

1
00:00:06,230 --> 00:00:02,659
you've been watching sights and sounds

2
00:00:08,900 --> 00:00:06,240
from October 1st 2017 the harvest 91

3
00:00:10,520 --> 00:00:08,910
Festival where 58 people innocent people

4
00:00:14,089 --> 00:00:10,530
were enjoying it Jason Aldean concert

5
00:00:16,129 --> 00:00:14,099
gunned it down killed 600 others injured

6
00:00:18,769 --> 00:00:16,139
but there are a lot of questions that

7
00:00:20,840 --> 00:00:18,779
still remain about that massacre just

8
00:00:22,790 --> 00:00:20,850
about a year ago lots of questions what

9
00:00:25,670 --> 00:00:22,800
do we know about the motive we don't

10
00:00:27,560 --> 00:00:25,680
know what do we know why are there so

11
00:00:30,380 --> 00:00:27,570
many mysteries surrounding this shooter

12
00:00:32,060 --> 00:00:30,390
still unanswered what's the real story

13
00:00:34,790 --> 00:00:32,070

behind the Mandalay Bay and what their

14

00:00:37,580 --> 00:00:34,800

involvement was if anything the shooter

15

00:00:39,260 --> 00:00:37,590

had a camera set up on a room service

16

00:00:41,180 --> 00:00:39,270

cart remember that the cameras set up

17

00:00:42,860 --> 00:00:41,190

down the hallway we've never seen that

18

00:00:43,660 --> 00:00:42,870

video footage I want to know what that

19

00:00:46,190 --> 00:00:43,670

looks like

20

00:00:48,470 --> 00:00:46,200

based on that audio that you heard and

21

00:00:51,200 --> 00:00:48,480

that was actual audio from that night

22

00:00:53,750 --> 00:00:51,210

you heard the Papa Papa papa 1,100

23

00:00:56,689 --> 00:00:53,760

rounds went into that audience 1,100 in

24

00:00:58,060 --> 00:00:56,699

a 10-minute span with reloading how does

25

00:01:01,549 --> 00:00:58,070

one man do that

26

00:01:03,349 --> 00:01:01,559

patek the shooter made phone calls did

27

00:01:05,119 --> 00:01:03,359

you use the Internet at the time do we

28

00:01:07,460 --> 00:01:05,129

know anything about what he was doing at

29

00:01:09,800 --> 00:01:07,470

that time when did he kill himself did

30

00:01:12,920 --> 00:01:09,810

he kill himself and how does one man

31

00:01:16,190 --> 00:01:12,930

again I'll say it again how does one man

32

00:01:19,520 --> 00:01:16,200

get off 1,100 rounds by himself killing

33

00:01:22,070 --> 00:01:19,530

58 people injuring another five or six

34

00:01:23,749 --> 00:01:22,080

hundred we're gonna take a deep dive

35

00:01:25,580 --> 00:01:23,759

into all those questions see if we can

36

00:01:27,590 --> 00:01:25,590

answer as many as we possibly can in one

37

00:01:30,469 --> 00:01:27,600

hours time this is a special surrounding

38

00:01:32,810 --> 00:01:30,479

the Mandalay Bay massacre October 1st

39

00:01:34,760 --> 00:01:32,820

2017 with me joining me today on set

40

00:01:37,760 --> 00:01:34,770

Randy Sutton he's a formal attendant Las

41

00:01:40,760 --> 00:01:37,770

Vegas Metro police he is also a radio

42

00:01:42,350 --> 00:01:40,770

host to my screen right to my left Jim

43

00:01:44,660 --> 00:01:42,360

Breslow he's the host of the hidden

44

00:01:46,670 --> 00:01:44,670

truth show he's investigated this event

45

00:01:48,080 --> 00:01:46,680

many many times he's gonna talk to us

46

00:01:50,330 --> 00:01:48,090

about what he's learned and we're

47

00:01:52,340 --> 00:01:50,340

bringing back a Jones recording artist

48

00:01:54,139 --> 00:01:52,350

and if you notice that first video we

49

00:01:58,280 --> 00:01:54,149

played god bless america

50

00:01:59,600 --> 00:01:58,290

that was kaya herself taking that video

51
00:02:03,230 --> 00:01:59,610
kaya just take us back to that night

52
00:02:04,819 --> 00:02:03,240
very quickly it's just so intense to see

53
00:02:09,619 --> 00:02:04,829
the footage that we were just listening

54
00:02:11,059 --> 00:02:09,629
to with the shots cuz when I entered the

55
00:02:12,540 --> 00:02:11,069
concert venue that's how I entered I

56
00:02:14,100 --> 00:02:12,550
entered through that way and then

57
00:02:17,490 --> 00:02:14,110
got my passes and of course went

58
00:02:19,710 --> 00:02:17,500
backstage so it just is eerie it's very

59
00:02:22,500 --> 00:02:19,720
eerie Jim what do you what do you recall

60
00:02:24,630 --> 00:02:22,510
from that night well I was supposed to

61
00:02:26,520 --> 00:02:24,640
have been there I had planned to go

62
00:02:28,320 --> 00:02:26,530
there it was in my calendar to go I'm

63
00:02:29,760 --> 00:02:28,330

actually a big pension music fan myself

64

00:02:31,710 --> 00:02:29,770

and it's really what kind of created my

65

00:02:33,270 --> 00:02:31,720

interest to dig into this deeper

66

00:02:34,680 --> 00:02:33,280

including the fact that you know we just

67

00:02:37,860 --> 00:02:34,690

can't figure out what this guy's motive

68

00:02:40,320 --> 00:02:37,870

was but all I can think of was that

69

00:02:41,820 --> 00:02:40,330

thank God I wasn't there and having

70

00:02:44,250 --> 00:02:41,830

interviewed so many people that were

71

00:02:46,800 --> 00:02:44,260

there I was thinking that you know the

72

00:02:48,780 --> 00:02:46,810

chances of me getting hit very low right

73

00:02:50,280 --> 00:02:48,790

but I just knew I could feel that that

74

00:02:51,570 --> 00:02:50,290

would not some be something that you

75

00:02:53,460 --> 00:02:51,580

want have ever experienced in your life

76
00:02:54,990 --> 00:02:53,470
