah in the clip that I looked

126

00:06:29,290 --> 00:06:26,180

at what what was it like being across

127

00:06:31,450 --> 00:06:29,300

from him well you know he actually has

128

00:06:33,490 --> 00:06:31,460

an engaging personality believe it or

129

00:06:36,010 --> 00:06:33,500

not so I was quite comfortable with him

130

00:06:37,839 --> 00:06:36,020

but by the same token you're sitting

131

00:06:40,149 --> 00:06:37,849

there clearly seeing that something is

132

00:06:45,040 --> 00:06:40,159

off considering the charges he's facing

133

00:06:47,290 --> 00:06:45,050

felony child pornography charges I did

134

00:06:49,450 --> 00:06:47,300

not talk to him about the the charges

135

00:06:50,980 --> 00:06:49,460

that was kind of part of the deal but he

136

00:06:53,439 --> 00:06:50,990

believes he's going to get off of them

137

00:06:54,879 --> 00:06:53,449

based on Satchel limitations I didn't

138

00:06:57,820 --> 00:06:54,889

hear about him getting off of it based

139

00:06:59,830 --> 00:06:57,830

on demerits necessarily but you know I

140

00:07:02,709 --> 00:06:59,840

had nothing to say about whether he had

141

00:07:04,570 --> 00:07:02,719

or didn't have it but you know he

142

00:07:07,560 --> 00:07:04,580

acknowledges himself that there's some

143

00:07:10,600 --> 00:07:07,570

bad DNA in the family yeah

144

00:07:12,430 --> 00:07:10,610

expand on that talk about that that you

145

00:07:15,580 --> 00:07:12,440

know that he and Steven had the same

146

00:07:19,330 --> 00:07:15,590

mental problems okay so he talked about

147

00:07:23,170 --> 00:07:19,340

was he sick like me and I naturally

148

00:07:24,520 --> 00:07:23,180

assumed that meant mental illness right

149

00:07:27,820 --> 00:07:24,530

because he's talking about killing

150

00:07:29,140 --> 00:07:27,830

fifty-eight people and I realized at the

151

00:07:30,879 --> 00:07:29,150

end of the interview that I really

152

00:07:32,860 --> 00:07:30,889

didn't properly follow up on that so I

153

00:07:34,390 --> 00:07:32,870

called him later and I said by the way

154

00:07:35,860 --> 00:07:34,400

you mentioned that the sickness what is

155

00:07:37,480 --> 00:07:35,870

the mental health condition that you're

156

00:07:39,189 --> 00:07:37,490

talking about because what are you

157

00:07:40,300 --> 00:07:39,199

talking about mental health problem the

158

00:07:41,640 --> 00:07:40,310

way you said that you suffer from a

159

00:07:44,760 --> 00:07:41,650

mental he says No

160

00:07:47,340 --> 00:07:44,770

I was talking about my back so he has

161

00:07:50,010 --> 00:07:47,350

final stenosis and it's major he's in a

162

00:07:51,510 --> 00:07:50,020

wheelchair if you look at you know I his

163

00:07:52,590 --> 00:07:51,520

neck is a huge scar he's about to go

164

00:07:54,210 --> 00:07:52,600

back into surgery

165

00:07:56,790 --> 00:07:54,220

his brothers Steve and had back surgery

166

00:07:58,770 --> 00:07:56,800

when he was young so he says he was

167

00:08:00,300 --> 00:07:58,780

talking about the spinal stenosis now on

168

00:08:02,249 --> 00:08:00,310

the one hand there seems to make zero

169

00:08:03,689 --> 00:08:02,259

sense because why would back problems no

170

00:08:05,640 --> 00:08:03,699

matter how serious they are causes you

171

00:08:07,830 --> 00:08:05,650

to go kill a bunch of people but if you

172

00:08:09,480 --> 00:08:07,840

heard what he said he's essentially

173

00:08:12,300 --> 00:08:09,490

saying that hey this back pain is so bad

174

00:08:15,689 --> 00:08:12,310

that you know I've considered suicide

175

00:08:18,060 --> 00:08:15,699

over pain and that is somewhat

176

00:08:20,189 --> 00:08:18,070

understandable right but how he in his

177

00:08:22,170 --> 00:08:20,199

mind connects that with

178

00:08:23,790 --> 00:08:22,180

oh my gosh I could I could imagine being

179

00:08:25,560 --> 00:08:23,800

in this much pain and therefore wanting

180

00:08:30,590 --> 00:08:25,570

to kill people that's a little scary

181

00:08:33,750 --> 00:08:30,600

yeah I mean trying to kill hundreds yeah

182

00:08:35,850 --> 00:08:33,760

and then there's the DNA issue which

183

00:08:37,170 --> 00:08:35,860

goes from the father and as a lot of

184

