welcome back to hidden truth Las Vegas

9  
00:00:42,770 --> 00:00:40,860  
shooter were excited to come back with a

10  
00:00:45,110 --> 00:00:42,780  
new episode of Las Vegas shooter to

11  
00:00:47,210 --> 00:00:45,120  
cover some recent developments it's been

12  
00:00:48,980 --> 00:00:47,220  
a few weeks since we last spoke to you

13  
00:00:51,819 --> 00:00:48,990

about the Las Vegas shooting the Las

14

00:00:54,410 --> 00:00:51,829

Vegas police issued their final report

15

00:00:56,330 --> 00:00:54,420

so we're gonna go over that report with

16

00:00:59,300 --> 00:00:56,340

you and I'm also going to talk about

17

00:01:02,270 --> 00:00:59,310

that report with Tim bedwell you may

18

00:01:05,350 --> 00:01:02,280

recall Tim he ran for Clark County

19

00:01:08,170 --> 00:01:05,360

Sheriff against sheriff Lombardo our

20

00:01:11,960 --> 00:01:08,180

favorite Clark County Sheriff and

21

00:01:13,969 --> 00:01:11,970

unfortunately lost Lombardo managed to

22

00:01:16,100 --> 00:01:13,979

get the endorsement of the Las Vegas

23

00:01:17,930 --> 00:01:16,110

review-journal which was stunning to us

24

00:01:19,820 --> 00:01:17,940

considering that he had struck today

25

00:01:21,649 --> 00:01:19,830

media in every way he could from getting

26

00:01:24,620 --> 00:01:21,659

information about the shooting but got

27

00:01:26,719 --> 00:01:24,630

their endorsement nonetheless he got the

28

00:01:29,149 --> 00:01:26,729

endorsement and money of all the hotel

29

00:01:31,370 --> 00:01:29,159

casinos in Las Vegas so bedwell really

30

00:01:33,740 --> 00:01:31,380

didn't have a chance but you're gonna

31

00:01:36,050 --> 00:01:33,750

hear what he has to say about the

32

00:01:38,810 --> 00:01:36,060

campaign what it was like to run against

33

00:01:42,859 --> 00:01:38,820

the juggernaut that was Lombardo plus

34

00:01:44,450 --> 00:01:42,869

the media plus the hotel casinos and

35

00:01:47,030 --> 00:01:44,460

also gives his thoughts on the police

36

00:01:48,469 --> 00:01:47,040

report before we talk about the police

37

00:01:50,179 --> 00:01:48,479

report I want to remind everybody please

38

00:01:52,850 --> 00:01:50,189

44

00:02:07,249 --> 00:02:05,610

a quick note to those of you who are Las

45

00:02:09,080 --> 00:02:07,259

Vegas fans that have not been following

46

00:02:10,789 --> 00:02:09,090

the transgender movement we encourage

47

00:02:12,769 --> 00:02:10,799

you to check out hidden truth

48

00:02:14,360 --> 00:02:12,779

transgender movement in particular

49

00:02:15,660 --> 00:02:14,370

there's a really important issue that

50

00:02:19,199 --> 00:02:15,670

we're covering right now is

51  
00:02:21,180 --> 00:02:19,209  
a b-29 43 in California this is about to

52  
00:02:23,880 --> 00:02:21,190  
be signed by Governor Jerry Brown is

53  
00:02:27,030 --> 00:02:23,890  
gonna happen in a matter of days Jerry

54  
00:02:29,370 --> 00:02:27,040  
Brown the 1960s liberal is about to sign

55  
00:02:31,979 --> 00:02:29,380  
sign a bill that is gonna take away

56  
00:02:34,860 --> 00:02:31,989  
people's individual freedom the freedom

57  
00:02:37,170 --> 00:02:34,870  
of choice their freedom of speech the

58  
00:02:41,520 --> 00:02:37,180  
freedom of religion the freedom of

59  
00:02:44,130 --> 00:02:41,530  
privacy a B 2943 says that an adult who

60  
00:02:47,449 --> 00:02:44,140  
wants to voluntarily speak with a

61  
00:02:50,520 --> 00:02:47,459  
psychologist about possibly reducing

62  
00:02:53,400 --> 00:02:50,530  
same-sex attractions or transgender

63  
00:02:55,979 --> 00:02:53,410

feelings is not permitted to get that

64

00:02:57,840 --> 00:02:55,989

therapy California is going to ban that

65

00:02:59,610 --> 00:02:57,850

individual from getting that therapy

66

00:03:01,380 --> 00:02:59,620

that person will have to go to another

67

00:03:03,240 --> 00:03:01,390

state California would be the first

68

00:03:05,840 --> 00:03:03,250

state in the country to pass us if it

69

00:03:08,160 --> 00:03:05,850

does other states are sure to follow

70

00:03:09,870 --> 00:03:08,170

checkout hidden truth transgender

71

00:03:14,009 --> 00:03:09,880

movement as we cover that very important

72

00:03:15,930 --> 00:03:14,019

issue so before we get into the bed well

73

00:03:17,910 --> 00:03:15,940

interview let me give you some of the

74

00:03:21,060 --> 00:03:17,920

highlights from the police report now

75

00:03:23,340 --> 00:03:21,070

the FBI has not released their final

76  
00:03:25,110 --> 00:03:23,350  
report yet that date has now been moved

77  
00:03:28,699 --> 00:03:25,120  
back they're promising their report by

78  
00:03:31,949 --> 00:03:28,709  
the end of this year we did hear from

79  
00:03:35,490 --> 00:03:31,959  
Aaron rouse he heads up the FBI there

80  
00:03:38,160 --> 00:03:35,500  
who came out and recently said that they

81  
00:03:40,410 --> 00:03:38,170  
do they do believe they will know the

82  
00:03:41,819 --> 00:03:40,420  
motive and release the motive when they

83  
00:03:44,130 --> 00:03:41,829  
released the report he said they will

84  
00:03:47,009 --> 00:03:44,140  
know it as well as you could without

85  
00:03:48,810 --> 00:03:47,019  
being inside the mind of paddock to the

86  
00:03:50,849 --> 00:03:48,820  
contrary the Las Vegas police say they

87  
00:03:54,090 --> 00:03:50,859  
don't know the motive and they are not

88  
00:03:58,650 --> 00:03:54,100

sure will ever know the motive another

89

00:04:01,289 --> 00:03:58,660

very interesting note is that rouse

90

00:04:04,860 --> 00:04:01,299

specifically said that he does not see

91

00:04:07,289 --> 00:04:04,870

this as terrorism well when they issued

92

00:04:09,690 --> 00:04:07,299

the final report Lombardo was asked the

93

00:04:12,150 --> 00:04:09,700

question and he answered it quite

94

00:04:14,849 --> 00:04:12,160

differently here's what Lombardo had to

95

00:04:17,279 --> 00:04:14,859

say I would personally call it a

96

00:04:20,039 --> 00:04:17,289

terrorist act it had an influence on a

97

00:04:24,180 --> 00:04:20,049

certain demographic of people intended

98

00:04:26,850 --> 00:04:24,190

