laura loomer citizen journalist she

works with info

17

00:00:42,630 --> 00:00:40,480

wars she works with milo yiannopoulos

18

00:00:45,029 --> 00:00:42,640

with dangerous and she's writing a book

19

00:00:46,389 --> 00:00:45,039

about the las vegas shooting called what

20

00:00:48,470 --> 00:00:46,399

happens in vegas

21

00:00:49,990 --> 00:00:48,480

she's been going through all the

22

00:00:52,310 --> 00:00:50,000

documents and the body cam

23

00:00:53,670 --> 00:00:52,320

and the audio etc that the las vegas

24

00:00:55,430 --> 00:00:53,680

police have been

25

00:00:57,189 --> 00:00:55,440

have been putting out there it's

26

00:00:58,869 --> 00:00:57,199

voluminous stuff we've been going

27

00:01:00,150 --> 00:00:58,879

through it also but laura has really

28

00:01:01,349 --> 00:01:00,160

been going through with the fine-tooth

29

00:01:02,869 --> 00:01:01,359

comb and

30

00:01:05,910 --> 00:01:02,879

you're going to be amazed at some of the

31

00:01:09,109 --> 00:01:05,920

things that she has found including

32

00:01:10,710 --> 00:01:09,119

another isis connection related to

33

00:01:12,149 --> 00:01:10,720

stephen paddock

34

00:01:14,630 --> 00:01:12,159

44

00:01:34,230 --> 00:01:33,360  
here's our interview with laura loomer

45

00:01:37,270 --> 00:01:34,240  
so let's just

46

00:01:38,310 --> 00:01:37,280  
start by talking about all the stuff

47

00:01:40,310 --> 00:01:38,320  
that's been released

48

00:01:41,749 --> 00:01:40,320  
by the police finally as a result of

49

00:01:43,749 --> 00:01:41,759  
that court ruling

50

00:01:45,109 --> 00:01:43,759  
and i just want to get your thoughts

51

00:01:47,190 --> 00:01:45,119

having gone through

52

00:01:49,030 --> 00:01:47,200

through it you know what are you finding

53

00:01:51,910 --> 00:01:49,040

interesting in it so far

54

00:01:54,149 --> 00:01:51,920

well there's been now six uh batches of

55

00:01:56,469 --> 00:01:54,159

information that have been released

56

00:01:57,749 --> 00:01:56,479

and the sixth batch i guess that would

57

00:02:01,510 --> 00:01:57,759

be today

58

00:02:02,789 --> 00:02:01,520

in which uh i'm told uh footage from 28

59

00:02:05,830 --> 00:02:02,799

body cams is re

60

00:02:08,229 --> 00:02:05,840

was released along with 500 audio files

61

00:02:09,190 --> 00:02:08,239

and uh in the last batch of information

62

00:02:11,510 --> 00:02:09,200

that was released

63

00:02:13,750 --> 00:02:11,520

and the one uh prior to that as well

64

00:02:14,550 --> 00:02:13,760

which includes 9-1-1 calls witness

65

00:02:17,030 --> 00:02:14,560

statements

66

00:02:19,830 --> 00:02:17,040

and also dispatch logs from officers

67

00:02:22,309 --> 00:02:19,840

there's a lot of inconsistencies that

68

00:02:22,869 --> 00:02:22,319

don't match up with what law enforcement

69

00:02:24,550 --> 00:02:22,879

told us

70

00:02:27,190 --> 00:02:24,560

the night of the shooting and the

71

00:02:29,430 --> 00:02:27,200

immediate aftermath

72

00:02:32,309 --> 00:02:29,440

after the shooting as well in the first

73

00:02:34,790 --> 00:02:32,319

joint fbi and lgmpd press conferences

74

00:02:37,030 --> 00:02:34,800

and i also proved

75

00:02:37,990 --> 00:02:37,040

that i was right when i confronted

76

00:02:40,630 --> 00:02:38,000

sheriff lombardo

77

00:02:41,030 --> 00:02:40,640

at the press conference when i asked him

78

00:02:42,390 --> 00:02:41,040

um

79

00:02:44,070 --> 00:02:42,400

you know why they were lying about the

80

00:02:45,830 --> 00:02:44,080

timeline because the new documents

81

00:02:46,949 --> 00:02:45,840

proved that on the night of the shooting

82

00:02:49,750 --> 00:02:46,959

the fbi and

83

00:02:51,509 --> 00:02:49,760

ldmpd was aware that stephen paddock

84

00:02:54,150 --> 00:02:51,519

checked in on the 25th

85

00:02:55,509 --> 00:02:54,160

but as you know uh sheriff lombardo who

86

00:02:58,309 --> 00:02:55,519

unfortunately was just

87

00:03:00,070 --> 00:02:58,319

re-elected last night and aaron rouse

88

00:03:00,949 --> 00:03:00,080

who's the special agent in charge of the

89

00:03:02,949 --> 00:03:00,959

fbi

90

00:03:04,470 --> 00:03:02,959

uh they told people for about a week and

91

00:03:07,110 --> 00:03:04,480

a half after the shooting

92

00:03:08,470 --> 00:03:07,120

that um stephen paddock checked in on

93

00:03:11,670 --> 00:03:08,480

the 28th when they knew

94

00:03:13,190 --> 00:03:11,680

for a fact that night uh as documented

95

00:03:14,470 --> 00:03:13,200

in the dispatch logs that he was there

96

00:03:16,309 --> 00:03:14,480

on the 25th

97

00:03:17,990 --> 00:03:16,319

yeah now speaking of that issue i mean

98

00:03:20,390 --> 00:03:18,000

do you have any theory as to why they

99

00:03:22,070 --> 00:03:20,400

weren't more upfront about that to begin

100

00:03:23,670 --> 00:03:22,080

with any particular well they're

101  
00:03:25,190 --> 00:03:23,680  
they're obviously they're they're

102  
00:03:26,550 --> 00:03:25,200  
obviously hiding uh

103  
00:03:28,470 --> 00:03:26,560  
information and look it's not a

104  
00:03:31,030 --> 00:03:28,480  
conspiracy theory to say that another

105  
00:03:33,190 --> 00:03:31,040  
another aspect of the dispatch logs that

106  
00:03:36,070 --> 00:03:33,200  
are very concerning is um

107  
00:03:38,309 --> 00:03:36,080  
on one of the pages it says that when

108  
00:03:41,190 --> 00:03:38,319  
metro officers entered the room

109  
00:03:43,350 --> 00:03:41,200  
uh they they found uh three women who

110  
00:03:45,110 --> 00:03:43,360  
were checked into stephen paddock's room

111  
00:03:46,630 --> 00:03:45,120  
so what i want to know is why did

112  
00:03:49,670 --> 00:03:46,640  
sheriff lombardo and why

113  
00:03:52,229 --> 00:03:49,680

did aaron rouse uh continue well why did

114

00:03:55,270 --> 00:03:52,239

they stay and then continue to tell us

115

00:03:56,390 --> 00:03:55,280

that uh there was nobody else in stephen

116

00:03:58,630 --> 00:03:56,400

paddock's room

117

00:04:00,149 --> 00:03:58,640

if you recall they said oh stephen

118

00:04:01,910 --> 00:04:00,159

paddock's a lone shooter oh

119

00:04:03,589 --> 00:04:01,920

he didn't have any help mary lou danley

120

00:04:04,789 --> 00:04:03,599

was in the philippines oh nobody knew

121

00:04:07,429 --> 00:04:04,799

who this guy was

122

00:04:08,789 --> 00:04:07,439

nobody was in the room right but then of

123

00:04:10,710 --> 00:04:08,799

course i had

124

00:04:13,110 --> 00:04:10,720

exclusively reported the rumor seats

125

00:04:16,710 --> 00:04:13,120

that i obtained that showed that he uh

126

00:04:18,710 --> 00:04:16,720

ordered room service for two i was able

127

00:04:19,749 --> 00:04:18,720

to track down a facebook post from one

128

00:04:21,590 --> 00:04:19,759

of the uh

129

00:04:23,510 --> 00:04:21,600

employees the housekeeping employees

130

00:04:24,390 --> 00:04:23,520

that was posted in spanish that said

131

00:04:26,310 --> 00:04:24,400

that

132

00:04:27,749 --> 00:04:26,320

stephen paddock had ordered room service

133

00:04:29,189 --> 00:04:27,759

for multiple people

134

00:04:30,950 --> 00:04:29,199

and what do you know they said they

135

00:04:32,390 --> 00:04:30,960

found three women in the room so who are

136

00:04:34,070 --> 00:04:32,400

these women and how come

137

00:04:35,590 --> 00:04:34,080

how come we're not told who these women

138

00:04:36,550 --> 00:04:35,600

are right it's the worst mass shooting

139

00:04:38,070 --> 00:04:36,560

in you

140

00:04:40,070 --> 00:04:38,080

now when you say they found three women

141

00:04:42,230 --> 00:04:40,080

in the room there's two you know two

142

00:04:43,590 --> 00:04:42,240

possible reportings on that one is three

143

00:04:45,590 --> 00:04:43,600

were registered to the room

144

00:04:46,870 --> 00:04:45,600

versus three were actually in the room

145

00:04:49,909 --> 00:04:46,880

when they breached the door

146

00:04:52,710 --> 00:04:49,919

which are you oh the dispatch log says

147

00:04:53,670 --> 00:04:52,720

three females in the room three females

148

00:04:55,990 --> 00:04:53,680

in the room

149

00:04:57,749 --> 00:04:56,000

so you can see the dispatch logs for

150

00:04:59,350 --> 00:04:57,759

yourself and people can interpret that

151

00:05:02,790 --> 00:04:59,360

information on their own

152

00:05:04,710 --> 00:05:02,800

but when i when if a mass shooting is

153

00:05:05,350 --> 00:05:04,720

taking place and officers are breaching

154

00:05:06,550 --> 00:05:05,360

the door

155

00:05:08,790 --> 00:05:06,560

do you really think they're going to be

156

00:05:12,150 --> 00:05:08,800

like focused immediately on

157

00:05:13,749 --> 00:05:12,160

uh on on looking for

158

00:05:14,950 --> 00:05:13,759

whether or not like people are checked

159

00:05:16,710 --> 00:05:14,960

in the room are they gonna look for

160

00:05:18,150 --> 00:05:16,720

actual people who are in the room who

161

00:05:20,310 --> 00:05:18,160

may be shooters right

162

00:05:21,990 --> 00:05:20,320

they're gonna be looking for the shooter

163

00:05:23,430 --> 00:05:22,000

like if they found stephen paddock or

164

00:05:24,070 --> 00:05:23,440

they say they found him dead on the

165

00:05:26,550 --> 00:05:24,080

floor

166

00:05:28,469 --> 00:05:26,560

and then who else was in the room and

167

00:05:30,550 --> 00:05:28,479

you know from those dispatch logs

168

00:05:32,390 --> 00:05:30,560

it's pretty clear that they're saying

169

00:05:35,590 --> 00:05:32,400

that the room

170

00:05:37,029 --> 00:05:35,600

was in control room 32135 which was

171

00:05:39,830 --> 00:05:37,039

stephen paddock's suite

172

00:05:41,270 --> 00:05:39,840

and then they said that uh you know they

173

00:05:42,550 --> 00:05:41,280

mentioned something about the suspect

174

00:05:44,710 --> 00:05:42,560

you can go back and see the exact

175

00:05:48,150 --> 00:05:44,720

wording yourself and then they also said

