00:00:09,230 --> 00:00:06,789

[Music]

2
00:00:11,240 --> 00:00:09,240

since we haven't spoken in a while you

3
00:00:14,180 --> 00:00:11,250

know the FBI report came out etcetera

4
00:00:18,609 --> 00:00:14,190

there's been a lot of time now as you

5
00:00:23,870 --> 00:00:18,619

sit back and reflect on on the massacre

6
00:00:26,779 --> 00:00:23,880

what are your conclusions about Patek

7
00:00:28,849 --> 00:00:26,789

you convinced after all of this and all

8
00:00:30,849 --> 00:00:28,859

the speculation and conspiracy theories

9
00:00:34,310 --> 00:00:30,859

etc are you convinced that this guy

10
00:00:39,410 --> 00:00:34,320

truly acted alone and just was a guy who

11
00:00:41,869 --> 00:00:39,420

snapped not 100% I believe he was the

12
00:00:44,330 --> 00:00:41,879

only one in the room when the shooting

13
00:00:46,700 --> 00:00:44,340

started and nobody went out of that room

14

00:00:49,369 --> 00:00:46,710

during the shooting or after I think I

15

00:00:53,930 --> 00:00:49,379

think that's confirmed what I always

16

00:00:57,290 --> 00:00:53,940

said to this day is I'm not convinced

17

00:01:00,319 --> 00:00:57,300

that he didn't have help prior either in

18

00:01:03,290 --> 00:01:00,329

the hotel or at some point outside the

19

00:01:05,660 --> 00:01:03,300

hotel that somebody did not know what he

20

00:01:08,450 --> 00:01:05,670

intended to do either because they

21

00:01:12,289 --> 00:01:08,460

assisted him or he said something in

22

00:01:16,160 --> 00:01:12,299

passing I just cannot buy that it's too

23

00:01:18,440 --> 00:01:16,170

much of a way involved you know what all

24

00:01:20,060 --> 00:01:18,450

those guns going up in the room that he

25

00:01:21,830 --> 00:01:20,070

didn't even at least say something to

26
00:01:23,179 --> 00:01:21,840
somebody sometime before that hey I'm

27
00:01:24,230 --> 00:01:23,189
gonna go crazy one day I'm going to

28
00:01:26,960 --> 00:01:24,240
Vegas I'm gonna kill a bunch of people

29
00:01:29,210 --> 00:01:26,970
something that simple or is it something

30
00:01:32,929 --> 00:01:29,220
more here than that will being told I

31
00:01:35,420 --> 00:01:32,939
was completely annoyed with that three

32
00:01:37,249 --> 00:01:35,430
page FBI statement but I know they put

33
00:01:39,050 --> 00:01:37,259
out a statement I think rouse was on

34
00:01:41,840 --> 00:01:39,060
some program some time ago the past

35
00:01:44,660 --> 00:01:41,850
couple weeks said that if you want the

36
00:01:47,240 --> 00:01:44,670
information you have to go to foi a that

37
00:01:50,990 --> 00:01:47,250
is a bunch of nonsense they already came

38
00:01:53,630 --> 00:01:51,000

out Metro and the FBI and said he acted

39

00:01:55,999 --> 00:01:53,640

alone there was no group domestic

40

00:01:58,370 --> 00:01:56,009

international the case is closed

41

00:02:00,499 --> 00:01:58,380

signed sealed and delivered wolf that's

42

00:02:02,149 --> 00:02:00,509

the case release everything that you

43

00:02:03,950 --> 00:02:02,159

have you know I'm a former criminal

44

00:02:06,560 --> 00:02:03,960

investigator and an investigator in the

45

00:02:08,930 --> 00:02:06,570

private sector what I'm looking for is I

46

00:02:10,910 --> 00:02:08,940

want I want to see all the forensic

47

00:02:13,190 --> 00:02:10,920

analysis reports that have not been

48

00:02:13,930 --> 00:02:13,200

released I want to see all the

49

00:02:16,990 --> 00:02:13,940

information

50

00:02:18,940 --> 00:02:17,000

that was on his phones his computers you

51
00:02:21,130 --> 00:02:18,950
know they said something in the report

52
00:02:22,990 --> 00:02:21,140
that came out at least the police report

53
00:02:24,790 --> 00:02:23,000
if I report that he had over like 1600

54
00:02:27,460 --> 00:02:24,800
phone calls I think in the past 12

55
00:02:28,570 --> 00:02:27,470
months well who was he calling I want to

56
00:02:31,180 --> 00:02:28,580
know who is who was he communicating

57
00:02:33,010 --> 00:02:31,190
with who was he calling while he was at

58
00:02:34,080 --> 00:02:33,020
the hotel I think there were phone calls

59
00:02:37,420 --> 00:02:34,090
or something

60
00:02:39,160 --> 00:02:37,430
the day before who is he talking to

61
00:02:40,990 --> 00:02:39,170
that's right 11 yeah I want to see the

62
00:02:42,520 --> 00:02:41,000
forensic analysis the biggest thing I

63
00:02:45,580 --> 00:02:42,530

want to see Jim that really bothers me

64

00:02:47,830 --> 00:02:45,590

is why didn't they release the forensic

65

00:02:49,930 --> 00:02:47,840

analysis reports on wood bullets

66

00:02:53,020 --> 00:02:49,940

projectiles that recovered that could be

67

00:02:55,270 --> 00:02:53,030

examined that matched all the weapons in

68

00:02:57,070 --> 00:02:55,280

the room that has never been released

69

00:02:58,870 --> 00:02:57,080

and and I don't know if we're ever gonna

70

00:03:02,350 --> 00:02:58,880

get that I know they say in the police

71

00:03:03,280 --> 00:03:02,360

report that came out last year the tool

72

00:03:04,810 --> 00:03:03,290

they're not the preliminary but the

73

00:03:06,400 --> 00:03:04,820

final police report the preliminary said

74

00:03:09,310 --> 00:03:06,410

the same thing final course is the same

75

00:03:11,640 --> 00:03:09,320

thing also that the information they had

76

00:03:12,790 --> 00:03:11,650

in that report they keep referring to

77

00:03:15,610 --> 00:03:12,800

FBI

78

00:03:16,990 --> 00:03:15,620

analysis report for the cartridge cases

79

00:03:19,060 --> 00:03:17,000

in the room they said they were all

80

00:03:21,940 --> 00:03:19,070

examined and all those cartridge cases

81

00:03:23,260 --> 00:03:21,950

were from the weapons found the new one

82

00:03:25,350 --> 00:03:23,270

that he fired I think he only fired like

83

00:03:28,120 --> 00:03:25,360

89 10 weapons didn't fire all of them

84

00:03:31,180 --> 00:03:28,130

but we now see the projectiles because

85

00:03:33,580 --> 00:03:31,190

that's a that's a bone in people's back

86

00:03:36,130 --> 00:03:33,590

right now is these reports that people

87

00:03:37,750 --> 00:03:36,140

heard are the shots and I read the

88

00:03:39,820 --> 00:03:37,760

report some people said yes we heard the

89

00:03:43,570 --> 00:03:39,830

shots from an joi Bay but we also heard

90

00:03:45,340 --> 00:03:43,580

shots from ground level and you know you

91

00:03:47,170 --> 00:03:45,350

have to take this sometimes with a grain

92

00:03:48,550 --> 00:03:47,180

of salt because they're witness

93

00:03:50,050 --> 00:03:48,560

statements and you know witness

94

00:03:51,220 --> 00:03:50,060

statements have convicted people and put

95

00:03:53,380 --> 00:03:51,230

them in jail and turns out not to be

96

00:03:57,280 --> 00:03:53,390

true but there's a lot of those reports

97

00:04:00,280 --> 00:03:57,290

so where are the bullets / projectiles

98

00:04:02,740 --> 00:04:00,290

that were taken out of the bodies of the

99

00:04:05,470 --> 00:04:02,750

deceased the victims who were shot the

100

00:04:07,210 --> 00:04:05,480

cars the ground the tents everything

101
00:04:09,580 --> 00:04:07,220
that was over there they recovered you

102
00:04:13,240 --> 00:04:09,590
know that was the bullets at least half

103
00:04:16,300 --> 00:04:13,250
of them let's say given half 50% how'd

104
00:04:17,590 --> 00:04:16,310
it be not deformed enough where they

105
00:04:20,740 --> 00:04:17,600
could put analysis on how come we

106
00:04:22,750 --> 00:04:20,750
haven't seen any that the stuff that was

107
00:04:25,600 --> 00:04:22,760
on the computers go ahead yeah well even

108
00:04:27,070 --> 00:04:25,610
the FBI report I don't think references

109
00:04:28,150 --> 00:04:27,080
it at all in other words it doesn't even

110
00:04:29,020 --> 00:04:28,160
say that

111
00:04:31,540 --> 00:04:29,030
correct me if I'm wrong that we've

112
00:04:33,010 --> 00:04:31,550
analyzed all of the bullets that were

113
00:04:35,200 --> 00:04:33,020

found and confirmed that they all came

114

00:04:36,430 --> 00:04:35,210

from weapons from his room no they've

115

00:04:39,550 --> 00:04:36,440

never said that and you remember this

116

00:04:41,860 --> 00:04:39,560

too and this bothers a lot of people and

117

00:04:43,990 --> 00:04:41,870

I was talking to some cops from Becky's

118

00:04:44,800 --> 00:04:44,000

the other day is people have to

119

00:04:47,770 --> 00:04:44,810

understand this

120

00:04:50,110 --> 00:04:47,780

the ATF was not allowed to take

121

00:04:53,350 --> 00:04:50,120

possession of those firearms everything

122

00:04:55,150 --> 00:04:53,360

that came out of that room everything

123

00:04:57,760 --> 00:04:55,160

that came out of the concert venue

124

00:04:59,260 --> 00:04:57,770

everything came out of his houses was

125

00:05:02,080 --> 00:04:59,270

taken by the Federal Bureau of

126

00:05:04,870 --> 00:05:02,090

Investigation they have all the evidence

127

00:05:09,610 --> 00:05:04,880

the video tapes that Metro collected now

128

00:05:12,790 --> 00:05:09,620

I talked to an employee of MGM Resorts

129

00:05:16,360 --> 00:05:12,800

International and he told me that almost

130

00:05:20,080 --> 00:05:16,370

immediately the FBI had trucks out there

131

00:05:22,660 --> 00:05:20,090

and they took not only downloaded the

132

00:05:27,240 --> 00:05:22,670

video from the hotel but they removed

133

00:05:31,380 --> 00:05:27,250

racks of the actual DVRs so much so that

134

00:05:34,720 --> 00:05:31,390

MGM our I had to put out memos to get

135

00:05:37,840 --> 00:05:34,730

surveillance operators to work overtime

136

00:05:39,460 --> 00:05:37,850

excuse me at the Mandalay Bay because

137

00:05:41,140 --> 00:05:39,470

they had to physically be on the floor

138

00:05:43,540 --> 00:05:41,150

to watch the table games and the cash

139

00:05:46,060 --> 00:05:43,550

transacted cages because for a period of

140

00:05:47,860 --> 00:05:46,070

time and I sent a memo last year to MGM

141

00:05:49,360 --> 00:05:47,870

riot and the police and they would have

142

00:05:51,520 --> 00:05:49,370

not you know didn't return any comment

143

00:05:53,080 --> 00:05:51,530

on it and he said because you know that

144

00:05:54,730 --> 00:05:53,090

you can do that you have to get approval

145

00:05:57,100 --> 00:05:54,740

from the Gaming Commission because you

146

00:05:59,290 --> 00:05:57,110

don't have video coverage but you have

147

00:06:01,240 --> 00:05:59,300

to have operators excuse me observers

148

00:06:02,800 --> 00:06:01,250

surveillance observers on the floor

149

00:06:04,659 --> 00:06:02,810

watching the table games from watching

150

00:06:06,490 --> 00:06:04,669

the cancer the cash transactions he said

151
00:06:08,890 --> 00:06:06,500
they came in they took rocks of DVRs

152
00:06:11,230 --> 00:06:08,900
digital rats now you the FBI took

153
00:06:13,840 --> 00:06:11,240
everything from the room essentially

154
00:06:15,790 --> 00:06:13,850
right everything everything from the

155
00:06:17,860 --> 00:06:15,800
room the computers the weapons assess

156
00:06:20,380 --> 00:06:17,870
the weapons everything that was in room

157
00:06:22,150 --> 00:06:20,390
the FBI got we don't know what was on

158
00:06:24,430 --> 00:06:22,160
those computers yet in the report that

159
00:06:28,120 --> 00:06:24,440
we got from the FBI is what they call a

160
00:06:30,670 --> 00:06:28,130
behavioral analysis report right no that

161
00:06:33,250 --> 00:06:30,680
was it to me that's okay that's fine you

162
00:06:34,930 --> 00:06:33,260
know that is a bunch of psychologists

163
00:06:38,409 --> 00:06:34,940

and a bunch of agents in that unit who

164

00:06:40,659 --> 00:06:38,419

sit down and argue for months and say we

165

00:06:42,070 --> 00:06:40,669

got to come up with why he thinks why do

166

00:06:44,830 --> 00:06:42,080

we think he did what he did

167

00:06:46,540 --> 00:06:44,840

it's it's not a hundred percent and

168

00:06:48,520 --> 00:06:46,550

that's only one type of report shouldn't

169

00:06:50,680 --> 00:06:48,530

there be another type of report from the

170

00:06:52,930 --> 00:06:50,690

FBI besides just a behavioral analysis

171

00:06:54,969 --> 00:06:52,940

report considering that they seem to

172

00:06:58,270 --> 00:06:54,979

take the lead in so many elements of

173

00:06:59,740 --> 00:06:58,280

this investigation look at me I look at

174

00:07:03,939 --> 00:06:59,750

the look at the Vegas report at least

175

00:07:05,619 --> 00:07:03,949

that was 150 pages about 187 pages on it

176

00:07:07,240 --> 00:07:05,629

and filled with mistakes and I've

177

00:07:09,850 --> 00:07:07,250

pointed out in several stories but we

178

00:07:11,890 --> 00:07:09,860

get three pages out of the FBI we got

179

00:07:14,230 --> 00:07:11,900

three pages but we don't have their

180

00:07:16,809 --> 00:07:14,240

investigation we don't have wounded

181

00:07:18,760 --> 00:07:16,819

agents talked to what did they do in the

182

00:07:21,249 --> 00:07:18,770

lab what was on the computer all that's

183

00:07:24,399 --> 00:07:21,259

all that forensic stuff is what I want

184

00:07:25,330 --> 00:07:24,409

to see because you know I don't people

185

00:07:26,800 --> 00:07:25,340

say there's a cover-up

186

00:07:28,450 --> 00:07:26,810

and there may be a cover-up I don't know

187

00:07:29,980 --> 00:07:28,460

they keep sending me emails I don't know

188

00:07:31,779 --> 00:07:29,990

I'm not a mind-reader I'm looking at

189

00:07:33,189 --> 00:07:31,789

what's been released could have they

190

00:07:36,279 --> 00:07:33,199

have been something with Steve and

191

00:07:38,740 --> 00:07:36,289

paddock that maybe and this is just

192

00:07:41,110 --> 00:07:38,750

hypothetical maybe the police in the FBI

193

00:07:43,839 --> 00:07:41,120

had some kind some type of contact with

194

00:07:44,920 --> 00:07:43,849

this guy beforehand and that's what

195

00:07:46,330 --> 00:07:44,930

they're trying to cover up it could be

196

00:07:48,040 --> 00:07:46,340

something just like that because you

197

00:07:50,170 --> 00:07:48,050

know that they've been scrutinized for

198

00:07:52,120 --> 00:07:50,180

other mass shooting incidents where they

199

00:07:53,290 --> 00:07:52,130

had contact with the individual shooter

200

00:07:55,120 --> 00:07:53,300

they didn't do anything