and I know you went through that and you

77
00:02:58,830 --> 00:02:55,000
know that but everyone I've spoken to

78
00:03:00,450 --> 00:02:58,840
who was there it's something that that

79
00:03:02,070 --> 00:03:00,460
just hasn't left them I mean so many are

80
00:03:03,780 --> 00:03:02,080
dealing with it whether they were

81
00:03:06,750 --> 00:03:03,790
injured or not they're dealing with a

82
00:03:08,820 --> 00:03:06,760
second circle fault Randy your thoughts

83
00:03:12,180 --> 00:03:08,830
of that night this is a very vivid

84
00:03:14,250 --> 00:03:12,190
memory for me I was I was home when I

85
00:03:17,520 --> 00:03:14,260
got a call saying that there was a

86
00:03:20,610 --> 00:03:17,530
coordinated terrorist attack on multiple

87
00:03:22,350 --> 00:03:20,620
hotels and to get to the television

88
00:03:24,630 --> 00:03:22,360

station where I'm a commentator about

89

00:03:26,940 --> 00:03:24,640

crime and safety issues and I can tell

90

00:03:29,250 --> 00:03:26,950

you that my blood ran cold business is

91

00:03:31,740 --> 00:03:29,260

something that we planned for as a

92

00:03:33,000 --> 00:03:31,750

police agency for years mhm you planned

93

00:03:35,490 --> 00:03:33,010

for it but you never expect to have to

94

00:03:37,680 --> 00:03:35,500

put those plans in really so we sat down

95

00:03:39,060 --> 00:03:37,690

with Mayor Goodman Carolyn Goodman she's

96

00:03:42,030 --> 00:03:39,070

the mayor she was a mayor at the time as

97

00:03:43,800 --> 00:03:42,040

well and I asked her about some of the

98

00:03:45,630 --> 00:03:43,810

questions that we still have one shooter

99

00:03:47,850 --> 00:03:45,640

two shooters conspiracy theory perhaps

100

00:03:49,949 --> 00:03:47,860

maybe someone else was involved how does

101
00:03:52,860 --> 00:03:49,959
the Moines man get off 1,100 rounds so I

102
00:03:55,760 --> 00:03:52,870
asked her judge for yourself if she gave

103
00:03:59,130 --> 00:03:55,770
us any answers at all take a listen

104
00:04:00,930 --> 00:03:59,140
alright Randy one retired law

105
00:04:02,340 --> 00:04:00,940
enforcement mayor Goodman say that's it

106
00:04:03,150 --> 00:04:02,350
she believes that it's one shooter

107
00:04:04,890 --> 00:04:03,160
that's the theory of that law

108
00:04:08,070 --> 00:04:04,900
enforcement is going with right now and

109
00:04:10,110 --> 00:04:08,080
what do you stand on it you know I at

110
00:04:11,550 --> 00:04:10,120
first I was wondering the same thing

111
00:04:13,110 --> 00:04:11,560
there was so many there were so many

112
00:04:16,530 --> 00:04:13,120
rumors going around there was so much

113
00:04:20,099 --> 00:04:16,540

talk it almost seems impossible that one

114

00:04:22,890 --> 00:04:20,109

human being could could inflict such

115

00:04:24,830 --> 00:04:22,900

carnage in such a short period of time

116

00:04:27,020 --> 00:04:24,840

but I have to

117

00:04:30,050 --> 00:04:27,030

to go along with what the the police

118

00:04:32,300 --> 00:04:30,060

investigation has come oh if they if the

119

00:04:34,370 --> 00:04:32,310

police and and I know that what they

120

00:04:37,670 --> 00:04:34,380

told us the common people out here is

121

00:04:39,230 --> 00:04:37,680

that the guns were legal and but they

122

00:04:41,450 --> 00:04:39,240

were they were fitted with bump stocks

123

00:04:43,430 --> 00:04:41,460

right how do you get eleven hundred

124

00:04:44,930 --> 00:04:43,440

rounds off in 10 minutes reload and

125

00:04:47,180 --> 00:04:44,940

still get eleven hundred off even with a

126
00:04:48,350 --> 00:04:47,190
bump stock that was it was that a bump

127
00:04:49,879 --> 00:04:48,360
stock to you you're for law enforcement

128
00:04:51,710 --> 00:04:49,889
that's the only an automatic when I

129
00:04:54,200 --> 00:04:51,720
heard when I first heard it I thought it

130
00:04:55,850 --> 00:04:54,210
was an automatic weapon apparently and

131
00:04:58,370 --> 00:04:55,860
and I was not even familiar with bump

132
00:05:01,340 --> 00:04:58,380
stocks until this incident took so you

133
00:05:03,020 --> 00:05:01,350
believe everything that the the law

134
00:05:05,330 --> 00:05:03,030
enforcement is telling us in Las Vegas

135
00:05:06,980 --> 00:05:05,340
happened the way they see it I do I

136
00:05:09,710 --> 00:05:06,990
believe I don't I think it would be

137
00:05:12,200 --> 00:05:09,720
impossible for a conspiracy to take

138
00:05:14,210 --> 00:05:12,210

place and for it to be kept so silent

139

00:05:15,680 --> 00:05:14,220

and so secret because we little more

140

00:05:17,779 --> 00:05:15,690

than one person let me bring it to Jim

141

00:05:19,250 --> 00:05:17,789

Jim where are the answers where is that

142

00:05:22,100 --> 00:05:19,260

video where is the video of you know

143

00:05:24,650 --> 00:05:22,110

down the hallway that the shooter set up

144

00:05:26,210 --> 00:05:24,660

to see people approaching him where why

145

00:05:28,940 --> 00:05:26,220

don't we have all those all that

146

00:05:30,710 --> 00:05:28,950

information why can't we see the guns

147

00:05:33,290 --> 00:05:30,720

that were used yeah I think a

148

00:05:35,390 --> 00:05:33,300

disappointing part of this has been the

149

00:05:37,790 --> 00:05:35,400

candor and what's been released by the

150

00:05:40,490 --> 00:05:37,800

police that it has been so slow I think

151
