

1
00:00:07,940 --> 00:00:06,200
okay so I know you guys nobody's joined

2
00:00:08,930 --> 00:00:07,950
yet but I wanted to get started here

3
00:00:14,509 --> 00:00:08,940
live streaming we just heard an

4
00:00:17,560 --> 00:00:14,519
explosion at the memorial site obviously

5
00:00:19,580 --> 00:00:17,570
reach Ramat eyes somebody immediately

6
00:00:21,740 --> 00:00:19,590
horrible it was around the corner we're

7
00:00:25,040 --> 00:00:21,750
at Charleston and one of the city center

8
00:00:26,240 --> 00:00:25,050
community center Boulevard the explosion

9
00:00:29,290 --> 00:00:26,250
sounded like it was from around the

10
00:00:32,450 --> 00:00:29,300
corner here we saw multiple police cars

11
00:00:33,560 --> 00:00:32,460
just basically peel out of here and

12
00:00:34,760 --> 00:00:33,570
drive down the street we don't know

13
00:00:36,410 --> 00:00:34,770

what's happening around the corner I'm

14

00:00:44,280 --> 00:00:36,420

guessing they probably won't let us over

15

00:00:44,290 --> 00:00:52,490

there was we heard an explosion

16

00:01:03,400 --> 00:00:59,279

sleep and I are going to you I got him

17

00:01:07,820 --> 00:01:05,360

officers gone there they're not running

18

00:01:11,840 --> 00:01:07,830

but we saw two two cop cars killed out

19

00:01:14,420 --> 00:01:11,850

here pretty quickly the explosion it

20

00:01:16,640 --> 00:01:14,430

didn't sound like a backfire but it was

21

00:01:19,100 --> 00:01:16,650

if say it was somebody pranking it was

22

00:01:22,550 --> 00:01:19,110

it's a horrible horrible prank because

23

00:01:24,560 --> 00:01:22,560

there was a woman that basically yeah

24

00:01:34,500 --> 00:01:24,570

she started screaming no instantly

25

00:01:40,080 --> 00:01:38,190

everything on paper that's Zenon you're

26

00:01:44,580 --> 00:01:40,090

an officer I was trying to listen to his

27

00:01:49,650 --> 00:01:48,450

UFO hunter said be careful so it sounded

28

00:01:53,910 --> 00:01:49,660

like the expression came from over here

29

00:01:59,790 --> 00:01:53,920

I don't know yeah it sounded like it

30

00:02:07,590 --> 00:02:02,640

sorry you guys hear that explosion the

31

00:02:11,530 --> 00:02:09,830

[Music]

32

00:02:16,350 --> 00:02:11,540

don't see anything

33

00:02:24,460 --> 00:02:19,330

they're not evacuating honestly I feel

34

00:02:25,899 --> 00:02:24,470

like the police all left there were cops

35

00:02:27,789 --> 00:02:25,909

standing right over here basically I

36

00:02:29,710 --> 00:02:27,799

think they're regarding this entrance

37

00:02:31,869 --> 00:02:29,720

and those cops are gone so there were

38

00:02:33,970 --> 00:02:31,879

two cops here there were two cups right

39

00:02:36,009 --> 00:02:33,980

here oh there's another cop car racing

40

00:02:38,020 --> 00:02:36,019

away yeah so that maybe it happened way

41

00:02:42,039 --> 00:02:38,030

down there and then there was also two

42

00:02:44,619 --> 00:02:42,049

two officers over here lbn PD officers

43

00:02:45,550 --> 00:02:44,629

they're also gone so whatever and then I

44

00:02:47,559 --> 00:02:45,560

can hear sirens

45

00:02:48,819 --> 00:02:47,569

so whatever it was you want to walk

46

00:02:50,289 --> 00:02:48,829

let's walk that way let's walk through

47

00:02:58,780 --> 00:02:50,299

this parking lot and probably this cops

48

00:03:00,190 --> 00:02:58,790

way I'm just trying to think like what

49

00:03:04,330 --> 00:03:00,200

I've been one of the people that ran

50

00:03:05,830 --> 00:03:04,340

towards or ran away from and I want to

51
00:03:07,119 --> 00:03:05,840
be how I like to think that I'm one of

52
00:03:08,800 --> 00:03:07,129
those people that would have ran towards

53
00:03:10,660 --> 00:03:08,810
now this is different this is we're not

54
00:03:15,190 --> 00:03:10,670
this is not route 91 but I wasn't there

55
00:03:16,930 --> 00:03:15,200
I just saw a reflection over there yeah

56
00:03:18,159 --> 00:03:16,940
something going on maybe it was way

57
00:03:20,199 --> 00:03:18,169
further it sounded like it was right

58
00:03:22,409 --> 00:03:20,209
around the corner right around on the

59
00:03:26,970 --> 00:03:22,419
other side of the love store here

60
00:03:32,339 --> 00:03:29,100
yeah I exactly I thought it would maybe

61
00:03:33,690 --> 00:03:32,349
right across the street here what if

62
00:03:35,309 --> 00:03:33,700
it's a distraction and they wanted the

63
00:03:38,250 --> 00:03:35,319

cops gone well then I we're probably in

64

00:03:40,259 --> 00:03:38,260

good shape because we left honestly

65

00:03:42,540 --> 00:03:40,269

those cops if they were patrolling that

66

00:03:44,040 --> 00:03:42,550

liked that area that was their job they

67

00:03:54,120 --> 00:03:44,050

oh I don't know should they have not

68

00:03:56,789 --> 00:03:54,130

have left dude yeah guys this has been

69

00:03:59,789 --> 00:03:56,799

like a rather insane like the last two

70

00:04:01,440 --> 00:03:59,799

hours have just been completely I can't

71

00:04:03,900 --> 00:04:01,450

even begin to tell you what's happened

72

00:04:05,970 --> 00:04:03,910

but completely insane it's just been

73

00:04:07,620 --> 00:04:05,980

insane just the people we've met the

74

00:04:09,660 --> 00:04:07,630

interactions that we've had has just

75

00:04:12,930 --> 00:04:09,670

been it's been crazy so I'm just so glad

76
00:04:14,640 --> 00:04:12,940
to have come out to this we ran into

77
00:04:18,810 --> 00:04:14,650
some survivors also that are going to be

78
00:04:20,940 --> 00:04:18,820
at down at the yeah we ran into some EMT

79
00:04:25,530 --> 00:04:20,950
by the way shout out typical tip yeah

80
00:04:27,719 --> 00:04:25,540
yeah community medical community medical

81
00:04:32,610 --> 00:04:27,729
I think as who ran the medical tent at

82
00:04:34,260 --> 00:04:32,620
round 91 nobody nobody knew that like

83
00:04:37,360 --> 00:04:34,270
nobody mentions them so they just wanted

84
00:04:40,450 --> 00:04:37,370
to you know shout them out

85
00:04:42,500 --> 00:04:40,460
[Music]

86
00:04:44,210 --> 00:04:42,510
are you guys out of here out of

87
00:04:44,930 --> 00:04:44,220
character out of curiosity at what the

88
00:04:50,450 --> 00:04:44,940

sound was or

89

00:04:56,150 --> 00:04:50,460

you guys you were that you don't need

90

00:04:58,939 --> 00:04:56,160

you don't have any carryout you guys

91

00:05:02,900 --> 00:04:58,949

gone over for the human chain thing

92

00:05:05,659 --> 00:05:02,910

we're gonna go see that as well well we

93

00:05:07,010 --> 00:05:05,669

weren't there but yeah I'm really sorry

94

00:05:11,270 --> 00:05:07,020

you had to go through that and obviously

95

00:05:12,130 --> 00:05:11,280

it's yeah traumatizing either turnout

96

00:05:15,230 --> 00:05:12,140

yep

97

00:05:18,610 --> 00:05:15,240

[Music]