to cause harm to include injuries so

99

00:04:29,030 --> 00:04:26,860

Lombardo's claiming that it's terrorism

100

00:04:30,530 --> 00:04:29,040

simply because it was directed at

101  
00:04:33,020 --> 00:04:30,540  
a certain group of people and that it

102  
00:04:34,880 --> 00:04:33,030  
was violence well I'm sorry sheriff but

103  
00:04:38,300 --> 00:04:34,890  
that does not meet the definition of

104  
00:04:41,030 --> 00:04:38,310  
terrorism here's the official federal

105  
00:04:43,010 --> 00:04:41,040  
code definition of terrorism

106  
00:04:45,470 --> 00:04:43,020  
it's the unlawful use of force and

107  
00:04:48,170 --> 00:04:45,480  
violence against persons or property to

108  
00:04:49,940 --> 00:04:48,180  
intimidate or coerce a government the

109  
00:04:52,130 --> 00:04:49,950  
civilian population or any segment

110  
00:04:54,920 --> 00:04:52,140  
thereof in furtherance of political or

111  
00:04:56,750 --> 00:04:54,930  
social objectives Lombardo has not

112  
00:05:00,800 --> 00:04:56,760  
identified any political or social

113  
00:05:03,050 --> 00:05:00,810

objectives that paddock had he's just

114

00:05:04,480 --> 00:05:03,060

saying generally speaking he committed

115

00:05:06,860 --> 00:05:04,490

violence on a large group of people

116

00:05:08,900 --> 00:05:06,870

furthermore it wasn't directed at a

117

00:05:10,940 --> 00:05:08,910

certain demographic of people Lombardo

118

00:05:14,600 --> 00:05:10,950

might be implying that paddock was

119

00:05:16,520 --> 00:05:14,610

targeting country music fans or whatever

120

00:05:19,010 --> 00:05:16,530

group he may think country music fans

121

00:05:23,450 --> 00:05:19,020

are a part of perhaps a conservative

122

00:05:24,740 --> 00:05:23,460

group but we know that panic almost did

123

00:05:27,620 --> 00:05:24,750

the same thing against the life is

124

00:05:29,300 --> 00:05:27,630

beautiful festival in downtown Vegas a

125

00:05:31,580 --> 00:05:29,310

week prior in fact there was a lot of

126

00:05:33,290 --> 00:05:31,590

information in the report about him

127

00:05:36,770 --> 00:05:33,300

attempting to target that it turns out

128

00:05:37,970 --> 00:05:36,780

that all the same suitcases and so forth

129

00:05:40,490 --> 00:05:37,980

that we know that he brought into the

130

00:05:43,220 --> 00:05:40,500

Mandalay Bay he did the same thing at

131

00:05:45,890 --> 00:05:43,230

the Ogden downtown just a week earlier

132

00:05:47,990 --> 00:05:45,900

he had a hotel room overlooking that

133

00:05:49,760 --> 00:05:48,000

festival just a week earlier that's a

134

00:05:50,870 --> 00:05:49,770

totally different type of crowd as a

135

00:05:53,420 --> 00:05:50,880

much younger

136

00:05:55,790 --> 00:05:53,430

pop music crowd that is that life is

137

00:05:58,400 --> 00:05:55,800

beautiful he was also targeting

138

00:06:00,170 --> 00:05:58,410

Lollapalooza in Chicago we also know

139

00:06:02,990 --> 00:06:00,180

that he was looking at the Santa Monica

140

00:06:04,880 --> 00:06:03,000

Pier in Fenway Park as potential targets

141

00:06:07,100 --> 00:06:04,890

so there's no particularly demographic

142

00:06:09,980 --> 00:06:07,110

that he was targeting so why is Lombardo

143

00:06:12,350 --> 00:06:09,990

calling this terrorism well there's only

144

00:06:16,250 --> 00:06:12,360

one obvious reason look to his donors

145

00:06:17,870 --> 00:06:16,260

are MGM one of his biggest donors is in

146

00:06:20,600 --> 00:06:17,880

a lawsuit against the victims we told

147

00:06:23,390 --> 00:06:20,610

you about that last time they are suing

148

00:06:25,730 --> 00:06:23,400

the victims claiming that this was an

149

00:06:28,310 --> 00:06:25,740

act of terrorism and that because they

150

00:06:31,090 --> 00:06:28,320

had hired a security group that had a

151  
00:06:34,430 --> 00:06:31,100  
certification from homeland security as

152  
00:06:36,650 --> 00:06:34,440  
a security agency there were somehow

153  
00:06:39,230 --> 00:06:36,660  
insulated under the Safety Act from any

154  
00:06:41,600 --> 00:06:39,240  
type of lawsuit in order for MGM to win

155  
00:06:42,980 --> 00:06:41,610  
that case they have to prove that this

156  
00:06:46,530 --> 00:06:42,990  
was terrorism

157  
00:06:48,960 --> 00:06:46,540  
Lombardo just threw them a bone by

158  
00:06:50,760 --> 00:06:48,970  
calling it terrorism when in fact the

159  
00:06:52,290 --> 00:06:50,770  
FBI is saying it's not terrorism and

160  
00:06:56,040 --> 00:06:52,300  
it's clear by the definition of

161  
00:06:59,640 --> 00:06:56,050  
terrorism it is not Lombardo siding with

162  
00:07:01,980 --> 00:06:59,650  
the hotel casinos over the victims now

163  
00:07:03,030 --> 00:07:01,990

let's go to some of the nuggets that we

164

00:07:05,610 --> 00:07:03,040

pulled out of the report

165

00:07:07,440 --> 00:07:05,620

they had a preliminary report in January

166

00:07:08,730 --> 00:07:07,450

so this is an updated report from the

167

00:07:10,470 --> 00:07:08,740

preliminary report but I want to hit

168

00:07:13,170 --> 00:07:10,480

some of the highlights and the things

169

00:07:16,080 --> 00:07:13,180

that are new in this report first of all

170

00:07:20,310 --> 00:07:16,090

they have a final count on the number

171

00:07:23,610 --> 00:07:20,320

that were shot and killed 471 people

172

00:07:25,410 --> 00:07:23,620

were shot it's just an incredible number

173

00:07:30,180 --> 00:07:25,420

when you stop and think about what

174

00:07:32,970 --> 00:07:30,190

paddock did 471 people were shot by

175

00:07:35,090 --> 00:07:32,980

paddock from the 32nd floor we know we

176  
00:07:38,010 --> 00:07:35,100  
shot off approximately a thousand rounds

177  
00:07:39,810 --> 00:07:38,020  
that goes to show you how much he was

178  
00:07:43,020 --> 00:07:39,820  
quote-unquote shooting fish in a barrel

179  
00:07:45,540 --> 00:07:43,030  
at that festival and how perfect his

180  
00:07:48,240 --> 00:07:45,550  
positioning was in that room hovering

181  
00:07:51,300 --> 00:07:48,250  
right above the festival that the MGM

182  
00:07:54,120 --> 00:07:51,310  
