1  
00:00:03,260 --> 00:00:01,280  
you know what everybody wants to figure

2  
00:00:05,059 --> 00:00:03,270  
out is what was his motive that was our

3  
00:00:06,530 --> 00:00:05,069  
primary thing it was just unbelievable

4  
00:00:08,000 --> 00:00:06,540  
to me that we could have been three

5  
00:00:10,100 --> 00:00:08,010  
months out of the shooting and not know

6  
00:00:12,290 --> 00:00:10,110  
why this guy did what he did and here we

7  
00:00:13,759 --> 00:00:12,300  
are now about 10 months out and see what

8  
00:00:15,530 --> 00:00:13,769  
people are still wondering why did he do

9  
00:00:16,970 --> 00:00:15,540  
this and what's behind it so you've got

10  
00:00:18,980 --> 00:00:16,980  
a police report that's come out the

11  
00:00:21,080 --> 00:00:18,990  
final police report they say that it was

12  
00:00:22,939 --> 00:00:21,090  
a single shooter they don't know what

13  
00:00:25,340 --> 00:00:22,949

his motive was you have the FBI also

14

00:00:26,839 --> 00:00:25,350

saying a single shooter FBI though does

15

00:00:28,370 --> 00:00:26,849

say that they think they are going to

16

00:00:29,839 --> 00:00:28,380

determine his motive and we're gonna

17

00:00:32,359 --> 00:00:29,849

know about it before the end of the year

18

00:00:34,220 --> 00:00:32,369

so we're only about four or five days

19

00:00:37,520 --> 00:00:34,230

from a one-year anniversary of this of

20

00:00:38,930 --> 00:00:37,530

this Massacre you also said you heard

21

00:00:41,569 --> 00:00:38,940

that there was some security or some law

22

00:00:43,819 --> 00:00:41,579

enforcement in the in the hotel close to

23

00:00:45,470 --> 00:00:43,829

the shooter at the time this is not as

24

00:00:47,119 --> 00:00:45,480

public knowledge as it should be

25

00:00:48,650 --> 00:00:47,129

because when the timelines first came

26

00:00:50,180 --> 00:00:48,660

out they were basically wrong and

27

00:00:51,380 --> 00:00:50,190

sheriff Lombardo had them wrong and it

28

00:00:53,840 --> 00:00:51,390

was very embarrassing for they mean he

29

00:00:55,279 --> 00:00:53,850

had to correct them and then people were

30

00:00:56,569 --> 00:00:55,289

asking for various information they

31

00:00:57,830 --> 00:00:56,579

wanted the reports they wanted the body

32

00:00:59,540 --> 00:00:57,840

can they want to know really what

33

00:01:01,369 --> 00:00:59,550

happened he stalled putting that

34

00:01:02,990 --> 00:01:01,379

information out the media had to go to

35

00:01:04,789 --> 00:01:03,000

the courts to get that information out

36

00:01:06,890 --> 00:01:04,799

finally the court said Lombardo you have

37

00:01:09,350 --> 00:01:06,900

to release this he slow plays their

38

00:01:11,750 --> 00:01:09,360

release but finally after his election

39

00:01:13,520 --> 00:01:11,760

we learned for the first time that there

40

00:01:15,950 --> 00:01:13,530

was two Las Vegas police officers on the

41

00:01:18,109 --> 00:01:15,960

31st floor listening to shooting one

42

00:01:19,730 --> 00:01:18,119

floor above for at least four minutes so

43

00:01:23,359 --> 00:01:19,740

they were already in the man why didn't

44

00:01:25,490 --> 00:01:23,369

they go he the officer flat-out says

45

00:01:26,330 --> 00:01:25,500

that he froze officer barson says that

46

00:01:28,100 --> 00:01:26,340

he froze

47

00:01:29,749 --> 00:01:28,110

sorry officer Hendricks said that he

48

00:01:31,880 --> 00:01:29,759

froze barson was a trainee that was with

49

00:01:35,210 --> 00:01:31,890

him but he puts right in his report that

50

00:01:36,590 --> 00:01:35,220

