been over nine months since the shooting

6
00:00:23,390 --> 00:00:20,760

and we still don't know why he did what

7
00:00:26,000 --> 00:00:23,400

he did whether he acted alone was

8
00:00:28,609 --> 00:00:26,010

terrorism involved we're still waiting

9
00:00:31,910 --> 00:00:28,619

for the FBI's report in the course of

10
00:00:34,700 --> 00:00:31,920

our investigation we stumbled upon his

11
00:00:37,729 --> 00:00:34,710

brother Bruce we landed the only

12
00:00:40,340 --> 00:00:37,739

interview with Bruce Patek brother of

13
00:00:41,569 --> 00:00:40,350

the shooter we've learned through the

14

00:00:43,729 --> 00:00:41,579

course of our investigation that the

15

00:00:45,910 --> 00:00:43,739

paddock family is a fascinating family

16

00:00:49,910 --> 00:00:45,920

we interviewed a friend of the father

17

00:00:51,920 --> 00:00:49,920

the father was a psychopath conman bank

18

00:00:54,619 --> 00:00:51,930

robber who wound up on the FBI's most

19

00:00:57,639 --> 00:00:54,629

wanted list he left the family when the

20

00:01:01,760 --> 00:00:57,649

children were young there are four kids

21

00:01:04,189 --> 00:01:01,770

Stephen the oldest the shooter second

22

00:01:05,719 --> 00:01:04,199

oldest was Eric who you may have seen

23

00:01:07,550 --> 00:01:05,729

his interview that he did in front of

24

00:01:09,410 --> 00:01:07,560

his home a bizarre and rambling

25

00:01:11,240 --> 00:01:09,420

interview the day after the shooting we

26

00:01:14,450 --> 00:01:11,250

cover it on the podcast and played the

27

00:01:16,399 --> 00:01:14,460

interview for you in its entirety then

28

00:01:19,190 --> 00:01:16,409

there's Bruce who has his own criminal

29

00:01:20,870 --> 00:01:19,200

past and in fact was chasing facing

30

00:01:22,910 --> 00:01:20,880

child pornography charges at the time

31

00:01:25,730 --> 00:01:22,920

that we found him and interviewed him he

32

00:01:28,340 --> 00:01:25,740

has since beaten those charges and then

33

00:01:31,359 --> 00:01:28,350

there's Patrick who works for the

34

00:01:34,520 --> 00:01:31,369

government Arizona and has laid low

35

00:01:36,560 --> 00:01:34,530

Bruce tells a fascinating story about

36

00:01:38,660 --> 00:01:36,570

when the four of them were called to

37

00:01:41,270 --> 00:01:38,670

their mother's house and she told them

38

00:01:45,050 --> 00:01:41,280

for the first time that their father was

39

00:01:47,030 --> 00:01:45,060

alive until that time she had led them

40

00:01:50,179 --> 00:01:47,040

all to believe that their father was

41

00:01:51,950 --> 00:01:50,189

dead Bruce tells that story and how he

42

00:01:54,530 --> 00:01:51,960

and his brother hopped in a car for a

43

00:01:57,410 --> 00:01:54,540

road trip up to Oregon to go see their

44

00:01:58,010 --> 00:01:57,420

father for the first time what happened

45

00:02:01,310 --> 00:01:58,020

next

46

00:02:04,700 --> 00:02:01,320

will shock you you need to watch this

47

00:02:06,440 --> 00:02:04,710

video of our interview with Bruce if you

48

00:02:08,029 --> 00:02:06,450

enjoy the interview I highly suggest

49

00:02:08,660 --> 00:02:08,039

that you check out the hidden truth show

50

00:02:11,869 --> 00:02:08,670

podcast

51
00:02:13,790 --> 00:02:11,879
Las Vegas shooter I started my interview

52
00:02:15,620 --> 00:02:13,800
with Bruce by having him

53
00:02:18,460 --> 00:02:15,630
tell us what it felt like to learn for

54
00:02:21,320 --> 00:02:18,470
the first time what his brother had done

55
00:02:22,580 --> 00:02:21,330
okay so tell me what do you remember you

56
00:02:25,040 --> 00:02:22,590
saw it on television it's him

57
00:02:28,280 --> 00:02:25,050
yeah woke up at two o'clock in the

58
00:02:33,140 --> 00:02:28,290
morning from my for my two o'clock

59
00:02:35,570 --> 00:02:33,150
medicine and I saw that you know the CNN

60
00:02:39,470 --> 00:02:35,580
and every channel had this shooting and

61
00:02:44,810 --> 00:02:39,480
I looked again and they said Stefan

62
00:02:47,180 --> 00:02:44,820
paddock I said why so I called my mom

63
00:02:51,310 --> 00:02:47,190

and my mom answered the phone and I said

64

00:02:59,240 --> 00:02:51,320

is that Steve and she said I guess oh

65

00:03:02,840 --> 00:02:59,250

and I asked was he sick like me she

66

00:03:04,430 --> 00:03:02,850

didn't want to talk about it see most

67

00:03:07,430 --> 00:03:04,440

this interviews not going to go very

68

00:03:15,860 --> 00:03:07,440

well and I don't expect a whole lot of

69

00:03:19,520 --> 00:03:15,870

this to be aired because of my my

70

00:03:21,440 --> 00:03:19,530

feeling for other people you know I care

71

00:03:25,430 --> 00:03:21,450

I care more about the people that were

72

00:03:30,560 --> 00:03:25,440

hurt and what it's gotta be like to sit

73

00:03:37,760 --> 00:03:30,570

on the wrong end of a gun why they sell

74

00:03:38,750 --> 00:03:37,770

these weapons so what did she say as far

75

00:03:45,050 --> 00:03:38,760

as when you asked her whether he was

76

00:03:46,820 --> 00:03:45,060

