[Music]

2
00:00:17,150 --> 00:00:15,809
so now let's talk about the other

3
00:00:19,730 --> 00:00:17,160
shootings that have been going on at

4
00:00:21,830 --> 00:00:19,740
Malibu most of the country is not aware

5
00:00:25,670 --> 00:00:21,840
of and people in Los Angeles are barely

6
00:00:28,430 --> 00:00:25,680
aware of yet there's perhaps some form

7
00:00:32,030 --> 00:00:28,440
of a serial killer who could be still at

8
00:00:35,810 --> 00:00:32,040
large who has been shooting people in

9
00:00:38,840 --> 00:00:35,820
Malibu leading up to this Thousand Oaks

10
00:00:40,610 --> 00:00:38,850
shooting so give us the background on it

11
00:00:43,040 --> 00:00:40,620
as succinctly as you can because a lot

12
00:00:47,720 --> 00:00:43,050
of people don't know this story

13
00:00:55,220 --> 00:00:47,730

well it goes back to a June 22nd of this

14

00:00:57,829 --> 00:00:55,230

year and at dawn a the murder of Tristan

15

00:01:04,899 --> 00:00:57,839

Byrd the murder of Tristan Beaudette was

16

00:01:09,039 --> 00:01:04,909

called in he was shot in the head at

17

00:01:11,420 --> 00:01:09,049

4:44 a.m. at Malibu Creek State Park

18

00:01:15,319 --> 00:01:11,430

with his two daughters laying next to

19

00:01:17,300 --> 00:01:15,329

him in the tent apparently there was a

20

00:01:19,670 --> 00:01:17,310

shot in the side of the tent a shot over

21

00:01:21,170 --> 00:01:19,680

the top of the tent and there were some

22

00:01:25,069 --> 00:01:21,180

shell casings on the outside

23

00:01:28,310 --> 00:01:25,079

so once the murder was released into

24

00:01:31,279 --> 00:01:28,320

media I remember just being dumbfounded

25

00:01:33,859 --> 00:01:31,289

like how the hell is that gonna take

26

00:01:37,099 --> 00:01:33,869

place in Malibu

27

00:01:39,230 --> 00:01:37,109

why would that happen and because we've

28

00:01:42,770 --> 00:01:39,240

never had something like that happened

29

00:01:44,450 --> 00:01:42,780

before and then so later on that day I I

30

00:01:46,700 --> 00:01:44,460

was like I said before I was never

31

00:01:48,679 --> 00:01:46,710

really into crime reporting but I always

32

00:01:51,289 --> 00:01:48,689

reported on Public Safety and things

33

00:01:52,999 --> 00:01:51,299

like that so in Malibu you're done

34

00:01:55,969 --> 00:01:53,009

surfing competitions more than crime oh

35

00:02:01,730 --> 00:01:55,979

no no some of us report on public

36

00:02:03,620 --> 00:02:01,740

corruption yeah I mean if you look at

37

00:02:04,789 --> 00:02:03,630

all the other fluff pieces it's you know

38

00:02:06,889 --> 00:02:04,799

what do you think of Malibu you don't

39

00:02:09,859 --> 00:02:06,899

think of crime no no not at all not at

40

00:02:12,410 --> 00:02:09,869

all so and and again like I said public

41

00:02:17,509 --> 00:02:12,420

safety for me is multiple accidents on

42

00:02:20,050 --> 00:02:17,519

PCH you know rockslides fires whatever

43

00:02:24,949 --> 00:02:20,060

so

44

00:02:28,400 --> 00:02:24,959

myself God am I gonna put that up on the

45

00:02:30,290 --> 00:02:28,410

local I don't know yeah I mean it's news

46

00:02:34,040 --> 00:02:30,300

but I am very much

47

00:02:35,990 --> 00:02:34,050

investigative op-ed pieces so later on

48

00:02:39,020 --> 00:02:36,000

that night I received a private message

49

00:02:40,580 --> 00:02:39,030

from another resident knowing that I'm

50

00:02:42,920 --> 00:02:40,590

the type of person to get the message

51
00:02:48,080 --> 00:02:42,930
out and she said I just want you to know

52
00:02:50,420 --> 00:02:48,090
that a Tesla was hit in the hood at the

53
00:02:53,000 --> 00:02:50,430
same time it's pretty much the same

54
00:02:55,640 --> 00:02:53,010
place only not inside the park but

55
00:02:56,150 --> 00:02:55,650
driving on Malibu Canyon right outside

56
00:02:59,030 --> 00:02:56,160
the park

57
00:03:03,110 --> 00:02:59,040
like literally same area and on the same

58
00:03:05,059 --> 00:03:03,120
day four days before the murder and so I

59
00:03:08,240 --> 00:03:05,069
looked at that and I went okay looks

60
00:03:10,910 --> 00:03:08,250
like we have ourselves a problem here so

61
00:03:14,479 --> 00:03:10,920
I posted it on the local Malibu Facebook

62
00:03:16,520 --> 00:03:14,489
page i cropped out all the identifying

63
00:03:18,500 --> 00:03:16,530

information of the people who sent it to

64

00:03:20,300 --> 00:03:18,510

me of course and I said okay people

65

00:03:21,650 --> 00:03:20,310

looks like we have a problem here I want

66

00:03:25,039 --> 00:03:21,660

you to be careful driving on Malibu

67

00:03:31,990 --> 00:03:25,049

Canyon there may be a larger issue at

68

00:03:34,460 --> 00:03:32,000

hand and so literally within a few hours

69

00:03:38,479 --> 00:03:34,470

other victims started coming out on my

70

00:03:41,449 --> 00:03:38,489

page I was shot at at Malibu Creek State

71

00:03:44,089 --> 00:03:41,459

Park shootings law enforcement never did

72

00:03:47,599 --> 00:03:44,099

anything and this was Melissa tangelo

73

00:03:51,860 --> 00:03:47,609

who posted a picture of a giant hole in

74

00:03:57,740 --> 00:03:51,870

the back of her car that was hit by a

75

00:03:59,120 --> 00:03:57,750

shotgun and slug was placed right on the

76
00:04:01,789 --> 00:03:59,130
bumper so you could see the size of the

77
00:04:03,860 --> 00:04:01,799
slug and then other victims started

78
00:04:06,289 --> 00:04:03,870
coming out and then the news started

79
00:04:07,610 --> 00:04:06,299
coming after me and saying hey do you

80
00:04:10,220 --> 00:04:07,620
want to talk about this so to me I don't

81
00:04:11,960 --> 00:04:10,230
think anything of it I'm like yeah I'm

82
00:04:13,550 --> 00:04:11,970
gonna talk about it because clearly

83
00:04:15,620 --> 00:04:13,560
something's been going on and nobody's

84
00:04:19,250 --> 00:04:15,630
been telling us about it and had this

85
00:04:21,800 --> 00:04:19,260
guy this father of two known that there

86
00:04:23,360 --> 00:04:21,810
were shootings in the park happening for

87
00:04:25,339 --> 00:04:23,370
the last two years he may have made a

88
00:04:27,409 --> 00:04:25,349

different decision as to his camping

89

00:04:30,350 --> 00:04:27,419

plans that night and what was what type

90

00:04:32,100 --> 00:04:30,360

of gun was used in his death shotgun or

91

00:04:36,030 --> 00:04:32,110

rifle it was a rifle

92

00:04:41,730 --> 00:04:36,040

but nobody knew it was a rifle until a

93

00:04:43,590 --> 00:04:41,740

few months ago actually October 2nd I

94

00:04:47,280 --> 00:04:43,600

think was when we found out that it was

95

00:04:49,410 --> 00:04:47,290

a rifle so months after the actual

96

00:04:50,850 --> 00:04:49,420

shooting is when he finally released the

97

00:04:52,710 --> 00:04:50,860

ballistics report essentially no they

98

00:04:54,330 --> 00:04:52,720

didn't release any ballistics yet I

99

00:04:55,830 --> 00:04:54,340

can't wait for them to release the

100

00:04:59,550 --> 00:04:55,840

ballistics because I'm my own theories

101
00:05:03,690 --> 00:04:59,560
on that but so so they basically allowed

102
00:05:07,200 --> 00:05:03,700
us to believe that all the shootings and

103
00:05:11,220 --> 00:05:07,210
there were a total of six maybe seven I

104
00:05:13,020 --> 00:05:11,230
think in between six or seven that all

105
00:05:15,090 --> 00:05:13,030
of them were committed by shotgun they

106
00:05:18,210 --> 00:05:15,100
didn't want to tell us that the murder

107
00:05:19,800 --> 00:05:18,220
and the Tesla were really a rifle and we

108
00:05:22,800 --> 00:05:19,810
didn't learn that and I actually learned

109
00:05:27,710 --> 00:05:22,810
it by accident about the Tesla I didn't

