**HIDDEN
TRUTH**
WITH JIM BRESLO

1
00:00:04,470 --> 00:00:10,959

[Music]

2
00:00:14,870 --> 00:00:13,280

we've got a lot of followers of this

3
00:00:16,099 --> 00:00:14,880

show that are very familiar actually

4
00:00:17,480 --> 00:00:16,109

with that video so they were quite

5
00:00:19,849 --> 00:00:17,490

excited to hear that we're gonna be

6
00:00:22,640 --> 00:00:19,859

doing the first extended interview with

7
00:00:26,330 --> 00:00:22,650

you about that video there's lots of

8
00:00:29,000 --> 00:00:26,340

conspiracies related to that video yeah

9
00:00:30,710 --> 00:00:29,010

I I had seen it quite quite a bit ago

10
00:00:32,089 --> 00:00:30,720

and then of course watch it again this

11
00:00:35,060 --> 00:00:32,099

morning to prepare for this interview

12
00:00:37,340 --> 00:00:35,070

and it kind of struck me that it is a

13
00:00:39,580 --> 00:00:37,350

pretty incredible video it's almost like

14

00:00:45,920 --> 00:00:39,590

the beginning of a Quentin Tarantino

15

00:00:49,700 --> 00:00:45,930

movie because you you go through all of

16

00:00:52,700 --> 00:00:49,710

the phases of the shooting from from the

17

00:00:55,819 --> 00:00:52,710

absolute beginning being away from the

18

00:00:58,040 --> 00:00:55,829

scene and then just like you're in a

19

00:01:01,790 --> 00:00:58,050

movie you pull through the scene

20

00:01:05,990 --> 00:01:01,800

actually pick up people from the events

21

00:01:08,510 --> 00:01:06,000

and then exit the scene so it's if

22

00:01:10,609 --> 00:01:08,520

anybody hasn't seen it I know that you

23

00:01:12,859 --> 00:01:10,619

you've got a channel Corrie Langdon on

24

00:01:15,679 --> 00:01:12,869

YouTube and they can watch the video

25

00:01:19,609 --> 00:01:15,689

what we're gonna do is play it for

26

00:01:21,950 --> 00:01:19,619

people and allow you to kind of walk us

27

00:01:24,380 --> 00:01:21,960

through it as we're listening to it so I

28

00:01:25,969 --> 00:01:24,390

think yeah I think I'll be able to cover

29

00:01:29,319 --> 00:01:25,979

all the questions that we have and I

30

00:01:32,390 --> 00:01:29,329

know others have this by playing it so I

31

00:01:36,020 --> 00:01:32,400

just hit it on my computer but I'm gonna

32

00:01:37,490 --> 00:01:36,030

I'm gonna try and do some I'm gonna try

33

00:01:40,270 --> 00:01:37,500

and do something tricky here on my

34

00:01:43,249 --> 00:01:40,280

computer while we're doing that which is

35

00:01:46,880 --> 00:01:43,259

recorded why don't we start as I'm

36

00:01:50,539 --> 00:01:46,890

trying to get it queued up with quick

37

00:01:53,649 --> 00:01:50,549

background of that night you were at the

38

00:01:55,120 --> 00:01:53,659

were you at the lugs or when it started

39

00:01:58,359 --> 00:01:55,130

when the video starts you know I was at

40

00:02:00,130 --> 00:01:58,369

the it was Mandalay Bay okay you see a

41

00:02:01,719 --> 00:02:00,140

Luxor sign but I know they're right next

42

00:02:03,309 --> 00:02:01,729

to each other so that's probably the

43

00:02:06,639 --> 00:02:03,319

confusion but you were at Mandalay Bay

44

00:02:08,859 --> 00:02:06,649

and you know first question is what

45

00:02:11,610 --> 00:02:08,869

caused you to turn on the iPhone

46

00:02:16,380 --> 00:02:11,620

recording to begin with

47

00:02:18,600 --> 00:02:16,390

I I had heard the two or three cracks

48

00:02:20,640 --> 00:02:18,610

the firecrackers on I thought well

49

00:02:23,250 --> 00:02:20,650

that's really weird and I guess those

50

00:02:25,680 --> 00:02:23,260

were the his or who at whoever's you

51
00:02:28,559 --> 00:02:25,690
know whoever's whoever did the shooting

52
00:02:31,470 --> 00:02:28,569
I think it was panic but I can expand on

53
00:02:33,600 --> 00:02:31,480
that but I just thought oh well that's

54
00:02:35,940 --> 00:02:33,610
weird that's firecrackers you know I oh

55
00:02:37,500 --> 00:02:35,950
yeah there's the concert across the

56
00:02:40,020 --> 00:02:37,510
street that country concert okay so

57
00:02:42,000 --> 00:02:40,030
that's probably what it was and I had my

58
00:02:43,650 --> 00:02:42,010
window rolled down it was a nice warm

59
00:02:47,789 --> 00:02:43,660
night beautiful night

60
00:02:50,580 --> 00:02:47,799
perfect night and and then a few minutes

61
00:02:52,740 --> 00:02:50,590
late moments later I heard the first

62
00:02:55,339 --> 00:02:52,750
volley and I thought well that's really

63
00:02:57,449 --> 00:02:55,349

weird I guess it's still the

64

00:02:59,309 --> 00:02:57,459

firecrackers going up but I couldn't see

65

00:03:01,949 --> 00:02:59,319

any fire you know fire every work so

66

00:03:04,440 --> 00:03:01,959

anything and then a few moments later

67

00:03:05,640 --> 00:03:04,450

there's this volley and I thought well

68

00:03:07,740 --> 00:03:05,650

what the hell is that

69

00:03:11,880 --> 00:03:07,750

that doesn't that sounds weird I mean is

70

00:03:14,190 --> 00:03:11,890

it you know jackhammers because they do

71

00:03:16,830 --> 00:03:14,200

they do have the jackhammering at night

72

00:03:19,229 --> 00:03:16,840

and yes at that time they were doing

73

00:03:21,210 --> 00:03:19,239

memory and construction work in front of

74

00:03:24,479 --> 00:03:21,220

the Mandalay Bay and they do it at night

75

00:03:26,340 --> 00:03:24,489

after 10:00 p.m. then the third volley

76

00:03:29,039 --> 00:03:26,350

came and I thought well this is this is

77

00:03:31,770 --> 00:03:29,049

really weird and I and of course I you

78

00:03:35,270 --> 00:03:31,780

can hear my dispatch radio the dispatch

79

00:03:38,250 --> 00:03:35,280

radio is we're able to talk to other

80

00:03:40,170 --> 00:03:38,260

taxi drivers on our Channel I don't know

81

00:03:42,270 --> 00:03:40,180

if it's CB or whatever it is but you can

82

00:03:46,069 --> 00:03:42,280

talk to the other people and that was

83

00:03:51,420 --> 00:03:49,589

so you started the video then at what

84

00:03:56,069 --> 00:03:51,430

point after you had already heard what

85

00:04:00,659 --> 00:03:56,079

as far as the bullet I think I started

86

00:04:03,270 --> 00:04:00,669

after the fourth volley so I I you know

87

00:04:05,400 --> 00:04:03,280

I'm from watching the other videos all

88

00:04:07,170 --> 00:04:05,410

the other videos where they're

89

00:04:10,409 --> 00:04:07,180

conspiracy are just talking about my

90

00:04:13,110 --> 00:04:10,419

video as it turns out I started it after

91

00:04:15,809 --> 00:04:13,120

the fourth video ok that's his fourth

92

00:04:19,830 --> 00:04:15,819

volley got so so probably a few minutes

93

00:04:22,500 --> 00:04:19,840

in probably a few minutes in and he

94

00:04:24,320 --> 00:04:22,510

started because at that point you at

95

00:04:28,909 --> 00:04:24,330

that point you began to suspect

96

00:04:31,730 --> 00:04:28,919

that something was going on I didn't

97

00:04:33,619 --> 00:04:31,740

know what it was Jim but I knew

98

00:04:37,249 --> 00:04:33,629

something was going on couldn't figure

99

00:04:40,070 --> 00:04:37,259

it out and but I just I like to document

100

00:04:41,899 --> 00:04:40,080

things I mean I was just up on an anthem

101
00:04:43,670 --> 00:04:41,909
but where the snow was last night I

102
00:04:45,260 --> 00:04:43,680
happen to be up there anyway because I

103
00:04:46,640 --> 00:04:45,270
got an uber ride up there and I got to

104
00:04:49,460 --> 00:04:46,650
see all the pretty snow falling and I

105
00:04:51,439 --> 00:04:49,470
and I posted that on Facebook no it

106
00:04:55,040 --> 00:04:51,449
doesn't snow in Vegas very often so I

107
00:04:57,589 --> 00:04:55,050
like to document it yeah well you did a

108
00:05:00,230 --> 00:04:57,599
good job documenting this so let's I'm

109
00:05:01,999 --> 00:05:00,240
gonna hit play and then let's let's not

110
00:05:04,430 --> 00:05:02,009
talk over it I'll just pause it at

111
00:05:05,629 --> 00:05:04,440
various points when I when I think it

112
00:05:12,890 --> 00:05:05,639
makes sense when I'm gonna have some

113
00:05:14,390 --> 00:05:12,900

questions for you so here we go okay so

114

00:05:18,469 --> 00:05:14,400

I'm playing we're hearing we're hearing

115

00:05:20,390 --> 00:05:18,479

the bullets now which again even once

116

00:05:24,760 --> 00:05:20,400

you started the video you're saying you

117

00:05:30,709 --> 00:05:24,770

didn't know yet that it was rifle fire

118

00:05:38,800 --> 00:05:30,719

no you don't you you are at Mandalay Bay

119

00:05:43,999 --> 00:05:41,959

can't hear it yeah well there's not much

120

00:05:48,800 --> 00:05:44,009

happening right now but hopefully you'll

121

00:05:51,200 --> 00:05:48,810

be able to assume you're just sitting

122

00:05:56,870 --> 00:05:51,210

there right now it's the carpet car

123

00:06:02,510 --> 00:05:56,880

pulling in front of you and now we hear

124

00:06:03,680 --> 00:06:02,520

the bolts again you say it sounds like

125

00:06:06,769 --> 00:06:03,690

it's coming from farther away can hear

126
00:06:08,740 --> 00:06:06,779
that right yes you you're trying to

127
00:06:11,180 --> 00:06:08,750
figure out where they were coming from

128
00:06:14,610 --> 00:06:11,190
meanwhile the concert is basically caddy

129
00:06:20,760 --> 00:06:14,620
corner from where you are right

130
00:06:29,010 --> 00:06:20,770
yes now that's where they get super loud

131
00:06:30,720 --> 00:06:29,020
all of a sudden and that that's what's

132
00:06:34,200 --> 00:06:30,730
really confusing about the video when it

133
00:06:38,040 --> 00:06:34,210
comes to the audio on the shots at that

134
00:06:40,050 --> 00:06:38,050
one time it's super loud the rest of the

135
00:06:44,760 --> 00:06:40,060
time it sounds more faint what's your

136
00:06:49,230 --> 00:06:44,770
thinking about that well when I said it

137
00:06:52,020 --> 00:06:49,240
sounds like farther away I guess my I

138
00:06:55,680 --> 00:06:52,030

have to assume that my theory that

139

00:07:00,450 --> 00:06:55,690

that's when the shooter turned around

140

00:07:03,540 --> 00:07:00,460

and shot either Campos or the the

141

00:07:06,110 --> 00:07:03,550

engineerguy and there was actually one

142

00:07:09,680 --> 00:07:06,120

of the another video that that

143

00:07:13,680 --> 00:07:09,690

synchronized my video and chucks

144

00:07:16,520 --> 00:07:13,690

engineer guys together and they

145

00:07:22,080 --> 00:07:16,530

synchronize that that's when he was

146

00:07:27,000 --> 00:07:22,090

shooting it at Chuck but there are yeah

147

00:07:28,830 --> 00:07:27,010

that's really ones are really cool the

148

00:07:31,740 --> 00:07:28,840

sync videos whether they think that like

149

00:07:36,330 --> 00:07:31,750

my video and and the cop videos you know

150

00:07:39,060 --> 00:07:36,340

the body cam videos and other videos but

151
00:07:42,450 --> 00:07:39,070
but let me ask you why would it be so

152
00:07:45,730 --> 00:07:42,460
much louder when he's shooting at the

153
00:07:49,930 --> 00:07:45,740
door as opposed to out the window

154
00:07:52,629 --> 00:07:49,940
no it wasn't as loud he was turning and

155
00:07:56,920 --> 00:07:52,639
shooting at the door okay but he only

156
00:07:59,320 --> 00:07:56,930
shot at the door once my I played the

157
00:08:01,749 --> 00:07:59,330
video we're gonna right now and people

158
00:08:04,570 --> 00:08:01,759
will hear it but most of the shooting

159
00:08:08,070 --> 00:08:04,580
that you hear through your recording it

160
00:08:10,810 --> 00:08:08,080
sounds fairly distant there's one burst

161
00:08:12,620 --> 00:08:10,820
where it's really loud the one we just

162
00:08:14,720 --> 00:08:12,630
played

163
00:08:18,350 --> 00:08:14,730

right that's when I'm going underneath

164

00:08:20,180 --> 00:08:18,360

the poor teacher the little bouncing

165

00:08:22,190 --> 00:08:20,190

okay so you think that was simply

166

00:08:25,460 --> 00:08:22,200

because of your proximity to where the

167

00:08:30,650 --> 00:08:27,650

you know there's been so many theories

168

00:08:32,630 --> 00:08:30,660

about that Jim I don't know what to say

169

00:08:35,960 --> 00:08:32,640

there's people loved it let people have

170

00:08:37,969 --> 00:08:35,970

done you know vide a conspiracy but our

171

00:08:39,770 --> 00:08:37,979

videos we won't confident speaker

172

00:08:42,710 --> 00:08:39,780

security goes well people have done

173

00:08:45,080 --> 00:08:42,720

videos theorizing well that's where the

174

00:08:46,940 --> 00:08:45,090

second shooter was he was above the you

175

00:08:48,950 --> 00:08:46,950

know where she was and then you know

176

00:08:54,950 --> 00:08:48,960

there was three shooters one in the bush

177

00:08:58,520 --> 00:08:54,960

and over there I was there Jim and I to

178

00:08:59,000 --> 00:08:58,530

me there was one shooter at the Mandalay

179

00:09:01,340 --> 00:08:59,010

Bay

180

00:09:03,950 --> 00:09:01,350

whether it was Patek whether it was

181

00:09:06,410 --> 00:09:03,960

somebody you know hit him the conspiracy

182

00:09:09,140 --> 00:09:06,420

theorists say that was bound and gagged

183

00:09:13,790 --> 00:09:09,150

and and that they were shooting me and

184

00:09:18,470 --> 00:09:13,800

to me there was only one shooter well we

185

00:09:20,840 --> 00:09:18,480

certainly let me ask you this based on

186

00:09:22,670 --> 00:09:20,850

the Las Vegas police report and the FBI

187

00:09:25,040 --> 00:09:22,680

report they certainly have concluded

188

00:09:27,110 --> 00:09:25,050

that there was only one shooter and it

189

00:09:29,240 --> 00:09:27,120

certainly appears that were over a year

190

00:09:33,410 --> 00:09:29,250

out we don't have any concrete evidence

191

00:09:36,110 --> 00:09:33,420

of any other shooter but nope lost you

192

00:09:38,390 --> 00:09:36,120

for a second you came back turn your

193

00:09:42,480 --> 00:09:38,400

turn your camera though something yeah

194

00:09:49,920 --> 00:09:45,180

there you go whoa you lying down and now

195

00:09:54,530 --> 00:09:49,930

you're sitting back up again so my

196

00:09:57,240 --> 00:09:54,540

question is it in your mind at the time

197

00:10:00,230 --> 00:09:57,250

did it seem to you as if there was one

198

00:10:02,150 --> 00:10:00,240

shooter or more than one

199

00:10:05,900 --> 00:10:02,160

