[Music]

2
00:00:12,950 --> 00:00:11,089

awesome to be here thanks so much for

3
00:00:14,720 --> 00:00:12,960

having us amazing place thank you so

4
00:00:16,310 --> 00:00:14,730

much thanks for coming let's talk about

5
00:00:19,029 --> 00:00:16,320

your relationship with Caitlyn how did

6
00:00:23,420 --> 00:00:19,039

you guys first meet Caitlyn and I met

7
00:00:26,330 --> 00:00:23,430

through we met about four years ago

8
00:00:28,849 --> 00:00:26,340

three years ago through our makeup

9
00:00:31,370 --> 00:00:28,859

artist and our hair stylist so this is

10
00:00:33,319 --> 00:00:31,380

pre-announcement at Pepperdine this was

11
00:00:36,229 --> 00:00:33,329

pre announcement at Pepperdine yes but

12
00:00:39,170 --> 00:00:36,239

at that point I had told family close

13
00:00:41,750 --> 00:00:39,180

friends okay mm-hm

14

00:00:43,670 --> 00:00:41,760

and had been transitioning at that point

15

00:00:47,209 --> 00:00:43,680

for a few incidentally you were sharing

16

00:00:49,670 --> 00:00:47,219

the same hairdresser yes okay and then

17

00:00:51,860 --> 00:00:49,680

the hairdresser introduced you yep and

18

00:00:55,430 --> 00:00:51,870

did you talk about transition at that

19

00:00:57,590 --> 00:00:55,440

time with Caitlyn the hairdresser I went

20

00:00:59,000 --> 00:00:57,600

to I told her what was going on I said

21

00:01:00,290 --> 00:00:59,010

you know I'm trying to grow my hair out

22

00:01:01,490 --> 00:01:00,300

and she's like why are you trying to

23

00:01:03,290 --> 00:01:01,500

grow your hair out and I explained to

24

00:01:04,880 --> 00:01:03,300

her you know I'm transitioning and would

25

00:01:08,120 --> 00:01:04,890

like to keep it going a little longer

26
00:01:11,289 --> 00:01:08,130
and she said oh my god you won't believe

27
00:01:14,510 --> 00:01:11,299
who is another client and I said who

28
00:01:15,950 --> 00:01:14,520
she's had Caitlyn Jenner and you know at

29
00:01:17,270 --> 00:01:15,960
the time I lived well I went to

30
00:01:20,899 --> 00:01:17,280
Pepperdine but I lived in Beverly Hills

31
00:01:22,940 --> 00:01:20,909
at that time and she introduced us and

32
00:01:25,219 --> 00:01:22,950
we kicked it off and developed a great

33
00:01:28,520 --> 00:01:25,229
relationship so was she really

34
00:01:32,179 --> 00:01:28,530
instrumental in assisting you through

35
00:01:36,050 --> 00:01:32,189
the process no you know I well in some

36
00:01:37,910 --> 00:01:36,060
ways you know I've read reports that

37
00:01:40,160 --> 00:01:37,920
Caitlyn paid for my sexual reassignment

38
00:01:44,660 --> 00:01:40,170

surgery or paid for gender affirming

39

00:01:47,990 --> 00:01:44,670

surgeries not true at all I you know she

40

00:01:51,170 --> 00:01:48,000

was there for me emotionally for sure

41

00:01:53,899 --> 00:01:51,180

she would call and check up on me but we

42

00:01:59,690 --> 00:01:53,909

weren't you know in a relationship or

43

00:02:02,719 --> 00:01:59,700

really close as we were after I

44

00:02:04,910 --> 00:02:02,729

completed my transition mm-hmm so and

45

00:02:09,260 --> 00:02:04,920

when did it become a romantic

46

00:02:11,240 --> 00:02:09,270

relationship I you know I wouldn't

47

00:02:13,100 --> 00:02:11,250

describe it as a romantic relationship

48

00:02:16,040 --> 00:02:13,110

I would describe our relationship as

49

00:02:17,839 --> 00:02:16,050

we're partners you know we're business

50

00:02:22,010 --> 00:02:17,849

partners I'm the executive director of

51
00:02:24,830 --> 00:02:22,020