sick she didn't want to talk about so I

77

00:03:51,290 --> 00:03:46,830

hung up and I saw that he'd killed a

78

00:03:54,770 --> 00:03:51,300

whole bunch of people and I realized

79

00:03:57,890 --> 00:03:54,780

that being sick like me would make you

80

00:04:03,500 --> 00:03:57,900

want to kill a bunch of people or even

81

00:04:05,990 --> 00:04:03,510

shoot at him so you think you kind of

82

00:04:10,160 --> 00:04:06,000

understand what was going on in his head

83

00:04:12,760 --> 00:04:10,170

that I do yeah yeah I have to presume

84

00:04:17,560 --> 00:04:12,770

what happened

85

00:04:22,540 --> 00:04:17,570

was uh was paid in the loss of a lot of

86

00:04:24,580 --> 00:04:22,550

things the loss of the ability to

87

00:04:26,830 --> 00:04:24,590

control everything because he was always

88

00:04:29,620 --> 00:04:26,840

the controlling brother seven years

89

00:04:34,420 --> 00:04:29,630

older than us and raised us took care of

90

00:04:38,320 --> 00:04:34,430

us he was the father and he was always

91

00:04:43,980 --> 00:04:38,330

mom's best choice he had the the bright

92

00:04:50,500 --> 00:04:43,990

red Volkswagen all the neighbors wanted

93

00:04:56,230 --> 00:04:50,510

and he was always in school so he was

94

00:04:57,940 --> 00:04:56,240

the good kid I guess yeah he was the one

95

00:04:59,470 --> 00:04:57,950

always punishing us for being the bad

96

00:05:04,060 --> 00:04:59,480

ones I don't know if that makes him the

97

00:05:09,580 --> 00:05:04,070

good one or not but we never got

98

00:05:17,320 --> 00:05:12,040

it was always Steve or a combination of

99

00:05:19,330 --> 00:05:17,330

Steve and Pat he said he was controlling

100

00:05:27,490 --> 00:05:19,340

what do you know about his controlling

101

00:05:39,340 --> 00:05:27,500

nature his dream his dream to have

102

00:05:44,500 --> 00:05:39,350

everything money-wise objects he always

103

00:05:47,860 --> 00:05:44,510

had to have you know looking up at the

104

00:05:51,460 --> 00:05:47,870

crystal on the counter tops going yeah

105

00:05:54,870 --> 00:05:51,470

oh that's mine with the inheritance and

106

00:06:01,360 --> 00:05:54,880

when she passes away everything's mind

107

00:06:04,360 --> 00:06:01,370

his mind that the whole world was his he

108

00:06:10,080 --> 00:06:04,370

I mean he went out and earned it what he

109

00:06:14,860 --> 00:06:12,940

he had his first apartment building I

110

00:06:16,780 --> 00:06:14,870

think he was still working for the IRS

111

00:06:21,580 --> 00:06:16,790

and had his first apartment North

112

00:06:23,530 --> 00:06:21,590

Hollywood bought the building took out

113

00:06:25,800 --> 00:06:23,540

the central water system and put in

114

00:06:28,300 --> 00:06:25,810

heater water heaters in every apartment

115

00:06:30,970 --> 00:06:28,310

how was he able to afford that building

116

00:06:34,900 --> 00:06:30,980

did he have help yeah he's always had my

117

00:06:37,260 --> 00:06:34,910

mom and she had her money from where my

118

00:06:42,480 --> 00:06:37,270

father's always worked for a living she

119

00:06:46,270 --> 00:06:42,490

worked for Semco scientific engineering

120

00:06:49,360 --> 00:06:46,280

but as a secretary right yeah well she

121

00:06:51,250 --> 00:06:49,370

was a partner ended up being a partner I

122

00:06:53,770 --> 00:06:51,260

ended up taking a bunch of the stock oh

123

00:06:58,390 --> 00:06:53,780

so she made some significant money from

124

00:06:59,920 --> 00:06:58,400

that she's always had money you know she

125

00:07:03,220 --> 00:06:59,930

was the one that bought the Volkswagen

126

00:07:04,840 --> 00:07:03,230

she bought my first car she's always

127

00:07:06,340 --> 00:07:04,850

taking care of us and what about from

128

00:07:08,140 --> 00:07:06,350

your father did you guys receive any

129

00:07:09,990 --> 00:07:08,150

money from the father how could we

130

00:07:12,100 --> 00:07:10,000

receive money from him he was in prison

131

00:07:15,070 --> 00:07:12,110

well but then he came out and became

132

00:07:19,810 --> 00:07:15,080

bingo Bruce what was that after we were

133

00:07:21,520 --> 00:07:19,820

all 21 uh-huh so so basically there was

134

00:07:22,220 --> 00:07:21,530

no business ventures with your father

135

00:07:25,610 --> 00:07:22,230

among

136

00:07:27,410 --> 00:07:25,620

any of you guys Steve and Pat never met

137

00:07:30,350 --> 00:07:27,420

my father it was just me and Eric that

138

00:07:32,270 --> 00:07:30,360

went up to Oregon and met him well

139

00:07:34,460 --> 00:07:32,280

Steven you mean since you're a child

140

00:07:37,100 --> 00:07:34,470

because I think wasn't even like seven

141

00:07:43,070 --> 00:07:37,110

when you went to jail something like

142

00:07:44,750 --> 00:07:43,080

that I was like - yeah log - so hard for

143

00:07:46,760 --> 00:07:44,760

me to comment on something like that

144

00:07:49,670 --> 00:07:46,770

so you have no memory from him as a

145