allowed him to rent and bring 22 bags

183  
00:07:56,880 --> 00:07:54,130  
into despite knowing about this festival

184  
00:08:00,420 --> 00:07:56,890  
happening across the street almost half

185  
00:08:04,290 --> 00:08:00,430  
of the bullets actually hit someone 58

186  
00:08:07,380 --> 00:08:04,300  
of them died a couple things that

187  
00:08:10,410 --> 00:08:07,390  
Lombardo said he said that they believe

188  
00:08:12,540 --> 00:08:10,420

that paddock was a narcissist who only

189

00:08:14,430 --> 00:08:12,550

cared about himself and those who could

190

00:08:16,680 --> 00:08:14,440

help him we've certainly seen that and

191

00:08:19,650 --> 00:08:16,690

people that we've interviewed regarding

192

00:08:23,160 --> 00:08:19,660

paddock but very other very little other

193

00:08:26,310 --> 00:08:23,170

information released of real intrigue of

194

00:08:29,520 --> 00:08:26,320

regarding paddock or his motive in this

195

00:08:32,400 --> 00:08:29,530

we did learn in talking directly to the

196

00:08:34,530 --> 00:08:32,410

police department that the hard drives

197

00:08:36,180 --> 00:08:34,540

are in the possession of the FBI and so

198

00:08:37,920 --> 00:08:36,190

are the cell phones that the Las Vegas

199

00:08:40,290 --> 00:08:37,930

police never had possession of those

200

00:08:42,390 --> 00:08:40,300

items so whatever is being found on the

201  
00:08:45,300 --> 00:08:42,400  
computers and on the cell phones only

202  
00:08:46,800 --> 00:08:45,310  
the FBI has that hence the reason that

203  
00:08:51,249 --> 00:08:46,810  
the FBI is saying that they're gonna

204  
00:08:54,980 --> 00:08:51,259  
release a motive come December

205  
00:08:57,259 --> 00:08:54,990  
fake flowers in the vase that's still in

206  
00:08:59,299 --> 00:08:57,269  
the report that he bought fake flowers

207  
00:09:02,749 --> 00:08:59,309  
and a vase and a Walmart and brought

208  
00:09:05,509 --> 00:09:02,759  
them up into the room and we still don't

209  
00:09:09,079 --> 00:09:05,519  
know what those fake flowers are vase

210  
00:09:11,299 --> 00:09:09,089  
were for you talk about the hard drive

211  
00:09:13,910 --> 00:09:11,309  
and Lombardo explained that he doesn't

212  
00:09:15,410 --> 00:09:13,920  
know why the hard drive was taken out he

213  
00:09:16,999 --> 00:09:15,420

said it could be for any number of

214

00:09:19,100 --> 00:09:17,009

reasons but they there was a missing

215

00:09:21,470 --> 00:09:19,110

hard drive it has not has not been found

216

00:09:24,169 --> 00:09:21,480

Lombardo does speculate that perhaps he

217

00:09:25,939 --> 00:09:24,179

was trying to hide child porn but

218

00:09:27,859 --> 00:09:25,949

nonetheless they did find child porn

219

00:09:30,919 --> 00:09:27,869

apparently on the other hard drive so

220

00:09:34,210 --> 00:09:30,929

was he tried a couple child porn if he

221

00:09:36,980 --> 00:09:34,220

was he didn't do a very good job of it

222

00:09:39,019 --> 00:09:36,990

shockingly in the press conference

223

00:09:43,280 --> 00:09:39,029

Lombardo said the same thing could

224

00:09:43,970 --> 00:09:43,290

happen again obviously that's a true

225

00:09:45,350 --> 00:09:43,980

statement

226

00:09:46,549 --> 00:09:45,360

anything is possible anything could

227

00:09:49,609 --> 00:09:46,559

happen again but I thought it's pretty

228

00:09:51,919 --> 00:09:49,619

startling for the sheriff whose job is

229

00:09:53,619 --> 00:09:51,929

to protect the people of Las Vegas and

230

00:09:55,609 --> 00:09:53,629

the people who come there to just

231

00:09:59,179 --> 00:09:55,619

flippantly say that this could happen

232

00:10:01,069 --> 00:09:59,189

again but in fact as far as we've seen

233

00:10:03,439 --> 00:10:01,079

very little has been done very few

234

00:10:06,049 --> 00:10:03,449

changes have been made in Las Vegas

235

00:10:08,090 --> 00:10:06,059

certainly not the Mandalay Bay you can

236

00:10:10,549 --> 00:10:08,100

still go to their elevators you don't

237

00:10:12,379 --> 00:10:10,559

even need a room key to enter the

238

00:10:14,329 --> 00:10:12,389

elevator and you don't need a room key

239

00:10:15,679 --> 00:10:14,339

to go up to any floor that you want to

240

00:10:18,160 --> 00:10:15,689

go to at least that was the case when I

241

00:10:22,100 --> 00:10:18,170

visited there a few months ago so I

242

00:10:23,679 --> 00:10:22,110

haven't seen anything significant that

243

00:10:27,410 --> 00:10:23,689

the hotel casinos have put in place

244

00:10:29,210 --> 00:10:27,420

since this incident of course the

245

00:10:31,819 --> 00:10:29,220

festival is not going to take place this

246

00:10:36,259 --> 00:10:31,829

year and there has not been a festival

247

00:10:38,660 --> 00:10:36,269

such as route 91 taking place in close

248

00:10:40,600 --> 00:10:38,670

proximity to the hotels that probably is

249

00:10:44,090 --> 00:10:40,610

not going to happen again for some time

250

00:10:46,489 --> 00:10:44,100

we do learn that Patek did in fact

251  
00:10:49,189 --> 00:10:46,499  
target the fuel tanks that were very

252  
00:10:51,079 --> 00:10:49,199  
close to the festival and on the airport

253  
00:10:54,619 --> 00:10:51,089  
grounds and in fact he hit the fuel tank

254  
00:10:58,929 --> 00:10:54,629  
twice fortunately the fuel tank did not

255  
00:11:02,119 --> 00:10:58,939  
blow up we got clarification regarding

256  
00:11:04,639 --> 00:11:02,129  
Hendrix this applies to Lombardo's

257  
00:11:07,429 --> 00:11:04,649  
cover-up that we talked to Bedwell

258  
00:11:09,049 --> 00:11:07,439  
about lombardo delayed and delayed and

259  
00:11:10,819 --> 00:11:09,059  
delayed and giving out information and

260  
00:11:14,359 --> 00:11:10,829  
most of the information he did not give

261  
00:11:16,369 --> 00:11:14,369  
out until after the election and now we

262  
00:11:18,590 --> 00:11:16,379  
learned why because we learned that

263  
00:11:20,900 --> 00:11:18,600

despite everything that he had said to

264

00:11:24,980 --> 00:11:20,910

the contrary in fact Las Vegas police

265

00:11:27,439 --> 00:11:24,990

were in the Mandalay Bay one floor below