110
00:05:33,990 --> 00:05:31,980
so I I started going on the news writing

111
00:05:35,130 --> 00:05:34,000
about the shootings why is that an

112
00:05:36,510 --> 00:05:35,140
important distinction in your mind

113
00:05:40,260 --> 00:05:36,520

whether they were done with a shotgun

114

00:05:45,980 --> 00:05:40,270
versus a rifle because when they

115

00:05:50,760 --> 00:05:45,990
arrested Anthony rota for burglaries and

116

00:05:53,660 --> 00:05:50,770
right now he's in jail for only a parole

117

00:05:57,600 --> 00:05:53,670
violation not calling his parole officer

118

00:06:01,500 --> 00:05:57,610
so he was arrested on October 10th I

119

00:06:06,030 --> 00:06:01,510
believe and we are now December 11th

120

00:06:08,610 --> 00:06:06,040
and they have not charged him with

121

00:06:12,420 --> 00:06:08,620
anything other than not calling his

122

00:06:16,410 --> 00:06:12,430
parole officer okay so the reason why

123

00:06:18,830 --> 00:06:16,420
it's a big deal is because I believe

124

00:06:21,180 --> 00:06:18,840
personally that there are two shooters I

125

00:06:23,010 --> 00:06:21,190
don't believe there's one shooter and I

126
00:06:26,220 --> 00:06:23,020
don't even believe Anthony righta

127
00:06:29,610 --> 00:06:26,230
committed any of them well has he been

128
00:06:31,800 --> 00:06:29,620
charged with any of them no okay so why

129
00:06:35,010 --> 00:06:31,810
are you even connecting his arrest to

130
00:06:40,050 --> 00:06:35,020
the shooters that because Jim McDonald

131
00:06:41,610 --> 00:06:40,060
our former sheriff was literally piling

132
00:06:44,130 --> 00:06:41,620
everything together and saying hey we

133
00:06:45,659 --> 00:06:44,140
got the guy here is so the sheriff said

134
00:06:47,309 --> 00:06:45,669
that we conference so the

135
00:06:51,239 --> 00:06:47,319
gave a press conference and said that we

136
00:06:54,480 --> 00:06:51,249
found the guy who shot that specifically

137
00:06:58,619 --> 00:06:54,490
means didn't he he was he was careful

138
00:07:02,279 --> 00:06:58,629

with his words but he alluded to the

139

00:07:05,670 --> 00:07:02,289

fact that this guy was most likely

140

00:07:08,189 --> 00:07:05,680

responsible for all of the shootings he

141

00:07:12,089 --> 00:07:08,199

led every word that he said

142

00:07:13,619 --> 00:07:12,099

was he he brought in all the shootings

143

00:07:15,869 --> 00:07:13,629

if he thought that he was not

144

00:07:18,029 --> 00:07:15,879

responsible for all the shootings he

145

00:07:22,830 --> 00:07:18,039

would have said this is just a burglary

146

00:07:25,619 --> 00:07:22,840

suspect he has a weapon consistent with

147

00:07:28,439 --> 00:07:25,629

the murder but the weapon was he didn't

148

00:07:33,920 --> 00:07:28,449

have a shotgun on him and so there's

149

00:07:37,019 --> 00:07:33,930

there's at least there's at least four

150

00:07:39,600 --> 00:07:37,029

shootings that were committed with the

151
00:07:41,640 --> 00:07:39,610
shotgun where's the shotgun okay and

152
00:07:45,570 --> 00:07:41,650
then two shootings committed with a

153
00:07:48,300 --> 00:07:45,580
rifle so where's the shotgun where's the

154
00:07:49,649 --> 00:07:48,310
evidence how do you know that this guy

155
00:07:51,450 --> 00:07:49,659
is even involved in any of those

156
00:07:56,600 --> 00:07:51,460
shootings just because it's the same

157
00:07:59,969 --> 00:07:56,610
area no that's not good enough and so

158
00:08:00,420 --> 00:07:59,979
they found him on they found Anthony

159
00:08:02,850 --> 00:08:00,430
righta

160
00:08:05,610 --> 00:08:02,860
on camera and all of this to me is so

161
00:08:08,040 --> 00:08:05,620
contrived I just don't even know like

162
00:08:10,829 --> 00:08:08,050
it's like out of a movie really because

163
00:08:14,959 --> 00:08:10,839

when they found Anthony righta on video

164

00:08:22,409 --> 00:08:14,969

he had a rifle slung over his back and

165

00:08:26,629 --> 00:08:22,419

he was burglarizing a office space in

166

00:08:34,880 --> 00:08:26,639

the area of Mulholland and Malibu Canyon

167

00:08:38,610 --> 00:08:34,890

at Malibu fat Valley farms and he so so

168

00:08:40,469 --> 00:08:38,620

it was almost too perfect like you you

169

00:08:43,290 --> 00:08:40,479

you can't even plan a wedding and have

170

00:08:45,420 --> 00:08:43,300

it come out as perfectly as they had all

171

00:08:47,970 --> 00:08:45,430

these details come out literally one

172

00:08:51,240 --> 00:08:47,980

month before the sheriff's election and

173

00:08:54,150 --> 00:08:51,250

meanwhile the three months before I had

174

00:08:57,300 --> 00:08:54,160

been just annihilating LASD

175

00:08:58,670 --> 00:08:57,310

and how corrupt they were with this

176

00:09:00,829 --> 00:08:58,680

investigation Sheriff

177

00:09:02,840 --> 00:09:00,839

correct which is responsible for the

178

00:09:05,090 --> 00:09:02,850

part responsible for Malibu well they

179

00:09:06,650 --> 00:09:05,100

are responsible really for the crimes

180

00:09:08,420 --> 00:09:06,660

that are committed outside of the park

181

00:09:11,210 --> 00:09:08,430

the crimes committed in side of the park

182

00:09:13,400 --> 00:09:11,220

unless it's murder and they State Parks

183

00:09:15,110 --> 00:09:13,410

brings them in state parks is really

184

00:09:16,970 --> 00:09:15,120

responsible for the crimes that are

185

00:09:19,940 --> 00:09:16,980

committed inside the park but they are

186

00:09:24,620 --> 00:09:19,950

supposed to work together with LASD now

187

00:09:27,889 --> 00:09:24,630

during the other shootings LASD was

188

00:09:30,680 --> 00:09:27,899

called and there they said we can't step

189

00:09:33,590 --> 00:09:30,690

on state parks toes so a bunch of Boy

190

00:09:35,540 --> 00:09:33,600

Scouts come out and take evidence and

191

00:09:38,600 --> 00:09:35,550

they have no investigative unit at state

192

00:09:40,340 --> 00:09:38,610

parks I mean who the hell allows that to

193

00:09:42,889 --> 00:09:40,350

happen this is assault with a deadly

194

00:09:44,269 --> 00:09:42,899

weapon this is attempted murderer how do

195

00:09:44,840 --> 00:09:44,279

you let Boy Scouts come and collect

196

00:09:46,670 --> 00:09:44,850

evidence

197

00:09:48,920 --> 00:09:46,680

so I even sent an email to the head of

198

00:09:52,540 --> 00:09:48,930

state parks who I know very well and

199

00:09:54,470 --> 00:09:52,550

worked well with on the Malibu lagoon

200

00:09:56,780 --> 00:09:54,480

restoration project which was a huge

201
00:09:59,930 --> 00:09:56,790
controversy in Malibu so I've been on

202
00:10:03,650 --> 00:09:59,940
his good side helping him before but I

203
00:10:04,070 --> 00:10:03,660
emailed him and I said hello where's the

204
00:10:06,590 --> 00:10:04,080
evidence

205
00:10:10,130 --> 00:10:06,600
has it been turned over to LSD where's

206
00:10:12,850 --> 00:10:10,140
shotgun where is the evidence and where

207
00:10:17,329 --> 00:10:12,860
are the reports that were done and file

208
00:10:18,560 --> 00:10:17,339
followed up on by la st well you want to

209
00:10:22,250 --> 00:10:18,570
talk about crickets

210
00:10:23,870 --> 00:10:22,260
I got crickets okay nothing you know why

211
00:10:29,660 --> 00:10:23,880
because I guarantee you the Boy Scout

212
00:10:31,790 --> 00:10:29,670
picked up the bullet or the slug picked

213
00:10:34,519 --> 00:10:31,800

up the slug and whatever else he could

214

00:10:35,900 --> 00:10:34,529

find on each one of these incidents went

215

00:10:37,390 --> 00:10:35,910

back to the office threw it in the

216

00:10:40,190 --> 00:10:37,400

garbage called it a day

217

00:10:43,790 --> 00:10:40,200

