

1
00:00:04,070 --> 00:00:01,819
all right let's bring in Jim Breslow the

2
00:00:05,869 --> 00:00:04,080
host of the podcast the hidden truth Las

3
00:00:08,059 --> 00:00:05,879
Vegas shooting Jim thank you for being

4
00:00:10,459 --> 00:00:08,069
here and we want to talk about the

5
00:00:12,230 --> 00:00:10,469
interview you were able to unpack a lot

6
00:00:14,360 --> 00:00:12,240
in just a moment but first can I ask you

7
00:00:18,349 --> 00:00:14,370
how did you land the interview with the

8
00:00:20,750 --> 00:00:18,359
brother your studios in Encino pretty

9
00:00:22,189 --> 00:00:20,760
incredible yeah we felt that to get to

10
00:00:23,330 --> 00:00:22,199
the bottom of what really happened and

11
00:00:24,380 --> 00:00:23,340
that's what we're trying to do is find

12
00:00:25,820 --> 00:00:24,390
out that who went and where and it's

13
00:00:27,920 --> 00:00:25,830

unbelievable that we still don't have

14

00:00:29,870 --> 00:00:27,930

those answers today but we thought you

15

00:00:31,519 --> 00:00:29,880

have to go to the family and there's

16

00:00:33,620 --> 00:00:31,529

only a couple family members that hadn't

17

00:00:35,510 --> 00:00:33,630

spoken and he was one of them and he's

18

00:00:38,240 --> 00:00:35,520

currently facing felony charges of child

19

00:00:39,530 --> 00:00:38,250

pornography possession in Los Angeles

20

00:00:41,540 --> 00:00:39,540

and we learned that there was a

21

00:00:43,459 --> 00:00:41,550

preliminary hearing coming up we sent

22

00:00:45,290 --> 00:00:43,469

our reporter over there and there was

23

00:00:48,380 --> 00:00:45,300

Bruce in his wheelchair by himself

24

00:00:51,439 --> 00:00:48,390

waiting for his lawyer to come and she

25

00:00:53,180 --> 00:00:51,449

approached him and ultimately offered

26
00:00:57,020 --> 00:00:53,190
him a cigarette and next thing you know

27
00:00:59,450 --> 00:00:57,030
we had him on the show so on Friday you

28
00:01:01,160 --> 00:00:59,460
gave us the exclusive about the the

29
00:01:02,810 --> 00:01:01,170
interview and you aired it on Friday

30
00:01:04,910 --> 00:01:02,820
part one part two is coming up

31
00:01:07,460 --> 00:01:04,920
the following Monday yes what moved you

32
00:01:10,340 --> 00:01:07,470
the most about what he had to say well

33
00:01:12,980 --> 00:01:10,350
it was riveting the family tragedy I

34
00:01:15,230 --> 00:01:12,990
think the father was on the FBI's most

35
00:01:17,840 --> 00:01:15,240
wanted list the mother had told the

36
00:01:19,700 --> 00:01:17,850
family that the father was dead she

37
00:01:22,700 --> 00:01:19,710
Huddle's the boys around when he's about

38
00:01:23,210 --> 00:01:22,710

19 how does this as I have something to

39

00:01:27,109 --> 00:01:23,220

tell you

40

00:01:29,420 --> 00:01:27,119

your father is alive and he's a bank

41

00:01:31,399 --> 00:01:29,430

robber etc and you could imagine the

42

00:01:32,840 --> 00:01:31,409

impact on these four boys to learn for

43

00:01:35,149 --> 00:01:32,850

the first time at that age that their

44

00:01:37,700 --> 00:01:35,159

father is actually alive Bruce said he

45

00:01:40,969 --> 00:01:37,710

didn't speak to his mother again for 25

46

00:01:42,950 --> 00:01:40,979

years as a result but he did go see his

47

00:01:44,600 --> 00:01:42,960

father the shooter the older brother

48

00:01:46,520 --> 00:01:44,610

Stephen was chose not to see the father

49

00:01:48,440 --> 00:01:46,530

Jim you discovered a lot of things in

50

00:01:50,810 --> 00:01:48,450

this podcast yeah that I had heard and

51
00:01:54,109 --> 00:01:50,820
we read anew in the news a lot that also

52
00:01:55,160 --> 00:01:54,119
um Stephen had seven cell phones so a

53
00:01:56,840 --> 00:01:55,170
lot of people asking the question why

54
00:01:59,330 --> 00:01:56,850
would somebody acting alone be carrying

55
00:02:00,859 --> 00:01:59,340
