HIDDEN TRUTH
WITH JIM BRESLO

1
00:00:00,000 --> 00:00:08,799

[Music]

2
00:00:14,180 --> 00:00:12,080

who am i working for I'm working for

3
00:00:16,609 --> 00:00:14,190

I'll reveal it right now on this show

4
00:00:22,250 --> 00:00:16,619

live today okay for the first time ever

5
00:00:25,220 --> 00:00:22,260

I'm working for me and the victims yeah

6
00:00:27,470 --> 00:00:25,230

yeah yeah that's it and the and one of

7
00:00:29,689 --> 00:00:27,480

the attorneys no I don't work for any

8
00:00:30,830 --> 00:00:29,699

attorney you've helped the attorneys I

9
00:00:34,069 --> 00:00:30,840

have helped the attorneys I have

10
00:00:36,650 --> 00:00:34,079

basically gotten evidence and gave in

11
00:00:39,020 --> 00:00:36,660

that evidence to the attorneys

12
00:00:39,889 --> 00:00:39,030

whichever attorney needed whatever I say

13
00:00:42,080 --> 00:00:39,899

the attorneys the plaintiff's attorney

14

00:00:43,700 --> 00:00:42,090

so you're helping the victims absolutely

15

00:00:45,080 --> 00:00:43,710

right absolutely yeah MGM has a

16

00:00:48,260 --> 00:00:45,090

snowball's chance in hell of getting any

17

00:00:51,350 --> 00:00:48,270

evidence from me and MGM should be

18

00:00:53,689 --> 00:00:51,360

paying up for absolute yeah absolutely

19

00:00:56,119 --> 00:00:53,699

and we learned actually that they

20

00:00:58,130 --> 00:00:56,129

disclosed in some SEC filing that

21

00:00:59,540 --> 00:00:58,140

they've already reserved a big chunk of

22

00:01:01,760 --> 00:00:59,550

change for their cancer they're

23

00:01:03,139 --> 00:01:01,770

expecting to make a big payment the only

24

00:01:05,600 --> 00:01:03,149

question is exactly what is it going to

25

00:01:07,160 --> 00:01:05,610

be yeah that amounts still from what I

26

00:01:08,630 --> 00:01:07,170

have gathered that amount still up in

27

00:01:11,090 --> 00:01:08,640

the air seven hundred fifty or so

28

00:01:13,850 --> 00:01:11,100

million is what's been allocated out

29

00:01:16,039 --> 00:01:13,860

from their insurance policy of course

30

00:01:18,200 --> 00:01:16,049

that doesn't really sting them in the

31

00:01:19,490 --> 00:01:18,210

pocketbook directly yet which obviously

32

00:01:22,490 --> 00:01:19,500

is something that everybody would like

33

00:01:24,530 --> 00:01:22,500

to do but that will sting a little bit

34

00:01:26,539 --> 00:01:24,540

as their premiums come up in the future

35

00:01:30,980 --> 00:01:26,549

but they could sell one property and

36

00:01:32,719 --> 00:01:30,990

come up with that so the the thought is

37

00:01:34,219 --> 00:01:32,729

is that's a good idea give one one of

38

00:01:37,249 --> 00:01:34,229

the properties to all the country music

39

00:01:38,870 --> 00:01:37,259

fans literally take it over and bring

40

00:01:41,030 --> 00:01:38,880

some country music this way or whatever

41

00:01:42,230 --> 00:01:41,040

you have naturally on the west I was

42

00:01:44,600 --> 00:01:42,240

just I should tell everybody I was just

43

00:01:47,210 --> 00:01:44,610

talking to a guy from MGM over the

44

00:01:51,170 --> 00:01:47,220

weekend I was at the Frontier Days

45

00:01:53,929 --> 00:01:51,180

Cheyenne rodeo which is a really really

46

00:01:56,840 --> 00:01:53,939

cool event anyway he said ninety one's

47

00:01:58,429 --> 00:01:56,850

dead that's likely to never come back

48

00:02:00,190 --> 00:01:58,439

yeah there was some talk about the

49

00:02:03,709 --> 00:02:00,200

concert coming back this year in fact

50

00:02:06,109 --> 00:02:03,719

not right around the exact same time as

51
00:02:07,730 --> 00:02:06,119
you know before you know different

52
00:02:09,680 --> 00:02:07,740
location different name either yeah

53
00:02:12,290 --> 00:02:09,690
different location that they were

54
00:02:14,960 --> 00:02:12,300
actually discussing the Vegas venue

55
00:02:16,190 --> 00:02:14,970
but of course we you know there's still

56
00:02:17,960 --> 00:02:16,200
up in the air as to what's going to

57
00:02:19,370 --> 00:02:17,970
happen with that property because as you

58
00:02:24,170 --> 00:02:19,380
probably remember they were going to

59
00:02:25,880 --> 00:02:24,180
gift it to the LVN PD which that's yeah

60
00:02:26,990 --> 00:02:25,890
now that got scuttled that idea gets

61
00:02:28,580 --> 00:02:27,000
gunned yeah that looked like they were

62
00:02:30,650 --> 00:02:28,590
working a little too hand-in-hand with

63
00:02:32,720 --> 00:02:30,660

Vegas police just a little which we know

64

00:02:36,260 --> 00:02:32,730

they just a little bit but you know this

65

00:02:38,510 --> 00:02:36,270

life is beautiful festival I believe did

66

00:02:40,190 --> 00:02:38,520

occur mmm this past year and that's a

67

00:02:43,220 --> 00:02:40,200

remember you know paddock scoped that

68

00:02:44,810 --> 00:02:43,230

one out downtown Vegas when he was a

69

00:02:47,180 --> 00:02:44,820

staying at the Ogden he was he was

70

00:02:48,650 --> 00:02:47,190

looking at that as a is a he you know

71

00:02:50,240 --> 00:02:48,660

there's several there's several theories

72

00:02:53,210 --> 00:02:50,250

involving why he was going to these

73

00:02:55,810 --> 00:02:53,220

different venues my theory after talking

74

00:03:00,080 --> 00:02:55,820

with Eric extensively to is because

75

00:03:01,900 --> 00:03:00,090

Steve had a tendency of over analyzing

76
00:03:03,800 --> 00:03:01,910
and things like he's an accountant so

77
00:03:05,450 --> 00:03:03,810
naturally he's gonna look at things a

78
00:03:09,350 --> 00:03:05,460
little bit more meticulous than say the

79
00:03:12,740 --> 00:03:09,360
average person would be had OCD also

80
00:03:15,350 --> 00:03:12,750
right or right I mean I believe he did I

81
00:03:17,540 --> 00:03:15,360
I don't have individual confirmation of

82
00:03:18,980 --> 00:03:17,550
that but yeah I would say that he did

83
00:03:21,470 --> 00:03:18,990
and I think I've heard enough stories

84
00:03:23,480 --> 00:03:21,480
about him that he had several Oh CDs one

85
00:03:24,950 --> 00:03:23,490
of which was wearing the gloves people

86
00:03:26,570 --> 00:03:24,960
thought that you know him wearing the

87
00:03:29,450 --> 00:03:26,580
gloves at night was something odd that

88
00:03:33,320 --> 00:03:29,460

he he bought those gloves by the box and

89

00:03:35,690 --> 00:03:33,330

what about slightly autistic that's a

90

00:03:38,840 --> 00:03:35,700

theory that I brought out a little bit

91

00:03:42,080 --> 00:03:38,850

early on there I met resistance with it

92

00:03:43,400 --> 00:03:42,090

but when you look at the history of many

93

00:03:46,120 --> 00:03:43,410

of the mass shootings there is a very

94

00:03:49,210 --> 00:03:46,130

large percentage of the mass shooting

95

00:03:52,910 --> 00:03:49,220

perpetrators that were actually

96

00:03:55,250 --> 00:03:52,920

somewhere on that spectrum of autism and

97

00:03:58,220 --> 00:03:55,260

so it's my belief that he falls

98

00:04:01,010 --> 00:03:58,230

somewhere in that spectrum as well

99

00:04:02,690 --> 00:04:01,020

because he had many of the many of the

100

00:04:03,800 --> 00:04:02,700

attributes that one would have or many

101
00:04:06,950 --> 00:04:03,810
of the symptoms if you want to call it

102
00:04:10,130 --> 00:04:06,960
symptoms but that creates a whole nother

103
00:04:12,500 --> 00:04:10,140
area of controversy people don't want to

104
00:04:14,600 --> 00:04:12,510
say that people that are autistics are

105
00:04:16,760 --> 00:04:14,610
going to be your next mass shooter

106
00:04:19,250 --> 00:04:16,770
because most autistic people are

107
00:04:21,470 --> 00:04:19,260
extremely nice they're opposite in but

108
00:04:23,480 --> 00:04:21,480
there is that that branch the branch is

109
00:04:24,590 --> 00:04:23,490
off but keep in mind the medication he

110
00:04:28,130 --> 00:04:24,600
was on may have caught

111
00:04:30,410 --> 00:04:28,140
him to do some slight variant of what

112
00:04:32,810 --> 00:04:30,420
although wasn't it wasn't just an axe

113
00:04:34,220 --> 00:04:32,820

what the the doctor said he prescribed

114

00:04:35,780 --> 00:04:34,230

him as an axe I thought what are you

115

00:04:38,570 --> 00:04:35,790

aware that he was on he was on anxiety

116

00:04:40,700 --> 00:04:38,580

medication for hip our agreement I'm

117

00:04:42,530 --> 00:04:40,710

supposed to actually not say what it is

118

00:04:45,100 --> 00:04:42,540

because you know there's some

119

00:04:48,740 --> 00:04:45,110

involvement there but yes it was under

120

00:04:50,060 --> 00:04:48,750

some anxiety medication he did fill each

121

00:04:52,190 --> 00:04:50,070

of the prescriptions that he received

122

00:04:54,500 --> 00:04:52,200

you the prescriptions that I know he had

123

00:04:56,630 --> 00:04:54,510

were filled at Walgreens and he'd filled

124

00:04:58,910 --> 00:04:56,640

them within an hour of getting them he

125

00:05:00,470 --> 00:04:58,920

didn't abuse the pills it didn't seem

126

00:05:02,840 --> 00:05:00,480

like he had a large amount in the

127

00:05:05,030 --> 00:05:02,850

toxicology report he wasn't and he was

128

00:05:08,570 --> 00:05:05,040

sober that evening it doesn't show that

129

00:05:10,130 --> 00:05:08,580

he was drunk or anything like that but

130

00:05:12,410 --> 00:05:10,140

it reminded me the doctor wanted to

131

00:05:15,340 --> 00:05:12,420

prescribe him something in addition to

132

00:05:17,510 --> 00:05:15,350

correct right correct well the doctor

133

00:05:19,070 --> 00:05:17,520

well without mentioned the doctor's name

134

00:05:23,360 --> 00:05:19,080

which is called the doctor with the same

135

00:05:27,560 --> 00:05:23,370

name as the perpetrator that doctor did

136

00:05:30,560 --> 00:05:27,570

diagnose him originally as being what he

137

00:05:32,660 --> 00:05:30,570

felt was bipolar or some other something

138

00:05:35,120 --> 00:05:32,670

other than whatever and Steve did not

139

00:05:37,820 --> 00:05:35,130

like that diagnosis at all and basically

140

00:05:39,950 --> 00:05:37,830

was picking and choosing which

141

00:05:41,570 --> 00:05:39,960

medications to receive the other thing

142

00:05:43,040 --> 00:05:41,580

that I thought was odd it's the first

143

00:05:44,270 --> 00:05:43,050

time I've ever heard of I don't know if

144

00:05:46,520 --> 00:05:44,280

you've ever heard of this before you

145

00:05:48,890 --> 00:05:46,530

being form a lawyer you're familiar with

146

00:05:51,170 --> 00:05:48,900

the term retainer I don't recall ever

147

00:05:53,270 --> 00:05:51,180

hearing about doctors being on retainer

148

00:05:54,590 --> 00:05:53,280

but apparently that's a thing that you

149

00:05:55,610 --> 00:05:54,600

could pay X amount of dollars a month I

150

00:05:59,000 --> 00:05:55,620

have a dog yeah they called him

151
00:06:01,940 --> 00:05:59,010
concierge doctors you first in line when

152
00:06:03,620 --> 00:06:01,950
you come in or something yep that's kind

153
00:06:06,110 --> 00:06:03,630
of sorry you're saying that paddock

154
00:06:08,150 --> 00:06:06,120
doctor was it was a concierge doctor he

155
00:06:10,610 --> 00:06:08,160
was on retainer correct that's that's my

156
00:06:12,080 --> 00:06:10,620
understand yeah yeah well if you got a

157
00:06:13,940 --> 00:06:12,090
lot of money like you said it makes it

158
00:06:15,530 --> 00:06:13,950
easy to go in and see your see your

159
00:06:17,480 --> 00:06:15,540
doctor I think a lot of people do

160
00:06:20,210 --> 00:06:17,490
probably do it so that they can easily

161
00:06:21,800 --> 00:06:20,220
get prescribed whatever they want but

162
00:06:24,190 --> 00:06:21,810
you're saying he wasn't really abusing

163
00:06:26,300 --> 00:06:24,200

yeah it wasn't really abusing it but but

164

00:06:27,950 --> 00:06:26,310

you know and he didn't have that many

165

00:06:30,230 --> 00:06:27,960

health issues in my mind that would

166

00:06:32,360 --> 00:06:30,240

warrant needing that plus since he

167

00:06:33,740 --> 00:06:32,370

didn't abuse anything it didn't seem

168

00:06:35,570 --> 00:06:33,750

like he was going in and getting a bunch

169

00:06:37,150 --> 00:06:35,580

of pain pills or you know like we have a

170

00:06:39,490 --> 00:06:37,160

lot of people and

171

00:06:40,630 --> 00:06:39,500

it's the celebrity world whether it's on

172

00:06:42,100 --> 00:06:40,640

the new side whether it's on the

173

00:06:45,550 --> 00:06:42,110

entertainment side or what whatever side

174

00:06:47,830 --> 00:06:45,560

is on that abused normally pain pills or

175

00:06:49,540 --> 00:06:47,840

something along that line he was in pain

176

00:06:52,150 --> 00:06:49,550

but he didn't abuse it the other thing

177

00:06:53,800 --> 00:06:52,160

too was he had a heart condition high

178

00:06:55,480 --> 00:06:53,810

blood pressure and he could not take his

179

00:06:58,420 --> 00:06:55,490

high blood pressure medication that was

180

00:07:00,430 --> 00:06:58,430

the reason why he lost his FAA license

181

00:07:03,160 --> 00:07:00,440

for flying flying his plane that was his

182

00:07:06,010 --> 00:07:03,170

passion was to fly plane when he lost

183

00:07:07,720 --> 00:07:06,020

that of course that you know that was

184

00:07:09,580 --> 00:07:07,730

another precursor to some of his

185

00:07:11,290 --> 00:07:09,590

downfall mentally as far as him being

186

00:07:13,360 --> 00:07:11,300

happy with life so we were starting to

187

00:07:16,750 --> 00:07:13,370