201
00:07:57,790 --> 00:07:55,130
it could be something so simple as that

202
00:08:00,279 --> 00:07:57,800
or it could be more involved or it could

203
00:08:02,469 --> 00:08:00,289
be be absolutely nothing it could just

204
00:08:05,110 --> 00:08:02,479
be that yeah he was by himself he did it

205
00:08:07,149 --> 00:08:05,120
nobody plans with them and they just

206
00:08:10,290 --> 00:08:07,159
don't want to release anything but to me

207
00:08:12,339 --> 00:08:10,300
that red flags go up as an investigator

208
00:08:13,869 --> 00:08:12,349
especially when they say the case is

209
00:08:16,300 --> 00:08:13,879
closed there's nothing to do anymore if

210
00:08:18,550 --> 00:08:16,310
you're a legitimate reason for the FBI

211
00:08:20,860 --> 00:08:18,560
to be releasing so little in other words

212
00:08:23,200 --> 00:08:20,870
do they like not to reveal their sources

213
00:08:24,909 --> 00:08:23,210

and methods or there's be information in

214

00:08:26,740 --> 00:08:24,919

there that the public they don't want

215

00:08:29,439 --> 00:08:26,750

the public to know for some legitimate

216

00:08:31,930 --> 00:08:29,449

reason like I can't see I don't see how

217

00:08:34,389 --> 00:08:31,940

putting releasing the forensic report on

218

00:08:35,980 --> 00:08:34,399

the bullets that they examined I mean

219

00:08:38,589 --> 00:08:35,990

they do that all the time in cases how

220

00:08:40,750 --> 00:08:38,599

is that going to affect sources methods

221

00:08:43,930 --> 00:08:40,760

you know labid I'm a habit it's not

222

00:08:47,470 --> 00:08:43,940

that's ridiculous the case is closed by

223

00:08:49,269 --> 00:08:47,480

both Metro and the FBI so if he was the

224

00:08:51,850 --> 00:08:49,279

only one involved you didn't have any

225

00:08:55,210 --> 00:08:51,860

help no domestic terrorists no foreign

226

00:08:55,930 --> 00:08:55,220

terrorists no hate groups signed sealed

227

00:08:58,480 --> 00:08:55,940

delivered

228

00:09:01,090 --> 00:08:58,490

then release everything that you have

229

00:09:02,140 --> 00:09:01,100

and Baron rouse said on this was a

230

00:09:05,500 --> 00:09:02,150

couple of weeks I think he was on a

231

00:09:07,390 --> 00:09:05,510

radio show something to the effect from

232

00:09:09,700 --> 00:09:07,400

what I heard somebody told me I didn't

233

00:09:13,210 --> 00:09:09,710

listen to whole thing that it'll be

234

00:09:15,280 --> 00:09:13,220

released to fo ia on their website

235

00:09:18,760 --> 00:09:15,290

something like that or my question to

236

00:09:21,190 --> 00:09:18,770

the FBI is why should people have to

237

00:09:23,020 --> 00:09:21,200

file foia which is hundreds and

238

00:09:25,870 --> 00:09:23,030

thousand dollars to you know for the

239

00:09:27,100 --> 00:09:25,880

cost why should we have to do that why

240

00:09:28,660 --> 00:09:27,110

don't they just come out the case calls

241

00:09:30,670 --> 00:09:28,670

here here's all good ways if you want to

242

00:09:32,410 --> 00:09:30,680

redact names of people you talk to the

243

00:09:33,790 --> 00:09:32,420

FBI I mean the Metro Police Department

244

00:09:35,590 --> 00:09:33,800

out here did that on the statements and

245

00:09:37,270 --> 00:09:35,600

stuff except for the police officers

246

00:09:37,690 --> 00:09:37,280

everybody's name was redact in contact

247

00:09:39,730 --> 00:09:37,700

numbers

248

00:09:41,680 --> 00:09:39,740

well redacted but put it out on the

249

00:09:43,540 --> 00:09:41,690

website then why they're basically

250

00:09:46,450 --> 00:09:43,550

saying we will release it if a court

251

00:09:48,520 --> 00:09:46,460

orders us to release it well no they

252

00:09:50,350 --> 00:09:48,530

said they'll release it if it's an FOI

253

00:09:52,090 --> 00:09:50,360

request I know there's people that said

254

00:09:53,500 --> 00:09:52,100

they've contacted the FBI and there's

255

00:09:55,360 --> 00:09:53,510

some people online saying we're gonna

256

00:09:57,820 --> 00:09:55,370

get the stuff now I don't know if that's

257

00:10:01,570 --> 00:09:57,830

true or not if they did well my point is

258

00:10:05,590 --> 00:10:01,580

why should the American public have to

259

00:10:06,820 --> 00:10:05,600

petition the FBI on to fo a to get the

260

00:10:08,320 --> 00:10:06,830

stuff and he says you know they'll

261

00:10:10,840 --> 00:10:08,330

release it will just release it

262

00:10:12,730 --> 00:10:10,850

end of story end of cuz you know the

263

00:10:14,200 --> 00:10:12,740

more they do stuff like this Jim and

264

00:10:15,820 --> 00:10:14,210

this is the problem with with Joe

265

00:10:17,170 --> 00:10:15,830

Lombardo out here with the sheriff who

266

00:10:20,770 --> 00:10:17,180

runs the Las Vegas Metro Police

267

00:10:22,750 --> 00:10:20,780

Department his lies all out lies false

268

00:10:26,830 --> 00:10:22,760

statements misleading statements

269

00:10:30,580 --> 00:10:26,840

convoluted statements he he he made

270

00:10:33,010 --> 00:10:30,590

conspiracy theories to be born because

271

00:10:35,800 --> 00:10:33,020

of what he did instead of coming out

272

00:10:37,480 --> 00:10:35,810

immediately and being transparent but

273

00:10:38,770 --> 00:10:37,490

all this stuff I was writing about last

274

00:10:40,570 --> 00:10:38,780

year and I broke the story about

275

00:10:43,420 --> 00:10:40,580

homicide was not allowed to go and

276

00:10:45,280 --> 00:10:43,430

investigate pattex death you know they

277

00:10:47,350 --> 00:10:45,290

rolled over the body before the crime

278

00:10:48,940 --> 00:10:47,360

scene analysis came in they didn't have

279

00:10:51,280 --> 00:10:48,950

enough armored vehicles they had to

280

00:10:53,320 --> 00:10:51,290

borrow from a private company the SWAT

281

00:10:55,210 --> 00:10:53,330

guys fired rounds I was the first one to

282

00:10:57,220 --> 00:10:55,220

write about it you know and then it took

283

00:10:59,740 --> 00:10:57,230

a months and months to come out and talk

284

00:11:03,040 --> 00:10:59,750

about the stuff only when by the way

285

00:11:05,770 --> 00:11:03,050

when the court ordered the release first

286

00:11:08,050 --> 00:11:05,780

came the the statements the officers

287

00:11:09,940 --> 00:11:08,060

reports when in the affidavits of the

288

00:11:12,670 --> 00:11:09,950

search warrants and then

289

00:11:14,950 --> 00:11:12,680

whar the body-cam that's the only way we

290

00:11:16,690 --> 00:11:14,960

found out anything and that's not the

291

00:11:18,370 --> 00:11:16,700

way it was supposed to be you know when

292

00:11:20,860 --> 00:11:18,380

it's fine for the Metropolitan Police

293

00:11:22,270 --> 00:11:20,870

Department and I say Joe Lombardo I'll

294

00:11:24,100 --> 00:11:22,280

use his name because he runs everything

295

00:11:26,160 --> 00:11:24,110

that happens in that department comes

296

00:11:29,440 --> 00:11:26,170

out of the office of the sheriff okay

297

00:11:33,460 --> 00:11:29,450

fifty-eight people died on October 1st

298

00:11:36,040 --> 00:11:33,470

2017 almost 500 were wounded by gunfire

299

00:11:38,620 --> 00:11:36,050

and then you have thousands no other

300

00:11:40,330 --> 00:11:38,630

injury claims Stampede trip and Falls

301

00:11:42,280 --> 00:11:40,340

and all that stuff we'll just look at

302

00:11:44,680 --> 00:11:42,290

the almost 500 who are wounded by

303

00:11:47,140 --> 00:11:44,690

gunfire and the 58 who died it's very

304

00:11:49,600 --> 00:11:47,150

easy to come out now and say you know we

305

00:11:51,130 --> 00:11:49,610

changed methods procedures and we have

306

00:11:52,690 --> 00:11:51,140

other things in place some point this

307

00:11:55,450 --> 00:11:52,700

couldn't happen again if it happened and

308

00:11:57,730 --> 00:11:55,460

then life goes on in Las Vegas that is

309

00:11:59,800 --> 00:11:57,740

not good enough for me that is not good

310

00:12:01,780 --> 00:11:59,810

enough for the families of the people

311

00:12:03,460 --> 00:12:01,790

who were killed and the survivors who

312

00:12:05,110 --> 00:12:03,470

was shot some of them are gonna live

313

00:12:07,030 --> 00:12:05,120

with those injuries for the rest of

314

00:12:08,530 --> 00:12:07,040

their life some of them are paralyzed it

315

00:12:10,750 --> 00:12:08,540

just doesn't work like that sheriff

316

00:12:13,720 --> 00:12:10,760

Lombardo okay it's been one thing after

317

00:12:16,200 --> 00:12:13,730

another with this guy from the start and

318

00:12:19,780 --> 00:12:16,210

another thing Jim that I want to get out

319

00:12:22,510 --> 00:12:19,790

which was a disgrace is Sheriff Joe

320

00:12:27,520 --> 00:12:22,520

Lombardo during this whole investigation

321

00:12:30,640 --> 00:12:27,530

on quote quote when on news programs

322

00:12:34,150 --> 00:12:30,650

that he only knew would not make him

323

00:12:35,530 --> 00:12:34,160

look like the idiot that he is he went

324

00:12:37,870 --> 00:12:35,540

out here he didn't go on any national

325

00:12:40,480 --> 00:12:37,880

news programs because he knew he's gonna

326

00:12:42,910 --> 00:12:40,490

be grilled by professional interviewers

327

00:12:45,490 --> 00:12:42,920

he didn't do that and some of the

328

00:12:47,500 --> 00:12:45,500

interviews he gave out here you all out

329

00:12:49,870 --> 00:12:47,510

lied on and I wrote stories about it and

330

00:12:52,510 --> 00:12:49,880

when you have quote/unquote

331

00:12:54,280 --> 00:12:52,520

investigative journalists out here who

332

00:12:55,900 --> 00:12:54,290

penned himself is you know we uncover

333

00:12:58,180 --> 00:12:55,910

the biggest conspiracies and you know

334

00:13:01,060 --> 00:12:58,190

we've been doing it for 30 years and the

335

00:13:03,220 --> 00:13:01,070

sheriff sits across from you three feet

336

00:13:04,360 --> 00:13:03,230

away and this happened in November of

337

00:13:07,690 --> 00:13:04,370

2017

338

00:13:11,290 --> 00:13:07,700

and he says on camera to the public

339

00:13:14,170 --> 00:13:11,300

because it was local ALS klas television

340

00:13:15,610 --> 00:13:14,180

and says in essence I don't have the

341

00:13:17,410 --> 00:13:15,620

thing in front of me we had to get in

342

00:13:19,180 --> 00:13:17,420

that room as fast as he could because we

343

00:13:21,610 --> 00:13:19,190

didn't want panic to open fire and

344

00:13:23,560 --> 00:13:21,620

reload now sitting three feet away from

345

00:13:25,749 --> 00:13:23,570

looking right in his eyes on camera

346

00:13:27,490 --> 00:13:25,759

is the investigative journalists his

347

00:13:30,189 --> 00:13:27,500

name was George Knapp and what does he

348

00:13:33,069 --> 00:13:30,199

do he goes on to another question and I

349

00:13:36,249 --> 00:13:33,079

wrote the story the next day that really

350

00:13:37,780 --> 00:13:36,259

sheriff really you got to you guys went

351
00:13:40,240 --> 00:13:37,790
in that room because you didn't want him

352
00:13:41,650 --> 00:13:40,250
to reveal open fire you didn't go in

353
00:13:43,809 --> 00:13:41,660
that room for an hour and five minutes

354
00:13:45,879 --> 00:13:43,819
so where was the concerns for the public

355
00:13:48,699 --> 00:13:45,889
safety my point being is this this was

356
00:13:50,949 --> 00:13:48,709
typical of the interviews he was giving

357
00:13:53,860 --> 00:13:50,959
out here will he just spurts out

358
00:13:56,290 --> 00:13:53,870
whatever he wants and either because the

359
00:13:59,259 --> 00:13:56,300
people interview him are completely

360
00:14:01,809 --> 00:13:59,269
stupid of the actual events as they

361
00:14:04,030 --> 00:14:01,819
happened or they didn't want to attack

362
00:14:05,889 --> 00:14:04,040
him it's only one of the two and then

363
00:14:07,600 --> 00:14:05,899

when that happened and then people

364

00:14:09,850 --> 00:14:07,610

thought hey that's not what happened I

365

00:14:11,259 --> 00:14:09,860

wrote the story on that one incident how

366

00:14:13,240 --> 00:14:11,269

can you say that you went in the room to

367

00:14:15,480 --> 00:14:13,250

stop him when he took an alibi but it

368

00:14:19,269 --> 00:14:15,490

didn't this is what I mean by non

369

00:14:22,150 --> 00:14:19,279

transparency and BS that continued with

370

00:14:25,329 --> 00:14:22,160

this guy and then remember sheriff

371

00:14:27,819 --> 00:14:25,339

Lombardo fourth with Department

372

00:14:29,290 --> 00:14:27,829

attorneys not to have anything ever

373

00:14:31,840 --> 00:14:29,300

released to the public

374

00:14:33,699 --> 00:14:31,850

he went to Carson City when the

375

00:14:35,410 --> 00:14:33,709

newspapers I think it was the journal

376

00:14:37,569 --> 00:14:35,420

and the post and the New York Times the

377

00:14:38,920 --> 00:14:37,579

LA Times will go into the court to say

378

00:14:40,660 --> 00:14:38,930

listen we want all the stuff release

379

00:14:43,210 --> 00:14:40,670

this is Public Records Act and eff

380

00:14:46,210 --> 00:14:43,220

Hawaii and remember he hired attorneys

381

00:14:48,900 --> 00:14:46,220

to go to Carson City and fight that and

382

00:14:51,550 --> 00:14:48,910

they lost and that raises more red flags

383

00:14:53,710 --> 00:14:51,560

what are they afraid of and he came out

384

00:14:56,050 --> 00:14:53,720

with some stupid lame comment is well

385

00:14:57,699 --> 00:14:56,060

you know we're doing it because we don't

386

00:14:59,410 --> 00:14:57,709

want the victims and the families of the

387

00:15:01,449 --> 00:14:59,420

deceased to relive this thing over and

388

00:15:03,699 --> 00:15:01,459

over I still get emails from these

389

00:15:06,040 --> 00:15:03,709

people and they're not happy the way the

390

00:15:08,740 --> 00:15:06,050

thing went there's a lot of questions

391

00:15:11,009 --> 00:15:08,750

that we do still do not know about we

392

00:15:14,530 --> 00:15:11,019

don't one of the things I talked on

393

00:15:17,460 --> 00:15:14,540

early on in my stories that bothers me

394

00:15:20,290 --> 00:15:17,470

to this day is this

395

00:15:21,370 --> 00:15:20,300

after paddock stop firing up that window

396

00:15:24,340 --> 00:15:21,380

okay

397

00:15:26,319 --> 00:15:24,350

an hour later 11 o'clock a limit thirty

398

00:15:28,449 --> 00:15:26,329