00:07:52,220 --> 00:07:49,680

child Steven you think may or may not

146

00:07:53,450 --> 00:07:52,230

have had some memory he never he never

147

00:07:56,350 --> 00:07:53,460

mentioned it to me

148

00:07:59,360 --> 00:07:56,360

we were raised believing he was dead and

149

00:08:01,160 --> 00:07:59,370

then we never talked about him

150

00:08:03,410 --> 00:08:01,170

and then about how did you find out

151
00:08:06,470 --> 00:08:03,420
where he was one day my mom called me I

152
00:08:08,030 --> 00:08:06,480
was at my girlfriend's house in Granada

153
00:08:10,370 --> 00:08:08,040
Hills and she called me from his Sun

154
00:08:12,380 --> 00:08:10,380
Valley Alison told me that I had to come

155
00:08:15,020 --> 00:08:12,390
over and I told her I didn't want to and

156
00:08:18,040 --> 00:08:15,030
she told me you got to come over and she

157
00:08:20,900 --> 00:08:18,050
started crying so I went over there and

158
00:08:25,130 --> 00:08:20,910
she decided she'd spring that on us

159
00:08:27,350 --> 00:08:25,140
because he I guess was leaning on her

160
00:08:31,400 --> 00:08:27,360
that he was gonna spring it on us so she

161
00:08:32,390 --> 00:08:31,410
thought she would tell us she'd lied to

162
00:08:34,400 --> 00:08:32,400
us our whole lives

163
00:08:38,719 --> 00:08:34,410

so she had told you that he had passed

164

00:08:40,940 --> 00:08:38,729

away yeah you know strange things

165

00:08:43,730 --> 00:08:40,950

happened with her boyfriend from Sam

166

00:08:45,830 --> 00:08:43,740

code the owner telling us you know that

167

00:08:51,050 --> 00:08:45,840

he was gonna start hair plugs

168

00:08:52,640 --> 00:08:51,060

for men a hair factory because but I

169

00:08:54,110 --> 00:08:52,650

said why would you do that he said well

170

00:08:58,280 --> 00:08:54,120

you're gonna be bald like your father I

171

00:09:00,830 --> 00:08:58,290

said how do you know my father she

172

00:09:07,370 --> 00:09:00,840

slipped up and he said well he'd seen

173

00:09:10,100 --> 00:09:07,380

pictures and there was always that thing

174

00:09:12,830 --> 00:09:10,110

in my mind because I was raised being

175

00:09:14,540 --> 00:09:12,840

told you're just like your father and as

176

00:09:18,650 --> 00:09:14,550

a child you think that's a good thing

177

00:09:21,570 --> 00:09:18,660

but as you realize doing a voice it's

178

00:09:26,590 --> 00:09:23,590

what do you what do you think she meant

179

00:09:33,700 --> 00:09:26,600

by just like your father because every

180

00:09:34,360 --> 00:09:33,710

time I got into trouble I was just like

181

00:09:36,690 --> 00:09:34,370

my father

182

00:09:39,160 --> 00:09:36,700

did you guys have any father figure

183

00:09:41,950 --> 00:09:39,170

growing up at any stepfathers or she had

184

00:09:44,920 --> 00:09:41,960

boyfriends or anything no Sam from Samko

185

00:09:48,040 --> 00:09:44,930

was the only boyfriend we ever had and

186

00:09:50,410 --> 00:09:48,050

that was just he'd come over once in a

187

00:09:52,030 --> 00:09:50,420

while and brush his teeth with a

188

00:09:56,350 --> 00:09:52,040

washcloth in the sink that's all I

189

00:09:59,800 --> 00:09:56,360

remember with a washcloth yeah well in

190

00:10:02,079 --> 00:09:59,810

the morning he'd be I guess he didn't

191

00:10:03,340 --> 00:10:02,089

have a toothbrush in there so yeah

192

00:10:05,050 --> 00:10:03,350

whatever

193

00:10:06,550 --> 00:10:05,060

what was Semco by the way what kinds

194

00:10:09,660 --> 00:10:06,560

ient if ik engineering manufacturing

195

00:10:12,700 --> 00:10:09,670

corporation what did they'd make

196

00:10:17,610 --> 00:10:12,710

thermocouples for aircrafts oh wow

197

00:10:20,590 --> 00:10:17,620

so there's a significant business yeah I

198

00:10:22,960 --> 00:10:20,600

would presume so I was pretty young so

199

00:10:25,960 --> 00:10:22,970

so he's paid the bills he was the one

200

00:10:28,840 --> 00:10:25,970

that tipped you off that your father was

201
00:10:31,510 --> 00:10:28,850
alive no he didn't tip me off that he

202
00:10:33,340 --> 00:10:31,520
was alive he tipped me off did there

203
00:10:35,230 --> 00:10:33,350
were pictures of him that we never that

204
00:10:37,740 --> 00:10:35,240
I realized then that there were no

205
00:10:43,720 --> 00:10:37,750
pictures or anything of him in the house

206
00:10:46,990 --> 00:10:43,730
or knitting into pictures there was a

207
00:10:49,560 --> 00:10:47,000
picture of a red Corvette I think was as

208
00:10:53,640 --> 00:10:49,570
far as I knew anything about my father

209
00:10:57,130 --> 00:10:53,650
and okay so how did you track him down I

210
00:10:59,680 --> 00:10:57,140
didn't my mom told me that he was alive

211
00:11:01,390 --> 00:10:59,690
and that he was living in Oregon and

212
00:11:05,320 --> 00:11:01,400
that he wanted to talk to us and I said

213
00:11:07,960 --> 00:11:05,330

well you got my phone number you got to

214

00:11:09,579 --> 00:11:07,970

tell me what was it like to learn that

215

00:11:15,550 --> 00:11:09,589