talk about the theories as to why he

188

00:07:21,010 --> 00:07:16,760

checked out multiple locations yeah

189

00:07:24,370 --> 00:07:21,020

my theory is this if I was going to do

190

00:07:26,680 --> 00:07:24,380

what he supposedly did because you know

191

00:07:28,750 --> 00:07:26,690

actually we can't really put him in that

192

00:07:30,580 --> 00:07:28,760

room yet until we get the ballistics but

193

00:07:34,480 --> 00:07:30,590

let's just assume that it was him and I

194

00:07:36,550 --> 00:07:34,490

am at the firm belief it was him if we

195

00:07:40,090 --> 00:07:36,560

can't the the situation is this if

196

00:07:42,790 --> 00:07:40,100

you're going to do this you're going to

197

00:07:44,260 --> 00:07:42,800

try to learn what is the security

198

00:07:46,330 --> 00:07:44,270

protocols that are in place at the place

199

00:07:48,370 --> 00:07:46,340

that you're going to do it at and also

200

00:07:49,780 --> 00:07:48,380

what is the security protocol for the

201
00:07:51,670 --> 00:07:49,790
people that are running the event that

202
00:07:53,320 --> 00:07:51,680
you're shooting towards so he has two

203
00:07:55,990 --> 00:07:53,330
situations he's looking at he's looking

204
00:07:57,760 --> 00:07:56,000
at the hotel which he's in and he's also

205
00:07:59,290 --> 00:07:57,770
looking at situation of a concert which

206
00:08:00,910 --> 00:07:59,300
is across the street or wherever it was

207
00:08:02,650 --> 00:08:00,920
each of the venues that he went to he

208
00:08:05,920 --> 00:08:02,660
was always in a hotel looking at a

209
00:08:07,360 --> 00:08:05,930
concert two separate security teams two

210
00:08:08,730 --> 00:08:07,370
separate ways that they may respond to

211
00:08:10,510 --> 00:08:08,740
different things or there may be some

212
00:08:14,590 --> 00:08:10,520
communication gaps tears or whatever

213
00:08:17,830 --> 00:08:14,600

plus he moved a lot of of his luggage in

214

00:08:19,660 --> 00:08:17,840

and out of Ogden row well Ogden is the

215

00:08:21,790 --> 00:08:19,670

only other location that I'm aware that

216

00:08:23,590 --> 00:08:21,800

he actually was in there was Chicago

217

00:08:25,570 --> 00:08:23,600

where supposedly he booked a room but

218

00:08:27,490 --> 00:08:25,580

then he never went there right correct

219

00:08:30,250 --> 00:08:27,500

you know so there's probably some other

220

00:08:33,520 --> 00:08:30,260

venues that he may have went to maybe

221

00:08:35,140 --> 00:08:33,530

not necessarily booked a room maybe who

222

00:08:36,969 --> 00:08:35,150

knows because he did he did travel

223

00:08:38,680 --> 00:08:36,979

around well the let's talk about Ogden

224

00:08:40,029 --> 00:08:38,690

the one we know for sure and yeah and

225

00:08:42,580 --> 00:08:40,039

apparently he did bring bags up there

226

00:08:44,980 --> 00:08:42,590

and so on is it your belief that he was

227

00:08:46,660 --> 00:08:44,990

thinking about doing it at life is

228

00:08:49,329 --> 00:08:46,670

beautiful but for some reason chose not

229

00:08:50,190 --> 00:08:49,339

to or that was all just prep for

230

00:08:52,800 --> 00:08:50,200

Mandalay Bay

231

00:08:55,620 --> 00:08:52,810

I'm going with the thought that it's

232

00:08:57,750 --> 00:08:55,630

prep for Mandalay Bay I went to the

233

00:09:00,510 --> 00:08:57,760

Ogden I looked at that location I looked

234

00:09:02,430 --> 00:09:00,520

at you know you know what was was the

235

00:09:04,200 --> 00:09:02,440

big vantage point that he had there who

236

00:09:07,140 --> 00:09:04,210

were who were the people who he was

237

00:09:09,000 --> 00:09:07,150

going to be shooting at what do you mean

238

00:09:10,680 --> 00:09:09,010

who was the people well a crowd there's

239

00:09:12,810 --> 00:09:10,690

a lot of there a big crowd is is the

240

00:09:14,730 --> 00:09:12,820

main thing was there any type of thought

241

00:09:16,080 --> 00:09:14,740

process that he put in in the in to play

242

00:09:17,610 --> 00:09:16,090

us to the type of people who were

243

00:09:20,220 --> 00:09:17,620

shooting at land you believe there was

244

00:09:22,290 --> 00:09:20,230

it's possible I don't I don't I don't

245

00:09:26,250 --> 00:09:22,300

necessarily know I haven't gone down

246

00:09:28,260 --> 00:09:26,260

that rabbit hole was Ehrich thing there

247

00:09:30,090 --> 00:09:28,270

was some reason you would target country

248

00:09:32,340 --> 00:09:30,100

no defense no we thought we did talk

249

00:09:35,400 --> 00:09:32,350

about it but there wasn't anything

250

00:09:36,810 --> 00:09:35,410

specific to country music fans yeah I

251

00:09:39,150 --> 00:09:36,820

mean I'm thinking I mean for what it's

252

00:09:42,810 --> 00:09:39,160

worth is big crowd and that's all that

253

00:09:44,850 --> 00:09:42,820

mattered in Mandalay Bay was one of the

254

00:09:47,040 --> 00:09:44,860

places that he frequented the most and

255

00:09:48,900 --> 00:09:47,050

the most knowledge about as far as the

256

00:09:50,520 --> 00:09:48,910

elevators and the staff and running

257

00:09:54,480 --> 00:09:50,530

well-known and therefore easy to get the

258

00:09:56,550 --> 00:09:54,490

bags up and Mary Lou says that yeah he

259

00:09:59,730 --> 00:09:56,560

was acting weird looking out the window

260

00:10:02,130 --> 00:09:59,740

in the suite before so seems to me that

261

00:10:03,480 --> 00:10:02,140

that was Mandalay Bay was yeah he's seem

262

00:10:07,530 --> 00:10:03,490

to be walking back and forth between

263

00:10:09,630 --> 00:10:07,540

windows you know whether or not ideally

264

00:10:11,700 --> 00:10:09,640

looking to see which which obstacles

265

00:10:16,080 --> 00:10:11,710

would be in the way what would you learn

266

00:10:18,660 --> 00:10:16,090

by doing a dry run that Ogden seems kind

267

00:10:20,400 --> 00:10:18,670

of odd to me I mean my theory would be

268

00:10:22,320 --> 00:10:20,410

you're way more knowledgeable on this

269

00:10:24,420 --> 00:10:22,330

than I am but if my theory would be that

270

00:10:26,280 --> 00:10:24,430

he was seriously considering doing at

271

00:10:28,860 --> 00:10:26,290

Ogden because what's the point of doing

272

00:10:30,630 --> 00:10:28,870

a dry run at Ogden when the main places

273

00:10:32,220 --> 00:10:30,640

Mandalay Bay why not do a dry run at

274

00:10:33,930 --> 00:10:32,230

Mandalay Bay in other words well the

275

00:10:35,070 --> 00:10:33,940

thing is you have to look at all of the

276

00:10:36,750 --> 00:10:35,080

things that he did during his

277

00:10:39,240 --> 00:10:36,760

preparation because Ogden wasn't that

278

00:10:41,250 --> 00:10:39,250

far you know previous to Mandalay Bay so

279

00:10:42,780 --> 00:10:41,260

he had tannerite so he apparently was

280

00:10:45,060 --> 00:10:42,790

gonna blow up something we don't know

281

00:10:48,150 --> 00:10:45,070

exactly whether it was only a matter of

282

00:10:50,430 --> 00:10:48,160

days before later a week or so because

283

00:10:52,410 --> 00:10:50,440

just within day yet within the month

284

00:10:55,620 --> 00:10:52,420

before yeah so that that that timeframe

285

00:10:58,080 --> 00:10:55,630

is still relevant but what's what I was

286

00:11:00,270 --> 00:10:58,090

looking at when is that the Ogden is the

287

00:11:03,120 --> 00:11:00,280

the number the amount of obstacles a he

288

00:11:03,960 --> 00:11:03,130

would have had I don't have how many

289

00:11:06,329 --> 00:11:03,970

times you stay

290

00:11:08,009 --> 00:11:06,339

the Ogden before or whether or not he

291

00:11:10,590 --> 00:11:08,019

was as well-known there because

292

00:11:11,610 --> 00:11:10,600

obviously the investigation shifted to

293

00:11:13,650 --> 00:11:11,620

Mandalay Bay so we have a lot of

294

00:11:15,090 --> 00:11:13,660

information from Manila Bay but we don't

295

00:11:17,429 --> 00:11:15,100

have a lot from Ogden we don't have his

296

00:11:18,929 --> 00:11:17,439

players card or anything that tells us

297

00:11:23,309 --> 00:11:18,939

any history he has and you know the

298

00:11:24,600 --> 00:11:23,319

actual room that he was in at Ogden I do

299

00:11:26,639 --> 00:11:24,610

I know they actually I'd like the room

300

00:11:29,220 --> 00:11:26,649

number or I do but I don't know it off

301

00:11:33,360 --> 00:11:29,230

memorize it in fact have a perfect view

302

00:11:35,460 --> 00:11:33,370

of the concert I wouldn't say it would I

303

00:11:38,100 --> 00:11:35,470

would say that that room would have some

304

00:11:41,819 --> 00:11:38,110

some difficulty and I think the room at

305

00:11:44,009 --> 00:11:41,829

Mandalay Bay was was obviously correct

306

00:11:45,900 --> 00:11:44,019

yeah it was it was either prot

307

00:11:49,110 --> 00:11:45,910

yeah I personally would have moved up

308

00:11:53,340 --> 00:11:49,120

higher but the 32nd floor which is now

309

00:11:54,960 --> 00:11:53,350

the 57th floor is still sufficient to

310

00:11:55,829 --> 00:11:54,970

accomplish the task that he set out to

311

00:11:58,860 --> 00:11:55,839

do mm-hmm

312

00:12:01,530 --> 00:11:58,870

so maybe he was seriously considering

313

00:12:04,619 --> 00:12:01,540

Ogden but when he looked at the vantage

314

00:12:06,749 --> 00:12:04,629

point and so on it wasn't as good as he

315

00:12:09,449 --> 00:12:06,759

had hoped because who knows he may have

316

00:12:11,699 --> 00:12:09,459

never seen the life is beautiful concert

317

00:12:13,559 --> 00:12:11,709

before it probably went on googled it

318

00:12:15,629 --> 00:12:13,569

mm-hmm probably saw pictures of it yeah

319

00:12:20,790 --> 00:12:15,639

but it wasn't until he got there was in

320

00:12:23,900 --> 00:12:20,800

the room got in position either he for

321

00:12:26,759 --> 00:12:23,910

lack of a better word chickened out or

322

00:12:28,639 --> 00:12:26,769

it wasn't to his liking as far as the

323

00:12:31,530 --> 00:12:28,649

carnage that he thought that he could

324

00:12:33,420 --> 00:12:31,540

achieve III would say that's a fairly

325

00:12:36,090 --> 00:12:33,430

accurate statement I would also say that

326

00:12:38,040 --> 00:12:36,100

there was other circumstances that we

327

00:12:39,990 --> 00:12:38,050

now know that he was looking at one

328

00:12:41,369 --> 00:12:40,000

obviously it was the tanks he doesn't

329

00:12:42,990 --> 00:12:41,379

and you didn't have that same

330

00:12:45,019 --> 00:12:43,000

opportunity at Ogden there was really

331

00:12:49,049 --> 00:12:45,029

nothing around there that would create a

332

00:12:51,319 --> 00:12:49,059

diversion from afar for him to shoot at

333

00:12:55,619 --> 00:12:51,329

to have people come back his direction

334

00:12:58,379 --> 00:12:55,629

so that that plays into it so that's

335

00:13:00,600 --> 00:12:58,389

another thing plus the the tenor rate

336

00:13:02,670 --> 00:13:00,610

was questionable as to what he was going

337

00:13:07,220 --> 00:13:02,680

to do with it an explosion at Mandalay

338

00:13:10,889 --> 00:13:09,449

impressive so to speak with that for the

339

00:13:12,120 --> 00:13:10,899

lack of a better term than something

340

00:13:13,510 --> 00:13:12,130

else when people have been asking me

341

00:13:15,100 --> 00:13:13,520

just randomly on

342

00:13:17,470 --> 00:13:15,110

talking about okay what do you think

343

00:13:19,810 --> 00:13:17,480

really happened and what was his motive

344

00:13:22,000 --> 00:13:19,820

I usually tell him that I think his

345

00:13:26,230 --> 00:13:22,010

motive was simply that he wanted to go

346

00:13:27,760 --> 00:13:26,240

out as the greatest mass murderer in US

347

00:13:29,170 --> 00:13:27,770

history that really would that that kind

348

00:13:31,900 --> 00:13:29,180

of explains why there wasn't a note

349

00:13:33,639 --> 00:13:31,910

there was nothing to say to people mmm

350

00:13:35,019 --> 00:13:33,649

he wanted to go out he wanted to

351

00:13:37,120 --> 00:13:35,029

essentially kill himself

352

00:13:38,710 --> 00:13:37,130

and there's we know variety of reasons

353

00:13:42,310 --> 00:13:38,720

why he was kind of going down a road of

354

00:13:44,980 --> 00:13:42,320

suicide right and then why take out all

355

00:13:48,579 --> 00:13:44,990

these people with you because he wanted

356

00:13:50,620 --> 00:13:48,589

to go out as a notorious killer there's

357

00:13:52,870 --> 00:13:50,630

a lot of area around that question that

358

00:13:55,570 --> 00:13:52,880

can be brought up one is was he trying

359

00:13:57,820 --> 00:13:55,580

to better his dad was you know was there

360

00:13:59,079 --> 00:13:57,830

was that a component which would have

361

00:14:02,530 --> 00:13:59,089

been kind of a subconscious thing

362

00:14:04,300 --> 00:14:02,540

presumably very very very possible you

363

00:14:06,940 --> 00:14:04,310

know there was some hatred there I think

364

00:14:09,610 --> 00:14:06,950

inside the you know the family front for

365

00:14:11,230 --> 00:14:09,620

the dad that's pretty much a given maybe

366

00:14:12,610 --> 00:14:11,240

not hatred might not be the right word

367

00:14:16,360 --> 00:14:12,620

but there's obviously something there

368

00:14:19,139 --> 00:14:16,370

that would be an issue and so when you

369

00:14:22,269 --> 00:14:19,149

when you look at the the mode of being

370

00:14:23,980 --> 00:14:22,279

that that's a component I think I think

371

00:14:25,510 --> 00:14:23,990

the overall and we discussed this before

