**AVAILABLE ON ALL PODCAST APPS**

1  
00:00:06,950 --> 00:00:05,900  
well let's talk about again let's get

2  
00:00:09,650 --> 00:00:06,960  
back to the relationship and how it

3  
00:00:11,060 --> 00:00:09,660  
changed because I'm curious if when you

4  
00:00:12,320 --> 00:00:11,070  
first connected with Eve you said you

5  
00:00:13,970 --> 00:00:12,330  
feel he changed around the time he

6  
00:00:15,259 --> 00:00:13,980  
became president she changed somewhere

7  
00:00:18,019 --> 00:00:15,269  
along the line I think when he was

8  
00:00:21,140 --> 00:00:18,029  
growing up he became a senator I got

9  
00:00:25,400 --> 00:00:21,150  
like separated from him I've gone back

10  
00:00:26,990 --> 00:00:25,410  
to Africa in 1995 for those reasons now

11  
00:00:29,150 --> 00:00:27,000  
I didn't want anything to do the Western

12  
00:00:31,790 --> 00:00:29,160  
Western civilization I want to go back

13  
00:00:35,240 --> 00:00:31,800

to African civilization I was there for

14

00:00:38,240 --> 00:00:35,250

two years and then I was broke so I to

15

00:00:40,970 --> 00:00:38,250

come back I had an alternative I had to

16

00:00:43,819 --> 00:00:40,980

come back so I call him and I said oh

17

00:00:45,950 --> 00:00:43,829

brother I'm out of cash I need a place

18

00:00:50,150 --> 00:00:45,960

to crash but even for a little bit until

19

00:00:51,410 --> 00:00:50,160

I get up on my feet and he says no I'm

20

00:00:55,250 --> 00:00:51,420

asking why I said something about

21

00:00:56,720 --> 00:00:55,260

Michelle you know okay that's all you

22

00:00:59,000 --> 00:00:56,730

were looking at crash in Chicago I

23

00:01:01,639 --> 00:00:59,010

needed a place to stay I don't know

24

00:01:04,070 --> 00:01:01,649

money I need to come back remember I had

25

00:01:06,530 --> 00:01:04,080

shipped all my stuff back to Africa and

26

00:01:08,450 --> 00:01:06,540

this all was never coming back so this

27

00:01:09,649 --> 00:01:08,460

was after your conversion to Islam and

28

00:01:11,690 --> 00:01:09,659

you would basically cleaned yourself up

29

00:01:15,920 --> 00:01:11,700

yes and now you were looking to come

30

00:01:19,160 --> 00:01:15,930

back to the US and and where was Sheila

31

00:01:20,840 --> 00:01:19,170

you said no no Michelle no no your

32

00:01:22,460 --> 00:01:20,850

second who you ended up marrying Sheree

33

00:01:24,380 --> 00:01:22,470

Sheree oh sorry

34

00:01:25,850 --> 00:01:24,390

you know I split up with her - you had

35

00:01:27,530 --> 00:01:25,860

split up with her - yeah but you were

36

00:01:30,319 --> 00:01:27,540

just looking to come back now to the US

37

00:01:31,730 --> 00:01:30,329

for hoping for an opportunity here now

38

00:01:33,319 --> 00:01:31,740

that you had cleaned up well now I was

39

00:01:34,990 --> 00:01:33,329

broke but you were broke

40

00:01:38,510 --> 00:01:35,000

yeah I was broke I'd run out of money

41

00:01:40,460 --> 00:01:38,520

I'd run out of money yeah all I could

42

00:01:42,880 --> 00:01:40,470

think of was I had no alternative and

43

00:01:45,740 --> 00:01:42,890

back home nothing was happening because

44

00:01:49,310 --> 00:01:45,750

you know the dynamics dead like you got

45

00:01:53,090 --> 00:01:49,320

to know somebody you know and and so I

46

00:01:57,410 --> 00:01:53,100

wasn't I don't know again I had hid on

47

00:02:03,289 --> 00:01:57,420

the wall I was up against I was well how

48

00:02:06,620 --> 00:02:03,299

do you say it hit bottom bottom okay so

49

00:02:08,660 --> 00:02:06,630

I needed it try to come back you know so

50

00:02:10,790 --> 00:02:08,670

what I did I had a few things I think I

51  
00:02:13,619 --> 00:02:10,800  
had some new diamonds or something I

52  
00:02:16,949 --> 00:02:13,629  
sold those and then I got a ticket

53  
00:02:18,539 --> 00:02:16,959  
so I came back and before I did that I

54  
00:02:20,879 --> 00:02:18,549  
called him and I said can I come

55  
00:02:22,949 --> 00:02:20,889  
maybe I could crash not that I really

56  
00:02:24,869 --> 00:02:22,959  
wanted to be with him I just said I

57  
00:02:26,550 --> 00:02:24,879  
didn't have a place to stay I said okay

58  
00:02:30,179 --> 00:02:26,560  
there's my brother at that time I was

59  
00:02:32,789 --> 00:02:30,189  
still those we were still brothers and

60  
00:02:34,800 --> 00:02:32,799  
was he in the Illinois State Senate at

61  
00:02:38,550 --> 00:02:34,810  
that time yeah I think he was here to

62  
00:02:42,569 --> 00:02:38,560  
stay in 1995 I think he was a senator

63  
00:02:44,879 --> 00:02:42,579

yes in Illinois they said no so I came

64

00:02:50,750 --> 00:02:44,889

back and I just came I landed back in

65

00:02:54,240 --> 00:02:50,760

the USA and mmm thank God I had a friend

66

00:02:56,189 --> 00:02:54,250

my old friend Joe I called him I was at

67

00:02:58,890 --> 00:02:56,199

the train station I said I'm in the USA

68

00:03:01,559 --> 00:02:58,900

I have nowhere to go

69

00:03:03,929 --> 00:03:01,569

he called me a boom boom whoa there's a

70

00:03:06,569 --> 00:03:03,939

time I was a boom oh there's a time I

71

00:03:08,909 --> 00:03:06,579

was Bobby then I was Roy yeah

72

00:03:12,149 --> 00:03:08,919

then I was a boom whoa that was my

73

00:03:20,939 --> 00:03:12,159

African name everybody was to call me a

74

00:03:24,210 --> 00:03:20,949

boom a bongo boom and then after that

75

00:03:26,280 --> 00:03:24,220

then I became Malik you know that she

76  
00:03:31,580 --> 00:03:26,290  
that's your Muslim names man was that's

77  
00:03:36,990 --> 00:03:31,590  
that's that is Malik that is Malcolm X

78  
00:03:38,099 --> 00:03:37,000  
Malik el-shabazz so I got that name so

79  
00:03:41,699 --> 00:03:38,109  
when you came back to the u.s. at that

80  
00:03:43,800 --> 00:03:41,709  
time now you were going by Malik now I'm

81  
00:03:46,890 --> 00:03:43,810  
still up over at that time okay no still

82  
00:03:50,249 --> 00:03:46,900  
a Boomer at the time and then he said

83  
00:03:53,879 --> 00:03:50,259  
okay hey look I have a house I bought a

84  
00:03:55,589 --> 00:03:53,889  
house and I have a room for you come

85  
00:04:00,330 --> 00:03:55,599  
well means you're welcome

86  
00:04:04,399 --> 00:04:00,340  
so I stayed with Joe for from 1997 when

87  
00:04:11,580 --> 00:04:04,409  
I came back up until 19 out up until

88  
00:04:17,909 --> 00:04:11,590

2000 the year 2005 when he died and your

89

00:04:21,689 --> 00:04:17,919

brother became Senator in 2004 2004 five

90

00:04:23,370 --> 00:04:21,699

I think maybe he won election and no

91

00:04:27,270 --> 00:04:23,380

floor problem yeah hi

92

00:04:29,010 --> 00:04:27,280

and the beginning of the 2005 and

93

00:04:31,590 --> 00:04:29,020

those few years that you were in DC you

94

00:04:34,530 --> 00:04:31,600

kept in touch with him when I came back

95

00:04:36,720 --> 00:04:34,540

yeah okay so what happened was that okay

96

00:04:40,590 --> 00:04:36,730

so he lands he finds out that I'm in the

97

00:04:44,700 --> 00:04:40,600

USA and he they calls me or he writes me

98

00:04:49,020 --> 00:04:44,710

a letter and he's upset because I'm in

99

00:04:52,040 --> 00:04:49,030

the USA and I haven't communicated with

100

00:04:55,530 --> 00:04:52,050

him I didn't let him know that I'm here

101  
00:04:57,470 --> 00:04:55,540  
so I get upset myself and I gotcha

102  
00:05:00,720 --> 00:04:57,480  
you know so I scold him on the phone

103  
00:05:02,340 --> 00:05:00,730  
when I tell him brother when I was

104  
00:05:02,580 --> 00:05:02,350  
coming and I asked you could I stay with

105  
00:05:09,650 --> 00:05:02,590  
you

106  
00:05:12,230 --> 00:05:09,660  
in the gutter right now in a shelter I

107  
00:05:18,890 --> 00:05:12,240  
could be out on the street

108  
00:05:22,770 --> 00:05:18,900  
why am I supposed to call you and you

109  
00:05:24,420 --> 00:05:22,780  
abandoned me he rejected me he should

110  
00:05:26,909 --> 00:05:24,430  
have at least checked on you what'd you

111  
00:05:31,260 --> 00:05:26,919  
say no he was my brother had no and then

112  
00:05:33,420 --> 00:05:31,270  
such and another thing your aunt is in

113  
00:05:38,480 --> 00:05:33,430

Boston hi Tony

114

00:05:43,170 --> 00:05:38,490

Attorney is my aunt she's the one who

115

00:05:47,450 --> 00:05:43,180

who hosted him in Kenya or any first

116

00:05:49,350 --> 00:05:47,460

came when he came in 1988 there's a VW

117

00:05:53,520 --> 00:05:49,360

Volkswagen I don't know if you guys have

118

00:05:55,770 --> 00:05:53,530

seen it that says she gave it to him he

119

00:05:57,870 --> 00:05:55,780

talks a lot about that we don't know he

120

00:05:59,520 --> 00:05:57,880

does because it broke it continually

121

00:06:04,140 --> 00:05:59,530

broke down apparently on this trip yes

122

00:06:06,000 --> 00:06:04,150

so so or you can push the microphone

123

00:06:09,330 --> 00:06:06,010

back I told you either way right yeah so

124

00:06:13,830 --> 00:06:09,340

I say so and your aunt's is struggling

125

00:06:17,250 --> 00:06:13,840

in Boston and you are and you kid you

126

00:06:19,170 --> 00:06:17,260

give her a hand you know why don't you

127

00:06:26,460 --> 00:06:19,180

give a hand so he tells me that she came

128

00:06:28,290 --> 00:06:26,470

to the US without a plan so I think he

129

00:06:29,159 --> 00:06:28,300

got upset because I chewed him I scolded

130

00:06:31,560 --> 00:06:29,169

him on the phone

131

00:06:32,790 --> 00:06:31,570

that's from that time you sorry you were

132

00:06:35,940 --> 00:06:32,800

just suggesting that he help her out a

133

00:06:40,439 --> 00:06:35,950

bit right yeah I think he was obligated

134

00:06:42,989 --> 00:06:40,449

to mm-hmm he said of she's his aunt his

135

00:06:44,969 --> 00:06:42,999

does father sister I don't know about

136

00:06:47,129 --> 00:06:44,979

all that because everybody when I say

137

00:06:49,589 --> 00:06:47,139

that he should help his family people

138

00:06:54,540 --> 00:06:49,599

think that no they keep telling me that

139

00:06:56,939 --> 00:06:54,550

he has no obligation to his family he

140

00:07:00,890 --> 00:06:56,949

doesn't have to do that you know they

141

00:07:03,659 --> 00:07:00,900

should like do for themselves you know

142

00:07:06,529 --> 00:07:03,669

so I know I just neither here don't

143

00:07:08,549 --> 00:07:06,539

there but I feel that family is family

144

00:07:09,299 --> 00:07:08,559

and there's a reason why I became

145

00:07:11,730 --> 00:07:09,309

president

146

00:07:13,739 --> 00:07:11,740

you know maybe God said okay because

147

00:07:15,570 --> 00:07:13,749

your family struggling I'm gonna give

148

00:07:19,439 --> 00:07:15,580

you this so that you can help them out

149

00:07:26,339 --> 00:07:19,449

and help others one time he told me that

150

00:07:29,610 --> 00:07:26,349

I'm not his cost constituent that's the

151  
00:07:31,529 --> 00:07:29,620  
language he used you know and this is

152  
00:07:33,779 --> 00:07:31,539  
the time when he became elected

153  
00:07:38,760 --> 00:07:33,789  
president we were celebrating

154  
00:07:41,549 --> 00:07:38,770  
i slaughtered five bulls because of to

155  
00:07:44,939 --> 00:07:41,559  
celebrate his his election five Bulls

156  
00:07:46,559 --> 00:07:44,949  
the whole family came down and we do

157  
00:07:49,019 --> 00:07:46,569  
everybody I don't know if you've seen it

158  
00:07:51,869 --> 00:07:49,029  
on TV maybe that time it was all over

159  
00:07:54,450 --> 00:07:51,879  
the world how we were celebrating his

160  
00:07:55,829 --> 00:07:54,460  
victory I slaughtered five bulls just

161  
00:07:58,889 --> 00:07:55,839  
because he's my brother

162  
00:08:02,070 --> 00:07:58,899  
so you were in Kenya when he won yes I

163  
00:08:06,119 --> 00:08:02,080