your father was alive when you thought

216

00:11:18,370 --> 00:11:15,560

all this time then he was dead it was a

217

00:11:20,470 --> 00:11:18,380

good thoughts or bad thoughts well it's

218

00:11:24,700 --> 00:11:20,480

not very good with you find out your

219

00:11:29,350 --> 00:11:27,340

so you're obviously upset with her but

220

00:11:30,579 --> 00:11:29,360

on the other hand I didn't talk to her

221

00:11:34,260 --> 00:11:30,589

for 25 years

222

00:11:40,800 --> 00:11:34,270

oh wow because of that answers that yeah

223

00:11:45,220 --> 00:11:43,570

don't know if it said that I decided I

224

00:11:47,680 --> 00:11:45,230

wanted to meet him or I wanted him to

225

00:11:49,900 --> 00:11:47,690

meet me I think it's more I wanted him

226

00:11:52,360 --> 00:11:49,910

to meet me I don't want to meet people I

227

00:11:57,010 --> 00:11:52,370

want them to know who I am and how old

228

00:11:59,920 --> 00:11:57,020

were you at the time 21 okay so who

229

00:12:01,210 --> 00:11:59,930

found his well he had reached out

230

00:12:05,620 --> 00:12:01,220

apparently wanting to meet you guys

231

00:12:08,470 --> 00:12:05,630

yeah and Steven wasn't interested in

232

00:12:10,090 --> 00:12:08,480

meeting him no Steven Pat we're all on

233

00:12:12,370 --> 00:12:10,100

their own on their own

234

00:12:15,490 --> 00:12:12,380

I mean Pat I think was in the Air Force

235

00:12:19,150 --> 00:12:15,500

then and Steve was many years older he

236

00:12:20,949 --> 00:12:19,160

was all you know he walked out of the

237

00:12:24,579 --> 00:12:20,959

house we all walked down to the house

238

00:12:27,010 --> 00:12:24,589

there was nothing to discuss she told

239

00:12:29,440 --> 00:12:27,020

all four of you at the same time yes she

240

00:12:32,710 --> 00:12:29,450

got herself together I was gone from the

241

00:12:35,980 --> 00:12:32,720

family at that time I don't live in my

242

00:12:36,990 --> 00:12:35,990

own life she had like I said she had to

243

00:12:43,150 --> 00:12:37,000

twist my arm

244

00:12:46,960 --> 00:12:43,160

do you remember Stevens reaction was I've

245

00:12:50,350 --> 00:12:46,970

always been I lived in the garage I've

246

00:12:51,850 --> 00:12:50,360

been a mechanic my whole life I was more

247

00:12:53,769 --> 00:12:51,860

interested in picking stuff out of

248

00:12:58,269 --> 00:12:53,779

people's trash and taking it apart to

249

00:13:01,300 --> 00:12:58,279

figure out how it worked so you and Erik

250

00:13:02,920 --> 00:13:01,310

go up to Oregon right to meet him yeah

251

00:13:04,990 --> 00:13:02,930

we took my dually up there

252

00:13:08,290 --> 00:13:05,000

you took quite up there my dually oh

253

00:13:13,090 --> 00:13:08,300

that's a car by truck okay I don't know

254

00:13:15,550 --> 00:13:13,100

a dually dude leads like a truck with

255

00:13:17,319 --> 00:13:15,560

dual rear tires Wow so that must have

256

00:13:20,019 --> 00:13:17,329

been some trip you and your brother

257

00:13:21,160 --> 00:13:20,029

driving up from LA up to Oregon knowing

258

00:13:25,650 --> 00:13:21,170

you're about to meet your father for the

259

00:13:28,180 --> 00:13:25,660

first time yeah more the scenic venture

260

00:13:31,960 --> 00:13:28,190

it didn't last it sounds like a movie

261

00:13:34,410 --> 00:13:31,970

right what do you mean it didn't last

262

00:13:39,590 --> 00:13:37,250

hung out a day or so and

263

00:13:41,900 --> 00:13:39,600

he ran his mouth about being an outlaw

264

00:13:44,210 --> 00:13:41,910

to show me pictures and this and out of

265

00:13:48,680 --> 00:13:44,220

his life and I wanted nothing to do with

266

00:13:50,720 --> 00:13:48,690

it did you there's all these things that

267

00:13:53,000 --> 00:13:50,730

he's apparently claimed that he had been

268

00:13:54,350 --> 00:13:53,010

a Dixieland band singer a pilot and auto

269

00:13:56,000 --> 00:13:54,360

racing crew chief a member of the

270

00:13:58,780 --> 00:13:56,010

Chicago Bears survivor the world war two

271

00:14:01,430 --> 00:13:58,790

minesweeping a wrestler named crybaby

272

00:14:05,270 --> 00:14:01,440

who traveled with gorgeous George I've

273

00:14:08,870 --> 00:14:05,280

never heard no that I heard he was a

274

00:14:11,300 --> 00:14:08,880

three-time loser so he didn't well what

275

00:14:15,910 --> 00:14:11,310

did he when you first met him was he at

276

00:14:23,290 --> 00:14:15,920

the bingo hall no Trey oh no we met him

277

00:14:27,530 --> 00:14:23,300

he came in medicine one of the

278

00:14:30,680 --> 00:14:27,540

interchanges from Iowa Highway five to

279

00:14:33,440 --> 00:14:30,690

the to the road that went off to his

280

00:14:35,330 --> 00:14:33,450

house I believe in Springfield I don't

281

00:14:37,850 --> 00:14:35,340

remember what interstate or what highway

282

00:14:41,510 --> 00:14:37,860

it was and like a coffee shop no I just

283

00:14:43,250 --> 00:14:41,520

did a corner that's on a dirt lot on the

284

00:14:44,300 --> 00:14:43,260