it seemed to me and I've said this

200

00:10:08,419 --> 00:10:05,910

before another interviews to me when I

201
00:10:12,710 --> 00:10:08,429
heard it coming from far away farther

202
00:10:15,139 --> 00:10:12,720
away a lot lighter sound in my head even

203
00:10:17,150 --> 00:10:15,149
though I didn't know if it was a shooter

204
00:10:22,460 --> 00:10:17,160
or what the hell was going on in my head

205
00:10:25,850 --> 00:10:22,470
I saw a little man scurrying around to

206
00:10:27,889 --> 00:10:25,860
different places in the hotel

207
00:10:32,109 --> 00:10:27,899
I never once thought that there was a

208
00:10:34,460 --> 00:10:32,119
shooter behind me right above my head

209
00:10:36,739 --> 00:10:34,470
next to me in front of me

210
00:10:39,949 --> 00:10:36,749
and you know what I don't know why but I

211
00:10:43,369 --> 00:10:39,959
I never I was never scared when I was

212
00:10:45,829 --> 00:10:43,379
there I was just it was too surreal it

213
00:10:47,479 --> 00:10:45,839

was just surreal I was too it was it was

214

00:10:50,150 --> 00:10:47,489

crazy I was you know people called me

215

00:10:52,759 --> 00:10:50,160

brain-dead and an idiot and all kinds of

216

00:10:54,559 --> 00:10:52,769

other things for not leaving but I just

217

00:10:56,600 --> 00:10:54,569

didn't know what was going on and I knew

218

00:10:59,780 --> 00:10:56,610

that I wanted to record it by this time

219

00:11:01,910 --> 00:10:59,790

I knew something was going on but if you

220

00:11:03,650 --> 00:11:01,920

had to if you had to bet on it at the

221

00:11:05,569 --> 00:11:03,660

time you would have bet that it was a

222

00:11:09,069 --> 00:11:05,579

single shooter going around inside

223

00:11:12,559 --> 00:11:09,079

Mandalay Bay yes mm-hmm

224

00:11:21,319 --> 00:11:12,569

okay let's go back to playing it and I

225

00:11:23,539 --> 00:11:21,329

know that yeah you really questioned a

226

00:11:24,889 --> 00:11:23,549

lot people's reaction to it but you're

227

00:11:27,289 --> 00:11:24,899

even acknowledging that your own

228

00:11:35,400 --> 00:11:27,299

reaction to it was not very normal or

229

00:11:39,310 --> 00:11:37,720

wait so you were expecting to see people

230

00:11:46,420 --> 00:11:39,320

running in part because you thought this

231

00:11:48,730 --> 00:11:46,430

was happening in the lobby I did see all

232

00:11:51,850 --> 00:11:48,740

kinds of people running out screaming

233

00:11:53,260 --> 00:11:51,860

and I was with him hopefully I would

234

00:11:55,600 --> 00:11:53,270

have stopped and picked up some people

235

00:11:57,040 --> 00:11:55,610

you know they banging on my car I would

236

00:12:00,910 --> 00:11:57,050

like to think that I would have done

237

00:12:03,250 --> 00:12:00,920

that yeah so now I see that you're

238

00:12:06,700 --> 00:12:03,260

pulling now here I point now toward the

239

00:12:09,460 --> 00:12:06,710

lobby behind a line of cab cab drive

240

00:12:15,930 --> 00:12:09,470

right there just pulling in as if it's

241

00:12:22,180 --> 00:12:19,780

because you can hear the my supervisor

242

00:12:24,640 --> 00:12:22,190

came on to the dispatch radio and said

243

00:12:25,840 --> 00:12:24,650

okay well I've got I talked to the cops

244

00:12:27,520 --> 00:12:25,850

at the airport and they said that

245

00:12:30,010 --> 00:12:27,530

there's a shooter at the Mandalay Bay

246

00:12:31,540 --> 00:12:30,020

there is multiple casualties and get out

247

00:12:34,810 --> 00:12:31,550

of there and don't be around and don't

248

00:12:38,920 --> 00:12:34,820

go near the Mandalay Bay and stuff Oh

249

00:12:40,570 --> 00:12:38,930

seeing nothing going on well something's

250

00:12:42,940 --> 00:12:40,580

just not right but I decided better get

251
00:12:44,770 --> 00:12:42,950
out of the line and then I don't know I

252
00:12:47,470 --> 00:12:44,780
I talked to some people they were just

253
00:12:51,910 --> 00:12:47,480
standing and that everybody's standing

254
00:12:53,530 --> 00:12:51,920
around yeah I'm so I'm so playing it is

255
00:12:55,930 --> 00:12:53,540
pretty shocking considering what you're

256
00:13:00,160 --> 00:12:55,940
hearing and at this point you're now

257
00:13:00,579 --> 00:13:00,170
assuming automatic rifle correct I'm not

258
00:13:08,829 --> 00:13:00,589
lying

259
00:13:10,900 --> 00:13:08,839
assuming that's an automatic rifle said

260
00:13:17,530 --> 00:13:10,910
you know what there's somebody shooting

261
00:13:20,110 --> 00:13:17,540
and we got multiple so you finally say

262
00:13:23,260 --> 00:13:20,120
now I'm leaving we are we're four

263
00:13:25,450 --> 00:13:23,270

minutes into the video and that's when

264

00:13:26,320 --> 00:13:25,460

you for the first time say basically I'm

265

00:13:29,590 --> 00:13:26,330

getting out of here

266

00:13:34,210 --> 00:13:29,600

now you pull up in front you see people

267

00:13:38,250 --> 00:13:34,220

standing you say people just standing

268

00:13:43,420 --> 00:13:41,830

which now in retrospect the explanation

269

00:13:58,570 --> 00:13:43,430

for that is that it wasn't happening in

270

00:14:00,730 --> 00:13:58,580

the lobby right now at this point did

271

00:14:06,730 --> 00:14:00,740

you realize that it was happening at the

272

00:14:08,440 --> 00:14:06,740

concert no I still no I didn't I thought

273

00:14:11,770 --> 00:14:08,450

it was happening in the Mandalay Bay

274

00:14:13,330 --> 00:14:11,780

mm-hmm so the you probably didn't

275

00:14:15,190 --> 00:14:13,340

realize it happened at the concert until

276
00:14:19,870 --> 00:14:15,200
you came upon all the people streaming

277
00:14:22,720 --> 00:14:19,880
out of the concert okay now we're pull

278
00:14:29,190 --> 00:14:22,730
you're pulling out and at some point you

279
00:14:37,000 --> 00:14:29,200
do you do look up at the hotel the ocean

280
00:14:39,190 --> 00:14:37,010
yes sirree started with my video and

281
00:14:41,320 --> 00:14:39,200
then there was one other video from that

282
00:14:44,680 --> 00:14:41,330
night that showed the strobe light and

283
00:14:46,750 --> 00:14:44,690
yes I thought that's where it was coming

284
00:14:49,270 --> 00:14:46,760
from that fourth floor 10th floor or

285
00:14:51,370 --> 00:14:49,280
whatever it was you know yeah this is at

286
00:14:53,380 --> 00:14:51,380
the five-minute mark at the five-minute

287
00:14:56,980 --> 00:14:53,390
mark of your video is where you see

288
00:15:00,610 --> 00:14:56,990

light flashing from about the fifth or

289

00:15:05,470 --> 00:15:00,620

sixth floor um and one might assume that

290

00:15:08,790 --> 00:15:05,480

that's gun flash but it's instead it's a

291

00:15:12,840 --> 00:15:08,800

reflection yeah

292

00:15:15,800 --> 00:15:12,850

so when you saw that but holy cow that's

293

00:15:21,590 --> 00:15:18,129

holy cow that's where he's shooting from

294

00:15:24,259 --> 00:15:21,600

in which case you must have really felt

295

00:15:28,710 --> 00:15:24,269

imperiled because you were right below

296

00:15:36,559 --> 00:15:33,019

I didn't feel imperiled at all

297

00:15:38,210 --> 00:15:36,569

I was documenting I don't know in

298

00:15:42,920 --> 00:15:38,220

retrospect you probably should have

299

00:15:45,590 --> 00:15:42,930

right I probably should and apparently I

300

00:15:49,389 --> 00:15:45,600

was in the line of fire at a few points

301
00:15:51,740 --> 00:15:49,399
according to some of the other videos oh

302
00:15:55,519 --> 00:15:51,750
well some of the other videos that are

303
00:15:59,619 --> 00:15:55,529
that are deciphering and pulling apart

304
00:16:04,220 --> 00:15:59,629
my video so now you're pulling out in

305
00:16:08,540 --> 00:16:04,230
red oh I said you know that that people

306
00:16:10,550 --> 00:16:08,550
thought that I was one of the look at

307
00:16:11,629 --> 00:16:10,560
this Katherine Lombardo commented on

308
00:16:13,730 --> 00:16:11,639
your post

309
00:16:16,400 --> 00:16:13,740
Katherine Lombardo yeah that is right

310
00:16:20,030 --> 00:16:16,410
yeah they should be in a mediation now

311
00:16:26,509 --> 00:16:20,040
soon yeah yeah I'm wondering if they're

312
00:16:28,429 --> 00:16:26,519
gonna mediate me have you heard of it is

313
00:16:31,720 --> 00:16:28,439

it possible that is you're a viewer that

314

00:16:34,749 --> 00:16:31,730

your video may be used in evidence

315

00:16:38,109 --> 00:16:34,759

um I know that it has been used by the

316

00:16:40,239 --> 00:16:38,119

Mandalay Bay as it turns out the New

317

00:16:41,979 --> 00:16:40,249

York Times when they they've done a

318

00:16:45,729 --> 00:16:41,989

couple of these video synchronized

319

00:16:48,099 --> 00:16:45,739

videos and they used my video and

320

00:16:50,439 --> 00:16:48,109

actually be a New York Times director

321

00:16:54,220 --> 00:16:50,449

guy he actually went I don't know if he

322

00:16:57,369 --> 00:16:54,230

won an Emmy for that one or no I people

323

00:17:02,109 --> 00:16:57,379

Peabody Award I'm sorry I don't know an

324

00:17:04,149 --> 00:17:02,119

award and he said thank you very much

325

00:17:06,639 --> 00:17:04,159

you really helped with the investigation

326

00:17:10,179 --> 00:17:06,649

now this was you know two months in

327

00:17:16,090 --> 00:17:10,189

before any of the police body cams that

328

00:17:17,379 --> 00:17:16,100

come out here's where your reporting is

329

00:17:23,639 --> 00:17:17,389

coming from and you think the 10th floor

330

00:17:29,889 --> 00:17:27,789

and then get onto drowse Street I

331

00:17:33,700 --> 00:17:29,899

decided to go and see what was going on

332

00:17:35,379 --> 00:17:33,710

at that at the country festival at this

333

00:17:36,250 --> 00:17:35,389

point you're thinking maybe it was going

334

00:17:39,700 --> 00:17:36,260

on at the festival

335

00:17:43,570 --> 00:17:39,710

I wasn't sure but that's when I see all

336

00:17:44,830 --> 00:17:43,580

the cops around and well we were you we

337

00:17:46,240 --> 00:17:44,840

thinking I'm gonna go to the festival to

338

00:17:55,450 --> 00:17:46,250

pick up a fare or I'm going to the

339

00:17:58,360 --> 00:17:55,460

festival to see I wanted to see if

340

00:18:03,600 --> 00:17:58,370

people knew maybe I could you know warn

341

00:18:07,330 --> 00:18:03,610

people or pick people get affair or

342

00:18:09,460 --> 00:18:07,340

whatever but I still in documentary I

343

00:18:11,830 --> 00:18:09,470

like to be where the action is I've been

344

00:18:13,899 --> 00:18:11,840

known Jim I don't do it anymore but I

345

00:18:16,090 --> 00:18:13,909

was known to follow cop cars you see

346

00:18:17,470 --> 00:18:16,100

what they always going on they all had

347

00:18:18,149 --> 00:18:17,480

their assignments on so that I could

348

00:18:20,139 --> 00:18:18,159

film it

349

00:18:27,250 --> 00:18:20,149

did you ever stumble upon some

350

00:18:30,820 --> 00:18:27,260

interesting video before actually I need

351
00:18:33,430 --> 00:18:30,830
you to post it to my my webs my youtube

352
00:18:36,909 --> 00:18:33,440
right out in front of my house about two

353
00:18:39,580 --> 00:18:36,919
months later after the after my after

354
00:18:41,919 --> 00:18:39,590
this awful thing happened there was a

355
00:18:45,629 --> 00:18:41,929
car on fire and it just burned to a

356
00:18:50,699 --> 00:18:45,639
crisp a barbecue and I I did that in i-5

357
00:18:53,549 --> 00:18:50,709
did other things posted when the the

358
00:18:55,349 --> 00:18:53,559
pods we have a big the big ferris wheel

359
00:18:57,839 --> 00:18:55,359
and when they were bringing in the the

360
00:19:00,089 --> 00:18:57,849
huge pods that fit 40 people they were

361
00:19:03,180 --> 00:19:00,099
coming in on a parade at 2 o'clock the

362
00:19:04,709 --> 00:19:03,190
morning I film that I need to post all

363
00:19:07,289 --> 00:19:04,719

these things yeah well you got a YouTube

364

00:19:12,359 --> 00:19:07,299

channel no ok so now I've got you

365

00:19:17,430 --> 00:19:12,369

pulling in and you just got to pop up on

366

00:19:19,169 --> 00:19:17,440

your taxicab monitor telling you about

367

00:19:21,239 --> 00:19:19,179

and now the people are about to come out

368

00:19:23,089 --> 00:19:21,249

so tell me I'm gonna pause it here just

369

00:19:24,930 --> 00:19:23,099

before these people get in your cab and

370

00:19:25,919 --> 00:19:24,940

tell me what was going through your mind

371

00:19:29,960 --> 00:19:25,929

now that you see all the people

372

00:19:34,999 --> 00:19:32,899

well I was still in denial I thought I

373

00:19:36,799 --> 00:19:35,009

couldn't put to it the two together I

374

00:19:37,490 --> 00:19:36,809

couldn't I couldn't think we'll wait a

375

00:19:40,159 --> 00:19:37,500

minute now

376
00:19:41,899 --> 00:19:40,169
so that was somebody shooting out into

377
00:19:43,850 --> 00:19:41,909
the crowd because I thought it was at

378
00:19:45,769 --> 00:19:43,860
the Mandalay Bay and they were telling

379
00:19:47,509 --> 00:19:45,779
me on my dispatch radio that it was at

380
00:19:49,759 --> 00:19:47,519
the cops instead it was at the Mandalay

381
00:19:52,460 --> 00:19:49,769
Bay so I had all kinds of crazy stuff

382
00:19:55,159 --> 00:19:52,470
going through my head I thought maybe

383
00:19:57,049 --> 00:19:55,169
the bleachers had collapsed and there

384
00:19:59,090 --> 00:19:57,059
was people running you know and it

385
00:20:01,669 --> 00:19:59,100
didn't I didn't still didn't put two and

386
00:20:03,379 --> 00:20:01,679
two together until those people got in

387
00:20:05,509 --> 00:20:03,389
my car and said active shooter active

388
00:20:10,070 --> 00:20:05,519

shooter and I thought oh this is really

389

00:20:13,070 --> 00:20:10,080

happening and that's when I got upset

390

00:20:14,840 --> 00:20:13,080

blue scared and started shaking the

391

00:20:16,759 --> 00:20:14,850

video you can see me shake in the video

392

00:20:20,539 --> 00:20:16,769

pretty soon yeah that's okay look

393

00:20:22,220 --> 00:20:20,549

something really really yeah let's play

394

00:20:24,769 --> 00:20:22,230

about the next minute and listen to it

395

00:20:29,360 --> 00:20:24,779

because it's pretty pretty wild I mean

396

00:20:36,270 --> 00:20:29,370

these people are really fun they're

397

00:20:42,120 --> 00:20:37,769

[Music]

