podcasts tell me what your thinking is

12
00:00:36,500 --> 00:00:34,290

about Steven Tyler it's not really just

13
00:00:38,540 --> 00:00:36,510

Steven Tyler but you know Steven Tyler

14

00:00:40,630 --> 00:00:38,550

was our president of you know a rocker

15

00:00:43,400 --> 00:00:40,640

guy that paints his nails all the time

16

00:00:45,170 --> 00:00:43,410

his hair is long all the time frequently

17

00:00:48,170 --> 00:00:45,180

wears like eyeliner and some degree of

18

00:00:51,709 --> 00:00:48,180

makeup a lot of jewelry you know in

19

00:00:54,830 --> 00:00:51,719

every kind of way fashions himself just

20

00:00:56,479 --> 00:00:54,840

like a woman and you know I certainly

21

00:00:59,540 --> 00:00:56,489

did that and got away with it for years

22

00:01:00,740 --> 00:00:59,550

it was such an outlet for me and while

23

00:01:02,720 --> 00:01:00,750

Steven Tyler might be all

24

00:01:05,270 --> 00:01:02,730

through-and-through man and I don't

25

00:01:07,880 --> 00:01:05,280

doubt that it still makes me scratch my

26

00:01:10,250 --> 00:01:07,890

head what of these guys who do this

27

00:01:11,810 --> 00:01:10,260

really are trans and are kind of living

28

00:01:13,820 --> 00:01:11,820

the same existence I had for a long time

29

00:01:15,140 --> 00:01:13,830

are you wearing again don't have to name

30

00:01:17,300 --> 00:01:15,150

names but are you aware of anyone else

31

00:01:19,640 --> 00:01:17,310

that was your same circumstances where

32

00:01:21,020 --> 00:01:19,650

you did kind of allow yourself they

33

00:01:25,010 --> 00:01:21,030

allow themselves to act out the trans

34

00:01:26,539 --> 00:01:25,020

part by being rocker and no but you but

35

00:01:28,429 --> 00:01:26,549

you have a theory that there probably

36

00:01:31,550 --> 00:01:28,439

are others yeah and it's funny because

37

00:01:33,530 --> 00:01:31,560

you know I still you know go to rock

38

00:01:35,090 --> 00:01:33,540

concerts and you know everything from

39

00:01:37,880 --> 00:01:35,100

the rainbow and on the Sunset Strip

40

00:01:40,190 --> 00:01:37,890

which is a rock club to going to

41

00:01:42,399 --> 00:01:40,200

concerts and believe it or not like the

42

00:01:45,800 --> 00:01:42,409

rock scene is a pretty kind of rednecky

43

00:01:48,050 --> 00:01:45,810

vibe you know and where even though the

44

00:01:50,569 --> 00:01:48,060

girls love these guys that look like

45

00:01:53,389 --> 00:01:50,579

girls they still want them being all

46

00:01:55,490 --> 00:01:53,399

like through-and-through guys yeah which

47

00:01:57,649 --> 00:01:55,500

is kind of interesting well you know I

48

00:02:01,459 --> 00:01:57,659

throw Mick Jagger into that I guess he's

49

00:02:02,330 --> 00:02:01,469

not a manly man by any stretch but women

50

00:02:04,670 --> 00:02:02,340

are crazy

51
00:02:08,059 --> 00:02:04,680
attracted to him just like they were to

52
00:02:11,600 --> 00:02:08,069
you women like I know if it's the bad

53
00:02:12,850 --> 00:02:11,610
boy no I mean they like their guys

54
00:02:13,930 --> 00:02:12,860
pretty

55
00:02:15,850 --> 00:02:13,940
and that's the funny thing they like

56
00:02:17,770 --> 00:02:15,860
their guys pretty but you know you know

57
00:02:19,240 --> 00:02:17,780
it's pretty redneck and in fact the only

58
00:02:21,160 --> 00:02:19,250
when you say redneck scene you're

59
00:02:23,650 --> 00:02:21,170
talking about the fan base your fan base

60
00:02:26,110 --> 00:02:23,660
you know yeah in fact the only time I've

61
00:02:29,140 --> 00:02:26,120
been verbally attacked in public for

62
00:02:31,780 --> 00:02:29,150
being trans was at the rainbow by a

63
00:02:33,580 --> 00:02:31,790

rocker chick who was visiting with a

64

00:02:37,480 --> 00:02:33,590

band from Pennsylvania they haven't even

65

00:02:38,949 --> 00:02:37,490

playing on the strip that day and she