seven cell phones that's why there's so

56
00:02:02,810 --> 00:02:00,869
many unanswered questions the FBI is

57
00:02:04,459 --> 00:02:02,820
deep into their investigation right now

58
00:02:08,330 --> 00:02:04,469
but that's why we need to keep going

59
00:02:09,919 --> 00:02:08,340
this investigation Bruce Patek he

60
00:02:12,530 --> 00:02:09,929
basically believes that his brother

61
00:02:13,820 --> 00:02:12,540
acted alone he believes that he broke as

62
00:02:15,170 --> 00:02:13,830
a result of gambling

63
00:02:17,390 --> 00:02:15,180

that's in the break up with his

64

00:02:19,250 --> 00:02:17,400

girlfriend and that basically snapped it

65

00:02:22,280 --> 00:02:19,260

still doesn't explain to any of us why

66

00:02:23,570 --> 00:02:22,290

you would go and do this that's why it

67

00:02:25,910 --> 00:02:23,580

still leaves open questions because if

68

00:02:27,410 --> 00:02:25,920

he was truly acting alone why do you

69

00:02:29,780 --> 00:02:27,420

need seven cellphones if he's truly

70

00:02:31,190 --> 00:02:29,790

acting why was there 18 guns brought

71

00:02:33,620 --> 00:02:31,200

into the room that he had brought there

72

00:02:35,330 --> 00:02:33,630

before apparently too well this is a you

73

00:02:36,890 --> 00:02:35,340

need weapons in and out of mandalay

74

00:02:39,200 --> 00:02:36,900

before this is what his brother

75

00:02:41,990 --> 00:02:39,210

speculates and the brother did a lot of

76

00:02:43,700 --> 00:02:42,000

speculating I got to be clear but it is

77

00:02:45,110 --> 00:02:43,710

his brother so would your the brother

78

00:02:46,340 --> 00:02:45,120

speculate for someone else do you give

79

00:02:48,380 --> 00:02:46,350

it a little bit more credibility he

80

00:02:50,420 --> 00:02:48,390

speculates that absolutely this is not

81

00:02:52,730 --> 00:02:50,430

the first time the Stephen Patek had

82

00:02:55,280 --> 00:02:52,740

brought guns into the Mandalay Bay Hotel

83

00:02:57,470 --> 00:02:55,290

so Bruce Patek talks about the moment he

84

00:03:00,920 --> 00:02:57,480

learns his brother Stephen is a Las

85

00:03:03,320 --> 00:03:00,930

Vegas shooter take a listen I saw that

86

00:03:07,070 --> 00:03:03,330

you know the CNN and every channel had

87

00:03:10,510 --> 00:03:07,080

this shooting and I looked again and

88

00:03:14,590 --> 00:03:10,520

they said Steffen paddock and I said

89

00:03:17,000 --> 00:03:14,600

what so I called my mom and my mom

90

00:03:21,620 --> 00:03:17,010

answered the phone and I said is that

91

00:03:28,370 --> 00:03:21,630

Steve and she said I guess so and I

92

00:03:33,320 --> 00:03:28,380

asked her was was he sick like me she

93

00:03:35,960 --> 00:03:33,330

didn't want to talk about it yeah what

94

00:03:37,699 --> 00:03:35,970

does that mean yes well one would assume

95

00:03:39,949 --> 00:03:37,709

that he's talking about some type of

96

00:03:42,890 --> 00:03:39,959

mental illness now he does suffer from

97

00:03:44,660 --> 00:03:42,900

spinal stenosis Bruce does and I

98

00:03:46,250 --> 00:03:44,670

followed up with him on this I called

99

00:03:48,259 --> 00:03:46,260

him about this because I did want to

100

00:03:50,840 --> 00:03:48,269

clarify he said that he was talking

101
00:03:52,640 --> 00:03:50,850
about the spinal condition now I don't

102
00:03:54,530 --> 00:03:52,650
know if that's the case or not whether

103
00:03:57,259 --> 00:03:54,540
there's a mental issue and the family

104
00:04:00,080 --> 00:03:57,269
clearly Stephens suffered from some type

105
00:04:01,640 --> 00:04:00,090
of mental illness but you talked about

106
00:04:04,070 --> 00:04:01,650
the Spain the the pain is and actually

107
00:04:05,570 --> 00:04:04,080
Steven did have back surgery the shooter

108
00:04:07,430 --> 00:04:05,580
had back surgery at a young age but he

109
00:04:08,990 --> 00:04:07,440
