00:00:04,550 --> 00:00:02,780  
we have breaking news a mass shooting at

2  
00:00:19,090 --> 00:00:04,560  
a country music concert on the Las Vegas

3  
00:00:24,349 --> 00:00:21,439  
you were listening to hidden truth

4  
00:00:27,500 --> 00:00:24,359  
Las Vegas shooter with Jim Breslin find

5  
00:00:30,830 --> 00:00:27,510  
us at hidden truth show com follow us on

6  
00:00:34,940 --> 00:00:30,840  
Facebook Twitter and Instagram at it in

7  
00:00:37,130 --> 00:00:34,950  
truth show there's Jim Breslow welcome

8  
00:00:38,869 --> 00:00:37,140  
back to hidden truth Las Vegas shooter

9  
00:00:41,600 --> 00:00:38,879  
we've got a new episode of Las Vegas

10  
00:00:43,940 --> 00:00:41,610  
shooter for you this is primarily in

11  
00:00:47,060 --> 00:00:43,950  
light of the anniversary that all of you

12  
00:00:49,250 --> 00:00:47,070  
are aware of I'm sure October 1st will

13  
00:00:49,970 --> 00:00:49,260

be the one-year anniversary of the

14

00:00:52,610 --> 00:00:49,980

shooting

15

00:00:55,130 --> 00:00:52,620

so we're dropped in this episode today

16

00:00:57,770 --> 00:00:55,140

we're also gonna drop another one next

17

00:01:00,470 --> 00:00:57,780

week this week we've got a great guest

18

00:01:03,740 --> 00:01:00,480

and I think this episode is all about

19

00:01:05,780 --> 00:01:03,750

paying homage to the citizen journalists

20

00:01:07,600 --> 00:01:05,790

who've been out there covering the Las

21

00:01:11,420 --> 00:01:07,610

Vegas shooting when the mainstream media

22

00:01:13,820 --> 00:01:11,430

dropped the ball on it and there's a big

23

00:01:16,700 --> 00:01:13,830

community on YouTube and on our Facebook

24

00:01:18,950 --> 00:01:16,710

page etc so many of you probably seen

25

00:01:21,609 --> 00:01:18,960

the name Ron Burgundy he's done a

26

00:01:25,100 --> 00:01:21,619

hundred and thirty-five videos on

27

00:01:28,039 --> 00:01:25,110

YouTube following every intimate detail

28

00:01:30,590 --> 00:01:28,049

of the shooting he's read everything

29

00:01:33,289 --> 00:01:30,600

that's come out from Las Vegas

30

00:01:35,569 --> 00:01:33,299

metropolitan Police Department gone

31

00:01:38,270 --> 00:01:35,579

through the body cam videos etc so he's

32

00:01:40,760 --> 00:01:38,280

really done amazing work to help the

33

00:01:43,490 --> 00:01:40,770

rest of us in covering the story also

34

00:01:47,240 --> 00:01:43,500

next week we'll be covering the events

35

00:01:50,240 --> 00:01:47,250

that were taking place in Las Vegas a

36

00:01:51,499 --> 00:01:50,250

lot of you may be familiar with the man

37

00:02:02,810 --> 00:01:51,509

that goes by the name of sleep

38

00:02:06,319 --> 00:02:02,820

deprivation next week about all the

39

00:02:08,330 --> 00:02:06,329

goings on in Vegas on Monday let me

40

00:02:10,580 --> 00:02:08,340

cover for you some of those things that

41

00:02:12,500 --> 00:02:10,590

are going on for the people that are

42

00:02:15,080 --> 00:02:12,510

gonna be in Vegas for this very

43

00:02:16,990 --> 00:02:15,090

important one-year anniversary of the

44

00:02:22,130 --> 00:02:17,000

shooting there's gonna be a sunrise

45

00:02:23,179 --> 00:02:22,140

remembrance ceremony on October 1st and

46

00:02:24,800 --> 00:02:23,189

there's gonna be Clark County

47

00:02:27,259 --> 00:02:24,810

firefighters metropolitan police

48

00:02:30,770 --> 00:02:27,269

officers officials from Vegas strong

49

00:02:33,470 --> 00:02:30,780

resiliency Center they're hosting a 6:30

50

00:02:35,410 --> 00:02:33,480

a.m. ceremony at the Clark County

51  
00:02:37,940 --> 00:02:35,420  
Government Center amphitheater and

52  
00:02:40,430 --> 00:02:37,950  
that's at 500 South Korean Central

53  
00:02:42,289 --> 00:02:40,440  
Parkway that 6:30 a.m. at the Clark

54  
00:02:44,270 --> 00:02:42,299  
County government central amphitheater

55  
00:02:46,009 --> 00:02:44,280  
that'll be the first remembrance of the

56  
00:02:48,490 --> 00:02:46,019  
day there's going to be a dedication

57  
00:02:51,319 --> 00:02:48,500  
ceremony at the Las Vegas Healing Garden

58  
00:02:54,830 --> 00:02:51,329  
that's a new remembrance wall dedication

59  
00:02:58,789 --> 00:02:54,840  
it begins at 6:30 p.m. that's located at

60  
00:03:01,099 --> 00:02:58,799  
10:15 South Casino Center Boulevard they

61  
00:03:04,670 --> 00:03:01,109  
say that the strip marquee tribute on

62  
00:03:06,110 --> 00:03:04,680  
October 1st will begin at 10:01 it'll

63  
00:03:08,990 --> 00:03:06,120

include properties throughout the Las

64  
00:03:12,559 --> 00:03:09,000  
Vegas Valley the welcome to Fabulous Las

65  
00:03:16,220 --> 00:03:12,569  
Vegas sign will go dark at 10:01 p.m. on

66  
00:03:18,740 --> 00:03:16,230  
October 1st there'll be a reading of the

67  
00:03:21,470 --> 00:03:18,750  
58 names ceremony on October 1st the

68  
00:03:23,930 --> 00:03:21,480  
name of each victim will be read at the

69  
00:03:26,420 --> 00:03:23,940  
Las Vegas healing garden that's at that

70  
00:03:30,770 --> 00:03:26,430  
10 15 South Casino Center Boulevard that

71  
00:03:34,159 --> 00:03:30,780  
tribute will begin at 10:05 p.m. the

72  
00:03:36,830 --> 00:03:34,169  
moment the 2017 attack began and there

73  
00:03:42,110 --> 00:03:36,840  
will be lots of officials there from

74  
00:03:45,199 --> 00:03:42,120  
Metro and various charities etc so it's

75  
00:03:47,390 --> 00:03:45,209  
going to be a sad day in Vegas and a day

76  
00:03:52,069 --> 00:03:47,400  
of remembrance but a day of Vegas strong

77  
00:03:53,569 --> 00:03:52,079  
in resilience as evidenced in part by

78  
00:03:56,210 --> 00:03:53,579  
the tremendous work that their hockey

79  
00:03:59,030 --> 00:03:56,220  
team did last year they played an

80  
00:04:01,939 --> 00:03:59,040  
exhibition game on October 1st they had

81  
00:04:04,640 --> 00:04:01,949  
a tremendous ceremony at their opening

82  
00:04:10,159 --> 00:04:04,650  
game and went on to play in the Stanley

83  
00:04:12,830 --> 00:04:10,169  
Cup and really became the face of Vegas

84  
00:04:16,069 --> 00:04:12,840  
strong for the city of Las Vegas and

85  
00:04:18,379 --> 00:04:16,079  
getting past this and then next week as

86  
00:04:21,440 --> 00:04:18,389  
I said we're gonna be having additional

87  
00:04:24,020 --> 00:04:21,450  
interviews and coverage of that day I

88  
00:04:26,379 --> 00:04:24,030

was in Vegas last week doing a show

89

00:04:28,600 --> 00:04:26,389

about the one-year anniversary

90

00:04:31,629 --> 00:04:28,610

it's done by Eric Bowling's new show

91

00:04:34,570 --> 00:04:31,639

called America on CR TV it is available

92

00:04:36,850 --> 00:04:34,580

now if you go to CR tv.com you do have

93

00:04:38,290 --> 00:04:36,860

to subscribe if you want to see a clip

94

00:04:39,760 --> 00:04:38,300

from that you can go to our YouTube

95

00:04:41,529 --> 00:04:39,770

channel and you'll see a clip from that

96

00:04:43,570 --> 00:04:41,539

but Eric Bolling has got a great new

97

00:04:45,939 --> 00:04:43,580

show and he did a really cool when your

98

00:04:49,029 --> 00:04:45,949

anniversary show that I was very happy

99

00:04:51,879 --> 00:04:49,039

to be part of and before we get to the

100

00:04:53,619 --> 00:04:51,889

interview I want to talk about another

101  
00:04:55,779 --> 00:04:53,629  
podcast that has been covering the Las

102  
00:04:57,730 --> 00:04:55,789  
Vegas shooting I appeared on it a couple

103  
00:04:59,529 --> 00:04:57,740  
of months ago he's been great about

104  
00:05:01,570 --> 00:04:59,539  
promoting our show and I want to promote

105  
00:05:04,929 --> 00:05:01,580  
his and suggest that you guys check it

106  
00:05:07,980 --> 00:05:04,939  
out it's the confessionals it's hosted

107  
00:05:10,929 --> 00:05:07,990  
by tony merkel it's a paranormal podcast

108  
00:05:14,350 --> 00:05:10,939  
but occasionally it does cover various

109  
00:05:18,010 --> 00:05:14,360  
alleged conspiracies so he did a really

110  
00:05:21,550 --> 00:05:18,020  
incredible episode a few weeks ago on

111  
00:05:23,830 --> 00:05:21,560  
September 11th he aired an interview

112  
00:05:26,409 --> 00:05:23,840  
with the former CIA asset

113  
00:05:29,469 --> 00:05:26,419

Susan Lindauer and she discloses that

114

00:05:31,209 --> 00:05:29,479

she and also our government new leading

115

00:05:32,860 --> 00:05:31,219

up to that fateful day she just goes

116

00:05:35,769 --> 00:05:32,870

what she knew leading up to that fateful

117

00:05:38,769 --> 00:05:35,779

day and what happened to her post 9/11

118

00:05:41,890 --> 00:05:38,779

that resulted in her being jailed under

119

00:05:43,420 --> 00:05:41,900

the Patriot Act you can also check out

120

00:05:45,790 --> 00:05:43,430

the episodes that he did on the Las

121

00:05:47,829 --> 00:05:45,800

Vegas shooting episode 38 called

122

00:05:50,769 --> 00:05:47,839

Mandalay Bay The Untold I'd witness

123

00:05:52,540 --> 00:05:50,779

stories episode 55 called Mandalay Bay

124

00:05:56,320 --> 00:05:52,550

what happens in Vegas gets erased in

125

00:05:59,079 --> 00:05:56,330

Vegas in episode 62 the room under

126  
00:06:01,390 --> 00:05:59,089  
Stephen paddock so you can check out all

127  
00:06:03,909 --> 00:06:01,400  
that at the confessionals he's up horses

128  
00:06:05,290 --> 00:06:03,919  
on iTunes I heard radio Spotify etcetera

129  
00:06:07,779 --> 00:06:05,300  
revver you listen to podcast

130  
00:06:10,240 --> 00:06:07,789  
that's the confessionals and Tony's a

131  
00:06:11,350 --> 00:06:10,250  
great guy and had me on his show a few

132  
00:06:14,529 --> 00:06:11,360  
weeks so I want to give a shout out to

133  
00:06:16,929 --> 00:06:14,539  
him okay so here we are with our episode

134  
00:06:19,570 --> 00:06:16,939  
with Ron Burgundy which really goes

135  
00:06:21,760 --> 00:06:19,580  
through in detail all of these

136  
00:06:23,649 --> 00:06:21,770  
allegations and all this evidence of

137  
00:06:26,619 --> 00:06:23,659  
multiple shooters and we try to figure

138  
00:06:27,969 --> 00:06:26,629

it out and still move forward and trying

139

00:06:31,769 --> 00:06:27,979

to figure out what really happened that

140

00:06:35,709 --> 00:06:31,779

night because we still really don't know

141

00:06:38,649 --> 00:06:35,719

there is a large group of people that

142

00:06:39,650 --> 00:06:38,659

are have been tracking the Las Vegas

143

00:06:42,460 --> 00:06:39,660

shooting now for

144

00:06:44,720 --> 00:06:42,470

quite a long time a big online community

145

00:06:47,890 --> 00:06:44,730

primarily on YouTube and I know you've

146

00:06:50,120 --> 00:06:47,900

done over a hundred videos on YouTube

147

00:06:52,490 --> 00:06:50,130

following this and there's quite a

148

00:06:55,100 --> 00:06:52,500

community that's been built up there

149

00:06:57,200 --> 00:06:55,110

trying to figure out much as this show

150

00:06:59,180 --> 00:06:57,210

has been trying to do what really

151  
00:07:03,140 --> 00:06:59,190  
happened that night because there are so

152  
00:07:05,500 --> 00:07:03,150  
many mysteries about it but let's start

153  
00:07:07,820 --> 00:07:05,510  
by having you tell us just what

154  
00:07:11,030 --> 00:07:07,830  
interested you in the subject to begin

155  
00:07:13,070 --> 00:07:11,040  
with well what what really got me

156  
00:07:15,680 --> 00:07:13,080  
interested in this subject was obviously

157  
00:07:18,470 --> 00:07:15,690  
waking up that Monday morning and seeing

158  
00:07:20,780 --> 00:07:18,480  
what had happened and then I had made my

159  
00:07:23,240 --> 00:07:20,790  
way to YouTube and watched a few videos

160  
00:07:26,240 --> 00:07:23,250  
and there's a video out there that was

161  
00:07:28,700 --> 00:07:26,250  
put out by the company liveleak and it

162  
00:07:31,310 --> 00:07:28,710  
was a video recorded from basically

163  
00:07:32,900 --> 00:07:31,320

right there in the Killzone of the

164

00:07:34,190 --> 00:07:32,910

concert there in the front row and it

165

00:07:38,720 --> 00:07:34,200

showed a you know had a lot of victims

166

00:07:40,340 --> 00:07:38,730

in it and whatnot and it just really you

167

00:07:42,530 --> 00:07:40,350

know like everyone else in this

168

00:07:47,000 --> 00:07:42,540

community it just hit me close to my

169

00:07:48,860 --> 00:07:47,010

heart and I just felt so bad I started

170

00:07:50,390 --> 00:07:48,870

reading more about it watching more

171

00:07:51,950 --> 00:07:50,400

about it and that's when the question

172

00:07:54,800 --> 00:07:51,960

started popping it up the things that

173

00:07:57,860 --> 00:07:54,810

didn't make sense to me and it's all

174

00:08:00,770 --> 00:07:57,870

really sprouted from there I'm I'm an IT

175

00:08:03,680 --> 00:08:00,780

guy in real life and so I I'm very

176

00:08:05,360 --> 00:08:03,690

regimented as far as I need answers to

177

00:08:09,290 --> 00:08:05,370

questions generally you know I need a

178

00:08:10,640 --> 00:08:09,300

plus B equals C and that's where I went

179

00:08:12,620 --> 00:08:10,650

and I couldn't couldn't make it add up

180

00:08:14,120 --> 00:08:12,630

and I'm really still not completely

181

00:08:15,950 --> 00:08:14,130

added up correct and when you say

182

00:08:17,570 --> 00:08:15,960

community what community are you talking

183

00:08:21,380 --> 00:08:17,580

about well I mean the YouTube community

184

00:08:22,940 --> 00:08:21,390

it's uh like you said it is a it's a big

185

00:08:23,990 --> 00:08:22,950

community out there on YouTube that's

186

00:08:25,760 --> 00:08:24,000

following this it's getting smaller

187

00:08:28,040 --> 00:08:25,770

every day but yeah that's a pretty

188

00:08:30,340 --> 00:08:28,050

tight-knit community out there that

189

00:08:32,959 --> 00:08:30,350

we're all just looking and and

190

00:08:34,760 --> 00:08:32,969

investigating the best we can and trying

191

00:08:36,680 --> 00:08:34,770

to get answers you know but have you

192

00:08:39,770 --> 00:08:36,690

ever been fascinated with an event like

193

00:08:42,350 --> 00:08:39,780

this before no not really I mean I you

194

00:08:44,480 --> 00:08:42,360

know I I'm a big JFK guy but you know

195

00:08:47,210 --> 00:08:44,490

I'm not a conspiracy theorist by nature

196

00:08:48,920 --> 00:08:47,220

no but not by any means yeah I never

197

00:08:50,660 --> 00:08:48,930

never dealt with YouTube prior to this

198

00:08:53,000 --> 00:08:50,670

shooting not really not in any capacity

199

00:08:56,570 --> 00:08:53,010

and

200

00:08:58,790 --> 00:08:56,580

JFK what really happened well yeah

201  
00:09:02,330 --> 00:08:58,800  
that's a loaded question now who knows

202  
00:09:04,760 --> 00:09:02,340  
yeah I don't I think he it seems he

203  
00:09:06,230 --> 00:09:04,770  
actually went against the wrong people

204  
00:09:09,590 --> 00:09:06,240  
to me is what I think but you know

205  
00:09:11,330 --> 00:09:09,600  
that's another whole story then is that

206  
00:09:13,490 --> 00:09:11,340  
the military industrial complex or is

207  
00:09:16,370 --> 00:09:13,500  
that the Mafia or what well yeah it's

208  
00:09:19,220 --> 00:09:16,380  
you know it's like you know he said you

209  
00:09:21,110 --> 00:09:19,230  
know do not be deceived by the I forget

210  
00:09:23,300 --> 00:09:21,120  
how he worded it but he wouldn't get

211  
00:09:25,640 --> 00:09:23,310  
somebody someone did not like him saying

212  
00:09:26,960 --> 00:09:25,650  
what he was saying so that's my personal

213  
00:09:30,290 --> 00:09:26,970

opinion but you know I don't think it

214

00:09:33,770 --> 00:09:30,300

was just Oswald no so you go by the name

215

00:09:37,930 --> 00:09:33,780

Ron Burgundy on YouTube and why is it

216

00:09:41,750 --> 00:09:37,940

that you feel the need to use a alias

217

00:09:44,120 --> 00:09:41,760

well I as I said I never was on YouTube

218

00:09:46,850 --> 00:09:44,130

prior to this event and when I started

219

00:09:48,290 --> 00:09:46,860

you know I had to have a screen name to

220

00:09:50,540 --> 00:09:48,300

access some of the videos because of the

221

00:09:53,060 --> 00:09:50,550

age restrictions so I created an account

222

00:09:54,650 --> 00:09:53,070

I just created the most outlandish name

223

00:09:57,470 --> 00:09:54,660

I could think of I'm a big Will Ferrel

224

00:09:59,150 --> 00:09:57,480

fan just made the name and started

225

00:10:01,910 --> 00:09:59,160

watching videos I never planned on

226

00:10:04,040 --> 00:10:01,920

making videos and as I started making

227

00:10:05,990 --> 00:10:04,050

them I started getting more popular and

228

00:10:07,250 --> 00:10:06,000

people started watching and now I'm kind

229

00:10:09,170 --> 00:10:07,260

of stuck with the name I'd love to

230

00:10:11,120 --> 00:10:09,180

change it but it's kind of hard at this

231

00:10:13,760 --> 00:10:11,130

point well you must be a big fan of the

232

00:10:14,930 --> 00:10:13,770

movie oh yeah absolutely I'm a usual

233

00:10:19,730 --> 00:10:14,940

Farrell fan so you know I'm just

234

00:10:21,880 --> 00:10:19,740

carrying the flag proudly now what did

235

00:10:25,010 --> 00:10:21,890

you set age restriction what do you mean

236

00:10:27,950 --> 00:10:25,020

YouTube will place age restrictions on

237

00:10:29,300 --> 00:10:27,960

graphic videos with or without you doing

238

00:10:31,190 --> 00:10:29,310

it sometimes I'll just place it on you

239

00:10:33,170 --> 00:10:31,200

or the Creator can place an age

240

00:10:34,670 --> 00:10:33,180

restriction on it too which requires you

241

00:10:38,020 --> 00:10:34,680

to have a youtube account to be able to

242

00:10:41,090 --> 00:10:38,030

view it I see you know the reviewer

243

00:10:41,870 --> 00:10:41,100

restricting viewership of your videos to

244

00:10:44,090 --> 00:10:41,880

a certain age

245

00:10:45,680 --> 00:10:44,100

well no no yeah that's what I do now yes

246

00:10:47,570 --> 00:10:45,690

but when I started watching a lot of the

247

00:10:50,300 --> 00:10:47,580

videos I wanted to watch required you to

248

00:10:51,410 --> 00:10:50,310

prove you were 18 and have a login so

249

00:10:54,110 --> 00:10:51,420

that's where he's not created mr.