372

00:14:28,480 --> 00:14:25,520

as far as a motive especially when the

373

00:14:30,519 --> 00:14:28,490

BAU report came out and I discussed this

374

00:14:33,550 --> 00:14:30,529

at length with Eric as well the

375

00:14:35,019 --> 00:14:33,560

situation with Steve is that there were

376

00:14:36,730 --> 00:14:35,029

so many factors that could be weighed

377

00:14:38,650 --> 00:14:36,740

into the mode of whether or not it was

378

00:14:42,460 --> 00:14:38,660

the father whether it's not his his

379

00:14:43,540 --> 00:14:42,470

declining health him losing the passion

380

00:14:45,400 --> 00:14:43,550

of flying whether or not his

381

00:14:49,060 --> 00:14:45,410

relationship with Mary Dan Lee was going

382

00:14:50,829 --> 00:14:49,070

south all of these different his wealth

383

00:14:52,660 --> 00:14:50,839

evaporating his wealth evaporating

384

00:14:55,569 --> 00:14:52,670

frustration with the casinos and the

385

00:14:58,060 --> 00:14:55,579

eyes on him and exactly lossy loss of

386

00:15:01,300 --> 00:14:58,070

the lawsuit at a different casino

387

00:15:02,740 --> 00:15:01,310

obviously so he didn't get that and I

388

00:15:04,300 --> 00:15:02,750

did see the injuries that he had

389

00:15:08,170 --> 00:15:04,310

sustained a lot of people thought that

390

00:15:09,940 --> 00:15:08,180

he possibly faked that fall well I saw

391

00:15:11,829 --> 00:15:09,950

those injuries I saw the pictures of his

392

00:15:13,840 --> 00:15:11,839

injuries they were legit

393

00:15:17,139 --> 00:15:13,850

it's a weird fall though have you

394

00:15:19,449 --> 00:15:17,149

watched that video closely yeah I have

395

00:15:21,400 --> 00:15:19,459

it doesn't look like so just to remind

396

00:15:24,579 --> 00:15:21,410

everybody you know he had a slip and

397

00:15:26,180 --> 00:15:24,589

fall at the Cosmo correct and sues the

398

00:15:28,160 --> 00:15:26,190

casino mm-hmm

399

00:15:30,170 --> 00:15:28,170

for his injuries from slipping and

400

00:15:31,910 --> 00:15:30,180

falling claiming that the floor was wet

401
00:15:33,889 --> 00:15:31,920
and you guys were negligent and

402
00:15:36,590 --> 00:15:33,899
therefore you owe us money which I

403
00:15:38,210 --> 00:15:36,600
consider to be a very BS lawsuit I think

404
00:15:40,579 --> 00:15:38,220
most people would think slip-and-fall

405
00:15:42,619 --> 00:15:40,589
lawsuits are kind of frivolous somewhat

406
00:15:43,850 --> 00:15:42,629
be frivolous and BS so I think it says

407
00:15:44,929 --> 00:15:43,860
you have something interesting about him

408
00:15:47,449 --> 00:15:44,939
that he would even pursue that

409
00:15:49,699 --> 00:15:47,459
considering his wealth at the time you

410
00:15:51,290 --> 00:15:49,709
know move on [h__h] happens right right

411
00:15:52,999 --> 00:15:51,300
but anyway the default

412
00:15:54,439 --> 00:15:53,009
I don't know how closely you looked at

413
00:15:56,389 --> 00:15:54,449

it but I don't see him slipping on

414

00:15:58,069 --> 00:15:56,399

anything that's almost like he almost

415

00:15:59,660 --> 00:15:58,079

like maybe kind of fainted or something

416

00:16:03,470 --> 00:15:59,670

he just kind of seems just to go down

417

00:16:05,480 --> 00:16:03,480

yeah there was I don't know exactly what

418

00:16:08,240 --> 00:16:05,490

happened at that moment but you're right

419

00:16:10,009 --> 00:16:08,250

it did look like he either if he hit

420

00:16:12,679 --> 00:16:10,019

something wet it didn't look like he did

421

00:16:15,319 --> 00:16:12,689

a full-on split but he did those legs

422

00:16:17,269 --> 00:16:15,329

that did go apart kind of crumbles yeah

423

00:16:19,699 --> 00:16:17,279

yeah I could find the video it's it's

424

00:16:22,040 --> 00:16:19,709

yeah do that and and I did see the

425

00:16:24,980 --> 00:16:22,050

injury so unless he went home and beat

426

00:16:26,809 --> 00:16:24,990

the hell out of his was the injury the

427

00:16:28,999 --> 00:16:26,819

injury was inside looks like a hamstring

428

00:16:32,269 --> 00:16:29,009

pull on annals on the inside of the

429

00:16:34,009 --> 00:16:32,279

inner thigh and that is very painful

430

00:16:35,030 --> 00:16:34,019

injury I've had that before martial arts

431

00:16:36,170 --> 00:16:35,040

so you know when you're doing kicks and

432

00:16:37,879 --> 00:16:36,180

stuff like that anyway and do you

433

00:16:39,769 --> 00:16:37,889

believe he's never recovered from it I

434

00:16:41,210 --> 00:16:39,779

know I wouldn't say never recover I

435

00:16:43,639 --> 00:16:41,220

think it probably changed his gait as

436

00:16:45,829 --> 00:16:43,649

far as his walk as it's changed mine of

437

00:16:48,499 --> 00:16:45,839

course you know my hernia has changed my

438

00:16:50,030 --> 00:16:48,509

gait a little bit more as well but yeah

439

00:16:51,769 --> 00:16:50,040

that would that would definitely do it

440

00:16:54,559 --> 00:16:51,779

so you've given a lot of reasons again

441

00:16:55,939 --> 00:16:54,569

for us to believe he was suicidal or

442

00:17:00,559 --> 00:16:55,949

ready to commit suicide but not

443

00:17:02,569 --> 00:17:00,569

necessarily for why take out that's with

444

00:17:04,730 --> 00:17:02,579

you I think that mystery is never going

445

00:17:08,799 --> 00:17:04,740

to be resolved I think a lot of these

446

00:17:11,899 --> 00:17:08,809

the you know the nuances of this case

447

00:17:14,539 --> 00:17:11,909

that kind of play out that we look back

448

00:17:16,279 --> 00:17:14,549

on and we start to you know look back at

449

00:17:17,480 --> 00:17:16,289

the earlier beginning part of this case

450

00:17:19,010 --> 00:17:17,490

where there's a lot of questions that

451
00:17:20,299 --> 00:17:19,020
were left unanswered we're starting able

452
00:17:23,480 --> 00:17:20,309
to answer those but the ones involving

453
00:17:26,120 --> 00:17:23,490
Steve because he was so quiet so so

454
00:17:29,779 --> 00:17:26,130
reserved he wasn't you know an obnoxious

455
00:17:32,510 --> 00:17:29,789
loudmouth always you know saying things

456
00:17:34,940 --> 00:17:32,520
to people kind of guy he pretty much

457
00:17:38,830 --> 00:17:34,950
kept himself somewhat reserved socially

458
00:17:41,710 --> 00:17:38,840
inept as some some people have said but

459
00:17:43,780 --> 00:17:41,720
you know it he didn't have any out no

460
00:17:46,150 --> 00:17:43,790
one could say boy he was constantly

461
00:17:49,180 --> 00:17:46,160
talking about this or that or going off

462
00:17:51,460 --> 00:17:49,190
and you know he hated people and bla bla

463
00:17:54,460 --> 00:17:51,470

bla but we didn't ever get that what

464

00:17:55,960 --> 00:17:54,470

does Eric say he was politically he

465

00:17:59,440 --> 00:17:55,970

wasn't really a political person at all

466

00:18:00,670 --> 00:17:59,450

I'm trying to remember what he was you

467

00:18:01,060 --> 00:18:00,680

think he's registered independent as

468

00:18:02,650 --> 00:18:01,070

well

469

00:18:04,240 --> 00:18:02,660

I mean seem to be have a little bit some

470

00:18:06,820 --> 00:18:04,250

some quotes that you hear a little bit

471

00:18:08,470 --> 00:18:06,830

of an anti-government kind of attitude

472

00:18:10,780 --> 00:18:08,480

and oh they're gonna come and take your

473

00:18:11,890 --> 00:18:10,790

guns kind of attitude either some

474

00:18:15,490 --> 00:18:11,900

comments that he made about that I mean

475

00:18:18,670 --> 00:18:15,500

being a gun guy oftentimes gun guys and

476

00:18:20,400 --> 00:18:18,680

pretty anti-government yeah III would go

477

00:18:22,810 --> 00:18:20,410

I would go with that I mean I was a

478

00:18:24,310 --> 00:18:22,820

federally licensed firearms dealer and I

479

00:18:27,820 --> 00:18:24,320

was a gun guy too but I wasn't

480

00:18:30,940 --> 00:18:27,830

necessarily anti-government but the

481

00:18:33,190 --> 00:18:30,950

reasons for us to have weapons to begin

482

00:18:40,480 --> 00:18:33,200

with in the Constitution is to protect

483

00:18:42,490 --> 00:18:40,490

us from the government control you have

484

00:18:44,080 --> 00:18:42,500

to understand yeah what was the original

485

00:18:45,820 --> 00:18:44,090

intent friend I'd have to remember what

486

00:18:47,860 --> 00:18:45,830

the mindset was of the founders is that

487

00:18:48,580 --> 00:18:47,870

without guns they wouldn't have gotten

488

00:18:50,560 --> 00:18:48,590

their freedom

489

00:18:53,410 --> 00:18:50,570

that's gotten that's curve a had that in

490

00:18:55,690 --> 00:18:53,420

the back absolutely but going back to

491

00:18:58,570 --> 00:18:55,700

the targeting of the crowd I mean again

492

00:19:01,720 --> 00:18:58,580

country music fans don't strike me based

493

00:19:04,660 --> 00:19:01,730

on what little I know about his politics

494

00:19:06,460 --> 00:19:04,670

as a crowd that you would target well I

495

00:19:07,990 --> 00:19:06,470

don't think he's specifically targeting

496

00:19:10,300 --> 00:19:08,000

because they were a country I don't

497

00:19:11,980 --> 00:19:10,310

think because a large portion of a

498

00:19:14,770 --> 00:19:11,990

country crowd would be Republican I

499

00:19:16,210 --> 00:19:14,780

don't think that's an issue I think a

500

00:19:17,860 --> 00:19:16,220

lot of people are really stretching to

501
00:19:19,450 --> 00:19:17,870
try to wrap their heads around this so

502
00:19:21,550 --> 00:19:19,460
the one thing that they're going to do

503
00:19:23,620 --> 00:19:21,560
is to try to give answers where there's

504
00:19:25,060 --> 00:19:23,630
none which is why in the beginning where

505
00:19:26,320 --> 00:19:25,070
we had so many conspiracy theories come

506
00:19:28,240 --> 00:19:26,330
out because we weren't receiving any

507
00:19:30,310 --> 00:19:28,250
answers no one was talking there was

508
00:19:32,500 --> 00:19:30,320
conversations that were held with with

509
00:19:34,000 --> 00:19:32,510
his previous wife there's conversations

510
00:19:34,840 --> 00:19:34,010
help with obviously Mary Lou Dan Lee

511
00:19:38,350 --> 00:19:34,850
Eric

512
00:19:39,760 --> 00:19:38,360
Patrick Bruce everyone in the family

513
00:19:42,280 --> 00:19:39,770

I don't think the mother was interviewed

514

00:19:44,770 --> 00:19:42,290

that much but I don't think anyone came

515

00:19:46,870 --> 00:19:44,780

out of any interview and said we've got

516

00:19:49,300 --> 00:19:46,880

it and we figured it out

517

00:19:51,310 --> 00:19:49,310

and that's the problem we you know well

518

00:19:52,590 --> 00:19:51,320

and my little theory was pretty much in

519

00:19:54,480 --> 00:19:52,600

line with what the FBI

520

00:19:55,890 --> 00:19:54,490

Averill analysis was merely concluded is

521

00:19:57,930 --> 00:19:55,900

that you had a guy for a variety of

522

00:19:59,490 --> 00:19:57,940

reasons things weren't going well for

523

00:20:01,740 --> 00:19:59,500

him and you know narcissistic

524

00:20:03,930 --> 00:20:01,750

personality it's out of run and when

525

00:20:05,520 --> 00:20:03,940

you're no longer being treated well and

526

00:20:08,160 --> 00:20:05,530

have all the trappings of your wealth

527

00:20:10,710 --> 00:20:08,170

and so on and so in health issues so he

528

00:20:12,210 --> 00:20:10,720

spirals down and then decides though

529

00:20:14,760 --> 00:20:12,220

that he's not just gonna commit suicide

530

00:20:17,400 --> 00:20:14,770

he's gonna do this egregious act right

531

00:20:19,740 --> 00:20:17,410

for notoriety essentially yeah and I've

532

00:20:22,170 --> 00:20:19,750

we have we found the video that had two

533

00:20:24,630 --> 00:20:22,180

people at a bus stop and it's famously

534

00:20:26,520 --> 00:20:24,640

known as the bus stop video which is the

535

00:20:31,110 --> 00:20:26,530

final two shots that he fired towards

536

00:20:32,520 --> 00:20:31,120

the tanks are in that video and the one

537

00:20:33,870 --> 00:20:32,530

of the the people in the video is a

538

00:20:35,250 --> 00:20:33,880

black guy in a white girl sitting at a

539

00:20:37,200 --> 00:20:35,260

bus stop and they're talking back and

540

00:20:40,500 --> 00:20:37,210

forth one of the things that he

541

00:20:41,970 --> 00:20:40,510

basically stated was that you know this

542

00:20:44,130 --> 00:20:41,980

is kind of one of those situations where

543

00:20:45,300 --> 00:20:44,140

someone shoots up you know this is

544

00:20:48,270 --> 00:20:45,310

during the shooting he's saying this is

545

00:20:50,250 --> 00:20:48,280

a shooting and they they take a bunch of

546

00:20:53,160 --> 00:20:50,260

people out and then they turned the

547

00:20:55,470 --> 00:20:53,170

weapon on themselves I mean that was a

548

00:20:57,420 --> 00:20:55,480

very prophetic statement I mean that was

549

00:20:59,070 --> 00:20:57,430

that was pretty what it is shockingly

550

00:21:00,330 --> 00:20:59,080

common and I don't know what yeah now

551
00:21:01,650 --> 00:21:00,340
would you have a but you know the whole

552
00:21:03,120 --> 00:21:01,660
thing where the guy kills his whole

553
00:21:04,710 --> 00:21:03,130
family and then himself or kills his

554
00:21:06,810 --> 00:21:04,720
wife before he kills himself

555
00:21:11,340 --> 00:21:06,820
I mean but those are passion those are

556
00:21:14,760 --> 00:21:11,350
those are like that's like they can't

557
00:21:16,650 --> 00:21:14,770
live after death and their mind thinking

558
00:21:18,570 --> 00:21:16,660