her foundation you know we have so much

52
00:02:28,790 --> 00:02:24,840
in common we see the world so similarly

53
00:02:30,470 --> 00:02:28,800
and we both are such a good match for

54
00:02:30,860 --> 00:02:30,480
each other because we challenge each

55
00:02:34,369 --> 00:02:30,870
other

56
00:02:36,890 --> 00:02:34,379
she challenges me in so many ways has

57
00:02:39,890 --> 00:02:36,900
allowed me to grow in so many ways and I

58
00:02:42,800 --> 00:02:39,900
hope you know I challenge her to grow

59
00:02:45,740 --> 00:02:42,810
and I think because we share so many of

60
00:02:47,270 --> 00:02:45,750
the same passions and views you know

61
00:02:50,150 --> 00:02:47,280
it's just a great match a great

62
00:02:51,530 --> 00:02:50,160
partnership we are living together we do

63
00:02:54,440 --> 00:02:51,540

live together yes okay

64

00:02:56,000 --> 00:02:54,450

so you know I'd be you know just to kind

65

00:02:57,290 --> 00:02:56,010

of the elephant in the room a lot of

66

00:02:59,119 --> 00:02:57,300

people are wondering you know is this

67

00:03:00,170 --> 00:02:59,129

romantic or is it not I think it's kind

68

00:03:01,759 --> 00:03:00,180

of important just to kind of put that

69

00:03:03,800 --> 00:03:01,769

issue to bed grab who think I don't

70

00:03:05,690 --> 00:03:03,810

think it's that important no no I think

71

00:03:11,690 --> 00:03:05,700

it's unfortunate that the media has

72

00:03:13,220 --> 00:03:11,700

fixated on too is it romantic or is it

73

00:03:15,680 --> 00:03:13,230

not you know I don't think we need to

74

00:03:17,360 --> 00:03:15,690

talk about is it romantic or not we're

75

00:03:18,320 --> 00:03:17,370

partners and everything we do we're

76

00:03:20,690 --> 00:03:18,330

inseparable

77

00:03:23,089 --> 00:03:20,700

we're business partners we live together

78

00:03:26,839 --> 00:03:23,099

we share a dog we share family we share

79

00:03:29,720 --> 00:03:26,849

a life together but as far as caving in

80

00:03:31,369 --> 00:03:29,730

to the media and having one of us label

81

00:03:34,039 --> 00:03:31,379

it as something we're not going to do

82

00:03:36,470 --> 00:03:34,049

that well one of the things that perhaps

83

00:03:38,839 --> 00:03:36,480

are just distracting from the trans

84

00:03:42,619 --> 00:03:38,849

issues that you guys want to advocate

85

00:03:43,910 --> 00:03:42,629

for is this what do they call it

86

00:03:46,130 --> 00:03:43,920

November to say what are they called

87

00:03:50,149 --> 00:03:46,140

when the relationship is anyway the age

88

00:03:51,770 --> 00:03:50,159

difference 68 and 22 how do you feel

89

00:03:55,190 --> 00:03:51,780

about you know there's a lot of focus on

90

00:03:56,960 --> 00:03:55,200

that how do you explain how a 68 year

91

00:03:58,750 --> 00:03:56,970

old and 22 year old could have such an

92

00:04:01,429 --> 00:03:58,760

intimate relationship as you guys have

93

00:04:03,259 --> 00:04:01,439

well it's unfortunate again that the

94

00:04:05,530 --> 00:04:03,269

media is so fixated on these

95

00:04:09,729 --> 00:04:05,540

sensationalized stories

96

00:04:13,910 --> 00:04:09,739

everything has to be a big sensation and

97

00:04:18,129 --> 00:04:13,920

you know I don't see age as a factor in

98

00:04:19,930 --> 00:04:18,139

our relationship I see we are two souls

99

00:04:23,890 --> 00:04:19,940

that

100

00:04:25,630 --> 00:04:23,900

a fantastic match for one another and I

101
00:04:28,240 --> 00:04:25,640
feel that we're so blessed to have found