266

00:11:28,989 --> 00:11:27,449

the shooting for four to five minutes

267

00:11:31,309 --> 00:11:28,999

during the shooting

268

00:11:32,720 --> 00:11:31,319

Lombardo never disclosed this during any

269

00:11:34,519 --> 00:11:32,730

of his press conferences or in the

270

00:11:37,400 --> 00:11:34,529

original police report the police report

271

00:11:38,809 --> 00:11:37,410

that came out before the election but

272

00:11:41,840 --> 00:11:38,819

the police report that has come out

273

00:11:44,299 --> 00:11:41,850

after the election now we learned in the

274

00:11:48,040 --> 00:11:44,309

report that two officers Hendrix and

275

00:11:51,769 --> 00:11:48,050

barsen were in fact on the 31st floor at

276

00:11:55,040 --> 00:11:51,779

2211 that's eleven minutes after 10:00

277

00:11:59,119 --> 00:11:55,050

o'clock and he continued to fire until

278

00:12:01,970 --> 00:11:59,129

either 22 15 or 20 2:16 we know that

279

00:12:04,189 --> 00:12:01,980

Hendrix based on his own reporting said

280

00:12:06,650 --> 00:12:04,199

that he froze on the 31st floor

281

00:12:09,079 --> 00:12:06,660

remember Lombardo defends Hendrix

282

00:12:11,169 --> 00:12:09,089

freezing on the 31st floor saying that

283

00:12:13,220 --> 00:12:11,179

you don't bring a knife to a gunfight

284

00:12:15,290 --> 00:12:13,230

referring to the fact that all Hendrix

285

00:12:17,389 --> 00:12:15,300

had when it's a handgun and it was clear

286

00:12:19,720 --> 00:12:17,399

that Patek had a lot more well you'll

287

00:12:22,879 --> 00:12:19,730

hear what bedwell has to say about that

288

00:12:25,669 --> 00:12:22,889

we also learned in the report that to

289

00:12:27,860 --> 00:12:25,679

Mandalay Bay security guards were on the

290

00:12:30,769 --> 00:12:27,870

same elevator with Hendricks Hendricks

291

00:12:34,040 --> 00:12:30,779

got off on 31 they got off on 32 they

292

00:12:37,489 --> 00:12:34,050

were both armed so they were on the 32nd

293

00:12:40,639 --> 00:12:37,499

floor with Patek while the shooting was

294

00:12:42,919 --> 00:12:40,649

going on and they failed to take any

295

00:12:43,639 --> 00:12:42,929

type of action as far as we know or is

296

00:12:50,210 --> 00:12:43,649

in the report

297

00:12:52,069 --> 00:12:50,220

to try to stop the shooter one oddity is

298

00:12:55,340 --> 00:12:52,079

that one of those security guards had

299

00:12:57,379 --> 00:12:55,350

told the FBI en Las Vegas police that

300

00:13:00,319 --> 00:12:57,389

Hendricks had gotten off with him on the

301

00:13:02,539 --> 00:13:00,329

32nd floor that contradicted what

302

00:13:04,879 --> 00:13:02,549

Hendricks had said Hendricks has said he

303

00:13:06,919 --> 00:13:04,889

got off on the 31st floor well that's

304

00:13:09,019 --> 00:13:06,929

now been clarified in the security

305

00:13:11,119 --> 00:13:09,029

officer is now saying that well I

306

00:13:13,850 --> 00:13:11,129

thought that Hendricks got off with me

307

00:13:15,949 --> 00:13:13,860

on the 32nd floor so he definitively

308

00:13:18,110 --> 00:13:15,959

told the FBI that Hendricks got off with

309

00:13:18,560 --> 00:13:18,120

him on the 32nd floor now he's saying he

310

00:13:20,840 --> 00:13:18,570

thinks

311

00:13:22,640 --> 00:13:20,850

got off with him we know based on body

312

00:13:25,700 --> 00:13:22,650

cam that Hendrix got off on the 31st

313

00:13:27,650 --> 00:13:25,710

floor why the security supervisor got

314

00:13:29,330 --> 00:13:27,660

this wrong was there any intent behind

315

00:13:31,010 --> 00:13:29,340

it was he trying to hide something I

316

00:13:32,570 --> 00:13:31,020

don't know what he would have been

317

00:13:34,790 --> 00:13:32,580

trying to hide by that but it seems like

318

00:13:36,110 --> 00:13:34,800

an odd thing to get wrong in that type

319

00:13:38,690 --> 00:13:36,120

of a moment you would think that you

320

00:13:40,820 --> 00:13:38,700

would know who you got off the elevator

321

00:13:42,890 --> 00:13:40,830

with especially did you or did you not

322

00:13:43,430 --> 00:13:42,900

get off with a Las Vegas police officer

323

00:13:46,040 --> 00:13:43,440

or not

324

00:13:48,200 --> 00:13:46,050

turns out the story now is that he got

325

00:13:52,520 --> 00:13:48,210

off with only a fellow Mandalay Bay

326

00:13:56,240 --> 00:13:52,530

security officer the report has 24

327

00:13:58,400 --> 00:13:56,250

minutes of missing time it takes over an

328

00:13:59,930 --> 00:13:58,410

hour for the police to finally breach

329

00:14:02,530 --> 00:13:59,940

the door according to the report they

330

00:14:07,370 --> 00:14:02,540

entered pattex room at 30

331

00:14:09,890 --> 00:14:07,380

23:22 ting stopped at 20 to 15 or 16 so

332

00:14:13,520 --> 00:14:09,900

over an hour after the shooting stopped

333

00:14:15,170 --> 00:14:13,530

the police finally enter the room but

334

00:14:17,240 --> 00:14:15,180

what's interesting is in laying out the

335

00:14:20,000 --> 00:14:17,250

timeline the minute-by-minute timeline

336

00:14:21,650 --> 00:14:20,010

there's a 24 minute period there that

337

00:14:25,400 --> 00:14:21,660

police don't even explain what was going

338

00:14:27,620 --> 00:14:25,410

on what took the police so long and what

339

00:14:30,440 --> 00:14:27,630

made them so casual in spending this

340

00:14:31,970 --> 00:14:30,450

hour to get into the room if you go on

341

00:14:33,530 --> 00:14:31,980

our YouTube channel we've been posting

342

00:14:35,090 --> 00:14:33,540

more and more videos on the Las Vegas

343

00:14:37,190 --> 00:14:35,100

shooting so check out our YouTube

344

00:14:38,810 --> 00:14:37,200

channel hidden truchaut you'll see the

345

00:14:40,850 --> 00:14:38,820

body cam video where one of the police

346

00:14:43,760 --> 00:14:40,860

officers takes time to go to the

347

00:14:45,110 --> 00:14:43,770

bathroom and even wash his hands during

348

00:14:48,080 --> 00:14:45,120

this hour he was one of the first to

349

00:14:51,920 --> 00:14:48,090

enter the room why were the police so

350

00:14:55,580 --> 00:14:51,930

casual I haven't seen this in the report

351  