250

00:10:56,360 --> 00:10:54,120

Burgundy oh my gosh so but yeah no never

251  
00:10:59,620 --> 00:10:56,370  
intention intended to end up in the

252  
00:11:03,310 --> 00:10:59,630  
point I'm at now so so from the get-go

253  
00:11:06,010 --> 00:11:03,320  
what was your opinion about the shooting

254  
00:11:08,300 --> 00:11:06,020  
well

255  
00:11:11,810 --> 00:11:08,310  
nothing there was a lot of

256  
00:11:15,190 --> 00:11:11,820  
inconsistencies obviously and I still

257  
00:11:17,690 --> 00:11:15,200  
think there's a ton of inconsistencies

258  
00:11:20,840 --> 00:11:17,700  
you know it's just it's like everywhere

259  
00:11:23,900 --> 00:11:20,850  
I looked nothing made sense to me it

260  
00:11:25,910 --> 00:11:23,910  
just wasn't I know I didn't I couldn't

261  
00:11:27,800 --> 00:11:25,920  
just you know easily say you know the

262  
00:11:29,960 --> 00:11:27,810  
one plus two equals three with anything

263  
00:11:31,520 --> 00:11:29,970

I looked at you know I started I started

264

00:11:34,430 --> 00:11:31,530

with the live leaked video started

265

00:11:36,260 --> 00:11:34,440

identifying the victims in that and then

266

00:11:38,710 --> 00:11:36,270

that arose me to questions I started

267

00:11:41,950 --> 00:11:38,720

looking at the room leaked photos and

268

00:11:45,440 --> 00:11:41,960

that brought up a bunch of questions and

269

00:11:49,190 --> 00:11:45,450

you know that's just with every release

270

00:11:51,470 --> 00:11:49,200

the LVM PD puts out it creates more

271

00:11:54,860 --> 00:11:51,480

questions than it does answers anything

272

00:11:56,570 --> 00:11:54,870

to me and it's it's really it's it's

273

00:11:57,350 --> 00:11:56,580

bothersome is what it is it's really

274

00:11:59,900 --> 00:11:57,360

bothersome

275

00:12:02,150 --> 00:11:59,910

yeah well that's precisely what led us

276

00:12:04,070 --> 00:12:02,160

to do the deep dive into the shooting

277

00:12:05,780 --> 00:12:04,080

because we were months out at the time

278

00:12:08,270 --> 00:12:05,790

that we started it and it was just

279

00:12:09,740 --> 00:12:08,280

unbelievable to me that we could have

280

00:12:12,020 --> 00:12:09,750

the largest mass shooting in American

281

00:12:14,270 --> 00:12:12,030

history and know so little and have so

282

00:12:17,300 --> 00:12:14,280

many questions and have so many things

283

00:12:19,880 --> 00:12:17,310

not add up so we're on the same page in

284

00:12:23,240 --> 00:12:19,890

that regard but I do have to say over

285

00:12:24,980 --> 00:12:23,250

time as we've covered it and as more

286

00:12:28,730 --> 00:12:24,990

things have come out and now the second

287

00:12:32,540 --> 00:12:28,740

police report etc things are in my view

288

00:12:35,870 --> 00:12:32,550

anyway starting to come together toward

289

00:12:38,660 --> 00:12:35,880

an answer and in my opinion it is

290

00:12:42,950 --> 00:12:38,670

pointing to lone wolf

291

00:12:46,880 --> 00:12:42,960

shooter you know acting alone no

292

00:12:49,190 --> 00:12:46,890

apparent conspiracy as far as terrorism

293

00:12:52,610 --> 00:12:49,200

goes you know the ISIS thing is

294

00:12:54,800 --> 00:12:52,620

certainly very suspicious as far as them

295

00:12:57,470 --> 00:12:54,810

claiming responsibility when they really

296

00:13:00,320 --> 00:12:57,480

have never been proven wrong when they

297

00:13:02,540 --> 00:13:00,330

have claimed responsibility but you know

298

00:13:06,530 --> 00:13:02,550

we're not seeing really much beyond that

299

00:13:09,050 --> 00:13:06,540

as far as Isis connection so where

300

00:13:11,930 --> 00:13:09,060

things are kind of lying for me is you

301  
00:13:15,260 --> 00:13:11,940  
know starting to come into focus that

302  
00:13:16,970 --> 00:13:15,270  
we've got a guy who really snapped oh

303  
00:13:18,040 --> 00:13:16,980  
you know perhaps over a long period of

304  
00:13:20,440 --> 00:13:18,050  
time

305  
00:13:23,019 --> 00:13:20,450  
but as far as the loss of money and so

306  
00:13:25,090 --> 00:13:23,029  
on and being a narcissist and perhaps a

307  
00:13:30,130 --> 00:13:25,100  
psychopath like his father and perhaps

308  
00:13:33,870 --> 00:13:30,140  
wanting to outdo his father etc so as

309  
00:13:36,310 --> 00:13:33,880  
you know look it's never easy to find a

310  
00:13:38,259 --> 00:13:36,320  
solid explanation for something this

311  
00:13:39,880 --> 00:13:38,269  
bizarre because how could you ever

312  
00:13:41,440 --> 00:13:39,890  
explain something this bizarre why

313  
00:13:43,920 --> 00:13:41,450

somebody would do something this bizarre

314

00:13:47,470 --> 00:13:43,930

but unfortunately we've got lots of

315

00:13:50,350 --> 00:13:47,480

events in in in the country's past of

316

00:13:52,900 --> 00:13:50,360

people doing unbelievable and bizarre

317

00:13:55,420 --> 00:13:52,910

things and this simply may be another so

318

00:13:57,940 --> 00:13:55,430

that's where I've been seeing things

319

00:13:59,740 --> 00:13:57,950

going where are you seeing things going

320

00:14:02,920 --> 00:13:59,750

in your analysis of this well you know I

321

00:14:05,110 --> 00:14:02,930

can admit you know I started off you

322

00:14:08,829 --> 00:14:05,120

know on a scale of one to ten ten being

323

00:14:10,990 --> 00:14:08,839

tinfoil hat zero being you know lone

324

00:14:12,819 --> 00:14:11,000

shooter I probably started off somewhere

325

00:14:14,889 --> 00:14:12,829

in the middle and then I slowly started

326

00:14:17,829 --> 00:14:14,899

working my way to zero I'll be the first

327

00:14:19,389 --> 00:14:17,839

to admit it and because everything you

328

00:14:22,210 --> 00:14:19,399

know things did like you say come into

329

00:14:25,510 --> 00:14:22,220

view a little better and then we started

330

00:14:27,760 --> 00:14:25,520

getting the data dumps and the one thing

331

00:14:30,280 --> 00:14:27,770

that really changed the way I was

332

00:14:34,150 --> 00:14:30,290

feeling was when we got all the 911

333

00:14:36,940 --> 00:14:34,160

calls and I released a video about the

334

00:14:38,860 --> 00:14:36,950

9-1-1 calls and and it's not about the

335

00:14:43,090 --> 00:14:38,870

individual cause it was just strictly

336

00:14:45,100 --> 00:14:43,100

about statistics of the calls and once I

337

00:14:47,019 --> 00:14:45,110

was able to you know put a number and

338

00:14:49,600 --> 00:14:47,029

quantify what we were hearing in the

339

00:14:52,269 --> 00:14:49,610

calls and how many we heard and the

340

00:14:55,600 --> 00:14:52,279

order they released them it really

341

00:14:57,730 --> 00:14:55,610

brought up more questions for me and if

342

00:14:59,319 --> 00:14:57,740

you and what I mean by that is is the

343

00:15:01,449 --> 00:14:59,329

first week they released like five

344

00:15:03,610 --> 00:15:01,459

hundred calls and then I noticed in

345

00:15:06,430 --> 00:15:03,620

those five hundred calls there was a

346

00:15:08,980 --> 00:15:06,440

15-minute time segment that no calls

347

00:15:12,100 --> 00:15:08,990

were brought out it was from 11:15 to

348

00:15:15,189 --> 00:15:12,110

11:30 not a single call was in that 15

349

00:15:17,319 --> 00:15:15,199

minute block we had at least 30 in every

350

00:15:19,900 --> 00:15:17,329

other block every other 15-minute

351  
00:15:21,579 --> 00:15:19,910  
increment but none was in that the

352  
00:15:24,819 --> 00:15:21,589  
following week Lombardo get selected

353  
00:15:28,120 --> 00:15:24,829  
that Wednesday he releases another set

354  
00:15:31,400 --> 00:15:28,130  
of 500 calls and this is then here comes

355  
00:15:32,780 --> 00:15:31,410  
all the 11:15 to 11:30 s in there

356  
00:15:34,430 --> 00:15:32,790  
but they're all mixed together there's

357  
00:15:36,290 --> 00:15:34,440  
there's no timestamp and there's

358  
00:15:38,720 --> 00:15:36,300  
timestamps on them but they weren't in

359  
00:15:40,100 --> 00:15:38,730  
any order when they released them so

360  
00:15:42,319 --> 00:15:40,110  
what I did is I started going through

361  
00:15:44,780 --> 00:15:42,329  
them and documenting them and with the

362  
00:15:47,869 --> 00:15:44,790  
timestamp on where they were from and a

363  
00:15:50,809 --> 00:15:47,879

brief description about each call and I

364

00:15:52,429 --> 00:15:50,819

got to notice in between 11 and 12 that

365

00:15:54,199 --> 00:15:52,439

night when as you know there was a lot

366

00:15:57,800 --> 00:15:54,209

of reports of gun fire up and down the

367

00:16:00,800 --> 00:15:57,810

strip you know the numbers I came up

368

00:16:04,160 --> 00:16:00,810

with were just astronomical to me to be

369

00:16:07,129 --> 00:16:04,170

purely by chance in any get of you know

370

00:16:10,160 --> 00:16:07,139

any given set of numbers the statistics

371

00:16:11,720 --> 00:16:10,170

are just way too high compared to what

372

00:16:13,160 --> 00:16:11,730

we should have been seeing I know a

373

00:16:18,079 --> 00:16:13,170

certain amount of those calls came in

374

00:16:20,569 --> 00:16:18,089

were from panic but I don't believe we

375

00:16:22,189 --> 00:16:20,579

see as much panic I mean we see as many

376

00:16:24,220 --> 00:16:22,199

calls as we had and what I'm getting at

377

00:16:27,139 --> 00:16:24,230

just to kind of put numbers in your head

378

00:16:30,230 --> 00:16:27,149

between 11:00 p.m. and a 12:00 a.m. that

379

00:16:35,720 --> 00:16:30,240

night there was 626 calls that came in 2

380

00:16:37,910 --> 00:16:35,730

LB MPD of those 626 257 of them were

381

00:16:38,720 --> 00:16:37,920

reporting an active shooter or panic at

382

00:16:41,629 --> 00:16:38,730

another hotel

383

00:16:46,720 --> 00:16:41,639

so that's 41 percent of the calls for t

384

00:16:50,179 --> 00:16:46,730

panic okay 157 calls

385

00:16:51,769 --> 00:16:50,189

77 of them actually said to the operator

386

00:16:54,860 --> 00:16:51,779

I heard gunshots

387

00:16:58,429 --> 00:16:54,870

not my friend heard gunshots not we

388

00:17:00,590 --> 00:16:58,439

think we heard I heard gunshots 77 it's

389

00:17:03,319 --> 00:17:00,600

30% of the callers claiming there was

390

00:17:05,120 --> 00:17:03,329

shooting going on 30% of them claimed to

391

00:17:06,770 --> 00:17:05,130

have heard the shots and there was a

392

00:17:09,020 --> 00:17:06,780

real consistency on the number of shots

393

00:17:11,090 --> 00:17:09,030

they claimed to have heard is anywhere

394

00:17:14,419 --> 00:17:11,100

from two to four was the most common

395

00:17:16,970 --> 00:17:14,429

numbers and like I say I just broke it

396

00:17:19,870 --> 00:17:16,980

down in a straight statistical look at

397

00:17:22,460 --> 00:17:19,880

it and I find it hard to just write off

398

00:17:25,189 --> 00:17:22,470

77 individual people that have claimed

399

00:17:27,140 --> 00:17:25,199

to have heard gunshots there's no doubt

400

00:17:30,740 --> 00:17:27,150

a certain amount of them were wrong and

401  
00:17:32,149 --> 00:17:30,750  
panicked but yeah well you know and I've

402  
00:17:33,680 --> 00:17:32,159  
seen that video and everybody should

403  
00:17:36,560 --> 00:17:33,690  
check out that video where you really

404  
00:17:38,390 --> 00:17:36,570  
break down the numbers and we thank you

405  
00:17:41,990 --> 00:17:38,400  
for spending all the time that you did

406  
00:17:43,370 --> 00:17:42,000  
to to track those calls and listen to

407  
00:17:46,050 --> 00:17:43,380  
all those call

408  
00:17:48,000 --> 00:17:46,060  
and so let's talk in a little bit more

409  
00:17:51,660 --> 00:17:48,010  
detail about them so when we talk about

410  
00:17:55,340 --> 00:17:51,670  
the 77 phone calls the this is somebody

411  
00:17:57,270 --> 00:17:55,350  
calling 911 they heard gunshots tell us

412  
00:17:59,640 --> 00:17:57,280  
tell us what kind of pattern you see

413  
00:18:01,530 --> 00:17:59,650

within those 77 in other words are they

414

00:18:04,710 --> 00:18:01,540

mostly coming from a particular location

415

00:18:07,680 --> 00:18:04,720

etc no it's very much patterned in the

416

00:18:10,110 --> 00:18:07,690

actual cause not and what's happened is

417

00:18:12,300 --> 00:18:10,120

when you had one call come in they you

418

00:18:13,710 --> 00:18:12,310

know they originally it started off the

419

00:18:15,870 --> 00:18:13,720

the first one you really got to hearing

420

00:18:18,150 --> 00:18:15,880

was New York New York and when the first

421

00:18:20,790 --> 00:18:18,160

call came in from New York New York you

422

00:18:22,080 --> 00:18:20,800

would see 15 more calls come in from New

423

00:18:24,240 --> 00:18:22,090

York New York within the next three

424

00:18:27,210 --> 00:18:24,250

minutes then you would get a call from

425

00:18:28,980 --> 00:18:27,220

the Bellagio and then within you know 15

426

00:18:31,650 --> 00:18:28,990

more calls right behind it coming from

427

00:18:33,780 --> 00:18:31,660

the Bellagio so once you got that the

428

00:18:36,570 --> 00:18:33,790

calls weren't spread out based on hotels

429

00:18:37,800 --> 00:18:36,580

once you got a hotel on the hook you

430

00:18:41,460 --> 00:18:37,810

started getting all the calls from that

431

00:18:44,250 --> 00:18:41,470

hotel and so I was thinking maybe that

432

00:18:46,500 --> 00:18:44,260

is just panic radiating up the strip but

433

00:18:49,680 --> 00:18:46,510

I've also charted those calls to charted

434

00:18:51,150 --> 00:18:49,690

the 77 calls and put their location and

435

00:18:54,000 --> 00:18:51,160

I broke it down in a ten-minute

436

00:18:55,920 --> 00:18:54,010

increment of that hour and there's no

437

00:18:57,300 --> 00:18:55,930

real rhyme or reason to the pattern of

438

00:18:59,070 --> 00:18:57,310

it going up the strip like you know

439

00:19:01,560 --> 00:18:59,080

you'd like I'd like to see all the calls