98

00:05:20,840 --> 00:05:18,620

we're not waiting for an uber so that

99

00:05:26,450 --> 00:05:20,850

make sure the license plate matches up

100

00:05:31,790 --> 00:05:26,460

there's been a lot of like yep see

101
00:05:32,749 --> 00:05:31,800
exactly oh that happened he wants to

102
00:05:35,330 --> 00:05:32,759
they were just driving the wrong way

103
00:05:40,790 --> 00:05:35,340
that happens more often time didn't like

104
00:05:46,540 --> 00:05:40,800
it if it's not always match up the

105
00:05:48,620 --> 00:05:46,550
plates where are you guys from okay

106
00:05:50,270 --> 00:05:48,630
always just match up just look at the

107
00:05:52,850 --> 00:05:50,280
plate compared to the app just make sure

108
00:06:02,440 --> 00:05:52,860
it's good because there has been some

109
00:06:09,940 --> 00:06:07,990
that's somebody you know they weren't

110
00:06:10,900 --> 00:06:09,950
thinking alright guys have a good night

111
00:06:19,960 --> 00:06:10,910
maybe we'll see you over there

112
00:06:29,650 --> 00:06:19,970
I I have a two-seater but yes I'm not

113
00:06:35,740 --> 00:06:34,510

well whatever happened happened now you

114

00:06:37,480 --> 00:06:35,750

think it'd happen that way oh look

115

00:06:39,700 --> 00:06:37,490

there's a yeah there's a cop over you

116

00:06:55,120 --> 00:06:39,710

want to go let's walk down this way a

117

00:06:58,580 --> 00:06:57,560

yeah I can see there's flashing lights

118

00:07:02,030 --> 00:06:58,590

back here I don't know if you can see

119

00:07:04,250 --> 00:07:02,040

them that would make sense from yeah

120

00:07:07,070 --> 00:07:04,260

this is the direction of the explosion

121

00:07:17,270 --> 00:07:07,080

whatever we heard they're trying to fit

122

00:07:19,100 --> 00:07:17,280

no smoke possible explosion what lots of

123

00:07:27,540 --> 00:07:19,110

smoke we didn't see any smoke I didn't

124

00:07:42,370 --> 00:07:29,980

well we got it we got across as a

125

00:07:47,390 --> 00:07:43,629

[Applause]

126
00:07:48,820 --> 00:07:47,400
let's LVM PE I think Oh Marshall that's

127
00:07:51,230 --> 00:07:48,830
it Marshall

128
00:07:53,870 --> 00:07:51,240
it just says oh did say share from

129
00:07:58,379 --> 00:07:53,880
Marshall oh they're they're going around

130
00:08:04,860 --> 00:08:03,300
all right we're jaywalking it's there's

131
00:08:06,480 --> 00:08:04,870
hardly anybody in the street now so it's

132
00:08:15,409 --> 00:08:06,490
actually a good sign those got lets cos

133
00:08:25,890 --> 00:08:19,860
community medical right yeah just let

134
00:08:27,600 --> 00:08:25,900
him know where you won't show your faces

135
00:08:30,390 --> 00:08:27,610
or anything like that community

136
00:08:31,619 --> 00:08:30,400
community ambulance all right I was

137
00:08:41,699 --> 00:08:31,629
trying to give you a shout out earlier

138
00:08:42,959 --> 00:08:41,709

but doesn't that say Marshall okay we

139

00:08:44,610 --> 00:08:42,969

were walking down there and they said

140

00:08:46,470 --> 00:08:44,620

get out of the area they're forcing

141

00:08:48,870 --> 00:08:46,480

everyone back are they serious going on

142

00:08:50,639 --> 00:08:48,880

that was a really loud explosion yeah I

143

00:08:52,050 --> 00:08:50,649

was Ho it was really loud especially if

144

00:08:53,579 --> 00:08:52,060

it came from way back there cuz I was

145

00:08:55,980 --> 00:08:53,589

loud over I thought it came from that

146

00:09:00,040 --> 00:08:55,990

way I thought oh you did I thought it

147

00:09:04,189 --> 00:09:00,050

was like right here

148

00:09:05,689 --> 00:09:04,199

yeah yeah likes like fireworks right

149

00:09:09,550 --> 00:09:05,699

what the hell

150

00:09:11,750 --> 00:09:09,560

so something it's a big deal

151
00:09:12,769 --> 00:09:11,760
well they already got turned around so

152
00:09:17,930 --> 00:09:12,779
you want to just go get turned around

153
00:09:22,400 --> 00:09:17,940
like they did maybe I'm gonna get trying

154
00:09:29,509 --> 00:09:22,410
to walk down and go around maybe all

155
00:09:34,009 --> 00:09:29,519
right yeah did you guys exchange you did

156
00:09:37,490 --> 00:09:34,019
right okay right now I'm streaming on a

157
00:09:38,930 --> 00:09:37,500
wagon YouTube are you on you should know

158
00:09:40,040 --> 00:09:38,940
I'm about to go Facebook though okay

159
00:09:44,450 --> 00:09:40,050
it's okay

160
00:09:56,170 --> 00:09:51,620
Oh AG weg first name the last name ko AG

161
00:10:01,000 --> 00:09:58,250
so there's some kind of epic thing you

162
00:10:05,180 --> 00:10:01,010
want here take pictures with my camera

163
00:10:09,380 --> 00:10:05,190

try not to show you know I'll just wait

164

00:10:10,760 --> 00:10:09,390

for you dude we're not splitting up yeah

165

00:10:15,350 --> 00:10:10,770

just stop like snap it's not like two

166

00:10:17,120 --> 00:10:15,360

pictures ants go yeah yeah so um at

167

00:10:21,380 --> 00:10:17,130

first guys so this is for the livestream

168

00:10:23,660 --> 00:10:21,390

at first 84 viewers right now that's

169

00:10:24,800 --> 00:10:23,670

about 80 more than I usually have there

170

00:10:27,440 --> 00:10:24,810

at first there was a pretty large

171

00:10:28,880 --> 00:10:27,450

explosion to be honest we weren't sure

172

00:10:31,070 --> 00:10:28,890

what it was we thought it could be a

173

00:10:33,560 --> 00:10:31,080

prank we weren't sure given the police

174

00:10:35,120 --> 00:10:33,570

response that's down here I would

175

00:10:37,519 --> 00:10:35,130

venture to say that there is something

176

00:10:41,900 --> 00:10:37,529

very serious going on there is a whole

177

00:10:47,269 --> 00:10:41,910

bunch of vehicles down there

178

00:10:49,070 --> 00:10:47,279

there is a marshal car down here so not

179

00:10:50,690 --> 00:10:49,080

sure exactly what's going on we're gonna

180

00:10:52,400 --> 00:10:50,700

continue to investigate but given the

181

00:10:55,090 --> 00:10:52,410

police response I would say that at

182

00:10:58,519 --> 00:10:55,100

least the police force thinks that it's

183

00:11:00,320 --> 00:10:58,529

we'll see you guys at least the police

184

00:11:02,720 --> 00:11:00,330

reports excuse me the police the police

185

00:11:04,940 --> 00:11:02,730

force think that it's important enough

186

00:11:07,730 --> 00:11:04,950

to scramble cars we haven't seen any

187

00:11:10,340 --> 00:11:07,740

ambulances that we you saw them through

188

00:11:13,040 --> 00:11:10,350

that okay

189

00:11:16,519 --> 00:11:13,050

[Music]

190

00:11:18,870 --> 00:11:16,529

no yeah there's a fence down there I

191

00:11:22,290 --> 00:11:18,880

think we should go up to this third

192

00:11:23,730 --> 00:11:22,300

Street okay we'll go back there if we

193

00:11:24,960 --> 00:11:23,740

need to but let's let's try it let's try

194

00:11:26,579 --> 00:11:24,970

going on Third Street there's there's

195

00:11:29,530 --> 00:11:26,589

another officer look Fox birth in

196

00:11:29,540 --> 00:11:33,169

[Music]