00:08:38,610 --> 00:08:37,180

people have heard about the father being

185

00:08:41,550 --> 00:08:38,620

on the FBI's most wanted list

186

00:08:43,649 --> 00:08:41,560

yelling notorious con man it ended up

187

00:08:45,780 --> 00:08:43,659

assuming a different name abandons the

188

00:08:48,360 --> 00:08:45,790

family so at one point he doesn't

189

00:08:49,769 --> 00:08:48,370

reference there being bad DNA and family

190

00:08:51,660 --> 00:08:49,779

and we've talked to the number of

191

00:08:54,930 --> 00:08:51,670

psychiatrist and so on and there is

192

00:08:58,250 --> 00:08:54,940

belief that that that can be inherited

193

00:09:02,100 --> 00:08:58,260

and as I say being a psychopath can the

194

00:09:04,470 --> 00:09:02,110

genetics impart nurturing yeah we really

195

00:09:06,750 --> 00:09:04,480

had bad of both right right I mean yeah

196

00:09:08,699 --> 00:09:06,760

because I had a Psychopaths brain I've

197

00:09:11,130 --> 00:09:08,709

had a doctor on who does brain scans

198

00:09:13,019 --> 00:09:11,140

psychopaths and it's actually structured

199

00:09:15,360 --> 00:09:13,029

differently you could spot a psychopath

200

00:09:16,980 --> 00:09:15,370

by looking at brain scan exactly that's

201
00:09:18,630 --> 00:09:16,990
the inheritance mark brain scan though

202
00:09:19,949 --> 00:09:18,640
not a dead brain scan because some

203
00:09:21,540 --> 00:09:19,959
people had actually talking to Bruce

204
00:09:23,280 --> 00:09:21,550
himself about this because he wanted to

205
00:09:26,160 --> 00:09:23,290
know what did the autopsy show he said

206
00:09:27,150 --> 00:09:26,170
his mother who's 90 in stole why I said

207
00:09:28,740 --> 00:09:27,160
there must have been something wrong

208
00:09:30,420 --> 00:09:28,750
with his brain she wanted to see the

209
00:09:32,910 --> 00:09:30,430
results of the autopsy well the autopsy

210
00:09:34,290 --> 00:09:32,920
is back and they said no abnormalities

211
00:09:36,750 --> 00:09:34,300
in the brain but that would be something

212
00:09:39,150 --> 00:09:36,760
like a brain tumor okay right but as you

213
00:09:40,500 --> 00:09:39,160

point out I think that there is some

214

00:09:42,840 --> 00:09:40,510

type of structure of brain waves or

215

00:09:44,040 --> 00:09:42,850

whatever but my understanding is your

216

00:09:45,540 --> 00:09:44,050

first has to be alive when you're

217

00:09:47,820 --> 00:09:45,550

scanning the brain to see that but yes

218

00:09:49,920 --> 00:09:47,830

absolutely there is some trait that can

219

00:09:51,870 --> 00:09:49,930

be inherited but that's only half of the

220

00:09:52,970 --> 00:09:51,880

game as my understanding things got to

221

00:09:55,460 --> 00:09:52,980

combine that

222

00:09:57,830 --> 00:09:55,470

with poor nurturing in here ya know

223

00:09:59,270 --> 00:09:57,840

father Jim hang on I will continue in

224

00:10:01,820 --> 00:09:59,280

just a moment your Breslau host of the

225

00:10:03,920 --> 00:10:01,830

hidden truth podcast it's devoted

226

00:10:06,560 --> 00:10:03,930

exclusively to the Las Vegas shooting

227

00:10:08,420 --> 00:10:06,570

and he recently had first paddock

228

00:10:11,570 --> 00:10:08,430

Stephen paddocks brother on his guest

229

00:10:14,060 --> 00:10:11,580

Johnny kensho KFI your chance with \$1000

230

00:10:15,710 --> 00:10:14,070

is coming up we continue with Jim

231

00:10:19,070 --> 00:10:15,720

Breslow host of the hidden truth prog

232

00:10:21,380 --> 00:10:19,080

podcast devoted exclusively to the Las

233

00:10:23,470 --> 00:10:21,390

Vegas shooting which still has a lot of

234

00:10:27,950 --> 00:10:23,480

mystery about it and recently he had

235

00:10:30,590 --> 00:10:27,960

Stephen paddocks brother Bruce on the

236

00:10:36,590 --> 00:10:30,600

show and we're gonna continue with Jim

237

00:10:39,650 --> 00:10:36,600

here uh Jim the brother that you had on

238

00:10:41,540 --> 00:10:39,660

Bruce he talked about thinking his dad

239

00:10:44,540 --> 00:10:41,550

was dead until he was 19

240

00:10:46,970 --> 00:10:44,550

yeah crazy story so basically the mom

241

00:10:50,150 --> 00:10:46,980

raised the boys to believe that their

242

00:10:52,880 --> 00:10:50,160

father was dead because he knew that he

