**TRANSGENDER MOVEMENT**

**AVAILABLE ON ALL PODCAST APPS**

1  
00:00:05,500 --> 00:00:09,190

[Music]

2  
00:00:14,270 --> 00:00:12,499

so what about something like athletics

3  
00:00:17,120 --> 00:00:14,280

what's your opinion about that because

4  
00:00:19,340 --> 00:00:17,130

if you divide the sports by biological

5  
00:00:22,040 --> 00:00:19,350

sex things are nice clean and simple

6  
00:00:24,140 --> 00:00:22,050

once you start saying we need clean that

7  
00:00:25,730 --> 00:00:24,150

was well probably done better it's

8  
00:00:28,370 --> 00:00:25,740

getting more complicated but yeah it

9  
00:00:30,470 --> 00:00:28,380

seems as if there's the team that the

10  
00:00:32,659 --> 00:00:30,480

biological boys play on in the team of

11  
00:00:34,580 --> 00:00:32,669

the biological girls play on that's at

12  
00:00:36,860 --> 00:00:34,590

least the way it was but now that we've

13  
00:00:38,720 --> 00:00:36,870

introduced this concept that well gender

14

00:00:41,360 --> 00:00:38,730

isn't necessarily what you were born

15

00:00:43,369 --> 00:00:41,370

with so now we wanted to bide sports

16

00:00:44,869 --> 00:00:43,379

based on gender and when it comes to

17

00:00:48,229 --> 00:00:44,879

gender well that means that the

18

00:00:53,000 --> 00:00:48,239

transgendered females play with the

19

00:00:56,209 --> 00:00:53,010

biological females there's a question

20

00:00:58,630 --> 00:00:56,219

yeah yeah honestly this is one of those

21

00:01:00,799 --> 00:00:58,640

issues that I feel there is truly no

22

00:01:02,119 --> 00:01:00,809

good solution to you at this point I

23

00:01:04,429 --> 00:01:02,129

think we've messed it up so bad there's

24

00:01:09,320 --> 00:01:04,439

just no solution because at the end of

25

00:01:11,000 --> 00:01:09,330

the day so let's let's use high school

26  
00:01:13,399 --> 00:01:11,010  
as an example cuz that's kind of where

27  
00:01:16,039 --> 00:01:13,409  
if there is a trans kid they probably

28  
00:01:18,980 --> 00:01:16,049  
started already thirteen fourteen if

29  
00:01:20,679 --> 00:01:18,990  
you're on hormones if you're a male to

30  
00:01:25,580 --> 00:01:20,689  
female trans person you're on hormones

31  
00:01:27,620 --> 00:01:25,590  
your physiology does change so in my

32  
00:01:29,420 --> 00:01:27,630  
opinion you can't really play on the

33  
00:01:31,280 --> 00:01:29,430  
boys because you're like at a different

34  
00:01:32,539 --> 00:01:31,290  
kind of levels and the boys but you're

35  
00:01:36,260 --> 00:01:32,549  
also at a different level than the girls

36  
00:01:38,929 --> 00:01:36,270  
so it's kind of it's it's a big gray

37  
00:01:40,850 --> 00:01:38,939  
area and so then you want to say well

38  
00:01:42,109 --> 00:01:40,860

you can't say trans people shouldn't

39

00:01:43,429 --> 00:01:42,119

play sports testing sports are an

40

00:01:45,800 --> 00:01:43,439

integral part of childhood and they do

41

00:01:47,060 --> 00:01:45,810

people develop a lot of good

42

00:01:49,490 --> 00:01:47,070

characteristics from playing sports when

43

00:01:50,480 --> 00:01:49,500

young but then you also can't give them

44

00:01:53,120 --> 00:01:50,490

their own team because then it's

45

00:01:55,580 --> 00:01:53,130

segregation it's just it's just there's

46

00:01:56,840 --> 00:01:55,590

no good answer at all in my opinion I've

47

00:01:58,520 --> 00:01:56,850

tried to make a video about it and I'm

48

00:02:00,370 --> 00:01:58,530

like well I want to give a solution in

49

00:02:03,560 --> 00:02:00,380

the video but I literally don't have one

50

00:02:06,440 --> 00:02:03,570

yeah no it's it's a tough one Sabrina

51  
00:02:08,660 --> 00:02:06,450  
does suggest trans leagues but you know

52  
00:02:11,750 --> 00:02:08,670  
that probably works better as adults

53  
00:02:13,280 --> 00:02:11,760  
than it does as children yeah well there

54  
00:02:15,540 --> 00:02:13,290  
even be enough

55  
00:02:17,280 --> 00:02:15,550  
would there be enough or not well the

56  
00:02:19,500 --> 00:02:17,290  
numbers are growing quickly maybe now

57  
00:02:22,380 --> 00:02:19,510  
maybe in a few years there definitely be

58  
00:02:24,059 --> 00:02:22,390  
enough cabinets only yeah but yeah for

59  
00:02:25,530 --> 00:02:24,069  
sure and everything I've studied in

60  
00:02:26,790 --> 00:02:25,540  
interviews we've done you know the

61  
00:02:29,760 --> 00:02:26,800  
hormones have a significant effect

62  
00:02:33,140 --> 00:02:29,770  
bought a biological may hole is

63  
00:02:36,600 --> 00:02:33,150

typically taller broader shoulders

64

00:02:39,090 --> 00:02:36,610

naturally more muscular and so on so in

65

00:02:43,470 --> 00:02:39,100

the idea that we have to test form own

66

00:02:44,610 --> 00:02:43,480

levels to decide what's side of or what

67

00:02:46,080 --> 00:02:44,620

what support you're gonna play and

68

00:02:48,479 --> 00:02:46,090

someone seems like the whole idea of

69

00:02:50,759 --> 00:02:48,489

athletics is that we you don't take

70

00:02:52,530 --> 00:02:50,769

hormones you know that's what that used

71

00:02:54,300 --> 00:02:52,540

to be doping and now you're supposed to

72

00:02:55,770 --> 00:02:54,310

dope in order to participate in a

73

00:03:01,410 --> 00:02:55,780

certain size yeah I know that the

74

00:03:02,520 --> 00:03:01,420

Olympics has a really strict thing and

75

00:03:04,949 --> 00:03:02,530

they've kind of figured the issue out

76

00:03:06,509 --> 00:03:04,959

after well I know what it is it's all

77

00:03:07,920 --> 00:03:06,519

based on hormones and you just have to

78

00:03:10,550 --> 00:03:07,930

show that you've been on the therapy for

79

00:03:13,620 --> 00:03:10,560

a year so it's actually they've come out

80

00:03:15,150 --> 00:03:13,630

not surprising for an interact in turn a

81

00:03:16,740 --> 00:03:15,160

tional organization but they've come out

82

00:03:17,819 --> 00:03:16,750

quite liberally on the issue and

83

00:03:19,140 --> 00:03:17,829

basically said as long as you can show

84

00:03:19,680 --> 00:03:19,150

you've been on the therapy for a year

85

00:03:23,729 --> 00:03:19,690

you're good to go

86

00:03:25,560 --> 00:03:23,739

what you not I don't know I mean because

87

00:03:28,979 --> 00:03:25,570

you could mean you could start hormones

88

00:03:31,310 --> 00:03:28,989

at 25 and peed six five and be on

89

00:03:34,199 --> 00:03:31,320

hormones figure isn't gonna make you l

90

00:03:37,110 --> 00:03:34,209

don't know there are some really really

91

00:03:38,819 --> 00:03:37,120

tall trans male to females that I'd l

92

00:03:40,319 --> 00:03:38,829

would see as having a huge advantage

93

00:03:43,050 --> 00:03:40,329

regardless of how long they're on

94

00:03:45,840 --> 00:03:43,060

hormones I don't know it's hard well one

95

00:03:48,150 --> 00:03:45,850

of my answers is that and I guess I'm

96

00:03:51,539 --> 00:03:48,160

gonna be repeating myself from my sub

97

00:03:54,150 --> 00:03:51,549

for my Sofia interview but is that you

98

00:03:55,500 --> 00:03:54,160

know not everything could be made to be

99

00:03:57,500 --> 00:03:55,510

equal in the same for everybody

100

00:03:59,520 --> 00:03:57,510

everybody everybody has challenges

101  
00:04:01,199 --> 00:03:59,530  
transgender people have challenges

102  
00:04:04,050 --> 00:04:01,209  
believe it or not there's even white

103  
00:04:07,500 --> 00:04:04,060  