102
00:04:30,010 --> 00:04:28,250
each other and to be so supportive of

103
00:04:33,630 --> 00:04:30,020
one another and everything that we do

104
00:04:35,860 --> 00:04:33,640
and you know I feel beyond blessed that

105
00:04:38,080 --> 00:04:35,870
you know we've been able to keep it

106
00:04:39,550 --> 00:04:38,090
going for the time we've been able to

107
00:04:42,190 --> 00:04:39,560
keep it going I don't think of the age

108
00:04:44,650 --> 00:04:42,200
differences anything Caitlyn has more

109
00:04:46,570 --> 00:04:44,660
energy than me most days Caitlyn's out

110
00:04:49,240 --> 00:04:46,580
playing 18 holes of golf and I'm like oh

111
00:04:52,120 --> 00:04:49,250
my god I'm exhausted I just want to go

112
00:04:54,550 --> 00:04:52,130
chill you know yeah well I'm 19 years

113
00:04:56,110 --> 00:04:54,560

older than my fiancée and I get the same

114

00:04:58,150 --> 00:04:56,120

thing I tend to have more energy in her

115

00:05:00,010 --> 00:04:58,160

but not quite the difference of you guys

116

00:05:01,630 --> 00:05:00,020

I did try to do some research and I

117

00:05:03,820 --> 00:05:01,640

found Hugh Hefner was the only one I

118

00:05:08,380 --> 00:05:03,830

could identify with a bigger age gap

119

00:05:10,090 --> 00:05:08,390

than you two so pH gap is there but we

120

00:05:12,220 --> 00:05:10,100

don't feel that it's there I think the

121

00:05:15,130 --> 00:05:12,230

media feels that it's there because it

122

00:05:18,000 --> 00:05:15,140

is sensationalized it's it's it sells

123

00:05:21,580 --> 00:05:18,010

papers it sells articles it sells clicks

124

00:05:23,920 --> 00:05:21,590

but for us it's not even a factor and

125

00:05:26,980 --> 00:05:23,930

what you know we talked about sexual

126

00:05:29,320 --> 00:05:26,990

orientation so if you're a trans woman

127

00:05:31,510 --> 00:05:29,330

with a trans woman does that mean trans

128

00:05:33,880 --> 00:05:31,520

lesbian is that the right terminology

129

00:05:36,909 --> 00:05:33,890

Porter you know I wouldn't even go down

130

00:05:40,120 --> 00:05:36,919

that road I think that my sexual

131

00:05:45,520 --> 00:05:40,130

orientation is not something that I need

132

00:05:47,680 --> 00:05:45,530

to discuss I think you know I am I

133

00:05:52,030 --> 00:05:47,690

choose to be with someone based on the

134

00:05:54,580 --> 00:05:52,040

person and the person happens to be a

135

00:05:56,380 --> 00:05:54,590

trans woman and I think that's great

136

00:05:58,810 --> 00:05:56,390

had you ever dated a transgendered

137

00:06:00,670 --> 00:05:58,820

person before I would not say we're

138

00:06:04,180 --> 00:06:00,680

dating first of all I would back up I

139

00:06:05,650 --> 00:06:04,190

would say we are partners I would not

140

00:06:10,300 --> 00:06:05,660

use the word girlfriend I would not use

141

00:06:12,550 --> 00:06:10,310

the word dating we're partners and no I

142

00:06:13,680 --> 00:06:12,560

had never been with anyone that was not

143

00:06:17,350 --> 00:06:13,690

a male

144

00:06:19,930 --> 00:06:17,360

so there's haters out there on the

145

00:06:21,550 --> 00:06:19,940

Internet yes let's go through just a

146

00:06:23,080 --> 00:06:21,560

couple of them I just helped you set the

147

00:06:24,550 --> 00:06:23,090

record straight I mean the obvious one

148

00:06:27,420 --> 00:06:24,560

is this is all for publicity

149

00:06:30,660 --> 00:06:27,430

this isn't this relationship isn't real

150

00:06:33,060 --> 00:06:30,670