243

00:10:55,370 --> 00:10:52,890

was either in prison or he was on the

244

00:10:55,700 --> 00:10:55,380

run from the FBI or living under another

245

00:10:57,710 --> 00:10:55,710

name

246

00:11:01,010 --> 00:10:57,720

and she thought it would be better for

247

00:11:04,370 --> 00:11:01,020

her boys to think that he was dead and

248

00:11:06,800 --> 00:11:04,380

think that he was in prison so but

249

00:11:09,320 --> 00:11:06,810

something happens where she basically

250

00:11:11,540 --> 00:11:09,330

decides it's time to tell them Bruce was

251
00:11:13,340 --> 00:11:11,550
19 at the time and I guess Stephen would

252
00:11:16,280 --> 00:11:13,350
have been about 25 at the time and she

253
00:11:17,960 --> 00:11:16,290
gathers the four boys in a room to let

254
00:11:21,920 --> 00:11:17,970
them know for the first time that um

255
00:11:24,650 --> 00:11:21,930
actually your dad is alive this wasn't

256
00:11:27,200 --> 00:11:24,660
very well with Bruce and he did not

257
00:11:30,230 --> 00:11:27,210
speak to his mother so he says for

258
00:11:31,750 --> 00:11:30,240
another 25 years she said that your

259
00:11:34,490 --> 00:11:31,760
father would like to meet you guys and

260
00:11:36,410 --> 00:11:34,500
to say yes to say no the two younger

261
00:11:38,990 --> 00:11:36,420
ones say yes they want to meet him so

262
00:11:41,450 --> 00:11:39,000
Bruce at 19 and his younger brother Eric

263
00:11:43,340 --> 00:11:41,460

who I think may have been 17 decided to

264

00:11:46,370 --> 00:11:43,350

go go see their father and they head off

265

00:11:48,470 --> 00:11:46,380

on a road trip they helped in a in a

266

00:11:50,960 --> 00:11:48,480

truck and head off from Southern

267

00:11:53,420 --> 00:11:50,970

California up to Oregon sounds like it's

268

00:11:55,190 --> 00:11:53,430

from a movie that's true his head up in

269

00:11:58,540 --> 00:11:55,200

a truck to go meet their father for the

270

00:12:00,560 --> 00:11:58,550

first time and what was the meeting like

271

00:12:02,810 --> 00:12:00,570

well he met him by the side of the road

272

00:12:04,850 --> 00:12:02,820

that was because there wasn't a girl in

273

00:12:06,410 --> 00:12:04,860

those days and cell phones and so on so

274

00:12:09,800 --> 00:12:06,420

they pick a meet important the side of

275

00:12:12,020 --> 00:12:09,810

the road to meet him and basically he's

276

00:12:13,760 --> 00:12:12,030

going by another name he's going by

277

00:12:16,970 --> 00:12:13,770

instead of Benjamin paddock he's going

278

00:12:19,940 --> 00:12:16,980

by Bruce Erickson so he took first

279

00:12:23,000 --> 00:12:19,950

paddock his son's first name it's the

280

00:12:26,270 --> 00:12:23,010

other boys last a first name Eric

281

00:12:28,340 --> 00:12:26,280

Eric's son get it so Bruce Erickson is

282

00:12:30,920 --> 00:12:28,350

his new name but he's known Mike bingo

283

00:12:32,690 --> 00:12:30,930

Bruce up in Oregon at this point because

284

00:12:35,780 --> 00:12:32,700

he's running was essentially an illegal

285

00:12:38,480 --> 00:12:35,790

bingo hall part of his conman activities

286

00:12:40,130 --> 00:12:38,490

and it didn't go very well I think they

287

00:12:41,360 --> 00:12:40,140

spent two or three days with him he

288

00:12:44,090 --> 00:12:41,370

mostly talked about himself

289

00:12:46,460 --> 00:12:44,100

no tears are shed no apologies you know

290

00:12:49,790 --> 00:12:46,470

kind of typical psychopath behavior as a

291

00:12:51,760 --> 00:12:49,800

father yeah so that was that did not

292

00:12:54,140 --> 00:12:51,770

ease with trauma just intensified it

293

00:12:57,110 --> 00:12:54,150

probably yeah an interesting that

294

00:12:59,450 --> 00:12:57,120

Stephen had no interest in a medium but

295

00:13:02,240 --> 00:12:59,460

you know you wonder again playing a

296

00:13:03,680 --> 00:13:02,250

psychologist here what's going on when

297

00:13:05,810 --> 00:13:03,690

you're raised without a father and

298

00:13:07,430 --> 00:13:05,820

you're wanting to get the love of your

299

00:13:10,340 --> 00:13:07,440

father that you never did often times

300

00:13:12,770 --> 00:13:10,350

replicating the behavior of father can

301
00:13:14,780 --> 00:13:12,780