00:14:58,970 --> 00:14:55,590  
but one possible explanation and I've

352  
00:15:01,820 --> 00:14:58,980  
never heard the police say this but one

353  
00:15:04,610 --> 00:15:01,830  
of the Mandalay Bay security officers

354  
00:15:07,610 --> 00:15:04,620  
say that he heard the last volley of

355  
00:15:10,910 --> 00:15:07,620  
shots coming from the room and then he

356  
00:15:13,310 --> 00:15:10,920  
heard a single shot that would appear to

357  
00:15:16,700 --> 00:15:13,320  
be the single shot of Patek committing

358  
00:15:19,670 --> 00:15:16,710  
suicide only the Mandalay Bay security

359  
00:15:22,160 --> 00:15:19,680  
officer reports hearing that shot but

360  
00:15:24,230 --> 00:15:22,170  
it's very possible that that was the

361  
00:15:27,380 --> 00:15:24,240  
shot more Patek killed himself so Patek

362  
00:15:28,550 --> 00:15:27,390  
in fact ended his shooting and then

363  
00:15:30,530 --> 00:15:28,560

immediately killed himself

364

00:15:32,800 --> 00:15:30,540

which means that he didn't kill himself

365

00:15:35,810 --> 00:15:32,810

under any significant

366

00:15:38,120 --> 00:15:35,820

that paddock perhaps had completed his

367

00:15:41,600 --> 00:15:38,130

final orgy of violence and was done and

368

00:15:43,730 --> 00:15:41,610

shot himself did the police know that he

369

00:15:45,500 --> 00:15:43,740

had shot himself how could they possibly

370

00:15:46,760 --> 00:15:45,510

know even if the police had heard that

371

00:15:48,440 --> 00:15:46,770

single shot there's no way for you to

372

00:15:50,240 --> 00:15:48,450

know that he had killed himself so it

373

00:15:53,870 --> 00:15:50,250

still doesn't make sense that the police

374

00:15:57,140 --> 00:15:53,880

would be so casual in taking their time

375

00:16:00,710 --> 00:15:57,150

in clearing floors etc not knowing who's

376

00:16:03,410 --> 00:16:00,720

in that room and when the firing could

377

00:16:07,040 --> 00:16:03,420

start again is it possible the police

378

00:16:08,720 --> 00:16:07,050

knew who was in the room that they knew

379

00:16:11,770 --> 00:16:08,730

it was just paddock and that he had

380

00:16:14,480 --> 00:16:11,780

killed himself how would they know that

381

00:16:17,090 --> 00:16:14,490

couple of other interesting notes we we

382

00:16:18,950 --> 00:16:17,100

note that one of the bellman says that

383

00:16:22,250 --> 00:16:18,960

paddock tipped him \$5.00 to take his

384

00:16:23,210 --> 00:16:22,260

bags that ends speculation that paddock

385

00:16:25,340 --> 00:16:23,220

was a big tipper

386

00:16:26,870 --> 00:16:25,350

or that the reason Mandalay Bay looked

387

00:16:29,660 --> 00:16:26,880

the other way was because of big tips

388

00:16:32,330 --> 00:16:29,670

apparently he only took \$5 and that was

389

00:16:35,600 --> 00:16:32,340

a typical tip from paddock we also know

390

00:16:38,830 --> 00:16:35,610

that one of the maids reported that she

391

00:16:41,450 --> 00:16:38,840

saw at least five bags in paddocks room

392

00:16:45,410 --> 00:16:41,460

so hopefully this is something that is

393

00:16:47,630 --> 00:16:45,420

changing now that if if a maid sees an

394

00:16:50,540 --> 00:16:47,640

unusual number of bags in a room that

395

00:16:52,370 --> 00:16:50,550

she reports this obviously five bags is

396

00:16:53,990 --> 00:16:52,380

not a lot of bags she said she saw at

397

00:16:56,840 --> 00:16:54,000

least five bags but there was just one

398

00:16:58,670 --> 00:16:56,850

guy in the room should that raise a red

399

00:17:02,600 --> 00:16:58,680

flag enough to at least report it and

400

00:17:04,699 --> 00:17:02,610

have someone come up and inspect based

401

00:17:06,380 --> 00:17:04,709

on that when it's a high-roller

402

00:17:08,690 --> 00:17:06,390

you kind of doubt that they're gonna

403

00:17:14,329 --> 00:17:08,700

want to inspect the high-rollers room as

404

00:17:15,860 --> 00:17:14,339

was the case with paddock so you can

409

00:17:27,710 --> 00:17:25,290

haven't already now let's go to our

410

00:17:31,430 --> 00:17:27,720

interview with Tim Bedwell where we're

411

00:17:32,810 --> 00:17:31,440

going to talk about the 31st floor what

412

00:17:34,850 --> 00:17:32,820

those officers should have done why it

413

00:17:38,210 --> 00:17:34,860

took over an hour and most importantly

414

00:17:41,030 --> 00:17:38,220

the Lombardo cover-up and what it felt

415

00:17:43,400 --> 00:17:41,040

like to run against the guy covering up

416

00:17:45,290 --> 00:17:43,410

facts while you're trying to expose it

417

00:17:46,310 --> 00:17:45,300

with a media that doesn't seem to want

418

00:17:52,399 --> 00:17:46,320

to tell the story

419

00:17:55,159 --> 00:17:52,409

I want to start with this issue of the

420

00:17:57,710 --> 00:17:55,169

Las Vegas police being on the 31st floor

421

00:18:00,379 --> 00:17:57,720

during the shooting I was interviewed

422

00:18:02,810 --> 00:18:00,389

when that information first came out on

423

00:18:06,080 --> 00:18:02,820

John and Ken radio show here in Los

424

00:18:09,529 --> 00:18:06,090

Angeles and I just flat out called it a

425

00:18:13,519 --> 00:18:09,539

police cover-up because it seemed to me

426

00:18:16,700 --> 00:18:13,529

that the delay in releasing materials

427

00:18:18,860 --> 00:18:16,710

etc and not releasing the information

428

00:18:22,730 --> 00:18:18,870

which proved that the Las Vegas police

429

00:18:24,919 --> 00:18:22,740

were in fact on the 31st floor listening

430

00:18:28,759 --> 00:18:24,929

to the shooting for at least four

431

00:18:31,159 --> 00:18:28,769

minutes was was was now proven it ends

432

00:18:34,009 --> 00:18:31,169

we didn't learn about that until after

433

00:18:36,759 --> 00:18:34,019

the election so am I going too far to

434

00:18:41,830 --> 00:18:36,769

call this a cover-up

435

00:18:45,049 --> 00:18:41,840

well it's interesting the the

436

00:18:48,350 --> 00:18:45,059

coincidence that it wasn't until after

437

00:18:50,659 --> 00:18:48,360

he won the primary that this information

438

00:18:54,519 --> 00:18:50,669

was put out though they knew all of this

439

00:18:57,740 --> 00:18:54,529

