FOX & friends

1
00:00:07,639 --> 00:00:04,420

[Music]

2
00:00:10,009 --> 00:00:07,649

shocking photos show just how bad the

3
00:00:11,660 --> 00:00:10,019

conditions are getting in downtown Los

4
00:00:14,600 --> 00:00:11,670

Angeles with the city overwhelmed with

5
00:00:17,870 --> 00:00:14,610

trash and rats and even a typhoid

6
00:00:19,849 --> 00:00:17,880

outbreak a typhoid outbreak well our

7
00:00:21,740 --> 00:00:19,859

next guest in a new op-ed blasting the

8
00:00:23,390 --> 00:00:21,750

state's politicians saying they can

9
00:00:26,540 --> 00:00:23,400

learn a thing or two from President

10
00:00:28,250 --> 00:00:26,550

Trump's slogan America first here to

11
00:00:30,919 --> 00:00:28,260

weigh in is attorney and host of a

12
00:00:34,010 --> 00:00:30,929

hidden truth show Jim Breslow hey Jim

13
00:00:35,930 --> 00:00:34,020

good to see you good morning from

14

00:00:37,459 --> 00:00:35,940

beautiful California yeah you live out

15

00:00:40,610 --> 00:00:37,469

there tell us what you see when you walk

16

00:00:42,290 --> 00:00:40,620

down the streets in LA well first of all

17

00:00:44,020 --> 00:00:42,300

I want to start with the positive that

18

00:00:48,319 --> 00:00:44,030

California is a beautiful place

19

00:00:49,670 --> 00:00:48,329

mountains oceans beaches desert and but

20

00:00:52,520 --> 00:00:49,680

I think that's also part of the problem

21

00:00:53,930 --> 00:00:52,530

is that everybody loves living here

22

00:00:56,810 --> 00:00:53,940

people are going to continue to come

23

00:00:58,520 --> 00:00:56,820

here and it doesn't matter how bad our

24

00:00:59,689 --> 00:00:58,530

government gets people are going to want

25

00:01:01,130 --> 00:00:59,699

to live here it's like a restaurant

26

00:01:02,479 --> 00:01:01,140

that's in a beautiful location they

27

00:01:04,009 --> 00:01:02,489

don't need to have great service they

28

00:01:06,109 --> 00:01:04,019

don't need to have great food people are

29

00:01:08,359 --> 00:01:06,119

going to still keep coming and that's

30

00:01:10,789 --> 00:01:08,369

what we have in California and yes the

31

00:01:13,219 --> 00:01:10,799

latest example of that is this trash

32

00:01:16,179 --> 00:01:13,229

that has been piling up in downtown Los

33

00:01:19,090 --> 00:01:16,189

Angeles resulting in typhus and so on

34

00:01:21,230 --> 00:01:19,100

the cause of it appears to be the

35

00:01:23,240 --> 00:01:21,240

tremendous increase in homelessness

36

00:01:25,429 --> 00:01:23,250

that's been reported widely across

37

00:01:26,870 --> 00:01:25,439

California all of my friends and

38

00:01:28,580 --> 00:01:26,880

neighbors are dealing with issues with

39

00:01:30,230 --> 00:01:28,590

it I'm dealing with in my community

40

00:01:31,490 --> 00:01:30,240

which is an affluent community they're

41

00:01:34,130 --> 00:01:31,500

dealing with it in downtown Los Angeles

42

00:01:36,950 --> 00:01:34,140

and we've got a second problem we have a

43

00:01:39,020 --> 00:01:36,960

big release of prison populations the

44

00:01:40,880 --> 00:01:39,030

Supreme Court has ordered California to

45

00:01:43,219 --> 00:01:40,890

release prisoners because we don't have

46

00:01:44,749 --> 00:01:43,229

proper housing for them so California is

47

00:01:46,550 --> 00:01:44,759

again and again demonstrating the

48

00:01:49,090 --> 00:01:46,560

failure to provide the most basic

49

00:01:52,819 --> 00:01:49,100

governmental needs for its people yeah

50

00:01:54,710 --> 00:01:52,829

and I think part of the latest situation

51
00:01:56,660 --> 00:01:54,720
out there Jim is that they were going to

52
00:01:59,480 --> 00:01:56,670
try to crack down on the amount of stuff

53
00:02:02,120 --> 00:01:59,490
that these people in in along Skid Row

54
00:02:03,499 --> 00:02:02,130
could have piled up and they decided at

55
00:02:03,920 --> 00:02:03,509
the last minute not to do anything about

56
00:02:06,859 --> 00:02:03,930
it

57
00:02:10,100 --> 00:02:06,869
Gavin Newsom the governor out there said

58
00:02:12,800 --> 00:02:10,110
this California is what happened

59
00:02:14,540 --> 00:02:12,810
when rights are respected when workers

60
00:02:16,340 --> 00:02:14,550
reward and when nature's protecting when

61
00:02:18,290 --> 00:02:16,350
diversity is celebrated in free markets

62
00:02:20,290 --> 00:02:18,300
are free markets we are nothing less

63
00:02:23,570 --> 00:02:20,300

than the progressive answer to a

64

00:02:26,840 --> 00:02:23,580

transgressive president is he right

65

00:02:28,520 --> 00:02:26,850

about that I think that's part of the

66

00:02:31,430 --> 00:02:28,530

problem we have a governor who appears

67

00:02:33,530 --> 00:02:31,440

to be more focused on global issues and

68

00:02:34,880 --> 00:02:33,540

on preparing for a run against this

69

00:02:36,800 --> 00:02:34,890

president rather than solving the

70

00:02:38,390 --> 00:02:36,810

problems right here in California and

71

00:02:40,820 --> 00:02:38,400

that's why kind of the headline of my

72

00:02:43,850 --> 00:02:40,830

article was it's time for California to

73

00:02:46,790 --> 00:02:43,860

be put first there was a belief out

74

00:02:48,560 --> 00:02:46,800

there that President Obama tend to see

75

00:02:50,180 --> 00:02:48,570

himself as president of the world as

76
00:02:52,550 --> 00:02:50,190
opposed to the United States and I think

77
00:02:54,740 --> 00:02:52,560
that's what led to Donald Trump he said

78
00:02:56,630 --> 00:02:54,750
it's time to put America first we need

79
00:02:58,490 --> 00:02:56,640
our governor in California to put

80
00:03:00,860 --> 00:02:58,500
America first he's focused on solving

81
00:03:03,770 --> 00:03:00,870
global warming okay he's focused on

82
00:03:06,380 --> 00:03:03,780
solving open borders he's implementing

83
00:03:09,350 --> 00:03:06,390
the green New Deal in California with

84
00:03:11,840 --> 00:03:09,360
this extremely expensive bullet train

85
00:03:13,520 --> 00:03:11,850
the train to nowhere as I call it rather

86
00:03:15,530 --> 00:03:13,530
than solving the basic problems of

87
00:03:17,570 --> 00:03:15,540
Californians if you would like to read

88
00:03:19,130 --> 00:03:17,580