he froze and it's sad to see you can see

51  
00:01:38,690 --> 00:01:36,600  
it with the body cam you see exactly

52  
00:01:40,550 --> 00:01:38,700  
what happens I would have froze in that

53  
00:01:42,620 --> 00:01:40,560  
situation but now I'm not a Vegas police

54  
00:01:44,569 --> 00:01:42,630  
officer who's taken an oath to protect

55  
00:01:46,490 --> 00:01:44,579  
so we've been here the better part of a

56  
00:01:48,530 --> 00:01:46,500  
weeks maybe five or six days and we keep

57  
00:01:50,270 --> 00:01:48,540  
hearing this more than one shooter

58  
00:01:54,109 --> 00:01:50,280  
multiple shooters reports of multiple

59  
00:01:55,700 --> 00:01:54,119  
shooters some audiotape of 911 multiple

60  
00:01:57,800 --> 00:01:55,710  
shooters what do you know would what

61  
00:01:59,330 --> 00:01:57,810  
have you heard everyone I've spoken to

62  
00:02:01,370 --> 00:01:59,340  
that was at the concert and we've spoken

63  
00:02:03,499 --> 00:02:01,380

to a lot of people that the concert they

64

00:02:06,830 --> 00:02:03,509

all say multiple shooters why but what

65

00:02:09,050 --> 00:02:06,840

well the theory would be that there's

66

00:02:09,620 --> 00:02:09,060

shots echo that first of all he fired so

67

00:02:12,020 --> 00:02:09,630

many

68

00:02:14,510 --> 00:02:12,030

in such a short 1,100 rounds and yes

69

00:02:17,090 --> 00:02:14,520

every period so I think people's first

70

00:02:18,650 --> 00:02:17,100

reaction is this sounds like a lot it's

71

00:02:20,990 --> 00:02:18,660

echoing off building so that's sounding

72

00:02:22,430 --> 00:02:21,000

like everything's nobody don't it didn't

73

00:02:24,560 --> 00:02:22,440

dawn in anybody that somebody could be

74

00:02:26,270 --> 00:02:24,570

up there doing this everyone I've spoken

75

00:02:27,620 --> 00:02:26,280

to you that was there thought the shots

76  
00:02:29,750 --> 00:02:27,630  
were coming from ground sue the math

77  
00:02:32,570 --> 00:02:29,760  
right here about a 10-minute shooting

78  
00:02:34,130 --> 00:02:32,580  
spree right 1,100 rounds you're talking

79  
00:02:36,050 --> 00:02:34,140  
a hundred and ten rounds per minute

80  
00:02:39,020 --> 00:02:36,060  
that's almost one and a half that's

81  
00:02:41,330 --> 00:02:39,030  
almost two shots per second what gun

82  
00:02:42,680 --> 00:02:41,340  
fires two shots per second for ten

83  
00:02:45,380 --> 00:02:42,690  
minutes straight without loading I mean

84  
00:02:47,000 --> 00:02:45,390  
if you if you encompass loading time you

85  
00:02:49,940 --> 00:02:47,010  
could be two or three shots per second

86  
00:02:52,130 --> 00:02:49,950  
is that possible well the experts say

87  
00:02:53,630 --> 00:02:52,140  
that they think that it is but you know

88  
00:02:56,360 --> 00:02:53,640

I think that's still yet to be borne out

89

00:02:58,640 --> 00:02:56,370

we do know they had 22 rifles in the

90

00:03:00,500 --> 00:02:58,650

room all set up with a bump stock so he

91

00:03:01,970 --> 00:03:00,510

was ready to go so when this one's done

92

00:03:03,470 --> 00:03:01,980

he's ready to go to the next one a lot

93

00:03:05,930 --> 00:03:03,480

of people question what is he doing with

94

00:03:08,270 --> 00:03:05,940

22 rifles in the room a lone shooter

95

00:03:10,130 --> 00:03:08,280

shooter with 22 rifles the theory would

96

00:03:12,110 --> 00:03:10,140

be though he wanted to be ready if any

97

00:03:13,820 --> 00:03:12,120

of those jammed he had the next one and

98

00:03:15,800 --> 00:03:13,830

the next one the other little theory

99

00:03:17,900 --> 00:03:15,810