440

00:19:03,600 --> 00:19:01,570

from 11 to 11 10 being at the Tropicana

441

00:19:05,610 --> 00:19:03,610

in New York New York area but they're

442

00:19:09,810 --> 00:19:05,620

not you know there's some of those or up

443

00:19:11,490 --> 00:19:09,820

farther at the Aria over the Bellagio so

444

00:19:14,640 --> 00:19:11,500

there's really no pattern of radiating

445

00:19:16,590 --> 00:19:14,650

up the strip and and that's what's

446

00:19:18,900 --> 00:19:16,600

really bothered me the most I was almost

447

00:19:21,720 --> 00:19:18,910

working my way back all the way till to

448

00:19:24,180 --> 00:19:21,730

Patek you know maybe was the lone gunman

449

00:19:26,130 --> 00:19:24,190

until these 9-1-1 calls came out and the

450

00:19:28,050 --> 00:19:26,140

random order they released it and I

451  
00:19:30,540 --> 00:19:28,060  
still don't know it still may be panic I

452  
00:19:33,120 --> 00:19:30,550  
just I find it hard to believe and I and

453  
00:19:35,490 --> 00:19:33,130  
I have a close personal friend that was

454  
00:19:37,230 --> 00:19:35,500  
in Planet Hollywood that night that you

455  
00:19:40,110 --> 00:19:37,240  
know swears on his children he smelled

456  
00:19:42,270 --> 00:19:40,120  
gun smoke and heard gunshots at about

457  
00:19:44,040 --> 00:19:42,280  
11:05 that night and that's you know

458  
00:19:47,670 --> 00:19:44,050  
over a mile and a half away from the

459  
00:19:49,020 --> 00:19:47,680  
block or from the Mandalay Bay okay and

460  
00:19:50,070 --> 00:19:49,030  
and people are gonna want to hear these

461  
00:19:51,720 --> 00:19:50,080  
calls so we're going we're gonna make

462  
00:19:53,520 --> 00:19:51,730  
sure that we we have them up on our

463  
00:19:55,120 --> 00:19:53,530

website so that people can deserve these

464

00:20:01,660 --> 00:19:55,130

calls

465

00:20:05,930 --> 00:20:01,670

so what would be your theory as to why

466

00:20:09,410 --> 00:20:05,940

there was 77 reports of someone hearing

467

00:20:13,880 --> 00:20:09,420

gunshots in the 11 o'clock hour when

468

00:20:15,200 --> 00:20:13,890

paddock stopped shooting at 10:15 well

469

00:20:16,970 --> 00:20:15,210

yeah that's the that's the answer

470

00:20:19,040 --> 00:20:16,980

everyone I was really like cuz I don't

471

00:20:21,830 --> 00:20:19,050

have a theory for it doesn't make sense

472

00:20:24,410 --> 00:20:21,840

there there's no there's no reporting's

473

00:20:28,250 --> 00:20:24,420

of you know casings anywhere no one was

474

00:20:30,470 --> 00:20:28,260

injured you know I get all that there

475

00:20:32,390 --> 00:20:30,480

there is no evidence suggest anything

476  
00:20:35,300 --> 00:20:32,400  
happened other than these 911 one calls

477  
00:20:37,190 --> 00:20:35,310  
an actual you know whip witness accounts

478  
00:20:40,280 --> 00:20:37,200  
of what's going on you know there's also

479  
00:20:42,830 --> 00:20:40,290  
several very believable people that gave

480  
00:20:45,190 --> 00:20:42,840  
interviews during that time or about

481  
00:20:47,720 --> 00:20:45,200  
that time that you know there again I

482  
00:20:50,480 --> 00:20:47,730  
it's it really comes down to what do you

483  
00:20:52,400 --> 00:20:50,490  
believe or not and I don't know what

484  
00:20:54,650 --> 00:20:52,410  
happened in that hour but I do believe

485  
00:20:57,920 --> 00:20:54,660  
something happened some people will say

486  
00:21:01,070 --> 00:20:57,930  
oh those gunshots were you know the

487  
00:21:05,390 --> 00:21:01,080  
rotating door Bellagio making it loud

488  
00:21:07,880 --> 00:21:05,400

you know wacky noise and or it was chair

489

00:21:10,190 --> 00:21:07,890

rails or guardrail things falling over

490

00:21:13,310 --> 00:21:10,200

inside the Bellagio I know I don't know

491

00:21:16,670 --> 00:21:13,320

hey I just find it hard to believe you

492

00:21:18,920 --> 00:21:16,680

know like there's a one lady that's real

493

00:21:21,920 --> 00:21:18,930

famous about it miss Renee downs her

494

00:21:25,130 --> 00:21:21,930

husband was a you know career marine and

495

00:21:27,050 --> 00:21:25,140

he heard the shots he says he did I just

496

00:21:29,690 --> 00:21:27,060

can't believe a marine would identify

497

00:21:32,120 --> 00:21:29,700

the hearing shots wrong but you know if

498

00:21:34,790 --> 00:21:32,130

anything's possible but that combined

499

00:21:37,910 --> 00:21:34,800

with the other 77 people that all say

500

00:21:40,280 --> 00:21:37,920

they heard shots it's it's really hard

501  
00:21:42,650 --> 00:21:40,290  
to believe it's it's it's hard to get my

502  
00:21:44,270 --> 00:21:42,660  
head around it well in your youtube

503  
00:21:47,170 --> 00:21:44,280  
community of people that have been

504  
00:21:49,100 --> 00:21:47,180  
following this religiously and intensely

505  
00:21:52,010 --> 00:21:49,110  
what are some of the theories that

506  
00:21:55,970 --> 00:21:52,020  
they're putting out there we going right

507  
00:21:59,090 --> 00:21:55,980  
oh it ranges from you know it's a full

508  
00:22:01,400 --> 00:21:59,100  
spectrum and I'm a no means I'm if

509  
00:22:04,160 --> 00:22:01,410  
anything closer to the lone shooter then

510  
00:22:07,070 --> 00:22:04,170  
the you know it was all done by Isis for

511  
00:22:08,240 --> 00:22:07,080  
sure you know there's crazy thoughts at

512  
00:22:08,780 --> 00:22:08,250  
Pete you know they're some of the

513  
00:22:10,460 --> 00:22:08,790

theories of

514

00:22:13,010 --> 00:22:10,470

for that you know in that 11 o'clock

515

00:22:15,040 --> 00:22:13,020

hour maybe that was a distraction to try

516

00:22:16,820 --> 00:22:15,050

to draw police away from the hotel

517

00:22:19,490 --> 00:22:16,830

sometimes heard people say you know

518

00:22:21,620 --> 00:22:19,500

maybe that was blanks and you know maybe

519

00:22:23,990 --> 00:22:21,630

this maybe that you know a distraction I

520

00:22:25,520 --> 00:22:24,000

guess I could believe I mean I really

521

00:22:29,990 --> 00:22:25,530

have no good answer of what it could

522

00:22:31,070 --> 00:22:30,000

have been you know we have one of the

523

00:22:35,480 --> 00:22:31,080

gentlemen that was you know went on

524

00:22:37,310 --> 00:22:35,490

Jason Goodman show Joe was talking about

525

00:22:40,550 --> 00:22:37,320

you know he saw shell casings in the

526

00:22:43,160 --> 00:22:40,560

Tropicana parking lot and at about 11:15

527

00:22:45,650 --> 00:22:43,170

or so I believe and you know we had a

528

00:22:47,570 --> 00:22:45,660

lot going in on in that hour to you know

529

00:22:49,100 --> 00:22:47,580

not only is that the panic being

530

00:22:50,630 --> 00:22:49,110

reported all over the strip if you look

531

00:22:52,700 --> 00:22:50,640

at the different events that happened in

532

00:22:54,800 --> 00:22:52,710

that one hour wow there's a whole lot of

533

00:22:57,170 --> 00:22:54,810

going on you know just between the

534

00:22:59,870 --> 00:22:57,180

breach and you know the guy seen running

535

00:23:01,850 --> 00:22:59,880

across the valet at the valet roof at

536

00:23:04,430 --> 00:23:01,860

the Tropicana you know there's just

537

00:23:07,040 --> 00:23:04,440

there's so much going on in that time it

538

00:23:09,590 --> 00:23:07,050

just it's really hard for me to believe

539

00:23:11,660 --> 00:23:09,600

that it's all just panic you know and

540

00:23:13,880 --> 00:23:11,670

for me one of the more believable calls

541

00:23:15,950 --> 00:23:13,890

that you hear reports is not a 9-1-1

542

00:23:18,500 --> 00:23:15,960

call it all it come across the scanner

543

00:23:20,360 --> 00:23:18,510

medics we're reporting taking gunshots

544

00:23:23,330 --> 00:23:20,370

i'm outside of the Tropicana

545

00:23:24,680 --> 00:23:23,340

these are medics so I mean you know I

546

00:23:26,930 --> 00:23:24,690

don't take it for what it's worth that's

547

00:23:28,460 --> 00:23:26,940

pretty believable to me so but I don't

548

00:23:30,710 --> 00:23:28,470

know what happened I mean no one does

549

00:23:32,120 --> 00:23:30,720

well and you've been critical of

550

00:23:33,770 --> 00:23:32,130

Lombardo we've been in critical of

551  
00:23:36,400 --> 00:23:33,780  
Lombardo and the police handling of this

552  
00:23:39,770 --> 00:23:36,410  
and how they've released information

553  
00:23:41,810 --> 00:23:39,780  
absence I'm sure is aware that what

554  
00:23:43,370 --> 00:23:41,820  
you've been referring to these data

555  
00:23:45,080 --> 00:23:43,380  
dumps that they've been doing once a

556  
00:23:48,160 --> 00:23:45,090  
week pursuant to the court order and

557  
00:23:50,690 --> 00:23:48,170  
rather than putting them out in some

558  
00:23:52,580 --> 00:23:50,700  
method that makes sense and explained

559  
00:23:54,020 --> 00:23:52,590  
with the table of contents and some

560  
00:23:56,120 --> 00:23:54,030  
context to everything they'd just been

561  
00:23:57,920 --> 00:23:56,130  
dumping stuff causing it you know

562  
00:24:02,870 --> 00:23:57,930  
forcing everybody to sift through it on

563  
00:24:06,320 --> 00:24:02,880

their own right so but you know within

564

00:24:10,670 --> 00:24:06,330

all that that's where you've been able

565

00:24:11,990 --> 00:24:10,680

to find tons of phone calls not just in

566

00:24:13,580 --> 00:24:12,000

the 11 o'clock hour I'd imagine in the

567

00:24:15,350 --> 00:24:13,590

10 o'clock hour oh yeah there are

568

00:24:17,540 --> 00:24:15,360

they're everywhere absolutely absolutely

569

00:24:19,460 --> 00:24:17,550

I concentrated most of mine on that 11

570

00:24:21,620 --> 00:24:19,470

o'clock hour but no there's there's

571

00:24:22,610 --> 00:24:21,630

crazy calls up and down and it's crazy

572

00:24:25,580 --> 00:24:22,620

calls it to in the more

573

00:24:27,920 --> 00:24:25,590

that night you know it's so there's all

574

00:24:31,130 --> 00:24:27,930

that information released a couple

575

00:24:33,020 --> 00:24:31,140

questions one has the have the police

576

00:24:37,760 --> 00:24:33,030

anywhere in the police report and any

577

00:24:42,610 --> 00:24:37,770

other press conferences acknowledged any

578

00:24:45,530 --> 00:24:42,620

shots being fired by anyone other than

579

00:24:48,680 --> 00:24:45,540

Patek and a couple shots in the Mandalay

580

00:24:52,190 --> 00:24:48,690

Bay no the only other shot claimed by

581

00:24:54,260 --> 00:24:52,200

anyone is the accidental gun shot of the

582

00:24:56,480 --> 00:24:54,270

SWAT team member inside the room right

583

00:24:58,130 --> 00:24:56,490

so yeah that's that's the only one but

584

00:25:01,669 --> 00:24:58,140

but I don't think that we've ever gotten

585

00:25:04,490 --> 00:25:01,679

a nice good adequate explanation from

586

00:25:05,960 --> 00:25:04,500

the police department regarding all

587

00:25:08,330 --> 00:25:05,970

these calls in other words for them to

588

00:25:10,280 --> 00:25:08,340

come forward explain to us they're the

589

00:25:11,870 --> 00:25:10,290

ones getting the 9-1-1 calls there are

590

00:25:15,520 --> 00:25:11,880

the ones presumably responding to the

591

00:25:17,570 --> 00:25:15,530

911 calls what about reports of those

592

00:25:19,549 --> 00:25:17,580

responses and what was found or not

593

00:25:23,780 --> 00:25:19,559

found exactly some follow-up information

594

00:25:25,460 --> 00:25:23,790

you you it's almost like the LV MPD is a

595

00:25:26,810 --> 00:25:25,470

little pissed off that they were forced

596

00:25:29,510 --> 00:25:26,820

to give this information so they're

597

00:25:32,030 --> 00:25:29,520

gonna make it hard on us or as hard on

598

00:25:33,440 --> 00:25:32,040

anybody to put it all back together and

599

00:25:34,730 --> 00:25:33,450

they're not just keeping their mouth

600

00:25:36,500 --> 00:25:34,740

shut you know they're just they're not

601  
00:25:38,150 --> 00:25:36,510  
gonna give any help whatsoever and

602  
00:25:39,650 --> 00:25:38,160  
that's really not what you want with a

603  
00:25:41,690 --> 00:25:39,660  
police department in the largest mass

604  
00:25:43,130 --> 00:25:41,700  
shooting in US history you you want some

605  
00:25:46,540 --> 00:25:43,140  
transparency there and they're really

606  
00:25:49,280 --> 00:25:46,550  
providing none and it's it's very very

607  
00:25:50,600 --> 00:25:49,290  
suspect and they're creating a lot of

608  
00:25:53,660 --> 00:25:50,610  
this if they would have dumped half this

609  
00:25:55,280 --> 00:25:53,670  
stuff out on October 6 I think a lot of

610  
00:25:57,169 --> 00:25:55,290  
this would have been dead by now you

611  
00:25:59,270 --> 00:25:57,179  
know and you know but they didn't they

612  
00:26:01,970 --> 00:25:59,280  
created a lot of this on themselves and

613  
00:26:03,860 --> 00:26:01,980

you know it is what it is at this point

614

00:26:06,230 --> 00:26:03,870

it's grown legs and it's gonna run for a

615

00:26:08,419 --> 00:26:06,240

long time yeah I think that it's very

616

00:26:10,480 --> 00:26:08,429

unfortunate lombardo didn't handle it

617

00:26:13,700 --> 00:26:10,490

well at the beginning which is

618

00:26:16,070 --> 00:26:13,710

understandable he made some mistakes but

619

00:26:18,290 --> 00:26:16,080

that doesn't mean that you clam up and

620

00:26:20,390 --> 00:26:18,300

your solution to the fact that you made

621

00:26:22,430 --> 00:26:20,400

some early errors means that you don't

622

00:26:25,520 --> 00:26:22,440

talk in the future right but that seems

623

00:26:27,710 --> 00:26:25,530

to be where he's gone is that exactly

624

00:26:30,080 --> 00:26:27,720

what they've done yeah he's gonna go in

625

00:26:34,419 --> 00:26:30,090

the opposite direction and so now we

626

00:26:36,560 --> 00:26:34,429

were left with survivors local residents

627

00:26:38,840 --> 00:26:36,570

