[Music]

2
00:00:15,680 --> 00:00:13,940
why does it not surprise me that you're

3
00:00:18,620 --> 00:00:15,690
wearing a black suit and a red tie I

4
00:00:21,109 --> 00:00:18,630
have to represent you know I in

5
00:00:23,779 --> 00:00:21,119
somewhere I just wear a t-shirt or a

6
00:00:27,050 --> 00:00:23,789
white shirt and you know it just it

7
00:00:28,580 --> 00:00:27,060
doesn't you want to see this you know I

8
00:00:33,920 --> 00:00:28,590
wear a cape

9
00:00:36,080 --> 00:00:33,930
but no I don't see the horn so well

10
00:00:39,950 --> 00:00:36,090
we'll get to the color black and in the

11
00:00:43,400 --> 00:00:39,960
significance of black but well what led

12
00:00:47,569 --> 00:00:43,410
us to you in case you're wondering is

13
00:00:51,529 --> 00:00:47,579

that we're doing like a lot of people an

14
00:00:53,959 --> 00:00:51,539
Epstein deep dive and we had a woman on

15
00:00:57,680 --> 00:00:53,969
named Sloan Bella who's pretty pretty

16
00:00:59,090 --> 00:00:57,690
big on YouTube and she's a psychic but

17
00:01:02,920 --> 00:00:59,100
she's also worked with a group called

18
00:01:07,550 --> 00:01:02,930
children of the night which helps

19
00:01:12,890 --> 00:01:07,560
children who've been abducted etc yeah

20
00:01:16,820 --> 00:01:12,900
and but anyway she posited that Epstein

21
00:01:19,370 --> 00:01:16,830
is Luciferian and by the way she speaks

22
00:01:21,530 --> 00:01:19,380
of luciferianism as you know not a very

23
00:01:23,810 --> 00:01:21,540
good thing as you can imagine and

24
00:01:26,330 --> 00:01:23,820
attributes some things to luciferianism

25
00:01:28,429 --> 00:01:26,340
that would not be very positive so

26
00:01:29,780 --> 00:01:28,439
anyway so Michael my producer and I were

27
00:01:30,710 --> 00:01:29,790
talking or like you know we need to

28
00:01:33,020 --> 00:01:30,720
speak to one of these people and

29
00:01:35,990 --> 00:01:33,030
understand what this is I just quickly

30
00:01:38,120 --> 00:01:36,000
read about it on Wikipedia and I'm sure

31
00:01:40,310 --> 00:01:38,130
you've probably read it to it there's

32
00:01:43,280 --> 00:01:40,320
not much on Wikipedia about it but

33
00:01:45,560 --> 00:01:43,290
frankly the way it described it I'm kind

34
00:01:48,950 --> 00:01:45,570
of like hmm that kind of sounds like me

35
00:01:53,420 --> 00:01:48,960
it is which is you know not having blind

36
00:01:57,139 --> 00:01:53,430
faith in things right relying on science

37
00:02:00,170 --> 00:01:57,149
and and your own using your own

38
00:02:01,819 --> 00:02:00,180

knowledge and and expanding your own

39

00:02:04,609 --> 00:02:01,829

knowledge and not just taking anything

40

00:02:06,709 --> 00:02:04,619

at face value so I liked all that part

41

00:02:09,169 --> 00:02:06,719

and I was raised Catholic but I'm not

42

00:02:11,809 --> 00:02:09,179

particularly religious at this point so

43

00:02:13,620 --> 00:02:11,819

anyway that really intrigued us to talk

44

00:02:17,300 --> 00:02:13,630

to you so we're thrilled that you were

45

00:02:23,280 --> 00:02:20,870

so we'll get to and we'll get to Epstein

46

00:02:26,640 --> 00:02:23,290

in a bit and get your thoughts on

47

00:02:28,230 --> 00:02:26,650

Epstein but I think let's give you first

48

00:02:31,500 --> 00:02:28,240

opportunity to kind of explain to people

49

00:02:33,060 --> 00:02:31,510

really what luciferianism is we also

50

00:02:34,950 --> 00:02:33,070

hopefully I'm pronouncing that right

51
00:02:42,180 --> 00:02:34,960
because I was saying Lou Safari in it

52
00:02:44,820 --> 00:02:42,190
before so correct yeah and I and I and I

53
00:02:48,030 --> 00:02:44,830
did get through about the first 80 pages

54
00:02:50,670 --> 00:02:48,040
of dragon of the two flames one of one

55
00:02:52,110 --> 00:02:50,680
of your books so thank you for for

56
00:02:53,730 --> 00:02:52,120
sending that to me so I've got some of

57
00:02:55,950 --> 00:02:53,740
the basics down but it did lead to a lot

58
00:02:59,040 --> 00:02:55,960
of questions that I had but I think the

59
00:03:03,570 --> 00:02:59,050
most obvious first question is who is

60
00:03:06,750 --> 00:03:03,580
Lucifer well Lucifer primarily is an

61
00:03:09,180 --> 00:03:06,760
archetype and when I mentioned this in

62
00:03:11,610 --> 00:03:09,190
Lucifer in philosophy it's important to

63
00:03:14,160 --> 00:03:11,620

start with the concept of symbols and

64

00:03:17,040 --> 00:03:14,170

archetypes because whether you're a

65

00:03:19,380 --> 00:03:17,050

theist or an atheist

66

00:03:22,190 --> 00:03:19,390

this is common ground and it relates to

67

00:03:26,640 --> 00:03:22,200

philosophy and it centers so Lucifer

68

00:03:28,650 --> 00:03:26,650

going back to Bronze Age Syria during

69

00:03:32,870 --> 00:03:28,660

the time of the city of Huber it was

70

00:03:36,450 --> 00:03:32,880

recognized as the gah - tyre or at par

71

00:03:40,050 --> 00:03:36,460

he's a part of the bowel cycle which was

72

00:03:42,810 --> 00:03:40,060

a tale about about the storm god el and

73

00:03:46,440 --> 00:03:42,820

it's a myth associating with the weather

74

00:03:50,400 --> 00:03:46,450

but Lucifer tried to ascend the throne

75

00:03:53,610 --> 00:03:50,410

and could not he didn't want to do that

76

00:03:53,880 --> 00:03:53,620

so he fell to earth and became Lord of

77

00:03:56,880 --> 00:03:53,890

the earth

78

00:04:00,660 --> 00:03:56,890

he's also associated with the planet

79

00:04:02,790 --> 00:04:00,670

Venus as which in ancient Near East was

80

00:04:05,670 --> 00:04:02,800

the morning and evening star that

81

00:04:08,250 --> 00:04:05,680

represents a balance and Venus

82

00:04:10,170 --> 00:04:08,260

traditionally is for love and war if you

83

00:04:13,730 --> 00:04:10,180

look at Ishtar and other things like

84

00:04:19,050 --> 00:04:13,740

that now Lucifer also is recognized in

85

00:04:21,710 --> 00:04:19,060

early Christianity and about the second

86

00:04:24,780 --> 00:04:21,720

century AD - 4th century

87

00:04:27,960 --> 00:04:24,790

Lucifer starts to be merged with the

88

00:04:31,140 --> 00:04:27,970

biblical Satan and the Satan from new

89

00:04:33,110 --> 00:04:31,150

estimates specifically and when you see

90

00:04:36,960 --> 00:04:33,120

that with the early church fathers

91

00:04:39,780 --> 00:04:36,970

talking about Lucifer and Satan being as

92

00:04:44,510 --> 00:04:39,790

one there they're not wrong in the sense

93

00:04:47,550 --> 00:04:44,520

that the ideals of Lucifer

94

00:04:49,880 --> 00:04:47,560

self-sufficiency you make your own path

95

00:04:54,000 --> 00:04:49,890

and life all those things were kind of

96

00:04:58,680 --> 00:04:54,010

alien to what the early Christians

97

00:05:01,830 --> 00:04:58,690

wanted and with their mastery the

98

00:05:05,520 --> 00:05:01,840

falling Roman Empire and how that was a

99

00:05:09,540 --> 00:05:05,530

political move to control the populace

100

00:05:11,520 --> 00:05:09,550

that often displaced populace it was a

101

00:05:13,680 --> 00:05:11,530

perfect perfect thing because I told

102

00:05:15,330 --> 00:05:13,690

them work hard in life do what you need

103

00:05:19,170 --> 00:05:15,340

to do for us and when you die you'll go

104

00:05:20,550 --> 00:05:19,180

to Paradise so Lucifer was a form of a

105

00:05:22,650 --> 00:05:20,560

god yes

106

00:05:26,070 --> 00:05:22,660

and what he was actually a minor God a

107

00:05:29,909 --> 00:05:26,080

star well that's for the terrible Isaiah

108

00:05:32,340 --> 00:05:29,919

myth where it it talks about it could be

109

00:05:35,940 --> 00:05:32,350

the king of Tyre or whatever covered in

110

00:05:38,100 --> 00:05:35,950

jewels and fell you were the anointed

111

00:05:41,820 --> 00:05:38,110

cherub that covers all that that comes

112

00:05:44,570 --> 00:05:41,830

from the Ugaritic tablet talking about

113

00:05:49,260 --> 00:05:44,580

Ashtar and in the myth the myth of

114

00:05:52,140 --> 00:05:49,270

Lucifer pre Christianity well we really

115

00:05:54,360 --> 00:05:52,150

should say judeo-christian a pre Old

116

00:06:00,210 --> 00:05:54,370

Testament because he pre-exists the Old

117

00:06:03,540 --> 00:06:00,220

Testament yes how did people perceive of

118

00:06:06,630 --> 00:06:03,550

him pre Old Testament he was a good God

119

00:06:07,980 --> 00:06:06,640

or a bad God well all of the gods in the

120

00:06:10,830 --> 00:06:07,990

ancient Pantheon's

121

00:06:14,340 --> 00:06:10,840

were more or less balanced and they had

122

00:06:16,500 --> 00:06:14,350

characters similar to people they had a

123

00:06:18,870 --> 00:06:16,510

good side and a bad side some more than

124

00:06:20,940 --> 00:06:18,880

others but they had associations with

125

00:06:23,670 --> 00:06:20,950

weather and with occurrences within

126

00:06:27,450 --> 00:06:23,680

nature and with in controlling humanity

127

00:06:30,930 --> 00:06:27,460

so he was not a bad God he was kind of a

128

00:06:32,909 --> 00:06:30,940

war god at times a conquering God he's

129

00:06:34,909 --> 00:06:32,919

known also there's another because

130

00:06:37,920 --> 00:06:34,919

there's this thing called scene

131

00:06:39,960 --> 00:06:37,930

syncretism and it comes from ancient

132

00:06:41,610 --> 00:06:39,970

Crete it's talking about different

133

00:06:43,800 --> 00:06:41,620

deities that are the same

134

00:06:46,950 --> 00:06:43,810

basically in different places that kind

135

00:06:48,840 --> 00:06:46,960

of merge over time and with cultural

136

00:06:52,350 --> 00:06:48,850

integration and things like that

137

00:06:55,520 --> 00:06:52,360

so Ashtar is actually recognized in some

138

00:06:58,260 --> 00:06:55,530

of the biblical things from the Moabite

139

00:07:00,930 --> 00:06:58,270

war with Israel and they talk about the

140

00:07:04,500 --> 00:07:00,940

God shamash he's actually called Ashtar

141

00:07:07,590 --> 00:07:04,510

Chumash he's a war god and he related to

142

00:07:09,690 --> 00:07:07,600

the ideals of their their people so the

143

00:07:12,270 --> 00:07:09,700

earlier pre-christian Lucifer actually

144

00:07:16,080 --> 00:07:12,280

those traits kind of fill in and fuel

145

00:07:22,160 --> 00:07:16,090

the later concept of the Christian was

146

00:07:24,810 --> 00:07:22,170

so so again pre Bible pre Old Testament

147

00:07:26,340 --> 00:07:24,820

give me a couple his good traits and you

148

00:07:28,230 --> 00:07:26,350

said they all had good and bad so it was

149

00:07:31,200 --> 00:07:28,240

a couple of his bad trees well those bad

150

00:07:33,420 --> 00:07:31,210

traits was when he conquered and this

151
00:07:36,150 --> 00:07:33,430
was common in ancient Near East it was

152
00:07:40,140 --> 00:07:36,160
an all-out what they called in that time

153
00:07:42,960 --> 00:07:40,150
a harem which was a kind of slaughter of

154
00:07:45,120 --> 00:07:42,970
their enemies now the Hebrew God did

155
00:07:47,190 --> 00:07:45,130
this as well they also called it a harem

156
00:07:50,970 --> 00:07:47,200
and that's why you see all the can I'd

157
00:07:54,660 --> 00:07:50,980
priests about in the legend being killed

158
00:07:57,600 --> 00:07:54,670
by the early Hebrew tribes that were

159
00:08:03,240 --> 00:07:57,610
conquering the area so that was one of

160
00:08:06,300 --> 00:08:03,250
his bad traits also kind of be giving

161
00:08:09,420 --> 00:08:06,310
into and having the passionate spirit to

162
00:08:13,310 --> 00:08:09,430
be to be ruthless but the good is that

163
00:08:17,910 --> 00:08:13,320

he kind of reigned over love to some

164

00:08:20,160 --> 00:08:17,920

extent and that is just relationships

165

00:08:24,450 --> 00:08:20,170

and then that kind of creative aspect

166

00:08:27,600 --> 00:08:24,460

the desire of it and also as a God of

167

00:08:31,770 --> 00:08:27,610

irrigation so fertility and renewal of

168

00:08:35,250 --> 00:08:31,780

the earth we see in the Book of Enoch

169

00:08:36,810 --> 00:08:35,260

which was written much later kept out of

170

00:08:39,330 --> 00:08:36,820

the Bible it was originally a part of

171

00:08:43,140 --> 00:08:39,340

their ideal Canon but they took him out

172

00:08:46,710 --> 00:08:43,150

as Azazel Azazel in that legend is the

173

00:08:49,020 --> 00:08:46,720

same as Ashtar he's he is related to the

174

00:08:51,150 --> 00:08:49,030

warning and evening star and does the

175

00:08:54,930 --> 00:08:51,160

same things so how do you reconcile

176

00:08:55,710 --> 00:08:54,940

these negative traits that he had with

177

00:08:58,860 --> 00:08:55,720

being

178

00:09:00,569 --> 00:08:58,870

a follower or Luciferian when if you

179

00:09:04,079 --> 00:09:00,579

look at Jews and Christians they look at

180

00:09:06,660 --> 00:09:04,089

their God as being a perfect God you're

181

00:09:08,699 --> 00:09:06,670

recognizing that Lucifer was not perfect

182

00:09:15,079 --> 00:09:08,709

so how do you reconcile that with being

183

00:09:20,610 --> 00:09:18,199

you and there's always growth that

184

00:09:23,910 --> 00:09:20,620

emerges from something destructive

185

00:09:25,590 --> 00:09:23,920

something to make way for the new and

186

00:09:28,769 --> 00:09:25,600

what I mean by that is you're the

187

00:09:30,569 --> 00:09:28,779

hurricane that devastates and then you

188

00:09:35,069 --> 00:09:30,579

have growth afterwards and then kind of

189

00:09:38,129 --> 00:09:35,079

renewal everything in this world has a

190

00:09:41,009 --> 00:09:38,139

balance to it there's not one extreme

191

00:09:44,189 --> 00:09:41,019

even the most what would be morally evil

192

00:09:46,139 --> 00:09:44,199

type of person in the world in their

193

00:09:49,230 --> 00:09:46,149

minds probably you're doing it for some

194

00:09:51,569 --> 00:09:49,240

sense of good but you have to rely on

195

00:09:55,079 --> 00:09:51,579

the common the social contract you live

196

00:09:59,009 --> 00:09:55,089

in and balance that and for Lucifer Ian

197

00:10:01,170 --> 00:09:59,019

it's not so much about recognizing and

198

00:10:03,870 --> 00:10:01,180

living the bad traits or the good traits

199

00:10:06,960 --> 00:10:03,880

it's about recognizing what makes you a

200

00:10:10,319 --> 00:10:06,970

balanced person how can you strive for

201
00:10:13,050 --> 00:10:10,329
balance in that sense and the fact that

202
00:10:16,290 --> 00:10:13,060
there is no in my mind

203
00:10:18,960 --> 00:10:16,300
concept of there's no perfection there's

204
