into professional echo sterilizing

6  
00:01:51,510 --> 00:01:46,369

people that are here tonight starting

7  
00:01:51,520 --> 00:02:15,810

[Applause]

8  
00:02:15,820 --> 00:02:21,750

SME when Nelson ro

9  
00:02:36,190 --> 00:02:24,550

Las Vegas city councilman and ward three

10  
00:02:38,260 --> 00:02:36,200

representative of the spark I'm sorry

11  
00:02:39,700 --> 00:02:38,270

congressman humid is also here I'm sorry

12  
00:02:46,530 --> 00:02:39,710

I'm sorry

13  
00:02:53,380 --> 00:02:48,850

let's take a City Council in separate

14

00:03:05,230 --> 00:02:53,390

sphere and the chairman of the County

15

00:03:06,730 --> 00:03:05,240

Commission mr. Steeves just like before

16

00:03:08,830 --> 00:03:06,740

we begin I've been asked to speak a few

17

00:03:10,750 --> 00:03:08,840

words tonight and talk about the healing

18

00:03:12,960 --> 00:03:10,760

part and how it came about last year

19

00:03:15,850 --> 00:03:12,970

some things in life are just

20

00:03:17,080 --> 00:03:15,860

inexplicable and what happened last year

21

00:03:19,540 --> 00:03:17,090

or not couple of one but solved with a

22

00:03:21,970 --> 00:03:19,550

sequence of n but what happened

23

00:03:23,530 --> 00:03:21,980

afterwards in this community in my

24

00:03:28,199 --> 00:03:23,540

opinion is just nothing short of a

25

00:03:34,330 --> 00:03:32,140

and J is a landscape expert and we were

26

00:03:37,150 --> 00:03:34,340

working on the negotiations fell apart

27

00:03:38,240 --> 00:03:37,160

became friends and then came on tiller a

28

00:03:40,370 --> 00:03:38,250

second

29

00:03:43,640 --> 00:03:40,380

I fell asleep early the night of October

30

00:03:45,440 --> 00:03:43,650

through and I can't see 20p use and woke

31

00:03:47,930 --> 00:03:45,450

up the next day to find out what

32

00:03:50,630 --> 00:03:47,940

happened and I immediately recognized

33

00:03:52,700 --> 00:03:50,640

one of my best friends and an employee

34

00:03:55,760 --> 00:03:52,710

in the city of Las Vegas was attending

35

00:03:58,400 --> 00:03:55,770

the event that weekend no weird feeling

36

00:04:02,090 --> 00:03:58,410

and I texted him I got no response

37

00:04:04,370 --> 00:04:02,100

I called him he heads into work at about

38

00:04:06,980 --> 00:04:04,380

6:30 hoping that he would come walking

39

00:04:10,640 --> 00:04:06,990

sniffing through the door and seven that

40

00:04:12,740 --> 00:04:10,650

discount at 7:15 we got the phone call

41

00:04:17,449 --> 00:04:12,750

that we lost Cameron Robbins

42

00:04:19,400 --> 00:04:17,459

I know afterwards it's bit of a blur of

43

00:04:23,390 --> 00:04:19,410

one of the attorneys in my office

44

00:04:27,220 --> 00:04:23,400

I said we need to get out of here for a

45

00:04:29,990 --> 00:04:27,230

few minutes the window and I said

46

00:04:32,540 --> 00:04:30,000

walking and the next thing I know my

47

00:04:34,310 --> 00:04:32,550

phone little 30-second suffers suggest

48

00:04:37,550 --> 00:04:34,320

you me go for a walk and it was jpg in

49

00:04:39,830 --> 00:04:37,560

court and Jenny said breath the city can

50

00:04:42,200 --> 00:04:39,840

find us a piece of land not give it to

51  
00:04:44,690 --> 00:04:42,210  
us not selling to it's just lovely to us

52  
00:04:52,390 --> 00:04:44,700  
we would like to put together some kind

53  
00:04:52,400 --> 00:05:32,720  
[Music]

54  
00:06:16,250 --> 00:05:36,030  
but there's horrible things and that's

55  
00:07:23,520 --> 00:06:27,360  
[Music]

56  
00:07:45,029 --> 00:07:38,180  
[Applause]

57  
00:07:56,060 --> 00:07:46,400  
yeah

58  
00:09:09,370 --> 00:09:05,060  
[Music]

59  
00:09:19,850 --> 00:09:15,200  
I can only make statement to call for

60  
00:09:21,800 --> 00:09:19,860  
blood Samson within hours to false came

61  
00:09:22,880 --> 00:09:21,810  
into the blood banks around our

62  
00:09:27,350 --> 00:09:22,890  
community

63  
00:09:43,550 --> 00:09:27,360

we're only run we don't have enough

64

00:09:46,460 --> 00:09:43,560

missions sweet spots and years it was a

65

00:09:52,550 --> 00:09:46,470

time of urge to see and paying for us

66

00:09:57,050 --> 00:09:52,560

all the urgency knowing what was not the

67

00:10:00,260 --> 00:09:57,060

answer to be able to do something to do

68

00:10:11,540 --> 00:10:00,270

something visible they have a purpose

69

00:10:18,530 --> 00:10:11,550

meaning J Daniel

70

00:10:31,260 --> 00:10:23,540

connecting with the edge of the mirror

71

00:10:36,889 --> 00:10:31,270

this the heart soul of our people who

72

00:11:08,100 --> 00:10:36,899

then found they breathe again something

73

00:11:11,010 --> 00:11:08,110

permanent and trees and plants tonight

74

00:11:14,760 --> 00:11:11,020

is the second maybe more important but

75

00:11:17,670 --> 00:11:14,770

maybe not so permanent dedication of the

76

00:11:26,759 --> 00:11:23,019

of reverence of serenity uttering a

77

00:11:30,490 --> 00:11:26,769

beautiful 58 souls be lost

78

00:11:35,470 --> 00:11:30,500

giving us the more committed dedication

79

00:11:40,120 --> 00:11:35,480

to be bound by goodness sensitivity to

80

00:11:42,180 --> 00:11:40,130

others and for a bigger more resilient

81

00:11:46,540 --> 00:11:42,190

and peaceful