398

00:21:00,040 --> 00:20:47,750

you

399

00:21:02,340 --> 00:21:00,050

probably just about to come out here's a

400

00:21:12,000 --> 00:21:02,350

huge stream of people coming in oh yeah

401
00:21:19,140 --> 00:21:16,289
I guess it was at the festival then but

402
00:21:25,320 --> 00:21:19,150
it sounded like it was anomaly so now

403
00:21:30,580 --> 00:21:28,090
so then I thought the active shooter was

404
00:21:32,110 --> 00:21:30,590
at the an e-coat you know there could

405
00:21:34,570 --> 00:21:32,120
have been somebody there saying there

406
00:21:35,110 --> 00:21:34,580
isn't but I thought oh I guess the sugar

407
00:21:39,040 --> 00:21:35,120
set

408
00:22:06,520 --> 00:21:39,050
here come the people yeah all right

409
00:22:08,050 --> 00:22:06,530
let's do this okay let's freeze it there

410
00:22:11,200 --> 00:22:08,060
let's talk about who hopped in your cab

411
00:22:13,840 --> 00:22:11,210
first of all are my correct that someone

412
00:22:15,730 --> 00:22:13,850
says something about a broken leg

413
00:22:18,520 --> 00:22:15,740

she didn't have a broken leg she wanted

414

00:22:21,520 --> 00:22:18,530

a cab ride do you want to get my card

415

00:22:25,220 --> 00:22:21,530

is that what it was she the one who said

416

00:22:30,650 --> 00:22:28,670

or was it the guy well the man the man

417

00:22:34,790 --> 00:22:30,660

that was with her said that she had a

418

00:22:37,010 --> 00:22:34,800

broken leg well I said okay get in okay

419

00:22:41,240 --> 00:22:37,020

and that's the last you heard about the

420

00:22:45,530 --> 00:22:41,250

broken leg that's the last I heard about

421

00:22:49,760 --> 00:22:45,540

the broken about the broken leg and they

422

00:22:51,880 --> 00:22:49,770

said no can you take my so tell so your

423

00:22:54,350 --> 00:22:51,890

theory would be there in survival mode

424

00:22:56,360 --> 00:22:54,360

they're trying to get into any car they

425

00:23:04,040 --> 00:22:56,370

can get into and they think to say she

426
00:23:08,260 --> 00:23:04,050
has a broken leg you know yeah yeah

427
00:23:12,800 --> 00:23:10,280
that's why I say that they're in

428
00:23:14,900 --> 00:23:12,810
survival mode it's hard to fault anybody

429
00:23:17,390 --> 00:23:14,910
for just about anything that took place

430
00:23:22,760 --> 00:23:17,400
that night considering the circumstances

431
00:23:25,880 --> 00:23:22,770
but yeah and and as it turns out it

432
00:23:28,040 --> 00:23:25,890
wasn't necessarily I mean people who had

433
00:23:29,660 --> 00:23:28,050
been shot were the ones that you would

434
00:23:35,180 --> 00:23:29,670
want to have seen taken care of first

435
00:23:38,510 --> 00:23:35,190
obviously of course yeah but you know in

436
00:23:40,940 --> 00:23:38,520
their minds there was in their mind they

437
00:23:43,730 --> 00:23:40,950
probably thought there was one or more

438
00:23:46,610 --> 00:23:43,740

active shooters on the ground at the

439

00:23:48,730 --> 00:23:46,620

time they hopped in your cab absolutely

440

00:23:53,870 --> 00:23:48,740

and that's when I thought so too I

441

00:23:56,740 --> 00:23:53,880

forgot about what well I guess it's

442

00:23:59,690 --> 00:23:56,750

going here and in the meantime I'm still

443

00:24:01,340 --> 00:23:59,700

trying to process this I'm still in

444

00:24:04,040 --> 00:24:01,350

denial that something terrible is

445

00:24:06,170 --> 00:24:04,050

happening I'm still wondering what the

446

00:24:08,840 --> 00:24:06,180

hell is going on it was just absolutely

447

00:24:11,180 --> 00:24:08,850

surreal - it was the craziest moment of

448

00:24:14,390 --> 00:24:11,190

my life okay so this is this was a guy

449

00:24:17,840 --> 00:24:14,400

and his wife or girlfriend we all know

450

00:24:20,780 --> 00:24:19,790

well I'm gonna get to the others I'm

451

00:24:23,390 --> 00:24:20,790

gonna start with I want to start with

452

00:24:25,190 --> 00:24:23,400

these two so did you ever learn anything

453

00:24:33,380 --> 00:24:25,200

more from them for instance were they

454

00:24:35,840 --> 00:24:33,390

from or anything okay so they're they

455

00:24:37,100 --> 00:24:35,850

get in first and then as you start to

456

00:24:39,830 --> 00:24:37,110

pull away

457

00:24:41,180 --> 00:24:39,840

more jump in three other people jumped

458

00:24:42,500 --> 00:24:41,190

in I didn't even see him getting in I

459

00:24:44,450 --> 00:24:42,510

just turned around finally turned around

460

00:24:46,130 --> 00:24:44,460

and saw that there were a bunch of

461

00:24:48,170 --> 00:24:46,140

people in my car and then there was a

462

00:24:50,990 --> 00:24:48,180

bunch of people you know banging on them

463

00:24:52,700 --> 00:24:51,000

under the on my taxi and banging on the

464

00:24:55,490 --> 00:24:52,710

hood this one guys one like this

465

00:24:57,860 --> 00:24:55,500

I felt so bad but it was after the

466

00:25:01,610 --> 00:24:57,870

shooting had ended so I know that he did

467

00:25:04,640 --> 00:25:01,620

not get shot that he was okay people

468

00:25:10,640 --> 00:25:04,650

desperate to get in your cab that was

469

00:25:16,010 --> 00:25:10,650

the cab so the five people in my rate

470

00:25:18,920 --> 00:25:16,020

that four got in the back and one was I

471

00:25:22,490 --> 00:25:18,930

call her Miss thang to this day she's

472

00:25:24,890 --> 00:25:22,500

kind of leaning over and she's the one

473

00:25:26,630 --> 00:25:24,900

that's doing most of the talking okay

474

00:25:29,870 --> 00:25:26,640

yeah it was a weird angle that we see in

475

00:25:34,460 --> 00:25:29,880

the video so all five were in the back

476

00:26:00,920 --> 00:25:34,470

the whole time yeah Wow okay let's go

477

00:26:05,450 --> 00:26:00,930

back to playing the video listeners what

478

00:26:12,180 --> 00:26:10,800

I'm not sure I was I I could have that

479

00:26:15,990 --> 00:26:12,190

could have been when I saw somebody

480

00:26:18,390 --> 00:26:16,000

laying on the ground and they were

481

00:26:21,230 --> 00:26:18,400

attending to them and then somebody was

482

00:26:25,920 --> 00:26:21,240

standing over and beiges his arm and

483

00:26:29,370 --> 00:26:25,930

says you know help help I feel I just I

484

00:26:31,080 --> 00:26:29,380

didn't want anybody else to only because

485

00:26:33,930 --> 00:26:31,090

I thought that there would be Stampede

486

00:26:36,060 --> 00:26:33,940

people would get more hurt and I said

487

00:26:37,560 --> 00:26:36,070

I've got a full cab I can't take anybody

488

00:26:41,010 --> 00:26:37,570

else I probably could have taken one or

489

00:26:42,990 --> 00:26:41,020

two more people in the in the front seat

490

00:26:45,480 --> 00:26:43,000

but I did not so that was probably the

491

00:26:46,770 --> 00:26:45,490

oh [h__h] and then plus I'm like oh my god

492

00:26:50,330 --> 00:26:46,780

this is really happening

493

00:26:54,870 --> 00:26:50,340

did you start to come to me

494

00:26:58,710 --> 00:26:54,880

did you see blood anywhere

495

00:27:00,629 --> 00:26:58,720

I know is what gets conspiracy theorists

496

00:27:04,499 --> 00:27:00,639

makes them think that the whole thing

497

00:27:10,519 --> 00:27:04,509

was a hoax I did not see one drop of

498

00:27:14,990 --> 00:27:13,610

one of the one of the girls turns to the

499

00:27:17,269 --> 00:27:15,000

other girl in the back and says oh my

500

00:27:19,999 --> 00:27:17,279

god you're you're covered in blood your

501
00:27:22,549 --> 00:27:20,009
t-shirt is covered in blood and so I

502
00:27:25,100 --> 00:27:22,559
still had the camp going forward and I

503
00:27:27,680 --> 00:27:25,110
turned around and looked at a church

504
00:27:29,029 --> 00:27:27,690
she's looking at this little what I

505
00:27:31,549 --> 00:27:29,039
thought it looked like a little

506
00:27:33,289 --> 00:27:31,559
chocolate ice cream stain but they were

507
00:27:35,539 --> 00:27:33,299
saying oh my god you're covered in blood

508
00:27:41,530 --> 00:27:35,549
maybe I didn't do it right it was kind

509
00:27:41,540 --> 00:27:46,940
up but lost your audio

510
00:27:55,590 --> 00:27:53,070
Cory come back she's gone that's gonna

511
00:27:58,790 --> 00:27:55,600
reconnect yeah we lost you for a second

512
00:27:59,940 --> 00:27:58,800
there and now it turned your video good

513
00:28:04,080 --> 00:27:59,950

okay

514

00:28:08,360 --> 00:28:04,090

yeah so perhaps one of the girls in the

515

00:28:11,250 --> 00:28:08,370

back had a blunts a blood stain on her I

516

00:28:12,270 --> 00:28:11,260

guess so yeah they said that she was

517

00:28:13,920 --> 00:28:12,280

covered in blood

518

00:28:17,340 --> 00:28:13,930

you know again these people were freaked

519

00:28:18,960 --> 00:28:17,350

out out of minds yeah so well and I'm

520

00:28:20,640 --> 00:28:18,970

another reason why you you pulled the

521

00:28:25,050 --> 00:28:20,650

heck out of there is that they were

522

00:28:30,030 --> 00:28:27,330

yeah and I do want to talk about

523

00:28:32,130 --> 00:28:30,040

something that Miss thing said I don't

524

00:28:33,480 --> 00:28:32,140

know if you want to keep talking want me

525

00:28:38,070 --> 00:28:33,490

to talk about now you want to keep going

526

00:28:42,420 --> 00:28:38,080

go go ahead this is your name for her is

527

00:28:45,630 --> 00:28:42,430

what miss thing how'd you come up with

528

00:28:51,860 --> 00:28:49,650

because she was the most boisterous and

529

00:28:55,049 --> 00:28:51,870

I'll tell you okay I'll take hey why

530

00:28:57,780 --> 00:28:55,059

after the video I pushed my video on

531

00:29:01,289 --> 00:28:57,790

Facebook for my friends to see and I

532

00:29:03,650 --> 00:29:01,299

guess you know it ended up going viral I

533

00:29:06,990 --> 00:29:03,660

guess my friends thought it was

534

00:29:10,919 --> 00:29:07,000

pertinent enough to keep shivering and

535

00:29:14,520 --> 00:29:10,929

and on Facebook the first few hours it

536

00:29:19,530 --> 00:29:14,530

got 22,000 shares and I think like 1 or

537

00:29:22,350 --> 00:29:19,540

2 million views and so on Monday

538

00:29:25,950 --> 00:29:22,360

mr. thing the the young woman she's

539

00:29:28,080 --> 00:29:25,960

about 30 she lives in California she

540

00:29:30,030 --> 00:29:28,090

contact me through Facebook Messenger

541

00:29:34,230 --> 00:29:30,040

and she says I want you to take your

542

00:29:35,789 --> 00:29:34,240

video down and I was like what why I

543

00:29:38,070 --> 00:29:35,799

said why why do you want me to take it

544

00:29:40,530 --> 00:29:38,080

down she says because I feel like you

545

00:29:44,520 --> 00:29:40,540

are capitalizing on the worst moment of

546

00:29:47,010 --> 00:29:44,530

my life and I texted her back and I said

547

00:29:48,539 --> 00:29:47,020

well I'm sorry that you think that you

548

00:29:51,270 --> 00:29:48,549

know it's already been shared 22

549

00:29:53,039 --> 00:29:51,280

thousand times and people have already