was hmm so when he so the night that

164

00:08:08,459 --> 00:08:06,129

they announced that he had defeated John

165

00:08:10,920 --> 00:08:08,469

McCain for president

166

00:08:14,040 --> 00:08:10,930

it was a huge celebration in Kenya it

167

00:08:16,379 --> 00:08:14,050

was like it was a blowout everybody was

168

00:08:20,040 --> 00:08:16,389

so happy we were so happy up until now

169

00:08:23,459 --> 00:08:20,050

and I keep telling him your family they

170

00:08:25,379 --> 00:08:23,469

love you you know but you got to do

171

00:08:29,699 --> 00:08:25,389

something for them why don't you just go

172

00:08:34,079 --> 00:08:29,709

just dig a Bohol me wife ha ha boy is it

173

00:08:36,839 --> 00:08:34,089

a ball a ball a ball is where you drill

174

00:08:39,389 --> 00:08:36,849

a drill blowhole how do you pronounce it

175

00:08:45,769 --> 00:08:39,399

in Oro well you mean like drill a well

176

00:08:51,179 --> 00:08:45,779

yeah for water they're not Abajo Abajo

177

00:08:53,009 --> 00:08:51,189

Abajo okay it's just my accent and

178

00:08:54,170 --> 00:08:53,019

pronunciation but I think you know what

179

00:08:56,180 --> 00:08:54,180

it is like dig away

180

00:08:58,610 --> 00:08:56,190

yes that would be more official to the

181

00:09:01,310 --> 00:08:58,620

community just for the family and you

182

00:09:03,740 --> 00:09:01,320

know it doesn't cost much I could do it

183

00:09:06,650 --> 00:09:03,750

for them but they wanted him to do it

184

00:09:08,930 --> 00:09:06,660

something that he does for them you know

185

00:09:10,460 --> 00:09:08,940

so slaughtering five bulls tell me about

186

00:09:12,350 --> 00:09:10,470

that what's the significance of that in

187

00:09:15,050 --> 00:09:12,360

America we don't do that you should ask

188

00:09:17,180 --> 00:09:15,060

Rob Riley he's a correspondent he's a

189

00:09:20,240 --> 00:09:17,190

reporter and look him up he's Rob

190

00:09:22,280 --> 00:09:20,250

Crowley a lot of people came down and we

191

00:09:23,540 --> 00:09:22,290

had a good time but what's the

192

00:09:25,190 --> 00:09:23,550

significance of slaughtering the Bulls

193

00:09:27,350 --> 00:09:25,200

it means you're gonna eat them it's a

194

00:09:29,930 --> 00:09:27,360

big occasion it's only a significant

195

00:09:31,850 --> 00:09:29,940

occasion you know to slaughter bull in

196

00:09:36,290 --> 00:09:31,860

the African tradition is like it's to

197

00:09:37,579 --> 00:09:36,300

celebrate and but I presume you're gonna

198

00:09:39,560 --> 00:09:37,589

eat them of course

199

00:09:42,110 --> 00:09:39,570

okay and how and you were the one that

200

00:09:44,120 --> 00:09:42,120

slaughtered them yourself no I don't do

201  
00:09:46,310 --> 00:09:44,130  
it myself oh good somebody I just you

202  
00:09:48,980 --> 00:09:46,320  
know bought them and family or somebody

203  
00:09:51,170 --> 00:09:48,990  
and so that's so that's not like a

204  
00:09:53,540 --> 00:09:51,180  
ceremony where it's done in the in a big

205  
00:09:55,190 --> 00:09:53,550  
big circle you see slaughter fight bulls

206  
00:09:57,350 --> 00:09:55,200  
it means I'm feeding everybody with five

207  
00:09:59,510 --> 00:09:57,360  
yes you're doing that and you fight

208  
00:10:01,970 --> 00:09:59,520  
everybody people are then it's a big

209  
00:10:04,400 --> 00:10:01,980  
celebration it's a big thing you know

210  
00:10:06,470 --> 00:10:04,410  
and it's like a big party you know I

211  
00:10:09,769 --> 00:10:06,480  
don't know what it is so you had this

212  
00:10:12,650 --> 00:10:09,779  
like Thanksgiving maybe what you call

213  
00:10:14,390 --> 00:10:12,660

here a New Year's Day yeah you know

214

00:10:18,230 --> 00:10:14,400

something like that so you had this

215

00:10:19,670 --> 00:10:18,240

little falling-out over him not said no

216

00:10:21,740 --> 00:10:19,680

to you staying with him and then didn't

217

00:10:23,320 --> 00:10:21,750

follow up with you at all and then and

218

00:10:26,360 --> 00:10:23,330

you had that kind of conversation that

219

00:10:28,190 --> 00:10:26,370

was a how did that conversation ended it

220

00:10:29,930 --> 00:10:28,200

and we're brothers again or was a kind

221

00:10:32,449 --> 00:10:29,940

of very cold after long at that time

222

00:10:34,610 --> 00:10:32,459

then you know it wasn't the same because

223

00:10:37,069 --> 00:10:34,620

in the beginning we took each other for

224

00:10:38,390 --> 00:10:37,079

granted you know there's a difference

225

00:10:40,490 --> 00:10:38,400

when you have a relationship where you

226

00:10:41,150 --> 00:10:40,500

take the other person you take yourself

227

00:10:43,250 --> 00:10:41,160

for granted

228

00:10:46,430 --> 00:10:43,260

you just know that oh Michael we'll be

229

00:10:47,600 --> 00:10:46,440

there if something ever Jim yeah if I

230

00:10:50,840 --> 00:10:47,610

come to the airport I know he's gonna

231

00:10:53,269 --> 00:10:50,850

pick me up if I call if I call him you

232

00:10:55,130 --> 00:10:53,279

know and so forth and so on just like

233

00:10:58,699 --> 00:10:55,140

that you know that's how it used to be

234

00:11:01,460 --> 00:10:58,709

mm-hmm you know it was a given that I'd

235

00:11:02,630 --> 00:11:01,470

be his best man it was a given that he'd

236

00:11:05,820 --> 00:11:02,640

be my best man

237

00:11:08,400 --> 00:11:05,830

you know no I mean it wouldn't be any

238

00:11:10,680 --> 00:11:08,410

it wouldn't be otherwise that kind of

239

00:11:12,660 --> 00:11:10,690

thing so when number one I couldn't go

240

00:11:14,850 --> 00:11:12,670

state and then I knew all reality said

241

00:11:19,230 --> 00:11:14,860

you know in my mind was wow what was

242

00:11:21,269 --> 00:11:19,240

that you know so that's where now I knew

243

00:11:25,079 --> 00:11:21,279

things were different it took a

244

00:11:26,910 --> 00:11:25,089

different their relationship changed his

245

00:11:30,420 --> 00:11:26,920

view of family was very different than

246

00:11:32,850 --> 00:11:30,430

yours defendant had I just like assumed

247

00:11:35,880 --> 00:11:32,860

just like I assumed that he was my

248

00:11:39,480 --> 00:11:35,890

brother you know when I first met him I

249

00:11:41,940 --> 00:11:39,490

just assumed you know well I mean here's

250

00:11:43,920 --> 00:11:41,950

a theory that you know he was very

251

00:11:45,509 --> 00:11:43,930

excited and anxious to to find his

252

00:11:49,319 --> 00:11:45,519

family and learn who his family wasn't

253

00:11:51,120 --> 00:11:49,329

connect with them but once he had

254

00:11:53,910 --> 00:11:51,130

connected with them it's like kind of

255

00:11:57,240 --> 00:11:53,920

okay now I can kind of put that over

256

00:11:59,490 --> 00:11:57,250

here I know who my family is now but

257

00:12:00,990 --> 00:11:59,500

they're not part of my upbringing

258

00:12:05,790 --> 00:12:01,000

they're not part of my day-to-day life

259

00:12:10,050 --> 00:12:05,800

and you know he didn't embrace it as his

260

00:12:10,730 --> 00:12:10,060

true true family so that's exactly how

261

00:12:12,840 --> 00:12:10,740

it is

262

00:12:15,870 --> 00:12:12,850

and thanks for putting it that way

263

00:12:21,139 --> 00:12:15,880

because now I know that's how it is you

264

00:12:24,420 --> 00:12:21,149

know I'm getting to what kind to

265

00:12:28,019 --> 00:12:24,430

processes I just yeah yeah well I'm not

266

00:12:30,300 --> 00:12:28,029

part of that frankly is American versus

267

00:12:31,920 --> 00:12:30,310

Kenyan you know in other countries and I

268

00:12:36,180 --> 00:12:31,930

know this through my fiance and so on

269

00:12:38,430 --> 00:12:36,190

family is like this I mean America I

270

00:12:41,310 --> 00:12:38,440

don't know how weird all other countries

271

00:12:43,829 --> 00:12:41,320

but family's pretty loose here I don't

272

00:12:48,449 --> 00:12:43,839

agree with you Jim no that's not the

273

00:12:52,980 --> 00:12:48,459

America that I know I think family value

274

00:12:55,110 --> 00:12:52,990

of of America that I know is family yeah

275

00:12:56,579 --> 00:12:55,120

they say family but it when they say

276

00:12:59,639 --> 00:12:56,589

family they're not saying it the way

277

00:13:04,970 --> 00:12:59,649

Kenyan say fam no people here will leave

278

00:13:09,389 --> 00:13:08,009

that's the America that I know I don't

279

00:13:09,840 --> 00:13:09,399

know okay you're telling me something

280

00:13:12,120 --> 00:13:09,850

else

281

00:13:15,180 --> 00:13:12,130

you know well here's one of my theories

282

00:13:18,380 --> 00:13:15,190

about it in in countries where that are

283

00:13:22,360 --> 00:13:18,390

not as well off oftentimes

284

00:13:25,130 --> 00:13:22,370

children cannot afford to leave the home

285

00:13:27,650 --> 00:13:25,140

grandparents can't afford to have their

286

00:13:29,570 --> 00:13:27,660

own home so you have families supporting

287

00:13:33,620 --> 00:13:29,580

each other in living together and

288

00:13:35,840 --> 00:13:33,630

therefore being much closer here where

289

00:13:38,270 --> 00:13:35,850

people are a little better off the kid

290

00:13:39,530 --> 00:13:38,280

turns 18 and suddenly you know Deb gives

291

00:13:41,900 --> 00:13:39,540

them money to go get his own apartment

292

00:13:47,780 --> 00:13:41,910

and get a car and he's off and running

293

00:13:49,280 --> 00:13:47,790

and and kids leave the house and the

294

00:13:50,900 --> 00:13:49,290

families don't continue to live together

295

00:13:52,550 --> 00:13:50,910

they move to another city there's lots

296

00:13:54,980 --> 00:13:52,560

of options here in America of other

297

00:13:58,280 --> 00:13:54,990

cities to go work at and we wind up

298

00:14:00,350 --> 00:13:58,290

scattered all over the country yeah but

299

00:14:05,210 --> 00:14:00,360

in fact Thanksgiving Day you all come

300

00:14:06,680 --> 00:14:05,220

together yeah I'm not saying family's

301  
00:14:08,510 --> 00:14:06,690  
not a big deal here I just don't think

302  
00:14:13,190 --> 00:14:08,520  
it's deal it is but I think it's a

303  
00:14:14,990 --> 00:14:13,200  
bigger deal in in Kenya it's just but

304  
00:14:18,440 --> 00:14:15,000  
here I think in Kenya

305  
00:14:22,250 --> 00:14:18,450  
okay traditionally yes but still it's

306  
00:14:25,940 --> 00:14:22,260  
not like care where you know say for

307  
00:14:29,030 --> 00:14:25,950  
example if your son or you brother he

308  
00:14:32,900 --> 00:14:29,040  
stuck somewhere maybe yeah you get in

309  
00:14:34,430 --> 00:14:32,910  
your car and go get him over there they

310  
00:14:35,510 --> 00:14:34,440  
don't do like it's not like I don't know

311  
00:14:38,630 --> 00:14:35,520  
if you understand what I'm saying

312  
00:14:41,660 --> 00:14:38,640  
you know look if say for example you

313  
00:14:43,730 --> 00:14:41,670

know your son or your brother so he's

314

00:14:46,850 --> 00:14:43,740

serving in Iraq or something like that

315

00:14:49,190 --> 00:14:46,860

and something happens to him you do

316

00:14:50,710 --> 00:14:49,200

whatever it takes to go and get him well

317

00:14:53,960 --> 00:14:50,720

this is as good a time as any

318

00:14:58,220 --> 00:14:53,970

Malik for us to address this conspiracy

319

00:15:02,990 --> 00:14:58,230

theory that's out there about was your

320

00:15:04,670 --> 00:15:03,000

father really his father because fitting

321

00:15:08,330 --> 00:15:04,680

that conspiracy theory could be that AHA

322

00:15:11,270 --> 00:15:08,340

that's the reason why Barak is not as

323

00:15:13,400 --> 00:15:11,280

close to his family now is that

324

00:15:16,880 --> 00:15:13,410

somewhere along the line he realized

325

00:15:18,590 --> 00:15:16,890

that you're not really his family do you