be something that's done so here's yeah

302
00:13:16,550 --> 00:13:14,790
I they're robbing banks and here's

303
00:13:19,280 --> 00:13:16,560
Stephen trying to beat the house in

304
00:13:20,870 --> 00:13:19,290
Vegas yeah I mean all that follows I

305
00:13:24,290 --> 00:13:20,880
mean that that's a common pattern among

306
00:13:26,660 --> 00:13:24,300
and there's many adults who were very

307
00:13:29,630 --> 00:13:26,670
angry over fathers who have abandoned

308
00:13:30,800 --> 00:13:29,640
them divorces abuse you know there's

309
00:13:32,720 --> 00:13:30,810
plenty people running around with that

310
00:13:35,660 --> 00:13:32,730
kind of anger and there's plenty of

311
00:13:39,380 --> 00:13:35,670
people who replicate their parents sins

312
00:13:42,590 --> 00:13:39,390
but so spectacularly to kill 58 people

313
00:13:46,850 --> 00:13:42,600

and they shouldn't know 500 I mean

314

00:13:49,310 --> 00:13:46,860

Baghdad that's just unfathomable yeah so

315

00:13:51,290 --> 00:13:49,320

if you you know Bruce believes that it

316

00:13:53,000 --> 00:13:51,300

was him at his brother acting alone that

317

00:13:54,110 --> 00:13:53,010

he was in controlling nature and when

318

00:13:55,520 --> 00:13:54,120

you realize you couldn't beat the house

319

00:13:58,850 --> 00:13:55,530

and started losing and you know

320

00:14:00,950 --> 00:13:58,860

spectacularly and also lost his

321

00:14:02,930 --> 00:14:00,960

girlfriend at the same time that he

322

00:14:05,780 --> 00:14:02,940

would say that it was revenge so here is

323

00:14:08,390 --> 00:14:05,790

a brother speculating but getting into

324

00:14:11,210 --> 00:14:08,400

the head of his brother in saying that

325

00:14:14,990 --> 00:14:11,220

this was revenge revenge on the casino

326

00:14:17,269 --> 00:14:15,000

revenge on Las Vegas he's going to screw

327

00:14:19,850 --> 00:14:17,279

the Mandalay Bay

328

00:14:20,780 --> 00:14:19,860

is gonna screw Las Vegas by doing this

329

00:14:22,879 --> 00:14:20,790

it's sick

330

00:14:25,249 --> 00:14:22,889

obviously it's sex so to say that's an

331

00:14:26,179 --> 00:14:25,259

explanation is of course silly but you

332

00:14:28,550 --> 00:14:26,189

know when you're sick

333

00:14:30,259 --> 00:14:28,560

well yeah it's a crazy person a crazy

334

00:14:33,230 --> 00:14:30,269

person might have a crazy trigger to do

335

00:14:35,660 --> 00:14:33,240

this so so uh Steven panic what was his

336

00:14:37,610 --> 00:14:35,670

system was working for a long time it's

337

00:14:39,170 --> 00:14:37,620

part of the reason he accumulated so

338

00:14:41,960 --> 00:14:39,180

much money but then it stopped working

339

00:14:43,309 --> 00:14:41,970

right yeah yeah you've got one doctor

340

00:14:44,989 --> 00:14:43,319

saying he thought he was bipolar

341

00:14:47,569 --> 00:14:44,999

at one point you've got him taking

342

00:14:51,290 --> 00:14:47,579

anti-anxiety medications we have him may

343

00:14:54,739 --> 00:14:51,300

be having an addiction to gambling

344

00:14:55,549 --> 00:14:54,749

you've got child pornography also on his

345

00:14:58,249 --> 00:14:55,559

computer

346

00:15:02,119 --> 00:14:58,259

Steven panic yes I hadn't heard then oh

347

00:15:05,420 --> 00:15:02,129

yeah both brothers and now that starts

348

00:15:08,239 --> 00:15:05,430

pointing back to dad again a bit and you

349

00:15:10,100 --> 00:15:08,249

wonder about dad again I'll just throw

350

00:15:12,259 --> 00:15:10,110

this out there that if you look at the

351

00:15:14,720 --> 00:15:12,269

history of the father he was he was

352

00:15:17,569 --> 00:15:14,730

known for volunteering at Boys Clubs oh

353

00:15:19,549 --> 00:15:17,579

geez yeah that's that's a red flag then

354

00:15:20,929 --> 00:15:19,559

you got you guys few more minutes sure

355

00:15:22,999 --> 00:15:20,939

because I want to talk about tests

356

00:15:24,619 --> 00:15:23,009

there's just a general mystery that

357

00:15:27,949 --> 00:15:24,629

still hangs over this case because there

358

00:15:29,840 --> 00:15:27,959

there's so little information that has

359

00:15:31,999 --> 00:15:29,850

come out about the investigation and

360

00:15:33,769 --> 00:15:32,009

about the hotel's role so just hang on

361