not going to respond

151
00:06:34,200 --> 00:06:33,070
this was one that I find hopefully

152
00:06:36,750 --> 00:06:34,210
you'll get a chuckle out of this one but

153
00:06:41,760 --> 00:06:36,760
they say that yes Sophia transition she

154
00:06:43,710 --> 00:06:41,770
transitioned to being our Kardashian my

155
00:06:45,270 --> 00:06:43,720
goodness well I think they mean that in

156
00:06:48,510 --> 00:06:45,280
the sense that you know now you are an

157
00:06:50,070 --> 00:06:48,520
Instagram and you are beautiful and and

158
00:06:51,600 --> 00:06:50,080
out there and I know they're saying your

159
00:06:52,980 --> 00:06:51,610
model perhaps you're not modeling but

160
00:06:55,740 --> 00:06:52,990
there appear to be modeling pictures and

161
00:06:58,380 --> 00:06:55,750
so on and suddenly you're in this that

162
00:07:00,300 --> 00:06:58,390
type of world do you feel like you're in

163
00:07:03,840 --> 00:07:00,310

that type of world now no I'm a

164

00:07:05,400 --> 00:07:03,850

businesswoman because I am pretty and I

165

00:07:08,430 --> 00:07:05,410

post a pretty picture on Instagram

166

00:07:10,950 --> 00:07:08,440

suddenly I'm a model and you know hats

167

00:07:14,370 --> 00:07:10,960

off to the Kardashians and Jenner's they

168

00:07:18,000 --> 00:07:14,380

have channeled the ultimate power a

169

00:07:22,490 --> 00:07:18,010

woman could channel you know they are

170

00:07:25,080 --> 00:07:22,500

all smart business women they are all

171

00:07:27,690 --> 00:07:25,090

extremely hard workers and I look up to

172

00:07:30,120 --> 00:07:27,700

all of them and I think you know being

173

00:07:32,610 --> 00:07:30,130

raised by Bruce and being raised by Kris

174

00:07:34,560 --> 00:07:32,620

really influenced them and I couldn't be

175

00:07:36,180 --> 00:07:34,570

prouder of all of them more proud of all

176

00:07:38,400 --> 00:07:36,190

of them and do you have a relationship

177

00:07:42,420 --> 00:07:38,410

with his children and in grandchildren

178

00:07:46,070 --> 00:07:42,430

her sorry yes you know the family is all

179

00:07:48,870 --> 00:07:46,080

extremely nice to me extremely welcoming

180

00:07:52,740 --> 00:07:48,880

we just had lunch with Kylie and little

181

00:07:57,840 --> 00:07:52,750

stormy yesterday and you know I couldn't

182

00:07:59,760 --> 00:07:57,850

I feel very welcomed that you connected

183

00:08:04,830 --> 00:07:59,770

with Caitlyn because you couldn't find a

184

00:08:06,600 --> 00:08:04,840

job couldn't find a job okay well I was

185

00:08:09,900 --> 00:08:06,610

the president of my class for three

186

00:08:13,670 --> 00:08:09,910

years I interviewed at every bank on

187

00:08:17,670 --> 00:08:13,680

Wall Street Goldman Sachs Merrill Lynch

188

00:08:20,520 --> 00:08:17,680

Credit Suisse lists JP Morgan Chase the

189

00:08:25,260 --> 00:08:20,530

list goes on I could have found a job my

190

00:08:27,120 --> 00:08:25,270

job now is so much more fun and I love

191

00:08:30,200 --> 00:08:27,130

that I'm at the intersection of

192

00:08:32,280 --> 00:08:30,210

entertainment business and philanthropy

193

00:08:35,100 --> 00:08:32,290

yeah let's talk about what you're doing

194

00:08:37,650 --> 00:08:35,110

as her manager yeah what what are you

195

00:08:42,000 --> 00:08:37,660

hoping to achieve by being her manager

196

00:08:43,560 --> 00:08:42,010

I've achieved a lot for her basically

197

00:08:44,370 --> 00:08:43,570

our business is broken down in a few

198

00:08:48,210 --> 00:08:44,380

