2  
00:00:17,180 --> 00:00:13,669

when you just read on Wikipedia about

3  
00:00:18,950 --> 00:00:17,190

Maxwell they're a little equivocal on

4  
00:00:22,670 --> 00:00:18,960

Wikipedia about whether or not he was a

5  
00:00:25,130 --> 00:00:22,680

spy for Israel and yes that would be the

6  
00:00:27,259 --> 00:00:25,140

kind of stupidity that you know should

7  
00:00:29,390 --> 00:00:27,269

not be shared anywhere you know max was

8  
00:00:30,800 --> 00:00:29,400

not a spy for Israel that's why when

9  
00:00:32,659 --> 00:00:30,810

they buried him under the Mount of

10  
00:00:34,910 --> 00:00:32,669

Olives in Jerusalem that the journey

11  
00:00:36,290 --> 00:00:34,920

leaders who were there that day said he

12  
00:00:38,030 --> 00:00:36,300

had done so much for Israel that

13  
00:00:40,430 --> 00:00:38,040

probably they couldn't talk about them

14

00:00:41,869 --> 00:00:40,440

in our time well I will read this

15

00:00:45,560 --> 00:00:41,879

because I think it's a good kickoff to

16

00:00:47,000 --> 00:00:45,570

our discussion this is on Wikipedia and

17

00:00:49,729 --> 00:00:47,010

it kind of makes your head spin

18

00:00:51,619 --> 00:00:49,739

when you read it and it also when you

19

00:00:53,540 --> 00:00:51,629

read it you think about Epstein -

20

00:00:55,459 --> 00:00:53,550

because people are asserting a lot of

21

00:00:58,160 --> 00:00:55,469

similar things about Epstein but it says

22

00:00:59,840 --> 00:00:58,170

the British Foreign Office suspected

23

00:01:01,369 --> 00:00:59,850

that Maxwell was a secret agent of a

24

00:01:04,369 --> 00:01:01,379

foreign government possibly a double

25

00:01:05,810 --> 00:01:04,379

agent or a triple agent and a thoroughly

26

00:01:08,240 --> 00:01:05,820

bad character and almost certainly

27

00:01:10,460 --> 00:01:08,250

financed by Russia he had known links to

28

00:01:15,080 --> 00:01:10,470

the British Secret Intelligence Service

29

00:01:17,870 --> 00:01:15,090

mi6 to the KGB and to the Israeli

30

00:01:21,499 --> 00:01:17,880

intelligence service Mossad that's a lot

31

00:01:23,899 --> 00:01:21,509

is all that correct well the British

32

00:01:25,910 --> 00:01:23,909

knew a fair amount about Maxwell and

33

00:01:28,340 --> 00:01:25,920

they would have done they say he was an

34

00:01:30,920 --> 00:01:28,350

MP he was a mean one of the leading

35

00:01:32,240 --> 00:01:30,930

businessmen in Britain and also it has

36

00:01:35,030 --> 00:01:32,250

to be remembered the British who

37

00:01:38,539 --> 00:01:35,040

probably had the best buys in Moscow for

38

00:01:40,280 --> 00:01:38,549

the past half century or more they also

39

00:01:42,440 --> 00:01:40,290

had some of their own people of the

40

00:01:43,850 --> 00:01:42,450

Russians of course recruited but they

41

00:01:47,569 --> 00:01:43,860

almost had the best vice in Moscow and

42

00:01:49,190 --> 00:01:47,579

they saw the Maxwell flying in and out

43

00:01:52,039 --> 00:01:49,200

of Moscow and having dinner in the

44

00:01:55,700 --> 00:01:52,049

Kremlin with KGB chiefs and with you

45

00:01:57,889 --> 00:01:55,710

know the leaders of the Soviet Union at

46

00:02:00,380 --> 00:01:57,899

that time they also knew that he was

47

00:02:03,880 --> 00:02:00,390

flying into other sort of Soviet

48

00:02:08,180 --> 00:02:03,890

capitals Romania Bulgaria Czechoslovakia

49

00:02:10,729 --> 00:02:08,190

mi6 tried to recruit Maxwell but fails

50

00:02:13,190 --> 00:02:10,739

because Maxwell's 'im Allegiance really

51

00:02:14,540 --> 00:02:13,200

was to to Israel it

52

00:02:17,059 --> 00:02:14,550

he lost most of his family in the

53

00:02:19,520 --> 00:02:17,069

Holocaust so he always felt that he had

54

00:02:21,229 --> 00:02:19,530

an obligation to Israel but I think

55

00:02:24,280 --> 00:02:21,239

would you have to match that Maxwell is

56

00:02:26,869 --> 00:02:24,290

almost one could say a kind of

57

00:02:29,540 --> 00:02:26,879

conflicted character and he's also a

58

00:02:31,070 --> 00:02:29,550

person with the dual personality on the

59

00:02:32,809 --> 00:02:31,080

one hand you have probably one of the

60

00:02:35,949 --> 00:02:32,819

greatest fraudsters of the past sort of

61

00:02:39,259 --> 00:02:35,959

hundred years I mean a man whose

62

00:02:41,449 --> 00:02:39,269

activities internationally in terms of

63

00:02:44,420 --> 00:02:41,459

money laundering was really the template

64

00:02:46,759 --> 00:02:44,430

for modern-day oligarchs I mean he was

65

00:02:48,559 --> 00:02:46,769

really one of the first and then at the

66

00:02:50,210 --> 00:02:48,569

same time you had a guy who was also

67

00:02:53,000 --> 00:02:50,220

super spy for Israel

68

00:02:55,460 --> 00:02:53,010

it might maxvill results of feathering

69

00:02:58,850 --> 00:02:55,470

his own nest so yet someone who is doing

70

00:03:01,940 --> 00:02:58,860

Israel's bidding and also doing his own

71

00:03:04,880 --> 00:03:01,950

and Israel was willing to sort of look

72

00:03:06,500 --> 00:03:04,890

the other way I mean why not I mean

73

00:03:08,839 --> 00:03:06,510

because of what he gave them I mean he

74

00:03:13,039 --> 00:03:08,849

got access to everybody within the

75

00:03:15,229 --> 00:03:13,049

Soviet Union using Americans like the

76

00:03:18,440 --> 00:03:15,239

the late sort of the senator from Texas

77

00:03:20,900 --> 00:03:18,450

John Goodman tower he got access to Los

78

00:03:24,789 --> 00:03:20,910

Alamos and was able to sell Los Alamos

79

00:03:28,250 --> 00:03:24,799

Sandia laboratories re-engineer software

80

00:03:29,870 --> 00:03:28,260

that helped Israel build its steel

81

00:03:32,750 --> 00:03:29,880

America's secrets and builds nuclear

82

00:03:35,059 --> 00:03:32,760

weapons so let me start by this because

83

00:03:36,680 --> 00:03:35,069

not everyone is saying exactly what

84

00:03:39,020 --> 00:03:36,690

you're saying you're saying very

85

00:03:41,870 --> 00:03:39,030

definitively that he was a spy for

86

00:03:45,259 --> 00:03:41,880

Mossad so how do you definitively know

87

00:03:47,569 --> 00:03:45,269

that well first of all the we knew his

88

00:03:50,120 --> 00:03:47,579

handler found it was one of the sources

89

00:03:51,860 --> 00:03:50,130

for our book and that was raffia tan and

90

00:03:54,050 --> 00:03:51,870

raffia tom is one of the most famous of

91

00:03:56,930 --> 00:03:54,060

all Mossad agents he was the man who

92

00:04:01,610 --> 00:03:56,940

tracked Don the people that sort of

93

00:04:04,670 --> 00:04:01,620

mostly Israel was looking for and you

94

00:04:06,620 --> 00:04:04,680

know he he he was famous within Israel

95

00:04:11,030 --> 00:04:06,630

itself that wasn't just within Mossad

96

00:04:14,000 --> 00:04:11,040

raffia tan was a legend and he was the

97

00:04:16,580 --> 00:04:14,010

one who ran Maxwell when Maxwell was

98

00:04:19,699 --> 00:04:16,590

stealing marrakesh nuclear secrets from

99

00:04:23,740 --> 00:04:19,709

from assalam Alamos we also spoke to

100

00:04:26,500 --> 00:04:23,750

other Mossad agents some who had retired

101  
00:04:29,740 --> 00:04:26,510  
and some who'd been

102  
00:04:32,050 --> 00:04:29,750  
the decision to assassinate Maxwell so

103  
00:04:34,090 --> 00:04:32,060  
you know it wasn't just that that

104  
00:04:36,640 --> 00:04:34,100  
grouping with in Mossad itself we also

105  
00:04:37,980 --> 00:04:36,650  
had confirmation from other people who

106  
00:04:42,520 --> 00:04:37,990  
were connected to Israeli intelligence

107  
00:04:44,950 --> 00:04:42,530  
but he denied it his entire life correct

108  
00:04:46,180 --> 00:04:44,960  
yeah well nobody really asked Maxwell

109  
00:04:47,860 --> 00:04:46,190  
nobody was sort of saying to Maxwell's

110  
00:04:50,080 --> 00:04:47,870  
by the way are you a member you know

111  
00:04:51,700 --> 00:04:50,090  
nobody really had the audacity to ask

112  
00:04:54,970 --> 00:04:51,710  
Maxwell too many questions like that

113  
00:04:56,320 --> 00:04:54,980

anyway and you know a lot of people

114

00:04:58,510 --> 00:04:56,330

might have suspected that all well he's

115

00:05:00,730 --> 00:04:58,520

working for you know pretty sure maybe

116

00:05:02,320 --> 00:05:00,740

he's working for the Americans he was

117

00:05:04,750 --> 00:05:02,330

working for himself he is working for

118

00:05:08,290 --> 00:05:04,760

Mossad but also he helped of course the

119

00:05:10,660 --> 00:05:08,300

KGB because I want to get to KGB so

120

00:05:12,610 --> 00:05:10,670

bottom line Israeli government has never

121

00:05:13,840 --> 00:05:12,620

acknowledged it and he's never

122

00:05:15,880 --> 00:05:13,850

acknowledged it but you're just saying

123

00:05:17,440 --> 00:05:15,890

you have highly credible sources within

124

00:05:19,810 --> 00:05:17,450

Mossad that confirmed it to you

125

00:05:22,300 --> 00:05:19,820

absolutely plus the Israeli government

126

00:05:24,190 --> 00:05:22,310

in a wave indirectly has confirmed it I

127

00:05:26,350 --> 00:05:24,200

mean here's a man who was given what was

128

00:05:28,240 --> 00:05:26,360

an equivalent of state funeral and

129

00:05:30,160 --> 00:05:28,250

Israel is buried in the Mount of Olives

130

00:05:32,410 --> 00:05:30,170

most of the Israeli leaders at the time

131

00:05:34,420 --> 00:05:32,420

were there in 1991 so you know you've

132

00:05:35,710 --> 00:05:34,430

got some of them saying Maxwell did so

133

00:05:38,170 --> 00:05:35,720

much for this country that can't really

134

00:05:40,120 --> 00:05:38,180

be revealed now he's just a businessman

135

00:05:41,380 --> 00:05:40,130

he's gonna repeat it at all say well he

136

00:05:43,540 --> 00:05:41,390

set up this company and that company

137

00:05:45,910 --> 00:05:43,550

when he can would company revealed is

138

00:05:47,380 --> 00:05:45,920

something that is secret so that was the

139

00:05:49,750 --> 00:05:47,390

admission that was made on that

140

00:05:51,280 --> 00:05:49,760

particular day and one Israeli leader

141

00:05:54,250 --> 00:05:51,290

said you know he strode across the world

142

00:05:57,550 --> 00:05:54,260

like a colossus but he wasn't his

143

00:05:59,020 --> 00:05:57,560

nemesis Rupert Murdoch but he still was

144

00:06:01,030 --> 00:05:59,030

a me know a very big figure

145

00:06:02,680 --> 00:06:01,040

internationally he owned the Daily News

146

00:06:04,300 --> 00:06:02,690

in New York he on The Daily Mirror

147

00:06:06,850 --> 00:06:04,310

London and he had businesses everywhere

148

00:06:10,350 --> 00:06:06,860

so what what really in your opinion

149

00:06:13,600 --> 00:06:10,360

drove him what was his passion what was

150

00:06:16,000 --> 00:06:13,610

extremely important to him in London II

151  
00:06:18,250 --> 00:06:16,010  
he was a narcissist he was a man who

152  
00:06:19,720 --> 00:06:18,260  
wanted to be he wanted to be sort of

153  
00:06:21,850 --> 00:06:19,730  
striding across the world as one of the

154  
00:06:23,620 --> 00:06:21,860  
wealthiest men in the world I mean he

155  
00:06:25,480 --> 00:06:23,630  
resented the murder because he thought

156  
00:06:28,810 --> 00:06:25,490  
he want to be bigger than murder I mean

157  
00:06:32,470 --> 00:06:28,820  
Maxwell's always about money no matter

158  
00:06:34,690 --> 00:06:32,480  
how he had to acquire it and he what

159  
00:06:36,520 --> 00:06:34,700  
about personal convictions personal

160  
00:06:38,230 --> 00:06:36,530  
convictions well he was an MP at one

161  
00:06:39,980 --> 00:06:38,240  
stage it's hard to know there's only

162  
00:06:42,440 --> 00:06:39,990  
personal convictions accident

163  
00:06:45,500 --> 00:06:42,450

it suggests was that he wanted to help

164

00:06:47,300 --> 00:06:45,510

Israel and he was quite willing to do

165

00:06:49,280 --> 00:06:47,310

all kinds of things really to get Jews

166

00:06:51,800 --> 00:06:49,290

out of Russia and he did and he used his

167

00:06:54,140 --> 00:06:51,810

contact for the KGB to do that so one

168

00:06:56,480 --> 00:06:54,150

can't sort of separate that from Maxwell

169

00:06:59,030 --> 00:06:56,490

as it turns with personality he was a

170

00:07:00,890 --> 00:06:59,040

very important figure in terms of

171

00:07:03,110 --> 00:07:00,900

rescuing a lot of Jews who were trapped

172

00:07:05,810 --> 00:07:03,120

within the Soviet Union so we have that

173

00:07:09,130 --> 00:07:05,820

aspect to him as well and a lot of that

174

00:07:11,480 --> 00:07:09,140

is really forgotten I suspect and

175

00:07:13,430 --> 00:07:11,490

writings about Maxwell is not forgotten

176

00:07:17,540 --> 00:07:13,440

by Israel and that's why of course they

177

00:07:19,880 --> 00:07:17,550

gave me such a wonderful send-off so he

178

00:07:25,570 --> 00:07:19,890

was an Oscar Schindler character at

179

00:07:28,790 --> 00:07:25,580

least half of him yes part of him was he

180

00:07:33,740 --> 00:07:28,800

he used his contacts with Russian

181

00:07:36,470 --> 00:07:33,750

oligarchs like semion Mogilevich and

182

00:07:39,620 --> 00:07:36,480

also with Chris golf who they you know

183

00:07:41,810 --> 00:07:39,630

was the KGB chief because he was also

184

00:07:44,690 --> 00:07:41,820

helping KGB launder money and he was

185

00:07:47,270 --> 00:07:44,700

teaching them how to do it and during

186

00:07:49,490 --> 00:07:47,280

the the late 80s of course the KGB was

187

00:07:51,950 --> 00:07:49,500

thinking about the future I'm wondering

188

00:07:55,250 --> 00:07:51,960

how they were going to get move a lot of

189

00:07:57,110 --> 00:07:55,260

their ill-gotten gains the different

190

00:07:59,480 --> 00:07:57,120

parts of the world and Maxwell was the

191

00:08:03,710 --> 00:07:59,490

expert at moving money into places like

192

00:08:06,170 --> 00:08:03,720

Cyprus into banks and Switzerland and

193

00:08:09,860 --> 00:08:06,180

other sort of parts of the world where

194

00:08:11,960 --> 00:08:09,870

money is hidden by oligarchs now KGB and

195

00:08:14,060 --> 00:08:11,970

Israeli government doesn't seem in

196

00:08:15,740 --> 00:08:14,070

Mossad doesn't seem to be thing two

197

00:08:18,920 --> 00:08:15,750

entities that would cooperate

198

00:08:20,990 --> 00:08:18,930

so was he working well he was the

199

00:08:22,550 --> 00:08:21,000

go-between in a way for Israel I mean he

200

00:08:24,290 --> 00:08:22,560

wasn't ready to go between it for Mossad

201