literally otherwise we'd have it and we

218

00:10:45,069 --> 00:10:43,800

don't so going back to beau debts murder

219

00:10:47,600 --> 00:10:45,079

murder

220

00:10:49,310 --> 00:10:47,610

this is someone who shot him from

221

00:10:50,780 --> 00:10:49,320

outside the tent because there's a

222

00:10:54,440 --> 00:10:50,790

bullet hole in the tent correct

223

00:10:56,569 --> 00:10:54,450

and from what distance from what I was

224

00:10:58,340 --> 00:10:56,579

told in between one to 200 feet but

225

00:11:00,650 --> 00:10:58,350

don't don't one to join achieve

226

00:11:05,630 --> 00:11:00,660

something half of a football field away

227

00:11:07,460 --> 00:11:05,640

I guess and you're shooting into a tent

228

00:11:10,830 --> 00:11:07,470

where presumably you can't see inside

229

00:11:12,840 --> 00:11:10,840

the tent so yeah we

230

00:11:16,130 --> 00:11:12,850

are we calling this a lucky shot I don't

231

00:11:21,900 --> 00:11:16,140

know are we calling this a guy who is

232

00:11:25,290 --> 00:11:21,910

who is a trained you know but but that

233

00:11:26,640 --> 00:11:25,300

we now know was was what was a rifle we

234

00:11:29,970 --> 00:11:26,650

do know him we only found that because

235

00:11:31,710 --> 00:11:29,980

found that out when he was arrested and

236

00:11:36,060 --> 00:11:31,720

they got him on video with this rifle

237

00:11:37,920 --> 00:11:36,070

being slung across his back the PIO

238

00:11:41,510 --> 00:11:37,930

public information officer for elle EST

239

00:11:46,010 --> 00:11:41,520

decides to release this forthcoming

240

00:11:49,380 --> 00:11:46,020

press release basically stating that the

241

00:11:53,130 --> 00:11:49,390

weapon was consistent with other crimes

242

00:11:55,650 --> 00:11:53,140

committed in the last two years and then

243

00:12:00,030 --> 00:11:55,660

she threw in tristan bo debts named in

244

00:12:03,030 --> 00:12:00,040

that press release and and lumped

245

00:12:04,440 --> 00:12:03,040

together in other words if you knew how

246

00:12:06,750 --> 00:12:04,450

to read between the lines it was all

247

00:12:09,330 --> 00:12:06,760

right there then put implies you're

248

00:12:12,570 --> 00:12:09,340

implying that that it was all committed

249

00:12:15,570 --> 00:12:12,580

by one that he is most likely involved

250

00:12:17,310 --> 00:12:15,580

in all of these okay he hasn't been

251
00:12:22,650 --> 00:12:17,320
charged with with any of them not even

252
00:12:25,800 --> 00:12:22,660
the burglary burglaries multiple and the

253
00:12:27,980 --> 00:12:25,810
so how many other shootings were there

254
00:12:31,560 --> 00:12:27,990
that we think took place with a rifle

255
00:12:34,260 --> 00:12:31,570
one and that was of the tesla the tesla

256
00:12:39,000 --> 00:12:34,270
40s and there she's got a bullet hole in

257
00:12:41,460 --> 00:12:39,010
her car it's him and I believe it's like

258
00:12:44,190 --> 00:12:41,470
literally right in the center of the

259
00:12:46,170 --> 00:12:44,200
hood because it popped open the hood and

260
00:12:49,020 --> 00:12:46,180
then you've got some other mysterious

261
00:12:52,050 --> 00:12:49,030
deaths where bodies were found right

262
00:12:54,930 --> 00:12:52,060
those were body dumps and those working

263
00:12:56,400 --> 00:12:54,940

related and one was literally across the

264

00:12:58,170 --> 00:12:56,410

street from Malibu Creek State Park in

265

00:13:01,860 --> 00:12:58,180

the ditch in front of the Hindu temple

266

00:13:05,010 --> 00:13:01,870

and that was an execution-style ms-13

267

00:13:07,890 --> 00:13:05,020

hit they have their own distinct

268

00:13:11,580 --> 00:13:07,900

markings which I thought was like wait

269

00:13:13,860 --> 00:13:11,590

what is ms-13 doing in Malibu you got me

270

00:13:15,840 --> 00:13:13,870

I mean it's got to be it was a pretty

271

00:13:20,270 --> 00:13:15,850

bold move to dump the guy on the corner

272

00:13:23,220 --> 00:13:20,280

of a busy intersection and pretty much a

273

00:13:24,600 --> 00:13:23,230

you know a suburban neighborhood like

274

00:13:28,650 --> 00:13:24,610

it's like that was

275

00:13:31,350 --> 00:13:28,660

like we're here and we should describe

276

00:13:33,240 --> 00:13:31,360

how big malleable is it's it's 27 miles

277

00:13:36,150 --> 00:13:33,250

of coastline which is very famous for

278

00:13:38,460 --> 00:13:36,160

but in addition to that it's 27 miles of

279

00:13:40,259 --> 00:13:38,470

valleys hills mountains and so forth

280

00:13:43,350 --> 00:13:40,269

it's a huge area yes

281

00:13:45,329 --> 00:13:43,360

there's the incorporated part of Malibu

282

00:13:47,819 --> 00:13:45,339

and there's the unincorporated part of

283

00:13:52,889 --> 00:13:47,829

Malibu and most of the unincorporated

284

00:13:55,650 --> 00:13:52,899

part of Malibu is up in the canyons so

285

00:13:57,389 --> 00:13:55,660

Malibu Canyon a lot of cocaine and there

286

00:13:59,160 --> 00:13:57,399

seems growing in those hills

287

00:14:02,490 --> 00:13:59,170

oh yes tell us that tell us what's

288

00:14:04,560 --> 00:14:02,500

growing there definitely a lot of pot

289

00:14:06,920 --> 00:14:04,570

operations are well I shouldn't say a

290

00:14:11,220 --> 00:14:06,930

lot of pot operations there's plenty of

291

00:14:14,430 --> 00:14:11,230

population no but I've heard all about

292

00:14:18,860 --> 00:14:14,440

them fields are they would be covered or

293

00:14:21,569 --> 00:14:18,870

no they're in thick brush areas and

294

00:14:25,620 --> 00:14:21,579

going back to the might Rhys Richardson

295

00:14:31,350 --> 00:14:25,630

case and I'm sure long before that body

296

00:14:34,110 --> 00:14:31,360

was found close to a pot operation that

297

00:14:36,960 --> 00:14:34,120

was it was a grow operation that was

298

00:14:39,900 --> 00:14:36,970

eradicated by state parks and they found

299

00:14:41,790 --> 00:14:39,910

her on the fringes of those so so who's

300

00:14:43,350 --> 00:14:41,800

going around hunting to try to shut

301

00:14:45,180 --> 00:14:43,360

these things down its perks

302

00:14:48,030 --> 00:14:45,190

state parks has to do that I'm sure

303

00:14:51,360 --> 00:14:48,040

Ellie SD does it on some level in

304

00:14:53,939 --> 00:14:51,370

cooperation MRCA this is probably being

305

00:14:55,380 --> 00:14:53,949

grown by Mexican cartels I'm sure plenty

306

00:14:57,509 --> 00:14:55,390

of them are yeah that's something I

307

00:14:59,699 --> 00:14:57,519

think a lot of people don't realize is

308

00:15:01,710 --> 00:14:59,709

that a lot of that you know marijuana is

309

00:15:03,389 --> 00:15:01,720

now legal in California yeah but

310

00:15:06,569 --> 00:15:03,399

supposedly when you go into these places

311

00:15:08,939 --> 00:15:06,579

like med men and so on where is that pot

312

00:15:10,530 --> 00:15:08,949

actually coming from it's being grown in

313

00:15:14,550 --> 00:15:10,540

California but it's being grown

314

00:15:15,630 --> 00:15:14,560

illegally by cartels there's I was

315

00:15:17,939 --> 00:15:15,640

talking to a guy who had his own

316

00:15:20,819 --> 00:15:17,949

shopping he says there is cartel pot and

317

00:15:23,100 --> 00:15:20,829

then there is your more legit legal pot

318

00:15:24,930 --> 00:15:23,110

but you know do you really want to go

319

00:15:26,310 --> 00:15:24,940

into the growing business in California

320

00:15:27,750 --> 00:15:26,320

when your competition is the Mexican

321

00:15:31,110 --> 00:15:27,760

cartels that sounds a little scary

322

00:15:34,769 --> 00:15:31,120

no it I think what's even more scary to

323

00:15:37,560 --> 00:15:34,779