twelve o'clock and on there were

399

00:15:32,110 --> 00:15:28,459

gunshots being called in at other

400

00:15:35,650 --> 00:15:32,120

casinos now it's not a conspiracy theory

401
00:15:37,420 --> 00:15:35,660
I listened to those 911 dispatch tapes

402
00:15:38,950 --> 00:15:37,430
and people with right

403
00:15:42,190 --> 00:15:38,960
when they were calling in they were

404
00:15:45,220 --> 00:15:42,200
crying Lombardo's answer to that on one

405
00:15:46,450 --> 00:15:45,230
of the radio shows was basically people

406
00:15:48,220 --> 00:15:46,460
didn't know what they were what they

407
00:15:51,220 --> 00:15:48,230
were seeing in here and it was the

408
00:15:53,019 --> 00:15:51,230
people who stampeded during the concert

409
00:15:54,430 --> 00:15:53,029
than you and some of them had blood on

410
00:15:56,620 --> 00:15:54,440
them because they were heard and they

411
00:15:59,139 --> 00:15:56,630
ran into these casinos and right away

412
00:16:00,850 --> 00:15:59,149
people assumed the people were shot in

413
00:16:02,980 --> 00:16:00,860

those casinos well I'll tell you

414

00:16:06,639 --> 00:16:02,990

something Joe Lovato you need to review

415

00:16:08,530 --> 00:16:06,649

your 911 dispatch tapes and I'm gonna

416

00:16:10,210 --> 00:16:08,540

point one out here and I was actually

417

00:16:11,620 --> 00:16:10,220

gonna play portions of it to the mixer

418

00:16:13,120 --> 00:16:11,630

here but I didn't set it up and I'm

419

00:16:15,100 --> 00:16:13,130

gonna do a story on that at the end of

420

00:16:18,579 --> 00:16:15,110

this week next week what about the call

421

00:16:22,300 --> 00:16:18,589

that came in from Carmela who was the

422

00:16:25,360 --> 00:16:22,310

front desk clerk in the VIP section of

423

00:16:28,240 --> 00:16:25,370

the Bellagio it came in about 11:30 on

424

00:16:29,829 --> 00:16:28,250

October 1st and I have the tape I got to

425

00:16:32,170 --> 00:16:29,839

look up the tape number that it is and

426

00:16:34,030 --> 00:16:32,180

she's screaming and crying when she

427

00:16:37,090 --> 00:16:34,040

calls the 911 operator and the operator

428

00:16:39,400 --> 00:16:37,100

says calm down nameless Guanches they

429

00:16:40,900 --> 00:16:39,410

fired shots at the front desk people are

430

00:16:43,500 --> 00:16:40,910

running we're running out of here my

431

00:16:46,090 --> 00:16:43,510

co-workers with my manager four times

432

00:16:48,310 --> 00:16:46,100

she says who's the shooty I don't see

433

00:16:50,199 --> 00:16:48,320

the shooter the shots came I heard the

434

00:16:53,199 --> 00:16:50,209

shots right here people are stampeding

435

00:16:55,269 --> 00:16:53,209

now there's witness statements from that

436

00:16:57,519 --> 00:16:55,279

show that released where people were in

437

00:17:00,430 --> 00:16:57,529

the Bellagio and they said the same

438

00:17:02,980 --> 00:17:00,440

thing that shots were fired so that's

439

00:17:06,069 --> 00:17:02,990

just one instance so what's going on

440

00:17:09,309 --> 00:17:06,079

with that what happened now I spoke to

441

00:17:13,480 --> 00:17:09,319

an MGM RI employee who was working the

442

00:17:15,520 --> 00:17:13,490

night in Perea and he says remember

443

00:17:18,699 --> 00:17:15,530

unwanted and just go back to the

444

00:17:20,559 --> 00:17:18,709

Bellagio there are calls and that's

445

00:17:23,169 --> 00:17:20,569

verified not only through the voice call

446

00:17:25,870 --> 00:17:23,179

in there but on the communications log

447

00:17:27,579 --> 00:17:25,880

you see where they dispatch officers

448

00:17:28,960 --> 00:17:27,589

there but time to get that they say we

449

00:17:31,120 --> 00:17:28,970

don't hear any shots there's nothing

450

00:17:33,400 --> 00:17:31,130

here well yeah of course because you

451

00:17:35,410 --> 00:17:33,410

know but time they got there the shot

452

00:17:37,720 --> 00:17:35,420

the guy was gone same thing happened at

453

00:17:40,930 --> 00:17:37,730

the area so when we brought the arrogant

454

00:17:43,299 --> 00:17:40,940

thing I spoke to an employer area who

455

00:17:45,520 --> 00:17:43,309

was working in at night and he says the

456

00:17:48,159 --> 00:17:45,530

police are lying we heard the shots

457

00:17:50,740 --> 00:17:48,169

there was a stampede in the casino end

458

00:17:52,900 --> 00:17:50,750

on the audio recordings

459

00:17:54,700 --> 00:17:52,910

that were released the radio traffic you

460

00:17:56,170 --> 00:17:54,710

hear that one female police officer I

461

00:17:59,080 --> 00:17:56,180

had to destroy him this last year and

462

00:18:00,580 --> 00:17:59,090

she's saying I'm over an area send me

463

00:18:03,430 --> 00:18:00,590

some help I'm with security we have a

464

00:18:07,690 --> 00:18:03,440

shooting over looking for a shooter he

465

00:18:10,090 --> 00:18:07,700

told me that gunshots definitely

466

00:18:11,950 --> 00:18:10,100

happened inside the casino floor and

467

00:18:14,800 --> 00:18:11,960

there was a stampede and there's video

468

00:18:16,360 --> 00:18:14,810

to prove it he's also you in your

469

00:18:18,870 --> 00:18:16,370

opinion you don't think this is fog of

470

00:18:21,460 --> 00:18:18,880

war kind of stuff people rattled and

471

00:18:25,900 --> 00:18:21,470

hearing loud noises and assuming it's

472

00:18:29,680 --> 00:18:25,910

shots when people call 911 and you'll

473

00:18:31,180 --> 00:18:29,690

hear their own voice on the audio I'd

474

00:18:33,790 --> 00:18:31,190

listen to this one the other night and

475

00:18:37,510 --> 00:18:33,800

and I'm an ex-cop and I was getting

476

00:18:38,860 --> 00:18:37,520

chills listening to this woman and I'm

477

00:18:40,270 --> 00:18:38,870

trying to find the page here on the

478

00:18:43,210 --> 00:18:40,280

actual offline be here in a second while

479

00:18:45,610 --> 00:18:43,220

I'm talking the actual but Doug where

480

00:18:46,090 --> 00:18:45,620

would the bullet holes be where are the

481

00:18:48,610 --> 00:18:46,100

bullets

482

00:18:50,500 --> 00:18:48,620

if cells were fired they would be in the

483

00:18:52,240 --> 00:18:50,510

casino somewhere they were ringing the

484

00:18:53,020 --> 00:18:52,250

walls they would be in the ceiling and

485

00:18:55,270 --> 00:18:53,030

that's what I'm saying

486

00:18:58,450 --> 00:18:55,280

but baby happening but we haven't heard

487

00:19:01,480 --> 00:18:58,460

about any such bullet holes or the

488

00:19:03,160 --> 00:19:01,490

casino finding them so well you can't

489

00:19:06,220 --> 00:19:03,170

find something unless you look for it

490

00:19:09,460 --> 00:19:06,230

okay and you got to remember something

491

00:19:11,590 --> 00:19:09,470

the casinos don't want to hear that they

492

00:19:14,140 --> 00:19:11,600

don't want people to know that there

493

00:19:16,120 --> 00:19:14,150

were shots fired in their casino I went

494

00:19:19,030 --> 00:19:16,130

through this twenty something years ago

495

00:19:20,830 --> 00:19:19,040

when I was an investigator for the MGM

496

00:19:22,510 --> 00:19:20,840

guys I worked for was five years I was

497

00:19:26,440 --> 00:19:22,520

an investigator for the MGM Grand

498

00:19:29,320 --> 00:19:26,450

MGM RI when we had the Stampede at the

499

00:19:30,940 --> 00:19:29,330

Tyson fight and somebody heard shots and

500

00:19:32,080 --> 00:19:30,950

you know we were looking for a boy and

501
00:19:33,220 --> 00:19:32,090
that's what caused the Stampede and

502
00:19:35,830 --> 00:19:33,230
stuff and that would that was mine that

503
00:19:39,130 --> 00:19:35,840
was like one or two shots casinos don't

504
00:19:41,050 --> 00:19:39,140
won in the newspapers that Hey after

505
00:19:43,930 --> 00:19:41,060
paddock stopped firing down at the

506
00:19:46,060 --> 00:19:43,940
Mandalay Bay you know there was shots it

507
00:19:47,680 --> 00:19:46,070
called in it you know the new york new

508
00:19:49,750 --> 00:19:47,690
york the re the blasts you know some of

509
00:19:52,780 --> 00:19:49,760
them you know there's no corroboration

510
00:19:54,760 --> 00:19:52,790
but when you have employees on the phone

511
00:19:56,740 --> 00:19:54,770
with the dispatcher for five minutes and

512
00:19:58,570 --> 00:19:56,750
they give him blow-by-blow and she says

513
00:20:00,250 --> 00:19:58,580

four times we heard the shots there were

514

00:20:02,200 --> 00:20:00,260

shots fired yes there was shots fired

515

00:20:04,390 --> 00:20:02,210

and like I said I spoke to the other

516

00:20:07,030 --> 00:20:04,400

employ towering he says there was shot

517

00:20:08,650 --> 00:20:07,040

fired we all heard it and if you look

518

00:20:11,170 --> 00:20:08,660

back at the video he said you can see

519

00:20:13,300 --> 00:20:11,180

the Stampede but the problem is nobody's

520

00:20:14,980 --> 00:20:13,310

showing that video so we know you as a

521

00:20:18,100 --> 00:20:14,990

level-headed guy and not a conspiracy

522

00:20:19,920 --> 00:20:18,110

theorist but it appears that you seem to

523

00:20:22,930 --> 00:20:19,930

believe that there were shots fired

524

00:20:26,380 --> 00:20:22,940

elsewhere that evening how do you

525

00:20:28,270 --> 00:20:26,390

connect the two I said this I was the

526
00:20:29,860 --> 00:20:28,280
first one to write about this when I

527
00:20:32,470 --> 00:20:29,870
started writing the stories after the

528
00:20:34,330 --> 00:20:32,480
massacre in 2017 and I said and one of

529
00:20:35,920 --> 00:20:34,340
my first stories that because I was

530
00:20:37,960 --> 00:20:35,930
listening to the radio traffic live out

531
00:20:40,440 --> 00:20:37,970
here was going on that I hope the police

532
00:20:43,930 --> 00:20:40,450
department does a thorough investigation

533
00:20:46,450 --> 00:20:43,940
and analysis of the calls that were

534
00:20:49,390 --> 00:20:46,460
coming in for shots at other casinos

535
00:20:52,120 --> 00:20:49,400
even if some of those calls were false

536
00:20:53,980 --> 00:20:52,130
to see is it the same voice calling in

537
00:20:55,600 --> 00:20:53,990
was it done as a you know is the

538
00:20:58,770 --> 00:20:55,610

disruption with something else planned

539

00:21:01,450 --> 00:20:58,780

maybe what was somebody just doing that

540

00:21:02,980 --> 00:21:01,460

for a next event to say hey let's see

541

00:21:04,240 --> 00:21:02,990

how the police respond if we start

542

00:21:06,100 --> 00:21:04,250

calling in calls or all these are

543

00:21:07,900 --> 00:21:06,110

casinos and maybe we go in we fire a

544

00:21:09,310 --> 00:21:07,910

couple of shots and we get them over

545

00:21:11,200 --> 00:21:09,320

there how when they run from this

546

00:21:12,940 --> 00:21:11,210

section side of town to that is there

547

00:21:14,920 --> 00:21:12,950

enough police I said that early on I

548

00:21:16,510 --> 00:21:14,930

don't know Jim because we haven't seen

549

00:21:18,850 --> 00:21:16,520

any of the video from inside these

550

00:21:21,190 --> 00:21:18,860

casinos all we have all we have is

551
00:21:22,630 --> 00:21:21,200
metros word and you hear it on the radio

552
00:21:25,180 --> 00:21:22,640
when they get there the cops say you

553
00:21:28,630 --> 00:21:25,190
know we can't find anybody okay not

554
00:21:30,880 --> 00:21:28,640
finding anybody on a shooting call does

555
00:21:32,770 --> 00:21:30,890
not mean that the people were hearing

556
00:21:34,030 --> 00:21:32,780
things and you go through those witness

557
00:21:35,770 --> 00:21:34,040
statements that were released we'll

558
00:21:38,830 --> 00:21:35,780
release by Metro by court order and

559
00:21:40,930 --> 00:21:38,840
there's tons of people in these casinos

560
00:21:42,610 --> 00:21:40,940
that swear they heard shots

561
00:21:45,130 --> 00:21:42,620
I mean or all these people just making

562
00:21:45,550 --> 00:21:45,140
it up I don't know well so I mean shots

563
00:21:47,520 --> 00:21:45,560

fired

564

00:21:50,470 --> 00:21:47,530

anywhere on the Las Vegas Strip is

565

00:21:52,420 --> 00:21:50,480

international news right so you're

566

00:21:56,080 --> 00:21:52,430

suggesting that shots could have been

567

00:22:01,330 --> 00:21:56,090

fired an hour after the shots at route

568

00:22:02,860 --> 00:22:01,340

91 and never reported well they were

569

00:22:04,590 --> 00:22:02,870

reported because people were calling it

570

00:22:06,610 --> 00:22:04,600

in I I don't know if they've actually

571

00:22:08,020 --> 00:22:06,620

investigated I mean to the Kean think

572

00:22:09,040 --> 00:22:08,030

Cena's just say listen you know it's not

573

00:22:10,390 --> 00:22:09,050

over with you know we're not gonna be

574

00:22:12,100 --> 00:22:10,400

looking for bullet holes of course we're

575

00:22:14,140 --> 00:22:12,110

not gonna come out and announce to the

576

00:22:17,020 --> 00:22:14,150

world that there was somebody firing

577

00:22:17,390 --> 00:22:17,030

shots in the casino maybe not shots to

578

00:22:19,010 --> 00:22:17,400

kill

579

00:22:21,530 --> 00:22:19,020

somebody maybe shocks to cause a

580

00:22:23,240 --> 00:22:21,540

stampede so cops get there so they could

581

00:22:25,850 --> 00:22:23,250

see the movements of the police that's

582

00:22:28,700 --> 00:22:25,860

my concern you say they is who would

583

00:22:31,370 --> 00:22:28,710

they be whoever was involved with firing

584

00:22:32,540 --> 00:22:31,380

the weapons they be connected in your

585

00:22:36,740 --> 00:22:32,550

under your theory would they be

586

00:22:39,350 --> 00:22:36,750

connected to Patek I can't say yes 50

587

00:22:41,570 --> 00:22:39,360

100 percent and I can't say no I do not

588

00:22:43,850 --> 00:22:41,580

know there's so much stuff that we don't

589

00:22:44,630 --> 00:22:43,860

know that bothers me it is another thing

590

00:22:46,550 --> 00:22:44,640

okay

591

00:22:50,180 --> 00:22:46,560

there's been a lot of conspiracy

592

00:22:51,920 --> 00:22:50,190

theories about know people death a

593

00:22:55,240 --> 00:22:51,930

driver the reports people definitely

594

00:22:57,770 --> 00:22:55,250

heard what they said were shots

595

00:23:00,620 --> 00:22:57,780

ground-level and they said they heard

596

00:23:03,050 --> 00:23:00,630

shots coming from Mandalay Bay okay now

597

00:23:05,630 --> 00:23:03,060

the conspiracy people say they were