00:10:21,920 --> 00:10:18,970
excellence I think you can strive

205
00:10:25,620 --> 00:10:21,930
towards excellence but to to emulate a

206
00:10:27,780 --> 00:10:25,630
type of perfect being would be folly he

207
00:10:30,569 --> 00:10:27,790
would never you would never be good

208
00:10:32,939 --> 00:10:30,579
enough well and it's really a myth to

209
00:10:35,910 --> 00:10:32,949
say that the judeo-christian God is

210
00:10:37,319 --> 00:10:35,920
perfect even though they say that

211
00:10:38,819 --> 00:10:37,329
because there's plenty of things that

212
00:10:41,249 --> 00:10:38,829
you could point to in the Bible where he

213
00:10:44,449 --> 00:10:41,259

would appear to be by today's standards

214

00:10:48,749 --> 00:10:44,459

less than perfect Wells name was jealous

215

00:10:51,869 --> 00:10:48,759

relating to Yahweh or Jehovah and he

216

00:10:55,410 --> 00:10:51,879

says he's a jealous God and there's a

217

00:10:58,230 --> 00:10:55,420

lot of you know supporting bloodshed in

218

00:11:01,040 --> 00:10:58,240

the Old Testament and that was kind of

219

00:11:04,470 --> 00:11:01,050

in on par with the ancient Near Eastern

220

00:11:07,350 --> 00:11:04,480

deities and one thing that really

221

00:11:08,020 --> 00:11:07,360

changed my path for me because I started

222

00:11:12,250 --> 00:11:08,030

in magic

223

00:11:14,110 --> 00:11:12,260

years ago was causing change in

224

00:11:16,660 --> 00:11:14,120

accordance with the will so if you take

225

00:11:20,170 --> 00:11:16,670

that and you look at all of the the

226

00:11:21,790 --> 00:11:20,180

historical references to Yahweh and I

227

00:11:24,220 --> 00:11:21,800

wanted to understand because I was

228

00:11:26,260 --> 00:11:24,230

raised Christian and with a mother that

229

00:11:30,250 --> 00:11:26,270

was very Christian and grandmother and

230

00:11:33,220 --> 00:11:30,260

there's this type of fear that is

231

00:11:36,160 --> 00:11:33,230

instilled in people from day one about

232

00:11:38,770 --> 00:11:36,170

what if I'm wrong what if there is a God

233

00:11:42,880 --> 00:11:38,780

after I die and what's going to happen

234

00:11:46,500 --> 00:11:42,890

to me so at least for me so early on I

235

00:11:50,140 --> 00:11:46,510

wanted to know what are the origins of

236

00:11:52,960 --> 00:11:50,150

God and if you look at the the books on

237

00:11:55,840 --> 00:11:52,970

the agent like ancient world from 1900

238

00:11:58,260 --> 00:11:55,850

to 1950 in that time period all of those

239

00:12:03,430 --> 00:11:58,270

were written from a like a

240

00:12:09,730 --> 00:12:03,440

judeo-christian perspective and 1919 50

241

00:12:12,370 --> 00:12:09,740

BC no no 1900 like our mo sorry okay and

242

00:12:15,370 --> 00:12:12,380

those in the 90s when I was getting into

243

00:12:17,170 --> 00:12:15,380

and studying I would find these books at

244

00:12:20,380 --> 00:12:17,180

the library or whatever before the

245

00:12:22,780 --> 00:12:20,390

internet and they were written from a

246

00:12:25,750 --> 00:12:22,790

Christian perspective so you get more of

247

00:12:28,030 --> 00:12:25,760

that fear like bowel as a demon and all

248

00:12:29,860 --> 00:12:28,040

this but later on when you read the

249

00:12:32,230 --> 00:12:29,870

archaeological studies the more

250

00:12:36,640 --> 00:12:32,240

professional academic stuff that they

251
00:12:40,000 --> 00:12:36,650
have you see that these Yahweh the

252
00:12:42,430 --> 00:12:40,010
origins he was just a storm God and he

253
00:12:44,980 --> 00:12:42,440
belonged to a tribe called the sha tsui

254
00:12:48,730 --> 00:12:44,990
people who were like mercenaries that

255
00:12:51,010 --> 00:12:48,740
worked with egypt at one time and you

256
00:12:53,290 --> 00:12:51,020
see that he was just a storm god he was

257
00:12:56,860 --> 00:12:53,300
honored in various places in the agent

258
00:12:59,520 --> 00:12:56,870
in like syria along with bow el and all

259
00:13:03,910 --> 00:12:59,530
those once they took over that region

260
00:13:06,550 --> 00:13:03,920
then the monotheistic priesthood really

261
00:13:08,380 --> 00:13:06,560
took control and that never stopped and

262
00:13:10,720 --> 00:13:08,390
so that's why you see all of these

263
00:13:13,470 --> 00:13:10,730

deities turned into demons so they

264

00:13:16,800 --> 00:13:13,480

recognized that there was multiple gods

265

00:13:21,240 --> 00:13:16,810

but they said this is our God and

266

00:13:23,640 --> 00:13:21,250

ultimately believed

267

00:13:27,480 --> 00:13:23,650

stated that he was superior to all other

268

00:13:29,580 --> 00:13:27,490

gods yes and that was an emergency so

269

00:13:33,480 --> 00:13:29,590

originally it was we don't associate

270

00:13:35,730 --> 00:13:33,490

with other tribes outside of our realm

271

00:13:39,180 --> 00:13:35,740

of control because that would lead to

272

00:13:40,890 --> 00:13:39,190

dissension and rival groups setting out

273

00:13:44,250 --> 00:13:40,900

which they invariably had at different

274

00:13:46,590 --> 00:13:44,260

times so to understand those origins and

275

00:13:48,930 --> 00:13:46,600

how those steps emerged was very

276

00:13:53,100 --> 00:13:48,940

important in kind of liberating myself

277

00:13:56,730 --> 00:13:53,110

from that judeo-christian mindset and so

278

00:13:59,940 --> 00:13:56,740

just to be clear the the authors of the

279

00:14:02,160 --> 00:13:59,950

Old Testament you're saying that they

280

00:14:05,100 --> 00:14:02,170

actually believed that there was

281

00:14:08,280 --> 00:14:05,110

multiple gods but that their God was

282

00:14:10,680 --> 00:14:08,290

Yahweh yes there's evidence to that and

283

00:14:13,380 --> 00:14:10,690

the way that certain biblical phrases

284

00:14:17,400 --> 00:14:13,390

are written referring to like Hamas the

285

00:14:20,010 --> 00:14:17,410

God shamash where they call tomash your

286

00:14:21,960 --> 00:14:20,020

God and while y'all way is their God

287

00:14:25,490 --> 00:14:21,970

they recognize that there were others

288

00:14:29,220 --> 00:14:25,500

and at times they even talked about how

289

00:14:31,829 --> 00:14:29,230

Yahweh has some influence over other

290

00:14:34,770 --> 00:14:31,839

deities and other Pantheon's that are

291

00:14:37,170 --> 00:14:34,780

invading the area you see that with

292

00:14:42,480 --> 00:14:37,180

battle on you see that with the Senate

293

00:14:45,600 --> 00:14:42,490

chair from neo Assyria so yeah it was

294

00:14:48,210 --> 00:14:45,610

really about that and they were they

295

00:14:53,329 --> 00:14:48,220

weren't trying to push their religion on

296

00:14:57,300 --> 00:14:53,339

other people until the Romans until the

297

00:14:59,520 --> 00:14:57,310

Christianity started to emerge once that

298

00:15:03,090 --> 00:14:59,530

started then the Romans saw that as an

299

00:15:06,060 --> 00:15:03,100

excellent way to kind of control and

300

00:15:07,410 --> 00:15:06,070

unify the populace yeah you had to kind

301
00:15:08,730 --> 00:15:07,420
of change the narrative of the Old

302
00:15:10,650 --> 00:15:08,740
Testament didn't you because the Old

303
00:15:13,440 --> 00:15:10,660
Testament really was about the Jews and

304
00:15:16,650 --> 00:15:13,450
and including keeping your bloodline

305
00:15:19,740 --> 00:15:16,660
pure right yeah yeah so you know the

306
00:15:23,460 --> 00:15:19,750
early Christians they had to do the ones

307
00:15:27,180 --> 00:15:23,470
who came from you know all of the early

308
00:15:30,290 --> 00:15:27,190
ones didn't know Jesus they actually

309
00:15:33,510 --> 00:15:30,300
lived about a hundred years after so

310
00:15:34,170 --> 00:15:33,520
Peter Paul all those those guys that

311
00:15:37,920 --> 00:15:34,180
spread the

312
00:15:41,130 --> 00:15:37,930
new concept you know who knows what they

313
00:15:43,980 --> 00:15:41,140

were going off of and who knows you know

314

00:15:47,400 --> 00:15:43,990

really what they what influenced them to

315

00:15:49,829 --> 00:15:47,410

go that far but they did and it and it

316

00:15:53,000 --> 00:15:49,839

took hold yeah they took a what was a

317

00:15:55,199 --> 00:15:53,010

Jewish religion and a Jewish God and

318

00:15:58,710 --> 00:15:55,209

turned it into something that could be

319

00:16:01,199 --> 00:15:58,720

expanded beyond Judaism right yeah

320

00:16:03,960 --> 00:16:01,209

absolutely and I and you know it wasn't

321

00:16:07,079 --> 00:16:03,970

I don't think it was meant you become a

322

00:16:09,240 --> 00:16:07,089

religion of a state in the sense that it

323

00:16:13,680 --> 00:16:09,250

did because then the Catholic Church

324

00:16:15,690 --> 00:16:13,690

made it their own and so on that's the

325

00:16:16,949 --> 00:16:15,700

nature of humanity I think well it's

326

00:16:19,949 --> 00:16:16,959

also very questionable I think whether

327

00:16:22,440 --> 00:16:19,959

Jesus intended for there to be a church

328

00:16:25,050 --> 00:16:22,450

set up it seems if you just read what

329

00:16:26,940 --> 00:16:25,060

Jesus said he gave you some rules as to

330

00:16:28,410 --> 00:16:26,950

how to live your life but certainly

331

00:16:31,199 --> 00:16:28,420

wasn't talking about setting up a big

332

00:16:34,139 --> 00:16:31,209

church yeah definitely he was highly

333

00:16:36,449 --> 00:16:34,149

against money and you know using men

334

00:16:38,610 --> 00:16:36,459

against what money and using it in a

335

00:16:40,949 --> 00:16:38,620

form of corruption and the way they can

336

00:16:45,590 --> 00:16:40,959

be corruptible which you know unbearably

337

00:16:49,620 --> 00:16:45,600

it was the Gnostic writings that include

338

00:16:53,250 --> 00:16:49,630

Jesus are totally different as well so

339

00:16:56,460 --> 00:16:53,260

in that sense you know understanding the

340

00:16:59,850 --> 00:16:56,470

precepts of Christianity really pushed

341

00:17:03,090 --> 00:16:59,860

me to understanding what was what I

342

00:17:06,600 --> 00:17:03,100

sensed with luciferianism let me ask you

343

00:17:09,449 --> 00:17:06,610

this what do you as a Luciferian what do

344

00:17:12,960 --> 00:17:09,459

you feel about just the actual teachings

345

00:17:16,490 --> 00:17:12,970

of Jesus as opposed to Christianity in

346

00:17:20,910 --> 00:17:16,500

the church well the actual teaching so

347

00:17:23,970 --> 00:17:20,920

for me for for you know Luciferian I

348

00:17:27,270 --> 00:17:23,980

recognize that each of us starting with

349

00:17:30,000 --> 00:17:27,280

our thoughts our words our actions all

350

00:17:33,830 --> 00:17:30,010

of those have impacts they either create

351

00:17:36,299 --> 00:17:33,840

or they enhance or kind of decay our

352

00:17:39,140 --> 00:17:36,309

potential and possibilities beginning

353

00:17:42,570 --> 00:17:39,150

within our mind and each of us have a

354

00:17:45,400 --> 00:17:42,580

choice as to how we interact with others

355

00:17:48,490 --> 00:17:45,410

within our community and whoever

356

00:17:52,420 --> 00:17:48,500

contact with so in that sense the

357

00:17:54,670 --> 00:17:52,430

concept of peace for me in the way that

358

00:17:56,920 --> 00:17:54,680

Jesus preached it I because he said

359

00:18:00,820 --> 00:17:56,930

you're not of this world

360

00:18:02,710 --> 00:18:00,830

I don't think that's a viable a viable

361

00:18:05,650 --> 00:18:02,720

thing within humanity at this point I

362

00:18:09,220 --> 00:18:05,660

think that there's something within our

363

00:18:11,710 --> 00:18:09,230

psyche that demands war to soar to

364

00:18:13,840 --> 00:18:11,720

conquer on some level and and we have to

365

00:18:16,360 --> 00:18:13,850

be cognizant of that not try to diminish

366

00:18:18,880 --> 00:18:16,370

it and say that's evil or that's you

367

00:18:21,310 --> 00:18:18,890

know we have to try to direct that in a

368

00:18:24,480 --> 00:18:21,320

way that doesn't become you know what it

369

00:18:26,710 --> 00:18:24,490

has become in the past so in that sense

370

00:18:29,200 --> 00:18:26,720

you know there's there's some very

371

00:18:32,620 --> 00:18:29,210

interesting words but you got to

372

00:18:34,360 --> 00:18:32,630

understand he wasn't the only kind of

373

00:18:36,280 --> 00:18:34,370

Prophet at that time during that time

374

00:18:39,130 --> 00:18:36,290

you have apollyon us of Tyana

375

00:18:42,400 --> 00:18:39,140

also who was actually more of a

376

00:18:43,950 --> 00:18:42,410

verifiable Jesus in some ways because

377

00:18:47,050 --> 00:18:43,960

they actually have records and

378

00:18:51,700 --> 00:18:47,060

inscriptions to him whereas all you have

379

00:18:53,380 --> 00:18:51,710

was is the Bible and some of that so of

380

00:18:56,800 --> 00:18:53,390

all these ancient gods

381

00:18:58,500 --> 00:18:56,810

you could choose as your let's use a

382

00:19:01,270 --> 00:18:58,510

role model

383

00:19:04,920 --> 00:19:01,280

why Lucifer there was hundreds to choose

384

00:19:07,420 --> 00:19:04,930

from well let me say it like this

385

00:19:10,360 --> 00:19:07,430

Lucifer and Lucifer anism

386

00:19:14,710 --> 00:19:10,370

is a symbol of the adversary now the

387

00:19:16,390 --> 00:19:14,720

adversary has traits from all of them so

388

00:19:18,250 --> 00:19:16,400

when you say Lucifer and when like that

389

00:19:19,630 --> 00:19:18,260

judeo-christian church says Lucifer

390

00:19:24,760 --> 00:19:19,640

they're talking about Satan and that

391

00:19:26,590 --> 00:19:24,770

means all of them so the early reference

392

00:19:29,020 --> 00:19:26,600

when I think of Lucifer I can see

393

00:19:33,070 --> 00:19:29,030

elements that have fed into that over

394

00:19:37,060 --> 00:19:33,080

the years from the greco-roman Zeus the

395

00:19:40,420 --> 00:19:37,070

ruler of the air also the enemy of the

396

00:19:43,570 --> 00:19:40,430

church but the traits were of all those

397

00:19:49,000 --> 00:19:43,580

deities that become Satan is to

398

00:19:50,890 --> 00:19:49,010

challenge your authority in a way that

399

00:19:53,900 --> 00:19:50,900

you can strive for more that you can

400

00:19:59,630 --> 00:19:53,910

enhance your own path and life

401
00:20:02,980 --> 00:19:59,640
and seek a good name for yourself and

402
00:20:05,780 --> 00:20:02,990
and you know if you have an enemy and

403
00:20:08,570 --> 00:20:05,790
you can't work that out you defend

404
00:20:11,540 --> 00:20:08,580
yourself and you know within the law you