00:05:41,960 --> 00:05:40,500
sheriff Lombardo kind of lack of bedroom

152
00:05:43,490 --> 00:05:41,970
stepped it in a little bit on his first

153
00:05:46,460 --> 00:05:43,500
few press conferences and I think after

154
00:05:47,960 --> 00:05:46,470
that he really went inward and he locked

155
00:05:49,580 --> 00:05:47,970
down and suddenly no information was

156
00:05:52,040 --> 00:05:49,590
going out they made some big mistakes on

157
00:05:53,900 --> 00:05:52,050
the timeline on description of how he

158
00:05:55,250 --> 00:05:53,910
died and so on and from that point

159
00:05:57,230 --> 00:05:55,260
forward we weren't getting information

160
00:05:59,390 --> 00:05:57,240
and they had to go to court to get the

161
00:06:00,800 --> 00:05:59,400
information I think something stuff

162
00:06:03,350 --> 00:06:00,810
you're referring to is probably in the

163
00:06:04,790 --> 00:06:03,360

FBI's hands right now they've got his

164

00:06:05,960 --> 00:06:04,800

cell phones they've got the computers

165

00:06:07,460 --> 00:06:05,970

they probably got the video that you're

166

00:06:10,400 --> 00:06:07,470

talking about it's my understanding that

167

00:06:12,200 --> 00:06:10,410

Las Vegas police gave control of that to

168

00:06:14,000 --> 00:06:12,210

FBI they're doing the Behavioral

169

00:06:16,159 --> 00:06:14,010

Analysis to try to determine what

170

00:06:17,300 --> 00:06:16,169

exactly was the motive behind this so we

171

00:06:19,339 --> 00:06:17,310

have to wait until the end of the year

172

00:06:21,020 --> 00:06:19,349

to get that end of the year end of one

173

00:06:22,610 --> 00:06:21,030

year periods over you saying well FBI

174

00:06:24,980 --> 00:06:22,620

originally said they thought that there

175

00:06:26,390 --> 00:06:24,990

they would release their review by the

176

00:06:28,339 --> 00:06:26,400

one year anniversary they said they

177

00:06:29,600 --> 00:06:28,349

revised that now now it's at the end of

178

00:06:33,140 --> 00:06:29,610

this year though how you end up the

179

00:06:35,600 --> 00:06:33,150

calendar year hi we we are allowed on

180

00:06:38,959 --> 00:06:35,610

the town last few days with some friends

181

00:06:40,369 --> 00:06:38,969

most unanimously people on on the street

182

00:06:43,189 --> 00:06:40,379

people work here people who live here

183

00:06:45,350 --> 00:06:43,199

say what they don't believe that it was

184

00:06:48,409 --> 00:06:45,360

one shooter and that's the unanimous

185

00:06:51,559 --> 00:06:48,419

that's my doorman that's my valet at my

186

00:06:55,339 --> 00:06:51,569

place that's a bartender last night at

187

00:06:58,010 --> 00:06:55,349

Lavo I mean it it doesn't end and that

188

00:07:00,890 --> 00:06:58,020

to me says the conspiracy theory is that

189

00:07:03,110 --> 00:07:00,900

it was one guy you know he flipped it

190

00:07:05,360 --> 00:07:03,120

the flip the script the conspiracy

191

00:07:06,679 --> 00:07:05,370

theory almost I'll be honest with you if

192

00:07:08,629 --> 00:07:06,689

you talk to people on the street in Las

193

00:07:10,670 --> 00:07:08,639

Vegas they believe more than one almost

194

00:07:12,320 --> 00:07:10,680

turning it into the conspiracy is is

195

00:07:14,600 --> 00:07:12,330

only one shooter I have had this same

196

00:07:16,939 --> 00:07:14,610

conversation every there's there is a

197

00:07:19,519 --> 00:07:16,949

there is a feeling throughout this

198

00:07:21,800 --> 00:07:19,529

community that it's impossible for one

199

00:07:24,230 --> 00:07:21,810

person to do this now here's here's

200

00:07:26,959 --> 00:07:24,240

where I totally agree with what was said

201
00:07:28,490 --> 00:07:26,969
earlier about this the information that

202
00:07:32,240 --> 00:07:28,500
came out in the way that it was and the

203
00:07:34,309 --> 00:07:32,250
way that it came out was not done in a

204
00:07:36,619 --> 00:07:34,319
way that would give confidence about

205
00:07:38,990 --> 00:07:36,629
look like this guys let me go let's roll

206
00:07:41,059 --> 00:07:39,000
in this side it's 222 it's please body

207
00:07:42,769 --> 00:07:41,069
cam in shooters room take a look at this

208
00:07:44,029 --> 00:07:42,779
and let's see if we can glean any

209
00:07:48,499 --> 00:07:44,039
information from what we see right here

210
00:07:50,450 --> 00:07:48,509
though okay so you he sees this first

211
00:07:53,269 --> 00:07:50,460
time you see inside the shooters panic

212
00:07:54,920 --> 00:07:53,279
room you hear that the paddock is

213
00:07:57,019 --> 00:07:54,930

already dead they feel he's been dead

214

00:07:58,369 --> 00:07:57,029

for a while remember this was this took

215

00:08:00,680 --> 00:07:58,379

a little while for the cops to get up

216

00:08:02,450 --> 00:08:00,690

there to enter the room he mentioned

217

00:08:04,760 --> 00:08:02,460

something that last if you listen very

218

00:08:07,610 --> 00:08:04,770

closely he mentioned something said well

219

00:08:09,469 --> 00:08:07,620

what about all those 9-1-1 calls so

220

00:08:13,490 --> 00:08:09,479

let's quickly let's hear a couple of

221

00:08:14,959 --> 00:08:13,500

9-1-1 calls one another security officer

222

00:08:17,380 --> 00:08:14,969

saying that there's three shooters

223

00:08:19,430 --> 00:08:17,390

confirmed on the 32nd floor

224

00:08:24,689 --> 00:08:19,440

[Music]