598

00:23:07,040 --> 00:23:05,640

terrorists in Las Vegas and they were

599

00:23:09,200 --> 00:23:07,050

killing people on the ground and that is

600

00:23:10,940 --> 00:23:09,210

nonsense because there were cops all

601
00:23:13,220 --> 00:23:10,950
over the place that night just itching

602
00:23:14,720 --> 00:23:13,230
yeah I remember metro shoots and kills

603
00:23:16,970 --> 00:23:14,730
you out here just for sneezin if you

604
00:23:18,200 --> 00:23:16,980
don't put your hands up you know they

605
00:23:20,510 --> 00:23:18,210
didn't get in a fight there were no

606
00:23:21,800 --> 00:23:20,520
terrorists running around Vegas in

607
00:23:24,080 --> 00:23:21,810
firefights with cops

608
00:23:26,960 --> 00:23:24,090
I mean I've talked to tons of cops and

609
00:23:29,030 --> 00:23:26,970
said that that didn't happen but how

610
00:23:32,360 --> 00:23:29,040
about this scenario okay that makes a

611
00:23:36,680 --> 00:23:32,370
little bit more sense I did reports that

612
00:23:39,740 --> 00:23:36,690
there were magazines and rounds found in

613
00:23:41,420 --> 00:23:39,750

different areas of that the concert

614

00:23:42,740 --> 00:23:41,430

venue in the back five did several story

615

00:23:44,750 --> 00:23:42,750

any we've got they've held some Raines

616

00:23:46,790 --> 00:23:44,760

rounds and some bathrooms at one of the

617

00:23:49,520 --> 00:23:46,800

casinos I did stories on it and I think

618

00:23:52,130 --> 00:23:49,530

I you know the people who want radio

619

00:23:54,080 --> 00:23:52,140

shows that said no as I was running I

620

00:23:56,630 --> 00:23:54,090

was seeing rounds on the ground now

621

00:23:59,810 --> 00:23:56,640

listen to this okay Patek is up in that

622

00:24:01,550 --> 00:23:59,820

room he already knew camp post it was

623

00:24:04,730 --> 00:24:01,560

movement in the hall because he fired at

624

00:24:06,980 --> 00:24:04,740

him okay and he's firing out the window

625

00:24:09,350 --> 00:24:06,990

on him Pete and I did that story for ten

626
00:24:12,110 --> 00:24:09,360
minutes now don't you think it's a

627
00:24:15,170 --> 00:24:12,120
little odd that that whole ten minutes

628
00:24:19,160 --> 00:24:15,180
that paddock was firing that the only

629
00:24:22,790 --> 00:24:19,170
police officer who fired his weapon that

630
00:24:24,620 --> 00:24:22,800
night was Shawn O'Donnell from the Las

631
00:24:26,090 --> 00:24:24,630
Vegas Metro SWAT team we talked about

632
00:24:29,330 --> 00:24:26,100
that story that you said this morning

633
00:24:30,659 --> 00:24:29,340
the accidental discharge up in the going

634
00:24:35,460 --> 00:24:30,669
into the second room went the

635
00:24:37,379 --> 00:24:35,470
before when these cops out here fire

636
00:24:39,119 --> 00:24:37,389
their weapons or water I'm not gonna say

637
00:24:40,649 --> 00:24:39,129
all the time but there's a lot of bad

638
00:24:41,970 --> 00:24:40,659

shootings but I'm like I said you don't

639

00:24:43,710 --> 00:24:41,980

put your hands up out here when cops

640

00:24:45,479 --> 00:24:43,720

says it white black a green is a good

641

00:24:48,060 --> 00:24:45,489

chance you can end up dead or shot and

642

00:24:51,629 --> 00:24:48,070

there's ten minute period when cops had

643

00:24:54,840 --> 00:24:51,639

rifles and handguns I found it odd and

644

00:24:58,109 --> 00:24:54,850

so did other cops that nobody fired any

645

00:25:00,359 --> 00:24:58,119

returned fire could the rounds that were

646

00:25:03,180 --> 00:25:00,369

found and the and the sounds of gunfire

647

00:25:04,769 --> 00:25:03,190

on the ground be from cops that just

648

00:25:06,389 --> 00:25:04,779

said hey you know what a hand coming

649

00:25:08,249 --> 00:25:06,399

from the Mandalay Bay I see the flashes

650

00:25:10,349 --> 00:25:08,259

up there I'm gonna fly and return fire

651
00:25:12,269 --> 00:25:10,359
could that be why panicked said the hell

652
00:25:13,440 --> 00:25:12,279
with this I'll kill myself before they

653
00:25:15,359 --> 00:25:13,450
come through the door because now he's

654
00:25:15,989 --> 00:25:15,369
getting rounds he would see the flashes

655
00:25:18,060 --> 00:25:15,999
coming up

656
00:25:21,029 --> 00:25:18,070
or maybe the impacts and the windows

657
00:25:23,249 --> 00:25:21,039
were blown out that's hypothetical but

658
00:25:25,859 --> 00:25:23,259
that scenario that I spoke with with

659
00:25:27,690 --> 00:25:25,869
several cops makes more sense than the

660
00:25:28,979 --> 00:25:27,700
people saying there were terrorists

661
00:25:30,810 --> 00:25:28,989
killing people on the ground that that

662
00:25:33,539 --> 00:25:30,820
did not happen okay that did not happen

663
00:25:35,849 --> 00:25:33,549

but yes that would that would make sense

664

00:25:37,739 --> 00:25:35,859

that would be a very dangerous shot to

665

00:25:40,560 --> 00:25:37,749

take the wouldn't from the ground up to

666

00:25:41,359 --> 00:25:40,570

the 32nd floor when you've got people in

667

00:25:44,099 --> 00:25:41,369

hotel rooms

668

00:25:46,680 --> 00:25:44,109

absolutely the people say well why would

669

00:25:48,090 --> 00:25:46,690

they cover that up well because the cops

670

00:25:49,739 --> 00:25:48,100

would just take their weapons and go

671

00:25:51,210 --> 00:25:49,749

home and clean them and then never tell

672

00:25:53,129 --> 00:25:51,220

anybody they fire the weapons because

673

00:25:55,109 --> 00:25:53,139

from what I found out from police

674

00:25:58,499 --> 00:25:55,119

officers out here it's against their

675

00:25:59,999 --> 00:25:58,509

policy to fire suppressive fire but you

676
00:26:02,310 --> 00:26:00,009
got to remember I mean it makes more

677
00:26:04,859 --> 00:26:02,320
sense to me that because he was flying

678
00:26:07,440 --> 00:26:04,869
for over ten minutes you know it stopped

679
00:26:09,509 --> 00:26:07,450
almost a 1016 somewhere between 10:15

680
00:26:11,729 --> 00:26:09,519
and since 16 if the shots stopped he

681
00:26:14,430 --> 00:26:11,739
started at 10:05 and he got all these

682
00:26:15,599 --> 00:26:14,440
cops and and not one of them just said

683
00:26:17,489 --> 00:26:15,609
the heck with this I thought this fire

684
00:26:20,519 --> 00:26:17,499
some shots up there I mean in like one

685
00:26:23,430 --> 00:26:20,529
cop told me he said if I was there and I

686
00:26:25,680 --> 00:26:23,440
had my rifle and and I heard from cops

687
00:26:27,810 --> 00:26:25,690
that they wanted some cops wanted to

688
00:26:29,669 --> 00:26:27,820

take the shots from the rifles but they

689

00:26:32,399 --> 00:26:29,679

were afraid they would miss because of

690

00:26:33,779 --> 00:26:32,409

the distance and you know maybe take

691

00:26:36,029 --> 00:26:33,789

somebody else out that was in the zone

692

00:26:38,249 --> 00:26:36,039

to the floor and some cop said had I

693

00:26:39,810 --> 00:26:38,259

been there with the rifle I wouldn't

694

00:26:41,849 --> 00:26:39,820

even thought I would have just did the

695

00:26:43,979 --> 00:26:41,859

best I can to get it up into those those

696

00:26:44,669 --> 00:26:43,989

windows where he was firing from and god

697

00:26:47,100 --> 00:26:44,679

forbid we hit

698

00:26:48,930 --> 00:26:47,110

and innocent person but we remember you

699

00:26:52,200 --> 00:26:48,940

got hundreds of people getting shot and

700

00:26:55,440 --> 00:26:52,210

dying falling on the ground so was an

701
00:26:57,060 --> 00:26:55,450
extraordinary event that should have had

702
00:26:59,159 --> 00:26:57,070
extraordinary thinking but I'm not

703
00:27:00,690 --> 00:26:59,169
saying that that happened but I spoke to

704
00:27:01,830 --> 00:27:00,700
police officers about this and they're

705
00:27:04,799 --> 00:27:01,840
the ones that brought it up and said you

706
00:27:06,239 --> 00:27:04,809
know they found it very odd that nobody

707
00:27:08,159 --> 00:27:06,249
in their department returned that one

708
00:27:09,720 --> 00:27:08,169
shot when you know they have a

709
00:27:12,690 --> 00:27:09,730
reputation so the times are being too

710
00:27:15,690 --> 00:27:12,700
fast on the trigger I said that makes

711
00:27:18,210 --> 00:27:15,700
sense let's talk about an officer who

712
00:27:22,919 --> 00:27:18,220
would have had a much closer shot our

713
00:27:23,340 --> 00:27:22,929

friend mr. Hendrix yes so he's not my

714

00:27:29,369 --> 00:27:23,350

friend

715

00:27:32,129 --> 00:27:29,379

facetiously so you you wrote a story

716

00:27:34,830 --> 00:27:32,139

about a month ago and because of what

717

00:27:38,039 --> 00:27:34,840

happened in parkland Scott Peterson who

718

00:27:39,859 --> 00:27:38,049

was a what off-duty police officer or a

719

00:27:42,600 --> 00:27:39,869

former police officer

720

00:27:44,549 --> 00:27:42,610

Scott Scott Peterson was an on-duty

721

00:27:46,230 --> 00:27:44,559

school resource officer who's a Broward

722

00:27:48,480 --> 00:27:46,240

County deputy sheriff assigned to

723

00:27:50,399 --> 00:27:48,490

Marjory Stoneman Douglas high school

724

00:27:53,460 --> 00:27:50,409

okay I'm sorry I assumed that he was a

725

00:27:55,109 --> 00:27:53,470

private security at that time no no he

726
00:27:57,570 --> 00:27:55,119
was the people who worked for Broward

727
00:28:03,509 --> 00:27:57,580
County Sheriff's over our County was

728
00:28:06,690 --> 00:28:03,519
keeping a a an officer on duty at that

729
00:28:08,789 --> 00:28:06,700
school every day all day as far as you

730
00:28:10,230 --> 00:28:08,799
know as far as I know he was a school

731
00:28:11,669 --> 00:28:10,240
resource officer sighing that's cool we

732
00:28:13,259 --> 00:28:11,679
have bout here in Clark County I mean a

733
00:28:14,700 --> 00:28:13,269
lot of juris exam they they and they

734
00:28:15,180 --> 00:28:14,710
work for your they work for the police

735
00:28:17,909 --> 00:28:15,190
department

736
00:28:20,369 --> 00:28:17,919
well apt it depends in in Bratton

737
00:28:22,230 --> 00:28:20,379
Florida they work there deputy sheriff

738
00:28:23,460 --> 00:28:22,240

sprout County Sheriff's Office but

739

00:28:25,649 --> 00:28:23,470

they're assigned as school resource

740

00:28:27,180 --> 00:28:25,659

officers because they're assigned to

741

00:28:28,889 --> 00:28:27,190

that division that projects the schools

742

00:28:32,249 --> 00:28:28,899

are they different dennah than a regular

743

00:28:35,269 --> 00:28:32,259

police officer no he's a deputy sheriff

744

00:28:38,909 --> 00:28:35,279

for Brown County Sheriff's Office and

745

00:28:40,919 --> 00:28:38,919

and he's got a gun on him yes he has a

746

00:28:43,619 --> 00:28:40,929

gun you got radio he's got the mace got

747

00:28:45,330 --> 00:28:43,629

the guy I think that's unusual I don't

748

00:28:47,070 --> 00:28:45,340

think most Public Schools have that do

749

00:28:49,230 --> 00:28:47,080

they they probably should but I'm just

750

00:28:50,519 --> 00:28:49,240

only here in LA we've got they do

751

00:28:52,230 --> 00:28:50,529

there's plenty of jurisdictions that

752

00:28:55,080 --> 00:28:52,240

have with the Cole school out here a

753

00:28:57,419 --> 00:28:55,090

Clark County we have clock County school

754

00:28:57,800 --> 00:28:57,429

police they go to the police academy the

755

00:28:59,660 --> 00:28:57,810

police

756

00:29:01,550 --> 00:28:59,670

at an elementary school you've got an

757

00:29:04,850 --> 00:29:01,560

armed police officers there every day I

758

00:29:06,350 --> 00:29:04,860

don't know a but they have cars they you

759

00:29:08,060 --> 00:29:06,360

know they go to so many schools in their

760

00:29:09,470 --> 00:29:08,070

area they walk through you know if

761

00:29:11,270 --> 00:29:09,480

there's problems in a high school

762

00:29:12,860 --> 00:29:11,280

they're more often there call Clark

763

00:29:15,290 --> 00:29:12,870

County School District police they are

764

00:29:18,200 --> 00:29:15,300

law enforcement officers police officers

765

00:29:19,610 --> 00:29:18,210

but they work for the county school okay

766

00:29:21,860 --> 00:29:19,620

so it looks like it I don't want to get

767

00:29:25,480 --> 00:29:21,870

into too much detail of parkland but

768

00:29:28,550 --> 00:29:25,490

bottom line this guy did not respond

769

00:29:31,460 --> 00:29:28,560

properly to this school shooting he's

770

00:29:33,110 --> 00:29:31,470

there to protect the students and here's

771

00:29:35,420 --> 00:29:33,120

his opportunity to protect him and he

772

00:29:38,530 --> 00:29:35,430

utterly fails and he ends up getting

773

00:29:41,380 --> 00:29:38,540

charged after a thorough investigation

774

00:29:43,700 --> 00:29:41,390

11 charges are brought against him right

775

00:29:45,920 --> 00:29:43,710

yeah there was something like that 10 11

776

00:29:46,940 --> 00:29:45,930

jogging and what what do you know much

777

00:29:48,980 --> 00:29:46,950

about the charges what's the most

778

00:29:51,980 --> 00:29:48,990

significant charges are these include

779

00:29:53,960 --> 00:29:51,990

felony charges yes I mean he's take a

780

00:29:55,550 --> 00:29:53,970

perjury for lying in the report I think

781

00:29:57,110 --> 00:29:55,560

it was neglect of duty I don't know if

782

00:29:59,420 --> 00:29:57,120

that's a gross misdemeanor out there at

783

00:30:02,240 --> 00:29:59,430

a felony but yeah he's in a lot of

784

00:30:04,040 --> 00:30:02,250

trouble right now so so basically you

785

00:30:04,940 --> 00:30:04,050

know when I first heard those charges

786

00:30:06,740 --> 00:30:04,950

right the first thing I thought about

787

00:30:08,660 --> 00:30:06,750

was Hendrix in Vegas and thinking oh my

788

00:30:11,180 --> 00:30:08,670

gosh that's basically a very similar

789

00:30:13,400 --> 00:30:11,190

situation you got to thinking the same

790

00:30:14,750 --> 00:30:13,410

thing and decided you know what I'm just

791

00:30:17,270 --> 00:30:14,760

gonna follow up because we haven't heard

792

00:30:18,770 --> 00:30:17,280

about this Hendrix guy and you you you

793

00:30:21,700 --> 00:30:18,780

call over to the police department and

794

00:30:24,980 --> 00:30:21,710

nobody knows his whereabouts right a

795

00:30:26,330 --> 00:30:24,990

month ago right for the story the the

796

00:30:29,660 --> 00:30:26,340