176

00:05:50,710 --> 00:05:48,160

three females in the room yeah so

177

00:05:51,270 --> 00:05:50,720

you know we have body cam of the police

178

00:05:53,029 --> 00:05:51,280

entering

179

00:05:55,350 --> 00:05:53,039

we don't see three women in that there's

180

00:05:55,990 --> 00:05:55,360

been no other reports anywhere of three

181

00:05:57,670 --> 00:05:56,000

women being

182

00:05:59,670 --> 00:05:57,680

in the room when they breached the door

183

00:06:00,230 --> 00:05:59,680

so i think most people are interpreting

184

00:06:02,070 --> 00:06:00,240

that

185

00:06:04,790 --> 00:06:02,080

to mean even though they said in the

186

00:06:06,629 --> 00:06:04,800

room was being registered to the room

187

00:06:08,950 --> 00:06:06,639

but even then even if it was registered

188

00:06:11,029 --> 00:06:08,960

to the room didn't um lvmpd and

189

00:06:12,790 --> 00:06:11,039

and the fbi say that stephen paddock was

190

00:06:14,790 --> 00:06:12,800

registered to the room by himself

191

00:06:16,550 --> 00:06:14,800

they did right so i don't know why

192

00:06:18,150 --> 00:06:16,560

people are pretending like this isn't a

193

00:06:20,150 --> 00:06:18,160

big deal and it's just

194

00:06:21,909 --> 00:06:20,160

it's so obnoxious because you have all

195

00:06:23,430 --> 00:06:21,919

these reporters in vegas and they have

196

00:06:25,430 --> 00:06:23,440

one job right it's not like they're

197

00:06:27,189 --> 00:06:25,440

national news reporters their one job is

198

00:06:28,390 --> 00:06:27,199

to report the news in vegas and

199

00:06:30,550 --> 00:06:28,400

none of them are reporting this

200

00:06:31,670 --> 00:06:30,560

information i think it's a pretty big

201  
00:06:33,270 --> 00:06:31,680  
deal

202  
00:06:35,029 --> 00:06:33,280  
don't you i mean don't you think it's a

203  
00:06:36,870 --> 00:06:35,039  
pretty big deal if there were three

204  
00:06:39,909 --> 00:06:36,880  
women registered to the room and and

205  
00:06:41,830 --> 00:06:39,919  
and the fbi and the las vegas

206  
00:06:43,670 --> 00:06:41,840  
metropolitan police department and this

207  
00:06:44,550 --> 00:06:43,680  
crooked sheriff that was just reelected

208  
00:06:46,629 --> 00:06:44,560  
last night

209  
00:06:47,590 --> 00:06:46,639  
is telling the american people for nine

210  
00:06:49,589 --> 00:06:47,600  
months straight

211  
00:06:51,270 --> 00:06:49,599  
that there was nobody else registered to

212  
00:06:53,029 --> 00:06:51,280  
the room besides stephen paddock yeah i

213  
00:06:54,469 --> 00:06:53,039

think it is a big deal and and i think

214

00:06:56,950 --> 00:06:54,479

that there's a lot of

215

00:06:58,550 --> 00:06:56,960

the fact that they have gone so quiet

216

00:07:01,589 --> 00:06:58,560

and they're simply dumping

217

00:07:02,070 --> 00:07:01,599

these documents and and in video and

218

00:07:05,589 --> 00:07:02,080

audio

219

00:07:09,110 --> 00:07:05,599

logs with zero explanation zero

220

00:07:12,390 --> 00:07:09,120

uh organization to them what have you is

221

00:07:14,070 --> 00:07:12,400

really considering what happened

222

00:07:15,990 --> 00:07:14,080

in the tragedy and the people that are

223

00:07:18,230 --> 00:07:16,000

dead and the people that are injured

224

00:07:19,749 --> 00:07:18,240

for them to be so callous in the way

225

00:07:22,710 --> 00:07:19,759

that they've been handling this

226

00:07:23,589 --> 00:07:22,720

in blocking any efforts for people to

227

00:07:25,830 --> 00:07:23,599

get the information

228

00:07:27,510 --> 00:07:25,840

ultimately only disclosing it once the

229

00:07:29,350 --> 00:07:27,520

court requires them to do that

230

00:07:30,790 --> 00:07:29,360

and then doing it almost like a child

231

00:07:33,830 --> 00:07:30,800

like saying okay

232

00:07:36,070 --> 00:07:33,840

we had to do this so here you go exactly

233

00:07:37,430 --> 00:07:36,080

well and another thing um and you can

234

00:07:40,150 --> 00:07:37,440

see a lot of my reports they're on

235

00:07:42,790 --> 00:07:40,160

dangerous.com and also on lauraleomer.us

236

00:07:44,790 --> 00:07:42,800

but um it appears that the fbi knew

237

00:07:47,510 --> 00:07:44,800

about stephen paddock prior to

238

00:07:48,550 --> 00:07:47,520

the las vegas shooting and my source

239

00:07:50,309 --> 00:07:48,560

within the fbi

240

00:07:52,550 --> 00:07:50,319

told me that the vegas shooting could

241

00:07:54,469 --> 00:07:52,560

have been prevented because the fbi

242

00:07:56,230 --> 00:07:54,479

had information available to them that

243

00:07:58,150 --> 00:07:56,240

would have prompted an investigation

244

00:07:59,749 --> 00:07:58,160

prior to stephen paddock carrying out

245

00:08:01,990 --> 00:07:59,759

the mandalay bay shooting

246

00:08:03,189 --> 00:08:02,000

so if he even really did right and what

247

00:08:06,390 --> 00:08:03,199

is that information

248

00:08:07,670 --> 00:08:06,400

so um in one of the uh documents that

249

00:08:10,950 --> 00:08:07,680

were released it was

250

00:08:13,110 --> 00:08:10,960

a uh an account by one of the police

251  
00:08:14,710 --> 00:08:13,120  
officers and the detectives reporting on

252  
00:08:15,510 --> 00:08:14,720  
behalf of department of homeland

253  
00:08:17,589 --> 00:08:15,520  
security

254  
00:08:19,510 --> 00:08:17,599  
his name is officer andre bates and he

255  
00:08:23,110 --> 00:08:19,520  
works for lgmtd

256  
00:08:25,110 --> 00:08:23,120  
um on october 6 he wrote

257  
00:08:26,869 --> 00:08:25,120  
that they became aware that even

258  
00:08:28,869 --> 00:08:26,879  
paddock's bank account had been shut

259  
00:08:30,869 --> 00:08:28,879  
down on the basis of suspicion of

260  
00:08:31,589 --> 00:08:30,879  
terrorism prior to the las vegas

261  
00:08:33,589 --> 00:08:31,599  
shooting

262  
00:08:34,630 --> 00:08:33,599  
so one of his bank accounts he had many

263  
00:08:37,350 --> 00:08:34,640

of them of course

264

00:08:38,070 --> 00:08:37,360

one was actually shut down because he

265

00:08:40,389 --> 00:08:38,080

kept making

266

00:08:42,389 --> 00:08:40,399

large international transfers and the

267

00:08:43,909 --> 00:08:42,399

banks suspected that he was using the

268

00:08:46,710 --> 00:08:43,919

money for terrorism

269

00:08:48,470 --> 00:08:46,720

and according to uh according to my

270

00:08:51,509 --> 00:08:48,480

source in the fbi

271

00:08:54,389 --> 00:08:51,519

um when you're when a bank shuts down

272

00:08:55,430 --> 00:08:54,399

a account for suspicion of terrorism or

273

00:08:58,870 --> 00:08:55,440

money laundering

274

00:09:00,389 --> 00:08:58,880

they are then required to send a report

275

00:09:01,829 --> 00:09:00,399

right they have to flag it for

276

00:09:04,470 --> 00:09:01,839

suspicious activity

277

00:09:05,750 --> 00:09:04,480

and then they have to send a report and

278

00:09:09,750 --> 00:09:05,760

uh it's called

279

00:09:12,070 --> 00:09:09,760

the finson database right and when

280

00:09:13,110 --> 00:09:12,080

that stands for financial uh financial

281

00:09:15,269 --> 00:09:13,120

crimes

282

00:09:17,350 --> 00:09:15,279

enforcement network and then when you

283

00:09:19,110 --> 00:09:17,360

send this report to finson

284

00:09:20,790 --> 00:09:19,120

then what happens is it goes into a

285

00:09:24,470 --> 00:09:20,800

database and the fbi

286

00:09:27,269 --> 00:09:24,480

and other federal agencies like like dhs

287

00:09:28,790 --> 00:09:27,279

cia all of them really they have access

288

00:09:30,550 --> 00:09:28,800

to finston's database

289

00:09:33,030 --> 00:09:30,560

database which includes every single

290

00:09:36,230 --> 00:09:33,040

suspicious activity report that's filed

291

00:09:37,990 --> 00:09:36,240

so that means that the fbi has a

292

00:09:38,710 --> 00:09:38,000

responsibility when an account is

293

00:09:40,550 --> 00:09:38,720

flagged

294

00:09:42,230 --> 00:09:40,560

to sort through the reports that are

295

00:09:44,710 --> 00:09:42,240

then submitted through fenson

296

00:09:46,310 --> 00:09:44,720

and it's their job to then investigate

297

00:09:47,829 --> 00:09:46,320

the people who are flagged for

298

00:09:50,550 --> 00:09:47,839

suspicious activity

299

00:09:51,910 --> 00:09:50,560

in the finson database so the fbi

300

00:09:54,310 --> 00:09:51,920

dropped the ball

301  
00:09:55,750 --> 00:09:54,320  
once again just like they did many times

302  
00:09:58,389 --> 00:09:55,760  
as we've seen in the past

303  
00:09:59,110 --> 00:09:58,399  
uh year year or two over the years

304  
00:10:02,710 --> 00:09:59,120  
because

305  
00:10:04,310 --> 00:10:02,720  
um they didn't um they didn't

306  
00:10:06,389 --> 00:10:04,320  
investigate this league

307  
00:10:07,829 --> 00:10:06,399  
right i mean this is this better you

308  
00:10:09,350 --> 00:10:07,839  
want to call it an act

309  
00:10:10,870 --> 00:10:09,360  
whether you want to call this an act of

310  
00:10:12,230 --> 00:10:10,880  
international terrorism

311  
00:10:14,790 --> 00:10:12,240  
or you want to call it an act of

312  
00:10:17,990 --> 00:10:14,800  
domestic terrorism right we still

313  
00:10:20,230 --> 00:10:18,000

there's still that uh you know that that

314

00:10:22,069 --> 00:10:20,240

kind of unanswered that mystery

315

00:10:24,230 --> 00:10:22,079

surrounding whether or not this was an

316

00:10:25,110 --> 00:10:24,240

isis terrorist attack because you know

317

00:10:27,030 --> 00:10:25,120

they didn't really

318

00:10:29,269 --> 00:10:27,040

show us any evidence that isis wasn't

319

00:10:32,310 --> 00:10:29,279

responsible and isis has continued

320

00:10:34,150 --> 00:10:32,320

to claim responsibility um but it's

321

00:10:36,470 --> 00:10:34,160

clear that this still was an

322

00:10:37,990 --> 00:10:36,480

act of terrorism right when you gun down

323

00:10:41,430 --> 00:10:38,000