405
00:20:16,460 --> 00:20:11,550
do what must be done to keep yourself

406
00:20:19,640 --> 00:20:16,470
safe and don't feel bad about it but

407
00:20:21,650 --> 00:20:19,650
also think about how you interact with

408
00:20:24,830 --> 00:20:21,660
others and either try to give them

409
00:20:27,470 --> 00:20:24,840
knowledge if they seek it if they ask in

410
00:20:30,200 --> 00:20:27,480
different perspectives so he's part of

411
00:20:32,450 --> 00:20:30,210
choosing Lucifer the mere fact that that

412
00:20:34,490 --> 00:20:32,460
Lucifer is referenced in in the Bible

413
00:20:37,610 --> 00:20:34,500

and it is a way of kind of being

414

00:20:42,680 --> 00:20:37,620

contrary into not through the message of

415

00:20:46,040 --> 00:20:42,690

the Bible in this way from when I was

416

00:20:50,660 --> 00:20:46,050

when I was a very young child I never

417

00:20:53,660 --> 00:20:50,670

connected with the words of Christianity

418

00:20:56,810 --> 00:20:53,670

with the thoughts the ideas of it and I

419

00:21:00,800 --> 00:20:56,820

cannot explain why except I was always

420

00:21:03,460 --> 00:21:00,810

drawn to the symbol of the devil and of

421

00:21:06,260 --> 00:21:03,470

Lucifer not because I saw it as evil

422

00:21:08,660 --> 00:21:06,270

because I I saw it as something that

423

00:21:12,230 --> 00:21:08,670

made that enhanced and inspired strength

424

00:21:14,960 --> 00:21:12,240

within myself to understand who I was

425

00:21:17,840 --> 00:21:14,970

and exactly what I didn't want to be and

426

00:21:21,350 --> 00:21:17,850

I would see people that would claim to

427

00:21:24,050 --> 00:21:21,360

be so good and to strive towards God and

428

00:21:26,480 --> 00:21:24,060

and all that and then they do vile

429

00:21:29,600 --> 00:21:26,490

things when people weren't looking and

430

00:21:31,250 --> 00:21:29,610

when you have that you know as a kid you

431

00:21:34,160 --> 00:21:31,260

can't you know I would sit back and I

432

00:21:37,390 --> 00:21:34,170

would observe these things and you know

433

00:21:41,030 --> 00:21:37,400

I would rather be in a ballot sense

434

00:21:43,250 --> 00:21:41,040

striving individually away from the

435

00:21:46,610 --> 00:21:43,260

masses let's go back to the distinction

436

00:21:50,660 --> 00:21:46,620

between Lucifer and Satan so is Satan

437

00:21:54,260 --> 00:21:50,670

also a know ancient God in a different

438

00:21:55,710 --> 00:21:54,270

God than in Lucifer well in the Bible's

439

00:22:00,210 --> 00:21:55,720

composite

440

00:22:03,680 --> 00:22:00,220

and Satan in the Bible arrives as the

441

00:22:06,659 --> 00:22:03,690

word enemy arrives from the ancient

442

00:22:09,960 --> 00:22:06,669

Hellenistic period of not only the

443

00:22:14,220 --> 00:22:09,970

salute kids but also Alexander the Great

444

00:22:17,070 --> 00:22:14,230

and their gods Zeus if you look in the

445

00:22:20,490 --> 00:22:17,080

letters from Peter talking about the

446

00:22:24,720 --> 00:22:20,500

throne of Satan and Pergamon that was

447

00:22:27,269 --> 00:22:24,730

relating to Zeus and so Satan as the

448

00:22:30,419 --> 00:22:27,279

adversary that spirit comes from many

449

00:22:35,940 --> 00:22:30,429

different angles from Samael an ancient

450

00:22:38,399 --> 00:22:35,950

god who was a god of the Sun and was

451
00:22:40,529 --> 00:22:38,409
considered the archangel Rome you have

452
00:22:44,419 --> 00:22:40,539
Leviathan who was the ancient god yam

453
00:22:48,720 --> 00:22:44,429
who was a sea god Bal who became

454
00:22:50,850 --> 00:22:48,730
Beelzebub he was an Oracle God all of

455
00:22:53,460 --> 00:22:50,860
these so then he had the Bible and if

456
00:22:56,700 --> 00:22:53,470
you look at the New Testament Satan in

457
00:22:59,759 --> 00:22:56,710
that is represented as a dragon a fallen

458
00:23:02,220 --> 00:22:59,769
angel and so forth so it relates it's

459
00:23:03,930 --> 00:23:02,230
kind of a composite symbol of all these

460
00:23:07,470 --> 00:23:03,940
different pantheon

461
00:23:09,590 --> 00:23:07,480
whose ideals differ with kind of early

462
00:23:15,090 --> 00:23:09,600
judeo-christianity

463
00:23:18,149 --> 00:23:15,100

so do you actually believe in these gods

464

00:23:22,769 --> 00:23:18,159

do you think they're real well I think

465

00:23:25,580 --> 00:23:22,779

that that man humanity relates to

466

00:23:28,860 --> 00:23:25,590

energies and things outside of ourself

467

00:23:32,669 --> 00:23:28,870

they relate to those and we put a face

468

00:23:34,379 --> 00:23:32,679

on it and we personify it I'm not an

469

00:23:37,799 --> 00:23:34,389

atheist

470

00:23:39,360 --> 00:23:37,809

and when I present luciferianism it's

471

00:23:42,509 --> 00:23:39,370

very important that people understand

472

00:23:44,610 --> 00:23:42,519

the philosophy first because I I don't

473

00:23:46,649 --> 00:23:44,620

want to push dogma or myth

474

00:23:49,740 --> 00:23:46,659

as something that's you know because

475

00:23:52,730 --> 00:23:49,750

everybody views things differently so do

476

00:23:56,789 --> 00:23:52,740

I believe that Satan is a physical being

477

00:23:59,580 --> 00:23:56,799

in the sense of fallen out of heaven and

478

00:24:03,320 --> 00:23:59,590

so forth no but do I believe the Satan

479

00:24:10,580 --> 00:24:05,960

kind of anti cosmic energy a force a

480

00:24:13,940 --> 00:24:10,590

motivating force yes I do but that's a

481

00:24:16,190 --> 00:24:13,950

subjective concept that I can't validate

482

00:24:19,850 --> 00:24:16,200

to anybody else they have to experience

483

00:24:22,520 --> 00:24:19,860

that and probe that and would he be one

484

00:24:26,450 --> 00:24:22,530

of multiple forces yeah yeah I

485

00:24:28,880 --> 00:24:26,460

definitely relate to the ancient

486

00:24:31,610 --> 00:24:28,890

Pantheon's that all have symbols

487

00:24:34,400 --> 00:24:31,620

represented in kind of the cosmos with

488

00:24:37,760 --> 00:24:34,410

him within our nature the the happenings

489

00:24:40,880 --> 00:24:37,770

of the world to some extent and within

490

00:24:44,450 --> 00:24:40,890

us and we connect to those energies and

491

00:24:49,280 --> 00:24:44,460

those concepts through those symbols

492

00:24:52,850 --> 00:24:49,290

which I call deific masks so and is

493

00:24:54,710 --> 00:24:52,860

Satan one of the deific mass or yes

494

00:24:56,210 --> 00:24:54,720

yes and explain you because that's

495

00:25:00,800 --> 00:24:56,220

throughout your book so explain to

496

00:25:04,430 --> 00:25:00,810

people the concept of a deific mask idea

497

00:25:06,680 --> 00:25:04,440

'fuck mask is so you know that question

498

00:25:09,350 --> 00:25:06,690

came up early on in my my writings and

499

00:25:13,370 --> 00:25:09,360

in my initiatory work was well you know

500

00:25:15,560 --> 00:25:13,380

i'm not specifically saying a god idea

501
00:25:18,770 --> 00:25:15,570
tea or anything like that as a literal

502
00:25:21,200 --> 00:25:18,780
thing but what is it within itself

503
00:25:23,660 --> 00:25:21,210
what's the essence of it so a deific

504
00:25:28,190 --> 00:25:23,670
mask represents a specific type of

505
00:25:30,470 --> 00:25:28,200
energy and and kind of power that we

506
00:25:33,590 --> 00:25:30,480
relate to you and put an image on it

507
00:25:37,490 --> 00:25:33,600
kind of a this is a this is Satan or

508
00:25:39,860 --> 00:25:37,500
this is Belial or Lilith or Hecate and

509
00:25:44,570 --> 00:25:39,870
we put those on it but they represent a

510
00:25:48,340 --> 00:25:44,580
specific type of energy that we can over

511
00:25:50,860 --> 00:25:48,350
time kind of connect you and utilize to

512
00:25:54,470 --> 00:25:50,870
enhance our like path of liberation

513
00:25:56,390 --> 00:25:54,480

illumination apotheosis so the idea that

514

00:26:00,230 --> 00:25:56,400

mask represents a specific type of

515

00:26:03,400 --> 00:26:00,240

energy and it can be a deity a demon or

516

00:26:06,560 --> 00:26:03,410

spirit and just to define a deity in

517

00:26:08,060 --> 00:26:06,570

within luciferianism is a kind of

518

00:26:10,850 --> 00:26:08,070

concept going back to the old world

519

00:26:14,000 --> 00:26:10,860

representing something having authority

520

00:26:15,930 --> 00:26:14,010

and power over an aspect of the cosmos

521

00:26:19,049 --> 00:26:15,940

so whether

522

00:26:22,200 --> 00:26:19,059

earth you know all of those things that

523

00:26:25,590 --> 00:26:22,210

that come with that and a demon is more

524

00:26:29,909 --> 00:26:25,600

or less from antiquity - from Babylonia

525

00:26:35,240 --> 00:26:29,919

onward a messenger or a rebel type force

526

00:26:39,810 --> 00:26:35,250

that can be a messenger for the gods and

527

00:26:42,570 --> 00:26:39,820

yeah so that's basically what a deific

528

00:26:46,499 --> 00:26:42,580

mask is so Luciferians are very critical

529

00:26:48,119 --> 00:26:46,509

of Christianity because they don't they

530

00:26:52,889 --> 00:26:48,129

think that following something blindly

531

00:26:57,210 --> 00:26:52,899

is is not just Christianity but any type

532

00:27:00,169 --> 00:26:57,220

of monotheistic belief that requires a

533

00:27:05,100 --> 00:27:00,179

kind of blind faith blind faith

534

00:27:06,840 --> 00:27:05,110

Christians is its fantastical some could

535

00:27:09,930 --> 00:27:06,850

I think maybe in your book or somebody

536

00:27:11,580 --> 00:27:09,940

called a psychological illness yeah I'm

537

00:27:15,360 --> 00:27:11,590

in a little-little you know especially

538

00:27:17,220 --> 00:27:15,370

my younger days a little more fiery with

539

00:27:20,340 --> 00:27:17,230

that but it's you know it's it's the

540

00:27:24,360 --> 00:27:20,350

point that these are things that raised

541

00:27:27,210 --> 00:27:24,370

red flags for me and you know the

542

00:27:30,119 --> 00:27:27,220

adversary in that sense challenges to

543

00:27:31,619 --> 00:27:30,129

find what are the facts with that what

544

00:27:33,990 --> 00:27:31,629

are you know how does that connect to

545

00:27:36,240 --> 00:27:34,000

you and do you have to believe that so

546

00:27:37,740 --> 00:27:36,250

it's not just Christianity but it's

547

00:27:40,019 --> 00:27:37,750

anything that tells you to believe in

548

00:27:42,930 --> 00:27:40,029

something blindly and hollow it without

549

00:27:44,159 --> 00:27:42,940

question okay so let's now apply that to

550

00:27:45,899 --> 00:27:44,169

luciferianism because you're

551
00:27:50,600 --> 00:27:45,909
acknowledging that you know you can't

552
00:27:54,269 --> 00:27:50,610
prove any of this there's these deep

553
00:27:59,549 --> 00:27:54,279
dafuk might penetrate mass media fake

554
00:28:02,639 --> 00:27:59,559
mass satan ancient gods etc there's zero

555
00:28:04,860 --> 00:28:02,649
proof of any of this so I was yours not

556
00:28:08,940 --> 00:28:04,870
also a blind faith well because

557
00:28:10,999 --> 00:28:08,950
luciferianism is not centered in the

558
00:28:14,129 --> 00:28:11,009
belief of all of those things

559
00:28:17,029 --> 00:28:14,139
luciferianism starts with our eleven

560
00:28:19,769 --> 00:28:17,039
points of power which is a philosophy on

561
00:28:22,440 --> 00:28:19,779
really setting in motion the liberation

562
00:28:26,170 --> 00:28:22,450
illumination apotheosis it's a triad

563
00:28:29,020 --> 00:28:26,180

that is kind of just a categorical

564

00:28:33,370 --> 00:28:29,030

it's a concept of how things move along

565

00:28:36,850 --> 00:28:33,380

in luciferianism to the individual so

566

00:28:39,040 --> 00:28:36,860

it's a there's no belief in any of these

567

00:28:41,770 --> 00:28:39,050

things and any beings or anything like

568

00:28:43,900 --> 00:28:41,780

that it starts with the philosophy which

569

00:28:46,690 --> 00:28:43,910

is to question to liberate yourself from

570

00:28:49,390 --> 00:28:46,700

restrictive beliefs to seek the

571

00:28:51,640 --> 00:28:49,400

knowledge that you require to do those

572

00:28:53,860 --> 00:28:51,650

things you wish to do in life okay but

573

00:28:55,330 --> 00:28:53,870

you refer to energies and you said that

574

00:28:58,630 --> 00:28:55,340

you're not an atheist

575

00:29:01,690 --> 00:28:58,640

so you're following you have a belief in

576

00:29:03,940 --> 00:29:01,700

these energies without any basis well

577

00:29:06,280 --> 00:29:03,950

with science with science you know if

578

00:29:09,880 --> 00:29:06,290

there's two quantum mechanics quantum

579

00:29:13,030 --> 00:29:09,890

physics where you look at specific types

580

00:29:15,250 --> 00:29:13,040

of energy and how the consciousness can

581

00:29:18,040 --> 00:29:15,260

change in direct energy that's very

582

00:29:19,780 --> 00:29:18,050

important and how our influence over

583

00:29:22,630 --> 00:29:19,790

these things can move those things like

584

00:29:24,730 --> 00:29:22,640

the double slit experiment this is

585

00:29:27,460 --> 00:29:24,740

something that I connect you because

586

00:29:28,360 --> 00:29:27,470

whatever you put your mind to things

587

00:29:31,210 --> 00:29:28,370

start to happen

588

00:29:33,520 --> 00:29:31,220

what's the double slit experiment well

589

00:29:35,440 --> 00:29:33,530

it's a it's in quantum mechanics quantum

590

00:29:38,650 --> 00:29:35,450

physics it was an experiment we're

591

00:29:41,110 --> 00:29:38,660

observing not observing and observing

592

00:29:44,800 --> 00:29:41,120

causes two different things to happen

593

00:29:47,550 --> 00:29:44,810

with the atoms and when non observing it

594

00:29:52,240 --> 00:29:47,560

the atoms would kind of go everywhere

595

00:29:54,610 --> 00:29:52,250

human observation yes yeah and when they

596

00:29:56,580 --> 00:29:54,620

did that nothing would happen but when

597

00:30:00,490 --> 00:29:56,590

they observe it then they would start

598

00:30:03,790 --> 00:30:00,500

going through the slits and that

599

00:30:05,650 --> 00:30:03,800

represents that consciousness focusing

600

00:30:10,720 --> 00:30:05,660

on something even just focusing can

601
00:30:14,350 --> 00:30:10,730
direct energy and so that tells me and

602
00:30:17,370 --> 00:30:14,360
my experiences that what I believed in

603
00:30:22,240 --> 00:30:17,380
how I invest belief will desire belief

604
00:30:25,570 --> 00:30:22,250
causes a compelling change within the

605
00:30:27,730 --> 00:30:25,580
world so it's not about having blind