people like you and me following

628

00:26:41,720 --> 00:26:38,850

this having all these unanswered

629

00:26:44,509 --> 00:26:41,730

questions which you know the only people

630

00:26:46,700 --> 00:26:44,519

that can help us answer these are the

631

00:26:49,519 --> 00:26:46,710

police the guys that responded to all

632

00:26:52,100 --> 00:26:49,529

these calls absolutely I mean there's

633

00:26:54,769 --> 00:26:52,110

you know a good example of that is like

634

00:26:58,129 --> 00:26:54,779

the the the guy that was a ruler of

635

00:27:00,289 --> 00:26:58,139

excuse me arrested wearing fatigues and

636

00:27:03,230 --> 00:27:00,299

ran into an RV and he was arrested that

637

00:27:05,509 --> 00:27:03,240

night in the eleven o'clock hour you

638

00:27:07,159 --> 00:27:05,519

know they never mentioned that that if

639

00:27:09,889 --> 00:27:07,169

they haven't followed up on anything as

640

00:27:13,129 --> 00:27:09,899

far as I know I mean there's just you

641

00:27:15,560 --> 00:27:13,139

know and they're not even giving you

642

00:27:17,299 --> 00:27:15,570

know any of the media a chance to ask

643

00:27:20,090 --> 00:27:17,309

questions not that the media is

644

00:27:22,220 --> 00:27:20,100

answering asking questions sir have you

645

00:27:25,249 --> 00:27:22,230

gone through everything that has been

646

00:27:28,009 --> 00:27:25,259

released well no I would not say

647

00:27:30,049 --> 00:27:28,019

everything there's a lot of the body

648

00:27:31,629 --> 00:27:30,059

cams I haven't watched in these last few

649

00:27:34,460 --> 00:27:31,639

released what about the police reports

650

00:27:37,009 --> 00:27:34,470

please report yes I've read everything

651  
00:27:39,289 --> 00:27:37,019  
at least know all of the individual

652  
00:27:40,490 --> 00:27:39,299  
reports that after all the statements

653  
00:27:43,840 --> 00:27:40,500  
and all that good stuff

654  
00:27:48,350 --> 00:27:43,850  
so now so do any of those statements

655  
00:27:50,180 --> 00:27:48,360  
cover responding to a 911 call regarding

656  
00:27:55,340 --> 00:27:50,190  
a shooting say at New York New York or

657  
00:27:56,269 --> 00:27:55,350  
Blasio I don't recall one no knock top

658  
00:27:58,580 --> 00:27:56,279  
of my head

659  
00:28:01,850 --> 00:27:58,590  
most of the witness statements were all

660  
00:28:03,710 --> 00:28:01,860  
just from people at the event and what

661  
00:28:04,940 --> 00:28:03,720  
they thought took place I don't recall

662  
00:28:07,970 --> 00:28:04,950  
any just off the top of my head that

663  
00:28:09,350 --> 00:28:07,980

talked about I can follow up you know or

664

00:28:11,180 --> 00:28:09,360

an arrest being made or something of

665

00:28:12,860 --> 00:28:11,190

that nature a good example of something

666

00:28:14,749 --> 00:28:12,870

I've tried to find that it's not out

667

00:28:17,419 --> 00:28:14,759

there is are you familiar with who

668

00:28:20,210 --> 00:28:17,429

Melissa Ramirez is the the lady that was

669

00:28:22,340 --> 00:28:20,220

was deceased in the warehouse parking

670

00:28:24,529 --> 00:28:22,350

lot for an hour are you familiar with

671

00:28:25,820 --> 00:28:24,539

that video that I'm talking about no why

672

00:28:28,249 --> 00:28:25,830

don't you explain it to our listeners

673

00:28:31,629 --> 00:28:28,259

okay um one of the victims of the event

674

00:28:33,919 --> 00:28:31,639

her name was Miss Melissa Ramirez

675

00:28:37,759 --> 00:28:33,929

another YouTube channel out there named

676

00:28:40,970 --> 00:28:37,769

5x5 knows Mike turbo he he went and got

677

00:28:43,549 --> 00:28:40,980

this footage from a private companies

678

00:28:45,529 --> 00:28:43,559

warehouse video had a camera mounted on

679

00:28:47,750 --> 00:28:45,539

the back of the warehouse this camera

680

00:28:50,030 --> 00:28:47,760

was mounted perfectly where you can see

681

00:28:53,240 --> 00:28:50,040

the tanks you can see the towards

682

00:28:55,460 --> 00:28:53,250

he knew kinda and in this video miss

683

00:28:57,830 --> 00:28:55,470

Ramirez is actually drugged up in the

684

00:28:59,990 --> 00:28:57,840

video they stay with her for a little

685

00:29:03,140 --> 00:29:00,000

bit and then they leave her and she lays

686

00:29:03,770 --> 00:29:03,150

in that parking lot deceased for over an

687

00:29:06,080 --> 00:29:03,780

hour

688

00:29:10,610 --> 00:29:06,090

cops come by a couple times and check on

689

00:29:13,340 --> 00:29:10,620

her and leave her and this video is is

690

00:29:17,090 --> 00:29:13,350

one that I don't know how the FBI are

691

00:29:20,150 --> 00:29:17,100

whoever was covering this didn't find my

692

00:29:22,430 --> 00:29:20,160

cat five-by-five got this video you know

693

00:29:25,010 --> 00:29:22,440

on October 23rd because he went to the

694

00:29:26,660 --> 00:29:25,020

company and asked them for it the the

695

00:29:28,460 --> 00:29:26,670

police department never even checked

696

00:29:30,620 --> 00:29:28,470

with them to say hey is this camera on

697

00:29:32,840 --> 00:29:30,630

was it recording turns out that's one of

698

00:29:35,180 --> 00:29:32,850

the biggest videos of the event if I had

699

00:29:38,720 --> 00:29:35,190

to name five top videos from this event

700

00:29:41,230 --> 00:29:38,730

that's one of them he captures a whole

701  
00:29:44,630 --> 00:29:41,240  
lot of information in that video and

702  
00:29:46,700 --> 00:29:44,640  
that poor lady laid there dead for a

703  
00:29:49,820 --> 00:29:46,710  
long time all by herself and it's pretty

704  
00:29:52,790 --> 00:29:49,830  
sickening it's really sickening and

705  
00:29:55,510 --> 00:29:52,800  
ultimately do you see her being picked

706  
00:29:57,650 --> 00:29:55,520  
up and taken away yes okay I think it's

707  
00:30:01,700 --> 00:29:57,660  
it's starting to get close to a midnight

708  
00:30:03,410 --> 00:30:01,710  
a private citizen I mean it's probably

709  
00:30:06,110 --> 00:30:03,420  
one of the cops trucks comes and loads

710  
00:30:07,640 --> 00:30:06,120  
are into a truck not a not a police unit

711  
00:30:10,490 --> 00:30:07,650  
but a truck and they load her up and

712  
00:30:14,330 --> 00:30:10,500  
take her off and how do we know for sure

713  
00:30:16,280 --> 00:30:14,340

who that is just from research and and

714

00:30:19,220 --> 00:30:16,290

everybody just know at this point we've

715

00:30:20,870 --> 00:30:19,230

identified who it was and we just I

716

00:30:23,090 --> 00:30:20,880

don't I don't know who officially put it

717

00:30:24,920 --> 00:30:23,100

all together who it was but I've just

718

00:30:27,670 --> 00:30:24,930

always known it to be her when when the

719

00:30:30,500 --> 00:30:27,680

video came out and everything matches so

720

00:30:33,350 --> 00:30:30,510

has her family made any statement about

721

00:30:34,730 --> 00:30:33,360

that I'm not that I'm aware of them

722

00:30:37,610 --> 00:30:34,740

there was a memorial when I was in I

723

00:30:40,190 --> 00:30:37,620

went to Vegas and February to a protest

724

00:30:41,870 --> 00:30:40,200

of the LVN PD and when I went at that

725

00:30:44,300 --> 00:30:41,880

point you know there was a big memorial

726

00:30:46,190 --> 00:30:44,310

set up at that location for miss Ramirez

727

00:30:48,620 --> 00:30:46,200

so yeah I don't I don't think there's

728

00:30:52,040 --> 00:30:48,630

any doubt that was that was her and in

729

00:30:54,050 --> 00:30:52,050

the video itself but it's a it's a very

730

00:30:54,500 --> 00:30:54,060

hard video to watch there's no doubt

731

00:30:56,690 --> 00:30:54,510

about it

732

00:30:58,850 --> 00:30:56,700

so well we'll make sure that that video

733

00:31:01,550 --> 00:30:58,860

is is available on our website also for

734

00:31:02,600 --> 00:31:01,560

people to see as sad that is that's the

735

00:31:05,600 --> 00:31:02,610

first time I've heard that

736

00:31:06,350 --> 00:31:05,610

story so just literally left there by

737

00:31:09,110 --> 00:31:06,360

herself

738

00:31:11,300 --> 00:31:09,120

yes issues she was drugged up by two two

739

00:31:13,670 --> 00:31:11,310

males drug her up and stayed with her

740

00:31:14,960 --> 00:31:13,680

for a little bit and then they left and

741

00:31:17,270 --> 00:31:14,970

you know you've literally got people

742

00:31:18,260 --> 00:31:17,280

walking by her when looking over at her

743

00:31:20,930 --> 00:31:18,270

went oh my gosh

744

00:31:24,740 --> 00:31:20,940

keep on walking and she laid there for

745

00:31:27,380 --> 00:31:24,750

well over an hour by herself well we we

746

00:31:29,930 --> 00:31:27,390

have fortunately an opposite story that

747

00:31:32,060 --> 00:31:29,940

we told we had Heather Guzan was one of

748

00:31:34,370 --> 00:31:32,070

our first episodes where she actually

749

00:31:37,250 --> 00:31:34,380

stayed with a gentleman that was a

750

00:31:39,860 --> 00:31:37,260

complete stranger to her but she stayed

751  
00:31:41,810 --> 00:31:39,870  
with him for well over an hour but gosh

752  
00:31:43,460 --> 00:31:41,820  
I I'm not recalling the story but I

753  
00:31:46,070 --> 00:31:43,470  
think was a couple hours where she's

754  
00:31:47,750 --> 00:31:46,080  
trying with the stranger he was was dead

755  
00:31:49,970 --> 00:31:47,760  
but she stayed with him because she

756  
00:31:51,320 --> 00:31:49,980  
didn't want him to be alone right yeah

757  
00:31:52,610 --> 00:31:51,330  
there's there's you know several stories

758  
00:31:55,340 --> 00:31:52,620  
of that like that there talking to

759  
00:31:57,350 --> 00:31:55,350  
survivors and yeah it's it's I just

760  
00:31:59,300 --> 00:31:57,360  
that was when I saw that video it just

761  
00:32:01,310 --> 00:31:59,310  
killed me you know yeah you just you

762  
00:32:03,650 --> 00:32:01,320  
hate that it went down and it happened

763  
00:32:05,930 --> 00:32:03,660

to her in that nature it's just sad yeah

764

00:32:09,350 --> 00:32:05,940

because they most of the takeaway

765

00:32:11,870 --> 00:32:09,360

stories are very very positive

766

00:32:14,210 --> 00:32:11,880

I mean you Mull right here only great

767

00:32:16,970 --> 00:32:14,220

things about the way people conducted

768

00:32:18,890 --> 00:32:16,980

themselves ryr and in helping each other

769

00:32:21,500 --> 00:32:18,900

and so on I mean you know you've got

770

00:32:25,160 --> 00:32:21,510

some trampling but that's gonna happen

771

00:32:27,530 --> 00:32:25,170

in any crowded environment like that

772

00:32:29,510 --> 00:32:27,540

right generally a situation like that

773

00:32:31,070 --> 00:32:29,520

does bring out the best in humanity and

774

00:32:33,170 --> 00:32:31,080

you know if there's many many examples

775

00:32:34,880 --> 00:32:33,180

of it that night and I don't want to

776  
00:32:37,280 --> 00:32:34,890  
sound like I'm totally bashing the LVN

777  
00:32:39,560 --> 00:32:37,290  
PD I think the body cams show many

778  
00:32:40,820 --> 00:32:39,570  
heroes on that force that night there

779  
00:32:44,180 --> 00:32:40,830  
was a lot of cops did a lot of good

780  
00:32:46,340 --> 00:32:44,190  
things that night but you know it's it

781  
00:32:48,860 --> 00:32:46,350  
is what it is as far as the the powers

782  
00:32:50,630 --> 00:32:48,870  
to be I mean that their organization

783  
00:32:52,670 --> 00:32:50,640  
does not have the best history overall

784  
00:32:55,100 --> 00:32:52,680  
to begin with so this didn't help it any

785  
00:32:56,930 --> 00:32:55,110  
yeah I know I agree with you tons of

786  
00:32:59,450 --> 00:32:56,940  
heroics see it's it's caught on film

787  
00:33:03,140 --> 00:32:59,460  
we've seen it by Las Vegas police

788  
00:33:05,420 --> 00:33:03,150

and also the concert goes and being a

789

00:33:07,100 --> 00:33:05,430

country music fan myself I'd like to say

790

00:33:08,690 --> 00:33:07,110

that it was in part the type of people

791

00:33:11,270 --> 00:33:08,700

that go to country music concerts I

792

00:33:13,280 --> 00:33:11,280

think tend to be very upstander

793

00:33:15,980 --> 00:33:13,290

individuals and they proved it that night

794

00:33:18,260 --> 00:33:15,990

now one individual who did

795

00:33:19,730 --> 00:33:18,270

kind of live up to expectations you

796

00:33:22,370 --> 00:33:19,740

would probably agree as officer

797

00:33:26,090 --> 00:33:22,380

Hendricks on the 31st floor

798

00:33:28,669 --> 00:33:26,100

listening to the massacre right floor

799

00:33:31,040 --> 00:33:28,679

above him for over four minutes yeah

800

00:33:33,049 --> 00:33:31,050

that that was that was hard to watch I

801  
00:33:34,790 --> 00:33:33,059  
mean that's you know no one content can

802  
00:33:38,120 --> 00:33:34,800  
say for sure how they would react in a

803  
00:33:39,950 --> 00:33:38,130  
situation like that but you know he had

804  
00:33:42,380 --> 00:33:39,960  
the absolute worst reaction you could

805  
00:33:44,510 --> 00:33:42,390  
have I mean you know he was sworn to

806  
00:33:47,780 --> 00:33:44,520  
uphold the law and protect citizens and

807  
00:33:49,880 --> 00:33:47,790  
if nothing else his own friends were out

808  
00:33:53,060 --> 00:33:49,890  
there I just he could have done

809  
00:33:55,130 --> 00:33:53,070  
something I mean something he should and

810  
00:33:57,440 --> 00:33:55,140  
could have but he didn't you know and

811  
00:33:59,299 --> 00:33:57,450  
and and he not only did he not do

812  
00:34:00,530 --> 00:33:59,309  
anything he prevented four other people

813  
00:34:01,669 --> 00:34:00,540

from doing any there were three other

814

00:34:03,320 --> 00:34:01,679

people from doing anything as well

815

00:34:05,720 --> 00:34:03,330

because they were all following his lead

816

00:34:08,000 --> 00:34:05,730

yeah yeah and I and I believe they were

817

00:34:10,940 --> 00:34:08,010