58 people that is

324

00:10:42,150 --> 00:10:41,440

terrorism so um well that's why the fbi

325

00:10:44,710 --> 00:10:42,160

is involved

326

00:10:45,430 --> 00:10:44,720

this is they're investigating terrorism

327

00:10:48,630 --> 00:10:45,440

well yeah

328

00:10:49,990 --> 00:10:48,640

so tell me where is this go on

329

00:10:53,269 --> 00:10:50,000

well they said that there wasn't any

330

00:10:56,470 --> 00:10:53,279

link to isis uh isn't that what they

331

00:10:57,910 --> 00:10:56,480

said or at least i i'm very uh skeptical

332

00:11:00,230 --> 00:10:57,920

of that i don't believe that

333

00:11:01,670 --> 00:11:00,240

and i also think that the fbi just

334

00:11:03,350 --> 00:11:01,680

doesn't want to admit that they could

335

00:11:04,550 --> 00:11:03,360

have prevented this and they dropped the

336

00:11:06,550 --> 00:11:04,560

ball by failing to

337

00:11:07,910 --> 00:11:06,560

act on the uh report that should have

338

00:11:09,990 --> 00:11:07,920

been sent to finston

339

00:11:10,949 --> 00:11:10,000

and look maybe a report was not sent to

340

00:11:13,509 --> 00:11:10,959

vincent but

341

00:11:14,630 --> 00:11:13,519

it is standard bank protocol to submit

342

00:11:17,190 --> 00:11:14,640

these reports

343

00:11:19,590 --> 00:11:17,200

so that would mean then that the bank uh

344

00:11:22,150 --> 00:11:19,600

dropped the ball as well but either way

345

00:11:23,509 --> 00:11:22,160

um you know investigators would have

346

00:11:25,990 --> 00:11:23,519

backed fire now so where is this

347

00:11:27,350 --> 00:11:26,000

information

348

00:11:28,790 --> 00:11:27,360

to be more clear where are you getting

349

00:11:30,470 --> 00:11:28,800

the information regarding the bank

350

00:11:31,110 --> 00:11:30,480

account being closed down is that public

351  
00:11:34,069 --> 00:11:31,120  
information

352  
00:11:36,230 --> 00:11:34,079  
yes um so of course uh you know the

353  
00:11:37,670 --> 00:11:36,240  
media is not talking about this and lvmt

354  
00:11:39,430 --> 00:11:37,680  
like you said they're doing everything

355  
00:11:41,670 --> 00:11:39,440  
to release these documents in a very

356  
00:11:43,829 --> 00:11:41,680  
disorganized way so people can't find it

357  
00:11:45,829 --> 00:11:43,839  
so you have to literally read it page by

358  
00:11:48,550 --> 00:11:45,839  
page to get this information

359  
00:11:50,550 --> 00:11:48,560  
but um there are several pdf files it

360  
00:11:52,949 --> 00:11:50,560  
was in the last batch

361  
00:11:54,870 --> 00:11:52,959  
no it was in batch four so the fourth

362  
00:11:58,230 --> 00:11:54,880  
batch of information

363  
00:12:01,350 --> 00:11:58,240

and it's on page

364

00:12:04,470 --> 00:12:01,360

85 of the pdf you can go

365

00:12:06,150 --> 00:12:04,480

to dangerous.com and you can actually

366

00:12:08,150 --> 00:12:06,160

type in the name of the article is

367

00:12:10,069 --> 00:12:08,160

exclusive vegas shooters bank account

368

00:12:12,710 --> 00:12:10,079

had been seized for terror financing

369

00:12:14,949 --> 00:12:12,720

new docs revealed i i released the story

370

00:12:16,710 --> 00:12:14,959

on june 7th and all of the documents are

371

00:12:18,230 --> 00:12:16,720

there so you can see them for yourself

372

00:12:20,550 --> 00:12:18,240

in case you want to just kind of

373

00:12:22,949 --> 00:12:20,560

look at it and observe it and make your

374

00:12:26,710 --> 00:12:22,959

own conclusion

375

00:12:28,389 --> 00:12:26,720

so so that we know is definitively true

376

00:12:29,910 --> 00:12:28,399

that a bank account of his was closed

377

00:12:31,269 --> 00:12:29,920

down by the bank it would have been the

378

00:12:33,110 --> 00:12:31,279

bank that would have made the deter the

379

00:12:34,629 --> 00:12:33,120

initial determination to close it down

380

00:12:36,389 --> 00:12:34,639

based on suspicious activity well

381

00:12:38,949 --> 00:12:36,399

specifically suspicion of terror

382

00:12:40,870 --> 00:12:38,959

financing yes

383

00:12:42,389 --> 00:12:40,880

and then so so the bank makes that

384

00:12:44,710 --> 00:12:42,399

determination

385

00:12:46,150 --> 00:12:44,720

then passes that information standard

386

00:12:48,069 --> 00:12:46,160

protocol

387

00:12:49,190 --> 00:12:48,079

right yeah and do and do we know do we

388

00:12:52,550 --> 00:12:49,200

know

389

00:12:54,870 --> 00:12:52,560

information was passed on well

390

00:12:56,710 --> 00:12:54,880

um it it we don't know because they're

391

00:12:57,590 --> 00:12:56,720

not revealing in this document which

392

00:12:59,990 --> 00:12:57,600

bank it was

393

00:13:01,829 --> 00:13:00,000

right and so investigators would be able

394

00:13:02,470 --> 00:13:01,839

to know that i'm i don't work for the

395

00:13:04,710 --> 00:13:02,480

fbi

396

00:13:06,230 --> 00:13:04,720

you know i'm not a police officer but

397

00:13:07,990 --> 00:13:06,240

you know given that this is the worst

398

00:13:09,750 --> 00:13:08,000

mass shooting in u.s history i'm sure

399

00:13:11,430 --> 00:13:09,760

that they have access to all of his bank

400

00:13:13,030 --> 00:13:11,440

accounts and all of his banking history

401  
00:13:14,710 --> 00:13:13,040  
so they could determine themselves it's

402  
00:13:15,670 --> 00:13:14,720  
not like this is hard information for

403  
00:13:17,990 --> 00:13:15,680  
these people

404  
00:13:19,269 --> 00:13:18,000  
who you know their job is to be uh you

405  
00:13:21,590 --> 00:13:19,279  
know

406  
00:13:22,310 --> 00:13:21,600  
investigators for the government all day

407  
00:13:24,470 --> 00:13:22,320  
um

408  
00:13:25,750 --> 00:13:24,480  
this this is easy for them to find out

409  
00:13:28,069 --> 00:13:25,760  
so they're just hiding

410  
00:13:29,910 --> 00:13:28,079  
and what about uh does it provide the

411  
00:13:33,030 --> 00:13:29,920  
date um

412  
00:13:35,190 --> 00:13:33,040  
that the account was uh frozen no

413  
00:13:36,790 --> 00:13:35,200

because it's an officer's statement and

414

00:13:38,470 --> 00:13:36,800

the officer is recounting his

415

00:13:40,230 --> 00:13:38,480

conversation with stephen paddock's

416

00:13:42,389 --> 00:13:40,240

ex-wife or whoever the woman

417

00:13:43,829 --> 00:13:42,399

appears to be stephen paddock's ex-wife

418

00:13:47,509 --> 00:13:43,839

so if you go through

419

00:13:48,310 --> 00:13:47,519

um if you go through uh the document it

420

00:13:50,069 --> 00:13:48,320

says that

421

00:13:51,829 --> 00:13:50,079

they redact the names and it says blank

422

00:13:53,509 --> 00:13:51,839

stated that she was married to stephen

423

00:13:55,670 --> 00:13:53,519

paddock for six years but divorced

424

00:13:57,110 --> 00:13:55,680

approximately 25 years ago

425

00:13:59,189 --> 00:13:57,120

and then it's like you know they keep on

426

00:14:01,670 --> 00:13:59,199

redacting that name it's obviously an

427

00:14:03,350 --> 00:14:01,680

ex-wife and his ex-wife is peggy

428

00:14:05,590 --> 00:14:03,360

and then when you go down further it

429

00:14:07,430 --> 00:14:05,600

said steven used to own a plane and flew

430

00:14:09,189 --> 00:14:07,440

it over different locations but he sold

431

00:14:11,350 --> 00:14:09,199

it years ago blank stated

432

00:14:13,430 --> 00:14:11,360

still referring to the ex-wife that

433

00:14:14,949 --> 00:14:13,440

stephen does not use drugs or drink

434

00:14:16,870 --> 00:14:14,959

alcohol that she knows

435

00:14:18,870 --> 00:14:16,880

but stephen has numerous bank accounts

436

00:14:20,069 --> 00:14:18,880

and one of his banks closed his accounts

437

00:14:20,949 --> 00:14:20,079

because of all the high money

438

00:14:22,949 --> 00:14:20,959

withdrawals

439

00:14:24,550 --> 00:14:22,959

they felt that it was terrorism related

440

00:14:26,150 --> 00:14:24,560

that's the extent of the statement

441

00:14:29,030 --> 00:14:26,160

yeah and then they said they didn't know

442

00:14:30,870 --> 00:14:29,040

which bank it was but she stated that

443

00:14:33,030 --> 00:14:30,880

you know the last couple years uh

444

00:14:34,389 --> 00:14:33,040

stephen had become very angry and

445

00:14:36,069 --> 00:14:34,399

never mentioned anything about

446

00:14:39,509 --> 00:14:36,079

committing violence towards anybody

447

00:14:41,990 --> 00:14:39,519

so um you know that would also explain

448

00:14:43,509 --> 00:14:42,000

if he really was radicalized by islamic

449

00:14:43,990 --> 00:14:43,519

terrorists which is what isis is

450

00:14:46,230 --> 00:14:44,000

claiming

451  
00:14:48,150 --> 00:14:46,240  
it would explain why he would become

452  
00:14:49,750 --> 00:14:48,160  
very angry right because it's a very

453  
00:14:52,150 --> 00:14:49,760  
violent ideology

454  
00:14:53,110 --> 00:14:52,160  
and if he was financing terrorism and he

455  
00:14:57,110 --> 00:14:53,120  
was being

456  
00:14:59,350 --> 00:14:57,120  
you know indoctrinated with islam

457  
00:15:01,030 --> 00:14:59,360  
and he really was if he really was

458  
00:15:02,790 --> 00:15:01,040  
communicating with isis that would

459  
00:15:04,710 --> 00:15:02,800  
explain his behavior change

460  
00:15:07,670 --> 00:15:04,720  
and it would also explain why he wasn't

461  
00:15:11,269 --> 00:15:09,670  
and it would also explain why he cleared

462  
00:15:13,750 --> 00:15:11,279  
his debt prior to

463  
00:15:15,829 --> 00:15:13,760

committing the mass shooting if he

464

00:15:18,310 --> 00:15:15,839

really is the only shooter

465

00:15:19,829 --> 00:15:18,320

because in order to go to paradise when

466

00:15:21,350 --> 00:15:19,839

you're an islamic terrorist you have to

467

00:15:23,189 --> 00:15:21,360

clear all of your deaths

468

00:15:24,470 --> 00:15:23,199

and what i want to ask you is do you

469

00:15:26,470 --> 00:15:24,480

really think that it makes a lot of

470

00:15:28,389 --> 00:15:26,480