00:15:36,290 --> 00:15:33,779

Jim Breslow host of the hidden truth a

362

00:15:38,449 --> 00:15:36,300

podcast it's devoted to the Las Vegas

363

00:15:48,009 --> 00:15:38,459

shooting more coming up John and Ken

364

00:15:54,590 --> 00:15:52,910

am 640 we continue Jim Breslow he's got

365

00:15:58,129 --> 00:15:54,600

a podcast called hidden truth

366

00:16:00,679 --> 00:15:58,139

Las Vegas shooter interest show.com and

367

00:16:03,350 --> 00:16:00,689

he got first panic on as again statics

368

00:16:07,329 --> 00:16:03,360

brother Steven Patek who killed 58 and

369

00:16:11,449 --> 00:16:07,339

shot over 500 others in Las Vegas and

370

00:16:14,480 --> 00:16:11,459

Bruce is dealing with his own child

371

00:16:17,480 --> 00:16:14,490

pornography charges but sat down for an

372

00:16:20,720 --> 00:16:17,490

interview we're talking about the

373

00:16:23,360 --> 00:16:20,730

relationship between the mom the dad the

374

00:16:26,269 --> 00:16:23,370

brothers but Jim what has been a few

375

00:16:28,999 --> 00:16:26,279

minutes on something that's been

376

00:16:31,000 --> 00:16:29,009

baffling it's just I mean there was a

377

00:16:34,519 --> 00:16:31,010

headline just the other day in the 8th

378

00:16:37,490 --> 00:16:34,529

there's 750 hours of video 2,000 calls

379

00:16:40,250 --> 00:16:37,500

to 9-1-1 from the Vegas shooting almost

380

00:16:42,470 --> 00:16:40,260

all that is unseen and unheard and there

381

00:16:45,110 --> 00:16:42,480

has seemed to be a news blackout for all

382

00:16:48,680 --> 00:16:45,120

these months where we don't know much

383

00:16:50,600 --> 00:16:48,690

more than we did on the first day yeah

384

00:16:52,070 --> 00:16:50,610

well hence 30s and why we're still

385

00:16:53,840 --> 00:16:52,080

digging the thing that everybody's

386

00:16:56,120 --> 00:16:53,850

waiting for at this point is the FBI

387

00:16:59,030 --> 00:16:56,130

report FBI is promising the report

388

00:17:01,940 --> 00:16:59,040

within the one-year anniversary of the

389

00:17:04,220 --> 00:17:01,950

shooting so we're at six months this

390

00:17:06,020 --> 00:17:04,230

Sunday so that means we got another six

391

00:17:09,169 --> 00:17:06,030

months to go until we find out what the

392

00:17:12,049 --> 00:17:09,179

FBI has to say that strikes us as a long

393

00:17:14,360 --> 00:17:12,059

time there is a lot of things to dig

394

00:17:17,510 --> 00:17:14,370

through here and uncover I think it is

395

00:17:20,390 --> 00:17:17,520

unusual that the FBI is releasing no

396

00:17:23,000 --> 00:17:20,400

information whatsoever but you know I do

397

00:17:25,010 --> 00:17:23,010

believe it's a terror investigation and

398

00:17:26,540 --> 00:17:25,020

that's what they're digging into they're

399

00:17:28,790 --> 00:17:26,550

trying to see if there is a link to

400

00:17:30,710 --> 00:17:28,800

terror here and don't forget Isis did

401
00:17:34,280 --> 00:17:30,720
claimed responsibility for this shooting

402
00:17:36,080 --> 00:17:34,290
twice it would be really difficult to

403
00:17:39,650 --> 00:17:36,090
believe that Steven panic had an Isis

404
00:17:41,600 --> 00:17:39,660
connection yeah well and we asked Bruce

405
00:17:42,860 --> 00:17:41,610
about that in the interview and and we

406
00:17:44,060 --> 00:17:42,870
have the first half posted up on the

407
00:17:46,400 --> 00:17:44,070
hidden truth show and we're going to

408
00:17:48,350 --> 00:17:46,410
post in the second half on Sunday we

409
00:17:51,380 --> 00:17:48,360
talked about that but I would agree with

410
00:17:54,200 --> 00:17:51,390
you on the one hand it seems to be no

411
00:17:56,299 --> 00:17:54,210
connection you do however have another

412
00:17:59,780 --> 00:17:56,309
scenario where there was the guy who's

413
00:18:02,180 --> 00:17:59,790

the former Marine white guy marine who

414

00:18:04,340 --> 00:18:02,190

converts to Islam gets a Muslim name and

415

00:18:05,690 --> 00:18:04,350

was going to attack Fisherman's Wharf in

416

00:18:08,000 --> 00:18:05,700

San Francisco and that was busted by the

417

00:18:09,860 --> 00:18:08,010

FBI two months ago so until I heard that

418

00:18:10,580 --> 00:18:09,870

story I would have normally thought you

419