606
00:30:31,780 --> 00:30:27,740
faith or just believing in this it's

607
00:30:35,140 --> 00:30:31,790
what you invest your mind into and use

608
00:30:38,710 --> 00:30:35,150
your imagination that causes change

609
00:30:41,560 --> 00:30:38,720
so the power of positive thinking to

610
00:30:43,780 --> 00:30:41,570
some extent but it's not just you know I

611
00:30:45,610 --> 00:30:43,790
want to be an astronaut and poof you're

612
00:30:49,330 --> 00:30:45,620
gonna be an astronaut you have to

613
00:30:51,940 --> 00:30:49,340

utilize and validate those steps and

614

00:30:54,310 --> 00:30:51,950

validation is key and luciferianism if

615

00:30:56,590 --> 00:30:54,320

you just take you know one of the books

616

00:30:59,200 --> 00:30:56,600

and you read it saying oh I want to

617

00:31:01,360 --> 00:30:59,210

invoke this god well that's kind of

618

00:31:05,170 --> 00:31:01,370

missing the point there's there's a

619

00:31:07,120 --> 00:31:05,180

process and these things all of the

620

00:31:09,790 --> 00:31:07,130

deities all of the magical the

621

00:31:13,210 --> 00:31:09,800

ceremonial magic aspect was something

622

00:31:15,370 --> 00:31:13,220

that I was very into early on which I I

623

00:31:18,310 --> 00:31:15,380

still am a practitioner but not

624

00:31:20,110 --> 00:31:18,320

everybody is so it was about what's the

625

00:31:22,570 --> 00:31:20,120

philosophy what are the key beliefs that

626

00:31:26,980 --> 00:31:22,580

sets us apart from any other type of

627

00:31:28,360 --> 00:31:26,990

belief and okay and and so you're

628

00:31:30,040 --> 00:31:28,370

basically saying that you believe it's

629

00:31:33,810 --> 00:31:30,050

been proven that there are energies out

630

00:31:38,620 --> 00:31:33,820

there that or not cannot be seen and

631

00:31:42,490 --> 00:31:38,630

that humans can create these energies

632

00:31:44,560 --> 00:31:42,500

right yeah and it's been - yeah when you

633

00:31:47,620 --> 00:31:44,570

measure I know they can measure

634

00:31:51,100 --> 00:31:47,630

brainwaves based on thought you know in

635

00:31:53,680 --> 00:31:51,110

a scientific setting so when we think

636

00:31:57,060 --> 00:31:53,690

about something we create an energy or

637

00:31:59,049 --> 00:31:57,070

we shape the energy to how we perceive

638

00:32:02,500 --> 00:31:59,059

perceive things in the world and that

639

00:32:04,870 --> 00:32:02,510

can be creative destructive you know

640

00:32:06,669 --> 00:32:04,880

something that can be enhanced okay how

641

00:32:08,290 --> 00:32:06,679

about the question why are you a theist

642

00:32:11,730 --> 00:32:08,300

if you don't believe in blind faith

643

00:32:14,230 --> 00:32:11,740

because certainly there's no proof

644

00:32:17,280 --> 00:32:14,240

scientific or otherwise that there is

645

00:32:21,130 --> 00:32:17,290

any God so why aren't you an atheist

646

00:32:24,549 --> 00:32:21,140

well because I think the atheism part

647

00:32:27,520 --> 00:32:24,559

and starting with any philosophy really

648

00:32:31,180 --> 00:32:27,530

should focus you on your individual self

649

00:32:34,419 --> 00:32:31,190

on those things that motivate you and

650

00:32:36,450 --> 00:32:34,429

how you are accountable and responsible

651
00:32:40,560 --> 00:32:36,460
for all of those things

652
00:32:43,260 --> 00:32:40,570
and now some Luciferians and in find

653
00:32:46,350 --> 00:32:43,270
they are fulfilled with a theistic

654
00:32:50,280 --> 00:32:46,360
belief and that there are those spirits

655
00:32:51,930 --> 00:32:50,290
those deities that guide them not

656
00:32:53,610 --> 00:32:51,940
something they worship but they guide

657
00:32:57,050 --> 00:32:53,620
them and that's something that's

658
00:33:01,320 --> 00:32:57,060
subjective that's up to the individual

659
00:33:03,960 --> 00:33:01,330
now for myself as a Luciferian I start

660
00:33:05,820 --> 00:33:03,970
with an atheistic how does this affect

661
00:33:10,080 --> 00:33:05,830
cause and effect in the rational world

662
00:33:14,550 --> 00:33:10,090
how does this have a result and then in

663
00:33:16,950 --> 00:33:14,560

my works my validation can open and does

664

00:33:19,770 --> 00:33:16,960

open a spirituality but that

665

00:33:21,870 --> 00:33:19,780

spirituality is not something that I

666

00:33:25,020 --> 00:33:21,880

describe to someone else or push on

667

00:33:26,880 --> 00:33:25,030

someone I show it in the terms of kind

668

00:33:29,580 --> 00:33:26,890

of this is the method of which it's used

669

00:33:31,890 --> 00:33:29,590

and and how you do that because I think

670

00:33:34,920 --> 00:33:31,900

when you go into things you can't prove

671

00:33:37,020 --> 00:33:34,930

physically even then you have results I

672

00:33:40,230 --> 00:33:37,030

think you go into that area of blind

673

00:33:46,410 --> 00:33:40,240

faith okay and so what do you believe

674

00:33:48,720 --> 00:33:46,420

when it comes to god or gods well I I

675

00:33:52,950 --> 00:33:48,730

don't believe that there's a cosmos

676

00:33:57,840 --> 00:33:52,960

controlled by an almighty being that

677

00:33:59,970 --> 00:33:57,850

created us and really directs what we do

678

00:34:04,190 --> 00:33:59,980

every day and has a hand in everything

679

00:34:08,190 --> 00:34:04,200

if there was I think that we would be

680

00:34:11,820 --> 00:34:08,200

ignorant or plain stupid to follow it

681

00:34:14,909 --> 00:34:11,830

because of all the bad or destructive

682

00:34:19,590 --> 00:34:14,919

things in the world I believe in these

683

00:34:24,300 --> 00:34:19,600

as more or less symbols too many to an

684

00:34:26,580 --> 00:34:24,310

extent or myths just as Gilgamesh or you

685

00:34:30,659 --> 00:34:26,590

know any of the ancient tales you know

686

00:34:34,669 --> 00:34:30,669

including the Bible I think that our

687

00:34:37,649 --> 00:34:34,679

understanding in the modern age of how

688

00:34:41,220 --> 00:34:37,659

science works to some extent or at least

689

00:34:43,320 --> 00:34:41,230

theories plays a part in how people view

690

00:34:46,740 --> 00:34:43,330

the world today but it has to start with

691

00:34:49,530 --> 00:34:46,750

the individual and not looking to a

692

00:34:50,220 --> 00:34:49,540

deity and I say that because it's it's

693

00:34:52,950 --> 00:34:50,230

our toy

694

00:34:56,580 --> 00:34:52,960

and our thoughts that affect the world

695

00:34:59,790 --> 00:34:56,590

more than anything what about an after

696

00:35:02,940 --> 00:34:59,800

life after life well I've done a lot of

697

00:35:05,070 --> 00:35:02,950

experiments with concepts like

698

00:35:07,200 --> 00:35:05,080

necromancy which is divination of the

699

00:35:09,690 --> 00:35:07,210

dead and things like that and I've had

700

00:35:13,050 --> 00:35:09,700

what I would call some paranormal

701
00:35:15,480 --> 00:35:13,060
experiences I mean ever had anything to

702
00:35:17,190 --> 00:35:15,490
sit there and talk to me or anything

703
00:35:20,130 --> 00:35:17,200
like that but I've had occurrences

704
00:35:22,140 --> 00:35:20,140
happen so you know when it comes to an

705
00:35:24,090 --> 00:35:22,150
afterlife I don't believe in a heaven or

706
00:35:27,090 --> 00:35:24,100
hell I don't believe you go to some

707
00:35:29,849 --> 00:35:27,100
other place the concept of Hell for a

708
00:35:32,550 --> 00:35:29,859
Luciferian in a magical setting it

709
00:35:36,540 --> 00:35:32,560
relates to the old anglo-saxon word Hell

710
00:35:39,030 --> 00:35:36,550
on which is a hidden place a and it's a

711
00:35:42,180 --> 00:35:39,040
hidden place referencing our our kind of

712
00:35:45,560 --> 00:35:42,190
inner subconscious so in terms of an

713
00:35:49,230 --> 00:35:45,570

afterlife I won't know until I'm dead as

714

00:35:52,320 --> 00:35:49,240

to if I know anything as to what happens

715

00:35:55,950 --> 00:35:52,330

after and there's not a Luciferian

716

00:36:00,030 --> 00:35:55,960

belief per se about that no it's open to

717

00:36:04,410 --> 00:36:00,040

the individual because really you know

718

00:36:06,660 --> 00:36:04,420

it would be kind of irresponsible to

719

00:36:10,230 --> 00:36:06,670

dictate otherwise without any kind of

720

00:36:12,180 --> 00:36:10,240

verifiable proof so going back to the

721

00:36:14,670 --> 00:36:12,190

the Bible especially perhaps the New

722

00:36:18,830 --> 00:36:14,680

Testament it's basically your belief

723

00:36:22,260 --> 00:36:18,840

that by making Satan this very negative

724

00:36:26,490 --> 00:36:22,270

figure it was the way to kind of cast

725

00:36:30,480 --> 00:36:26,500

off all other gods so that the only God

726

00:36:32,550 --> 00:36:30,490

you'll follow is the one God Yahweh and

727

00:36:35,880 --> 00:36:32,560

the authority more than anything the

728

00:36:38,760 --> 00:36:35,890

authority and the singular view was what

729

00:36:42,930 --> 00:36:38,770

they wanted and if you look at the

730

00:36:45,690 --> 00:36:42,940

traits so you Satan is the far extreme

731

00:36:48,960 --> 00:36:45,700

like you take traits of the ancient

732

00:36:51,380 --> 00:36:48,970

world which was conquer your enemy seek

733

00:36:54,930 --> 00:36:51,390

knowledge seek a good name for yourself

734

00:36:58,210 --> 00:36:54,940

all of these things they take that and

735

00:37:02,350 --> 00:36:58,220

they turn it way up until it's this

736

00:37:04,630 --> 00:37:02,360

screaming sound and that is Satan for

737

00:37:07,420 --> 00:37:04,640

the Christians but when I looked at the

738

00:37:09,640 --> 00:37:07,430

traits of what made that concept of

739

00:37:12,700 --> 00:37:09,650

Satan that figure of Satan they're not

740

00:37:16,060 --> 00:37:12,710

all bad traits and they're not all

741

00:37:19,390 --> 00:37:16,070

destructive towards people he was the

742

00:37:22,930 --> 00:37:19,400

one in you know in Genesis who came as a

743

00:37:24,640 --> 00:37:22,940

serpent and offered the wisdom eat from

744

00:37:27,220 --> 00:37:24,650

this and you'll know and you'll be as a

745

00:37:29,860 --> 00:37:27,230

god but you have a choice with that and

746

00:37:33,640 --> 00:37:29,870

you know having that consciousness you

747

00:37:35,170 --> 00:37:33,650

have to make the choice whether this is

748

00:37:37,450 --> 00:37:35,180

you know you have to make your own

749

00:37:39,910 --> 00:37:37,460

choices it's not just an all great thing

750

00:37:41,410 --> 00:37:39,920

it's like anything in life don't you

751

00:37:43,840 --> 00:37:41,420

think it would be a lot easier for you

752

00:37:47,290 --> 00:37:43,850

guys to get followers if you chose a

753

00:37:52,230 --> 00:37:47,300

different name or different God than

754

00:37:54,730 --> 00:37:52,240

then Satan or Lucifer I we don't want

755

00:37:59,080 --> 00:37:54,740

followers that's the first thing we do

756

00:38:00,910 --> 00:37:59,090

not want followers and we don't request

757

00:38:01,420 --> 00:38:00,920

followers if you look at any of our

758

00:38:03,640 --> 00:38:01,430

works

759

00:38:07,020 --> 00:38:03,650

we're not trying and one thing I'm

760

00:38:11,110 --> 00:38:07,030

specifically very focused on we do not

761

00:38:14,290 --> 00:38:11,120

convert people that are Lucifer II and

762

00:38:16,750 --> 00:38:14,300

inherently understand and kind of

763

00:38:19,690 --> 00:38:16,760

connect to it it's not something that is

764

00:38:23,410 --> 00:38:19,700

for everyone it's not for the masses so

765

00:38:25,240 --> 00:38:23,420

in that sense we're not looking for any

766

00:38:28,120 --> 00:38:25,250

type of just followers tell me what to

767

00:38:30,700 --> 00:38:28,130

do we want you know if someone finds it

768

00:38:32,910 --> 00:38:30,710

and it connects with them and they apply

769

00:38:35,350 --> 00:38:32,920

it to their however they are in life

770

00:38:38,620 --> 00:38:35,360

perfect you're not you're not looking to

771

00:38:41,790 --> 00:38:38,630

spread the word no no let me ask him

772

00:38:43,780 --> 00:38:41,800

because you know Christians generally

773

00:38:45,820 --> 00:38:43,790

obviously do look to spread the word

774

00:38:47,290 --> 00:38:45,830

yeah and I think they think that the

775

00:38:49,450 --> 00:38:47,300

world would be a better place if

776

00:38:50,830 --> 00:38:49,460

everyone was Christian and lived the

777

00:38:53,350 --> 00:38:50,840

Christian lifestyle I think that is

778

00:38:55,270 --> 00:38:53,360

their belief busy is it your I know

779

00:38:57,910 --> 00:38:55,280

you're not looking to spread it but

780

00:39:01,480 --> 00:38:57,920

would it be a better world if everyone

781

00:39:03,610 --> 00:39:01,490

was Luciferian I don't think it would I

782

00:39:08,439 --> 00:39:03,620

don't think everybody could be suffering

783

00:39:11,269 --> 00:39:08,449

because in here's why there's a certain

784

00:39:14,299 --> 00:39:11,279

validation that you have to attain and a

785

00:39:16,849 --> 00:39:14,309

kind of inner spirituality over time and

786

00:39:18,319 --> 00:39:16,859

that's confidence in yourself and what

787

00:39:21,019 --> 00:39:18,329

you can do that doesn't mean that you

788

00:39:23,509 --> 00:39:21,029

have this ego or you think you're better

789

00:39:25,609 --> 00:39:23,519

than anyone it represents that you're in

790

00:39:29,029 --> 00:39:25,619

control of your life and that you're

791

00:39:32,959 --> 00:39:29,039

you're okay and you can go forward a lot

792

00:39:35,930 --> 00:39:32,969

of Christians have a kind of they have a

793

00:39:37,430 --> 00:39:35,940

need to feel that concept of

794

00:39:39,709 --> 00:39:37,440

spirituality that there's something

795

00:39:42,739 --> 00:39:39,719

waiting for them something that empowers

796

00:39:46,099 --> 00:39:42,749

them and helps them okay so in that

797

00:39:49,880 --> 00:39:46,109

sense not many could be that would the

798

00:39:53,209 --> 00:39:49,890

world be better with more Luciferians I

799

00:39:57,229 --> 00:39:53,219

think so and I think so in the sense of

800

00:40:00,469 --> 00:39:57,239

this in that your thoughts create your

801
00:40:03,920 --> 00:40:00,479
tomorrow your thoughts will be either

802
00:40:07,519 --> 00:40:03,930
enhance or diminish you but also your

803
00:40:10,759 --> 00:40:07,529
words and your actions in in that world

804
00:40:12,709 --> 00:40:10,769
in this world affects everything else

805
00:40:15,259 --> 00:40:12,719