sense for a guy who's about to commit

471

00:15:30,150 --> 00:15:28,399

mass murder and then kill himself

472

00:15:32,470 --> 00:15:30,160

to want to pay off his marker at the

473

00:15:33,670 --> 00:15:32,480

casino like why would you even care

474

00:15:35,110 --> 00:15:33,680

you know if you're gonna if you're gonna

475

00:15:36,389 --> 00:15:35,120

kill yourself why do you care if you

476

00:15:37,749 --> 00:15:36,399

over casino money

477

00:15:39,590 --> 00:15:37,759

well as long as you're tying pieces

478

00:15:41,110 --> 00:15:39,600

together let's throw in a

479

00:15:43,030 --> 00:15:41,120

one out of left field but it's still

480

00:15:44,310 --> 00:15:43,040

very real and that is child pornography

481

00:15:45,590 --> 00:15:44,320

on his computer

482

00:15:46,870 --> 00:15:45,600

how would you explain that one in the

483

00:15:48,470 --> 00:15:46,880

context of what you're just saying i

484

00:15:51,269 --> 00:15:48,480

think that that's a distraction

485

00:15:52,550 --> 00:15:51,279

right i mean look i i think that when

486

00:15:54,389 --> 00:15:52,560

you throw out things like

487

00:15:55,990 --> 00:15:54,399

key words like child pornography people

488

00:15:57,269 --> 00:15:56,000

are going to fixate on that and it's

489

00:15:59,509 --> 00:15:57,279

going to be a real

490

00:16:01,189 --> 00:15:59,519

uh distraction and they first released

491

00:16:02,150 --> 00:16:01,199

this information when they released the

492

00:16:05,189 --> 00:16:02,160

first uh

493

00:16:06,069 --> 00:16:05,199

official ldmpd report and what i want to

494

00:16:08,710 --> 00:16:06,079

know is like

495

00:16:10,150 --> 00:16:08,720

even if he was if he was into child

496

00:16:13,509 --> 00:16:10,160

pornography or not like what does that

497

00:16:15,430 --> 00:16:13,519

have anything to do with the shooting

498

00:16:17,670 --> 00:16:15,440

they said that there wasn't a motive

499

00:16:19,590 --> 00:16:17,680

well that's for that's for us to answer

500

00:16:20,790 --> 00:16:19,600

that that's for us to answer i i mean

501  
00:16:22,389 --> 00:16:20,800  
first of all let's assume that it's

502  
00:16:23,509 --> 00:16:22,399  
correct they weren't making it up we

503  
00:16:25,110 --> 00:16:23,519  
don't know the extent

504  
00:16:26,629 --> 00:16:25,120  
of it we also know of course that bruce

505  
00:16:28,389 --> 00:16:26,639  
paddock was

506  
00:16:30,150 --> 00:16:28,399  
charged with with child pornography i

507  
00:16:31,910 --> 00:16:30,160  
mean it is interesting we don't know

508  
00:16:33,590 --> 00:16:31,920  
was he consuming it or was he

509  
00:16:34,790 --> 00:16:33,600  
trafficking in it you know one thing

510  
00:16:36,470 --> 00:16:34,800  
that people need to understand about

511  
00:16:37,749 --> 00:16:36,480  
isis too is how they operate and how

512  
00:16:39,590 --> 00:16:37,759  
they make their money

513  
00:16:41,269 --> 00:16:39,600

isis makes their money many different

514

00:16:42,870 --> 00:16:41,279

ways and particularly

515

00:16:45,590 --> 00:16:42,880

particularly in the philippines which is

516

00:16:47,509 --> 00:16:45,600

where mary lou danley is from

517

00:16:50,069 --> 00:16:47,519

and which is where he was making these

518

00:16:52,629 --> 00:16:50,079

large financial transfers to

519

00:16:54,550 --> 00:16:52,639

isis trafficks a lot of children right

520

00:16:56,069 --> 00:16:54,560

and so there may be some elements of

521

00:16:59,189 --> 00:16:56,079

this and i'm not saying that that

522

00:17:01,430 --> 00:16:59,199

is a hundred percent um you know fact

523

00:17:02,949 --> 00:17:01,440

right because i can't i can't prove that

524

00:17:05,270 --> 00:17:02,959

but it makes you wonder

525

00:17:06,150 --> 00:17:05,280

right i mean a lot of these things would

526

00:17:08,470 --> 00:17:06,160

it would really

527

00:17:10,309 --> 00:17:08,480

it's supporting evidence that isis was

528

00:17:11,990 --> 00:17:10,319

responsible because when you look at the

529

00:17:13,270 --> 00:17:12,000

connection you look at the connection to

530

00:17:14,150 --> 00:17:13,280

the philippines and you look at the

531

00:17:16,710 --> 00:17:14,160

history

532

00:17:18,230 --> 00:17:16,720

of what isis does in the philippines you

533

00:17:21,510 --> 00:17:18,240

know it just kind of

534

00:17:23,669 --> 00:17:21,520

paints a very valid probable scenario

535

00:17:26,069 --> 00:17:23,679

that i think the fbi and law enforcement

536

00:17:29,110 --> 00:17:26,079

are just really unwilling to talk about

537

00:17:31,110 --> 00:17:29,120

um you know because it's no it's no

538

00:17:34,470 --> 00:17:31,120

surprise that

539

00:17:37,430 --> 00:17:34,480

you know things aren't clean in vegas

540

00:17:39,350 --> 00:17:37,440

things this investigation has done a

541

00:17:41,750 --> 00:17:39,360

nightmare this investigation

542

00:17:43,510 --> 00:17:41,760

has been so corrupt i mean they've

543

00:17:45,029 --> 00:17:43,520

they've lied to the the public they've

544

00:17:47,350 --> 00:17:45,039

lied to the media they've issued a

545

00:17:49,190 --> 00:17:47,360

comments ban they completely shut down

546

00:17:51,909 --> 00:17:49,200

all discussion of this

547

00:17:53,669 --> 00:17:51,919

um and of course they're not going to

548

00:17:55,110 --> 00:17:53,679

want to admit well that's and that's all

549

00:17:59,190 --> 00:17:55,120

behavior

550

00:18:01,990 --> 00:17:59,200

standpoint of the las vegas

551  
00:18:03,669 --> 00:18:02,000  
metropolitan police department uh the

552  
00:18:05,669 --> 00:18:03,679  
fbi on the other hand

553  
00:18:06,950 --> 00:18:05,679  
let's talk well let's talk about the fbi

554  
00:18:08,789 --> 00:18:06,960  
for a second because

555  
00:18:10,150 --> 00:18:08,799  
all the things that you're pointing out

556  
00:18:12,710 --> 00:18:10,160  
can be perfectly

557  
00:18:13,190 --> 00:18:12,720  
good explanations as to why the fbi is

558  
00:18:15,270 --> 00:18:13,200  
taking

559  
00:18:16,390 --> 00:18:15,280  
so long on this that there is so much to

560  
00:18:18,870 --> 00:18:16,400  
investigate

561  
00:18:19,669 --> 00:18:18,880  
and that you know they're promising a

562  
00:18:21,350 --> 00:18:19,679  
report

563  
00:18:23,270 --> 00:18:21,360

or estimating it by the one year

564

00:18:25,669 --> 00:18:23,280

anniversary so obviously we're not going

565

00:18:27,990 --> 00:18:25,679

to know

566

00:18:29,590 --> 00:18:28,000

they changed it they recently said with

567

00:18:30,950 --> 00:18:29,600

lombardo that there's going to be a new

568

00:18:34,150 --> 00:18:30,960

report in july

569

00:18:36,070 --> 00:18:34,160

so how was it that you know well that's

570

00:18:37,590 --> 00:18:36,080

las vegas

571

00:18:39,510 --> 00:18:37,600

lombardo apparently said that the las

572

00:18:41,270 --> 00:18:39,520

vegas police you know remember they've

573

00:18:42,390 --> 00:18:41,280

issued a preliminary report as you know

574

00:18:43,990 --> 00:18:42,400

so they're saying they're going to issue

575

00:18:46,150 --> 00:18:44,000

their final report in july

576

00:18:47,190 --> 00:18:46,160

and then the fbi's behavioral analysis

577

00:18:50,070 --> 00:18:47,200

would come out after that

578

00:18:50,710 --> 00:18:50,080

i just don't i don't understand from

579

00:18:51,990 --> 00:18:50,720

from uh

580

00:18:55,029 --> 00:18:52,000

i guess it doesn't really make much

581

00:18:57,110 --> 00:18:55,039

sense to me um from an investigator

582

00:18:59,270 --> 00:18:57,120

why the lvmpd needs to have their own

583

00:19:01,029 --> 00:18:59,280

investigation and then the fbi

584

00:19:03,510 --> 00:19:01,039

has to have like a completely different

585

00:19:05,190 --> 00:19:03,520

investigation if the fbi was in control

586

00:19:07,430 --> 00:19:05,200

of this investigation

587

00:19:09,350 --> 00:19:07,440

right i mean the fbi took over this

588

00:19:11,270 --> 00:19:09,360

investigation which is why aaron rouse

589

00:19:14,230 --> 00:19:11,280

is at all of these press conferences

590

00:19:15,830 --> 00:19:14,240

so why how is it possible right and this

591

00:19:17,909 --> 00:19:15,840

is what doesn't make sense to me

592

00:19:19,909 --> 00:19:17,919

how is it possible that lvmpd is going

593

00:19:21,990 --> 00:19:19,919

to have their report done in july

594

00:19:24,230 --> 00:19:22,000

but then what is it june july august

595

00:19:25,909 --> 00:19:24,240

september october three months later

596

00:19:28,470 --> 00:19:25,919

the fbi is not going to be done with

597

00:19:29,990 --> 00:19:28,480

theirs i mean don't you think that

598

00:19:31,830 --> 00:19:30,000

a report should come out at the same

599

00:19:33,830 --> 00:19:31,840

time like how does one investigation

600

00:19:36,150 --> 00:19:33,840

finish but the other one doesn't

601  
00:19:37,909 --> 00:19:36,160  
i just don't understand it doesn't it

602  
00:19:39,750 --> 00:19:37,919  
just doesn't make sense and you don't

603  
00:19:41,750 --> 00:19:39,760  
have to be a rocket scientist or a

604  
00:19:43,190 --> 00:19:41,760  
professional investigator or a member of

605  
00:19:45,669 --> 00:19:43,200  
law enforcement to know

606  
00:19:47,270 --> 00:19:45,679  
but that's just not standard protocol

607  
00:19:49,190 --> 00:19:47,280  
you know and i've talked to i've talked

608  
00:19:51,590 --> 00:19:49,200  
to lvmpd detectives

609  
00:19:53,029 --> 00:19:51,600  
sources of mine who are in the ldmpd

610  
00:19:55,990 --> 00:19:53,039  
i've talked to

611  
00:19:58,230 --> 00:19:56,000  
uh people on the ground who work at mgm

612  
00:20:00,310 --> 00:19:58,240  
i've talked to sources with an fbi

613  
00:20:02,390 --> 00:20:00,320

and they all have told me that this is

614

00:20:04,149 --> 00:20:02,400

you know this is

615

00:20:05,669 --> 00:20:04,159

it's not standard protocol i mean

616

00:20:07,270 --> 00:20:05,679