different segments

199

00:08:50,340 --> 00:08:48,220

we have public speaking we have media

200

00:08:53,430 --> 00:08:50,350

appearances and then we have endorsement

201
00:08:56,430 --> 00:08:53,440
deals and between me

202
00:08:58,860 --> 00:08:56,440
our legal team and our public relations

203
00:09:02,220 --> 00:08:58,870
team we're able to get deals done really

204
00:09:05,430 --> 00:09:02,230
nicely between that team and myself

205
00:09:08,250 --> 00:09:05,440
managing our team and you know I think

206
00:09:10,500 --> 00:09:08,260
it's been fabulous so there's the

207
00:09:13,320 --> 00:09:10,510
business side of managing her and then

208
00:09:15,240 --> 00:09:13,330
there's the advocacy side major right so

209
00:09:18,330 --> 00:09:15,250
on the advocacy side to dress that as

210
00:09:20,790 --> 00:09:18,340
her manager I like to merge the two I

211
00:09:23,190 --> 00:09:20,800
think everything Katelyn does has to

212
00:09:25,590 --> 00:09:23,200
have a philanthropic twist that

213
00:09:27,210 --> 00:09:25,600

philanthropic means for instance the Mac

214

00:09:31,350 --> 00:09:27,220

deal that she did with mac cosmetics

215

00:09:33,060 --> 00:09:31,360

Estee Lauder you know there was the

216

00:09:36,000 --> 00:09:33,070

business side in you're getting paid to

217

00:09:38,160 --> 00:09:36,010

license your name but there is the

218

00:09:42,660 --> 00:09:38,170

philanthropic side where a percentage of

219

00:09:45,390 --> 00:09:42,670

all sales goes to the transgender max

220

00:09:47,280 --> 00:09:45,400

transgender initiative in the AIDS Fund

221

00:09:48,780 --> 00:09:47,290

so things like that when you get an

222

00:09:50,970 --> 00:09:48,790

endorsement deal a percentage of

223

00:09:54,000 --> 00:09:50,980

proceeds or a percentage of profits or

224

00:09:56,850 --> 00:09:54,010

an annual guarantee of some kind goes to

225

00:09:58,980 --> 00:09:56,860

charity I love blending those two things

226

00:10:01,410 --> 00:09:58,990

together and I think because we are in

227

00:10:03,810 --> 00:10:01,420

the privileged position of the trans

228

00:10:05,940 --> 00:10:03,820

community that's our obligation that's

229

00:10:09,270 --> 00:10:05,950

my obligation as her business manager

230

00:10:12,540 --> 00:10:09,280

that's her obligation or it's not her

231

00:10:14,190 --> 00:10:12,550

obligation to do any philanthropy but

232

00:10:17,160 --> 00:10:14,200

we're blessed to be in positions that

233

00:10:18,660 --> 00:10:17,170

were in where we can do that yeah I mean

234

00:10:20,970 --> 00:10:18,670

she is arguably the most famous

235

00:10:22,880 --> 00:10:20,980

transgendered person yeah in the world

236

00:10:24,120 --> 00:10:22,890

definitely and with that comes

237

00:10:26,250 --> 00:10:24,130

obligations

238

00:10:29,820 --> 00:10:26,260

I would imagine she feels and you feel

239

00:10:31,590 --> 00:10:29,830

she definitely feels a tremendous sense

240

00:10:34,770 --> 00:10:31,600

of obligation to helping the trans

241

00:10:38,880 --> 00:10:34,780

community because as you know the

242

00:10:42,260 --> 00:10:38,890

community is so marginalized you know as

243

00:10:44,730 --> 00:10:42,270

the executive director of the foundation

244

00:10:47,460 --> 00:10:44,740

where I spend most of my time is raising

245

00:10:49,770 --> 00:10:47,470

money but on the flip side of that what

246

00:10:51,840 --> 00:10:49,780

do we do when we have you know a ton of

247

00:10:54,630 --> 00:10:51,850