326

00:15:20,660 --> 00:15:18,600

and that it was you know this guy Joel

327

00:15:22,730 --> 00:15:20,670

what's his name the digital go but Joel

328

00:15:23,960 --> 00:15:22,740

Gilbert did a whole documentary which I

329

00:15:25,940 --> 00:15:23,970

watched an hour and 20 minute long

330

00:15:27,830 --> 00:15:25,950

documentary on this where I think he

331

00:15:29,390 --> 00:15:27,840

assumes a lot of facts and if you

332

00:15:30,950 --> 00:15:29,400

watched it it's pretty compelling when

333

00:15:33,080 --> 00:15:30,960

you watch it that in fact bro

334

00:15:35,390 --> 00:15:33,090

senior was not his father that and said

335

00:15:38,270 --> 00:15:35,400

it was Frank Marshall Davis this known

336

00:15:41,990 --> 00:15:38,280

communist in in why who happens to look

337

00:15:44,120 --> 00:15:42,000

a lot like Barack any pieces together

338

00:15:46,370 --> 00:15:44,130

quite quite a story some of it based on

339

00:15:50,180 --> 00:15:46,380

facts some of it conjecture you've seen

340

00:15:53,990 --> 00:15:50,190

it what is your comment about that movie

341

00:15:57,400 --> 00:15:54,000

having watched it and being with Barack

342

00:16:04,430 --> 00:15:57,410

jr. I think like today what you said

343

00:16:07,850 --> 00:16:04,440

Barack he wanted to find out to find his

344

00:16:11,420 --> 00:16:07,860

background you know and once he had done

345

00:16:14,120 --> 00:16:11,430

that then he disposed of it I think

346

00:16:16,400 --> 00:16:14,130

that's the explanation mm-hmm you know

347

00:16:19,880 --> 00:16:16,410

to that now all these other things okay

348

00:16:23,690 --> 00:16:19,890

possibly yes who knows you know I wasn't

349

00:16:26,510 --> 00:16:23,700

there with my my father when he was with

350

00:16:29,360 --> 00:16:26,520

my mother to conceive me I wasn't there

351

00:16:31,400 --> 00:16:29,370

you know so I can't say that's that

352

00:16:32,480 --> 00:16:31,410

something that it's hard like you said I

353

00:16:35,000 --> 00:16:32,490

would take a DNA test

354

00:16:38,990 --> 00:16:35,010

yeah that would take a yeah you know

355

00:16:42,560 --> 00:16:39,000

it'll i dnt a DNA test would would be

356

00:16:45,980 --> 00:16:42,570

most of the best thing to do to really

357

00:16:47,810 --> 00:16:45,990

like without a doubt know that like I

358

00:16:49,720 --> 00:16:47,820

told you I can't tell like even me

359

00:16:53,830 --> 00:16:49,730

whether my father was very father but

360

00:17:00,590 --> 00:16:53,840

something's you know maybe who knows but

361

00:17:02,960 --> 00:17:00,600

with him I took him like just you know

362

00:17:07,370 --> 00:17:02,970

at face value because my father said he

363

00:17:09,770 --> 00:17:07,380

had a son showed me some pictures the

364

00:17:13,370 --> 00:17:09,780

way he behaves sometimes that question

365

00:17:16,699 --> 00:17:13,380

that mm-hmm I really do because he's

366

00:17:17,960 --> 00:17:16,709

completely flipped well let's go get

367

00:17:19,579 --> 00:17:17,970

back to that but just as far as little

368

00:17:22,010 --> 00:17:19,589

pieces of evidence that you have that it

369

00:17:23,960 --> 00:17:22,020

in fact your father's his father is the

370

00:17:26,810 --> 00:17:23,970

fact that your father told you yeah I

371

00:17:29,500 --> 00:17:26,820

have the son yes if he didn't you know

372

00:17:32,270 --> 00:17:29,510

why would he be continuing that lie that

373

00:17:33,830 --> 00:17:32,280

or that story that Joel Gilbert tells

374

00:17:37,850 --> 00:17:33,840

you would have thought that he wouldn't

375

00:17:42,350 --> 00:17:37,860

be telling you that also certainly

376

00:17:43,730 --> 00:17:42,360

Barack himself acted as if at least to

377

00:17:44,760 --> 00:17:43,740

start with that you're his brother so in

378

00:17:47,160 --> 00:17:44,770

his mind yes

379

00:17:50,880 --> 00:17:47,170

he was the son of Barack Hussein Obama

380

00:17:52,890 --> 00:17:50,890

your your father did Barack ever

381

00:17:56,669 --> 00:17:52,900

indicate to you in any way that he had

382

00:17:59,000 --> 00:17:56,679

doubts about who his father was no no

383

00:18:09,030 --> 00:17:59,010

never never

384

00:18:11,070 --> 00:18:09,040

he was I know I never notice notice that

385

00:18:13,410 --> 00:18:11,080

did you guys ever have a conversation to

386

00:18:15,060 --> 00:18:13,420

try to reconcile that tough conversation

387

00:18:16,650 --> 00:18:15,070

you had when you got on him about not

388

00:18:18,840 --> 00:18:16,660

looking after did you guys ever have a

389

00:18:20,340 --> 00:18:18,850

fault oh no no not really because every

390

00:18:23,790 --> 00:18:20,350

time I wonder though I have white house

391

00:18:27,630 --> 00:18:23,800

we ended up disagreeing somewhat because

392

00:18:30,510 --> 00:18:27,640

I just didn't understand that I couldn't

393

00:18:35,040 --> 00:18:30,520

understand his behavior you know and why

394

00:18:38,340 --> 00:18:35,050

but some inside of me I kind of did in

395

00:18:41,850 --> 00:18:38,350

that you know he was from a nobody to

396

00:18:44,160 --> 00:18:41,860

talk that a big shot he's got a lot of

397

00:18:47,340 --> 00:18:44,170

people around him all the sudden right

398

00:18:49,590 --> 00:18:47,350

yeah well my point ping to your point

399

00:18:51,540 --> 00:18:49,600

he's a big shot now okay he's got Secret

400

00:18:53,610 --> 00:18:51,550

Service he's got everybody trying to get

401  
00:18:56,370 --> 00:18:53,620  
his ear everybody wants a piece of him

402  
00:18:57,780 --> 00:18:56,380  
literally around the entire world the

403  
00:18:58,320 --> 00:18:57,790  
world leaders want to get a hold of him

404  
00:19:00,660 --> 00:18:58,330  
okay

405  
00:19:07,799 --> 00:19:00,670  
so he's got a lot of people a lot of

406  
00:19:11,130 --> 00:19:07,809  
distractions okay so you felt that they

407  
00:19:14,070 --> 00:19:11,140  
could have invited me for dinner at his

408  
00:19:16,410 --> 00:19:14,080  
place so what about during a in eight

409  
00:19:18,390 --> 00:19:16,420  
years so let's start with the campaign

410  
00:19:22,760 --> 00:19:18,400  
once we were you in the US during the

411  
00:19:25,320 --> 00:19:22,770  
campaign at all oh no yes I was that's

412  
00:19:28,230 --> 00:19:25,330  
because the campaigns were like Iran

413  
00:19:34,410 --> 00:19:28,240

start about 2006 somewhere around there

414

00:19:37,650 --> 00:19:34,420

yeah yeah 2007 yeah but you were never

415

00:19:40,410 --> 00:19:37,660

on the campaign trail hours and but he

416

00:19:40,890 --> 00:19:40,420

did invite you to the inauguration yes

417

00:19:43,610 --> 00:19:40,900

he did

418

00:19:48,930 --> 00:19:43,620

and how many family members went to that

419

00:19:51,390 --> 00:19:48,940

hour narration not that many was there

420

00:19:53,789 --> 00:19:51,400

how long was there and what about house

421

00:19:57,930 --> 00:19:53,799

there my mother was there

422

00:20:00,659 --> 00:19:57,940

um what about your aunt from Boston she

423

00:20:03,810 --> 00:20:00,669

came but she came on her own she just

424

00:20:06,989 --> 00:20:03,820

came she wasn't invited she just came

425

00:20:10,619 --> 00:20:06,999

and you guys are at the official

426  
00:20:15,119 --> 00:20:10,629  
inauguration party yes and how were you

427  
00:20:19,229 --> 00:20:15,129  
received at the inauguration what can I

428  
00:20:27,930 --> 00:20:19,239  
say it was okay I mean we went to all

429  
00:20:29,190 --> 00:20:27,940  
the events and okay okay what about for

430  
00:20:30,960 --> 00:20:29,200  
the speech the inauguration speech

431  
00:20:33,810 --> 00:20:30,970  
itself we'll worry for that you know

432  
00:20:35,279 --> 00:20:33,820  
were you on the dais I was on the desk I

433  
00:20:37,229 --> 00:20:35,289  
wasn't in front but it was like in the

434  
00:20:39,659 --> 00:20:37,239  
back somewhat in the middle somewhere

435  
00:20:43,200 --> 00:20:39,669  
around mm-hmm yeah but I was on the desk

436  
00:20:44,580 --> 00:20:43,210  
and that's pretty impressive though I

437  
00:20:46,979 --> 00:20:44,590  
mean not many people get to be on the

438  
00:20:49,349 --> 00:20:46,989

dais for an inauguration speech I mean

439

00:20:53,159 --> 00:20:49,359

rather yours brother I'm just curious if

440

00:20:54,899 --> 00:20:53,169

you could put yourself back in your mind

441

00:20:56,879 --> 00:20:54,909

at that time as you're sitting there

442

00:20:59,220 --> 00:20:56,889

watching him give this speech what were

443

00:21:01,169 --> 00:20:59,230

you thinking at that time you know what

444

00:21:04,529 --> 00:21:01,179

still like I still had hope you know I

445

00:21:06,479 --> 00:21:04,539

still had hope we hadn't like he was

446

00:21:09,330 --> 00:21:06,489

still my brother even though you know I

447

00:21:12,019 --> 00:21:09,340

didn't it wasn't like it used to be yeah

448

00:21:17,899 --> 00:21:12,029

but you know I still felt that you know

449

00:21:23,430 --> 00:21:17,909

there was room for things to change and

450

00:21:26,249 --> 00:21:23,440

it wasn't like all lost you know so how

451

00:21:28,409 --> 00:21:26,259

still there you know that's cheering for

452

00:21:30,960 --> 00:21:28,419

him I was happy for him I was glad that

453

00:21:33,509 --> 00:21:30,970

I was there you know I would have done

454

00:21:35,999 --> 00:21:33,519

anything for him you know had he asked

455

00:21:38,489 --> 00:21:36,009

me to do this or do that I would have

456

00:21:40,200 --> 00:21:38,499

done it has his brother you know and

457

00:21:44,310 --> 00:21:40,210

even during the time he was the

458

00:21:48,749 --> 00:21:44,320

president I stood up for him on many

459

00:21:53,489 --> 00:21:48,759

occasions you know the only time that I

460

00:21:57,690 --> 00:21:53,499

you know I changed was in when I became

461

00:22:00,359 --> 00:21:57,700

a trump supporter and this is in 2016

462

00:22:02,599 --> 00:22:00,369

July June or July somewhere I'm so man

463

00:22:04,950 --> 00:22:02,609

were you hoping that perhaps he would

464

00:22:06,810 --> 00:22:04,960

give you some position in the

465

00:22:11,129 --> 00:22:06,820

administration well I did when

466

00:22:12,360 --> 00:22:11,139

he was elected and I was talking to him

467

00:22:14,190 --> 00:22:12,370

on the phone at that time I could talk

468

00:22:15,930 --> 00:22:14,200

to him on the phone and I need to tell

469

00:22:18,509 --> 00:22:15,940

him brother you know could give me

470

00:22:20,789 --> 00:22:18,519

something to do to help you help you you

471

00:22:24,740 --> 00:22:20,799

know let me assist you you know I mean

472

00:22:32,850 --> 00:22:30,330

and I'm not his cost constituent and I

473

00:22:41,279 --> 00:22:32,860

thought to myself I've been working in

474

00:22:45,060 --> 00:22:41,289

the USA since 1985 legally why can't I

475

00:22:46,799 --> 00:22:45,070

what does he mean by that citizen what

476

00:22:49,560 --> 00:22:46,809

do you mean so this conversation was

477

00:22:52,619 --> 00:22:49,570

after he had won but before he was Brett

478

00:22:54,600 --> 00:22:52,629

Lawrie was president Wow and you weren't

479

00:22:58,560 --> 00:22:54,610

technically a citizen you're citizen now

480

00:23:01,950 --> 00:22:58,570

I understand I'd been working right I

481

00:23:07,830 --> 00:23:01,960

just want the facts clear or 2005 1985

482

00:23:09,869 --> 00:23:07,840

to 2000 that's 20 years you know at that

483

00:23:14,430 --> 00:23:09,879

time I was working with chem onyx you

484

00:23:16,610 --> 00:23:14,440

know as a manager but you weren't a

485

00:23:19,830 --> 00:23:16,620

citizen at the time you couldn't vote I

486

00:23:21,299 --> 00:23:19,840

couldn't go right and so I'm just I'm

487