00:18:12,590 --> 00:18:10,590

know no way

420

00:18:15,680 --> 00:18:12,600

Steven Patek now Isis actually says that

421

00:18:17,390 --> 00:18:15,690

patty gave himself a Muslim name and you

422

00:18:20,060 --> 00:18:17,400

know they did claim responsibility very

423

00:18:22,280 --> 00:18:20,070

soon after the shooting and you would

424

00:18:24,380 --> 00:18:22,290

think that normally the motive is

425

00:18:26,630 --> 00:18:24,390

discovered very quickly in these

426

00:18:28,070 --> 00:18:26,640

situations so it doesn't little odd that

427

00:18:29,299 --> 00:18:28,080

Isis would be so quick to claim

428

00:18:32,360 --> 00:18:29,309

responsibility when it could have been

429

00:18:33,860 --> 00:18:32,370

discredited very quickly and frankly it

430

00:18:35,330 --> 00:18:33,870

hasn't been fully discredited until now

431

00:18:38,450 --> 00:18:35,340

because we don't know what his motive

432

00:18:41,210 --> 00:18:38,460

was Mandalay Bay has also been and the

433

00:18:43,280 --> 00:18:41,220

parent company MGM has been really

434

00:18:45,110 --> 00:18:43,290

squirrely about information

435

00:18:47,510 --> 00:18:45,120

we only had the security guard in the

436

00:18:49,730 --> 00:18:47,520

hallway who briefly came out of hiding

437

00:18:51,320 --> 00:18:49,740

did an Ellen DeGeneres interview and

438

00:18:54,170 --> 00:18:51,330

there were three different stories

439

00:18:58,280 --> 00:18:54,180

spread about the timing of when he got

440

00:19:00,620 --> 00:18:58,290

to the panics floor and when he got shot

441

00:19:02,240 --> 00:19:00,630

at like none of the stories added up

442

00:19:05,540 --> 00:19:02,250

because there were so many of them and

443

00:19:07,790 --> 00:19:05,550

then he disappeared and then the Las

444

00:19:11,660 --> 00:19:07,800

Vegas police stopped talking' MGM

445

00:19:15,250 --> 00:19:11,670

stopped talking I wondered if the MGM

446

00:19:17,540 --> 00:19:15,260

fears it has tremendous liability and

447

00:19:19,280 --> 00:19:17,550

because this is Las Vegas they have

448

00:19:22,370 --> 00:19:19,290

great influence on the Las Vegas police

449

00:19:23,990 --> 00:19:22,380

department is shut up - oh you're poking

450

00:19:26,420 --> 00:19:24,000

at all kinds of things there and all of

451

00:19:29,810 --> 00:19:26,430

those are correct yes they're facing a

452

00:19:32,330 --> 00:19:29,820

massive massive litigation remember they

453

00:19:34,750 --> 00:19:32,340

were also the co promoters of this

454

00:19:37,730 --> 00:19:34,760

events and this event is happening

455

00:19:40,640 --> 00:19:37,740

directly across from their hotel I

456

00:19:43,280 --> 00:19:40,650

obviously went inspected the event and

457

00:19:46,160 --> 00:19:43,290

so forth and looked at it and you look

458

00:19:48,350 --> 00:19:46,170

at where he shot from and I hate to say

459

00:19:50,840 --> 00:19:48,360

it but your reaction is holy cow he was

460

00:19:53,030 --> 00:19:50,850

in the perfect location to do what he

461

00:19:55,520 --> 00:19:53,040

did and the natural question would be

462

00:19:57,770 --> 00:19:55,530

you're directly across from 22000

463

00:20:00,650 --> 00:19:57,780

concert goes outside you're the co

464

00:20:02,840 --> 00:20:00,660

promoter of the event tell me what extra

465

00:20:05,360 --> 00:20:02,850

security did you have in place at your

466

00:20:06,500 --> 00:20:05,370

hotel in light of this event I guarantee

467

00:20:09,500 --> 00:20:06,510

you the attorneys are asking that

468

00:20:11,720 --> 00:20:09,510

question and I have a feeling they don't

469

00:20:14,720 --> 00:20:11,730

have a good answer to that because I

470

00:20:16,970 --> 00:20:14,730

would have thought that Las Vegas knows

471

00:20:18,680 --> 00:20:16,980

what a spectacular target it would be

472

00:20:23,650 --> 00:20:18,690

and that they would constantly

473

00:20:26,450 --> 00:20:23,660

constantly be on alert for mass killings

474

00:20:28,940 --> 00:20:26,460

yeah now you know did anybody anticipate

475

00:20:30,230 --> 00:20:28,950

this type of shooting I mean you know to

476

00:20:32,510 --> 00:20:30,240

give you an example the fact that it

477

00:20:35,510 --> 00:20:32,520

wasn't anticipated all of the police