money raised we have to give it away and

248

00:10:56,400 --> 00:10:54,640

I get to vet organizations to give it

249

00:10:57,810 --> 00:10:56,410

away to and in the process of vetting

250

00:10:59,010 --> 00:10:57,820

those organizations

251

00:11:01,980 --> 00:10:59,020

you know I'm looking over financial

252

00:11:03,900 --> 00:11:01,990

statements I'm looking over 990s you

253

00:11:06,750 --> 00:11:03,910

know you look over all these forms and

254

00:11:08,880 --> 00:11:06,760

balance sheets and income statements and

255

00:11:11,280 --> 00:11:08,890

when you're looking through what these

256

00:11:13,680 --> 00:11:11,290

extremely marginalised organizations are

257

00:11:17,250 --> 00:11:13,690

running their operations on in their

258

00:11:21,120 --> 00:11:17,260

making such a difference in doing so you

259

00:11:24,210 --> 00:11:21,130

really realize wow we have a tremendous

260

00:11:27,090 --> 00:11:24,220

responsibility to not only identify

261

00:11:28,920 --> 00:11:27,100

these organizations but help them most

262

00:11:31,350 --> 00:11:28,930

trans organizations that we end up

263

00:11:35,550 --> 00:11:31,360

supporting have operating budgets under

264

00:11:37,530 --> 00:11:35,560

\$10,000 a year so you know our donations

265

00:11:39,960 --> 00:11:37,540

are often the largest donations that

266

00:11:42,900 --> 00:11:39,970

they've ever received because they are

267

00:11:44,760 --> 00:11:42,910

the Forgotten of the LGB MT so it must

268

00:11:47,910 --> 00:11:44,770

be frustrating for you though to have

269

00:11:50,910 --> 00:11:47,920

the media so focused on the nature of

270

00:11:52,410 --> 00:11:50,920

the relationship between you two - and

271

00:11:55,590 --> 00:11:52,420

it's pushing aside the other things you

272

00:11:59,760 --> 00:11:55,600

guys want to it is that is a frustration

273

00:12:02,010 --> 00:11:59,770

to me but I do realize like we said

274

00:12:04,470 --> 00:12:02,020

earlier the media loves a

275

00:12:06,900 --> 00:12:04,480

sensationalized story they love oh the

276

00:12:08,580 --> 00:12:06,910

new car - the new Kardashian wannabe you

277

00:12:11,400 --> 00:12:08,590

know I mean come on

278

00:12:14,580 --> 00:12:11,410

no way what engage they say engagements

279

00:12:17,340 --> 00:12:14,590

no engagement if I was engaged I would

280

00:12:19,470 --> 00:12:17,350

announce that I was engaged if Kaitlyn

281

00:12:20,850 --> 00:12:19,480

you know and I were to be engaged we

282

00:12:23,490 --> 00:12:20,860

would announce that we're not ashamed of

283

00:12:26,280 --> 00:12:23,500

our relationship at all but would you

284

00:12:29,510 --> 00:12:26,290

like to have some privacy and that's

285

00:12:32,610 --> 00:12:29,520

something you know that we would decide

286

00:12:33,900 --> 00:12:32,620

when the time was right to announce so

287

00:12:35,730 --> 00:12:33,910

we've talked about what you're trying to

288

00:12:37,920 --> 00:12:35,740

achieve for for Kaitlyn what about for

289

00:12:40,890 --> 00:12:37,930

yourself you you're now in this position

290

00:12:42,300 --> 00:12:40,900

of notoriety and being able to assist

291

00:12:43,560 --> 00:12:42,310

Kaitlyn what she's doing what do you

292

00:12:47,220 --> 00:12:43,570

hope to achieve for yourself ultimately

293

00:12:49,140 --> 00:12:47,230

well I think and what we are doing I'm

294

00:12:51,510 --> 00:12:49,150

achieving a lot for myself I don't know

295

00:12:53,370 --> 00:12:51,520