there's something seriously wrong with

617

00:20:09,430 --> 00:20:07,280

this investigation

618

00:20:10,470 --> 00:20:09,440

and your explanation is what what's your

619

00:20:12,310 --> 00:20:10,480

theory as a

620

00:20:15,110 --> 00:20:12,320

if you're saying that it's that it's not

621

00:20:17,590 --> 00:20:15,120

protocol etc what's really going on

622

00:20:19,029 --> 00:20:17,600

i think that they're trying to hide the

623

00:20:22,149 --> 00:20:19,039

fact that this was

624

00:20:23,830 --> 00:20:22,159

um an act of terrorism and i'm sure

625

00:20:25,990 --> 00:20:23,840

i i really believe that there are

626

00:20:27,909 --> 00:20:26,000

multiple shooters involved in fact there

627

00:20:28,310 --> 00:20:27,919

was another witness statement that was

628

00:20:31,990 --> 00:20:28,320

uh

629

00:20:33,830 --> 00:20:32,000

actually it was a transcribed 9-1-1 call

630

00:20:35,029 --> 00:20:33,840

if you listen to the 9-1-1 calls that

631

00:20:37,430 --> 00:20:35,039

were just released uh

632

00:20:39,430 --> 00:20:37,440

i believe like a week or so ago um one

633

00:20:41,029 --> 00:20:39,440

of them is actually from a security

634

00:20:43,990 --> 00:20:41,039

guard at mandalay bay

635

00:20:45,190 --> 00:20:44,000

and the security guard called lvmpd and

636

00:20:47,110 --> 00:20:45,200

confirmed

637

00:20:48,950 --> 00:20:47,120

that there were multiple shooters in the

638

00:20:51,909 --> 00:20:48,960

hotel so not only just in

639

00:20:53,830 --> 00:20:51,919

stephen paddock's room but on the

640

00:20:54,549 --> 00:20:53,840

crystal level of mandalay bay which

641

00:20:57,190 --> 00:20:54,559

would then be

642

00:20:58,390 --> 00:20:57,200

these uh four seasons hotel and then

643

00:21:00,470 --> 00:20:58,400

they also mentioned that there was

644

00:21:01,750 --> 00:21:00,480

massive shooter on the casino level

645

00:21:03,830 --> 00:21:01,760

so and then they said that they

646

00:21:06,950 --> 00:21:03,840

confirmed that so what i want to know

647

00:21:09,510 --> 00:21:06,960

is um is uh

648

00:21:11,110 --> 00:21:09,520

why if these reports are coming that

649

00:21:12,710 --> 00:21:11,120

they're not reports from just witnesses

650

00:21:14,230 --> 00:21:12,720

who are attending the concert who

651  
00:21:16,070 --> 00:21:14,240  
thought that they saw and heard

652  
00:21:18,310 --> 00:21:16,080  
multiple shooters i'm talking about an

653  
00:21:20,230 --> 00:21:18,320  
actual mandalay-based security guard

654  
00:21:21,350 --> 00:21:20,240  
who was saying that they saw this and

655  
00:21:23,190 --> 00:21:21,360  
that they were reporting and

656  
00:21:24,630 --> 00:21:23,200  
communicating with other security guards

657  
00:21:25,190 --> 00:21:24,640  
on the radio you've been focused it

658  
00:21:27,029 --> 00:21:25,200  
seems

659  
00:21:28,310 --> 00:21:27,039  
when we talk about terrorism on on the

660  
00:21:29,990 --> 00:21:28,320  
isis connection

661  
00:21:31,270 --> 00:21:30,000  
what do you think about other things

662  
00:21:32,470 --> 00:21:31,280  
that have come out in the report witness

663  
00:21:34,710 --> 00:21:32,480

statements about

664

00:21:35,510 --> 00:21:34,720

paddock making comments about ruby ridge

665

00:21:38,549 --> 00:21:35,520

and waco

666

00:21:39,750 --> 00:21:38,559

and anti-government remarks and uh

667

00:21:42,070 --> 00:21:39,760

you know government coming to take your

668

00:21:43,510 --> 00:21:42,080

guns and that type of thing

669

00:21:45,190 --> 00:21:43,520

what what's your analysis of that and

670

00:21:47,110 --> 00:21:45,200

whether it might have been

671

00:21:48,390 --> 00:21:47,120

a terror attack more in line with say

672

00:21:51,750 --> 00:21:48,400

the oklahoma city

673

00:21:55,190 --> 00:21:51,760

terror attack um i don't know i don't

674

00:21:56,630 --> 00:21:55,200

see there's just i isis doesn't take

675

00:21:58,789 --> 00:21:56,640

responsibility for

676

00:22:00,390 --> 00:21:58,799

attacks that they're not responsible for

677

00:22:02,310 --> 00:22:00,400

all right there have been muslims who

678

00:22:04,470 --> 00:22:02,320

have carried out acts of terrorism

679

00:22:06,870 --> 00:22:04,480

in the past and have claimed to be isis

680

00:22:09,190 --> 00:22:06,880

and isis has said no that wasn't us

681

00:22:12,070 --> 00:22:09,200

so i just i don't trust it and i think

682

00:22:15,270 --> 00:22:12,080

that the liberal media is so desperate

683

00:22:18,149 --> 00:22:15,280

to try to you know portray this as as

684

00:22:19,909 --> 00:22:18,159

some crazy right winger to use this for

685

00:22:21,990 --> 00:22:19,919

uh their you know their gun control

686

00:22:24,230 --> 00:22:22,000

legislation and i think that some of the

687

00:22:26,070 --> 00:22:24,240

politicians in nevada are desperate to

688

00:22:29,110 --> 00:22:26,080

use this to push for gun control

689

00:22:31,110 --> 00:22:29,120

but if you notice notice just compare

690

00:22:32,630 --> 00:22:31,120

parkland and the las vegas shooting

691

00:22:34,390 --> 00:22:32,640

for two months straight after the

692

00:22:36,230 --> 00:22:34,400

parkland shooting the media obsessed

693

00:22:37,750 --> 00:22:36,240

about gun control every single day i

694

00:22:39,510 --> 00:22:37,760

mean there had to have been like

695

00:22:41,510 --> 00:22:39,520

like six or seven hours of just like

696

00:22:42,950 --> 00:22:41,520

parkland discussion non-stop every

697

00:22:44,950 --> 00:22:42,960

single day on tv

698

00:22:47,029 --> 00:22:44,960

they were obsessed with it but then

699

00:22:47,750 --> 00:22:47,039

three times as many people died in las

700

00:22:49,669 --> 00:22:47,760

vegas

701  
00:22:51,110 --> 00:22:49,679  
and after three days of the shooting you

702  
00:22:52,830 --> 00:22:51,120  
didn't hear anything else about gun

703  
00:22:55,510 --> 00:22:52,840  
control

704  
00:22:55,990 --> 00:22:55,520  
nothing and three times as many people

705  
00:22:57,990 --> 00:22:56,000  
died

706  
00:23:00,070 --> 00:22:58,000  
so i think that there are people who

707  
00:23:01,990 --> 00:23:00,080  
know a lot more than they're saying

708  
00:23:03,350 --> 00:23:02,000  
i know actually that people know a lot

709  
00:23:05,270 --> 00:23:03,360  
more than they're saying

710  
00:23:06,950 --> 00:23:05,280  
and i think that they know this has

711  
00:23:08,870 --> 00:23:06,960  
absolutely nothing to do with guns

712  
00:23:10,149 --> 00:23:08,880  
it probably probably has something more

713  
00:23:11,990 --> 00:23:10,159

to do with terrorism

714

00:23:13,750 --> 00:23:12,000

and that's just really bad for the vegas

715

00:23:14,789 --> 00:23:13,760

economy right because they don't want

716

00:23:16,630 --> 00:23:14,799

people knowing

717

00:23:18,310 --> 00:23:16,640

that there's potentially terrorists on

718

00:23:19,669 --> 00:23:18,320

the run in vegas

719

00:23:21,669 --> 00:23:19,679

so yeah that certainly is one

720

00:23:24,549 --> 00:23:21,679

distinction in this situation is that

721

00:23:25,909 --> 00:23:24,559

you know the las vegas police have no

722

00:23:28,470 --> 00:23:25,919

interest in talking about this

723

00:23:29,990 --> 00:23:28,480

especially in light of all the

724

00:23:31,909 --> 00:23:30,000

mistakes and screw-ups they had in the

725

00:23:33,190 --> 00:23:31,919

early days of reporting certainly the

726  
00:23:35,669 --> 00:23:33,200  
casinos

727  
00:23:37,510 --> 00:23:35,679  
uh and mgm doesn't want people talking

728  
00:23:39,430 --> 00:23:37,520  
about it to expose their

729  
00:23:41,750 --> 00:23:39,440  
potential role and negligence in it and

730  
00:23:43,269 --> 00:23:41,760  
then of course las vegas generally when

731  
00:23:45,029 --> 00:23:43,279  
it comes to a tourism uh

732  
00:23:46,710 --> 00:23:45,039  
standpoint the last thing they need is

733  
00:23:49,510 --> 00:23:46,720  
people continuing to dwell and think

734  
00:23:51,350 --> 00:23:49,520  
about what happened on october 1st

735  
00:23:52,870 --> 00:23:51,360  
yeah but we should dwell on it and we

736  
00:23:54,789 --> 00:23:52,880  
should talk about it because we're not

737  
00:23:56,470 --> 00:23:54,799  
going to get answers if we just like

738  
00:23:58,230 --> 00:23:56,480

if we just do what these investigators

739

00:23:59,510 --> 00:23:58,240

and the casinos want us to do and forget

740

00:24:01,190 --> 00:23:59,520

about it of course they want us to

741

00:24:02,149 --> 00:24:01,200

forget about it it's really bad for

742

00:24:03,669 --> 00:24:02,159

business

743

00:24:06,630 --> 00:24:03,679

uh you know people aren't going to want

744

00:24:07,909 --> 00:24:06,640

to go to concerts and events in vegas

745

00:24:09,909 --> 00:24:07,919

if they think that they're going to get

746

00:24:11,510 --> 00:24:09,919

shot up and

747

00:24:13,190 --> 00:24:11,520

um you know i think that it's very

748

00:24:14,310 --> 00:24:13,200

reckless and it's irresponsible and it's

749

00:24:16,390 --> 00:24:14,320

very unfair

750

00:24:17,430 --> 00:24:16,400

to the american people for the fbi and

751  
00:24:19,590 --> 00:24:17,440  
lvmpd

752  
00:24:20,470 --> 00:24:19,600  
to issue a common span like they've done

753  
00:24:23,110 --> 00:24:20,480  
recently

754  
00:24:23,909 --> 00:24:23,120  
in the past month and stop talking all

755  
00:24:26,230 --> 00:24:23,919  
altogether

756  
00:24:28,149 --> 00:24:26,240  
and giving comments to the media about

757  
00:24:29,750 --> 00:24:28,159  
the las vegas shooting documents i mean

758  
00:24:31,269 --> 00:24:29,760  
they don't even reply

759  
00:24:33,350 --> 00:24:31,279  
they well they never reply when i

760  
00:24:33,669 --> 00:24:33,360  
contact them but i know other reporters

761  
00:24:36,070 --> 00:24:33,679  
and

762  
00:24:37,350 --> 00:24:36,080  
it's documented they issued a con ban

763  