225

00:08:28,110 --> 00:08:24,699

our xxx 4/32 3 - ok

226

00:08:31,649 --> 00:08:28,120

they say security say they have to

227

00:08:34,350 --> 00:08:31,659

Buffalo 3 shooters on the 32nd floor ok

228

00:08:36,269 --> 00:08:34,360

Randy I don't know where they got that

229

00:08:39,360 --> 00:08:36,279

information I mean where they got three

230

00:08:40,949 --> 00:08:39,370

shooters from the chances are because it

231

00:08:43,560 --> 00:08:40,959

was happening in such a rapid sequence

232

00:08:45,420 --> 00:08:43,570

and and the number of shots and the fact

233

00:08:46,710 --> 00:08:45,430

there were different rifles being fired

234

00:08:48,930 --> 00:08:46,720

or different weapons being fired because

235

00:08:50,160 --> 00:08:48,940

he had the set set up it would sound

236

00:08:51,210 --> 00:08:50,170

like there were that there were

237

00:08:58,330 --> 00:08:51,220

different shooters because they're

238

00:09:03,190 --> 00:09:01,240

that's in a highly unusual set of

239

00:09:04,630 --> 00:09:03,200

circumstance we do that because I want

240

00:09:06,310 --> 00:09:04,640

to go to Jim Breslow his package right

241

00:09:08,470 --> 00:09:06,320

now Jim and I stood on the corner

242

00:09:10,450 --> 00:09:08,480

literally in the corner of the where the

243

00:09:12,519 --> 00:09:10,460

stage was I was 5 feet from where the

244

00:09:15,040 --> 00:09:12,529

stage was we turned around we looked up

245

00:09:17,320 --> 00:09:15,050

at Mandalay Bay the hotel again it's not

246

00:09:19,960 --> 00:09:17,330

closed for 500 yards so the shooter or

247

00:09:22,269 --> 00:09:19,970

shooters had to do a lot of homework on

248

00:09:24,220 --> 00:09:22,279

the on the trajectory of the way these

249

00:09:26,110 --> 00:09:24,230

shots were being fired take a listen

250

00:09:28,090 --> 00:09:26,120

you know what everybody wants to figure

251
00:09:29,890 --> 00:09:28,100
out is what was his motive that was our

252
00:09:31,360 --> 00:09:29,900
primary thing it was just unbelievable

253
00:09:32,829 --> 00:09:31,370
to me that we could have been three

254
00:09:34,930 --> 00:09:32,839
months out of the shooting and not know

255
00:09:37,120 --> 00:09:34,940
why this guy did what he did and here we

256
00:09:38,590 --> 00:09:37,130
are now about 10 months out and see what

257
00:09:40,360 --> 00:09:38,600
people are still wondering why did he do

258
00:09:41,800 --> 00:09:40,370
this and what's behind it so you've got

259
00:09:43,810 --> 00:09:41,810
a police report that's come out the

260
00:09:45,910 --> 00:09:43,820
final police report they say that it was

261
00:09:47,650 --> 00:09:45,920
a single shooter they don't know what

262
00:09:50,170 --> 00:09:47,660
his motive was you have the FBI also

263
00:09:51,670 --> 00:09:50,180

saying a single shooter FBI though does

264

00:09:52,690 --> 00:09:51,680

say that they think they are going to

265

00:09:54,190 --> 00:09:52,700

determine his motive

266

00:09:56,650 --> 00:09:54,200

and we're gonna know about it before the

267

00:09:58,450 --> 00:09:56,660

end of the year so we're only about four

268

00:10:01,390 --> 00:09:58,460

or five days from a one-year anniversary

269

00:10:03,370 --> 00:10:01,400

of this of this massacre you also said

270

00:10:05,320 --> 00:10:03,380

you heard that there was some security

271

00:10:07,390 --> 00:10:05,330

or some law enforcement in the in the

272

00:10:09,670 --> 00:10:07,400

hotel close to the shooter at the time

273

00:10:11,440 --> 00:10:09,680

this is not as public knowledge as it

274

00:10:13,210 --> 00:10:11,450

should be because when the timelines

275

00:10:14,950 --> 00:10:13,220

first came out they were basically wrong

276

00:10:16,150 --> 00:10:14,960

and sheriff Lombardo had them wrong and

277

00:10:18,490 --> 00:10:16,160

it was very embarrassing for they mean

278

00:10:20,110 --> 00:10:18,500

he had to correct them and then people

279

00:10:21,460 --> 00:10:20,120

were asking for various information they

280

00:10:22,660 --> 00:10:21,470

wanted the reports they wanted the body

281

00:10:24,370 --> 00:10:22,670

can they want to know really what

282

00:10:26,200 --> 00:10:24,380

happened he stalled putting that

283

00:10:27,820 --> 00:10:26,210

information out the media had to go to

284

00:10:29,620 --> 00:10:27,830

the courts to get that information out

285

00:10:31,690 --> 00:10:29,630

finally the court said Lombardo you have

286

00:10:34,180 --> 00:10:31,700

to release this he slow plays the

287

00:10:36,579 --> 00:10:34,190

release but finally after his election

288

00:10:38,470 --> 00:10:36,589

we learned for the first time that there

289

00:10:40,780 --> 00:10:38,480

was two Las Vegas police officers on the

290

00:10:42,940 --> 00:10:40,790

31st floor listening to shooting one

291

00:10:44,560 --> 00:10:42,950

floor above for at least four minutes so

292

00:10:48,190 --> 00:10:44,570

they were already in the man why didn't

293

00:10:50,350 --> 00:10:48,200

they go he the officer flat-out says

294

00:10:52,720 --> 00:10:50,360

that he froze officer barsen says that

295

00:10:54,280 --> 00:10:52,730

he froze sorry officer Hendricks said

296

00:10:56,050 --> 00:10:54,290

that he froze barsen was a trainee that

297

00:10:59,590 --> 00:10:56,060

was with him but he puts right in his

298

00:11:01,120 --> 00:10:59,600

report that he froze and it's sad to see

299

00:11:03,220 --> 00:11:01,130

you can see it with the body cam you see

300

00:11:04,930 --> 00:11:03,230

exactly what happens I would have froze

301
00:11:06,820 --> 00:11:04,940
in that situation but now I'm not a

302
00:11:09,010 --> 00:11:06,830
Vegas police officer who's taken an oath

303
00:11:10,570 --> 00:11:09,020
to protect so we've been here the better

304
00:11:11,330 --> 00:11:10,580
part of a weeks maybe five or six days

305
00:11:13,340 --> 00:11:11,340
and week

306
00:11:15,380 --> 00:11:13,350
hearing this more than one shooter

307
00:11:18,950 --> 00:11:15,390
multiple shooters reports of multiple

308
00:11:20,540 --> 00:11:18,960
shooters some audiotape of 911 multiple

309
00:11:22,610 --> 00:11:20,550
shooters what do you know would what

310
00:11:24,200 --> 00:11:22,620
have you heard everyone I've spoken to

311
00:11:25,610 --> 00:11:24,210