that the wife or the kids or anything

559
00:21:20,730 --> 00:21:18,580
anything that they care love and cherish

560
00:21:23,310 --> 00:21:20,740
is going to go on forward and so there's

561
00:21:25,320 --> 00:21:23,320
always weird thoughts that okay maybe if

562
00:21:26,820 --> 00:21:25,330
if they kill them all they'll all go to

563
00:21:28,350 --> 00:21:26,830

heaven together or something you have

564

00:21:29,790 --> 00:21:28,360

these thoughts that most people don't

565

00:21:30,930 --> 00:21:29,800

let me talk about well let me ask you a

566

00:21:32,970 --> 00:21:30,940

question about those real quick sure

567

00:21:34,740 --> 00:21:32,980

these murder suicides yeah is it

568

00:21:36,300 --> 00:21:34,750

typically that the person decides I'm

569

00:21:38,670 --> 00:21:36,310

going to commit suicide but I'm gonna

570

00:21:40,440 --> 00:21:38,680

kill them first or is it that they kill

571

00:21:42,960 --> 00:21:40,450

them and then then they're so aggrieved

572

00:21:45,720 --> 00:21:42,970

and just you know it's that they then

573

00:21:48,780 --> 00:21:45,730

kill themselves do well that that

574

00:21:51,390 --> 00:21:48,790

mindset is hard to get into and that's

575

00:21:54,170 --> 00:21:51,400

not my actual area of expertise based on

576

00:21:56,700 --> 00:21:54,180

my experiences of doing the profiling

577

00:21:58,560 --> 00:21:56,710

yes that's the component it's a major

578

00:22:01,050 --> 00:21:58,570

component and I think what happens is

579

00:22:02,730 --> 00:22:01,060

the person is thinking this out that has

580

00:22:04,440 --> 00:22:02,740

to have be a thought if it's

581

00:22:07,020 --> 00:22:04,450

premeditated if it's something that's

582

00:22:07,860 --> 00:22:07,030

not like a like a crime at the moment if

583

00:22:09,330 --> 00:22:07,870

it's something that they've been

584

00:22:10,650 --> 00:22:09,340

thinking about it's probably bothered by

585

00:22:12,750 --> 00:22:10,660

the weapons and over time they're

586

00:22:14,520 --> 00:22:12,760

mentally getting ready for it then yeah

587

00:22:18,870 --> 00:22:14,530

they're they're preparing to take their

588

00:22:21,510 --> 00:22:18,880

own lives as well I think when people do

589

00:22:24,540 --> 00:22:21,520

this this is my my opinion is if someone

590

00:22:25,650 --> 00:22:24,550

goes into their own you know family

591

00:22:26,910 --> 00:22:25,660

bring them and just start shooting

592

00:22:29,790 --> 00:22:26,920

everybody

593

00:22:32,550 --> 00:22:29,800

they don't think oh what have I done oh

594

00:22:34,410 --> 00:22:32,560

no I'm gonna get caught let me just take

595

00:22:35,610 --> 00:22:34,420

myself out I don't think that's that

596

00:22:37,140 --> 00:22:35,620

thought I think it's just it was

597

00:22:38,220 --> 00:22:37,150

premeditated I'm gonna kill them then

598

00:22:40,430 --> 00:22:38,230

I'm gonna kill myself I think that's the

599

00:22:42,840 --> 00:22:40,440

majority of the cases how that works

600

00:22:44,900 --> 00:22:42,850

okay well let's start digging into some

601
00:22:50,100 --> 00:22:44,910
of the specifics you're talking about

602
00:22:52,260 --> 00:22:50,110
the shots at the tanks what did you want

603
00:22:54,150 --> 00:22:52,270
to reveal to everybody about you but

604
00:22:57,210 --> 00:22:54,160
your investigation shows as far as him

605
00:22:59,160 --> 00:22:57,220
targeting the huge gas tanks by the

606
00:23:03,750 --> 00:22:59,170
airport to create some huge explosion

607
00:23:05,820 --> 00:23:03,760
yeah well my first stop when I came to

608
00:23:07,560 --> 00:23:05,830
Vegas was literally I drove to Vegas and

609
00:23:09,030 --> 00:23:07,570
drove straight to the tanks that was my

610
00:23:10,470 --> 00:23:09,040
first thing went over there I wanted to

611
00:23:12,480 --> 00:23:10,480
get pictures before they repaired the

612
00:23:14,970 --> 00:23:12,490
the holes I wanted to get close enough

613
00:23:16,410 --> 00:23:14,980

to that so I could see if the Insignia

614

00:23:18,450 --> 00:23:16,420

heads are used all these different

615

00:23:21,930 --> 00:23:18,460

things and I looked at the pattern and

616

00:23:25,050 --> 00:23:21,940

then at that time we didn't know when

617

00:23:26,430 --> 00:23:25,060

the shots were were taken a lot of

618

00:23:28,020 --> 00:23:26,440

people were of the belief that the shots

619

00:23:30,480 --> 00:23:28,030

towards the tanks were to where the very

620

00:23:31,770 --> 00:23:30,490

first shots taken and then there was

621

00:23:33,960 --> 00:23:31,780

another camp that believed they were

622

00:23:35,580 --> 00:23:33,970

being shot into the VIP section because

623

00:23:37,410 --> 00:23:35,590

obviously people were shot in those

624

00:23:38,940 --> 00:23:37,420

first rounds of shots but we didn't

625

00:23:41,400 --> 00:23:38,950

really have a lot of this information at

626
00:23:43,590 --> 00:23:41,410
the time so I was looking at the tanks

627
00:23:45,540 --> 00:23:43,600
and I started realized as I turned back

628
00:23:47,760 --> 00:23:45,550
around at the Mandalay Bay I knew what

629
00:23:50,040 --> 00:23:47,770
type of weapons he probably was using we

630
00:23:51,390 --> 00:23:50,050
didn't really have that list yet we kind

631
00:23:53,700 --> 00:23:51,400
of had a list but we weren't really sure

632
00:23:55,680 --> 00:23:53,710
which one was were used where and I

633
00:23:57,720 --> 00:23:55,690
started to think there is no way in hell

634
00:24:00,390 --> 00:23:57,730
anybody can miss this target this is a

635
00:24:02,310 --> 00:24:00,400
huge target if someone's going to

636
00:24:03,750 --> 00:24:02,320
practice or pre has premeditated this

637
00:24:07,400 --> 00:24:03,760
for over a year and has gone out and

638
00:24:09,470 --> 00:24:07,410

practiced shooting these 308 they know

639

00:24:11,750 --> 00:24:09,480

you know what settings to put on that

640

00:24:13,280 --> 00:24:11,760

scope to shoot this there was no heavy

641

00:24:14,900 --> 00:24:13,290

wind that night is five to nine miles

642

00:24:18,140 --> 00:24:14,910

I'm sorry I thought that he did hit it

643

00:24:20,090 --> 00:24:18,150

oh he did oh I'm sorry okay but but he

644

00:24:22,580 --> 00:24:20,100

wasn't shooting at them not necessarily

645

00:24:25,040 --> 00:24:22,590

directly so here's here's how the shots

646

00:24:27,200 --> 00:24:25,050

came out here no gun no you I'll get let

647

00:24:28,640 --> 00:24:27,210

me know no place out at around ten away

648

00:24:31,940 --> 00:24:28,650

is when he actually started firing at

649

00:24:35,060 --> 00:24:31,950

the tanks he was in room 134 assuming

650

00:24:37,730 --> 00:24:35,070

this is paddock again he was in room 134

651
00:24:40,580 --> 00:24:37,740
he picked up the 308 and started firing

652
00:24:42,320 --> 00:24:40,590
he missed the first shot he missed the

653
00:24:44,540 --> 00:24:42,330
second shot he missed the third shot

654
00:24:46,700 --> 00:24:44,550
they missed the fourth shot on the fifth

655
00:24:48,920 --> 00:24:46,710
and the sixth shot he hits but in odd

656
00:24:51,800 --> 00:24:48,930
locations of the tank and it was just

657
00:24:53,600 --> 00:24:51,810
the left tank if you're shooting the

658
00:24:57,050 --> 00:24:53,610
right tank would technically be a little

659
00:24:59,120 --> 00:24:57,060
closer but he wasn't shooting apparently

660
00:25:02,450 --> 00:24:59,130
at the right tank with the reason why we

661
00:25:04,580 --> 00:25:02,460
know where he was shooting and all of

662
00:25:06,560 --> 00:25:04,590
this is because a Ebert driver was there

663
00:25:09,530 --> 00:25:06,570

and there was there was a sound

664

00:25:11,420 --> 00:25:09,540

recording from that uber driver sorry so

665

00:25:13,360 --> 00:25:11,430

it was a particular rifle that he was

666

00:25:15,560 --> 00:25:13,370

using to shoot at the tanks yes

667

00:25:17,060 --> 00:25:15,570

different than the other rifles correct

668

00:25:18,890 --> 00:25:17,070

and the bullets were different too right

669

00:25:21,740 --> 00:25:18,900

correct these are the what do they call

670

00:25:23,330 --> 00:25:21,750

the explosive bullets well there's still

671

00:25:25,460 --> 00:25:23,340

some controversy as to the votes because

672

00:25:28,130 --> 00:25:25,470

the the Haig cases which is still going

673

00:25:30,650 --> 00:25:28,140

on as to which exact bullets he was

674

00:25:32,240 --> 00:25:30,660

shooting at the tanks my understanding

675

00:25:35,420 --> 00:25:32,250

is they were in sedentary because anyone

676

00:25:37,580 --> 00:25:35,430

looking at the the the hit on the center

677

00:25:39,800 --> 00:25:37,590

of the left tank you can see that

678

00:25:42,860 --> 00:25:39,810

something obviously hit that was burning

679

00:25:44,600 --> 00:25:42,870

because that the way the hit came out

680

00:25:47,900 --> 00:25:44,610

you could see the the burn marks from it

681

00:25:49,100 --> 00:25:47,910

so based on the timing and you're saying

682

00:25:51,380 --> 00:25:49,110

that you believe he was shooting at the

683

00:25:52,520 --> 00:25:51,390

tanks at 10:08 yes he was shooting at

684

00:25:54,740 --> 00:25:52,530

the tanks enemy that's been confirmed

685

00:25:58,280 --> 00:25:54,750

that's confirmed that's come from Vegas

686

00:26:00,260 --> 00:25:58,290

please FBI FBI confirm that so he starts

687

00:26:01,520 --> 00:26:00,270

because by that that's three minutes

688

00:26:02,900 --> 00:26:01,530

into the shooting correct so he had

689

00:26:04,910 --> 00:26:02,910

already been spraying bullets into the

690

00:26:07,240 --> 00:26:04,920

crowd correct yeah and then gets a

691

00:26:10,100 --> 00:26:07,250

totally different weapon yep and takes

692

00:26:10,940 --> 00:26:10,110

one at a time shots not only did he get

693

00:26:12,710 --> 00:26:10,950

a weapon

694

00:26:14,810 --> 00:26:12,720

yeah no bum sock not only did he get a

695

00:26:18,260 --> 00:26:14,820

different weapon he left the room oddly

696

00:26:21,049 --> 00:26:18,270

enough he was so I remember you

697

00:26:24,049 --> 00:26:21,059

mentioned OCD earlier he was probably

698

00:26:26,299 --> 00:26:24,059

so OCD that the room 134 was just the

699

00:26:28,940 --> 00:26:26,309

308 I need to shoot at the tanks room

700

00:26:30,739 --> 00:26:28,950

and the room 135 was I need to shoot at

701

00:26:32,029 --> 00:26:30,749

the crowd room over here and hit that

702

00:26:35,149 --> 00:26:32,039

was so entrenched in his head that he

703

00:26:37,700 --> 00:26:35,159

that when he brought the the weapon from

704

00:26:40,549 --> 00:26:37,710

room 135 to 134 just laid down that

705

00:26:42,860 --> 00:26:40,559

weapon and then picked up the 308 laid

706

00:26:44,090 --> 00:26:42,870

across the bed there's been some

707

00:26:46,759 --> 00:26:44,100

controversy you know I'm gonna clear up

708

00:26:48,259 --> 00:26:46,769

some I'm not gonna say this from a

709

00:26:51,019 --> 00:26:48,269

factual standpoint but let's say this is

710

00:26:54,080 --> 00:26:51,029

my opinion many people thought that he

711

00:26:55,789 --> 00:26:54,090

someone slept in that bed well my

712

00:26:58,759 --> 00:26:55,799

opinion is no one slept in the bed he

713

00:27:00,950 --> 00:26:58,769

laid across that bed and fired out the

714

00:27:02,570 --> 00:27:00,960

window that way because you cannot and

715

00:27:04,730 --> 00:27:02,580

I've done this in the room I've tried to

716

00:27:07,279 --> 00:27:04,740

sit there and I'm and I'm I'm right at 6

717

00:27:09,680 --> 00:27:07,289

foot he's over 6 foot you can't really

718

00:27:11,960 --> 00:27:09,690

sit between the bed in the window and

719

00:27:15,499 --> 00:27:11,970

really stand there and shoot and get

720

00:27:16,970 --> 00:27:15,509

that that shot out the window that way

721

00:27:19,220 --> 00:27:16,980

there's just no way to stand there and

722

00:27:20,539 --> 00:27:19,230

do this if you're shooting a sniper

723

00:27:22,940 --> 00:27:20,549

style if you're shooting at a target

724

00:27:24,710 --> 00:27:22,950

you're gonna lay down you're going to

725

00:27:26,989 --> 00:27:24,720

put the head the bipod since I put the

726

00:27:29,029 --> 00:27:26,999

bipods on the bed now I'm thinking that

727

00:27:30,889 --> 00:27:29,039

there may be a question and a lot of

728

00:27:33,980 --> 00:27:30,899

people that shoot will probably agree

729

00:27:36,259 --> 00:27:33,990

with this he probably practiced shooting

730

00:27:37,430 --> 00:27:36,269

these shots not on a bed you're not

731

00:27:39,139 --> 00:27:37,440

gonna bring a mattress to the middle of

732

00:27:40,669 --> 00:27:39,149

the desert and this is all new

733

00:27:41,869 --> 00:27:40,679

information you're not gonna bring a

734

00:27:43,549 --> 00:27:41,879

mattress to the middle of the desert and

735

00:27:46,369 --> 00:27:43,559

lay on it and start practicing shooting

736

00:27:49,100 --> 00:27:46,379

or 308 ok the guys around you probably

737

00:27:50,810 --> 00:27:49,110

wonder what is up with this guy right so

738

00:27:53,359 --> 00:27:50,820

he probably didn't factor in the fact

739

00:27:56,269 --> 00:27:53,369

and shooting that 308 could create two

740

00:27:58,549 --> 00:27:56,279

issues for him the first issue is the

741

00:28:00,379 --> 00:27:58,559

recoil on the weapon it's not that much

742

00:28:01,879 --> 00:28:00,389

but it's enough to where the bed prop