most recent story broke that we learned

797

00:30:33,740 --> 00:30:29,670

now that you was actually fired back in

798

00:30:36,140 --> 00:30:33,750

March without any public notification of

799

00:30:38,210 --> 00:30:36,150

that that's right now let's put somebody

800

00:30:40,910 --> 00:30:38,220

perspective it's not the same thing as

801
00:30:43,430 --> 00:30:40,920
in Florida and I'll say why in Florida

802
00:30:44,870 --> 00:30:43,440
Sheriff Israel who got slammed on that

803
00:30:47,780 --> 00:30:44,880
and they even put him out of office or

804
00:30:49,220 --> 00:30:47,790
something he came out the next day when

805
00:30:50,540 --> 00:30:49,230
he looked at the video and we heard

806
00:30:52,880 --> 00:30:50,550
about the press conference I looked at

807
00:30:54,760 --> 00:30:52,890
the video and I'm sickened he should

808
00:30:58,520 --> 00:30:54,770
have reacted and went in to save lives

809
00:31:02,480 --> 00:30:58,530
Joe Lombardo covered up the Hendrix

810
00:31:05,210 --> 00:31:02,490
incident for months for months

811
00:31:07,820 --> 00:31:05,220
okay I was the first one to write about

812
00:31:09,230 --> 00:31:07,830
it before the body cam footage came out

813
00:31:11,480 --> 00:31:09,240

that's what everybody picked up on it

814

00:31:13,310 --> 00:31:11,490

yeah to be clear to remind everybody

815

00:31:15,620 --> 00:31:13,320

it's been some time there was all kinds

816

00:31:17,180 --> 00:31:15,630

of disputed different timelines Lombardo

817

00:31:20,140 --> 00:31:17,190

had three different timelines within a

818

00:31:23,450 --> 00:31:20,150

few days as far as who went where and

819

00:31:25,250 --> 00:31:23,460

where and when and it turns out we

820

00:31:27,110 --> 00:31:25,260

learned for the first time correct me if

821

00:31:29,840 --> 00:31:27,120

I'm wrong when the body cam is released

822

00:31:32,360 --> 00:31:29,850

many many months later as a in response

823

00:31:33,950 --> 00:31:32,370

to a FOIA request that we learned for

824

00:31:36,740 --> 00:31:33,960

the first time holy cow

825

00:31:38,930 --> 00:31:36,750

there was a Las Vegas police officer and

826

00:31:42,010 --> 00:31:38,940

his trainee so essentially two plus

827

00:31:44,810 --> 00:31:42,020

three armed Mandalay Bay security people

828

00:31:49,250 --> 00:31:44,820

that arrived at the scene one floor

829

00:31:52,240 --> 00:31:49,260

below with at least five minutes less

830

00:31:54,890 --> 00:31:52,250

than five minutes into the shooting well

831

00:31:57,290 --> 00:31:54,900

that's not trying to correct I broke the

832

00:31:59,810 --> 00:31:57,300

story before the body cam before the

833

00:32:01,730 --> 00:31:59,820

body cam footage came out they had the

834

00:32:03,770 --> 00:32:01,740

Nevada public records waste by court

835

00:32:06,290 --> 00:32:03,780

order of the witness statements and

836

00:32:09,290 --> 00:32:06,300

officers reports and when I read his

837

00:32:11,299 --> 00:32:09,300

officer's report is when I started doing

838

00:32:13,400 --> 00:32:11,309

my stories that his officer sport says

839

00:32:15,260 --> 00:32:13,410

he basically froze coward and everybody

840

00:32:17,930 --> 00:32:15,270

else picked up on it and stuff like that

841

00:32:20,000 --> 00:32:17,940

then sometime later the body cam footage

842

00:32:21,770 --> 00:32:20,010

came out and everybody really picked up

843

00:32:25,220 --> 00:32:21,780

on it cuz they were hesitant just to go

844

00:32:26,870 --> 00:32:25,230

by the report and I wasn't I thought I

845

00:32:31,130 --> 00:32:26,880

was the first journalist in this country

846

00:32:34,130 --> 00:32:31,140

to call him AC OWA ard in print and I

847

00:32:36,320 --> 00:32:34,140

still do to this day before the body cam

848

00:32:38,570 --> 00:32:36,330

footage came out because his officers

849

00:32:40,730 --> 00:32:38,580

report he says in his officers report

850

00:32:43,190 --> 00:32:40,740

and I put down the story I froze I

851
00:32:45,049 --> 00:32:43,200
hesitated I prayed I did not know what

852
00:32:46,370 --> 00:32:45,059
to do next I was happy to see the

853
00:32:49,130 --> 00:32:46,380
sergeant later because he could have

854
00:32:52,150 --> 00:32:49,140
taken over I'm comparing the Lombardo's

855
00:32:56,120 --> 00:32:52,160
reaction to that to the sheriff in

856
00:32:59,660 --> 00:32:56,130
parkland right Lombardo and said makes

857
00:33:03,799 --> 00:32:59,670
excuses for Hendrix he made excuses for

858
00:33:06,830 --> 00:33:03,809
Hendrix but months later and only when

859
00:33:09,230 --> 00:33:06,840
those records release came out Sheriff

860
00:33:11,120 --> 00:33:09,240
Israel went on television the next day

861
00:33:12,950 --> 00:33:11,130
or so when he saw that video and said

862
00:33:14,090 --> 00:33:12,960
I'm disgusted by what I see let me tell

863
00:33:16,130 --> 00:33:14,100

you something I wrote a story about this

864

00:33:19,160 --> 00:33:16,140

a couple months ago and again last year

865

00:33:21,860 --> 00:33:19,170

Joe Lombardo knew at that first press

866

00:33:24,320 --> 00:33:21,870

conference when he had that shot up that

867

00:33:24,900 --> 00:33:24,330

Hendrix was on the 31st floor and was a

868

00:33:26,940 --> 00:33:24,910

coward

869

00:33:29,370 --> 00:33:26,950

he had to he puts it on his chart he

870

00:33:31,140 --> 00:33:29,380

says yes the time up their officers

871

00:33:34,380 --> 00:33:31,150

arrived on thirty-one and then the next

872

00:33:36,030 --> 00:33:34,390

line is officers went to 32 now it was

873

00:33:39,090 --> 00:33:36,040

confusing to people as they would think

874

00:33:40,440 --> 00:33:39,100

in the people on 31 were going to 32 he

875

00:33:41,880 --> 00:33:40,450

knew immediately of course he knew

876

00:33:43,830 --> 00:33:41,890

immediately you kidding me you don't

877

00:33:45,630 --> 00:33:43,840

think they said hey and remember I was

878

00:33:48,540 --> 00:33:45,640

the first for the Baltimore post

879

00:33:52,320 --> 00:33:48,550

examiner I was the first reporter that

880

00:33:54,570 --> 00:33:52,330

reported on three Mary 14 it was the

881

00:33:56,970 --> 00:33:54,580

next day right after the massacre

882

00:33:59,070 --> 00:33:56,980

because on the radio traffic I was

883

00:34:01,440 --> 00:33:59,080

listening to that night I was listening

884

00:34:04,020 --> 00:34:01,450

to and I put them a story three Mary 14

885

00:34:05,580 --> 00:34:04,030

was Hendricks and he says I'm on the

886

00:34:08,010 --> 00:34:05,590

31st floor and I hit fly near the

887

00:34:10,020 --> 00:34:08,020

background he hear the gunfire I was the

888

00:34:11,700 --> 00:34:10,030

first one to write about that - was the

889

00:34:15,690 --> 00:34:11,710

first second day after the massacre

890

00:34:17,129 --> 00:34:15,700

so Lombardo knew his internal people

891

00:34:19,500 --> 00:34:17,139

unless they're all incompetent and

892

00:34:21,750 --> 00:34:19,510

stupid how to say hey get a hold of the

893

00:34:23,850 --> 00:34:21,760

stream arey 14 we know he was on the

894

00:34:26,070 --> 00:34:23,860

31st because they heard him talking in

895

00:34:28,050 --> 00:34:26,080

the gunshots coming from 32 find out

896

00:34:30,510 --> 00:34:28,060

where he went I mean would they do they

897

00:34:33,210 --> 00:34:30,520

just say hey forget about him and let's

898

00:34:35,280 --> 00:34:33,220

put out this timeline that author's has

899

00:34:36,750 --> 00:34:35,290

warned 31st floor because I was

900

00:34:39,840 --> 00:34:36,760

wondering I was taught to another cop

901
00:34:42,139 --> 00:34:39,850
and I said how the heck did this guy get

902
00:34:44,909 --> 00:34:42,149
up to the 31st floor so freaking fast

903
00:34:47,550 --> 00:34:44,919
cuz we didn't know he was already in

904
00:34:49,649 --> 00:34:47,560
until his report came out that he was

905
00:34:51,750 --> 00:34:49,659
already in there for a trespass but I

906
00:34:53,550 --> 00:34:51,760
wrote that story about three Mary 14

907
00:34:55,280 --> 00:34:53,560
calling in the shots over the radio from

908
00:34:57,600 --> 00:34:55,290
the scanner before it was even released

909
00:34:58,770 --> 00:34:57,610
yeah that's why I stayed on the story

910
00:35:01,530 --> 00:34:58,780
said something stinks here

911
00:35:05,070 --> 00:35:01,540
how can Joe Lombardo and his command

912
00:35:07,140 --> 00:35:05,080
staff not know the next day after that

913
00:35:08,640 --> 00:35:07,150

three Mary 14 that was on the radio

914

00:35:11,580 --> 00:35:08,650

saying I'm one floor below and I got

915

00:35:13,110 --> 00:35:11,590

gunfire I mean we do believe they are

916

00:35:15,090 --> 00:35:13,120

that unconfident that they didn't say

917

00:35:16,380 --> 00:35:15,100

hey bring off the Henderson what did you

918

00:35:17,790 --> 00:35:16,390

do well I didn't do anything I was

919

00:35:20,550 --> 00:35:17,800

scared on the floor we can't bring that

920

00:35:22,650 --> 00:35:20,560

out so Las Vegas police coincidentally

921

00:35:25,230 --> 00:35:22,660

were on site busting a couple

922

00:35:26,670 --> 00:35:25,240

prostitutes right and and that's why

923

00:35:28,620 --> 00:35:26,680

they were able to respond so quickly and

924

00:35:32,310 --> 00:35:28,630

therefore they could have and should

925

00:35:35,160 --> 00:35:32,320

have interrupted this massacre about

926
00:35:38,760 --> 00:35:35,170
halfway through and Lombardo knew that

927
00:35:39,300 --> 00:35:38,770
and covered it up because he had an

928
00:35:41,730 --> 00:35:39,310
election

929
00:35:43,650 --> 00:35:41,740
coming up right coming up whatever ease

930
00:35:44,970 --> 00:35:43,660
to save face bristles an election coming

931
00:35:46,410 --> 00:35:44,980
up you know they don't want to disgrace

932
00:35:48,360 --> 00:35:46,420
the department they want to keep

933
00:35:50,100 --> 00:35:48,370
everything quiet and that's consistent

934
00:35:52,290 --> 00:35:50,110
with Metro for years and years and years

935
00:35:54,210 --> 00:35:52,300
on cover-ups and you know and stuff like

936
00:35:56,610 --> 00:35:54,220
that so this guy's this guy is not a

937
00:36:01,020 --> 00:35:56,620
straight shooter and he is an outright

938
00:36:03,120 --> 00:36:01,030

liar ylim bite I'll say it again I wrote

939

00:36:04,950 --> 00:36:03,130

stories almost a hundred fifty stories

940

00:36:07,050 --> 00:36:04,960

for the Baltimore examiner more than any

941

00:36:09,300 --> 00:36:07,060

journalist in the country consistently

942

00:36:12,030 --> 00:36:09,310

in my stories I called in some of the

943

00:36:13,650 --> 00:36:12,040

headlines incompetent a liar and a fool

944

00:36:15,210 --> 00:36:13,660

and a jerk so how could how could a guy

945

00:36:16,980 --> 00:36:15,220

like that why would the people of Las

946

00:36:20,010 --> 00:36:16,990

Vegas reelect that guy just a few months

947

00:36:22,350 --> 00:36:20,020

later because he has the backing of the

948

00:36:23,130 --> 00:36:22,360

casino industry and that's what it's all

949

00:36:25,020 --> 00:36:23,140

about you gotta remember something

950

00:36:26,580 --> 00:36:25,030

somebody said something a long time ago

951
00:36:28,290 --> 00:36:26,590
and they said who's the most powerful

952
00:36:29,640 --> 00:36:28,300
person in the state of Nevada

953
00:36:32,340 --> 00:36:29,650
of course somebody's gonna say what do

954
00:36:35,070 --> 00:36:32,350
you say the governor no it's the sheriff

955
00:36:36,380 --> 00:36:35,080
of Clark County Nevada because Southern

956
00:36:38,490 --> 00:36:36,390
Nevada

957
00:36:40,230 --> 00:36:38,500
finances the whole freakin state I know

958
00:36:43,110 --> 00:36:40,240
we got some casinos up north and we know

959
00:36:44,970 --> 00:36:43,120
but you Southern Nevada the power that

960
00:36:47,790 --> 00:36:44,980
you control is being the sheriff of

961
00:36:50,130 --> 00:36:47,800
Clark County Las Vegas casinos and

962
00:36:52,130 --> 00:36:50,140
district is it's you can remember you do

963
00:36:55,260 --> 00:36:52,140

not become sheriff of Clark County

964

00:36:57,240 --> 00:36:55,270

unless you get the backing of the casino

965

00:36:59,670 --> 00:36:57,250

industry yeah well but still all the

966

00:37:02,430 --> 00:36:59,680

casinos do is provide money I still

967

00:37:03,570 --> 00:37:02,440

think that the information should have

968

00:37:05,370 --> 00:37:03,580

been out there and the people should

969

00:37:07,950 --> 00:37:05,380

have been smarter to know not to really

970

00:37:12,210 --> 00:37:07,960

like this guy who's how would they know

971

00:37:14,520 --> 00:37:12,220

the local media did not criticize Joe I

972

00:37:16,350 --> 00:37:14,530

was getting calls from people okay an

973

00:37:17,850 --> 00:37:16,360

email saying if you want to know the

974

00:37:19,770 --> 00:37:17,860

truth of what's going on with the

975

00:37:21,750 --> 00:37:19,780

massacre and that's what it is I call it

976
00:37:23,790 --> 00:37:21,760
the Las Vegas mastered October 1st 2017

977
00:37:26,130 --> 00:37:23,800
if you want to know the truth of what's

978
00:37:28,380 --> 00:37:26,140
going on in Las Vegas you have to go to

979
00:37:29,460 --> 00:37:28,390
Baltimore to read the book they would

980
00:37:30,840 --> 00:37:29,470
just make a joke cause it's an online

981
00:37:31,830 --> 00:37:30,850
paper or anybody could read it but

982
00:37:33,930 --> 00:37:31,840
they're just saying they don't trust the

983
00:37:35,970 --> 00:37:33,940
local media I mean the meteor out here

984
00:37:37,260 --> 00:37:35,980
downplayed this first yeah they got the

985
00:37:39,660 --> 00:37:37,270
shooting and then it completely died

986
00:37:41,700 --> 00:37:39,670
they didn't go after Lombardo and his

987
00:37:44,220 --> 00:37:41,710
contradictions and his lies they just

988
00:37:47,520 --> 00:37:44,230

let him get on television and spew his

989

00:37:49,890 --> 00:37:47,530

nonsense out and nobody challenged him I

990

00:37:52,830 --> 00:37:49,900

did every time he said something I

991

00:37:53,160 --> 00:37:52,840

proved he was a liar and I put back he

992

00:37:55,559 --> 00:37:53,170

said

993

00:37:57,240 --> 00:37:55,569

this that is not true because of a B and

994

00:38:00,329 --> 00:37:57,250

C now let's get to something else if I

995