for a very long time in fact I would say

440

00:19:01,249 --> 00:18:57,750

this information gives us a better

441

00:19:04,249 --> 00:19:01,259

understanding of why the timeline and so

442

00:19:07,310 --> 00:19:04,259

forth way back in the same month when it

443

00:19:09,590 --> 00:19:07,320

happened in October after it happened

444

00:19:13,070 --> 00:19:09,600

the sheriff was having trouble at the

445

00:19:16,100 --> 00:19:13,080

time line right and it seems like this

446

00:19:20,419 --> 00:19:16,110

information really would have narrowed

447

00:19:24,259 --> 00:19:20,429

and defined the timeline pretty clearly

448

00:19:26,499 --> 00:19:24,269

so I would suggest maybe they didn't

449

00:19:29,450 --> 00:19:26,509

want to use this with regard to

450

00:19:31,820 --> 00:19:29,460

evaluating the timeline whether I call

451  
00:19:35,180 --> 00:19:31,830  
that a cover-up or not I just leave that

452  
00:19:38,090 --> 00:19:35,190  
to people who want to better make their

453  
00:19:39,470 --> 00:19:38,100  
own make their own conclusion on it you

454  
00:19:43,519 --> 00:19:39,480  
may not call it a cover-up they just

455  
00:19:45,769 --> 00:19:43,529  
didn't want people to know well

456  
00:19:47,330 --> 00:19:45,779  
obviously there was a lot of information

457  
00:19:49,789 --> 00:19:47,340  
that was dumped to the day after the

458  
00:19:51,680 --> 00:19:49,799  
primary and this is some of the stuff

459  
00:19:53,539 --> 00:19:51,690  
that came out after the primary they had

460  
00:19:55,430 --> 00:19:53,549  
this information long before that they

461  
00:19:59,119 --> 00:19:55,440  
began releasing information or that a

462  
00:19:59,990 --> 00:19:59,129  
month before the primary under the court

463  
00:20:03,080 --> 00:20:00,000

order you know

464

00:20:05,060 --> 00:20:03,090

third court order to have them put the

465

00:20:06,770 --> 00:20:05,070

information out they finally started

466

00:20:07,820 --> 00:20:06,780

giving out information but they did it

467

00:20:11,030 --> 00:20:07,830

in a fashion that was pretty

468

00:20:17,150 --> 00:20:11,040

overwhelming and they didn't put this

469

00:20:20,870 --> 00:20:17,160

information in that bash do you believe

470

00:20:23,300 --> 00:20:20,880

that his delay the the police delay in

471

00:20:25,580 --> 00:20:23,310

providing all this information and in

472

00:20:28,970 --> 00:20:25,590

particular the evidence of the police

473

00:20:34,670 --> 00:20:28,980

being on the 31st floor was in order to

474

00:20:37,580 --> 00:20:34,680

get past the primary the sheriff refused

475

00:20:40,250 --> 00:20:37,590

to comment at all about the shooting or

476  
00:20:43,670 --> 00:20:40,260  
the investigation any time after January

477  
00:20:46,060 --> 00:20:43,680  
I think and the fact that they were

478  
00:20:49,790 --> 00:20:46,070  
ordered to put out information and they

479  
00:20:51,590 --> 00:20:49,800  
obviously purposely decided that this

480  
00:20:53,210 --> 00:20:51,600  
was information they would hold for

481  
00:20:54,530 --> 00:20:53,220  
after the primary means that's

482  
00:20:57,380 --> 00:20:54,540  
information they didn't want to have

483  
00:21:01,070 --> 00:20:57,390  
public the voting public to have on

484  
00:21:03,230 --> 00:21:01,080  
Election Day did you ever have the

485  
00:21:04,820 --> 00:21:03,240  
opportunity to confront Lombardo during

486  
00:21:08,240 --> 00:21:04,830  
the campaign regarding his handling of

487  
00:21:10,460 --> 00:21:08,250  
the investigation you know I saw the

488  
00:21:13,460 --> 00:21:10,470

sheriff three times he wouldn't speak to

489

00:21:15,560 --> 00:21:13,470

me any of those times we worked really

490

00:21:17,930 --> 00:21:15,570

hard to try to get a debate together

491

00:21:21,320 --> 00:21:17,940

there was a town-hall put on he refused

492

00:21:24,650 --> 00:21:21,330

to to show with that I did everything I

493

00:21:27,440 --> 00:21:24,660

could to try to engage the sheriff so

494

00:21:30,920 --> 00:21:27,450

that you know the electoral process is

495

00:21:33,650 --> 00:21:30,930

the is the place where we often find out

496

00:21:35,750 --> 00:21:33,660

what elected officials do and and they

497

00:21:38,360 --> 00:21:35,760

can be confronted about things that they

498

00:21:39,890 --> 00:21:38,370

feel uncomfortable with but for the

499

00:21:42,650 --> 00:21:39,900

electoral process to work in that

500

00:21:45,680 --> 00:21:42,660

fashion you have to get that elected

501  
00:21:47,180 --> 00:21:45,690  
incumbent to come somewhere and be asked

502  
00:21:49,130 --> 00:21:47,190  
the questions and he refused to do that

503  
00:21:49,430 --> 00:21:49,140  
so let's try and take this one piece at

504  
00:21:54,050 --> 00:21:49,440  
a time

505  
00:21:58,490 --> 00:21:54,060  
as far as Lombardo knowing that Hendrix

506  
00:22:01,040 --> 00:21:58,500  
invar s'en were on the 31st floor during

507  
00:22:05,750 --> 00:22:01,050  
the shooting he would have known that in

508  
00:22:07,730 --> 00:22:05,760  
your opinion when well he would have

509  
00:22:10,669 --> 00:22:07,740  
known it as soon as the initial report

510  
00:22:13,230 --> 00:22:10,679  
was being completed to brief him on what

511  
00:22:14,670 --> 00:22:13,240  
had happened

512  
00:22:17,820 --> 00:22:14,680  
this is information that was in the

513  
00:22:20,100 --> 00:22:17,830

report the officer completed he they

514

00:22:22,680 --> 00:22:20,110

would obviously have interviewed first

515

00:22:25,500 --> 00:22:22,690

the officers who were first in the

516

00:22:27,630 --> 00:22:25,510

Mandalay Bay and going up the you know

517

00:22:31,680 --> 00:22:27,640

the officer and his trainee were the for

518

00:22:33,870 --> 00:22:31,690

the first Metro officers to go up they

519

00:22:35,670 --> 00:22:33,880

would have been debriefed immediately

520

00:22:39,050 --> 00:22:35,680

their information would have been

521

00:22:41,840 --> 00:22:39,060

critical to the timeline and critical to

522

00:22:44,700 --> 00:22:41,850

briefing anyone the sheriff

523