armed these were armed absolutes that he

818

00:34:13,940 --> 00:34:10,950

was with so it wasn't as Lombardo said

819

00:34:16,970 --> 00:34:13,950

in one interview oh well you don't bring

820

00:34:20,869 --> 00:34:16,980

a knife to a gunfight there's an excuse

821

00:34:23,690 --> 00:34:20,879

for her doing that yeah it's like well

822

00:34:25,909 --> 00:34:23,700

first of all when the guy with the gun

823

00:34:27,290 --> 00:34:25,919

is massacring hundreds of people yes you

824

00:34:29,450 --> 00:34:27,300

do bring a knife you bring whatever you

825

00:34:30,830 --> 00:34:29,460

got right but he had a lot more than

826

00:34:33,470 --> 00:34:30,840

that he had a bulletproof vest on

827

00:34:36,500 --> 00:34:33,480

himself to begin with right and again

828

00:34:39,230 --> 00:34:36,510

and a fellow officer and a couple

829

00:34:40,310 --> 00:34:39,240

security guards with things exactly and

830

00:34:41,810 --> 00:34:40,320

the security guards looked like they

831

00:34:43,700 --> 00:34:41,820

wanted to go ahead they were actually

832

00:34:45,169 --> 00:34:43,710

you know if you watch that video

833

00:34:46,760 --> 00:34:45,179

one of them's in front of him going down

834

00:34:48,379 --> 00:34:46,770

the hall like come on and you know I

835

00:34:50,419 --> 00:34:48,389

firmly believe they could have gone in

836

00:34:52,730 --> 00:34:50,429

the stairwell and gone up to that floor

837

00:34:55,879 --> 00:34:52,740

and still been in with plenty of cover

838

00:34:58,660 --> 00:34:55,889

and just you know made noise shot a

839

00:35:01,310 --> 00:34:58,670

couple rounds into the door anything

840

00:35:03,620 --> 00:35:01,320

something to just draw his attention

841

00:35:04,849 --> 00:35:03,630

away yeah because at that point they

842

00:35:06,890 --> 00:35:04,859

didn't know his about the end even

843

00:35:08,660 --> 00:35:06,900

though it was about to end they didn't

844

00:35:10,849 --> 00:35:08,670

know that you know he could have made it

845

00:35:12,770 --> 00:35:10,859

last a lot longer so does that mean

846

00:35:14,690 --> 00:35:12,780

would they have stayed there in that you

847

00:35:17,090 --> 00:35:14,700

know hallway paused for if it last

848

00:35:20,510 --> 00:35:17,100

another ten minutes I'd say probably

849

00:35:23,660 --> 00:35:20,520

yeah sadly so yeah well in Lombardo has

850

00:35:26,810 --> 00:35:23,670

done nothing but make excuses for it and

851

00:35:29,530 --> 00:35:26,820

also delayed the release of that video

852

00:35:31,599 --> 00:35:29,540

also till after the election

853

00:35:34,570 --> 00:35:31,609

right a long time after the election

854

00:35:37,120 --> 00:35:34,580

yeah was he yeah he really comes out of

855

00:35:40,599 --> 00:35:37,130

this looking like quite a despicable

856

00:35:44,440 --> 00:35:40,609

person and I'm sure you're as astounded

857

00:35:46,240 --> 00:35:44,450

as we are that he got reelected I can't

858

00:35:47,770 --> 00:35:46,250

believe that actually if you remember in

859

00:35:49,660 --> 00:35:47,780

one of his earlier interviews before the

860

00:35:51,640 --> 00:35:49,670

release is coming out he actually made

861

00:35:53,290 --> 00:35:51,650

the quote said something like I don't

862

00:35:55,780 --> 00:35:53,300

want you to jump to conclusions when you

863

00:35:57,970 --> 00:35:55,790

see these body cams I think that video

864

00:36:00,220 --> 00:35:57,980

is what he was referencing because he

865

00:36:01,630 --> 00:36:00,230

knew one of his officers failed to take

866

00:36:02,710 --> 00:36:01,640

action and I think that's what he was

867

00:36:04,300 --> 00:36:02,720

referencing I think it's one of the

868

00:36:06,460 --> 00:36:04,310

reasons why the timeline was so screwed

869

00:36:09,070 --> 00:36:06,470

up right you know because they were

870

00:36:12,550 --> 00:36:09,080

trying to mask they were truth which was

871

00:36:15,250 --> 00:36:12,560

we were there we were in position to

872

00:36:17,890 --> 00:36:15,260

stop this and we had and it wasn't

873

00:36:20,230 --> 00:36:17,900

stopped so they were playing around with

874

00:36:23,320 --> 00:36:20,240

that timeline like crazy in the early

875

00:36:27,280 --> 00:36:23,330

stages the the other thing you know

876  
00:36:30,310 --> 00:36:27,290  
there's a few outstanding mysteries that

877  
00:36:32,260 --> 00:36:30,320  
they keep popping up high in my list I'm

878  
00:36:34,750 --> 00:36:32,270  
curious your thoughts about the fact

879  
00:36:37,510 --> 00:36:34,760  
that it took the police over an hour

880  
00:36:40,390 --> 00:36:37,520  
before they blew the door down all right

881  
00:36:43,510 --> 00:36:40,400  
I still can't figure out why they were

882  
00:36:45,550 --> 00:36:43,520  
so meticulous and careful and slow and

883  
00:36:48,010 --> 00:36:45,560  
methodical in going through these floors

884  
00:36:50,320 --> 00:36:48,020  
and clearing these floors and this and

885  
00:36:52,510 --> 00:36:50,330  
that we highlighted on our YouTube

886  
00:36:54,280 --> 00:36:52,520  
channel the video of one of the officers

887  
00:36:58,570 --> 00:36:54,290  
who wound up being one of the first in

888  
00:37:00,940 --> 00:36:58,580

the room taking a piss right in a

889

00:37:04,540 --> 00:37:00,950

bathroom and and taking time to wash his

890

00:37:06,700 --> 00:37:04,550

hands after going to the bathroom it's

891

00:37:08,620 --> 00:37:06,710

like how do these guys have enough time

892

00:37:11,320 --> 00:37:08,630

to be going to the bathroom and then

893

00:37:14,380 --> 00:37:11,330

washing their hands when you've got a

894

00:37:18,010 --> 00:37:14,390

quote/unquote active shooter situation

895

00:37:20,170 --> 00:37:18,020

they did not know that that panic could

896

00:37:22,330 --> 00:37:20,180

kill themself in fact you can tell they

897

00:37:24,520 --> 00:37:22,340

didn't know by the way they act when

898

00:37:26,710 --> 00:37:24,530

they are going to blow the door they

899

00:37:28,960 --> 00:37:26,720

these guys have some very serious looks

900

00:37:31,900 --> 00:37:28,970

on their face they are tense they don't

901  
00:37:33,520 --> 00:37:31,910  
know what's behind that door so you

902  
00:37:34,840 --> 00:37:33,530  
don't know what's behind the door you

903  
00:37:37,450 --> 00:37:34,850  
don't know how many people are behind

904  
00:37:39,160 --> 00:37:37,460  
the door yeah he stopped shooting but

905  
00:37:42,490 --> 00:37:39,170  
they could start to shooting up at any

906  
00:37:43,000 --> 00:37:42,500  
time why did it take them over an hour

907  
00:37:44,920 --> 00:37:43,010  
to Bree

908  
00:37:45,820 --> 00:37:44,930  
that door I agree and you're the

909  
00:37:47,440 --> 00:37:45,830  
gentleman you're talking about the

910  
00:37:49,600 --> 00:37:47,450  
officer David Newton and you know he's

911  
00:37:51,340 --> 00:37:49,610  
the one that took that you know piss

912  
00:37:54,760 --> 00:37:51,350  
heard around the world so to speak and

913  
00:37:56,800 --> 00:37:54,770

to me that was the first time I was

914

00:38:00,100 --> 00:37:56,810

watching all those body cam releases is

915

00:38:02,470 --> 00:38:00,110

I was just dreaming at my computer what

916

00:38:05,770 --> 00:38:02,480

are you waiting for you know it just I

917

00:38:07,720 --> 00:38:05,780

couldn't process how slow and methodical

918

00:38:10,960 --> 00:38:07,730

like you said how they were coming about

919

00:38:12,370 --> 00:38:10,970

this how can they be going this slow yes

920

00:38:15,760 --> 00:38:12,380

I know they hadn't heard shots in a

921

00:38:17,890 --> 00:38:15,770

while but they had no idea apparently if

922

00:38:20,470 --> 00:38:17,900

you believe that that that it was done

923

00:38:23,650 --> 00:38:20,480

it almost seemed like they maybe they

924

00:38:25,150 --> 00:38:23,660

did know he was down I mean and that's

925

00:38:27,820 --> 00:38:25,160

what's created a lot of these crazy

926  
00:38:29,500 --> 00:38:27,830  
controversies because you know I'd like

927  
00:38:31,630 --> 00:38:29,510  
to say yeah they didn't know that but I

928  
00:38:32,710 --> 00:38:31,640  
can't defend that because their actions

929  
00:38:35,230 --> 00:38:32,720  
and those body cams

930  
00:38:39,070 --> 00:38:35,240  
you know there's every indication and

931  
00:38:41,110 --> 00:38:39,080  
those body cams to me gives makes me

932  
00:38:43,720 --> 00:38:41,120  
think that they thought the shooter was

933  
00:38:46,870 --> 00:38:43,730  
down and done yeah it's just there's no

934  
00:38:49,150 --> 00:38:46,880  
no hurry at all yeah I mean one thing

935  
00:38:50,500 --> 00:38:49,160  
I've heard but you maybe you could speak

936  
00:38:52,870 --> 00:38:50,510  
to this having gone through all the

937  
00:38:55,630 --> 00:38:52,880  
videos is that did it take them that

938  
00:38:58,840 --> 00:38:55,640

long to get the breach materials that

939

00:39:01,270 --> 00:38:58,850

they needed explosives no no no Levi

940

00:39:03,520 --> 00:39:01,280

Hancock had it on him and he had it

941

00:39:04,750 --> 00:39:03,530

unwound ready to go in five seconds it

942

00:39:06,610 --> 00:39:04,760

seemed like you know he had that ready

943

00:39:09,160 --> 00:39:06,620

in the hallway you know it's just it's

944

00:39:10,810 --> 00:39:09,170

just like tape material breach you know

945

00:39:13,000 --> 00:39:10,820

the thing they used for that breach and

946

00:39:14,890 --> 00:39:13,010

he just rolled it out set a charge and

947

00:39:15,880 --> 00:39:14,900

placed it and and went no it wasn't that

948

00:39:18,520 --> 00:39:15,890

at all

949

00:39:20,860 --> 00:39:18,530

I don't know why they took him so long I

950

00:39:23,800 --> 00:39:20,870

don't I mean I understand clearing

951  
00:39:26,380 --> 00:39:23,810  
clearing the rooms down that particular

952  
00:39:29,560 --> 00:39:26,390  
hallway I don't know why they even

953  
00:39:32,350 --> 00:39:29,570  
bothered going in the the 134 one sorry

954  
00:39:34,690 --> 00:39:32,360  
1:35 suite one floor below where he took

955  
00:39:37,600 --> 00:39:34,700  
that piss what why are you going in

956  
00:39:39,520 --> 00:39:37,610  
there get up to where you know even if

957  
00:39:41,860 --> 00:39:39,530  
you knew he was down get on up there and

958  
00:39:44,350 --> 00:39:41,870  
secure the site can you know secure the

959  
00:39:46,540 --> 00:39:44,360  
crime scene yeah and that's what's

960  
00:39:48,400 --> 00:39:46,550  
amazing to me they would have you know

961  
00:39:50,680 --> 00:39:48,410  
Hendricks may have blood on his hands

962  
00:39:52,810 --> 00:39:50,690  
but man the entire police force would

963  
00:39:56,859 --> 00:39:52,820

have had blood on their hands if if

964

00:39:59,319 --> 00:39:56,869

paddock had been alive and opened fire

965

00:40:01,150 --> 00:39:59,329

well if it was alive in that room he

966

00:40:02,410 --> 00:40:01,160

could have mowed them down they were

967

00:40:05,589 --> 00:40:02,420

standing right there in that hallway

968

00:40:07,660 --> 00:40:05,599

across from room 134 I mean they were

969

00:40:09,309 --> 00:40:07,670

taking no precautions I mean I wouldn't

970

00:40:11,559 --> 00:40:09,319

have been anywhere in the open if

971

00:40:13,239 --> 00:40:11,569

someone was in the 134 room he could

972

00:40:14,859 --> 00:40:13,249

have shot right through the door and got

973

00:40:17,259 --> 00:40:14,869

every one of them standing in the hall

974

00:40:19,779 --> 00:40:17,269

in the stairwell it's like they weren't

975

00:40:21,370 --> 00:40:19,789

taking precautions of that it's almost

976  
00:40:24,039 --> 00:40:21,380  
like they had foreknowledge of what was

977  
00:40:26,259 --> 00:40:24,049  
on the other side of the door I mean and

978  
00:40:27,940 --> 00:40:26,269  
I can't make an argument against it and

979  
00:40:29,589 --> 00:40:27,950  
that drives me crazy because I do

980  
00:40:32,380 --> 00:40:29,599  
believe patek is guilty don't get me

981  
00:40:35,349 --> 00:40:32,390  
wrong I believe padic is guilty of sin I

982  
00:40:38,019 --> 00:40:35,359  
just I don't know if he had help or not

983  
00:40:41,079 --> 00:40:38,029  
I suspect he did he had help in some

984  
00:40:42,579 --> 00:40:41,089  
degree I don't think he was I think he

985  
00:40:45,579 --> 00:40:42,589  
was alone in that room from at least

986  
00:40:47,470 --> 00:40:45,589  
1012 on there's no doubt about that you

987  
00:40:49,839 --> 00:40:47,480  
know we had eyes on that room and how

988  
00:40:53,140 --> 00:40:49,849

all escape routes were covered and from

989

00:40:54,970 --> 00:40:53,150

1012 on well and even beyond that Doug

990

00:40:57,099 --> 00:40:54,980

Papa who we've had on the show I noticed

991

00:40:59,229 --> 00:40:57,109

he just posted something new for the

992

00:41:00,819 --> 00:40:59,239

first time where he's confirming that he

993

00:41:02,819 --> 00:41:00,829

was alone in the room the entire time

994

00:41:05,829 --> 00:41:02,829

based on the lock interrogation reports

995

00:41:09,670 --> 00:41:05,839

based on when the doors were locked and

996

00:41:11,229 --> 00:41:09,680

when they were unlocked he starts from a

997

00:41:13,630 --> 00:41:11,239

vantage point of when you go into the

998

00:41:15,339 --> 00:41:13,640

room what they found is what they found

999

00:41:17,440 --> 00:41:15,349

the body cams are there they're clear

1000

00:41:19,329 --> 00:41:17,450

right one person was found it was Patek

1001  
00:41:21,249 --> 00:41:19,339  
okay right if you follow the lock

1002  
00:41:22,960 --> 00:41:21,259  
reports from the room you would see that

1003  
00:41:24,729 --> 00:41:22,970  
no one else could have gotten into that

1004  
00:41:27,430 --> 00:41:24,739  
room based on the lock reports prior to

1005  