be honest is just knowing that I mean if

324

00:15:41,160 --> 00:15:37,570

they're just doing their pot grows

325

00:15:43,250 --> 00:15:41,170

is one thing and but but to have a body

326
00:15:46,230 --> 00:15:43,260
dumped on the corner of Malibu Canyon

327
00:15:47,910 --> 00:15:46,240
well there's two temple

328
00:15:51,480 --> 00:15:47,920
yes there were two but I'm just saying

329
00:15:55,080 --> 00:15:51,490
that one in like there brings body dumps

330
00:15:58,290 --> 00:15:55,090
for decades in in the canyons okay but

331
00:16:01,440 --> 00:15:58,300
to have them literally dump him on the

332
00:16:04,350 --> 00:16:01,450
corner of a busy artery main artery that

333
00:16:06,060 --> 00:16:04,360
goes from Malibu to the 101 freeway in

334
00:16:08,280 --> 00:16:06,070
front of a Hindu temple

335
00:16:10,710 --> 00:16:08,290
that's scary well never were in other

336
00:16:13,350 --> 00:16:10,720
words they wanted him to be found when

337
00:16:15,810 --> 00:16:13,360
this is not only did they want him to be

338
00:16:17,460 --> 00:16:15,820

found but they wanted people to know we

339

00:16:21,330 --> 00:16:17,470

are here because that was an

340

00:16:24,420 --> 00:16:21,340

execution-style gang hit with very

341

00:16:27,390 --> 00:16:24,430

specific markings so they they wanted

342

00:16:29,550 --> 00:16:27,400

him to be found him to be ridiculed but

343

00:16:31,200 --> 00:16:29,560

people to know that ms-13 was

344

00:16:33,420 --> 00:16:31,210

responsible for it and they are

345

00:16:35,760 --> 00:16:33,430

literally in our neighborhood yeah he

346

00:16:37,050 --> 00:16:35,770

was one of the press reports about it

347

00:16:39,600 --> 00:16:37,060

further complicating matters

348

00:16:42,360 --> 00:16:39,610

County officials not authorized to speak

349

00:16:44,730 --> 00:16:42,370

on the record note the practice by

350

00:16:47,280 --> 00:16:44,740

Mexican cartels of sending forced labor

351
00:16:49,260 --> 00:16:47,290
across the border to grow small black

352
00:16:50,400 --> 00:16:49,270
market plots of marijuana in the most

353
00:16:52,140 --> 00:16:50,410
remote parts of the mountains around

354
00:16:54,390 --> 00:16:52,150
Malibu Creek State Park

355
00:16:56,280 --> 00:16:54,400
they say small groups of men often

356
00:16:58,470 --> 00:16:56,290
working in pairs spend weeks at a time

357
00:17:00,240 --> 00:16:58,480
camping out alongside water sources

358
00:17:02,400 --> 00:17:00,250
buried deep in the canyons as the pot

359
00:17:04,560 --> 00:17:02,410
plants come to maturity now and again

360
00:17:05,310 --> 00:17:04,570
one will hike down into town to fetch

361
00:17:07,079 --> 00:17:05,320
food and water

362
00:17:08,819 --> 00:17:07,089
the sheriff's intern occasionally send

363
00:17:10,470 --> 00:17:08,829

out marijuana eradication teams to

364

00:17:12,270 --> 00:17:10,480

destroy the illegal grows law

365

00:17:13,530 --> 00:17:12,280

enforcement is not linked the cartel

366

00:17:18,230 --> 00:17:13,540

activity to any of the most recent

367

00:17:22,920 --> 00:17:18,240

violence so you got that going on yeah

368

00:17:27,300 --> 00:17:22,930

um you know I the park rows have never

369

00:17:30,210 --> 00:17:27,310

really been a big discussion or a big

370

00:17:32,490 --> 00:17:30,220

problem at least throughout the

371

00:17:36,600 --> 00:17:32,500

community we haven't really been

372

00:17:40,050 --> 00:17:36,610

affected by the criminal activity

373

00:17:41,670 --> 00:17:40,060

involved with that until the bodies

374

00:17:44,340 --> 00:17:41,680

start showing up and then you start

375

00:17:46,410 --> 00:17:44,350

worrying about your safety and whether

376

00:17:49,170 --> 00:17:46,420

are they you don't want to show others

377

00:17:50,760 --> 00:17:49,180

it was typical of any gang violence in

378

00:17:53,190 --> 00:17:50,770

the u.s. it usually only if

379

00:17:54,180 --> 00:17:53,200

gangs until somebody you know wanders in

380

00:17:55,710 --> 00:17:54,190

accidentally into the wrong neighborhood

381

00:17:57,690 --> 00:17:55,720

and in Mexico

382

00:18:01,860 --> 00:17:57,700

there's tons of crime but it's usually

383

00:18:04,170 --> 00:18:01,870

cartel on cartel crime etc but

384

00:18:06,450 --> 00:18:04,180

occasionally people wander where they

385

00:18:08,850 --> 00:18:06,460

shouldn't have gone so you wonder

386

00:18:10,830 --> 00:18:08,860

whether or not there is any connection

387

00:18:13,560 --> 00:18:10,840

between this cartel activity that's

388

00:18:16,350 --> 00:18:13,570

happening in Malibu of all places and

389

00:18:18,300 --> 00:18:16,360

these other shootings but that is also

390

00:18:19,980 --> 00:18:18,310

one of the theories in the my Teresa

391

00:18:22,770 --> 00:18:19,990

Richardson case because her body was

392

00:18:26,910 --> 00:18:22,780

found literally while they were going

393

00:18:30,600 --> 00:18:26,920

while state parks was going to check on

394

00:18:32,580 --> 00:18:30,610

a recently eradicated pot grow operation

395

00:18:34,590 --> 00:18:32,590

okay so tell her story because this is

396

00:18:38,130 --> 00:18:34,600

really the the the first of the string

397

00:18:39,870 --> 00:18:38,140

of shootings in Malibu it was not she

398

00:18:44,100 --> 00:18:39,880

she was not a shooting victim but she

399

00:18:49,050 --> 00:18:44,110

was a person that went missing in 2006

400

00:18:51,390 --> 00:18:49,060

in 2009 and she was taken into the Lost

401
00:18:53,370 --> 00:18:51,400
Hill Sheriff's Department and they

402
00:18:57,300 --> 00:18:53,380
released her she had been around for

403
00:19:00,600 --> 00:18:57,310
what she was having an episode a mental

404
00:19:03,930 --> 00:19:00,610
health issue episode at Joffrey's

405
00:19:06,060 --> 00:19:03,940
restaurant did not have money to pay for

406
00:19:07,770 --> 00:19:06,070
her bill Joffrey's restaurant a very

407
00:19:09,990 --> 00:19:07,780
high-end restaurant in Malibu yes

408
00:19:11,430 --> 00:19:10,000
Joffrey's restaurant thank you for

409
00:19:18,660 --> 00:19:11,440
clarifying that most people don't know

410
00:19:20,550 --> 00:19:18,670
that no so so she's erratic behavior at

411
00:19:22,830 --> 00:19:20,560
a restaurant erratic behavior not paying

412
00:19:27,060 --> 00:19:22,840
her bill there's lots of details

413
00:19:29,070 --> 00:19:27,070

surrounding that that would lead people

414

00:19:31,680 --> 00:19:29,080

to believe that she really shouldn't

415

00:19:36,290 --> 00:19:31,690

have been taken in to lost his Malibu

416

00:19:40,650 --> 00:19:36,300

resident no she lived quite far away but

417

00:19:46,650 --> 00:19:40,660

she was taken into lost hills her car

418

00:19:50,880 --> 00:19:46,660

was towed and lost hills released her at

419

00:19:52,890 --> 00:19:50,890

midnight even though they were contacted

420

00:19:55,320 --> 00:19:52,900

by her family said do not release her

421

00:19:57,930 --> 00:19:55,330

until we can come get her there

422

00:20:01,700 --> 00:19:57,940

absolutely was some issue of mental

423

00:20:04,500 --> 00:20:01,710

illness that she was suffering from and

424

00:20:07,080 --> 00:20:04,510

so she was released with no cart no

425

00:20:08,730 --> 00:20:07,090

no cell phone at 12:00 midnight why

426

00:20:09,930 --> 00:20:08,740

wouldn't they have given her those items

427

00:20:12,240 --> 00:20:09,940

back or do they arrest her without those

428

00:20:15,390 --> 00:20:12,250

items we do not know that and there is

429

00:20:17,640 --> 00:20:15,400

still an ongoing investigation to either

430

00:20:19,710 --> 00:20:17,650

winch they arrested her she didn't have