743

00:28:05,509 --> 00:28:01,889

would move and he would have to try to

744

00:28:07,249 --> 00:28:05,519

readjust and get his sight back in so at

745

00:28:08,810 --> 00:28:07,259

anyway he starts firing these rounds and

746

00:28:10,970 --> 00:28:08,820

people don't take into account that he

747

00:28:12,560 --> 00:28:10,980

either a laid the weapon across a chair

748

00:28:13,909 --> 00:28:12,570

which I don't think that happened but he

749

00:28:16,669 --> 00:28:13,919

laid across the bed which accounts for

750

00:28:18,169 --> 00:28:16,679

the bed being messed up and the the

751

00:28:19,310 --> 00:28:18,179

configuration of what it looks like

752

00:28:21,529 --> 00:28:19,320

looks like something laid across the bed

753

00:28:23,180 --> 00:28:21,539

it was trying it the window so that's my

754

00:28:24,739 --> 00:28:23,190

that's my opinion

755

00:28:27,109 --> 00:28:24,749

and after looking everything that's why

756

00:28:28,879 --> 00:28:27,119

I think so the first round missed second

757

00:28:30,200 --> 00:28:28,889

round mr. Broun this fourth round missed

758

00:28:31,879 --> 00:28:30,210

so now button by now he's getting

759

00:28:34,490 --> 00:28:31,889

frustrated but what was he shooting at

760

00:28:37,190 --> 00:28:34,500

was he shooting at the tank even it

761

00:28:39,140 --> 00:28:37,200

with the issue with the the bipod and

762

00:28:41,390 --> 00:28:39,150

that in the bed possibly moving those

763

00:28:43,160 --> 00:28:41,400

tanks are rather large so a lot of

764

00:28:45,370 --> 00:28:43,170

people think well how can this guy from

765

00:28:48,350 --> 00:28:45,380

one room firing with a two to three

766

00:28:50,750 --> 00:28:48,360

ar-15 with a bump stock hit all of these

767

00:28:53,120 --> 00:28:50,760

people but go over to the other room

768

00:28:55,820 --> 00:28:53,130

with a with a scope and a bipod and a

769

00:28:58,010 --> 00:28:55,830

long rifle a 308 and miss these huge

770

00:28:59,840 --> 00:28:58,020

tanks and for sure the one that he hit

771

00:29:02,060 --> 00:28:59,850

would have been the one further away

772

00:29:04,010 --> 00:29:02,070

correct okay okay so either he was

773

00:29:06,140 --> 00:29:04,020

shooting at the one further away for one

774

00:29:08,630 --> 00:29:06,150

reason or another why would he do that

775

00:29:10,010 --> 00:29:08,640

doesn't make a lot of lot of sense or

776

00:29:11,630 --> 00:29:10,020

maybe there's an obstacle in the way

777

00:29:14,870 --> 00:29:11,640

which I looked at it and it doesn't seem

778

00:29:19,070 --> 00:29:14,880

to be an obstacle in the way so he

779

00:29:22,700 --> 00:29:19,080

wasn't shooting at things jet fuel

780

00:29:24,560 --> 00:29:22,710

has to be atomized before it can burn if

781

00:29:26,150 --> 00:29:24,570

you can take we could have a jar of jet

782

00:29:28,010 --> 00:29:26,160

fuel on this table right now and toss

783

00:29:31,280 --> 00:29:28,020

matches into it and it will not ignite

784

00:29:33,170 --> 00:29:31,290

we could take it blowtorch to a mason

785

00:29:35,330 --> 00:29:33,180

jar of jet fuel and just sit here and

786

00:29:38,660 --> 00:29:35,340

blowtorch that jar and it will not

787

00:29:40,070 --> 00:29:38,670

ignite but if you take it and put into a

788

00:29:42,740 --> 00:29:40,080

spray bottle spray it in the air and

789

00:29:45,890 --> 00:29:42,750

then light a lighter that way it will

790

00:29:49,280 --> 00:29:45,900

ignite so what he had to do was get that

791

00:29:51,560 --> 00:29:49,290

fuel to actually spray so how do you do

792

00:29:52,820 --> 00:29:51,570

that well people were saying well you

793

00:29:54,740 --> 00:29:52,830

shoot at the tank and then you shoot

794

00:29:56,450 --> 00:29:54,750

another shot at the tank and then that's

795

00:29:58,490 --> 00:29:56,460

the second shot will ignite from the

796

00:30:00,560 --> 00:29:58,500

first shot going through the tank well

797

00:30:02,000 --> 00:30:00,570

that doesn't work because he probably

798

00:30:03,800 --> 00:30:02,010

would have figured out the tank has an

799

00:30:06,260 --> 00:30:03,810

inner bladder or enter tank

800

00:30:08,900 --> 00:30:06,270

meaning there's two tanks separation -

801
00:30:10,880 --> 00:30:08,910
you know - per m2 spills so he was

802
00:30:12,950 --> 00:30:10,890
looking for an object to shoot at I'm

803
00:30:15,260 --> 00:30:12,960
not gonna say the specific name of the

804
00:30:17,420 --> 00:30:15,270
object because FAA rules and regulations

805
00:30:19,700 --> 00:30:17,430
I might actually be in trouble if I said

806
00:30:21,260 --> 00:30:19,710
it but there's an object or there's

807
00:30:23,150 --> 00:30:21,270
several objects around the tank that

808
00:30:26,090 --> 00:30:23,160
obviously caused the fuel to be

809
00:30:28,700 --> 00:30:26,100
pressurized to move the fuel so fuel

810
00:30:31,100 --> 00:30:28,710
under pressure if you hit that area then

811
00:30:33,080 --> 00:30:31,110
that fuel would spray and then you would

812
00:30:35,090 --> 00:30:33,090
shoot again at that same area with an

813
00:30:37,340 --> 00:30:35,100

incident area head causing the sparks

814

00:30:40,160 --> 00:30:37,350

that would cause it to ignite creating a

815

00:30:41,840 --> 00:30:40,170

huge blowtorch so this would be

816

00:30:43,850 --> 00:30:41,850

something very close to the tanks but

817

00:30:45,050 --> 00:30:43,860

not the tanks themselves not necessarily

818

00:30:46,400 --> 00:30:45,060

the tanks themselves could be on the

819

00:30:47,960 --> 00:30:46,410

tank could be next to the tank could be

820

00:30:49,700 --> 00:30:47,970

behind the tank could you

821

00:30:52,340 --> 00:30:49,710

something along that lines that's why a

822

00:30:54,110 --> 00:30:52,350

lot about his Google searches that seems

823

00:30:55,640 --> 00:30:54,120

something that you would see that he was

824

00:30:57,080 --> 00:30:55,650

google searching about because most

825

00:30:58,850 --> 00:30:57,090

people don't fill that off the top of

826
00:31:00,530 --> 00:30:58,860
their head right but we don't know when

827
00:31:01,820 --> 00:31:00,540
he searched for the information on the

828
00:31:03,650 --> 00:31:01,830
tanks he may have searched for the

829
00:31:05,870 --> 00:31:03,660
information on the Google searches that

830
00:31:08,000 --> 00:31:05,880
they show were relatively recent keep in

831
00:31:11,510 --> 00:31:08,010
mind he did a Google search on the 25th

832
00:31:14,270 --> 00:31:11,520
of September or the 28th of September

833
00:31:17,840 --> 00:31:14,280
and that Google search was how to remove

834
00:31:20,630 --> 00:31:17,850
a hard drive from a laptop okay so that

835
00:31:22,190 --> 00:31:20,640
tells me because there isn't well when

836
00:31:24,320 --> 00:31:22,200
did he move remove the hard drive well

837
00:31:25,700 --> 00:31:24,330
maybe after he did the search for how to

838
00:31:28,310 --> 00:31:25,710

remove the hard drive would be my first

839

00:31:30,080 --> 00:31:28,320

logical guess I would start there well

840

00:31:34,790 --> 00:31:30,090

that's been one of my fascination so

841

00:31:36,560 --> 00:31:34,800

let's take a little step out to talk

842

00:31:41,180 --> 00:31:36,570

about that for a second the the removal

843

00:31:43,130 --> 00:31:41,190

of the hard drive they find a laptop in

844

00:31:44,600 --> 00:31:43,140

there the hard drive missing right right

845

00:31:48,050 --> 00:31:44,610

and this is what's your what's your

846

00:31:50,030 --> 00:31:48,060

theory I think that he well he removed

847

00:31:52,910 --> 00:31:50,040

the hard drive while apparently

848

00:31:56,300 --> 00:31:52,920

obviously at the hotel why did he remove

849

00:31:59,390 --> 00:31:56,310

the hard drive was he trying to protect

850

00:32:02,180 --> 00:31:59,400

the family from the IRS tax scare that

851
00:32:04,220 --> 00:32:02,190
everyone thought about mainly because

852
00:32:05,480 --> 00:32:04,230
Eric did bring that subject up no one

853
00:32:07,220 --> 00:32:05,490
probably thought necessarily have that

854
00:32:09,110 --> 00:32:07,230
but he was the accountant for the family

855
00:32:11,240 --> 00:32:09,120
and whatever is that a possibility maybe

856
00:32:12,530 --> 00:32:11,250
was there child porn or additional child

857
00:32:14,210 --> 00:32:12,540
porn on that one and he got the wrong

858
00:32:17,300 --> 00:32:14,220
one and he because there was child porn

859
00:32:19,490 --> 00:32:17,310
apparently on the other computer maybe

860
00:32:21,680 --> 00:32:19,500
he thought it was on this one or maybe

861
00:32:25,430 --> 00:32:21,690
there's one had more maybe he had other

862
00:32:26,720 --> 00:32:25,440
things on it maybe it had some of the

863
00:32:28,370 --> 00:32:26,730

documents and some of the things that he

864

00:32:30,020 --> 00:32:28,380

saved maybe he had an itinerary of what

865

00:32:30,290 --> 00:32:30,030

he was going to do maybe I would have

866

00:32:32,450 --> 00:32:30,300

had him

867

00:32:34,430 --> 00:32:32,460

who knows manifesto maybe changed his

868

00:32:35,690 --> 00:32:34,440

mind about you know that being okay so

869

00:32:37,880 --> 00:32:35,700

then how do you connect though the

870

00:32:39,100 --> 00:32:37,890

Google search on the 25th about removing

871

00:32:41,420 --> 00:32:39,110

the hard drive and the fact that

872

00:32:43,730 --> 00:32:41,430

apparently it was removed in the hotel

873

00:32:46,370 --> 00:32:43,740

room well as a yeah that's my that's my

874

00:32:48,050 --> 00:32:46,380

guess and where where he removed it

875

00:32:50,300 --> 00:32:48,060

apparently was in the hotel room because

876

00:32:52,970 --> 00:32:50,310

the the computer was taken apart there

877

00:32:54,770 --> 00:32:52,980

okay that's all you're saying is that he

878

00:32:58,700 --> 00:32:54,780

knew for whatever reason at some point

879

00:33:00,980 --> 00:32:58,710

in the midst of all this I'm going to

880

00:33:05,000 --> 00:33:00,990

want to take out the hard

881

00:33:07,430 --> 00:33:05,010

drive and so he did the research on that

882

00:33:09,590 --> 00:33:07,440

a few days in advance he did the yeah he

883

00:33:11,090 --> 00:33:09,600

did the research I like check em the

884

00:33:14,900 --> 00:33:11,100

exact day it's either the 25th of the

885

00:33:16,070 --> 00:33:14,910

28th I'm thinking it was the 25th it

886

00:33:18,410 --> 00:33:16,080

could be the 28th it was one of those

887

00:33:19,760 --> 00:33:18,420

two days but why else would he remove

888

00:33:21,530 --> 00:33:19,770

the hard drive the only reasons that

889

00:33:24,410 --> 00:33:21,540

would come to mind that would make sense

890

00:33:25,850 --> 00:33:24,420

is the porn issue that he was trying to

891

00:33:28,549 --> 00:33:25,860

protect the family from some other issue

892

00:33:29,600 --> 00:33:28,559

or obviously the main answer is there

893

00:33:31,150 --> 00:33:29,610

something on the hard drive you didn't

894

00:33:34,540 --> 00:33:31,160

want someone to find but there's also

895

00:33:37,070 --> 00:33:34,550

why not just toss the whole computer

896

00:33:38,770 --> 00:33:37,080

well it's a lot easier to get rid of a

897

00:33:41,540 --> 00:33:38,780

hard drive than it is a whole computer

898

00:33:43,070 --> 00:33:41,550

yeah but I mean to go through the

899

00:33:44,690 --> 00:33:43,080

process of having to research how to

900

00:33:46,280 --> 00:33:44,700

remove a hard drive and figuring all

901
00:33:48,830 --> 00:33:46,290
that out as opposed to just dumping the

902
00:33:51,410 --> 00:33:48,840
computer and because look the hard drive

903
00:33:53,810 --> 00:33:51,420
was dumped somewhere presumably mm-hmm

904
00:33:55,640 --> 00:33:53,820
and if you find a hard drive you can see

905
00:33:56,900 --> 00:33:55,650
what's on it so the mere fact that you

906
00:33:59,000 --> 00:33:56,910
remove it from a computer doesn't

907
00:34:02,270 --> 00:33:59,010
destroy it right unless you took a

908
00:34:04,850 --> 00:34:02,280
sledgehammer to it well my understanding

909
00:34:06,799 --> 00:34:04,860
from talking with Eric in getting in the

910
00:34:10,730 --> 00:34:06,809
mindset of Steve is that the following

911
00:34:12,710 --> 00:34:10,740
possibility might exist and I'm gonna

912
00:34:14,919 --> 00:34:12,720
use the exact words that Eric told me

913
00:34:18,080 --> 00:34:14,929

maybe he was just [\h__\h] with people

914

00:34:19,909 --> 00:34:18,090

and those were the exact words and maybe

915

00:34:22,399 --> 00:34:19,919

he took the hard drive out just to do

916

00:34:25,849 --> 00:34:22,409

that and that way there'd be some

917

00:34:28,369 --> 00:34:25,859

massive hunt for the hard drive or

918

00:34:30,109 --> 00:34:28,379

something like this kind of like yeah

919

00:34:31,369 --> 00:34:30,119

just like you know some people jump out

920

00:34:33,050 --> 00:34:31,379

of a plane after they rob a bunch of

921

00:34:35,750 --> 00:34:33,060

people and you people are looking for

922

00:34:38,149 --> 00:34:35,760

that to this day presumably they did

923

00:34:39,770 --> 00:34:38,159

search all of the trash cans and

924

00:34:43,190 --> 00:34:39,780

Mandalay Bay for this thing it wouldn't

925

00:34:46,369 --> 00:34:43,200

be a trash can presumably he would have

926
00:34:48,619 --> 00:34:46,379
taken an off site that's my thought yeah

927
00:34:50,090 --> 00:34:48,629
and tossed it somewhere between where