00:41:29,229 --> 00:41:27,440  
that so he feels it 100% confirmed that

1006  
00:41:32,140 --> 00:41:29,239  
paddock was the only one in that room

1007  
00:41:34,329 --> 00:41:32,150  
from the time that firing started as

1008  
00:41:36,309 --> 00:41:34,339  
well yeah go ahead well I was just gonna

1009  
00:41:38,789 --> 00:41:36,319  
say actually I know the lock reports

1010  
00:41:41,259 --> 00:41:38,799  
very well and I would disagree with his

1011  
00:41:44,200 --> 00:41:41,269  
assertion on that I I think the lock

1012  
00:41:46,930 --> 00:41:44,210  
reports show a very odd manipulation of

1013  
00:41:49,720 --> 00:41:46,940

the locks 30 minutes prior to it all

1014

00:41:51,579 --> 00:41:49,730

starting I don't I can't definitively

1015

00:41:52,599 --> 00:41:51,589

say what was going on but there's

1016

00:41:55,210 --> 00:41:52,609

something weird

1017

00:41:57,430 --> 00:41:55,220

I would I would encourage you to look at

1018

00:41:59,589 --> 00:41:57,440

the lock reports yourself and and plot

1019

00:42:03,999 --> 00:41:59,599

them out when everything is taking place

1020

00:42:05,650 --> 00:42:04,009

and if it was just paddock the guy was

1021

00:42:07,930 --> 00:42:05,660

doing some weird stuff in the hallway

1022

00:42:09,940 --> 00:42:07,940

going in and out closing shutting it

1023

00:42:12,370 --> 00:42:09,950

it's awful strange

1024

00:42:14,290 --> 00:42:12,380

but you know I again I go back to he was

1025

00:42:18,400 --> 00:42:14,300

alone from 1012 on I don't think

1026  
00:42:21,310 --> 00:42:18,410  
well perhaps Papa doesn't bother to to

1027  
00:42:22,839 --> 00:42:21,320  
dig into it prior to the final locking

1028  
00:42:24,010 --> 00:42:22,849  
because he's saying look bottom line if

1029  
00:42:27,430 --> 00:42:24,020  
this is the last time that they were

1030  
00:42:29,920 --> 00:42:27,440  
locked then the next is the breach and

1031  
00:42:32,710 --> 00:42:29,930  
there's one guy in there right then how

1032  
00:42:34,300 --> 00:42:32,720  
could there have been more guys and that

1033  
00:42:35,920 --> 00:42:34,310  
is very much accurate the last time it

1034  
00:42:38,680 --> 00:42:35,930  
was locked was well before the shooting

1035  
00:42:40,480 --> 00:42:38,690  
started yes it was Lee and I didn't

1036  
00:42:42,790 --> 00:42:40,490  
there again I don't I don't doubt that

1037  
00:42:45,010 --> 00:42:42,800  
at all there's no doubt that no one got

1038  
00:42:47,560 --> 00:42:45,020

out of that room from you know 1012 on

1039

00:42:49,420 --> 00:42:47,570

just wasn't away but it almost looks

1040

00:42:53,050 --> 00:42:49,430

like to me in those lock reports that he

1041

00:42:55,180 --> 00:42:53,060

was with someone before it but you know

1042

00:42:57,339 --> 00:42:55,190

that's just strictly speculation well

1043

00:43:01,210 --> 00:42:57,349

you would say you would say as recently

1044

00:43:04,060 --> 00:43:01,220

as 30 minutes before the shooting based

1045

00:43:06,910 --> 00:43:04,070

on your examination of the lock reports

1046

00:43:08,950 --> 00:43:06,920

it seems like more than one person it

1047

00:43:11,050 --> 00:43:08,960

really does yes and based on the

1048

00:43:12,790 --> 00:43:11,060

findings of another youtuber that I run

1049

00:43:15,579 --> 00:43:12,800

with all the time

1050

00:43:17,349 --> 00:43:15,589

UFO UK hunter I mean yes our UFO hunter

1051

00:43:19,450 --> 00:43:17,359

UK it's another youtuber that's out

1052

00:43:21,640 --> 00:43:19,460

there he's really dug into this he's

1053

00:43:25,530 --> 00:43:21,650

gone as far as contact the lock

1054

00:43:28,839 --> 00:43:25,540

manufacturer and find out where the

1055

00:43:30,970 --> 00:43:28,849

mechanism inside the lock where it lives

1056

00:43:34,000 --> 00:43:30,980

and how it actually reports back to this

1057

00:43:35,620 --> 00:43:34,010

system and it's there's a lot of

1058

00:43:37,599 --> 00:43:35,630

manipulation of those locks

1059

00:43:39,430 --> 00:43:37,609

yeah right before prior to the shooting

1060

00:43:41,079 --> 00:43:39,440

but no once it was finally thrown I

1061

00:43:43,630 --> 00:43:41,089

think it's nine thirty six and nine

1062

00:43:45,010 --> 00:43:43,640

forty six I think on the two doors yeah

1063

00:43:47,589 --> 00:43:45,020

and they never open again until the

1064

00:43:49,300 --> 00:43:47,599

breach okay so that's something that

1065

00:43:51,400 --> 00:43:49,310

you're suspicious of that indicates

1066

00:43:53,200 --> 00:43:51,410

perhaps he had help what what other

1067

00:43:56,500 --> 00:43:53,210

things can you point to that tell you

1068

00:43:58,780 --> 00:43:56,510

that you think yet help um well you know

1069

00:44:01,630 --> 00:43:58,790

all the explosives and the van bothers

1070

00:44:04,390 --> 00:44:01,640

me I you know it's it just seems like an

1071

00:44:07,300 --> 00:44:04,400

odd an odd thing to have all that

1072

00:44:12,940 --> 00:44:07,310

explosives in the van and not any plans

1073

00:44:14,770 --> 00:44:12,950

to use it so you know it's you know and

1074

00:44:17,170 --> 00:44:14,780

that's where I'm so conflicted my common

1075

00:44:19,329 --> 00:44:17,180

sense side of me wants to believe it was

1076

00:44:20,980 --> 00:44:19,339

just paddock but then I just can't

1077

00:44:22,960 --> 00:44:20,990

answer so many questions like you know

1078

00:44:24,049 --> 00:44:22,970

like what you're asking me I can't

1079

00:44:27,199 --> 00:44:24,059

pinpoint anyone

1080

00:44:29,359 --> 00:44:27,209

thing but just it's like when you add it

1081

00:44:31,249 --> 00:44:29,369

all up the collective just doesn't seem

1082

00:44:34,069 --> 00:44:31,259

like he could have got this accomplished

1083

00:44:35,959 --> 00:44:34,079

by himself well and one of the things

1084

00:44:37,249 --> 00:44:35,969

I've always been an obvious thing to

1085

00:44:39,829 --> 00:44:37,259

point out for the beginning is the lack

1086

00:44:42,709 --> 00:44:39,839

of a note but that it's definitely yet

1087

00:44:45,079 --> 00:44:42,719

another curious element that is

1088

00:44:47,809 --> 00:44:45,089

unexplained because right it sure seems

1089

00:44:51,910 --> 00:44:47,819

like he went through a lot of hassle a

1090

00:44:55,160 --> 00:44:51,920

lot of planning to not leave behind any

1091

00:44:56,689 --> 00:44:55,170

indication as to why he did it right and

1092

00:44:59,359 --> 00:44:56,699

you could make an argument you know

1093

00:45:02,209 --> 00:44:59,369

watching all the CCTV footage that the

1094

00:45:03,589 --> 00:45:02,219

Mandalay Bay released you know hi you

1095

00:45:05,359 --> 00:45:03,599

could make the argument that paddock did

1096

00:45:07,609 --> 00:45:05,369

not look like a man that was ready to

1097

00:45:10,640 --> 00:45:07,619

was planning on not leaving that hotel

1098

00:45:13,489 --> 00:45:10,650

he is very calm cool collected I mean he

1099

00:45:14,630 --> 00:45:13,499

he paid off all his debts to the hotel

1100

00:45:16,969 --> 00:45:14,640

so if he wanted to get back at the

1101

00:45:19,279 --> 00:45:16,979

hotels why would he pay debts off it's

1102

00:45:22,309 --> 00:45:19,289

just it's it's they're gonna just

1103

00:45:24,109 --> 00:45:22,319

doesn't add up to the final episode of

1104

00:45:29,089 --> 00:45:24,119

what happened nothing adds up to what

1105

00:45:32,179 --> 00:45:29,099

actually happened yeah yeah you you know

1106

00:45:34,189 --> 00:45:32,189

we we interviewed early in the series an

1107

00:45:36,229 --> 00:45:34,199

expert on lone wolf shootings and he

1108

00:45:37,910 --> 00:45:36,239

said that he wasn't aware he couldn't

1109

00:45:40,099 --> 00:45:37,920

think of a case where the guy didn't

1110

00:45:43,189 --> 00:45:40,109

leave behind some manifesto some note

1111

00:45:46,309 --> 00:45:43,199

some indication as to already did yeah

1112

00:45:48,049 --> 00:45:46,319

yeah it just doesn't it doesn't really

1113

00:45:49,910 --> 00:45:48,059

make that much sense especially when you

1114

00:45:52,969 --> 00:45:49,920

deal with someone who you know

1115

00:45:54,679 --> 00:45:52,979

apparently was a huge you know egomaniac

1116

00:45:57,469 --> 00:45:54,689

and narcissist and everything I mean

1117

00:46:01,039 --> 00:45:57,479

which it seems like he was it's almost

1118

00:46:02,120 --> 00:46:01,049

you know you want that infamy and so

1119

00:46:04,579 --> 00:46:02,130

yeah you'd think you would leave

1120

00:46:06,380 --> 00:46:04,589

something behind I mean I think I think

1121

00:46:08,089 --> 00:46:06,390

we know all that stuff from your

1122

00:46:10,309 --> 00:46:08,099

interview I mean kudos to you you got

1123

00:46:11,900 --> 00:46:10,319

the one interview with Bruce I thought

1124

00:46:15,709 --> 00:46:11,910

that interview told us a whole lot about

1125

00:46:17,539 --> 00:46:15,719

his brother um it was great yeah I think

1126

00:46:19,039 --> 00:46:17,549

I think most of his information was was

1127

00:46:21,109 --> 00:46:19,049

coming from mom I think I think Bruce

1128

00:46:22,249 --> 00:46:21,119

talks to mom right I think that's what

1129

00:46:24,499 --> 00:46:22,259

we were getting when we talked to

1130

00:46:27,439 --> 00:46:24,509

Bruce's we were getting really what the

1131

00:46:29,719 --> 00:46:27,449

mom was able to to share with him but

1132

00:46:33,259 --> 00:46:29,729

you know my explanation for the no note

1133

00:46:35,809 --> 00:46:33,269

is the shooting is the note another word

1134

00:46:38,180 --> 00:46:35,819

that is the message you know that that I

1135

00:46:39,830 --> 00:46:38,190

could achieve this

1136

00:46:43,100 --> 00:46:39,840

you know right that I could do this that

1137

00:46:46,760 --> 00:46:43,110

I'm what was smart enough capable enough

1138

00:46:50,240 --> 00:46:46,770

to pull this off you know in this very

1139

00:46:52,370 --> 00:46:50,250

very very twisted narcissists head who

1140

00:46:54,050 --> 00:46:52,380

also was probably some form of a

1141

00:46:56,450 --> 00:46:54,060

psychopath his father we know was a

1142

00:46:59,480 --> 00:46:56,460

psychopath I've never got the love of

1143

00:47:03,440 --> 00:46:59,490

his father out to perhaps outdo his

1144

00:47:05,060 --> 00:47:03,450

father by beating the casinos just like

1145

00:47:06,950 --> 00:47:05,070

his dad used to rob banks he's out

1146

00:47:09,680 --> 00:47:06,960

beating beating the casinos and then

1147

00:47:13,480 --> 00:47:09,690

when he starts to lose to the casinos

1148

00:47:17,990 --> 00:47:13,490

apparently you know he's gonna beat them

1149

00:47:20,270 --> 00:47:18,000

in this other extraordinary way and it

1150

00:47:23,090 --> 00:47:20,280

is pretty extraordinary I mean in in a

1151

00:47:26,990 --> 00:47:23,100

sick sick way you'd have to say it's

1152

00:47:31,160 --> 00:47:27,000

impressive what this guy was able to do

1153

00:47:34,700 --> 00:47:31,170

under the under the nose of Mandalay Bay

1154

00:47:37,400 --> 00:47:34,710

in MGM oh absolutely I mean if it was

1155

00:47:40,460 --> 00:47:37,410

really just him and he did all this all

1156

00:47:42,440 --> 00:47:40,470

by himself with no help I mean the most

1157

00:47:45,350 --> 00:47:42,450

successful mass murder of all time I

1158

00:47:47,690 --> 00:47:45,360

mean he he pulled it off to perfection

1159

00:47:51,590 --> 00:47:47,700

other than you know the the tanks did

1160

00:47:53,510 --> 00:47:51,600

not go up you know but I didn't you said

1161

00:47:55,910 --> 00:47:53,520

it right there the most successful mass

1162

00:48:01,400 --> 00:47:55,920

murderer of all time I think that's the

1163

00:48:05,300 --> 00:48:01,410

title this crazy nutjob wanted and you

1164

00:48:07,340 --> 00:48:05,310

know it does make you not want to even

1165

00:48:08,750 --> 00:48:07,350

say his name and and we even thought

1166

00:48:11,000 --> 00:48:08,760

about that when we first started doing

1167

00:48:12,530 --> 00:48:11,010

the show is you know should we be

1168

00:48:14,390 --> 00:48:12,540

mentioning this guy's name my bright

1169

00:48:15,980 --> 00:48:14,400

idea of mentioning this guy's name but

1170

00:48:18,050 --> 00:48:15,990

you know it's just the practicalities

1171

00:48:19,970 --> 00:48:18,060

it's just so hard to cover it right

1172

00:48:21,350 --> 00:48:19,980

without mentioning the name it's

1173

00:48:23,450 --> 00:48:21,360

sickening you know it's there's like

1174

00:48:25,640 --> 00:48:23,460

I've said it from day one paddock was

1175

00:48:27,590 --> 00:48:25,650

guilty of a whole lot I mean whether you

1176

00:48:29,420 --> 00:48:27,600

think you know whatever you want to

1177

00:48:31,430 --> 00:48:29,430

think what theory you want to believe I

1178

00:48:33,740 --> 00:48:31,440

have no doubt the man is guilty of

1179

00:48:36,080 --> 00:48:33,750

something and you know I I just I go

1180

00:48:37,580 --> 00:48:36,090

back to the pan off the casinos if you

1181

00:48:39,410 --> 00:48:37,590

were gonna get back at the casinos why

1182

00:48:41,870 --> 00:48:39,420

would you pay him off I just that seems

1183

00:48:45,740 --> 00:48:41,880

a little odd why would you stop when he

1184

00:48:47,090 --> 00:48:45,750

did that seems odd to me it seems like

1185

00:48:48,680 --> 00:48:47,100

if you you know if you were if he was

1186

00:48:52,250 --> 00:48:48,690

really planning on making this his big

1187

00:48:54,260 --> 00:48:52,260

tada one last stand why not just keep

1188

00:48:57,080 --> 00:48:54,270

shoot until all your rounds are gone why

1189

00:48:58,880 --> 00:48:57,090

not you know shoot a few at the Luxor

1190

00:49:01,370 --> 00:48:58,890

right there beside him and break out all

1191

00:49:03,920 --> 00:49:01,380

those windows just go haywire he still

1192

00:49:05,900 --> 00:49:03,930