that was at the concert and we've spoken

312
00:11:27,200 --> 00:11:25,620
to a lot of people that I got the

313
00:11:30,260 --> 00:11:27,210

concert they all say multiple shooters

314

00:11:33,890 --> 00:11:30,270

why but what well the theory would be

315

00:11:36,140 --> 00:11:33,900

that there's shots equity so he fired so

316

00:11:39,080 --> 00:11:36,150

many rounds in such a short 1,100 rounds

317

00:11:41,480 --> 00:11:39,090

and yes every period so I think people's

318

00:11:43,070 --> 00:11:41,490

first reaction is this sounds like a lot

319

00:11:45,200 --> 00:11:43,080

it's echoing off building so that's

320

00:11:47,060 --> 00:11:45,210

sounding like in everything nobody dawn

321

00:11:49,280 --> 00:11:47,070

it didn't dawn in anybody that somebody

322

00:11:50,270 --> 00:11:49,290

could be up there doing this everyone

323

00:11:51,680 --> 00:11:50,280

I've spoken to you that was there

324

00:11:53,180 --> 00:11:51,690

thought the shots were coming from

325

00:11:56,480 --> 00:11:53,190

ground do the math right here about a

326

00:11:58,280 --> 00:11:56,490

ten minute shooting spree right 1,100

327

00:12:00,320 --> 00:11:58,290

rounds you're talking a hundred and ten

328

00:12:02,390 --> 00:12:00,330

rounds per minute that's almost one and

329

00:12:04,760 --> 00:12:02,400

a half that's almost two shots per

330

00:12:06,770 --> 00:12:04,770

second what gun fires two shots per

331

00:12:08,900 --> 00:12:06,780

second for ten minutes straight without

332

00:12:11,060 --> 00:12:08,910

loading I mean if you if you encompass

333

00:12:13,970 --> 00:12:11,070

loading time you could be two or three

334

00:12:15,740 --> 00:12:13,980

shots per second is that possible well

335

00:12:17,720 --> 00:12:15,750

the experts say that they think that it

336

00:12:20,270 --> 00:12:17,730

is but you know I think that's still yet

337

00:12:22,340 --> 00:12:20,280

to be borne out we do know they had 22

338

00:12:24,560 --> 00:12:22,350

rifles in the room all set up with the

339

00:12:26,390 --> 00:12:24,570

bump stock so he was ready to go so when

340

00:12:27,800 --> 00:12:26,400

this one's done he's ready to go to the

341

00:12:30,260 --> 00:12:27,810

next one a lot of people question what

342

00:12:32,600 --> 00:12:30,270

is he doing with 22 rifles in the room a

343

00:12:34,160 --> 00:12:32,610

lone shooter shooter with 22 rifles the

344

00:12:36,380 --> 00:12:34,170

theory would be though he wanted to be

345

00:12:38,180 --> 00:12:36,390

ready if any of those jammed he had the

346

00:12:39,620 --> 00:12:38,190

next one and the next one the other

347

00:12:41,780 --> 00:12:39,630

little theory that I would put out there

348

00:12:44,120 --> 00:12:41,790

is he wanted to go out and what I call

349

00:12:46,040 --> 00:12:44,130

it orgasm of violence that's what this

350

00:12:47,750 --> 00:12:46,050

wasn't this guy was a sick sick

351

00:12:49,220 --> 00:12:47,760

individual in many different tell us

352

00:12:51,470 --> 00:12:49,230

about his history that gives you that

353

00:12:53,450 --> 00:12:51,480

impression child pornography is found at

354

00:12:55,550 --> 00:12:53,460

his computer we don't know what that was

355

00:12:57,020 --> 00:12:55,560

doing there we don't know but that's all

356

00:12:58,850 --> 00:12:57,030

that was he trafficking in child

357

00:13:00,680 --> 00:12:58,860

pornography was he consuming it himself

358

00:13:02,900 --> 00:13:00,690

the brother who I exclusively

359

00:13:04,670 --> 00:13:02,910

interviewed also was found with child

360

00:13:06,620 --> 00:13:04,680

pornography on his computer in Los

361

00:13:08,300 --> 00:13:06,630

Angeles and faced charges for that so

362

00:13:10,190 --> 00:13:08,310

there's something weird going on there

363

00:13:11,480 --> 00:13:10,200

if you look at the father situation the

364

00:13:13,070 --> 00:13:11,490

FBI's most wanted list

365

00:13:15,890 --> 00:13:13,080

don't shoot his father shooters a

366

00:13:17,480 --> 00:13:15,900

shooters father he left the family when

367

00:13:20,510 --> 00:13:17,490

they were all young so they're raised

368

00:13:21,680 --> 00:13:20,520

without a father the brother tells a

369

00:13:23,000 --> 00:13:21,690

story about when he got to meet the

370

00:13:24,740 --> 00:13:23,010

father for the first time when he was 20

371

00:13:25,759 --> 00:13:24,750

years old okay so if I'm understanding

372

00:13:27,379 --> 00:13:25,769

you correctly your

373

00:13:30,229 --> 00:13:27,389

you're ascribing to the single shooter

374

00:13:30,710 --> 00:13:30,239

theory even though 1,100 rounds in ten

375

00:13:33,470 --> 00:13:30,720

minutes

376

00:13:35,780 --> 00:13:33,480

okay wasn't it was Mandalay Bay

377

00:13:38,150 --> 00:13:35,790

negligent allowing one guy to bring 22

378

00:13:39,979 --> 00:13:38,160

firearms up there more than 2,000 rounds

379

00:13:41,239 --> 00:13:39,989

I think he had ready to go look I don't

380

00:13:43,669 --> 00:13:41,249

like the idea of holding anybody

381

00:13:44,090 --> 00:13:43,679

responsible but the peace oh you know

382

00:13:46,549 --> 00:13:44,100

what

383

00:13:49,489 --> 00:13:46,559

who did this okay but under the court of

384

00:13:51,650 --> 00:13:49,499

law in liability and negligence and so

385

00:13:53,600 --> 00:13:51,660

on I'm gonna say I think the answer is

386

00:13:55,910 --> 00:13:53,610

yes that they were negligent and the

387

00:13:59,210 --> 00:13:55,920

reason is we're looking from where he

388

00:14:01,460 --> 00:13:59,220

was to this location and Mandalay Bay

389

00:14:03,799 --> 00:14:01,470

was yeah tell me about that they knew

390

00:14:06,019 --> 00:14:03,809

this concert was going on because MGM

391

00:14:08,749 --> 00:14:06,029

Grand was the co promoter of this along

392

00:14:11,689 --> 00:14:08,759

with Live Nation so MGM owns Mandalay

393

00:14:12,499 --> 00:14:11,699

Bay they know 20,000 people are going to

394

00:14:15,289 --> 00:14:12,509

be across the street from their

395

00:14:17,269 --> 00:14:15,299

properties Luxor and Mandalay Bay what

396

00:14:19,759 --> 00:14:17,279

additional security did you put in place

397

00:14:21,590 --> 00:14:19,769

knowing or thinking about this they had

398

00:14:23,269 --> 00:14:21,600

security here but what about the