males that have challenges absolutely in

104  
00:04:08,490 --> 00:04:07,510  
fact I was thinking I'm really going in

105  
00:04:10,080 --> 00:04:08,500  
different directions right now but I was

106  
00:04:12,360 --> 00:04:10,090  
thinking about the striving in because

107  
00:04:14,130 --> 00:04:12,370  
what was the story oh oh I think I just

108  
00:04:15,930 --> 00:04:14,140  
listening to maybe not oh is listening

109  
00:04:17,219 --> 00:04:15,940  
to Howard Stern and Howard Stern was you

110  
00:04:18,810 --> 00:04:17,229  
know famously if you listen to him at

111  
00:04:20,520 --> 00:04:18,820  
all he went to a mostly black high

112  
00:04:23,279 --> 00:04:20,530  
school and he talked about how he used

113  
00:04:24,570 --> 00:04:23,289

to get his butt kicked by by blacks in

114

00:04:26,820 --> 00:04:24,580

ice cream he said yeah I remember when

115

00:04:29,670 --> 00:04:26,830

Martin Luther King was killing oh boy

116

00:04:30,869 --> 00:04:29,680

getting a beating today some black guys

117

00:04:34,950 --> 00:04:30,879

are gonna want to take it out on a white

118

00:04:37,200 --> 00:04:34,960

guy that day but you know what I I went

119

00:04:38,760 --> 00:04:37,210

to some pretty rough public schools and

120

00:04:41,490 --> 00:04:38,770

I got into some altercation in fact and

121

00:04:44,040 --> 00:04:41,500

I can tell you that more White's got

122

00:04:45,480 --> 00:04:44,050

beat up for being white than blacks got

123

00:04:46,529 --> 00:04:45,490

beat up for being black at least when I

124

00:04:48,270 --> 00:04:46,539

was in high school I'm not talking about

125

00:04:50,159 --> 00:04:48,280

Alabama down in the south but I missed

126

00:04:53,189 --> 00:04:50,169

argument when I would I grew up and he's

127

00:04:56,369 --> 00:04:53,199

not he's nodding his head too so you

128

00:04:58,290 --> 00:04:56,379

know everybody's got challenges to deal

129

00:05:00,360 --> 00:04:58,300

with some more than others and we can't

130

00:05:02,550 --> 00:05:00,370

turn everything upside down to make sure

131

00:05:03,809 --> 00:05:02,560

that there's everything's the playing

132

00:05:05,999 --> 00:05:03,819

field that's absolutely the same for

133

00:05:07,589 --> 00:05:06,009

everybody I think that yeah we're going

134

00:05:09,540 --> 00:05:07,599

down a dangerous road when we try to do

135

00:05:14,570 --> 00:05:09,550

that absolutely and here's a really

136

00:05:17,339 --> 00:05:14,580

great example of it my brother is

137

00:05:18,869 --> 00:05:17,349

straight male should have every

138

00:05:21,809 --> 00:05:18,879

advantage in life over me right

139

00:05:24,059 --> 00:05:21,819

technically he's in jail his life is

140

00:05:26,010 --> 00:05:24,069

messed up but I'm the one that's been

141

00:05:27,179 --> 00:05:26,020

honestly pretty successful for my age

142

00:05:28,649 --> 00:05:27,189

and I'm the one that makes my parents

143

00:05:30,779 --> 00:05:28,659

proud I'm the one that maybe you know

144

00:05:32,760 --> 00:05:30,789

statistically shouldn't have right I

145

00:05:34,290 --> 00:05:32,770

think my mom is always surprised by it

146

00:05:36,510 --> 00:05:34,300

she's like how are you the one who's

147

00:05:39,719 --> 00:05:36,520

like doing well and like all this stuff

148

00:05:42,180 --> 00:05:39,729

so it's like it just comes down to the

149

00:05:43,469 --> 00:05:42,190

person and same with even just within

150

00:05:46,439 --> 00:05:43,479

the trans community some trans people

151

00:05:48,839 --> 00:05:46,449

have it way harder like if I if I was 65

152

00:05:50,939 --> 00:05:48,849

I'd have it harder no it's just stop

153

00:05:52,409 --> 00:05:50,949

grouping people together and treat us as

154

00:05:55,920 --> 00:05:52,419

individuals I know that's one of your

155

00:05:57,719 --> 00:05:55,930

big critiques of the left and and in how

156

00:06:01,890 --> 00:05:57,729

I would think in your opinion that the

157

00:06:05,040 --> 00:06:01,900

left uses the trans community absolutely

158

00:06:08,040 --> 00:06:05,050

I often say like trans is used just like

159

00:06:10,769 --> 00:06:08,050

the political football it's it's it's

160

00:06:13,170 --> 00:06:10,779

it's been weaponized and it's been also

161

00:06:14,850 --> 00:06:13,180

monetized by both sides and it's kind of

162

00:06:17,490 --> 00:06:14,860

become this thing that's like it's like

163

00:06:20,610 --> 00:06:17,500

a it's like a talking point rather than

164

00:06:22,320 --> 00:06:20,620

like we're talking about people and the

165

00:06:24,749 --> 00:06:22,330

left should not have monopoly on a group

166

00:06:26,670 --> 00:06:24,759

of people like what seems like the left

167

00:06:29,010 --> 00:06:26,680

is always looking for an oppressed group

168

00:06:30,540 --> 00:06:29,020

that they can be the defenders of and

169

00:06:32,279 --> 00:06:30,550

that's why they don't want to let go of

170

00:06:34,350 --> 00:06:32,289

the black community they want the black

171

00:06:36,059 --> 00:06:34,360

community to believe that racism is

172

00:06:38,189 --> 00:06:36,069

still a major problem for you out there

173

00:06:40,290 --> 00:06:38,199

and therefore you need us because guess

174

00:06:40,620 --> 00:06:40,300

what if it's not a problem for you you

175

00:06:44,100 --> 00:06:40,630

don't

176  
00:06:45,240 --> 00:06:44,110  
need us anymore mm-hmm absolutely I

177  
00:06:47,610 --> 00:06:45,250  
think that's one of the reasons why I

178  
00:06:49,020 --> 00:06:47,620  
get so much hate from that side because

179  
00:06:51,870 --> 00:06:49,030  
I think they see me as sort of a traitor

180  
00:06:53,100 --> 00:06:51,880  
or you know I've been yeah if you were

181  
00:06:55,320 --> 00:06:53,110  
to take the position that we don't need

182  
00:06:58,080 --> 00:06:55,330  
you thank you very much because I know

183  
00:07:00,600 --> 00:06:58,090  
right but that kills their whole reason

184  
00:07:04,020 --> 00:07:00,610  
for being absolutely I mean listen I am

185  
00:07:06,630 --> 00:07:04,030  
an individual I have gotten to where

186  
00:07:08,580 --> 00:07:06,640  
I've gotten in life I'm self-made in

187  
00:07:11,340 --> 00:07:08,590  
every sense of the way my body my career

188  
00:07:13,620 --> 00:07:11,350

everything I've never needed an advocacy

189

00:07:15,960 --> 00:07:13,630

group I've never needed you know a

190

00:07:17,190 --> 00:07:15,970

handout I've never needed someone to you

191

00:07:18,660 --> 00:07:17,200

know put their arms around me and say oh

192

00:07:20,760 --> 00:07:18,670

no no it's fine I'm gonna do everything

193

00:07:24,510 --> 00:07:20,770

for you no I've done everything myself

194

00:07:25,920 --> 00:07:24,520

and yeah I'm an individual yeah well you

195

00:07:31,100 --> 00:07:25,930

know I don't I think I just kind of kid

196

00:07:34,140 --> 00:07:31,110

on why there's been this huge surge in

197

00:07:36,810 --> 00:07:34,150

transgenderism and as far as it being in

198

00:07:40,500 --> 00:07:36,820

the public eye and it being so embraced

199

00:07:43,620 --> 00:07:40,510

by the left because I've likened it to

200

00:07:45,870 --> 00:07:43,630

or made the point that it seems to have

201  
00:07:47,990 --> 00:07:45,880  
really surged after gay marriage

202  
00:07:51,480 --> 00:07:48,000  
approval there was all this stuff about

203  
00:07:53,730 --> 00:07:51,490  