had five thousand rounds you know so yep

1193

00:49:09,590 --> 00:49:05,910

that's add that to the list of

1194

00:49:11,360 --> 00:49:09,600

unexplained things you know my little

1195

00:49:14,840 --> 00:49:11,370

theory on that is that you know he went

1196

00:49:17,500 --> 00:49:14,850

out in an orgy of violence and he had

1197

00:49:20,000 --> 00:49:17,510

had his orgasm that to put it in that

1198

00:49:21,470 --> 00:49:20,010

manner number one number two you know I

1199

00:49:23,360 --> 00:49:21,480

do believe and I might be wrong about

1200

00:49:27,260 --> 00:49:23,370

this but I do believe that the crowd may

1201  
00:49:29,510 --> 00:49:27,270  
have been somewhat dispersed oh okay

1202  
00:49:31,400 --> 00:49:29,520  
that time so so the shooting fish in a

1203  
00:49:33,740 --> 00:49:31,410  
barrel was kind of no longer the case

1204  
00:49:36,440 --> 00:49:33,750  
correct and most of that I firmly

1205  
00:49:40,040 --> 00:49:36,450  
believe most of the victims came in the

1206  
00:49:42,320 --> 00:49:40,050  
first few volleys the the later own

1207  
00:49:43,730 --> 00:49:42,330  
volleys you know were directed at cops

1208  
00:49:45,890 --> 00:49:43,740  
here and yeah he what he didn't have a

1209  
00:49:47,240 --> 00:49:45,900  
clear target at that point that's where

1210  
00:49:48,890 --> 00:49:47,250  
I would think just I guess it's saying

1211  
00:49:50,630 --> 00:49:48,900  
something about me I think I would turn

1212  
00:49:52,280 --> 00:49:50,640  
to the Luxor and say hey how many

1213  
00:49:54,080 --> 00:49:52,290

windows can I break out real quick and

1214

00:49:56,420 --> 00:49:54,090

then again he could have just been spent

1215

00:49:58,970 --> 00:49:56,430

for firing a thousand rounds he was an

1216

00:50:02,060 --> 00:49:58,980

older man and people like to say anyone

1217

00:50:04,160 --> 00:50:02,070

can shoot an ar-15 okay not anyone can

1218

00:50:07,130 --> 00:50:04,170

shoot a thousand rounds through an ar-15

1219

00:50:09,140 --> 00:50:07,140

that's ludicrous to think that and not

1220

00:50:11,540 --> 00:50:09,150

be tired and gassed he could have just

1221

00:50:13,100 --> 00:50:11,550

been gassed you know I think you're

1222

00:50:14,930 --> 00:50:13,110

probably onto something there yeah yeah

1223

00:50:16,640 --> 00:50:14,940

and supposedly he who did have back

1224

00:50:19,310 --> 00:50:16,650

problems similar to his brother crisis

1225

00:50:21,140 --> 00:50:19,320

and I think the volleys the sound of the

1226

00:50:23,150 --> 00:50:21,150

volleys do back that up a little bit

1227

00:50:25,700 --> 00:50:23,160

because if you listen to the first few

1228

00:50:27,350 --> 00:50:25,710

volleys they're very regimented so

1229

00:50:29,480 --> 00:50:27,360

regimented in fact people think it's

1230

00:50:31,820 --> 00:50:29,490

from a belt-fed weapon but if you listen

1231

00:50:34,520 --> 00:50:31,830

to the last couple volleys they're very

1232

00:50:36,920 --> 00:50:34,530

you know in or minute like you possibly

1233

00:50:38,450 --> 00:50:36,930

could be getting tired and and I don't

1234

00:50:41,000 --> 00:50:38,460

know if you've ever shot a bump stock a

1235

00:50:42,800 --> 00:50:41,010

bump stock is very hard to fire it takes

1236

00:50:45,710 --> 00:50:42,810

a lot of coordination and you've got to

1237

00:50:48,350 --> 00:50:45,720

really hold on to your rifle and if

1238

00:50:49,550 --> 00:50:48,360

you're gassed and tired maybe that's

1239

00:50:51,140 --> 00:50:49,560

what you're hearing in those shots

1240

00:50:54,200 --> 00:50:51,150

because yeah it's very unorganized

1241

00:50:56,390 --> 00:50:54,210

pattern on those last couple rounds and

1242

00:50:59,210 --> 00:50:56,400

what about all the people that were

1243

00:51:01,040 --> 00:50:59,220

absolutely in fact to this day a hundred

1244

00:51:03,320 --> 00:51:01,050

percent convinced that were at the

1245

00:51:05,660 --> 00:51:03,330

concert that it was multiple shooters he

1246

00:51:08,000 --> 00:51:05,670

said the sound of the gunshots

1247

00:51:10,670 --> 00:51:08,010

there's no way it was one shooter well

1248

00:51:13,299 --> 00:51:10,680

Jim I've talked to several survivors of

1249

00:51:16,009 --> 00:51:13,309

this event that we're in the venue and

1250

00:51:18,109 --> 00:51:16,019

every single one of them believes there

1251  
00:51:21,049 --> 00:51:18,119  
was multiple shooters and a shooter at

1252  
00:51:22,819 --> 00:51:21,059  
the event and I've talked to several

1253  
00:51:24,470 --> 00:51:22,829  
that that don't want to come out and

1254  
00:51:26,960 --> 00:51:24,480  
don't want to give their story because

1255  
00:51:29,329 --> 00:51:26,970  
they're afraid of being chastised online

1256  
00:51:31,370 --> 00:51:29,339  
and I think there's a lot of people out

1257  
00:51:34,130 --> 00:51:31,380  
there I've said for a long time if we

1258  
00:51:36,349 --> 00:51:34,140  
ever get a smoking gun to this case it's

1259  
00:51:40,460 --> 00:51:36,359  
going to come from a private video of a

1260  
00:51:42,769 --> 00:51:40,470  
survivor and I know there's still

1261  
00:51:44,779 --> 00:51:42,779  
survivors out there that has videos and

1262  
00:51:48,140 --> 00:51:44,789  
has information that hasn't released it

1263  
00:51:50,599 --> 00:51:48,150

I just released a video last week where

1264

00:51:52,250 --> 00:51:50,609

a survivor contacted me it's the first

1265

00:51:54,470 --> 00:51:52,260

time anyone's seen two of the three

1266

00:51:56,299 --> 00:51:54,480

videos I released and they were recorded

1267

00:51:58,460 --> 00:51:56,309

right within I call the kill zone the

1268

00:52:00,980 --> 00:51:58,470

worst place to be inside the venue and

1269

00:52:02,750 --> 00:52:00,990

we haven't seen those in 11 months

1270

00:52:04,789 --> 00:52:02,760

because she was afraid to come forward

1271

00:52:06,470 --> 00:52:04,799

because she didn't want to take heat and

1272

00:52:08,180 --> 00:52:06,480

Kristen because what what's happening is

1273

00:52:10,370 --> 00:52:08,190

these survivors are getting it from both

1274

00:52:12,289 --> 00:52:10,380

sides they're getting it from the real

1275

00:52:14,059 --> 00:52:12,299

crazy conspiracy theorists saying all

1276

00:52:15,799 --> 00:52:14,069

your fake it was all fake and you're

1277

00:52:17,089 --> 00:52:15,809

lying you're part of the cover-up and

1278

00:52:20,990 --> 00:52:17,099

then you're getting it from the

1279

00:52:23,509 --> 00:52:21,000

narrative guys saying oh you just think

1280

00:52:24,410 --> 00:52:23,519

you heard two shooters and and so

1281

00:52:26,059 --> 00:52:24,420

they're really kind of getting it from

1282

00:52:28,279 --> 00:52:26,069

both sides so they don't want to come

1283

00:52:33,140 --> 00:52:28,289

out and tell anybody and that's what we

1284

00:52:36,319 --> 00:52:33,150

don't need so yeah well you know the

1285

00:52:38,059 --> 00:52:36,329

explanations perhaps for the hearing

1286

00:52:40,279 --> 00:52:38,069

different shots is they're on the ground

1287

00:52:41,539 --> 00:52:40,289

you got tremendous echoing going on down

1288

00:52:45,109 --> 00:52:41,549

there not to mention you've got

1289

00:52:47,120 --> 00:52:45,119

microphones onstage yes but correct I

1290

00:52:50,150 --> 00:52:47,130

firmly believe I think when you see the

1291

00:52:52,490 --> 00:52:50,160

the the survivors and victims talk about

1292

00:52:54,859 --> 00:52:52,500

it felt like the gunshots were following

1293

00:52:57,769 --> 00:52:54,869

me I think it is some of the PA system

1294

00:53:00,380 --> 00:52:57,779

picking that up and pushing it through

1295

00:53:01,880 --> 00:53:00,390

other speakers in the venue when at the

1296

00:53:04,999 --> 00:53:01,890

end of the day with all this talk about

1297

00:53:07,490 --> 00:53:05,009

additional shooters whether it be at the

1298

00:53:12,170 --> 00:53:07,500

time or in the eleven o'clock hour we

1299

00:53:15,349 --> 00:53:12,180

just don't have any evidence additional

1300

00:53:18,019 --> 00:53:15,359

to the 911 calls or what people have

1301  
00:53:19,340 --> 00:53:18,029  
said in other words where are where is

1302  
00:53:21,320 --> 00:53:19,350  
the bullet holes

1303  
00:53:24,410 --> 00:53:21,330  
right New York New York where the bullet

1304  
00:53:26,270 --> 00:53:24,420  
holes at Bellagio when a number is

1305  
00:53:28,790 --> 00:53:26,280  
incorrect there's no evidence physical

1306  
00:53:29,360 --> 00:53:28,800  
hard evidence of any other shooter but

1307  
00:53:31,430 --> 00:53:29,370  
Patek

1308  
00:53:33,620 --> 00:53:31,440  
but I can tell you every survivor that

1309  
00:53:35,900 --> 00:53:33,630  
I've talked to I firmly believe them

1310  
00:53:38,960 --> 00:53:35,910  
100% they believe there was another

1311  
00:53:40,430 --> 00:53:38,970  
shooter in the venue I mean I've had

1312  
00:53:42,530 --> 00:53:40,440  
some tell me as far as they've seen

1313  
00:53:44,780 --> 00:53:42,540

muzzle flash within the venue but don't

1314

00:53:48,170 --> 00:53:44,790

want to talk about it and well the other

1315

00:53:51,890 --> 00:53:48,180

thing missing in my view is okay let's

1316

00:53:54,610 --> 00:53:51,900

say there were other shooters in the 11

1317

00:53:57,350 --> 00:53:54,620

o'clock hour these reports were accurate

1318

00:53:59,330 --> 00:53:57,360

who are these other shooters all right

1319

00:54:02,600 --> 00:53:59,340

what is their relationship to paddock

1320

00:54:04,910 --> 00:54:02,610

what is this what was this if there were

1321

00:54:08,090 --> 00:54:04,920

in fact additional shooters in the 11

1322

00:54:10,670 --> 00:54:08,100

o'clock hour right the bottom line if it

1323

00:54:12,230 --> 00:54:10,680

was if it if there is something to all

1324

00:54:16,100 --> 00:54:12,240

the claims of hearing shots between

1325

00:54:18,710 --> 00:54:16,110

11:00 and 12:00 and some of the deeper

1326

00:54:22,040 --> 00:54:18,720

theories are correct it just it has to

1327

00:54:23,750 --> 00:54:22,050

be a cover-up of a epic proportion

1328

00:54:25,730 --> 00:54:23,760

that's the only explanation and it's

1329

00:54:27,170 --> 00:54:25,740

deep dark and nefarious and I don't even

1330

00:54:29,390 --> 00:54:27,180

want to know about it to be honest with

1331

00:54:31,940 --> 00:54:29,400

you if that's the case because I mean

1332

00:54:32,990 --> 00:54:31,950

you've you've got it's not like you know

1333

00:54:35,000 --> 00:54:33,000

a lot of people talk about the

1334

00:54:38,390 --> 00:54:35,010

helicopters and I even point out some

1335

00:54:40,520 --> 00:54:38,400

suspicious helicopters during that time

1336

00:54:43,220 --> 00:54:40,530

but there's nothing that went on that

1337

00:54:45,740 --> 00:54:43,230

night in the air that the FAA didn't

1338

00:54:47,000 --> 00:54:45,750

know about so you know if there is

1339

00:54:50,030 --> 00:54:47,010

something even covered up you're looking

1340

00:54:50,750 --> 00:54:50,040

at the levels that it would reach that's

1341

00:54:53,000 --> 00:54:50,760

scary

1342

00:54:56,380 --> 00:54:53,010

so you know it's that's the only other

1343

00:54:59,870 --> 00:54:56,390

it's either of own wolf or a crazy huge

1344

00:55:03,430 --> 00:54:59,880

conspiracy and you're in tight with that

1345

00:55:06,200 --> 00:55:03,440

conspiracy crowd on YouTube

1346

00:55:08,600 --> 00:55:06,210

give us what that what what they would

1347

00:55:10,940 --> 00:55:08,610

say what what is this big huge other

1348

00:55:12,650 --> 00:55:10,950

c-cup couple different theories running

1349

00:55:13,970 --> 00:55:12,660

around you know a lot of people do still

1350

00:55:16,190 --> 00:55:13,980

think it was some sort of Saudi

1351  
00:55:20,090 --> 00:55:16,200  
involvement and it was some type of an

1352  
00:55:21,110 --> 00:55:20,100  
assassination attempt some people well

1353  
00:55:22,610 --> 00:55:21,120  
let me ask you about the Saudi way

1354  
00:55:24,230 --> 00:55:22,620  
because that one was floated quite a bit

1355  
00:55:26,060 --> 00:55:24,240  
and we did cover that a little bit on

1356  
00:55:28,550 --> 00:55:26,070  
the show but the idea is that there's a

1357  
00:55:29,810 --> 00:55:28,560  
Saudi prince that owns the four seasons

1358  
00:55:32,539 --> 00:55:29,820  
that he was staying at the four seasons

1359  
00:55:36,169 --> 00:55:32,549  
that then the crown prince

1360  
00:55:40,069 --> 00:55:36,179  
was seen at the Tropicana and that this

1361  
00:55:41,599 --> 00:55:40,079  
was a hit on the crown prince because he

1362  
00:55:45,079 --> 00:55:41,609  
was about to crack down on corruption

1363  
00:55:48,829 --> 00:55:45,089

and in fact did and I believe put the

1364

00:55:50,989 --> 00:55:48,839

other Prince in in jail in in in the

1365

00:55:53,929 --> 00:55:50,999

ritz-carlton jail as they call it in in

1366

00:55:57,069 --> 00:55:53,939

Saudi Arabia a week or two after Vegas

1367

00:55:59,929 --> 00:55:57,079

so but do we even know for sure on that

1368

00:56:03,380 --> 00:55:59,939

conspiracy theory if you know were those

1369

00:56:05,209 --> 00:56:03,390

two guys actually in Vegas there's no no

1370

00:56:06,650 --> 00:56:05,219

proof whatsoever they were in Vegas and

1371

00:56:09,349 --> 00:56:06,660

the gentlemen they show walking through

1372

00:56:11,839 --> 00:56:09,359

the Tropicana is not a prince that is a

1373

00:56:14,239 --> 00:56:11,849

cop who was at a softball game and had

1374

00:56:15,949 --> 00:56:14,249

went out got his gun from his car and

1375

00:56:17,179 --> 00:56:15,959

came back here and he was a security

1376

00:56:18,529 --> 00:56:17,189

guard I think not because he was the one

1377

00:56:19,789 --> 00:56:18,539

that was supposed to be he was the one

1378

00:56:23,509 --> 00:56:19,799

who's supposed to be the Crown Prince so