00:22:46,410 --> 00:22:44,710

federal investigators or anyone else as

524

00:22:48,600 --> 00:22:46,420

to what the conclusions that the Metro

525

00:22:52,230 --> 00:22:48,610

Police Department are at any specific

526  
00:22:54,240 --> 00:22:52,240  
point so let me open is there any doubt

527  
00:22:56,820 --> 00:22:54,250  
that Lombardo would have known that

528  
00:23:00,870 --> 00:22:56,830  
information at the time of one of those

529  
00:23:02,280 --> 00:23:00,880  
early press conferences well I don't

530  
00:23:05,750 --> 00:23:02,290  
necessarily think he would have had it

531  
00:23:08,340 --> 00:23:05,760  
on that night or maybe even the next day

532  
00:23:10,770 --> 00:23:08,350  
but by the time three or four days had

533  
00:23:14,700 --> 00:23:10,780  
gone by he'd had to have been briefed

534  
00:23:17,000 --> 00:23:14,710  
several times and if if the information

535  
00:23:19,410 --> 00:23:17,010  
about the first officers on scene

536  
00:23:21,450 --> 00:23:19,420  
actually not on scene where the people

537  
00:23:23,730 --> 00:23:21,460  
were going down across the street from

538  
00:23:26,580 --> 00:23:23,740

Mendeley Bay but actually in Mandalay

539

00:23:28,620 --> 00:23:26,590

Bay where the perpetrator was if someone

540

00:23:30,990 --> 00:23:28,630

had that information which they would

541

00:23:34,010 --> 00:23:31,000

have to have and they didn't provide it

542

00:23:36,930 --> 00:23:34,020

to the sheriff they would be incompetent

543

00:23:39,060 --> 00:23:36,940

so either the sheriff got the

544

00:23:41,010 --> 00:23:39,070

information or the sheriff should have

545

00:23:43,650 --> 00:23:41,020

fired somebody for not giving it to him

546

00:23:45,450 --> 00:23:43,660

and as far as I know yeah I mean I point

547

00:23:48,690 --> 00:23:45,460

out there was a lot to do about the

548

00:23:51,300 --> 00:23:48,700

timeline and when was Campos shot

549

00:23:54,590 --> 00:23:51,310

when did Mandalay Bay security respond

550

00:23:58,080 --> 00:23:54,600

when did Las Vegas police respond and

551  
00:24:02,010 --> 00:23:58,090  
the first responders were Hendrickson

552  
00:24:04,140 --> 00:24:02,020  
var sin' so it seems to me obvious that

553  
00:24:06,420 --> 00:24:04,150  
he would have known that and he also

554  
00:24:08,900 --> 00:24:06,430  
would have known when it was they were

555  
00:24:12,120 --> 00:24:08,910  
on the radio on the 31st floor

556  
00:24:14,160 --> 00:24:12,130  
corresponding with police dispatch about

557  
00:24:18,090 --> 00:24:14,170  
the fact that they were on the 31st

558  
00:24:19,710 --> 00:24:18,100  
floor right this is these are not facts

559  
00:24:21,920 --> 00:24:19,720  
that would have been buried somehow an

560  
00:24:26,250 --> 00:24:21,930  
investigation by you know in it urgently

561  
00:24:27,270 --> 00:24:26,260  
these are this is the beginning of the

562  
00:24:29,850 --> 00:24:27,280  
timeline

563  
00:24:31,700 --> 00:24:29,860

people were being shot we have officers

564

00:24:34,140 --> 00:24:31,710

in the building we have officers

565

00:24:37,050 --> 00:24:34,150

identifying from the ground where the

566

00:24:38,850 --> 00:24:37,060

fires coming from the hotel knows it's

567

00:24:42,390 --> 00:24:38,860

the 32nd floor of the hotel knows the

568

00:24:44,670 --> 00:24:42,400

room number and we have officers one

569

00:24:47,070 --> 00:24:44,680

floor below reporting what they're

570

00:24:47,910 --> 00:24:47,080

seeing on the radio that doesn't get

571

00:24:50,550 --> 00:24:47,920

overlooked

572

00:24:53,820 --> 00:24:50,560

so this fax had to have been in part of

573

00:24:56,940 --> 00:24:53,830

the early briefings right so Lombardo

574

00:24:58,590 --> 00:24:56,950

you know even Lombardo I bought me to

575

00:25:00,210 --> 00:24:58,600

use the word lied to the public you

576  
00:25:02,400 --> 00:25:00,220  
probably don't want to use that word but

577  
00:25:04,850 --> 00:25:02,410  
would you say he misled the public by

578  
00:25:07,890 --> 00:25:04,860  
not sharing that information with them

579  
00:25:12,180 --> 00:25:07,900  
well let me be totally clear I believe

580  
00:25:13,710 --> 00:25:12,190  
that the sheriff is remiss in the way

581  
00:25:17,580 --> 00:25:13,720  
that he's putting out any of this

582  
00:25:19,980 --> 00:25:17,590  
information because the court order is

583  
00:25:21,870 --> 00:25:19,990  
to put out documents and so well sorry

584  
00:25:23,880 --> 00:25:21,880  
to hold on a second I want to stay with

585  
00:25:26,220 --> 00:25:23,890  
you if you're gonna of these early press

586  
00:25:27,930 --> 00:25:26,230  
conferences because he had multiple

587  
00:25:30,210 --> 00:25:27,940  
press conferences over that first week

588  
00:25:32,460 --> 00:25:30,220

and you and I agree there's no question

589

00:25:35,010 --> 00:25:32,470

that he would have been aware that

590

00:25:38,040 --> 00:25:35,020

Hendrix and waar Tsin were on the 31st

591

00:25:39,780 --> 00:25:38,050

floor during the shooting and he never

592

00:25:43,260 --> 00:25:39,790

puts that into the timeline in any of

593

00:25:45,990 --> 00:25:43,270

those press conferences and that's

594

00:25:48,990 --> 00:25:46,000

that's definitely a problem the timeline

595

00:25:51,090 --> 00:25:49,000

is is critical the first officers on

596

00:25:53,490 --> 00:25:51,100

scene would have been critical now I

597

00:25:55,440 --> 00:25:53,500

don't I don't speculate the sheriff

598

00:25:57,510 --> 00:25:55,450

should have in the first few days come

599

00:25:59,580 --> 00:25:57,520

out and said you know we had an officer

600

00:26:03,450 --> 00:25:59,590

a floor below but but in his own words

601  
00:26:04,890 --> 00:26:03,460  
he froze and was afraid to go up and

602  
00:26:06,300 --> 00:26:04,900  
confront the threat

603  
00:26:09,690 --> 00:26:06,310  
I don't know that he'd want to get up

604  
00:26:12,330 --> 00:26:09,700  
and say that in an early briefing but I

605  
00:26:15,000 --> 00:26:12,340  
think that they should should have

606  
00:26:18,480 --> 00:26:15,010  
certainly clarified that within a couple