478

00:20:37,100 --> 00:20:35,520

were deployed to the events there was a

479

00:20:39,230 --> 00:20:37,110

very few police that went to the

480

00:20:41,420 --> 00:20:39,240

Mandalay Bay they all went to the event

481

00:20:43,100 --> 00:20:41,430

everybody there you talked to to the

482

00:20:44,630 --> 00:20:43,110

people that were at the event they

483

00:20:46,430 --> 00:20:44,640

thought the shooters were on the ground

484

00:20:47,480 --> 00:20:46,440

they were shooting from Las Vegas they

485

00:20:49,040 --> 00:20:47,490

all thought there's multiple shooters

486

00:20:51,650 --> 00:20:49,050

first of all hence a lot of conspiracy

487

00:20:53,640 --> 00:20:51,660

theories and they all assumed that they

488

00:20:55,410 --> 00:20:53,650

were being hunted down so

489

00:20:57,480 --> 00:20:55,420

no one on the ground really anticipated

490

00:20:59,700 --> 00:20:57,490

it coming from a building and all the

491

00:21:01,890 --> 00:20:59,710

police are deployed I mean it in an hour

492

00:21:03,990 --> 00:21:01,900

they didn't breach his room until an

493

00:21:06,960 --> 00:21:04,000

hour after he stopped shooting how many

494

00:21:09,000 --> 00:21:06,970

officers were there five five total

495

00:21:10,980 --> 00:21:09,010

officers they're all the rest of them is

496

00:21:14,570 --> 00:21:10,990

SWAT teams etc etc they're all on the

497

00:21:19,020 --> 00:21:14,580

ground at the festival a lot of people I

498

00:21:21,210 --> 00:21:19,030

founded it's hard to understand how a

499

00:21:23,070 --> 00:21:21,220

guy could walk in and out in and out and

500

00:21:26,550 --> 00:21:23,080

I'm talking about Steven panic in of the

501
00:21:29,520 --> 00:21:26,560
hotel with so much weaponry so much

502
00:21:32,490 --> 00:21:29,530
ammunition and nobody at the hotel

503
00:21:34,200 --> 00:21:32,500
nobody in security notices yeah well I

504
00:21:36,030 --> 00:21:34,210
got a good one for you on that

505
00:21:38,070 --> 00:21:36,040
if you listen to our interview and

506
00:21:39,420 --> 00:21:38,080
hidden through show with Bruce he

507
00:21:41,940 --> 00:21:39,430
believes this was not the first time

508
00:21:44,610 --> 00:21:41,950
that his brother brought guns in there

509
00:21:47,310 --> 00:21:44,620
you know Vegas isn't no tourist town for

510
00:21:49,080 --> 00:21:47,320
shooting ranges and in panic it used to

511
00:21:51,780 --> 00:21:49,090
go shooting there all the time

512
00:21:54,630 --> 00:21:51,790
so for a high-roller to bring his guns

513
00:21:56,790 --> 00:21:54,640

up to his room to clean them or assemble

514

00:21:58,350 --> 00:21:56,800

them or what have you I have a feeling

515

00:22:01,170 --> 00:21:58,360

they were made I'm getting this from

516

00:22:02,730 --> 00:22:01,180

Bruce but that Steven felt like big deal

517

00:22:04,230 --> 00:22:02,740

yeah he was cool as a cucumber as

518

00:22:06,630 --> 00:22:04,240

they're bringing them up maybe they

519

00:22:08,400 --> 00:22:06,640

brought them up before or maybe he knew

520

00:22:09,840 --> 00:22:08,410

that hey worst case if they find him on

521

00:22:11,070 --> 00:22:09,850

this video you know no big deal I'm just

522

00:22:12,450 --> 00:22:11,080

you know I was at the shooting range and

523

00:22:14,400 --> 00:22:12,460

I'm just bringing him up to my room oh

524

00:22:16,530 --> 00:22:14,410

sorry sorry if I'm not allowed

525

00:22:17,760 --> 00:22:16,540

are you fine I imagine you've made a lot

526

00:22:19,620 --> 00:22:17,770

of phone calls trying to get a lot of

527

00:22:21,540 --> 00:22:19,630

guests and a lot of comments on this are

528

00:22:23,310 --> 00:22:21,550

you finding that everybody involved is

529

00:22:25,500 --> 00:22:23,320

unusually tight-lipped are you having a

530

00:22:27,720 --> 00:22:25,510

hard time getting somebody to talk even

531

00:22:28,980 --> 00:22:27,730

off the record well you know to be

532

00:22:31,770 --> 00:22:28,990

honest with you we haven't even tried

533

00:22:33,810 --> 00:22:31,780

Vegas police and FBI because tons of

534

00:22:35,010 --> 00:22:33,820

media especially in Vegas has been

535

00:22:36,240 --> 00:22:35,020

trying to get that as you point out

536

00:22:37,830 --> 00:22:36,250