a lot of 22 year olds that have done you

296

00:12:55,230 --> 00:12:53,380

know million-dollar endorsement deals do

297

00:12:57,450 --> 00:12:55,240

you I don't know a lot of 22 year olds

298

00:12:59,070 --> 00:12:57,460

that have found investors for companies

299

00:13:02,040 --> 00:12:59,080

and that have ultimately started

300

00:13:04,560 --> 00:13:02,050

companies so I feel you know I'm just

301
00:13:07,260 --> 00:13:04,570
adding a lot of experiences that are

302
00:13:08,940 --> 00:13:07,270
invaluable but with those experiences

303
00:13:12,210 --> 00:13:08,950
also being in the public eye

304
00:13:15,630 --> 00:13:12,220
kind of takes a toll on you if you

305
00:13:18,600 --> 00:13:15,640
and I've learned you know as I as we've

306
00:13:22,350 --> 00:13:18,610
been together how to handle that in

307
00:13:23,670 --> 00:13:22,360
healthier ways and you know let haters

308
00:13:25,380 --> 00:13:23,680
hey you're not going to change the

309
00:13:27,120 --> 00:13:25,390
haters minds and you just keep doing

310
00:13:28,800 --> 00:13:27,130
what you know is right in the end the

311
00:13:30,660 --> 00:13:28,810
end you'll prevail so do you have a

312
00:13:32,340 --> 00:13:30,670
vision for yourself career-wise down the

313
00:13:33,480 --> 00:13:32,350

road for instance I've read you know at

314

00:13:34,260 --> 00:13:33,490

one point you wanted to be a corporate

315

00:13:36,630 --> 00:13:34,270

finance lawyer

316

00:13:37,860 --> 00:13:36,640

another thing indicated that you might

317

00:13:39,180 --> 00:13:37,870

be in certain politics down the road

318

00:13:41,790 --> 00:13:39,190

what do you envision for yourself down

319

00:13:44,940 --> 00:13:41,800

the road politics no when I was younger

320

00:13:46,980 --> 00:13:44,950

I did think a lot about politics and

321

00:13:50,730 --> 00:13:46,990

when I say younger I mean high school

322

00:13:52,860 --> 00:13:50,740

days I in high school I was the state

323

00:13:54,750 --> 00:13:52,870

debate champion for two years in a row I

324

00:13:58,290 --> 00:13:54,760

was nationally ranked for three years in

325

00:14:00,060 --> 00:13:58,300

a row my high school experience was very

326

00:14:01,920 --> 00:14:00,070

different than most people's high school

327

00:14:04,560 --> 00:14:01,930

experience I was on the road every

328

00:14:06,240 --> 00:14:04,570

weekend literally every weekend to the

329

00:14:08,010 --> 00:14:06,250

East Coast at a debate tournament and

330

00:14:09,570 --> 00:14:08,020

did extraordinarily well in debate so I

331

00:14:11,310 --> 00:14:09,580

kind of thought maybe I want to go down

332

00:14:13,080 --> 00:14:11,320

the law school political road and then I

333

00:14:14,700 --> 00:14:13,090

got to college and I said wait I love

334

00:14:17,160 --> 00:14:14,710

business I want to go on Wall Street and

335

00:14:20,520 --> 00:14:17,170

then I met Caitlyn and I realized I can

336

00:14:23,340 --> 00:14:20,530

do business do big deals be part be a

337

00:14:26,040 --> 00:14:23,350

part of big projects and then also in

338

00:14:29,280 --> 00:14:26,050

the entertainment world I love it

339

00:14:33,390 --> 00:14:29,290

you know I see my future as a

340

00:14:37,070 --> 00:14:33,400

businesswoman as a philanthropist as

341

00:14:40,770 --> 00:14:37,080

someone that gets [h__h] done

342

00:14:42,950 --> 00:14:40,780

well said Sophia thank you so much thank

343

00:14:44,350 --> 00:14:42,960

you so much so nice to meet you

344

00:14:45,180 --> 00:14:44,360