00:23:22,649 --> 00:23:21,309

just trying to understand his comment

488

00:23:24,690 --> 00:23:22,659

about you not being constituent so

489

00:23:26,310 --> 00:23:24,700

technically he's correct you weren't a

490

00:23:29,220 --> 00:23:26,320

citizen you're not a constituent but it

491

00:23:30,230 --> 00:23:29,230

does seem like a very odd statement to

492

00:23:32,850 --> 00:23:30,240

make

493

00:23:36,830 --> 00:23:32,860

what was this point I am his cost

494

00:23:38,430 --> 00:23:36,840

attorney brother you're more than a kiss

495

00:23:41,249 --> 00:23:38,440

that's why I'm saying it's such a

496

00:23:43,769 --> 00:23:41,259

strange statement but he told me that on

497

00:23:46,860 --> 00:23:43,779

the phone and I said to myself you know

498

00:23:49,680 --> 00:23:46,870

like with me I take it as it comes you

499

00:23:51,720 --> 00:23:49,690

know I mean that's the way it is so you

500

00:23:53,940 --> 00:23:51,730

know today I take it as it comes you

501  
00:23:55,499 --> 00:23:53,950  
know so if that's what he was saying I

502  
00:23:59,580 --> 00:23:55,509  
wasn't going to argue but I did I talked

503  
00:24:04,200 --> 00:23:59,590  
and and I asked him to bring his my aunt

504  
00:24:07,379 --> 00:24:04,210  
who is his the only living real sister

505  
00:24:10,289 --> 00:24:07,389  
or my father she's still alive now

506  
00:24:14,340 --> 00:24:10,299  
she's back in Kenya for the a it's come

507  
00:24:18,539 --> 00:24:14,350  
to the inauguration um but he wouldn't

508  
00:24:19,680 --> 00:24:18,549  
do it and now I'm a maybe because cuz he

509  
00:24:21,810 --> 00:24:19,690  
was paying for

510  
00:24:24,810 --> 00:24:21,820  
he paintball of it for for us going

511  
00:24:27,540 --> 00:24:24,820  
coming to the USA you know paid for me

512  
00:24:29,310 --> 00:24:27,550  
to come to the USA well let's stop there

513  
00:24:30,480 --> 00:24:29,320

for a second so did he pay out of his

514

00:24:33,930 --> 00:24:30,490

pocket or this is a lot of the

515

00:24:35,940 --> 00:24:33,940

inauguration committee money but you

516

00:24:39,090 --> 00:24:35,950

know where me I'll give it to him okay

517

00:24:42,300 --> 00:24:39,100

paid he invited me I came to the of

518

00:24:45,960 --> 00:24:42,310

inauguration so at that time I was you

519

00:24:49,770 --> 00:24:45,970

know we were still in you know and good

520

00:24:52,140 --> 00:24:49,780

I had hopes even though the real

521

00:24:54,750 --> 00:24:52,150

relationship had changed I hadn't

522

00:24:59,850 --> 00:24:54,760

written him off when did you write him

523

00:25:01,230 --> 00:24:59,860

off I wrote him off when was it after

524

00:25:03,180 --> 00:25:01,240

that first conversation when he didn't

525

00:25:04,680 --> 00:25:03,190

give you a me to called you a

526

00:25:07,260 --> 00:25:04,690

constituent or not a constitutional I

527

00:25:10,110 --> 00:25:07,270

started thinking about all this now all

528

00:25:12,210 --> 00:25:10,120

this time I was like what's going on

529

00:25:14,370 --> 00:25:12,220

here because when I went to the White

530

00:25:19,350 --> 00:25:14,380

House I'd have to make my way to the

531

00:25:21,390 --> 00:25:19,360

White House you know I'd have to get to

532

00:25:22,770 --> 00:25:21,400

the White House I'd have to like reach

533

00:25:24,510 --> 00:25:22,780

out in other words you wouldn't be

534

00:25:27,750 --> 00:25:24,520

invited without you asking

535

00:25:31,260 --> 00:25:27,760

no never invited to anything other than

536

00:25:33,090 --> 00:25:31,270

the inauguration yes the first one

537

00:25:34,680 --> 00:25:33,100

second one I wasn't in it was you

538

00:25:37,890 --> 00:25:34,690

reaching out saying hey I'd like to come

539

00:25:41,430 --> 00:25:37,900

see my brother yes because yeah it's

540

00:25:44,670 --> 00:25:41,440

like Reggie who was he told me that

541

00:25:47,030 --> 00:25:44,680

Reggie Reggie what's his I forget his

542

00:25:48,390 --> 00:25:47,040

last name but he's the one was like his

543

00:25:51,330 --> 00:25:48,400

party man

544

00:25:54,480 --> 00:25:51,340

okay hmm idea was really good good right

545

00:25:59,820 --> 00:25:54,490

he made me made it happen for me yeah

546

00:26:02,280 --> 00:25:59,830

and so I'd have to reach out to him I'd

547

00:26:06,360 --> 00:26:02,290

like to see my brother then I'd have to

548

00:26:11,670 --> 00:26:06,370

wait maybe sometime in six months if I

549

00:26:13,440 --> 00:26:11,680

could get you know to go okay so how

550

00:26:15,960 --> 00:26:13,450

many times did you visit the White House

551  
00:26:20,220 --> 00:26:15,970  
after the inauguration numerous times

552  
00:26:23,010 --> 00:26:20,230  
and what would give me is set the scene

553  
00:26:25,170 --> 00:26:23,020  
for me this is Oval Office yeah I go in

554  
00:26:27,180 --> 00:26:25,180  
there okay and once I go in the okay he

555  
00:26:29,100 --> 00:26:27,190  
was good you say hey brother okay

556  
00:26:32,600 --> 00:26:29,110  
are you doing everything and so forth

557  
00:26:37,500 --> 00:26:32,610  
and now the first time I went in there I

558  
00:26:42,660 --> 00:26:37,510  
went in with a proposal I went in with a

559  
00:26:48,420 --> 00:26:42,670  
proposal okay my foundation the Barack H

560  
00:26:50,790 --> 00:26:48,430  
Obama Foundation I set it up in 2008 and

561  
00:26:52,850 --> 00:26:50,800  
I talked to him about this prior to his

562  
00:26:57,780 --> 00:26:52,860  
inauguration when he had been elected

563  
00:27:01,830 --> 00:26:57,790

said I once set up this foundation and

564

00:27:04,850 --> 00:27:01,840

in memory of the old man and I want us

565

00:27:09,450 --> 00:27:04,860

to is the opportunity to do something

566

00:27:12,810 --> 00:27:09,460

you know just to promote him and and and

567

00:27:13,980 --> 00:27:12,820

redeem him somewhat because of what he

568

00:27:17,310 --> 00:27:13,990

had gone through you know I've been

569

00:27:19,080 --> 00:27:17,320

drinking have gone down the tubes and he

570

00:27:21,810 --> 00:27:19,090

was just getting out of it

571

00:27:23,730 --> 00:27:21,820

and then he died you know and here we

572

00:27:26,280 --> 00:27:23,740

are here the president gonna be the

573

00:27:29,040 --> 00:27:26,290

president of the USA a me I'm his eldest

574

00:27:32,850 --> 00:27:29,050

son I want to start this organization on

575

00:27:36,270 --> 00:27:32,860

a see if I can let us do something okay

576

00:27:39,180 --> 00:27:36,280

that was my vision and my mission and he

577

00:27:40,500 --> 00:27:39,190

tells me that I gotta shut it down well

578

00:27:41,850 --> 00:27:40,510

hold on a second I thought you said you

579

00:27:45,750 --> 00:27:41,860

talked to him about it before he even

580

00:27:47,850 --> 00:27:45,760

started it right before I became before

581

00:27:49,860 --> 00:27:47,860

you his inauguration you told him you

582

00:27:52,380 --> 00:27:49,870

want to start this what did he ask you

583

00:27:55,650 --> 00:27:52,390

about starting it so he said that I

584

00:27:57,630 --> 00:27:55,660

should shut it down he said you

585

00:28:00,420 --> 00:27:57,640

shouldn't start it I shouldn't started

586

00:28:02,010 --> 00:28:00,430

okay because he said number one that

587

00:28:04,440 --> 00:28:02,020

they're going people gonna confuse it

588

00:28:08,160 --> 00:28:04,450

with him same name

589

00:28:12,450 --> 00:28:08,170

yeah same name which is a point mm-hmm

590

00:28:16,560 --> 00:28:12,460

but I said no my father was the first

591

00:28:19,620 --> 00:28:16,570

Obama the Obama number two you know

592

00:28:22,170 --> 00:28:19,630

you're not really Obama he's Obama you

593

00:28:24,570 --> 00:28:22,180

know I am the first son of Obama I have

594

00:28:27,780 --> 00:28:24,580

a right to start an organization in his

595

00:28:30,750 --> 00:28:27,790

name and I'm not gonna shut it down so

596

00:28:34,770 --> 00:28:30,760

there we disagreed he told me if I don't

597

00:28:36,690 --> 00:28:34,780

shut it down he's gonna cut me off okay

598

00:28:40,080 --> 00:28:36,700

so he thought that you were gonna you're

599

00:28:45,330 --> 00:28:40,090

kind of trading on his name this was an

600

00:28:48,360 --> 00:28:45,340

opportunity that the American Way why

601  
00:28:49,920 --> 00:28:48,370  
shouldn't I I've been thinking about it

602  
00:28:52,110 --> 00:28:49,930  
here's the opportunity why not this was

603  
00:28:54,570 --> 00:28:52,120  
the opportunity for me to do something

604  
00:28:56,370 --> 00:28:54,580  
also and we were together on this I

605  
00:29:01,740 --> 00:28:56,380  
didn't see that they were separated and

606  
00:29:03,600 --> 00:29:01,750  
so forth even my book I sent him like a

607  
00:29:06,210 --> 00:29:03,610  
manuscript of this book this is my I

608  
00:29:08,490 --> 00:29:06,220  
wrote this book about our dad and I

609  
00:29:16,700 --> 00:29:08,500  
asked him could he write a foreword for

610  
00:29:19,260 --> 00:29:16,710  
it I didn't get an answer didn't do it

611  
00:29:20,670 --> 00:29:19,270  
he was concerned that the foundation

612  
00:29:22,410 --> 00:29:20,680  
could be confused as being his

613  
00:29:23,520 --> 00:29:22,420

foundation and you're saying you

614

00:29:26,810 --> 00:29:23,530

understand that that's a point I

615

00:29:28,740 --> 00:29:26,820

understand that so was there any

616

00:29:30,450 --> 00:29:28,750

compromise where you said okay well I'll

617

00:29:35,130 --> 00:29:30,460

make sure it's clear that it's not you

618

00:29:38,520 --> 00:29:35,140

because I'll call it senior or no I just

619

00:29:42,120 --> 00:29:38,530

said it's my father's name you just you

620

00:29:45,780 --> 00:29:42,130

just you just what do you call it what's

621

00:29:47,550 --> 00:29:45,790

the word you you happen to have my

622

00:29:49,950 --> 00:29:47,560

father's name but he also happens to be

623

00:29:52,650 --> 00:29:49,960

president and nobody knows your father

624

00:29:54,480 --> 00:29:52,660

but everybody knows him so he's right

625

00:29:58,080 --> 00:29:54,490

people are gonna think that this is his

626  
00:30:02,120 --> 00:29:58,090  
so what Obama was there before him you

627  
00:30:04,800 --> 00:30:02,130  
know I was there before him you know so

628  
00:30:08,010 --> 00:30:04,810  
you so you understood that people might

629  
00:30:10,860 --> 00:30:08,020  
be confused but you been your mind so

630  
00:30:13,920 --> 00:30:10,870  
what no but if he were to say if he were

631  
00:30:18,000 --> 00:30:13,930  
to distinguish or to be a part of this

632  
00:30:19,920 --> 00:30:18,010  
it wouldn't be an issue if you were to

633  
00:30:22,130 --> 00:30:19,930  
have endorsed it it wouldn't have been

634  
00:30:25,740 --> 00:30:22,140  
an issue he said this is my father's

635  
00:30:27,360 --> 00:30:25,750  
foundation my father's foundation and he

636  
00:30:30,630 --> 00:30:27,370  
never said he never supported it

637  
00:30:32,880 --> 00:30:30,640  
he didn't I don't know what maybe in the

638  
00:30:34,580 --> 00:30:32,890

purpose of it was like I'm saying I have

639

00:30:40,560 --> 00:30:34,590

a he's a narcissist

640

00:30:43,560 --> 00:30:40,570

he feels like he's the only one yeah

641

00:30:44,760 --> 00:30:43,570

well he's again he's got a lot of people

642

00:30:47,010 --> 00:30:44,770

asking him for things and a lot of

643

00:30:52,200 --> 00:30:47,020

pressure and a lot of that's no excuse

644

00:30:53,280 --> 00:30:52,210

to me so what was the foundation

645

00:30:54,660 --> 00:30:53,290

established for

646

00:30:57,210 --> 00:30:54,670

what did you want to accomplish with it

647

00:30:59,090 --> 00:30:57,220

like I say the mission what was like to

648

00:31:02,970 --> 00:30:59,100

[Music]