and those around you so if you have a

806
00:40:19,959 --> 00:40:15,269
knowledge of that and a kind of balance

807
00:40:22,699 --> 00:40:19,969
and the other key is selfishness

808
00:40:24,769 --> 00:40:22,709
everybody is selfish even if you're a

809
00:40:28,189 --> 00:40:24,779
charity worker because you get a reward

810
00:40:29,479 --> 00:40:28,199
for that in your mind of doing good you

811
00:40:31,999 --> 00:40:29,489
want to do good if you want to help

812
00:40:34,759 --> 00:40:32,009
people that's a reward within the mind

813
00:40:39,199 --> 00:40:34,769

so that's an understanding everybody has

814

00:40:42,410 --> 00:40:39,209

selfishness that's a key thing you have

815

00:40:45,499 --> 00:40:42,420

to be responsible for your future you're

816

00:40:48,319 --> 00:40:45,509

responsible for your world so knowing

817

00:40:50,719 --> 00:40:48,329

that you're selfish you can then gladly

818

00:40:53,900 --> 00:40:50,729

help others and just as long as you

819

00:40:57,890 --> 00:40:53,910

don't lie to yourself and say I'm total

820

00:41:03,380 --> 00:40:57,900

you know I'm selfless everybody has that

821

00:41:04,969 --> 00:41:03,390

so understand that and then use it to do

822

00:41:08,120 --> 00:41:04,979

well in the world whatever that is for

823

00:41:10,609 --> 00:41:08,130

the individual how did the what did the

824

00:41:11,839 --> 00:41:10,619

Luciferian say about the golden rule do

825

00:41:14,719 --> 00:41:11,849

unto others as you would have them do

826

00:41:18,620 --> 00:41:14,729

unto you well the golden rule is a kind

827

00:41:21,520 --> 00:41:18,630

of elevated form from the old Hammurabi

828

00:41:24,130 --> 00:41:21,530

of Babylonia

829

00:41:26,530 --> 00:41:24,140

Babylonian Kingdom and the Golden Rule

830

00:41:28,200 --> 00:41:26,540

dirt that's fine that's apps I'm een you

831

00:41:32,710 --> 00:41:28,210

know that's a basic common-sense thing

832

00:41:35,710 --> 00:41:32,720

one doesn't need religion to utilize

833

00:41:37,090 --> 00:41:35,720

that one to end you know well but you

834

00:41:39,550 --> 00:41:37,100

you guys talking throughout your book

835

00:41:42,040 --> 00:41:39,560

you talk about tossing out Christian

836

00:41:43,840 --> 00:41:42,050

morals and I think for your average

837

00:41:45,000 --> 00:41:43,850

person walking down the street when you

838

00:41:46,990 --> 00:41:45,010

ask them about Christian morals

839

00:41:49,840 --> 00:41:47,000

summarize Christian morals to me they

840

00:41:51,190 --> 00:41:49,850

would say the Golden Rule mm-hmm but you

841

00:41:52,990 --> 00:41:51,200

believe in the golden rule so when we

842

00:41:55,750 --> 00:41:53,000

talk about getting rid of Christian

843

00:42:00,030 --> 00:41:55,760

morals what what Christian morals well

844

00:42:03,820 --> 00:42:00,040

how many Christians follow a moral code

845

00:42:05,980 --> 00:42:03,830

when it matters and I say that in all of

846

00:42:07,990 --> 00:42:05,990

the things that occur in the world not

847

00:42:12,100 --> 00:42:08,000

just in Christianity but in people that

848

00:42:13,750 --> 00:42:12,110

believe in a deity you have violent

849

00:42:16,120 --> 00:42:13,760

activities you have the Catholic Church

850

00:42:19,510 --> 00:42:16,130

and their scandal with the boys for so

851

00:42:22,690 --> 00:42:19,520

many years all of these things that if

852

00:42:27,220 --> 00:42:22,700

people would think that hey this is on

853

00:42:29,790 --> 00:42:27,230

me I'm accountable before I act if you

854

00:42:32,530 --> 00:42:29,800

have that realm of deity within yourself

855

00:42:35,380 --> 00:42:32,540

then you can you would probably do less

856

00:42:37,930 --> 00:42:35,390

bad things you can't ask for forgiveness

857

00:42:40,300 --> 00:42:37,940

and you suffer an ism so you have to try

858

00:42:44,700 --> 00:42:40,310

to do the right thing for yourself and

859

00:42:46,810 --> 00:42:44,710

what's what you understand morals within

860

00:42:51,130 --> 00:42:46,820

Christianity they say thou shalt not

861

00:42:53,820 --> 00:42:51,140

kill but the Crusades I'm not even going

862

00:42:58,120 --> 00:42:53,830

to go into you know like the wars that

863

00:43:00,250 --> 00:42:58,130

have been fought in the name of God you

864

00:43:04,900 --> 00:43:00,260

know just all of these things a lot of

865

00:43:08,260 --> 00:43:04,910

them are rules that are not appropriate

866

00:43:10,150 --> 00:43:08,270

for our state in humanity it's not very

867

00:43:12,510 --> 00:43:10,160

sure there's been a lots of bad conduct

868

00:43:14,950 --> 00:43:12,520

by the church people in the church

869

00:43:17,340 --> 00:43:14,960

followers of the church no doubt about

870

00:43:21,490 --> 00:43:17,350

it but in in the book you talk about

871

00:43:23,380 --> 00:43:21,500

getting rid of Christian morals I'm not

872

00:43:26,170 --> 00:43:23,390

the behavior but the morals themselves

873

00:43:30,600 --> 00:43:26,180

so what are the morals that you want to

874

00:43:33,920 --> 00:43:30,610

toss out the belief that you are

875

00:43:36,049 --> 00:43:33,930

subjective and you have to be good

876

00:43:38,599 --> 00:43:36,059

in every way in the sense that you're

877

00:43:41,210 --> 00:43:38,609

following a deity and that you're

878

00:43:43,280 --> 00:43:41,220

preaching a word and that you would help

879

00:43:45,410 --> 00:43:43,290

anybody for anything

880

00:43:47,839 --> 00:43:45,420

and but these aren't things that anybody

881

00:43:51,890 --> 00:43:47,849

does so what I'm saying is you have to

882

00:43:55,520 --> 00:43:51,900

look at morals and throw them out and

883

00:43:58,940 --> 00:43:55,530

reinvest what's important to you and

884

00:44:03,170 --> 00:43:58,950

what you've feel instinctually important

885

00:44:04,819 --> 00:44:03,180

and imperative so you know for me many

886

00:44:07,460 --> 00:44:04,829

of them they could be they could be

887

00:44:09,829 --> 00:44:07,470

similar they could be very close to

888

00:44:13,549 --> 00:44:09,839

pending on the individual but it's up to

889

00:44:17,170 --> 00:44:13,559

the individual to discern that and so a

890

00:44:20,480 --> 00:44:17,180

lot of the books are about deprogramming

891

00:44:23,540 --> 00:44:20,490

liberating questioning and being

892

00:44:25,700 --> 00:44:23,550

accountable for those so when you're

893

00:44:28,549 --> 00:44:25,710

when you're going through the process of

894

00:44:32,480 --> 00:44:28,559

initiation of liberation you're going to

895

00:44:33,829 --> 00:44:32,490

look at everything and whatever you

896

00:44:35,569 --> 00:44:33,839

choose to believe in your moral

897

00:44:38,030 --> 00:44:35,579

foundation that's already going to kind

898

00:44:41,059 --> 00:44:38,040

of be there but you're going to enhance

899

00:44:43,849 --> 00:44:41,069

it and make it more important just by

900

00:44:46,150 --> 00:44:43,859

questioning all those things how about

901
00:44:52,640 --> 00:44:46,160
Jesus saying turn the other cheek never

902
00:44:55,849 --> 00:44:52,650
never it's not something that I think it

903
00:44:58,670 --> 00:44:55,859
weakens and diminishes now if it's

904
00:45:01,640 --> 00:44:58,680
within a family it should be strategic

905
00:45:03,680 --> 00:45:01,650
first of all and if it's within a family

906
00:45:08,000 --> 00:45:03,690
setting sure that's up to the individual

907
00:45:10,069 --> 00:45:08,010
but if somebody attacks you then you

908
00:45:12,440 --> 00:45:10,079
can't let that go unanswered

909
00:45:17,150 --> 00:45:12,450
you have to match that and defend

910
00:45:19,849 --> 00:45:17,160
yourself and whoever more or less

911
00:45:23,000 --> 00:45:19,859
conquers well that's the kind of right

912
00:45:25,670 --> 00:45:23,010
of the world but you do need to have a

913
00:45:28,089 --> 00:45:25,680

cause and effect in there and not just

914

00:45:31,130 --> 00:45:28,099

in a I'm going to put you in jail but if

915

00:45:33,289 --> 00:45:31,140

country attacks another country then

916

00:45:36,410 --> 00:45:33,299

they have to defend themselves what

917

00:45:39,230 --> 00:45:36,420

about the attack itself is that is it

918

00:45:41,900 --> 00:45:39,240

defensible to go invade another country

919

00:45:43,670 --> 00:45:41,910

for the purpose of taking it over it's

920

00:45:45,170 --> 00:45:43,680

been that way since the beginning

921

00:45:47,749 --> 00:45:45,180

beginning of time is it

922

00:45:51,499 --> 00:45:47,759

is it correct

923

00:45:56,539 --> 00:45:51,509

I think if people would limit the desire

924

00:46:01,249 --> 00:45:56,549

to for money for oil for whatever it is

925

00:46:03,339 --> 00:46:01,259

to limit that then that's okay but for

926

00:46:06,710 --> 00:46:03,349

someone to attack it's all subjective

927

00:46:09,950 --> 00:46:06,720

you know you can have somebody or the

928

00:46:13,220 --> 00:46:09,960

the kind of narrative that this is for

929

00:46:14,779 --> 00:46:13,230

this reason or for that reason and it

930

00:46:16,339 --> 00:46:14,789

might have some truth in that but

931

00:46:19,309 --> 00:46:16,349

there's also so many of the things that

932

00:46:23,089 --> 00:46:19,319

are affected by that but it's a reality

933

00:46:25,099 --> 00:46:23,099

that we live in and you know you have to

934

00:46:27,079 --> 00:46:25,109

kind of accept and understand that those

935

00:46:30,170 --> 00:46:27,089

things are going to happen and what kind

936

00:46:32,210 --> 00:46:30,180

of government does a Luciferian want it

937

00:46:34,700 --> 00:46:32,220

would be you know it wouldn't be within

938

00:46:36,109 --> 00:46:34,710

the realm of Republican and Democrat it

939

00:46:38,720 --> 00:46:36,119

would have to be somewhere in the middle

940

00:46:42,829 --> 00:46:38,730

and I think that's probably the greatest

941

00:46:45,230 --> 00:46:42,839

thing that harms at least our country is

942

00:46:47,239 --> 00:46:45,240

we need to have more coming together in

943

00:46:51,099 --> 00:46:47,249

the sense that people need to question

944

00:46:54,170 --> 00:46:51,109

things and really do what's right for

945

00:46:56,120 --> 00:46:54,180

the country and so there's there's blind

946

00:46:58,039 --> 00:46:56,130

faith of the Democrat Party there's

947

00:46:59,539 --> 00:46:58,049

blind faith of the Republican Party in

948

00:47:02,390 --> 00:46:59,549

the same way there's blind faith of

949

00:47:06,589 --> 00:47:02,400

various religions absolutely any kind of

950

00:47:08,569 --> 00:47:06,599

group once you have masses together you

951
00:47:11,239 --> 00:47:08,579
get that where people stop questioning

952
00:47:13,430 --> 00:47:11,249
they want to feel good and feeling as a

953
00:47:15,920 --> 00:47:13,440
part of something so they join these

954
00:47:17,239 --> 00:47:15,930
narratives and throw passion into them

955
00:47:19,130 --> 00:47:17,249
and get a voice for themselves the

956
00:47:20,930 --> 00:47:19,140
people that start these narratives yet

957
00:47:23,779 --> 00:47:20,940
more power or whatever they're after

958
00:47:26,059 --> 00:47:23,789
whatever the gratification is until you

959
00:47:27,859 --> 00:47:26,069
have your kind of forgetting the

960
00:47:31,279 --> 00:47:27,869
perspective of what you're trying to do

961
00:47:33,259 --> 00:47:31,289
what your your goal is so yeah you you

962
00:47:35,870 --> 00:47:33,269
have to think for yourself you have to

963
00:47:37,880 --> 00:47:35,880

be an individual question things and not

964

00:47:40,099 --> 00:47:37,890

just go along with something because

965

00:47:43,039 --> 00:47:40,109

you're pressured into it you have to

966

00:47:45,549 --> 00:47:43,049

resist that one of the first things I

967

00:47:48,410 --> 00:47:45,559

read in your book because it's

968

00:47:50,390 --> 00:47:48,420

essentially page one or two but it

969

00:47:53,950 --> 00:47:50,400

resonated with me I want you to kind of

970

00:47:58,009 --> 00:47:53,960

flush it out says the the first is that

971

00:48:00,490 --> 00:47:58,019

all living conscious beings evolved

972

00:48:03,640 --> 00:48:00,500

through their predatory in survive

973

00:48:05,380 --> 00:48:03,650

instinct this exists in the darkness our

974

00:48:07,870 --> 00:48:05,390

lusts and desires develop in the

975

00:48:11,800 --> 00:48:07,880

subconscious which acts as a fuel for

976

00:48:15,100 --> 00:48:11,810

our conscious mind yes and what that

977

00:48:17,110 --> 00:48:15,110

what that means essentially is that we

978

00:48:20,430 --> 00:48:17,120

are born in a certain way and we have a

979

00:48:24,190 --> 00:48:20,440

lot of like desires and motivations that

980

00:48:26,830 --> 00:48:24,200

sometimes we aren't aware of until much

981

00:48:29,680 --> 00:48:26,840

later and that if you can control that

982

00:48:32,140 --> 00:48:29,690

control anger and full you know the lust

983

00:48:34,750 --> 00:48:32,150

you have and direct it in a positive way

984

00:48:37,900 --> 00:48:34,760

that doesn't harm others and get you in

985

00:48:40,960 --> 00:48:37,910

trouble then that's a good thing that

986

00:48:45,340 --> 00:48:40,970

can fuel whatever you do next in life

987

00:48:48,190 --> 00:48:45,350

and you know you can't ignore those

988

00:48:51,430 --> 00:48:48,200

things within you and if you ignore them

989

00:48:53,500 --> 00:48:51,440

it comes out in ways that are terrible

990

00:48:55,120 --> 00:48:53,510

you see it in and I'm not just saying

991

00:48:56,800 --> 00:48:55,130

this about the Catholic religion it's

992

00:48:59,800 --> 00:48:56,810

that so many others but you have

993

00:49:04,300 --> 00:48:59,810

religions where priests or the officials

994

00:49:07,360 --> 00:49:04,310

do really bad things bad in in the sense

995

00:49:10,810 --> 00:49:07,370

that it harms the innocent individual

996

00:49:13,180 --> 00:49:10,820

that's relying upon them and and then in

997

00:49:16,240 --> 00:49:13,190

doing that that destroys them or shapes

998

00:49:19,330 --> 00:49:16,250

them for the rest of their life so it's

999

00:49:23,680 --> 00:49:19,340

it's really about directing those things

1000

00:49:25,960 --> 00:49:23,690

and what restriction I mean probably the

1001

00:49:28,120 --> 00:49:25,970

strongest instinct in man is survival

1002

00:49:31,720 --> 00:49:28,130

yes otherwise we wouldn't have survived

1003

00:49:33,730 --> 00:49:31,730

explained by evolution but and I think

1004