197

00:11:38,160 --> 00:11:36,389

is your phone working should pull up the

198

00:11:45,869 --> 00:11:38,170

pull-up broadcast the fight and get on

199

00:11:46,699 --> 00:11:45,879

the police scanner take somebody on

200

00:11:48,869 --> 00:11:46,709

there dude

201
00:11:52,590 --> 00:11:48,879
okay when you guys try to get on the lv

202
00:11:54,359 --> 00:11:52,600
MPD police scanner on broadcast the

203
00:11:58,049 --> 00:11:54,369
fires out to all you youtubers that are

204
00:12:01,289 --> 00:11:58,059
watching see it see if somebody can

205
00:12:04,990 --> 00:12:01,299
figure out what's going on news crews oh

206
00:12:10,210 --> 00:12:07,869
well Sean Graham asks where we are we're

207
00:12:10,780 --> 00:12:10,220
on 3rd Street and what and Charleston

208
00:12:15,009 --> 00:12:10,790
right now

209
00:12:16,990 --> 00:12:15,019
please don't come kill us garbage is

210
00:12:20,829 --> 00:12:17,000
smoldering possible explosion no this is

211
00:12:22,780 --> 00:12:20,839
not a possible explosion this was a 100%

212
00:12:28,269 --> 00:12:22,790
we heard an explosion it sounded like it

213
00:12:29,650 --> 00:12:28,279

was close but we'll ask these people if

214

00:12:32,590 --> 00:12:29,660

they know what's going on just keep them

215

00:12:35,930 --> 00:12:32,600

talking with people yeah if you can pull

216

00:12:40,340 --> 00:12:35,940

up shibby pop whatever

217

00:13:26,040 --> 00:13:19,220

I think hi okay yeah thank you

218

00:13:29,190 --> 00:13:26,050

yeah that way too parked over this way

219

00:13:34,950 --> 00:13:29,200

oh you probably didn't all though I went

220

00:13:40,050 --> 00:13:34,960

up once I hear somebody yelling out

221

00:13:46,610 --> 00:13:41,560

[Music]

222

00:13:48,050 --> 00:13:46,620

this is somebody's home this yeah yeah

223

00:13:50,690 --> 00:13:48,060

there is some kind of smell what is that

224

00:13:53,510 --> 00:13:50,700

I was like yeah plastic or rubber or

225

00:13:54,650 --> 00:13:53,520

something like that does not smell like

226

00:13:58,250 --> 00:13:54,660

a firework because that's more like

227

00:14:00,170 --> 00:13:58,260

gunpowder well let's see once we get

228

00:14:02,660 --> 00:14:00,180

past this area if it's I might have been

229

00:14:07,820 --> 00:14:02,670

a transformer well is the power out over

230

00:14:09,830 --> 00:14:07,830

here no the street lights are on and

231

00:14:14,030 --> 00:14:09,840

there's nothing in this lot I think this

232

00:14:17,120 --> 00:14:14,040

is unrelated possibly oh look cops out

233

00:14:21,920 --> 00:14:17,130

here with flashlights looking around for

234

00:14:23,870 --> 00:14:21,930

something I think they're cops they're

235

00:14:33,530 --> 00:14:23,880

looking for something you guys catching

236

00:14:34,640 --> 00:14:33,540

this my heart is racing there's cops

237

00:14:36,020 --> 00:14:34,650

just wandering through the field with

238

00:14:43,340 --> 00:14:36,030

their flashlights looking for something

239

00:14:44,690 --> 00:14:43,350

I can't smell it I don't know if that's

240

00:14:46,100 --> 00:14:44,700

why I think maybe it wasn't it wasn't

241

00:14:50,570 --> 00:14:46,110

the whatever it wasn't the explosion

242

00:14:54,470 --> 00:14:50,580

that weird gray smell these cops are

243

00:14:56,030 --> 00:14:54,480

looking for something and they don't

244

00:14:59,320 --> 00:14:56,040

seem to mind us walking here they're

245

00:15:01,730 --> 00:14:59,330

very focused on whatever they're doing

246

00:15:04,670 --> 00:15:01,740

so like we just walked into like a movie

247

00:15:07,910 --> 00:15:04,680

set you know like we're now living some

248

00:15:10,620 --> 00:15:07,920

kind of movie but it live yeah

249

00:15:14,590 --> 00:15:10,630

you survived

250

00:15:16,660 --> 00:15:14,600

are you live all right

251

00:15:18,579 --> 00:15:16,670

this was over at the ceremonies just now

252

00:15:23,530 --> 00:15:18,589

you got a lot of police activity going

253

00:15:25,629 --> 00:15:23,540

on explosion that happened downtown you

254

00:15:42,009 --> 00:15:25,639

can smell it in the air people over here

255

00:15:47,499 --> 00:15:42,019

yelling rapping Las Vegas pfft Las Vegas

256

00:15:49,180 --> 00:15:47,509

fire department's over here we don't

257

00:15:50,680 --> 00:15:49,190

know yet we're just wandering around but

258

00:15:52,600 --> 00:15:50,690

the cops were over here with flashlights

259

00:16:02,220 --> 00:15:52,610

looking for something these guys right

260

00:16:09,420 --> 00:16:06,340

it's like a homeless lady or their angel

261

00:16:11,439 --> 00:16:09,430

ated doing cross the street behind me

262

00:16:15,670 --> 00:16:11,449

they're looking for something

263

00:16:16,840 --> 00:16:15,680

no cops we give you guys a view some

264

00:16:18,009 --> 00:16:16,850

kind of there's a lot of activity right

265

00:16:20,710 --> 00:16:18,019

over here so they're bringing out the

266

00:16:22,300 --> 00:16:20,720

police tape they're taping it off yeah

267

00:16:23,590 --> 00:16:22,310

yeah they're trying it out I'm just

268

00:16:24,850 --> 00:16:23,600

trying to tape it off so maybe it was

269

00:16:26,980 --> 00:16:24,860

just an explosion out here in this empty

270

00:16:29,069 --> 00:16:26,990

lie we're kind of surrounded there's

271

00:16:32,750 --> 00:16:29,079

cops over there there's cops over there

272

00:16:41,699 --> 00:16:32,760

it's kind of seem central around here

273

00:16:44,319 --> 00:16:41,709

[Music]

274

00:16:46,380 --> 00:16:44,329

the news stations aren't here so we are

275

00:16:49,540 --> 00:16:46,390

first on scene reporting with Wagga and

276

00:16:51,160 --> 00:16:49,550

slept up the new station just got

277

00:16:55,090 --> 00:16:51,170

turned away so we are the only ones on

278

00:16:56,440 --> 00:16:55,100

scene reporting this news stations you

279

00:16:58,480 --> 00:16:56,450

are not welcome to use this without

280

00:17:04,600 --> 00:16:58,490

permission so I just wanted to make that

281

00:17:08,020 --> 00:17:04,610

known this is it an exclusive way go to

282

00:17:10,120 --> 00:17:08,030

sleep that production choppers just keep

283

00:17:15,250 --> 00:17:10,130

flying overhead it's hard to tell from

284

00:17:17,890 --> 00:17:15,260

down here if it's police or not so

285

00:17:23,650 --> 00:17:17,900

there's the reference point stratosphere

286

00:17:31,240 --> 00:17:23,660

we are on the corner of let's cruise

287

00:17:37,910 --> 00:17:31,250

that Colorado serious lady over here

288

00:17:37,920 --> 00:17:41,760

[Music]