00:38:02,640 --> 00:38:00,339

can jim real quick there okay yes

996

00:38:04,650 --> 00:38:02,650

Hendricks and his they keep saying

997

00:38:06,509 --> 00:38:04,660

trainee yeah you could call it a trainee

998

00:38:09,029 --> 00:38:06,519

she graduated from the police academy

999

00:38:11,700 --> 00:38:09,039

day before is the first two days on the

1000

00:38:13,890 --> 00:38:11,710

road where it was she was a police

1001

00:38:15,509 --> 00:38:13,900

officer matter of fact she was probably

1002

00:38:18,150 --> 00:38:15,519

even better trained than Hendricks who

1003

00:38:21,690 --> 00:38:18,160

by the way people listening to Jim show

1004

00:38:23,640 --> 00:38:21,700

was a field training officer he trained

1005

00:38:25,170 --> 00:38:23,650

people after they got of the Academy you

1006

00:38:27,299 --> 00:38:25,180

got to go with a field training officer

1007

00:38:28,589 --> 00:38:27,309

six months to a year she was like a she

1008

00:38:30,450 --> 00:38:28,599

was probably more trained because she

1009

00:38:33,000 --> 00:38:30,460

just got out of the Academy okay they're

1010

00:38:34,890 --> 00:38:33,010

now using that as an excuse well he had

1011

00:38:36,720 --> 00:38:34,900

his trainee with them and he didn't want

1012

00:38:39,829 --> 00:38:36,730

to leave her and he was afraid and

1013

00:38:44,720 --> 00:38:39,839

remember with those two police officers

1014

00:38:47,849 --> 00:38:44,730

were three three Mon you th e re e

1015

00:38:50,309 --> 00:38:47,859

Mandalay Bay assistant security managers

1016

00:38:53,430 --> 00:38:50,319

we saw that on the videotape with

1017

00:38:56,089 --> 00:38:53,440

weapons semi-automatic pistols just like

1018

00:38:59,099 --> 00:38:56,099

Hendrix and Boston had they also

1019

00:39:01,589 --> 00:38:59,109

retreated on the 31st floor with him and

1020

00:39:04,529 --> 00:39:01,599

didn't do nothing and listen as the Jim

1021

00:39:07,710 --> 00:39:04,539

show the hidden truth on the 32nd floor

1022

00:39:11,099 --> 00:39:07,720

while paddock was killing people were

1023

00:39:14,099 --> 00:39:11,109

three more security personnel armed to

1024

00:39:15,569 --> 00:39:14,109

arms bike patrol officers Mandalay Bay

1025

00:39:17,759 --> 00:39:15,579

security officers with semi-automatic

1026

00:39:19,529 --> 00:39:17,769

pistols I'm gonna tell you why I keep

1027

00:39:23,609 --> 00:39:19,539

emphasizing some minor pistols and

1028

00:39:26,190 --> 00:39:23,619

people anthony sot i'll who was the

1029

00:39:29,130 --> 00:39:26,200

security operations matter for the shift

1030

00:39:32,249 --> 00:39:29,140

the big kahuna runners curie shift they

1031

00:39:35,220 --> 00:39:32,259

also stayed on that floor and did not

1032

00:39:37,529 --> 00:39:35,230

return fire did not try to disrupt

1033

00:39:40,019 --> 00:39:37,539

paddock nobody said that i want to make

1034

00:39:42,089 --> 00:39:40,029

this perfectly clear I never said I

1035

00:39:43,680 --> 00:39:42,099

wanted these people to commit suicide

1036

00:39:45,749 --> 00:39:43,690

and go stand in front of a door maybe

1037

00:39:48,720 --> 00:39:45,759

they would get shot but they could have

1038

00:39:51,359 --> 00:39:48,730

done something to distract paddock from

1039

00:39:53,999 --> 00:39:51,369

firing out the window and take the fire

1040

00:39:56,519 --> 00:39:54,009

down the hall then alko's in front

1041

00:39:57,839 --> 00:39:56,529

there's common sense you do something

1042

00:40:00,450 --> 00:39:57,849

when you have something like this happen

1043

00:40:01,980 --> 00:40:00,460

well also Hendrix and varsa were

1044

00:40:05,549 --> 00:40:01,990

probably wearing bulletproof vests

1045

00:40:06,690 --> 00:40:05,559

correct yes but look at this

1046

00:40:08,579 --> 00:40:06,700

okay those

1047

00:40:11,400 --> 00:40:08,589

security yes they did it Bo professed on

1048

00:40:13,109 --> 00:40:11,410

the security people didn't well when you

1049

00:40:16,140 --> 00:40:13,119

look at that videotape and I can't

1050

00:40:17,700 --> 00:40:16,150

remember the gentleman's name from I cuz

1051

00:40:20,040 --> 00:40:17,710

I'm kidding you begin with a bad rap on

1052

00:40:22,079 --> 00:40:20,050

that elevator door opens the first

1053

00:40:22,770 --> 00:40:22,089

assistant manager and I don't remember

1054

00:40:25,650 --> 00:40:22,780

which one it was

1055

00:40:27,030 --> 00:40:25,660

he's running down the hall cuz he wants

1056

00:40:30,390 --> 00:40:27,040

to get to where the shooting is and

1057

00:40:32,010 --> 00:40:30,400

Hendricks tells him to slow down okay

1058

00:40:35,280 --> 00:40:32,020

yeah you see that in the tape and that's

1059

00:40:37,079 --> 00:40:35,290

why I have to buy some leniency to the

1060

00:40:38,520 --> 00:40:37,089

Mandalay Bay security people that were

1061

00:40:40,109 --> 00:40:38,530

on thirty-one because they're kind of

1062

00:40:41,640 --> 00:40:40,119

responding they're allowing Hendricks to

1063

00:40:43,650 --> 00:40:41,650

direct things which makes sense

1064

00:40:45,540 --> 00:40:43,660

it makes sense but they did not have to

1065

00:40:47,040 --> 00:40:45,550

listen to him okay I could tell you when

1066

00:40:48,960 --> 00:40:47,050

I ran the rhythmic tape this was at the

1067

00:40:50,579 --> 00:40:48,970

Riviera Hotel I know what my supervisors

1068

00:40:51,810 --> 00:40:50,589

would have told Hendricks screw you you

1069

00:40:53,220 --> 00:40:51,820

coward we're gonna go try to do

1070

00:40:54,180 --> 00:40:53,230

something but they didn't do it now let

1071

00:40:56,550 --> 00:40:54,190

me tell you something else I want to

1072

00:40:58,589 --> 00:40:56,560

bring up and I find this has never been

1073

00:41:00,240 --> 00:40:58,599

reported in any story it's the first

1074

00:41:03,839 --> 00:41:00,250

time I'm gonna say this and it's fact

1075

00:41:06,000 --> 00:41:03,849

okay three the three armed supervisors

1076

00:41:09,089 --> 00:41:06,010

with Hendrix and Boston on the 31st

1077

00:41:10,589 --> 00:41:09,099

floor they also retreated okay and they

1078

00:41:13,319 --> 00:41:10,599

didn't do anything now I found this

1079

00:41:16,020 --> 00:41:13,329

really bizarre when the shooting stopped

1080

00:41:17,849 --> 00:41:16,030

Hendricks says that in his report he

1081

00:41:19,680 --> 00:41:17,859

goes they go into the stairwell now let

1082

00:41:21,599 --> 00:41:19,690

me say about Hendricks okay they didn't

1083

00:41:23,700 --> 00:41:21,609

do anything on the they stayed on the

1084

00:41:26,130 --> 00:41:23,710

31st floor because he basically was

1085

00:41:27,599 --> 00:41:26,140

afraid to go up and do some type of a

1086

00:41:29,339 --> 00:41:27,609

gauge from at least to find out what's

1087

00:41:31,200 --> 00:41:29,349

going on maybe I could do something you

1088

00:41:34,050 --> 00:41:31,210

know with something he didn't do any of

1089

00:41:36,990 --> 00:41:34,060

that now after the gunfire stops what

1090

00:41:39,780 --> 00:41:37,000

does he write in his report he says we

1091

00:41:41,460 --> 00:41:39,790

all went into the stairwell to prevent

1092

00:41:43,380 --> 00:41:41,470

the escape of the shooters if they were

1093

00:41:46,230 --> 00:41:43,390

coming down the stairs so I want to ask

1094

00:41:48,809 --> 00:41:46,240

mr. coward this question officer

1095

00:41:50,819 --> 00:41:48,819

Hendricks from the time the shooting

1096

00:41:52,589 --> 00:41:50,829

stopped in that five ten seconds after

1097

00:41:54,839 --> 00:41:52,599

it stopped when you went into the

1098

00:41:57,359 --> 00:41:54,849

stairwell to quote as you wrote in your

1099

00:42:00,300 --> 00:41:57,369

officers report to stop the shooters

1100

00:42:03,089 --> 00:42:00,310

from leaving um did you have a bullet

1101
00:42:05,849 --> 00:42:03,099
shield did God come down and give you a

1102
00:42:08,550 --> 00:42:05,859
semi-automatic rifle you had the same

1103
00:42:10,800 --> 00:42:08,560
thing you had on the 31st floor but now

1104
00:42:12,960 --> 00:42:10,810
you're going into the stairwell to stop

1105
00:42:15,059 --> 00:42:12,970
armed shooters that you believed had an

1106
00:42:15,839 --> 00:42:15,069
automatic weapon because he's full of

1107
00:42:17,250 --> 00:42:15,849
crap

1108
00:42:19,440 --> 00:42:17,260
and another thing Jay I want to point

1109
00:42:20,010 --> 00:42:19,450
this out before I forget when they went

1110
00:42:21,720 --> 00:42:20,020
into that

1111
00:42:23,010 --> 00:42:21,730
well I just saw this just a couple of

1112
00:42:26,370 --> 00:42:23,020
months ago and I never reported on this

1113
00:42:28,110 --> 00:42:26,380

um um stock George um stock was one of

1114

00:42:30,180 --> 00:42:28,120

the assistive security manager who was

1115

00:42:31,860 --> 00:42:30,190

on the 31st floor he says in his report

1116

00:42:33,600 --> 00:42:31,870

he told that to metro police during his

1117

00:42:36,360 --> 00:42:33,610

interview that when we went into the

1118

00:42:38,520 --> 00:42:36,370

stairwell after the shooting I left the

1119

00:42:40,830 --> 00:42:38,530

stack meaning the group of people the

1120

00:42:43,800 --> 00:42:40,840

two officers and his two buddies and

1121

00:42:45,630 --> 00:42:43,810

because now they're putting out over the

1122

00:42:47,550 --> 00:42:45,640

mantle a base security radio that

1123

00:42:49,980 --> 00:42:47,560

there's an active shooter on the 29th

1124

00:42:51,870 --> 00:42:49,990

floor he says and it's in the final

1125

00:42:54,570 --> 00:42:51,880

report you could read it in the final

1126

00:42:57,630 --> 00:42:54,580

police report also um Scott left the

1127

00:43:01,170 --> 00:42:57,640

stack in the 29th floor and responded to

1128

00:43:04,410 --> 00:43:01,180

the active shooter on 29 let me ex um a

1129

00:43:07,410 --> 00:43:04,420

question mister um Scott why did you

1130

00:43:10,260 --> 00:43:07,420

respond to an active shooter on the 29th

1131

00:43:12,360 --> 00:43:10,270

floor when you didn't respond to an

1132

00:43:13,860 --> 00:43:12,370

active shooter with the bullets going

1133

00:43:16,230 --> 00:43:13,870

off that you heard when you were on the

1134

00:43:18,600 --> 00:43:16,240

31st floor he didn't have a bulletproof

1135

00:43:20,100 --> 00:43:18,610

vest on but yet he says and then he went

1136

00:43:22,350 --> 00:43:20,110

down there he found that it was false

1137

00:43:24,330 --> 00:43:22,360

and I returned to the stairwell to the

1138

00:43:26,850 --> 00:43:24,340

stack now that bothers me because I got

1139

00:43:28,470 --> 00:43:26,860

a question first of all if Hendricks was

1140

00:43:29,130 --> 00:43:28,480

directed everybody why do you say you're

1141

00:43:31,380 --> 00:43:29,140

not going anywhere

1142

00:43:32,970 --> 00:43:31,390

I'll go with you my smite trainee

1143

00:43:34,950 --> 00:43:32,980

staysail or what about his two

1144

00:43:36,600 --> 00:43:34,960

colleagues they let him go to an active

1145

00:43:38,370 --> 00:43:36,610

shooter call and they stayed in the

1146

00:43:39,870 --> 00:43:38,380

stairwell which they did because you can

1147

00:43:42,150 --> 00:43:39,880

see it on the video kind of disappears

1148

00:43:44,910 --> 00:43:42,160

for a while so there's so many questions

1149

00:43:48,390 --> 00:43:44,920

here but this is the end result Jim okay

1150

00:43:52,230 --> 00:43:48,400

there were eight people okay in the

1151

00:43:54,300 --> 00:43:52,240

vicinity of 30 to 135 the three on the

1152

00:43:56,790 --> 00:43:54,310

top the five on the blow on the bottom

1153

00:44:00,420 --> 00:43:56,800

that could have made a difference that

1154

00:44:02,640 --> 00:44:00,430

night now last week Steve and I'm pissed

1155

00:44:04,890 --> 00:44:02,650

off and I'll tell you Steve grammas

1156

00:44:07,050 --> 00:44:04,900

who's the president of the Police

1157

00:44:08,850 --> 00:44:07,060

Protective Association made a statement

1158

00:44:10,680 --> 00:44:08,860

last week to the news that well you know

1159

00:44:12,030 --> 00:44:10,690

yeah this yeah it was trainee with them

1160

00:44:13,380 --> 00:44:12,040

and you know and it's that the other

1161

00:44:14,730 --> 00:44:13,390

thing and they're defending him in

1162

00:44:17,850 --> 00:44:14,740

arbitration because once again his job

1163

00:44:18,600 --> 00:44:17,860

back and I'll show this to mr. gravis

1164

00:44:20,970 --> 00:44:18,610

okay

1165

00:44:23,850 --> 00:44:20,980

Steve Graham is you defended in this

1166

00:44:27,660 --> 00:44:23,860

coward how about you address the family

1167

00:44:31,050 --> 00:44:27,670

members of the 58 who are dead and the

1168

00:44:31,770 --> 00:44:31,060

almost 500 who was shot by panik's

1169

00:44:35,220 --> 00:44:31,780

bullet

1170

00:44:37,890 --> 00:44:35,230

and explain to them how many minutes

1171

00:44:41,040 --> 00:44:37,900

while they were getting shot and killed

1172

00:44:42,540 --> 00:44:41,050

while paddock was on the excuse me when

1173

00:44:46,020 --> 00:44:42,550

Hendricks was on the thirty-first floor

1174

00:44:48,930 --> 00:44:46,030

in that five minute period how many

1175

00:44:50,790 --> 00:44:48,940

people were getting mowed down while him

1176

00:44:53,460 --> 00:44:50,800

and his a contingent did absolutely

1177

00:44:55,050 --> 00:44:53,470

nothing yeah hear people saying that

1178

00:44:57,660 --> 00:44:55,060

he's gonna get his job back if she get a

1179

00:45:00,060 --> 00:44:57,670

he should if he gets his job back okay

1180

00:45:02,550 --> 00:45:00,070

that's a stab in the back and I'm gonna

1181

00:45:05,040 --> 00:45:02,560

mention two cops right now to every cop

1182

00:45:08,160 --> 00:45:05,050

on the Las Vegas Metro Police Department

1183

00:45:10,920 --> 00:45:08,170

who ran through the damn gunfire to get

1184

00:45:13,320 --> 00:45:10,930

into the mantle a bay to kill Stephen

1185

00:45:15,240 --> 00:45:13,330

Patek we heard that on their body worn

1186

00:45:17,610 --> 00:45:15,250

cameras it's written in their reports

1187

00:45:19,410 --> 00:45:17,620

and there were two officers first true

1188

00:45:21,210 --> 00:45:19,420

that one in there Beasley and

1189

00:45:23,310 --> 00:45:21,220

Featherstone sorry guys I don't know

1190