corner of the highway the first time you

285

00:14:47,090 --> 00:14:44,310

meet him was by the side of the road

286

00:14:50,870 --> 00:14:47,100

basically correct do you remember why

287

00:14:53,840 --> 00:14:50,880

that was the arrangement you didn't have

288

00:14:58,790 --> 00:14:53,850

Google Maps and I'm not in the map books

289

00:15:03,590 --> 00:14:58,800

and all right I told him that you know I

290

00:15:05,030 --> 00:15:03,600

called them 12 from the side of the road

291

00:15:06,560 --> 00:15:05,040

we didn't have cell phone so I called

292

00:15:08,390 --> 00:15:06,570

him from the side of the road and told

293

00:15:11,870 --> 00:15:08,400

him where we were and he said it's gonna

294

00:15:14,690 --> 00:15:11,880

take so until him out of time I'll meet

295

00:15:18,800 --> 00:15:14,700

you on the corner here and you follow us

296

00:15:22,460 --> 00:15:18,810

in so Jane explained to you why he was

297

00:15:25,810 --> 00:15:22,470

not in your lives I didn't need to

298

00:15:31,280 --> 00:15:25,820

explain anything I had already had my

299

00:15:32,360 --> 00:15:31,290

mind made up on who he was I didn't go

300

00:15:35,030 --> 00:15:32,370

up there for money

301
00:15:41,090 --> 00:15:35,040
I work for GM I had everything I wanted

302
00:15:43,670 --> 00:15:41,100
I worked 12 14 hours a day and made

303
00:15:45,700 --> 00:15:43,680
money that nobody else had being a

304
00:15:48,680 --> 00:15:45,710
mechanic and

305
00:15:54,590 --> 00:15:48,690
doing what I wanted to do so what did

306
00:15:58,310 --> 00:15:54,600
you say to him I mean were you letting

307
00:16:01,340 --> 00:15:58,320
out anger toward him no there was no

308
00:16:05,740 --> 00:16:01,350
hostility it's just listening to him

309
00:16:10,100 --> 00:16:05,750
talk taking in as much of it as you can

310
00:16:12,350 --> 00:16:10,110
as you can swallow and pretty much

311
00:16:17,900 --> 00:16:12,360
walking away from it and what kind of

312
00:16:23,230 --> 00:16:17,910
things was he saying like I said the

313
00:16:31,220 --> 00:16:25,040

getting out

314

00:16:33,140 --> 00:16:31,230

I don't know pictures photo albums or

315

00:16:37,310 --> 00:16:33,150

whatever yet I didn't even really look

316

00:16:39,710 --> 00:16:37,320

at him I was drinking a beer sitting on

317

00:16:42,140 --> 00:16:39,720

the chair in the living room and I think

318

00:16:44,870 --> 00:16:42,150

Eric might have looked at him and he had

319

00:16:47,060 --> 00:16:44,880

made some comment that he wasn't a

320

00:16:51,830 --> 00:16:47,070

criminal he was an outline that was

321

00:16:54,100 --> 00:16:51,840

pretty much all I needed no remorse for

322

00:16:57,500 --> 00:16:54,110

what he did or not raising the family

323

00:17:00,080 --> 00:16:57,510

going and holding up a bag for a few

324

00:17:02,510 --> 00:17:00,090

thousand dollars to go to Vegas and have

325

00:17:05,030 --> 00:17:02,520

a good time it's not a whole lot to say

326

00:17:08,030 --> 00:17:05,040

to something like that so the no tears

327

00:17:11,450 --> 00:17:08,040

shed on your side no and what about his

328

00:17:23,150 --> 00:17:11,460

side well he wasn't happy when I tore

329

00:17:25,630 --> 00:17:23,160

his house up what happened there he got

330

00:17:30,020 --> 00:17:25,640

into the bingo parlor or something and

331

00:17:32,740 --> 00:17:30,030

the phone rang my girlfriend grinnell

332

00:17:34,940 --> 00:17:32,750

has left a message on his machine that

333

00:17:39,050 --> 00:17:34,950

so and so and this happened or that

334

00:17:41,420 --> 00:17:39,060

happened I had never known they were

335

00:17:44,780 --> 00:17:41,430

talking you know except for when he came

336

00:17:50,540 --> 00:17:47,540

they had talked a little bit and I guess

337

00:17:52,700 --> 00:17:50,550

they'd made some decision to buy some

338

00:17:56,330 --> 00:17:52,710

stuffed animals or something off a

339

00:17:57,860 --> 00:17:56,340

container who had talked Rennell this

340

00:17:59,840 --> 00:17:57,870

girl I was living with and she had

341

00:18:06,770 --> 00:17:59,850

taught I had talked with who was my

342

00:18:08,030 --> 00:18:06,780

father what name was he using when you

343

00:18:10,430 --> 00:18:08,040

met him was using Benjamin Bruce

344

00:18:14,360 --> 00:18:10,440

Erickson Bruce Harrison so you guys had

345

00:18:17,750 --> 00:18:14,370

the same name at that time no there's

346

00:18:20,360 --> 00:18:17,760

only one Bruce there you go so name's

347

00:18:20,720 --> 00:18:20,370

Benjamin Hoskins paddock that's how I do

348

00:18:28,940 --> 00:18:20,730

it

349

00:18:31,340 --> 00:18:28,950

your dad that's part of the story we're

350

00:18:33,950 --> 00:18:31,350

gonna leave out okay but he came down

351

00:18:39,740 --> 00:18:33,960

here because some things had happened in

352

00:18:44,810 --> 00:18:39,750

my life and after we had met he came

353

00:18:46,340 --> 00:18:44,820

down here we met like three times the

354

00:18:48,350 --> 00:18:46,350

