HIDDEN
TRUTH
WITH JIM BRESLO

1
00:00:04,130 --> 00:00:01,640
we're just recording this to make sure

2
00:00:05,900 --> 00:00:04,140
that we have proof that this came from

3
00:00:08,720 --> 00:00:05,910
mr. Mike Turtur who collected it himself

4
00:00:11,900 --> 00:00:08,730
from the base of Mandalay Bay Hotel how

5
00:00:15,350 --> 00:00:11,910
many days after the 23rd October 23rd

6
00:00:17,029 --> 00:00:15,360
Wow was there anybody else out there by

7
00:00:18,439 --> 00:00:17,039
the way no one knew where these were and

8
00:00:20,300 --> 00:00:18,449
did you pick up everything that you

9
00:00:22,849 --> 00:00:20,310
could see or was there still stuff left

10
00:00:24,500 --> 00:00:22,859
there's possibly still stuff left and

11
00:00:26,210 --> 00:00:24,510
other locations which I didn't feel

12
00:00:28,370 --> 00:00:26,220
comfortable going to but were you were

13
00:00:30,710 --> 00:00:28,380

picking up shards of glass below the

14

00:00:31,880 --> 00:00:30,720

32nd floor of the Mandalay Bay if you

15

00:00:34,160 --> 00:00:31,890

picked up everything that you should've

16

00:00:36,080 --> 00:00:34,170

got everything else yeah anyway you're

17

00:00:39,889 --> 00:00:36,090

generous does enough to give us one of

18

00:00:41,450 --> 00:00:39,899