431

00:20:21,690 --> 00:20:19,720

them at that time or when they arrested

432

00:20:23,190 --> 00:20:21,700

her they took the possessions and Ingham

433

00:20:28,460 --> 00:20:23,200

back to her you know correct

434

00:20:32,370 --> 00:20:28,470

and there is very what is the family say

435

00:20:35,490 --> 00:20:32,380

or who was with her at Geoffrey's she

436

00:20:40,610 --> 00:20:35,500

was not with anybody she was on her own

437

00:20:44,370 --> 00:20:40,620

I believe so however the the issue is

438

00:20:46,200 --> 00:20:44,380

why was she released and not released to

439

00:20:50,840 --> 00:20:46,210

her family why was her family not

440

00:21:04,590 --> 00:20:56,490

sketchy details involved on behalf of

441

00:21:07,980 --> 00:21:04,600

the law enforcement such as editing a

442

00:21:11,760 --> 00:21:07,990

tape of her leaving the station hiding

443

00:21:13,470 --> 00:21:11,770

the tape not releasing it when they

444

00:21:14,790 --> 00:21:13,480

should have released it what would be

445

00:21:17,250 --> 00:21:14,800

significant about that do you think

446

00:21:19,530 --> 00:21:17,260

there's probably there there was

447

00:21:25,950 --> 00:21:19,540

probably some very telling information

448

00:21:31,500 --> 00:21:25,960

in there as to who was involved at the

449

00:21:34,950 --> 00:21:31,510

station and some as one of the other

450

00:21:39,990 --> 00:21:34,960

officers who was privy to some of the

451
00:21:41,270 --> 00:21:40,000
information said I was not involved in

452
00:21:45,600 --> 00:21:41,280
that

453
00:21:49,650 --> 00:21:45,610
scandalous activity basically is what he

454
00:21:50,790 --> 00:21:49,660
said so they release her and she doesn't

455
00:21:52,830 --> 00:21:50,800
have a cellphone doesn't have a wallet

456
00:21:54,750 --> 00:21:52,840
it's out of her and she goes missing she

457
00:21:56,310 --> 00:21:54,760
presumably wanders out of the station

458
00:21:58,380 --> 00:21:56,320
never to be seen again

459
00:22:00,720 --> 00:21:58,390
correct well she was seen at four

460
00:22:02,220 --> 00:22:00,730
o'clock that morning so she was released

461
00:22:05,670 --> 00:22:02,230
at midnight at four o'clock in the

462
00:22:09,840 --> 00:22:05,680
morning she was seen in a residence

463
00:22:11,610 --> 00:22:09,850

backyard in montanita and after that she

464

00:22:13,620 --> 00:22:11,620

was not seen again until her body was

465

00:22:15,930 --> 00:22:13,630

found ten months later next to the Park

466

00:22:18,360 --> 00:22:15,940

Row area like I said and she was found

467

00:22:20,910 --> 00:22:18,370

by two Rangers and

468

00:22:22,920 --> 00:22:20,920

was cause of death they still do not

469

00:22:25,320 --> 00:22:22,930

know it's still undetermined so your

470

00:22:27,840 --> 00:22:25,330

solution wasn't a shooting victim they

471

00:22:31,830 --> 00:22:27,850

didn't see for instance evidence of rape

472

00:22:34,799 --> 00:22:31,840

or her body had already been exposed too

473

00:22:38,190 --> 00:22:34,809

much to the and it was mishandled when

474

00:22:39,360 --> 00:22:38,200

it was found so so the sheriff's

475

00:22:41,900 --> 00:22:39,370

department came under a lot of scrutiny

476

00:22:44,810 --> 00:22:41,910

for that that why you realize

477

00:22:48,450 --> 00:22:44,820

specifically the law cells division yes

478

00:22:52,020 --> 00:22:48,460

was still is under a black cloud until

479

00:22:54,870 --> 00:22:52,030

we really find out what took place that

480

00:22:57,950 --> 00:22:54,880

night and there are officers there who

481

00:23:00,690 --> 00:22:57,960

knew that there was shenanigans

482

00:23:03,450 --> 00:23:00,700

scandalous behavior whatever was

483

00:23:07,380 --> 00:23:03,460

happening was happening and the fact

484

00:23:11,820 --> 00:23:07,390

that that tape was hidden in the

485

00:23:15,060 --> 00:23:11,830

captain's drawer and edited what is the

486

00:23:18,020 --> 00:23:15,070

speculation about shenanigans what type

487

00:23:20,340 --> 00:23:18,030

of shenanigans are we talking about I

488

00:23:22,260 --> 00:23:20,350

I'm pretty sure that there was some type

489

00:23:24,480 --> 00:23:22,270

of sexual assault that occurred there

490

00:23:27,840 --> 00:23:24,490

but you know I can't prove it right this

491

00:23:32,100 --> 00:23:27,850

moment but that's what you to believe

492

00:23:34,860 --> 00:23:32,110

that another investigation involving

493

00:23:39,030 --> 00:23:34,870

another high ranking officer who was

494

00:23:41,070 --> 00:23:39,040

involved in similar activity is there

495

00:23:42,990 --> 00:23:41,080

anything come to light on that oh it's

496

00:23:45,270 --> 00:23:43,000

gonna come to light soon I just can't

497

00:23:50,430 --> 00:23:45,280

release it just right this moment but it

498

00:23:52,350 --> 00:23:50,440

is as a matter of fact as a result of my

499

00:23:55,490 --> 00:23:52,360

investigations on the Malibu Creek State

500

00:23:59,840 --> 00:23:55,500

Park shooting one of those victims of

501

00:24:02,280 --> 00:23:59,850

one of the crimes that I'm speaking of

502

00:24:05,820 --> 00:24:02,290

found the might Rhys Richardson

503

00:24:07,110 --> 00:24:05,830

documentary on my social media found the

504

00:24:12,150 --> 00:24:07,120

person who committed those crimes

505

00:24:13,950 --> 00:24:12,160

against her contacted somebody involved

506

00:24:16,500 --> 00:24:13,960

with the documentary and that's how the

507

00:24:19,320 --> 00:24:16,510

investigation began so in the

508

00:24:21,930 --> 00:24:19,330

documentary mhm it's asserted

509

00:24:24,630 --> 00:24:21,940

essentially or no related that that

510

00:24:28,039 --> 00:24:24,640

there was a sexual assault I don't

511

00:24:31,769 --> 00:24:28,049

believe that that

512

00:24:33,720 --> 00:24:31,779

detail is in the documentary I can't say

513

00:24:36,930 --> 00:24:33,730

that a hundred percent for sure I can

514

00:24:41,430 --> 00:24:36,940

tell you that with all my investigations

515

00:24:44,310 --> 00:24:41,440

I do believe that some type of sexual

516

00:24:46,710 --> 00:24:44,320

assault may have occurred and led to her

517

00:24:52,350 --> 00:24:46,720

death and you have a particular officer

518

00:24:54,690 --> 00:24:52,360

in mind no well I shouldn't say that now

519

00:24:59,039 --> 00:24:54,700

that I have this other information I

520

00:25:02,369 --> 00:24:59,049

think this high ranking officer could be

521

00:25:05,820 --> 00:25:02,379

involved in some of it not all of it

522

00:25:08,580 --> 00:25:05,830

like who knows she could have as far as

523

00:25:11,399 --> 00:25:08,590

her death goes she could have stumbled

524

00:25:13,799 --> 00:25:11,409

across this pot grow operation and

525

00:25:16,710 --> 00:25:13,809

somebody may have taken her out that way

526

00:25:20,460 --> 00:25:16,720

however I do know something went on at

527

00:25:24,029 --> 00:25:20,470

that station and the reason why she was

528

00:25:27,659 --> 00:25:24,039

released the way she was released and in

529

00:25:30,600 --> 00:25:27,669

her condition mental condition leads us

530

00:25:32,249 --> 00:25:30,610

to believe that something was clearly

531

00:25:36,060 --> 00:25:32,259

going on at that station and then the

532

00:25:38,070 --> 00:25:36,070

evidence that has now come to light of a

533

00:25:42,090 --> 00:25:38,080

high-ranking officer that was involved

534

00:25:44,039 --> 00:25:42,100

in sexual in a sexual assault case a

535

00:25:48,450 --> 00:25:44,049

sexual assault of someone who had been

536

00:25:50,100 --> 00:25:48,460

arrested know somebody else no but the