928
00:34:51,859 --> 00:34:50,100
yeah it could be in a dumpster somewhere

929
00:34:54,250 --> 00:34:51,869
it could he could have he could have

930
00:34:58,099 --> 00:34:54,260
shredded it burned it he could have just

931
00:34:59,900 --> 00:34:58,109
drove down the highway my thought is

932
00:35:01,970 --> 00:34:59,910
he's driving down the highway just toss

933
00:35:03,980 --> 00:35:01,980
it out as far as you there was any

934
00:35:06,530 --> 00:35:03,990
search for the hard drive by the Las

935
00:35:08,510 --> 00:35:06,540
Vegas police I mean I agree it's I know

936
00:35:11,780 --> 00:35:08,520
I look for it I don't know if they look

937
00:35:13,760 --> 00:35:11,790
for it and and I'm still looking for and

938
00:35:15,740 --> 00:35:13,770

I've been out on the map if you find

939

00:35:18,430 --> 00:35:15,750

that oh boy really yeah finally I'll be

940

00:35:21,620 --> 00:35:18,440

on the master I'll finally appreciate

941

00:35:23,750 --> 00:35:21,630

okay so back to the tanks so that's your

942

00:35:26,060 --> 00:35:23,760

theory that in fact he did he was

943

00:35:29,720 --> 00:35:26,070

attempting to blow up the tanks mm-hmm

944

00:35:31,520 --> 00:35:29,730

but it was not a matter he knew that you

945

00:35:33,560 --> 00:35:31,530

can't blow him up simply by hitting them

946

00:35:36,680 --> 00:35:33,570

yeah because he was too smart I mean

947

00:35:39,650 --> 00:35:36,690

Steve was either a genius or damn close

948

00:35:42,110 --> 00:35:39,660

to it okay an incredibly smart man and

949

00:35:44,170 --> 00:35:42,120

his brother Erik both smart people when

950

00:35:47,060 --> 00:35:44,180

you talk to them you'll start to

951
00:35:50,500 --> 00:35:47,070
understand okay these people aren't

952
00:35:55,460 --> 00:35:50,510
idiots they are fairly smart people and

953
00:35:58,030 --> 00:35:55,470
in in in talking with air extensively it

954
00:35:59,690 --> 00:35:58,040
has really helped me get into the the

955
00:36:01,040 --> 00:35:59,700
mindset of what's going on I'm not

956
00:36:02,600 --> 00:36:01,050
saying the Erik is the same mind as

957
00:36:03,680 --> 00:36:02,610
Steve I don't want to I don't want to

958
00:36:05,150 --> 00:36:03,690
put that out there like that

959
00:36:19,270 --> 00:36:05,160
and people think oh god we got another

960
00:36:22,940 --> 00:36:19,280
Steve so but you know well you know a

961
00:36:23,930 --> 00:36:22,950
personality he is Erik's a character in

962
00:36:26,360 --> 00:36:23,940
his own right

963
00:36:28,670 --> 00:36:26,370

and Erik did somebody said he has said

964

00:36:31,010 --> 00:36:28,680

some slightly kind of questionable or

965

00:36:33,230 --> 00:36:31,020

disturbing well he did that in the

966

00:36:34,730 --> 00:36:33,240

beginning from what he told me and from

967

00:36:37,400 --> 00:36:34,740

what I can I can basically believe

968

00:36:38,960 --> 00:36:37,410

because I kind of do the same thing in a

969

00:36:40,940 --> 00:36:38,970

roundabout way and I'll explain that in

970

00:36:42,560 --> 00:36:40,950

detail later if necessary but Erik

971

00:36:45,320 --> 00:36:42,570

wanted to take a lot of the heat off the

972

00:36:47,900 --> 00:36:45,330

rest of the family so naturally to keep

973

00:36:49,550 --> 00:36:47,910

the attention of the media towards him

974

00:36:50,960 --> 00:36:49,560

you know you come out in the front yard

975

00:36:52,670 --> 00:36:50,970

and you give him a show you know I

976
00:36:54,920 --> 00:36:52,680
almost say I show like you know he was

977
00:36:57,020 --> 00:36:54,930
full-on acting or whatever but you

978
00:37:00,290 --> 00:36:57,030
basically you try to keep that attention

979
00:37:01,700 --> 00:37:00,300
on yourself as best you can and that way

980
00:37:05,210 --> 00:37:01,710
they're not out you know trying to get

981
00:37:07,250 --> 00:37:05,220
the most seem as sensitive about the

982
00:37:09,860 --> 00:37:07,260
victims as you would expect and that's

983
00:37:12,620 --> 00:37:09,870
and maybe in that sense is why you're

984
00:37:16,250 --> 00:37:12,630
saying that in no way obviously will be

985
00:37:18,070 --> 00:37:16,260
lumping Erik in with Steven what as far

986
00:37:21,110 --> 00:37:18,080
as personality that that little bit of a

987
00:37:23,450 --> 00:37:21,120
indifference or coldness I think part of

988
00:37:25,660 --> 00:37:23,460

that has to do with how the the family

989

00:37:28,450 --> 00:37:25,670

unit is and keep in mind that

990

00:37:30,809 --> 00:37:28,460

the Bruce hadn't talked to Eric in what

991

00:37:33,099 --> 00:37:30,819

20 years or something like that

992

00:37:35,410 --> 00:37:33,109

Eric the only the only two people that

993

00:37:37,809 --> 00:37:35,420

seem to talk the most in the family was

994

00:37:39,099 --> 00:37:37,819

Eric and Steve so they had a semi

995

00:37:40,870 --> 00:37:39,109

working relationship because they

996

00:37:44,559 --> 00:37:40,880

actually had you know business dealings

997

00:37:46,960 --> 00:37:44,569

together but as far as that that

998

00:37:49,059 --> 00:37:46,970

brotherly love kind of thing you know

999

00:37:51,309 --> 00:37:49,069

you got Patrick on one end that's become

1000

00:37:53,799 --> 00:37:51,319

basically dis communicated completely

1001
00:37:55,870 --> 00:37:53,809
from the family and then you have Bruce

1002
00:37:57,819 --> 00:37:55,880
who's what's you interviewed so I think

1003
00:38:00,609 --> 00:37:57,829
you have better insight than I do into

1004
00:38:03,039 --> 00:38:00,619
his his psyche and then you have Eric

1005
00:38:05,289 --> 00:38:03,049
which you know I've talked to it

1006
00:38:08,349 --> 00:38:05,299
extensively more than probably anyone

1007
00:38:12,579 --> 00:38:08,359
and that I know of that I've even talked

1008
00:38:14,500 --> 00:38:12,589
to in the last two years but but what I

1009
00:38:17,049 --> 00:38:14,510
gather from that is that during their

1010
00:38:19,089 --> 00:38:17,059
upbringing some major trauma has

1011
00:38:20,740 --> 00:38:19,099
occurred which obviously we know that we

1012
00:38:23,740 --> 00:38:20,750
know now what happened because of the

1013
00:38:25,480 --> 00:38:23,750

the father issue and then the they

1014

00:38:27,700 --> 00:38:25,490

probably don't have the amount of

1015

00:38:30,520 --> 00:38:27,710

empathy that you and I probably have

1016

00:38:32,109 --> 00:38:30,530

towards towards this situation and

1017

00:38:34,359 --> 00:38:32,119

there's a lot of us are II I will add

1018

00:38:36,490 --> 00:38:34,369

since you mention first you know Bruce

1019

00:38:38,920 --> 00:38:36,500

broke down crying a couple times during

1020

00:38:42,700 --> 00:38:38,930

the interview and he did seem to be

1021

00:38:46,299 --> 00:38:42,710

really emotional about the victims so it

1022

00:38:48,430 --> 00:38:46,309

was one thing I can say about that you

1023

00:38:50,940 --> 00:38:48,440

know Bruce better than I do I know Eric

1024

00:38:54,789 --> 00:38:50,950

and what I know about Eric is Eric's

1025

00:38:56,740 --> 00:38:54,799

actions has really shown me that he

1026

00:38:59,579 --> 00:38:56,750

truly has the the interest of the

1027

00:39:03,549 --> 00:38:59,589

victims and the the survivors at heart

1028

00:39:06,760 --> 00:39:03,559

he almost immediately said that whatever

1029

00:39:09,339 --> 00:39:06,770

monies are left the sale of the houses

1030

00:39:11,589 --> 00:39:09,349

any any funds that come out of this the

1031

00:39:14,440 --> 00:39:11,599

the family doesn't need it obviously and

1032

00:39:17,200 --> 00:39:14,450

any of that is to be turned towards

1033

00:39:18,880 --> 00:39:17,210

given to the victims and and and however

1034

00:39:20,230 --> 00:39:18,890

they disperse that that's a that's I

1035

00:39:22,180 --> 00:39:20,240

don't know exactly how they're doing

1036

00:39:23,589 --> 00:39:22,190

that but that both houses are sold in

1037

00:39:25,900 --> 00:39:23,599

those those funds are going to be

1038

00:39:27,880 --> 00:39:25,910

dispersed to the victims Rican families

1039

00:39:29,710 --> 00:39:27,890

and survivors and so forth so well to go

1040

00:39:32,380 --> 00:39:29,720

back to childhood just for a second you

1041

00:39:34,020 --> 00:39:32,390

know yes they were abandoned by the

1042

00:39:38,160 --> 00:39:34,030

father

1043

00:39:41,190 --> 00:39:38,170

but when you look at how Steven turned

1044

00:39:42,810 --> 00:39:41,200

out in some respects Bruce has had his

1045

00:39:45,540 --> 00:39:42,820

legal problems

1046

00:39:48,630 --> 00:39:45,550

Bruce was charged with possession found

1047

00:39:53,030 --> 00:39:48,640

pornography he never really would get

1048

00:39:55,440 --> 00:39:53,040

into the details of of that with me but

1049

00:39:57,980 --> 00:39:55,450

obviously steven was found with it

1050

00:40:00,330 --> 00:39:57,990

you start kind of wondering you know

1051
00:40:02,550 --> 00:40:00,340
this isn't really all explained by an

1052
00:40:05,580 --> 00:40:02,560
absent father there seems to me there

1053
00:40:07,950 --> 00:40:05,590
may be something even more odd that

1054
00:40:10,380 --> 00:40:07,960
happened in this childhood IIII

1055
00:40:12,390 --> 00:40:10,390
understand that from the position of

1056
00:40:13,740 --> 00:40:12,400
just looking at the information we have

1057
00:40:18,720 --> 00:40:13,750
about Steve the information we have

1058
00:40:21,390 --> 00:40:18,730
about Bruce Eric has no police record he

1059
00:40:23,700 --> 00:40:21,400
immediately gave all of his computers he

1060
00:40:25,410 --> 00:40:23,710
voluntarily gave the computers to the

1061
00:40:27,990 --> 00:40:25,420
FBI he did not even wait for them to

1062
00:40:30,840 --> 00:40:28,000
request it he literally just said look I

1063
00:40:33,270 --> 00:40:30,850

mean some children survive a very poor

1064

00:40:35,220 --> 00:40:33,280

upbringing others succumb to it right so

1065

00:40:38,370 --> 00:40:35,230

you know the mere fact that Eric turned

1066

00:40:40,020 --> 00:40:38,380

out okay and the other two perhaps not I

1067

00:40:42,210 --> 00:40:40,030

mean in particular I point to the child

1068

00:40:43,890 --> 00:40:42,220

porn thing that's very odd to me I mean

1069

00:40:46,500 --> 00:40:43,900

I don't know you've probably never

1070

00:40:48,030 --> 00:40:46,510

spoken to mom no I haven't but you know

1071

00:40:49,800 --> 00:40:48,040

maybe you could share with us what you

1072

00:40:51,870 --> 00:40:49,810

do know about mom and then I think

1073

00:40:53,910 --> 00:40:51,880

wasn't there didn't she have a boyfriend

1074

00:40:55,530 --> 00:40:53,920

or I don't know if she's remarried but I

1075

00:40:57,270 --> 00:40:55,540

think there was at some point another

1076
00:40:59,400 --> 00:40:57,280
father figure my understanding is yeah

1077
00:41:01,800 --> 00:40:59,410
yes yeah I didn't get into that because

1078
00:41:05,850 --> 00:41:01,810
the the mother is elderly and I did not

1079
00:41:08,100 --> 00:41:05,860
want to put any information out that

1080
00:41:09,900 --> 00:41:08,110
someone would want to pursue and verify

1081
00:41:13,800 --> 00:41:09,910
or do whatever with the mother the

1082
00:41:15,810 --> 00:41:13,810
mother is in her 90s and Eric's taking

1083
00:41:19,230 --> 00:41:15,820
care of her and I think it's important

1084
00:41:21,300 --> 00:41:19,240
that you know it would be Erin ever

1085
00:41:23,400 --> 00:41:21,310
shared anything that you was

1086
00:41:26,790 --> 00:41:23,410
jaw-dropping to you about the truck

1087
00:41:28,410 --> 00:41:26,800
their childhood no no Illi did ask well

1088
00:41:30,870 --> 00:41:28,420

I wouldn't say jaw-dropping there was a

1089

00:41:33,420 --> 00:41:30,880

couple incidences like the first time he

1090

00:41:35,880 --> 00:41:33,430

fired a weapon was with Steve and it was

1091

00:41:37,350 --> 00:41:35,890

a 357 Magnum that was the first weapon

1092

00:41:39,360 --> 00:41:37,360

he ever fired I think he was 7 or 8

1093

00:41:41,610 --> 00:41:39,370

years old or maybe upwards of 10 in that

1094

00:41:43,710 --> 00:41:41,620

range and that's about the same time I

1095

00:41:45,499 --> 00:41:43,720

fired my first weapon so I didn't see

1096

00:41:47,599 --> 00:41:45,509

that as being odd or out of their order

1097

00:41:49,929 --> 00:41:47,609

or abnormal the size of the left and

1098

00:41:53,839 --> 00:41:49,939

probably was a you know the 357 revolver

1099

00:41:56,209 --> 00:41:53,849

that's that's a bit day but but but

1100

00:41:59,829 --> 00:41:56,219

Steve was the older brother Steve Steve

1101
00:42:02,689 --> 00:41:59,839
was the oldest and and he I guess

1102
00:42:05,959 --> 00:42:02,699
apparently had some sort of family

1103
00:42:09,229 --> 00:42:05,969
family Union unit

1104
00:42:10,489 --> 00:42:09,239
I guess responsibility they felt where

1105
00:42:12,199 --> 00:42:10,499
the family was a surrogate father

1106
00:42:14,359 --> 00:42:12,209
yeah a surrogate father and and he

1107
00:42:16,399 --> 00:42:14,369
filled the shoes as best he could based

1108
00:42:19,039 --> 00:42:16,409
on this situation I I don't know I mean

1109
00:42:22,009 --> 00:42:19,049
that those intricacies as far as how the

1110
00:42:25,039 --> 00:42:22,019
family Union unit evolved and and and

1111
00:42:27,279 --> 00:42:25,049
they got through the the trials and

1112
00:42:29,949 --> 00:42:27,289
tribulations that they had to go through

1113
00:42:35,029 --> 00:42:29,959