550

00:29:54,840 --> 00:29:53,049

seen your face I'm sure sorry that I

551
00:29:56,220 --> 00:29:54,850
showed your face that was my bad Jim I

552
00:29:58,070 --> 00:29:56,230
should not have turned the camera on her

553
00:30:04,380 --> 00:29:58,080
face when she was talking to her mother

554
00:30:06,840 --> 00:30:04,390
my bad I said what I can do is I can you

555
00:30:10,140 --> 00:30:06,850
know take it down to take the video off

556
00:30:11,340 --> 00:30:10,150
of Facebook and take out the name

557
00:30:13,350 --> 00:30:11,350
because they were saying their names

558
00:30:15,419 --> 00:30:13,360
some of them were saying their last

559
00:30:19,110 --> 00:30:15,429
names and where they're from and and

560
00:30:22,409 --> 00:30:19,120
what they did you know for what they

561
00:30:24,630 --> 00:30:22,419
were doing and and I said I can do that

562
00:30:26,940 --> 00:30:24,640
I can take it out but I'm not going to

563
00:30:29,159 --> 00:30:26,950

take down the video it's it's too late

564

00:30:33,419 --> 00:30:29,169

to take down the video but I will you

565

00:30:35,880 --> 00:30:33,429

know blur out your face and bleh bleep

566

00:30:37,860 --> 00:30:35,890

the names people saying their names and

567

00:30:39,390 --> 00:30:37,870

and who they're calling and things like

568

00:30:42,659 --> 00:30:39,400

that and she says okay well I'm sorry

569

00:30:45,360 --> 00:30:42,669

I'm just really upset and I'm having to

570

00:30:47,580 --> 00:30:45,370

relive this over and over again because

571

00:30:49,850 --> 00:30:47,590

people were posting on her Facebook page

572

00:30:53,430 --> 00:30:49,860

and calling her and saying oh my god

573

00:30:55,560 --> 00:30:53,440

Susie Q is this you is this you and so

574

00:30:59,460 --> 00:30:55,570

she has to keep living it over and over

575

00:31:00,030 --> 00:30:59,470

and over again so then after I took it

576

00:31:01,800 --> 00:31:00,040

down

577

00:31:03,510 --> 00:31:01,810

my friend I don't know how to do that

578

00:31:06,510 --> 00:31:03,520

kind of stuff and I just have the email

579

00:31:08,220 --> 00:31:06,520

I'm so the ice potent right now so my

580

00:31:11,610 --> 00:31:08,230

friend says oh well I can you know go

581

00:31:14,840 --> 00:31:11,620

ahead and and edit it and and breathe

582

00:31:18,030 --> 00:31:14,850

out the names and bleep out her and and

583

00:31:21,120 --> 00:31:18,040

but she couldn't put it back on to the

584

00:31:24,780 --> 00:31:21,130

same Facebook post I had to start a new

585

00:31:26,970 --> 00:31:24,790

post and that's when everybody was going

586

00:31:29,970 --> 00:31:26,980

oh my god the government made you know

587

00:31:31,320 --> 00:31:29,980

me made her take it down and and she

588

00:31:34,650 --> 00:31:31,330

must have been killed and all we are

589

00:31:37,680 --> 00:31:34,660

okay and I mean there was just hundreds

590

00:31:39,870 --> 00:31:37,690

and hundreds of comments you know which

591

00:31:43,380 --> 00:31:39,880

included oh my god did the government

592

00:31:45,960 --> 00:31:43,390

kill you oh my god see see the Democrats

593

00:31:46,320 --> 00:31:45,970

made her take a doubt oh my god she's

594

00:31:49,680 --> 00:31:46,330

dead

595

00:31:52,290 --> 00:31:49,690

oh my god it's not real oh it was just

596

00:31:53,790 --> 00:31:52,300

all these crazy crazy things and I

597

00:31:56,940 --> 00:31:53,800

finally put it back but you're here to

598

00:31:59,040 --> 00:31:56,950

say that you voluntarily you're here to

599

00:32:14,040 --> 00:31:59,050

say you voluntarily took it down to

600

00:32:17,310 --> 00:32:14,050

address this woman's concern to to was a

601
00:32:19,770 --> 00:32:17,320
big deal and I I shouldn't have turned

602
00:32:24,210 --> 00:32:19,780
again I didn't edit it I just I just

603
00:32:30,300 --> 00:32:24,220
slapped it you know the whole 18 minutes

604
00:32:32,760 --> 00:32:30,310
thing 18 minute video and maybe it was a

605
00:32:34,440 --> 00:32:32,770
mistake maybe it wasn't a mistake I've

606
00:32:36,150 --> 00:32:34,450
heard all kinds of things I've been

607
00:32:39,960 --> 00:32:36,160
called everything from a hero in an

608
00:32:44,460 --> 00:32:39,970
angel to a brain-dead like I said you

609
00:32:48,150 --> 00:32:44,470
know stupid hideous creature crisis

610
00:32:51,150 --> 00:32:48,160
actor they thought that I had made the

611
00:32:53,340 --> 00:32:51,160
video myself you know and that I was

612
00:32:55,800 --> 00:32:53,350
putting that it was fake and that I was

613
00:32:59,280 --> 00:32:55,810

pushing buttons you know making the

614

00:33:03,000 --> 00:32:59,290

sound go when I had actually posted it I

615

00:33:05,520 --> 00:33:03,010

posted it originally at 11:11 p.m. which

616

00:33:09,540 --> 00:33:05,530

was less than an hour after the shooting

617

00:33:13,529 --> 00:33:09,550

had stopped after the bullets had

618

00:33:15,509 --> 00:33:13,539

stopped and and in at first Jim

619

00:33:17,639 --> 00:33:15,519

really bothered me the people thought

620

00:33:19,349 --> 00:33:17,649

you know that he was my boyfriend they

621

00:33:21,779 --> 00:33:19,359

thought that I was the second shooter

622

00:33:23,580 --> 00:33:21,789

they thought that I had the second

623

00:33:26,549 --> 00:33:23,590

shooter in the back of my car

624

00:33:29,580 --> 00:33:26,559

and it bothered me and now it doesn't

625

00:33:34,619 --> 00:33:29,590

bother me anymore but the first week or

626

00:33:36,450 --> 00:33:34,629

two it was just it was just I couldn't

627

00:33:38,279 --> 00:33:36,460

believe it and I was becoming the poster

628

00:33:40,889 --> 00:33:38,289

child for this horrible event that it

629

00:33:45,690 --> 00:33:40,899

happened I had everything everybody's

630

00:33:49,830 --> 00:33:45,700

from BBC just an end to to Fox News and

631

00:33:52,499 --> 00:33:49,840

Fox and Friends to some some chick says

632

00:33:57,180 --> 00:33:52,509

hey you know I live in Coto Indiana in

633

00:33:59,070 --> 00:33:57,190

my my boyfriend has the podcast tinfoil

634

00:34:01,049 --> 00:33:59,080

hat or something like that I know you

635

00:34:03,719 --> 00:34:01,059

probably don't want to go on but could

636

00:34:04,289 --> 00:34:03,729

you I didn't I didn't even answer some

637

00:34:07,109 --> 00:34:04,299

of these things

638

00:34:09,270 --> 00:34:07,119

Europeans Australian reporters you know

639

00:34:11,639 --> 00:34:09,280

and I said why are you why are you

640

00:34:13,260 --> 00:34:11,649

talking to me you should be talking to

641

00:34:15,869 --> 00:34:13,270

the first responders you should be

642

00:34:17,700 --> 00:34:15,879

talking to the the cops the nurses the

643

00:34:19,680 --> 00:34:17,710

doctors in the end they said we don't

644

00:34:22,079 --> 00:34:19,690

know who they are yet but we know your

645

00:34:23,430 --> 00:34:22,089

name we know who you are and the people

646

00:34:28,919 --> 00:34:23,440

want to know right now

647

00:34:30,839 --> 00:34:28,929

and I only ended up doing a couple TV

648

00:34:33,059 --> 00:34:30,849

interviews because miss thang had said

649

00:34:37,649 --> 00:34:33,069

you're capitalizing on the worst moment

650

00:34:41,669 --> 00:34:37,659

of my life yeah in fact I think I think

651
00:34:49,500 --> 00:34:41,679
the neverland's video that we just

652
00:34:52,379 --> 00:34:49,510
missed it but he the guy asked you are

653
00:34:56,490 --> 00:34:52,389
you videotaping this and you said yeah I

654
00:35:00,809 --> 00:34:56,500
am he said will you stop videotaping

655
00:35:03,930 --> 00:35:00,819
this any-any he slapped my arm and tried

656
00:35:06,750 --> 00:35:03,940
to get me to drop the video or the cell

657
00:35:09,870 --> 00:35:06,760
phone so if he had ever come after me

658
00:35:13,360 --> 00:35:09,880
for oh she said you know miss thing said

659
00:35:16,930 --> 00:35:13,370
she was gonna sue me for

660
00:35:18,930 --> 00:35:16,940
Oh a character I forgot to write it down

661
00:35:21,580 --> 00:35:18,940
I'm sorry

662
00:35:24,790 --> 00:35:21,590
intellectual property she had tried to

663
00:35:28,870 --> 00:35:24,800

do that I gotta be honest I I may have

664

00:35:30,790 --> 00:35:28,880

tried to say well you assaulted me in

665

00:35:33,880 --> 00:35:30,800

the taxi cab and that's a felony and it

666

00:35:36,460 --> 00:35:33,890

says right on a side in the taxi if you

667

00:35:38,620 --> 00:35:36,470

attack a cab driver that you can go to

668

00:35:40,630 --> 00:35:38,630

that it's a felony and I know that makes

669

00:35:41,980 --> 00:35:40,640

me sound [h__\h] but you know I had to

670

00:35:44,710 --> 00:35:41,990

cover my bases what do you what do you

671

00:35:49,420 --> 00:35:44,720

think was going through his mind why was

672

00:35:53,590 --> 00:35:49,430

he upset about the videotaping um I

673

00:35:56,890 --> 00:35:53,600

don't know I don't know I guess I can't

674

00:35:59,980 --> 00:35:56,900

speak for him he did end up sending me a

675

00:36:04,480 --> 00:35:59,990

Facebook message saying I looked at the

676
00:36:07,810 --> 00:36:04,490
video again man um and I have to say he

677
00:36:11,020 --> 00:36:07,820
never said I'm sorry I thought they

678
00:36:13,870 --> 00:36:11,030
treated me like [\h__\h] but people said

679
00:36:15,820 --> 00:36:13,880
that I treated them like [\h__\h] so you

680
00:36:18,280 --> 00:36:15,830
know I'm gonna side with me saying I got

681
00:36:21,370 --> 00:36:18,290
for you to like [\h__\h] I mean this was the

682
00:36:23,800 --> 00:36:21,380
most critical time at the moment this is

683
00:36:25,390 --> 00:36:23,810
the I'm sure it was the most scared

684
00:36:28,420 --> 00:36:25,400
they've ever been in their entire lives

685
00:36:34,330 --> 00:36:28,430
so I mean I got to give him a pass

686
00:36:41,800 --> 00:36:37,270
he didn't say thank you but he did say I

687
00:36:43,480 --> 00:36:41,810
understand now why you were confused you

688
00:36:45,880 --> 00:36:43,490

didn't know what was going on just as we

689

00:36:47,590 --> 00:36:45,890

didn't know what was going on and you

690

00:36:49,870 --> 00:36:47,600

know what I haven't written him back yet

691

00:36:54,130 --> 00:36:49,880

because he was a dick to me in them in

692

00:36:59,730 --> 00:36:54,140

the car so I appreciate him contacting

693

00:37:02,770 --> 00:36:59,740

me and that was so mr. thing hmm

694

00:37:06,840 --> 00:37:02,780

well my little analysis of it just

695

00:37:10,540 --> 00:37:06,850

watching it this morning is that perhaps

696

00:37:12,700 --> 00:37:10,550

they had the impression that we're going

697

00:37:16,000 --> 00:37:12,710

through there's a mass shooting going on

698

00:37:17,620 --> 00:37:16,010

we've we've seen people hit we've seen

699

00:37:21,480 --> 00:37:17,630

people go down we've seen people

700

00:37:24,790 --> 00:37:21,490

bleeding so forth in this woman yes is

701