649

00:31:05,570 --> 00:31:02,980

in memory of my dad you know so that if

650

00:31:07,710 --> 00:31:05,580

he were to come back you know at least

651  
00:31:08,280 --> 00:31:07,720  
for me I would have done something for

652  
00:31:16,200 --> 00:31:08,290  
him

653  
00:31:19,260 --> 00:31:16,210  
is something that I would set up in his

654  
00:31:22,800 --> 00:31:19,270  
memory to help the people in your

655  
00:31:24,660 --> 00:31:22,810  
village yes in tribute to him so that we

656  
00:31:26,190 --> 00:31:24,670  
can help the people in my village not

657  
00:31:31,800 --> 00:31:26,200  
even the people my village but people

658  
00:31:34,310 --> 00:31:31,810  
worldwide you know starting with you

659  
00:31:37,410 --> 00:31:34,320  
know the people's home yes

660  
00:31:39,690 --> 00:31:37,420  
and you explained to Barack the

661  
00:31:42,690 --> 00:31:39,700  
president this is why I'm doing it to

662  
00:31:43,920 --> 00:31:42,700  
honor our Father yes and to help the

663  
00:31:46,380 --> 00:31:43,930

people in Kenya

664

00:31:50,630 --> 00:31:46,390

yes very poor people in our village yes

665

00:31:53,520 --> 00:31:50,640

and you're saying that he refused to

666

00:31:54,300 --> 00:31:53,530

support it told he's gonna cut you off

667

00:31:58,170 --> 00:31:54,310

if you do it

668

00:32:00,150 --> 00:31:58,180

mm-hmm even though he understood that

669

00:32:01,740 --> 00:32:00,160

purpose and it was all because he

670

00:32:06,600 --> 00:32:01,750

thought people would confuse it with him

671

00:32:10,260 --> 00:32:06,610

yes Who am I thinking that maybe like up

672

00:32:14,070 --> 00:32:10,270

until I think he he wanted he wants to

673

00:32:16,680 --> 00:32:14,080

hog down to the spotlight did he suggest

674

00:32:18,480 --> 00:32:16,690

a different name for it and maybe like

675

00:32:25,170 --> 00:32:18,490

he's doing right now is that maybe he

676  
00:32:27,420 --> 00:32:25,180  
doesn't want a knife that and that maybe

677  
00:32:32,510 --> 00:32:27,430  
that's Freudian oh I don't know what it

678  
00:32:36,570 --> 00:32:32,520  
is but somehow maybe he feel that that

679  
00:32:43,440 --> 00:32:36,580  
because he's made it then then I may not

680  
00:32:50,880 --> 00:32:43,450  
have a right to make it do what I'm

681  
00:32:53,880 --> 00:32:50,890  
saying no just trying to say because you

682  
00:32:59,010 --> 00:32:53,890  
know or why wouldn't he want me huh

683  
00:33:02,130 --> 00:32:59,020  
to do something good you know if we were

684  
00:33:06,810 --> 00:33:02,140  
to do good him and I because the bushes

685  
00:33:11,820 --> 00:33:06,820  
like the bushes you got Bush de piel de

686  
00:33:14,910 --> 00:33:11,830  
bush w bush wh bush was president

687  
00:33:15,660 --> 00:33:14,920  
you got Jeb Bush this governor what's

688  
00:33:19,170 --> 00:33:15,670

wrong with that

689

00:33:22,020 --> 00:33:19,180

you got Don jr. now look at Trump that's

690

00:33:24,030 --> 00:33:22,030

why Trump I admire that man he's not

691

00:33:27,570 --> 00:33:24,040

into all this mushy stuff that's all

692

00:33:31,080 --> 00:33:27,580

lefty stuff you know whatever he is what

693

00:33:35,730 --> 00:33:31,090

can what does he need to do to get that

694

00:33:39,320 --> 00:33:35,740

job done so he's got Krishna who is I do

695

00:33:41,970 --> 00:33:39,330

and he's taken him to the Middle East to

696

00:33:44,160 --> 00:33:41,980

try and help out to fix that situation

697

00:33:46,170 --> 00:33:44,170

he could have helped me my brother could

698

00:33:49,500 --> 00:33:46,180

help I'm a Muslim he could have helped

699

00:33:53,280 --> 00:33:49,510

me go to Libya like Gaddafi was my

700

00:33:56,250 --> 00:33:53,290

friend and Gaddafi asked me to come see

701  
00:33:59,130 --> 00:33:56,260  
or Bhama just so that they could shake

702  
00:34:02,820 --> 00:33:59,140  
hands he was so happy that Obama was the

703  
00:34:06,480 --> 00:34:02,830  
president of the of America he called

704  
00:34:08,340 --> 00:34:06,490  
him our son and he tell me Malik go tell

705  
00:34:12,180 --> 00:34:08,350  
your brother I just want to shake his

706  
00:34:16,350 --> 00:34:12,190  
hand that is enough for me so I went to

707  
00:34:18,900 --> 00:34:16,360  
Barack I have on my list to ask you

708  
00:34:20,280 --> 00:34:18,910  
about Muammar Qaddafi so it wasn't

709  
00:34:22,470 --> 00:34:20,290  
necessarily this part of the story but

710  
00:34:23,760 --> 00:34:22,480  
since you brought it up how did you

711  
00:34:27,110 --> 00:34:23,770  
develop a friendship with Muammar

712  
00:34:30,930 --> 00:34:27,120  
Qaddafi okay I have a friend because I

713  
00:34:32,940 --> 00:34:30,940

have a friend who's from Chad friend of

714

00:34:35,750 --> 00:34:32,950

a friend of we just call me just like a

715

00:34:39,600 --> 00:34:35,760

lot of people call me you know and and

716

00:34:43,080 --> 00:34:39,610

so he wanted to initially he just wanted

717

00:34:46,260 --> 00:34:43,090

to help out George because your brother

718

00:34:49,919 --> 00:34:46,270

my brother George you know him being in

719

00:34:53,040 --> 00:34:49,929

the slum and having a hard time and so

720

00:34:54,990 --> 00:34:53,050

forth and Obama is the president and

721

00:34:57,930 --> 00:34:55,000

Obama is not doing anything to help him

722

00:35:00,180 --> 00:34:57,940

so I think he was reaching out to see

723

00:35:03,300 --> 00:35:00,190

how could he get to George and then

724

00:35:06,990 --> 00:35:03,310

somebody he knew that is Muhammad nor

725

00:35:11,070 --> 00:35:07,000

has my friend from Chad told him that in

726

00:35:14,240 --> 00:35:11,080

that he do me so that's how I was

727

00:35:19,970 --> 00:35:14,250

introduced to Mohammed nor my manner was

728

00:35:23,359 --> 00:35:19,980

Muammar Gaddafi's friend you know so

729

00:35:26,720 --> 00:35:23,369

then my note invited me to Dubai and

730

00:35:29,060 --> 00:35:26,730

then next thing I knew could I go see

731

00:35:30,830 --> 00:35:29,070

Gaddafi this is all happening while your

732

00:35:32,630 --> 00:35:30,840

brother is president there's him so

733

00:35:36,349 --> 00:35:32,640

they've got a political motive to

734

00:35:38,240 --> 00:35:36,359

contact you and cozy up to you because

735

00:35:40,490 --> 00:35:38,250

they've got some type of something in

736

00:35:43,280 --> 00:35:40,500

mind ultimately for you to connect them

737

00:35:46,580 --> 00:35:43,290

to the president could be yeah okay so

738

00:35:49,340 --> 00:35:46,590

he takes you to see Muammar in Tripoli

739

00:35:52,010 --> 00:35:49,350

and Trevor I don't know if he was really

740

00:35:55,900 --> 00:35:52,020

like motive because I'm a nerd many

741

00:35:58,490 --> 00:35:55,910

people loved Obama people loved him you

742

00:36:00,920 --> 00:35:58,500

know because of what he had done

743

00:36:04,030 --> 00:36:00,930

you know people loved him you know she

744

00:36:07,640 --> 00:36:04,040

it wasn't like because they just wanted

745

00:36:10,220 --> 00:36:07,650

something you know they just so Mamadou

746

00:36:13,010 --> 00:36:10,230

loved loved Obama I guess he wanted also

747

00:36:14,810 --> 00:36:13,020

to come true just say hello that kind of

748

00:36:19,150 --> 00:36:14,820

thing and I was the closest thing

749

00:36:23,330 --> 00:36:19,160

because he's inaccessible even up to now

750

00:36:24,920 --> 00:36:23,340

nobody can reach him really you know but

751  
00:36:27,680 --> 00:36:24,930  
they can reach me because I'm exposed

752  
00:36:29,420 --> 00:36:27,690  
and you were a known Muslim at the time

753  
00:36:31,460 --> 00:36:29,430  
right so I was a Muslim well of course

754  
00:36:33,890 --> 00:36:31,470  
yeah I'm his brother I mean I didn't

755  
00:36:37,570 --> 00:36:33,900  
know I don't I didn't try to hide that

756  
00:36:41,359 --> 00:36:37,580  
you know I'm a Muslim even right now so

757  
00:36:44,330 --> 00:36:41,369  
so anyway I go out there and I meet the

758  
00:36:47,840 --> 00:36:44,340  
leader Muammar Gaddafi he's very simple

759  
00:36:51,200 --> 00:36:47,850  
man you know living in a tent you know

760  
00:36:53,510 --> 00:36:51,210  
and so it talked this and that and he

761  
00:36:55,550 --> 00:36:53,520  
asked me can I do this and I try to tell

762  
00:36:57,170 --> 00:36:55,560  
him look it's not like that I don't just

763  
00:36:59,660 --> 00:36:57,180

walk into the White House

764

00:37:01,160 --> 00:36:59,670

you know and I try to explain to him

765

00:37:04,609 --> 00:37:01,170

like I'm fine explained a lot of people

766

00:37:06,260 --> 00:37:04,619

the situation how my brother is you know

767

00:37:10,550 --> 00:37:06,270

it's like I can't reach him he's an

768

00:37:14,349 --> 00:37:10,560

inaccessible you know so and I said I'll

769

00:37:16,849 --> 00:37:14,359

try I'll try because I do get to see him

770

00:37:19,580 --> 00:37:16,859

what did he want you to say to him just

771

00:37:23,450 --> 00:37:19,590

to go and just if they could meet and

772

00:37:26,120 --> 00:37:23,460

just shake hands so he wanted a meeting

773

00:37:27,580 --> 00:37:26,130

either in Libya or in DC or somewhere

774

00:37:29,290 --> 00:37:27,590

else

775

00:37:31,510 --> 00:37:29,300

you know he was just happy that Obama

776

00:37:32,110 --> 00:37:31,520

was president and he just wanted to say

777

00:37:33,970 --> 00:37:32,120

hello

778

00:37:35,650 --> 00:37:33,980

and I didn't have a problem with that

779

00:37:37,750 --> 00:37:35,660

because when I look back at it

780

00:37:40,960 --> 00:37:37,760

there were diplomatic relations between

781

00:37:43,630 --> 00:37:40,970

US and Libya there was an embassy there

782

00:37:45,550 --> 00:37:43,640

I think Bush had gone in there I think

783

00:37:50,590 --> 00:37:45,560

your McCain went to Libya before that

784

00:37:53,970 --> 00:37:50,600

yes oh no I don't know so check effect

785

00:37:57,730 --> 00:37:53,980

yeah so and also retribution is it

786

00:38:02,200 --> 00:37:57,740

retribution reparations had been paid to

787

00:38:04,780 --> 00:38:02,210

those people in Scotland I'm gonna thank

788

00:38:08,560 --> 00:38:04,790

her Gaddafi PETA paid them off you know