00:49:36,340 --> 00:49:33,740

this is the point that you're making is

1005

00:49:40,090 --> 00:49:36,350

that if you solely look out for yourself

1006

00:49:44,110 --> 00:49:40,100

if it was only self survival ultimately

1007

00:49:48,520 --> 00:49:44,120

the species would become extinct because

1008

00:49:51,190 --> 00:49:48,530

ultimately in order to evolve and to

1009

00:49:54,070 --> 00:49:51,200

flourish and survive as a species you

1010

00:49:55,480 --> 00:49:54,080

need to learn to work together to look

1011

00:49:57,870 --> 00:49:55,490

out for each other that essentially I

1012

00:50:01,810 --> 00:49:57,880

think the golden rule emanates from

1013

00:50:03,460 --> 00:50:01,820

evolution because man realizes wait a

1014

00:50:05,920 --> 00:50:03,470

minute this isn't working out so well me

1015

00:50:07,420 --> 00:50:05,930

just looking out for myself we need to

1016

00:50:11,590 --> 00:50:07,430

kind of look out for each other and when

1017

00:50:14,220 --> 00:50:11,600

we do that the this the some is larger

1018

00:50:17,350 --> 00:50:14,230

than then its parts if I said

1019

00:50:20,560 --> 00:50:17,360

with luciferianism you have you're

1020

00:50:23,320 --> 00:50:20,570

selfish you know you have but you look

1021

00:50:25,510 --> 00:50:23,330

at well what benefits everybody and how

1022

00:50:28,990 --> 00:50:25,520

does this go halfway like with friends

1023

00:50:31,630 --> 00:50:29,000

family or your realm of control and it's

1024

00:50:34,480 --> 00:50:31,640

about well how can we all get a benefit

1025

00:50:36,940 --> 00:50:34,490

from this thing and when you can do that

1026

00:50:39,160 --> 00:50:36,950

that makes things better it starts with

1027

00:50:40,690 --> 00:50:39,170

the individual now when it gets bad is

1028

00:50:45,130 --> 00:50:40,700

when you start getting the people saying

1029

00:50:46,720 --> 00:50:45,140

hey I can make more and do more than

1030

00:50:49,870 --> 00:50:46,730

these other people just by doing this

1031

00:50:53,110 --> 00:50:49,880

and it becomes a selfishness that kind

1032

00:50:58,570 --> 00:50:53,120

of perverts and corrupts the original

1033

00:51:01,600 --> 00:50:58,580

idea so it based on what desire is in

1034

00:51:04,930 --> 00:51:01,610

the person and how that can benefit

1035

00:51:07,810 --> 00:51:04,940

everybody so when you hear people say

1036

00:51:10,090 --> 00:51:07,820

that Epstein was a Luciferian what's

1037

00:51:14,740 --> 00:51:10,100

your response to them absolutely not and

1038

00:51:16,680 --> 00:51:14,750

and let me just say it like this so one

1039

00:51:19,720 --> 00:51:16,690

of the things with luciferianism is

1040

00:51:25,570 --> 00:51:19,730

everything you do has a consequence so

1041

00:51:28,900 --> 00:51:25,580

if you have a lustful desire and you

1042

00:51:31,570 --> 00:51:28,910

take that out on somebody who is more or

1043

00:51:34,980 --> 00:51:31,580

less innocent and I'm saying kid why's a

1044

00:51:37,600 --> 00:51:34,990

child and you do these things knowing

1045

00:51:39,430 --> 00:51:37,610

what it does to them because maybe he

1046

00:51:43,510 --> 00:51:39,440

had it done to him who knows I don't

1047

00:51:47,380 --> 00:51:43,520

know but when you do that you're causing

1048

00:51:49,510 --> 00:51:47,390

decay and destruction within people for

1049

00:51:53,230 --> 00:51:49,520

literally no reason other than for your

1050

00:51:55,720 --> 00:51:53,240

own base needs so I would say that

1051
00:51:58,540 --> 00:51:55,730
anybody who does that that that's that's

1052
00:52:01,180 --> 00:51:58,550
a criminal and I don't think it goes to

1053
00:52:03,400 --> 00:52:01,190
a religion I think it goes to just the

1054
00:52:05,410 --> 00:52:03,410
social contract and it's not about

1055
00:52:06,760 --> 00:52:05,420
someone being within a month of being of

1056
00:52:11,320 --> 00:52:06,770
age or anything like that there's a

1057
00:52:13,930 --> 00:52:11,330
whole window of how that can you know

1058
00:52:16,990 --> 00:52:13,940
affect people so no he's a he's not a

1059
00:52:19,690 --> 00:52:17,000
Luciferian he's somebody who had a

1060
00:52:23,430 --> 00:52:19,700
problem and managed to make a lot of

1061
00:52:26,730 --> 00:52:23,440
money and he went on those impulses and

1062
00:52:28,560 --> 00:52:26,740
so there's nothing in Luciferian

1063
00:52:30,810 --> 00:52:28,570

that involves rituals involving children

1064

00:52:34,020 --> 00:52:30,820

absolutely not

1065

00:52:37,530 --> 00:52:34,030

there's no children rituals there's no

1066

00:52:40,200 --> 00:52:37,540

animal you know we don't harm anything

1067

00:52:42,600 --> 00:52:40,210

the old magical if you go back to the

1068

00:52:46,470 --> 00:52:42,610

Bible Old Testament they would do burnt

1069

00:52:48,810 --> 00:52:46,480

offerings even for a Christian God where

1070

00:52:51,420 --> 00:52:48,820

they would kill things and and because

1071

00:52:53,310 --> 00:52:51,430

they felt that would feed the gods well

1072

00:52:55,350 --> 00:52:53,320

that's not the way that's not how we see

1073

00:52:57,840 --> 00:52:55,360

things today it's all symbolic and we

1074

00:52:59,670 --> 00:52:57,850

used in sense we use lebay shion's

1075

00:53:03,660 --> 00:52:59,680

and children are not involved in

1076

00:53:06,900 --> 00:53:03,670

luciferianism at all they're not allowed

1077

00:53:09,300 --> 00:53:06,910

to approach us or do this within a

1078

00:53:13,140 --> 00:53:09,310

family sense and you know unless they're

1079

00:53:15,750 --> 00:53:13,150

18 now if somebody has parents who are

1080

00:53:19,280 --> 00:53:15,760

Lucifer ting they can teach them this

1081

00:53:22,620 --> 00:53:19,290

but there's nothing bad at all or

1082

00:53:28,170 --> 00:53:22,630

anything like that within the works so

1083

00:53:32,790 --> 00:53:28,180

you meet as any religious group does

1084

00:53:37,380 --> 00:53:32,800

once a week and perform rituals no so

1085

00:53:39,920 --> 00:53:37,390

when we had a physical building for a

1086

00:53:42,630 --> 00:53:39,930

year until it was closed because the

1087

00:53:47,220 --> 00:53:42,640

landlord was getting death threats from

1088

00:53:49,200 --> 00:53:47,230

the group associated with Fatima in in

1089

00:53:51,660 --> 00:53:49,210

spring

1090

00:53:53,910 --> 00:53:51,670

she didn't renew our lease but when we

1091

00:53:56,390 --> 00:53:53,920

were open well all we did was people

1092

00:53:58,859 --> 00:53:56,400

would come in and we would discuss

1093

00:54:01,020 --> 00:53:58,869

concert Opik surround Luciferian

1094

00:54:04,440 --> 00:54:01,030

philosophy or some of the magical things

1095

00:54:06,630 --> 00:54:04,450

the only type of ceremony that you would

1096

00:54:08,340 --> 00:54:06,640

see any type of ritual would have been

1097

00:54:11,250 --> 00:54:08,350

the self illumination right which is

1098

00:54:14,970 --> 00:54:11,260

merely it's published in apotheosis it's

1099

00:54:17,250 --> 00:54:14,980

nearly a work to self identify as

1100

00:54:21,330 --> 00:54:17,260

Lucifer in and to confirm it and to

1101
00:54:24,780 --> 00:54:21,340
affirm your that you recognize yourself

1102
00:54:28,109 --> 00:54:24,790
towards this path and that's it sorry

1103
00:54:30,690 --> 00:54:28,119
what is Fatima Fatima was a is a

1104
00:54:35,880 --> 00:54:30,700
Catholic kind of extreme Catholic oh

1105
00:54:40,310 --> 00:54:35,890
shoot that relates to some girls that

1106
00:54:42,650 --> 00:54:40,320
saw a saint or Jesus or the Virgin Mary

1107
00:54:44,660 --> 00:54:42,660
and I think it's either Mexico or Brazil

1108
00:54:47,960 --> 00:54:44,670
a long time ago but they have a group

1109
00:54:51,860 --> 00:54:47,970
that's you know and they were probably

1110
00:54:54,470 --> 00:54:51,870
the ones who attacked us the most when

1111
00:54:56,780 --> 00:54:54,480
we were open that way so I presume then

1112
00:54:57,950 --> 00:54:56,790
you know some of these rules that come

1113
00:54:59,660 --> 00:54:57,960

out of the Bible

1114

00:55:03,350 --> 00:54:59,670

at least the Christians take out of the

1115

00:55:07,640 --> 00:55:03,360

Bible no homo sexuality no premarital

1116

00:55:10,880 --> 00:55:07,650

sex some even will say no masturbation I

1117

00:55:13,370 --> 00:55:10,890

guess all those things you totally

1118

00:55:19,250 --> 00:55:13,380

disagree with yeah yeah I think it's a

1119

00:55:22,100 --> 00:55:19,260

natural part of the human condition you

1120

00:55:25,070 --> 00:55:22,110

know as far as homosexuality why should

1121

00:55:27,020 --> 00:55:25,080

anybody care what somebody else does

1122

00:55:29,870 --> 00:55:27,030

with another consenting individual an

1123

00:55:34,760 --> 00:55:29,880

adult why should that even be a thought

1124

00:55:36,890 --> 00:55:34,770

and if you are religious and you say hey

1125

00:55:39,320 --> 00:55:36,900

this is against my my god well that's

1126
00:55:42,200 --> 00:55:39,330
between them and your God if that's what

1127
00:55:45,080 --> 00:55:42,210
you believe that's not your job to tell

1128
00:55:47,000 --> 00:55:45,090
them what to do or to try to limit them

1129
00:55:50,590 --> 00:55:47,010
as people because they have different

1130
00:55:52,520 --> 00:55:50,600
views and you know sex before marriage

1131
00:55:54,290 --> 00:55:52,530
what's wrong with that between

1132
00:55:56,090 --> 00:55:54,300
consenting individuals how do you know

1133
00:55:59,270 --> 00:55:56,100
that your agent compatible for the

1134
00:56:03,830 --> 00:55:59,280
person so yeah I think that it falls on

1135
00:56:06,890 --> 00:56:03,840
our personal responsibility and what we

1136
00:56:10,340 --> 00:56:06,900
have to do what about abortion its

1137
00:56:10,850 --> 00:56:10,350
choice it's its choice with a woman it's

1138
00:56:13,370 --> 00:56:10,860

her body

1139

00:56:16,120 --> 00:56:13,380

it's her decision there's circumstances

1140

00:56:19,460 --> 00:56:16,130

that the mitigating circumstances that

1141

00:56:23,560 --> 00:56:19,470

inspire that decision or the decision

1142

00:56:27,220 --> 00:56:23,570

not to it's not a religion or a state's

1143

00:56:29,630 --> 00:56:27,230

Authority shouldn't be to tell them no

1144

00:56:32,750 --> 00:56:29,640

well not good to go too far down that

1145

00:56:35,480 --> 00:56:32,760

rat hole but I mean are you talking

1146

00:56:38,990 --> 00:56:35,490

about even up to the ninth month well no

1147

00:56:41,330 --> 00:56:39,000

no no it has to be within a you know a

1148

00:56:44,900 --> 00:56:41,340

what a doctor views or what the

1149

00:56:47,960 --> 00:56:44,910

consensus is for what's safe and what's

1150

00:56:49,520 --> 00:56:47,970

why not a barbaric act there's you know

1151
00:56:52,490 --> 00:56:49,530
you have to go within that window and it

1152
00:56:54,170 --> 00:56:52,500
has to be rational so at one point I

1153
00:56:56,930 --> 00:56:54,180
just pulled out a few quotes from your

1154
00:56:57,950 --> 00:56:56,940
your book you talk about I forget what

1155
00:57:00,050 --> 00:56:57,960
it was you're talking about but you talk

1156
00:57:01,070 --> 00:57:00,060
about opening up the gates to the depths

1157
00:57:06,020 --> 00:57:01,080
of hell

1158
00:57:08,450 --> 00:57:06,030
so Luciferians do believe in a hell well

1159
00:57:10,610 --> 00:57:08,460
I said earlier the subconscious relating

1160
00:57:13,910 --> 00:57:10,620
the word Hell on meaning a hidden place

1161
00:57:18,160 --> 00:57:13,920
this psychodrama is calling forth the

1162
00:57:20,690 --> 00:57:18,170
darkness is about using yourself to

1163
00:57:23,990 --> 00:57:20,700

recognize those energies those symbols

1164

00:57:27,050 --> 00:57:24,000

and to utilizing them as a kind of fuel

1165

00:57:30,650 --> 00:57:27,060

or what you do there is balance there

1166

00:57:33,530 --> 00:57:30,660

because no nobody is all good or all bad

1167

00:57:36,980 --> 00:57:33,540

and we don't consider the concept of

1168

00:57:39,950 --> 00:57:36,990

Hell or darkness bad it's it kind of

1169

00:57:42,170 --> 00:57:39,960

fuels us it provides rest and if you

1170

00:57:45,140 --> 00:57:42,180

look back the symbol of darkness and

1171

00:57:48,500 --> 00:57:45,150

catholic realms and in like Mesopotamia

1172

00:57:50,470 --> 00:57:48,510

the darkness and the serpent and things

1173

00:57:54,440 --> 00:57:50,480

like that represent fertility and

1174

00:57:56,510 --> 00:57:54,450

renewal and healing as a matter of fact

1175

00:58:00,830 --> 00:57:56,520

if you look at the Casillas in the

1176
00:58:02,660 --> 00:58:00,840
medical symbol another part of the book

1177
00:58:06,140 --> 00:58:02,670
you talk about that we will not seek the

1178
00:58:10,160 --> 00:58:06,150
advice of others what is that referring

1179
00:58:13,910 --> 00:58:10,170
to well that goes into if you if you

1180
00:58:19,430 --> 00:58:13,920
ever see how groups kind of coagulate

1181
00:58:21,920 --> 00:58:19,440
and mix if you can't make decisions by

1182
00:58:26,270 --> 00:58:21,930
your individual mind if you can't make

1183
00:58:29,810 --> 00:58:26,280
decisions by yourself then that can lead

1184
00:58:32,990 --> 00:58:29,820
you to being controlled manipulated and

1185
00:58:35,780 --> 00:58:33,000
thrown into just a groupthink without

1186
00:58:38,240 --> 00:58:35,790
any sense of responsibility or

1187
00:58:40,430 --> 00:58:38,250
accountability so you have to rely on

1188
00:58:42,200 --> 00:58:40,440

your instincts and that's a part of

1189

00:58:44,810 --> 00:58:42,210

Luciferian philosophy and that's why I

1190

00:58:47,900 --> 00:58:44,820

wrote that is because you have to strip

1191

00:58:48,080 --> 00:58:47,910

away well what should i do what should I

1192

00:58:50,390 --> 00:58:48,090

do

1193

00:58:52,550 --> 00:58:50,400

well you know as a Luciferian you should

1194

00:58:55,250 --> 00:58:52,560

have an instinct as to what you should

1195

00:58:59,090 --> 00:58:55,260

do the best decision talking to someone

1196

00:59:01,610 --> 00:58:59,100

about it is not a problem as long as you

1197

00:59:03,380 --> 00:59:01,620

don't just see continual reassurance

1198

00:59:04,849 --> 00:59:03,390

with that you have to be confident

1199

00:59:07,880 --> 00:59:04,859

within yourself

1200

00:59:10,609 --> 00:59:07,890

so don't seek the advice of others is

1201
00:59:12,319 --> 00:59:10,619
probably stating it too broadly it's

1202
00:59:14,059 --> 00:59:12,329