399

00:14:24,530 --> 00:14:23,279

security there I think we're gonna learn

400

00:14:27,619 --> 00:14:24,540

that there was no additional security

401
00:14:28,400 --> 00:14:27,629
there so Jim you seem to call out

402
00:14:30,859 --> 00:14:28,410
Sheriff

403
00:14:32,150 --> 00:14:30,869
Lombardo a bit saying there may be maybe

404
00:14:33,590 --> 00:14:32,160
it had been things that he could have

405
00:14:35,629 --> 00:14:33,600
done differently but yet you take his

406
00:14:37,069 --> 00:14:35,639
word for everything about being a single

407
00:14:39,230 --> 00:14:37,079
shooter and everything we learn about

408
00:14:42,079 --> 00:14:39,240
whether we have a lot or little

409
00:14:43,910 --> 00:14:42,089
information as far as motive well it's

410
00:14:45,289 --> 00:14:43,920
not just his word it is the FBI is also

411
00:14:48,009 --> 00:14:45,299
to come out and said the same thing that

412
00:14:49,999 --> 00:14:48,019
is single shooter the FBI has not said

413
00:14:51,049 --> 00:14:50,009

conclusively what the motive is they

414

00:14:53,449 --> 00:14:51,059

still think that they are going to

415

00:14:54,829 --> 00:14:53,459

determine a motive that's what raus

416

00:14:56,629 --> 00:14:54,839

who's in charge of the investigation is

417

00:14:58,999 --> 00:14:56,639

saying but they're saying no to

418

00:14:59,269 --> 00:14:59,009

terrorism and that it was a single

419

00:15:03,980 --> 00:14:59,279

shooter

420

00:15:06,019 --> 00:15:03,990

what do you thought skya I don't know I

421

00:15:08,659 --> 00:15:06,029

don't know I want to hear their report

422

00:15:10,789 --> 00:15:08,669

at the end of the year I mean it it's

423

00:15:13,699 --> 00:15:10,799

it's very odd the whole thing is very

424

00:15:16,189 --> 00:15:13,709

eerie still and I don't feel that you

425

00:15:19,100 --> 00:15:16,199

know it's just cut and dry like that

426

00:15:20,509 --> 00:15:19,110

I really don't I think you're you know

427

00:15:22,220 --> 00:15:20,519

you're an investigator you're

428

00:15:25,549 --> 00:15:22,230

investigated for many years is it always

429

00:15:28,280 --> 00:15:25,559

the easiest answer I do know if they if

430

00:15:30,350 --> 00:15:28,290

they analyze forensic ly the trajectory

431

00:15:32,720 --> 00:15:30,360

of the bullets going into the ground and

432

00:15:35,509 --> 00:15:32,730

into frankly the people as well or they

433

00:15:36,919 --> 00:15:35,519

all coming from that one window you know

434

00:15:37,310 --> 00:15:36,929

two windows that were broken that one

435

00:15:39,710 --> 00:15:37,320

room

436

00:15:43,999 --> 00:15:39,720

I would I would seriously assume that

437

00:15:47,660 --> 00:15:44,009

that the FBI did that there but Randy

438

00:15:49,009 --> 00:15:47,670

why are we assuming well we're trying to

439

00:15:51,050 --> 00:15:49,019

try to find out what really happened

440

00:15:54,199 --> 00:15:51,060

right and we're not reading something

441

00:15:56,780 --> 00:15:54,209

that says look we found 1,100 bullets or

442

00:16:00,319 --> 00:15:56,790

we found 900 the 1,100 bullets by the

443

00:16:03,170 --> 00:16:00,329

way 600 people 200 were shot another 400

444

00:16:05,180 --> 00:16:03,180

hurt we know exactly the trajectory of

445

00:16:07,490 --> 00:16:05,190

those bullets right right so why don't

446

00:16:10,040 --> 00:16:07,500

we know this for a fact why is there no

447

00:16:12,620 --> 00:16:10,050

law enforcement agency that says look it

448

00:16:14,300 --> 00:16:12,630

we there are no bullets coming from from

449

00:16:15,769 --> 00:16:14,310

the MGM there no bullets coming from the

450

00:16:17,120 --> 00:16:15,779

airport these are all coming from when

451
00:16:18,620 --> 00:16:17,130
that would be a question that it would

452
00:16:20,509 --> 00:16:18,630
be a direct question that should be

453
00:16:23,180 --> 00:16:20,519
addressed but I don't know that it's

454
00:16:26,749 --> 00:16:23,190
even been asked in a public forum but

455
00:16:27,920 --> 00:16:26,759
the reality is this isn't shows you know

456
00:16:30,410 --> 00:16:27,930
the crime shows where there's a victim

457
00:16:31,790 --> 00:16:30,420
and they put a stick in - right - the

458
00:16:33,559 --> 00:16:31,800
bullet hole in the direction it came

459
00:16:35,540 --> 00:16:33,569
from you can always find out who was the

460
00:16:38,030 --> 00:16:35,550
rhetoric psychology why don't they have

461
00:16:40,699 --> 00:16:38,040
1,100 of those in that area 58 people

462
00:16:42,259 --> 00:16:40,709
died there's got to be a resources to

463
00:16:43,970 --> 00:16:42,269

pay people to go find out the direction

464

00:16:45,319 --> 00:16:43,980

of every one of those bullets there's

465

00:16:47,329 --> 00:16:45,329

are some of them gonna bounce off of

466

00:16:49,160 --> 00:16:47,339

something but am I wrong no though

467

00:16:51,199 --> 00:16:49,170

there's no doubt that that that forensic

468

00:16:53,210 --> 00:16:51,209

analysis was done we just haven't seen

469

00:16:55,069 --> 00:16:53,220

the reports of that and that would be

470

00:16:57,620 --> 00:16:55,079

highly technical stuff that would not

471

00:16:59,480 --> 00:16:57,630

normally come out but would be if you

472

00:17:02,030 --> 00:16:59,490

ask that direct question that is

473

00:17:05,270 --> 00:17:02,040

something that that the scientist should

474

00:17:07,309 --> 00:17:05,280

be okay guys we're in the reason for

475

00:17:09,740 --> 00:17:07,319

this show was come to Vegas and try and

476

00:17:12,199 --> 00:17:09,750

really discuss interview people

477

00:17:13,970 --> 00:17:12,209

professionals experts and we have a

478

00:17:16,039 --> 00:17:13,980

couple others and the mayor we couldn't

479

00:17:20,179 --> 00:17:16,049

get sheriff Lombardo he didn't want to

480

00:17:22,699 --> 00:17:20,189

come on and find out why those those

481

00:17:24,799 --> 00:17:22,709

questions we have aren't being answered

482

00:17:26,960 --> 00:17:24,809

oh I can't wait the question December

483

00:17:28,610 --> 00:17:26,970

31st when they may say well give it

484

00:17:30,710 --> 00:17:28,620

another year I want to know now do you

485

00:17:32,480 --> 00:17:30,720

want that what tell me what there was

486

00:17:35,720 --> 00:17:32,490