gay and in in in in gay racism and gay

204  
00:07:55,860 --> 00:07:53,740  
marriage and and surprisingly I mean

205  
00:07:58,740 --> 00:07:55,870  
don't forget Obama was elected president

206  
00:08:00,000 --> 00:07:58,750  
saying I'm opposed to gay marriage so

207  
00:08:01,800 --> 00:08:00,010  
all these people that want to go

208  
00:08:04,560 --> 00:08:01,810  
everybody wants to call people

209  
00:08:06,120 --> 00:08:04,570  
homophobes who haven't or against gay

210  
00:08:08,040 --> 00:08:06,130  
marriage well Obama was the hope of

211  
00:08:10,230 --> 00:08:08,050  
homophobe until just recently

212  
00:08:13,380 --> 00:08:10,240  
so that passed the Supreme Court thing

213  
00:08:15,900 --> 00:08:13,390

happens and the left as I said is always

214

00:08:17,550 --> 00:08:15,910

looking for that ostracize community

215

00:08:20,730 --> 00:08:17,560

that they can support they realize holy

216

00:08:23,130 --> 00:08:20,740

cow where do we go with gays now what

217

00:08:25,680 --> 00:08:23,140

else can we look for to support the gay

218

00:08:28,860 --> 00:08:25,690

community and show how open-minded we

219

00:08:30,270 --> 00:08:28,870

are well we better move down the letters

220

00:08:33,029 --> 00:08:30,280

what's the next letter on the list and

221

00:08:34,890 --> 00:08:33,039

it's T the transgender and boom that

222

00:08:36,360 --> 00:08:34,900

becomes their cause celeb absolutely and

223

00:08:38,279 --> 00:08:36,370

here's what's been so frustrating for me

224

00:08:40,080 --> 00:08:38,289

is that a lot of times like their

225

00:08:42,480 --> 00:08:40,090

advocacy and the things they do to help

226

00:08:43,890 --> 00:08:42,490

the trans community do not a lot of

227

00:08:45,390 --> 00:08:43,900

times they just kind of make us look

228

00:08:46,650 --> 00:08:45,400

about and like we're saying earlier it's

229

00:08:49,970 --> 00:08:46,660

a lot of people who are not trans who

230

00:08:53,470 --> 00:08:49,980

want to speak for trans people for me

231

00:08:55,840 --> 00:08:53,480

I've always been

232

00:08:57,190 --> 00:08:55,850

the sort of person to wear like a lot of

233

00:08:58,389 --> 00:08:57,200

people come to my youtube channel who

234

00:08:59,889 --> 00:08:58,399

are more on the conservative side more

235

00:09:01,210 --> 00:08:59,899

on the right wing side who have either

236

00:09:02,650 --> 00:09:01,220

you know maybe they live in Middle

237

00:09:04,360 --> 00:09:02,660

America and never met a trans person I

238

00:09:05,889 --> 00:09:04,370

mean they have negative connotations

239

00:09:07,960 --> 00:09:05,899

about trans people prior to coming to my

240

00:09:09,910 --> 00:09:07,970

channel they see that commonality in me

241

00:09:11,949 --> 00:09:09,920

that like oh my god there can be a trans

242

00:09:13,329 --> 00:09:11,959

person who isn't sort of the caricature

243

00:09:14,740 --> 00:09:13,339

of what the left has created and

244

00:09:15,430 --> 00:09:14,750

suddenly there was a there's a

245

00:09:17,860 --> 00:09:15,440

reliability

246

00:09:19,540 --> 00:09:17,870

and suddenly there's okay maybe I can

247

00:09:21,730 --> 00:09:19,550

get with this and I think that's

248

00:09:24,280 --> 00:09:21,740

important and I do it by just living my

249

00:09:27,040 --> 00:09:24,290

life yes it's like yeah it's ironic

250

00:09:30,129 --> 00:09:27,050

because as I said I would think that you

251  
00:09:32,019 --> 00:09:30,139  
by far would get the least haters out

252  
00:09:34,540 --> 00:09:32,029  
there because you're just out there

253  
00:09:37,780 --> 00:09:34,550  
being yourself I think it's the ones

254  
00:09:39,759 --> 00:09:37,790  
that seem to be sticking to a particular

255  
00:09:43,420 --> 00:09:39,769  
agenda that are getting more of the

256  
00:09:45,850 --> 00:09:43,430  
negative transparent it's it's it's it's

257  
00:09:48,069 --> 00:09:45,860  
completely transparent a lot of these

258  
00:09:50,350 --> 00:09:48,079  
advocates oh my god there's some there

259  
00:09:53,410 --> 00:09:50,360  
so that I made a video about this person

260  
00:09:55,449 --> 00:09:53,420  
named um I think his name is a lock or a

261  
00:09:56,860 --> 00:09:55,459  
loop or something like that and you

262  
00:09:58,150 --> 00:09:56,870  
should you should watch the video it's

263  
00:09:59,980 --> 00:09:58,160

called you can't unsee this on my

264

00:10:01,689 --> 00:09:59,990

channel the most ridiculous person ever

265

00:10:04,480 --> 00:10:01,699

speaking for trans people and they're

266

00:10:05,710 --> 00:10:04,490

all kind of like that and so I think a

267

00:10:07,060 --> 00:10:05,720

much better inform about if I could see

268

00:10:08,800 --> 00:10:07,070

is just living your life being yourself

269

00:10:12,310 --> 00:10:08,810

and letting people see you're just a

270

00:10:15,100 --> 00:10:12,320

normal person so let's get a little bit

271

00:10:16,689 --> 00:10:15,110

more into transgender politics and the

272

00:10:17,560 --> 00:10:16,699

parties I mean first of all I think

273

00:10:20,620 --> 00:10:17,570

you've made it clear you're not a

274

00:10:22,449 --> 00:10:20,630

one-issue voter right and in this I had

275

00:10:24,130 --> 00:10:22,459

this conversation with Sophia too and

276

00:10:26,769 --> 00:10:24,140

and she said she's not a when a she

277

00:10:29,230 --> 00:10:26,779

voted where the parties are on trans

278

00:10:30,970 --> 00:10:29,240

issues I imagine is important to you but

279

00:10:33,280 --> 00:10:30,980

there's also the economy there's foreign

280

00:10:34,900 --> 00:10:33,290

policy there's a lot of so much more I'd

281

00:10:37,059 --> 00:10:34,910

be so ignorant to just be like I'm gonna

282

00:10:38,710 --> 00:10:37,069

vote on who has this feeling about trans

283

00:10:39,730 --> 00:10:38,720

people it's like that would be nice

284

00:10:42,069 --> 00:10:39,740

though the only thing I don't worry

285

00:10:45,490 --> 00:10:42,079

about okay but the parties do have their

286

00:10:48,670 --> 00:10:45,500

positions when it comes to LGBT issues

287

00:10:50,530 --> 00:10:48,680

and so as far as where the parties in

288

00:10:53,280 --> 00:10:50,540

your view should be so I was ticking

289

00:10:55,660 --> 00:10:53,290

through the Republican platform and I

290

00:10:57,430 --> 00:10:55,670

hope this information is correct because

291

00:10:58,840 --> 00:10:57,440

I got it off of a website so you can't

292

00:11:01,120 --> 00:10:58,850

always trust it but apparently this was

293

00:11:04,120 --> 00:11:01,130

the Republican platform on marriage

294

00:11:06,070 --> 00:11:04,130

equality and that the Republican Party

295

00:11:09,160 --> 00:11:06,080

still

296

00:11:10,420 --> 00:11:09,170

it is not it says long government

297

00:11:12,070 --> 00:11:10,430

regulation should only recognize

298

00:11:13,570 --> 00:11:12,080

marriage as the union of one man and one

299

00:11:15,010 --> 00:11:13,580

woman so that apparently it's still the

300

00:11:16,630 --> 00:11:15,020

position of the Republican Party that

301

00:11:18,480 --> 00:11:16,640

there shouldn't be gay marriage it

302

00:11:22,540 --> 00:11:18,490

should only be between a man and a woman

303

00:11:24,220 --> 00:11:22,550

what's your thoughts about that I'm not

304

00:11:28,120 --> 00:11:24,230

sure I quite believe that I think um

305