289

00:17:50,419 --> 00:17:43,669

I don't disagree with their actually

290

00:17:58,680 --> 00:17:56,430

if you want I'm well they're taping it

291

00:18:02,930 --> 00:17:58,690

off here you see if you see me like

292

00:18:12,970 --> 00:18:07,409

the Colorado yeah alright on third think

293

00:18:20,890 --> 00:18:19,810

gasps Street and its third Street my god

294

00:18:31,150 --> 00:18:20,900

I think we're on Colorado in third

295

00:18:33,730 --> 00:18:31,160

Street it's like I don't do that okay

296

00:18:35,260 --> 00:18:33,740

good naps occasionally but a pre please

297

00:18:36,760 --> 00:18:35,270

tape up over there they're not they're

298

00:18:39,310 --> 00:18:36,770

not have any interest in blocking us off

299

00:18:40,570 --> 00:18:39,320

over here doesn't seem so maybe whatever

300

00:18:49,800 --> 00:18:40,580

happened happened in that little

301
00:18:58,480 --> 00:18:52,090
something going on yeah it still could

302
00:19:05,100 --> 00:18:58,490
have been a meth lab it's all verbal

303
00:19:08,350 --> 00:19:05,110
threats I did four it split second but

304
00:19:15,400 --> 00:19:08,360
the cops don't seem to know what happens

305
00:19:18,820 --> 00:19:15,410
or where it came from so they're looking

306
00:19:20,440 --> 00:19:18,830
through the cars yeah it's a cop back

307
00:19:21,970 --> 00:19:20,450
over there I see him crossing the street

308
00:19:24,040 --> 00:19:21,980
no I have the right angle there he is

309
00:19:27,610 --> 00:19:24,050
he was looking at that car over there

310
00:19:30,880 --> 00:19:27,620
with a flashlight I I would have entered

311
00:19:31,900 --> 00:19:30,890
us to say that they are trying to figure

312
00:19:33,190 --> 00:19:31,910
something out

313
00:19:34,720 --> 00:19:33,200

either they don't know where the

314

00:19:37,090 --> 00:19:34,730

explosion came from or they don't know

315

00:19:46,570 --> 00:19:37,100

what caused it or because they were

316

00:19:48,610 --> 00:19:46,580

looking for something subject Brown

317

00:19:50,050 --> 00:19:48,620

vehicle Chevy pop is I think listening

318

00:19:54,310 --> 00:19:50,060

somebody's listening to this police

319

00:19:55,840 --> 00:19:54,320

scanner it looks like they put lat

320

00:20:00,040 --> 00:19:55,850

they put meth labs in the trunk of cars

321

00:20:04,410 --> 00:20:01,570

how do you know it's unmarked cuz

322

00:20:06,820 --> 00:20:04,420

there's no marks no sight markings okay

323

00:20:07,810 --> 00:20:06,830

please stay out of line from any fire of

324

00:20:10,060 --> 00:20:07,820

the cops I mean we're in a pretty

325

00:20:12,580 --> 00:20:10,070

good-sized group we got five people here

326

00:20:27,590 --> 00:20:12,590

we got covered five people here and we

327

00:20:31,750 --> 00:20:29,370

[Music]

328

00:20:34,180 --> 00:20:31,760

that poor woman that they just think

329

00:20:42,000 --> 00:20:34,190

they just reach Rama ties that whatever

330

00:20:45,910 --> 00:20:44,530

they're not gonna they're not gonna let

331

00:20:49,540 --> 00:20:45,920

you go through over there well no I'm

332

00:20:58,090 --> 00:20:49,550

talking right here okay do you mind if I

333

00:21:00,700 --> 00:20:58,100

film you while you go now there's like

334

00:21:02,760 --> 00:21:00,710

now there's the officer coming over

335

00:21:04,900 --> 00:21:02,770

[Music]

336

00:21:06,880 --> 00:21:04,910

are there like he's looking through this

337

00:21:08,440 --> 00:21:06,890

shed there's like a little shed thing

338

00:21:26,269 --> 00:21:08,450

here

339

00:21:28,549 --> 00:21:26,279

recording at the time that it happened

340

00:21:31,070 --> 00:21:28,559

because immediately there was a woman

341

00:21:33,979 --> 00:21:31,080

that basically crouched down in fetal

342

00:21:37,430 --> 00:21:33,989

position and she was saying no no no no

343

00:21:38,779 --> 00:21:37,440

no really loudly and she was just broken

344

00:21:39,829 --> 00:21:38,789

up and everybody around her was trying

345

00:21:41,239 --> 00:21:39,839

to console her I didn't know it was

346

00:21:45,859 --> 00:21:41,249

going on I was a little was just like

347

00:21:47,329 --> 00:21:45,869

stunts at first and then I guess leaped

348

00:21:49,339 --> 00:21:47,339

up and I can just look at each other and

349

00:21:51,109 --> 00:21:49,349

said well are we gonna who are we if we

350

00:21:54,690 --> 00:21:51,119

don't go try to investigate this I mean

351

00:21:56,529 --> 00:21:54,700

you know that's what we do

352

00:22:00,159 --> 00:21:56,539

[Music]