00:45:25,230 --> 00:45:23,320

your first name I forgot it those were

1191

00:45:27,030 --> 00:45:25,240

the guys that ran in first the concert

1192

00:45:29,670 --> 00:45:27,040

venue you see them that run it through

1193

00:45:31,290 --> 00:45:29,680

the gunfire and what did these two guys

1194

00:45:33,030 --> 00:45:31,300

say and I bring this up for a point

1195

00:45:35,400 --> 00:45:33,040

because grandmas said the other day on

1196

00:45:37,710 --> 00:45:35,410

the news listen to this Jim that the

1197

00:45:41,520 --> 00:45:37,720

reason why Hendrix probably was in to us

1198

00:45:44,100 --> 00:45:41,530

the policy at that time meaning prior to

1199

00:45:46,290 --> 00:45:44,110

October 1st and prior was that to

1200

00:45:48,240 --> 00:45:46,300

respond to an active shooter you have

1201

00:45:49,740 --> 00:45:48,250

four officers so he's trying to say

1202

00:45:52,560 --> 00:45:49,750

that's why Hendrix didn't do anything

1203

00:45:55,440 --> 00:45:52,570

well first of all mr. grammas nowhere in

1204

00:45:57,450 --> 00:45:55,450

Hendrix's officer's report does he say

1205

00:45:59,370 --> 00:45:57,460

that's why he'd go anywhere he says he

1206

00:46:01,260 --> 00:45:59,380

froze he didn't know what to do he was

1207

00:46:02,790 --> 00:46:01,270

shaking and he had to pray so knock off

1208

00:46:05,760 --> 00:46:02,800

the D yes why am i bringing that up

1209

00:46:06,990 --> 00:46:05,770

because we saw the body camera footage I

1210

00:46:09,000 --> 00:46:07,000

know I'm getting upset about this but

1211

00:46:11,220 --> 00:46:09,010

the heck with it okay Beasley and

1212

00:46:12,660 --> 00:46:11,230

Featherstone are in the elevator there

1213

00:46:14,280 --> 00:46:12,670

was a guys that went to the Mandalay Bay

1214

00:46:16,140 --> 00:46:14,290

in this screamin for security security

1215

00:46:17,670 --> 00:46:16,150

security we got to get up to the room we

1216

00:46:19,980 --> 00:46:17,680

go then I got the guy now they're in the

1217

00:46:22,230 --> 00:46:19,990

elevators you listen and I put this in a

1218

00:46:23,490 --> 00:46:22,240

story a couple months ago listen to what

1219

00:46:26,670 --> 00:46:23,500

they're saying in that elevator

1220

00:46:27,930 --> 00:46:26,680

he says bro it's me and you if that we

1221

00:46:29,100 --> 00:46:27,940

get up there and he's still shooting you

1222

00:46:30,630 --> 00:46:29,110

know we got to go in and do something

1223

00:46:33,150 --> 00:46:30,640

and the other guy says yeah bro we got

1224

00:46:35,790 --> 00:46:33,160

to do it okay mr. Graham is two police

1225

00:46:37,800 --> 00:46:35,800

officers risk their life Beasley in

1226

00:46:39,870 --> 00:46:37,810

Featherstone going through the gunfight

1227

00:46:41,940 --> 00:46:39,880

in to Mandalay Bay they didn't say in

1228

00:46:43,560 --> 00:46:41,950

that elevator oh by the way we'll just

1229

00:46:44,400 --> 00:46:43,570

stay here and wait for more guys we have

1230

00:46:46,020 --> 00:46:44,410

four guys

1231

00:46:48,330 --> 00:46:46,030

they did what you do when you put a

1232

00:46:49,200 --> 00:46:48,340

badge on your chest is to protect and

1233

00:46:51,870 --> 00:46:49,210

save lives

1234

00:46:54,120 --> 00:46:51,880

so knock off the BS this is the union

1235

00:46:56,880 --> 00:46:54,130

president okay well those are those are

1236

00:46:58,530 --> 00:46:56,890

all great points but you know I think

1237

00:47:00,600 --> 00:46:58,540

that Hendrix has a good chance of

1238

00:47:02,580 --> 00:47:00,610

winning his arbitration why because the

1239

00:47:05,220 --> 00:47:02,590

head of the entire department Sheriff

1240

00:47:07,770 --> 00:47:05,230

Lombardo has already defended him and

1241

00:47:10,290 --> 00:47:07,780

said that you don't bring a knife to a

1242

00:47:12,510 --> 00:47:10,300

gunfight that's that's exactly that's

1243

00:47:14,370 --> 00:47:12,520

exactly why he did defend him and he did

1244

00:47:16,290 --> 00:47:14,380

say on another radio show you know you

1245

00:47:18,210 --> 00:47:16,300

Monday Morning Quarterback and listen

1246

00:47:20,490 --> 00:47:18,220

here's another thing Graham has said the

1247

00:47:21,930 --> 00:47:20,500

other dates of the news he said he was

1248

00:47:25,130 --> 00:47:21,940

something like I'm sick and tired of

1249

00:47:29,160 --> 00:47:25,140

these ex cops who were criticizing

1250

00:47:32,100 --> 00:47:29,170

Hendrix and he says the only the only

1251
00:47:34,770 --> 00:47:32,110
reason why Hendrix lost his job listen

1252
00:47:36,150 --> 00:47:34,780
to this and I know exact words but it

1253
00:47:39,720 --> 00:47:36,160
was like this the only reason why

1254
00:47:42,120 --> 00:47:39,730
Hendrix lost his job is because Metro

1255
00:47:44,550 --> 00:47:42,130
meaning Lombardo did the investigation

1256
00:47:46,440 --> 00:47:44,560
because of the news the stories in the

1257
00:47:47,940 --> 00:47:46,450
media and basically I pushed these

1258
00:47:49,590 --> 00:47:47,950
stories okay and other people picked it

1259
00:47:51,840 --> 00:47:49,600
up but that's not the point here the

1260
00:47:54,020 --> 00:47:51,850
point is okay mr. Graham is so what you

1261
00:47:56,700 --> 00:47:54,030
just said is that the police department

1262
00:47:59,790 --> 00:47:56,710
covered it up and so they could no

1263
00:48:01,650 --> 00:47:59,800

longer covered it up because the stories

1264

00:48:04,470 --> 00:48:01,660

were coming out into the press you know

1265

00:48:05,910 --> 00:48:04,480

these unions yes they have to defend

1266

00:48:07,980 --> 00:48:05,920

they have to defend him because he pays

1267

00:48:09,270 --> 00:48:07,990

union dues that's part of their job but

1268

00:48:09,840 --> 00:48:09,280

you look at the things across the

1269

00:48:12,330 --> 00:48:09,850

country

1270

00:48:14,310 --> 00:48:12,340

you have corrupt cops and bad cops have

1271

00:48:17,160 --> 00:48:14,320

done bad shootings and these police

1272

00:48:19,350 --> 00:48:17,170

unions protect them and sometimes they

1273

00:48:21,630 --> 00:48:19,360

get their job back Hendrix may very well

1274

00:48:23,820 --> 00:48:21,640

get his job back okay but he's a freakin

1275

00:48:25,740 --> 00:48:23,830

disgrace as a police officer here's what

1276

00:48:28,410 --> 00:48:25,750

he should do I mean probably a nice guy

1277

00:48:30,240 --> 00:48:28,420

he's not suited to police work maybe he

1278

00:48:31,620 --> 00:48:30,250

should study and become an ordained

1279

00:48:32,880 --> 00:48:31,630

mystic you'd be a chaplain for the

1280

00:48:34,980 --> 00:48:32,890

department I think he's better suited

1281

00:48:36,960 --> 00:48:34,990

for that so we'll see what happens with

1282

00:48:38,880 --> 00:48:36,970

him but there's so much BS that he put

1283

00:48:40,110 --> 00:48:38,890

out because nobody out here in the news

1284

00:48:41,640 --> 00:48:40,120

challenges are you don't see any

1285

00:48:44,730 --> 00:48:41,650

reporter out here talking like that I

1286

00:48:46,710 --> 00:48:44,740

talk you know why well it seems so clear

1287

00:48:48,750 --> 00:48:46,720

cut for two so many people I've spoken

1288

00:48:51,870 --> 00:48:48,760

to that are police officers and so on

1289

00:48:53,700 --> 00:48:51,880

that you know he acted he froze and told

1290

00:48:55,080 --> 00:48:53,710

they acted inappropriately and you know

1291

00:48:56,520 --> 00:48:55,090

this is what he's hired to do and he's

1292

00:48:57,450 --> 00:48:56,530

not capable of doing he's just not up to

1293

00:48:59,430 --> 00:48:57,460

the task but

1294

00:49:02,250 --> 00:48:59,440

stunning to me that sheriff Lombardo

1295

00:49:04,320 --> 00:49:02,260

would act as if the way Hendrix reacted

1296

00:49:06,480 --> 00:49:04,330

was perfectly acceptable because

1297

00:49:09,839 --> 00:49:06,490

Lombardo is a jerk the cops on the

1298

00:49:11,609 --> 00:49:09,849

department 99% of the rank-and-file did

1299

00:49:12,870 --> 00:49:11,619

not support him for sheriff the first

1300

00:49:14,730 --> 00:49:12,880

time they did not support him on

1301

00:49:17,400 --> 00:49:14,740

re-election they do not like him

1302

00:49:19,980 --> 00:49:17,410

he's an incompetent fool they do not

1303

00:49:21,270 --> 00:49:19,990

like him and what's even worse is the

1304

00:49:22,470 --> 00:49:21,280

story that I wrote that came out this

1305

00:49:24,150 --> 00:49:22,480

morning you want to hit on that a little

1306

00:49:27,270 --> 00:49:24,160

yeah let's hit on that and then we'll

1307

00:49:29,790 --> 00:49:27,280

wrap it up okay I did a story this

1308

00:49:31,950 --> 00:49:29,800

morning and I did a story back in March

1309

00:49:33,510 --> 00:49:31,960

and it was you know and I've been

1310

00:49:35,220 --> 00:49:33,520

praising the SWAT team and levi's

1311

00:49:36,900 --> 00:49:35,230

Hancock and that ad hoc team that he had

1312

00:49:38,520 --> 00:49:36,910

those guys all went in they had no idea

1313

00:49:39,930 --> 00:49:38,530

with even an hour later they have no

1314

00:49:41,430 --> 00:49:39,940

idea if they were gonna get killed they

1315

00:49:43,829 --> 00:49:41,440

were all they were all heroes in my

1316

00:49:47,010 --> 00:49:43,839

opinion okay so I did the story on

1317

00:49:49,260 --> 00:49:47,020

Levi's Hancock based on his officers

1318

00:49:51,240 --> 00:49:49,270

report and it of course that I get

1319

00:49:52,890 --> 00:49:51,250

emails you know from from the people the

1320

00:49:57,180 --> 00:49:52,900

you know the fringe people and they said

1321

00:49:59,460 --> 00:49:57,190

you know Metro killed panic and and and

1322

00:50:01,230 --> 00:49:59,470

that's the 3-round burst at O'Donnell's

1323

00:50:03,570 --> 00:50:01,240

supposedly fired it's all nonsense okay

1324

00:50:06,000 --> 00:50:03,580

so I did the story and then I was

1325

00:50:07,800 --> 00:50:06,010

looking through some videos and I got

1326

00:50:09,210 --> 00:50:07,810

this one video that's in the story that

1327

00:50:12,240 --> 00:50:09,220

was published by the Balto folks

1328

00:50:15,780 --> 00:50:12,250

examiner today and it's titled right

1329

00:50:18,780 --> 00:50:15,790

here it's an it's a disgusting title but

1330

00:50:22,260 --> 00:50:18,790

it's Las Vegas Metro SWAT officer inside

1331

00:50:25,440 --> 00:50:22,270

Mandalay Bay night of massacre : quote

1332

00:50:27,900 --> 00:50:25,450

hey is route 91 a club here now let me

1333

00:50:30,930 --> 00:50:27,910

say something okay to a SWAT officer

1334

00:50:34,260 --> 00:50:30,940

Brosnahan I'm not criticizing you sir

1335

00:50:37,740 --> 00:50:34,270

I'm criticizing the department why you

1336

00:50:39,060 --> 00:50:37,750

did not know what the hell route 91 was

1337

00:50:41,730 --> 00:50:39,070

now what am I talking about

1338

00:50:43,890 --> 00:50:41,740

okay I was looking through the video to

1339

00:50:45,420 --> 00:50:43,900

find the conversation between does it on

1340

00:50:48,030 --> 00:50:45,430

this video this conversation between

1341

00:50:49,710 --> 00:50:48,040

SWAT officer Levi Hancock and SWAT

1342

00:50:51,030 --> 00:50:49,720

officer Sean O'Donnell he was the one

1343

00:50:53,130 --> 00:50:51,040

that fired the accidental three round

1344

00:50:55,200 --> 00:50:53,140

burst in the room and this was in the

1345

00:50:57,060 --> 00:50:55,210

hallway after they cleared the room and

1346

00:50:58,500 --> 00:50:57,070

he and I get to that conversation in a

1347

00:50:59,099 --> 00:50:58,510

second so I was looking at fast as wow

1348

00:51:00,510 --> 00:50:59,109

this is great

1349

00:51:02,190 --> 00:51:00,520

there was this more confirmation it was

1350

00:51:04,800 --> 00:51:02,200

not settled shooting somebody bumped

1351
00:51:05,970 --> 00:51:04,810
them boom okay end of story so I was

1352
00:51:07,410 --> 00:51:05,980
shutting down the video and it was

1353
00:51:10,230 --> 00:51:07,420
running and I'm writing and all of a

1354
00:51:10,980 --> 00:51:10,240
sudden I hear this person say hey his

1355
00:51:13,440 --> 00:51:10,990
route 9

1356
00:51:14,280 --> 00:51:13,450
one a club here why wouldn't I just here

1357
00:51:19,020 --> 00:51:14,290
okay

1358
00:51:20,310 --> 00:51:19,030
talking to other cops of security

1359
00:51:23,760 --> 00:51:20,320
they're all miss and you see the videos

1360
00:51:26,130 --> 00:51:23,770
in the story and he says hey is route 91

1361
00:51:28,170 --> 00:51:26,140
a club here meaning is at a nightclub

1362
00:51:29,160 --> 00:51:28,180
inside the mantle a bay somebody

1363
00:51:31,770 --> 00:51:29,170

responds to him

1364

00:51:34,710 --> 00:51:31,780

no it's across the street it's that

1365

00:51:37,170 --> 00:51:34,720

festival that big open area right across

1366

00:51:39,450 --> 00:51:37,180

the street and then he says because he

1367

00:51:41,400 --> 00:51:39,460

was firing at that mean paddock was

1368

00:51:43,920 --> 00:51:41,410

firing it that and that somebody says

1369

00:51:46,500 --> 00:51:43,930

yeah I'm not criticizing this guy so in

1370

00:51:47,790 --> 00:51:46,510

my story since the Las Vegas Metro

1371

00:51:49,800 --> 00:51:47,800

Police Department does not acknowledge

1372

00:51:52,320 --> 00:51:49,810

the ball to a post examiner they done it

1373

00:51:54,960 --> 00:51:52,330

returned calls minutes and see nothing

1374

00:51:58,590 --> 00:51:54,970

ix sheriff Lombardo how a hell is it

1375

00:52:02,220 --> 00:51:58,600

possible that a SWAT team officer did

1376
00:52:04,350 --> 00:52:02,230
not know what route 91 was how is that

1377
00:52:06,270 --> 00:52:04,360
freaking possible was there a briefing

1378
00:52:08,250 --> 00:52:06,280
before the thing started the three day

1379
00:52:10,800 --> 00:52:08,260
event I know they weren't deployed there

1380
00:52:13,020 --> 00:52:10,810
but just to say hey guys than where we

1381
00:52:14,730 --> 00:52:13,030
got 20,000 people each not coming in for

1382
00:52:16,560 --> 00:52:14,740
three times this is what's going on in

1383
00:52:18,960 --> 00:52:16,570
case that deploy he didn't have a clue

1384
00:52:21,780 --> 00:52:18,970
what route 91 it's not his fault I want

1385
00:52:25,200 --> 00:52:21,790
to know why yeah a SWAT officer who was

1386
00:52:27,480 --> 00:52:25,210