00:11:30,790 --> 00:11:28,130

that was the case in like 2008 9 10

306

00:11:34,060 --> 00:11:30,800

stars their platform yeah this

307

00:11:36,400 --> 00:11:34,070

supposedly is from the 2016 platform but

308

00:11:39,220 --> 00:11:36,410

but and let's assume it's correct but if

309

00:11:41,680 --> 00:11:39,230

it's not then I'll correct it when I do

310

00:11:43,570 --> 00:11:41,690

my lead-in but bottom line is I'm just

311

00:11:44,890 --> 00:11:43,580

curious what is what's your position you

312

00:11:48,400 --> 00:11:44,900

think gay marriage should be permitted

313

00:11:51,040 --> 00:11:48,410

oh yeah yeah yeah I think honestly that

314

00:11:52,660 --> 00:11:51,050

may still be the technical platform of

315

00:11:54,070 --> 00:11:52,670

what a few people to top want to put out

316

00:11:55,630 --> 00:11:54,080

but I think in terms of cultural

317

00:11:58,090 --> 00:11:55,640

resonance and what people actually think

318

00:11:59,860 --> 00:11:58,100

on the ground level I think these days

319

00:12:01,660 --> 00:11:59,870

you're kind of hard-pressed to find two

320

00:12:03,750 --> 00:12:01,670

people in a room who really want to

321

00:12:07,120 --> 00:12:03,760

debate about that well a related issue

322

00:12:10,150 --> 00:12:07,130

because I equivocate on gay marriage

323

00:12:13,090 --> 00:12:10,160

solely over the issue of essentially

324

00:12:15,640 --> 00:12:13,100

adoption I have a particular personal

325

00:12:17,740 --> 00:12:15,650

view but it's not something I share

326

00:12:19,780 --> 00:12:17,750

alone I think that there's tons of

327

00:12:22,840 --> 00:12:19,790

studies that back me up that the ideal

328

00:12:25,960 --> 00:12:22,850

environment for a child to be raised in

329

00:12:28,540 --> 00:12:25,970

is a loving father and a loving mother

330

00:12:30,370 --> 00:12:28,550

that that's the preferred method of

331

00:12:32,860 --> 00:12:30,380

raising a child and there's been studies

332

00:12:35,650 --> 00:12:32,870

that seem to have borne that out and if

333

00:12:37,690 --> 00:12:35,660

that's true I'm sure and we could debate

334

00:12:39,940 --> 00:12:37,700

that and we and we will but if that's

335

00:12:42,750 --> 00:12:39,950

true then I think that when it comes to

336

00:12:45,250 --> 00:12:42,760

adoption all other things being equal

337

00:12:49,680 --> 00:12:45,260

preference should be given to the loving

338

00:12:53,110 --> 00:12:49,690

male and loving female couple over the

339

00:12:55,480 --> 00:12:53,120

two male couple or two female couple so

340

00:12:57,220 --> 00:12:55,490

that's the only reason I hesitate on gay

341

00:13:00,730 --> 00:12:57,230

marriage because I'm like well if that

342

00:13:02,350 --> 00:13:00,740

means that when it comes to adoption all

343

00:13:04,150 --> 00:13:02,360

other things being equal the babies

344

00:13:06,570 --> 00:13:04,160

could go to the the gay couple or the

345

00:13:08,830 --> 00:13:06,580

straight couple I'm not a fan of that so

346

00:13:10,900 --> 00:13:08,840

no kick that over you what do you think

347

00:13:12,400 --> 00:13:10,910

um I would say that I completely agree

348

00:13:14,380 --> 00:13:12,410

that there are studies that show that

349

00:13:17,110 --> 00:13:14,390

the best possible line for a kid is a

350

00:13:19,929 --> 00:13:17,120

mom and a dad the typical family unit

351

00:13:24,939 --> 00:13:19,939

that is statistically what raises the

352

00:13:27,849 --> 00:13:24,949

most productive law-abiding person I

353

00:13:29,319 --> 00:13:27,859

think that Black has said two things can

354

00:13:31,239 --> 00:13:29,329

be sure once I think that is true

355

00:13:33,099 --> 00:13:31,249

whereas we also live in a world where

356

00:13:34,569 --> 00:13:33,109

there are a lot of babies out here who

357

00:13:37,329 --> 00:13:34,579

cannot find parents there are a lot of

358

00:13:39,189 --> 00:13:37,339

kids who grow up in a foster system I

359

00:13:42,129 --> 00:13:39,199

personally know people who you know once

360

00:13:44,409 --> 00:13:42,139

you turn 18 you're out and your life is

361

00:13:46,389 --> 00:13:44,419

like how can I could not even function

362

00:13:48,879 --> 00:13:46,399

as an adult living my life in foster

363

00:13:52,960 --> 00:13:48,889

care and never having parents so I think

364

00:13:55,179 --> 00:13:52,970

that you know well keep in mind I'm not

365

00:13:56,859 --> 00:13:55,189

saying no to gay adoption like what I'm

366

00:13:59,499 --> 00:13:56,869

saying all other things being equal

367

00:14:02,439 --> 00:13:59,509

right I want the preference to go to the

368

00:14:04,659 --> 00:14:02,449

straight couple right I'm just not

369

00:14:06,339 --> 00:14:04,669

convinced that we're like at a point

370

00:14:09,099 --> 00:14:06,349

where there's first of all that much

371

00:14:10,809 --> 00:14:09,109

like there's so many kids in the system

372

00:14:12,099 --> 00:14:10,819

that I don't think it really comes down

373

00:14:13,389 --> 00:14:12,109

to like oh we have to pick the have to

374

00:14:16,299 --> 00:14:13,399

know this one or this one I think that

375

00:14:18,419 --> 00:14:16,309

like no actually adoption though if

376

00:14:21,849 --> 00:14:18,429

anything there's a shortage of children

377

00:14:23,769 --> 00:14:21,859

yes that yeah yeah I believe that's true

378

00:14:26,769 --> 00:14:23,779

in fact Sabrina told a really

379

00:14:28,779 --> 00:14:26,779

interesting story she was adopted and I

380

00:14:31,119 --> 00:14:28,789

can't imagine a time in California when

381

00:14:33,219 --> 00:14:31,129

abortion was illegal but guess what at

382

00:14:37,509 --> 00:14:33,229

the time that she was born she's mid-50s

383

00:14:41,079 --> 00:14:37,519

abortion was illegal and her so her

384

00:14:44,559 --> 00:14:41,089

mother thank God for her obviously had

385

00:14:46,569 --> 00:14:44,569

her and put her up for adoption but at

386

00:14:48,879 --> 00:14:46,579

that point there were lots of babies up

387

00:14:51,579 --> 00:14:48,889

for adoption and there was

388

00:14:53,259 --> 00:14:51,589

discrimination against race based on

389

00:14:55,659 --> 00:14:53,269

that so she lied about the fact that the

390

00:14:58,089 --> 00:14:55,669

father was Mexican on the adoption

391

00:15:01,179 --> 00:14:58,099

papers because she wanted it to be a

392

00:15:02,439 --> 00:15:01,189

white baby to make sure that that she

393

00:15:04,869 --> 00:15:02,449

was adopted oh wow

394

00:15:06,399 --> 00:15:04,879

these days it's a shortage of fuel I

395

00:15:08,679 --> 00:15:06,409

mean I'm sure I miss white people go to

396

00:15:10,059 --> 00:15:08,689

China to adopt and Cambodia to adopt so

397

00:15:11,679 --> 00:15:10,069

I genuinely did not even know there was

398

00:15:13,929 --> 00:15:11,689

a shortage I was coming at that position

399

00:15:15,819 --> 00:15:13,939

from the context of think nervous just

400

00:15:19,089 --> 00:15:15,829

so many because without parents I didn't

401  
00:15:22,089 --> 00:15:19,099  
know that I guess then if the situation

402  
00:15:24,819 --> 00:15:22,099  
were to come down to there's a shortage

403  
00:15:27,939 --> 00:15:24,829  
has to go to ones that then then I mean

404  
00:15:29,109 --> 00:15:27,949  
maybe the ugly truth would be if I was

405  
00:15:30,560 --> 00:15:29,119  
making the decision maybe I guess I

406  