first time was when I went up there the

355

00:18:50,570 --> 00:18:48,360

second times when he came down here and

356

00:18:54,500 --> 00:18:50,580

then the third time I ended up up there

357

00:19:00,800 --> 00:18:54,510

again because some things that happened

358

00:19:02,630 --> 00:19:00,810

in my life and she had contacted him or

359

00:19:05,720 --> 00:19:02,640

he had contacted her and they reached

360

00:19:09,680 --> 00:19:05,730

out and instead of telling me what they

361

00:19:12,110 --> 00:19:09,690

were doing they were playing games the

362

00:19:17,750 --> 00:19:12,120

phone rang it was her on the phone left

363

00:19:19,790 --> 00:19:17,760

a message I tore up his place and went

364

00:19:23,180 --> 00:19:19,800

over to a girl I was seeing in her Nora

365

00:19:26,120 --> 00:19:23,190

good gotcha so that was that was the

366

00:19:30,850 --> 00:19:26,130

third time that you saw him yeah he he

367

00:19:33,590 --> 00:19:30,860

showed up at her house pissed off and

368

00:19:35,270 --> 00:19:33,600

you can imagine just by talking to me

369

00:19:38,360 --> 00:19:35,280

for two minutes I don't take anybody

370

00:19:40,010 --> 00:19:38,370

getting in my face it takes about a

371

00:19:43,370 --> 00:19:40,020

second did you guys get physical with

372

00:19:46,190 --> 00:19:43,380

each other no people don't make that

373

00:19:48,830 --> 00:19:46,200

mistake was he pretty was he a big guy

374

00:19:52,150 --> 00:19:48,840

strong guy yeah it was pretty big we'd

375

00:19:55,400 --> 00:19:52,160

like 336 pounds Wow

376

00:19:56,690 --> 00:19:55,410

that that doesn't make you strong so but

377

00:19:59,740 --> 00:19:56,700

he was kind of trying to get back

378

00:20:03,049 --> 00:19:59,750

involved in your life it sounds like

379

00:20:07,549 --> 00:20:03,059

yeah I think he he wanted me to get

380

00:20:13,100 --> 00:20:07,559

involved in his life because of my

381

00:20:16,190 --> 00:20:13,110

background and being able to fix

382

00:20:19,490 --> 00:20:16,200

anything I touch or investigate how to

383

00:20:23,570 --> 00:20:19,500

do it did people are always reaching out

384

00:20:27,919 --> 00:20:23,580

for that ability mm-hmm he had bingo

385

00:20:29,960 --> 00:20:27,929

parlors and open up more and wanted

386

00:20:32,149 --> 00:20:29,970

exhaust fans and all kinds of stuff set

387

00:20:33,740 --> 00:20:32,159

up to run these businesses instead of

388

00:20:35,480 --> 00:20:33,750

going out and paying somebody to do it

389

00:20:37,960 --> 00:20:35,490

he would reach out and try to get me to

390

00:20:40,610 --> 00:20:37,970

do it but so did you do some for him I

391

00:20:43,669 --> 00:20:40,620

hung out a few days there but like I

392

00:20:45,680 --> 00:20:43,679

said this time with my father wasn't

393

00:20:48,740 --> 00:20:45,690

something I was looking forward to doing

394

00:20:54,350 --> 00:20:48,750

and it's more of I had some problems

395

00:20:56,899 --> 00:20:54,360

down here I needed to get away and I've

396

00:20:57,919 --> 00:20:56,909

always made bad decisions going up there

397

00:21:01,369 --> 00:20:57,929

wasn't a good one

398

00:21:03,259 --> 00:21:01,379

so that third time that you saw him was

399

00:21:05,210 --> 00:21:03,269

was that the last time that was a final

400

00:21:07,009 --> 00:21:05,220

straw yeah you know there was no

401
00:21:10,810 --> 00:21:07,019
conversation after he came over to the

402
00:21:14,029 --> 00:21:10,820
girl's house I was staying with up there

403
00:21:15,470 --> 00:21:14,039
what did he do there he came to the door

404
00:21:16,879 --> 00:21:15,480
knocked on the door and wanted to know

405
00:21:19,369 --> 00:21:16,889
what happened and I told him what

406
00:21:24,409 --> 00:21:19,379
happened and he turned around and walked

407
00:21:29,480 --> 00:21:24,419
away he wanted to know why his house was

408
00:21:31,820 --> 00:21:29,490
all torn up and I told you're pissed off

409
00:21:33,769 --> 00:21:31,830
with him communicating with your

410
00:21:37,070 --> 00:21:33,779
girlfriend lured my ex-girlfriend or

411
00:21:42,889 --> 00:21:37,080
whatever you want to call her right I'm

412
00:21:46,220 --> 00:21:42,899
gonna play games so after that no more

413
00:21:53,629 --> 00:21:46,230

communication with him I heard from Pat

414

00:21:55,759 --> 00:21:53,639

that Pat went and buried him in Texas do

415

00:21:58,580 --> 00:21:55,769

you know where he went after Oregon no I

416

00:22:01,100 --> 00:21:58,590

heard he went to Mexico but it's just

417

00:22:03,350 --> 00:22:01,110

people's talking he had a girlfriend up

418

00:22:04,760 --> 00:22:03,360

there right yeah she's the one who

419

00:22:08,120 --> 00:22:04,770

turned him in I guess

420

00:22:10,730 --> 00:22:08,130

that's what he told me when he was on

421

00:22:14,419 --> 00:22:10,740

FBI's most wanted yeah well he was

422

00:22:21,320 --> 00:22:14,429

living up there using my name

423

00:22:23,680 --> 00:22:21,330

I presume because it's a great name my