00:08:26,000 --> 00:08:24,300

I mean he would represented Israel I

202

00:08:28,760 --> 00:08:26,010

mean it was the same and when he went to

203

00:08:30,260 --> 00:08:28,770

Czechoslovakia he would he would sort of

204

00:08:32,750 --> 00:08:30,270

say well look you know I'm representing

205

00:08:35,620 --> 00:08:32,760

the State of Israel but never in a soul

206

00:08:40,130 --> 00:08:35,630

but not in an official capacity

207

00:08:42,680 --> 00:08:40,140

no unofficial the KGB obviously knew

208

00:08:44,720 --> 00:08:42,690

that max will work for Mossad but it

209

00:08:47,360 --> 00:08:44,730

didn't really matter to them I mean he

210

00:08:49,400 --> 00:08:47,370

was bringing they said if you think

211

00:08:50,330 --> 00:08:49,410

about bringing a u.s. senator powerful

212

00:08:52,920 --> 00:08:50,340

US senator

213

00:08:55,710 --> 00:08:52,930

into Sofia the capital of Bulgaria

214

00:08:57,900 --> 00:08:55,720

and providing him with prostitutes and

215

00:08:59,760 --> 00:08:57,910

those prostitutes were provided by the

216

00:09:03,480 --> 00:08:59,770

Bulgarian Secret Service stars have

217

00:09:06,180 --> 00:09:03,490

missed signals so the KGB knew the paid

218

00:09:08,310 --> 00:09:06,190

KGB got a kickback in a way because it

219

00:09:10,110 --> 00:09:08,320

was able to observe people that max was

220

00:09:12,090 --> 00:09:10,120

bringing in there and so was building

221

00:09:14,070 --> 00:09:12,100

compromise in them as well as Maxwell

222

00:09:16,710 --> 00:09:14,080

building compromise on them so you had

223

00:09:19,500 --> 00:09:16,720

this kind of duality which service

224

00:09:21,570 --> 00:09:19,510

served everybody's purpose and Bulgaria

225

00:09:23,820 --> 00:09:21,580

is so important I think you know it's

226

00:09:26,070 --> 00:09:23,830

it's forgotten meant in the context of

227

00:09:28,230 --> 00:09:26,080

the whole Maxwell story Bulgaria is

228

00:09:32,100 --> 00:09:28,240

probably more significant than any other

229

00:09:34,170 --> 00:09:32,110

Soviet country at that time because he

230

00:09:37,110 --> 00:09:34,180

was in Bulgaria he was referred to by

231

00:09:39,000 --> 00:09:37,120

people there is the king of Bulgaria he

232

00:09:42,120 --> 00:09:39,010

would fly in he would have dinner with

233

00:09:45,330 --> 00:09:42,130

the leader of Bulgaria and that was you

234

00:09:46,140 --> 00:09:45,340

know terrific oath he owned bags in

235

00:09:48,690 --> 00:09:46,150

Bulgaria

236

00:09:52,050 --> 00:09:48,700

he owned companies he brought Western I

237

00:09:54,720 --> 00:09:52,060

mean he sneaked Western technology into

238

00:09:56,760 --> 00:09:54,730

Bulgaria so could be re-engineered he

239

00:09:58,620 --> 00:09:56,770

brought the kind of technology in

240

00:09:59,850 --> 00:09:58,630

Hollywood was using secretly under

241

00:10:02,190 --> 00:09:59,860

Bulgarians who could be used by the

242

00:10:04,350 --> 00:10:02,200

Bulgarian film industry my school was at

243

00:10:07,230 --> 00:10:04,360

everything you can imagine to make money

244

00:10:11,670 --> 00:10:07,240

that this was the kind of main crooked

245

00:10:14,700 --> 00:10:11,680

guy who was probably one of the best of

246

00:10:17,190 --> 00:10:14,710

his time he was able to fly in a night

247

00:10:18,570 --> 00:10:17,200

of the art will be coming people called

248

00:10:21,210 --> 00:10:18,580

the iron curtain can you imagine

249

00:10:24,090 --> 00:10:21,220

nobody flew in there like maxvill decay

250

00:10:26,850 --> 00:10:24,100

the FBI recognized that one of their

251

00:10:30,390 --> 00:10:26,860

files in 1950s takes a count of

252

00:10:31,800 --> 00:10:30,400

Maxwell's activities selling books you

253

00:10:33,360 --> 00:10:31,810

know because that was very the front

254

00:10:36,810 --> 00:10:33,370

initially for him to go and sell

255

00:10:39,330 --> 00:10:36,820

encyclopedias and to sort of endear

256

00:10:41,220 --> 00:10:39,340

himself to communist leaders by having

257

00:10:43,560 --> 00:10:41,230

books written about them biographies

258

00:10:45,270 --> 00:10:43,570

written and published just sort of you

259

00:10:47,910 --> 00:10:45,280

know make them feel very comfortable

260

00:10:49,860 --> 00:10:47,920

with them and it stated that he was a

261

00:10:52,080 --> 00:10:49,870

socialist communist

262

00:10:53,730 --> 00:10:52,090

what was he politically well I mean this

263

00:10:55,410 --> 00:10:53,740

is this this would be the sort of the

264

00:10:58,440 --> 00:10:55,420

British the definition of at one point

265

00:11:00,360 --> 00:10:58,450

because he was in a Labour MP but I

266

00:11:03,330 --> 00:11:00,370

don't think that maxvill had any great

267

00:11:05,610 --> 00:11:03,340

sort of political ambitions or political

268

00:11:06,480 --> 00:11:05,620

that I don't think ideologically me

269

00:11:08,940 --> 00:11:06,490

certainly was not

270

00:11:11,670 --> 00:11:08,950

socialists at all I think Mike's was

271

00:11:13,920 --> 00:11:11,680

just a crook and so therefore whatever

272

00:11:17,730 --> 00:11:13,930

he had to do to enhance his reputation

273

00:11:19,920 --> 00:11:17,740

weathers has become an MP you know

274

00:11:21,630 --> 00:11:19,930

Member of Parliament that helped him it

275

00:11:23,430 --> 00:11:21,640

also helped him in his career it helped

276

00:11:25,769 --> 00:11:23,440

him in his business so everything at

277

00:11:28,290 --> 00:11:25,779

maxilla did really was to further you

278

00:11:30,030 --> 00:11:28,300

know the rich in the rich isn't in the

279

00:11:32,400 --> 00:11:30,040

bag of constantly building bigger bank

280

00:11:35,670 --> 00:11:32,410

accounts for our friend Maxwell

281

00:11:36,449 --> 00:11:35,680

okay so sorry Los Alamos tell us that

282

00:11:44,040 --> 00:11:36,459

story

283

00:11:45,810 --> 00:11:44,050

ah well raffia tan and Maxwell a time

284

00:11:48,600 --> 00:11:45,820

with the help of the Justice Department

285

00:11:51,260 --> 00:11:48,610

Stoll promised software and it was a

286

00:11:54,240 --> 00:11:51,270

very very advanced software at the time

287

00:11:57,540 --> 00:11:54,250

from install a company in Washington and

288

00:12:00,110 --> 00:11:57,550

it was able to track people so this is

289

00:12:02,460 --> 00:12:00,120

one of the first piece of software

290

00:12:04,199 --> 00:12:02,470

devised for that purpose so the

291

00:12:07,199 --> 00:12:04,209

intelligence community's wanted it the

292

00:12:09,240 --> 00:12:07,209

CIA of course stolen but Mossad wanted

293

00:12:11,430 --> 00:12:09,250

it and they wanted it for two purposes

294

00:12:12,630 --> 00:12:11,440

hold on let me linear interrupt you just

295

00:12:14,069 --> 00:12:12,640

tell you that when I tried to look up

296

00:12:15,540 --> 00:12:14,079

about this promise software it talks

297

00:12:17,490 --> 00:12:15,550

about it being a case management

298

00:12:21,150 --> 00:12:17,500

software used by the Justice Department

299

00:12:23,040 --> 00:12:21,160

to track people okay effort was what

300

00:12:25,139 --> 00:12:23,050

what Mossad wanted they wanted it

301  
00:12:27,990 --> 00:12:25,149  
because they wanted to re-engineer it so

302  
00:12:31,650 --> 00:12:28,000  
raffia time gets can you imagine this a

303  
00:12:34,620 --> 00:12:31,660  
famous Mossad guy Mossad handler is

304  
00:12:36,810 --> 00:12:34,630  
handling Maxwell he encouraged the

305  
00:12:40,199 --> 00:12:36,820  
Justice Department to get him access to

306  
00:12:43,319 --> 00:12:40,209  
the offices right of inslaw on

307  
00:12:47,250 --> 00:12:43,329  
Washington he steals from software has

308  
00:12:50,790 --> 00:12:47,260  
Mossad re-engineer it and then persuades

309  
00:12:52,380 --> 00:12:50,800  
Maxwell to fly into sandy laboratories

310  
00:12:55,170 --> 00:12:52,390  
within Los Alamos well it was secret

311  
00:12:56,579 --> 00:12:55,180  
places in America and he's able to do

312  
00:12:59,100 --> 00:12:56,589  
that much was able to do that because

313  
00:13:01,199 --> 00:12:59,110

he's already bought Senator John tower

314

00:13:02,910 --> 00:13:01,209

from Texas he's already paid him a down

315

00:13:05,069 --> 00:13:02,920

payment of two hundred thousand dollars

316

00:13:08,670 --> 00:13:05,079

just to have him on his payroll right to

317

00:13:11,579 --> 00:13:08,680

have him at his beck and call so he

318

00:13:13,019 --> 00:13:11,589

flies into Sandia and he sells them

319

00:13:14,970 --> 00:13:13,029

promise software but has been

320

00:13:17,880 --> 00:13:14,980

re-engineered with a backdoor by Mossad

321

00:13:19,600 --> 00:13:17,890

and by the way he also sells that a

322

00:13:23,020 --> 00:13:19,610

whole lot of other countries

323

00:13:24,310 --> 00:13:23,030

he sells it to the Saudis Mossad wants

324

00:13:26,050 --> 00:13:24,320

him to sell it to a lot of people they

325

00:13:27,820 --> 00:13:26,060

don't care these making money out of it

326

00:13:29,710 --> 00:13:27,830

it makes millions artists selling this

327

00:13:31,480 --> 00:13:29,720

software and this is stolen from an

328

00:13:33,430 --> 00:13:31,490

American company just describe the

329

00:13:34,960 --> 00:13:33,440

software for us a little bit more what

330

00:13:37,660 --> 00:13:34,970

do you mean by it was able to track

331

00:13:39,960 --> 00:13:37,670

people it was a software which was built

332

00:13:42,670 --> 00:13:39,970

really firm for tracking people cemented

333

00:13:44,170 --> 00:13:42,680

you could track the track of

334

00:13:46,210 --> 00:13:44,180

conversation you track where people

335

00:13:47,860 --> 00:13:46,220

weren't phones in that kind of thing it

336

00:13:50,500 --> 00:13:47,870

was a very very advanced software for

337

00:13:52,150 --> 00:13:50,510

its time so much so that the CIA wanted

338

00:13:54,280 --> 00:13:52,160

it because other people wanted to

339

00:13:56,320 --> 00:13:54,290

re-engineer it but more but the Mossad

340

00:13:59,020 --> 00:13:56,330

they wanted to re-engineer for a very

341

00:14:00,820 --> 00:13:59,030

specific purpose and that was so they

342

00:14:02,620 --> 00:14:00,830

could put it into other systems sell it

343

00:14:05,620 --> 00:14:02,630

to other intelligence services and build

344

00:14:07,600 --> 00:14:05,630

a backdoor into it so they did that and

345

00:14:09,760 --> 00:14:07,610

that's how Maxwell was able to sell it

346

00:14:13,660 --> 00:14:09,770

to Sandia laboratories and by the way

347

00:14:18,040 --> 00:14:13,670

the FBI was informed about Maxwell's

348

00:14:21,130 --> 00:14:18,050

visits to Sandia and the investigation

349

00:14:22,960 --> 00:14:21,140

into that right and the suspicion that

350

00:14:24,910 --> 00:14:22,970

he was up to no good

351

00:14:27,130 --> 00:14:24,920

it was buried now you tell me he was

352

00:14:29,170 --> 00:14:27,140

able to bury that kind of investigation

353

00:14:33,790 --> 00:14:29,180

the files not in my wrist all were

354

00:14:35,080 --> 00:14:33,800

shredded and it speaks to other things

355

00:14:37,060 --> 00:14:35,090

you know what you think about you think

356

00:14:38,980 --> 00:14:37,070

about Epstein I mean how can you sort of

357

00:14:40,660 --> 00:14:38,990

bury a lot of stuff we can vary a lot of

358

00:14:42,760 --> 00:14:40,670

stuff if you've got the kind of

359

00:14:44,500 --> 00:14:42,770

connection to intelligence services max

360

00:14:47,650 --> 00:14:44,510

or higher than I believe Epstein I do

361

00:14:51,670 --> 00:14:47,660

and he also sold it you believe to the

362

00:14:54,130 --> 00:14:51,680

KGB the software yeah he saw the day he

363

00:14:56,950 --> 00:14:54,140

sold it to everybody and why was why

364

00:14:59,680 --> 00:14:56,960

would Israel be ok listen he also sold a

365

00:15:00,760 --> 00:14:59,690

good China so everybody's got the

366

00:15:03,160 --> 00:15:00,770

software and everybody's got this

367

00:15:05,190 --> 00:15:03,170

absolutely we're selling it on behalf of

368

00:15:08,020 --> 00:15:05,200

Israel or behalf of himself

369

00:15:10,750 --> 00:15:08,030

both Marshall didn't do anything that

370

00:15:13,720 --> 00:15:10,760

didn't give him a kickback everything at

371

00:15:15,970 --> 00:15:13,730

Maxwell did was also for the glory of

372

00:15:18,160 --> 00:15:15,980

Robert Maxwell and just to be clear why

373

00:15:20,760 --> 00:15:18,170

would Israel be ok with for instance

374

00:15:26,350 --> 00:15:20,770

Soviet Union and trying to having this

375

00:15:29,260 --> 00:15:26,360

know the thing about what max was doing

376

00:15:30,010 --> 00:15:29,270

but he was selling was re-engineered ok

377

00:15:32,350 --> 00:15:30,020

by massa

378

00:15:33,460 --> 00:15:32,360

so the software I had been reading over

379

00:15:35,350 --> 00:15:33,470

the back door

380

00:15:37,090 --> 00:15:35,360

so that's why it was being sold so that

381

00:15:37,810 --> 00:15:37,100

they could pull information out of it

382

00:15:40,420 --> 00:15:37,820

right

383

00:15:41,920 --> 00:15:40,430

so in KGB's not aware that they're

384

00:15:43,750 --> 00:15:41,930

buying something that has a back door

385

00:15:45,630 --> 00:15:43,760

that I would say I would say it probably

386

00:15:47,710 --> 00:15:45,640

didn't take them too long to find out I

387

00:15:50,230 --> 00:15:47,720

would say it didn't take him too long to

388

00:15:53,320 --> 00:15:50,240

find out okay so they tolerated Maxwell

389

00:15:56,020 --> 00:15:53,330

because max was Maxwell had a lot of

390

00:15:57,550 --> 00:15:56,030

advantage for them and we remember

391

00:16:00,520 --> 00:15:57,560

you're talking about joint ventures that

392

00:16:03,730 --> 00:16:00,530

Maxwell had with the KGB this is in

393

00:16:06,270 --> 00:16:03,740

terms of companies banks I mean there's

394

00:16:09,130 --> 00:16:06,280

but almost 600 companies that Chris Joe

395

00:16:11,800 --> 00:16:09,140

who was a KGB chief at the end of the

396

00:16:14,860 --> 00:16:11,810

80s was sort of building around the

397

00:16:16,240 --> 00:16:14,870

world I mean they even asked Maxwell to

398

00:16:19,930 --> 00:16:16,250

get involved and trying to sort of take

399

00:16:22,840 --> 00:16:19,940

Don Gorbachev and Mossad sort of much

400

00:16:24,460 --> 00:16:22,850

lamented Mossad said you know they hated

401  
00:16:28,990 --> 00:16:24,470  