00:24:39,430 --> 00:24:37,360

sheriff lombardo

764

00:24:41,190 --> 00:24:39,440

told the mtd not to talk about this how

765

00:24:42,870 --> 00:24:41,200

are you not going to talk about the

766

00:24:44,630 --> 00:24:42,880

worst mass shooting in u.s history when

767

00:24:46,230 --> 00:24:44,640

new documents are released have you ever

768

00:24:50,390 --> 00:24:46,240

heard of such a thing in your life

769

00:24:52,950 --> 00:24:50,400

well uh i can tell you one person who

770

00:24:54,950 --> 00:24:52,960

endorsed him or entity or person either

771

00:24:56,390 --> 00:24:54,960

way or both which is the las vegas

772

00:24:58,470 --> 00:24:56,400

review journal

773

00:24:59,990 --> 00:24:58,480

which endorsed lombardo and of course we

774

00:25:02,310 --> 00:25:00,000

know the journal is owned by sheldon

775

00:25:03,990 --> 00:25:02,320

adelson and look i got in a little i got

776

00:25:04,630 --> 00:25:04,000

in a little argument this morning with

777

00:25:07,190 --> 00:25:04,640

one of the

778

00:25:08,230 --> 00:25:07,200

las vegas review journal reporters and

779

00:25:11,510 --> 00:25:08,240

you know look

780

00:25:13,990 --> 00:25:11,520

um you know i

781

00:25:14,630 --> 00:25:14,000

i don't know how much adelson has to do

782

00:25:16,390 --> 00:25:14,640

with uh

783

00:25:17,830 --> 00:25:16,400

the endorsement or whether it's some

784

00:25:20,230 --> 00:25:17,840

type of board or

785

00:25:21,029 --> 00:25:20,240

uh whether there's you know if it's a

786

00:25:22,470 --> 00:25:21,039

vote on

787

00:25:24,149 --> 00:25:22,480

employees there i don't know how it

788

00:25:27,350 --> 00:25:24,159

works exactly but

789

00:25:30,230 --> 00:25:27,360

the fact of the matter is is um

790

00:25:31,990 --> 00:25:30,240

it's the reporters themselves who need

791

00:25:33,990 --> 00:25:32,000

to be held accountable because the

792

00:25:36,070 --> 00:25:34,000

reporters and the editorial

793

00:25:39,510 --> 00:25:36,080

uh review at the las vegas review

794

00:25:43,350 --> 00:25:39,520

journal it's very hypocritical of them

795

00:25:45,269 --> 00:25:43,360

to endorse sheriff lombardo and then

796

00:25:46,950 --> 00:25:45,279

the next week write an article about how

797

00:25:49,750 --> 00:25:46,960

he's misleading voters like

798

00:25:50,470 --> 00:25:49,760

why would you guys endorse a guy for

799

00:25:53,029 --> 00:25:50,480

sheriff

800

00:25:55,110 --> 00:25:53,039

when you're literally suing him because

801  
00:25:57,269 --> 00:25:55,120  
of his lack of transparency

802  
00:25:58,950 --> 00:25:57,279  
and his refusal to turn over documents

803  
00:26:00,310 --> 00:25:58,960  
to the media like why would the las

804  
00:26:03,029 --> 00:26:00,320  
vegas review journal

805  
00:26:04,470 --> 00:26:03,039  
want to endorse the person who is in

806  
00:26:06,710 --> 00:26:04,480  
charge of the investigation

807  
00:26:13,269 --> 00:26:06,720  
they are literally suing over i mean it

808  
00:26:16,870 --> 00:26:15,350  
i mean if they if they were interested

809  
00:26:18,310 --> 00:26:16,880  
you know the media

810  
00:26:20,710 --> 00:26:18,320  
should be interested in anything above

811  
00:26:24,390 --> 00:26:20,720  
all else its first amendment

812  
00:26:27,190 --> 00:26:24,400  
freedom of speech freedom of information

813  
00:26:28,549 --> 00:26:27,200

you know openness government openness

814

00:26:31,029 --> 00:26:28,559

and lombardo

815

00:26:31,909 --> 00:26:31,039

could not have been more closed in this

816

00:26:33,830 --> 00:26:31,919

at least

817

00:26:35,909 --> 00:26:33,840

since his initial press conferences when

818

00:26:38,070 --> 00:26:35,919

he when he messed up

819

00:26:40,870 --> 00:26:38,080

and and for them to come out and endorse

820

00:26:42,710 --> 00:26:40,880

him that my only explanation for it

821

00:26:44,870 --> 00:26:42,720

uh is the sheldon adelson connection

822

00:26:48,230 --> 00:26:44,880

because the casinos are clearly

823

00:26:50,950 --> 00:26:48,240

backing him and vegas has a history of

824

00:26:52,789 --> 00:26:50,960

electing whoever got the casino

825

00:26:53,909 --> 00:26:52,799

endorsement i mean he raised well over a

826  
00:26:56,549 --> 00:26:53,919  
million dollars

827  
00:26:57,830 --> 00:26:56,559  
compared to fifty thousand dollars of

828  
00:27:00,230 --> 00:26:57,840  
his university

829  
00:27:01,830 --> 00:27:00,240  
i don't know if if adelson was directly

830  
00:27:03,830 --> 00:27:01,840  
involved with the endorsement i don't

831  
00:27:06,070 --> 00:27:03,840  
know edelson owns a lot of different

832  
00:27:07,990 --> 00:27:06,080  
uh you know a lot of things i mean the

833  
00:27:09,590 --> 00:27:08,000  
guy has a lot of money he owns a lot of

834  
00:27:12,070 --> 00:27:09,600  
different things and so

835  
00:27:12,789 --> 00:27:12,080  
um who knows if he was directly involved

836  
00:27:14,549 --> 00:27:12,799  
with um

837  
00:27:16,310 --> 00:27:14,559  
the review journal endorsing i don't

838  
00:27:18,470 --> 00:27:16,320

know if they have some type of

839

00:27:20,310 --> 00:27:18,480

uh review board or if there's some type

840

00:27:21,590 --> 00:27:20,320

of editorial board or how the

841

00:27:23,830 --> 00:27:21,600

endorsements come about

842

00:27:25,830 --> 00:27:23,840

i don't know if there's a vote who knows

843

00:27:27,750 --> 00:27:25,840

so i can't really speak on that but i do

844

00:27:29,590 --> 00:27:27,760

think that it is hypocritical for the

845

00:27:31,909 --> 00:27:29,600

las vegas review journal

846

00:27:34,389 --> 00:27:31,919

to endorse sheriff lombardo and then the

847

00:27:37,110 --> 00:27:34,399

next week write an article about how

848

00:27:37,669 --> 00:27:37,120

oh sheriff lombardo is misleading voters

849

00:27:39,269 --> 00:27:37,679

like

850

00:27:40,789 --> 00:27:39,279

why would you endorse a guy who you're

851  
00:27:42,310 --> 00:27:40,799  
basically writing an article about

852  
00:27:42,950 --> 00:27:42,320  
accusing him of being a liar because he

853  
00:27:45,510 --> 00:27:42,960  
is a liar

854  
00:27:46,470 --> 00:27:45,520  
right lombardo is alive let's talk about

855  
00:27:49,909 --> 00:27:46,480  
uh these two

856  
00:27:51,110 --> 00:27:49,919  
officers that responded and the conflict

857  
00:27:54,870 --> 00:27:51,120  
between

858  
00:27:57,430 --> 00:27:54,880  
what officer hendricks says

859  
00:27:58,070 --> 00:27:57,440  
regarding what floor he responded to

860  
00:28:00,549 --> 00:27:58,080  
versus

861  
00:28:02,070 --> 00:28:00,559  
what the mandalay bay security

862  
00:28:03,830 --> 00:28:02,080  
supervisor said the

863  
00:28:06,470 --> 00:28:03,840

security supervisor said that he and

864

00:28:08,070 --> 00:28:06,480

hendrix got off on the 32nd floor and

865

00:28:09,510 --> 00:28:08,080

they were there while the shooting was

866

00:28:11,510 --> 00:28:09,520

still going on

867

00:28:13,110 --> 00:28:11,520

whereas hendricks says he was only on

868

00:28:13,590 --> 00:28:13,120

the 31st floor have you been looking

869

00:28:16,149 --> 00:28:13,600

into that

870

00:28:17,750 --> 00:28:16,159

um yeah i'm i'm looking into a lot of

871

00:28:19,510 --> 00:28:17,760

things it appears that

872

00:28:21,510 --> 00:28:19,520

you know there was this kind of delay

873

00:28:23,269 --> 00:28:21,520

and a lot of you know the officers

874

00:28:24,870 --> 00:28:23,279

didn't really respond fast enough

875

00:28:27,750 --> 00:28:24,880

neither did swat

876

00:28:29,350 --> 00:28:27,760

and um you know when this if you go back

877

00:28:30,950 --> 00:28:29,360

to the call that i was talking about

878

00:28:32,870 --> 00:28:30,960

specifically with the mandalay bay

879

00:28:35,029 --> 00:28:32,880

security officer this call was taking

880

00:28:37,430 --> 00:28:35,039

place about 20 minutes after

881

00:28:40,070 --> 00:28:37,440

the shooting and so at that point in

882

00:28:40,789 --> 00:28:40,080

time swat was still not on the 32nd

883

00:28:43,590 --> 00:28:40,799

floor

884

00:28:44,870 --> 00:28:43,600

and so um there is this really strange

885

00:28:47,190 --> 00:28:44,880

timeline that i think

886

00:28:49,110 --> 00:28:47,200

metro needs to account for because i

887

00:28:51,909 --> 00:28:49,120

don't know how they're going to

888

00:28:53,909 --> 00:28:51,919

explain why it took them so long if they

889

00:28:55,430 --> 00:28:53,919

knew at that time that the shooter was

890

00:28:56,630 --> 00:28:55,440

on the 32nd floor and they had

891

00:28:59,110 --> 00:28:56,640

identified it

892

00:29:00,470 --> 00:28:59,120

why it took them so long to get up there

893

00:29:03,110 --> 00:29:00,480

it seems like

894

00:29:04,070 --> 00:29:03,120

that's another yeah i mean campos was

895

00:29:05,990 --> 00:29:04,080

shot

896

00:29:08,070 --> 00:29:06,000

yeah we all know that campos uh the the

897

00:29:09,990 --> 00:29:08,080

security guard was shot on the 32nd

898

00:29:11,990 --> 00:29:10,000

floor and he called down and reported

899

00:29:13,350 --> 00:29:12,000

that he was shot there's multiple

900

00:29:15,350 --> 00:29:13,360

directly from mandalay bay

901  
00:29:16,710 --> 00:29:15,360  
in in their statement and in the police

902  
00:29:20,070 --> 00:29:16,720  
reports that they knew

903  
00:29:23,110 --> 00:29:20,080  
the shooter was on 32 yet you have

904  
00:29:24,789 --> 00:29:23,120  
officers deployed to 31 uh

905  
00:29:27,110 --> 00:29:24,799  
which you know there's been a

906  
00:29:28,870 --> 00:29:27,120  
combination of explanations for that one

907  
00:29:31,110 --> 00:29:28,880  
is that there was also reports of shots

908  
00:29:33,350 --> 00:29:31,120  
on 31 the other is that was a tactical

909  
00:29:34,870 --> 00:29:33,360  
decision yeah that hasn't been rectified

910  
00:29:36,310 --> 00:29:34,880  
you know what was the reason for 31.