607  
00:26:21,150 --> 00:26:18,490  
of weeks I mean maybe I'm out in

608  
00:26:24,480 --> 00:26:21,160  
parkland it came out that there was a

609  
00:26:26,160 --> 00:26:24,490  
curity guard there who failed to really

610  
00:26:27,570 --> 00:26:26,170  
respond and that came out immediately

611  
00:26:28,260 --> 00:26:27,580  
what why wouldn't this come out

612  
00:26:31,620 --> 00:26:28,270  
immediately

613  
00:26:33,540 --> 00:26:31,630

why even two weeks well in parkland not

614

00:26:35,910 --> 00:26:33,550

only did an officer not respond to the

615

00:26:37,860 --> 00:26:35,920

four officers showed up and didn't

616

00:26:39,510 --> 00:26:37,870

respond but the reason that that got

617

00:26:40,430 --> 00:26:39,520

broke was because there was a helicopter

618

00:26:48,350 --> 00:26:40,440

that

619

00:26:52,100 --> 00:26:48,360

Parkland police to hide the information

620

00:26:54,050 --> 00:26:52,110

as Lombardo did absolutely not nobody

621

00:26:56,450 --> 00:26:54,060

should hide this and in parkland it

622

00:26:59,120 --> 00:26:56,460

would it goes to the the timeline and

623

00:27:02,120 --> 00:26:59,130

the the lack of a confronting the

624

00:27:03,530 --> 00:27:02,130

shooter quickly and actually on the

625

00:27:05,360 --> 00:27:03,540

October first shooting it's the same

626  
00:27:07,460 --> 00:27:05,370  
saying we don't know how many of the

627  
00:27:11,420 --> 00:27:07,470  
fifty eight people that died had already

628  
00:27:12,830 --> 00:27:11,430  
been shot but there was still active

629  
00:27:14,960 --> 00:27:12,840  
shooting going on for several minutes

630  
00:27:17,180 --> 00:27:14,970  
when we had people one floor below who

631  
00:27:19,130 --> 00:27:17,190  
could have if nothing else gone up and

632  
00:27:23,840 --> 00:27:19,140  
distracted the shooter which we only

633  
00:27:28,130 --> 00:27:23,850  
find out seven months eight months after

634  
00:27:31,820 --> 00:27:28,140  
the shooting right we find out after he

635  
00:27:35,480 --> 00:27:31,830  
literally find out in within a few days

636  
00:27:37,940 --> 00:27:35,490  
as uh primarily what word are you

637  
00:27:39,440 --> 00:27:37,950  
willing to use regarding Lombardo and

638  
00:27:41,030 --> 00:27:39,450

what he had to say in those press

639

00:27:44,060 --> 00:27:41,040

conferences in the week following

640

00:27:47,720 --> 00:27:44,070

regarding his failure to inform the

641

00:27:50,150 --> 00:27:47,730

public of this fact well I don't think

642

00:27:52,040 --> 00:27:50,160

the sheriff was I don't think the

643

00:27:54,650 --> 00:27:52,050

sheriff should have been up as as much

644

00:27:56,450 --> 00:27:54,660

as he was doing the talking particularly

645

00:27:58,250 --> 00:27:56,460

in light of the fact that he knew early

646

00:28:00,860 --> 00:27:58,260

on he was giving out information that

647

00:28:05,240 --> 00:28:00,870

was wrong and proven wrong within a few

648

00:28:07,370 --> 00:28:05,250

days so if the sheriff wasn't going to

649

00:28:08,990 --> 00:28:07,380

clarify what happened which still hasn't

650

00:28:11,630 --> 00:28:09,000

been done you know what let's keep in

651  
00:28:13,610 --> 00:28:11,640  
mind Jim we still don't know exactly

652  
00:28:15,050 --> 00:28:13,620  
what the timeline is there's still you

653  
00:28:16,730 --> 00:28:15,060  
you know if you google it you find a

654  
00:28:18,830 --> 00:28:16,740  
bunch of different possibilities but the

655  
00:28:22,250 --> 00:28:18,840  
sheriff has never released a definitive

656  
00:28:24,350 --> 00:28:22,260  
report so well but the preliminary

657  
00:28:26,750 --> 00:28:24,360  
report Olympus but the preliminary

658  
00:28:30,170 --> 00:28:26,760  
report does walk through a

659  
00:28:31,430 --> 00:28:30,180  
minute-by-minute timeline I know it's

660  
00:28:33,980 --> 00:28:31,440  
not the final report but it's a

661  
00:28:36,800 --> 00:28:33,990  
preliminary report and that doesn't

662  
00:28:39,380 --> 00:28:36,810  
mention Hendrickson parson being on the

663  
00:28:41,030 --> 00:28:39,390

31st floor which is what I was just

664

00:28:43,250 --> 00:28:41,040

getting ready to say when you started

665

00:28:45,320 --> 00:28:43,260

into the preliminary report so we know

666

00:28:47,960 --> 00:28:45,330

all the facts have never been given to

667

00:28:50,810 --> 00:28:47,970

us in a comprehensive report we made we

668

00:28:54,060 --> 00:28:50,820

know that just by that one issue that

669

00:28:57,480 --> 00:28:54,070

officers were a floor down frozen

670

00:29:00,960 --> 00:28:57,490

and did not go up and and and it

671

00:29:03,770 --> 00:29:00,970

so the honestly Jim what really needs to

672

00:29:06,990 --> 00:29:03,780

happen is the public lead needs to know

673

00:29:10,710 --> 00:29:07,000

what the potential ramifications were of

674

00:29:12,660 --> 00:29:10,720

the delay how how much of this may be he

675

00:29:14,190 --> 00:29:12,670

was gonna shoot maybe he had hit

676  
00:29:17,610 --> 00:29:14,200  
everyone who was going to hit and going

677  
00:29:20,700 --> 00:29:17,620  
on to the gas you know containers or

678  
00:29:22,710 --> 00:29:20,710  
something but the fact is that we we

679  
00:29:24,840 --> 00:29:22,720  
don't know all we can do is speculate

680  
00:29:26,580 --> 00:29:24,850  
our conversation right now Jim is based

681  
00:29:30,080 --> 00:29:26,590  
on the fact that we don't have a

682  
00:29:32,880 --> 00:29:30,090  
definitive report to look at and but but

683  
00:29:34,980 --> 00:29:32,890  
delays potentially there's two delays

684  
00:29:38,340 --> 00:29:34,990  
that we need to think and talk about

685  
00:29:40,770 --> 00:29:38,350  
though one is the delay by Hendrix being

686  
00:29:43,680 --> 00:29:40,780  
on 31 while he's hearing shots fired we

687  
00:29:46,680 --> 00:29:43,690  
know in the last four minutes minutes

688  
00:29:49,470 --> 00:29:46,690

Patek was killing people then we have a

689

00:29:53,510 --> 00:29:49,480

second delay where it takes over an hour

690

00:29:56,810 --> 00:29:53,520

for the police to breach the door so