353

00:22:02,259 --> 00:22:00,169

thanks Steven said I got your back from

354

00:22:03,699 --> 00:22:02,269

South Carolina I don't know if he can

355

00:22:04,899 --> 00:22:03,709

find it but a lot of these cup cars say

356

00:22:08,049 --> 00:22:04,909

marshals so they might be on a different

357

00:22:10,899 --> 00:22:08,059

channel uh they might be on a Marshall

358

00:22:11,979 --> 00:22:10,909

Channel possibly we are not in the city

359

00:22:15,310 --> 00:22:11,989

of the North North Las Vegas it's

360

00:22:21,819 --> 00:22:15,320

downtown Las Vegas I'm pretty sure I

361

00:22:23,589 --> 00:22:21,829

don't see bomb squad can we spot another

362

00:22:25,209 --> 00:22:23,599

angle on this place is what I just heard

363

00:22:27,369 --> 00:22:25,219

something like that Chevy Pappas I think

364

00:22:31,569 --> 00:22:27,379

listening Chevy popped what radio source

365

00:22:36,999 --> 00:22:31,579

are you listening to they just asked for

366

00:22:38,229 --> 00:22:37,009

another ambulance there they're pretty

367

00:22:39,399 --> 00:22:38,239

focused on this field so I think

368

00:22:41,019 --> 00:22:39,409

whatever happened may have happened in

369

00:22:42,539 --> 00:22:41,029

this field but it's possible that's that

370

00:22:44,619 --> 00:22:42,549

ambulance already took somebody away

371

00:22:50,019 --> 00:22:44,629

before we got here it took us probably

372

00:22:59,320 --> 00:22:56,769

I think they're arresting this woman

373

00:23:00,930 --> 00:22:59,330

over here gasps the one that was saying

374

00:23:02,889 --> 00:23:00,940

she was gonna kill us

375

00:23:03,669 --> 00:23:02,899

is that who they were looking for

376

00:23:04,899 --> 00:23:03,679

because if that's who they were looking

377

00:23:06,399 --> 00:23:04,909

for I could have told him like five

378

00:23:09,930 --> 00:23:06,409

minutes ago ten minutes ago

379

00:23:11,919 --> 00:23:09,940

it's another officer let's go

380

00:23:19,419 --> 00:23:11,929

everybody's running over right now

381

00:23:23,769 --> 00:23:19,429

let's go I mean I almost told them that

382

00:23:24,969 --> 00:23:23,779

they should look into that girl must

383

00:23:29,440 --> 00:23:24,979

have been who they were looking for I

384

00:23:31,329 --> 00:23:29,450

guess I don't know I know we should have

385

00:23:36,909 --> 00:23:31,339

said something earlier coz she was just

386

00:23:43,690 --> 00:23:36,919

standing there I was like Oh what did

387

00:23:56,529 --> 00:23:43,700

she do throwing knives ice okay from her

388

00:23:59,739 --> 00:23:56,539

drink or something let's go you're never

389

00:24:06,119 --> 00:23:59,749

safe bro if we get uh we're safer then

390

00:24:25,049 --> 00:24:06,129

figure out who we are okay all right

391

00:24:30,459 --> 00:24:28,060

reminder once again none of you local

392

00:24:32,109 --> 00:24:30,469

none of the local news agencies are

393

00:24:35,039 --> 00:24:32,119

authorized to use for that permission

394

00:24:37,599 --> 00:24:35,049

it's cannot bees without permission I

395

00:24:41,160 --> 00:24:37,609

just want to say that you must reach out

396

00:24:53,049 --> 00:24:45,520

no we're reporters I know what are you

397

00:24:55,590 --> 00:24:53,059

into the copy officer just asked me why

398

00:24:58,960 --> 00:24:55,600

or here we should be out hunting ladies

399

00:25:04,650 --> 00:24:58,970

that's healthy MPD for you I thought

400

00:25:15,120 --> 00:25:08,980

their is uh most of the yeah he's being

401
00:25:25,360 --> 00:25:23,830
he was it was half cracking a joke yeah

402
00:25:27,280 --> 00:25:25,370
just to catch you guys up if you're new

403
00:25:29,020 --> 00:25:27,290
right we got 113 viewers now we had 80

404
00:25:32,230 --> 00:25:29,030
earlier so that's about 30 more people

405
00:25:36,940 --> 00:25:32,240
so what happened is we were the we were

406
00:25:38,740 --> 00:25:36,950
at the memorial we were at the more yes

407
00:25:39,970 --> 00:25:38,750
and it sounded like it was right on the

408
00:25:42,100 --> 00:25:39,980
other side of the love store if you know

409
00:25:43,750 --> 00:25:42,110
where that's at yeah we heard of just a

410
00:25:45,460 --> 00:25:43,760
huge explosion she's not related to

411
00:26:25,770 --> 00:25:45,470
whatever happened is she okay she was

412
00:26:28,960 --> 00:26:27,640
know if you guys can hear this we're

413
00:26:30,909 --> 00:26:28,970

speaking with one of the officers that's

414

00:26:33,039 --> 00:26:30,919

here he's kind of catching us up on what

415

00:26:34,000 --> 00:26:33,049

happened seems to have been explosion

416

00:26:39,850 --> 00:26:34,010

with no injuries but I'm trying to

417

00:26:41,799 --> 00:26:39,860

confirm that right now hey can I ask you

418

00:26:46,279 --> 00:26:41,809

one quick question know it no injuries

419

00:26:54,570 --> 00:26:52,620

okay thank God thank you appreciate it

420

00:27:00,090 --> 00:26:54,580

yeah we'll make sure report the story

421

00:27:08,430 --> 00:27:00,100

accurately oh yeah pretty much yeah

422

00:27:14,310 --> 00:27:08,440

YouTube same thing I felt like a dick

423

00:27:16,230 --> 00:27:14,320

like when reamed floral umer for they

424

00:27:19,139 --> 00:27:16,240

could not being a real journalist this

425

00:27:21,769 --> 00:27:19,149

is the police

426

00:27:24,720 --> 00:27:21,779

the police need to start to realize this

427

00:27:26,669 --> 00:27:24,730

like like this is new media like this is

428

00:27:28,500 --> 00:27:26,679

the way this look this is how news works

429

00:27:33,019 --> 00:27:28,510

in the future it's not news agencies

430

00:27:35,700 --> 00:27:33,029

it's not it's not 9 to 5 you know office

431

00:27:36,960 --> 00:27:35,710

reporters its people it's that are

432

00:27:39,180 --> 00:27:36,970

they're a little beautiful right at the

433

00:27:41,519 --> 00:27:39,190

time it was just that the healing guard

434

00:27:42,899 --> 00:27:41,529

so you know remembering all those are

435

00:27:45,360 --> 00:27:42,909

the eight angels and then all of a

436

00:27:48,539 --> 00:27:45,370

sudden yep you start walking to our cars

437

00:27:50,880 --> 00:27:48,549

to go away from the sound and now we see

438

00:27:53,669 --> 00:27:50,890

this dumb so if we're not here we were

439

00:27:54,899 --> 00:27:53,679

here first huh yeah it's gonna new

440

00:27:57,510 --> 00:27:54,909

stations that were just there didn't

441

00:28:01,680 --> 00:27:57,520

even bother moving a single new station

442

00:28:04,590 --> 00:28:01,690

here still it's just a couple of us my

443

00:28:06,930 --> 00:28:04,600

viewers baby sticks hope you enough to

444

00:28:08,760 --> 00:28:06,940

120 I don't usually have this many on

445

00:28:15,779 --> 00:28:08,770

the live stream but this is I guess that

446

00:28:20,779 --> 00:28:15,789

video pro heavy news tell your friends

447

00:28:24,180 --> 00:28:20,789

throw like with this guy's plain clothes

448

00:28:27,810 --> 00:28:24,190

so type of truck we saw

449

00:28:30,560 --> 00:28:27,820

you can hear me give me something I know

450

00:28:33,180 --> 00:28:30,570

you can hear me so to catch everybody up

451

00:28:35,580 --> 00:28:33,190

yeah we were the crowd was kind of

452

00:28:37,889 --> 00:28:35,590

breaking up this is at the memorial the

453

00:28:40,560 --> 00:28:37,899

Morra garden it was the dedication of

454

00:28:42,600 --> 00:28:40,570

the memorial garden and Wow was this

455

00:28:45,960 --> 00:28:42,610

crowd was kind of dispersing slept up

456

00:28:49,529 --> 00:28:45,970

and I were speaking with a woman from an

457

00:28:51,480 --> 00:28:49,539

EMT from community ambulance which is

458

00:28:53,730 --> 00:28:51,490

they actually the company that ran the

459

00:28:54,990 --> 00:28:53,740

medical tent at route 91 and so we were

460

00:28:58,049 --> 00:28:55,000

speaking with her a little bit and the

461

00:28:59,460 --> 00:28:58,059

guy that she was with and while we were

462

00:29:01,940 --> 00:28:59,470

speaking to them this large explosion

463

00:29:05,039 --> 00:29:01,950

happened we didn't know what it was it

464

00:29:06,779 --> 00:29:05,049

completely caused a woman to be reach

465

00:29:11,519 --> 00:29:06,789

remote eyes she crumbled onto the floor

466

00:29:12,779 --> 00:29:11,529

was saying no no no repeatedly and we

467

00:29:14,220 --> 00:29:12,789

kind of looked at each other and we

468

00:29:15,869 --> 00:29:14,230

decided they were gonna try to go figure

469

00:29:18,539 --> 00:29:15,879

out how it happened with a little bit of

470

00:29:20,070 --> 00:29:18,549

thought so I did record the first couple

471

00:29:22,379 --> 00:29:20,080

minutes was just my phone just recording

472

00:29:26,940 --> 00:29:22,389

so I'll post that later we did not

473

00:29:28,230 --> 00:29:26,950

capture the explosion at all yeah

474

00:29:30,480 --> 00:29:28,240

somebody probably was recording at the

475

00:29:36,600 --> 00:29:30,490

time okay you got press credentials on

476
00:29:38,279 --> 00:29:36,610
you yeah why not I'm not sure I buy the

477
00:29:39,450 --> 00:29:38,289
whole propane tank thing yeah well we

478
00:29:43,019 --> 00:29:39,460
don't know for sure what happened but

479
00:29:44,879 --> 00:29:43,029
the officer was saying I'm showing

480
00:29:48,840 --> 00:29:44,889
slept up from the neck down what am i

481
00:29:57,420 --> 00:29:48,850
showing all the cameras yeah it's all

482
00:29:57,430 --> 00:30:03,720
[Music]