1379

00:56:25,370 --> 00:56:23,519

you say yes that's right

1380

00:56:27,259 --> 00:56:25,380

okay I don't remember his name now with

1381

00:56:30,410 --> 00:56:27,269

no that's not the case and there's no

1382

00:56:34,370 --> 00:56:30,420

evidence whatsoever that puts anybody

1383

00:56:36,199 --> 00:56:34,380

you know MSB in Vegas that night there's

1384

00:56:39,589 --> 00:56:36,209

just not out there either either of the

1385

00:56:42,410 --> 00:56:39,599

princes no no nobody know so how did

1386

00:56:44,870 --> 00:56:42,420

that how did that story even even start

1387

00:56:46,849 --> 00:56:44,880

well it's there's crazy I mean there's

1388

00:56:48,650 --> 00:56:46,859

but it's not just that there's people to

1389

00:56:51,469 --> 00:56:48,660

think it was all one big drill and a

1390

00:56:54,410 --> 00:56:51,479

fake totally fake nobody died and they

1391

00:56:58,429 --> 00:56:54,420

were using rubber dummies in the venue

1392

00:57:00,259 --> 00:56:58,439

and it's it's crazy okay let's bring it

1393

00:57:03,199 --> 00:57:00,269

a little bit back down to earth so

1394

00:57:06,019 --> 00:57:03,209

you've debunked the Saudi theory what

1395

00:57:07,910 --> 00:57:06,029

would be the most commonly followed a

1396

00:57:11,269 --> 00:57:07,920

conspiracy theory that that people are

1397

00:57:13,459 --> 00:57:11,279

tracking in YouTube I don't know if you

1398

00:57:16,489 --> 00:57:13,469

could really say one theory is the more

1399

00:57:18,289 --> 00:57:16,499

common of any of the theories I think

1400

00:57:20,870 --> 00:57:18,299

the general consensus is we all feel

1401  
00:57:24,499 --> 00:57:20,880  
like something is a myth and we're all

1402  
00:57:26,269 --> 00:57:24,509  
kind of at different levels but I you

1403  
00:57:28,849 --> 00:57:26,279  
know I don't that the Saudi thing it's

1404  
00:57:30,709 --> 00:57:28,859  
just my opinion I don't believe that guy

1405  
00:57:33,829 --> 00:57:30,719  
coming through the Tropicana I'm I'm in

1406  
00:57:35,569 --> 00:57:33,839  
my mind I'm convinced that's a guard at

1407  
00:57:37,849 --> 00:57:35,579  
the Tropicana some people will tell you

1408  
00:57:40,130 --> 00:57:37,859  
right now no that was the prince so it

1409  
00:57:41,989 --> 00:57:40,140  
still comes down to opinion I don't

1410  
00:57:44,900 --> 00:57:41,999  
think that was the case by any means but

1411  
00:57:46,440 --> 00:57:44,910  
you know it's I don't think there's any

1412  
00:57:49,740 --> 00:57:46,450  
one theory that everybody

1413  
00:57:52,440 --> 00:57:49,750

scribes - it's all it's it's just it's a

1414

00:57:54,720 --> 00:57:52,450  
floating scale all the time I think I

1415

00:57:57,120 --> 00:57:54,730  
kind of fall into the yeah I think

1416

00:57:58,920 --> 00:57:57,130  
they're covering up some but given the

1417

00:58:01,530 --> 00:57:58,930  
right evidence I could be totally

1418

00:58:04,349 --> 00:58:01,540  
convinced it's just the LVM PD in the

1419

00:58:05,940 --> 00:58:04,359  
cover-your-ass mode is to cover up but

1420

00:58:07,349 --> 00:58:05,950  
given the right evidence - I could be

1421

00:58:10,020 --> 00:58:07,359  
convinced that maybe there was something

1422

00:58:13,290 --> 00:58:10,030  
more nefarious going on but until I get

1423

00:58:15,870 --> 00:58:13,300  
that concrete evidence I cannot commit

1424

00:58:17,310 --> 00:58:15,880  
totally to saying yes there was shooting

1425

00:58:19,200 --> 00:58:17,320  
going on between 11:00 and 12:00 even

1426

00:58:21,810 --> 00:58:19,210

though I suspect and what I see in my

1427

00:58:24,390 --> 00:58:21,820

numbers kind of leads me that direction

1428

00:58:26,700 --> 00:58:24,400

I still got to go about what I can prove

1429

00:58:28,290 --> 00:58:26,710

and I can't prove anything yeah well I

1430

00:58:30,420 --> 00:58:28,300

could say regarding the reports of

1431

00:58:32,460 --> 00:58:30,430

shootings I compare it to when we had a

1432

00:58:34,410 --> 00:58:32,470

big earthquake here 20 or so years ago

1433

00:58:37,500 --> 00:58:34,420

in Los Angeles and we had a lot of

1434

00:58:42,150 --> 00:58:37,510

aftershocks and it got to the point

1435

00:58:44,579 --> 00:58:42,160

where any time a truck went by I thought

1436

00:58:46,230 --> 00:58:44,589

we were having an earthquake as it just

1437

00:58:49,500 --> 00:58:46,240

it was happening so often you start

1438

00:58:51,030 --> 00:58:49,510

confusing one for the other and it I

1439

00:58:54,359 --> 00:58:51,040

think it's very possible that in the

1440

00:58:57,180 --> 00:58:54,369

skittish environment that people were in

1441

00:58:58,530 --> 00:58:57,190

after that shooting I mean it was crazy

1442

00:59:02,309 --> 00:58:58,540

I mean you've talked to enough people

1443

00:59:04,380 --> 00:59:02,319

and so I - to know how crazy it was that

1444

00:59:06,900 --> 00:59:04,390

they say that you know to say that this

1445

00:59:09,180 --> 00:59:06,910

was a ten minute event is to totally

1446

00:59:11,040 --> 00:59:09,190

misunderstand what was going on in Vegas

1447

00:59:14,280 --> 00:59:11,050

at that time right this was this was a

1448

00:59:16,200 --> 00:59:14,290

three or four or five hour event it was

1449

00:59:18,809 --> 00:59:16,210

madness because they just did not know

1450

00:59:20,579 --> 00:59:18,819

no one knew what was going on and there

1451  
00:59:23,339 --> 00:59:20,589  
was panic popping up all over the place

1452  
00:59:25,890 --> 00:59:23,349  
and so anything you're hearing that's

1453  
00:59:28,859 --> 00:59:25,900  
that's loud at that point is sounding

1454  
00:59:31,440 --> 00:59:28,869  
like a gunshot right right and and just

1455  
00:59:33,690 --> 00:59:31,450  
the way the the powers to be are

1456  
00:59:35,849 --> 00:59:33,700  
handling it just adds to the problem

1457  
00:59:38,849 --> 00:59:35,859  
they're just not being you know it's

1458  
00:59:40,620 --> 00:59:38,859  
like the MGM not releasing their video

1459  
00:59:42,480 --> 00:59:40,630  
from inside the hotel they released it

1460  
00:59:44,550 --> 00:59:42,490  
through a news organization there's only

1461  
00:59:48,569 --> 00:59:44,560  
reason we have the CCTV footage of panic

1462  
00:59:50,730 --> 00:59:48,579  
to begin with the evidence is there that

1463  
00:59:52,380 --> 00:59:50,740

could be released to put a lot of these

1464

00:59:53,819 --> 00:59:52,390

theories to bed and I'll give you an

1465

00:59:57,059 --> 00:59:53,829

example of that

1466

00:59:59,309 --> 00:59:57,069

you know we've got you know officer Levi

1467

01:00:00,300 --> 00:59:59,319

Hancock who performed the breach and was

1468

01:00:02,490 --> 01:00:00,310

the first one in the

1469

01:00:06,620 --> 01:00:02,500

in the room that night he conveniently

1470

01:00:10,830 --> 01:00:06,630

left his body cam off wasn't recording

1471

01:00:13,380 --> 01:00:10,840

his one of his I forget the guys what

1472

01:00:15,090 --> 01:00:13,390

his position is makes the excuse formal

1473

01:00:19,290 --> 01:00:15,100

he didn't have it on but he clearly has

1474

01:00:21,030 --> 01:00:19,300

it on him from the videos so Levi didn't

1475

01:00:24,270 --> 01:00:21,040

he conveniently did not turn his SWAT

1476

01:00:27,030 --> 01:00:24,280

camera off to this date we have one body

1477

01:00:29,100 --> 01:00:27,040

cam showing inside either of those two

1478

01:00:31,460 --> 01:00:29,110

rooms when there was like seven or eight

1479

01:00:35,370 --> 01:00:31,470

officers that went into that room just

1480

01:00:36,660 --> 01:00:35,380

release more videos that show more in

1481

01:00:38,430 --> 01:00:36,670

that room like another big conspiracy

1482

01:00:40,800 --> 01:00:38,440

that people are really latching onto

1483

01:00:44,040 --> 01:00:40,810

which I don't believe is that the glass

1484

01:00:45,900 --> 01:00:44,050

in room 30 to 135 was not broken till

1485

01:00:48,450 --> 01:00:45,910

after the shooting ended and that's

1486

01:00:51,290 --> 01:00:48,460

because there's no video proof showing

1487

01:00:53,190 --> 01:00:51,300

that there's actually a gentleman a

1488

01:00:54,990 --> 01:00:53,200

policeman that walks right up to the

1489

01:00:57,690 --> 01:00:55,000

window opens the curtains and looks out

1490

01:01:00,960 --> 01:00:57,700

where's his body cam footage why haven't

1491

01:01:03,570 --> 01:01:00,970

we seen that they could quiet a lot of

1492

01:01:06,870 --> 01:01:03,580

the conspiracies by releasing evidence

1493

01:01:10,020 --> 01:01:06,880

and but yet we keep getting these you

1494

01:01:10,470 --> 01:01:10,030

know five hour later recordings and it's

1495

01:01:12,780 --> 01:01:10,480

just

1496

01:01:16,290 --> 01:01:12,790

Lombardo needs to be more tuned in to

1497

01:01:18,480 --> 01:01:16,300

the fact that survivors still want more

1498

01:01:21,000 --> 01:01:18,490

answers and residents still want more

1499

01:01:23,280 --> 01:01:21,010

answers and they are still confused and

1500

01:01:25,770 --> 01:01:23,290

they they still don't really know what

1501

01:01:27,750 --> 01:01:25,780

happened this is not over Lombardo needs

1502

01:01:29,760 --> 01:01:27,760

to come forward last thing I want to

1503

01:01:31,740 --> 01:01:29,770

cover with you because it's been one of

1504

01:01:34,770 --> 01:01:31,750

my little fascinations from the

1505

01:01:38,160 --> 01:01:34,780

beginning the vase with fake flowers

1506

01:01:40,230 --> 01:01:38,170

that paddock buys at Walmart's in brings

1507

01:01:42,150 --> 01:01:40,240

another room and is found in the room by

1508

01:01:44,010 --> 01:01:42,160

the police what the heck is that all

1509

01:01:46,260 --> 01:01:44,020

about yep that's just one of those

1510

01:01:48,990 --> 01:01:46,270

scratch your head moments that what what

1511

01:01:51,390 --> 01:01:49,000

where does that fit in anywhere you know

1512

01:01:53,850 --> 01:01:51,400

I don't know the you know the to body

1513

01:01:56,540 --> 01:01:53,860

massagers that were plugged up in the

1514

01:01:59,310 --> 01:01:56,550

suitcase you know where does that fit in

1515

01:02:01,530 --> 01:01:59,320

there's just so many questions and we're

1516

01:02:03,960 --> 01:02:01,540

never gonna get the answers I'm afraid

1517

01:02:08,160 --> 01:02:03,970

cuz the LV MPD controls the narrative of

1518

01:02:10,620 --> 01:02:08,170

that hotel and that we know so I just

1519

01:02:13,290 --> 01:02:10,630

don't understand where the rest of the I

1520

01:02:14,190 --> 01:02:13,300

want to see the actual high-resolution

1521

01:02:15,780 --> 01:02:14,200

photos

1522

01:02:17,460 --> 01:02:15,790

from that night not just the ones

1523

01:02:20,250 --> 01:02:17,470

they're dumping into these PDFs and

1524

01:02:22,560 --> 01:02:20,260

they're terrible terrible quality that

1525

01:02:25,500 --> 01:02:22,570

the survivors and victims need this

1526  
01:02:27,030 --> 01:02:25,510  
closure they need something because I

1527  
01:02:30,660 --> 01:02:27,040  
mean there's people it's almost a year

1528  
01:02:33,120 --> 01:02:30,670  
later and you know emotion is still

1529  
01:02:35,730 --> 01:02:33,130  
extremely extremely high for a lot of

1530  
01:02:38,490 --> 01:02:35,740  
people yeah they're gonna see that this

1531  
01:02:41,070 --> 01:02:38,500  
week at the reunion in Vegas I cannot go

1532  
01:02:42,600 --> 01:02:41,080  
and it makes me sick but they're all

1533  
01:02:44,220 --> 01:02:42,610  
going out there for the anniversary on

1534  
01:02:47,310 --> 01:02:44,230  
the first and there's a lot of survivors

1535  
01:02:49,590 --> 01:02:47,320  
going and it's a lot of people need more

1536  
01:02:52,440 --> 01:02:49,600  
that's for sure well it's been 50 over

1537  
01:02:54,030 --> 01:02:52,450  
50 years since JFK's assassination and

1538  
01:02:56,180 --> 01:02:54,040

we're still talking about that something

1539

01:02:58,110 --> 01:02:56,190

tells me that in 50 years from now

1540

01:03:00,390 --> 01:02:58,120

you're still gonna be talking about this

1541

01:03:02,310 --> 01:03:00,400

shooting mr. Ron Burgundy

1542

01:03:04,170 --> 01:03:02,320

glad to have finally connected with you

1543

01:03:06,540 --> 01:03:04,180

you're doing amazing work keep it up and

1544

01:03:07,890 --> 01:03:06,550

let's stay in touch thank you so much

1545

01:03:11,010 --> 01:03:07,900

for having me out Jim all right take

1546

01:03:13,200 --> 01:03:11,020

care all right thank you again Ron

1547

01:03:14,670 --> 01:03:13,210

Burgundy for giving us your time and for

1548

01:03:17,280 --> 01:03:14,680

all the attention that you've given to

1549

01:03:21,090 --> 01:03:17,290

this I know that you do it in tribute to

1550

01:03:22,860 --> 01:03:21,100

the victims and so do we and October

1551

01:03:27,720 --> 01:03:22,870

first coming up is the day to remember

1552

01:03:30,930 --> 01:03:27,730

those victims the 58th the 450

1553

01:03:32,820 --> 01:03:30,940

additional that were shot the eight or

1554

01:03:37,320 --> 01:03:32,830

nine hundred or so that were injured and

1555

01:03:38,730 --> 01:03:37,330

all the others that still are trying to

1556

01:03:42,660 --> 01:03:38,740

get over what they experienced that

1557

01:03:45,150 --> 01:03:42,670

night I was supposed to be there I feel

1558

01:03:47,190 --> 01:03:45,160

very fortunate that I was not there but

1559

01:03:49,740 --> 01:03:47,200

I feel very close to those that were

1560

01:03:52,440 --> 01:03:49,750

being a country music fan myself and

1561

01:03:54,270 --> 01:03:52,450

having interviewed so many of them that

1562

01:03:57,180 --> 01:03:54,280

I I know what they're going through and

1563

01:04:00,810 --> 01:03:57,190

I hope that October 1st is a day that

1564

01:04:02,830 --> 01:04:00,820

helps them heal and move past this

1565