537

00:25:53,129 --> 00:25:50,110

person that this person the officer

538

00:25:58,919 --> 00:25:53,139

assaulted was was not arrested

539

00:26:01,740 --> 00:25:58,929

this person was preyed upon in some

540

00:26:03,779 --> 00:26:01,750

manner you know I can't release too much

541

00:26:05,519 --> 00:26:03,789

information yet and this person been as

542

00:26:08,100 --> 00:26:05,529

the officer been suspended at this point

543

00:26:12,930 --> 00:26:08,110

this officer is no longer with the

544

00:26:14,159 --> 00:26:12,940

department but is being investigated did

545

00:26:18,330 --> 00:26:14,169

it happen while he was still with the

546

00:26:21,659 --> 00:26:18,340

department yes it did so presumably he

547

00:26:25,950 --> 00:26:21,669

was fired or suspended as a notice nope

548

00:26:28,080 --> 00:26:25,960

no unrelated yep and this story you

549

00:26:30,060 --> 00:26:28,090

think is gonna come to light pretty soon

550

00:26:35,730 --> 00:26:30,070

I had you to believe that one is

551
00:26:42,700 --> 00:26:40,060
because he was at this station at the

552
00:26:45,010 --> 00:26:42,710
time you believe he was at the station

553
00:26:47,139 --> 00:26:45,020
the night that she was there I not

554
00:26:52,810 --> 00:26:47,149
necessarily the night he was at the

555
00:26:54,880 --> 00:26:52,820
station and that's all I can say he was

556
00:26:57,760 --> 00:26:54,890
working out of that station yes correct

557
00:27:00,220 --> 00:26:57,770
correct correct so let's talk about two

558
00:27:04,120 --> 00:27:00,230
other shootings we've got James Rogers

559
00:27:07,210 --> 00:27:04,130
yes who apparently was shot while

560
00:27:11,019 --> 00:27:07,220
sleeping in a hammock in November 2016

561
00:27:13,180 --> 00:27:11,029
he awoke pain in his side and then began

562
00:27:15,669 --> 00:27:13,190
pulling shotgun pellets out of his arm

563
00:27:16,840 --> 00:27:15,679

yes he survived but required surgery the

564

00:27:19,330 --> 00:27:16,850

shooter was never found

565

00:27:21,639 --> 00:27:19,340

now that so that one apparently shot

566

00:27:23,260 --> 00:27:21,649

that's that right that was also so so

567

00:27:25,450 --> 00:27:23,270

here we've gone when I spoke to him

568

00:27:28,330 --> 00:27:25,460

personally and I have his emails and

569

00:27:33,899 --> 00:27:28,340

what's the theory there it's the same

570

00:27:43,690 --> 00:27:39,070

James Rodgers a trailer I believe there

571

00:27:45,519 --> 00:27:43,700

was another one so yeah Melissa to

572

00:27:47,500 --> 00:27:45,529

tangelo yeah yeah there's the white car

573

00:27:48,269 --> 00:27:47,510

there's the white car - that was sprayed

574

00:27:51,190 --> 00:27:48,279

with buckshot

575

00:27:54,010 --> 00:27:51,200

there's Melissa tangelo James Rodgers

576

00:27:58,899 --> 00:27:54,020

and a trailer that was hit and that was

577

00:28:03,159 --> 00:27:58,909

all in between November 2:16 and July of

578

00:28:06,070 --> 00:28:03,169

- 17 so those were those four and then

579

00:28:08,529 --> 00:28:06,080

but some with the shotgun and some of

580

00:28:12,039 --> 00:28:08,539

the rifle apparently because last two

581

00:28:17,350 --> 00:28:12,049

are the rifle yes yes yes the last word

582

00:28:18,760 --> 00:28:17,360

with the rifle and but we didn't learn

583

00:28:20,320 --> 00:28:18,770

about the rifle until way late in the

584

00:28:24,070 --> 00:28:20,330

game like they tried to keep the rifle

585

00:28:29,409 --> 00:28:24,080

from us because they apparently wanted

586

00:28:31,840 --> 00:28:29,419

to you know not have a copycat out there

587

00:28:36,820 --> 00:28:31,850

I don't know whatever their excuses were

588

00:28:39,190 --> 00:28:36,830

to keep the rifle a secret to me at this

589

00:28:41,880 --> 00:28:39,200

point makes me believe more that there

590

00:28:43,960 --> 00:28:41,890

are absolutely two shooters not one

591

00:28:45,340 --> 00:28:43,970

because of two different types of

592

00:28:46,750 --> 00:28:45,350

weapons because of two different types

593

00:28:51,010 --> 00:28:46,760

of weapon

594

00:28:53,620 --> 00:28:51,020

and it just the the Anthony righta to me

595

00:28:57,400 --> 00:28:53,630

does not fit the profile of what the

596

00:28:59,320 --> 00:28:57,410

other shootings and also the shooting in

597

00:29:01,510 --> 00:28:59,330

the middle of the night like you have to

598

00:29:03,610 --> 00:29:01,520

like have night vision you have to have

599

00:29:06,549 --> 00:29:03,620

you gotta be like well I guess I would

600

00:29:07,960 --> 00:29:06,559

ask a question being in in between two

601
00:29:11,200 --> 00:29:07,970
children and when when those two

602
00:29:13,150 --> 00:29:11,210
children woke up and that the report was

603
00:29:19,210 --> 00:29:13,160
made to authorities and authority first

604
00:29:21,070 --> 00:29:19,220
responders showed up sorry that the one

605
00:29:23,440 --> 00:29:21,080
of the daughters was so completely

606
00:29:25,750 --> 00:29:23,450
covered in blood that they had to Pat

607
00:29:28,570 --> 00:29:25,760
her down and make sure she wasn't hit so

608
00:29:32,700 --> 00:29:28,580
how do you get a perfect shot like that

609
00:29:36,310 --> 00:29:32,710
in the dark in the dark okay even a

610
00:29:38,710 --> 00:29:36,320
highly trained sniper that like that's

611
00:29:41,860 --> 00:29:38,720
that's you got to be real good to get

612
00:29:43,690 --> 00:29:41,870
that I just I'm not I'm not believing

613
00:29:47,799 --> 00:29:43,700

lucky shot for some reason I'm just not

614

00:29:51,610 --> 00:29:47,809

so you're you're rough on the lost hills

615

00:29:53,500 --> 00:29:51,620

division of the LA County Sheriff's

616

00:29:55,600 --> 00:29:53,510

Department when it comes to these

617

00:29:57,520 --> 00:29:55,610

shootings and implying that you know

618

00:29:59,680 --> 00:29:57,530

they're they're covering something up or

619

00:30:01,500 --> 00:29:59,690

so forth but why would there be a

620

00:30:02,710 --> 00:30:01,510

cover-up I mean what would they be

621

00:30:04,299 --> 00:30:02,720

embarrassed about

622

00:30:06,490 --> 00:30:04,309

I mean these are part first of all these

623

00:30:08,169 --> 00:30:06,500

are some of these are parklands right so

624

00:30:10,659 --> 00:30:08,179

they're not necessarily even responsible

625

00:30:12,640 --> 00:30:10,669

for and gosh I don't think anybody would

626
00:30:14,200 --> 00:30:12,650
hold a police department responsible for

627
00:30:15,789 --> 00:30:14,210
stopping a shooting that happens at 4:00

628
00:30:18,210 --> 00:30:15,799
in the morning in the middle of a park

629
00:30:21,039 --> 00:30:18,220
land yeah I mean you know police aren't

630
00:30:23,190 --> 00:30:21,049
tell you right now that I there there

631
00:30:27,850 --> 00:30:23,200
are a couple of things that I believe

632
00:30:32,799 --> 00:30:27,860
number one I've seen sheer laziness

633
00:30:35,409 --> 00:30:32,809
okay come out of state parks and lost

634
00:30:37,570 --> 00:30:35,419
hills laziness now whether they're

635
00:30:40,150 --> 00:30:37,580
covering up for somebody and that

636
00:30:43,600 --> 00:30:40,160
doesn't mean every single ranger and

637
00:30:47,590 --> 00:30:43,610
every single cop but there are plenty of

638
00:30:48,370 --> 00:30:47,600

lazy you know law enforcement out there

639

00:30:50,500 --> 00:30:48,380

when you say when it comes to

640

00:30:54,810 --> 00:30:50,510

investigating correct correct as a

641

00:30:59,200 --> 00:30:58,120

a joke that goes around for quite some

642

00:31:02,260 --> 00:30:59,210

time and

643

00:31:04,960 --> 00:31:02,270

the ones who are not good at law