they've been tight-lipped you're not

537

00:22:39,330 --> 00:22:37,840

gonna get anything out of really that

538

00:22:41,010 --> 00:22:39,340

one statement from FBI and that

539

00:22:42,630 --> 00:22:41,020

basically that they see no terror links

540

00:22:44,480 --> 00:22:42,640

Vegas police

541

00:22:47,250 --> 00:22:44,490

to their credit you can go on our

542

00:22:48,870 --> 00:22:47,260

website and we have the police report

543

00:22:50,520 --> 00:22:48,880

there and it's about 80 pages long and

544

00:22:51,690 --> 00:22:50,530

it's very detailed there's a lot of

545

00:22:54,450 --> 00:22:51,700

detailed information in the Las Vegas

546

00:22:56,460 --> 00:22:54,460

police report do you think that

547

00:23:00,330 --> 00:22:56,470

ultimately there's going to be some

548

00:23:02,700 --> 00:23:00,340

surprise twist that explains this or at

549

00:23:05,210 --> 00:23:02,710

least explains why there's so little

550

00:23:07,490 --> 00:23:05,220

information out now

551
00:23:09,710 --> 00:23:07,500
in there I think so I think so

552
00:23:11,510 --> 00:23:09,720
something's og we may never know I can't

553
00:23:14,450 --> 00:23:11,520
imagine that we're never gonna know I

554
00:23:16,010 --> 00:23:14,460
mean the FBI they've got 400 specialists

555
00:23:17,360 --> 00:23:16,020
on this thing I mean they're digging

556
00:23:18,409 --> 00:23:17,370
through everything for all the stuff

557
00:23:19,850 --> 00:23:18,419
that we've uncovered they probably

558
00:23:21,890 --> 00:23:19,860
uncovered ten times what we've uncovered

559
00:23:23,690 --> 00:23:21,900
but you know you do have things like the

560
00:23:26,240 --> 00:23:23,700
seven cell phones if this guy's acting

561
00:23:27,500 --> 00:23:26,250
alone why did you have seven cell phones

562
00:23:30,200 --> 00:23:27,510
you got a missing hard drive that

563
00:23:31,340 --> 00:23:30,210

they're trying to figure out so yes I

564

00:23:32,779 --> 00:23:31,350

think there's something we're gonna

565

00:23:33,230 --> 00:23:32,789

learn something new before this is all

566

00:23:34,789 --> 00:23:33,240

over

567

00:23:36,710 --> 00:23:34,799

do you have a hard time trying to keep

568

00:23:39,140 --> 00:23:36,720

yourself on the rails and not go off

569

00:23:41,090 --> 00:23:39,150

into conspiracy theory land well you

570

00:23:42,440 --> 00:23:41,100

know I'm naturally not necessarily a

571

00:23:44,450 --> 00:23:42,450

conspiracy theorist but you know when

572

00:23:46,549 --> 00:23:44,460

you don't have answers then you've got

573

00:23:49,399 --> 00:23:46,559

to look into those so you can't scoff at

574

00:23:50,450 --> 00:23:49,409

them so we look at them Isis is if you

575

00:23:51,890 --> 00:23:50,460

call that a conspiracy theory that

576

00:23:54,289 --> 00:23:51,900

that's clearly one you've got the Saudi

577

00:23:56,299 --> 00:23:54,299

prince theory you've heard that one but

578

00:23:59,149 --> 00:23:56,309

no the Saudi prince was staying at the

579

00:24:01,549 --> 00:23:59,159

Four Seasons above paddock and and

580

00:24:03,020 --> 00:24:01,559

there's an allegation and he wound up in

581

00:24:05,270 --> 00:24:03,030

jail two weeks later back in Saudi

582

00:24:08,180 --> 00:24:05,280

Arabia by the crown prince when he was

583

00:24:10,399 --> 00:24:08,190

putting with the corruption charges so

584

00:24:11,810 --> 00:24:10,409

there's this conspiracy theory that

585

00:24:13,190 --> 00:24:11,820

there was an attempted assassination on

586

00:24:14,659 --> 00:24:13,200

the crown prince who was also in Vegas

587

00:24:16,430 --> 00:24:14,669

at the time now now it all ty used

588

00:24:18,080 --> 00:24:16,440

together with Patek that takes a lot of

589

00:24:19,370 --> 00:24:18,090

patchwork but just to give you an

590

00:24:21,289 --> 00:24:19,380

example to take the stuff that's out

591

00:24:22,100 --> 00:24:21,299

there hi Jim good talking with you

592

00:24:24,590 --> 00:24:22,110

thanks John

593

00:24:29,799 --> 00:24:24,600

thank you Joe Thank You patty Jim

594

00:24:34,970 --> 00:24:32,270

he's got part two of his interview with

595

00:24:38,600 --> 00:24:34,980

600

00:24:50,899 --> 00:24:50,070

601

00:24:53,210 --> 00:24:50,909