00:37:29,350 --> 00:37:24,800
recording all this like what is she the

702
00:37:31,810 --> 00:37:29,360
gallery exactly exactly yes absolutely

703
00:37:34,330 --> 00:37:31,820
and and frankly you know it you know I

704
00:37:37,090 --> 00:37:34,340
think as you said both sides deserve a

705
00:37:39,190 --> 00:37:37,100
pass because that that's an

706
00:37:41,170 --> 00:37:39,200
understandable reaction for him to have

707
00:37:43,210 --> 00:37:41,180
having just come from being in the

708
00:37:44,710 --> 00:37:43,220
middle of it you were not in the middle

709
00:37:46,300 --> 00:37:44,720
of it you didn't know what was going on

710
00:37:47,440 --> 00:37:46,310
I've been recording for the past 10

711
00:37:49,900 --> 00:37:47,450
minutes trying to figure out what's

712
00:37:51,610 --> 00:37:49,910
going on right right and and you know

713
00:37:56,350 --> 00:37:51,620

they had said that they were jumping

714

00:37:58,810 --> 00:37:56,360

over dead bodies the woman you know his

715

00:38:01,480 --> 00:37:58,820

wife said I something that that the guy

716

00:38:05,830 --> 00:38:01,490

behind her had just been shot in the

717

00:38:08,680 --> 00:38:05,840

head and thank God they didn't I mean

718

00:38:10,660 --> 00:38:08,690

it's terrible that anybody got hurt and

719

00:38:13,600 --> 00:38:10,670

killed and thank God for them that they

720

00:38:18,010 --> 00:38:13,610

that they're physically okay emotionally

721

00:38:20,740 --> 00:38:18,020

I don't know mentally I don't know sure

722

00:38:25,930 --> 00:38:20,750

many people have PTSD I have a little

723

00:38:29,650 --> 00:38:25,940

bit too yeah I can see I see your point

724

00:38:32,140 --> 00:38:29,660

and I have thought about that yeah and

725

00:38:34,750 --> 00:38:32,150

you know like any situation like this

726

00:38:37,090 --> 00:38:34,760

where many many many people watch

727

00:38:40,000 --> 00:38:37,100

something and all have opinions if you

728

00:38:43,030 --> 00:38:40,010

read the comments where this video is

729

00:38:45,220 --> 00:38:43,040

posted you see as you point out a lot of

730

00:38:46,990 --> 00:38:45,230

negative comments about you a lot of

731

00:38:48,269 --> 00:38:47,000

positive comments about you a lot of

732

00:38:51,279 --> 00:38:48,279

negative comments about the

733

00:38:53,380 --> 00:38:51,289

positive they came out not looking

734

00:38:57,180 --> 00:38:53,390

burger I mean a lot of people saying you

735

00:39:00,609 --> 00:38:57,190

know typical self-absorbed Millennials

736

00:39:03,279 --> 00:39:00,619

but again the you know when I when I

737

00:39:05,140 --> 00:39:03,289

watched it listen to it I'm like uh you

738

00:39:14,910 --> 00:39:05,150

know they're kind of acting like people

739

00:39:20,529 --> 00:39:14,920

that are super freaked out and I just I

740

00:39:22,809 --> 00:39:20,539

got the video you had to you had people

741

00:39:24,609 --> 00:39:22,819

it was like men are from Mars Runner for

742

00:39:26,620 --> 00:39:24,619

Venus you you were like four on a

743

00:39:29,949 --> 00:39:26,630

different planet than they were on

744

00:39:36,390 --> 00:39:29,959

babies yeah they you guys were on two

745

00:39:41,440 --> 00:39:39,849

now is one of the controversies

746

00:39:46,150 --> 00:39:41,450

pertaining to you the fact that you

747

00:39:49,779 --> 00:39:46,160

asked for the fair at the end yeah yeah

748

00:39:53,319 --> 00:39:49,789

so what's in the original video with it

749

00:39:58,900 --> 00:39:53,329

the 18-minute one yeah I did I asked for

750

00:40:02,650 --> 00:39:58,910

the fair because it was \$11.40 and they

751

00:40:05,620 --> 00:40:02,660

were relative pissy that

752

00:40:08,650 --> 00:40:05,630

I wanted \$11.40 from them and in

753

00:40:11,350 --> 00:40:08,660

retrospect now I should not have asked

754

00:40:15,340 --> 00:40:11,360

them for \$11.40 and that's when I got

755

00:40:17,440 --> 00:40:15,350

called the cont by these people and you

756

00:40:21,880 --> 00:40:17,450

know this terrible horrible awful

757

00:40:26,290 --> 00:40:21,890

India's creature asking them for \$11.40

758

00:40:29,740 --> 00:40:26,300

and let's respect now let's go let's go

759

00:40:31,600 --> 00:40:29,750

over that and I'm not sure we need to

760

00:40:33,010 --> 00:40:31,610

play the rest of the video as display

761

00:40:34,660 --> 00:40:33,020

unless you want to because that you know

762

00:40:36,130 --> 00:40:34,670

the people can watch it the next about

763

00:40:39,250 --> 00:40:36,140

seven or eight minutes or them at the

764

00:40:42,280 --> 00:40:39,260

cab and trying to find where you guys

765

00:40:46,030 --> 00:40:42,290

are gonna go arm but but to get to the

766

00:40:47,470 --> 00:40:46,040

fair issue late in the game he's upset

767

00:40:55,840 --> 00:40:47,480

that you're dropping them out of

768

00:40:57,490 --> 00:40:55,850

Vaughn's so no no no no okay but but

769

00:40:59,590 --> 00:40:57,500

hold on a second as you're pulling into

770

00:41:01,320 --> 00:40:59,600

the bonds he starts saying whoa whoa I

771

00:41:04,810 --> 00:41:01,330

want I want to go to New York New York

772

00:41:12,730 --> 00:41:04,820

and he offers you he offers you a

773

00:41:15,130 --> 00:41:12,740

hundred dollars right yeah but I was on

774

00:41:17,230 --> 00:41:15,140

the dispatch that they had already

775

00:41:18,880 --> 00:41:17,240

closed down the strip and nobody could

776

00:41:22,330 --> 00:41:18,890

get onto the strip again except for the

777

00:41:23,430 --> 00:41:22,340

cops and the ambulances yeah it makes no

778

00:41:26,530 --> 00:41:23,440

sense to me

779

00:41:28,870 --> 00:41:26,540

considering the proximity of New York

780

00:41:32,530 --> 00:41:28,880

New York to where that shooting was ie

781

00:41:34,420 --> 00:41:32,540

very close yeah that's shocking to me

782

00:41:40,750 --> 00:41:34,430

that he would want to go back to that

783

00:41:42,670 --> 00:41:40,760

area if I was okay

784

00:41:44,560 --> 00:41:42,680

I mean I guess so so it wasn't clear to

785

00:41:46,040 --> 00:41:44,570

me that they were in fact staying at New

786

00:41:48,740 --> 00:41:46,050

York New York

787

00:41:49,160 --> 00:41:48,750

I think so either the Luxor New York New

788

00:41:52,850 --> 00:41:49,170

York

789

00:41:57,560 --> 00:41:52,860

yeah so anyway so so he but he offered

790

00:42:00,410 --> 00:41:57,570

you \$100 cash to New York New York and

791

00:42:12,970 --> 00:42:00,420

you said no because you know strippers

792

00:42:15,440 --> 00:42:12,980

clothes and yeah so here's my point

793

00:42:19,520 --> 00:42:15,450

here's my point if he thinks that it's

794

00:42:20,840 --> 00:42:19,530

appropriate to pay you \$100 cash to take

795

00:42:23,060 --> 00:42:20,850

him to New York Newark why is it

796

00:42:26,330 --> 00:42:23,070

inappropriate for them to pay your fare

797

00:42:28,490 --> 00:42:26,340

for where you just took them I don't

798

00:42:31,630 --> 00:42:28,500

know I don't know I

799

00:42:34,250 --> 00:42:31,640

he may have been the one that was not

800

00:42:36,320 --> 00:42:34,260

you know complaining I heard I think was

801
00:42:39,020 --> 00:42:36,330
the women that were complaining I don't

802
00:42:40,790 --> 00:42:39,030
think mr. and mrs. Fang we're

803
00:42:43,310 --> 00:42:40,800
complaining I think was the other people

804
00:42:45,109 --> 00:42:43,320
and it was that the two it was a couple

805
00:42:46,700 --> 00:42:45,119
the young couple that got in they said

806
00:42:49,130 --> 00:42:46,710
that she had a broken leg and then there

807
00:42:51,349 --> 00:42:49,140
was another woman I don't think I ever

808
00:42:54,050 --> 00:42:51,359
even got her on film she was sitting

809
00:42:55,940 --> 00:42:54,060
behind me and she had actually when she

810
00:43:00,140 --> 00:42:55,950
first got in she had put her arms around

811
00:43:02,210 --> 00:43:00,150
me and in in a previous experience in

812
00:43:05,380 --> 00:43:02,220
the cab somebody that was sitting behind

813
00:43:07,880 --> 00:43:05,390

me I put their arms around me and

814

00:43:10,160 --> 00:43:07,890

pretended they were drunk and pretended

815

00:43:11,810 --> 00:43:10,170

to choke me saying okay I don't want you

816

00:43:13,880 --> 00:43:11,820

to long-on me now I don't want you to

817

00:43:15,590 --> 00:43:13,890

you know and I so that that scared me

818

00:43:21,200 --> 00:43:15,600

that brought back you know PTSD that

819

00:43:22,500 --> 00:43:21,210

somebody had had jokingly tried to choke

820

00:43:27,180 --> 00:43:22,510

me

821

00:43:28,380 --> 00:43:27,190

so so when you asked for the fare that's

822

00:43:32,010 --> 00:43:28,390

when you're saying one of the women

823

00:43:33,330 --> 00:43:32,020

called you the c-word no no I never got

824

00:43:37,790 --> 00:43:33,340

called the c-word

825

00:43:41,850 --> 00:43:37,800

I got no no no they were just maddening

826

00:43:44,100 --> 00:43:41,860

no no somebody called me the c-word in

827

00:43:50,790 --> 00:43:44,110

the comments on my Facebook page I got

828

00:43:53,370 --> 00:43:50,800

you yeah so among other things so my let

829

00:43:56,910 --> 00:43:53,380

me let me tell you if I don't if they if

830

00:44:03,350 --> 00:43:56,920

if the customer does not pay the \$11.40

831

00:44:06,640 --> 00:44:03,360

guess who pays it me so did they pay it

832

00:44:10,280 --> 00:44:06,650

yes what happened is that at the Von's

833

00:44:13,340 --> 00:44:10,290

the to the broken leg couple they got

834

00:44:15,110 --> 00:44:13,350

out went over to Del Taco by the way

835

00:44:18,680 --> 00:44:15,120

when you when you when you saw them walk

836

00:44:20,810 --> 00:44:18,690

to Del Taco she wasn't limping I didn't

837

00:44:23,450 --> 00:44:20,820

even see her walking to it to Del Taco I

838

00:44:25,160 --> 00:44:23,460

had by then I put the phone down I

839

00:44:27,500 --> 00:44:25,170

didn't see her I don't even

840

00:44:29,600 --> 00:44:27,510

I think they walked to Del Taco uh-huh

841

00:44:32,900 --> 00:44:29,610

maybe they walked inside the Von's I

842

00:44:35,080 --> 00:44:32,910

know that salons that I shop and the

843

00:44:37,790 --> 00:44:35,090

people that work there said there's

844

00:44:39,980 --> 00:44:37,800

hundreds dozens if not hundreds of

845

00:44:43,430 --> 00:44:39,990

people that were sitting in that bronze

846

00:44:45,860 --> 00:44:43,440

last scared shitless because they run

847

00:44:50,530 --> 00:44:45,870

all the way and they didn't want to

848

00:44:52,910 --> 00:44:50,540

leave the bonds while so in that Vance

849

00:44:56,240 --> 00:44:52,920

in that Vaughn's were people that were

850

00:44:59,030 --> 00:44:56,250

at the concert later

851
00:45:01,420 --> 00:44:59,040
yeah they had run kept on running and it

852
00:45:05,900 --> 00:45:01,430
was at least a mile away

853
00:45:09,740 --> 00:45:05,910