me want me to help them take down that

402  
00:16:30,100 --> 00:16:29,000  
this guy Gorbachev and Mossad said

403  
00:16:31,720 --> 00:16:30,110  
forget it

404  
00:16:33,370 --> 00:16:31,730  
just get out of that one you're not

405  
00:16:34,420 --> 00:16:33,380  
gonna get involved we don't want her we

406  
00:16:37,270 --> 00:16:34,430  
don't want her fingerprints and that

407  
00:16:39,340 --> 00:16:37,280  
kind of stuff so the oldest is going on

408  
00:16:41,140 --> 00:16:39,350  
Marshall is quite a character really is

409  
00:16:44,230 --> 00:16:41,150  
yeah in the meantime you've got his

410  
00:16:47,290 --> 00:16:44,240  
business side where he's taking on

411  
00:16:50,260 --> 00:16:47,300  
Rupert Murdoch why his fascination with

412  
00:16:52,510 --> 00:16:50,270  
taking down or or at least it's a bit

413  
00:16:55,810 --> 00:16:52,520

it's been maybe a bit like Trump and and

414

00:16:58,540 --> 00:16:55,820

an Obama you know the Trump sort of has

415

00:17:00,460 --> 00:16:58,550

this obsession with Obama then I'm gonna

416

00:17:03,580 --> 00:17:00,470

be better than him or I'm gonna you know

417

00:17:05,860 --> 00:17:03,590

under undercut him well max wasn't

418

00:17:09,070 --> 00:17:05,870

really able to undercut Murdoch at all

419

00:17:11,140 --> 00:17:09,080

but he saw Murdoch's Empire expanding

420

00:17:13,150 --> 00:17:11,150

and the thing about murder

421

00:17:14,980 --> 00:17:13,160

unlike Maxwell when Maxwell is really

422

00:17:17,290 --> 00:17:14,990

dying and needs a lot of money towards

423

00:17:19,300 --> 00:17:17,300

the end of his life he won't do what

424

00:17:21,970 --> 00:17:19,310

Mossad tells him to do so as I said him

425

00:17:24,880 --> 00:17:21,980

you know you're your nemesis Murdoch

426

00:17:26,560 --> 00:17:24,890

when he was really stuck and he was

427

00:17:30,030 --> 00:17:26,570

about to go bust

428

00:17:34,090 --> 00:17:30,040

he took the advice of the banks and

429

00:17:35,800 --> 00:17:34,100

right slowly paid back all his debts but

430

00:17:37,300 --> 00:17:35,810

Maxwell wasn't willing to do that max

431

00:17:40,380 --> 00:17:37,310

wasn't willing to go public and he

432

00:17:42,730 --> 00:17:40,390

seemed to be a a guy who was going bust

433

00:17:44,710 --> 00:17:42,740

but that's it and so what Murdoch was

434

00:17:47,440 --> 00:17:44,720

always there in his rear view mirror as

435

00:17:49,960 --> 00:17:47,450

the man who was you know rising up both

436

00:17:52,990 --> 00:17:49,970

almost in terms of you know building a

437

00:17:55,620 --> 00:17:53,000

big corporation I mean ultimately was

438

00:17:57,759 --> 00:17:55,630

Maxwell a good businessman considering

439

00:18:00,399 --> 00:17:57,769

but the state of his business was when

440

00:18:02,470 --> 00:18:00,409

he died well the thing about it is we

441

00:18:04,659 --> 00:18:02,480

don't we don't know it Maxwell hit me

442

00:18:07,060 --> 00:18:04,669

for instance after we wrote the book the

443

00:18:09,460 --> 00:18:07,070

various government approached me because

444

00:18:12,310 --> 00:18:09,470

they knew that I had undertaken most of

445

00:18:15,039 --> 00:18:12,320

the stuff about the Eastern Europe

446

00:18:16,600 --> 00:18:15,049

because my wife is a little garyun

447

00:18:17,799 --> 00:18:16,610

journalist to help me translate a lot of

448

00:18:20,680 --> 00:18:17,809

stuff that other people would never have

449

00:18:22,990 --> 00:18:20,690

seen televisions files etc right emotive

450

00:18:25,269 --> 00:18:23,000

the Kremlin and comodo cars having the

451  
00:18:32,620 --> 00:18:25,279  
seeker in Austin and headquarters in

452  
00:18:36,039 --> 00:18:32,630  
Sofia so I suspect in a way that that

453  
00:18:38,230 --> 00:18:36,049  
that was the kind of area that appealed

454  
00:18:40,000 --> 00:18:38,240  
the British to the British saw that and

455  
00:18:42,039 --> 00:18:40,010  
said well talk to this guy Dylan because

456  
00:18:44,230 --> 00:18:42,049  
maybe he hid all his money in Bulgaria

457  
00:18:45,490 --> 00:18:44,240  
well I don't think he did I think he

458  
00:18:47,440 --> 00:18:45,500  
hidden money in Bulgaria but I think he

459  
00:18:49,840 --> 00:18:47,450  
had money everywhere so they said to me

460  
00:18:52,750 --> 00:18:49,850  
look can you help us trace his

461  
00:18:56,220 --> 00:18:52,760  
ill-gotten gains so I really told them

462  
00:19:00,580 --> 00:18:56,230  
I'm not going to use the word here in

463  
00:19:02,860 --> 00:19:00,590

front of you or your audience but I told

464

00:19:04,840 --> 00:19:02,870

them where to go but not a very nice way

465

00:19:08,289 --> 00:19:04,850

because they had been running an

466

00:19:11,350 --> 00:19:08,299

operation to investigate Maxwell and his

467

00:19:13,029 --> 00:19:11,360

money and they had got nowhere with it

468

00:19:15,399 --> 00:19:13,039

but they never looked in Eastern Europe

469

00:19:16,810 --> 00:19:15,409

I said to them listen if you want to

470

00:19:19,060 --> 00:19:16,820

look somewhere you'd better look in

471

00:19:22,750 --> 00:19:19,070

Eastern Europe not just in Liechtenstein

472

00:19:27,669 --> 00:19:22,760

not in Switzerland Nunda cayman islands

473

00:19:29,379 --> 00:19:27,679

non Gibraltar not in Malta but look in

474

00:19:31,000 --> 00:19:29,389

Eastern Europe because that's what he

475

00:19:32,560 --> 00:19:31,010

spent a lot of his time that's where he

476

00:19:34,779 --> 00:19:32,570

built a lot of his connections and

477

00:19:36,820 --> 00:19:34,789

that's where he learned a lot laundered

478

00:19:38,710 --> 00:19:36,830

a lot of his money and look in Bulgaria

479

00:19:40,210 --> 00:19:38,720

particularly because then you're gonna

480

00:19:41,470 --> 00:19:40,220

find the kind of thread you need but

481

00:19:43,600 --> 00:19:41,480

you're not getting any help from me

482

00:19:45,549 --> 00:19:43,610

because you didn't give me any help when

483

00:19:49,149 --> 00:19:45,559

I was writing this book so you can get

484

00:19:52,389 --> 00:19:49,159

lost and they didn't they've never

485

00:19:54,129 --> 00:19:52,399

really pursued that the thread and so

486

00:19:57,009 --> 00:19:54,139

therefore we don't know how much Maxwell

487

00:19:58,299 --> 00:19:57,019

heads so he put it in the hands of his

488

00:20:00,820 --> 00:19:58,309

children do you think the children now

489

00:20:03,159 --> 00:20:00,830

have the money it was suggested to me by

490

00:20:04,450 --> 00:20:03,169

very good source that maxvill even

491

00:20:06,159 --> 00:20:04,460

towards the end of his life was always

492

00:20:10,539 --> 00:20:06,169

concerned about building for the future

493

00:20:12,639 --> 00:20:10,549

of Maxwell generations you know in

494

00:20:15,190 --> 00:20:12,649

decades and decades to come in other

495

00:20:16,840 --> 00:20:15,200

words the future of the Maxwell lineage

496

00:20:19,389 --> 00:20:16,850

that that's where he was concerned about

497

00:20:22,029 --> 00:20:19,399

and so he was gonna hide money so that

498

00:20:26,049 --> 00:20:22,039

money would be available maybe 20 30 40

499

00:20:28,210 --> 00:20:26,059

50 years ahead so what what happened to

500

00:20:30,519 --> 00:20:28,220

his money we don't know was he busy

501  
00:20:32,440 --> 00:20:30,529  
busting his bust in that stance Amedeo

502  
00:20:35,500 --> 00:20:32,450  
do something like with five hundred

503  
00:20:37,899 --> 00:20:35,510  
million he he was really heavily in debt

504  
00:20:39,879 --> 00:20:37,909  
he was going to be charged there's no

505  
00:20:42,970 --> 00:20:39,889  
dog even standing high in a court in

506  
00:20:45,039 --> 00:20:42,980  
London and the Old Bailey as a common

507  
00:20:46,720 --> 00:20:45,049  
criminal I mean and also who would have

508  
00:20:49,120 --> 00:20:46,730  
commodified him would have been so

509  
00:20:50,860 --> 00:20:49,130  
shocking it would have damaged the whole

510  
00:20:53,519 --> 00:20:50,870  
sort of Jewish community and in England

511  
00:20:55,600 --> 00:20:53,529  
with a new degree of anti-semitism and

512  
00:20:57,610 --> 00:20:55,610  
opposition and Maxwell in a way because

513  
00:21:00,009 --> 00:20:57,620

it was Jewish you believe that

514

00:21:01,870 --> 00:21:00,019

charges were being prepared at the time

515

00:21:03,519 --> 00:21:01,880

of his death oh I think they were

516

00:21:05,350 --> 00:21:03,529

looking at him big time they were

517

00:21:06,970 --> 00:21:05,360

looking at him they wanted to take him

518

00:21:08,560 --> 00:21:06,980

done and what would it be a lot of

519

00:21:10,590 --> 00:21:08,570

people who hated Maxwell they didn't

520

00:21:13,180 --> 00:21:10,600

just hate him because he he was a

521

00:21:16,210 --> 00:21:13,190

crooked businessman there was that

522

00:21:18,580 --> 00:21:16,220

anti-semitic character too also maybe we

523

00:21:21,310 --> 00:21:18,590

shouldn't sort of you know ignore that I

524

00:21:23,590 --> 00:21:21,320

think it's it's true and it's something

525

00:21:25,779 --> 00:21:23,600

I observed and and looking to the whole

526

00:21:27,129 --> 00:21:25,789

sort of actual story but they were going

527

00:21:29,379 --> 00:21:27,139

to take him down he would have don't

528

00:21:32,500 --> 00:21:29,389

tell him because this was such a massive

529

00:21:34,930 --> 00:21:32,510

crime he had defrauded the pension funds

530

00:21:37,419 --> 00:21:34,940

of the Daily Mirror in other words he

531

00:21:39,340 --> 00:21:37,429

hadn't robbed 30,000 members of the

532

00:21:42,190 --> 00:21:39,350

staff that the Daily murdered newspapers

533

00:21:44,230 --> 00:21:42,200

of their pensions that really was the

534

00:21:46,810 --> 00:21:44,240

kind of scandals he maybe he thought he

535

00:21:48,580 --> 00:21:46,820

was gonna pay it back but Mossad was not

536

00:21:51,690 --> 00:21:48,590

going to give him that money and neither

537

00:21:54,039 --> 00:21:51,700

was anyone else and neither was you know

538

00:21:56,200 --> 00:21:54,049

Malevich and all these other figures

539

00:21:58,570 --> 00:21:56,210

that he was doing business with and he

540

00:22:00,399 --> 00:21:58,580

couldn't pull money out adventures and

541

00:22:01,779 --> 00:22:00,409

he couldn't be seen to be pulling money

542

00:22:03,340 --> 00:22:01,789

from a lot of other places he had it

543

00:22:05,350 --> 00:22:03,350

because it would be exposed where he'd

544

00:22:06,940 --> 00:22:05,360

hidden his money so he was left with one

545

00:22:08,830 --> 00:22:06,950

choice and that was to say to Mossad

546

00:22:10,779 --> 00:22:08,840

look you're gonna have to bail me out

547

00:22:13,140 --> 00:22:10,789

here you don't want me sort of standing

548

00:22:14,970 --> 00:22:13,150

hind dog

549

00:22:18,080 --> 00:22:14,980

look what it's gonna do and I might have

550

00:22:20,190 --> 00:22:18,090

to sort of you know I might have to talk

551  
00:22:23,640 --> 00:22:20,200  
another Bettina sort of threatening

552  
00:22:25,320 --> 00:22:23,650  
Mossad he didn't say specifically when

553  
00:22:27,390 --> 00:22:25,330  
it would talk about but they knew they

554  
00:22:28,650 --> 00:22:27,400  
discussed it with in Mossad and they

555  
00:22:31,530 --> 00:22:28,660  
said look this guy is becoming very

556  
00:22:34,620 --> 00:22:31,540  
unstable so you know what are we gonna

557  
00:22:37,200 --> 00:22:34,630  
do about him we can't let him go to

558  
00:22:39,150 --> 00:22:37,210  
court look at the kind of you know story

559  
00:22:41,610 --> 00:22:39,160  
that's gonna become worldwide what's

560  
00:22:42,930 --> 00:22:41,620  
gonna do for the State of Israel because

561  
00:22:44,790 --> 00:22:42,940  
he had businesses in he brought

562  
00:22:47,360 --> 00:22:44,800  
businesses into Israel and he was

563  
00:22:49,470 --> 00:22:47,370

regarded as a hero in Israel so

564

00:22:52,200 --> 00:22:49,480

something's the first time get had this

565

00:22:56,910 --> 00:22:52,210

is really hero you know standing in

566

00:23:01,290 --> 00:22:56,920

shackles in a London Court how my god is

567

00:23:02,640 --> 00:23:01,300

is scary for Israel these internal

568

00:23:04,680 --> 00:23:02,650

discussions at Mossad that you're

569

00:23:06,450 --> 00:23:04,690

referring to they were held in a very

570

00:23:08,310 --> 00:23:06,460

very secret level and they were held

571

00:23:11,070 --> 00:23:08,320

within a very very tight group of people

572

00:23:14,550 --> 00:23:11,080

and what is your source for those the

573

00:23:18,630 --> 00:23:14,560

silverstern Mossad people understand

574

00:23:20,400 --> 00:23:18,640

more what was the first time source who

575

00:23:22,290 --> 00:23:20,410

actually talked to us right about the

576

00:23:25,710 --> 00:23:22,300

kind of discussion that had gone on and

577

00:23:27,630 --> 00:23:25,720

in bottom line he told you that Maxwell

578

00:23:29,160 --> 00:23:27,640

had come to them told him about his

579

00:23:30,870 --> 00:23:29,170

financial predicament yes

580

00:23:32,550 --> 00:23:30,880

told them that if you don't help bail me

581

00:23:33,900 --> 00:23:32,560

out this is going to go down very poorly

582

00:23:36,390 --> 00:23:33,910

for all of us yes

583

00:23:38,190 --> 00:23:36,400

and so the most I feel was we can't

584

00:23:41,190 --> 00:23:38,200

really you know we can't tolerate this

585

00:23:43,220 --> 00:23:41,200

about this so what happens what happens

586

00:23:45,480 --> 00:23:43,230

next is you have to get rid of the guy

587

00:23:48,840 --> 00:23:45,490

but then you have to plan it very very

588

00:23:50,600 --> 00:23:48,850

carefully and Mossad plants think very

589

00:23:54,360 --> 00:23:50,610

very carefully I mean it's one of those

590

00:23:55,650 --> 00:23:54,370

organizations a bit like KGB in some

591

00:23:59,490 --> 00:23:55,660

ways but I think probably much more

592

00:24:01,800 --> 00:23:59,500

effective much more professional they

593

00:24:03,600 --> 00:24:01,810

have their own poisons they know they

594

00:24:06,660 --> 00:24:03,610

they rarely get caught doing it they get

595

00:24:10,260 --> 00:24:06,670

caught in one occasion trying to kill a

596

00:24:13,350 --> 00:24:10,270

leadings for a Palestinian and they they

597

00:24:17,940 --> 00:24:13,360

jabbed him in the neck with a with a

598

00:24:20,460 --> 00:24:17,950