911  
00:29:37,990 --> 00:29:36,320  
number one and number two

912  
00:29:40,549 --> 00:29:38,000  
you have this statement by the

913  
00:29:43,510 --> 00:29:40,559

mandalay-based security uh

914

00:29:45,190 --> 00:29:43,520

supervisor to the fbi and the police in

915

00:29:47,110 --> 00:29:45,200

a in a live interview

916

00:29:48,230 --> 00:29:47,120

saying that he and one of the police

917

00:29:50,710 --> 00:29:48,240

officers hendricks

918

00:29:52,310 --> 00:29:50,720

was on 32 the other guys got off in 31

919

00:29:53,990 --> 00:29:52,320

they got off on 32

920

00:29:55,269 --> 00:29:54,000

and they were there on the floor during

921

00:29:56,950 --> 00:29:55,279

the shooting well it's the same with

922

00:29:59,830 --> 00:29:56,960

this other report that

923

00:30:00,630 --> 00:29:59,840

i was referring to as well when i was

924

00:30:02,870 --> 00:30:00,640

talking about

925

00:30:03,830 --> 00:30:02,880

the uh the mandalay bay security guard

926  
00:30:06,870 --> 00:30:03,840  
so

927  
00:30:09,389 --> 00:30:06,880  
uh look there's

928  
00:30:10,870 --> 00:30:09,399  
a lot of inconsistencies a lot of

929  
00:30:13,110 --> 00:30:10,880  
inconsistencies with

930  
00:30:15,590 --> 00:30:13,120  
the timeline with the dispatch reports

931  
00:30:18,710 --> 00:30:15,600  
and what they say in the fit report

932  
00:30:20,710 --> 00:30:18,720  
and it doesn't add up and um

933  
00:30:21,990 --> 00:30:20,720  
you know we you have an actual call i'll

934  
00:30:25,669 --> 00:30:22,000  
just read you the transcript

935  
00:30:29,269 --> 00:30:27,830  
uh you know over 20 minutes and the

936  
00:30:31,830 --> 00:30:29,279  
mandalay bay security

937  
00:30:34,389 --> 00:30:31,840  
officer on dispatch said that there was

938  
00:30:37,430 --> 00:30:34,399

an active shooter in room 32135

939

00:30:39,750 --> 00:30:37,440

on the 32nd floor mandalay bay and then

940

00:30:41,669 --> 00:30:39,760

they added that they knew that he had

941

00:30:43,590 --> 00:30:41,679

barricaded the doors so

942

00:30:45,029 --> 00:30:43,600

how is it that remember when they said

943

00:30:48,549 --> 00:30:45,039

that jesus campos

944

00:30:49,750 --> 00:30:48,559

was um like the only the only security

945

00:30:51,029 --> 00:30:49,760

guard who was up there and

946

00:30:52,230 --> 00:30:51,039

they made this really big deal about

947

00:30:53,669 --> 00:30:52,240

jesus because they said oh he was the

948

00:30:54,789 --> 00:30:53,679

last person up there he was the only

949

00:30:56,950 --> 00:30:54,799

person who saw

950

00:30:59,669 --> 00:30:56,960

well it looks like according to these

951  
00:31:01,350 --> 00:30:59,679  
dispatch logs and these 911 calls that

952  
00:31:03,110 --> 00:31:01,360  
that isn't even the case

953  
00:31:05,750 --> 00:31:03,120  
because this other security guard who

954  
00:31:07,350 --> 00:31:05,760  
doesn't even appear to be jesus campus

955  
00:31:08,950 --> 00:31:07,360  
is talking about how the room is

956  
00:31:10,310 --> 00:31:08,960  
barricaded and they don't know that

957  
00:31:11,509 --> 00:31:10,320  
what's hap they don't know what's going

958  
00:31:13,509 --> 00:31:11,519  
on inside the room

959  
00:31:15,029 --> 00:31:13,519  
but that there were witness reports of

960  
00:31:16,549 --> 00:31:15,039  
like glass shattering

961  
00:31:19,110 --> 00:31:16,559  
but how would they know that the door

962  
00:31:21,750 --> 00:31:19,120  
was barricaded if metro wasn't there

963  
00:31:23,029 --> 00:31:21,760

and if swat wasn't there and there was

964

00:31:25,350 --> 00:31:23,039

no other security

965

00:31:27,269 --> 00:31:25,360

um since you know jesus campos had been

966

00:31:29,590 --> 00:31:27,279

shot it doesn't make any sense well

967

00:31:31,430 --> 00:31:29,600

uh lombardo not talking you know was

968

00:31:34,470 --> 00:31:31,440

probably very likely because

969

00:31:35,990 --> 00:31:34,480

of the upcoming election that he knew he

970

00:31:39,190 --> 00:31:36,000

faced so now that he has

971

00:31:41,990 --> 00:31:39,200

won now he needs to

972

00:31:43,269 --> 00:31:42,000

present himself again to the public so

973

00:31:46,470 --> 00:31:43,279

he stayed underground

974

00:31:47,430 --> 00:31:46,480

good job you got reelected now it's time

975

00:31:49,110 --> 00:31:47,440

to come forward

976  
00:31:50,789 --> 00:31:49,120  
there's no reason for you not you have

977  
00:31:53,110 --> 00:31:50,799  
no personal motive anymore

978  
00:31:54,230 --> 00:31:53,120  
of your own reelection to stay quiet

979  
00:31:56,549 --> 00:31:54,240  
come forward

980  
00:31:58,230 --> 00:31:56,559  
and answer these questions because the

981  
00:31:59,750 --> 00:31:58,240  
information they've been releasing

982  
00:32:01,909 --> 00:31:59,760  
is raising all kinds of questions that

983  
00:32:03,830 --> 00:32:01,919  
need need answering

984  
00:32:05,190 --> 00:32:03,840  
and when are we gonna get the answers

985  
00:32:06,549 --> 00:32:05,200  
never i mean

986  
00:32:08,310 --> 00:32:06,559  
what's what's he waiting for i don't

987  
00:32:08,710 --> 00:32:08,320  
think that he's i don't think he's going

988  
00:32:12,070 --> 00:32:08,720

to

989

00:32:14,070 --> 00:32:12,080

i i think it's also callous lombardo did

990

00:32:16,710 --> 00:32:14,080

make a statement at some men's club

991

00:32:18,549 --> 00:32:16,720

uh last week about the investigation and

992

00:32:18,870 --> 00:32:18,559

stating when the report next report was

993

00:32:21,750 --> 00:32:18,880

going to

994

00:32:22,710 --> 00:32:21,760

come out and noting that um no we don't

995

00:32:25,990 --> 00:32:22,720

know the motive and

996

00:32:29,110 --> 00:32:26,000

uh very likely we never will yeah

997

00:32:32,149 --> 00:32:31,590

but i mean the the the to have the

998

00:32:35,029 --> 00:32:32,159

sheriff

999

00:32:36,789 --> 00:32:35,039

saying that we don't know the motive and

1000

00:32:37,590 --> 00:32:36,799

we likely never will i mean isn't that

1001  
00:32:39,909 --> 00:32:37,600  
your job

1002  
00:32:40,870 --> 00:32:39,919  
to go find the motive how can you close

1003  
00:32:42,470 --> 00:32:40,880  
this case

1004  
00:32:44,310 --> 00:32:42,480  
until you've determined or at least

1005  
00:32:45,990 --> 00:32:44,320  
given us your best estimate

1006  
00:32:47,830 --> 00:32:46,000  
based on all the information as to what

1007  
00:32:49,990 --> 00:32:47,840  
you think his motive was

1008  
00:32:51,669 --> 00:32:50,000  
and to be so i mean that is your job as

1009  
00:32:53,430 --> 00:32:51,679  
investigators i mean i don't think that

1010  
00:32:54,870 --> 00:32:53,440  
this investigation is fully closed

1011  
00:32:56,310 --> 00:32:54,880  
until we know what his motive was

1012  
00:32:57,590 --> 00:32:56,320  
because how do we know what to do in the

1013  
00:32:58,870 --> 00:32:57,600

future and prevent these things in the

1014

00:32:59,430 --> 00:32:58,880

future if we don't know what his motive

1015

00:33:01,990 --> 00:32:59,440

was

1016

00:33:03,110 --> 00:33:02,000

uh yeah look it's it's just a load of

1017

00:33:03,990 --> 00:33:03,120

crap that they don't know what the

1018

00:33:06,950 --> 00:33:04,000

motive is

1019

00:33:08,789 --> 00:33:06,960

um they know they're just not telling us

1020

00:33:10,710 --> 00:33:08,799

and look the documents are

1021

00:33:12,149 --> 00:33:10,720

are showing that people know as well i

1022

00:33:12,870 --> 00:33:12,159

mean there was one document in

1023

00:33:14,950 --> 00:33:12,880

particular

1024

00:33:16,630 --> 00:33:14,960

a witness statement from an uber driver

1025

00:33:17,990 --> 00:33:16,640

who picked up stephen paddock and draws

1026

00:33:19,509 --> 00:33:18,000

them off at mandalay bay

1027

00:33:21,590 --> 00:33:19,519

and you could tell that the lady doesn't

1028

00:33:24,230 --> 00:33:21,600

speak very good english based on her

1029

00:33:25,750 --> 00:33:24,240

um on her uh you know like witness

1030

00:33:27,110 --> 00:33:25,760

testimony but she said that stephen

1031

00:33:28,870 --> 00:33:27,120

paddock had told her

1032

00:33:31,509 --> 00:33:28,880

that um there was going to be a

1033

00:33:33,669 --> 00:33:31,519

terrorist attack at the mandalay bay

1034

00:33:35,430 --> 00:33:33,679

and this is stuff that the fbi never

1035

00:33:36,710 --> 00:33:35,440

told us about this is in an article as

1036

00:33:38,630 --> 00:33:36,720

well that you can read

1037

00:33:40,630 --> 00:33:38,640

and what i want to know is why isn't the

1038

00:33:42,789 --> 00:33:40,640

las vegas media doing this

1039

00:33:44,470 --> 00:33:42,799

how is it that i live thousands of miles

1040

00:33:45,350 --> 00:33:44,480

away on the other side of the country

1041

00:33:46,870 --> 00:33:45,360

and yet i'm still

1042

00:33:48,710 --> 00:33:46,880

scooping them on stories that are

1043

00:33:50,310 --> 00:33:48,720

happening in their own backyard not even

1044

00:33:51,190 --> 00:33:50,320

with regards to just the las vegas

1045

00:33:53,029 --> 00:33:51,200

shooting but

1046

00:33:55,350 --> 00:33:53,039

you know i recently broke the story

1047

00:33:57,110 --> 00:33:55,360

about the cover-up of the ms-13 gang

1048

00:33:58,149 --> 00:33:57,120

killings that were taking place in vegas

1049

00:34:00,310 --> 00:33:58,159

that lombardo

1050

00:34:01,990 --> 00:34:00,320

uh was covering up you had ms-13

1051

00:34:04,549 --> 00:34:02,000

committing a string of murders

1052

00:34:05,830 --> 00:34:04,559

and mutilating the bodies and and

1053

00:34:08,389 --> 00:34:05,840

dumping body parts in

1054

00:34:08,950 --> 00:34:08,399

tourist areas in vegas like lake mead

1055

00:34:10,869 --> 00:34:08,960

and

1056

00:34:12,710 --> 00:34:10,879

after my report came out it prompted

1057

00:34:13,510 --> 00:34:12,720

lombardo the next day to hold a press

1058

00:34:14,950 --> 00:34:13,520

conference

1059

00:34:16,550 --> 00:34:14,960

and this reporter from the review

1060

00:34:18,470 --> 00:34:16,560

journal messaged me and said wow

1061

00:34:21,430 --> 00:34:18,480

congrats on that huge scoop that's a big

1062

00:34:23,109 --> 00:34:21,440

scoop and yet they never mentioned

1063

00:34:24,869 --> 00:34:23,119

uh they never mentioned that i had

1064

00:34:25,589 --> 00:34:24,879

reported on the story first they had

1065

00:34:28,310 --> 00:34:25,599

never

1066

00:34:30,310 --> 00:34:28,320

uh mentioned that lombardo was hiding it

1067

00:34:33,349 --> 00:34:30,320

they completely distort it so

1068

00:34:35,030 --> 00:34:33,359

the last las vegas media does not do a

1069

00:34:36,710 --> 00:34:35,040

good job holding him accountable and

1070

00:34:38,629 --> 00:34:36,720

it's very scary because

1071

00:34:40,550 --> 00:34:38,639

you know when you look into a lot of the

1072

00:34:42,149 --> 00:34:40,560

crimes that are taking place you see the

1073

00:34:44,550 --> 00:34:42,159

innocent people who are getting killed

1074

00:34:46,550 --> 00:34:44,560

as a result of police brutality like

1075

00:34:48,389 --> 00:34:46,560

there's so much corruption there's

1076  
00:34:49,589 --> 00:34:48,399  
police officers that are engaged in

1077  
00:34:51,190 --> 00:34:49,599  
pedophilia

1078  
00:34:53,109 --> 00:34:51,200  
police officers who have committed

1079  
00:34:54,869 --> 00:34:53,119  
domestic violence who barricade

1080  
00:34:57,589 --> 00:34:54,879  
themselves in their house and have

1081  
00:34:58,790 --> 00:34:57,599  
standoffs with swat like they cover this

1082  
00:35:00,630 --> 00:34:58,800  
all up and the media

1083  
00:35:01,990 --> 00:35:00,640  
like refuses to report on it well how

1084  
00:35:03,990 --> 00:35:02,000  
about the fact that he wanted to cover

1085  
00:35:06,470 --> 00:35:04,000  
up the 58 murders by not including them

1086  
00:35:09,750 --> 00:35:06,480  
in the homicide numbers from 2017.