789

00:38:11,500 --> 00:38:08,570

so there was there were good relations

790

00:38:16,480 --> 00:38:11,510

you know with that but when I did come

791

00:38:18,430 --> 00:38:16,490

and mention this to of Obama is a bad

792

00:38:20,740 --> 00:38:18,440

man I don't know what this and that he

793

00:38:23,590 --> 00:38:20,750

can't do that that's it I said then he

794

00:38:28,270 --> 00:38:23,600

ended up killing Gaddafi him and his

795

00:38:32,020 --> 00:38:28,280

people Hillary Clinton did he chastise

796

00:38:34,330 --> 00:38:32,030

you for conducting foreign relations at

797

00:38:37,030 --> 00:38:34,340

one time we told me I better not to let

798

00:38:38,680 --> 00:38:37,040

anybody know that I'm seeing because I'm

799

00:38:40,660 --> 00:38:38,690

thinking that you're the afraid that

800

00:38:43,150 --> 00:38:40,670

that would you know people be going

801  
00:38:45,790 --> 00:38:43,160  
after him that his brother is you know

802  
00:38:49,420 --> 00:38:45,800  
but I didn't see what the big deal was

803  
00:38:53,380 --> 00:38:49,430  
because there was an embassy in Libya

804  
00:38:55,390 --> 00:38:53,390  
you know I think now they were there

805  
00:38:59,280 --> 00:38:55,400  
they were cooking up somebody was

806  
00:39:04,360 --> 00:38:59,290  
cooking up this thing of removing him

807  
00:39:08,350 --> 00:39:04,370  
you know so they wanted to promote you

808  
00:39:11,080 --> 00:39:08,360  
know so start something going in Libya

809  
00:39:14,170 --> 00:39:11,090  
and the Gaddafi was bad in at all server

810  
00:39:17,410 --> 00:39:14,180  
and so forth that you know maybe it was

811  
00:39:19,860 --> 00:39:17,420  
oppressing his people etc but you know

812  
00:39:23,190 --> 00:39:19,870  
in Libya there's free housing free

813  
00:39:25,600 --> 00:39:23,200

education free health free everything

814

00:39:28,450 --> 00:39:25,610

and when you come out of college you're

815

00:39:32,200 --> 00:39:28,460

given money to start out your life now

816

00:39:34,870 --> 00:39:32,210

look at it now so how many times did you

817

00:39:35,290 --> 00:39:34,880

go there three times they pay you

818

00:39:39,490 --> 00:39:35,300

anything

819

00:39:41,140 --> 00:39:39,500

no and each time it was wish there would

820

00:39:43,450 --> 00:39:41,150

you

821

00:39:45,760 --> 00:39:43,460

ask for something yeah I mean I need

822

00:39:48,130 --> 00:39:45,770

help you know I need help for my

823

00:39:49,480 --> 00:39:48,140

organization I need to build factories I

824

00:39:51,250 --> 00:39:49,490

need to build hospitals

825

00:39:52,960 --> 00:39:51,260

well you're not shy about asking for

826

00:39:54,760 --> 00:39:52,970

help for your organization you didn't

827

00:39:56,920 --> 00:39:54,770

ask Qadhafi for help for the

828

00:39:58,690 --> 00:39:56,930

organization no at the time I did ask

829

00:40:00,910 --> 00:39:58,700

him and he said he was going to build a

830

00:40:02,410 --> 00:40:00,920

school and they were building this

831

00:40:04,809 --> 00:40:02,420

secondary school over there

832

00:40:05,980 --> 00:40:04,819

the barakato - could they call it the

833

00:40:08,710 --> 00:40:05,990

Senator Obama

834

00:40:10,390 --> 00:40:08,720

secondary school he did nothing but

835

00:40:12,430 --> 00:40:10,400

Gaddafi would they build it right now

836

00:40:13,089 --> 00:40:12,440

you the story building and that is

837

00:40:16,240 --> 00:40:13,099

Libyan money

838

00:40:19,690 --> 00:40:16,250

I've got off his money I built it so I

839

00:40:23,349 --> 00:40:19,700

needed anybody who could assist me in my

840

00:40:24,910 --> 00:40:23,359

objective in my foundation you know by

841

00:40:27,789 --> 00:40:24,920

the way I read somewhere that your

842

00:40:31,059 --> 00:40:27,799

foundation built - Moss is correct

843

00:40:37,779 --> 00:40:31,069

I built three mosques in Kenya in Kenya

844

00:40:41,230 --> 00:40:37,789

yes so part of the work of the

845

00:40:43,299 --> 00:40:41,240

foundation is for Islamic causes okay

846

00:40:46,990 --> 00:40:43,309

the foundation and the mission of the

847

00:40:50,620 --> 00:40:47,000

organization is to impact people

848

00:40:57,250 --> 00:40:50,630

everywhere for meaningful change and

849

00:41:07,750 --> 00:40:57,260

what we it's 2-dose found it and

850

00:41:11,200 --> 00:41:07,760

registered here in the USA and it is it

851  
00:41:15,099 --> 00:41:11,210  
is established to engage in projects and

852  
00:41:18,960 --> 00:41:15,109  
activities at various levels in the

853  
00:41:30,849 --> 00:41:18,970  
areas of infrastructure development in

854  
00:41:34,599 --> 00:41:30,859  
the areas of of health education youth

855  
00:41:37,870 --> 00:41:34,609  
sports talent arts and culture jobs in

856  
00:41:40,930 --> 00:41:37,880  
employment and environment can serve

857  
00:41:43,450 --> 00:41:40,940  
Asian and charity so maybe it's cuz

858  
00:41:44,920 --> 00:41:43,460  
we've made a contribution to your I'm

859  
00:41:46,839 --> 00:41:44,930  
proud that we've made a contribution to

860  
00:41:49,359 --> 00:41:46,849  
your charity and we're gonna ask others

861  
00:41:51,549 --> 00:41:49,369  
that if they would so like to contribute

862  
00:41:53,829 --> 00:41:51,559  
to the charity what in particular you

863  
00:41:54,940 --> 00:41:53,839

guys working on now if somebody were to

864

00:41:56,500 --> 00:41:54,950

donate to your charity

865

00:41:58,690 --> 00:41:56,510

now it would the money would most likely

866

00:42:02,380 --> 00:41:58,700

go to what right now we have a global

867

00:42:08,339 --> 00:42:02,390

women empowerment program and a girls

868

00:42:13,270 --> 00:42:08,349

education program that that we are doing

869

00:42:21,339 --> 00:42:13,280

now the global women empowerment project

870

00:42:23,589 --> 00:42:21,349

is to to get women engaged in income

871

00:42:25,900 --> 00:42:23,599

generating activities so that they can

872

00:42:28,870 --> 00:42:25,910

you know provide for themselves we say

873

00:42:30,609 --> 00:42:28,880

global global not just Kenya Kenya why

874

00:42:33,579 --> 00:42:30,619

are you I mean Kenya it seems to me has

875

00:42:37,270 --> 00:42:33,589

plenty of problems why not focus just on

876

00:42:40,870 --> 00:42:37,280

Kenya so we will we will start with

877

00:42:44,200 --> 00:42:40,880

Kenya and then once you know that your

878

00:42:47,890 --> 00:42:44,210

program is who working in Kenya then we

879

00:42:49,060 --> 00:42:47,900

will move out maybe to Uganda will go to

880

00:42:53,109 --> 00:42:49,070

Tanzania

881

00:42:56,260 --> 00:42:53,119

you know Burundi East Africa and then we

882

00:42:58,510 --> 00:42:56,270

move out depending on the resources that

883

00:43:01,180 --> 00:42:58,520

we can get with most things it depends

884

00:43:05,140 --> 00:43:01,190

on how much money you have you know so

885

00:43:08,319 --> 00:43:05,150

if we get a good response a lot of money

886

00:43:11,829 --> 00:43:08,329

to start the microfinance and table

887

00:43:19,180 --> 00:43:11,839

banking activities you know and be able

888

00:43:22,720 --> 00:43:19,190

to also provide for training and how to

889

00:43:25,390 --> 00:43:22,730

manage these activities you know once we

890

00:43:28,079 --> 00:43:25,400

do that if we can get enough resources

891

00:43:30,990 --> 00:43:28,089

there is a good response from our

892

00:43:34,990 --> 00:43:31,000

friends and well-wishes

893

00:43:37,240 --> 00:43:35,000

then we can once we've done the Kenya

894

00:43:40,750 --> 00:43:37,250

thing and we were successful in Kenya

895

00:43:44,109 --> 00:43:40,760

then we can move out because on my

896

00:43:46,290 --> 00:43:44,119

website from any day I'm getting I'm

897

00:43:49,260 --> 00:43:46,300

getting emails not just from Kenya

898

00:43:53,670 --> 00:43:49,270

because the website is this global

899

00:43:55,530 --> 00:43:53,680

everybody has access to it website is

900

00:44:00,160 --> 00:43:55,540

www.hs

901  
00:44:02,470 --> 00:44:00,170  
org and everybody I get real from

902  
00:44:05,079 --> 00:44:02,480  
Malaysia I get mail from Pakistan I get

903  
00:44:08,010 --> 00:44:05,089  
mail from central central Central

904  
00:44:11,010 --> 00:44:08,020  
America I get even mail from from

905  
00:44:12,810 --> 00:44:11,020  
a lot of mail from the United States and

906  
00:44:16,140 --> 00:44:12,820  
I have to respond to them in a way

907  
00:44:20,280 --> 00:44:16,150  
somewhat okay so that's why we call it

908  
00:44:25,830 --> 00:44:20,290  
global women and we're hoping that we

909  
00:44:27,060 --> 00:44:25,840  
could get mr. Trump support and tiffany

910  
00:44:29,820 --> 00:44:27,070  
tiffany his daughter

911  
00:44:32,930 --> 00:44:29,830  
Tiffany's support so that she can come

912  
00:44:35,160 --> 00:44:32,940  
along just like Ivanka came to Africa

913  
00:44:38,130 --> 00:44:35,170

the other day and she was in Ethiopia

914

00:44:44,010 --> 00:44:38,140

and then she went to Sierra Leone

915

00:44:47,430 --> 00:44:44,020

to promote you know women we would like

916

00:44:52,200 --> 00:44:47,440

for for Tiffany to come to Kenya also to

917

00:44:53,640 --> 00:44:52,210

promote our initiative cool so did I

918

00:44:56,550 --> 00:44:53,650

hear you say you were not invited to the

919

00:44:58,530 --> 00:44:56,560

second no this time I was invited to the

920

00:45:02,160 --> 00:44:58,540

second now that must have really felt

921

00:45:06,140 --> 00:45:02,170

like a snub it was somewhat a snob but

922

00:45:08,820 --> 00:45:06,150

to me to the relief because you know

923

00:45:10,440 --> 00:45:08,830

going through all that even now it's a

924

00:45:14,160 --> 00:45:10,450

relief I feel relieved you know I don't

925

00:45:16,460 --> 00:45:14,170

have to be going struggling to see my

926

00:45:20,099 --> 00:45:16,470

brother or to go to the White House

927

00:45:22,080 --> 00:45:20,109

there are all these formalities you know

928

00:45:24,390 --> 00:45:22,090

and even if they are now variation

929

00:45:26,940 --> 00:45:24,400

they're all these formalities you know

930

00:45:32,160 --> 00:45:26,950