also said Stephen was a successful one

110
00:04:10,550 --> 00:04:09,000
in the family the one that was kind of a

111
00:04:12,590 --> 00:04:10,560
leader of the family even cared for all

112
00:04:16,330 --> 00:04:12,600
the boys yes keep in mind you've got

113
00:04:18,770 --> 00:04:16,340

four boys raised without a father and

114

00:04:20,570 --> 00:04:18,780

but yes Stephen was basically the

115

00:04:22,310 --> 00:04:20,580

default father he was seven years older

116

00:04:25,100 --> 00:04:22,320

than Bruce so he was the father figure

117

00:04:27,470 --> 00:04:25,110

but he said from a very early age he was

118

00:04:28,970 --> 00:04:27,480

about wealth and material accumulate

119

00:04:32,060 --> 00:04:28,980

and he remembered him even pointing to

120

00:04:33,830 --> 00:04:32,070

crystals up on the stand in his mother's

121

00:04:35,630 --> 00:04:33,840

dining room and saying that those would

122

00:04:37,880 --> 00:04:35,640

be mine one day this is a very broken

123

00:04:40,430 --> 00:04:37,890

family and a family that is battling

124

00:04:41,780 --> 00:04:40,440

demons and you under I understand you

125

00:04:43,490 --> 00:04:41,790

you called and you have another

126
00:04:45,710 --> 00:04:43,500
interview you have a follow-up coming up

127
00:04:47,000 --> 00:04:45,720
yes the second half well the second half

128
00:04:50,120 --> 00:04:47,010
of this interview will air on Monday

129
00:04:51,890 --> 00:04:50,130
right and I also Stillman touch with

130
00:04:53,960 --> 00:04:51,900
Bruce and I think that he probably wants

131
00:04:56,510 --> 00:04:53,970
to reveal more so there may be follow-up

132
00:04:59,420 --> 00:04:56,520
interviews with him he's he's got some

133
00:05:00,800 --> 00:04:59,430
interesting theories that in information

134
00:05:02,060 --> 00:05:00,810
that he didn't want to share with me yet

135
00:05:04,540 --> 00:05:02,070
but he still wants to people that

136
00:05:06,590 --> 00:05:04,550
haven't heard again your podcast again

137
00:05:07,730 --> 00:05:06,600
it's called the hidden truth hidden

138
00:05:11,600 --> 00:05:07,740

truth Las Vegas shooter

139

00:05:13,040 --> 00:05:11,610

yeah and it's it's fascinating well we

140

00:05:15,050 --> 00:05:13,050

decided that there's certain subjects

141

00:05:16,430 --> 00:05:15,060

that aren't getting proper coverage in

142

00:05:18,770 --> 00:05:16,440

the beauty of podcast is you can go

143

00:05:20,360 --> 00:05:18,780

deeper dives into things so you know

144

00:05:22,400 --> 00:05:20,370

here we've got Las Vegas shooting the

145

00:05:24,350 --> 00:05:22,410

greatest the largest shooting in

146

00:05:26,660 --> 00:05:24,360

American history and yet it's barely

147

00:05:27,980 --> 00:05:26,670

covered anymore we don't have the answer

148

00:05:29,720 --> 00:05:27,990

so we thought that was a perfect story

149

00:05:31,400 --> 00:05:29,730

for us to start with and try and find

150

00:05:34,250 --> 00:05:31,410

answers and we're thrilled that were

151

00:05:36,140 --> 00:05:34,260

able to start finding some answers to

152

00:05:37,250 --> 00:05:36,150

the shooting and really for the victims

153

00:05:39,380 --> 00:05:37,260

we've interviewed a number of the

154

00:05:40,490 --> 00:05:39,390

victims and they do say it's important

155

00:05:42,950 --> 00:05:40,500

for them for closure

156

00:05:45,020 --> 00:05:42,960

to know what happened until we know what

157

00:05:46,490 --> 00:05:45,030

happened and why it happened how can we

158

00:05:48,050 --> 00:05:46,500

try to guard against this in the future

159

00:05:49,580 --> 00:05:48,060

all right so listeners should check it

160

00:05:50,930 --> 00:05:49,590

out for themselves and the upcoming one

161

00:05:52,280 --> 00:05:50,940

in the following Monday Jim thank you we

162

00:05:54,920 --> 00:05:52,290

should note also that Bruce paddock