serum but Netanyahu was forced by the

599

00:24:22,020 --> 00:24:20,470

king of Jordan to fly of an antidote in

600

00:24:23,670 --> 00:24:22,030

right away because king of Jordan had

601  
00:24:25,710 --> 00:24:23,680  
this conversation with him I heard it I

602  
00:24:29,370 --> 00:24:25,720  
mean I heard a copy of it

603  
00:24:32,220 --> 00:24:29,380  
phone call and which he called Netanyahu

604  
00:24:33,870 --> 00:24:32,230  
everything beginning with s and said you

605  
00:24:36,570 --> 00:24:33,880  
know I will ring Madeleine Albright and

606  
00:24:41,310 --> 00:24:36,580  
I won't really take you down right and

607  
00:24:44,600 --> 00:24:41,320  
so Netanyahu puts someone on a claim and

608  
00:24:48,090 --> 00:24:44,610  
they flew in the serum and this guy was

609  
00:24:51,000 --> 00:24:48,100  
this guy lived and the Mossad team that

610  
00:24:53,040 --> 00:24:51,010  
have been captured it was was released

611  
00:24:55,320 --> 00:24:53,050  
and in the French custody

612  
00:24:58,320 --> 00:24:55,330  
so the the Mossad does think in a very

613  
00:25:01,500 --> 00:24:58,330

very special way so they build a team

614

00:25:03,390 --> 00:25:01,510

really to take Maxwell Lloyd and they

615

00:25:05,400 --> 00:25:03,400

were kind of there's a suspicion that

616

00:25:08,670 --> 00:25:05,410

they were promising him that he would

617

00:25:10,890 --> 00:25:08,680

get the money because didn't the night

618

00:25:13,440 --> 00:25:10,900

that's the the night they disappeared

619

00:25:16,350 --> 00:25:13,450

off his boat there are certain phone

620

00:25:19,020 --> 00:25:16,360

calls which are very very suspicious so

621

00:25:21,600 --> 00:25:19,030

they may have sort of laid you know had

622

00:25:24,090 --> 00:25:21,610

him trail along until they were ready to

623

00:25:26,490 --> 00:25:24,100

take him on and they had a team in the

624

00:25:28,290 --> 00:25:26,500

water we got onto the back of the boat I

625

00:25:30,810 --> 00:25:28,300

mean it was this sort of story that

626

00:25:36,840 --> 00:25:30,820

Maxwell fell off the side well if you

627

00:25:38,220 --> 00:25:36,850

see the boat and you look at the sort of

628

00:25:39,690 --> 00:25:38,230

the railings installed with the other

629

00:25:42,510 --> 00:25:39,700

railings what the pathologist's had to

630

00:25:43,980 --> 00:25:42,520

say in their investigations then you

631

00:25:46,290 --> 00:25:43,990

realize it in fall off the back of the

632

00:25:47,520 --> 00:25:46,300

boat there was no way and he wasn't

633

00:25:49,980 --> 00:25:47,530

there was no indication he was drunk

634

00:25:52,860 --> 00:25:49,990

that night either yeah nothing found in

635

00:25:54,420 --> 00:25:52,870

his system I read we've lived yet he

636

00:25:56,070 --> 00:25:54,430

went off around 4:30 in the morning

637

00:25:57,840 --> 00:25:56,080

right yeah you wouldn't know there's

638

00:25:59,310 --> 00:25:57,850

anything unusual to find in the system

639

00:26:00,980 --> 00:25:59,320

by the way I mean if the Israelis used

640

00:26:03,390 --> 00:26:00,990

to you know which we were told they did

641

00:26:07,070 --> 00:26:03,400

if they jabbed him run put him in the

642

00:26:10,380 --> 00:26:07,080

water then nothing would have been found

643

00:26:13,470 --> 00:26:10,390

the autopsy in Spain was it just a joke

644

00:26:16,320 --> 00:26:13,480

then there was one held in Israel by and

645

00:26:19,740 --> 00:26:16,330

the pathologist was good at his it was a

646

00:26:21,150 --> 00:26:19,750

friend of the Maxwell family and then

647

00:26:23,850 --> 00:26:21,160

the brady the prettiest brought in of

648

00:26:27,510 --> 00:26:23,860

course they brought in their expert as

649

00:26:29,100 --> 00:26:27,520

well they didn't who didn't realize the

650

00:26:30,630 --> 00:26:29,110

fact that the possibility of maximal

651  
00:26:34,230 --> 00:26:30,640  
could be murdered so you had these sort

652  
00:26:37,380 --> 00:26:34,240  
of conflicting pathologist reports as

653  
00:26:38,220 --> 00:26:37,390  
well but Mossad we were told Masai took

654  
00:26:42,000 --> 00:26:38,230  
him time

655  
00:26:43,890 --> 00:26:42,010  
and I think that by members of Mossad we

656  
00:26:47,580 --> 00:26:43,900  
were told that yes yes people who had

657  
00:26:49,290 --> 00:26:47,590  
first-hand knowledge first person one

658  
00:26:51,090 --> 00:26:49,300  
person who was close to the

659  
00:26:54,360 --> 00:26:51,100  
decision-making process and put another

660  
00:26:56,340 --> 00:26:54,370  
higher than that and we when we spoke to

661  
00:26:58,920 --> 00:26:56,350  
raffia town about it Rafi Eitan said yes

662  
00:27:02,040 --> 00:26:58,930  
you guys are right but he said I'm not

663  
00:27:04,010 --> 00:27:02,050

gonna go on the record to say everything

664

00:27:06,270 --> 00:27:04,020

wasn't there when this decision was made

665

00:27:09,090 --> 00:27:06,280

Rafi it's hard work with Maxwell he

666

00:27:12,450 --> 00:27:09,100

wasn't his he wasn't as great fan but he

667

00:27:15,270 --> 00:27:12,460

worked with the muses handler a lot of

668

00:27:17,130 --> 00:27:15,280

people work with Maxwell and find him

669

00:27:19,380 --> 00:27:17,140

you know a rather sort of disreputable

670

00:27:21,600 --> 00:27:19,390

figure he wasn't a pleasant man to be

671

00:27:23,640 --> 00:27:21,610

around I mean here's a man he would sit

672

00:27:26,610 --> 00:27:23,650

with a sort of bowl of caviar and eat it

673

00:27:29,490 --> 00:27:26,620

with his hands he had some disgusting

674

00:27:32,820 --> 00:27:29,500

habits even he was sloppy let's put it

675

00:27:35,700 --> 00:27:32,830

that way but I think urinating off a

676

00:27:36,840 --> 00:27:35,710

building I heard well easy diddly did a

677

00:27:38,430 --> 00:27:36,850

lot of things a lot of stories but

678

00:27:41,220 --> 00:27:38,440

Maxwell I mean there's someone powerful

679

00:27:43,020 --> 00:27:41,230

of course but and some are not too far

680

00:27:45,300 --> 00:27:43,030

from the truth anyway but related to

681

00:27:47,370 --> 00:27:45,310

that the story goes that he used to like

682

00:27:50,130 --> 00:27:47,380

to urinate off of his boat and hence the

683

00:27:52,500 --> 00:27:50,140

speculation that you know middle of the

684

00:27:53,730 --> 00:27:52,510

night he falls in Maxwell in his in his

685

00:27:57,210 --> 00:27:53,740

apartment London

686

00:27:59,400 --> 00:27:57,220

I mean after going to the bathroom he

687

00:28:00,750 --> 00:27:59,410

cleaned himself with napkins and just

688

00:28:02,820 --> 00:28:00,760

left them on the floor for the women

689

00:28:06,480 --> 00:28:02,830

that the maids who can to come and clean

690

00:28:09,000 --> 00:28:06,490

them up that was Maxwell I mean he was a

691

00:28:10,950 --> 00:28:09,010

bit of a slob in many ways but the

692

00:28:13,140 --> 00:28:10,960

interesting thing he was also this

693

00:28:15,660 --> 00:28:13,150

towering figure you can imagine him

694

00:28:18,900 --> 00:28:15,670

flying into Bulgaria and his big sort of

695

00:28:21,420 --> 00:28:18,910

jet the king of Bulgaria you know

696

00:28:24,000 --> 00:28:21,430

getting out there's a big limo there and

697

00:28:26,100 --> 00:28:24,010

there are security guards ready for him

698

00:28:28,500 --> 00:28:26,110

and they're taking the dinner he he

699

00:28:31,020 --> 00:28:28,510

actually took his his yacht the lady he

700

00:28:32,580 --> 00:28:31,030

could land up into the Black Sea and

701  
00:28:37,200 --> 00:28:32,590  
nobody went into the Black Sea I mean

702  
00:28:40,350 --> 00:28:37,210  
was it was so heavily secured by Soviet

703  
00:28:42,210 --> 00:28:40,360  
Union countries by Russia by Bulgaria

704  
00:28:43,620 --> 00:28:42,220  
and he went up there did one of the

705  
00:28:45,330 --> 00:28:43,630  
palaces of Todor Zhivkov

706  
00:28:47,300 --> 00:28:45,340  
because he they just wanted shortest

707  
00:28:51,360 --> 00:28:47,310  
whites from the sea

708  
00:28:53,700 --> 00:28:51,370  
Maxwell was he was a kind of strange

709  
00:28:56,190 --> 00:28:53,710  
figure for the first time but also very

710  
00:28:58,590 --> 00:28:56,200  
clever I mean no one can ever

711  
00:29:01,620 --> 00:28:58,600  
underestimate what max will did okay so

712  
00:29:06,060 --> 00:29:01,630  
walk us through what you believe happens

713  
00:29:08,160 --> 00:29:06,070

that early morning that early morning I

714

00:29:09,840 --> 00:29:08,170

think that with max a wizard was

715

00:29:14,430 --> 00:29:09,850

encouraged to come out on that deck

716

00:29:15,960 --> 00:29:14,440

could take a phone call and it's the

717

00:29:18,510 --> 00:29:15,970

team that was already in the water

718

00:29:21,990 --> 00:29:18,520

they'd been monitoring the boat the

719

00:29:24,810 --> 00:29:22,000

Israelis from Gibraltar and the team

720

00:29:27,240 --> 00:29:24,820

they got on and they jabbed him with a

721

00:29:29,760 --> 00:29:27,250

serum and then put his body into the

722

00:29:34,500 --> 00:29:29,770

water and this was a this was a

723

00:29:37,200 --> 00:29:34,510

specialist Mossad head team so the thing

724

00:29:40,230 --> 00:29:37,210

is that you know when you take a look at

725

00:29:43,830 --> 00:29:40,240

maxvill and you say well what would have

726

00:29:47,360 --> 00:29:43,840

happened if they hadn't killed him then

727

00:29:50,640 --> 00:29:47,370

you realize why they felt they needed to

728

00:29:52,710 --> 00:29:50,650

at the time they felt that they didn't

729

00:29:55,830 --> 00:29:52,720

really have a choice because maxvill was

730

00:29:59,130 --> 00:29:55,840

going down he had really reached the the

731

00:30:00,780 --> 00:29:59,140

pit you know of his abilities I mean

732

00:30:03,419 --> 00:30:00,790

there was nothing left for max well he

733

00:30:06,210 --> 00:30:03,429

knew that he was he was a bud to be

734

00:30:10,020 --> 00:30:06,220

wrapped up the British were were ready

735

00:30:12,419 --> 00:30:10,030

to move on because they knew about the

736

00:30:13,620 --> 00:30:12,429

pent the pension funds so I think that

737

00:30:14,220 --> 00:30:13,630

that would have been the end of it from

738

00:30:18,690 --> 00:30:14,230

excellent

739

00:30:20,549 --> 00:30:18,700

but his in a way his reputation lives on

740

00:30:22,380 --> 00:30:20,559

that lived on Bulgaria Oh give me

741

00:30:25,980 --> 00:30:22,390

example when our book was published in

742

00:30:28,620 --> 00:30:25,990

Bulgaria and I sat down for lunch this

743

00:30:31,860 --> 00:30:28,630

summer and so in the Bulgarian capital

744

00:30:34,950 --> 00:30:31,870

Sophia and I sat down with a meeting

745

00:30:36,150 --> 00:30:34,960

let's see your intelligence figure and

746

00:30:40,560 --> 00:30:36,160

he said to me when your book came out

747

00:30:45,090 --> 00:30:40,570

about Maxwell he said former communists

748

00:30:47,310 --> 00:30:45,100

who were in league with Maxwell in terms

749

00:30:50,250 --> 00:30:47,320

of his businesses joint ventures money

750

00:30:53,100 --> 00:30:50,260

laundering they pressed the secret

751

00:30:55,080 --> 00:30:53,110

service in Bulgaria bury your book in

752

00:30:56,310 --> 00:30:55,090

other words to make sure that it was

753

00:30:58,620 --> 00:30:56,320

only stole that kind of gas stations

754

00:31:00,070 --> 00:30:58,630

wasn't sold in big shops didn't win the

755

00:31:02,320 --> 00:31:00,080

libraries

756

00:31:05,230 --> 00:31:02,330

and also the same thing happened really

757

00:31:06,580 --> 00:31:05,240

in the in the US the book was leaked to

758

00:31:08,950 --> 00:31:06,590

the Maxwell family

759

00:31:12,539 --> 00:31:08,960

Isabel Maxwell took up the copy of the

760

00:31:15,370 --> 00:31:12,549

manuscript of our book went to Israel

761

00:31:18,669 --> 00:31:15,380

showed it to David Kim she a former head

762

00:31:20,110 --> 00:31:18,679

of Mossad showed it to Shimon Peres or

763

00:31:22,720 --> 00:31:20,120

prime minister who's a friend of the

764

00:31:26,220 --> 00:31:22,730

family and then went and took it to

765

00:31:28,269 --> 00:31:26,230

raffia tan one of our sources and

766

00:31:31,509 --> 00:31:28,279

Ralphie told her Riddhi does the bugger

767

00:31:33,570 --> 00:31:31,519

off because she said we want you to sort

768

00:31:36,970 --> 00:31:33,580

of come out and deny what's in this book

769

00:31:38,649 --> 00:31:36,980

so that was late now who leaked it it

770

00:31:40,750 --> 00:31:38,659

was supposed to be under wraps it was

771

00:31:44,889 --> 00:31:40,760

kept under wraps in London but it wasn't

772

00:31:46,269 --> 00:31:44,899

kept under wraps by Carolyn grouse the

773

00:31:48,310 --> 00:31:46,279

publisher in New York and I the only

774

00:31:51,009 --> 00:31:48,320

person I dealt with in Calgary was

775

00:31:54,820 --> 00:31:51,019

Herman delay Herman graph and the book

776

00:31:56,049 --> 00:31:54,830

got one major interview and that was

777

00:32:01,720 --> 00:31:56,059

really about it on the Today programme

778

00:32:03,850 --> 00:32:01,730

and we discovered really that NBC under

779

00:32:06,159 --> 00:32:03,860

pressure and Maxwell family when the

780

00:32:09,659 --> 00:32:06,169

book came out was going to go and do a

781

00:32:12,269 --> 00:32:09,669

kind of hit job in the book by going to

782

00:32:14,860 --> 00:32:12,279

Israel and doing a documentary on

783

00:32:16,470 --> 00:32:14,870

Maxwell and it's burial of where he was

784

00:32:20,669 --> 00:32:16,480

buried and what a wonderful guy he was

785

00:32:22,990 --> 00:32:20,679

so we confronted NBC and they backed off

786

00:32:24,460 --> 00:32:23,000

and all Graf wanted to know what mean

787

00:32:27,129 --> 00:32:24,470

before the book was published as a are

788

00:32:30,759 --> 00:32:27,139

you gonna blame my side so I told him

789

00:32:33,430 --> 00:32:30,769

nothing until he got the manuscript but

790

00:32:35,110 --> 00:32:33,440

you know but this kind of thing happened

791

00:32:36,600 --> 00:32:35,120

so it won't interfere and I was told

792

00:32:42,310 --> 00:32:36,610

Matt Lauer didn't want to interview me

793

00:32:43,720 --> 00:32:42,320

so it was left to Katie Couric you know

794

00:32:46,000 --> 00:32:43,730

the first thing he Couric said to me

795

00:32:47,470 --> 00:32:46,010

before the interview she was sort of

796

00:32:50,080 --> 00:32:47,480