there was something that that that

487

00:17:40,100 --> 00:17:35,730

shocked me about this investigation that

488

00:17:42,020 --> 00:17:40,110

still is is very I have a true issue

489

00:17:43,820 --> 00:17:42,030

with and that is that the homicide unit

490

00:17:46,700 --> 00:17:43,830

of the Metropolitan Police Department

491

00:17:48,950 --> 00:17:46,710

who is sole responsibility is to

492

00:17:50,910 --> 00:17:48,960

investigate murders were taken off this

493

00:17:53,670 --> 00:17:50,920

case what

494

00:17:56,010 --> 00:17:53,680

oh yeah whom by the sheriff he's the one

495

00:17:57,510 --> 00:17:56,020

that called the shots the the homicide

496

00:17:59,790 --> 00:17:57,520

unit of this this Police Department

497

00:18:02,070 --> 00:17:59,800

Metropolitan Farm is one of the finest

498

00:18:04,020 --> 00:18:02,080

in the country they were relieved of the

499

00:18:07,950 --> 00:18:04,030

responsibility and it was given to a

500

00:18:09,330 --> 00:18:07,960

small unit called the fit team and this

501
00:18:12,570 --> 00:18:09,340
was something that half it stands for

502
00:18:16,070 --> 00:18:12,580
the force investigation team and they

503
00:18:19,100 --> 00:18:16,080
what they do is they they investigate

504
00:18:21,600 --> 00:18:19,110
officer-involved shootings mm-hmm why

505
00:18:23,970 --> 00:18:21,610
why the homicide you know how many

506
00:18:25,950 --> 00:18:23,980
people are in the fit team I'm not sure

507
00:18:27,090 --> 00:18:25,960
about somewhere around 10 and there's

508
00:18:28,590 --> 00:18:27,100
how many people how many four souls

509
00:18:31,490 --> 00:18:28,600
would be in the Homicide Unit somewhere

510
00:18:35,040 --> 00:18:31,500
around 30 so they cut the the the

511
00:18:36,750 --> 00:18:35,050
available bodies by two-thirds when

512
00:18:38,040 --> 00:18:36,760
there's this many people shot it was

513
00:18:42,000 --> 00:18:38,050

truly one of the most shocking things

514

00:18:44,370 --> 00:18:42,010

and and also one of the most upsetting

515

00:18:46,620 --> 00:18:44,380

things to those detectives in the

516

00:18:48,720 --> 00:18:46,630

homicide yeah and imagine because this

517

00:18:52,050 --> 00:18:48,730

is their city as it's yours as it's mine

518

00:18:55,290 --> 00:18:52,060

right so for them that serve this is

519

00:18:57,570 --> 00:18:55,300

that's a disgrace jump in here well the

520

00:18:59,670 --> 00:18:57,580

theory is is that Lombardo had a closer

521

00:19:00,780 --> 00:18:59,680

control over that fit team than he had

522

00:19:02,790 --> 00:19:00,790

over the Homicide Unit

523

00:19:04,350 --> 00:19:02,800

he went out all why don't we wait very

524

00:19:07,260 --> 00:19:04,360

quietly the Las Vegas why wouldn't

525

00:19:08,880 --> 00:19:07,270

Carolyn Goodman say hey Sheriff you work

526

00:19:11,040 --> 00:19:08,890

for me I want the fit team I want those

527

00:19:13,350 --> 00:19:11,050

ten and I want the other 13 homicides

528

00:19:15,810 --> 00:19:13,360

team 40 I want you know what we'll bring

529

00:19:17,790 --> 00:19:15,820

in ten more 20 more well bring in the

530

00:19:20,040 --> 00:19:17,800

state bringing some troopers because she

531

00:19:22,530 --> 00:19:20,050

follows protocol you saw how she spoke I

532

00:19:24,570 --> 00:19:22,540

mean she she is a lovely woman I I've

533

00:19:28,530 --> 00:19:24,580

known her since I was a child and I

534

00:19:30,120 --> 00:19:28,540

don't think that she steps into arenas

535

00:19:35,070 --> 00:19:30,130

that aren't hers I think she follows

536

00:19:37,350 --> 00:19:35,080

protocol I'm not I'm not being a

537

00:19:39,210 --> 00:19:37,360

conspiracy theorist whatsoever at all

538

00:19:44,700 --> 00:19:39,220

here no one's really talked about this

539

00:19:47,040 --> 00:19:44,710

at this table panic was he was he a

540

00:19:48,570 --> 00:19:47,050

trained shooter did he love to shoot did

541

00:19:50,880 --> 00:19:48,580

he love God tell me what's his history

542

00:19:53,250 --> 00:19:50,890

like well he was known for getting

543

00:19:55,470 --> 00:19:53,260

involved in things and getting very very

544

00:19:57,300 --> 00:19:55,480

intense about it pursuing it and then

545

00:19:59,280 --> 00:19:57,310

dropping it he was in the sky diving at

546

00:20:01,530 --> 00:19:59,290

one point you stay with the guns stay

547

00:20:03,820 --> 00:20:01,540

with me on guns because this is my point

548

00:20:06,250 --> 00:20:03,830

well well my point is is that

549

00:20:08,799 --> 00:20:06,260

I do believe he does Oh headfirst into

550

00:20:10,149 --> 00:20:08,809

guns this became a fascination of his in

551
00:20:12,190 --> 00:20:10,159
interviewing his brother he said he

552
00:20:13,659 --> 00:20:12,200
spent lots of time at the gun ranges he

553
00:20:15,340 --> 00:20:13,669
said something very interesting that

554
00:20:17,200 --> 00:20:15,350
this is not the first time that he had

555
00:20:18,909 --> 00:20:17,210
brought guns up into the rooms at

556
00:20:20,200 --> 00:20:18,919
Mandalay Bay he would like to go to

557
00:20:22,389 --> 00:20:20,210
Vegas and would go to the shooting

558
00:20:23,830 --> 00:20:22,399
ranges he'd bring his guns and naturally

559
00:20:25,570 --> 00:20:23,840
he'd bring him up the elevator with him

560
00:20:27,519 --> 00:20:25,580
if anybody ever stopped him but when you

561
00:20:30,310 --> 00:20:27,529
do of them remember probably not that

562
00:20:32,409 --> 00:20:30,320
but if he'd ever been stopped he's a VIP

563
00:20:33,730 --> 00:20:32,419

there he were just saying oh I'm sorry I

564

00:20:35,610 --> 00:20:33,740

had to take him to the range and I was

565

00:20:38,320 --> 00:20:35,620

gonna take him up to my room to clean

566

00:20:39,759 --> 00:20:38,330

one bit there you could bring that

567

00:20:42,639 --> 00:20:39,769

amount of firepower that amount of

568

00:20:44,529 --> 00:20:42,649

ammunition over time you make you make

569

00:20:45,669 --> 00:20:44,539

twenty thirty runs up there in a golf

570

00:20:47,710 --> 00:20:45,679

bag it looks like you're carrying golf

571

00:20:50,409 --> 00:20:47,720

Christ I get it I don't put that on the

572

00:20:52,149 --> 00:20:50,419

Mandalay Bay at all my point is I want

573

00:20:54,279 --> 00:20:52,159

to know I want to know more about this