so what's going on with the documentary

1114

00:42:37,009 --> 00:42:35,039

the documentary is we're actually it was

1115

00:42:38,059 --> 00:42:37,019

pretty much done one of the things I

1116

00:42:39,469 --> 00:42:38,069

just want to let everybody know about

1117

00:42:40,909 --> 00:42:39,479

the documentary is there's a lot of

1118

00:42:44,059 --> 00:42:40,919

question about when it was kind of going

1119

00:42:47,389 --> 00:42:44,069

to come out the the we did do it another

1120

00:42:48,709 --> 00:42:47,399

name change the name currently which I

1121

00:42:52,069 --> 00:42:48,719

believe is going to be the final name

1122

00:42:54,919 --> 00:42:52,079

will be lost Vegas we're looking at

1123

00:42:57,049 --> 00:42:54,929

bringing it out towards right towards

1124

00:42:59,329 --> 00:42:57,059

the the second anniversary somewhere in

1125

00:43:01,429 --> 00:42:59,339

that range that not necessarily ride

1126

00:43:03,499 --> 00:43:01,439

that bandwagon but it's kind of turning

1127

00:43:05,889 --> 00:43:03,509

out that what's your official role in it

1128

00:43:07,999 --> 00:43:05,899

I'm the producer I'm pretty service I've

1129

00:43:10,969 --> 00:43:08,009

tried to help Ramsey as much as possible

1130

00:43:12,439 --> 00:43:10,979

and these are I didn't you know go to

1131

00:43:14,239 --> 00:43:12,449

him and say hey you know make me a

1132

00:43:16,189 --> 00:43:14,249

producer and he literally just said hey

1133

00:43:18,019 --> 00:43:16,199

you've done so much yeah are there gonna

1134

00:43:19,549 --> 00:43:18,029

be extensive Erik Patek interviews in

1135

00:43:22,519 --> 00:43:19,559

the documentary there's going to be more

1136

00:43:25,779 --> 00:43:22,529

than what what you've seen I'm going to

1137

00:43:28,699 --> 00:43:25,789

also go back I'm kind of holding back my

1138

00:43:30,679 --> 00:43:28,709

you could keep mine I interviewed him as

1139

00:43:32,149 --> 00:43:30,689

well and I've had extensive talks with

1140

00:43:34,539 --> 00:43:32,159

him I've kind of holding some of that

1141

00:43:38,569 --> 00:43:34,549

back until the documentary comes out

1142

00:43:39,739 --> 00:43:38,579

that way I'm not really you know giving

1143

00:43:41,389 --> 00:43:39,749

up you know a lot of information

1144

00:43:43,699 --> 00:43:41,399

beforehand there because oh yeah you

1145

00:43:44,749 --> 00:43:43,709

ever heard that from Mike that kind of

1146

00:43:46,009 --> 00:43:44,759

thing but if there was anything that I

1147

00:43:47,120 --> 00:43:46,019

felt that was important because you know

1148

00:43:49,370 --> 00:43:47,130

someone's gonna hear this and they go

1149

00:43:52,699 --> 00:43:49,380

you're holding evidence and loaded it it

1150

00:43:55,059 --> 00:43:52,709

uh no no I'm not if I if I felt that any

1151

00:43:57,799 --> 00:43:55,069

any my conversations I had with Eric

1152

00:43:58,850 --> 00:43:57,809

we're going to change the course of the

1153

00:44:00,380 --> 00:43:58,860

case I would

1154

00:44:02,630 --> 00:44:00,390

that would do that well who are you to

1155

00:44:05,510 --> 00:44:02,640

decide well this isn't my first rodeo

1156

00:44:07,340 --> 00:44:05,520

well knowing Ramsey it's gonna probably

1157

00:44:10,430 --> 00:44:07,350

be pretty brutal on the Las Vegas police

1158

00:44:11,450 --> 00:44:10,440

department yeah yeah it will be and and

1159

00:44:14,240 --> 00:44:11,460

there's some more extenuating

1160

00:44:18,110 --> 00:44:14,250

circumstances that I can now go into a

1161

00:44:19,970 --> 00:44:18,120

little deeper there I kind of put self

1162

00:44:21,740 --> 00:44:19,980

muzzled myself I won't say that someone

1163

00:44:23,420 --> 00:44:21,750

put a muzzle on me but I'll say I self

1164

00:44:25,850 --> 00:44:23,430

muzzled myself for several circumstances

1165

00:44:28,430 --> 00:44:25,860

one of which obviously is the autopsy

1166

00:44:30,980 --> 00:44:28,440

section would dip into some HIPPA type

1167

00:44:33,590 --> 00:44:30,990

agreement and and that information that

1168

00:44:35,300 --> 00:44:33,600

that I'll be probably revealing over the

1169

00:44:37,910 --> 00:44:35,310

next 10 days and some of us probably

1170

00:44:39,500 --> 00:44:37,920

today on your show is something I

1171

00:44:40,640 --> 00:44:39,510

couldn't get into before and so people

1172

00:44:42,380 --> 00:44:40,650

think oh you're just a little talking

1173

00:44:44,420 --> 00:44:42,390

about autopsies well you know you're

1174

00:44:46,210 --> 00:44:44,430

catching up now I've kind of been having

1175

00:44:50,570 --> 00:44:46,220

that in the background for a long time

1176
00:44:54,680 --> 00:44:50,580
but the Vegas wrong is going to go into

1177
00:44:59,510 --> 00:44:54,690
a lot of detail it is going to be most

1178
00:45:02,000 --> 00:44:59,520
likely very critical of the LVM PD of

1179
00:45:04,520 --> 00:45:02,010
the FBI how they handled the situations

1180
00:45:06,560 --> 00:45:04,530
and keep in mind there's a lot of they

1181
00:45:10,010 --> 00:45:06,570
gave us a lot of ammunition I mean I

1182
00:45:12,050 --> 00:45:10,020
don't use neither one of us I can

1183
00:45:13,790 --> 00:45:12,060
probably say have ever seen a case like

1184
00:45:24,740 --> 00:45:13,800
this where there's so much information

1185
00:45:26,780 --> 00:45:24,750
being withheld yeah well once you hit I

1186
00:45:28,640 --> 00:45:26,790
mean we've covered we've been very

1187
00:45:31,100 --> 00:45:28,650
critical of Las Vegas police on the show

1188
00:45:32,960 --> 00:45:31,110

might want you hit the one or two

1189

00:45:35,600 --> 00:45:32,970

biggest ones that you guys are gonna be

1190

00:45:37,880 --> 00:45:35,610

well after in the documentary in the

1191

00:45:39,590 --> 00:45:37,890

documentary is well it's all over the

1192

00:45:41,260 --> 00:45:39,600

map in the documentary it's gonna cover

1193

00:45:43,790 --> 00:45:41,270

quite a quite a few grounds because it's

1194

00:45:45,140 --> 00:45:43,800

the stuff I'll talk about you know the

1195

00:45:47,240 --> 00:45:45,150

stuff that directly affects me of this

1196

00:45:48,740 --> 00:45:47,250

stuff I've owned covered well let me ask

1197

00:45:50,750 --> 00:45:48,750

you because we just numbered it the most

1198

00:45:53,900 --> 00:45:50,760

recent episode with with with Papa which

1199

00:45:57,020 --> 00:45:53,910

is do you believe that the police

1200

00:46:00,760 --> 00:45:57,030

intentionally covered up the fact that

1201
00:46:04,790 --> 00:46:00,770
they had two police officers there in

1202
00:46:07,040 --> 00:46:04,800
position to intercept the shooter for

1203
00:46:09,860 --> 00:46:07,050
five minutes and and these two guys did

1204
00:46:12,620 --> 00:46:09,870
nothing no I don't believe that they did

1205
00:46:15,290 --> 00:46:12,630
that I'm absolutely certain of it

1206
00:46:16,910 --> 00:46:15,300
Doug Papa was right we I think we all

1207
00:46:18,470 --> 00:46:16,920
said this when this happened when the

1208
00:46:20,180 --> 00:46:18,480
information come out

1209
00:46:22,460 --> 00:46:20,190
I was listening live just like Doug was

1210
00:46:24,470 --> 00:46:22,470
when the when the shots were when when

1211
00:46:26,480 --> 00:46:24,480
the radio calls were going out and we

1212
00:46:27,140 --> 00:46:26,490
heard that you know I was like wait did

1213
00:46:29,840 --> 00:46:27,150

I just hear

1214

00:46:31,220 --> 00:46:29,850

I shot fired in this room that was

1215

00:46:34,160 --> 00:46:31,230

covered up

1216

00:46:36,530 --> 00:46:34,170

Hendrix obviously freezing in the

1217

00:46:38,270 --> 00:46:36,540

hallway he was fired back in March which

1218

00:46:40,460 --> 00:46:38,280

we all know right I didn't tell anybody

1219

00:46:43,250 --> 00:46:40,470

until people eventually asked the

1220

00:46:44,480 --> 00:46:43,260

question yeah well it got out we we kind

1221

00:46:46,220 --> 00:46:44,490

of yeah we kind of knew back then

1222

00:46:48,170 --> 00:46:46,230

something was going up and we couldn't

1223

00:46:51,380 --> 00:46:48,180

we kind of figured that's kind of as

1224

00:46:53,540 --> 00:46:51,390

part of the cover-up to try to get rid

1225

00:46:54,980 --> 00:46:53,550

of him out the back door and tell

1226

00:46:56,750 --> 00:46:54,990

anybody and just keep it nice and quiet

1227

00:46:58,700 --> 00:46:56,760

as well of that cover of because I'm

1228

00:47:00,560 --> 00:46:58,710

Bardo it before there he was asked about

1229

00:47:02,690 --> 00:47:00,570

Hendrix he defended him yeah he did

1230

00:47:06,080 --> 00:47:02,700

defend him in and and that was probably

1231

00:47:06,970 --> 00:47:06,090

wrong for him to do that he's done a lot

1232

00:47:09,650 --> 00:47:06,980

of mistakes

1233

00:47:12,380 --> 00:47:09,660

Lombardo has made huge mistakes as far

1234

00:47:14,660 --> 00:47:12,390

as one thing that they engaged the

1235

00:47:17,360 --> 00:47:14,670

suspect I mean that that was a huge

1236

00:47:20,840 --> 00:47:17,370

mistake and then in in the case of

1237

00:47:23,270 --> 00:47:20,850

Hendrix it will stay on him how do you

1238

00:47:25,400 --> 00:47:23,280

defend somebody like that I mean no

1239

00:47:27,620 --> 00:47:25,410

offense to Hendrix I mean I do have some

1240

00:47:29,660 --> 00:47:27,630

empathy for him but my empathy for him

1241

00:47:32,180 --> 00:47:29,670

ends at the moment that the next shot

1242

00:47:34,100 --> 00:47:32,190

rings out after he freezes that's when

1243

00:47:36,080 --> 00:47:34,110

my empathy stops because that means

1244

00:47:37,580 --> 00:47:36,090

someone's getting killed why this guy is

1245

00:47:39,350 --> 00:47:37,590

just standing there there's some key

1246

00:47:42,020 --> 00:47:39,360

points to bring up in this one of which

1247

00:47:44,090 --> 00:47:42,030

is very important at that moment that he

1248

00:47:45,380 --> 00:47:44,100

was basically told to stand down so to

1249

00:47:47,150 --> 00:47:45,390

speak a lot of people believe that the

1250

00:47:49,280 --> 00:47:47,160

officer Hendrix was listening to the

1251

00:47:51,050 --> 00:47:49,290

radio and he heard the call saying

1252

00:47:52,910 --> 00:47:51,060

you're receiving automatic fire from an

1253

00:47:54,620 --> 00:47:52,920

elevated position take cover

1254

00:47:57,170 --> 00:47:54,630

we all heard this and that's about the

1255

00:47:59,810 --> 00:47:57,180

time that he pretty much you know takes

1256

00:48:01,850 --> 00:47:59,820

cover well he wasn't receiving automatic

1257

00:48:03,470 --> 00:48:01,860

fire the automatic fire was being

1258

00:48:07,400 --> 00:48:03,480

received by the people on the ground

1259

00:48:09,020 --> 00:48:07,410

below him and taking cover from from

1260

00:48:11,270 --> 00:48:09,030

your on the 31st floor and you know the

1261

00:48:12,890 --> 00:48:11,280

guy shooting into a crowd of people yeah

1262

00:48:15,800 --> 00:48:12,900

the only thing accurate about that was

1263

00:48:17,810 --> 00:48:15,810

the 32nd floor is above the 31st floor

1264

00:48:20,540 --> 00:48:17,820

therefore it is an elevated position but

1265

00:48:23,210 --> 00:48:20,550

he was not taking fire so I had that was

1266

00:48:24,840 --> 00:48:23,220

a general alert that went out not a

1267

00:48:27,030 --> 00:48:24,850

specific instruction

1268

00:48:29,220 --> 00:48:27,040

to Hendricks exactly and the person

1269

00:48:30,600 --> 00:48:29,230

giving that alert out is not necessarily

1270

00:48:32,310 --> 00:48:30,610

a person that you would receive those

1271

00:48:34,380 --> 00:48:32,320

types of instructions for especially

1272

00:48:36,630 --> 00:48:34,390

when you're the lead team the you got

1273

00:48:39,210 --> 00:48:36,640

five people on your team going there now

1274

00:48:41,550 --> 00:48:39,220

people say well you had a trainee the

1275

00:48:42,630 --> 00:48:41,560

trainees a cop the trainee is a cop the

1276

00:48:44,400 --> 00:48:42,640

moment that they get on the force

1277

00:48:46,200 --> 00:48:44,410

they're not like okay I've got to go

1278

00:48:49,170 --> 00:48:46,210

through some sort of ride-along program

1279

00:48:52,680 --> 00:48:49,180

until I can actually do something edible

1280

00:48:54,840 --> 00:48:52,690

yeah exactly so and you got three of the

1281

00:48:56,190 --> 00:48:54,850

Mandalay Bay employees and they look

1282

00:48:58,200 --> 00:48:56,200

like they were ready to go I mean they

1283

00:49:00,330 --> 00:48:58,210

they they were sitting you could see it

1284

00:49:02,520 --> 00:49:00,340

in their face you could see it in their

1285

00:49:04,440 --> 00:49:02,530

eyes going what is go where we stopping

1286

00:49:05,940 --> 00:49:04,450

yeah one of the guys went out ahead of

1287

00:49:07,830 --> 00:49:05,950

Hendricks down the hallway yeah

1288

00:49:09,060 --> 00:49:07,840

Hendricks wasn't leading them down the

1289

00:49:11,490 --> 00:49:09,070

hallway was the Mandalay Bay guy in

1290

00:49:14,100 --> 00:49:11,500

Hendricks brought back exactly exactly

1291

00:49:15,930 --> 00:49:14,110

so to get into the mind of Hendricks I I

1292

00:49:18,240 --> 00:49:15,940

understand I understand my people freeze

1293

00:49:20,520 --> 00:49:18,250

but for him to ask for his job back I

1294

00:49:21,930 --> 00:49:20,530

don't think so not the same job but he

1295

00:49:24,330 --> 00:49:21,940

can go back and work on a desk somewhere