00:15:33,330 --> 00:15:30,570  
would pick the mother in the bother

407  
00:15:34,920 --> 00:15:33,340  
yeah this concerns me again I think it's

408  
00:15:38,280 --> 00:15:34,930  
something that is being done to reduce

409  
00:15:39,690 --> 00:15:38,290  
stigma but ignoring science ignoring

410  
00:15:40,890 --> 00:15:39,700  
these studies about the importance of a

411  
00:15:42,120 --> 00:15:40,900  
loving father and a loving mother

412  
00:15:46,740 --> 00:15:42,130  
because if we're just gonna toss that

413  
00:15:48,540 --> 00:15:46,750

out and say that no one woman fine one

414

00:15:51,570 --> 00:15:48,550

man find two men fine

415

00:15:53,220 --> 00:15:51,580

two women fine etc and just salsa that

416

00:15:54,510 --> 00:15:53,230

well what does that mean about the

417

00:15:56,370 --> 00:15:54,520

issues that for instance the black

418

00:15:59,610 --> 00:15:56,380

community is facing we know that it's

419

00:16:02,130 --> 00:15:59,620

facing you know unwed mothers black

420

00:16:04,920 --> 00:16:02,140

fathers yeah black fathers not being

421

00:16:08,040 --> 00:16:04,930

there well if having a father is not

422

00:16:09,750 --> 00:16:08,050

that important as they're now activists

423

00:16:11,640 --> 00:16:09,760

are trying to teach and hijacking these

424

00:16:13,320 --> 00:16:11,650

associations and changing the science

425

00:16:16,050 --> 00:16:13,330

about the importance of a loving father

426

00:16:16,950 --> 00:16:16,060

and a loving mother then okay I guess

427

00:16:18,570 --> 00:16:16,960

that's not the problem in the black

428

00:16:20,970 --> 00:16:18,580

community I guess like a father's really

429

00:16:24,570 --> 00:16:20,980

isn't it must be something else oh maybe

430

00:16:27,510 --> 00:16:24,580

it's racism right that's not that's

431

00:16:29,490 --> 00:16:27,520

another thing very taboo to say um and

432

00:16:31,260 --> 00:16:29,500

it's a little off but that's also

433

00:16:33,870 --> 00:16:31,270

another huge taboo was like the problem

434

00:16:35,700 --> 00:16:33,880

with you know fathers leaving families

435

00:16:38,220 --> 00:16:35,710

in the black community there's been so

436

00:16:39,990 --> 00:16:38,230

many studies that a huge root of you

437

00:16:41,520 --> 00:16:40,000

know people are so much more likely to

438

00:16:43,080 --> 00:16:41,530

go to jail if you don't have a father

439

00:16:45,750 --> 00:16:43,090

we were so much more likely to be poor

440

00:16:49,140 --> 00:16:45,760

you don't have a father but people don't

441

00:16:52,170 --> 00:16:49,150

like saying that yeah well Obama used to

442

00:16:54,030 --> 00:16:52,180

say it he really in my view if you

443

00:16:55,800 --> 00:16:54,040

recall when he was running for office he

444

00:16:57,930 --> 00:16:55,810

wasn't embraced by the black community

445

00:17:00,060 --> 00:16:57,940

early this is another thing a history

446

00:17:05,690 --> 00:17:00,070

thing that people kind of forget Clinton

447

00:17:07,920 --> 00:17:05,700

was was what was supposed to win and and

448

00:17:09,180 --> 00:17:07,930

the black community was supporting

449

00:17:10,890 --> 00:17:09,190

Clinton I mean the black community they

450

00:17:12,240 --> 00:17:10,900

always called Bill Clinton the first

451  
00:17:13,829 --> 00:17:12,250  
black president or honorary black

452  
00:17:15,210 --> 00:17:13,839  
president because the black community

453  
00:17:18,449 --> 00:17:15,220  
embraced him so much that they were all

454  
00:17:20,550 --> 00:17:18,459  
I'm bored with Hillary and then Barack

455  
00:17:22,650 --> 00:17:20,560  
Obama who let's face it is not full

456  
00:17:25,949 --> 00:17:22,660  
black he's half black comes on the scene

457  
00:17:27,329 --> 00:17:25,959  
and he was talking in in a way that was

458  
00:17:29,340 --> 00:17:27,339  
kind of tough talk for the black

459  
00:17:30,900 --> 00:17:29,350  
community about like a black fathers and

460  
00:17:33,080 --> 00:17:30,910  
you know some of the kind of tough

461  
00:17:35,340 --> 00:17:33,090  
medicine that perhaps needs to be

462  
00:17:38,730 --> 00:17:35,350  
accepted in the community to really

463  
00:17:40,140 --> 00:17:38,740

address the issues um ultimately he was

464

00:17:42,600 --> 00:17:40,150

embraced by the black community I think

465

00:17:43,570 --> 00:17:42,610

frankly because he was just so damn good

466

00:17:45,160 --> 00:17:43,580

I mean he

467

00:17:47,110 --> 00:17:45,170

just going out there and killing it you

468

00:17:49,510 --> 00:17:47,120

know Hillary out there who's just a

469

00:17:52,660 --> 00:17:49,520

horrible speaker and not a likable

470

00:17:56,860 --> 00:17:52,670

person in Obama's he mastered the media

471

00:17:58,690 --> 00:17:56,870

and yeah yeah he was just brilliant and

472

00:18:01,420 --> 00:17:58,700

so the blacks ultimately got on board

473

00:18:03,190 --> 00:18:01,430

but then I think once he got in office I

474

00:18:04,480 --> 00:18:03,200

think that you know when Jesse Jackson's

475

00:18:06,490 --> 00:18:04,490

knocking on the door and this and that

476

00:18:08,710 --> 00:18:06,500

in the black the black activists you

477

00:18:09,940 --> 00:18:08,720

know you give the black activists what

478

00:18:11,350 --> 00:18:09,950

you want do you really want to fight

479

00:18:14,280 --> 00:18:11,360

with them they helped get you elected

480

00:18:17,920 --> 00:18:14,290

yeah and I think we lost some of that

481

00:18:20,050 --> 00:18:17,930

sort of related to that this is Sophia's

482

00:18:23,740 --> 00:18:20,060

opinion I'm curious if you're she she

483

00:18:27,070 --> 00:18:23,750

feels very let down by Trump and felt

484

00:18:29,530 --> 00:18:27,080

that on the campaign trail that he was

485

00:18:31,510 --> 00:18:29,540

acting as if he was a friend of the LGBT

486

00:18:33,850 --> 00:18:31,520

community and let's face it I mean

487

00:18:35,200 --> 00:18:33,860

socially Trump is pretty liberal and

488

00:18:37,330 --> 00:18:35,210

historically has been pretty liberal and

489

00:18:40,240 --> 00:18:37,340

been sorry not to be when you're in New

490

00:18:42,310 --> 00:18:40,250

York but that since taking office he's

491

00:18:45,730 --> 00:18:42,320

really done a 180 she's saying that he

492

00:18:50,110 --> 00:18:45,740

lied and she uses the f-word now to

493

00:18:53,920 --> 00:18:50,120

refer to Trump whoa the f-word we won't

494

00:18:56,880 --> 00:18:53,930

use it on this podcast we will you were

495

00:19:03,300 --> 00:18:56,890

to the FAA chico says [h\_\_h] Trump oh

496

00:19:06,400 --> 00:19:03,310

oh I don't feel that down but that is

497

00:19:10,000 --> 00:19:06,410

mostly because again I just I just care

498

00:19:13,360 --> 00:19:10,010

so much that I'm so happy about I care

499

00:19:16,420 --> 00:19:13,370

so let's focus then on what what he's

500

00:19:18,180 --> 00:19:16,430

done on LGBT issues if anything I mean

501  
00:19:24,070 --> 00:19:18,190  
we know there's the trans military issue

502  
00:19:27,670 --> 00:19:24,080  
yeah that bother you well here to think

503  
00:19:29,620 --> 00:19:27,680  
okay the trans military thing was never

504  
00:19:36,160 --> 00:19:29,630  
actually put into action

505  
00:19:38,290 --> 00:19:36,170  
it was just words which it would it

506  
00:19:42,010 --> 00:19:38,300  
literally was just weak it never was

507  