puzzled I mean she's sort of looking at

797

00:32:54,549 --> 00:32:50,090

me ask me about my science whatever but

798

00:32:55,870 --> 00:32:54,559

the thing is that I I suspect there are

799

00:32:58,090 --> 00:32:55,880

a lot of things that happen aside from

800

00:33:00,700 --> 00:32:58,100

the book that were meaningful there were

801  
00:33:05,470 --> 00:33:00,710  
threats made right to my apartment a org

802  
00:33:08,580 --> 00:33:05,480  
my wife my computer is heart Anonymous

803  
00:33:12,100 --> 00:33:08,590  
yeah my yeah my car is broken into I

804  
00:33:13,170 --> 00:33:12,110  
spoke to the FBI but but if the rats

805  
00:33:16,500 --> 00:33:13,180  
because I had to

806  
00:33:17,850 --> 00:33:16,510  
by that stage I I had cards documents

807  
00:33:21,210 --> 00:33:17,860  
that I didn't want to be sitting around

808  
00:33:22,470 --> 00:33:21,220  
with in New York because I realized that

809  
00:33:25,770 --> 00:33:22,480  
there were certain it's been like when I

810  
00:33:28,110 --> 00:33:25,780  
was thinking of writing the we're almost

811  
00:33:29,670 --> 00:33:28,120  
writing the the Epstein book I've begun

812  
00:33:31,650 --> 00:33:29,680  
to realize that you know there are there

813  
00:33:33,960 --> 00:33:31,660

problems here so I went off to Ireland

814

00:33:35,730 --> 00:33:33,970

for the Maxwell book derided with Gordon

815

00:33:37,800 --> 00:33:35,740

Thomas in the wick and Whitlow way

816

00:33:40,650 --> 00:33:37,810

outside Dublin and then I get these

817

00:33:42,930 --> 00:33:40,660

calls my wife about you know threats to

818

00:33:44,910 --> 00:33:42,940

her and I kind of knew whether we're

819

00:33:46,980 --> 00:33:44,920

comment from there were people really

820

00:33:48,720 --> 00:33:46,990

seriously concerned about what we were

821

00:33:51,570 --> 00:33:48,730

going to publish so when the book does

822

00:33:54,830 --> 00:33:51,580

come out it gets very very little

823

00:33:57,060 --> 00:33:54,840

American public read doesn't see the

824

00:33:58,590 --> 00:33:57,070

kind of publicity that should have been

825

00:34:00,000 --> 00:33:58,600

there for the book just wasn't there I

826

00:34:03,530 --> 00:34:00,010

mean here's a guy stole America's

827

00:34:07,140 --> 00:34:06,420

about how about what Alan Dershowitz had

828

00:34:08,490 --> 00:34:07,150

to say about it

829

00:34:09,750 --> 00:34:08,500

well there so let's here's the

830

00:34:14,520 --> 00:34:09,760

interesting thing and you didn't love

831

00:34:16,200 --> 00:34:14,530

this story because in 2010/11 I decide

832

00:34:19,890 --> 00:34:16,210

I'm gonna write a book and Jeffrey

833

00:34:21,690 --> 00:34:19,900

Epstein and everything's name I knew

834

00:34:24,030 --> 00:34:21,700

because Epstein's name had come up when

835

00:34:28,080 --> 00:34:24,040

our book was published because the book

836

00:34:30,480 --> 00:34:28,090

was published in 2001 2002 so you have

837

00:34:31,920 --> 00:34:30,490

this guy there service I know by

838

00:34:33,450 --> 00:34:31,930

attacking the book he's the most

839

00:34:36,030 --> 00:34:33,460

prominent figure comes out it's not the

840

00:34:38,520 --> 00:34:36,040

book he wrote a review of the book when

841

00:34:39,120 --> 00:34:38,530

it came out in 2002 yeah and he hammered

842

00:34:41,610 --> 00:34:39,130

it right

843

00:34:42,870 --> 00:34:41,620

but who knew several times it was the

844

00:34:45,390 --> 00:34:42,880

thing was the Washington Times The

845

00:34:48,270 --> 00:34:45,400

Washington Post and here's the thing I

846

00:34:50,730 --> 00:34:48,280

have steam there sorry about dirtiest

847

00:34:52,890 --> 00:34:50,740

derivates was connected to Epstein and

848

00:34:56,370 --> 00:34:52,900

whose Epstein's lover at that time

849

00:35:00,540 --> 00:34:56,380

Norfolk is the Madam's wealth fixer it

850

00:35:02,480 --> 00:35:00,550

was Glenn Maxwell so they done their

851  
00:35:05,010 --> 00:35:02,490  
service to come out and attack the book

852  
00:35:06,690 --> 00:35:05,020  
he was the only one but he was the most

853  
00:35:09,420 --> 00:35:06,700  
prominent person and what was his

854  
00:35:11,580 --> 00:35:09,430  
primary critique of the book oh just to

855  
00:35:12,410 --> 00:35:11,590  
dismiss it yeah yellow book kind of you

856  
00:35:15,600 --> 00:35:12,420  
know that's it

857  
00:35:17,160 --> 00:35:15,610  
other words they see not true that he

858  
00:35:18,570 --> 00:35:17,170  
worked from a song don't don't read

859  
00:35:21,720 --> 00:35:18,580  
don't don't read this no this is true

860  
00:35:23,220 --> 00:35:21,730  
this is just fanciful and we you know

861  
00:35:24,660 --> 00:35:23,230  
people will say probably the same thing

862  
00:35:25,590 --> 00:35:24,670  
not but Epstein well he couldn't have

863  
00:35:27,330 --> 00:35:25,600

been

864

00:35:29,610 --> 00:35:27,340

connected to the intelligence community

865

00:35:32,160 --> 00:35:29,620

in any way but it's interesting that

866

00:35:35,340 --> 00:35:32,170

that's order of its first surfaces for

867

00:35:37,470 --> 00:35:35,350

me in terms of of Epstein and you know

868

00:35:40,650 --> 00:35:37,480

this comes back to my mind a game and I

869

00:35:43,140 --> 00:35:40,660

begin looking at Epstein in 2010 eight

870

00:35:46,110 --> 00:35:43,150

years later you know and I remember I

871

00:35:48,840 --> 00:35:46,120

think I remember that this guy Epstein

872

00:35:50,850 --> 00:35:48,850

because he was connected to Dershowitz

873

00:35:53,520 --> 00:35:50,860

because murder submits to talk the book

874

00:35:55,380 --> 00:35:53,530

I had to ask people why would Dershowitz

875

00:35:59,900 --> 00:35:55,390

target and they said well because Glenn

876

00:36:02,520 --> 00:35:59,910

Maxwell is linked to his buddy

877

00:36:06,000 --> 00:36:02,530

Epstein and their services his lawyer

878

00:36:07,830 --> 00:36:06,010

would Epstein have ever met Maxwell now

879

00:36:11,030 --> 00:36:07,840

this is something I really should clear

880

00:36:13,440 --> 00:36:11,040

up for you there people saying that

881

00:36:16,220 --> 00:36:13,450

Epstein Numa Robert Maxwell

882

00:36:19,530 --> 00:36:16,230

there's absolutely no evidence of that I

883

00:36:20,970 --> 00:36:19,540

mean people have said that Maxim was

884

00:36:23,580 --> 00:36:20,980

well versed of the saying there's no

885

00:36:26,340 --> 00:36:23,590

evidence of that but you know was there

886

00:36:30,090 --> 00:36:26,350

was out there but the Epstein Maxwell

887

00:36:32,850 --> 00:36:30,100

Nexus not at all the connection to

888

00:36:35,160 --> 00:36:32,860

Maxwell if you want one is ghilane

889

00:36:36,450 --> 00:36:35,170

Maxwell in the sense that I think she's

890

00:36:38,640 --> 00:36:36,460

the glue that holds a lot of this

891

00:36:40,560 --> 00:36:38,650

together in terms of Epstein and the

892

00:36:42,120 --> 00:36:40,570

fact that you'd find the same parallels

893

00:36:44,610 --> 00:36:42,130

in Epstein's life we should find in

894

00:36:46,650 --> 00:36:44,620

Maxwell's because I believe that FST was

895

00:36:48,330 --> 00:36:46,660

a money launderer I mean people say well

896

00:36:50,070 --> 00:36:48,340

where did all this money come from where

897

00:36:51,540 --> 00:36:50,080

did all Maxwell's money come from it

898

00:36:54,840 --> 00:36:51,550

didn't come from the Daily Mirror in

899

00:36:57,330 --> 00:36:54,850

company Daily News McCann from money

900

00:36:59,310 --> 00:36:57,340

laundering I came from shady shady

901  
00:37:00,870 --> 00:36:59,320  
schemes and I think that's the same with

902  
00:37:03,840 --> 00:37:00,880  
the Epstein and no one really asked

903  
00:37:05,820 --> 00:37:03,850  
where I abstain got his money and also

904  
00:37:07,890 --> 00:37:05,830  
what what money exists out there that

905  
00:37:09,720 --> 00:37:07,900  
Epstein is hidden just as much away

906  
00:37:11,430 --> 00:37:09,730  
Epstein was Epstein was doing the same

907  
00:37:13,710 --> 00:37:11,440  
kind of thing in remember he was flying

908  
00:37:17,550 --> 00:37:13,720  
in and out of countries all over the

909  
00:37:20,160 --> 00:37:17,560  
world with ease he was flying into New

910  
00:37:22,350 --> 00:37:20,170  
Jersey I mean I looked at the I had by

911  
00:37:24,720 --> 00:37:22,360  
the way I had copies of the flight logs

912  
00:37:27,120 --> 00:37:24,730  
Epstein's flight logs I don't think

913  
00:37:29,490 --> 00:37:27,130

about them it struck me was what kind of

914

00:37:32,130 --> 00:37:29,500

part is this guy have them these flight

915

00:37:33,840 --> 00:37:32,140

logs the girls were on the flights

916

00:37:37,290 --> 00:37:33,850

their names are just sort of first names

917

00:37:39,090 --> 00:37:37,300

so I was trying to match those names

918

00:37:42,060 --> 00:37:39,100

against the names of girls on you

919

00:37:44,280 --> 00:37:42,070

who'd appeared in the in the affidavits

920

00:37:45,690 --> 00:37:44,290

and and and other statements that had

921

00:37:48,090 --> 00:37:45,700

been made about him at the time he was

922

00:37:49,440 --> 00:37:48,100

in Florida been charged from Florida so

923

00:37:52,050 --> 00:37:49,450

he was able to come in and out of the

924

00:37:53,940 --> 00:37:52,060

United States almost at will anybody is

925

00:37:56,850 --> 00:37:53,950

able to do that has to have some very

926  
00:37:59,610 --> 00:37:56,860  
very powerful connections and of course

927  
00:38:03,390 --> 00:37:59,620  
he's also in these aboard a hood Baraka

928  
00:38:05,040 --> 00:38:03,400  
no spelling software and it's

929  
00:38:08,100 --> 00:38:05,050  
interesting is the Maxell ISM wasn't the

930  
00:38:10,590 --> 00:38:08,110  
software business to and they also I

931  
00:38:12,930 --> 00:38:10,600  
think Epstein built compromise as they

932  
00:38:14,760 --> 00:38:12,940  
Russians call it the criminais ting

933  
00:38:16,890 --> 00:38:14,770  
evidence on people and Michael did the

934  
00:38:18,900 --> 00:38:16,900  
same he did the same but Senator John

935  
00:38:21,510 --> 00:38:18,910  
tower and other figures when did he

936  
00:38:23,880 --> 00:38:21,520  
first connect with ghilane he connected

937  
00:38:26,010 --> 00:38:23,890  
with Galan in the 90s right up she came

938  
00:38:28,860 --> 00:38:26,020

to she was 31 when her father died she

939

00:38:32,670 --> 00:38:28,870

ends up at New York and remember she had

940

00:38:34,770 --> 00:38:32,680

lots of connections in New York McRobert

941

00:38:37,950 --> 00:38:34,780

Mocksville used to fly into New York on

942

00:38:40,590 --> 00:38:37,960

his Jed but send his boat the lady

943

00:38:42,600 --> 00:38:40,600

ghilane across the Atlantic pocket on

944

00:38:44,670 --> 00:38:42,610

the East River under the UN building and

945

00:38:45,030 --> 00:38:44,680

then invite the high-and-mighty in New

946

00:38:46,830 --> 00:38:45,040

York

947

00:38:49,470 --> 00:38:46,840

Clinton you name it they were all there

948

00:38:51,240 --> 00:38:49,480

and they were all on his yacht for his

949

00:38:53,850 --> 00:38:51,250

sort of expensive parties with the

950

00:38:55,680 --> 00:38:53,860

caviar flowing they that don't pair in

951  
00:38:59,250 --> 00:38:55,690  
your the crystal probably don't turn you

952  
00:39:02,700 --> 00:38:59,260  
on that time and Trump was on one of

953  
00:39:05,670 --> 00:39:02,710  
those parties so she had access to all

954  
00:39:06,720 --> 00:39:05,680  
of these people and remember our friend

955  
00:39:11,160 --> 00:39:06,730  
Epstein

956  
00:39:14,760 --> 00:39:11,170  
people like Steven Hoffenberg in Wall

957  
00:39:16,680 --> 00:39:14,770  
Street and Hochberg says that he he and

958  
00:39:19,410 --> 00:39:16,690  
Epstein were involved you know and

959  
00:39:21,540 --> 00:39:19,420  
laundering about 1.5 billion I think it

960  
00:39:23,940 --> 00:39:21,550  
is and Hulkenberg ended up in upstate

961  
00:39:26,220 --> 00:39:23,950  
New York and a federal prison and he was

962  
00:39:29,970 --> 00:39:26,230  
there at the time that Epstein was in

963  
00:39:34,110 --> 00:39:29,980

Florida be charged so Elaine Maxwell had

964

00:39:36,540 --> 00:39:34,120

all the teams the glue she thought it was

965

00:39:38,340 --> 00:39:36,550

with less Wexner at the time right yes

966

00:39:40,260 --> 00:39:38,350

he was he was with people called a the

967

00:39:42,510 --> 00:39:40,270

mega guru put me in these group of the

968

00:39:44,210 --> 00:39:42,520

big sort of businessman who are linked

969

00:39:46,590 --> 00:39:44,220

to Israel and some would say they're the

970

00:39:49,670 --> 00:39:46,600

sort of the the rich scientists in

971

00:39:52,940 --> 00:39:49,680

America but I think that the

972

00:39:56,989 --> 00:39:52,950

as I believe Epstein was unlikely was

973

00:39:58,400 --> 00:39:56,999

connected to two Mossad she was too and

974

00:40:00,739 --> 00:39:58,410

I think that she would have been used as

975

00:40:05,239 --> 00:40:00,749

the bait hi my personal feeling I think

976

00:40:07,880 --> 00:40:05,249

that she helped Epstein moved in that

977

00:40:10,089 --> 00:40:07,890

kind of direction in other words where

978

00:40:13,249 --> 00:40:10,099

he wasn't just sort of the money guy

979

00:40:16,519 --> 00:40:13,259

kind of crooked money guy he was a money

980

00:40:17,720 --> 00:40:16,529

guy who can actually help Israel now why

981

00:40:20,329 --> 00:40:17,730

do you say that ghilane would have been

982

00:40:21,950 --> 00:40:20,339

involved with Mossad considering what

983

00:40:25,190 --> 00:40:21,960

happened to her father

984

00:40:26,930 --> 00:40:25,200

well people said she was she she was one

985

00:40:29,210 --> 00:40:26,940

of the the Maxwells who felt that her

986

00:40:30,829 --> 00:40:29,220

father was murdered but they all they

987

00:40:34,450 --> 00:40:30,839

all suspected that there was a case of

988

00:40:36,769 --> 00:40:34,460

murder and it kind of suited you know

989

00:40:39,259 --> 00:40:36,779

Maxwell's Widow at the time because it

990

00:40:41,150 --> 00:40:39,269

was such a massive insurance policy she

991

00:40:42,349 --> 00:40:41,160

was paying 60,000 a year on an insurance

992

00:40:42,710 --> 00:40:42,359

policy that was a lot of money at that

993

00:40:44,329 --> 00:40:42,720

time

994

00:40:46,609 --> 00:40:44,339