on duty at the time of the festival is

1387
00:52:29,280 --> 00:52:27,490
not aware of the festival well it wasn't

1388
00:52:30,780 --> 00:52:29,290

the festival he was up in the room and

1389

00:52:32,370 --> 00:52:30,790

his stew I know him but he probably

1390

00:52:35,760 --> 00:52:32,380

presumably he was on duty that night

1391

00:52:36,960 --> 00:52:35,770

that's how he got called out I mean you

1392

00:52:38,220 --> 00:52:36,970

know they caught they they went out and

1393

00:52:41,220 --> 00:52:38,230

that was another thing too that was

1394

00:52:44,609 --> 00:52:41,230

sheriff Lombardo never discussed to the

1395

00:52:47,160 --> 00:52:44,619

public I did in stories is why this it

1396

00:52:49,560 --> 00:52:47,170

took him an hour and five minutes for at

1397

00:52:51,690 --> 00:52:49,570

least levi hancock and then a couple of

1398

00:52:54,030 --> 00:52:51,700

others guy shows up they had to use you

1399

00:52:55,830 --> 00:52:54,040

know patrol officers and k9 officers to

1400

00:52:58,230 --> 00:52:55,840

breach paddock suite and now at five

1401
00:53:01,109 --> 00:52:58,240
minutes later well it was because the

1402
00:53:02,760 --> 00:53:01,119
new SWAT lieutenant decided when it came

1403
00:53:05,070 --> 00:53:02,770
out on the communicator is this tell if

1404
00:53:07,260 --> 00:53:05,080
I bet he go a half a mile down the strip

1405
00:53:09,270 --> 00:53:07,270
south of Mandalay Bay to the south

1406
00:53:11,310 --> 00:53:09,280
central area command and then they all

1407
00:53:13,620 --> 00:53:11,320
went over there and they say okay now go

1408
00:53:15,240 --> 00:53:13,630
back to the Mandalay Bay but Levi

1409
00:53:16,859 --> 00:53:15,250
Hancock and I think one or two other

1410
00:53:18,750 --> 00:53:16,869
SWAT guys heard on the channel they

1411
00:53:20,130 --> 00:53:18,760
basically said you know screw this I'm

1412
00:53:21,810 --> 00:53:20,140
going the Mandalay Bay that's where the

1413
00:53:23,980 --> 00:53:21,820

threat is that was the correct decision

1414

00:53:25,300 --> 00:53:23,990

that they made and I heard

1415

00:53:27,250 --> 00:53:25,310

that Hancock got in trouble for that I

1416

00:53:28,720 --> 00:53:27,260

can't confirm that but cops told me you

1417

00:53:31,150 --> 00:53:28,730

got in trouble for going directly to

1418

00:53:33,370 --> 00:53:31,160

Mandalay Bay really I mean I'd love to

1419

00:53:36,910 --> 00:53:33,380

see that memo sheriff Lombardo because

1420

00:53:39,400 --> 00:53:36,920

if you disciplined SWAT officer Levi

1421

00:53:41,680 --> 00:53:39,410

Hancock because he responded where he

1422

00:53:43,060 --> 00:53:41,690

was home training through the Mandalay

1423

00:53:45,280 --> 00:53:43,070

Bay because he's listening on the radio

1424

00:53:46,359 --> 00:53:45,290

that the shots were coming of course by

1425

00:53:47,200 --> 00:53:46,369

the time they got there you know Patti

1426

00:53:48,940 --> 00:53:47,210

could stop firing

1427

00:53:51,910 --> 00:53:48,950

but the threat was at the Mandalay Bay

1428

00:53:54,460 --> 00:53:51,920

if you wrote this guy up and disciplined

1429

00:53:56,650 --> 00:53:54,470

you are a biggest scumbag but I even

1430

00:53:58,930 --> 00:53:56,660

wrote about you because that's where he

1431

00:54:00,460 --> 00:53:58,940

should have went okay how about this

1432

00:54:02,380 --> 00:54:00,470

question you know you talked about

1433

00:54:04,150 --> 00:54:02,390

whether the cops were all properly

1434

00:54:05,440 --> 00:54:04,160

informed about the cessful going on are

1435

00:54:08,320 --> 00:54:05,450

you aware of anything that the Las Vegas

1436

00:54:13,359 --> 00:54:08,330

police department did to protect this

1437

00:54:15,010 --> 00:54:13,369

festival in this story well they had so

1438

00:54:16,540 --> 00:54:15,020

many officers assigned because they have

1439

00:54:17,950 --> 00:54:16,550

like 20 officers of sign ID wrote a

1440

00:54:19,839 --> 00:54:17,960

story on that how many of those and they

1441

00:54:22,320 --> 00:54:19,849

have in the venue what which is probably

1442

00:54:26,970 --> 00:54:22,330

they require that any festivals required

1443

00:54:29,530 --> 00:54:26,980

to pay for X number of officers security

1444

00:54:31,030 --> 00:54:29,540

but beyond beyond that you're not aware

1445

00:54:34,030 --> 00:54:31,040

of any additional security that was put

1446

00:54:36,160 --> 00:54:34,040

in place no there wasn't I consistently

1447

00:54:38,650 --> 00:54:36,170

Jim in the stories that I wrote almost

1448

00:54:41,380 --> 00:54:38,660

150 on this thing I consistently said

1449

00:54:42,790 --> 00:54:41,390

why wasn't there SWAT snipers deployed

1450

00:54:44,800 --> 00:54:42,800

in the area of the concert venue

1451

00:54:47,140 --> 00:54:44,810

people's all that's tube it's not stupid

1452

00:54:48,790 --> 00:54:47,150

because both and you see in the story

1453

00:54:50,770 --> 00:54:48,800

the link is in there when you read it

1454

00:54:52,900 --> 00:54:50,780

both of our pulse examiner website hit

1455

00:54:55,780 --> 00:54:52,910

on the story both the Las Vegas

1456

00:54:57,790 --> 00:54:55,790

metropolitan Police Department and MGM

1457

00:55:00,010 --> 00:54:57,800

Resorts International the owners of

1458

00:55:02,020 --> 00:55:00,020

Mandalay Bay where Patek killed people

1459

00:55:03,940 --> 00:55:02,030

from his window and they also owned the

1460

00:55:06,280 --> 00:55:03,950

Las Vegas Village grounds where the

1461

00:55:07,990 --> 00:55:06,290

route 91 concert was a tent who was

1462

00:55:09,280 --> 00:55:08,000

going on and there was a co promoter of

1463

00:55:12,460 --> 00:55:09,290

the festival that's right

1464

00:55:16,359 --> 00:55:12,470

both of those both the police and metro

1465

00:55:19,089 --> 00:55:16,369

metro police n MGM are I knew that a

1466

00:55:22,630 --> 00:55:19,099

threat from an elevated position sniper

1467

00:55:25,089 --> 00:55:22,640

attack was possible because what you see

1468

00:55:28,030 --> 00:55:25,099

when you go to my story because of one

1469

00:55:30,010 --> 00:55:28,040

number one in 2014 they got that

1470

00:55:32,140 --> 00:55:30,020

convicted felon in one of the high-rise

1471

00:55:34,000 --> 00:55:32,150

towers of Mandalay Bay with a small

1472

00:55:35,320 --> 00:55:34,010

arsenal with one of the guns facing

1473

00:55:37,730 --> 00:55:35,330

toward the window which was found by a

1474

00:55:39,859 --> 00:55:37,740

maid both Metro the FBI

1475

00:55:41,750 --> 00:55:39,869

MGM right we'll quite aware of that so

1476

00:55:44,420 --> 00:55:41,760

now you say okay how did they have

1477

00:55:46,310 --> 00:55:44,430

foreseeability absolutely and then when

1478

00:55:48,620 --> 00:55:46,320

you read my story there was a training

1479

00:55:51,680 --> 00:55:48,630

exercise that happened before October

1480

00:55:53,840 --> 00:55:51,690

1st was about 2012 when the Sahara Hotel

1481

00:55:56,660 --> 00:55:53,850

was closing down to be transformed into

1482

00:55:58,520 --> 00:55:56,670

the SLS it was a training with SWAT guys

1483

00:56:00,590 --> 00:55:58,530

were there department heads were there

1484

00:56:02,270 --> 00:56:00,600

the Weaver sub security people there one

1485

00:56:03,920 --> 00:56:02,280

of the people in attendance this thing

1486

00:56:06,140 --> 00:56:03,930

I'm going to talk about about 30 seconds

1487

00:56:08,090 --> 00:56:06,150

was a guy by the name of Tom Loeser CH

1488

00:56:09,980 --> 00:56:08,100

who had a deputy chief and retired from

1489

00:56:12,740 --> 00:56:09,990

the Metro Police Department and was

1490

00:56:15,410 --> 00:56:12,750

hired by MGM RI then it was called MGM

1491

00:56:16,850 --> 00:56:15,420

Mirage resorts okay what they did was as

1492

00:56:19,460 --> 00:56:16,860

they did a training exercise

1493

00:56:23,870 --> 00:56:19,470

they put a dummy in one of the high-rise

1494

00:56:26,060 --> 00:56:23,880

towers of the SLS and the FBI sniper

1495

00:56:28,040 --> 00:56:26,070

from the hostage rescue team from

1496

00:56:30,470 --> 00:56:28,050

Quantico from when I was told by people

1497

00:56:33,260 --> 00:56:30,480

who were there and saw this he was in an

1498

00:56:35,960 --> 00:56:33,270

FBI chopper hovering over the strip one

1499

00:56:38,300 --> 00:56:35,970

shot he took the dummy out they did that

1500

00:56:41,270 --> 00:56:38,310

training exercise to show they could

1501
00:56:43,730 --> 00:56:41,280
take out a sniper firing from in a hotel

1502
00:56:45,440 --> 00:56:43,740
high-rise from a helicopter took the

1503
00:56:47,870 --> 00:56:45,450
shot great shot I like to shake this

1504
00:56:51,080 --> 00:56:47,880
guy's hand they were all aware of that

1505
00:56:52,910 --> 00:56:51,090
and then in 2014 you have the incident

1506
00:56:55,130 --> 00:56:52,920
at the Mandalay Bay so how could they

1507
00:56:57,140 --> 00:56:55,140
say they didn't have any foreseeability

1508
00:56:58,849 --> 00:56:57,150
and you noticed in my story I'm asking

1509
00:57:00,170 --> 00:56:58,859
sheriff Lombardo in the story because

1510
00:57:02,480 --> 00:57:00,180
they do not answer me anymore through

1511
00:57:05,690 --> 00:57:02,490
the media requests I said did anybody

1512
00:57:08,510 --> 00:57:05,700
from the SWAT tomb did a recon of that

1513
00:57:09,590 --> 00:57:08,520

before the event took place just to go

1514

00:57:11,210 --> 00:57:09,600

in there say you know we're surrounded

1515

00:57:13,040 --> 00:57:11,220

by you know high-rise towers what have

1516

00:57:14,330 --> 00:57:13,050

happens maybe chef some snipers they're

1517

00:57:16,640 --> 00:57:14,340

not gonna tell us where they did it they

1518

00:57:18,140 --> 00:57:16,650

did that I mean you read the stories um

1519

00:57:19,640 --> 00:57:18,150

I got this thing is going through social

1520

00:57:21,590 --> 00:57:19,650

media like crazy people say I can't

1521

00:57:23,960 --> 00:57:21,600

believe this it's not a reflection on

1522

00:57:24,410 --> 00:57:23,970

that SWAT officer this guy Brosnan is a

1523

00:57:26,180 --> 00:57:24,420

hero

1524

00:57:28,250 --> 00:57:26,190

he took out a guy a couple of months ago

1525

00:57:30,140 --> 00:57:28,260

who was shootin and you know these guys

1526

00:57:30,920 --> 00:57:30,150

were all qualified SWAT guys they're

1527

00:57:33,109 --> 00:57:30,930

great guys

1528

00:57:35,780 --> 00:57:33,119

but there's something wrong with in the

1529

00:57:38,480 --> 00:57:35,790

police department why he did not know

1530

00:57:41,540 --> 00:57:38,490

what route 91 was and the story some

1531

00:57:44,270 --> 00:57:41,550

cops I talked to outside of the you know

1532

00:57:46,220 --> 00:57:44,280

the the the venue was in the convention

1533

00:57:47,960 --> 00:57:46,230

center Area Command okay and the

1534

00:57:49,340 --> 00:57:47,970

Southwest Area Command was just down the

1535

00:57:51,109 --> 00:57:49,350

street there's like a line across over

1536

00:57:52,700 --> 00:57:51,119

but cops will come in from

1537

00:57:54,890 --> 00:57:52,710

area commands throughout the county and

1538

00:57:57,229 --> 00:57:54,900

some of them told me when went across

1539

00:57:59,660 --> 00:57:57,239

the radio you know shots fire you know

1540

00:58:01,400 --> 00:57:59,670

coming people dying it's route 91 they

1541

00:58:03,890 --> 00:58:01,410

even know what round anyone was one cop

1542

00:58:06,079 --> 00:58:03,900

told me he thought it was a street route

1543

00:58:08,180 --> 00:58:06,089

that he was unfamiliar with and then

1544

00:58:10,430 --> 00:58:08,190

another cop told me that there was

1545

00:58:13,309 --> 00:58:10,440

nothing at any briefing before the

1546

00:58:15,799 --> 00:58:13,319

concert to say this weekend now I put

1547

00:58:19,130 --> 00:58:15,809

that in my story I want sheriff Lombardo

1548

00:58:21,499 --> 00:58:19,140

to respond to us and prove to us that

1549

00:58:23,450 --> 00:58:21,509

what these cops said was false and we

1550

00:58:25,099 --> 00:58:23,460

will do an update on the story cause

1551

00:58:29,719 --> 00:58:25,109

they're not gonna respond to us how does

1552

00:58:32,150 --> 00:58:29,729

a SWAT guy Jim not know what 91 was it's

1553

00:58:34,099 --> 00:58:32,160

just beyond imagination yeah because

1554

00:58:36,650 --> 00:58:34,109

they weren't told they were told they

1555

00:58:40,640 --> 00:58:36,660

were asleep and Mandalay Bay was was

1556

00:58:43,219 --> 00:58:40,650

asleep and 58 people are dead and over

1557

00:58:44,690 --> 00:58:43,229

500 wounded because they could have done

1558

00:58:46,249 --> 00:58:44,700

they could have something in place that

1559

00:58:48,170 --> 00:58:46,259

night and by the way in that story

1560

00:58:50,959 --> 00:58:48,180

you'll see that I was formed by another

1561

00:58:53,150 --> 00:58:50,969

police officer after route 91 happened

1562

00:58:55,519 --> 00:58:53,160

sometime later there was a training

1563

00:58:57,799 --> 00:58:55,529

exercise a training seminar and it was a

1564

00:58:59,809 --> 00:58:57,809

sniper I guess he's a great sniper from

1565

00:59:01,459 --> 00:58:59,819

Dallas Police Department was out here

1566

00:59:04,370 --> 00:59:01,469

and he was trained in you know the cops

1567

00:59:07,039 --> 00:59:04,380

the SWAT team and he said to them had

1568

00:59:10,670 --> 00:59:07,049

the route 91 festival happened in Dallas

1569

00:59:13,249 --> 00:59:10,680

Texas per their SWAT criteria they would

1570

00:59:15,229 --> 00:59:13,259

have had snipers and SWAT standing by

1571

00:59:17,630 --> 00:59:15,239

for that event that's in my story also

1572

00:59:19,700 --> 00:59:17,640

should there be criminal charges brought

1573

00:59:22,489 --> 00:59:19,710

against Hendricks as there were against

1574

00:59:25,579 --> 00:59:22,499

the Parkland guy my personal feeling is

1575

00:59:27,829 --> 00:59:25,589

yes will it ever happen out here no hmm

1576

00:59:30,469 --> 00:59:27,839

and and what would it be I mean have you

1577

00:59:34,009 --> 00:59:30,479

ever seen a police officer charged like

1578

00:59:37,160 --> 00:59:34,019

that before for inaction um other than

1579

00:59:38,210 --> 00:59:37,170

bark 'land no no and that's why it's
