our interview this week with David pick

5
00:00:21,550 --> 00:00:19,340

up David pick up was molested multiple

6
00:00:25,420 --> 00:00:21,560

times by an older boy neighbor when he

7
00:00:27,340 --> 00:00:25,430

was five years old as a result he

8
00:00:30,340 --> 00:00:27,350

developed sexual feelings toward men in

9
00:00:34,119 --> 00:00:30,350

his teens he sought counseling over this

10
00:00:36,819 --> 00:00:34,129

and by going back through his childhood

11
00:00:39,700 --> 00:00:36,829

trauma he was able to alleviate and

12
00:00:42,220 --> 00:00:39,710

reduce those sexual feelings he now

13
00:00:44,500 --> 00:00:42,230

lives as a heterosexual man

14

00:00:47,049 --> 00:00:44,510

he provides therapy for others in

15

00:00:49,380 --> 00:00:47,059

similar situations but the state of

16

00:00:54,040 --> 00:00:49,390

California is about to make his therapy

20

wherever you listen to podcasts

21

00:01:05,400 --> 00:01:02,980

and what about you yourself in your

22

00:01:07,620 --> 00:01:05,410

sexual orientation and whether if you

23

00:01:09,810 --> 00:01:07,630

had any issues with that or if you

24

00:01:11,460 --> 00:01:09,820

received this therapy yourself oh yeah

25

00:01:14,130 --> 00:01:11,470

that's that's what's so great is because

26

00:01:16,590 --> 00:01:14,140

I was one of those kids at five years of

27

00:01:19,560 --> 00:01:16,600

old that was sexually abused by an older

28

00:01:21,840 --> 00:01:19,570

guy I mean that you could just imagine

29

00:01:24,960 --> 00:01:21,850

how that affected my sexual feelings and

30

00:01:27,090 --> 00:01:24,970

in puberty make a variant and yeah sorry

31

00:01:28,680 --> 00:01:27,100

because I am interested in it is that

32

00:01:31,380 --> 00:01:28,690

essentially the only piece of trauma

33

00:01:35,550 --> 00:01:31,390

that you feel that you have no I was

34

00:01:39,810 --> 00:01:35,560

very typical I did I had some I was

35

00:01:43,280 --> 00:01:39,820

severely repressed good little boys

36

00:01:48,450 --> 00:01:43,290

syndrome was living in kind of half self

37

00:01:51,330 --> 00:01:48,460

because I was really I was ashamed based

38

00:01:53,340 --> 00:01:51,340

kit all right nothing intentionally

39

00:01:54,749 --> 00:01:53,350

happened to me nobody did anything

40

00:01:58,620 --> 00:01:54,759

intensely well except the sexual abuse

41

00:02:00,450 --> 00:01:58,630

guy but I learned to repress my feelings

42

00:02:01,499 --> 00:02:00,460

I learned that I wasn't acceptable I

43

00:02:04,050 --> 00:02:01,509

learned that my feelings weren't

44

00:02:08,160 --> 00:02:04,060

important and so I had a lot of shame

45

00:02:09,960 --> 00:02:08,170

issues and I had none of the almost none

46

00:02:14,250 --> 00:02:09,970

of the affirmation approval and

47

00:02:17,430 --> 00:02:14,260

affection that any boy would need and so

48

00:02:20,520 --> 00:02:17,440

those were that neglect and sometimes

49

00:02:25,309 --> 00:02:20,530

outright trauma greatly affected me and

50

00:02:28,320 --> 00:02:25,319

so long story short in my 30s I started

51
00:02:30,890 --> 00:02:28,330
reparative therapy and it helped save my

52
00:02:34,470 --> 00:02:30,900
life it just worked beautifully for me

53
00:02:36,960 --> 00:02:34,480
so I don't I don't have those feelings

54
00:02:40,620 --> 00:02:36,970
anymore I came here was that Susan

55
00:02:43,290 --> 00:02:40,630
colosi that was Uniqlo C's therapy

56
00:02:44,970 --> 00:02:43,300
repair authentic reparative therapy not

57
00:02:47,640 --> 00:02:44,980
MDR cuz that's only been around for two

58
00:02:50,730 --> 00:02:47,650
years and are you married with children

59
00:02:54,680 --> 00:02:50,740
nope nope I've come close but I'm still

60
00:02:58,260 --> 00:02:54,690
looking I was I was what you call up I

61
00:03:02,460 --> 00:02:58,270
did therapy over a a long period of time

62
00:03:04,110 --> 00:03:02,470
I had I years ago I was clinically

63
00:03:08,699 --> 00:03:04,120

depressed twice went through a lot of

64

00:03:11,190 --> 00:03:08,709

issues and so I was long story short I

65

00:03:12,320 --> 00:03:11,200

was a very late bloomer and so you know

66

00:03:14,000 --> 00:03:12,330

I probably missed some opportunities

67

00:03:17,780 --> 00:03:14,010

early my life

68

00:03:20,240 --> 00:03:17,790

could have been mine I was think I I had

69

00:03:22,880 --> 00:03:20,250

dated women and almost gotten married

70

00:03:24,440 --> 00:03:22,890

one time but as I look back now it

71

00:03:26,750 --> 00:03:24,450

wasn't good for me to do that so I'm

72

00:03:28,550 --> 00:03:26,760

glad it glad it ended but you know I

73

00:03:30,440 --> 00:03:28,560

regardless I decided a long time ago

74

00:03:32,899 --> 00:03:30,450

that whatever happens I was going to be

75

00:03:34,789 --> 00:03:32,909

happy regardless so some men that's

76

00:03:36,500 --> 00:03:34,799

their experience some men happen to find

77

00:03:39,319 --> 00:03:36,510

women that they're really attracted to

78

00:03:41,089 --> 00:03:39,329

and they fall in love with and and go on

79

00:03:43,759 --> 00:03:41,099

that journey that may not be my calling

80

00:03:46,280 --> 00:03:43,769

I don't know just to finish up on that

81

00:03:48,440 --> 00:03:46,290

subject for you personally if a hundred

82

00:03:51,050 --> 00:03:48,450

percent is interested in women

83

00:03:54,170 --> 00:03:51,060

exclusively and and and and zero percent

84

00:03:55,940 --> 00:03:54,180

is a is interested men exclusively where

85

00:04:01,670 --> 00:03:55,950

would you say you were on that spectrum

86

00:04:04,550 --> 00:04:01,680

before versus after sexually speaking

87

00:04:09,199 --> 00:04:04,560

romantically it's different but sexually

88

00:04:14,059 --> 00:04:09,209

speaking probably 10 percent interested

89

00:04:16,870 --> 00:04:14,069

in in women and now it's now I'm open to

90

00:04:20,089 --> 00:04:16,880

anything I mean I guess it would be 90%

91

00:04:22,069 --> 00:04:20,099

I don't have any homosexual attractions

92

00:04:25,700 --> 00:04:22,079

anymore if I do have something that

93

00:04:27,909 --> 00:04:25,710

comes up from the from the the the

94

00:04:30,770 --> 00:04:27,919

trauma issues it comes in the form of

95

00:04:33,140 --> 00:04:30,780

what the real issues are not sexual

96

00:04:34,670 --> 00:04:33,150

attraction go check out the hidden truth

97

00:04:37,040 --> 00:04:34,680

show podcast for the rest of this