so murder would have been you know

995

00:40:48,799 --> 00:40:46,619

rather than suicide or just you know

996

00:40:50,150 --> 00:40:48,809

dropping dead off the boat because

997

00:40:51,650 --> 00:40:50,160

you're urinating I'm a heart attack

998

00:40:53,650 --> 00:40:51,660

I mean murder would have been the ideal

999

00:40:56,359 --> 00:40:53,660

thing that's what they were kind of

1000

00:40:58,970 --> 00:40:56,369

suggesting at the time but I personally

1001

00:41:00,319 --> 00:40:58,980

think that ghilane would not have

1002

00:41:01,759 --> 00:41:00,329

connected she might have connected to

1003

00:41:05,660 --> 00:41:01,769

other people but not most high church

1004

00:41:07,910 --> 00:41:05,670

fathers then and what is it that you see

1005

00:41:09,680 --> 00:41:07,920

when you look at Epstein that causes you

1006

00:41:14,029 --> 00:41:09,690

to think he may have been working with

1007

00:41:17,930 --> 00:41:14,039

Mossad ask yourself this question you

1008

00:41:20,839 --> 00:41:17,940

look at what Epstein was doing Epstein

1009

00:41:23,660 --> 00:41:20,849

was abusing girls on the kind of scale

1010

00:41:25,130 --> 00:41:23,670

which you know is rare he was

1011

00:41:30,559 --> 00:41:25,140

trafficking girls in and out of the

1012

00:41:32,960 --> 00:41:30,569

country right on his planes right and

1013

00:41:34,849 --> 00:41:32,970

what happens it's not just about

1014

00:41:36,109 --> 00:41:34,859

Epstein's money nobody gets the kind of

1015

00:41:36,759 --> 00:41:36,119

deal that he gets from the federal

1016

00:41:40,729 --> 00:41:36,769

government

1017

00:41:44,599 --> 00:41:40,739

that deal without some kind of pressure

1018

00:41:46,729 --> 00:41:44,609

from above or from very very powerful

1019

00:41:50,390 --> 00:41:46,739

sources who have their own connections

1020

00:41:52,400 --> 00:41:50,400

to to Israel so I think that that's why

1021

00:41:54,620 --> 00:41:52,410

that's why you got the daily look any

1022

00:41:56,539 --> 00:41:54,630

other guy who is just a pedophile right

1023

00:41:59,359 --> 00:41:56,549

and doesn't matter was a billionaire

1024

00:42:00,440 --> 00:41:59,369

pedophile or not would have gone down it

1025

00:42:02,239 --> 00:42:00,450

wouldn't matter if it had the best

1026  
00:42:03,620 --> 00:42:02,249  
lawyers the world the evidence was the

1027  
00:42:06,440 --> 00:42:03,630  
evidence was devastating

1028  
00:42:07,790 --> 00:42:06,450  
against him all these girls and of

1029  
00:42:09,620 --> 00:42:07,800  
course they hired private detectives

1030  
00:42:11,390 --> 00:42:09,630  
they harassed the families all of that

1031  
00:42:13,100 --> 00:42:11,400  
you'll hear all of that story but you've

1032  
00:42:15,140 --> 00:42:13,110  
got to ask yourself the question because

1033  
00:42:17,660 --> 00:42:15,150  
I'm slapping the wrists nobody gets a

1034  
00:42:19,910 --> 00:42:17,670  
slap in the wrist now because of me to

1035  
00:42:21,470 --> 00:42:19,920  
movement and all things changed and I

1036  
00:42:25,490 --> 00:42:21,480  
think because of some of the journalism

1037  
00:42:28,400 --> 00:42:25,500  
involved in Florida that really that's

1038  
00:42:29,960 --> 00:42:28,410

where things began to service our most

1039

00:42:30,920 --> 00:42:29,970

what some people think what changed is

1040

00:42:35,270 --> 00:42:30,930

administrations

1041

00:42:38,540 --> 00:42:35,280

so under Bush and Obama he had

1042

00:42:41,450 --> 00:42:38,550

sufficient connections to keep him out

1043

00:42:44,660 --> 00:42:41,460

of jail and under Trump II did not it's

1044

00:42:46,220 --> 00:42:44,670

possible it's interesting theory III

1045

00:42:49,520 --> 00:42:46,230

don't know

1046

00:42:51,680 --> 00:42:49,530

I would suggest is probably slightly

1047

00:42:53,630 --> 00:42:51,690

flawed because if you really look at it

1048

00:42:57,500 --> 00:42:53,640

and if you look at the fact that Kushner

1049

00:43:00,560 --> 00:42:57,510

Wright who's from son-in-law there's a

1050

00:43:02,380 --> 00:43:00,570

family friend of Netanyahu the Trump is

1051

00:43:05,600 --> 00:43:02,390

surrounded by some of the leading

1052

00:43:07,220 --> 00:43:05,610

scientists in America like Sheldon

1053

00:43:09,320 --> 00:43:07,230

Adelson he moves he does everything

1054

00:43:11,240 --> 00:43:09,330

Israel wants so I don't think that would

1055

00:43:13,660 --> 00:43:11,250

be the case at all these sort of

1056

00:43:16,400 --> 00:43:13,670

pressures come from other sort of angles

1057

00:43:17,360 --> 00:43:16,410

so within the federal government might

1058

00:43:19,340 --> 00:43:17,370

have come from the intelligence

1059

00:43:23,060 --> 00:43:19,350

community when they were sort of told

1060

00:43:25,880 --> 00:43:23,070

lay off because it's not an ally and if

1061

00:43:28,880 --> 00:43:25,890

our friend Epstein right they're saying

1062

00:43:31,190 --> 00:43:28,890

to the CIA and through the CIA to the

1063

00:43:32,990 --> 00:43:31,200

federal government look you can't take

1064

00:43:34,880 --> 00:43:33,000

this guy down because this guy is just

1065

00:43:36,530 --> 00:43:34,890

too important for Israel he's doing

1066

00:43:38,480 --> 00:43:36,540

things that you don't know about right

1067

00:43:40,250 --> 00:43:38,490

now maybe he was nice doing business for

1068

00:43:45,200 --> 00:43:40,260

the Saudis he didn't notice Saudi Arabia

1069

00:43:46,790 --> 00:43:45,210

he was a friend of mvs like maxvill he

1070

00:43:49,010 --> 00:43:46,800

is maybe laundering money for some very

1071

00:43:50,690 --> 00:43:49,020

important people I know they're also

1072

00:43:52,010 --> 00:43:50,700

important to know that kind of thing

1073

00:43:53,720 --> 00:43:52,020

that's that's what intelligence

1074

00:43:56,210 --> 00:43:53,730

intelligence services build

1075

00:43:58,400 --> 00:43:56,220

informational people they build files

1076  
00:44:00,110 --> 00:43:58,410  
and so the more fuzz you can build and

1077  
00:44:02,000 --> 00:44:00,120  
he was providing girls for people all

1078  
00:44:04,070 --> 00:44:02,010  
over the place exactly that's how I was

1079  
00:44:07,270 --> 00:44:04,080  
gonna add is that he perhaps had the

1080  
00:44:10,520 --> 00:44:07,280  
wrong people in compromising positions

1081  
00:44:12,200 --> 00:44:10,530  
that's they did not want to be disclosed

1082  
00:44:13,970 --> 00:44:12,210  
I would say that's probably another

1083  
00:44:17,060 --> 00:44:13,980  
factor I'd say there are probably

1084  
00:44:17,460 --> 00:44:17,070  
multiple factors and I'd love to know

1085  
00:44:20,790 --> 00:44:17,470  
where

1086  
00:44:24,060 --> 00:44:20,800  
all the material is because this man was

1087  
00:44:25,710 --> 00:44:24,070  
meticulous and so therefore they're the

1088  
00:44:27,240 --> 00:44:25,720

probably files or audio files video

1089

00:44:31,410 --> 00:44:27,250

files were are they had a lot of

1090

00:44:32,730 --> 00:44:31,420

different setups I mean I'd say French

1091

00:44:35,130 --> 00:44:32,740

intelligence probably have already

1092

00:44:36,599 --> 00:44:35,140

raided his apartments in Paris because

1093

00:44:39,210 --> 00:44:36,609

the French would sort of want to know

1094

00:44:41,849 --> 00:44:39,220

because he boasted at one stage about a

1095

00:44:46,740 --> 00:44:41,859

very leading figure another name this

1096

00:44:48,780 --> 00:44:46,750

person who provided twin girls for a

1097

00:44:50,370 --> 00:44:48,790

night for him for his birthday and had

1098

00:44:53,849 --> 00:44:50,380

them flown in from Paris and then flown

1099

00:44:55,650 --> 00:44:53,859

back the next day so you know there are

1100

00:44:57,960 --> 00:44:55,660

a lot of people at Marksville are the

1101  
00:45:00,300 --> 00:44:57,970  
Epstein conceit can even see the way you

1102  
00:45:03,480 --> 00:45:00,310  
just almost instinctively go to Maxwell

1103  
00:45:05,730 --> 00:45:03,490  
that Epstein new information about that

1104  
00:45:07,620 --> 00:45:05,740  
nobody else did it was devalue able to

1105  
00:45:09,359 --> 00:45:07,630  
intelligence services and then the two

1106  
00:45:12,750 --> 00:45:09,369  
other ways that you can confuse the two

1107  
00:45:15,109 --> 00:45:12,760  
is their debt as their death was it

1108  
00:45:17,730 --> 00:45:15,119  
suicide was it murder

1109  
00:45:19,710 --> 00:45:17,740  
mysterious that's guy I just called I

1110  
00:45:23,310 --> 00:45:19,720  
called Epstein stay at the mysterious

1111  
00:45:25,109 --> 00:45:23,320  
death because I never believed necessary

1112  
00:45:27,780 --> 00:45:25,119  
an official sorts this very often

1113  
00:45:30,240 --> 00:45:27,790

official sources are not that

1114

00:45:32,310 --> 00:45:30,250

well-informed and really haven't done

1115

00:45:34,260 --> 00:45:32,320

the kind of due diligence that might be

1116

00:45:35,430 --> 00:45:34,270

necessary I mean if an intelligence

1117

00:45:36,870 --> 00:45:35,440

service really wants to get rid of you

1118

00:45:38,460 --> 00:45:36,880

there's one thing about it very few

1119

00:45:40,440 --> 00:45:38,470

people are going to know that they did

1120

00:45:42,180 --> 00:45:40,450

it but that's why they're some of them

1121

00:45:44,160 --> 00:45:42,190

are so good at it

1122

00:45:47,000 --> 00:45:44,170

but the Russians are not caught because

1123

00:45:51,480 --> 00:45:47,010

they they were using the kind of

1124

00:45:52,620 --> 00:45:51,490

materials that series traces but seems

1125

00:45:54,990 --> 00:45:52,630

like there's a disconnect between

1126

00:45:56,790 --> 00:45:55,000

justice and the intelligence community

1127

00:45:59,640 --> 00:45:56,800

need then perhaps because bottom line is

1128

00:46:02,910 --> 00:45:59,650

justice is the one who chose to go back

1129

00:46:05,210 --> 00:46:02,920

after him and arrest him in charge him

1130

00:46:08,700 --> 00:46:05,220

and then ultimately the court denying a

1131

00:46:12,540 --> 00:46:08,710

50 million dollar bail suggestion and

1132

00:46:15,089 --> 00:46:12,550

then you know what why why was it

1133

00:46:17,550 --> 00:46:15,099

pursued at the time it was pursued you

1134

00:46:19,140 --> 00:46:17,560

make a very good point and it's not it's

1135

00:46:22,079 --> 00:46:19,150

not the James Bond world the

1136

00:46:24,359 --> 00:46:22,089

intelligence world it's dirty and also

1137

00:46:28,680 --> 00:46:24,369

it uses techniques I mean the honey trap

1138

00:46:30,579 --> 00:46:28,690

is famous way of compromising people I

1139

00:46:33,370 --> 00:46:30,589

mean the IRA used

1140

00:46:35,950 --> 00:46:33,380

the batter Meinhof used it and in

1141

00:46:38,380 --> 00:46:35,960

teleservices use it at a very very high

1142

00:46:41,650 --> 00:46:38,390

clip and the Russians have always been

1143

00:46:43,539 --> 00:46:41,660

using the that kind of technique of

1144

00:46:46,180 --> 00:46:43,549

putting women and plays to compromise

1145

00:46:48,940 --> 00:46:46,190

people and then videotaping it or audio

1146

00:46:51,549 --> 00:46:48,950

and or else just getting out for Davis

1147

00:46:53,380 --> 00:46:51,559

from the women involved so this is the

1148

00:46:54,940 --> 00:46:53,390

kind of thing that Maxwell did and it's

1149

00:46:58,120 --> 00:46:54,950

the kind of thing that Epstein was doing

1150

00:46:59,979 --> 00:46:58,130

you're right that didn't tell it did the

1151

00:47:02,380 --> 00:46:59,989

I suppose justice comes out of it much

1152

00:47:04,599 --> 00:47:02,390

better but not that much better because

1153

00:47:08,259 --> 00:47:04,609

let's be honest they give a slap on the

1154

00:47:10,569 --> 00:47:08,269

wrist in Florida and not really is just

1155

00:47:12,459 --> 00:47:10,579

absolutely incredible when you think of

1156

00:47:15,069 --> 00:47:12,469

what he did and how he was able to walk

1157

00:47:17,380 --> 00:47:15,079

away well you're an expert on

1158

00:47:19,509 --> 00:47:17,390

intelligence so I'm just curious I mean

1159

00:47:22,779 --> 00:47:19,519

do you really believe that it's possible

1160

00:47:27,099 --> 00:47:22,789

that US intelligence can infiltrate a

1161

00:47:28,390 --> 00:47:27,109

federal prison and assassinate someone

1162

00:47:30,309 --> 00:47:28,400

like that

1163

00:47:33,430 --> 00:47:30,319

I think the intelligence services are

1164

00:47:37,390 --> 00:47:33,440

capable of a lot more than we imagine

1165

00:47:39,489 --> 00:47:37,400

let's put it this way Israel Israel's

1166

00:47:41,380 --> 00:47:39,499

Mossad practices all kinds of because

1167

00:47:42,700 --> 00:47:41,390

they have to they practice all kinds of

1168

00:47:43,870 --> 00:47:42,710

ways of killing getting in and out of

1169

00:47:46,059 --> 00:47:43,880

places and probably some of the most

1170

00:47:48,519 --> 00:47:46,069

secret places that you would take a look

1171

00:47:50,559 --> 00:47:48,529

at that either assassinated Palestinians

1172

00:47:52,589 --> 00:47:50,569

over the years that killed him in hotels

1173

00:47:55,180 --> 00:47:52,599

who killed them in hotel rooms that

1174

00:47:57,670 --> 00:47:55,190

killed them a lot of other places right

1175

00:48:00,749 --> 00:47:57,680

the Killman prison said look listen the

1176

00:48:05,349 --> 00:48:00,759

one thing about intelligence services is

1177

00:48:06,670 --> 00:48:05,359

like North Side they're experts getting

1178

00:48:08,130 --> 00:48:06,680

rid of their enemies and that's one of

1179

00:48:10,569 --> 00:48:08,140

that's why I'm all set it's more feared

1180

00:48:13,209 --> 00:48:10,579

and a lot of other intelligence services

1181

00:48:15,969 --> 00:48:13,219

you ask the Palestinians you ask people

1182

00:48:17,319 --> 00:48:15,979

who are connected sources connected to

1183

00:48:19,239 --> 00:48:17,329

that part of the world they will tell

1184

00:48:21,099 --> 00:48:19,249

you the Mossad is all was that big

1185

00:48:23,799 --> 00:48:21,109

threat in the dark you know and I would

1186

00:48:26,620 --> 00:48:23,809

say probably the CIA KGB is the same KGB

1187

00:48:29,950 --> 00:48:26,630

has been developing assassination

1188

00:48:32,109 --> 00:48:29,960

techniques for well over a century yeah

1189

00:48:35,680 --> 00:48:32,119

it's very very easy for me to believe in

1190

00:48:38,079 --> 00:48:35,690

Russia and in Israel I have a hard time

1191