483
00:30:08,280 --> 00:30:05,860
so I thought there was didn't you say he

484
00:30:13,090 --> 00:30:08,290
saw somebody swap I don't see a SWAT car

485
00:30:15,100 --> 00:30:13,100
he was in the SWAT tactical young he

486
00:30:16,390 --> 00:30:15,110
might be on zebra we you know what

487
00:30:19,090 --> 00:30:16,400
information we didn't get from the guy

488
00:30:21,640 --> 00:30:19,100

was where the explosion occurred yeah

489

00:30:23,820 --> 00:30:21,650

no no no known injuries up to this point

490

00:30:26,830 --> 00:30:23,830

they are basically trying to figure out

491

00:30:28,000 --> 00:30:26,840

it seems like what caused a far the

492

00:30:28,990 --> 00:30:28,010

narrative is is a homeless person

493

00:30:31,720 --> 00:30:29,000

burning stuff

494

00:30:36,720 --> 00:30:31,730

yeah actual narrative official there

495

00:30:40,240 --> 00:30:36,730

that was the official speculation so far

496

00:30:42,010 --> 00:30:40,250

that I would I would say the officer

497

00:30:44,190 --> 00:30:42,020

that came over and decided to speak with

498

00:30:46,480 --> 00:30:44,200

us Ellen it smell like burning plastic

499

00:30:47,950 --> 00:30:46,490

yeah it smelled like burning plastic a

500

00:30:49,690 --> 00:30:47,960

little bit like burning rubber to me and

501
00:30:56,350 --> 00:30:49,700
that was that was when we were over here

502
00:30:58,570 --> 00:30:56,360
walking so the officer that was that

503
00:31:00,340 --> 00:30:58,580
came over and spoke with us was super

504
00:31:02,230 --> 00:31:00,350
generous he obviously did not have to do

505
00:31:04,530 --> 00:31:02,240
that I just want to you know point that

506
00:31:09,730 --> 00:31:04,540
out like anytime that somebody's

507
00:31:11,560 --> 00:31:09,740
forthcoming yeah we're probably chordoma

508
00:31:13,390 --> 00:31:11,570
in a quarter-mile third of a mile away

509
00:31:14,740 --> 00:31:13,400
maybe half mile and it sounded like it

510
00:31:16,140 --> 00:31:14,750
was literally on the other side of the

511
00:31:25,770 --> 00:31:16,150
buildings

512
00:31:30,880 --> 00:31:28,630
if they're there looking over this must

513
00:31:44,770 --> 00:31:30,890

see an officer way back up here I'll

514

00:31:48,310 --> 00:31:46,360

there's a gentleman next to me that's

515

00:31:52,060 --> 00:31:48,320

also live streaming Facebook and

516

00:31:55,799 --> 00:31:52,070

Facebook Gooding yeah Brian J Brian J

517

00:32:09,100 --> 00:31:55,809

Patrick Brian Chavez on Facebook

518

00:32:12,190 --> 00:32:09,110

I'll show his phone are you a survivor

519

00:32:14,620 --> 00:32:12,200

no okay do that supporter my mom and I

520

00:32:16,810 --> 00:32:14,630

survived a home invasion suffering from

521

00:32:18,760 --> 00:32:16,820

PTSD anxiety attack so they appreciate

522

00:32:21,250 --> 00:32:18,770

the support they connect what and help

523

00:32:23,169 --> 00:32:21,260

either absolutely not I got across from

524

00:32:24,789 --> 00:32:23,179

Greg's Anna's last year that's the

525

00:32:26,799 --> 00:32:24,799

purple one that's over remember it's

526

00:32:29,770 --> 00:32:26,809

yeah okay I brought that back for the

527

00:32:31,510 --> 00:32:29,780

one year oh nice very nice very generous

528

00:32:33,909 --> 00:32:31,520

without him that day I would never have

529

00:32:35,770 --> 00:32:33,919

gotten out of my house Paul says I went

530

00:32:43,330 --> 00:32:35,780

down to the processor laughs I promote

531

00:32:45,190 --> 00:32:43,340

apologies what where were you from me

532

00:32:45,610 --> 00:32:45,200

born in Kentucky right down here my

533

00:32:48,070 --> 00:32:45,620

whole life

534

00:32:52,810 --> 00:32:48,080

gotcha local oh yeah very much a local

535

00:32:55,440 --> 00:32:52,820

good about the 2004 Palo Verde high

536

00:32:56,969 --> 00:32:55,450

school there you go

537

00:32:59,069 --> 00:32:56,979

the female is not involved with the

538

00:33:02,699 --> 00:32:59,079

explosion just some bi yeah so there was

539

00:33:06,029 --> 00:33:02,709

a on top of this we were back over here

540

00:33:10,199 --> 00:33:06,039

and there was a ya vagrant thank you or

541

00:33:12,859 --> 00:33:10,209

transient detective where how do you

542

00:33:15,839 --> 00:33:12,869

know how do you know they're detecting

543

00:33:23,519 --> 00:33:15,849

there's two plainclothes guys here sleep

544

00:33:25,019 --> 00:33:23,529

things they might be detectives or rank

545

00:33:40,600 --> 00:33:25,029

they might have just been in the eye who

546

00:33:45,730 --> 00:33:44,440

so we were standing over here there was

547

00:33:47,470 --> 00:33:45,740

the transient lady it was across the

548

00:33:49,120 --> 00:33:47,480

street yelling at us it was completely

549

00:33:50,500 --> 00:33:49,130

unrelated but she ended up getting

550

00:33:51,700 --> 00:33:50,510

arrested over here looks like they might

551
00:33:54,730 --> 00:33:51,710
be putting her in the ambulance over

552
00:33:58,060 --> 00:33:54,740
here yeah they brought it on the ground

553
00:34:00,940 --> 00:33:58,070
she was growing stuff yeah she was

554
00:34:03,220 --> 00:34:00,950
saying we all should die basically and

555
00:34:05,320 --> 00:34:03,230
that's not just me saying that I heard

556
00:34:13,200 --> 00:34:05,330
that like pretty sure that got captured

557
00:34:20,440 --> 00:34:16,030
what is what is Joe saying that he has

558
00:34:28,030 --> 00:34:20,450
I'm scrolling back here what's Joe

559
00:34:39,820 --> 00:34:30,490
laughing still don't see it where are

560
00:34:48,260 --> 00:34:42,350
jóska said where are you we are on the

561
00:34:50,629 --> 00:34:48,270
corner of 3rd and Colorado Colorado and

562
00:34:52,220 --> 00:34:50,639
3rd these streets actually cut it

563
00:34:53,750 --> 00:34:52,230

there's like this street over here and

564

00:34:54,980 --> 00:34:53,760

then there's two streets that join here

565

00:34:58,660 --> 00:34:54,990

so it's actually like three streets

566

00:35:00,859 --> 00:34:58,670

what's the street and there's another

567

00:35:02,630 --> 00:35:00,869

yeah there's another the street that

568

00:35:10,940 --> 00:35:02,640

it's actually on not sure we're looking

569

00:35:13,810 --> 00:35:10,950

it up right now on Google Maps I might

570

00:35:17,470 --> 00:35:13,820

be I want to connect I put up my watch

571

00:35:17,480 --> 00:35:30,370

here's a Maps app on here

572

00:35:37,140 --> 00:35:34,749

I can't see it on my watch if someone

573

00:35:41,099 --> 00:35:37,150

can pull up

574

00:35:43,319 --> 00:35:41,109

find out what the explosion came from

575

00:35:44,940 --> 00:35:43,329

over here so you can't really see it but

576

00:35:48,470 --> 00:35:44,950

we were if you can see all the way back

577

00:35:51,089 --> 00:35:48,480

there there's a street sign

578

00:35:52,859 --> 00:35:51,099

so this street is the street we kind of

579

00:35:56,640 --> 00:35:52,869

came from but we were down probably back

580

00:35:58,470 --> 00:35:56,650

all the way back over here probably kind

581

00:36:00,809 --> 00:35:58,480

of even with this building back in this

582