yeah the other thing is that okay so

854
00:45:12,140 --> 00:45:09,750
they took the couple and the other girl

855
00:45:14,810 --> 00:45:12,150
I took them I ended up taking them to

856
00:45:21,560 --> 00:45:14,820
the man I'm sorry to the to Desert Inn

857
00:45:24,920 --> 00:45:21,570
and Desert Inn and at Swenson she was

858
00:45:27,110 --> 00:45:24,930
staying at an Airbnb and and the woman

859
00:45:29,330 --> 00:45:27,120
that I never even saw there was in the

860
00:45:33,230 --> 00:45:29,340
cab she told the you know miss thing and

861
00:45:35,450 --> 00:45:33,240
her husband you know why don't you come

862
00:45:38,360 --> 00:45:35,460
to my Airbnb because I didn't know where

863
00:45:40,340 --> 00:45:38,370

a nice hotel there's really nice hotels

864

00:45:42,800 --> 00:45:40,350

in that area tiny in the hood to be

865

00:45:46,730 --> 00:45:42,810

honest with you and summer by UNLV too

866

00:45:52,340 --> 00:45:46,740

so I ended up taking them there and the

867

00:46:01,160 --> 00:45:52,350

final fare was I think seven \$19.48

868

00:46:05,550 --> 00:46:01,170

and mr.thang gave me \$40 so so - so -

869

00:46:11,820 --> 00:46:05,560

were dropped off at Vons other three

870

00:46:15,120 --> 00:46:11,830

gotcha yeah yeah so I had started to go

871

00:46:17,040 --> 00:46:15,130

into shock and I hit I said I'm not

872

00:46:18,180 --> 00:46:17,050

gonna drive anymore I knew it you know

873

00:46:20,490 --> 00:46:18,190

people said what why didn't you go back

874

00:46:23,610 --> 00:46:20,500

and picked up more people well because a

875

00:46:25,290 --> 00:46:23,620

I couldn't even drive myself I was

876

00:46:30,300 --> 00:46:25,300

shaking so hard and I was starting to go

877

00:46:32,010 --> 00:46:30,310

into shock and B they they said that you

878

00:46:33,720 --> 00:46:32,020

couldn't they had closed off the strip

879

00:46:36,270 --> 00:46:33,730

and he could not get on to the strip

880

00:46:38,700 --> 00:46:36,280

they were not letting any cars taxis

881

00:46:42,660 --> 00:46:38,710

shuttles whatever except for ambulances

882

00:46:45,570 --> 00:46:42,670

and cop cars and fire trucks onto the

883

00:46:49,680 --> 00:46:45,580

strip at that point and Desert Inn you

884

00:46:52,350 --> 00:46:49,690

can go over the the system and now you

885

00:46:54,690 --> 00:46:52,360

go under and then over the freeway and

886

00:46:58,110 --> 00:46:54,700

the strip and it's a straight shot back

887

00:47:02,160 --> 00:46:58,120

to my 10x er D and that's why I said now

888

00:47:04,110 --> 00:47:02,170

I'm gonna go back and that's when I went

889

00:47:05,460 --> 00:47:04,120

back well to wrap up on the fair I don't

890

00:47:07,800 --> 00:47:05,470

think you should beat yourself up too

891

00:47:09,660 --> 00:47:07,810

much over asking for the fair I when I

892

00:47:12,900 --> 00:47:09,670

first heard the story I thought that you

893

00:47:15,720 --> 00:47:12,910

were had taken shooting victims to the

894

00:47:17,370 --> 00:47:15,730

hospital if you take shooting now and

895

00:47:18,720 --> 00:47:17,380

they're being rushed out of the car and

896

00:47:28,290 --> 00:47:18,730

you're asking for a fair that's one

897

00:47:32,490 --> 00:47:28,300

thing but these people right here if

898

00:47:35,040 --> 00:47:32,500

anything if anything you deserved double

899

00:47:37,350 --> 00:47:35,050

or triple fair considering that you

900

00:47:39,720 --> 00:47:37,360

picked them up in those circumstances so

901
00:47:40,890 --> 00:47:39,730
I I don't think in that circumstance as

902
00:47:43,320 --> 00:47:40,900
I think through it it's inappropriate

903
00:47:44,760 --> 00:47:43,330
you shouldn't even have to ask for the

904
00:47:46,620 --> 00:47:44,770
fair they should have immediately given

905
00:47:49,350 --> 00:47:46,630
you double or triple your fare because

906
00:47:50,600 --> 00:47:49,360
you know at that point it looked it

907
00:47:54,160 --> 00:47:50,610
looked like you saved their lives

908
00:47:59,440 --> 00:47:56,229
well I didn't save their life of course

909
00:48:00,789 --> 00:47:59,450
I mean you know if I in retrospect I

910
00:48:02,829 --> 00:48:00,799
wish I would have turned around and said

911
00:48:05,319 --> 00:48:02,839
so I just saved your asses you can't

912
00:48:08,529 --> 00:48:05,329
give me \$11 between the five of you but

913
00:48:11,140 --> 00:48:08,539

I didn't think like that yeah yeah well

914

00:48:12,670 --> 00:48:11,150

I'm just saying in that moment if I was

915

00:48:14,589 --> 00:48:12,680

them I would be thinking you just saved

916

00:48:18,849 --> 00:48:14,599

my life because you got me out of what

917

00:48:20,470 --> 00:48:18,859

was a horrific situation in retrospect

918

00:48:21,970 --> 00:48:20,480

we know you didn't technically save

919

00:48:24,490 --> 00:48:21,980

their life but you got them out of a

920

00:48:29,890 --> 00:48:24,500

horrific situation

921

00:48:33,240 --> 00:48:29,900

right so but otherwise it sounds like

922

00:48:42,370 --> 00:48:33,250

you hold no ill feelings toward them oh

923

00:48:45,849 --> 00:48:42,380

no of course not no I would and actually

924

00:48:47,800 --> 00:48:45,859

I got an email from somebody I could

925

00:48:51,120 --> 00:48:47,810

tell that English was their second

926
00:48:57,310 --> 00:48:51,130
language and it said thank you for

927
00:49:02,140 --> 00:48:57,320
taking me cousin and my cousin to safety

928
00:49:04,240 --> 00:49:02,150
and it was a Hispanic last name so I

929
00:49:09,570 --> 00:49:04,250
have to assume that was probably the

930
00:49:14,140 --> 00:49:09,580
woman broken leg lady because I think

931
00:49:16,660 --> 00:49:14,150
mm-hmm now am i right that cab drivers

932
00:49:18,550 --> 00:49:16,670
kind of got a bad rap in general for

933
00:49:20,890 --> 00:49:18,560
their reaction to the shooting that

934
00:49:23,859 --> 00:49:20,900
that's a lot of them were there and you

935
00:49:28,330 --> 00:49:23,869
know full up pulling a big people what's

936
00:49:31,990 --> 00:49:28,340
the story huh the story is is that we

937
00:49:33,730 --> 00:49:32,000
were hailed as heroes and the uber and

938
00:49:36,940 --> 00:49:33,740

lyft drivers were hailed as heroes too

939

00:49:38,500 --> 00:49:36,950

and I think that's good I never have

940

00:49:40,599 --> 00:49:38,510

thought of myself as a hero but I mean

941

00:49:42,640 --> 00:49:40,609

no they weren't mad it just we couldn't

942

00:49:45,609 --> 00:49:42,650

get to the strengths we couldn't get

943

00:49:48,490 --> 00:49:45,619

back on one of the guys that I work with

944

00:49:51,930 --> 00:49:48,500

that I'd had worked with he worked until

945

00:49:57,660 --> 00:49:51,940

7:00 a.m. picking people up that were

946

00:50:02,109 --> 00:50:00,190

these people were just like oh my god I

947

00:50:04,990 --> 00:50:02,119

don't know what to do and I don't know

948

00:50:08,770 --> 00:50:05,000

where he took them but I mean he had

949

00:50:11,160 --> 00:50:08,780

like 30 fares that night and but what

950

00:50:13,720 --> 00:50:11,170

was let me ask you what was dispatch

951
00:50:15,849 --> 00:50:13,730
telling you guys to do because we heard

952
00:50:17,630 --> 00:50:15,859
initially dispatch saying stay away from

953
00:50:23,180 --> 00:50:17,640
that area

954
00:50:24,950 --> 00:50:23,190
right um well they said that we you know

955
00:50:27,109 --> 00:50:24,960
don't go to the strip because you won't

956
00:50:29,809 --> 00:50:27,119
be able to get on you don't have to come

957
00:50:32,450 --> 00:50:29,819
back to this to this I didn't film is of

958
00:50:35,509 --> 00:50:32,460
course you don't have to come back to

959
00:50:37,309 --> 00:50:35,519
the D yard but you know stay safe be

960
00:50:39,109 --> 00:50:37,319
careful who you let your cab and you

961
00:50:41,029 --> 00:50:39,119
know the taxi companies that are always

962
00:50:42,999 --> 00:50:41,039
ready to make money so hey go out and

963
00:50:46,640 --> 00:50:43,009

get those fares

964

00:50:49,599 --> 00:50:46,650

so you believe they were encouraging the

965

00:50:52,729 --> 00:50:49,609

the drivers to go pick up route 91

966

00:50:56,720 --> 00:50:52,739

festival doors I don't know no I don't

967

00:50:59,239 --> 00:50:56,730

think so no they said stay away from the

968

00:51:01,910 --> 00:50:59,249

route 91 Festival you can't get on the

969

00:51:03,710 --> 00:51:01,920

strip anywhere from the Mandalay Bay all

970

00:51:06,170 --> 00:51:03,720

the way up to I believe Sahara or the

971

00:51:09,859 --> 00:51:06,180

SLS you can get on the strip if you were

972

00:51:11,539 --> 00:51:09,869

in tax if you were a taxi or you know

973

00:51:13,910 --> 00:51:11,549

shuttle over or whatever they wouldn't

974

00:51:16,900 --> 00:51:13,920

let you on the strip but there was many

975

00:51:20,539 --> 00:51:16,910

people who laundering around you know

976
00:51:23,989 --> 00:51:20,549
strip well you know what this tells me

977
00:51:26,989 --> 00:51:23,999
is is perhaps a lack of emergency

978
00:51:30,470 --> 00:51:26,999
planning because there's not enough

979
00:51:31,940 --> 00:51:30,480
ambulances to take these people these

980
00:51:33,920 --> 00:51:31,950
people were hopping in the back of

981
00:51:35,509 --> 00:51:33,930
pickup trucks you know you've heard

982
00:51:38,200 --> 00:51:35,519
we've all heard those stories of people

983
00:51:41,059 --> 00:51:38,210
piling in you know you've got all these

984
00:51:44,180 --> 00:51:41,069
licensed cab drivers and at this point

985
00:51:46,430 --> 00:51:44,190
licensed uber drivers all connected to a

986
00:51:49,009 --> 00:51:46,440
central network maybe there should be

987
00:51:51,680 --> 00:51:49,019
some system in place that that can use

988
00:51:54,049 --> 00:51:51,690

that network to to use cab drivers and

989

00:51:56,870 --> 00:51:54,059

uber drivers in emergency situations

990

00:52:00,680 --> 00:51:56,880

like this there should there should yeah

991

00:52:03,650 --> 00:52:00,690

that's a good idea all these things that

992

00:52:04,640 --> 00:52:03,660

that your theories and all these things

993

00:52:06,079 --> 00:52:04,650

you're saying Jim

994

00:52:11,180 --> 00:52:06,089

things that I've never heard before so

995

00:52:13,970 --> 00:52:11,190

you're a smart dude and I've talked to

996

00:52:15,829 --> 00:52:13,980

many many smart people yeah well thank

997

00:52:19,370 --> 00:52:15,839

you we've been covering this for for

998

00:52:21,739 --> 00:52:19,380

almost a year now right and you know

999

00:52:23,420 --> 00:52:21,749

hindsight's 2020 you know one thing I've

1000

00:52:29,120 --> 00:52:23,430

been saying again and again as I think

1001
00:52:31,370 --> 00:52:29,130
about MGM Mandalay Bay again it's easy

1002
00:52:33,259 --> 00:52:31,380
to say in retrospect you had

1003
00:52:36,259 --> 00:52:33,269
20,000 people across the street from

1004
00:52:38,749 --> 00:52:36,269