00:48:40,089 --> 00:48:38,089

believing it in America yes I mean I

1192

00:48:42,810 --> 00:48:40,099

don't think it mean - CIA would have no

1193

00:48:45,240 --> 00:48:42,820

reason anyway to kill Epstein

1194

00:48:46,050 --> 00:48:45,250

they wouldn't but I'd say they knew

1195

00:48:48,510 --> 00:48:46,060

about Epstein

1196

00:48:50,490 --> 00:48:48,520

if Epstein was involved with Mossad if I

1197

00:48:52,260 --> 00:48:50,500

mean it's about specular I mean you

1198

00:48:54,030 --> 00:48:52,270

can't see was because there's no

1199

00:48:59,580 --> 00:48:54,040

evidence there at the moment but it's a

1200

00:49:01,650 --> 00:48:59,590

reasonable it's a reasonable solution so

1201

00:49:04,830 --> 00:49:01,660

tell us the parallels tell us briefly

1202

00:49:08,360 --> 00:49:04,840

about the time when you were strongly

1203

00:49:10,830 --> 00:49:08,370

considering writing a book about Epstein

1204

00:49:12,660 --> 00:49:10,840

2010 and you had a couple people that

1205

00:49:16,800 --> 00:49:12,670

had come to you with some interesting

1206

00:49:21,960 --> 00:49:16,810

information lady approached me she was a

1207

00:49:23,430 --> 00:49:21,970

socialite from the Florida area I named

1208

00:49:26,520 --> 00:49:23,440

her because I have no right to name her

1209

00:49:28,980 --> 00:49:26,530

and I wouldn't permission but she's very

1210

00:49:31,710 --> 00:49:28,990

wealthy socialite and she approached me

1211

00:49:34,020 --> 00:49:31,720

and said look a friend of mine has read

1212

00:49:36,230 --> 00:49:34,030

your book and Maxwell and I would like

1213

00:49:38,880 --> 00:49:36,240

you to write a book on Jeffrey Epstein

1214

00:49:41,940 --> 00:49:38,890

do you know about him and I said yeah I

1215

00:49:44,280 --> 00:49:41,950

know some things about him but yeah I've

1216

00:49:48,210 --> 00:49:44,290

read the stuff in the paper so you know

1217

00:49:50,070 --> 00:49:48,220

I read the the Florida coverage he said

1218

00:49:53,420 --> 00:49:50,080

yeah but I've got a lot of stuff and

1219

00:49:56,220 --> 00:49:53,430

I've got a lot of sources I'm police

1220

00:49:58,440 --> 00:49:56,230

legal I can provide you with a lot of

1221

00:50:00,750 --> 00:49:58,450

documents I said okay let me have a look

1222

00:50:02,010 --> 00:50:00,760

at this material you have search give me

1223

00:50:04,290 --> 00:50:02,020

a large box

1224

00:50:06,300 --> 00:50:04,300

I went see her and she'd an apartment in

1225

00:50:08,670 --> 00:50:06,310

Manhattan my rice

1226

00:50:13,170 --> 00:50:08,680

it'll depart she was there with her her

1227

00:50:15,180 --> 00:50:13,180

dogs yeah we rich people and this is

1228

00:50:19,860 --> 00:50:15,190

soon after he had gotten done serving

1229

00:50:21,780 --> 00:50:19,870

his time yes okay and this is what's

1230

00:50:24,030 --> 00:50:21,790

interesting I I would through material

1231

00:50:27,960 --> 00:50:24,040

like though a lot of this really is it's

1232

00:50:30,030 --> 00:50:27,970

kind of not very valuable because it's

1233

00:50:33,810 --> 00:50:30,040

it's just sourced it's easy to sources

1234

00:50:36,930 --> 00:50:33,820

but she also had four logs from his

1235

00:50:38,520 --> 00:50:36,940

house and big house in Manhattan which

1236

00:50:41,670 --> 00:50:38,530

let me see the kind of people who were

1237

00:50:43,770 --> 00:50:41,680

phoning him very very famous people and

1238

00:50:45,900 --> 00:50:43,780

also the flight logs and the flight logs

1239

00:50:47,490 --> 00:50:45,910

particular intrigued me because I wanted

1240

00:50:49,820 --> 00:50:47,500

to know who was he bringing in and out

1241

00:50:52,820 --> 00:50:49,830

in these planes we were the girls

1242

00:50:55,280 --> 00:50:52,830

but it was so so difficult to actually

1243

00:50:57,800 --> 00:50:55,290

match the names because you're just

1244

00:50:59,510 --> 00:50:57,810

dealing with first names but then I

1245

00:51:01,550 --> 00:50:59,520

began talking to other people and I

1246

00:51:06,410 --> 00:51:01,560

began looking at all the a lot of the

1247

00:51:08,690 --> 00:51:06,420

affidavits and why hi this guy could

1248

00:51:10,940 --> 00:51:08,700

possibly I've got a slap on the wrist

1249

00:51:12,980 --> 00:51:10,950

for what he did and she wanted you to

1250

00:51:15,500 --> 00:51:12,990

expose the fact that he was exploiting

1251  
00:51:18,170 --> 00:51:15,510  
underage girls was that it yes and I

1252  
00:51:21,260 --> 00:51:18,180  
suspected also that she had some kind of

1253  
00:51:23,000 --> 00:51:21,270  
history with him possibly he was her

1254  
00:51:25,520 --> 00:51:23,010  
lover at some time in the past and maybe

1255  
00:51:26,960 --> 00:51:25,530  
jilted her she never really said so but

1256  
00:51:28,670 --> 00:51:26,970  
it was just a suspicion I had and we

1257  
00:51:30,380 --> 00:51:28,680  
didn't it's almost like a kind of

1258  
00:51:32,570 --> 00:51:30,390  
unspoken thing we didn't like to talk

1259  
00:51:34,520 --> 00:51:32,580  
about it you know what I mean because

1260  
00:51:37,070 --> 00:51:34,530  
what is really that important what did

1261  
00:51:38,720 --> 00:51:37,080  
she say about the age of the girls she

1262  
00:51:40,490 --> 00:51:38,730  
knew all the girls she knew these were

1263  
00:51:43,700 --> 00:51:40,500

all teams of girls little girls a lot of

1264

00:51:46,280 --> 00:51:43,710

them right these are still girls and she

1265

00:51:48,920 --> 00:51:46,290

knew all about his place and in Florida

1266

00:51:51,350 --> 00:51:48,930

the youngest we've ever heard is 14 did

1267

00:51:53,780 --> 00:51:51,360

she balloon she was talking about that

1268

00:51:56,710 --> 00:51:53,790

age group 12 14 these review no skilled

1269

00:52:00,890 --> 00:51:56,720

girls and she also was concerned about

1270

00:52:02,870 --> 00:52:00,900

ghilane maxvill because she knew from a

1271

00:52:05,030 --> 00:52:02,880

lot of the affidavits a lot of the legal

1272

00:52:07,520 --> 00:52:05,040

stuff the ghilane maxvill was not only

1273

00:52:09,890 --> 00:52:07,530

involved as a as a fixer recruiting

1274

00:52:13,160 --> 00:52:09,900

these girls but she was also involved in

1275

00:52:15,440 --> 00:52:13,170

sexual activity with some of them and

1276

00:52:18,110 --> 00:52:15,450

the one thing about this woman was that

1277

00:52:21,830 --> 00:52:18,120

she phoned me one morning and a very

1278

00:52:25,190 --> 00:52:21,840

very distressed state and she'd been in

1279

00:52:30,200 --> 00:52:25,200

Manhattan in her apartment and someone

1280

00:52:33,650 --> 00:52:30,210

had used a very powerful laser to put

1281

00:52:37,190 --> 00:52:33,660

the image of a penis on the ceiling of

1282

00:52:38,630 --> 00:52:37,200

her bedroom I said I said I mean have

1283

00:52:40,670 --> 00:52:38,640

you been dreaming is there something

1284

00:52:42,200 --> 00:52:40,680

going on here said no no no and said I

1285

00:52:45,320 --> 00:52:42,210

know the shape of it because it's the

1286

00:52:47,330 --> 00:52:45,330

same as Epstein spins and she'd send me

1287

00:52:50,360 --> 00:52:47,340

sort of stuff from the the court filing

1288

00:52:52,820 --> 00:52:50,370

which he had a very unusual shaped penis

1289

00:52:55,880 --> 00:52:52,830

right so I thought well look Amanda

1290

00:52:57,260 --> 00:52:55,890

better check this woman it's just you

1291

00:53:00,980 --> 00:52:57,270

know out there somewhere

1292

00:53:03,050 --> 00:53:00,990

that's about the source absolutely so I

1293

00:53:04,850 --> 00:53:03,060

went I talked to someone who

1294

00:53:06,200 --> 00:53:04,860

is let's say connected to the

1295

00:53:09,440 --> 00:53:06,210

intelligence community in a very

1296

00:53:11,720 --> 00:53:09,450

interesting way and I said is this

1297

00:53:14,450 --> 00:53:11,730

possible and he said be like sort of

1298

00:53:18,230 --> 00:53:14,460

scoping this place odd he said but

1299

00:53:20,260 --> 00:53:18,240

lasered for that purpose only exists

1300

00:53:23,900 --> 00:53:20,270

within the military industrial complex

1301

00:53:28,100 --> 00:53:23,910

so the person who's done this has to

1302

00:53:30,050 --> 00:53:28,110

have some very very serious friends now

1303

00:53:31,670 --> 00:53:30,060

she didn't want to phone me the FBI but

1304

00:53:34,100 --> 00:53:31,680

I know she phoned thee this should the

1305

00:53:38,060 --> 00:53:34,110

sheriff and in Miami and all this kind

1306

00:53:39,560 --> 00:53:38,070

of social security people Miami but as I

1307

00:53:41,330 --> 00:53:39,570

was looking at Marksville I began to

1308

00:53:43,190 --> 00:53:41,340

discover and my wife is very unhappy

1309

00:53:45,230 --> 00:53:43,200

about me doing the Maxwell for the

1310

00:53:46,880 --> 00:53:45,240

Epstein book because she'd gone through

1311

00:53:47,750 --> 00:53:46,890

the whole Maxwell thing the threats and

1312

00:53:50,330 --> 00:53:47,760

all the rest of it

1313

00:53:52,160 --> 00:53:50,340

and he was mr. untouchable and it was a

1314

00:53:54,680 --> 00:53:52,170

suspicion in my mind at the time with

1315

00:53:57,230 --> 00:53:54,690

the Glenn Maxwell connection this guy

1316

00:54:02,090 --> 00:53:57,240

could be serious trouble for me serious

1317

00:54:03,770 --> 00:54:02,100

trouble and I didn't I didn't sort of

1318

00:54:06,050 --> 00:54:03,780

recent poison he was involved in tellus

1319

00:54:09,140 --> 00:54:06,060

community but I knew that I knew he

1320

00:54:10,820 --> 00:54:09,150

could bring people to my life that you

1321

00:54:13,580 --> 00:54:10,830

know might make my life very very

1322

00:54:18,380 --> 00:54:13,590

unpleasant and I discovered that he'd

1323

00:54:21,130 --> 00:54:18,390

learned I was working on on a book I was

1324

00:54:24,130 --> 00:54:21,140

told that he and Glenn Maxwell

1325

00:54:27,410 --> 00:54:24,140

discovered that I was writing this book

1326  
00:54:29,390 --> 00:54:27,420  
so nicely had you actually started on it

1327  
00:54:31,280 --> 00:54:29,400  
or you're doing I was doing they're

1328  
00:54:32,660 --> 00:54:31,290  
still doing the research but as a year

1329  
00:54:33,920 --> 00:54:32,670  
into the research I mean I was doing a

1330  
00:54:36,470 --> 00:54:33,930  
lot of work on it

1331  
00:54:39,110 --> 00:54:36,480  
told me a lot of people so I said to

1332  
00:54:40,430 --> 00:54:39,120  
this lady look because friends of mine

1333  
00:54:42,530 --> 00:54:40,440  
him inform me I'm not gonna get a

1334  
00:54:44,990 --> 00:54:42,540  
publisher because nobody's gonna take a

1335  
00:54:47,300 --> 00:54:45,000  
book on this guy Epstein you so many

1336  
00:54:49,340 --> 00:54:47,310  
contacts there's so many big-time

1337  
00:54:51,740 --> 00:54:49,350  
lawyers even a legal reading of a book

1338  
00:54:55,760 --> 00:54:51,750

on this guy is gonna cost a fortune now

1339

00:54:57,290 --> 00:54:55,770

if you would like to write if you'd like

1340

00:54:58,010 --> 00:54:57,300

this book and you're so determined you

1341

00:55:01,520 --> 00:54:58,020

want to have it

1342

00:55:03,290 --> 00:55:01,530

well then finance it alright and then

1343

00:55:05,420 --> 00:55:03,300

take the profits from it I didn't mind

1344

00:55:07,850 --> 00:55:05,430

if I said I would write the book did you

1345

00:55:09,500 --> 00:55:07,860

talk to publishers about it I talked

1346

00:55:11,300 --> 00:55:09,510

indirectly I talk to friends are you

1347

00:55:13,400 --> 00:55:11,310

said to me listen get the hell out of

1348

00:55:15,380 --> 00:55:13,410

this one because this guy is untouchable

1349

00:55:16,790 --> 00:55:15,390

nobody wants to write anything about him

1350

00:55:18,980 --> 00:55:16,800

take a look at all the news babe

1351

00:55:20,420 --> 00:55:18,990

who really writes anything about our

1352

00:55:22,070 --> 00:55:20,430

friend Epstein

1353

00:55:23,690 --> 00:55:22,080

this guy is just too powerful a figure

1354

00:55:25,550 --> 00:55:23,700

and he's got the kind of connections

1355

00:55:28,190 --> 00:55:25,560

that you don't really want to be close

1356

00:55:32,480 --> 00:55:28,200

to now I wonder where those connections

1357

00:55:34,760 --> 00:55:32,490

were mob connections or intelligence

1358

00:55:37,040 --> 00:55:34,770

connections but I wasn't sure which so

1359

00:55:38,690 --> 00:55:37,050

my wife said to me no give me get out of

1360

00:55:40,580 --> 00:55:38,700

this and I said look I'll give this lady

1361

00:55:42,710 --> 00:55:40,590

a chance to make a decision if she wants

1362

00:55:44,150 --> 00:55:42,720

to finance the book I will go ahead with

1363

00:55:47,150 --> 00:55:44,160

it so I met her and her husband in a

1364

00:55:48,590 --> 00:55:47,160

place in the Hamptons and she said well

1365

00:55:49,490 --> 00:55:48,600

let me think about it and I'll get back

1366

00:55:51,350 --> 00:55:49,500

to you in two weeks

1367

00:55:54,230 --> 00:55:51,360

well she never got back to me so as much

1368

00:55:55,760 --> 00:55:54,240

how much did you need I think I reckon

1369

00:55:57,200 --> 00:55:55,770

would have taken me about two years that

1370

00:56:00,080 --> 00:55:57,210

have needed to do a lot of traveling

1371

00:56:02,060 --> 00:56:00,090

that it needs travelled of Israel iris I

1372

00:56:03,830 --> 00:56:02,070

was thinking about some of the the

1373

00:56:07,490 --> 00:56:03,840

places abroad that would have been

1374

00:56:09,890 --> 00:56:07,500

valuable in terms of talking to certain

1375

00:56:12,800 --> 00:56:09,900

intelligence figures that I know to

1376

00:56:15,650 --> 00:56:12,810

others so I I reckoned of read in the

1377

00:56:18,320 --> 00:56:15,660

book would have taken about 150 150

1378

00:56:20,480 --> 00:56:18,330

thousand yeah did she think that he was

1379

00:56:21,980 --> 00:56:20,490

notice to pay people off as well didn't

1380

00:56:24,500 --> 00:56:21,990

had to pay people off you'd have had to

1381

00:56:26,690 --> 00:56:24,510

buy I mean the best lawyers to lawyer

1382

00:56:29,660 --> 00:56:26,700

this book did she think that he was

1383

00:56:31,490 --> 00:56:29,670

connected to Israeli intelligence no she

1384

00:56:33,680 --> 00:56:31,500

she just thought he was the worst

1385

00:56:35,960 --> 00:56:33,690

pedophile she'd ever heard all over come

1386

00:56:40,850 --> 00:56:35,970

across but she she had a she had a

1387