00:36:02,640 --> 00:36:00,819

area so we were probably a quarter-mile

583

00:36:05,880 --> 00:36:02,650

away from here literally sounded like it

584

00:36:10,829 --> 00:36:05,890

was hundred yards away it was really

585

00:36:13,289 --> 00:36:10,839

loud yes there were survivors nearby in

586

00:36:16,440 --> 00:36:13,299

fact one was obviously immediately

587

00:36:20,010 --> 00:36:16,450

traumatized like to the point of being

588

00:36:25,920 --> 00:36:20,020

in fetal position it was very very sad

589

00:36:30,630 --> 00:36:25,930

to see Joe wants you to do some GD

590

00:36:32,819 --> 00:36:30,640

reporting sleep no I know he means sleep

591

00:36:34,140 --> 00:36:32,829

stay and research is yeah he's he's

592

00:36:35,910 --> 00:36:34,150

chatting with a lot of people were

593

00:36:37,809 --> 00:36:35,920

messed me asking me what's going on if

594

00:36:41,170 --> 00:36:37,819

we're okay

595

00:36:43,839 --> 00:36:41,180

like that sleeps during the logistical

596

00:36:49,830 --> 00:36:43,849

management in the background he's doing

597

00:36:49,840 --> 00:36:56,410

down here building right now

598

00:36:59,950 --> 00:36:58,059

yeah everything was going well at the

599

00:37:02,319 --> 00:36:59,960

memorial until this happened it kind of

600

00:37:05,259 --> 00:37:02,329

took it just freaked everybody out and

601
00:37:06,849 --> 00:37:05,269
some people left the police basically

602
00:37:08,589 --> 00:37:06,859
just left the memorial site all the

603
00:37:10,749 --> 00:37:08,599
police just tore out of there they were

604
00:37:37,329 --> 00:37:10,759
all gone basically only we came back

605
00:37:39,759 --> 00:37:37,339
around wagon some kind of explosion and

606
00:37:40,839 --> 00:37:39,769
it did smell like chemicals the cops

607
00:37:42,370 --> 00:37:40,849
initially we're over on the other side

608
00:37:43,479 --> 00:37:42,380
of this wall looking there shining their

609
00:37:45,700 --> 00:37:43,489
flashlights looking for something you

610
00:37:47,470 --> 00:37:45,710
can see the tape extends out over here

611
00:37:48,640 --> 00:37:47,480
and of this area is the area that's

612
00:37:49,960 --> 00:37:48,650
cordoned off right here they were

613
00:37:51,519 --> 00:37:49,970

knocking on the doors over here the

614

00:37:54,279 --> 00:37:51,529

residence is trying to figure out what

615

00:37:59,380 --> 00:37:54,289

happened we're kind of surrounded right

616

00:38:02,470 --> 00:37:59,390

now by emergency vehicles I won't get

617

00:38:04,420 --> 00:38:02,480

you that police that fire truck is

618

00:38:08,410 --> 00:38:04,430

believing this road is blocked off here

619

00:38:09,549 --> 00:38:08,420

by the cops this cop over here I would

620

00:38:11,170 --> 00:38:09,559

have to say the cops have actually been

621

00:38:12,160 --> 00:38:11,180

really nice to us to I mean we're kinda

622

00:38:16,839 --> 00:38:12,170

in the middle of everything here and

623

00:38:18,339 --> 00:38:16,849

they've been a dick I really didn't have

624

00:38:23,200 --> 00:38:18,349

to leave us out here I guess maybe they

625

00:38:25,990 --> 00:38:23,210

could have pushed us back further no

626

00:38:31,330 --> 00:38:28,720

I was not a gas line because the I think

627

00:38:32,589 --> 00:38:31,340

the cops although we with the one miss

628

00:38:33,790 --> 00:38:32,599

here that I made when I was talking the

629

00:38:36,630 --> 00:38:33,800

police officer that I didn't ask him

630

00:38:47,410 --> 00:38:36,640

exactly where the explosion came from

631

00:38:52,060 --> 00:38:47,420

there's a time to go you want to leave

632

00:38:54,700 --> 00:38:52,070

okay maybe a transponder blue you know

633

00:38:58,599 --> 00:38:54,710

they cops said it was signed a single

634

00:39:01,960 --> 00:38:58,609

flashlight of us guys you can know it

635

00:39:06,400 --> 00:39:01,970

that way you can smell it from over

636

00:39:08,589 --> 00:39:06,410

there when we were walking up third

637

00:39:15,510 --> 00:39:08,599

street you could smell it so and then

638

00:39:22,210 --> 00:39:20,920

okay okay yeah yeah we're gonna head out

639

00:39:23,890 --> 00:39:22,220

anyway can we go that way we're parked

640

00:39:26,470 --> 00:39:23,900

that way

641

00:39:28,270 --> 00:39:26,480

and go up there tree okay well I'll ask

642

00:39:31,180 --> 00:39:28,280

you one quick question where what was

643

00:39:32,800 --> 00:39:31,190

like the source of the you don't know

644

00:39:35,230 --> 00:39:32,810

you're still looking for it okay all

645

00:39:38,829 --> 00:39:35,240

right thank you yep we got it yep thank

646

00:39:40,210 --> 00:39:38,839

you sir yeah likewise thank you the

647

00:39:41,530 --> 00:39:40,220

officer was really nice she let us stand

648

00:39:42,820 --> 00:39:41,540

there for probably longer than we should

649

00:39:45,490 --> 00:39:42,830

have been but they're gonna go ahead and

650

00:39:46,780 --> 00:39:45,500

wrap off this whole area I'm guessing

651
00:39:48,430 --> 00:39:46,790
because they probably want to start to

652
00:39:49,570 --> 00:39:48,440
search it and try to figure out he said

653
00:39:52,690 --> 00:39:49,580
that he did they don't know the source

654
00:39:55,180 --> 00:39:52,700
of the explosion so I don't know if it

655
00:39:56,859 --> 00:39:55,190
was the gas line I don't know it didn't

656
00:39:58,800 --> 00:39:56,869
smell I guess what it smelled like pasta

657
00:40:00,940 --> 00:39:58,810
people

658
00:40:02,380 --> 00:40:00,950
garbage burning and they don't know

659
00:40:04,030 --> 00:40:02,390
where it's at how do they know because

660
00:40:05,680 --> 00:40:04,040
they know it came from this area maybe

661
00:40:07,839 --> 00:40:05,690
and because they're maybe they're making

662
00:40:09,190 --> 00:40:07,849
an assumption there so we don't know but

663
00:40:10,240 --> 00:40:09,200

now I'm like if they don't know the

664

00:40:13,510 --> 00:40:10,250

source now I'm gonna be looking around

665

00:40:17,440 --> 00:40:13,520

trying to figure like alright well we're

666

00:40:18,790 --> 00:40:17,450

gonna take off guys we are basically the

667

00:40:20,710 --> 00:40:18,800

point where we have to decide if we want

668

00:40:23,200 --> 00:40:20,720

to be to the event over at the venue or

669

00:40:24,970 --> 00:40:23,210

not so we're just gonna leave here and

670

00:40:26,650 --> 00:40:24,980

it looks like the police we've got it

671

00:40:29,840 --> 00:40:26,660

handled I wish we could stay and report

672

00:40:32,710 --> 00:40:29,850

but we want to be at the

673

00:40:35,810 --> 00:40:32,720

yeah yeah they're pushing us back anyhow

674

00:40:36,980 --> 00:40:35,820

did we didn't give that well that guy

675

00:40:38,270 --> 00:40:36,990

gave us information right so if

676
00:40:41,840 --> 00:40:38,280
anybody's watching the other gentleman

677
00:40:45,770 --> 00:40:41,850
that was there's a facebook stream there

678
00:40:49,520 --> 00:40:45,780
are more sirens I don't know this we're

679
00:40:55,520 --> 00:40:49,530
in we're in downtown Vegas like sirens

680
00:40:56,990 --> 00:40:55,530
are common I don't think they're coming