your hotel you were the co-promoter of

1005
00:52:42,170 --> 00:52:38,759
this event what additional security did

1006
00:52:45,470 --> 00:52:42,180
you have in place at your hotel to

1007
00:52:47,870 --> 00:52:45,480
prevent something like this it's easy to

1008
00:52:50,720 --> 00:52:47,880
look back and say Oh a guy sitting up

1009
00:52:58,370 --> 00:52:50,730
there up I lost you a little bit did it

1010
00:53:01,970 --> 00:52:58,380
yeah yeah I'm saying that with hindsight

1011
00:53:03,859 --> 00:53:01,980
it's easy to criticize MGM for

1012
00:53:06,109 --> 00:53:03,869
apparently not having additional

1013
00:53:07,640 --> 00:53:06,119

security at Mandalay Bay to protect

1014

00:53:10,999 --> 00:53:07,650

against something like this because in

1015

00:53:12,710 --> 00:53:11,009

hindsight it seems so obvious of a risk

1016

00:53:15,440 --> 00:53:12,720

considering where that hotel is and

1017

00:53:18,259 --> 00:53:15,450

where the 20,000 people are and where he

1018

00:53:20,029 --> 00:53:18,269

was perched that it's something that you

1019

00:53:22,880 --> 00:53:20,039

should have thought about and guarded

1020

00:53:24,950 --> 00:53:22,890

against they've got snipers on the strip

1021

00:53:29,599 --> 00:53:24,960

for New Year's Eve

1022

00:53:31,279 --> 00:53:29,609

they got strippers in Times Square so

1023

00:53:34,150 --> 00:53:31,289

this idea of having snipers and so forth

1024

00:53:42,019 --> 00:53:34,160

in place it's something like this that's

1025

00:53:45,259 --> 00:53:42,029

been done it wasn't snipers at every

1026

00:53:46,849 --> 00:53:45,269

outdoor concert now well MGM has to

1027

00:53:49,160 --> 00:53:46,859

answer to it now because it's our

1028

00:53:53,150 --> 00:53:49,170

understanding that this week they are in

1029

00:53:56,539 --> 00:53:53,160

a mediation with the victim over their

1030

00:53:59,089 --> 00:53:56,549

potential joint responsibility look I

1031

00:54:02,930 --> 00:53:59,099

hate holding anybody responsible other

1032

00:54:05,630 --> 00:54:02,940

than the the [h__\h] who did this but I

1033

00:54:08,359 --> 00:54:05,640

have some sympathy toward the idea that

1034

00:54:10,370 --> 00:54:08,369

I feel Mandalay Bay could have and

1035

00:54:12,740 --> 00:54:10,380

should have had more in place to keep a

1036

00:54:14,809 --> 00:54:12,750

guy from bringing 22 rifles into a room

1037

00:54:18,099 --> 00:54:14,819

especially when you know you've got

1038

00:54:27,920 --> 00:54:18,109

20,000 people across the street right

1039

00:54:32,569 --> 00:54:27,930

well I've heard yes okay that guy talks

1040

00:54:34,039 --> 00:54:32,579

yes he says that and maybe you already

1041

00:54:36,049 --> 00:54:34,049

know this real quick I don't mean to

1042

00:54:39,740 --> 00:54:36,059

bring up more conspiracy theories or

1043

00:54:43,549 --> 00:54:39,750

more rumors but I have to believe Doug

1044

00:54:45,050 --> 00:54:43,559

Papa says that the ex brother-in-law of

1045

00:54:47,840 --> 00:54:45,060

Hastings cam posts

1046

00:54:52,490 --> 00:54:47,850

he says that hey Suz Campos told told

1047

00:54:57,320 --> 00:54:52,500

this gentleman in in confidence that

1048

00:55:00,590 --> 00:54:57,330

they knew that paddock had the weapons

1049

00:55:03,080 --> 00:55:00,600

up there in his room and they did

1050

00:55:05,300 --> 00:55:03,090

nothing about it now I don't know I

1051
00:55:07,640 --> 00:55:05,310
don't know I know that this is the

1052
00:55:09,110 --> 00:55:07,650
hidden truth and I know you know we're

1053
00:55:12,230 --> 00:55:09,120
all trying to figure out what happened

1054
00:55:15,380 --> 00:55:12,240
I'm not a mainstream media girl okay I

1055
00:55:18,740 --> 00:55:15,390
was before this happened and now I look

1056
00:55:20,240 --> 00:55:18,750
at things on the other side and there is

1057
00:55:24,380 --> 00:55:20,250
a lot of stuff that kind of say what

1058
00:55:25,580 --> 00:55:24,390
what what I don't think was the gut like

1059
00:55:28,880 --> 00:55:25,590
I said everything was the government I

1060
00:55:34,070 --> 00:55:28,890
don't Democrat I don't think the Saudi

1061
00:55:36,980 --> 00:55:34,080
plans I don't know maybe it was a arms

1062
00:55:40,990 --> 00:55:39,680
yeah well a couple things I don't I

1063
00:55:43,370 --> 00:55:41,000

don't like the arms deal gone wrong

1064

00:55:45,349 --> 00:55:43,380

theory because why would you do an arms

1065

00:55:47,359 --> 00:55:45,359

deal in the Mandalay Bay it's like the

1066

00:55:50,210 --> 00:55:47,369

dumbest place that you could do an arm

1067

00:55:52,760 --> 00:55:50,220

field but regarding Mandalay Bay having

1068

00:55:54,730 --> 00:55:52,770

information about him having guns there

1069

00:55:58,900 --> 00:55:54,740

we interviewed as you may know Bruce

1070

00:56:02,180 --> 00:55:58,910

Patek his brother yes brother

1071

00:56:05,420 --> 00:56:02,190

his brother says this is not the first

1072

00:56:10,760 --> 00:56:05,430

time the paddock brought guns into his

1073

00:56:14,390 --> 00:56:10,770

room and he talks as if yeah and he

1074

00:56:15,710 --> 00:56:14,400

talks as if MGM wouldn't be surprised at

1075

00:56:16,670 --> 00:56:15,720

all that the people would be in there

1076

00:56:17,960 --> 00:56:16,680

cleaning his room and he was just

1077

00:56:21,380 --> 00:56:17,970

pointed out there well I'm cleaning my

1078

00:56:25,160 --> 00:56:21,390

guns you know he's a high roller he's a

1079

00:56:28,309 --> 00:56:25,170

regular guest he's a VIP he goes to the

1080

00:56:30,650 --> 00:56:28,319

shooting ranges in Las Vegas and Bruce

1081

00:56:32,540 --> 00:56:30,660

said that he was meticulous about about

1082

00:56:34,250 --> 00:56:32,550

cleaning his weapons so would not be

1083

00:56:36,290 --> 00:56:34,260

unusual for him at all to go to the

1084

00:56:38,930 --> 00:56:36,300

shooting range and then bring the guns

1085

00:56:42,620 --> 00:56:38,940

up to his room to clean them and if he

1086

00:56:44,030 --> 00:56:42,630

got caught he would simply say oh sorry

1087

00:56:45,890 --> 00:56:44,040

I'm just bringing these to my room to

1088

00:56:48,049 --> 00:56:45,900

clean and they were ok mr. Paddick and

1089

00:56:50,690 --> 00:56:48,059

no problem who knows they may be even

1090

00:56:52,400 --> 00:56:50,700

allowed it or worse case what it said

1091

00:56:54,230 --> 00:56:52,410

oh I'm no problem mr. Paddick but you

1092

00:56:55,670 --> 00:56:54,240

know gee we've got a policy here you're

1093

00:56:57,260 --> 00:56:55,680

really not supposed to bring your guns

1094

00:57:00,200 --> 00:56:57,270

into the room so if you wouldn't mind

1095

00:57:02,630 --> 00:57:00,210

you know please leave that's why he was

1096

00:57:04,250 --> 00:57:02,640

cool as a cucumber when he was bringing

1097

00:57:06,200 --> 00:57:04,260

the guns up this wasn't some big

1098

00:57:08,359 --> 00:57:06,210

nerve-wracking thing to him he probably

1099

00:57:10,730 --> 00:57:08,369

had done it before right and he knew

1100

00:57:11,990 --> 00:57:10,740

worst case he would simply say oh sorry

1101
00:57:18,319 --> 00:57:12,000
I was just gonna clean them because I've

1102
00:57:20,480 --> 00:57:18,329
been at the gun range right so I'll have

1103
00:57:24,410 --> 00:57:20,490
to look for that from from Papa though

1104
00:57:31,599 --> 00:57:24,420
as far as this relation to campus saying

1105
00:57:36,160 --> 00:57:31,609
that yeah it was examiner Intelligencer

1106
00:57:39,230 --> 00:57:36,170
articles give a column I guess no and

1107
00:57:42,530 --> 00:57:39,240
you know if a VIP high roller is

1108
00:57:45,859 --> 00:57:42,540
bringing guns to his room even that is

1109
00:57:50,279 --> 00:57:45,869
an inherent red flag that he's about to

1110
00:57:56,969 --> 00:57:50,289
do what he did that's just like you know

1111
00:57:59,789 --> 00:57:56,979
a a site with the eccentric VIP most

1112
00:58:01,519 --> 00:57:59,799
VIPs are eccentric yeah I'll be bringing

1113
00:58:05,279 --> 00:58:01,529

all kinds of crazy things into the rooms

1114

00:58:07,319 --> 00:58:05,289

yeah but you know there was also the

1115

00:58:09,390 --> 00:58:07,329

incident at Mandalay Bay apparently a

1116

00:58:11,939 --> 00:58:09,400

few years earlier where someone else was

1117

00:58:13,499 --> 00:58:11,949

caught with guns in the room and in that

1118

00:58:16,380 --> 00:58:13,509

person they did have reason to believe

1119

00:58:18,630 --> 00:58:16,390

intended to use the guns to shoot

1120

00:58:22,380 --> 00:58:18,640

outside the window so they were on

1121

00:58:25,759 --> 00:58:22,390

notice based on that situation yeah yeah

1122

00:58:28,829 --> 00:58:25,769

I think the MGM is negligent I do

1123

00:58:32,269 --> 00:58:28,839

Mandalay Bay and and and you know what

1124

00:58:35,069 --> 00:58:32,279

the Mandalay Bay has not taken any

1125

00:58:37,259 --> 00:58:35,079

responsibility whatsoever for I mean

1126
00:58:40,620 --> 00:58:37,269
I've had people get in my cab of my my

1127
00:58:44,339 --> 00:58:40,630
uber and they say well is there some

1128
00:58:45,359 --> 00:58:44,349
kind of memorial set up for them in no

1129
00:58:48,479 --> 00:58:45,369
no there's not

1130
00:58:50,309 --> 00:58:48,489
there's no memorial for them at the

1131
00:58:52,079 --> 00:58:50,319
Mandalay Bay and and people think that's

1132
00:58:55,499 --> 00:58:52,089
tourists and and commissioners think

1133
00:58:57,599 --> 00:58:55,509
that's kind of strange at the one-year

1134
00:59:01,049 --> 00:58:57,609
anniversary they were supposed to turn

1135
00:59:02,549 --> 00:59:01,059
the lights off at 10:05 it for 15

1136
00:59:04,259 --> 00:59:02,559
minutes you know on the strip like all

1137
00:59:06,779 --> 00:59:04,269
the marquees and everything and they

1138
00:59:09,599 --> 00:59:06,789

never did I'm sitting there live behind

1139

00:59:13,699 --> 00:59:09,609

video and they never turned it off and

1140

00:59:18,049 --> 00:59:13,709

that was a slap in the face to the 58

1141

00:59:20,009 --> 00:59:18,059

angels and the the victims and us and

1142

00:59:24,120 --> 00:59:20,019

they just they're not going to take

1143

00:59:26,779 --> 00:59:24,130

responsibility yep that's the law firm

1144

00:59:30,509 --> 00:59:26,789

seems to be running the show there and

1145

00:59:32,579 --> 00:59:30,519

now not the business people because the

1146

00:59:33,899 --> 00:59:32,589

law firm is probably preventing them

1147

00:59:36,479 --> 00:59:33,909

from doing anything that they would

1148

00:59:40,649 --> 00:59:36,489

potentially want to do I mean they've

1149

00:59:42,659 --> 00:59:40,659

also not at least overtly increased

1150

00:59:45,289 --> 00:59:42,669

security I've been there two or three

1151

00:59:47,909 --> 00:59:45,299

times and checked out the elevators and

1152

00:59:49,559 --> 00:59:47,919

you can get on there without a keycard

1153

00:59:51,989 --> 00:59:49,569