66

00:02:40,090 --> 00:02:38,959

was in Rainbow Rowell and she came over

67

00:02:44,590 --> 00:02:40,100

and just started attacking me like

68

00:02:46,510 --> 00:02:44,600

you're a man and you know I look just

69

00:02:48,910 --> 00:02:46,520

like I look now you were there just in

70

00:02:51,070 --> 00:02:48,920

the crowd I'm just hanging out but just

71

00:02:54,160 --> 00:02:51,080

as a woman he is you listen it was

72

00:02:57,430 --> 00:02:54,170

post-transition so you know I have my my

73

00:02:58,900 --> 00:02:57,440

breasts and everything going on and for

74

00:03:01,620 --> 00:02:58,910

whatever reason she clocked me and came

75

00:03:03,729 --> 00:03:01,630

over and and started screaming at me and

76

00:03:06,550 --> 00:03:03,739

she even followed me into the restroom

77

00:03:09,220 --> 00:03:06,560

later and when I went to the restroom

78

00:03:11,470 --> 00:03:09,230

it's like there's a man in the restroom

79

00:03:14,620 --> 00:03:11,480

boy did and she's pounding on my thing

80

00:03:18,460 --> 00:03:14,630

and I came this close to like opening

81

00:03:20,380 --> 00:03:18,470

door and just taken her down well I do

82

00:03:22,000 --> 00:03:20,390

you know going back to rockers I mean I

83

00:03:24,970 --> 00:03:22,010

do have a little personal theory that I

84

00:03:27,729 --> 00:03:24,980

would guess that there are many of them

85

00:03:29,920 --> 00:03:27,739

that are perhaps gay and in the closet

86

00:03:32,970 --> 00:03:29,930

gay and I say that in part just because

87

00:03:37,090 --> 00:03:32,980

in high school in college it seems like

88

00:03:39,850 --> 00:03:37,100

guys that are into music musical theater

89

00:03:41,800 --> 00:03:39,860

etc seemed to be a higher percentage gay

90

00:03:42,970 --> 00:03:41,810

than in the regular community so I

91

00:03:44,910 --> 00:03:42,980

wouldn't say gay but I was definitely

92

00:03:49,120 --> 00:03:44,920

say bisexual uh-huh

93

00:03:50,350 --> 00:03:49,130

so in the so you in in in in the closet

94

00:03:53,170 --> 00:03:50,360

though about it

95

00:03:55,270 --> 00:03:53,180

absolutely in fact most quote-unquote

96

00:03:57,009 --> 00:03:55,280

heterosexual males are totally in the

97

00:03:59,560 --> 00:03:57,019

closet about they're bisexual tendencies

98

00:04:02,530 --> 00:03:59,570

like we discussed before the Kinsey

99

00:04:07,090 --> 00:04:02,540

study showed north of seventy percent of

100

00:04:11,830 --> 00:04:07,100

all males being in some degree bisexual

101
00:04:14,170 --> 00:04:11,840
meaning they have will or going to have

102
00:04:16,150 --> 00:04:14,180
at least one sexual encounter with the

103
00:04:19,810 --> 00:04:16,160
opposite or the same sex sometime in

104
00:04:21,400 --> 00:04:19,820
their life you know certainly you look

105
00:04:23,529 --> 00:04:21,410
at the female proportions females are no

106
00:04:25,909 --> 00:04:23,539
different than men females are in this

107
00:04:31,790 --> 00:04:25,919
culture allowed to be bisexual open

108
00:04:34,040 --> 00:04:31,800
and it's it's you know heralded but men

109
00:04:35,689 --> 00:04:34,050
god forbid you should tell you know your

110
00:04:38,540 --> 00:04:35,699
guy friends yeah I'm thinking about a

111
00:04:43,580 --> 00:04:38,550
little dick it's just not gonna fly and

112
00:04:44,839 --> 00:04:43,590
your guys are gonna start you know your

113
00:04:46,519 --> 00:04:44,849

guys will call you out just like what

114

00:04:48,890 --> 00:04:46,529

are you gay dude you know the whole gay

115

00:04:51,499 --> 00:04:48,900

thing and you know the fact is like in

116

00:04:55,070 --> 00:04:51,509

our culture guys can't be bisexual they

117

00:04:56,899 --> 00:04:55,080

can only be straight or gay thank you

118

00:04:58,610 --> 00:04:56,909

for watching if you want to listen to

119

00:04:59,899 --> 00:04:58,620