681
00:40:58,400 --> 00:40:57,000
here doesn't sound like they're coming

682
00:41:01,220 --> 00:40:58,410
in this direction I'm surprised you guys

683
00:41:09,920 --> 00:41:01,230
can hear that it's pretty amazing the

684
00:41:12,770 --> 00:41:09,930
microphone on this thing is amazing is

685
00:41:14,690 --> 00:41:12,780
that a police dog I don't know if it is

686
00:41:19,670 --> 00:41:14,700
is it because a resident just came out

687
00:41:22,210 --> 00:41:19,680
of that I think it's that residence dog

688
00:41:24,590 --> 00:41:22,220

barking out of the house

689

00:41:26,000 --> 00:41:24,600

meth is chemically it could have been it

690

00:41:27,230 --> 00:41:26,010

could have been meth we don't know they

691

00:41:30,410 --> 00:41:27,240

looked through all these there's these

692

00:41:32,780 --> 00:41:30,420

little kind of shacks built of these

693

00:41:35,390 --> 00:41:32,790

little tents built up for some of the

694

00:41:40,700 --> 00:41:35,400

transient people and they looked through

695

00:41:41,840 --> 00:41:40,710

those well it scares me more that they

696

00:41:43,340 --> 00:41:41,850

don't know where it came from

697

00:41:47,870 --> 00:41:43,350

because then it makes me wonder if it

698

00:41:49,700 --> 00:41:47,880

was some kind of like something man if

699

00:41:51,380 --> 00:41:49,710

that's a that's a horrible prank if

700

00:41:52,550 --> 00:41:51,390

somebody try to pull that [h__h] explain

701
00:41:54,100 --> 00:41:52,560
what it was

702
00:41:57,490 --> 00:41:54,110
they don't even know where it was that

703
00:41:59,810 --> 00:41:57,500
yeah that's see this is where the shoes

704
00:42:01,310 --> 00:41:59,820
recording gets tough because the the

705
00:42:03,830 --> 00:42:01,320
police officer kind of contradict

706
00:42:07,490 --> 00:42:03,840
himself yes he said his trash related

707
00:42:09,380 --> 00:42:07,500
and then he said they don't know see it

708
00:42:11,570 --> 00:42:09,390
yeah don't know where it is

709
00:42:13,820 --> 00:42:11,580
precisely basically see it to tell us

710
00:42:16,220 --> 00:42:13,830
it's trash the chopper rolling in but I

711
00:42:17,540 --> 00:42:16,230
think seems like there's a flight path

712
00:42:18,500 --> 00:42:17,550
right yeah I think there might but there

713
00:42:22,120 --> 00:42:18,510

must be

714

00:42:24,530 --> 00:42:22,130

maybe the stratosphere so I bet you like

715

00:42:26,570 --> 00:42:24,540

that maverick probably comes all the way

716

00:42:28,160 --> 00:42:26,580

down here and then they turn around

717

00:42:29,240 --> 00:42:28,170

probably up here because you wouldn't

718

00:42:32,140 --> 00:42:29,250

think they was trying to hover right

719

00:42:34,370 --> 00:42:32,150

here instead passing by

720

00:42:36,410 --> 00:42:34,380

maybe they captured downtown or

721

00:42:45,020 --> 00:42:36,420

something well cuz Fremont over there so

722

00:42:49,220 --> 00:42:45,030

they probably yeah it does smell like

723

00:42:51,980 --> 00:42:49,230

burning here and this is where exactly

724

00:42:55,700 --> 00:42:51,990

where we smelled it before what about

725

00:42:56,330 --> 00:42:55,710

over in there do if we solve this for

726

00:43:01,040 --> 00:42:56,340

them right now

727

00:43:08,560 --> 00:43:01,050

okay heroes I don't see if they let's

728

00:43:08,570 --> 00:43:12,530

yeah

729

00:43:18,089 --> 00:43:14,520

did you guys did you guys hear that

730

00:43:22,500 --> 00:43:18,099

explosion do you smell anything as you

731

00:43:24,690 --> 00:43:22,510

walk by here okay cuz we smelled

732

00:43:25,980 --> 00:43:24,700

something burning when we went this way

733

00:43:28,099 --> 00:43:25,990

Emma we went that way we were over there

734

00:43:33,030 --> 00:43:28,109

talking to the cops for a little while

735

00:43:37,049 --> 00:43:33,040

we don't know good times yeah I smell it

736

00:43:43,530 --> 00:43:37,059

again you smell it now what does it

737

00:43:50,670 --> 00:43:43,540

smell like anything like burning wood

738

00:43:54,559 --> 00:43:50,680

yeah I smell right here pickles

739

00:44:03,359 --> 00:43:54,569

maybe the wind's blowing this way I

740

00:44:07,829 --> 00:44:03,369

wonder if I should tell nobody because

741

00:44:09,270 --> 00:44:07,839

we didn't smell it over there they're

742

00:44:10,349 --> 00:44:09,280

back here looking through so I don't

743

00:44:13,640 --> 00:44:10,359

know these are the sectors but they're

744

00:44:15,660 --> 00:44:13,650

back here looking through the tents the

745

00:44:21,930 --> 00:44:15,670

thing is I don't know if it's coming

746

00:44:23,160 --> 00:44:21,940

from that direction that way from right

747

00:44:25,530 --> 00:44:23,170

where they're at so maybe it does smell

748

00:44:27,329 --> 00:44:25,540

like look it has to be something right

749

00:44:30,829 --> 00:44:27,339

here but you would think that there'd be

750

00:44:38,010 --> 00:44:33,690

weird man in that building I just heard

751
00:44:39,839 --> 00:44:38,020
something yeah somebody on the roof is

752
00:44:41,579 --> 00:44:39,849
it is there somebody in a mask on the

753
00:44:44,579 --> 00:44:41,589
roof nobody's been up there looking yet

754
00:44:46,049 --> 00:44:44,589
so dude I can't believe this how this

755
00:44:52,500 --> 00:44:46,059
cellphone can pick up a light up there

756
00:44:56,179 --> 00:44:53,760
[Music]

757
00:44:59,549 --> 00:44:56,189
well

758
00:45:02,910 --> 00:44:59,559
turn back and look this looks eerily

759
00:45:05,609 --> 00:45:02,920
similar Las Vegas police department has

760
00:45:06,689 --> 00:45:05,619
the intersection blocked off the white

761
00:45:08,729 --> 00:45:06,699
trucks that we've all seen before

762
00:45:14,099 --> 00:45:08,739
helicopters overhead police walking

763
00:45:15,120 --> 00:45:14,109

around freaking me out man don't give

764

00:45:17,429 --> 00:45:15,130

this out of the cops

765

00:45:18,419 --> 00:45:17,439

absolutely not those flashlights cops

766

00:45:19,650 --> 00:45:18,429

looking for something yeah the

767

00:45:21,089 --> 00:45:19,660

flashlight cops were looking for

768

00:45:22,979 --> 00:45:21,099

something in the there's like Trent like

769

00:45:25,439 --> 00:45:22,989

home homeless - yeah how much tents

770

00:45:29,209 --> 00:45:25,449

there I guess they're not homeless if

771

00:45:34,709 --> 00:45:29,219

they have tents though well transient

772

00:45:38,390 --> 00:45:34,719

this explosion is really crappy yeah dad

773

00:45:43,049 --> 00:45:40,640

[Music]

774

00:45:45,870 --> 00:45:43,059

remember those there are those package

775

00:45:48,599 --> 00:45:45,880

bombs they've been off in Austin yeah

776

00:45:53,710 --> 00:45:48,609

couple months back yeah something like

777

00:45:58,000 --> 00:45:56,890

well guys we're gonna walk back and

778

00:46:02,530 --> 00:45:58,010

we're going to try to get over to the

779

00:46:06,160 --> 00:46:02,540

other to the venue and Google Maps we

780

00:46:09,130 --> 00:46:06,170

are at 1 1 1 7 foot Street is this first

781

00:46:12,400 --> 00:46:09,140

783

00:46:15,790 --> 00:46:13,190