644

00:31:07,539 --> 00:31:04,970

enforcement are sent to LA stills that's

645

00:31:09,789 --> 00:31:07,549

what they've said in the past and now

646

00:31:12,940 --> 00:31:09,799

that Alex Villanueva is Sheriff

647

00:31:14,830 --> 00:31:12,950

that's going to change like big time so

648

00:31:16,870 --> 00:31:14,840

everybody knows a new sheriff was

649

00:31:18,639 --> 00:31:16,880

elected in November which was he

650

00:31:21,340 --> 00:31:18,649

defeated the incumbent sheriff which was

651
00:31:24,279 --> 00:31:21,350
very unusual it's impossible and it was

652
00:31:26,230 --> 00:31:24,289
the first time it's ever done ever been

653
00:31:27,880 --> 00:31:26,240
done in this race he is the first

654
00:31:32,440 --> 00:31:27,890
democratic sheriff in a hundred and

655
00:31:39,549 --> 00:31:32,450
fifty five years Alex had \$25,000 only

656
00:31:42,549 --> 00:31:39,559
two to promote himself and use and Jim

657
00:31:45,700 --> 00:31:42,559
McDonald had 750,000 and every news

658
00:31:48,970 --> 00:31:45,710
station behind him and every even LA

659
00:31:53,340 --> 00:31:48,980
Times and Alex's ground campaign kicked

660
00:31:55,720 --> 00:31:53,350
ass and has he said anything yet about

661
00:31:58,180 --> 00:31:55,730
these malibu shootings since he was

662
00:32:02,590 --> 00:31:58,190
alike he came out to Malibu to speak

663
00:32:06,700 --> 00:32:02,600

because he was following my reporting of

664

00:32:09,399 --> 00:32:06,710

the shootings and one of his confidants

665

00:32:11,980 --> 00:32:09,409

dr. Rhonda Hampton who also was

666

00:32:16,510 --> 00:32:11,990

instrumental in his ground campaign is a

667

00:32:18,190 --> 00:32:16,520

close friend of mine so she you know had

668

00:32:19,990 --> 00:32:18,200

kept Alex up to date on what was going

669

00:32:21,310 --> 00:32:20,000

on in Malibu because it was so high

670

00:32:22,539 --> 00:32:21,320

profile even though there are a lot of

671

00:32:26,769 --> 00:32:22,549

people who don't know about it there was

672

00:32:28,899 --> 00:32:26,779

a lot of global press on it and I was

673

00:32:33,010 --> 00:32:28,909

interviewed quite a few times because I

674

00:32:35,110 --> 00:32:33,020

was very knowledgeable about it and so

675

00:32:37,810 --> 00:32:35,120

Alex reached out to me during his

676
00:32:39,730 --> 00:32:37,820
campaign and we had many talks about it

677
00:32:42,250 --> 00:32:39,740
and he came out to Malibu Creek State

678
00:32:46,510 --> 00:32:42,260
Park she to Malibu Creek State Park to

679
00:32:48,360 --> 00:32:46,520
have a press conference because of what

680
00:32:52,389 --> 00:32:48,370
was going and what is he saying about it

681
00:33:00,190 --> 00:32:52,399
the shootings well at the time that he

682
00:33:03,820 --> 00:33:00,200
came there was the two SWAT maneuvers

683
00:33:08,049 --> 00:33:03,830
that were very high-profile covered on

684
00:33:10,620 --> 00:33:08,059
the news which in my opinion and his

685
00:33:13,050 --> 00:33:10,630
opinion was a dog and pony show

686
00:33:16,440 --> 00:33:13,060
this was all that's why I was saying in

687
00:33:19,560 --> 00:33:16,450
when when they arrested righta you you

688
00:33:22,020 --> 00:33:19,570

couldn't plan a wedding better and have

689

00:33:25,230 --> 00:33:22,030

it come out perfect than the way this

690

00:33:28,320 --> 00:33:25,240

arrest came about and NBC that was there

691

00:33:30,870 --> 00:33:28,330

to capture it and the SWAT was there and

692

00:33:34,710 --> 00:33:30,880

the dogs were there and they even had a

693

00:33:37,620 --> 00:33:34,720

second SWAT a production happen and I

694

00:33:39,840 --> 00:33:37,630

wrote about that and how contrived it

695

00:33:43,440 --> 00:33:39,850

all was and come to find out I have

696

00:33:46,770 --> 00:33:43,450

since talked to some guys that are in

697

00:33:48,510 --> 00:33:46,780

SWAT and they are pissed it was not

698

00:33:52,590 --> 00:33:48,520

handled properly

699

00:33:54,660 --> 00:33:52,600

this was a clear SWAT guy you don't

700

00:33:57,270 --> 00:33:54,670

that's my point this was this was like a

701
00:33:59,370 --> 00:33:57,280
movie production and it was a joke and

702
00:34:04,650 --> 00:33:59,380
NBC got a special invitation to it

703
00:34:07,050 --> 00:34:04,660
the day that they arrested righta I'm or

704
00:34:09,810 --> 00:34:07,060
know two days after know two days before

705
00:34:12,990 --> 00:34:09,820
they arrested righta there was this big

706
00:34:17,810 --> 00:34:13,000
SWAT production near Malibu Valley Farms

707
00:34:20,100 --> 00:34:17,820
and that was after the burglary and so

708
00:34:22,470 --> 00:34:20,110
people are blowing up my phone going

709
00:34:25,050 --> 00:34:22,480
what's happening what's happening why is

710
00:34:26,399 --> 00:34:25,060
there SWAT and what's going on now like

711
00:34:28,950 --> 00:34:26,409
like they thought something crazy

712
00:34:32,190 --> 00:34:28,960
happened and I'm like okay everybody get

713
00:34:33,810 --> 00:34:32,200

organized Carlos Hills and let's see

714

00:34:35,399 --> 00:34:33,820

what they tell each one of you are they

715

00:34:36,270 --> 00:34:35,409

all gonna tell you the same story or are

716

00:34:39,360 --> 00:34:36,280

they gonna tell you a different story

717

00:34:41,550 --> 00:34:39,370

well everyone that called they said yeah

718

00:34:42,659 --> 00:34:41,560

there's a armed burglary well

719

00:34:44,790 --> 00:34:42,669

everybody's like going should we lock

720

00:34:47,490 --> 00:34:44,800

our doors and windows what's going on

721

00:34:49,080 --> 00:34:47,500

here and he said no everything's fine so

722

00:34:51,030 --> 00:34:49,090

finally a mother called with the small

723

00:34:53,550 --> 00:34:51,040

children and he said the same thing

724

00:34:55,139 --> 00:34:53,560

everything you know she said should I

725

00:34:56,909 --> 00:34:55,149

lock my doors and windows he said no

726

00:34:58,380 --> 00:34:56,919

everything's fine she's like what can I

727

00:34:58,950 --> 00:34:58,390

take my kid barks he's like yeah no

728

00:35:02,790 --> 00:34:58,960

problem

729

00:35:05,100 --> 00:35:02,800

okay my kids we're to a park okay I mean

730

00:35:06,120 --> 00:35:05,110

here's SWAT literally in the middle of

731

00:35:08,340 --> 00:35:06,130

the morning commute

732

00:35:10,500 --> 00:35:08,350

okay people are driving down the street

733

00:35:13,530 --> 00:35:10,510

seeing SWAT on the side of the road all

734

00:35:14,550 --> 00:35:13,540

these police cars and and and you call

735

00:35:16,080 --> 00:35:14,560

the desk in the decks

736

00:35:19,410 --> 00:35:16,090

oh no problem go take your kids to the

737

00:35:20,730 --> 00:35:19,420

park okay like it made no sense so and

738

00:35:24,150 --> 00:35:20,740

they were responding to essentially a

739

00:35:26,190 --> 00:35:24,160

common burglar well what

740

00:35:28,200 --> 00:35:26,200

okay so I had to do my research so all

741

00:35:30,750 --> 00:35:28,210

the sudden I look on somebody sends me a

742

00:35:35,940 --> 00:35:30,760

tweet from the special weapons team and

743

00:35:37,529 --> 00:35:35,950

they were taking photo ops basically and

744

00:35:38,940 --> 00:35:37,539

go over tracking an armed burglary

745

00:35:41,789 --> 00:35:38,950

suspect okay

746

00:35:43,319 --> 00:35:41,799

is it happening now what happened here

747

00:35:47,220 --> 00:35:43,329

come to find out the burglary happened

748

00:35:51,720 --> 00:35:47,230

two days before so these guys are out in

749

00:35:53,490 --> 00:35:51,730

full SWAT mission status for something

750

00:35:56,700 --> 00:35:53,500