00:19:43,840 --> 00:19:42,020  
legislation it was never enacted and I

508  
00:19:45,100 --> 00:19:43,850  
wasn't the biggest fan of it because I

509  
00:19:47,560 --> 00:19:45,110  
felt like there's so much more I care

510  
00:19:49,360 --> 00:19:47,570  
about that he should be doing but it

511  
00:19:51,460 --> 00:19:49,370  
also never happened so I can't be that

512  
00:19:53,890 --> 00:19:51,470  
mad about it well and let's just say

513  
00:19:56,710 --> 00:19:53,900

flat out let's say it did happen is that

514

00:20:00,940 --> 00:19:56,720

when it comes to trans issues

515

00:20:04,750 --> 00:20:00,950

is that a big issue for you that but

516

00:20:08,799 --> 00:20:04,760

gosh darnit heck yes trans need to be

517

00:20:11,529 --> 00:20:08,809

permitted to serve in the military I do

518

00:20:14,200 --> 00:20:11,539

not want to be drafted ban me keep me

519

00:20:15,960 --> 00:20:14,210

away in the last year 25 right I think

520

00:20:19,149 --> 00:20:15,970

that might be the last year potential

521

00:20:23,730 --> 00:20:19,159

drafted did you have to sign up did you

522

00:20:28,000 --> 00:20:26,740

signed that too it doesn't mean there's

523

00:20:31,840 --> 00:20:28,010

a draft in place we have to I think

524

00:20:33,340 --> 00:20:31,850

registering in case yeah did you run

525

00:20:35,980 --> 00:20:33,350

back after your transition and say by

526

00:20:38,110 --> 00:20:35,990

the way I'm trans now so take me off the

527

00:20:43,990 --> 00:20:38,120

list I think being on estrogen just

528

00:20:45,880 --> 00:20:44,000

qualifies you thank God but I can see

529

00:20:48,100 --> 00:20:45,890

from both sides I think that there are

530

00:20:49,600 --> 00:20:48,110

so many disqualifications as far as

531

00:20:51,580 --> 00:20:49,610

joining the military and especially

532

00:20:53,440 --> 00:20:51,590

being on the front lines if you have an

533

00:20:54,789 --> 00:20:53,450

abnormally large pinky toe you can

534

00:20:56,470 --> 00:20:54,799

practically be disqualified I mean

535

00:21:00,640 --> 00:20:56,480

there's so many things especially health

536

00:21:02,470 --> 00:21:00,650

things and so yeah you know like I think

537

00:21:04,450 --> 00:21:02,480

it's completely reasonable to say you

538

00:21:06,240 --> 00:21:04,460

know it's not probably the best a people

539

00:21:08,560 --> 00:21:06,250

on the frontlines who are on hormones

540

00:21:10,570 --> 00:21:08,570

well not to mention you know depending

541

00:21:12,700 --> 00:21:10,580

on where you are in your transition etc

542

00:21:15,100 --> 00:21:12,710

we've talked earlier gender dysphoria is

543

00:21:16,390 --> 00:21:15,110

a serious condition whatever you want to

544

00:21:18,549 --> 00:21:16,400

call it it's something that people

545

00:21:21,220 --> 00:21:18,559

struggle with and it can lead to suicide

546

00:21:23,169 --> 00:21:21,230

and and the veteran suicide rate is

547

00:21:26,049 --> 00:21:23,179

really really bad as well so if you want

548

00:21:29,409 --> 00:21:26,059

to compound that I could actually see

549

00:21:31,779 --> 00:21:29,419

where how that would be bad I will say

550

00:21:33,700 --> 00:21:31,789

the only argument that I feel like

551

00:21:35,200 --> 00:21:33,710

didn't really hold as far as that was

552

00:21:36,520 --> 00:21:35,210

like the whole like we shouldn't be

553

00:21:38,500 --> 00:21:36,530

paying for sex changes because the math

554

00:21:40,690 --> 00:21:38,510

actually it was like really small

555

00:21:43,149 --> 00:21:40,700

portion and I think it's only happened a

556

00:21:45,700 --> 00:21:43,159

couple times and there are things like

557

00:21:46,750 --> 00:21:45,710

viagra that like cost more than sex

558

00:21:47,799 --> 00:21:46,760

changes that's the only thing I didn't

559

00:21:50,710 --> 00:21:47,809

see really hold that much water

560

00:21:53,260 --> 00:21:50,720

having said that like I said I can see

561

00:21:54,520 --> 00:21:53,270

why someone on hormones should not be on

562

00:21:56,919 --> 00:21:54,530

the front line what about insurance

563

00:21:59,440 --> 00:21:56,929

coverage for reassignment surgery should

564

00:22:01,410 --> 00:21:59,450

be mandated to be part of any insurance

565

00:22:06,600 --> 00:22:01,420

coverage

566

00:22:08,760 --> 00:22:06,610

um that's one that I always struggle

567

00:22:10,860 --> 00:22:08,770

with I don't actually have a super

568

00:22:13,020 --> 00:22:10,870

concrete opinion on it because I can see

569

00:22:14,640 --> 00:22:13,030

both sides I can see how if someone is

570

00:22:17,940 --> 00:22:14,650

in that place of like they'll never

571

00:22:19,650 --> 00:22:17,950

really afford it if they're suicidal if

572

00:22:22,410 --> 00:22:19,660

it's considered health care then perhaps

573

00:22:24,720 --> 00:22:22,420

however I will say speaking for myself

574

00:22:27,390 --> 00:22:24,730

as an individual because all I can do it

575

00:22:31,020 --> 00:22:27,400

was the most amazing sense of

576

00:22:33,180 --> 00:22:31,030

accomplishment to be able to afford my

577

00:22:34,590 --> 00:22:33,190

surgeries myself save up for them and

578

00:22:37,260 --> 00:22:34,600

pay for them myself I remember

579

00:22:39,300 --> 00:22:37,270

afterwards feeling like I am amazing I

580

00:22:42,650 --> 00:22:39,310

saved up for this I worked hard and I

581

00:22:44,970 --> 00:22:42,660

made what I wanted happen so I would say

582

00:22:47,190 --> 00:22:44,980

people should not discount that either

583

00:22:49,200 --> 00:22:47,200

like working for it yourself well yeah I

584

00:22:51,030 --> 00:22:49,210

I would think maybe I'll help you

585

00:22:52,320 --> 00:22:51,040

formulate your opinion because I I know

586

00:22:54,480 --> 00:22:52,330

you're hard I know you're a small

587

00:22:57,360 --> 00:22:54,490

government person or individual freedom

588

00:23:00,270 --> 00:22:57,370

person right so perhaps your position

589

00:23:02,670 --> 00:23:00,280

would be as it is mine that government

590

00:23:04,530 --> 00:23:02,680

shouldn't be mandated the government

591

00:23:06,030 --> 00:23:04,540

should not be but I think like but like

592

00:23:06,900 --> 00:23:06,040

you know private companies and stuff if

593

00:23:09,210 --> 00:23:06,910

they want to cover it them that's

594

00:23:11,040 --> 00:23:09,220

completely fine right but government is

595

00:23:11,820 --> 00:23:11,050

mandating that if you want to sell

596

00:23:13,620 --> 00:23:11,830

insurance

597

00:23:15,000 --> 00:23:13,630

you better cover this this that you

598

00:23:16,350 --> 00:23:15,010

better give free birth birth control

599

00:23:18,170 --> 00:23:16,360

pills you know that was part of

600

00:23:20,580 --> 00:23:18,180

Obamacare but even before Obamacare

601  
00:23:22,710 --> 00:23:20,590  
California and all states and all kinds

602  
00:23:24,570 --> 00:23:22,720  
of laundry list of laws if you want to

603  
00:23:26,610 --> 00:23:24,580  
sell health insurance in this state you

604  
00:23:28,110 --> 00:23:26,620  
better cover this this this this this

605  
00:23:29,400 --> 00:23:28,120  
and the list let's just kept getting

606  
00:23:30,780 --> 00:23:29,410  
longer and longer because the

607  
00:23:32,520 --> 00:23:30,790  
politicians wanted to prove how great

608  
00:23:33,960 --> 00:23:32,530  
they were for the people that you know

609  
00:23:35,190 --> 00:23:33,970  