you can push a room floor without a

1154

00:59:57,829 --> 00:59:51,999

keycard there's one security guy

1155

01:00:05,529 --> 01:00:00,589

so it's so there's no increased security

1156

01:00:09,920 --> 01:00:05,539

there so that's pretty surprising right

1157

01:00:13,429 --> 01:00:09,930

right yeah it is it's it's a it's a very

1158

01:00:15,739 --> 01:00:13,439

sad situation and it was just a tragedy

1159

01:00:18,729 --> 01:00:15,749

and I guess I'm a part of it

1160

01:00:22,099 --> 01:00:18,739

and that's cool it was meant to happen

1161

01:00:25,670 --> 01:00:22,109

everyone wants to know who's reached out

1162

01:00:27,589 --> 01:00:25,680

to you about this video let's start with

1163

01:00:32,420 --> 01:00:27,599

the FBI any communication with the FBI

1164

01:00:34,759 --> 01:00:32,430

oh yeah my house they sure did they

1165

01:00:36,920 --> 01:00:34,769

knocked on my door at 11:00 a.m. I was

1166

01:00:40,429 --> 01:00:36,930

still sleeping I guess I was away

1167

01:00:42,469 --> 01:00:40,439

because I you know I work nights and it

1168

01:00:45,589 --> 01:00:42,479

was these two guys they were in khakis

1169

01:00:47,839 --> 01:00:45,599

one guy had long hair and the other guy

1170

01:00:50,299 --> 01:00:47,849

they looked like just and they had like

1171

01:00:52,370 --> 01:00:50,309

button-down shirts on and I go yeah can

1172

01:00:56,120 --> 01:00:52,380

I help you and they showed me this this

1173

01:00:59,029 --> 01:00:56,130

clipboard that said FBI on it and I said

1174

01:01:00,620 --> 01:00:59,039

well it's about time you came over to

1175

01:01:02,900 --> 01:01:00,630

talk to me because it was literally like

1176

01:01:05,719 --> 01:01:02,910

eight or nine days later so they come

1177

01:01:07,699 --> 01:01:05,729

over and I just open up the door at

1178

01:01:10,279 --> 01:01:07,709

11:00 a.m. and let these two strange

1179

01:01:12,709 --> 01:01:10,289

dudes into my into my house and they sat

1180

01:01:14,329 --> 01:01:12,719

down on the couch and I tell ya they

1181

01:01:17,329 --> 01:01:14,339

were very I mean they didn't seem like

1182

01:01:20,870 --> 01:01:17,339

you know the the Tommy Lee Jones type

1183

01:01:22,880 --> 01:01:20,880

FBI guys they were they were just normal

1184

01:01:26,660 --> 01:01:22,890

guys I guess they send over the really

1185

01:01:28,609 --> 01:01:26,670

cool hey guys to talk to people and they

1186

01:01:31,699 --> 01:01:28,619

started asking me questions and they

1187

01:01:33,799 --> 01:01:31,709

wanted to download the video and from my

1188

01:01:35,689 --> 01:01:33,809

video and I saw and downloaded in there

1189

01:01:39,140 --> 01:01:35,699

oh no so they couldn't they couldn't

1190

01:01:41,660 --> 01:01:39,150

download the video and they just kind of

1191

01:01:43,489 --> 01:01:41,670

seemed like I said it before I'll say it

1192

01:01:45,410 --> 01:01:43,499

again they seemed like bumbling idiots

1193

01:01:47,419 --> 01:01:45,420

I had a friends here well maybe there

1194

01:01:50,660 --> 01:01:47,429

weren't even FBI query because I never

1195

01:01:53,390 --> 01:01:50,670

did see any ID from them but I'll know

1196

01:01:54,559 --> 01:01:53,400

that they said okay well we're

1197

01:01:57,349 --> 01:01:54,569

interviewing you were interviewing

1198

01:01:58,939 --> 01:01:57,359

everybody we are leaving no stone

1199

01:02:01,669 --> 01:01:58,949

unturned

1200

01:02:06,439 --> 01:02:01,679

okay want you to know that but then when

1201

01:02:08,989 --> 01:02:06,449

they left they said well we just want to

1202

01:02:11,830 --> 01:02:08,999

let you know that there was only one

1203

01:02:13,840 --> 01:02:11,840

shooter and he's dead

1204

01:02:15,370 --> 01:02:13,850

and I thought I didn't say anything

1205

01:02:17,290 --> 01:02:15,380

because you don't really want to argue

1206

01:02:20,740 --> 01:02:17,300

with the FBI when they're in their house

1207

01:02:23,050 --> 01:02:20,750

in your house sitting on the couch and I

1208

01:02:24,310 --> 01:02:23,060

thought you just told me five minutes

1209

01:02:27,550 --> 01:02:24,320

ago that you're leaving no stone

1210

01:02:29,140 --> 01:02:27,560

unturned and still investigating but now

1211

01:02:31,600 --> 01:02:29,150

you're telling me there was just the one

1212

01:02:35,200 --> 01:02:31,610

guy on the 32nd floor that made the

1213

01:02:37,540 --> 01:02:35,210

shots and now he's dead so that was my

1214

01:02:38,980 --> 01:02:37,550

FBI experience yeah well that is kind of

1215

01:02:42,190 --> 01:02:38,990

consistent with things that you heard

1216

01:02:44,200 --> 01:02:42,200

from Lombardo and from FBI some kind of

1217

01:02:46,000 --> 01:02:44,210

confusing things where on the one hand

1218

01:02:47,620 --> 01:02:46,010

they're going to do this big thorough

1219

01:02:48,730 --> 01:02:47,630

investigation on the other hand we can

1220

01:02:50,630 --> 01:02:48,740

already tell you that it wasn't

1221

01:02:55,039 --> 01:02:50,640

terrorism

1222

01:02:57,170 --> 01:02:55,049

right I I don't know how to explain that

1223

01:03:06,410 --> 01:02:57,180

other than you know they oh they like to

1224

01:03:08,329 --> 01:03:06,420

keep everybody calm and said okay well

1225

01:03:10,370 --> 01:03:08,339

no you know what it's okay he's dead

1226

01:03:13,220 --> 01:03:10,380

come on back to Vegas inspecting honey

1227

01:03:16,339 --> 01:03:13,230

that was the absolute thing that was

1228

01:03:18,739 --> 01:03:16,349

said okay we got the head head cop and

1229

01:03:22,970 --> 01:03:18,749

he's saying he's dead come back to Vegas

1230

01:03:24,950 --> 01:03:22,980

come spend your money yeah yeah and they

1231

01:03:26,479 --> 01:03:24,960

didn't they didn't want arguably people

1232

01:03:28,309 --> 01:03:26,489

to think that it was terrorism because I

1233

01:03:31,900 --> 01:03:28,319

would that would also be upsetting which

1234

01:03:34,819 --> 01:03:31,910

for us to think that yep in fact

1235

01:03:36,349 --> 01:03:34,829

terrorism has hit the strip and this is

1236

01:03:38,530 --> 01:03:36,359

just going to be the first of numerous

1237

01:03:41,320 --> 01:03:38,540

attacks

1238

01:03:43,830 --> 01:03:41,330

if you could if you can pin it today

1239

01:03:50,400 --> 01:03:46,440

you can pin it no uh-uh if you can pin

1240

01:03:52,280 --> 01:03:50,410

on one loan crazy gunman that see that

1241

01:03:56,700 --> 01:03:52,290

would seem to be a little bit less

1242

01:04:00,240 --> 01:03:56,710

disconcerting to tourists right yeah it

1243

01:04:03,300 --> 01:04:00,250

would definitely yeah even though now

1244

01:04:15,590 --> 01:04:03,310

the reports out I mean I assume you did

1245

01:04:20,720 --> 01:04:19,280

right well they they come up with a

1246

01:04:24,140 --> 01:04:20,730

theory as far as that he was losing

1247

01:04:26,030 --> 01:04:24,150

money and that he was his his mental and

1248

01:04:28,730 --> 01:04:26,040

physical health was spiraling down he's

1249

01:04:30,890 --> 01:04:28,740

a narcissist psychopath and narcissistic

1250

01:04:33,320 --> 01:04:30,900

Psychopaths don't like to continue to

1251

01:04:35,000 --> 01:04:33,330

live if they can't live in a certain way

1252

01:04:38,510 --> 01:04:35,010

so he makes the decision to commit

1253

01:04:41,090 --> 01:04:38,520

suicide and but before doing so is going

1254

01:04:44,140 --> 01:04:41,100

to seek Infant infamy through this

1255

01:04:55,390 --> 01:04:52,540

yeah hi uh yep money yep but you know in

1256

01:04:57,460 --> 01:04:55,400

all of our reporting I tend to agree

1257

01:04:59,320 --> 01:04:57,470

with the report I'd love to see more of

1258

01:05:01,750 --> 01:04:59,330

the details and there's a 4-year request

1259

01:05:03,370 --> 01:05:01,760

out to get more than details from that

1260

01:05:05,080 --> 01:05:03,380

report you know what is it that

1261

01:05:06,340 --> 01:05:05,090

absolutely confirms that Isis had

1262

01:05:08,890 --> 01:05:06,350

nothing to do with this even though they

1263

01:05:12,040 --> 01:05:08,900

claimed responsibility twice I want to

1264

01:05:14,980 --> 01:05:12,050

see those the detail but as far as the

1265

01:05:16,390 --> 01:05:14,990

conclusions that the FBI drew you know I

1266

01:05:19,500 --> 01:05:16,400

think that's where the best evidence

1267

01:05:25,450 --> 01:05:22,299

okay anybody else anybody else besides

1268

01:05:28,690 --> 01:05:25,460

what about Las Vegas police

1269

01:05:30,339 --> 01:05:28,700

Oh what about him did they come and see

1270

01:05:34,029 --> 01:05:30,349

you

1271

01:05:36,849 --> 01:05:34,039

uh no no the cops never came to see me I

1272

01:05:38,679 --> 01:05:36,859

tell you what um Ramsey Dennison Ram

1273

01:05:41,229 --> 01:05:38,689

Denison you've had him on your show I

1274

01:05:44,140 --> 01:05:41,239

did an interview with Ram Dennison for

1275

01:05:47,249 --> 01:05:44,150

his his movie his new his new

1276

01:05:51,130 --> 01:05:47,259

documentary coming out and he basically

1277

01:05:54,699 --> 01:05:51,140

said he kept asking me questions about

1278

01:05:57,909 --> 01:05:54,709

how bad the cops were because he has a

1279

01:06:00,999 --> 01:05:57,919

you know he has motivation to talk about

1280

01:06:03,579 --> 01:06:01,009

it his his movie is about you know the

1281

01:06:06,759 --> 01:06:03,589

corruption in Las Vegas and I kind of

1282

01:06:11,199 --> 01:06:06,769

felt uncomfortable you know talking just

1283

01:06:13,359 --> 01:06:11,209

just tapping on the cops but on the

1284

01:06:16,719 --> 01:06:13,369

cutting room floor anyway I've done

1285

01:06:18,759 --> 01:06:16,729

interviews Jim and I did two hours with

1286

01:06:22,059 --> 01:06:18,769

20/20 Matt Gutman interviewed me they

1287

01:06:26,679 --> 01:06:22,069

never never on I did a two hours Inside

1288

01:06:28,299 --> 01:06:26,689

Edition you know they they they cut me I

1289

01:06:30,729 --> 01:06:28,309

was on the cutting room floor

1290

01:06:38,709 --> 01:06:30,739

so apparently you weren't made out for

1291

01:06:41,049 --> 01:06:38,719

Hollywood huh oh my God we're not put

1292

01:06:44,949 --> 01:06:41,059

that big Dyke on TV on our TV show you

1293

01:06:47,620 --> 01:06:44,959

know thank you for not being that way

1294

01:06:49,989 --> 01:06:47,630

yeah well Cory I actually as it turns

1295

01:06:51,519 --> 01:06:49,999

out we probably aren't going to be able

1296

01:06:57,519 --> 01:06:51,529

to get you on but it was was fun talking

1297

01:06:59,439 --> 01:06:57,529

to you that's a joke that's a joke

1298

01:07:01,029 --> 01:06:59,449

you're gonna be on this is gonna post

1299

01:07:02,559 --> 01:07:01,039

1301

1302

01:07:07,689 --> 01:07:05,929

1303

01:07:09,039 --> 01:07:07,699

haven't heard yet and they're gonna want

1304

01:07:16,120 --> 01:07:09,049

to go check out your video at Cory