574

00:21:00,519 --> 00:20:54,289

guy's history I don't care why don't we

575

00:21:02,320 --> 00:21:00,529

know more about it let's go to this

576

00:21:04,120 --> 00:21:02,330

let's go to Kai's package with Kai and I

577

00:21:05,379 --> 00:21:04,130

stood out there also the same spot about

578

00:21:07,330 --> 00:21:05,389

four or five hundred yards from Mandalay

579

00:21:09,970 --> 00:21:07,340

Bay a couple of feet from the stage kaya

580

00:21:11,860 --> 00:21:09,980

took that cell phone video of God Bless

581

00:21:14,169 --> 00:21:11,870

America an hour prior to the shooting

582

00:21:16,930 --> 00:21:14,179

stars let's listen to this take a listen

583

00:21:19,899 --> 00:21:16,940

a little interesting nuggie if you're in

584

00:21:22,090 --> 00:21:19,909

there at the very end for a guy who

585

00:21:24,399 --> 00:21:22,100

knows he's gonna end up dead do you pay

586

00:21:27,100 --> 00:21:24,409

off your marker do you do these things

587

00:21:29,470 --> 00:21:27,110

right before you know are betrayed death

588

00:21:31,269 --> 00:21:29,480

um no but then again I I don't have that

589

00:21:33,639 --> 00:21:31,279

temperament to ever think of doing such

590

00:21:35,440 --> 00:21:33,649

carnage or evil so we don't know you

591

00:21:37,930 --> 00:21:35,450

know that's the whole thing is we have

592

00:21:39,669 --> 00:21:37,940

to have faith that we will find the

593

00:21:41,649 --> 00:21:39,679

answers and the truth will come out but

594

00:21:43,060 --> 00:21:41,659

it's it's alarming when you know you're

595

00:21:44,649 --> 00:21:43,070

talking about what you're saying in the

596

00:21:47,259 --> 00:21:44,659

Homicide Unit being removed from this

597

00:21:51,789 --> 00:21:47,269

that to me is that's very alarming and

598

00:21:53,940 --> 00:21:51,799

that is concerning you spent the better

599

00:21:56,190 --> 00:21:53,950

part of an hour here talking about this

600

00:22:00,580 --> 00:21:56,200

what do you think

601
00:22:04,000 --> 00:22:00,590
narcissistic loner with a very very poor

602
00:22:05,799 --> 00:22:04,010
upbringing a father who was a diagnosed

603
00:22:08,769 --> 00:22:05,809
psychopath on the FBI's most wanted list

604
00:22:11,139 --> 00:22:08,779
a son who's trying to perhaps outdo his

605
00:22:12,549 --> 00:22:11,149
father suddenly everything is crumbling

606
00:22:15,490 --> 00:22:12,559
for him he's trying to beat the bank

607
00:22:17,350 --> 00:22:15,500
like his father used to rob banks and he

608
00:22:18,909 --> 00:22:17,360
starts losing and he starts losing big

609
00:22:20,320 --> 00:22:18,919
maybe pays off the marker because he's a

610
00:22:21,580 --> 00:22:20,330
narcissist he wants to demonstrate to

611
00:22:22,899 --> 00:22:21,590
everybody that hey I wouldn't do this

612
00:22:25,269 --> 00:22:22,909
because the debts I didn't know money

613
00:22:27,430 --> 00:22:25,279

but police have determined that he lost

614

00:22:29,950 --> 00:22:27,440

about 1.5 million dollars over the year

615

00:22:32,049 --> 00:22:29,960

prior to this and I think there could

616

00:22:33,970 --> 00:22:32,059

have been some Alzheimer onset there was

617

00:22:35,529 --> 00:22:33,980

an autopsy of the brain no brain tumor

618

00:22:37,180 --> 00:22:35,539

found but there was some calcium

619

00:22:38,830 --> 00:22:37,190

deposits found that was highly unusual

620

00:22:40,359 --> 00:22:38,840

that they they don't really know what

621

00:22:41,859 --> 00:22:40,369

that causes but I think you've got

622

00:22:44,710 --> 00:22:41,869

mental illness and I think you have a

623

00:22:46,419 --> 00:22:44,720

very poor upbringing and law enforcement

624

00:22:47,529 --> 00:22:46,429

what do we learn what did they learned

625

00:22:50,080 --> 00:22:47,539

if you think they've learned anything

626
00:22:51,099 --> 00:22:50,090
from this and God forbid it happens

627
00:22:53,139 --> 00:22:51,109
again

628
00:22:54,970 --> 00:22:53,149
would they treat it differently you know

629
00:22:58,029 --> 00:22:54,980
this is one of those events that will be

630
00:22:59,560 --> 00:22:58,039
studied for years this will be a study

631
00:23:02,889 --> 00:22:59,570
by law enforcement by federal law

632
00:23:04,599 --> 00:23:02,899
enforcement it will be autopsy if you

633
00:23:06,909 --> 00:23:04,609
will if you'll excuse that expression

634
00:23:09,759 --> 00:23:06,919
but it's vital that that happens because

635
00:23:12,099 --> 00:23:09,769
this is going to happen again in some

636
00:23:15,099 --> 00:23:12,109
shape or form because as long as there

637
00:23:17,769 --> 00:23:15,109
are people like Patek that deranged

638
00:23:20,259 --> 00:23:17,779

individuals who are capable of this type

639

00:23:21,879 --> 00:23:20,269

of violence there will be someone that

640

00:23:23,799 --> 00:23:21,889

wants to outdo them hmm

641

00:23:25,749 --> 00:23:23,809

you had mentioned I think you went to a

642

00:23:28,119 --> 00:23:25,759

concert recently and you found yourself

643

00:23:30,639 --> 00:23:28,129

looking at Windows worried about oh yeah

644

00:23:32,409 --> 00:23:30,649

any questions do I do I need to find

645

00:23:33,820 --> 00:23:32,419

cover if I have not a bad idea by the

646

00:23:35,259 --> 00:23:33,830

way if you start hearing things have

647

00:23:36,729 --> 00:23:35,269

your escape route when you go to these

648

00:23:38,470 --> 00:23:36,739

concerts I want to throw it one more

649

00:23:40,119 --> 00:23:38,480

package this is police body cams near

650

00:23:41,590 --> 00:23:40,129

the concert once you get another feel

651
00:23:44,820 --> 00:23:41,600
for the sights and the sounds a bad day

652
00:23:50,340 --> 00:23:44,830
October 1st 2017

653
00:23:55,119 --> 00:23:54,039
Wow think about that for a minute what I

654
00:23:57,249 --> 00:23:55,129
want to say thank you to our good

655
00:23:59,289 --> 00:23:57,259
friends Randy Sutton Jim Breslow and

656
00:24:01,180 --> 00:23:59,299
Kyle Jones as always great to have you

657
00:24:03,279 --> 00:24:01,190
on set and we'd love to continue to get

658
00:24:05,139 --> 00:24:03,289
you on set we want to say thank you to

659
00:24:07,570 --> 00:24:05,149
Las Vegas you've been a great host to us

660
00:24:09,430 --> 00:24:07,580
America the show loves you and America