me I'm a simple person I don't need a

931

00:45:34,260 --> 00:45:32,170

tag to go anywhere you know so so then

932

00:45:37,680 --> 00:45:34,270

would I be nice for him did you visit it

933

00:45:43,970 --> 00:45:37,690

all after the in-center yes the last

934

00:45:47,630 --> 00:45:43,980

time I was visited with him was in 2015

935

00:45:51,420 --> 00:45:47,640

after he came to Kenya as president I

936

00:45:53,880 --> 00:45:51,430

did go to visit him and then when I when

937

00:45:57,060 --> 00:45:53,890

I visited him in where we had an

938

00:45:59,640 --> 00:45:57,070

agreement you saw him in Kenya know at

939

00:46:02,790 --> 00:45:59,650

the White House Oh before his shop after

940

00:46:05,910 --> 00:46:02,800

his trip okay you know so we had an

941

00:46:07,920 --> 00:46:05,920

agreement but he didn't he didn't honor

942

00:46:08,700 --> 00:46:07,930

you know he didn't do anything so I said

943

00:46:12,060 --> 00:46:08,710

to hell with him

944

00:46:15,540 --> 00:46:12,070

what was the agreement number one my

945

00:46:17,130 --> 00:46:15,550

children my family's in Africa and I

946

00:46:19,920 --> 00:46:17,140

need them I've been working and trying

947

00:46:23,100 --> 00:46:19,930

for the longest time to get them

948

00:46:25,530 --> 00:46:23,110

yeah has never happened I told him

949

00:46:27,600 --> 00:46:25,540

brother you got to help me out if my

950

00:46:30,420 --> 00:46:27,610

family's out there and I'm over here I'm

951  
00:46:33,240 --> 00:46:30,430  
never going to be stable and you know

952  
00:46:35,610 --> 00:46:33,250  
the process is that's why for me all

953  
00:46:36,930 --> 00:46:35,620  
these illegal immigrants coming in here

954  
00:46:41,220 --> 00:46:36,940  
and feeling they have a right to come to

955  
00:46:45,030 --> 00:46:41,230  
the USA and I've been struggling you

956  
00:46:48,750 --> 00:46:45,040  
know to follow the legal channel and I

957  
00:46:52,140 --> 00:46:48,760  
still haven't got anybody here know and

958  
00:46:53,820 --> 00:46:52,150  
so what he agreed to help in fact he

959  
00:46:56,220 --> 00:46:53,830  
told me why don't they you know go to

960  
00:46:58,890 --> 00:46:56,230  
the American Embassy and all that and I

961  
00:47:00,600 --> 00:46:58,900  
said to me I can't just walk in there

962  
00:47:03,120 --> 00:47:00,610  
and say I'm the president's brother and

963  
00:47:06,060 --> 00:47:03,130

I want you to do this for me you know

964

00:47:08,670 --> 00:47:06,070

I'm not that kind of person you know if

965

00:47:10,710 --> 00:47:08,680

you could maybe if there's a way a legal

966

00:47:12,900 --> 00:47:10,720

way as the president I'm not asking you

967

00:47:16,440 --> 00:47:12,910

do I don't want anything illegally done

968

00:47:19,170 --> 00:47:16,450

but if you could maybe you could you

969

00:47:20,160 --> 00:47:19,180

know this is really important I think to

970

00:47:23,730 --> 00:47:20,170

your story

971

00:47:25,170 --> 00:47:23,740

it means specifically how many family

972

00:47:30,090 --> 00:47:25,180

members were you hoping he was going to

973

00:47:31,530 --> 00:47:30,100

help bring in my children I say so

974

00:47:34,140 --> 00:47:31,540

you're just talking about your own

975

00:47:36,120 --> 00:47:34,150

children children helping your own

976  
00:47:39,300 --> 00:47:36,130  
children come here to live with you here

977  
00:47:41,880 --> 00:47:39,310  
in the United States you know and George

978  
00:47:43,500 --> 00:47:41,890  
is half brother I think George was the

979  
00:47:45,720 --> 00:47:43,510  
only one that I put on there the rest

980  
00:47:47,400 --> 00:47:45,730  
was just my family because I told him

981  
00:47:48,750 --> 00:47:47,410  
that you know it's difficult for me and

982  
00:47:51,990 --> 00:47:48,760  
that's why I keep going back and forth

983  
00:47:53,640 --> 00:47:52,000  
you can imagine you know being here and

984  
00:47:56,190 --> 00:47:53,650  
your children are over there

985  
00:48:02,250 --> 00:47:56,200  
and you can't you can't stay here for

986  
00:48:05,100 --> 00:48:02,260  
too long in 2015 so you've been a

987  
00:48:08,730 --> 00:48:05,110  
citizen now for almost four years almost

988  
00:48:10,290 --> 00:48:08,740

and your children still you and your

989

00:48:14,850 --> 00:48:10,300

brother was the President of the United

990

00:48:18,210 --> 00:48:14,860

States and your children cannot come

991

00:48:21,210 --> 00:48:18,220

here now what really hurt breaks my

992

00:48:29,280 --> 00:48:21,220

heart is that my two eldest children

993

00:48:33,329 --> 00:48:29,290

died 2/3 2013 and 22 2014 my firstborn

994

00:48:39,599 --> 00:48:33,339

quick ooh and and my first

995

00:48:45,029 --> 00:48:39,609

his sister my second-born Rashida they

996

00:48:46,969 --> 00:48:45,039

died and I had their papers in but I

997

00:48:51,150 --> 00:48:46,979

couldn't get them over here

998

00:48:53,640 --> 00:48:51,160

you see I saw my children died and not

999

00:48:56,910 --> 00:48:53,650

even a word of you know condolence

1000

00:48:59,729 --> 00:48:56,920

nothing you know so I said to myself

1001

00:49:00,329 --> 00:48:59,739

what did I do this man you know what did

1002

00:49:02,549 --> 00:49:00,339

I do

1003

00:49:05,309 --> 00:49:02,559

did I sleep with his wife did you think

1004

00:49:08,279 --> 00:49:05,319

what did i do how did he even learn of

1005

00:49:12,359 --> 00:49:08,289

their death I came here one time when my

1006

00:49:14,459 --> 00:49:12,369

my daughter was or sick you know and I

1007

00:49:17,519 --> 00:49:14,469

said brother look I need some help you

1008

00:49:19,559 --> 00:49:17,529

know the medical bills and everything in

1009

00:49:23,339 --> 00:49:19,569

this young lady she's not doing too well

1010

00:49:25,440 --> 00:49:23,349

you know okay so he gave me \$5,000 he

1011

00:49:29,069 --> 00:49:25,450

did he gave me you know I'm not afraid

1012

00:49:32,249 --> 00:49:29,079

to say all that you know but well when

1013

00:49:35,459 --> 00:49:32,259

they passed away you know again there

1014

00:49:38,130 --> 00:49:35,469

was no word he never called he never

1015

00:49:40,589 --> 00:49:38,140

called me but he did you know he did

1016

00:49:42,630 --> 00:49:40,599

once once he called me that's when I

1017

00:49:45,269 --> 00:49:42,640

talked to either Reggie or one of those

1018

00:49:47,969 --> 00:49:45,279

girls and I said why don't you just tell

1019

00:49:50,640 --> 00:49:47,979

my brother come even once say hello you

1020

00:49:53,549 --> 00:49:50,650

know so he calls once you know and I

1021

00:49:57,269 --> 00:49:53,559

think I was it was late at night in in

1022

00:49:59,219 --> 00:49:57,279

Nairobi hey brother hey I'm so I'm like

1023

00:50:03,380 --> 00:49:59,229

surprised that she gave me a call and

1024

00:50:05,910 --> 00:50:03,390

said hey and as you said I gotta go

1025

00:50:07,650 --> 00:50:05,920

he sorry he said he had to go yeah you

1026

00:50:10,680 --> 00:50:07,660

had to go after how long he's so busy

1027

00:50:13,620 --> 00:50:10,690

like you said you think all those people

1028

00:50:15,359 --> 00:50:13,630

like you keep saying he's so busy you

1029

00:50:17,459 --> 00:50:15,369

know yeah so how long was the

1030

00:50:22,769 --> 00:50:17,469

conversation I could have been not more

1031

00:50:25,200 --> 00:50:22,779

than five minutes maybe even less hmm so

1032

00:50:27,959 --> 00:50:25,210

at some point you're you know your

1033

00:50:29,549 --> 00:50:27,969

feelings first its brothers then it's

1034

00:50:31,859 --> 00:50:29,559

like okay we're family but we're not

1035

00:50:33,930 --> 00:50:31,869

close and then at some point it really

1036

00:50:36,569 --> 00:50:33,940

gets the point where you are very upset

1037

00:50:38,579 --> 00:50:36,579

with him to the point that I felt like

1038

00:50:41,489 --> 00:50:38,589

maybe he just didn't want me around you

1039

00:50:43,500 --> 00:50:41,499

know like I was just like imposing on

1040

00:50:46,800 --> 00:50:43,510

him cuz

1041

00:50:49,170 --> 00:50:46,810

no I was like a something bad something

1042

00:50:54,090 --> 00:50:49,180

to him you know maybe I don't know maybe

1043

00:50:56,520 --> 00:50:54,100

maybe I'm too black who knows you

1044

00:50:59,490 --> 00:50:56,530

playing the race card play the race card

1045

00:51:00,930 --> 00:50:59,500

have you say who knows maybe you can

1046

00:51:03,330 --> 00:51:00,940

tell me what are you telling me because

1047

00:51:05,640 --> 00:51:03,340

he was busy he's the president

1048

00:51:07,170 --> 00:51:05,650

he's got leaders of the the world that

1049

00:51:09,180 --> 00:51:07,180

he's got Hillary Clinton and he's got

1050

00:51:13,550 --> 00:51:09,190

all those people he's got I don't know

1051  
00:51:15,290 --> 00:51:13,560  
who this is dealing with weighty matters

1052  
00:51:22,070 --> 00:51:15,300  
okay

1053  
00:51:24,690 --> 00:51:22,080  
say that's what you're saying right well

1054  
00:51:26,400 --> 00:51:24,700  
we've talked about family and him not

1055  
00:51:28,890 --> 00:51:26,410  
being as committed to family as you are

1056  
00:51:31,140 --> 00:51:28,900  
and him being president and having lots

1057  
00:51:33,090 --> 00:51:31,150  
of distractions but you also the fact

1058  
00:51:34,860 --> 00:51:33,100  
that as you point out he very

1059  
00:51:37,590 --> 00:51:34,870  
specifically did not want you to start

1060  
00:51:38,190 --> 00:51:37,600  
that foundation and you did and I did

1061  
00:51:41,850 --> 00:51:38,200  
yes

1062  
00:51:44,100 --> 00:51:41,860  
been happy about you meeting with

1063  
00:51:45,840 --> 00:51:44,110

Qaddafi you see and he's not maybe he's

1064

00:51:48,540 --> 00:51:45,850

pissed off because I'm his elder brother

1065

00:51:51,660 --> 00:51:48,550

you know so I feel it's my right you

1066

00:51:53,430 --> 00:51:51,670

know to you know I'm his elder brother

1067

00:51:59,190 --> 00:51:53,440

he can be the president but I'm still

1068

00:52:01,100 --> 00:51:59,200

the king you know so my way it goes your

1069

00:52:02,990 --> 00:52:01,110

king and he's president he's president

1070

00:52:06,890 --> 00:52:03,000

[Laughter]