1087  
00:35:12,069 --> 00:35:09,760  
yeah look there's so much they they

1088  
00:35:13,990 --> 00:35:12,079

tried to say the crime that homicide was

1089

00:35:16,150 --> 00:35:14,000

down in vegas and then they didn't even

1090

00:35:17,910 --> 00:35:16,160

include the 58 people who died i mean

1091

00:35:18,870 --> 00:35:17,920

it's just such an insult i'm telling you

1092

00:35:21,829 --> 00:35:18,880

this police

1093

00:35:23,990 --> 00:35:21,839

it's so corrupt so they did find uh we

1094

00:35:24,710 --> 00:35:24,000

we found one isis connection real isis

1095

00:35:27,510 --> 00:35:24,720

connection

1096

00:35:29,270 --> 00:35:27,520

in the documents and that is mary lou

1097

00:35:32,470 --> 00:35:29,280

danley's daughter

1098

00:35:35,589 --> 00:35:32,480

apparently having an isis

1099

00:35:37,270 --> 00:35:35,599

friend or an isis sympathizer friend on

1100

00:35:39,270 --> 00:35:37,280

facebook did you see that report

1101  
00:35:41,030 --> 00:35:39,280  
yeah i actually had released that story

1102  
00:35:41,670 --> 00:35:41,040  
i think i was one of the first to report

1103  
00:35:46,150 --> 00:35:41,680  
on that

1104  
00:35:48,150 --> 00:35:46,160  
but um but yeah mary lou downley uh

1105  
00:35:49,589 --> 00:35:48,160  
there was a police officer who called in

1106  
00:35:51,430 --> 00:35:49,599  
and reported the uh

1107  
00:35:53,829 --> 00:35:51,440  
the night of the shooting that mary lou

1108  
00:35:55,750 --> 00:35:53,839  
danley had a friend on facebook and they

1109  
00:35:58,790 --> 00:35:55,760  
were obviously referring to her daughter

1110  
00:36:02,150 --> 00:35:58,800  
who had a who had uh

1111  
00:36:04,550 --> 00:36:02,160  
isis she was connected to individuals

1112  
00:36:06,230 --> 00:36:04,560  
who had isis beheadings and propaganda

1113  
00:36:08,710 --> 00:36:06,240

on the facebook and of course mary lou

1114

00:36:11,910 --> 00:36:08,720

danley deleted her facebook the night of

1115

00:36:12,230 --> 00:36:11,920

the las vegas shooting and you know what

1116

00:36:13,670 --> 00:36:12,240

she

1117

00:36:15,030 --> 00:36:13,680

he went to the philippines what do we

1118

00:36:16,550 --> 00:36:15,040

know about the philippines there's a

1119

00:36:18,470 --> 00:36:16,560

very large isis presence in the

1120

00:36:19,910 --> 00:36:18,480

philippines

1121

00:36:21,990 --> 00:36:19,920

her fingerprints were found on the

1122

00:36:23,430 --> 00:36:22,000

ammunition she admitted to helping

1123

00:36:26,790 --> 00:36:23,440

stephen paddock load

1124

00:36:27,750 --> 00:36:26,800

bullets into the guns uh why isn't this

1125

00:36:29,990 --> 00:36:27,760

lady in jail

1126  
00:36:30,790 --> 00:36:30,000  
i don't know where is she now i don't

1127  
00:36:33,910 --> 00:36:30,800  
know

1128  
00:36:37,030 --> 00:36:33,920  
where where is mary lou danley

1129  
00:36:38,790 --> 00:36:37,040  
where's brian hodge where's uh where's

1130  
00:36:40,470 --> 00:36:38,800  
what is his name eric paddock where's

1131  
00:36:43,349 --> 00:36:40,480  
all these people

1132  
00:36:45,349 --> 00:36:43,359  
who you know were were either family

1133  
00:36:46,870 --> 00:36:45,359  
members tied to stephen paddock related

1134  
00:36:48,069 --> 00:36:46,880  
where did they go

1135  
00:36:49,910 --> 00:36:48,079  
we don't know the motive and these

1136  
00:36:51,270 --> 00:36:49,920  
people are just gone where are they how

1137  
00:36:55,750 --> 00:36:51,280  
come no one's talking to them

1138  
00:36:59,430 --> 00:36:55,760

how come reporters aren't like stupid

1139

00:37:01,270 --> 00:36:59,440

if part of your theory is that they

1140

00:37:03,349 --> 00:37:01,280

don't want the isis connection to be

1141

00:37:04,470 --> 00:37:03,359

exposed then it raises the natural

1142

00:37:07,109 --> 00:37:04,480

question well

1143

00:37:08,550 --> 00:37:07,119

why not because certainly isis

1144

00:37:10,069 --> 00:37:08,560

connections to prior

1145

00:37:12,310 --> 00:37:10,079

shootings let's say santa barbara for

1146

00:37:13,510 --> 00:37:12,320

instance were disclosed why would they

1147

00:37:16,550 --> 00:37:13,520

be hiding it in this

1148

00:37:17,589 --> 00:37:16,560

circumstance exactly but i mean but

1149

00:37:19,750 --> 00:37:17,599

isn't that what you're isn't that what

1150

00:37:21,109 --> 00:37:19,760

you're alleging is going on yeah i mean

1151  
00:37:22,790 --> 00:37:21,119  
look they don't want to admit that

1152  
00:37:24,470 --> 00:37:22,800  
there's an isis connection

1153  
00:37:26,710 --> 00:37:24,480  
i believe because they don't want it to

1154  
00:37:28,390 --> 00:37:26,720  
negatively impact the economy

1155  
00:37:30,150 --> 00:37:28,400  
in vegas i mean there's there's many

1156  
00:37:33,829 --> 00:37:30,160  
reasons um it's gonna create

1157  
00:37:36,710 --> 00:37:33,839  
mass panic so um you know you just see

1158  
00:37:38,790 --> 00:37:36,720  
you just see a continuation of lies from

1159  
00:37:40,710 --> 00:37:38,800  
lvmpd i mean you could even look at the

1160  
00:37:41,910 --> 00:37:40,720  
immediate aftermath of the shooting on

1161  
00:37:43,750 --> 00:37:41,920  
new year's when

1162  
00:37:45,030 --> 00:37:43,760  
they said that there wasn't a terror

1163  
00:37:47,030 --> 00:37:45,040

threat in vegas

1164

00:37:49,030 --> 00:37:47,040

right they said dhs came out and said

1165

00:37:50,870 --> 00:37:49,040

that people didn't have to worry about a

1166

00:37:51,990 --> 00:37:50,880

terror threat that isis didn't take

1167

00:37:55,270 --> 00:37:52,000

responsibility

1168

00:37:56,470 --> 00:37:55,280

but then las vegas was was labeled as

1169

00:37:59,190 --> 00:37:56,480

the number one

1170

00:38:01,510 --> 00:37:59,200

um place for the potential of having an

1171

00:38:03,829 --> 00:38:01,520

isis terrorist attack on new year's eve

1172

00:38:05,670 --> 00:38:03,839

and had more security on the strip than

1173

00:38:08,310 --> 00:38:05,680

new york city itself

1174

00:38:10,470 --> 00:38:08,320

so las vegas surpassed it so how come

1175

00:38:11,910 --> 00:38:10,480

dhs is telling people and the fbi is

1176  
00:38:13,510 --> 00:38:11,920  
telling people right after the shooting

1177  
00:38:14,630 --> 00:38:13,520  
that isis wasn't responsible and there

1178  
00:38:16,470 --> 00:38:14,640  
isn't a terror threat

1179  
00:38:18,710 --> 00:38:16,480  
but then fast forward several months and

1180  
00:38:20,550 --> 00:38:18,720  
then all of a sudden las vegas becomes

1181  
00:38:21,910 --> 00:38:20,560  
like the most probable location for an

1182  
00:38:22,310 --> 00:38:21,920  
isis terrorist attack well that's

1183  
00:38:23,910 --> 00:38:22,320  
certainly

1184  
00:38:26,230 --> 00:38:23,920  
i mean do you see how there's just

1185  
00:38:27,190 --> 00:38:26,240  
inconsistency after inconsistencies

1186  
00:38:28,710 --> 00:38:27,200  
i mean that's certainly a valid

1187  
00:38:29,270 --> 00:38:28,720  
explanation as to why they would cover

1188  
00:38:31,030 --> 00:38:29,280

it up here

1189

00:38:32,870 --> 00:38:31,040

a lot if it's a lone wolf shooter

1190

00:38:33,990 --> 00:38:32,880

everybody can say oh well it was some

1191

00:38:36,470 --> 00:38:34,000

crazy guy

1192

00:38:37,829 --> 00:38:36,480

if it was isis people are going to be a

1193

00:38:38,950 --> 00:38:37,839

little bit more scared that that's

1194

00:38:42,230 --> 00:38:38,960

attack number one

1195

00:38:43,829 --> 00:38:42,240

and and right and isis has targeted

1196

00:38:48,630 --> 00:38:43,839

vegas and they're going to target

1197

00:38:52,310 --> 00:38:48,640

it again still paddock seems like an odd

1198

00:38:55,589 --> 00:38:52,320

person to be associated with isis

1199

00:38:57,190 --> 00:38:55,599

uh but we still have the no explanation

1200

00:38:58,550 --> 00:38:57,200

for having three cell phones in the room

1201

00:39:01,109 --> 00:38:58,560

who is he communicating with

1202

00:39:03,430 --> 00:39:01,119

so clearly appears that he wasn't acting

1203

00:39:06,870 --> 00:39:03,440

alone to have three cell phones

1204

00:39:08,710 --> 00:39:06,880

um missing a missing hard drive yeah

1205

00:39:10,069 --> 00:39:08,720

you know with the missing hard drive

1206

00:39:12,470 --> 00:39:10,079

what was on that hard drive

1207

00:39:14,310 --> 00:39:12,480

obviously he's trying to hide something

1208

00:39:17,109 --> 00:39:14,320

by by ripping out that hard drive

1209

00:39:18,630 --> 00:39:17,119

well yeah and then the hard drive goes

1210

00:39:20,230 --> 00:39:18,640

missing and then there's robbery at

1211

00:39:21,510 --> 00:39:20,240

stephen paddock's house and

1212

00:39:23,270 --> 00:39:21,520

how do you have a robbery stephen

1213

00:39:24,470 --> 00:39:23,280

paddock tower from the police and fbi

1214

00:39:25,109 --> 00:39:24,480

are supposed to be guarding it i mean

1215

00:39:28,230 --> 00:39:25,119

look

1216

00:39:29,510 --> 00:39:28,240

anybody who who says that the las vegas

1217

00:39:32,390 --> 00:39:29,520

shooting investigation

1218

00:39:34,950 --> 00:39:32,400

isn't corrupt and is is uh is a

1219

00:39:36,630 --> 00:39:34,960

legitimate investigation and anybody who

1220

00:39:38,230 --> 00:39:36,640

tells you that sheriff lombardo and the

1221

00:39:40,150 --> 00:39:38,240

fbi in vegas are

1222

00:39:41,990 --> 00:39:40,160

are good people and that they've been

1223

00:39:44,230 --> 00:39:42,000

honest about the vegas shooting is

1224

00:39:45,109 --> 00:39:44,240

out of their mind like they're out of

1225

00:39:46,710 --> 00:39:45,119

their mind

1226

00:39:48,630 --> 00:39:46,720

it doesn't matter if you're republican

1227

00:39:49,829 --> 00:39:48,640

democrat whatever your political

1228

00:39:52,870 --> 00:39:49,839

ideology may be

1229

00:39:54,230 --> 00:39:52,880

i haven't met one person who can look me

1230

00:39:55,510 --> 00:39:54,240

straight in the eye and tell me that

1231

00:39:57,109 --> 00:39:55,520

there isn't something wrong with this

1232

00:39:59,030 --> 00:39:57,119

vegas investigation

1233

00:40:00,230 --> 00:39:59,040

yeah that's why it's just still so

1234

00:40:00,870 --> 00:40:00,240

disturbing that there wasn't more

1235

00:40:02,630 --> 00:40:00,880

information

1236

00:40:04,470 --> 00:40:02,640

out there for voters that would cause

1237

00:40:06,870 --> 00:40:04,480

them to

1238

00:40:09,190 --> 00:40:06,880

choose not to reelect this guy blame the

1239

00:40:11,750 --> 00:40:09,200

media you know i blame all of them

1240

00:40:12,790 --> 00:40:11,760

i blame all the media all the media

1241

00:40:14,950 --> 00:40:12,800

whether it be the

1242

00:40:17,190 --> 00:40:14,960

vegas media or national media i mean how

1243

00:40:18,870 --> 00:40:17,200

come the mainstream media isn't doing

1244

00:40:20,230 --> 00:40:18,880

more to investigate this they have

1245

00:40:22,230 --> 00:40:20,240

millions of dollars

1246

00:40:23,670 --> 00:40:22,240

how come the las vegas review journal

1247

00:40:26,230 --> 00:40:23,680

fox 5

1248

00:40:27,990 --> 00:40:26,240

you know cbs all these other stations

1249

00:40:29,109 --> 00:40:28,000

and outlets that are in vegas like what

1250

00:40:30,950 --> 00:40:29,119

are they doing

1251  
00:40:32,309 --> 00:40:30,960  
you know they barely did any election

1252  
00:40:34,150 --> 00:40:32,319  
coverage they didn't give a fair

1253  
00:40:35,349 --> 00:40:34,160  
opportunity to tim bedwell and any of

1254  
00:40:36,790 --> 00:40:35,359  
the other candidates who were running

1255  
00:40:39,030 --> 00:40:36,800  
against sheriff lombardo

1256  
00:40:39,910 --> 00:40:39,040  
they covered up sheriff lombardo's lives

1257  
00:40:41,750 --> 00:40:39,920  
they didn't uh

1258  
00:40:43,750 --> 00:40:41,760  
they didn't investigate him there was

1259  
00:40:44,470 --> 00:40:43,760  
audio that came out that suggested that

1260  
00:40:46,710 --> 00:40:44,480  
he made

1261  
00:40:47,670 --> 00:40:46,720  
a racially charged comment against black

1262  
00:40:49,829 --> 00:40:47,680  
people like

1263  
00:40:50,870 --> 00:40:49,839

there's so much stuff about sheriff

1264

00:40:53,109 --> 00:40:50,880

lombardo and

1265

00:40:54,309 --> 00:40:53,119

corruption in vegas and the ldmpd that

1266

00:40:55,750 --> 00:40:54,319

they should have brought to the

1267

00:40:59,109 --> 00:40:55,760

attention of people

1268

00:41:01,270 --> 00:40:59,119

lies inconsistencies you know

1269

00:41:03,030 --> 00:41:01,280

direct misinformation within these

1270

00:41:04,790 --> 00:41:03,040

documents and witness statements that

1271

00:41:06,870 --> 00:41:04,800

could have impacted the election that

1272

00:41:09,510 --> 00:41:06,880

they chose not to report on

1273

00:41:10,790 --> 00:41:09,520

so for that the vegas media ought to be

1274

00:41:12,550 --> 00:41:10,800

ashamed of themselves

1275

00:41:14,390 --> 00:41:12,560

all these reporters in vegas ought to be

1276

00:41:16,390 --> 00:41:14,400

ashamed of themselves because

1277

00:41:17,829 --> 00:41:16,400

i can't name one reporter in las vegas

1278

00:41:18,950 --> 00:41:17,839

who actually stood up and said you know

1279

00:41:20,870 --> 00:41:18,960

what this is wrong

1280

00:41:22,550 --> 00:41:20,880

like we have to report this thank you