those big bad insurance companies they

610  
00:23:37,470 --> 00:23:35,200  
better cover all these things will get

611  
00:23:38,580 --> 00:23:37,480  
swept it makes it more expensive and if

612  
00:23:40,290 --> 00:23:38,590  
they have to cover gender reassignment

613  
00:23:44,550 --> 00:23:40,300

surgery is gonna make it more expensive

614

00:23:47,400 --> 00:23:44,560

but if government is gonna mandate all

615

00:23:48,900 --> 00:23:47,410

these different things then screw it

616

00:23:50,520 --> 00:23:48,910

probably should mandate gender

617

00:23:52,740 --> 00:23:50,530

reassignment surgery too because if that

618

00:23:54,840 --> 00:23:52,750

ends up that truly is the proper

619

00:23:57,480 --> 00:23:54,850

treatment for something called gender

620

00:23:58,650 --> 00:23:57,490

dysphoria then that's something that

621

00:24:00,120 --> 00:23:58,660

should be covered if you're gonna

622

00:24:01,950 --> 00:24:00,130

mandate a bunch of coverages for things

623

00:24:03,630 --> 00:24:01,960

that's what sex is that it's the only

624

00:24:07,530 --> 00:24:03,640

treatment it doesn't work for everyone I

625

00:24:10,330 --> 00:24:07,540

mean this is gonna sound kind of weird

626  
00:24:15,290 --> 00:24:13,600  
some people probably shouldn't

627  
00:24:18,140 --> 00:24:15,300  
transition because they can make it

628  
00:24:22,220 --> 00:24:18,150  
worse for them like I've seen people who

629  
00:24:24,200 --> 00:24:22,230  
do wait until 45 and maybe you're 64 and

630  
00:24:26,150 --> 00:24:24,210  
there's just no way transitioning would

631  
00:24:28,160 --> 00:24:26,160  
ever be effective and it can just end up

632  
00:24:29,230 --> 00:24:28,170  
being a little bit of a waste of money

633  
00:24:32,840 --> 00:24:29,240  
if that makes sense

634  
00:24:34,880 --> 00:24:32,850  
so part of it might be in really you

635  
00:24:37,420 --> 00:24:34,890  
know what is really understanding what

636  
00:24:40,120 --> 00:24:37,430  
is your reason for wanting the the full

637  
00:24:42,770 --> 00:24:40,130  
gender reassignment surgery

638  
00:24:46,280 --> 00:24:42,780

Sabrina articulated the view that she

639

00:24:48,290 --> 00:24:46,290

thinks many transgendered women are

640

00:24:50,360 --> 00:24:48,300

getting it's because they want to

641

00:24:52,160 --> 00:24:50,370

attract a man and they think that that

642

00:24:53,960 --> 00:24:52,170

will allow them attractive man and

643

00:24:55,550 --> 00:24:53,970

Sabrina says that the ones that do it

644

00:24:58,730 --> 00:24:55,560

for that reason that's toxic are

645

00:25:01,250 --> 00:24:58,740

disappointed because they say for most

646

00:25:03,560 --> 00:25:01,260

men not all but for most if a man is

647

00:25:05,780 --> 00:25:03,570

looking for a vagina he's gonna go find

648

00:25:09,020 --> 00:25:05,790

a woman who was born with a giant vagina

649

00:25:10,400 --> 00:25:09,030

as opposed to a trans woman right yeah

650

00:25:12,980 --> 00:25:10,410

absolutely no I've had this conversation

651  
00:25:15,020 --> 00:25:12,990  
with my fiance which is like you know I

652  
00:25:17,210 --> 00:25:15,030  
can understand the headspace would be in

653  
00:25:19,940 --> 00:25:17,220  
like you know to find husband to find a

654  
00:25:23,210 --> 00:25:19,950  
man like I need to have that going on

655  
00:25:25,310 --> 00:25:23,220  
for me down there surgically but then

656  
00:25:27,500 --> 00:25:25,320  
the art but then I think like well if

657  
00:25:30,410 --> 00:25:27,510  
it's a if it's a heterosexual man who

658  
00:25:32,180 --> 00:25:30,420  
wants a woman with a vagina then why

659  
00:25:33,590 --> 00:25:32,190  
wouldn't he pick someone who had a

660  
00:25:37,450 --> 00:25:33,600  
vagina from birth hours and someone who

661  
00:25:39,110 --> 00:25:37,460  
had one surgically augmented I

662  
00:25:41,600 --> 00:25:39,120  
personally find that men who are

663  
00:25:43,040 --> 00:25:41,610

attracted to trans women are much more

664

00:25:44,330 --> 00:25:43,050

attracted to trans men than with penises

665

00:25:47,120 --> 00:25:44,340

that's just what they look for because

666

00:25:49,040 --> 00:25:47,130

you can get a woman with a vagina from a

667

00:25:51,530 --> 00:25:49,050

woman with a vagina if that makes sense

668

00:25:53,900 --> 00:25:51,540

basically exactly what Sabrina said yeah

669

00:25:55,160 --> 00:25:53,910

and I think you know so we've sort of

670

00:25:57,020 --> 00:25:55,170

covered that but it's you're the first

671

00:25:59,090 --> 00:25:57,030

person really that's refirm what what

672

00:26:01,010 --> 00:25:59,100

she said yeah and I think it's an

673

00:26:02,930 --> 00:26:01,020

important thing for people in the

674

00:26:05,060 --> 00:26:02,940

community to know so they don't make

675

00:26:06,620 --> 00:26:05,070

that that mistake if that's the reason

676

00:26:11,110 --> 00:26:06,630

you should never change yourself for

677

00:26:12,890 --> 00:26:11,120

someone else to me that's not a valid

678

00:26:14,930 --> 00:26:12,900

transition if you're doing it to please

679

00:26:16,190 --> 00:26:14,940

someone else or to get attention from

680

00:26:19,520 --> 00:26:16,200

someone else there's to be about you and

681

00:26:21,510 --> 00:26:19,530

what you want in your path okay I think

682

00:26:24,600 --> 00:26:21,520

we just have a couple other

683

00:26:29,370 --> 00:26:24,610

trans political issues and and we'll let

684

00:26:31,049 --> 00:26:29,380

you go what is the bathroom issue you

685

00:26:33,419 --> 00:26:31,059

know this there's a California law

686

00:26:34,890 --> 00:26:33,429

mandating that we had these

687

00:26:37,049 --> 00:26:34,900

gender-neutral bathrooms and therefore

688

00:26:38,760 --> 00:26:37,059

we now have these silly signs that have

689

00:26:40,110 --> 00:26:38,770

a picture of a man and then a picture of

690

00:26:41,310 --> 00:26:40,120

a woman and then a picture of somebody

691

00:26:45,660 --> 00:26:41,320

wearing half a skirt that's supposed to

692

00:26:47,210 --> 00:26:45,670

be a trans person I think but what what

693

00:26:49,890 --> 00:26:47,220

do you think should be the policy I

694

00:26:52,260 --> 00:26:49,900

don't think there should be any policy I

695

00:26:53,850 --> 00:26:52,270

think policies attach the bathroom or

696

00:26:57,570 --> 00:26:53,860

nonsensical I think the trans people

697

00:26:59,250 --> 00:26:57,580

have been using the restroom since the

698

00:27:00,960 --> 00:26:59,260

beginning of restrooms and the beginning

699

00:27:02,430 --> 00:27:00,970

of trans people and there's never been

700

00:27:04,980 --> 00:27:02,440

an issue until now and it's been heavily

701  
00:27:06,780 --> 00:27:04,990  
politicized by both sides I've never had

702  
00:27:09,720 --> 00:27:06,790  
a problem going to bathroom free

703  
00:27:12,240 --> 00:27:09,730  
transition post transition I think that

704  
00:27:13,530 --> 00:27:12,250  
there is a lot of fear-mongering on the

705  
00:27:15,060 --> 00:27:13,540  
right that like little girls are gonna

706  
00:27:16,830 --> 00:27:15,070  
walk into bathroom and see a grown man's

707  
00:27:17,940 --> 00:27:16,840  
penis which is wrong and then I think

708  
00:27:21,180 --> 00:27:17,950  
there's a lot of fear-mongering on the

709  
00:27:23,130 --> 00:27:21,190  
left which is like it is so terribly

710  