okay to take advice but not to be

1203
00:59:18,170 --> 00:59:14,069
relying on others to be making decisions

1204
00:59:21,049 --> 00:59:18,180
for you yeah you know and and you have

1205
00:59:23,299 --> 00:59:21,059
to find your own truth within what

1206
00:59:25,880 --> 00:59:23,309
you're seeking and you know because it

1207
00:59:28,910 --> 00:59:25,890
comes to what you believe can make you

1208
00:59:31,489 --> 00:59:28,920
accomplish or not accomplish a lot of

1209
00:59:37,880 --> 00:59:31,499
things in your life or for whatever

1210
00:59:42,739 --> 00:59:37,890
cause you're focusing on sorry let me

1211
00:59:44,900 --> 00:59:42,749
find one other quote here oh this goes

1212
00:59:46,699 --> 00:59:44,910
back to following villain bryan lee any

1213
00:59:48,799 --> 00:59:46,709

religion fall blindly lit with little

1214

00:59:54,160 --> 00:59:48,809

reason or logic applied is the bane of

1215

00:59:58,609 --> 00:59:54,170

evolution mm-hmm yeah look back to

1216

01:00:02,209 --> 00:59:58,619

stem-cell research with President Bush

1217

01:00:05,329 --> 01:00:02,219

the younger and how they blocked

1218

01:00:08,089 --> 01:00:05,339

stem-cell research which you know we

1219

01:00:10,309 --> 01:00:08,099

found later actually helps people in a

1220

01:00:12,979 --> 01:00:10,319

lot of ways and that was not because he

1221

01:00:14,959 --> 01:00:12,989

was you know had a deep foundation on

1222

01:00:16,849 --> 01:00:14,969

what he believes in stem cell research

1223

01:00:20,719 --> 01:00:16,859

but it was a political religious thing

1224

01:00:23,599 --> 01:00:20,729

and you know when you use religion that

1225

01:00:26,839 --> 01:00:23,609

should be a kind of inspiring thing you

1226

01:00:30,349 --> 01:00:26,849

use it as a literal thing it can

1227

01:00:32,719 --> 01:00:30,359

diminish what you're trying to do you

1228

01:00:36,410 --> 01:00:32,729

know to help or expand healthcare

1229

01:00:38,410 --> 01:00:36,420

humanity so is there morality to a

1230

01:00:40,309 --> 01:00:38,420

Luciferian and if so what what is it

1231

01:00:43,699 --> 01:00:40,319

well yeah yeah there's definitely

1232

01:00:45,650 --> 01:00:43,709

morality you have to know that your

1233

01:00:48,589 --> 01:00:45,660

cause everything you do has a cause and

1234

01:00:52,579 --> 01:00:48,599

effect and you know so don't commit

1235

01:00:58,039 --> 01:00:52,589

crime you know take the steps to not go

1236

01:00:58,670 --> 01:00:58,049

down that road don't feed on your your

1237

01:01:01,309 --> 01:00:58,680

spouse

1238

01:01:04,069 --> 01:01:01,319

unless you're said that's something that

1239

01:01:07,579 --> 01:01:04,079

you guys do it has to be a thing don't

1240

01:01:10,699 --> 01:01:07,589

harm or do something bad against a

1241

01:01:12,349 --> 01:01:10,709

friend or a family member and you know

1242

01:01:15,859 --> 01:01:12,359

knowing that there are consequences to

1243

01:01:17,959 --> 01:01:15,869

that that your actions have results and

1244

01:01:18,650 --> 01:01:17,969

that you know having bad luck doesn't

1245

01:01:21,140 --> 01:01:18,660

really

1246

01:01:24,079 --> 01:01:21,150

exist in the sense of you just made a

1247

01:01:28,460 --> 01:01:24,089

lot of bad decisions and it's having a

1248

01:01:32,089 --> 01:01:28,470

result it sounds like luciferianism can

1249

01:01:35,539 --> 01:01:32,099

be summed up by the golden rule some

1250

01:01:37,519 --> 01:01:35,549

extent but it expands out further and it

1251

01:01:41,690 --> 01:01:37,529

depends what role you're in if you're in

1252

01:01:44,599 --> 01:01:41,700

a military role and you have a something

1253

01:01:46,819 --> 01:01:44,609

to do a mission then you know you do

1254

01:01:49,279 --> 01:01:46,829

that and you're not going to be a

1255

01:01:51,470 --> 01:01:49,289

pacifist but it depends on the

1256

01:01:54,380 --> 01:01:51,480

individual really but it's it's all

1257

01:01:56,180 --> 01:01:54,390

about knowing that you can shape your

1258

01:01:58,640 --> 01:01:56,190

future you're in control of this

1259

01:02:01,730 --> 01:01:58,650

experience this world to an extent so

1260

01:02:04,370 --> 01:02:01,740

make it useful and what would be an

1261

01:02:05,990 --> 01:02:04,380

example under which you would say you

1262

01:02:10,519 --> 01:02:06,000

wouldn't necessarily follow the golden

1263

01:02:14,329 --> 01:02:10,529

rule well in the sense of war if you

1264

01:02:16,640 --> 01:02:14,339

were in fighting back in another country

1265

01:02:18,319 --> 01:02:16,650

you're gonna do what you have to do to

1266

01:02:20,599 --> 01:02:18,329

survive and to reach your mission if

1267

01:02:22,759 --> 01:02:20,609

that's your objective that's what you've

1268

01:02:24,680 --> 01:02:22,769

committed you you have to bear the

1269

01:02:31,160 --> 01:02:24,690

results for them so self self-defense

1270

01:02:33,380 --> 01:02:31,170

self-defense and also not allowing guilt

1271

01:02:35,120 --> 01:02:33,390

to infect you once you do something if

1272

01:02:38,299 --> 01:02:35,130

you feel bad about something apologize

1273

01:02:41,210 --> 01:02:38,309

and try not to do it again that's the

1274

01:02:43,730 --> 01:02:41,220

key so yeah it expands in that way but

1275

01:02:45,920 --> 01:02:43,740

there are Lucifer ants who can do bad

1276

01:02:48,259 --> 01:02:45,930

things but they have to live with that

1277

01:02:51,890 --> 01:02:48,269

you know and what I mean by bad days is

1278

01:02:54,019 --> 01:02:51,900

you go too far and you know sometimes

1279

01:02:55,160 --> 01:02:54,029

you let your emotions get out of you get

1280

01:02:57,710 --> 01:02:55,170

away from you

1281

01:03:01,329 --> 01:02:57,720

that's something that we try to reel in

1282

01:03:05,589 --> 01:03:01,339

as much as we can and think before we do

1283

01:03:08,720 --> 01:03:05,599

it is it a perfect perfect thing no and

1284

01:03:12,829 --> 01:03:08,730

there's no perfect Luciferians we all

1285

01:03:15,529 --> 01:03:12,839

strive in our own way you talk a lot in

1286

01:03:17,839 --> 01:03:15,539

the book about magic explain what you

1287

01:03:22,970 --> 01:03:17,849

mean by magic and and why do you spell

1288

01:03:27,049 --> 01:03:22,980

it with a K magic is from Aleister

1289

01:03:29,180 --> 01:03:27,059

Crowley who in his works really changed

1290

01:03:30,340 --> 01:03:29,190

modern occultism and how people looked

1291

01:03:33,190 --> 01:03:30,350

at magic

1292

01:03:36,310 --> 01:03:33,200

and for Luciferians magic is causing

1293

01:03:38,380 --> 01:03:36,320

change in accordance with the will so it

1294

01:03:40,410 --> 01:03:38,390

goes into what I call the tryout of the

1295

01:03:44,230 --> 01:03:40,420

morning sir that's liberation

1296

01:03:47,680 --> 01:03:44,240

illumination apotheosis that is that

1297

01:03:49,540 --> 01:03:47,690

what you focus on and what you focus

1298

01:03:51,670 --> 01:03:49,550

your energies and your thoughts your

1299

01:03:54,190 --> 01:03:51,680

direction on your going to have a result

1300

01:03:56,620 --> 01:03:54,200

for that that is the process of magic

1301
01:03:59,170 --> 01:03:56,630
and it begins with Luciferian philosophy

1302
01:04:02,050 --> 01:03:59,180
just on a thought level doesn't involve

1303
01:04:06,160 --> 01:04:02,060
ceremony or ritual or anything like that

1304
01:04:08,800 --> 01:04:06,170
the ritualistic aspect later for those

1305
01:04:11,170 --> 01:04:08,810
that are inspired by that that are drawn

1306
01:04:13,900 --> 01:04:11,180
to that it's a type of psychodrama in a

1307
01:04:16,960 --> 01:04:13,910
way of really utilizing their will

1308
01:04:19,360 --> 01:04:16,970
desire belief towards enhancing that

1309
01:04:23,650 --> 01:04:19,370
experience but it's up to the person as

1310
01:04:26,800 --> 01:04:23,660
to how they approach that and how do you

1311
01:04:29,110 --> 01:04:26,810
personally tap into that well I do it in

1312
01:04:31,840 --> 01:04:29,120
two different ways the the kind of

1313
01:04:34,330 --> 01:04:31,850

origins for that I take a lot of the

1314

01:04:36,820 --> 01:04:34,340

translations from whatever I'm

1315

01:04:38,740 --> 01:04:36,830

researching at the time and I look at

1316

01:04:41,470 --> 01:04:38,750

different meanings and how that was

1317

01:04:44,020 --> 01:04:41,480

interpreted within that culture and then

1318

01:04:46,920 --> 01:04:44,030

the modern type of how does this benefit

1319

01:04:49,390 --> 01:04:46,930

now how can I use now and then I

1320

01:04:51,460 --> 01:04:49,400

centralized a write based around that

1321

01:04:55,450 --> 01:04:51,470

and I use incense and I'll pour

1322

01:04:58,360 --> 01:04:55,460

libations in my personal practice but I

1323

01:05:00,880 --> 01:04:58,370

can also do things like doing physical

1324

01:05:03,790 --> 01:05:00,890

exercise while having a few phrase

1325

01:05:06,100 --> 01:05:03,800

within my mind focusing on that and that

1326

01:05:08,050 --> 01:05:06,110

type of activity is also a type of

1327

01:05:10,930 --> 01:05:08,060

ritual because it focuses and builds

1328

01:05:13,590 --> 01:05:10,940

energy so you know it's it's very

1329

01:05:17,860 --> 01:05:13,600

different in different ways that I do it

1330

01:05:21,360 --> 01:05:17,870

lust and sex comes up quite a bit in the

1331

01:05:24,070 --> 01:05:21,370

book how to Luciferians look at sex

1332

01:05:25,690 --> 01:05:24,080

differently than others I don't know if

1333

01:05:29,410 --> 01:05:25,700

it's differently I think it's just

1334

01:05:32,500 --> 01:05:29,420

understanding who you are your your

1335

01:05:36,010 --> 01:05:32,510

natural desires those things that that

1336

01:05:39,310 --> 01:05:36,020

make you or that are within you and it

1337

01:05:41,680 --> 01:05:39,320

has to be consensual and it has to be if

1338

01:05:43,630 --> 01:05:41,690

you do something it has to be involving

1339

01:05:49,050 --> 01:05:43,640

you know

1340

01:05:52,030 --> 01:05:49,060

your partner is very much a part of it

1341

01:05:55,600 --> 01:05:52,040

and it's based on the individual the

1342

01:05:57,820 --> 01:05:55,610

individual has to do it as to how they

1343

01:06:00,750 --> 01:05:57,830

deem appropriate it's that there's not

1344

01:06:05,140 --> 01:06:00,760

one just setting or one just way to

1345

01:06:07,240 --> 01:06:05,150

approach sexuality Luciferians don't

1346

01:06:12,550 --> 01:06:07,250

have better sex and than others they

1347

01:06:16,150 --> 01:06:12,560

might they might well you know who would

1348

01:06:17,890 --> 01:06:16,160

I be to say to say that you know it's

1349

01:06:19,060 --> 01:06:17,900

part of the thing with the horns you've

1350

01:06:22,450 --> 01:06:19,070

got to figure it out for yourself

1351

01:06:25,420 --> 01:06:22,460

alright alright cool let me check in

1352

01:06:31,840 --> 01:06:25,430

with Michael over here to see if there's

1353

01:06:33,610 --> 01:06:31,850

any lingering questions you got perhaps

1354

01:06:38,070 --> 01:06:33,620

this is too stereotypical but would you

1355

01:06:43,330 --> 01:06:38,080

invoke a rigid a ritual are you're

1356

01:06:48,490 --> 01:06:43,340

involved in a magical process explain

1357

01:06:51,960 --> 01:06:48,500

the idea of demons or asking for their

1358

01:06:54,790 --> 01:06:51,970

assistance in fulfilling whatever

1359

01:06:55,900 --> 01:06:54,800

process you're trying to fulfill yeah

1360

01:06:58,120 --> 01:06:55,910

and maybe it made me start by just

1361

01:07:01,210 --> 01:06:58,130

answering what what is a daemon and why

1362

01:07:03,700 --> 01:07:01,220

is it spelled Amos at a demon well Damon

1363

01:07:05,830 --> 01:07:03,710

originally comes from ancient Greece and

1364

01:07:08,920 --> 01:07:05,840

it relates to a spirit and also have

1365

01:07:11,770 --> 01:07:08,930

connections to a nature spirit but the

1366

01:07:15,160 --> 01:07:11,780

daemon eventually became the genius of

1367

01:07:17,800 --> 01:07:15,170

the individual something that that is in

1368

01:07:20,680 --> 01:07:17,810

a way abstract it doesn't have it's

1369

01:07:22,900 --> 01:07:20,690

connected to each person in some ways we

1370

01:07:24,520 --> 01:07:22,910

have our own personal daemon according

1371

01:07:27,520 --> 01:07:24,530

to the ancient Greeks that's kind of

1372

01:07:28,840 --> 01:07:27,530

your inspiration and your driving point

1373

01:07:31,210 --> 01:07:28,850

it doesn't necessarily have all your

1374

01:07:34,720 --> 01:07:31,220

personality traits but it's kind of like

1375

01:07:36,790 --> 01:07:34,730

your self seemed in perpetual excellent

1376

01:07:39,390 --> 01:07:36,800

what you strive to you this is what I

1377

01:07:42,850 --> 01:07:39,400

want to become it's kind of a symbolic

1378

01:07:46,920 --> 01:07:42,860

type thing so the daemon why it's

1379

01:07:50,860 --> 01:07:46,930

spelled da e and it's also spelled dai

1380

01:07:53,830 --> 01:07:50,870

mo N and that is because that relates to

1381

01:07:57,060 --> 01:07:53,840

a spirit ambivalent not necessarily good

1382

01:08:01,380 --> 01:07:57,070

or evil but they I use the term demon as

1383

01:08:04,170 --> 01:08:01,390

and ee mo n because that is in the sense

1384

01:08:06,690 --> 01:08:04,180

to the Christian evil version evil

1385

01:08:09,080 --> 01:08:06,700

spirit but it comes in origin from

1386

01:08:13,470 --> 01:08:09,090

daemon which means an intelligence

1387

01:08:18,060 --> 01:08:13,480

relation to our psyche so I looked at

1388

01:08:20,250 --> 01:08:18,070

ancient like the Roman ruler cult and

1389

01:08:24,000 --> 01:08:20,260

you look at the Hellenistic ruler called

1390

01:08:25,680 --> 01:08:24,010

and they had traits that just were the

1391

01:08:28,500 --> 01:08:25,690

whole encompassing things very

1392

01:08:31,170 --> 01:08:28,510

Luciferian and it kind of encapsulated

1393

01:08:33,270 --> 01:08:31,180

all of that and it was that you take

1394

01:08:35,670 --> 01:08:33,280

that and put it to the individual so

1395

01:08:37,470 --> 01:08:35,680

instead of worshiping an emperor per his

1396

01:08:39,420 --> 01:08:37,480

genius as that's what they made

1397

01:08:42,720 --> 01:08:39,430

offerings to it wasn't him it was his

1398

01:08:46,440 --> 01:08:42,730

genius the idea of excellence within

1399

01:08:48,750 --> 01:08:46,450

their their culture you take that put it

1400

01:08:51,300 --> 01:08:48,760