that I would put out there is he wanted

100

00:03:19,730 --> 00:03:17,910

to go out and what I call it orgasm of

101

00:03:22,310 --> 00:03:19,740

violence that's what this wasn't this

102

00:03:23,900 --> 00:03:22,320

guy was a sick sick individual in many

103

00:03:25,160 --> 00:03:23,910

different tell us about his history that

104

00:03:27,470 --> 00:03:25,170

gives you that impression child

105

00:03:29,180 --> 00:03:27,480

pornography is found at his computer we

106

00:03:31,040 --> 00:03:29,190

don't know what that was doing there we

107

00:03:33,110 --> 00:03:31,050

don't know what that's all about was he

108

00:03:35,120 --> 00:03:33,120

trafficking in child pornography was he

109

00:03:37,880 --> 00:03:35,130

consuming it himself the brother who I

110

00:03:39,170 --> 00:03:37,890

exclusively interviewed also was found

111

00:03:41,300 --> 00:03:39,180

with child pornography on his computer

112

00:03:43,220 --> 00:03:41,310

in Los Angeles and face charges for that

113

00:03:44,300 --> 00:03:43,230

so there's something weird going on

114

00:03:46,760 --> 00:03:44,310

there if you look at the father

115

00:03:48,530 --> 00:03:46,770

situation the FBI's most-wanted list

116

00:03:51,260 --> 00:03:48,540

don't shoot his father shoot a shooters

117

00:03:53,000 --> 00:03:51,270

father he left the family when they were

118

00:03:56,180 --> 00:03:53,010

all young so they're raised without a

119

00:03:57,320 --> 00:03:56,190

father the brother tells a story about

120

00:03:58,700 --> 00:03:57,330

when he got to meet the father for the

121

00:04:00,260 --> 00:03:58,710

first time when he was 20 years old okay

122

00:04:02,540 --> 00:04:00,270

so if I'm understanding you correctly

123

00:04:05,150 --> 00:04:02,550

you're ascribing to the single shooter

124

00:04:08,480 --> 00:04:05,160

theory yes even though 1,100 rounds in

125

00:04:10,430 --> 00:04:08,490

ten minutes okay wasn't it was Mandalay

126

00:04:13,190 --> 00:04:10,440

Bay negligent allowing one guy to bring

127

00:04:15,080 --> 00:04:13,200

22 firearms up there more than 2,000

128

00:04:16,430 --> 00:04:15,090

rounds I think he had ready to go look I

129

00:04:17,770 --> 00:04:16,440

don't like the idea of holding anybody

130

00:04:19,990 --> 00:04:17,780

responsible for what

131

00:04:23,350 --> 00:04:20,000

the Pisa you know what who did this okay

132

00:04:26,140 --> 00:04:23,360

but under the court of law in liability

133

00:04:27,760 --> 00:04:26,150

and negligence and so on I'm gonna say I

134

00:04:29,890 --> 00:04:27,770

think the answer is yes that they were

135

00:04:32,110 --> 00:04:29,900

negligent and the reason is we're

136

00:04:34,780 --> 00:04:32,120

looking from where he was to this

137

00:04:36,790 --> 00:04:34,790

location and the elderly Bay was yeah

138

00:04:38,980 --> 00:04:36,800

tell me about that they knew this

139

00:04:41,170 --> 00:04:38,990

concert was going on because it MGM

140

00:04:43,930 --> 00:04:41,180

grand was the co promoter of this along

141

00:04:46,810 --> 00:04:43,940

with Live Nation so MGM owns Mandalay

142

00:04:47,680 --> 00:04:46,820

Bay they know 20,000 people are going to

143

00:04:50,470 --> 00:04:47,690

be across the street from their

144

00:04:52,450 --> 00:04:50,480

properties Luxor and Mandalay Bay what

145

00:04:54,909 --> 00:04:52,460

additional security did you put in place

146

00:04:56,740 --> 00:04:54,919

knowing or thinking about this they had

147

00:04:58,300 --> 00:04:56,750

security here but what about the

148

00:04:59,230 --> 00:04:58,310

security there I think we're going to