1071

00:52:11,280 --> 00:52:09,000

you know what you call the friction

1072

00:52:12,240 --> 00:52:11,290

going you know okay so he's not

1073

00:52:14,910 --> 00:52:12,250

president anymore

1074

00:52:17,190 --> 00:52:14,920

does anything changed yeah so I guess he

1075

00:52:20,340 --> 00:52:17,200

was thinking he's as the president that

1076

00:52:22,080 --> 00:52:20,350

I need I need to listen to to him

1077

00:52:23,810 --> 00:52:22,090

because he's like giving instructions

1078

00:52:27,060 --> 00:52:23,820

and people are doing what he's supposed

1079

00:52:29,910 --> 00:52:27,070

what he wants them to do yeah I am

1080

00:52:32,160 --> 00:52:29,920

Malik you know and I won't listen to him

1081

00:52:34,920 --> 00:52:32,170

you know so maybe I don't who knows

1082

00:52:36,900 --> 00:52:34,930

that's what it is you know well and and

1083

00:52:41,640 --> 00:52:36,910

then then you become a trump supporter

1084

00:52:42,870 --> 00:52:41,650

that probably didn't help yeah I know

1085

00:52:45,330 --> 00:52:42,880

we're wrapping up because we gotta go

1086

00:52:47,910 --> 00:52:45,340

eat but but you gotta tell us the story

1087

00:52:51,230 --> 00:52:47,920

of being invited to the debate by Donald

1088

00:52:54,330 --> 00:52:51,240

Trump yeah so what happened is that

1089

00:52:56,770 --> 00:52:54,340

Chuck Johnson arranged all that a man

1090

00:52:58,930 --> 00:52:56,780

array based in

1091

00:53:02,110 --> 00:52:58,940

and they asked me you know how would you

1092

00:53:04,870 --> 00:53:02,120

like to go to the debate and I said for

1093

00:53:06,730 --> 00:53:04,880

sure definitely by that time you know I

1094

00:53:09,160 --> 00:53:06,740

was really impressed by mr. Trump you

1095

00:53:11,680 --> 00:53:09,170

know he was like he tell you off you

1096

00:53:14,800 --> 00:53:11,690

know you just speak his mind he wasn't

1097

00:53:18,100 --> 00:53:14,810

like hey what he wasn't into the image

1098

00:53:19,240 --> 00:53:18,110

thing you know and I like that kind of

1099

00:53:20,530 --> 00:53:19,250

person you know person who

1100

00:53:22,840 --> 00:53:20,540

straightforward and you know

1101  
00:53:25,660 --> 00:53:22,850  
shoot-from-the-hip not concerned with

1102  
00:53:29,460 --> 00:53:25,670  
political crises he want you know he's

1103  
00:53:31,540 --> 00:53:29,470  
gonna do what he's gonna do he's gonna

1104  
00:53:33,490 --> 00:53:31,550  
what-you-see-is-what-you-get you know

1105  
00:53:36,610 --> 00:53:33,500  
and I like that kind of person and let's

1106  
00:53:38,290 --> 00:53:36,620  
just be 100% clear your support for

1107  
00:53:39,220 --> 00:53:38,300  
Trump had nothing to do with the

1108  
00:53:41,620 --> 00:53:39,230  
problems you were having with your

1109  
00:53:45,580 --> 00:53:41,630  
brother it had a lot oh yeah because I

1110  
00:53:49,510 --> 00:53:45,590  
said now if he's talking about you know

1111  
00:53:51,100 --> 00:53:49,520  
my brother's keeper and this is how he

1112  
00:53:55,720 --> 00:53:51,110  
treats his own brother and his family

1113  
00:53:57,460 --> 00:53:55,730

you know and then he's talking about all

1114

00:53:59,710 --> 00:53:57,470

these things that he's gonna do for his

1115

00:54:03,330 --> 00:53:59,720

community and he can't do it for his

1116

00:54:08,290 --> 00:54:03,340

family you know I mean to me that was a

1117

00:54:09,970 --> 00:54:08,300

hypocrisy you know if he you know if

1118

00:54:11,770 --> 00:54:09,980

he's gonna do all these good things for

1119

00:54:13,390 --> 00:54:11,780

all these people and can do these could

1120

00:54:16,120 --> 00:54:13,400

all these good things to his closest

1121

00:54:19,030 --> 00:54:16,130

people you know what kind of person is

1122

00:54:21,310 --> 00:54:19,040

that you know and my conversations and

1123

00:54:25,870 --> 00:54:21,320

interactions with him all those eight

1124

00:54:27,430 --> 00:54:25,880

years to me you know it was like he's

1125

00:54:30,100 --> 00:54:27,440

saying one thing but he's doing another

1126  
00:54:36,820 --> 00:54:30,110  
thing he's portraying one image here

1127  
00:54:39,130 --> 00:54:36,830  
publicly but you know is it privately of

1128  
00:54:43,180 --> 00:54:39,140  
it's not it's a different thing

1129  
00:54:47,890 --> 00:54:43,190  
so and and then I was then I looked and

1130  
00:54:52,060 --> 00:54:47,900  
what happened was it with the email the

1131  
00:54:54,760 --> 00:54:52,070  
email what do you call the email Hilary

1132  
00:54:57,910 --> 00:54:54,770  
email investigation yeah the server and

1133  
00:54:59,770 --> 00:54:57,920  
so on the server and how she would go

1134  
00:55:03,100 --> 00:54:59,780  
out you know she would do all those

1135  
00:55:06,070 --> 00:55:03,110  
things that and she's the the the the

1136  
00:55:08,980 --> 00:55:06,080  
Secretary of State so she she was the

1137  
00:55:10,500 --> 00:55:08,990  
custodian you know and she would say

1138  
00:55:13,620 --> 00:55:10,510

that she didn't know that she was doing

1139

00:55:15,980 --> 00:55:13,630

and I said to myself what kind of person

1140

00:55:18,660 --> 00:55:15,990

is this and this is the person who is

1141

00:55:21,480 --> 00:55:18,670

you know a part of the my brother's

1142

00:55:27,290 --> 00:55:21,490

administration she's a Democrat and so

1143

00:55:32,640 --> 00:55:30,390

advocating for the well-being of the

1144

00:55:34,290 --> 00:55:32,650

poor and this and when I looked at the

1145

00:55:35,970 --> 00:55:34,300

black neighborhoods and so forth

1146

00:55:38,580 --> 00:55:35,980

they're still the same blacks are not

1147

00:55:41,580 --> 00:55:38,590

doing any better I said to myself and

1148

00:55:44,270 --> 00:55:41,590

then I saw mr. Trump speaking in North

1149

00:55:46,440 --> 00:55:44,280

either North Carolina South Carolina and

1150

00:55:48,870 --> 00:55:46,450

something just clicked and I just

1151  
00:55:50,430 --> 00:55:48,880  
flipped and I said this is the man you

1152  
00:55:52,710 --> 00:55:50,440  
know and then I thought of what the

1153  
00:55:55,109 --> 00:55:52,720  
Republicans stood for and that was

1154  
00:55:58,020 --> 00:55:55,119  
economic empowerment because at the end

1155  
00:56:02,310 --> 00:55:58,030  
of the or had at the end of it at the

1156  
00:56:05,790 --> 00:56:02,320  
bottom of it that's what Republicans are

1157  
00:56:07,940 --> 00:56:05,800  
for you know economic empowerment they

1158  
00:56:11,540 --> 00:56:07,950  
believe in business big business and

1159  
00:56:15,750 --> 00:56:11,550  
wealth and so forth and I said and not

1160  
00:56:18,260 --> 00:56:15,760  
what do you call it welfare and and big

1161  
00:56:20,880 --> 00:56:18,270  
government growing the pie and sort of

1162  
00:56:23,099 --> 00:56:20,890  
focusing on dividing up on dividing the

1163  
00:56:26,400 --> 00:56:23,109

fight so that they're now this is where

1164

00:56:29,220 --> 00:56:26,410

I'm supposed to be so that's how I

1165

00:56:33,210 --> 00:56:29,230

became a Republican so did you meet

1166

00:56:37,800 --> 00:56:33,220

Trump actually we were on stage after

1167

00:56:41,070 --> 00:56:37,810

the debate and I was going to go up to

1168

00:56:42,690 --> 00:56:41,080

upstage and and shake his hand but then

1169

00:56:45,630 --> 00:56:42,700

there are too many people those too much

1170

00:56:48,060 --> 00:56:45,640

shoving and pushing and I don't shove it

1171

00:56:51,290 --> 00:56:48,070

up don't push you know and at the same

1172

00:56:54,780 --> 00:56:51,300

time I was to be on Hannity show so

1173

00:56:57,450 --> 00:56:54,790

Shawn was also I needed to be at the

1174

00:56:59,460 --> 00:56:57,460

studio so I just said oh well I've done

1175

00:57:02,220 --> 00:56:59,470

what I'm supposed to do at least have

1176

00:57:05,190 --> 00:57:02,230

shown my face people know who I'm

1177

00:57:09,930 --> 00:57:05,200

supporting hope that this will go a long

1178

00:57:11,400 --> 00:57:09,940

way in you know helping mr. Trump so you

1179

00:57:12,510 --> 00:57:11,410

were okay you liked the way they

1180

00:57:13,980 --> 00:57:12,520

position it because it because the media

1181

00:57:16,040 --> 00:57:13,990

made a big deal and Trump I guess

1182

00:57:19,349 --> 00:57:16,050

started it by making a big deal that

1183

00:57:22,500 --> 00:57:19,359

Barack Obama President Obama's brother

1184

00:57:24,390 --> 00:57:22,510

is coming to show his support for Trump

1185

00:57:27,030 --> 00:57:24,400

in the debate versus

1186

00:57:28,830 --> 00:57:27,040

Hilary yes you were okay with them

1187

00:57:30,960 --> 00:57:28,840

promoting it that way well I don't know

1188

00:57:34,470 --> 00:57:30,970

because I was like gue heading out to

1189

00:57:37,890 --> 00:57:34,480

the debate and all of a sudden my you

1190

00:57:41,780 --> 00:57:37,900

know I was splashed on the news you know

1191

00:57:44,760 --> 00:57:41,790

CNN had me on the Fox had me on their

1192

00:57:47,370 --> 00:57:44,770

MSNBC had me on there and I'll just

1193

00:57:49,410 --> 00:57:47,380

heading out and boom my face and

1194

00:57:51,180 --> 00:57:49,420

everything and I say wow you know I

1195

00:57:52,350 --> 00:57:51,190

wasn't use that kind of publicity you

1196

00:57:54,810 --> 00:57:52,360

thought you were just gonna be in the

1197

00:57:57,450 --> 00:57:54,820

audience turns out they really put you

1198

00:57:58,560 --> 00:57:57,460

up as a prop in showings that AHA the

1199

00:58:00,090 --> 00:57:58,570

president's brother is supporting

1200

00:58:04,290 --> 00:58:00,100

trouble yes and when I went there I was

1201  
00:58:05,520 --> 00:58:04,300  
on the first first row yeah so what were

1202  
00:58:08,490 --> 00:58:05,530  
you okay with the fact that they

1203  
00:58:12,630 --> 00:58:08,500  
promoted it that way yeah as long as you

1204  
00:58:14,730 --> 00:58:12,640  
know we were gonna beat them damn it and

1205  
00:58:17,580 --> 00:58:14,740  
you did yes and we did and we're gonna

1206  
00:58:19,560 --> 00:58:17,590  
beat them again 2020 huh so and what

1207  
00:58:22,380 --> 00:58:19,570  
about ever since then Metro

1208  
00:58:23,910 --> 00:58:22,390  
no I haven't met him no that's kakano

1209  
00:58:26,040 --> 00:58:23,920  
disappointed because seem like he's

1210  
00:58:28,550 --> 00:58:26,050  
turning out the same way Obama was you

1211  
00:58:31,550 --> 00:58:28,560  
know supported Obama of all those years

1212  
00:58:34,890 --> 00:58:31,560  
but you know he took me he didn't

1213  
00:58:36,720 --> 00:58:34,900

appreciate my support yeah and even mr.

1214

00:58:39,840 --> 00:58:36,730

Trump uh still support him I still like

1215

00:58:42,540 --> 00:58:39,850

her where he is but I feel like you know

1216

00:58:44,370 --> 00:58:42,550

he hasn't really acknowledged me okay so

1217

00:58:45,960 --> 00:58:44,380

before we wrap up let's just sum up

1218

00:58:48,540 --> 00:58:45,970

things with your with your brother have

1219

00:58:50,550 --> 00:58:48,550

an autobiographical harder biography

1220

00:58:53,970 --> 00:58:50,560

that ever that I'm finished with and I'm

1221

00:58:56,280 --> 00:58:53,980

looking for a publisher now do you hope

1222

00:58:59,780 --> 00:58:56,290

to reconcile with your brother I hope so

1223

00:59:03,240 --> 00:58:59,790

and have you made any effort to do that

1224

00:59:07,260 --> 00:59:03,250

no cuz there's no way that I can reach

1225

00:59:12,900 --> 00:59:07,270

him he can reach me being a piece a

1226

00:59:14,640 --> 00:59:12,910

Nobel Peace Prize recipient should be

1227

00:59:17,810 --> 00:59:14,650

able to promote peace between him and I

1228

00:59:21,000 --> 00:59:17,820

he should how mosa a peace ambassador

1229

00:59:23,340 --> 00:59:21,010

but I can't reach him so he could and

1230

00:59:29,460 --> 00:59:23,350

the perfect opportunity if he really was

1231

00:59:33,300 --> 00:59:29,470

a peace maker was a time recently when

1232

00:59:35,940 --> 00:59:33,310

he came to to Kenya he came to last year

1233

00:59:37,230 --> 00:59:35,950

right to my home yes and he could have

1234

00:59:39,030 --> 00:59:37,240

come to me

1235

00:59:42,120 --> 00:59:39,040

he could have were you there at the time

1236

00:59:44,280 --> 00:59:42,130

yes I was he could have come to me and

1237

00:59:46,650 --> 00:59:44,290

did he see a luma yeah he was with a

1238

00:59:48,089 --> 00:59:46,660

woman but he was passing through another

1239

00:59:51,569 --> 00:59:48,099

thing is he was passing through

1240

00:59:53,640 --> 00:59:51,579

he didn't come specifically to Kenya to

1241

00:59:57,420 --> 00:59:53,650

see Kenyans but he was going to South

1242

00:59:59,549 --> 00:59:57,430

Africa for some speech you know so he

1243

01:00:01,589 --> 00:59:59,559

just was passing through didn't say a

1244

01:00:04,319 --> 01:00:01,599

lot of anybody he I mean he just passed

1245

01:00:06,690 --> 01:00:04,329

through well he also supported she

1246

01:00:10,069 --> 01:00:06,700

opened up some type of a center right in

1247

01:00:13,940 --> 01:00:10,079

in Kenya yes yes yes yes yes

1248

01:00:18,120 --> 01:00:13,950

so he's supporting I Alma but not you

1249

01:00:22,620 --> 01:00:18,130

yeah so maybe she is kind of the key to

1250

01:00:24,299 --> 01:00:22,630

bring you guys together who knows well

1251

01:00:26,339 --> 01:00:24,309

we're gonna play our part I'm gonna

1252

01:00:28,589 --> 01:00:26,349

extend an invitation to your brother to

1253

01:00:30,240 --> 01:00:28,599

come here and sit down with me yes tell

1254

01:00:33,059 --> 01:00:30,250

his side of the story I didn't tell his

1255

01:00:35,059 --> 01:00:33,069

story tell him I'm ready to reconcile I

1256

01:00:38,640 --> 01:00:35,069

don't have a problem with that you know

1257

01:00:39,270 --> 01:00:38,650

we should be you know together as a

1258

01:00:42,390 --> 01:00:39,280

family

1259

01:00:46,380 --> 01:00:42,400

I hope that he doesn't forget how it

1260

01:00:48,079 --> 01:00:46,390

used to be disappointed that because

1261

01:00:51,599 --> 01:00:48,089

he's a president and now he's a big-shot

1262

01:00:54,420 --> 01:00:51,609

that he's sort of like up in the air you

1263

01:00:56,700 --> 01:00:54,430

know but I've been told that even if

1264

01:00:59,730 --> 01:00:56,710

you're flying with the Eagles your feet

1265

01:01:03,480 --> 01:00:59,740

should be on the ground you know but I

1266

01:01:05,940 --> 01:01:03,490

guess he's all 'but now his somewhat you

1267

01:01:09,870 --> 01:01:05,950

know somewhere else is different from

1268

01:01:10,440 --> 01:01:09,880

ours but you know with us we'll do the

1269

01:01:12,710 --> 01:01:10,450

best we can

1270

01:01:16,109 --> 01:01:12,720

he'll do the best in my organization

1271

01:01:20,640 --> 01:01:16,119

hopefully I get some sort of I hope that

1272

01:01:23,010 --> 01:01:20,650

and I appeal to friends and the

1273

01:01:25,859 --> 01:01:23,020

well-wishers people of goodwill to

1274

01:01:29,430 --> 01:01:25,869

support the Barack H Obama foundation in

1275

01:01:36,150 --> 01:01:29,440

our quest to promote women and young

1276

01:01:37,799 --> 01:01:36,160

girls in Kenya and beyond well we

1277

01:01:39,059 --> 01:01:37,809

support the foundation and I hope that

1278

01:01:40,680 --> 01:01:39,069

you'll be able to reconcile with your

1279

01:01:42,569 --> 01:01:40,690

brother thank you watching thank you for