00:27:25,590 --> 00:27:23,140  
dangerous for a trans person to go - I

711  
00:27:27,180 --> 00:27:25,600  
was gonna say - yeah to the bathroom and

712  
00:27:28,950 --> 00:27:27,190  
if we don't have these legislations and

713  
00:27:30,990 --> 00:27:28,960

they're gonna get effing murdered which

714

00:27:32,400 --> 00:27:31,000

is like do you know by the way I know

715

00:27:35,010 --> 00:27:32,410

how much research you've done into this

716

00:27:41,250 --> 00:27:35,020

issue do you know what the true origin

717

00:27:43,680 --> 00:27:41,260

was of this debate no no I don't know oh

718

00:27:45,990 --> 00:27:43,690

I don't know yeah I'm sure because I'm

719

00:27:47,340 --> 00:27:46,000

what I'm curious about is who started

720

00:27:48,840 --> 00:27:47,350

this fight was it the left or the right

721

00:27:52,049 --> 00:27:48,850

to start this and I honestly don't know

722

00:27:53,910 --> 00:27:52,059

the answer was it the left insisting on

723

00:27:56,160 --> 00:27:53,920

special bathrooms or was that the right

724

00:27:58,169 --> 00:27:56,170

insisting on passing something that that

725

00:28:00,150 --> 00:27:58,179

barred I don't know the answer taken

726

00:28:03,030 --> 00:28:00,160

near the egg I don't know but now we are

727

00:28:05,310 --> 00:28:03,040

where we are and California I think

728

00:28:08,940 --> 00:28:05,320

totally unnecessarily Wade's into this

729

00:28:10,650 --> 00:28:08,950

because as you point out it's really not

730

00:28:12,360 --> 00:28:10,660

an issue it's a non-issue there's thing

731

00:28:14,220 --> 00:28:12,370

I like to point out is that well gay men

732

00:28:18,570 --> 00:28:14,230

are allowed in the in the men's bathroom

733

00:28:20,100 --> 00:28:18,580

so you have we're not concerned about

734

00:28:21,510 --> 00:28:20,110

that gay women are allowed in the

735

00:28:23,100 --> 00:28:21,520

women's bathroom why should be concerned

736

00:28:24,450 --> 00:28:23,110

about a trans being in one bathroom or

737

00:28:26,850 --> 00:28:24,460

the other yeah

738

00:28:28,620 --> 00:28:26,860

everyone just needs to shut up and let

739

00:28:30,419 --> 00:28:28,630

people go to the bathroom and not be mad

740

00:28:31,650 --> 00:28:30,429

about it like when you but then when you

741

00:28:33,570 --> 00:28:31,660

start passing these kind of laws

742

00:28:34,470 --> 00:28:33,580

California trying to prove to themselves

743

00:28:37,260 --> 00:28:34,480

I

744

00:28:39,720 --> 00:28:37,270

you know liberal they can be in passing

745

00:28:41,370 --> 00:28:39,730

these these mandated laws that's where I

746

00:28:44,610 --> 00:28:41,380

fear for the community that I've

747

00:28:48,270 --> 00:28:44,620

articulated this on the show yeah I fear

748

00:28:49,980 --> 00:28:48,280

backlash I miss you yeah because you

749

00:28:51,360 --> 00:28:49,990

know it there should be acceptance but

750

00:28:54,810 --> 00:28:51,370

it seems like acceptance sometimes turn

751  
00:28:55,919 --> 00:28:54,820  
into a promotion or it's you know I I am

752  
00:28:58,289 --> 00:28:55,929  
concerned I think that some of these

753  
00:28:59,520 --> 00:28:58,299  
athlete rules that you and I we strut

754  
00:29:01,080 --> 00:28:59,530  
you and I both struggle with how do you

755  
00:29:03,000 --> 00:29:01,090  
deal with it but you know when you've

756  
00:29:04,950 --> 00:29:03,010  
got transgendered women winning the

757  
00:29:07,080 --> 00:29:04,960  
state championship in track and taking

758  
00:29:08,730 --> 00:29:07,090  
scholarships away and so on and then

759  
00:29:10,260 --> 00:29:08,740  
people see when they take their children

760  
00:29:13,289 --> 00:29:10,270  
to go to the bathroom and Santa Monica

761  
00:29:14,970 --> 00:29:13,299  
as I did I don't have children but I say

762  
00:29:16,620 --> 00:29:14,980  
children because you know a child sees

763  
00:29:20,120 --> 00:29:16,630

this sign with a transgender person and

764

00:29:22,799 --> 00:29:20,130

now a parent is put in the position that

765

00:29:24,960 --> 00:29:22,809

now they have to explain transgenderism

766

00:29:26,820 --> 00:29:24,970

potentially to a child that may be the

767

00:29:29,280 --> 00:29:26,830

parent wasn't ready to address that with

768

00:29:32,610 --> 00:29:29,290

the child so these laws you know I think

769

00:29:34,740 --> 00:29:32,620

are pushing out ahead further than the

770

00:29:36,510 --> 00:29:34,750

necessary absolutely because it was

771

00:29:38,310 --> 00:29:36,520

never really an issue until recently I

772

00:29:40,140 --> 00:29:38,320

mean there have always been really sad

773

00:29:42,810 --> 00:29:40,150

scary incidents of like trans people

774

00:29:44,310 --> 00:29:42,820

going in restrooms and getting assaulted

775

00:29:47,520 --> 00:29:44,320

or harassed or whatever for being in

776

00:29:50,700 --> 00:29:47,530

there but but that's but that's really

777

00:29:52,470 --> 00:29:50,710

far and few in between I think now more

778

00:29:54,539 --> 00:29:52,480

than ever there actually is an issue now

779

00:29:57,180 --> 00:29:54,549

people are almost on the lookout people

780

00:29:57,330 --> 00:29:57,190

who want to enact some sort of like you

781

00:29:59,580 --> 00:29:57,340

know

782

00:30:01,919 --> 00:29:59,590

gotcha to a trans person I've seen news

783

00:30:03,330 --> 00:30:01,929

articles and videos or biological women

784

00:30:05,310 --> 00:30:03,340

are ripped out of bathrooms because they

785

00:30:07,289 --> 00:30:05,320

look like men and it's just a woman it's

786

00:30:09,870 --> 00:30:07,299

just like Oakland was a lesbian just a

787

00:30:11,370 --> 00:30:09,880

masculine woman there was one like a

788

00:30:14,490 --> 00:30:11,380

police officer literally went into the

789

00:30:15,870 --> 00:30:14,500

bathroom like told this biological woman

790

00:30:17,520 --> 00:30:15,880

who just looked kind of rough

791

00:30:20,100 --> 00:30:17,530

let she had to show her ID or get out

792

00:30:23,520 --> 00:30:20,110

and he took her a bath room so it's just

793

00:30:26,340 --> 00:30:23,530

adding so much unnecessary tension and

794

00:30:28,799 --> 00:30:26,350

conflict in my opinion okay the last one

795

00:30:30,390 --> 00:30:28,809

is the the baking the cake how do you

796

00:30:32,130 --> 00:30:30,400

feel about the person who doesn't wanna

797

00:30:33,320 --> 00:30:32,140

the Baker that doesn't want to bake the

798

00:30:35,610 --> 00:30:33,330

cake for the gay wedding

799

00:30:39,419 --> 00:30:35,620

leave the Christians alone and leave the

800

00:30:40,560 --> 00:30:39,429

gays alone oh my god listen if I if

801  
00:30:42,360 --> 00:30:40,570  
there was some place I knew didn't want

802  
00:30:44,070 --> 00:30:42,370  
to serve me I wouldn't go if it was some

803  
00:30:46,320 --> 00:30:44,080  
huge I could epidemic where you couldn't

804  
00:30:47,940 --> 00:30:46,330  
find anywhere to serve you then okay

805  
00:30:49,440 --> 00:30:47,950  
maybe we should maybe like

806  
00:30:51,180 --> 00:30:49,450  
check the Christians a little bit but

807  
00:30:53,910 --> 00:30:51,190  
just don't go places don't want to serve

808  
00:30:55,170 --> 00:30:53,920  
you and and also Christian stop maybe

809  
00:30:56,730 --> 00:30:55,180  
not make a huge deal about it either

810  
00:30:59,250 --> 00:30:56,740  
it's like people just need to learn how