1296

00:49:25,920 --> 00:49:24,340

but my thought is this and your we're

1297

00:49:28,620 --> 00:49:25,930

lawyers so you might have some insight

1298

00:49:30,270 --> 00:49:28,630

into this do you think that he and I'm

1299

00:49:32,550 --> 00:49:30,280

gonna interview you for a minute do you

1300

00:49:34,410 --> 00:49:32,560

think that he came back and decided to

1301

00:49:37,320 --> 00:49:34,420

you know let me try to get my job back

1302

00:49:40,650 --> 00:49:37,330

let me check with the the Union guys so

1303

00:49:42,600 --> 00:49:40,660

he can actually have LVM PD utilize

1304

00:49:47,460 --> 00:49:42,610

their resources to defend him in case he

1305

00:49:49,680 --> 00:49:47,470

receives some charges hmm well first of

1306

00:49:51,780 --> 00:49:49,690

all to have the Union fight a

1307

00:49:53,160 --> 00:49:51,790

termination I mean they fight virtually

1308

00:49:55,320 --> 00:49:53,170

every termination yeah that's Ottoman

1309

00:49:56,640 --> 00:49:55,330

right yeah so he's got this bill I've

1310

00:49:59,700 --> 00:49:56,650

been paying for this Union all this time

1311

00:50:01,620 --> 00:49:59,710

I'm looking for a settlement from Las

1312

00:50:04,830 --> 00:50:01,630

Vegas police yeah now in part of that

1313

00:50:07,580 --> 00:50:04,840

settlement could be that yes you know

1314

00:50:10,200 --> 00:50:07,590

I'm indemnifying and if I pursued out

1315

00:50:12,420 --> 00:50:10,210

that area the law it's very difficult to

1316

00:50:15,480 --> 00:50:12,430

sue the police for failure to protect

1317

00:50:17,520 --> 00:50:15,490

and in that that also pertains to police

1318

00:50:19,200 --> 00:50:17,530

officers so I'm not sure it would be

1319

00:50:21,000 --> 00:50:19,210

very difficult to come up with a theory

1320

00:50:22,770 --> 00:50:21,010

might hold him personally liable

1321

00:50:26,190 --> 00:50:22,780

anything you have to look at from is it

1322

00:50:28,200 --> 00:50:26,200

a criminal act that were they would go

1323

00:50:29,730 --> 00:50:28,210

after him at all yeah it had to be

1324

00:50:31,440 --> 00:50:29,740

intentional you know and show negligence

1325

00:50:32,370 --> 00:50:31,450

on the part of the department or have

1326

00:50:34,560 --> 00:50:32,380

you just like what's happened in

1327

00:50:36,390 --> 00:50:34,570

parkland yes and in parkland

1328

00:50:38,140 --> 00:50:36,400

it is criminal right I'm involved with

1329

00:50:40,029 --> 00:50:38,150

that closely but he's there's crimine

1330

00:50:42,430 --> 00:50:40,039

charge eleven throws that yes that is my

1331

00:50:45,010 --> 00:50:42,440

question which would be is anybody

1332

00:50:46,599 --> 00:50:45,020

considering criminal charges right now

1333

00:50:49,720 --> 00:50:46,609

look at the timing as to when he was

1334

00:50:52,180 --> 00:50:49,730

fired and look at the timing of when

1335

00:50:53,950 --> 00:50:52,190

that officer got those eleven charges so

1336

00:50:56,680 --> 00:50:53,960

it's really close

1337

00:50:58,420 --> 00:50:56,690

what's up well he was fired in March and

1338

00:51:00,490 --> 00:50:58,430

the charges were soon thereafter right I

1339

00:51:01,420 --> 00:51:00,500

think that we'd have to look it up in

1340

00:51:03,039 --> 00:51:01,430

other words there could have been some

1341

00:51:04,930 --> 00:51:03,049

communication and they're realizing that

1342

00:51:08,470 --> 00:51:04,940

wow this guy's can be charged criminally

1343

00:51:10,870 --> 00:51:08,480

in Florida our guy is still yeah on the

1344

00:51:13,329 --> 00:51:10,880

ring yeah yeah and that's 11 charges

1345

00:51:14,829 --> 00:51:13,339

this guy has got 58 charges potentially

1346

00:51:17,940 --> 00:51:14,839

that he would be looking at it's a he's

1347

00:51:21,309 --> 00:51:17,950

probably puckering up a little bit

1348

00:51:23,559 --> 00:51:21,319

thinking that a I need to get my ducks

1349

00:51:25,859 --> 00:51:23,569

in a row here because you know I need I

1350

00:51:28,630 --> 00:51:25,869

need to do this but back to the original

1351

00:51:32,440 --> 00:51:28,640

thing that brought us here cover-up is

1352

00:51:36,450 --> 00:51:32,450

this a cover-up did did the act that

1353

00:51:40,269 --> 00:51:36,460

Hendricks cause I mean someone freezing

1354

00:51:42,789 --> 00:51:40,279

did that cause loss of life my opinion

1355

00:51:44,319 --> 00:51:42,799

is very possible but here's the other

1356

00:51:47,019 --> 00:51:44,329

end of the spectrum if it went to court

1357

00:51:49,660 --> 00:51:47,029

what they're gonna say is this your

1358

00:51:51,549 --> 00:51:49,670

normal lawyer is gonna argue that even

1359

00:51:52,779 --> 00:51:51,559

if he would have got to the hallway even

1360

00:51:54,279 --> 00:51:52,789

if he would got to the door he would

1361

00:51:56,049 --> 00:51:54,289

have been met with the same L bracket

1362

00:51:58,059 --> 00:51:56,059

the prevented hazers Campos from going

1363

00:51:58,930 --> 00:51:58,069

through that door so it would have been

1364

00:52:00,640 --> 00:51:58,940

all for naught

1365

00:52:03,760 --> 00:52:00,650

the problem I have with that statement

1366

00:52:05,950 --> 00:52:03,770

is that he obviously didn't know that at

1367

00:52:08,079 --> 00:52:05,960

the time and we were I'm not aware of

1368

00:52:09,849 --> 00:52:08,089

any of those officers on that five-man

1369

00:52:11,620 --> 00:52:09,859

detail you know we'll call them all

1370

00:52:14,740 --> 00:52:11,630

officers including you know the mental a

1371

00:52:16,870 --> 00:52:14,750

base of them having foreknowledge of

1372

00:52:18,880 --> 00:52:16,880

that L bracket so if they had knowledge

1373

00:52:21,730 --> 00:52:18,890

of the I-bracket why would they be going

1374

00:52:24,579 --> 00:52:21,740

down that hallway to begin with to go up

1375

00:52:27,099 --> 00:52:24,589

that stairwell so MIT got the report the

1376

00:52:29,260 --> 00:52:27,109

Campos had been shot on 32 and then said

1377

00:52:31,299 --> 00:52:29,270

he gets off on 31 supposedly because he

1378

00:52:34,569 --> 00:52:31,309

gets some phone call about shooter on 31

1379

00:52:36,010 --> 00:52:34,579

right right so my argument against an

1380

00:52:37,779 --> 00:52:36,020

attorney that would say a statement like

1381

00:52:40,569 --> 00:52:37,789

that was will they would not be going

1382

00:52:43,480 --> 00:52:40,579

down the 31st floor hallway toward that

1383

00:52:46,000 --> 00:52:43,490

same stairwell if they had known about

1384

00:52:48,309 --> 00:52:46,010

the I-bracket so that argument is moot

1385

00:52:49,720 --> 00:52:48,319

let's move on and well again I don't

1386

00:52:52,020 --> 00:52:49,730

think that you can hold him civilly

1387

00:52:53,460 --> 00:52:52,030

liable for this you can't sue him

1388

00:52:54,600 --> 00:52:53,470

what images and you can't sue the police

1389

00:52:55,980 --> 00:52:54,610

for damage I think it would be a

1390

00:52:57,330 --> 00:52:55,990

criminal case if there was a case I

1391

00:53:00,300 --> 00:52:57,340

agree with that but we're still talking

1392

00:53:03,210 --> 00:53:00,310

about cover-up now was it covered up did

1393

00:53:07,560 --> 00:53:03,220

LVM PD withhold information from us the

1394

00:53:10,260 --> 00:53:07,570

public us the media my opinion is

1395

00:53:13,680 --> 00:53:10,270

obviously keeping money if you go back

1396

00:53:15,360 --> 00:53:13,690

in time you go back to towards the

1397

00:53:18,330 --> 00:53:15,370

actual shooting itself that was an

1398

00:53:20,670 --> 00:53:18,340

election year for obviously Joe Lombardo

1399

00:53:22,260 --> 00:53:20,680

so several pieces of information that

1400

00:53:24,570 --> 00:53:22,270

normally would have been filtered out in

1401
00:53:26,370 --> 00:53:24,580
time obviously O'Donnell accidentally

1402
00:53:29,220 --> 00:53:26,380
discharging the weapon inside the room

1403
00:53:32,310 --> 00:53:29,230
Hendrix freezing these various things

1404
00:53:35,160 --> 00:53:32,320
would be problems for him during his

1405
00:53:37,260 --> 00:53:35,170
election and that the his opponents

1406
00:53:40,500 --> 00:53:37,270
would pick up on and rest in peace Larry

1407
00:53:42,990 --> 00:53:40,510
burns well in even after the election I

1408
00:53:44,910 --> 00:53:43,000
think it was and with lots of times to

1409
00:53:47,220 --> 00:53:44,920
digest things and think about things

1410
00:53:50,010 --> 00:53:47,230
when Lombardo is asked on a talk show

1411
00:53:52,710 --> 00:53:50,020
about Hendrix he defends him and says

1412
00:53:54,930 --> 00:53:52,720
you don't bring a knife to a gunfight so

1413
00:53:56,970 --> 00:53:54,940

and I you know that quote is gonna come

1414

00:53:58,350 --> 00:53:56,980

back to bite him in whatever proceedings

1415

00:53:59,640 --> 00:53:58,360

are going on right now with Hendrix

1416

00:54:01,200 --> 00:53:59,650

suing for his job back you saying hey

1417

00:54:02,460 --> 00:54:01,210

the chief of police agreed with me he's

1418

00:54:04,590 --> 00:54:02,470

basically saying he wouldn't gone either

1419

00:54:06,300 --> 00:54:04,600

yeah well he's actually the sheriff the

1420

00:54:08,850 --> 00:54:06,310

sheriff's different the chief sheriffs

1421

00:54:11,160 --> 00:54:08,860

yeah chief is a Sylvian position but the

1422

00:54:13,410 --> 00:54:11,170

so the sheriff says this information and

1423

00:54:14,820 --> 00:54:13,420

so okay that's great but you can't

1424

00:54:17,730 --> 00:54:14,830

utilize that either because that's

1425

00:54:21,240 --> 00:54:17,740

obviously after the fact so at the time

1426
00:54:22,920 --> 00:54:21,250
of Hendrix freezing you have to narrow

1427
00:54:25,620 --> 00:54:22,930
everything down to exactly what was

1428
00:54:28,620 --> 00:54:25,630
known at that moment in time and that is

1429
00:54:31,920 --> 00:54:28,630
it yeah anything said after that is is

1430
00:54:33,150 --> 00:54:31,930
has no bearing on anything at all of the

1431
00:54:34,590 --> 00:54:33,160
mindset of what was going through that

1432
00:54:36,540 --> 00:54:34,600
officer's mind when he was there doing

1433
00:54:37,680 --> 00:54:36,550
it so how many volleys were after that

1434
00:54:38,760 --> 00:54:37,690
how many shots were after how many

1435
00:54:44,810 --> 00:54:38,770
people could have been saved

1436
00:54:46,500 --> 00:54:44,820
possibly l-bracket beside well shoot

1437
00:54:47,910 --> 00:54:46,510
well they wouldn't know where the

1438
00:54:49,470 --> 00:54:47,920

I-bracket was on the door you just gonna

1439

00:54:51,030 --> 00:54:49,480

you know just stand there and start

1440

00:54:53,160 --> 00:54:51,040

firing random he would have gone up to

1441

00:54:55,620 --> 00:54:53,170

32 tried to open the door and would have

1442

00:54:57,090 --> 00:54:55,630

been able to open it and that correct

1443

00:54:58,230 --> 00:54:57,100

saying was same with his campus they

1444

00:54:59,220 --> 00:54:58,240

would had the same issue and they

1445

00:55:00,690 --> 00:54:59,230

wouldn't have seen the old bracket

1446

00:55:01,620 --> 00:55:00,700

because it was on the other side correct

1447

00:55:03,210 --> 00:55:01,630

yeah Brackett would have been on the

1448

00:55:04,470 --> 00:55:03,220

other side if the I-bracket was on the

1449

00:55:04,819 --> 00:55:04,480

inside how would he have gotten back

1450

00:55:09,019 --> 00:55:04,829

through the

1451

00:55:11,359 --> 00:55:09,029

door to get back to the room well but

1452

00:55:12,890 --> 00:55:11,369

yeah they had fries with five people I

1453

00:55:14,479 --> 00:55:12,900

know how strong and I-bracket is but you

1454

00:55:16,009 --> 00:55:14,489

can't knock down that I-bracket with

1455

00:55:17,180 --> 00:55:16,019

white people RAM in the door they

1456

00:55:18,979 --> 00:55:17,190

wouldn't have known what was blocking

1457

00:55:20,449 --> 00:55:18,989

the door well they would have known that

1458

00:55:23,239 --> 00:55:20,459

it was not opening right there was a

1459

00:55:25,009 --> 00:55:23,249

winner then never divorce they could on

1460

00:55:26,900 --> 00:55:25,019

that door too agreed absolutely agree I

1461

00:55:28,969 --> 00:55:26,910

know I know what I would have done I I

1462

00:55:30,680 --> 00:55:28,979

would and I'm surprised they didn't have

1463

00:55:32,239 --> 00:55:30,690

a ram with them anyway the officers

1464

00:55:33,739 --> 00:55:32,249

would and there's some question about

1465

00:55:35,180 --> 00:55:33,749

remember that that one video of the

1466

00:55:36,890 --> 00:55:35,190

officers going down the hallway and this

1467

00:55:39,229 --> 00:55:36,900

guy walks out of his hotel room and it's

1468

00:55:40,729 --> 00:55:39,239

only like a six or eight second video

1469

00:55:41,839 --> 00:55:40,739

he's looking down the hall when he sees

1470

00:55:43,969 --> 00:55:41,849

this this group they call him the

1471

00:55:45,499 --> 00:55:43,979

creepers these these officers walking by

1472

00:55:47,329 --> 00:55:45,509

with some bag in between them what have

1473

00:55:48,469 --> 00:55:47,339

you I'm you know people think well

1474

00:55:49,579 --> 00:55:48,479

there's a body in the bag or there's

1475

00:55:50,749 --> 00:55:49,589

this in the back order I'm thinking it's

1476

00:55:52,400 --> 00:55:50,759

probably just a ram in the back when

1477

00:55:56,059 --> 00:55:52,410

there's big door ramps because these