on the individual level that's what

1401

01:08:54,240 --> 01:08:51,310

you're striving to enhance yourself with

1402

01:08:58,290 --> 01:08:54,250

so it's not submission or bowing to any

1403

01:09:01,560 --> 01:08:58,300

deity or anything it's it's about making

1404

01:09:05,940 --> 01:09:01,570

yourself better invitations of specific

1405

01:09:08,310 --> 01:09:05,950

outside demons that is for the way of

1406

01:09:11,040 --> 01:09:08,320

unlocking specific traits or knowledge

1407

01:09:13,470 --> 01:09:11,050

that you're trying to obtain for

1408

01:09:15,510 --> 01:09:13,480

understanding and insight and once again

1409

01:09:19,650 --> 01:09:15,520

that's based on the person that applies

1410

01:09:21,599 --> 01:09:19,660

the ritualistic magic sense last

1411

01:09:23,579 --> 01:09:21,609

question I have I just check in my notes

1412

01:09:25,440 --> 01:09:23,589

remind me going back to the Bible that

1413

01:09:27,840 --> 01:09:25,450

you said that that the Jews had been

1414

01:09:30,180 --> 01:09:27,850

slaves and they were let out of slavery

1415

01:09:35,010 --> 01:09:30,190

slavery but but really they came from a

1416

01:09:39,390 --> 01:09:35,020

slave mentality and hence the God that

1417

01:09:41,220 --> 01:09:39,400

they created was a God that was more

1418

01:09:44,099 --> 01:09:41,230

controlling of them is that am i putting

1419

01:09:47,280 --> 01:09:44,109

that right explain that well to clarify

1420

01:09:50,220 --> 01:09:47,290

they were they were originally thought

1421

01:09:52,680 --> 01:09:50,230

to be mercenaries they didn't really

1422

01:09:56,490 --> 01:09:52,690

have a set home but they some of them in

1423

01:09:57,090 --> 01:09:56,500

the shashi tribe honored and venerated

1424

01:09:59,240 --> 01:09:57,100

Yahweh

1425

01:10:03,750 --> 01:09:59,250

well they somehow became a part of

1426

01:10:07,359 --> 01:10:03,760

either slaves or tied to New Kingdom

1427

01:10:09,629 --> 01:10:07,369

Egypt somehow and Middle Kingdom

1428

01:10:12,430 --> 01:10:09,639

and once they obtained their liberation

1429

01:10:15,359 --> 01:10:12,440

went out and forged their own place

1430

01:10:17,919 --> 01:10:15,369

within this neighboring area of

1431

01:10:19,959 --> 01:10:17,929

extremely violent tribes towards them

1432

01:10:22,439 --> 01:10:19,969

because they were invading their lands

1433

01:10:26,169 --> 01:10:22,449

so yeah they were they were hostile and

1434

01:10:27,790 --> 01:10:26,179

so when they had their religions ideas

1435

01:10:31,320 --> 01:10:27,800

you see it with Moses he didn't want

1436

01:10:35,500 --> 01:10:31,330

them dealing with bowel of pure or

1437

01:10:38,260 --> 01:10:35,510

Moloch or any of these others and they

1438

01:10:40,359 --> 01:10:38,270

wanted them to be under his that one

1439

01:10:42,070 --> 01:10:40,369

banner of Yahweh and that's something

1440

01:10:47,229 --> 01:10:42,080

the priests had used to keep their

1441

01:10:50,350 --> 01:10:47,239

people within their own ties and kind of

1442

01:10:53,320 --> 01:10:50,360

control and it's probably a survival

1443

01:10:58,060 --> 01:10:53,330

technique or something that they they

1444

01:11:01,270 --> 01:10:58,070

did that survival their culture so in

1445

01:11:03,970 --> 01:11:01,280

doing that they become very isolated in

1446

01:11:07,930 --> 01:11:03,980

a sense from other religions and it

1447

01:11:10,479 --> 01:11:07,940

wasn't around until Herod the Great who

1448

01:11:15,790 --> 01:11:10,489

was a Roman and Hellenistic kind of

1449

01:11:17,260 --> 01:11:15,800

client King an Ida Mian who became their

1450

01:11:21,180 --> 01:11:17,270

King and they still didn't like him

1451

01:11:24,070 --> 01:11:21,190

because he understood the value of

1452

01:11:26,620 --> 01:11:24,080

different deities and within his

1453

01:11:30,459 --> 01:11:26,630

relation to the Roman Empire

1454

01:11:32,800 --> 01:11:30,469

and then ultimately the Christians kind

1455

01:11:35,919 --> 01:11:32,810

of did the same thing with it with the

1456

01:11:38,110 --> 01:11:35,929

God when the Roman Christians yeah they

1457

01:11:39,760 --> 01:11:38,120

did and later on and you see it

1458

01:11:43,810 --> 01:11:39,770

throughout the ages even through the

1459

01:11:47,680 --> 01:11:43,820

Crusades they take away the today the

1460

01:11:49,720 --> 01:11:47,690

Hebrew God and then after they take it

1461

01:11:53,490 --> 01:11:49,730

they tell the people that it came from

1462

01:11:56,709 --> 01:11:53,500

that they're wrong and found ways to

1463

01:11:59,610 --> 01:11:56,719

subjugate them and we see that like with

1464

01:12:02,290 --> 01:11:59,620

the revolts and things like that so

1465

01:12:06,580 --> 01:12:02,300

Christianity was then used to turn on

1466

01:12:08,800 --> 01:12:06,590

Jews to you know a great extent and

1467

01:12:10,950 --> 01:12:08,810

villainize them and in the Middle Ages

1468

01:12:15,540 --> 01:12:10,960

they associated with them with the devil

1469

01:12:18,689 --> 01:12:15,550

and just for political or monetary gain

1470

01:12:21,399 --> 01:12:18,699

which is unfortunate but it's the way

1471

01:12:22,810 --> 01:12:21,409

and then I'm not sure if I understood

1472

01:12:24,310 --> 01:12:22,820

your book correctly but you refer to

1473

01:12:26,110 --> 01:12:24,320

world war two and essentially the

1474

01:12:27,910 --> 01:12:26,120

Holocaust and and the horrendous thing

1475

01:12:31,689 --> 01:12:27,920

that happened to the Jews is it your

1476

01:12:35,290 --> 01:12:31,699

belief that part of that was the failure

1477

01:12:36,910 --> 01:12:35,300

of the Jews to fight back and because

1478

01:12:38,709 --> 01:12:36,920

the Bible doesn't teach them to fight

1479

01:12:40,360 --> 01:12:38,719

back I think it's two things well they

1480

01:12:42,250 --> 01:12:40,370

did fight back in the Maccabee in

1481

01:12:44,110 --> 01:12:42,260

revolts and different things and now

1482

01:12:46,450 --> 01:12:44,120

they're one of the greatest military

1483

01:12:49,899 --> 01:12:46,460

forces in the region that they're in but

1484

01:12:52,780 --> 01:12:49,909

way back I think it comes to the fact

1485

01:12:55,120 --> 01:12:52,790

that Christian Christianity and

1486

01:12:57,750 --> 01:12:55,130

different religions of that ilk

1487

01:13:01,990 --> 01:12:57,760

throughout Europe villainized

1488

01:13:04,660 --> 01:13:02,000

the Jews early on and it kept up to

1489

01:13:06,879 --> 01:13:04,670

where they were always the outsiders and

1490

01:13:10,270 --> 01:13:06,889

if they were successful to anything then

1491

01:13:14,439 --> 01:13:10,280

they were just plain villains and I

1492

01:13:17,200 --> 01:13:14,449

think when Hitler took power they took a

1493

01:13:20,649 --> 01:13:17,210

consensus among just the like people's

1494

01:13:24,700 --> 01:13:20,659

opinion and they used it to subjugate

1495

01:13:27,640 --> 01:13:24,710

and just try to destroy a whole race of

1496

01:13:30,250 --> 01:13:27,650

people in a religion of people and I

1497

01:13:34,180 --> 01:13:30,260

think that is kind of an extreme turn up

1498

01:13:36,760 --> 01:13:34,190

of how Christianity can and has behaved

1499

01:13:38,570 --> 01:13:36,770

in the past and other monotheistic

1500

01:13:41,000 --> 01:13:38,580

religions

1501

01:13:43,850 --> 01:13:41,010

so yeah I think it's it's they didn't

1502

01:13:45,710 --> 01:13:43,860

fight back at a pivotal you know a time

1503

01:13:51,080 --> 01:13:45,720

when they should have perhaps I don't

1504

01:13:55,720 --> 01:13:51,090

know but also in how they were viewed

1505

01:13:58,880 --> 01:13:55,730

and then using that against them right

1506

01:14:00,800 --> 01:13:58,890

awesome well that was a great history

1507

01:14:02,660 --> 01:14:00,810

lesson among other things I know you've

1508

01:14:05,030 --> 01:14:02,670

got some rituals there's probably

1509

01:14:11,030 --> 01:14:05,040

something you need to go burn right now

1510

01:14:14,840 --> 01:14:11,040

call Lord Satan how many people are in

1511

01:14:18,230 --> 01:14:14,850

your church you go to church well

1512

01:14:21,770 --> 01:14:18,240

originally we did but it was met more as

1513

01:14:23,390 --> 01:14:21,780

a philosophy gathering point and now

1514

01:14:27,170 --> 01:14:23,400

it's like that's a great question would

1515

01:14:29,810 --> 01:14:27,180

you call luciferianism a religion more

1516

01:14:32,360 --> 01:14:29,820

philosophy than a religion at this point

1517

01:14:34,670 --> 01:14:32,370

and and because religion dictates if

1518

01:14:37,670 --> 01:14:34,680

there was a dogma sociated with it and

1519

01:14:40,640 --> 01:14:37,680

there's not a dogma it's a philosophy

1520

01:14:42,320 --> 01:14:40,650

yeah you want to be anti religion for

1521

01:14:45,530 --> 01:14:42,330

the most part because that seems to fit

1522

01:14:48,350 --> 01:14:45,540

more with the philosophy yeah and we've

1523

01:14:50,690 --> 01:14:48,360

switched you know we have the assembly

1524

01:14:52,640 --> 01:14:50,700

of libraries which it's only purpose is

1525

01:14:55,130 --> 01:14:52,650

to be an information kind of information

1526

01:14:56,570 --> 01:14:55,140

hub on the basics of Lucifer and that's

1527

01:14:58,660 --> 01:14:56,580

what I'm talking about the Assembly of

1528

01:15:02,450 --> 01:14:58,670

light bearers now that's a good name

1529

01:15:04,430 --> 01:15:02,460

yeah well you know so the idea of

1530

01:15:08,300 --> 01:15:04,440

Lucifer and greater church of Lucifer

1531

01:15:10,940 --> 01:15:08,310

and all that that wasn't my design that

1532

01:15:13,940 --> 01:15:10,950

was something that was already being set

1533

01:15:16,040 --> 01:15:13,950

up and that we guided and that I kind of

1534

01:15:19,520 --> 01:15:16,050

directed because they were using my

1535

01:15:22,820 --> 01:15:19,530

works anyway so I decided we made a

1536

01:15:25,010 --> 01:15:22,830

decision and the co people to guide it

1537

01:15:27,680 --> 01:15:25,020

in the way that it went it was a good

1538

01:15:30,050 --> 01:15:27,690

experience but after a year I was clear

1539

01:15:31,940 --> 01:15:30,060

to understand that it has to be

1540

01:15:35,330 --> 01:15:31,950

something that just presents the

1541

01:15:38,540 --> 01:15:35,340

philosophy you know because then you

1542

01:15:40,010 --> 01:15:38,550

have to go from there all right well I'm

1543

01:15:42,800 --> 01:15:40,020

glad you clarified that Epstein was on

1544

01:15:45,710 --> 01:15:42,810

Luciferian no he's not no we don't we

1545

01:15:47,150 --> 01:15:45,720

don't know him Oh

1546

01:15:48,830 --> 01:15:47,160

Michael before he let you go is

1547

01:15:51,410 --> 01:15:48,840

insisting on one less question I just

1548

01:15:56,360 --> 01:15:51,420

have one question are there people

1549

01:15:58,550 --> 01:15:56,370

of of notoriety or influence that

1550

01:16:01,580 --> 01:15:58,560

portray themselves as Christians when in

1551

01:16:04,280 --> 01:16:01,590

fact they are loose Luciferian and why

1552

01:16:07,640 --> 01:16:04,290

do we hear stories that at Bohemian

1553

01:16:09,880 --> 01:16:07,650

Grove there is a very large statue of

1554

01:16:14,900 --> 01:16:09,890

Moloch what is what does this all mean

1555

01:16:18,470 --> 01:16:14,910

well obviously I can't talk about the

1556

01:16:20,150 --> 01:16:18,480

specifics on who might be Luciferian or

1557

01:16:23,630 --> 01:16:20,160

who might not be and how they portray

1558

01:16:27,229 --> 01:16:23,640

themselves but because to do that would

1559

01:16:31,520 --> 01:16:27,239

be just it's just not right but I can

1560

01:16:33,500 --> 01:16:31,530

say that there probably are a good

1561

01:16:37,700 --> 01:16:33,510

number of certain people who are

1562

01:16:39,350 --> 01:16:37,710

Luciferian in philosophy who have

1563

01:16:42,800 --> 01:16:39,360

different roles in life to where they

1564

01:16:44,150 --> 01:16:42,810

can't be open about that but Moloch you

1565

01:16:48,439 --> 01:16:44,160

know you've got to understand the statue

1566

01:16:51,140 --> 01:16:48,449

that God Moloch was a villain it was

1567

01:16:53,510 --> 01:16:51,150

really a villainous act to say that you

1568

01:16:56,810 --> 01:16:53,520

burnt children to him because all it was

1569

01:16:58,700 --> 01:16:56,820

was a baptism the actual wording of how

1570

01:17:01,750 --> 01:16:58,710

they passed through the fire was a type

1571

01:17:05,120 --> 01:17:01,760

of baptism they did in that region and

1572

01:17:08,479 --> 01:17:05,130

of course the cult of Yahweh did not

1573

01:17:10,310 --> 01:17:08,489

like that so he became this burning dog

1574

01:17:12,380 --> 01:17:10,320

but it was also a deity of the

1575

01:17:15,650 --> 01:17:12,390

underworld which related to the

1576

01:17:18,919 --> 01:17:15,660

ancestral renewal the ancestral spirit

1577

01:17:21,169 --> 01:17:18,929

so it's it's not a burning evil God if

1578

01:17:24,590 --> 01:17:21,179

there was indeed a statue of Moloch

1579

01:17:26,060 --> 01:17:24,600

somewhere so but you're saying also

1580

01:17:27,320 --> 01:17:26,070

though is regarding the first part of

1581

01:17:30,290 --> 01:17:27,330

his question is that there are

1582

01:17:33,439 --> 01:17:30,300

Luciferians that are in the closet yeah

1583

01:17:36,080 --> 01:17:33,449

and but based on our discussion today

1584

01:17:39,740 --> 01:17:36,090

frankly there should be no shame

1585

01:17:41,660 --> 01:17:39,750

associated with being Luciferian no it's

1586

01:17:43,760 --> 01:17:41,670

it's an understanding that you know

1587

01:17:46,580 --> 01:17:43,770

embracing the concept of the adversary

1588

01:17:48,709 --> 01:17:46,590

means that you challenge and and you

1589

01:17:51,760 --> 01:17:48,719

kind of motivate things by your own

1590

01:17:55,490 --> 01:17:51,770

design and and it's not a mass or

1591

01:17:57,410 --> 01:17:55,500

majority type of philosophy it's often

1592

01:17:58,569 --> 01:17:57,420

for people that lead and whatever they

1593

01:18:01,180 --> 01:17:58,579

do

1594

01:18:03,250 --> 01:18:01,190

all right well hopefully we've reduced

1595

01:18:05,200 --> 01:18:03,260

the stigma and Luciferians will be will

1596

01:18:08,140 --> 01:18:05,210

start coming out of the closet maybe

1597

01:18:11,610 --> 01:18:08,150

maybe they will I don't know thank you