424

00:22:27,190 --> 00:22:23,690

favorite performer is name that

425

00:22:31,669 --> 00:22:27,200

Springsteen yeah of course

426

00:22:35,750 --> 00:22:31,679

I'll stick with Ozzy more your speed huh

427

00:22:37,460 --> 00:22:35,760

generals gathered in their masses so so

428

00:22:41,090 --> 00:22:37,470

what's as far as you know Stephen had no

429

00:22:42,740 --> 00:22:41,100

communication well Steve had no

430

00:22:45,740 --> 00:22:42,750

communication with really any other

431

00:22:47,299 --> 00:22:45,750

sector so you were talking about the the

432

00:22:49,279 --> 00:22:47,309

money that he made and buying the

433

00:22:53,659 --> 00:22:49,289

apartment building he had help from his

434

00:22:56,539 --> 00:22:53,669

mom no help from dad obviously my help

435

00:23:00,139 --> 00:22:56,549

from the IRS he worked for the r-right

436

00:23:02,210 --> 00:23:00,149

right but how about as far as you know

437

00:23:04,190 --> 00:23:02,220

was also his business aboveboard and

438

00:23:09,639 --> 00:23:04,200

legal do you think that he engaged in

439

00:23:15,080 --> 00:23:09,649

any illegal activity speculation yeah

440

00:23:19,039 --> 00:23:15,090

what would you speculate ask you've been

441

00:23:24,710 --> 00:23:19,049

in court before watch a lot of Judge

442

00:23:27,289 --> 00:23:24,720

Judy plug for judge gee well at some

443

00:23:33,289 --> 00:23:27,299

point he got into business with Eric

444

00:23:34,760 --> 00:23:33,299

right who your brother Stephen no well

445

00:23:37,100 --> 00:23:34,770

when Eric was interviewed in front of

446

00:23:39,950 --> 00:23:37,110

his house he basically says that Bruce

447

00:23:42,470 --> 00:23:39,960

helped I sorry Bruce Steven helped make

448

00:23:43,820 --> 00:23:42,480

him a wealthy man it sound like they

449

00:23:45,470 --> 00:23:43,830

went into some business ventures doesn't

450

00:23:47,419 --> 00:23:45,480

sound too wealthy to me if he's running

451

00:23:50,480 --> 00:23:47,429

his mouth like that you know what did

452

00:23:54,169 --> 00:23:50,490

you think of his interview I'd have

453

00:23:56,330 --> 00:23:54,179

killed him if I was there was it was

454

00:23:59,120 --> 00:23:56,340

your mom upset with that interview my

455

00:24:01,250 --> 00:23:59,130

mom doesn't listen to any of it she has

456

00:24:03,470 --> 00:24:01,260

no idea what's going on she's locked in

457

00:24:07,960 --> 00:24:03,480

her house scared to death and she's

458

00:24:11,720 --> 00:24:07,970

about 90 could be how is her health

459

00:24:15,320 --> 00:24:11,730

considering she's 90 I talked to her so

460

00:24:18,410 --> 00:24:15,330

she's still talking yeah and she's 100%

461

00:24:21,560 --> 00:24:18,420

there mentally yeah sounds like she's 20

462

00:24:25,000 --> 00:24:21,570

Wow at least mentally it was last time

463

00:24:29,750 --> 00:24:27,560

so is she you know they've been Temecula

464

00:24:32,450 --> 00:24:29,760

is she an assisted living now no she

465

00:24:35,150 --> 00:24:32,460

lives in a house supposedly somewhere in

466

00:24:36,830 --> 00:24:35,160

the gated community and Eric must live

467

00:24:38,710 --> 00:24:36,840

there too because he takes care of it

468

00:24:41,180 --> 00:24:38,720

uh-huh

469

00:24:42,650 --> 00:24:41,190

that's what I understand he takes her to

470

00:24:45,110 --> 00:24:42,660

the doctor I don't know

471

00:24:47,090 --> 00:24:45,120

so other than that one conversation he

472

00:24:50,110 --> 00:24:47,100

had with her that night about the

473

00:24:52,820 --> 00:24:50,120

shooting the subject come up with her

474

00:24:55,340 --> 00:24:52,830

since no she hangs up if you talk about

475

00:24:58,160 --> 00:24:55,350

it well there will be no communication

476

00:25:00,490 --> 00:24:58,170

about that at all you could even tell

477

00:25:05,270 --> 00:25:00,500

her that I wanted to talk to you guys

478

00:25:12,290 --> 00:25:05,280

then reach out convey my sincerest

479

00:25:17,150 --> 00:25:12,300

condolences to the people that families

480

00:25:18,890 --> 00:25:17,160

were destroyed by what he did and we've

481

00:25:21,020 --> 00:25:18,900

spoken to many of them and I think that

482

00:25:23,750 --> 00:25:21,030

they will genuinely appreciate what you

483

00:25:25,790 --> 00:25:23,760

said you know yeah and we know that

484

00:25:27,170 --> 00:25:25,800

they're all searching for answers and

485

00:25:31,010 --> 00:25:27,180

looking for closure and they've told us

486

00:25:33,590 --> 00:25:31,020

that finding out why this happened is

487

00:25:37,720 --> 00:25:33,600

important to them to get closure I mean

488

00:25:45,380 --> 00:25:41,690

but like Phil and I talked about guns

489

00:25:48,680 --> 00:25:45,390

are a tool when you sell tools at Home

490

00:25:53,450 --> 00:25:48,690

Depot people use that hammer to hammer

491

00:25:56,740 --> 00:25:53,460

nails you sell somebody a gun it's a

492

00:26:02,840 --> 00:25:59,390