00:56:44,870 --> 00:56:40,860

distinct hatred for this man she did she

1388

00:56:47,120 --> 00:56:44,880

did she tell you any story did she tell

1389

00:56:51,020 --> 00:56:47,130

you any stories that we haven't heard

1390

00:56:53,960 --> 00:56:51,030

yet no think about this lady was that

1391

00:56:56,510 --> 00:56:53,970

she had she been talking to a lot of

1392

00:56:59,180 --> 00:56:56,520

people who had been investigating this

1393

00:57:02,960 --> 00:56:59,190

isn't in Florida so she had been aware

1394

00:57:04,910 --> 00:57:02,970

of a lot of the stories of the girls and

1395

00:57:06,560 --> 00:57:04,920

I think she felt really bad about it and

1396

00:57:08,660 --> 00:57:06,570

she felt that no one was going to get to

1397

00:57:11,090 --> 00:57:08,670

this guy this guy was just impossible

1398

00:57:13,730 --> 00:57:11,100

right to take down so she said to me you

1399

00:57:15,260 --> 00:57:13,740

took me took down Maxwell but think

1400

00:57:17,480 --> 00:57:15,270

about the exact had done Maxwell after

1401  
00:57:19,010 --> 00:57:17,490  
he was dead but I taken down marks all

1402  
00:57:21,440 --> 00:57:19,020  
the time he was alive I don't think I

1403  
00:57:22,940 --> 00:57:21,450  
would be alive what about this I've been

1404  
00:57:24,410 --> 00:57:22,950  
publishing this stuff that I published

1405  
00:57:26,330 --> 00:57:24,420  
later but Maxwell I don't think I would

1406  
00:57:28,220 --> 00:57:26,340  
have kind of survived it what do you

1407  
00:57:30,320 --> 00:57:28,230  
think about this James Patterson book

1408  
00:57:30,609 --> 00:57:30,330  
that was written on Epstein about five

1409  
00:57:33,789 --> 00:57:30,619  
years

1410  
00:57:40,269 --> 00:57:33,799  
go yeah I haven't read it it was it was

1411  
00:57:43,089 --> 00:57:40,279  
fiction no no I was a doe kind of I've

1412  
00:57:45,430 --> 00:57:43,099  
read it I haven't read it I've read it

1413  
00:57:47,289 --> 00:57:45,440

it actually contains frankly about half

1414

00:57:49,120 --> 00:57:47,299

of the book is simply transcripts

1415

00:57:50,620 --> 00:57:49,130

transcript from depositions

1416

00:57:53,289 --> 00:57:50,630

well loser there was a troll there you

1417

00:57:56,769 --> 00:57:53,299

know those are all accessible yeah I

1418

00:57:58,480 --> 00:57:56,779

remember after after Florida the stuff

1419

00:58:01,420 --> 00:57:58,490

was still available you could have

1420

00:58:02,920 --> 00:58:01,430

talked to the I'd say privately talked

1421

00:58:04,630 --> 00:58:02,930

to the law one of the lawyers I know he

1422

00:58:06,999 --> 00:58:04,640

affirms some of the girls and you would

1423

00:58:09,370 --> 00:58:07,009

have got access to that I read a lot of

1424

00:58:11,970 --> 00:58:09,380

that material I wanted more than that I

1425

00:58:16,210 --> 00:58:11,980

I wanted to sort of tear apart the whole

1426

00:58:19,120 --> 00:58:16,220

ghilane Maxwell and also the Glenn

1427

00:58:21,430 --> 00:58:19,130

Maxwell Epstein Nexus and I also wanted

1428

00:58:23,829 --> 00:58:21,440

to tear apart the the financial world to

1429

00:58:25,630 --> 00:58:23,839

find out where his money came from yeah

1430

00:58:27,279 --> 00:58:25,640

I was talking to various people about

1431

00:58:28,450 --> 00:58:27,289

that as well to find out how he could

1432

00:58:30,960 --> 00:58:28,460

and also how I could have moved around

1433

00:58:33,910 --> 00:58:30,970

the world I needed I needed access to

1434

00:58:35,380 --> 00:58:33,920

intelligence figures to tell me how he

1435

00:58:38,079 --> 00:58:35,390

could have functioned in the way he did

1436

00:58:42,160 --> 00:58:38,089

because my belief was that this guy has

1437

00:58:44,109 --> 00:58:42,170

this guy had some some power and he's

1438

00:58:45,460 --> 00:58:44,119

got some Poole was very very important

1439

00:58:47,739 --> 00:58:45,470

people and it's not just in the United

1440

00:58:50,979 --> 00:58:47,749

States let's go back to a weird subject

1441

00:58:53,829 --> 00:58:50,989

and that is his penis I find it

1442

00:58:55,210 --> 00:58:53,839

interesting simply because this guy was

1443

00:58:57,190 --> 00:58:55,220

a sex addict

1444

00:59:00,009 --> 00:58:57,200

I mean you know the stories are three

1445

00:59:02,589 --> 00:59:00,019

orgasms a day three massages a day yeah

1446

00:59:05,049 --> 00:59:02,599

but you actually saw his penis I think

1447

00:59:07,539 --> 00:59:05,059

you just described it as grotesque yeah

1448

00:59:09,099 --> 00:59:07,549

it was a very very strange shape someone

1449

00:59:11,979 --> 00:59:09,109

said it kind of looked like an egg you

1450

00:59:13,960 --> 00:59:11,989

know it was a very strange shape was

1451  
00:59:17,259 --> 00:59:13,970  
small but it was bulbous you know kind

1452  
00:59:18,819 --> 00:59:17,269  
of it was a it was weird even the girls

1453  
00:59:20,769 --> 00:59:18,829  
all the girls testified when they

1454  
00:59:23,140 --> 00:59:20,779  
testified in court they showed him a

1455  
00:59:27,210 --> 00:59:23,150  
photograph of the court was a photograph

1456  
00:59:29,620 --> 00:59:27,220  
from the affidavits and the girls all

1457  
00:59:31,479 --> 00:59:29,630  
remarked that was something they ordered

1458  
00:59:34,479 --> 00:59:31,489  
marked about because it really creeped

1459  
00:59:38,380 --> 00:59:34,489  
them out and and so was this picture

1460  
00:59:40,210 --> 00:59:38,390  
taken by the police yes yes yes it did

1461  
00:59:41,979 --> 00:59:40,220  
and then it turns out the girls were

1462  
00:59:43,570 --> 00:59:41,989  
able to identify it and so that was

1463  
00:59:46,430 --> 00:59:43,580

absolutely because was extended

1464

00:59:49,120 --> 00:59:46,440

and going back to the penis on the

1465

00:59:52,880 --> 00:59:49,130

ceiling you're saying that this laser

1466

00:59:54,950 --> 00:59:52,890

image was not of a normal penis it was

1467

00:59:57,770 --> 00:59:54,960

of a penis shaped like his she

1468

00:59:59,030 --> 00:59:57,780

recognized it she said to me I knew

1469

01:00:00,920 --> 00:59:59,040

immediately and she said that's what

1470

01:00:02,690 --> 01:00:00,930

really scared me because I knew I knew

1471

01:00:04,730 --> 01:00:02,700

who did this so that that means she

1472

01:00:06,020 --> 01:00:04,740

probably had slept with him because they

1473

01:00:07,670 --> 01:00:06,030

wouldn't know that she could have known

1474

01:00:11,120 --> 01:00:07,680

what his penis looked like yes it's

1475

01:00:14,510 --> 01:00:11,130

possible or else she saw the same

1476

01:00:17,690 --> 01:00:14,520

photograph that that I saw yeah but

1477

01:00:20,870 --> 01:00:17,700

still so bizarre because you have two

1478

01:00:22,970 --> 01:00:20,880

eyes I was shocked at the time I thought

1479

01:00:25,640 --> 01:00:22,980

look this this is not real that this is

1480

01:00:27,860 --> 01:00:25,650

just you know this is a fiction here and

1481

01:00:30,470 --> 01:00:27,870

if this is the case I better get well ID

1482

01:00:34,310 --> 01:00:30,480

from this ladies you know well as you

1483

01:00:36,740 --> 01:00:34,320

look back on on that story and on her or

1484

01:00:39,320 --> 01:00:36,750

what do you think I think I think it

1485

01:00:40,730 --> 01:00:39,330

probably happened she wasn't someone to

1486

01:00:43,250 --> 01:00:40,740

kind of lie about anything it should no

1487

01:00:45,170 --> 01:00:43,260

reason to and she wasn't sort of taking

1488

01:00:46,700 --> 01:00:45,180

any sleeping medications and the fact

1489

01:00:49,540 --> 01:00:46,710

that she was scared of joining the FBI

1490

01:00:52,040 --> 01:00:49,550

which had phoned me and she phoned oh I

1491

01:00:54,950 --> 01:00:52,050

think one or two security sources in

1492

01:00:56,990 --> 01:00:54,960

Florida meant that she was she really

1493

01:00:59,510 --> 01:00:57,000

meant business and she was frightened

1494

01:01:01,910 --> 01:00:59,520

and I think she had reason to be and he

1495

01:01:04,340 --> 01:01:01,920

knew by the way that's when we find out

1496

01:01:07,220 --> 01:01:04,350

about me writing the book he found out

1497

01:01:08,740 --> 01:01:07,230

through a friend of hers and also there

1498

01:01:11,030 --> 01:01:08,750

was something else that I came across

1499

01:01:15,170 --> 01:01:11,040

there's someone else he was researching

1500

01:01:17,060 --> 01:01:15,180

a book on on him at that time I can't

1501  
01:01:22,010 --> 01:01:17,070  
really reveal the name of the person but

1502  
01:01:24,950 --> 01:01:22,020  
that person visited epstein and then

1503  
01:01:27,440 --> 01:01:24,960  
stopped writing the book and this lady

1504  
01:01:30,980 --> 01:01:27,450  
said to me she was bought off she said I

1505  
01:01:32,420 --> 01:01:30,990  
have absolutely no doubt about it so you

1506  
01:01:34,760 --> 01:01:32,430  
know a lot of strange things happen to

1507  
01:01:37,220 --> 01:01:34,770  
Rhonda testing how do you evaluate alan

1508  
01:01:42,290 --> 01:01:37,230  
dershowitz at this point including the

1509  
01:01:44,720 --> 01:01:42,300  
allegation that he also partook with the

1510  
01:01:46,520 --> 01:01:44,730  
allegation is there you know you can't

1511  
01:01:49,900 --> 01:01:46,530  
just sort of walk away from it

1512  
01:01:52,340 --> 01:01:49,910  
I think the interesting thing will be

1513  
01:01:54,620 --> 01:01:52,350

where this goes from here whether it's

1514

01:01:56,780 --> 01:01:54,630

about sort of Prince Andrew or it's

1515

01:02:00,590 --> 01:01:56,790

about Dershowitz or others I mean

1516

01:02:04,310 --> 01:02:00,600

the royal family it's absolutely off as

1517

01:02:06,470 --> 01:02:04,320

a story it really is because you know

1518

01:02:08,510 --> 01:02:06,480

they can't they can't escape it because

1519

01:02:09,950 --> 01:02:08,520

the Daily Mail has been on this story

1520

01:02:12,350 --> 01:02:09,960

uninterestingly by the way

1521

01:02:13,820 --> 01:02:12,360

Vicki Ward the Daily Mail and the New

1522

01:02:15,320 --> 01:02:13,830

York Post you have to give credits in

1523

01:02:18,050 --> 01:02:15,330

some of these papers before they the

1524

01:02:22,010 --> 01:02:18,060

recent very good journalism out of

1525

01:02:24,080 --> 01:02:22,020

Florida Miami Herald the post was

1526

01:02:27,200 --> 01:02:24,090

following not a lot of stuff this was of

1527

01:02:28,610 --> 01:02:27,210

course owned by Murdoch and you know

1528

01:02:30,950 --> 01:02:28,620

they were following up on this stuff

1529

01:02:32,870 --> 01:02:30,960

about Epstein and so was the Daily Mail

1530

01:02:34,670 --> 01:02:32,880

they were added all the time and so they

1531

01:02:37,010 --> 01:02:34,680

haven't stopped and of course they're

1532

01:02:39,200 --> 01:02:37,020

holding the Prince Andrei's feet to the

1533

01:02:41,270 --> 01:02:39,210

fire and he's saying well no it never

1534

01:02:43,960 --> 01:02:41,280

actually happened but all these people

1535

01:02:46,580 --> 01:02:43,970

one of the things that shocks me is that

1536

01:02:49,820 --> 01:02:46,590

there's a very little focus on the fact

1537

01:02:51,740 --> 01:02:49,830

that you know Epstein like maxvill was a

1538

01:02:53,360 --> 01:02:51,750

disreputable figure but you've got to

1539

01:02:56,000 --> 01:02:53,370

say to yourself how disreputable were

1540

01:02:58,430 --> 01:02:56,010

the people who are around his life who

1541

01:03:01,220 --> 01:02:58,440

find it convenient to sort of socialize

1542

01:03:04,790 --> 01:03:01,230

with them the organizations that took

1543

01:03:07,400 --> 01:03:04,800

money from him funding from him and also

1544

01:03:08,990 --> 01:03:07,410

they knew I mean after the whole Florida

1545

01:03:11,000 --> 01:03:09,000

thing they own you and then their people

1546

01:03:12,620 --> 01:03:11,010

sort of boasting all like you know

1547

01:03:15,050 --> 01:03:12,630

trunks heavily like young girls you know

1548

01:03:16,910 --> 01:03:15,060

I mean come on we would they saw them

1549

01:03:18,680 --> 01:03:16,920

and the company of girls that you know

1550

01:03:21,860 --> 01:03:18,690

we're younger than their daughters a lot

1551  
01:03:23,600 --> 01:03:21,870  
of these people there was all the rumor

1552  
01:03:25,610 --> 01:03:23,610  
about him anyway you start there but

1553  
01:03:26,540 --> 01:03:25,620  
well after Florida anybody was involved

1554  
01:03:28,160 --> 01:03:26,550  
with him after Florida

1555  
01:03:29,480 --> 01:03:28,170  
journalists are read looking they should

1556  
01:03:31,160 --> 01:03:29,490  
look at the people who are involved with

1557  
01:03:34,910 --> 01:03:31,170  
him after that they were still on his

1558  
01:03:38,300 --> 01:03:34,920  
planes and say why well speaking of that

1559  
01:03:40,820 --> 01:03:38,310  
when do you believe that ghilane cut

1560  
01:03:42,650 --> 01:03:40,830  
ties with him if at all I don't think

1561  
01:03:44,300 --> 01:03:42,660  
she cut ties with him I think you've

1562  
01:03:48,440 --> 01:03:44,310  
also got to ask yourself the question

1563  
01:03:49,250 --> 01:03:48,450

why was she never picked up not this is

1564

01:03:51,230 --> 01:03:49,260

an interesting one

1565

01:03:52,640 --> 01:03:51,240

all the evidence if you look at the

1566

01:03:54,050 --> 01:03:52,650

evidence from Florida and look at all

1567

01:03:56,450 --> 01:03:54,060

those affidavits what all those girls

1568

01:03:58,430 --> 01:03:56,460

have said if you were a prosecutor would

1569

01:04:01,570 --> 01:03:58,440

you not have picked her up told her in

1570

01:04:03,440 --> 01:04:01,580

put her under right interrogation

1571

01:04:05,000 --> 01:04:03,450

presented her with the evidence would

1572

01:04:06,830 --> 01:04:05,010

you not be building a case against her

1573

01:04:08,960 --> 01:04:06,840

now they're all saying oh maybe in

1574

01:04:12,470 --> 01:04:08,970

backgrounds a case being built but wide

1575

01:04:15,110 --> 01:04:12,480

like Epstein why wasn't she arrested and

1576

01:04:17,470 --> 01:04:15,120

where do you think she is today I don't

1577

01:04:20,030 --> 01:04:17,480

know but I'll tell you something

1578

01:04:23,960 --> 01:04:20,040

she has to ask yourself two questions

1579

01:04:29,180 --> 01:04:23,970

right one are they coming for me or two

1580

01:04:30,720 --> 01:04:29,190

are my backers powerful enough to make