that happened two days before what the

751
00:35:58,589 --> 00:35:56,710
hell is that so n NBC is perfectly

752
00:36:01,980 --> 00:35:58,599
positioned there to get the story

753
00:36:04,440 --> 00:36:01,990
so I'm uploading these pictures not

754
00:36:07,319 --> 00:36:04,450
knowing that I'm hearing NBC is there

755
00:36:08,880 --> 00:36:07,329
I'm uploading this tweet going can

756
00:36:11,430 --> 00:36:08,890
somebody please tell me what's going on

757
00:36:13,620 --> 00:36:11,440
here and bye-bye somebody please tell me

758
00:36:15,450 --> 00:36:13,630
what's going on here I mean my locals

759
00:36:18,240 --> 00:36:15,460
who are out there who send me

760
00:36:20,730 --> 00:36:18,250
information I'm like saying to them you

761
00:36:21,960 --> 00:36:20,740
know somebody please DM me and let me

762
00:36:27,359 --> 00:36:21,970
know what you're seeing over there and

763
00:36:32,279 --> 00:36:27,369

so not long after that Erik Leonard from

764

00:36:35,400 --> 00:36:32,289

NBC I've never met the guy do not follow

765

00:36:38,519 --> 00:36:35,410

him do not know him comes onto my

766

00:36:42,240 --> 00:36:38,529

Twitter feed and drops the link to his

767

00:36:45,359 --> 00:36:42,250

story on my feed and says we were there

768

00:36:47,549 --> 00:36:45,369

today here's some insight so I wrote him

769

00:36:50,490 --> 00:36:47,559

back and I'm like oh so this is your

770

00:36:53,069 --> 00:36:50,500

insight clearly you have not done your

771

00:36:54,510 --> 00:36:53,079

research because if you had you would

772

00:36:58,349 --> 00:36:54,520

have known that I've been investigating

773

00:37:01,319 --> 00:36:58,359

this these stories since June so who are

774

00:37:03,900 --> 00:37:01,329

you so I basically kind of publicly

775

00:37:05,460 --> 00:37:03,910

ridiculed him a little bit well he put

776

00:37:07,559 --> 00:37:05,470

it on your feed presumably because he

777

00:37:10,890 --> 00:37:07,569

knew you were covering this yo you put

778

00:37:15,240 --> 00:37:10,900

it on my feet to be an [h__\h] and to to

779

00:37:17,579 --> 00:37:15,250

to try to assert himself as being now

780

00:37:21,019 --> 00:37:17,589

he's the authority and he's got the

781

00:37:25,109 --> 00:37:21,029

story and he's got the the breaking news

782

00:37:27,120 --> 00:37:25,119

about this suspect when I cannot wait

783

00:37:30,420 --> 00:37:27,130

for tomorrow because tomorrow is route

784

00:37:32,819 --> 00:37:30,430

as is another hearing for righta and

785

00:37:34,319 --> 00:37:32,829

they've only got this guy they don't

786

00:37:35,760 --> 00:37:34,329

even have a lot burglaries they've only

787

00:37:36,690 --> 00:37:35,770

got him on a parole violation for not

788

00:37:37,590 --> 00:37:36,700

making a phone call

789

00:37:39,330 --> 00:37:37,600

so it's

790

00:37:42,330 --> 00:37:39,340

soon as I get what the result of

791

00:37:45,210 --> 00:37:42,340

tomorrow and there's no ballistics back

792

00:37:47,160 --> 00:37:45,220

or actually I take that back

793

00:37:50,160 --> 00:37:47,170

there is ballistics back but they're not

794

00:37:52,650 --> 00:37:50,170

releasing it gee I wonder why wouldn't

795

00:37:55,080 --> 00:37:52,660

we know however McDonnell would have

796

00:37:56,790 --> 00:37:55,090

been going I caught the killer

797

00:37:58,200 --> 00:37:56,800

I caught the killer on his way out and

798

00:38:02,580 --> 00:37:58,210

that's not what's happening right now

799

00:38:05,490 --> 00:38:02,590

and I cannot wait to ridicule Eric

800

00:38:07,080 --> 00:38:05,500

Leonard like acting like he knows

801
00:38:08,310 --> 00:38:07,090
everything about this and what do we

802
00:38:09,390 --> 00:38:08,320
know about this router guy that was

803
00:38:13,470 --> 00:38:09,400
arrested do we know much about his

804
00:38:16,890 --> 00:38:13,480
background well here's the thing I did

805
00:38:18,210 --> 00:38:16,900
do my research on him as well and he

806
00:38:22,530 --> 00:38:18,220
[Music]

807
00:38:26,220 --> 00:38:22,540
yes he's troubled yes but he's never he

808
00:38:30,330 --> 00:38:26,230
the worst thing he's ever done is bodily

809
00:38:35,520 --> 00:38:30,340
harm okay and when you are a when you

810
00:38:37,680 --> 00:38:35,530
are mentally ill and you have issues and

811
00:38:40,770 --> 00:38:37,690
cannot be around people and you're

812
00:38:42,030 --> 00:38:40,780
paranoid you know it's if somebody gets

813
00:38:43,170 --> 00:38:42,040

too close to you that's what's gonna

814

00:38:44,760 --> 00:38:43,180

have it you're gonna elbow them you're

815

00:38:48,390 --> 00:38:44,770

gonna get them out of your way you also

816

00:38:50,820 --> 00:38:48,400

tend to carry some type of a weapon on

817

00:38:52,680 --> 00:38:50,830

you I'm not saying a gun necessarily but

818

00:38:54,330 --> 00:38:52,690

you know something to protect yourself

819

00:38:56,460 --> 00:38:54,340

because you're paranoid okay you're

820

00:38:59,030 --> 00:38:56,470

walking around paranoid and I discussed

821

00:39:02,310 --> 00:38:59,040

this at length with mental mental health

822

00:39:05,550 --> 00:39:02,320

living in the woods I don't believe that

823

00:39:07,140 --> 00:39:05,560

I mean if you look at his picture as a

824

00:39:09,390 --> 00:39:07,150

matter of fact I've talked with SWAT and

825

00:39:12,000 --> 00:39:09,400

they had very different descriptions of

826

00:39:15,480 --> 00:39:12,010

what they were looking for as opposed to

827

00:39:19,590 --> 00:39:15,490

what was arrested so as the more

828

00:39:23,460 --> 00:39:19,600

investigating I do and the more I hear

829

00:39:27,000 --> 00:39:23,470

this was the biggest [h__h] operation

830

00:39:33,470 --> 00:39:27,010

on the planet and it was really done to

831

00:39:36,780 --> 00:39:33,480

you know to to McDonald yes it was all

832

00:39:41,100 --> 00:39:36,790

for it was political grandstanding is

833

00:39:43,320 --> 00:39:41,110

what it was and so for me

834

00:39:45,840 --> 00:39:43,330

I knew it I could see it writing was on

835

00:39:48,300 --> 00:39:45,850

the wall there were any time SWAT was

836

00:39:50,440 --> 00:39:48,310

there that the perimeter was not secured

837

00:39:52,420 --> 00:39:50,450

even SWAT guys were saying this is not

838

00:39:54,940 --> 00:39:52,430

Dave they're carrying air 15s on their

839

00:40:00,099 --> 00:39:54,950

back you know and cars are driving by

840

00:40:02,079 --> 00:40:00,109

it's like really you know so we should

841

00:40:05,380 --> 00:40:02,089

find out tomorrow if he's even gonna be

842

00:40:08,140 --> 00:40:05,390

charged with possession of a firearm and

843

00:40:10,120 --> 00:40:08,150

I personally believe that I mean they

844

00:40:13,930 --> 00:40:10,130

went through a lot of effort to

845

00:40:15,520 --> 00:40:13,940

photograph him when he was arrested but

846

00:40:18,660 --> 00:40:15,530

he didn't have a gun in his hand and I

847

00:40:21,609 --> 00:40:18,670

was even talking to a law enforcement

848

00:40:24,730 --> 00:40:21,619

officer this morning about the arrest

849

00:40:27,849 --> 00:40:24,740

and I don't believe they have that

850

00:40:29,319 --> 00:40:27,859

weapon in his possession and they're

851

00:40:31,480 --> 00:40:29,329

gonna have a hard time proving that and

852

00:40:33,400 --> 00:40:31,490

if they already had his fingerprints on

853

00:40:35,530 --> 00:40:33,410

that weapon they should have been able

854

00:40:37,750 --> 00:40:35,540

to last hearing charged him with a

855

00:40:40,599 --> 00:40:37,760

parole violation not calling his parole

856

00:40:47,940 --> 00:40:40,609

officer and with possession of a gun and