he had a long-standing love of guns as

493

00:26:05,000 --> 00:26:02,850

far as you know I presume so I mean how

494

00:26:07,610 --> 00:26:05,010

many people can buy guns like that oh

495

00:26:09,620 --> 00:26:07,620

you had plenty of money you know anybody

496

00:26:11,150 --> 00:26:09,630

that I don't I never get plenty of money

497

00:26:14,030 --> 00:26:11,160

and buying guns like that

498

00:26:15,590 --> 00:26:14,040

do not run parallel why somebody would

499

00:26:17,390 --> 00:26:15,600

say something like that why would you

500

00:26:19,760 --> 00:26:17,400

even think something like that but I'd

501
00:26:22,010 --> 00:26:19,770
say people with plenty of money go out

502
00:26:23,930 --> 00:26:22,020
and help other people they don't go out

503
00:26:26,810 --> 00:26:23,940
and buy guns you know people with

504
00:26:29,090 --> 00:26:26,820
billions of dollars Bill Gates

505
00:26:31,370 --> 00:26:29,100
people with Oprah they go out and help

506
00:26:34,400 --> 00:26:31,380
other people they don't go out and buy

507
00:26:36,700 --> 00:26:34,410
guns and put them in their closet help

508
00:26:41,150 --> 00:26:36,710
themselves

509
00:26:42,740 --> 00:26:41,160
money's a disease guns are a tool when

510
00:26:47,150 --> 00:26:42,750
you put that disease in that tool

511
00:26:49,190 --> 00:26:47,160
together we pretty much see what happens

512
00:26:53,630 --> 00:26:49,200
why do you think all these kids now are

513
00:26:57,370 --> 00:26:53,640

standing up against the system because

514

00:27:00,080 --> 00:26:57,380

the system's not standing up for them

515

00:27:05,240 --> 00:27:00,090

why would you allow people to buy

516

00:27:08,120 --> 00:27:05,250

weapons why in this society you know

517

00:27:10,100 --> 00:27:08,130

because it's Nevada we don't let people

518

00:27:11,720 --> 00:27:10,110

buy weapons here when I was a kid

519

00:27:13,550 --> 00:27:11,730

growing up there was a gun store on

520

00:27:16,070 --> 00:27:13,560

every corner you know why there's not

521

00:27:21,860 --> 00:27:16,080

anymore because every gun that was sold

522

00:27:23,000 --> 00:27:21,870

killed somebody how many guns do you own

523

00:27:25,940 --> 00:27:23,010

zero

524

00:27:29,660 --> 00:27:25,950

I see where I'm going with this the

525

00:27:31,490 --> 00:27:29,670

microphone is your tool you need to use

526

00:27:33,260 --> 00:27:31,500

the microphone to put an end to these

527

00:27:35,510 --> 00:27:33,270

fools that are allowing people to buy

528

00:27:37,370 --> 00:27:35,520

those weapons but what does Steven need

529

00:27:39,410 --> 00:27:37,380

the tool of guns for he seem to have

530

00:27:42,370 --> 00:27:39,420

plenty of money and and everything else

531

00:27:45,950 --> 00:27:42,380

because he didn't have anything else

532

00:27:49,040 --> 00:27:45,960

why do people do stupid things because

533

00:27:52,030 --> 00:27:49,050

they don't have the right thing to do he

534

00:27:56,240 --> 00:27:52,040

was off on his own he lived his own life

535

00:28:00,560 --> 00:27:56,250

sure he had money that money ran out you

536

00:28:02,390 --> 00:28:00,570

can only put so much money in Vegas no

537

00:28:06,520 --> 00:28:02,400

matter how good at pushing a pencil you

538

00:28:09,700 --> 00:28:06,530

are sooner or later Vegas is gonna win

539

00:28:12,260 --> 00:28:09,710

the odds are against you

540

00:28:14,360 --> 00:28:12,270

you're supposed to go there have a good

541

00:28:16,730 --> 00:28:14,370

time with a couple hundred dollars and

542

00:28:20,390 --> 00:28:16,740

go home you're not supposed to go there

543

00:28:22,510 --> 00:28:20,400

every weekend in your airplane and spend

544

00:28:24,710 --> 00:28:22,520

all the money that that you're making

545

00:28:29,000 --> 00:28:24,720

especially when you have a partner in

546

00:28:32,660 --> 00:28:29,010

this business venture meaning is your

547

00:28:35,930 --> 00:28:32,670

mother look at it any way you want to

548

00:28:40,040 --> 00:28:35,940

we're gonna keep her out of it yeah okay

549

00:28:43,670 --> 00:28:40,050

yeah she did what she could she raised

550

00:28:46,640 --> 00:28:43,680

four boys on her own back and did the

551

00:28:49,550 --> 00:28:46,650

right thing we all stepped out of the

552

00:28:51,110 --> 00:28:49,560

boundaries probably because our DNA came

553

00:28:54,860 --> 00:28:51,120

from somebody that stepped out of the

554

00:29:01,910 --> 00:28:54,870

boundaries she probably hates herself

555

00:29:04,460 --> 00:29:01,920

for that she's a girl she made mistakes

556

00:29:07,040 --> 00:29:04,470

she made it better by working hard and

557

00:29:13,010 --> 00:29:07,050

raising the four boys to the best of her

558

00:29:15,350 --> 00:29:13,020

ability you can't put anything on her he

559

00:29:17,980 --> 00:29:15,360

went out and did what he did over

560

00:29:20,480 --> 00:29:17,990

hookers and coke

561

00:29:23,660 --> 00:29:20,490

there's only so much of that you can put

562

00:29:25,760 --> 00:29:23,670
